(ii) Gross Receipts shall be reported and the Basic Percentage Fee shall be paid to the Port Authority by the Permittee as follows: On or before the twentieth (20th) day of the first month following the month in which the Effective Date falls and on the twentieth (20th) day of each and every calendar month thereafter during the period that this Permit is in effect and including the calendar month in which this Permit ceases to be in effect, the Permittee shall render to the Port Authority a monthly statement sworn to by a responsible executive or fiscal officer of the Permittee showing all of the Gross Receipts for the preceding month. Each of the said statements shall also show the cumulative Gross Receipts from the Effective Date (or the most recent anniversary thereof) through the last day of the preceding month. At the same time each of the said statements is rendered to the Port Authority, the Permittee shall pay to the Port Authority an amount equal to five percent (5%) applied to the Gross Receipts for the preceding calendar month. In addition to the foregoing, on the twentieth (20th) day of the first month following each anniversary of the Effective Date the Permittee shall submit to the Port Authority a statement setting forth the cumulative totals of the Gross Receipts for the entire preceding twelve (12) month period certified, at the Permittee's expense, by a certified public accountant. In addition to the foregoing, within twenty (20) days after the expiration, termination, revocation or cancellation of this Permit, the Permittee shall render to the Port Authority a sworn statement certified, at the Permittee's expense, by a certified public accountant of all Gross Receipts during the period from the last preceding anniversary of the Effective Date up to and including the last day this Permit shall be in effect and the Permittee shall, at the time of rendering such statement to the Port Authority, pay the Basic Percentage Fee due and unpaid as of the last day this Permit shall be in effect.

(iii) Terminal Four Gross Receipts shall be reported and the Terminal Four Percentage Fee shall be paid to the Terminal Four Lessee by the Permittee as follows: On or before the twentieth (20th) day of the first month following the month in which the Effective Date falls and on the twentieth (20th) day of each and every calendar month thereafter during the period that the Permit is in effect and including the calendar month in which the Permit ceases to be in effect, the Permittee shall render to the Port Authority and the Terminal Four Lessee a

monthly statement sworn to by a responsible executive or fiscal officer of the Permittee showing all of the Terminal Four Gross Receipts for the preceding month. Each of the said statements shall also show the cumulative Terminal Four Gross Receipts from the Effective Date (or the most recent anniversary thereof) through the last day of the preceding month. At the same time each of the said statements is rendered to the Port Authority and the Terminal Four Lessee, the Permittee shall pay to the Terminal Four Lessee an amount equal to five percent (5%) applied to the Terminal Four Gross Receipts for the preceding calendar month. In addition to the foregoing, on the twentieth (20th) day of the first month following each anniversary of the Effective Date the Permittee shall submit to the Port Authority and the Terminal Four Lessee a statement setting forth the cumulative totals of the Terminal Four Gross Receipts for the entire preceding twelve (12) month period certified, at the Permittee's expense, by a certified public accountant. In addition to the foregoing, within twenty (20) days after the expiration, termination, revocation or cancellation of the Permit, the Permittee shall render to the Port Authority and the Terminal Four Lessee a sworn statement certified, at the Permittee's expense, by a certified public accountant of all Terminal Four Gross Receipts during the period from the last preceding anniversary of the Effective Date up to and including the last day the Permit shall be in effect and the Permittee shall, at the time of rendering such statement to the Terminal Four Lessee pay to the Terminal Four Lessee the Terminal Four Percentage Fee due and unpaid as of the last day the Permit shall be in effect. Each of the statements called for hereunder shall separately list and state the Terminal Four Gross Receipts and the applicable Terminal Four Percentage Fee payable thereon for each privilege (including without limitation each Authorized Service) provided by the Permittee hereunder at Terminal Four.

(b) (i) All statements to be submitted to the Port Authority pursuant to this Section and all payments made under this Permit, except for the Terminal Four Percentage Fee, shall be sent to the following address:

THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY
P.O. BOX 95000-1556
PHILADELPHIA, PENNSYLVANIA 19195-1517

or made via the following wire transfer instructions:

Bank: [redacted]
Bank ABA number: [redacted]
Account number:

or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

(ii) All statements to be submitted to the Terminal Four Lessee hereunder and the Terminal Four Percentage Fee shall be made to the Terminal Four Lessee at Terminal Four, John F. Kennedy International Airport, Room 2300, Jamaica, New York 11430 or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

(c) There shall be excluded from Gross Receipts and Terminal Four Gross Receipts any sum paid or payable to the Permittee for the following, provided said sum is separately stated to and paid by the customer:

(i) handicapped services;

(ii) security services;

(iii) lost and found baggage services;

(iv) snow removal services;

(v) ground transportation of employees; and

(vi) building janitorial and maintenance services,

provided further, however, the Permittee acknowledges and agrees that the Port Authority does and shall continue to have the right at any time and from time to time to withdraw the foregoing exclusions from Gross Receipts (and Terminal Four Gross Receipts), in whole or in part, or to establish a separate fee for each such service, which may be a percentage fee other than five percent (5%), upon sixty (60) days' prior written notice to the Permittee. Notwithstanding the foregoing, any fee established must be agreed to by the Permittee and the Port Authority and must be reflected in a supplement to this Permit to be prepared by the Port Authority and executed by the parties hereto.

(d) In the event the Permittee shall be permitted hereunder to provide Gateside Aircraft Maintenance services or Routine and Non-routine Aircraft Maintenance services, there shall be excluded from Gross Receipts and Terminal Four Gross Receipts any sum paid or payable to the Permittee:

(i) which arise solely from the resale to a customer of aircraft parts and supplies purchased by the Permittee from a third party, provided, however, that there shall be included in Gross Receipts and Terminal Four Gross Receipts monies paid or payable to the Permittee which arise from the sale of such aircraft parts and supplies to which the Permittee has provided labor for fabrication, refinishing or assembly to the extent of the reasonable value of the labor provided by the Permittee;

(ii) which arise solely from the use of equipment rented by the Permittee from a third party which monies are separately stated to and paid by the customer, limited, however, to the amounts actually paid by the Permittee to the third party for such rental of equipment; and

(iii) which arise solely from the loan or rental by the Permittee of aircraft parts, whether or not owned by the Permittee, which monies are separately stated to and paid by a customer and where said loan or rental of any such aircraft part is for a period of less than twelve (12) consecutive calendar days, it being understood that such monies paid or payable to the Permittee for the loan or rental may include monies for labor provided by the Permittee for installation, refurbishment of returned parts or administrative handling which is directly related to said loan or rental provided, however, all monies paid or payable to the Permittee which arise solely from the loan or rental by the Permittee of aircraft parts, whether or not owned by the Permittee, for twelve (12) or more consecutive calendar days (including but not limited to monies for labor provided by the Permittee for installation, refurbishment of returned parts or administrative handling which is directly related to said lease or rental) shall be included in Gross Receipts from the first day of the loan or rental period, as the case may be.

(e) If and to the extent the full fair market value of any sale, service or other item provided by the Permittee is not charged to or payable by the customer, then the fair market

value thereof as determined by the Port Authority shall be included in Gross Receipts and Terminal Four Gross Receipts.

(f) Without limiting any other provisions of this Permit regarding Gross Receipts and Terminal Four Gross Receipts, in those instances where the Permittee provides any services or goods along with other services and goods to the same Person (including without limitation those instances where a service is part of or is included within a group of other services and rendered for a single price, and where a service is performed by the Permittee pursuant to agreement for the exchange of services or goods) the Permittee agrees that the value ascribed to the performance of such service by the Permittee shall be the fair and reasonable value thereof as determined by the Port Authority.

(g) Without limiting the requirement for Port Authority approval, if the Permittee conducts any privilege or any portion thereof through the use of a contractor or other third party which is not a Port Authority permittee and where the payments for any of the foregoing are made to such contractor rather than to the Permittee, said payments shall be deemed amounts, monies, revenues, receipts and income paid or payable to the Permittee for purposes of determining the Permittee's Gross Receipts and Terminal Four Gross Receipts, provided, however, that the foregoing shall not grant or be deemed to grant any right or permission to the Permittee to use an independent contractor or other third party to perform any privilege or portion thereof or the doing of anything hereunder by an independent contractor or other third party.

(h) Notwithstanding that the fee hereunder is measured by a percentage of Gross Receipts and Terminal Four Gross Receipts, no joint venture or partnership relationship between the parties hereto is created by this Permit.

(i) To the extent that the Permittee has not already done so at the time of execution of this Permit and without limiting the generality of any other term or provision hereof, the Permittee agrees to submit monthly statements of Gross Receipts and Terminal Four Gross Receipts as provided in this Section and to pay, at the time of execution and delivery of this Permit to the Port Authority, all fees and other amounts due under this Permit for the period from the Effective Date to the time of execution and delivery of this Permit by the Permittee.

(j) Without limiting any other provision of this Permit, it is hereby specifically understood that the failure to set forth all the classes of Persons, all of the locations served or all of the types of services or activities performed by the Permittee in its exercise of the privileges granted hereunder as of the Effective Date, or the failure to, by appropriate supplement, revise this Permit to reflect any additional classes of Persons, locations served, or services or activities performed by the Permittee subsequent to said Effective Date, shall not affect the inclusion in Gross Receipts or Terminal Four Gross Receipts hereunder of the amounts, monies, revenues, receipts and income received or receivable by the Permittee in its operations, and the same shall be so included. The foregoing shall not constitute Port Authority consent or be deemed to imply that the necessary Port Authority consent (to be reflected in a supplement to the Permit) with respect to such additional classes of Persons, locations, services or activities will be given.

(k) The Basic Percentage Fee, the Terminal Four Percentage Fee and any other fees payable under this Permit shall be subject to increase from time to time upon thirty (30) days' notice from the Port Authority to the Permittee, given by the General Manager of the Airport or such other representative as the Port Authority may substitute from time to time by notice to the Permittee, and upon the effective date of the increase set forth in such notice the fees payable by

the Permittee under this Permit shall be as set forth in said notice. In the event within ten (10) days after the Permittee receives such notice from the Port Authority, the Permittee notifies the Port Authority that the Permittee does not wish to pay the increased fees, this Permit and the permission granted hereunder shall be, and shall be deemed to be, cancelled effective at the close of business on the day preceding the effective date of the increase, as set forth in the Port Authority's notice to the Permittee. If the Permittee does not so notify the Port Authority, the increased fees shall become effective on the date set forth in the Port Authority's notice as aforesaid. No cancellation of this Permit and the permission granted thereunder pursuant to this paragraph (k) shall be construed to relieve the Permittee of any obligations or liabilities hereunder which shall have accrued on or before the effective date of such cancellation.

(l) Without limiting any term or provision of this Permit, in the event the Permittee performs (x) any service, other than the Authorized Service at the Airport, or (y) any service (including the Authorized Service) at any other Port Authority facility, whether such performance is the subject of a written agreement by and between the Port Authority and the Permittee, the Permittee hereby agrees that it will pay to the Port Authority any and all fees and/or charges applicable to such service. The Permittee also agrees that, at the request of the Port Authority, it will enter into the appropriate agreement with the Port Authority providing permission for the Permittee to perform such service.

5. Security Deposit:

(a) (i) Provided that an amount is set forth in Item 8 on the first page of this Permit (the "*Required Security Deposit*"), and, provided, further, the amount of said Required Security Deposit is less than $20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deposit with the Port Authority (and shall keep deposited throughout the effective period of the permission under this Permit) the Required Security Deposit, either in cash, or bonds of the United States of America, or of the State of New Jersey, or of the State of New York, or of the Port Authority of New York and New Jersey, having a market value of that amount, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed. Bonds qualifying for deposit hereunder shall be in bearer form but if bonds of that issue were offered only in registered form, then the Permittee may deposit such bonds or bonds in registered form, provided, however, that the Port Authority shall be under no obligation to accept such deposit of a bond in registered form unless such bond has been re-registered in the name of the Port Authority (the expense of such re-registration to be borne by the Permittee) in a manner satisfactory to the Port Authority. The Permittee may request the Port Authority to accept a registered bond in the Permittee's name and if acceptable to the Port Authority the Permittee shall deposit such bond together with an irrevocable bond power (and such other instruments or other documents as the Port Authority may require) in form and substance satisfactory to the Port Authority. In the event the Required Security Deposit is returned to the Permittee, any expenses incurred by the Port Authority in re-registering a bond to the name of the Permittee shall be borne by the Permittee. In addition to any and all other remedies available to it, the Port Authority shall have the right, at its option, at any time and from time to time, with or without notice, to use the Required Security Deposit, or any part thereof, in whole or partial satisfaction of any of its claims or demands against the Permittee. There shall be no obligation on the Port Authority to exercise such right and neither the existence of such right nor the holding of the Required Security Deposit itself shall cure any default or breach of this Permit on the part of the Permittee. With respect to any bonds deposited by the Permittee, the Port Authority shall have the right, in order to satisfy any of its claims or demands against the Permittee, to sell the same in

whole or in part, at any time, and from time to time, with or without prior notice at public or private sale, all as determined by the Port Authority, together with the right to purchase the same at such sale free of all claims, equities or rights of redemption of the Permittee. The Permittee hereby waives all right to participate therein and all right to prior notice or demand of the amount or amounts of the claims or demands of the Port Authority against the Permittee. The proceeds of every such sale shall be applied by the Port Authority first to the costs and expenses of the sale (including but not limited to advertising or commission expenses) and then to the amounts due the Port Authority from the Permittee. Any balance remaining shall be retained in cash toward bringing the Required Security Deposit to the sum specified in Item 8 on the first page of this Permit. In the event that the Port Authority shall at any time or times so use the Required Security Deposit, or any part thereof, or if bonds shall have been deposited and the market value thereof shall have declined below the amount set forth in Item 8 on the first page of this Permit, the Permittee shall, on demand of the Port Authority and within two (2) days thereafter, deposit with the Port Authority additional cash or bonds so as to maintain the Required Security Deposit at all times to the full amount above stated in Item 8 on the first page of this Permit, and such additional deposits shall be subject to all the conditions of this Section. After the expiration or earlier revocation or termination of the effective period of the permission under this Permit, and upon condition that the Permittee shall then be in no wise in default under any part of this Permit, and upon written request therefor by the Permittee, the Port Authority will return the Required Security Deposit to the Permittee less the amount of any and all unpaid claims and demands (including estimated damages) of the Port Authority by reason of any default or breach by the Permittee of this Permit or any part thereof. The Permittee agrees that it will not assign or encumber the Required Security Deposit. The Permittee may collect or receive any interest or income earned on bonds and interest paid on cash deposited in interest-bearing bank accounts, less any part thereof or amount which the Port Authority is or may hereafter be entitled or authorized by law to retain or to charge in connection therewith, whether as or in lieu of an administrative expense, or custodial charge, or otherwise; provided, however, that the Port Authority shall not be obligated by this provision to place or to keep cash deposited hereunder in interest-bearing bank accounts.

(ii) In lieu of the Required Security Deposit made in the form described above in paragraph (a)(i), the Permittee may at any time during the effective period of the permission granted under this Permit offer to deliver to the Port Authority, as security for all obligations of the Permittee under this Permit, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District, in favor of the Port Authority in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent satisfactory letter. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by security in accordance with paragraph (a)(i) of this Section or another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security under paragraph (a)(i) of this Section. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port

Authority, and upon request by the Permittee made thereafter, the Port Authority will return the Required Security Deposit, if any, theretofore made under and in accordance with the provisions of paragraph (a)(i) of this Section. The Permittee shall have the same rights to receive such Required Security Deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the effective period of the permission granted under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount.

(b) Provided that a Required Security Deposit amount is set forth in Item 8 on the first page of this Permit, and, provided, further, the amount of said Required Security Deposit is equal to or greater than $20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of the Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority, and payable in the Port of New York District in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is an appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless the letter of credit is replaced by another letter of credit satisfactory to the Port Authority by a date not later than twenty (20) days prior to the effective date of cancellation, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee, upon demand by the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to the amount of the Required Security Deposit. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to be a waiver of any default by the Permittee under the terms of this Permit, and all remedies under this Permit and of the Port Authority consequent upon such default shall not be affected by the existence of a recourse to any such letter of credit.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, in its sole discretion at any time and from time to time upon fifteen (15) days' notice to the Permittee, to adjust the amount of the Required Security Deposit. Not later than the effective date set forth in said notice by the Port Authority, the Permittee shall furnish additional cash or bonds, as provided for in paragraph (a) above, or an amendment to, or a replacement of, the letter

of credit providing for such adjusted amount of the Required Security Deposit, as the case may be, and such additional cash and/or bonds or adjusted (or replaced) letter of credit shall thereafter constitute the Required Security Deposit required under this Section.

(d) If the Permittee is obligated by any other agreement to maintain a security deposit with the Port Authority to insure payment and performance by the Permittee of all fees, rentals, charges and obligations which may become due and owing to the Port Authority arising from the Permittee's operations at the Airport pursuant to any such other agreement or otherwise, then all such obligations under such other agreement and any deposit pursuant thereto also shall be deemed obligations of the Permittee under this Permit and as security hereunder as well as under any such other agreement and all provisions of such other agreement with respect to such obligations and any obligations thereunder of the Port Authority as to the security deposit are hereby incorporated herein by this reference as though fully set forth herein and hereby made a part hereof. The termination, revocation, cancellation or expiration of any other agreement to which such security shall apply or any permitted assignment of such other agreement shall not affect such obligations as to such security which shall continue in full force and effect hereunder.

6. Permittee's Operations:

(a) The Permittee shall provide to the Port Authority, upon request of the Port Authority from time to time, such information and data in connection with the permission granted hereunder as the Port Authority may request and shall, if so requested by the Port Authority, make periodic reports thereof to the Port Authority utilizing such forms as may be adopted by the Port Authority for such purpose.

(b) The Permittee shall daily remove from the Airport by means of facilities provided by it all garbage, debris and other waste material (whether solid or liquid) arising out of or in connection with the permission granted hereunder, and any such not immediately removed shall be temporarily stored in a clean and sanitary condition, in suitable garbage and waste receptacles, the same to be made of metal and equipped with tight-fitting covers, and to be of a design safely and properly to contain whatever material may be placed therein; said receptacles being provided and maintained by the Permittee. The receptacles shall be kept covered except when filling or emptying the same. The Permittee shall exercise extreme care in removing such garbage, debris and other waste materials from the Airport. The manner of such storage and removal shall be subject in all respects to the continual approval of the Port Authority. No facilities of the Port Authority shall be used for such removal unless with its prior consent in writing. No such garbage, debris or other waste materials shall be or be permitted to be thrown, discharged or disposed into or upon the waters at or bounding the Airport.

(c) The Permittee shall at all times that areas of the Airport are being used for the privileges permitted hereunder, maintain said areas in a clean and orderly condition and appearance. The Permittee shall promptly wipe up any oil, gasoline, grease, lubricants and other inflammable liquids and substances and any liquids and substances having a corrosive or detrimental effect on the paving or other surface of the ramps or other areas upon which it performs the privileges authorized by this Permit resulting from its operations hereunder. The Permittee shall repair, replace, repave or rebuild, or at the Port Authority's election, the Permittee shall pay to the Port Authority the cost to the Port Authority of repairing, replacing, repaving or rebuilding, all or any part of the ramps or other areas upon which it performs the privileges authorized by this Permit which may be damaged or destroyed by such oil, gasoline, grease, lubricants or other liquids or substances or by any other act or omission of the Permittee or its employees, except for reasonable wear and tear arising out of its operations thereon.

(d) A principal purpose of the Port Authority in granting the permission under this Permit is to have available at the Airport, the privileges which the Permittee is permitted to render hereunder. The Permittee agrees that it will conduct a first-class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor, and keep the same in a first-class operating condition at all times.

(e) The Permittee shall immediately comply with all orders, directives and procedures as may be issued by the General Manager of the Airport covering the operations of the Permittee under this Permit at any time and from time to time. The Port Authority may, at any time and from time to time, without prior notice or cause, withdraw or modify any designation, approval, substitution or redesignation given by it hereunder.

(f) In the event of any injury or death to any person (other than employees of the Permittee) at the Airport when caused by the Permittee's operations, or damage to any property (other than the Permittee's property) at the Airport when caused by the Permittee's operations, the Permittee shall immediately notify the Port Authority and promptly thereafter furnish to the Port Authority copies of all reports given to the Permittee's insurance carrier.

(g) The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Airport. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the General Manager of the Airport. The Port Authority shall have the right to object to the Permittee as to the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

(h) The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations at the Airport.

7. Indemnity:

(a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third Persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee hereunder, or out of any of the acts or omissions of the Permittee, its officers, employees or Persons who are doing business with the Permittee arising out of or in connection with the activities permitted hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the Airport, including claims and demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) Without limiting any other term or provision hereof, the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in

connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

(c) Without limiting any other term or provision hereof, the Permittee shall indemnify the Port Authority and hold it harmless against all claims and demands of third Persons for damage to any aircraft cargo or baggage or any other property handled or delivered pursuant to the permission granted by this Permit.

(d) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand set forth in paragraphs (a), (b) and (c) above (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

8. Liability Insurance:

(a) The Permittee, in its own name as insured and including the Port Authority as an additional insured, shall maintain and pay the premiums during the effective period of the Permit on a policy or policies of Commercial General Liability Insurance, including premises-operations and products-completed operations and covering bodily-injury liability, including death, and property damage liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage in the minimum limit set forth in Item 9 on the first page of this Permit, and Commercial Automobile Liability Insurance covering owned, non-owned and hired vehicles and including automatic coverage for newly acquired vehicles and providing for coverage in the minimum limit set forth in Item 9 on the first page of this Permit. Without limiting the foregoing, the Permittee shall maintain Workers' Compensation and Employers Liability Insurance in accordance with the Permittee's statutory obligations under the applicable State Workers' Compensation Law for those employees of the Permittee employed in operations conducted pursuant to this Permit at or from the Airport. In the event the Permittee maintains the foregoing insurance in limits greater than aforesaid, the Port Authority shall be included therein as an additional insured, except for the Workers' Compensation and Employers Liability Insurance policies, to the full extent of all such insurance in accordance with all terms and provisions of this Permit.

(b) Each policy of insurance, except for the Workers' Compensation and Employers Liability Insurance policies, shall also contain an ISO standard "separation of insureds" clause or a cross liability endorsement providing that the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority and any claim or action against the Port Authority by the Permittee, as if the Port Authority were the named insured thereunder, but such clause or endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured. Each policy of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Permittee under Section 7 of the Terms and Conditions of this Permit.

(c) All insurance coverages and policies required under this Section may be reviewed by the Port Authority for adequacy of terms, conditions and limits of coverage at any time and from time to time during the effective period of permission granted under this Permit. The Port Authority may, at any such time, require additions, deletions, amendments or modifications to the aforementioned insurance requirements, or may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem required and the Permittee shall promptly comply therewith.

(d) Each policy shall contain a provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' written advance notice thereof to the Port Authority. Each policy shall contain a provision or endorsement that the insurer "shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority." The foregoing provisions or endorsements shall be recited in each policy or certificate to be delivered pursuant to the following paragraph (e).

(e) A certified copy of each policy or a certificate or certificates of insurance evidencing the existence thereof, or binders, shall be delivered to the Port Authority upon execution and delivery of this Permit by the Permittee to the Port Authority. In the event any binder is delivered it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate of insurance. Any renewal policy shall be evidenced by a renewal certificate of insurance delivered to the Port Authority at least seven (7) days prior to the expiration of each expiring policy, except for any policy expiring after the date of expiration of this Permit. The aforesaid insurance shall be written by a company or companies approved by the Port Authority. If at any time any insurance policy shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policy shall be or become unsatisfactory to the Port Authority, the Permittee shall promptly obtain a new and satisfactory policy in replacement. If the Port Authority at any time so requests, a certified copy of each policy shall be delivered to or made available for inspection by the Port Authority.

(f) The foregoing insurance requirements shall not in any way be construed as a limitation on the nature or extent of the contractual obligations assumed by the Permittee under this Permit. The foregoing insurance requirements shall not constitute a representation or warranty as to the adequacy of the required coverage to protect the Permittee with respect to the obligations imposed on the Permittee by this Permit or any other agreement or by law.

9. Special Endorsements:

The Permittee hereby agrees to the terms and conditions of the endorsements attached hereto, hereby made a part hereof and marked "*Special Endorsements*". The terms and provisions of the Special Endorsements shall have the same force and effect and as if herein set forth in full.

10. No Waiver:

No failure by the Port Authority or the Terminal Four Lessee to insist upon the strict performance of any agreement, term or condition of this Permit or to exercise any right or remedy consequent upon a breach or default thereof, and no extension, supplement or

amendment of this Permit during or after a breach thereof, unless expressly stated to be a waiver, and no acceptance by the Port Authority or the Terminal Four Lessee of fees, charges or other payments in whole or in part after or during the continuance of any such breach or default, shall constitute a waiver of any such breach or default of such agreement, term or condition. No agreement, term or condition of this Permit to be performed or complied with by the Permittee, and no breach or default thereof, shall be waived, altered or modified except by a written instrument executed by the Port Authority. No waiver by the Port Authority of any default or breach on the part of the Permittee in performance of any agreement, term or condition of this Permit shall affect or alter this Permit but each and every agreement, term and condition thereof shall continue in full force and effect with respect to any other then existing or subsequent breach or default thereof.

11. Removal of Property:

The personal property placed or installed by the Permittee at the Airport shall remain the property of the Permittee and must be removed on or before the expiration, revocation, cancellation or termination of the permission hereby granted, whichever shall be earlier. Without limiting the terms and provisions of paragraph (g) of Section 18 hereof, any such property remaining at the Airport after the effective date of such expiration, revocation, cancellation or termination shall be deemed abandoned by the Permittee and may be removed and disposed of by the Port Authority in any manner it so determines in its sole discretion and all the proceeds of any removal or disposition shall be retained by the Port Authority for its account and all costs and expenses of such removal and disposition shall be paid to the Port Authority by the Permittee when billed.

12. Permittee's Representative:

The Permittee's representative specified in Item 3 on the first page of this Permit (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and any act or thing done or to be done hereunder, and to execute on the Permittee's behalf any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. Notices:

Except where expressly required or permitted herein to be oral, all notices, directions, requests, consents and approvals required to be given to or by either party or the Terminal Four Lessee shall be in writing, and all such notices given by the Port Authority or the Terminal Four Lessee to the Permittee shall be validly given if sent by registered or certified mail addressed to the Permittee at the address specified on the first page hereof or at the latest address that the Permittee may substitute therefor by notice to the Port Authority, or left at such address, or delivered to the Permittee's representative. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003 or at such other address as the Port Authority shall hereafter designate by notice to the Permittee. If mailed, the notices herein required to be given shall be deemed effective and given as of the date of the certified or registered mailing thereof.

14. Late Charges:

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority or the Terminal Four Lessee including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four (24) late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (15) (but not less than thirteen (13)) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority or the Terminal Four Lessee of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority or the Terminal Four Lessee to payment of any late charge or late charges payable under the provisions of this Section with respect to such unpaid amount. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority or the Terminal Four Lessee under this Permit, including without limitation the Port Authority's rights set forth in Section 2 of these Terms and Conditions, or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Section shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

15. Non-discrimination:

(a) Without limiting the generality of any of the provisions of this Permit, the Permittee, for itself, its successors in interest and assigns, as a part of the consideration hereof, does hereby agree that (1) no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or be otherwise subject to discrimination in the use of any space at the Airport and the exercise of any privileges under this Permit, (2) that in the construction of any improvements on, over, or under any space at the Airport and the furnishing of any service thereon by the Permittee, no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination, (3) that the Permittee shall use any space at the Airport and exercise any privileges under this Permit in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended, and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which from time to time may be applicable to the Permittee's operations thereat, whether by reason of agreement between the Port Authority and the United States Government or otherwise.

(b) The Permittee shall include the provisions of paragraph (a) of this Section in every agreement or concession it may make pursuant to which any Person or Persons, other than

the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Section shall constitute a material breach of this Permit. Without limiting any other term or provision hereof or any other rights or remedies of the Port Authority hereunder or at law or equity, in the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) Without limiting any other term or provision hereof, the Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third Persons, including the United States of America, resulting from the Permittee's noncompliance with any of the provisions of this Section and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Section shall grant or shall be deemed to grant to the Permittee the right to transfer or assign this Permit, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on any space at the Airport, or any right to use or occupy any space at the Airport.

16. Affirmative Action:

The Permittee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Permittee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Permittee assures that it will require that its covered suborganizations provide assurances to the Permittee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

17. Rules and Regulations:

(a) The Permittee shall observe and obey (and compel its officers, employees, guests, invitees, and those doing business with it, to observe and obey) the rules and regulations and procedures of the Port Authority now in effect, and such further reasonable rules and regulations and procedures which may from time to time during the effective period of this Permit, be promulgated by the Port Authority for reasons of safety, health, preservation of property or maintenance of a good and orderly appearance of the Airport or for the safe and efficient operation of the Airport. The Port Authority agrees that, except in cases of emergency, it shall give notice to the Permittee of every rule and regulation hereafter adopted by it at least five (5) days before the Permittee shall be required to comply therewith.

(b) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the New York Board of Fire Underwriters and the New York Fire Insurance Exchange, and any

other body or organization exercising similar functions which may pertain or apply to the Permittee's operations hereunder. If by reason of the Permittee's failure to comply with the provisions of this Section, any fire insurance, extended coverage or rental insurance rate on the Airport or any part thereof, or upon the contents of any building thereon, shall at any time be higher than it otherwise would be, then the Permittee shall on demand pay the Port Authority that part of all fire insurance premiums paid or payable by the Port Authority which shall have been charged because of such violation by the Permittee.

18. Prohibited Acts

(a) The Permittee shall not do or permit to be done any act which

(i) will invalidate or be in conflict with any fire insurance policies covering the Airport or any part thereof or upon the contents of any building thereon, or

(ii) will increase the rate of any fire insurance, extended coverage or rental insurance on the Airport or any part thereof or upon the contents of any building thereon, or

(iii) in the opinion of the Port Authority will constitute a hazardous condition, so as to increase the risks normally attendant upon the operations contemplated by this Permit, or

(iv) may cause or produce upon the Airport any unusual noxious or objectionable smokes, gases, vapors or odors, or

(v) may interfere with the effectiveness or accessibility of any drainage and sewerage system, water system, communications system, fire protection system, sprinkler system, alarm system, fire hydrant and hose, if any, installed or located or to be installed or located in or on the Airport, or

(vi) shall constitute a nuisance or injury in or on the Airport or which may result in the creation, commission or maintenance of a nuisance or injury in or on the Airport.

For the purpose of this paragraph (a), "Airport" includes all structures located thereon.

(b) The Permittee shall not dispose of, release or discharge nor permit anyone to dispose of, release or discharge any Hazardous Substance on the Airport except that the Permittee may release or discharge de-icing fluids utilized in the Permittee's ordinary course of business in the performance of any of the privileges granted hereunder so long as such release or discharge is not a violation of the terms and conditions of Sections 17 or 19 hereof. In addition to and without limiting Section 19 hereof, any Hazardous Substance disposed of, released or discharged by the Permittee (or permitted by the Permittee to be disposed of, released or discharged) on the Airport shall upon notice by the Port Authority to the Permittee and subject to the provisions of paragraph (f) of Section 17 hereof and to all Environmental Requirements, be completely removed and/or remediated by the Permittee at its sole cost and expense, provided, however, the forgoing shall not apply to releases and discharges which are in compliance with the terms and conditions of Sections 17 and 19 hereof of de-icing fluids utilized in the Permittee's ordinary course of business in the performance of any of the privileges granted hereunder and the obligation of the Permittee to remove and remediate such de-icing fluids shall be as required by the terms and conditions of Sections 17 and 19 hereof. The obligations of the Permittee pursuant to this paragraph shall survive the expiration, revocation, cancellation or termination of this Permit.

(c) The Permittee shall not dispose of nor permit anyone to dispose of any waste materials (whether liquid or solid) by means of any toilets, sanitary sewers or storm sewers.

(d) (i) The Permittee shall not employ any persons or use any labor, or use or have any equipment, or permit any condition to exist, which shall or may cause or be conducive to any labor complaints, troubles, disputes or controversies at the Airport which interfere or are likely to interfere with the operation of the Airport or any part thereof by the Port Authority or with the operations of the lessees, licensees, permittees or other users of the Airport or with the operations of the Permittee under this Permit.

(ii) The Permittee shall immediately give notice to the Port Authority (to be followed by written notice and reports) of any and all impending or existing labor complaints, troubles, disputes or controversies and the progress thereof. The Permittee shall use its best efforts to resolve any such complaints, troubles, disputes or controversies.

(iii) The Permittee acknowledges that it is familiar with the general and local conditions prevailing at the Airport and with the all pertinent matters and circumstances which may in any way affect performance of the privileges granted under this Permit.

(e) The Permittee shall not solicit business on the public areas of the Airport and the use, at any time, of hand or standard megaphones, loudspeakers or any electric, electronic or other amplifying device is hereby expressly prohibited.

(f) The Permittee shall not install any fixtures or make any alterations, additions, improvements or repairs to any property of the Port Authority except with the prior written approval of the Port Authority.

(g) No signs, posters or similar devices shall be erected, displayed or maintained at the Airport without the written approval of the General Manager of the Airport; and any not approved by such General Manager or not removed by the Permittee upon the termination, revocation, expiration or cancellation of this Permit may be removed by the Port Authority at the expense of the Permittee.

(h) The Permittee shall not operate any engine or any item of automotive equipment in any enclosed space at the Airport unless such space is adequately ventilated.

(i) The Permittee shall not use any cleaning materials having a harmful or corrosive effect on any part of the Airport.

(j) The Permittee shall not fuel or defuel any equipment in any enclosed space at the Airport without the prior approval of the General Manager of the Airport except in accordance with Port Authority rules and regulations.

(k) The Permittee shall not start or operate any engine or any item of automotive equipment in any enclosed space at the Airport unless such space is adequately ventilated and unless such engine is equipped with a proper spark-arresting device.

19. Law Compliance:

(a) The Permittee shall procure all licenses, certificates, permits or other authorization from all governmental authorities, if any, having jurisdiction over the Permittee's operations at the Airport which may be necessary for the Permittee's operations thereat.

(b) The Permittee shall pay all taxes, license, certification, permit and examination fees and excises which may be assessed, levied, exacted or imposed on its property or operations at the Airport or on the Gross Receipts, Terminal Four Gross Receipts or income therefrom, and shall make all applications, reports and returns required in connection therewith.

(c) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions which may pertain or apply to the Permittee's operations at the Airport.

(d) The Permittee's obligations to comply with governmental requirements are provided herein for the purpose of assuring proper safeguards for the protection of Persons and property at the Airport and are not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

(e) The Port Authority has agreed by a provision in the City Lease with the City covering the Airport to conform to the enactments, ordinances, resolutions and regulations of the City and of its various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable so to do. The Permittee shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

20. Trademarks and Patent Infringement:

The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit.

21. Inspection:

The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the

Airport or to be placed or brought on the Airport, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

22. Federal Aid:

(a) The Permittee shall

(i) furnish good, prompt and efficient service hereunder, adequate to meet all demands therefor at the Airport;

(ii) furnish said service on a fair, equal and non-discriminatory basis to all users thereof; and

(iii) charge fair, reasonable and non-discriminatory prices for each unit of sale or service, provided that the Permittee may make reasonable and non-discriminatory discounts, rebates or other similar types of price reductions to volume purchasers.

As used in the above subsections "service" shall include furnishing of parts, materials and supplies (including sale thereof).

(b) The Port Authority has applied for and received a grant or grants of money from the Administrator of the Federal Aviation Administration pursuant to the Airport and Airways Development Act of 1970, as the same has been amended and supplemented, and under prior federal statutes which said Act superseded and the Port Authority may in the future apply for and receive further such grants. In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. The performance by the Permittee of the promises and obligations contained in this Permit is therefore a special consideration and inducement to the issuance of this Permit by the Port Authority, and the Permittee further agrees that if the Administrator of the Federal Aviation Administration or any other governmental officer or body having jurisdiction over the enforcement of the obligations of the Port Authority in connection with Federal Airport Aid, shall make any orders, recommendations or suggestions respecting the performance by the Permittee of its obligations under this Permit, the Permittee will promptly comply therewith at the time or times, when and to the extent that the Port Authority may direct.

23. Capacity and Competition:

(a) The Permittee shall refrain from entering into continuing contracts or arrangements with any third Person for furnishing services covered hereunder when such contracts or arrangements will have the effect of utilizing to an unreasonable extent the Permittee's capacity for rendering such services. A reasonable amount of capacity shall be reserved by the Permittee for the purpose of rendering services hereunder to those who are not parties to continuing contracts with the Permittee.

(b) The Permittee shall not enter into any agreement or understanding, express or implied, binding or non-binding, with any other Person who may furnish services at the Airport similar to those furnished hereunder which will have the effect of (i) fixing rates and charges to

be paid by users of the services; (ii) lessening or preventing competition between the Permittee and such other furnishers of services; or (iii) tending to create a monopoly on the Airport in connection with the furnishing of such services.

24. Business Development and Records:

(a) In connection with the exercise of the privileges granted hereunder, the Permittee shall:

(i) use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(ii) not divert or cause or allow to be diverted, any business from the Airport;

(iii) maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of the Permittee at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify the Authorized Service performed at Terminal Four, the Authorized Service performed at the Airport at any location other than Terminal Four and all other services performed at the Airport at any location other than Terminal Four, and;

(iv) cause any company which is owned or controlled by the Permittee, or any company which owns or controls the Permittee, if any such company performs services similar to those performed by the Permittee (any such company being hereinafter called an "*Affiliate*" and all such companies being hereinafter called the "*Affiliates*") to maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of each Affiliate at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify each activity (including without limitation the Authorized Service) performed at the Airport, the Authorized Service performed at Terminal Four and all other services performed at the airport at any location other than Terminal Four;

(v) permit and/or cause to be permitted in ordinary business hours during the effective period of this Permit, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Port Authority of all the records and books of account of the Permittee (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts and/or Terminal Four Gross Receipts and which the Terminal Four Lessee, in its sole discretion, believes may be relevant for identification,

determination or calculation of Terminal Four Receipts, all agreements, and all source documents) and all the records and books of account of all Affiliates (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts and/or Terminal Four Gross Receipts and which the Terminal Four Lessee, in its sole discretion, believes may be relevant for identification, determination or calculation of Terminal Four Receipts, all agreements, and all source documents) (all of the foregoing records and books described in this paragraph (a)(v) being hereinafter collectively referred to as the "*Books and Records*") within ten (10) days following any request by the Port Authority from time to time and at any time to examine and audit any Books and Records;

(vi) if the Permittee has performed any privilege or portion thereof at Terminal Four, then permit and/or cause to be permitted in ordinary business hours during the effective period of the Permit, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Terminal Four Lessee of all Books and Records within ten (10) days following any request by the Terminal Four Lessee from time to time and at any time to examine and audit any Books and Records;

(vii) permit the inspection by the officers, employees and representatives of the Port Authority and the Terminal Four Lessee of any equipment used by the Permittee, including but not limited to the equipment described in paragraph (a)(viii) below; and

(viii) install and use such cash registers, sales slips, invoicing machines and any other equipment or devices, including without limitation computerized record keeping systems, for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of Gross Receipts and Terminal Four Gross Receipts, and without limiting the generality of the foregoing, for any privilege involving cash sales, install and use cash registers or other electronic cash control equipment that provides for non-resettable totals.

(b) Without implying any limitation on the right of the Port Authority to revoke this Permit for cause for breach of any term, condition or provision thereof, including but not limited to, breach of any term, condition or provision of paragraph (a) above, the Permittee understands that the full reporting and disclosure to the Port Authority of all Gross Receipts and Terminal Four Gross Receipts and to the Terminal Four Lessee of all Terminal Four Gross Receipts and the Permittee's compliance with all the provisions of paragraph (a) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under this Permit. In the event any Books and Records are maintained outside the Port of New York District or in the event of the failure of the Permittee to comply with all the provisions of paragraphs (a)(ii) through (a)(viii) above then, in addition to all, and without limiting any other, rights and remedies of the Port Authority and the Terminal Four Lessee under this Permit or otherwise and in addition to all of the Permittee's other obligations under this Permit:

(i) the Port Authority may estimate the Gross Receipts on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the fees based thereon shall be payable to the Port Authority when billed; and/or

(ii) the Port Authority or the Terminal Four Lessee may estimate the Terminal Four Gross Receipts on any basis that the Port Authority or the Terminal Four Lessee, in its sole

discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the fees based thereon shall be payable to the Terminal Four Lessee when billed; and/or

(iii) if any Books and Records are maintained outside of the Port of New York District, then the Port Authority in its sole discretion may (x) require on ten (10) days' notice to the Permittee that any such Books and Records be made available to the Port Authority within the Port of New York District for examination and audit pursuant to paragraph (a)(v) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(v) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority, for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Permittee shall pay to the Port Authority when billed all costs and expenses of the Port Authority, as determined by the Port Authority, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

(iv) if any Books and Records are maintained outside of the Port of New York District, then the Terminal Four Lessee in its sole discretion may (x) require on ten (10) days' notice to the Permittee that any such Books and Records be made available to the Terminal Four Lessee within the Port of New York District for examination and audit pursuant to paragraph (a)(vi) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(vi) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Permittee shall pay to the Terminal Four Lessee when billed all travel costs and related expenses, as determined by the Terminal Four Lessee, for Terminal Four Lessee auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Permittee shall pay to the Terminal Four Lessee when billed all costs and expenses of the Terminal Four Lessee, as determined by the Terminal Four Lessee, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Terminal Four Lessee for the purpose of conducting such audit and examination.

(c) In the event that upon conducting an examination and audit as described in this Section the Port Authority or the Terminal Four Lessee determines that unpaid amounts are due to the Port Authority or to the Terminal Four Lessee by the Permittee (the "*Audit Findings*"), the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority and/or the Terminal Four Lessee a service charge in the amount equal to five percent (5%) of the Audit Findings. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority or by the Terminal Four Lessee. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority or the Terminal Four Lessee by the Permittee under this Permit or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Section with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including,

without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

(d) Without implying any limitation on the rights or remedies of the Port Authority under this Permit or otherwise including without limitation the right of the Port Authority to revoke this Permit for cause for breach of any term or provision of paragraphs (a)(iii) or (a)(iv) above and in addition thereto, in the event any of the Books and Records are not maintained in English, then this Permittee shall pay to the Port Authority when billed, all costs and expenses of the Port Authority, as determined by the Port Authority, to translate such Books and Records into English.

(e) The foregoing auditing costs, expenses and amounts of the Port Authority set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Permit payable to the Port Authority with the same force and effect as the Basic Percentage Fee and all other fees payable to the Port Authority hereunder and the foregoing auditing costs, expenses and amounts of the Terminal Four Lessee set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Permit payable to the Terminal Four Lessee with the same force and effect as the Terminal Four Percentage Fee and all other fees payable to the Terminal Four Lessee hereunder.

25. Rates and Charges:

The Permittee shall establish rates and discounts therefrom which are in compliance with Section 22 hereof (each such rate and discount is hereinafter called an "*Established Rate*"). Upon request by the Port Authority, the Permittee shall provide the Port Authority its rates and discounts therefrom for goods and services furnished hereunder. If the Permittee applies any rate in excess of the Established Rate therefor or extends a discount less than the Established Discount therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the Established Rate therefor or extends a discount which is in excess of the Established Rate therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an undercharge and an amount equivalent thereto shall be included in Gross Receipts and Terminal Four Gross Receipts hereunder and the Basic Percentage Fee and the Terminal Four Percentage Fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in Gross Receipts or Terminal Four Gross Receipts any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon such breach which would otherwise be available to it at law, in equity or by reason of this Permit.

26. Other Agreements:

In the event the terms and provisions of any agreement entered into by the Permittee with any third Person in connection with the privileges granted hereunder are contrary to or conflict or are inconsistent with the terms and provisions of this Permit, the terms and provisions of this Permit shall be controlling, effective and determinative.

27. City Lease Provisions:

(a) The Permittee acknowledges that it has received a copy of, and is familiar with the contents of, the City Lease. The Permittee acknowledges that no greater rights or privileges are hereby granted to the Permittee than the Port Authority has the power to grant under the City Lease.

(b) In accordance with the provisions of the City Lease, the Port Authority and the Permittee hereby agree as follows:

(i) This Permit is subject and subordinate to the City Lease and to any interest superior to that of the Port Authority;

(ii) The Permittee shall not pay the fees or other sums under this Permit for more than one (1) month in advance (excluding security or other deposits required under this Permit);

(iii) With respect to this Permit, the Permittee on the termination of the City Lease will, at the option of the City, enter into a direct permit on identical terms with the City;

(iv) The Permittee shall indemnify the City, as third party beneficiary hereunder, with respect to all matters described in Section 31 of the City Lease;

(v) The Permittee shall not use any portion of the Airport for any use other than as permitted under the City Lease;

(vi) The Permittee shall use the Airport in a manner consistent with the Port Authority's obligations under Section 28 of the City Lease;

(vii) The failure of the Permittee to comply with the foregoing provisions shall be an event of default under this Permit, which shall provide the Port Authority with the right to revoke this Permit and exercise any other rights that the Port Authority may have as the grantor of the permission hereunder; and

(viii) The City shall be named as an additional insured or loss payee, as applicable, under each policy of insurance procured by the Permittee pursuant to this Permit.

28. Waiver of Trial by Jury:

The Permittee hereby waives its right to trial by jury in any action that may hereafter be instituted by the Port Authority against the Permittee in respect of the permission granted under this Permit and/or in any action that may be brought by the Port Authority to recover fees, damages, or other sums due and owing under this Permit. The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

29. Continued Exercise of Privilege After Expiration, Revocation or Termination:

(a) Without in any way limiting the provisions hereof, unless otherwise notified by the Port Authority in writing, in the event the Permittee shall continue to perform the Authorized

Service for any period (a "Post-Termination Period") following the expiration, revocation or termination of the effective period of the permission granted under this Permit, as such effective period of permission may be extended from time to time, the Permittee shall pay to the Port Authority, for any Post-Termination Period a fee equal to twice the Basic Percentage Fee.

(b) The foregoing shall not be deemed to give the Permittee any right to continue to perform the Authorized Service at the Airport after the expiration, revocation or termination of the effective period of the permission granted under this Permit. In addition, the Permittee acknowledges that the failure of the Permittee to cease to perform the Authorized Service at the Airport from the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss, and the Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss. The Permittee acknowledges that the Port Authority reserves all its legal and equitable rights and remedies in the event of such failure by the Permittee to cease performance of the Authorized Service.

(c) The Permittee hereby acknowledges and agrees that, subject to the foregoing, all terms and provisions of this Permit shall be and continue in full force and effect during any Post-Termination Period.

30. Miscellaneous:

(a) It is understood and agreed that the Port Authority shall not furnish, sell or supply to the Permittee any services or utilities in connection with this Permit.

(b) No Commissioner, officer, agent or employee of the Port Authority shall be charged personally by the Permittee with any liability, or held liable to it, under any term or provision of this Permit, or because of its execution or attempted execution, or because of any breach thereof.

(c) The Section and paragraph headings, if any, in this Permit are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope or intent of any provision hereof.

(d) This Permit, including the attached Special Endorsements, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof. This Permit may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee or except by notice as specifically set forth in Sections 4 and 13 hereof. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

: For Port Authority Use Only :

:Permit Number: AYD-953 :

JOHN F. KENNEDY INTERNATIONAL AIRPORT
PRIVILEGE PERMIT

The Port Authority of New York and New Jersey (the "Port Authority") hereby grants to the Permittee named below the described non-exclusive privilege at John F. Kennedy International Airport, in the Borough of Queens, County of Queens, City and State of New York, in accordance with the Terms and Conditions hereof; and the Permittee agrees to pay the fee hereinafter specified and to perform all other obligations imposed upon it in the said Terms and Conditions:

1. **PERMITTEE:** PANASONIC AVIONICS CORPORATION, a(n) Delaware corporation

2. **PERMITTEE'S ADDRESS:** 22333 29th Drive S.E.
Bothell, WA 98021

3. **PERMITTEE'S REPRESENTATIVE:** Jerry Dean

4. **PRIVILEGE:** To provide , as set forth in Special Endorsement No. 1 hereof, the In-Flight Entertainment Service services on Permitted Areas of the Airport to Approved Aircraft Operators or other Persons at the Airport, as such Approved Aircraft Operators and/or Persons may be approved in writing in advance by the Port Authority (the "Authorized Service"), and for no other purpose or purposes whatsoever.

5. **FEES:** As set forth in Section 4 of the Terms and Conditions hereof.

6. **EFFECTIVE DATE:** June 1, 2009

7. **EXPIRATION DATE:** May 31, 2019, unless sooner revoked or terminated as herein provided.

8. **REQUIRED SECURITY DEPOSIT:** As set forth in Special Endorsement No. 3 hereof.

9. **INSURANCE REQUIREMENTS:** $10,000,000.00 minimum limit Commercial General Liability
$25,000,000.00 minimum limit Automobile Liability

10. **ENDORSEMENTS:** Special Endorsements.

SPECIAL ENDORSEMENTS

1. (a) "In-Flight Entertainment Service" shall consist of performing maintenance of in-flight entertainment systems for or in connection with passengers of Passenger Aircraft for aircraft owned and operated by an Approved Aircraft Operator.

(b) The Port Authority hereby consents to the Permittee providing the Authorized Service to Approved Aircraft Operator at the Airport.

(c) (i) In the event the Permittee shall desire to provide the Authorized Service to another Approved Aircraft Operator or Person at the Airport, the Permittee shall submit such request in writing to the Port Authority. The Permittee may perform the Authorized Service for other Approved Aircraft Operators or Persons at the Airport only after receiving the written consent of the Port Authority.

(ii) The Permittee hereby agrees that it will not carry on any business at the Airport other than as specifically provided herein without receiving the prior written consent of the Port Authority, which consent, if given, will be in the form of a Supplement hereto or a separate agreement with the Port Authority, and will specify whether the provisions regarding fees contained herein or any other provisions regarding fees shall apply thereto.

2. The Permittee hereby attests that its federal taxpayer identification number is [redacted].

3. The Permittee hereby agrees that this Permit constitutes an "Agreement", as such term is defined in that certain security agreement entered into between the Port Authority and the Permittee, made as of September 1, 2006 and identified by Port Authority Agreement No. AX-802 (the "Security Agreement"), and that a breach or failure to perform or comply with any other terms or conditions of the Security Agreement, including without limitation failure to provide a letter of credit in accordance with the terms and provisions of the Security Agreement valid and available to the Port Authority or any failure of any banking institution issuing a letter of credit to make one or more payments as provided in such letter of credit, shall constitute a breach of this Permit and of the Security Agreement thereby entitling the Port Authority to immediately exercise any and all rights available to it, including without limitation the right to revoke this Permit for cause.

TERMS AND CONDITIONS

1. Definitions:

The following terms, when and if used in this Permit, shall have the respective meanings given below:

(a) "*Air Cargo*" shall mean cargo transported to or from the Airport by aircraft owned or operated by an Approved Aircraft Operator.

(b) "*Aircraft Operator*" shall mean (a) a Person owning one or more aircraft which are not leased or chartered to any other Person for operation, and (b) a Person to whom one or more aircraft are leased or chartered for operation - whether the aircraft so owned, leased or chartered are military or non-military, or are used for private business, pleasure or governmental business, or for carrier or non-carrier operations, or for scheduled or non-scheduled operations or otherwise. Said term shall not mean the pilot of an aircraft unless he is also the owner or lessee thereof or a Person to whom it is chartered.

(c) "*Airport*" shall mean John F. Kennedy International Airport, consisting of certain premises identified as "John F. Kennedy International Airport" on Sheet JFK-1 of Exhibit A, and more particularly described in Exhibit B, annexed to the City Lease, and such other property as may be acquired in connection with and added to such premises pursuant to the terms of the City Lease.

(d) "*Approved Aircraft Operator*" shall mean an Aircraft Operator which the General Manager of the Airport has authorized to conduct its aircraft operations at the Airport and if such Aircraft Operator is subleasing or subusing space, or has a ground handling agreement or other agreement at the Airport with an Aircraft Operator, a lessee or other Person at the Airport which requires the consent of the Port Authority, each such subleasing, subuse, ground handling agreement or other agreement has been consented to in writing by the Port Authority.

(e) "*Basic Percentage Fee*" shall have the meaning given such term in Section 4(a)(i) hereof.

(f) "*Cargo Aircraft*" shall mean aircraft engaged solely and exclusively in the carriage of Air Cargo.

(g) "*Cargo Handling and Ramp Service*" shall mean all or any of the following services for or in connection with Air Cargo:

(i) representation and accommodation;

(ii) load control and communications;

(iii) unit load device control, handling and administration in connection with Cargo Aircraft;

(iv) flight operations and crew administration in connection with Cargo Aircraft, including but not limited to obtaining and providing meteorological reports, briefing and debriefing flight crews, preparing and filing flight plans, dispatching and receiving messages in connection with flight and ground operations, maintaining station logs and filing necessary reports with governmental agencies, preparing weight and balance plans, maintaining flight watch and arranging hotel accommodations for flight crews;

(v) pickup and delivery of Air Cargo, air express and mail to and from appropriate locations (allowed or designated from time to time by the Port Authority for such pickup and delivery) on the Airport;

(vi) preparation of documentation associated with Air Cargo, including but not limited to cargo manifests, airway bills and customs clearance documentation;

(vii) distribution of Air Cargo;

(viii) reception of Air Cargo to be shipped from the Airport;

(ix) temporary warehousing, sorting and storage of Air Cargo;

(x) supervision and administration;

(xi) courier services;

(xii) guiding Cargo Aircraft in and out of gate or loading or unloading positions and parking Cargo Aircraft;

(xiii) providing, positioning/removing, and operating appropriate units for engine starting for Cargo Aircraft;

(xiv) furnishing and placing in position and thereafter removing the necessary and appropriate steps, stands and power equipment for the safe and efficient loading and unloading of crew members and other persons, ballast, potable water, mail, air express, Air Cargo and supplies onto and from aircraft and trucks, and performing such loading and unloading and reporting irregularities;

(xv) providing a fire guard equipped with the necessary and appropriate fire fighting equipment for Cargo Aircraft;

(xvi) towing of Cargo Aircraft;

(xvii) ramp control tower services for Cargo Aircraft;

(xviii) Cargo Aircraft servicing, including interior and exterior cleaning, the removal and disposal of aircraft waste material and providing water service, cooling and heating, and toilet service;

(xix) conversion operations and services consisting of the removal of seats from convertible-type aircraft, so as to convert the same to Cargo Aircraft, and from Cargo Aircraft to Passenger Aircraft by the installation of seats;

(xx) ramp area cleaning;

(xxi) Gateside Aircraft Maintenance of Cargo Aircraft, it being specifically understood, however, that Routine and Non-routine Aircraft Maintenance, as distinguished from Gateside Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder;

(xxii) mobile fueling, on the Permittee's own account, for automotive and other ramp equipment using mobile tender vehicles or other equipment as may be approved from time to time by the General Manager of the Airport;

(xxiii) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport;

(xxiv) deicing to the exterior of aircraft of Approved Aircraft Operators at such locations on the Airport as may from time to time be designated by the General Manager of the Airport;

(xxv) triturator operations and maintenance;

(xxvi) snow removal; and

(xxvii) security services for and in connection with Air Cargo and Cargo Aircraft.

(h) "*City*" shall mean the City of New York.

(i) "*City Lease*" shall mean the Amended and Restated Agreement of Lease of the Municipal Air Terminals between The City of New York, as Landlord, and The Port Authority of New York and New Jersey, as Tenant, dated as of November 24, 2004 and recorded in the office of the City Register of the City on December 3, 2004 under City Register File No. 2004000748687, as the same may have been or may be amended or supplemented.

(j) "*Cleaning Service*" shall mean all or any of the following services:

(i) the cleaning, repairing and installing of upholstery, carpeting and curtains in aircraft and linens used on aircraft;

(ii) the complete interior and exterior cleaning of aircraft, the removal and disposal of waste material and providing water service, cooling and heating, and toilet service;

(iii) conversion operations and services consisting of the removal of seats from convertible-type aircraft so as to convert the same to Cargo Aircraft and from Cargo Aircraft to Passenger Aircraft by installation of seats;

(iv) ramp area cleaning services; and

(v) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport.

(k) "*Effective Date*" shall mean that date appearing in Item 6 on the first page of this Permit as the same may be modified pursuant to the provisions of Section 2(a) hereof.

(l) "*Environmental Requirement*" shall mean all common law and all past, present and future laws, statutes, enactments, resolutions, regulations, rules, directives, ordinances,

codes, licenses, permits, orders, memoranda of understanding and memoranda of agreement, guidances, approvals, plans, authorizations, concessions, franchises, requirements and similar items of all governmental agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof, all pollution prevention programs, "best management practices plans", and other programs adopted and agreements made by the Port Authority (whether adopted or made with or without consideration or with or without compulsion), with any government agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof, and all judicial, administrative, voluntary and regulatory decrees, judgments, orders and agreements relating to the protection of human health or the environment, and in the event that there shall be more than one compliance standard, the standard for any of the foregoing to be that which requires the lowest level of a Hazardous Substance, the foregoing to include without limitation:

(i) All requirements pertaining to reporting, licensing, permitting, investigation and remediation of emissions, discharges, releases or threatened releases of Hazardous Substances into the air, surface water, groundwater or land, or relating to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of Hazardous Substances, or the transfer of property on which Hazardous Substances exist; and

(ii) All requirements pertaining to the protection from Hazardous Substances of the health and safety of employees or the public.

(m) "*Executive Director*" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Executive Director of the Port Authority for the time being or his duly designated representative or representatives.

(n) "*Gateside Aircraft Maintenance*" shall mean such emergency transit and turnaround maintenance performed on the aircraft of an Aircraft Operator as may be performed in the time such aircraft is permitted to be and remain at the aircraft gate position or hardstand at which such maintenance is to be performed and which is performed by or required by law, rule or regulation to be performed by or under the supervision of a licensed aircraft mechanic or other person specifically licensed, certified or approved by governmental authority having jurisdiction, including the rental or equipment and tools in the connection therewith. It is specifically understood that the performance of any other aircraft maintenance, including but not limited to Routine and Non-routine Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder.

(o) "*General Manager of the Airport*" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in said General Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean said General Manager (or Acting General Manager) of the Airport for the time being or his duly designated representative or representatives.

(p) "*Gross Receipts*" shall mean all amounts, monies, revenues, receipts and income of every type paid or payable to the Permittee for sales made and for services rendered at or from the Airport, regardless of when or where the order therefor is received, and outside the Airport, if the order therefor is received at the Airport, and any other amounts, monies, revenues, receipts and income of any type arising out of or in connection with the Authorized Service, provided, however, there shall be excluded from Gross Receipts, any Terminal Four Gross Receipts and any taxes imposed by law which are separately stated to and paid by the customer and directly

payable to the taxing authority by the Permittee. The Permittee's Recovery Fee, as hereinafter defined, if any, shall be included within Gross Receipts and shall be subject to the fees set forth under Section 4 of this Permit.

(q) "*Hazardous Substance*" shall mean any pollutant, contaminant, toxic or hazardous waste, dangerous substance, potentially dangerous substance, noxious substance, toxic substance, flammable, explosive or radioactive material, urea formaldehyde foam insulation, asbestos, polychlorinated biphenyls (PCBs), chemicals known to cause cancer, endocrine disruption or reproductive toxicity, petroleum and petroleum products and substances declared to be hazardous or toxic or the removal, containment or restriction of which is required, or the manufacture, preparation, production, generation, use, maintenance, treatment, storage, transfer, handling or ownership of which is restricted, prohibited, regulated or penalized by any federal, state, county, or municipal or other local statute or law now or at any time hereafter in effect as amended or supplemented and by the regulations adopted and publications promulgated pursuant thereto.

(r) "*In-Terminal Handling Service*" shall mean all or any of the following services for or in connection with passengers of Passenger Aircraft:

(i) furnishing interpreters for the assistance of non-English-speaking passengers;

(ii) inbound and outbound passenger baggage handling services, including but not limited to checking, weighing, handling and storage of aircraft baggage;

(iii) selling of tickets for air transportation;

(iv) checking in and boarding aircraft passengers;

(v) porter service for passenger baggage;

(vi) passenger assistance, passenger information service, flight information and public address paging and announcements;

(vii) supervisory and administrative functions on behalf of Approved Aircraft Operators in conjunction with the Permittee's performance of the other activities constituting a part of the In-Terminal Handling Service;

(viii) the arrangement of ground transportation of crew, passengers and baggage;

(ix) handicapped services;

(x) security and pre-board screening;

(xi) building janitorial and maintenance; and

(xii) lounge hosting services.

(s) "*Passenger Aircraft*" shall mean aircraft owned or operated by an Approved Aircraft Operator engaged primarily in the transportation of passengers by aircraft to and from the Airport.

(t) "*Passenger Ramp Service*" shall mean all or any of the following services for or in connection with Passenger Aircraft:

(i) representation and accommodation;

(ii) load control and communications on ramp;

(iii) unit load device control, handling and administration;

(iv) baggage handling and sorting, including delivering baggage to and from Passenger Aircraft and to and from baggage facilities, provided, however, no permission is hereby given for the Permittee to deliver baggage from one terminal to another unless they are part of the same premises; sorting baggage in baggage makeup facilities; and delivering baggage to and from interline system permittees;

(v) guiding Passenger Aircraft in and out of gates or loading and unloading positions and parking Passenger Aircraft;

(vi) furnishing and placing in position and thereafter removing the necessary and appropriate steps, stands and power equipment for the safe and efficient loading and unloading of crew, passengers, baggage, ballast, potable water, mail, air express, Air Cargo and supplies from and onto Passenger Aircraft and trucks, and perform such loading and unloading and reporting irregularities;

(vii) deicing to the exterior of aircraft of Approved Aircraft Operators at such locations on the Airport as may from time to time be designated by the General Manager of the Airport;

(viii) providing, positioning/removing, and operating appropriate units for engine starting;

(ix) providing a fire guard equipped with the necessary and appropriate fire fighting equipment;

(x) towing of Passenger Aircraft;

(xi) ramp control tower services for Passenger Aircraft;

(xii) Passenger Aircraft servicing, including exterior and interior cleaning, the removal and disposal of aircraft waste material and providing water service, cooling and heating, toilet service, and rearranging cabin equipment;

(xiii) ramp area cleaning;

(xiv) mobile fueling on the Permittee's own account for automotive and other ramp equipment using mobile tender vehicles or other equipment as may be approved from time to time by the General Manager of the Airport;

(xv) Gateside Aircraft Maintenance of Passenger Aircraft, it being specifically understood, however, that Routine and Non-routine Aircraft Maintenance, as distinguished from Gateside Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder;

(xvi) flight operations and crew administration including but not limited to obtaining and providing meteorological reports, briefing and debriefing flight crews, preparing and filing flight plans, dispatching and receiving messages in connection with flight and ground operations, maintaining station logs and filing necessary reports with governmental agencies, preparing weight and balance plans, maintaining flight watch and arranging hotel accommodations for flight crews;

(xvii) ramp transportation for crew, passengers and baggage;

(xviii) supervisory and administrative functions on behalf of Approved Aircraft Operators of Passenger Aircraft;

(xix) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport, and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport;

(xx) catering liaison and administration;

(xxi) triturator operations and maintenance;

(xxii) snow removal; and

(xxiii) security services for passengers and baggage, cargo and mail, catering, and on aircraft, ramp and other designated areas.

(u) "*Permitted Areas*" shall mean with respect to the Authorized Service the following areas of the Airport and only such areas:

(i) those areas where the Permittee is authorized pursuant to a separate lease, permit or other written agreement (other than this Permit) with the Port Authority to provide such Authorized Service;

(ii) any area which pursuant to a written agreement the Port Authority has either leased to a third Person or has otherwise permitted a third Person to use and occupy and where (x) the Permittee performs such Authorized Service on such area for such Person or has obtained permission from such Person to perform such Authorized Service for an Approved Aircraft Operator on such area and (y) the performance of such Authorized Service for such Approved Aircraft Operator on such area is permitted by a written agreement with the Port Authority covering such area; or

(iii) such areas as may hereafter be designated in writing by the Port Authority for the performance of such privileges by the Permittee, it being understood and agreed that the Port Authority shall have the right at any time and from time to time to revoke, cancel, change or alter any such designation.

(v) "*Permittee's Recovery Fee*" shall mean any surcharge or other amount that the Permittee may separately state and charge its customers to recover the fee, or portion thereof, payable under this Permit.

(w) "*Person*" shall mean not only a natural person, corporation or other legal entity, but also two or more natural persons, corporations or other legal entities acting jointly as a firm, partnership, unincorporated association, consortium, joint adventurers or otherwise.

(x) "*Post-Termination Period*" shall have the meaning ascribed to it in paragraph (a) of Section 29 hereof.

(y) "*Routine and Non-routine Aircraft Maintenance*" shall mean all work including but not limited to the inspection, maintenance, servicing, testing, overhaul, cleaning, conversion, repair and installation of parts and supplies on aircraft and on aircraft parts of Approved Aircraft Operators performed by or required by law, rule or regulation to be performed by or under the supervision of a licensed aircraft mechanic or other person specially licensed, certified or approved by governmental authority, including the rental of tools and equipment in connection therewith.

(z) "*Terminal Four*" shall mean the premises under the Terminal Four Lease commonly referred to on the Airport as "Terminal Four".

(aa) "*Terminal Four Gross Receipts*" shall each mean and include all amounts, monies, revenues, receipts and income of every type paid or payable to the Permittee for sales made and for services rendered at Terminal Four, regardless of when or where the order therefor is received, and any other amounts, monies, revenues, receipts and income of any type arising out of or in connection with the Permittee's operations at Terminal Four, provided, however, there shall be excluded from Terminal Four Gross Receipts any taxes imposed by law which are separately stated to and paid by the customer and directly payable to the taxing authority by the Permittee.

(bb) "*Terminal Four Lease*" shall mean that certain agreement of lease bearing Port Authority Agreement No. AYC-685 entered into between the Port Authority and JFK International Air Terminal LLC on May 13, 1997.

(cc) "*Terminal Four Lessee*" shall mean for the time being JFK International Air Terminal LLC, a limited liability company organized and existing under the laws of the State of New York, or such other Person which the Port Authority may from time to time and at any time designate by notice to the Permittee.

(dd) "*Terminal Four Percentage Fee*" shall mean the fee payable to the Terminal Four Lessee pursuant to and as defined in Section 4(a)(i) hereof.

2. Effective Date, Termination and Revocation:

(a) The permission hereby granted shall take effect upon the Effective Date. Notwithstanding Item 6 appearing on the first page of this Permit, the Effective Date of this Permit shall be that date the Permittee commenced any of the activities permitted by this Permit. The Permittee in executing this Permit represents that the Effective Date appearing in Item 6 on the first page of this Permit is the date the Permittee commenced any of the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced any of the activities permitted by this Permit prior to said effective date, the Effective Date of this Permit shall be the date the Permittee commenced any of the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence

on such date including without limitation the Permittee's indemnity obligations and obligations to pay fees.

(b) Notwithstanding any other term or condition hereof, the permission hereby granted may be revoked without cause upon thirty (30) days' written notice by the Port Authority, or terminated without cause upon thirty (30) days' written notice by the Permittee, provided, however, that it may be revoked on twenty-four (24) hours' notice by the Port Authority if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth.

(c) In the event the Port Authority exercises it right to revoke this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation, including without limitation any and all personnel and legal costs (including but not limited to the cost to the Port Authority of in-house legal services) and disbursements incurred by it arising out of, relating to, or in connection with the enforcement or revocation of this Permit including, without limitation, legal proceedings initiated by the Port Authority to exercise its revocation rights and to collect all amounts due and owing to the Port Authority under this Permit.

(d) For the purposes of this Permit, a default by the Permittee in keeping, performing or observing any promise, obligation, term or agreement set forth herein on the part of the Permittee to be kept, performed or observed shall include the following whether or not the time has yet arrived for the keeping, performance or observance of any such promise, obligation, term or agreement:

(i) a statement by the Permittee to any representative of the Port Authority indicating that it cannot or will not keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit;

(ii) any act or omission of the Permittee or any other occurrence which makes it improbable at the time that it will be able to keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit; or

(iii) any suspension of or failure to proceed with any part of the privileges to be performed by the Permittee which makes it improbable at the time that it will be able to keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit.

(e) (i) If any type of strike, boycott, picketing, work stoppage, slowdown or other labor activity is directed against the Permittee at the Airport or against any operations of the Permittee under this Permit, whether or not the same is due to the fault of the Permittee and whether or not caused by the employees of the Permittee, and if any of the foregoing, in the opinion of the Port Authority, results or is likely to result in curtailment or diminution of the privileges to be performed hereunder by the Permittee or to interfere with or affect the operation of the Airport by the Port Authority or to interfere with or affect the operations of lessees, licensees, permittees or other users of the Airport, the Port Authority shall have the right at any time during the continuance thereof to suspend the operations of the Permittee under this Permit and/or to revoke this Permit.

(ii) In the event the Port Authority exercises its right to revoke this Permit, as aforesaid, it shall do so by twenty-four (24) hours' written notice to the Permittee, effective as of the time specified in the notice. The exercise by the Port Authority of its right of suspension shall not waive or affect or be deemed to waive or affect the right of revocation.

(iii) Prior to the exercise of the right of suspension by the Port Authority, it shall give the Permittee notice thereof, which notice may be oral. The Permittee shall not perform its operations authorized by this Permit during the period of the suspension. The period of suspension shall end not more than twenty-four (24) hours after the cause thereof has ceased or been cured and the Permittee shall notify the Port Authority of such cessation or cure.

(iv) The rights of suspension and revocation as hereinbefore set forth may be exercised by the Port Authority prior to the Effective Date set forth in Item 6 on the first page of this Permit. No exercise by the Port Authority of its rights granted to it in paragraph (e) of this Section shall be deemed to be a waiver of any other rights of revocation contained in this Permit or a waiver of any other rights or remedies which may be available to the Port Authority under this Permit or otherwise.

(f) No revocation or termination of the permission hereunder shall relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

(g) No exercise by the Port Authority of any right of revocation granted to it in this Section shall be deemed to be a waiver of any other rights of revocation contained in this Section or elsewhere in this Permit or a waiver of any other rights or remedies which may be available to the Port Authority under this Permit or otherwise.

3. Exercise of Rights:

(a) The rights granted hereby shall be exercised

(i) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(ii) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(iii) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees,

(iv) if the Permittee is an individual, by the Permittee acting only personally or through the medium of its employees, and

(v) if the Permittee is a limited liability company, by the Permittee acting only through the medium of its members, managers, and employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other Person. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed

by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

(b) No greater rights or privileges are hereby granted to the Permittee than the Port Authority has power to grant under the City Lease.

(c) Neither this Permit nor anything contained herein, shall be deemed to grant any rights in the Permittee to use and occupy any land, building space or other area at the Airport or shall be deemed to have created any obligation on the part of the Port Authority to provide any such land, space or area to the Permittee.

(d) Neither the execution and delivery of this Permit nor any act done pursuant thereto shall create between any terminal operator, lessee or other occupant of land at the Airport including but not limited to the Terminal Four Lessee and the Permittee, on one hand, and the Port Authority on the other hand the relationship of bailor and bailee, or any other relationship or any legal status which would impose upon the Port Authority with respect to any personal property, such as but not limited to, aircraft cargo or baggage, owned and/or handled by the Permittee any duty or obligation whatsoever. The Permittee expressly agrees that the Port Authority shall have no liability with respect to any aircraft cargo or baggage or any other property of the Permittee or of any other Person left anywhere on the Airport.

(e) This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

(f) Nothing contained in this Permit shall constitute permission to the Permittee to park or store equipment or personal property at any location or area at the Airport.

(g) The Permittee shall have no right hereunder to carry on any business or operation at the Airport other than that specifically provided herein. Without limiting the generality of the foregoing and notwithstanding anything else in this Permit to the contrary, the Permittee is expressly prohibited hereunder from performing ground transportation, fueling of aircraft and the selling and delivery of in-flight meals.

(h) It is understood that any and all privileges granted hereunder to the Permittee are non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Airport to another or others, whether by this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute a violation or breach of the permission herein granted.

(i) The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Airport.

(j) The words "permission" and "privilege" are used interchangeably in this Permit, and except where expressly provided to the contrary, shall mean the privileges granted by this Permit.

4. Fees:

(a) (i) The Permittee agrees to pay to the Port Authority, at the times set forth in and in accordance with paragraph (a)(ii) below, a percentage fee (the "*Basic Percentage Fee*") equal to five percent (5%) (as the same may be increased pursuant to paragraph (k) below) of Gross Receipts and, if any privilege or portion thereof is performed at Terminal Four, to pay to

the Terminal Four Lessee a percentage fee (hereinafter called the "Terminal Four Percentage Fee"), at the times set forth in and in accordance with paragraph (a)(iii) below, equal to five percent (5%), as the same may be increased pursuant to paragraph (k) below, of Terminal Four Gross Receipts.

(ii) Gross Receipts shall be reported and the Basic Percentage Fee shall be paid to the Port Authority by the Permittee as follows: On or before the twentieth (20th) day of the first month following the month in which the Effective Date falls and on the twentieth (20th) day of each and every calendar month thereafter during the period that this Permit is in effect and including the calendar month in which this Permit ceases to be in effect, the Permittee shall render to the Port Authority a monthly statement sworn to by a responsible executive or fiscal officer of the Permittee showing all of the Gross Receipts for the preceding month (the "Monthly Sworn Statement of Gross Receipts"). Each of the said statements shall also show the cumulative Gross Receipts from the Effective Date (or the most recent anniversary thereof) through the last day of the preceding month. At the same time each of the said statements is rendered to the Port Authority, the Permittee shall pay to the Port Authority an amount equal to five percent (5%) applied to the Gross Receipts for the preceding calendar month. In addition to the foregoing, on the twentieth (20th) day of the first month following each anniversary of the Effective Date the Permittee shall submit to the Port Authority a statement setting forth the cumulative totals of the Gross Receipts for the entire preceding twelve (12) month period certified, at the Permittee's expense, by a certified public accountant or a responsible executive or fiscal officer of the Permittee ("Annual Statement of Gross Receipts"). In addition to the foregoing, within twenty (20) days after the expiration, termination, revocation or cancellation of this Permit, the Permittee shall render to the Port Authority a sworn statement certified, at the Permittee's expense, by a certified public accountant of all Gross Receipts during the period from the last preceding anniversary of the Effective Date up to and including the last day this Permit shall be in effect and the Permittee shall, at the time of rendering such statement to the Port Authority, pay the Basic Percentage Fee due and unpaid as of the last day this Permit shall be in effect. The Permittee shall give the name and position of the responsible executive or fiscal officer designated under this paragraph to submit Monthly Sworn Statement and Annual Statement of Gross Receipts, ten (10) business days prior to the submission of the first such statement by the designee of the Permittee, so that the Port Authority may determine whether it will accept such designation. The designation shall be submitted to the Manager of Properties for the Airport. If such timely notice is not given to the Port Authority, the Permittee shall submit such statement to the Port Authority in a form executed by a certified public accountant.

(iii) Terminal Four Gross Receipts shall be reported and the Terminal Four Percentage Fee shall be paid to the Terminal Four Lessee by the Permittee as follows: On or before the twentieth (20th) day of the first month following the month in which the Effective Date falls and on the twentieth (20th) day of each and every calendar month thereafter during the period that the Permit is in effect and including the calendar month in which the Permit ceases to be in effect, the Permittee shall render to the Port Authority and the Terminal Four Lessee a monthly statement sworn to by a responsible executive or fiscal officer of the Permittee showing all of the Terminal Four Gross Receipts for the preceding month. Each of the said statements shall also show the cumulative Terminal Four Gross Receipts from the Effective Date (or the most recent anniversary thereof) through the last day of the preceding month. At the same time each of the said statements is rendered to the Port Authority and the Terminal Four Lessee, the Permittee shall pay to the Terminal Four Lessee an amount equal to five percent (5%) applied to the Terminal Four Gross Receipts for the preceding calendar month. In addition to the foregoing, on the twentieth (20th) day of the first month following each anniversary of the Effective Date the Permittee shall submit to the Port Authority and the Terminal Four Lessee a statement setting forth the cumulative totals of the Terminal Four Gross Receipts for the entire preceding twelve (12) month period certified, at the Permittee's expense, by a certified public

accountant. In addition to the foregoing, within twenty (20) days after the expiration, termination, revocation or cancellation of the Permit, the Permittee shall render to the Port Authority and the Terminal Four Lessee a sworn statement certified, at the Permittee's expense, by a certified public accountant or a responsible executive or fiscal officer of the Permittee of all Terminal Four Gross Receipts during the period from the last preceding anniversary of the Effective Date up to and including the last day the Permit shall be in effect and the Permittee shall, at the time of rendering such statement to the Terminal Four Lessee pay to the Terminal Four Lessee the Terminal Four Percentage Fee due and unpaid as of the last day the Permit shall be in effect. Each of the statements called for hereunder shall separately list and state the Terminal Four Gross Receipts and the applicable Terminal Four Percentage Fee payable thereon for each privilege (including without limitation each Authorized Service) provided by the Permittee hereunder at Terminal Four.

(b) (i) All statements to be submitted to the Port Authority pursuant to this Section and all payments made under this Permit, except for the Terminal Four Percentage Fee, shall be sent to the following address:

THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY
P.O. BOX 95000-1556
PHILADELPHIA, PENNSYLVANIA 19195-0001

or made via the following wire transfer instructions:

Bank: [redacted]
Bank ABA number: [redacted]
Account number:

or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

(ii) All statements to be submitted to the Terminal Four Lessee hereunder and the Terminal Four Percentage Fee shall be made to the Terminal Four Lessee at Terminal Four, John F. Kennedy International Airport, Room 2300, Jamaica, New York 11430 or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

(c) There shall be excluded from Gross Receipts and Terminal Four Gross Receipts any sum paid or payable to the Permittee for the following, provided said sum is separately stated to and paid by the customer:

(i) handicapped services;

(ii) security services;

(iii) lost and found baggage services;

(iv) snow removal services;

(v) ground transportation of employees; and

(vi) building janitorial and maintenance services,

provided further, however, the Permittee acknowledges and agrees that the Port Authority does and shall continue to have the right at any time and from time to time to withdraw the foregoing exclusions from Gross Receipts (and Terminal Four Gross Receipts), in whole or in part, or to establish a separate fee for each such service, which may be a percentage fee other than five percent (5%), upon sixty (60) days' prior written notice to the Permittee. Notwithstanding the foregoing, any fee established must be agreed to by the Permittee and the Port Authority and must be reflected in a supplement to this Permit to be prepared by the Port Authority and executed by the parties hereto.

(d) In the event the Permittee shall be permitted hereunder to provide Gateside Aircraft Maintenance services or Routine and Non-routine Aircraft Maintenance services, there shall be excluded from Gross Receipts and Terminal Four Gross Receipts any sum paid or payable to the Permittee:

(i) which arise solely from the resale to a customer of aircraft parts and supplies purchased by the Permittee from a third party, provided, however, that there shall be included in Gross Receipts and Terminal Four Gross Receipts monies paid or payable to the Permittee which arise from the sale of such aircraft parts and supplies to which the Permittee has provided labor for fabrication, refinishing or assembly to the extent of the reasonable value of the labor provided by the Permittee;

(ii) which arise solely from the use of equipment rented by the Permittee from a third party which monies are separately stated to and paid by the customer, limited, however, to the amounts actually paid by the Permittee to the third party for such rental of equipment; and

(iii) which arise solely from the loan or rental by the Permittee of aircraft parts, whether or not owned by the Permittee, which monies are separately stated to and paid by a customer and where said loan or rental of any such aircraft part is for a period of less than twelve (12) consecutive calendar days, it being understood that such monies paid or payable to the Permittee for the loan or rental may include monies for labor provided by the Permittee for installation, refurbishment of returned parts or administrative handling which is directly related to said loan or rental provided, however, all monies paid or payable to the Permittee which arise solely from the loan or rental by the Permittee of aircraft parts, whether or not owned by the Permittee, for twelve (12) or more consecutive calendar days (including but not limited to monies for labor provided by the Permittee for installation, refurbishment of returned parts or administrative handling which is directly related to said lease or rental) shall be included in Gross Receipts from the first day of the loan or rental period, as the case may be.

(e) If and to the extent the full fair market value of any sale, service or other item provided by the Permittee is not charged to or payable by the customer, then the fair market value thereof as determined by the Port Authority shall be included in Gross Receipts and Terminal Four Gross Receipts.

(f) Without limiting any other provisions of this Permit regarding Gross Receipts and Terminal Four Gross Receipts, in those instances where the Permittee provides any services or goods along with other services and goods to the same Person (including without limitation those instances where a service is part of or is included within a group of other services and rendered for a single price, and where a service is performed by the Permittee pursuant to agreement for the exchange of services or goods) the Permittee agrees that the value ascribed to the performance of such service by the Permittee shall be the fair and reasonable value thereof as determined by the Port Authority.

(g) Without limiting the requirement for Port Authority approval, if the Permittee conducts any privilege or any portion thereof through the use of a contractor or other third party which is not a Port Authority permittee and where the payments for any of the foregoing are made to such contractor rather than to the Permittee, said payments shall be deemed amounts, monies, revenues, receipts and income paid or payable to the Permittee for purposes of determining the Permittee's Gross Receipts and Terminal Four Gross Receipts, provided, however, that the foregoing shall not grant or be deemed to grant any right or permission to the Permittee to use an independent contractor or other third party to perform any privilege or portion thereof or the doing of anything hereunder by an independent contractor or other third party.

(h) Notwithstanding that the fee hereunder is measured by a percentage of Gross Receipts and Terminal Four Gross Receipts, no joint venture or partnership relationship between the parties hereto is created by this Permit.

(i) To the extent that the Permittee has not already done so at the time of execution of this Permit and without limiting the generality of any other term or provision hereof, the Permittee agrees to submit monthly statements of Gross Receipts and Terminal Four Gross Receipts as provided in this Section and to pay, at the time of execution and delivery of this Permit to the Port Authority, all fees and other amounts due under this Permit for the period from the Effective Date to the time of execution and delivery of this Permit by the Permittee.

(j) Without limiting any other provision of this Permit, it is hereby specifically understood that the failure to set forth all the classes of Persons, all of the locations served or all of the types of services or activities performed by the Permittee in its exercise of the privileges granted hereunder as of the Effective Date, or the failure to, by appropriate supplement, revise this Permit to reflect any additional classes of Persons, locations served, or services or activities performed by the Permittee subsequent to said Effective Date, shall not affect the inclusion in Gross Receipts or Terminal Four Gross Receipts hereunder of the amounts, monies, revenues, receipts and income received or receivable by the Permittee in its operations, and the same shall be so included. The foregoing shall not constitute Port Authority consent or be deemed to imply that the necessary Port Authority consent (to be reflected in a supplement to the Permit) with respect to such additional classes of Persons, locations, services or activities will be given.

(k) The Basic Percentage Fee, the Terminal Four Percentage Fee and any other fees payable under this Permit shall be subject to increase from time to time upon thirty (30) days' notice from the Port Authority to the Permittee, given by the General Manager of the Airport or such other representative as the Port Authority may substitute from time to time by notice to the Permittee, and upon the effective date of the increase set forth in such notice the fees payable by the Permittee under this Permit shall be as set forth in said notice. In the event within ten (10) days after the Permittee receives such notice from the Port Authority, the Permittee notifies the Port Authority that the Permittee does not wish to pay the increased fees, this Permit and the permission granted hereunder shall be, and shall be deemed to be, cancelled effective at the close of business on the day preceding the effective date of the increase, as set forth in the Port Authority's notice to the Permittee. If the Permittee does not so notify the Port Authority, the increased fees shall become effective on the date set forth in the Port Authority's notice as aforesaid. No cancellation of this Permit and the permission granted thereunder pursuant to this paragraph (k) shall be construed to relieve the Permittee of any obligations or liabilities hereunder which shall have accrued on or before the effective date of such cancellation.

(l) Without limiting any term or provision of this Permit, in the event the Permittee performs (x) any service, other than the Authorized Service at the Airport, or (y) any service (including the Authorized Service) at any other Port Authority facility, whether such

performance is the subject of a written agreement by and between the Port Authority and the Permittee, the Permittee hereby agrees that it will pay to the Port Authority any and all fees and/or charges applicable to such service. The Permittee also agrees that, at the request of the Port Authority, it will enter into the appropriate agreement with the Port Authority providing permission for the Permittee to perform such service.

5. Security Deposit:

(a) (i) Provided that an amount is set forth in Item 8 on the first page of this Permit (the "*Required Security Deposit*"), and, provided, further, the amount of said Required Security Deposit is less than $20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deposit with the Port Authority (and shall keep deposited throughout the effective period of the permission under this Permit) the Required Security Deposit, either in cash, or bonds of the United States of America, or of the State of New Jersey, or of the State of New York, or of the Port Authority of New York and New Jersey, having a market value of that amount, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed. Bonds qualifying for deposit hereunder shall be in bearer form but if bonds of that issue were offered only in registered form, then the Permittee may deposit such bonds or bonds in registered form, provided, however, that the Port Authority shall be under no obligation to accept such deposit of a bond in registered form unless such bond has been re-registered in the name of the Port Authority (the expense of such re-registration to be borne by the Permittee) in a manner satisfactory to the Port Authority. The Permittee may request the Port Authority to accept a registered bond in the Permittee's name and if acceptable to the Port Authority the Permittee shall deposit such bond together with an irrevocable bond power (and such other instruments or other documents as the Port Authority may require) in form and substance satisfactory to the Port Authority. In the event the Required Security Deposit is returned to the Permittee, any expenses incurred by the Port Authority in re-registering a bond to the name of the Permittee shall be borne by the Permittee. In addition to any and all other remedies available to it, the Port Authority shall have the right, at its option, at any time and from time to time, with or without notice, to use the Required Security Deposit, or any part thereof, in whole or partial satisfaction of any of its claims or demands against the Permittee. There shall be no obligation on the Port Authority to exercise such right and neither the existence of such right nor the holding of the Required Security Deposit itself shall cure any default or breach of this Permit on the part of the Permittee. With respect to any bonds deposited by the Permittee, the Port Authority shall have the right, in order to satisfy any of its claims or demands against the Permittee, to sell the same in whole or in part, at any time, and from time to time, with or without prior notice at public or private sale, all as determined by the Port Authority, together with the right to purchase the same at such sale free of all claims, equities or rights of redemption of the Permittee. The Permittee hereby waives all right to participate therein and all right to prior notice or demand of the amount or amounts of the claims or demands of the Port Authority against the Permittee. The proceeds of every such sale shall be applied by the Port Authority first to the costs and expenses of the sale (including but not limited to advertising or commission expenses) and then to the amounts due the Port Authority from the Permittee. Any balance remaining shall be retained in cash toward bringing the Required Security Deposit to the sum specified in Item 8 on the first page of this Permit. In the event that the Port Authority shall at any time or times so use the Required Security Deposit, or any part thereof, or if bonds shall have been deposited and the market value thereof shall have declined below the amount set forth in Item 8 on the first page of this Permit, the Permittee shall, on demand of the Port Authority and within two (2) days thereafter, deposit with the Port Authority additional cash or bonds so as to maintain the Required Security Deposit at all times to the full amount above stated in Item 8 on the first page of this Permit, and such additional deposits shall be subject to all the conditions of this Section. After the expiration or

earlier revocation or termination of the effective period of the permission under this Permit, and upon condition that the Permittee shall then be in no wise in default under any part of this Permit, and upon written request therefor by the Permittee, the Port Authority will return the Required Security Deposit to the Permittee less the amount of any and all unpaid claims and demands (including estimated damages) of the Port Authority by reason of any default or breach by the Permittee of this Permit or any part thereof. The Permittee agrees that it will not assign or encumber the Required Security Deposit. The Permittee may collect or receive any interest or income earned on bonds and interest paid on cash deposited in interest-bearing bank accounts, less any part thereof or amount which the Port Authority is or may hereafter be entitled or authorized by law to retain or to charge in connection therewith, whether as or in lieu of an administrative expense, or custodial charge, or otherwise; provided, however, that the Port Authority shall not be obligated by this provision to place or to keep cash deposited hereunder in interest-bearing bank accounts.

(ii) In lieu of the Required Security Deposit made in the form described above in paragraph (a)(i), the Permittee may at any time during the effective period of the permission granted under this Permit offer to deliver to the Port Authority, as security for all obligations of the Permittee under this Permit, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District, in favor of the Port Authority in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent satisfactory letter. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by security in accordance with paragraph (a)(i) of this Section or another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security under paragraph (a)(i) of this Section. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the Required Security Deposit, if any, theretofore made under and in accordance with the provisions of paragraph (a)(i) of this Section. The Permittee shall have the same rights to receive such Required Security Deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the effective period of the permission granted under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount.

(b) Provided that a Required Security Deposit amount is set forth in Item 8 on the first page of this Permit, and, provided, further, the amount of said Required Security Deposit is equal to or greater than $20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of the Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New

York District and acceptable to the Port Authority, in favor of the Port Authority, and payable in the Port of New York District in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is an appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless the letter of credit is replaced by another letter of credit satisfactory to the Port Authority by a date not later than twenty (20) days prior to the effective date of cancellation, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee, upon demand by the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to the amount of the Required Security Deposit. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to be a waiver of any default by the Permittee under the terms of this Permit, and all remedies under this Permit and of the Port Authority consequent upon such default shall not be affected by the existence of a recourse to any such letter of credit.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, in its sole discretion at any time and from time to time upon sixty (60) days' notice to the Permittee, to adjust the amount of the Required Security Deposit. Not later than the effective date set forth in said notice by the Port Authority, the Permittee shall furnish additional cash or bonds, as provided for in paragraph (a) above, or an amendment to, or a replacement of, the letter of credit providing for such adjusted amount of the Required Security Deposit, as the case may be, and such additional cash and/or bonds or adjusted (or replaced) letter of credit shall thereafter constitute the Required Security Deposit required under this Section.

(d) If the Permittee is obligated by any other agreement to maintain a security deposit with the Port Authority to insure payment and performance by the Permittee of all fees, rentals, charges and obligations which may become due and owing to the Port Authority arising from the Permittee's operations at the Airport pursuant to any such other agreement or otherwise, then all such obligations under such other agreement and any deposit pursuant thereto also shall be deemed obligations of the Permittee under this Permit and as security hereunder as well as under any such other agreement and all provisions of such other agreement with respect to such obligations and any obligations thereunder of the Port Authority as to the security deposit are hereby incorporated herein by this reference as though fully set forth herein and hereby made a part hereof. The termination, revocation, cancellation or expiration of any other agreement to which such security shall apply or any permitted assignment of such other agreement shall not affect such obligations as to such security which shall continue in full force and effect hereunder.

6. Permittee's Operations:

(a) The Permittee shall provide to the Port Authority, upon request of the Port Authority from time to time, such information and data in connection with the permission granted hereunder as the Port Authority may request and shall, if so requested by the Port Authority, make periodic reports thereof to the Port Authority utilizing such forms as may be adopted by the Port Authority for such purpose.

(b) The Permittee shall daily remove from the Airport by means of facilities provided by it all garbage, debris and other waste material (whether solid or liquid) arising out of or in connection with the permission granted hereunder, and any such not immediately removed shall be temporarily stored in a clean and sanitary condition, in suitable garbage and waste receptacles, the same to be made of metal and equipped with tight-fitting covers, and to be of a design safely and properly to contain whatever material may be placed therein; said receptacles being provided and maintained by the Permittee. The receptacles shall be kept covered except when filling or emptying the same. The Permittee shall exercise extreme care in removing such garbage, debris and other waste materials from the Airport. The manner of such storage and removal shall be subject in all respects to the continual approval of the Port Authority. No facilities of the Port Authority shall be used for such removal unless with its prior consent in writing. No such garbage, debris or other waste materials shall be or be permitted to be thrown, discharged or disposed into or upon the waters at or bounding the Airport.

(c) The Permittee shall at all times that areas of the Airport are being used for the privileges permitted hereunder, maintain said areas in a clean and orderly condition and appearance. The Permittee shall promptly wipe up any oil, gasoline, grease, lubricants and other inflammable liquids and substances and any liquids and substances having a corrosive or detrimental effect on the paving or other surface of the ramps or other areas upon which it performs the privileges authorized by this Permit resulting from its operations hereunder. The Permittee shall repair, replace, repave or rebuild, or at the Port Authority's election, the Permittee shall pay to the Port Authority the cost to the Port Authority of repairing, replacing, repaving or rebuilding, all or any part of the ramps or other areas upon which it performs the privileges authorized by this Permit which may be damaged or destroyed by such oil, gasoline, grease, lubricants or other liquids or substances or by any other act or omission of the Permittee or its employees, except for reasonable wear and tear arising out of its operations thereon.

(d) A principal purpose of the Port Authority in granting the permission under this Permit is to have available at the Airport, the privileges which the Permittee is permitted to render hereunder. The Permittee agrees that it will conduct a first-class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor, and keep the same in a first-class operating condition at all times.

(e) The Permittee shall immediately comply with all orders, directives and procedures as may be issued by the General Manager of the Airport covering the operations of the Permittee under this Permit at any time and from time to time. The Port Authority may, at any time and from time to time, without prior notice or cause, withdraw or modify any designation, approval, substitution or redesignation given by it hereunder.

(f) In the event of any injury or death to any person (other than employees of the Permittee) at the Airport when caused by the Permittee's operations, or damage to any property (other than the Permittee's property) at the Airport when caused by the Permittee's operations, the Permittee shall immediately notify the Port Authority and promptly thereafter furnish to the Port Authority copies of all reports given to the Permittee's insurance carrier.

(g) The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Airport. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the General Manager of the Airport. The Port Authority shall have the right to object to the Permittee as to the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

(h) The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations at the Airport.

7. Indemnity:

(a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third Persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee hereunder, or out of any of the acts or omissions of the Permittee, its officers, employees or Persons who are doing business with the Permittee arising out of or in connection with the activities permitted hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the Airport, including claims and demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) Without limiting any other term or provision hereof, the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

(c) Without limiting any other term or provision hereof, the Permittee shall indemnify the Port Authority and hold it harmless against all claims and demands of third Persons for damage to any aircraft cargo or baggage or any other property handled or delivered pursuant to the permission granted by this Permit.

(d) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand set forth in paragraphs (a), (b) and (c) above (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

8. Liability Insurance:

(a) The Permittee, in its own name as insured and including the Port Authority as an additional insured, shall maintain and pay the premiums during the effective period of the Permit

on a policy or policies of Commercial General Liability Insurance, including premises-operations and products-completed operations and covering bodily-injury liability, including death, and property damage liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage in the minimum limit set forth in Item 9 on the first page of this Permit, and Commercial Automobile Liability Insurance covering owned, non-owned and hired vehicles and including automatic coverage for newly acquired vehicles and providing for coverage in the minimum limit set forth in Item 9 on the first page of this Permit. Without limiting the foregoing, the Permittee shall maintain Workers' Compensation and Employers Liability Insurance in accordance with the Permittee's statutory obligations under the applicable State Workers' Compensation Law for those employees of the Permittee employed in operations conducted pursuant to this Permit at or from the Airport. In the event the Permittee maintains the foregoing insurance in limits greater than aforesaid, the Port Authority shall be included therein as an additional insured, except for the Workers' Compensation and Employers Liability Insurance policies, to the full extent of all such insurance in accordance with all terms and provisions of this Permit.

(b) Each policy of insurance, except for the Workers' Compensation and Employers Liability Insurance policies, shall also contain an ISO standard "separation of insureds" clause or a cross liability endorsement providing that the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority and any claim or action against the Port Authority by the Permittee, as if the Port Authority were the named insured thereunder, but such clause or endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured. Each policy of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Permittee under Section 7 of the Terms and Conditions of this Permit.

(c) All insurance coverages and policies required under this Section may be reviewed by the Port Authority for adequacy of terms, conditions and limits of coverage at any time and from time to time during the effective period of permission granted under this Permit. The Port Authority may, at any such time, require additions, deletions, amendments or modifications to the aforementioned insurance requirements, or may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem required and the Permittee shall promptly comply therewith.

(d) Each policy shall contain a provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' written advance notice thereof to the Port Authority. Each policy shall contain a provision or endorsement that the insurer "shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority." The foregoing provisions or endorsements shall be recited in each policy or certificate to be delivered pursuant to the following paragraph (e).

(e) A certified copy of each policy or a certificate or certificates of insurance evidencing the existence thereof, or binders, shall be delivered to the Port Authority upon execution and delivery of this Permit by the Permittee to the Port Authority. In the event any binder is delivered it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate of insurance. Any renewal policy shall be evidenced by a renewal certificate of insurance delivered to the Port Authority at least seven (7) days prior to the expiration of each

expiring policy, except for any policy expiring after the date of expiration of this Permit. The aforesaid insurance shall be written by a company or companies approved by the Port Authority. If at any time any insurance policy shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policy shall be or become unsatisfactory to the Port Authority, the Permittee shall promptly obtain a new and satisfactory policy in replacement. If the Port Authority at any time so requests, a certified copy of each policy shall be delivered to or made available for inspection by the Port Authority.

(f) The foregoing insurance requirements shall not in any way be construed as a limitation on the nature or extent of the contractual obligations assumed by the Permittee under this Permit. The foregoing insurance requirements shall not constitute a representation or warranty as to the adequacy of the required coverage to protect the Permittee with respect to the obligations imposed on the Permittee by this Permit or any other agreement or by law.

9. Special Endorsements:

The Permittee hereby agrees to the terms and conditions of the endorsements attached hereto, hereby made a part hereof and marked "*Special Endorsements*". The terms and provisions of the Special Endorsements shall have the same force and effect and as if herein set forth in full.

10. No Waiver:

No failure by the Port Authority or the Terminal Four Lessee to insist upon the strict performance of any agreement, term or condition of this Permit or to exercise any right or remedy consequent upon a breach or default thereof, and no extension, supplement or amendment of this Permit during or after a breach thereof, unless expressly stated to be a waiver, and no acceptance by the Port Authority or the Terminal Four Lessee of fees, charges or other payments in whole or in part after or during the continuance of any such breach or default, shall constitute a waiver of any such breach or default of such agreement, term or condition. No agreement, term or condition of this Permit to be performed or complied with by the Permittee, and no breach or default thereof, shall be waived, altered or modified except by a written instrument executed by the Port Authority. No waiver by the Port Authority of any default or breach on the part of the Permittee in performance of any agreement, term or condition of this Permit shall affect or alter this Permit but each and every agreement, term and condition thereof shall continue in full force and effect with respect to any other then existing or subsequent breach or default thereof.

11. Removal of Property:

The personal property placed or installed by the Permittee at the Airport shall remain the property of the Permittee and must be removed on or before the expiration, revocation, cancellation or termination of the permission hereby granted, whichever shall be earlier. Without limiting the terms and provisions of paragraph (g) of Section 18 hereof, any such property remaining at the Airport after the effective date of such expiration, revocation, cancellation or termination shall be deemed abandoned by the Permittee and may be removed and disposed of by the Port Authority in any manner it so determines in its sole discretion and all the proceeds of any removal or disposition shall be retained by the Port Authority for its account and all costs and expenses of such removal and disposition shall be paid to the Port Authority by the Permittee when billed.

12. Permittee's Representative:

The Permittee's representative specified in Item 3 on the first page of this Permit (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and any act or thing done or to be done hereunder, and to execute on the Permittee's behalf any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. Notices:

Except where expressly required or permitted herein to be oral, all notices, directions, requests, consents and approvals required to be given to or by either party or the Terminal Four Lessee shall be in writing, and all such notices given by the Port Authority or the Terminal Four Lessee to the Permittee shall be validly given if sent by registered or certified mail addressed to the Permittee at the address specified on the first page hereof or at the latest address that the Permittee may substitute therefor by notice to the Port Authority, or left at such address, or delivered to the Permittee's representative. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003 or at such other address as the Port Authority shall hereafter designate by notice to the Permittee. If mailed, the notices herein required to be given shall be deemed effective and given as of the date of the certified or registered mailing thereof.

14. Late Charges:

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority or the Terminal Four Lessee including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four (24) late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (15) (but not less than thirteen (13)) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority or the Terminal Four Lessee of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority or the Terminal Four Lessee to payment of any late charge or late charges payable under the provisions of this Section with respect to such unpaid amount. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority or the Terminal Four Lessee under this Permit, including without limitation the Port Authority's rights set forth in Section 2 of these Terms and Conditions, or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Section shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

15. Non-discrimination:

(a) Without limiting the generality of any of the provisions of this Permit, the Permittee, for itself, its successors in interest and assigns, as a part of the consideration hereof, does hereby agree that (1) no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or be otherwise subject to discrimination in the use of any space at the Airport and the exercise of any privileges under this Permit, (2) that in the construction of any improvements on, over, or under any space at the Airport and the furnishing of any service thereon by the Permittee, no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination, (3) that the Permittee shall use any space at the Airport and exercise any privileges under this Permit in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended, and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which from time to time may be applicable to the Permittee's operations thereat, whether by reason of agreement between the Port Authority and the United States Government or otherwise.

(b) The Permittee shall include the provisions of paragraph (a) of this Section in every agreement or concession it may make pursuant to which any Person or Persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Section shall constitute a material breach of this Permit. Without limiting any other term or provision hereof or any other rights or remedies of the Port Authority hereunder or at law or equity, in the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) Without limiting any other term or provision hereof, the Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third Persons, including the United States of America, resulting from the Permittee's noncompliance with any of the provisions of this Section and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Section shall grant or shall be deemed to grant to the Permittee the right to transfer or assign this Permit, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on any space at the Airport, or any right to use or occupy any space at the Airport.

16. Affirmative Action:

The Permittee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Permittee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity

covered by this subpart. The Permittee assures that it will require that its covered suborganizations provide assurances to the Permittee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

17. Rules and Regulations:

(a) The Permittee shall observe and obey (and compel its officers, employees, guests, invitees, and those doing business with it, to observe and obey) the rules and regulations and procedures of the Port Authority now in effect, and such further reasonable rules and regulations and procedures which may from time to time during the effective period of this Permit, be promulgated by the Port Authority for reasons of safety, health, preservation of property or maintenance of a good and orderly appearance of the Airport or for the safe and efficient operation of the Airport. The Port Authority agrees that, except in cases of emergency, it shall give notice to the Permittee of every rule and regulation hereafter adopted by it at least five (5) days before the Permittee shall be required to comply therewith.

(b) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the New York Board of Fire Underwriters and the New York Fire Insurance Exchange, and any other body or organization exercising similar functions which may pertain or apply to the Permittee's operations hereunder. If by reason of the Permittee's failure to comply with the provisions of this Section, any fire insurance, extended coverage or rental insurance rate on the Airport or any part thereof, or upon the contents of any building thereon, shall at any time be higher than it otherwise would be, then the Permittee shall on demand pay the Port Authority that part of all fire insurance premiums paid or payable by the Port Authority which shall have been charged because of such violation by the Permittee.

18. Prohibited Acts

(a) The Permittee shall not do or permit to be done any act which

(i) will invalidate or be in conflict with any fire insurance policies covering the Airport or any part thereof or upon the contents of any building thereon, or

(ii) will increase the rate of any fire insurance, extended coverage or rental insurance on the Airport or any part thereof or upon the contents of any building thereon, or

(iii) in the opinion of the Port Authority will constitute a hazardous condition, so as to increase the risks normally attendant upon the operations contemplated by this Permit, or

(iv) may cause or produce upon the Airport any unusual noxious or objectionable smokes, gases, vapors or odors, or

(v) may interfere with the effectiveness or accessibility of any drainage and sewerage system, water system, communications system, fire protection system, sprinkler system, alarm system, fire hydrant and hose, if any, installed or located or to be installed or located in or on the Airport, or

(vi) shall constitute a nuisance or injury in or on the Airport or which may result in the creation, commission or maintenance of a nuisance or injury in or on the Airport.

For the purpose of this paragraph (a), "Airport" includes all structures located thereon.

(b) The Permittee shall not dispose of, release or discharge nor permit anyone to dispose of, release or discharge any Hazardous Substance on the Airport except that the Permittee may release or discharge de-icing fluids utilized in the Permittee's ordinary course of business in the performance of any of the privileges granted hereunder so long as such release or discharge is not a violation of the terms and conditions of Sections 17 or 19 hereof. In addition to and without limiting Section 19 hereof, any Hazardous Substance disposed of, released or discharged by the Permittee (or permitted by the Permittee to be disposed of, released or discharged) on the Airport shall upon notice by the Port Authority to the Permittee and subject to the provisions of paragraph (f) of Section 17 hereof and to all Environmental Requirements, be completely removed and/or remediated by the Permittee at its sole cost and expense, provided, however, the forgoing shall not apply to releases and discharges which are in compliance with the terms and conditions of Sections 17 and 19 hereof of de-icing fluids utilized in the Permittee's ordinary course of business in the performance of any of the privileges granted hereunder and the obligation of the Permittee to remove and remediate such de-icing fluids shall be as required by the terms and conditions of Sections 17 and 19 hereof. The obligations of the Permittee pursuant to this paragraph shall survive the expiration, revocation, cancellation or termination of this Permit.

(c) The Permittee shall not dispose of nor permit anyone to dispose of any waste materials (whether liquid or solid) by means of any toilets, sanitary sewers or storm sewers.

(d) (i) The Permittee shall not employ any persons or use any labor, or use or have any equipment, or permit any condition to exist, which shall or may cause or be conducive to any labor complaints, troubles, disputes or controversies at the Airport which interfere or are likely to interfere with the operation of the Airport or any part thereof by the Port Authority or with the operations of the lessees, licensees, permittees or other users of the Airport or with the operations of the Permittee under this Permit.

(ii) The Permittee shall immediately give notice to the Port Authority (to be followed by written notice and reports) of any and all impending or existing labor complaints, troubles, disputes or controversies and the progress thereof. The Permittee shall use its best efforts to resolve any such complaints, troubles, disputes or controversies.

(iii) The Permittee acknowledges that it is familiar with the general and local conditions prevailing at the Airport and with the all pertinent matters and circumstances which may in any way affect performance of the privileges granted under this Permit.

(e) The Permittee shall not solicit business on the public areas of the Airport and the use, at any time, of hand or standard megaphones, loudspeakers or any electric, electronic or other amplifying device is hereby expressly prohibited.

(f) The Permittee shall not install any fixtures or make any alterations, additions, improvements or repairs to any property of the Port Authority except with the prior written approval of the Port Authority.

(g) No signs, posters or similar devices shall be erected, displayed or maintained at the Airport without the written approval of the General Manager of the Airport; and any not approved by such General Manager or not removed by the Permittee upon the termination, revocation, expiration or cancellation of this Permit may be removed by the Port Authority at the expense of the Permittee.

(h) The Permittee shall not operate any engine or any item of automotive equipment in any enclosed space at the Airport unless such space is adequately ventilated.

(i) The Permittee shall not use any cleaning materials having a harmful or corrosive effect on any part of the Airport.

(j) The Permittee shall not fuel or defuel any equipment in any enclosed space at the Airport without the prior approval of the General Manager of the Airport except in accordance with Port Authority rules and regulations.

(k) The Permittee shall not start or operate any engine or any item of automotive equipment in any enclosed space at the Airport unless such space is adequately ventilated and unless such engine is equipped with a proper spark-arresting device.

19. Law Compliance:

(a) The Permittee shall procure all licenses, certificates, permits or other authorization from all governmental authorities, if any, having jurisdiction over the Permittee's operations at the Airport which may be necessary for the Permittee's operations thereat.

(b) The Permittee shall pay all taxes, license, certification, permit and examination fees and excises which may be assessed, levied, exacted or imposed on its property or operations at the Airport or on the Gross Receipts, Terminal Four Gross Receipts or income therefrom, and shall make all applications, reports and returns required in connection therewith.

(c) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions which may pertain or apply to the Permittee's operations at the Airport.

(d) The Permittee's obligations to comply with governmental requirements are provided herein for the purpose of assuring proper safeguards for the protection of Persons and property at the Airport and are not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

(e) The Port Authority has agreed by a provision in the City Lease with the City covering the Airport to conform to the enactments, ordinances, resolutions and regulations of the City and of its various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable so to do. The Permittee shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such

compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

20. Trademarks and Patent Infringement:

The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit.

21. Inspection:

The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Airport or to be placed or brought on the Airport, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

22. Federal Aid:

(a) The Permittee shall

(i) furnish good, prompt and efficient service hereunder, adequate to meet all demands therefor at the Airport;

(ii) furnish said service on a fair, equal and non-discriminatory basis to all users thereof; and

(iii) charge fair, reasonable and non-discriminatory prices for each unit of sale or service, provided that the Permittee may make reasonable and non-discriminatory discounts, rebates or other similar types of price reductions to volume purchasers.

As used in the above subsections "service" shall include furnishing of parts, materials and supplies (including sale thereof).

(b) The Port Authority has applied for and received a grant or grants of money from the Administrator of the Federal Aviation Administration pursuant to the Airport and Airways Development Act of 1970, as the same has been amended and supplemented, and under prior federal statutes which said Act superseded and the Port Authority may in the future apply for and receive further such grants. In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. The performance by the Permittee of the promises and obligations contained in this Permit is therefore a special consideration and inducement to the issuance of this Permit by the Port Authority, and the Permittee further agrees that if the Administrator of the Federal Aviation Administration or any other governmental officer or body having jurisdiction over the enforcement of the obligations of the Port Authority in connection with Federal Airport Aid, shall make any orders, recommendations or suggestions respecting the performance by the Permittee of its obligations under this Permit, the Permittee

will promptly comply therewith at the time or times, when and to the extent that the Port Authority may direct.

23. Capacity and Competition:

(a) The Permittee shall refrain from entering into continuing contracts or arrangements with any third Person for furnishing services covered hereunder when such contracts or arrangements will have the effect of utilizing to an unreasonable extent the Permittee's capacity for rendering such services. A reasonable amount of capacity shall be reserved by the Permittee for the purpose of rendering services hereunder to those who are not parties to continuing contracts with the Permittee.

(b) The Permittee shall not enter into any agreement or understanding, express or implied, binding or non-binding, with any other Person who may furnish services at the Airport similar to those furnished hereunder which will have the effect of (i) fixing rates and charges to be paid by users of the services; (ii) lessening or preventing competition between the Permittee and such other furnishers of services; or (iii) tending to create a monopoly on the Airport in connection with the furnishing of such services.

24. Business Development and Records:

(a) In connection with the exercise of the privileges granted hereunder, the Permittee shall:

(i) use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(ii) not divert or cause or allow to be diverted, any business from the Airport;

(iii) maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of the Permittee at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify the Authorized Service performed at Terminal Four, the Authorized Service performed at the Airport at any location other than Terminal Four and all other services performed at the Airport at any location other than Terminal Four, and;

(iv) cause any company which is owned or controlled by the Permittee, or any company which owns or controls the Permittee, if any such company performs services similar to those performed by the Permittee (any such company being hereinafter called an "*Affiliate*" and all such companies being hereinafter called the "*Affiliates*") to maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of each Affiliate at, through, or in anywise connected with the Airport, which

records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify each activity (including without limitation the Authorized Service) performed at the Airport, the Authorized Service performed at Terminal Four and all other services performed at the airport at any location other than Terminal Four;

(v) permit and/or cause to be permitted in ordinary business hours during the effective period of this Permit, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Port Authority of all the records and books of account of the Permittee (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts and/or Terminal Four Gross Receipts and which the Terminal Four Lessee, in its sole discretion, believes may be relevant for identification, determination or calculation of Terminal Four Receipts, all agreements, and all source documents) and all the records and books of account of all Affiliates (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts and/or Terminal Four Gross Receipts and which the Terminal Four Lessee, in its sole discretion, believes may be relevant for identification, determination or calculation of Terminal Four Receipts, all agreements, and all source documents) (all of the foregoing records and books described in this paragraph (a)(v) being hereinafter collectively referred to as the "*Books and Records*") within ten (10) days following any request by the Port Authority from time to time and at any time to examine and audit any Books and Records;

(vi) if the Permittee has performed any privilege or portion thereof at Terminal Four, then permit and/or cause to be permitted in ordinary business hours during the effective period of the Permit, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Terminal Four Lessee of all Books and Records within ten (10) days following any request by the Terminal Four Lessee from time to time and at any time to examine and audit any Books and Records;

(vii) permit the inspection by the officers, employees and representatives of the Port Authority and the Terminal Four Lessee of any equipment used by the Permittee, including but not limited to the equipment described in paragraph (a)(viii) below; and

(viii) install and use such cash registers, sales slips, invoicing machines and any other equipment or devices, including without limitation computerized record keeping systems, for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of Gross Receipts and Terminal Four Gross Receipts, and without limiting the generality of the foregoing, for any privilege involving cash sales, install and use cash registers or other electronic cash control equipment that provides for non-resettable totals.

(b) Without implying any limitation on the right of the Port Authority to revoke this Permit for cause for breach of any term, condition or provision thereof, including but not limited to, breach of any term, condition or provision of paragraph (a) above, the Permittee understands that the full reporting and disclosure to the Port Authority of all Gross Receipts and Terminal Four Gross Receipts and to the Terminal Four Lessee of all Terminal Four Gross Receipts and the Permittee's compliance with all the provisions of paragraph (a) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under this Permit. In the event any Books and Records are maintained outside the Port of New York District or in the event of the failure of the Permittee to comply with all the provisions of

paragraphs (a)(ii) through (a)(viii) above then, in addition to all, and without limiting any other, rights and remedies of the Port Authority and the Terminal Four Lessee under this Permit or otherwise and in addition to all of the Permittee's other obligations under this Permit:

(i) the Port Authority may estimate the Gross Receipts on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the fees based thereon shall be payable to the Port Authority when billed; and/or

(ii) the Port Authority or the Terminal Four Lessee may estimate the Terminal Four Gross Receipts on any basis that the Port Authority or the Terminal Four Lessee, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the fees based thereon shall be payable to the Terminal Four Lessee when billed; and/or

(iii) if any Books and Records are maintained outside of the Port of New York District, then the Port Authority in its sole discretion may (x) require on ten (10) days' notice to the Permittee that any such Books and Records be made available to the Port Authority within the Port of New York District for examination and audit pursuant to paragraph (a)(v) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(v) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority, for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Permittee shall pay to the Port Authority when billed all costs and expenses of the Port Authority, as determined by the Port Authority, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

(iv) if any Books and Records are maintained outside of the Port of New York District, then the Terminal Four Lessee in its sole discretion may (x) require on ten (10) days' notice to the Permittee that any such Books and Records be made available to the Terminal Four Lessee within the Port of New York District for examination and audit pursuant to paragraph (a)(vi) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(vi) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Permittee shall pay to the Terminal Four Lessee when billed all travel costs and related expenses, as determined by the Terminal Four Lessee, for Terminal Four Lessee auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Permittee shall pay to the Terminal Four Lessee when billed all costs and expenses of the Terminal Four Lessee, as determined by the Terminal Four Lessee, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Terminal Four Lessee for the purpose of conducting such audit and examination.

(c) In the event that upon conducting an examination and audit as described in this Section the Port Authority or the Terminal Four Lessee determines that unpaid amounts are due to the Port Authority or to the Terminal Four Lessee by the Permittee (the "*Audit Findings*"), the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority and/or the Terminal Four Lessee a service charge in the amount equal to five percent (5%) of the Audit Findings. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority or by the Terminal Four Lessee. Such

service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority or the Terminal Four Lessee by the Permittee under this Permit or otherwise. Such service charge shall not be payable if the Port Authority has received, for each month covered by the examination and audit period, the Monthly Sworn Statement of Gross Receipts, as provided in Section 4(a)(ii). No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Section with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

(d) Without implying any limitation on the rights or remedies of the Port Authority under this Permit or otherwise including without limitation the right of the Port Authority to revoke this Permit for cause for breach of any term or provision of paragraphs (a)(iii) or (a)(iv) above and in addition thereto, in the event any of the Books and Records are not maintained in English, then this Permittee shall pay to the Port Authority when billed, all costs and expenses of the Port Authority, as determined by the Port Authority, to translate such Books and Records into English.

(e) The foregoing auditing costs, expenses and amounts of the Port Authority set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Permit payable to the Port Authority with the same force and effect as the Basic Percentage Fee and all other fees payable to the Port Authority hereunder and the foregoing auditing costs, expenses and amounts of the Terminal Four Lessee set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Permit payable to the Terminal Four Lessee with the same force and effect as the Terminal Four Percentage Fee and all other fees payable to the Terminal Four Lessee hereunder.

25. Rates and Charges:

The Permittee shall establish rates and discounts therefrom which are in compliance with Section 22 hereof (each such rate and discount is hereinafter called an "*Established Rate*"). Upon request by the Port Authority, the Permittee shall provide the Port Authority its rates and discounts therefrom for goods and services furnished hereunder. If the Permittee applies any rate in excess of the Established Rate therefor or extends a discount less than the Established Discount therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the Established Rate therefor or extends a discount which is in excess of the Established Rate therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an undercharge and an amount equivalent thereto shall be included in Gross Receipts and Terminal Four Gross Receipts hereunder and the Basic Percentage Fee and the Terminal Four Percentage Fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in Gross Receipts or Terminal Four Gross Receipts any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon such breach which would otherwise be available to it at law, in equity or by reason of this Permit.

26. Other Agreements:

In the event the terms and provisions of any agreement entered into by the Permittee with any third Person in connection with the privileges granted hereunder are contrary to or conflict or are inconsistent with the terms and provisions of this Permit, the terms and provisions of this Permit shall be controlling, effective and determinative.

27. City Lease Provisions:

(a) The Permittee acknowledges that it has received a copy of, and is familiar with the contents of, the City Lease. The Permittee acknowledges that no greater rights or privileges are hereby granted to the Permittee than the Port Authority has the power to grant under the City Lease.

(b) In accordance with the provisions of the City Lease, the Port Authority and the Permittee hereby agree as follows:

(i) This Permit is subject and subordinate to the City Lease and to any interest superior to that of the Port Authority;

(ii) The Permittee shall not pay the fees or other sums under this Permit for more than one (1) month in advance (excluding security or other deposits required under this Permit);

(iii) With respect to this Permit, the Permittee on the termination of the City Lease will, at the option of the City, enter into a direct permit on identical terms with the City;

(iv) The Permittee shall indemnify the City, as third party beneficiary hereunder, with respect to all matters described in Section 31 of the City Lease that arise out of the Permittee's operations at the Airport, or arise out of the acts or omissions of the Permittee's officers, employees, agents, representatives, contractors, customers, business visitors and guests at the Airport with the Permittee's consent;

(v) The Permittee shall not use any portion of the Airport for any use other than as permitted under the City Lease;

(vi) The Permittee shall use the Airport in a manner consistent with the Port Authority's obligations under Section 28 of the City Lease;

(vii) The failure of the Permittee to comply with the foregoing provisions shall be an event of default under this Permit, which shall provide the Port Authority with the right to revoke this Permit and exercise any other rights that the Port Authority may have as the grantor of the permission hereunder; and

(viii) The City shall be named as an additional insured or loss payee, as applicable, under each policy of insurance procured by the Permittee pursuant to this Permit.

28. Counterclaims:

The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts, which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

29. Continued Exercise of Privilege After Expiration, Revocation or Termination:

(a) The Permittee acknowledges that the failure of the Permittee to cease to perform the Authorized Service at the Airport from the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss, and the Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss. The Permittee acknowledges that the Port Authority reserves all its legal and equitable rights and remedies in the event of such failure by the Permittee to cease performance of the Authorized Service.

(b) The Permittee hereby acknowledges and agrees that, subject to the foregoing, all terms and provisions of this Permit shall be and continue in full force and effect during any Post-Termination Period.

30. Miscellaneous:

(a) It is understood and agreed that the Port Authority shall not furnish, sell or supply to the Permittee any services or utilities in connection with this Permit.

(b) No Commissioner, Director, officer, agent or employee of either party shall be charged personally by the other party with any liability, or held liable to the other party, under any term or provision of this Permit, or because of the party's execution or attempted execution, or because of any breach thereof.

(c) The Section and paragraph headings, if any, in this Permit are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope or intent of any provision hereof.

(d) This Permit, including the attached Special Endorsements, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof. This Permit may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee or except by notice as specifically set forth in Sections 4 and 13 hereof. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

: For Port Authority Use Only :
:
:Permit Number: AYD-954 :

JOHN F. KENNEDY INTERNATIONAL AIRPORT
PRIVILEGE PERMIT

The Port Authority of New York and New Jersey (the "Port Authority") hereby grants to the Permittee named below the described non-exclusive privilege at John F. Kennedy International Airport, in the Borough of Queens, County of Queens, City and State of New York, in accordance with the Terms and Conditions hereof; and the Permittee agrees to pay the fee hereinafter specified and to perform all other obligations imposed upon it in the said Terms and Conditions:

1. **PERMITTEE:** ROMA CLEANING, INC. , a(n) New York corporation

2. **PERMITTEE'S ADDRESS:** 350 Adams Street
Newark, New Jersey 07105

3. **PERMITTEE'S REPRESENTATIVE:** Mr. Jose Llano, President

4. **PRIVILEGE:** To provide , as set forth in Section 1 of the Terms and Conditions, the Cleaning Service services on Permitted Areas of the Airport to Approved Aircraft Operators or other Persons at the Airport, as such Approved Aircraft Operators and/or Persons may be approved in writing in advance by the Port Authority (the "Authorized Service"), and for no other purpose or purposes whatsoever.

5. **FEES:** As set forth in Section 4 of the Terms and Conditions hereof.

6. **EFFECTIVE DATE:** June 1, 2009

7. **EXPIRATION DATE:** May 31, 2019, unless sooner revoked or terminated as herein provided.

8. **REQUIRED SECURITY DEPOSIT:** $20,500.00

9. **INSURANCE REQUIREMENTS:** $10,000,000.00 minimum limit Commercial General Liability
$25,000,000.00 minimum limit Automobile Liability

10. **ENDORSEMENTS:** Special Endorsements.

(Title) President

SPECIAL ENDORSEMENTS

1. (a) The Port Authority hereby consents to the Permittee providing the Authorized Service to JetBlue Airways Corporation at the Airport.

(b) (i) In the event the Permittee shall desire to provide the Authorized Service to another Approved Aircraft Operator or Person at the Airport, the Permittee shall submit such request in writing to the Port Authority. The Permittee may perform the Authorized Service for other Approved Aircraft Operators or Persons at the Airport only after receiving the written consent of the Port Authority.

(ii) The Permittee hereby agrees that it will not carry on any business at the Airport other than as specifically provided herein without receiving the prior written consent of the Port Authority, which consent, if given, will be in the form of a Supplement hereto or a separate agreement with the Port Authority, and will specify whether the provisions regarding fees contained herein or any other provisions regarding fees shall apply thereto.

2. The Permittee hereby attests that its federal taxpayer identification number is [redacted].

TERMS AND CONDITIONS

1. Definitions:

The following terms, when and if used in this Permit, shall have the respective meanings given below:

(a) "*Air Cargo*" shall mean cargo transported to or from the Airport by aircraft owned or operated by an Approved Aircraft Operator.

(b) "*Aircraft Operator*" shall mean (a) a Person owning one or more aircraft which are not leased or chartered to any other Person for operation, and (b) a Person to whom one or more aircraft are leased or chartered for operation - whether the aircraft so owned, leased or chartered are military or non-military, or are used for private business, pleasure or governmental business, or for carrier or non-carrier operations, or for scheduled or non-scheduled operations or otherwise. Said term shall not mean the pilot of an aircraft unless he is also the owner or lessee thereof or a Person to whom it is chartered.

(c) "*Airport*" shall mean John F. Kennedy International Airport, consisting of certain premises identified as "John F. Kennedy International Airport" on Sheet JFK-1 of Exhibit A, and more particularly described in Exhibit B, annexed to the City Lease, and such other property as may be acquired in connection with and added to such premises pursuant to the terms of the City Lease.

(d) "*Approved Aircraft Operator*" shall mean an Aircraft Operator which the General Manager of the Airport has authorized to conduct its aircraft operations at the Airport and if such Aircraft Operator is subleasing or subusing space, or has a ground handling agreement or other agreement at the Airport with an Aircraft Operator, a lessee or other Person at the Airport which requires the consent of the Port Authority, each such subleasing, subuse, ground handling agreement or other agreement has been consented to in writing by the Port Authority.

(e) "*Basic Percentage Fee*" shall have the meaning given such term in Section 4(a)(i) hereof.

(f) "*Cargo Aircraft*" shall mean aircraft engaged solely and exclusively in the carriage of Air Cargo.

(g) "*Cargo Handling and Ramp Service*" shall mean all or any of the following services for or in connection with Air Cargo:

(i) representation and accommodation;

(ii) load control and communications;

(iii) unit load device control, handling and administration in connection with Cargo Aircraft;

(iv) flight operations and crew administration in connection with Cargo Aircraft, including but not limited to obtaining and providing meteorological reports, briefing and debriefing flight crews, preparing and filing flight plans, dispatching and receiving messages in connection with flight and ground operations, maintaining station logs and filing necessary reports with governmental agencies, preparing weight and balance plans, maintaining flight watch and arranging hotel accommodations for flight crews;

(v) pickup and delivery of Air Cargo, air express and mail to and from appropriate locations (allowed or designated from time to time by the Port Authority for such pickup and delivery) on the Airport;

(vi) preparation of documentation associated with Air Cargo, including but not limited to cargo manifests, airway bills and customs clearance documentation;

(vii) distribution of Air Cargo;

(viii) reception of Air Cargo to be shipped from the Airport;

(ix) temporary warehousing, sorting and storage of Air Cargo;

(x) supervision and administration;

(xi) courier services;

(xii) guiding Cargo Aircraft in and out of gate or loading or unloading positions and parking Cargo Aircraft;

(xiii) providing, positioning/removing, and operating appropriate units for engine starting for Cargo Aircraft;

(xiv) furnishing and placing in position and thereafter removing the necessary and appropriate steps, stands and power equipment for the safe and efficient loading and unloading of crew members and other persons, ballast, potable water, mail, air express, Air Cargo and supplies onto and from aircraft and trucks, and performing such loading and unloading and reporting irregularities;

(xv) providing a fire guard equipped with the necessary and appropriate fire fighting equipment for Cargo Aircraft;

(xvi) towing of Cargo Aircraft;

(xvii) ramp control tower services for Cargo Aircraft;

(xviii) Cargo Aircraft servicing, including interior and exterior cleaning, the removal and disposal of aircraft waste material and providing water service, cooling and heating, and toilet service;

(xix) conversion operations and services consisting of the removal of seats from convertible-type aircraft, so as to convert the same to Cargo Aircraft, and from Cargo Aircraft to Passenger Aircraft by the installation of seats;

(xx) ramp area cleaning;

(xxi) Gateside Aircraft Maintenance of Cargo Aircraft, it being specifically understood, however, that Routine and Non-routine Aircraft Maintenance, as distinguished from Gateside Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder;

(xxii) mobile fueling, on the Permittee's own account, for automotive and other ramp equipment using mobile tender vehicles or other equipment as may be approved from time to time by the General Manager of the Airport;

(xxiii) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport;

(xxiv) deicing to the exterior of aircraft of Approved Aircraft Operators at such locations on the Airport as may from time to time be designated by the General Manager of the Airport;

(xxv) triturator operations and maintenance;

(xxvi) snow removal; and

(xxvii) security services for and in connection with Air Cargo and Cargo Aircraft.

(h) "*City*" shall mean the City of New York.

(i) "*City Lease*" shall mean the Amended and Restated Agreement of Lease of the Municipal Air Terminals between The City of New York, as Landlord, and The Port Authority of New York and New Jersey, as Tenant, dated as of November 24, 2004 and recorded in the office of the City Register of the City on December 3, 2004 under City Register File No. 2004000748687, as the same may have been or may be amended or supplemented.

(j) "*Cleaning Service*" shall mean all or any of the following services:

(i) the cleaning, repairing and installing of upholstery, carpeting and curtains in aircraft and linens used on aircraft;

(ii) the complete interior and exterior cleaning of aircraft, the removal and disposal of waste material and providing water service, cooling and heating, and toilet service;

(iii) conversion operations and services consisting of the removal of seats from convertible-type aircraft so as to convert the same to Cargo Aircraft and from Cargo Aircraft to Passenger Aircraft by installation of seats;

(iv) ramp area cleaning services; and

(v) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport.

(k) "*Effective Date*" shall mean that date appearing in Item 6 on the first page of this Permit as the same may be modified pursuant to the provisions of Section 2(a) hereof.

(l) "*Environmental Requirement*" shall mean all common law and all past, present and future laws, statutes, enactments, resolutions, regulations, rules, directives, ordinances,

codes, licenses, permits, orders, memoranda of understanding and memoranda of agreement, guidances, approvals, plans, authorizations, concessions, franchises, requirements and similar items of all governmental agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof, all pollution prevention programs, "best management practices plans", and other programs adopted and agreements made by the Port Authority (whether adopted or made with or without consideration or with or without compulsion), with any government agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof, and all judicial, administrative, voluntary and regulatory decrees, judgments, orders and agreements relating to the protection of human health or the environment, and in the event that there shall be more than one compliance standard, the standard for any of the foregoing to be that which requires the lowest level of a Hazardous Substance, the foregoing to include without limitation:

(i) All requirements pertaining to reporting, licensing, permitting, investigation and remediation of emissions, discharges, releases or threatened releases of Hazardous Substances into the air, surface water, groundwater or land, or relating to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of Hazardous Substances, or the transfer of property on which Hazardous Substances exist; and

(ii) All requirements pertaining to the protection from Hazardous Substances of the health and safety of employees or the public.

(m) "*Executive Director*" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Executive Director of the Port Authority for the time being or his duly designated representative or representatives.

(n) "*Gateside Aircraft Maintenance*" shall mean such emergency transit and turnaround maintenance performed on the aircraft of an Aircraft Operator as may be performed in the time such aircraft is permitted to be and remain at the aircraft gate position or hardstand at which such maintenance is to be performed and which is performed by or required by law, rule or regulation to be performed by or under the supervision of a licensed aircraft mechanic or other person specifically licensed, certified or approved by governmental authority having jurisdiction, including the rental or equipment and tools in the connection therewith. It is specifically understood that the performance of any other aircraft maintenance, including but not limited to Routine and Non-routine Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder.

(o) "*General Manager of the Airport*" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in said General Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean said General Manager (or Acting General Manager) of the Airport for the time being or his duly designated representative or representatives.

(p) "*Gross Receipts*" shall mean all amounts, monies, revenues, receipts and income of every type paid or payable to the Permittee for sales made and for services rendered at or from the Airport, regardless of when or where the order therefor is received, and outside the Airport, if the order therefor is received at the Airport, and any other amounts, monies, revenues, receipts and income of any type arising out of or in connection with the Authorized Service, provided, however, there shall be excluded from Gross Receipts, any Terminal Four Gross Receipts and any taxes imposed by law which are separately stated to and paid by the customer and directly

payable to the taxing authority by the Permittee. The Permittee's Recovery Fee, as hereinafter defined, if any, shall be included within Gross Receipts and shall be subject to the fees set forth under Section 4 of this Permit.

(q) "*Hazardous Substance*" shall mean any pollutant, contaminant, toxic or hazardous waste, dangerous substance, potentially dangerous substance, noxious substance, toxic substance, flammable, explosive or radioactive material, urea formaldehyde foam insulation, asbestos, polychlorinated biphenyls (PCBs), chemicals known to cause cancer, endocrine disruption or reproductive toxicity, petroleum and petroleum products and substances declared to be hazardous or toxic or the removal, containment or restriction of which is required, or the manufacture, preparation, production, generation, use, maintenance, treatment, storage, transfer, handling or ownership of which is restricted, prohibited, regulated or penalized by any federal, state, county, or municipal or other local statute or law now or at any time hereafter in effect as amended or supplemented and by the regulations adopted and publications promulgated pursuant thereto.

(r) "*In-Terminal Handling Service*" shall mean all or any of the following services for or in connection with passengers of Passenger Aircraft:

(i) furnishing interpreters for the assistance of non-English-speaking passengers;

(ii) inbound and outbound passenger baggage handling services, including but not limited to checking, weighing, handling and storage of aircraft baggage;

(iii) selling of tickets for air transportation;

(iv) checking in and boarding aircraft passengers;

(v) porter service for passenger baggage;

(vi) passenger assistance, passenger information service, flight information and public address paging and announcements;

(vii) supervisory and administrative functions on behalf of Approved Aircraft Operators in conjunction with the Permittee's performance of the other activities constituting a part of the In-Terminal Handling Service;

(viii) the arrangement of ground transportation of crew, passengers and baggage;

(ix) handicapped services;

(x) security and pre-board screening;

(xi) building janitorial and maintenance; and

(xii) lounge hosting services.

(s) "*Passenger Aircraft*" shall mean aircraft owned or operated by an Approved Aircraft Operator engaged primarily in the transportation of passengers by aircraft to and from the Airport.

(t) "*Passenger Ramp Service*" shall mean all or any of the following services for or in connection with Passenger Aircraft:

(i) representation and accommodation;

(ii) load control and communications on ramp;

(iii) unit load device control, handling and administration;

(iv) baggage handling and sorting, including delivering baggage to and from Passenger Aircraft and to and from baggage facilities, provided, however, no permission is hereby given for the Permittee to deliver baggage from one terminal to another unless they are part of the same premises; sorting baggage in baggage makeup facilities; and delivering baggage to and from interline system permittees;

(v) guiding Passenger Aircraft in and out of gates or loading and unloading positions and parking Passenger Aircraft;

(vi) furnishing and placing in position and thereafter removing the necessary and appropriate steps, stands and power equipment for the safe and efficient loading and unloading of crew, passengers, baggage, ballast, potable water, mail, air express, Air Cargo and supplies from and onto Passenger Aircraft and trucks, and perform such loading and unloading and reporting irregularities;

(vii) deicing to the exterior of aircraft of Approved Aircraft Operators at such locations on the Airport as may from time to time be designated by the General Manager of the Airport;

(viii) providing, positioning/removing, and operating appropriate units for engine starting;

(ix) providing a fire guard equipped with the necessary and appropriate fire fighting equipment;

(x) towing of Passenger Aircraft;

(xi) ramp control tower services for Passenger Aircraft;

(xii) Passenger Aircraft servicing, including exterior and interior cleaning, the removal and disposal of aircraft waste material and providing water service, cooling and heating, toilet service, and rearranging cabin equipment;

(xiii) ramp area cleaning;

(xiv) mobile fueling on the Permittee's own account for automotive and other ramp equipment using mobile tender vehicles or other equipment as may be approved from time to time by the General Manager of the Airport;

(xv) Gateside Aircraft Maintenance of Passenger Aircraft, it being specifically understood, however, that Routine and Non-routine Aircraft Maintenance, as distinguished from Gateside Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder;

(xvi) flight operations and crew administration including but not limited to obtaining and providing meteorological reports, briefing and debriefing flight crews, preparing and filing flight plans, dispatching and receiving messages in connection with flight and ground operations, maintaining station logs and filing necessary reports with governmental agencies, preparing weight and balance plans, maintaining flight watch and arranging hotel accommodations for flight crews;

(xvii) ramp transportation for crew, passengers and baggage;

(xviii) supervisory and administrative functions on behalf of Approved Aircraft Operators of Passenger Aircraft;

(xix) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport, and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport;

(xx) catering liaison and administration;

(xxi) triturator operations and maintenance;

(xxii) snow removal; and

(xxiii) security services for passengers and baggage, cargo and mail, catering, and on aircraft, ramp and other designated areas.

(u) "*Permitted Areas*" shall mean with respect to the Authorized Service the following areas of the Airport and only such areas:

(i) those areas where the Permittee is authorized pursuant to a separate lease, permit or other written agreement (other than this Permit) with the Port Authority to provide such Authorized Service;

(ii) any area which pursuant to a written agreement the Port Authority has either leased to a third Person or has otherwise permitted a third Person to use and occupy and where (x) the Permittee performs such Authorized Service on such area for such Person or has obtained permission from such Person to perform such Authorized Service for an Approved Aircraft Operator on such area and (y) the performance of such Authorized Service for such Approved Aircraft Operator on such area is permitted by a written agreement with the Port Authority covering such area; or

(iii) such areas as may hereafter be designated in writing by the Port Authority for the performance of such privileges by the Permittee, it being understood and agreed that the Port Authority shall have the right at any time and from time to time to revoke, cancel, change or alter any such designation.

(v) "*Permittee's Recovery Fee*" shall mean any surcharge or other amount that the Permittee may separately state and charge its customers to recover the fee, or portion thereof, payable under this Permit.

(w) "*Person*" shall mean not only a natural person, corporation or other legal entity, but also two or more natural persons, corporations or other legal entities acting jointly as a firm, partnership, unincorporated association, consortium, joint adventurers or otherwise.

(x) "*Post-Termination Period*" shall have the meaning ascribed to it in paragraph (a) of Section 29 hereof.

(y) "*Routine and Non-routine Aircraft Maintenance*" shall mean all work including but not limited to the inspection, maintenance, servicing, testing, overhaul, cleaning, conversion, repair and installation of parts and supplies on aircraft and on aircraft parts of Approved Aircraft Operators performed by or required by law, rule or regulation to be performed by or under the supervision of a licensed aircraft mechanic or other person specially licensed, certified or approved by governmental authority, including the rental of tools and equipment in connection therewith.

(z) "*Terminal Four*" shall mean the premises under the Terminal Four Lease commonly referred to on the Airport as "Terminal Four".

(aa) "*Terminal Four Gross Receipts*" shall each mean and include all amounts, monies, revenues, receipts and income of every type paid or payable to the Permittee for sales made and for services rendered at Terminal Four, regardless of when or where the order therefor is received, and any other amounts, monies, revenues, receipts and income of any type arising out of or in connection with the Permittee's operations at Terminal Four, provided, however, there shall be excluded from Terminal Four Gross Receipts any taxes imposed by law which are separately stated to and paid by the customer and directly payable to the taxing authority by the Permittee.

(bb) "*Terminal Four Lease*" shall mean that certain agreement of lease bearing Port Authority Agreement No. AYC-685 entered into between the Port Authority and JFK International Air Terminal LLC on May 13, 1997.

(cc) "*Terminal Four Lessee*" shall mean for the time being JFK International Air Terminal LLC, a limited liability company organized and existing under the laws of the State of New York, or such other Person which the Port Authority may from time to time and at any time designate by notice to the Permittee.

(dd) "*Terminal Four Percentage Fee*" shall mean the fee payable to the Terminal Four Lessee pursuant to and as defined in Section 4(a)(i) hereof.

2. Effective Date, Termination and Revocation:

(a) The permission hereby granted shall take effect upon the Effective Date. Notwithstanding Item 6 appearing on the first page of this Permit, the Effective Date of this Permit shall be that date the Permittee commenced any of the activities permitted by this Permit. The Permittee in executing this Permit represents that the Effective Date appearing in Item 6 on the first page of this Permit is the date the Permittee commenced any of the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced any of the activities permitted by this Permit prior to said effective date, the Effective Date of this Permit shall be the date the Permittee commenced any of the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence

on such date including without limitation the Permittee's indemnity obligations and obligations to pay fees.

(b) Notwithstanding any other term or condition hereof, the permission hereby granted may be revoked without cause upon thirty (30) days' written notice by the Port Authority, or terminated without cause upon thirty (30) days' written notice by the Permittee, provided, however, that it may be revoked on twenty-four (24) hours' notice by the Port Authority if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth.

(c) In the event the Port Authority exercises it right to revoke this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation, including without limitation any and all personnel and legal costs (including but not limited to the cost to the Port Authority of in-house legal services) and disbursements incurred by it arising out of, relating to, or in connection with the enforcement or revocation of this Permit including, without limitation, legal proceedings initiated by the Port Authority to exercise its revocation rights and to collect all amounts due and owing to the Port Authority under this Permit.

(d) For the purposes of this Permit, a default by the Permittee in keeping, performing or observing any promise, obligation, term or agreement set forth herein on the part of the Permittee to be kept, performed or observed shall include the following whether or not the time has yet arrived for the keeping, performance or observance of any such promise, obligation, term or agreement:

(i) a statement by the Permittee to any representative of the Port Authority indicating that it cannot or will not keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit;

(ii) any act or omission of the Permittee or any other occurrence which makes it improbable at the time that it will be able to keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit; or

(iii) any suspension of or failure to proceed with any part of the privileges to be performed by the Permittee which makes it improbable at the time that it will be able to keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit.

(e) (i) If any type of strike, boycott, picketing, work stoppage, slowdown or other labor activity is directed against the Permittee at the Airport or against any operations of the Permittee under this Permit, whether or not the same is due to the fault of the Permittee and whether or not caused by the employees of the Permittee, and if any of the foregoing, in the opinion of the Port Authority, results or is likely to result in curtailment or diminution of the privileges to be performed hereunder by the Permittee or to interfere with or affect the operation of the Airport by the Port Authority or to interfere with or affect the operations of lessees, licensees, permittees or other users of the Airport, the Port Authority shall have the right at any time during the continuance thereof to suspend the operations of the Permittee under this Permit and/or to revoke this Permit.

(ii) In the event the Port Authority exercises its right to revoke this Permit, as aforesaid, it shall do so by twenty-four (24) hours' written notice to the Permittee, effective as of the time specified in the notice. The exercise by the Port Authority of its right of suspension shall not waive or affect or be deemed to waive or affect the right of revocation.

(iii) Prior to the exercise of the right of suspension by the Port Authority, it shall give the Permittee notice thereof, which notice may be oral. The Permittee shall not perform its operations authorized by this Permit during the period of the suspension. The period of suspension shall end not more than twenty-four (24) hours after the cause thereof has ceased or been cured and the Permittee shall notify the Port Authority of such cessation or cure.

(iv) The rights of suspension and revocation as hereinbefore set forth may be exercised by the Port Authority prior to the Effective Date set forth in Item 6 on the first page of this Permit. No exercise by the Port Authority of its rights granted to it in paragraph (e) of this Section shall be deemed to be a waiver of any other rights of revocation contained in this Permit or a waiver of any other rights or remedies which may be available to the Port Authority under this Permit or otherwise.

(f) No revocation or termination of the permission hereunder shall relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

(g) No exercise by the Port Authority of any right of revocation granted to it in this Section shall be deemed to be a waiver of any other rights of revocation contained in this Section or elsewhere in this Permit or a waiver of any other rights or remedies which may be available to the Port Authority under this Permit or otherwise.

3. Exercise of Rights:

(a) The rights granted hereby shall be exercised

(i) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(ii) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(iii) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees,

(iv) if the Permittee is an individual, by the Permittee acting only personally or through the medium of its employees, and

(v) if the Permittee is a limited liability company, by the Permittee acting only through the medium of its members, managers, and employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other Person. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed

by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

(b) No greater rights or privileges are hereby granted to the Permittee than the Port Authority has power to grant under the City Lease.

(c) Neither this Permit nor anything contained herein, shall be deemed to grant any rights in the Permittee to use and occupy any land, building space or other area at the Airport or shall be deemed to have created any obligation on the part of the Port Authority to provide any such land, space or area to the Permittee.

(d) Neither the execution and delivery of this Permit nor any act done pursuant thereto shall create between any terminal operator, lessee or other occupant of land at the Airport including but not limited to the Terminal Four Lessee and the Permittee, on one hand, and the Port Authority on the other hand the relationship of bailor and bailee, or any other relationship or any legal status which would impose upon the Port Authority with respect to any personal property, such as but not limited to, aircraft cargo or baggage, owned and/or handled by the Permittee any duty or obligation whatsoever. The Permittee expressly agrees that the Port Authority shall have no liability with respect to any aircraft cargo or baggage or any other property of the Permittee or of any other Person left anywhere on the Airport.

(e) This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

(f) Nothing contained in this Permit shall constitute permission to the Permittee to park or store equipment or personal property at any location or area at the Airport.

(g) The Permittee shall have no right hereunder to carry on any business or operation at the Airport other than that specifically provided herein. Without limiting the generality of the foregoing and notwithstanding anything else in this Permit to the contrary, the Permittee is expressly prohibited hereunder from performing ground transportation, fueling of aircraft and the selling and delivery of in-flight meals.

(h) It is understood that any and all privileges granted hereunder to the Permittee are non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Airport to another or others, whether by this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute a violation or breach of the permission herein granted.

(i) The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Airport.

(j) The words "permission" and "privilege" are used interchangeably in this Permit, and except where expressly provided to the contrary, shall mean the privileges granted by this Permit.

4. Fees:

(a) (i) The Permittee agrees to pay to the Port Authority, at the times set forth in and in accordance with paragraph (a)(ii) below, a percentage fee (the "*Basic Percentage Fee*") equal to five percent (5%) (as the same may be increased pursuant to paragraph (k) below) of Gross Receipts and, if any privilege or portion thereof is performed at Terminal Four, to pay to

the Terminal Four Lessee a percentage fee (hereinafter called the "Terminal Four Percentage Fee"), at the times set forth in and in accordance with paragraph (a)(iii) below, equal to five percent (5%), as the same may be increased pursuant to paragraph (k) below, of Terminal Four Gross Receipts.

(ii) Gross Receipts shall be reported and the Basic Percentage Fee shall be paid to the Port Authority by the Permittee as follows: On or before the twentieth (20th) day of the first month following the month in which the Effective Date falls and on the twentieth (20th) day of each and every calendar month thereafter during the period that this Permit is in effect and including the calendar month in which this Permit ceases to be in effect, the Permittee shall render to the Port Authority a monthly statement sworn to by a responsible executive or fiscal officer of the Permittee showing all of the Gross Receipts for the preceding month (the "Monthly Sworn Statement of Gross Receipts"). Each of the said statements shall also show the cumulative Gross Receipts from the Effective Date (or the most recent anniversary thereof) through the last day of the preceding month. At the same time each of the said statements is rendered to the Port Authority, the Permittee shall pay to the Port Authority an amount equal to five percent (5%) applied to the Gross Receipts for the preceding calendar month. In addition to the foregoing, on the twentieth (20th) day of the first month following each anniversary of the Effective Date the Permittee shall submit to the Port Authority a statement setting forth the cumulative totals of the Gross Receipts for the entire preceding twelve (12) month period certified, at the Permittee's expense, by a certified public accountant or a responsible executive or fiscal officer of the Permittee ("Annual Statement of Gross Receipts"). In addition to the foregoing, within twenty (20) days after the expiration, termination, revocation or cancellation of this Permit, the Permittee shall render to the Port Authority a sworn statement certified, at the Permittee's expense, by a certified public accountant of all Gross Receipts during the period from the last preceding anniversary of the Effective Date up to and including the last day this Permit shall be in effect and the Permittee shall, at the time of rendering such statement to the Port Authority, pay the Basic Percentage Fee due and unpaid as of the last day this Permit shall be in effect. The Permittee shall give the name and position of the responsible executive or fiscal officer designated under this paragraph to submit Monthly Sworn Statement and Annual Statement of Gross Receipts, ten (10) business days prior to the submission of the first such statement by the designee of the Permittee, so that the Port Authority may determine whether it will accept such designation. The designation shall be submitted to the Manager of Properties for the Airport. If such timely notice is not given to the Port Authority, the Permittee shall submit such statement to the Port Authority in a form executed by a certified public accountant.

(iii) Terminal Four Gross Receipts shall be reported and the Terminal Four Percentage Fee shall be paid to the Terminal Four Lessee by the Permittee as follows: On or before the twentieth (20th) day of the first month following the month in which the Effective Date falls and on the twentieth (20th) day of each and every calendar month thereafter during the period that the Permit is in effect and including the calendar month in which the Permit ceases to be in effect, the Permittee shall render to the Port Authority and the Terminal Four Lessee a monthly statement sworn to by a responsible executive or fiscal officer of the Permittee showing all of the Terminal Four Gross Receipts for the preceding month. Each of the said statements shall also show the cumulative Terminal Four Gross Receipts from the Effective Date (or the most recent anniversary thereof) through the last day of the preceding month. At the same time each of the said statements is rendered to the Port Authority and the Terminal Four Lessee, the Permittee shall pay to the Terminal Four Lessee an amount equal to five percent (5%) applied to the Terminal Four Gross Receipts for the preceding calendar month. In addition to the foregoing, on the twentieth (20th) day of the first month following each anniversary of the Effective Date the Permittee shall submit to the Port Authority and the Terminal Four Lessee a statement setting forth the cumulative totals of the Terminal Four Gross Receipts for the entire preceding twelve (12) month period certified, at the Permittee's expense, by a certified public

accountant. In addition to the foregoing, within twenty (20) days after the expiration, termination, revocation or cancellation of the Permit, the Permittee shall render to the Port Authority and the Terminal Four Lessee a sworn statement certified, at the Permittee's expense, by a certified public accountant or a responsible executive or fiscal officer of the Permittee of all Terminal Four Gross Receipts during the period from the last preceding anniversary of the Effective Date up to and including the last day the Permit shall be in effect and the Permittee shall, at the time of rendering such statement to the Terminal Four Lessee pay to the Terminal Four Lessee the Terminal Four Percentage Fee due and unpaid as of the last day the Permit shall be in effect. Each of the statements called for hereunder shall separately list and state the Terminal Four Gross Receipts and the applicable Terminal Four Percentage Fee payable thereon for each privilege (including without limitation each Authorized Service) provided by the Permittee hereunder at Terminal Four.

(b) (i) All statements to be submitted to the Port Authority pursuant to this Section and all payments made under this Permit, except for the Terminal Four Percentage Fee, shall be sent to the following address:

THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY
P.O. BOX 95000-1556
PHILADELPHIA, PENNSYLVANIA 19195-0001

or made via the following wire transfer instructions:

Bank: [redacted]
Bank ABA number: [redacted]
Account number:

or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

(ii) All statements to be submitted to the Terminal Four Lessee hereunder and the Terminal Four Percentage Fee shall be made to the Terminal Four Lessee at Terminal Four, John F. Kennedy International Airport, Room 2300, Jamaica, New York 11430 or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

(c) There shall be excluded from Gross Receipts and Terminal Four Gross Receipts any sum paid or payable to the Permittee for the following, provided said sum is separately stated to and paid by the customer:

(i) handicapped services;

(ii) security services;

(iii) lost and found baggage services;

(iv) snow removal services;

(v) ground transportation of employees; and

(vi) building janitorial and maintenance services,

provided further, however, the Permittee acknowledges and agrees that the Port Authority does and shall continue to have the right at any time and from time to time to withdraw the foregoing exclusions from Gross Receipts (and Terminal Four Gross Receipts), in whole or in part, or to establish a separate fee for each such service, which may be a percentage fee other than five percent (5%), upon sixty (60) days' prior written notice to the Permittee. Notwithstanding the foregoing, any fee established must be agreed to by the Permittee and the Port Authority and must be reflected in a supplement to this Permit to be prepared by the Port Authority and executed by the parties hereto.

(d) In the event the Permittee shall be permitted hereunder to provide Gateside Aircraft Maintenance services or Routine and Non-routine Aircraft Maintenance services, there shall be excluded from Gross Receipts and Terminal Four Gross Receipts any sum paid or payable to the Permittee:

(i) which arise solely from the resale to a customer of aircraft parts and supplies purchased by the Permittee from a third party, provided, however, that there shall be included in Gross Receipts and Terminal Four Gross Receipts monies paid or payable to the Permittee which arise from the sale of such aircraft parts and supplies to which the Permittee has provided labor for fabrication, refinishing or assembly to the extent of the reasonable value of the labor provided by the Permittee;

(ii) which arise solely from the use of equipment rented by the Permittee from a third party which monies are separately stated to and paid by the customer, limited, however, to the amounts actually paid by the Permittee to the third party for such rental of equipment; and

(iii) which arise solely from the loan or rental by the Permittee of aircraft parts, whether or not owned by the Permittee, which monies are separately stated to and paid by a customer and where said loan or rental of any such aircraft part is for a period of less than twelve (12) consecutive calendar days, it being understood that such monies paid or payable to the Permittee for the loan or rental may include monies for labor provided by the Permittee for installation, refurbishment of returned parts or administrative handling which is directly related to said loan or rental provided, however, all monies paid or payable to the Permittee which arise solely from the loan or rental by the Permittee of aircraft parts, whether or not owned by the Permittee, for twelve (12) or more consecutive calendar days (including but not limited to monies for labor provided by the Permittee for installation, refurbishment of returned parts or administrative handling which is directly related to said lease or rental) shall be included in Gross Receipts from the first day of the loan or rental period, as the case may be.

(e) If and to the extent the full fair market value of any sale, service or other item provided by the Permittee is not charged to or payable by the customer, then the fair market value thereof as determined by the Port Authority shall be included in Gross Receipts and Terminal Four Gross Receipts.

(f) Without limiting any other provisions of this Permit regarding Gross Receipts and Terminal Four Gross Receipts, in those instances where the Permittee provides any services or goods along with other services and goods to the same Person (including without limitation those instances where a service is part of or is included within a group of other services and rendered for a single price, and where a service is performed by the Permittee pursuant to agreement for the exchange of services or goods) the Permittee agrees that the value ascribed to the performance of such service by the Permittee shall be the fair and reasonable value thereof as determined by the Port Authority.

(g) Without limiting the requirement for Port Authority approval, if the Permittee conducts any privilege or any portion thereof through the use of a contractor or other third party which is not a Port Authority permittee and where the payments for any of the foregoing are made to such contractor rather than to the Permittee, said payments shall be deemed amounts, monies, revenues, receipts and income paid or payable to the Permittee for purposes of determining the Permittee's Gross Receipts and Terminal Four Gross Receipts, provided, however, that the foregoing shall not grant or be deemed to grant any right or permission to the Permittee to use an independent contractor or other third party to perform any privilege or portion thereof or the doing of anything hereunder by an independent contractor or other third party.

(h) Notwithstanding that the fee hereunder is measured by a percentage of Gross Receipts and Terminal Four Gross Receipts, no joint venture or partnership relationship between the parties hereto is created by this Permit.

(i) To the extent that the Permittee has not already done so at the time of execution of this Permit and without limiting the generality of any other term or provision hereof, the Permittee agrees to submit monthly statements of Gross Receipts and Terminal Four Gross Receipts as provided in this Section and to pay, at the time of execution and delivery of this Permit to the Port Authority, all fees and other amounts due under this Permit for the period from the Effective Date to the time of execution and delivery of this Permit by the Permittee.

(j) Without limiting any other provision of this Permit, it is hereby specifically understood that the failure to set forth all the classes of Persons, all of the locations served or all of the types of services or activities performed by the Permittee in its exercise of the privileges granted hereunder as of the Effective Date, or the failure to, by appropriate supplement, revise this Permit to reflect any additional classes of Persons, locations served, or services or activities performed by the Permittee subsequent to said Effective Date, shall not affect the inclusion in Gross Receipts or Terminal Four Gross Receipts hereunder of the amounts, monies, revenues, receipts and income received or receivable by the Permittee in its operations, and the same shall be so included. The foregoing shall not constitute Port Authority consent or be deemed to imply that the necessary Port Authority consent (to be reflected in a supplement to the Permit) with respect to such additional classes of Persons, locations, services or activities will be given.

(k) The Basic Percentage Fee, the Terminal Four Percentage Fee and any other fees payable under this Permit shall be subject to increase from time to time upon thirty (30) days' notice from the Port Authority to the Permittee, given by the General Manager of the Airport or such other representative as the Port Authority may substitute from time to time by notice to the Permittee, and upon the effective date of the increase set forth in such notice the fees payable by the Permittee under this Permit shall be as set forth in said notice. In the event within ten (10) days after the Permittee receives such notice from the Port Authority, the Permittee notifies the Port Authority that the Permittee does not wish to pay the increased fees, this Permit and the permission granted hereunder shall be, and shall be deemed to be, cancelled effective at the close of business on the day preceding the effective date of the increase, as set forth in the Port Authority's notice to the Permittee. If the Permittee does not so notify the Port Authority, the increased fees shall become effective on the date set forth in the Port Authority's notice as aforesaid. No cancellation of this Permit and the permission granted thereunder pursuant to this paragraph (k) shall be construed to relieve the Permittee of any obligations or liabilities hereunder which shall have accrued on or before the effective date of such cancellation.

(l) Without limiting any term or provision of this Permit, in the event the Permittee performs (x) any service, other than the Authorized Service at the Airport, or (y) any service (including the Authorized Service) at any other Port Authority facility, whether such

performance is the subject of a written agreement by and between the Port Authority and the Permittee, the Permittee hereby agrees that it will pay to the Port Authority any and all fees and/or charges applicable to such service. The Permittee also agrees that, at the request of the Port Authority, it will enter into the appropriate agreement with the Port Authority providing permission for the Permittee to perform such service.

5. Security Deposit:

(a) (i) Provided that an amount is set forth in Item 8 on the first page of this Permit (the "*Required Security Deposit*"), and, provided, further, the amount of said Required Security Deposit is less than $20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deposit with the Port Authority (and shall keep deposited throughout the effective period of the permission under this Permit) the Required Security Deposit, either in cash, or bonds of the United States of America, or of the State of New Jersey, or of the State of New York, or of the Port Authority of New York and New Jersey, having a market value of that amount, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed. Bonds qualifying for deposit hereunder shall be in bearer form but if bonds of that issue were offered only in registered form, then the Permittee may deposit such bonds or bonds in registered form, provided, however, that the Port Authority shall be under no obligation to accept such deposit of a bond in registered form unless such bond has been re-registered in the name of the Port Authority (the expense of such re-registration to be borne by the Permittee) in a manner satisfactory to the Port Authority. The Permittee may request the Port Authority to accept a registered bond in the Permittee's name and if acceptable to the Port Authority the Permittee shall deposit such bond together with an irrevocable bond power (and such other instruments or other documents as the Port Authority may require) in form and substance satisfactory to the Port Authority. In the event the Required Security Deposit is returned to the Permittee, any expenses incurred by the Port Authority in re-registering a bond to the name of the Permittee shall be borne by the Permittee. In addition to any and all other remedies available to it, the Port Authority shall have the right, at its option, at any time and from time to time, with or without notice, to use the Required Security Deposit, or any part thereof, in whole or partial satisfaction of any of its claims or demands against the Permittee. There shall be no obligation on the Port Authority to exercise such right and neither the existence of such right nor the holding of the Required Security Deposit itself shall cure any default or breach of this Permit on the part of the Permittee. With respect to any bonds deposited by the Permittee, the Port Authority shall have the right, in order to satisfy any of its claims or demands against the Permittee, to sell the same in whole or in part, at any time, and from time to time, with or without prior notice at public or private sale, all as determined by the Port Authority, together with the right to purchase the same at such sale free of all claims, equities or rights of redemption of the Permittee. The Permittee hereby waives all right to participate therein and all right to prior notice or demand of the amount or amounts of the claims or demands of the Port Authority against the Permittee. The proceeds of every such sale shall be applied by the Port Authority first to the costs and expenses of the sale (including but not limited to advertising or commission expenses) and then to the amounts due the Port Authority from the Permittee. Any balance remaining shall be retained in cash toward bringing the Required Security Deposit to the sum specified in Item 8 on the first page of this Permit. In the event that the Port Authority shall at any time or times so use the Required Security Deposit, or any part thereof, or if bonds shall have been deposited and the market value thereof shall have declined below the amount set forth in Item 8 on the first page of this Permit, the Permittee shall, on demand of the Port Authority and within two (2) days thereafter, deposit with the Port Authority additional cash or bonds so as to maintain the Required Security Deposit at all times to the full amount above stated in Item 8 on the first page of this Permit, and such additional deposits shall be subject to all the conditions of this Section. After the expiration or

earlier revocation or termination of the effective period of the permission under this Permit, and upon condition that the Permittee shall then be in no wise in default under any part of this Permit, and upon written request therefor by the Permittee, the Port Authority will return the Required Security Deposit to the Permittee less the amount of any and all unpaid claims and demands (including estimated damages) of the Port Authority by reason of any default or breach by the Permittee of this Permit or any part thereof. The Permittee agrees that it will not assign or encumber the Required Security Deposit. The Permittee may collect or receive any interest or income earned on bonds and interest paid on cash deposited in interest-bearing bank accounts, less any part thereof or amount which the Port Authority is or may hereafter be entitled or authorized by law to retain or to charge in connection therewith, whether as or in lieu of an administrative expense, or custodial charge, or otherwise; provided, however, that the Port Authority shall not be obligated by this provision to place or to keep cash deposited hereunder in interest-bearing bank accounts.

(ii) In lieu of the Required Security Deposit made in the form described above in paragraph (a)(i), the Permittee may at any time during the effective period of the permission granted under this Permit offer to deliver to the Port Authority, as security for all obligations of the Permittee under this Permit, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District, in favor of the Port Authority in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent satisfactory letter. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by security in accordance with paragraph (a)(i) of this Section or another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security under paragraph (a)(i) of this Section. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the Required Security Deposit, if any, theretofore made under and in accordance with the provisions of paragraph (a)(i) of this Section. The Permittee shall have the same rights to receive such Required Security Deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the effective period of the permission granted under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount.

(b) Provided that a Required Security Deposit amount is set forth in Item 8 on the first page of this Permit, and, provided, further, the amount of said Required Security Deposit is equal to or greater than $20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of the Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New

York District and acceptable to the Port Authority, in favor of the Port Authority, and payable in the Port of New York District in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is an appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless the letter of credit is replaced by another letter of credit satisfactory to the Port Authority by a date not later than twenty (20) days prior to the effective date of cancellation, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee, upon demand by the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to the amount of the Required Security Deposit. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to be a waiver of any default by the Permittee under the terms of this Permit, and all remedies under this Permit and of the Port Authority consequent upon such default shall not be affected by the existence of a recourse to any such letter of credit.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, in its sole discretion at any time and from time to time upon sixty (60) days' notice to the Permittee, to adjust the amount of the Required Security Deposit. Not later than the effective date set forth in said notice by the Port Authority, the Permittee shall furnish additional cash or bonds, as provided for in paragraph (a) above, or an amendment to, or a replacement of, the letter of credit providing for such adjusted amount of the Required Security Deposit, as the case may be, and such additional cash and/or bonds or adjusted (or replaced) letter of credit shall thereafter constitute the Required Security Deposit required under this Section.

(d) If the Permittee is obligated by any other agreement to maintain a security deposit with the Port Authority to insure payment and performance by the Permittee of all fees, rentals, charges and obligations which may become due and owing to the Port Authority arising from the Permittee's operations at the Airport pursuant to any such other agreement or otherwise, then all such obligations under such other agreement and any deposit pursuant thereto also shall be deemed obligations of the Permittee under this Permit and as security hereunder as well as under any such other agreement and all provisions of such other agreement with respect to such obligations and any obligations thereunder of the Port Authority as to the security deposit are hereby incorporated herein by this reference as though fully set forth herein and hereby made a part hereof. The termination, revocation, cancellation or expiration of any other agreement to which such security shall apply or any permitted assignment of such other agreement shall not affect such obligations as to such security which shall continue in full force and effect hereunder.

6. Permittee's Operations:

(a) The Permittee shall provide to the Port Authority, upon request of the Port Authority from time to time, such information and data in connection with the permission granted hereunder as the Port Authority may request and shall, if so requested by the Port Authority, make periodic reports thereof to the Port Authority utilizing such forms as may be adopted by the Port Authority for such purpose.

(b) The Permittee shall daily remove from the Airport by means of facilities provided by it all garbage, debris and other waste material (whether solid or liquid) arising out of or in connection with the permission granted hereunder, and any such not immediately removed shall be temporarily stored in a clean and sanitary condition, in suitable garbage and waste receptacles, the same to be made of metal and equipped with tight-fitting covers, and to be of a design safely and properly to contain whatever material may be placed therein; said receptacles being provided and maintained by the Permittee. The receptacles shall be kept covered except when filling or emptying the same. The Permittee shall exercise extreme care in removing such garbage, debris and other waste materials from the Airport. The manner of such storage and removal shall be subject in all respects to the continual approval of the Port Authority. No facilities of the Port Authority shall be used for such removal unless with its prior consent in writing. No such garbage, debris or other waste materials shall be or be permitted to be thrown, discharged or disposed into or upon the waters at or bounding the Airport.

(c) The Permittee shall at all times that areas of the Airport are being used for the privileges permitted hereunder, maintain said areas in a clean and orderly condition and appearance. The Permittee shall promptly wipe up any oil, gasoline, grease, lubricants and other inflammable liquids and substances and any liquids and substances having a corrosive or detrimental effect on the paving or other surface of the ramps or other areas upon which it performs the privileges authorized by this Permit resulting from its operations hereunder. The Permittee shall repair, replace, repave or rebuild, or at the Port Authority's election, the Permittee shall pay to the Port Authority the cost to the Port Authority of repairing, replacing, repaving or rebuilding, all or any part of the ramps or other areas upon which it performs the privileges authorized by this Permit which may be damaged or destroyed by such oil, gasoline, grease, lubricants or other liquids or substances or by any other act or omission of the Permittee or its employees, except for reasonable wear and tear arising out of its operations thereon.

(d) A principal purpose of the Port Authority in granting the permission under this Permit is to have available at the Airport, the privileges which the Permittee is permitted to render hereunder. The Permittee agrees that it will conduct a first-class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor, and keep the same in a first-class operating condition at all times.

(e) The Permittee shall immediately comply with all orders, directives and procedures as may be issued by the General Manager of the Airport covering the operations of the Permittee under this Permit at any time and from time to time. The Port Authority may, at any time and from time to time, without prior notice or cause, withdraw or modify any designation, approval, substitution or redesignation given by it hereunder.

(f) In the event of any injury or death to any person (other than employees of the Permittee) at the Airport when caused by the Permittee's operations, or damage to any property (other than the Permittee's property) at the Airport when caused by the Permittee's operations, the Permittee shall immediately notify the Port Authority and promptly thereafter furnish to the Port Authority copies of all reports given to the Permittee's insurance carrier.

(g) The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Airport. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the General Manager of the Airport. The Port Authority shall have the right to object to the Permittee as to the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

(h) The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations at the Airport.

7. Indemnity:

(a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third Persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee hereunder, or out of any of the acts or omissions of the Permittee, its officers, employees or Persons who are doing business with the Permittee arising out of or in connection with the activities permitted hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the Airport, including claims and demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) Without limiting any other term or provision hereof, the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

(c) Without limiting any other term or provision hereof, the Permittee shall indemnify the Port Authority and hold it harmless against all claims and demands of third Persons for damage to any aircraft cargo or baggage or any other property handled or delivered pursuant to the permission granted by this Permit.

(d) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand set forth in paragraphs (a), (b) and (c) above (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

8. Liability Insurance:

(a) The Permittee, in its own name as insured and including the Port Authority as an additional insured, shall maintain and pay the premiums during the effective period of the Permit

on a policy or policies of Commercial General Liability Insurance, including premises-operations and products-completed operations and covering bodily-injury liability, including death, and property damage liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage in the minimum limit set forth in Item 9 on the first page of this Permit, and Commercial Automobile Liability Insurance covering owned, non-owned and hired vehicles and including automatic coverage for newly acquired vehicles and providing for coverage in the minimum limit set forth in Item 9 on the first page of this Permit. Without limiting the foregoing, the Permittee shall maintain Workers' Compensation and Employers Liability Insurance in accordance with the Permittee's statutory obligations under the applicable State Workers' Compensation Law for those employees of the Permittee employed in operations conducted pursuant to this Permit at or from the Airport. In the event the Permittee maintains the foregoing insurance in limits greater than aforesaid, the Port Authority shall be included therein as an additional insured, except for the Workers' Compensation and Employers Liability Insurance policies, to the full extent of all such insurance in accordance with all terms and provisions of this Permit.

(b) Each policy of insurance, except for the Workers' Compensation and Employers Liability Insurance policies, shall also contain an ISO standard "separation of insureds" clause or a cross liability endorsement providing that the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority and any claim or action against the Port Authority by the Permittee, as if the Port Authority were the named insured thereunder, but such clause or endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured. Each policy of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Permittee under Section 7 of the Terms and Conditions of this Permit.

(c) All insurance coverages and policies required under this Section may be reviewed by the Port Authority for adequacy of terms, conditions and limits of coverage at any time and from time to time during the effective period of permission granted under this Permit. The Port Authority may, at any such time, require additions, deletions, amendments or modifications to the aforementioned insurance requirements, or may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem required and the Permittee shall promptly comply therewith.

(d) Each policy shall contain a provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' written advance notice thereof to the Port Authority. Each policy shall contain a provision or endorsement that the insurer "shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority." The foregoing provisions or endorsements shall be recited in each policy or certificate to be delivered pursuant to the following paragraph (e).

(e) A certified copy of each policy or a certificate or certificates of insurance evidencing the existence thereof, or binders, shall be delivered to the Port Authority upon execution and delivery of this Permit by the Permittee to the Port Authority. In the event any binder is delivered it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate of insurance. Any renewal policy shall be evidenced by a renewal certificate of insurance delivered to the Port Authority at least seven (7) days prior to the expiration of each

expiring policy, except for any policy expiring after the date of expiration of this Permit. The aforesaid insurance shall be written by a company or companies approved by the Port Authority. If at any time any insurance policy shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policy shall be or become unsatisfactory to the Port Authority, the Permittee shall promptly obtain a new and satisfactory policy in replacement. If the Port Authority at any time so requests, a certified copy of each policy shall be delivered to or made available for inspection by the Port Authority.

(f) The foregoing insurance requirements shall not in any way be construed as a limitation on the nature or extent of the contractual obligations assumed by the Permittee under this Permit. The foregoing insurance requirements shall not constitute a representation or warranty as to the adequacy of the required coverage to protect the Permittee with respect to the obligations imposed on the Permittee by this Permit or any other agreement or by law.

9. Special Endorsements:

The Permittee hereby agrees to the terms and conditions of the endorsements attached hereto, hereby made a part hereof and marked "*Special Endorsements*". The terms and provisions of the Special Endorsements shall have the same force and effect and as if herein set forth in full.

10. No Waiver:

No failure by the Port Authority or the Terminal Four Lessee to insist upon the strict performance of any agreement, term or condition of this Permit or to exercise any right or remedy consequent upon a breach or default thereof, and no extension, supplement or amendment of this Permit during or after a breach thereof, unless expressly stated to be a waiver, and no acceptance by the Port Authority or the Terminal Four Lessee of fees, charges or other payments in whole or in part after or during the continuance of any such breach or default, shall constitute a waiver of any such breach or default of such agreement, term or condition. No agreement, term or condition of this Permit to be performed or complied with by the Permittee, and no breach or default thereof, shall be waived, altered or modified except by a written instrument executed by the Port Authority. No waiver by the Port Authority of any default or breach on the part of the Permittee in performance of any agreement, term or condition of this Permit shall affect or alter this Permit but each and every agreement, term and condition thereof shall continue in full force and effect with respect to any other then existing or subsequent breach or default thereof.

11. Removal of Property:

The personal property placed or installed by the Permittee at the Airport shall remain the property of the Permittee and must be removed on or before the expiration, revocation, cancellation or termination of the permission hereby granted, whichever shall be earlier. Without limiting the terms and provisions of paragraph (g) of Section 18 hereof, any such property remaining at the Airport after the effective date of such expiration, revocation, cancellation or termination shall be deemed abandoned by the Permittee and may be removed and disposed of by the Port Authority in any manner it so determines in its sole discretion and all the proceeds of any removal or disposition shall be retained by the Port Authority for its account and all costs and expenses of such removal and disposition shall be paid to the Port Authority by the Permittee when billed.

12. Permittee's Representative:

The Permittee's representative specified in Item 3 on the first page of this Permit (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and any act or thing done or to be done hereunder, and to execute on the Permittee's behalf any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. Notices:

Except where expressly required or permitted herein to be oral, all notices, directions, requests, consents and approvals required to be given to or by either party or the Terminal Four Lessee shall be in writing, and all such notices given by the Port Authority or the Terminal Four Lessee to the Permittee shall be validly given if sent by registered or certified mail addressed to the Permittee at the address specified on the first page hereof or at the latest address that the Permittee may substitute therefor by notice to the Port Authority, or left at such address, or delivered to the Permittee's representative. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003 or at such other address as the Port Authority shall hereafter designate by notice to the Permittee. If mailed, the notices herein required to be given shall be deemed effective and given as of the date of the certified or registered mailing thereof.

14. Late Charges:

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority or the Terminal Four Lessee including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four (24) late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (15) (but not less than thirteen (13)) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority or the Terminal Four Lessee of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority or the Terminal Four Lessee to payment of any late charge or late charges payable under the provisions of this Section with respect to such unpaid amount. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority or the Terminal Four Lessee under this Permit, including without limitation the Port Authority's rights set forth in Section 2 of these Terms and Conditions, or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Section shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

15. Non-discrimination:

(a) Without limiting the generality of any of the provisions of this Permit, the Permittee, for itself, its successors in interest and assigns, as a part of the consideration hereof, does hereby agree that (1) no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or be otherwise subject to discrimination in the use of any space at the Airport and the exercise of any privileges under this Permit, (2) that in the construction of any improvements on, over, or under any space at the Airport and the furnishing of any service thereon by the Permittee, no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination, (3) that the Permittee shall use any space at the Airport and exercise any privileges under this Permit in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended, and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which from time to time may be applicable to the Permittee's operations thereat, whether by reason of agreement between the Port Authority and the United States Government or otherwise.

(b) The Permittee shall include the provisions of paragraph (a) of this Section in every agreement or concession it may make pursuant to which any Person or Persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Section shall constitute a material breach of this Permit. Without limiting any other term or provision hereof or any other rights or remedies of the Port Authority hereunder or at law or equity, in the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) Without limiting any other term or provision hereof, the Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third Persons, including the United States of America, resulting from the Permittee's noncompliance with any of the provisions of this Section and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Section shall grant or shall be deemed to grant to the Permittee the right to transfer or assign this Permit, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on any space at the Airport, or any right to use or occupy any space at the Airport.

16. Affirmative Action:

The Permittee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Permittee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity

covered by this subpart. The Permittee assures that it will require that its covered suborganizations provide assurances to the Permittee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

17. Rules and Regulations:

(a) The Permittee shall observe and obey (and compel its officers, employees, guests, invitees, and those doing business with it, to observe and obey) the rules and regulations and procedures of the Port Authority now in effect, and such further reasonable rules and regulations and procedures which may from time to time during the effective period of this Permit, be promulgated by the Port Authority for reasons of safety, health, preservation of property or maintenance of a good and orderly appearance of the Airport or for the safe and efficient operation of the Airport. The Port Authority agrees that, except in cases of emergency, it shall give notice to the Permittee of every rule and regulation hereafter adopted by it at least five (5) days before the Permittee shall be required to comply therewith.

(b) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the New York Board of Fire Underwriters and the New York Fire Insurance Exchange, and any other body or organization exercising similar functions which may pertain or apply to the Permittee's operations hereunder. If by reason of the Permittee's failure to comply with the provisions of this Section, any fire insurance, extended coverage or rental insurance rate on the Airport or any part thereof, or upon the contents of any building thereon, shall at any time be higher than it otherwise would be, then the Permittee shall on demand pay the Port Authority that part of all fire insurance premiums paid or payable by the Port Authority which shall have been charged because of such violation by the Permittee.

18. Prohibited Acts

(a) The Permittee shall not do or permit to be done any act which

(i) will invalidate or be in conflict with any fire insurance policies covering the Airport or any part thereof or upon the contents of any building thereon, or

(ii) will increase the rate of any fire insurance, extended coverage or rental insurance on the Airport or any part thereof or upon the contents of any building thereon, or

(iii) in the opinion of the Port Authority will constitute a hazardous condition, so as to increase the risks normally attendant upon the operations contemplated by this Permit, or

(iv) may cause or produce upon the Airport any unusual noxious or objectionable smokes, gases, vapors or odors, or

(v) may interfere with the effectiveness or accessibility of any drainage and sewerage system, water system, communications system, fire protection system, sprinkler system, alarm system, fire hydrant and hose, if any, installed or located or to be installed or located in or on the Airport, or

(vi) shall constitute a nuisance or injury in or on the Airport or which may result in the creation, commission or maintenance of a nuisance or injury in or on the Airport.

For the purpose of this paragraph (a), "Airport" includes all structures located thereon.

(b) The Permittee shall not dispose of, release or discharge nor permit anyone to dispose of, release or discharge any Hazardous Substance on the Airport except that the Permittee may release or discharge de-icing fluids utilized in the Permittee's ordinary course of business in the performance of any of the privileges granted hereunder so long as such release or discharge is not a violation of the terms and conditions of Sections 17 or 19 hereof. In addition to and without limiting Section 19 hereof, any Hazardous Substance disposed of, released or discharged by the Permittee (or permitted by the Permittee to be disposed of, released or discharged) on the Airport shall upon notice by the Port Authority to the Permittee and subject to the provisions of paragraph (f) of Section 17 hereof and to all Environmental Requirements, be completely removed and/or remediated by the Permittee at its sole cost and expense, provided, however, the forgoing shall not apply to releases and discharges which are in compliance with the terms and conditions of Sections 17 and 19 hereof of de-icing fluids utilized in the Permittee's ordinary course of business in the performance of any of the privileges granted hereunder and the obligation of the Permittee to remove and remediate such de-icing fluids shall be as required by the terms and conditions of Sections 17 and 19 hereof. The obligations of the Permittee pursuant to this paragraph shall survive the expiration, revocation, cancellation or termination of this Permit.

(c) The Permittee shall not dispose of nor permit anyone to dispose of any waste materials (whether liquid or solid) by means of any toilets, sanitary sewers or storm sewers.

(d) (i) The Permittee shall not employ any persons or use any labor, or use or have any equipment, or permit any condition to exist, which shall or may cause or be conducive to any labor complaints, troubles, disputes or controversies at the Airport which interfere or are likely to interfere with the operation of the Airport or any part thereof by the Port Authority or with the operations of the lessees, licensees, permittees or other users of the Airport or with the operations of the Permittee under this Permit.

(ii) The Permittee shall immediately give notice to the Port Authority (to be followed by written notice and reports) of any and all impending or existing labor complaints, troubles, disputes or controversies and the progress thereof. The Permittee shall use its best efforts to resolve any such complaints, troubles, disputes or controversies.

(iii) The Permittee acknowledges that it is familiar with the general and local conditions prevailing at the Airport and with the all pertinent matters and circumstances which may in any way affect performance of the privileges granted under this Permit.

(e) The Permittee shall not solicit business on the public areas of the Airport and the use, at any time, of hand or standard megaphones, loudspeakers or any electric, electronic or other amplifying device is hereby expressly prohibited.

(f) The Permittee shall not install any fixtures or make any alterations, additions, improvements or repairs to any property of the Port Authority except with the prior written approval of the Port Authority.

(g) No signs, posters or similar devices shall be erected, displayed or maintained at the Airport without the written approval of the General Manager of the Airport; and any not approved by such General Manager or not removed by the Permittee upon the termination, revocation, expiration or cancellation of this Permit may be removed by the Port Authority at the expense of the Permittee.

(h) The Permittee shall not operate any engine or any item of automotive equipment in any enclosed space at the Airport unless such space is adequately ventilated.

(i) The Permittee shall not use any cleaning materials having a harmful or corrosive effect on any part of the Airport.

(j) The Permittee shall not fuel or defuel any equipment in any enclosed space at the Airport without the prior approval of the General Manager of the Airport except in accordance with Port Authority rules and regulations.

(k) The Permittee shall not start or operate any engine or any item of automotive equipment in any enclosed space at the Airport unless such space is adequately ventilated and unless such engine is equipped with a proper spark-arresting device.

19. Law Compliance:

(a) The Permittee shall procure all licenses, certificates, permits or other authorization from all governmental authorities, if any, having jurisdiction over the Permittee's operations at the Airport which may be necessary for the Permittee's operations thereat.

(b) The Permittee shall pay all taxes, license, certification, permit and examination fees and excises which may be assessed, levied, exacted or imposed on its property or operations at the Airport or on the Gross Receipts, Terminal Four Gross Receipts or income therefrom, and shall make all applications, reports and returns required in connection therewith.

(c) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions which may pertain or apply to the Permittee's operations at the Airport.

(d) The Permittee's obligations to comply with governmental requirements are provided herein for the purpose of assuring proper safeguards for the protection of Persons and property at the Airport and are not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

(e) The Port Authority has agreed by a provision in the City Lease with the City covering the Airport to conform to the enactments, ordinances, resolutions and regulations of the City and of its various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable so to do. The Permittee shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such

compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

20. Trademarks and Patent Infringement:

The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit.

21. Inspection:

The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Airport or to be placed or brought on the Airport, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

22. Federal Aid:

(a) The Permittee shall

(i) furnish good, prompt and efficient service hereunder, adequate to meet all demands therefor at the Airport;

(ii) furnish said service on a fair, equal and non-discriminatory basis to all users thereof; and

(iii) charge fair, reasonable and non-discriminatory prices for each unit of sale or service, provided that the Permittee may make reasonable and non-discriminatory discounts, rebates or other similar types of price reductions to volume purchasers.

As used in the above subsections "service" shall include furnishing of parts, materials and supplies (including sale thereof).

(b) The Port Authority has applied for and received a grant or grants of money from the Administrator of the Federal Aviation Administration pursuant to the Airport and Airways Development Act of 1970, as the same has been amended and supplemented, and under prior federal statutes which said Act superseded and the Port Authority may in the future apply for and receive further such grants. In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. The performance by the Permittee of the promises and obligations contained in this Permit is therefore a special consideration and inducement to the issuance of this Permit by the Port Authority, and the Permittee further agrees that if the Administrator of the Federal Aviation Administration or any other governmental officer or body having jurisdiction over the enforcement of the obligations of the Port Authority in connection with Federal Airport Aid, shall make any orders, recommendations or suggestions respecting the performance by the Permittee of its obligations under this Permit, the Permittee

will promptly comply therewith at the time or times, when and to the extent that the Port Authority may direct.

23. Capacity and Competition:

(a) The Permittee shall refrain from entering into continuing contracts or arrangements with any third Person for furnishing services covered hereunder when such contracts or arrangements will have the effect of utilizing to an unreasonable extent the Permittee's capacity for rendering such services. A reasonable amount of capacity shall be reserved by the Permittee for the purpose of rendering services hereunder to those who are not parties to continuing contracts with the Permittee.

(b) The Permittee shall not enter into any agreement or understanding, express or implied, binding or non-binding, with any other Person who may furnish services at the Airport similar to those furnished hereunder which will have the effect of (i) fixing rates and charges to be paid by users of the services; (ii) lessening or preventing competition between the Permittee and such other furnishers of services; or (iii) tending to create a monopoly on the Airport in connection with the furnishing of such services.

24. Business Development and Records:

(a) In connection with the exercise of the privileges granted hereunder, the Permittee shall:

(i) use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(ii) not divert or cause or allow to be diverted, any business from the Airport;

(iii) maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of the Permittee at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify the Authorized Service performed at Terminal Four, the Authorized Service performed at the Airport at any location other than Terminal Four and all other services performed at the Airport at any location other than Terminal Four, and;

(iv) cause any company which is owned or controlled by the Permittee, or any company which owns or controls the Permittee, if any such company performs services similar to those performed by the Permittee (any such company being hereinafter called an "*Affiliate*" and all such companies being hereinafter called the "*Affiliates*") to maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of each Affiliate at, through, or in anywise connected with the Airport, which

records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify each activity (including without limitation the Authorized Service) performed at the Airport, the Authorized Service performed at Terminal Four and all other services performed at the airport at any location other than Terminal Four;

(v) permit and/or cause to be permitted in ordinary business hours during the effective period of this Permit, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Port Authority of all the records and books of account of the Permittee (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts and/or Terminal Four Gross Receipts and which the Terminal Four Lessee, in its sole discretion, believes may be relevant for identification, determination or calculation of Terminal Four Receipts, all agreements, and all source documents) and all the records and books of account of all Affiliates (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts and/or Terminal Four Gross Receipts and which the Terminal Four Lessee, in its sole discretion, believes may be relevant for identification, determination or calculation of Terminal Four Receipts, all agreements, and all source documents) (all of the foregoing records and books described in this paragraph (a)(v) being hereinafter collectively referred to as the "*Books and Records*") within ten (10) days following any request by the Port Authority from time to time and at any time to examine and audit any Books and Records;

(vi) if the Permittee has performed any privilege or portion thereof at Terminal Four, then permit and/or cause to be permitted in ordinary business hours during the effective period of the Permit, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Terminal Four Lessee of all Books and Records within ten (10) days following any request by the Terminal Four Lessee from time to time and at any time to examine and audit any Books and Records;

(vii) permit the inspection by the officers, employees and representatives of the Port Authority and the Terminal Four Lessee of any equipment used by the Permittee, including but not limited to the equipment described in paragraph (a)(viii) below; and

(viii) install and use such cash registers, sales slips, invoicing machines and any other equipment or devices, including without limitation computerized record keeping systems, for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of Gross Receipts and Terminal Four Gross Receipts, and without limiting the generality of the foregoing, for any privilege involving cash sales, install and use cash registers or other electronic cash control equipment that provides for non-resettable totals.

(b) Without implying any limitation on the right of the Port Authority to revoke this Permit for cause for breach of any term, condition or provision thereof, including but not limited to, breach of any term, condition or provision of paragraph (a) above, the Permittee understands that the full reporting and disclosure to the Port Authority of all Gross Receipts and Terminal Four Gross Receipts and to the Terminal Four Lessee of all Terminal Four Gross Receipts and the Permittee's compliance with all the provisions of paragraph (a) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under this Permit. In the event any Books and Records are maintained outside the Port of New York District or in the event of the failure of the Permittee to comply with all the provisions of

paragraphs (a)(ii) through (a)(viii) above then, in addition to all, and without limiting any other, rights and remedies of the Port Authority and the Terminal Four Lessee under this Permit or otherwise and in addition to all of the Permittee's other obligations under this Permit:

(i) the Port Authority may estimate the Gross Receipts on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the fees based thereon shall be payable to the Port Authority when billed; and/or

(ii) the Port Authority or the Terminal Four Lessee may estimate the Terminal Four Gross Receipts on any basis that the Port Authority or the Terminal Four Lessee, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the fees based thereon shall be payable to the Terminal Four Lessee when billed; and/or

(iii) if any Books and Records are maintained outside of the Port of New York District, then the Port Authority in its sole discretion may (x) require on ten (10) days' notice to the Permittee that any such Books and Records be made available to the Port Authority within the Port of New York District for examination and audit pursuant to paragraph (a)(v) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(v) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority, for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Permittee shall pay to the Port Authority when billed all costs and expenses of the Port Authority, as determined by the Port Authority, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

(iv) if any Books and Records are maintained outside of the Port of New York District, then the Terminal Four Lessee in its sole discretion may (x) require on ten (10) days' notice to the Permittee that any such Books and Records be made available to the Terminal Four Lessee within the Port of New York District for examination and audit pursuant to paragraph (a)(vi) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(vi) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Permittee shall pay to the Terminal Four Lessee when billed all travel costs and related expenses, as determined by the Terminal Four Lessee, for Terminal Four Lessee auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Permittee shall pay to the Terminal Four Lessee when billed all costs and expenses of the Terminal Four Lessee, as determined by the Terminal Four Lessee, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Terminal Four Lessee for the purpose of conducting such audit and examination.

(c) In the event that upon conducting an examination and audit as described in this Section the Port Authority or the Terminal Four Lessee determines that unpaid amounts are due to the Port Authority or to the Terminal Four Lessee by the Permittee (the "*Audit Findings*"), the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority and/or the Terminal Four Lessee a service charge in the amount equal to five percent (5%) of the Audit Findings. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority or by the Terminal Four Lessee. Such

service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority or the Terminal Four Lessee by the Permittee under this Permit or otherwise. Such service charge shall not be payable if the Port Authority has received, for each month covered by the examination and audit period, the Monthly Sworn Statement of Gross Receipts, as provided in Section 4(a)(ii). No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Section with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

(d) Without implying any limitation on the rights or remedies of the Port Authority under this Permit or otherwise including without limitation the right of the Port Authority to revoke this Permit for cause for breach of any term or provision of paragraphs (a)(iii) or (a)(iv) above and in addition thereto, in the event any of the Books and Records are not maintained in English, then this Permittee shall pay to the Port Authority when billed, all costs and expenses of the Port Authority, as determined by the Port Authority, to translate such Books and Records into English.

(e) The foregoing auditing costs, expenses and amounts of the Port Authority set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Permit payable to the Port Authority with the same force and effect as the Basic Percentage Fee and all other fees payable to the Port Authority hereunder and the foregoing auditing costs, expenses and amounts of the Terminal Four Lessee set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Permit payable to the Terminal Four Lessee with the same force and effect as the Terminal Four Percentage Fee and all other fees payable to the Terminal Four Lessee hereunder.

25. Rates and Charges:

The Permittee shall establish rates and discounts therefrom which are in compliance with Section 22 hereof (each such rate and discount is hereinafter called an "*Established Rate*"). Upon request by the Port Authority, the Permittee shall provide the Port Authority its rates and discounts therefrom for goods and services furnished hereunder. If the Permittee applies any rate in excess of the Established Rate therefor or extends a discount less than the Established Discount therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the Established Rate therefor or extends a discount which is in excess of the Established Rate therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an undercharge and an amount equivalent thereto shall be included in Gross Receipts and Terminal Four Gross Receipts hereunder and the Basic Percentage Fee and the Terminal Four Percentage Fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in Gross Receipts or Terminal Four Gross Receipts any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon such breach which would otherwise be available to it at law, in equity or by reason of this Permit.

26. Other Agreements:

In the event the terms and provisions of any agreement entered into by the Permittee with any third Person in connection with the privileges granted hereunder are contrary to or conflict or are inconsistent with the terms and provisions of this Permit, the terms and provisions of this Permit shall be controlling, effective and determinative.

27. City Lease Provisions:

(a) The Permittee acknowledges that it has received a copy of, and is familiar with the contents of, the City Lease. The Permittee acknowledges that no greater rights or privileges are hereby granted to the Permittee than the Port Authority has the power to grant under the City Lease.

(b) In accordance with the provisions of the City Lease, the Port Authority and the Permittee hereby agree as follows:

(i) This Permit is subject and subordinate to the City Lease and to any interest superior to that of the Port Authority;

(ii) The Permittee shall not pay the fees or other sums under this Permit for more than one (1) month in advance (excluding security or other deposits required under this Permit);

(iii) With respect to this Permit, the Permittee on the termination of the City Lease will, at the option of the City, enter into a direct permit on identical terms with the City;

(iv) The Permittee shall indemnify the City, as third party beneficiary hereunder, with respect to all matters described in Section 31 of the City Lease that arise out of the Permittee's operations at the Airport, or arise out of the acts or omissions of the Permittee's officers, employees, agents, representatives, contractors, customers, business visitors and guests at the Airport with the Permittee's consent;

(v) The Permittee shall not use any portion of the Airport for any use other than as permitted under the City Lease;

(vi) The Permittee shall use the Airport in a manner consistent with the Port Authority's obligations under Section 28 of the City Lease;

(vii) The failure of the Permittee to comply with the foregoing provisions shall be an event of default under this Permit, which shall provide the Port Authority with the right to revoke this Permit and exercise any other rights that the Port Authority may have as the grantor of the permission hereunder; and

(viii) The City shall be named as an additional insured or loss payee, as applicable, under each policy of insurance procured by the Permittee pursuant to this Permit.

28. Counterclaims:

The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts, which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

29. Continued Exercise of Privilege After Expiration, Revocation or Termination:

(a) The Permittee acknowledges that the failure of the Permittee to cease to perform the Authorized Service at the Airport from the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss, and the Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss. The Permittee acknowledges that the Port Authority reserves all its legal and equitable rights and remedies in the event of such failure by the Permittee to cease performance of the Authorized Service.

(b) The Permittee hereby acknowledges and agrees that, subject to the foregoing, all terms and provisions of this Permit shall be and continue in full force and effect during any Post-Termination Period.

30. Miscellaneous:

(a) It is understood and agreed that the Port Authority shall not furnish, sell or supply to the Permittee any services or utilities in connection with this Permit.

(b) No Commissioner, Director, officer, agent or employee of either party shall be charged personally by the other party with any liability, or held liable to the other party, under any term or provision of this Permit, or because of the party's execution or attempted execution, or because of any breach thereof.

(c) The Section and paragraph headings, if any, in this Permit are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope or intent of any provision hereof.

(d) This Permit, including the attached Special Endorsements, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof. This Permit may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee or except by notice as specifically set forth in Sections 4 and 13 hereof. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

Approval as to Terms:	Approval as to Form:

TOC

SPECIAL ENDORSEMENTS

1. (a) The Port Authority hereby consents to the Permittee providing the Authorized Service to Approved Aircraft Operators at the Airport.

(b) (i) In the event the Permittee shall desire to provide the Authorized Service to another Approved Aircraft Operator or Person at the Airport, the Permittee shall submit such request in writing to the Port Authority. The Permittee may perform the Authorized Service for other Approved Aircraft Operators or Persons at the Airport only after receiving the written consent of the Port Authority.

(ii) The Permittee hereby agrees that it will not carry on any business at the Airport other than as specifically provided herein without receiving the prior written consent of the Port Authority, which consent, if given, will be in the form of a Supplement hereto or a separate agreement with the Port Authority, and will specify whether the provisions regarding fees contained herein or any other provisions regarding fees shall apply thereto.

2. The Permittee hereby attests that its federal taxpayer identification number is [redacted].

TERMS AND CONDITIONS

1. Definitions:

The following terms, when and if used in this Permit, shall have the respective meanings given below:

(a) "*Air Cargo*" shall mean cargo transported to or from the Airport by aircraft owned or operated by an Approved Aircraft Operator.

(b) "*Aircraft Operator*" shall mean (a) a Person owning one or more aircraft which are not leased or chartered to any other Person for operation, and (b) a Person to whom one or more aircraft are leased or chartered for operation - whether the aircraft so owned, leased or chartered are military or non-military, or are used for private business, pleasure or governmental business, or for carrier or non-carrier operations, or for scheduled or non-scheduled operations or otherwise. Said term shall not mean the pilot of an aircraft unless he is also the owner or lessee thereof or a Person to whom it is chartered.

(c) "*Airport*" shall mean John F. Kennedy International Airport, consisting of certain premises identified as "John F. Kennedy International Airport" on Sheet JFK-1 of Exhibit A, and more particularly described in Exhibit B, annexed to the City Lease, and such other property as may be acquired in connection with and added to such premises pursuant to the terms of the City Lease.

(d) "*Approved Aircraft Operator*" shall mean an Aircraft Operator which the General Manager of the Airport has authorized to conduct its aircraft operations at the Airport and if such Aircraft Operator is subleasing or subusing space, or has a ground handling agreement or other agreement at the Airport with an Aircraft Operator, a lessee or other Person at the Airport which requires the consent of the Port Authority, each such subleasing, subuse, ground handling agreement or other agreement has been consented to in writing by the Port Authority.

(e) "*Basic Percentage Fee*" shall have the meaning given such term in Section 4(a)(i) hereof.

(f) "*Cargo Aircraft*" shall mean aircraft engaged solely and exclusively in the carriage of Air Cargo.

(g) "*Cargo Handling and Ramp Service*" shall mean all or any of the following services for or in connection with Air Cargo:

(i) representation and accommodation;

(ii) load control and communications;

(iii) unit load device control, handling and administration in connection with Cargo Aircraft;

(iv) flight operations and crew administration in connection with Cargo Aircraft, including but not limited to obtaining and providing meteorological reports, briefing and debriefing flight crews, preparing and filing flight plans, dispatching and receiving messages in connection with flight and ground operations, maintaining station logs and filing necessary reports with governmental agencies, preparing weight and balance plans, maintaining flight watch and arranging hotel accommodations for flight crews;

(v) pickup and delivery of Air Cargo, air express and mail to and from appropriate locations (allowed or designated from time to time by the Port Authority for such pickup and delivery) on the Airport;

(vi) preparation of documentation associated with Air Cargo, including but not limited to cargo manifests, airway bills and customs clearance documentation;

(vii) distribution of Air Cargo;

(viii) reception of Air Cargo to be shipped from the Airport;

(ix) temporary warehousing, sorting and storage of Air Cargo;

(x) supervision and administration;

(xi) courier services;

(xii) guiding Cargo Aircraft in and out of gate or loading or unloading positions and parking Cargo Aircraft;

(xiii) providing, positioning/removing, and operating appropriate units for engine starting for Cargo Aircraft;

(xiv) furnishing and placing in position and thereafter removing the necessary and appropriate steps, stands and power equipment for the safe and efficient loading and unloading of crew members and other persons, ballast, potable water, mail, air express, Air Cargo and supplies onto and from aircraft and trucks, and performing such loading and unloading and reporting irregularities;

(xv) providing a fire guard equipped with the necessary and appropriate fire fighting equipment for Cargo Aircraft;

(xvi) towing of Cargo Aircraft;

(xvii) ramp control tower services for Cargo Aircraft;

(xviii) Cargo Aircraft servicing, including interior and exterior cleaning, the removal and disposal of aircraft waste material and providing water service, cooling and heating, and toilet service;

(xix) conversion operations and services consisting of the removal of seats from convertible-type aircraft, so as to convert the same to Cargo Aircraft, and from Cargo Aircraft to Passenger Aircraft by the installation of seats;

(xx) ramp area cleaning;

(xxi) Gateside Aircraft Maintenance of Cargo Aircraft, it being specifically understood, however, that Routine and Non-routine Aircraft Maintenance, as distinguished from Gateside Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder;

(xxii) mobile fueling, on the Permittee's own account, for automotive and other ramp equipment using mobile tender vehicles or other equipment as may be approved from time to time by the General Manager of the Airport;

(xxiii) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport;

(xxiv) deicing to the exterior of aircraft of Approved Aircraft Operators at such locations on the Airport as may from time to time be designated by the General Manager of the Airport;

(xxv) triturator operations and maintenance;

(xxvi) snow removal; and

(xxvii) security services for and in connection with Air Cargo and Cargo Aircraft.

(h) "*City*" shall mean the City of New York.

(i) "*City Lease*" shall mean the Amended and Restated Agreement of Lease of the Municipal Air Terminals between The City of New York, as Landlord, and The Port Authority of New York and New Jersey, as Tenant, dated as of November 24, 2004 and recorded in the office of the City Register of the City on December 3, 2004 under City Register File No. 2004000748687, as the same may have been or may be amended or supplemented.

(j) "*Cleaning Service*" shall mean all or any of the following services:

(i) the cleaning, repairing and installing of upholstery, carpeting and curtains in aircraft and linens used on aircraft;

(ii) the complete interior and exterior cleaning of aircraft, the removal and disposal of waste material and providing water service, cooling and heating, and toilet service;

(iii) conversion operations and services consisting of the removal of seats from convertible-type aircraft so as to convert the same to Cargo Aircraft and from Cargo Aircraft to Passenger Aircraft by installation of seats;

(iv) ramp area cleaning services; and

(v) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport.

(k) "*Effective Date*" shall mean that date appearing in Item 6 on the first page of this Permit as the same may be modified pursuant to the provisions of Section 2(a) hereof.

(l) "*Environmental Requirement*" shall mean all common law and all past, present and future laws, statutes, enactments, resolutions, regulations, rules, directives, ordinances,

codes, licenses, permits, orders, memoranda of understanding and memoranda of agreement, guidances, approvals, plans, authorizations, concessions, franchises, requirements and similar items of all governmental agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof, all pollution prevention programs, "best management practices plans", and other programs adopted and agreements made by the Port Authority (whether adopted or made with or without consideration or with or without compulsion), with any government agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof, and all judicial, administrative, voluntary and regulatory decrees, judgments, orders and agreements relating to the protection of human health or the environment, and in the event that there shall be more than one compliance standard, the standard for any of the foregoing to be that which requires the lowest level of a Hazardous Substance, the foregoing to include without limitation:

(i) All requirements pertaining to reporting, licensing, permitting, investigation and remediation of emissions, discharges, releases or threatened releases of Hazardous Substances into the air, surface water, groundwater or land, or relating to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of Hazardous Substances, or the transfer of property on which Hazardous Substances exist; and

(ii) All requirements pertaining to the protection from Hazardous Substances of the health and safety of employees or the public.

(m) "*Executive Director*" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Executive Director of the Port Authority for the time being or his duly designated representative or representatives.

(n) "*Gateside Aircraft Maintenance*" shall mean such emergency transit and turnaround maintenance performed on the aircraft of an Aircraft Operator as may be performed in the time such aircraft is permitted to be and remain at the aircraft gate position or hardstand at which such maintenance is to be performed and which is performed by or required by law, rule or regulation to be performed by or under the supervision of a licensed aircraft mechanic or other person specifically licensed, certified or approved by governmental authority having jurisdiction, including the rental or equipment and tools in the connection therewith. It is specifically understood that the performance of any other aircraft maintenance, including but not limited to Routine and Non-routine Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder.

(o) "*General Manager of the Airport*" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in said General Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean said General Manager (or Acting General Manager) of the Airport for the time being or his duly designated representative or representatives.

(p) "*Gross Receipts*" shall mean all amounts, monies, revenues, receipts and income of every type paid or payable to the Permittee for sales made and for services rendered at or from the Airport, regardless of when or where the order therefor is received, and outside the Airport, if the order therefor is received at the Airport, and any other amounts, monies, revenues, receipts and income of any type arising out of or in connection with the Authorized Service, provided, however, there shall be excluded from Gross Receipts, any Terminal Four Gross Receipts and any taxes imposed by law which are separately stated to and paid by the customer and directly

payable to the taxing authority by the Permittee. The Permittee's Recovery Fee, as hereinafter defined, if any, shall be included within Gross Receipts and shall be subject to the fees set forth under Section 4 of this Permit.

(q) "*Hazardous Substance*" shall mean any pollutant, contaminant, toxic or hazardous waste, dangerous substance, potentially dangerous substance, noxious substance, toxic substance, flammable, explosive or radioactive material, urea formaldehyde foam insulation, asbestos, polychlorinated biphenyls (PCBs), chemicals known to cause cancer, endocrine disruption or reproductive toxicity, petroleum and petroleum products and substances declared to be hazardous or toxic or the removal, containment or restriction of which is required, or the manufacture, preparation, production, generation, use, maintenance, treatment, storage, transfer, handling or ownership of which is restricted, prohibited, regulated or penalized by any federal, state, county, or municipal or other local statute or law now or at any time hereafter in effect as amended or supplemented and by the regulations adopted and publications promulgated pursuant thereto.

(r) "*In-Terminal Handling Service*" shall mean all or any of the following services for or in connection with passengers of Passenger Aircraft:

(i) furnishing interpreters for the assistance of non-English-speaking passengers;

(ii) inbound and outbound passenger baggage handling services, including but not limited to checking, weighing, handling and storage of aircraft baggage;

(iii) selling of tickets for air transportation;

(iv) checking in and boarding aircraft passengers;

(v) porter service for passenger baggage;

(vi) passenger assistance, passenger information service, flight information and public address paging and announcements;

(vii) supervisory and administrative functions on behalf of Approved Aircraft Operators in conjunction with the Permittee's performance of the other activities constituting a part of the In-Terminal Handling Service;

(viii) the arrangement of ground transportation of crew, passengers and baggage;

(ix) handicapped services;

(x) security and pre-board screening;

(xi) building janitorial and maintenance; and

(xii) lounge hosting services.

(s) "*Passenger Aircraft*" shall mean aircraft owned or operated by an Approved Aircraft Operator engaged primarily in the transportation of passengers by aircraft to and from the Airport.

(t) "*Passenger Ramp Service*" shall mean all or any of the following services for or in connection with Passenger Aircraft:

(i) representation and accommodation;

(ii) load control and communications on ramp;

(iii) unit load device control, handling and administration;

(iv) baggage handling and sorting, including delivering baggage to and from Passenger Aircraft and to and from baggage facilities, provided, however, no permission is hereby given for the Permittee to deliver baggage from one terminal to another unless they are part of the same premises; sorting baggage in baggage makeup facilities; and delivering baggage to and from interline system permittees;

(v) guiding Passenger Aircraft in and out of gates or loading and unloading positions and parking Passenger Aircraft;

(vi) furnishing and placing in position and thereafter removing the necessary and appropriate steps, stands and power equipment for the safe and efficient loading and unloading of crew, passengers, baggage, ballast, potable water, mail, air express, Air Cargo and supplies from and onto Passenger Aircraft and trucks, and perform such loading and unloading and reporting irregularities;

(vii) deicing to the exterior of aircraft of Approved Aircraft Operators at such locations on the Airport as may from time to time be designated by the General Manager of the Airport;

(viii) providing, positioning/removing, and operating appropriate units for engine starting;

(ix) providing a fire guard equipped with the necessary and appropriate fire fighting equipment;

(x) towing of Passenger Aircraft;

(xi) ramp control tower services for Passenger Aircraft;

(xii) Passenger Aircraft servicing, including exterior and interior cleaning, the removal and disposal of aircraft waste material and providing water service, cooling and heating, toilet service, and rearranging cabin equipment;

(xiii) ramp area cleaning;

(xiv) mobile fueling on the Permittee's own account for automotive and other ramp equipment using mobile tender vehicles or other equipment as may be approved from time to time by the General Manager of the Airport;

(xv) Gateside Aircraft Maintenance of Passenger Aircraft, it being specifically understood, however, that Routine and Non-routine Aircraft Maintenance, as distinguished from Gateside Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder;

(xvi) flight operations and crew administration including but not limited to obtaining and providing meteorological reports, briefing and debriefing flight crews, preparing and filing flight plans, dispatching and receiving messages in connection with flight and ground operations, maintaining station logs and filing necessary reports with governmental agencies, preparing weight and balance plans, maintaining flight watch and arranging hotel accommodations for flight crews;

(xvii) ramp transportation for crew, passengers and baggage;

(xviii) supervisory and administrative functions on behalf of Approved Aircraft Operators of Passenger Aircraft;

(xix) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport, and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport;

(xx) catering liaison and administration;

(xxi) triturator operations and maintenance;

(xxii) snow removal; and

(xxiii) security services for passengers and baggage, cargo and mail, catering, and on aircraft, ramp and other designated areas.

(u) "*Permitted Areas*" shall mean with respect to the Authorized Service the following areas of the Airport and only such areas:

(i) those areas where the Permittee is authorized pursuant to a separate lease, permit or other written agreement (other than this Permit) with the Port Authority to provide such Authorized Service;

(ii) any area which pursuant to a written agreement the Port Authority has either leased to a third Person or has otherwise permitted a third Person to use and occupy and where (x) the Permittee performs such Authorized Service on such area for such Person or has obtained permission from such Person to perform such Authorized Service for an Approved Aircraft Operator on such area and (y) the performance of such Authorized Service for such Approved Aircraft Operator on such area is permitted by a written agreement with the Port Authority covering such area; or

(iii) such areas as may hereafter be designated in writing by the Port Authority for the performance of such privileges by the Permittee, it being understood and agreed that the Port Authority shall have the right at any time and from time to time to revoke, cancel, change or alter any such designation.

(v) "*Permittee's Recovery Fee*" shall mean any surcharge or other amount that the Permittee may separately state and charge its customers to recover the fee, or portion thereof, payable under this Permit.

(w) "*Person*" shall mean not only a natural person, corporation or other legal entity, but also two or more natural persons, corporations or other legal entities acting jointly as a firm, partnership, unincorporated association, consortium, joint adventurers or otherwise.

(x) "*Post-Termination Period*" shall have the meaning ascribed to it in paragraph (a) of Section 29 hereof.

(y) "*Routine and Non-routine Aircraft Maintenance*" shall mean all work including but not limited to the inspection, maintenance, servicing, testing, overhaul, cleaning, conversion, repair and installation of parts and supplies on aircraft and on aircraft parts of Approved Aircraft Operators performed by or required by law, rule or regulation to be performed by or under the supervision of a licensed aircraft mechanic or other person specially licensed, certified or approved by governmental authority, including the rental of tools and equipment in connection therewith.

(z) "*Terminal Four*" shall mean the premises under the Terminal Four Lease commonly referred to on the Airport as "Terminal Four".

(aa) "*Terminal Four Gross Receipts*" shall each mean and include all amounts, monies, revenues, receipts and income of every type paid or payable to the Permittee for sales made and for services rendered at Terminal Four, regardless of when or where the order therefor is received, and any other amounts, monies, revenues, receipts and income of any type arising out of or in connection with the Permittee's operations at Terminal Four, provided, however, there shall be excluded from Terminal Four Gross Receipts any taxes imposed by law which are separately stated to and paid by the customer and directly payable to the taxing authority by the Permittee.

(bb) "*Terminal Four Lease*" shall mean that certain agreement of lease bearing Port Authority Agreement No. AYC-685 entered into between the Port Authority and JFK International Air Terminal LLC on May 13, 1997.

(cc) "*Terminal Four Lessee*" shall mean for the time being JFK International Air Terminal LLC, a limited liability company organized and existing under the laws of the State of New York, or such other Person which the Port Authority may from time to time and at any time designate by notice to the Permittee.

(dd) "*Terminal Four Percentage Fee*" shall mean the fee payable to the Terminal Four Lessee pursuant to and as defined in Section 4(a)(i) hereof.

2. Effective Date, Termination and Revocation:

(a) The permission hereby granted shall take effect upon the Effective Date. Notwithstanding Item 6 appearing on the first page of this Permit, the Effective Date of this Permit shall be that date the Permittee commenced any of the activities permitted by this Permit. The Permittee in executing this Permit represents that the Effective Date appearing in Item 6 on the first page of this Permit is the date the Permittee commenced any of the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced any of the activities permitted by this Permit prior to said effective date, the Effective Date of this Permit shall be the date the Permittee commenced any of the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence

on such date including without limitation the Permittee's indemnity obligations and obligations to pay fees.

(b) Notwithstanding any other term or condition hereof, the permission hereby granted may be revoked without cause upon thirty (30) days' written notice by the Port Authority, or terminated without cause upon thirty (30) days' written notice by the Permittee, provided, however, that it may be revoked on twenty-four (24) hours' notice by the Port Authority if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth.

(c) In the event the Port Authority exercises it right to revoke this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation, including without limitation any and all personnel and legal costs (including but not limited to the cost to the Port Authority of in-house legal services) and disbursements incurred by it arising out of, relating to, or in connection with the enforcement or revocation of this Permit including, without limitation, legal proceedings initiated by the Port Authority to exercise its revocation rights and to collect all amounts due and owing to the Port Authority under this Permit.

(d) For the purposes of this Permit, a default by the Permittee in keeping, performing or observing any promise, obligation, term or agreement set forth herein on the part of the Permittee to be kept, performed or observed shall include the following whether or not the time has yet arrived for the keeping, performance or observance of any such promise, obligation, term or agreement:

(i) a statement by the Permittee to any representative of the Port Authority indicating that it cannot or will not keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit;

(ii) any act or omission of the Permittee or any other occurrence which makes it improbable at the time that it will be able to keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit; or

(iii) any suspension of or failure to proceed with any part of the privileges to be performed by the Permittee which makes it improbable at the time that it will be able to keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit.

(e) (i) If any type of strike, boycott, picketing, work stoppage, slowdown or other labor activity is directed against the Permittee at the Airport or against any operations of the Permittee under this Permit, whether or not the same is due to the fault of the Permittee and whether or not caused by the employees of the Permittee, and if any of the foregoing, in the opinion of the Port Authority, results or is likely to result in curtailment or diminution of the privileges to be performed hereunder by the Permittee or to interfere with or affect the operation of the Airport by the Port Authority or to interfere with or affect the operations of lessees, licensees, permittees or other users of the Airport, the Port Authority shall have the right at any time during the continuance thereof to suspend the operations of the Permittee under this Permit and/or to revoke this Permit.

(ii) In the event the Port Authority exercises its right to revoke this Permit, as aforesaid, it shall do so by twenty-four (24) hours' written notice to the Permittee, effective as of the time specified in the notice. The exercise by the Port Authority of its right of suspension shall not waive or affect or be deemed to waive or affect the right of revocation.

(iii) Prior to the exercise of the right of suspension by the Port Authority, it shall give the Permittee notice thereof, which notice may be oral. The Permittee shall not perform its operations authorized by this Permit during the period of the suspension. The period of suspension shall end not more than twenty-four (24) hours after the cause thereof has ceased or been cured and the Permittee shall notify the Port Authority of such cessation or cure.

(iv) The rights of suspension and revocation as hereinbefore set forth may be exercised by the Port Authority prior to the Effective Date set forth in Item 6 on the first page of this Permit. No exercise by the Port Authority of its rights granted to it in paragraph (e) of this Section shall be deemed to be a waiver of any other rights of revocation contained in this Permit or a waiver of any other rights or remedies which may be available to the Port Authority under this Permit or otherwise.

(f) No revocation or termination of the permission hereunder shall relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

(g) No exercise by the Port Authority of any right of revocation granted to it in this Section shall be deemed to be a waiver of any other rights of revocation contained in this Section or elsewhere in this Permit or a waiver of any other rights or remedies which may be available to the Port Authority under this Permit or otherwise.

3. Exercise of Rights:

(a) The rights granted hereby shall be exercised

(i) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(ii) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(iii) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees,

(iv) if the Permittee is an individual, by the Permittee acting only personally or through the medium of its employees, and

(v) if the Permittee is a limited liability company, by the Permittee acting only through the medium of its members, managers, and employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other Person. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed

by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

(b) No greater rights or privileges are hereby granted to the Permittee than the Port Authority has power to grant under the City Lease.

(c) Neither this Permit nor anything contained herein, shall be deemed to grant any rights in the Permittee to use and occupy any land, building space or other area at the Airport or shall be deemed to have created any obligation on the part of the Port Authority to provide any such land, space or area to the Permittee.

(d) Neither the execution and delivery of this Permit nor any act done pursuant thereto shall create between any terminal operator, lessee or other occupant of land at the Airport including but not limited to the Terminal Four Lessee and the Permittee, on one hand, and the Port Authority on the other hand the relationship of bailor and bailee, or any other relationship or any legal status which would impose upon the Port Authority with respect to any personal property, such as but not limited to, aircraft cargo or baggage, owned and/or handled by the Permittee any duty or obligation whatsoever. The Permittee expressly agrees that the Port Authority shall have no liability with respect to any aircraft cargo or baggage or any other property of the Permittee or of any other Person left anywhere on the Airport.

(e) This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

(f) Nothing contained in this Permit shall constitute permission to the Permittee to park or store equipment or personal property at any location or area at the Airport.

(g) The Permittee shall have no right hereunder to carry on any business or operation at the Airport other than that specifically provided herein. Without limiting the generality of the foregoing and notwithstanding anything else in this Permit to the contrary, the Permittee is expressly prohibited hereunder from performing ground transportation, fueling of aircraft and the selling and delivery of in-flight meals.

(h) It is understood that any and all privileges granted hereunder to the Permittee are non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Airport to another or others, whether by this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute a violation or breach of the permission herein granted.

(i) The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Airport.

(j) The words "permission" and "privilege" are used interchangeably in this Permit, and except where expressly provided to the contrary, shall mean the privileges granted by this Permit.

4. Fees:

(a) (i) The Permittee agrees to pay to the Port Authority, at the times set forth in and in accordance with paragraph (a)(ii) below, a percentage fee (the "*Basic Percentage Fee*") equal to five percent (5%) (as the same may be increased pursuant to paragraph (k) below) of Gross Receipts and, if any privilege or portion thereof is performed at Terminal Four, to pay to

the Terminal Four Lessee a percentage fee (hereinafter called the "Terminal Four Percentage Fee"), at the times set forth in and in accordance with paragraph (a)(iii) below, equal to five percent (5%), as the same may be increased pursuant to paragraph (k) below, of Terminal Four Gross Receipts.

(ii) Gross Receipts shall be reported and the Basic Percentage Fee shall be paid to the Port Authority by the Permittee as follows: On or before the twentieth (20th) day of the first month following the month in which the Effective Date falls and on the twentieth (20th) day of each and every calendar month thereafter during the period that this Permit is in effect and including the calendar month in which this Permit ceases to be in effect, the Permittee shall render to the Port Authority a monthly statement sworn to by a responsible executive or fiscal officer of the Permittee showing all of the Gross Receipts for the preceding month (the "Monthly Sworn Statement of Gross Receipts"). Each of the said statements shall also show the cumulative Gross Receipts from the Effective Date (or the most recent anniversary thereof) through the last day of the preceding month. At the same time each of the said statements is rendered to the Port Authority, the Permittee shall pay to the Port Authority an amount equal to five percent (5%) applied to the Gross Receipts for the preceding calendar month. In addition to the foregoing, on the twentieth (20th) day of the first month following each anniversary of the Effective Date the Permittee shall submit to the Port Authority a statement setting forth the cumulative totals of the Gross Receipts for the entire preceding twelve (12) month period certified, at the Permittee's expense, by a certified public accountant or a responsible executive or fiscal officer of the Permittee ("Annual Statement of Gross Receipts"). In addition to the foregoing, within twenty (20) days after the expiration, termination, revocation or cancellation of this Permit, the Permittee shall render to the Port Authority a sworn statement certified, at the Permittee's expense, by a certified public accountant of all Gross Receipts during the period from the last preceding anniversary of the Effective Date up to and including the last day this Permit shall be in effect and the Permittee shall, at the time of rendering such statement to the Port Authority, pay the Basic Percentage Fee due and unpaid as of the last day this Permit shall be in effect. The Permittee shall give the name and position of the responsible executive or fiscal officer designated under this paragraph to submit Monthly Sworn Statement and Annual Statement of Gross Receipts, ten (10) business days prior to the submission of the first such statement by the designee of the Permittee, so that the Port Authority may determine whether it will accept such designation. The designation shall be submitted to the Manager of Properties for the Airport. If such timely notice is not given to the Port Authority, the Permittee shall submit such statement to the Port Authority in a form executed by a certified public accountant.

(iii) Terminal Four Gross Receipts shall be reported and the Terminal Four Percentage Fee shall be paid to the Terminal Four Lessee by the Permittee as follows: On or before the twentieth (20th) day of the first month following the month in which the Effective Date falls and on the twentieth (20th) day of each and every calendar month thereafter during the period that the Permit is in effect and including the calendar month in which the Permit ceases to be in effect, the Permittee shall render to the Port Authority and the Terminal Four Lessee a monthly statement sworn to by a responsible executive or fiscal officer of the Permittee showing all of the Terminal Four Gross Receipts for the preceding month. Each of the said statements shall also show the cumulative Terminal Four Gross Receipts from the Effective Date (or the most recent anniversary thereof) through the last day of the preceding month. At the same time each of the said statements is rendered to the Port Authority and the Terminal Four Lessee, the Permittee shall pay to the Terminal Four Lessee an amount equal to five percent (5%) applied to the Terminal Four Gross Receipts for the preceding calendar month. In addition to the foregoing, on the twentieth (20th) day of the first month following each anniversary of the Effective Date the Permittee shall submit to the Port Authority and the Terminal Four Lessee a statement setting forth the cumulative totals of the Terminal Four Gross Receipts for the entire preceding twelve (12) month period certified, at the Permittee's expense, by a certified public

accountant. In addition to the foregoing, within twenty (20) days after the expiration, termination, revocation or cancellation of the Permit, the Permittee shall render to the Port Authority and the Terminal Four Lessee a sworn statement certified, at the Permittee's expense, by a certified public accountant or a responsible executive or fiscal officer of the Permittee of all Terminal Four Gross Receipts during the period from the last preceding anniversary of the Effective Date up to and including the last day the Permit shall be in effect and the Permittee shall, at the time of rendering such statement to the Terminal Four Lessee pay to the Terminal Four Lessee the Terminal Four Percentage Fee due and unpaid as of the last day the Permit shall be in effect. Each of the statements called for hereunder shall separately list and state the Terminal Four Gross Receipts and the applicable Terminal Four Percentage Fee payable thereon for each privilege (including without limitation each Authorized Service) provided by the Permittee hereunder at Terminal Four.

(b) (i) All statements to be submitted to the Port Authority pursuant to this Section and all payments made under this Permit, except for the Terminal Four Percentage Fee, shall be sent to the following address:

THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY
P.O. BOX 95000-1556
PHILADELPHIA, PENNSYLVANIA 19195-0001

or made via the following wire transfer instructions:

Bank: [redacted]
Bank ABA number: [redacted]
Account number:

or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

(ii) All statements to be submitted to the Terminal Four Lessee hereunder and the Terminal Four Percentage Fee shall be made to the Terminal Four Lessee at Terminal Four, John F. Kennedy International Airport, Room 2300, Jamaica, New York 11430 or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

(c) There shall be excluded from Gross Receipts and Terminal Four Gross Receipts any sum paid or payable to the Permittee for the following, provided said sum is separately stated to and paid by the customer:

(i) handicapped services;

(ii) security services;

(iii) lost and found baggage services;

(iv) snow removal services;

(v) ground transportation of employees; and

(vi) building janitorial and maintenance services,

provided further, however, the Permittee acknowledges and agrees that the Port Authority does and shall continue to have the right at any time and from time to time to withdraw the foregoing exclusions from Gross Receipts (and Terminal Four Gross Receipts), in whole or in part, or to establish a separate fee for each such service, which may be a percentage fee other than five percent (5%), upon sixty (60) days' prior written notice to the Permittee. Notwithstanding the foregoing, any fee established must be agreed to by the Permittee and the Port Authority and must be reflected in a supplement to this Permit to be prepared by the Port Authority and executed by the parties hereto.

(d) In the event the Permittee shall be permitted hereunder to provide Gateside Aircraft Maintenance services or Routine and Non-routine Aircraft Maintenance services, there shall be excluded from Gross Receipts and Terminal Four Gross Receipts any sum paid or payable to the Permittee:

(i) which arise solely from the resale to a customer of aircraft parts and supplies purchased by the Permittee from a third party, provided, however, that there shall be included in Gross Receipts and Terminal Four Gross Receipts monies paid or payable to the Permittee which arise from the sale of such aircraft parts and supplies to which the Permittee has provided labor for fabrication, refinishing or assembly to the extent of the reasonable value of the labor provided by the Permittee;

(ii) which arise solely from the use of equipment rented by the Permittee from a third party which monies are separately stated to and paid by the customer, limited, however, to the amounts actually paid by the Permittee to the third party for such rental of equipment; and

(iii) which arise solely from the loan or rental by the Permittee of aircraft parts, whether or not owned by the Permittee, which monies are separately stated to and paid by a customer and where said loan or rental of any such aircraft part is for a period of less than twelve (12) consecutive calendar days, it being understood that such monies paid or payable to the Permittee for the loan or rental may include monies for labor provided by the Permittee for installation, refurbishment of returned parts or administrative handling which is directly related to said loan or rental provided, however, all monies paid or payable to the Permittee which arise solely from the loan or rental by the Permittee of aircraft parts, whether or not owned by the Permittee, for twelve (12) or more consecutive calendar days (including but not limited to monies for labor provided by the Permittee for installation, refurbishment of returned parts or administrative handling which is directly related to said lease or rental) shall be included in Gross Receipts from the first day of the loan or rental period, as the case may be.

(e) If and to the extent the full fair market value of any sale, service or other item provided by the Permittee is not charged to or payable by the customer, then the fair market value thereof as determined by the Port Authority shall be included in Gross Receipts and Terminal Four Gross Receipts.

(f) Without limiting any other provisions of this Permit regarding Gross Receipts and Terminal Four Gross Receipts, in those instances where the Permittee provides any services or goods along with other services and goods to the same Person (including without limitation those instances where a service is part of or is included within a group of other services and rendered for a single price, and where a service is performed by the Permittee pursuant to agreement for the exchange of services or goods) the Permittee agrees that the value ascribed to the performance of such service by the Permittee shall be the fair and reasonable value thereof as determined by the Port Authority.

(g) Without limiting the requirement for Port Authority approval, if the Permittee conducts any privilege or any portion thereof through the use of a contractor or other third party which is not a Port Authority permittee and where the payments for any of the foregoing are made to such contractor rather than to the Permittee, said payments shall be deemed amounts, monies, revenues, receipts and income paid or payable to the Permittee for purposes of determining the Permittee's Gross Receipts and Terminal Four Gross Receipts, provided, however, that the foregoing shall not grant or be deemed to grant any right or permission to the Permittee to use an independent contractor or other third party to perform any privilege or portion thereof or the doing of anything hereunder by an independent contractor or other third party.

(h) Notwithstanding that the fee hereunder is measured by a percentage of Gross Receipts and Terminal Four Gross Receipts, no joint venture or partnership relationship between the parties hereto is created by this Permit.

(i) To the extent that the Permittee has not already done so at the time of execution of this Permit and without limiting the generality of any other term or provision hereof, the Permittee agrees to submit monthly statements of Gross Receipts and Terminal Four Gross Receipts as provided in this Section and to pay, at the time of execution and delivery of this Permit to the Port Authority, all fees and other amounts due under this Permit for the period from the Effective Date to the time of execution and delivery of this Permit by the Permittee.

(j) Without limiting any other provision of this Permit, it is hereby specifically understood that the failure to set forth all the classes of Persons, all of the locations served or all of the types of services or activities performed by the Permittee in its exercise of the privileges granted hereunder as of the Effective Date, or the failure to, by appropriate supplement, revise this Permit to reflect any additional classes of Persons, locations served, or services or activities performed by the Permittee subsequent to said Effective Date, shall not affect the inclusion in Gross Receipts or Terminal Four Gross Receipts hereunder of the amounts, monies, revenues, receipts and income received or receivable by the Permittee in its operations, and the same shall be so included. The foregoing shall not constitute Port Authority consent or be deemed to imply that the necessary Port Authority consent (to be reflected in a supplement to the Permit) with respect to such additional classes of Persons, locations, services or activities will be given.

(k) The Basic Percentage Fee, the Terminal Four Percentage Fee and any other fees payable under this Permit shall be subject to increase from time to time upon thirty (30) days' notice from the Port Authority to the Permittee, given by the General Manager of the Airport or such other representative as the Port Authority may substitute from time to time by notice to the Permittee, and upon the effective date of the increase set forth in such notice the fees payable by the Permittee under this Permit shall be as set forth in said notice. In the event within ten (10) days after the Permittee receives such notice from the Port Authority, the Permittee notifies the Port Authority that the Permittee does not wish to pay the increased fees, this Permit and the permission granted hereunder shall be, and shall be deemed to be, cancelled effective at the close of business on the day preceding the effective date of the increase, as set forth in the Port Authority's notice to the Permittee. If the Permittee does not so notify the Port Authority, the increased fees shall become effective on the date set forth in the Port Authority's notice as aforesaid. No cancellation of this Permit and the permission granted thereunder pursuant to this paragraph (k) shall be construed to relieve the Permittee of any obligations or liabilities hereunder which shall have accrued on or before the effective date of such cancellation.

(l) Without limiting any term or provision of this Permit, in the event the Permittee performs (x) any service, other than the Authorized Service at the Airport, or (y) any service (including the Authorized Service) at any other Port Authority facility, whether such

performance is the subject of a written agreement by and between the Port Authority and the Permittee, the Permittee hereby agrees that it will pay to the Port Authority any and all fees and/or charges applicable to such service. The Permittee also agrees that, at the request of the Port Authority, it will enter into the appropriate agreement with the Port Authority providing permission for the Permittee to perform such service.

5. Security Deposit:

(a) (i) Provided that an amount is set forth in Item 8 on the first page of this Permit (the "*Required Security Deposit*"), and, provided, further, the amount of said Required Security Deposit is less than $20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deposit with the Port Authority (and shall keep deposited throughout the effective period of the permission under this Permit) the Required Security Deposit, either in cash, or bonds of the United States of America, or of the State of New Jersey, or of the State of New York, or of the Port Authority of New York and New Jersey, having a market value of that amount, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed. Bonds qualifying for deposit hereunder shall be in bearer form but if bonds of that issue were offered only in registered form, then the Permittee may deposit such bonds or bonds in registered form, provided, however, that the Port Authority shall be under no obligation to accept such deposit of a bond in registered form unless such bond has been re-registered in the name of the Port Authority (the expense of such re-registration to be borne by the Permittee) in a manner satisfactory to the Port Authority. The Permittee may request the Port Authority to accept a registered bond in the Permittee's name and if acceptable to the Port Authority the Permittee shall deposit such bond together with an irrevocable bond power (and such other instruments or other documents as the Port Authority may require) in form and substance satisfactory to the Port Authority. In the event the Required Security Deposit is returned to the Permittee, any expenses incurred by the Port Authority in re-registering a bond to the name of the Permittee shall be borne by the Permittee. In addition to any and all other remedies available to it, the Port Authority shall have the right, at its option, at any time and from time to time, with or without notice, to use the Required Security Deposit, or any part thereof, in whole or partial satisfaction of any of its claims or demands against the Permittee. There shall be no obligation on the Port Authority to exercise such right and neither the existence of such right nor the holding of the Required Security Deposit itself shall cure any default or breach of this Permit on the part of the Permittee. With respect to any bonds deposited by the Permittee, the Port Authority shall have the right, in order to satisfy any of its claims or demands against the Permittee, to sell the same in whole or in part, at any time, and from time to time, with or without prior notice at public or private sale, all as determined by the Port Authority, together with the right to purchase the same at such sale free of all claims, equities or rights of redemption of the Permittee. The Permittee hereby waives all right to participate therein and all right to prior notice or demand of the amount or amounts of the claims or demands of the Port Authority against the Permittee. The proceeds of every such sale shall be applied by the Port Authority first to the costs and expenses of the sale (including but not limited to advertising or commission expenses) and then to the amounts due the Port Authority from the Permittee. Any balance remaining shall be retained in cash toward bringing the Required Security Deposit to the sum specified in Item 8 on the first page of this Permit. In the event that the Port Authority shall at any time or times so use the Required Security Deposit, or any part thereof, or if bonds shall have been deposited and the market value thereof shall have declined below the amount set forth in Item 8 on the first page of this Permit, the Permittee shall, on demand of the Port Authority and within two (2) days thereafter, deposit with the Port Authority additional cash or bonds so as to maintain the Required Security Deposit at all times to the full amount above stated in Item 8 on the first page of this Permit, and such additional deposits shall be subject to all the conditions of this Section. After the expiration or

earlier revocation or termination of the effective period of the permission under this Permit, and upon condition that the Permittee shall then be in no wise in default under any part of this Permit, and upon written request therefor by the Permittee, the Port Authority will return the Required Security Deposit to the Permittee less the amount of any and all unpaid claims and demands (including estimated damages) of the Port Authority by reason of any default or breach by the Permittee of this Permit or any part thereof. The Permittee agrees that it will not assign or encumber the Required Security Deposit. The Permittee may collect or receive any interest or income earned on bonds and interest paid on cash deposited in interest-bearing bank accounts, less any part thereof or amount which the Port Authority is or may hereafter be entitled or authorized by law to retain or to charge in connection therewith, whether as or in lieu of an administrative expense, or custodial charge, or otherwise; provided, however, that the Port Authority shall not be obligated by this provision to place or to keep cash deposited hereunder in interest-bearing bank accounts.

(ii) In lieu of the Required Security Deposit made in the form described above in paragraph (a)(i), the Permittee may at any time during the effective period of the permission granted under this Permit offer to deliver to the Port Authority, as security for all obligations of the Permittee under this Permit, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District, in favor of the Port Authority in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent satisfactory letter. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by security in accordance with paragraph (a)(i) of this Section or another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security under paragraph (a)(i) of this Section. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the Required Security Deposit, if any, theretofore made under and in accordance with the provisions of paragraph (a)(i) of this Section. The Permittee shall have the same rights to receive such Required Security Deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the effective period of the permission granted under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount.

(b) Provided that a Required Security Deposit amount is set forth in Item 8 on the first page of this Permit, and, provided, further, the amount of said Required Security Deposit is equal to or greater than $20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of the Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New

York District and acceptable to the Port Authority, in favor of the Port Authority, and payable in the Port of New York District in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is an appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless the letter of credit is replaced by another letter of credit satisfactory to the Port Authority by a date not later than twenty (20) days prior to the effective date of cancellation, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee, upon demand by the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to the amount of the Required Security Deposit. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to be a waiver of any default by the Permittee under the terms of this Permit, and all remedies under this Permit and of the Port Authority consequent upon such default shall not be affected by the existence of a recourse to any such letter of credit.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, in its sole discretion at any time and from time to time upon sixty (60) days' notice to the Permittee, to adjust the amount of the Required Security Deposit. Not later than the effective date set forth in said notice by the Port Authority, the Permittee shall furnish additional cash or bonds, as provided for in paragraph (a) above, or an amendment to, or a replacement of, the letter of credit providing for such adjusted amount of the Required Security Deposit, as the case may be, and such additional cash and/or bonds or adjusted (or replaced) letter of credit shall thereafter constitute the Required Security Deposit required under this Section.

(d) If the Permittee is obligated by any other agreement to maintain a security deposit with the Port Authority to insure payment and performance by the Permittee of all fees, rentals, charges and obligations which may become due and owing to the Port Authority arising from the Permittee's operations at the Airport pursuant to any such other agreement or otherwise, then all such obligations under such other agreement and any deposit pursuant thereto also shall be deemed obligations of the Permittee under this Permit and as security hereunder as well as under any such other agreement and all provisions of such other agreement with respect to such obligations and any obligations thereunder of the Port Authority as to the security deposit are hereby incorporated herein by this reference as though fully set forth herein and hereby made a part hereof. The termination, revocation, cancellation or expiration of any other agreement to which such security shall apply or any permitted assignment of such other agreement shall not affect such obligations as to such security which shall continue in full force and effect hereunder.

6. Permittee's Operations:

(a) The Permittee shall provide to the Port Authority, upon request of the Port Authority from time to time, such information and data in connection with the permission granted hereunder as the Port Authority may request and shall, if so requested by the Port Authority, make periodic reports thereof to the Port Authority utilizing such forms as may be adopted by the Port Authority for such purpose.

(b) The Permittee shall daily remove from the Airport by means of facilities provided by it all garbage, debris and other waste material (whether solid or liquid) arising out of or in connection with the permission granted hereunder, and any such not immediately removed shall be temporarily stored in a clean and sanitary condition, in suitable garbage and waste receptacles, the same to be made of metal and equipped with tight-fitting covers, and to be of a design safely and properly to contain whatever material may be placed therein; said receptacles being provided and maintained by the Permittee. The receptacles shall be kept covered except when filling or emptying the same. The Permittee shall exercise extreme care in removing such garbage, debris and other waste materials from the Airport. The manner of such storage and removal shall be subject in all respects to the continual approval of the Port Authority. No facilities of the Port Authority shall be used for such removal unless with its prior consent in writing. No such garbage, debris or other waste materials shall be or be permitted to be thrown, discharged or disposed into or upon the waters at or bounding the Airport.

(c) The Permittee shall at all times that areas of the Airport are being used for the privileges permitted hereunder, maintain said areas in a clean and orderly condition and appearance. The Permittee shall promptly wipe up any oil, gasoline, grease, lubricants and other inflammable liquids and substances and any liquids and substances having a corrosive or detrimental effect on the paving or other surface of the ramps or other areas upon which it performs the privileges authorized by this Permit resulting from its operations hereunder. The Permittee shall repair, replace, repave or rebuild, or at the Port Authority's election, the Permittee shall pay to the Port Authority the cost to the Port Authority of repairing, replacing, repaving or rebuilding, all or any part of the ramps or other areas upon which it performs the privileges authorized by this Permit which may be damaged or destroyed by such oil, gasoline, grease, lubricants or other liquids or substances or by any other act or omission of the Permittee or its employees, except for reasonable wear and tear arising out of its operations thereon.

(d) A principal purpose of the Port Authority in granting the permission under this Permit is to have available at the Airport, the privileges which the Permittee is permitted to render hereunder. The Permittee agrees that it will conduct a first-class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor, and keep the same in a first-class operating condition at all times.

(e) The Permittee shall immediately comply with all orders, directives and procedures as may be issued by the General Manager of the Airport covering the operations of the Permittee under this Permit at any time and from time to time. The Port Authority may, at any time and from time to time, without prior notice or cause, withdraw or modify any designation, approval, substitution or redesignation given by it hereunder.

(f) In the event of any injury or death to any person (other than employees of the Permittee) at the Airport when caused by the Permittee's operations, or damage to any property (other than the Permittee's property) at the Airport when caused by the Permittee's operations, the Permittee shall immediately notify the Port Authority and promptly thereafter furnish to the Port Authority copies of all reports given to the Permittee's insurance carrier.

(g) The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Airport. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the General Manager of the Airport. The Port Authority shall have the right to object to the Permittee as to the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

(h) The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations at the Airport.

7. Indemnity:

(a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third Persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee hereunder, or out of any of the acts or omissions of the Permittee, its officers, employees or Persons who are doing business with the Permittee arising out of or in connection with the activities permitted hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the Airport, including claims and demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) Without limiting any other term or provision hereof, the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

(c) Without limiting any other term or provision hereof, the Permittee shall indemnify the Port Authority and hold it harmless against all claims and demands of third Persons for damage to any aircraft cargo or baggage or any other property handled or delivered pursuant to the permission granted by this Permit.

(d) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand set forth in paragraphs (a), (b) and (c) above (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

8. Liability Insurance:

(a) The Permittee, in its own name as insured and including the Port Authority as an additional insured, shall maintain and pay the premiums during the effective period of the Permit

on a policy or policies of Commercial General Liability Insurance, including premises-operations and products-completed operations and covering bodily-injury liability, including death, and property damage liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage in the minimum limit set forth in Item 9 on the first page of this Permit, and Commercial Automobile Liability Insurance covering owned, non-owned and hired vehicles and including automatic coverage for newly acquired vehicles and providing for coverage in the minimum limit set forth in Item 9 on the first page of this Permit. Without limiting the foregoing, the Permittee shall maintain Workers' Compensation and Employers Liability Insurance in accordance with the Permittee's statutory obligations under the applicable State Workers' Compensation Law for those employees of the Permittee employed in operations conducted pursuant to this Permit at or from the Airport. In the event the Permittee maintains the foregoing insurance in limits greater than aforesaid, the Port Authority shall be included therein as an additional insured, except for the Workers' Compensation and Employers Liability Insurance policies, to the full extent of all such insurance in accordance with all terms and provisions of this Permit.

(b) Each policy of insurance, except for the Workers' Compensation and Employers Liability Insurance policies, shall also contain an ISO standard "separation of insureds" clause or a cross liability endorsement providing that the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority and any claim or action against the Port Authority by the Permittee, as if the Port Authority were the named insured thereunder, but such clause or endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured. Each policy of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Permittee under Section 7 of the Terms and Conditions of this Permit.

(c) All insurance coverages and policies required under this Section may be reviewed by the Port Authority for adequacy of terms, conditions and limits of coverage at any time and from time to time during the effective period of permission granted under this Permit. The Port Authority may, at any such time, require additions, deletions, amendments or modifications to the aforementioned insurance requirements, or may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem required and the Permittee shall promptly comply therewith.

(d) Each policy shall contain a provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' written advance notice thereof to the Port Authority. Each policy shall contain a provision or endorsement that the insurer "shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority." The foregoing provisions or endorsements shall be recited in each policy or certificate to be delivered pursuant to the following paragraph (e).

(e) A certified copy of each policy or a certificate or certificates of insurance evidencing the existence thereof, or binders, shall be delivered to the Port Authority upon execution and delivery of this Permit by the Permittee to the Port Authority. In the event any binder is delivered it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate of insurance. Any renewal policy shall be evidenced by a renewal certificate of insurance delivered to the Port Authority at least seven (7) days prior to the expiration of each

expiring policy, except for any policy expiring after the date of expiration of this Permit. The aforesaid insurance shall be written by a company or companies approved by the Port Authority. If at any time any insurance policy shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policy shall be or become unsatisfactory to the Port Authority, the Permittee shall promptly obtain a new and satisfactory policy in replacement. If the Port Authority at any time so requests, a certified copy of each policy shall be delivered to or made available for inspection by the Port Authority.

(f) The foregoing insurance requirements shall not in any way be construed as a limitation on the nature or extent of the contractual obligations assumed by the Permittee under this Permit. The foregoing insurance requirements shall not constitute a representation or warranty as to the adequacy of the required coverage to protect the Permittee with respect to the obligations imposed on the Permittee by this Permit or any other agreement or by law.

9. Special Endorsements:

The Permittee hereby agrees to the terms and conditions of the endorsements attached hereto, hereby made a part hereof and marked "*Special Endorsements*". The terms and provisions of the Special Endorsements shall have the same force and effect and as if herein set forth in full.

10. No Waiver:

No failure by the Port Authority or the Terminal Four Lessee to insist upon the strict performance of any agreement, term or condition of this Permit or to exercise any right or remedy consequent upon a breach or default thereof, and no extension, supplement or amendment of this Permit during or after a breach thereof, unless expressly stated to be a waiver, and no acceptance by the Port Authority or the Terminal Four Lessee of fees, charges or other payments in whole or in part after or during the continuance of any such breach or default, shall constitute a waiver of any such breach or default of such agreement, term or condition. No agreement, term or condition of this Permit to be performed or complied with by the Permittee, and no breach or default thereof, shall be waived, altered or modified except by a written instrument executed by the Port Authority. No waiver by the Port Authority of any default or breach on the part of the Permittee in performance of any agreement, term or condition of this Permit shall affect or alter this Permit but each and every agreement, term and condition thereof shall continue in full force and effect with respect to any other then existing or subsequent breach or default thereof.

11. Removal of Property:

The personal property placed or installed by the Permittee at the Airport shall remain the property of the Permittee and must be removed on or before the expiration, revocation, cancellation or termination of the permission hereby granted, whichever shall be earlier. Without limiting the terms and provisions of paragraph (g) of Section 18 hereof, any such property remaining at the Airport after the effective date of such expiration, revocation, cancellation or termination shall be deemed abandoned by the Permittee and may be removed and disposed of by the Port Authority in any manner it so determines in its sole discretion and all the proceeds of any removal or disposition shall be retained by the Port Authority for its account and all costs and expenses of such removal and disposition shall be paid to the Port Authority by the Permittee when billed.

12. Permittee's Representative:

The Permittee's representative specified in Item 3 on the first page of this Permit (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and any act or thing done or to be done hereunder, and to execute on the Permittee's behalf any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. Notices:

Except where expressly required or permitted herein to be oral, all notices, directions, requests, consents and approvals required to be given to or by either party or the Terminal Four Lessee shall be in writing, and all such notices given by the Port Authority or the Terminal Four Lessee to the Permittee shall be validly given if sent by registered or certified mail addressed to the Permittee at the address specified on the first page hereof or at the latest address that the Permittee may substitute therefor by notice to the Port Authority, or left at such address, or delivered to the Permittee's representative. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003 or at such other address as the Port Authority shall hereafter designate by notice to the Permittee. If mailed, the notices herein required to be given shall be deemed effective and given as of the date of the certified or registered mailing thereof.

14. Late Charges:

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority or the Terminal Four Lessee including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four (24) late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (15) (but not less than thirteen (13)) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority or the Terminal Four Lessee of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority or the Terminal Four Lessee to payment of any late charge or late charges payable under the provisions of this Section with respect to such unpaid amount. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority or the Terminal Four Lessee under this Permit, including without limitation the Port Authority's rights set forth in Section 2 of these Terms and Conditions, or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Section shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

15. Non-discrimination:

(a) Without limiting the generality of any of the provisions of this Permit, the Permittee, for itself, its successors in interest and assigns, as a part of the consideration hereof, does hereby agree that (1) no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or be otherwise subject to discrimination in the use of any space at the Airport and the exercise of any privileges under this Permit, (2) that in the construction of any improvements on, over, or under any space at the Airport and the furnishing of any service thereon by the Permittee, no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination, (3) that the Permittee shall use any space at the Airport and exercise any privileges under this Permit in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended, and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which from time to time may be applicable to the Permittee's operations thereat, whether by reason of agreement between the Port Authority and the United States Government or otherwise.

(b) The Permittee shall include the provisions of paragraph (a) of this Section in every agreement or concession it may make pursuant to which any Person or Persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Section shall constitute a material breach of this Permit. Without limiting any other term or provision hereof or any other rights or remedies of the Port Authority hereunder or at law or equity, in the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) Without limiting any other term or provision hereof, the Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third Persons, including the United States of America, resulting from the Permittee's noncompliance with any of the provisions of this Section and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Section shall grant or shall be deemed to grant to the Permittee the right to transfer or assign this Permit, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on any space at the Airport, or any right to use or occupy any space at the Airport.

16. Affirmative Action:

The Permittee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Permittee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity

covered by this subpart. The Permittee assures that it will require that its covered suborganizations provide assurances to the Permittee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

17. Rules and Regulations:

(a) The Permittee shall observe and obey (and compel its officers, employees, guests, invitees, and those doing business with it, to observe and obey) the rules and regulations and procedures of the Port Authority now in effect, and such further reasonable rules and regulations and procedures which may from time to time during the effective period of this Permit, be promulgated by the Port Authority for reasons of safety, health, preservation of property or maintenance of a good and orderly appearance of the Airport or for the safe and efficient operation of the Airport. The Port Authority agrees that, except in cases of emergency, it shall give notice to the Permittee of every rule and regulation hereafter adopted by it at least five (5) days before the Permittee shall be required to comply therewith.

(b) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the New York Board of Fire Underwriters and the New York Fire Insurance Exchange, and any other body or organization exercising similar functions which may pertain or apply to the Permittee's operations hereunder. If by reason of the Permittee's failure to comply with the provisions of this Section, any fire insurance, extended coverage or rental insurance rate on the Airport or any part thereof, or upon the contents of any building thereon, shall at any time be higher than it otherwise would be, then the Permittee shall on demand pay the Port Authority that part of all fire insurance premiums paid or payable by the Port Authority which shall have been charged because of such violation by the Permittee.

18. Prohibited Acts

(a) The Permittee shall not do or permit to be done any act which

(i) will invalidate or be in conflict with any fire insurance policies covering the Airport or any part thereof or upon the contents of any building thereon, or

(ii) will increase the rate of any fire insurance, extended coverage or rental insurance on the Airport or any part thereof or upon the contents of any building thereon, or

(iii) in the opinion of the Port Authority will constitute a hazardous condition, so as to increase the risks normally attendant upon the operations contemplated by this Permit, or

(iv) may cause or produce upon the Airport any unusual noxious or objectionable smokes, gases, vapors or odors, or

(v) may interfere with the effectiveness or accessibility of any drainage and sewerage system, water system, communications system, fire protection system, sprinkler system, alarm system, fire hydrant and hose, if any, installed or located or to be installed or located in or on the Airport, or

(vi) shall constitute a nuisance or injury in or on the Airport or which may result in the creation, commission or maintenance of a nuisance or injury in or on the Airport.

For the purpose of this paragraph (a), "Airport" includes all structures located thereon.

(b) The Permittee shall not dispose of, release or discharge nor permit anyone to dispose of, release or discharge any Hazardous Substance on the Airport except that the Permittee may release or discharge de-icing fluids utilized in the Permittee's ordinary course of business in the performance of any of the privileges granted hereunder so long as such release or discharge is not a violation of the terms and conditions of Sections 17 or 19 hereof. In addition to and without limiting Section 19 hereof, any Hazardous Substance disposed of, released or discharged by the Permittee (or permitted by the Permittee to be disposed of, released or discharged) on the Airport shall upon notice by the Port Authority to the Permittee and subject to the provisions of paragraph (f) of Section 17 hereof and to all Environmental Requirements, be completely removed and/or remediated by the Permittee at its sole cost and expense, provided, however, the forgoing shall not apply to releases and discharges which are in compliance with the terms and conditions of Sections 17 and 19 hereof of de-icing fluids utilized in the Permittee's ordinary course of business in the performance of any of the privileges granted hereunder and the obligation of the Permittee to remove and remediate such de-icing fluids shall be as required by the terms and conditions of Sections 17 and 19 hereof. The obligations of the Permittee pursuant to this paragraph shall survive the expiration, revocation, cancellation or termination of this Permit.

(c) The Permittee shall not dispose of nor permit anyone to dispose of any waste materials (whether liquid or solid) by means of any toilets, sanitary sewers or storm sewers.

(d) (i) The Permittee shall not employ any persons or use any labor, or use or have any equipment, or permit any condition to exist, which shall or may cause or be conducive to any labor complaints, troubles, disputes or controversies at the Airport which interfere or are likely to interfere with the operation of the Airport or any part thereof by the Port Authority or with the operations of the lessees, licensees, permittees or other users of the Airport or with the operations of the Permittee under this Permit.

(ii) The Permittee shall immediately give notice to the Port Authority (to be followed by written notice and reports) of any and all impending or existing labor complaints, troubles, disputes or controversies and the progress thereof. The Permittee shall use its best efforts to resolve any such complaints, troubles, disputes or controversies.

(iii) The Permittee acknowledges that it is familiar with the general and local conditions prevailing at the Airport and with the all pertinent matters and circumstances which may in any way affect performance of the privileges granted under this Permit.

(e) The Permittee shall not solicit business on the public areas of the Airport and the use, at any time, of hand or standard megaphones, loudspeakers or any electric, electronic or other amplifying device is hereby expressly prohibited.

(f) The Permittee shall not install any fixtures or make any alterations, additions, improvements or repairs to any property of the Port Authority except with the prior written approval of the Port Authority.

(g) No signs, posters or similar devices shall be erected, displayed or maintained at the Airport without the written approval of the General Manager of the Airport; and any not approved by such General Manager or not removed by the Permittee upon the termination, revocation, expiration or cancellation of this Permit may be removed by the Port Authority at the expense of the Permittee.

(h) The Permittee shall not operate any engine or any item of automotive equipment in any enclosed space at the Airport unless such space is adequately ventilated.

(i) The Permittee shall not use any cleaning materials having a harmful or corrosive effect on any part of the Airport.

(j) The Permittee shall not fuel or defuel any equipment in any enclosed space at the Airport without the prior approval of the General Manager of the Airport except in accordance with Port Authority rules and regulations.

(k) The Permittee shall not start or operate any engine or any item of automotive equipment in any enclosed space at the Airport unless such space is adequately ventilated and unless such engine is equipped with a proper spark-arresting device.

19. Law Compliance:

(a) The Permittee shall procure all licenses, certificates, permits or other authorization from all governmental authorities, if any, having jurisdiction over the Permittee's operations at the Airport which may be necessary for the Permittee's operations thereat.

(b) The Permittee shall pay all taxes, license, certification, permit and examination fees and excises which may be assessed, levied, exacted or imposed on its property or operations at the Airport or on the Gross Receipts, Terminal Four Gross Receipts or income therefrom, and shall make all applications, reports and returns required in connection therewith.

(c) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions which may pertain or apply to the Permittee's operations at the Airport.

(d) The Permittee's obligations to comply with governmental requirements are provided herein for the purpose of assuring proper safeguards for the protection of Persons and property at the Airport and are not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

(e) The Port Authority has agreed by a provision in the City Lease with the City covering the Airport to conform to the enactments, ordinances, resolutions and regulations of the City and of its various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable so to do. The Permittee shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such

compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

20. Trademarks and Patent Infringement:

The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit.

21. Inspection:

The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Airport or to be placed or brought on the Airport, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

22. Federal Aid:

(a) The Permittee shall

(i) furnish good, prompt and efficient service hereunder, adequate to meet all demands therefor at the Airport;

(ii) furnish said service on a fair, equal and non-discriminatory basis to all users thereof; and

(iii) charge fair, reasonable and non-discriminatory prices for each unit of sale or service, provided that the Permittee may make reasonable and non-discriminatory discounts, rebates or other similar types of price reductions to volume purchasers.

As used in the above subsections "service" shall include furnishing of parts, materials and supplies (including sale thereof).

(b) The Port Authority has applied for and received a grant or grants of money from the Administrator of the Federal Aviation Administration pursuant to the Airport and Airways Development Act of 1970, as the same has been amended and supplemented, and under prior federal statutes which said Act superseded and the Port Authority may in the future apply for and receive further such grants. In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. The performance by the Permittee of the promises and obligations contained in this Permit is therefore a special consideration and inducement to the issuance of this Permit by the Port Authority, and the Permittee further agrees that if the Administrator of the Federal Aviation Administration or any other governmental officer or body having jurisdiction over the enforcement of the obligations of the Port Authority in connection with Federal Airport Aid, shall make any orders, recommendations or suggestions respecting the performance by the Permittee of its obligations under this Permit, the Permittee

will promptly comply therewith at the time or times, when and to the extent that the Port Authority may direct.

23. Capacity and Competition:

(a) The Permittee shall refrain from entering into continuing contracts or arrangements with any third Person for furnishing services covered hereunder when such contracts or arrangements will have the effect of utilizing to an unreasonable extent the Permittee's capacity for rendering such services. A reasonable amount of capacity shall be reserved by the Permittee for the purpose of rendering services hereunder to those who are not parties to continuing contracts with the Permittee.

(b) The Permittee shall not enter into any agreement or understanding, express or implied, binding or non-binding, with any other Person who may furnish services at the Airport similar to those furnished hereunder which will have the effect of (i) fixing rates and charges to be paid by users of the services; (ii) lessening or preventing competition between the Permittee and such other furnishers of services; or (iii) tending to create a monopoly on the Airport in connection with the furnishing of such services.

24. Business Development and Records:

(a) In connection with the exercise of the privileges granted hereunder, the Permittee shall:

(i) use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(ii) not divert or cause or allow to be diverted, any business from the Airport;

(iii) maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of the Permittee at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify the Authorized Service performed at Terminal Four, the Authorized Service performed at the Airport at any location other than Terminal Four and all other services performed at the Airport at any location other than Terminal Four, and;

(iv) cause any company which is owned or controlled by the Permittee, or any company which owns or controls the Permittee, if any such company performs services similar to those performed by the Permittee (any such company being hereinafter called an "*Affiliate*" and all such companies being hereinafter called the "*Affiliates*") to maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of each Affiliate at, through, or in anywise connected with the Airport, which

records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify each activity (including without limitation the Authorized Service) performed at the Airport, the Authorized Service performed at Terminal Four and all other services performed at the airport at any location other than Terminal Four;

(v) permit and/or cause to be permitted in ordinary business hours during the effective period of this Permit, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Port Authority of all the records and books of account of the Permittee (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts and/or Terminal Four Gross Receipts and which the Terminal Four Lessee, in its sole discretion, believes may be relevant for identification, determination or calculation of Terminal Four Receipts, all agreements, and all source documents) and all the records and books of account of all Affiliates (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts and/or Terminal Four Gross Receipts and which the Terminal Four Lessee, in its sole discretion, believes may be relevant for identification, determination or calculation of Terminal Four Receipts, all agreements, and all source documents) (all of the foregoing records and books described in this paragraph (a)(v) being hereinafter collectively referred to as the "*Books and Records*") within ten (10) days following any request by the Port Authority from time to time and at any time to examine and audit any Books and Records;

(vi) if the Permittee has performed any privilege or portion thereof at Terminal Four, then permit and/or cause to be permitted in ordinary business hours during the effective period of the Permit, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Terminal Four Lessee of all Books and Records within ten (10) days following any request by the Terminal Four Lessee from time to time and at any time to examine and audit any Books and Records;

(vii) permit the inspection by the officers, employees and representatives of the Port Authority and the Terminal Four Lessee of any equipment used by the Permittee, including but not limited to the equipment described in paragraph (a)(viii) below; and

(viii) install and use such cash registers, sales slips, invoicing machines and any other equipment or devices, including without limitation computerized record keeping systems, for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of Gross Receipts and Terminal Four Gross Receipts, and without limiting the generality of the foregoing, for any privilege involving cash sales, install and use cash registers or other electronic cash control equipment that provides for non-resettable totals.

(b) Without implying any limitation on the right of the Port Authority to revoke this Permit for cause for breach of any term, condition or provision thereof, including but not limited to, breach of any term, condition or provision of paragraph (a) above, the Permittee understands that the full reporting and disclosure to the Port Authority of all Gross Receipts and Terminal Four Gross Receipts and to the Terminal Four Lessee of all Terminal Four Gross Receipts and the Permittee's compliance with all the provisions of paragraph (a) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under this Permit. In the event any Books and Records are maintained outside the Port of New York District or in the event of the failure of the Permittee to comply with all the provisions of

paragraphs (a)(ii) through (a)(viii) above then, in addition to all, and without limiting any other, rights and remedies of the Port Authority and the Terminal Four Lessee under this Permit or otherwise and in addition to all of the Permittee's other obligations under this Permit:

(i) the Port Authority may estimate the Gross Receipts on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the fees based thereon shall be payable to the Port Authority when billed; and/or

(ii) the Port Authority or the Terminal Four Lessee may estimate the Terminal Four Gross Receipts on any basis that the Port Authority or the Terminal Four Lessee, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the fees based thereon shall be payable to the Terminal Four Lessee when billed; and/or

(iii) if any Books and Records are maintained outside of the Port of New York District, then the Port Authority in its sole discretion may (x) require on ten (10) days' notice to the Permittee that any such Books and Records be made available to the Port Authority within the Port of New York District for examination and audit pursuant to paragraph (a)(v) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(v) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority, for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Permittee shall pay to the Port Authority when billed all costs and expenses of the Port Authority, as determined by the Port Authority, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

(iv) if any Books and Records are maintained outside of the Port of New York District, then the Terminal Four Lessee in its sole discretion may (x) require on ten (10) days' notice to the Permittee that any such Books and Records be made available to the Terminal Four Lessee within the Port of New York District for examination and audit pursuant to paragraph (a)(vi) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(vi) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Permittee shall pay to the Terminal Four Lessee when billed all travel costs and related expenses, as determined by the Terminal Four Lessee, for Terminal Four Lessee auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Permittee shall pay to the Terminal Four Lessee when billed all costs and expenses of the Terminal Four Lessee, as determined by the Terminal Four Lessee, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Terminal Four Lessee for the purpose of conducting such audit and examination.

(c) In the event that upon conducting an examination and audit as described in this Section the Port Authority or the Terminal Four Lessee determines that unpaid amounts are due to the Port Authority or to the Terminal Four Lessee by the Permittee (the "*Audit Findings*"), the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority and/or the Terminal Four Lessee a service charge in the amount equal to five percent (5%) of the Audit Findings. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority or by the Terminal Four Lessee. Such

service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority or the Terminal Four Lessee by the Permittee under this Permit or otherwise. Such service charge shall not be payable if the Port Authority has received, for each month covered by the examination and audit period, the Monthly Sworn Statement of Gross Receipts, as provided in Section 4(a)(ii). No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Section with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

(d) Without implying any limitation on the rights or remedies of the Port Authority under this Permit or otherwise including without limitation the right of the Port Authority to revoke this Permit for cause for breach of any term or provision of paragraphs (a)(iii) or (a)(iv) above and in addition thereto, in the event any of the Books and Records are not maintained in English, then this Permittee shall pay to the Port Authority when billed, all costs and expenses of the Port Authority, as determined by the Port Authority, to translate such Books and Records into English.

(e) The foregoing auditing costs, expenses and amounts of the Port Authority set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Permit payable to the Port Authority with the same force and effect as the Basic Percentage Fee and all other fees payable to the Port Authority hereunder and the foregoing auditing costs, expenses and amounts of the Terminal Four Lessee set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Permit payable to the Terminal Four Lessee with the same force and effect as the Terminal Four Percentage Fee and all other fees payable to the Terminal Four Lessee hereunder.

25. Rates and Charges:

The Permittee shall establish rates and discounts therefrom which are in compliance with Section 22 hereof (each such rate and discount is hereinafter called an "*Established Rate*"). Upon request by the Port Authority, the Permittee shall provide the Port Authority its rates and discounts therefrom for goods and services furnished hereunder. If the Permittee applies any rate in excess of the Established Rate therefor or extends a discount less than the Established Discount therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the Established Rate therefor or extends a discount which is in excess of the Established Rate therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an undercharge and an amount equivalent thereto shall be included in Gross Receipts and Terminal Four Gross Receipts hereunder and the Basic Percentage Fee and the Terminal Four Percentage Fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in Gross Receipts or Terminal Four Gross Receipts any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon such breach which would otherwise be available to it at law, in equity or by reason of this Permit.

26. Other Agreements:

In the event the terms and provisions of any agreement entered into by the Permittee with any third Person in connection with the privileges granted hereunder are contrary to or conflict or are inconsistent with the terms and provisions of this Permit, the terms and provisions of this Permit shall be controlling, effective and determinative.

27. City Lease Provisions:

(a) The Permittee acknowledges that it has received a copy of, and is familiar with the contents of, the City Lease. The Permittee acknowledges that no greater rights or privileges are hereby granted to the Permittee than the Port Authority has the power to grant under the City Lease.

(b) In accordance with the provisions of the City Lease, the Port Authority and the Permittee hereby agree as follows:

(i) This Permit is subject and subordinate to the City Lease and to any interest superior to that of the Port Authority;

(ii) The Permittee shall not pay the fees or other sums under this Permit for more than one (1) month in advance (excluding security or other deposits required under this Permit);

(iii) With respect to this Permit, the Permittee on the termination of the City Lease will, at the option of the City, enter into a direct permit on identical terms with the City;

(iv) The Permittee shall indemnify the City, as third party beneficiary hereunder, with respect to all matters described in Section 31 of the City Lease that arise out of the Permittee's operations at the Airport, or arise out of the acts or omissions of the Permittee's officers, employees, agents, representatives, contractors, customers, business visitors and guests at the Airport with the Permittee's consent;

(v) The Permittee shall not use any portion of the Airport for any use other than as permitted under the City Lease;

(vi) The Permittee shall use the Airport in a manner consistent with the Port Authority's obligations under Section 28 of the City Lease;

(vii) The failure of the Permittee to comply with the foregoing provisions shall be an event of default under this Permit, which shall provide the Port Authority with the right to revoke this Permit and exercise any other rights that the Port Authority may have as the grantor of the permission hereunder; and

(viii) The City shall be named as an additional insured or loss payee, as applicable, under each policy of insurance procured by the Permittee pursuant to this Permit.

28. Counterclaims:

The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts, which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

29. Continued Exercise of Privilege After Expiration, Revocation or Termination:

(a) The Permittee acknowledges that the failure of the Permittee to cease to perform the Authorized Service at the Airport from the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss, and the Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss. The Permittee acknowledges that the Port Authority reserves all its legal and equitable rights and remedies in the event of such failure by the Permittee to cease performance of the Authorized Service.

(b) The Permittee hereby acknowledges and agrees that, subject to the foregoing, all terms and provisions of this Permit shall be and continue in full force and effect during any Post-Termination Period.

30. Miscellaneous:

(a) It is understood and agreed that the Port Authority shall not furnish, sell or supply to the Permittee any services or utilities in connection with this Permit.

(b) No Commissioner, Director, officer, agent or employee of either party shall be charged personally by the other party with any liability, or held liable to the other party, under any term or provision of this Permit, or because of the party's execution or attempted execution, or because of any breach thereof.

(c) The Section and paragraph headings, if any, in this Permit are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope or intent of any provision hereof.

(d) This Permit, including the attached Special Endorsements, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof. This Permit may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee or except by notice as specifically set forth in Sections 4 and 13 hereof. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

SPECIAL ENDORSEMENTS

1. (a) The Port Authority hereby consents to the Permittee providing the Authorized Service to Approved Aircraft Operators at the Airport.

(b) (i) In the event the Permittee shall desire to provide the Authorized Service to another Approved Aircraft Operator or Person at the Airport, the Permittee shall submit such request in writing to the Port Authority. The Permittee may perform the Authorized Service for other Approved Aircraft Operators or Persons at the Airport only after receiving the written consent of the Port Authority.

(ii) The Permittee hereby agrees that it will not carry on any business at the Airport other than as specifically provided herein without receiving the prior written consent of the Port Authority, which consent, if given, will be in the form of a Supplement hereto or a separate agreement with the Port Authority, and will specify whether the provisions regarding fees contained herein or any other provisions regarding fees shall apply thereto.

2. The Permittee hereby attests that its federal taxpayer identification number is [redacted].

TERMS AND CONDITIONS

1. Definitions:

The following terms, when and if used in this Permit, shall have the respective meanings given below:

(a) "*Air Cargo*" shall mean cargo transported to or from the Airport by aircraft owned or operated by an Approved Aircraft Operator.

(b) "*Aircraft Operator*" shall mean (a) a Person owning one or more aircraft which are not leased or chartered to any other Person for operation, and (b) a Person to whom one or more aircraft are leased or chartered for operation - whether the aircraft so owned, leased or chartered are military or non-military, or are used for private business, pleasure or governmental business, or for carrier or non-carrier operations, or for scheduled or non-scheduled operations or otherwise. Said term shall not mean the pilot of an aircraft unless he is also the owner or lessee thereof or a Person to whom it is chartered.

(c) "*Airport*" shall mean John F. Kennedy International Airport, consisting of certain premises identified as "John F. Kennedy International Airport" on Sheet JFK-1 of Exhibit A, and more particularly described in Exhibit B, annexed to the City Lease, and such other property as may be acquired in connection with and added to such premises pursuant to the terms of the City Lease.

(d) "*Approved Aircraft Operator*" shall mean an Aircraft Operator which the General Manager of the Airport has authorized to conduct its aircraft operations at the Airport and if such Aircraft Operator is subleasing or subusing space, or has a ground handling agreement or other agreement at the Airport with an Aircraft Operator, a lessee or other Person at the Airport which requires the consent of the Port Authority, each such subleasing, subuse, ground handling agreement or other agreement has been consented to in writing by the Port Authority.

(e) "*Basic Percentage Fee*" shall have the meaning given such term in Section 4(a)(i) hereof.

(f) "*Cargo Aircraft*" shall mean aircraft engaged solely and exclusively in the carriage of Air Cargo.

(g) "*Cargo Handling and Ramp Service*" shall mean all or any of the following services for or in connection with Air Cargo:

(i) representation and accommodation;

(ii) load control and communications;

(iii) unit load device control, handling and administration in connection with Cargo Aircraft;

(iv) flight operations and crew administration in connection with Cargo Aircraft, including but not limited to obtaining and providing meteorological reports, briefing and debriefing flight crews, preparing and filing flight plans, dispatching and receiving messages in connection with flight and ground operations, maintaining station logs and filing necessary reports with governmental agencies, preparing weight and balance plans, maintaining flight watch and arranging hotel accommodations for flight crews;

(v) pickup and delivery of Air Cargo, air express and mail to and from appropriate locations (allowed or designated from time to time by the Port Authority for such pickup and delivery) on the Airport;

(vi) preparation of documentation associated with Air Cargo, including but not limited to cargo manifests, airway bills and customs clearance documentation;

(vii) distribution of Air Cargo;

(viii) reception of Air Cargo to be shipped from the Airport;

(ix) temporary warehousing, sorting and storage of Air Cargo;

(x) supervision and administration;

(xi) courier services;

(xii) guiding Cargo Aircraft in and out of gate or loading or unloading positions and parking Cargo Aircraft;

(xiii) providing, positioning/removing, and operating appropriate units for engine starting for Cargo Aircraft;

(xiv) furnishing and placing in position and thereafter removing the necessary and appropriate steps, stands and power equipment for the safe and efficient loading and unloading of crew members and other persons, ballast, potable water, mail, air express, Air Cargo and supplies onto and from aircraft and trucks, and performing such loading and unloading and reporting irregularities;

(xv) providing a fire guard equipped with the necessary and appropriate fire fighting equipment for Cargo Aircraft;

(xvi) towing of Cargo Aircraft;

(xvii) ramp control tower services for Cargo Aircraft;

(xviii) Cargo Aircraft servicing, including interior and exterior cleaning, the removal and disposal of aircraft waste material and providing water service, cooling and heating, and toilet service;

(xix) conversion operations and services consisting of the removal of seats from convertible-type aircraft, so as to convert the same to Cargo Aircraft, and from Cargo Aircraft to Passenger Aircraft by the installation of seats;

(xx) ramp area cleaning;

(xxi) Gateside Aircraft Maintenance of Cargo Aircraft, it being specifically understood, however, that Routine and Non-routine Aircraft Maintenance, as distinguished from Gateside Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder;

(xxii) mobile fueling, on the Permittee's own account, for automotive and other ramp equipment using mobile tender vehicles or other equipment as may be approved from time to time by the General Manager of the Airport;

(xxiii) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport;

(xxiv) deicing to the exterior of aircraft of Approved Aircraft Operators at such locations on the Airport as may from time to time be designated by the General Manager of the Airport;

(xxv) triturator operations and maintenance;

(xxvi) snow removal; and

(xxvii) security services for and in connection with Air Cargo and Cargo Aircraft.

(h) "*City*" shall mean the City of New York.

(i) "*City Lease*" shall mean the Amended and Restated Agreement of Lease of the Municipal Air Terminals between The City of New York, as Landlord, and The Port Authority of New York and New Jersey, as Tenant, dated as of November 24, 2004 and recorded in the office of the City Register of the City on December 3, 2004 under City Register File No. 2004000748687, as the same may have been or may be amended or supplemented.

(j) "*Cleaning Service*" shall mean all or any of the following services:

(i) the cleaning, repairing and installing of upholstery, carpeting and curtains in aircraft and linens used on aircraft;

(ii) the complete interior and exterior cleaning of aircraft, the removal and disposal of waste material and providing water service, cooling and heating, and toilet service;

(iii) conversion operations and services consisting of the removal of seats from convertible-type aircraft so as to convert the same to Cargo Aircraft and from Cargo Aircraft to Passenger Aircraft by installation of seats;

(iv) ramp area cleaning services; and

(v) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport.

(k) "*Effective Date*" shall mean that date appearing in Item 6 on the first page of this Permit as the same may be modified pursuant to the provisions of Section 2(a) hereof.

(l) "*Environmental Requirement*" shall mean all common law and all past, present and future laws, statutes, enactments, resolutions, regulations, rules, directives, ordinances,

codes, licenses, permits, orders, memoranda of understanding and memoranda of agreement, guidances, approvals, plans, authorizations, concessions, franchises, requirements and similar items of all governmental agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof, all pollution prevention programs, "best management practices plans", and other programs adopted and agreements made by the Port Authority (whether adopted or made with or without consideration or with or without compulsion), with any government agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof, and all judicial, administrative, voluntary and regulatory decrees, judgments, orders and agreements relating to the protection of human health or the environment, and in the event that there shall be more than one compliance standard, the standard for any of the foregoing to be that which requires the lowest level of a Hazardous Substance, the foregoing to include without limitation:

(i) All requirements pertaining to reporting, licensing, permitting, investigation and remediation of emissions, discharges, releases or threatened releases of Hazardous Substances into the air, surface water, groundwater or land, or relating to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of Hazardous Substances, or the transfer of property on which Hazardous Substances exist; and

(ii) All requirements pertaining to the protection from Hazardous Substances of the health and safety of employees or the public.

(m) "*Executive Director*" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Executive Director of the Port Authority for the time being or his duly designated representative or representatives.

(n) "*Gateside Aircraft Maintenance*" shall mean such emergency transit and turnaround maintenance performed on the aircraft of an Aircraft Operator as may be performed in the time such aircraft is permitted to be and remain at the aircraft gate position or hardstand at which such maintenance is to be performed and which is performed by or required by law, rule or regulation to be performed by or under the supervision of a licensed aircraft mechanic or other person specifically licensed, certified or approved by governmental authority having jurisdiction, including the rental or equipment and tools in the connection therewith. It is specifically understood that the performance of any other aircraft maintenance, including but not limited to Routine and Non-routine Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder.

(o) "*General Manager of the Airport*" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in said General Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean said General Manager (or Acting General Manager) of the Airport for the time being or his duly designated representative or representatives.

(p) "*Gross Receipts*" shall mean all amounts, monies, revenues, receipts and income of every type paid or payable to the Permittee for sales made and for services rendered at or from the Airport, regardless of when or where the order therefor is received, and outside the Airport, if the order therefor is received at the Airport, and any other amounts, monies, revenues, receipts and income of any type arising out of or in connection with the Authorized Service, provided, however, there shall be excluded from Gross Receipts, any Terminal Four Gross Receipts and any taxes imposed by law which are separately stated to and paid by the customer and directly

payable to the taxing authority by the Permittee. The Permittee's Recovery Fee, as hereinafter defined, if any, shall be included within Gross Receipts and shall be subject to the fees set forth under Section 4 of this Permit.

(q) "*Hazardous Substance*" shall mean any pollutant, contaminant, toxic or hazardous waste, dangerous substance, potentially dangerous substance, noxious substance, toxic substance, flammable, explosive or radioactive material, urea formaldehyde foam insulation, asbestos, polychlorinated biphenyls (PCBs), chemicals known to cause cancer, endocrine disruption or reproductive toxicity, petroleum and petroleum products and substances declared to be hazardous or toxic or the removal, containment or restriction of which is required, or the manufacture, preparation, production, generation, use, maintenance, treatment, storage, transfer, handling or ownership of which is restricted, prohibited, regulated or penalized by any federal, state, county, or municipal or other local statute or law now or at any time hereafter in effect as amended or supplemented and by the regulations adopted and publications promulgated pursuant thereto.

(r) "*In-Terminal Handling Service*" shall mean all or any of the following services for or in connection with passengers of Passenger Aircraft:

(i) furnishing interpreters for the assistance of non-English-speaking passengers;

(ii) inbound and outbound passenger baggage handling services, including but not limited to checking, weighing, handling and storage of aircraft baggage;

(iii) selling of tickets for air transportation;

(iv) checking in and boarding aircraft passengers;

(v) porter service for passenger baggage;

(vi) passenger assistance, passenger information service, flight information and public address paging and announcements;

(vii) supervisory and administrative functions on behalf of Approved Aircraft Operators in conjunction with the Permittee's performance of the other activities constituting a part of the In-Terminal Handling Service;

(viii) the arrangement of ground transportation of crew, passengers and baggage;

(ix) handicapped services;

(x) security and pre-board screening;

(xi) building janitorial and maintenance; and

(xii) lounge hosting services.

(s) "*Passenger Aircraft*" shall mean aircraft owned or operated by an Approved Aircraft Operator engaged primarily in the transportation of passengers by aircraft to and from the Airport.

(t) "*Passenger Ramp Service*" shall mean all or any of the following services for or in connection with Passenger Aircraft:

(i) representation and accommodation;

(ii) load control and communications on ramp;

(iii) unit load device control, handling and administration;

(iv) baggage handling and sorting, including delivering baggage to and from Passenger Aircraft and to and from baggage facilities, provided, however, no permission is hereby given for the Permittee to deliver baggage from one terminal to another unless they are part of the same premises; sorting baggage in baggage makeup facilities; and delivering baggage to and from interline system permittees;

(v) guiding Passenger Aircraft in and out of gates or loading and unloading positions and parking Passenger Aircraft;

(vi) furnishing and placing in position and thereafter removing the necessary and appropriate steps, stands and power equipment for the safe and efficient loading and unloading of crew, passengers, baggage, ballast, potable water, mail, air express, Air Cargo and supplies from and onto Passenger Aircraft and trucks, and perform such loading and unloading and reporting irregularities;

(vii) deicing to the exterior of aircraft of Approved Aircraft Operators at such locations on the Airport as may from time to time be designated by the General Manager of the Airport;

(viii) providing, positioning/removing, and operating appropriate units for engine starting;

(ix) providing a fire guard equipped with the necessary and appropriate fire fighting equipment;

(x) towing of Passenger Aircraft;

(xi) ramp control tower services for Passenger Aircraft;

(xii) Passenger Aircraft servicing, including exterior and interior cleaning, the removal and disposal of aircraft waste material and providing water service, cooling and heating, toilet service, and rearranging cabin equipment;

(xiii) ramp area cleaning;

(xiv) mobile fueling on the Permittee's own account for automotive and other ramp equipment using mobile tender vehicles or other equipment as may be approved from time to time by the General Manager of the Airport;

(xv) Gateside Aircraft Maintenance of Passenger Aircraft, it being specifically understood, however, that Routine and Non-routine Aircraft Maintenance, as distinguished from Gateside Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder;

(xvi) flight operations and crew administration including but not limited to obtaining and providing meteorological reports, briefing and debriefing flight crews, preparing and filing flight plans, dispatching and receiving messages in connection with flight and ground operations, maintaining station logs and filing necessary reports with governmental agencies, preparing weight and balance plans, maintaining flight watch and arranging hotel accommodations for flight crews;

(xvii) ramp transportation for crew, passengers and baggage;

(xviii) supervisory and administrative functions on behalf of Approved Aircraft Operators of Passenger Aircraft;

(xix) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport, and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport;

(xx) catering liaison and administration;

(xxi) triturator operations and maintenance;

(xxii) snow removal; and

(xxiii) security services for passengers and baggage, cargo and mail, catering, and on aircraft, ramp and other designated areas.

(u) "*Permitted Areas*" shall mean with respect to the Authorized Service the following areas of the Airport and only such areas:

(i) those areas where the Permittee is authorized pursuant to a separate lease, permit or other written agreement (other than this Permit) with the Port Authority to provide such Authorized Service;

(ii) any area which pursuant to a written agreement the Port Authority has either leased to a third Person or has otherwise permitted a third Person to use and occupy and where (x) the Permittee performs such Authorized Service on such area for such Person or has obtained permission from such Person to perform such Authorized Service for an Approved Aircraft Operator on such area and (y) the performance of such Authorized Service for such Approved Aircraft Operator on such area is permitted by a written agreement with the Port Authority covering such area; or

(iii) such areas as may hereafter be designated in writing by the Port Authority for the performance of such privileges by the Permittee, it being understood and agreed that the Port Authority shall have the right at any time and from time to time to revoke, cancel, change or alter any such designation.

(v) "*Permittee's Recovery Fee*" shall mean any surcharge or other amount that the Permittee may separately state and charge its customers to recover the fee, or portion thereof, payable under this Permit.

(w) "*Person*" shall mean not only a natural person, corporation or other legal entity, but also two or more natural persons, corporations or other legal entities acting jointly as a firm, partnership, unincorporated association, consortium, joint adventurers or otherwise.

(x) "*Post-Termination Period*" shall have the meaning ascribed to it in paragraph (a) of Section 29 hereof.

(y) "*Routine and Non-routine Aircraft Maintenance*" shall mean all work including but not limited to the inspection, maintenance, servicing, testing, overhaul, cleaning, conversion, repair and installation of parts and supplies on aircraft and on aircraft parts of Approved Aircraft Operators performed by or required by law, rule or regulation to be performed by or under the supervision of a licensed aircraft mechanic or other person specially licensed, certified or approved by governmental authority, including the rental of tools and equipment in connection therewith.

(z) "*Terminal Four*" shall mean the premises under the Terminal Four Lease commonly referred to on the Airport as "Terminal Four".

(aa) "*Terminal Four Gross Receipts*" shall each mean and include all amounts, monies, revenues, receipts and income of every type paid or payable to the Permittee for sales made and for services rendered at Terminal Four, regardless of when or where the order therefor is received, and any other amounts, monies, revenues, receipts and income of any type arising out of or in connection with the Permittee's operations at Terminal Four, provided, however, there shall be excluded from Terminal Four Gross Receipts any taxes imposed by law which are separately stated to and paid by the customer and directly payable to the taxing authority by the Permittee.

(bb) "*Terminal Four Lease*" shall mean that certain agreement of lease bearing Port Authority Agreement No. AYC-685 entered into between the Port Authority and JFK International Air Terminal LLC on May 13, 1997.

(cc) "*Terminal Four Lessee*" shall mean for the time being JFK International Air Terminal LLC, a limited liability company organized and existing under the laws of the State of New York, or such other Person which the Port Authority may from time to time and at any time designate by notice to the Permittee.

(dd) "*Terminal Four Percentage Fee*" shall mean the fee payable to the Terminal Four Lessee pursuant to and as defined in Section 4(a)(i) hereof.

2. Effective Date, Termination and Revocation:

(a) The permission hereby granted shall take effect upon the Effective Date. Notwithstanding Item 6 appearing on the first page of this Permit, the Effective Date of this Permit shall be that date the Permittee commenced any of the activities permitted by this Permit. The Permittee in executing this Permit represents that the Effective Date appearing in Item 6 on the first page of this Permit is the date the Permittee commenced any of the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced any of the activities permitted by this Permit prior to said effective date, the Effective Date of this Permit shall be the date the Permittee commenced any of the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence

on such date including without limitation the Permittee's indemnity obligations and obligations to pay fees.

(b) Notwithstanding any other term or condition hereof, the permission hereby granted may be revoked without cause upon thirty (30) days' written notice by the Port Authority, or terminated without cause upon thirty (30) days' written notice by the Permittee, provided, however, that it may be revoked on twenty-four (24) hours' notice by the Port Authority if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth.

(c) In the event the Port Authority exercises it right to revoke this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation, including without limitation any and all personnel and legal costs (including but not limited to the cost to the Port Authority of in-house legal services) and disbursements incurred by it arising out of, relating to, or in connection with the enforcement or revocation of this Permit including, without limitation, legal proceedings initiated by the Port Authority to exercise its revocation rights and to collect all amounts due and owing to the Port Authority under this Permit.

(d) For the purposes of this Permit, a default by the Permittee in keeping, performing or observing any promise, obligation, term or agreement set forth herein on the part of the Permittee to be kept, performed or observed shall include the following whether or not the time has yet arrived for the keeping, performance or observance of any such promise, obligation, term or agreement:

(i) a statement by the Permittee to any representative of the Port Authority indicating that it cannot or will not keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit;

(ii) any act or omission of the Permittee or any other occurrence which makes it improbable at the time that it will be able to keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit; or

(iii) any suspension of or failure to proceed with any part of the privileges to be performed by the Permittee which makes it improbable at the time that it will be able to keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit.

(e) (i) If any type of strike, boycott, picketing, work stoppage, slowdown or other labor activity is directed against the Permittee at the Airport or against any operations of the Permittee under this Permit, whether or not the same is due to the fault of the Permittee and whether or not caused by the employees of the Permittee, and if any of the foregoing, in the opinion of the Port Authority, results or is likely to result in curtailment or diminution of the privileges to be performed hereunder by the Permittee or to interfere with or affect the operation of the Airport by the Port Authority or to interfere with or affect the operations of lessees, licensees, permittees or other users of the Airport, the Port Authority shall have the right at any time during the continuance thereof to suspend the operations of the Permittee under this Permit and/or to revoke this Permit.

(ii) In the event the Port Authority exercises its right to revoke this Permit, as aforesaid, it shall do so by twenty-four (24) hours' written notice to the Permittee, effective as of the time specified in the notice. The exercise by the Port Authority of its right of suspension shall not waive or affect or be deemed to waive or affect the right of revocation.

(iii) Prior to the exercise of the right of suspension by the Port Authority, it shall give the Permittee notice thereof, which notice may be oral. The Permittee shall not perform its operations authorized by this Permit during the period of the suspension. The period of suspension shall end not more than twenty-four (24) hours after the cause thereof has ceased or been cured and the Permittee shall notify the Port Authority of such cessation or cure.

(iv) The rights of suspension and revocation as hereinbefore set forth may be exercised by the Port Authority prior to the Effective Date set forth in Item 6 on the first page of this Permit. No exercise by the Port Authority of its rights granted to it in paragraph (e) of this Section shall be deemed to be a waiver of any other rights of revocation contained in this Permit or a waiver of any other rights or remedies which may be available to the Port Authority under this Permit or otherwise.

(f) No revocation or termination of the permission hereunder shall relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

(g) No exercise by the Port Authority of any right of revocation granted to it in this Section shall be deemed to be a waiver of any other rights of revocation contained in this Section or elsewhere in this Permit or a waiver of any other rights or remedies which may be available to the Port Authority under this Permit or otherwise.

3. Exercise of Rights:

(a) The rights granted hereby shall be exercised

(i) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(ii) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(iii) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees,

(iv) if the Permittee is an individual, by the Permittee acting only personally or through the medium of its employees, and

(v) if the Permittee is a limited liability company, by the Permittee acting only through the medium of its members, managers, and employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other Person. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed

by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

(b) No greater rights or privileges are hereby granted to the Permittee than the Port Authority has power to grant under the City Lease.

(c) Neither this Permit nor anything contained herein, shall be deemed to grant any rights in the Permittee to use and occupy any land, building space or other area at the Airport or shall be deemed to have created any obligation on the part of the Port Authority to provide any such land, space or area to the Permittee.

(d) Neither the execution and delivery of this Permit nor any act done pursuant thereto shall create between any terminal operator, lessee or other occupant of land at the Airport including but not limited to the Terminal Four Lessee and the Permittee, on one hand, and the Port Authority on the other hand the relationship of bailor and bailee, or any other relationship or any legal status which would impose upon the Port Authority with respect to any personal property, such as but not limited to, aircraft cargo or baggage, owned and/or handled by the Permittee any duty or obligation whatsoever. The Permittee expressly agrees that the Port Authority shall have no liability with respect to any aircraft cargo or baggage or any other property of the Permittee or of any other Person left anywhere on the Airport.

(e) This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

(f) Nothing contained in this Permit shall constitute permission to the Permittee to park or store equipment or personal property at any location or area at the Airport.

(g) The Permittee shall have no right hereunder to carry on any business or operation at the Airport other than that specifically provided herein. Without limiting the generality of the foregoing and notwithstanding anything else in this Permit to the contrary, the Permittee is expressly prohibited hereunder from performing ground transportation, fueling of aircraft and the selling and delivery of in-flight meals.

(h) It is understood that any and all privileges granted hereunder to the Permittee are non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Airport to another or others, whether by this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute a violation or breach of the permission herein granted.

(i) The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Airport.

(j) The words "permission" and "privilege" are used interchangeably in this Permit, and except where expressly provided to the contrary, shall mean the privileges granted by this Permit.

4. Fees:

(a) (i) The Permittee agrees to pay to the Port Authority, at the times set forth in and in accordance with paragraph (a)(ii) below, a percentage fee (the "*Basic Percentage Fee*") equal to five percent (5%) (as the same may be increased pursuant to paragraph (k) below) of Gross Receipts and, if any privilege or portion thereof is performed at Terminal Four, to pay to

the Terminal Four Lessee a percentage fee (hereinafter called the "Terminal Four Percentage Fee"), at the times set forth in and in accordance with paragraph (a)(iii) below, equal to five percent (5%), as the same may be increased pursuant to paragraph (k) below, of Terminal Four Gross Receipts.

(ii) Gross Receipts shall be reported and the Basic Percentage Fee shall be paid to the Port Authority by the Permittee as follows: On or before the twentieth (20th) day of the first month following the month in which the Effective Date falls and on the twentieth (20th) day of each and every calendar month thereafter during the period that this Permit is in effect and including the calendar month in which this Permit ceases to be in effect, the Permittee shall render to the Port Authority a monthly statement sworn to by a responsible executive or fiscal officer of the Permittee showing all of the Gross Receipts for the preceding month (the "Monthly Sworn Statement of Gross Receipts"). Each of the said statements shall also show the cumulative Gross Receipts from the Effective Date (or the most recent anniversary thereof) through the last day of the preceding month. At the same time each of the said statements is rendered to the Port Authority, the Permittee shall pay to the Port Authority an amount equal to five percent (5%) applied to the Gross Receipts for the preceding calendar month. In addition to the foregoing, on the twentieth (20th) day of the first month following each anniversary of the Effective Date the Permittee shall submit to the Port Authority a statement setting forth the cumulative totals of the Gross Receipts for the entire preceding twelve (12) month period certified, at the Permittee's expense, by a certified public accountant or a responsible executive or fiscal officer of the Permittee ("Annual Statement of Gross Receipts"). In addition to the foregoing, within twenty (20) days after the expiration, termination, revocation or cancellation of this Permit, the Permittee shall render to the Port Authority a sworn statement certified, at the Permittee's expense, by a certified public accountant of all Gross Receipts during the period from the last preceding anniversary of the Effective Date up to and including the last day this Permit shall be in effect and the Permittee shall, at the time of rendering such statement to the Port Authority, pay the Basic Percentage Fee due and unpaid as of the last day this Permit shall be in effect. The Permittee shall give the name and position of the responsible executive or fiscal officer designated under this paragraph to submit Monthly Sworn Statement and Annual Statement of Gross Receipts, ten (10) business days prior to the submission of the first such statement by the designee of the Permittee, so that the Port Authority may determine whether it will accept such designation. The designation shall be submitted to the Manager of Properties for the Airport. If such timely notice is not given to the Port Authority, the Permittee shall submit such statement to the Port Authority in a form executed by a certified public accountant.

(iii) Terminal Four Gross Receipts shall be reported and the Terminal Four Percentage Fee shall be paid to the Terminal Four Lessee by the Permittee as follows: On or before the twentieth (20th) day of the first month following the month in which the Effective Date falls and on the twentieth (20th) day of each and every calendar month thereafter during the period that the Permit is in effect and including the calendar month in which the Permit ceases to be in effect, the Permittee shall render to the Port Authority and the Terminal Four Lessee a monthly statement sworn to by a responsible executive or fiscal officer of the Permittee showing all of the Terminal Four Gross Receipts for the preceding month. Each of the said statements shall also show the cumulative Terminal Four Gross Receipts from the Effective Date (or the most recent anniversary thereof) through the last day of the preceding month. At the same time each of the said statements is rendered to the Port Authority and the Terminal Four Lessee, the Permittee shall pay to the Terminal Four Lessee an amount equal to five percent (5%) applied to the Terminal Four Gross Receipts for the preceding calendar month. In addition to the foregoing, on the twentieth (20th) day of the first month following each anniversary of the Effective Date the Permittee shall submit to the Port Authority and the Terminal Four Lessee a statement setting forth the cumulative totals of the Terminal Four Gross Receipts for the entire preceding twelve (12) month period certified, at the Permittee's expense, by a certified public

accountant. In addition to the foregoing, within twenty (20) days after the expiration, termination, revocation or cancellation of the Permit, the Permittee shall render to the Port Authority and the Terminal Four Lessee a sworn statement certified, at the Permittee's expense, by a certified public accountant or a responsible executive or fiscal officer of the Permittee of all Terminal Four Gross Receipts during the period from the last preceding anniversary of the Effective Date up to and including the last day the Permit shall be in effect and the Permittee shall, at the time of rendering such statement to the Terminal Four Lessee pay to the Terminal Four Lessee the Terminal Four Percentage Fee due and unpaid as of the last day the Permit shall be in effect. Each of the statements called for hereunder shall separately list and state the Terminal Four Gross Receipts and the applicable Terminal Four Percentage Fee payable thereon for each privilege (including without limitation each Authorized Service) provided by the Permittee hereunder at Terminal Four.

(b) (i) All statements to be submitted to the Port Authority pursuant to this Section and all payments made under this Permit, except for the Terminal Four Percentage Fee, shall be sent to the following address:

THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY
P.O. BOX 95000-1556
PHILADELPHIA, PENNSYLVANIA 19195-0001

or made via the following wire transfer instructions:

Bank: [redacted]
Bank ABA number: [redacted]
Account number:

or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

(ii) All statements to be submitted to the Terminal Four Lessee hereunder and the Terminal Four Percentage Fee shall be made to the Terminal Four Lessee at Terminal Four, John F. Kennedy International Airport, Room 2300, Jamaica, New York 11430 or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

(c) There shall be excluded from Gross Receipts and Terminal Four Gross Receipts any sum paid or payable to the Permittee for the following, provided said sum is separately stated to and paid by the customer:

(i) handicapped services;

(ii) security services;

(iii) lost and found baggage services;

(iv) snow removal services;

(v) ground transportation of employees; and

(vi) building janitorial and maintenance services,

provided further, however, the Permittee acknowledges and agrees that the Port Authority does and shall continue to have the right at any time and from time to time to withdraw the foregoing exclusions from Gross Receipts (and Terminal Four Gross Receipts), in whole or in part, or to establish a separate fee for each such service, which may be a percentage fee other than five percent (5%), upon sixty (60) days' prior written notice to the Permittee. Notwithstanding the foregoing, any fee established must be agreed to by the Permittee and the Port Authority and must be reflected in a supplement to this Permit to be prepared by the Port Authority and executed by the parties hereto.

(d) In the event the Permittee shall be permitted hereunder to provide Gateside Aircraft Maintenance services or Routine and Non-routine Aircraft Maintenance services, there shall be excluded from Gross Receipts and Terminal Four Gross Receipts any sum paid or payable to the Permittee:

(i) which arise solely from the resale to a customer of aircraft parts and supplies purchased by the Permittee from a third party, provided, however, that there shall be included in Gross Receipts and Terminal Four Gross Receipts monies paid or payable to the Permittee which arise from the sale of such aircraft parts and supplies to which the Permittee has provided labor for fabrication, refinishing or assembly to the extent of the reasonable value of the labor provided by the Permittee;

(ii) which arise solely from the use of equipment rented by the Permittee from a third party which monies are separately stated to and paid by the customer, limited, however, to the amounts actually paid by the Permittee to the third party for such rental of equipment; and

(iii) which arise solely from the loan or rental by the Permittee of aircraft parts, whether or not owned by the Permittee, which monies are separately stated to and paid by a customer and where said loan or rental of any such aircraft part is for a period of less than twelve (12) consecutive calendar days, it being understood that such monies paid or payable to the Permittee for the loan or rental may include monies for labor provided by the Permittee for installation, refurbishment of returned parts or administrative handling which is directly related to said loan or rental provided, however, all monies paid or payable to the Permittee which arise solely from the loan or rental by the Permittee of aircraft parts, whether or not owned by the Permittee, for twelve (12) or more consecutive calendar days (including but not limited to monies for labor provided by the Permittee for installation, refurbishment of returned parts or administrative handling which is directly related to said lease or rental) shall be included in Gross Receipts from the first day of the loan or rental period, as the case may be.

(e) If and to the extent the full fair market value of any sale, service or other item provided by the Permittee is not charged to or payable by the customer, then the fair market value thereof as determined by the Port Authority shall be included in Gross Receipts and Terminal Four Gross Receipts.

(f) Without limiting any other provisions of this Permit regarding Gross Receipts and Terminal Four Gross Receipts, in those instances where the Permittee provides any services or goods along with other services and goods to the same Person (including without limitation those instances where a service is part of or is included within a group of other services and rendered for a single price, and where a service is performed by the Permittee pursuant to agreement for the exchange of services or goods) the Permittee agrees that the value ascribed to the performance of such service by the Permittee shall be the fair and reasonable value thereof as determined by the Port Authority.

(g) Without limiting the requirement for Port Authority approval, if the Permittee conducts any privilege or any portion thereof through the use of a contractor or other third party which is not a Port Authority permittee and where the payments for any of the foregoing are made to such contractor rather than to the Permittee, said payments shall be deemed amounts, monies, revenues, receipts and income paid or payable to the Permittee for purposes of determining the Permittee's Gross Receipts and Terminal Four Gross Receipts, provided, however, that the foregoing shall not grant or be deemed to grant any right or permission to the Permittee to use an independent contractor or other third party to perform any privilege or portion thereof or the doing of anything hereunder by an independent contractor or other third party.

(h) Notwithstanding that the fee hereunder is measured by a percentage of Gross Receipts and Terminal Four Gross Receipts, no joint venture or partnership relationship between the parties hereto is created by this Permit.

(i) To the extent that the Permittee has not already done so at the time of execution of this Permit and without limiting the generality of any other term or provision hereof, the Permittee agrees to submit monthly statements of Gross Receipts and Terminal Four Gross Receipts as provided in this Section and to pay, at the time of execution and delivery of this Permit to the Port Authority, all fees and other amounts due under this Permit for the period from the Effective Date to the time of execution and delivery of this Permit by the Permittee.

(j) Without limiting any other provision of this Permit, it is hereby specifically understood that the failure to set forth all the classes of Persons, all of the locations served or all of the types of services or activities performed by the Permittee in its exercise of the privileges granted hereunder as of the Effective Date, or the failure to, by appropriate supplement, revise this Permit to reflect any additional classes of Persons, locations served, or services or activities performed by the Permittee subsequent to said Effective Date, shall not affect the inclusion in Gross Receipts or Terminal Four Gross Receipts hereunder of the amounts, monies, revenues, receipts and income received or receivable by the Permittee in its operations, and the same shall be so included. The foregoing shall not constitute Port Authority consent or be deemed to imply that the necessary Port Authority consent (to be reflected in a supplement to the Permit) with respect to such additional classes of Persons, locations, services or activities will be given.

(k) The Basic Percentage Fee, the Terminal Four Percentage Fee and any other fees payable under this Permit shall be subject to increase from time to time upon thirty (30) days' notice from the Port Authority to the Permittee, given by the General Manager of the Airport or such other representative as the Port Authority may substitute from time to time by notice to the Permittee, and upon the effective date of the increase set forth in such notice the fees payable by the Permittee under this Permit shall be as set forth in said notice. In the event within ten (10) days after the Permittee receives such notice from the Port Authority, the Permittee notifies the Port Authority that the Permittee does not wish to pay the increased fees, this Permit and the permission granted hereunder shall be, and shall be deemed to be, cancelled effective at the close of business on the day preceding the effective date of the increase, as set forth in the Port Authority's notice to the Permittee. If the Permittee does not so notify the Port Authority, the increased fees shall become effective on the date set forth in the Port Authority's notice as aforesaid. No cancellation of this Permit and the permission granted thereunder pursuant to this paragraph (k) shall be construed to relieve the Permittee of any obligations or liabilities hereunder which shall have accrued on or before the effective date of such cancellation.

(l) Without limiting any term or provision of this Permit, in the event the Permittee performs (x) any service, other than the Authorized Service at the Airport, or (y) any service (including the Authorized Service) at any other Port Authority facility, whether such

performance is the subject of a written agreement by and between the Port Authority and the Permittee, the Permittee hereby agrees that it will pay to the Port Authority any and all fees and/or charges applicable to such service. The Permittee also agrees that, at the request of the Port Authority, it will enter into the appropriate agreement with the Port Authority providing permission for the Permittee to perform such service.

5. Security Deposit:

(a) (i) Provided that an amount is set forth in Item 8 on the first page of this Permit (the "*Required Security Deposit*"), and, provided, further, the amount of said Required Security Deposit is less than $20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deposit with the Port Authority (and shall keep deposited throughout the effective period of the permission under this Permit) the Required Security Deposit, either in cash, or bonds of the United States of America, or of the State of New Jersey, or of the State of New York, or of the Port Authority of New York and New Jersey, having a market value of that amount, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed. Bonds qualifying for deposit hereunder shall be in bearer form but if bonds of that issue were offered only in registered form, then the Permittee may deposit such bonds or bonds in registered form, provided, however, that the Port Authority shall be under no obligation to accept such deposit of a bond in registered form unless such bond has been re-registered in the name of the Port Authority (the expense of such re-registration to be borne by the Permittee) in a manner satisfactory to the Port Authority. The Permittee may request the Port Authority to accept a registered bond in the Permittee's name and if acceptable to the Port Authority the Permittee shall deposit such bond together with an irrevocable bond power (and such other instruments or other documents as the Port Authority may require) in form and substance satisfactory to the Port Authority. In the event the Required Security Deposit is returned to the Permittee, any expenses incurred by the Port Authority in re-registering a bond to the name of the Permittee shall be borne by the Permittee. In addition to any and all other remedies available to it, the Port Authority shall have the right, at its option, at any time and from time to time, with or without notice, to use the Required Security Deposit, or any part thereof, in whole or partial satisfaction of any of its claims or demands against the Permittee. There shall be no obligation on the Port Authority to exercise such right and neither the existence of such right nor the holding of the Required Security Deposit itself shall cure any default or breach of this Permit on the part of the Permittee. With respect to any bonds deposited by the Permittee, the Port Authority shall have the right, in order to satisfy any of its claims or demands against the Permittee, to sell the same in whole or in part, at any time, and from time to time, with or without prior notice at public or private sale, all as determined by the Port Authority, together with the right to purchase the same at such sale free of all claims, equities or rights of redemption of the Permittee. The Permittee hereby waives all right to participate therein and all right to prior notice or demand of the amount or amounts of the claims or demands of the Port Authority against the Permittee. The proceeds of every such sale shall be applied by the Port Authority first to the costs and expenses of the sale (including but not limited to advertising or commission expenses) and then to the amounts due the Port Authority from the Permittee. Any balance remaining shall be retained in cash toward bringing the Required Security Deposit to the sum specified in Item 8 on the first page of this Permit. In the event that the Port Authority shall at any time or times so use the Required Security Deposit, or any part thereof, or if bonds shall have been deposited and the market value thereof shall have declined below the amount set forth in Item 8 on the first page of this Permit, the Permittee shall, on demand of the Port Authority and within two (2) days thereafter, deposit with the Port Authority additional cash or bonds so as to maintain the Required Security Deposit at all times to the full amount above stated in Item 8 on the first page of this Permit, and such additional deposits shall be subject to all the conditions of this Section. After the expiration or

earlier revocation or termination of the effective period of the permission under this Permit, and upon condition that the Permittee shall then be in no wise in default under any part of this Permit, and upon written request therefor by the Permittee, the Port Authority will return the Required Security Deposit to the Permittee less the amount of any and all unpaid claims and demands (including estimated damages) of the Port Authority by reason of any default or breach by the Permittee of this Permit or any part thereof. The Permittee agrees that it will not assign or encumber the Required Security Deposit. The Permittee may collect or receive any interest or income earned on bonds and interest paid on cash deposited in interest-bearing bank accounts, less any part thereof or amount which the Port Authority is or may hereafter be entitled or authorized by law to retain or to charge in connection therewith, whether as or in lieu of an administrative expense, or custodial charge, or otherwise; provided, however, that the Port Authority shall not be obligated by this provision to place or to keep cash deposited hereunder in interest-bearing bank accounts.

(ii) In lieu of the Required Security Deposit made in the form described above in paragraph (a)(i), the Permittee may at any time during the effective period of the permission granted under this Permit offer to deliver to the Port Authority, as security for all obligations of the Permittee under this Permit, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District, in favor of the Port Authority in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent satisfactory letter. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by security in accordance with paragraph (a)(i) of this Section or another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security under paragraph (a)(i) of this Section. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the Required Security Deposit, if any, theretofore made under and in accordance with the provisions of paragraph (a)(i) of this Section. The Permittee shall have the same rights to receive such Required Security Deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the effective period of the permission granted under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount.

(b) Provided that a Required Security Deposit amount is set forth in Item 8 on the first page of this Permit, and, provided, further, the amount of said Required Security Deposit is equal to or greater than $20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of the Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New

York District and acceptable to the Port Authority, in favor of the Port Authority, and payable in the Port of New York District in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is an appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless the letter of credit is replaced by another letter of credit satisfactory to the Port Authority by a date not later than twenty (20) days prior to the effective date of cancellation, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee, upon demand by the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to the amount of the Required Security Deposit. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to be a waiver of any default by the Permittee under the terms of this Permit, and all remedies under this Permit and of the Port Authority consequent upon such default shall not be affected by the existence of a recourse to any such letter of credit.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, in its sole discretion at any time and from time to time upon sixty (60) days' notice to the Permittee, to adjust the amount of the Required Security Deposit. Not later than the effective date set forth in said notice by the Port Authority, the Permittee shall furnish additional cash or bonds, as provided for in paragraph (a) above, or an amendment to, or a replacement of, the letter of credit providing for such adjusted amount of the Required Security Deposit, as the case may be, and such additional cash and/or bonds or adjusted (or replaced) letter of credit shall thereafter constitute the Required Security Deposit required under this Section.

(d) If the Permittee is obligated by any other agreement to maintain a security deposit with the Port Authority to insure payment and performance by the Permittee of all fees, rentals, charges and obligations which may become due and owing to the Port Authority arising from the Permittee's operations at the Airport pursuant to any such other agreement or otherwise, then all such obligations under such other agreement and any deposit pursuant thereto also shall be deemed obligations of the Permittee under this Permit and as security hereunder as well as under any such other agreement and all provisions of such other agreement with respect to such obligations and any obligations thereunder of the Port Authority as to the security deposit are hereby incorporated herein by this reference as though fully set forth herein and hereby made a part hereof. The termination, revocation, cancellation or expiration of any other agreement to which such security shall apply or any permitted assignment of such other agreement shall not affect such obligations as to such security which shall continue in full force and effect hereunder.

6. Permittee's Operations:

(a) The Permittee shall provide to the Port Authority, upon request of the Port Authority from time to time, such information and data in connection with the permission granted hereunder as the Port Authority may request and shall, if so requested by the Port Authority, make periodic reports thereof to the Port Authority utilizing such forms as may be adopted by the Port Authority for such purpose.

(b) The Permittee shall daily remove from the Airport by means of facilities provided by it all garbage, debris and other waste material (whether solid or liquid) arising out of or in connection with the permission granted hereunder, and any such not immediately removed shall be temporarily stored in a clean and sanitary condition, in suitable garbage and waste receptacles, the same to be made of metal and equipped with tight-fitting covers, and to be of a design safely and properly to contain whatever material may be placed therein; said receptacles being provided and maintained by the Permittee. The receptacles shall be kept covered except when filling or emptying the same. The Permittee shall exercise extreme care in removing such garbage, debris and other waste materials from the Airport. The manner of such storage and removal shall be subject in all respects to the continual approval of the Port Authority. No facilities of the Port Authority shall be used for such removal unless with its prior consent in writing. No such garbage, debris or other waste materials shall be or be permitted to be thrown, discharged or disposed into or upon the waters at or bounding the Airport.

(c) The Permittee shall at all times that areas of the Airport are being used for the privileges permitted hereunder, maintain said areas in a clean and orderly condition and appearance. The Permittee shall promptly wipe up any oil, gasoline, grease, lubricants and other inflammable liquids and substances and any liquids and substances having a corrosive or detrimental effect on the paving or other surface of the ramps or other areas upon which it performs the privileges authorized by this Permit resulting from its operations hereunder. The Permittee shall repair, replace, repave or rebuild, or at the Port Authority's election, the Permittee shall pay to the Port Authority the cost to the Port Authority of repairing, replacing, repaving or rebuilding, all or any part of the ramps or other areas upon which it performs the privileges authorized by this Permit which may be damaged or destroyed by such oil, gasoline, grease, lubricants or other liquids or substances or by any other act or omission of the Permittee or its employees, except for reasonable wear and tear arising out of its operations thereon.

(d) A principal purpose of the Port Authority in granting the permission under this Permit is to have available at the Airport, the privileges which the Permittee is permitted to render hereunder. The Permittee agrees that it will conduct a first-class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor, and keep the same in a first-class operating condition at all times.

(e) The Permittee shall immediately comply with all orders, directives and procedures as may be issued by the General Manager of the Airport covering the operations of the Permittee under this Permit at any time and from time to time. The Port Authority may, at any time and from time to time, without prior notice or cause, withdraw or modify any designation, approval, substitution or redesignation given by it hereunder.

(f) In the event of any injury or death to any person (other than employees of the Permittee) at the Airport when caused by the Permittee's operations, or damage to any property (other than the Permittee's property) at the Airport when caused by the Permittee's operations, the Permittee shall immediately notify the Port Authority and promptly thereafter furnish to the Port Authority copies of all reports given to the Permittee's insurance carrier.

(g) The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Airport. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the General Manager of the Airport. The Port Authority shall have the right to object to the Permittee as to the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

(h) The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations at the Airport.

7. Indemnity:

(a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third Persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee hereunder, or out of any of the acts or omissions of the Permittee, its officers, employees or Persons who are doing business with the Permittee arising out of or in connection with the activities permitted hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the Airport, including claims and demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) Without limiting any other term or provision hereof, the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

(c) Without limiting any other term or provision hereof, the Permittee shall indemnify the Port Authority and hold it harmless against all claims and demands of third Persons for damage to any aircraft cargo or baggage or any other property handled or delivered pursuant to the permission granted by this Permit.

(d) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand set forth in paragraphs (a), (b) and (c) above (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

8. Liability Insurance:

(a) The Permittee, in its own name as insured and including the Port Authority as an additional insured, shall maintain and pay the premiums during the effective period of the Permit

on a policy or policies of Commercial General Liability Insurance, including premises-operations and products-completed operations and covering bodily-injury liability, including death, and property damage liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage in the minimum limit set forth in Item 9 on the first page of this Permit, and Commercial Automobile Liability Insurance covering owned, non-owned and hired vehicles and including automatic coverage for newly acquired vehicles and providing for coverage in the minimum limit set forth in Item 9 on the first page of this Permit. Without limiting the foregoing, the Permittee shall maintain Workers' Compensation and Employers Liability Insurance in accordance with the Permittee's statutory obligations under the applicable State Workers' Compensation Law for those employees of the Permittee employed in operations conducted pursuant to this Permit at or from the Airport. In the event the Permittee maintains the foregoing insurance in limits greater than aforesaid, the Port Authority shall be included therein as an additional insured, except for the Workers' Compensation and Employers Liability Insurance policies, to the full extent of all such insurance in accordance with all terms and provisions of this Permit.

(b) Each policy of insurance, except for the Workers' Compensation and Employers Liability Insurance policies, shall also contain an ISO standard "separation of insureds" clause or a cross liability endorsement providing that the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority and any claim or action against the Port Authority by the Permittee, as if the Port Authority were the named insured thereunder, but such clause or endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured. Each policy of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Permittee under Section 7 of the Terms and Conditions of this Permit.

(c) All insurance coverages and policies required under this Section may be reviewed by the Port Authority for adequacy of terms, conditions and limits of coverage at any time and from time to time during the effective period of permission granted under this Permit. The Port Authority may, at any such time, require additions, deletions, amendments or modifications to the aforementioned insurance requirements, or may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem required and the Permittee shall promptly comply therewith.

(d) Each policy shall contain a provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' written advance notice thereof to the Port Authority. Each policy shall contain a provision or endorsement that the insurer "shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority." The foregoing provisions or endorsements shall be recited in each policy or certificate to be delivered pursuant to the following paragraph (e).

(e) A certified copy of each policy or a certificate or certificates of insurance evidencing the existence thereof, or binders, shall be delivered to the Port Authority upon execution and delivery of this Permit by the Permittee to the Port Authority. In the event any binder is delivered it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate of insurance. Any renewal policy shall be evidenced by a renewal certificate of insurance delivered to the Port Authority at least seven (7) days prior to the expiration of each

expiring policy, except for any policy expiring after the date of expiration of this Permit. The aforesaid insurance shall be written by a company or companies approved by the Port Authority. If at any time any insurance policy shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policy shall be or become unsatisfactory to the Port Authority, the Permittee shall promptly obtain a new and satisfactory policy in replacement. If the Port Authority at any time so requests, a certified copy of each policy shall be delivered to or made available for inspection by the Port Authority.

(f) The foregoing insurance requirements shall not in any way be construed as a limitation on the nature or extent of the contractual obligations assumed by the Permittee under this Permit. The foregoing insurance requirements shall not constitute a representation or warranty as to the adequacy of the required coverage to protect the Permittee with respect to the obligations imposed on the Permittee by this Permit or any other agreement or by law.

9. Special Endorsements:

The Permittee hereby agrees to the terms and conditions of the endorsements attached hereto, hereby made a part hereof and marked "*Special Endorsements*". The terms and provisions of the Special Endorsements shall have the same force and effect and as if herein set forth in full.

10. No Waiver:

No failure by the Port Authority or the Terminal Four Lessee to insist upon the strict performance of any agreement, term or condition of this Permit or to exercise any right or remedy consequent upon a breach or default thereof, and no extension, supplement or amendment of this Permit during or after a breach thereof, unless expressly stated to be a waiver, and no acceptance by the Port Authority or the Terminal Four Lessee of fees, charges or other payments in whole or in part after or during the continuance of any such breach or default, shall constitute a waiver of any such breach or default of such agreement, term or condition. No agreement, term or condition of this Permit to be performed or complied with by the Permittee, and no breach or default thereof, shall be waived, altered or modified except by a written instrument executed by the Port Authority. No waiver by the Port Authority of any default or breach on the part of the Permittee in performance of any agreement, term or condition of this Permit shall affect or alter this Permit but each and every agreement, term and condition thereof shall continue in full force and effect with respect to any other then existing or subsequent breach or default thereof.

11. Removal of Property:

The personal property placed or installed by the Permittee at the Airport shall remain the property of the Permittee and must be removed on or before the expiration, revocation, cancellation or termination of the permission hereby granted, whichever shall be earlier. Without limiting the terms and provisions of paragraph (g) of Section 18 hereof, any such property remaining at the Airport after the effective date of such expiration, revocation, cancellation or termination shall be deemed abandoned by the Permittee and may be removed and disposed of by the Port Authority in any manner it so determines in its sole discretion and all the proceeds of any removal or disposition shall be retained by the Port Authority for its account and all costs and expenses of such removal and disposition shall be paid to the Port Authority by the Permittee when billed.

12. Permittee's Representative:

The Permittee's representative specified in Item 3 on the first page of this Permit (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and any act or thing done or to be done hereunder, and to execute on the Permittee's behalf any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. Notices:

Except where expressly required or permitted herein to be oral, all notices, directions, requests, consents and approvals required to be given to or by either party or the Terminal Four Lessee shall be in writing, and all such notices given by the Port Authority or the Terminal Four Lessee to the Permittee shall be validly given if sent by registered or certified mail addressed to the Permittee at the address specified on the first page hereof or at the latest address that the Permittee may substitute therefor by notice to the Port Authority, or left at such address, or delivered to the Permittee's representative. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003 or at such other address as the Port Authority shall hereafter designate by notice to the Permittee. If mailed, the notices herein required to be given shall be deemed effective and given as of the date of the certified or registered mailing thereof.

14. Late Charges:

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority or the Terminal Four Lessee including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four (24) late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (15) (but not less than thirteen (13)) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority or the Terminal Four Lessee of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority or the Terminal Four Lessee to payment of any late charge or late charges payable under the provisions of this Section with respect to such unpaid amount. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority or the Terminal Four Lessee under this Permit, including without limitation the Port Authority's rights set forth in Section 2 of these Terms and Conditions, or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Section shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

15. Non-discrimination:

(a) Without limiting the generality of any of the provisions of this Permit, the Permittee, for itself, its successors in interest and assigns, as a part of the consideration hereof, does hereby agree that (1) no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or be otherwise subject to discrimination in the use of any space at the Airport and the exercise of any privileges under this Permit, (2) that in the construction of any improvements on, over, or under any space at the Airport and the furnishing of any service thereon by the Permittee, no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination, (3) that the Permittee shall use any space at the Airport and exercise any privileges under this Permit in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended, and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which from time to time may be applicable to the Permittee's operations thereat, whether by reason of agreement between the Port Authority and the United States Government or otherwise.

(b) The Permittee shall include the provisions of paragraph (a) of this Section in every agreement or concession it may make pursuant to which any Person or Persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Section shall constitute a material breach of this Permit. Without limiting any other term or provision hereof or any other rights or remedies of the Port Authority hereunder or at law or equity, in the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) Without limiting any other term or provision hereof, the Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third Persons, including the United States of America, resulting from the Permittee's noncompliance with any of the provisions of this Section and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Section shall grant or shall be deemed to grant to the Permittee the right to transfer or assign this Permit, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on any space at the Airport, or any right to use or occupy any space at the Airport.

16. Affirmative Action:

The Permittee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Permittee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity

covered by this subpart. The Permittee assures that it will require that its covered suborganizations provide assurances to the Permittee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

17. Rules and Regulations:

(a) The Permittee shall observe and obey (and compel its officers, employees, guests, invitees, and those doing business with it, to observe and obey) the rules and regulations and procedures of the Port Authority now in effect, and such further reasonable rules and regulations and procedures which may from time to time during the effective period of this Permit, be promulgated by the Port Authority for reasons of safety, health, preservation of property or maintenance of a good and orderly appearance of the Airport or for the safe and efficient operation of the Airport. The Port Authority agrees that, except in cases of emergency, it shall give notice to the Permittee of every rule and regulation hereafter adopted by it at least five (5) days before the Permittee shall be required to comply therewith.

(b) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the New York Board of Fire Underwriters and the New York Fire Insurance Exchange, and any other body or organization exercising similar functions which may pertain or apply to the Permittee's operations hereunder. If by reason of the Permittee's failure to comply with the provisions of this Section, any fire insurance, extended coverage or rental insurance rate on the Airport or any part thereof, or upon the contents of any building thereon, shall at any time be higher than it otherwise would be, then the Permittee shall on demand pay the Port Authority that part of all fire insurance premiums paid or payable by the Port Authority which shall have been charged because of such violation by the Permittee.

18. Prohibited Acts

(a) The Permittee shall not do or permit to be done any act which

(i) will invalidate or be in conflict with any fire insurance policies covering the Airport or any part thereof or upon the contents of any building thereon, or

(ii) will increase the rate of any fire insurance, extended coverage or rental insurance on the Airport or any part thereof or upon the contents of any building thereon, or

(iii) in the opinion of the Port Authority will constitute a hazardous condition, so as to increase the risks normally attendant upon the operations contemplated by this Permit, or

(iv) may cause or produce upon the Airport any unusual noxious or objectionable smokes, gases, vapors or odors, or

(v) may interfere with the effectiveness or accessibility of any drainage and sewerage system, water system, communications system, fire protection system, sprinkler system, alarm system, fire hydrant and hose, if any, installed or located or to be installed or located in or on the Airport, or

(vi) shall constitute a nuisance or injury in or on the Airport or which may result in the creation, commission or maintenance of a nuisance or injury in or on the Airport.

For the purpose of this paragraph (a), "Airport" includes all structures located thereon.

(b) The Permittee shall not dispose of, release or discharge nor permit anyone to dispose of, release or discharge any Hazardous Substance on the Airport except that the Permittee may release or discharge de-icing fluids utilized in the Permittee's ordinary course of business in the performance of any of the privileges granted hereunder so long as such release or discharge is not a violation of the terms and conditions of Sections 17 or 19 hereof. In addition to and without limiting Section 19 hereof, any Hazardous Substance disposed of, released or discharged by the Permittee (or permitted by the Permittee to be disposed of, released or discharged) on the Airport shall upon notice by the Port Authority to the Permittee and subject to the provisions of paragraph (f) of Section 17 hereof and to all Environmental Requirements, be completely removed and/or remediated by the Permittee at its sole cost and expense, provided, however, the forgoing shall not apply to releases and discharges which are in compliance with the terms and conditions of Sections 17 and 19 hereof of de-icing fluids utilized in the Permittee's ordinary course of business in the performance of any of the privileges granted hereunder and the obligation of the Permittee to remove and remediate such de-icing fluids shall be as required by the terms and conditions of Sections 17 and 19 hereof. The obligations of the Permittee pursuant to this paragraph shall survive the expiration, revocation, cancellation or termination of this Permit.

(c) The Permittee shall not dispose of nor permit anyone to dispose of any waste materials (whether liquid or solid) by means of any toilets, sanitary sewers or storm sewers.

(d) (i) The Permittee shall not employ any persons or use any labor, or use or have any equipment, or permit any condition to exist, which shall or may cause or be conducive to any labor complaints, troubles, disputes or controversies at the Airport which interfere or are likely to interfere with the operation of the Airport or any part thereof by the Port Authority or with the operations of the lessees, licensees, permittees or other users of the Airport or with the operations of the Permittee under this Permit.

(ii) The Permittee shall immediately give notice to the Port Authority (to be followed by written notice and reports) of any and all impending or existing labor complaints, troubles, disputes or controversies and the progress thereof. The Permittee shall use its best efforts to resolve any such complaints, troubles, disputes or controversies.

(iii) The Permittee acknowledges that it is familiar with the general and local conditions prevailing at the Airport and with the all pertinent matters and circumstances which may in any way affect performance of the privileges granted under this Permit.

(e) The Permittee shall not solicit business on the public areas of the Airport and the use, at any time, of hand or standard megaphones, loudspeakers or any electric, electronic or other amplifying device is hereby expressly prohibited.

(f) The Permittee shall not install any fixtures or make any alterations, additions, improvements or repairs to any property of the Port Authority except with the prior written approval of the Port Authority.

(g) No signs, posters or similar devices shall be erected, displayed or maintained at the Airport without the written approval of the General Manager of the Airport; and any not approved by such General Manager or not removed by the Permittee upon the termination, revocation, expiration or cancellation of this Permit may be removed by the Port Authority at the expense of the Permittee.

(h) The Permittee shall not operate any engine or any item of automotive equipment in any enclosed space at the Airport unless such space is adequately ventilated.

(i) The Permittee shall not use any cleaning materials having a harmful or corrosive effect on any part of the Airport.

(j) The Permittee shall not fuel or defuel any equipment in any enclosed space at the Airport without the prior approval of the General Manager of the Airport except in accordance with Port Authority rules and regulations.

(k) The Permittee shall not start or operate any engine or any item of automotive equipment in any enclosed space at the Airport unless such space is adequately ventilated and unless such engine is equipped with a proper spark-arresting device.

19. Law Compliance:

(a) The Permittee shall procure all licenses, certificates, permits or other authorization from all governmental authorities, if any, having jurisdiction over the Permittee's operations at the Airport which may be necessary for the Permittee's operations thereat.

(b) The Permittee shall pay all taxes, license, certification, permit and examination fees and excises which may be assessed, levied, exacted or imposed on its property or operations at the Airport or on the Gross Receipts, Terminal Four Gross Receipts or income therefrom, and shall make all applications, reports and returns required in connection therewith.

(c) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions which may pertain or apply to the Permittee's operations at the Airport.

(d) The Permittee's obligations to comply with governmental requirements are provided herein for the purpose of assuring proper safeguards for the protection of Persons and property at the Airport and are not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

(e) The Port Authority has agreed by a provision in the City Lease with the City covering the Airport to conform to the enactments, ordinances, resolutions and regulations of the City and of its various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable so to do. The Permittee shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such

compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

20. Trademarks and Patent Infringement:

The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit.

21. Inspection:

The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Airport or to be placed or brought on the Airport, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

22. Federal Aid:

(a) The Permittee shall

(i) furnish good, prompt and efficient service hereunder, adequate to meet all demands therefor at the Airport;

(ii) furnish said service on a fair, equal and non-discriminatory basis to all users thereof; and

(iii) charge fair, reasonable and non-discriminatory prices for each unit of sale or service, provided that the Permittee may make reasonable and non-discriminatory discounts, rebates or other similar types of price reductions to volume purchasers.

As used in the above subsections "service" shall include furnishing of parts, materials and supplies (including sale thereof).

(b) The Port Authority has applied for and received a grant or grants of money from the Administrator of the Federal Aviation Administration pursuant to the Airport and Airways Development Act of 1970, as the same has been amended and supplemented, and under prior federal statutes which said Act superseded and the Port Authority may in the future apply for and receive further such grants. In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. The performance by the Permittee of the promises and obligations contained in this Permit is therefore a special consideration and inducement to the issuance of this Permit by the Port Authority, and the Permittee further agrees that if the Administrator of the Federal Aviation Administration or any other governmental officer or body having jurisdiction over the enforcement of the obligations of the Port Authority in connection with Federal Airport Aid, shall make any orders, recommendations or suggestions respecting the performance by the Permittee of its obligations under this Permit, the Permittee

will promptly comply therewith at the time or times, when and to the extent that the Port Authority may direct.

23. Capacity and Competition:

(a) The Permittee shall refrain from entering into continuing contracts or arrangements with any third Person for furnishing services covered hereunder when such contracts or arrangements will have the effect of utilizing to an unreasonable extent the Permittee's capacity for rendering such services. A reasonable amount of capacity shall be reserved by the Permittee for the purpose of rendering services hereunder to those who are not parties to continuing contracts with the Permittee.

(b) The Permittee shall not enter into any agreement or understanding, express or implied, binding or non-binding, with any other Person who may furnish services at the Airport similar to those furnished hereunder which will have the effect of (i) fixing rates and charges to be paid by users of the services; (ii) lessening or preventing competition between the Permittee and such other furnishers of services; or (iii) tending to create a monopoly on the Airport in connection with the furnishing of such services.

24. Business Development and Records:

(a) In connection with the exercise of the privileges granted hereunder, the Permittee shall:

(i) use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(ii) not divert or cause or allow to be diverted, any business from the Airport;

(iii) maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of the Permittee at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify the Authorized Service performed at Terminal Four, the Authorized Service performed at the Airport at any location other than Terminal Four and all other services performed at the Airport at any location other than Terminal Four, and;

(iv) cause any company which is owned or controlled by the Permittee, or any company which owns or controls the Permittee, if any such company performs services similar to those performed by the Permittee (any such company being hereinafter called an "*Affiliate*" and all such companies being hereinafter called the "*Affiliates*") to maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of each Affiliate at, through, or in anywise connected with the Airport, which

records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify each activity (including without limitation the Authorized Service) performed at the Airport, the Authorized Service performed at Terminal Four and all other services performed at the airport at any location other than Terminal Four;

(v) permit and/or cause to be permitted in ordinary business hours during the effective period of this Permit, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Port Authority of all the records and books of account of the Permittee (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts and/or Terminal Four Gross Receipts and which the Terminal Four Lessee, in its sole discretion, believes may be relevant for identification, determination or calculation of Terminal Four Receipts, all agreements, and all source documents) and all the records and books of account of all Affiliates (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts and/or Terminal Four Gross Receipts and which the Terminal Four Lessee, in its sole discretion, believes may be relevant for identification, determination or calculation of Terminal Four Receipts, all agreements, and all source documents) (all of the foregoing records and books described in this paragraph (a)(v) being hereinafter collectively referred to as the "*Books and Records*") within ten (10) days following any request by the Port Authority from time to time and at any time to examine and audit any Books and Records;

(vi) if the Permittee has performed any privilege or portion thereof at Terminal Four, then permit and/or cause to be permitted in ordinary business hours during the effective period of the Permit, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Terminal Four Lessee of all Books and Records within ten (10) days following any request by the Terminal Four Lessee from time to time and at any time to examine and audit any Books and Records;

(vii) permit the inspection by the officers, employees and representatives of the Port Authority and the Terminal Four Lessee of any equipment used by the Permittee, including but not limited to the equipment described in paragraph (a)(viii) below; and

(viii) install and use such cash registers, sales slips, invoicing machines and any other equipment or devices, including without limitation computerized record keeping systems, for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of Gross Receipts and Terminal Four Gross Receipts, and without limiting the generality of the foregoing, for any privilege involving cash sales, install and use cash registers or other electronic cash control equipment that provides for non-resettable totals.

(b) Without implying any limitation on the right of the Port Authority to revoke this Permit for cause for breach of any term, condition or provision thereof, including but not limited to, breach of any term, condition or provision of paragraph (a) above, the Permittee understands that the full reporting and disclosure to the Port Authority of all Gross Receipts and Terminal Four Gross Receipts and to the Terminal Four Lessee of all Terminal Four Gross Receipts and the Permittee's compliance with all the provisions of paragraph (a) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under this Permit. In the event any Books and Records are maintained outside the Port of New York District or in the event of the failure of the Permittee to comply with all the provisions of

paragraphs (a)(ii) through (a)(viii) above then, in addition to all, and without limiting any other, rights and remedies of the Port Authority and the Terminal Four Lessee under this Permit or otherwise and in addition to all of the Permittee's other obligations under this Permit:

(i) the Port Authority may estimate the Gross Receipts on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the fees based thereon shall be payable to the Port Authority when billed; and/or

(ii) the Port Authority or the Terminal Four Lessee may estimate the Terminal Four Gross Receipts on any basis that the Port Authority or the Terminal Four Lessee, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the fees based thereon shall be payable to the Terminal Four Lessee when billed; and/or

(iii) if any Books and Records are maintained outside of the Port of New York District, then the Port Authority in its sole discretion may (x) require on ten (10) days' notice to the Permittee that any such Books and Records be made available to the Port Authority within the Port of New York District for examination and audit pursuant to paragraph (a)(v) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(v) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority, for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Permittee shall pay to the Port Authority when billed all costs and expenses of the Port Authority, as determined by the Port Authority, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

(iv) if any Books and Records are maintained outside of the Port of New York District, then the Terminal Four Lessee in its sole discretion may (x) require on ten (10) days' notice to the Permittee that any such Books and Records be made available to the Terminal Four Lessee within the Port of New York District for examination and audit pursuant to paragraph (a)(vi) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(vi) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Permittee shall pay to the Terminal Four Lessee when billed all travel costs and related expenses, as determined by the Terminal Four Lessee, for Terminal Four Lessee auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Permittee shall pay to the Terminal Four Lessee when billed all costs and expenses of the Terminal Four Lessee, as determined by the Terminal Four Lessee, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Terminal Four Lessee for the purpose of conducting such audit and examination.

(c) In the event that upon conducting an examination and audit as described in this Section the Port Authority or the Terminal Four Lessee determines that unpaid amounts are due to the Port Authority or to the Terminal Four Lessee by the Permittee (the "*Audit Findings*"), the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority and/or the Terminal Four Lessee a service charge in the amount equal to five percent (5%) of the Audit Findings. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority or by the Terminal Four Lessee. Such

service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority or the Terminal Four Lessee by the Permittee under this Permit or otherwise. Such service charge shall not be payable if the Port Authority has received, for each month covered by the examination and audit period, the Monthly Sworn Statement of Gross Receipts, as provided in Section 4(a)(ii). No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Section with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

(d) Without implying any limitation on the rights or remedies of the Port Authority under this Permit or otherwise including without limitation the right of the Port Authority to revoke this Permit for cause for breach of any term or provision of paragraphs (a)(iii) or (a)(iv) above and in addition thereto, in the event any of the Books and Records are not maintained in English, then this Permittee shall pay to the Port Authority when billed, all costs and expenses of the Port Authority, as determined by the Port Authority, to translate such Books and Records into English.

(e) The foregoing auditing costs, expenses and amounts of the Port Authority set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Permit payable to the Port Authority with the same force and effect as the Basic Percentage Fee and all other fees payable to the Port Authority hereunder and the foregoing auditing costs, expenses and amounts of the Terminal Four Lessee set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Permit payable to the Terminal Four Lessee with the same force and effect as the Terminal Four Percentage Fee and all other fees payable to the Terminal Four Lessee hereunder.

25. Rates and Charges:

The Permittee shall establish rates and discounts therefrom which are in compliance with Section 22 hereof (each such rate and discount is hereinafter called an "*Established Rate*"). Upon request by the Port Authority, the Permittee shall provide the Port Authority its rates and discounts therefrom for goods and services furnished hereunder. If the Permittee applies any rate in excess of the Established Rate therefor or extends a discount less than the Established Discount therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the Established Rate therefor or extends a discount which is in excess of the Established Rate therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an undercharge and an amount equivalent thereto shall be included in Gross Receipts and Terminal Four Gross Receipts hereunder and the Basic Percentage Fee and the Terminal Four Percentage Fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in Gross Receipts or Terminal Four Gross Receipts any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon such breach which would otherwise be available to it at law, in equity or by reason of this Permit.

26. Other Agreements:

In the event the terms and provisions of any agreement entered into by the Permittee with any third Person in connection with the privileges granted hereunder are contrary to or conflict or are inconsistent with the terms and provisions of this Permit, the terms and provisions of this Permit shall be controlling, effective and determinative.

27. City Lease Provisions:

(a) The Permittee acknowledges that it has received a copy of, and is familiar with the contents of, the City Lease. The Permittee acknowledges that no greater rights or privileges are hereby granted to the Permittee than the Port Authority has the power to grant under the City Lease.

(b) In accordance with the provisions of the City Lease, the Port Authority and the Permittee hereby agree as follows:

(i) This Permit is subject and subordinate to the City Lease and to any interest superior to that of the Port Authority;

(ii) The Permittee shall not pay the fees or other sums under this Permit for more than one (1) month in advance (excluding security or other deposits required under this Permit);

(iii) With respect to this Permit, the Permittee on the termination of the City Lease will, at the option of the City, enter into a direct permit on identical terms with the City;

(iv) The Permittee shall indemnify the City, as third party beneficiary hereunder, with respect to all matters described in Section 31 of the City Lease that arise out of the Permittee's operations at the Airport, or arise out of the acts or omissions of the Permittee's officers, employees, agents, representatives, contractors, customers, business visitors and guests at the Airport with the Permittee's consent;

(v) The Permittee shall not use any portion of the Airport for any use other than as permitted under the City Lease;

(vi) The Permittee shall use the Airport in a manner consistent with the Port Authority's obligations under Section 28 of the City Lease;

(vii) The failure of the Permittee to comply with the foregoing provisions shall be an event of default under this Permit, which shall provide the Port Authority with the right to revoke this Permit and exercise any other rights that the Port Authority may have as the grantor of the permission hereunder; and

(viii) The City shall be named as an additional insured or loss payee, as applicable, under each policy of insurance procured by the Permittee pursuant to this Permit.

28. Counterclaims:

The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts, which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

29. Continued Exercise of Privilege After Expiration, Revocation or Termination:

(a) The Permittee acknowledges that the failure of the Permittee to cease to perform the Authorized Service at the Airport from the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss, and the Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss. The Permittee acknowledges that the Port Authority reserves all its legal and equitable rights and remedies in the event of such failure by the Permittee to cease performance of the Authorized Service.

(b) The Permittee hereby acknowledges and agrees that, subject to the foregoing, all terms and provisions of this Permit shall be and continue in full force and effect during any Post-Termination Period.

30. Miscellaneous:

(a) It is understood and agreed that the Port Authority shall not furnish, sell or supply to the Permittee any services or utilities in connection with this Permit.

(b) No Commissioner, Director, officer, agent or employee of either party shall be charged personally by the other party with any liability, or held liable to the other party, under any term or provision of this Permit, or because of the party's execution or attempted execution, or because of any breach thereof.

(c) The Section and paragraph headings, if any, in this Permit are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope or intent of any provision hereof.

(d) This Permit, including the attached Special Endorsements, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof. This Permit may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee or except by notice as specifically set forth in Sections 4 and 13 hereof. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

LEASE FILE

: For Port Authority Use Only :
: Permit Number: AYD-959 :

JOHN F. KENNEDY INTERNATIONAL AIRPORT
PRIVILEGE PERMIT

The Port Authority of New York and New Jersey (the "Port Authority") hereby grants to the Permittee named below the described non-exclusive privilege at John F. Kennedy International Airport, in the Borough of Queens, County of Queens, City and State of New York, in accordance with the Terms and Conditions hereof; and the Permittee agrees to pay the fee hereinafter specified and to perform all other obligations imposed upon it in the said Terms and Conditions:

1. **PERMITTEE:** AIR SERV CORPORATION, a(n) Georgia corporation

2. **PERMITTEE'S ADDRESS:** 29 East Merrick Road
Valley Stream, New York 11580

3. **PERMITTEE'S REPRESENTATIVE:** Mr. Curt Reimer, Senior Vice President

4. **PRIVILEGE:** To provide, as set forth in Section 1 of the Terms and Conditions, the Cleaning Service and the In-Terminal Handling Service services on Permitted Areas of the Airport to Approved Aircraft Operators or other Persons at the Airport, as such Approved Aircraft Operators and/or Persons may be approved in writing in advance by the Port Authority (the "Authorized Service"), and for no other purpose or purposes whatsoever.

5. **FEES:** As set forth in Section 4 of the Terms and Conditions hereof.

6. **EFFECTIVE DATE:** May 1, 2009

7. **EXPIRATION DATE:** April 30, 2019, unless sooner revoked or terminated as herein provided.

8. **REQUIRED SECURITY DEPOSIT:** As set forth in Special Endorsement No. 3 hereof.

9. **INSURANCE REQUIREMENTS:** **$25,000,000.00 minimum limit Commercial General Liability**
$25,000,000.00 minimum limit Automobile Liability

10. **ENDORSEMENTS:** Special Endorsements.

Dated: As of May 1, 2009

Port Authority Use Only:	
Approval as to Terms:	Approval as to Form:

SPECIAL ENDORSEMENTS

1. (a) The Port Authority hereby consents to the Permittee providing the Authorized Service to Approved Aircraft Operator at the Airport.

(c) (i) In the event the Permittee shall desire to provide the Authorized Service to another Approved Aircraft Operator or Person at the Airport, the Permittee shall submit such request in writing to the Port Authority. The Permittee may perform the Authorized Service for other Approved Aircraft Operators or Persons at the Airport only after receiving the written consent of the Port Authority.

(ii) The Permittee hereby agrees that it will not carry on any business at the Airport other than as specifically provided herein without receiving the prior written consent of the Port Authority, which consent, if given, will be in the form of a Supplement hereto or a separate agreement with the Port Authority, and will specify whether the provisions regarding fees contained herein or any other provisions regarding fees shall apply thereto.

2. The Permittee hereby attests that its federal taxpayer identification number is [redacted].

3. The Permittee hereby agrees that this Permit constitutes one of the "Agreements", as such term is defined in that certain security agreement entered into between the Port Authority and the Permittee, dated March 1, 2007 and identified by Port Authority Agreement No. AX-807 (the "Security Agreement"), and that a breach or failure to perform or comply with any other terms or conditions of the Security Agreement, including without limitation failure to provide a letter of credit in accordance with the terms and provisions of the Security Agreement valid and available to the Port Authority or any failure of any banking institution issuing a letter of credit to make one or more payments as provided in such letter of credit, shall constitute a breach of this Permit and of the Security Agreement thereby entitling the Port Authority to immediately exercise any and all rights available to it, including without limitation the right to revoke this Permit for cause.

TERMS AND CONDITIONS

1. Definitions:

The following terms, when and if used in this Permit, shall have the respective meanings given below:

(a) "*Air Cargo*" shall mean cargo transported to or from the Airport by aircraft owned or operated by an Approved Aircraft Operator.

(b) "*Aircraft Operator*" shall mean (a) a Person owning one or more aircraft which are not leased or chartered to any other Person for operation, and (b) a Person to whom one or more aircraft are leased or chartered for operation - whether the aircraft so owned, leased or chartered are military or non-military, or are used for private business, pleasure or governmental business, or for carrier or non-carrier operations, or for scheduled or non-scheduled operations or otherwise. Said term shall not mean the pilot of an aircraft unless he is also the owner or lessee thereof or a Person to whom it is chartered.

(c) "*Airport*" shall mean John F. Kennedy International Airport, consisting of certain premises identified as "John F. Kennedy International Airport" on Sheet JFK-1 of Exhibit A, and more particularly described in Exhibit B, annexed to the City Lease, and such other property as may be acquired in connection with and added to such premises pursuant to the terms of the City Lease.

(d) "*Approved Aircraft Operator*" shall mean an Aircraft Operator which the General Manager of the Airport has authorized to conduct its aircraft operations at the Airport and if such Aircraft Operator is subleasing or subusing space, or has a ground handling agreement or other agreement at the Airport with an Aircraft Operator, a lessee or other Person at the Airport which requires the consent of the Port Authority, each such subleasing, subuse, ground handling agreement or other agreement has been consented to in writing by the Port Authority.

(e) "*Basic Percentage Fee*" shall have the meaning given such term in Section 4(a)(i) hereof.

(f) "*Cargo Aircraft*" shall mean aircraft engaged solely and exclusively in the carriage of Air Cargo.

(g) "*Cargo Handling and Ramp Service*" shall mean all or any of the following services for or in connection with Air Cargo:

(i) representation and accommodation;

(ii) load control and communications;

(iii) unit load device control, handling and administration in connection with Cargo Aircraft;

(iv) flight operations and crew administration in connection with Cargo Aircraft, including but not limited to obtaining and providing meteorological reports, briefing and debriefing flight crews, preparing and filing flight plans, dispatching and receiving messages in connection with flight and ground operations, maintaining station logs and filing necessary reports with governmental agencies, preparing weight and balance plans, maintaining flight watch and arranging hotel accommodations for flight crews;

(v) pickup and delivery of Air Cargo, air express and mail to and from appropriate locations (allowed or designated from time to time by the Port Authority for such pickup and delivery) on the Airport;

(vi) preparation of documentation associated with Air Cargo, including but not limited to cargo manifests, airway bills and customs clearance documentation;

(vii) distribution of Air Cargo;

(viii) reception of Air Cargo to be shipped from the Airport;

(ix) temporary warehousing, sorting and storage of Air Cargo;

(x) supervision and administration;

(xi) courier services;

(xii) guiding Cargo Aircraft in and out of gate or loading or unloading positions and parking Cargo Aircraft;

(xiii) providing, positioning/removing, and operating appropriate units for engine starting for Cargo Aircraft;

(xiv) furnishing and placing in position and thereafter removing the necessary and appropriate steps, stands and power equipment for the safe and efficient loading and unloading of crew members and other persons, ballast, potable water, mail, air express, Air Cargo and supplies onto and from aircraft and trucks, and performing such loading and unloading and reporting irregularities;

(xv) providing a fire guard equipped with the necessary and appropriate fire fighting equipment for Cargo Aircraft;

(xvi) towing of Cargo Aircraft;

(xvii) ramp control tower services for Cargo Aircraft;

(xviii) Cargo Aircraft servicing, including interior and exterior cleaning, the removal and disposal of aircraft waste material and providing water service, cooling and heating, and toilet service;

(xix) conversion operations and services consisting of the removal of seats from convertible-type aircraft, so as to convert the same to Cargo Aircraft, and from Cargo Aircraft to Passenger Aircraft by the installation of seats;

(xx) ramp area cleaning;

(xxi) Gateside Aircraft Maintenance of Cargo Aircraft, it being specifically understood, however, that Routine and Non-routine Aircraft Maintenance, as distinguished from Gateside Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder;

(xxii) mobile fueling, on the Permittee's own account, for automotive and other ramp equipment using mobile tender vehicles or other equipment as may be approved from time to time by the General Manager of the Airport;

(xxiii) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport;

(xxiv) deicing to the exterior of aircraft of Approved Aircraft Operators at such locations on the Airport as may from time to time be designated by the General Manager of the Airport;

(xxv) triturator operations and maintenance;

(xxvi) snow removal; and

(xxvii) security services for and in connection with Air Cargo and Cargo Aircraft.

(h) "*City*" shall mean the City of New York.

(i) "*City Lease*" shall mean the Amended and Restated Agreement of Lease of the Municipal Air Terminals between The City of New York, as Landlord, and The Port Authority of New York and New Jersey, as Tenant, dated as of November 24, 2004 and recorded in the office of the City Register of the City on December 3, 2004 under City Register File No. 2004000748687, as the same may have been or may be amended or supplemented.

(j) "*Cleaning Service*" shall mean all or any of the following services:

(i) the cleaning, repairing and installing of upholstery, carpeting and curtains in aircraft and linens used on aircraft;

(ii) the complete interior and exterior cleaning of aircraft, the removal and disposal of waste material and providing water service, cooling and heating, and toilet service;

(iii) conversion operations and services consisting of the removal of seats from convertible-type aircraft so as to convert the same to Cargo Aircraft and from Cargo Aircraft to Passenger Aircraft by installation of seats;

(iv) ramp area cleaning services; and

(v) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport.

(k) "*Effective Date*" shall mean that date appearing in Item 6 on the first page of this Permit as the same may be modified pursuant to the provisions of Section 2(a) hereof.

(l) "*Environmental Requirement*" shall mean all common law and all past, present and future laws, statutes, enactments, resolutions, regulations, rules, directives, ordinances,

codes, licenses, permits, orders, memoranda of understanding and memoranda of agreement, guidances, approvals, plans, authorizations, concessions, franchises, requirements and similar items of all governmental agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof, all pollution prevention programs, "best management practices plans", and other programs adopted and agreements made by the Port Authority (whether adopted or made with or without consideration or with or without compulsion), with any government agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof, and all judicial, administrative, voluntary and regulatory decrees, judgments, orders and agreements relating to the protection of human health or the environment, and in the event that there shall be more than one compliance standard, the standard for any of the foregoing to be that which requires the lowest level of a Hazardous Substance, the foregoing to include without limitation:

(i) All requirements pertaining to reporting, licensing, permitting, investigation and remediation of emissions, discharges, releases or threatened releases of Hazardous Substances into the air, surface water, groundwater or land, or relating to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of Hazardous Substances, or the transfer of property on which Hazardous Substances exist; and

(ii) All requirements pertaining to the protection from Hazardous Substances of the health and safety of employees or the public.

(m) "*Executive Director*" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Executive Director of the Port Authority for the time being or his duly designated representative or representatives.

(n) "*Gateside Aircraft Maintenance*" shall mean such emergency transit and turnaround maintenance performed on the aircraft of an Aircraft Operator as may be performed in the time such aircraft is permitted to be and remain at the aircraft gate position or hardstand at which such maintenance is to be performed and which is performed by or required by law, rule or regulation to be performed by or under the supervision of a licensed aircraft mechanic or other person specifically licensed, certified or approved by governmental authority having jurisdiction, including the rental or equipment and tools in the connection therewith. It is specifically understood that the performance of any other aircraft maintenance, including but not limited to Routine and Non-routine Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder.

(o) "*General Manager of the Airport*" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in said General Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean said General Manager (or Acting General Manager) of the Airport for the time being or his duly designated representative or representatives.

(p) "*Gross Receipts*" shall mean all amounts, monies, revenues, receipts and income of every type paid or payable to the Permittee for sales made and for services rendered at or from the Airport, regardless of when or where the order therefor is received, and outside the Airport, if the order therefor is received at the Airport, and any other amounts, monies, revenues, receipts and income of any type arising out of or in connection with the Authorized Service, provided, however, there shall be excluded from Gross Receipts, any Terminal Four Gross Receipts and any taxes imposed by law which are separately stated to and paid by the customer and directly

payable to the taxing authority by the Permittee. The Permittee's Recovery Fee, as hereinafter defined, if any, shall be included within Gross Receipts and shall be subject to the fees set forth under Section 4 of this Permit.

(q) "*Hazardous Substance*" shall mean any pollutant, contaminant, toxic or hazardous waste, dangerous substance, potentially dangerous substance, noxious substance, toxic substance, flammable, explosive or radioactive material, urea formaldehyde foam insulation, asbestos, polychlorinated biphenyls (PCBs), chemicals known to cause cancer, endocrine disruption or reproductive toxicity, petroleum and petroleum products and substances declared to be hazardous or toxic or the removal, containment or restriction of which is required, or the manufacture, preparation, production, generation, use, maintenance, treatment, storage, transfer, handling or ownership of which is restricted, prohibited, regulated or penalized by any federal, state, county, or municipal or other local statute or law now or at any time hereafter in effect as amended or supplemented and by the regulations adopted and publications promulgated pursuant thereto.

(r) "*In-Terminal Handling Service*" shall mean all or any of the following services for or in connection with passengers of Passenger Aircraft:

(i) furnishing interpreters for the assistance of non-English-speaking passengers;

(ii) inbound and outbound passenger baggage handling services, including but not limited to checking, weighing, handling and storage of aircraft baggage;

(iii) selling of tickets for air transportation;

(iv) checking in and boarding aircraft passengers;

(v) porter service for passenger baggage;

(vi) passenger assistance, passenger information service, flight information and public address paging and announcements;

(vii) supervisory and administrative functions on behalf of Approved Aircraft Operators in conjunction with the Permittee's performance of the other activities constituting a part of the In-Terminal Handling Service;

(viii) the arrangement of ground transportation of crew, passengers and baggage;

(ix) handicapped services;

(x) security and pre-board screening;

(xi) building janitorial and maintenance; and

(xii) lounge hosting services.

(s) "*Passenger Aircraft*" shall mean aircraft owned or operated by an Approved Aircraft Operator engaged primarily in the transportation of passengers by aircraft to and from the Airport.

(t) "*Passenger Ramp Service*" shall mean all or any of the following services for or in connection with Passenger Aircraft:

(i) representation and accommodation;

(ii) load control and communications on ramp;

(iii) unit load device control, handling and administration;

(iv) baggage handling and sorting, including delivering baggage to and from Passenger Aircraft and to and from baggage facilities, provided, however, no permission is hereby given for the Permittee to deliver baggage from one terminal to another unless they are part of the same premises; sorting baggage in baggage makeup facilities; and delivering baggage to and from interline system permittees;

(v) guiding Passenger Aircraft in and out of gates or loading and unloading positions and parking Passenger Aircraft;

(vi) furnishing and placing in position and thereafter removing the necessary and appropriate steps, stands and power equipment for the safe and efficient loading and unloading of crew, passengers, baggage, ballast, potable water, mail, air express, Air Cargo and supplies from and onto Passenger Aircraft and trucks, and perform such loading and unloading and reporting irregularities;

(vii) deicing to the exterior of aircraft of Approved Aircraft Operators at such locations on the Airport as may from time to time be designated by the General Manager of the Airport;

(viii) providing, positioning/removing, and operating appropriate units for engine starting;

(ix) providing a fire guard equipped with the necessary and appropriate fire fighting equipment;

(x) towing of Passenger Aircraft;

(xi) ramp control tower services for Passenger Aircraft;

(xii) Passenger Aircraft servicing, including exterior and interior cleaning, the removal and disposal of aircraft waste material and providing water service, cooling and heating, toilet service, and rearranging cabin equipment;

(xiii) ramp area cleaning;

(xiv) mobile fueling on the Permittee's own account for automotive and other ramp equipment using mobile tender vehicles or other equipment as may be approved from time to time by the General Manager of the Airport;

(xv) Gateside Aircraft Maintenance of Passenger Aircraft, it being specifically understood, however, that Routine and Non-routine Aircraft Maintenance, as distinguished from Gateside Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder;

(xvi) flight operations and crew administration including but not limited to obtaining and providing meteorological reports, briefing and debriefing flight crews, preparing and filing flight plans, dispatching and receiving messages in connection with flight and ground operations, maintaining station logs and filing necessary reports with governmental agencies, preparing weight and balance plans, maintaining flight watch and arranging hotel accommodations for flight crews;

(xvii) ramp transportation for crew, passengers and baggage;

(xviii) supervisory and administrative functions on behalf of Approved Aircraft Operators of Passenger Aircraft;

(xix) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport, and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport;

(xx) catering liaison and administration;

(xxi) triturator operations and maintenance;

(xxii) snow removal; and

(xxiii) security services for passengers and baggage, cargo and mail, catering, and on aircraft, ramp and other designated areas.

(u) "*Permitted Areas*" shall mean with respect to the Authorized Service the following areas of the Airport and only such areas:

(i) those areas where the Permittee is authorized pursuant to a separate lease, permit or other written agreement (other than this Permit) with the Port Authority to provide such Authorized Service;

(ii) any area which pursuant to a written agreement the Port Authority has either leased to a third Person or has otherwise permitted a third Person to use and occupy and where (x) the Permittee performs such Authorized Service on such area for such Person or has obtained permission from such Person to perform such Authorized Service for an Approved Aircraft Operator on such area and (y) the performance of such Authorized Service for such Approved Aircraft Operator on such area is permitted by a written agreement with the Port Authority covering such area; or

(iii) such areas as may hereafter be designated in writing by the Port Authority for the performance of such privileges by the Permittee, it being understood and agreed that the Port Authority shall have the right at any time and from time to time to revoke, cancel, change or alter any such designation.

(v) "*Permittee's Recovery Fee*" shall mean any surcharge or other amount that the Permittee may separately state and charge its customers to recover the fee, or portion thereof, payable under this Permit.

(w) "*Person*" shall mean not only a natural person, corporation or other legal entity, but also two or more natural persons, corporations or other legal entities acting jointly as a firm, partnership, unincorporated association, consortium, joint adventurers or otherwise.

(x) "*Post-Termination Period*" shall have the meaning ascribed to it in paragraph (a) of Section 29 hereof.

(y) "*Routine and Non-routine Aircraft Maintenance*" shall mean all work including but not limited to the inspection, maintenance, servicing, testing, overhaul, cleaning, conversion, repair and installation of parts and supplies on aircraft and on aircraft parts of Approved Aircraft Operators performed by or required by law, rule or regulation to be performed by or under the supervision of a licensed aircraft mechanic or other person specially licensed, certified or approved by governmental authority, including the rental of tools and equipment in connection therewith.

(z) "*Terminal Four*" shall mean the premises under the Terminal Four Lease commonly referred to on the Airport as "Terminal Four".

(aa) "*Terminal Four Gross Receipts*" shall each mean and include all amounts, monies, revenues, receipts and income of every type paid or payable to the Permittee for sales made and for services rendered at Terminal Four, regardless of when or where the order therefor is received, and any other amounts, monies, revenues, receipts and income of any type arising out of or in connection with the Permittee's operations at Terminal Four, provided, however, there shall be excluded from Terminal Four Gross Receipts any taxes imposed by law which are separately stated to and paid by the customer and directly payable to the taxing authority by the Permittee.

(bb) "*Terminal Four Lease*" shall mean that certain agreement of lease bearing Port Authority Agreement No. AYC-685 entered into between the Port Authority and JFK International Air Terminal LLC on May 13, 1997.

(cc) "*Terminal Four Lessee*" shall mean for the time being JFK International Air Terminal LLC, a limited liability company organized and existing under the laws of the State of New York, or such other Person which the Port Authority may from time to time and at any time designate by notice to the Permittee.

(dd) "*Terminal Four Percentage Fee*" shall mean the fee payable to the Terminal Four Lessee pursuant to and as defined in Section 4(a)(i) hereof.

2. Effective Date, Termination and Revocation:

(a) The permission hereby granted shall take effect upon the Effective Date. Notwithstanding Item 6 appearing on the first page of this Permit, the Effective Date of this Permit shall be that date the Permittee commenced any of the activities permitted by this Permit. The Permittee in executing this Permit represents that the Effective Date appearing in Item 6 on the first page of this Permit is the date the Permittee commenced any of the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced any of the activities permitted by this Permit prior to said effective date, the Effective Date of this Permit shall be the date the Permittee commenced any of the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence

on such date including without limitation the Permittee's indemnity obligations and obligations to pay fees.

(b) Notwithstanding any other term or condition hereof, the permission hereby granted may be revoked without cause upon thirty (30) days' written notice by the Port Authority, or terminated without cause upon thirty (30) days' written notice by the Permittee, provided, however, that it may be revoked on twenty-four (24) hours' notice by the Port Authority if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth.

(c) In the event the Port Authority exercises it right to revoke this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation, including without limitation any and all personnel and legal costs (including but not limited to the cost to the Port Authority of in-house legal services) and disbursements incurred by it arising out of, relating to, or in connection with the enforcement or revocation of this Permit including, without limitation, legal proceedings initiated by the Port Authority to exercise its revocation rights and to collect all amounts due and owing to the Port Authority under this Permit.

(d) For the purposes of this Permit, a default by the Permittee in keeping, performing or observing any promise, obligation, term or agreement set forth herein on the part of the Permittee to be kept, performed or observed shall include the following whether or not the time has yet arrived for the keeping, performance or observance of any such promise, obligation, term or agreement:

(i) a statement by the Permittee to any representative of the Port Authority indicating that it cannot or will not keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit;

(ii) any act or omission of the Permittee or any other occurrence which makes it improbable at the time that it will be able to keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit; or

(iii) any suspension of or failure to proceed with any part of the privileges to be performed by the Permittee which makes it improbable at the time that it will be able to keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit.

(e) (i) If any type of strike, boycott, picketing, work stoppage, slowdown or other labor activity is directed against the Permittee at the Airport or against any operations of the Permittee under this Permit, whether or not the same is due to the fault of the Permittee and whether or not caused by the employees of the Permittee, and if any of the foregoing, in the opinion of the Port Authority, results or is likely to result in curtailment or diminution of the privileges to be performed hereunder by the Permittee or to interfere with or affect the operation of the Airport by the Port Authority or to interfere with or affect the operations of lessees, licensees, permittees or other users of the Airport, the Port Authority shall have the right at any time during the continuance thereof to suspend the operations of the Permittee under this Permit and/or to revoke this Permit.

(ii) In the event the Port Authority exercises its right to revoke this Permit, as aforesaid, it shall do so by twenty-four (24) hours' written notice to the Permittee, effective as of the time specified in the notice. The exercise by the Port Authority of its right of suspension shall not waive or affect or be deemed to waive or affect the right of revocation.

(iii) Prior to the exercise of the right of suspension by the Port Authority, it shall give the Permittee notice thereof, which notice may be oral. The Permittee shall not perform its operations authorized by this Permit during the period of the suspension. The period of suspension shall end not more than twenty-four (24) hours after the cause thereof has ceased or been cured and the Permittee shall notify the Port Authority of such cessation or cure.

(iv) The rights of suspension and revocation as hereinbefore set forth may be exercised by the Port Authority prior to the Effective Date set forth in Item 6 on the first page of this Permit. No exercise by the Port Authority of its rights granted to it in paragraph (e) of this Section shall be deemed to be a waiver of any other rights of revocation contained in this Permit or a waiver of any other rights or remedies which may be available to the Port Authority under this Permit or otherwise.

(f) No revocation or termination of the permission hereunder shall relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

(g) No exercise by the Port Authority of any right of revocation granted to it in this Section shall be deemed to be a waiver of any other rights of revocation contained in this Section or elsewhere in this Permit or a waiver of any other rights or remedies which may be available to the Port Authority under this Permit or otherwise.

3. Exercise of Rights:

(a) The rights granted hereby shall be exercised

(i) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(ii) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(iii) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees,

(iv) if the Permittee is an individual, by the Permittee acting only personally or through the medium of its employees, and

(v) if the Permittee is a limited liability company, by the Permittee acting only through the medium of its members, managers, and employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other Person. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed

by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

(b) No greater rights or privileges are hereby granted to the Permittee than the Port Authority has power to grant under the City Lease.

(c) Neither this Permit nor anything contained herein, shall be deemed to grant any rights in the Permittee to use and occupy any land, building space or other area at the Airport or shall be deemed to have created any obligation on the part of the Port Authority to provide any such land, space or area to the Permittee.

(d) Neither the execution and delivery of this Permit nor any act done pursuant thereto shall create between any terminal operator, lessee or other occupant of land at the Airport including but not limited to the Terminal Four Lessee and the Permittee, on one hand, and the Port Authority on the other hand the relationship of bailor and bailee, or any other relationship or any legal status which would impose upon the Port Authority with respect to any personal property, such as but not limited to, aircraft cargo or baggage, owned and/or handled by the Permittee any duty or obligation whatsoever. The Permittee expressly agrees that the Port Authority shall have no liability with respect to any aircraft cargo or baggage or any other property of the Permittee or of any other Person left anywhere on the Airport.

(e) This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

(f) Nothing contained in this Permit shall constitute permission to the Permittee to park or store equipment or personal property at any location or area at the Airport.

(g) The Permittee shall have no right hereunder to carry on any business or operation at the Airport other than that specifically provided herein. Without limiting the generality of the foregoing and notwithstanding anything else in this Permit to the contrary, the Permittee is expressly prohibited hereunder from performing ground transportation, fueling of aircraft and the selling and delivery of in-flight meals.

(h) It is understood that any and all privileges granted hereunder to the Permittee are non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Airport to another or others, whether by this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute a violation or breach of the permission herein granted.

(i) The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Airport.

(j) The words "permission" and "privilege" are used interchangeably in this Permit, and except where expressly provided to the contrary, shall mean the privileges granted by this Permit.

4. Fees:

(a) (i) The Permittee agrees to pay to the Port Authority, at the times set forth in and in accordance with paragraph (a)(ii) below, a percentage fee (the "*Basic Percentage Fee*") equal to five percent (5%) (as the same may be increased pursuant to paragraph (k) below) of Gross Receipts and, if any privilege or portion thereof is performed at Terminal Four, to pay to

the Terminal Four Lessee a percentage fee (hereinafter called the "Terminal Four Percentage Fee"), at the times set forth in and in accordance with paragraph (a)(iii) below, equal to five percent (5%), as the same may be increased pursuant to paragraph (k) below, of Terminal Four Gross Receipts.

(ii) Gross Receipts shall be reported and the Basic Percentage Fee shall be paid to the Port Authority by the Permittee as follows: On or before the twentieth (20th) day of the first month following the month in which the Effective Date falls and on the twentieth (20th) day of each and every calendar month thereafter during the period that this Permit is in effect and including the calendar month in which this Permit ceases to be in effect, the Permittee shall render to the Port Authority a monthly statement sworn to by a responsible executive or fiscal officer of the Permittee showing all of the Gross Receipts for the preceding month (the "Monthly Sworn Statement of Gross Receipts"). Each of the said statements shall also show the cumulative Gross Receipts from the Effective Date (or the most recent anniversary thereof) through the last day of the preceding month. At the same time each of the said statements is rendered to the Port Authority, the Permittee shall pay to the Port Authority an amount equal to five percent (5%) applied to the Gross Receipts for the preceding calendar month. In addition to the foregoing, on the twentieth (20th) day of the first month following each anniversary of the Effective Date the Permittee shall submit to the Port Authority a statement setting forth the cumulative totals of the Gross Receipts for the entire preceding twelve (12) month period certified, at the Permittee's expense, by a certified public accountant or a responsible executive or fiscal officer of the Permittee ("Annual Statement of Gross Receipts"). In addition to the foregoing, within twenty (20) days after the expiration, termination, revocation or cancellation of this Permit, the Permittee shall render to the Port Authority a sworn statement certified, at the Permittee's expense, by a certified public accountant of all Gross Receipts during the period from the last preceding anniversary of the Effective Date up to and including the last day this Permit shall be in effect and the Permittee shall, at the time of rendering such statement to the Port Authority, pay the Basic Percentage Fee due and unpaid as of the last day this Permit shall be in effect. The Permittee shall give the name and position of the responsible executive or fiscal officer designated under this paragraph to submit Monthly Sworn Statement and Annual Statement of Gross Receipts, ten (10) business days prior to the submission of the first such statement by the designee of the Permittee, so that the Port Authority may determine whether it will accept such designation. The designation shall be submitted to the Manager of Properties for the Airport. If such timely notice is not given to the Port Authority, the Permittee shall submit such statement to the Port Authority in a form executed by a certified public accountant.

(iii) Terminal Four Gross Receipts shall be reported and the Terminal Four Percentage Fee shall be paid to the Terminal Four Lessee by the Permittee as follows: On or before the twentieth (20th) day of the first month following the month in which the Effective Date falls and on the twentieth (20th) day of each and every calendar month thereafter during the period that the Permit is in effect and including the calendar month in which the Permit ceases to be in effect, the Permittee shall render to the Port Authority and the Terminal Four Lessee a monthly statement sworn to by a responsible executive or fiscal officer of the Permittee showing all of the Terminal Four Gross Receipts for the preceding month. Each of the said statements shall also show the cumulative Terminal Four Gross Receipts from the Effective Date (or the most recent anniversary thereof) through the last day of the preceding month. At the same time each of the said statements is rendered to the Port Authority and the Terminal Four Lessee, the Permittee shall pay to the Terminal Four Lessee an amount equal to five percent (5%) applied to the Terminal Four Gross Receipts for the preceding calendar month. In addition to the foregoing, on the twentieth (20th) day of the first month following each anniversary of the Effective Date the Permittee shall submit to the Port Authority and the Terminal Four Lessee a statement setting forth the cumulative totals of the Terminal Four Gross Receipts for the entire preceding twelve (12) month period certified, at the Permittee's expense, by a certified public

accountant. In addition to the foregoing, within twenty (20) days after the expiration, termination, revocation or cancellation of the Permit, the Permittee shall render to the Port Authority and the Terminal Four Lessee a sworn statement certified, at the Permittee's expense, by a certified public accountant or a responsible executive or fiscal officer of the Permittee of all Terminal Four Gross Receipts during the period from the last preceding anniversary of the Effective Date up to and including the last day the Permit shall be in effect and the Permittee shall, at the time of rendering such statement to the Terminal Four Lessee pay to the Terminal Four Lessee the Terminal Four Percentage Fee due and unpaid as of the last day the Permit shall be in effect. Each of the statements called for hereunder shall separately list and state the Terminal Four Gross Receipts and the applicable Terminal Four Percentage Fee payable thereon for each privilege (including without limitation each Authorized Service) provided by the Permittee hereunder at Terminal Four.

(b) (i) All statements to be submitted to the Port Authority pursuant to this Section and all payments made under this Permit, except for the Terminal Four Percentage Fee, shall be sent to the following address:

THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY
P.O. BOX 95000-1556
PHILADELPHIA, PENNSYLVANIA 19195-0001

or made via the following wire transfer instructions:

Bank: [redacted]
Bank ABA number: [redacted]
Account number:

or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

(ii) All statements to be submitted to the Terminal Four Lessee hereunder and the Terminal Four Percentage Fee shall be made to the Terminal Four Lessee at Terminal Four, John F. Kennedy International Airport, Room 2300, Jamaica, New York 11430 or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

(c) There shall be excluded from Gross Receipts and Terminal Four Gross Receipts any sum paid or payable to the Permittee for the following, provided said sum is separately stated to and paid by the customer:

(i) handicapped services;

(ii) security services;

(iii) lost and found baggage services;

(iv) snow removal services;

(v) ground transportation of employees; and

(vi) building janitorial and maintenance services,

provided further, however, the Permittee acknowledges and agrees that the Port Authority does and shall continue to have the right at any time and from time to time to withdraw the foregoing exclusions from Gross Receipts (and Terminal Four Gross Receipts), in whole or in part, or to establish a separate fee for each such service, which may be a percentage fee other than five percent (5%), upon sixty (60) days' prior written notice to the Permittee. Notwithstanding the foregoing, any fee established must be agreed to by the Permittee and the Port Authority and must be reflected in a supplement to this Permit to be prepared by the Port Authority and executed by the parties hereto.

(d) In the event the Permittee shall be permitted hereunder to provide Gateside Aircraft Maintenance services or Routine and Non-routine Aircraft Maintenance services, there shall be excluded from Gross Receipts and Terminal Four Gross Receipts any sum paid or payable to the Permittee:

(i) which arise solely from the resale to a customer of aircraft parts and supplies purchased by the Permittee from a third party, provided, however, that there shall be included in Gross Receipts and Terminal Four Gross Receipts monies paid or payable to the Permittee which arise from the sale of such aircraft parts and supplies to which the Permittee has provided labor for fabrication, refinishing or assembly to the extent of the reasonable value of the labor provided by the Permittee;

(ii) which arise solely from the use of equipment rented by the Permittee from a third party which monies are separately stated to and paid by the customer, limited, however, to the amounts actually paid by the Permittee to the third party for such rental of equipment; and

(iii) which arise solely from the loan or rental by the Permittee of aircraft parts, whether or not owned by the Permittee, which monies are separately stated to and paid by a customer and where said loan or rental of any such aircraft part is for a period of less than twelve (12) consecutive calendar days, it being understood that such monies paid or payable to the Permittee for the loan or rental may include monies for labor provided by the Permittee for installation, refurbishment of returned parts or administrative handling which is directly related to said loan or rental provided, however, all monies paid or payable to the Permittee which arise solely from the loan or rental by the Permittee of aircraft parts, whether or not owned by the Permittee, for twelve (12) or more consecutive calendar days (including but not limited to monies for labor provided by the Permittee for installation, refurbishment of returned parts or administrative handling which is directly related to said lease or rental) shall be included in Gross Receipts from the first day of the loan or rental period, as the case may be.

(e) If and to the extent the full fair market value of any sale, service or other item provided by the Permittee is not charged to or payable by the customer, then the fair market value thereof as determined by the Port Authority shall be included in Gross Receipts and Terminal Four Gross Receipts.

(f) Without limiting any other provisions of this Permit regarding Gross Receipts and Terminal Four Gross Receipts, in those instances where the Permittee provides any services or goods along with other services and goods to the same Person (including without limitation those instances where a service is part of or is included within a group of other services and rendered for a single price, and where a service is performed by the Permittee pursuant to agreement for the exchange of services or goods) the Permittee agrees that the value ascribed to the performance of such service by the Permittee shall be the fair and reasonable value thereof as determined by the Port Authority.

(g) Without limiting the requirement for Port Authority approval, if the Permittee conducts any privilege or any portion thereof through the use of a contractor or other third party which is not a Port Authority permittee and where the payments for any of the foregoing are made to such contractor rather than to the Permittee, said payments shall be deemed amounts, monies, revenues, receipts and income paid or payable to the Permittee for purposes of determining the Permittee's Gross Receipts and Terminal Four Gross Receipts, provided, however, that the foregoing shall not grant or be deemed to grant any right or permission to the Permittee to use an independent contractor or other third party to perform any privilege or portion thereof or the doing of anything hereunder by an independent contractor or other third party.

(h) Notwithstanding that the fee hereunder is measured by a percentage of Gross Receipts and Terminal Four Gross Receipts, no joint venture or partnership relationship between the parties hereto is created by this Permit.

(i) To the extent that the Permittee has not already done so at the time of execution of this Permit and without limiting the generality of any other term or provision hereof, the Permittee agrees to submit monthly statements of Gross Receipts and Terminal Four Gross Receipts as provided in this Section and to pay, at the time of execution and delivery of this Permit to the Port Authority, all fees and other amounts due under this Permit for the period from the Effective Date to the time of execution and delivery of this Permit by the Permittee.

(j) Without limiting any other provision of this Permit, it is hereby specifically understood that the failure to set forth all the classes of Persons, all of the locations served or all of the types of services or activities performed by the Permittee in its exercise of the privileges granted hereunder as of the Effective Date, or the failure to, by appropriate supplement, revise this Permit to reflect any additional classes of Persons, locations served, or services or activities performed by the Permittee subsequent to said Effective Date, shall not affect the inclusion in Gross Receipts or Terminal Four Gross Receipts hereunder of the amounts, monies, revenues, receipts and income received or receivable by the Permittee in its operations, and the same shall be so included. The foregoing shall not constitute Port Authority consent or be deemed to imply that the necessary Port Authority consent (to be reflected in a supplement to the Permit) with respect to such additional classes of Persons, locations, services or activities will be given.

(k) The Basic Percentage Fee, the Terminal Four Percentage Fee and any other fees payable under this Permit shall be subject to increase from time to time upon thirty (30) days' notice from the Port Authority to the Permittee, given by the General Manager of the Airport or such other representative as the Port Authority may substitute from time to time by notice to the Permittee, and upon the effective date of the increase set forth in such notice the fees payable by the Permittee under this Permit shall be as set forth in said notice. In the event within ten (10) days after the Permittee receives such notice from the Port Authority, the Permittee notifies the Port Authority that the Permittee does not wish to pay the increased fees, this Permit and the permission granted hereunder shall be, and shall be deemed to be, cancelled effective at the close of business on the day preceding the effective date of the increase, as set forth in the Port Authority's notice to the Permittee. If the Permittee does not so notify the Port Authority, the increased fees shall become effective on the date set forth in the Port Authority's notice as aforesaid. No cancellation of this Permit and the permission granted thereunder pursuant to this paragraph (k) shall be construed to relieve the Permittee of any obligations or liabilities hereunder which shall have accrued on or before the effective date of such cancellation.

(l) Without limiting any term or provision of this Permit, in the event the Permittee performs (x) any service, other than the Authorized Service at the Airport, or (y) any service (including the Authorized Service) at any other Port Authority facility, whether such

performance is the subject of a written agreement by and between the Port Authority and the Permittee, the Permittee hereby agrees that it will pay to the Port Authority any and all fees and/or charges applicable to such service. The Permittee also agrees that, at the request of the Port Authority, it will enter into the appropriate agreement with the Port Authority providing permission for the Permittee to perform such service.

5. Security Deposit:

(a) (i) Provided that an amount is set forth in Item 8 on the first page of this Permit (the "*Required Security Deposit*"), and, provided, further, the amount of said Required Security Deposit is less than $20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deposit with the Port Authority (and shall keep deposited throughout the effective period of the permission under this Permit) the Required Security Deposit, either in cash, or bonds of the United States of America, or of the State of New Jersey, or of the State of New York, or of the Port Authority of New York and New Jersey, having a market value of that amount, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed. Bonds qualifying for deposit hereunder shall be in bearer form but if bonds of that issue were offered only in registered form, then the Permittee may deposit such bonds or bonds in registered form, provided, however, that the Port Authority shall be under no obligation to accept such deposit of a bond in registered form unless such bond has been re-registered in the name of the Port Authority (the expense of such re-registration to be borne by the Permittee) in a manner satisfactory to the Port Authority. The Permittee may request the Port Authority to accept a registered bond in the Permittee's name and if acceptable to the Port Authority the Permittee shall deposit such bond together with an irrevocable bond power (and such other instruments or other documents as the Port Authority may require) in form and substance satisfactory to the Port Authority. In the event the Required Security Deposit is returned to the Permittee, any expenses incurred by the Port Authority in re-registering a bond to the name of the Permittee shall be borne by the Permittee. In addition to any and all other remedies available to it, the Port Authority shall have the right, at its option, at any time and from time to time, with or without notice, to use the Required Security Deposit, or any part thereof, in whole or partial satisfaction of any of its claims or demands against the Permittee. There shall be no obligation on the Port Authority to exercise such right and neither the existence of such right nor the holding of the Required Security Deposit itself shall cure any default or breach of this Permit on the part of the Permittee. With respect to any bonds deposited by the Permittee, the Port Authority shall have the right, in order to satisfy any of its claims or demands against the Permittee, to sell the same in whole or in part, at any time, and from time to time, with or without prior notice at public or private sale, all as determined by the Port Authority, together with the right to purchase the same at such sale free of all claims, equities or rights of redemption of the Permittee. The Permittee hereby waives all right to participate therein and all right to prior notice or demand of the amount or amounts of the claims or demands of the Port Authority against the Permittee. The proceeds of every such sale shall be applied by the Port Authority first to the costs and expenses of the sale (including but not limited to advertising or commission expenses) and then to the amounts due the Port Authority from the Permittee. Any balance remaining shall be retained in cash toward bringing the Required Security Deposit to the sum specified in Item 8 on the first page of this Permit. In the event that the Port Authority shall at any time or times so use the Required Security Deposit, or any part thereof, or if bonds shall have been deposited and the market value thereof shall have declined below the amount set forth in Item 8 on the first page of this Permit, the Permittee shall, on demand of the Port Authority and within two (2) days thereafter, deposit with the Port Authority additional cash or bonds so as to maintain the Required Security Deposit at all times to the full amount above stated in Item 8 on the first page of this Permit, and such additional deposits shall be subject to all the conditions of this Section. After the expiration or

earlier revocation or termination of the effective period of the permission under this Permit, and upon condition that the Permittee shall then be in no wise in default under any part of this Permit, and upon written request therefor by the Permittee, the Port Authority will return the Required Security Deposit to the Permittee less the amount of any and all unpaid claims and demands (including estimated damages) of the Port Authority by reason of any default or breach by the Permittee of this Permit or any part thereof. The Permittee agrees that it will not assign or encumber the Required Security Deposit. The Permittee may collect or receive any interest or income earned on bonds and interest paid on cash deposited in interest-bearing bank accounts, less any part thereof or amount which the Port Authority is or may hereafter be entitled or authorized by law to retain or to charge in connection therewith, whether as or in lieu of an administrative expense, or custodial charge, or otherwise; provided, however, that the Port Authority shall not be obligated by this provision to place or to keep cash deposited hereunder in interest-bearing bank accounts.

(ii) In lieu of the Required Security Deposit made in the form described above in paragraph (a)(i), the Permittee may at any time during the effective period of the permission granted under this Permit offer to deliver to the Port Authority, as security for all obligations of the Permittee under this Permit, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District, in favor of the Port Authority in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent satisfactory letter. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by security in accordance with paragraph (a)(i) of this Section or another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security under paragraph (a)(i) of this Section. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the Required Security Deposit, if any, theretofore made under and in accordance with the provisions of paragraph (a)(i) of this Section. The Permittee shall have the same rights to receive such Required Security Deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the effective period of the permission granted under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount.

(b) Provided that a Required Security Deposit amount is set forth in Item 8 on the first page of this Permit, and, provided, further, the amount of said Required Security Deposit is equal to or greater than $20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of the Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New

York District and acceptable to the Port Authority, in favor of the Port Authority, and payable in the Port of New York District in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is an appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless the letter of credit is replaced by another letter of credit satisfactory to the Port Authority by a date not later than twenty (20) days prior to the effective date of cancellation, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee, upon demand by the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to the amount of the Required Security Deposit. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to be a waiver of any default by the Permittee under the terms of this Permit, and all remedies under this Permit and of the Port Authority consequent upon such default shall not be affected by the existence of a recourse to any such letter of credit.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, in its sole discretion at any time and from time to time upon sixty (60) days' notice to the Permittee, to adjust the amount of the Required Security Deposit. Not later than the effective date set forth in said notice by the Port Authority, the Permittee shall furnish additional cash or bonds, as provided for in paragraph (a) above, or an amendment to, or a replacement of, the letter of credit providing for such adjusted amount of the Required Security Deposit, as the case may be, and such additional cash and/or bonds or adjusted (or replaced) letter of credit shall thereafter constitute the Required Security Deposit required under this Section.

(d) If the Permittee is obligated by any other agreement to maintain a security deposit with the Port Authority to insure payment and performance by the Permittee of all fees, rentals, charges and obligations which may become due and owing to the Port Authority arising from the Permittee's operations at the Airport pursuant to any such other agreement or otherwise, then all such obligations under such other agreement and any deposit pursuant thereto also shall be deemed obligations of the Permittee under this Permit and as security hereunder as well as under any such other agreement and all provisions of such other agreement with respect to such obligations and any obligations thereunder of the Port Authority as to the security deposit are hereby incorporated herein by this reference as though fully set forth herein and hereby made a part hereof. The termination, revocation, cancellation or expiration of any other agreement to which such security shall apply or any permitted assignment of such other agreement shall not affect such obligations as to such security which shall continue in full force and effect hereunder.

6. Permittee's Operations:

(a) The Permittee shall provide to the Port Authority, upon request of the Port Authority from time to time, such information and data in connection with the permission granted hereunder as the Port Authority may request and shall, if so requested by the Port Authority, make periodic reports thereof to the Port Authority utilizing such forms as may be adopted by the Port Authority for such purpose.

(b) The Permittee shall daily remove from the Airport by means of facilities provided by it all garbage, debris and other waste material (whether solid or liquid) arising out of or in connection with the permission granted hereunder, and any such not immediately removed shall be temporarily stored in a clean and sanitary condition, in suitable garbage and waste receptacles, the same to be made of metal and equipped with tight-fitting covers, and to be of a design safely and properly to contain whatever material may be placed therein; said receptacles being provided and maintained by the Permittee. The receptacles shall be kept covered except when filling or emptying the same. The Permittee shall exercise extreme care in removing such garbage, debris and other waste materials from the Airport. The manner of such storage and removal shall be subject in all respects to the continual approval of the Port Authority. No facilities of the Port Authority shall be used for such removal unless with its prior consent in writing. No such garbage, debris or other waste materials shall be or be permitted to be thrown, discharged or disposed into or upon the waters at or bounding the Airport.

(c) The Permittee shall at all times that areas of the Airport are being used for the privileges permitted hereunder, maintain said areas in a clean and orderly condition and appearance. The Permittee shall promptly wipe up any oil, gasoline, grease, lubricants and other inflammable liquids and substances and any liquids and substances having a corrosive or detrimental effect on the paving or other surface of the ramps or other areas upon which it performs the privileges authorized by this Permit resulting from its operations hereunder. The Permittee shall repair, replace, repave or rebuild, or at the Port Authority's election, the Permittee shall pay to the Port Authority the cost to the Port Authority of repairing, replacing, repaving or rebuilding, all or any part of the ramps or other areas upon which it performs the privileges authorized by this Permit which may be damaged or destroyed by such oil, gasoline, grease, lubricants or other liquids or substances or by any other act or omission of the Permittee or its employees, except for reasonable wear and tear arising out of its operations thereon.

(d) A principal purpose of the Port Authority in granting the permission under this Permit is to have available at the Airport, the privileges which the Permittee is permitted to render hereunder. The Permittee agrees that it will conduct a first-class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor, and keep the same in a first-class operating condition at all times.

(e) The Permittee shall immediately comply with all orders, directives and procedures as may be issued by the General Manager of the Airport covering the operations of the Permittee under this Permit at any time and from time to time. The Port Authority may, at any time and from time to time, without prior notice or cause, withdraw or modify any designation, approval, substitution or redesignation given by it hereunder.

(f) In the event of any injury or death to any person (other than employees of the Permittee) at the Airport when caused by the Permittee's operations, or damage to any property (other than the Permittee's property) at the Airport when caused by the Permittee's operations, the Permittee shall immediately notify the Port Authority and promptly thereafter furnish to the Port Authority copies of all reports given to the Permittee's insurance carrier.

(g) The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Airport. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the General Manager of the Airport. The Port Authority shall have the right to object to the Permittee as to the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

(h) The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations at the Airport.

7. Indemnity:

(a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third Persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee hereunder, or out of any of the acts or omissions of the Permittee, its officers, employees or Persons who are doing business with the Permittee arising out of or in connection with the activities permitted hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the Airport, including claims and demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) Without limiting any other term or provision hereof, the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

(c) Without limiting any other term or provision hereof, the Permittee shall indemnify the Port Authority and hold it harmless against all claims and demands of third Persons for damage to any aircraft cargo or baggage or any other property handled or delivered pursuant to the permission granted by this Permit.

(d) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand set forth in paragraphs (a), (b) and (c) above (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

8. Liability Insurance:

(a) The Permittee, in its own name as insured and including the Port Authority as an additional insured, shall maintain and pay the premiums during the effective period of the Permit

on a policy or policies of Commercial General Liability Insurance, including premises-operations and products-completed operations and covering bodily-injury liability, including death, and property damage liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage in the minimum limit set forth in Item 9 on the first page of this Permit, and Commercial Automobile Liability Insurance covering owned, non-owned and hired vehicles and including automatic coverage for newly acquired vehicles and providing for coverage in the minimum limit set forth in Item 9 on the first page of this Permit. Without limiting the foregoing, the Permittee shall maintain Workers' Compensation and Employers Liability Insurance in accordance with the Permittee's statutory obligations under the applicable State Workers' Compensation Law for those employees of the Permittee employed in operations conducted pursuant to this Permit at or from the Airport. In the event the Permittee maintains the foregoing insurance in limits greater than aforesaid, the Port Authority shall be included therein as an additional insured, except for the Workers' Compensation and Employers Liability Insurance policies, to the full extent of all such insurance in accordance with all terms and provisions of this Permit.

(b) Each policy of insurance, except for the Workers' Compensation and Employers Liability Insurance policies, shall also contain an ISO standard "separation of insureds" clause or a cross liability endorsement providing that the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority and any claim or action against the Port Authority by the Permittee, as if the Port Authority were the named insured thereunder, but such clause or endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured. Each policy of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Permittee under Section 7 of the Terms and Conditions of this Permit.

(c) All insurance coverages and policies required under this Section may be reviewed by the Port Authority for adequacy of terms, conditions and limits of coverage at any time and from time to time during the effective period of permission granted under this Permit. The Port Authority may, at any such time, require additions, deletions, amendments or modifications to the aforementioned insurance requirements, or may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem required and the Permittee shall promptly comply therewith.

(d) Each policy shall contain a provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' written advance notice thereof to the Port Authority. Each policy shall contain a provision or endorsement that the insurer "shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority." The foregoing provisions or endorsements shall be recited in each policy or certificate to be delivered pursuant to the following paragraph (e).

(e) A certified copy of each policy or a certificate or certificates of insurance evidencing the existence thereof, or binders, shall be delivered to the Port Authority upon execution and delivery of this Permit by the Permittee to the Port Authority. In the event any binder is delivered it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate of insurance. Any renewal policy shall be evidenced by a renewal certificate of insurance delivered to the Port Authority at least seven (7) days prior to the expiration of each

expiring policy, except for any policy expiring after the date of expiration of this Permit. The aforesaid insurance shall be written by a company or companies approved by the Port Authority. If at any time any insurance policy shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policy shall be or become unsatisfactory to the Port Authority, the Permittee shall promptly obtain a new and satisfactory policy in replacement. If the Port Authority at any time so requests, a certified copy of each policy shall be delivered to or made available for inspection by the Port Authority.

(f) The foregoing insurance requirements shall not in any way be construed as a limitation on the nature or extent of the contractual obligations assumed by the Permittee under this Permit. The foregoing insurance requirements shall not constitute a representation or warranty as to the adequacy of the required coverage to protect the Permittee with respect to the obligations imposed on the Permittee by this Permit or any other agreement or by law.

9. Special Endorsements:

The Permittee hereby agrees to the terms and conditions of the endorsements attached hereto, hereby made a part hereof and marked "*Special Endorsements*". The terms and provisions of the Special Endorsements shall have the same force and effect and as if herein set forth in full.

10. No Waiver:

No failure by the Port Authority or the Terminal Four Lessee to insist upon the strict performance of any agreement, term or condition of this Permit or to exercise any right or remedy consequent upon a breach or default thereof, and no extension, supplement or amendment of this Permit during or after a breach thereof, unless expressly stated to be a waiver, and no acceptance by the Port Authority or the Terminal Four Lessee of fees, charges or other payments in whole or in part after or during the continuance of any such breach or default, shall constitute a waiver of any such breach or default of such agreement, term or condition. No agreement, term or condition of this Permit to be performed or complied with by the Permittee, and no breach or default thereof, shall be waived, altered or modified except by a written instrument executed by the Port Authority. No waiver by the Port Authority of any default or breach on the part of the Permittee in performance of any agreement, term or condition of this Permit shall affect or alter this Permit but each and every agreement, term and condition thereof shall continue in full force and effect with respect to any other then existing or subsequent breach or default thereof.

11. Removal of Property:

The personal property placed or installed by the Permittee at the Airport shall remain the property of the Permittee and must be removed on or before the expiration, revocation, cancellation or termination of the permission hereby granted, whichever shall be earlier. Without limiting the terms and provisions of paragraph (g) of Section 18 hereof, any such property remaining at the Airport after the effective date of such expiration, revocation, cancellation or termination shall be deemed abandoned by the Permittee and may be removed and disposed of by the Port Authority in any manner it so determines in its sole discretion and all the proceeds of any removal or disposition shall be retained by the Port Authority for its account and all costs and expenses of such removal and disposition shall be paid to the Port Authority by the Permittee when billed.

12. Permittee's Representative:

The Permittee's representative specified in Item 3 on the first page of this Permit (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and any act or thing done or to be done hereunder, and to execute on the Permittee's behalf any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. Notices:

Except where expressly required or permitted herein to be oral, all notices, directions, requests, consents and approvals required to be given to or by either party or the Terminal Four Lessee shall be in writing, and all such notices given by the Port Authority or the Terminal Four Lessee to the Permittee shall be validly given if sent by registered or certified mail addressed to the Permittee at the address specified on the first page hereof or at the latest address that the Permittee may substitute therefor by notice to the Port Authority, or left at such address, or delivered to the Permittee's representative. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003 or at such other address as the Port Authority shall hereafter designate by notice to the Permittee. If mailed, the notices herein required to be given shall be deemed effective and given as of the date of the certified or registered mailing thereof.

14. Late Charges:

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority or the Terminal Four Lessee including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four (24) late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (15) (but not less than thirteen (13)) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority or the Terminal Four Lessee of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority or the Terminal Four Lessee to payment of any late charge or late charges payable under the provisions of this Section with respect to such unpaid amount. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority or the Terminal Four Lessee under this Permit, including without limitation the Port Authority's rights set forth in Section 2 of these Terms and Conditions, or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Section shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

15. Non-discrimination:

(a) Without limiting the generality of any of the provisions of this Permit, the Permittee, for itself, its successors in interest and assigns, as a part of the consideration hereof, does hereby agree that (1) no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or be otherwise subject to discrimination in the use of any space at the Airport and the exercise of any privileges under this Permit, (2) that in the construction of any improvements on, over, or under any space at the Airport and the furnishing of any service thereon by the Permittee, no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination, (3) that the Permittee shall use any space at the Airport and exercise any privileges under this Permit in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended, and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which from time to time may be applicable to the Permittee's operations thereat, whether by reason of agreement between the Port Authority and the United States Government or otherwise.

(b) The Permittee shall include the provisions of paragraph (a) of this Section in every agreement or concession it may make pursuant to which any Person or Persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Section shall constitute a material breach of this Permit. Without limiting any other term or provision hereof or any other rights or remedies of the Port Authority hereunder or at law or equity, in the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) Without limiting any other term or provision hereof, the Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third Persons, including the United States of America, resulting from the Permittee's noncompliance with any of the provisions of this Section and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Section shall grant or shall be deemed to grant to the Permittee the right to transfer or assign this Permit, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on any space at the Airport, or any right to use or occupy any space at the Airport.

16. Affirmative Action:

The Permittee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Permittee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity

covered by this subpart. The Permittee assures that it will require that its covered suborganizations provide assurances to the Permittee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

17. Rules and Regulations:

(a) The Permittee shall observe and obey (and compel its officers, employees, guests, invitees, and those doing business with it, to observe and obey) the rules and regulations and procedures of the Port Authority now in effect, and such further reasonable rules and regulations and procedures which may from time to time during the effective period of this Permit, be promulgated by the Port Authority for reasons of safety, health, preservation of property or maintenance of a good and orderly appearance of the Airport or for the safe and efficient operation of the Airport. The Port Authority agrees that, except in cases of emergency, it shall give notice to the Permittee of every rule and regulation hereafter adopted by it at least five (5) days before the Permittee shall be required to comply therewith.

(b) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the New York Board of Fire Underwriters and the New York Fire Insurance Exchange, and any other body or organization exercising similar functions which may pertain or apply to the Permittee's operations hereunder. If by reason of the Permittee's failure to comply with the provisions of this Section, any fire insurance, extended coverage or rental insurance rate on the Airport or any part thereof, or upon the contents of any building thereon, shall at any time be higher than it otherwise would be, then the Permittee shall on demand pay the Port Authority that part of all fire insurance premiums paid or payable by the Port Authority which shall have been charged because of such violation by the Permittee.

18. Prohibited Acts

(a) The Permittee shall not do or permit to be done any act which

(i) will invalidate or be in conflict with any fire insurance policies covering the Airport or any part thereof or upon the contents of any building thereon, or

(ii) will increase the rate of any fire insurance, extended coverage or rental insurance on the Airport or any part thereof or upon the contents of any building thereon, or

(iii) in the opinion of the Port Authority will constitute a hazardous condition, so as to increase the risks normally attendant upon the operations contemplated by this Permit, or

(iv) may cause or produce upon the Airport any unusual noxious or objectionable smokes, gases, vapors or odors, or

(v) may interfere with the effectiveness or accessibility of any drainage and sewerage system, water system, communications system, fire protection system, sprinkler system, alarm system, fire hydrant and hose, if any, installed or located or to be installed or located in or on the Airport, or

(vi) shall constitute a nuisance or injury in or on the Airport or which may result in the creation, commission or maintenance of a nuisance or injury in or on the Airport.

For the purpose of this paragraph (a), "Airport" includes all structures located thereon.

(b) The Permittee shall not dispose of, release or discharge nor permit anyone to dispose of, release or discharge any Hazardous Substance on the Airport except that the Permittee may release or discharge de-icing fluids utilized in the Permittee's ordinary course of business in the performance of any of the privileges granted hereunder so long as such release or discharge is not a violation of the terms and conditions of Sections 17 or 19 hereof. In addition to and without limiting Section 19 hereof, any Hazardous Substance disposed of, released or discharged by the Permittee (or permitted by the Permittee to be disposed of, released or discharged) on the Airport shall upon notice by the Port Authority to the Permittee and subject to the provisions of paragraph (f) of Section 17 hereof and to all Environmental Requirements, be completely removed and/or remediated by the Permittee at its sole cost and expense, provided, however, the forgoing shall not apply to releases and discharges which are in compliance with the terms and conditions of Sections 17 and 19 hereof of de-icing fluids utilized in the Permittee's ordinary course of business in the performance of any of the privileges granted hereunder and the obligation of the Permittee to remove and remediate such de-icing fluids shall be as required by the terms and conditions of Sections 17 and 19 hereof. The obligations of the Permittee pursuant to this paragraph shall survive the expiration, revocation, cancellation or termination of this Permit.

(c) The Permittee shall not dispose of nor permit anyone to dispose of any waste materials (whether liquid or solid) by means of any toilets, sanitary sewers or storm sewers.

(d) (i) The Permittee shall not employ any persons or use any labor, or use or have any equipment, or permit any condition to exist, which shall or may cause or be conducive to any labor complaints, troubles, disputes or controversies at the Airport which interfere or are likely to interfere with the operation of the Airport or any part thereof by the Port Authority or with the operations of the lessees, licensees, permittees or other users of the Airport or with the operations of the Permittee under this Permit.

(ii) The Permittee shall immediately give notice to the Port Authority (to be followed by written notice and reports) of any and all impending or existing labor complaints, troubles, disputes or controversies and the progress thereof. The Permittee shall use its best efforts to resolve any such complaints, troubles, disputes or controversies.

(iii) The Permittee acknowledges that it is familiar with the general and local conditions prevailing at the Airport and with the all pertinent matters and circumstances which may in any way affect performance of the privileges granted under this Permit.

(e) The Permittee shall not solicit business on the public areas of the Airport and the use, at any time, of hand or standard megaphones, loudspeakers or any electric, electronic or other amplifying device is hereby expressly prohibited.

(f) The Permittee shall not install any fixtures or make any alterations, additions, improvements or repairs to any property of the Port Authority except with the prior written approval of the Port Authority.

(g) No signs, posters or similar devices shall be erected, displayed or maintained at the Airport without the written approval of the General Manager of the Airport; and any not approved by such General Manager or not removed by the Permittee upon the termination, revocation, expiration or cancellation of this Permit may be removed by the Port Authority at the expense of the Permittee.

(h) The Permittee shall not operate any engine or any item of automotive equipment in any enclosed space at the Airport unless such space is adequately ventilated.

(i) The Permittee shall not use any cleaning materials having a harmful or corrosive effect on any part of the Airport.

(j) The Permittee shall not fuel or defuel any equipment in any enclosed space at the Airport without the prior approval of the General Manager of the Airport except in accordance with Port Authority rules and regulations.

(k) The Permittee shall not start or operate any engine or any item of automotive equipment in any enclosed space at the Airport unless such space is adequately ventilated and unless such engine is equipped with a proper spark-arresting device.

19. Law Compliance:

(a) The Permittee shall procure all licenses, certificates, permits or other authorization from all governmental authorities, if any, having jurisdiction over the Permittee's operations at the Airport which may be necessary for the Permittee's operations thereat.

(b) The Permittee shall pay all taxes, license, certification, permit and examination fees and excises which may be assessed, levied, exacted or imposed on its property or operations at the Airport or on the Gross Receipts, Terminal Four Gross Receipts or income therefrom, and shall make all applications, reports and returns required in connection therewith.

(c) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions which may pertain or apply to the Permittee's operations at the Airport.

(d) The Permittee's obligations to comply with governmental requirements are provided herein for the purpose of assuring proper safeguards for the protection of Persons and property at the Airport and are not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

(e) The Port Authority has agreed by a provision in the City Lease with the City covering the Airport to conform to the enactments, ordinances, resolutions and regulations of the City and of its various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable so to do. The Permittee shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such

compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

20. Trademarks and Patent Infringement:

The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit.

21. Inspection:

The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Airport or to be placed or brought on the Airport, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

22. Federal Aid:

(a) The Permittee shall

(i) furnish good, prompt and efficient service hereunder, adequate to meet all demands therefor at the Airport;

(ii) furnish said service on a fair, equal and non-discriminatory basis to all users thereof; and

(iii) charge fair, reasonable and non-discriminatory prices for each unit of sale or service, provided that the Permittee may make reasonable and non-discriminatory discounts, rebates or other similar types of price reductions to volume purchasers.

As used in the above subsections "service" shall include furnishing of parts, materials and supplies (including sale thereof).

(b) The Port Authority has applied for and received a grant or grants of money from the Administrator of the Federal Aviation Administration pursuant to the Airport and Airways Development Act of 1970, as the same has been amended and supplemented, and under prior federal statutes which said Act superseded and the Port Authority may in the future apply for and receive further such grants. In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. The performance by the Permittee of the promises and obligations contained in this Permit is therefore a special consideration and inducement to the issuance of this Permit by the Port Authority, and the Permittee further agrees that if the Administrator of the Federal Aviation Administration or any other governmental officer or body having jurisdiction over the enforcement of the obligations of the Port Authority in connection with Federal Airport Aid, shall make any orders, recommendations or suggestions respecting the performance by the Permittee of its obligations under this Permit, the Permittee

will promptly comply therewith at the time or times, when and to the extent that the Port Authority may direct.

23. Capacity and Competition:

(a) The Permittee shall refrain from entering into continuing contracts or arrangements with any third Person for furnishing services covered hereunder when such contracts or arrangements will have the effect of utilizing to an unreasonable extent the Permittee's capacity for rendering such services. A reasonable amount of capacity shall be reserved by the Permittee for the purpose of rendering services hereunder to those who are not parties to continuing contracts with the Permittee.

(b) The Permittee shall not enter into any agreement or understanding, express or implied, binding or non-binding, with any other Person who may furnish services at the Airport similar to those furnished hereunder which will have the effect of (i) fixing rates and charges to be paid by users of the services; (ii) lessening or preventing competition between the Permittee and such other furnishers of services; or (iii) tending to create a monopoly on the Airport in connection with the furnishing of such services.

24. Business Development and Records:

(a) In connection with the exercise of the privileges granted hereunder, the Permittee shall:

(i) use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(ii) not divert or cause or allow to be diverted, any business from the Airport;

(iii) maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of the Permittee at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify the Authorized Service performed at Terminal Four, the Authorized Service performed at the Airport at any location other than Terminal Four and all other services performed at the Airport at any location other than Terminal Four, and;

(iv) cause any company which is owned or controlled by the Permittee, or any company which owns or controls the Permittee, if any such company performs services similar to those performed by the Permittee (any such company being hereinafter called an "*Affiliate*" and all such companies being hereinafter called the "*Affiliates*") to maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of each Affiliate at, through, or in anywise connected with the Airport, which

records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify each activity (including without limitation the Authorized Service) performed at the Airport, the Authorized Service performed at Terminal Four and all other services performed at the airport at any location other than Terminal Four;

(v) permit and/or cause to be permitted in ordinary business hours during the effective period of this Permit, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Port Authority of all the records and books of account of the Permittee (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts and/or Terminal Four Gross Receipts and which the Terminal Four Lessee, in its sole discretion, believes may be relevant for identification, determination or calculation of Terminal Four Receipts, all agreements, and all source documents) and all the records and books of account of all Affiliates (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts and/or Terminal Four Gross Receipts and which the Terminal Four Lessee, in its sole discretion, believes may be relevant for identification, determination or calculation of Terminal Four Receipts, all agreements, and all source documents) (all of the foregoing records and books described in this paragraph (a)(v) being hereinafter collectively referred to as the "*Books and Records*") within ten (10) days following any request by the Port Authority from time to time and at any time to examine and audit any Books and Records;

(vi) if the Permittee has performed any privilege or portion thereof at Terminal Four, then permit and/or cause to be permitted in ordinary business hours during the effective period of the Permit, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Terminal Four Lessee of all Books and Records within ten (10) days following any request by the Terminal Four Lessee from time to time and at any time to examine and audit any Books and Records;

(vii) permit the inspection by the officers, employees and representatives of the Port Authority and the Terminal Four Lessee of any equipment used by the Permittee, including but not limited to the equipment described in paragraph (a)(viii) below; and

(viii) install and use such cash registers, sales slips, invoicing machines and any other equipment or devices, including without limitation computerized record keeping systems, for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of Gross Receipts and Terminal Four Gross Receipts, and without limiting the generality of the foregoing, for any privilege involving cash sales, install and use cash registers or other electronic cash control equipment that provides for non-resettable totals.

(b) Without implying any limitation on the right of the Port Authority to revoke this Permit for cause for breach of any term, condition or provision thereof, including but not limited to, breach of any term, condition or provision of paragraph (a) above, the Permittee understands that the full reporting and disclosure to the Port Authority of all Gross Receipts and Terminal Four Gross Receipts and to the Terminal Four Lessee of all Terminal Four Gross Receipts and the Permittee's compliance with all the provisions of paragraph (a) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under this Permit. In the event any Books and Records are maintained outside the Port of New York District or in the event of the failure of the Permittee to comply with all the provisions of

paragraphs (a)(ii) through (a)(viii) above then, in addition to all, and without limiting any other, rights and remedies of the Port Authority and the Terminal Four Lessee under this Permit or otherwise and in addition to all of the Permittee's other obligations under this Permit:

(i) the Port Authority may estimate the Gross Receipts on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the fees based thereon shall be payable to the Port Authority when billed; and/or

(ii) the Port Authority or the Terminal Four Lessee may estimate the Terminal Four Gross Receipts on any basis that the Port Authority or the Terminal Four Lessee, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the fees based thereon shall be payable to the Terminal Four Lessee when billed; and/or

(iii) if any Books and Records are maintained outside of the Port of New York District, then the Port Authority in its sole discretion may (x) require on ten (10) days' notice to the Permittee that any such Books and Records be made available to the Port Authority within the Port of New York District for examination and audit pursuant to paragraph (a)(v) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(v) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority, for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Permittee shall pay to the Port Authority when billed all costs and expenses of the Port Authority, as determined by the Port Authority, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

(iv) if any Books and Records are maintained outside of the Port of New York District, then the Terminal Four Lessee in its sole discretion may (x) require on ten (10) days' notice to the Permittee that any such Books and Records be made available to the Terminal Four Lessee within the Port of New York District for examination and audit pursuant to paragraph (a)(vi) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(vi) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Permittee shall pay to the Terminal Four Lessee when billed all travel costs and related expenses, as determined by the Terminal Four Lessee, for Terminal Four Lessee auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Permittee shall pay to the Terminal Four Lessee when billed all costs and expenses of the Terminal Four Lessee, as determined by the Terminal Four Lessee, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Terminal Four Lessee for the purpose of conducting such audit and examination.

(c) In the event that upon conducting an examination and audit as described in this Section the Port Authority or the Terminal Four Lessee determines that unpaid amounts are due to the Port Authority or to the Terminal Four Lessee by the Permittee (the "*Audit Findings*"), the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority and/or the Terminal Four Lessee a service charge in the amount equal to five percent (5%) of the Audit Findings. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority or by the Terminal Four Lessee. Such

service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority or the Terminal Four Lessee by the Permittee under this Permit or otherwise. Such service charge shall not be payable if the Port Authority has received, for each month covered by the examination and audit period, the Monthly Sworn Statement of Gross Receipts, as provided in Section 4(a)(ii). No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Section with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

(d) Without implying any limitation on the rights or remedies of the Port Authority under this Permit or otherwise including without limitation the right of the Port Authority to revoke this Permit for cause for breach of any term or provision of paragraphs (a)(iii) or (a)(iv) above and in addition thereto, in the event any of the Books and Records are not maintained in English, then this Permittee shall pay to the Port Authority when billed, all costs and expenses of the Port Authority, as determined by the Port Authority, to translate such Books and Records into English.

(e) The foregoing auditing costs, expenses and amounts of the Port Authority set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Permit payable to the Port Authority with the same force and effect as the Basic Percentage Fee and all other fees payable to the Port Authority hereunder and the foregoing auditing costs, expenses and amounts of the Terminal Four Lessee set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Permit payable to the Terminal Four Lessee with the same force and effect as the Terminal Four Percentage Fee and all other fees payable to the Terminal Four Lessee hereunder.

25. Rates and Charges:

The Permittee shall establish rates and discounts therefrom which are in compliance with Section 22 hereof (each such rate and discount is hereinafter called an "*Established Rate*"). Upon request by the Port Authority, the Permittee shall provide the Port Authority its rates and discounts therefrom for goods and services furnished hereunder. If the Permittee applies any rate in excess of the Established Rate therefor or extends a discount less than the Established Discount therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the Established Rate therefor or extends a discount which is in excess of the Established Rate therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an undercharge and an amount equivalent thereto shall be included in Gross Receipts and Terminal Four Gross Receipts hereunder and the Basic Percentage Fee and the Terminal Four Percentage Fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in Gross Receipts or Terminal Four Gross Receipts any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon such breach which would otherwise be available to it at law, in equity or by reason of this Permit.

26. Other Agreements:

In the event the terms and provisions of any agreement entered into by the Permittee with any third Person in connection with the privileges granted hereunder are contrary to or conflict or are inconsistent with the terms and provisions of this Permit, the terms and provisions of this Permit shall be controlling, effective and determinative.

27. City Lease Provisions:

(a) The Permittee acknowledges that it has received a copy of, and is familiar with the contents of, the City Lease. The Permittee acknowledges that no greater rights or privileges are hereby granted to the Permittee than the Port Authority has the power to grant under the City Lease.

(b) In accordance with the provisions of the City Lease, the Port Authority and the Permittee hereby agree as follows:

(i) This Permit is subject and subordinate to the City Lease and to any interest superior to that of the Port Authority;

(ii) The Permittee shall not pay the fees or other sums under this Permit for more than one (1) month in advance (excluding security or other deposits required under this Permit);

(iii) With respect to this Permit, the Permittee on the termination of the City Lease will, at the option of the City, enter into a direct permit on identical terms with the City;

(iv) The Permittee shall indemnify the City, as third party beneficiary hereunder, with respect to all matters described in Section 31 of the City Lease that arise out of the Permittee's operations at the Airport, or arise out of the acts or omissions of the Permittee's officers, employees, agents, representatives, contractors, customers, business visitors and guests at the Airport with the Permittee's consent;

(v) The Permittee shall not use any portion of the Airport for any use other than as permitted under the City Lease;

(vi) The Permittee shall use the Airport in a manner consistent with the Port Authority's obligations under Section 28 of the City Lease;

(vii) The failure of the Permittee to comply with the foregoing provisions shall be an event of default under this Permit, which shall provide the Port Authority with the right to revoke this Permit and exercise any other rights that the Port Authority may have as the grantor of the permission hereunder; and

(viii) The City shall be named as an additional insured or loss payee, as applicable, under each policy of insurance procured by the Permittee pursuant to this Permit.

28. Counterclaims:

The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts, which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

29. Continued Exercise of Privilege After Expiration, Revocation or Termination:

(a) The Permittee acknowledges that the failure of the Permittee to cease to perform the Authorized Service at the Airport from the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss, and the Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss. The Permittee acknowledges that the Port Authority reserves all its legal and equitable rights and remedies in the event of such failure by the Permittee to cease performance of the Authorized Service.

(b) The Permittee hereby acknowledges and agrees that, subject to the foregoing, all terms and provisions of this Permit shall be and continue in full force and effect during any Post-Termination Period.

30. Miscellaneous:

(a) It is understood and agreed that the Port Authority shall not furnish, sell or supply to the Permittee any services or utilities in connection with this Permit.

(b) No Commissioner, Director, officer, agent or employee of either party shall be charged personally by the other party with any liability, or held liable to the other party, under any term or provision of this Permit, or because of the party's execution or attempted execution, or because of any breach thereof.

(c) The Section and paragraph headings, if any, in this Permit are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope or intent of any provision hereof.

(d) This Permit, including the attached Special Endorsements, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof. This Permit may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee or except by notice as specifically set forth in Sections 4 and 13 hereof. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

SPECIAL ENDORSEMENTS

1. (a) The Port Authority hereby grants to the Permittee the privilege to provide the Authorized Service, and for no other purpose or purposes whatsoever.

(b) The Port Authority hereby consents to the Permittee providing the Authorized Service to Aerosvit, Aeromxpresse, Cargolux, EVA, Finnair, Japan Airlines, Olympic Airlines, Pakistan, South African, Korean, Air France, Czech, Air China, ANA, Etihad, KLM, United Air Lines, Inc., Qatar, Air Canada, Asiana, DHL, TAM, Air New Zealand, Cargo Jet, Icelandair, Lan Cargo, Turkish, Ubekistan, Emirates and Singapore Airlines at the Airport.

(c) (i) In the event the Permittee shall desire to provide the Authorized Service to another Approved Aircraft Operator or Person at the Airport, the Permittee shall submit such request in writing to the Port Authority. The Permittee may perform the Authorized Service for other Approved Aircraft Operators or Persons at the Airport only after receiving the written consent of the Port Authority.

(ii) The Permittee hereby agrees that it will not carry on any business at the Airport other than as specifically provided herein without receiving the prior written consent of the Port Authority, which consent, if given, will be in the form of a Supplement hereto or a separate agreement with the Port Authority, and will specify whether the provisions regarding fees contained herein or any other provisions regarding fees shall apply thereto.

2. The Permittee hereby attests that its federal taxpayer identification number is [redacted].

3. The Permittee hereby agrees and understands that this Permit shall not and shall not be deemed to be any consent of the Port Authority to any assignment of any lease or any other rights whatsoever with respect to Cargo Building No. 261 or any other area at the Airport including without limitation any sublease of space therein or thereat or to grant to or imply any right in the Permittee to have any right to occupy Cargo Building No. 261 or any other area of the Airport assigned or otherwise transferred to the Permittee, and that any such occupancy and/or transfer requires the prior written consent of the Port Authority which the Port Authority shall have no obligation whatsoever hereunder or in law, equity or otherwise to give.

4. The Permittee hereby agrees that this Permit constitutes one of the "Agreements", as such term is defined in that certain security agreement entered into between the Port Authority and the Permittee, dated October 1, 2004 and identified by Port Authority Agreement No. AX-781 (the "Security Agreement"), and that a breach or failure to perform or comply with any other terms or conditions of the Security Agreement, including without limitation failure to provide a letter of credit in accordance with the terms and provisions of the Security Agreement valid and available to the Port Authority or any failure of any banking institution issuing a letter of credit to make one or more payments as provided in such letter of credit, shall constitute a breach of this Permit and of the Security Agreement thereby entitling the Port Authority to immediately exercise any and all rights available to it, including without limitation the right to revoke this Permit for cause.

5. Prior to the execution of this Permit, the first sentence of paragraph (a) to Section 8 of the Terms and Conditions shall be deemed deleted and the following new first sentence shall be substituted in lieu thereof:

"The Permittee, in its own name as insured and including the Port Authority as an additional insured, shall maintain and pay the premiums during the effective period of the Permit on a policy or policies of (i) Commercial General Liability Insurance, including premises-operations and products-completed operations and covering bodily-injury liability, including death, and property damage liability, none of the foregoing to contain care, custody or control exclusions; (ii) Commercial Automobile Liability Insurance covering owned, non-owned and hired vehicles and including automatic coverage for newly acquired vehicles; and (iii) Cargo Liability Insurance providing for coverage in the minimum limits set forth in Item 9 on the first page of this Permit."

For the Port Authority

For the Permittee

TERMS AND CONDITIONS

1. Definitions:

The following terms, when and if used in this Permit, shall have the respective meanings given below:

(a) "*Air Cargo*" shall mean cargo transported to or from the Airport by aircraft owned or operated by an Approved Aircraft Operator.

(b) "*Aircraft Operator*" shall mean (a) a Person owning one or more aircraft which are not leased or chartered to any other Person for operation, and (b) a Person to whom one or more aircraft are leased or chartered for operation - whether the aircraft so owned, leased or chartered are military or non-military, or are used for private business, pleasure or governmental business, or for carrier or non-carrier operations, or for scheduled or non-scheduled operations or otherwise. Said term shall not mean the pilot of an aircraft unless he is also the owner or lessee thereof or a Person to whom it is chartered.

(c) "*Airport*" shall mean John F. Kennedy International Airport, consisting of certain premises identified as "John F. Kennedy International Airport" on Sheet JFK-1 of Exhibit A, and more particularly described in Exhibit B, annexed to the City Lease, and such other property as may be acquired in connection with and added to such premises pursuant to the terms of the City Lease.

(d) "*Approved Aircraft Operator*" shall mean an Aircraft Operator which the General Manager of the Airport has authorized to conduct its aircraft operations at the Airport and if such Aircraft Operator is subleasing or subusing space, or has a ground handling agreement or other agreement at the Airport with an Aircraft Operator, a lessee or other Person at the Airport which requires the consent of the Port Authority, each such subleasing, subuse, ground handling agreement or other agreement has been consented to in writing by the Port Authority.

(e) "*Basic Percentage Fee*" shall have the meaning given such term in Section 4(a)(i) hereof.

(f) "*Cargo Aircraft*" shall mean aircraft engaged solely and exclusively in the carriage of Air Cargo.

(g) "*Cargo Handling and Ramp Service*" shall mean all or any of the following services for or in connection with Air Cargo:

(i) representation and accommodation;

(ii) load control and communications;

(iii) unit load device control, handling and administration in connection with Cargo Aircraft;

(iv) flight operations and crew administration in connection with Cargo Aircraft, including but not limited to obtaining and providing meteorological reports, briefing and debriefing flight crews, preparing and filing flight plans, dispatching and receiving messages in connection with flight and ground operations, maintaining station logs and filing necessary reports with governmental agencies, preparing weight and balance plans, maintaining flight watch and arranging hotel accommodations for flight crews;

(v) pickup and delivery of Air Cargo, air express and mail to and from appropriate locations (allowed or designated from time to time by the Port Authority for such pickup and delivery) on the Airport;

(vi) preparation of documentation associated with Air Cargo, including but not limited to cargo manifests, airway bills and customs clearance documentation;

(vii) distribution of Air Cargo;

(viii) reception of Air Cargo to be shipped from the Airport;

(ix) temporary warehousing, sorting and storage of Air Cargo;

(x) supervision and administration;

(xi) courier services;

(xii) guiding Cargo Aircraft in and out of gate or loading or unloading positions and parking Cargo Aircraft;

(xiii) providing, positioning/removing, and operating appropriate units for engine starting for Cargo Aircraft;

(xiv) furnishing and placing in position and thereafter removing the necessary and appropriate steps, stands and power equipment for the safe and efficient loading and unloading of crew members and other persons, ballast, potable water, mail, air express, Air Cargo and supplies onto and from aircraft and trucks, and performing such loading and unloading and reporting irregularities;

(xv) providing a fire guard equipped with the necessary and appropriate fire fighting equipment for Cargo Aircraft;

(xvi) towing of Cargo Aircraft;

(xvii) ramp control tower services for Cargo Aircraft;

(xviii) Cargo Aircraft servicing, including interior and exterior cleaning, the removal and disposal of aircraft waste material and providing water service, cooling and heating, and toilet service;

(xix) conversion operations and services consisting of the removal of seats from convertible-type aircraft, so as to convert the same to Cargo Aircraft, and from Cargo Aircraft to Passenger Aircraft by the installation of seats;

(xx) ramp area cleaning;

(xxi) Gateside Aircraft Maintenance of Cargo Aircraft, it being specifically understood, however, that Routine and Non-routine Aircraft Maintenance, as distinguished from Gateside Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder;

(xxii) mobile fueling, on the Permittee's own account, for automotive and other ramp equipment using mobile tender vehicles or other equipment as may be approved from time to time by the General Manager of the Airport;

(xxiii) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport;

(xxiv) deicing to the exterior of aircraft of Approved Aircraft Operators at such locations on the Airport as may from time to time be designated by the General Manager of the Airport;

(xxv) triturator operations and maintenance;

(xxvi) snow removal; and

(xxvii) security services for and in connection with Air Cargo and Cargo Aircraft.

(h) "*City*" shall mean the City of New York.

(i) "*City Lease*" shall mean the Amended and Restated Agreement of Lease of the Municipal Air Terminals between The City of New York, as Landlord, and The Port Authority of New York and New Jersey, as Tenant, dated as of November 24, 2004 and recorded in the office of the City Register of the City on December 3, 2004 under City Register File No. 2004000748687, as the same may have been or may be amended or supplemented.

(j) "*Cleaning Service*" shall mean all or any of the following services:

(i) the cleaning, repairing and installing of upholstery, carpeting and curtains in aircraft and linens used on aircraft;

(ii) the complete interior and exterior cleaning of aircraft, the removal and disposal of waste material and providing water service, cooling and heating, and toilet service;

(iii) conversion operations and services consisting of the removal of seats from convertible-type aircraft so as to convert the same to Cargo Aircraft and from Cargo Aircraft to Passenger Aircraft by installation of seats;

(iv) ramp area cleaning services; and

(v) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport.

(k) "*Effective Date*" shall mean that date appearing in Item 6 on the first page of this Permit as the same may be modified pursuant to the provisions of Section 2(a) hereof.

(l) "*Environmental Requirement*" shall mean all common law and all past, present and future laws, statutes, enactments, resolutions, regulations, rules, directives, ordinances,

codes, licenses, permits, orders, memoranda of understanding and memoranda of agreement, guidances, approvals, plans, authorizations, concessions, franchises, requirements and similar items of all governmental agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof, all pollution prevention programs, "best management practices plans", and other programs adopted and agreements made by the Port Authority (whether adopted or made with or without consideration or with or without compulsion), with any government agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof, and all judicial, administrative, voluntary and regulatory decrees, judgments, orders and agreements relating to the protection of human health or the environment, and in the event that there shall be more than one compliance standard, the standard for any of the foregoing to be that which requires the lowest level of a Hazardous Substance, the foregoing to include without limitation:

(i) All requirements pertaining to reporting, licensing, permitting, investigation and remediation of emissions, discharges, releases or threatened releases of Hazardous Substances into the air, surface water, groundwater or land, or relating to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of Hazardous Substances, or the transfer of property on which Hazardous Substances exist; and

(ii) All requirements pertaining to the protection from Hazardous Substances of the health and safety of employees or the public.

(m) "*Executive Director*" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Executive Director of the Port Authority for the time being or his duly designated representative or representatives.

(n) "*Gateside Aircraft Maintenance*" shall mean such emergency transit and turnaround maintenance performed on the aircraft of an Aircraft Operator as may be performed in the time such aircraft is permitted to be and remain at the aircraft gate position or hardstand at which such maintenance is to be performed and which is performed by or required by law, rule or regulation to be performed by or under the supervision of a licensed aircraft mechanic or other person specifically licensed, certified or approved by governmental authority having jurisdiction, including the rental or equipment and tools in the connection therewith. It is specifically understood that the performance of any other aircraft maintenance, including but not limited to Routine and Non-routine Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder.

(o) "*General Manager of the Airport*" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in said General Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean said General Manager (or Acting General Manager) of the Airport for the time being or his duly designated representative or representatives.

(p) "*Gross Receipts*" shall mean all amounts, monies, revenues, receipts and income of every type paid or payable to the Permittee for sales made and for services rendered at or from the Airport, regardless of when or where the order therefor is received, and outside the Airport, if the order therefor is received at the Airport, and any other amounts, monies, revenues, receipts and income of any type arising out of or in connection with the Authorized Service, provided, however, there shall be excluded from Gross Receipts, any Terminal Four Gross Receipts and any taxes imposed by law which are separately stated to and paid by the customer and directly

payable to the taxing authority by the Permittee. The Permittee's Recovery Fee, as hereinafter defined, if any, shall be included within Gross Receipts and shall be subject to the fees set forth under Section 4 of this Permit.

(q) "*Hazardous Substance*" shall mean any pollutant, contaminant, toxic or hazardous waste, dangerous substance, potentially dangerous substance, noxious substance, toxic substance, flammable, explosive or radioactive material, urea formaldehyde foam insulation, asbestos, polychlorinated biphenyls (PCBs), chemicals known to cause cancer, endocrine disruption or reproductive toxicity, petroleum and petroleum products and substances declared to be hazardous or toxic or the removal, containment or restriction of which is required, or the manufacture, preparation, production, generation, use, maintenance, treatment, storage, transfer, handling or ownership of which is restricted, prohibited, regulated or penalized by any federal, state, county, or municipal or other local statute or law now or at any time hereafter in effect as amended or supplemented and by the regulations adopted and publications promulgated pursuant thereto.

(r) "*In-Terminal Handling Service*" shall mean all or any of the following services for or in connection with passengers of Passenger Aircraft:

(i) furnishing interpreters for the assistance of non-English-speaking passengers;

(ii) inbound and outbound passenger baggage handling services, including but not limited to checking, weighing, handling and storage of aircraft baggage;

(iii) selling of tickets for air transportation;

(iv) checking in and boarding aircraft passengers;

(v) porter service for passenger baggage;

(vi) passenger assistance, passenger information service, flight information and public address paging and announcements;

(vii) supervisory and administrative functions on behalf of Approved Aircraft Operators in conjunction with the Permittee's performance of the other activities constituting a part of the In-Terminal Handling Service;

(viii) the arrangement of ground transportation of crew, passengers and baggage;

(ix) handicapped services;

(x) security and pre-board screening;

(xi) building janitorial and maintenance; and

(xii) lounge hosting services.

(s) "*Passenger Aircraft*" shall mean aircraft owned or operated by an Approved Aircraft Operator engaged primarily in the transportation of passengers by aircraft to and from the Airport.

(t) "*Passenger Ramp Service*" shall mean all or any of the following services for or in connection with Passenger Aircraft:

(i) representation and accommodation;

(ii) load control and communications on ramp;

(iii) unit load device control, handling and administration;

(iv) baggage handling and sorting, including delivering baggage to and from Passenger Aircraft and to and from baggage facilities, provided, however, no permission is hereby given for the Permittee to deliver baggage from one terminal to another unless they are part of the same premises; sorting baggage in baggage makeup facilities; and delivering baggage to and from interline system permittees;

(v) guiding Passenger Aircraft in and out of gates or loading and unloading positions and parking Passenger Aircraft;

(vi) furnishing and placing in position and thereafter removing the necessary and appropriate steps, stands and power equipment for the safe and efficient loading and unloading of crew, passengers, baggage, ballast, potable water, mail, air express, Air Cargo and supplies from and onto Passenger Aircraft and trucks, and perform such loading and unloading and reporting irregularities;

(vii) deicing to the exterior of aircraft of Approved Aircraft Operators at such locations on the Airport as may from time to time be designated by the General Manager of the Airport;

(viii) providing, positioning/removing, and operating appropriate units for engine starting;

(ix) providing a fire guard equipped with the necessary and appropriate fire fighting equipment;

(x) towing of Passenger Aircraft;

(xi) ramp control tower services for Passenger Aircraft;

(xii) Passenger Aircraft servicing, including exterior and interior cleaning, the removal and disposal of aircraft waste material and providing water service, cooling and heating, toilet service, and rearranging cabin equipment;

(xiii) ramp area cleaning;

(xiv) mobile fueling on the Permittee's own account for automotive and other ramp equipment using mobile tender vehicles or other equipment as may be approved from time to time by the General Manager of the Airport;

(xv) Gateside Aircraft Maintenance of Passenger Aircraft, it being specifically understood, however, that Routine and Non-routine Aircraft Maintenance, as distinguished from Gateside Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder;

(xvi) flight operations and crew administration including but not limited to obtaining and providing meteorological reports, briefing and debriefing flight crews, preparing and filing flight plans, dispatching and receiving messages in connection with flight and ground operations, maintaining station logs and filing necessary reports with governmental agencies, preparing weight and balance plans, maintaining flight watch and arranging hotel accommodations for flight crews;

(xvii) ramp transportation for crew, passengers and baggage;

(xviii) supervisory and administrative functions on behalf of Approved Aircraft Operators of Passenger Aircraft;

(xix) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport, and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport;

(xx) catering liaison and administration;

(xxi) triturator operations and maintenance;

(xxii) snow removal; and

(xxiii) security services for passengers and baggage, cargo and mail, catering, and on aircraft, ramp and other designated areas.

(u) "*Permitted Areas*" shall mean with respect to the Authorized Service the following areas of the Airport and only such areas:

(i) those areas where the Permittee is authorized pursuant to a separate lease, permit or other written agreement (other than this Permit) with the Port Authority to provide such Authorized Service;

(ii) any area which pursuant to a written agreement the Port Authority has either leased to a third Person or has otherwise permitted a third Person to use and occupy and where (x) the Permittee performs such Authorized Service on such area for such Person or has obtained permission from such Person to perform such Authorized Service for an Approved Aircraft Operator on such area and (y) the performance of such Authorized Service for such Approved Aircraft Operator on such area is permitted by a written agreement with the Port Authority covering such area; or

(iii) such areas as may hereafter be designated in writing by the Port Authority for the performance of such privileges by the Permittee, it being understood and agreed that the Port Authority shall have the right at any time and from time to time to revoke, cancel, change or alter any such designation.

(v) "*Permittee's Recovery Fee*" shall mean any surcharge or other amount that the Permittee may separately state and charge its customers to recover the fee, or portion thereof, payable under this Permit.

(w) "*Person*" shall mean not only a natural person, corporation or other legal entity, but also two or more natural persons, corporations or other legal entities acting jointly as a firm, partnership, unincorporated association, consortium, joint adventurers or otherwise.

(x) "*Routine and Non-routine Aircraft Maintenance*" shall mean all work including but not limited to the inspection, maintenance, servicing, testing, overhaul, cleaning, conversion, repair and installation of parts and supplies on aircraft and on aircraft parts of Approved Aircraft Operators performed by or required by law, rule or regulation to be performed by or under the supervision of a licensed aircraft mechanic or other person specially licensed, certified or approved by governmental authority, including the rental of tools and equipment in connection therewith.

(y) "*Terminal Four*" shall mean the premises under the Terminal Four Lease commonly referred to on the Airport as "Terminal Four".

(z) "*Terminal Four Gross Receipts*" shall each mean and include all amounts, monies, revenues, receipts and income of every type paid or payable to the Permittee for sales made and for services rendered at Terminal Four, regardless of when or where the order therefor is received, and any other amounts, monies, revenues, receipts and income of any type arising out of or in connection with the Permittee's operations at Terminal Four, provided, however, there shall be excluded from Terminal Four Gross Receipts any taxes imposed by law which are separately stated to and paid by the customer and directly payable to the taxing authority by the Permittee.

(aa) "*Terminal Four Lease*" shall mean that certain agreement of lease bearing Port Authority Agreement No. AYC-685 entered into between the Port Authority and JFK International Air Terminal LLC on May 13, 1997.

(bb) "*Terminal Four Lessee*" shall mean for the time being JFK International Air Terminal LLC, a limited liability company organized and existing under the laws of the State of New York, or such other Person which the Port Authority may from time to time and at any time designate by notice to the Permittee.

(cc) "*Terminal Four Percentage Fee*" shall mean the fee payable to the Terminal Four Lessee pursuant to and as defined in Section 4(a)(i) hereof.

2. Effective Date, Termination and Revocation:

(a) The permission hereby granted shall take effect upon the Effective Date. Notwithstanding Item 6 appearing on the first page of this Permit, the Effective Date of this Permit shall be that date the Permittee commenced any of the activities permitted by this Permit. The Permittee in executing this Permit represents that the Effective Date appearing in Item 6 on the first page of this Permit is the date the Permittee commenced any of the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced any of the activities permitted by this Permit prior to said effective date, the Effective Date of this Permit shall be the date the Permittee commenced any of the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence on such date including without limitation the Permittee's indemnity obligations and obligations to pay fees.

(b) Notwithstanding any other term or condition hereof, the permission hereby granted may be revoked without cause upon thirty (30) days' written notice by the Port Authority, or terminated without cause upon thirty (30) days' written notice by the Permittee, provided, however, that it may be revoked on twenty-four (24) hours' notice by the Port Authority if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth.

(c) In the event the Port Authority exercises it right to revoke this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation, including without limitation any and all personnel and legal costs (including but not limited to the cost to the Port Authority of in-house legal services) and disbursements incurred by it arising out of, relating to, or in connection with the enforcement or revocation of this Permit including, without limitation, legal proceedings initiated by the Port Authority to exercise its revocation rights and to collect all amounts due and owing to the Port Authority under this Permit.

(d) For the purposes of this Permit, a default by the Permittee in keeping, performing or observing any promise, obligation, term or agreement set forth herein on the part of the Permittee to be kept, performed or observed shall include the following whether or not the time has yet arrived for the keeping, performance or observance of any such promise, obligation, term or agreement:

(i) a statement by the Permittee to any representative of the Port Authority indicating that it cannot or will not keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit;

(ii) any act or omission of the Permittee or any other occurrence which makes it improbable at the time that it will be able to keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit; or

(iii) any suspension of or failure to proceed with any part of the privileges to be performed by the Permittee which makes it improbable at the time that it will be able to keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit.

(e) (i) If any type of strike, boycott, picketing, work stoppage, slowdown or other labor activity is directed against the Permittee at the Airport or against any operations of the Permittee under this Permit, whether or not the same is due to the fault of the Permittee and whether or not caused by the employees of the Permittee, and if any of the foregoing, in the opinion of the Port Authority, results or is likely to result in curtailment or diminution of the privileges to be performed hereunder by the Permittee or to interfere with or affect the operation of the Airport by the Port Authority or to interfere with or affect the operations of lessees, licensees, permittees or other users of the Airport, the Port Authority shall have the right at any time during the continuance thereof to suspend the operations of the Permittee under this Permit and/or to revoke this Permit.

(ii) In the event the Port Authority exercises its right to revoke this Permit, as aforesaid, it shall do so by twenty-four (24) hours' written notice to the Permittee, effective as of the time specified in the notice. The exercise by the Port Authority of its right of suspension shall not waive or affect or be deemed to waive or affect the right of revocation.

(iii) Prior to the exercise of the right of suspension by the Port Authority, it shall give the Permittee notice thereof, which notice may be oral. The Permittee shall not perform its operations authorized by this Permit during the period of the suspension. The period of suspension shall end not more than twenty-four (24) hours after the cause thereof has ceased or been cured and the Permittee shall notify the Port Authority of such cessation or cure.

(iv) The rights of suspension and revocation as hereinbefore set forth may be exercised by the Port Authority prior to the Effective Date set forth in Item 6 on the first page of this Permit. No exercise by the Port Authority of its rights granted to it in paragraph (e) of this Section shall be deemed to be a waiver of any other rights of revocation contained in this Permit or a waiver of any other rights or remedies which may be available to the Port Authority under this Permit or otherwise.

(f) No revocation or termination of the permission hereunder shall relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

(g) No exercise by the Port Authority of any right of revocation granted to it in this Section shall be deemed to be a waiver of any other rights of revocation contained in this Section or elsewhere in this Permit or a waiver of any other rights or remedies which may be available to the Port Authority under this Permit or otherwise.

3. Exercise of Rights:

(a) The rights granted hereby shall be exercised

(i) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(ii) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(iii) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees,

(iv) if the Permittee is an individual, by the Permittee acting only personally or through the medium of its employees, and

(v) if the Permittee is a limited liability company, by the Permittee acting only through the medium of its members, managers, and employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other Person. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

(b) No greater rights or privileges are hereby granted to the Permittee than the Port Authority has power to grant under the City Lease.

(c) Neither this Permit nor anything contained herein, shall be deemed to grant any rights in the Permittee to use and occupy any land, building space or other area at the Airport or shall be deemed to have created any obligation on the part of the Port Authority to provide any such land, space or area to the Permittee.

(d) Neither the execution and delivery of this Permit nor any act done pursuant thereto shall create between any terminal operator, lessee or other occupant of land at the Airport ~~including but not limited to the Terminal Four Lessee and the Permittee, on one hand, and the~~ Port Authority on the other hand the relationship of bailor and bailee, or any other relationship or any legal status which would impose upon the Port Authority with respect to any personal property, such as but not limited to, aircraft cargo or baggage, owned and/or handled by the Permittee any duty or obligation whatsoever. The Permittee expressly agrees that the Port Authority shall have no liability with respect to any aircraft cargo or baggage or any other property of the Permittee or of any other Person left anywhere on the Airport.

(e) This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

(f) Nothing contained in this Permit shall constitute permission to the Permittee to park or store equipment or personal property at any location or area at the Airport.

(g) The Permittee shall have no right hereunder to carry on any business or operation at the Airport other than that specifically provided herein. Without limiting the generality of the foregoing and notwithstanding anything else in this Permit to the contrary, the Permittee is expressly prohibited hereunder from performing ground transportation, fueling of aircraft and the selling and delivery of in-flight meals.

(h) It is understood that any and all privileges granted hereunder to the Permittee are non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Airport to another or others, whether by this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute a violation or breach of the permission herein granted.

(i) The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Airport.

(j) The words "permission" and "privilege" are used interchangeably in this Permit, and except where expressly provided to the contrary, shall mean the privileges granted by this Permit.

4. Fees:

(a) (i) The Permittee agrees to pay to the Port Authority, at the times set forth in and in accordance with paragraph (a)(ii) below, a percentage fee (the "*Basic Percentage Fee*") equal to five percent (5%) (as the same may be increased pursuant to paragraph (k) below) of Gross Receipts and, if any privilege or portion thereof is performed at Terminal Four, to pay to the Terminal Four Lessee a percentage fee (hereinafter called the "Terminal Four Percentage Fee"), at the times set forth in and in accordance with paragraph (a)(iii) below, equal to five

percent (5%), as the same may be increased pursuant to paragraph (k) below, of Terminal Four Gross Receipts.

(ii) Gross Receipts shall be reported and the Basic Percentage Fee shall be paid to the Port Authority by the Permittee as follows: On or before the twentieth (20th) day of the first month following the month in which the Effective Date falls and on the twentieth (20th) day of each and every calendar month thereafter during the period that this Permit is in effect and including the calendar month in which this Permit ceases to be in effect, the Permittee shall render to the Port Authority a monthly statement sworn to by a responsible executive or fiscal officer of the Permittee showing all of the Gross Receipts for the preceding month (the "Monthly Sworn Statement of Gross Receipts"). Each of the said statements shall also show the cumulative Gross Receipts from the Effective Date (or the most recent anniversary thereof) through the last day of the preceding month. At the same time each of the said statements is rendered to the Port Authority, the Permittee shall pay to the Port Authority an amount equal to five percent (5%) applied to the Gross Receipts for the preceding calendar month. In addition to the foregoing, on the twentieth (20th) day of the first month following each anniversary of the Effective Date the Permittee shall submit to the Port Authority a statement setting forth the cumulative totals of the Gross Receipts for the entire preceding twelve (12) month period certified, at the Permittee's expense, by a certified public accountant or a responsible executive or fiscal officer of the Permittee ("Annual Statement of Gross Receipts"). In addition to the foregoing, within twenty (20) days after the expiration, termination, revocation or cancellation of this Permit, the Permittee shall render to the Port Authority a sworn statement certified, at the Permittee's expense, by a certified public accountant of all Gross Receipts during the period from the last preceding anniversary of the Effective Date up to and including the last day this Permit shall be in effect and the Permittee shall, at the time of rendering such statement to the Port Authority, pay the Basic Percentage Fee due and unpaid as of the last day this Permit shall be in effect. The Permittee shall give the name and position of the responsible executive or fiscal officer designated under this paragraph to submit Monthly Sworn Statement and Annual Statement of Gross Receipts, ten (10) business days prior to the submission of the first such statement by the designee of the Permittee, so that the Port Authority may determine whether it will accept such designation. The designation shall be submitted to the Manager of Properties for the Airport. If such timely notice is not given to the Port Authority, the Permittee shall submit such statement to the Port Authority in a form executed by a certified public accountant.

(iii) Terminal Four Gross Receipts shall be reported and the Terminal Four Percentage Fee shall be paid to the Terminal Four Lessee by the Permittee as follows: On or before the twentieth (20th) day of the first month following the month in which the Effective Date falls and on the twentieth (20th) day of each and every calendar month thereafter during the period that the Permit is in effect and including the calendar month in which the Permit ceases to be in effect, the Permittee shall render to the Port Authority and the Terminal Four Lessee a monthly statement sworn to by a responsible executive or fiscal officer of the Permittee showing all of the Terminal Four Gross Receipts for the preceding month (the "Monthly Sworn Statement of Gross Receipts"). Each of the said statements shall also show the cumulative Terminal Four Gross Receipts from the Effective Date (or the most recent anniversary thereof) through the last day of the preceding month. At the same time each of the said statements is rendered to the Port Authority and the Terminal Four Lessee, the Permittee shall pay to the Terminal Four Lessee an amount equal to five percent (5%) applied to the Terminal Four Gross Receipts for the preceding calendar month. In addition to the foregoing, on the twentieth (20th) day of the first month following each anniversary of the Effective Date the Permittee shall submit to the Port Authority and the Terminal Four Lessee a statement setting forth the cumulative totals of the Terminal Four Gross Receipts for the entire preceding twelve (12) month period certified, at the Permittee's expense, by a certified public accountant or a responsible executive or fiscal officer of the Permittee ("Annual Statement of Gross Receipts"). In addition to the foregoing, within

twenty (20) days after the expiration, termination, revocation or cancellation of the Permit, the Permittee shall render to the Port Authority and the Terminal Four Lessee a sworn statement certified, at the Permittee's expense, by a certified public accountant of the Permittee of all Terminal Four Gross Receipts during the period from the last preceding anniversary of the Effective Date up to and including the last day the Permit shall be in effect and the Permittee shall, at the time of rendering such statement to the Terminal Four Lessee pay to the Terminal Four Lessee the Terminal Four Percentage Fee due and unpaid as of the last day the Permit shall be in effect. Each of the statements called for hereunder shall separately list and state the Terminal Four Gross Receipts and the applicable Terminal Four Percentage Fee payable thereon for each privilege (including without limitation each Authorized Service) provided by the Permittee hereunder at Terminal Four.

(b) (i) All statements to be submitted to the Port Authority pursuant to this Section and all payments made under this Permit, except for the Terminal Four Percentage Fee, shall be sent to the following address:

THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY
P.O. BOX 95000-1556
PHILADELPHIA, PENNSYLVANIA 19195-0001

or made via the following wire transfer instructions:

Bank: [redacted]
Bank ABA number: [redacted]
Account number:

or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

(ii) All statements to be submitted to the Terminal Four Lessee hereunder and the Terminal Four Percentage Fee shall be made to the Terminal Four Lessee at Terminal Four, John F. Kennedy International Airport, Room 2300, Jamaica, New York 11430 or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

(c) There shall be excluded from Gross Receipts and Terminal Four Gross Receipts any sum paid or payable to the Permittee for the following, provided said sum is separately stated to and paid by the customer:

(i) handicapped services;

(ii) security services;

(iii) lost and found baggage services;

(iv) snow removal services;

(v) ground transportation of employees; and

(vi) building janitorial and maintenance services,

provided further, however, the Permittee acknowledges and agrees that the Port Authority does and shall continue to have the right at any time and from time to time to withdraw the foregoing

exclusions from Gross Receipts (and Terminal Four Gross Receipts), in whole or in part, or to establish a separate fee for each such service, which may be a percentage fee other than five percent (5%), upon sixty (60) days' prior written notice to the Permittee. Notwithstanding the foregoing, any fee established must be agreed to by the Permittee and the Port Authority and must be reflected in a supplement to this Permit to be prepared by the Port Authority and executed by the parties hereto.

(d) In the event the Permittee shall be permitted hereunder to provide Gateside Aircraft Maintenance services or Routine and Non-routine Aircraft Maintenance services, there shall be excluded from Gross Receipts and Terminal Four Gross Receipts any sum paid or payable to the Permittee:

(i) which arise solely from the resale to a customer of aircraft parts and supplies purchased by the Permittee from a third party, provided, however, that there shall be included in Gross Receipts and Terminal Four Gross Receipts monies paid or payable to the Permittee which arise from the sale of such aircraft parts and supplies to which the Permittee has provided labor for fabrication, refinishing or assembly to the extent of the reasonable value of the labor provided by the Permittee;

(ii) which arise solely from the use of equipment rented by the Permittee from a third party which monies are separately stated to and paid by the customer, limited, however, to the amounts actually paid by the Permittee to the third party for such rental of equipment; and

(iii) which arise solely from the loan or rental by the Permittee of aircraft parts, whether or not owned by the Permittee, which monies are separately stated to and paid by a customer and where said loan or rental of any such aircraft part is for a period of less than twelve (12) consecutive calendar days, it being understood that such monies paid or payable to the Permittee for the loan or rental may include monies for labor provided by the Permittee for installation, refurbishment of returned parts or administrative handling which is directly related to said loan or rental provided, however, all monies paid or payable to the Permittee which arise solely from the loan or rental by the Permittee of aircraft parts, whether or not owned by the Permittee, for twelve (12) or more consecutive calendar days (including but not limited to monies for labor provided by the Permittee for installation, refurbishment of returned parts or administrative handling which is directly related to said lease or rental) shall be included in Gross Receipts from the first day of the loan or rental period, as the case may be.

(e) If and to the extent the full fair market value of any sale, service or other item provided by the Permittee is not charged to or payable by the customer, then the fair market value thereof as determined by the Port Authority shall be included in Gross Receipts and Terminal Four Gross Receipts.

(f) Without limiting any other provisions of this Permit regarding Gross Receipts and Terminal Four Gross Receipts, in those instances where the Permittee provides any services or goods along with other services and goods to the same Person (including without limitation those instances where a service is part of or is included within a group of other services and rendered for a single price, and where a service is performed by the Permittee pursuant to agreement for the exchange of services or goods) the Permittee agrees that the value ascribed to the performance of such service by the Permittee shall be the fair and reasonable value thereof as determined by the Port Authority.

(g) Without limiting the requirement for Port Authority approval, if the Permittee conducts any privilege or any portion thereof through the use of a contractor or other third party which is not a Port Authority permittee and where the payments for any of the foregoing are

made to such contractor rather than to the Permittee, said payments shall be deemed amounts, monies, revenues, receipts and income paid or payable to the Permittee for purposes of determining the Permittee's Gross Receipts and Terminal Four Gross Receipts, provided, however, that the foregoing shall not grant or be deemed to grant any right or permission to the Permittee to use an independent contractor or other third party to perform any privilege or portion thereof or the doing of anything hereunder by an independent contractor or other third party.

(h) Notwithstanding that the fee hereunder is measured by a percentage of Gross Receipts and Terminal Four Gross Receipts, no joint venture or partnership relationship between the parties hereto is created by this Permit.

(i) To the extent that the Permittee has not already done so at the time of execution of this Permit and without limiting the generality of any other term or provision hereof, the Permittee agrees to submit monthly statements of Gross Receipts and Terminal Four Gross Receipts as provided in this Section and to pay, at the time of execution and delivery of this Permit to the Port Authority, all fees and other amounts due under this Permit for the period from the Effective Date to the time of execution and delivery of this Permit by the Permittee.

(j) Without limiting any other provision of this Permit, it is hereby specifically understood that the failure to set forth all the classes of Persons, all of the locations served or all of the types of services or activities performed by the Permittee in its exercise of the privileges granted hereunder as of the Effective Date, or the failure to, by appropriate supplement, revise this Permit to reflect any additional classes of Persons, locations served, or services or activities performed by the Permittee subsequent to said Effective Date, shall not affect the inclusion in Gross Receipts or Terminal Four Gross Receipts hereunder of the amounts, monies, revenues, receipts and income received or receivable by the Permittee in its operations, and the same shall be so included. The foregoing shall not constitute Port Authority consent or be deemed to imply that the necessary Port Authority consent (to be reflected in a supplement to the Permit) with respect to such additional classes of Persons, locations, services or activities will be given.

(k) The Basic Percentage Fee, the Terminal Four Percentage Fee and any other fees payable under this Permit shall be subject to increase from time to time upon thirty (30) days' notice from the Port Authority to the Permittee, given by the General Manager of the Airport or such other representative as the Port Authority may substitute from time to time by notice to the Permittee, and upon the effective date of the increase set forth in such notice the fees payable by the Permittee under this Permit shall be as set forth in said notice. In the event within ten (10) days after the Permittee receives such notice from the Port Authority, the Permittee notifies the Port Authority that the Permittee does not wish to pay the increased fees, this Permit and the permission granted hereunder shall be, and shall be deemed to be, cancelled effective at the close of business on the day preceding the effective date of the increase, as set forth in the Port Authority's notice to the Permittee. If the Permittee does not so notify the Port Authority, the increased fees shall become effective on the date set forth in the Port Authority's notice as aforesaid. No cancellation of this Permit and the permission granted thereunder pursuant to this paragraph (k) shall be construed to relieve the Permittee of any obligations or liabilities hereunder which shall have accrued on or before the effective date of such cancellation.

(l) Without limiting any term or provision of this Permit, in the event the Permittee performs (x) any service, other than the Authorized Service at the Airport, or (y) any service (including the Authorized Service) at any other Port Authority facility, whether such performance is the subject of a written agreement by and between the Port Authority and the Permittee, the Permittee hereby agrees that it will pay to the Port Authority any and all fees and/or charges applicable to such service. The Permittee also agrees that, at the request of the

Port Authority, it will enter into the appropriate agreement with the Port Authority providing permission for the Permittee to perform such service.

5. Security Deposit:

(a) (i) Provided that an amount is set forth in Item 8 on the first page of this Permit (the "*Required Security Deposit*"), and, provided, further, the amount of said Required Security Deposit is less than $20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deposit with the Port Authority (and shall keep deposited throughout the effective period of the permission under this Permit) the Required Security Deposit, either in cash, or bonds of the United States of America, or of the State of New Jersey, or of the State of New York, or of the Port Authority of New York and New Jersey, having a market value of that amount, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed. Bonds qualifying for deposit hereunder shall be in bearer form but if bonds of that issue were offered only in registered form, then the Permittee may deposit such bonds or bonds in registered form, provided, however, that the Port Authority shall be under no obligation to accept such deposit of a bond in registered form unless such bond has been re-registered in the name of the Port Authority (the expense of such re-registration to be borne by the Permittee) in a manner satisfactory to the Port Authority. The Permittee may request the Port Authority to accept a registered bond in the Permittee's name and if acceptable to the Port Authority the Permittee shall deposit such bond together with an irrevocable bond power (and such other instruments or other documents as the Port Authority may require) in form and substance satisfactory to the Port Authority. In the event the Required Security Deposit is returned to the Permittee, any expenses incurred by the Port Authority in re-registering a bond to the name of the Permittee shall be borne by the Permittee. In addition to any and all other remedies available to it, the Port Authority shall have the right, at its option, at any time and from time to time, with or without notice, to use the Required Security Deposit, or any part thereof, in whole or partial satisfaction of any of its claims or demands against the Permittee. There shall be no obligation on the Port Authority to exercise such right and neither the existence of such right nor the holding of the Required Security Deposit itself shall cure any default or breach of this Permit on the part of the Permittee. With respect to any bonds deposited by the Permittee, the Port Authority shall have the right, in order to satisfy any of its claims or demands against the Permittee, to sell the same in whole or in part, at any time, and from time to time, with or without prior notice at public or private sale, all as determined by the Port Authority, together with the right to purchase the same at such sale free of all claims, equities or rights of redemption of the Permittee. The Permittee hereby waives all right to participate therein and all right to prior notice or demand of the amount or amounts of the claims or demands of the Port Authority against the Permittee. The proceeds of every such sale shall be applied by the Port Authority first to the costs and expenses of the sale (including but not limited to advertising or commission expenses) and then to the amounts due the Port Authority from the Permittee. Any balance remaining shall be retained in cash toward bringing the Required Security Deposit to the sum specified in Item 8 on the first page of this Permit. In the event that the Port Authority shall at any time or times so use the Required Security Deposit, or any part thereof, or if bonds shall have been deposited and the market value thereof shall have declined below the amount set forth in Item 8 on the first page of this Permit, the Permittee shall, on demand of the Port Authority and within two (2) days thereafter, deposit with the Port Authority additional cash or bonds so as to maintain the Required Security Deposit at all times to the full amount above stated in Item 8 on the first page of this Permit, and such additional deposits shall be subject to all the conditions of this Section. After the expiration or earlier revocation or termination of the effective period of the permission under this Permit, and upon condition that the Permittee shall then be in no wise in default under any part of this Permit, and upon written request therefor by the Permittee, the Port Authority will return the

Required Security Deposit to the Permittee less the amount of any and all unpaid claims and demands (including estimated damages) of the Port Authority by reason of any default or breach by the Permittee of this Permit or any part thereof. The Permittee agrees that it will not assign or encumber the Required Security Deposit. The Permittee may collect or receive any interest or income earned on bonds and interest paid on cash deposited in interest-bearing bank accounts, less any part thereof or amount which the Port Authority is or may hereafter be entitled or authorized by law to retain or to charge in connection therewith, whether as or in lieu of an administrative expense, or custodial charge, or otherwise; provided, however, that the Port Authority shall not be obligated by this provision to place or to keep cash deposited hereunder in interest-bearing bank accounts.

(ii) In lieu of the Required Security Deposit made in the form described above in paragraph (a)(i), the Permittee may at any time during the effective period of the permission granted under this Permit offer to deliver to the Port Authority, as security for all obligations of the Permittee under this Permit, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District, in favor of the Port Authority in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent satisfactory letter. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by security in accordance with paragraph (a)(i) of this Section or another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security under paragraph (a)(i) of this Section. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the Required Security Deposit, if any, theretofore made under and in accordance with the provisions of paragraph (a)(i) of this Section. The Permittee shall have the same rights to receive such Required Security Deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the effective period of the permission granted under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount.

(b) Provided that a Required Security Deposit amount is set forth in Item 8 on the first page of this Permit, and, provided, further, the amount of said Required Security Deposit is equal to or greater than $20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of the Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority, and payable in the Port of New York District in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and

continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is an appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless the letter of credit is replaced by another letter of credit satisfactory to the Port Authority by a date not later than twenty (20) days prior to the effective date of cancellation, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee, upon demand by the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to the amount of the Required Security Deposit. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to be a waiver of any default by the Permittee under the terms of this Permit, and all remedies under this Permit and of the Port Authority consequent upon such default shall not be affected by the existence of a recourse to any such letter of credit.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, in its sole discretion at any time and from time to time upon sixty (60) days' notice to the Permittee, to adjust the amount of the Required Security Deposit. Not later than the effective date set forth in said notice by the Port Authority, the Permittee shall furnish additional cash or bonds, as provided for in paragraph (a) above, or an amendment to, or a replacement of, the letter of credit providing for such adjusted amount of the Required Security Deposit, as the case may be, and such additional cash and/or bonds or adjusted (or replaced) letter of credit shall thereafter constitute the Required Security Deposit required under this Section.

(d) If the Permittee is obligated by any other agreement to maintain a security deposit with the Port Authority to insure payment and performance by the Permittee of all fees, rentals, charges and obligations which may become due and owing to the Port Authority arising from the Permittee's operations at the Airport pursuant to any such other agreement or otherwise, then all such obligations under such other agreement and any deposit pursuant thereto also shall be deemed obligations of the Permittee under this Permit and as security hereunder as well as under any such other agreement and all provisions of such other agreement with respect to such obligations and any obligations thereunder of the Port Authority as to the security deposit are hereby incorporated herein by this reference as though fully set forth herein and hereby made a part hereof. The termination, revocation, cancellation or expiration of any other agreement to which such security shall apply or any permitted assignment of such other agreement shall not affect such obligations as to such security which shall continue in full force and effect hereunder.

6. Permittee's Operations:

(a) The Permittee shall provide to the Port Authority, upon request of the Port Authority from time to time, such information and data in connection with the permission granted hereunder as the Port Authority may request and shall, if so requested by the Port

Authority, make periodic reports thereof to the Port Authority utilizing such forms as may be adopted by the Port Authority for such purpose.

(b) The Permittee shall daily remove from the Airport by means of facilities provided by it all garbage, debris and other waste material (whether solid or liquid) arising out of or in connection with the permission granted hereunder, and any such not immediately removed shall be temporarily stored in a clean and sanitary condition, in suitable garbage and waste receptacles, the same to be made of metal and equipped with tight-fitting covers, and to be of a design safely and properly to contain whatever material may be placed therein; said receptacles being provided and maintained by the Permittee. The receptacles shall be kept covered except when filling or emptying the same. The Permittee shall exercise extreme care in removing such garbage, debris and other waste materials from the Airport. The manner of such storage and removal shall be subject in all respects to the continual approval of the Port Authority. No facilities of the Port Authority shall be used for such removal unless with its prior consent in writing. No such garbage, debris or other waste materials shall be or be permitted to be thrown, discharged or disposed into or upon the waters at or bounding the Airport.

(c) The Permittee shall at all times that areas of the Airport are being used for the privileges permitted hereunder, maintain said areas in a clean and orderly condition and appearance. The Permittee shall promptly wipe up any oil, gasoline, grease, lubricants and other inflammable liquids and substances and any liquids and substances having a corrosive or detrimental effect on the paving or other surface of the ramps or other areas upon which it performs the privileges authorized by this Permit resulting from its operations hereunder. The Permittee shall repair, replace, repave or rebuild, or at the Port Authority's election, the Permittee shall pay to the Port Authority the cost to the Port Authority of repairing, replacing, repaving or rebuilding, all or any part of the ramps or other areas upon which it performs the privileges authorized by this Permit which may be damaged or destroyed by such oil, gasoline, grease, lubricants or other liquids or substances or by any other act or omission of the Permittee or its employees, except for reasonable wear and tear arising out of its operations thereon.

(d) A principal purpose of the Port Authority in granting the permission under this Permit is to have available at the Airport, the privileges which the Permittee is permitted to render hereunder. The Permittee agrees that it will conduct a first-class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor, and keep the same in a first-class operating condition at all times.

(e) The Permittee shall immediately comply with all orders, directives and procedures as may be issued by the General Manager of the Airport covering the operations of the Permittee under this Permit at any time and from time to time. The Port Authority may, at any time and from time to time, without prior notice or cause, withdraw or modify any designation, approval, substitution or redesignation given by it hereunder.

(f) In the event of any injury or death to any person (other than employees of the Permittee) at the Airport when caused by the Permittee's operations, or damage to any property (other than the Permittee's property) at the Airport when caused by the Permittee's operations, the Permittee shall immediately notify the Port Authority and promptly thereafter furnish to the Port Authority copies of all reports given to the Permittee's insurance carrier.

(g) The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Airport. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate

uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the General Manager of the Airport. The Port Authority shall have the right to object to the Permittee as to the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

(h) The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations at the Airport.

7. Indemnity:

(a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third Persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee hereunder, or out of any of the acts or omissions of the Permittee, its officers, employees or Persons who are doing business with the Permittee arising out of or in connection with the activities permitted hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the Airport, including claims and demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) Without limiting any other term or provision hereof, the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

(c) Without limiting any other term or provision hereof, the Permittee shall indemnify the Port Authority and hold it harmless against all claims and demands of third Persons for damage to any aircraft cargo or baggage or any other property handled or delivered pursuant to the permission granted by this Permit.

(d) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand set forth in paragraphs (a), (b) and (c) above (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

8. Liability Insurance:

(a) The Permittee, in its own name as insured and including the Port Authority as an additional insured, shall maintain and pay the premiums during the effective period of the Permit on a policy or policies of Commercial General Liability Insurance, including premises-operations and products-completed operations and covering bodily-injury liability, including death, and property damage liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage in the minimum limit set forth in Item 9 on the first page of this

Permit, and Commercial Automobile Liability Insurance covering owned, non-owned and hired vehicles and including automatic coverage for newly acquired vehicles and providing for coverage in the minimum limit set forth in Item 9 on the first page of this Permit. Without limiting the foregoing, the Permittee shall maintain Workers' Compensation and Employers Liability Insurance in accordance with the Permittee's statutory obligations under the applicable State Workers' Compensation Law for those employees of the Permittee employed in operations conducted pursuant to this Permit at or from the Airport. In the event the Permittee maintains the foregoing insurance in limits greater than aforesaid, the Port Authority shall be included therein as an additional insured, except for the Workers' Compensation and Employers Liability Insurance policies, to the full extent of all such insurance in accordance with all terms and provisions of this Permit.

(b) Each policy of insurance, except for the Workers' Compensation and Employers Liability Insurance policies, shall also contain an ISO standard "separation of insureds" clause or a cross liability endorsement providing that the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority and any claim or action against the Port Authority by the Permittee, as if the Port Authority were the named insured thereunder, but such clause or endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured. Each policy of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Permittee under Section 7 of the Terms and Conditions of this Permit.

(c) All insurance coverages and policies required under this Section may be reviewed by the Port Authority for adequacy of terms, conditions and limits of coverage at any time and from time to time during the effective period of permission granted under this Permit. The Port Authority may, at any such time, require additions, deletions, amendments or modifications to the aforementioned insurance requirements, or may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem required and the Permittee shall promptly comply therewith.

(d) Each policy shall contain a provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' written advance notice thereof to the Port Authority. Each policy shall contain a provision or endorsement that the insurer "shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority." The foregoing provisions or endorsements shall be recited in each policy or certificate to be delivered pursuant to the following paragraph (e).

(e) A certified copy of each policy or a certificate or certificates of insurance evidencing the existence thereof, or binders, shall be delivered to the Port Authority upon execution and delivery of this Permit by the Permittee to the Port Authority. In the event any binder is delivered it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate of insurance. Any renewal policy shall be evidenced by a renewal certificate of insurance delivered to the Port Authority at least seven (7) days prior to the expiration of each expiring policy, except for any policy expiring after the date of expiration of this Permit. The aforesaid insurance shall be written by a company or companies approved by the Port Authority. If at any time any insurance policy shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policy shall be or become unsatisfactory

to the Port Authority, the Permittee shall promptly obtain a new and satisfactory policy in replacement. If the Port Authority at any time so requests, a certified copy of each policy shall be delivered to or made available for inspection by the Port Authority.

(f) The foregoing insurance requirements shall not in any way be construed as a limitation on the nature or extent of the contractual obligations assumed by the Permittee under this Permit. The foregoing insurance requirements shall not constitute a representation or warranty as to the adequacy of the required coverage to protect the Permittee with respect to the obligations imposed on the Permittee by this Permit or any other agreement or by law.

9. Special Endorsements:

The Permittee hereby agrees to the terms and conditions of the endorsements attached hereto, hereby made a part hereof and marked "*Special Endorsements*". The terms and provisions of the Special Endorsements shall have the same force and effect and as if herein set forth in full.

10. No Waiver:

No failure by the Port Authority or the Terminal Four Lessee to insist upon the strict performance of any agreement, term or condition of this Permit or to exercise any right or remedy consequent upon a breach or default thereof, and no extension, supplement or amendment of this Permit during or after a breach thereof, unless expressly stated to be a waiver, and no acceptance by the Port Authority or the Terminal Four Lessee of fees, charges or other payments in whole or in part after or during the continuance of any such breach or default, shall constitute a waiver of any such breach or default of such agreement, term or condition. No agreement, term or condition of this Permit to be performed or complied with by the Permittee, and no breach or default thereof, shall be waived, altered or modified except by a written instrument executed by the Port Authority. No waiver by the Port Authority of any default or breach on the part of the Permittee in performance of any agreement, term or condition of this Permit shall affect or alter this Permit but each and every agreement, term and condition thereof shall continue in full force and effect with respect to any other then existing or subsequent breach or default thereof.

11. Removal of Property:

The personal property placed or installed by the Permittee at the Airport shall remain the property of the Permittee and must be removed on or before the expiration, revocation, cancellation or termination of the permission hereby granted, whichever shall be earlier. Without limiting the terms and provisions of paragraph (g) of Section 18 hereof, any such property remaining at the Airport after the effective date of such expiration, revocation, cancellation or termination shall be deemed abandoned by the Permittee and may be removed and disposed of by the Port Authority in any manner it so determines in its sole discretion and all the proceeds of any removal or disposition shall be retained by the Port Authority for its account and all costs and expenses of such removal and disposition shall be paid to the Port Authority by the Permittee when billed.

12. Permittee's Representative:

The Permittee's representative specified in Item 3 on the first page of this Permit (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and any act or thing done or to be done hereunder,

and to execute on the Permittee's behalf any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. Notices:

Except where expressly required or permitted herein to be oral, all notices, directions, requests, consents and approvals required to be given to or by either party or the Terminal Four Lessee shall be in writing, and all such notices given by the Port Authority or the Terminal Four Lessee to the Permittee shall be validly given if sent by registered or certified mail addressed to the Permittee at the address specified on the first page hereof or at the latest address that the Permittee may substitute therefor by notice to the Port Authority, or left at such address, or delivered to the Permittee's representative. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003 or at such other address as the Port Authority shall hereafter designate by notice to the Permittee. If mailed, the notices herein required to be given shall be deemed effective and given as of the date of the certified or registered mailing thereof.

14. Late Charges:

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority or the Terminal Four Lessee including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four (24) late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (15) (but not less than thirteen (13)) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority or the Terminal Four Lessee of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority or the Terminal Four Lessee to payment of any late charge or late charges payable under the provisions of this Section with respect to such unpaid amount. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority or the Terminal Four Lessee under this Permit, including without limitation the Port Authority's rights set forth in Section 2 of these Terms and Conditions, or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Section shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

15. Non-discrimination:

(a) Without limiting the generality of any of the provisions of this Permit, the Permittee, for itself, its successors in interest and assigns, as a part of the consideration hereof, does hereby agree that (1) no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or be otherwise subject to

discrimination in the use of any space at the Airport and the exercise of any privileges under this Permit, (2) that in the construction of any improvements on, over, or under any space at the Airport and the furnishing of any service thereon by the Permittee, no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination, (3) that the Permittee shall use any space at the Airport and exercise any privileges under this Permit in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended, and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which from time to time may be applicable to the Permittee's operations thereat, whether by reason of agreement between the Port Authority and the United States Government or otherwise.

(b) The Permittee shall include the provisions of paragraph (a) of this Section in every agreement or concession it may make pursuant to which any Person or Persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Section shall constitute a material breach of this Permit. Without limiting any other term or provision hereof or any other rights or remedies of the Port Authority hereunder or at law or equity, in the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) Without limiting any other term or provision hereof, the Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third Persons, including the United States of America, resulting from the Permittee's noncompliance with any of the provisions of this Section and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Section shall grant or shall be deemed to grant to the Permittee the right to transfer or assign this Permit, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on any space at the Airport, or any right to use or occupy any space at the Airport.

16. Affirmative Action:

The Permittee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Permittee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Permittee assures that it will require that its covered suborganizations provide assurances to the Permittee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

17. Rules and Regulations:

(a) The Permittee shall observe and obey (and compel its officers, employees, guests, invitees, and those doing business with it, to observe and obey) the rules and regulations and procedures of the Port Authority now in effect, and such further reasonable rules and regulations and procedures which may from time to time during the effective period of this Permit, be promulgated by the Port Authority for reasons of safety, health, preservation of property or maintenance of a good and orderly appearance of the Airport or for the safe and efficient operation of the Airport. The Port Authority agrees that, except in cases of emergency, it shall give notice to the Permittee of every rule and regulation hereafter adopted by it at least five (5) days before the Permittee shall be required to comply therewith.

(b) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the New York Board of Fire Underwriters and the New York Fire Insurance Exchange, and any other body or organization exercising similar functions which may pertain or apply to the Permittee's operations hereunder. If by reason of the Permittee's failure to comply with the provisions of this Section, any fire insurance, extended coverage or rental insurance rate on the Airport or any part thereof, or upon the contents of any building thereon, shall at any time be higher than it otherwise would be, then the Permittee shall on demand pay the Port Authority that part of all fire insurance premiums paid or payable by the Port Authority which shall have been charged because of such violation by the Permittee.

18. Prohibited Acts:

(a) The Permittee shall not do or permit to be done any act which

(i) will invalidate or be in conflict with any fire insurance policies covering the Airport or any part thereof or upon the contents of any building thereon, or

(ii) will increase the rate of any fire insurance, extended coverage or rental insurance on the Airport or any part thereof or upon the contents of any building thereon, or

(iii) in the opinion of the Port Authority will constitute a hazardous condition, so as to increase the risks normally attendant upon the operations contemplated by this Permit, or

(iv) may cause or produce upon the Airport any unusual noxious or objectionable smokes, gases, vapors or odors, or

(v) may interfere with the effectiveness or accessibility of any drainage and sewerage system, water system, communications system, fire protection system, sprinkler system, alarm system, fire hydrant and hose, if any, installed or located or to be installed or located in or on the Airport, or

(vi) shall constitute a nuisance or injury in or on the Airport or which may result in the creation, commission or maintenance of a nuisance or injury in or on the Airport.

For the purpose of this paragraph (a), "Airport" includes all structures located thereon.

(b) The Permittee shall not dispose of, release or discharge nor permit anyone to dispose of, release or discharge any Hazardous Substance on the Airport except that the Permittee may release or discharge de-icing fluids utilized in the Permittee's ordinary course of business in the performance of any of the privileges granted hereunder so long as such release or

discharge is not a violation of the terms and conditions of Sections 17 or 19 hereof. In addition to and without limiting Section 19 hereof, any Hazardous Substance disposed of, released or discharged by the Permittee (or permitted by the Permittee to be disposed of, released or discharged) on the Airport shall upon notice by the Port Authority to the Permittee and subject to the provisions of Sections 17 and 19 hereof and to all Environmental Requirements, be completely removed and/or remediated by the Permittee at its sole cost and expense, provided, however, the forgoing shall not apply to releases and discharges which are in compliance with the terms and conditions of Sections 17 and 19 hereof of de-icing fluids utilized in the Permittee's ordinary course of business in the performance of any of the privileges granted hereunder and the obligation of the Permittee to remove and remediate such de-icing fluids shall be as required by the terms and conditions of Sections 17 and 19 hereof. The obligations of the Permittee pursuant to this paragraph shall survive the expiration, revocation, cancellation or termination of this Permit.

(c) The Permittee shall not dispose of nor permit anyone to dispose of any waste materials (whether liquid or solid) by means of any toilets, sanitary sewers or storm sewers.

(d) (i) The Permittee shall not employ any persons or use any labor, or use or have any equipment, or permit any condition to exist, which shall or may cause or be conducive to any labor complaints, troubles, disputes or controversies at the Airport which interfere or are likely to interfere with the operation of the Airport or any part thereof by the Port Authority or with the operations of the lessees, licensees, permittees or other users of the Airport or with the operations of the Permittee under this Permit.

(ii) The Permittee shall immediately give notice to the Port Authority (to be followed by written notice and reports) of any and all impending or existing labor complaints, troubles, disputes or controversies and the progress thereof. The Permittee shall use its best efforts to resolve any such complaints, troubles, disputes or controversies.

(iii) The Permittee acknowledges that it is familiar with the general and local conditions prevailing at the Airport and with the all pertinent matters and circumstances which may in any way affect performance of the privileges granted under this Permit.

(e) The Permittee shall not solicit business on the public areas of the Airport and the use, at any time, of hand or standard megaphones, loudspeakers or any electric, electronic or other amplifying device is hereby expressly prohibited.

(f) The Permittee shall not install any fixtures or make any alterations, additions, improvements or repairs to any property of the Port Authority except with the prior written approval of the Port Authority.

(g) No signs, posters or similar devices shall be erected, displayed or maintained at the Airport without the written approval of the General Manager of the Airport; and any not approved by such General Manager or not removed by the Permittee upon the termination, revocation, expiration or cancellation of this Permit may be removed by the Port Authority at the expense of the Permittee.

(h) The Permittee shall not operate any engine or any item of automotive equipment in any enclosed space at the Airport unless such space is adequately ventilated.

(i) The Permittee shall not use any cleaning materials having a harmful or corrosive effect on any part of the Airport.

(j) The Permittee shall not fuel or defuel any equipment in any enclosed space at the Airport without the prior approval of the General Manager of the Airport except in accordance with Port Authority rules and regulations.

(k) The Permittee shall not start or operate any engine or any item of automotive equipment in any enclosed space at the Airport unless such space is adequately ventilated and unless such engine is equipped with a proper spark-arresting device.

19. Law Compliance:

(a) The Permittee shall procure all licenses, certificates, permits or other authorization from all governmental authorities, if any, having jurisdiction over the Permittee's operations at the Airport which may be necessary for the Permittee's operations thereat.

(b) The Permittee shall pay all taxes, license, certification, permit and examination fees and excises which may be assessed, levied, exacted or imposed on its property or operations at the Airport or on the Gross Receipts, Terminal Four Gross Receipts or income therefrom, and shall make all applications, reports and returns required in connection therewith.

(c) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions which may pertain or apply to the Permittee's operations at the Airport.

(d) The Permittee's obligations to comply with governmental requirements are provided herein for the purpose of assuring proper safeguards for the protection of Persons and property at the Airport and are not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

(e) The Port Authority has agreed by a provision in the City Lease with the City covering the Airport to conform to the enactments, ordinances, resolutions and regulations of the City and of its various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable so to do. The Permittee shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

20. Trademarks and Patent Infringement:

The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit.

21. Inspection:

The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Airport or to be placed or brought on the Airport, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

22. Federal Aid:

(a) The Permittee shall

(i) furnish good, prompt and efficient service hereunder, adequate to meet all demands therefor at the Airport;

(ii) furnish said service on a fair, equal and non-discriminatory basis to all users thereof; and

(iii) charge fair, reasonable and non-discriminatory prices for each unit of sale or service, provided that the Permittee may make reasonable and non-discriminatory discounts, rebates or other similar types of price reductions to volume purchasers.

As used in the above subsections "service" shall include furnishing of parts, materials and supplies (including sale thereof).

(b) The Port Authority has applied for and received a grant or grants of money from the Administrator of the Federal Aviation Administration pursuant to the Airport and Airways Development Act of 1970, as the same has been amended and supplemented, and under prior federal statutes which said Act superseded and the Port Authority may in the future apply for and receive further such grants. In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. The performance by the Permittee of the promises and obligations contained in this Permit is therefore a special consideration and inducement to the issuance of this Permit by the Port Authority, and the Permittee further agrees that if the Administrator of the Federal Aviation Administration or any other governmental officer or body having jurisdiction over the enforcement of the obligations of the Port Authority in connection with Federal Airport Aid, shall make any orders, recommendations or suggestions respecting the performance by the Permittee of its obligations under this Permit, the Permittee will promptly comply therewith at the time or times, when and to the extent that the Port Authority may direct.

23. Capacity and Competition:

(a) The Permittee shall refrain from entering into continuing contracts or arrangements with any third Person for furnishing services covered hereunder when such contracts or arrangements will have the effect of utilizing to an unreasonable extent the Permittee's capacity for rendering such services. A reasonable amount of capacity shall be

reserved by the Permittee for the purpose of rendering services hereunder to those who are not parties to continuing contracts with the Permittee.

(b) The Permittee shall not enter into any agreement or understanding, express or implied, binding or non-binding, with any other Person who may furnish services at the Airport similar to those furnished hereunder which will have the effect of (i) fixing rates and charges to be paid by users of the services; (ii) lessening or preventing competition between the Permittee and such other furnishers of services; or (iii) tending to create a monopoly on the Airport in connection with the furnishing of such services.

24. Business Development and Records:

(a) In connection with the exercise of the privileges granted hereunder, the Permittee shall:

(i) use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(ii) not divert or cause or allow to be diverted, any business from the Airport;

(iii) maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of the Permittee at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify the Authorized Service performed at Terminal Four, the Authorized Service performed at the Airport at any location other than Terminal Four and all other services performed at the Airport at any location other than Terminal Four, and;

(iv) cause any company which is owned or controlled by the Permittee, or any company which owns or controls the Permittee, if any such company performs services similar to those performed by the Permittee (any such company being hereinafter called an "*Affiliate*" and all such companies being hereinafter called the "*Affiliates*") to maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of each Affiliate at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify each activity (including without limitation the Authorized Service) performed at the Airport, the Authorized Service performed at Terminal Four and all other services performed at the airport at any location other than Terminal Four;

(v) permit and/or cause to be permitted in ordinary business hours during the effective period of this Permit, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Port Authority of all the records and books of

account of the Permittee (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts and/or Terminal Four Gross Receipts and which the Terminal Four Lessee, in its sole discretion, believes may be relevant for identification, determination or calculation of Terminal Four Receipts, all agreements, and all source documents) and all the records and books of account of all Affiliates (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts and/or Terminal Four Gross Receipts and which the Terminal Four Lessee, in its sole discretion, believes may be relevant for identification, determination or calculation of Terminal Four Receipts, all agreements, and all source documents) (all of the foregoing records and books described in this paragraph (a)(v) being hereinafter collectively referred to as the "*Books and Records*") within ten (10) days following any request by the Port Authority from time to time and at any time to examine and audit any Books and Records;

(vi) if the Permittee has performed any privilege or portion thereof at Terminal Four, then permit and/or cause to be permitted in ordinary business hours during the effective period of the Permit, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Terminal Four Lessee of all Books and Records within ten (10) days following any request by the Terminal Four Lessee from time to time and at any time to examine and audit any Books and Records;

(vii) permit the inspection by the officers, employees and representatives of the Port Authority and the Terminal Four Lessee of any equipment used by the Permittee, including but not limited to the equipment described in paragraph (a)(viii) below; and

(viii) install and use such cash registers, sales slips, invoicing machines and any other equipment or devices, including without limitation computerized record keeping systems, for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of Gross Receipts and Terminal Four Gross Receipts, and without limiting the generality of the foregoing, for any privilege involving cash sales, install and use cash registers or other electronic cash control equipment that provides for non-resettable totals.

(b) Without implying any limitation on the right of the Port Authority to revoke this Permit for cause for breach of any term, condition or provision thereof, including but not limited to, breach of any term, condition or provision of paragraph (a) above, the Permittee understands that the full reporting and disclosure to the Port Authority of all Gross Receipts and Terminal Four Gross Receipts and to the Terminal Four Lessee of all Terminal Four Gross Receipts and the Permittee's compliance with all the provisions of paragraph (a) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under this Permit. In the event any Books and Records are maintained outside the Port of New York District or in the event of the failure of the Permittee to comply with all the provisions of paragraphs (a)(ii) through (a)(viii) above then, in addition to all, and without limiting any other, rights and remedies of the Port Authority and the Terminal Four Lessee under this Permit or otherwise and in addition to all of the Permittee's other obligations under this Permit:

(i) the Port Authority may estimate the Gross Receipts on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the fees based thereon shall be payable to the Port Authority when billed; and/or

(ii) the Port Authority or the Terminal Four Lessee may estimate the Terminal Four Gross Receipts on any basis that the Port Authority or the Terminal Four Lessee, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the fees based thereon shall be payable to the Terminal Four Lessee when billed; and/or

(iii) if any Books and Records are maintained outside of the Port of New York District, then the Port Authority in its sole discretion may (x) require on ten (10) days' notice to the Permittee that any such Books and Records be made available to the Port Authority within the Port of New York District for examination and audit pursuant to paragraph (a)(v) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(v) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority, for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Permittee shall pay to the Port Authority when billed all costs and expenses of the Port Authority, as determined by the Port Authority, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

(iv) if any Books and Records are maintained outside of the Port of New York District, then the Terminal Four Lessee in its sole discretion may (x) require on ten (10) days' notice to the Permittee that any such Books and Records be made available to the Terminal Four Lessee within the Port of New York District for examination and audit pursuant to paragraph (a)(vi) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(vi) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Permittee shall pay to the Terminal Four Lessee when billed all travel costs and related expenses, as determined by the Terminal Four Lessee, for Terminal Four Lessee auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Permittee shall pay to the Terminal Four Lessee when billed all costs and expenses of the Terminal Four Lessee, as determined by the Terminal Four Lessee, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Terminal Four Lessee for the purpose of conducting such audit and examination.

(c) In the event that upon conducting an examination and audit as described in this Section the Port Authority or the Terminal Four Lessee determines that unpaid amounts are due to the Port Authority or to the Terminal Four Lessee by the Permittee (the "*Audit Findings*"), the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority and/or the Terminal Four Lessee a service charge in the amount equal to five percent (5%) of the Audit Findings. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority or by the Terminal Four Lessee. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority or the Terminal Four Lessee by the Permittee under this Permit or otherwise. Such service charge shall not be payable if the Port Authority has received, for each month covered by the examination and audit period, the Monthly Sworn Statement of Gross Receipts, as provided in Section 4(a)(ii) and 4(a)(iii). No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Section with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with

like remedies as if it were originally a part of the fees to be paid. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

(d) Without implying any limitation on the rights or remedies of the Port Authority under this Permit or otherwise including without limitation the right of the Port Authority to revoke this Permit for cause for breach of any term or provision of paragraphs (a)(iii) or (a)(iv) above and in addition thereto, in the event any of the Books and Records are not maintained in English, then this Permittee shall pay to the Port Authority when billed, all costs and expenses of the Port Authority, as determined by the Port Authority, to translate such Books and Records into English.

(e) The foregoing auditing costs, expenses and amounts of the Port Authority set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Permit payable to the Port Authority with the same force and effect as the Basic Percentage Fee and all other fees payable to the Port Authority hereunder and the foregoing auditing costs, expenses and amounts of the Terminal Four Lessee set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Permit payable to the Terminal Four Lessee with the same force and effect as the Terminal Four Percentage Fee and all other fees payable to the Terminal Four Lessee hereunder.

25. Rates and Charges:

The Permittee shall establish rates and discounts therefrom which are in compliance with Section 22 hereof (each such rate and discount is hereinafter called an "*Established Rate*"). Upon request by the Port Authority, the Permittee shall provide the Port Authority its rates and discounts therefrom for goods and services furnished hereunder. If the Permittee applies any rate in excess of the Established Rate therefor or extends a discount less than the Established Discount therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the Established Rate therefor or extends a discount which is in excess of the Established Rate therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an undercharge and an amount equivalent thereto shall be included in Gross Receipts and Terminal Four Gross Receipts hereunder and the Basic Percentage Fee and the Terminal Four Percentage Fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in Gross Receipts or Terminal Four Gross Receipts any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon such breach which would otherwise be available to it at law, in equity or by reason of this Permit.

26. Other Agreements:

In the event the terms and provisions of any agreement entered into by the Permittee with any third Person in connection with the privileges granted hereunder are contrary to or conflict or are inconsistent with the terms and provisions of this Permit, the terms and provisions of this Permit shall be controlling, effective and determinative.

27. City Lease Provisions:

(a) The Permittee acknowledges that it has received a copy of, and is familiar with the contents of, the City Lease. The Permittee acknowledges that no greater rights or privileges are hereby granted to the Permittee than the Port Authority has the power to grant under the City Lease.

(b) In accordance with the provisions of the City Lease, the Port Authority and the Permittee hereby agree as follows:

(i) This Permit is subject and subordinate to the City Lease and to any interest superior to that of the Port Authority;

(ii) The Permittee shall not pay the fees or other sums under this Permit for more than one (1) month in advance (excluding security or other deposits required under this Permit);

(iii) With respect to this Permit, the Permittee on the termination of the City Lease will, at the option of the City, enter into a direct permit on identical terms with the City;

(iv) The Permittee shall indemnify the City, as third party beneficiary hereunder, with respect to all matters described in Section 31 of the City Lease that arise out of the Permittee's operations at the Airport, or arise out of the acts or omissions of the Permittee's officers, employees, agents, representatives, contractors, customers, business visitors and guests at the Airport with the Permittee's consent;

(v) The Permittee shall not use any portion of the Airport for any use other than as permitted under the City Lease;

(vi) The Permittee shall use the Airport in a manner consistent with the Port Authority's obligations under Section 28 of the City Lease;

(vii) The failure of the Permittee to comply with the foregoing provisions shall be an event of default under this Permit, which shall provide the Port Authority with the right to revoke this Permit and exercise any other rights that the Port Authority may have as the grantor of the permission hereunder; and

(viii) The City shall be named as an additional insured or loss payee, as applicable, under each policy of insurance procured by the Permittee pursuant to this Permit.

28. Counterclaims:

The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts, which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

29. Continued Exercise of Privilege After Expiration, Revocation or Termination:

(a) The Permittee acknowledges that the failure of the Permittee to cease to perform the Authorized Service at the Airport from the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss, and the Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall

be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss. The Permittee acknowledges that the Port Authority reserves all its legal and equitable rights and remedies in the event of such failure by the Permittee to cease performance of the Authorized Service.

(b) The Permittee hereby acknowledges and agrees that, subject to the foregoing, all terms and provisions of this Permit shall be and continue in full force and effect during any period following such expiration, revocation or termination.

30. Miscellaneous:

(a) It is understood and agreed that the Port Authority shall not furnish, sell or supply to the Permittee any services or utilities in connection with this Permit.

(b) No Commissioner, Director, officer, agent or employee of either party shall be charged personally by the other party with any liability, or held liable to the other party, under any term or provision of this Permit, or because of the party's execution or attempted execution, or because of any breach thereof.

(c) The Section and paragraph headings, if any, in this Permit are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope or intent of any provision hereof.

(d) This Permit, including the attached Special Endorsements, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof. This Permit may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee or except by notice as specifically set forth in Sections 4 and 13 hereof. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

CARGO AIRPORT SERVICES USA LLC

A Delaware Limited Liability Company

SECOND AMENDED AND RESTATED OPERATING AGREEMENT

THIS SECOND AMENDED AND RESTATED OPERATING AGREEMENT ("*Agreement*") of Cargo Airport Services USA LLC (the "*Company*") is made and entered into as of the _____ day of November, 2007, by and among the persons executing this Agreement as Members. This Agreement shall become effective on January 1, 2008 (the "*Effective Date*").

RECITALS

WHEREAS, CAS/WBG caused the Company to be organized as a Delaware limited liability company, under the original name of CASNY Acquisition LLC, by filing a Certificate of Formation with the Department of State of the State of Delaware on April 21, 2004;

WHEREAS, CAS/WBG amended the Certificate of Formation of the Company on May 3, 2004 to change the name of the Company to Cargo Airport Services USA LLC;

WHEREAS, CAS/WBG executed an Operating Agreement with respect to the Company dated as of September 1, 2004 (the "*Original Operating Agreement*");

WHEREAS, the Members executed an Amended and Restated Operating Agreement with respect to the Company dated as of March 15, 2005 (the "*Existing Operating Agreement*");

WHEREAS, the Board of Managers and the Voting Members (including but not limited to MidMark and CAS/WBG) desire to amend and restate the Existing Operating Agreement and, by virtue of their execution and delivery hereof, have approved the amendment and restatement of the Existing Operating Agreement set forth herein consistent with the requirements of Sections 8.8(a) and 8.8(c) of the Existing Operating Agreement;

WHEREAS, pursuant to the provisions of that certain Fourth Amendment to Asset Purchase Agreement, effective as of January 1, 2008, by and among the Company, Cargo Airport Services, LLC, a New York limited liability company ("*CAS*"), Cargo Airport Services of New York, LLC, a New York limited liability company ("*CASNY*"), C&M Associates, LLC, a New York limited liability company ("*C&M*"), and Cansica Corporation, a Florida corporation ("*Cansica*"), Simon Caviezel and Carl Smitelli, and that certain Assignment and Assumption Agreement, effective as of January 1, 2008, by and among CAS, CASNY, C&M and Cansica, each of Cansica and C&M has, as of the Effective Date,: (i) received from the Company $1.75 million in full and complete satisfaction and discharge of all remaining obligations of the Company to such entity under the Notes and with respect to the Contingent Consideration (as such terms are defined in the Asset Purchase Agreement); and (ii) subsequently contributed $1.75 million to the Company in exchange for its Class D Interest in the Company (collectively, the "*Class D Capital Contributions*"); and

WHEREAS, it is the intent of the Members that, from and after the Effective Date, the respective rights, powers, duties and obligations of Members, and the management, operations and activities of the Company, shall be governed by this Agreement;

NOW, THEREFORE, in consideration of the mutual covenants and promises contained herein, the parties, intending to be legally bound, agree as follows:

ARTICLE 1 — GENERAL

1.1 Definitions. Certain capitalized words and phrases used in this Agreement (including the Recitals section above) shall have the meanings set forth in Section 1.11.

1.2 Name. The name of the Company shall be Cargo Airport Services USA LLC, and all business of the Company shall be conducted under that name or under any fictitious, trade or similar names that the Board of Managers may designate from time to time in conformity with applicable law.

1.3 Address, Principal Office and Principal Place of Business. The address, principal office and principal place of business of the Company shall be as indicated on Schedule A hereto, as amended from time to time, or such other place as the Board of Managers may designate from time to time by written notice to all the Members.

1.4 Purposes. Subject to Section 4.1(d), the purposes of the Company shall be to engage in any lawful act or activity for which limited liability companies may be formed under the Act, including engaging in the business of providing the following services to the air cargo industry: aircraft and cargo ground handling services; cargo and security inspection; aircraft traffic management; aircraft fueling; aircraft deicing; aircraft cleaning; airline building or aircraft hangar renovation, management, maintenance, ownership or leasing; or any similar activity or services to the air cargo industry.

1.5 General Powers. The Company may engage in any and all activities reasonably deemed by the Board of Managers to be incidental to the purposes set forth in Section 1.4. Subject to the terms of this Agreement, the Company shall have all of the powers available to it as a limited liability company under the Act and shall have the power to do all acts deemed necessary, appropriate or advisable by the Board of Managers in furtherance of the purposes set forth therein.

1.6 Term. The term of existence of the Company shall be perpetual, unless sooner terminated in accordance with the provisions of Article 7.

1.7 Registered Agent. The name and business address of the Company's registered agent for service of process shall be as set forth on Schedule A hereto, as amended from time to time. The Company may change the registered agent from time to time by filing the appropriate statements with the Department of State of the State of Delaware in accordance with the Act.

1.8 Members. The names and addresses of the Members of the Company, the amounts of their Capital Contributions, if any, and the Interests and Units owned by the Members shall be as set forth on Schedule A hereto, as amended from time to time. Each Person listed on Schedule A has or shall become a Member: (i) in the case of the initial Members, upon (A) execution of this Agreement and (B) payment of its initial Capital Contribution, if any, to the Company in accordance with Section 2.1; and (ii) in the case of the admission of any additional Members, the satisfaction of all of the conditions precedent to such admission that are set forth in Section 1.10 or Article 6, as applicable. A Member shall cease to be a Member upon (x) a Transfer of that Member's whole Interest; (y) if that Member is an individual, the adjudication by a court that the Member is legally incompetent; or (z) the suffering of a Bankruptcy Event by that Member.

1.9 Certificates for Interests. A Member's Interests may, but need not, be represented by a Certificate of Membership. The contents of a Certificate of Membership, if any, will be determined by the Board of Managers.

1.10 Additional Interests.

(a) Subject to Section 1.10(d), the Company may issue additional Class A Interests in the Company to one or more Persons and admit each such Person(s) to the Company as an additional Member, provided that the additional Class A Interests are first offered to the existing Class A Members pursuant to Section 2.2.

(b) Subject to Sections 1.10(d) and 2.2, the Company shall be entitled to issue additional Class B Interests or Class B Warrants.

(c) Subject to Section 1.10(d) and with the approval of the Board of Managers, the Company shall be entitled to issue Restricted Interests pursuant to the Plan.

(d) The Company shall issue additional interests in the Company to any Person only if: (i) the requirements of Section 1.10(a), (b) or (c) are met; (ii) the Company has received an Instrument of Joinder

executed by that Person; (iii) that Person has made the Capital Contribution, if any, required by the Board of Managers; and (iv) that Person has provided such other information or agreements, if any, as the Board of Managers may require.

1.11 Certain Definitions. Certain of the capitalized terms used in this Agreement shall have the meanings assigned to them below:

"*Act*" means the Delaware Revised Uniform Limited Liability Company Act, 6 Del. C. Section 18-101 through Section 18-1109, as amended from time to time (or any corresponding provisions of succeeding law).

"*Adjusted Capital Account*" means the Capital Account of a Member as of the end of the relevant fiscal year of the Company, after giving effect to the following: (i) credit to such Capital Account any amounts the Member is obligated to restore, pursuant to the terms of this Agreement or otherwise, or is deemed obligated to restore pursuant to the penultimate sentences of Treas. Reg. §1.704-2(g)(1) and §1.704-2(i)(5); and (ii) debit to such Capital Account the items described in Treas. Reg. §§1.704-1(b)(2)(ii)(*d*)(*4*), (*5*) and (*6*).

"*Affiliate*" means, with respect to a specified Person, any Person directly or indirectly controlling, controlled by or under common control with such specified Person. For purposes of this definition, the term "*controlling*," "*controlled by*" or "*under common control with*" means the possession, directly or indirectly through one or more intermediaries, of the power to direct or cause the direction of the management and policies of another Person. The term "Affiliate" shall include, but not be limited to: (i) any Person directly or indirectly owning, controlling or holding the power to vote 10% or more of the outstanding voting securities or Interests of the specified Person; (ii) any Person 10% or more of whose outstanding voting securities or Interest is directly or indirectly owned, controlled or held with power to vote by the specified Person; (iii) any officer, director, board of managers or partner of the specified Person; and (iv) any Person of which the specified Person is an officer, director, manager or partner.

"*Agreement*" means this Second Amended and Restated Operating Agreement of the Company, as further amended or restated from time to time.

"*Applicable Federal Rate*" means the lowest rate of interest necessary to avoid the imputation of interest under the applicable provisions of the Code.

"*Asset Purchase Agreement*" means that certain Asset Purchase Agreement, dated as of September 1, 2004, by and among the Company, Cargo Airport Services, LLC, Cargo Airport Services of New York, LLC, Cansica Corporation, C&M Associates, LLC, Simon Caviezel and Carl Smitelli, as amended from time to time.

"*Assignee*" means a transferee of an Interest pursuant to: (i) an Involuntary Transfer; (ii) a Transfer that is not made pursuant to this Agreement that the Company is required to recognize for any reason; or (iii) a Transfer where the instrument of assignment indicates that the transferee is not to be admitted as a Member but as a mere assignee. An Assignee shall have only the rights described in Section 6.1(b).

"*Award Agreement*" means a Class C Profits Interest Award Agreement executed by and between the Company and each Class C Member, and subject to the terms of the Plan (as defined below).

"*Bankruptcy Event*" means, with respect to any Member, any one of the following events: (i) the making of an assignment for the benefit of creditors by the Member; (ii) the filing of a voluntary petition in bankruptcy by the Member; (iii) the adjudication of the Member as a bankrupt or insolvent; (iv) the filing of a petition or answer by the Member seeking for the Member a reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under any statute, law or rule; or (v) the seeking, consenting to or acquiescence of the Member in the appointment of a trustee, receiver, or liquidator of the Member or of all or any substantial part of the Member's properties.

"*Board of Managers*" means the Persons designated to manage the Company pursuant to Section 4.1 and identified in Schedule A hereto, as amended from time to time.

"*BGL/CAS*" means BGL/CAS Investors, LLC, an Ohio limited liability company.

"*C&M Associates*" means C&M Associates, LLC, a New York limited liability company and one of the Founders.

"*Cansica*" means Cansica Corporation, a Florida corporation and one of the Founders.

"*Capital Account*" is defined in Schedule B hereto.

"*Capital Contribution*" means any contribution to the capital of the Company by a Member pursuant to Section 2.1 or 2.2.

"*CAS/WBG*" means WBG Partners I, LLC, a Delaware limited liability company formerly known as CAS/Weinberg Bell Investors LLC.

"*Centerfield*" means Centerfield Capital Partners, L.P. a Delaware limited partnership.

"*Certificate of Formation*" means the Certificate of Formation filed by the Company with the Department of State of the State of Delaware pursuant to the Act, as amended from time to time.

"*Class A Members*" means, collectively, those Members listed on Schedule A hereto, as amended from time to time, as holding Class A Interests, but each may be referred to individually as a "*Class A Member.*" If a Class A Member also owns Class B, Class C or Class D Interests, the term "*Class A Member*" shall only refer to such Member in his or her capacity as a Member owning Class A Interests.

"*Class A Interest*" means the interest of a Class A Member in the Company as set forth in this Agreement, including, without limitation, rights to (i) vote on various Company matters as hereinafter set forth, and (ii) receive distributions (liquidating or otherwise) and allocations of Profits and Losses. Collectively, the Class A Interests of all the Class A Members shall be referred to herein as "*Class A Interests.*"

"*Class A Percentage Interest*" means the "Class A Percentage Interest" percentages shown beside the Class A Members' names on Schedule A, as amended from time to time.

"*Class A Preferred Return*" means an amount, calculated and accrued annually, that would generate a yield equal to a 15% cumulative, annually compounded, preferred rate of return, calculated based on the average balance during such year of the sum of a Class A Member's Unreturned Class A Capital Contributions and Unpaid Class A Preferred Return.

"*Class A Unit*" means a Unit representing ownership of a Class A Interest. Each Class A Unit shall have an original purchase price of Ten Thousand Five Hundred Seventy Dollars ($10,570).

"*Class B Members*" means, collectively, those Members listed on Schedule A hereto, as amended from time to time, as holding Class B Interests but each may be referred to individually as a "*Class B Member.*" If a Class B Member also owns Class A, Class C or Class D Interests, the term "*Class B Member*" shall only refer to such Member in his or her capacity as a Member owning Class B Interests.

"*Class B Interest*" means the interest of a Class B Member in the Company as set forth in this Agreement, including, without limitation, rights to receive distributions (liquidating or otherwise) and allocations of Profits and Losses. Except for such rights as are expressly provided to the Class B Members in this Agreement, and notwithstanding anything else contained in this Agreement, the Class B Members shall have no right to vote, approve or consent to any matter, and no right to participate in the management or control of the business and affairs of the Company. Collectively, the Class B Interests of all the Class B Members shall be referred to herein as "*Class B Interests.*"

"*Class B Unit*" means a Unit representing ownership of a Class B Interest.

"*Class B Warrants*" means, collectively, the warrants to purchase Class B Units listed on Schedule A hereto, as amended from time to time, but each may be referred to individually as a "*Class B Warrant.*"

"*Class C Members*" means, collectively, those Members listed on Schedule A hereto, as amended from time to time, as holding Class C Interests pursuant to the Plan, but each may be referred to individually as a "*Class C Member.*" If a Class C Member also owns Class A, Class B or Class D Interests, the term "*Class C Member*" shall only refer to such Member in his or her capacity as a Member owning Class C Interests.

"*Class C Interest*" shall mean exclusively the interest of a Class C Member in the Profits, Losses and capital appreciation of the Company, as set forth in Section 2.5(a) below. Except for such rights as are expressly provided to the Class C Members in this Agreement, and notwithstanding anything else contained in this Agreement, the Class C Members shall have no right to vote, approve or consent to any matter, and no right to participate in the management or control of the business and affairs of the Company. Collectively, the Class C Interests of all the Class C Members shall be referred to herein as "*Class C Interests.*"

"*Class C Unit*" means a Unit representing ownership of a Class C Interest.

"*Class D Capital Contributions*" has the meaning set forth in the Recitals.

"*Class D Interest*" means the interest of a Class D Member in the Company as set forth in this Agreement, including, without limitation, the right to receive distributions (liquidating or otherwise) but excluding, among other things, the right to receive allocations of Losses. Except for such rights as are expressly provided to the Class D Members in this Agreement, and notwithstanding anything else contained in this Agreement, the Class D Members shall have no right to vote, approve or consent to any matter, and no right to participate in the management or control of the business and affairs of the Company. Collectively, the Class D Interests of all the Class D Members shall be referred to herein as "*Class D Interests.*"

"*Class D Members*" means those Members listed on Schedule A hereto, as amended from time to time, as holding Class D Interests but each may be referred to individually as a "*Class D Member.*" If a Class D Member also owns Class A, Class B or Class C Interests, the term "*Class D Member*" shall only refer to such Member in his or her capacity as a Member owning Class D Interests.

"*Class D Preferred Return*" means an amount that would generate a yield equal to a 6% annual cumulative, quarterly compounded, preferred rate of return, calculated and accrued quarterly based on the average balance during such quarter of the sum of a Class D Member's Unreturned Class D Capital Contributions and Unpaid Class D Preferred Return.

"*Class D Unit*" means a Unit representing ownership of a Class D Interest. Each Class D Unit shall have an original issue price of Ten Thousand Five Hundred Seventy Dollars ($10,570).

"*Code*" means the Internal Revenue Code of 1986, as amended from time to time (or any corresponding provisions of succeeding law).

"*Confidentiality Agreement*" has the meaning set forth in Section 4.11(b).

"*EBITDA*" means the sum of (x) the net income after taxes of the Company plus (y) interest expense, income taxes, non-recurring extraordinary losses and gains (including gains or losses on the sale of assets other than sales of inventory in the ordinary course of business), depreciation and amortization, all as shown on a statement of income for the Company for any measurement period prepared in accordance with GAAP.

"*Existing Operating Agreement*" has the meaning set forth in the Recitals.

"*Extraordinary Distribution*" has the meaning set forth in Section 3.6(e).

"*Fair Market Value*" means the value of an Interest that is subject to purchase under this Agreement that shall be determined, as of the date of the event giving rise to such determination, by mutual agreement between the Company and the Member who owns such Interest or its personal representatives. If such parties are unable to agree upon such value within 90 days after such event, then the Fair Market Value shall be determined in accordance with the procedures and requirements outlined in Sections 6.3(b) and (c).

"*Family Group*" means an individual and such individual's spouse, estate, parents, siblings or lineal descendants, one or more trusts for the benefit of such individual or his or her spouse, parents, siblings or lineal descendants, or one or more family partnerships, unincorporated businesses and associations, corporations or family limited liability companies where the principal partners or members, as the case may be, are such individual or his or her spouse, parents, siblings or lineal descendants.

"*Founders*" means Cansica and C&M Associates, but each may be referred to individually as a "*Founder*."

"*Fully-Diluted Basis*" means, without duplication, (i) all Units outstanding at the time of determination plus (ii) all Units issuable upon the exercise of any then currently exercisable option, warrant or similar right (including a right of conversion or exchange).

"*GAAP*" means generally accepted accounting principles in the United States as in effect on the date of this Agreement.

"*Instrument of Joinder*" means an instrument of joinder of this Agreement in the form attached as Schedule C hereto.

"*Interest*" means a Member's ownership interest in the Company pursuant to the terms and provisions of this Agreement, including (i) that Member's right to receive distributions from the Company, (ii) if that Member is a Class A, Class B, Class C or Class D Member, that Member's right to receive a share of the Company's Profits, and (iii) if that Member is a Class A, Class B or Class C Member, that Member's right to receive a share of the Company's Losses. The Interests of each of the Members (expressed as percentages) are listed on Schedule A, as amended from time to time.

"*Internal Rate of Return*" means the discount rate, using cumulative quarterly compounding in a manner consistently applied by the Company, at which the net present value of a designated Member's Capital Contributions to and Distributions from the Company (other than Mandatory Tax Distributions made pursuant to Section 3.7, except to the extent provided in the last sentence of this definition) and/or proceeds from the sale of such Member's Interests equals zero, calculated for each such Capital Contribution from the date such Capital Contribution was made by such Member and with respect to each Distribution or sale from the date such Distribution or proceeds of such sale is received or deemed received by such Member under the terms of this Agreement. For example, MidMark shall have received a twenty-five percent (25%) annual Internal Rate of Return upon its receipt of a cumulative amount of qualifying Distributions that cause (a) the net present value of the aggregate of all Distributions to MidMark, discounted at an annual rate of twenty-five percent (25%) from the date each such Distribution was received by MidMark, using cumulative quarterly compounding back to the date of the Capital Contribution(s) by MidMark for which such Distribution is made or deemed made, reduced by (b) the net present value of such Capital Contribution(s) discounted at an annual rate of twenty-five percent (25%) using cumulative quarterly compounding from the date such Capital Contribution was made or deemed made under the terms of this Agreement, to equal zero. The Internal Rate of Return shall be calculated on the basis of the actual number of days elapsed over a 365 or 366-day year, as the case may be, using cumulative quarterly compounding. Each Internal Rate of Return calculation shall be determined using a Microsoft IRR calculation. Notwithstanding the foregoing, a portion of each Mandatory Tax Distribution (the "*Non-Qualifying Portion*") determined in accordance with the following formula shall be treated as a Distribution which is not a Mandatory Tax Distribution solely for the purpose of calculating Internal Rate of Return:

Non-Qualifying Portion = 4% divided by the effective combined tax rate (expressed as a percentage) determined in accordance with clause (B) of the definition of Mandatory Tax Distribution Amount.

"*Involuntary Event*" means, with respect to any Member, any one of the following events: (i) the adjudication by a court of a Member who is an individual to be legally incompetent; or (ii) the termination of the legal existence of any Member who is other than an individual.

"*Involuntary Transfer*" means any Transfer of an Interest by reason of a Bankruptcy Event or by reason of a Member having any of that Member's Interest foreclosed against or levied upon, any Transfer resulting from an Involuntary Event, any Transfer of a Member's Interest resulting from any judgment, order or decree of a court of competent jurisdiction concerning the divorce, dissolution or annulment of marriage of a Member or legal separation from that Member's spouse, or any other Transfer by operation of law or resulting from any judgment, order or decree of a court of competent jurisdiction.

"*Liquidity Event*" means any of the following: (a) the sale or exchange of more than 50% of the Interests in the Company pursuant to a private sale, merger or other transaction, or a series of related private sales, mergers, or other transactions, to or with any Person, except for a sale made pursuant to Section 6.1(c); and (b) the sale or exchange of substantially all of the Company's assets (other than pursuant to a reorganization described in §368(a)(1)(F) of the Code, or other than to a wholly owned subsidiary of the Company) to any Person, except for a sale made pursuant to Section 6.1(c). The dissolution of the Company pursuant to Article 7 shall not be a Liquidity Event.

"*Losses*" has the meaning set forth in Schedule B hereto.

"*Majority in Interest of the Class D Members*" means the Class D Member(s) holding a majority of the Class D Units.

"*Majority in Interest of the Voting Members*" means the Voting Member(s) holding a majority of the Class A Units entitled to vote on or consent to the matter in question.

"*Majority Sellers*" has the meaning set forth in Section 6.1(d)(ii).

"*Management Fees*" has the meaning set forth in Section 4.6(a).

"*Mandatory Tax Distribution Amount*" means, to the extent permitted under any loan agreements to which the Company is a party, an amount equal to the excess of (i) the product of (A) the net taxable income of the Company allocated to (or reasonably estimated to be allocable to) a Member from the beginning of the fiscal year through the end of each fiscal quarter attributable to the Profits and Losses allocated to such Member under this Agreement, and (B) the maximum federal individual or corporate income tax rate, as applicable (taking into account the character of the items of income as ordinary income or capital gains), and the maximum combined state and local individual or corporate income tax rate to which any Member (or member of a Member) is subject, less the effect of the deduction of state and local income taxes on the federal return, assuming no limitation of such deduction under §68 of the Code (which maximum rates shall be applied to all Members), over (ii) all amounts previously distributed to such Member with respect to such fiscal year. For the avoidance of doubt, "Mandatory Tax Distribution Amount" shall not include any distributions made pursuant to Section 3.6(a)(ii), 3.6(a)(iii) or 7.3(b)(iv), notwithstanding the fact that the Members receiving such distributions may have a tax liability as a result of an allocation of Profits made in connection with the circumstances or event(s) giving rise to such distributions.

"*Member*" means each of the Persons who have (i) satisfied the conditions precedent to becoming a Member that are described in Section 1.8, including the Persons described on Schedule A hereto, as amended from time to time, and (ii) not ceased to be a Member pursuant to the terms of this Agreement. Solely for purposes of the allocation and distribution provisions of Articles 3 and 7 of this Agreement (and any definitions relating thereto), a Member shall also include an Assignee. "*Members*" means all such Persons.

"*Merion*" means Merion Investment Partners, L.P., a Delaware limited partnership.

"*MidMark*" means MidMark Capital II, L.P., a Delaware limited partnership.

"*Net Cash Flow*" means the gross amounts received by the Company from all sources reduced by the following: (i) all cash operating expenses of the business, including the Management Fees, taxes and insurance premiums, which shall exclude non-cash expenses including any depreciation and amortization allowances or accrued but unpaid Management Fees; (ii) cash interest and principal payments on indebtedness of the Company (including loans by Members in accordance with Section 2.4), which shall exclude any payment in kind interest expenses that are accrued but not paid in cash; (iii) cash proceeds from borrowing or proceeds from the sale, exchange or other disposition of Company assets, other than a sale, exchange or other disposition of Company assets in the ordinary course of the Company's business; (iv) additions to Reserves; (v) all cash expenditures for fixed asset additions, improvements and replacements; (vi) cash Capital Contributions; (vii) amounts that the Board of Managers determines to be necessary to satisfy any credit facility restriction; and (viii) any other amounts that the Board of Managers determine shall be retained for investment for the Company business.

"*Non-Qualifying Portion*" has the meaning set forth in the definition of Internal Rate of Return.

"*Offered Interest*" has the meaning set forth in Section 6.1(e)(i).

"*Offset Amount*" has the meaning set forth in Section 3.10.

"*Original Operating Agreement*" has the meaning set forth in the Recitals.

"*Percentage Interest*" means the "Total Percentage Interest" percentages shown beside the Members' names on Schedule A, as amended from time to time, which amounts shall exclude any unexercised Class B Warrants and other unexercised options or warrants to purchase Units.

"*Person*" means any natural person, corporation, limited liability company, partnership, joint venture, trust, estate, association or other enterprise.

"*Plan*" means the Management Equity Class C Profits Interest Plan, pursuant to which the Company shall issue "profits interests" (as that term is described in IRS Revenue Procedure 93-27 and clarified by IRS Revenue Procedure 2001-43) in the Company in exchange for services.

"*Profits*" has the meaning set forth in Schedule B hereto.

"*Reserves*" means, with respect to any fiscal year, funds set aside or amounts allocated during such period to reserves that shall be maintained in amounts deemed sufficient by the Board of Managers for working capital and to pay taxes, insurance, debt service or other costs or expenses incident to the ownership or operation of the Company's business or assets.

"*Restricted Interests*" has the meaning set forth in Section 2.5(c).

"*ROFO Conclusion Notice*" has the meaning set forth in Section 6.1(e)(i)(B).

"*ROFO Notice*" has the meaning set forth in Section 6.1(e)(i).

"*Response Date*" has the meaning set forth in Section 6.1(e)(i)(A).

"*ROFO Response Notice*" has the meaning set forth in Section 6.1(e)(i)(A).

"*ROFO Price*" has the meaning set forth in Section 6.1(e)(i)(A).

"*ROFO Right*" has the meaning set forth in Section 6.1(e)(i)(A).

"*Securities Act*" means the Securities Act of 1933, as amended from time to time (or any corresponding provisions of succeeding law).

"*Security*" or "*Securities*" means securities of every kind, nature and description, including, but not limited to, capital stock, partnership interests, limited partnership interests, membership interests, certificates of interest and subscriptions, warrants, bonds, notes, bills, debentures, money market funds, investment contracts, commercial paper and other evidences of indebtedness, and rights and options relating thereto, including put and call options, and any property real or personal, tangible or intangible that is distributed in respect of the ownership of a security.

"*Super-Majority in Interest of the Voting Members*" means the Voting Members holding at least 80% of the Class A Units entitled to vote on or consent to the matter in question.

"*Tag-Along Sale*" has the meaning set forth in Section 6.1(d)(ii).

"*Tag-Along Sale Notice*" has the meaning set forth in Section 6.1(d)(ii).

"*Transfer*" means, as a noun, any voluntary or involuntary transfer, sale, pledge, hypothecation, assignment or other disposition of an Interest by a Member and, as a verb, voluntarily or involuntarily to transfer, sell, pledge, hypothecate, assign or otherwise dispose of a Member's Interest.

"*Transferring Member*" means any Member that (i) determines to Transfer in whole or in part of any Interest or (ii) suffers an Involuntary Event, Bankruptcy Event or other event making it foreseeable that its Interest will be the subject of an Involuntary Transfer.

"*Unit*" is a measure of a Member's interest in the Company's distributions, Profits, Losses and items thereof as provided for in this Agreement, including an undivided interest in the holder's Capital Account balance with respect thereto.

"*Unpaid Class A Preferred Return*" means, with respect to any Class A Member, the excess, if any, of (i) the Class A Preferred Return accrued for such Class A Member from the date of such Class A Member's Capital Contribution(s) as a Class A Member to the date for which the Class A Preferred Return is being calculated for purposes of determining such Unpaid Class A Preferred Return, over (ii) the sum of all prior distributions to such Class A Member pursuant to Section 3.6(a)(iii)(C).

"*Unreturned Class A Capital Contributions*" means, with respect to any Class A Member, such Class A Member's Capital Contribution(s) to the Company as a Class A Member less all distributions previously made (or deemed to have been made) to such Class A Member pursuant to Section 3.6(a)(iii)(D).

"*Unpaid Class D Preferred Return*" means, with respect to any Class D Member, the excess, if any, of (i) the Class D Preferred Return accrued for such Class D Member from the date of such Class D Member's Capital Contribution(s) as a Class D Member to the date for which the Class D Preferred Return is being calculated for purposes of determining such Unpaid Class D Preferred Return, over (ii) the sum of all prior distributions to such Class D Member pursuant to Sections 3.6(a)(i) and 3.6(a)(iii)(A).

"*Unreturned Class D Capital Contributions*" means, with respect to any Class D Member, such Class D Member's Capital Contribution(s) to the Company as a Class D Member less all distributions previously made (or deemed to have been made) to such Class D Member pursuant to Section 3.6(a)(iii)(B).

"*Voting Members*" means the Class A Members.

"*Warrant Agreements*" has the meaning set forth in Section 2.6(a).

"*Warrant Holders*" means the Weinberg Family Limited Partnership, Ronald E. Weinberg, Jr., Daniel M. Bell and BGL/CAS (or their respective designees).

"*WBG*" means Weinberg Capital Corporation, an Ohio corporation d.b.a. the Weinberg & Bell Group.

1.12 Subscription Representations of the Members. Each existing Member has represented and warranted (and, by executing an Instrument of Joinder, each new Member hereby represents and warrants) to the Company and each other Member that:

(a) It is acquiring the Interest as a principal, in good faith and solely for its own account, for investment purposes only, and not with a view toward the distribution or resale thereof, and that its financial condition is such that it is not under any present necessity or constraint and does not foresee in the future any necessity or constraint to dispose of all or any part of the Interest to satisfy any existing or contemplated debt or undertaking.

(b) It understands that there is no market for the Interest, that it is not likely that a market for the Interest will develop, that the further sale, transfer or other disposition of the Interest is severely restricted under the terms of this Agreement, that it must hold the Interest indefinitely except as otherwise provided in this Agreement, and that the Company is under no obligation, and has no intention, to either register the Interest under the Securities Act or attempt to secure an exemption for any further sale, transfer or other disposition thereof.

(c) It acknowledges that investment in the Interest involves certain risks, represents and warrants that it has such knowledge and experience in financial and business matters that it is capable of evaluating the merits and risks of such investment, and confirms that it is able to (i) bear the economic risk of this investment, (ii) hold the Interest for an indefinite period of time, and (iii) afford a complete loss of its investment.

(d) It has reviewed and understands all restrictions imposed upon further sale, transfer or other disposition of the Interest, including the fact that any certificate representing the Interest will bear legends restricting such resale, transfer or disposition, and it has reviewed and understands all such restrictions imposed by this Agreement.

(e) It is not subscribing for the Interest as a result of or subsequent to any advertisement, article, notice or other communication published in any newspaper, magazine or similar media or broadcast over television or radio, or presented at any seminar or meeting.

(f) It is aware of the fact that no governmental or other agency has made any finding or determination as to the fairness for public or private investment, or any recommendation or endorsement, of a Interest for investment.

(g) It has made a thorough investigation of the Company, has independently evaluated the risk and rewards of owning the Interest, has had the opportunity to obtain information about and review the records of the Company, and is aware of what the other Members paid for their Interests and of the book value of its Interest.

(h) It is not relying on the Company or any of its agents or representatives with respect to any tax considerations relating to its investment.

(i) It is aware that Kohrman Jackson & Krantz P.L.L. ("*KJK*") represents the Company and may represent one or more of the Company's Affiliates, and that such representation may result in conflicts of interest for such counsel. It is aware and recognizes that, as a purchaser of an Interest, it may not receive the same protection that it would otherwise receive if it, individually, or all the purchasers of Interests, as a group, had counsel separate from the Company, and any such Company Affiliates, and by executing this Agreement, it, as a purchaser of the Interest, hereby (i) consents to the representation by KJK of the Company and any such Company Affiliates, (ii) specifically disclaims and waives any duty of care that KJK may owe to it, with respect to any matter arising as a result of KJK representation of the Company or the Company's Affiliates and (iii) specifically disclaims and waives any duty imposed as a result of any direct or indirect attorney-client relationship that has been established between it and KJK.

ARTICLE 2 — CAPITAL CONTRIBUTIONS; LOANS BY MEMBERS

2.1 Initial Capital Contributions. Each existing Member has contributed (and, upon execution of an Instrument of Joinder pursuant to Section 1.10 or Article 6, as applicable, each new Member will contribute) to the capital of the Company the money or property listed as that Member's Capital Contribution on Schedule A hereto, as amended from time to time. If property has been contributed, then: (i) the amount of the Capital Contribution listed on Schedule A shall be the fair market value of such property as determined in good faith by the Board of Managers; and (ii) the property shall be described in a footnote or supplement to Schedule A. No interest shall be paid on any Capital Contributions.

2.2 Additional Capital Contributions. Except as otherwise provided in this Section 2.2, no Member shall be required to make any additional Capital Contributions. If the Board of Managers determines that it is in the best interest of the Company to obtain additional capital, then the Company shall give written notice of such determination to the Class A Members. Any Class A Members that desire to make such an additional Capital Contribution shall have a period of twenty days from the date of such notice to give the Company written notice that they elect to participate in the contribution of additional capital to the Company; provided that no Class A Member shall have a right to participate arising from any capital issued pursuant to Section 2.5 or Section 2.6. If all of the Class A Members elect to participate, then each such Class A Member shall contribute an amount equal to the amount of the required capital, multiplied by such Class A Member's Class A Percentage Interest (as shown on Schedule A hereto, as amended from time to time). Each Class A Member electing to participate shall contribute that Class A Member's share of the required capital in cash to the Company within five days after that Class A Member's written election to make such additional Capital Contribution. If one or more of the Class A Members do not elect to participate within the aforementioned twenty day period, then each Class A Member who has given written notice of that Class A Member's decision to contribute additional capital shall be permitted to increase the amount of that Class A Member's additional contribution by an amount equal to the remaining amount of additional capital needed, multiplied by a fraction, the numerator of which is the original amount of additional capital that such Class A Member has agreed to contribute and the denominator of which is the original amount of the additional capital that all participating Class A Members have agreed to contribute. If a deficit in the amount of additional capital required thereafter still remains, then the Class A Members who have elected to participate shall be permitted to contribute such remaining additional capital, until there is no deficit, in such manner as such remaining contributing Class A Members may determine. Subject to applicable law, the Board of Managers may revalue the assets of the Company in good faith in connection with its acceptance of any such additional Capital Contributions, even if such revaluation would dilute the Percentage Interest of existing Members who do not elect to participate to a greater extent than would otherwise be the case.

2.3 No Return of Capital. No Member shall be personally liable for the return of the Capital Contribution of any other Member or any portion thereof, it being expressly understood that any such return shall be made solely from the Company's assets.

2.4 Loans From Members. In the event that the Board of Managers determines that it is in the best interest of the Company to borrow funds from the Members for use in the operation of the business of the Company, then the Company shall give written notice of such determination to the Class A Members and the Class A Members shall then have a period of twenty days from the date of such notice to give the Company written notice that they elect to participate in the making of such loans to the Company. If all of the Class A Members elect to participate, then each Class A Member shall lend an amount equal to the amount of the required funds, multiplied by the Class A Percentage Interest of such Class A Member. Each Class A Member electing to participate shall lend that Class A Member's share of the required funds in cash to the Company within five days after that Class A Member's written election to make such loan is received by the Company. If one or more of the Class A Members do not elect to participate within the aforementioned twenty day period, then each Class A Member who has given written notice of that Class A Member's decision to lend such funds to the Company shall be permitted to increase the amount of that Class A Member's loan by an amount equal to the remaining amount of required funds, multiplied by a fraction, the numerator of which is original amount of the loan that such Class A Member has agreed to make and the denominator of which is the original amount of the loans that all participating Class A Members have agreed to make. If a deficit in the required funds thereafter still remains, then the Company may borrow the remaining amount from the Class A Members who have elected to participate in such loans, in such manner as such Class A Members may determine. Any loans made pursuant to this Section 2.4 shall be payable upon demand or upon such other commercially reasonable terms as the Board of Managers shall determine. Interest shall accrue and shall be

payable monthly on the unpaid principal balance of any such loan at no less than the rate of interest established from time to time as the prime rate as publicly announced in The Wall Street Journal. Any payments made by the Company on such loans shall be made to the Class A Members in proportion to the outstanding balance of the loans owed to each of them. In making any such loan, a Member shall be treated as a general creditor of the Company and not as a Member.

2.5 Restrictions on Class C Members' Interests.

(a) Grant of Class C Interests. Class C Interests may be issued only to employees or consultants of the Company pursuant to Section 1.10(c). Any Class C Interest so issued shall constitute a "profits interests" in the Company (as that term is defined in IRS Revenue Procedure 93-27 and clarified by Revenue Procedure 2001-43) that will entitle the Class C Member holding such Interest to share in the portion of the future Profits, Losses and capital appreciation of the Company that corresponds to such Class C Member's Percentage Interest (as shown on Schedule A) and that will entitle such Class C Member to all of the other rights of a Member to the extent of such Class C Interest, but that is a Restricted Interest subject to the terms and limitations set forth below. Accordingly, the Capital Account balances of all of the Members of the Company at the time of the admission of each Class C Member will be revalued as of the date of such admission pursuant to Treas. Reg. §1.704-1(b)(2)(iv)(f), and the initial Capital Account balance in the Company with respect to each such Class C Member's Restricted Interest shall be zero. Neither upon the grant of a Class C Interest nor at the time that such Class C Interest becomes substantially vested (as that term is defined in Treas. Reg. §1.83-3(b)) shall the Company or any of the Members deduct any amount (as wages, compensation, or otherwise) for the fair market value of that Interest. Notwithstanding the fact that any Class C Interest may be substantially nonvested (as that term is defined in Treas. Reg. §1.83-3(b)) at the time of its grant, the Company and each Class C Member shall treat each Class C Member as the owner of their respective Class C Interests from the date of the grant of each such Interest, and each Class C Member shall take into account his or her distributive share of Company income, gain, loss, deduction and credit associated with his or her Class C Interest in computing his or her income tax liability for the entire period during which that Class C Member holds his or her Class C Interest.

(b) Admission as Members. Upon each Class C Member's execution of an Instrument of Joinder pursuant to such Member's Award Agreement, such Class C Member shall have all of the rights of a Class C Member with respect to the Restricted Interest.

(c) Restrictions on Interests. In addition to any other restrictions set forth in this Agreement, any Class C Interest granted to a Class C Member pursuant to this Agreement (each, a "*Restricted Interest*" and collectively, the "*Restricted Interests*") shall be subject to the following terms and conditions:

(i) The Restricted Interest granted to any Class C Member shall vest in accordance with the parameters set forth in such Class C Member's Award Agreement.

(ii) If a Class C Member's employment with the Company terminates for any reason, the portion of the Restricted Interest held by such Class C Member that has not vested as of the termination date in accordance with the terms of such Member's Award Agreement shall be immediately forfeited to the Company without notice and without compensation therefore from the Company or any other Member.

(iii) Except as set forth in this Section 2.5 and in Section 6.1(d), if a Class C Member attempts to Transfer any of its Restricted Interest regardless of whether the Restricted Interest has vested, all of the Restricted Interest, regardless of whether vested, shall be immediately forfeited to the Company without notice and without compensation therefor from the Company or any other Member.

(d) Mandatory Redemption of Restricted Interests.

(i) If a Class C Member's employment with the Company is terminated by the Company for Cause (as defined in Section 2.5(f) below) at a time when such Class C Member holds a Restricted Interest that has vested, (A) all of such Member's rights attributable to such Restricted Interest shall cease, and (B) the Company shall have the option, exercisable at any time after such termination, to redeem all of the Restricted Interest held by such Class C Member for Forfeiture Value (as defined below),

less, as determined by the Board of Managers in its sole discretion, any damages caused to the Company that are attributable to the conduct or omission constituting the Cause for the termination of employment. The date of the closing for any redemption pursuant to this Section 2.5(d)(i) shall be determined by the Company.

(ii) For purposes of Section 2.5(d)(i)(B), "*Forfeiture Value*" means the Capital Account balance of such Class C Member, determined without taking into account, by reversal or otherwise, any current Capital Account adjustments (including, without limitation, any adjustments for allocations of current Profits and Losses (to the extent not already allocated) and any adjustments thereto (*e.g.*, allocations of unrealized gain or loss) pursuant to Treas. Reg. §1.704-1(b)(2)(iv)(*f*)) (*i.e.*, generally, the amount of undistributed net profits allocated to a Class C Member).

(iii) The Company shall pay 50% of the aggregate redemption price for the Restricted Interest, in cash, at the closing of the purchase. The unpaid balance for the Restricted Interest, plus interest at the Applicable Federal Rate, shall be paid by the Company's delivery of a promissory note payable in two equal annual installments, commencing on the anniversary date of the first payment; provided, however, that if the transaction described in Section 2.5(d) occurs at any time prior to the time all Unreturned Class A Capital Contributions and Unpaid Class A Preferred Returns have been reduced to zero, then unless otherwise approved by a Super-Majority in Interest of the Voting Members, the cash portion of the redemption price shall be zero, the redemption price shall be paid entirely by the promissory note previously described in this Section 2.5(d)(iii) and no payments shall be made under the note until such time as all Unreturned Class A Capital Contributions and Unpaid Class A Preferred Returns have been reduced to zero; and provided further, however, that if the transaction described in Section 2.5(d) occurs at any time prior to the time all Unreturned Class D Capital Contributions and the Unpaid Class D Preferred Return have been paid in full in cash, then unless otherwise approved by a Majority in Interest of the Class D Members, the cash portion of the redemption price shall be zero, the redemption price shall be paid entirely by the promissory note previously described in this Section 2.5(d)(iii) and no payments shall be made under the note until such time as all Unreturned Class D Capital Contributions and the Unpaid Class D Preferred Return have been paid in full in cash.

(e) Option of Company to Repurchase Restricted Interests.

(i) If a Class C Member's employment with the Company is terminated voluntarily by such Class C Member, by the death of such Class C Member or by the Company other than for Cause (as defined in Section 2.5(f) below) or if a Class C Member is subject to a Bankruptcy Event, Involuntary Event or any other event making it foreseeable that such Class C Member's Interest will be the subject of an Involuntary Transfer, the Company shall have the option, for a period of 60 days following the employment termination date or becoming aware of such Bankruptcy Event, Involuntary Event or other event, to purchase the vested portion of the Restricted Interest then owned by such Class C Member. The Company may exercise its option to acquire the Restricted Interest by giving written notice to such Class C Member or, in the event of such Class C Member's death, the personal representative or executor of such Class C Member's estate. The exercise notice must specify a date for the closing of the purchase of the Restricted Interest, not to be more than 90 days after the date of the Company's notice. The aggregate purchase price for the Restricted Interest purchased pursuant to this Section 2.5(e)(i) shall be the fair market value of the Restricted Interest. For purposes of this Section 2.5(e), the fair market value of the Restricted Interest shall be determined by the Board of Managers in good faith. The Board of Managers may, but is not required to retain the services of an independent party for the purposes of rendering a report to the Board of Managers of such party's opinion of the fair market value of Restricted Interest. The Board of Managers shall not be required to rely on such report.

(ii) In the event that the Company does not exercise the repurchase right set forth in Section 2.5(e)(1) within the 60 day period set forth therein, each of the Class A Members, for a period of 30 days from the termination of said 60 day period, shall have the option to exercise the repurchase right, for the same price and on the same terms and conditions, in proportion to their respective Class A Percentage Interests or in such other proportion as they may agree.

(iii) At the closing of the purchase, the purchaser shall pay 50% of the aggregate purchase price for the Restricted Interest. The unpaid balance for the Restricted Interest, plus interest at the Applicable Federal Rate, shall be paid by the purchaser's delivery of a promissory note payable in two equal annual installments, commencing on the anniversary date of the first payment; provided, however, that if the transaction described in this Section 2.5(e) occurs at any time prior to the time all Unreturned Class A Capital Contributions and Unpaid Class A Preferred Returns have been reduced to zero, then unless otherwise approved by a Super-Majority in Interest of the Voting Members, the cash portion of the purchase price shall be zero, the purchase price shall be paid entirely by the promissory note previously described in this Section 2.5(e)(iii) and no payments shall be made under the note until such time as all Unreturned Class A Capital Contributions and Unpaid Class A Preferred Returns have been reduced to zero; and provided further, however, that if the transaction described in this Section 2.5(e) occurs at any time prior to the time all Unreturned Class D Capital Contributions and the Unpaid Class D Preferred Return have been paid in full in cash, then unless otherwise approved by a Majority in Interest of the Class D Members, the cash portion of the purchase price shall be zero, the purchase price shall be paid entirely by the promissory note previously described in this Section 2.5(e)(iii) and no payments shall be made under the note until such time as all Unreturned Class D Capital Contributions and the Unpaid Class D Preferred Return have been paid in full in cash.

(f) Cause. For purposes of this Agreement, termination of employment for "*Cause*" shall mean termination of a Class C Member's employment as a result of any of the following acts by such Class C Member:

(i) engaging in fraud, misappropriation of funds, embezzlement, intentional destruction of property, or other criminal act constituting a felony;

(ii) conviction of (or entry of a plea of nolo contendere with respect to) a crime involving dishonesty or moral turpitude;

(iii) violation of any law relating to the performance of the Class C Member's duties to the Company or to personal conduct in the workplace, or any published or otherwise generally recognized employee policy of the Company, which violation (if susceptible to cure) is not cured within ten days after written notice has been provided to the Class C Member specifying in reasonable detail the manner in which such policy has been violated;

(iv) material or repeated failure to perform the duties reasonably assigned to the Class C Member (other than as a result of having become mentally or physically disabled), which failure or failures (if susceptible to cure) are not cured as soon as reasonably possible and in no event later than ten business days after written notice has been provided to the Class C Member by an executive officer of the Company specifying the nature of the failure or failures; or

(v) violation of any provision of this Agreement or any other written agreement between the Class C Member and the Company, which violation (if susceptible to cure) is not cured as soon as reasonably possible and in no event later than ten business days after written notice has been provided to the Class C Member by an executive officer of the Company specifying the nature of the violation.

(g) Confidentiality and Non-Solicitation. Each Class C Member shall have executed a Confidentiality Agreement with the Company prior to, and as a condition to, receiving that Member's Class C Interests.

(h) Rights and Remedies upon Breach.

(i) Each Class C Member acknowledges and agrees that the Company's remedies at law for any breach of any of such Class C Member's obligations under the agreement described in Section 2.5(g) would be inadequate, and agrees and consents that, in addition to any legal remedies that are or may become available, temporary and permanent injunctive relief may be granted in any proceeding that may be brought by the Company to enforce any such agreement without the necessity of proof of actual damage or posting a bond.

(ii) With respect to any provision of this Section 2.5 finally determined by a court of competent jurisdiction to be unenforceable, the Class C Members and the Company hereby agree that such court shall have jurisdiction to reform such provision so that it is enforceable to the maximum extent permitted by law, and the parties agree to abide by such court's determination.

(i) Limit on Outstanding Class C Units. At no time, may the amount of Class C Units, vested and unvested, exceed twenty percent (20%) of the total amount of Class A, Class B and Class C Units on a Fully-Diluted Basis.

2.6 Class B Warrants.

(a) Upon exercise of the Class B Warrants, the Company shall issue Class B Units in the amounts set forth in the attached Schedule A, to the Warrant Holders pursuant to the terms and conditions of this Agreement and the respective warrant agreements by and between each Warrant Holder and the Company attached hereto as Schedule E (collectively, the "*Warrant Agreements*"); provided that the Company shall not be obligated to issue Class B Warrants to a Warrant Holder unless and until such Warrant Holder executes and delivers a subscription agreement in substantially the form attached hereto as Schedule F.

(b) Unless and until a Warrant Holder exercises his Class B Warrants, that Warrant Holder shall not be considered a Class B Member of the Company for any purpose whatsoever (including, without limitation, for purposes of allocating Profit or Loss to such Warrant Holder) with respect to the Class B Units that he may acquire by exercising his Class B Warrants.

(c) Notwithstanding any provision of the Warrant Agreements to the contrary:

(i) Concurrently with the consummation of a Liquidity Event involving the sale or exchange of more than 50% of the Interests in the Company in which the acquiror does not acquire an equivalent percentage of the Class B Warrants in such sale or exchange, the Company shall redeem a portion of the vested and unexercised Class B Warrants of each Warrant Holder equivalent to the percentage of the Class A Units being acquired in such sale or exchange. The aggregate redemption price shall be an amount equal to the (A) aggregate consideration such Warrant Holder would have received in such sale or exchange had that Warrant Holder exercised those Class B Warrants at or prior to the consummation of the Liquidity Event, less (B) the aggregate Exercise Price (as defined in those Class B Warrants). Each Warrant Holder participating in such redemption of Class B Warrants: (x) acknowledges that the consideration for each Class B Warrant so redeemed may be less than the consideration for each Class D Unit sold or exchanged in the Liquidity Event to the extent that there are any Unreturned Class D Capital Contributions or Unpaid Class D Preferred Returns at the time of the Liquidity Event; (y) acknowledges that the consideration for each Class B Warrant so redeemed may be less than the consideration for each Class A Unit sold or exchanged in the Liquidity Event to the extent that there are any Unreturned Class A Capital Contributions or Unpaid Class A Preferred Returns at the time of the Liquidity Event or to the extent any of the Class A Members receive reasonable compensation for consulting, non-competition or employment arrangements required by the acquiror of the Interests in such Liquidity Event; and (z) agrees to abide by the requirements of clauses (iv) and (v) of Section 6.1(d) in respect of any Liquidity Event constituting a Sale or Tag-Along Sale to the same extent as if that Warrant Holder had exercised those Class B Warrants at or prior to the consummation of the Sale or Tag-Along Sale.

(ii) Concurrently with the consummation of a Liquidity Event involving a sale or exchange of substantially all the Company's assets, the Company shall redeem all vested and unexercised Class B Warrants of each Warrant Holder for an amount of consideration equal to (A) the aggregate distribution(s) that Warrant Holder would have been entitled to receive if that Warrant Holder had exercised those Class B Warrants at or prior to the time of the Liquidity Event, less (B) the aggregate Exercise Price (as defined in those Class B Warrants).

(iii) It is the parties' intent that the Warrant Holders shall have the same rights, responsibilities and obligations with respect to any Liquidity Event as such Holders would have had if such Warrants would have been exercised immediately prior to the closing of the Liquidity Event. Accordingly,

the parties shall agree on ... ume their *pro rata* responsibility for ... it or other purchase price holdback, ... ion, non-competition obligation or a ... directly or indirectly through the Com ...

(c) Thereafter, to all of the Class A, Class B and Class C Members, *pro rata*, in proportion to their respective Percentage Interests, except that Losses may not be allocated to a Member to the extent that such allocation would cause the Member to have a deficit balance in the Member's Adjusted Capital Account or would increase that Member's deficit balance in the Member's Adjusted Capital Account. Losses that are not allocated to a Member by reason of the limitation in this Section 3.4(c) must be allocated to the Members to whom this limitation does not apply in the following order:

(i) First, to all of the Class A, Class B and Class C Members, *pro rata,* in proportion to their respective Percentage Interests;

(ii) Second, to all of the Class D Members, pro rata, in proportion to their Unreturned Class D Capital Contributions;

(iii) Thereafter, to all of the Class D Members, pro rata, in proportion to their Unpaid Class D Preferred Return.

For purposes of this Section 3.4, the balances in the Members' Capital Accounts and Adjusted Capital Accounts shall be determined after taking into account all distributions pursuant to Section 3.6 for the taxable year in question, but before the allocation of any Profits or Losses for such taxable year.

3.5 Allocations and Distributions Relating to Transferred Interests. If any Transfer of a Member's Interest occurs prior to the end of a fiscal year, then all allocations of Profits and Losses, if any, attributable to the Transferred Interest for such year shall be divided and allocated between the transferor and the transferee by taking into account their varying interests during such fiscal year, using the closing of the books method if permitted under §706 of the Code and the regulations promulgated thereunder. All distributions of Net Cash Flow made prior to the effective date of any such Transfer shall be made to the transferor and any such distributions made after the effective date of such Transfer shall be made to the transferee.

3.6 Distributions of Net Cash Flow.

(a) Subject to Sections 3.6(b) and 3.6(e) and to any restrictions imposed by third-party creditors to the Company, distributions of Net Cash Flow:

(i) shall be made as provided under Section 3.7;

(ii) may be made, upon the affirmative vote or written consent of the Board of Managers, in connection with the dissolution of the Company, in which case all distributions shall be made in accordance with Article 7;

(iii) shall be made upon the occurrence of a Liquidity Event, or may be made at any other time or from time to time upon the affirmative vote or written consent of the Board of Managers, in either which case, the Company shall distribute its Net Cash Flow, at such time as is selected by the Board of Managers, only in the following order:

(A) first, 100% to the Class D Members, *pro rata*, in proportion to and to the extent of the Unpaid Class D Preferred Return of each Class D Member on the date of distribution;

(B) second, 100% to the Class D Members, *pro rata*, in proportion to and to the extent of the Unreturned Class D Capital Contribution of each Class D Member;

(C) third, 100% to the Class A Members, *pro rata*, in proportion to and to the extent of the Unpaid Class A Preferred Return of each Class A Member on the date of distribution;

(D) fourth, 100% to the Class A Members, *pro rata*, in proportion to and to the extent of the Unreturned Class A Capital Contribution of each Class A Member on the date of distribution; and

(E) thereafter, to all of the Class A, Class B and Class C Members, *pro rata*, in proportion to their respective Percentage Interests; and

(b) Except as set forth in Sections 3.6(e) and 3.7, no distributions shall be made pursuant to the provisions of Sections 3.6(a)(iii)(C), (D) or (E) prior to the date that all distributions required to be made pursuant to the provisions of Sections 3.6(a)(iii)(A) and (B) have been made.

(c) The amount of any distribution made to a Member pursuant to Section 3.7 shall be deducted from the amount of any future distributions that would otherwise be made to that Member pursuant to Section 3.6(a)(iii), 3.6(e) or 7.3(b)(iv), as the case may be (*i.e.*, if a Member receives a Mandatory Tax Distribution pursuant to Section 3.7, the amount of any future distributions to which such Member shall be entitled pursuant to Section 3.6(a)(iii), 3.6(e) or 7.3(b)(iv) shall be determined by calculating the amount to which such Member would be entitled pursuant to such sections if such Mandatory Tax Distribution had not been made and then subtracting the amount of the Mandatory Tax Distribution from the hypothetical distribution, and thereafter no adjustment shall be made with respect to such Mandatory Tax Distributions pursuant to Section 3.7).

(d) Consistent with the intent of the parties to treat the Class C Interests as solely "profits interests" (as described in Section 2.5(a)), a Class C Member shall only be entitled to participate in and receive cash distributions pursuant to Section 3.6(a) or in connection with the dissolution of the Company pursuant to Article 7 to the extent the amount distributable to that Class C Member represents his or her proportional share of appreciation in the value of the relevant capital asset(s) that was realized by the Company from and after the date that Class C Member received his or her Class C Interest. All determinations and valuations necessary to establish the extent to which a Class C Member may participate in a cash distribution in light of the foregoing limitation shall be made by the Board of Managers.

(e) Notwithstanding any provision of this Agreement to the contrary, the Company may distribute in the aggregate up to $13,900,000 of its Net Cash Flow or from the net proceeds of any refinancing, in one or more distributions, at any time or from time to time (each, an "*Extraordinary Distribution*"), as follows:

(i) first, 100% to the Class A Members, *pro rata*, in proportion to and to the extent of the Unpaid Class A Preferred Return of each Class A Member on the date of distribution; and

(ii) thereafter, 100% to the Class A Members, *pro rata*, in proportion to and to the extent of the Unreturned Class A Capital Contributions of each Class A Member on the date of distribution.

Notwithstanding any provision of this Agreement to the contrary, no Class B, Class C or Class D Member shall be entitled to participate in any Extraordinary Distribution.

3.7 Mandatory Tax Distributions. Within 30 days after the end of each fiscal quarter of the Company, or as promptly thereafter as reasonably possible, the Board of Managers shall calculate and distribute to each Member its Mandatory Tax Distribution Amount, if any.

3.8 Distributions in Kind.

(a) If the Board of Managers deems it advisable because Securities held by the Company have attained a suitable degree of appreciation and marketability and it is in the best interests of the Members, then the Board of Managers may, in its reasonable discretion, subject to applicable law, distribute to the Members the Securities or any portion thereof; provided, however, that if the Securities are unmarketable, the Board of Managers will not make such a distribution unless (i) the distribution is in connection with the dissolution of the Company, or (ii) the Member receiving the distribution has agreed to accept such non-marketable Securities; and provided further, however, that the Board of Managers shall first distribute any cash available for distribution to the Class D and Class A Members to the extent required by this Agreement before distributing any remaining cash and Securities to all of the Members then entitled to receive distributions (which subsequent distributions shall consist of the same

proportions of cash and Securities). The decision of the Board of Managers to distribute, retain or sell any or all Securities held by the Company shall be binding and conclusive on all parties hereto. Subject to Section 3.6(b), any Securities distributed in accordance with this Section 3.8 shall be distributed as set forth in Sections 3.6(a)(iii)(A) through (D).

(b) Immediately before the distribution of any Company asset in kind, the Carrying Value, as defined in Schedule B, of all Company assets will be adjusted to their fair market values as determined by the Board of Managers.

(c) Notwithstanding any other provision of this Agreement, the Company shall not make any distribution of Securities or other assets to any Member, if such distribution would cause such Member to be in violation of applicable law. If a Member would receive a distribution of an amount of any Securities that will cause such Member to own or control in excess the amount of such Securities that it may lawfully own or control, the Board of Managers shall, at the written request of such Member, dispose of all or any portion of such Securities and distribute the proceeds of such disposition to such Member.

3.9 Allocations Relating to the Last Fiscal Year. Except as otherwise provided elsewhere in this Agreement, if upon the dissolution and termination of the Company pursuant to Article 7 of this Agreement and after all other allocations provided for in Sections 3.3 and 3.4 and Schedule B have been tentatively made as if this Section 3.9 were not in this Agreement, a distribution to the Members under Article 7 would be different from a distribution to the Members under Section 3.6(a)(iii), then Profits (and items thereof) and Losses (and items thereof) for the fiscal year in which the Company dissolves and terminates pursuant to Article 7 shall be allocated among the Members in a manner such that the Capital Account of each such Member immediately after giving effect to such allocation is, as nearly as possible, equal (proportionately) to the amount of the distributions that would be made to such Member during such last fiscal year pursuant to Section 3.6(a)(iii). The Board of Managers may, in its sole and absolute discretion, apply the principles of this Section 3.9 to any fiscal year preceding the fiscal year in which the Company dissolves and terminates (including through application of §761(e) of the Code) if delaying application of the principles of this Section 3.9 would likely result in distributions under Article 7 that are materially different from distributions that would have been made under Section 3.6(a)(iii) in the fiscal year in which the Company dissolves and terminates.

3.10 Reduction of Class D Capital Contributions and Class D Preferred Return.

(a) Except as specifically set forth in Section 3.10(b), capitalized terms not otherwise defined in this Section 3.10 have the meanings assigned to them in the Asset Purchase Agreement.

(b) The Class D Members' respective portions of the Unreturned Class D Capital Contributions and the Unpaid Class D Preferred Return shall be reduced by amounts payable with respect to claims for indemnification to which the Buyer Indemnitees are entitled pursuant to and in accordance with Article 9 of the Asset Purchase Agreement (any such offset amount, an "*Offset Amount*"). The application of any Offset Amount to such Unreturned Class D Capital Contributions and the Unpaid Class D Preferred Return shall be subject to the procedures set forth in Section 9.03(a) of the Asset Purchase Agreement (it being agreed that, for purposes of this Section 3.10, any and all references to "Notes" in such Section 9.03(a) shall mean and include the Unreturned Class D Capital Contributions and the Unpaid Class D Preferred Return, and all references to "Seller" in such Section 9.03(a) shall mean and include the Class D Members). Any Offset Amount shall reduce the Unpaid Class D Preferred Return first and then the Unreturned Class D Capital Contributions. The effective date of application of any such Offset Amount shall be the first date that Buyer becomes entitled to apply such Offset Amount under Section 9.03(a) of the Asset Purchase Agreement. The Class D Members' respective Capital Accounts attributable to their Class D Units shall also be reduced by their respective shares of any Offset Amount, effective as of the date of application of the Offset Amount.

ARTICLE 4 — RIGHTS AND DUTIES OF THE BOARD OF MANAGERS AND THE MEMBERS

4.1 Management.

(a) The Board of Managers shall direct, manage and control the business and assets of the Company. Except as otherwise specifically provided in this Agreement, the Board of Managers shall have full and

complete authority, power and discretion to manage and control the business, affairs, and properties of the Company, and to perform any and all other acts of the Company, to make all decisions regarding those matters and to perform any and all other acts or activities customary or incident to the management of the Company's business and assets.

(b) (i) The Board of Managers shall consist of seven persons (each, a "*Manager*"), two of whom shall be designated by MidMark, two of whom shall be designated by CAS/WBG, two of whom shall be designated by the Founders and one of whom shall be an independent Manager (with knowledge of the air cargo industry) designated by agreement of MidMark, CAS/WBG and the Founders (or, if no such agreement is reached, by the other members of the Board of Managers pursuant to Section 4.1(b)(iii)(A) below). The independent Manager shall serve as such for a term of one year and may be removed at such time as is agreed upon by MidMark, CAS/WBG and the Founders (or, if no such agreement is reached, upon expiration of the annual term for which the independent Manager is elected).

(ii) Notwithstanding the foregoing, a Majority in Interest of the Voting Members may, by written notice to the other Voting Members, expand the Board of Managers to that number of Managers, and designate persons of their choice to fill such vacancies, as shall be sufficient to provide that such Voting Members' designees represent a majority of the Managers. (For example, if at any time MidMark is the holder of a Majority in Interest of the Voting Members, MidMark would have the right to expand the Board of Managers from seven to eleven persons and to designate four persons to fill the vacancies created thereby, giving MidMark the right to designate six of the eleven Managers.) In any case where the Board of Managers is so expanded, there shall simultaneously be created an Executive Committee, with full powers of the Board of Managers but subject to the oversight and direction of the Board of Managers, to consist of (x) two persons designated by a Majority in Interest of the Voting Members, and (y) one of the two Managers designated by CAS/WBG.

(iii) Except as set forth in clauses (i) and (ii) of this Section 4.1(b), the Board of Managers shall be elected at each annual meeting of the Voting Members by the respective appointing Member or Members (if applicable) and each Manager shall hold office until the first to occur of the death, resignation or removal of such Manager or until a successor to such Manager shall be appointed as provided herein. The Board of Managers of the Company shall be identified on Schedule A hereto, as amended from time to time to reflect the change of any Manager. Each year, immediately subsequent to the appointment of Managers to the Board of Managers, the Managers shall elect, by simple majority vote, a Chairman of the Board (the parties hereto agree that the initial Chairman of the Board shall be Wayne Clevenger).

(A) The Board of Managers may act at any regular or special meeting held in accordance with this Section 4.1 or by unanimous written consent. A majority of the Managers must be present to constitute a quorum for the transaction of business at any meeting; provided, however, that at least one Manager designated by MidMark, at least one Manager designated by CAS/WBG and at least one Manager designated by the Founders must be present at the meeting for a quorum to be declared. All resolutions adopted and all business transacted by the Board of Managers shall require a affirmative majority vote of the number of Managers constituting a quorum as described above. Managers need not be residents of the State of Delaware or Members of the Company.

(B) MidMark may remove any Manager designated by MidMark and fill any vacancy created by the death, resignation or removal of any Manager designated by MidMark. CAS/WBG may remove any Manager designated by CAS/WBG and fill any vacancy created by the death, resignation or removal of any Manager designated by CAS/WBG. The Founders or their successors may remove any Manager designated by the Founders or their successors and fill any vacancy created by the death, resignation or removal of any Manager designated by the Founders or their successors. In addition, MidMark, CAS/WBG and the Founders may by unanimous agreement fill the independent Manager position if it becomes vacant prior to the expiration of the independent Manager's term, with such appointment in each case to continue until the expiration of the then-current term of the independent Manager and until the election or designation of the independent Manager's successor as provided herein.

(C) The Board of Managers shall meet annually, without notice, following the annual meeting of the Members. The Board of Managers may set any number of regular meetings by resolution. No notice need be given for any annual or regular meeting of the Board of Managers. Special meetings of the Board of Managers may be called at any time by a President or any Co-President of the Company, any of the Class A Members, or by any three Managers, on at least two days' advance written notice to each Manager, which notice shall specify the time and place of the meeting and the matters to be discussed or acted upon. Notice of any such meeting may be waived by an instrument in writing executed before or after the meeting. Managers may attend and participate in meetings either in person or by means of conference telephones or similar communications equipment by means of which all persons participating in the meeting can hear each other, and participation in a meeting by means of such communication equipment shall constitute presence in person at such meeting. Attendance in person at such meeting shall constitute a waiver of notice thereof.

(D) Any action to be taken at a meeting of the Board of Managers, or any action that may be taken at a meeting of the Board of Managers, may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the Managers and any further requirements of law pertaining to such consents have been complied with.

(c) The Board of Managers may delegate to any Members, Managers, officers, employees or agents of the Company all or part of the power and authority to conduct the business of the Company in accordance with this Agreement. Any power or authority not delegated by the Board of Managers shall remain with it.

(d) The Board of Managers may expand the purposes of the Company beyond those specified in Section 1.4. Until March 15, 2008, the Board of Managers may only expand the purposes of the Company beyond those specified in Section 1.4 upon the affirmative vote or written consent of a Super-Majority in Interest of the Voting Members. After such time has passed, the Board of Managers have the right to expand the purposes of the Company beyond those specified in Section 1.4 with the affirmative vote or written consent of a simple majority of the Board of Managers.

(e) Each of Merion and Centerfield shall have the right (i) to designate a representative to serve as an observer who shall have the right to receive prior written notice of any meeting (specifying the matters to be discussed or acted upon) and of any action by written consent of the Board of Managers, on a substantially contemporaneous basis as the members of the Board of Managers, and attend any meetings of the Board of Managers, Executive Committee, Audit Committee, Members, or any other committee of the Company and each of its subsidiaries and (ii) to receive on a timely basis and simultaneously with receipt thereof by the members of the Board of Managers, committee members or members, copies of all written information provided to the Board of Managers, Members, Executive Committee or any other committee of the Company and each of its subsidiaries. The Company agrees to reimburse Merion and Centerfield for all of the reasonable hotel, travel, meals and other out-of-pocket expenses incurred by its representative in attending any meeting of the Board of Managers, Members, or any committee of the Company or any of its subsidiaries upon presentation of invoices or other documentation of such expenses. The rights and obligations set forth in this Section 4.1(e) shall automatically expire at such time as Merion and Centerfield own in the aggregate less than two and one-quarter-percent (2.25%) of the Class A Units.

4.2 Duties of the Board of Managers. In addition to obligations imposed by other provisions of this Agreement, the Board of Managers is to devote to the Company such time as is reasonably necessary to carry out the business of the Company in order to accomplish its purposes.

(a) The Board of Managers, on behalf of the Company and at the expense of the Company, shall:

(i) execute, acknowledge, and certify all documents and instruments and take or cause to be taken all actions that may be necessary or appropriate (A) for the continuation of the Company's valid existence as a limited liability company under the Act and each other jurisdiction in which such existence is necessary to protect the limited liability of the Members, (B) to effectuate the provisions of this Agreement or (C) to enable the Company to conduct its business in the ordinary course;

(ii) conduct the affairs of the Company in compliance with applicable laws and in the best interests of the Company and its business;

(iii) not permit the use of Company funds or assets for other than the benefit of the Company;

(iv) cause the Company to (A) issue Class B Units upon exercise of the Class B Warrants in accordance with their terms (provided that the Warrant Holders exercising such Class B Warrants satisfy all requirements for issuance of Class B Units, including but not limited to paying the exercise price therefore and executing this Agreement or an Instrument of Joinder), and (B) abide by that certain Employment Agreement with Carl Smitelli and that certain Consulting Agreement with Cansica Corporation, each dated as of March 15, 2005;

(v) cause the Company to furnish to each Member: (A) as soon as practicable, but in no event later than 90 days after the end of each fiscal year, annual financial statements of the Company audited by a firm of independent certified public accountants (including, without limitation, a balance sheet and statements of income and Members' equity); and (B) as promptly as reasonably practicable for each fiscal year, all information required for federal and state income tax reporting purposes with respect to the Company, including without limitation a copy of Schedule K-1 to the Company's federal income tax return for the fiscal year then most recently ended;

(vi) cause the Company to furnish to each Class A Member and Class B Member: (A) as soon as practicable, but in no event later than 90 days after the end of each fiscal year, annual operating and capital expenditure budgets; (B) as soon as practicable, but in no event later than 20 days after the end of each fiscal month, monthly operating financial statements (with year-to-date results and comparisons to budget and prior year results); (C) as soon as practicable, but in no event later than 45 days after the end of each fiscal quarter, a quarterly and year-to-date balance sheet and (D) such other operating reports as the Class A Members or Class B Members may reasonably request from time to time;

(vii) cause the Company to arrange for the preparation of all necessary informational federal income tax forms on behalf of the Company and for the preparation and filing of any and all state and local income and franchise tax returns required to be filed by the Company;

(viii) cause the Company to obtain and maintain such all-risk, public liability, workers' compensation, managers and officers' liability, fidelity, forgery and other insurance, if any, as may be available on commercially reasonable terms and as the Board of Managers deems necessary or appropriate;

(ix) cause the Company to hold all Company property in the Company name or, in the case of cash or cash equivalents, in one or more depository accounts as to which the Company is a beneficial owner;

(x) use reasonable efforts not to cause the Company to incur debts or other liabilities obligations beyond the Company's ability to pay such liabilities;

(xi) not permit the Company to: (A) subdivide the Class A Units into a greater number of Class A Units (unless the holders of the Class A Units pay additional consideration therefor), or combine the Class A Units into a smaller number of units, without effecting a proportionate subdivision or combination of the Class B Units, as the case may be; (B) redeem any of the Class A Units without effecting a proportionate redemption of the Class B Units unless the redemption relates to the withdrawal of a Class A Member under Section 4.10; or (C) pay a dividend in Class A Units in respect of Class A Units without paying a proportionate dividend of Class B Units in respect of Class B Units (provided, however, that nothing herein shall affect the rights of the Class A Members to receive distributions pursuant to Section 3.6(a)); and

(xii) not permit the Company to authorize or issue any membership interests in the Company that are senior to or *pari passu* with the Class D Interests, at any time prior to the time all

Unreturned Class D Contributions and the Unpaid Class D Preferred Return have been paid in full in cash, without the written consent of a Majority in Interest of the Class D Members.

(b) Except as prohibited by Section 4.6(d), the Board of Managers shall have the right to grant bonuses to any officers, employees or consultants of the Company and to any shareholders, members, directors, officers or employees of the Members who provide services for the Company from time to time.

4.3 Rights of the Members. Each Member is entitled to (i) receive the financial statements and tax reporting information referred to in Section 4.2(a)(v) and (ii) such additional rights as are elsewhere provided in this Agreement or by mandatory requirements of applicable law.

4.4 Limitations on the Rights of the Members. Subject to any mandatory requirements of applicable law and except as otherwise provided in this Agreement, no Member (in its capacity as a member) has the right to take any part whatsoever in the management and control of the ordinary business of the Company, sign for or bind the Company, or compel a sale or appraisal of Company assets.

4.5 Reliance on Information. The Board of Managers or any trustee, director, committee member, member, officer or employee of the Board of Managers serving on behalf of the Company, in the performance of its duties, is to be fully protected in relying in good faith on information, opinions, reports, or statements, including financial statements, books of account, and other financial data, if prepared or presented by: (i) one or more Members, Managers, officers or employees of the Company; or (ii) legal counsel, public accountants, or other persons that it reasonably believes to have professional or expert competence.

4.6 Management Fees.

(a) Subject to the provisions of this Section, WBG shall be entitled to an annual management fee from the Company equal to $300,000 (the "*WBG Management Fee*") and MidMark Investments, Inc. shall be entitled to an annual management fee from the Company equal to $150,000 (the "*MidMark Management Fee*" and, together with the WBG Management Fee, the "*Management Fees*"). Subject to the provisions of this paragraph and any restrictions imposed by any third-party creditors to the Company, the Management Fees shall be payable in equal quarterly installments no later than the 45th day after the quarter ended on March 31, June 30 and September 30 and no later than the 90th day after the quarter ended December 31, with the first payment being made on March 31, 2005.

(b) If the Company fails to achieve at least 85% of its EBITDA targets for the partial fiscal year 2005 beginning on the date of this Agreement and ending on December 31, 2005 and for each of the 2006, 2007, 2008 and 2009 fiscal years, then (i) the WBG Management Fee for the applicable fiscal year shall be reduced by an amount equal to $50,000, and (ii) the $50,000 amount by which the WBG Management Fee for such fiscal year was reduced shall be held back until the occurrence of a Liquidity Event, at which time any such suspended amounts shall become due and payable to CAS/WBG if MidMark has achieved (i) an Internal Rate of Return of 25% on its Capital Contribution as of the date of such Liquidity Event, and (ii) a cumulative return (in the form of qualifying Distributions and/or proceeds of sale of its Interests) of 2.5 times its Capital Contribution as of the date of such Liquidity Event. For the purposes of this Section 4.6(b), the EBITDA targets shall be as follows: (i) $5,365,000 for the partial 2005 fiscal year, (ii) $8,965,000 for fiscal year 2006, (iii) $10,784,000 for fiscal year 2007, (iv) $11,680,000 for fiscal year 2008 and (v) $12,638,000 for fiscal year 2009.

(c) Other than the Management Fees, none of CAS/WBG, MidMark, their respective Affiliates, their respective employees or their respective representatives on the Board of Managers shall be entitled to any payments from the Company in consideration for the management services provided to the Company by such Member (*e.g.*, neither CAS/WBG nor MidMark shall be entitled to any compensation as a Manager); provided, however, that CAS/WBG and MidMark shall be entitled to reimbursement of customary expenses reasonably incurred by such Member in the furtherance of its duties hereunder; and provide further, nothing in this Section 4.6(c) shall limit the rights to indemnification and advancement of expenses set forth in Section 5.2.

4.7 Bylaws. The Bylaws of the Company (the "*Bylaws*") shall be as set forth in Schedule H hereto. The Bylaws may be amended or restated from time to time with the affirmative vote or consent of a Super-Majority in Interest of the Voting Members.

4.8 Meetings of the Members. The holders of at least 20% of the total number of Units then held by the Class A and Class B Members may call a meeting of the Members upon 20 days' advance written notice to each other Member, which notice shall include an agenda for the meeting. Meetings shall be held at the principal office of the Company or such other place as may be determined from time to time by the Board of Managers. The Company shall not pay for the expenses incurred by the Members in attending any such meeting. Members shall be deemed present at any meeting of the Members if they participate through any form of communications equipment that allows all other Members participating in the meeting to communicate with each other.

4.9 Withdrawal. No Class A or Class B Member shall be permitted to voluntarily withdraw from the Company, except with the approval of a Majority in Interest of the Voting Members other than the Class A or Class B Member desiring to withdraw (which consent may be withheld in the sole discretion of such other Voting Members). Neither Class C Members nor or Class D Members shall be permitted to voluntarily withdraw from the Company.

4.10 Payments to Withdrawing Members. Upon the withdrawal of a Class A or Class B Member in accordance with Section 4.9, the withdrawing Member shall receive in cash an amount equal to such Member's Capital Account on the date of the withdrawal, as adjusted by such Member's share of the Company's Profit or Loss in the fiscal year or portion thereof in which such withdrawal occurs determined as though such fiscal year ended on the date such withdrawal occurred. Such amount shall be paid by the execution and delivery by the Company of a promissory note dated as of the date of withdrawal, providing for the payment of principal in not more than three equal annual installments (or such shorter installment period as the Company may determine in its sole discretion) commencing one year after the date thereof and continuing on the same day of each year thereafter until paid in full, with interest on the unpaid principal balance at the Applicable Federal Rate or similar rate as determined under federal income tax law to be applicable to the terms of payment under such promissory note, payable annually at the time installments of principal are due and payable, and providing that the Company shall have the right to prepay all or any portion of the outstanding balance thereof with accrued interest thereon at any time without premium or penalty.

4.11 Other Business of the Members.

(a) Except as set forth in Section 6.06 of the Asset Purchase Agreement, a Class A, Class B or Class D Member, including any such Member that is a Manager, may engage in any business or profession or possess an interest in other businesses or professions of every nature and description, independently or with others, including, but not limited to, any business competitive with the Company; provided that such Member completely and accurately discloses its business with or interest in any business competitive with the Company to the Board of Managers prior to engaging or acquiring an interest in such competing business; and further provided that such Member is not prohibited from engaging, or possessing an interest in, any such business or profession pursuant to any agreement such Member may have with the Company, including but not limited to any agreement entered into under Section 4.11(b). Neither the Company nor any other Member as such shall have any rights in such other businesses or the income or profits thereof.

(b) Each Member who is not an employee of the Company or a consultant to the Company shall enter into a Confidentiality and Non-Disclosure Agreement with the Company in substantially the form attached hereto as Schedule I (a "*Confidentiality Agreement*"); provided that the non-competition provisions of said agreement shall be excluded with respect to any Member that is a lender to or venture capital investor in the Company.

4.12 Board of Advisors. The Company may have a Board of Advisors, the members of which shall be appointed by the Board of Managers. The Board of Advisors shall not have control over the affairs of the Company or Board of Managers, but shall only act in an advisory capacity to the Board of Managers. From time to time as the Board of Managers determines necessary, the Board of Managers shall meet with the Board of Advisors to review financial information and discuss the management and operation of the Company. The Board of Managers shall have the power and authority to determine the compensation of the members of the Board of Advisors.

4.13 Registration Agreement The Company and each of the Members as of the date of the Existing Operating Agreement have entered into a Registration Agreement dated as of March 15, 2005 (a copy of which is attached hereto as Schedule J).

ARTICLE 5 — LIABILITY AND INDEMNIFICATION

5.1 Limitations on Liability.

(a) No Member shall be liable as such for the debts, obligations or liabilities of the Company or of any other Member; provided that a Member who knowingly receives a distribution or payment made by the Company in violation of the Certificate of Formation or this Agreement shall be liable to the Company to the extent required by the Act. In addition, each Member's liability for the debts of the Company shall be limited as set forth in the Act.

(b) No Member or Manager shall be liable, responsible or accountable as such, in damages or otherwise, to any Member or to the Company for any act or omission with respect to Company matters, except for fraud, gross negligence, breach of fiduciary duty, willful misconduct, bad faith or breach of this Agreement.

(c) The failure of the Company to observe any formalities or requirements relating to the exercise of its powers or the management of its business or affairs under this Agreement shall not be grounds for imposing personal liability on any of the Members or Managers for any liabilities of the Company.

5.2 Indemnification and Advancement of Expenses.

(a) To the maximum extent permitted by the Act, the Company shall indemnify any Person who was or is a party or is threatened to be made a party to any threatened, pending or completed proceeding (other than an action by or in the right of the Company, which it is understood shall not include a derivative action instituted by any of the Members) by reason of the fact that such Person is or was (i) a Member, Manager, member of the Board of Advisors, officer, employee or agent of the Company, or (ii) serving at the request of the Company as a member, manager, partner, director, trustee, officer, employee or agent of another Person, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such Person in connection with such proceeding..

(b) To the maximum extent permitted by the Act, the Company shall indemnify any Person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Company (which it is understood shall not include a derivative action instituted by any of the Members) to procure a judgment in its favor by reason of the fact that such Person is or was (i) a Member, Manager, member of the Board of Advisors, officer, employee or agent of the Company, or (ii) serving at the request of the Company as a member, manager, partner, director, trustee, officer, employee or agent of another Person, against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit.

(c) To the maximum extent permitted by the Act, the Company shall pay all expenses (including attorneys' fees) actually and reasonably incurred by any person by reason of the fact that such Person is or was a Member, Manager or member of the Board of Advisors in defending any proceeding in advance of the final disposition of such proceeding upon receipt of an undertaking by or on behalf of such person to repay such amount if it is ultimately determined that (i) such Person is not entitled to be indemnified by the Company as authorized by the Act or (ii) an act or omission of fraud, gross negligence, willful misconduct, bad faith or breach of fiduciary by such Person directly led to the underlying claim causing such Person to seek expense advancement.

(d) The indemnification rights granted pursuant to this Section shall not be exclusive of other indemnification rights, if any, granted to such Person and shall inure to the benefit of the heirs, legal representatives and successors of such Person.

(e) To the maximum extent permitted by the Act, no repeal of or restrictive amendment of this Section 5.2 and no repeal, restrictive amendment or termination of effectiveness of any law authorizing this Section 5.2 shall apply to or affect adversely any right or protection of any Person entitled to indemnification hereunder, for or with respect to any acts or omissions of such Person occurring prior to such repeal, amendment or termination of effectiveness.

(f) No Member, Manager, officer, employee or agent of the Company shall be entitled to any indemnity or the advancement of expenses or any other rights under this Section 5.1 if the claim or demand for indemnity, expense advancement or any other rights constitutes or arises out of any liability the existence of which would a constitute a breach of any of the representatives, warranties or covenants of that Member, Manager, officer, employee or agent contained in the Asset Purchase Agreement (or any other agreement entered into by that Member, Manager, officer, employee or agent at the closing of the Asset Purchase Agreement).

5.3 Related Transactions. The Company may transact business with, enter into contracts with, have an interest in and/or employ any Person, notwithstanding the fact that a Member may be related to, be an Affiliate of or have a financial interest in such Person. No contract or transaction between the Company and one or more of its Members, or between the Company and any other corporation, partnership, association, or other organization in which one or more of its Members are directors or officers, or have a financial interest, shall be void or voidable solely for this reason, or solely because the Member is present at or participates in the meeting of the Board of Managers thereof which authorizes the contract or transaction, or solely because any such Member's votes are counted for such purpose, if:

(a) the material facts as to the Member's relationship or interest and as to the contract or transaction are disclosed or are known to the Board of Managers, and the Board of Managers in good faith authorizes the contract or transaction by the affirmative votes of a majority of the disinterested Members, even though the disinterested directors be less than a quorum; or

(b) the material facts as to the Member's relationship or interest and as to the contract or transaction are disclosed or are known to the Members entitled to vote thereon, and the contract or transaction is specifically approved in good faith by vote of the Members; or

(c) the contract or transaction is fair as to the Company as of the time it is authorized, approved or ratified, by a majority of the disinterested members of the Board of Managers or a Majority in Interest of the Voting Members that are disinterested.

Common or interested Members may be counted in determining the presence of a quorum at a meeting of the Board of Managers or any committee thereof that authorizes any such contract or transaction.

5.4 Rights of Creditors and Third Parties. This Agreement is entered into among the Company and its Members for the exclusive benefit of the Company, its Members and their successors and assigns. This Agreement is expressly not intended for the benefit of any creditor of the Company or any other third party. Except and only to the extent provided by the Act, no such creditor or third party shall have any rights under this Agreement or any agreement between the Company and any Member with respect to any Capital Contribution or otherwise.

ARTICLE 6 — TRANSFERS OF INTERESTS

6.1 Restrictions on Transfers of Interests.

(a) Prohibition on Transfer. No Member shall Transfer in whole or in part its Interests except pursuant to the terms and subject to the conditions of this Article 6. Notwithstanding any provision of this Agreement to the contrary, any purported Transfer of an Interest that is not made pursuant to the terms and conditions of this Article 6 will be null and void and of no effect whatsoever. This Article 6 shall apply to all Transfers of Interests now owned or acquired in the future by the Members or any other holder thereof, whether voluntary, involuntary or by operation of law and shall supersede in all respects all prior agreements, either oral or written, relating to the Transfer of Interests. Except as otherwise provided in Section 6.1(b), upon any Transfer, in whole or in part, of a Member's Interest in compliance with this Article 6, the transferee thereof will be admitted as a Member.

(b) Rights of Assignees. Unless an Assignee is admitted as an additional Member with the consent of a Majority in Interest of the Voting Members, the following shall apply to a Transfer to the Assignee: (i) the Interest transferred to the Assignee will be strictly limited to the transferor's rights to allocations and distributions as provided by this Agreement with respect to the transferred Interest, which allocations and distributions may be applied (without limiting any other legal or equitable rights of the Company) to satisfy any

debts, obligations or liabilities for damages that the transferor or transferee of such Interest may have to the Company; (ii) neither the Assignee nor the transferor will have any rights as to the management of the Company with respect to the transferred Interest; and (iii) the transferred Interest will remain subject to all of the restrictions of this Agreement, but the Assignee will have none of the powers or rights of a Member, including without limitation rights to vote or consent.

(c) Permitted Transfers. Notwithstanding any provision of this Article 6 to the contrary except Sections 6.5 and 6.6: (i) any Class A, Class B or Class D Member may Transfer all or part of its Interest(s) to or among any other Class A, Class B or Class D Members or any of the members of its Family Group, or pursuant to the laws of descent and distribution; and (ii) Merion, Centerfield, MidMark and CAS/WBG may transfer all or part of their Interests to or among any of their respective Affiliates, provided that, with respect to CAS/WBG, the voting rights of any Interests transferred to its Affiliates must remain subject to the personal control of at least one of Ronald E. Weinberg, Sr., Daniel M. Bell and Ronald E. Weinberg, Jr. (any permitted transferee of an Interest pursuant to this Section 6.1(c) being a "*Permitted Transferee*"); provided that such Permitted Transferee executes and delivers an Instrument of Joinder acknowledging the receipt of a copy of the provisions and restrictions contained in this Agreement and agreeing to comply herewith and be bound hereby and the Company acknowledges that Instrument of Joinder on behalf of itself and the other Members.

(d) Co-Sale Rights.

(i) Drag-Along. Subject only to Section 6.1(e), if one or more of the holders of more than 50% of the total number of Class A Units (collectively, the "*Drag-Along Sellers*") desire to sell the entire Interest(s) owned of record or beneficially by such Drag-Along Sellers in an arm's-length transaction to a Person other than an Permitted Transferee (a "*Sale*"), then the Drag-Along Sellers may give written notice of the pending Sale to all other Members (a "*Sale Notice*"). Each Sale Notice shall describe: (w) the Interest(s) to be sold by the Drag-Along Sellers in the Sale; (x) the principal terms of the Sale, including the minimum price at which each Unit is intended to be sold; (y) the percentage of the Drag-Along Sellers' Units proposed to be sold pursuant to the Sale; and (z) a demand (a "*Demand*") that an equivalent percentage of the Units held by all other Members be sold in the Sale. Each of the other Members agrees that, if the Drag-Along Sellers make such a Demand, then each such other Member shall accept such Demand, which acceptance shall be irrevocable and shall bind each such other Member to sell a proportionate amount of its Units simultaneously with the Drag-Along Sellers and on the same terms and conditions as the Drag-Along Sellers shall sell their Units in the Sale (except for reasonable compensation for consulting, non-competition or employment arrangements that are required by the purchaser to be provided by the Drag-Along Sellers in connection with the Sale).

(ii) Tag-Along. Subject only to Section 6.1(e), if one or more holders of more than 50% of the total number of Class A Units (collectively, the "*Majority Sellers*") desire to sell all or any part of the Units owned of record or beneficially by the Majority Sellers in an arm's-length transaction (a "*Tag-Along Sale*") to a Person other than a Permitted Transferee, the Majority Sellers shall give notice of the pending sale to all other Members (a "*Tag-Along Sale Notice*"). Each Tag-Along Sale Notice shall describe (w) the Interest(s) to be sold by the Majority Sellers in the Tag-Along Sale; (x) the principal terms of the Tag-Along Sale, including the minimum price at which each Unit is intended to be sold; and (y) the percentage and number of the Majority Sellers' Units proposed to be sold pursuant to the Tag-Along Sale. Each such other Member shall have the right to participate in the Drag-Along Sale by providing written notice of such election to the Majority Sellers within 30 days after the date of the Tag-Along Sale Notice (and, in the case of Members that hold multiple classes of Units, such notice shall specify the capacities, in terms of class of Units, in which such Members are electing to participate). Each Majority Seller agrees not to sell any or all of its Units in a Tag-Along Sale without effecting a sale of an equivalent proportion of the Units of the other Members in the Tag-Along Sale, who have elected to participate in the Tag-Along Sale, on the same terms and conditions as the Majority Sellers shall sell their Units in the Tag-Along Sale (except for reasonable compensation for consulting, non-competition or employment arrangements that are required by the purchaser to be provided by the Majority Sellers in connection with the Tag-Along Sale). An example of the operation of this Section is set forth in Schedule K.

(iii) Price per Unit. The price per Unit paid in any Sale or Tag-Along Sale shall be identical for Units of the same Class (except for reasonable compensation for consulting, non-competition

or employment arrangements that are required by the purchaser to be provided by the Drag Along Sellers or the Majority Sellers in connection with a Sale or Tag-Along Sale, as the case may be). Notwithstanding the foregoing, the Members acknowledge that: (A) the price per Class D Unit sold in any Sale or Tag-Along Sale would include the entire amount of Unreturned Class D Capital Contributions and Unpaid Class D Preferred Return relating thereto and that, as a result, the price per any Class A, Class B or Class C Unit may be less than the price per Class D Unit sold in any Sale or Tag-Along Sale, to the extent that there are any Unreturned Class D Capital Contributions or Unpaid Class D Preferred Returns at the time of the Sale or Tag-Along Sale; and (B) the price per Class A Unit sold in any Sale or Tag-Along Sale would include any Unreturned Class A Capital Contributions and Unpaid Class A Preferred Returns relating thereto and that, as a result, the price per any Class B or Class C Unit may be less than the price per Class A Unit sold in any Sale or Tag-Along Sale, to the extent that there are any Unreturned Class A Capital Contributions or Unpaid Class A Preferred Returns at the time of the Sale or Tag-Along Sale.

(iv) Costs and Expenses. All costs and expenses incurred by the Drag-Along Sellers or Majority Sellers in connection with a Sale or Tag-Along Sale, as the case may be, including without limitation all attorneys' fees, costs and disbursements and any finders' fees or brokerage commissions, together with the reasonable fees and disbursements of all counsel representing the Drag-Along Sellers or Majority Sellers and the other Members in connection with the Sale or Tag-Along Sale, shall be allocated *pro rata* among all of the Members, with each Member paying that portion of such costs and expenses that equals the percentage obtained by dividing the amount of gross proceeds received by such Member in the Sale or Tag-Along Sale by the total amount of gross proceeds received by all of the Members. The portion of such costs and expenses allocable to each Member that the Drag-Along Sellers or Majority Sellers shall have incurred or paid shall promptly be paid by such Member to the Drag-Along Sellers or Majority Sellers, as the case may be, and all disbursements for such costs and expenses shall be made at or prior to the closing of the Sale or Tag-Along Sale. Notwithstanding the foregoing, none of such other Members shall be obligated to pay any fees, costs or expenses related to or arising from any consulting, non-competition or employment arrangements that are required by the purchaser to be provided by the Drag Along or Majority Sellers in connection with the Sale or Tag-Along Sale, as the case may be.

(v) Cooperation; Waiver of Appraisal Rights. The Company and each Member shall take such actions and execute such documents and instruments as shall be necessary or desirable to expeditiously consummate any Sale or Tag-Along Sale. Each Member waives any rights that it may have, under the laws of the State of Delaware or otherwise, to appraisal of its Interest as a dissenting member with respect to any Sale or Tag-Along Sale and agrees to vote in favor of and otherwise consent to any Sale or Tag-Along Sale; provided that, the requirements of this Section 6.1(d) in connection with such Sale or Tag-Along Sale have been satisfied; and provided further that, no Member or Manager has taken or omitted to take any action in connection with such Sale or Tag-Along Sale where such conduct constitutes fraud, gross negligence, breach of fiduciary duty, willful misconduct, bad faith or breach of this Agreement.

(e) Rights Relating to a Sale of MidMark's Interest.

(i) Right of First Offer. Before MidMark shall be entitled to sell any of its Interest in accordance with Section 6.1(d) or otherwise (the "*Offered Interest*") if (1) there are remaining Unreturned Class A Capital Contributions or Unpaid Class A Preferred Returns and (2) the price per Class A Unit in such sale is less than an amount sufficient to cause each Class A Member to receive in a Sale or Tag-Along Sale an amount at least equal to the sum of the Unreturned Class A Capital Contributions and Unpaid Class A Preferred Return of such Class A Member, MidMark shall provide each Class A Member with a notice (a "*ROFO Notice*") that (x) states that MidMark desires to effect a sale of the Offered Interest to CAS/WBG and (y) requests that CAS/WBG deliver a notice, within 30 days after the date of the ROFO Notice, that either offers or declines to purchase the Offered Interest. Notwithstanding the foregoing, MidMark shall have the right, but not the obligation, to enter into an agreement to effect a sale of the Offered Interest without first delivering a ROFO Notice if that agreement to sell is subject to, and specifically conditioned on MidMark's compliance with its obligations under, this Section 6.1(e).

(A) CAS/WBG shall have 30 days from the date of the ROFO Notice to send a written response (the "*ROFO Response Notice*") to MidMark, with a copy to each other

Class A Member, stating CAS/WBG's election either (1) to purchase the Offered Interest in accordance with this Section 6.1(e) (the "*ROFO Right*") at the sale price stated in the ROFO Response Notice (the "*ROFO Price*") and indicates how CAS/WBG intends to finance the purchase, or (2) to decline to purchase the Offered Interest. Any failure by CAS/WBG to deliver the ROFO Response Notice within said 30 day time period shall be deemed to be an election by CAS/WBG not to purchase the Offered Interest.

(B) If CAS/WBG timely delivers a ROFO Response Notice electing to exercise the ROFO Right, then MidMark shall have 30 days from the date of the ROFO Response Notice to deliver a written response to CAS/WBG (a "*ROFO Conclusion Notice*") electing either (1) to sell the Offered Interest to CAS/WBG in accordance with this Section 6.1(e) at the ROFO Price, or (2) to decline to sell the Offered Interest to CAS/WBG at the ROFO Price. In addition, Merion and Centerfield shall have 30 days from the date of the ROFO Response Notice to deliver a ROFO Conclusion Notice to MidMark and CAS/WBG electing to sell an equivalent proportion of the Interests of Merion and Centerfield, acting individually, to CAS/WBG in accordance with this Section 6.1(e) at the ROFO Price if MidMark shall choose to sell the Offered Interest to CAS/WBG. Any failure by MidMark to deliver in a timely manner its ROFO Conclusion Notice within such 30 day time period shall be deemed to be an election by MidMark not to sell its Offered Interest at the ROFO Price. Any failure by Merion to deliver in a timely manner its ROFO Conclusion Notice within such 30 day time period shall be deemed to be an election by Merion not to sell its Offered Interest at the ROFO Price. Any failure by Centerfield to deliver in a timely manner its ROFO Conclusion Notice within such 30 day time period shall be deemed to be an election by Centerfield not to sell its Offered Interest at the ROFO Price.

(C) Subject to Section 6.1(e)(ii), if MidMark, Merion or Centerfield delivers a ROFO Conclusion Notice electing to sell their respective Offered Interest to CAS/WBG, then, as applicable, MidMark, Merion and Centerfield shall sell the Offered Interest to CAS/WBG and CAS/WBG shall purchase the Offered Interest for the ROFO Price.

(D) If CAS/WBG delivers a ROFO Notice stating that it does not wish to purchase the Offered Interest, or if MidMark delivers a ROFO Conclusion Notice declining to sell the Offered Interest at the ROFO Price, then MidMark may proceed to offer the Offered Interest for sale (subject in any event to Section 6.1(d)) to any Person who is not a Member or an Affiliate of a Member as long as the gross sales price for the Offered Interest is greater than the ROFO Price. If MidMark has not consummated such a sale of the Offered Interest within 180 days after the date of the ROFO Notice, then MidMark shall continue to hold the Offered Interest subject to the terms of this Article 6 and the other provisions of this Agreement.

(ii) Tag-Along. If MidMark, Merion or Centerfield delivers a ROFO Conclusion Notice electing to sell its respective Offered Interest to CAS/WBG, then CAS/WBG and MidMark, Merion and Centerfield agree not to purchase and sell the applicable Offered Interest without first offering to C&M Associates and Cansica, respectively, the right to purchase an equivalent proportion of Units represented by the applicable Offered Interest at the ROFO Price and otherwise on the same terms and conditions as are set forth in the ROFO Notice. To exercise their respective rights to participate in such sale, C&M Associates and Cansica shall provide written notice of such election to CAS/WBG, MidMark, Merion and Centerfield within 15 days after the date of the applicable ROFO Conclusion Notice (which notice shall specify the capacities, in terms of the classes of Units they hold, in which they are electing to participate). An example of the operation of this Section is set forth in Schedule K.

(iii) Costs and Expenses. All costs and expenses incurred by CAS/WBG in the purchase of the Offered Interest(s) under this Section 6.1(e) shall be allocated *pro rata* among CAS/WBG and, if it elects to participate in the purchase of the Offered Interest(s), each of C&M Associates and Cansica, according to the Units they respectively purchase in the sale of the Offered Interest(s).

(iv) Cooperation; Waiver of Appraisal Rights. The Company and each Member shall take such actions and execute such documents and instruments as shall be necessary or desirable to expeditiously consummate the sale of the Offered Interest(s) according to the provisions set forth in this

Section 6.1(e). Each Member waives any rights that it may have, under the laws of the State of Delaware or otherwise, to appraisal of its Interest as a dissenting member with respect to the sale of the Offered Interest(s) according to the provisions set forth above, and agrees to vote in favor of and otherwise consent to such sale; provided that, the requirements of this Section 6.1(e) in connection with the sale of such Offered Interest(s) have been satisfied; and provided further that, no Member or Manager has taken or omitted to take any action in connection with such sale where such conduct constitutes fraud, gross negligence, breach of fiduciary duty, willful misconduct, bad faith, or breach of this Agreement.

6.2 Mandatory Offer to Sell.

(a) Upon the occurrence of a Bankruptcy Event, Involuntary Event or any other event making it foreseeable that a Member's Interest(s) will be the subject of an Involuntary Transfer and as a condition precedent to the consummation of any such Involuntary Transfer, the Interest(s) owned by such Member, whether of record or beneficially, shall be deemed to be first offered for sale to the Company, the Class A Members and the Class B Members (other than the Transferring Member), pursuant to the terms and conditions of this Section 6.2; provided that nothing in this Section 6.2 shall prohibit such Member who is or will be subject to an Involuntary Transfer from first completing a transfer of the Interest(s) owned by such Member to a Permitted Transferee pursuant to Section 6.1(c) in which event upon the completion of such transfer the right of first offer set forth in this Section 6.2 shall be null and void.

(b) The Transferring Member or its representative shall immediately send written notice to the Company of the occurrence of such event triggering the application of this Section 6.2 and the Company, upon receipt of such written notice, shall promptly deliver such notice to the Class A Members and Class B Members (other than the Transferring Member).

(c) For a period of 30 days following receipt by the Company of the written notice from the Transferring Member or its representative, the Company shall have the right to purchase the Interest(s) held by the Transferring Member at a price determined pursuant to Section 6.3 and upon the terms and conditions set forth in Section 6.4.

(d) In the event that the Company does not purchase all of the Interest(s) deemed offered by the Transferring Member within said 30 day period, each of the Class A Members and Class B Members (other than the Transferring Member), for a period of 15 days from the termination of said 30 day period, shall have the option to purchase, for the same price and on the same terms and conditions offered to the Company, the offered Interest(s) in proportion to their respective Interests of the class(es) of Interest(s) being offered. If the Company and said Class A Members and Class B Members do not agree to purchase in the aggregate all of the offered Interest(s) by the end of such 15 day period, then each of the Class A Members and Class B Members who elected to purchase the offered Interest(s) shall have an additional 15 days to purchase the remaining offered Interest(s) in proportion to their respective Interests of the class(es) of Interest(s) being offered or in such other proportion as they may agree.

(e) Within the time periods set forth in the foregoing paragraphs of this Section 6.2, the Company and said Class A Members and Class B Members, as the case may be, shall send to the Transferring Member (or its representative) either a written notice agreeing to purchase the Interest(s) offered or the portion thereof remaining available for purchase (an "*Acceptance*"), or a written notice refusing to purchase the Interest(s) offered or the portion thereof remaining available for purchase (a "*Refusal*"). If the Company and said Class A Members and Class B Members purchase less than all the Interest(s) offered, then the Acceptance of the Company and said Class A Members and Class B Members, as the case may be, shall set forth the portion (expressed as a percentage) of the Interest(s) to be purchased. A copy of any Acceptance or Refusal shall promptly be sent to those parties who, pursuant to the terms of this Agreement, have a subsequent option to purchase.

(f) If all or part of the Interest(s) of the Transferring Member remains unsold at the end of all the option periods set forth above, then the Transferring Member may complete the Involuntary Transfer with respect to such unsold portion of the Interest(s).

(g) The date of a purchase and sale of the Interest under this Section 6.2 shall be deemed to be the date of the occurrence of the Bankruptcy Event, Involuntary Event or other event making an Involuntary Transfer of such Interest(s) foreseeable, as set forth in the written notice pursuant to Section 6.2(b).

6.3 Purchase Price.

(a) The purchase price for the Interest(s) to be purchased pursuant to Section 6.2 shall be determined by agreement or by appraisal as follows: The value of 100% of the Interests of the Company shall be the value determined by the agreement of the Company or the purchasing Members, if applicable, on the one hand (the Company or the purchasing Members, if applicable, being referred to in this Section 6.3 as the "*Purchaser*"), and the Transferring Member, on the other hand; provided, however, that if the Purchaser and the Transferring Member are unable to reach such an agreement within 30 days of the deemed purchase date under Section 6.2(g), then the purchase price of the Interest(s) to be purchased shall be determined by appraisal pursuant to Sections 6.3(b) and (c).

(b) In the event that an appraisal is called for under Section 6.3(a), the procedure shall be as follows: The Purchaser and the Transferring Member shall each promptly name one appraiser for the purpose of determining the fair market value of 100% of the Interests. If the two appraisers agree upon the fair market value of 100% of the Interests, then they shall jointly render a single written report thereof to the Purchaser and the Transferring Member. If the two appraisers cannot agree upon the fair market value of the Interests, then they shall each render a separate written report to the Purchaser and the Transferring Member and shall together appoint a third appraiser, who shall appraise the Interests and shall render a written report of its opinion of their fair market value to the Purchaser and the Transferring Member. The agreed fair market value or the fair market value contained in the aforesaid joint written report or written report of the third appraiser, as the case may be, shall constitute the fair market value of the Interests; provided, however, that if the fair market value contained in the appraisal report of the third appraiser is greater than the fair market value set forth in the higher of the first two appraisals, then the higher of the first two appraisals shall constitute the fair market value of the Interests; and provided further, however, that if the fair market value contained in the appraisal report of the third appraiser is less than the fair market value set forth in the lower of the first two appraisals, then the lower of the first two appraisals shall constitute the fair market value of the Interests. The purchase price of an Interest shall be an amount equal to the product of (i) the fair market value of 100% of the Interests of the Company as determined pursuant to this Section 6.3(c) and (ii) the Interest (expressed as a percentage) to be purchased.

(c) All appraisers shall be qualified by training, experience and ability to appraise the Interests, and shall be persons who regularly hold themselves out to the general public as qualified appraisers of the value of private companies in businesses the same or similar to the Company. The fees and other costs of each of the first two appraisers shall be borne by the party appointing each such appraiser, and the fees and other costs of the third appraiser, if any, shall be apportioned equally between the Purchaser and the Transferring Member.

6.4 Procedure for Closing of Mandatory Purchase of Interest. Any purchase and sale of Interest(s) to be entered into pursuant to Section 6.2 shall be closed as follows:

(a) At least 20% of the purchase price for the Interest(s) to be purchased, as determined by the Purchaser in its sole discretion, shall be paid in cash; provided, however, that if the transaction described in Section 6.2(a) occurs at any time prior to the time that all Unreturned Class A Capital Contributions and Unpaid Class A Preferred Returns have been reduced to zero, then, unless otherwise approved by a Super-Majority in Interest of the Voting Members, the cash portion of the purchase price shall be zero, the purchase price shall be paid entirely by the promissory note described in Section 6.4(b) and no payments shall be made under the note until such time as all Unreturned Class A Capital Contributions and Unpaid Class A Preferred Returns have been reduced to zero; and further provided, however, that if the transaction described in Section 6.2(a) occurs at any time prior to the time that all Unreturned Class D Capital Contributions and the Unpaid Class D Preferred Returns have been paid in full in cash, then, unless otherwise approved by a Majority in Interest of the Class D Members, the cash portion of the purchase price shall be zero, the purchase price shall be paid entirely by the promissory note described in Section 6.4(b) and no payments shall be made under the note until such time as all Unreturned Class D Capital Contributions and the Unpaid Class D Preferred Return have been paid in full in cash.

(b) The balance of the purchase price shall be paid by the execution and delivery by the Purchaser of a promissory note dated as of the date of the aforementioned cash payment, providing for the payment of principal in not more than three equal annual installments (or such shorter installment period as the Purchaser may determine in its sole discretion) commencing one year after the date thereof and continuing on the same day of each year thereafter until paid in full, with interest on the unpaid principal balance at the Applicable Federal Rate or similar rate as determined under federal income tax law to be applicable to the terms of payment under such

promissory note, payable annually at the time installments of principal are due and payable, and providing that the Purchaser shall have the right to prepay all or any portion of the outstanding balance thereof with accrued interest thereon at any time without premium or penalty. The promissory note shall be in substantially the form attached as Schedule D hereto.

6.5 Additional Transfer Restrictions.

(a) Notwithstanding any provision in this Agreement to the contrary, no Transfer of any Interest may be made unless (i) the Transferring Member provides, if required by the Company, evidence and assurances satisfactory to the Company in its reasonable discretion (which may include an opinion of counsel and/or appropriate representations and warranties from the Transferring Member and the transferee), that such Transfer is made in compliance with all applicable securities laws and regulations promulgated thereunder, and (ii) the transferee executes and delivers an Instrument of Joinder acknowledging the receipt of a copy of the provisions and restrictions contained in this Agreement and agreeing to comply herewith and be bound hereby and the Company acknowledges that Instrument of Joinder on behalf of itself and the other Members.

(b) Any transferee of an Interest, by reason of such transfer, shall become a party to and be bound by this Agreement. Except as otherwise provided in this Agreement with respect to transfers to Assignees, any transferee of an Interest shall have all of the rights and obligations under this Agreement of the Transferring Member with respect to the Transferred Interest.

6.6 Effect of Obligation to Sell Interest. If any Member is required to sell its Interest pursuant to this Agreement, then the Transferring Member shall sell and transfer said Interest to the Company or the other Members, as the case may be, at the time required hereby, subject to the right to receive payment therefor in accordance with this Agreement, and shall execute all documents, deliver all certificates, assignments, releases, consents, instruments and other documents and perform all acts required to effectuate such sale and transfer. All incidents of ownership of the Transferring Member's Interest, including, but not limited to, the right to receive distributions on such Interest or to vote, attend meetings, execute written consents in lieu of any Members' meeting, execute any other consents or perform any acts with respect thereto, shall terminate as of the date the Transferring Member is required to sell its Interest to the Company or the other Members, even if such Interest has not yet been paid for by or Transferred to the Company or the other Members, and even if no other act evidencing such Transfer has yet been performed.

6.7 Additional Member Covenants. Each Member, for such Member and such Member's heirs, representatives, successors and assigns, as the case may be, covenants to and agrees with the Company and the other Members that the Member shall vote its Interest over which such Person has voting control to cause the Company and the other Members to comply with and perform fully each of its and their respective obligations, commitments, covenants, and agreements contained in this Agreement, and shall take any and all action as a Member available to the Member as a Member of the Company as may be necessary to cause the Company to comply with such obligations, commitments, covenants and agreements.

ARTICLE 7 — DISSOLUTION OF THE COMPANY

7.1 Dissolution.

(a) The Company shall be dissolved upon the occurrence of any of the following events:

(i) the expiration of the term of existence of the Company, if any, set forth in the Certificate of Formation or Section 1.5;

(ii) the affirmative vote of a Super-Majority in Interest of the Voting Members to dissolve the Company; or

(iii) an entry of a decree of judicial dissolution under Section 18-802 of the Act.

(b) As soon as possible following the occurrence of any event causing dissolution of the Company, the Board of Managers shall cause the Company to deliver a Certificate of Dissolution to the Department

of State of the State of Delaware for filing that includes the name of the Company and the effective date of its dissolution.

7.2 Effect of Events of Dissolution. Upon an event of dissolution, the Company shall cease to carry on its business, except insofar as it may be necessary for the winding up of its business, but its separate existence shall continue until the activities set forth in Section 7.3 have been completed.

7.3 Winding Up; Liquidation and Distribution of Assets.

(a) Upon dissolution of the Company, the Board of Managers shall immediately proceed to wind up the affairs of the Company.

(b) If the Company is dissolved and its affairs are to be wound up, then the Board of Managers shall:

(i) sell or otherwise liquidate all of the Company's other assets as promptly as possible (except to the extent the Board of Managers may determine to distribute any assets to the Members in kind);

(ii) discharge all liabilities of the Company, including liabilities to Members that are creditors (other than liabilities to Members for distributions) to the extent permitted by law;

(iii) establish such Reserves as may be reasonably necessary to provide for contingencies or liabilities of the Company; and

(iv) distribute the remaining cash and assets, if any, of the Company to the Members only as follows:

(A) first, 100% to the Class D Members, *pro rata*, in proportion to and to the extent of the Unpaid Class D Preferred Return of each Class D Member on the date of dissolution;

(B) second, 100% to the Class D Members, *pro rata*, in proportion to and to the extent of the Unreturned Class D Capital Contributions of each Class D Member;

(C) third, 100% to the Class A Members, *pro rata*, in proportion to and to the extent of the Unpaid Class A Preferred Return of each Class A Member on the date of dissolution;

(D) fourth, 100% to the Class A Members, *pro rata*, in proportion to and to the extent of the Unreturned Class A Capital Contribution of each Class A Member on the date of dissolution; and

(E) thereafter, to all of the Members, *pro rata*, in accordance with their positive Capital Accounts, after any and all Profits and Losses have been allocated to the Members pursuant to the terms and provisions of this Agreement.

(c) No Member shall be required to contribute any amount to the Company solely because of a deficit balance in that Member's Capital Account, and any such deficit balance shall not for any purpose be considered an asset of the Company.

(d) For purposes of the liquidation of the Company's assets, the discharge of its liabilities and the distributions of the remaining funds among the Members as above described, the Board of Managers shall have the authority on behalf of the Company to sell, convey, exchange or otherwise transfer the assets of the Company for such consideration and upon such terms and conditions as the Board of Managers deems appropriate. The Board of Managers may make distributions in kind to Members. The Board of Managers shall have the

authority to purchase any Company assets at their fair market value. A reasonable time shall be allowed for the orderly liquidation of the assets of the Company and the discharge of liabilities of the Company to creditors in order to enable the Company to minimize normal losses during the liquidation period.

7.4 Return of Contribution Nonrecourse to Other Members. Except as provided by law, upon dissolution of the Company, each Member shall look solely to the assets of the Company for the return of such Member's Capital Contributions. If the Company property remaining after the payment or discharge of the debts and liabilities of the Company is insufficient to allow the return of the full amount of the Capital Contributions of any of the Members, such Member or Members shall have no recourse against any other Member, except to the extent of any deficit restoration obligation of the Members, if any.

ARTICLE 8 — MISCELLANEOUS PROVISIONS

8.1 Notices. Any notice, demand or communication required or permitted to be given by any provision of this Agreement shall be deemed to have been sufficiently given or served for all purposes if delivered personally to the party, or to an executive officer thereof, to whom the same is directed, if sent by facsimile, with receipt confirmed by telephone, or if sent by registered or certified mail, postage and charges prepaid, addressed to that party's address, as appropriate, as set forth in Schedule A, as amended from time to time, or as otherwise notified by such Member in accordance with this Section. Except as otherwise provided herein, any such notice shall be deemed to be given five business days after the date on which the same was duly mailed, if sent by registered or certified mail, or on the date of receipt, if personally delivered or transmitted to the telecopier number of the party to whom the notice is sent, with receipt confirmed by telephone.

8.2 Waiver of Notice. When any notice is required to be given to any Member, a waiver thereof in writing signed by the Member entitled to such notice, whether before, at, or after the Member is entitled to such notice, and whether before, at or after the time stated therein, shall be equivalent to the giving of such notice.

8.3 Lists of Members. The Board of Managers shall keep a current, written list showing the names, in alphabetical order, and last known addresses and Interests of all Members in the Company at the principal office of the Company, and shall provide a copy of the same to any Member upon written request.

8.4 Company Books. The Board of Managers shall maintain and preserve, at the principal office of the Company, during the term of existence the Company, all accounts, books, and other relevant documents of the Company, including, without limitation: (i) a copy of the Certificate of Formation initially filed with the Department of State of the State of Delaware, and any amendments thereto; (ii) any powers of attorney pursuant to which the Certificate of Formation or any amendments have been executed; (iii) copies of this Agreement, together with any supplements, modifications or amendments to this Agreement; (iv) any powers of attorney and Instruments of Joinder pursuant to which this Agreement or any amendments have been executed; (v) copies of Company's federal, state and local income tax returns and reports for the three most recent years; and (vi) copies of all financial statements of the Company for the three most recent years. Each Member shall have the right, during ordinary business hours and upon reasonable advance notice to the Board of Managers, to inspect and copy such documents at such Member's expense; provided that such inspection and copying does not unduly interfere with the operation of the Company's business.

8.5 Arbitration of Disputes. Any controversy, claim or dispute among any of the parties hereto arising out of or in any way relating to this Agreement, including without limitation any claim that this Agreement has been breached or that this Agreement or any of its parts is invalid, illegal or otherwise voidable or void, shall be submitted to arbitration before and in accordance with the Commercial Arbitration Rules of the American Arbitration Association (the "*AAA*") in accordance with the following provisions:

(a) Notwithstanding Section 8.6, all issues relating to arbitrability or the enforcement of the agreement to arbitrate contained herein shall be governed by the Federal Arbitration Act (9 U.S.C. §§1 *et seq.*) and the federal common law of arbitration.

(b) This arbitration provision is self-executing and shall remain in full force and effect after the expiration or termination of this Agreement. If either party fails to appear at any properly noticed arbitration proceeding, an award may be entered against such party by default or otherwise, notwithstanding such failure to

appear. Unless otherwise agreed to in writing by the parties, such proceeding shall take place in New York, New York. With respect to any dispute involving $100,000 or more, arbitration proceedings shall be conducted before three neutral arbitrators. With respect to any dispute involving less than $100,000, arbitration proceedings shall be conducted by a single arbitrator in accordance with the Expedited Rules of the AAA.

(c) Judgment upon an arbitration award may be entered in any court of competent jurisdiction and shall be final, binding and non-appealable. The parties hereby waive to the fullest extent permitted by law any right to or claim for any punitive or exemplary damages against the other and agree that in, the event of a dispute between them, except as otherwise specifically provided herein, each shall be limited to the recovery of only the actual damages sustained.

(d) The obligation herein to arbitrate shall not prevent either party from seeking temporary restraining orders, preliminary injunctions or other procedures in a court of competent jurisdiction to obtain interim relief when deemed necessary by such court to preserve the status quo or prevent irreparable injury pending resolution by arbitration of the actual dispute.

8.6 Governing Law. This Agreement and its application and interpretation shall be governed exclusively by its terms and by the laws (other than conflicts of law principles) of the State of Delaware.

8.7 Waiver of Action for Partition. Each Member irrevocably waives, during the term of existence of the Company, any right that such Member may have to maintain any action for partition with respect to the property of the Company.

8.8 Amendments. This Agreement may be amended only by the affirmative vote or written consent of the Board of Managers and a Majority in Interest of the Voting Members; provided that:

(a) without the unanimous vote or written consent of the Voting Members, this Agreement may not be amended so as to: (i) effect any amendment or modification of Sections 2.2, 2.3, 2.4, 2.5(i), 3.3, 3.4, 3.5, 3.6, 3.7, 3.8, 3.9, 4.1(e), 4.2(a)(v), 4.2(a)(vi), 4.3, 4.6, 5.1(b), 5.2, 5.3, 6.1, 7.3 or 7.4; provided that with respect to the method of allocation of Profits and Losses as set forth in any such Section the provisions may be amended or modified by the Board of Managers if required by the Code or Treasury Regulations or in order to effect the provisions of Section 3.9; (ii) effect any amendment or modification of the last sentence of Section 8.4; (iii) effect any amendment or modification of this Section 8.8(a); or (iv) effect any amendment or modification of Section 1.11 to the extent any definitions set forth in Section 1.11 are used in any of the sections set forth in this Section 8.8(a);

(b) except as otherwise set forth in Section 8.8(a), without the written consent of a Super-Majority in Interest of the Voting Members, this Agreement may not be amended so as to: (i) modify any consent or voting rights reserved to the Members; (ii) adversely affect the liabilities of a Member hereunder; (iv) adversely affect the federal income tax treatment to be afforded a Member; (v) effect any amendment or modification of this Section 8.8(b); (vi) effect any amendment or modification of Sections 4.1(b), 4.1(d), 4.2 or 4.8 or Article 6; or (vii) effect any amendment or modification of Section 1.11 to the extent any definitions set forth in Section 1.11 are used in any of the sections set forth in this Section 8.8(b);

(c) in no event shall Section 4.6(a) or 4.6(b) be amended without the written consent of MidMark and CAS/WBG;

(d) in no event shall any of the defined terms "Class D Interest," "Majority in Interest of the Class D Members," "Unpaid Class D Preferred Return" or "Unreturned Class D Capital Contributions" in Section 1.11, or Section 2.5(d)(iii), 2.5(e)(iii), 3.3(c), 3.6(a)(iii)(A), 3.6(a)(iii)(B), 3.6(b), 3.8(a), 4.2(a)(xii), 4.8, 6.1(c), 6.1(d)(i), 6.1(d)(iii), 6.4(a), 7.3(b)(iv)(A), 7.3(b)(iv)(B) or 8.16 or this Section 8.8(d) be amended without the written consent of a Majority in Interest of the Class D Members; and

(e) the Board of Managers may unilaterally amend Schedule A hereto for the purpose of reflecting the addition, substitution and withdrawal of Members, any changes to the Capital Contributions, Interests and Units of the Members that are permitted to be made by the Members and any other changes to the information set forth therein.

Except as provided herein, no Member shall have any vested rights in this Agreement that may not be modified through an amendment to this Agreement.

8.9 Execution of Additional Instruments. Each Member agrees to execute such other and further statements of interest and holdings, designations, powers of attorney and other instruments as are necessary to comply with any applicable laws, rules or regulations or to carry out the purposes of this Agreement.

8.10 Construction. Whenever the singular number is used in this Agreement and when required by the context, the same shall include the plural, and the neutral gender shall include the feminine genders. The provisions of this Agreement shall govern in the event of any conflict with the Certificate of Formation or the Bylaws.

8.11 Headings. The headings in this Agreement are inserted for convenience only and are in no way intended to describe, interpret, define, or limit the scope, extent or intent of this Agreement or any provisions hereof.

8.12 Waivers. The failure of any party to seek redress for violation of or to insist upon the strict performance of any covenant or condition of this Agreement shall not prevent a subsequent act, that would have originally constituted a violation, from having the effect of an original violation.

8.13 Rights and Remedies Cumulative. The rights and remedies provided by this Agreement are cumulative and the use of any one right or remedy by any party shall not preclude or waive the right to use any or all other remedies. Said rights and remedies are given in addition to any other rights the parties may have by law, statute, ordinance or otherwise.

8.14 Severability. If any provision of this Agreement or the application thereof to any person or circumstance shall be invalid, illegal or unenforceable to any extent, the remainder or this Agreement and the application thereof shall not be affected and shall be enforceable to the fullest extent permitted by law.

8.15 Benefit and Burden. Each and all of the covenants, terms, provisions and agreements in this Agreement shall be binding upon and inure to the benefit of the parties hereto and, to the extent permitted by this Agreement, their respective heirs, legal representatives, successors, and permitted assigns and transferees.

8.16 Redemption of Class D Units. Notwithstanding any provision of this Agreement to the contrary, the Board of Managers may authorize and direct the Company to redeem any or all of the Class D Units, provided that the redemption price per Class D Unit is at least equal to the Unreturned Class D Capital Contributions plus the Unpaid Class D Preferred Return associated with such Class D Units. The Company shall not reissue any of the redeemed Class D Units. All distributions made pursuant to Section 3.6(a)(iii)(B) and any and all reductions of the Unreturned Class D Capital Contributions pursuant to Section 3.10(b) shall be treated as redemptions of Class D Units.

8.17 General Limitation. Notwithstanding any provision of this Agreement to the contrary, the Company shall not take any action required hereunder, including but not limited to making any distribution or other payment, to the extent that such action would (i) violate any applicable law or regulatory requirement, (ii) render the Company insolvent or (iii) breach or conflict with any of the obligations of the Company under its senior credit documents (provided that the Company shall use commercially reasonable efforts to obtain any waiver or consent necessary to avoid such breach or conflict).

8.18 Integration. This Agreement, the Certificate of Formation and the Bylaws represent the entire agreement among the Members and between the Members and the Company, and supercede any and all prior agreements between or among any of them with respect to the Company, including but not limited to the Original Operating Agreement and the Existing Operating Agreement.

8.19 Counterparts. This Agreement may be executed in any number of counterparts, including by facsimile or electronic signature included in an Adobe PDF file, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument. This Agreement shall become effective when counterparts have been signed by each party and delivered to the other parties, it being understood that the parties need not sign the same counterpart.

SCHEDULE B

TAXES

1. Definitions. The capitalized terms in this Schedule B have the same meaning as defined or referenced below or as set forth in Section 1.11 of the Agreement.

"*Capital Account*" means the account established and maintained for each Member pursuant to Section 2 of this Schedule B.

"*Carrying Value*" is defined in Section 3(c)(i) of this Schedule B.

"*Depreciation*" shall mean, for each fiscal year, an amount equal to the depreciation, amortization or cost recovery deduction allowable for such fiscal year for federal income tax purposes, unless the Carrying Value for an asset differs from the adjusted basis of such asset for federal income tax purposes, in which case Depreciation shall mean an amount that bears the same ratio to the beginning Carrying Value as the depreciation, amortization or cost recovery deduction for federal income tax purposes bears to the beginning adjusted tax basis; provided, however that if the adjusted basis of an asset is zero at the beginning of a fiscal year, then Depreciation shall be determined by the Board of Managers by using any reasonable method.

"*Member Nonrecourse Debt*" shall have the meaning set forth in Treas. Reg. §1.704-2(b)(4) for "partner nonrecourse debt."

"*Member Nonrecourse Debt Minimum Gain*" means an amount, with respect to each Member Nonrecourse Debt, determined in accordance with Treas. Reg. §1.704-2(i).

"*Minimum Gain*" shall have the meaning set forth in Treas. Reg. §1.704-2(b)(2) and §1.704-2(d).

"*Nonrecourse Liability*" shall have the meaning set forth in Treas. Reg. §1.704-2(b)(3).

"*Profits*" and "*Losses*" shall mean an amount equal to the Company's taxable income or loss, respectively, for any period from all sources, determined in accordance with §703(a) of the Code, adjusted in the following manner: (i) the income of the Company that is exempt from federal income tax or not otherwise taken into account in computing Profits and Losses pursuant to this definition shall be added to such taxable income or loss; (ii) any expenditures of the Company described in §705(a)(2)(B) of the Code or treated as described in such section pursuant to Treas. Reg. §1.704-1(b)(2)(iv)(*i*) and not otherwise taken into account in computing Profits or Losses pursuant to this definition shall be subtracted from such taxable income or loss; (iii) in the event the Carrying Value of any Company asset is adjusted pursuant to Section 3(c)(ii) or (iii) of this Schedule B, the amount of such adjustment shall be taken into account as gain or loss from the disposition of such asset for purposes of computing Profits and Losses; (iv) gain or loss resulting from the disposition of an asset shall be computed by reference to the Carrying Value of such asset; (v) a deduction for Depreciation shall be taken in lieu of the deduction for depreciation, amortization or cost recovery allowable for such fiscal year for federal income tax purposes; (vi) to the extent an adjustment under §734(b) of the Code is required by Treas. Reg. §1.704-1(b)(2)(iv)(*m*)(*4*) to be taken into account in determining Capital Accounts as a result of a distribution other than in liquidation of a Member's interest, the amount of such item shall be treated as an item of gain or loss from the disposition of the asset and shall be taken into account for purposes of computing Profits or Losses; and (vii) any items that are specially allocated pursuant to Section 2 of this Schedule B shall not be taken into account in computing Profits and Losses.

2. Maintenance of Capital Accounts. A capital account ("*Capital Account*") shall be maintained by the Company for each Member in accordance with Treas. Reg. §1.704-l(b)(2)(iv). The initial amount credited to the Capital Account of each Member shall be the amount of such Member's initial Capital Contribution to the Company. The Capital Account of each Member shall also be:

(i) credited with the amount of any additional contributions made by such Member;

(ii) credited with the amount of any Profits and any other items of income or gain allocated to such Member;

(iii) debited by the amount of any Losses and any other items of loss or deduction allocated to such Member; and

(iv) debited with the amount of all actual and deemed distributions made to such Member.

Any contribution or distribution of property in kind shall be credited or debited, respectively, in an amount equal to the Carrying Value of such property, net of liabilities secured by such property that the Company or a Member, respectively, is considered to assume or take subject to under §752 of the Code. Upon adjustment to the adjusted tax basis of the Company property pursuant to §732, 734 or 743 of the Code, the Capital Accounts of the Members shall be adjusted as provided in Treas. Reg. §1.704-l(b)(2)(iv)(*m*). The amount of a promissory note which is not readily traded on an established securities market and which is contributed to the Company by the makers of the note shall not be included in the Capital Account of any Member until the Company makes a taxable disposition of the note or until, and to the extent, principal payments are made on the note, all in accordance with Treas. Reg. §1.704-1(b)(2)(iv)(*d*)(*2*).

3. Tax Provisions.

(a) Allocations Required by Treasury Regulations. The special allocations set forth in this Section 3 of this Schedule B shall be made prior to the allocations set forth in Section 3.3 and 3.4 of the Agreement.

(i) (A) Minimum Gain Chargeback. Subject to the exceptions set forth in Treas. Reg. §§1.704-2(f)(2)-(5), if there is a net decrease in Minimum Gain during any fiscal year, then each Member shall be specially allocated items of Company income and gain for such year (and, if necessary, subsequent years) in an amount equal to such Member's share of the net decrease in Minimum Gain, determined in accordance with Treas. Reg. §1.704-2(g)(2). This paragraph is intended to comply with the minimum gain chargeback requirement in Treas. Reg. §1.704-2(b)(2) and §1.704-2(f) and shall be interpreted consistently therewith.

(B) Member Nonrecourse Minimum Gain Chargeback. Subject to the exceptions set forth in Treas. Reg. §1.704-2(i)(4), if there is a net decrease in Member Nonrecourse Debt Minimum Gain during any Company fiscal year, then each Member who has a share of the Member Nonrecourse Debt Minimum Gain, determined in accordance with Treas. Reg. §1.704-2(i)(3), shall be specially allocated items of Company income and gain for such year (and, if necessary, subsequent years) in an amount equal to such Member's share of the net decrease in Member Nonrecourse Debt Minimum Gain, determined in accordance with Treas. Reg. §1.704-2(i)(5). This paragraph is intended to comply with the minimum gain chargeback requirement in Treas. Reg. §1.704-2(i)(4) and shall be interpreted consistently therewith.

(ii) Qualified Income Offset. In the event any Member unexpectedly receives any adjustments, allocations or distributions described in Treas. Reg. §1.704-1(b)(2)(ii)(*d*)(4), (5) or (6), items of Company income and gain shall be specially allocated to such Member in an amount and manner sufficient to eliminate, to the extent required by Treasury Regulations, the deficit in that Member's Adjusted Capital Account as quickly as possible. This paragraph is intended to constitute a "qualified income offset" within the meaning of Treas. Reg. §1.704-1(b)(2)(ii)(*d*) and shall be interpreted consistently therewith.

(iii) Gross Income Allocation. In the event any Member has a deficit Capital Account at the end of any year that is in excess of the sum of (i) any amounts such Member is obligated to restore pursuant to the terms of the Agreement or otherwise, or (ii) the amount such Member is deemed to be obligated to restore pursuant to the penultimate sentences of Treas. Reg. §§1.704-2(g)(1) and 1.704-2(i)(5), each such member shall be specially allocated items of Company income and gain in the amount of such excess as quickly as possible, provided that an allocation pursuant to this Section 3(a)(iii) of this Schedule B shall be made only if and to the extent that such Member would have a deficit Capital Account in excess of such sum after all other allocations provided for in this Section 3 have been made as if Section 3(a)(ii) and Section 3(a)(iii) of this Schedule B were not in the Agreement.

(iv) Nonrecourse Deductions. Nonrecourse Deductions for any fiscal year or other period shall be specially allocated to the Members in accordance with their Interests. "*Nonrecourse Deductions*" shall have the meaning set forth in Treas. Reg. §1.704-2(b)(1). The amount of Nonrecourse Deductions for a Company fiscal year equals the excess, if any, of the net increase, if any, in the amount of Minimum Gain during that fiscal year over the aggregate amount of any distributions during that fiscal year of proceeds of a Nonrecourse Liability that are allocable to an increase in Minimum Gain, determined according to the provisions of Treas. Reg. §1.704-2(c).

(v) Member Nonrecourse Deductions. Member Nonrecourse Deductions for any fiscal year or other period shall be specially allocated to the Member who bears the economic risk of loss with respect to the Member Nonrecourse Debt to which such Member Nonrecourse Deductions are attributable in accordance with Treas. Reg. §1.704-2(i). "*Member Nonrecourse Deductions*" shall have the meaning set forth in Treas. Reg. §1.704-2(i)(2) for "partner nonrecourse deductions." For any Company taxable year, the amount of Member Nonrecourse Deductions with respect to a Member Nonrecourse Debt shall equal the net increase during the year, if any, in the amount of Member Nonrecourse Debt Minimum Gain reduced (but not below zero) by proceeds of the liability that are both attributable to the liability and allocable to an increase in the Member Nonrecourse Debt Minimum Gain.

(vi) Section 754 Adjustments. To the extent an adjustment to the adjusted basis of any Company asset pursuant to Code Section 734(b) or Code Section 743(b) is required, pursuant to the Regulations to be taken into account in determining Capital Accounts, the amount of such adjustment to the Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (of the adjustment decreases such basis), and such gain or loss shall be specially allocated to the Members in a manner consistent with the manner in which their Capital Accounts are required to be adjusted pursuant to such Section of the Regulations.

(vii) Curative Allocations. The allocations set forth in this Section 3(a) and Section 3(b)(iv) of this Schedule B are intended to comply with certain requirements of the Treasury Regulations promulgated under §704 of the Code. Such allocations shall be taken into account in allocating other Profits, Losses, and items of income, gain, loss, and deduction to each Member so that, to the extent possible, and to the extent permitted by the Treasury Regulations, the net amount of such allocations of other Profits, Losses, and other items and such allocations to each Member shall be equal to the net amount that would have been allocated to each Member if such allocations had not been made.

(b) Rules of Application.

(i) Profits and Losses and other items of income, gain, loss and deduction shall be allocated to the Members in accordance with the portion of the year during which the Members have held their respective Interests. All items of income, loss and deduction shall be considered to have been earned ratably over the period of the fiscal year of the Company, except that (A) gains and losses arising from the disposition of assets shall be taken into account as of the date thereof, and (B) with the consent of the Board of Managers and all affected parties, the preceding items may be allocated by using an "interim closing of the books" method.

(ii) In the event the Company is entitled to a deduction for interest imputed under any provision of the Code on any loan or advance from a Member (whether such interest is currently deducted, capitalized or amortized), such deduction shall be allocated solely to such Member.

(iii) To the extent any payments in the nature of fees paid to a Member are finally determined to be distributions to a Member for federal income tax purposes, there will be a gross income allocation to such Member in the amount of such distribution.

(iv) Losses shall not be allocated to any Member to the extent that such allocation would result in a deficit in its Adjusted Capital Account while any other Member continues to have a positive Adjusted Capital Account. In such event, Losses shall first be allocated to Members with positive Adjusted Capital Accounts in proportion to such balances, until their positive Adjusted Capital Accounts

have been reduced to zero. To the extent that any Losses are allocated pursuant to this paragraph, Profits shall thereafter be allocated in reverse order of such allocations of Losses to the extent of such Losses.

(v) The allocation of Profits and Losses to any Member shall be deemed to be an allocation to that Member of the same proportionate part of each separate item of taxable income, gain, loss, deduction or credit that comprises such Profits and Losses.

(c) Rules Concerning Calculations of Profits and Losses and Code §704(c) Tax Allocations.

(i) For purposes of computing Profits and Losses, "*Carrying Value*" shall mean: (A) with respect to contributed property, the agreed fair market value of such property at the time of contribution reduced (but not below zero) by Depreciation after the time of contribution; (B) with respect to property the book value of which is adjusted pursuant to Treas. Reg. §§1.704-1(b)(2)(iv)(*d*), (*e*) or (*f*), the amount determined pursuant to Section 3(c)(ii) or Section 3(c)(iii) of this Schedule B; and (C) with respect to any other property, the adjusted basis of such property for federal income tax purposes as of the time of determination.

(ii) The Carrying Value of all Company assets may be adjusted to equal their respective fair market values (taking Code §7701(g) into account), as determined by the Board of Managers, upon the occurrence of any of the following events: (A) the acquisition of any additional interest in the Company by any new or existing Member in exchange for more than a *de minimis* Capital Contribution; (B) the distribution by the Company to a Member of more than a *de minimis* amount of Company property as consideration for an interest in the Company; (C) the liquidation of the Company within the meaning of Treas. Reg. §1.704-1(b)(2)(ii)(*g*); and (D) whenever else allowed under Treas. Reg. §1.704-1(b)(2)(iv)(*f*) (including pursuant to Treas. Reg. §§1.704-1(b)(2)(iv)(*f*)(5)(*iii*) and (*iv*)) and as contemplated under Prop. Treas. Reg. §1.704-1(b)(2)(iv)(*s*); provided, however, that if any Class B Warrants remain outstanding on the date of adjustment pursuant to this Section 3(c)(ii), the fair market value of Company property shall be determined in accordance with Prop. Treas. Reg. §1.704-1(b)(2)(iv)(*h*) so as to minimize the need for any Capital Account reallocation upon any exercise of such Class B Warrants. A revaluation of the Company property referred to in the immediately preceding sentence shall be made in accordance with Treas. Reg. §1.704-1(b)(2)(iv)(*f*) based on the fair market value of Company properties as determined by the Board of Managers using such reasonable methods of valuation as it adopts. In the event of any revaluation of Company property pursuant to Treas. Reg. §1.704-1(b)(2)(iv)(*d*)(*3*) or §1.704-1(b)(2)(iv)(*f*)(*3*), the capital accounts of the Members shall be adjusted pursuant to Treas. Reg. §1.704-1(b)(2)(iv)(*g*).

(iii) Immediately prior to the distribution of any Company property, the Carrying Value of such distributed property shall be adjusted to its fair market value, as determined by the Board of Managers.

(iv) In accordance with §704(c) of the Code and the regulations thereunder, income, gain, loss and deduction with respect to any contributed property shall, solely for tax purposes, be allocated among the Members so as to take account of any variation between the adjusted basis of such property to the Company for federal income tax purposes and its agreed value, pursuant to any method permitted by the regulations and chosen by the Board of Managers.

(v) In the event the Carrying Value of any Company asset is adjusted as described in Section 3(c)(ii) or Section 3(c)(iii) of this Schedule B, subsequent allocations of income, gain, loss and deduction with respect to such asset shall take account of any variation between the adjusted basis of such asset for federal income tax purposes and its Carrying Value in the same manner as under §704(c) of the Code and the regulations thereunder.

(vi) A transferee of an Interest will succeed to the Capital Account relating to the Interest transferred; provided, however, that if the transfer causes a termination of the Company under §708(b)(1)(B) of the Code, then the Company properties shall be deemed to have been distributed in liquidation of the Company to the Members (including the transferee of the Interest) and re-contributed by

such Members and transferees in reconstitution of the Company. The Capital Accounts of such reconstituted Company shall be maintained in accordance with the principles set forth herein.

4. Tax Elections. The Board of Managers shall have the exclusive right to make and determine all options and elections with respect to the Code and the Treasury Regulations issued thereunder. As an example of, but not in limitation of, the general authority conferred by the preceding sentence, the Members shall determine whether and when to make or revoke the election under §754 of the Code. The Board of Managers shall be the "tax matters partner"(as defined in §6231 of the Code). The tax matters partners will be authorized and required to represent the Company (at the Company's expense) in connection with all examinations of the Company's affairs by tax authorities, and to expend Company funds for professional services and costs associated therewith. The tax matters partner shall provide all notices and perform all acts required of a tax matters partner under Subchapter C of Chapter 63 of the Code. Notwithstanding the foregoing, the tax matters partner shall have the authority to agree on behalf of another Member to an extension of time for assessment under §6501(c)(4) or §6229(b)(1)(B) of the Code.

SCHEDULE D

FORM OF PROMISSORY NOTE

[$_____]

Cleveland, Ohio
[_____, 20__]

FOR VALUE RECEIVED, the undersigned, [_____], a/an [_____], having its principal place of business at [_____] ("*Maker*"), promises to pay to the order of [_____], having its principal place of business at [_____] ("*Holder*"), the principal sum of [$_____], plus interest on the outstanding principal balance thereof at the rate per annum equal to [_____%], in accordance with the following terms and conditions:

1. Maker shall pay all principal under this promissory note (this "*Note*") to Holder in [_____] equal [annual] installments of [$_____], commencing on [_____], and continuing on the same day of each subsequent year until the entire principal balance has been paid in full; provided that no payment shall be made under this Note and no Event of Default for failure to make a payment hereunder shall arise until such time as (i) all Unreturned Class A Capital Contributions and the Unpaid Class A Preferred Return (as such terms are defined in the Second Amended and Restated Operating Agreement, as further amended or restated from time to time (the "*Agreement*"), by and among Cargo Airport Services USA LLC, a Delaware limited liability company (the "*Company*"), and its members) have been paid in full and (ii) all Class D Capital Contributions and the Class D Preferred Return (as such terms are defined in the Agreement) have been paid in full.

2. Maker shall pay interest on the outstanding principal balance of the Note in [quarterly] installment payments on the last business day of each calendar quarter, commencing on [_____], and continuing on the last business day of each calendar quarter thereafter until the principal balance of this Note and all accrued and unpaid interest thereon have been paid in full; provided that no payment shall be made under this Note and no Event of Default for failure to make a payment hereunder shall arise until such time as (i) all Unreturned Class A Capital Contributions and the Unpaid Class A Preferred Return have been paid in full and (ii) all Class D Capital Contributions and the Class D Preferred Return have been paid in full. Interest shall be calculated on the average daily balance, based on a 360 day year and on the actual number of days elapsed, at the interest rate set forth above.

3. As security for the performance of Maker's obligations hereunder, Maker hereby irrevocably assigns and pledges to Holder a Class [___] Interest representing [_____%] of the total Class [___] Interests of the Company, that the Maker has [purchased/redeemed] from the Holder in connection with the issuance of this Note, pursuant to the Agreement (the "*Pledged Interest*"). To pledge the Pledged Interest, the Maker shall cause the Pledged Interest to be delivered (if represented by a certificate) or assigned (if uncertificated) to the Holder and the Holder shall be entitled to retain possession of the certificate or remain the assignee, as the case may be, of the Pledged Interest until this Note is paid in full. For as long as any portion of this Note remains unpaid, Maker shall not be entitled to sell, make a gift of, encumber or otherwise transfer the Pledged Interest or any interest therein; provided that Maker shall have the right to vote and exercise all other rights incident to the ownership of the Pledged Interest (including, without limitation, the right to receive distributions on the Pledged Interest) for as long as Maker is not in default under this Note.

4. Maker shall make all payments due under this Note to Holder at its address set forth above or, at the option of Holder, such other place as Holder may, at any time or from time to time, designate to Maker in writing.

5. Maker may, at any time or from time to time, prepay all or any part of the amounts due under this Note without any premium or penalty whatsoever.

6. The failure by Maker to make any payment of principal or interest to be paid by Maker under this Note in strict accordance with the terms hereof shall constitute an event of default (an "*Event of Default*"). Upon the occurrence of an Event of Default, Holder may exercise any or all remedies available to it under applicable law with respect to the principal and interest then due and payable under this Note. From the date of an Event of Default until the earlier to occur of the date that the Event of Default is cured or the date that all principal and interest due under this Note is paid in full, all principal and interest due under this Note as of the Default Date shall accrue at the rate of [_____%] per annum.

7. This Note is governed by, and shall be construed and enforced in accordance with, the laws of the State of Delaware, without regard to conflicts of law principles.

IN WITNESS WHEREOF, Maker has executed this Note on the date and at the place first set forth above.

(Title) President

Port Authority Use Only:	
Approval as to Terms:	Approval as to Form:

Privilege Permit (JFK 3/09)

SPECIAL ENDORSEMENTS

1. (a) The Port Authority hereby consents to the Permittee providing the Authorized Service to AeroSvit Ukrainian Airlines, All Nippon Airways Co., Air Plus Comet, Virgin Atlantic Airways Limited, Swiss International Airlines, Ltd., Pakistan International Airlines, Japan Airlines International Company, Ltd., Korean Air Lines Co., Ltd., Emirates, and Aeroflot Russian International Airline at the Airport.

(b) (i) In the event the Permittee shall desire to provide the Authorized Service to another Approved Aircraft Operator or Person at the Airport, the Permittee shall submit such request in writing to the Port Authority. The Permittee may perform the Authorized Service for other Approved Aircraft Operators or Persons at the Airport only after receiving the written consent of the Port Authority.

(ii) The Permittee hereby agrees that it will not carry on any business at the Airport other than as specifically provided herein without receiving the prior written consent of the Port Authority, which consent, if given, will be in the form of a Supplement hereto or a separate agreement with the Port Authority, and will specify whether the provisions regarding fees contained herein or any other provisions regarding fees shall apply thereto.

2. The Permittee hereby attests that its federal taxpayer identification number is [redacted].

For the Port Authority

TERMS AND CONDITIONS

1. Definitions:

The following terms, when and if used in this Permit, shall have the respective meanings given below:

(a) "*Air Cargo*" shall mean cargo transported to or from the Airport by aircraft owned or operated by an Approved Aircraft Operator.

(b) "*Aircraft Operator*" shall mean (a) a Person owning one or more aircraft which are not leased or chartered to any other Person for operation, and (b) a Person to whom one or more aircraft are leased or chartered for operation - whether the aircraft so owned, leased or chartered are military or non-military, or are used for private business, pleasure or governmental business, or for carrier or non-carrier operations, or for scheduled or non-scheduled operations or otherwise. Said term shall not mean the pilot of an aircraft unless he is also the owner or lessee thereof or a Person to whom it is chartered.

(c) "*Airport*" shall mean John F. Kennedy International Airport, consisting of certain premises identified as "John F. Kennedy International Airport" on Sheet JFK-1 of Exhibit A, and more particularly described in Exhibit B, annexed to the City Lease, and such other property as may be acquired in connection with and added to such premises pursuant to the terms of the City Lease.

(d) "*Approved Aircraft Operator*" shall mean an Aircraft Operator which the General Manager of the Airport has authorized to conduct its aircraft operations at the Airport and if such Aircraft Operator is subleasing or subusing space, or has a ground handling agreement or other agreement at the Airport with an Aircraft Operator, a lessee or other Person at the Airport which requires the consent of the Port Authority, each such subleasing, subuse, ground handling agreement or other agreement has been consented to in writing by the Port Authority.

(e) "*Basic Percentage Fee*" shall have the meaning given such term in Section 4(a)(i) hereof.

(f) "*Cargo Aircraft*" shall mean aircraft engaged solely and exclusively in the carriage of Air Cargo.

(g) "*Cargo Handling and Ramp Service*" shall mean all or any of the following services for or in connection with Air Cargo:

(i) representation and accommodation;

(ii) load control and communications;

(iii) unit load device control, handling and administration in connection with Cargo Aircraft;

(iv) flight operations and crew administration in connection with Cargo Aircraft, including but not limited to obtaining and providing meteorological reports, briefing and debriefing flight crews, preparing and filing flight plans, dispatching and receiving messages in connection with flight and ground operations, maintaining station logs and filing necessary reports with governmental agencies, preparing weight and balance plans, maintaining flight watch and arranging hotel accommodations for flight crews;

(v) pickup and delivery of Air Cargo, air express and mail to and from appropriate locations (allowed or designated from time to time by the Port Authority for such pickup and delivery) on the Airport;

(vi) preparation of documentation associated with Air Cargo, including but not limited to cargo manifests, airway bills and customs clearance documentation;

(vii) distribution of Air Cargo;

(viii) reception of Air Cargo to be shipped from the Airport;

(ix) temporary warehousing, sorting and storage of Air Cargo;

(x) supervision and administration;

(xi) courier services;

(xii) guiding Cargo Aircraft in and out of gate or loading or unloading positions and parking Cargo Aircraft;

(xiii) providing, positioning/removing, and operating appropriate units for engine starting for Cargo Aircraft;

(xiv) furnishing and placing in position and thereafter removing the necessary and appropriate steps, stands and power equipment for the safe and efficient loading and unloading of crew members and other persons, ballast, potable water, mail, air express, Air Cargo and supplies onto and from aircraft and trucks, and performing such loading and unloading and reporting irregularities;

(xv) providing a fire guard equipped with the necessary and appropriate fire fighting equipment for Cargo Aircraft;

(xvi) towing of Cargo Aircraft;

(xvii) ramp control tower services for Cargo Aircraft;

(xviii) Cargo Aircraft servicing, including interior and exterior cleaning, the removal and disposal of aircraft waste material and providing water service, cooling and heating, and toilet service;

(xix) conversion operations and services consisting of the removal of seats from convertible-type aircraft, so as to convert the same to Cargo Aircraft, and from Cargo Aircraft to Passenger Aircraft by the installation of seats;

(xx) ramp area cleaning;

(xxi) Gateside Aircraft Maintenance of Cargo Aircraft, it being specifically understood, however, that Routine and Non-routine Aircraft Maintenance, as distinguished from Gateside Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder;

(xxii) mobile fueling, on the Permittee's own account, for automotive and other ramp equipment using mobile tender vehicles or other equipment as may be approved from time to time by the General Manager of the Airport;

(xxiii) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport;

(xxiv) deicing to the exterior of aircraft of Approved Aircraft Operators at such locations on the Airport as may from time to time be designated by the General Manager of the Airport;

(xxv) triturator operations and maintenance;

(xxvi) snow removal; and

(xxvii) security services for and in connection with Air Cargo and Cargo Aircraft.

(h) "*City*" shall mean the City of New York.

(i) "*City Lease*" shall mean the Amended and Restated Agreement of Lease of the Municipal Air Terminals between The City of New York, as Landlord, and The Port Authority of New York and New Jersey, as Tenant, dated as of November 24, 2004 and recorded in the office of the City Register of the City on December 3, 2004 under City Register File No. 2004000748687, as the same may have been or may be amended or supplemented.

(j) "*Cleaning Service*" shall mean all or any of the following services:

(i) the cleaning, repairing and installing of upholstery, carpeting and curtains in aircraft and linens used on aircraft;

(ii) the complete interior and exterior cleaning of aircraft, the removal and disposal of waste material and providing water service, cooling and heating, and toilet service;

(iii) conversion operations and services consisting of the removal of seats from convertible-type aircraft so as to convert the same to Cargo Aircraft and from Cargo Aircraft to Passenger Aircraft by installation of seats;

(iv) ramp area cleaning services; and

(v) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport.

(k) "*Effective Date*" shall mean that date appearing in Item 6 on the first page of this Permit as the same may be modified pursuant to the provisions of Section 2(a) hereof.

(l) "*Environmental Requirement*" shall mean all common law and all past, present and future laws, statutes, enactments, resolutions, regulations, rules, directives, ordinances,

codes, licenses, permits, orders, memoranda of understanding and memoranda of agreement, guidances, approvals, plans, authorizations, concessions, franchises, requirements and similar items of all governmental agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof, all pollution prevention programs, "best management practices plans", and other programs adopted and agreements made by the Port Authority (whether adopted or made with or without consideration or with or without compulsion), with any government agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof, and all judicial, administrative, voluntary and regulatory decrees, judgments, orders and agreements relating to the protection of human health or the environment, and in the event that there shall be more than one compliance standard, the standard for any of the foregoing to be that which requires the lowest level of a Hazardous Substance, the foregoing to include without limitation:

(i) All requirements pertaining to reporting, licensing, permitting, investigation and remediation of emissions, discharges, releases or threatened releases of Hazardous Substances into the air, surface water, groundwater or land, or relating to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of Hazardous Substances, or the transfer of property on which Hazardous Substances exist; and

(ii) All requirements pertaining to the protection from Hazardous Substances of the health and safety of employees or the public.

(m) "*Executive Director*" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Executive Director of the Port Authority for the time being or his duly designated representative or representatives.

(n) "*Gateside Aircraft Maintenance*" shall mean such emergency transit and turnaround maintenance performed on the aircraft of an Aircraft Operator as may be performed in the time such aircraft is permitted to be and remain at the aircraft gate position or hardstand at which such maintenance is to be performed and which is performed by or required by law, rule or regulation to be performed by or under the supervision of a licensed aircraft mechanic or other person specifically licensed, certified or approved by governmental authority having jurisdiction, including the rental or equipment and tools in the connection therewith. It is specifically understood that the performance of any other aircraft maintenance, including but not limited to Routine and Non-routine Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder.

(o) "*General Manager of the Airport*" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in said General Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean said General Manager (or Acting General Manager) of the Airport for the time being or his duly designated representative or representatives.

(p) "*Gross Receipts*" shall mean all amounts, monies, revenues, receipts and income of every type paid or payable to the Permittee for sales made and for services rendered at or from the Airport, regardless of when or where the order therefor is received, and outside the Airport, if the order therefor is received at the Airport, and any other amounts, monies, revenues, receipts and income of any type arising out of or in connection with the Authorized Service, provided, however, there shall be excluded from Gross Receipts, any Terminal Four Gross Receipts and any taxes imposed by law which are separately stated to and paid by the customer and directly

payable to the taxing authority by the Permittee. The Permittee's Recovery Fee, as hereinafter defined, if any, shall be included within Gross Receipts and shall be subject to the fees set forth under Section 4 of this Permit.

(q) "*Hazardous Substance*" shall mean any pollutant, contaminant, toxic or hazardous waste, dangerous substance, potentially dangerous substance, noxious substance, toxic substance, flammable, explosive or radioactive material, urea formaldehyde foam insulation, asbestos, polychlorinated biphenyls (PCBs), chemicals known to cause cancer, endocrine disruption or reproductive toxicity, petroleum and petroleum products and substances declared to be hazardous or toxic or the removal, containment or restriction of which is required, or the manufacture, preparation, production, generation, use, maintenance, treatment, storage, transfer, handling or ownership of which is restricted, prohibited, regulated or penalized by any federal, state, county, or municipal or other local statute or law now or at any time hereafter in effect as amended or supplemented and by the regulations adopted and publications promulgated pursuant thereto.

(r) "*In-Terminal Handling Service*" shall mean all or any of the following services for or in connection with passengers of Passenger Aircraft:

(i) furnishing interpreters for the assistance of non-English-speaking passengers;

(ii) inbound and outbound passenger baggage handling services, including but not limited to checking, weighing, handling and storage of aircraft baggage;

(iii) selling of tickets for air transportation;

(iv) checking in and boarding aircraft passengers;

(v) porter service for passenger baggage;

(vi) passenger assistance, passenger information service, flight information and public address paging and announcements;

(vii) supervisory and administrative functions on behalf of Approved Aircraft Operators in conjunction with the Permittee's performance of the other activities constituting a part of the In-Terminal Handling Service;

(viii) the arrangement of ground transportation of crew, passengers and baggage;

(ix) handicapped services;

(x) security and pre-board screening;

(xi) building janitorial and maintenance; and

(xii) lounge hosting services.

(s) "*Passenger Aircraft*" shall mean aircraft owned or operated by an Approved Aircraft Operator engaged primarily in the transportation of passengers by aircraft to and from the Airport.

(t) "*Passenger Ramp Service*" shall mean all or any of the following services for or in connection with Passenger Aircraft:

(i) representation and accommodation;

(ii) load control and communications on ramp;

(iii) unit load device control, handling and administration;

(iv) baggage handling and sorting, including delivering baggage to and from Passenger Aircraft and to and from baggage facilities, provided, however, no permission is hereby given for the Permittee to deliver baggage from one terminal to another unless they are part of the same premises; sorting baggage in baggage makeup facilities; and delivering baggage to and from interline system permittees;

(v) guiding Passenger Aircraft in and out of gates or loading and unloading positions and parking Passenger Aircraft;

(vi) furnishing and placing in position and thereafter removing the necessary and appropriate steps, stands and power equipment for the safe and efficient loading and unloading of crew, passengers, baggage, ballast, potable water, mail, air express, Air Cargo and supplies from and onto Passenger Aircraft and trucks, and perform such loading and unloading and reporting irregularities;

(vii) deicing to the exterior of aircraft of Approved Aircraft Operators at such locations on the Airport as may from time to time be designated by the General Manager of the Airport;

(viii) providing, positioning/removing, and operating appropriate units for engine starting;

(ix) providing a fire guard equipped with the necessary and appropriate fire fighting equipment;

(x) towing of Passenger Aircraft;

(xi) ramp control tower services for Passenger Aircraft;

(xii) Passenger Aircraft servicing, including exterior and interior cleaning, the removal and disposal of aircraft waste material and providing water service, cooling and heating, toilet service, and rearranging cabin equipment;

(xiii) ramp area cleaning;

(xiv) mobile fueling on the Permittee's own account for automotive and other ramp equipment using mobile tender vehicles or other equipment as may be approved from time to time by the General Manager of the Airport;

(xv) Gateside Aircraft Maintenance of Passenger Aircraft, it being specifically understood, however, that Routine and Non-routine Aircraft Maintenance, as distinguished from Gateside Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder;

(xvi) flight operations and crew administration including but not limited to obtaining and providing meteorological reports, briefing and debriefing flight crews, preparing and filing flight plans, dispatching and receiving messages in connection with flight and ground operations, maintaining station logs and filing necessary reports with governmental agencies, preparing weight and balance plans, maintaining flight watch and arranging hotel accommodations for flight crews;

(xvii) ramp transportation for crew, passengers and baggage;

(xviii) supervisory and administrative functions on behalf of Approved Aircraft Operators of Passenger Aircraft;

(xix) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport, and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport;

(xx) catering liaison and administration;

(xxi) triturator operations and maintenance;

(xxii) snow removal; and

(xxiii) security services for passengers and baggage, cargo and mail, catering, and on aircraft, ramp and other designated areas.

(u) "*Permitted Areas*" shall mean with respect to the Authorized Service the following areas of the Airport and only such areas:

(i) those areas where the Permittee is authorized pursuant to a separate lease, permit or other written agreement (other than this Permit) with the Port Authority to provide such Authorized Service;

(ii) any area which pursuant to a written agreement the Port Authority has either leased to a third Person or has otherwise permitted a third Person to use and occupy and where (x) the Permittee performs such Authorized Service on such area for such Person or has obtained permission from such Person to perform such Authorized Service for an Approved Aircraft Operator on such area and (y) the performance of such Authorized Service for such Approved Aircraft Operator on such area is permitted by a written agreement with the Port Authority covering such area; or

(iii) such areas as may hereafter be designated in writing by the Port Authority for the performance of such privileges by the Permittee, it being understood and agreed that the Port Authority shall have the right at any time and from time to time to revoke, cancel, change or alter any such designation.

(v) "*Permittee's Recovery Fee*" shall mean any surcharge or other amount that the Permittee may separately state and charge its customers to recover the fee, or portion thereof, payable under this Permit.

(w) "*Person*" shall mean not only a natural person, corporation or other legal entity, but also two or more natural persons, corporations or other legal entities acting jointly as a firm, partnership, unincorporated association, consortium, joint adventurers or otherwise.

(x) "*Post-Termination Period*" shall have the meaning ascribed to it in paragraph (a) of Section 29 hereof.

(y) "*Routine and Non-routine Aircraft Maintenance*" shall mean all work including but not limited to the inspection, maintenance, servicing, testing, overhaul, cleaning, conversion, repair and installation of parts and supplies on aircraft and on aircraft parts of Approved Aircraft ~~Operators performed by or required by law, rule or regulation to be performed by or under the~~ supervision of a licensed aircraft mechanic or other person specially licensed, certified or approved by governmental authority, including the rental of tools and equipment in connection therewith.

(z) "*Terminal Four*" shall mean the premises under the Terminal Four Lease commonly referred to on the Airport as "Terminal Four".

(aa) "*Terminal Four Gross Receipts*" shall each mean and include all amounts, monies, revenues, receipts and income of every type paid or payable to the Permittee for sales made and for services rendered at Terminal Four, regardless of when or where the order therefor is received, and any other amounts, monies, revenues, receipts and income of any type arising out of or in connection with the Permittee's operations at Terminal Four, provided, however, there shall be excluded from Terminal Four Gross Receipts any taxes imposed by law which are separately stated to and paid by the customer and directly payable to the taxing authority by the Permittee.

(bb) "*Terminal Four Lease*" shall mean that certain agreement of lease bearing Port Authority Agreement No. AYC-685 entered into between the Port Authority and JFK International Air Terminal LLC on May 13, 1997.

(cc) "*Terminal Four Lessee*" shall mean for the time being JFK International Air Terminal LLC, a limited liability company organized and existing under the laws of the State of New York, or such other Person which the Port Authority may from time to time and at any time designate by notice to the Permittee.

(dd) "*Terminal Four Percentage Fee*" shall mean the fee payable to the Terminal Four Lessee pursuant to and as defined in Section 4(a)(i) hereof.

2. Effective Date, Termination and Revocation:

(a) The permission hereby granted shall take effect upon the Effective Date. Notwithstanding Item 6 appearing on the first page of this Permit, the Effective Date of this Permit shall be that date the Permittee commenced any of the activities permitted by this Permit. The Permittee in executing this Permit represents that the Effective Date appearing in Item 6 on the first page of this Permit is the date the Permittee commenced any of the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced any of the activities permitted by this Permit prior to said effective date, the Effective Date of this Permit shall be the date the Permittee commenced any of the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence

on such date including without limitation the Permittee's indemnity obligations and obligations to pay fees.

(b) Notwithstanding any other term or condition hereof, the permission hereby granted may be revoked without cause upon thirty (30) days' written notice by the Port Authority, or terminated without cause upon thirty (30) days' written notice by the Permittee, provided, however, that it may be revoked on twenty-four (24) hours' notice by the Port Authority if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth.

(c) In the event the Port Authority exercises it right to revoke this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation, including without limitation any and all personnel and legal costs (including but not limited to the cost to the Port Authority of in-house legal services) and disbursements incurred by it arising out of, relating to, or in connection with the enforcement or revocation of this Permit including, without limitation, legal proceedings initiated by the Port Authority to exercise its revocation rights and to collect all amounts due and owing to the Port Authority under this Permit.

(d) For the purposes of this Permit, a default by the Permittee in keeping, performing or observing any promise, obligation, term or agreement set forth herein on the part of the Permittee to be kept, performed or observed shall include the following whether or not the time has yet arrived for the keeping, performance or observance of any such promise, obligation, term or agreement:

(i) a statement by the Permittee to any representative of the Port Authority indicating that it cannot or will not keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit;

(ii) any act or omission of the Permittee or any other occurrence which makes it improbable at the time that it will be able to keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit; or

(iii) any suspension of or failure to proceed with any part of the privileges to be performed by the Permittee which makes it improbable at the time that it will be able to keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit.

(e) (i) If any type of strike, boycott, picketing, work stoppage, slowdown or other labor activity is directed against the Permittee at the Airport or against any operations of the Permittee under this Permit, whether or not the same is due to the fault of the Permittee and whether or not caused by the employees of the Permittee, and if any of the foregoing, in the opinion of the Port Authority, results or is likely to result in curtailment or diminution of the privileges to be performed hereunder by the Permittee or to interfere with or affect the operation of the Airport by the Port Authority or to interfere with or affect the operations of lessees, licensees, permittees or other users of the Airport, the Port Authority shall have the right at any time during the continuance thereof to suspend the operations of the Permittee under this Permit and/or to revoke this Permit.

(ii) In the event the Port Authority exercises its right to revoke this Permit, as aforesaid, it shall do so by twenty-four (24) hours' written notice to the Permittee, effective as of the time specified in the notice. The exercise by the Port Authority of its right of suspension shall not waive or affect or be deemed to waive or affect the right of revocation.

(iii) Prior to the exercise of the right of suspension by the Port Authority, it shall give the Permittee notice thereof, which notice may be oral. The Permittee shall not perform its operations authorized by this Permit during the period of the suspension. The period of suspension shall end not more than twenty-four (24) hours after the cause thereof has ceased or been cured and the Permittee shall notify the Port Authority of such cessation or cure.

(iv) The rights of suspension and revocation as hereinbefore set forth may be exercised by the Port Authority prior to the Effective Date set forth in Item 6 on the first page of this Permit. No exercise by the Port Authority of its rights granted to it in paragraph (e) of this Section shall be deemed to be a waiver of any other rights of revocation contained in this Permit or a waiver of any other rights or remedies which may be available to the Port Authority under this Permit or otherwise.

(f) No revocation or termination of the permission hereunder shall relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

(g) No exercise by the Port Authority of any right of revocation granted to it in this Section shall be deemed to be a waiver of any other rights of revocation contained in this Section or elsewhere in this Permit or a waiver of any other rights or remedies which may be available to the Port Authority under this Permit or otherwise.

3. Exercise of Rights:

(a) The rights granted hereby shall be exercised

(i) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(ii) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(iii) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees,

(iv) if the Permittee is an individual, by the Permittee acting only personally or through the medium of its employees, and

(v) if the Permittee is a limited liability company, by the Permittee acting only through the medium of its members, managers, and employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other Person. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed

by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

(b) No greater rights or privileges are hereby granted to the Permittee than the Port Authority has power to grant under the City Lease.

(c) Neither this Permit nor anything contained herein, shall be deemed to grant any rights in the Permittee to use and occupy any land, building space or other area at the Airport or shall be deemed to have created any obligation on the part of the Port Authority to provide any such land, space or area to the Permittee.

(d) Neither the execution and delivery of this Permit nor any act done pursuant thereto shall create between any terminal operator, lessee or other occupant of land at the Airport including but not limited to the Terminal Four Lessee and the Permittee, on one hand, and the Port Authority on the other hand the relationship of bailor and bailee, or any other relationship or any legal status which would impose upon the Port Authority with respect to any personal property, such as but not limited to, aircraft cargo or baggage, owned and/or handled by the Permittee any duty or obligation whatsoever. The Permittee expressly agrees that the Port Authority shall have no liability with respect to any aircraft cargo or baggage or any other property of the Permittee or of any other Person left anywhere on the Airport.

(e) This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

(f) Nothing contained in this Permit shall constitute permission to the Permittee to park or store equipment or personal property at any location or area at the Airport.

(g) The Permittee shall have no right hereunder to carry on any business or operation at the Airport other than that specifically provided herein. Without limiting the generality of the foregoing and notwithstanding anything else in this Permit to the contrary, the Permittee is expressly prohibited hereunder from performing ground transportation, fueling of aircraft and the selling and delivery of in-flight meals.

(h) It is understood that any and all privileges granted hereunder to the Permittee are non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Airport to another or others, whether by this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute a violation or breach of the permission herein granted.

(i) The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Airport.

(j) The words "permission" and "privilege" are used interchangeably in this Permit, and except where expressly provided to the contrary, shall mean the privileges granted by this Permit.

4. Fees:

(a) (i) The Permittee agrees to pay to the Port Authority, at the times set forth in and in accordance with paragraph (a)(ii) below, a percentage fee (the "*Basic Percentage Fee*") equal to five percent (5%) (as the same may be increased pursuant to paragraph (k) below) of Gross Receipts and, if any privilege or portion thereof is performed at Terminal Four, to pay to

the Terminal Four Lessee a percentage fee (hereinafter called the "Terminal Four Percentage Fee"), at the times set forth in and in accordance with paragraph (a)(iii) below, equal to five percent (5%), as the same may be increased pursuant to paragraph (k) below, of Terminal Four Gross Receipts.

(ii) Gross Receipts shall be reported and the Basic Percentage Fee shall be paid to the Port Authority by the Permittee as follows: On or before the twentieth (20th) day of the first month following the month in which the Effective Date falls and on the twentieth (20th) day of each and every calendar month thereafter during the period that this Permit is in effect and including the calendar month in which this Permit ceases to be in effect, the Permittee shall render to the Port Authority a monthly statement sworn to by a responsible executive or fiscal officer of the Permittee showing all of the Gross Receipts for the preceding month (the "Monthly Sworn Statement of Gross Receipts"). Each of the said statements shall also show the cumulative Gross Receipts from the Effective Date (or the most recent anniversary thereof) through the last day of the preceding month. At the same time each of the said statements is rendered to the Port Authority, the Permittee shall pay to the Port Authority an amount equal to five percent (5%) applied to the Gross Receipts for the preceding calendar month. In addition to the foregoing, on the twentieth (20th) day of the first month following each anniversary of the Effective Date the Permittee shall submit to the Port Authority a statement setting forth the cumulative totals of the Gross Receipts for the entire preceding twelve (12) month period certified, at the Permittee's expense, by a certified public accountant or a responsible executive or fiscal officer of the Permittee ("Annual Statement of Gross Receipts"). In addition to the foregoing, within twenty (20) days after the expiration, termination, revocation or cancellation of this Permit, the Permittee shall render to the Port Authority a sworn statement certified, at the Permittee's expense, by a certified public accountant of all Gross Receipts during the period from the last preceding anniversary of the Effective Date up to and including the last day this Permit shall be in effect and the Permittee shall, at the time of rendering such statement to the Port Authority, pay the Basic Percentage Fee due and unpaid as of the last day this Permit shall be in effect. The Permittee shall give the name and position of the responsible executive or fiscal officer designated under this paragraph to submit Monthly Sworn Statement and Annual Statement of Gross Receipts, ten (10) business days prior to the submission of the first such statement by the designee of the Permittee, so that the Port Authority may determine whether it will accept such designation. The designation shall be submitted to the Manager of Properties for the Airport. If such timely notice is not given to the Port Authority, the Permittee shall submit such statement to the Port Authority in a form executed by a certified public accountant.

(iii) Terminal Four Gross Receipts shall be reported and the Terminal Four Percentage Fee shall be paid to the Terminal Four Lessee by the Permittee as follows: On or before the twentieth (20th) day of the first month following the month in which the Effective Date falls and on the twentieth (20th) day of each and every calendar month thereafter during the period that the Permit is in effect and including the calendar month in which the Permit ceases to be in effect, the Permittee shall render to the Port Authority and the Terminal Four Lessee a monthly statement sworn to by a responsible executive or fiscal officer of the Permittee showing all of the Terminal Four Gross Receipts for the preceding month (the "Monthly Sworn Statement of Gross Receipts"). Each of the said statements shall also show the cumulative Terminal Four Gross Receipts from the Effective Date (or the most recent anniversary thereof) through the last day of the preceding month. At the same time each of the said statements is rendered to the Port Authority and the Terminal Four Lessee, the Permittee shall pay to the Terminal Four Lessee an amount equal to five percent (5%) applied to the Terminal Four Gross Receipts for the preceding calendar month. In addition to the foregoing, on the twentieth (20th) day of the first month following each anniversary of the Effective Date the Permittee shall submit to the Port Authority and the Terminal Four Lessee a statement setting forth the cumulative totals of the Terminal Four Gross Receipts for the entire preceding twelve (12) month period certified, at the

Permittee's expense, by a certified public accountant or a responsible executive or fiscal officer of the Permittee ("Annual Statement of Gross Receipts"). In addition to the foregoing, within twenty (20) days after the expiration, termination, revocation or cancellation of the Permit, the Permittee shall render to the Port Authority and the Terminal Four Lessee a sworn statement certified, at the Permittee's expense, by a certified public accountant of the Permittee of all Terminal Four Gross Receipts during the period from the last preceding anniversary of the Effective Date up to and including the last day the Permit shall be in effect and the Permittee shall, at the time of rendering such statement to the Terminal Four Lessee pay to the Terminal Four Lessee the Terminal Four Percentage Fee due and unpaid as of the last day the Permit shall be in effect. Each of the statements called for hereunder shall separately list and state the Terminal Four Gross Receipts and the applicable Terminal Four Percentage Fee payable thereon for each privilege (including without limitation each Authorized Service) provided by the Permittee hereunder at Terminal Four.

(b) (i) All statements to be submitted to the Port Authority pursuant to this Section and all payments made under this Permit, except for the Terminal Four Percentage Fee, shall be sent to the following address:

THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY
P.O. BOX 95000-1556
PHILADELPHIA, PENNSYLVANIA 19195-0001

or made via the following wire transfer instructions:

Bank: [redacted]
Bank ABA number:
Account number: [redacted]

or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

(ii) All statements to be submitted to the Terminal Four Lessee hereunder and the Terminal Four Percentage Fee shall be made to the Terminal Four Lessee at Terminal Four, John F. Kennedy International Airport, Room 2300, Jamaica, New York 11430 or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

(c) There shall be excluded from Gross Receipts and Terminal Four Gross Receipts any sum paid or payable to the Permittee for the following, provided said sum is separately stated to and paid by the customer:

(i) handicapped services;

(ii) security services;

(iii) lost and found baggage services;

(iv) snow removal services;

(v) ground transportation of employees; and

(vi) building janitorial and maintenance services,

provided further, however, the Permittee acknowledges and agrees that the Port Authority does and shall continue to have the right at any time and from time to time to withdraw the foregoing exclusions from Gross Receipts (and Terminal Four Gross Receipts), in whole or in part, or to establish a separate fee for each such service, which may be a percentage fee other than five percent (5%), upon sixty (60) days' prior written notice to the Permittee. Notwithstanding the foregoing, any fee established must be agreed to by the Permittee and the Port Authority and must be reflected in a supplement to this Permit to be prepared by the Port Authority and executed by the parties hereto.

(d) In the event the Permittee shall be permitted hereunder to provide Gateside Aircraft Maintenance services or Routine and Non-routine Aircraft Maintenance services, there shall be excluded from Gross Receipts and Terminal Four Gross Receipts any sum paid or payable to the Permittee:

(i) which arise solely from the resale to a customer of aircraft parts and supplies purchased by the Permittee from a third party, provided, however, that there shall be included in Gross Receipts and Terminal Four Gross Receipts monies paid or payable to the Permittee which arise from the sale of such aircraft parts and supplies to which the Permittee has provided labor for fabrication, refinishing or assembly to the extent of the reasonable value of the labor provided by the Permittee;

(ii) which arise solely from the use of equipment rented by the Permittee from a third party which monies are separately stated to and paid by the customer, limited, however, to the amounts actually paid by the Permittee to the third party for such rental of equipment; and

(iii) which arise solely from the loan or rental by the Permittee of aircraft parts, whether or not owned by the Permittee, which monies are separately stated to and paid by a customer and where said loan or rental of any such aircraft part is for a period of less than twelve (12) consecutive calendar days, it being understood that such monies paid or payable to the Permittee for the loan or rental may include monies for labor provided by the Permittee for installation, refurbishment of returned parts or administrative handling which is directly related to said loan or rental provided, however, all monies paid or payable to the Permittee which arise solely from the loan or rental by the Permittee of aircraft parts, whether or not owned by the Permittee, for twelve (12) or more consecutive calendar days (including but not limited to monies for labor provided by the Permittee for installation, refurbishment of returned parts or administrative handling which is directly related to said lease or rental) shall be included in Gross Receipts from the first day of the loan or rental period, as the case may be.

(e) If and to the extent the full fair market value of any sale, service or other item provided by the Permittee is not charged to or payable by the customer, then the fair market value thereof as determined by the Port Authority shall be included in Gross Receipts and Terminal Four Gross Receipts.

(f) Without limiting any other provisions of this Permit regarding Gross Receipts and Terminal Four Gross Receipts, in those instances where the Permittee provides any services or goods along with other services and goods to the same Person (including without limitation those instances where a service is part of or is included within a group of other services and rendered for a single price, and where a service is performed by the Permittee pursuant to agreement for the exchange of services or goods) the Permittee agrees that the value ascribed to the performance of such service by the Permittee shall be the fair and reasonable value thereof as determined by the Port Authority.

(g) Without limiting the requirement for Port Authority approval, if the Permittee conducts any privilege or any portion thereof through the use of a contractor or other third party which is not a Port Authority permittee and where the payments for any of the foregoing are made to such contractor rather than to the Permittee, said payments shall be deemed amounts, monies, revenues, receipts and income paid or payable to the Permittee for purposes of determining the Permittee's Gross Receipts and Terminal Four Gross Receipts, provided, however, that the foregoing shall not grant or be deemed to grant any right or permission to the Permittee to use an independent contractor or other third party to perform any privilege or portion thereof or the doing of anything hereunder by an independent contractor or other third party.

(h) Notwithstanding that the fee hereunder is measured by a percentage of Gross Receipts and Terminal Four Gross Receipts, no joint venture or partnership relationship between the parties hereto is created by this Permit.

(i) To the extent that the Permittee has not already done so at the time of execution of this Permit and without limiting the generality of any other term or provision hereof, the Permittee agrees to submit monthly statements of Gross Receipts and Terminal Four Gross Receipts as provided in this Section and to pay, at the time of execution and delivery of this Permit to the Port Authority, all fees and other amounts due under this Permit for the period from the Effective Date to the time of execution and delivery of this Permit by the Permittee.

(j) Without limiting any other provision of this Permit, it is hereby specifically understood that the failure to set forth all the classes of Persons, all of the locations served or all of the types of services or activities performed by the Permittee in its exercise of the privileges granted hereunder as of the Effective Date, or the failure to, by appropriate supplement, revise this Permit to reflect any additional classes of Persons, locations served, or services or activities performed by the Permittee subsequent to said Effective Date, shall not affect the inclusion in Gross Receipts or Terminal Four Gross Receipts hereunder of the amounts, monies, revenues, receipts and income received or receivable by the Permittee in its operations, and the same shall be so included. The foregoing shall not constitute Port Authority consent or be deemed to imply that the necessary Port Authority consent (to be reflected in a supplement to the Permit) with respect to such additional classes of Persons, locations, services or activities will be given.

(k) The Basic Percentage Fee, the Terminal Four Percentage Fee and any other fees payable under this Permit shall be subject to increase from time to time upon thirty (30) days' notice from the Port Authority to the Permittee, given by the General Manager of the Airport or such other representative as the Port Authority may substitute from time to time by notice to the Permittee, and upon the effective date of the increase set forth in such notice the fees payable by the Permittee under this Permit shall be as set forth in said notice. In the event within ten (10) days after the Permittee receives such notice from the Port Authority, the Permittee notifies the Port Authority that the Permittee does not wish to pay the increased fees, this Permit and the permission granted hereunder shall be, and shall be deemed to be, cancelled effective at the close of business on the day preceding the effective date of the increase, as set forth in the Port Authority's notice to the Permittee. If the Permittee does not so notify the Port Authority, the increased fees shall become effective on the date set forth in the Port Authority's notice as aforesaid. No cancellation of this Permit and the permission granted thereunder pursuant to this paragraph (k) shall be construed to relieve the Permittee of any obligations or liabilities hereunder which shall have accrued on or before the effective date of such cancellation.

(l) Without limiting any term or provision of this Permit, in the event the Permittee performs (x) any service, other than the Authorized Service at the Airport, or (y) any service (including the Authorized Service) at any other Port Authority facility, whether such

performance is the subject of a written agreement by and between the Port Authority and the Permittee, the Permittee hereby agrees that it will pay to the Port Authority any and all fees and/or charges applicable to such service. The Permittee also agrees that, at the request of the Port Authority, it will enter into the appropriate agreement with the Port Authority providing permission for the Permittee to perform such service.

5. Security Deposit:

(a) (i) Provided that an amount is set forth in Item 8 on the first page of this Permit (the "*Required Security Deposit*"), and, provided, further, the amount of said Required Security Deposit is less than $20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deposit with the Port Authority (and shall keep deposited throughout the effective period of the permission under this Permit) the Required Security Deposit, either in cash, or bonds of the United States of America, or of the State of New Jersey, or of the State of New York, or of the Port Authority of New York and New Jersey, having a market value of that amount, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed. Bonds qualifying for deposit hereunder shall be in bearer form but if bonds of that issue were offered only in registered form, then the Permittee may deposit such bonds or bonds in registered form, provided, however, that the Port Authority shall be under no obligation to accept such deposit of a bond in registered form unless such bond has been re-registered in the name of the Port Authority (the expense of such re-registration to be borne by the Permittee) in a manner satisfactory to the Port Authority. The Permittee may request the Port Authority to accept a registered bond in the Permittee's name and if acceptable to the Port Authority the Permittee shall deposit such bond together with an irrevocable bond power (and such other instruments or other documents as the Port Authority may require) in form and substance satisfactory to the Port Authority. In the event the Required Security Deposit is returned to the Permittee, any expenses incurred by the Port Authority in re-registering a bond to the name of the Permittee shall be borne by the Permittee. In addition to any and all other remedies available to it, the Port Authority shall have the right, at its option, at any time and from time to time, with or without notice, to use the Required Security Deposit, or any part thereof, in whole or partial satisfaction of any of its claims or demands against the Permittee. There shall be no obligation on the Port Authority to exercise such right and neither the existence of such right nor the holding of the Required Security Deposit itself shall cure any default or breach of this Permit on the part of the Permittee. With respect to any bonds deposited by the Permittee, the Port Authority shall have the right, in order to satisfy any of its claims or demands against the Permittee, to sell the same in whole or in part, at any time, and from time to time, with or without prior notice at public or private sale, all as determined by the Port Authority, together with the right to purchase the same at such sale free of all claims, equities or rights of redemption of the Permittee. The Permittee hereby waives all right to participate therein and all right to prior notice or demand of the amount or amounts of the claims or demands of the Port Authority against the Permittee. The proceeds of every such sale shall be applied by the Port Authority first to the costs and expenses of the sale (including but not limited to advertising or commission expenses) and then to the amounts due the Port Authority from the Permittee. Any balance remaining shall be retained in cash toward bringing the Required Security Deposit to the sum specified in Item 8 on the first page of this Permit. In the event that the Port Authority shall at any time or times so use the Required Security Deposit, or any part thereof, or if bonds shall have been deposited and the market value thereof shall have declined below the amount set forth in Item 8 on the first page of this Permit, the Permittee shall, on demand of the Port Authority and within two (2) days thereafter, deposit with the Port Authority additional cash or bonds so as to maintain the Required Security Deposit at all times to the full amount above stated in Item 8 on the first page of this Permit, and such additional deposits shall be subject to all the conditions of this Section. After the expiration or

earlier revocation or termination of the effective period of the permission under this Permit, and upon condition that the Permittee shall then be in no wise in default under any part of this Permit, and upon written request therefor by the Permittee, the Port Authority will return the Required Security Deposit to the Permittee less the amount of any and all unpaid claims and demands (including estimated damages) of the Port Authority by reason of any default or breach by the Permittee of this Permit or any part thereof. The Permittee agrees that it will not assign or encumber the Required Security Deposit. The Permittee may collect or receive any interest or income earned on bonds and interest paid on cash deposited in interest-bearing bank accounts, less any part thereof or amount which the Port Authority is or may hereafter be entitled or authorized by law to retain or to charge in connection therewith, whether as or in lieu of an administrative expense, or custodial charge, or otherwise; provided, however, that the Port Authority shall not be obligated by this provision to place or to keep cash deposited hereunder in interest-bearing bank accounts.

(ii) In lieu of the Required Security Deposit made in the form described above in paragraph (a)(i), the Permittee may at any time during the effective period of the permission granted under this Permit offer to deliver to the Port Authority, as security for all obligations of the Permittee under this Permit, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District, in favor of the Port Authority in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent satisfactory letter. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by security in accordance with paragraph (a)(i) of this Section or another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security under paragraph (a)(i) of this Section. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the Required Security Deposit, if any, theretofore made under and in accordance with the provisions of paragraph (a)(i) of this Section. The Permittee shall have the same rights to receive such Required Security Deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the effective period of the permission granted under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount.

(b) Provided that a Required Security Deposit amount is set forth in Item 8 on the first page of this Permit, and, provided, further, the amount of said Required Security Deposit is equal to or greater than $20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of the Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New

York District and acceptable to the Port Authority, in favor of the Port Authority, and payable in the Port of New York District in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is an appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless the letter of credit is replaced by another letter of credit satisfactory to the Port Authority by a date not later than twenty (20) days prior to the effective date of cancellation, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee, upon demand by the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to the amount of the Required Security Deposit. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to be a waiver of any default by the Permittee under the terms of this Permit, and all remedies under this Permit and of the Port Authority consequent upon such default shall not be affected by the existence of a recourse to any such letter of credit.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, in its sole discretion at any time and from time to time upon sixty (60) days' notice to the Permittee, to adjust the amount of the Required Security Deposit. Not later than the effective date set forth in said notice by the Port Authority, the Permittee shall furnish additional cash or bonds, as provided for in paragraph (a) above, or an amendment to, or a replacement of, the letter of credit providing for such adjusted amount of the Required Security Deposit, as the case may be, and such additional cash and/or bonds or adjusted (or replaced) letter of credit shall thereafter constitute the Required Security Deposit required under this Section.

(d) If the Permittee is obligated by any other agreement to maintain a security deposit with the Port Authority to insure payment and performance by the Permittee of all fees, rentals, charges and obligations which may become due and owing to the Port Authority arising from the Permittee's operations at the Airport pursuant to any such other agreement or otherwise, then all such obligations under such other agreement and any deposit pursuant thereto also shall be deemed obligations of the Permittee under this Permit and as security hereunder as well as under any such other agreement and all provisions of such other agreement with respect to such obligations and any obligations thereunder of the Port Authority as to the security deposit are hereby incorporated herein by this reference as though fully set forth herein and hereby made a part hereof. The termination, revocation, cancellation or expiration of any other agreement to which such security shall apply or any permitted assignment of such other agreement shall not affect such obligations as to such security which shall continue in full force and effect hereunder.

6. Permittee's Operations:

(a) The Permittee shall provide to the Port Authority, upon request of the Port Authority from time to time, such information and data in connection with the permission granted hereunder as the Port Authority may request and shall, if so requested by the Port Authority, make periodic reports thereof to the Port Authority utilizing such forms as may be adopted by the Port Authority for such purpose.

(b) The Permittee shall daily remove from the Airport by means of facilities provided by it all garbage, debris and other waste material (whether solid or liquid) arising out of or in connection with the permission granted hereunder, and any such not immediately removed shall be temporarily stored in a clean and sanitary condition, in suitable garbage and waste receptacles, the same to be made of metal and equipped with tight-fitting covers, and to be of a design safely and properly to contain whatever material may be placed therein; said receptacles being provided and maintained by the Permittee. The receptacles shall be kept covered except when filling or emptying the same. The Permittee shall exercise extreme care in removing such garbage, debris and other waste materials from the Airport. The manner of such storage and removal shall be subject in all respects to the continual approval of the Port Authority. No facilities of the Port Authority shall be used for such removal unless with its prior consent in writing. No such garbage, debris or other waste materials shall be or be permitted to be thrown, discharged or disposed into or upon the waters at or bounding the Airport.

(c) The Permittee shall at all times that areas of the Airport are being used for the privileges permitted hereunder, maintain said areas in a clean and orderly condition and appearance. The Permittee shall promptly wipe up any oil, gasoline, grease, lubricants and other inflammable liquids and substances and any liquids and substances having a corrosive or detrimental effect on the paving or other surface of the ramps or other areas upon which it performs the privileges authorized by this Permit resulting from its operations hereunder. The Permittee shall repair, replace, repave or rebuild, or at the Port Authority's election, the Permittee shall pay to the Port Authority the cost to the Port Authority of repairing, replacing, repaving or rebuilding, all or any part of the ramps or other areas upon which it performs the privileges authorized by this Permit which may be damaged or destroyed by such oil, gasoline, grease, lubricants or other liquids or substances or by any other act or omission of the Permittee or its employees, except for reasonable wear and tear arising out of its operations thereon.

(d) A principal purpose of the Port Authority in granting the permission under this Permit is to have available at the Airport, the privileges which the Permittee is permitted to render hereunder. The Permittee agrees that it will conduct a first-class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor, and keep the same in a first-class operating condition at all times.

(e) The Permittee shall immediately comply with all orders, directives and procedures as may be issued by the General Manager of the Airport covering the operations of the Permittee under this Permit at any time and from time to time. The Port Authority may, at any time and from time to time, without prior notice or cause, withdraw or modify any designation, approval, substitution or redesignation given by it hereunder.

(f) In the event of any injury or death to any person (other than employees of the Permittee) at the Airport when caused by the Permittee's operations, or damage to any property (other than the Permittee's property) at the Airport when caused by the Permittee's operations, the Permittee shall immediately notify the Port Authority and promptly thereafter furnish to the Port Authority copies of all reports given to the Permittee's insurance carrier.

(g) The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Airport. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the General Manager of the Airport. The Port Authority shall have the right to object to the Permittee as to the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

(h) The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations at the Airport.

7. Indemnity:

(a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third Persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee hereunder, or out of any of the acts or omissions of the Permittee, its officers, employees or Persons who are doing business with the Permittee arising out of or in connection with the activities permitted hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the Airport, including claims and demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) Without limiting any other term or provision hereof, the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

(c) Without limiting any other term or provision hereof, the Permittee shall indemnify the Port Authority and hold it harmless against all claims and demands of third Persons for damage to any aircraft cargo or baggage or any other property handled or delivered pursuant to the permission granted by this Permit.

(d) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand set forth in paragraphs (a), (b) and (c) above (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

8. Liability Insurance:

(a) The Permittee, in its own name as insured and including the Port Authority as an additional insured, shall maintain and pay the premiums during the effective period of the Permit

on a policy or policies of Commercial General Liability Insurance, including premises-operations and products-completed operations and covering bodily-injury liability, including death, and property damage liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage in the minimum limit set forth in Item 9 on the first page of this Permit, and Commercial Automobile Liability Insurance covering owned, non-owned and hired vehicles and including automatic coverage for newly acquired vehicles and providing for coverage in the minimum limit set forth in Item 9 on the first page of this Permit. Without limiting the foregoing, the Permittee shall maintain Workers' Compensation and Employers Liability Insurance in accordance with the Permittee's statutory obligations under the applicable State Workers' Compensation Law for those employees of the Permittee employed in operations conducted pursuant to this Permit at or from the Airport. In the event the Permittee maintains the foregoing insurance in limits greater than aforesaid, the Port Authority shall be included therein as an additional insured, except for the Workers' Compensation and Employers Liability Insurance policies, to the full extent of all such insurance in accordance with all terms and provisions of this Permit.

(b) Each policy of insurance, except for the Workers' Compensation and Employers Liability Insurance policies, shall also contain an ISO standard "separation of insureds" clause or a cross liability endorsement providing that the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority and any claim or action against the Port Authority by the Permittee, as if the Port Authority were the named insured thereunder, but such clause or endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured. Each policy of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Permittee under Section 7 of the Terms and Conditions of this Permit.

(c) All insurance coverages and policies required under this Section may be reviewed by the Port Authority for adequacy of terms, conditions and limits of coverage at any time and from time to time during the effective period of permission granted under this Permit. The Port Authority may, at any such time, require additions, deletions, amendments or modifications to the aforementioned insurance requirements, or may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem required and the Permittee shall promptly comply therewith.

(d) Each policy shall contain a provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' written advance notice thereof to the Port Authority. Each policy shall contain a provision or endorsement that the insurer "shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority." The foregoing provisions or endorsements shall be recited in each policy or certificate to be delivered pursuant to the following paragraph (e).

(e) A certified copy of each policy or a certificate or certificates of insurance evidencing the existence thereof, or binders, shall be delivered to the Port Authority upon execution and delivery of this Permit by the Permittee to the Port Authority. In the event any binder is delivered it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate of insurance. Any renewal policy shall be evidenced by a renewal certificate of insurance delivered to the Port Authority at least seven (7) days prior to the expiration of each

expiring policy, except for any policy expiring after the date of expiration of this Permit. The aforesaid insurance shall be written by a company or companies approved by the Port Authority. If at any time any insurance policy shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policy shall be or become unsatisfactory to the Port Authority, the Permittee shall promptly obtain a new and satisfactory policy in replacement. If the Port Authority at any time so requests, a certified copy of each policy shall be delivered to or made available for inspection by the Port Authority.

(f) The foregoing insurance requirements shall not in any way be construed as a limitation on the nature or extent of the contractual obligations assumed by the Permittee under this Permit. The foregoing insurance requirements shall not constitute a representation or warranty as to the adequacy of the required coverage to protect the Permittee with respect to the obligations imposed on the Permittee by this Permit or any other agreement or by law.

9. Special Endorsements:

The Permittee hereby agrees to the terms and conditions of the endorsements attached hereto, hereby made a part hereof and marked "*Special Endorsements*". The terms and provisions of the Special Endorsements shall have the same force and effect and as if herein set forth in full.

10. No Waiver:

No failure by the Port Authority or the Terminal Four Lessee to insist upon the strict performance of any agreement, term or condition of this Permit or to exercise any right or remedy consequent upon a breach or default thereof, and no extension, supplement or amendment of this Permit during or after a breach thereof, unless expressly stated to be a waiver, and no acceptance by the Port Authority or the Terminal Four Lessee of fees, charges or other payments in whole or in part after or during the continuance of any such breach or default, shall constitute a waiver of any such breach or default of such agreement, term or condition. No agreement, term or condition of this Permit to be performed or complied with by the Permittee, and no breach or default thereof, shall be waived, altered or modified except by a written instrument executed by the Port Authority. No waiver by the Port Authority of any default or breach on the part of the Permittee in performance of any agreement, term or condition of this Permit shall affect or alter this Permit but each and every agreement, term and condition thereof shall continue in full force and effect with respect to any other then existing or subsequent breach or default thereof.

11. Removal of Property:

The personal property placed or installed by the Permittee at the Airport shall remain the property of the Permittee and must be removed on or before the expiration, revocation, cancellation or termination of the permission hereby granted, whichever shall be earlier. Without limiting the terms and provisions of paragraph (g) of Section 18 hereof, any such property remaining at the Airport after the effective date of such expiration, revocation, cancellation or termination shall be deemed abandoned by the Permittee and may be removed and disposed of by the Port Authority in any manner it so determines in its sole discretion and all the proceeds of any removal or disposition shall be retained by the Port Authority for its account and all costs and expenses of such removal and disposition shall be paid to the Port Authority by the Permittee when billed.

12. Permittee's Representative:

The Permittee's representative specified in Item 3 on the first page of this Permit (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and any act or thing done or to be done hereunder, and to execute on the Permittee's behalf any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. Notices:

Except where expressly required or permitted herein to be oral, all notices, directions, requests, consents and approvals required to be given to or by either party or the Terminal Four Lessee shall be in writing, and all such notices given by the Port Authority or the Terminal Four Lessee to the Permittee shall be validly given if sent by registered or certified mail addressed to the Permittee at the address specified on the first page hereof or at the latest address that the Permittee may substitute therefor by notice to the Port Authority, or left at such address, or delivered to the Permittee's representative. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003 or at such other address as the Port Authority shall hereafter designate by notice to the Permittee. If mailed, the notices herein required to be given shall be deemed effective and given as of the date of the certified or registered mailing thereof.

14. Late Charges:

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority or the Terminal Four Lessee including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four (24) late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (15) (but not less than thirteen (13)) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority or the Terminal Four Lessee of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority or the Terminal Four Lessee to payment of any late charge or late charges payable under the provisions of this Section with respect to such unpaid amount. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority or the Terminal Four Lessee under this Permit, including without limitation the Port Authority's rights set forth in Section 2 of these Terms and Conditions, or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Section shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

15. Non-discrimination:

(a) Without limiting the generality of any of the provisions of this Permit, the Permittee, for itself, its successors in interest and assigns, as a part of the consideration hereof, does hereby agree that (1) no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or be otherwise subject to discrimination in the use of any space at the Airport and the exercise of any privileges under this Permit, (2) that in the construction of any improvements on, over, or under any space at the Airport and the furnishing of any service thereon by the Permittee, no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination, (3) that the Permittee shall use any space at the Airport and exercise any privileges under this Permit in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended, and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which from time to time may be applicable to the Permittee's operations thereat, whether by reason of agreement between the Port Authority and the United States Government or otherwise.

(b) The Permittee shall include the provisions of paragraph (a) of this Section in every agreement or concession it may make pursuant to which any Person or Persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Section shall constitute a material breach of this Permit. Without limiting any other term or provision hereof or any other rights or remedies of the Port Authority hereunder or at law or equity, in the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) Without limiting any other term or provision hereof, the Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third Persons, including the United States of America, resulting from the Permittee's noncompliance with any of the provisions of this Section and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Section shall grant or shall be deemed to grant to the Permittee the right to transfer or assign this Permit, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on any space at the Airport, or any right to use or occupy any space at the Airport.

16. Affirmative Action:

The Permittee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Permittee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity

covered by this subpart. The Permittee assures that it will require that its covered suborganizations provide assurances to the Permittee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

17. Rules and Regulations:

(a) The Permittee shall observe and obey (and compel its officers, employees, guests, invitees, and those doing business with it, to observe and obey) the rules and regulations and procedures of the Port Authority now in effect, and such further reasonable rules and regulations and procedures which may from time to time during the effective period of this Permit, be promulgated by the Port Authority for reasons of safety, health, preservation of property or maintenance of a good and orderly appearance of the Airport or for the safe and efficient operation of the Airport. The Port Authority agrees that, except in cases of emergency, it shall give notice to the Permittee of every rule and regulation hereafter adopted by it at least five (5) days before the Permittee shall be required to comply therewith.

(b) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the New York Board of Fire Underwriters and the New York Fire Insurance Exchange, and any other body or organization exercising similar functions which may pertain or apply to the Permittee's operations hereunder. If by reason of the Permittee's failure to comply with the provisions of this Section, any fire insurance, extended coverage or rental insurance rate on the Airport or any part thereof, or upon the contents of any building thereon, shall at any time be higher than it otherwise would be, then the Permittee shall on demand pay the Port Authority that part of all fire insurance premiums paid or payable by the Port Authority which shall have been charged because of such violation by the Permittee.

18. Prohibited Acts

(a) The Permittee shall not do or permit to be done any act which

(i) will invalidate or be in conflict with any fire insurance policies covering the Airport or any part thereof or upon the contents of any building thereon, or

(ii) will increase the rate of any fire insurance, extended coverage or rental insurance on the Airport or any part thereof or upon the contents of any building thereon, or

(iii) in the opinion of the Port Authority will constitute a hazardous condition, so as to increase the risks normally attendant upon the operations contemplated by this Permit, or

(iv) may cause or produce upon the Airport any unusual noxious or objectionable smokes, gases, vapors or odors, or

(v) may interfere with the effectiveness or accessibility of any drainage and sewerage system, water system, communications system, fire protection system, sprinkler system, alarm system, fire hydrant and hose, if any, installed or located or to be installed or located in or on the Airport, or

(vi) shall constitute a nuisance or injury in or on the Airport or which may result in the creation, commission or maintenance of a nuisance or injury in or on the Airport.

For the purpose of this paragraph (a), "Airport" includes all structures located thereon.

(b) The Permittee shall not dispose of, release or discharge nor permit anyone to dispose of, release or discharge any Hazardous Substance on the Airport except that the Permittee may release or discharge de-icing fluids utilized in the Permittee's ordinary course of business in the performance of any of the privileges granted hereunder so long as such release or discharge is not a violation of the terms and conditions of Sections 17 or 19 hereof. In addition to and without limiting Section 19 hereof, any Hazardous Substance disposed of, released or discharged by the Permittee (or permitted by the Permittee to be disposed of, released or discharged) on the Airport shall upon notice by the Port Authority to the Permittee and subject to the provisions of Sections 17 and 19 hereof and to all Environmental Requirements, be completely removed and/or remediated by the Permittee at its sole cost and expense, provided, however, the forgoing shall not apply to releases and discharges which are in compliance with the terms and conditions of Sections 17 and 19 hereof of de-icing fluids utilized in the Permittee's ordinary course of business in the performance of any of the privileges granted hereunder and the obligation of the Permittee to remove and remediate such de-icing fluids shall be as required by the terms and conditions of Sections 17 and 19 hereof. The obligations of the Permittee pursuant to this paragraph shall survive the expiration, revocation, cancellation or termination of this Permit.

(c) The Permittee shall not dispose of nor permit anyone to dispose of any waste materials (whether liquid or solid) by means of any toilets, sanitary sewers or storm sewers.

(d) (i) The Permittee shall not employ any persons or use any labor, or use or have any equipment, or permit any condition to exist, which shall or may cause or be conducive to any labor complaints, troubles, disputes or controversies at the Airport which interfere or are likely to interfere with the operation of the Airport or any part thereof by the Port Authority or with the operations of the lessees, licensees, permittees or other users of the Airport or with the operations of the Permittee under this Permit.

(ii) The Permittee shall immediately give notice to the Port Authority (to be followed by written notice and reports) of any and all impending or existing labor complaints, troubles, disputes or controversies and the progress thereof. The Permittee shall use its best efforts to resolve any such complaints, troubles, disputes or controversies.

(iii) The Permittee acknowledges that it is familiar with the general and local conditions prevailing at the Airport and with the all pertinent matters and circumstances which may in any way affect performance of the privileges granted under this Permit.

(e) The Permittee shall not solicit business on the public areas of the Airport and the use, at any time, of hand or standard megaphones, loudspeakers or any electric, electronic or other amplifying device is hereby expressly prohibited.

(f) The Permittee shall not install any fixtures or make any alterations, additions, improvements or repairs to any property of the Port Authority except with the prior written approval of the Port Authority.

(g) No signs, posters or similar devices shall be erected, displayed or maintained at the Airport without the written approval of the General Manager of the Airport; and any not approved by such General Manager or not removed by the Permittee upon the termination, revocation, expiration or cancellation of this Permit may be removed by the Port Authority at the expense of the Permittee.

(h) The Permittee shall not operate any engine or any item of automotive equipment in any enclosed space at the Airport unless such space is adequately ventilated.

(i) The Permittee shall not use any cleaning materials having a harmful or corrosive effect on any part of the Airport.

(j) The Permittee shall not fuel or defuel any equipment in any enclosed space at the Airport without the prior approval of the General Manager of the Airport except in accordance with Port Authority rules and regulations.

(k) The Permittee shall not start or operate any engine or any item of automotive equipment in any enclosed space at the Airport unless such space is adequately ventilated and unless such engine is equipped with a proper spark-arresting device.

19. Law Compliance:

(a) The Permittee shall procure all licenses, certificates, permits or other authorization from all governmental authorities, if any, having jurisdiction over the Permittee's operations at the Airport which may be necessary for the Permittee's operations thereat.

(b) The Permittee shall pay all taxes, license, certification, permit and examination fees and excises which may be assessed, levied, exacted or imposed on its property or operations at the Airport or on the Gross Receipts, Terminal Four Gross Receipts or income therefrom, and shall make all applications, reports and returns required in connection therewith.

(c) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions which may pertain or apply to the Permittee's operations at the Airport.

(d) The Permittee's obligations to comply with governmental requirements are provided herein for the purpose of assuring proper safeguards for the protection of Persons and property at the Airport and are not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

(e) The Port Authority has agreed by a provision in the City Lease with the City covering the Airport to conform to the enactments, ordinances, resolutions and regulations of the City and of its various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable so to do. The Permittee shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such

compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

20. Trademarks and Patent Infringement:

The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit.

21. Inspection:

The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Airport or to be placed or brought on the Airport, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

22. Federal Aid:

(a) The Permittee shall

(i) furnish good, prompt and efficient service hereunder, adequate to meet all demands therefor at the Airport;

(ii) furnish said service on a fair, equal and non-discriminatory basis to all users thereof; and

(iii) charge fair, reasonable and non-discriminatory prices for each unit of sale or service, provided that the Permittee may make reasonable and non-discriminatory discounts, rebates or other similar types of price reductions to volume purchasers.

As used in the above subsections "service" shall include furnishing of parts, materials and supplies (including sale thereof).

(b) The Port Authority has applied for and received a grant or grants of money from the Administrator of the Federal Aviation Administration pursuant to the Airport and Airways Development Act of 1970, as the same has been amended and supplemented, and under prior federal statutes which said Act superseded and the Port Authority may in the future apply for and receive further such grants. In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. The performance by the Permittee of the promises and obligations contained in this Permit is therefore a special consideration and inducement to the issuance of this Permit by the Port Authority, and the Permittee further agrees that if the Administrator of the Federal Aviation Administration or any other governmental officer or body having jurisdiction over the enforcement of the obligations of the Port Authority in connection with Federal Airport Aid, shall make any orders, recommendations or suggestions respecting the performance by the Permittee of its obligations under this Permit, the Permittee

will promptly comply therewith at the time or times, when and to the extent that the Port Authority may direct.

23. Capacity and Competition:

(a) The Permittee shall refrain from entering into continuing contracts or arrangements with any third Person for furnishing services covered hereunder when such contracts or arrangements will have the effect of utilizing to an unreasonable extent the Permittee's capacity for rendering such services. A reasonable amount of capacity shall be reserved by the Permittee for the purpose of rendering services hereunder to those who are not parties to continuing contracts with the Permittee.

(b) The Permittee shall not enter into any agreement or understanding, express or implied, binding or non-binding, with any other Person who may furnish services at the Airport similar to those furnished hereunder which will have the effect of (i) fixing rates and charges to be paid by users of the services; (ii) lessening or preventing competition between the Permittee and such other furnishers of services; or (iii) tending to create a monopoly on the Airport in connection with the furnishing of such services.

24. Business Development and Records:

(a) In connection with the exercise of the privileges granted hereunder, the Permittee shall:

(i) use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(ii) not divert or cause or allow to be diverted, any business from the Airport;

(iii) maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of the Permittee at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify the Authorized Service performed at Terminal Four, the Authorized Service performed at the Airport at any location other than Terminal Four and all other services performed at the Airport at any location other than Terminal Four, and;

(iv) cause any company which is owned or controlled by the Permittee, or any company which owns or controls the Permittee, if any such company performs services similar to those performed by the Permittee (any such company being hereinafter called an "*Affiliate*" and all such companies being hereinafter called the "*Affiliates*") to maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of each Affiliate at, through, or in anywise connected with the Airport, which

records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify each activity (including without limitation the Authorized Service) performed at the Airport, the Authorized Service performed at Terminal Four and all other services performed at the airport at any location other than Terminal Four;

(v) permit and/or cause to be permitted in ordinary business hours during the effective period of this Permit, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Port Authority of all the records and books of account of the Permittee (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts and/or Terminal Four Gross Receipts and which the Terminal Four Lessee, in its sole discretion, believes may be relevant for identification, determination or calculation of Terminal Four Receipts, all agreements, and all source documents) and all the records and books of account of all Affiliates (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts and/or Terminal Four Gross Receipts and which the Terminal Four Lessee, in its sole discretion, believes may be relevant for identification, determination or calculation of Terminal Four Receipts, all agreements, and all source documents) (all of the foregoing records and books described in this paragraph (a)(v) being hereinafter collectively referred to as the "*Books and Records*") within ten (10) days following any request by the Port Authority from time to time and at any time to examine and audit any Books and Records;

(vi) if the Permittee has performed any privilege or portion thereof at Terminal Four, then permit and/or cause to be permitted in ordinary business hours during the effective period of the Permit, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Terminal Four Lessee of all Books and Records within ten (10) days following any request by the Terminal Four Lessee from time to time and at any time to examine and audit any Books and Records;

(vii) permit the inspection by the officers, employees and representatives of the Port Authority and the Terminal Four Lessee of any equipment used by the Permittee, including but not limited to the equipment described in paragraph (a)(viii) below; and

(viii) install and use such cash registers, sales slips, invoicing machines and any other equipment or devices, including without limitation computerized record keeping systems, for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of Gross Receipts and Terminal Four Gross Receipts, and without limiting the generality of the foregoing, for any privilege involving cash sales, install and use cash registers or other electronic cash control equipment that provides for non-resettable totals.

(b) Without implying any limitation on the right of the Port Authority to revoke this Permit for cause for breach of any term, condition or provision thereof, including but not limited to, breach of any term, condition or provision of paragraph (a) above, the Permittee understands that the full reporting and disclosure to the Port Authority of all Gross Receipts and Terminal Four Gross Receipts and to the Terminal Four Lessee of all Terminal Four Gross Receipts and the Permittee's compliance with all the provisions of paragraph (a) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under this Permit. In the event any Books and Records are maintained outside the Port of New York District or in the event of the failure of the Permittee to comply with all the provisions of

paragraphs (a)(ii) through (a)(viii) above then, in addition to all, and without limiting any other, rights and remedies of the Port Authority and the Terminal Four Lessee under this Permit or otherwise and in addition to all of the Permittee's other obligations under this Permit:

(i) the Port Authority may estimate the Gross Receipts on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the fees based thereon shall be payable to the Port Authority when billed; and/or

(ii) the Port Authority or the Terminal Four Lessee may estimate the Terminal Four Gross Receipts on any basis that the Port Authority or the Terminal Four Lessee, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the fees based thereon shall be payable to the Terminal Four Lessee when billed; and/or

(iii) if any Books and Records are maintained outside of the Port of New York District, then the Port Authority in its sole discretion may (x) require on ten (10) days' notice to the Permittee that any such Books and Records be made available to the Port Authority within the Port of New York District for examination and audit pursuant to paragraph (a)(v) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(v) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority, for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Permittee shall pay to the Port Authority when billed all costs and expenses of the Port Authority, as determined by the Port Authority, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

(iv) if any Books and Records are maintained outside of the Port of New York District, then the Terminal Four Lessee in its sole discretion may (x) require on ten (10) days' notice to the Permittee that any such Books and Records be made available to the Terminal Four Lessee within the Port of New York District for examination and audit pursuant to paragraph (a)(vi) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(vi) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Permittee shall pay to the Terminal Four Lessee when billed all travel costs and related expenses, as determined by the Terminal Four Lessee, for Terminal Four Lessee auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Permittee shall pay to the Terminal Four Lessee when billed all costs and expenses of the Terminal Four Lessee, as determined by the Terminal Four Lessee, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Terminal Four Lessee for the purpose of conducting such audit and examination.

(c) In the event that upon conducting an examination and audit as described in this Section the Port Authority or the Terminal Four Lessee determines that unpaid amounts are due to the Port Authority or to the Terminal Four Lessee by the Permittee (the "*Audit Findings*"), the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority and/or the Terminal Four Lessee a service charge in the amount equal to five percent (5%) of the Audit Findings. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority or by the Terminal Four Lessee. Such

service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority or the Terminal Four Lessee by the Permittee under this Permit or otherwise. Such service charge shall not be payable if the Port Authority has received, for each month covered by the examination and audit period, the Monthly Sworn Statement of Gross Receipts, as provided in Section 4(a)(ii) and 4(a)(iii). No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Section with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

(d) Without implying any limitation on the rights or remedies of the Port Authority under this Permit or otherwise including without limitation the right of the Port Authority to revoke this Permit for cause for breach of any term or provision of paragraphs (a)(iii) or (a)(iv) above and in addition thereto, in the event any of the Books and Records are not maintained in English, then this Permittee shall pay to the Port Authority when billed, all costs and expenses of the Port Authority, as determined by the Port Authority, to translate such Books and Records into English.

(e) The foregoing auditing costs, expenses and amounts of the Port Authority set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Permit payable to the Port Authority with the same force and effect as the Basic Percentage Fee and all other fees payable to the Port Authority hereunder and the foregoing auditing costs, expenses and amounts of the Terminal Four Lessee set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Permit payable to the Terminal Four Lessee with the same force and effect as the Terminal Four Percentage Fee and all other fees payable to the Terminal Four Lessee hereunder.

25. Rates and Charges:

The Permittee shall establish rates and discounts therefrom which are in compliance with Section 22 hereof (each such rate and discount is hereinafter called an "*Established Rate*"). Upon request by the Port Authority, the Permittee shall provide the Port Authority its rates and discounts therefrom for goods and services furnished hereunder. If the Permittee applies any rate in excess of the Established Rate therefor or extends a discount less than the Established Discount therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the Established Rate therefor or extends a discount which is in excess of the Established Rate therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an undercharge and an amount equivalent thereto shall be included in Gross Receipts and Terminal Four Gross Receipts hereunder and the Basic Percentage Fee and the Terminal Four Percentage Fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in Gross Receipts or Terminal Four Gross Receipts any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon such breach which would otherwise be available to it at law, in equity or by reason of this Permit.

26. Other Agreements:

In the event the terms and provisions of any agreement entered into by the Permittee with any third Person in connection with the privileges granted hereunder are contrary to or conflict or are inconsistent with the terms and provisions of this Permit, the terms and provisions of this Permit shall be controlling, effective and determinative.

27. City Lease Provisions:

(a) The Permittee acknowledges that it has received a copy of, and is familiar with the contents of, the City Lease. The Permittee acknowledges that no greater rights or privileges are hereby granted to the Permittee than the Port Authority has the power to grant under the City Lease.

(b) In accordance with the provisions of the City Lease, the Port Authority and the Permittee hereby agree as follows:

(i) This Permit is subject and subordinate to the City Lease and to any interest superior to that of the Port Authority;

(ii) The Permittee shall not pay the fees or other sums under this Permit for more than one (1) month in advance (excluding security or other deposits required under this Permit);

(iii) With respect to this Permit, the Permittee on the termination of the City Lease will, at the option of the City, enter into a direct permit on identical terms with the City;

(iv) The Permittee shall indemnify the City, as third party beneficiary hereunder, with respect to all matters described in Section 31 of the City Lease that arise out of the Permittee's operations at the Airport, or arise out of the acts or omissions of the Permittee's officers, employees, agents, representatives, contractors, customers, business visitors and guests at the Airport with the Permittee's consent;

(v) The Permittee shall not use any portion of the Airport for any use other than as permitted under the City Lease;

(vi) The Permittee shall use the Airport in a manner consistent with the Port Authority's obligations under Section 28 of the City Lease;

(vii) The failure of the Permittee to comply with the foregoing provisions shall be an event of default under this Permit, which shall provide the Port Authority with the right to revoke this Permit and exercise any other rights that the Port Authority may have as the grantor of the permission hereunder; and

(viii) The City shall be named as an additional insured or loss payee, as applicable, under each policy of insurance procured by the Permittee pursuant to this Permit.

28. Counterclaims:

The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts, which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

29. Continued Exercise of Privilege After Expiration, Revocation or Termination:

(a) The Permittee acknowledges that the failure of the Permittee to cease to perform the Authorized Service at the Airport from the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss, and the Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby ~~expressly agrees to indemnify and hold the Port Authority harmless against any such injury,~~ damage or loss. The Permittee acknowledges that the Port Authority reserves all its legal and equitable rights and remedies in the event of such failure by the Permittee to cease performance of the Authorized Service.

(b) The Permittee hereby acknowledges and agrees that, subject to the foregoing, all terms and provisions of this Permit shall be and continue in full force and effect during any Post-Termination Period.

30. Miscellaneous:

(a) It is understood and agreed that the Port Authority shall not furnish, sell or supply to the Permittee any services or utilities in connection with this Permit.

(b) No Commissioner, Director, officer, agent or employee of either party shall be charged personally by the other party with any liability, or held liable to the other party, under any term or provision of this Permit, or because of the party's execution or attempted execution, or because of any breach thereof.

(c) The Section and paragraph headings, if any, in this Permit are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope or intent of any provision hereof.

(d) This Permit, including the attached Special Endorsements, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof. This Permit may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee or except by notice as specifically set forth in Sections 4 and 13 hereof. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

SPECIAL ENDORSEMENTS

1. (a) The Port Authority hereby consents to the Permittee providing the Authorized Service to Continental Airlines, Inc., El Al Israel Airlines Ltd., North American Airlines, Inc., Xpresspa JFK Terminal 1, LLC, Xpresspa at Term. 4 JFK, LLC, and Xpresspa JFK Terminal 5, LLC at the Airport.

(b) (i) In the event the Permittee shall desire to provide the Authorized Service to another Approved Aircraft Operator or Person at the Airport, the Permittee shall submit such request in writing to the Port Authority. The Permittee may perform the Authorized Service for other Approved Aircraft Operators or Persons at the Airport only after receiving the written consent of the Port Authority.

(ii) The Permittee hereby agrees that it will not carry on any business at the Airport other than as specifically provided herein without receiving the prior written consent of the Port Authority, which consent, if given, will be in the form of a Supplement hereto or a separate agreement with the Port Authority, and will specify whether the provisions regarding fees contained herein or any other provisions regarding fees shall apply thereto.

2. The Permittee hereby attests that its federal taxpayer identification number is [redacted].

TERMS AND CONDITIONS

1. Definitions:

The following terms, when and if used in this Permit, shall have the respective meanings given below:

(a) "*Air Cargo*" shall mean cargo transported to or from the Airport by aircraft owned or operated by an Approved Aircraft Operator.

(b) "*Aircraft Operator*" shall mean (a) a Person owning one or more aircraft which are not leased or chartered to any other Person for operation, and (b) a Person to whom one or more aircraft are leased or chartered for operation - whether the aircraft so owned, leased or chartered are military or non-military, or are used for private business, pleasure or governmental business, or for carrier or non-carrier operations, or for scheduled or non-scheduled operations or otherwise. Said term shall not mean the pilot of an aircraft unless he is also the owner or lessee thereof or a Person to whom it is chartered.

(c) "*Airport*" shall mean John F. Kennedy International Airport, consisting of certain premises identified as "John F. Kennedy International Airport" on Sheet JFK-1 of Exhibit A, and more particularly described in Exhibit B, annexed to the City Lease, and such other property as may be acquired in connection with and added to such premises pursuant to the terms of the City Lease.

(d) "*Approved Aircraft Operator*" shall mean an Aircraft Operator which the General Manager of the Airport has authorized to conduct its aircraft operations at the Airport and if such Aircraft Operator is subleasing or subusing space, or has a ground handling agreement or other agreement at the Airport with an Aircraft Operator, a lessee or other Person at the Airport which requires the consent of the Port Authority, each such subleasing, subuse, ground handling agreement or other agreement has been consented to in writing by the Port Authority.

(e) "*Basic Percentage Fee*" shall have the meaning given such term in Section 4(a)(i) hereof.

(f) "*Cargo Aircraft*" shall mean aircraft engaged solely and exclusively in the carriage of Air Cargo.

(g) "*Cargo Handling and Ramp Service*" shall mean all or any of the following services for or in connection with Air Cargo:

(i) representation and accommodation;

(ii) load control and communications;

(iii) unit load device control, handling and administration in connection with Cargo Aircraft;

(iv) flight operations and crew administration in connection with Cargo Aircraft, including but not limited to obtaining and providing meteorological reports, briefing and debriefing flight crews, preparing and filing flight plans, dispatching and receiving messages in connection with flight and ground operations, maintaining station logs and filing necessary reports with governmental agencies, preparing weight and balance plans, maintaining flight watch and arranging hotel accommodations for flight crews;

(v) pickup and delivery of Air Cargo, air express and mail to and from appropriate locations (allowed or designated from time to time by the Port Authority for such pickup and delivery) on the Airport;

(vi) preparation of documentation associated with Air Cargo, including but not limited to cargo manifests, airway bills and customs clearance documentation;

(vii) distribution of Air Cargo;

(viii) reception of Air Cargo to be shipped from the Airport;

(ix) temporary warehousing, sorting and storage of Air Cargo;

(x) supervision and administration;

(xi) courier services;

(xii) guiding Cargo Aircraft in and out of gate or loading or unloading positions and parking Cargo Aircraft;

(xiii) providing, positioning/removing, and operating appropriate units for engine starting for Cargo Aircraft;

(xiv) furnishing and placing in position and thereafter removing the necessary and appropriate steps, stands and power equipment for the safe and efficient loading and unloading of crew members and other persons, ballast, potable water, mail, air express, Air Cargo and supplies onto and from aircraft and trucks, and performing such loading and unloading and reporting irregularities;

(xv) providing a fire guard equipped with the necessary and appropriate fire fighting equipment for Cargo Aircraft;

(xvi) towing of Cargo Aircraft;

(xvii) ramp control tower services for Cargo Aircraft;

(xviii) Cargo Aircraft servicing, including interior and exterior cleaning, the removal and disposal of aircraft waste material and providing water service, cooling and heating, and toilet service;

(xix) conversion operations and services consisting of the removal of seats from convertible-type aircraft, so as to convert the same to Cargo Aircraft, and from Cargo Aircraft to Passenger Aircraft by the installation of seats;

(xx) ramp area cleaning;

(xxi) Gateside Aircraft Maintenance of Cargo Aircraft, it being specifically understood, however, that Routine and Non-routine Aircraft Maintenance, as distinguished from Gateside Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder;

(xxii) mobile fueling, on the Permittee's own account, for automotive and other ramp equipment using mobile tender vehicles or other equipment as may be approved from time to time by the General Manager of the Airport;

(xxiii) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport;

(xxiv) deicing to the exterior of aircraft of Approved Aircraft Operators at such locations on the Airport as may from time to time be designated by the General Manager of the Airport;

(xxv) triturator operations and maintenance;

(xxvi) snow removal; and

(xxvii) security services for and in connection with Air Cargo and Cargo Aircraft.

(h) "*City*" shall mean the City of New York.

(i) "*City Lease*" shall mean the Amended and Restated Agreement of Lease of the Municipal Air Terminals between The City of New York, as Landlord, and The Port Authority of New York and New Jersey, as Tenant, dated as of November 24, 2004 and recorded in the office of the City Register of the City on December 3, 2004 under City Register File No. 2004000748687, as the same may have been or may be amended or supplemented.

(j) "*Cleaning Service*" shall mean all or any of the following services:

(i) the cleaning, repairing and installing of upholstery, carpeting and curtains in aircraft and linens used on aircraft;

(ii) the complete interior and exterior cleaning of aircraft, the removal and disposal of waste material and providing water service, cooling and heating, and toilet service;

(iii) conversion operations and services consisting of the removal of seats from convertible-type aircraft so as to convert the same to Cargo Aircraft and from Cargo Aircraft to Passenger Aircraft by installation of seats;

(iv) ramp area cleaning services; and

(v) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport.

(k) "*Effective Date*" shall mean that date appearing in Item 6 on the first page of this Permit as the same may be modified pursuant to the provisions of Section 2(a) hereof.

(l) "*Environmental Requirement*" shall mean all common law and all past, present and future laws, statutes, enactments, resolutions, regulations, rules, directives, ordinances,

codes, licenses, permits, orders, memoranda of understanding and memoranda of agreement, guidances, approvals, plans, authorizations, concessions, franchises, requirements and similar items of all governmental agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof, all pollution prevention programs, "best management practices plans", and other programs adopted and agreements made by the Port Authority (whether adopted or made with or without consideration or with or without compulsion), with any government agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof, and all judicial, administrative, voluntary and regulatory decrees, judgments, orders and agreements relating to the protection of human health or the environment, and in the event that there shall be more than one compliance standard, the standard for any of the foregoing to be that which requires the lowest level of a Hazardous Substance, the foregoing to include without limitation:

(i) All requirements pertaining to reporting, licensing, permitting, investigation and remediation of emissions, discharges, releases or threatened releases of Hazardous Substances into the air, surface water, groundwater or land, or relating to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of Hazardous Substances, or the transfer of property on which Hazardous Substances exist; and

(ii) All requirements pertaining to the protection from Hazardous Substances of the health and safety of employees or the public.

(m) "*Executive Director*" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Executive Director of the Port Authority for the time being or his duly designated representative or representatives.

(n) "*Gateside Aircraft Maintenance*" shall mean such emergency transit and turnaround maintenance performed on the aircraft of an Aircraft Operator as may be performed in the time such aircraft is permitted to be and remain at the aircraft gate position or hardstand at which such maintenance is to be performed and which is performed by or required by law, rule or regulation to be performed by or under the supervision of a licensed aircraft mechanic or other person specifically licensed, certified or approved by governmental authority having jurisdiction, including the rental or equipment and tools in the connection therewith. It is specifically understood that the performance of any other aircraft maintenance, including but not limited to Routine and Non-routine Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder.

(o) "*General Manager of the Airport*" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in said General Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean said General Manager (or Acting General Manager) of the Airport for the time being or his duly designated representative or representatives.

(p) "*Gross Receipts*" shall mean all amounts, monies, revenues, receipts and income of every type paid or payable to the Permittee for sales made and for services rendered at or from the Airport, regardless of when or where the order therefor is received, and outside the Airport, if the order therefor is received at the Airport, and any other amounts, monies, revenues, receipts and income of any type arising out of or in connection with the Authorized Service, provided, however, there shall be excluded from Gross Receipts, any Terminal Four Gross Receipts and any taxes imposed by law which are separately stated to and paid by the customer and directly

payable to the taxing authority by the Permittee. The Permittee's Recovery Fee, as hereinafter defined, if any, shall be included within Gross Receipts and shall be subject to the fees set forth under Section 4 of this Permit.

(q) "*Hazardous Substance*" shall mean any pollutant, contaminant, toxic or hazardous waste, dangerous substance, potentially dangerous substance, noxious substance, toxic substance, flammable, explosive or radioactive material, urea formaldehyde foam insulation, asbestos, polychlorinated biphenyls (PCBs), chemicals known to cause cancer, endocrine disruption or reproductive toxicity, petroleum and petroleum products and substances declared to be hazardous or toxic or the removal, containment or restriction of which is required, or the manufacture, preparation, production, generation, use, maintenance, treatment, storage, transfer, handling or ownership of which is restricted, prohibited, regulated or penalized by any federal, state, county, or municipal or other local statute or law now or at any time hereafter in effect as amended or supplemented and by the regulations adopted and publications promulgated pursuant thereto.

(r) "*In-Terminal Handling Service*" shall mean all or any of the following services for or in connection with passengers of Passenger Aircraft:

(i) furnishing interpreters for the assistance of non-English-speaking passengers;

(ii) inbound and outbound passenger baggage handling services, including but not limited to checking, weighing, handling and storage of aircraft baggage;

(iii) selling of tickets for air transportation;

(iv) checking in and boarding aircraft passengers;

(v) porter service for passenger baggage;

(vi) passenger assistance, passenger information service, flight information and public address paging and announcements;

(vii) supervisory and administrative functions on behalf of Approved Aircraft Operators in conjunction with the Permittee's performance of the other activities constituting a part of the In-Terminal Handling Service;

(viii) the arrangement of ground transportation of crew, passengers and baggage;

(ix) handicapped services;

(x) security and pre-board screening;

(xi) building janitorial and maintenance; and

(xii) lounge hosting services.

(s) "*Passenger Aircraft*" shall mean aircraft owned or operated by an Approved Aircraft Operator engaged primarily in the transportation of passengers by aircraft to and from the Airport.

(t) "*Passenger Ramp Service*" shall mean all or any of the following services for or in connection with Passenger Aircraft:

(i) representation and accommodation;

(ii) load control and communications on ramp;

(iii) unit load device control, handling and administration;

(iv) baggage handling and sorting, including delivering baggage to and from Passenger Aircraft and to and from baggage facilities, provided, however, no permission is hereby given for the Permittee to deliver baggage from one terminal to another unless they are part of the same premises; sorting baggage in baggage makeup facilities; and delivering baggage to and from interline system permittees;

(v) guiding Passenger Aircraft in and out of gates or loading and unloading positions and parking Passenger Aircraft;

(vi) furnishing and placing in position and thereafter removing the necessary and appropriate steps, stands and power equipment for the safe and efficient loading and unloading of crew, passengers, baggage, ballast, potable water, mail, air express, Air Cargo and supplies from and onto Passenger Aircraft and trucks, and perform such loading and unloading and reporting irregularities;

(vii) deicing to the exterior of aircraft of Approved Aircraft Operators at such locations on the Airport as may from time to time be designated by the General Manager of the Airport;

(viii) providing, positioning/removing, and operating appropriate units for engine starting;

(ix) providing a fire guard equipped with the necessary and appropriate fire fighting equipment;

(x) towing of Passenger Aircraft;

(xi) ramp control tower services for Passenger Aircraft;

(xii) Passenger Aircraft servicing, including exterior and interior cleaning, the removal and disposal of aircraft waste material and providing water service, cooling and heating, toilet service, and rearranging cabin equipment;

(xiii) ramp area cleaning;

(xiv) mobile fueling on the Permittee's own account for automotive and other ramp equipment using mobile tender vehicles or other equipment as may be approved from time to time by the General Manager of the Airport;

(xv) Gateside Aircraft Maintenance of Passenger Aircraft, it being specifically understood, however, that Routine and Non-routine Aircraft Maintenance, as distinguished from Gateside Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder;

(xvi) flight operations and crew administration including but not limited to obtaining and providing meteorological reports, briefing and debriefing flight crews, preparing and filing flight plans, dispatching and receiving messages in connection with flight and ground operations, maintaining station logs and filing necessary reports with governmental agencies, preparing weight and balance plans, maintaining flight watch and arranging hotel accommodations for flight crews;

(xvii) ramp transportation for crew, passengers and baggage;

(xviii) supervisory and administrative functions on behalf of Approved Aircraft Operators of Passenger Aircraft;

(xix) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport, and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport;

(xx) catering liaison and administration;

(xxi) triturator operations and maintenance;

(xxii) snow removal; and

(xxiii) security services for passengers and baggage, cargo and mail, catering, and on aircraft, ramp and other designated areas.

(u) "*Permitted Areas*" shall mean with respect to the Authorized Service the following areas of the Airport and only such areas:

(i) those areas where the Permittee is authorized pursuant to a separate lease, permit or other written agreement (other than this Permit) with the Port Authority to provide such Authorized Service;

(ii) any area which pursuant to a written agreement the Port Authority has either leased to a third Person or has otherwise permitted a third Person to use and occupy and where (x) the Permittee performs such Authorized Service on such area for such Person or has obtained permission from such Person to perform such Authorized Service for an Approved Aircraft Operator on such area and (y) the performance of such Authorized Service for such Approved Aircraft Operator on such area is permitted by a written agreement with the Port Authority covering such area; or

(iii) such areas as may hereafter be designated in writing by the Port Authority for the performance of such privileges by the Permittee, it being understood and agreed that the Port Authority shall have the right at any time and from time to time to revoke, cancel, change or alter any such designation.

(v) "*Permittee's Recovery Fee*" shall mean any surcharge or other amount that the Permittee may separately state and charge its customers to recover the fee, or portion thereof, payable under this Permit.

(w) "*Person*" shall mean not only a natural person, corporation or other legal entity, but also two or more natural persons, corporations or other legal entities acting jointly as a firm, partnership, unincorporated association, consortium, joint adventurers or otherwise.

(x) "*Routine and Non-routine Aircraft Maintenance*" shall mean all work including but not limited to the inspection, maintenance, servicing, testing, overhaul, cleaning, conversion, repair and installation of parts and supplies on aircraft and on aircraft parts of Approved Aircraft Operators performed by or required by law, rule or regulation to be performed by or under the supervision of a licensed aircraft mechanic or other person specially licensed, certified or approved by governmental authority, including the rental of tools and equipment in connection therewith.

(y) "*Terminal Four*" shall mean the premises under the Terminal Four Lease commonly referred to on the Airport as "Terminal Four".

(z) "*Terminal Four Gross Receipts*" shall each mean and include all amounts, monies, revenues, receipts and income of every type paid or payable to the Permittee for sales made and for services rendered at Terminal Four, regardless of when or where the order therefor is received, and any other amounts, monies, revenues, receipts and income of any type arising out of or in connection with the Permittee's operations at Terminal Four, provided, however, there shall be excluded from Terminal Four Gross Receipts any taxes imposed by law which are separately stated to and paid by the customer and directly payable to the taxing authority by the Permittee.

(aa) "*Terminal Four Lease*" shall mean that certain agreement of lease bearing Port Authority Agreement No. AYC-685 entered into between the Port Authority and JFK International Air Terminal LLC on May 13, 1997.

(bb) "*Terminal Four Lessee*" shall mean for the time being JFK International Air Terminal LLC, a limited liability company organized and existing under the laws of the State of New York, or such other Person which the Port Authority may from time to time and at any time designate by notice to the Permittee.

(cc) "*Terminal Four Percentage Fee*" shall mean the fee payable to the Terminal Four Lessee pursuant to and as defined in Section 4(a)(i) hereof.

2. Effective Date, Termination and Revocation:

(a) The permission hereby granted shall take effect upon the Effective Date. Notwithstanding Item 6 appearing on the first page of this Permit, the Effective Date of this Permit shall be that date the Permittee commenced any of the activities permitted by this Permit. The Permittee in executing this Permit represents that the Effective Date appearing in Item 6 on the first page of this Permit is the date the Permittee commenced any of the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced any of the activities permitted by this Permit prior to said effective date, the Effective Date of this Permit shall be the date the Permittee commenced any of the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence on such date including without limitation the Permittee's indemnity obligations and obligations to pay fees.

(b) Notwithstanding any other term or condition hereof, the permission hereby granted may be revoked without cause upon thirty (30) days' written notice by the Port Authority, or terminated without cause upon thirty (30) days' written notice by the Permittee,

provided, however, that it may be revoked on twenty-four (24) hours' notice by the Port Authority if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth.

(c) In the event the Port Authority exercises it right to revoke this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation, including without limitation any and all personnel and legal costs (including but not limited to the cost to the Port Authority of in-house legal services) and disbursements incurred by it arising out of, relating to, or in connection with the enforcement or revocation of this Permit including, without limitation, legal proceedings initiated by the Port Authority to exercise its revocation rights and to collect all amounts due and owing to the Port Authority under this Permit.

(d) For the purposes of this Permit, a default by the Permittee in keeping, performing or observing any promise, obligation, term or agreement set forth herein on the part of the Permittee to be kept, performed or observed shall include the following whether or not the time has yet arrived for the keeping, performance or observance of any such promise, obligation, term or agreement:

(i) a statement by the Permittee to any representative of the Port Authority indicating that it cannot or will not keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit;

(ii) any act or omission of the Permittee or any other occurrence which makes it improbable at the time that it will be able to keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit; or

(iii) any suspension of or failure to proceed with any part of the privileges to be performed by the Permittee which makes it improbable at the time that it will be able to keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit.

(e) (i) If any type of strike, boycott, picketing, work stoppage, slowdown or other labor activity is directed against the Permittee at the Airport or against any operations of the Permittee under this Permit, whether or not the same is due to the fault of the Permittee and whether or not caused by the employees of the Permittee, and if any of the foregoing, in the opinion of the Port Authority, results or is likely to result in curtailment or diminution of the privileges to be performed hereunder by the Permittee or to interfere with or affect the operation of the Airport by the Port Authority or to interfere with or affect the operations of lessees, licensees, permittees or other users of the Airport, the Port Authority shall have the right at any time during the continuance thereof to suspend the operations of the Permittee under this Permit and/or to revoke this Permit.

(ii) In the event the Port Authority exercises its right to revoke this Permit, as aforesaid, it shall do so by twenty-four (24) hours' written notice to the Permittee, effective as of the time specified in the notice. The exercise by the Port Authority of its right of suspension shall not waive or affect or be deemed to waive or affect the right of revocation.

(iii) Prior to the exercise of the right of suspension by the Port Authority, it shall give the Permittee notice thereof, which notice may be oral. The Permittee shall not

perform its operations authorized by this Permit during the period of the suspension. The period of suspension shall end not more than twenty-four (24) hours after the cause thereof has ceased or been cured and the Permittee shall notify the Port Authority of such cessation or cure.

(iv) The rights of suspension and revocation as hereinbefore set forth may be exercised by the Port Authority prior to the Effective Date set forth in Item 6 on the first page of this Permit. No exercise by the Port Authority of its rights granted to it in paragraph (e) of this Section shall be deemed to be a waiver of any other rights of revocation contained in this Permit or a waiver of any other rights or remedies which may be available to the Port Authority under this Permit or otherwise.

(f) No revocation or termination of the permission hereunder shall relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

(g) No exercise by the Port Authority of any right of revocation granted to it in this Section shall be deemed to be a waiver of any other rights of revocation contained in this Section or elsewhere in this Permit or a waiver of any other rights or remedies which may be available to the Port Authority under this Permit or otherwise.

3. Exercise of Rights:

(a) The rights granted hereby shall be exercised

(i) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(ii) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(iii) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees,

(iv) if the Permittee is an individual, by the Permittee acting only personally or through the medium of its employees, and

(v) if the Permittee is a limited liability company, by the Permittee acting only through the medium of its members, managers, and employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other Person. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

(b) No greater rights or privileges are hereby granted to the Permittee than the Port Authority has power to grant under the City Lease.

(c) Neither this Permit nor anything contained herein, shall be deemed to grant any rights in the Permittee to use and occupy any land, building space or other area at the Airport or shall be deemed to have created any obligation on the part of the Port Authority to provide any such land, space or area to the Permittee.

(d) Neither the execution and delivery of this Permit nor any act done pursuant thereto shall create between any terminal operator, lessee or other occupant of land at the Airport including but not limited to the Terminal Four Lessee and the Permittee, on one hand, and the Port Authority on the other hand the relationship of bailor and bailee, or any other relationship or any legal status which would impose upon the Port Authority with respect to any personal property, such as but not limited to, aircraft cargo or baggage, owned and/or handled by the Permittee any duty or obligation whatsoever. The Permittee expressly agrees that the Port Authority shall have no liability with respect to any aircraft cargo or baggage or any other property of the Permittee or of any other Person left anywhere on the Airport.

(e) This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

(f) Nothing contained in this Permit shall constitute permission to the Permittee to park or store equipment or personal property at any location or area at the Airport.

(g) The Permittee shall have no right hereunder to carry on any business or operation at the Airport other than that specifically provided herein. Without limiting the generality of the foregoing and notwithstanding anything else in this Permit to the contrary, the Permittee is expressly prohibited hereunder from performing ground transportation, fueling of aircraft and the selling and delivery of in-flight meals.

(h) It is understood that any and all privileges granted hereunder to the Permittee are non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Airport to another or others, whether by this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute a violation or breach of the permission herein granted.

(i) The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Airport.

(j) The words "permission" and "privilege" are used interchangeably in this Permit, and except where expressly provided to the contrary, shall mean the privileges granted by this Permit.

4. Fees:

(a) (i) The Permittee agrees to pay to the Port Authority, at the times set forth in and in accordance with paragraph (a)(ii) below, a percentage fee (the "*Basic Percentage Fee*") equal to five percent (5%) (as the same may be increased pursuant to paragraph (k) below) of Gross Receipts and, if any privilege or portion thereof is performed at Terminal Four, to pay to the Terminal Four Lessee a percentage fee (hereinafter called the "Terminal Four Percentage Fee"), at the times set forth in and in accordance with paragraph (a)(iii) below, equal to five percent (5%), as the same may be increased pursuant to paragraph (k) below, of Terminal Four Gross Receipts.

(ii) Gross Receipts shall be reported and the Basic Percentage Fee shall be paid to the Port Authority by the Permittee as follows: On or before the twentieth (20th) day of the first month following the month in which the Effective Date falls and on the twentieth (20th) day of each and every calendar month thereafter during the period that this Permit is in effect and including the calendar month in which this Permit ceases to be in effect, the Permittee shall render to the Port Authority a monthly statement sworn to by a responsible executive or fiscal officer of the Permittee showing all of the Gross Receipts for the preceding month (the "Monthly Sworn Statement of Gross Receipts"). Each of the said statements shall also show the cumulative Gross Receipts from the Effective Date (or the most recent anniversary thereof) through the last day of the preceding month. At the same time each of the said statements is rendered to the Port Authority, the Permittee shall pay to the Port Authority an amount equal to five percent (5%) applied to the Gross Receipts for the preceding calendar month. In addition to the foregoing, on the twentieth (20th) day of the first month following each anniversary of the Effective Date the Permittee shall submit to the Port Authority a statement setting forth the cumulative totals of the Gross Receipts for the entire preceding twelve (12) month period certified, at the Permittee's expense, by a certified public accountant or a responsible executive or fiscal officer of the Permittee ("Annual Statement of Gross Receipts"). In addition to the foregoing, within twenty (20) days after the expiration, termination, revocation or cancellation of this Permit, the Permittee shall render to the Port Authority a sworn statement certified, at the Permittee's expense, by a certified public accountant of all Gross Receipts during the period from the last preceding anniversary of the Effective Date up to and including the last day this Permit shall be in effect and the Permittee shall, at the time of rendering such statement to the Port Authority, pay the Basic Percentage Fee due and unpaid as of the last day this Permit shall be in effect. The Permittee shall give the name and position of the responsible executive or fiscal officer designated under this paragraph to submit Monthly Sworn Statement and Annual Statement of Gross Receipts, ten (10) business days prior to the submission of the first such statement by the designee of the Permittee, so that the Port Authority may determine whether it will accept such designation. The designation shall be submitted to the Manager of Properties for the Airport. If such timely notice is not given to the Port Authority, the Permittee shall submit such statement to the Port Authority in a form executed by a certified public accountant.

(iii) Terminal Four Gross Receipts shall be reported and the Terminal Four Percentage Fee shall be paid to the Terminal Four Lessee by the Permittee as follows: On or before the twentieth (20th) day of the first month following the month in which the Effective Date falls and on the twentieth (20th) day of each and every calendar month thereafter during the period that the Permit is in effect and including the calendar month in which the Permit ceases to be in effect, the Permittee shall render to the Port Authority and the Terminal Four Lessee a monthly statement sworn to by a responsible executive or fiscal officer of the Permittee showing all of the Terminal Four Gross Receipts for the preceding month (the "Monthly Sworn Statement of Gross Receipts"). Each of the said statements shall also show the cumulative Terminal Four Gross Receipts from the Effective Date (or the most recent anniversary thereof) through the last day of the preceding month. At the same time each of the said statements is rendered to the Port Authority and the Terminal Four Lessee, the Permittee shall pay to the Terminal Four Lessee an amount equal to five percent (5%) applied to the Terminal Four Gross Receipts for the preceding calendar month. In addition to the foregoing, on the twentieth (20th) day of the first month following each anniversary of the Effective Date the Permittee shall submit to the Port Authority and the Terminal Four Lessee a statement setting forth the cumulative totals of the Terminal Four Gross Receipts for the entire preceding twelve (12) month period certified, at the Permittee's expense, by a certified public accountant or a responsible executive or fiscal officer of the Permittee ("Annual Statement of Gross Receipts"). In addition to the foregoing, within twenty (20) days after the expiration, termination, revocation or cancellation of the Permit, the Permittee shall render to the Port Authority and the Terminal Four Lessee a sworn statement certified, at the Permittee's expense, by a certified public accountant of the Permittee of all

Terminal Four Gross Receipts during the period from the last preceding anniversary of the Effective Date up to and including the last day the Permit shall be in effect and the Permittee shall, at the time of rendering such statement to the Terminal Four Lessee pay to the Terminal Four Lessee the Terminal Four Percentage Fee due and unpaid as of the last day the Permit shall be in effect. Each of the statements called for hereunder shall separately list and state the Terminal Four Gross Receipts and the applicable Terminal Four Percentage Fee payable thereon for each privilege (including without limitation each Authorized Service) provided by the Permittee hereunder at Terminal Four.

(b) (i) All statements to be submitted to the Port Authority pursuant to this Section and all payments made under this Permit, except for the Terminal Four Percentage Fee, shall be sent to the following address:

THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY
P.O. BOX 95000-1556
PHILADELPHIA, PENNSYLVANIA 19195-0001

or made via the following wire transfer instructions:

Bank: [redacted]
Bank ABA number: [redacted]
Account number:

or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

(ii) All statements to be submitted to the Terminal Four Lessee hereunder and the Terminal Four Percentage Fee shall be made to the Terminal Four Lessee at Terminal Four, John F. Kennedy International Airport, Room 2300, Jamaica, New York 11430 or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

(c) There shall be excluded from Gross Receipts and Terminal Four Gross Receipts any sum paid or payable to the Permittee for the following, provided said sum is separately stated to and paid by the customer:

(i) handicapped services;

(ii) security services;

(iii) lost and found baggage services;

(iv) snow removal services;

(v) ground transportation of employees; and

(vi) building janitorial and maintenance services,

provided further, however, the Permittee acknowledges and agrees that the Port Authority does and shall continue to have the right at any time and from time to time to withdraw the foregoing exclusions from Gross Receipts (and Terminal Four Gross Receipts), in whole or in part, or to establish a separate fee for each such service, which may be a percentage fee other than five percent (5%), upon sixty (60) days' prior written notice to the Permittee. Notwithstanding the

foregoing, any fee established must be agreed to by the Permittee and the Port Authority and must be reflected in a supplement to this Permit to be prepared by the Port Authority and executed by the parties hereto.

(d) In the event the Permittee shall be permitted hereunder to provide Gateside Aircraft Maintenance services or Routine and Non-routine Aircraft Maintenance services, there shall be excluded from Gross Receipts and Terminal Four Gross Receipts any sum paid or payable to the Permittee:

(i) which arise solely from the resale to a customer of aircraft parts and supplies purchased by the Permittee from a third party, provided, however, that there shall be included in Gross Receipts and Terminal Four Gross Receipts monies paid or payable to the Permittee which arise from the sale of such aircraft parts and supplies to which the Permittee has provided labor for fabrication, refinishing or assembly to the extent of the reasonable value of the labor provided by the Permittee;

(ii) which arise solely from the use of equipment rented by the Permittee from a third party which monies are separately stated to and paid by the customer, limited, however, to the amounts actually paid by the Permittee to the third party for such rental of equipment; and

(iii) which arise solely from the loan or rental by the Permittee of aircraft parts, whether or not owned by the Permittee, which monies are separately stated to and paid by a customer and where said loan or rental of any such aircraft part is for a period of less than twelve (12) consecutive calendar days, it being understood that such monies paid or payable to the Permittee for the loan or rental may include monies for labor provided by the Permittee for installation, refurbishment of returned parts or administrative handling which is directly related to said loan or rental provided, however, all monies paid or payable to the Permittee which arise solely from the loan or rental by the Permittee of aircraft parts, whether or not owned by the Permittee, for twelve (12) or more consecutive calendar days (including but not limited to monies for labor provided by the Permittee for installation, refurbishment of returned parts or administrative handling which is directly related to said lease or rental) shall be included in Gross Receipts from the first day of the loan or rental period, as the case may be.

(e) If and to the extent the full fair market value of any sale, service or other item provided by the Permittee is not charged to or payable by the customer, then the fair market value thereof as determined by the Port Authority shall be included in Gross Receipts and Terminal Four Gross Receipts.

(f) Without limiting any other provisions of this Permit regarding Gross Receipts and Terminal Four Gross Receipts, in those instances where the Permittee provides any services or goods along with other services and goods to the same Person (including without limitation those instances where a service is part of or is included within a group of other services and rendered for a single price, and where a service is performed by the Permittee pursuant to agreement for the exchange of services or goods) the Permittee agrees that the value ascribed to the performance of such service by the Permittee shall be the fair and reasonable value thereof as determined by the Port Authority.

(g) Without limiting the requirement for Port Authority approval, if the Permittee conducts any privilege or any portion thereof through the use of a contractor or other third party which is not a Port Authority permittee and where the payments for any of the foregoing are made to such contractor rather than to the Permittee, said payments shall be deemed amounts, monies, revenues, receipts and income paid or payable to the Permittee for purposes of determining the Permittee's Gross Receipts and Terminal Four Gross Receipts, provided,

however, that the foregoing shall not grant or be deemed to grant any right or permission to the Permittee to use an independent contractor or other third party to perform any privilege or portion thereof or the doing of anything hereunder by an independent contractor or other third party.

(h) Notwithstanding that the fee hereunder is measured by a percentage of Gross Receipts and Terminal Four Gross Receipts, no joint venture or partnership relationship between the parties hereto is created by this Permit.

(i) To the extent that the Permittee has not already done so at the time of execution of this Permit and without limiting the generality of any other term or provision hereof, the Permittee agrees to submit monthly statements of Gross Receipts and Terminal Four Gross Receipts as provided in this Section and to pay, at the time of execution and delivery of this Permit to the Port Authority, all fees and other amounts due under this Permit for the period from the Effective Date to the time of execution and delivery of this Permit by the Permittee.

(j) Without limiting any other provision of this Permit, it is hereby specifically understood that the failure to set forth all the classes of Persons, all of the locations served or all of the types of services or activities performed by the Permittee in its exercise of the privileges granted hereunder as of the Effective Date, or the failure to, by appropriate supplement, revise this Permit to reflect any additional classes of Persons, locations served, or services or activities performed by the Permittee subsequent to said Effective Date, shall not affect the inclusion in Gross Receipts or Terminal Four Gross Receipts hereunder of the amounts, monies, revenues, receipts and income received or receivable by the Permittee in its operations, and the same shall be so included. The foregoing shall not constitute Port Authority consent or be deemed to imply that the necessary Port Authority consent (to be reflected in a supplement to the Permit) with respect to such additional classes of Persons, locations, services or activities will be given.

(k) The Basic Percentage Fee, the Terminal Four Percentage Fee and any other fees payable under this Permit shall be subject to increase from time to time upon thirty (30) days' notice from the Port Authority to the Permittee, given by the General Manager of the Airport or such other representative as the Port Authority may substitute from time to time by notice to the Permittee, and upon the effective date of the increase set forth in such notice the fees payable by the Permittee under this Permit shall be as set forth in said notice. In the event within ten (10) days after the Permittee receives such notice from the Port Authority, the Permittee notifies the Port Authority that the Permittee does not wish to pay the increased fees, this Permit and the permission granted hereunder shall be, and shall be deemed to be, cancelled effective at the close of business on the day preceding the effective date of the increase, as set forth in the Port Authority's notice to the Permittee. If the Permittee does not so notify the Port Authority, the increased fees shall become effective on the date set forth in the Port Authority's notice as aforesaid. No cancellation of this Permit and the permission granted thereunder pursuant to this paragraph (k) shall be construed to relieve the Permittee of any obligations or liabilities hereunder which shall have accrued on or before the effective date of such cancellation.

(l) Without limiting any term or provision of this Permit, in the event the Permittee performs (x) any service, other than the Authorized Service at the Airport, or (y) any service (including the Authorized Service) at any other Port Authority facility, whether such performance is the subject of a written agreement by and between the Port Authority and the Permittee, the Permittee hereby agrees that it will pay to the Port Authority any and all fees and/or charges applicable to such service. The Permittee also agrees that, at the request of the Port Authority, it will enter into the appropriate agreement with the Port Authority providing permission for the Permittee to perform such service.

5. Security Deposit:

(a) (i) Provided that an amount is set forth in Item 8 on the first page of this Permit (the "*Required Security Deposit*"), and, provided, further, the amount of said Required Security Deposit is less than $20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deposit with the Port Authority (and shall keep deposited throughout the effective period of the permission under this Permit) the Required Security Deposit, either in cash, or bonds of the United States of America, or of the State of New Jersey, or of the State of New York, or of the Port Authority of New York and New Jersey, having a market value of that amount, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed. ~~Bonds qualifying for deposit hereunder shall be in bearer form but if bonds of that issue were~~ offered only in registered form, then the Permittee may deposit such bonds or bonds in registered form, provided, however, that the Port Authority shall be under no obligation to accept such deposit of a bond in registered form unless such bond has been re-registered in the name of the Port Authority (the expense of such re-registration to be borne by the Permittee) in a manner satisfactory to the Port Authority. The Permittee may request the Port Authority to accept a registered bond in the Permittee's name and if acceptable to the Port Authority the Permittee shall deposit such bond together with an irrevocable bond power (and such other instruments or other documents as the Port Authority may require) in form and substance satisfactory to the Port Authority. In the event the Required Security Deposit is returned to the Permittee, any expenses incurred by the Port Authority in re-registering a bond to the name of the Permittee shall be borne by the Permittee. In addition to any and all other remedies available to it, the Port Authority shall have the right, at its option, at any time and from time to time, with or without notice, to use the Required Security Deposit, or any part thereof, in whole or partial satisfaction of any of its claims or demands against the Permittee. There shall be no obligation on the Port Authority to exercise such right and neither the existence of such right nor the holding of the Required Security Deposit itself shall cure any default or breach of this Permit on the part of the Permittee. With respect to any bonds deposited by the Permittee, the Port Authority shall have the right, in order to satisfy any of its claims or demands against the Permittee, to sell the same in whole or in part, at any time, and from time to time, with or without prior notice at public or private sale, all as determined by the Port Authority, together with the right to purchase the same at such sale free of all claims, equities or rights of redemption of the Permittee. The Permittee hereby waives all right to participate therein and all right to prior notice or demand of the amount or amounts of the claims or demands of the Port Authority against the Permittee. The proceeds of every such sale shall be applied by the Port Authority first to the costs and expenses of the sale (including but not limited to advertising or commission expenses) and then to the amounts due the Port Authority from the Permittee. Any balance remaining shall be retained in cash toward bringing the Required Security Deposit to the sum specified in Item 8 on the first page of this Permit. In the event that the Port Authority shall at any time or times so use the Required Security Deposit, or any part thereof, or if bonds shall have been deposited and the market value thereof shall have declined below the amount set forth in Item 8 on the first page of this Permit, the Permittee shall, on demand of the Port Authority and within two (2) days thereafter, deposit with the Port Authority additional cash or bonds so as to maintain the Required Security Deposit at all times to the full amount above stated in Item 8 on the first page of this Permit, and such additional deposits shall be subject to all the conditions of this Section. After the expiration or earlier revocation or termination of the effective period of the permission under this Permit, and upon condition that the Permittee shall then be in no wise in default under any part of this Permit, and upon written request therefor by the Permittee, the Port Authority will return the Required Security Deposit to the Permittee less the amount of any and all unpaid claims and demands (including estimated damages) of the Port Authority by reason of any default or breach by the Permittee of this Permit or any part thereof. The Permittee agrees that it will not assign or

encumber the Required Security Deposit. The Permittee may collect or receive any interest or income earned on bonds and interest paid on cash deposited in interest-bearing bank accounts, less any part thereof or amount which the Port Authority is or may hereafter be entitled or authorized by law to retain or to charge in connection therewith, whether as or in lieu of an administrative expense, or custodial charge, or otherwise; provided, however, that the Port Authority shall not be obligated by this provision to place or to keep cash deposited hereunder in interest-bearing bank accounts.

(ii) In lieu of the Required Security Deposit made in the form described above in paragraph (a)(i), the Permittee may at any time during the effective period of the permission granted under this Permit offer to deliver to the Port Authority, as security for all obligations of the Permittee under this Permit, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District, in favor of the Port Authority in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent satisfactory letter. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by security in accordance with paragraph (a)(i) of this Section or another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security under paragraph (a)(i) of this Section. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the Required Security Deposit, if any, theretofore made under and in accordance with the provisions of paragraph (a)(i) of this Section. The Permittee shall have the same rights to receive such Required Security Deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the effective period of the permission granted under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount.

(b) Provided that a Required Security Deposit amount is set forth in Item 8 on the first page of this Permit, and, provided, further, the amount of said Required Security Deposit is equal to or greater than $20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of the Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority, and payable in the Port of New York District in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for

automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is an appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless the letter of credit is replaced by another letter of credit satisfactory to the Port Authority by a date not later than twenty (20) days prior to the effective date of cancellation, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee, upon demand by the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to the amount of the Required Security Deposit. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to be a waiver of any default by the Permittee under the terms of this Permit, and all remedies under this Permit and of the Port Authority consequent upon such default shall not be affected by the existence of a recourse to any such letter of credit.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, in its sole discretion at any time and from time to time upon sixty (60) days' notice to the Permittee, to adjust the amount of the Required Security Deposit. Not later than the effective date set forth in said notice by the Port Authority, the Permittee shall furnish additional cash or bonds, as provided for in paragraph (a) above, or an amendment to, or a replacement of, the letter of credit providing for such adjusted amount of the Required Security Deposit, as the case may be, and such additional cash and/or bonds or adjusted (or replaced) letter of credit shall thereafter constitute the Required Security Deposit required under this Section.

(d) If the Permittee is obligated by any other agreement to maintain a security deposit with the Port Authority to insure payment and performance by the Permittee of all fees, rentals, charges and obligations which may become due and owing to the Port Authority arising from the Permittee's operations at the Airport pursuant to any such other agreement or otherwise, then all such obligations under such other agreement and any deposit pursuant thereto also shall be deemed obligations of the Permittee under this Permit and as security hereunder as well as under any such other agreement and all provisions of such other agreement with respect to such obligations and any obligations thereunder of the Port Authority as to the security deposit are hereby incorporated herein by this reference as though fully set forth herein and hereby made a part hereof. The termination, revocation, cancellation or expiration of any other agreement to which such security shall apply or any permitted assignment of such other agreement shall not affect such obligations as to such security which shall continue in full force and effect hereunder.

6. Permittee's Operations:

(a) The Permittee shall provide to the Port Authority, upon request of the Port Authority from time to time, such information and data in connection with the permission granted hereunder as the Port Authority may request and shall, if so requested by the Port Authority, make periodic reports thereof to the Port Authority utilizing such forms as may be adopted by the Port Authority for such purpose.

(b) The Permittee shall daily remove from the Airport by means of facilities provided by it all garbage, debris and other waste material (whether solid or liquid) arising out of or in connection with the permission granted hereunder, and any such not immediately removed shall be temporarily stored in a clean and sanitary condition, in suitable garbage and waste receptacles, the same to be made of metal and equipped with tight-fitting covers, and to be of a design safely and properly to contain whatever material may be placed therein; said receptacles being provided and maintained by the Permittee. The receptacles shall be kept covered except when filling or emptying the same. The Permittee shall exercise extreme care in removing such garbage, debris and other waste materials from the Airport. The manner of such storage and removal shall be subject in all respects to the continual approval of the Port Authority. No facilities of the Port Authority shall be used for such removal unless with its prior consent in writing. No such garbage, debris or other waste materials shall be or be permitted to be thrown, discharged or ~~disposed into or upon the waters at or bounding the Airport.~~

(c) The Permittee shall at all times that areas of the Airport are being used for the privileges permitted hereunder, maintain said areas in a clean and orderly condition and appearance. The Permittee shall promptly wipe up any oil, gasoline, grease, lubricants and other inflammable liquids and substances and any liquids and substances having a corrosive or detrimental effect on the paving or other surface of the ramps or other areas upon which it performs the privileges authorized by this Permit resulting from its operations hereunder. The Permittee shall repair, replace, repave or rebuild, or at the Port Authority's election, the Permittee shall pay to the Port Authority the cost to the Port Authority of repairing, replacing, repaving or rebuilding, all or any part of the ramps or other areas upon which it performs the privileges authorized by this Permit which may be damaged or destroyed by such oil, gasoline, grease, lubricants or other liquids or substances or by any other act or omission of the Permittee or its employees, except for reasonable wear and tear arising out of its operations thereon.

(d) A principal purpose of the Port Authority in granting the permission under this Permit is to have available at the Airport, the privileges which the Permittee is permitted to render hereunder. The Permittee agrees that it will conduct a first-class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor, and keep the same in a first-class operating condition at all times.

(e) The Permittee shall immediately comply with all orders, directives and procedures as may be issued by the General Manager of the Airport covering the operations of the Permittee under this Permit at any time and from time to time. The Port Authority may, at any time and from time to time, without prior notice or cause, withdraw or modify any designation, approval, substitution or redesignation given by it hereunder.

(f) In the event of any injury or death to any person (other than employees of the Permittee) at the Airport when caused by the Permittee's operations, or damage to any property (other than the Permittee's property) at the Airport when caused by the Permittee's operations, the Permittee shall immediately notify the Port Authority and promptly thereafter furnish to the Port Authority copies of all reports given to the Permittee's insurance carrier.

(g) The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Airport. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the General Manager of the Airport. The Port Authority shall have the right to object to the Permittee as to the demeanor, conduct and appearance of the Permittee's employees,

invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

(h) The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations at the Airport.

7. Indemnity:

(a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third Persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee hereunder, or out of any of the acts or omissions of the Permittee, its officers, employees or Persons who are doing business with the Permittee arising out of or in connection with the activities permitted hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the Airport, including claims and demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) Without limiting any other term or provision hereof, the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

(c) Without limiting any other term or provision hereof, the Permittee shall indemnify the Port Authority and hold it harmless against all claims and demands of third Persons for damage to any aircraft cargo or baggage or any other property handled or delivered pursuant to the permission granted by this Permit.

(d) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand set forth in paragraphs (a), (b) and (c) above (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

8. Liability Insurance:

(a) The Permittee, in its own name as insured and including the Port Authority as an additional insured, shall maintain and pay the premiums during the effective period of the Permit on a policy or policies of Commercial General Liability Insurance, including premises-operations and products-completed operations and covering bodily-injury liability, including death, and property damage liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage in the minimum limit set forth in Item 9 on the first page of this Permit, and Commercial Automobile Liability Insurance covering owned, non-owned and hired vehicles and including automatic coverage for newly acquired vehicles and providing for coverage in the minimum limit set forth in Item 9 on the first page of this Permit. Without

limiting the foregoing, the Permittee shall maintain Workers' Compensation and Employers Liability Insurance in accordance with the Permittee's statutory obligations under the applicable State Workers' Compensation Law for those employees of the Permittee employed in operations conducted pursuant to this Permit at or from the Airport. In the event the Permittee maintains the foregoing insurance in limits greater than aforesaid, the Port Authority shall be included therein as an additional insured, except for the Workers' Compensation and Employers Liability Insurance policies, to the full extent of all such insurance in accordance with all terms and provisions of this Permit.

(b) Each policy of insurance, except for the Workers' Compensation and Employers Liability Insurance policies, shall also contain an ISO standard "separation of insureds" clause or a cross liability endorsement providing that the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority and any claim or action against the Port Authority by the Permittee, as if the Port Authority were the named insured thereunder, but such clause or endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured. Each policy of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Permittee under Section 7 of the Terms and Conditions of this Permit.

(c) All insurance coverages and policies required under this Section may be reviewed by the Port Authority for adequacy of terms, conditions and limits of coverage at any time and from time to time during the effective period of permission granted under this Permit. The Port Authority may, at any such time, require additions, deletions, amendments or modifications to the aforementioned insurance requirements, or may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem required and the Permittee shall promptly comply therewith.

(d) Each policy shall contain a provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' written advance notice thereof to the Port Authority. Each policy shall contain a provision or endorsement that the insurer "shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority." The foregoing provisions or endorsements shall be recited in each policy or certificate to be delivered pursuant to the following paragraph (e).

(e) A certified copy of each policy or a certificate or certificates of insurance evidencing the existence thereof, or binders, shall be delivered to the Port Authority upon execution and delivery of this Permit by the Permittee to the Port Authority. In the event any binder is delivered it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate of insurance. Any renewal policy shall be evidenced by a renewal certificate of insurance delivered to the Port Authority at least seven (7) days prior to the expiration of each expiring policy, except for any policy expiring after the date of expiration of this Permit. The aforesaid insurance shall be written by a company or companies approved by the Port Authority. If at any time any insurance policy shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policy shall be or become unsatisfactory to the Port Authority, the Permittee shall promptly obtain a new and satisfactory policy in replacement. If the Port Authority at any time so requests, a certified copy of each policy shall be delivered to or made available for inspection by the Port Authority.

(f) The foregoing insurance requirements shall not in any way be construed as a limitation on the nature or extent of the contractual obligations assumed by the Permittee under this Permit. The foregoing insurance requirements shall not constitute a representation or warranty as to the adequacy of the required coverage to protect the Permittee with respect to the obligations imposed on the Permittee by this Permit or any other agreement or by law.

9. Special Endorsements:

The Permittee hereby agrees to the terms and conditions of the endorsements attached hereto, hereby made a part hereof and marked "*Special Endorsements*". The terms and provisions of the Special Endorsements shall have the same force and effect and as if herein set forth in full.

10. No Waiver:

No failure by the Port Authority or the Terminal Four Lessee to insist upon the strict performance of any agreement, term or condition of this Permit or to exercise any right or remedy consequent upon a breach or default thereof, and no extension, supplement or amendment of this Permit during or after a breach thereof, unless expressly stated to be a waiver, and no acceptance by the Port Authority or the Terminal Four Lessee of fees, charges or other payments in whole or in part after or during the continuance of any such breach or default, shall constitute a waiver of any such breach or default of such agreement, term or condition. No agreement, term or condition of this Permit to be performed or complied with by the Permittee, and no breach or default thereof, shall be waived, altered or modified except by a written instrument executed by the Port Authority. No waiver by the Port Authority of any default or breach on the part of the Permittee in performance of any agreement, term or condition of this Permit shall affect or alter this Permit but each and every agreement, term and condition thereof shall continue in full force and effect with respect to any other then existing or subsequent breach or default thereof.

11. Removal of Property:

The personal property placed or installed by the Permittee at the Airport shall remain the property of the Permittee and must be removed on or before the expiration, revocation, cancellation or termination of the permission hereby granted, whichever shall be earlier. Without limiting the terms and provisions of paragraph (g) of Section 18 hereof, any such property remaining at the Airport after the effective date of such expiration, revocation, cancellation or termination shall be deemed abandoned by the Permittee and may be removed and disposed of by the Port Authority in any manner it so determines in its sole discretion and all the proceeds of any removal or disposition shall be retained by the Port Authority for its account and all costs and expenses of such removal and disposition shall be paid to the Port Authority by the Permittee when billed.

12. Permittee's Representative:

The Permittee's representative specified in Item 3 on the first page of this Permit (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and any act or thing done or to be done hereunder, and to execute on the Permittee's behalf any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. Notices:

Except where expressly required or permitted herein to be oral, all notices, directions, requests, consents and approvals required to be given to or by either party or the Terminal Four Lessee shall be in writing, and all such notices given by the Port Authority or the Terminal Four Lessee to the Permittee shall be validly given if sent by registered or certified mail addressed to the Permittee at the address specified on the first page hereof or at the latest address that the Permittee may substitute therefor by notice to the Port Authority, or left at such address, or delivered to the Permittee's representative. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003 or at such other address as the Port Authority shall hereafter designate by notice to the Permittee. If mailed, the notices herein required to be given shall be deemed effective and given as of the date of the certified or registered mailing thereof.

14. Late Charges:

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority or the Terminal Four Lessee including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four (24) late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (15) (but not less than thirteen (13)) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority or the Terminal Four Lessee of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority or the Terminal Four Lessee to payment of any late charge or late charges payable under the provisions of this Section with respect to such unpaid amount. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority or the Terminal Four Lessee under this Permit, including without limitation the Port Authority's rights set forth in Section 2 of these Terms and Conditions, or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Section shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

15. Non-discrimination:

(a) Without limiting the generality of any of the provisions of this Permit, the Permittee, for itself, its successors in interest and assigns, as a part of the consideration hereof, does hereby agree that (1) no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or be otherwise subject to discrimination in the use of any space at the Airport and the exercise of any privileges under this

Permit, (2) that in the construction of any improvements on, over, or under any space at the Airport and the furnishing of any service thereon by the Permittee, no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination, (3) that the Permittee shall use any space at the Airport and exercise any privileges under this Permit in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended, and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which from time to time may be applicable to the Permittee's operations thereat, whether by reason of agreement between the Port Authority and the United States Government or otherwise.

(b) The Permittee shall include the provisions of paragraph (a) of this Section in every agreement or concession it may make pursuant to which any Person or Persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Section shall constitute a material breach of this Permit. Without limiting any other term or provision hereof or any other rights or remedies of the Port Authority hereunder or at law or equity, in the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) Without limiting any other term or provision hereof, the Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third Persons, including the United States of America, resulting from the Permittee's noncompliance with any of the provisions of this Section and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Section shall grant or shall be deemed to grant to the Permittee the right to transfer or assign this Permit, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on any space at the Airport, or any right to use or occupy any space at the Airport.

16. Affirmative Action:

The Permittee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Permittee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Permittee assures that it will require that its covered suborganizations provide assurances to the Permittee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

17. Rules and Regulations:

(a) The Permittee shall observe and obey (and compel its officers, employees, guests, invitees, and those doing business with it, to observe and obey) the rules and regulations and procedures of the Port Authority now in effect, and such further reasonable rules and regulations and procedures which may from time to time during the effective period of this Permit, be promulgated by the Port Authority for reasons of safety, health, preservation of property or maintenance of a good and orderly appearance of the Airport or for the safe and efficient operation of the Airport. The Port Authority agrees that, except in cases of emergency, it shall give notice to the Permittee of every rule and regulation hereafter adopted by it at least five (5) days before the Permittee shall be required to comply therewith.

(b) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the New York Board of Fire Underwriters and the New York Fire Insurance Exchange, and any other body or organization exercising similar functions which may pertain or apply to the Permittee's operations hereunder. If by reason of the Permittee's failure to comply with the provisions of this Section, any fire insurance, extended coverage or rental insurance rate on the Airport or any part thereof, or upon the contents of any building thereon, shall at any time be higher than it otherwise would be, then the Permittee shall on demand pay the Port Authority that part of all fire insurance premiums paid or payable by the Port Authority which shall have been charged because of such violation by the Permittee.

18. Prohibited Acts

(a) The Permittee shall not do or permit to be done any act which

(i) will invalidate or be in conflict with any fire insurance policies covering the Airport or any part thereof or upon the contents of any building thereon, or

(ii) will increase the rate of any fire insurance, extended coverage or rental insurance on the Airport or any part thereof or upon the contents of any building thereon, or

(iii) in the opinion of the Port Authority will constitute a hazardous condition, so as to increase the risks normally attendant upon the operations contemplated by this Permit, or

(iv) may cause or produce upon the Airport any unusual noxious or objectionable smokes, gases, vapors or odors, or

(v) may interfere with the effectiveness or accessibility of any drainage and sewerage system, water system, communications system, fire protection system, sprinkler system, alarm system, fire hydrant and hose, if any, installed or located or to be installed or located in or on the Airport, or

(vi) shall constitute a nuisance or injury in or on the Airport or which may result in the creation, commission or maintenance of a nuisance or injury in or on the Airport.

For the purpose of this paragraph (a), "Airport" includes all structures located thereon.

(b) The Permittee shall not dispose of, release or discharge nor permit anyone to dispose of, release or discharge any Hazardous Substance on the Airport except that the Permittee may release or discharge de-icing fluids utilized in the Permittee's ordinary course of business in the performance of any of the privileges granted hereunder so long as such release or discharge is not a violation of the terms and conditions of Sections 17 or 19 hereof. In addition to and without limiting Section 19 hereof, any Hazardous Substance disposed of, released or

discharged by the Permittee (or permitted by the Permittee to be disposed of, released or discharged) on the Airport shall upon notice by the Port Authority to the Permittee and subject to the provisions of Sections 17 and 19 hereof and to all Environmental Requirements, be completely removed and/or remediated by the Permittee at its sole cost and expense, provided, however, the forgoing shall not apply to releases and discharges which are in compliance with the terms and conditions of Sections 17 and 19 hereof of de-icing fluids utilized in the Permittee's ordinary course of business in the performance of any of the privileges granted hereunder and the obligation of the Permittee to remove and remediate such de-icing fluids shall be as required by the terms and conditions of Sections 17 and 19 hereof. The obligations of the Permittee pursuant to this paragraph shall survive the expiration, revocation, cancellation or termination of this Permit.

(c) The Permittee shall not dispose of nor permit anyone to dispose of any waste materials (whether liquid or solid) by means of any toilets, sanitary sewers or storm sewers.

(d) (i) The Permittee shall not employ any persons or use any labor, or use or have any equipment, or permit any condition to exist, which shall or may cause or be conducive to any labor complaints, troubles, disputes or controversies at the Airport which interfere or are likely to interfere with the operation of the Airport or any part thereof by the Port Authority or with the operations of the lessees, licensees, permittees or other users of the Airport or with the operations of the Permittee under this Permit.

(ii) The Permittee shall immediately give notice to the Port Authority (to be followed by written notice and reports) of any and all impending or existing labor complaints, troubles, disputes or controversies and the progress thereof. The Permittee shall use its best efforts to resolve any such complaints, troubles, disputes or controversies.

(iii) The Permittee acknowledges that it is familiar with the general and local conditions prevailing at the Airport and with the all pertinent matters and circumstances which may in any way affect performance of the privileges granted under this Permit.

(e) The Permittee shall not solicit business on the public areas of the Airport and the use, at any time, of hand or standard megaphones, loudspeakers or any electric, electronic or other amplifying device is hereby expressly prohibited.

(f) The Permittee shall not install any fixtures or make any alterations, additions, improvements or repairs to any property of the Port Authority except with the prior written approval of the Port Authority.

(g) No signs, posters or similar devices shall be erected, displayed or maintained at the Airport without the written approval of the General Manager of the Airport; and any not approved by such General Manager or not removed by the Permittee upon the termination, revocation, expiration or cancellation of this Permit may be removed by the Port Authority at the expense of the Permittee.

(h) The Permittee shall not operate any engine or any item of automotive equipment in any enclosed space at the Airport unless such space is adequately ventilated.

(i) The Permittee shall not use any cleaning materials having a harmful or corrosive effect on any part of the Airport.

(j) The Permittee shall not fuel or defuel any equipment in any enclosed space at the Airport without the prior approval of the General Manager of the Airport except in accordance with Port Authority rules and regulations.

(k) The Permittee shall not start or operate any engine or any item of automotive equipment in any enclosed space at the Airport unless such space is adequately ventilated and unless such engine is equipped with a proper spark-arresting device.

19. Law Compliance:

(a) The Permittee shall procure all licenses, certificates, permits or other authorization from all governmental authorities, if any, having jurisdiction over the Permittee's operations at the Airport which may be necessary for the Permittee's operations thereat.

(b) The Permittee shall pay all taxes, license, certification, permit and examination fees and excises which may be assessed, levied, exacted or imposed on its property or operations at the Airport or on the Gross Receipts, Terminal Four Gross Receipts or income therefrom, and shall make all applications, reports and returns required in connection therewith.

(c) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions which may pertain or apply to the Permittee's operations at the Airport.

(d) The Permittee's obligations to comply with governmental requirements are provided herein for the purpose of assuring proper safeguards for the protection of Persons and property at the Airport and are not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

(e) The Port Authority has agreed by a provision in the City Lease with the City covering the Airport to conform to the enactments, ordinances, resolutions and regulations of the City and of its various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable so to do. The Permittee shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

20. Trademarks and Patent Infringement:

The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit.

21. Inspection:

The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Airport or to be placed or brought on the Airport, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

22. Federal Aid:

(a) The Permittee shall

(i) furnish good, prompt and efficient service hereunder, adequate to meet all demands therefor at the Airport;

(ii) furnish said service on a fair, equal and non-discriminatory basis to all users thereof; and

(iii) charge fair, reasonable and non-discriminatory prices for each unit of sale or service, provided that the Permittee may make reasonable and non-discriminatory discounts, rebates or other similar types of price reductions to volume purchasers.

As used in the above subsections "service" shall include furnishing of parts, materials and supplies (including sale thereof).

(b) The Port Authority has applied for and received a grant or grants of money from the Administrator of the Federal Aviation Administration pursuant to the Airport and Airways Development Act of 1970, as the same has been amended and supplemented, and under prior federal statutes which said Act superseded and the Port Authority may in the future apply for and receive further such grants. In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. The performance by the Permittee of the promises and obligations contained in this Permit is therefore a special consideration and inducement to the issuance of this Permit by the Port Authority, and the Permittee further agrees that if the Administrator of the Federal Aviation Administration or any other governmental officer or body having jurisdiction over the enforcement of the obligations of the Port Authority in connection with Federal Airport Aid, shall make any orders, recommendations or suggestions respecting the performance by the Permittee of its obligations under this Permit, the Permittee will promptly comply therewith at the time or times, when and to the extent that the Port Authority may direct.

23. Capacity and Competition:

(a) The Permittee shall refrain from entering into continuing contracts or arrangements with any third Person for furnishing services covered hereunder when such contracts or arrangements will have the effect of utilizing to an unreasonable extent the Permittee's capacity for rendering such services. A reasonable amount of capacity shall be reserved by the Permittee for the purpose of rendering services hereunder to those who are not parties to continuing contracts with the Permittee.

(b) The Permittee shall not enter into any agreement or understanding, express or implied, binding or non-binding, with any other Person who may furnish services at the Airport similar to those furnished hereunder which will have the effect of (i) fixing rates and charges to be paid by users of the services; (ii) lessening or preventing competition between the Permittee and such other furnishers of services; or (iii) tending to create a monopoly on the Airport in connection with the furnishing of such services.

24. Business Development and Records:

(a) In connection with the exercise of the privileges granted hereunder, the Permittee shall:

(i) use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(ii) not divert or cause or allow to be diverted, any business from the Airport;

(iii) maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of the Permittee at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify the Authorized Service performed at Terminal Four, the Authorized Service performed at the Airport at any location other than Terminal Four and all other services performed at the Airport at any location other than Terminal Four, and;

(iv) cause any company which is owned or controlled by the Permittee, or any company which owns or controls the Permittee, if any such company performs services similar to those performed by the Permittee (any such company being hereinafter called an "*Affiliate*" and all such companies being hereinafter called the "*Affiliates*") to maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of each Affiliate at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify each activity (including without limitation the Authorized Service) performed at the Airport, the Authorized Service performed at Terminal Four and all other services performed at the airport at any location other than Terminal Four;

(v) permit and/or cause to be permitted in ordinary business hours during the effective period of this Permit, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Port Authority of all the records and books of account of the Permittee (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts and/or Terminal Four Gross Receipts and which the Terminal Four Lessee, in its sole discretion, believes may be relevant for identification, determination or calculation of Terminal Four Receipts, all agreements, and all source documents) and all the records and books of account of all Affiliates (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts and/or Terminal Four Gross Receipts and which the Terminal Four Lessee, in its sole discretion, believes may be relevant for identification, determination or calculation of Terminal Four Receipts, all agreements, and all source documents) (all of the foregoing records and books described in this paragraph (a)(v) being hereinafter collectively referred to as the "*Books and Records*") within ten (10) days following any request by the Port Authority from time to time and at any time to examine and audit any Books and Records;

(vi) if the Permittee has performed any privilege or portion thereof at Terminal Four, then permit and/or cause to be permitted in ordinary business hours during the effective period of the Permit, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Terminal Four Lessee of all Books and Records within ten (10) days following any request by the Terminal Four Lessee from time to time and at any time to examine and audit any Books and Records;

(vii) permit the inspection by the officers, employees and representatives of the Port Authority and the Terminal Four Lessee of any equipment used by the Permittee, including but not limited to the equipment described in paragraph (a)(viii) below; and

(viii) install and use such cash registers, sales slips, invoicing machines and any other equipment or devices, including without limitation computerized record keeping systems, for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of Gross Receipts and Terminal Four Gross Receipts, and without limiting the generality of the foregoing, for any privilege involving cash sales, install and use cash registers or other electronic cash control equipment that provides for non-resettable totals.

(b) Without implying any limitation on the right of the Port Authority to revoke this Permit for cause for breach of any term, condition or provision thereof, including but not limited to, breach of any term, condition or provision of paragraph (a) above, the Permittee understands that the full reporting and disclosure to the Port Authority of all Gross Receipts and Terminal Four Gross Receipts and to the Terminal Four Lessee of all Terminal Four Gross Receipts and the Permittee's compliance with all the provisions of paragraph (a) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under this Permit. In the event any Books and Records are maintained outside the Port of New York District or in the event of the failure of the Permittee to comply with all the provisions of paragraphs (a)(ii) through (a)(viii) above then, in addition to all, and without limiting any other, rights and remedies of the Port Authority and the Terminal Four Lessee under this Permit or otherwise and in addition to all of the Permittee's other obligations under this Permit:

(i) the Port Authority may estimate the Gross Receipts on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the fees based thereon shall be payable to the Port Authority when billed; and/or

(ii) the Port Authority or the Terminal Four Lessee may estimate the Terminal Four Gross Receipts on any basis that the Port Authority or the Terminal Four Lessee, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the fees based thereon shall be payable to the Terminal Four Lessee when billed; and/or

(iii) if any Books and Records are maintained outside of the Port of New York District, then the Port Authority in its sole discretion may (x) require on ten (10) days' notice to the Permittee that any such Books and Records be made available to the Port Authority within the Port of New York District for examination and audit pursuant to paragraph (a)(v) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(v) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority, for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Permittee shall pay to the Port Authority when billed all costs and expenses of the Port Authority, as determined by the Port Authority, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

(iv) if any Books and Records are maintained outside of the Port of New York District, then the Terminal Four Lessee in its sole discretion may (x) require on ten (10) days' notice to the Permittee that any such Books and Records be made available to the Terminal Four Lessee within the Port of New York District for examination and audit pursuant to paragraph (a)(vi) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(vi) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Permittee shall pay to the Terminal Four Lessee when billed all travel costs and related expenses, as determined by the Terminal Four Lessee, for Terminal Four Lessee auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Permittee shall pay to the Terminal Four Lessee when billed all costs and expenses of the Terminal Four Lessee, as determined by the Terminal Four Lessee, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Terminal Four Lessee for the purpose of conducting such audit and examination.

(c) In the event that upon conducting an examination and audit as described in this Section the Port Authority or the Terminal Four Lessee determines that unpaid amounts are due to the Port Authority or to the Terminal Four Lessee by the Permittee (the "*Audit Findings*"), the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority and/or the Terminal Four Lessee a service charge in the amount equal to five percent (5%) of the Audit Findings. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority or by the Terminal Four Lessee. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority or the Terminal Four Lessee by the Permittee under this Permit or otherwise. Such service charge shall not be payable if the Port Authority has received, for each month covered by the examination and audit period, the Monthly Sworn Statement of Gross

Receipts, as provided in Section 4(a)(ii) and 4(a)(iii). No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Section with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

(d) Without implying any limitation on the rights or remedies of the Port Authority under this Permit or otherwise including without limitation the right of the Port Authority to revoke this Permit for cause for breach of any term or provision of paragraphs (a)(iii) or (a)(iv) above and in addition thereto, in the event any of the Books and Records are not maintained in English, then this Permittee shall pay to the Port Authority when billed, all costs and expenses of the Port Authority, as determined by the Port Authority, to translate such Books and Records into English.

(e) The foregoing auditing costs, expenses and amounts of the Port Authority set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Permit payable to the Port Authority with the same force and effect as the Basic Percentage Fee and all other fees payable to the Port Authority hereunder and the foregoing auditing costs, expenses and amounts of the Terminal Four Lessee set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Permit payable to the Terminal Four Lessee with the same force and effect as the Terminal Four Percentage Fee and all other fees payable to the Terminal Four Lessee hereunder.

25. Rates and Charges:

The Permittee shall establish rates and discounts therefrom which are in compliance with Section 22 hereof (each such rate and discount is hereinafter called an "*Established Rate*"). Upon request by the Port Authority, the Permittee shall provide the Port Authority its rates and discounts therefrom for goods and services furnished hereunder. If the Permittee applies any rate in excess of the Established Rate therefor or extends a discount less than the Established Discount therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the Established Rate therefor or extends a discount which is in excess of the Established Rate therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an undercharge and an amount equivalent thereto shall be included in Gross Receipts and Terminal Four Gross Receipts hereunder and the Basic Percentage Fee and the Terminal Four Percentage Fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in Gross Receipts or Terminal Four Gross Receipts any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon such breach which would otherwise be available to it at law, in equity or by reason of this Permit.

26. Other Agreements:

In the event the terms and provisions of any agreement entered into by the Permittee with any third Person in connection with the privileges granted hereunder are contrary to or conflict or

are inconsistent with the terms and provisions of this Permit, the terms and provisions of this Permit shall be controlling, effective and determinative.

27. City Lease Provisions:

(a) The Permittee acknowledges that it has received a copy of, and is familiar with the contents of, the City Lease. The Permittee acknowledges that no greater rights or privileges are hereby granted to the Permittee than the Port Authority has the power to grant under the City Lease.

(b) In accordance with the provisions of the City Lease, the Port Authority and the Permittee hereby agree as follows:

(i) This Permit is subject and subordinate to the City Lease and to any interest superior to that of the Port Authority;

(ii) The Permittee shall not pay the fees or other sums under this Permit for more than one (1) month in advance (excluding security or other deposits required under this Permit);

(iii) With respect to this Permit, the Permittee on the termination of the City Lease will, at the option of the City, enter into a direct permit on identical terms with the City;

(iv) The Permittee shall indemnify the City, as third party beneficiary hereunder, with respect to all matters described in Section 31 of the City Lease that arise out of the Permittee's operations at the Airport, or arise out of the acts or omissions of the Permittee's officers, employees, agents, representatives, contractors, customers, business visitors and guests at the Airport with the Permittee's consent;

(v) The Permittee shall not use any portion of the Airport for any use other than as permitted under the City Lease;

(vi) The Permittee shall use the Airport in a manner consistent with the Port Authority's obligations under Section 28 of the City Lease;

(vii) The failure of the Permittee to comply with the foregoing provisions shall be an event of default under this Permit, which shall provide the Port Authority with the right to revoke this Permit and exercise any other rights that the Port Authority may have as the grantor of the permission hereunder; and

(viii) The City shall be named as an additional insured or loss payee, as applicable, under each policy of insurance procured by the Permittee pursuant to this Permit.

28. Counterclaims:

The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts, which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

29. Continued Exercise of Privilege After Expiration, Revocation or Termination:

(a) The Permittee acknowledges that the failure of the Permittee to cease to perform the Authorized Service at the Airport from the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss, and the Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss. The Permittee acknowledges that the Port Authority reserves all its legal and equitable rights and remedies in the event of such failure by the Permittee to cease performance of the Authorized Service.

(b) The Permittee hereby acknowledges and agrees that, subject to the foregoing, all terms and provisions of this Permit shall be and continue in full force and effect during any period following such expiration, revocation or termination.

30. Miscellaneous:

(a) It is understood and agreed that the Port Authority shall not furnish, sell or supply to the Permittee any services or utilities in connection with this Permit.

(b) No Commissioner, Director, officer, agent or employee of either party shall be charged personally by the other party with any liability, or held liable to the other party, under any term or provision of this Permit, or because of the party's execution or attempted execution, or because of any breach thereof.

(c) The Section and paragraph headings, if any, in this Permit are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope or intent of any provision hereof.

(d) This Permit, including the attached Special Endorsements, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof. This Permit may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee or except by notice as specifically set forth in Sections 4 and 13 hereof. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

SPECIAL ENDORSEMENTS

1. (a) The Port Authority hereby consents to the Permittee providing the Authorized Service to Airborne Maintenance and Engineering Services, Inc. at the Airport.

(b) (i) In the event the Permittee shall desire to provide the Authorized Service to another Approved Aircraft Operator or Person at the Airport, the Permittee shall submit such request in writing to the Port Authority. The Permittee may perform the Authorized Service for other Approved Aircraft Operators or Persons at the Airport only after receiving the written consent of the Port Authority.

(ii) The Permittee hereby agrees that it will not carry on any business at the Airport other than as specifically provided herein without receiving the prior written consent of the Port Authority, which consent, if given, will be in the form of a Supplement hereto or a separate agreement with the Port Authority, and will specify whether the provisions regarding fees contained herein or any other provisions regarding fees shall apply thereto.

2. The Permittee hereby attests that its federal taxpayer identification number is [redacted].

3. The Permittee hereby agrees that this Permit constitutes one of the "Agreements", as such term is defined in that certain security agreement entered into between the Port Authority and the Permittee, dated September 1, 2009 and identified by Port Authority Agreement No. AX-847 (the "Security Agreement"), and that a breach or failure to perform or comply with any other terms or conditions of the Security Agreement, including without limitation failure to provide a letter of credit in accordance with the terms and provisions of the Security Agreement valid and available to the Port Authority or any failure of any banking institution issuing a letter of credit to make one or more payments as provided in such letter of credit, shall constitute a breach of this Permit and of the Security Agreement thereby entitling the Port Authority to immediately exercise any and all rights available to it, including without limitation the right to revoke this Permit for cause.

TERMS AND CONDITIONS

1. Definitions:

The following terms, when and if used in this Permit, shall have the respective meanings given below:

(a) "*Air Cargo*" shall mean cargo transported to or from the Airport by aircraft owned or operated by an Approved Aircraft Operator.

(b) "*Aircraft Operator*" shall mean (a) a Person owning one or more aircraft which are not leased or chartered to any other Person for operation, and (b) a Person to whom one or more aircraft are leased or chartered for operation - whether the aircraft so owned, leased or chartered are military or non-military, or are used for private business, pleasure or governmental business, or for carrier or non-carrier operations, or for scheduled or non-scheduled operations or otherwise. Said term shall not mean the pilot of an aircraft unless he is also the owner or lessee thereof or a Person to whom it is chartered.

(c) "*Airport*" shall mean John F. Kennedy International Airport, consisting of certain premises identified as "John F. Kennedy International Airport" on Sheet JFK-1 of Exhibit A, and more particularly described in Exhibit B, annexed to the City Lease, and such other property as may be acquired in connection with and added to such premises pursuant to the terms of the City Lease.

(d) "*Approved Aircraft Operator*" shall mean an Aircraft Operator which the General Manager of the Airport has authorized to conduct its aircraft operations at the Airport and if such Aircraft Operator is subleasing or subusing space, or has a ground handling agreement or other agreement at the Airport with an Aircraft Operator, a lessee or other Person at the Airport which requires the consent of the Port Authority, each such subleasing, subuse, ground handling agreement or other agreement has been consented to in writing by the Port Authority.

(e) "*Basic Percentage Fee*" shall have the meaning given such term in Section 4(a)(i) hereof.

(f) "*Cargo Aircraft*" shall mean aircraft engaged solely and exclusively in the carriage of Air Cargo.

(g) "*Cargo Handling and Ramp Service*" shall mean all or any of the following services for or in connection with Air Cargo:

(i) representation and accommodation;

(ii) load control and communications;

(iii) unit load device control, handling and administration in connection with Cargo Aircraft;

(iv) flight operations and crew administration in connection with Cargo Aircraft, including but not limited to obtaining and providing meteorological reports, briefing and debriefing flight crews, preparing and filing flight plans, dispatching and receiving messages in connection with flight and ground operations, maintaining station logs and filing necessary reports with governmental agencies, preparing weight and balance plans, maintaining flight watch and arranging hotel accommodations for flight crews;

(v) pickup and delivery of Air Cargo, air express and mail to and from appropriate locations (allowed or designated from time to time by the Port Authority for such pickup and delivery) on the Airport;

(vi) preparation of documentation associated with Air Cargo, including but not limited to cargo manifests, airway bills and customs clearance documentation;

(vii) distribution of Air Cargo;

(viii) reception of Air Cargo to be shipped from the Airport;

(ix) temporary warehousing, sorting and storage of Air Cargo;

(x) supervision and administration;

(xi) courier services;

(xii) guiding Cargo Aircraft in and out of gate or loading or unloading positions and parking Cargo Aircraft;

(xiii) providing, positioning/removing, and operating appropriate units for engine starting for Cargo Aircraft;

(xiv) furnishing and placing in position and thereafter removing the necessary and appropriate steps, stands and power equipment for the safe and efficient loading and unloading of crew members and other persons, ballast, potable water, mail, air express, Air Cargo and supplies onto and from aircraft and trucks, and performing such loading and unloading and reporting irregularities;

(xv) providing a fire guard equipped with the necessary and appropriate fire fighting equipment for Cargo Aircraft;

(xvi) towing of Cargo Aircraft;

(xvii) ramp control tower services for Cargo Aircraft;

(xviii) Cargo Aircraft servicing, including interior and exterior cleaning, the removal and disposal of aircraft waste material and providing water service, cooling and heating, and toilet service;

(xix) conversion operations and services consisting of the removal of seats from convertible-type aircraft, so as to convert the same to Cargo Aircraft, and from Cargo Aircraft to Passenger Aircraft by the installation of seats;

(xx) ramp area cleaning;

(xxi) Gateside Aircraft Maintenance of Cargo Aircraft, it being specifically understood, however, that Routine and Non-routine Aircraft Maintenance, as distinguished from Gateside Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder;

(xxii) mobile fueling, on the Permittee's own account, for automotive and other ramp equipment using mobile tender vehicles or other equipment as may be approved from time to time by the General Manager of the Airport;

(xxiii) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport;

(xxiv) deicing to the exterior of aircraft of Approved Aircraft Operators at such locations on the Airport as may from time to time be designated by the General Manager of the Airport;

(xxv) triturator operations and maintenance;

(xxvi) snow removal; and

(xxvii) security services for and in connection with Air Cargo and Cargo Aircraft.

(h) "*City*" shall mean the City of New York.

(i) "*City Lease*" shall mean the Amended and Restated Agreement of Lease of the Municipal Air Terminals between The City of New York, as Landlord, and The Port Authority of New York and New Jersey, as Tenant, dated as of November 24, 2004 and recorded in the office of the City Register of the City on December 3, 2004 under City Register File No. 2004000748687, as the same may have been or may be amended or supplemented.

(j) "*Cleaning Service*" shall mean all or any of the following services:

(i) the cleaning, repairing and installing of upholstery, carpeting and curtains in aircraft and linens used on aircraft;

(ii) the complete interior and exterior cleaning of aircraft, the removal and disposal of waste material and providing water service, cooling and heating, and toilet service;

(iii) conversion operations and services consisting of the removal of seats from convertible-type aircraft so as to convert the same to Cargo Aircraft and from Cargo Aircraft to Passenger Aircraft by installation of seats;

(iv) ramp area cleaning services; and

(v) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport.

(k) "*Effective Date*" shall mean that date appearing in Item 6 on the first page of this Permit as the same may be modified pursuant to the provisions of Section 2(a) hereof.

(l) "*Environmental Requirement*" shall mean all common law and all past, present and future laws, statutes, enactments, resolutions, regulations, rules, directives, ordinances,

codes, licenses, permits, orders, memoranda of understanding and memoranda of agreement, guidances, approvals, plans, authorizations, concessions, franchises, requirements and similar items of all governmental agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof, all pollution prevention programs, "best management practices plans", and other programs adopted and agreements made by the Port Authority (whether adopted or made with or without consideration or with or without compulsion), with any government agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof, and all judicial, administrative, voluntary and regulatory decrees, judgments, orders and agreements relating to the protection of human health or the environment, and in the event that there shall be more than one compliance standard, the standard for any of the foregoing to be that which requires the lowest level of a Hazardous Substance, the foregoing to include without limitation:

(i) All requirements pertaining to reporting, licensing, permitting, investigation and remediation of emissions, discharges, releases or threatened releases of Hazardous Substances into the air, surface water, groundwater or land, or relating to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of Hazardous Substances, or the transfer of property on which Hazardous Substances exist; and

(ii) All requirements pertaining to the protection from Hazardous Substances of the health and safety of employees or the public.

(m) "*Executive Director*" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Executive Director of the Port Authority for the time being or his duly designated representative or representatives.

(n) "*Gateside Aircraft Maintenance*" shall mean such emergency transit and turnaround maintenance performed on the aircraft of an Aircraft Operator as may be performed in the time such aircraft is permitted to be and remain at the aircraft gate position or hardstand at which such maintenance is to be performed and which is performed by or required by law, rule or regulation to be performed by or under the supervision of a licensed aircraft mechanic or other person specifically licensed, certified or approved by governmental authority having jurisdiction, including the rental or equipment and tools in the connection therewith. It is specifically understood that the performance of any other aircraft maintenance, including but not limited to Routine and Non-routine Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder.

(o) "*General Manager of the Airport*" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in said General Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean said General Manager (or Acting General Manager) of the Airport for the time being or his duly designated representative or representatives.

(p) "*Gross Receipts*" shall mean all amounts, monies, revenues, receipts and income of every type paid or payable to the Permittee for sales made and for services rendered at or from the Airport, regardless of when or where the order therefor is received, and outside the Airport, if the order therefor is received at the Airport, and any other amounts, monies, revenues, receipts and income of any type arising out of or in connection with the Authorized Service, provided, however, there shall be excluded from Gross Receipts, any Terminal Four Gross Receipts and any taxes imposed by law which are separately stated to and paid by the customer and directly

payable to the taxing authority by the Permittee. The Permittee's Recovery Fee, as hereinafter defined, if any, shall be included within Gross Receipts and shall be subject to the fees set forth under Section 4 of this Permit.

(q) "*Hazardous Substance*" shall mean any pollutant, contaminant, toxic or hazardous waste, dangerous substance, potentially dangerous substance, noxious substance, toxic substance, flammable, explosive or radioactive material, urea formaldehyde foam insulation, asbestos, polychlorinated biphenyls (PCBs), chemicals known to cause cancer, endocrine disruption or reproductive toxicity, petroleum and petroleum products and substances declared to be hazardous or toxic or the removal, containment or restriction of which is required, or the manufacture, preparation, production, generation, use, maintenance, treatment, storage, transfer, handling or ownership of which is restricted, prohibited, regulated or penalized by any federal, state, county, or municipal or other local statute or law now or at any time hereafter in effect as amended or supplemented and by the regulations adopted and publications promulgated pursuant thereto.

(r) "*In-Terminal Handling Service*" shall mean all or any of the following services for or in connection with passengers of Passenger Aircraft:

(i) furnishing interpreters for the assistance of non-English-speaking passengers;

(ii) inbound and outbound passenger baggage handling services, including but not limited to checking, weighing, handling and storage of aircraft baggage;

(iii) selling of tickets for air transportation;

(iv) checking in and boarding aircraft passengers;

(v) porter service for passenger baggage;

(vi) passenger assistance, passenger information service, flight information and public address paging and announcements;

(vii) supervisory and administrative functions on behalf of Approved Aircraft Operators in conjunction with the Permittee's performance of the other activities constituting a part of the In-Terminal Handling Service;

(viii) the arrangement of ground transportation of crew, passengers and baggage;

(ix) handicapped services;

(x) security and pre-board screening;

(xi) building janitorial and maintenance; and

(xii) lounge hosting services.

(s) "*Passenger Aircraft*" shall mean aircraft owned or operated by an Approved Aircraft Operator engaged primarily in the transportation of passengers by aircraft to and from the Airport.

(t) "*Passenger Ramp Service*" shall mean all or any of the following services for or in connection with Passenger Aircraft:

(i) representation and accommodation;

(ii) load control and communications on ramp;

(iii) unit load device control, handling and administration;

(iv) baggage handling and sorting, including delivering baggage to and from Passenger Aircraft and to and from baggage facilities, provided, however, no permission is hereby given for the Permittee to deliver baggage from one terminal to another unless they are part of the same premises; sorting baggage in baggage makeup facilities; and delivering baggage to and from interline system permittees;

(v) guiding Passenger Aircraft in and out of gates or loading and unloading positions and parking Passenger Aircraft;

(vi) furnishing and placing in position and thereafter removing the necessary and appropriate steps, stands and power equipment for the safe and efficient loading and unloading of crew, passengers, baggage, ballast, potable water, mail, air express, Air Cargo and supplies from and onto Passenger Aircraft and trucks, and perform such loading and unloading and reporting irregularities;

(vii) deicing to the exterior of aircraft of Approved Aircraft Operators at such locations on the Airport as may from time to time be designated by the General Manager of the Airport;

(viii) providing, positioning/removing, and operating appropriate units for engine starting;

(ix) providing a fire guard equipped with the necessary and appropriate fire fighting equipment;

(x) towing of Passenger Aircraft;

(xi) ramp control tower services for Passenger Aircraft;

(xii) Passenger Aircraft servicing, including exterior and interior cleaning, the removal and disposal of aircraft waste material and providing water service, cooling and heating, toilet service, and rearranging cabin equipment;

(xiii) ramp area cleaning;

(xiv) mobile fueling on the Permittee's own account for automotive and other ramp equipment using mobile tender vehicles or other equipment as may be approved from time to time by the General Manager of the Airport;

(xv) Gateside Aircraft Maintenance of Passenger Aircraft, it being specifically understood, however, that Routine and Non-routine Aircraft Maintenance, as distinguished from Gateside Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder;

(xvi) flight operations and crew administration including but not limited to obtaining and providing meteorological reports, briefing and debriefing flight crews, preparing and filing flight plans, dispatching and receiving messages in connection with flight and ground operations, maintaining station logs and filing necessary reports with governmental agencies, preparing weight and balance plans, maintaining flight watch and arranging hotel accommodations for flight crews;

(xvii) ramp transportation for crew, passengers and baggage;

(xviii) supervisory and administrative functions on behalf of Approved Aircraft Operators of Passenger Aircraft;

(xix) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport, and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport;

(xx) catering liaison and administration;

(xxi) triturator operations and maintenance;

(xxii) snow removal; and

(xxiii) security services for passengers and baggage, cargo and mail, catering, and on aircraft, ramp and other designated areas.

(u) "*Permitted Areas*" shall mean with respect to the Authorized Service the following areas of the Airport and only such areas:

(i) those areas where the Permittee is authorized pursuant to a separate lease, permit or other written agreement (other than this Permit) with the Port Authority to provide such Authorized Service;

(ii) any area which pursuant to a written agreement the Port Authority has either leased to a third Person or has otherwise permitted a third Person to use and occupy and where (x) the Permittee performs such Authorized Service on such area for such Person or has obtained permission from such Person to perform such Authorized Service for an Approved Aircraft Operator on such area and (y) the performance of such Authorized Service for such Approved Aircraft Operator on such area is permitted by a written agreement with the Port Authority covering such area; or

(iii) such areas as may hereafter be designated in writing by the Port Authority for the performance of such privileges by the Permittee, it being understood and agreed that the Port Authority shall have the right at any time and from time to time to revoke, cancel, change or alter any such designation.

(v) "*Permittee's Recovery Fee*" shall mean any surcharge or other amount that the Permittee may separately state and charge its customers to recover the fee, or portion thereof, payable under this Permit.

(w) "*Person*" shall mean not only a natural person, corporation or other legal entity, but also two or more natural persons, corporations or other legal entities acting jointly as a firm, partnership, unincorporated association, consortium, joint adventurers or otherwise.

(x) "*Routine and Non-routine Aircraft Maintenance*" shall mean all work including but not limited to the inspection, maintenance, servicing, testing, overhaul, cleaning, conversion, repair and installation of parts and supplies on aircraft and on aircraft parts of Approved Aircraft Operators performed by or required by law, rule or regulation to be performed by or under the supervision of a licensed aircraft mechanic or other person specially licensed, certified or approved by governmental authority, including the rental of tools and equipment in connection therewith.

(y) "*Terminal Four*" shall mean the premises under the Terminal Four Lease commonly referred to on the Airport as "Terminal Four".

(z) "*Terminal Four Gross Receipts*" shall each mean and include all amounts, monies, revenues, receipts and income of every type paid or payable to the Permittee for sales made and for services rendered at Terminal Four, regardless of when or where the order therefor is received, and any other amounts, monies, revenues, receipts and income of any type arising out of or in connection with the Permittee's operations at Terminal Four, provided, however, there shall be excluded from Terminal Four Gross Receipts any taxes imposed by law which are separately stated to and paid by the customer and directly payable to the taxing authority by the Permittee.

(aa) "*Terminal Four Lease*" shall mean that certain agreement of lease bearing Port Authority Agreement No. AYC-685 entered into between the Port Authority and JFK International Air Terminal LLC on May 13, 1997.

(bb) "*Terminal Four Lessee*" shall mean for the time being JFK International Air Terminal LLC, a limited liability company organized and existing under the laws of the State of New York, or such other Person which the Port Authority may from time to time and at any time designate by notice to the Permittee.

(cc) "*Terminal Four Percentage Fee*" shall mean the fee payable to the Terminal Four Lessee pursuant to and as defined in Section 4(a)(i) hereof.

2. Effective Date, Termination and Revocation:

(a) The permission hereby granted shall take effect upon the Effective Date. Notwithstanding Item 6 appearing on the first page of this Permit, the Effective Date of this Permit shall be that date the Permittee commenced any of the activities permitted by this Permit. The Permittee in executing this Permit represents that the Effective Date appearing in Item 6 on the first page of this Permit is the date the Permittee commenced any of the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced any of the activities permitted by this Permit prior to said effective date, the Effective Date of this Permit shall be the date the Permittee commenced any of the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence on such date including without limitation the Permittee's indemnity obligations and obligations to pay fees.

(b) Notwithstanding any other term or condition hereof, the permission hereby granted may be revoked without cause upon thirty (30) days' written notice by the Port Authority, or terminated without cause upon thirty (30) days' written notice by the Permittee,

provided, however, that it may be revoked on twenty-four (24) hours' notice by the Port Authority if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth.

(c) In the event the Port Authority exercises it right to revoke this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation, including without limitation any and all personnel and legal costs (including but not limited to the cost to the Port Authority of in-house legal services) and disbursements incurred by it arising out of, relating to, or in connection with the enforcement or revocation of this Permit including, without limitation, legal proceedings initiated by the Port Authority to exercise its revocation rights and to collect all amounts due and owing to the Port Authority under this Permit.

(d) For the purposes of this Permit, a default by the Permittee in keeping, performing or observing any promise, obligation, term or agreement set forth herein on the part of the Permittee to be kept, performed or observed shall include the following whether or not the time has yet arrived for the keeping, performance or observance of any such promise, obligation, term or agreement:

(i) a statement by the Permittee to any representative of the Port Authority indicating that it cannot or will not keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit;

(ii) any act or omission of the Permittee or any other occurrence which makes it improbable at the time that it will be able to keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit; or

(iii) any suspension of or failure to proceed with any part of the privileges to be performed by the Permittee which makes it improbable at the time that it will be able to keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit.

(e) (i) If any type of strike, boycott, picketing, work stoppage, slowdown or other labor activity is directed against the Permittee at the Airport or against any operations of the Permittee under this Permit, whether or not the same is due to the fault of the Permittee and whether or not caused by the employees of the Permittee, and if any of the foregoing, in the opinion of the Port Authority, results or is likely to result in curtailment or diminution of the privileges to be performed hereunder by the Permittee or to interfere with or affect the operation of the Airport by the Port Authority or to interfere with or affect the operations of lessees, licensees, permittees or other users of the Airport, the Port Authority shall have the right at any time during the continuance thereof to suspend the operations of the Permittee under this Permit and/or to revoke this Permit.

(ii) In the event the Port Authority exercises its right to revoke this Permit, as aforesaid, it shall do so by twenty-four (24) hours' written notice to the Permittee, effective as of the time specified in the notice. The exercise by the Port Authority of its right of suspension shall not waive or affect or be deemed to waive or affect the right of revocation.

(iii) Prior to the exercise of the right of suspension by the Port Authority, it shall give the Permittee notice thereof, which notice may be oral. The Permittee shall not

perform its operations authorized by this Permit during the period of the suspension. The period of suspension shall end not more than twenty-four (24) hours after the cause thereof has ceased or been cured and the Permittee shall notify the Port Authority of such cessation or cure.

(iv) The rights of suspension and revocation as hereinbefore set forth may be exercised by the Port Authority prior to the Effective Date set forth in Item 6 on the first page of this Permit. No exercise by the Port Authority of its rights granted to it in paragraph (e) of this Section shall be deemed to be a waiver of any other rights of revocation contained in this Permit or a waiver of any other rights or remedies which may be available to the Port Authority under this Permit or otherwise.

(f) No revocation or termination of the permission hereunder shall relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

(g) No exercise by the Port Authority of any right of revocation granted to it in this Section shall be deemed to be a waiver of any other rights of revocation contained in this Section or elsewhere in this Permit or a waiver of any other rights or remedies which may be available to the Port Authority under this Permit or otherwise.

3. Exercise of Rights:

(a) The rights granted hereby shall be exercised

(i) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(ii) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(iii) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees,

(iv) if the Permittee is an individual, by the Permittee acting only personally or through the medium of its employees, and

(v) if the Permittee is a limited liability company, by the Permittee acting only through the medium of its members, managers, and employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other Person. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

(b) No greater rights or privileges are hereby granted to the Permittee than the Port Authority has power to grant under the City Lease.

(c) Neither this Permit nor anything contained herein, shall be deemed to grant any rights in the Permittee to use and occupy any land, building space or other area at the Airport or shall be deemed to have created any obligation on the part of the Port Authority to provide any such land, space or area to the Permittee.

(d) Neither the execution and delivery of this Permit nor any act done pursuant thereto shall create between any terminal operator, lessee or other occupant of land at the Airport including but not limited to the Terminal Four Lessee and the Permittee, on one hand, and the Port Authority on the other hand the relationship of bailor and bailee, or any other relationship or any legal status which would impose upon the Port Authority with respect to any personal property, such as but not limited to, aircraft cargo or baggage, owned and/or handled by the Permittee any duty or obligation whatsoever. The Permittee expressly agrees that the Port Authority shall have no liability with respect to any aircraft cargo or baggage or any other property of the Permittee or of any other Person left anywhere on the Airport.

(e) This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

(f) Nothing contained in this Permit shall constitute permission to the Permittee to park or store equipment or personal property at any location or area at the Airport.

(g) The Permittee shall have no right hereunder to carry on any business or operation at the Airport other than that specifically provided herein. Without limiting the generality of the foregoing and notwithstanding anything else in this Permit to the contrary, the Permittee is expressly prohibited hereunder from performing ground transportation, fueling of aircraft and the selling and delivery of in-flight meals.

(h) It is understood that any and all privileges granted hereunder to the Permittee are non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Airport to another or others, whether by this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute a violation or breach of the permission herein granted.

(i) The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Airport.

(j) The words "permission" and "privilege" are used interchangeably in this Permit, and except where expressly provided to the contrary, shall mean the privileges granted by this Permit.

4. Fees:

(a) (i) The Permittee agrees to pay to the Port Authority, at the times set forth in and in accordance with paragraph (a)(ii) below, a percentage fee (the "*Basic Percentage Fee*") equal to five percent (5%) (as the same may be increased pursuant to paragraph (k) below) of Gross Receipts and, if any privilege or portion thereof is performed at Terminal Four, to pay to the Terminal Four Lessee a percentage fee (hereinafter called the "Terminal Four Percentage Fee"), at the times set forth in and in accordance with paragraph (a)(iii) below, equal to five percent (5%), as the same may be increased pursuant to paragraph (k) below, of Terminal Four Gross Receipts.

(ii) Gross Receipts shall be reported and the Basic Percentage Fee shall be paid to the Port Authority by the Permittee as follows: On or before the twentieth (20th) day of the first month following the month in which the Effective Date falls and on the twentieth (20th) day of each and every calendar month thereafter during the period that this Permit is in effect and including the calendar month in which this Permit ceases to be in effect, the Permittee shall render to the Port Authority a monthly statement sworn to by a responsible executive or fiscal officer of the Permittee showing all of the Gross Receipts for the preceding month (the "Monthly Sworn Statement of Gross Receipts"). Each of the said statements shall also show the cumulative Gross Receipts from the Effective Date (or the most recent anniversary thereof) through the last day of the preceding month. At the same time each of the said statements is rendered to the Port Authority, the Permittee shall pay to the Port Authority an amount equal to five percent (5%) applied to the Gross Receipts for the preceding calendar month. In addition to the foregoing, on the twentieth (20th) day of the first month following each anniversary of the Effective Date the Permittee shall submit to the Port Authority a statement setting forth the cumulative totals of the Gross Receipts for the entire preceding twelve (12) month period certified, at the Permittee's expense, by a certified public accountant or a responsible executive or fiscal officer of the Permittee ("Annual Statement of Gross Receipts"). In addition to the foregoing, within twenty (20) days after the expiration, termination, revocation or cancellation of this Permit, the Permittee shall render to the Port Authority a sworn statement certified, at the Permittee's expense, by a certified public accountant of all Gross Receipts during the period from the last preceding anniversary of the Effective Date up to and including the last day this Permit shall be in effect and the Permittee shall, at the time of rendering such statement to the Port Authority, pay the Basic Percentage Fee due and unpaid as of the last day this Permit shall be in effect. The Permittee shall give the name and position of the responsible executive or fiscal officer designated under this paragraph to submit Monthly Sworn Statement and Annual Statement of Gross Receipts, ten (10) business days prior to the submission of the first such statement by the designee of the Permittee, so that the Port Authority may determine whether it will accept such designation. The designation shall be submitted to the Manager of Properties for the Airport. If such timely notice is not given to the Port Authority, the Permittee shall submit such statement to the Port Authority in a form executed by a certified public accountant.

(iii) Terminal Four Gross Receipts shall be reported and the Terminal Four Percentage Fee shall be paid to the Terminal Four Lessee by the Permittee as follows: On or before the twentieth (20th) day of the first month following the month in which the Effective Date falls and on the twentieth (20th) day of each and every calendar month thereafter during the period that the Permit is in effect and including the calendar month in which the Permit ceases to be in effect, the Permittee shall render to the Port Authority and the Terminal Four Lessee a monthly statement sworn to by a responsible executive or fiscal officer of the Permittee showing all of the Terminal Four Gross Receipts for the preceding month (the "Monthly Sworn Statement of Gross Receipts"). Each of the said statements shall also show the cumulative Terminal Four Gross Receipts from the Effective Date (or the most recent anniversary thereof) through the last day of the preceding month. At the same time each of the said statements is rendered to the Port Authority and the Terminal Four Lessee, the Permittee shall pay to the Terminal Four Lessee an amount equal to five percent (5%) applied to the Terminal Four Gross Receipts for the preceding calendar month. In addition to the foregoing, on the twentieth (20th) day of the first month following each anniversary of the Effective Date the Permittee shall submit to the Port Authority and the Terminal Four Lessee a statement setting forth the cumulative totals of the Terminal Four Gross Receipts for the entire preceding twelve (12) month period certified, at the Permittee's expense, by a certified public accountant or a responsible executive or fiscal officer of the Permittee ("Annual Statement of Gross Receipts"). In addition to the foregoing, within twenty (20) days after the expiration, termination, revocation or cancellation of the Permit, the Permittee shall render to the Port Authority and the Terminal Four Lessee a sworn statement certified, at the Permittee's expense, by a certified public accountant of the Permittee of all

Terminal Four Gross Receipts during the period from the last preceding anniversary of the Effective Date up to and including the last day the Permit shall be in effect and the Permittee shall, at the time of rendering such statement to the Terminal Four Lessee pay to the Terminal Four Lessee the Terminal Four Percentage Fee due and unpaid as of the last day the Permit shall be in effect. Each of the statements called for hereunder shall separately list and state the Terminal Four Gross Receipts and the applicable Terminal Four Percentage Fee payable thereon for each privilege (including without limitation each Authorized Service) provided by the Permittee hereunder at Terminal Four.

(b) (i) All statements to be submitted to the Port Authority pursuant to this Section and all payments made under this Permit, except for the Terminal Four Percentage Fee, shall be sent to the following address:

THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY
P.O. BOX 95000-1556
PHILADELPHIA, PENNSYLVANIA 19195-0001

or made via the following wire transfer instructions:

Bank: [redacted]
Bank ABA number:
Account number: [redacted]

or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

(ii) All statements to be submitted to the Terminal Four Lessee hereunder and the Terminal Four Percentage Fee shall be made to the Terminal Four Lessee at Terminal Four, John F. Kennedy International Airport, Room 2300, Jamaica, New York 11430 or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

(c) There shall be excluded from Gross Receipts and Terminal Four Gross Receipts any sum paid or payable to the Permittee for the following, provided said sum is separately stated to and paid by the customer:

(i) handicapped services;

(ii) security services;

(iii) lost and found baggage services;

(iv) snow removal services;

(v) ground transportation of employees; and

(vi) building janitorial and maintenance services,

provided further, however, the Permittee acknowledges and agrees that the Port Authority does and shall continue to have the right at any time and from time to time to withdraw the foregoing exclusions from Gross Receipts (and Terminal Four Gross Receipts), in whole or in part, or to establish a separate fee for each such service, which may be a percentage fee other than five percent (5%), upon sixty (60) days' prior written notice to the Permittee. Notwithstanding the

foregoing, any fee established must be agreed to by the Permittee and the Port Authority and must be reflected in a supplement to this Permit to be prepared by the Port Authority and executed by the parties hereto.

(d) In the event the Permittee shall be permitted hereunder to provide Gateside Aircraft Maintenance services or Routine and Non-routine Aircraft Maintenance services, there shall be excluded from Gross Receipts and Terminal Four Gross Receipts any sum paid or payable to the Permittee:

(i) which arise solely from the resale to a customer of aircraft parts and supplies purchased by the Permittee from a third party, provided, however, that there shall be included in Gross Receipts and Terminal Four Gross Receipts monies paid or payable to the Permittee which arise from the sale of such aircraft parts and supplies to which the Permittee has provided labor for fabrication, refinishing or assembly to the extent of the reasonable value of the labor provided by the Permittee;

(ii) which arise solely from the use of equipment rented by the Permittee from a third party which monies are separately stated to and paid by the customer, limited, however, to the amounts actually paid by the Permittee to the third party for such rental of equipment; and

(iii) which arise solely from the loan or rental by the Permittee of aircraft parts, whether or not owned by the Permittee, which monies are separately stated to and paid by a customer and where said loan or rental of any such aircraft part is for a period of less than twelve (12) consecutive calendar days, it being understood that such monies paid or payable to the Permittee for the loan or rental may include monies for labor provided by the Permittee for installation, refurbishment of returned parts or administrative handling which is directly related to said loan or rental provided, however, all monies paid or payable to the Permittee which arise solely from the loan or rental by the Permittee of aircraft parts, whether or not owned by the Permittee, for twelve (12) or more consecutive calendar days (including but not limited to monies for labor provided by the Permittee for installation, refurbishment of returned parts or administrative handling which is directly related to said lease or rental) shall be included in Gross Receipts from the first day of the loan or rental period, as the case may be.

(e) If and to the extent the full fair market value of any sale, service or other item provided by the Permittee is not charged to or payable by the customer, then the fair market value thereof as determined by the Port Authority shall be included in Gross Receipts and Terminal Four Gross Receipts.

(f) Without limiting any other provisions of this Permit regarding Gross Receipts and Terminal Four Gross Receipts, in those instances where the Permittee provides any services or goods along with other services and goods to the same Person (including without limitation those instances where a service is part of or is included within a group of other services and rendered for a single price, and where a service is performed by the Permittee pursuant to agreement for the exchange of services or goods) the Permittee agrees that the value ascribed to the performance of such service by the Permittee shall be the fair and reasonable value thereof as determined by the Port Authority.

(g) Without limiting the requirement for Port Authority approval, if the Permittee conducts any privilege or any portion thereof through the use of a contractor or other third party which is not a Port Authority permittee and where the payments for any of the foregoing are made to such contractor rather than to the Permittee, said payments shall be deemed amounts, monies, revenues, receipts and income paid or payable to the Permittee for purposes of determining the Permittee's Gross Receipts and Terminal Four Gross Receipts, provided,

however, that the foregoing shall not grant or be deemed to grant any right or permission to the Permittee to use an independent contractor or other third party to perform any privilege or portion thereof or the doing of anything hereunder by an independent contractor or other third party.

(h) Notwithstanding that the fee hereunder is measured by a percentage of Gross Receipts and Terminal Four Gross Receipts, no joint venture or partnership relationship between the parties hereto is created by this Permit.

(i) To the extent that the Permittee has not already done so at the time of execution of this Permit and without limiting the generality of any other term or provision hereof, the Permittee agrees to submit monthly statements of Gross Receipts and Terminal Four Gross Receipts as provided in this Section and to pay, at the time of execution and delivery of this Permit to the Port Authority, all fees and other amounts due under this Permit for the period from the Effective Date to the time of execution and delivery of this Permit by the Permittee.

(j) Without limiting any other provision of this Permit, it is hereby specifically understood that the failure to set forth all the classes of Persons, all of the locations served or all of the types of services or activities performed by the Permittee in its exercise of the privileges granted hereunder as of the Effective Date, or the failure to, by appropriate supplement, revise this Permit to reflect any additional classes of Persons, locations served, or services or activities performed by the Permittee subsequent to said Effective Date, shall not affect the inclusion in Gross Receipts or Terminal Four Gross Receipts hereunder of the amounts, monies, revenues, receipts and income received or receivable by the Permittee in its operations, and the same shall be so included. The foregoing shall not constitute Port Authority consent or be deemed to imply that the necessary Port Authority consent (to be reflected in a supplement to the Permit) with respect to such additional classes of Persons, locations, services or activities will be given.

(k) The Basic Percentage Fee, the Terminal Four Percentage Fee and any other fees payable under this Permit shall be subject to increase from time to time upon thirty (30) days' notice from the Port Authority to the Permittee, given by the General Manager of the Airport or such other representative as the Port Authority may substitute from time to time by notice to the Permittee, and upon the effective date of the increase set forth in such notice the fees payable by the Permittee under this Permit shall be as set forth in said notice. In the event within ten (10) days after the Permittee receives such notice from the Port Authority, the Permittee notifies the Port Authority that the Permittee does not wish to pay the increased fees, this Permit and the permission granted hereunder shall be, and shall be deemed to be, cancelled effective at the close of business on the day preceding the effective date of the increase, as set forth in the Port Authority's notice to the Permittee. If the Permittee does not so notify the Port Authority, the increased fees shall become effective on the date set forth in the Port Authority's notice as aforesaid. No cancellation of this Permit and the permission granted thereunder pursuant to this paragraph (k) shall be construed to relieve the Permittee of any obligations or liabilities hereunder which shall have accrued on or before the effective date of such cancellation.

(l) Without limiting any term or provision of this Permit, in the event the Permittee performs (x) any service, other than the Authorized Service at the Airport, or (y) any service (including the Authorized Service) at any other Port Authority facility, whether such performance is the subject of a written agreement by and between the Port Authority and the Permittee, the Permittee hereby agrees that it will pay to the Port Authority any and all fees and/or charges applicable to such service. The Permittee also agrees that, at the request of the Port Authority, it will enter into the appropriate agreement with the Port Authority providing permission for the Permittee to perform such service.

5. Security Deposit:

(a) (i) Provided that an amount is set forth in Item 8 on the first page of this Permit (the "*Required Security Deposit*"), and, provided, further, the amount of said Required Security Deposit is less than $20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deposit with the Port Authority (and shall keep deposited throughout the effective period of the permission under this Permit) the Required Security Deposit, either in cash, or bonds of the United States of America, or of the State of New Jersey, or of the State of New York, or of the Port Authority of New York and New Jersey, having a market value of that amount, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed. Bonds qualifying for deposit hereunder shall be in bearer form but if bonds of that issue were offered only in registered form, then the Permittee may deposit such bonds or bonds in registered form, provided, however, that the Port Authority shall be under no obligation to accept such deposit of a bond in registered form unless such bond has been re-registered in the name of the Port Authority (the expense of such re-registration to be borne by the Permittee) in a manner satisfactory to the Port Authority. The Permittee may request the Port Authority to accept a registered bond in the Permittee's name and if acceptable to the Port Authority the Permittee shall deposit such bond together with an irrevocable bond power (and such other instruments or other documents as the Port Authority may require) in form and substance satisfactory to the Port Authority. In the event the Required Security Deposit is returned to the Permittee, any expenses incurred by the Port Authority in re-registering a bond to the name of the Permittee shall be borne by the Permittee. In addition to any and all other remedies available to it, the Port Authority shall have the right, at its option, at any time and from time to time, with or without notice, to use the Required Security Deposit, or any part thereof, in whole or partial satisfaction of any of its claims or demands against the Permittee. There shall be no obligation on the Port Authority to exercise such right and neither the existence of such right nor the holding of the Required Security Deposit itself shall cure any default or breach of this Permit on the part of the Permittee. With respect to any bonds deposited by the Permittee, the Port Authority shall have the right, in order to satisfy any of its claims or demands against the Permittee, to sell the same in whole or in part, at any time, and from time to time, with or without prior notice at public or private sale, all as determined by the Port Authority, together with the right to purchase the same at such sale free of all claims, equities or rights of redemption of the Permittee. The Permittee hereby waives all right to participate therein and all right to prior notice or demand of the amount or amounts of the claims or demands of the Port Authority against the Permittee. The proceeds of every such sale shall be applied by the Port Authority first to the costs and expenses of the sale (including but not limited to advertising or commission expenses) and then to the amounts due the Port Authority from the Permittee. Any balance remaining shall be retained in cash toward bringing the Required Security Deposit to the sum specified in Item 8 on the first page of this Permit. In the event that the Port Authority shall at any time or times so use the Required Security Deposit, or any part thereof, or if bonds shall have been deposited and the market value thereof shall have declined below the amount set forth in Item 8 on the first page of this Permit, the Permittee shall, on demand of the Port Authority and within two (2) days thereafter, deposit with the Port Authority additional cash or bonds so as to maintain the Required Security Deposit at all times to the full amount above stated in Item 8 on the first page of this Permit, and such additional deposits shall be subject to all the conditions of this Section. After the expiration or earlier revocation or termination of the effective period of the permission under this Permit, and upon condition that the Permittee shall then be in no wise in default under any part of this Permit, and upon written request therefor by the Permittee, the Port Authority will return the Required Security Deposit to the Permittee less the amount of any and all unpaid claims and demands (including estimated damages) of the Port Authority by reason of any default or breach by the Permittee of this Permit or any part thereof. The Permittee agrees that it will not assign or

encumber the Required Security Deposit. The Permittee may collect or receive any interest or income earned on bonds and interest paid on cash deposited in interest-bearing bank accounts, less any part thereof or amount which the Port Authority is or may hereafter be entitled or authorized by law to retain or to charge in connection therewith, whether as or in lieu of an administrative expense, or custodial charge, or otherwise; provided, however, that the Port Authority shall not be obligated by this provision to place or to keep cash deposited hereunder in interest-bearing bank accounts.

(ii) In lieu of the Required Security Deposit made in the form described above in paragraph (a)(i), the Permittee may at any time during the effective period of the permission granted under this Permit offer to deliver to the Port Authority, as security for all obligations of the Permittee under this Permit, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District, in favor of the Port Authority in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent satisfactory letter. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by security in accordance with paragraph (a)(i) of this Section or another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security under paragraph (a)(i) of this Section. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the Required Security Deposit, if any, theretofore made under and in accordance with the provisions of paragraph (a)(i) of this Section. The Permittee shall have the same rights to receive such Required Security Deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the effective period of the permission granted under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount.

(b) Provided that a Required Security Deposit amount is set forth in Item 8 on the first page of this Permit, and, provided, further, the amount of said Required Security Deposit is equal to or greater than $20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of the Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority, and payable in the Port of New York District in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for

automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is an appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless the letter of credit is replaced by another letter of credit satisfactory to the Port Authority by a date not later than twenty (20) days prior to the effective date of cancellation, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee, upon demand by the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to the amount of the Required Security Deposit. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to be a waiver of any default by the Permittee under the terms of this Permit, and all remedies under this Permit and of the Port Authority consequent upon such default shall not be affected by the existence of a recourse to any such letter of credit.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, in its sole discretion at any time and from time to time upon sixty (60) days' notice to the Permittee, to adjust the amount of the Required Security Deposit. Not later than the effective date set forth in said notice by the Port Authority, the Permittee shall furnish additional cash or bonds, as provided for in paragraph (a) above, or an amendment to, or a replacement of, the letter of credit providing for such adjusted amount of the Required Security Deposit, as the case may be, and such additional cash and/or bonds or adjusted (or replaced) letter of credit shall thereafter constitute the Required Security Deposit required under this Section.

(d) If the Permittee is obligated by any other agreement to maintain a security deposit with the Port Authority to insure payment and performance by the Permittee of all fees, rentals, charges and obligations which may become due and owing to the Port Authority arising from the Permittee's operations at the Airport pursuant to any such other agreement or otherwise, then all such obligations under such other agreement and any deposit pursuant thereto also shall be deemed obligations of the Permittee under this Permit and as security hereunder as well as under any such other agreement and all provisions of such other agreement with respect to such obligations and any obligations thereunder of the Port Authority as to the security deposit are hereby incorporated herein by this reference as though fully set forth herein and hereby made a part hereof. The termination, revocation, cancellation or expiration of any other agreement to which such security shall apply or any permitted assignment of such other agreement shall not affect such obligations as to such security which shall continue in full force and effect hereunder.

6. Permittee's Operations:

(a) The Permittee shall provide to the Port Authority, upon request of the Port Authority from time to time, such information and data in connection with the permission granted hereunder as the Port Authority may request and shall, if so requested by the Port Authority, make periodic reports thereof to the Port Authority utilizing such forms as may be adopted by the Port Authority for such purpose.

(b) The Permittee shall daily remove from the Airport by means of facilities provided by it all garbage, debris and other waste material (whether solid or liquid) arising out of or in connection with the permission granted hereunder, and any such not immediately removed shall be temporarily stored in a clean and sanitary condition, in suitable garbage and waste receptacles, the same to be made of metal and equipped with tight-fitting covers, and to be of a design safely and properly to contain whatever material may be placed therein; said receptacles being provided and maintained by the Permittee. The receptacles shall be kept covered except when filling or emptying the same. The Permittee shall exercise extreme care in removing such garbage, debris and other waste materials from the Airport. The manner of such storage and removal shall be subject in all respects to the continual approval of the Port Authority. No facilities of the Port Authority shall be used for such removal unless with its prior consent in writing. No such garbage, debris or other waste materials shall be or be permitted to be thrown, discharged or disposed into or upon the waters at or bounding the Airport.

(c) The Permittee shall at all times that areas of the Airport are being used for the privileges permitted hereunder, maintain said areas in a clean and orderly condition and appearance. The Permittee shall promptly wipe up any oil, gasoline, grease, lubricants and other inflammable liquids and substances and any liquids and substances having a corrosive or detrimental effect on the paving or other surface of the ramps or other areas upon which it performs the privileges authorized by this Permit resulting from its operations hereunder. The Permittee shall repair, replace, repave or rebuild, or at the Port Authority's election, the Permittee shall pay to the Port Authority the cost to the Port Authority of repairing, replacing, repaving or rebuilding, all or any part of the ramps or other areas upon which it performs the privileges authorized by this Permit which may be damaged or destroyed by such oil, gasoline, grease, lubricants or other liquids or substances or by any other act or omission of the Permittee or its employees, except for reasonable wear and tear arising out of its operations thereon.

(d) A principal purpose of the Port Authority in granting the permission under this Permit is to have available at the Airport, the privileges which the Permittee is permitted to render hereunder. The Permittee agrees that it will conduct a first-class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor, and keep the same in a first-class operating condition at all times.

(e) The Permittee shall immediately comply with all orders, directives and procedures as may be issued by the General Manager of the Airport covering the operations of the Permittee under this Permit at any time and from time to time. The Port Authority may, at any time and from time to time, without prior notice or cause, withdraw or modify any designation, approval, substitution or redesignation given by it hereunder.

(f) In the event of any injury or death to any person (other than employees of the Permittee) at the Airport when caused by the Permittee's operations, or damage to any property (other than the Permittee's property) at the Airport when caused by the Permittee's operations, the Permittee shall immediately notify the Port Authority and promptly thereafter furnish to the Port Authority copies of all reports given to the Permittee's insurance carrier.

(g) The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Airport. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the General Manager of the Airport. The Port Authority shall have the right to object to the Permittee as to the demeanor, conduct and appearance of the Permittee's employees,

invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

(h) The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations at the Airport.

7. Indemnity:

(a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third Persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee hereunder, or out of any of the acts or omissions of the Permittee, its officers, employees or Persons who are doing business with the Permittee arising out of or in connection with the activities permitted hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the Airport, including claims and demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) Without limiting any other term or provision hereof, the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

(c) Without limiting any other term or provision hereof, the Permittee shall indemnify the Port Authority and hold it harmless against all claims and demands of third Persons for damage to any aircraft cargo or baggage or any other property handled or delivered pursuant to the permission granted by this Permit.

(d) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand set forth in paragraphs (a), (b) and (c) above (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

8. Liability Insurance:

(a) The Permittee, in its own name as insured and including the Port Authority as an additional insured, shall maintain and pay the premiums during the effective period of the Permit on a policy or policies of Commercial General Liability Insurance, including premises-operations and products-completed operations and covering bodily-injury liability, including death, and property damage liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage in the minimum limit set forth in Item 9 on the first page of this Permit, and Commercial Automobile Liability Insurance covering owned, non-owned and hired vehicles and including automatic coverage for newly acquired vehicles and providing for coverage in the minimum limit set forth in Item 9 on the first page of this Permit. Without

limiting the foregoing, the Permittee shall maintain Workers' Compensation and Employers Liability Insurance in accordance with the Permittee's statutory obligations under the applicable State Workers' Compensation Law for those employees of the Permittee employed in operations conducted pursuant to this Permit at or from the Airport. In the event the Permittee maintains the foregoing insurance in limits greater than aforesaid, the Port Authority shall be included therein as an additional insured, except for the Workers' Compensation and Employers Liability Insurance policies, to the full extent of all such insurance in accordance with all terms and provisions of this Permit.

(b) Each policy of insurance, except for the Workers' Compensation and Employers Liability Insurance policies, shall also contain an ISO standard "separation of insureds" clause or a cross liability endorsement providing that the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority and any claim or action against the Port Authority by the Permittee, as if the Port Authority were the named insured thereunder, but such clause or endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured. Each policy of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Permittee under Section 7 of the Terms and Conditions of this Permit.

(c) All insurance coverages and policies required under this Section may be reviewed by the Port Authority for adequacy of terms, conditions and limits of coverage at any time and from time to time during the effective period of permission granted under this Permit. The Port Authority may, at any such time, require additions, deletions, amendments or modifications to the aforementioned insurance requirements, or may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem required and the Permittee shall promptly comply therewith.

(d) Each policy shall contain a provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' written advance notice thereof to the Port Authority. Each policy shall contain a provision or endorsement that the insurer "shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority." The foregoing provisions or endorsements shall be recited in each policy or certificate to be delivered pursuant to the following paragraph (e).

(e) A certified copy of each policy or a certificate or certificates of insurance evidencing the existence thereof, or binders, shall be delivered to the Port Authority upon execution and delivery of this Permit by the Permittee to the Port Authority. In the event any binder is delivered it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate of insurance. Any renewal policy shall be evidenced by a renewal certificate of insurance delivered to the Port Authority at least seven (7) days prior to the expiration of each expiring policy, except for any policy expiring after the date of expiration of this Permit. The aforesaid insurance shall be written by a company or companies approved by the Port Authority. If at any time any insurance policy shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policy shall be or become unsatisfactory to the Port Authority, the Permittee shall promptly obtain a new and satisfactory policy in replacement. If the Port Authority at any time so requests, a certified copy of each policy shall be delivered to or made available for inspection by the Port Authority.

(f) The foregoing insurance requirements shall not in any way be construed as a limitation on the nature or extent of the contractual obligations assumed by the Permittee under this Permit. The foregoing insurance requirements shall not constitute a representation or warranty as to the adequacy of the required coverage to protect the Permittee with respect to the obligations imposed on the Permittee by this Permit or any other agreement or by law.

9. Special Endorsements:

The Permittee hereby agrees to the terms and conditions of the endorsements attached hereto, hereby made a part hereof and marked "*Special Endorsements*". The terms and provisions of the Special Endorsements shall have the same force and effect and as if herein set forth in full.

10. No Waiver:

No failure by the Port Authority or the Terminal Four Lessee to insist upon the strict performance of any agreement, term or condition of this Permit or to exercise any right or remedy consequent upon a breach or default thereof, and no extension, supplement or amendment of this Permit during or after a breach thereof, unless expressly stated to be a waiver, and no acceptance by the Port Authority or the Terminal Four Lessee of fees, charges or other payments in whole or in part after or during the continuance of any such breach or default, shall constitute a waiver of any such breach or default of such agreement, term or condition. No agreement, term or condition of this Permit to be performed or complied with by the Permittee, and no breach or default thereof, shall be waived, altered or modified except by a written instrument executed by the Port Authority. No waiver by the Port Authority of any default or breach on the part of the Permittee in performance of any agreement, term or condition of this Permit shall affect or alter this Permit but each and every agreement, term and condition thereof shall continue in full force and effect with respect to any other then existing or subsequent breach or default thereof.

11. Removal of Property:

The personal property placed or installed by the Permittee at the Airport shall remain the property of the Permittee and must be removed on or before the expiration, revocation, cancellation or termination of the permission hereby granted, whichever shall be earlier. Without limiting the terms and provisions of paragraph (g) of Section 18 hereof, any such property remaining at the Airport after the effective date of such expiration, revocation, cancellation or termination shall be deemed abandoned by the Permittee and may be removed and disposed of by the Port Authority in any manner it so determines in its sole discretion and all the proceeds of any removal or disposition shall be retained by the Port Authority for its account and all costs and expenses of such removal and disposition shall be paid to the Port Authority by the Permittee when billed.

12. Permittee's Representative:

The Permittee's representative specified in Item 3 on the first page of this Permit (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and any act or thing done or to be done hereunder, and to execute on the Permittee's behalf any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. Notices:

Except where expressly required or permitted herein to be oral, all notices, directions, requests, consents and approvals required to be given to or by either party or the Terminal Four Lessee shall be in writing, and all such notices given by the Port Authority or the Terminal Four Lessee to the Permittee shall be validly given if sent by registered or certified mail addressed to the Permittee at the address specified on the first page hereof or at the latest address that the Permittee may substitute therefor by notice to the Port Authority, or left at such address, or delivered to the Permittee's representative. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003 or at such other address as the Port Authority shall hereafter designate by notice to the Permittee. If mailed, the notices herein required to be given shall be deemed effective and given as of the date of the certified or registered mailing thereof.

14. Late Charges:

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority or the Terminal Four Lessee including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four (24) late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (15) (but not less than thirteen (13)) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority or the Terminal Four Lessee of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority or the Terminal Four Lessee to payment of any late charge or late charges payable under the provisions of this Section with respect to such unpaid amount. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority or the Terminal Four Lessee under this Permit, including without limitation the Port Authority's rights set forth in Section 2 of these Terms and Conditions, or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Section shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

15. Non-discrimination:

(a) Without limiting the generality of any of the provisions of this Permit, the Permittee, for itself, its successors in interest and assigns, as a part of the consideration hereof, does hereby agree that (1) no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or be otherwise subject to discrimination in the use of any space at the Airport and the exercise of any privileges under this

Permit, (2) that in the construction of any improvements on, over, or under any space at the Airport and the furnishing of any service thereon by the Permittee, no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination, (3) that the Permittee shall use any space at the Airport and exercise any privileges under this Permit in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended, and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which from time to time may be applicable to the Permittee's operations thereat, whether by reason of agreement between the Port Authority and the United States Government or otherwise.

(b) The Permittee shall include the provisions of paragraph (a) of this Section in every agreement or concession it may make pursuant to which any Person or Persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Section shall constitute a material breach of this Permit. Without limiting any other term or provision hereof or any other rights or remedies of the Port Authority hereunder or at law or equity, in the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) Without limiting any other term or provision hereof, the Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third Persons, including the United States of America, resulting from the Permittee's noncompliance with any of the provisions of this Section and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Section shall grant or shall be deemed to grant to the Permittee the right to transfer or assign this Permit, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on any space at the Airport, or any right to use or occupy any space at the Airport.

16. Affirmative Action:

The Permittee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Permittee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Permittee assures that it will require that its covered suborganizations provide assurances to the Permittee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

17. Rules and Regulations:

(a) The Permittee shall observe and obey (and compel its officers, employees, guests, invitees, and those doing business with it, to observe and obey) the rules and regulations and procedures of the Port Authority now in effect, and such further reasonable rules and regulations and procedures which may from time to time during the effective period of this Permit, be promulgated by the Port Authority for reasons of safety, health, preservation of property or maintenance of a good and orderly appearance of the Airport or for the safe and efficient operation of the Airport. The Port Authority agrees that, except in cases of emergency, it shall give notice to the Permittee of every rule and regulation hereafter adopted by it at least five (5) days before the Permittee shall be required to comply therewith.

(b) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the New York Board of Fire Underwriters and the New York Fire Insurance Exchange, and any other body or organization exercising similar functions which may pertain or apply to the Permittee's operations hereunder. If by reason of the Permittee's failure to comply with the provisions of this Section, any fire insurance, extended coverage or rental insurance rate on the Airport or any part thereof, or upon the contents of any building thereon, shall at any time be higher than it otherwise would be, then the Permittee shall on demand pay the Port Authority that part of all fire insurance premiums paid or payable by the Port Authority which shall have been charged because of such violation by the Permittee.

18. Prohibited Acts

(a) The Permittee shall not do or permit to be done any act which

(i) will invalidate or be in conflict with any fire insurance policies covering the Airport or any part thereof or upon the contents of any building thereon, or

(ii) will increase the rate of any fire insurance, extended coverage or rental insurance on the Airport or any part thereof or upon the contents of any building thereon, or

(iii) in the opinion of the Port Authority will constitute a hazardous condition, so as to increase the risks normally attendant upon the operations contemplated by this Permit, or

(iv) may cause or produce upon the Airport any unusual noxious or objectionable smokes, gases, vapors or odors, or

(v) may interfere with the effectiveness or accessibility of any drainage and sewerage system, water system, communications system, fire protection system, sprinkler system, alarm system, fire hydrant and hose, if any, installed or located or to be installed or located in or on the Airport, or

(vi) shall constitute a nuisance or injury in or on the Airport or which may result in the creation, commission or maintenance of a nuisance or injury in or on the Airport.

For the purpose of this paragraph (a), "Airport" includes all structures located thereon.

(b) The Permittee shall not dispose of, release or discharge nor permit anyone to dispose of, release or discharge any Hazardous Substance on the Airport except that the Permittee may release or discharge de-icing fluids utilized in the Permittee's ordinary course of business in the performance of any of the privileges granted hereunder so long as such release or discharge is not a violation of the terms and conditions of Sections 17 or 19 hereof. In addition to and without limiting Section 19 hereof, any Hazardous Substance disposed of, released or

discharged by the Permittee (or permitted by the Permittee to be disposed of, released or discharged) on the Airport shall upon notice by the Port Authority to the Permittee and subject to the provisions of Sections 17 and 19 hereof and to all Environmental Requirements, be completely removed and/or remediated by the Permittee at its sole cost and expense, provided, however, the forgoing shall not apply to releases and discharges which are in compliance with the terms and conditions of Sections 17 and 19 hereof of de-icing fluids utilized in the Permittee's ordinary course of business in the performance of any of the privileges granted hereunder and the obligation of the Permittee to remove and remediate such de-icing fluids shall be as required by the terms and conditions of Sections 17 and 19 hereof. The obligations of the Permittee pursuant to this paragraph shall survive the expiration, revocation, cancellation or termination of this Permit.

(c) The Permittee shall not dispose of nor permit anyone to dispose of any waste materials (whether liquid or solid) by means of any toilets, sanitary sewers or storm sewers.

(d) (i) The Permittee shall not employ any persons or use any labor, or use or have any equipment, or permit any condition to exist, which shall or may cause or be conducive to any labor complaints, troubles, disputes or controversies at the Airport which interfere or are likely to interfere with the operation of the Airport or any part thereof by the Port Authority or with the operations of the lessees, licensees, permittees or other users of the Airport or with the operations of the Permittee under this Permit.

(ii) The Permittee shall immediately give notice to the Port Authority (to be followed by written notice and reports) of any and all impending or existing labor complaints, troubles, disputes or controversies and the progress thereof. The Permittee shall use its best efforts to resolve any such complaints, troubles, disputes or controversies.

(iii) The Permittee acknowledges that it is familiar with the general and local conditions prevailing at the Airport and with the all pertinent matters and circumstances which may in any way affect performance of the privileges granted under this Permit.

(e) The Permittee shall not solicit business on the public areas of the Airport and the use, at any time, of hand or standard megaphones, loudspeakers or any electric, electronic or other amplifying device is hereby expressly prohibited.

(f) The Permittee shall not install any fixtures or make any alterations, additions, improvements or repairs to any property of the Port Authority except with the prior written approval of the Port Authority.

(g) No signs, posters or similar devices shall be erected, displayed or maintained at the Airport without the written approval of the General Manager of the Airport; and any not approved by such General Manager or not removed by the Permittee upon the termination, revocation, expiration or cancellation of this Permit may be removed by the Port Authority at the expense of the Permittee.

(h) The Permittee shall not operate any engine or any item of automotive equipment in any enclosed space at the Airport unless such space is adequately ventilated.

(i) The Permittee shall not use any cleaning materials having a harmful or corrosive effect on any part of the Airport.

(j) The Permittee shall not fuel or defuel any equipment in any enclosed space at the Airport without the prior approval of the General Manager of the Airport except in accordance with Port Authority rules and regulations.

(k) The Permittee shall not start or operate any engine or any item of automotive equipment in any enclosed space at the Airport unless such space is adequately ventilated and unless such engine is equipped with a proper spark-arresting device.

19. Law Compliance:

(a) The Permittee shall procure all licenses, certificates, permits or other authorization from all governmental authorities, if any, having jurisdiction over the Permittee's operations at the Airport which may be necessary for the Permittee's operations thereat.

(b) The Permittee shall pay all taxes, license, certification, permit and examination fees and excises which may be assessed, levied, exacted or imposed on its property or operations at the Airport or on the Gross Receipts, Terminal Four Gross Receipts or income therefrom, and shall make all applications, reports and returns required in connection therewith.

(c) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions which may pertain or apply to the Permittee's operations at the Airport.

(d) The Permittee's obligations to comply with governmental requirements are provided herein for the purpose of assuring proper safeguards for the protection of Persons and property at the Airport and are not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

(e) The Port Authority has agreed by a provision in the City Lease with the City covering the Airport to conform to the enactments, ordinances, resolutions and regulations of the City and of its various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable so to do. The Permittee shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

20. Trademarks and Patent Infringement:

The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit.

21. Inspection:

The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Airport or to be placed or brought on the Airport, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

22. Federal Aid:

(a) The Permittee shall

(i) furnish good, prompt and efficient service hereunder, adequate to meet all demands therefor at the Airport;

(ii) furnish said service on a fair, equal and non-discriminatory basis to all users thereof; and

(iii) charge fair, reasonable and non-discriminatory prices for each unit of sale or service, provided that the Permittee may make reasonable and non-discriminatory discounts, rebates or other similar types of price reductions to volume purchasers.

As used in the above subsections "service" shall include furnishing of parts, materials and supplies (including sale thereof).

(b) The Port Authority has applied for and received a grant or grants of money from the Administrator of the Federal Aviation Administration pursuant to the Airport and Airways Development Act of 1970, as the same has been amended and supplemented, and under prior federal statutes which said Act superseded and the Port Authority may in the future apply for and receive further such grants. In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. The performance by the Permittee of the promises and obligations contained in this Permit is therefore a special consideration and inducement to the issuance of this Permit by the Port Authority, and the Permittee further agrees that if the Administrator of the Federal Aviation Administration or any other governmental officer or body having jurisdiction over the enforcement of the obligations of the Port Authority in connection with Federal Airport Aid, shall make any orders, recommendations or suggestions respecting the performance by the Permittee of its obligations under this Permit, the Permittee will promptly comply therewith at the time or times, when and to the extent that the Port Authority may direct.

23. Capacity and Competition:

(a) The Permittee shall refrain from entering into continuing contracts or arrangements with any third Person for furnishing services covered hereunder when such contracts or arrangements will have the effect of utilizing to an unreasonable extent the Permittee's capacity for rendering such services. A reasonable amount of capacity shall be reserved by the Permittee for the purpose of rendering services hereunder to those who are not parties to continuing contracts with the Permittee.

(b) The Permittee shall not enter into any agreement or understanding, express or implied, binding or non-binding, with any other Person who may furnish services at the Airport similar to those furnished hereunder which will have the effect of (i) fixing rates and charges to be paid by users of the services; (ii) lessening or preventing competition between the Permittee and such other furnishers of services; or (iii) tending to create a monopoly on the Airport in connection with the furnishing of such services.

24. Business Development and Records:

(a) In connection with the exercise of the privileges granted hereunder, the Permittee shall:

(i) use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(ii) not divert or cause or allow to be diverted, any business from the Airport;

(iii) maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of the Permittee at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify the Authorized Service performed at Terminal Four, the Authorized Service performed at the Airport at any location other than Terminal Four and all other services performed at the Airport at any location other than Terminal Four, and;

(iv) cause any company which is owned or controlled by the Permittee, or any company which owns or controls the Permittee, if any such company performs services similar to those performed by the Permittee (any such company being hereinafter called an "*Affiliate*" and all such companies being hereinafter called the "*Affiliates*") to maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of each Affiliate at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify each activity (including without limitation the Authorized Service) performed at the Airport, the Authorized Service performed at Terminal Four and all other services performed at the airport at any location other than Terminal Four;

(v) permit and/or cause to be permitted in ordinary business hours during the effective period of this Permit, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Port Authority of all the records and books of account of the Permittee (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts and/or Terminal Four Gross Receipts and which the Terminal Four Lessee, in its sole discretion, believes may be relevant for identification, determination or calculation of Terminal Four Receipts, all agreements, and all source documents) and all the records and books of account of all Affiliates (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts and/or Terminal Four Gross Receipts and which the Terminal Four Lessee, in its sole discretion, believes may be relevant for identification, determination or calculation of Terminal Four Receipts, all agreements, and all source documents) (all of the foregoing records and books described in this paragraph (a)(v) being hereinafter collectively referred to as the "*Books and Records*") within ten (10) days following any request by the Port Authority from time to time and at any time to examine and audit any Books and Records;

(vi) if the Permittee has performed any privilege or portion thereof at Terminal Four, then permit and/or cause to be permitted in ordinary business hours during the effective period of the Permit, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Terminal Four Lessee of all Books and Records within ten (10) days following any request by the Terminal Four Lessee from time to time and at any time to examine and audit any Books and Records;

(vii) permit the inspection by the officers, employees and representatives of the Port Authority and the Terminal Four Lessee of any equipment used by the Permittee, including but not limited to the equipment described in paragraph (a)(viii) below; and

(viii) install and use such cash registers, sales slips, invoicing machines and any other equipment or devices, including without limitation computerized record keeping systems, for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of Gross Receipts and Terminal Four Gross Receipts, and without limiting the generality of the foregoing, for any privilege involving cash sales, install and use cash registers or other electronic cash control equipment that provides for non-resettable totals.

(b) Without implying any limitation on the right of the Port Authority to revoke this Permit for cause for breach of any term, condition or provision thereof, including but not limited to, breach of any term, condition or provision of paragraph (a) above, the Permittee understands that the full reporting and disclosure to the Port Authority of all Gross Receipts and Terminal Four Gross Receipts and to the Terminal Four Lessee of all Terminal Four Gross Receipts and the Permittee's compliance with all the provisions of paragraph (a) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under this Permit. In the event any Books and Records are maintained outside the Port of New York District or in the event of the failure of the Permittee to comply with all the provisions of paragraphs (a)(ii) through (a)(viii) above then, in addition to all, and without limiting any other, rights and remedies of the Port Authority and the Terminal Four Lessee under this Permit or otherwise and in addition to all of the Permittee's other obligations under this Permit:

(i) the Port Authority may estimate the Gross Receipts on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the fees based thereon shall be payable to the Port Authority when billed; and/or

(ii) the Port Authority or the Terminal Four Lessee may estimate the Terminal Four Gross Receipts on any basis that the Port Authority or the Terminal Four Lessee, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the fees based thereon shall be payable to the Terminal Four Lessee when billed; and/or

(iii) if any Books and Records are maintained outside of the Port of New York District, then the Port Authority in its sole discretion may (x) require on ten (10) days' notice to the Permittee that any such Books and Records be made available to the Port Authority within the Port of New York District for examination and audit pursuant to paragraph (a)(v) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(v) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority, for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Permittee shall pay to the Port Authority when billed all costs and expenses of the Port Authority, as determined by the Port Authority, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

(iv) if any Books and Records are maintained outside of the Port of New York District, then the Terminal Four Lessee in its sole discretion may (x) require on ten (10) days' notice to the Permittee that any such Books and Records be made available to the Terminal Four Lessee within the Port of New York District for examination and audit pursuant to paragraph (a)(vi) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(vi) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Permittee shall pay to the Terminal Four Lessee when billed all travel costs and related expenses, as determined by the Terminal Four Lessee, for Terminal Four Lessee auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Permittee shall pay to the Terminal Four Lessee when billed all costs and expenses of the Terminal Four Lessee, as determined by the Terminal Four Lessee, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Terminal Four Lessee for the purpose of conducting such audit and examination.

(c) In the event that upon conducting an examination and audit as described in this Section the Port Authority or the Terminal Four Lessee determines that unpaid amounts are due to the Port Authority or to the Terminal Four Lessee by the Permittee (the "*Audit Findings*"), the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority and/or the Terminal Four Lessee a service charge in the amount equal to five percent (5%) of the Audit Findings. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority or by the Terminal Four Lessee. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority or the Terminal Four Lessee by the Permittee under this Permit or otherwise. Such service charge shall not be payable if the Port Authority has received, for each month covered by the examination and audit period, the Monthly Sworn Statement of Gross

Receipts, as provided in Section 4(a)(ii) and 4(a)(iii). No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Section with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

(d) Without implying any limitation on the rights or remedies of the Port Authority under this Permit or otherwise including without limitation the right of the Port Authority to revoke this Permit for cause for breach of any term or provision of paragraphs (a)(iii) or (a)(iv) above and in addition thereto, in the event any of the Books and Records are not maintained in English, then this Permittee shall pay to the Port Authority when billed, all costs and expenses of the Port Authority, as determined by the Port Authority, to translate such Books and Records into English.

(e) The foregoing auditing costs, expenses and amounts of the Port Authority set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Permit payable to the Port Authority with the same force and effect as the Basic Percentage Fee and all other fees payable to the Port Authority hereunder and the foregoing auditing costs, expenses and amounts of the Terminal Four Lessee set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Permit payable to the Terminal Four Lessee with the same force and effect as the Terminal Four Percentage Fee and all other fees payable to the Terminal Four Lessee hereunder.

25. Rates and Charges:

The Permittee shall establish rates and discounts therefrom which are in compliance with Section 22 hereof (each such rate and discount is hereinafter called an "*Established Rate*"). Upon request by the Port Authority, the Permittee shall provide the Port Authority its rates and discounts therefrom for goods and services furnished hereunder. If the Permittee applies any rate in excess of the Established Rate therefor or extends a discount less than the Established Discount therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the Established Rate therefor or extends a discount which is in excess of the Established Rate therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an undercharge and an amount equivalent thereto shall be included in Gross Receipts and Terminal Four Gross Receipts hereunder and the Basic Percentage Fee and the Terminal Four Percentage Fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in Gross Receipts or Terminal Four Gross Receipts any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon such breach which would otherwise be available to it at law, in equity or by reason of this Permit.

26. Other Agreements:

In the event the terms and provisions of any agreement entered into by the Permittee with any third Person in connection with the privileges granted hereunder are contrary to or conflict or

are inconsistent with the terms and provisions of this Permit, the terms and provisions of this Permit shall be controlling, effective and determinative.

27. City Lease Provisions:

(a) The Permittee acknowledges that it has received a copy of, and is familiar with the contents of, the City Lease. The Permittee acknowledges that no greater rights or privileges are hereby granted to the Permittee than the Port Authority has the power to grant under the City Lease.

(b) In accordance with the provisions of the City Lease, the Port Authority and the Permittee hereby agree as follows:

(i) This Permit is subject and subordinate to the City Lease and to any interest superior to that of the Port Authority;

(ii) The Permittee shall not pay the fees or other sums under this Permit for more than one (1) month in advance (excluding security or other deposits required under this Permit);

(iii) With respect to this Permit, the Permittee on the termination of the City Lease will, at the option of the City, enter into a direct permit on identical terms with the City;

(iv) The Permittee shall indemnify the City, as third party beneficiary hereunder, with respect to all matters described in Section 31 of the City Lease that arise out of the Permittee's operations at the Airport, or arise out of the acts or omissions of the Permittee's officers, employees, agents, representatives, contractors, customers, business visitors and guests at the Airport with the Permittee's consent;

(v) The Permittee shall not use any portion of the Airport for any use other than as permitted under the City Lease;

(vi) The Permittee shall use the Airport in a manner consistent with the Port Authority's obligations under Section 28 of the City Lease;

(vii) The failure of the Permittee to comply with the foregoing provisions shall be an event of default under this Permit, which shall provide the Port Authority with the right to revoke this Permit and exercise any other rights that the Port Authority may have as the grantor of the permission hereunder; and

(viii) The City shall be named as an additional insured or loss payee, as applicable, under each policy of insurance procured by the Permittee pursuant to this Permit.

28. Counterclaims:

The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts, which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

29. Continued Exercise of Privilege After Expiration, Revocation or Termination:

(a) The Permittee acknowledges that the failure of the Permittee to cease to perform the Authorized Service at the Airport from the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss, and the Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss. The Permittee acknowledges that the Port Authority reserves all its legal and equitable rights and remedies in the event of such failure by the Permittee to cease performance of the Authorized Service.

(b) The Permittee hereby acknowledges and agrees that, subject to the foregoing, all terms and provisions of this Permit shall be and continue in full force and effect during any period following such expiration, revocation or termination.

30. Miscellaneous:

(a) It is understood and agreed that the Port Authority shall not furnish, sell or supply to the Permittee any services or utilities in connection with this Permit.

(b) No Commissioner, Director, officer, agent or employee of either party shall be charged personally by the other party with any liability, or held liable to the other party, under any term or provision of this Permit, or because of the party's execution or attempted execution, or because of any breach thereof.

(c) The Section and paragraph headings, if any, in this Permit are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope or intent of any provision hereof.

(d) This Permit, including the attached Special Endorsements, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof. This Permit may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee or except by notice as specifically set forth in Sections 4 and 13 hereof. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

(Title) President

SPECIAL ENDORSEMENTS

1. (a) The Port Authority hereby consents to the Permittee providing the Authorized Service to JetBlue Airways Corporation at the Airport.

(b) (i) In the event the Permittee shall desire to provide the Authorized Service to another Approved Aircraft Operator or Person at the Airport, the Permittee shall submit such request in writing to the Port Authority. The Permittee may perform the Authorized Service for other Approved Aircraft Operators or Persons at the Airport only after receiving the written consent of the Port Authority.

(ii) The Permittee hereby agrees that it will not carry on any business at the Airport other than as specifically provided herein without receiving the prior written consent of the Port Authority, which consent, if given, will be in the form of a Supplement hereto or a separate agreement with the Port Authority, and will specify whether the provisions regarding fees contained herein or any other provisions regarding fees shall apply thereto.

2. The Permittee hereby attests that its federal taxpayer identification number is [redacted].

TERMS AND CONDITIONS

1. Definitions:

The following terms, when and if used in this Permit, shall have the respective meanings given below:

(a) "*Air Cargo*" shall mean cargo transported to or from the Airport by aircraft owned or operated by an Approved Aircraft Operator.

(b) "*Aircraft Operator*" shall mean (a) a Person owning one or more aircraft which are not leased or chartered to any other Person for operation, and (b) a Person to whom one or more aircraft are leased or chartered for operation - whether the aircraft so owned, leased or chartered are military or non-military, or are used for private business, pleasure or governmental business, or for carrier or non-carrier operations, or for scheduled or non-scheduled operations or otherwise. Said term shall not mean the pilot of an aircraft unless he is also the owner or lessee thereof or a Person to whom it is chartered.

(c) "*Airport*" shall mean John F. Kennedy International Airport, consisting of certain premises identified as "John F. Kennedy International Airport" on Sheet JFK-1 of Exhibit A, and more particularly described in Exhibit B, annexed to the City Lease, and such other property as may be acquired in connection with and added to such premises pursuant to the terms of the City Lease.

(d) "*Approved Aircraft Operator*" shall mean an Aircraft Operator which the General Manager of the Airport has authorized to conduct its aircraft operations at the Airport and if such Aircraft Operator is subleasing or subusing space, or has a ground handling agreement or other agreement at the Airport with an Aircraft Operator, a lessee or other Person at the Airport which requires the consent of the Port Authority, each such subleasing, subuse, ground handling agreement or other agreement has been consented to in writing by the Port Authority.

(e) "*Basic Percentage Fee*" shall have the meaning given such term in Section 4(a)(i) hereof.

(f) "*Cargo Aircraft*" shall mean aircraft engaged solely and exclusively in the carriage of Air Cargo.

(g) "*Cargo Handling and Ramp Service*" shall mean all or any of the following services for or in connection with Air Cargo:

(i) representation and accommodation;

(ii) load control and communications;

(iii) unit load device control, handling and administration in connection with Cargo Aircraft;

(iv) flight operations and crew administration in connection with Cargo Aircraft, including but not limited to obtaining and providing meteorological reports, briefing and debriefing flight crews, preparing and filing flight plans, dispatching and receiving messages in connection with flight and ground operations, maintaining station logs and filing necessary reports with governmental agencies, preparing weight and balance plans, maintaining flight watch and arranging hotel accommodations for flight crews;

(v) pickup and delivery of Air Cargo, air express and mail to and from appropriate locations (allowed or designated from time to time by the Port Authority for such pickup and delivery) on the Airport;

(vi) preparation of documentation associated with Air Cargo, including but not limited to cargo manifests, airway bills and customs clearance documentation;

(vii) distribution of Air Cargo;

(viii) reception of Air Cargo to be shipped from the Airport;

(ix) temporary warehousing, sorting and storage of Air Cargo;

(x) supervision and administration;

(xi) courier services;

(xii) guiding Cargo Aircraft in and out of gate or loading or unloading positions and parking Cargo Aircraft;

(xiii) providing, positioning/removing, and operating appropriate units for engine starting for Cargo Aircraft;

(xiv) furnishing and placing in position and thereafter removing the necessary and appropriate steps, stands and power equipment for the safe and efficient loading and unloading of crew members and other persons, ballast, potable water, mail, air express, Air Cargo and supplies onto and from aircraft and trucks, and performing such loading and unloading and reporting irregularities;

(xv) providing a fire guard equipped with the necessary and appropriate fire fighting equipment for Cargo Aircraft;

(xvi) towing of Cargo Aircraft;

(xvii) ramp control tower services for Cargo Aircraft;

(xviii) Cargo Aircraft servicing, including interior and exterior cleaning, the removal and disposal of aircraft waste material and providing water service, cooling and heating, and toilet service;

(xix) conversion operations and services consisting of the removal of seats from convertible-type aircraft, so as to convert the same to Cargo Aircraft, and from Cargo Aircraft to Passenger Aircraft by the installation of seats;

(xx) ramp area cleaning;

(xxi) Gateside Aircraft Maintenance of Cargo Aircraft, it being specifically understood, however, that Routine and Non-routine Aircraft Maintenance, as distinguished from Gateside Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder;

(xxii) mobile fueling, on the Permittee's own account, for automotive and other ramp equipment using mobile tender vehicles or other equipment as may be approved from time to time by the General Manager of the Airport;

(xxiii) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport;

(xxiv) deicing to the exterior of aircraft of Approved Aircraft Operators at such locations on the Airport as may from time to time be designated by the General Manager of the Airport;

(xxv) triturator operations and maintenance;

(xxvi) snow removal; and

(xxvii) security services for and in connection with Air Cargo and Cargo Aircraft.

(h) "*City*" shall mean the City of New York.

(i) "*City Lease*" shall mean the Amended and Restated Agreement of Lease of the Municipal Air Terminals between The City of New York, as Landlord, and The Port Authority of New York and New Jersey, as Tenant, dated as of November 24, 2004 and recorded in the office of the City Register of the City on December 3, 2004 under City Register File No. 2004000748687, as the same may have been or may be amended or supplemented.

(j) "*Cleaning Service*" shall mean all or any of the following services:

(i) the cleaning, repairing and installing of upholstery, carpeting and curtains in aircraft and linens used on aircraft;

(ii) the complete interior and exterior cleaning of aircraft, the removal and disposal of waste material and providing water service, cooling and heating, and toilet service;

(iii) conversion operations and services consisting of the removal of seats from convertible-type aircraft so as to convert the same to Cargo Aircraft and from Cargo Aircraft to Passenger Aircraft by installation of seats;

(iv) ramp area cleaning services; and

(v) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport.

(k) "*Effective Date*" shall mean that date appearing in Item 6 on the first page of this Permit as the same may be modified pursuant to the provisions of Section 2(a) hereof.

(l) "*Environmental Requirement*" shall mean all common law and all past, present and future laws, statutes, enactments, resolutions, regulations, rules, directives, ordinances,

codes, licenses, permits, orders, memoranda of understanding and memoranda of agreement, guidances, approvals, plans, authorizations, concessions, franchises, requirements and similar items of all governmental agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof, all pollution prevention programs, "best management practices plans", and other programs adopted and agreements made by the Port Authority (whether adopted or made with or without consideration or with or without compulsion), with any government agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof, and all judicial, administrative, voluntary and regulatory decrees, judgments, orders and agreements relating to the protection of human health or the environment, and in the event that there shall be more than one compliance standard, the standard for any of the foregoing to be that which requires the lowest level of a Hazardous Substance, the foregoing to include without limitation:

(i) All requirements pertaining to reporting, licensing, permitting, investigation and remediation of emissions, discharges, releases or threatened releases of Hazardous Substances into the air, surface water, groundwater or land, or relating to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of Hazardous Substances, or the transfer of property on which Hazardous Substances exist; and

(ii) All requirements pertaining to the protection from Hazardous Substances of the health and safety of employees or the public.

(m) "*Executive Director*" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Executive Director of the Port Authority for the time being or his duly designated representative or representatives.

(n) "*Gateside Aircraft Maintenance*" shall mean such emergency transit and turnaround maintenance performed on the aircraft of an Aircraft Operator as may be performed in the time such aircraft is permitted to be and remain at the aircraft gate position or hardstand at which such maintenance is to be performed and which is performed by or required by law, rule or regulation to be performed by or under the supervision of a licensed aircraft mechanic or other person specifically licensed, certified or approved by governmental authority having jurisdiction, including the rental or equipment and tools in the connection therewith. It is specifically understood that the performance of any other aircraft maintenance, including but not limited to Routine and Non-routine Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder.

(o) "*General Manager of the Airport*" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in said General Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean said General Manager (or Acting General Manager) of the Airport for the time being or his duly designated representative or representatives.

(p) "*Gross Receipts*" shall mean all amounts, monies, revenues, receipts and income of every type paid or payable to the Permittee for sales made and for services rendered at or from the Airport, regardless of when or where the order therefor is received, and outside the Airport, if the order therefor is received at the Airport, and any other amounts, monies, revenues, receipts and income of any type arising out of or in connection with the Authorized Service, provided, however, there shall be excluded from Gross Receipts, any Terminal Four Gross Receipts and any taxes imposed by law which are separately stated to and paid by the customer and directly

payable to the taxing authority by the Permittee. The Permittee's Recovery Fee, as hereinafter defined, if any, shall be included within Gross Receipts and shall be subject to the fees set forth under Section 4 of this Permit.

(q) "*Hazardous Substance*" shall mean any pollutant, contaminant, toxic or hazardous waste, dangerous substance, potentially dangerous substance, noxious substance, toxic substance, flammable, explosive or radioactive material, urea formaldehyde foam insulation, asbestos, polychlorinated biphenyls (PCBs), chemicals known to cause cancer, endocrine disruption or reproductive toxicity, petroleum and petroleum products and substances declared to be hazardous or toxic or the removal, containment or restriction of which is required, or the manufacture, preparation, production, generation, use, maintenance, treatment, storage, transfer, handling or ownership of which is restricted, prohibited, regulated or penalized by any federal, state, county, or municipal or other local statute or law now or at any time hereafter in effect as amended or supplemented and by the regulations adopted and publications promulgated pursuant thereto.

(r) "*In-Terminal Handling Service*" shall mean all or any of the following services for or in connection with passengers of Passenger Aircraft:

(i) furnishing interpreters for the assistance of non-English-speaking passengers;

(ii) inbound and outbound passenger baggage handling services, including but not limited to checking, weighing, handling and storage of aircraft baggage;

(iii) selling of tickets for air transportation;

(iv) checking in and boarding aircraft passengers;

(v) porter service for passenger baggage;

(vi) passenger assistance, passenger information service, flight information and public address paging and announcements;

(vii) supervisory and administrative functions on behalf of Approved Aircraft Operators in conjunction with the Permittee's performance of the other activities constituting a part of the In-Terminal Handling Service;

(viii) the arrangement of ground transportation of crew, passengers and baggage;

(ix) handicapped services;

(x) security and pre-board screening;

(xi) building janitorial and maintenance; and

(xii) lounge hosting services.

(s) "*Passenger Aircraft*" shall mean aircraft owned or operated by an Approved Aircraft Operator engaged primarily in the transportation of passengers by aircraft to and from the Airport.

(t) "*Passenger Ramp Service*" shall mean all or any of the following services for or in connection with Passenger Aircraft:

(i) representation and accommodation;

(ii) load control and communications on ramp;

(iii) unit load device control, handling and administration;

(iv) baggage handling and sorting, including delivering baggage to and from Passenger Aircraft and to and from baggage facilities, provided, however, no permission is hereby given for the Permittee to deliver baggage from one terminal to another unless they are part of the same premises; sorting baggage in baggage makeup facilities; and delivering baggage to and from interline system permittees;

(v) guiding Passenger Aircraft in and out of gates or loading and unloading positions and parking Passenger Aircraft;

(vi) furnishing and placing in position and thereafter removing the necessary and appropriate steps, stands and power equipment for the safe and efficient loading and unloading of crew, passengers, baggage, ballast, potable water, mail, air express, Air Cargo and supplies from and onto Passenger Aircraft and trucks, and perform such loading and unloading and reporting irregularities;

(vii) deicing to the exterior of aircraft of Approved Aircraft Operators at such locations on the Airport as may from time to time be designated by the General Manager of the Airport;

(viii) providing, positioning/removing, and operating appropriate units for engine starting;

(ix) providing a fire guard equipped with the necessary and appropriate fire fighting equipment;

(x) towing of Passenger Aircraft;

(xi) ramp control tower services for Passenger Aircraft;

(xii) Passenger Aircraft servicing, including exterior and interior cleaning, the removal and disposal of aircraft waste material and providing water service, cooling and heating, toilet service, and rearranging cabin equipment;

(xiii) ramp area cleaning;

(xiv) mobile fueling on the Permittee's own account for automotive and other ramp equipment using mobile tender vehicles or other equipment as may be approved from time to time by the General Manager of the Airport;

(xv) Gateside Aircraft Maintenance of Passenger Aircraft, it being specifically understood, however, that Routine and Non-routine Aircraft Maintenance, as distinguished from Gateside Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder;

(xvi) flight operations and crew administration including but not limited to obtaining and providing meteorological reports, briefing and debriefing flight crews, preparing and filing flight plans, dispatching and receiving messages in connection with flight and ground operations, maintaining station logs and filing necessary reports with governmental agencies, preparing weight and balance plans, maintaining flight watch and arranging hotel accommodations for flight crews;

(xvii) ramp transportation for crew, passengers and baggage;

(xviii) supervisory and administrative functions on behalf of Approved Aircraft Operators of Passenger Aircraft;

(xix) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport, and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport;

(xx) catering liaison and administration;

(xxi) triturator operations and maintenance;

(xxii) snow removal; and

(xxiii) security services for passengers and baggage, cargo and mail, catering, and on aircraft, ramp and other designated areas.

(u) "*Permitted Areas*" shall mean with respect to the Authorized Service the following areas of the Airport and only such areas:

(i) those areas where the Permittee is authorized pursuant to a separate lease, permit or other written agreement (other than this Permit) with the Port Authority to provide such Authorized Service;

(ii) any area which pursuant to a written agreement the Port Authority has either leased to a third Person or has otherwise permitted a third Person to use and occupy and where (x) the Permittee performs such Authorized Service on such area for such Person or has obtained permission from such Person to perform such Authorized Service for an Approved Aircraft Operator on such area and (y) the performance of such Authorized Service for such Approved Aircraft Operator on such area is permitted by a written agreement with the Port Authority covering such area; or

(iii) such areas as may hereafter be designated in writing by the Port Authority for the performance of such privileges by the Permittee, it being understood and agreed that the Port Authority shall have the right at any time and from time to time to revoke, cancel, change or alter any such designation.

(v) "*Permittee's Recovery Fee*" shall mean any surcharge or other amount that the Permittee may separately state and charge its customers to recover the fee, or portion thereof, payable under this Permit.

(w) "*Person*" shall mean not only a natural person, corporation or other legal entity, but also two or more natural persons, corporations or other legal entities acting jointly as a firm, partnership, unincorporated association, consortium, joint adventurers or otherwise.

(x) "*Routine and Non-routine Aircraft Maintenance*" shall mean all work including but not limited to the inspection, maintenance, servicing, testing, overhaul, cleaning, conversion, repair and installation of parts and supplies on aircraft and on aircraft parts of Approved Aircraft Operators performed by or required by law, rule or regulation to be performed by or under the supervision of a licensed aircraft mechanic or other person specially licensed, certified or approved by governmental authority, including the rental of tools and equipment in connection therewith.

(y) "*Terminal Four*" shall mean the premises under the Terminal Four Lease commonly referred to on the Airport as "Terminal Four".

(z) "*Terminal Four Gross Receipts*" shall each mean and include all amounts, monies, revenues, receipts and income of every type paid or payable to the Permittee for sales made and for services rendered at Terminal Four, regardless of when or where the order therefor is received, and any other amounts, monies, revenues, receipts and income of any type arising out of or in connection with the Permittee's operations at Terminal Four, provided, however, there shall be excluded from Terminal Four Gross Receipts any taxes imposed by law which are separately stated to and paid by the customer and directly payable to the taxing authority by the Permittee.

(aa) "*Terminal Four Lease*" shall mean that certain agreement of lease bearing Port Authority Agreement No. AYC-685 entered into between the Port Authority and JFK International Air Terminal LLC on May 13, 1997.

(bb) "*Terminal Four Lessee*" shall mean for the time being JFK International Air Terminal LLC, a limited liability company organized and existing under the laws of the State of New York, or such other Person which the Port Authority may from time to time and at any time designate by notice to the Permittee.

(cc) "*Terminal Four Percentage Fee*" shall mean the fee payable to the Terminal Four Lessee pursuant to and as defined in Section 4(a)(i) hereof.

2. Effective Date, Termination and Revocation:

(a) The permission hereby granted shall take effect upon the Effective Date. Notwithstanding Item 6 appearing on the first page of this Permit, the Effective Date of this Permit shall be that date the Permittee commenced any of the activities permitted by this Permit. The Permittee in executing this Permit represents that the Effective Date appearing in Item 6 on the first page of this Permit is the date the Permittee commenced any of the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced any of the activities permitted by this Permit prior to said effective date, the Effective Date of this Permit shall be the date the Permittee commenced any of the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence on such date including without limitation the Permittee's indemnity obligations and obligations to pay fees.

(b) Notwithstanding any other term or condition hereof, the permission hereby granted may be revoked without cause upon thirty (30) days' written notice by the Port Authority, or terminated without cause upon thirty (30) days' written notice by the Permittee,

provided, however, that it may be revoked on twenty-four (24) hours' notice by the Port Authority if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth.

(c) In the event the Port Authority exercises it right to revoke this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation, including without limitation any and all personnel and legal costs (including but not limited to the cost to the Port Authority of in-house legal services) and disbursements incurred by it arising out of, relating to, or in connection with the enforcement or revocation of this Permit including, without limitation, legal proceedings initiated by the Port Authority to exercise its revocation rights and to collect all amounts due and owing to the Port Authority under this Permit.

(d) For the purposes of this Permit, a default by the Permittee in keeping, performing or observing any promise, obligation, term or agreement set forth herein on the part of the Permittee to be kept, performed or observed shall include the following whether or not the time has yet arrived for the keeping, performance or observance of any such promise, obligation, term or agreement:

(i) a statement by the Permittee to any representative of the Port Authority indicating that it cannot or will not keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit;

(ii) any act or omission of the Permittee or any other occurrence which makes it improbable at the time that it will be able to keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit; or

(iii) any suspension of or failure to proceed with any part of the privileges to be performed by the Permittee which makes it improbable at the time that it will be able to keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit.

(e) (i) If any type of strike, boycott, picketing, work stoppage, slowdown or other labor activity is directed against the Permittee at the Airport or against any operations of the Permittee under this Permit, whether or not the same is due to the fault of the Permittee and whether or not caused by the employees of the Permittee, and if any of the foregoing, in the opinion of the Port Authority, results or is likely to result in curtailment or diminution of the privileges to be performed hereunder by the Permittee or to interfere with or affect the operation of the Airport by the Port Authority or to interfere with or affect the operations of lessees, licensees, permittees or other users of the Airport, the Port Authority shall have the right at any time during the continuance thereof to suspend the operations of the Permittee under this Permit and/or to revoke this Permit.

(ii) In the event the Port Authority exercises its right to revoke this Permit, as aforesaid, it shall do so by twenty-four (24) hours' written notice to the Permittee, effective as of the time specified in the notice. The exercise by the Port Authority of its right of suspension shall not waive or affect or be deemed to waive or affect the right of revocation.

(iii) Prior to the exercise of the right of suspension by the Port Authority, it shall give the Permittee notice thereof, which notice may be oral. The Permittee shall not

perform its operations authorized by this Permit during the period of the suspension. The period of suspension shall end not more than twenty-four (24) hours after the cause thereof has ceased or been cured and the Permittee shall notify the Port Authority of such cessation or cure.

(iv) The rights of suspension and revocation as hereinbefore set forth may be exercised by the Port Authority prior to the Effective Date set forth in Item 6 on the first page of this Permit. No exercise by the Port Authority of its rights granted to it in paragraph (e) of this Section shall be deemed to be a waiver of any other rights of revocation contained in this Permit or a waiver of any other rights or remedies which may be available to the Port Authority under this Permit or otherwise.

(f) No revocation or termination of the permission hereunder shall relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

(g) No exercise by the Port Authority of any right of revocation granted to it in this Section shall be deemed to be a waiver of any other rights of revocation contained in this Section or elsewhere in this Permit or a waiver of any other rights or remedies which may be available to the Port Authority under this Permit or otherwise.

3. Exercise of Rights:

(a) The rights granted hereby shall be exercised

(i) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(ii) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(iii) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees,

(iv) if the Permittee is an individual, by the Permittee acting only personally or through the medium of its employees, and

(v) if the Permittee is a limited liability company, by the Permittee acting only through the medium of its members, managers, and employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other Person. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

(b) No greater rights or privileges are hereby granted to the Permittee than the Port Authority has power to grant under the City Lease.

(c) Neither this Permit nor anything contained herein, shall be deemed to grant any rights in the Permittee to use and occupy any land, building space or other area at the Airport or shall be deemed to have created any obligation on the part of the Port Authority to provide any such land, space or area to the Permittee.

(d) Neither the execution and delivery of this Permit nor any act done pursuant thereto shall create between any terminal operator, lessee or other occupant of land at the Airport including but not limited to the Terminal Four Lessee and the Permittee, on one hand, and the Port Authority on the other hand the relationship of bailor and bailee, or any other relationship or any legal status which would impose upon the Port Authority with respect to any personal property, such as but not limited to, aircraft cargo or baggage, owned and/or handled by the Permittee any duty or obligation whatsoever. The Permittee expressly agrees that the Port Authority shall have no liability with respect to any aircraft cargo or baggage or any other property of the Permittee or of any other Person left anywhere on the Airport.

(e) This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

(f) Nothing contained in this Permit shall constitute permission to the Permittee to park or store equipment or personal property at any location or area at the Airport.

(g) The Permittee shall have no right hereunder to carry on any business or operation at the Airport other than that specifically provided herein. Without limiting the generality of the foregoing and notwithstanding anything else in this Permit to the contrary, the Permittee is expressly prohibited hereunder from performing ground transportation, fueling of aircraft and the selling and delivery of in-flight meals.

(h) It is understood that any and all privileges granted hereunder to the Permittee are non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Airport to another or others, whether by this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute a violation or breach of the permission herein granted.

(i) The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Airport.

(j) The words "permission" and "privilege" are used interchangeably in this Permit, and except where expressly provided to the contrary, shall mean the privileges granted by this Permit.

4. Fees:

(a) (i) The Permittee agrees to pay to the Port Authority, at the times set forth in and in accordance with paragraph (a)(ii) below, a percentage fee (the "*Basic Percentage Fee*") equal to five percent (5%) (as the same may be increased pursuant to paragraph (k) below) of Gross Receipts and, if any privilege or portion thereof is performed at Terminal Four, to pay to the Terminal Four Lessee a percentage fee (hereinafter called the "Terminal Four Percentage Fee"), at the times set forth in and in accordance with paragraph (a)(iii) below, equal to five percent (5%), as the same may be increased pursuant to paragraph (k) below, of Terminal Four Gross Receipts.

(ii) Gross Receipts shall be reported and the Basic Percentage Fee shall be paid to the Port Authority by the Permittee as follows: On or before the twentieth (20th) day of the first month following the month in which the Effective Date falls and on the twentieth (20th) day of each and every calendar month thereafter during the period that this Permit is in effect and including the calendar month in which this Permit ceases to be in effect, the Permittee shall render to the Port Authority a monthly statement sworn to by a responsible executive or fiscal officer of the Permittee showing all of the Gross Receipts for the preceding month (the "Monthly Sworn Statement of Gross Receipts"). Each of the said statements shall also show the cumulative Gross Receipts from the Effective Date (or the most recent anniversary thereof) through the last day of the preceding month. At the same time each of the said statements is rendered to the Port Authority, the Permittee shall pay to the Port Authority an amount equal to five percent (5%) applied to the Gross Receipts for the preceding calendar month. In addition to the foregoing, on the twentieth (20th) day of the first month following each anniversary of the Effective Date the Permittee shall submit to the Port Authority a statement setting forth the cumulative totals of the Gross Receipts for the entire preceding twelve (12) month period certified, at the Permittee's expense, by a certified public accountant or a responsible executive or fiscal officer of the Permittee ("Annual Statement of Gross Receipts"). In addition to the foregoing, within twenty (20) days after the expiration, termination, revocation or cancellation of this Permit, the Permittee shall render to the Port Authority a sworn statement certified, at the Permittee's expense, by a certified public accountant of all Gross Receipts during the period from the last preceding anniversary of the Effective Date up to and including the last day this Permit shall be in effect and the Permittee shall, at the time of rendering such statement to the Port Authority, pay the Basic Percentage Fee due and unpaid as of the last day this Permit shall be in effect. The Permittee shall give the name and position of the responsible executive or fiscal officer designated under this paragraph to submit Monthly Sworn Statement and Annual Statement of Gross Receipts, ten (10) business days prior to the submission of the first such statement by the designee of the Permittee, so that the Port Authority may determine whether it will accept such designation. The designation shall be submitted to the Manager of Properties for the Airport. If such timely notice is not given to the Port Authority, the Permittee shall submit such statement to the Port Authority in a form executed by a certified public accountant.

(iii) Terminal Four Gross Receipts shall be reported and the Terminal Four Percentage Fee shall be paid to the Terminal Four Lessee by the Permittee as follows: On or before the twentieth (20th) day of the first month following the month in which the Effective Date falls and on the twentieth (20th) day of each and every calendar month thereafter during the period that the Permit is in effect and including the calendar month in which the Permit ceases to be in effect, the Permittee shall render to the Port Authority and the Terminal Four Lessee a monthly statement sworn to by a responsible executive or fiscal officer of the Permittee showing all of the Terminal Four Gross Receipts for the preceding month (the "Monthly Sworn Statement of Gross Receipts"). Each of the said statements shall also show the cumulative Terminal Four Gross Receipts from the Effective Date (or the most recent anniversary thereof) through the last day of the preceding month. At the same time each of the said statements is rendered to the Port Authority and the Terminal Four Lessee, the Permittee shall pay to the Terminal Four Lessee an amount equal to five percent (5%) applied to the Terminal Four Gross Receipts for the preceding calendar month. In addition to the foregoing, on the twentieth (20th) day of the first month following each anniversary of the Effective Date the Permittee shall submit to the Port Authority and the Terminal Four Lessee a statement setting forth the cumulative totals of the Terminal Four Gross Receipts for the entire preceding twelve (12) month period certified, at the Permittee's expense, by a certified public accountant or a responsible executive or fiscal officer of the Permittee ("Annual Statement of Gross Receipts"). In addition to the foregoing, within twenty (20) days after the expiration, termination, revocation or cancellation of the Permit, the Permittee shall render to the Port Authority and the Terminal Four Lessee a sworn statement certified, at the Permittee's expense, by a certified public accountant of the Permittee of all

Terminal Four Gross Receipts during the period from the last preceding anniversary of the Effective Date up to and including the last day the Permit shall be in effect and the Permittee shall, at the time of rendering such statement to the Terminal Four Lessee pay to the Terminal Four Lessee the Terminal Four Percentage Fee due and unpaid as of the last day the Permit shall be in effect. Each of the statements called for hereunder shall separately list and state the Terminal Four Gross Receipts and the applicable Terminal Four Percentage Fee payable thereon for each privilege (including without limitation each Authorized Service) provided by the Permittee hereunder at Terminal Four.

(b) (i) All statements to be submitted to the Port Authority pursuant to this Section and all payments made under this Permit, except for the Terminal Four Percentage Fee, shall be sent to the following address:

THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY
P.O. BOX 95000-1556
PHILADELPHIA, PENNSYLVANIA 19195-0001

or made via the following wire transfer instructions:

Bank: [redacted]
Bank ABA number: [redacted]
Account number:

or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

(ii) All statements to be submitted to the Terminal Four Lessee hereunder and the Terminal Four Percentage Fee shall be made to the Terminal Four Lessee at Terminal Four, John F. Kennedy International Airport, Room 2300, Jamaica, New York 11430 or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

(c) There shall be excluded from Gross Receipts and Terminal Four Gross Receipts any sum paid or payable to the Permittee for the following, provided said sum is separately stated to and paid by the customer:

(i) handicapped services;

(ii) security services;

(iii) lost and found baggage services;

(iv) snow removal services;

(v) ground transportation of employees; and

(vi) building janitorial and maintenance services,

provided further, however, the Permittee acknowledges and agrees that the Port Authority does and shall continue to have the right at any time and from time to time to withdraw the foregoing exclusions from Gross Receipts (and Terminal Four Gross Receipts), in whole or in part, or to establish a separate fee for each such service, which may be a percentage fee other than five percent (5%), upon sixty (60) days' prior written notice to the Permittee. Notwithstanding the

foregoing, any fee established must be agreed to by the Permittee and the Port Authority and must be reflected in a supplement to this Permit to be prepared by the Port Authority and executed by the parties hereto.

(d) In the event the Permittee shall be permitted hereunder to provide Gateside Aircraft Maintenance services or Routine and Non-routine Aircraft Maintenance services, there shall be excluded from Gross Receipts and Terminal Four Gross Receipts any sum paid or payable to the Permittee:

(i) which arise solely from the resale to a customer of aircraft parts and supplies purchased by the Permittee from a third party, provided, however, that there shall be included in Gross Receipts and Terminal Four Gross Receipts monies paid or payable to the Permittee which arise from the sale of such aircraft parts and supplies to which the Permittee has provided labor for fabrication, refinishing or assembly to the extent of the reasonable value of the labor provided by the Permittee;

(ii) which arise solely from the use of equipment rented by the Permittee from a third party which monies are separately stated to and paid by the customer, limited, however, to the amounts actually paid by the Permittee to the third party for such rental of equipment; and

(iii) which arise solely from the loan or rental by the Permittee of aircraft parts, whether or not owned by the Permittee, which monies are separately stated to and paid by a customer and where said loan or rental of any such aircraft part is for a period of less than twelve (12) consecutive calendar days, it being understood that such monies paid or payable to the Permittee for the loan or rental may include monies for labor provided by the Permittee for installation, refurbishment of returned parts or administrative handling which is directly related to said loan or rental provided, however, all monies paid or payable to the Permittee which arise solely from the loan or rental by the Permittee of aircraft parts, whether or not owned by the Permittee, for twelve (12) or more consecutive calendar days (including but not limited to monies for labor provided by the Permittee for installation, refurbishment of returned parts or administrative handling which is directly related to said lease or rental) shall be included in Gross Receipts from the first day of the loan or rental period, as the case may be.

(e) If and to the extent the full fair market value of any sale, service or other item provided by the Permittee is not charged to or payable by the customer, then the fair market value thereof as determined by the Port Authority shall be included in Gross Receipts and Terminal Four Gross Receipts.

(f) Without limiting any other provisions of this Permit regarding Gross Receipts and Terminal Four Gross Receipts, in those instances where the Permittee provides any services or goods along with other services and goods to the same Person (including without limitation those instances where a service is part of or is included within a group of other services and rendered for a single price, and where a service is performed by the Permittee pursuant to agreement for the exchange of services or goods) the Permittee agrees that the value ascribed to the performance of such service by the Permittee shall be the fair and reasonable value thereof as determined by the Port Authority.

(g) Without limiting the requirement for Port Authority approval, if the Permittee conducts any privilege or any portion thereof through the use of a contractor or other third party which is not a Port Authority permittee and where the payments for any of the foregoing are made to such contractor rather than to the Permittee, said payments shall be deemed amounts, monies, revenues, receipts and income paid or payable to the Permittee for purposes of determining the Permittee's Gross Receipts and Terminal Four Gross Receipts, provided,

however, that the foregoing shall not grant or be deemed to grant any right or permission to the Permittee to use an independent contractor or other third party to perform any privilege or portion thereof or the doing of anything hereunder by an independent contractor or other third party.

(h) Notwithstanding that the fee hereunder is measured by a percentage of Gross Receipts and Terminal Four Gross Receipts, no joint venture or partnership relationship between the parties hereto is created by this Permit.

(i) To the extent that the Permittee has not already done so at the time of execution of this Permit and without limiting the generality of any other term or provision hereof, the Permittee agrees to submit monthly statements of Gross Receipts and Terminal Four Gross Receipts as provided in this Section and to pay, at the time of execution and delivery of this Permit to the Port Authority, all fees and other amounts due under this Permit for the period from the Effective Date to the time of execution and delivery of this Permit by the Permittee.

(j) Without limiting any other provision of this Permit, it is hereby specifically understood that the failure to set forth all the classes of Persons, all of the locations served or all of the types of services or activities performed by the Permittee in its exercise of the privileges granted hereunder as of the Effective Date, or the failure to, by appropriate supplement, revise this Permit to reflect any additional classes of Persons, locations served, or services or activities performed by the Permittee subsequent to said Effective Date, shall not affect the inclusion in Gross Receipts or Terminal Four Gross Receipts hereunder of the amounts, monies, revenues, receipts and income received or receivable by the Permittee in its operations, and the same shall be so included. The foregoing shall not constitute Port Authority consent or be deemed to imply that the necessary Port Authority consent (to be reflected in a supplement to the Permit) with respect to such additional classes of Persons, locations, services or activities will be given.

(k) The Basic Percentage Fee, the Terminal Four Percentage Fee and any other fees payable under this Permit shall be subject to increase from time to time upon thirty (30) days' notice from the Port Authority to the Permittee, given by the General Manager of the Airport or such other representative as the Port Authority may substitute from time to time by notice to the Permittee, and upon the effective date of the increase set forth in such notice the fees payable by the Permittee under this Permit shall be as set forth in said notice. In the event within ten (10) days after the Permittee receives such notice from the Port Authority, the Permittee notifies the Port Authority that the Permittee does not wish to pay the increased fees, this Permit and the permission granted hereunder shall be, and shall be deemed to be, cancelled effective at the close of business on the day preceding the effective date of the increase, as set forth in the Port Authority's notice to the Permittee. If the Permittee does not so notify the Port Authority, the increased fees shall become effective on the date set forth in the Port Authority's notice as aforesaid. No cancellation of this Permit and the permission granted thereunder pursuant to this paragraph (k) shall be construed to relieve the Permittee of any obligations or liabilities hereunder which shall have accrued on or before the effective date of such cancellation.

(l) Without limiting any term or provision of this Permit, in the event the Permittee performs (x) any service, other than the Authorized Service at the Airport, or (y) any service (including the Authorized Service) at any other Port Authority facility, whether such performance is the subject of a written agreement by and between the Port Authority and the Permittee, the Permittee hereby agrees that it will pay to the Port Authority any and all fees and/or charges applicable to such service. The Permittee also agrees that, at the request of the Port Authority, it will enter into the appropriate agreement with the Port Authority providing permission for the Permittee to perform such service.

5. Security Deposit:

(a) (i) Provided that an amount is set forth in Item 8 on the first page of this Permit (the "*Required Security Deposit*"), and, provided, further, the amount of said Required Security Deposit is less than $20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deposit with the Port Authority (and shall keep deposited throughout the effective period of the permission under this Permit) the Required Security Deposit, either in cash, or bonds of the United States of America, or of the State of New Jersey, or of the State of New York, or of the Port Authority of New York and New Jersey, having a market value of that amount, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed. Bonds qualifying for deposit hereunder shall be in bearer form but if bonds of that issue were offered only in registered form, then the Permittee may deposit such bonds or bonds in registered form, provided, however, that the Port Authority shall be under no obligation to accept such deposit of a bond in registered form unless such bond has been re-registered in the name of the Port Authority (the expense of such re-registration to be borne by the Permittee) in a manner satisfactory to the Port Authority. The Permittee may request the Port Authority to accept a registered bond in the Permittee's name and if acceptable to the Port Authority the Permittee shall deposit such bond together with an irrevocable bond power (and such other instruments or other documents as the Port Authority may require) in form and substance satisfactory to the Port Authority. In the event the Required Security Deposit is returned to the Permittee, any expenses incurred by the Port Authority in re-registering a bond to the name of the Permittee shall be borne by the Permittee. In addition to any and all other remedies available to it, the Port Authority shall have the right, at its option, at any time and from time to time, with or without notice, to use the Required Security Deposit, or any part thereof, in whole or partial satisfaction of any of its claims or demands against the Permittee. There shall be no obligation on the Port Authority to exercise such right and neither the existence of such right nor the holding of the Required Security Deposit itself shall cure any default or breach of this Permit on the part of the Permittee. With respect to any bonds deposited by the Permittee, the Port Authority shall have the right, in order to satisfy any of its claims or demands against the Permittee, to sell the same in whole or in part, at any time, and from time to time, with or without prior notice at public or private sale, all as determined by the Port Authority, together with the right to purchase the same at such sale free of all claims, equities or rights of redemption of the Permittee. The Permittee hereby waives all right to participate therein and all right to prior notice or demand of the amount or amounts of the claims or demands of the Port Authority against the Permittee. The proceeds of every such sale shall be applied by the Port Authority first to the costs and expenses of the sale (including but not limited to advertising or commission expenses) and then to the amounts due the Port Authority from the Permittee. Any balance remaining shall be retained in cash toward bringing the Required Security Deposit to the sum specified in Item 8 on the first page of this Permit. In the event that the Port Authority shall at any time or times so use the Required Security Deposit, or any part thereof, or if bonds shall have been deposited and the market value thereof shall have declined below the amount set forth in Item 8 on the first page of this Permit, the Permittee shall, on demand of the Port Authority and within two (2) days thereafter, deposit with the Port Authority additional cash or bonds so as to maintain the Required Security Deposit at all times to the full amount above stated in Item 8 on the first page of this Permit, and such additional deposits shall be subject to all the conditions of this Section. After the expiration or earlier revocation or termination of the effective period of the permission under this Permit, and upon condition that the Permittee shall then be in no wise in default under any part of this Permit, and upon written request therefor by the Permittee, the Port Authority will return the Required Security Deposit to the Permittee less the amount of any and all unpaid claims and demands (including estimated damages) of the Port Authority by reason of any default or breach by the Permittee of this Permit or any part thereof. The Permittee agrees that it will not assign or

encumber the Required Security Deposit. The Permittee may collect or receive any interest or income earned on bonds and interest paid on cash deposited in interest-bearing bank accounts, less any part thereof or amount which the Port Authority is or may hereafter be entitled or authorized by law to retain or to charge in connection therewith, whether as or in lieu of an administrative expense, or custodial charge, or otherwise; provided, however, that the Port Authority shall not be obligated by this provision to place or to keep cash deposited hereunder in interest-bearing bank accounts.

(ii) In lieu of the Required Security Deposit made in the form described above in paragraph (a)(i), the Permittee may at any time during the effective period of the permission granted under this Permit offer to deliver to the Port Authority, as security for all obligations of the Permittee under this Permit, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District, in favor of the Port Authority in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent satisfactory letter. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by security in accordance with paragraph (a)(i) of this Section or another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security under paragraph (a)(i) of this Section. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the Required Security Deposit, if any, theretofore made under and in accordance with the provisions of paragraph (a)(i) of this Section. The Permittee shall have the same rights to receive such Required Security Deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the effective period of the permission granted under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount.

(b) Provided that a Required Security Deposit amount is set forth in Item 8 on the first page of this Permit, and, provided, further, the amount of said Required Security Deposit is equal to or greater than $20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of the Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority, and payable in the Port of New York District in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for

automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is an appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless the letter of credit is replaced by another letter of credit satisfactory to the Port Authority by a date not later than twenty (20) days prior to the effective date of cancellation, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee, upon demand by the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to the amount of the Required Security Deposit. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to be a waiver of any default by the Permittee under the terms of this Permit, and all remedies under this Permit and of the Port Authority consequent upon such default shall not be affected by the existence of a recourse to any such letter of credit.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, in its sole discretion at any time and from time to time upon sixty (60) days' notice to the Permittee, to adjust the amount of the Required Security Deposit. Not later than the effective date set forth in said notice by the Port Authority, the Permittee shall furnish additional cash or bonds, as provided for in paragraph (a) above, or an amendment to, or a replacement of, the letter of credit providing for such adjusted amount of the Required Security Deposit, as the case may be, and such additional cash and/or bonds or adjusted (or replaced) letter of credit shall thereafter constitute the Required Security Deposit required under this Section.

(d) If the Permittee is obligated by any other agreement to maintain a security deposit with the Port Authority to insure payment and performance by the Permittee of all fees, rentals, charges and obligations which may become due and owing to the Port Authority arising from the Permittee's operations at the Airport pursuant to any such other agreement or otherwise, then all such obligations under such other agreement and any deposit pursuant thereto also shall be deemed obligations of the Permittee under this Permit and as security hereunder as well as under any such other agreement and all provisions of such other agreement with respect to such obligations and any obligations thereunder of the Port Authority as to the security deposit are hereby incorporated herein by this reference as though fully set forth herein and hereby made a part hereof. The termination, revocation, cancellation or expiration of any other agreement to which such security shall apply or any permitted assignment of such other agreement shall not affect such obligations as to such security which shall continue in full force and effect hereunder.

6. Permittee's Operations:

(a) The Permittee shall provide to the Port Authority, upon request of the Port Authority from time to time, such information and data in connection with the permission granted hereunder as the Port Authority may request and shall, if so requested by the Port Authority, make periodic reports thereof to the Port Authority utilizing such forms as may be adopted by the Port Authority for such purpose.

(b) The Permittee shall daily remove from the Airport by means of facilities provided by it all garbage, debris and other waste material (whether solid or liquid) arising out of or in connection with the permission granted hereunder, and any such not immediately removed shall be temporarily stored in a clean and sanitary condition, in suitable garbage and waste receptacles, the same to be made of metal and equipped with tight-fitting covers, and to be of a design safely and properly to contain whatever material may be placed therein; said receptacles being provided and maintained by the Permittee. The receptacles shall be kept covered except when filling or emptying the same. The Permittee shall exercise extreme care in removing such garbage, debris and other waste materials from the Airport. The manner of such storage and removal shall be subject in all respects to the continual approval of the Port Authority. No facilities of the Port Authority shall be used for such removal unless with its prior consent in writing. No such garbage, debris or other waste materials shall be or be permitted to be thrown, discharged or disposed into or upon the waters at or bounding the Airport.

(c) The Permittee shall at all times that areas of the Airport are being used for the privileges permitted hereunder, maintain said areas in a clean and orderly condition and appearance. The Permittee shall promptly wipe up any oil, gasoline, grease, lubricants and other inflammable liquids and substances and any liquids and substances having a corrosive or detrimental effect on the paving or other surface of the ramps or other areas upon which it performs the privileges authorized by this Permit resulting from its operations hereunder. The Permittee shall repair, replace, repave or rebuild, or at the Port Authority's election, the Permittee shall pay to the Port Authority the cost to the Port Authority of repairing, replacing, repaving or rebuilding, all or any part of the ramps or other areas upon which it performs the privileges authorized by this Permit which may be damaged or destroyed by such oil, gasoline, grease, lubricants or other liquids or substances or by any other act or omission of the Permittee or its employees, except for reasonable wear and tear arising out of its operations thereon.

(d) A principal purpose of the Port Authority in granting the permission under this Permit is to have available at the Airport, the privileges which the Permittee is permitted to render hereunder. The Permittee agrees that it will conduct a first-class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor, and keep the same in a first-class operating condition at all times.

(e) The Permittee shall immediately comply with all orders, directives and procedures as may be issued by the General Manager of the Airport covering the operations of the Permittee under this Permit at any time and from time to time. The Port Authority may, at any time and from time to time, without prior notice or cause, withdraw or modify any designation, approval, substitution or redesignation given by it hereunder.

(f) In the event of any injury or death to any person (other than employees of the Permittee) at the Airport when caused by the Permittee's operations, or damage to any property (other than the Permittee's property) at the Airport when caused by the Permittee's operations, the Permittee shall immediately notify the Port Authority and promptly thereafter furnish to the Port Authority copies of all reports given to the Permittee's insurance carrier.

(g) The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Airport. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the General Manager of the Airport. The Port Authority shall have the right to object to the Permittee as to the demeanor, conduct and appearance of the Permittee's employees,

invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

(h) The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations at the Airport.

7. Indemnity:

(a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third Persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee hereunder, or out of any of the acts or omissions of the Permittee, its officers, employees or Persons who are doing business with the Permittee arising out of or in connection with the activities permitted hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the Airport, including claims and demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) Without limiting any other term or provision hereof, the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

(c) Without limiting any other term or provision hereof, the Permittee shall indemnify the Port Authority and hold it harmless against all claims and demands of third Persons for damage to any aircraft cargo or baggage or any other property handled or delivered pursuant to the permission granted by this Permit.

(d) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand set forth in paragraphs (a), (b) and (c) above (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

8. Liability Insurance:

(a) The Permittee, in its own name as insured and including the Port Authority as an additional insured, shall maintain and pay the premiums during the effective period of the Permit on a policy or policies of Commercial General Liability Insurance, including premises-operations and products-completed operations and covering bodily-injury liability, including death, and property damage liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage in the minimum limit set forth in Item 9 on the first page of this Permit, and Commercial Automobile Liability Insurance covering owned, non-owned and hired vehicles and including automatic coverage for newly acquired vehicles and providing for coverage in the minimum limit set forth in Item 9 on the first page of this Permit. Without

limiting the foregoing, the Permittee shall maintain Workers' Compensation and Employers Liability Insurance in accordance with the Permittee's statutory obligations under the applicable State Workers' Compensation Law for those employees of the Permittee employed in operations conducted pursuant to this Permit at or from the Airport. In the event the Permittee maintains the foregoing insurance in limits greater than aforesaid, the Port Authority shall be included therein as an additional insured, except for the Workers' Compensation and Employers Liability Insurance policies, to the full extent of all such insurance in accordance with all terms and provisions of this Permit.

(b) Each policy of insurance, except for the Workers' Compensation and Employers Liability Insurance policies, shall also contain an ISO standard "separation of insureds" clause or a cross liability endorsement providing that the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority and any claim or action against the Port Authority by the Permittee, as if the Port Authority were the named insured thereunder, but such clause or endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured. Each policy of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Permittee under Section 7 of the Terms and Conditions of this Permit.

(c) All insurance coverages and policies required under this Section may be reviewed by the Port Authority for adequacy of terms, conditions and limits of coverage at any time and from time to time during the effective period of permission granted under this Permit. The Port Authority may, at any such time, require additions, deletions, amendments or modifications to the aforementioned insurance requirements, or may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem required and the Permittee shall promptly comply therewith.

(d) Each policy shall contain a provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' written advance notice thereof to the Port Authority. Each policy shall contain a provision or endorsement that the insurer "shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority." The foregoing provisions or endorsements shall be recited in each policy or certificate to be delivered pursuant to the following paragraph (e).

(e) A certified copy of each policy or a certificate or certificates of insurance evidencing the existence thereof, or binders, shall be delivered to the Port Authority upon execution and delivery of this Permit by the Permittee to the Port Authority. In the event any binder is delivered it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate of insurance. Any renewal policy shall be evidenced by a renewal certificate of insurance delivered to the Port Authority at least seven (7) days prior to the expiration of each expiring policy, except for any policy expiring after the date of expiration of this Permit. The aforesaid insurance shall be written by a company or companies approved by the Port Authority. If at any time any insurance policy shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policy shall be or become unsatisfactory to the Port Authority, the Permittee shall promptly obtain a new and satisfactory policy in replacement. If the Port Authority at any time so requests, a certified copy of each policy shall be delivered to or made available for inspection by the Port Authority.

(f) The foregoing insurance requirements shall not in any way be construed as a limitation on the nature or extent of the contractual obligations assumed by the Permittee under this Permit. The foregoing insurance requirements shall not constitute a representation or warranty as to the adequacy of the required coverage to protect the Permittee with respect to the obligations imposed on the Permittee by this Permit or any other agreement or by law.

9. Special Endorsements:

The Permittee hereby agrees to the terms and conditions of the endorsements attached hereto, hereby made a part hereof and marked "*Special Endorsements*". The terms and provisions of the Special Endorsements shall have the same force and effect and as if herein set forth in full.

10. No Waiver:

No failure by the Port Authority or the Terminal Four Lessee to insist upon the strict performance of any agreement, term or condition of this Permit or to exercise any right or remedy consequent upon a breach or default thereof, and no extension, supplement or amendment of this Permit during or after a breach thereof, unless expressly stated to be a waiver, and no acceptance by the Port Authority or the Terminal Four Lessee of fees, charges or other payments in whole or in part after or during the continuance of any such breach or default, shall constitute a waiver of any such breach or default of such agreement, term or condition. No agreement, term or condition of this Permit to be performed or complied with by the Permittee, and no breach or default thereof, shall be waived, altered or modified except by a written instrument executed by the Port Authority. No waiver by the Port Authority of any default or breach on the part of the Permittee in performance of any agreement, term or condition of this Permit shall affect or alter this Permit but each and every agreement, term and condition thereof shall continue in full force and effect with respect to any other then existing or subsequent breach or default thereof.

11. Removal of Property:

The personal property placed or installed by the Permittee at the Airport shall remain the property of the Permittee and must be removed on or before the expiration, revocation, cancellation or termination of the permission hereby granted, whichever shall be earlier. Without limiting the terms and provisions of paragraph (g) of Section 18 hereof, any such property remaining at the Airport after the effective date of such expiration, revocation, cancellation or termination shall be deemed abandoned by the Permittee and may be removed and disposed of by the Port Authority in any manner it so determines in its sole discretion and all the proceeds of any removal or disposition shall be retained by the Port Authority for its account and all costs and expenses of such removal and disposition shall be paid to the Port Authority by the Permittee when billed.

12. Permittee's Representative:

The Permittee's representative specified in Item 3 on the first page of this Permit (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and any act or thing done or to be done hereunder, and to execute on the Permittee's behalf any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. Notices:

Except where expressly required or permitted herein to be oral, all notices, directions, requests, consents and approvals required to be given to or by either party or the Terminal Four Lessee shall be in writing, and all such notices given by the Port Authority or the Terminal Four Lessee to the Permittee shall be validly given if sent by registered or certified mail addressed to the Permittee at the address specified on the first page hereof or at the latest address that the Permittee may substitute therefor by notice to the Port Authority, or left at such address, or delivered to the Permittee's representative. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003 or at such other address as the Port Authority shall hereafter designate by notice to the Permittee. If mailed, the notices herein required to be given shall be deemed effective and given as of the date of the certified or registered mailing thereof.

14. Late Charges:

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority or the Terminal Four Lessee including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four (24) late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (15) (but not less than thirteen (13)) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority or the Terminal Four Lessee of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority or the Terminal Four Lessee to payment of any late charge or late charges payable under the provisions of this Section with respect to such unpaid amount. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority or the Terminal Four Lessee under this Permit, including without limitation the Port Authority's rights set forth in Section 2 of these Terms and Conditions, or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Section shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

15. Non-discrimination:

(a) Without limiting the generality of any of the provisions of this Permit, the Permittee, for itself, its successors in interest and assigns, as a part of the consideration hereof, does hereby agree that (1) no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or be otherwise subject to discrimination in the use of any space at the Airport and the exercise of any privileges under this

Permit, (2) that in the construction of any improvements on, over, or under any space at the Airport and the furnishing of any service thereon by the Permittee, no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination, (3) that the Permittee shall use any space at the Airport and exercise any privileges under this Permit in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended, and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which from time to time may be applicable to the Permittee's operations thereat, whether by reason of agreement between the Port Authority and the United States Government or otherwise.

(b) The Permittee shall include the provisions of paragraph (a) of this Section in every agreement or concession it may make pursuant to which any Person or Persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Section shall constitute a material breach of this Permit. Without limiting any other term or provision hereof or any other rights or remedies of the Port Authority hereunder or at law or equity, in the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) Without limiting any other term or provision hereof, the Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third Persons, including the United States of America, resulting from the Permittee's noncompliance with any of the provisions of this Section and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Section shall grant or shall be deemed to grant to the Permittee the right to transfer or assign this Permit, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on any space at the Airport, or any right to use or occupy any space at the Airport.

16. Affirmative Action:

The Permittee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Permittee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Permittee assures that it will require that its covered suborganizations provide assurances to the Permittee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

17. Rules and Regulations:

(a) The Permittee shall observe and obey (and compel its officers, employees, guests, invitees, and those doing business with it, to observe and obey) the rules and regulations and procedures of the Port Authority now in effect, and such further reasonable rules and regulations and procedures which may from time to time during the effective period of this Permit, be promulgated by the Port Authority for reasons of safety, health, preservation of property or maintenance of a good and orderly appearance of the Airport or for the safe and efficient operation of the Airport. The Port Authority agrees that, except in cases of emergency, it shall give notice to the Permittee of every rule and regulation hereafter adopted by it at least five (5) days before the Permittee shall be required to comply therewith.

(b) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the New York Board of Fire Underwriters and the New York Fire Insurance Exchange, and any other body or organization exercising similar functions which may pertain or apply to the Permittee's operations hereunder. If by reason of the Permittee's failure to comply with the provisions of this Section, any fire insurance, extended coverage or rental insurance rate on the Airport or any part thereof, or upon the contents of any building thereon, shall at any time be higher than it otherwise would be, then the Permittee shall on demand pay the Port Authority that part of all fire insurance premiums paid or payable by the Port Authority which shall have been charged because of such violation by the Permittee.

18. Prohibited Acts

(a) The Permittee shall not do or permit to be done any act which

(i) will invalidate or be in conflict with any fire insurance policies covering the Airport or any part thereof or upon the contents of any building thereon, or

(ii) will increase the rate of any fire insurance, extended coverage or rental insurance on the Airport or any part thereof or upon the contents of any building thereon, or

(iii) in the opinion of the Port Authority will constitute a hazardous condition, so as to increase the risks normally attendant upon the operations contemplated by this Permit, or

(iv) may cause or produce upon the Airport any unusual noxious or objectionable smokes, gases, vapors or odors, or

(v) may interfere with the effectiveness or accessibility of any drainage and sewerage system, water system, communications system, fire protection system, sprinkler system, alarm system, fire hydrant and hose, if any, installed or located or to be installed or located in or on the Airport, or

(vi) shall constitute a nuisance or injury in or on the Airport or which may result in the creation, commission or maintenance of a nuisance or injury in or on the Airport.

For the purpose of this paragraph (a), "Airport" includes all structures located thereon.

(b) The Permittee shall not dispose of, release or discharge nor permit anyone to dispose of, release or discharge any Hazardous Substance on the Airport except that the Permittee may release or discharge de-icing fluids utilized in the Permittee's ordinary course of business in the performance of any of the privileges granted hereunder so long as such release or discharge is not a violation of the terms and conditions of Sections 17 or 19 hereof. In addition to and without limiting Section 19 hereof, any Hazardous Substance disposed of, released or

discharged by the Permittee (or permitted by the Permittee to be disposed of, released or discharged) on the Airport shall upon notice by the Port Authority to the Permittee and subject to the provisions of Sections 17 and 19 hereof and to all Environmental Requirements, be completely removed and/or remediated by the Permittee at its sole cost and expense, provided, however, the forgoing shall not apply to releases and discharges which are in compliance with the terms and conditions of Sections 17 and 19 hereof of de-icing fluids utilized in the Permittee's ordinary course of business in the performance of any of the privileges granted hereunder and the obligation of the Permittee to remove and remediate such de-icing fluids shall be as required by the terms and conditions of Sections 17 and 19 hereof. The obligations of the Permittee pursuant to this paragraph shall survive the expiration, revocation, cancellation or termination of this Permit.

(c) The Permittee shall not dispose of nor permit anyone to dispose of any waste materials (whether liquid or solid) by means of any toilets, sanitary sewers or storm sewers.

(d) (i) The Permittee shall not employ any persons or use any labor, or use or have any equipment, or permit any condition to exist, which shall or may cause or be conducive to any labor complaints, troubles, disputes or controversies at the Airport which interfere or are likely to interfere with the operation of the Airport or any part thereof by the Port Authority or with the operations of the lessees, licensees, permittees or other users of the Airport or with the operations of the Permittee under this Permit.

(ii) The Permittee shall immediately give notice to the Port Authority (to be followed by written notice and reports) of any and all impending or existing labor complaints, troubles, disputes or controversies and the progress thereof. The Permittee shall use its best efforts to resolve any such complaints, troubles, disputes or controversies.

(iii) The Permittee acknowledges that it is familiar with the general and local conditions prevailing at the Airport and with the all pertinent matters and circumstances which may in any way affect performance of the privileges granted under this Permit.

(e) The Permittee shall not solicit business on the public areas of the Airport and the use, at any time, of hand or standard megaphones, loudspeakers or any electric, electronic or other amplifying device is hereby expressly prohibited.

(f) The Permittee shall not install any fixtures or make any alterations, additions, improvements or repairs to any property of the Port Authority except with the prior written approval of the Port Authority.

(g) No signs, posters or similar devices shall be erected, displayed or maintained at the Airport without the written approval of the General Manager of the Airport; and any not approved by such General Manager or not removed by the Permittee upon the termination, revocation, expiration or cancellation of this Permit may be removed by the Port Authority at the expense of the Permittee.

(h) The Permittee shall not operate any engine or any item of automotive equipment in any enclosed space at the Airport unless such space is adequately ventilated.

(i) The Permittee shall not use any cleaning materials having a harmful or corrosive effect on any part of the Airport.

(j) The Permittee shall not fuel or defuel any equipment in any enclosed space at the Airport without the prior approval of the General Manager of the Airport except in accordance with Port Authority rules and regulations.

(k) The Permittee shall not start or operate any engine or any item of automotive equipment in any enclosed space at the Airport unless such space is adequately ventilated and unless such engine is equipped with a proper spark-arresting device.

19. Law Compliance:

(a) The Permittee shall procure all licenses, certificates, permits or other authorization from all governmental authorities, if any, having jurisdiction over the Permittee's operations at the Airport which may be necessary for the Permittee's operations thereat.

(b) The Permittee shall pay all taxes, license, certification, permit and examination fees and excises which may be assessed, levied, exacted or imposed on its property or operations at the Airport or on the Gross Receipts, Terminal Four Gross Receipts or income therefrom, and shall make all applications, reports and returns required in connection therewith.

(c) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions which may pertain or apply to the Permittee's operations at the Airport.

(d) The Permittee's obligations to comply with governmental requirements are provided herein for the purpose of assuring proper safeguards for the protection of Persons and property at the Airport and are not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

(e) The Port Authority has agreed by a provision in the City Lease with the City covering the Airport to conform to the enactments, ordinances, resolutions and regulations of the City and of its various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable so to do. The Permittee shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

20. Trademarks and Patent Infringement:

The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit.

21. Inspection:

The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Airport or to be placed or brought on the Airport, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

22. Federal Aid:

(a) The Permittee shall

(i) furnish good, prompt and efficient service hereunder, adequate to meet all demands therefor at the Airport;

(ii) furnish said service on a fair, equal and non-discriminatory basis to all users thereof; and

(iii) charge fair, reasonable and non-discriminatory prices for each unit of sale or service, provided that the Permittee may make reasonable and non-discriminatory discounts, rebates or other similar types of price reductions to volume purchasers.

As used in the above subsections "service" shall include furnishing of parts, materials and supplies (including sale thereof).

(b) The Port Authority has applied for and received a grant or grants of money from the Administrator of the Federal Aviation Administration pursuant to the Airport and Airways Development Act of 1970, as the same has been amended and supplemented, and under prior federal statutes which said Act superseded and the Port Authority may in the future apply for and receive further such grants. In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. The performance by the Permittee of the promises and obligations contained in this Permit is therefore a special consideration and inducement to the issuance of this Permit by the Port Authority, and the Permittee further agrees that if the Administrator of the Federal Aviation Administration or any other governmental officer or body having jurisdiction over the enforcement of the obligations of the Port Authority in connection with Federal Airport Aid, shall make any orders, recommendations or suggestions respecting the performance by the Permittee of its obligations under this Permit, the Permittee will promptly comply therewith at the time or times, when and to the extent that the Port Authority may direct.

23. Capacity and Competition:

(a) The Permittee shall refrain from entering into continuing contracts or arrangements with any third Person for furnishing services covered hereunder when such contracts or arrangements will have the effect of utilizing to an unreasonable extent the Permittee's capacity for rendering such services. A reasonable amount of capacity shall be reserved by the Permittee for the purpose of rendering services hereunder to those who are not parties to continuing contracts with the Permittee.

(b) The Permittee shall not enter into any agreement or understanding, express or implied, binding or non-binding, with any other Person who may furnish services at the Airport similar to those furnished hereunder which will have the effect of (i) fixing rates and charges to be paid by users of the services; (ii) lessening or preventing competition between the Permittee and such other furnishers of services; or (iii) tending to create a monopoly on the Airport in connection with the furnishing of such services.

24. Business Development and Records:

(a) In connection with the exercise of the privileges granted hereunder, the Permittee shall:

(i) use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(ii) not divert or cause or allow to be diverted, any business from the Airport;

(iii) maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of the Permittee at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify the Authorized Service performed at Terminal Four, the Authorized Service performed at the Airport at any location other than Terminal Four and all other services performed at the Airport at any location other than Terminal Four, and;

(iv) cause any company which is owned or controlled by the Permittee, or any company which owns or controls the Permittee, if any such company performs services similar to those performed by the Permittee (any such company being hereinafter called an "*Affiliate*" and all such companies being hereinafter called the "*Affiliates*") to maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of each Affiliate at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify each activity (including without limitation the Authorized Service) performed at the Airport, the Authorized Service performed at Terminal Four and all other services performed at the airport at any location other than Terminal Four;

(v) permit and/or cause to be permitted in ordinary business hours during the effective period of this Permit, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Port Authority of all the records and books of account of the Permittee (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts and/or Terminal Four Gross Receipts and which the Terminal Four Lessee, in its sole discretion, believes may be relevant for identification, determination or calculation of Terminal Four Receipts, all agreements, and all source documents) and all the records and books of account of all Affiliates (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts and/or Terminal Four Gross Receipts and which the Terminal Four Lessee, in its sole discretion, believes may be relevant for identification, determination or calculation of Terminal Four Receipts, all agreements, and all source documents) (all of the foregoing records and books described in this paragraph (a)(v) being hereinafter collectively referred to as the "*Books and Records*") within ten (10) days following any request by the Port Authority from time to time and at any time to examine and audit any Books and Records;

(vi) if the Permittee has performed any privilege or portion thereof at Terminal Four, then permit and/or cause to be permitted in ordinary business hours during the effective period of the Permit, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Terminal Four Lessee of all Books and Records within ten (10) days following any request by the Terminal Four Lessee from time to time and at any time to examine and audit any Books and Records;

(vii) permit the inspection by the officers, employees and representatives of the Port Authority and the Terminal Four Lessee of any equipment used by the Permittee, including but not limited to the equipment described in paragraph (a)(viii) below; and

(viii) install and use such cash registers, sales slips, invoicing machines and any other equipment or devices, including without limitation computerized record keeping systems, for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of Gross Receipts and Terminal Four Gross Receipts, and without limiting the generality of the foregoing, for any privilege involving cash sales, install and use cash registers or other electronic cash control equipment that provides for non-resettable totals.

(b) Without implying any limitation on the right of the Port Authority to revoke this Permit for cause for breach of any term, condition or provision thereof, including but not limited to, breach of any term, condition or provision of paragraph (a) above, the Permittee understands that the full reporting and disclosure to the Port Authority of all Gross Receipts and Terminal Four Gross Receipts and to the Terminal Four Lessee of all Terminal Four Gross Receipts and the Permittee's compliance with all the provisions of paragraph (a) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under this Permit. In the event any Books and Records are maintained outside the Port of New York District or in the event of the failure of the Permittee to comply with all the provisions of paragraphs (a)(ii) through (a)(viii) above then, in addition to all, and without limiting any other, rights and remedies of the Port Authority and the Terminal Four Lessee under this Permit or otherwise and in addition to all of the Permittee's other obligations under this Permit:

(i) the Port Authority may estimate the Gross Receipts on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the fees based thereon shall be payable to the Port Authority when billed; and/or

(ii) the Port Authority or the Terminal Four Lessee may estimate the Terminal Four Gross Receipts on any basis that the Port Authority or the Terminal Four Lessee, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the fees based thereon shall be payable to the Terminal Four Lessee when billed; and/or

(iii) if any Books and Records are maintained outside of the Port of New York District, then the Port Authority in its sole discretion may (x) require on ten (10) days' notice to the Permittee that any such Books and Records be made available to the Port Authority within the Port of New York District for examination and audit pursuant to paragraph (a)(v) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(v) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority, for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Permittee shall pay to the Port Authority when billed all costs and expenses of the Port Authority, as determined by the Port Authority, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

(iv) if any Books and Records are maintained outside of the Port of New York District, then the Terminal Four Lessee in its sole discretion may (x) require on ten (10) days' notice to the Permittee that any such Books and Records be made available to the Terminal Four Lessee within the Port of New York District for examination and audit pursuant to paragraph (a)(vi) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(vi) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Permittee shall pay to the Terminal Four Lessee when billed all travel costs and related expenses, as determined by the Terminal Four Lessee, for Terminal Four Lessee auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Permittee shall pay to the Terminal Four Lessee when billed all costs and expenses of the Terminal Four Lessee, as determined by the Terminal Four Lessee, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Terminal Four Lessee for the purpose of conducting such audit and examination.

(c) In the event that upon conducting an examination and audit as described in this Section the Port Authority or the Terminal Four Lessee determines that unpaid amounts are due to the Port Authority or to the Terminal Four Lessee by the Permittee (the "*Audit Findings*"), the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority and/or the Terminal Four Lessee a service charge in the amount equal to five percent (5%) of the Audit Findings. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority or by the Terminal Four Lessee. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority or the Terminal Four Lessee by the Permittee under this Permit or otherwise. Such service charge shall not be payable if the Port Authority has received, for each month covered by the examination and audit period, the Monthly Sworn Statement of Gross

Receipts, as provided in Section 4(a)(ii) and 4(a)(iii). No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Section with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

(d) Without implying any limitation on the rights or remedies of the Port Authority under this Permit or otherwise including without limitation the right of the Port Authority to revoke this Permit for cause for breach of any term or provision of paragraphs (a)(iii) or (a)(iv) above and in addition thereto, in the event any of the Books and Records are not maintained in English, then this Permittee shall pay to the Port Authority when billed, all costs and expenses of the Port Authority, as determined by the Port Authority, to translate such Books and Records into English.

(e) The foregoing auditing costs, expenses and amounts of the Port Authority set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Permit payable to the Port Authority with the same force and effect as the Basic Percentage Fee and all other fees payable to the Port Authority hereunder and the foregoing auditing costs, expenses and amounts of the Terminal Four Lessee set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Permit payable to the Terminal Four Lessee with the same force and effect as the Terminal Four Percentage Fee and all other fees payable to the Terminal Four Lessee hereunder.

25. Rates and Charges:

The Permittee shall establish rates and discounts therefrom which are in compliance with Section 22 hereof (each such rate and discount is hereinafter called an "*Established Rate*"). Upon request by the Port Authority, the Permittee shall provide the Port Authority its rates and discounts therefrom for goods and services furnished hereunder. If the Permittee applies any rate in excess of the Established Rate therefor or extends a discount less than the Established Discount therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the Established Rate therefor or extends a discount which is in excess of the Established Rate therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an undercharge and an amount equivalent thereto shall be included in Gross Receipts and Terminal Four Gross Receipts hereunder and the Basic Percentage Fee and the Terminal Four Percentage Fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in Gross Receipts or Terminal Four Gross Receipts any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon such breach which would otherwise be available to it at law, in equity or by reason of this Permit.

26. Other Agreements:

In the event the terms and provisions of any agreement entered into by the Permittee with any third Person in connection with the privileges granted hereunder are contrary to or conflict or

are inconsistent with the terms and provisions of this Permit, the terms and provisions of this Permit shall be controlling, effective and determinative.

27. City Lease Provisions:

(a) The Permittee acknowledges that it has received a copy of, and is familiar with the contents of, the City Lease. The Permittee acknowledges that no greater rights or privileges are hereby granted to the Permittee than the Port Authority has the power to grant under the City Lease.

(b) In accordance with the provisions of the City Lease, the Port Authority and the Permittee hereby agree as follows:

(i) This Permit is subject and subordinate to the City Lease and to any interest superior to that of the Port Authority;

(ii) The Permittee shall not pay the fees or other sums under this Permit for more than one (1) month in advance (excluding security or other deposits required under this Permit);

(iii) With respect to this Permit, the Permittee on the termination of the City Lease will, at the option of the City, enter into a direct permit on identical terms with the City;

(iv) The Permittee shall indemnify the City, as third party beneficiary hereunder, with respect to all matters described in Section 31 of the City Lease that arise out of the Permittee's operations at the Airport, or arise out of the acts or omissions of the Permittee's officers, employees, agents, representatives, contractors, customers, business visitors and guests at the Airport with the Permittee's consent;

(v) The Permittee shall not use any portion of the Airport for any use other than as permitted under the City Lease;

(vi) The Permittee shall use the Airport in a manner consistent with the Port Authority's obligations under Section 28 of the City Lease;

(vii) The failure of the Permittee to comply with the foregoing provisions shall be an event of default under this Permit, which shall provide the Port Authority with the right to revoke this Permit and exercise any other rights that the Port Authority may have as the grantor of the permission hereunder; and

(viii) The City shall be named as an additional insured or loss payee, as applicable, under each policy of insurance procured by the Permittee pursuant to this Permit.

28. Counterclaims:

The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts, which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

29. Continued Exercise of Privilege After Expiration, Revocation or Termination:

(a) The Permittee acknowledges that the failure of the Permittee to cease to perform the Authorized Service at the Airport from the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss, and the Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss. The Permittee acknowledges that the Port Authority reserves all its legal and equitable rights and remedies in the event of such failure by the Permittee to cease performance of the Authorized Service.

(b) The Permittee hereby acknowledges and agrees that, subject to the foregoing, all terms and provisions of this Permit shall be and continue in full force and effect during any period following such expiration, revocation or termination.

30. Miscellaneous:

(a) It is understood and agreed that the Port Authority shall not furnish, sell or supply to the Permittee any services or utilities in connection with this Permit.

(b) No Commissioner, Director, officer, agent or employee of either party shall be charged personally by the other party with any liability, or held liable to the other party, under any term or provision of this Permit, or because of the party's execution or attempted execution, or because of any breach thereof.

(c) The Section and paragraph headings, if any, in this Permit are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope or intent of any provision hereof.

(d) This Permit, including the attached Special Endorsements, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof. This Permit may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee or except by notice as specifically set forth in Sections 4 and 13 hereof. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

SPECIAL ENDORSEMENTS

1. (a) The Port Authority hereby consents to the Permittee providing the Authorized Service to Terminal One Group Assosication, L.P. at the Airport.

(b) (i) In the event the Permittee shall desire to provide the Authorized Service to another Approved Aircraft Operator or Person at the Airport, the Permittee shall submit such request in writing to the Port Authority. The Permittee may perform the Authorized Service for other Approved Aircraft Operators or Persons at the Airport only after receiving the written consent of the Port Authority.

(ii) The Permittee hereby agrees that it will not carry on any business at the Airport other than as specifically provided herein without receiving the prior written consent of the Port Authority, which consent, if given, will be in the form of a Supplement hereto or a separate agreement with the Port Authority, and will specify whether the provisions regarding fees contained herein or any other provisions regarding fees shall apply thereto.

2. The Permittee hereby attests that its federal taxpayer identification number is [redacted].

TERMS AND CONDITIONS

1. Definitions:

The following terms, when and if used in this Permit, shall have the respective meanings given below:

(a) "*Air Cargo*" shall mean cargo transported to or from the Airport by aircraft owned or operated by an Approved Aircraft Operator.

(b) "*Aircraft Operator*" shall mean (a) a Person owning one or more aircraft which are not leased or chartered to any other Person for operation, and (b) a Person to whom one or more aircraft are leased or chartered for operation - whether the aircraft so owned, leased or chartered are military or non-military, or are used for private business, pleasure or governmental business, or for carrier or non-carrier operations, or for scheduled or non-scheduled operations or otherwise. Said term shall not mean the pilot of an aircraft unless he is also the owner or lessee thereof or a Person to whom it is chartered.

(c) "*Airport*" shall mean John F. Kennedy International Airport, consisting of certain premises identified as "John F. Kennedy International Airport" on Sheet JFK-1 of Exhibit A, and more particularly described in Exhibit B, annexed to the City Lease, and such other property as may be acquired in connection with and added to such premises pursuant to the terms of the City Lease.

(d) "*Approved Aircraft Operator*" shall mean an Aircraft Operator which the General Manager of the Airport has authorized to conduct its aircraft operations at the Airport and if such Aircraft Operator is subleasing or subusing space, or has a ground handling agreement or other agreement at the Airport with an Aircraft Operator, a lessee or other Person at the Airport which requires the consent of the Port Authority, each such subleasing, subuse, ground handling agreement or other agreement has been consented to in writing by the Port Authority.

(e) "*Basic Percentage Fee*" shall have the meaning given such term in Section 4(a)(i) hereof.

(f) "*Cargo Aircraft*" shall mean aircraft engaged solely and exclusively in the carriage of Air Cargo.

(g) "*Cargo Handling and Ramp Service*" shall mean all or any of the following services for or in connection with Air Cargo:

(i) representation and accommodation;

(ii) load control and communications;

(iii) unit load device control, handling and administration in connection with Cargo Aircraft;

(iv) flight operations and crew administration in connection with Cargo Aircraft, including but not limited to obtaining and providing meteorological reports, briefing and debriefing flight crews, preparing and filing flight plans, dispatching and receiving messages in connection with flight and ground operations, maintaining station logs and filing necessary reports with governmental agencies, preparing weight and balance plans, maintaining flight watch and arranging hotel accommodations for flight crews;

(v) pickup and delivery of Air Cargo, air express and mail to and from appropriate locations (allowed or designated from time to time by the Port Authority for such pickup and delivery) on the Airport;

(vi) preparation of documentation associated with Air Cargo, including but not limited to cargo manifests, airway bills and customs clearance documentation;

(vii) distribution of Air Cargo;

(viii) reception of Air Cargo to be shipped from the Airport;

(ix) temporary warehousing, sorting and storage of Air Cargo;

(x) supervision and administration;

(xi) courier services;

(xii) guiding Cargo Aircraft in and out of gate or loading or unloading positions and parking Cargo Aircraft;

(xiii) providing, positioning/removing, and operating appropriate units for engine starting for Cargo Aircraft;

(xiv) furnishing and placing in position and thereafter removing the necessary and appropriate steps, stands and power equipment for the safe and efficient loading and unloading of crew members and other persons, ballast, potable water, mail, air express, Air Cargo and supplies onto and from aircraft and trucks, and performing such loading and unloading and reporting irregularities;

(xv) providing a fire guard equipped with the necessary and appropriate fire fighting equipment for Cargo Aircraft;

(xvi) towing of Cargo Aircraft;

(xvii) ramp control tower services for Cargo Aircraft;

(xviii) Cargo Aircraft servicing, including interior and exterior cleaning, the removal and disposal of aircraft waste material and providing water service, cooling and heating, and toilet service;

(xix) conversion operations and services consisting of the removal of seats from convertible-type aircraft, so as to convert the same to Cargo Aircraft, and from Cargo Aircraft to Passenger Aircraft by the installation of seats;

(xx) ramp area cleaning;

(xxi) Gateside Aircraft Maintenance of Cargo Aircraft, it being specifically understood, however, that Routine and Non-routine Aircraft Maintenance, as distinguished from Gateside Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder;

(xxii) mobile fueling, on the Permittee's own account, for automotive and other ramp equipment using mobile tender vehicles or other equipment as may be approved from time to time by the General Manager of the Airport;

(xxiii) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport;

(xxiv) deicing to the exterior of aircraft of Approved Aircraft Operators at such locations on the Airport as may from time to time be designated by the General Manager of the Airport;

(xxv) triturator operations and maintenance;

(xxvi) snow removal; and

(xxvii) security services for and in connection with Air Cargo and Cargo Aircraft.

(h) "*City*" shall mean the City of New York.

(i) "*City Lease*" shall mean the Amended and Restated Agreement of Lease of the Municipal Air Terminals between The City of New York, as Landlord, and The Port Authority of New York and New Jersey, as Tenant, dated as of November 24, 2004 and recorded in the office of the City Register of the City on December 3, 2004 under City Register File No. 2004000748687, as the same may have been or may be amended or supplemented.

(j) "*Cleaning Service*" shall mean all or any of the following services:

(i) the cleaning, repairing and installing of upholstery, carpeting and curtains in aircraft and linens used on aircraft;

(ii) the complete interior and exterior cleaning of aircraft, the removal and disposal of waste material and providing water service, cooling and heating, and toilet service;

(iii) conversion operations and services consisting of the removal of seats from convertible-type aircraft so as to convert the same to Cargo Aircraft and from Cargo Aircraft to Passenger Aircraft by installation of seats;

(iv) ramp area cleaning services; and

(v) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport.

(k) "*Effective Date*" shall mean that date appearing in Item 6 on the first page of this Permit as the same may be modified pursuant to the provisions of Section 2(a) hereof.

(l) "*Environmental Requirement*" shall mean all common law and all past, present and future laws, statutes, enactments, resolutions, regulations, rules, directives, ordinances,

codes, licenses, permits, orders, memoranda of understanding and memoranda of agreement, guidances, approvals, plans, authorizations, concessions, franchises, requirements and similar items of all governmental agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof, all pollution prevention programs, "best management practices plans", and other programs adopted and agreements made by the Port Authority (whether adopted or made with or without consideration or with or without compulsion), with any government agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof, and all judicial, administrative, voluntary and regulatory decrees, judgments, orders and agreements relating to the protection of human health or the environment, and in the event that there shall be more than one compliance standard, the standard for any of the foregoing to be that which requires the lowest level of a Hazardous Substance, the foregoing to include without limitation:

(i) All requirements pertaining to reporting, licensing, permitting, investigation and remediation of emissions, discharges, releases or threatened releases of Hazardous Substances into the air, surface water, groundwater or land, or relating to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of Hazardous Substances, or the transfer of property on which Hazardous Substances exist; and

(ii) All requirements pertaining to the protection from Hazardous Substances of the health and safety of employees or the public.

(m) "*Executive Director*" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Executive Director of the Port Authority for the time being or his duly designated representative or representatives.

(n) "*Gateside Aircraft Maintenance*" shall mean such emergency transit and turnaround maintenance performed on the aircraft of an Aircraft Operator as may be performed in the time such aircraft is permitted to be and remain at the aircraft gate position or hardstand at which such maintenance is to be performed and which is performed by or required by law, rule or regulation to be performed by or under the supervision of a licensed aircraft mechanic or other person specifically licensed, certified or approved by governmental authority having jurisdiction, including the rental or equipment and tools in the connection therewith. It is specifically understood that the performance of any other aircraft maintenance, including but not limited to Routine and Non-routine Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder.

(o) "*General Manager of the Airport*" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in said General Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean said General Manager (or Acting General Manager) of the Airport for the time being or his duly designated representative or representatives.

(p) "*Gross Receipts*" shall mean all amounts, monies, revenues, receipts and income of every type paid or payable to the Permittee for sales made and for services rendered at or from the Airport, regardless of when or where the order therefor is received, and outside the Airport, if the order therefor is received at the Airport, and any other amounts, monies, revenues, receipts and income of any type arising out of or in connection with the Authorized Service, provided, however, there shall be excluded from Gross Receipts, any Terminal Four Gross Receipts and any taxes imposed by law which are separately stated to and paid by the customer and directly

payable to the taxing authority by the Permittee. The Permittee's Recovery Fee, as hereinafter defined, if any, shall be included within Gross Receipts and shall be subject to the fees set forth under Section 4 of this Permit.

(q) "*Hazardous Substance*" shall mean any pollutant, contaminant, toxic or hazardous waste, dangerous substance, potentially dangerous substance, noxious substance, toxic substance, flammable, explosive or radioactive material, urea formaldehyde foam insulation, asbestos, polychlorinated biphenyls (PCBs), chemicals known to cause cancer, endocrine disruption or reproductive toxicity, petroleum and petroleum products and substances declared to be hazardous or toxic or the removal, containment or restriction of which is required, or the manufacture, preparation, production, generation, use, maintenance, treatment, storage, transfer, handling or ownership of which is restricted, prohibited, regulated or penalized by any federal, state, county, or municipal or other local statute or law now or at any time hereafter in effect as amended or supplemented and by the regulations adopted and publications promulgated pursuant thereto.

(r) "*In-Terminal Handling Service*" shall mean all or any of the following services for or in connection with passengers of Passenger Aircraft:

(i) furnishing interpreters for the assistance of non-English-speaking passengers;

(ii) inbound and outbound passenger baggage handling services, including but not limited to checking, weighing, handling and storage of aircraft baggage;

(iii) selling of tickets for air transportation;

(iv) checking in and boarding aircraft passengers;

(v) porter service for passenger baggage;

(vi) passenger assistance, passenger information service, flight information and public address paging and announcements;

(vii) supervisory and administrative functions on behalf of Approved Aircraft Operators in conjunction with the Permittee's performance of the other activities constituting a part of the In-Terminal Handling Service;

(viii) the arrangement of ground transportation of crew, passengers and baggage;

(ix) handicapped services;

(x) security and pre-board screening;

(xi) building janitorial and maintenance; and

(xii) lounge hosting services.

(s) "*Passenger Aircraft*" shall mean aircraft owned or operated by an Approved Aircraft Operator engaged primarily in the transportation of passengers by aircraft to and from the Airport.

(t) "*Passenger Ramp Service*" shall mean all or any of the following services for or in connection with Passenger Aircraft:

(i) representation and accommodation;

(ii) load control and communications on ramp;

(iii) unit load device control, handling and administration;

(iv) baggage handling and sorting, including delivering baggage to and from Passenger Aircraft and to and from baggage facilities, provided, however, no permission is hereby given for the Permittee to deliver baggage from one terminal to another unless they are part of the same premises; sorting baggage in baggage makeup facilities; and delivering baggage to and from interline system permittees;

(v) guiding Passenger Aircraft in and out of gates or loading and unloading positions and parking Passenger Aircraft;

(vi) furnishing and placing in position and thereafter removing the necessary and appropriate steps, stands and power equipment for the safe and efficient loading and unloading of crew, passengers, baggage, ballast, potable water, mail, air express, Air Cargo and supplies from and onto Passenger Aircraft and trucks, and perform such loading and unloading and reporting irregularities;

(vii) deicing to the exterior of aircraft of Approved Aircraft Operators at such locations on the Airport as may from time to time be designated by the General Manager of the Airport;

(viii) providing, positioning/removing, and operating appropriate units for engine starting;

(ix) providing a fire guard equipped with the necessary and appropriate fire fighting equipment;

(x) towing of Passenger Aircraft;

(xi) ramp control tower services for Passenger Aircraft;

(xii) Passenger Aircraft servicing, including exterior and interior cleaning, the removal and disposal of aircraft waste material and providing water service, cooling and heating, toilet service, and rearranging cabin equipment;

(xiii) ramp area cleaning;

(xiv) mobile fueling on the Permittee's own account for automotive and other ramp equipment using mobile tender vehicles or other equipment as may be approved from time to time by the General Manager of the Airport;

(xv) Gateside Aircraft Maintenance of Passenger Aircraft, it being specifically understood, however, that Routine and Non-routine Aircraft Maintenance, as distinguished from Gateside Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder;

(xvi) flight operations and crew administration including but not limited to obtaining and providing meteorological reports, briefing and debriefing flight crews, preparing and filing flight plans, dispatching and receiving messages in connection with flight and ground operations, maintaining station logs and filing necessary reports with governmental agencies, preparing weight and balance plans, maintaining flight watch and arranging hotel accommodations for flight crews;

(xvii) ramp transportation for crew, passengers and baggage;

(xviii) supervisory and administrative functions on behalf of Approved Aircraft Operators of Passenger Aircraft;

(xix) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport, and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport;

(xx) catering liaison and administration;

(xxi) triturator operations and maintenance;

(xxii) snow removal; and

(xxiii) security services for passengers and baggage, cargo and mail, catering, and on aircraft, ramp and other designated areas.

(u) "*Permitted Areas*" shall mean with respect to the Authorized Service the following areas of the Airport and only such areas:

(i) those areas where the Permittee is authorized pursuant to a separate lease, permit or other written agreement (other than this Permit) with the Port Authority to provide such Authorized Service;

(ii) any area which pursuant to a written agreement the Port Authority has either leased to a third Person or has otherwise permitted a third Person to use and occupy and where (x) the Permittee performs such Authorized Service on such area for such Person or has obtained permission from such Person to perform such Authorized Service for an Approved Aircraft Operator on such area and (y) the performance of such Authorized Service for such Approved Aircraft Operator on such area is permitted by a written agreement with the Port Authority covering such area; or

(iii) such areas as may hereafter be designated in writing by the Port Authority for the performance of such privileges by the Permittee, it being understood and agreed that the Port Authority shall have the right at any time and from time to time to revoke, cancel, change or alter any such designation.

(v) "*Permittee's Recovery Fee*" shall mean any surcharge or other amount that the Permittee may separately state and charge its customers to recover the fee, or portion thereof, payable under this Permit.

(w) "*Person*" shall mean not only a natural person, corporation or other legal entity, but also two or more natural persons, corporations or other legal entities acting jointly as a firm, partnership, unincorporated association, consortium, joint adventurers or otherwise.

(x) "*Routine and Non-routine Aircraft Maintenance*" shall mean all work including but not limited to the inspection, maintenance, servicing, testing, overhaul, cleaning, conversion, repair and installation of parts and supplies on aircraft and on aircraft parts of Approved Aircraft Operators performed by or required by law, rule or regulation to be performed by or under the supervision of a licensed aircraft mechanic or other person specially licensed, certified or approved by governmental authority, including the rental of tools and equipment in connection therewith.

(y) "*Terminal Four*" shall mean the premises under the Terminal Four Lease commonly referred to on the Airport as "Terminal Four".

(z) "*Terminal Four Gross Receipts*" shall each mean and include all amounts, monies, revenues, receipts and income of every type paid or payable to the Permittee for sales made and for services rendered at Terminal Four, regardless of when or where the order therefor is received, and any other amounts, monies, revenues, receipts and income of any type arising out of or in connection with the Permittee's operations at Terminal Four, provided, however, there shall be excluded from Terminal Four Gross Receipts any taxes imposed by law which are separately stated to and paid by the customer and directly payable to the taxing authority by the Permittee.

(aa) "*Terminal Four Lease*" shall mean that certain agreement of lease bearing Port Authority Agreement No. AYC-685 entered into between the Port Authority and JFK International Air Terminal LLC on May 13, 1997.

(bb) "*Terminal Four Lessee*" shall mean for the time being JFK International Air Terminal LLC, a limited liability company organized and existing under the laws of the State of New York, or such other Person which the Port Authority may from time to time and at any time designate by notice to the Permittee.

(cc) "*Terminal Four Percentage Fee*" shall mean the fee payable to the Terminal Four Lessee pursuant to and as defined in Section 4(a)(i) hereof.

2. Effective Date, Termination and Revocation:

(a) The permission hereby granted shall take effect upon the Effective Date. Notwithstanding Item 6 appearing on the first page of this Permit, the Effective Date of this Permit shall be that date the Permittee commenced any of the activities permitted by this Permit. The Permittee in executing this Permit represents that the Effective Date appearing in Item 6 on the first page of this Permit is the date the Permittee commenced any of the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced any of the activities permitted by this Permit prior to said effective date, the Effective Date of this Permit shall be the date the Permittee commenced any of the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence on such date including without limitation the Permittee's indemnity obligations and obligations to pay fees.

(b) Notwithstanding any other term or condition hereof, the permission hereby granted may be revoked without cause upon thirty (30) days' written notice by the Port Authority, or terminated without cause upon thirty (30) days' written notice by the Permittee,

provided, however, that it may be revoked on twenty-four (24) hours' notice by the Port Authority if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth.

(c) In the event the Port Authority exercises it right to revoke this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation, including without limitation any and all personnel and legal costs (including but not limited to the cost to the Port Authority of in-house legal services) and disbursements incurred by it arising out of, relating to, or in connection with the enforcement or revocation of this Permit including, without limitation, legal proceedings initiated by the Port Authority to exercise its revocation rights and to collect all amounts due and owing to the Port Authority under this Permit.

(d) For the purposes of this Permit, a default by the Permittee in keeping, performing or observing any promise, obligation, term or agreement set forth herein on the part of the Permittee to be kept, performed or observed shall include the following whether or not the time has yet arrived for the keeping, performance or observance of any such promise, obligation, term or agreement:

(i) a statement by the Permittee to any representative of the Port Authority indicating that it cannot or will not keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit;

(ii) any act or omission of the Permittee or any other occurrence which makes it improbable at the time that it will be able to keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit; or

(iii) any suspension of or failure to proceed with any part of the privileges to be performed by the Permittee which makes it improbable at the time that it will be able to keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit.

(e) (i) If any type of strike, boycott, picketing, work stoppage, slowdown or other labor activity is directed against the Permittee at the Airport or against any operations of the Permittee under this Permit, whether or not the same is due to the fault of the Permittee and whether or not caused by the employees of the Permittee, and if any of the foregoing, in the opinion of the Port Authority, results or is likely to result in curtailment or diminution of the privileges to be performed hereunder by the Permittee or to interfere with or affect the operation of the Airport by the Port Authority or to interfere with or affect the operations of lessees, licensees, permittees or other users of the Airport, the Port Authority shall have the right at any time during the continuance thereof to suspend the operations of the Permittee under this Permit and/or to revoke this Permit.

(ii) In the event the Port Authority exercises its right to revoke this Permit, as aforesaid, it shall do so by twenty-four (24) hours' written notice to the Permittee, effective as of the time specified in the notice. The exercise by the Port Authority of its right of suspension shall not waive or affect or be deemed to waive or affect the right of revocation.

(iii) Prior to the exercise of the right of suspension by the Port Authority, it shall give the Permittee notice thereof, which notice may be oral. The Permittee shall not

perform its operations authorized by this Permit during the period of the suspension. The period of suspension shall end not more than twenty-four (24) hours after the cause thereof has ceased or been cured and the Permittee shall notify the Port Authority of such cessation or cure.

(iv) The rights of suspension and revocation as hereinbefore set forth may be exercised by the Port Authority prior to the Effective Date set forth in Item 6 on the first page of this Permit. No exercise by the Port Authority of its rights granted to it in paragraph (e) of this Section shall be deemed to be a waiver of any other rights of revocation contained in this Permit or a waiver of any other rights or remedies which may be available to the Port Authority under this Permit or otherwise.

(f) No revocation or termination of the permission hereunder shall relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

(g) No exercise by the Port Authority of any right of revocation granted to it in this Section shall be deemed to be a waiver of any other rights of revocation contained in this Section or elsewhere in this Permit or a waiver of any other rights or remedies which may be available to the Port Authority under this Permit or otherwise.

3. Exercise of Rights:

(a) The rights granted hereby shall be exercised

(i) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(ii) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(iii) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees,

(iv) if the Permittee is an individual, by the Permittee acting only personally or through the medium of its employees, and

(v) if the Permittee is a limited liability company, by the Permittee acting only through the medium of its members, managers, and employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other Person. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

(b) No greater rights or privileges are hereby granted to the Permittee than the Port Authority has power to grant under the City Lease.

(c) Neither this Permit nor anything contained herein, shall be deemed to grant any rights in the Permittee to use and occupy any land, building space or other area at the Airport or shall be deemed to have created any obligation on the part of the Port Authority to provide any such land, space or area to the Permittee.

(d) Neither the execution and delivery of this Permit nor any act done pursuant thereto shall create between any terminal operator, lessee or other occupant of land at the Airport including but not limited to the Terminal Four Lessee and the Permittee, on one hand, and the Port Authority on the other hand the relationship of bailor and bailee, or any other relationship or any legal status which would impose upon the Port Authority with respect to any personal property, such as but not limited to, aircraft cargo or baggage, owned and/or handled by the Permittee any duty or obligation whatsoever. The Permittee expressly agrees that the Port Authority shall have no liability with respect to any aircraft cargo or baggage or any other property of the Permittee or of any other Person left anywhere on the Airport.

(e) This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

(f) Nothing contained in this Permit shall constitute permission to the Permittee to park or store equipment or personal property at any location or area at the Airport.

(g) The Permittee shall have no right hereunder to carry on any business or operation at the Airport other than that specifically provided herein. Without limiting the generality of the foregoing and notwithstanding anything else in this Permit to the contrary, the Permittee is expressly prohibited hereunder from performing ground transportation, fueling of aircraft and the selling and delivery of in-flight meals.

(h) It is understood that any and all privileges granted hereunder to the Permittee are non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Airport to another or others, whether by this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute a violation or breach of the permission herein granted.

(i) The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Airport.

(j) The words "permission" and "privilege" are used interchangeably in this Permit, and except where expressly provided to the contrary, shall mean the privileges granted by this Permit.

4. Fees:

(a) (i) The Permittee agrees to pay to the Port Authority, at the times set forth in and in accordance with paragraph (a)(ii) below, a percentage fee (the "*Basic Percentage Fee*") equal to five percent (5%) (as the same may be increased pursuant to paragraph (k) below) of Gross Receipts and, if any privilege or portion thereof is performed at Terminal Four, to pay to the Terminal Four Lessee a percentage fee (hereinafter called the "Terminal Four Percentage Fee"), at the times set forth in and in accordance with paragraph (a)(iii) below, equal to five percent (5%), as the same may be increased pursuant to paragraph (k) below, of Terminal Four Gross Receipts.

(ii) Gross Receipts shall be reported and the Basic Percentage Fee shall be paid to the Port Authority by the Permittee as follows: On or before the twentieth (20th) day of the first month following the month in which the Effective Date falls and on the twentieth (20th) day of each and every calendar month thereafter during the period that this Permit is in effect and including the calendar month in which this Permit ceases to be in effect, the Permittee shall render to the Port Authority a monthly statement sworn to by a responsible executive or fiscal officer of the Permittee showing all of the Gross Receipts for the preceding month (the "Monthly Sworn Statement of Gross Receipts"). Each of the said statements shall also show the cumulative Gross Receipts from the Effective Date (or the most recent anniversary thereof) through the last day of the preceding month. At the same time each of the said statements is rendered to the Port Authority, the Permittee shall pay to the Port Authority an amount equal to five percent (5%) applied to the Gross Receipts for the preceding calendar month. In addition to the foregoing, on the twentieth (20th) day of the first month following each anniversary of the Effective Date the Permittee shall submit to the Port Authority a statement setting forth the cumulative totals of the Gross Receipts for the entire preceding twelve (12) month period certified, at the Permittee's expense, by a certified public accountant or a responsible executive or fiscal officer of the Permittee ("Annual Statement of Gross Receipts"). In addition to the foregoing, within twenty (20) days after the expiration, termination, revocation or cancellation of this Permit, the Permittee shall render to the Port Authority a sworn statement certified, at the Permittee's expense, by a certified public accountant of all Gross Receipts during the period from the last preceding anniversary of the Effective Date up to and including the last day this Permit shall be in effect and the Permittee shall, at the time of rendering such statement to the Port Authority, pay the Basic Percentage Fee due and unpaid as of the last day this Permit shall be in effect. The Permittee shall give the name and position of the responsible executive or fiscal officer designated under this paragraph to submit Monthly Sworn Statement and Annual Statement of Gross Receipts, ten (10) business days prior to the submission of the first such statement by the designee of the Permittee, so that the Port Authority may determine whether it will accept such designation. The designation shall be submitted to the Manager of Properties for the Airport. If such timely notice is not given to the Port Authority, the Permittee shall submit such statement to the Port Authority in a form executed by a certified public accountant.

(iii) Terminal Four Gross Receipts shall be reported and the Terminal Four Percentage Fee shall be paid to the Terminal Four Lessee by the Permittee as follows: On or before the twentieth (20th) day of the first month following the month in which the Effective Date falls and on the twentieth (20th) day of each and every calendar month thereafter during the period that the Permit is in effect and including the calendar month in which the Permit ceases to be in effect, the Permittee shall render to the Port Authority and the Terminal Four Lessee a monthly statement sworn to by a responsible executive or fiscal officer of the Permittee showing all of the Terminal Four Gross Receipts for the preceding month (the "Monthly Sworn Statement of Gross Receipts"). Each of the said statements shall also show the cumulative Terminal Four Gross Receipts from the Effective Date (or the most recent anniversary thereof) through the last day of the preceding month. At the same time each of the said statements is rendered to the Port Authority and the Terminal Four Lessee, the Permittee shall pay to the Terminal Four Lessee an amount equal to five percent (5%) applied to the Terminal Four Gross Receipts for the preceding calendar month. In addition to the foregoing, on the twentieth (20th) day of the first month following each anniversary of the Effective Date the Permittee shall submit to the Port Authority and the Terminal Four Lessee a statement setting forth the cumulative totals of the Terminal Four Gross Receipts for the entire preceding twelve (12) month period certified, at the Permittee's expense, by a certified public accountant or a responsible executive or fiscal officer of the Permittee ("Annual Statement of Gross Receipts"). In addition to the foregoing, within twenty (20) days after the expiration, termination, revocation or cancellation of the Permit, the Permittee shall render to the Port Authority and the Terminal Four Lessee a sworn statement certified, at the Permittee's expense, by a certified public accountant of the Permittee of all

Terminal Four Gross Receipts during the period from the last preceding anniversary of the Effective Date up to and including the last day the Permit shall be in effect and the Permittee shall, at the time of rendering such statement to the Terminal Four Lessee pay to the Terminal Four Lessee the Terminal Four Percentage Fee due and unpaid as of the last day the Permit shall be in effect. Each of the statements called for hereunder shall separately list and state the Terminal Four Gross Receipts and the applicable Terminal Four Percentage Fee payable thereon for each privilege (including without limitation each Authorized Service) provided by the Permittee hereunder at Terminal Four.

(b) (i) All statements to be submitted to the Port Authority pursuant to this Section and all payments made under this Permit, except for the Terminal Four Percentage Fee, shall be sent to the following address:

THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY
P.O. BOX 95000-1556
PHILADELPHIA, PENNSYLVANIA 19195-0001

or made via the following wire transfer instructions:

Bank: [redacted]
Bank ABA number:
Account number: [redacted]

or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

(ii) All statements to be submitted to the Terminal Four Lessee hereunder and the Terminal Four Percentage Fee shall be made to the Terminal Four Lessee at Terminal Four, John F. Kennedy International Airport, Room 2300, Jamaica, New York 11430 or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

(c) There shall be excluded from Gross Receipts and Terminal Four Gross Receipts any sum paid or payable to the Permittee for the following, provided said sum is separately stated to and paid by the customer:

(i) handicapped services;

(ii) security services;

(iii) lost and found baggage services;

(iv) snow removal services;

(v) ground transportation of employees; and

(vi) building janitorial and maintenance services,

provided further, however, the Permittee acknowledges and agrees that the Port Authority does and shall continue to have the right at any time and from time to time to withdraw the foregoing exclusions from Gross Receipts (and Terminal Four Gross Receipts), in whole or in part, or to establish a separate fee for each such service, which may be a percentage fee other than five percent (5%), upon sixty (60) days' prior written notice to the Permittee. Notwithstanding the

foregoing, any fee established must be agreed to by the Permittee and the Port Authority and must be reflected in a supplement to this Permit to be prepared by the Port Authority and executed by the parties hereto.

(d) In the event the Permittee shall be permitted hereunder to provide Gateside Aircraft Maintenance services or Routine and Non-routine Aircraft Maintenance services, there shall be excluded from Gross Receipts and Terminal Four Gross Receipts any sum paid or payable to the Permittee:

(i) which arise solely from the resale to a customer of aircraft parts and supplies purchased by the Permittee from a third party, provided, however, that there shall be included in Gross Receipts and Terminal Four Gross Receipts monies paid or payable to the Permittee which arise from the sale of such aircraft parts and supplies to which the Permittee has provided labor for fabrication, refinishing or assembly to the extent of the reasonable value of the labor provided by the Permittee;

(ii) which arise solely from the use of equipment rented by the Permittee from a third party which monies are separately stated to and paid by the customer, limited, however, to the amounts actually paid by the Permittee to the third party for such rental of equipment; and

(iii) which arise solely from the loan or rental by the Permittee of aircraft parts, whether or not owned by the Permittee, which monies are separately stated to and paid by a customer and where said loan or rental of any such aircraft part is for a period of less than twelve (12) consecutive calendar days, it being understood that such monies paid or payable to the Permittee for the loan or rental may include monies for labor provided by the Permittee for installation, refurbishment of returned parts or administrative handling which is directly related to said loan or rental provided, however, all monies paid or payable to the Permittee which arise solely from the loan or rental by the Permittee of aircraft parts, whether or not owned by the Permittee, for twelve (12) or more consecutive calendar days (including but not limited to monies for labor provided by the Permittee for installation, refurbishment of returned parts or administrative handling which is directly related to said lease or rental) shall be included in Gross Receipts from the first day of the loan or rental period, as the case may be.

(e) If and to the extent the full fair market value of any sale, service or other item provided by the Permittee is not charged to or payable by the customer, then the fair market value thereof as determined by the Port Authority shall be included in Gross Receipts and Terminal Four Gross Receipts.

(f) Without limiting any other provisions of this Permit regarding Gross Receipts and Terminal Four Gross Receipts, in those instances where the Permittee provides any services or goods along with other services and goods to the same Person (including without limitation those instances where a service is part of or is included within a group of other services and rendered for a single price, and where a service is performed by the Permittee pursuant to agreement for the exchange of services or goods) the Permittee agrees that the value ascribed to the performance of such service by the Permittee shall be the fair and reasonable value thereof as determined by the Port Authority.

(g) Without limiting the requirement for Port Authority approval, if the Permittee conducts any privilege or any portion thereof through the use of a contractor or other third party which is not a Port Authority permittee and where the payments for any of the foregoing are made to such contractor rather than to the Permittee, said payments shall be deemed amounts, monies, revenues, receipts and income paid or payable to the Permittee for purposes of determining the Permittee's Gross Receipts and Terminal Four Gross Receipts, provided,

however, that the foregoing shall not grant or be deemed to grant any right or permission to the Permittee to use an independent contractor or other third party to perform any privilege or portion thereof or the doing of anything hereunder by an independent contractor or other third party.

(h) Notwithstanding that the fee hereunder is measured by a percentage of Gross Receipts and Terminal Four Gross Receipts, no joint venture or partnership relationship between the parties hereto is created by this Permit.

(i) To the extent that the Permittee has not already done so at the time of execution of this Permit and without limiting the generality of any other term or provision hereof, the Permittee agrees to submit monthly statements of Gross Receipts and Terminal Four Gross Receipts as provided in this Section and to pay, at the time of execution and delivery of this Permit to the Port Authority, all fees and other amounts due under this Permit for the period from the Effective Date to the time of execution and delivery of this Permit by the Permittee.

(j) Without limiting any other provision of this Permit, it is hereby specifically understood that the failure to set forth all the classes of Persons, all of the locations served or all of the types of services or activities performed by the Permittee in its exercise of the privileges granted hereunder as of the Effective Date, or the failure to, by appropriate supplement, revise this Permit to reflect any additional classes of Persons, locations served, or services or activities performed by the Permittee subsequent to said Effective Date, shall not affect the inclusion in Gross Receipts or Terminal Four Gross Receipts hereunder of the amounts, monies, revenues, receipts and income received or receivable by the Permittee in its operations, and the same shall be so included. The foregoing shall not constitute Port Authority consent or be deemed to imply that the necessary Port Authority consent (to be reflected in a supplement to the Permit) with respect to such additional classes of Persons, locations, services or activities will be given.

(k) The Basic Percentage Fee, the Terminal Four Percentage Fee and any other fees payable under this Permit shall be subject to increase from time to time upon thirty (30) days' notice from the Port Authority to the Permittee, given by the General Manager of the Airport or such other representative as the Port Authority may substitute from time to time by notice to the Permittee, and upon the effective date of the increase set forth in such notice the fees payable by the Permittee under this Permit shall be as set forth in said notice. In the event within ten (10) days after the Permittee receives such notice from the Port Authority, the Permittee notifies the Port Authority that the Permittee does not wish to pay the increased fees, this Permit and the permission granted hereunder shall be, and shall be deemed to be, cancelled effective at the close of business on the day preceding the effective date of the increase, as set forth in the Port Authority's notice to the Permittee. If the Permittee does not so notify the Port Authority, the increased fees shall become effective on the date set forth in the Port Authority's notice as aforesaid. No cancellation of this Permit and the permission granted thereunder pursuant to this paragraph (k) shall be construed to relieve the Permittee of any obligations or liabilities hereunder which shall have accrued on or before the effective date of such cancellation.

(l) Without limiting any term or provision of this Permit, in the event the Permittee performs (x) any service, other than the Authorized Service at the Airport, or (y) any service (including the Authorized Service) at any other Port Authority facility, whether such performance is the subject of a written agreement by and between the Port Authority and the Permittee, the Permittee hereby agrees that it will pay to the Port Authority any and all fees and/or charges applicable to such service. The Permittee also agrees that, at the request of the Port Authority, it will enter into the appropriate agreement with the Port Authority providing permission for the Permittee to perform such service.

5. Security Deposit:

(a) (i) Provided that an amount is set forth in Item 8 on the first page of this Permit (the "*Required Security Deposit*"), and, provided, further, the amount of said Required Security Deposit is less than $20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deposit with the Port Authority (and shall keep deposited throughout the effective period of the permission under this Permit) the Required Security Deposit, either in cash, or bonds of the United States of America, or of the State of New Jersey, or of the State of New York, or of the Port Authority of New York and New Jersey, having a market value of that amount, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed. Bonds qualifying for deposit hereunder shall be in bearer form but if bonds of that issue were offered only in registered form, then the Permittee may deposit such bonds or bonds in registered form, provided, however, that the Port Authority shall be under no obligation to accept such deposit of a bond in registered form unless such bond has been re-registered in the name of the Port Authority (the expense of such re-registration to be borne by the Permittee) in a manner satisfactory to the Port Authority. The Permittee may request the Port Authority to accept a registered bond in the Permittee's name and if acceptable to the Port Authority the Permittee shall deposit such bond together with an irrevocable bond power (and such other instruments or other documents as the Port Authority may require) in form and substance satisfactory to the Port Authority. In the event the Required Security Deposit is returned to the Permittee, any expenses incurred by the Port Authority in re-registering a bond to the name of the Permittee shall be borne by the Permittee. In addition to any and all other remedies available to it, the Port Authority shall have the right, at its option, at any time and from time to time, with or without notice, to use the Required Security Deposit, or any part thereof, in whole or partial satisfaction of any of its claims or demands against the Permittee. There shall be no obligation on the Port Authority to exercise such right and neither the existence of such right nor the holding of the Required Security Deposit itself shall cure any default or breach of this Permit on the part of the Permittee. With respect to any bonds deposited by the Permittee, the Port Authority shall have the right, in order to satisfy any of its claims or demands against the Permittee, to sell the same in whole or in part, at any time, and from time to time, with or without prior notice at public or private sale, all as determined by the Port Authority, together with the right to purchase the same at such sale free of all claims, equities or rights of redemption of the Permittee. The Permittee hereby waives all right to participate therein and all right to prior notice or demand of the amount or amounts of the claims or demands of the Port Authority against the Permittee. The proceeds of every such sale shall be applied by the Port Authority first to the costs and expenses of the sale (including but not limited to advertising or commission expenses) and then to the amounts due the Port Authority from the Permittee. Any balance remaining shall be retained in cash toward bringing the Required Security Deposit to the sum specified in Item 8 on the first page of this Permit. In the event that the Port Authority shall at any time or times so use the Required Security Deposit, or any part thereof, or if bonds shall have been deposited and the market value thereof shall have declined below the amount set forth in Item 8 on the first page of this Permit, the Permittee shall, on demand of the Port Authority and within two (2) days thereafter, deposit with the Port Authority additional cash or bonds so as to maintain the Required Security Deposit at all times to the full amount above stated in Item 8 on the first page of this Permit, and such additional deposits shall be subject to all the conditions of this Section. After the expiration or earlier revocation or termination of the effective period of the permission under this Permit, and upon condition that the Permittee shall then be in no wise in default under any part of this Permit, and upon written request therefor by the Permittee, the Port Authority will return the Required Security Deposit to the Permittee less the amount of any and all unpaid claims and demands (including estimated damages) of the Port Authority by reason of any default or breach by the Permittee of this Permit or any part thereof. The Permittee agrees that it will not assign or

encumber the Required Security Deposit. The Permittee may collect or receive any interest or income earned on bonds and interest paid on cash deposited in interest-bearing bank accounts, less any part thereof or amount which the Port Authority is or may hereafter be entitled or authorized by law to retain or to charge in connection therewith, whether as or in lieu of an administrative expense, or custodial charge, or otherwise; provided, however, that the Port Authority shall not be obligated by this provision to place or to keep cash deposited hereunder in interest-bearing bank accounts.

(ii) In lieu of the Required Security Deposit made in the form described above in paragraph (a)(i), the Permittee may at any time during the effective period of the permission granted under this Permit offer to deliver to the Port Authority, as security for all obligations of the Permittee under this Permit, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District, in favor of the Port Authority in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent satisfactory letter. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by security in accordance with paragraph (a)(i) of this Section or another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security under paragraph (a)(i) of this Section. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the Required Security Deposit, if any, theretofore made under and in accordance with the provisions of paragraph (a)(i) of this Section. The Permittee shall have the same rights to receive such Required Security Deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the effective period of the permission granted under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount.

(b) Provided that a Required Security Deposit amount is set forth in Item 8 on the first page of this Permit, and, provided, further, the amount of said Required Security Deposit is equal to or greater than $20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of the Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority, and payable in the Port of New York District in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for

automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is an appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless the letter of credit is replaced by another letter of credit satisfactory to the Port Authority by a date not later than twenty (20) days prior to the effective date of cancellation, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee, upon demand by the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to the amount of the Required Security Deposit. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to be a waiver of any default by the Permittee under the terms of this Permit, and all remedies under this Permit and of the Port Authority consequent upon such default shall not be affected by the existence of a recourse to any such letter of credit.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, in its sole discretion at any time and from time to time upon sixty (60) days' notice to the Permittee, to adjust the amount of the Required Security Deposit. Not later than the effective date set forth in said notice by the Port Authority, the Permittee shall furnish additional cash or bonds, as provided for in paragraph (a) above, or an amendment to, or a replacement of, the letter of credit providing for such adjusted amount of the Required Security Deposit, as the case may be, and such additional cash and/or bonds or adjusted (or replaced) letter of credit shall thereafter constitute the Required Security Deposit required under this Section.

(d) If the Permittee is obligated by any other agreement to maintain a security deposit with the Port Authority to insure payment and performance by the Permittee of all fees, rentals, charges and obligations which may become due and owing to the Port Authority arising from the Permittee's operations at the Airport pursuant to any such other agreement or otherwise, then all such obligations under such other agreement and any deposit pursuant thereto also shall be deemed obligations of the Permittee under this Permit and as security hereunder as well as under any such other agreement and all provisions of such other agreement with respect to such obligations and any obligations thereunder of the Port Authority as to the security deposit are hereby incorporated herein by this reference as though fully set forth herein and hereby made a part hereof. The termination, revocation, cancellation or expiration of any other agreement to which such security shall apply or any permitted assignment of such other agreement shall not affect such obligations as to such security which shall continue in full force and effect hereunder.

6. Permittee's Operations:

(a) The Permittee shall provide to the Port Authority, upon request of the Port Authority from time to time, such information and data in connection with the permission granted hereunder as the Port Authority may request and shall, if so requested by the Port Authority, make periodic reports thereof to the Port Authority utilizing such forms as may be adopted by the Port Authority for such purpose.

(b) The Permittee shall daily remove from the Airport by means of facilities provided by it all garbage, debris and other waste material (whether solid or liquid) arising out of or in connection with the permission granted hereunder, and any such not immediately removed shall be temporarily stored in a clean and sanitary condition, in suitable garbage and waste receptacles, the same to be made of metal and equipped with tight-fitting covers, and to be of a design safely and properly to contain whatever material may be placed therein; said receptacles being provided and maintained by the Permittee. The receptacles shall be kept covered except when filling or emptying the same. The Permittee shall exercise extreme care in removing such garbage, debris and other waste materials from the Airport. The manner of such storage and removal shall be subject in all respects to the continual approval of the Port Authority. No facilities of the Port Authority shall be used for such removal unless with its prior consent in writing. No such garbage, debris or other waste materials shall be or be permitted to be thrown, discharged or disposed into or upon the waters at or bounding the Airport.

(c) The Permittee shall at all times that areas of the Airport are being used for the privileges permitted hereunder, maintain said areas in a clean and orderly condition and appearance. The Permittee shall promptly wipe up any oil, gasoline, grease, lubricants and other inflammable liquids and substances and any liquids and substances having a corrosive or detrimental effect on the paving or other surface of the ramps or other areas upon which it performs the privileges authorized by this Permit resulting from its operations hereunder. The Permittee shall repair, replace, repave or rebuild, or at the Port Authority's election, the Permittee shall pay to the Port Authority the cost to the Port Authority of repairing, replacing, repaving or rebuilding, all or any part of the ramps or other areas upon which it performs the privileges authorized by this Permit which may be damaged or destroyed by such oil, gasoline, grease, lubricants or other liquids or substances or by any other act or omission of the Permittee or its employees, except for reasonable wear and tear arising out of its operations thereon.

(d) A principal purpose of the Port Authority in granting the permission under this Permit is to have available at the Airport, the privileges which the Permittee is permitted to render hereunder. The Permittee agrees that it will conduct a first-class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor, and keep the same in a first-class operating condition at all times.

(e) The Permittee shall immediately comply with all orders, directives and procedures as may be issued by the General Manager of the Airport covering the operations of the Permittee under this Permit at any time and from time to time. The Port Authority may, at any time and from time to time, without prior notice or cause, withdraw or modify any designation, approval, substitution or redesignation given by it hereunder.

(f) In the event of any injury or death to any person (other than employees of the Permittee) at the Airport when caused by the Permittee's operations, or damage to any property (other than the Permittee's property) at the Airport when caused by the Permittee's operations, the Permittee shall immediately notify the Port Authority and promptly thereafter furnish to the Port Authority copies of all reports given to the Permittee's insurance carrier.

(g) The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Airport. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the General Manager of the Airport. The Port Authority shall have the right to object to the Permittee as to the demeanor, conduct and appearance of the Permittee's employees,

invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

(h) The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations at the Airport.

7. Indemnity:

(a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third Persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee hereunder, or out of any of the acts or omissions of the Permittee, its officers, employees or Persons who are doing business with the Permittee arising out of or in connection with the activities permitted hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the Airport, including claims and demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) Without limiting any other term or provision hereof, the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

(c) Without limiting any other term or provision hereof, the Permittee shall indemnify the Port Authority and hold it harmless against all claims and demands of third Persons for damage to any aircraft cargo or baggage or any other property handled or delivered pursuant to the permission granted by this Permit.

(d) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand set forth in paragraphs (a), (b) and (c) above (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

8. Liability Insurance:

(a) The Permittee, in its own name as insured and including the Port Authority as an additional insured, shall maintain and pay the premiums during the effective period of the Permit on a policy or policies of Commercial General Liability Insurance, including premises-operations and products-completed operations and covering bodily-injury liability, including death, and property damage liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage in the minimum limit set forth in Item 9 on the first page of this Permit, and Commercial Automobile Liability Insurance covering owned, non-owned and hired vehicles and including automatic coverage for newly acquired vehicles and providing for coverage in the minimum limit set forth in Item 9 on the first page of this Permit. Without

limiting the foregoing, the Permittee shall maintain Workers' Compensation and Employers Liability Insurance in accordance with the Permittee's statutory obligations under the applicable State Workers' Compensation Law for those employees of the Permittee employed in operations conducted pursuant to this Permit at or from the Airport. In the event the Permittee maintains the foregoing insurance in limits greater than aforesaid, the Port Authority shall be included therein as an additional insured, except for the Workers' Compensation and Employers Liability Insurance policies, to the full extent of all such insurance in accordance with all terms and provisions of this Permit.

(b) Each policy of insurance, except for the Workers' Compensation and Employers Liability Insurance policies, shall also contain an ISO standard "separation of insureds" clause or a cross liability endorsement providing that the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority and any claim or action against the Port Authority by the Permittee, as if the Port Authority were the named insured thereunder, but such clause or endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured. Each policy of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Permittee under Section 7 of the Terms and Conditions of this Permit.

(c) All insurance coverages and policies required under this Section may be reviewed by the Port Authority for adequacy of terms, conditions and limits of coverage at any time and from time to time during the effective period of permission granted under this Permit. The Port Authority may, at any such time, require additions, deletions, amendments or modifications to the aforementioned insurance requirements, or may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem required and the Permittee shall promptly comply therewith.

(d) Each policy shall contain a provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' written advance notice thereof to the Port Authority. Each policy shall contain a provision or endorsement that the insurer "shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority." The foregoing provisions or endorsements shall be recited in each policy or certificate to be delivered pursuant to the following paragraph (e).

(e) A certified copy of each policy or a certificate or certificates of insurance evidencing the existence thereof, or binders, shall be delivered to the Port Authority upon execution and delivery of this Permit by the Permittee to the Port Authority. In the event any binder is delivered it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate of insurance. Any renewal policy shall be evidenced by a renewal certificate of insurance delivered to the Port Authority at least seven (7) days prior to the expiration of each expiring policy, except for any policy expiring after the date of expiration of this Permit. The aforesaid insurance shall be written by a company or companies approved by the Port Authority. If at any time any insurance policy shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policy shall be or become unsatisfactory to the Port Authority, the Permittee shall promptly obtain a new and satisfactory policy in replacement. If the Port Authority at any time so requests, a certified copy of each policy shall be delivered to or made available for inspection by the Port Authority.

(f) The foregoing insurance requirements shall not in any way be construed as a limitation on the nature or extent of the contractual obligations assumed by the Permittee under this Permit. The foregoing insurance requirements shall not constitute a representation or warranty as to the adequacy of the required coverage to protect the Permittee with respect to the obligations imposed on the Permittee by this Permit or any other agreement or by law.

9. Special Endorsements:

The Permittee hereby agrees to the terms and conditions of the endorsements attached hereto, hereby made a part hereof and marked "*Special Endorsements*". The terms and provisions of the Special Endorsements shall have the same force and effect and as if herein set forth in full.

10. No Waiver:

No failure by the Port Authority or the Terminal Four Lessee to insist upon the strict performance of any agreement, term or condition of this Permit or to exercise any right or remedy consequent upon a breach or default thereof, and no extension, supplement or amendment of this Permit during or after a breach thereof, unless expressly stated to be a waiver, and no acceptance by the Port Authority or the Terminal Four Lessee of fees, charges or other payments in whole or in part after or during the continuance of any such breach or default, shall constitute a waiver of any such breach or default of such agreement, term or condition. No agreement, term or condition of this Permit to be performed or complied with by the Permittee, and no breach or default thereof, shall be waived, altered or modified except by a written instrument executed by the Port Authority. No waiver by the Port Authority of any default or breach on the part of the Permittee in performance of any agreement, term or condition of this Permit shall affect or alter this Permit but each and every agreement, term and condition thereof shall continue in full force and effect with respect to any other then existing or subsequent breach or default thereof.

11. Removal of Property:

The personal property placed or installed by the Permittee at the Airport shall remain the property of the Permittee and must be removed on or before the expiration, revocation, cancellation or termination of the permission hereby granted, whichever shall be earlier. Without limiting the terms and provisions of paragraph (g) of Section 18 hereof, any such property remaining at the Airport after the effective date of such expiration, revocation, cancellation or termination shall be deemed abandoned by the Permittee and may be removed and disposed of by the Port Authority in any manner it so determines in its sole discretion and all the proceeds of any removal or disposition shall be retained by the Port Authority for its account and all costs and expenses of such removal and disposition shall be paid to the Port Authority by the Permittee when billed.

12. Permittee's Representative:

The Permittee's representative specified in Item 3 on the first page of this Permit (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and any act or thing done or to be done hereunder, and to execute on the Permittee's behalf any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. Notices:

Except where expressly required or permitted herein to be oral, all notices, directions, requests, consents and approvals required to be given to or by either party or the Terminal Four Lessee shall be in writing, and all such notices given by the Port Authority or the Terminal Four Lessee to the Permittee shall be validly given if sent by registered or certified mail addressed to the Permittee at the address specified on the first page hereof or at the latest address that the Permittee may substitute therefor by notice to the Port Authority, or left at such address, or delivered to the Permittee's representative. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003 or at such other address as the Port Authority shall hereafter designate by notice to the Permittee. If mailed, the notices herein required to be given shall be deemed effective and given as of the date of the certified or registered mailing thereof.

14. Late Charges:

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority or the Terminal Four Lessee including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four (24) late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (15) (but not less than thirteen (13)) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority or the Terminal Four Lessee of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority or the Terminal Four Lessee to payment of any late charge or late charges payable under the provisions of this Section with respect to such unpaid amount. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority or the Terminal Four Lessee under this Permit, including without limitation the Port Authority's rights set forth in Section 2 of these Terms and Conditions, or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Section shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

15. Non-discrimination:

(a) Without limiting the generality of any of the provisions of this Permit, the Permittee, for itself, its successors in interest and assigns, as a part of the consideration hereof, does hereby agree that (1) no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or be otherwise subject to discrimination in the use of any space at the Airport and the exercise of any privileges under this

Permit, (2) that in the construction of any improvements on, over, or under any space at the Airport and the furnishing of any service thereon by the Permittee, no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination, (3) that the Permittee shall use any space at the Airport and exercise any privileges under this Permit in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended, and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which from time to time may be applicable to the Permittee's operations thereat, whether by reason of agreement between the Port Authority and the United States Government or otherwise.

(b) The Permittee shall include the provisions of paragraph (a) of this Section in every agreement or concession it may make pursuant to which any Person or Persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Section shall constitute a material breach of this Permit. Without limiting any other term or provision hereof or any other rights or remedies of the Port Authority hereunder or at law or equity, in the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) Without limiting any other term or provision hereof, the Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third Persons, including the United States of America, resulting from the Permittee's noncompliance with any of the provisions of this Section and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Section shall grant or shall be deemed to grant to the Permittee the right to transfer or assign this Permit, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on any space at the Airport, or any right to use or occupy any space at the Airport.

16. Affirmative Action:

The Permittee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Permittee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Permittee assures that it will require that its covered suborganizations provide assurances to the Permittee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

17. Rules and Regulations:

(a) The Permittee shall observe and obey (and compel its officers, employees, guests, invitees, and those doing business with it, to observe and obey) the rules and regulations and procedures of the Port Authority now in effect, and such further reasonable rules and regulations and procedures which may from time to time during the effective period of this Permit, be promulgated by the Port Authority for reasons of safety, health, preservation of property or maintenance of a good and orderly appearance of the Airport or for the safe and efficient operation of the Airport. The Port Authority agrees that, except in cases of emergency, it shall give notice to the Permittee of every rule and regulation hereafter adopted by it at least five (5) days before the Permittee shall be required to comply therewith.

(b) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the New York Board of Fire Underwriters and the New York Fire Insurance Exchange, and any other body or organization exercising similar functions which may pertain or apply to the Permittee's operations hereunder. If by reason of the Permittee's failure to comply with the provisions of this Section, any fire insurance, extended coverage or rental insurance rate on the Airport or any part thereof, or upon the contents of any building thereon, shall at any time be higher than it otherwise would be, then the Permittee shall on demand pay the Port Authority that part of all fire insurance premiums paid or payable by the Port Authority which shall have been charged because of such violation by the Permittee.

18. Prohibited Acts

(a) The Permittee shall not do or permit to be done any act which

(i) will invalidate or be in conflict with any fire insurance policies covering the Airport or any part thereof or upon the contents of any building thereon, or

(ii) will increase the rate of any fire insurance, extended coverage or rental insurance on the Airport or any part thereof or upon the contents of any building thereon, or

(iii) in the opinion of the Port Authority will constitute a hazardous condition, so as to increase the risks normally attendant upon the operations contemplated by this Permit, or

(iv) may cause or produce upon the Airport any unusual noxious or objectionable smokes, gases, vapors or odors, or

(v) may interfere with the effectiveness or accessibility of any drainage and sewerage system, water system, communications system, fire protection system, sprinkler system, alarm system, fire hydrant and hose, if any, installed or located or to be installed or located in or on the Airport, or

(vi) shall constitute a nuisance or injury in or on the Airport or which may result in the creation, commission or maintenance of a nuisance or injury in or on the Airport.

For the purpose of this paragraph (a), "Airport" includes all structures located thereon.

(b) The Permittee shall not dispose of, release or discharge nor permit anyone to dispose of, release or discharge any Hazardous Substance on the Airport except that the Permittee may release or discharge de-icing fluids utilized in the Permittee's ordinary course of business in the performance of any of the privileges granted hereunder so long as such release or discharge is not a violation of the terms and conditions of Sections 17 or 19 hereof. In addition to and without limiting Section 19 hereof, any Hazardous Substance disposed of, released or

discharged by the Permittee (or permitted by the Permittee to be disposed of, released or discharged) on the Airport shall upon notice by the Port Authority to the Permittee and subject to the provisions of Sections 17 and 19 hereof and to all Environmental Requirements, be completely removed and/or remediated by the Permittee at its sole cost and expense, provided, however, the forgoing shall not apply to releases and discharges which are in compliance with the terms and conditions of Sections 17 and 19 hereof of de-icing fluids utilized in the Permittee's ordinary course of business in the performance of any of the privileges granted hereunder and the obligation of the Permittee to remove and remediate such de-icing fluids shall be as required by the terms and conditions of Sections 17 and 19 hereof. The obligations of the Permittee pursuant to this paragraph shall survive the expiration, revocation, cancellation or termination of this Permit.

(c) The Permittee shall not dispose of nor permit anyone to dispose of any waste materials (whether liquid or solid) by means of any toilets, sanitary sewers or storm sewers.

(d) (i) The Permittee shall not employ any persons or use any labor, or use or have any equipment, or permit any condition to exist, which shall or may cause or be conducive to any labor complaints, troubles, disputes or controversies at the Airport which interfere or are likely to interfere with the operation of the Airport or any part thereof by the Port Authority or with the operations of the lessees, licensees, permittees or other users of the Airport or with the operations of the Permittee under this Permit.

(ii) The Permittee shall immediately give notice to the Port Authority (to be followed by written notice and reports) of any and all impending or existing labor complaints, troubles, disputes or controversies and the progress thereof. The Permittee shall use its best efforts to resolve any such complaints, troubles, disputes or controversies.

(iii) The Permittee acknowledges that it is familiar with the general and local conditions prevailing at the Airport and with the all pertinent matters and circumstances which may in any way affect performance of the privileges granted under this Permit.

(e) The Permittee shall not solicit business on the public areas of the Airport and the use, at any time, of hand or standard megaphones, loudspeakers or any electric, electronic or other amplifying device is hereby expressly prohibited.

(f) The Permittee shall not install any fixtures or make any alterations, additions, improvements or repairs to any property of the Port Authority except with the prior written approval of the Port Authority.

(g) No signs, posters or similar devices shall be erected, displayed or maintained at the Airport without the written approval of the General Manager of the Airport; and any not approved by such General Manager or not removed by the Permittee upon the termination, revocation, expiration or cancellation of this Permit may be removed by the Port Authority at the expense of the Permittee.

(h) The Permittee shall not operate any engine or any item of automotive equipment in any enclosed space at the Airport unless such space is adequately ventilated.

(i) The Permittee shall not use any cleaning materials having a harmful or corrosive effect on any part of the Airport.

(j) The Permittee shall not fuel or defuel any equipment in any enclosed space at the Airport without the prior approval of the General Manager of the Airport except in accordance with Port Authority rules and regulations.

(k) The Permittee shall not start or operate any engine or any item of automotive equipment in any enclosed space at the Airport unless such space is adequately ventilated and unless such engine is equipped with a proper spark-arresting device.

19. Law Compliance:

(a) The Permittee shall procure all licenses, certificates, permits or other authorization from all governmental authorities, if any, having jurisdiction over the Permittee's operations at the Airport which may be necessary for the Permittee's operations thereat.

(b) The Permittee shall pay all taxes, license, certification, permit and examination fees and excises which may be assessed, levied, exacted or imposed on its property or operations at the Airport or on the Gross Receipts, Terminal Four Gross Receipts or income therefrom, and shall make all applications, reports and returns required in connection therewith.

(c) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions which may pertain or apply to the Permittee's operations at the Airport.

(d) The Permittee's obligations to comply with governmental requirements are provided herein for the purpose of assuring proper safeguards for the protection of Persons and property at the Airport and are not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

(e) The Port Authority has agreed by a provision in the City Lease with the City covering the Airport to conform to the enactments, ordinances, resolutions and regulations of the City and of its various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable so to do. The Permittee shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

20. Trademarks and Patent Infringement:

The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit.

21. Inspection:

The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Airport or to be placed or brought on the Airport, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

22. Federal Aid:

(a) The Permittee shall

(i) furnish good, prompt and efficient service hereunder, adequate to meet all demands therefor at the Airport;

(ii) furnish said service on a fair, equal and non-discriminatory basis to all users thereof; and

(iii) charge fair, reasonable and non-discriminatory prices for each unit of sale or service, provided that the Permittee may make reasonable and non-discriminatory discounts, rebates or other similar types of price reductions to volume purchasers.

As used in the above subsections "service" shall include furnishing of parts, materials and supplies (including sale thereof).

(b) The Port Authority has applied for and received a grant or grants of money from the Administrator of the Federal Aviation Administration pursuant to the Airport and Airways Development Act of 1970, as the same has been amended and supplemented, and under prior federal statutes which said Act superseded and the Port Authority may in the future apply for and receive further such grants. In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. The performance by the Permittee of the promises and obligations contained in this Permit is therefore a special consideration and inducement to the issuance of this Permit by the Port Authority, and the Permittee further agrees that if the Administrator of the Federal Aviation Administration or any other governmental officer or body having jurisdiction over the enforcement of the obligations of the Port Authority in connection with Federal Airport Aid, shall make any orders, recommendations or suggestions respecting the performance by the Permittee of its obligations under this Permit, the Permittee will promptly comply therewith at the time or times, when and to the extent that the Port Authority may direct.

23. Capacity and Competition:

(a) The Permittee shall refrain from entering into continuing contracts or arrangements with any third Person for furnishing services covered hereunder when such contracts or arrangements will have the effect of utilizing to an unreasonable extent the Permittee's capacity for rendering such services. A reasonable amount of capacity shall be reserved by the Permittee for the purpose of rendering services hereunder to those who are not parties to continuing contracts with the Permittee.

(b) The Permittee shall not enter into any agreement or understanding, express or implied, binding or non-binding, with any other Person who may furnish services at the Airport similar to those furnished hereunder which will have the effect of (i) fixing rates and charges to be paid by users of the services; (ii) lessening or preventing competition between the Permittee and such other furnishers of services; or (iii) tending to create a monopoly on the Airport in connection with the furnishing of such services.

24. Business Development and Records:

(a) In connection with the exercise of the privileges granted hereunder, the Permittee shall:

(i) use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(ii) not divert or cause or allow to be diverted, any business from the Airport;

(iii) maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of the Permittee at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify the Authorized Service performed at Terminal Four, the Authorized Service performed at the Airport at any location other than Terminal Four and all other services performed at the Airport at any location other than Terminal Four, and;

(iv) cause any company which is owned or controlled by the Permittee, or any company which owns or controls the Permittee, if any such company performs services similar to those performed by the Permittee (any such company being hereinafter called an "*Affiliate*" and all such companies being hereinafter called the "*Affiliates*") to maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of each Affiliate at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify each activity (including without limitation the Authorized Service) performed at the Airport, the Authorized Service performed at Terminal Four and all other services performed at the airport at any location other than Terminal Four;

(v) permit and/or cause to be permitted in ordinary business hours during the effective period of this Permit, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Port Authority of all the records and books of account of the Permittee (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts and/or Terminal Four Gross Receipts and which the Terminal Four Lessee, in its sole discretion, believes may be relevant for identification, determination or calculation of Terminal Four Receipts, all agreements, and all source documents) and all the records and books of account of all Affiliates (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts and/or Terminal Four Gross Receipts and which the Terminal Four Lessee, in its sole discretion, believes may be relevant for identification, determination or calculation of Terminal Four Receipts, all agreements, and all source documents) (all of the foregoing records and books described in this paragraph (a)(v) being hereinafter collectively referred to as the "*Books and Records*") within ten (10) days following any request by the Port Authority from time to time and at any time to examine and audit any Books and Records;

(vi) if the Permittee has performed any privilege or portion thereof at Terminal Four, then permit and/or cause to be permitted in ordinary business hours during the effective period of the Permit, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Terminal Four Lessee of all Books and Records within ten (10) days following any request by the Terminal Four Lessee from time to time and at any time to examine and audit any Books and Records;

(vii) permit the inspection by the officers, employees and representatives of the Port Authority and the Terminal Four Lessee of any equipment used by the Permittee, including but not limited to the equipment described in paragraph (a)(viii) below; and

(viii) install and use such cash registers, sales slips, invoicing machines and any other equipment or devices, including without limitation computerized record keeping systems, for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of Gross Receipts and Terminal Four Gross Receipts, and without limiting the generality of the foregoing, for any privilege involving cash sales, install and use cash registers or other electronic cash control equipment that provides for non-resettable totals.

(b) Without implying any limitation on the right of the Port Authority to revoke this Permit for cause for breach of any term, condition or provision thereof, including but not limited to, breach of any term, condition or provision of paragraph (a) above, the Permittee understands that the full reporting and disclosure to the Port Authority of all Gross Receipts and Terminal Four Gross Receipts and to the Terminal Four Lessee of all Terminal Four Gross Receipts and the Permittee's compliance with all the provisions of paragraph (a) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under this Permit. In the event any Books and Records are maintained outside the Port of New York District or in the event of the failure of the Permittee to comply with all the provisions of paragraphs (a)(ii) through (a)(viii) above then, in addition to all, and without limiting any other, rights and remedies of the Port Authority and the Terminal Four Lessee under this Permit or otherwise and in addition to all of the Permittee's other obligations under this Permit:

(i) the Port Authority may estimate the Gross Receipts on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the fees based thereon shall be payable to the Port Authority when billed; and/or

(ii) the Port Authority or the Terminal Four Lessee may estimate the Terminal Four Gross Receipts on any basis that the Port Authority or the Terminal Four Lessee, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the fees based thereon shall be payable to the Terminal Four Lessee when billed; and/or

(iii) if any Books and Records are maintained outside of the Port of New York District, then the Port Authority in its sole discretion may (x) require on ten (10) days' notice to the Permittee that any such Books and Records be made available to the Port Authority within the Port of New York District for examination and audit pursuant to paragraph (a)(v) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(v) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority, for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Permittee shall pay to the Port Authority when billed all costs and expenses of the Port Authority, as determined by the Port Authority, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

(iv) if any Books and Records are maintained outside of the Port of New York District, then the Terminal Four Lessee in its sole discretion may (x) require on ten (10) days' notice to the Permittee that any such Books and Records be made available to the Terminal Four Lessee within the Port of New York District for examination and audit pursuant to paragraph (a)(vi) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(vi) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Permittee shall pay to the Terminal Four Lessee when billed all travel costs and related expenses, as determined by the Terminal Four Lessee, for Terminal Four Lessee auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Permittee shall pay to the Terminal Four Lessee when billed all costs and expenses of the Terminal Four Lessee, as determined by the Terminal Four Lessee, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Terminal Four Lessee for the purpose of conducting such audit and examination.

(c) In the event that upon conducting an examination and audit as described in this Section the Port Authority or the Terminal Four Lessee determines that unpaid amounts are due to the Port Authority or to the Terminal Four Lessee by the Permittee (the "*Audit Findings*"), the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority and/or the Terminal Four Lessee a service charge in the amount equal to five percent (5%) of the Audit Findings. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority or by the Terminal Four Lessee. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority or the Terminal Four Lessee by the Permittee under this Permit or otherwise. Such service charge shall not be payable if the Port Authority has received, for each month covered by the examination and audit period, the Monthly Sworn Statement of Gross

Receipts, as provided in Section 4(a)(ii) and 4(a)(iii). No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Section with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

(d) Without implying any limitation on the rights or remedies of the Port Authority under this Permit or otherwise including without limitation the right of the Port Authority to revoke this Permit for cause for breach of any term or provision of paragraphs (a)(iii) or (a)(iv) above and in addition thereto, in the event any of the Books and Records are not maintained in English, then this Permittee shall pay to the Port Authority when billed, all costs and expenses of the Port Authority, as determined by the Port Authority, to translate such Books and Records into English.

(e) The foregoing auditing costs, expenses and amounts of the Port Authority set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Permit payable to the Port Authority with the same force and effect as the Basic Percentage Fee and all other fees payable to the Port Authority hereunder and the foregoing auditing costs, expenses and amounts of the Terminal Four Lessee set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Permit payable to the Terminal Four Lessee with the same force and effect as the Terminal Four Percentage Fee and all other fees payable to the Terminal Four Lessee hereunder.

25. Rates and Charges:

The Permittee shall establish rates and discounts therefrom which are in compliance with Section 22 hereof (each such rate and discount is hereinafter called an "*Established Rate*"). Upon request by the Port Authority, the Permittee shall provide the Port Authority its rates and discounts therefrom for goods and services furnished hereunder. If the Permittee applies any rate in excess of the Established Rate therefor or extends a discount less than the Established Discount therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the Established Rate therefor or extends a discount which is in excess of the Established Rate therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an undercharge and an amount equivalent thereto shall be included in Gross Receipts and Terminal Four Gross Receipts hereunder and the Basic Percentage Fee and the Terminal Four Percentage Fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in Gross Receipts or Terminal Four Gross Receipts any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon such breach which would otherwise be available to it at law, in equity or by reason of this Permit.

26. Other Agreements:

In the event the terms and provisions of any agreement entered into by the Permittee with any third Person in connection with the privileges granted hereunder are contrary to or conflict or

are inconsistent with the terms and provisions of this Permit, the terms and provisions of this Permit shall be controlling, effective and determinative.

27. City Lease Provisions:

(a) The Permittee acknowledges that it has received a copy of, and is familiar with the contents of, the City Lease. The Permittee acknowledges that no greater rights or privileges are hereby granted to the Permittee than the Port Authority has the power to grant under the City Lease.

(b) In accordance with the provisions of the City Lease, the Port Authority and the Permittee hereby agree as follows:

(i) This Permit is subject and subordinate to the City Lease and to any interest superior to that of the Port Authority;

(ii) The Permittee shall not pay the fees or other sums under this Permit for more than one (1) month in advance (excluding security or other deposits required under this Permit);

(iii) With respect to this Permit, the Permittee on the termination of the City Lease will, at the option of the City, enter into a direct permit on identical terms with the City;

(iv) The Permittee shall indemnify the City, as third party beneficiary hereunder, with respect to all matters described in Section 31 of the City Lease that arise out of the Permittee's operations at the Airport, or arise out of the acts or omissions of the Permittee's officers, employees, agents, representatives, contractors, customers, business visitors and guests at the Airport with the Permittee's consent;

(v) The Permittee shall not use any portion of the Airport for any use other than as permitted under the City Lease;

(vi) The Permittee shall use the Airport in a manner consistent with the Port Authority's obligations under Section 28 of the City Lease;

(vii) The failure of the Permittee to comply with the foregoing provisions shall be an event of default under this Permit, which shall provide the Port Authority with the right to revoke this Permit and exercise any other rights that the Port Authority may have as the grantor of the permission hereunder; and

(viii) The City shall be named as an additional insured or loss payee, as applicable, under each policy of insurance procured by the Permittee pursuant to this Permit.

28. Counterclaims:

The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts, which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

29. Continued Exercise of Privilege After Expiration, Revocation or Termination:

(a) The Permittee acknowledges that the failure of the Permittee to cease to perform the Authorized Service at the Airport from the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss, and the Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss. The Permittee acknowledges that the Port Authority reserves all its legal and equitable rights and remedies in the event of such failure by the Permittee to cease performance of the Authorized Service.

(b) The Permittee hereby acknowledges and agrees that, subject to the foregoing, all terms and provisions of this Permit shall be and continue in full force and effect during any period following such expiration, revocation or termination.

30. Miscellaneous:

(a) It is understood and agreed that the Port Authority shall not furnish, sell or supply to the Permittee any services or utilities in connection with this Permit.

(b) No Commissioner, Director, officer, agent or employee of either party shall be charged personally by the other party with any liability, or held liable to the other party, under any term or provision of this Permit, or because of the party's execution or attempted execution, or because of any breach thereof.

(c) The Section and paragraph headings, if any, in this Permit are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope or intent of any provision hereof.

(d) This Permit, including the attached Special Endorsements, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof. This Permit may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee or except by notice as specifically set forth in Sections 4 and 13 hereof. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

(Title) Special Manager

SPECIAL ENDORSEMENTS

1. (a) The Port Authority hereby consents to the Permittee providing the Authorized Service to El Al Israel Airlines, Ltd. at the Airport.

(b) (i) In the event the Permittee shall desire to provide the Authorized Service to another Approved Aircraft Operator or Person at the Airport, the Permittee shall submit such request in writing to the Port Authority. The Permittee may perform the Authorized Service for other Approved Aircraft Operators or Persons at the Airport only after receiving the written consent of the Port Authority.

(ii) The Permittee hereby agrees that it will not carry on any business at the Airport other than as specifically provided herein without receiving the prior written consent of the Port Authority, which consent, if given, will be in the form of a Supplement hereto or a separate agreement with the Port Authority, and will specify whether the provisions regarding fees contained herein or any other provisions regarding fees shall apply thereto.

2. The Permittee hereby attests that its federal taxpayer identification number is [redacted].

3. Prior to the execution of this Permit, the following amendments shall be deemed made to the Permit:

(a) In addition to the Insurance Requirements set forth in Item 9 on the first page of the Permit, the following new insurance requirement shall be deemed added to Item 9 to read as follows:

" $1,000,000.00 minimum limit Cargo Legal Liability"

(b) The first sentence of paragraph (a) to Section 8 of the Terms and Conditions shall be deemed deleted and the following new first sentence shall be substituted in lieu thereof:

> "The Permittee, in its own name as insured and including the Port Authority as an additional insured, shall maintain and pay the premiums during the effective period of the Permit on a policy or policies of (i) Commercial General Liability Insurance, including premises-operations and products-completed operations and covering bodily-injury liability, including death, and property damage liability, none of the foregoing to contain care, custody or control exclusions; (ii) Commercial Automobile Liability Insurance covering owned, non-owned and hired vehicles and including automatic coverage for newly acquired vehicles; and (iii) Cargo Legal Liability Insurance providing for coverage in the minimum limits set forth in Item 9 on the first page of this Permit."

TERMS AND CONDITIONS

1. Definitions:

The following terms, when and if used in this Permit, shall have the respective meanings given below:

(a) "*Air Cargo*" shall mean cargo transported to or from the Airport by aircraft owned or operated by an Approved Aircraft Operator.

(b) "*Aircraft Operator*" shall mean (a) a Person owning one or more aircraft which are not leased or chartered to any other Person for operation, and (b) a Person to whom one or more aircraft are leased or chartered for operation - whether the aircraft so owned, leased or chartered are military or non-military, or are used for private business, pleasure or governmental business, or for carrier or non-carrier operations, or for scheduled or non-scheduled operations or otherwise. Said term shall not mean the pilot of an aircraft unless he is also the owner or lessee thereof or a Person to whom it is chartered.

(c) "*Airport*" shall mean John F. Kennedy International Airport, consisting of certain premises identified as "John F. Kennedy International Airport" on Sheet JFK-1 of Exhibit A, and more particularly described in Exhibit B, annexed to the City Lease, and such other property as may be acquired in connection with and added to such premises pursuant to the terms of the City Lease.

(d) "*Approved Aircraft Operator*" shall mean an Aircraft Operator which the General Manager of the Airport has authorized to conduct its aircraft operations at the Airport and if such Aircraft Operator is subleasing or subusing space, or has a ground handling agreement or other agreement at the Airport with an Aircraft Operator, a lessee or other Person at the Airport which requires the consent of the Port Authority, each such subleasing, subuse, ground handling agreement or other agreement has been consented to in writing by the Port Authority.

(e) "*Basic Percentage Fee*" shall have the meaning given such term in Section 4(a)(i) hereof.

(f) "*Cargo Aircraft*" shall mean aircraft engaged solely and exclusively in the carriage of Air Cargo.

(g) "*Cargo Handling and Ramp Service*" shall mean all or any of the following services for or in connection with Air Cargo:

(i) representation and accommodation;

(ii) load control and communications;

(iii) unit load device control, handling and administration in connection with Cargo Aircraft;

(iv) flight operations and crew administration in connection with Cargo Aircraft, including but not limited to obtaining and providing meteorological reports, briefing and debriefing flight crews, preparing and filing flight plans, dispatching and receiving messages in connection with flight and ground operations, maintaining station logs and filing necessary reports with governmental agencies, preparing weight and balance plans, maintaining flight watch and arranging hotel accommodations for flight crews;

(v) pickup and delivery of Air Cargo, air express and mail to and from appropriate locations (allowed or designated from time to time by the Port Authority for such pickup and delivery) on the Airport;

(vi) preparation of documentation associated with Air Cargo, including but not limited to cargo manifests, airway bills and customs clearance documentation;

(vii) distribution of Air Cargo;

(viii) reception of Air Cargo to be shipped from the Airport;

(ix) temporary warehousing, sorting and storage of Air Cargo;

(x) supervision and administration;

(xi) courier services;

(xii) guiding Cargo Aircraft in and out of gate or loading or unloading positions and parking Cargo Aircraft;

(xiii) providing, positioning/removing, and operating appropriate units for engine starting for Cargo Aircraft;

(xiv) furnishing and placing in position and thereafter removing the necessary and appropriate steps, stands and power equipment for the safe and efficient loading and unloading of crew members and other persons, ballast, potable water, mail, air express, Air Cargo and supplies onto and from aircraft and trucks, and performing such loading and unloading and reporting irregularities;

(xv) providing a fire guard equipped with the necessary and appropriate fire fighting equipment for Cargo Aircraft;

(xvi) towing of Cargo Aircraft;

(xvii) ramp control tower services for Cargo Aircraft;

(xviii) Cargo Aircraft servicing, including interior and exterior cleaning, the removal and disposal of aircraft waste material and providing water service, cooling and heating, and toilet service;

(xix) conversion operations and services consisting of the removal of seats from convertible-type aircraft, so as to convert the same to Cargo Aircraft, and from Cargo Aircraft to Passenger Aircraft by the installation of seats;

(xx) ramp area cleaning;

(xxi) Gateside Aircraft Maintenance of Cargo Aircraft, it being specifically understood, however, that Routine and Non-routine Aircraft Maintenance, as distinguished from Gateside Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder;

(xxii) mobile fueling, on the Permittee's own account, for automotive and other ramp equipment using mobile tender vehicles or other equipment as may be approved from time to time by the General Manager of the Airport;

(xxiii) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport;

(xxiv) deicing to the exterior of aircraft of Approved Aircraft Operators at such locations on the Airport as may from time to time be designated by the General Manager of the Airport;

(xxv) triturator operations and maintenance;

(xxvi) snow removal; and

(xxvii) security services for and in connection with Air Cargo and Cargo Aircraft.

(h) "*City*" shall mean the City of New York.

(i) "*City Lease*" shall mean the Amended and Restated Agreement of Lease of the Municipal Air Terminals between The City of New York, as Landlord, and The Port Authority of New York and New Jersey, as Tenant, dated as of November 24, 2004 and recorded in the office of the City Register of the City on December 3, 2004 under City Register File No. 2004000748687, as the same may have been or may be amended or supplemented.

(j) "*Cleaning Service*" shall mean all or any of the following services:

(i) the cleaning, repairing and installing of upholstery, carpeting and curtains in aircraft and linens used on aircraft;

(ii) the complete interior and exterior cleaning of aircraft, the removal and disposal of waste material and providing water service, cooling and heating, and toilet service;

(iii) conversion operations and services consisting of the removal of seats from convertible-type aircraft so as to convert the same to Cargo Aircraft and from Cargo Aircraft to Passenger Aircraft by installation of seats;

(iv) ramp area cleaning services; and

(v) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport.

(k) "*Effective Date*" shall mean that date appearing in Item 6 on the first page of this Permit as the same may be modified pursuant to the provisions of Section 2(a) hereof.

(l) "*Environmental Requirement*" shall mean all common law and all past, present and future laws, statutes, enactments, resolutions, regulations, rules, directives, ordinances,

codes, licenses, permits, orders, memoranda of understanding and memoranda of agreement, guidances, approvals, plans, authorizations, concessions, franchises, requirements and similar items of all governmental agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof, all pollution prevention programs, "best management practices plans", and other programs adopted and agreements made by the Port Authority (whether adopted or made with or without consideration or with or without compulsion), with any government agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof, and all judicial, administrative, voluntary and regulatory decrees, judgments, orders and agreements relating to the protection of human health or the environment, and in the event that there shall be more than one compliance standard, the standard for any of the foregoing to be that which requires the lowest level of a Hazardous Substance, the foregoing to include without limitation:

(i) All requirements pertaining to reporting, licensing, permitting, investigation and remediation of emissions, discharges, releases or threatened releases of Hazardous Substances into the air, surface water, groundwater or land, or relating to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of Hazardous Substances, or the transfer of property on which Hazardous Substances exist; and

(ii) All requirements pertaining to the protection from Hazardous Substances of the health and safety of employees or the public.

(m) "*Executive Director*" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Executive Director of the Port Authority for the time being or his duly designated representative or representatives.

(n) "*Gateside Aircraft Maintenance*" shall mean such emergency transit and turnaround maintenance performed on the aircraft of an Aircraft Operator as may be performed in the time such aircraft is permitted to be and remain at the aircraft gate position or hardstand at which such maintenance is to be performed and which is performed by or required by law, rule or regulation to be performed by or under the supervision of a licensed aircraft mechanic or other person specifically licensed, certified or approved by governmental authority having jurisdiction, including the rental or equipment and tools in the connection therewith. It is specifically understood that the performance of any other aircraft maintenance, including but not limited to Routine and Non-routine Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder.

(o) "*General Manager of the Airport*" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in said General Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean said General Manager (or Acting General Manager) of the Airport for the time being or his duly designated representative or representatives.

(p) "*Gross Receipts*" shall mean all amounts, monies, revenues, receipts and income of every type paid or payable to the Permittee for sales made and for services rendered at or from the Airport, regardless of when or where the order therefor is received, and outside the Airport, if the order therefor is received at the Airport, and any other amounts, monies, revenues, receipts and income of any type arising out of or in connection with the Authorized Service, provided, however, there shall be excluded from Gross Receipts, any Terminal Four Gross Receipts and any taxes imposed by law which are separately stated to and paid by the customer and directly

payable to the taxing authority by the Permittee. The Permittee's Recovery Fee, as hereinafter defined, if any, shall be included within Gross Receipts and shall be subject to the fees set forth under Section 4 of this Permit.

(q) "*Hazardous Substance*" shall mean any pollutant, contaminant, toxic or hazardous waste, dangerous substance, potentially dangerous substance, noxious substance, toxic substance, flammable, explosive or radioactive material, urea formaldehyde foam insulation, asbestos, polychlorinated biphenyls (PCBs), chemicals known to cause cancer, endocrine disruption or reproductive toxicity, petroleum and petroleum products and substances declared to be hazardous or toxic or the removal, containment or restriction of which is required, or the manufacture, preparation, production, generation, use, maintenance, treatment, storage, transfer, handling or ownership of which is restricted, prohibited, regulated or penalized by any federal, state, county, or municipal or other local statute or law now or at any time hereafter in effect as amended or supplemented and by the regulations adopted and publications promulgated pursuant thereto.

(r) "*In-Terminal Handling Service*" shall mean all or any of the following services for or in connection with passengers of Passenger Aircraft:

(i) furnishing interpreters for the assistance of non-English-speaking passengers;

(ii) inbound and outbound passenger baggage handling services, including but not limited to checking, weighing, handling and storage of aircraft baggage;

(iii) selling of tickets for air transportation;

(iv) checking in and boarding aircraft passengers;

(v) porter service for passenger baggage;

(vi) passenger assistance, passenger information service, flight information and public address paging and announcements;

(vii) supervisory and administrative functions on behalf of Approved Aircraft Operators in conjunction with the Permittee's performance of the other activities constituting a part of the In-Terminal Handling Service;

(viii) the arrangement of ground transportation of crew, passengers and baggage;

(ix) handicapped services;

(x) security and pre-board screening;

(xi) building janitorial and maintenance; and

(xii) lounge hosting services.

(s) "*Passenger Aircraft*" shall mean aircraft owned or operated by an Approved Aircraft Operator engaged primarily in the transportation of passengers by aircraft to and from the Airport.

(t) "*Passenger Ramp Service*" shall mean all or any of the following services for or in connection with Passenger Aircraft:

(i) representation and accommodation;

(ii) load control and communications on ramp;

(iii) unit load device control, handling and administration;

(iv) baggage handling and sorting, including delivering baggage to and from Passenger Aircraft and to and from baggage facilities, provided, however, no permission is hereby given for the Permittee to deliver baggage from one terminal to another unless they are part of the same premises; sorting baggage in baggage makeup facilities; and delivering baggage to and from interline system permittees;

(v) guiding Passenger Aircraft in and out of gates or loading and unloading positions and parking Passenger Aircraft;

(vi) furnishing and placing in position and thereafter removing the necessary and appropriate steps, stands and power equipment for the safe and efficient loading and unloading of crew, passengers, baggage, ballast, potable water, mail, air express, Air Cargo and supplies from and onto Passenger Aircraft and trucks, and perform such loading and unloading and reporting irregularities;

(vii) deicing to the exterior of aircraft of Approved Aircraft Operators at such locations on the Airport as may from time to time be designated by the General Manager of the Airport;

(viii) providing, positioning/removing, and operating appropriate units for engine starting;

(ix) providing a fire guard equipped with the necessary and appropriate fire fighting equipment;

(x) towing of Passenger Aircraft;

(xi) ramp control tower services for Passenger Aircraft;

(xii) Passenger Aircraft servicing, including exterior and interior cleaning, the removal and disposal of aircraft waste material and providing water service, cooling and heating, toilet service, and rearranging cabin equipment;

(xiii) ramp area cleaning;

(xiv) mobile fueling on the Permittee's own account for automotive and other ramp equipment using mobile tender vehicles or other equipment as may be approved from time to time by the General Manager of the Airport;

(xv) Gateside Aircraft Maintenance of Passenger Aircraft, it being specifically understood, however, that Routine and Non-routine Aircraft Maintenance, as distinguished from Gateside Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder;

(xvi) flight operations and crew administration including but not limited to obtaining and providing meteorological reports, briefing and debriefing flight crews, preparing and filing flight plans, dispatching and receiving messages in connection with flight and ground operations, maintaining station logs and filing necessary reports with governmental agencies, preparing weight and balance plans, maintaining flight watch and arranging hotel accommodations for flight crews;

(xvii) ramp transportation for crew, passengers and baggage;

(xviii) supervisory and administrative functions on behalf of Approved Aircraft Operators of Passenger Aircraft;

(xix) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport, and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport;

(xx) catering liaison and administration;

(xxi) triturator operations and maintenance;

(xxii) snow removal; and

(xxiii) security services for passengers and baggage, cargo and mail, catering, and on aircraft, ramp and other designated areas.

(u) "*Permitted Areas*" shall mean with respect to the Authorized Service the following areas of the Airport and only such areas:

(i) those areas where the Permittee is authorized pursuant to a separate lease, permit or other written agreement (other than this Permit) with the Port Authority to provide such Authorized Service;

(ii) any area which pursuant to a written agreement the Port Authority has either leased to a third Person or has otherwise permitted a third Person to use and occupy and where (x) the Permittee performs such Authorized Service on such area for such Person or has obtained permission from such Person to perform such Authorized Service for an Approved Aircraft Operator on such area and (y) the performance of such Authorized Service for such Approved Aircraft Operator on such area is permitted by a written agreement with the Port Authority covering such area; or

(iii) such areas as may hereafter be designated in writing by the Port Authority for the performance of such privileges by the Permittee, it being understood and agreed that the Port Authority shall have the right at any time and from time to time to revoke, cancel, change or alter any such designation.

(v) "*Permittee's Recovery Fee*" shall mean any surcharge or other amount that the Permittee may separately state and charge its customers to recover the fee, or portion thereof, payable under this Permit.

(w) "*Person*" shall mean not only a natural person, corporation or other legal entity, but also two or more natural persons, corporations or other legal entities acting jointly as a firm, partnership, unincorporated association, consortium, joint adventurers or otherwise.

(x) "*Routine and Non-routine Aircraft Maintenance*" shall mean all work including but not limited to the inspection, maintenance, servicing, testing, overhaul, cleaning, conversion, repair and installation of parts and supplies on aircraft and on aircraft parts of Approved Aircraft Operators performed by or required by law, rule or regulation to be performed by or under the supervision of a licensed aircraft mechanic or other person specially licensed, certified or approved by governmental authority, including the rental of tools and equipment in connection therewith.

(y) "*Terminal Four*" shall mean the premises under the Terminal Four Lease commonly referred to on the Airport as "Terminal Four".

(z) "*Terminal Four Gross Receipts*" shall each mean and include all amounts, monies, revenues, receipts and income of every type paid or payable to the Permittee for sales made and for services rendered at Terminal Four, regardless of when or where the order therefor is received, and any other amounts, monies, revenues, receipts and income of any type arising out of or in connection with the Permittee's operations at Terminal Four, provided, however, there shall be excluded from Terminal Four Gross Receipts any taxes imposed by law which are separately stated to and paid by the customer and directly payable to the taxing authority by the Permittee.

(aa) "*Terminal Four Lease*" shall mean that certain agreement of lease bearing Port Authority Agreement No. AYC-685 entered into between the Port Authority and JFK International Air Terminal LLC on May 13, 1997.

(bb) "*Terminal Four Lessee*" shall mean for the time being JFK International Air Terminal LLC, a limited liability company organized and existing under the laws of the State of New York, or such other Person which the Port Authority may from time to time and at any time designate by notice to the Permittee.

(cc) "*Terminal Four Percentage Fee*" shall mean the fee payable to the Terminal Four Lessee pursuant to and as defined in Section 4(a)(i) hereof.

2. Effective Date, Termination and Revocation:

(a) The permission hereby granted shall take effect upon the Effective Date. Notwithstanding Item 6 appearing on the first page of this Permit, the Effective Date of this Permit shall be that date the Permittee commenced any of the activities permitted by this Permit. The Permittee in executing this Permit represents that the Effective Date appearing in Item 6 on the first page of this Permit is the date the Permittee commenced any of the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced any of the activities permitted by this Permit prior to said effective date, the Effective Date of this Permit shall be the date the Permittee commenced any of the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence on such date including without limitation the Permittee's indemnity obligations and obligations to pay fees.

(b) Notwithstanding any other term or condition hereof, the permission hereby granted may be revoked without cause upon thirty (30) days' written notice by the Port Authority, or terminated without cause upon thirty (30) days' written notice by the Permittee,

provided, however, that it may be revoked on twenty-four (24) hours' notice by the Port Authority if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth.

(c) In the event the Port Authority exercises it right to revoke this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation, including without limitation any and all personnel and legal costs (including but not limited to the cost to the Port Authority of in-house legal services) and disbursements incurred by it arising out of, relating to, or in connection with the enforcement or revocation of this Permit including, without limitation, legal proceedings initiated by the Port Authority to exercise its revocation rights and to collect all amounts due and owing to the Port Authority under this Permit.

(d) For the purposes of this Permit, a default by the Permittee in keeping, performing or observing any promise, obligation, term or agreement set forth herein on the part of the Permittee to be kept, performed or observed shall include the following whether or not the time has yet arrived for the keeping, performance or observance of any such promise, obligation, term or agreement:

(i) a statement by the Permittee to any representative of the Port Authority indicating that it cannot or will not keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit;

(ii) any act or omission of the Permittee or any other occurrence which makes it improbable at the time that it will be able to keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit; or

(iii) any suspension of or failure to proceed with any part of the privileges to be performed by the Permittee which makes it improbable at the time that it will be able to keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit.

(e) (i) If any type of strike, boycott, picketing, work stoppage, slowdown or other labor activity is directed against the Permittee at the Airport or against any operations of the Permittee under this Permit, whether or not the same is due to the fault of the Permittee and whether or not caused by the employees of the Permittee, and if any of the foregoing, in the opinion of the Port Authority, results or is likely to result in curtailment or diminution of the privileges to be performed hereunder by the Permittee or to interfere with or affect the operation of the Airport by the Port Authority or to interfere with or affect the operations of lessees, licensees, permittees or other users of the Airport, the Port Authority shall have the right at any time during the continuance thereof to suspend the operations of the Permittee under this Permit and/or to revoke this Permit.

(ii) In the event the Port Authority exercises its right to revoke this Permit, as aforesaid, it shall do so by twenty-four (24) hours' written notice to the Permittee, effective as of the time specified in the notice. The exercise by the Port Authority of its right of suspension shall not waive or affect or be deemed to waive or affect the right of revocation.

(iii) Prior to the exercise of the right of suspension by the Port Authority, it shall give the Permittee notice thereof, which notice may be oral. The Permittee shall not

perform its operations authorized by this Permit during the period of the suspension. The period of suspension shall end not more than twenty-four (24) hours after the cause thereof has ceased or been cured and the Permittee shall notify the Port Authority of such cessation or cure.

(iv) The rights of suspension and revocation as hereinbefore set forth may be exercised by the Port Authority prior to the Effective Date set forth in Item 6 on the first page of this Permit. No exercise by the Port Authority of its rights granted to it in paragraph (e) of this Section shall be deemed to be a waiver of any other rights of revocation contained in this Permit or a waiver of any other rights or remedies which may be available to the Port Authority under this Permit or otherwise.

(f) No revocation or termination of the permission hereunder shall relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

(g) No exercise by the Port Authority of any right of revocation granted to it in this Section shall be deemed to be a waiver of any other rights of revocation contained in this Section or elsewhere in this Permit or a waiver of any other rights or remedies which may be available to the Port Authority under this Permit or otherwise.

3. Exercise of Rights:

(a) The rights granted hereby shall be exercised

(i) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(ii) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(iii) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees,

(iv) if the Permittee is an individual, by the Permittee acting only personally or through the medium of its employees, and

(v) if the Permittee is a limited liability company, by the Permittee acting only through the medium of its members, managers, and employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other Person. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

(b) No greater rights or privileges are hereby granted to the Permittee than the Port Authority has power to grant under the City Lease.

(c) Neither this Permit nor anything contained herein, shall be deemed to grant any rights in the Permittee to use and occupy any land, building space or other area at the Airport or shall be deemed to have created any obligation on the part of the Port Authority to provide any such land, space or area to the Permittee.

(d) Neither the execution and delivery of this Permit nor any act done pursuant thereto shall create between any terminal operator, lessee or other occupant of land at the Airport including but not limited to the Terminal Four Lessee and the Permittee, on one hand, and the Port Authority on the other hand the relationship of bailor and bailee, or any other relationship or any legal status which would impose upon the Port Authority with respect to any personal property, such as but not limited to, aircraft cargo or baggage, owned and/or handled by the Permittee any duty or obligation whatsoever. The Permittee expressly agrees that the Port Authority shall have no liability with respect to any aircraft cargo or baggage or any other property of the Permittee or of any other Person left anywhere on the Airport.

(e) This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

(f) Nothing contained in this Permit shall constitute permission to the Permittee to park or store equipment or personal property at any location or area at the Airport.

(g) The Permittee shall have no right hereunder to carry on any business or operation at the Airport other than that specifically provided herein. Without limiting the generality of the foregoing and notwithstanding anything else in this Permit to the contrary, the Permittee is expressly prohibited hereunder from performing ground transportation, fueling of aircraft and the selling and delivery of in-flight meals.

(h) It is understood that any and all privileges granted hereunder to the Permittee are non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Airport to another or others, whether by this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute a violation or breach of the permission herein granted.

(i) The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Airport.

(j) The words "permission" and "privilege" are used interchangeably in this Permit, and except where expressly provided to the contrary, shall mean the privileges granted by this Permit.

4. Fees:

(a) (i) The Permittee agrees to pay to the Port Authority, at the times set forth in and in accordance with paragraph (a)(ii) below, a percentage fee (the "*Basic Percentage Fee*") equal to five percent (5%) (as the same may be increased pursuant to paragraph (k) below) of Gross Receipts and, if any privilege or portion thereof is performed at Terminal Four, to pay to the Terminal Four Lessee a percentage fee (hereinafter called the "Terminal Four Percentage Fee"), at the times set forth in and in accordance with paragraph (a)(iii) below, equal to five percent (5%), as the same may be increased pursuant to paragraph (k) below, of Terminal Four Gross Receipts.

(ii) Gross Receipts shall be reported and the Basic Percentage Fee shall be paid to the Port Authority by the Permittee as follows: On or before the twentieth (20th) day of the first month following the month in which the Effective Date falls and on the twentieth (20th) day of each and every calendar month thereafter during the period that this Permit is in effect and including the calendar month in which this Permit ceases to be in effect, the Permittee shall render to the Port Authority a monthly statement sworn to by a responsible executive or fiscal officer of the Permittee showing all of the Gross Receipts for the preceding month (the "Monthly Sworn Statement of Gross Receipts"). Each of the said statements shall also show the cumulative Gross Receipts from the Effective Date (or the most recent anniversary thereof) through the last day of the preceding month. At the same time each of the said statements is rendered to the Port Authority, the Permittee shall pay to the Port Authority an amount equal to five percent (5%) applied to the Gross Receipts for the preceding calendar month. In addition to the foregoing, on the twentieth (20th) day of the first month following each anniversary of the Effective Date the Permittee shall submit to the Port Authority a statement setting forth the cumulative totals of the Gross Receipts for the entire preceding twelve (12) month period certified, at the Permittee's expense, by a certified public accountant or a responsible executive or fiscal officer of the Permittee ("Annual Statement of Gross Receipts"). In addition to the foregoing, within twenty (20) days after the expiration, termination, revocation or cancellation of this Permit, the Permittee shall render to the Port Authority a sworn statement certified, at the Permittee's expense, by a certified public accountant of all Gross Receipts during the period from the last preceding anniversary of the Effective Date up to and including the last day this Permit shall be in effect and the Permittee shall, at the time of rendering such statement to the Port Authority, pay the Basic Percentage Fee due and unpaid as of the last day this Permit shall be in effect. The Permittee shall give the name and position of the responsible executive or fiscal officer designated under this paragraph to submit Monthly Sworn Statement and Annual Statement of Gross Receipts, ten (10) business days prior to the submission of the first such statement by the designee of the Permittee, so that the Port Authority may determine whether it will accept such designation. The designation shall be submitted to the Manager of Properties for the Airport. If such timely notice is not given to the Port Authority, the Permittee shall submit such statement to the Port Authority in a form executed by a certified public accountant.

(iii) Terminal Four Gross Receipts shall be reported and the Terminal Four Percentage Fee shall be paid to the Terminal Four Lessee by the Permittee as follows: On or before the twentieth (20th) day of the first month following the month in which the Effective Date falls and on the twentieth (20th) day of each and every calendar month thereafter during the period that the Permit is in effect and including the calendar month in which the Permit ceases to be in effect, the Permittee shall render to the Port Authority and the Terminal Four Lessee a monthly statement sworn to by a responsible executive or fiscal officer of the Permittee showing all of the Terminal Four Gross Receipts for the preceding month (the "Monthly Sworn Statement of Gross Receipts"). Each of the said statements shall also show the cumulative Terminal Four Gross Receipts from the Effective Date (or the most recent anniversary thereof) through the last day of the preceding month. At the same time each of the said statements is rendered to the Port Authority and the Terminal Four Lessee, the Permittee shall pay to the Terminal Four Lessee an amount equal to five percent (5%) applied to the Terminal Four Gross Receipts for the preceding calendar month. In addition to the foregoing, on the twentieth (20th) day of the first month following each anniversary of the Effective Date the Permittee shall submit to the Port Authority and the Terminal Four Lessee a statement setting forth the cumulative totals of the Terminal Four Gross Receipts for the entire preceding twelve (12) month period certified, at the Permittee's expense, by a certified public accountant or a responsible executive or fiscal officer of the Permittee ("Annual Statement of Gross Receipts"). In addition to the foregoing, within twenty (20) days after the expiration, termination, revocation or cancellation of the Permit, the Permittee shall render to the Port Authority and the Terminal Four Lessee a sworn statement certified, at the Permittee's expense, by a certified public accountant of the Permittee of all

Terminal Four Gross Receipts during the period from the last preceding anniversary of the Effective Date up to and including the last day the Permit shall be in effect and the Permittee shall, at the time of rendering such statement to the Terminal Four Lessee pay to the Terminal Four Lessee the Terminal Four Percentage Fee due and unpaid as of the last day the Permit shall be in effect. Each of the statements called for hereunder shall separately list and state the Terminal Four Gross Receipts and the applicable Terminal Four Percentage Fee payable thereon for each privilege (including without limitation each Authorized Service) provided by the Permittee hereunder at Terminal Four.

(b) (i) All statements to be submitted to the Port Authority pursuant to this Section and all payments made under this Permit, except for the Terminal Four Percentage Fee, shall be sent to the following address:

THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY
P.O. BOX 95000-1556
PHILADELPHIA, PENNSYLVANIA 19195-0001

or made via the following wire transfer instructions:

Bank: [redacted]
Bank ABA number:
Account number:

or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

(ii) All statements to be submitted to the Terminal Four Lessee hereunder and the Terminal Four Percentage Fee shall be made to the Terminal Four Lessee at Terminal Four, John F. Kennedy International Airport, Room 2300, Jamaica, New York 11430 or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

(c) There shall be excluded from Gross Receipts and Terminal Four Gross Receipts any sum paid or payable to the Permittee for the following, provided said sum is separately stated to and paid by the customer:

(i) handicapped services;

(ii) security services;

(iii) lost and found baggage services;

(iv) snow removal services;

(v) ground transportation of employees; and

(vi) building janitorial and maintenance services,

provided further, however, the Permittee acknowledges and agrees that the Port Authority does and shall continue to have the right at any time and from time to time to withdraw the foregoing exclusions from Gross Receipts (and Terminal Four Gross Receipts), in whole or in part, or to establish a separate fee for each such service, which may be a percentage fee other than five percent (5%), upon sixty (60) days' prior written notice to the Permittee. Notwithstanding the

foregoing, any fee established must be agreed to by the Permittee and the Port Authority and must be reflected in a supplement to this Permit to be prepared by the Port Authority and executed by the parties hereto.

(d) In the event the Permittee shall be permitted hereunder to provide Gateside Aircraft Maintenance services or Routine and Non-routine Aircraft Maintenance services, there shall be excluded from Gross Receipts and Terminal Four Gross Receipts any sum paid or payable to the Permittee:

(i) which arise solely from the resale to a customer of aircraft parts and supplies purchased by the Permittee from a third party, provided, however, that there shall be included in Gross Receipts and Terminal Four Gross Receipts monies paid or payable to the Permittee which arise from the sale of such aircraft parts and supplies to which the Permittee has provided labor for fabrication, refinishing or assembly to the extent of the reasonable value of the labor provided by the Permittee;

(ii) which arise solely from the use of equipment rented by the Permittee from a third party which monies are separately stated to and paid by the customer, limited, however, to the amounts actually paid by the Permittee to the third party for such rental of equipment; and

(iii) which arise solely from the loan or rental by the Permittee of aircraft parts, whether or not owned by the Permittee, which monies are separately stated to and paid by a customer and where said loan or rental of any such aircraft part is for a period of less than twelve (12) consecutive calendar days, it being understood that such monies paid or payable to the Permittee for the loan or rental may include monies for labor provided by the Permittee for installation, refurbishment of returned parts or administrative handling which is directly related to said loan or rental provided, however, all monies paid or payable to the Permittee which arise solely from the loan or rental by the Permittee of aircraft parts, whether or not owned by the Permittee, for twelve (12) or more consecutive calendar days (including but not limited to monies for labor provided by the Permittee for installation, refurbishment of returned parts or administrative handling which is directly related to said lease or rental) shall be included in Gross Receipts from the first day of the loan or rental period, as the case may be.

(e) If and to the extent the full fair market value of any sale, service or other item provided by the Permittee is not charged to or payable by the customer, then the fair market value thereof as determined by the Port Authority shall be included in Gross Receipts and Terminal Four Gross Receipts.

(f) Without limiting any other provisions of this Permit regarding Gross Receipts and Terminal Four Gross Receipts, in those instances where the Permittee provides any services or goods along with other services and goods to the same Person (including without limitation those instances where a service is part of or is included within a group of other services and rendered for a single price, and where a service is performed by the Permittee pursuant to agreement for the exchange of services or goods) the Permittee agrees that the value ascribed to the performance of such service by the Permittee shall be the fair and reasonable value thereof as determined by the Port Authority.

(g) Without limiting the requirement for Port Authority approval, if the Permittee conducts any privilege or any portion thereof through the use of a contractor or other third party which is not a Port Authority permittee and where the payments for any of the foregoing are made to such contractor rather than to the Permittee, said payments shall be deemed amounts, monies, revenues, receipts and income paid or payable to the Permittee for purposes of determining the Permittee's Gross Receipts and Terminal Four Gross Receipts, provided,

however, that the foregoing shall not grant or be deemed to grant any right or permission to the Permittee to use an independent contractor or other third party to perform any privilege or portion thereof or the doing of anything hereunder by an independent contractor or other third party.

(h) Notwithstanding that the fee hereunder is measured by a percentage of Gross Receipts and Terminal Four Gross Receipts, no joint venture or partnership relationship between the parties hereto is created by this Permit.

(i) To the extent that the Permittee has not already done so at the time of execution of this Permit and without limiting the generality of any other term or provision hereof, the Permittee agrees to submit monthly statements of Gross Receipts and Terminal Four Gross Receipts as provided in this Section and to pay, at the time of execution and delivery of this Permit to the Port Authority, all fees and other amounts due under this Permit for the period from the Effective Date to the time of execution and delivery of this Permit by the Permittee.

(j) Without limiting any other provision of this Permit, it is hereby specifically understood that the failure to set forth all the classes of Persons, all of the locations served or all of the types of services or activities performed by the Permittee in its exercise of the privileges granted hereunder as of the Effective Date, or the failure to, by appropriate supplement, revise this Permit to reflect any additional classes of Persons, locations served, or services or activities performed by the Permittee subsequent to said Effective Date, shall not affect the inclusion in Gross Receipts or Terminal Four Gross Receipts hereunder of the amounts, monies, revenues, receipts and income received or receivable by the Permittee in its operations, and the same shall be so included. The foregoing shall not constitute Port Authority consent or be deemed to imply that the necessary Port Authority consent (to be reflected in a supplement to the Permit) with respect to such additional classes of Persons, locations, services or activities will be given.

(k) The Basic Percentage Fee, the Terminal Four Percentage Fee and any other fees payable under this Permit shall be subject to increase from time to time upon thirty (30) days' notice from the Port Authority to the Permittee, given by the General Manager of the Airport or such other representative as the Port Authority may substitute from time to time by notice to the Permittee, and upon the effective date of the increase set forth in such notice the fees payable by the Permittee under this Permit shall be as set forth in said notice. In the event within ten (10) days after the Permittee receives such notice from the Port Authority, the Permittee notifies the Port Authority that the Permittee does not wish to pay the increased fees, this Permit and the permission granted hereunder shall be, and shall be deemed to be, cancelled effective at the close of business on the day preceding the effective date of the increase, as set forth in the Port Authority's notice to the Permittee. If the Permittee does not so notify the Port Authority, the increased fees shall become effective on the date set forth in the Port Authority's notice as aforesaid. No cancellation of this Permit and the permission granted thereunder pursuant to this paragraph (k) shall be construed to relieve the Permittee of any obligations or liabilities hereunder which shall have accrued on or before the effective date of such cancellation.

(l) Without limiting any term or provision of this Permit, in the event the Permittee performs (x) any service, other than the Authorized Service at the Airport, or (y) any service (including the Authorized Service) at any other Port Authority facility, whether such performance is the subject of a written agreement by and between the Port Authority and the Permittee, the Permittee hereby agrees that it will pay to the Port Authority any and all fees and/or charges applicable to such service. The Permittee also agrees that, at the request of the Port Authority, it will enter into the appropriate agreement with the Port Authority providing permission for the Permittee to perform such service.

5. Security Deposit:

(a) (i) Provided that an amount is set forth in Item 8 on the first page of this Permit (the "*Required Security Deposit*"), and, provided, further, the amount of said Required Security Deposit is less than $20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deposit with the Port Authority (and shall keep deposited throughout the effective period of the permission under this Permit) the Required Security Deposit, either in cash, or bonds of the United States of America, or of the State of New Jersey, or of the State of New York, or of the Port Authority of New York and New Jersey, having a market value of that amount, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed. Bonds qualifying for deposit hereunder shall be in bearer form but if bonds of that issue were offered only in registered form, then the Permittee may deposit such bonds or bonds in registered form, provided, however, that the Port Authority shall be under no obligation to accept such deposit of a bond in registered form unless such bond has been re-registered in the name of the Port Authority (the expense of such re-registration to be borne by the Permittee) in a manner satisfactory to the Port Authority. The Permittee may request the Port Authority to accept a registered bond in the Permittee's name and if acceptable to the Port Authority the Permittee shall deposit such bond together with an irrevocable bond power (and such other instruments or other documents as the Port Authority may require) in form and substance satisfactory to the Port Authority. In the event the Required Security Deposit is returned to the Permittee, any expenses incurred by the Port Authority in re-registering a bond to the name of the Permittee shall be borne by the Permittee. In addition to any and all other remedies available to it, the Port Authority shall have the right, at its option, at any time and from time to time, with or without notice, to use the Required Security Deposit, or any part thereof, in whole or partial satisfaction of any of its claims or demands against the Permittee. There shall be no obligation on the Port Authority to exercise such right and neither the existence of such right nor the holding of the Required Security Deposit itself shall cure any default or breach of this Permit on the part of the Permittee. With respect to any bonds deposited by the Permittee, the Port Authority shall have the right, in order to satisfy any of its claims or demands against the Permittee, to sell the same in whole or in part, at any time, and from time to time, with or without prior notice at public or private sale, all as determined by the Port Authority, together with the right to purchase the same at such sale free of all claims, equities or rights of redemption of the Permittee. The Permittee hereby waives all right to participate therein and all right to prior notice or demand of the amount or amounts of the claims or demands of the Port Authority against the Permittee. The proceeds of every such sale shall be applied by the Port Authority first to the costs and expenses of the sale (including but not limited to advertising or commission expenses) and then to the amounts due the Port Authority from the Permittee. Any balance remaining shall be retained in cash toward bringing the Required Security Deposit to the sum specified in Item 8 on the first page of this Permit. In the event that the Port Authority shall at any time or times so use the Required Security Deposit, or any part thereof, or if bonds shall have been deposited and the market value thereof shall have declined below the amount set forth in Item 8 on the first page of this Permit, the Permittee shall, on demand of the Port Authority and within two (2) days thereafter, deposit with the Port Authority additional cash or bonds so as to maintain the Required Security Deposit at all times to the full amount above stated in Item 8 on the first page of this Permit, and such additional deposits shall be subject to all the conditions of this Section. After the expiration or earlier revocation or termination of the effective period of the permission under this Permit, and upon condition that the Permittee shall then be in no wise in default under any part of this Permit, and upon written request therefor by the Permittee, the Port Authority will return the Required Security Deposit to the Permittee less the amount of any and all unpaid claims and demands (including estimated damages) of the Port Authority by reason of any default or breach by the Permittee of this Permit or any part thereof. The Permittee agrees that it will not assign or

encumber the Required Security Deposit. The Permittee may collect or receive any interest or income earned on bonds and interest paid on cash deposited in interest-bearing bank accounts, less any part thereof or amount which the Port Authority is or may hereafter be entitled or authorized by law to retain or to charge in connection therewith, whether as or in lieu of an administrative expense, or custodial charge, or otherwise; provided, however, that the Port Authority shall not be obligated by this provision to place or to keep cash deposited hereunder in interest-bearing bank accounts.

(ii) In lieu of the Required Security Deposit made in the form described above in paragraph (a)(i), the Permittee may at any time during the effective period of the permission granted under this Permit offer to deliver to the Port Authority, as security for all obligations of the Permittee under this Permit, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District, in favor of the Port Authority in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent satisfactory letter. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by security in accordance with paragraph (a)(i) of this Section or another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security under paragraph (a)(i) of this Section. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the Required Security Deposit, if any, theretofore made under and in accordance with the provisions of paragraph (a)(i) of this Section. The Permittee shall have the same rights to receive such Required Security Deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the effective period of the permission granted under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount.

(b) Provided that a Required Security Deposit amount is set forth in Item 8 on the first page of this Permit, and, provided, further, the amount of said Required Security Deposit is equal to or greater than $20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of the Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority, and payable in the Port of New York District in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for

automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is an appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless the letter of credit is replaced by another letter of credit satisfactory to the Port Authority by a date not later than twenty (20) days prior to the effective date of cancellation, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee, upon demand by the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to the amount of the Required Security Deposit. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to be a waiver of any default by the Permittee under the terms of this Permit, and all remedies under this Permit and of the Port Authority consequent upon such default shall not be affected by the existence of a recourse to any such letter of credit.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, in its sole discretion at any time and from time to time upon sixty (60) days' notice to the Permittee, to adjust the amount of the Required Security Deposit. Not later than the effective date set forth in said notice by the Port Authority, the Permittee shall furnish additional cash or bonds, as provided for in paragraph (a) above, or an amendment to, or a replacement of, the letter of credit providing for such adjusted amount of the Required Security Deposit, as the case may be, and such additional cash and/or bonds or adjusted (or replaced) letter of credit shall thereafter constitute the Required Security Deposit required under this Section.

(d) If the Permittee is obligated by any other agreement to maintain a security deposit with the Port Authority to insure payment and performance by the Permittee of all fees, rentals, charges and obligations which may become due and owing to the Port Authority arising from the Permittee's operations at the Airport pursuant to any such other agreement or otherwise, then all such obligations under such other agreement and any deposit pursuant thereto also shall be deemed obligations of the Permittee under this Permit and as security hereunder as well as under any such other agreement and all provisions of such other agreement with respect to such obligations and any obligations thereunder of the Port Authority as to the security deposit are hereby incorporated herein by this reference as though fully set forth herein and hereby made a part hereof. The termination, revocation, cancellation or expiration of any other agreement to which such security shall apply or any permitted assignment of such other agreement shall not affect such obligations as to such security which shall continue in full force and effect hereunder.

6. Permittee's Operations:

(a) The Permittee shall provide to the Port Authority, upon request of the Port Authority from time to time, such information and data in connection with the permission granted hereunder as the Port Authority may request and shall, if so requested by the Port Authority, make periodic reports thereof to the Port Authority utilizing such forms as may be adopted by the Port Authority for such purpose.

(b) The Permittee shall daily remove from the Airport by means of facilities provided by it all garbage, debris and other waste material (whether solid or liquid) arising out of or in connection with the permission granted hereunder, and any such not immediately removed shall be temporarily stored in a clean and sanitary condition, in suitable garbage and waste receptacles, the same to be made of metal and equipped with tight-fitting covers, and to be of a design safely and properly to contain whatever material may be placed therein; said receptacles being provided and maintained by the Permittee. The receptacles shall be kept covered except when filling or emptying the same. The Permittee shall exercise extreme care in removing such garbage, debris and other waste materials from the Airport. The manner of such storage and removal shall be subject in all respects to the continual approval of the Port Authority. No facilities of the Port Authority shall be used for such removal unless with its prior consent in writing. No such garbage, debris or other waste materials shall be or be permitted to be thrown, discharged or disposed into or upon the waters at or bounding the Airport.

(c) The Permittee shall at all times that areas of the Airport are being used for the privileges permitted hereunder, maintain said areas in a clean and orderly condition and appearance. The Permittee shall promptly wipe up any oil, gasoline, grease, lubricants and other inflammable liquids and substances and any liquids and substances having a corrosive or detrimental effect on the paving or other surface of the ramps or other areas upon which it performs the privileges authorized by this Permit resulting from its operations hereunder. The Permittee shall repair, replace, repave or rebuild, or at the Port Authority's election, the Permittee shall pay to the Port Authority the cost to the Port Authority of repairing, replacing, repaving or rebuilding, all or any part of the ramps or other areas upon which it performs the privileges authorized by this Permit which may be damaged or destroyed by such oil, gasoline, grease, lubricants or other liquids or substances or by any other act or omission of the Permittee or its employees, except for reasonable wear and tear arising out of its operations thereon.

(d) A principal purpose of the Port Authority in granting the permission under this Permit is to have available at the Airport, the privileges which the Permittee is permitted to render hereunder. The Permittee agrees that it will conduct a first-class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor, and keep the same in a first-class operating condition at all times.

(e) The Permittee shall immediately comply with all orders, directives and procedures as may be issued by the General Manager of the Airport covering the operations of the Permittee under this Permit at any time and from time to time. The Port Authority may, at any time and from time to time, without prior notice or cause, withdraw or modify any designation, approval, substitution or redesignation given by it hereunder.

(f) In the event of any injury or death to any person (other than employees of the Permittee) at the Airport when caused by the Permittee's operations, or damage to any property (other than the Permittee's property) at the Airport when caused by the Permittee's operations, the Permittee shall immediately notify the Port Authority and promptly thereafter furnish to the Port Authority copies of all reports given to the Permittee's insurance carrier.

(g) The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Airport. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the General Manager of the Airport. The Port Authority shall have the right to object to the Permittee as to the demeanor, conduct and appearance of the Permittee's employees,

invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

(h) The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations at the Airport.

7. Indemnity:

(a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third Persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee hereunder, or out of any of the acts or omissions of the Permittee, its officers, employees or Persons who are doing business with the Permittee arising out of or in connection with the activities permitted hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the Airport, including claims and demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) Without limiting any other term or provision hereof, the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

(c) Without limiting any other term or provision hereof, the Permittee shall indemnify the Port Authority and hold it harmless against all claims and demands of third Persons for damage to any aircraft cargo or baggage or any other property handled or delivered pursuant to the permission granted by this Permit.

(d) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand set forth in paragraphs (a), (b) and (c) above (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

8. Liability Insurance:

(a) The Permittee, in its own name as insured and including the Port Authority as an additional insured, shall maintain and pay the premiums during the effective period of the Permit on a policy or policies of Commercial General Liability Insurance, including premises-operations and products-completed operations and covering bodily-injury liability, including death, and property damage liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage in the minimum limit set forth in Item 9 on the first page of this Permit, and Commercial Automobile Liability Insurance covering owned, non-owned and hired vehicles and including automatic coverage for newly acquired vehicles and providing for coverage in the minimum limit set forth in Item 9 on the first page of this Permit. Without

limiting the foregoing, the Permittee shall maintain Workers' Compensation and Employers Liability Insurance in accordance with the Permittee's statutory obligations under the applicable State Workers' Compensation Law for those employees of the Permittee employed in operations conducted pursuant to this Permit at or from the Airport. In the event the Permittee maintains the foregoing insurance in limits greater than aforesaid, the Port Authority shall be included therein as an additional insured, except for the Workers' Compensation and Employers Liability Insurance policies, to the full extent of all such insurance in accordance with all terms and provisions of this Permit.

(b) Each policy of insurance, except for the Workers' Compensation and Employers Liability Insurance policies, shall also contain an ISO standard "separation of insureds" clause or a cross liability endorsement providing that the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority and any claim or action against the Port Authority by the Permittee, as if the Port Authority were the named insured thereunder, but such clause or endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured. Each policy of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Permittee under Section 7 of the Terms and Conditions of this Permit.

(c) All insurance coverages and policies required under this Section may be reviewed by the Port Authority for adequacy of terms, conditions and limits of coverage at any time and from time to time during the effective period of permission granted under this Permit. The Port Authority may, at any such time, require additions, deletions, amendments or modifications to the aforementioned insurance requirements, or may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem required and the Permittee shall promptly comply therewith.

(d) Each policy shall contain a provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' written advance notice thereof to the Port Authority. Each policy shall contain a provision or endorsement that the insurer "shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority." The foregoing provisions or endorsements shall be recited in each policy or certificate to be delivered pursuant to the following paragraph (e).

(e) A certified copy of each policy or a certificate or certificates of insurance evidencing the existence thereof, or binders, shall be delivered to the Port Authority upon execution and delivery of this Permit by the Permittee to the Port Authority. In the event any binder is delivered it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate of insurance. Any renewal policy shall be evidenced by a renewal certificate of insurance delivered to the Port Authority at least seven (7) days prior to the expiration of each expiring policy, except for any policy expiring after the date of expiration of this Permit. The aforesaid insurance shall be written by a company or companies approved by the Port Authority. If at any time any insurance policy shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policy shall be or become unsatisfactory to the Port Authority, the Permittee shall promptly obtain a new and satisfactory policy in replacement. If the Port Authority at any time so requests, a certified copy of each policy shall be delivered to or made available for inspection by the Port Authority.

(f) The foregoing insurance requirements shall not in any way be construed as a limitation on the nature or extent of the contractual obligations assumed by the Permittee under this Permit. The foregoing insurance requirements shall not constitute a representation or warranty as to the adequacy of the required coverage to protect the Permittee with respect to the obligations imposed on the Permittee by this Permit or any other agreement or by law.

9. Special Endorsements:

The Permittee hereby agrees to the terms and conditions of the endorsements attached hereto, hereby made a part hereof and marked "*Special Endorsements*". The terms and provisions of the Special Endorsements shall have the same force and effect and as if herein set forth in full.

10. No Waiver:

No failure by the Port Authority or the Terminal Four Lessee to insist upon the strict performance of any agreement, term or condition of this Permit or to exercise any right or remedy consequent upon a breach or default thereof, and no extension, supplement or amendment of this Permit during or after a breach thereof, unless expressly stated to be a waiver, and no acceptance by the Port Authority or the Terminal Four Lessee of fees, charges or other payments in whole or in part after or during the continuance of any such breach or default, shall constitute a waiver of any such breach or default of such agreement, term or condition. No agreement, term or condition of this Permit to be performed or complied with by the Permittee, and no breach or default thereof, shall be waived, altered or modified except by a written instrument executed by the Port Authority. No waiver by the Port Authority of any default or breach on the part of the Permittee in performance of any agreement, term or condition of this Permit shall affect or alter this Permit but each and every agreement, term and condition thereof shall continue in full force and effect with respect to any other then existing or subsequent breach or default thereof.

11. Removal of Property:

The personal property placed or installed by the Permittee at the Airport shall remain the property of the Permittee and must be removed on or before the expiration, revocation, cancellation or termination of the permission hereby granted, whichever shall be earlier. Without limiting the terms and provisions of paragraph (g) of Section 18 hereof, any such property remaining at the Airport after the effective date of such expiration, revocation, cancellation or termination shall be deemed abandoned by the Permittee and may be removed and disposed of by the Port Authority in any manner it so determines in its sole discretion and all the proceeds of any removal or disposition shall be retained by the Port Authority for its account and all costs and expenses of such removal and disposition shall be paid to the Port Authority by the Permittee when billed.

12. Permittee's Representative:

The Permittee's representative specified in Item 3 on the first page of this Permit (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and any act or thing done or to be done hereunder, and to execute on the Permittee's behalf any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. Notices:

Except where expressly required or permitted herein to be oral, all notices, directions, requests, consents and approvals required to be given to or by either party or the Terminal Four Lessee shall be in writing, and all such notices given by the Port Authority or the Terminal Four Lessee to the Permittee shall be validly given if sent by registered or certified mail addressed to the Permittee at the address specified on the first page hereof or at the latest address that the Permittee may substitute therefor by notice to the Port Authority, or left at such address, or delivered to the Permittee's representative. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003 or at such other address as the Port Authority shall hereafter designate by notice to the Permittee. If mailed, the notices herein required to be given shall be deemed effective and given as of the date of the certified or registered mailing thereof.

14. Late Charges:

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority or the Terminal Four Lessee including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four (24) late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (15) (but not less than thirteen (13)) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority or the Terminal Four Lessee of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority or the Terminal Four Lessee to payment of any late charge or late charges payable under the provisions of this Section with respect to such unpaid amount. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority or the Terminal Four Lessee under this Permit, including without limitation the Port Authority's rights set forth in Section 2 of these Terms and Conditions, or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Section shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

15. Non-discrimination:

(a) Without limiting the generality of any of the provisions of this Permit, the Permittee, for itself, its successors in interest and assigns, as a part of the consideration hereof, does hereby agree that (1) no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or be otherwise subject to discrimination in the use of any space at the Airport and the exercise of any privileges under this

Permit, (2) that in the construction of any improvements on, over, or under any space at the Airport and the furnishing of any service thereon by the Permittee, no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination, (3) that the Permittee shall use any space at the Airport and exercise any privileges under this Permit in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended, and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which from time to time may be applicable to the Permittee's operations thereat, whether by reason of agreement between the Port Authority and the United States Government or otherwise.

(b) The Permittee shall include the provisions of paragraph (a) of this Section in every agreement or concession it may make pursuant to which any Person or Persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Section shall constitute a material breach of this Permit. Without limiting any other term or provision hereof or any other rights or remedies of the Port Authority hereunder or at law or equity, in the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) Without limiting any other term or provision hereof, the Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third Persons, including the United States of America, resulting from the Permittee's noncompliance with any of the provisions of this Section and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Section shall grant or shall be deemed to grant to the Permittee the right to transfer or assign this Permit, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on any space at the Airport, or any right to use or occupy any space at the Airport.

16. Affirmative Action:

The Permittee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Permittee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Permittee assures that it will require that its covered suborganizations provide assurances to the Permittee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

17. Rules and Regulations:

(a) The Permittee shall observe and obey (and compel its officers, employees, guests, invitees, and those doing business with it, to observe and obey) the rules and regulations and procedures of the Port Authority now in effect, and such further reasonable rules and regulations and procedures which may from time to time during the effective period of this Permit, be promulgated by the Port Authority for reasons of safety, health, preservation of property or maintenance of a good and orderly appearance of the Airport or for the safe and efficient operation of the Airport. The Port Authority agrees that, except in cases of emergency, it shall give notice to the Permittee of every rule and regulation hereafter adopted by it at least five (5) days before the Permittee shall be required to comply therewith.

(b) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the New York Board of Fire Underwriters and the New York Fire Insurance Exchange, and any other body or organization exercising similar functions which may pertain or apply to the Permittee's operations hereunder. If by reason of the Permittee's failure to comply with the provisions of this Section, any fire insurance, extended coverage or rental insurance rate on the Airport or any part thereof, or upon the contents of any building thereon, shall at any time be higher than it otherwise would be, then the Permittee shall on demand pay the Port Authority that part of all fire insurance premiums paid or payable by the Port Authority which shall have been charged because of such violation by the Permittee.

18. Prohibited Acts

(a) The Permittee shall not do or permit to be done any act which

(i) will invalidate or be in conflict with any fire insurance policies covering the Airport or any part thereof or upon the contents of any building thereon, or

(ii) will increase the rate of any fire insurance, extended coverage or rental insurance on the Airport or any part thereof or upon the contents of any building thereon, or

(iii) in the opinion of the Port Authority will constitute a hazardous condition, so as to increase the risks normally attendant upon the operations contemplated by this Permit, or

(iv) may cause or produce upon the Airport any unusual noxious or objectionable smokes, gases, vapors or odors, or

(v) may interfere with the effectiveness or accessibility of any drainage and sewerage system, water system, communications system, fire protection system, sprinkler system, alarm system, fire hydrant and hose, if any, installed or located or to be installed or located in or on the Airport, or

(vi) shall constitute a nuisance or injury in or on the Airport or which may result in the creation, commission or maintenance of a nuisance or injury in or on the Airport.

For the purpose of this paragraph (a), "Airport" includes all structures located thereon.

(b) The Permittee shall not dispose of, release or discharge nor permit anyone to dispose of, release or discharge any Hazardous Substance on the Airport except that the Permittee may release or discharge de-icing fluids utilized in the Permittee's ordinary course of business in the performance of any of the privileges granted hereunder so long as such release or discharge is not a violation of the terms and conditions of Sections 17 or 19 hereof. In addition to and without limiting Section 19 hereof, any Hazardous Substance disposed of, released or

discharged by the Permittee (or permitted by the Permittee to be disposed of, released or discharged) on the Airport shall upon notice by the Port Authority to the Permittee and subject to the provisions of Sections 17 and 19 hereof and to all Environmental Requirements, be completely removed and/or remediated by the Permittee at its sole cost and expense, provided, however, the forgoing shall not apply to releases and discharges which are in compliance with the terms and conditions of Sections 17 and 19 hereof of de-icing fluids utilized in the Permittee's ordinary course of business in the performance of any of the privileges granted hereunder and the obligation of the Permittee to remove and remediate such de-icing fluids shall be as required by the terms and conditions of Sections 17 and 19 hereof. The obligations of the Permittee pursuant to this paragraph shall survive the expiration, revocation, cancellation or termination of this Permit.

(c) The Permittee shall not dispose of nor permit anyone to dispose of any waste materials (whether liquid or solid) by means of any toilets, sanitary sewers or storm sewers.

(d) (i) The Permittee shall not employ any persons or use any labor, or use or have any equipment, or permit any condition to exist, which shall or may cause or be conducive to any labor complaints, troubles, disputes or controversies at the Airport which interfere or are likely to interfere with the operation of the Airport or any part thereof by the Port Authority or with the operations of the lessees, licensees, permittees or other users of the Airport or with the operations of the Permittee under this Permit.

(ii) The Permittee shall immediately give notice to the Port Authority (to be followed by written notice and reports) of any and all impending or existing labor complaints, troubles, disputes or controversies and the progress thereof. The Permittee shall use its best efforts to resolve any such complaints, troubles, disputes or controversies.

(iii) The Permittee acknowledges that it is familiar with the general and local conditions prevailing at the Airport and with the all pertinent matters and circumstances which may in any way affect performance of the privileges granted under this Permit.

(e) The Permittee shall not solicit business on the public areas of the Airport and the use, at any time, of hand or standard megaphones, loudspeakers or any electric, electronic or other amplifying device is hereby expressly prohibited.

(f) The Permittee shall not install any fixtures or make any alterations, additions, improvements or repairs to any property of the Port Authority except with the prior written approval of the Port Authority.

(g) No signs, posters or similar devices shall be erected, displayed or maintained at the Airport without the written approval of the General Manager of the Airport; and any not approved by such General Manager or not removed by the Permittee upon the termination, revocation, expiration or cancellation of this Permit may be removed by the Port Authority at the expense of the Permittee.

(h) The Permittee shall not operate any engine or any item of automotive equipment in any enclosed space at the Airport unless such space is adequately ventilated.

(i) The Permittee shall not use any cleaning materials having a harmful or corrosive effect on any part of the Airport.

(j) The Permittee shall not fuel or defuel any equipment in any enclosed space at the Airport without the prior approval of the General Manager of the Airport except in accordance with Port Authority rules and regulations.

(k) The Permittee shall not start or operate any engine or any item of automotive equipment in any enclosed space at the Airport unless such space is adequately ventilated and unless such engine is equipped with a proper spark-arresting device.

19. Law Compliance:

(a) The Permittee shall procure all licenses, certificates, permits or other authorization from all governmental authorities, if any, having jurisdiction over the Permittee's operations at the Airport which may be necessary for the Permittee's operations thereat.

(b) The Permittee shall pay all taxes, license, certification, permit and examination fees and excises which may be assessed, levied, exacted or imposed on its property or operations at the Airport or on the Gross Receipts, Terminal Four Gross Receipts or income therefrom, and shall make all applications, reports and returns required in connection therewith.

(c) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions which may pertain or apply to the Permittee's operations at the Airport.

(d) The Permittee's obligations to comply with governmental requirements are provided herein for the purpose of assuring proper safeguards for the protection of Persons and property at the Airport and are not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

(e) The Port Authority has agreed by a provision in the City Lease with the City covering the Airport to conform to the enactments, ordinances, resolutions and regulations of the City and of its various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable so to do. The Permittee shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

20. Trademarks and Patent Infringement:

The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit.

21. Inspection:

The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Airport or to be placed or brought on the Airport, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

22. Federal Aid:

(a) The Permittee shall

(i) furnish good, prompt and efficient service hereunder, adequate to meet all demands therefor at the Airport;

(ii) furnish said service on a fair, equal and non-discriminatory basis to all users thereof; and

(iii) charge fair, reasonable and non-discriminatory prices for each unit of sale or service, provided that the Permittee may make reasonable and non-discriminatory discounts, rebates or other similar types of price reductions to volume purchasers.

As used in the above subsections "service" shall include furnishing of parts, materials and supplies (including sale thereof).

(b) The Port Authority has applied for and received a grant or grants of money from the Administrator of the Federal Aviation Administration pursuant to the Airport and Airways Development Act of 1970, as the same has been amended and supplemented, and under prior federal statutes which said Act superseded and the Port Authority may in the future apply for and receive further such grants. In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. The performance by the Permittee of the promises and obligations contained in this Permit is therefore a special consideration and inducement to the issuance of this Permit by the Port Authority, and the Permittee further agrees that if the Administrator of the Federal Aviation Administration or any other governmental officer or body having jurisdiction over the enforcement of the obligations of the Port Authority in connection with Federal Airport Aid, shall make any orders, recommendations or suggestions respecting the performance by the Permittee of its obligations under this Permit, the Permittee will promptly comply therewith at the time or times, when and to the extent that the Port Authority may direct.

23. Capacity and Competition:

(a) The Permittee shall refrain from entering into continuing contracts or arrangements with any third Person for furnishing services covered hereunder when such contracts or arrangements will have the effect of utilizing to an unreasonable extent the Permittee's capacity for rendering such services. A reasonable amount of capacity shall be reserved by the Permittee for the purpose of rendering services hereunder to those who are not parties to continuing contracts with the Permittee.

(b) The Permittee shall not enter into any agreement or understanding, express or implied, binding or non-binding, with any other Person who may furnish services at the Airport similar to those furnished hereunder which will have the effect of (i) fixing rates and charges to be paid by users of the services; (ii) lessening or preventing competition between the Permittee and such other furnishers of services; or (iii) tending to create a monopoly on the Airport in connection with the furnishing of such services.

24. Business Development and Records:

(a) In connection with the exercise of the privileges granted hereunder, the Permittee shall:

(i) use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(ii) not divert or cause or allow to be diverted, any business from the Airport;

(iii) maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of the Permittee at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify the Authorized Service performed at Terminal Four, the Authorized Service performed at the Airport at any location other than Terminal Four and all other services performed at the Airport at any location other than Terminal Four, and;

(iv) cause any company which is owned or controlled by the Permittee, or any company which owns or controls the Permittee, if any such company performs services similar to those performed by the Permittee (any such company being hereinafter called an "*Affiliate*" and all such companies being hereinafter called the "*Affiliates*") to maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of each Affiliate at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify each activity (including without limitation the Authorized Service) performed at the Airport, the Authorized Service performed at Terminal Four and all other services performed at the airport at any location other than Terminal Four;

(v) permit and/or cause to be permitted in ordinary business hours during the effective period of this Permit, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Port Authority of all the records and books of account of the Permittee (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts and/or Terminal Four Gross Receipts and which the Terminal Four Lessee, in its sole discretion, believes may be relevant for identification, determination or calculation of Terminal Four Receipts, all agreements, and all source documents) and all the records and books of account of all Affiliates (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts and/or Terminal Four Gross Receipts and which the Terminal Four Lessee, in its sole discretion, believes may be relevant for identification, determination or calculation of Terminal Four Receipts, all agreements, and all source documents) (all of the foregoing records and books described in this paragraph (a)(v) being hereinafter collectively referred to as the "*Books and Records*") within ten (10) days following any request by the Port Authority from time to time and at any time to examine and audit any Books and Records;

(vi) if the Permittee has performed any privilege or portion thereof at Terminal Four, then permit and/or cause to be permitted in ordinary business hours during the effective period of the Permit, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Terminal Four Lessee of all Books and Records within ten (10) days following any request by the Terminal Four Lessee from time to time and at any time to examine and audit any Books and Records;

(vii) permit the inspection by the officers, employees and representatives of the Port Authority and the Terminal Four Lessee of any equipment used by the Permittee, including but not limited to the equipment described in paragraph (a)(viii) below; and

(viii) install and use such cash registers, sales slips, invoicing machines and any other equipment or devices, including without limitation computerized record keeping systems, for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of Gross Receipts and Terminal Four Gross Receipts, and without limiting the generality of the foregoing, for any privilege involving cash sales, install and use cash registers or other electronic cash control equipment that provides for non-resettable totals.

(b) Without implying any limitation on the right of the Port Authority to revoke this Permit for cause for breach of any term, condition or provision thereof, including but not limited to, breach of any term, condition or provision of paragraph (a) above, the Permittee understands that the full reporting and disclosure to the Port Authority of all Gross Receipts and Terminal Four Gross Receipts and to the Terminal Four Lessee of all Terminal Four Gross Receipts and the Permittee's compliance with all the provisions of paragraph (a) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under this Permit. In the event any Books and Records are maintained outside the Port of New York District or in the event of the failure of the Permittee to comply with all the provisions of paragraphs (a)(ii) through (a)(viii) above then, in addition to all, and without limiting any other, rights and remedies of the Port Authority and the Terminal Four Lessee under this Permit or otherwise and in addition to all of the Permittee's other obligations under this Permit:

(i) the Port Authority may estimate the Gross Receipts on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the fees based thereon shall be payable to the Port Authority when billed; and/or

(ii) the Port Authority or the Terminal Four Lessee may estimate the Terminal Four Gross Receipts on any basis that the Port Authority or the Terminal Four Lessee, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the fees based thereon shall be payable to the Terminal Four Lessee when billed; and/or

(iii) if any Books and Records are maintained outside of the Port of New York District, then the Port Authority in its sole discretion may (x) require on ten (10) days' notice to the Permittee that any such Books and Records be made available to the Port Authority within the Port of New York District for examination and audit pursuant to paragraph (a)(v) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(v) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority, for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Permittee shall pay to the Port Authority when billed all costs and expenses of the Port Authority, as determined by the Port Authority, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

(iv) if any Books and Records are maintained outside of the Port of New York District, then the Terminal Four Lessee in its sole discretion may (x) require on ten (10) days' notice to the Permittee that any such Books and Records be made available to the Terminal Four Lessee within the Port of New York District for examination and audit pursuant to paragraph (a)(vi) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(vi) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Permittee shall pay to the Terminal Four Lessee when billed all travel costs and related expenses, as determined by the Terminal Four Lessee, for Terminal Four Lessee auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Permittee shall pay to the Terminal Four Lessee when billed all costs and expenses of the Terminal Four Lessee, as determined by the Terminal Four Lessee, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Terminal Four Lessee for the purpose of conducting such audit and examination.

(c) In the event that upon conducting an examination and audit as described in this Section the Port Authority or the Terminal Four Lessee determines that unpaid amounts are due to the Port Authority or to the Terminal Four Lessee by the Permittee (the "*Audit Findings*"), the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority and/or the Terminal Four Lessee a service charge in the amount equal to five percent (5%) of the Audit Findings. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority or by the Terminal Four Lessee. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority or the Terminal Four Lessee by the Permittee under this Permit or otherwise. Such service charge shall not be payable if the Port Authority has received, for each month covered by the examination and audit period, the Monthly Sworn Statement of Gross

Receipts, as provided in Section 4(a)(ii) and 4(a)(iii). No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Section with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

(d) Without implying any limitation on the rights or remedies of the Port Authority under this Permit or otherwise including without limitation the right of the Port Authority to revoke this Permit for cause for breach of any term or provision of paragraphs (a)(iii) or (a)(iv) above and in addition thereto, in the event any of the Books and Records are not maintained in English, then this Permittee shall pay to the Port Authority when billed, all costs and expenses of the Port Authority, as determined by the Port Authority, to translate such Books and Records into English.

(e) The foregoing auditing costs, expenses and amounts of the Port Authority set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Permit payable to the Port Authority with the same force and effect as the Basic Percentage Fee and all other fees payable to the Port Authority hereunder and the foregoing auditing costs, expenses and amounts of the Terminal Four Lessee set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Permit payable to the Terminal Four Lessee with the same force and effect as the Terminal Four Percentage Fee and all other fees payable to the Terminal Four Lessee hereunder.

25. Rates and Charges:

The Permittee shall establish rates and discounts therefrom which are in compliance with Section 22 hereof (each such rate and discount is hereinafter called an "*Established Rate*"). Upon request by the Port Authority, the Permittee shall provide the Port Authority its rates and discounts therefrom for goods and services furnished hereunder. If the Permittee applies any rate in excess of the Established Rate therefor or extends a discount less than the Established Discount therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the Established Rate therefor or extends a discount which is in excess of the Established Rate therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an undercharge and an amount equivalent thereto shall be included in Gross Receipts and Terminal Four Gross Receipts hereunder and the Basic Percentage Fee and the Terminal Four Percentage Fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in Gross Receipts or Terminal Four Gross Receipts any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon such breach which would otherwise be available to it at law, in equity or by reason of this Permit.

26. Other Agreements:

In the event the terms and provisions of any agreement entered into by the Permittee with any third Person in connection with the privileges granted hereunder are contrary to or conflict or

are inconsistent with the terms and provisions of this Permit, the terms and provisions of this Permit shall be controlling, effective and determinative.

27. City Lease Provisions:

(a) The Permittee acknowledges that it has received a copy of, and is familiar with the contents of, the City Lease. The Permittee acknowledges that no greater rights or privileges are hereby granted to the Permittee than the Port Authority has the power to grant under the City Lease.

(b) In accordance with the provisions of the City Lease, the Port Authority and the Permittee hereby agree as follows:

(i) This Permit is subject and subordinate to the City Lease and to any interest superior to that of the Port Authority;

(ii) The Permittee shall not pay the fees or other sums under this Permit for more than one (1) month in advance (excluding security or other deposits required under this Permit);

(iii) With respect to this Permit, the Permittee on the termination of the City Lease will, at the option of the City, enter into a direct permit on identical terms with the City;

(iv) The Permittee shall indemnify the City, as third party beneficiary hereunder, with respect to all matters described in Section 31 of the City Lease that arise out of the Permittee's operations at the Airport, or arise out of the acts or omissions of the Permittee's officers, employees, agents, representatives, contractors, customers, business visitors and guests at the Airport with the Permittee's consent;

(v) The Permittee shall not use any portion of the Airport for any use other than as permitted under the City Lease;

(vi) The Permittee shall use the Airport in a manner consistent with the Port Authority's obligations under Section 28 of the City Lease;

(vii) The failure of the Permittee to comply with the foregoing provisions shall be an event of default under this Permit, which shall provide the Port Authority with the right to revoke this Permit and exercise any other rights that the Port Authority may have as the grantor of the permission hereunder; and

(viii) The City shall be named as an additional insured or loss payee, as applicable, under each policy of insurance procured by the Permittee pursuant to this Permit.

28. Counterclaims:

The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts, which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

29. Continued Exercise of Privilege After Expiration, Revocation or Termination:

(a) The Permittee acknowledges that the failure of the Permittee to cease to perform the Authorized Service at the Airport from the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss, and the Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss. The Permittee acknowledges that the Port Authority reserves all its legal and equitable rights and remedies in the event of such failure by the Permittee to cease performance of the Authorized Service.

(b) The Permittee hereby acknowledges and agrees that, subject to the foregoing, all terms and provisions of this Permit shall be and continue in full force and effect during any period following such expiration, revocation or termination.

30. Miscellaneous:

(a) It is understood and agreed that the Port Authority shall not furnish, sell or supply to the Permittee any services or utilities in connection with this Permit.

(b) No Commissioner, Director, officer, agent or employee of either party shall be charged personally by the other party with any liability, or held liable to the other party, under any term or provision of this Permit, or because of the party's execution or attempted execution, or because of any breach thereof.

(c) The Section and paragraph headings, if any, in this Permit are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope or intent of any provision hereof.

(d) This Permit, including the attached Special Endorsements, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof. This Permit may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee or except by notice as specifically set forth in Sections 4 and 13 hereof. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

(Title) President

SPECIAL ENDORSEMENTS

1. (a) The Port Authority hereby consents to the Permittee providing the Authorized Service to Virgin Atlantic Airways at the Airport.

(b) (i) In the event the Permittee shall desire to provide the Authorized Service to another Approved Aircraft Operator or Person at the Airport, the Permittee shall submit such request in writing to the Port Authority. The Permittee may perform the Authorized Service for other Approved Aircraft Operators or Persons at the Airport only after receiving the written consent of the Port Authority.

(ii) The Permittee hereby agrees that it will not carry on any business at the Airport other than as specifically provided herein without receiving the prior written consent of the Port Authority, which consent, if given, will be in the form of a Supplement hereto or a separate agreement with the Port Authority, and will specify whether the provisions regarding fees contained herein or any other provisions regarding fees shall apply thereto.

2. The Permittee hereby attests that its federal taxpayer identification number is [redacted].

TERMS AND CONDITIONS

1. Definitions:

The following terms, when and if used in this Permit, shall have the respective meanings given below:

(a) "*Air Cargo*" shall mean cargo transported to or from the Airport by aircraft owned or operated by an Approved Aircraft Operator.

(b) "*Aircraft Operator*" shall mean (a) a Person owning one or more aircraft which are not leased or chartered to any other Person for operation, and (b) a Person to whom one or more aircraft are leased or chartered for operation - whether the aircraft so owned, leased or chartered are military or non-military, or are used for private business, pleasure or governmental business, or for carrier or non-carrier operations, or for scheduled or non-scheduled operations or otherwise. Said term shall not mean the pilot of an aircraft unless he is also the owner or lessee thereof or a Person to whom it is chartered.

(c) "*Airport*" shall mean John F. Kennedy International Airport, consisting of certain premises identified as "John F. Kennedy International Airport" on Sheet JFK-1 of Exhibit A, and more particularly described in Exhibit B, annexed to the City Lease, and such other property as may be acquired in connection with and added to such premises pursuant to the terms of the City Lease.

(d) "*Approved Aircraft Operator*" shall mean an Aircraft Operator which the General Manager of the Airport has authorized to conduct its aircraft operations at the Airport and if such Aircraft Operator is subleasing or subusing space, or has a ground handling agreement or other agreement at the Airport with an Aircraft Operator, a lessee or other Person at the Airport which requires the consent of the Port Authority, each such subleasing, subuse, ground handling agreement or other agreement has been consented to in writing by the Port Authority.

(e) "*Basic Percentage Fee*" shall have the meaning given such term in Section 4(a)(i) hereof.

(f) "*Cargo Aircraft*" shall mean aircraft engaged solely and exclusively in the carriage of Air Cargo.

(g) "*Cargo Handling and Ramp Service*" shall mean all or any of the following services for or in connection with Air Cargo:

(i) representation and accommodation;

(ii) load control and communications;

(iii) unit load device control, handling and administration in connection with Cargo Aircraft;

(iv) flight operations and crew administration in connection with Cargo Aircraft, including but not limited to obtaining and providing meteorological reports, briefing and debriefing flight crews, preparing and filing flight plans, dispatching and receiving messages in connection with flight and ground operations, maintaining station logs and filing necessary reports with governmental agencies, preparing weight and balance plans, maintaining flight watch and arranging hotel accommodations for flight crews;

(v) pickup and delivery of Air Cargo, air express and mail to and from appropriate locations (allowed or designated from time to time by the Port Authority for such pickup and delivery) on the Airport;

(vi) preparation of documentation associated with Air Cargo, including but not limited to cargo manifests, airway bills and customs clearance documentation;

(vii) distribution of Air Cargo;

(viii) reception of Air Cargo to be shipped from the Airport;

(ix) temporary warehousing, sorting and storage of Air Cargo;

(x) supervision and administration;

(xi) courier services;

(xii) guiding Cargo Aircraft in and out of gate or loading or unloading positions and parking Cargo Aircraft;

(xiii) providing, positioning/removing, and operating appropriate units for engine starting for Cargo Aircraft;

(xiv) furnishing and placing in position and thereafter removing the necessary and appropriate steps, stands and power equipment for the safe and efficient loading and unloading of crew members and other persons, ballast, potable water, mail, air express, Air Cargo and supplies onto and from aircraft and trucks, and performing such loading and unloading and reporting irregularities;

(xv) providing a fire guard equipped with the necessary and appropriate fire fighting equipment for Cargo Aircraft;

(xvi) towing of Cargo Aircraft;

(xvii) ramp control tower services for Cargo Aircraft;

(xviii) Cargo Aircraft servicing, including interior and exterior cleaning, the removal and disposal of aircraft waste material and providing water service, cooling and heating, and toilet service;

(xix) conversion operations and services consisting of the removal of seats from convertible-type aircraft, so as to convert the same to Cargo Aircraft, and from Cargo Aircraft to Passenger Aircraft by the installation of seats;

(xx) ramp area cleaning;

(xxi) Gateside Aircraft Maintenance of Cargo Aircraft, it being specifically understood, however, that Routine and Non-routine Aircraft Maintenance, as distinguished from Gateside Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder;

(xxii) mobile fueling, on the Permittee's own account, for automotive and other ramp equipment using mobile tender vehicles or other equipment as may be approved from time to time by the General Manager of the Airport;

(xxiii) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport;

(xxiv) deicing to the exterior of aircraft of Approved Aircraft Operators at such locations on the Airport as may from time to time be designated by the General Manager of the Airport;

(xxv) triturator operations and maintenance;

(xxvi) snow removal; and

(xxvii) security services for and in connection with Air Cargo and Cargo Aircraft.

(h) "*City*" shall mean the City of New York.

(i) "*City Lease*" shall mean the Amended and Restated Agreement of Lease of the Municipal Air Terminals between The City of New York, as Landlord, and The Port Authority of New York and New Jersey, as Tenant, dated as of November 24, 2004 and recorded in the office of the City Register of the City on December 3, 2004 under City Register File No. 2004000748687, as the same may have been or may be amended or supplemented.

(j) "*Cleaning Service*" shall mean all or any of the following services:

(i) the cleaning, repairing and installing of upholstery, carpeting and curtains in aircraft and linens used on aircraft;

(ii) the complete interior and exterior cleaning of aircraft, the removal and disposal of waste material and providing water service, cooling and heating, and toilet service;

(iii) conversion operations and services consisting of the removal of seats from convertible-type aircraft so as to convert the same to Cargo Aircraft and from Cargo Aircraft to Passenger Aircraft by installation of seats;

(iv) ramp area cleaning services; and

(v) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport.

(k) "*Effective Date*" shall mean that date appearing in Item 6 on the first page of this Permit as the same may be modified pursuant to the provisions of Section 2(a) hereof.

(l) "*Environmental Requirement*" shall mean all common law and all past, present and future laws, statutes, enactments, resolutions, regulations, rules, directives, ordinances,

codes, licenses, permits, orders, memoranda of understanding and memoranda of agreement, guidances, approvals, plans, authorizations, concessions, franchises, requirements and similar items of all governmental agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof, all pollution prevention programs, "best management practices plans", and other programs adopted and agreements made by the Port Authority (whether adopted or made with or without consideration or with or without compulsion), with any government agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof, and all judicial, administrative, voluntary and regulatory decrees, judgments, orders and agreements relating to the protection of human health or the environment, and in the event that there shall be more than one compliance standard, the standard for any of the foregoing to be that which requires the lowest level of a Hazardous Substance, the foregoing to include without limitation:

(i) All requirements pertaining to reporting, licensing, permitting, investigation and remediation of emissions, discharges, releases or threatened releases of Hazardous Substances into the air, surface water, groundwater or land, or relating to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of Hazardous Substances, or the transfer of property on which Hazardous Substances exist; and

(ii) All requirements pertaining to the protection from Hazardous Substances of the health and safety of employees or the public.

(m) "*Executive Director*" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Executive Director of the Port Authority for the time being or his duly designated representative or representatives.

(n) "*Gateside Aircraft Maintenance*" shall mean such emergency transit and turnaround maintenance performed on the aircraft of an Aircraft Operator as may be performed in the time such aircraft is permitted to be and remain at the aircraft gate position or hardstand at which such maintenance is to be performed and which is performed by or required by law, rule or regulation to be performed by or under the supervision of a licensed aircraft mechanic or other person specifically licensed, certified or approved by governmental authority having jurisdiction, including the rental or equipment and tools in the connection therewith. It is specifically understood that the performance of any other aircraft maintenance, including but not limited to Routine and Non-routine Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder.

(o) "*General Manager of the Airport*" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in said General Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean said General Manager (or Acting General Manager) of the Airport for the time being or his duly designated representative or representatives.

(p) "*Gross Receipts*" shall mean all amounts, monies, revenues, receipts and income of every type paid or payable to the Permittee for sales made and for services rendered at or from the Airport, regardless of when or where the order therefor is received, and outside the Airport, if the order therefor is received at the Airport, and any other amounts, monies, revenues, receipts and income of any type arising out of or in connection with the Authorized Service, provided, however, there shall be excluded from Gross Receipts, any Terminal Four Gross Receipts and any taxes imposed by law which are separately stated to and paid by the customer and directly

payable to the taxing authority by the Permittee. The Permittee's Recovery Fee, as hereinafter defined, if any, shall be included within Gross Receipts and shall be subject to the fees set forth under Section 4 of this Permit.

(q) "*Hazardous Substance*" shall mean any pollutant, contaminant, toxic or hazardous waste, dangerous substance, potentially dangerous substance, noxious substance, toxic substance, flammable, explosive or radioactive material, urea formaldehyde foam insulation, asbestos, polychlorinated biphenyls (PCBs), chemicals known to cause cancer, endocrine disruption or reproductive toxicity, petroleum and petroleum products and substances declared to be hazardous or toxic or the removal, containment or restriction of which is required, or the manufacture, preparation, production, generation, use, maintenance, treatment, storage, transfer, handling or ownership of which is restricted, prohibited, regulated or penalized by any federal, state, county, or municipal or other local statute or law now or at any time hereafter in effect as amended or supplemented and by the regulations adopted and publications promulgated pursuant thereto.

(r) "*In-Terminal Handling Service*" shall mean all or any of the following services for or in connection with passengers of Passenger Aircraft:

(i) furnishing interpreters for the assistance of non-English-speaking passengers;

(ii) inbound and outbound passenger baggage handling services, including but not limited to checking, weighing, handling and storage of aircraft baggage;

(iii) selling of tickets for air transportation;

(iv) checking in and boarding aircraft passengers;

(v) porter service for passenger baggage;

(vi) passenger assistance, passenger information service, flight information and public address paging and announcements;

(vii) supervisory and administrative functions on behalf of Approved Aircraft Operators in conjunction with the Permittee's performance of the other activities constituting a part of the In-Terminal Handling Service;

(viii) the arrangement of ground transportation of crew, passengers and baggage;

(ix) handicapped services;

(x) security and pre-board screening;

(xi) building janitorial and maintenance; and

(xii) lounge hosting services.

(s) "*Passenger Aircraft*" shall mean aircraft owned or operated by an Approved Aircraft Operator engaged primarily in the transportation of passengers by aircraft to and from the Airport.

(t) "*Passenger Ramp Service*" shall mean all or any of the following services for or in connection with Passenger Aircraft:

(i) representation and accommodation;

(ii) load control and communications on ramp;

(iii) unit load device control, handling and administration;

(iv) baggage handling and sorting, including delivering baggage to and from Passenger Aircraft and to and from baggage facilities, provided, however, no permission is hereby given for the Permittee to deliver baggage from one terminal to another unless they are part of the same premises; sorting baggage in baggage makeup facilities; and delivering baggage to and from interline system permittees;

(v) guiding Passenger Aircraft in and out of gates or loading and unloading positions and parking Passenger Aircraft;

(vi) furnishing and placing in position and thereafter removing the necessary and appropriate steps, stands and power equipment for the safe and efficient loading and unloading of crew, passengers, baggage, ballast, potable water, mail, air express, Air Cargo and supplies from and onto Passenger Aircraft and trucks, and perform such loading and unloading and reporting irregularities;

(vii) deicing to the exterior of aircraft of Approved Aircraft Operators at such locations on the Airport as may from time to time be designated by the General Manager of the Airport;

(viii) providing, positioning/removing, and operating appropriate units for engine starting;

(ix) providing a fire guard equipped with the necessary and appropriate fire fighting equipment;

(x) towing of Passenger Aircraft;

(xi) ramp control tower services for Passenger Aircraft;

(xii) Passenger Aircraft servicing, including exterior and interior cleaning, the removal and disposal of aircraft waste material and providing water service, cooling and heating, toilet service, and rearranging cabin equipment;

(xiii) ramp area cleaning;

(xiv) mobile fueling on the Permittee's own account for automotive and other ramp equipment using mobile tender vehicles or other equipment as may be approved from time to time by the General Manager of the Airport;

(xv) Gateside Aircraft Maintenance of Passenger Aircraft, it being specifically understood, however, that Routine and Non-routine Aircraft Maintenance, as distinguished from Gateside Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder;

(xvi) flight operations and crew administration including but not limited to obtaining and providing meteorological reports, briefing and debriefing flight crews, preparing and filing flight plans, dispatching and receiving messages in connection with flight and ground operations, maintaining station logs and filing necessary reports with governmental agencies, preparing weight and balance plans, maintaining flight watch and arranging hotel accommodations for flight crews;

(xvii) ramp transportation for crew, passengers and baggage;

(xviii) supervisory and administrative functions on behalf of Approved Aircraft Operators of Passenger Aircraft;

(xix) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport, and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport;

(xx) catering liaison and administration;

(xxi) triturator operations and maintenance;

(xxii) snow removal; and

(xxiii) security services for passengers and baggage, cargo and mail, catering, and on aircraft, ramp and other designated areas.

(u) "*Permitted Areas*" shall mean with respect to the Authorized Service the following areas of the Airport and only such areas:

(i) those areas where the Permittee is authorized pursuant to a separate lease, permit or other written agreement (other than this Permit) with the Port Authority to provide such Authorized Service;

(ii) any area which pursuant to a written agreement the Port Authority has either leased to a third Person or has otherwise permitted a third Person to use and occupy and where (x) the Permittee performs such Authorized Service on such area for such Person or has obtained permission from such Person to perform such Authorized Service for an Approved Aircraft Operator on such area and (y) the performance of such Authorized Service for such Approved Aircraft Operator on such area is permitted by a written agreement with the Port Authority covering such area; or

(iii) such areas as may hereafter be designated in writing by the Port Authority for the performance of such privileges by the Permittee, it being understood and agreed that the Port Authority shall have the right at any time and from time to time to revoke, cancel, change or alter any such designation.

(v) "*Permittee's Recovery Fee*" shall mean any surcharge or other amount that the Permittee may separately state and charge its customers to recover the fee, or portion thereof, payable under this Permit.

(w) "*Person*" shall mean not only a natural person, corporation or other legal entity, but also two or more natural persons, corporations or other legal entities acting jointly as a firm, partnership, unincorporated association, consortium, joint adventurers or otherwise.

(x) "*Routine and Non-routine Aircraft Maintenance*" shall mean all work including but not limited to the inspection, maintenance, servicing, testing, overhaul, cleaning, conversion, repair and installation of parts and supplies on aircraft and on aircraft parts of Approved Aircraft Operators performed by or required by law, rule or regulation to be performed by or under the supervision of a licensed aircraft mechanic or other person specially licensed, certified or approved by governmental authority, including the rental of tools and equipment in connection therewith.

(y) "*Terminal Four*" shall mean the premises under the Terminal Four Lease commonly referred to on the Airport as "Terminal Four".

(z) "*Terminal Four Gross Receipts*" shall each mean and include all amounts, monies, revenues, receipts and income of every type paid or payable to the Permittee for sales made and for services rendered at Terminal Four, regardless of when or where the order therefor is received, and any other amounts, monies, revenues, receipts and income of any type arising out of or in connection with the Permittee's operations at Terminal Four, provided, however, there shall be excluded from Terminal Four Gross Receipts any taxes imposed by law which are separately stated to and paid by the customer and directly payable to the taxing authority by the Permittee.

(aa) "*Terminal Four Lease*" shall mean that certain agreement of lease bearing Port Authority Agreement No. AYC-685 entered into between the Port Authority and JFK International Air Terminal LLC on May 13, 1997.

(bb) "*Terminal Four Lessee*" shall mean for the time being JFK International Air Terminal LLC, a limited liability company organized and existing under the laws of the State of New York, or such other Person which the Port Authority may from time to time and at any time designate by notice to the Permittee.

(cc) "*Terminal Four Percentage Fee*" shall mean the fee payable to the Terminal Four Lessee pursuant to and as defined in Section 4(a)(i) hereof.

2. Effective Date, Termination and Revocation:

(a) The permission hereby granted shall take effect upon the Effective Date. Notwithstanding Item 6 appearing on the first page of this Permit, the Effective Date of this Permit shall be that date the Permittee commenced any of the activities permitted by this Permit. The Permittee in executing this Permit represents that the Effective Date appearing in Item 6 on the first page of this Permit is the date the Permittee commenced any of the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced any of the activities permitted by this Permit prior to said effective date, the Effective Date of this Permit shall be the date the Permittee commenced any of the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence on such date including without limitation the Permittee's indemnity obligations and obligations to pay fees.

(b) Notwithstanding any other term or condition hereof, the permission hereby granted may be revoked without cause upon thirty (30) days' written notice by the Port Authority, or terminated without cause upon thirty (30) days' written notice by the Permittee,

provided, however, that it may be revoked on twenty-four (24) hours' notice by the Port Authority if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth.

(c) In the event the Port Authority exercises it right to revoke this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation, including without limitation any and all personnel and legal costs (including but not limited to the cost to the Port Authority of in-house legal services) and disbursements incurred by it arising out of, relating to, or in connection with the enforcement or revocation of this Permit including, without limitation, legal proceedings initiated by the Port Authority to exercise its revocation rights and to collect all amounts due and owing to the Port Authority under this Permit.

(d) For the purposes of this Permit, a default by the Permittee in keeping, performing or observing any promise, obligation, term or agreement set forth herein on the part of the Permittee to be kept, performed or observed shall include the following whether or not the time has yet arrived for the keeping, performance or observance of any such promise, obligation, term or agreement:

(i) a statement by the Permittee to any representative of the Port Authority indicating that it cannot or will not keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit;

(ii) any act or omission of the Permittee or any other occurrence which makes it improbable at the time that it will be able to keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit; or

(iii) any suspension of or failure to proceed with any part of the privileges to be performed by the Permittee which makes it improbable at the time that it will be able to keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit.

(e) (i) If any type of strike, boycott, picketing, work stoppage, slowdown or other labor activity is directed against the Permittee at the Airport or against any operations of the Permittee under this Permit, whether or not the same is due to the fault of the Permittee and whether or not caused by the employees of the Permittee, and if any of the foregoing, in the opinion of the Port Authority, results or is likely to result in curtailment or diminution of the privileges to be performed hereunder by the Permittee or to interfere with or affect the operation of the Airport by the Port Authority or to interfere with or affect the operations of lessees, licensees, permittees or other users of the Airport, the Port Authority shall have the right at any time during the continuance thereof to suspend the operations of the Permittee under this Permit and/or to revoke this Permit.

(ii) In the event the Port Authority exercises its right to revoke this Permit, as aforesaid, it shall do so by twenty-four (24) hours' written notice to the Permittee, effective as of the time specified in the notice. The exercise by the Port Authority of its right of suspension shall not waive or affect or be deemed to waive or affect the right of revocation.

(iii) Prior to the exercise of the right of suspension by the Port Authority, it shall give the Permittee notice thereof, which notice may be oral. The Permittee shall not

perform its operations authorized by this Permit during the period of the suspension. The period of suspension shall end not more than twenty-four (24) hours after the cause thereof has ceased or been cured and the Permittee shall notify the Port Authority of such cessation or cure.

(iv) The rights of suspension and revocation as hereinbefore set forth may be exercised by the Port Authority prior to the Effective Date set forth in Item 6 on the first page of this Permit. No exercise by the Port Authority of its rights granted to it in paragraph (e) of this Section shall be deemed to be a waiver of any other rights of revocation contained in this Permit or a waiver of any other rights or remedies which may be available to the Port Authority under this Permit or otherwise.

(f) No revocation or termination of the permission hereunder shall relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

(g) No exercise by the Port Authority of any right of revocation granted to it in this Section shall be deemed to be a waiver of any other rights of revocation contained in this Section or elsewhere in this Permit or a waiver of any other rights or remedies which may be available to the Port Authority under this Permit or otherwise.

3. Exercise of Rights:

(a) The rights granted hereby shall be exercised

(i) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(ii) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(iii) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees,

(iv) if the Permittee is an individual, by the Permittee acting only personally or through the medium of its employees, and

(v) if the Permittee is a limited liability company, by the Permittee acting only through the medium of its members, managers, and employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other Person. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

(b) No greater rights or privileges are hereby granted to the Permittee than the Port Authority has power to grant under the City Lease.

(c) Neither this Permit nor anything contained herein, shall be deemed to grant any rights in the Permittee to use and occupy any land, building space or other area at the Airport or shall be deemed to have created any obligation on the part of the Port Authority to provide any such land, space or area to the Permittee.

(d) Neither the execution and delivery of this Permit nor any act done pursuant thereto shall create between any terminal operator, lessee or other occupant of land at the Airport including but not limited to the Terminal Four Lessee and the Permittee, on one hand, and the Port Authority on the other hand the relationship of bailor and bailee, or any other relationship or any legal status which would impose upon the Port Authority with respect to any personal property, such as but not limited to, aircraft cargo or baggage, owned and/or handled by the Permittee any duty or obligation whatsoever. The Permittee expressly agrees that the Port Authority shall have no liability with respect to any aircraft cargo or baggage or any other property of the Permittee or of any other Person left anywhere on the Airport.

(e) This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

(f) Nothing contained in this Permit shall constitute permission to the Permittee to park or store equipment or personal property at any location or area at the Airport.

(g) The Permittee shall have no right hereunder to carry on any business or operation at the Airport other than that specifically provided herein. Without limiting the generality of the foregoing and notwithstanding anything else in this Permit to the contrary, the Permittee is expressly prohibited hereunder from performing ground transportation, fueling of aircraft and the selling and delivery of in-flight meals.

(h) It is understood that any and all privileges granted hereunder to the Permittee are non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Airport to another or others, whether by this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute a violation or breach of the permission herein granted.

(i) The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Airport.

(j) The words "permission" and "privilege" are used interchangeably in this Permit, and except where expressly provided to the contrary, shall mean the privileges granted by this Permit.

4. Fees:

(a) (i) The Permittee agrees to pay to the Port Authority, at the times set forth in and in accordance with paragraph (a)(ii) below, a percentage fee (the "*Basic Percentage Fee*") equal to five percent (5%) (as the same may be increased pursuant to paragraph (k) below) of Gross Receipts and, if any privilege or portion thereof is performed at Terminal Four, to pay to the Terminal Four Lessee a percentage fee (hereinafter called the "Terminal Four Percentage Fee"), at the times set forth in and in accordance with paragraph (a)(iii) below, equal to five percent (5%), as the same may be increased pursuant to paragraph (k) below, of Terminal Four Gross Receipts.

(ii) Gross Receipts shall be reported and the Basic Percentage Fee shall be paid to the Port Authority by the Permittee as follows: On or before the twentieth (20th) day of the first month following the month in which the Effective Date falls and on the twentieth (20th) day of each and every calendar month thereafter during the period that this Permit is in effect and including the calendar month in which this Permit ceases to be in effect, the Permittee shall render to the Port Authority a monthly statement sworn to by a responsible executive or fiscal officer of the Permittee showing all of the Gross Receipts for the preceding month (the "Monthly Sworn Statement of Gross Receipts"). Each of the said statements shall also show the cumulative Gross Receipts from the Effective Date (or the most recent anniversary thereof) through the last day of the preceding month. At the same time each of the said statements is rendered to the Port Authority, the Permittee shall pay to the Port Authority an amount equal to five percent (5%) applied to the Gross Receipts for the preceding calendar month. In addition to the foregoing, on the twentieth (20th) day of the first month following each anniversary of the Effective Date the Permittee shall submit to the Port Authority a statement setting forth the cumulative totals of the Gross Receipts for the entire preceding twelve (12) month period certified, at the Permittee's expense, by a certified public accountant or a responsible executive or fiscal officer of the Permittee ("Annual Statement of Gross Receipts"). In addition to the foregoing, within twenty (20) days after the expiration, termination, revocation or cancellation of this Permit, the Permittee shall render to the Port Authority a sworn statement certified, at the Permittee's expense, by a certified public accountant of all Gross Receipts during the period from the last preceding anniversary of the Effective Date up to and including the last day this Permit shall be in effect and the Permittee shall, at the time of rendering such statement to the Port Authority, pay the Basic Percentage Fee due and unpaid as of the last day this Permit shall be in effect. The Permittee shall give the name and position of the responsible executive or fiscal officer designated under this paragraph to submit Monthly Sworn Statement and Annual Statement of Gross Receipts, ten (10) business days prior to the submission of the first such statement by the designee of the Permittee, so that the Port Authority may determine whether it will accept such designation. The designation shall be submitted to the Manager of Properties for the Airport. If such timely notice is not given to the Port Authority, the Permittee shall submit such statement to the Port Authority in a form executed by a certified public accountant.

(iii) Terminal Four Gross Receipts shall be reported and the Terminal Four Percentage Fee shall be paid to the Terminal Four Lessee by the Permittee as follows: On or before the twentieth (20th) day of the first month following the month in which the Effective Date falls and on the twentieth (20th) day of each and every calendar month thereafter during the period that the Permit is in effect and including the calendar month in which the Permit ceases to be in effect, the Permittee shall render to the Port Authority and the Terminal Four Lessee a monthly statement sworn to by a responsible executive or fiscal officer of the Permittee showing all of the Terminal Four Gross Receipts for the preceding month (the "Monthly Sworn Statement of Gross Receipts"). Each of the said statements shall also show the cumulative Terminal Four Gross Receipts from the Effective Date (or the most recent anniversary thereof) through the last day of the preceding month. At the same time each of the said statements is rendered to the Port Authority and the Terminal Four Lessee, the Permittee shall pay to the Terminal Four Lessee an amount equal to five percent (5%) applied to the Terminal Four Gross Receipts for the preceding calendar month. In addition to the foregoing, on the twentieth (20th) day of the first month following each anniversary of the Effective Date the Permittee shall submit to the Port Authority and the Terminal Four Lessee a statement setting forth the cumulative totals of the Terminal Four Gross Receipts for the entire preceding twelve (12) month period certified, at the Permittee's expense, by a certified public accountant or a responsible executive or fiscal officer of the Permittee ("Annual Statement of Gross Receipts"). In addition to the foregoing, within twenty (20) days after the expiration, termination, revocation or cancellation of the Permit, the Permittee shall render to the Port Authority and the Terminal Four Lessee a sworn statement certified, at the Permittee's expense, by a certified public accountant of the Permittee of all

Terminal Four Gross Receipts during the period from the last preceding anniversary of the Effective Date up to and including the last day the Permit shall be in effect and the Permittee shall, at the time of rendering such statement to the Terminal Four Lessee pay to the Terminal Four Lessee the Terminal Four Percentage Fee due and unpaid as of the last day the Permit shall be in effect. Each of the statements called for hereunder shall separately list and state the Terminal Four Gross Receipts and the applicable Terminal Four Percentage Fee payable thereon for each privilege (including without limitation each Authorized Service) provided by the Permittee hereunder at Terminal Four.

(b) (i) All statements to be submitted to the Port Authority pursuant to this Section and all payments made under this Permit, except for the Terminal Four Percentage Fee, shall be sent to the following address:

THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY
P.O. BOX 95000-1556
PHILADELPHIA, PENNSYLVANIA 19195-0001

or made via the following wire transfer instructions:

Bank: [redacted]
Bank ABA number: [redacted]
Account number:

or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

(ii) All statements to be submitted to the Terminal Four Lessee hereunder and the Terminal Four Percentage Fee shall be made to the Terminal Four Lessee at Terminal Four, John F. Kennedy International Airport, Room 2300, Jamaica, New York 11430 or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

(c) There shall be excluded from Gross Receipts and Terminal Four Gross Receipts any sum paid or payable to the Permittee for the following, provided said sum is separately stated to and paid by the customer:

(i) handicapped services;

(ii) security services;

(iii) lost and found baggage services;

(iv) snow removal services;

(v) ground transportation of employees; and

(vi) building janitorial and maintenance services,

provided further, however, the Permittee acknowledges and agrees that the Port Authority does and shall continue to have the right at any time and from time to time to withdraw the foregoing exclusions from Gross Receipts (and Terminal Four Gross Receipts), in whole or in part, or to establish a separate fee for each such service, which may be a percentage fee other than five percent (5%), upon sixty (60) days' prior written notice to the Permittee. Notwithstanding the

foregoing, any fee established must be agreed to by the Permittee and the Port Authority and must be reflected in a supplement to this Permit to be prepared by the Port Authority and executed by the parties hereto.

(d) In the event the Permittee shall be permitted hereunder to provide Gateside Aircraft Maintenance services or Routine and Non-routine Aircraft Maintenance services, there shall be excluded from Gross Receipts and Terminal Four Gross Receipts any sum paid or payable to the Permittee:

(i) which arise solely from the resale to a customer of aircraft parts and supplies purchased by the Permittee from a third party, provided, however, that there shall be included in Gross Receipts and Terminal Four Gross Receipts monies paid or payable to the Permittee which arise from the sale of such aircraft parts and supplies to which the Permittee has provided labor for fabrication, refinishing or assembly to the extent of the reasonable value of the labor provided by the Permittee;

(ii) which arise solely from the use of equipment rented by the Permittee from a third party which monies are separately stated to and paid by the customer, limited, however, to the amounts actually paid by the Permittee to the third party for such rental of equipment; and

(iii) which arise solely from the loan or rental by the Permittee of aircraft parts, whether or not owned by the Permittee, which monies are separately stated to and paid by a customer and where said loan or rental of any such aircraft part is for a period of less than twelve (12) consecutive calendar days, it being understood that such monies paid or payable to the Permittee for the loan or rental may include monies for labor provided by the Permittee for installation, refurbishment of returned parts or administrative handling which is directly related to said loan or rental provided, however, all monies paid or payable to the Permittee which arise solely from the loan or rental by the Permittee of aircraft parts, whether or not owned by the Permittee, for twelve (12) or more consecutive calendar days (including but not limited to monies for labor provided by the Permittee for installation, refurbishment of returned parts or administrative handling which is directly related to said lease or rental) shall be included in Gross Receipts from the first day of the loan or rental period, as the case may be.

(e) If and to the extent the full fair market value of any sale, service or other item provided by the Permittee is not charged to or payable by the customer, then the fair market value thereof as determined by the Port Authority shall be included in Gross Receipts and Terminal Four Gross Receipts.

(f) Without limiting any other provisions of this Permit regarding Gross Receipts and Terminal Four Gross Receipts, in those instances where the Permittee provides any services or goods along with other services and goods to the same Person (including without limitation those instances where a service is part of or is included within a group of other services and rendered for a single price, and where a service is performed by the Permittee pursuant to agreement for the exchange of services or goods) the Permittee agrees that the value ascribed to the performance of such service by the Permittee shall be the fair and reasonable value thereof as determined by the Port Authority.

(g) Without limiting the requirement for Port Authority approval, if the Permittee conducts any privilege or any portion thereof through the use of a contractor or other third party which is not a Port Authority permittee and where the payments for any of the foregoing are made to such contractor rather than to the Permittee, said payments shall be deemed amounts, monies, revenues, receipts and income paid or payable to the Permittee for purposes of determining the Permittee's Gross Receipts and Terminal Four Gross Receipts, provided,

however, that the foregoing shall not grant or be deemed to grant any right or permission to the Permittee to use an independent contractor or other third party to perform any privilege or portion thereof or the doing of anything hereunder by an independent contractor or other third party.

(h) Notwithstanding that the fee hereunder is measured by a percentage of Gross Receipts and Terminal Four Gross Receipts, no joint venture or partnership relationship between the parties hereto is created by this Permit.

(i) To the extent that the Permittee has not already done so at the time of execution of this Permit and without limiting the generality of any other term or provision hereof, the Permittee agrees to submit monthly statements of Gross Receipts and Terminal Four Gross Receipts as provided in this Section and to pay, at the time of execution and delivery of this Permit to the Port Authority, all fees and other amounts due under this Permit for the period from the Effective Date to the time of execution and delivery of this Permit by the Permittee.

(j) Without limiting any other provision of this Permit, it is hereby specifically understood that the failure to set forth all the classes of Persons, all of the locations served or all of the types of services or activities performed by the Permittee in its exercise of the privileges granted hereunder as of the Effective Date, or the failure to, by appropriate supplement, revise this Permit to reflect any additional classes of Persons, locations served, or services or activities performed by the Permittee subsequent to said Effective Date, shall not affect the inclusion in Gross Receipts or Terminal Four Gross Receipts hereunder of the amounts, monies, revenues, receipts and income received or receivable by the Permittee in its operations, and the same shall be so included. The foregoing shall not constitute Port Authority consent or be deemed to imply that the necessary Port Authority consent (to be reflected in a supplement to the Permit) with respect to such additional classes of Persons, locations, services or activities will be given.

(k) The Basic Percentage Fee, the Terminal Four Percentage Fee and any other fees payable under this Permit shall be subject to increase from time to time upon thirty (30) days' notice from the Port Authority to the Permittee, given by the General Manager of the Airport or such other representative as the Port Authority may substitute from time to time by notice to the Permittee, and upon the effective date of the increase set forth in such notice the fees payable by the Permittee under this Permit shall be as set forth in said notice. In the event within ten (10) days after the Permittee receives such notice from the Port Authority, the Permittee notifies the Port Authority that the Permittee does not wish to pay the increased fees, this Permit and the permission granted hereunder shall be, and shall be deemed to be, cancelled effective at the close of business on the day preceding the effective date of the increase, as set forth in the Port Authority's notice to the Permittee. If the Permittee does not so notify the Port Authority, the increased fees shall become effective on the date set forth in the Port Authority's notice as aforesaid. No cancellation of this Permit and the permission granted thereunder pursuant to this paragraph (k) shall be construed to relieve the Permittee of any obligations or liabilities hereunder which shall have accrued on or before the effective date of such cancellation.

(l) Without limiting any term or provision of this Permit, in the event the Permittee performs (x) any service, other than the Authorized Service at the Airport, or (y) any service (including the Authorized Service) at any other Port Authority facility, whether such performance is the subject of a written agreement by and between the Port Authority and the Permittee, the Permittee hereby agrees that it will pay to the Port Authority any and all fees and/or charges applicable to such service. The Permittee also agrees that, at the request of the Port Authority, it will enter into the appropriate agreement with the Port Authority providing permission for the Permittee to perform such service.

5. Security Deposit:

(a) (i) Provided that an amount is set forth in Item 8 on the first page of this Permit (the "*Required Security Deposit*"), and, provided, further, the amount of said Required Security Deposit is less than $20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deposit with the Port Authority (and shall keep deposited throughout the effective period of the permission under this Permit) the Required Security Deposit, either in cash, or bonds of the United States of America, or of the State of New Jersey, or of the State of New York, or of the Port Authority of New York and New Jersey, having a market value of that amount, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed. Bonds qualifying for deposit hereunder shall be in bearer form but if bonds of that issue were offered only in registered form, then the Permittee may deposit such bonds or bonds in registered form, provided, however, that the Port Authority shall be under no obligation to accept such deposit of a bond in registered form unless such bond has been re-registered in the name of the Port Authority (the expense of such re-registration to be borne by the Permittee) in a manner satisfactory to the Port Authority. The Permittee may request the Port Authority to accept a registered bond in the Permittee's name and if acceptable to the Port Authority the Permittee shall deposit such bond together with an irrevocable bond power (and such other instruments or other documents as the Port Authority may require) in form and substance satisfactory to the Port Authority. In the event the Required Security Deposit is returned to the Permittee, any expenses incurred by the Port Authority in re-registering a bond to the name of the Permittee shall be borne by the Permittee. In addition to any and all other remedies available to it, the Port Authority shall have the right, at its option, at any time and from time to time, with or without notice, to use the Required Security Deposit, or any part thereof, in whole or partial satisfaction of any of its claims or demands against the Permittee. There shall be no obligation on the Port Authority to exercise such right and neither the existence of such right nor the holding of the Required Security Deposit itself shall cure any default or breach of this Permit on the part of the Permittee. With respect to any bonds deposited by the Permittee, the Port Authority shall have the right, in order to satisfy any of its claims or demands against the Permittee, to sell the same in whole or in part, at any time, and from time to time, with or without prior notice at public or private sale, all as determined by the Port Authority, together with the right to purchase the same at such sale free of all claims, equities or rights of redemption of the Permittee. The Permittee hereby waives all right to participate therein and all right to prior notice or demand of the amount or amounts of the claims or demands of the Port Authority against the Permittee. The proceeds of every such sale shall be applied by the Port Authority first to the costs and expenses of the sale (including but not limited to advertising or commission expenses) and then to the amounts due the Port Authority from the Permittee. Any balance remaining shall be retained in cash toward bringing the Required Security Deposit to the sum specified in Item 8 on the first page of this Permit. In the event that the Port Authority shall at any time or times so use the Required Security Deposit, or any part thereof, or if bonds shall have been deposited and the market value thereof shall have declined below the amount set forth in Item 8 on the first page of this Permit, the Permittee shall, on demand of the Port Authority and within two (2) days thereafter, deposit with the Port Authority additional cash or bonds so as to maintain the Required Security Deposit at all times to the full amount above stated in Item 8 on the first page of this Permit, and such additional deposits shall be subject to all the conditions of this Section. After the expiration or earlier revocation or termination of the effective period of the permission under this Permit, and upon condition that the Permittee shall then be in no wise in default under any part of this Permit, and upon written request therefor by the Permittee, the Port Authority will return the Required Security Deposit to the Permittee less the amount of any and all unpaid claims and demands (including estimated damages) of the Port Authority by reason of any default or breach by the Permittee of this Permit or any part thereof. The Permittee agrees that it will not assign or

encumber the Required Security Deposit. The Permittee may collect or receive any interest or income earned on bonds and interest paid on cash deposited in interest-bearing bank accounts, less any part thereof or amount which the Port Authority is or may hereafter be entitled or authorized by law to retain or to charge in connection therewith, whether as or in lieu of an administrative expense, or custodial charge, or otherwise; provided, however, that the Port Authority shall not be obligated by this provision to place or to keep cash deposited hereunder in interest-bearing bank accounts.

(ii) In lieu of the Required Security Deposit made in the form described above in paragraph (a)(i), the Permittee may at any time during the effective period of the permission granted under this Permit offer to deliver to the Port Authority, as security for all obligations of the Permittee under this Permit, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District, in favor of the Port Authority in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent satisfactory letter. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by security in accordance with paragraph (a)(i) of this Section or another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security under paragraph (a)(i) of this Section. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the Required Security Deposit, if any, theretofore made under and in accordance with the provisions of paragraph (a)(i) of this Section. The Permittee shall have the same rights to receive such Required Security Deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the effective period of the permission granted under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount.

(b) Provided that a Required Security Deposit amount is set forth in Item 8 on the first page of this Permit, and, provided, further, the amount of said Required Security Deposit is equal to or greater than $20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of the Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority, and payable in the Port of New York District in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for

automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is an appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless the letter of credit is replaced by another letter of credit satisfactory to the Port Authority by a date not later than twenty (20) days prior to the effective date of cancellation, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee, upon demand by the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to the amount of the Required Security Deposit. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to be a waiver of any default by the Permittee under the terms of this Permit, and all remedies under this Permit and of the Port Authority consequent upon such default shall not be affected by the existence of a recourse to any such letter of credit.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, in its sole discretion at any time and from time to time upon sixty (60) days' notice to the Permittee, to adjust the amount of the Required Security Deposit. Not later than the effective date set forth in said notice by the Port Authority, the Permittee shall furnish additional cash or bonds, as provided for in paragraph (a) above, or an amendment to, or a replacement of, the letter of credit providing for such adjusted amount of the Required Security Deposit, as the case may be, and such additional cash and/or bonds or adjusted (or replaced) letter of credit shall thereafter constitute the Required Security Deposit required under this Section.

(d) If the Permittee is obligated by any other agreement to maintain a security deposit with the Port Authority to insure payment and performance by the Permittee of all fees, rentals, charges and obligations which may become due and owing to the Port Authority arising from the Permittee's operations at the Airport pursuant to any such other agreement or otherwise, then all such obligations under such other agreement and any deposit pursuant thereto also shall be deemed obligations of the Permittee under this Permit and as security hereunder as well as under any such other agreement and all provisions of such other agreement with respect to such obligations and any obligations thereunder of the Port Authority as to the security deposit are hereby incorporated herein by this reference as though fully set forth herein and hereby made a part hereof. The termination, revocation, cancellation or expiration of any other agreement to which such security shall apply or any permitted assignment of such other agreement shall not affect such obligations as to such security which shall continue in full force and effect hereunder.

6. Permittee's Operations:

(a) The Permittee shall provide to the Port Authority, upon request of the Port Authority from time to time, such information and data in connection with the permission granted hereunder as the Port Authority may request and shall, if so requested by the Port Authority, make periodic reports thereof to the Port Authority utilizing such forms as may be adopted by the Port Authority for such purpose.

(b) The Permittee shall daily remove from the Airport by means of facilities provided by it all garbage, debris and other waste material (whether solid or liquid) arising out of or in connection with the permission granted hereunder, and any such not immediately removed shall be temporarily stored in a clean and sanitary condition, in suitable garbage and waste receptacles, the same to be made of metal and equipped with tight-fitting covers, and to be of a design safely and properly to contain whatever material may be placed therein; said receptacles being provided and maintained by the Permittee. The receptacles shall be kept covered except when filling or emptying the same. The Permittee shall exercise extreme care in removing such garbage, debris and other waste materials from the Airport. The manner of such storage and removal shall be subject in all respects to the continual approval of the Port Authority. No facilities of the Port Authority shall be used for such removal unless with its prior consent in writing. No such garbage, debris or other waste materials shall be or be permitted to be thrown, discharged or disposed into or upon the waters at or bounding the Airport.

(c) The Permittee shall at all times that areas of the Airport are being used for the privileges permitted hereunder, maintain said areas in a clean and orderly condition and appearance. The Permittee shall promptly wipe up any oil, gasoline, grease, lubricants and other inflammable liquids and substances and any liquids and substances having a corrosive or detrimental effect on the paving or other surface of the ramps or other areas upon which it performs the privileges authorized by this Permit resulting from its operations hereunder. The Permittee shall repair, replace, repave or rebuild, or at the Port Authority's election, the Permittee shall pay to the Port Authority the cost to the Port Authority of repairing, replacing, repaving or rebuilding, all or any part of the ramps or other areas upon which it performs the privileges authorized by this Permit which may be damaged or destroyed by such oil, gasoline, grease, lubricants or other liquids or substances or by any other act or omission of the Permittee or its employees, agents or contractors except for reasonable wear and tear arising out of its operations thereon.

(d) A principal purpose of the Port Authority in granting the permission under this Permit is to have available at the Airport, the privileges which the Permittee is permitted to render hereunder. The Permittee agrees that it will conduct a first-class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor, and keep the same in a first-class operating condition at all times.

(e) The Permittee shall immediately comply with all orders, directives and procedures as may be issued by the General Manager of the Airport covering the operations of the Permittee under this Permit at any time and from time to time. The Port Authority may, at any time and from time to time, without prior notice or cause, withdraw or modify any designation, approval, substitution or redesignation given by it hereunder.

(f) In the event of any injury or death to any person (other than employees of the Permittee) at the Airport when caused by the Permittee's operations, or damage to any property (other than the Permittee's property) at the Airport when caused by the Permittee's operations, the Permittee shall immediately notify the Port Authority and promptly thereafter furnish to the Port Authority copies of all reports given to the Permittee's insurance carrier.

(g) The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Airport. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the General Manager of the Airport. The Port Authority shall have the right to object

to the Permittee as to the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

(h) The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations at the Airport.

7. Indemnity:

(a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third Persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee hereunder, or out of any of the acts or omissions of the Permittee, its officers, employees or Persons who are doing business with the Permittee arising out of or in connection with the activities permitted hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the Airport, including claims and demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) Without limiting any other term or provision hereof, the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

(c) Without limiting any other term or provision hereof, the Permittee shall indemnify the Port Authority and hold it harmless against all claims and demands of third Persons for damage to any aircraft cargo or baggage or any other property handled or delivered pursuant to the permission granted by this Permit.

(d) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand set forth in paragraphs (a), (b) and (c) above (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

8. Liability Insurance:

(a) The Permittee, in its own name as insured and including the Port Authority as an additional insured, shall maintain and pay the premiums during the effective period of the Permit on a policy or policies of Commercial General Liability Insurance, including premises-operations and products-completed operations and covering bodily-injury liability, including death, and property damage liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage in the minimum limit set forth in Item 9 on the first page of this Permit, and Commercial Automobile Liability Insurance covering owned, non-owned and hired vehicles and including automatic coverage for newly acquired vehicles and providing for

coverage in the minimum limit set forth in Item 9 on the first page of this Permit. Without limiting the foregoing, the Permittee shall maintain Workers' Compensation and Employers Liability Insurance in accordance with the Permittee's statutory obligations under the applicable State Workers' Compensation Law for those employees of the Permittee employed in operations conducted pursuant to this Permit at or from the Airport. In the event the Permittee maintains the foregoing insurance in limits greater than aforesaid, the Port Authority shall be included therein as an additional insured, except for the Workers' Compensation and Employers Liability Insurance policies, to the full extent of all such insurance in accordance with all terms and provisions of this Permit.

(b) Each policy of insurance, except for the Workers' Compensation and Employers Liability Insurance policies, shall also contain an ISO standard "separation of insureds" clause or a cross liability endorsement providing that the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority and any claim or action against the Port Authority by the Permittee, as if the Port Authority were the named insured thereunder, but such clause or endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured. Each policy of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Permittee under Section 7 of the Terms and Conditions of this Permit.

(c) All insurance coverages and policies required under this Section may be reviewed by the Port Authority for adequacy of terms, conditions and limits of coverage at any time and from time to time during the effective period of permission granted under this Permit. The Port Authority may, at any such time, require additions, deletions, amendments or modifications to the aforementioned insurance requirements, or may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem required and the Permittee shall promptly comply therewith.

(d) Each policy shall contain a provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' written advance notice thereof to the Port Authority. Each policy shall contain a provision or endorsement that the insurer "shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority." The foregoing provisions or endorsements shall be recited in each policy or certificate to be delivered pursuant to the following paragraph (e).

(e) A certified copy of each policy or a certificate or certificates of insurance evidencing the existence thereof, or binders, shall be delivered to the Port Authority upon execution and delivery of this Permit by the Permittee to the Port Authority. In the event any binder is delivered it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate of insurance. Any renewal policy shall be evidenced by a renewal certificate of insurance delivered to the Port Authority at least seven (7) days prior to the expiration of each expiring policy, except for any policy expiring after the date of expiration of this Permit. The aforesaid insurance shall be written by a company or companies approved by the Port Authority. If at any time any insurance policy shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policy shall be or become unsatisfactory to the Port Authority, the Permittee shall promptly obtain a new and satisfactory policy in

replacement. If the Port Authority at any time so requests, a certified copy of each policy shall be delivered to or made available for inspection by the Port Authority.

(f) The foregoing insurance requirements shall not in any way be construed as a limitation on the nature or extent of the contractual obligations assumed by the Permittee under this Permit. The foregoing insurance requirements shall not constitute a representation or warranty as to the adequacy of the required coverage to protect the Permittee with respect to the obligations imposed on the Permittee by this Permit or any other agreement or by law.

9. Special Endorsements:

The Permittee hereby agrees to the terms and conditions of the endorsements attached hereto, hereby made a part hereof and marked "*Special Endorsements*". The terms and provisions of the Special Endorsements shall have the same force and effect and as if herein set forth in full.

10. No Waiver:

No failure by the Port Authority or the Terminal Four Lessee to insist upon the strict performance of any agreement, term or condition of this Permit or to exercise any right or remedy consequent upon a breach or default thereof, and no extension, supplement or amendment of this Permit during or after a breach thereof, unless expressly stated to be a waiver, and no acceptance by the Port Authority or the Terminal Four Lessee of fees, charges or other payments in whole or in part after or during the continuance of any such breach or default, shall constitute a waiver of any such breach or default of such agreement, term or condition. No agreement, term or condition of this Permit to be performed or complied with by the Permittee, and no breach or default thereof, shall be waived, altered or modified except by a written instrument executed by the Port Authority. No waiver by the Port Authority of any default or breach on the part of the Permittee in performance of any agreement, term or condition of this Permit shall affect or alter this Permit but each and every agreement, term and condition thereof shall continue in full force and effect with respect to any other then existing or subsequent breach or default thereof.

11. Removal of Property:

The personal property placed or installed by the Permittee at the Airport shall remain the property of the Permittee and must be removed on or before the expiration, revocation, cancellation or termination of the permission hereby granted, whichever shall be earlier. Without limiting the terms and provisions of paragraph (g) of Section 18 hereof, any such property remaining at the Airport after the effective date of such expiration, revocation, cancellation or termination shall be deemed abandoned by the Permittee and may be removed and disposed of by the Port Authority in any manner it so determines in its sole discretion and all the proceeds of any removal or disposition shall be retained by the Port Authority for its account and all costs and expenses of such removal and disposition shall be paid to the Port Authority by the Permittee when billed.

12. Permittee's Representative:

The Permittee's representative specified in Item 3 on the first page of this Permit (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and any act or thing done or to be done hereunder, and to execute on the Permittee's behalf any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. Notices:

Except where expressly required or permitted herein to be oral, all notices, directions, requests, consents and approvals required to be given to or by either party or the Terminal Four Lessee shall be in writing, and all such notices given by the Port Authority or the Terminal Four Lessee to the Permittee shall be validly given if sent by registered or certified mail addressed to the Permittee at the address specified on the first page hereof or at the latest address that the Permittee may substitute therefor by notice to the Port Authority, or left at such address, or delivered to the Permittee's representative. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003 or at such other address as the Port Authority shall hereafter designate by notice to the Permittee. If mailed, the notices herein required to be given shall be deemed effective and given as of the date of the certified or registered mailing thereof.

14. Late Charges:

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority or the Terminal Four Lessee including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four (24) late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (15) (but not less than thirteen (13)) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority or the Terminal Four Lessee of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority or the Terminal Four Lessee to payment of any late charge or late charges payable under the provisions of this Section with respect to such unpaid amount. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority or the Terminal Four Lessee under this Permit, including without limitation the Port Authority's rights set forth in Section 2 of these Terms and Conditions, or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Section shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

15. Non-discrimination:

(a) Without limiting the generality of any of the provisions of this Permit, the Permittee, for itself, its successors in interest and assigns, as a part of the consideration hereof, does hereby agree that (1) no person on the grounds of race, creed, color, national origin or sex

shall be excluded from participation in, denied the benefits of, or be otherwise subject to discrimination in the use of any space at the Airport and the exercise of any privileges under this Permit, (2) that in the construction of any improvements on, over, or under any space at the Airport and the furnishing of any service thereon by the Permittee, no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination, (3) that the Permittee shall use any space at the Airport and exercise any privileges under this Permit in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended, and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which from time to time may be applicable to the Permittee's operations thereat, whether by reason of agreement between the Port Authority and the United States Government or otherwise.

(b) The Permittee shall include the provisions of paragraph (a) of this Section in every agreement or concession it may make pursuant to which any Person or Persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Section shall constitute a material breach of this Permit. Without limiting any other term or provision hereof or any other rights or remedies of the Port Authority hereunder or at law or equity, in the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) Without limiting any other term or provision hereof, the Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third Persons, including the United States of America, resulting from the Permittee's noncompliance with any of the provisions of this Section and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Section shall grant or shall be deemed to grant to the Permittee the right to transfer or assign this Permit, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on any space at the Airport, or any right to use or occupy any space at the Airport.

16. Affirmative Action:

The Permittee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Permittee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Permittee assures that it will require that its covered suborganizations provide assurances to the Permittee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

17. Rules and Regulations:

(a) The Permittee shall observe and obey (and compel its officers, employees, guests, invitees, and those doing business with it, to observe and obey) the rules and regulations and procedures of the Port Authority now in effect, and such further reasonable rules and regulations and procedures which may from time to time during the effective period of this Permit, be promulgated by the Port Authority for reasons of safety, health, preservation of property or maintenance of a good and orderly appearance of the Airport or for the safe and efficient operation of the Airport. The Port Authority agrees that, except in cases of emergency, it shall give notice to the Permittee of every rule and regulation hereafter adopted by it at least five (5) days before the Permittee shall be required to comply therewith.

(b) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the New York Board of Fire Underwriters and the New York Fire Insurance Exchange, and any other body or organization exercising similar functions which may pertain or apply to the Permittee's operations hereunder. If by reason of the Permittee's failure to comply with the provisions of this Section, any fire insurance, extended coverage or rental insurance rate on the Airport or any part thereof, or upon the contents of any building thereon, shall at any time be higher than it otherwise would be, then the Permittee shall on demand pay the Port Authority that part of all fire insurance premiums paid or payable by the Port Authority which shall have been charged because of such violation by the Permittee.

18. Prohibited Acts

(a) The Permittee shall not do or permit to be done any act which

(i) will invalidate or be in conflict with any fire insurance policies covering the Airport or any part thereof or upon the contents of any building thereon, or

(ii) will increase the rate of any fire insurance, extended coverage or rental insurance on the Airport or any part thereof or upon the contents of any building thereon, or

(iii) in the opinion of the Port Authority will constitute a hazardous condition, so as to increase the risks normally attendant upon the operations contemplated by this Permit, or

(iv) may cause or produce upon the Airport any unusual noxious or objectionable smokes, gases, vapors or odors, or

(v) may interfere with the effectiveness or accessibility of any drainage and sewerage system, water system, communications system, fire protection system, sprinkler system, alarm system, fire hydrant and hose, if any, installed or located or to be installed or located in or on the Airport, or

(vi) shall constitute a nuisance or injury in or on the Airport or which may result in the creation, commission or maintenance of a nuisance or injury in or on the Airport.

For the purpose of this paragraph (a), "Airport" includes all structures located thereon.

(b) The Permittee shall not dispose of, release or discharge nor permit anyone to dispose of, release or discharge any Hazardous Substance on the Airport except that the Permittee may release or discharge de-icing fluids utilized in the Permittee's ordinary course of business in the performance of any of the privileges granted hereunder so long as such release or

discharge is not a violation of the terms and conditions of Sections 17 or 19 hereof. In addition to and without limiting Section 19 hereof, any Hazardous Substance disposed of, released or discharged by the Permittee (or permitted by the Permittee to be disposed of, released or discharged) on the Airport shall upon notice by the Port Authority to the Permittee and subject to the provisions of Sections 17 and 19 hereof and to all Environmental Requirements, be completely removed and/or remediated by the Permittee at its sole cost and expense, provided, however, the forgoing shall not apply to releases and discharges which are in compliance with the terms and conditions of Sections 17 and 19 hereof of de-icing fluids utilized in the Permittee's ordinary course of business in the performance of any of the privileges granted hereunder and the obligation of the Permittee to remove and remediate such de-icing fluids shall be as required by the terms and conditions of Sections 17 and 19 hereof. The obligations of the Permittee pursuant to this paragraph shall survive the expiration, revocation, cancellation or termination of this Permit.

(c) The Permittee shall not dispose of nor permit anyone to dispose of any waste materials (whether liquid or solid) by means of any toilets, sanitary sewers or storm sewers.

(d) (i) The Permittee shall not employ any persons or use any labor, or use or have any equipment, or permit any condition to exist, which shall or may cause or be conducive to any labor complaints, troubles, disputes or controversies at the Airport which interfere or are likely to interfere with the operation of the Airport or any part thereof by the Port Authority or with the operations of the lessees, licensees, permittees or other users of the Airport or with the operations of the Permittee under this Permit.

(ii) The Permittee shall immediately give notice to the Port Authority (to be followed by written notice and reports) of any and all impending or existing labor complaints, troubles, disputes or controversies and the progress thereof. The Permittee shall use its best efforts to resolve any such complaints, troubles, disputes or controversies.

(iii) The Permittee acknowledges that it is familiar with the general and local conditions prevailing at the Airport and with the all pertinent matters and circumstances which may in any way affect performance of the privileges granted under this Permit.

(e) The Permittee shall not solicit business on the public areas of the Airport and the use, at any time, of hand or standard megaphones, loudspeakers or any electric, electronic or other amplifying device is hereby expressly prohibited.

(f) The Permittee shall not install any fixtures or make any alterations, additions, improvements or repairs to any property of the Port Authority except with the prior written approval of the Port Authority.

(g) No signs, posters or similar devices shall be erected, displayed or maintained at the Airport without the written approval of the General Manager of the Airport; and any not approved by such General Manager or not removed by the Permittee upon the termination, revocation, expiration or cancellation of this Permit may be removed by the Port Authority at the expense of the Permittee.

(h) The Permittee shall not operate any engine or any item of automotive equipment in any enclosed space at the Airport unless such space is adequately ventilated.

(i) The Permittee shall not use any cleaning materials having a harmful or corrosive effect on any part of the Airport.

(j) The Permittee shall not fuel or defuel any equipment in any enclosed space at the Airport without the prior approval of the General Manager of the Airport except in accordance with Port Authority rules and regulations.

(k) The Permittee shall not start or operate any engine or any item of automotive equipment in any enclosed space at the Airport unless such space is adequately ventilated and unless such engine is equipped with a proper spark-arresting device.

19. Law Compliance:

(a) The Permittee shall procure all licenses, certificates, permits or other authorization from all governmental authorities, if any, having jurisdiction over the Permittee's operations at the Airport which may be necessary for the Permittee's operations thereat.

(b) The Permittee shall pay all taxes, license, certification, permit and examination fees and excises which may be assessed, levied, exacted or imposed on its property or operations at the Airport or on the Gross Receipts, Terminal Four Gross Receipts or income therefrom, and shall make all applications, reports and returns required in connection therewith.

(c) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions which may pertain or apply to the Permittee's operations at the Airport.

(d) The Permittee's obligations to comply with governmental requirements are provided herein for the purpose of assuring proper safeguards for the protection of Persons and property at the Airport and are not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

(e) The Port Authority has agreed by a provision in the City Lease with the City covering the Airport to conform to the enactments, ordinances, resolutions and regulations of the City and of its various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable so to do. The Permittee shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

20. Trademarks and Patent Infringement:

The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit.

21. Inspection:

The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Airport or to be placed or brought on the Airport, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

22. Federal Aid:

(a) The Permittee shall

(i) furnish good, prompt and efficient service hereunder, adequate to meet all demands therefor at the Airport;

(ii) furnish said service on a fair, equal and non-discriminatory basis to all users thereof; and

(iii) charge fair, reasonable and non-discriminatory prices for each unit of sale or service, provided that the Permittee may make reasonable and non-discriminatory discounts, rebates or other similar types of price reductions to volume purchasers.

As used in the above subsections "service" shall include furnishing of parts, materials and supplies (including sale thereof).

(b) The Port Authority has applied for and received a grant or grants of money from the Administrator of the Federal Aviation Administration pursuant to the Airport and Airways Development Act of 1970, as the same has been amended and supplemented, and under prior federal statutes which said Act superseded and the Port Authority may in the future apply for and receive further such grants. In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. The performance by the Permittee of the promises and obligations contained in this Permit is therefore a special consideration and inducement to the issuance of this Permit by the Port Authority, and the Permittee further agrees that if the Administrator of the Federal Aviation Administration or any other governmental officer or body having jurisdiction over the enforcement of the obligations of the Port Authority in connection with Federal Airport Aid, shall make any orders, recommendations or suggestions respecting the performance by the Permittee of its obligations under this Permit, the Permittee will promptly comply therewith at the time or times, when and to the extent that the Port Authority may direct.

23. Capacity and Competition:

(a) The Permittee shall refrain from entering into continuing contracts or arrangements with any third Person for furnishing services covered hereunder when such contracts or arrangements will have the effect of utilizing to an unreasonable extent the Permittee's capacity for rendering such services. A reasonable amount of capacity shall be reserved by the Permittee for the purpose of rendering services hereunder to those who are not parties to continuing contracts with the Permittee.

(b) The Permittee shall not enter into any agreement or understanding, express or implied, binding or non-binding, with any other Person who may furnish services at the Airport similar to those furnished hereunder which will have the effect of (i) fixing rates and charges to be paid by users of the services; (ii) lessening or preventing competition between the Permittee and such other furnishers of services; or (iii) tending to create a monopoly on the Airport in connection with the furnishing of such services.

24. Business Development and Records:

(a) In connection with the exercise of the privileges granted hereunder, the Permittee shall:

(i) use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(ii) not divert or cause or allow to be diverted, any business from the Airport;

(iii) maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of the Permittee at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify the Authorized Service performed at Terminal Four, the Authorized Service performed at the Airport at any location other than Terminal Four and all other services performed at the Airport at any location other than Terminal Four, and;

(iv) cause any company which is owned or controlled by the Permittee, or any company which owns or controls the Permittee, if any such company performs services similar to those performed by the Permittee (any such company being hereinafter called an "*Affiliate*" and all such companies being hereinafter called the "*Affiliates*") to maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of each Affiliate at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify each activity (including without limitation the Authorized Service) performed at the Airport, the Authorized Service performed at Terminal Four and all other services performed at the airport at any location other than Terminal Four;

(v) permit and/or cause to be permitted in ordinary business hours during the effective period of this Permit, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Port Authority of all the records and books of account of the Permittee (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts and/or Terminal Four Gross Receipts and which the Terminal Four Lessee, in its sole discretion, believes may be relevant for identification, determination or calculation of Terminal Four Receipts, all agreements, and all source documents) and all the records and books of account of all Affiliates (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts and/or Terminal Four Gross Receipts and which the Terminal Four Lessee, in its sole discretion, believes may be relevant for identification, determination or calculation of Terminal Four Receipts, all agreements, and all source documents) (all of the foregoing records and books described in this paragraph (a)(v) being hereinafter collectively referred to as the "*Books and Records*") within ten (10) days following any request by the Port Authority from time to time and at any time to examine and audit any Books and Records;

(vi) if the Permittee has performed any privilege or portion thereof at Terminal Four, then permit and/or cause to be permitted in ordinary business hours during the effective period of the Permit, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Terminal Four Lessee of all Books and Records within ten (10) days following any request by the Terminal Four Lessee from time to time and at any time to examine and audit any Books and Records;

(vii) permit the inspection by the officers, employees and representatives of the Port Authority and the Terminal Four Lessee of any equipment used by the Permittee, including but not limited to the equipment described in paragraph (a)(viii) below; and

(viii) install and use such cash registers, sales slips, invoicing machines and any other equipment or devices, including without limitation computerized record keeping systems, for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of Gross Receipts and Terminal Four Gross Receipts, and without limiting the generality of the foregoing, for any privilege involving cash sales, install and use cash registers or other electronic cash control equipment that provides for non-resettable totals.

(b) Without implying any limitation on the right of the Port Authority to revoke this Permit for cause for breach of any term, condition or provision thereof, including but not limited to, breach of any term, condition or provision of paragraph (a) above, the Permittee understands that the full reporting and disclosure to the Port Authority of all Gross Receipts and Terminal Four Gross Receipts and to the Terminal Four Lessee of all Terminal Four Gross Receipts and the Permittee's compliance with all the provisions of paragraph (a) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under this Permit. In the event any Books and Records are maintained outside the Port of New York District or in the event of the failure of the Permittee to comply with all the provisions of paragraphs (a)(ii) through (a)(viii) above then, in addition to all, and without limiting any other, rights and remedies of the Port Authority and the Terminal Four Lessee under this Permit or otherwise and in addition to all of the Permittee's other obligations under this Permit:

(i) the Port Authority may estimate the Gross Receipts on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the fees based thereon shall be payable to the Port Authority when billed; and/or

(ii) the Port Authority or the Terminal Four Lessee may estimate the Terminal Four Gross Receipts on any basis that the Port Authority or the Terminal Four Lessee, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the fees based thereon shall be payable to the Terminal Four Lessee when billed; and/or

(iii) if any Books and Records are maintained outside of the Port of New York District, then the Port Authority in its sole discretion may (x) require on ten (10) days' notice to the Permittee that any such Books and Records be made available to the Port Authority within the Port of New York District for examination and audit pursuant to paragraph (a)(v) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(v) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority, for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Permittee shall pay to the Port Authority when billed all costs and expenses of the Port Authority, as determined by the Port Authority, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

(iv) if any Books and Records are maintained outside of the Port of New York District, then the Terminal Four Lessee in its sole discretion may (x) require on ten (10) days' notice to the Permittee that any such Books and Records be made available to the Terminal Four Lessee within the Port of New York District for examination and audit pursuant to paragraph (a)(vi) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(vi) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Permittee shall pay to the Terminal Four Lessee when billed all travel costs and related expenses, as determined by the Terminal Four Lessee, for Terminal Four Lessee auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Permittee shall pay to the Terminal Four Lessee when billed all costs and expenses of the Terminal Four Lessee, as determined by the Terminal Four Lessee, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Terminal Four Lessee for the purpose of conducting such audit and examination.

(c) In the event that upon conducting an examination and audit as described in this Section the Port Authority or the Terminal Four Lessee determines that unpaid amounts are due to the Port Authority or to the Terminal Four Lessee by the Permittee (the "*Audit Findings*"), the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority and/or the Terminal Four Lessee a service charge in the amount equal to five percent (5%) of the Audit Findings. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority or by the Terminal Four Lessee. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority or the Terminal Four Lessee by the Permittee under this Permit or otherwise. Such service charge shall not be payable if the Port Authority has received, for each month covered by the examination and audit period, the Monthly Sworn Statement of Gross

Receipts, as provided in Section 4(a)(ii) and 4(a)(iii). No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Section with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

(d) Without implying any limitation on the rights or remedies of the Port Authority under this Permit or otherwise including without limitation the right of the Port Authority to revoke this Permit for cause for breach of any term or provision of paragraphs (a)(iii) or (a)(iv) above and in addition thereto, in the event any of the Books and Records are not maintained in English, then this Permittee shall pay to the Port Authority when billed, all costs and expenses of the Port Authority, as determined by the Port Authority, to translate such Books and Records into English.

(e) The foregoing auditing costs, expenses and amounts of the Port Authority set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Permit payable to the Port Authority with the same force and effect as the Basic Percentage Fee and all other fees payable to the Port Authority hereunder and the foregoing auditing costs, expenses and amounts of the Terminal Four Lessee set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Permit payable to the Terminal Four Lessee with the same force and effect as the Terminal Four Percentage Fee and all other fees payable to the Terminal Four Lessee hereunder.

25. Rates and Charges:

The Permittee shall establish rates and discounts therefrom which are in compliance with Section 22 hereof (each such rate and discount is hereinafter called an "*Established Rate*"). Upon request by the Port Authority, the Permittee shall provide the Port Authority its rates and discounts therefrom for goods and services furnished hereunder. If the Permittee applies any rate in excess of the Established Rate therefor or extends a discount less than the Established Discount therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the Established Rate therefor or extends a discount which is in excess of the Established Rate therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an undercharge and an amount equivalent thereto shall be included in Gross Receipts and Terminal Four Gross Receipts hereunder and the Basic Percentage Fee and the Terminal Four Percentage Fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in Gross Receipts or Terminal Four Gross Receipts any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon such breach which would otherwise be available to it at law, in equity or by reason of this Permit.

26. Other Agreements:

In the event the terms and provisions of any agreement entered into by the Permittee with any third Person in connection with the privileges granted hereunder are contrary to or conflict or

are inconsistent with the terms and provisions of this Permit, the terms and provisions of this Permit shall be controlling, effective and determinative.

27. City Lease Provisions:

(a) The Permittee acknowledges that it has received a copy of, and is familiar with the contents of, the City Lease. The Permittee acknowledges that no greater rights or privileges are hereby granted to the Permittee than the Port Authority has the power to grant under the City Lease.

(b) In accordance with the provisions of the City Lease, the Port Authority and the Permittee hereby agree as follows:

(i) This Permit is subject and subordinate to the City Lease and to any interest superior to that of the Port Authority;

(ii) The Permittee shall not pay the fees or other sums under this Permit for more than one (1) month in advance (excluding security or other deposits required under this Permit);

(iii) With respect to this Permit, the Permittee on the termination of the City Lease will, at the option of the City, enter into a direct permit on identical terms with the City;

(iv) The Permittee shall indemnify the City, as third party beneficiary hereunder, with respect to all matters described in Section 31 of the City Lease that arise out of the Permittee's operations at the Airport, or arise out of the acts or omissions of the Permittee's officers, employees, agents, representatives, contractors, customers, business visitors and guests at the Airport with the Permittee's consent;

(v) The Permittee shall not use any portion of the Airport for any use other than as permitted under the City Lease;

(vi) The Permittee shall use the Airport in a manner consistent with the Port Authority's obligations under Section 28 of the City Lease;

(vii) The failure of the Permittee to comply with the foregoing provisions shall be an event of default under this Permit, which shall provide the Port Authority with the right to revoke this Permit and exercise any other rights that the Port Authority may have as the grantor of the permission hereunder; and

(viii) The City shall be named as an additional insured or loss payee, as applicable, under each policy of insurance procured by the Permittee pursuant to this Permit.

28. Counterclaims:

The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts, which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

29. Continued Exercise of Privilege After Expiration, Revocation or Termination:

(a) The Permittee acknowledges that the failure of the Permittee to cease to perform the Authorized Service at the Airport from the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss, and the Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss. The Permittee acknowledges that the Port Authority reserves all its legal and equitable rights and remedies in the event of such failure by the Permittee to cease performance of the Authorized Service.

(b) The Permittee hereby acknowledges and agrees that, subject to the foregoing, all terms and provisions of this Permit shall be and continue in full force and effect during any period following such expiration, revocation or termination. The term "Post-Termination Period", for purposes of this Permit, shall mean any period following the expiration, revocation or termination of the effective period of the permission granted under this Permit, as such effective period of permission may be extended from time to time.

30. Governing Law:

This agreement and any claim, dispute or controversy arising out of, under or related to this agreement shall be governed by, interpreted and construed in accordance with the laws of the State of New York, without regard to choice of law principles.

31. Miscellaneous:

(a) It is understood and agreed that the Port Authority shall not furnish, sell or supply to the Permittee any services or utilities in connection with this Permit.

(b) No Commissioner, Director, officer, agent or employee of either party shall be charged personally by the other party with any liability, or held liable to the other party, under any term or provision of this Permit, or because of the party's execution or attempted execution, or because of any breach thereof.

(c) The Section and paragraph headings, if any, in this Permit are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope or intent of any provision hereof.

(d) This Permit, including the attached Special Endorsements, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof. This Permit may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee or except by notice as specifically set forth in Sections 4 and 13 hereof. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

DTO

SPECIAL ENDORSEMENTS

1. (a) The Port Authority hereby consents to the Permittee providing the Authorized Service to Approved Aircraft Operators and/or Person at the Airport.

(b) (i) In the event the Permittee shall desire to provide the Authorized Service to another Approved Aircraft Operator or Person at the Airport, the Permittee shall submit such request in writing to the Port Authority. The Permittee may perform the Authorized Service for other Approved Aircraft Operators or Persons at the Airport only after receiving the written consent of the Port Authority.

(ii) The Permittee hereby agrees that it will not carry on any business at the Airport other than as specifically provided herein without receiving the prior written consent of the Port Authority, which consent, if given, will be in the form of a Supplement hereto or a separate agreement with the Port Authority, and will specify whether the provisions regarding fees contained herein or any other provisions regarding fees shall apply thereto.

2. The Permittee hereby attests that its federal taxpayer identification number is [redacted].

For the Port Authority

TERMS AND CONDITIONS

1. Definitions:

The following terms, when and if used in this Permit, shall have the respective meanings given below:

(a) "*Air Cargo*" shall mean cargo transported to or from the Airport by aircraft owned or operated by an Approved Aircraft Operator.

(b) "*Aircraft Operator*" shall mean (a) a Person owning one or more aircraft which are not leased or chartered to any other Person for operation, and (b) a Person to whom one or more aircraft are leased or chartered for operation - whether the aircraft so owned, leased or chartered are military or non-military, or are used for private business, pleasure or governmental business, or for carrier or non-carrier operations, or for scheduled or non-scheduled operations or otherwise. Said term shall not mean the pilot of an aircraft unless he is also the owner or lessee thereof or a Person to whom it is chartered.

(c) "*Airport*" shall mean John F. Kennedy International Airport, consisting of certain premises identified as "John F. Kennedy International Airport" on Sheet JFK-1 of Exhibit A, and more particularly described in Exhibit B, annexed to the City Lease, and such other property as may be acquired in connection with and added to such premises pursuant to the terms of the City Lease.

(d) "*Approved Aircraft Operator*" shall mean an Aircraft Operator which the General Manager of the Airport has authorized to conduct its aircraft operations at the Airport and if such Aircraft Operator is subleasing or subusing space, or has a ground handling agreement or other agreement at the Airport with an Aircraft Operator, a lessee or other Person at the Airport which requires the consent of the Port Authority, each such subleasing, subuse, ground handling agreement or other agreement has been consented to in writing by the Port Authority.

(e) "*Basic Percentage Fee*" shall have the meaning given such term in Section 4(a)(i) hereof.

(f) "*Cargo Aircraft*" shall mean aircraft engaged solely and exclusively in the carriage of Air Cargo.

(g) "*Cargo Handling and Ramp Service*" shall mean all or any of the following services for or in connection with Air Cargo:

(i) representation and accommodation;

(ii) load control and communications;

(iii) unit load device control, handling and administration in connection with Cargo Aircraft;

(iv) flight operations and crew administration in connection with Cargo Aircraft, including but not limited to obtaining and providing meteorological reports, briefing and debriefing flight crews, preparing and filing flight plans, dispatching and receiving messages in connection with flight and ground operations, maintaining station logs and filing necessary reports with governmental agencies, preparing weight and balance plans, maintaining flight watch and arranging hotel accommodations for flight crews;

(v) pickup and delivery of Air Cargo, air express and mail to and from appropriate locations (allowed or designated from time to time by the Port Authority for such pickup and delivery) on the Airport;

(vi) preparation of documentation associated with Air Cargo, including but not limited to cargo manifests, airway bills and customs clearance documentation;

(vii) distribution of Air Cargo;

(viii) reception of Air Cargo to be shipped from the Airport;

(ix) temporary warehousing, sorting and storage of Air Cargo;

(x) supervision and administration;

(xi) courier services;

(xii) guiding Cargo Aircraft in and out of gate or loading or unloading positions and parking Cargo Aircraft;

(xiii) providing, positioning/removing, and operating appropriate units for engine starting for Cargo Aircraft;

(xiv) furnishing and placing in position and thereafter removing the necessary and appropriate steps, stands and power equipment for the safe and efficient loading and unloading of crew members and other persons, ballast, potable water, mail, air express, Air Cargo and supplies onto and from aircraft and trucks, and performing such loading and unloading and reporting irregularities;

(xv) providing a fire guard equipped with the necessary and appropriate fire fighting equipment for Cargo Aircraft;

(xvi) towing of Cargo Aircraft;

(xvii) ramp control tower services for Cargo Aircraft;

(xviii) Cargo Aircraft servicing, including interior and exterior cleaning, the removal and disposal of aircraft waste material and providing water service, cooling and heating, and toilet service;

(xix) conversion operations and services consisting of the removal of seats from convertible-type aircraft, so as to convert the same to Cargo Aircraft, and from Cargo Aircraft to Passenger Aircraft by the installation of seats;

(xx) ramp area cleaning;

(xxi) Gateside Aircraft Maintenance of Cargo Aircraft, it being specifically understood, however, that Routine and Non-routine Aircraft Maintenance, as distinguished from Gateside Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder;

(xxii) mobile fueling, on the Permittee's own account, for automotive and other ramp equipment using mobile tender vehicles or other equipment as may be approved from time to time by the General Manager of the Airport;

(xxiii) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport;

(xxiv) deicing to the exterior of aircraft of Approved Aircraft Operators at such locations on the Airport as may from time to time be designated by the General Manager of the Airport;

(xxv) triturator operations and maintenance;

(xxvi) snow removal; and

(xxvii) security services for and in connection with Air Cargo and Cargo Aircraft.

(h) "*City*" shall mean the City of New York.

(i) "*City Lease*" shall mean the Amended and Restated Agreement of Lease of the Municipal Air Terminals between The City of New York, as Landlord, and The Port Authority of New York and New Jersey, as Tenant, dated as of November 24, 2004 and recorded in the office of the City Register of the City on December 3, 2004 under City Register File No. 2004000748687, as the same may have been or may be amended or supplemented.

(j) "*Cleaning Service*" shall mean all or any of the following services:

(i) the cleaning, repairing and installing of upholstery, carpeting and curtains in aircraft and linens used on aircraft;

(ii) the complete interior and exterior cleaning of aircraft, the removal and disposal of waste material and providing water service, cooling and heating, and toilet service;

(iii) conversion operations and services consisting of the removal of seats from convertible-type aircraft so as to convert the same to Cargo Aircraft and from Cargo Aircraft to Passenger Aircraft by installation of seats;

(iv) ramp area cleaning services; and

(v) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport.

(k) "*Effective Date*" shall mean that date appearing in Item 6 on the first page of this Permit as the same may be modified pursuant to the provisions of Section 2(a) hereof.

(l) "*Environmental Requirement*" shall mean all common law and all past, present and future laws, statutes, enactments, resolutions, regulations, rules, directives, ordinances,

codes, licenses, permits, orders, memoranda of understanding and memoranda of agreement, guidances, approvals, plans, authorizations, concessions, franchises, requirements and similar items of all governmental agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof, all pollution prevention programs, "best management practices plans", and other programs adopted and agreements made by the Port Authority (whether adopted or made with or without consideration or with or without compulsion), with any government agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof, and all judicial, administrative, voluntary and regulatory decrees, judgments, orders and agreements relating to the protection of human health or the environment, and in the event that there shall be more than one compliance standard, the standard for any of the foregoing to be that which requires the lowest level of a Hazardous Substance, the foregoing to include without limitation:

(i) All requirements pertaining to reporting, licensing, permitting, investigation and remediation of emissions, discharges, releases or threatened releases of Hazardous Substances into the air, surface water, groundwater or land, or relating to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of Hazardous Substances, or the transfer of property on which Hazardous Substances exist; and

(ii) All requirements pertaining to the protection from Hazardous Substances of the health and safety of employees or the public.

(m) "*Executive Director*" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Executive Director of the Port Authority for the time being or his duly designated representative or representatives.

(n) "*Gateside Aircraft Maintenance*" shall mean such emergency transit and turnaround maintenance performed on the aircraft of an Aircraft Operator as may be performed in the time such aircraft is permitted to be and remain at the aircraft gate position or hardstand at which such maintenance is to be performed and which is performed by or required by law, rule or regulation to be performed by or under the supervision of a licensed aircraft mechanic or other person specifically licensed, certified or approved by governmental authority having jurisdiction, including the rental or equipment and tools in the connection therewith. It is specifically understood that the performance of any other aircraft maintenance, including but not limited to Routine and Non-routine Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder.

(o) "*General Manager of the Airport*" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in said General Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean said General Manager (or Acting General Manager) of the Airport for the time being or his duly designated representative or representatives.

(p) "*Gross Receipts*" shall mean all amounts, monies, revenues, receipts and income of every type paid or payable to the Permittee for sales made and for services rendered at or from the Airport, regardless of when or where the order therefor is received, and outside the Airport, if the order therefor is received at the Airport, and any other amounts, monies, revenues, receipts and income of any type arising out of or in connection with the Authorized Service, provided, however, there shall be excluded from Gross Receipts, any Terminal Four Gross Receipts and any taxes imposed by law which are separately stated to and paid by the customer and directly

payable to the taxing authority by the Permittee. The Permittee's Recovery Fee, as hereinafter defined, if any, shall be included within Gross Receipts and shall be subject to the fees set forth under Section 4 of this Permit.

(q) "*Hazardous Substance*" shall mean any pollutant, contaminant, toxic or hazardous waste, dangerous substance, potentially dangerous substance, noxious substance, toxic substance, flammable, explosive or radioactive material, urea formaldehyde foam insulation, asbestos, polychlorinated biphenyls (PCBs), chemicals known to cause cancer, endocrine disruption or reproductive toxicity, petroleum and petroleum products and substances declared to be hazardous or toxic or the removal, containment or restriction of which is required, or the manufacture, preparation, production, generation, use, maintenance, treatment, storage, transfer, handling or ownership of which is restricted, prohibited, regulated or penalized by any federal, state, county, or municipal or other local statute or law now or at any time hereafter in effect as amended or supplemented and by the regulations adopted and publications promulgated pursuant thereto.

(r) "*In-Terminal Handling Service*" shall mean all or any of the following services for or in connection with passengers of Passenger Aircraft:

(i) furnishing interpreters for the assistance of non-English-speaking passengers;

(ii) inbound and outbound passenger baggage handling services, including but not limited to checking, weighing, handling and storage of aircraft baggage;

(iii) selling of tickets for air transportation;

(iv) checking in and boarding aircraft passengers;

(v) porter service for passenger baggage;

(vi) passenger assistance, passenger information service, flight information and public address paging and announcements;

(vii) supervisory and administrative functions on behalf of Approved Aircraft Operators in conjunction with the Permittee's performance of the other activities constituting a part of the In-Terminal Handling Service;

(viii) the arrangement of ground transportation of crew, passengers and baggage;

(ix) handicapped services;

(x) security and pre-board screening;

(xi) building janitorial and maintenance; and

(xii) lounge hosting services.

(s) "*Passenger Aircraft*" shall mean aircraft owned or operated by an Approved Aircraft Operator engaged primarily in the transportation of passengers by aircraft to and from the Airport.

(t) "*Passenger Ramp Service*" shall mean all or any of the following services for or in connection with Passenger Aircraft:

(i) representation and accommodation;

(ii) load control and communications on ramp;

(iii) unit load device control, handling and administration;

(iv) baggage handling and sorting, including delivering baggage to and from Passenger Aircraft and to and from baggage facilities, provided, however, no permission is hereby given for the Permittee to deliver baggage from one terminal to another unless they are part of the same premises; sorting baggage in baggage makeup facilities; and delivering baggage to and from interline system permittees;

(v) guiding Passenger Aircraft in and out of gates or loading and unloading positions and parking Passenger Aircraft;

(vi) furnishing and placing in position and thereafter removing the necessary and appropriate steps, stands and power equipment for the safe and efficient loading and unloading of crew, passengers, baggage, ballast, potable water, mail, air express, Air Cargo and supplies from and onto Passenger Aircraft and trucks, and perform such loading and unloading and reporting irregularities;

(vii) deicing to the exterior of aircraft of Approved Aircraft Operators at such locations on the Airport as may from time to time be designated by the General Manager of the Airport;

(viii) providing, positioning/removing, and operating appropriate units for engine starting;

(ix) providing a fire guard equipped with the necessary and appropriate fire fighting equipment;

(x) towing of Passenger Aircraft;

(xi) ramp control tower services for Passenger Aircraft;

(xii) Passenger Aircraft servicing, including exterior and interior cleaning, the removal and disposal of aircraft waste material and providing water service, cooling and heating, toilet service, and rearranging cabin equipment;

(xiii) ramp area cleaning;

(xiv) mobile fueling on the Permittee's own account for automotive and other ramp equipment using mobile tender vehicles or other equipment as may be approved from time to time by the General Manager of the Airport;

(xv) Gateside Aircraft Maintenance of Passenger Aircraft, it being specifically understood, however, that Routine and Non-routine Aircraft Maintenance, as distinguished from Gateside Aircraft Maintenance, is hereby prohibited unless expressly provided for hereunder;

(xvi) flight operations and crew administration including but not limited to obtaining and providing meteorological reports, briefing and debriefing flight crews, preparing and filing flight plans, dispatching and receiving messages in connection with flight and ground operations, maintaining station logs and filing necessary reports with governmental agencies, preparing weight and balance plans, maintaining flight watch and arranging hotel accommodations for flight crews;

(xvii) ramp transportation for crew, passengers and baggage;

(xviii) supervisory and administrative functions on behalf of Approved Aircraft Operators of Passenger Aircraft;

(xix) the rental, on the Permittee's own account, of ground service equipment, vehicles and parts and of ramp equipment, vehicles and parts to Approved Aircraft Operators at the Airport, and the provision, on the Permittee's own account, of a maintenance and/or management service for ground service equipment, vehicles and parts and ramp equipment, vehicles and parts owned or operated by Approved Aircraft Operators at the Airport;

(xx) catering liaison and administration;

(xxi) triturator operations and maintenance;

(xxii) snow removal; and

(xxiii) security services for passengers and baggage, cargo and mail, catering, and on aircraft, ramp and other designated areas.

(u) "*Permitted Areas*" shall mean with respect to the Authorized Service the following areas of the Airport and only such areas:

(i) those areas where the Permittee is authorized pursuant to a separate lease, permit or other written agreement (other than this Permit) with the Port Authority to provide such Authorized Service;

(ii) any area which pursuant to a written agreement the Port Authority has either leased to a third Person or has otherwise permitted a third Person to use and occupy and where (x) the Permittee performs such Authorized Service on such area for such Person or has obtained permission from such Person to perform such Authorized Service for an Approved Aircraft Operator on such area and (y) the performance of such Authorized Service for such Approved Aircraft Operator on such area is permitted by a written agreement with the Port Authority covering such area; or

(iii) such areas as may hereafter be designated in writing by the Port Authority for the performance of such privileges by the Permittee, it being understood and agreed that the Port Authority shall have the right at any time and from time to time to revoke, cancel, change or alter any such designation.

(v) "*Permittee's Recovery Fee*" shall mean any surcharge or other amount that the Permittee may separately state and charge its customers to recover the fee, or portion thereof, payable under this Permit.

(w) "*Person*" shall mean not only a natural person, corporation or other legal entity, but also two or more natural persons, corporations or other legal entities acting jointly as a firm, partnership, unincorporated association, consortium, joint adventurers or otherwise.

(x) "*Routine and Non-routine Aircraft Maintenance*" shall mean all work including but not limited to the inspection, maintenance, servicing, testing, overhaul, cleaning, conversion, repair and installation of parts and supplies on aircraft and on aircraft parts of Approved Aircraft Operators performed by or required by law, rule or regulation to be performed by or under the supervision of a licensed aircraft mechanic or other person specially licensed, certified or approved by governmental authority, including the rental of tools and equipment in connection therewith.

(y) "*Terminal Four*" shall mean the premises under the Terminal Four Lease commonly referred to on the Airport as "Terminal Four".

(z) "*Terminal Four Gross Receipts*" shall each mean and include all amounts, monies, revenues, receipts and income of every type paid or payable to the Permittee for sales made and for services rendered at Terminal Four, regardless of when or where the order therefor is received, and any other amounts, monies, revenues, receipts and income of any type arising out of or in connection with the Permittee's operations at Terminal Four, provided, however, there shall be excluded from Terminal Four Gross Receipts any taxes imposed by law which are separately stated to and paid by the customer and directly payable to the taxing authority by the Permittee.

(aa) "*Terminal Four Lease*" shall mean that certain agreement of lease bearing Port Authority Agreement No. AYC-685 entered into between the Port Authority and JFK International Air Terminal LLC on May 13, 1997.

(bb) "*Terminal Four Lessee*" shall mean for the time being JFK International Air Terminal LLC, a limited liability company organized and existing under the laws of the State of New York, or such other Person which the Port Authority may from time to time and at any time designate by notice to the Permittee.

(cc) "*Terminal Four Percentage Fee*" shall mean the fee payable to the Terminal Four Lessee pursuant to and as defined in Section 4(a)(i) hereof.

2. Effective Date, Termination and Revocation:

(a) The permission hereby granted shall take effect upon the Effective Date. Notwithstanding Item 6 appearing on the first page of this Permit, the Effective Date of this Permit shall be that date the Permittee commenced any of the activities permitted by this Permit. The Permittee in executing this Permit represents that the Effective Date appearing in Item 6 on the first page of this Permit is the date the Permittee commenced any of the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced any of the activities permitted by this Permit prior to said effective date, the Effective Date of this Permit shall be the date the Permittee commenced any of the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence on such date including without limitation the Permittee's indemnity obligations and obligations to pay fees.

(b) Notwithstanding any other term or condition hereof, the permission hereby granted may be revoked without cause upon thirty (30) days' written notice by the Port Authority, or terminated without cause upon thirty (30) days' written notice by the Permittee,

provided, however, that it may be revoked on twenty-four (24) hours' notice by the Port Authority if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth.

(c) In the event the Port Authority exercises it right to revoke this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation, including without limitation any and all personnel and legal costs (including but not limited to the cost to the Port Authority of in-house legal services) and disbursements incurred by it arising out of, relating to, or in connection with the enforcement or revocation of this Permit including, without limitation, legal proceedings initiated by the Port Authority to exercise its revocation rights and to collect all amounts due and owing to the Port Authority under this Permit.

(d) For the purposes of this Permit, a default by the Permittee in keeping, performing or observing any promise, obligation, term or agreement set forth herein on the part of the Permittee to be kept, performed or observed shall include the following whether or not the time has yet arrived for the keeping, performance or observance of any such promise, obligation, term or agreement:

(i) a statement by the Permittee to any representative of the Port Authority indicating that it cannot or will not keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit;

(ii) any act or omission of the Permittee or any other occurrence which makes it improbable at the time that it will be able to keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit; or

(iii) any suspension of or failure to proceed with any part of the privileges to be performed by the Permittee which makes it improbable at the time that it will be able to keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit.

(e) (i) If any type of strike, boycott, picketing, work stoppage, slowdown or other labor activity is directed against the Permittee at the Airport or against any operations of the Permittee under this Permit, whether or not the same is due to the fault of the Permittee and whether or not caused by the employees of the Permittee, and if any of the foregoing, in the opinion of the Port Authority, results or is likely to result in curtailment or diminution of the privileges to be performed hereunder by the Permittee or to interfere with or affect the operation of the Airport by the Port Authority or to interfere with or affect the operations of lessees, licensees, permittees or other users of the Airport, the Port Authority shall have the right at any time during the continuance thereof to suspend the operations of the Permittee under this Permit and/or to revoke this Permit.

(ii) In the event the Port Authority exercises its right to revoke this Permit, as aforesaid, it shall do so by twenty-four (24) hours' written notice to the Permittee, effective as of the time specified in the notice. The exercise by the Port Authority of its right of suspension shall not waive or affect or be deemed to waive or affect the right of revocation.

(iii) Prior to the exercise of the right of suspension by the Port Authority, it shall give the Permittee notice thereof, which notice may be oral. The Permittee shall not

perform its operations authorized by this Permit during the period of the suspension. The period of suspension shall end not more than twenty-four (24) hours after the cause thereof has ceased or been cured and the Permittee shall notify the Port Authority of such cessation or cure.

(iv) The rights of suspension and revocation as hereinbefore set forth may be exercised by the Port Authority prior to the Effective Date set forth in Item 6 on the first page of this Permit. No exercise by the Port Authority of its rights granted to it in paragraph (e) of this Section shall be deemed to be a waiver of any other rights of revocation contained in this Permit or a waiver of any other rights or remedies which may be available to the Port Authority under this Permit or otherwise.

(f) No revocation or termination of the permission hereunder shall relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

(g) No exercise by the Port Authority of any right of revocation granted to it in this Section shall be deemed to be a waiver of any other rights of revocation contained in this Section or elsewhere in this Permit or a waiver of any other rights or remedies which may be available to the Port Authority under this Permit or otherwise.

3. Exercise of Rights:

(a) The rights granted hereby shall be exercised

(i) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(ii) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(iii) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees,

(iv) if the Permittee is an individual, by the Permittee acting only personally or through the medium of its employees, and

(v) if the Permittee is a limited liability company, by the Permittee acting only through the medium of its members, managers, and employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other Person. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

(b) No greater rights or privileges are hereby granted to the Permittee than the Port Authority has power to grant under the City Lease.

(c) Neither this Permit nor anything contained herein, shall be deemed to grant any rights in the Permittee to use and occupy any land, building space or other area at the Airport or shall be deemed to have created any obligation on the part of the Port Authority to provide any such land, space or area to the Permittee.

(d) Neither the execution and delivery of this Permit nor any act done pursuant thereto shall create between any terminal operator, lessee or other occupant of land at the Airport including but not limited to the Terminal Four Lessee and the Permittee, on one hand, and the Port Authority on the other hand the relationship of bailor and bailee, or any other relationship or any legal status which would impose upon the Port Authority with respect to any personal property, such as but not limited to, aircraft cargo or baggage, owned and/or handled by the Permittee any duty or obligation whatsoever. The Permittee expressly agrees that the Port Authority shall have no liability with respect to any aircraft cargo or baggage or any other property of the Permittee or of any other Person left anywhere on the Airport.

(e) This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

(f) Nothing contained in this Permit shall constitute permission to the Permittee to park or store equipment or personal property at any location or area at the Airport.

(g) The Permittee shall have no right hereunder to carry on any business or operation at the Airport other than that specifically provided herein. Without limiting the generality of the foregoing and notwithstanding anything else in this Permit to the contrary, the Permittee is expressly prohibited hereunder from performing ground transportation, fueling of aircraft and the selling and delivery of in-flight meals.

(h) It is understood that any and all privileges granted hereunder to the Permittee are non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Airport to another or others, whether by this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute a violation or breach of the permission herein granted.

(i) The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Airport.

(j) The words "permission" and "privilege" are used interchangeably in this Permit, and except where expressly provided to the contrary, shall mean the privileges granted by this Permit.

4. Fees:

(a) (i) The Permittee agrees to pay to the Port Authority, at the times set forth in and in accordance with paragraph (a)(ii) below, a percentage fee (the "*Basic Percentage Fee*") equal to five percent (5%) (as the same may be increased pursuant to paragraph (k) below) of Gross Receipts and, if any privilege or portion thereof is performed at Terminal Four, to pay to the Terminal Four Lessee a percentage fee (hereinafter called the "Terminal Four Percentage Fee"), at the times set forth in and in accordance with paragraph (a)(iii) below, equal to five percent (5%), as the same may be increased pursuant to paragraph (k) below, of Terminal Four Gross Receipts.

(ii) Gross Receipts shall be reported and the Basic Percentage Fee shall be paid to the Port Authority by the Permittee as follows: On or before the twentieth (20th) day of the first month following the month in which the Effective Date falls and on the twentieth (20th) day of each and every calendar month thereafter during the period that this Permit is in effect and including the calendar month in which this Permit ceases to be in effect, the Permittee shall render to the Port Authority a monthly statement sworn to by a responsible executive or fiscal officer of the Permittee showing all of the Gross Receipts for the preceding month (the "Monthly Sworn Statement of Gross Receipts"). Each of the said statements shall also show the cumulative Gross Receipts from the Effective Date (or the most recent anniversary thereof) through the last day of the preceding month. At the same time each of the said statements is rendered to the Port Authority, the Permittee shall pay to the Port Authority an amount equal to five percent (5%) applied to the Gross Receipts for the preceding calendar month. In addition to the foregoing, on the twentieth (20th) day of the first month following each anniversary of the Effective Date the Permittee shall submit to the Port Authority a statement setting forth the cumulative totals of the Gross Receipts for the entire preceding twelve (12) month period certified, at the Permittee's expense, by a certified public accountant or a responsible executive or fiscal officer of the Permittee ("Annual Statement of Gross Receipts"). In addition to the foregoing, within twenty (20) days after the expiration, termination, revocation or cancellation of this Permit, the Permittee shall render to the Port Authority a sworn statement certified, at the Permittee's expense, by a certified public accountant of all Gross Receipts during the period from the last preceding anniversary of the Effective Date up to and including the last day this Permit shall be in effect and the Permittee shall, at the time of rendering such statement to the Port Authority, pay the Basic Percentage Fee due and unpaid as of the last day this Permit shall be in effect. The Permittee shall give the name and position of the responsible executive or fiscal officer designated under this paragraph to submit Monthly Sworn Statement and Annual Statement of Gross Receipts, ten (10) business days prior to the submission of the first such statement by the designee of the Permittee, so that the Port Authority may determine whether it will accept such designation. The designation shall be submitted to the Manager of Properties for the Airport. If such timely notice is not given to the Port Authority, the Permittee shall submit such statement to the Port Authority in a form executed by a certified public accountant.

(iii) Terminal Four Gross Receipts shall be reported and the Terminal Four Percentage Fee shall be paid to the Terminal Four Lessee by the Permittee as follows: On or before the twentieth (20th) day of the first month following the month in which the Effective Date falls and on the twentieth (20th) day of each and every calendar month thereafter during the period that the Permit is in effect and including the calendar month in which the Permit ceases to be in effect, the Permittee shall render to the Port Authority and the Terminal Four Lessee a monthly statement sworn to by a responsible executive or fiscal officer of the Permittee showing all of the Terminal Four Gross Receipts for the preceding month (the "Monthly Sworn Statement of Gross Receipts"). Each of the said statements shall also show the cumulative Terminal Four Gross Receipts from the Effective Date (or the most recent anniversary thereof) through the last day of the preceding month. At the same time each of the said statements is rendered to the Port Authority and the Terminal Four Lessee, the Permittee shall pay to the Terminal Four Lessee an amount equal to five percent (5%) applied to the Terminal Four Gross Receipts for the preceding calendar month. In addition to the foregoing, on the twentieth (20th) day of the first month following each anniversary of the Effective Date the Permittee shall submit to the Port Authority and the Terminal Four Lessee a statement setting forth the cumulative totals of the Terminal Four Gross Receipts for the entire preceding twelve (12) month period certified, at the Permittee's expense, by a certified public accountant or a responsible executive or fiscal officer of the Permittee ("Annual Statement of Gross Receipts"). In addition to the foregoing, within twenty (20) days after the expiration, termination, revocation or cancellation of the Permit, the Permittee shall render to the Port Authority and the Terminal Four Lessee a sworn statement certified, at the Permittee's expense, by a certified public accountant of the Permittee of all

Terminal Four Gross Receipts during the period from the last preceding anniversary of the Effective Date up to and including the last day the Permit shall be in effect and the Permittee shall, at the time of rendering such statement to the Terminal Four Lessee pay to the Terminal Four Lessee the Terminal Four Percentage Fee due and unpaid as of the last day the Permit shall be in effect. Each of the statements called for hereunder shall separately list and state the Terminal Four Gross Receipts and the applicable Terminal Four Percentage Fee payable thereon for each privilege (including without limitation each Authorized Service) provided by the Permittee hereunder at Terminal Four.

(b) (i) All statements to be submitted to the Port Authority pursuant to this Section and all payments made under this Permit, except for the Terminal Four Percentage Fee, shall be sent to the following address:

THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY
P.O. BOX 95000-1556
PHILADELPHIA, PENNSYLVANIA 19195-0001

or made via the following wire transfer instructions:

Bank: [redacted]
Bank ABA number: [redacted]
Account number:

or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

(ii) All statements to be submitted to the Terminal Four Lessee hereunder and the Terminal Four Percentage Fee shall be made to the Terminal Four Lessee at Terminal Four, John F. Kennedy International Airport, Room 2300, Jamaica, New York 11430 or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

(c) There shall be excluded from Gross Receipts and Terminal Four Gross Receipts any sum paid or payable to the Permittee for the following, provided said sum is separately stated to and paid by the customer:

(i) handicapped services;

(ii) security services;

(iii) lost and found baggage services;

(iv) snow removal services;

(v) ground transportation of employees; and

(vi) building janitorial and maintenance services,

provided further, however, the Permittee acknowledges and agrees that the Port Authority does and shall continue to have the right at any time and from time to time to withdraw the foregoing exclusions from Gross Receipts (and Terminal Four Gross Receipts), in whole or in part, or to establish a separate fee for each such service, which may be a percentage fee other than five percent (5%), upon sixty (60) days' prior written notice to the Permittee. Notwithstanding the

foregoing, any fee established must be agreed to by the Permittee and the Port Authority and must be reflected in a supplement to this Permit to be prepared by the Port Authority and executed by the parties hereto.

(d) In the event the Permittee shall be permitted hereunder to provide Gateside Aircraft Maintenance services or Routine and Non-routine Aircraft Maintenance services, there shall be excluded from Gross Receipts and Terminal Four Gross Receipts any sum paid or payable to the Permittee:

(i) which arise solely from the resale to a customer of aircraft parts and supplies purchased by the Permittee from a third party, provided, however, that there shall be included in Gross Receipts and Terminal Four Gross Receipts monies paid or payable to the Permittee which arise from the sale of such aircraft parts and supplies to which the Permittee has provided labor for fabrication, refinishing or assembly to the extent of the reasonable value of the labor provided by the Permittee;

(ii) which arise solely from the use of equipment rented by the Permittee from a third party which monies are separately stated to and paid by the customer, limited, however, to the amounts actually paid by the Permittee to the third party for such rental of equipment; and

(iii) which arise solely from the loan or rental by the Permittee of aircraft parts, whether or not owned by the Permittee, which monies are separately stated to and paid by a customer and where said loan or rental of any such aircraft part is for a period of less than twelve (12) consecutive calendar days, it being understood that such monies paid or payable to the Permittee for the loan or rental may include monies for labor provided by the Permittee for installation, refurbishment of returned parts or administrative handling which is directly related to said loan or rental provided, however, all monies paid or payable to the Permittee which arise solely from the loan or rental by the Permittee of aircraft parts, whether or not owned by the Permittee, for twelve (12) or more consecutive calendar days (including but not limited to monies for labor provided by the Permittee for installation, refurbishment of returned parts or administrative handling which is directly related to said lease or rental) shall be included in Gross Receipts from the first day of the loan or rental period, as the case may be.

(e) If and to the extent the full fair market value of any sale, service or other item provided by the Permittee is not charged to or payable by the customer, then the fair market value thereof as determined by the Port Authority shall be included in Gross Receipts and Terminal Four Gross Receipts.

(f) Without limiting any other provisions of this Permit regarding Gross Receipts and Terminal Four Gross Receipts, in those instances where the Permittee provides any services or goods along with other services and goods to the same Person (including without limitation those instances where a service is part of or is included within a group of other services and rendered for a single price, and where a service is performed by the Permittee pursuant to agreement for the exchange of services or goods) the Permittee agrees that the value ascribed to the performance of such service by the Permittee shall be the fair and reasonable value thereof as determined by the Port Authority.

(g) Without limiting the requirement for Port Authority approval, if the Permittee conducts any privilege or any portion thereof through the use of a contractor or other third party which is not a Port Authority permittee and where the payments for any of the foregoing are made to such contractor rather than to the Permittee, said payments shall be deemed amounts, monies, revenues, receipts and income paid or payable to the Permittee for purposes of determining the Permittee's Gross Receipts and Terminal Four Gross Receipts, provided,

however, that the foregoing shall not grant or be deemed to grant any right or permission to the Permittee to use an independent contractor or other third party to perform any privilege or portion thereof or the doing of anything hereunder by an independent contractor or other third party.

(h) Notwithstanding that the fee hereunder is measured by a percentage of Gross Receipts and Terminal Four Gross Receipts, no joint venture or partnership relationship between the parties hereto is created by this Permit.

(i) To the extent that the Permittee has not already done so at the time of execution of this Permit and without limiting the generality of any other term or provision hereof, the Permittee agrees to submit monthly statements of Gross Receipts and Terminal Four Gross Receipts as provided in this Section and to pay, at the time of execution and delivery of this Permit to the Port Authority, all fees and other amounts due under this Permit for the period from the Effective Date to the time of execution and delivery of this Permit by the Permittee.

(j) Without limiting any other provision of this Permit, it is hereby specifically understood that the failure to set forth all the classes of Persons, all of the locations served or all of the types of services or activities performed by the Permittee in its exercise of the privileges granted hereunder as of the Effective Date, or the failure to, by appropriate supplement, revise this Permit to reflect any additional classes of Persons, locations served, or services or activities performed by the Permittee subsequent to said Effective Date, shall not affect the inclusion in Gross Receipts or Terminal Four Gross Receipts hereunder of the amounts, monies, revenues, receipts and income received or receivable by the Permittee in its operations, and the same shall be so included. The foregoing shall not constitute Port Authority consent or be deemed to imply that the necessary Port Authority consent (to be reflected in a supplement to the Permit) with respect to such additional classes of Persons, locations, services or activities will be given.

(k) The Basic Percentage Fee, the Terminal Four Percentage Fee and any other fees payable under this Permit shall be subject to increase from time to time upon thirty (30) days' notice from the Port Authority to the Permittee, given by the General Manager of the Airport or such other representative as the Port Authority may substitute from time to time by notice to the Permittee, and upon the effective date of the increase set forth in such notice the fees payable by the Permittee under this Permit shall be as set forth in said notice. In the event within ten (10) days after the Permittee receives such notice from the Port Authority, the Permittee notifies the Port Authority that the Permittee does not wish to pay the increased fees, this Permit and the permission granted hereunder shall be, and shall be deemed to be, cancelled effective at the close of business on the day preceding the effective date of the increase, as set forth in the Port Authority's notice to the Permittee. If the Permittee does not so notify the Port Authority, the increased fees shall become effective on the date set forth in the Port Authority's notice as aforesaid. No cancellation of this Permit and the permission granted thereunder pursuant to this paragraph (k) shall be construed to relieve the Permittee of any obligations or liabilities hereunder which shall have accrued on or before the effective date of such cancellation.

(l) Without limiting any term or provision of this Permit, in the event the Permittee performs (x) any service, other than the Authorized Service at the Airport, or (y) any service (including the Authorized Service) at any other Port Authority facility, whether such performance is the subject of a written agreement by and between the Port Authority and the Permittee, the Permittee hereby agrees that it will pay to the Port Authority any and all fees and/or charges applicable to such service. The Permittee also agrees that, at the request of the Port Authority, it will enter into the appropriate agreement with the Port Authority providing permission for the Permittee to perform such service.

5. Security Deposit:

(a) (i) Provided that an amount is set forth in Item 8 on the first page of this Permit (the "*Required Security Deposit*"), and, provided, further, the amount of said Required Security Deposit is less than $20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deposit with the Port Authority (and shall keep deposited throughout the effective period of the permission under this Permit) the Required Security Deposit, either in cash, or bonds of the United States of America, or of the State of New Jersey, or of the State of New York, or of the Port Authority of New York and New Jersey, having a market value of that amount, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed. Bonds qualifying for deposit hereunder shall be in bearer form but if bonds of that issue were offered only in registered form, then the Permittee may deposit such bonds or bonds in registered form, provided, however, that the Port Authority shall be under no obligation to accept such deposit of a bond in registered form unless such bond has been re-registered in the name of the Port Authority (the expense of such re-registration to be borne by the Permittee) in a manner satisfactory to the Port Authority. The Permittee may request the Port Authority to accept a registered bond in the Permittee's name and if acceptable to the Port Authority the Permittee shall deposit such bond together with an irrevocable bond power (and such other instruments or other documents as the Port Authority may require) in form and substance satisfactory to the Port Authority. In the event the Required Security Deposit is returned to the Permittee, any expenses incurred by the Port Authority in re-registering a bond to the name of the Permittee shall be borne by the Permittee. In addition to any and all other remedies available to it, the Port Authority shall have the right, at its option, at any time and from time to time, with or without notice, to use the Required Security Deposit, or any part thereof, in whole or partial satisfaction of any of its claims or demands against the Permittee. There shall be no obligation on the Port Authority to exercise such right and neither the existence of such right nor the holding of the Required Security Deposit itself shall cure any default or breach of this Permit on the part of the Permittee. With respect to any bonds deposited by the Permittee, the Port Authority shall have the right, in order to satisfy any of its claims or demands against the Permittee, to sell the same in whole or in part, at any time, and from time to time, with or without prior notice at public or private sale, all as determined by the Port Authority, together with the right to purchase the same at such sale free of all claims, equities or rights of redemption of the Permittee. The Permittee hereby waives all right to participate therein and all right to prior notice or demand of the amount or amounts of the claims or demands of the Port Authority against the Permittee. The proceeds of every such sale shall be applied by the Port Authority first to the costs and expenses of the sale (including but not limited to advertising or commission expenses) and then to the amounts due the Port Authority from the Permittee. Any balance remaining shall be retained in cash toward bringing the Required Security Deposit to the sum specified in Item 8 on the first page of this Permit. In the event that the Port Authority shall at any time or times so use the Required Security Deposit, or any part thereof, or if bonds shall have been deposited and the market value thereof shall have declined below the amount set forth in Item 8 on the first page of this Permit, the Permittee shall, on demand of the Port Authority and within two (2) days thereafter, deposit with the Port Authority additional cash or bonds so as to maintain the Required Security Deposit at all times to the full amount above stated in Item 8 on the first page of this Permit, and such additional deposits shall be subject to all the conditions of this Section. After the expiration or earlier revocation or termination of the effective period of the permission under this Permit, and upon condition that the Permittee shall then be in no wise in default under any part of this Permit, and upon written request therefor by the Permittee, the Port Authority will return the Required Security Deposit to the Permittee less the amount of any and all unpaid claims and demands (including estimated damages) of the Port Authority by reason of any default or breach by the Permittee of this Permit or any part thereof. The Permittee agrees that it will not assign or

encumber the Required Security Deposit. The Permittee may collect or receive any interest or income earned on bonds and interest paid on cash deposited in interest-bearing bank accounts, less any part thereof or amount which the Port Authority is or may hereafter be entitled or authorized by law to retain or to charge in connection therewith, whether as or in lieu of an administrative expense, or custodial charge, or otherwise; provided, however, that the Port Authority shall not be obligated by this provision to place or to keep cash deposited hereunder in interest-bearing bank accounts.

(ii) In lieu of the Required Security Deposit made in the form described above in paragraph (a)(i), the Permittee may at any time during the effective period of the permission granted under this Permit offer to deliver to the Port Authority, as security for all obligations of the Permittee under this Permit, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District, in favor of the Port Authority in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent satisfactory letter. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by security in accordance with paragraph (a)(i) of this Section or another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security under paragraph (a)(i) of this Section. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the Required Security Deposit, if any, theretofore made under and in accordance with the provisions of paragraph (a)(i) of this Section. The Permittee shall have the same rights to receive such Required Security Deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the effective period of the permission granted under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount.

(b) Provided that a Required Security Deposit amount is set forth in Item 8 on the first page of this Permit, and, provided, further, the amount of said Required Security Deposit is equal to or greater than $20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of the Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority, and payable in the Port of New York District in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for

automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is an appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless the letter of credit is replaced by another letter of credit satisfactory to the Port Authority by a date not later than twenty (20) days prior to the effective date of cancellation, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee, upon demand by the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to the amount of the Required Security Deposit. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to be a waiver of any default by the Permittee under the terms of this Permit, and all remedies under this Permit and of the Port Authority consequent upon such default shall not be affected by the existence of a recourse to any such letter of credit.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, in its sole discretion at any time and from time to time upon sixty (60) days' notice to the Permittee, to adjust the amount of the Required Security Deposit. Not later than the effective date set forth in said notice by the Port Authority, the Permittee shall furnish additional cash or bonds, as provided for in paragraph (a) above, or an amendment to, or a replacement of, the letter of credit providing for such adjusted amount of the Required Security Deposit, as the case may be, and such additional cash and/or bonds or adjusted (or replaced) letter of credit shall thereafter constitute the Required Security Deposit required under this Section.

(d) If the Permittee is obligated by any other agreement to maintain a security deposit with the Port Authority to insure payment and performance by the Permittee of all fees, rentals, charges and obligations which may become due and owing to the Port Authority arising from the Permittee's operations at the Airport pursuant to any such other agreement or otherwise, then all such obligations under such other agreement and any deposit pursuant thereto also shall be deemed obligations of the Permittee under this Permit and as security hereunder as well as under any such other agreement and all provisions of such other agreement with respect to such obligations and any obligations thereunder of the Port Authority as to the security deposit are hereby incorporated herein by this reference as though fully set forth herein and hereby made a part hereof. The termination, revocation, cancellation or expiration of any other agreement to which such security shall apply or any permitted assignment of such other agreement shall not affect such obligations as to such security which shall continue in full force and effect hereunder.

6. Permittee's Operations:

(a) The Permittee shall provide to the Port Authority, upon request of the Port Authority from time to time, such information and data in connection with the permission granted hereunder as the Port Authority may request and shall, if so requested by the Port Authority, make periodic reports thereof to the Port Authority utilizing such forms as may be adopted by the Port Authority for such purpose.

(b) The Permittee shall daily remove from the Airport by means of facilities provided by it all garbage, debris and other waste material (whether solid or liquid) arising out of or in connection with the permission granted hereunder, and any such not immediately removed shall be temporarily stored in a clean and sanitary condition, in suitable garbage and waste receptacles, the same to be made of metal and equipped with tight-fitting covers, and to be of a design safely and properly to contain whatever material may be placed therein; said receptacles being provided and maintained by the Permittee. The receptacles shall be kept covered except when filling or emptying the same. The Permittee shall exercise extreme care in removing such garbage, debris and other waste materials from the Airport. The manner of such storage and removal shall be subject in all respects to the continual approval of the Port Authority. No facilities of the Port Authority shall be used for such removal unless with its prior consent in writing. No such garbage, debris or other waste materials shall be or be permitted to be thrown, discharged or disposed into or upon the waters at or bounding the Airport.

(c) The Permittee shall at all times that areas of the Airport are being used for the privileges permitted hereunder, maintain said areas in a clean and orderly condition and appearance. The Permittee shall promptly wipe up any oil, gasoline, grease, lubricants and other inflammable liquids and substances and any liquids and substances having a corrosive or detrimental effect on the paving or other surface of the ramps or other areas upon which it performs the privileges authorized by this Permit resulting from its operations hereunder. The Permittee shall repair, replace, repave or rebuild, or at the Port Authority's election, the Permittee shall pay to the Port Authority the cost to the Port Authority of repairing, replacing, repaving or rebuilding, all or any part of the ramps or other areas upon which it performs the privileges authorized by this Permit which may be damaged or destroyed by such oil, gasoline, grease, lubricants or other liquids or substances or by any other act or omission of the Permittee or its employees, agents or contractors except for reasonable wear and tear arising out of its operations thereon.

(d) A principal purpose of the Port Authority in granting the permission under this Permit is to have available at the Airport, the privileges which the Permittee is permitted to render hereunder. The Permittee agrees that it will conduct a first-class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor, and keep the same in a first-class operating condition at all times.

(e) The Permittee shall immediately comply with all orders, directives and procedures as may be issued by the General Manager of the Airport covering the operations of the Permittee under this Permit at any time and from time to time. The Port Authority may, at any time and from time to time, without prior notice or cause, withdraw or modify any designation, approval, substitution or redesignation given by it hereunder.

(f) In the event of any injury or death to any person (other than employees of the Permittee) at the Airport when caused by the Permittee's operations, or damage to any property (other than the Permittee's property) at the Airport when caused by the Permittee's operations, the Permittee shall immediately notify the Port Authority and promptly thereafter furnish to the Port Authority copies of all reports given to the Permittee's insurance carrier.

(g) The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Airport. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the General Manager of the Airport. The Port Authority shall have the right to object

to the Permittee as to the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

(h) The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations at the Airport.

7. Indemnity:

(a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third Persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee hereunder, or out of any of the acts or omissions of the Permittee, its officers, employees or Persons who are doing business with the Permittee arising out of or in connection with the activities permitted hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the Airport, including claims and demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) Without limiting any other term or provision hereof, the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

(c) Without limiting any other term or provision hereof, the Permittee shall indemnify the Port Authority and hold it harmless against all claims and demands of third Persons for damage to any aircraft cargo or baggage or any other property handled or delivered pursuant to the permission granted by this Permit.

(d) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand set forth in paragraphs (a), (b) and (c) above (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

8. Liability Insurance:

(a) The Permittee, in its own name as insured and including the Port Authority as an additional insured, shall maintain and pay the premiums during the effective period of the Permit on a policy or policies of Commercial General Liability Insurance, including premises-operations and products-completed operations and covering bodily-injury liability, including death, and property damage liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage in the minimum limit set forth in Item 9 on the first page of this Permit, and Commercial Automobile Liability Insurance covering owned, non-owned and hired vehicles and including automatic coverage for newly acquired vehicles and providing for

coverage in the minimum limit set forth in Item 9 on the first page of this Permit. Without limiting the foregoing, the Permittee shall maintain Workers' Compensation and Employers Liability Insurance in accordance with the Permittee's statutory obligations under the applicable State Workers' Compensation Law for those employees of the Permittee employed in operations conducted pursuant to this Permit at or from the Airport. In the event the Permittee maintains the foregoing insurance in limits greater than aforesaid, the Port Authority shall be included therein as an additional insured, except for the Workers' Compensation and Employers Liability Insurance policies, to the full extent of all such insurance in accordance with all terms and provisions of this Permit.

(b) Each policy of insurance, except for the Workers' Compensation and Employers Liability Insurance policies, shall also contain an ISO standard "separation of insureds" clause or a cross liability endorsement providing that the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority and any claim or action against the Port Authority by the Permittee, as if the Port Authority were the named insured thereunder, but such clause or endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured. Each policy of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Permittee under Section 7 of the Terms and Conditions of this Permit.

(c) All insurance coverages and policies required under this Section may be reviewed by the Port Authority for adequacy of terms, conditions and limits of coverage at any time and from time to time during the effective period of permission granted under this Permit. The Port Authority may, at any such time, require additions, deletions, amendments or modifications to the aforementioned insurance requirements, or may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem required and the Permittee shall promptly comply therewith.

(d) Each policy shall contain a provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' written advance notice thereof to the Port Authority. Each policy shall contain a provision or endorsement that the insurer "shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority." The foregoing provisions or endorsements shall be recited in each policy or certificate to be delivered pursuant to the following paragraph (e).

(e) A certified copy of each policy or a certificate or certificates of insurance evidencing the existence thereof, or binders, shall be delivered to the Port Authority upon execution and delivery of this Permit by the Permittee to the Port Authority. In the event any binder is delivered it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate of insurance. Any renewal policy shall be evidenced by a renewal certificate of insurance delivered to the Port Authority at least seven (7) days prior to the expiration of each expiring policy, except for any policy expiring after the date of expiration of this Permit. The aforesaid insurance shall be written by a company or companies approved by the Port Authority. If at any time any insurance policy shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policy shall be or become unsatisfactory to the Port Authority, the Permittee shall promptly obtain a new and satisfactory policy in

replacement. If the Port Authority at any time so requests, a certified copy of each policy shall be delivered to or made available for inspection by the Port Authority.

(f) The foregoing insurance requirements shall not in any way be construed as a limitation on the nature or extent of the contractual obligations assumed by the Permittee under this Permit. The foregoing insurance requirements shall not constitute a representation or warranty as to the adequacy of the required coverage to protect the Permittee with respect to the obligations imposed on the Permittee by this Permit or any other agreement or by law.

9. Special Endorsements:

The Permittee hereby agrees to the terms and conditions of the endorsements attached hereto, hereby made a part hereof and marked "*Special Endorsements*". The terms and provisions of the Special Endorsements shall have the same force and effect and as if herein set forth in full.

10. No Waiver:

No failure by the Port Authority or the Terminal Four Lessee to insist upon the strict performance of any agreement, term or condition of this Permit or to exercise any right or remedy consequent upon a breach or default thereof, and no extension, supplement or amendment of this Permit during or after a breach thereof, unless expressly stated to be a waiver, and no acceptance by the Port Authority or the Terminal Four Lessee of fees, charges or other payments in whole or in part after or during the continuance of any such breach or default, shall constitute a waiver of any such breach or default of such agreement, term or condition. No agreement, term or condition of this Permit to be performed or complied with by the Permittee, and no breach or default thereof, shall be waived, altered or modified except by a written instrument executed by the Port Authority. No waiver by the Port Authority of any default or breach on the part of the Permittee in performance of any agreement, term or condition of this Permit shall affect or alter this Permit but each and every agreement, term and condition thereof shall continue in full force and effect with respect to any other then existing or subsequent breach or default thereof.

11. Removal of Property:

The personal property placed or installed by the Permittee at the Airport shall remain the property of the Permittee and must be removed on or before the expiration, revocation, cancellation or termination of the permission hereby granted, whichever shall be earlier. Without limiting the terms and provisions of paragraph (g) of Section 18 hereof, any such property remaining at the Airport after the effective date of such expiration, revocation, cancellation or termination shall be deemed abandoned by the Permittee and may be removed and disposed of by the Port Authority in any manner it so determines in its sole discretion and all the proceeds of any removal or disposition shall be retained by the Port Authority for its account and all costs and expenses of such removal and disposition shall be paid to the Port Authority by the Permittee when billed.

12. Permittee's Representative:

The Permittee's representative specified in Item 3 on the first page of this Permit (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and any act or thing done or to be done hereunder, and to execute on the Permittee's behalf any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. Notices:

Except where expressly required or permitted herein to be oral, all notices, directions, requests, consents and approvals required to be given to or by either party or the Terminal Four Lessee shall be in writing, and all such notices given by the Port Authority or the Terminal Four Lessee to the Permittee shall be validly given if sent by registered or certified mail addressed to the Permittee at the address specified on the first page hereof or at the latest address that the Permittee may substitute therefor by notice to the Port Authority, or left at such address, or delivered to the Permittee's representative. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003 or at such other address as the Port Authority shall hereafter designate by notice to the Permittee. If mailed, the notices herein required to be given shall be deemed effective and given as of the date of the certified or registered mailing thereof.

14. Late Charges:
