

# ***Bayonne Bridge Navigation Clearance Program***

***September 14, 2010***

# The Bayonne Bridge Navigational Clearance Program

# Ongoing Efforts

---

## Alternatives Under Consideration:

- Bridge Modification
- Bridge Replacement
- Vessel Modification
- Site Specific Landside Improvements
- Remove the Bridge
- Other (ferry, lock system, etc.)

## Comprehensive Alternatives Assessment:

- Preliminary Engineering (PB, HDB, HNTB)
- Regional Cost-Benefit Analysis (Halcrow)
- Travel Demand Modeling (PB)
- Environmental Alternatives Analysis (HDR)
- Planning/Best Practices Analysis for Environmental Regulatory Process (AKRF)

**Status: Preliminary results currently under review.**

## Next Steps

---

- **Identify preferred alternatives to advance into Environmental Review Process**
- **Conduct Environmental Regulatory Review and Public Outreach Program**
- **Request Project Authorization**
