

Fritz Koenig's "The Sphere"

July 21, 2016

THE PORT AUTHORITY OF NY & NJ

Centerpiece of the WTC / Austin J. Tobin Plaza (Pre-9/11)

- Bronze sculpture symbolizing world peace and world trade
- Pedestal in the WTC fountain able to rotate in a 24 hour cycle
- Focal point of the original WTC's Public Space for tenants and local community

Iconic WTC Artifact and Temporary Memorial at Battery Park (Post-9/11)

- Most recognizable surviving artifact of the original WTC.
- Located in Battery Park on an interim basis and was dedicated on Sept. 11, 2002 as a temporary memorial.
- Relocations within Battery Park to accommodate construction.

Recommendation to Install The Sphere at WTC Liberty Park

Liberty Park successfully opened to the public on June 29, 2016
