List of specific record(s):

This is a duplicate request for the arbitration agreement between Rodriguez v. Port Authority from 1996-97, this includes more information. William Rodriguez was an employee of ABM he claims to have been a janitor who cleaned the stairwell of the World Trade Center North Tower. He claims to have fallen down in the stairwell in 1996 and he sued for the master key, due to the fact he lay injured and undiscovered for a considerable amount of time. I would like to obtain any information confirming such a settlement agreement between Mr. Rodriguez and the Port Authority. Thank you. Gina Judd
