Re: Freedom of Information Request Reference No. 12341

Dear Mr. Duffy:

Thank you for your response to my FOIL request for records related to PATH ridership for the 2009 calendar year. Please find enclosed a check in the amount of \$5.00 to cover the expenses associated with producing a CD with materials responsive to my request.

To reiterate my previous communication to your office, I would like to be provided with access to any and all documents detailing the number of riders who entered and exited each of the PATH transit stations during the 2009 calendar year. More specifically, I am seeking – in order of specificity preferred – daily (alternatively weekday averages and weekend averages), weekly, monthly, or annual data for the following – again, in order of specificity preferred:

1. The number of riders who used each station entrance and the number of riders who used each station exit during the 2009 calendar year; alternatively,
2. The number of riders who used each station during the 2009 calendar year; alternatively,
3. The number of riders who used each transportation line during the 2009 calendar year; alternatively,
4. The number of riders who used each transportation system during the 2009 calendar year.

Please do not hesitate to contact me at 212-226-4507 or deborah@drmtlaw.com should you have any questions related to the above referenced matter.

Best regards,
