GUIDELINES FOR PICKETING OR DEMONSTRATIONS AT JFKIA WITHIN  
PORT AUTHORITY AREAS NOT UNDER LEASE AND OPEN TO PUBLIC  
ACCESS (i.e. public sidewalks)

1. The area to be used to demonstrate should be agreed upon by the Facility Police Commanding Officer or his representative after consultation with union representatives or representatives of the group.
2. The area used must be kept clean and not littered by coffee containers, newspapers, leaflets or similar debris.
3. Private vehicles belonging to picketers or demonstrators shall be parked in existing public parking lots only. Such vehicles will not be permitted to park in the vicinity of the area to be used; there will be no special parking arrangements made for private vehicles belonging to picketers or demonstrators.

SIGNS - THE MESSAGE OF THE DEMONSTRATORS OR WORDS USED BY THEM IS IRRELEVANT FOR THE PURPOSES OF THIS GUIDELINE

1. If signs are used, such signs must be hand carried. Signs shall not be propped against vehicles, fastened on buildings, fastened on fences or in any manner affixed to the ground or a structure. Unattended signs mounted on wooden frames or supported by 2 wooden sticks will not be permitted.
2. If signs are carried, they can be carried by means of string or cord as in a sandwich board sign or with one stick as in a picket sign or by hand as in a piece of poster board or cardboard.

DEMONSTRATORS (General Conduct):

As a general rule, all demonstrators, regardless of the message, must refrain from behavior proscribed or prohibited in the Port Authority Air Terminal Rules & Regulations, as well as the New York Penal Code and any other applicable laws. Such proscribed or prohibited behavior may subject them to exclusion from the airport, citation for civil or criminal penalty and/or arrest.

1. The number of demonstrators in the area should be predetermined or ascertained to allow for proper police planning and staffing to provide for the public safety of all persons in the area of the demonstration. Any increase in the number of demonstrators or change in the location of the demonstration must be brought to the immediate attention of the Police Tour Commander on duty.
2. Persons in the demonstration must not interfere with the free movement of pedestrians or vehicular traffic, nor block any roadway, gate or entrance.

3. Leaflets may be distributed provided that the giver will not litter or force the written material upon the recipient.
4. Amplification devices shall comply with the noise regulations of the Port Authority Air Terminal Rules & Regulations.

**VIA FACSIMILE (718) 533-3446 & FEDERAL EXPRESS**

Dear Lieutenant Sepulveda:

The Air Line Pilots Association ("ALPA"), a national association representing over 54,000 airline pilots at over 36 airlines, requests a permit to conduct peaceful non-obstructive informational leafleting on the grounds of LaGuardia International Airport. The purpose of the activity is for up to fifty (50) Delta Connection pilots, who are ALPA members, to peacefully engage in picketing and handing out informational leaflets containing a positive, non-offensive message in the following areas: (1) outside of Marine Air Terminal; and (2) outside of the main Delta Terminal.

Consistent with the Railway Labor Act, 45 U.S.C. § 151 *et seq.*, the purpose of the activity is for Delta Connection pilots, who are ALPA members, to peacefully engage in informational picketing and hand out informational leaflets containing a positive, non-offensive pro-pilot message starting on June 18, 2009 through July 17, 2009. This activity will in no way interfere with any airport or Delta Air Lines activity, will not impede passenger movement, and is designed to be strictly informational in nature.

The permit is requested for picketing and leafleting, which will take place during the hours of 8:00 a.m. to 8:00 p.m., starting on June 18, 2009.

The primary contact and responsible person for ALPA who will monitor and supervise these activities will be Captain Mark Cirksena. He may be reached at (859) 409-8639.
