Dear Ms. Bincoletto:

In accordance with the provisions of the New York State Freedom of Information Law, please provide me with copies of all the records described below:

Documents:	Payment and Performance Bonds
Bond Principal:	Tishman Technologies Corporation
Project:	WO 15 / MF-100.509 / LaGuardia Airport Bollard Protection
Owner:	The Port Authority of New York and New Jersey

Please place missing documents on "special locate" and notify me that you have done so.

I wish to make it clear that we want all records identifiable with this request, even though reports on those records or copies of the records have been sent to other offices and even though there may be apparent duplication between the records in more than one office.

If documents are denied in part, please specify the exemptions claimed for each page or passage. For documents withheld in their entirety please state, in addition, the date of and the number of pages in each document.

Please advise me of any destruction of records and include the date of and authority for such destruction.

I want to see complete sets of records, but if complete sets of records are not extant, then we wish to see any portion of the requested records that exist.

Time is of the essence in this matter; if some of the requested records are more readily available than others, I want to see any available records at the earliest opportunity. Please do not delay making any of the requested records available because other requested records are not yet found, redacted, or otherwise prepared for release.
