I am requesting copies of bus departure and arrival data for the Port Authority Bus Terminal, for the period of Saturday, January 7, 2012 to Friday, January 13, 2012, inclusive. Copies of the daily scheduled departure and arrival sheets that are used by PABT staff to assist customers should be sufficient for my needs. Specifically, I am looking for the following information: bus companycarrier name, destinations, scheduled arrivaldeparture time, and gate number. I am requesting this data for both intercity lines such as Greyhound and local buses such as New Jersey Transit. It may be delivered by postal mail or electronically to my email address, as is most convenient for you. Thank you. J.T. Campfield
