Loss of E-ZPass Benefit – Notice of Claim Update

DEAR PARA MEMBERS:

The law firm chosen by the PARA Board's special committee has now largely concluded its review of the E-ZPass Notice of Claim issue, and will continue the second part of the assignment: assessing the security of our overall retiree benefits.

NOTICE OF CLAIM

PARA's attorneys prepared an updated Notice of Claim form, having the benefit of the version prepared by Tom Westfield. We have included the form in this mailing for your convenience. It is also posted on PARA's Web site.

FAQs

- If a retiree filed the Westfield form already, can or should he/she file again using the updated form prepared by PARA's attorneys? Yes. PARA's attorneys strongly recommend that he/she file the updated form, and be sure to label it: "REVISED NOTICE OF CLAIM FORM."
- Is PARA or its attorneys bringing a class action suit over the E-ZPass matter against the Port Authority? No.
- Then who is? No law firm we are aware of is bringing a class action against the Port Authority regarding the loss of the E-ZPass benefit. However, Tom Westfield is actively seeking a law firm willing to bring a class action.
- Is a class action suit a "done deal?" No. But by filing a timely Notice of Claim, a retiree is keeping the option open to be part of a class action suit should it go forward, and it keeps the option open to sue the Port Authority individually. Retirees who fail to file a timely Notice of Claim will lose their right to sue, either individually or as part of a class action.
- What is the filing deadline? PARA recommends that forms be **received** by the Port Authority by **Wednesday, September 14**, which should avoid any challenge to the timeliness of the filing. A Notice of Claim form **must be sworn to before a notary, and sent via Registered Mail - Return Receipt Requested**.
- If a retiree files a Notice of Claim, is that a commitment to sue the Port Authority? No. It just keeps the option open until November 17 to commence litigation.
- Whom do I notify if I filed a Notice of Claim on the Port Authority? Tom Westfield, at EZPassLitigation@aol.com.
- Is PARA taking a position on whether or not to file a Notice of Claim? No. We are trying to provide the best information we can so that our members can make intelligent decisions in the matter. PARA cannot give legal advice other than that you discuss the matter with your own legal adviser.

Please note that further updates about the E-ZPass Notice of Claim issue will be online ONLY on PARA's Web site: www.paranyj.org, and via PARA's eBulletins (sign up on PARA's Web site for these). Printing and mailing costs are expensive, and PARA's resources are limited.

Thanks again for your support, and please help spread the word to other PA/PATH retirees (active employees are eligible, too) to join PARA.

Sincerely,
Your PARA Board

PROPERTY CLAIMS
2011 SEP 13 A 8:54

NATURE OF THE CLAIM:

Claimant is a Port Authority of New York and New Jersey ("PANYNJ") retiree and/or employee. PANYNJ's revocation of retirees' and/or employees' Non-Revenue usage of PANYNJ facilities benefits, including but not limited to bridge and tunnel tolls and parking at airports under the E-ZPass Program, violated claimant's rights as a current or former employee, including without limitation, under New York and/or New Jersey state and federal statutory, common, contract and constitutional law.

DETAILS OF THE CLAIM:

This claim arose as a result of the PANYNJ resolution to revoke retirees' and/or employees' Non-Revenue usage of PANYNJ facilities benefits, including but not limited to bridge and tunnel tolls and parking at airports under the E-ZPass Program, effective January 1, 2011, that was adopted at a meeting of the Board of Commissioners that took place at the agency's office at 255 Park Avenue South, New York, New York on November 18, 2010.

DAMAGES:

Claimant has suffered present economic damages since revocation of the benefits described above on January 1, 2011 until the date of this claim, consisting of the tolls claimant paid while traveling over or through PANYNJ bridges and tunnels, and parking fees paid while parking at PANYNJ airports, during this period, as shown in records maintained and/or accessible by PANYNJ. Claimant will also suffer prospective economic damage after the date of this notice of claim for so long as claimant engages in travel to destinations where claimant drives over or through PANYNJ bridges and tunnels, or parks at PANYNJ airports.

DEAR PARA MEMBERS:

The law firm chosen by the PARA Board's special committee has now largely concluded its review of the E-ZPass Notice of Claim issue, and will continue the second part of the assignment: assessing the security of our overall retiree benefits.

NOTICE OF CLAIM

PARA's attorneys prepared an updated Notice of Claim form, having the benefit of the version prepared by Tom Westfield. We have included the form in this mailing for your convenience. It is also posted on PARA's Web site.

FAQs

- If a retiree filed the Westfield form already, can or should he/she file again using the updated form prepared by PARA's attorneys? Yes. PARA's attorneys strongly recommend that he/she file the updated form, and be sure to label it: "REVISED NOTICE OF CLAIM FORM."
- Is PARA or its attorneys bringing a class action suit over the E-ZPass matter against the Port Authority? No.
- Then who is? No law firm we are aware of is bringing a class action against the Port Authority regarding the loss of the E-ZPass benefit. However, Tom Westfield is actively seeking a law firm willing to bring a class action.
- Is a class action suit a "done deal?" No. But by filing a timely Notice of Claim, a retiree is keeping the option open to be part of a class action suit should it go forward, and it keeps the option open to sue the Port Authority individually. Retirees who fail to file a timely Notice of Claim will lose their right to sue, either individually or as part of a class action.
- What is the filing deadline? PARA recommends that forms be **received** by the Port Authority by **Wednesday, September 14**, which should avoid any challenge to the timeliness of the filing. A Notice of Claim form **must be sworn to before a notary, and sent via Registered Mail - Return Receipt Requested.**

DEAR PARA MEMBERS:

The law firm chosen by the PARA Board's special committee has now largely concluded its review of the E-ZPass Notice of Claim issue, and will continue the second part of the assignment: assessing the security of our overall retiree benefits.

NOTICE OF CLAIM

PARA's attorneys prepared an updated Notice of Claim form, having the benefit of the version prepared by Tom Westfield. We have included the form in this mailing for your convenience. It is also posted on PARA's Web site.

FAQs

- If a retiree filed the Westfield form already, can or should he/she file again using the updated form prepared by PARA's attorneys? Yes. PARA's attorneys strongly recommend that he/she file the updated form, and be sure to label it: "REVISED NOTICE OF CLAIM FORM."
- Is PARA or its attorneys bringing a class action suit over the E-ZPass matter against the Port Authority? No.
- Then who is? No law firm we are aware of is bringing a class action against the Port Authority regarding the loss of the E-ZPass benefit. However, Tom Westfield is actively seeking a law firm willing to bring a class action.
- Is a class action suit a "done deal?" No. But by filing a timely Notice of Claim, a retiree is keeping the option open to be part of a class action suit should it go forward, and it keeps the option open to sue the Port Authority individually. Retirees who fail to file a timely Notice of Claim will lose their right to sue, either individually or as part of a class action.
- What is the filing deadline? PARA recommends that forms be **received** by the Port Authority by **Wednesday, September 14**, which should avoid any challenge to the timeliness of the filing. A Notice of Claim form **must be sworn to before a notary, and sent via Registered Mail - Return Receipt Requested.**
- If a retiree files a Notice of Claim, is that a commitment to sue the Port Authority? No. It just keeps the option open until November 17 to commence litigation.
- Whom do I notify if I filed a Notice of Claim on the Port Authority? Tom Westfield, at EZPassLitigation@aol.com.
- Is PARA taking a position on whether or not to file a Notice of Claim? No. We are trying to provide the best information we can so that our members can make intelligent decisions in the matter. PARA cannot give legal advice other than that you discuss the matter with your own legal adviser.

Please note that further updates about the E-ZPass Notice of Claim issue will be online ONLY on PARA's Web site: www.paranynj.org, and via PARA's eBulletins (sign up on PARA's Web site for these). Printing and mailing costs are expensive, and PARA's resources are limited.

Thanks again for your support, and please help spread the word to other PA/PATH retirees (active employees are eligible, too) to join PARA.

Sincerely,
Your PARA Board

NATURE OF THE CLAIM:

Claimant is a Port Authority of New York and New Jersey ("PANYNJ") retiree and/or employee. PANYNJ's revocation of retirees' and/or employees' Non-Revenue usage of PANYNJ facilities benefits, including but not limited to bridge and tunnel tolls and parking at airports under the E-ZPass Program, violated claimant's rights as a current or former employee, including without limitation, under New York and/or New Jersey state and federal statutory, common, contract and constitutional law.

DETAILS OF THE CLAIM:

This claim arose as a result of the PANYNJ resolution to revoke retirees' and/or employees' Non-Revenue usage of PANYNJ facilities benefits, including but not limited to bridge and tunnel tolls and parking at airports under the E-ZPass Program, effective January 1, 2011, that was adopted at a meeting of the Board of Commissioners that took place at the agency's office at 255 Park Avenue South, New York, New York on November 18, 2010.

DAMAGES:

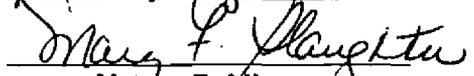

Claimant has suffered present economic damages since revocation of the benefits described above on January 1, 2011 until the date of this claim, consisting of the tolls claimant paid while traveling over or through PANYNJ bridges and tunnels, and parking fees paid while parking at PANYNJ airports, during this period, as shown in records maintained and/or accessible by PANYNJ. Claimant will also suffer prospective economic damage after the date of this notice of claim for so long as claimant engages in travel to destinations where claimant drives over or through PANYNJ bridges and tunnels, or parks at PANYNJ airports.

DEAR PARA MEMBERS:

The law firm chosen by the PARA Board's special committee has now largely concluded its review of the E-ZPass Notice of Claim issue, and will continue the second part of the assignment: assessing the security of our overall retiree benefits.

NOTICE OF CLAIM

PARA's attorneys prepared an updated Notice of Claim form, having the benefit of the version prepared by Tom Westfield. We have included the form in this mailing for your convenience. It is also posted on PARA's Web site.

FAQs

- If a retiree filed the Westfield form already, can or should he/she file again using the updated form prepared by PARA's attorneys? Yes. PARA's attorneys strongly recommend that he/she file the updated form, and be sure to label it: "REVISED NOTICE OF CLAIM FORM."
- Is PARA or its attorneys bringing a class action suit over the E-ZPass matter against the Port Authority? No.
- Then who is? No law firm we are aware of is bringing a class action against the Port Authority regarding the loss of the E-ZPass benefit. However, Tom Westfield is actively seeking a law firm willing to bring a class action.
- Is a class action suit a "done deal?" No. But by filing a timely Notice of Claim, a retiree is keeping the option open to be part of a class action suit should it go forward, and it keeps the option open to sue the Port Authority individually. Retirees who fail to file a timely Notice of Claim will lose their right to sue, either individually or as part of a class action.
- What is the filing deadline? PARA recommends that forms be **received** by the Port Authority by **Wednesday, September 14**, which should avoid any challenge to the timeliness of the filing. A Notice of Claim form **must be sworn to before a notary, and sent via Registered Mail - Return Receipt Requested**.
- If a retiree files a Notice of Claim, is that a commitment to sue the Port Authority? No. It just keeps the option open until November 17 to commence litigation.
- Whom do I notify if I filed a Notice of Claim on the Port Authority? Tom Westfield, at EZPassLitigation@aol.com.
- Is PARA taking a position on whether or not to file a Notice of Claim? No. We are trying to provide the best information we can so that our members can make intelligent decisions in the matter. PARA cannot give legal advice other than that you discuss the matter with your own legal adviser.

Please note that further updates about the E-ZPass Notice of Claim issue will be online ONLY on PARA's Web site: www.paranynj.org, and via PARA's eBulletins (sign up on PARA's Web site for these). Printing and mailing costs are expensive, and PARA's resources are limited.

Thanks again for your support, and please help spread the word to other PA/PATH retirees (active employees are eligible, too) to join PARA.

Sincerely,
Your PARA Board

FAQs

- If a retiree filed the Westfield form already, can or should he/she file again using the updated form prepared by PARA's attorneys? Yes. PARA's attorneys strongly recommend that he/she file the updated form, and be sure to label it: "REVISED NOTICE OF CLAIM FORM."
- Is PARA or its attorneys bringing a class action suit over the E-ZPass matter against the Port Authority? No.
- Then who is? No law firm we are aware of is bringing a class action against the Port Authority regarding the loss of the E-ZPass benefit. However, Tom Westfield is actively seeking a law firm willing to bring a class action.
- Is a class action suit a "done deal?" No. But by filing a timely Notice of Claim, a retiree is keeping the option open to be part of a class action suit should it go forward, and it keeps the option open to sue the Port Authority individually. Retirees who fail to file a timely Notice of Claim will lose their right to sue, either individually or as part of a class action.
- What is the filing deadline? PARA recommends that forms be **received** by the Port Authority by **Wednesday, September 14**, which should avoid any challenge to the timeliness of the filing. A Notice of Claim form **must be sworn to before a notary, and sent via Registered Mail - Return Receipt Requested**.
- If a retiree files a Notice of Claim, is that a commitment to sue the Port Authority? No. It just keeps the option open until November 17 to commence litigation.
- Whom do I notify if I filed a Notice of Claim on the Port Authority? Tom Westfield, at EZPassLitigation@aol.com.
- Is PARA taking a position on whether or not to file a Notice of Claim? No. We are trying to provide the best information we can so that our members can make intelligent decisions in the matter. PARA cannot give legal advice other than that you discuss the matter with your own legal adviser.

Please note that further updates about the E-ZPass Notice of Claim issue will be online ONLY on PARA's Web site: www.paranynj.org, and via PARA's eBulletins (sign up on PARA's Web site for these). Printing and mailing costs are expensive, and PARA's resources are limited.

- Is PARA or its attorneys bringing a class action suit over the E-ZPass matter against the Port Authority? No.
- Then who is? No law firm we are aware of is bringing a class action against the Port Authority regarding the loss of the E-ZPass benefit. However, Tom Westfield is actively seeking a law firm willing to bring a class action.

- What is the filing deadline? PARA recommends that forms be **received** by the Port Authority by **Wednesday, September 14**, which should avoid any challenge to the timeliness of the filing. A Notice of Claim form **must be sworn to before a notary, and sent via Registered Mail - Return Receipt Requested.**
- If a retiree files a Notice of Claim, is that a commitment to sue the Port Authority? No. It just keeps the option open until November 17 to commence litigation.
- Whom do I notify if I filed a Notice of Claim on the Port Authority? Tom Westfield, at EZPassLitigation@aol.com.

PANYNJ's revocation of retirees' and/or employees' Non-Revenue usage of PANYNJ facilities benefits, including but not limited to bridge and tunnel tolls and parking at airports under the E-ZPass Program, violated claimant's rights as a current or former employee, including without limitation, under New York and/or New Jersey state and federal statutory, common, contract and constitutional law.

DETAILS OF THE CLAIM:

This claim arose as a result of the PANYNJ resolution to revoke retirees' and/or employees' Non-Revenue usage of PANYNJ facilities benefits, including but not limited to bridge and tunnel tolls and parking at airports under the E-ZPass Program, effective January 1, 2011, that was adopted at a meeting of the Board of Commissioners that took place at the agency's office at 255 Park Avenue South, New York, New York on November 18, 2010.

DAMAGES:

Claimant has suffered present economic damages since revocation of the benefits described above on January 1, 2011 until the date of this claim, consisting of the tolls claimant paid while traveling over or through PANYNJ bridges and tunnels, and parking fees paid while parking at PANYNJ airports, during this period, as shown in records maintained and/or accessible by PANYNJ. Claimant will also suffer prospective economic damage after the date of this notice of claim for so long as claimant engages in travel to destinations where claimant drives over or through PANYNJ bridges and tunnels, or parks at PANYNJ airports.

DEAR PARA MEMBERS:

The law firm chosen by the PARA Board's special committee has now largely concluded its review of the E-ZPass Notice of Claim issue, and will continue the second part of the assignment: assessing the security of our overall retiree benefits.

NOTICE OF CLAIM

PARA's attorneys prepared an updated Notice of Claim form, having the benefit of the version prepared by Tom Westfield. We have included the form in this mailing for your convenience. It is also posted on PARA's Web site.

FAQs

- If a retiree filed the Westfield form already, can or should he/she file again using the updated form prepared by PARA's attorneys? Yes. PARA's attorneys strongly recommend that he/she file the updated form, and be sure to label it: "REVISED NOTICE OF CLAIM FORM."
- Is PARA or its attorneys bringing a class action suit over the E-ZPass matter against the Port Authority? No.
- Then who is? No law firm we are aware of is bringing a class action against the Port Authority regarding the loss of the E-ZPass benefit. However, Tom Westfield is actively seeking a law firm willing to bring a class action.
- Is a class action suit a "done deal?" No. But by filing a timely Notice of Claim, a retiree is keeping the option open to be part of a class action suit should it go forward, and it keeps the option open to sue the Port Authority individually. Retirees who fail to file a timely Notice of Claim will lose their right to sue, either individually or as part of a class action.
- What is the filing deadline? PARA recommends that forms be **received** by the Port Authority by **Wednesday, September 14**, which should avoid any challenge to the timeliness of the filing. A Notice of Claim form **must be sworn to before a notary, and sent via Registered Mail - Return Receipt Requested**.
- If a retiree files a Notice of Claim, is that a commitment to sue the Port Authority? No. It just keeps the option open until November 17 to commence litigation.
- *Whom do I notify if I filed a Notice of Claim on the Port Authority?* Tom Westfield, at EZPassLitigation@aol.com.
- Is PARA taking a position on whether or not to file a Notice of Claim? No. We are trying to provide the best information we can so that our members can make intelligent decisions in the matter. PARA cannot give legal advice other than that you discuss the matter with your own legal adviser.

Please note that further updates about the E-ZPass Notice of Claim issue will be online ONLY on PARA's Web site: www.paranynj.org, and via PARA's eBulletins (sign up on PARA's Web site for these). Printing and mailing costs are expensive, and PARA's resources are limited.

Thanks again for your support, and please help spread the word to other PA/PATH retirees (active employees are eligible, too) to join PARA.

Sincerely,
Your PARA Board

PANYNJ's revocation of retirees' and/or employees' Non-Revenue usage of PANYNJ facilities benefits, including but not limited to bridge and tunnel tolls and parking at airports under the E-ZPass Program, violated claimant's rights as a current or former employee, including without limitation, under New York and/or New Jersey state and federal statutory, common, contract and constitutional law.

DETAILS OF THE CLAIM:

This claim arose as a result of the PANYNJ resolution to revoke retirees' and/or employees' Non-Revenue usage of PANYNJ facilities benefits, including but not limited to bridge and tunnel tolls and parking at airports under the E-ZPass Program, effective January 1, 2011, that was adopted at a meeting of the Board of Commissioners that took place at the agency's office at 255 Park Avenue South, New York, New York on November 18, 2010.

DEAR PARA MEMBERS:

The law firm chosen by the PARA Board's special committee has now largely concluded its review of the E-ZPass Notice of Claim issue, and will continue the second part of the assignment: assessing the security of our overall retiree benefits.

NOTICE OF CLAIM

PARA's attorneys prepared an updated Notice of Claim form, having the benefit of the version prepared by Tom Westfield. We have included the form in this mailing for your convenience. It is also posted on PARA's Web site.

FAQs

- If a retiree filed the Westfield form already, can or should he/she file again using the updated form prepared by PARA's attorneys? Yes. PARA's attorneys strongly recommend that he/she file the updated form, and be sure to label it: "REVISED NOTICE OF CLAIM FORM."
- Is PARA or its attorneys bringing a class action suit over the E-ZPass matter against the Port Authority? No.
- Then who is? No law firm we are aware of is bringing a class action against the Port Authority regarding the loss of the E-ZPass benefit. However, Tom Westfield is actively seeking a law firm willing to bring a class action.
- Is a class action suit a "done deal?" No. But by filing a timely Notice of Claim, a retiree is keeping the option open to be part of a class action suit should it go forward, and it keeps the option open to sue the Port Authority individually. Retirees who fail to file a timely Notice of Claim will lose their right to sue, either individually or as part of a class action.
- What is the filing deadline? PARA recommends that forms be **received** by the Port Authority by **Wednesday, September 14**, which should avoid any challenge to the timeliness of the filing. A Notice of Claim form **must be sworn to before a notary, and sent via Registered Mail - Return Receipt Requested.**
- If a retiree files a Notice of Claim, is that a commitment to sue the Port Authority? No. It just keeps the option open until November 17 to commence litigation.
- Whom do I notify if I filed a Notice of Claim on the Port Authority? Tom Westfield, at EZPassLitigation@aol.com.
- Is PARA taking a position on whether or not to file a Notice of Claim? No. We are trying to provide the best information we can so that our members can make intelligent decisions in the matter. PARA cannot give legal advice other than that you discuss the matter with your own legal adviser.

Please note that further updates about the E-ZPass Notice of Claim issue will be online ONLY on PARA's Web site: www.paranynj.org, and via PARA's eBulletins (sign up on PARA's Web site for these). Printing and mailing costs are expensive, and PARA's resources are limited.

Thanks again for your support, and please help spread the word to other PA/PATH retirees (active employees are eligible, too) to join PARA.

Sincerely,
Your PARA Board

PORT AUTHORITY OF NEW YORK AND NEW JERSEY

2011 SEP -1 P 5: 22

CLAIMANT:

Print name

NATURE OF THE CLAIM:

Claimant is a Port Authority of New York and New Jersey ("PANYNJ") retiree and/or employee. PANYNJ's revocation of retirees' and/or employees' Non-Revenue usage of PANYNJ facilities benefits, including but not limited to bridge and tunnel tolls and parking at airports under the E-ZPass Program, violated claimant's rights as a current or former employee, including without limitation, under New York and/or New Jersey state and federal statutory, common, contract and constitutional law.

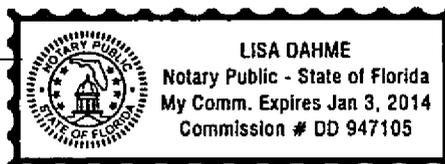

DETAILS OF THE CLAIM:

This claim arose as a result of the PANYNJ resolution to revoke retirees' and/or employees' Non-Revenue usage of PANYNJ facilities benefits, including but not limited to bridge and tunnel tolls and parking at airports under the E-ZPass Program, effective January 1, 2011, that was adopted at a meeting of the Board of Commissioners that took place at the agency's office at 255 Park Avenue South, New York, New York on November 18, 2010.

DAMAGES:

Claimant has suffered present economic damages since revocation of the benefits described above on January 1, 2011 until the date of this claim, consisting of the tolls claimant paid while traveling over or through PANYNJ bridges and tunnels, and parking fees paid while parking at PANYNJ airports, during this period, as shown in records maintained and/or accessible by PANYNJ. Claimant will also suffer prospective economic damage after the date of this notice of claim for so long as claimant engages in travel to destinations where claimant drives over or through PANYNJ bridges and tunnels, or parks at PANYNJ airports.

DEAR PARA MEMBERS:

The law firm chosen by the PARA Board's special committee has now largely concluded its review of the E-ZPass Notice of Claim issue, and will continue the second part of the assignment: assessing the security of our overall retiree benefits.

NOTICE OF CLAIM

PARA's attorneys prepared an updated Notice of Claim form, having the benefit of the version prepared by Tom Westfield. We have included the form in this mailing for your convenience. It is also posted on PARA's Web site.

FAQs

- If a retiree filed the Westfield form already, can or should he/she file again using the updated form prepared by PARA's attorneys? Yes. PARA's attorneys strongly recommend that he/she file the updated form, and be sure to label it: "REVISED NOTICE OF CLAIM FORM."
- Is PARA or its attorneys bringing a class action suit over the E-ZPass matter against the Port Authority? No.
- Then who is? No law firm we are aware of is bringing a class action against the Port Authority regarding the loss of the E-ZPass benefit. However, Tom Westfield is actively seeking a law firm willing to bring a class action.
- Is a class action suit a "done deal?" No. But by filing a timely Notice of Claim, a retiree is keeping the option open to be part of a class action suit should it go forward, and it keeps the option open to sue the Port Authority individually. Retirees who fail to file a timely Notice of Claim will lose their right to sue, either individually or as part of a class action.
- What is the filing deadline? PARA recommends that forms be **received** by the Port Authority by **Wednesday, September 14**, which should avoid any challenge to the timeliness of the filing. A Notice of Claim form **must be sworn to before a notary, and sent via Registered Mail - Return Receipt Requested**.
- If a retiree files a Notice of Claim, is that a commitment to sue the Port Authority? No. It just keeps the option open until November 17 to commence litigation.

NATURE OF THE CLAIM:

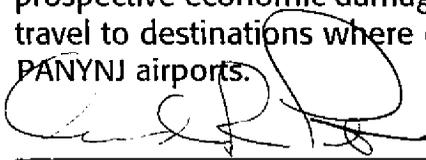

Claimant is a Port Authority of New York and New Jersey ("PANYNJ") retiree and/or employee. PANYNJ's revocation of retirees' and/or employees' Non-Revenue usage of PANYNJ facilities benefits, including but not limited to bridge and tunnel tolls and parking at airports under the E-ZPass Program, violated claimant's rights as a current or former employee, including without limitation, under New York and/or New Jersey state and federal statutory, common, contract and constitutional law.

DETAILS OF THE CLAIM:

This claim arose as a result of the PANYNJ resolution to revoke retirees' and/or employees' Non-Revenue usage of PANYNJ facilities benefits, including but not limited to bridge and tunnel tolls and parking at airports under the E-ZPass Program, effective January 1, 2011, that was adopted at a meeting of the Board of Commissioners that took place at the agency's office at 255 Park Avenue South, New York, New York on November 18, 2010.

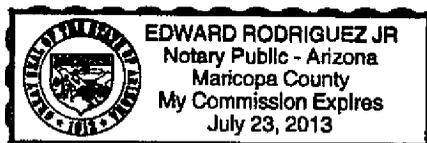

DAMAGES:

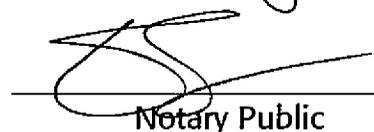

Claimant has suffered present economic damages since revocation of the benefits described above on January 1, 2011 until the date of this claim, consisting of the tolls claimant paid while traveling over or through PANYNJ bridges and tunnels, and parking fees paid while parking at PANYNJ airports, during this period, as shown in records maintained and/or accessible by PANYNJ. Claimant will also suffer prospective economic damage after the date of this notice of claim for so long as claimant engages in travel to destinations where claimant drives over or through PANYNJ bridges and tunnels, or parks at PANYNJ airports.

DEAR PARA MEMBERS:

The law firm chosen by the PARA Board's special committee has now largely concluded its review of the E-ZPass Notice of Claim issue, and will continue the second part of the assignment: assessing the security of our overall retiree benefits.

NOTICE OF CLAIM

PARA's attorneys prepared an updated Notice of Claim form, having the benefit of the version prepared by Tom Westfield. We have included the form in this mailing for your convenience. It is also posted on PARA's Web site.

FAQs

- If a retiree filed the Westfield form already, can or should he/she file again using the updated form prepared by PARA's attorneys? Yes. PARA's attorneys strongly recommend that he/she file the updated form, and be sure to label it: "REVISED NOTICE OF CLAIM FORM."
- Is PARA or its attorneys bringing a class action suit over the E-ZPass matter against the Port Authority? No.
- Then who is? No law firm we are aware of is bringing a class action against the Port Authority regarding the loss of the E-ZPass benefit. However, Tom Westfield is actively seeking a law firm willing to bring a class action.
- Is a class action suit a "done deal?" No. But by filing a timely Notice of Claim, a retiree is keeping the option open to be part of a class action suit should it go forward, and it keeps the option open to sue the Port Authority individually. Retirees who fail to file a timely Notice of Claim will lose their right to sue, either individually or as part of a class action.
- What is the filing deadline? PARA recommends that forms be **received** by the Port Authority by **Wednesday, September 14**, which should avoid any challenge to the timeliness of the filing. A Notice of Claim form **must be sworn to before a notary, and sent via Registered Mail - Return Receipt Requested**.
- If a retiree files a Notice of Claim, is that a commitment to sue the Port Authority? No. It just keeps the option open until November 17 to commence litigation.
- Whom do I notify if I filed a Notice of Claim on the Port Authority? Tom Westfield, at EZPassLitigation@aol.com.
- Is PARA taking a position on whether or not to file a Notice of Claim? No. We are trying to provide the best information we can so that our members can make intelligent decisions in the matter. PARA cannot give legal advice other than that you discuss the matter with your own legal adviser.

Please note that further updates about the E-ZPass Notice of Claim issue will be online ONLY on PARA's Web site: www.paranynj.org, and via PARA's eBulletins (sign up on PARA's Web site for these). Printing and mailing costs are expensive, and PARA's resources are limited.

Thanks again for your support, and please help spread the word to other PA/PATH retirees (active employees are eligible, too) to join PARA.

Sincerely,
Your PARA Board

NATURE OF THE CLAIM:

Claimant is a Port Authority of New York and New Jersey ("PANYNJ") ~~retiree and/or employee~~. PANYNJ's revocation of retirees' and/or employees' Non-Revenue usage of PANYNJ facilities benefits, including but not limited to bridge and tunnel tolls and parking at airports under the E-ZPass Program, violated claimant's rights as a current or former employee, including without limitation, under New York and/or New Jersey state and federal statutory, common, contract and constitutional law.

DETAILS OF THE CLAIM:

This claim arose as a result of the PANYNJ resolution to revoke retirees' and/or employees' Non-Revenue usage of PANYNJ facilities benefits, including but not limited to bridge and tunnel tolls and parking at airports under the E-ZPass Program, effective January 1, 2011, that was adopted at a meeting of the Board of Commissioners that took place at the agency's office at 255 Park Avenue South, New York, New York on November 18, 2010.

DAMAGES:

Claimant has suffered present economic damages since revocation of the benefits described above on January 1, 2011 until the date of this claim, consisting of the tolls claimant paid while traveling over or through PANYNJ bridges and tunnels, and parking fees paid while parking at PANYNJ airports, during this period, as shown in records maintained and/or accessible by PANYNJ. Claimant will also suffer prospective economic damage after the date of this notice of claim for so long as claimant engages in travel to destinations where claimant drives over or through PANYNJ bridges and tunnels, or parks at PANYNJ airports.

DEAR PARA MEMBERS:

The law firm chosen by the PARA Board's special committee has now largely concluded its review of the E-ZPass Notice of Claim issue, and will continue the second part of the assignment: assessing the security of our overall retiree benefits.

NOTICE OF CLAIM

PARA's attorneys prepared an updated Notice of Claim form, having the benefit of the version prepared by Tom Westfield. We have included the form in this mailing for your convenience. It is also posted on PARA's Web site.

FAQs

- If a retiree filed the Westfield form already, can or should he/she file again using the updated form prepared by PARA's attorneys? Yes. PARA's attorneys strongly recommend that he/she file the updated form, and be sure to label it: "REVISED NOTICE OF CLAIM FORM."
- Is PARA or its attorneys bringing a class action suit over the E-ZPass matter against the Port Authority? No.
- Then who is? No law firm we are aware of is bringing a class action against the Port Authority regarding the loss of the E-ZPass benefit. However, Tom Westfield is actively seeking a law firm willing to bring a class action.
- Is a class action suit a "done deal?" No. But by filing a timely Notice of Claim, a retiree is keeping the option open to be part of a class action suit should it go forward, and it keeps the option open to sue the Port Authority individually. Retirees who fail to file a timely Notice of Claim will lose their right to sue, either individually or as part of a class action.
- What is the filing deadline? PARA recommends that forms be **received** by the Port Authority by **Wednesday, September 14**, which should avoid any challenge to the timeliness of the filing. A Notice of Claim form **must be sworn to before a notary, and sent via Registered Mail - Return Receipt Requested**.
- If a retiree files a Notice of Claim, is that a commitment to sue the Port Authority? No. It just keeps the option open until November 17 to commence litigation.
- Whom do I notify if I filed a Notice of Claim on the Port Authority? Tom Westfield, at EZPassLitigation@aol.com.
- Is PARA taking a position on whether or not to file a Notice of Claim? No. We are trying to provide the best information we can so that our members can make intelligent decisions in the matter. PARA cannot give legal advice other than that you discuss the matter with your own legal adviser.

NATURE OF THE CLAIM:

Claimant is a Port Authority of New York and New Jersey ("PANYNJ") retiree and/or employee. PANYNJ's revocation of retirees' and/or employees' Non-Revenue usage of PANYNJ facilities benefits, including but not limited to bridge and tunnel tolls and parking at airports under the E-ZPass Program, violated claimant's rights as a current or former employee, including without limitation, under New York and/or New Jersey state and federal statutory, common, contract and constitutional law.

DETAILS OF THE CLAIM:

This claim arose as a result of the PANYNJ resolution to revoke retirees' and/or employees' Non-Revenue usage of PANYNJ facilities benefits, including but not limited to bridge and tunnel tolls and parking at airports under the E-ZPass Program, effective January 1, 2011, that was adopted at a meeting of the Board of Commissioners that took place at the agency's office at 255 Park Avenue South, New York, New York on November 18, 2010.

DAMAGES:

Claimant has suffered present economic damages since revocation of the benefits described above on January 1, 2011 until the date of this claim, consisting of the tolls claimant paid while traveling over or through PANYNJ bridges and tunnels, and parking fees paid while parking at PANYNJ airports, during this period, as shown in records maintained and/or accessible by PANYNJ. Claimant will also suffer prospective economic damage after the date of this notice of claim for so long as claimant engages in travel to destinations where claimant drives over or through PANYNJ bridges and tunnels, or parks at PANYNJ airports.

DEAR PARA MEMBERS:

The law firm chosen by the PARA Board's special committee has now largely concluded its review of the E-ZPass Notice of Claim issue, and will continue the second part of the assignment: assessing the security of our overall retiree benefits.

NOTICE OF CLAIM

PARA's attorneys prepared an updated Notice of Claim form, having the benefit of the version prepared by Tom Westfield. We have included the form in this mailing for your convenience. It is also posted on PARA's Web site.

FAQs

- If a retiree filed the Westfield form already, can or should he/she file again using the updated form prepared by PARA's attorneys? Yes. PARA's attorneys strongly recommend that he/she file the updated form, and be sure to label it: "REVISED NOTICE OF CLAIM FORM."
- Is PARA or its attorneys bringing a class action suit over the E-ZPass matter against the Port Authority? No.
- Then who is? No law firm we are aware of is bringing a class action against the Port Authority regarding the loss of the E-ZPass benefit. However, Tom Westfield is actively seeking a law firm willing to bring a class action.
- Is a class action suit a "done deal?" No. But by filing a timely Notice of Claim, a retiree is keeping the option open to be part of a class action suit should it go forward, and it keeps the option open to sue the Port Authority individually. Retirees who fail to file a timely Notice of Claim will lose their right to sue, either individually or as part of a class action.
- What is the filing deadline? PARA recommends that forms be **received** by the Port Authority by **Wednesday, September 14**, which should avoid any challenge to the timeliness of the filing. A Notice of Claim form **must be sworn to before a notary, and sent via Registered Mail - Return Receipt Requested**.
- If a retiree files a Notice of Claim, is that a commitment to sue the Port Authority? No. It just keeps the option open until November 17 to commence litigation.
- Whom do I notify if I filed a Notice of Claim on the Port Authority? Tom Westfield, at EZPassLitigation@aol.com.
- Is PARA taking a position on whether or not to file a Notice of Claim? No. We are trying to provide the best information we can so that our members can make intelligent decisions in the matter. PARA cannot give legal advice other than that you discuss the matter with your own legal adviser.

Please note that further updates about the E-ZPass Notice of Claim issue will be online ONLY on PARA's Web site: www.paranynj.org, and via PARA's eBulletins (sign up on PARA's Web site for these). Printing and mailing costs are expensive, and PARA's resources are limited.

Thanks again for your support, and please help spread the word to other PA/PATH retirees (active employees are eligible, too) to join PARA.

Sincerely,
Your PARA Board

DEAR PARA MEMBERS:

The law firm chosen by the PARA Board's special committee has now largely concluded its review of the E-ZPass Notice of Claim issue, and will continue the second part of the assignment: assessing the security of our overall retiree benefits.

NOTICE OF CLAIM

PARA's attorneys prepared an updated Notice of Claim form, having the benefit of the version prepared by Tom Westfield. We have included the form in this mailing for your convenience. It is also posted on PARA's Web site.

FAQs

- If a retiree filed the Westfield form already, can or should he/she file again using the updated form prepared by PARA's attorneys? Yes. PARA's attorneys strongly recommend that he/she file the updated form, and be sure to label it: "REVISED NOTICE OF CLAIM FORM."
- Is PARA or its attorneys bringing a class action suit over the E-ZPass matter against the Port Authority? No.
- Then who is? No law firm we are aware of is bringing a class action against the Port Authority regarding the loss of the E-ZPass benefit. However, Tom Westfield is actively seeking a law firm willing to bring a class action.
- Is a class action suit a "done deal?" No. But by filing a timely Notice of Claim, a retiree is keeping the option open to be part of a class action suit should it go forward, and it keeps the option open to sue the Port Authority individually. Retirees who fail to file a timely Notice of Claim will lose their right to sue, either individually or as part of a class action.
- What is the filing deadline? PARA recommends that forms be **received** by the Port Authority by **Wednesday, September 14**, which should avoid any challenge to the timeliness of the filing. A Notice of Claim form **must be sworn to before a notary, and sent via Registered Mail - Return Receipt Requested**.
- If a retiree files a Notice of Claim, is that a commitment to sue the Port Authority? No. It just keeps the option open until November 17 to commence litigation.
- Whom do I notify if I filed a Notice of Claim on the Port Authority? Tom Westfield, at EZPassLitigation@aol.com.
- Is PARA taking a position on whether or not to file a Notice of Claim? No. We are trying to provide the best information we can so that our members can make intelligent decisions in the matter. PARA cannot give legal advice other than that you discuss the matter with your own legal adviser.

Please note that further updates about the E-ZPass Notice of Claim issue will be online ONLY on PARA's Web site: www.paranyj.org, and via PARA's eBulletins (sign up on PARA's Web site for these). Printing and mailing costs are expensive, and PARA's resources are limited.

Thanks again for your support, and please help spread the word to other PA/PATH retirees (active employees are eligible, too) to join PARA.

Sincerely,
Your PARA Board

DEAR PARA MEMBERS:

The law firm chosen by the PARA Board's special committee has now largely concluded its review of the E-ZPass Notice of Claim issue, and will continue the second part of the assignment: assessing the security of our overall retiree benefits.

NOTICE OF CLAIM

PARA's attorneys prepared an updated Notice of Claim form, having the benefit of the version prepared by Tom Westfield. We have included the form in this mailing for your convenience. It is also posted on PARA's Web site.

FAQs

- If a retiree filed the Westfield form already, can or should he/she file again using the updated form prepared by PARA's attorneys? Yes. PARA's attorneys strongly recommend that he/she file the updated form, and be sure to label it: "REVISED NOTICE OF CLAIM FORM."
- Is PARA or its attorneys bringing a class action suit over the E-ZPass matter against the Port Authority? No.
- Then who is? No law firm we are aware of is bringing a class action against the Port Authority regarding the loss of the E-ZPass benefit. However, Tom Westfield is actively seeking a law firm willing to bring a class action.
- Is a class action suit a "done deal?" No. But by filing a timely Notice of Claim, a retiree is keeping the option open to be part of a class action suit should it go forward, and it keeps the option open to sue the Port Authority individually. Retirees who fail to file a timely Notice of Claim will lose their right to sue, either individually or as part of a class action.
- What is the filing deadline? PARA recommends that forms be **received** by the Port Authority by **Wednesday, September 14**, which should avoid any challenge to the timeliness of the filing. A Notice of Claim form **must be sworn to before a notary, and sent via Registered Mail - Return Receipt Requested**.
- If a retiree files a Notice of Claim, is that a commitment to sue the Port Authority? No. It just keeps the option open until November 17 to commence litigation.
- Whom do I notify if I filed a Notice of Claim on the Port Authority? Tom Westfield, at EZPassLitigation@aol.com.
- Is PARA taking a position on whether or not to file a Notice of Claim? No. We are trying to provide the best information we can so that our members can make intelligent decisions in the matter. PARA cannot give legal advice other than that you discuss the matter with your own legal adviser.

Please note that further updates about the E-ZPass Notice of Claim issue will be online ONLY on PARA's Web site: www.paranyj.org, and via PARA's eBulletins (sign up on PARA's Web site for these). Printing and mailing costs are expensive, and PARA's resources are limited.

Thanks again for your support, and please help spread the word to other PA/PATH retirees (active employees are eligible, too) to join PARA.

Sincerely,
Your PARA Board

FAQs

- If a retiree filed the Westfield form already, can or should he/she file again using the updated form prepared by PARA's attorneys? Yes. PARA's attorneys strongly recommend that he/she file the updated form, and be sure to label it: "REVISED NOTICE OF CLAIM FORM."
- Is PARA or its attorneys bringing a class action suit over the E-ZPass matter against the Port Authority? No.
- Then who is? No law firm we are aware of is bringing a class action against the Port Authority regarding the loss of the E-ZPass benefit. However, Tom Westfield is actively seeking a law firm willing to bring a class action.
- Is a class action suit a "done deal?" No. But by filing a timely Notice of Claim, a retiree is keeping the option open to be part of a class action suit should it go forward, and it keeps the option open to sue the Port Authority individually. Retirees who fail to file a timely Notice of Claim will lose their right to sue, either individually or as part of a class action.
- What is the filing deadline? PARA recommends that forms be **received** by the Port Authority by **Wednesday, September 14**, which should avoid any challenge to the timeliness of the filing. A Notice of Claim form **must be sworn to before a notary, and sent via Registered Mail - Return Receipt Requested**.
- If a retiree files a Notice of Claim, is that a commitment to sue the Port Authority? No. It just keeps the option open until November 17 to commence litigation.
- Whom do I notify if I filed a Notice of Claim on the Port Authority? Tom Westfield, at EZPassLitigation@aol.com.
- Is PARA taking a position on whether or not to file a Notice of Claim? No. We are trying to provide the best information we can so that our members can make intelligent decisions in the matter. PARA cannot give legal advice other than that you discuss the matter with your own legal adviser.

Please note that further updates about the E-ZPass Notice of Claim issue will be online ONLY on PARA's Web site: www.paranynj.org, and via PARA's eBulletins (sign up on PARA's Web site for these). Printing and mailing costs are expensive, and PARA's resources are limited.

Thanks again for your support, and please help spread the word to other PA/PATH retirees (active employees are eligible, too) to join PARA.

Sincerely,
Your PARA Board

Claimant is a Port Authority of New York and New Jersey ("PANYNJ") retiree and/or employee. PANYNJ's revocation of retirees' and/or employees' Non-Revenue usage of PANYNJ facilities benefits, including but not limited to bridge and tunnel tolls and parking at airports under the E-ZPass Program, violated claimant's rights as a current or former employee, including without limitation, under New York and/or New Jersey state and federal statutory, common, contract and constitutional law.

DETAILS OF THE CLAIM:

This claim arose as a result of the PANYNJ resolution to revoke retirees' and/or employees' Non-Revenue usage of PANYNJ facilities benefits, including but not limited to bridge and tunnel tolls and parking at airports under the E-ZPass Program, effective January 1, 2011, that was adopted at a meeting of the Board of Commissioners that took place at the agency's office at 255 Park Avenue South, New York, New York on November 18, 2010.

DAMAGES:

Claimant has suffered present economic damages since revocation of the benefits described above on January 1, 2011 until the date of this claim, consisting of the tolls claimant paid while traveling over or through PANYNJ bridges and tunnels, and parking fees paid while parking at PANYNJ airports, during this period, as shown in records maintained and/or accessible by PANYNJ. Claimant will also suffer prospective economic damage after the date of this notice of claim for so long as claimant engages in travel to destinations where claimant drives over or through PANYNJ bridges and tunnels, or parks at PANYNJ airports.

Loss of E-ZPass Benefit – Notice of Claim Update

DEAR PARA MEMBERS:

The law firm chosen by the PARA Board's special committee has now largely concluded its review of the E-ZPass Notice of Claim issue, and will continue the second part of the assignment: assessing the security of our overall retiree benefits.

NOTICE OF CLAIM

PARA's attorneys prepared an updated Notice of Claim form, having the benefit of the version prepared by Tom Westfield. We have included the form in this mailing for your convenience. It is also posted on PARA's Web site.

FAQs

- If a retiree filed the Westfield form already, can or should he/she file again using the updated form prepared by PARA's attorneys? Yes. PARA's attorneys strongly recommend that he/she file the updated form, and be sure to label it: "REVISED NOTICE OF CLAIM FORM."
- Is PARA or its attorneys bringing a class action suit over the E-ZPass matter against the Port Authority? No.
- Then who is? No law firm we are aware of is bringing a class action against the Port Authority regarding the loss of the E-ZPass benefit. However, Tom Westfield is actively seeking a law firm willing to bring a class action.
- Is a class action suit a "done deal?" No. But by filing a timely Notice of Claim, a retiree is keeping the option open to be part of a class action suit should it go forward, and it keeps the option open to sue the Port Authority individually. Retirees who fail to file a timely Notice of Claim will lose their right to sue, either individually or as part of a class action.
- What is the filing deadline? PARA recommends that forms be **received** by the Port Authority by **Wednesday, September 14**, which should avoid any challenge to the timeliness of the filing. A Notice of Claim form **must be sworn to before a notary, and sent via Registered Mail - Return Receipt Requested.**
- If a retiree files a Notice of Claim, is that a commitment to sue the Port Authority? No. It just keeps the option open until November 17 to commence litigation.
- Whom do I notify if I filed a Notice of Claim on the Port Authority? Tom Westfield, at EZPassLitigation@aol.com.
- Is PARA taking a position on whether or not to file a Notice of Claim? No. We are trying to provide the best information we can so that our members can make intelligent decisions in the matter. PARA cannot give legal advice other than that you discuss the matter with your own legal adviser.

Please note that further updates about the E-ZPass Notice of Claim issue will be online ONLY on PARA's Web site: www.paranynj.org, and via PARA's eBulletins (sign up on PARA's Web site for these). Printing and mailing costs are expensive, and PARA's resources are limited.

Thanks again for your support, and please help spread the word to other PA/PATH retirees (active employees are eligible, too) to join PARA.

Sincerely,
Your PARA Board

PANYNJ's revocation of retirees' and/or employees' Non-Revenue usage of PANYNJ facilities benefits, including but not limited to bridge and tunnel tolls and parking at airports under the E-ZPass Program, violated claimant's rights as a current or former employee, including without limitation, under New York and/or New Jersey state and federal statutory, common, contract and constitutional law.

DETAILS OF THE CLAIM:

This claim arose as a result of the PANYNJ resolution to revoke retirees' and/or employees' Non-Revenue usage of PANYNJ facilities benefits, including but not limited to bridge and tunnel tolls and parking at airports under the E-ZPass Program, effective January 1, 2011, that was adopted at a meeting of the Board of Commissioners that took place at the agency's office at 255 Park Avenue South, New York, New York on November 18, 2010.

DAMAGES:

Claimant has suffered present economic damages since revocation of the benefits described above on January 1, 2011 until the date of this claim, consisting of the tolls claimant paid while traveling over or through PANYNJ bridges and tunnels, and parking fees paid while parking at PANYNJ airports, during this period, as shown in records maintained and/or accessible by PANYNJ. Claimant will also suffer prospective economic damage after the date of this notice of claim for so long as claimant engages in travel to destinations where claimant drives over or through PANYNJ bridges and tunnels, or parks at PANYNJ airports.

DEAR PARA MEMBERS:

The law firm chosen by the PARA Board's special committee has now largely concluded its review of the E-ZPass Notice of Claim issue, and will continue the second part of the assignment: assessing the security of our overall retiree benefits.

NOTICE OF CLAIM

PARA's attorneys prepared an updated Notice of Claim form, having the benefit of the version prepared by Tom Westfield. We have included the form in this mailing for your convenience. It is also posted on PARA's Web site.

FAQs

- If a retiree filed the Westfield form already, can or should he/she file again using the updated form prepared by PARA's attorneys? Yes. PARA's attorneys strongly recommend that he/she file the updated form, and be sure to label it: "REVISED NOTICE OF CLAIM FORM."
- Is PARA or its attorneys bringing a class action suit over the E-ZPass matter against the Port Authority? No.
- Then who is? No law firm we are aware of is bringing a class action against the Port Authority regarding the loss of the E-ZPass benefit. However, Tom Westfield is actively seeking a law firm willing to bring a class action.
- Is a class action suit a "done deal?" No. But by filing a timely Notice of Claim, a retiree is keeping the option open to be part of a class action suit should it go forward, and it keeps the option open to sue the Port Authority individually. Retirees who fail to file a timely Notice of Claim will lose their right to sue, either individually or as part of a class action.
- What is the filing deadline? PARA recommends that forms be **received** by the Port Authority by **Wednesday, September 14**, which should avoid any challenge to the timeliness of the filing. A Notice of Claim form **must be sworn to before a notary, and sent via Registered Mail - Return Receipt Requested.**
- If a retiree files a Notice of Claim, is that a commitment to sue the Port Authority? No. It just keeps the option open until November 17 to commence litigation.
- Whom do I notify if I filed a Notice of Claim on the Port Authority? Tom Westfield, at EZPassLitigation@aol.com.
- Is PARA taking a position on whether or not to file a Notice of Claim? No. We are trying to provide the best information we can so that our members can make intelligent decisions in the matter. PARA cannot give legal advice other than that you discuss the matter with your own legal adviser.

Please note that further updates about the E-ZPass Notice of Claim issue will be online ONLY on PARA's Web site: www.paranynj.org, and via PARA's eBulletins (sign up on PARA's Web site for these). Printing and mailing costs are expensive, and PARA's resources are limited.

Thanks again for your support, and please help spread the word to other PA/PATH retirees (active employees are eligible, too) to join PARA.

Sincerely,
Your PARA Board
