Re: Freedom of Information Reference No. 13172

Dear Mr. Lesser:

This is a response to your May 3, 2012 request, which has been processed under the Port Authority's Freedom of Information Code, (the "Code"), for copies of all reports produced by the Office of Inspector General over the last two years related to the World Trade Center site.

While exempt under various exemptions of the Code, your request would cover investigatory records not subject to release under the Code.

Very truly yours,

Daniel D. Duffy
