Re: Freedom of Information Reference No. 13360

Dear Mr. Sherman:

This is a response to your July 26, 2012 request, which has been processed under the Port Authority's Freedom of Information Code, (the "Code"), for copies of any requests for courtesy escorts, airline upgrades or special treatment on behalf of Port Authority employees or commissioners from January 1, 2000 to present made through the airport managers at John F. Kennedy International Airport, LaGuardia Airport and Newark Liberty International Airport, Teterboro Airport and Stewart Airport, including a copy of the logbook kept by the airport managers.

While exempt under various exemptions of the Code, your request would cover intra-agency documents not subject to release under the Code.

Very truly yours,

Daniel D. Duffy
