CONSENT AGREEMENT

THIS AGREEMENT (this "Consent"), dated February 29, 2008, by and among THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY (hereinafter called the "Port Authority"), on the one hand, and HUDSON NEWS COMPANY d/b/a The Hudson Group, a New Jersey corporation having an office at One Meadowlands Plaza, Suite 902, East Rutherford, New Jersey 07073 and AIRPORT MANAGEMENT SERVICES, LLC, d/b/a The Hudson Group, a Delaware limited liability company, on the other (each of Hudson News Company and Airport Management Services, LLC being individually and collectively referred to herein as the "Concessionaire").

WITNESSETH, That:

WHEREAS, the Port Authority and the Concessionaire, and Concessionaire's subsidiaries and/or joint ventures, as applicable, have heretofore entered into agreements (which agreements are identified on Exhibit A, attached hereto and hereby made a part hereof and which are collectively referred to herein as "Agreements") covering use and occupancy of space by the Concessionaire at various aviation facilities of the Port Authority;

WHEREAS, Concessionaire has requested the Port Authority's consent to a certain corporate transaction ("Transaction") pursuant to which a group of funds managed by Advent International Corporation ("Advent") and certain employees of the Concessionaire will purchase a controlling interest in the travel and retail business of Concessionaire and its affiliates. More specifically, Concessionaire has advised the Port Authority that each of Hudson News Company and Airport Management Services, LLC will become a subsidiary of Hudson Group (HG), Inc. upon the closing of the Transaction and transfer of ownership contemplated thereby, and that Hudson Group (HG), Inc. is a wholly owned subsidiary of Hudson Group Holdings, Inc. (the "Parent Company"). Further, Concessionaire has advised the Port Authority that, following the closing of the transfer of ownership, *i.e.*, the Transaction, Advent and certain employees of the Concessionaire will own a controlling interest of approximately 80% of the Parent Company, and the remaining approximately 20% will continue to be owned by Hudson Media, Inc. (which in turn is owned by Robert Cohen, James Cohen and two Cohen trusts. The business of the Concessionaire at Port Authority facilities will continue to operate under the Hudson Group trade name after the closing of the Transaction;

NOW, THEREFORE, for and in consideration of the covenants and mutual agreements herein contained, the Port Authority and the Concessionaire hereby agree as follows:

1. The Port Authority consents to the Transaction on the terms and subject to the conditions set forth in this Consent.
2. Neither this Consent, nor anything contained herein nor the consent granted hereunder shall constitute or be deemed to constitute a consent, nor shall they create an implication that there has been consent, to (i) any enlargement or change in the rights, powers and privileges granted to the Concessionaire under the Agreements or (ii) the granting of any rights or privileges which are not expressly granted to the Concessionaire under the Agreements. The

agreements among the parties to the Transaction to effect such Transaction are agreements only between and among such parties with respect to the various matters set forth therein. The lack of any specific reference in any provisions of such Transaction documents to the Port Authority's approval or consent shall not be deemed to imply that no such approval or consent is required. The terms, provisions, covenants, conditions and agreements of the Agreements, rather than the terms of any of the documents between or among the parties to the Transaction, shall, in all respects, be controlling, effective and determinative.

3. The granting of the consent hereunder by the Port Authority shall not be or be deemed to operate as a waiver of the requirement that the Port Authority's prior written consent be obtained (i) to any subsequent agreement with respect to any of the Agreements or (ii) to any matter which, under the Agreements, requires the consent of the Port Authority, nor shall the granting of the consent hereunder constitute the Port Authority's consent to (i) any transaction other than the Transaction or (ii) any assignment, subletting, or sublicensing of or under any of the Agreements (in whole or in part, directly or indirectly, by operation of law or otherwise).

4. Nothing herein contained shall be construed to (i) modify, waive, impair or affect any of the provisions contained in the Agreements, (ii) operate as a consent to or approval by the Port Authority of any of the terms of the Transaction, (iii) operate as a representation or warranty by the Port Authority, (iv) waive any present or future breach of, or default under, any of the Agreements or any rights of the Port Authority against any person, firm, corporation or other entity liable or responsible for the performance thereof, or (v) enlarge or increase the Port Authority's obligations or the Concessionaire's rights under any of the Agreements.

5. The Concessionaire represents and warrants to the Port Authority that the description of the Transaction set forth in the second WHEREAS clause of this Consent is a true and accurate description thereof and that the Transaction has not been amended or modified, and acknowledges that the Port Authority is relying on such representation and warranty in entering into this Consent. Notwithstanding anything to the contrary contained herein, this Consent shall be void *ab initio* and of no force or effect (i) if the Transaction is modified in any manner which makes the aforesaid description untrue or inaccurate or (ii) the Transaction is not consummated on or before April 30, 2008.

6. The Concessionaire represents and warrants to the Port Authority that if it is a party to an agreement with a terminal operator or concession manager for its operation at John F. Kennedy International Airport, Newark Liberty International Airport or LaGuardia Airport, which agreement is the underlying concession agreement to which one of the Agreements relates, it has heretofore received an executed written consent, where applicable, to the Transaction from the relevant terminal operator or concession manager, as the case may be, in accordance with the terms of said underlying concession agreement. Moreover, the Concessionaire covenants to provide the Port Authority, upon the request of the Port Authority, with true and accurate copies of all such executed written consents from all said terminal operators and concession managers.

7. The Port Authority and the Concessionaire acknowledge and agree that, contemporaneously with the execution of this Consent and in conjunction therewith, they are entering into two other consent agreements ("Other Consents") with respect to the Transaction,

as follows: (i) a consent agreement with the Port Authority Trans-Hudson Corporation, in connection with operations of the Concessionaire at the facilities of such corporation and (ii) a consent agreement with the Port Authority of New York and New Jersey, in connection with operations of the Concessionaire at the bus terminal facility of the Port Authority in New York, New York. Further, the parties acknowledge that in connection with both this Consent and the Other Consents, the Concessionaire shall be obligated to pay a fee ("Fee") to the Port Authority, which Fee shall be paid prior to or upon delivery to the Port Authority of this Consent and the Other Consents, duly executed by the Concessionaire. The Fee shall be paid in the form of a bank or certified check in the amount of Two Hundred Eighty Thousand Dollars and No Cents (\$280,000.00). Neither this Consent, nor either of the Other Consents, shall be in force or effect unless and until the Fee is received by the Port Authority, in the amount and manner required by the terms of this paragraph.

8. Nothing contained herein shall be construed as relieving or releasing the Concessionaire from any of its obligations and liabilities under the Agreements.

9. This Consent is entered into by each of Hudson News Company and Airport Management Services, LLC acting jointly and severally as the Concessionaire under this Consent. Each and every obligation of the Concessionaire hereunder shall be the joint and several obligation of each of the said corporation and limited liability company.

10. Except as expressly provided herein, all of the terms, provisions, covenants and conditions of the Agreements shall be and remain in full force and effect.

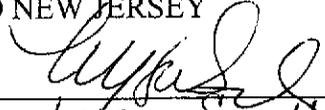

11. Concessionaire hereby indemnifies and holds harmless the Port Authority from and against any and all claims, suits, liabilities, damages and the like resulting from, arising out of, or relating to this Consent and made or asserted against the Port Authority by any party to the Transaction or any other third person; provided, however, that the Concessionaire's indemnification obligation under this paragraph 11 shall not apply to claims, suits, liabilities, damages and the like resulting from, arising out of, or relating to the willful misconduct of the Port Authority.

12. This Consent constitutes the entire agreement of the parties on the subject matter hereof and may not be changed, modified, discharged or extended except by written instrument duly executed by the Port Authority and the Concessionaire. The Concessionaire agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing in this Consent.

13. Neither the Commissioners of the Port Authority nor any of them, nor any director, officer, agent or employee of the Port Authority or the Concessionaire shall be held personally liable to any party under any term or provision of this Consent or because of its execution or because of any breach or alleged breach hereof.

IN WITNESS WHEREOF, the Port Authority, Hudson News Company and Airport Management Services, LLC have executed these presents as of the year first above written.

Concessionaire's Federal Tax I.D. # is (Ex. 1)

WITNESSETH:

WHEREAS, Stewart International Airport, (herein after called the "Airport") located in New Windsor and Newburgh, New York is owned by the State of New York; and,

WHEREAS, the State of New York has entered into a 99 year lease of the Airport with SWFAA, and

WHEREAS, SWFAA as the Lessee of the Airport under said 99 year lease, is responsible for the operation, management and development of the Airport, and,

WHEREAS, the Concessionaire is a corporation engaged in the business of providing quality food, beverage, retail news and gifts products and services at various Airports and plans to invest approximately \$700,000 in concession Space development at Stewart International Airport; and,

WHEREAS, SWFAA wishes to grant to the Concessionaire the right to construct, operate and manage concession services at the airport which will include food & beverage, general merchandise, news, gifts and sundries and Concessionaire wishes to assume the obligation to do so;

WHEREAS, the sale and service of newsstand items, general merchandise and food and beverage is a desired service for the accommodation and convenience of the airline passengers, employees and public using the Terminal Building;

NOW, THEREFORE, in consideration of the mutual covenants, terms, conditions, privileges, obligations and agreements herein contained, and intending to be bound hereby, SWFAA and the Concessionaire hereby mutually undertake, promise and agree, each for itself and its successors and assigns, as follows:

ARTICLE 1 TERM

- 1.1 The term of this Agreement shall be for a period of fifteen (15) years. The term shall commence on the first day of the month following beneficial occupancy of the terminal first level retail Space or 120 days after the terminal first level Space is turned over to Concessionaire, whichever comes first. If beneficial occupancy takes place after the fifteenth day of the month, the Term shall commence on the first day of the following month. If beneficial occupancy takes place prior to the fifteenth day of the month, the Term shall commence on the fifteenth day of that month, and in either case, terminate fifteen (15) years later.
- 1.2 In the event that the Concessionaire, or its successor in interest, if any, shall remain beyond the term set forth herein, although no right to remain is given by this Article, it is the intention of the parties and it is hereby agreed that a tenancy from month-to-month shall then arise subject to all provisions and conditions of this Agreement in connection with such tenancy, except that SWFAA shall have the sole right to determine reasonable rents and fees for any holdover period.

**ARTICLE 2
CONCESSION SPACE**

For the purposes of this Agreement, the "Space" shall mean the Concessionaire will be allocated approximately 1,825 square feet of retail Space on the first floor level and 500 square feet of storage Space on the same level as part of the Agreement. Concessionaire plans to have the total concession Space on both levels of the terminal completely constructed and permanently operational by 120 days after delivery to the Concessionaire of the premises in shell form with utilities stubbed to the perimeter. Concessionaire will use its best efforts to commence temporary food and beverage service by July 8, 2004. The second level premises were delivered to the Concessionaire in shell form on June 23, 2004. The first floor premises are estimated to be delivered to the Concessionaire on or about December 15, 2004.

**ARTICLE 3
RIGHTS OF CONCESSIONAIRE**

SWFAA grants to Concessionaire the following rights and privileges:

- 3.1 Subject to other limitations expressed in this Agreement, SWFAA hereby grants to Concessionaire the right to use the Space to conduct its food & beverage, news & gifts concession operation at SWF.
- 3.2 Concessionaire may conduct a mobile cart operation in the terminal building with the design, specifications, use and location of the cart subject to written approval by SWFAA.
- 3.3 Concessionaire may install equipment required to conduct its food and beverage operation at the terminal in the Space designated in Exhibit "A". Such equipment or system and its installation shall be subject to the prior written approval of SWFAA.
- 3.4 Concessionaire shall have the right to install and maintain one or more signs in the terminal building identifying it and its operations, provided however, the subject matter, type, design, number, location and elevation of such signs, and whether lighted or unlighted, shall be in general conformity with those of other Terminal tenants and subject to, and in accordance with the prior written approval of SWFAA.
- 3.5 Concessionaire may not sublet to another Concessionaire.
- 3.6 Should future development of the Airport require that Concessionaire's Space be demolished as a result of a new terminal being constructed, Concessionaire shall have the right to terminate this Agreement and be reimbursed for its unamortized investment for fixed improvements based on a 15-year straight-line depreciation. For the purpose of this Agreement, fixed-improvements will include the "custom fixtures" constructed by Concessionaire for the concession Space at Stewart International Airport. If any subsequent eventuality exists whereby the Concessionaire is to be reimbursed for its unamortized investment, Concessionaire agrees to use its maximum and best efforts to utilize the "custom fixtures" at another of its food or retail locations in the United States. Should future expansion of the existing terminal cause additional concession Space to be constructed due to increased passenger and airline activity, Concessionaire shall be given a 30 day right of first refusal for the expanded terminal concession Space. The term for the additional Space will be for fifteen (15) years if the investment per square foot were the same or more than the original concession Space investment. The fee schedule for the additional terminal concession Space will be determined at the time the concessionaire exercises its right of first refusal for the additional concession Space. In concept the fee schedule will be along the lines of the existing economic approach whereby a percentage of Gross Revenue will apply based on the data and forecasts determined at that time.

**ARTICLE 4
CONCESSION FEES**

- 4.1 For the benefit and privilege of conducting the concession operations hereunder, the concessionaire shall pay to SWFAA the greater of the Minimum Annual Guarantee (which is to be determined) or the Concession Fee as set forth in Exhibit "B", attached hereto. The Concession Fee payment is to commence based on the start of business, which was July 9, 2004.
- 4.2 Gross Revenue, as used herein, shall include:
- All monies paid or payable either to Concessionaire or any Sublesses for sales made and for services rendered at, to or from the concession Space, regardless of when or where the order therefore is received, and outside the concession Space, if the order therefore is received at the concession Space; and
- a. Any revenues of any type arising out of or in connection with the Concessionaire's operations in or at the Terminal Building, excluding any supplier's rebates and discounts.
 - b. The full amount of all deposits forfeited by customers in connection with Concessionaire's operation in or at the Concession Space.
- 4.3 All authorized charges and items of accounts receivable shall be treated the same as cash receipts and Concessionaire shall not be entitled to any rebates or refunds on non-collection thereof except as hereinbefore set forth.
- 4.4 Concessionaire shall make payment of Concession Fees to SWFAA in accordance with the following provisions:
- 4.4.1 Concessionaire shall pay to SWFAA, within the first twenty (20) days of each month, one-twelfth (1/12) of the Minimum Annual Guarantee, or the percentage of the Gross Receipts, whichever is greater, but in no event no less than one-twelfth (1/12) of the applicable Minimum Annual Guarantee, all as set forth in Exhibit "B" attached hereto.
 - 4.4.2 Upon the expiration of each year of operation and annually thereafter during the term of this Agreement, if the total amounts paid by the Concessionaire to SWFAA during the prior year of operation exceed the amount derived by applying the stipulated percent of gross revenues to the total gross revenues derived from the concession during such year of operation, such excess shall be credited against the succeeding month's concession fee; provided, however, the annual payment to SWFAA by the Concessionaire shall not be less than the Minimum Annual Guarantee stipulated in Exhibit "B". If it is determined the Concessionaire has underpaid, the correction will be completed by January 20 of the year after the underpayment was determined.
 - 4.4.5 Without waiving any other right of action available to SWFAA, in the event that Concessionaire is delinquent for a period of fifteen (15) days or more in paying any fees payable to SWFAA pursuant to this Agreement, the Concessionaire shall pay to SWFAA interest thereon at the rate of four (4) percentage points greater than the prime lending rate then charged by Chase Manhattan Bank from the date such amount was due and payable until such amount is paid, but the minimum delinquent fee shall be no less than twenty five dollars (\$25.00).
 - 4.4.6 The Concessionaire shall keep full and accurate books and records showing all Gross Revenue, and SWFAA shall have the right, itself or through its representatives, and at all reasonable times, to inspect and audit all such records as may be necessary to verify the reported Gross Revenue, including State of New York sales tax return records. SWFAA will pay for an initial audit. If an error is determined that depicts underpayment to SWFAA, the Concessionaire will pay for the audit. The Concessionaire agrees that all such books and records shall be made available at Concessionaire's office location for at least a two (2) year period following the end of each Agreement year.
 - 4.4.7 Concessionaire, at its sole cost and expense, shall submit to SWFAA no later than ninety (90) days after each anniversary of the commencement of the Agreement the written statement of a Certified Public Accountant certifying that the Concession Fee paid by the Concessionaire to SWFAA pursuant to this Agreement for the preceding year is accurate and correct. Such statement shall also certify the Gross Revenues as shown in the books and records of the Concessionaire that were used to compute the Concession Fees paid to SWFAA for the period covered by the statement.

- 4.4.8 In the event that any additional Concession Fee shall be determined to be rightly due and owing by any audit of Concessionaire's books and records as provided in Section 4.4.6 hereof, such amount shall forthwith be paid by the Concessionaire to SWFAA with interest thereon at the rate of four (4) percentage points greater than the prime lending rate then issued by Chase Manhattan Bank from the date such additional Concession Fee should have been paid, provided, however, that the foregoing interest provision is not be applied to amounts contested in good faith by Concessionaire.
- 4.4.9 Payment of all fees shall be made by check, money order or such other generally recognized method of payment, as SWFAA shall from time to time determine. Payments are to be made to "SWF Airport Acquisition, Inc." and shall be mailed or personally delivered to SWF Airport Acquisition, Inc., 1180 First Street, New Windsor, NY 12553, Attention: Finance Dept. - Accounts Receivable.

Concessionaire agrees that all items shall be submitted to and pricing subject to the reasonable review and approval of the General Manager of Terminal Services and the General Manager of Finance. The food and beverage and retail operation will open one hour before the first flight departure and will not close until the last flight departure. Concessionaire agrees to comply with SWFAA Airport Rules and Regulations and all State and County Health Department Rules and Regulations.**
- 5.4 Concessionaire agrees that it will prepare and deliver to SWFAA, on or before the twentieth day of each calendar month during the term of this Agreement, a statement which shall be subscribed and certified to as correct by Concessionaire, or its authorized representatives, showing a duly certified monthly operating statement on forms prescribed, or approved, by SWFAA, showing all of the gross revenues, as defined in Article 4.2 hereof, from Concessionaire's food & beverage and retail operations at the Airport for the previous month. The Bond shall be with a surety company licensed to do business in the State of New York, and be rated A+ at a minimum in Moodys and Best and shall be in a form acceptable to SWFAA, in its reasonable discretion. In the event that the Bond shall be for a period of less than the full term of this Agreement, the Concessionaire shall provide a renewal or replacement Bond for the period following the expiration of each Bond previously provided not later than sixty (60) days prior to the date on which such previous Bond expires regardless of the enplanement level.
- 5.8 Upon execution of this Agreement, the Concessionaire shall have rights of ingress and egress to and from the Space and the Airport, including but not limited to common use roadways, subject to any rules or regulations which may have been established or shall be established in the future by SWFAA or any regulations of the Federal Government and county or local municipalities. Concessionaire shall maintain the Space and any improvements thereto in a good workmanlike manner, whether such repair or maintenance is ordinary or extraordinary, or otherwise. Structural and roof repairs and maintenance shall be the responsibility of SWFAA unless caused by any act negligent or otherwise, of Concessionaire, its employees, agents or invitees or as a result of any alteration or improvement made by Concessionaire or by others for the benefit of Concessionaire.

- 7.2 The Concessionaire shall provide at its own expense such janitorial and cleaning services and supplies as may be necessary in the operation and maintenance of the Space. The Concessionaire also agrees to keep and maintain the Space in a clean, neat and sanitary condition.
- 7.3 Concessionaire shall keep at all times, in a clean and orderly condition and appearance, the improvements thereon and all of Concessionaire's fixtures, equipment and personal property which are located on any part of the Space.
- 7.4 Concessionaire shall repair any damage caused by Concessionaire.
- 7.5 Concessionaire shall be responsible for the maintenance and repair of, and payment for, all utility services and lines placed in the Terminal and used exclusively by Concessionaire, including, but not limited to, electrical power, water, gas and telephone conduits and lines. All applicable areas will have individual meters where appropriate and the Concessionaire will pay the utility costs directly to the respective utility company. Concessionaire will also be responsible for any damages to common areas or any utility lines or tenant Space due to Concessionaire's negligence.
- 7.6 Plans and specifications for all major repairs, construction, alterations, modifications, signs, additions or replacements by Concessionaire (hereinafter, referred to as "Improvements") to the Space shall be submitted to SWFAA accompanied by SWFAA's Tenant Construction/Alteration Application as completed by Concessionaire. The Tenant Construction/Alteration Application must receive the written approval of SWFAA, and no such work shall be commenced until such written approvals are obtained from SWFAA. SWFAA shall advise Concessionaire within thirty (30) days after receipt of the Written request together with copies of the plans and specification for the proposed Improvements in sufficient detail to make a proper review thereof, of its approval or disapproval of the proposed work, and in the event it disapproves, stating its reasons therefore.

If Concessionaire makes any Improvements that are disapproved by SWFAA, then, upon notice to do so, Concessionaire shall remove the same or at the option of SWFAA cause the same to be changed to the reasonable satisfaction of SWFAA. If Concessionaire fails to comply with such notice within thirty (30) days or to commence to comply and pursue diligently to completion, SWFAA may effect the removal or change and Concessionaire shall pay the cost thereof (as defined in Section 7.4 hereof) to SWFAA. Notice is hereby given by SWFAA to all persons that no lien attaches to the Terminal or any such Improvements.

Upon the expiration or earlier termination of this Agreement, the complete and unencumbered title to all Improvements, except Concessionaire's furnishings, fixtures and personal property, located in the Terminal shall immediately vest in SWFAA free and clear of all claims on the part of Concessionaire on account of any repair or improvement work done or to be done under the terms hereof by Concessionaire, provided, however, that Concessionaire shall retain title to its trade fixtures. This vesting of title in SWFAA at the time specified is part of the consideration for this Agreement. SWFAA shall not be liable to Concessionaire or Concessionaire's contractors or Sublessee for the value of any Improvements constructed or located in the Terminal.

- 7.7 The Concessionaire agrees to maintain and make necessary general repairs to all of the improvements, fixtures and equipment placed or installed in the Space by Concessionaire.

Notwithstanding the above, the time period for cure of any failure to make timely payment of any fee due hereunder shall be ten (10) days; and if Concessionaire is in default of this Agreement, SWFAA is not required to give notice.
 - 13.1.2 If the concession rights hereby created shall be taken by execution or by other process of law;
 - 13.1.3 The taking by a court of competent jurisdiction of Concessionaire's assets pursuant to proceedings under the provisions of any federal or state reorganization code or act, insofar as the enumerated remedies for license default are provided for or permitted in such code or act;

 - 14.1.2 The issuance of an order or injunction by any court of competent jurisdiction preventing or restraining the use of the Terminal Building in such a manner as to substantially restrict the Concessionaire from conducting its operation of the food/beverage and retail concession where such order or injunction was not caused by any act or omission of the Concessionaire; provided that such order or injunction remain in force for at least sixty (60) days;
 - 14.1.3 The breach by SWFAA of any of the material terms, covenants, or conditions of this Agreement to be kept, performed, and observed by SWFAA, and the failure of SWFAA to remedy such breach, for a period of thirty (30) days after receipt of written notice from the Concessionaire of the existence of such breach or, if

more than thirty (30) days shall be required because of the nature of the default, if SWFAA shall fail within said thirty (30) day period to commence and thereafter diligently proceed to cure such default.

- 14.1.4 The assumption by the United States Government, or any authorized agency thereof, of the operation, control or use of the Terminal Building and its facilities in such a manner as to substantially restrict the Concessionaire from conducting its display advertising concession if such restriction be continued for a period of sixty (60) days or more;
- 14.1.5 The destruction of such a significant portion of the Terminal Building due to fire, earthquake or any other causes not the fault of Concessionaire so as to make continuation of the food/beverage and retail concession commercially unreasonable.

Concessionaire shall take such steps as may be necessary or directed by SWFAA to ensure that its employees, agents and contractors observe these requirements.

ARTICLE 16 FIRE AND OTHER DAMAGE

- 16.1 In the event that structural or permanent portions of the Space shall be partially damaged by fire or other casualty not the fault of Concessionaire, the Concessionaire shall give immediate notice after discovery thereof to SWFAA and the same shall be repaired at the expense of SWFAA unless SWFAA determines that the damage is so extensive that repair or rebuilding is not feasible. From the date of such casualty until such area is so repaired (including if such area is not repaired), any fee payments otherwise due hereunder attributable to such area, shall abate; provided, however, that if an area shall be so slightly injured in any such casualty as not to be rendered unfit for normal usage, the fees related thereto shall not cease during any repair period. In the event of the area being damaged by fire or other casualty to such an extent as to render it necessary in the exclusive judgment of SWFAA not to rebuild the same, then, at the option of SWFAA or Concessionaire, and upon thirty (30) days written notice to the other, this Agreement as it applies to said area shall cease and come to an end, and the fees payable to SWFAA shall be proportionally adjusted to represent the loss of the use of the area to Concessionaire. If SWFAA elects to rebuild said areas, SWFAA shall notify Concessionaire of such intention within thirty (30) days of the date of the damage. Anything herein to the contrary notwithstanding, SWFAA's obligation to rebuild and repair shall be limited to the net proceeds of applicable insurance.

Concessionaire shall defend, indemnify and hold harmless SWFAA from and against any and all obligations, losses, claims, suits, judgments, liabilities, penalties, damages, costs and expenses (including attorneys' and consultants' fees and expenses) of any kind or nature whatsoever that may be incurred by, or asserted against, SWFAA resulting from (a) the actual or alleged presence of hazardous materials which is caused or permitted by Concessionaire and (b) any environmental claim relating to Concessionaire's operation of its business or use of the Space. (a) Upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deposit with the Port Authority (and shall keep deposited throughout the effective period of the permission under this Permit) the sum of Twelve Thousand Five Hundred Dollars and No Cents (\$12,500.00)

either in cash, or bonds of the United States of America, or of the State of New Jersey, or of the State of New York, or of The Port Authority of New York and New Jersey, having a market value of that amount, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed. Bonds qualifying for deposit hereunder shall be in bearer form but if bonds of that issue were offered only in registered form, then the Permittee may deposit such bonds or bonds in registered form, provided, however, that the Port Authority shall be under no obligation to accept such deposit of a bond in registered form unless such bond has been re-registered in the name of the Port Authority (the expense of such re-registration to be borne by the Permittee) in a manner satisfactory to the Port Authority. The Permittee may request the Port Authority to accept a registered bond in the Permittee's name and if acceptable to the Port Authority the Permittee shall deposit such bond together with an irrevocable bond power (and such other instruments or other documents as the Port Authority may require) in form and substance satisfactory to the Port Authority. In the event the deposit is returned to the Permittee any expenses incurred by the Port Authority in re-registering a bond to the name of the Permittee shall be borne by the Permittee. In addition to any and all other remedies available to it, the Port Authority shall have the right, at its option, at any time and from time to time, with or without notice, to use the deposit or any part thereof in whole or partial satisfaction of any of its claims or demands against the Permittee. There shall be no obligation on the Port Authority to exercise such right and neither the existence of such right nor the holding of the deposit itself shall cure any default or breach of this Agreement on the part of the Permittee. With respect to any bonds deposited by the Permittee, the Port Authority shall have the right, in order to satisfy any of its claims or demands against the Permittee, to sell the same in whole or in part, at any time, and from time to time, with or without prior notice at public or private sale, all as determined by the Port Authority, together with the right to purchase the same at such sale free of

all claims, equities or rights of redemption of the Permittee. The Permittee hereby waives all right to participate therein and all right to prior notice or demand of the amount or amounts of the claims or demands of the Port Authority against the Permittee. The proceeds of every such sale shall be applied by the Port Authority first to the costs and expenses of the sale (including but not limited to advertising or commission expenses) and then to the amounts due the Port Authority from the Permittee. Any balance remaining shall be retained in cash toward bringing the deposit to the sum specified above. In the event that the Port Authority shall at any time or times so use the deposit, or any part thereof, or if bonds shall have been deposited and the market value thereof shall have declined below the above-mentioned amount, the Permittee shall, on demand of the Port Authority and within two (2) days thereafter, deposit with the Port Authority additional cash or bonds so as to maintain the deposit at all times to the full amount above stated, and such additional deposits shall be subject to all the conditions of this Standard Endorsement. After the expiration or earlier revocation or termination of the effective period of the permission under this Permit, and upon condition that the Permittee shall then be in no wise in default under any part of this Permit, and upon written request therefor by the Permittee, the Port Authority will return the deposit to the Permittee less the amount of any and all unpaid claims and demands (including estimated damages) of the Port Authority by reason of any default or breach by the Permittee of this Permit or any part thereof. The Permittee agrees that it will not assign or encumber the deposit. The Permittee may collect or receive any interest or income earned on bonds and interest paid on cash deposited in interest-bearing bank accounts, less any part thereof or amount which the Port Authority is or may hereafter be entitled or authorized by law to retain or to charge in connection therewith, whether as or in lieu of an administrative expense, or custodial charge, or otherwise; provided, however, that the Port Authority shall not be obligated by this provision to place or to keep cash deposited hereunder in interest-bearing bank accounts.

SPECIAL ENDORSEMENTS

1. (a) By Agreement of Lease dated as of June 2, 1989, (said agreement of lease as the same may have been supplemented and amended being hereinafter called "the Airline Lease") the Port Authority leased to Continental Airlines, Inc. and Eastern Air Lines, Inc., jointly and severally, certain premises at LaGuardia Airport for the construction and operation of an airline passenger terminal building (hereinafter called "the Terminal"). Eastern Air Lines, Inc. subsequently assigned to Continental Airlines, Inc. its entire interest in the Airline Lease with the approval of the Bankruptcy Court and the consent of the Port Authority. The Airline Lease was thereafter assigned with the approval of the Bankruptcy Court by Continental Airlines, Inc. to USAir, Inc. (hereinafter called "the Airline") pursuant to an Assignment of Lease and Related Documents with Assumption and Consent Agreement entered into among the Port Authority, the Airline and Continental Airlines, Inc., and dated January 17, 1992. It was contemplated under the Airline Lease that certain consumer services would be operated in space provided by the Airline in the Terminal and the Airline has entered into a Sublease Agreement dated May 21, 1992 (hereinafter called "the Concession Lease") with the Permittee under which the Permittee has agreed to operate a certain newsstand concession in such location(s) including any cart or kiosk operation as may be approved, if at all, in writing by the Airline, as the Airline shall designate with the Airline having the right to designate the item(s) which may be carried and sold at each location so designated and the Port Authority hereby consents to such subletting. By its terms the Concession Lease is subject and subordinate to the Airline Lease and the Permittee is obligated under the Concession Lease to comply with all applicable terms of the Airline Lease. The Permittee hereby agrees for the benefit of the Port Authority to so comply.

(b) It was stipulated in the Airline Lease and in the Concession Lease that the Permittee would also enter into a permit agreement with the Port Authority covering the consumer service operations described in the following grant. Accordingly, the Port Authority hereby grants to the Permittee the privilege to operate a first class newsstand concession for the sale at retail of paperback books, magazines, periodicals, newspapers, gum, candies and packaged snacks, cough drops, digestive aids, cigarettes, cigars and tobacco products and accessories, postal cards, stationery supplies, HBA, photographic film, batteries and those sundries identified as such in Exhibit 2.1 to the Concession Lease as originally executed (the foregoing items being herein collectively called "Category A items") as well as souvenirs and T-shirts (both items being herein collectively called "Category B items") and no other item except as may be approved in writing by both the Airline and the Port Authority in advance of the same being stocked or offered to customers. The Permittee shall exercise the privilege granted by

SPECIAL ENDORSEMENTS

this Permit only in such space in the Terminal as the Airline shall designate from time to time and the Permittee hereby agrees to exercise such privilege subject to all the terms and conditions of this Permit. Each area as the Airline shall designate from time to time hereunder for the Permittee's use shall hereinafter sometimes be referred to as "a Concession Area", and all of the Concession Areas are herein referred to collectively as "the Concession Space" or "the space". The Permittee understands that as the Terminal is leased to the Airline all arrangements as to the space and facilities in which the privilege described in this paragraph will be conducted, including utilities and services therefor, shall be made with the Airline and the Permittee acknowledges that it has made such arrangements. The Port Authority makes no representations or warranties as to the location, size, adequacy or suitability of the Concession Space and the facilities therein.

2. (a) As used herein:

(i) "Annual period" shall mean, as the context requires, the twelve-month period commencing with the Fee Commencement Date, as hereinafter defined, and each successive twelve-month period thereafter occurring during the effective period of the permission granted under this Permit commencing with each anniversary of the Fee Commencement Date, provided, however, that if the Fee Commencement Date occurs on a day which is other than the first day of a calendar month, the first annual period shall include the portion of the month following such date in which the Fee Commencement Date falls plus the succeeding twelve (12) calendar months and each such subsequent annual period shall commence on the anniversary of the first day of the first full calendar month following the month in which the Fee Commencement Date occurs.

(ii) "Semi-annual period" shall mean, as the context requires, the six calendar month period commencing with the Fee Commencement Date, as hereinafter defined, and each successive six calendar month period thereafter occurring during the effective period of the permission granted under this Permit commencing with the first day of each successive six calendar month period provided, however, that if the Fee Commencement Date occurs on a day which is other than the first day of a calendar month, the first semi-annual period shall include the portion of the month following such date in which the Fee Commencement Date falls plus the succeeding six (6) calendar months.

(iii) "Gross receipts" shall mean and include all monies paid or payable to the Permittee for sales made and services rendered at or from the Terminal or the Airport

SPECIAL ENDORSEMENTS

regardless of when or where the order therefor is received and outside the Terminal or Airport if the order is received at the Terminal or the Airport and any other revenues of any type arising out of or in connection with the Permittee's operations at the Terminal or the Airport provided, however, that there shall be excluded from gross receipts any taxes imposed by law which are separately stated to and paid by a customer and directly payable to the taxing authority by the Permittee and any receipts of the Permittee which arise from the Permittee's operations under any other agreement with the Port Authority at the Airport and which are subject to a percentage fee or rental under that agreement.

(b) The fee payable by the Permittee hereunder for each annual period shall be the highest of (i) a "fixed basic fee element" equal to One Hundred Fifty-five Thousand Dollars and No Cents (\$155,000.00), or (ii) for each annual period after the first annual period, a "prior year-based fee element" equal to Eighty percent (80%) of the fee amount determined under this paragraph (b) for the immediately preceding annual period (provided, however, if the Fee Commencement Date shall fall on other than the first day of a calendar month, in using this clause (ii) to determine such fee element solely for the second annual period, only the last twelve calendar months of the first annual period shall be included) or (iii) a "percentage fee element" equal to the sum of the following percentages of the Permittee's gross receipts attributable to the respective categories indicated below during each annual period: (aa) Ten percent (10%) of such gross receipts attributable to Category A items up to and including Seven Hundred Fifty Thousand Dollars (\$750,000) and Twelve percent (12%) of such gross receipts attributable to Category A items in excess of \$750,000; and (bb) Twenty-four percent (24%) of such gross receipts attributable to Category B items up to and including Five Hundred Thousand Dollars (\$500,000) and Twenty-six percent (26%) of such gross receipts attributable to Category B items in excess of \$500,000.

(c) The fee payable by the Permittee hereunder shall be paid in accordance with the following:

(i) The Permittee shall pay to each of the Port Authority and the Airline fifty percent (50%) (each such percentage share, whenever used, and to whatever object it is to be applied, in this paragraph (c), hereinafter called "the share") of the fixed basic fee element, which element shall be payable in advance in equal monthly installments of Twelve Thousand Nine Hundred Sixteen Dollars and Sixty-six Cents (\$12,916.66) each on the Fee Commencement Date and on the first day of each calendar month thereafter occurring during each

SPECIAL ENDORSEMENTS

annual period, except that if the Fee Commencement Date shall occur on a day other than the first day of a calendar month, the installment of the fixed basic fee element payable on the Fee Commencement Date shall be an amount equal to the amount of the installment described in this paragraph multiplied by a fraction, the numerator of which shall be the number of days from the Fee Commencement Date to the last day of the calendar month in which the Fee Commencement Date shall fall, and the denominator of which shall be the total number of days in that calendar month. If the effective period of the permission granted hereunder is terminated, revoked or expires effective on other than the last day of a month, the fixed basic fee element payable for the portion of the month in which the effective date of termination or revocation shall occur shall be the amount of the monthly installment of the fixed basic fee element set forth in this subparagraph prorated on a daily basis.

(ii) Commencing with the second annual period and for such period and each annual period thereafter the Permittee shall pay to each of the Port Authority and the Airline on each fixed basic fee element installment payment date provided in clause (i) of this paragraph (c) the share of one-twelfth ($1/12$) ("the PYB Installment"), of the prior year-based fee element, if and to the extent the PYB Installment exceeds the installment then payable of the fixed basic fee element. Inasmuch as a component of the prior year-based fee element may not be determinable as of an installment payment date referred to above and so as to give effect, as of the first day of the current annual period, to the Permittee's obligation under this clause (ii), on the first such installment payment date following the date when the prior year-based fee element is determinable, the Permittee shall pay to each of the Port Authority and the Airline, in addition to and together with the share of any PYB Installment required to be made on the same date, a lump sum equal to the share of the product of the PYB Installment and the total number of the preceding fixed basic fee element installment payment dates in the same annual period as that in which the PYB Installment is payable.

(iii) During each annual period the Permittee shall pay to each of the Port Authority and the Airline the share of the percentage fee element if and to the extent it exceeds the higher of the fixed basic fee element or of the prior year-based fee element. The computation of the percentage fee element for each annual period, or a portion thereof as herein provided, shall be individual to such annual period or portion of an annual period and without relation to any other annual period or any other portion of an annual period.

SPECIAL ENDORSEMENTS

The gross receipts shall be reported and the percentage fee element shall be paid as follows: on or before the 20th day of the first calendar month following the Fee Commencement Date (as hereinafter defined) and on or before the 20th day of each and every month thereafter during the period of permission hereunder and within twenty days following the expiration or the effective date of revocation or termination of the period of permission, as applicable, the Permittee shall render to the Airline and the Port Authority a sworn statement by the chief financial officer of the Permittee showing the gross receipts for the preceding month or portion thereof ending with such expiration, revocation or termination and also showing its gross receipts cumulatively from the date of the commencement of the then current annual period for all or a portion of which the report shall be made through the last day of the preceding month or the expiration or effective date of revocation or termination of this permit, as applicable; whenever any such monthly statement shall show that the sum of the applicable percentages of all gross receipts attributable to the respective categories as set forth in clause (iii) of paragraph (b) of this Special Endorsement from the date of the commencement of such annual period through the last day of the preceding month during such annual period is in excess of the higher of the fixed basic fee element or the prior year-based fee element, then, in addition to the payment on the first day of that calendar month of the monthly installment of the fixed basic fee element, as augmented, if at all, by the PYB Installment, (in the remainder of this sentence such amalgam is herein called "the minimum monthly installment") as provided above in this Special Endorsement, the Permittee shall pay to each of the Port Authority and the Airline at the time of rendering the statement the share of such excess and the Permittee shall thereafter, in addition to the payment on the first day of each succeeding calendar month of the minimum monthly installment, and on or before the 20th day of each succeeding month during the same annual period including the month following the end thereof pay to each of the Port Authority and the Airline the share of such excess.

(iv) Within sixty (60) days after the end of the first full six calendar months of each annual period and within sixty (60) days after the close of each annual period there shall be a reconciliation between the fee payable by the Permittee under paragraph (b) of this Special Endorsement for each such respective six-month period and annual period and the fee paid for each such period. If the amount of the share of the fee payable to each of the Port Authority and the Airline for any such period exceeds the amount of the share of the fee paid for the same period, the Permittee shall pay to the Port Authority and the Airline the amount of such underpayment; and if the share

SPECIAL ENDORSEMENTS

of the fee paid for any such annual period exceeds the share of the fee payable for the same period, the Port Authority and the Airline, if and as applicable, shall first apply the share of such excess against other accrued obligations of the Permittee under this Permit to the Port Authority and the Airline, as the case may be, and, in the case of any such excess owed by the Airline to the Permittee, the Airline also shall apply such excess against accrued obligations of the Permittee to the Airline under the Concession Lease and the Port Authority and the Airline shall credit any balance remaining against its respective share against future installments of the fee payable by the Permittee to them respectively hereunder. Such reconciliation or credit shall not prejudice the right of the Port Authority or the Airline to recover from the Permittee any amount so credited or thereafter found to be due to the Port Authority or the Airline hereunder or under the Concession Lease whether as a result of any inspection or audit provided under this Permit, the Concession Lease or otherwise.

(d) In the event that a check representing a payment of a fee by the Permittee under this Special Endorsement is returned for insufficient funds, thereafter during the remainder of the period of permission hereunder, at the request of the Port Authority, the Permittee shall make all payments of the fee payable to the Port Authority under this Special Endorsement in the form of a certified check or official bank draft.

(e) For the purpose of calculating the fee payable under this Special Endorsement for any annual period which contains more or less than 365 days except the first annual period if such contains more than 365 days, each of the applicable annual fee element amounts provided and/or described in clauses (i) and (ii) of paragraph (b) of this Special Endorsement and the applicable dollar amounts set forth in clause (iii) of said paragraph (b), respectively, shall be the product of (x) the respective annual fee element amounts provided and/or described in clauses (i) and/or (ii) of said paragraph (b) or (y) the dollar amounts mentioned in clause (iii) of said paragraph (b) multiplied by a fraction, the numerator of which shall be the number of days from the commencement of such annual period through the last day thereof, both dates inclusive, and the denominator of which shall be 365.

(f) Notwithstanding that the percentage fee element hereunder is measured by a percentage of the gross receipts, no partnership relationship or joint venture between the Port Authority and the Permittee or the Airline is created or intended to be created by this Permit.

SPECIAL ENDORSEMENTS

(g) As between the Permittee and the Airline, payment by the Permittee to the Airline of any portion of the fee payable in accordance with this Special Endorsement shall be deemed in satisfaction and discharge of the Permittee's rental payment obligations payable directly to the Airline in the identical amount under subsections 1.8.1, 1.8.2 and 1.8.6 of Section 1.8 of the Concession Lease.

(h) Payments made to the Port Authority hereunder shall be sent to the following address:

The Port Authority of New York and New Jersey
P.O. Box 17309
Newark, New Jersey

or to such other address as hereafter may be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

3. The Permittee's obligation to pay the fee under paragraph (b) of Special Endorsement 2 hereof shall commence as of Sept 12, 1992 (herein called "the Fee Commencement Date").

(a) The last three sentences of Section 1 of the foregoing Terms and Conditions shall be deemed to have been deleted and the following shall be deemed to have been inserted in lieu thereof:

"Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty (30) days' written notice to the Permittee, which notice must be jointly subscribed by the Port Authority and the Airline, provided, however, that it may be revoked on twenty-four (24) hours' notice by the Port Authority without consultation with or concurrence by the Airline if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit. Revocation or termination shall not relieve the Permittee of any liabilities

or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination."

(b) The words "without the prior written consent of the Port Authority" shall be deemed to have been inserted after the word "contractor" at the end of the first full sentence following paragraph (d) of Section 2 of the foregoing Terms and Conditions.

(c) The word "written" in the eighth line of Section 4 of the foregoing Terms and Conditions shall be deemed to have been deleted and the following sentence shall be deemed to have been added to such Section:

"If the Manager of the Facility notifies the Permittee that any badge, identification or uniform is unacceptable in the sole judgment of the Manager of the Facility, the Permittee shall cease use of such objectionable badge, identification or uniform, as the case may be, and provide acceptable replacement(s) therefor within 30 days thereafter."

(d) That portion of the second paragraph of Section 5 of the foregoing Terms and Conditions following the word "Facility" shall be deemed to have been deleted.

(e) Wherever the term "expiration" is used in this Permit, it shall be deemed to mean the effective date of expiration, revocation or termination.

(f) The words "and the Airline and its Directors, officers, employees, agents and representatives" shall be deemed to have been inserted following the word "representatives" in the second line of the first sentence of Section 6 of the foregoing Terms and Conditions.

(g) Wherever in this Permit the word "Facility" is used it shall be deemed to mean, as the context requires, LaGuardia Airport and/or the Terminal in which the Permittee exercises its privileges hereunder.

(h) Section 11 of the foregoing Terms and Conditions shall be deemed to have been deleted in its entirety and the following shall be deemed to have been inserted in lieu thereof:

"In the event that any sign, poster or similar device erected, displayed or maintained by the Permittee in

view of the general public, is unacceptable to the Manager of the Facility, in the sole judgment of the Manager of the Facility, then the same shall be removed by the Permittee upon receipt of notice of the objection thereto from the Manager of the Facility."

(i) Notwithstanding the provisions of Standard Endorsement No. 21.1 annexed to this Permit the Port Authority shall be named as an additional insured in any policy of liability insurance required by the provisions of this Permit and each such policy of insurance so required shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

(j) The policies referred to in Standard Endorsement No. 21.1 shall provide or contain an endorsement providing that the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority and against the Port Authority by the Permittee, but such endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured.

(k) In paragraph (c) of Standard Endorsement No. 2.6 after the word "Airport" the following shall be deemed to have been inserted: "and separately as to transactions connected with the Terminal"; and paragraph (f) of Standard Endorsement No. 2.6 shall be deemed to have been deleted in its entirety.

(l) Standard Endorsement No. 8.0 shall be for the benefit of the Port Authority exclusively and may not be availed of by the Airline.

(m) It is hereby acknowledged that there are differences and inconsistencies between (i) the pricing requirements of Standard Endorsements Nos. 4.1 and 4.5 of this Permit on the one hand and the pricing requirements and performance standards as to prices set forth in Section 2.2 of the Concession Lease on the other and between (ii) the retail operating hour requirements set forth in Standard Endorsement No. 4.1 of this Permit on the one hand and such requirements set

forth in Section 2.3 of the Concession Lease on the other. The parties hereto agree that notwithstanding the provisions of paragraph (c) of Special Endorsement 6 of this Permit, the provisions of Sections 2.2 and 2.3 of the Concession Lease shall not be deemed to be superseded or affected in any way by the provisions of Standard Endorsements Nos. 4.1 or 4.5 of this Permit and, as between the Permittee and the Airline, the provisions of Sections 2.2 and 2.3 of the Concession Lease shall continue in full force and effect.

(n) The words "To the extent not prohibited under or inconsistent with the Concession Lease and to the extent permitted under applicable law" shall be deemed to have been inserted at the beginning of Standard Endorsement No. 10.3.

It shall be unnecessary to physically indicate the foregoing additions, deletions and substitutions on the foregoing Terms and Conditions and Standard Endorsements.

5. Without limiting the Permittee's indemnity obligations under this Permit, the Permittee's indemnity obligations hereunder shall include any claims and demands made by the Port Authority against the Airline pursuant to the provisions of the Airline Lease and any claims and demands made by the City of New York against the Port Authority pursuant to or under the provisions of the agreement of lease between the City of New York and the Port Authority covering the leasing of the Airport by the City to the Port Authority, as the same from time to time may have been or may be supplemented or amended.

6. (a) No greater rights are granted or intended to be granted to the Permittee hereunder than the Airline has the power to grant under the Airline Lease. Nothing herein contained shall be deemed to enlarge or otherwise change the rights granted to the Airline by the Airline Lease and all of the terms, provisions and conditions of the Airline Lease shall be and remain in full force and effect throughout the term of the Concession Lease and the effective period of the permission granted hereunder.

(b) Neither this Permit nor anything contained herein shall constitute or be deemed to constitute a consent by the Port Authority to, nor shall there be created an implication that there has been consent by the Port Authority to, any enlargement or change in the rights, powers and privileges granted to the Airline under the Airline Lease, nor a consent by the Port Authority to the granting or conferring of any rights, powers or privileges to the Permittee as may be provided under

SPECIAL ENDORSEMENTS

the Concession Lease if not granted to the Airline under the Airline Lease unless specifically set forth in this Permit. The Concession Lease is an agreement between the Airline and the Permittee with respect to the various matters set forth therein. Neither this Permit nor anything contained herein shall constitute an agreement between the Port Authority and the Airline that the provisions of the Concession Lease shall apply and pertain as between the Airline and the Port Authority, it being understood that the terms, provisions, covenants, conditions and agreements of the Airline Lease shall, in all respects, be controlling, effective and determinative. The specific mention of or reference to the Port Authority in any part of the Concession Lease including, without limitation thereto, any mention of any consent or approval of the Port Authority now or hereafter to be obtained, shall not be or be deemed to create an inference that the Port Authority has granted its consent or approval thereto under this Permit or shall thereafter grant its consent or approval thereto, or that the Port Authority's discretion as to any such consents or approval shall in any way be affected or impaired. The lack of any specific reference in any provisions of the Concession Lease to Port Authority approval or consent shall not be deemed to imply that no such approval or consent is required and the Airline Lease and this Permit shall, in all respects, be controlling, effective and determinative.

No provision of the Concession Lease including, but not limited to, those imposing obligations on the Permittee with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Concession Lease covering actions which shall or may be undertaken by the Permittee or the Airline including, but not limited to, construction on the space covered by this Permit, title to property and the right to perform services, be deemed to imply or infer that Port Authority consent or approval thereto will be given or that Port Authority discretion with respect thereto will in any way be affected or impaired. References in this Special Endorsement to specific matters and provisions shall not be construed as indicating any limitation upon the rights of the Port Authority with respect to its discretion as to the granting or withholding of approvals or consents as to other matters and provisions in the Concession Lease which are not specifically referred to herein.

SPECIAL ENDORSEMENTS

(c) It is hereby expressly understood that there are differences and inconsistencies between the Concession Lease, the Airline Lease and this Permit and that as to any such inconsistency or difference the terms of this Permit shall control. No changes or amendments to the Concession Lease nor any renewals or extensions thereof shall be binding upon or effective against the Port Authority or shall modify any provision of this Permit unless the same have been expressly approved in advance by the Port Authority in writing. The Port Authority may at any time and from time to time by notice to the Permittee modify, withdraw or amend any approval, direction, or designation given to the Permittee hereunder or pursuant hereto.

(d) Notwithstanding any other provision of this Permit, this Permit and the privileges granted hereunder shall in any event expire on the date of expiration or earlier termination of the Airline Lease or the Concession Lease, provided, however, that this shall not affect or impair the Port Authority's rights of revocation or termination as contained elsewhere in this Permit.

7. The Airline and the Port Authority shall both have the right by their officers, employees, agents, representatives and contractors at all reasonable times to enter upon the Concession Space for the purpose of inspecting the same, for observing the performance by the Permittee of its obligations under this Permit and for the doing of any act or thing which the Airline or the Port Authority may be obligated or have the right to do under this Permit, the Airline Lease, or otherwise. Further the Airline shall have the right to enter upon the Concession Space for the purpose of making repairs, alterations or replacements in or to any portion of the Terminal in accordance with the provisions of the Airline Lease.

8. The privilege granted hereunder is non-exclusive.

9. The Port Authority may at any time and from time to time by notice to the Permittee modify, withdraw or amend any approval, direction or designation given to the Permittee hereunder or pursuant hereto.

SPECIAL ENDORSEMENTS

10. Such provisions of this Permit as apply to the rights and obligations of the parties hereto upon the expiration of the permission granted by this Permit shall apply to the rights and obligations of the parties hereto upon the revocation or termination of the permission granted by this Permit.

All prices charged by the Permittee shall be subject to the prior written approval of the Port Authority, provided, however, that such approval will not be withheld if the proposed prices do not exceed reasonable prices for similar merchandise and/or services in the municipality in which the Airport is located. 1. The Permittee shall procure all licenses, certificates, permits or other authorization from all governmental authorities, if any, having jurisdiction over the Permittee's operations at the Airport which may be necessary for the Permittee's operations thereat.

2. The Permittee shall pay all taxes, license, certification, permit and examination fees and excises which may be assessed, levied, exacted or imposed on its property or operation hereunder or on the gross receipts or income therefrom, and shall make all applications, reports and returns required in connection therewith.

3. (a) The Port Authority has agreed by a provision in its agreement of lease with the City covering the Airport to conform to the enactments, ordinances, resolutions and regulations of the City and of its various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable so to do. The Permittee shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the Agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance.

(b) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions which may pertain or apply to the Permittee's operations at the Airport.

(c) The Permittee's obligations to comply with governmental requirements are provided herein for the purpose of assuring proper safeguards for the protection of persons and property at the Airport and are not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

Notwithstanding any other provision of this Permit, the permission hereby granted shall in any event terminate with the expiration or termination of the lease of La Guardia Airport from the City of New York to the Port Authority under the agreement between the City and the Port Authority dated April 17, 1947, as the same from time to time may have been or may be supplemented or amended. Said agreement dated April 17, 1947 has been recorded in the Office of the Register of The City of New York, County of Queens, on May 22, 1947, in Liber 5402 of Conveyances, at pages 319 et seq. No greater rights or privileges are hereby granted to the Permittee than the Port Authority has power to grant under said agreement as supplemented or amended as aforesaid.

"La Guardia Airport" or "Airport" shall mean the land and premises in The City of New York, in the County of Queens and State of New York, which are shown in green upon the exhibit attached to said agreement between the City and the Port Authority and marked "Map I", and lands contiguous thereto which may have been heretofore or may hereafter be acquired by the Port Authority to use for air terminal purposes.

The Port Authority has agreed by a provision in its agreement of lease with the City covering the Airport to conform to the enactments, ordinances, resolutions and regulations of the City and of its various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable so to do. The Permittee shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

(3) Every policy of insurance on property other than that of the Permittee required by this Endorsement shall name the Port Authority as the owner of the property, unless the Space is located in an area as to which the Port Authority itself is a lessee, in which case the Port Authority shall be named as the lessee and the owner shall be named as the owner, and the policy shall be endorsed substantially as follows:

"Loss, if any, under this policy, as to the interest of the owner and as to the interest of The Port Authority of New York and New Jersey, shall be adjusted solely with the Port Authority, and all proceeds under this policy shall be paid solely to the Port Authority."

(4) The "Additional Interest" policy of boiler and machinery insurance required by this Endorsement shall provide protection under Sections 1 and 2 only of the Insuring Agreements of the form of policy approved for use as of the date hereof by the National Bureau of Casualty Underwriters, New York, New York.

A renewal policy shall be delivered to the Port Authority at least fifteen (15) days prior to the expiration date of each expiring policy. (6) Each policy of insurance required by this Endorsement shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the New York Board of Fire Underwriters and the New York Fire Insurance Exchange, or if the Permittee's operations hereunder are in New Jersey, the National Board of Fire Underwriters and The Fire Insurance Rating Organization of N.J., and any other body or organization exercising similar functions which may pertain or apply to the Permittee's operations hereunder. If by reason of the Permittee's failure to comply with the provisions of this Endorsement, any fire insurance, extended coverage or rental insurance rate on the Airport or any part thereof or upon the contents of any building thereon shall at any time be higher than it otherwise would be, then the Permittee shall on demand pay the Port Authority that part of all fire insurance premiums paid or payable by the Port Authority which shall have been charged because of such violation by the Permittee.

The Permittee shall not do or permit to be done any act which

- (a) will invalidate or be in conflict with any fire insurance policies covering the Airport or any part thereof or upon the contents of any building thereon, or
- (b) will increase the rate of any fire insurance, extended coverage or rental insurance on the Airport or any part thereof or upon the contents of any building thereon, or
- (c) in the opinion of the Port Authority will constitute a hazardous condition, so as to increase the risks normally attendant upon the operations contemplated by this Permit, or
- (d) may cause or produce upon the Airport any unusual, noxious or objectionable smokes, gases, vapors or odors, or
- (e) may interfere with the effectiveness or accessibility of the drainage and sewerage system, fire-protection system, sprinkler system, alarm system, fire hydrants and hoses, if any, installed or located or to be installed or located in or on the Airport, or
- (f) shall constitute a nuisance in or on the Airport or which may result in the creation, commission or maintenance of a nuisance in or on the Airport.

For the purpose of this Endorsement, "Airport" includes all structures located thereon.

(a) Upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deposit with the Port Authority (and shall keep deposited throughout the effective period of the permission under this Permit) the sum of One Thousand Five Hundred Dollars and No Cents (\$1,500.00)

either in cash, or bonds of the United States of America, or of the State of New Jersey, or of the State of New York, or of The Port Authority of New York and New Jersey, having a market value of that amount, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed. Bonds qualifying for deposit hereunder shall be in bearer form but if bonds of that issue were offered only in registered form, then the Permittee may deposit such bonds or bonds in registered form, provided, however, that the Port Authority shall be under no obligation to accept such deposit of a bond in registered form unless such bond has been re-registered in the name of the Port Authority (the expense of such re-registration to be borne by the Permittee) in a manner satisfactory to the Port Authority. The Permittee may request the Port Authority to accept a registered bond in the Permittee's name and if acceptable to the Port Authority the Permittee shall deposit such bond together with an irrevocable bond power (and such other instruments or other documents as the Port Authority may require) in form and substance satisfactory to the Port Authority. In the event the deposit is returned to the Permittee any expenses incurred by the Port Authority in re-registering a bond to the name of the Permittee shall be borne by the Permittee. In addition to any and all other remedies available to it, the Port Authority shall have the right, at its option, at any time and from time to time, with or without notice, to use the deposit or any part thereof in whole or partial satisfaction of any of its claims or demands against the Permittee. There shall be no obligation on the Port Authority to exercise such right and neither the existence of such right nor the holding of the deposit itself shall cure any default or breach of this Agreement on the part of the Permittee. With respect to any bonds deposited by the Permittee, the Port Authority shall have the right, in order to satisfy any of its claims or demands against the Permittee, to sell the same in whole or in part, at any time, and from time to time, with or without prior notice at public or private sale, all as determined by the Port Authority, together with the right to purchase the same at such sale free of

all claims, equities or rights of redemption of the Permittee. The Permittee hereby waives all right to participate therein and all right to prior notice or demand of the amount or amounts of the claims or demands of the Port Authority against the Permittee. The proceeds of every such sale shall be applied by the Port Authority first to the costs and expenses of the sale (including but not limited to advertising or commission expenses) and then to the amounts due the Port Authority from the Permittee. Any balance remaining shall be retained in cash toward bringing the deposit to the sum specified above. In the event that the Port Authority shall at any time or times so use the deposit, or any part thereof, or if bonds shall have been deposited and the market value thereof shall have declined below the above-mentioned amount, the Permittee shall, on demand of the Port Authority and within two (2) days thereafter, deposit with the Port Authority additional cash or bonds so as to maintain the deposit at all times to the full amount above stated, and such additional deposits shall be subject to all the conditions of this Standard Endorsement. After the expiration or earlier revocation or termination of the effective period of the permission under this Permit, and upon condition that the Permittee shall then be in no wise in default under any part of this Permit, and upon written request therefor by the Permittee, the Port Authority will return the deposit to the Permittee less the amount of any and all unpaid claims and demands (including estimated damages) of the Port Authority by reason of any default or breach by the Permittee of this Permit or any part thereof. The Permittee agrees that it will not assign or encumber the deposit. The Permittee may collect or receive any interest or income earned on bonds and interest paid on cash deposited in interest-bearing bank accounts, less any part thereof or amount which the Port Authority is or may hereafter be entitled or authorized by law to retain or to charge in connection therewith, whether as or in lieu of an administrative expense, or custodial charge, or otherwise; provided, however, that the Port Authority shall not be obligated by this provision to place or to keep cash deposited hereunder in interest-bearing bank accounts.

SPECIAL ENDORSEMENTS

1. (a) By Agreement of Lease dated as of March 17, 1977 bearing Port Authority Lease No. AG-751, (said agreement of lease as the same may have been supplemented and amended being hereinafter called "the Airline Lease") the Port Authority leased to Eastern Air Lines, Inc. certain premises at LaGuardia Airport for the operation of an airline passenger terminal building (hereinafter called "the Terminal"). Eastern Air Lines, Inc. subsequently assigned to Trump Shuttle, Inc. its entire interest in the Airline Lease. Shuttle, Inc. succeeded to the interests of Trump Shuttle, Inc. by virtue of the merger with Trump Shuttle, Inc. in which Shuttle, Inc. (hereinafter called "the Airline") was the surviving entity. It was contemplated under the Airline Lease that certain consumer services would be operated in space provided by the Airline in the Terminal. The Airline has entered into a Sublease Agreement dated April 26, 1994 (hereinafter called "the Concession Lease") with the Permittee under which the Permittee has agreed to operate a certain newsstand concession in such location(s) as provided in the Concession Lease, a copy of which is attached hereto, for the sale at retail of items set forth therein. By its terms the Concession Lease is subject and subordinate to the Airline Lease and the Permittee is obligated under the Concession Lease to comply with all applicable terms of the Airline Lease. The Permittee hereby agrees for the benefit of the Port Authority to so comply.

(b) It was stipulated in the Airline Lease that the Airline must obtain the written consent of the Port Authority to any subletting and it was stipulated in both the Airline Lease and in the Concession Lease that as a condition to the effectiveness of the Concession Lease the Permittee must obtain a permit from the Port Authority covering the consumer service operations described in the following grant. Accordingly, the Port Authority hereby consents to the Concession Lease on and subject to the terms and conditions of this Permit and on the same basis hereby grants to the Permittee the privilege of operating a first class newsstand concession for the sale at retail of paperback books, magazines, periodicals, newspapers, gum, candies and packaged snacks, cough drops, digestive aids, cigarettes, cigars and tobacco products and accessories, postal cards, stationery supplies, HBA, photographic film, batteries and those sundries identified as such in Exhibit 2.1 to the Concession Lease (the foregoing items being herein collectively called "Category A items") as well as souvenirs, T-shirts and gifts (herein collectively called "Category B items") and no other item except as may be approved in writing by both the Airline and the Port Authority in advance of the same being

SPECIAL ENDORSEMENTS

stocked or offered to customers. The Permittee shall exercise the privilege granted by this Permit only in the space in the Terminal designated in the Airline Lease (hereinafter sometimes referred to as "the Concession Space" or "the space"). The Permittee understands that as the Terminal is leased to the Airline all arrangements as to the space and facilities in which the privilege described in this paragraph will be conducted, including utilities and services therefor, shall be made with the Airline and the Permittee acknowledges that it has made such arrangements. The Port Authority makes no representations or warranties as to the location, size, adequacy or suitability of the Concession Space and the facilities therein.

2. (a) As used herein:

(i) "Annual period" shall mean, as the context requires, the twelve-month period commencing with the Effective Date of this Permit, and each successive twelve-month period thereafter occurring during the effective period of the permission granted under this Permit commencing with each anniversary of the Effective Date of this Permit, provided, however, that if the Effective Date of this Permit occurs on a day which is other than the first day of a calendar month, the first annual period shall include the portion of the month following such date in which the Effective Date of this Permit falls plus the succeeding twelve (12) calendar months and each such subsequent annual period shall commence on the anniversary of the first day of the first full calendar month following the month in which the Effective Date of this Permit occurs.

(ii) "Semi-annual period" shall mean, as the context requires, the six calendar month period commencing with the Effective Date of this Permit, and each successive six calendar month period thereafter occurring during the effective period of the permission granted under this Permit commencing with the first day of each successive six calendar month period provided, however, that if the Effective Date of this Permit occurs on a day which is other than the first day of a calendar month, the first semi-annual period shall include the portion of the month following such date in which the Effective Date of this Permit falls plus the succeeding six (6) calendar months.

(iii) "Gross receipts" shall mean and include all monies paid or payable to the Permittee for sales made and services rendered at or from the Terminal or the Airport

SPECIAL ENDORSEMENTS

regardless of when or where the order therefor is received and outside the Terminal or Airport if the order is received at the Terminal or the Airport and any other revenues of any type arising out of or in connection with the Permittee's operations at the Terminal or the Airport provided, however, that there shall be excluded from gross receipts any taxes imposed by law which are separately stated to and paid by a customer and directly payable to the taxing authority by the Permittee and any receipts of the Permittee which arise from the Permittee's operations under any other agreement with the Port Authority at the Airport and which are subject to a percentage fee or rental under that agreement.

(b) The fee payable by the Permittee hereunder for each annual period shall be the highest of (i) a "fixed basic fee element" equal to Thirty-six Thousand Dollars and No Cents (\$36,000.00), or (ii) for each annual period after the first annual period, a "prior year-based fee element" equal to Eighty percent (80%) of the fee amount determined under this paragraph (b) for the immediately preceding annual period but in no event to exceed the fee amount payable under this paragraph (b) with respect to the first annual period (provided, however, if the Effective Date of this Permit shall fall on other than the first day of a calendar month, to determine such fee element solely for the second annual period, only the last twelve calendar months of the first annual period shall be included) or (iii) a "percentage fee element" equal to the sum of the following percentages of the Permittee's gross receipts attributable to the respective categories indicated below during each annual period: (aa) Thirteen percent (13%) of such gross receipts attributable to Category A items up to and including Seven Hundred Fifty Thousand Dollars (\$750,000) and Fifteen percent (15%) of such gross receipts attributable to Category A items in excess of \$750,000; and (bb) Twenty-two percent (22%) of such gross receipts attributable to Category B items up to and including Four Hundred Thousand Dollars (\$400,000) and Twenty-six percent (26%) of such gross receipts attributable to Category B items in excess of \$400,000.

(c) The fee payable by the Permittee hereunder shall be paid in accordance with the following:

(i) The Permittee shall pay to each of the Port Authority and the Airline fifty percent (50%) (each such percentage share, whenever used, and to whatever object it is to

SPECIAL ENDORSEMENTS

be applied, in this paragraph (c), hereinafter called "the share") of the fixed basic fee element, which element shall be payable in advance in equal monthly installments of Three Thousand Dollars and No Cents (\$3,000.00) each on the Effective Date of this Permit and on the first day of each calendar month thereafter occurring during each annual period, except that if the Effective Date of this Permit shall occur on a day other than the first day of a calendar month, the installment of the fixed basic fee element payable on the Effective Date of this Permit shall be an amount equal to the amount of the installment described in this paragraph multiplied by a fraction, the numerator of which shall be the number of days from the Effective Date of this Permit to the last day of the calendar month in which the Effective Date of this Permit shall fall, and the denominator of which shall be the total number of days in that calendar month. If the effective period of the permission granted hereunder is terminated, revoked or expires effective on other than the last day of a month, the fixed basic fee element payable for the portion of the month in which the effective date of termination or revocation shall occur shall be the amount of the monthly installment of the fixed basic fee element set forth in this subparagraph prorated on a daily basis.

(ii) Commencing with the second annual period and for such period and each annual period thereafter the Permittee shall pay to each of the Port Authority and the Airline on each fixed basic fee element installment payment date provided in clause (i) of this paragraph (c) the share of one-twelfth (1/12) ("the PYB Installment"), of the prior year-based fee element, if and to the extent the PYB Installment exceeds the installment then payable of the fixed basic fee element. Inasmuch as a component of the prior year-based fee element may not be determinable as of an installment payment date referred to above and so as to give effect, as of the first day of the current annual period, to the Permittee's obligation under this clause (ii), on the first such installment payment date following the date when the prior year-based fee element is determinable, the Permittee shall pay to each of the Port Authority and the Airline, in addition to and together with the share of any PYB Installment required to be made on the same date, a lump sum equal to the share of the product of the PYB Installment and the total number of the preceding fixed basic fee element installment payment dates in the same annual period as that in which the PYB Installment is payable.

SPECIAL ENDORSEMENTS

(iii) During each annual period the Permittee shall pay to each of the Port Authority and the Airline the share of the percentage fee element if and to the extent such percentage fee element exceeds the higher of the fixed basic fee element or of the prior year-based fee element. The computation of the percentage fee element for each annual period, or a portion thereof as herein provided, shall be individual to such annual period or portion of an annual period and without relation to any other annual period or any other portion of an annual period.

The gross receipts shall be reported and the percentage fee element shall be paid as follows: on or before the 20th day of the first calendar month following the Fee Commencement Date (as hereinafter defined) and on or before the 20th day of each and every month thereafter during the period of permission hereunder and within twenty days following the expiration or the effective date of revocation or termination of the period of permission, as applicable, the Permittee shall render to the Airline and the Port Authority a sworn statement by the chief financial officer of the Permittee showing the gross receipts for the preceding month or portion thereof ending with such expiration, revocation or termination and also showing its gross receipts cumulatively from the date of the commencement of the then current annual period for all or a portion of which the report shall be made through the last day of the preceding month or the expiration or effective date of revocation or termination of this permit, as applicable; whenever any such monthly statement shall show that the sum of the applicable percentages of all gross receipts attributable to the respective categories as set forth in clause (iii) of paragraph (b) of this Special Endorsement from the date of the commencement of such annual period through the last day of the preceding month during such annual period is in excess of the higher of the fixed basic fee element or the prior year-based fee element, then, in addition to the payment on the first day of that calendar month of the monthly installment of the fixed basic fee element, as augmented, if at all, by the PYB Installment, (in the remainder of this sentence such amalgam is herein called "the minimum monthly installment") as provided above in this Special Endorsement, the Permittee shall pay to each of the Port Authority and the Airline at the time of rendering the statement the share of such excess and the Permittee shall thereafter, in addition to the payment on the first day of each succeeding calendar month of the minimum monthly installment, and on or before the 20th day of each

SPECIAL ENDORSEMENTS

succeeding month during the same annual period including the month following the end thereof pay to each of the Port Authority and the Airline the share of such excess.

(iv) Within sixty (60) days after the end of the first full six calendar months of each annual period and within sixty (60) days after the close of each annual period there shall be a reconciliation between the fee payable by the Permittee under paragraph (b) of this Special Endorsement for each such respective six-month period and annual period and the fee paid for each such period. If the amount of the share of the fee payable to each of the Port Authority and the Airline for any such period exceeds the amount of the share of the fee paid for the same period, the Permittee shall pay to the Port Authority and the Airline the amount of such underpayment; and if the share of the fee paid for any such annual period exceeds the share of the fee payable for the same period, the Port Authority and the Airline, if and as applicable, shall first apply the share of such excess against other accrued obligations of the Permittee under this Permit to the Port Authority and the Airline, as the case may be, and, in the case of any such excess owed by the Airline to the Permittee, the Airline also shall apply such excess against accrued obligations of the Permittee to the Airline under the Concession Lease and the Port Authority and the Airline shall credit any balance remaining against its respective share against future installments of the fee payable by the Permittee to them respectively hereunder. Such reconciliation or credit shall not prejudice the right of the Port Authority or the Airline to recover from the Permittee any amount so credited or thereafter found to be due to the Port Authority or the Airline hereunder or under the Concession Lease whether as a result of any inspection or audit provided under this Permit, the Concession Lease or otherwise.

(d) In the event that a check representing a payment of a fee by the Permittee under this Special Endorsement is returned for insufficient funds, thereafter during the remainder of the period of permission hereunder, at the request of the Port Authority, the Permittee shall make all payments of the fee payable to the Port Authority under this Special Endorsement in the form of a certified check or official bank draft.

(e) For the purpose of calculating the fee payable under this Special Endorsement for any annual period

SPECIAL ENDORSEMENTS

which contains more or less than 365 days except the first annual period if such contains more than 365 days, each of the applicable annual fee element amounts provided and/or described in clauses (i) and (ii) of paragraph (b) of this Special Endorsement and the applicable dollar amounts set forth in clause (iii) of said paragraph (b), respectively, shall be the product of (x) the respective annual fee element amounts provided and/or described in clauses (i) and/or (ii) of said paragraph (b) or (y) the dollar amounts mentioned in clause (iii) of said paragraph (b) multiplied by a fraction, the numerator of which shall be the number of days from the commencement of such annual period through the last day thereof, both dates inclusive, and the denominator of which shall be 365.

(f) Notwithstanding that the percentage fee element hereunder is measured by a percentage of the gross receipts and that a portion of the prior year-based fee element may derive from the percentage fee element and notwithstanding the provisions regarding the share as between the Port Authority and the Airline, no partnership relationship or joint venture between the Port Authority and the Permittee or the Airline is created or intended to be created by this Permit.

(g) As between the Permittee and the Airline, payment by the Permittee to the Airline of any portion of the fee payable in accordance with this Special Endorsement shall be deemed in satisfaction and discharge of the Permittee's corresponding rental payment obligations payable directly to the Airline in the identical amount under subsections 1.8.1, 1.8.2 and 1.8.6 of Section 1.8 of the Concession Lease.

(h) Amounts payable hereunder to the Port Authority hereunder shall be sent to the following address:

The Port Authority of New York and New Jersey
P.O. Box 17309
Newark, New Jersey

or to such other address as hereafter may be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

3. Prior to the execution of this Permit by either party hereto the following deletions, additions and substitutions

SPECIAL ENDORSEMENTS

were made in the foregoing Terms and Conditions and Standard Endorsements:

(a) The last three sentences of Section 1 of the foregoing Terms and Conditions shall be deemed to have been deleted and the following shall be deemed to have been inserted in lieu thereof:

"Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty (30) days' written notice to the Permittee, which notice must be jointly subscribed by the Port Authority and the Airline, provided, however, that it may be revoked on twenty-four (24) hours' notice by the Port Authority without consultation with or concurrence by the Airline if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination."

(b) The words "without the prior written consent of the Port Authority" shall be deemed to have been inserted after the word "contractor" at the end of the first full sentence following paragraph (d) of Section 2 of the foregoing Terms and Conditions.

(c) The word "written" in the eighth line of Section 4 of the foregoing Terms and Conditions shall be deemed to have been deleted and the following sentence shall be deemed to have been added to such Section:

"If the Manager of the Facility notifies the Permittee that any badge, identification or uniform is unacceptable in the sole judgment of the Manager of the Facility, the Permittee shall cease use of such objectionable badge, identification or uniform, as the case may be, and provide acceptable replacement(s) therefor within 30 days thereafter."

SPECIAL ENDORSEMENTS

(d) That portion of the second paragraph of Section 5 of the foregoing Terms and Conditions following the word "Facility" shall be deemed to have been deleted.

(e) Wherever the term "expiration" is used in this Permit, it shall be deemed to mean the effective date of expiration, revocation or termination.

(f) The words "and the Airline and its Directors, officers, employees, agents and representatives" shall be deemed to have been inserted following the word "representatives" in the second line of the first sentence of Section 6 of the foregoing Terms and Conditions.

(g) Wherever in this Permit the word "Facility" is used it shall be deemed to mean, as the context requires, LaGuardia Airport and/or the Terminal in which the Permittee exercises its privileges hereunder.

(h) Section 11 of the foregoing Terms and Conditions shall be deemed to have been deleted in its entirety and the following shall be deemed to have been inserted in lieu thereof:

"In the event that any sign, poster or similar device erected, displayed or maintained by the Permittee in view of the general public, is unacceptable to the Manager of the Facility, in the sole judgment of the Manager of the Facility, then the same shall be removed by the Permittee upon receipt of notice of the objection thereto from the Manager of the Facility."

(i) Notwithstanding the provisions of Standard Endorsement No. 21.1 annexed to this Permit the Port Authority shall be named as an additional insured in any policy of liability insurance required by the provisions of this Permit and each such policy of insurance so required shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

SPECIAL ENDORSEMENTS

(j) The policies referred to in Standard Endorsement No. 21.1 shall provide or contain an endorsement providing that the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority and against the Port Authority by the Permittee, but such endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured.

(k) In paragraph (c) of Standard Endorsement No. 2.6 after the word "Airport" the following shall be deemed to have been inserted: "and separately as to transactions connected with the Terminal"; and paragraph (f) of Standard Endorsement No. 2.6 shall be deemed to have been deleted in its entirety.

(l) Standard Endorsement No. 8.0 shall be for the benefit of the Port Authority exclusively and may not be availed of by the Airline.

(m) It is hereby acknowledged that there are differences and inconsistencies between (i) the pricing requirements of Standard Endorsements Nos. 4.1 and 4.5 of this Permit on the one hand and the pricing requirements and performance standards as to prices set forth in Section 2.2 of the Concession Lease on the other and between (ii) the retail operating hour requirements set forth in Standard Endorsement No. 4.1 of this Permit on the one hand and such requirements set forth in Section 2.3 of the Concession Lease on the other. The parties hereto agree that notwithstanding the provisions of paragraph (c) of Special Endorsement 6 of this Permit, the provisions of Sections 2.2 and 2.3 of the Concession Lease shall not be deemed to be superseded or affected in any way by the provisions of Standard Endorsements Nos. 4.1 or 4.5 of this Permit and, as between the Permittee and the Airline, the provisions of Sections 2.2 and 2.3 of the Concession Lease shall continue in full force and effect.

(n) The words "To the extent not prohibited under or inconsistent with the Concession Lease and to the extent permitted under applicable law" shall be deemed to have been inserted at the beginning of Standard Endorsement No. 10.3.

SPECIAL ENDORSEMENTS

It shall be unnecessary to physically indicate the foregoing additions, deletions and substitutions on the foregoing Terms and Conditions and Standard Endorsements.

4. Without limiting the Permittee's indemnity obligations under this Permit, the Permittee's indemnity obligations hereunder shall include any claims and demands made by the Port Authority against the Airline pursuant to the provisions of the Airline Lease and any claims and demands made by the City of New York against the Port Authority pursuant to or under the provisions of the agreement of lease between the City of New York and the Port Authority covering the leasing of the Airport by the City to the Port Authority, as the same from time to time may have been or may be supplemented or amended. The Permittee's indemnity obligations shall be deemed to include, without limitation, brokerage or similar claims with respect to the subject matter of this Permit and all costs and expenses incurred by the Port Authority in any attempt by it to collect any fees and other amounts payable by the Permittee under this Permit, including the cost of legal counsel whether or not part of its own staff and if part of its staff as such costs, including unallocable costs, are generally calculated by the Port Authority.

5. (a) No greater rights are granted or intended to be granted to the Permittee hereunder than the Airline has the power to grant under the Airline Lease. Nothing herein contained shall be deemed to enlarge or otherwise change the rights granted to the Airline by the Airline Lease and all of the terms, provisions and conditions of the Airline Lease shall be and remain in full force and effect throughout the term of the Concession Lease and the effective period of the permission granted hereunder.

(b) Neither this Permit nor anything contained herein shall constitute or be deemed to constitute a consent by the Port Authority to, nor shall there be created an implication that there has been consent by the Port Authority to, any enlargement or change in the rights, powers and privileges granted to the Airline under the Airline Lease, nor a consent by the Port Authority to the granting or conferring of any rights, powers or privileges to the Permittee as may be provided under the Concession Lease if not granted to the Airline under the Airline Lease unless specifically set forth in this Permit. The

SPECIAL ENDORSEMENTS

Concession Lease is an agreement between the Airline and the Permittee with respect to the various matters set forth therein. Neither this Permit nor anything contained herein shall constitute an agreement between the Port Authority and the Airline that the provisions of the Concession Lease shall apply and pertain as between the Airline and the Port Authority, it being understood that the terms, provisions, covenants, conditions and agreements of the Airline Lease shall, in all respects, be controlling, effective and determinative. The specific mention of or reference to the Port Authority in any part of the Concession Lease including, without limitation thereto, any mention of any consent or approval of the Port Authority now or hereafter to be obtained, shall not be or be deemed to create an inference that the Port Authority has granted its consent or approval thereto under this Permit or shall thereafter grant its consent or approval thereto, or that the Port Authority's discretion as to any such consents or approval shall in any way be affected or impaired. The lack of any specific reference in any provisions of the Concession Lease to Port Authority approval or consent shall not be deemed to imply that no such approval or consent is required and the Airline Lease and this Permit shall, in all respects, be controlling, effective and determinative.

No provision of the Concession Lease including, but not limited to, those imposing obligations on the Permittee with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Concession Lease covering actions which shall or may be undertaken by the Permittee or the Airline including, but not limited to, construction on the space covered by this Permit, title to property and the right to perform services, be deemed to imply or infer that Port Authority consent or approval thereto will be given or that Port Authority discretion with respect thereto will in any way be affected or impaired. References in this Special Endorsement to specific matters and provisions shall not be construed as indicating any limitation upon the rights of the Port Authority with respect to its discretion as to the granting or withholding of approvals or consents as to other matters and provisions in the Concession Lease which are not specifically referred to herein.

SPECIAL ENDORSEMENTS

(c) It is hereby expressly understood that there are differences and inconsistencies between the Concession Lease, the Airline Lease and this Permit and that as to any such inconsistency or difference the terms of this Permit shall control. No changes or amendments to the Concession Lease nor any renewals or extensions thereof shall be binding upon or effective against the Port Authority or shall modify any provision of this Permit unless the same have been expressly approved in advance by the Port Authority in writing, the non-monetary provisions of the Concession Lease to be enforceable by and for the benefit of the Port Authority. The Port Authority may at any time and from time to time by notice to the Permittee modify, withdraw or amend any approval, direction, or designation given to the Permittee hereunder or pursuant hereto.

(d) Notwithstanding any other provision of this Permit, this Permit and the privileges granted hereunder shall in any event expire on the date of expiration or earlier termination of the Airline Lease or the Concession Lease, provided, however, that this shall not affect or impair the Port Authority's rights of revocation or termination as contained elsewhere in this Permit.

6. The Airline and the Port Authority shall both have the right by their officers, employees, agents, representatives and contractors at all reasonable times to enter upon the Concession Space for the purpose of inspecting the same, for observing the performance by the Permittee of its obligations under this Permit and for the doing of any act or thing which the Airline or the Port Authority may be obligated or have the right to do under this Permit, the Airline Lease, or otherwise. Further the Airline shall have the right to enter upon the Concession Space for the purpose of making repairs, alterations or replacements in or to any portion of the Terminal in accordance with the provisions of the Airline Lease.

7. The privilege granted hereunder is non-exclusive.

8. The Port Authority may at any time and from time to time by notice to the Permittee modify, withdraw or amend any approval, direction or designation given to the Permittee hereunder or pursuant hereto.

SPECIAL ENDORSEMENTS

9. Such provisions of this Permit as apply to the rights and obligations of the parties hereto upon the expiration of the permission granted by this Permit shall apply to the rights and obligations of the parties hereto upon the revocation or termination of the permission granted by this Permit.

10. With respect to the provisions of Standard Endorsement No. 23.1, the Permittee hereby certifies that its Federal Taxpayer I.D. No. is (Ex. 1) .

3. This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

4. The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Facility. 9. The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit. 10. The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Facility or to be placed or brought on the

Facility, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

11. No signs, posters or similar devices shall be erected, displayed or maintained by the Permittee in view of the general public without the written approval of the Manager of the Facility; and any not approved by him may be removed by the Port Authority at the expense of the Permittee.

A principal purpose of the Port Authority in granting the permission under this Permit is to have available for passengers, travelers and other users of the Port Authority Facility, all other members of the public, and persons employed at the Facility, the merchandise and/or services which the Permittee is permitted to sell and/or render hereunder, all for the better accommodation, convenience and welfare of such individuals and in fulfillment of the Port Authority's obligation to operate facilities for the use and benefit of the public.

The Permittee agrees that it will conduct a first class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor. The Permittee shall furnish all merchandise and/or all services, at reasonable prices and at the times and in a manner which will be fully satisfactory to the public and to the Port Authority. All prices charged by the Permittee shall be subject to the prior written approval of the Port Authority, provided, however, that such approval will not be withheld if the proposed prices do not exceed reasonable prices for similar merchandise and/or services in the municipality in which the Airport is located. The Permittee shall remain open for and conduct business during such hours of the day and on such days of the week as may properly serve the needs of the public. The Permittee shall, prior to furnishing any services hereunder, prepare schedules of rates for said services and discounts therefrom. The Port Authority shall examine such schedules and make such modifications therein as may be necessary. Any changes thereafter in the schedules shall be similarly submitted to the Port Authority for its prior written approval, and, if necessary, modification. All such schedules shall be made available to the public by the Permittee at locations designated from time to time by the Port Authority. The Permittee agrees to adhere to the rates and discounts stated in the approved schedules. If the Permittee applies any rate in excess of the approved rates or extends a discount less than the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the approved rates or extends a discount which is in excess of the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an undercharge and an amount equivalent thereto shall be included in gross receipts hereunder and the percentage fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Permit.

Any failure, delay or interruption, including without limitation thereto any failure, delay or interruption under the preceding paragraph of this Endorsement, in supplying agreed services (whether or not a separate charge is made therefor) shall not relieve the Permittee of any obligations hereunder and (unless resulting from the negligence of the Port Authority and continuing for a period of five (5) days after notice to the Port Authority) shall not be grounds for any claim by the Permittee for damages, consequential or otherwise.

There shall be twenty-four late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (but not less than thirteen) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. (c) Charge fair, reasonable and non-discriminatory prices for each unit of sale or service, provided that the Permittee may make reasonable and non-discriminatory discounts, rebates or other similar types of price reductions to volume purchasers.

2. Fees. (a) As used herein:

(i) "Annual Period" shall mean, as the context requires, the twelve-month period commencing with the Fee Commencement Date (as defined below) and each twelve-month period occurring thereafter during the Term (as defined below), commencing with each anniversary of the Fee Commencement Date, provided, however, that if the Fee Commencement Date occurs on a day which is other than the first day of a calendar month, the first Annual Period shall consist of the partial calendar month commencing on the Fee Commencement Date plus the succeeding twelve (12) calendar months, and each subsequent Annual Period shall commence on the anniversary of the first day of the first full calendar month following the month in which the Fee Commencement Date occurs.

(ii) "Fee Commencement Date" shall mean November 16, 1995, the date upon which the Permittee's obligation to pay fees hereunder commences.

(iii) "Gross Receipts" shall mean all monies paid or payable to the Permittee for sales made and services rendered at or from the Terminal, regardless of when or where the order therefor is received, and outside the Terminal or Airport if the order is received at the Terminal, and any other revenues of any type arising out of or in connection with the Permittee's operations at the Terminal, provided, however, that there shall be excluded from Gross Receipts any taxes imposed by law which are separately stated to and paid by a customer and directly payable to the taxing authority by the Permittee, and any receipts of the Permittee which arise from the Permittee's operations under any other agreement with the Port Authority at the Airport and which are subject to a percentage fee or rental under that agreement.

(iv) "Term" shall mean the effective period of the permission granted under this Permit.

SPECIAL ENDORSEMENTS

(b) (i) During the Term the Permittee shall pay to the Port Authority a basic fee (the "Basic Fee") at a per annum rate of Ten Thousand Eight Hundred Dollars and No Cents (\$10,800.00). The Basic Fee shall be payable in advance in equal monthly installments of Nine Hundred Dollars and No Cents (\$900.00), on the Fee Commencement Date and on the first day of each calendar month thereafter, except that if the Fee Commencement Date occurs on a day other than the first day of a calendar month, the Basic Fee installment payable on the Fee Commencement Date shall be an amount equal to the amount of the installment provided in this paragraph multiplied by a fraction, the numerator of which shall be the number of days from the Fee Commencement Date to the last day of the calendar month in which the Fee Commencement Date occurs (including both the Fee Commencement Date and such last day), and the denominator of which shall be the full number of days in that calendar month.

(ii) If the Term is terminated or revoked or expires effective on other than the last day of a calendar month, the applicable Basic Fee payable for the portion of the month in which the Term ends shall be the amount of the monthly installment of Basic Fee set forth in this Special Endorsement, prorated on a daily basis.

(c) In addition to the Basic Fee, the Permittee shall pay to the Port Authority an annual percentage fee (the "Percentage Fee") equal to the excess, over the Basic Fee, of ten percent (10%) of all Gross Receipts. The time for making payment and the method of calculation of the Percentage Fee shall be as set forth in paragraph (e) of this Special Endorsement.

(d) For the purpose of calculating the Basic Fee and the Percentage Fee due for any Annual Period which contains more or less than 365 days, the Basic Fee and the Percentage Fee shall be equal to the monthly installments payable multiplied by a fraction, the numerator of which shall be the number of days from the first day of such Annual Period through the last day thereof, including both such days, and the denominator of which shall be 365.

(e) (i) Gross Receipts shall be reported and the Percentage Fee shall be paid as follows: on the 20th day of the first month following the commencement of each Annual Period and on the 20th day of each month thereafter, including the month following the end of each Annual Period and the month following the expiration of the Term, the Permittee shall render to the Port Authority a sworn statement showing all Gross Receipts arising in the preceding month and also showing cumulative Gross Receipts from the first day of the Annual Period to which the statement applies through the last day of the preceding month. Whenever any monthly

statement shows that the Percentage Fee for the Annual Period to which the statement applies is in excess of the Basic Fee, the Permittee shall pay to the Port Authority at the time of rendering the statement an amount equal to the excess of such sum over the Basic Fee, and shall thereafter on the 20th day of each month during that Annual Period, and the month following the end of that Annual Period, including the month following the expiration of the Term, pay the Percentage Fee, if any, for each subsequent month during that Annual Period.

(ii) Upon any termination or revocation of this Permit (even if stated to have the same effect as expiration), Gross Receipts shall be reported and the Percentage Fee shall be paid on the 20th day of the first month following the month in which the effective date of such termination or revocation occurs, as follows. The Permittee shall render to the Port Authority a sworn statement of all Gross Receipts for the Annual Period in which the effective date of termination or revocation falls, showing the cumulative amount of Gross Receipts. The payment then due on account of the entire amount of the Percentage Fee for the Annual Period in which the effective date of termination or revocation falls shall be the excess of the Percentage Fee over the total of all Percentage Fee payments previously made for such Annual Period.

(f) All payments due the Port Authority under this Permit shall be sent to the following address:

The Port Authority of New York and New Jersey
P.O. Box 17309
Newark, New Jersey 07194

or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

3. Terms and Conditions and Standard Endorsements Modified.

(a) The Terms and Conditions of this Permit are hereby modified as follows:

(i) The last three sentences of Section 1 shall be deemed deleted and the following shall be deemed to be inserted in their place:

(ii) The words "without the prior written consent of the Port Authority" shall be deemed inserted after the word "contractor" at the end of the first full sentence following paragraph (d) of Section 2.

(iv) The following sentence shall be deemed inserted following the third sentence of Section 4:

(v) That portion of the second paragraph of Section 5 following the word "Facility" shall be deemed deleted.

(vi) That portion of the second paragraph of Section 8 following the word "granted" shall be deemed deleted.

(vii) Section 11 shall be deemed deleted in its entirety and the following shall be deemed inserted in its place:

"In the event that any sign, poster or similar device erected, displayed or maintained by the Permittee in view of the general public, is unacceptable to the Manager of the Facility, in the sole judgment of the Manager of the Facility, then the same shall be removed by the Permittee upon receipt of notice to do so by the Manager of the Facility and any not so removed by the Permittee may be removed by the Port Authority at the expense of the Permittee."

(b) Paragraph (f) of Standard Endorsement 2.6 to this Permit shall be deemed deleted in its entirety.

4. Insurance. (a) (i) Throughout the Term, the Permittee in its own name as insured, with the Port Authority designated as an additional insured, shall maintain and pay the premiums on a policy or policies of comprehensive general liability insurance, with an endorsement for products liability covering bodily injury liability (including death) and property damage liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage in the minimum limits set forth below.

|--|----------------------|
| Comprehensive General Liability: Combined single limit per occurrence for death, bodily injury and property damage liability. | \$2,000,000 |

(ii) Each such policy of insurance shall also provide, or contain an endorsement providing, that the protection afforded the Permittee thereunder with respect to any claim or action by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority, but such endorsement shall not limit, vary, change or affect the protection afforded the Port Authority thereunder as an additional insured. In addition, each such policy of insurance shall also provide, or contain an endorsement providing, that the protection afforded the Port Authority thereunder with respect to any claim or action against the Port Authority by the Permittee shall be the same as the protection afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person, as if the Port Authority were the named insured thereunder. Each such policy of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Permittee under Section 6 of the Terms and Conditions of this Permit, as amended by Special Endorsement No. 5 below.

(b) (i) Notwithstanding any minimum insurance coverage limits set forth in this Permit, it is specifically understood and agreed that the Port Authority shall have the right (x) to review all insurance coverages and policies required by the Port Authority for adequacy of terms, conditions and limits and, upon notice to the Permittee given from time to time and at any time, (y) to require the Permittee to amend or modify the insurance coverage, and (z) to require the Permittee to obtain such other or additional insurance, in such reasonable amounts and against such other

insurable hazards, as the Port Authority may deem necessary. The Permittee shall promptly comply with such requirements and shall promptly submit to the Port Authority a certificate or certificates evidencing such compliance.

(ii) The insurance required herein shall be written by a company or companies approved by the Port Authority. If at any time any of the insurance policies are or become unsatisfactory to the Port Authority as to form or substance, or if any of the carriers issuing such policies are or become unsatisfactory to the Port Authority, the Permittee shall promptly obtain in replacement a new policy satisfactory to the Port Authority. A certified copy of each policy shall be delivered to the Port Authority promptly upon the Port Authority's request at any time.

(c) The Permittee shall deliver to the Port Authority, upon execution and delivery of this Permit, a certified copy of each policy, a certificate evidencing the existence thereof or a binder. Each policy, certificate or binder delivered shall bear the endorsement of or be accompanied by evidence of payment of the premium for the policy. Any binder delivered shall be replaced within thirty (30) days by a certified copy of the policy or a certificate. Each such copy or certificate shall contain a valid provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' advance written notice to the Port Authority. Each such copy or certificate required shall contain a provision that the insurer shall not, without the express advance written permission of the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority. Any renewal policy, or evidence thereof, as provided above, shall be delivered to the Port Authority at least thirty (30) days prior to the expiration of each expiring policy.

3. This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

4. The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Facility. 10. The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. The Permittee agrees that it will conduct a first class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor. The Permittee shall sell only such items of merchandise and/or render only such services as may be approved in writing from time to time by the Port Authority. The Permittee shall furnish all merchandise and/or all services, at reasonable prices and at the times and in a manner which will be fully satisfactory to the public and to the Port Authority. All prices charged by the Permittee shall be subject to the prior written approval of the Port Authority, provided, however, that such approval will not be withheld if the proposed prices do not exceed reasonable prices for similar merchandise and/or services in the municipality in which the Airport is located. All such schedules shall be made available to the public by the Permittee at locations designated from time to time by the Port Authority. The Permittee agrees to adhere to the rates and discounts stated in the approved schedules. If the Permittee applies any rate in excess of the approved rates or extends a discount less than the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the approved rates or extends a discount which is in excess of the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an undercharge and an amount equivalent thereto shall be included in gross receipts hereunder and the percentage fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Permit.

There shall be twenty-four late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (but not less than thirteen) calendar days. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Endorsement with respect to such unpaid amount. Nothing in this Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including without limitation the Port Authority's rights set forth in Section 1 of the Terms and Conditions of this Permit or (ii) any obligations of the Permittee under this Permit. Said agreement dated April 17, 1947 has been recorded in the Office of the Register of The City of New York, County of Queens, on May 22, 1947, in Liber 5402 of Conveyances, at pages 319 et seq. "La Guardia Airport" or "Airport" shall mean the land and premises in The City of New York, in the County of Queens and State of New York, which are shown in green upon the exhibit attached to said agreement between the City and the Port Authority and marked "Map I", and lands contiguous thereto which may have been heretofore or may hereafter be acquired by the Port Authority to use for air terminal purposes.

The Port Authority has agreed by a provision in its agreement of lease with the City covering the Airport to conform to the enactments, ordinances, resolutions and regulations of the City and of its various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable so to do. The Permittee shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

3/25/82 (R)

(2) The Port Authority shall be named as an additional insured in any policy of liability insurance required by this Endorsement, unless the Port Authority shall, at any time during the effective period of this Permit, direct otherwise in writing, in which case the Permittee shall cause the Port Authority not to be so named.

(3) Every policy of insurance on property other than that of the Permittee required by this Endorsement shall name the Port Authority as the owner of the property, unless the Space is located in an area as to which the Port Authority itself is a lessee, in which case the Port Authority shall be named as the lessee and the owner shall be named as the owner, and the policy shall be endorsed substantially as follows:

"Loss, if any, under this policy, as to the interest of the owner and as to the interest of The Port Authority of New York and New Jersey, shall be adjusted solely with the Port Authority, and all proceeds under this policy shall be paid solely to the Port Authority."

(4) The "Additional Interest" policy of boiler and machinery insurance required by this Endorsement shall provide protection under Sections 1 and 2 only of the Insuring Agreements of the form of policy approved for use as of the date hereof by the National Bureau of Casualty Underwriters, New York, New York.

(5) As to any insurance required by this Endorsement, a certified copy of each of the policies or a certificate or certificates evidencing the existence thereof, or binders, shall be delivered to the Port Authority within ten (10) days after the execution of this Permit. In the event any binder is delivered, it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate. Each such copy or certificate shall contain a valid provision or endorsement that the policy may not be cancelled, terminated, changed or modified, without giving ten (10) days' written notice thereof to the Port Authority. A renewal policy shall be delivered to the Port Authority at least fifteen (15) days prior to the expiration date of each expiring policy. If at any time any of the policies shall be or become unsatisfactory to the Port Authority as to form or substance, or if any of the carriers issuing such policies shall be or become unsatisfactory to the Port Authority, the Permittee shall promptly obtain a new and satisfactory policy in replacement.

(6) Each policy of insurance required by this Endorsement shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the New York Board of Fire Underwriters and the New York Fire Insurance Exchange, or if the Permittee's operations hereunder are in New Jersey, the National Board of Fire Underwriters and The Fire Insurance Rating Organization of N.J., and any other body or organization exercising similar functions which may pertain or apply to the Permittee's operations hereunder. If by reason of the Permittee's failure to comply with the provisions of this Endorsement, any fire insurance, extended coverage or rental insurance rate on the Airport or any part thereof or upon the contents of any building thereon shall at any time be higher than it otherwise would be, then the Permittee shall on demand pay the Port Authority that part of all fire insurance premiums paid or payable by the Port Authority which shall have been charged because of such violation by the Permittee.

The Permittee shall not do or permit to be done any act which

- (a) will invalidate or be in conflict with any fire insurance policies covering the Airport or any part thereof or upon the contents of any building thereon, or
- (b) will increase the rate of any fire insurance, extended coverage or rental insurance on the Airport or any part thereof or upon the contents of any building thereon, or
- (c) in the opinion of the Port Authority will constitute a hazardous condition, so as to increase the risks normally attendant upon the operations contemplated by this Permit, or
- (d) may cause or produce upon the Airport any unusual, noxious or objectionable smokes, gases, vapors or odors, or
- (e) may interfere with the effectiveness or accessibility of the drainage and sewerage system, fire-protection system, sprinkler system, alarm system, fire hydrants and hoses, if any, installed or located or to be installed or located in or on the Airport, or
- (f) shall constitute a nuisance in or on the Airport or which may result in the creation, commission or maintenance of a nuisance in or on the Airport.

For the purpose of this Endorsement, "Airport" includes all structures located thereon.

If any type of strike or other labor activity is directed against the Permittee at the Facility or against any operations pursuant to this Permit resulting in picketing or boycott for a period of at least forty-eight (48) hours which, in the opinion of the Port Authority, adversely affects or is likely adversely to affect the operation of the Facility or the operations of other permittees, lessees or licensees thereat, whether or not the same is due to the fault of the Permittee, and whether caused by the employees of the Permittee or by others, the Port Authority may at any time during the continuance thereof, by twenty-four (24) hours' notice, revoke this Permit effective at the time specified in the notice. Revocation shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation.

SPECIAL ENDORSEMENTS

1. Grant of Privilege. The Port Authority hereby grants to the Permittee the privilege of operating a first class newsstand concession for the sale at retail of paperback books, magazines, periodicals, newspapers, gum, candies and packaged snacks, cough drops, digestive aids, cigarettes, cigars, tobacco products and accessories, postal cards, stationery supplies, health and beauty aids, photographic film, batteries, sundries, souvenirs, T-shirts and gifts and no other items except as may be approved in writing by the Port Authority in advance of the same being stocked or offered to customers. The Permittee shall exercise the privilege granted by this Permit only in the space in the Marine Air Terminal (the "Terminal") designated by the Port Authority (hereinafter sometimes referred to as the "Concession Space" or the "Space"), subject to all the terms and conditions of this Permit.

2. Fees. (a) As used herein:

(i) "Annual Period" shall mean, as the context requires, the twelve-month period commencing with the Fee Commencement Date (as defined below) and each twelve-month period occurring thereafter during the Term (as defined below), commencing with each anniversary of the Fee Commencement Date, provided, however, that if the Fee Commencement Date occurs on a day which is other than the first day of a calendar month, the first Annual Period shall consist of the partial calendar month commencing on the Fee Commencement Date plus the succeeding twelve (12) calendar months, and each subsequent Annual Period shall commence on the anniversary of the first day of the first full calendar month following the month in which the Fee Commencement Date occurs.

(ii) "Fee Commencement Date" shall mean November 16, 1995, the date upon which the Permittee's obligation to pay fees hereunder commences.

(iii) "Gross Receipts" shall mean all monies paid or payable to the Permittee for sales made and services rendered at or from the Terminal, regardless of when or where the order therefor is received, and outside the Terminal or Airport if the order is received at the Terminal, and any other revenues of any type arising out of or in connection with the Permittee's operations at the Terminal, provided, however, that there shall be excluded from Gross Receipts any taxes imposed by law which are separately stated to and paid by a customer and directly payable to the taxing authority by the Permittee, and any receipts of the Permittee which arise from the Permittee's operations under any other agreement with the Port Authority at the Airport and which are subject to a percentage fee or rental under that agreement.

(iv) "Term" shall mean the effective period of the permission granted under this Permit.

SPECIAL ENDORSEMENTS

(b) (i) During the Term the Permittee shall pay to the Port Authority a basic fee (the "Basic Fee") at a per annum rate of Ten Thousand Eight Hundred Dollars and No Cents (\$10,800.00). The Basic Fee shall be payable in advance in equal monthly installments of Nine Hundred Dollars and No Cents (\$900.00), on the Fee Commencement Date and on the first day of each calendar month thereafter, except that if the Fee Commencement Date occurs on a day other than the first day of a calendar month, the Basic Fee installment payable on the Fee Commencement Date shall be an amount equal to the amount of the installment provided in this paragraph multiplied by a fraction, the numerator of which shall be the number of days from the Fee Commencement Date to the last day of the calendar month in which the Fee Commencement Date occurs (including both the Fee Commencement Date and such last day), and the denominator of which shall be the full number of days in that calendar month.

(ii) If the Term is terminated or revoked or expires effective on other than the last day of a calendar month, the applicable Basic Fee payable for the portion of the month in which the Term ends shall be the amount of the monthly installment of Basic Fee set forth in this Special Endorsement, prorated on a daily basis.

(c) In addition to the Basic Fee, the Permittee shall pay to the Port Authority an annual percentage fee (the "Percentage Fee") equal to the excess, over the Basic Fee, of ten percent (10%) of all Gross Receipts. The time for making payment and the method of calculation of the Percentage Fee shall be as set forth in paragraph (e) of this Special Endorsement.

(d) For the purpose of calculating the Basic Fee and the Percentage Fee due for any Annual Period which contains more or less than 365 days, the Basic Fee and the Percentage Fee shall be equal to the monthly installments payable multiplied by a fraction, the numerator of which shall be the number of days from the first day of such Annual Period through the last day thereof, including both such days, and the denominator of which shall be 365.

(e) (i) Gross Receipts shall be reported and the Percentage Fee shall be paid as follows: on the 20th day of the first month following the commencement of each Annual Period and on the 20th day of each month thereafter, including the month following the end of each Annual Period and the month following the expiration of the Term, the Permittee shall render to the Port Authority a sworn statement showing all Gross Receipts arising in the preceding month and also showing cumulative Gross Receipts from the first day of the Annual Period to which the statement applies through the last day of the preceding month. Whenever any monthly

SPECIAL ENDORSEMENTS

statement shows that the Percentage Fee for the Annual Period to which the statement applies is in excess of the Basic Fee, the Permittee shall pay to the Port Authority at the time of rendering the statement an amount equal to the excess of such sum over the Basic Fee, and shall thereafter on the 20th day of each month during that Annual Period, and the month following the end of that Annual Period, including the month following the expiration of the Term, pay the Percentage Fee, if any, for each subsequent month during that Annual Period.

(ii) Upon any termination or revocation of this Permit (even if stated to have the same effect as expiration), Gross Receipts shall be reported and the Percentage Fee shall be paid on the 20th day of the first month following the month in which the effective date of such termination or revocation occurs, as follows. The Permittee shall render to the Port Authority a sworn statement of all Gross Receipts for the Annual Period in which the effective date of termination or revocation falls, showing the cumulative amount of Gross Receipts. The payment then due on account of the entire amount of the Percentage Fee for the Annual Period in which the effective date of termination or revocation falls shall be the excess of the Percentage Fee over the total of all Percentage Fee payments previously made for such Annual Period.

(f) All payments due the Port Authority under this Permit shall be sent to the following address:

The Port Authority of New York and New Jersey
P.O. Box 17309
Newark, New Jersey 07194

or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

3. Terms and Conditions and Standard Endorsements Modified.

(a) The Terms and Conditions of this Permit are hereby modified as follows:

(i) The last three sentences of Section 1 shall be deemed deleted and the following shall be deemed to be inserted in their place:

"Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty (30) days' written notice to the Permittee by the Port Authority, provided, however, that it may be revoked on twenty-four

SPECIAL ENDORSEMENTS

(24) hours' written notice by the Port Authority if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination."

(ii) The words "without the prior written consent of the Port Authority" shall be deemed inserted after the word "contractor" at the end of the first full sentence following paragraph (d) of Section 2.

(iii) The word "written" shall be deemed deleted from the eighth line of Section 4.

(iv) The following sentence shall be deemed inserted following the third sentence of Section 4:

"If the Manager of the Facility notifies the Permittee that any badge, identification or uniform is unacceptable in the sole judgment of the Manager of the Facility, then the Permittee shall upon receipt of such notice cease use of such objectionable badge, identification or uniform, as the case may be, and shall provide acceptable replacement(s) therefor within thirty (30) days thereafter."

(v) That portion of the second paragraph of Section 5 following the word "Facility" shall be deemed deleted.

(vi) That portion of the second paragraph of Section 8 following the word "granted" shall be deemed deleted.

(vii) Section 11 shall be deemed deleted in its entirety and the following shall be deemed inserted in its place:

"In the event that any sign, poster or similar device erected, displayed or maintained by the Permittee in view of the general public, is unacceptable to the Manager of the Facility, in the sole judgment of the Manager of the Facility, then the same shall be removed by the Permittee upon receipt of notice to do so by the Manager of the Facility and any not so removed by the Permittee may be removed by the Port Authority at the expense of the Permittee."

SPECIAL ENDORSEMENTS

(b) Paragraph (f) of Standard Endorsement 2.6 to this Permit shall be deemed deleted in its entirety.

4. Insurance. (a) (i) Throughout the Term, the Permittee in its own name as insured, with the Port Authority designated as an additional insured, shall maintain and pay the premiums on a policy or policies of comprehensive general liability insurance, with an endorsement for products liability covering bodily injury liability (including death) and property damage liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage in the minimum limits set forth below.

| | <u>Minimum Limit</u> |
|--|----------------------|
| Comprehensive General Liability: Combined single limit per occurrence for death, bodily injury and property damage liability. | \$2,000,000 |
| Products Liability: | \$2,000,000 |

(ii) Each such policy of insurance shall also provide, or contain an endorsement providing, that the protection afforded the Permittee thereunder with respect to any claim or action by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority, but such endorsement shall not limit, vary, change or affect the protection afforded the Port Authority thereunder as an additional insured. In addition, each such policy of insurance shall also provide, or contain an endorsement providing, that the protection afforded the Port Authority thereunder with respect to any claim or action against the Port Authority by the Permittee shall be the same as the protection afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person, as if the Port Authority were the named insured thereunder. Each such policy of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Permittee under Section 6 of the Terms and Conditions of this Permit, as amended by Special Endorsement No. 5 below.

(b) (i) Notwithstanding any minimum insurance coverage limits set forth in this Permit, it is specifically understood and agreed that the Port Authority shall have the right (x) to review all insurance coverages and policies required by the Port Authority for adequacy of terms, conditions and limits and, upon notice to the Permittee given from time to time and at any time, (y) to require the Permittee to amend or modify the insurance coverage, and (z) to require the Permittee to obtain such other or additional insurance, in such reasonable amounts and against such other

SPECIAL ENDORSEMENTS

insurable hazards, as the Port Authority may deem necessary. The Permittee shall promptly comply with such requirements and shall promptly submit to the Port Authority a certificate or certificates evidencing such compliance.

(ii) The insurance required herein shall be written by a company or companies approved by the Port Authority. If at any time any of the insurance policies are or become unsatisfactory to the Port Authority as to form or substance, or if any of the carriers issuing such policies are or become unsatisfactory to the Port Authority, the Permittee shall promptly obtain in replacement a new policy satisfactory to the Port Authority. A certified copy of each policy shall be delivered to the Port Authority promptly upon the Port Authority's request at any time.

(c) The Permittee shall deliver to the Port Authority, upon execution and delivery of this Permit, a certified copy of each policy, a certificate evidencing the existence thereof or a binder. Each policy, certificate or binder delivered shall bear the endorsement of or be accompanied by evidence of payment of the premium for the policy. Any binder delivered shall be replaced within thirty (30) days by a certified copy of the policy or a certificate. Each such copy or certificate shall contain a valid provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' advance written notice to the Port Authority. Each such copy or certificate required shall contain a provision that the insurer shall not, without the express advance written permission of the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority. Any renewal policy, or evidence thereof, as provided above, shall be delivered to the Port Authority at least thirty (30) days prior to the expiration of each expiring policy.

5. Indemnity. Without limiting the Permittee's indemnity obligations under this Permit, the Permittee's indemnity obligations hereunder shall extend to and include any claims and demands made by the City of New York against the Port Authority pursuant to or under the provisions of the agreement of lease between the City of New York and the Port Authority covering the leasing of the Airport by the City to the Port Authority, as the same from time to time may have been or may be extended, supplemented or amended.

SPECIAL ENDORSEMENTS

6. Affirmative Covenant. The Permittee hereby covenants that it shall hire and train visually impaired community members of the Queens Lighthouse for the Blind.

7. Interpretation. (a) Notwithstanding that the Percentage Fee hereunder is measured by percentages of Gross Receipts, no partnership relationship or joint adventure between the Port Authority and the Permittee is created or intended to be created by this Permit.

(b) Wherever in this Permit the word "Facility" is used, it shall be deemed to mean, as the context requires, LaGuardia Airport and/or the Terminal.

9. Right of Entry. The Port Authority shall have the right by its officers, employees, agents, representatives and contractors at all reasonable times to enter the Concession Space for the purpose of inspecting the same, for observing the performance by the Permittee of its obligations under this Permit and for the doing of any act or thing which the Port Authority may be obligated or have the right to do under this Permit or otherwise.

CONSENT TO SUBLEASE

Consent Agreement No. AGA-539
Port Authority Lease No. AGA-317
Facility - LaGuardia Airport

THIS CONSENT TO SUBLEASE AGREEMENT (hereinafter called "the Consent"), made as of September 1, 1999 by and among THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY (hereinafter called "the Port Authority"), and MARKETPLACE LAGUARDIA LIMITED PARTNERSHIP (hereinafter called "the Lessee") and HUDSON NEWS COMPANY d/b/a Grandstand Sports Shop (hereinafter called "the Sublessee") with an office and place of business at One Meadowlands Plaza, Suite 902, East Rutherford, NJ 07073, whose representative is Mr. Mario DiDomizio;

WITNESSETH, That:

WHEREAS, by an agreement of lease dated September 19, 1994, bearing Port Authority Lease No. AGA-317 (said agreement of lease, as heretofore and hereafter supplemented and amended being hereinafter called the "Lease"), the Port Authority leased to MarketPlace LaGuardia Limited Partnership certain areas in the Central Terminal Building (hereinafter called "the Terminal") including those in its passenger concourses, its Center Section and its East and West Wings (hereinafter collectively referred to as "the premises") at LaGuardia Airport (hereinafter called "the Airport") to be used by such parties as may be approved by the Port Authority as provided therein; and

WHEREAS, the Lessee and the Sublessee have requested the consent of the Port Authority to a proposed sublease agreement between the Lessee and the Sublessee, dated October, 1999, pursuant to which the Lessee has made available to the Sublessee certain space in the premises (sometimes hereinafter collectively called "the Space") upon which the Sublessee shall operate a store to provide for the sale at retail of the goods/services set forth therein, a copy of which agreement is attached hereto, hereby made a part hereof and hereinafter called "the Sublease Agreement";

WHEREAS, the applicable provisions of the Lease require, and the Sublease Agreement

provides, that the Sublease Agreement shall be subject and subordinate to the Lease as the same may be amended, supplemented or extended and, further, that it shall not take effect without the prior written consent of the Port Authority thereto embodied in an instrument signed by the Port Authority;

WHEREAS, the Sublessee and the Lessee have requested the consent of the Port Authority to the Sublease Agreement;

NOW, THEREFORE, for and in consideration of the covenants and mutual agreements herein contained, the Port Authority, the Lessee and the Sublessee hereby agree, effective as of September 1, 1999, as follows:

1. On the terms and conditions hereinafter set forth the Port Authority consents to the Sublease Agreement.
2. Notwithstanding any provision of the Sublease Agreement to the contrary, including but not limited to Sections 1.1 and 3.2 thereof, this Consent and the Sublease Agreement shall terminate, without notice to the Lessee or the Sublessee, on the day preceding the date of expiration or earlier termination of the Lease, or on such earlier date as the Lessee and the Sublessee may agree upon (in those circumstances where the Lease does not require the consent of the Port Authority to such earlier termination); provided, however, that the Sublease Agreement shall not terminate in the event of the termination of the Lease prior to the expiration of the term of the Sublease Agreement if the Port Authority shall notify the Sublessee and the Lessee at or prior to such effective date of termination of the Lease that the Port Authority shall and does assume the rights and obligations of the Lessee thereunder from the date of such notice and upon such notice the Sublessee shall be deemed to have fully attorned to the Port Authority, all as more specifically set forth in the Lease. In the event of such termination, the Sublessee shall cease its activities and operations at the Terminal, quit the Space and remove its property and property for which it is responsible therefrom on or before the effective date of termination of the Sublease Agreement.
3. If the Lessee shall at any time be in default of any of its monetary obligations under the Lease, and for so long as the Port Authority deems such default to be continuing or uncured, the Sublessee shall on demand of the Port Authority pay directly to the Port Authority any rental, fee or other amount due to the Lessee. No such payment shall relieve the Lessee from any obligation under the Lease or under this Consent, but all such payments shall be credited against the obligations of the Lessee or of the Sublessee as the Port Authority may determine for each payment or part thereof.
4. (a) The Sublessee, in its operations under or in connection with the Sublease Agreement, agrees to assume, observe, be bound by and comply with all the terms, provisions, covenants and conditions of the Lease applicable thereto as if it were the Lessee under the Lease.

(b) All acts and omissions of the Sublessee (including but not limited to those on or with respect to non-exclusive areas, if any) shall be deemed to be acts and omissions of the Lessee under the Lease and, as between the Lessee and the Port Authority, the Lessee shall also be severally responsible for said acts and omissions, including, but not limited to, the obligations of

nor consent to the granting or conferring of any rights, powers or privileges to the Sublessee as may be provided under the Sublease Agreement if not granted to the Lessee under the Lease, unless specifically set forth in this Consent, nor shall this Consent or anything contained herein impair or affect any of the duties, liabilities, or obligations imposed on the Lessee under the Lease.

(b) The Sublease Agreement is an agreement between the Lessee and the Sublessee with respect to the various matters set forth therein. Neither this Consent nor anything contained herein shall constitute an agreement between the Port Authority, the Lessee, or the Sublessee that, except as expressly provided for in paragraph 2 herein under the circumstances therein described and then only to the extent therein provided, the provisions of the Sublease Agreement shall apply and pertain as between them, it being understood that the terms, provisions, covenants, conditions and agreements of the Lease shall, in all respects, be controlling, effective and determinative.

(c) In the event of differences and inconsistencies between the terms of the Sublease Agreement and the terms of the Lease, the terms of the Lease shall control, it being the intention of the Lessee and the Port Authority merely to permit the conduct of retail operations by the Sublessee to the extent permitted by the Lease, the Sublease Agreement and this Consent and not to enlarge or otherwise change the rights granted by the Lease. All of the terms, provisions, covenants and conditions of the Lease shall be and remain in full force and effect. In addition, in any case of difference or inconsistency between the provisions of this Consent and those of the Sublease Agreement, this Consent shall be controlling. The specific mention of or reference to the Lessee or the Port Authority in any part of the Sublease Agreement including, without limitation thereto, any mention of any consent or approval of either the Port Authority or the Lessee now or hereafter to be obtained, shall not be or be deemed to create an inference that either the Port Authority or the Lessee has granted its consent or approval thereto or shall hereafter grant its consent or approval thereto, or that the discretion of either the Port Authority or the Lessee as to any such consent or approval shall in any way be affected or impaired. The lack of any specific reference in any provision of the Sublease Agreement to the Port Authority's or the Lessee's approval or consent shall not be deemed to imply that no such approval or consent is required and the Lease shall, in all respects, be controlling, effective and determinative.

(d) No provision of the Sublease Agreement including, but not limited to, those imposing obligations on the Sublessee with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Sublease Agreement covering actions which shall or may be undertaken by the Sublessee including, but not limited to, construction on the Space, title to property, the right to assign the Sublessee's interest in the Sublease Agreement, or to further sublease the subject Space or any part thereof, and the right to perform services, be deemed to imply or infer that either the Port Authority's or the Lessee's consent or approval thereto will be given or that the discretion of either the Port Authority or the Lessee with respect thereto will in any way be affected or impaired. Reference in this paragraph to specific matters and provisions contained in the Sublease Agreement shall not be construed as indicating any limitation upon the rights of either the Port Authority or the Lessee with respect to their respective discretion as to the granting or withholding of approvals or consents as to other

matters and provisions in the Sublease Agreement which are not specifically referred to herein.

(e) It is hereby acknowledged and agreed by the Lessee and the Sublessee that, except as expressly provided in Section 1(e) of the Lease, the Port Authority has no obligation under the Lease, this Consent or otherwise to pay, subsidize or in any manner whatsoever finance, directly or indirectly, all or any portion of any amount of the Sublessee's unamortized capital investment in the Space or at the premises. Any specific mention of or reference in the Sublease Agreement to the Port Authority in connection with any payment or other compensation to the Sublessee, upon termination of the Sublease Agreement or the Lease or upon revocation of this Consent with or without cause, of any amount of the Sublessee's unamortized capital investment in the Space or at the premises shall not be or be deemed to create an obligation or inference of an obligation on the part of the Port Authority to either the Sublessee or the Lessee to pay, subsidize or finance said unamortized capital investment, except in the event of a termination under Section 1(e) of the Lease, in which event the Port Authority's responsibility with respect to the Sublessee shall be strictly limited to the obligation expressly set forth in such Section 1(e).

(f) Notwithstanding anything to the contrary stated in Section 3.2(c) of the Sublease, title to any installation, improvement, alteration, modification, addition, repair or replacement resulting from work done at the Space shall be in accordance with Section 31 of the Lease and with the terms and conditions of the application therefor. Accordingly, Tenant shall have no right to remove from the Space any non-removable trade fixtures or any improvement which does not constitute personal property except in strict accordance with the application described in said Section 31.

7. No changes or amendments to the Sublease Agreement nor any renewals or extensions thereof shall be binding or effective upon either the Port Authority or the Lessee unless the same have been approved in advance by the Port Authority and the Lessee in writing. The Port Authority may at any time and from time to time by notice to the Sublessee modify, withdraw or amend any approval, direction, or designation given hereunder or pursuant hereto.

8. Anything contained in the Sublease Agreement or this Consent to the contrary notwithstanding, nothing in the Sublease Agreement or this Consent shall be deemed to imply that the Sublessee has the right to make any alteration, demolition, installation, addition or improvement to the premises or the Space, structural or non-structural, exterior or interior, including without limitation the installation of any signs at the Airport, except pursuant to the express written approval of the Port Authority and an approved Alteration Application which the Lessee shall prepare and submit to the Port Authority as more specifically provided in the Lease.

9. This Consent may be revoked at any time by the Port Authority without cause on thirty (30) days' notice to the Lessee and Sublessee, and no such revocation shall be deemed to affect the Lease or the continuance thereof, but the Sublease Agreement shall be terminated thereby.

10. (a) Neither any assignment by the Lessee to the Port Authority of its interest under the Sublease Agreement, nor the application or payment of security deposits to or for the benefit of the Port Authority, nor any direction to the Sublessee to pay rent or other amounts to the Port Authority,

nor the payment thereof to and acceptance thereof by the Port Authority shall constitute or denote an assumption by the Port Authority of any of the obligations of the Lessee under the Sublease Agreement.

(b) Without limiting the generality and notwithstanding the provisions of paragraph 6(b) herein, the Sublessee and the Lessee further acknowledge and expressly agree that the Port Authority shall have the right to enforce the Sublease Agreement directly against the Sublessee, including but not limited to all insurance provisions thereof.

11. The Lessee and the Sublessee acknowledge and agree that, except as may be specifically and expressly set forth in the Lease and subject to the terms and conditions of the Lease, the Port Authority shall not be obligated to perform or furnish any services or utilities whatsoever in connection with the Sublease Agreement or the use and occupancy of the Space thereunder, including without limitation any obligation to provide or install or cause to be provided or installed any meters or submeters. Without limiting the generality of the foregoing, whenever the Port Authority undertakes pursuant to the Lease to sell, furnish and supply directly to the Sublessee a particular service or utility (e.g., Section 41 of the Lease), the Sublessee shall take the same from the Port Authority and make payment directly to the Port Authority, as required by the Lease, including but not limited to the payment as directed by the Port Authority of any charge, fee or rent or increase thereof (or the portion thereof allocated by the Port Authority to the Space or the operations therein) which any federal, state, municipal or other governmental body, authority or agency or any public utility assesses, levies, imposes, makes or increases.

12. (a) In addition to the insurance required to be maintained by the Lessee under the Lease, the Sublessee during the period the Sublease Agreement shall remain in effect shall in its own name as insured and including the Port Authority and the Lessee as additional insureds obtain, maintain and pay the premiums on a policy or policies of comprehensive general liability insurance, covering bodily injury, including death, products liability and property damage liability, none of the foregoing to contain care, custody or control exclusions, the foregoing to provide for coverage in the limits set forth below. All the aforesaid policy or policies of insurance shall also provide or contain an endorsement providing that the protection afforded the Sublessee thereunder with respect to any claim or action against the Sublessee by a third person shall pertain and apply with like effect with respect to any claim or action against the Sublessee by the Port Authority or Lessee, or both, but such endorsement shall not limit, vary, change or affect the protection afforded the Port Authority and Lessee as additional insureds. In addition, the insurance required hereunder shall provide or contain an endorsement providing that the protection afforded the Port Authority or Lessee, or both, thereunder as additional insureds with respect to any claim or action against the Port Authority or Lessee, or both, by the Sublessee shall be the same as the protection afforded the Sublessee thereunder with respect to any claim or action against the Sublessee by a third person as if the Port Authority and Lessee were the named insureds thereunder. Further, the said policy or policies of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Sublessee under subparagraphs (a) and (b) hereof.

Comprehensive General Liability:
Combined single limit per occurrence
for death, bodily injury
and property damage liability

Minimum Limit
\$2,000,000

Without limiting the provisions hereof, in the event the Sublessee maintains the foregoing insurance in limits greater than aforesaid, the Port Authority shall be included therein as an additional insured to the full extent of all such insurance in accordance with all the terms and provisions hereof.

All insurance coverages and policies required under this paragraph may be reviewed by the Port Authority for adequacy of terms, conditions and limits of coverage at any time and from time to time during the period the Sublease Agreement remains in effect. The Port Authority at any such time may make additions, deletions, amendments to or modifications of the above-scheduled insurance requirements, including an increase in such minimum limits, and may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem advisable and the Sublessee shall promptly comply therewith.

(b) As to the insurance required by the provisions of this paragraph, a certified copy of the policies or a certificate or certificates or binders satisfactory to the Port Authority evidencing the existence thereof, shall be delivered by Lessee to the Port Authority within fifteen (15) days after delivery of this Consent to the Port Authority. Each policy, certificate or binder delivered as aforesaid shall bear the endorsement of or be accompanied by evidence of payment of the premium thereon. In the event a binder is delivered, it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate. Each such copy or certificate shall contain a valid provision or endorsement, unqualifiedly committing the insurer not to cancel, terminate, change or modify the policy without giving thirty (30) days' written advance notice thereof to the Port Authority. Each such copy or certificate shall contain an additional endorsement providing that the insurance carrier shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority. Any renewal policy shall be delivered to the Port Authority at least thirty (30) days prior to the expiration of each expiring policy, except for any policy expiring after the date of expiration of the Sublease Agreement. The aforesaid insurance shall be written by a company or companies approved by the Port Authority. If at any time any of the insurance policies shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policies shall be or become unsatisfactory to the Port Authority, the Sublessee shall promptly obtain a new and satisfactory policy in replacement thereof. If the Port Authority at any time so requests, a certified copy of each of the policies shall be delivered to the Port Authority.

13. The granting of this Consent by the Port Authority shall not be or be deemed to operate as a waiver of the rights of the Port Authority or as a consent as to any subsequent use, occupancy or sublease (by the Lessee or by the Sublessee) of the Space or any other portion or area of the premises under the Lease, or to any assignment of the Lease or the Sublease Agreement or of any rights under either of them, whether in whole or in part.

14. Reference herein to the "Sublessee" shall mean and include the Sublessee, its officers, agents, employees and also others on the Airport with the consent of the Sublessee.

15. Neither the Commissioners of the Port Authority nor any of them, nor any officer, agent or employee thereof shall be held personally liable to the Lessee or to the Sublessee under any term provision of this Consent or because of its execution or because of any breach or alleged or attempted breach thereof or otherwise.

16. The Sublease Agreement shall not be changed, modified or extended except by written instrument duly executed by the parties thereto and only with the express prior written consent of the Port Authority.

IN WITNESS WHEREOF, the Port Authority, the Lessee and the Sublessee have executed these presents as of the date first above written.

THIS SUPPLEMENTAL AGREEMENT, dated as of February 24, 2010, by and among THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY (hereinafter called the "Port Authority"), MARKETPLACE LAGUARDIA LIMITED PARTNERSHIP (hereinafter called the "Lessee") and HUDSON NEWS COMPANY d/b/a Life is Good, a corporation organized and existing under the laws of the state of New Jersey (hereinafter called the "Sublessee") with an office and place of business at One Meadowlands Plaza, Suite 1902, East Rutherford, NJ 07073, whose representative is Jay Marshall.

WITNESSETH, That:

WHEREAS, by an agreement of lease dated September 19, 1994, bearing Port Authority Lease No. AGA-317 (said agreement of lease, as heretofore and hereafter supplemented and amended being hereinafter called the "Lease"), the Port Authority leased to MarketPlace LaGuardia Limited Partnership certain areas in the Central Terminal Building (hereinafter called the "Terminal") including those in its passenger concourses, its Center Section and its East and West Wings (hereinafter collectively referred to as the "premises") at LaGuardia Airport (hereinafter called the "Airport") to be used by such parties as may be approved by the Port Authority as provided therein; and

WHEREAS, the Lessee and the Sublessee entered into a sublease agreement ("Sublease"), dated as of September 19, 2003, pursuant to which the Lessee made available to the Sublessee space to operate a store, for the sale at retail of the goods/services set forth therein (sometimes hereinafter called the "Space"); and

WHEREAS, heretofore the Port Authority, the Lessee and the Sublessee entered into a consent to sublease agreement (hereinafter called the "Consent Agreement"), made as of September 19, 2003, pursuant to which the Port Authority consented to the Sublease;

WHEREAS, the Lessee and the Sublessee entered into a First Sublease Amendment, dated as of February 24, 2010 ("First Sublease Amendment"), copy of which is attached hereto; and

WHEREAS, the Lessee and the Sublessee request the consent of the Port Authority to the proposed First Sublease Amendment, and the Port Authority is willing to provide its consent to same, subject to the terms and conditions of this Supplemental Agreement;

NOW, THEREFORE, for and in consideration of the covenants and mutual agreements herein contained, the Port Authority, the Lessee and the Sublessee hereby agree, as of the effective dates stated herein, as follows:

1. The Port Authority hereby consents to the First Sublease Amendment.
2. Except as hereby amended, all of the terms, covenants, provisions, conditions and agreements of the Consent Agreement shall be and remain in full force and effect.

3. Certain Definitions:

(a) **“Airport”** shall mean LaGuardia Airport, consisting of certain premises identified as “LaGuardia Airport” on Sheet LGA-1 of Exhibit A, and more particularly described in Exhibit B, annexed to the City Lease, and such other property and premises as may be acquired in connection with and added to such premises pursuant to the terms of the City Lease.

(b) **“City”** shall mean The City of New York, a municipal corporation of the State of New York.

(c) **“City Insureds”** shall mean the following entities: The City of New York, the officials and employees of The City of New York (to the extent that the officials and employees of the Port Authority of New York and New Jersey are likewise insured) and the New York City Economic Development Corporation, a local development corporation formed pursuant to Section 1411 of the Not-For-Profit Corporation Law of the State of New York, or such successor entity as may be designated by the City.

(d) **“City Lease”** shall mean the Amended and Restated Agreement of Lease of the Municipal Air Terminals between The City of New York, as Landlord, and The Port Authority of New York and New Jersey, as Tenant, dated as of November 24, 2004 and recorded in the office of the City Register of the City on December 3, 2004 under City Register File No. 2004000748687, as the same may have been or may be amended or supplemented.

4. The City Lease

(a) The Lessee and the Sublessee acknowledge that they have received a copy of, and are familiar with the contents of, the City Lease (excepting exhibits, schedules and appendices referenced therein, copies of which are available to, but were not requested by, the Lessee and Sublessee). The Permittee acknowledges that no greater rights or privileges are hereby granted to the Lessee and the Sublessee than the Port Authority has the power to grant under the

City Lease.

(b) In accordance with the provisions of the City Lease, the Port Authority, the Lessee and the Sublessee hereby agree as follows:

(i) The Consent Agreement is subject and subordinate to the City Lease and to any interest superior to that of the Port Authority;

(ii) The Lessee and the Sublessee shall not pay the fees or other sums under the Consent Agreement for more than one (1) month in advance (excluding security and other deposits required under the Consent Agreement). Sublessee agrees that amounts due to Landlord under Section 14.3 of the Sublease are Landlord's damages and do not and are not intended to constitute rent payable in advance in the ordinary course of business in contravention of this Section 18(b)(ii);

(iii) With respect to the Consent Agreement, the Lessee and the Sublessee on the termination of the City Lease will, at the option of the City, enter into a direct consent on identical terms with, the City;

(iv) The Lessee and the Sublessee shall indemnify the City with respect to all matters described in Section 31 of the City Lease to the extent such matters are referenced in, with respect to the Lessee, Lessee's indemnification obligations in the Lease, and with respect to the Sublessee, Sublessee's indemnification obligations in the Sublease and in the Consent Agreement;

(v) The Lessee and the Sublessee shall not use any portion of the Airport for any use other than as permitted under the City Lease;

(vi) The Lessee and the Sublessee shall exercise the privileges granted under the Lease and the Sublease, respectively, in a manner consistent with the Port Authority's obligations under Section 28 of the City Lease to the extent applicable to, for the Lessee, Lessee's obligations under the Lease, and for the Sublessee, Sublessee's obligations under the Sublease and the Consent Agreement;

(vii) The failure of the Lessee and the Sublessee to comply with the foregoing provisions (after, with respect to the Lessee, the notice and the cure period provided in Section 18(a)(10) of the Lease) shall be an event of default under the Consent Agreement, which shall provide the Port Authority with the right to terminate the Consent Agreement and exercise any other rights that the Port Authority may have as the grantor of the privilege hereunder; and

(viii) The City Insureds (as such term is defined in the City Lease) shall be named as additional insureds or loss payees, as applicable, under each policy of insurance procured by the Lessee and the Sublessee pursuant to the terms of the Lease, the Sublease and the Consent Agreement, as applicable.

5. The Consent Agreement and the Sublease, as amended, are subject to the requirements of the United States Department of Transportation's regulations, 49 CFR Part 23. The Sublessee agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement or any management contract, or subcontract, purchase or lease agreement or other agreement covered by 49 CFR Part 23. The Sublessee agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR Part 23 that it enters and cause those businesses to similarly include the statements in further agreement. Further, the Sublessee agrees to comply with the terms and provisions of Schedule G, attached hereto and hereto made a part hereof.

6. In the event that upon conducting an examination and audit the Port Authority determines that unpaid amounts are due to the Port Authority by the Lessee and the Sublessee (the "Audit Findings"), the Lessee and the Sublessee shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount equal to five percent (5%) of the Audit Findings. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefore by the Port Authority. Such service charge(s) shall be exclusive of, and in addition to, any and all other money or amounts due to the Port Authority by the Lessee and the Sublessee under the Consent Agreement or otherwise. Such service charge shall not be payable if the Port Authority has received, for each month covered by the examination and audit period. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this paragraph with respect to such unpaid amount. Each service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this paragraph is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under the Consent Agreement, including, without limitation, the Port Authority's rights to revoke the Consent Agreement or (ii) any obligations of the Lessee and the Sublessee under the Consent Agreement.

7. In the event the Port Authority exercises its right to revoke the Consent Agreement for any reason other than "without cause", as referenced in paragraph 9 of the Consent Agreement, the Lessee and the Sublessee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation, including without limitation any and all personnel and legal costs (including but not limited to the cost to the Port Authority of in-house legal services) and disbursements incurred by it arising out of, relating to, or in connection with the enforcement or revocation of the Consent Agreement including, without limitation, legal proceedings initiated by the Port Authority to exercise its revocation rights and to collect all amounts due and owing to the Port Authority under the Consent Agreement.

8. Labor Harmony at the Airport

(a) General. In connection with its operations at the Airport under this Consent, the Sublessee shall serve the public interest by promoting labor harmony, it being acknowledged that strikes, picketing, or boycotts may disrupt the efficient operation of the Terminal. The Sublessee recognizes the essential benefit to have continued and full operation of the Airport as a whole and the Terminal as a transportation center. The Sublessee shall immediately give oral notice to the Port Authority (to be followed reasonably promptly by written notices and reports) of any and all impending or existing labor-related disruptions and the progress thereof.

If any type of strike, picketing, boycott or other labor-related disruption is directed against the Sublessee at the Terminal, or against its operations thereat pursuant to this Consent Agreement, which in the opinion of the Port Authority (i) physically interferes with the operation of the Airport, the Terminal or the Space, or (ii) physically interferes with public access between the Space and any portion of the Terminal or the Airport, or (iii) physically interferes with the operations of other operators at the Airport or the Terminal, or (iv) presents a danger to the health and safety of users of the Airport or the Terminal, including persons employed thereat or members of the public, the Port Authority shall have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Consent Agreement.

(b) Labor peace agreement. The Sublessee represents that, prior to or upon entering into this Consent Agreement, it has delivered to the Port Authority either: (1) evidence that the Sublessee has entered into a signed "labor peace agreement", in the form attached hereto as Exhibit X, or (2) written notification from an officer of the Sublessee on the Sublessee's letterhead that no labor organization (as defined by 29 U.S.C. Section 152(5)) has sought to represent the employees of the Sublessee at the Airport as of the date of such notification.

(c) Employee Retention. If the Sublessee's concession at the Space is of the same type (i.e., food, retail, news/gifts or duty-free concession) as that of the immediately preceding concession operator at the Space (the "**Predecessor Concession**"), the Sublessee agrees to offer continued employment for a minimum period of ninety (90) days, unless there is just cause to terminate employment sooner, to employees of the Predecessor Concession who have been or will be displaced by cessation of the operations of the Predecessor Concession and who wish to work for the Sublessee at the Space. The foregoing requirement shall be subject to the Sublessee's commercially reasonable determination that fewer employees are required at the Space than were required by the Predecessor Concession; except, however, that the Sublessee shall retain such staff as is deemed commercially reasonable on the basis of seniority with the Predecessor Concession at the Space. The Port Authority shall have the right to demand from the Sublessee documentation of the name, date of hire, and employment occupation classification of all employees covered by this provision. In the event the Sublessee fails to comply with this provision, the Port Authority have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation,

revocation of this Consent.

(d) Applicability of Provision. The provisions of this section shall apply to concession operators which employ ten (10) or more persons at the Space.

9. The Lessee and the Sublessee represent and warrant that no broker has been concerned in the negotiation of this Supplemental Agreement and that there is no broker who is or may be entitled to be paid a commission in connection therewith. The Lessee and the Sublessee shall indemnify and save harmless the Port Authority of and from all claims for commission or brokerage made by any and all persons, firms or corporations whatsoever for services in connection with the negotiation and execution of this Supplemental Agreement.

10. The Sublessee specifically agrees that it shall not interpose any claims as counterclaims in any summary proceeding or action for non-payment of rents, fees or other amounts which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

11. The Consent Agreement and any claim, dispute or controversy arising out of, under or related to the Consent Agreement shall be governed by, interpreted and construed in accordance with the laws of the State of New York, without regard to choice of law principles.

12. (a) Notwithstanding any other provision in this Supplemental Agreement, in the event that the Sublessee shall continue to use the Space after the expiration or earlier termination of the term of the Sublease, such continuation of use shall not be deemed to operate as a renewal or extension of the Sublease but shall only create a month-to-month extension of the Sublease, which extension shall be terminable on thirty (30) days' notice.

(b) The Sublessee acknowledges that the failure of the Sublessee to surrender, vacate and yield up the Space to the Port Authority on the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss. The Sublessee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Sublessee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss.

13. No Commissioners, director, officer, agent or employee of any party shall be charged personally by the other parties hereto with any liability, or held liable to any other party, under any term or provision of this Supplemental Agreement, or because of the party's execution or attempted execution, or because of any breach thereof.

14. Except as hereby amended, all of the terms, covenants, provisions, conditions and agreements of the Consent Agreement shall be and remain in full force and effect.

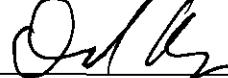

15. This Supplemental Agreement, together with the Consent Agreement (to which it is supplementary) constitutes the entire agreement between the Port Authority, the Lessee and the Sublessee on the subject matter, and may not be changed, modified, discharged or extended except by instrument in writing duly executed on behalf of both the Port Authority, the Lessee and the Sublessee. The Lessee and the Sublessee agree that no representations or warranties shall be binding upon the Port Authority unless expressed in writing in the Consent Agreement or this Supplemental Agreement.

IN WITNESS WHEREOF, the Port Authority, the Lessee and the Sublessee have executed these presents as of the date first above written.

 - b) MarketPlace Development, Limited Partnership
 - c) MarketPlace LaGuardia, Inc.
 - d) MarketPlace LaGuardia Limited Partnership
 - e) The Port Authority
 - f) The City of New York and its officials and employees
 - g) The New York City Economic Development Corporation

4. Indemnity by Tenant. Section 11.1 of the Sublease is hereby amended such that the City of New York shall be included as an indemnified party. For the avoidance of doubt, the list of indemnified parties in the first sentence of Section 11.1, as amended by the preceding sentence, shall be as follows: Landlord, the directors, officers, agents and employees of Landlord, and those in privity of estate with Landlord, the Port Authority, the commissioners, employees, representatives, directors and officers of the Port Authority, and the City of New York.

5. Tenant's Certification. A new Section 16.20 is hereby added to the Sublease as follows:

Tenant hereby warrants, represents and certifies that Tenant is not acting, directly or indirectly, for or on behalf of any person, group, entity, or nation named by any Executive Order or the United States Treasury Department as a terrorist, "Specially Designated National and Blocked Person", or other banned or blocked person, group, entity, nation, or transaction pursuant to any law, order, rule, or regulation that is enforced or administered by the Office of Foreign Assets Control and that it is not engaged in this transaction, directly or indirectly, on behalf of, or instigating or facilitating this transaction, directly or indirectly, on behalf of any such person, group, entity, or nation. Tenant agrees that any breach of the foregoing shall at Landlord's election be a default under this Sublease for which there shall be no cure, and Tenant hereby agrees to defend, indemnify, and hold harmless Landlord from and against any and all claims, damages, losses, risks, liabilities, and expenses (including attorneys' fees and costs) arising from or related to any breach of the foregoing warranty, representation, and certification. The provisions of this Section 16.20 shall survive the expiration or earlier termination of the Term.

This First Amendment shall inure to the benefit of and be binding upon Landlord and Tenant and their respective successors and assigns. This First Amendment shall not take effect without the prior written consent of the Port Authority, except Tenant agrees that during any period prior to receipt of such consent it will perform all of its obligations hereunder as fully as if such First Amendment was in effect during such period. Tenant hereby agrees to execute the Port Authority's current form of consent, as the same may be revised from time to time by the Port Authority, with respect to this First Amendment and return the same to Landlord within five (5) days after receipt of a request for execution thereof.

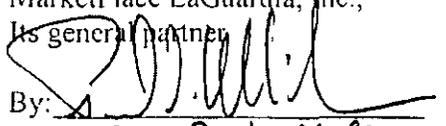

[The remainder of this page is intentionally blank]

IN WITNESS WHEREOF, the parties hereto have caused this First Amendment to be executed, under seal, dated as of the 24th day of February, 2010.

SCHEDULE G

AIRPORT CONCESSION DISADVANTAGED BUSINESS ENTERPRISE (ACDBE) PARTICIPATION

In accordance with regulations of the US Department of Transportation 49 CFR Part 23, the Port Authority has implemented an Airport Concession Disadvantaged Business Enterprise (ACDBE) program under which qualified firms may have the opportunity to operate an airport business. The Port Authority has established an ACDBE participation goal, as measured by the total estimated annual gross receipts for the overall concession program. The goal is modified from time to time and posted on the Port Authority's website: www.panynj.gov.

The overall ACDBE goal is a key element of the Port Authority's concession program and Concessionaire shall take all necessary and reasonable steps to comply with the requirements of the Port Authority's ACDBE program. The Concessionaire commits to making good faith efforts to achieve the ACDBE goal. Pursuant to 49 CFR 23.25 (f), ACDBE participation must be, to the greatest extent practicable, in the form of direct ownership, management and operation of the concession or the ownership, management and operation of specific concession locations through subleases. The Port Authority will also consider participation through joint ventures in which ACDBEs control a distinct portion of the joint venture business and/or purchase of goods and services from ACDBEs. In connection with the aforesaid good faith efforts, as to those matters contracted out by the Concessionaire in its performance of this agreement, the Concessionaire shall use, to the maximum extent feasible and consistent with the Concessionaire's exercise of good business judgment including without limit the consideration of cost competitiveness, a good faith effort to meet the Port Authority's goals. Information regarding specific good faith steps can be found in the Port Authority's ACDBE Program located on its above-referenced website. In addition, the Concessionaire shall keep such records as shall enable the Port Authority to comply with its obligations under 49 CFR Part 23 regarding efforts to offer opportunities to ACDBEs.

Qualification as an ACDBE

To qualify as an ACDBE, the firm must meet the definition set forth below and be certified by the New York State or New Jersey Uniform Certification Program (UCP). The New York State UCP directory is available on-line at www.nysucp.net and the New Jersey UCP at www.njucp.net.

An ACDBE must be a small business concern whose average annual receipts for the preceding three (3) fiscal years does not exceed \$47.78 million and it must be (a) at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operations are controlled by one or more of the socially or economically disadvantaged individuals who own it. The personal net worth standard used in determining eligibility for purposes of

part 23 is \$750,000.

The ACDBE may, if other qualifications are met, be a franchisee of a franchisor. An airport concession is a for-profit business enterprise, located on an airport, which is subject to the Code of Federal Regulations 49 Part 23, subpart F, that is engaged in the sale of consumer goods or services to the public under an agreement with the sponsor, another concessionaire, or the owner or operator of a terminal, if other than the sponsor. The Port Authority makes a rebuttable presumption that individuals in the following groups who are citizens of the United States or lawful permanent residents are "socially and economically disadvantaged":

- a. Women;
- b. Black Americans which includes persons having origins in any of the Black racial groups of Africa;
- c. Hispanic Americans which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;
- d. Native Americans which includes persons who are American Indians, Eskimos, Aleuts or Native Hawaiians;
- e. Asian-Pacific Americans which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific Islands (Republic of Palau), the Commonwealth Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Juvalu, Nauru, Federated States of Micronesia or Hong Kong;
- f. Asian-Indian Americans which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, Maldives Islands, Nepal and Sri Lanka; and
- g. Members of other groups, or other individuals, found to be economically and socially disadvantaged by the Small Business Administration under Section 8(a) of the Small Business Act, as amended (15 U.S.C. Section 637(a)).

Other individuals may be found to be socially and economically disadvantaged on a case-by-case basis. For example, a disabled Vietnam veteran, an Appalachian white male, or another person may claim to be disadvantaged. If such individual requests that his or her firm be certified as ACDBE, the Port Authority, as a certifying partner in the New York State and New Jersey UCPs will determine whether the individual is socially or economically disadvantaged under the criteria established by the Federal Government. These owners must demonstrate that their disadvantaged status arose from individual circumstances, rather than by virtue of membership in a group.

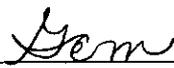

Certification of ACDBEs hereunder shall be made by the New York State or New Jersey UCP. If Concessionaire wishes to utilize a firm not listed in the UCP directories but

which the Concessionaire believes should be certified as an ACDBE, that firm shall submit to the Port Authority a written request for a determination that the firm is eligible for certification. This shall be done by completing and forwarding such forms as may be required under 49 CFR Part 23. All such requests shall be in writing, addressed to Lash Green, Director, Office of Business and Job Opportunity, The Port Authority of New York and New Jersey, 233 Park Avenue South, 4th Floor, New York, New York 10003 or such other address as the Port Authority may designate from time to time. Contact OBJOcert@panynj.gov for inquiries or assistance.

The Permittee in executing this Permit represents that the Effective Date appearing in Item 6 on the first page of this Permit is the date the Permittee commenced any of the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced any of the activities permitted by this Permit prior to said effective date, the Effective Date of this Permit shall be the date the Permittee commenced any of the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence on such date including without limitation the Permittee's indemnity obligations and obligations to pay fees.

(b) Notwithstanding any other term or condition hereof, the permission hereby granted may be revoked without cause upon thirty (30) days' written notice by the Port Authority, or terminated without cause upon thirty (30) days' written notice by the Permittee, provided, however, that it may be revoked on twenty-four (24) hours' notice by the Port Authority if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth.

(c) In the event the Port Authority exercises its right to revoke this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation, including without limitation any and all personnel and legal costs (including but not limited to the cost to the Port Authority of in-house legal services) and disbursements incurred by it arising out of, relating to, or in connection with the enforcement or revocation of this Permit including, without limitation, legal proceedings initiated by the Port Authority to exercise its revocation rights and to collect all amounts due and owing to the Port Authority under this Permit.

(d) For the purposes of this Permit, a default by the Permittee in keeping, performing or observing any promise, obligation, term or agreement set forth herein on the part of the Permittee to be kept, performed or observed shall include the following whether or not the time has yet arrived for the keeping, performance or observance of any such promise, obligation, term or agreement:

(ii) any act or omission of the Permittee or any other occurrence which makes it improbable at the time that it will be able to keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit; or

(iii) any suspension of or failure to proceed with any part of the privileges to be performed by the Permittee which makes it improbable at the time that it will be able to keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit.

(e) (i) If any type of strike, boycott, picketing, work stoppage, slowdown or other labor activity is directed against the Permittee at the Airport or against any operations of the Permittee under this Permit, whether or not the same is due to the fault of the Permittee and

whether or not caused by the employees of the Permittee, and if any of the foregoing, in the opinion of the Port Authority, results or is likely to result in curtailment or diminution of the privileges to be performed hereunder by the Permittee or to interfere with or affect the operation of the Airport by the Port Authority or to interfere with or affect the operations of lessees, licensees, permittees or other users of the Airport, the Port Authority shall have the right at any time during the continuance thereof to suspend the operations of the Permittee under this Permit and/or to revoke this Permit.

(ii) In the event the Port Authority exercises its right to revoke this Permit, as aforesaid, it shall do so by twenty-four (24) hours' written notice to the Permittee, effective as of the time specified in the notice. The exercise by the Port Authority of its right of suspension shall not waive or affect or be deemed to waive or affect the right of revocation.

(iii) Prior to the exercise of the right of suspension by the Port Authority, it shall give the Permittee notice thereof, which notice may be oral. The Permittee shall not perform its operations authorized by this Permit during the period of the suspension. The period of suspension shall end not more than twenty-four (24) hours after the cause thereof has ceased or been cured and the Permittee shall notify the Port Authority of such cessation or cure.

(iv) The rights of suspension and revocation as hereinbefore set forth may be exercised by the Port Authority prior to the Effective Date set forth in Item 6 on the first page of this Permit. No exercise by the Port Authority of its rights granted to it in paragraph (c) of this Section shall be deemed to be a waiver of any other rights of revocation contained in this Permit or a waiver of any other rights or remedies which may be available to the Port Authority under this Permit or otherwise.

(f) No revocation or termination of the permission hereunder shall relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

(g) No exercise by the Port Authority of any right of revocation granted to it in this Section shall be deemed to be a waiver of any other rights of revocation contained in this Section or elsewhere in this Permit or a waiver of any other rights or remedies which may be available to the Port Authority under this Permit or otherwise.

3. Exercise of Rights:

(a) The rights granted hereby shall be exercised

(i) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(ii) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(iii) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees,

(iv) if the Permittee is an individual, by the Permittee acting only personally or through the medium of its employees, and

(v) if the Permittee is a limited liability company, by the Permittee acting only through the medium of its members, managers, and employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other Person. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

(b) No greater rights or privileges are hereby granted to the Permittee than the Port Authority has power to grant under the City Lease.

(c) Neither this Permit nor anything contained herein, shall be deemed to grant any rights in the Permittee to use and occupy any land, building space or other area at the Airport or shall be deemed to have created any obligation on the part of the Port Authority to provide any such land, space or area to the Permittee.

(d) Neither the execution and delivery of this Permit nor any act done pursuant thereto shall create between any terminal operator, lessee or other occupant of land at the Airport including but not limited to the Permittee, on one hand, and the Port Authority on the other hand the relationship of bailor and bailee, or any other relationship or any legal status which would impose upon the Port Authority with respect to any personal property, such as but not limited to, aircraft cargo or baggage, owned and/or handled by the Permittee any duty or obligation whatsoever. The Permittee expressly agrees that the Port Authority shall have no liability with respect to any aircraft cargo or baggage or any other property of the Permittee or of any other Person left anywhere on the Airport.

(e) This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

(f) Nothing contained in this Permit shall constitute permission to the Permittee to park or store equipment or personal property at any location or area at the Airport.

(g) The Permittee shall have no right hereunder to carry on any business or operation at the Airport other than that specifically provided herein. Without limiting the generality of the foregoing and notwithstanding anything else in this Permit to the contrary, the Permittee is expressly prohibited hereunder from performing ground transportation, fueling of aircraft and the selling and delivery of in-flight meals.

(h) It is understood that any and all privileges granted hereunder to the Permittee are non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Airport to another or others, whether by this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute a violation or breach of the permission herein granted.

(i) The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Airport.

(j) The words "permission" and "privilege" are used interchangeably in this Permit, and except where expressly provided to the contrary, shall mean the privileges granted by this Permit.

4. Fees:

(a) (i) The Permittee agrees to pay to the Port Authority, at the times set forth in and in accordance with paragraph (a)(ii) below, a percentage fee (the "*Basic Percentage Fee*") equal to five percent (5%) (as the same may be increased pursuant to paragraph (k) below) of Gross Receipts.

(ii) Gross Receipts shall be reported and the Basic Percentage Fee shall be paid to the Port Authority by the Permittee as follows: On or before the twentieth (20th) day of the first month following the month in which the Effective Date falls and on the twentieth (20th) day of each and every calendar month thereafter during the period that this Permit is in effect and including the calendar month in which this Permit ceases to be in effect, the Permittee shall render to the Port Authority a monthly statement sworn to by a responsible executive or fiscal officer of the Permittee showing all of the Gross Receipts for the preceding month (the "Monthly Sworn Statement of Gross Receipts"). Each of the said statements shall also show the cumulative Gross Receipts from the Effective Date (or the most recent anniversary thereof) through the last day of the preceding month. At the same time each of the said statements is rendered to the Port Authority, the Permittee shall pay to the Port Authority an amount equal to five percent (5%) applied to the Gross Receipts for the preceding calendar month. In addition to the foregoing, on the twentieth (20th) day of the first month following each anniversary of the Effective Date the Permittee shall submit to the Port Authority a statement setting forth the cumulative totals of the Gross Receipts for the entire preceding twelve (12) month period certified, at the Permittee's expense, by a certified public accountant or a responsible executive or fiscal officer of the Permittee ("Annual Statement of Gross Receipts"). In addition to the foregoing, within twenty (20) days after the expiration, termination, revocation or cancellation of this Permit, the Permittee shall render to the Port Authority a sworn statement certified, at the Permittee's expense, by a certified public accountant of all Gross Receipts during the period from the last preceding anniversary of the Effective Date up to and including the last day this Permit shall be in effect and the Permittee shall, at the time of rendering such statement to the Port Authority, pay the Basic Percentage Fee due and unpaid as of the last day this Permit shall be in effect. The Permittee shall give the name and position of the responsible executive or fiscal officer designated under this paragraph to submit Monthly Sworn Statement and Annual Statement of Gross Receipts, ten (10) business days prior to the submission of the first such statement by the designee of the Permittee, so that the Port Authority may determine whether it will accept such designation. The designation shall be submitted to the Manager of Properties for the Airport. If such timely notice is not given to the Port Authority, the Permittee shall submit such statement to the Port Authority in a form executed by a certified public accountant.

(b) All statements to be submitted to the Port Authority pursuant to this Section and all payments made under this Permit shall be sent to the following address:

THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY
P.O. BOX 95000-1556
PHILADELPHIA, PENNSYLVANIA 19195-0001

or made via the following wire transfer instructions:

Bank: TD Bank
Bank ABA number: 031201360
Account number: (Ex. 1)

or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

(c) There shall be excluded from Gross Receipts any sum paid or payable to the Permittee for the following, provided said sum is separately stated to and paid by the customer:

- (i) handicapped services;
- (ii) security services;
- (iii) lost and found baggage services;
- (iv) snow removal services;
- (v) ground transportation of employees; and
- (vi) building janitorial and maintenance services,

provided further, however, the Permittee acknowledges and agrees that the Port Authority does and shall continue to have the right at any time and from time to time to withdraw the foregoing exclusions from Gross Receipts, in whole or in part, or to establish a separate fee for each such service, which may be a percentage fee other than five percent (5%), upon sixty (60) days' prior written notice to the Permittee. Notwithstanding the foregoing, any fee established must be agreed to by the Permittee and the Port Authority and must be reflected in a supplement to this Permit to be prepared by the Port Authority and executed by the parties hereto.

(d) In the event the Permittee shall be permitted hereunder to provide Gateside Aircraft Maintenance or Routine and Non-routine Aircraft Maintenance services, there shall be excluded from Gross Receipts any sum paid or payable to the Permittee:

(i) which arise solely from the resale to a customer of aircraft parts and supplies purchased by the Permittee from a third party, provided, however, that there shall be included in Gross Receipts monies paid or payable to the Permittee which arise from the sale of such aircraft parts and supplies to which the Permittee has provided labor for fabrication, refinishing or assembly to the extent of the reasonable value of the labor provided by the Permittee;

(ii) which arise solely from the use of equipment rented by the Permittee from a third party which monies are separately stated to and paid by the customer, limited, however, to the amounts actually paid by the Permittee to the third party for such rental of equipment; and

(iii) which arise solely from the loan or rental by the Permittee of aircraft parts, whether or not owned by the Permittee, which monies are separately stated to and paid by a customer and where said loan or rental of any such aircraft part is for a period of less than twelve (12) consecutive calendar days, it being understood that such monies paid or payable to the Permittee for the loan or rental may include monies for labor provided by the Permittee for installation, refurbishment of returned parts or administrative handling which is directly related to said loan or rental provided, however, all monies paid or payable to the Permittee which arise solely from the loan or rental by the Permittee of aircraft parts, whether or not owned by the Permittee, for twelve (12) or more consecutive calendar days (including but not limited to monies for labor provided by the Permittee for installation, refurbishment of returned parts or administrative handling which is directly related to said lease or rental) shall be included in Gross Receipts from the first day of the loan or rental period, as the case may be.

(e) If and to the extent the full fair market value of any sale, service or other item provided by the Permittee is not charged to or payable by the customer, then the fair market value thereof as determined by the Port Authority shall be included in Gross Receipts.

(f) Without limiting any other provisions of this Permit regarding Gross Receipts, in those instances where the Permittee provides any services or goods along with other services and goods to the same Person (including without limitation those instances where a service is part of or is included within a group of other services and rendered for a single price, and where a service is performed by the Permittee pursuant to agreement for the exchange of services or goods) the Permittee agrees that the value ascribed to the performance of such service by the Permittee shall be the fair and reasonable value thereof as determined by the Port Authority.

(g) Without limiting the requirement for Port Authority approval, if the Permittee conducts any privilege or any portion thereof through the use of a contractor or other third party which is not a Port Authority permittee and where the payments for any of the foregoing are made to such contractor rather than to the Permittee, said payments shall be deemed amounts, monies, revenues, receipts and income paid or payable to the Permittee for purposes of determining the Permittee's Gross Receipts, provided, however, that the foregoing shall not grant or be deemed to grant any right or permission to the Permittee to use an independent contractor or other third party to perform any privilege or portion thereof or the doing of anything hereunder by an independent contractor or other third party.

(h) Notwithstanding that the fee hereunder is measured by a percentage of Gross Receipts, no joint venture or partnership relationship between the parties hereto is created by this Permit.

(i) To the extent that the Permittee has not already done so at the time of execution of this Permit and without limiting the generality of any other term or provision hereof, the Permittee agrees to submit monthly statements of Gross Receipts as provided in this Section and to pay, at the time of execution and delivery of this Permit to the Port Authority, all fees and other amounts due under this Permit for the period from the Effective Date to the time of execution and delivery of this Permit by the Permittee.

(j) Without limiting any other provision of this Permit, it is hereby specifically understood that the failure to set forth all the classes of Persons, all of the locations served or all of the types of services or activities performed by the Permittee in its exercise of the privileges granted hereunder as of the Effective Date, or the failure to, by appropriate supplement, revise this Permit to reflect any additional classes of Persons, locations served, or services or activities performed by the Permittee subsequent to said Effective Date, shall not affect the inclusion in Gross Receipts hereunder of the amounts, monies, revenues, receipts and income received or receivable by the Permittee in its operations, and the same shall be so included. The foregoing shall not constitute Port Authority consent or be deemed to imply that the necessary Port Authority consent (to be reflected in a supplement to the Permit) with respect to such additional classes of Persons, locations, services or activities will be given.

(k) The Basic Percentage Fee and any other fees payable under this Permit shall be subject to increase from time to time upon thirty (30) days' notice from the Port Authority to the Permittee, given by the General Manager of the Airport or such other representative as the Port Authority may substitute from time to time by notice to the Permittee, and upon the effective date of the increase set forth in such notice the fees payable by the Permittee under this Permit shall be as set forth in said notice. In the event within ten (10) days after the Permittee receives such notice from the Port Authority, the Permittee notifies the Port Authority that the Permittee does not wish to pay the increased fees, this Permit and the permission granted hereunder shall be, and shall be deemed to be, cancelled effective at the close of business on the day preceding the effective date of the increase, as set forth in the Port Authority's notice to the Permittee. If the Permittee does not so notify the Port Authority, the increased fees shall become effective on the date set forth in the Port Authority's notice as aforesaid. No cancellation of this Permit and

the permission granted thereunder pursuant to this paragraph (k) shall be construed to relieve the Permittee of any obligations or liabilities hereunder which shall have accrued on or before the effective date of such cancellation.

(l) Without limiting any term or provision of this Permit, in the event the Permittee performs (x) any service, other than the Authorized Service at the Airport, or (y) any service (including the Authorized Service) at any other Port Authority facility, whether such performance is the subject of a written agreement by and between the Port Authority and the Permittee, the Permittee hereby agrees that it will pay to the Port Authority any and all fees and/or charges applicable to such service. The Permittee also agrees that, at the request of the Port Authority, it will enter into the appropriate agreement with the Port Authority providing permission for the Permittee to perform such service.

5. Security Deposit:

(a) (i) Provided that an amount is set forth in Item 8 on the first page of this Permit (the "*Required Security Deposit*"), and, provided, further, the amount of said Required Security Deposit is less than \$20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deposit with the Port Authority (and shall keep deposited throughout the effective period of the permission under this Permit) the Required Security Deposit, either in cash, or bonds of the United States of America, or of the State of New Jersey, or of the State of New York, or of the Port Authority of New York and New Jersey, having a market value of that amount, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed. Bonds qualifying for deposit hereunder shall be in bearer form but if bonds of that issue were offered only in registered form, then the Permittee may deposit such bonds or bonds in registered form, provided, however, that the Port Authority shall be under no obligation to accept such deposit of a bond in registered form unless such bond has been re-registered in the name of the Port Authority (the expense of such re-registration to be borne by the Permittee) in a manner satisfactory to the Port Authority. The Permittee may request the Port Authority to accept a registered bond in the Permittee's name and if acceptable to the Port Authority the Permittee shall deposit such bond together with an irrevocable bond power (and such other instruments or other documents as the Port Authority may require) in form and substance satisfactory to the Port Authority. In the event the Required Security Deposit is returned to the Permittee, any expenses incurred by the Port Authority in re-registering a bond to the name of the Permittee shall be borne by the Permittee. In addition to any and all other remedies available to it, the Port Authority shall have the right, at its option, at any time and from time to time, with or without notice, to use the Required Security Deposit, or any part thereof, in whole or partial satisfaction of any of its claims or demands against the Permittee. There shall be no obligation on the Port Authority to exercise such right and neither the existence of such right nor the holding of the Required Security Deposit itself shall cure any default or breach of this Permit on the part of the Permittee. With respect to any bonds deposited by the Permittee, the Port Authority shall have the right, in order to satisfy any of its claims or demands against the Permittee, to sell the same in whole or in part, at any time, and from time to time, with or without prior notice at public or private sale, all as determined by the Port Authority, together with the right to purchase the same at such sale free of all claims, equities or rights of redemption of the Permittee. The Permittee hereby waives all right to participate therein and all right to prior notice or demand of the amount or amounts of the claims or demands of the Port Authority against the Permittee. The proceeds of every such sale shall be applied by the Port Authority first to the costs and expenses of the sale (including but not limited to advertising or commission expenses) and then to the amounts due the Port Authority from the Permittee. Any balance remaining shall be retained in cash toward bringing the Required Security Deposit to the sum specified in Item 8 on the first page of this Permit. In the event that the Port Authority shall at any time or times so use the Required

Security Deposit, or any part thereof, or if bonds shall have been deposited and the market value thereof shall have declined below the amount set forth in Item 8 on the first page of this Permit, the Permittee shall, on demand of the Port Authority and within two (2) days thereafter, deposit with the Port Authority additional cash or bonds so as to maintain the Required Security Deposit at all times to the full amount above stated in Item 8 on the first page of this Permit, and such additional deposits shall be subject to all the conditions of this Section. After the expiration or earlier revocation or termination of the effective period of the permission under this Permit, and upon condition that the Permittee shall then be in no wise in default under any part of this Permit, and upon written request therefor by the Permittee, the Port Authority will return the Required Security Deposit to the Permittee less the amount of any and all unpaid claims and demands (including estimated damages) of the Port Authority by reason of any default or breach by the Permittee of this Permit or any part thereof. The Permittee agrees that it will not assign or encumber the Required Security Deposit. The Permittee may collect or receive any interest or income earned on bonds and interest paid on cash deposited in interest-bearing bank accounts, less any part thereof or amount which the Port Authority is or may hereafter be entitled or authorized by law to retain or to charge in connection therewith, whether as or in lieu of an administrative expense, or custodial charge, or otherwise; provided, however, that the Port Authority shall not be obligated by this provision to place or to keep cash deposited hereunder in interest-bearing bank accounts.

(ii) In lieu of the Required Security Deposit made in the form described above in paragraph (a)(i), the Permittee may at any time during the effective period of the permission granted under this Permit offer to deliver to the Port Authority, as security for all obligations of the Permittee under this Permit, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District, in favor of the Port Authority in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent satisfactory letter. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by security in accordance with paragraph (a)(i) of this Section or another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security under paragraph (a)(i) of this Section. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the Required Security Deposit, if any, theretofore made under and in accordance with the provisions of paragraph (a)(i) of this Section. The Permittee shall have the same rights to receive such Required Security Deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the effective period of the permission granted under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount.

(b) Provided that a Required Security Deposit amount is set forth in Item 8 on the first page of this Permit, and, provided, further, the amount of said Required Security Deposit is equal to or greater than \$20,000.00, upon the execution of this Permit by the Permittee and

delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of the Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority, and payable in the Port of New York District in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is an appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless the letter of credit is replaced by another letter of credit satisfactory to the Port Authority by a date not later than twenty (20) days prior to the effective date of cancellation, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee, upon demand by the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to the amount of the Required Security Deposit. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to be a waiver of any default by the Permittee under the terms of this Permit, and all remedies under this Permit and of the Port Authority consequent upon such default shall not be affected by the existence of a recourse to any such letter of credit.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, in its sole discretion at any time and from time to time upon sixty (60) days' notice to the Permittee, to adjust the amount of the Required Security Deposit. Not later than the effective date set forth in said notice by the Port Authority, the Permittee shall furnish additional cash or bonds, as provided for in paragraph (a) above, or an amendment to, or a replacement of, the letter of credit providing for such adjusted amount of the Required Security Deposit, as the case may be, and such additional cash and/or bonds or adjusted (or replaced) letter of credit shall thereafter constitute the Required Security Deposit required under this Section.

(d) If the Permittee is obligated by any other agreement to maintain a security deposit with the Port Authority to insure payment and performance by the Permittee of all fees, rentals, charges and obligations which may become due and owing to the Port Authority arising from the Permittee's operations at the Airport pursuant to any such other agreement or otherwise, then all such obligations under such other agreement and any deposit pursuant thereto also shall be deemed obligations of the Permittee under this Permit and as security hereunder as well as under any such other agreement and all provisions of such other agreement with respect to such obligations and any obligations thereunder of the Port Authority as to the security deposit are hereby incorporated herein by this reference as though fully set forth herein and hereby made a part hereof. The termination, revocation, cancellation or expiration of any other agreement to which such security shall apply or any permitted assignment of such other agreement shall not affect such obligations as to such security which shall continue in full force and effect hereunder.

6. Permittee's Operations:

(a) The Permittee shall provide to the Port Authority, upon request of the Port Authority from time to time, such information and data in connection with the permission granted hereunder as the Port Authority may request and shall, if so requested by the Port Authority, make periodic reports thereof to the Port Authority utilizing such forms as may be adopted by the Port Authority for such purpose.

(b) The Permittee shall daily remove from the Airport by means of facilities provided by it all garbage, debris and other waste material (whether solid or liquid) arising out of or in connection with the permission granted hereunder, and any such not immediately removed shall be temporarily stored in a clean and sanitary condition, in suitable garbage and waste receptacles, the same to be made of metal and equipped with tight-fitting covers, and to be of a design safely and properly to contain whatever material may be placed therein; said receptacles being provided and maintained by the Permittee. The receptacles shall be kept covered except when filling or emptying the same. The Permittee shall exercise extreme care in removing such garbage, debris and other waste materials from the Airport. The manner of such storage and removal shall be subject in all respects to the continual approval of the Port Authority. No facilities of the Port Authority shall be used for such removal unless with its prior consent in writing. No such garbage, debris or other waste materials shall be or be permitted to be thrown, discharged or disposed into or upon the waters at or bounding the Airport.

(c) The Permittee shall at all times that areas of the Airport are being used for the privileges permitted hereunder, maintain said areas in a clean and orderly condition and appearance. The Permittee shall promptly wipe up any oil, gasoline, grease, lubricants and other inflammable liquids and substances and any liquids and substances having a corrosive or detrimental effect on the paving or other surface of the ramps or other areas upon which it performs the privileges authorized by this Permit resulting from its operations hereunder. The Permittee shall repair, replace, repave or rebuild, or at the Port Authority's election, the Permittee shall pay to the Port Authority the cost to the Port Authority of repairing, replacing, repaving or rebuilding, all or any part of the ramps or other areas upon which it performs the privileges authorized by this Permit which may be damaged or destroyed by such oil, gasoline, grease, lubricants or other liquids or substances or by any other act or omission of the Permittee or its employees, agents or contractors except for reasonable wear and tear arising out of its operations thereon.

(d) A principal purpose of the Port Authority in granting the permission under this Permit is to have available at the Airport, the privileges which the Permittee is permitted to render hereunder. The Permittee agrees that it will conduct a first-class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor, and keep the same in a first-class operating condition at all times.

(e) The Permittee shall immediately comply with all orders, directives and procedures as may be issued by the General Manager of the Airport covering the operations of the Permittee under this Permit at any time and from time to time. The Port Authority may, at any time and from time to time, without prior notice or cause, withdraw or modify any designation, approval, substitution or redesignation given by it hereunder.

(f) In the event of any injury or death to any person (other than employees of the Permittee) at the Airport when caused by the Permittee's operations, or damage to any property (other than the Permittee's property) at the Airport when caused by the Permittee's operations,

the Permittee shall immediately notify the Port Authority and promptly thereafter furnish to the Port Authority copies of all reports given to the Permittee's insurance carrier.

(g) The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Airport. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the General Manager of the Airport. The Port Authority shall have the right to object to the Permittee as to the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

(h) The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations at the Airport.

7. Indemnity:

(a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third Persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee hereunder, or out of any of the acts or omissions of the Permittee, its officers, employees or Persons who are doing business with the Permittee arising out of or in connection with the activities permitted hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the Airport, including claims and demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) Without limiting any other term or provision hereof, the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

(c) Without limiting any other term or provision hereof, the Permittee shall indemnify the Port Authority and hold it harmless against all claims and demands of third Persons for damage to any aircraft cargo or baggage or any other property handled or delivered pursuant to the permission granted by this Permit.

(d) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand set forth in paragraphs (a), (b) and (c) above (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

8. Liability Insurance:

(a) The Permittee, in its own name as insured and including the Port Authority as an additional insured, shall maintain and pay the premiums during the effective period of the Permit on a policy or policies of Commercial General Liability Insurance, including premises-operations and products-completed operations and covering bodily-injury liability, including death, and property damage liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage in the minimum limit set forth in Item 9 on the first page of this Permit, and Commercial Automobile Liability Insurance covering owned, non-owned and hired vehicles and including automatic coverage for newly acquired vehicles and providing for coverage in the minimum limit set forth in Item 9 on the first page of this Permit. Without limiting the foregoing, the Permittee shall maintain Workers' Compensation and Employers Liability Insurance in accordance with the Permittee's statutory obligations under the applicable State Workers' Compensation Law for those employees of the Permittee employed in operations conducted pursuant to this Permit at or from the Airport. In the event the Permittee maintains the foregoing insurance in limits greater than aforesaid, the Port Authority shall be included therein as an additional insured, except for the Workers' Compensation and Employers Liability Insurance policies, to the full extent of all such insurance in accordance with all terms and provisions of this Permit.

(b) Each policy of insurance, except for the Workers' Compensation and Employers Liability Insurance policies, shall also contain an ISO standard "separation of insureds" clause or a cross liability endorsement providing that the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority and any claim or action against the Port Authority by the Permittee, as if the Port Authority were the named insured thereunder, but such clause or endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured. Each policy of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Permittee under Section 7 of the Terms and Conditions of this Permit.

(c) All insurance coverages and policies required under this Section may be reviewed by the Port Authority for adequacy of terms, conditions and limits of coverage at any time and from time to time during the effective period of permission granted under this Permit. The Port Authority may, at any such time, require additions, deletions, amendments or modifications to the aforementioned insurance requirements, or may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem required and the Permittee shall promptly comply therewith.

(d) Each policy shall contain a provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' written advance notice thereof to the Port Authority. Each policy shall contain a provision or endorsement that the insurer "shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority." The foregoing provisions or endorsements shall be recited in each policy or certificate to be delivered pursuant to the following paragraph (e).

(e) A certified copy of each policy or a certificate or certificates of insurance evidencing the existence thereof, or binders, shall be delivered to the Port Authority upon execution and delivery of this Permit by the Permittee to the Port Authority. In the event any binder is delivered it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate of insurance. Any renewal policy shall be evidenced by a renewal certificate of

insurance delivered to the Port Authority at least seven (7) days prior to the expiration of each expiring policy, except for any policy expiring after the date of expiration of this Permit. The aforesaid insurance shall be written by a company or companies approved by the Port Authority. If at any time any insurance policy shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policy shall be or become unsatisfactory to the Port Authority, the Permittee shall promptly obtain a new and satisfactory policy in replacement. If the Port Authority at any time so requests, a certified copy of each policy shall be delivered to or made available for inspection by the Port Authority.

(f) The foregoing insurance requirements shall not in any way be construed as a limitation on the nature or extent of the contractual obligations assumed by the Permittee under this Permit. The foregoing insurance requirements shall not constitute a representation or warranty as to the adequacy of the required coverage to protect the Permittee with respect to the obligations imposed on the Permittee by this Permit or any other agreement or by law.

9. Special Endorsements:

The Permittee hereby agrees to the terms and conditions of the endorsements attached hereto, hereby made a part hereof and marked "*Special Endorsements*". The terms and provisions of the Special Endorsements shall have the same force and effect and as if herein set forth in full.

10. No Waiver:

No failure by the Port Authority to insist upon the strict performance of any agreement, term or condition of this Permit or to exercise any right or remedy consequent upon a breach or default thereof, and no extension, supplement or amendment of this Permit during or after a breach thereof, unless expressly stated to be a waiver, and no acceptance by the Port Authority of fees, charges or other payments in whole or in part after or during the continuance of any such breach or default, shall constitute a waiver of any such breach or default of such agreement, term or condition. No agreement, term or condition of this Permit to be performed or complied with by the Permittee, and no breach or default thereof, shall be waived, altered or modified except by a written instrument executed by the Port Authority. No waiver by the Port Authority of any default or breach on the part of the Permittee in performance of any agreement, term or condition of this Permit shall affect or alter this Permit but each and every agreement, term and condition thereof shall continue in full force and effect with respect to any other then existing or subsequent breach or default thereof.

11. Removal of Property:

The personal property placed or installed by the Permittee at the Airport shall remain the property of the Permittee and must be removed on or before the expiration, revocation, cancellation or termination of the permission hereby granted, whichever shall be earlier. Without limiting the terms and provisions of paragraph (g) of Section 18 hereof, any such property remaining at the Airport after the effective date of such expiration, revocation, cancellation or termination shall be deemed abandoned by the Permittee and may be removed and disposed of by the Port Authority in any manner it so determines in its sole discretion and all the proceeds of any removal or disposition shall be retained by the Port Authority for its account and all costs and expenses of such removal and disposition shall be paid to the Port Authority by the Permittee when billed.

12. Permittee's Representative:

The Permittee's representative specified in Item 3 on the first page of this Permit (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and any act or thing done or to be done hereunder, and to execute on the Permittee's behalf any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. Notices:

Except where expressly required or permitted herein to be oral, all notices, directions, requests, consents and approvals required to be given to or by either party shall be in writing, and all such notices given by the Port Authority to the Permittee shall be validly given if sent by registered or certified mail addressed to the Permittee at the address specified on the first page hereof or at the latest address that the Permittee may substitute therefor by notice to the Port Authority, or left at such address, or delivered to the Permittee's representative. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003 or at such other address as the Port Authority shall hereafter designate by notice to the Permittee. If mailed, the notices herein required to be given shall be deemed effective and given as of the date of the certified or registered mailing thereof.

14. Late Charges:

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four (24) late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (15) (but not less than thirteen (13)) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Section with respect to such unpaid amount. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including without limitation the Port Authority's rights set forth in Section 2 of these Terms and Conditions, or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Section shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

15. Non-discrimination:

(a) Without limiting the generality of any of the provisions of this Permit, the Permittee, for itself, its successors in interest and assigns, as a part of the consideration hereof, does hereby agree that (1) no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or be otherwise subject to discrimination in the use of any space at the Airport and the exercise of any privileges under this

Permit, (2) that in the construction of any improvements on, over, or under any space at the Airport and the furnishing of any service thereon by the Permittee, no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination, (3) that the Permittee shall use any space at the Airport and exercise any privileges under this Permit in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended, and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which from time to time may be applicable to the Permittee's operations thereat, whether by reason of agreement between the Port Authority and the United States Government or otherwise.

(b) The Permittee shall include the provisions of paragraph (a) of this Section in every agreement or concession it may make pursuant to which any Person or Persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Section shall constitute a material breach of this Permit. Without limiting any other term or provision hereof or any other rights or remedies of the Port Authority hereunder or at law or equity, in the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) Without limiting any other term or provision hereof, the Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third Persons, including the United States of America, resulting from the Permittee's noncompliance with any of the provisions of this Section and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Section shall grant or shall be deemed to grant to the Permittee the right to transfer or assign this Permit, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on any space at the Airport, or any right to use or occupy any space at the Airport.

16. Affirmative Action:

The Permittee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Permittee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Permittee assures that it will require that its covered suborganizations provide assurances to the Permittee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

17. Rules and Regulations:

(a) The Permittee shall observe and obey (and compel its officers, employees, guests, invitees, and those doing business with it, to observe and obey) the rules and regulations and procedures of the Port Authority now in effect, and such further reasonable rules and regulations and procedures which may from time to time during the effective period of this Permit, be promulgated by the Port Authority for reasons of safety, health, preservation of property or maintenance of a good and orderly appearance of the Airport or for the safe and efficient operation of the Airport. The Port Authority agrees that, except in cases of emergency, it shall give notice to the Permittee of every rule and regulation hereafter adopted by it at least five (5) days before the Permittee shall be required to comply therewith.

(b) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the New York Board of Fire Underwriters and the New York Fire Insurance Exchange, and any other body or organization exercising similar functions which may pertain or apply to the Permittee's operations hereunder. If by reason of the Permittee's failure to comply with the provisions of this Section, any fire insurance, extended coverage or rental insurance rate on the Airport or any part thereof, or upon the contents of any building thereon, shall at any time be higher than it otherwise would be, then the Permittee shall on demand pay the Port Authority that part of all fire insurance premiums paid or payable by the Port Authority which shall have been charged because of such violation by the Permittee.

18. Prohibited Acts

(a) The Permittee shall not do or permit to be done any act which

(i) will invalidate or be in conflict with any fire insurance policies covering the Airport or any part thereof or upon the contents of any building thereon, or

(ii) will increase the rate of any fire insurance, extended coverage or rental insurance on the Airport or any part thereof or upon the contents of any building thereon, or

(iii) in the opinion of the Port Authority will constitute a hazardous condition, so as to increase the risks normally attendant upon the operations contemplated by this Permit, or

(iv) may cause or produce upon the Airport any unusual noxious or objectionable smokes, gases, vapors or odors, or

(v) may interfere with the effectiveness or accessibility of any drainage and sewerage system, water system, communications system, fire protection system, sprinkler system, alarm system, fire hydrant and hose, if any, installed or located or to be installed or located in or on the Airport, or

(vi) shall constitute a nuisance or injury in or on the Airport or which may result in the creation, commission or maintenance of a nuisance or injury in or on the Airport.

For the purpose of this paragraph (a), "Airport" includes all structures located thereon.

(b) The Permittee shall not dispose of, release or discharge nor permit anyone to dispose of, release or discharge any Hazardous Substance on the Airport except that the Permittee may release or discharge de-icing fluids utilized in the Permittee's ordinary course of business in the performance of any of the privileges granted hereunder so long as such release or discharge is not a violation of the terms and conditions of Sections 17 or 19 hereof. In addition to and without limiting Section 19 hereof, any Hazardous Substance disposed of, released or discharged by the Permittee (or permitted by the Permittee to be disposed of, released or

discharged) on the Airport shall upon notice by the Port Authority to the Permittee and subject to the provisions of Sections 17 and 19 hereof and to all Environmental Requirements, be completely removed and/or remediated by the Permittee at its sole cost and expense, provided, however, the forgoing shall not apply to releases and discharges which are in compliance with the terms and conditions of Sections 17 and 19 hereof of de-icing fluids utilized in the Permittee's ordinary course of business in the performance of any of the privileges granted hereunder and the obligation of the Permittee to remove and remediate such de-icing fluids shall be as required by the terms and conditions of Sections 17 and 19 hereof. The obligations of the Permittee pursuant to this paragraph shall survive the expiration, revocation, cancellation or termination of this Permit.

(c) The Permittee shall not dispose of nor permit anyone to dispose of any waste materials (whether liquid or solid) by means of any toilets, sanitary sewers or storm sewers.

(d) (i) The Permittee shall not employ any persons or use any labor, or use or have any equipment, or permit any condition to exist, which shall or may cause or be conducive to any labor complaints, troubles, disputes or controversies at the Airport which interfere or are likely to interfere with the operation of the Airport or any part thereof by the Port Authority or with the operations of the lessees, licensees, permittees or other users of the Airport or with the operations of the Permittee under this Permit.

(ii) The Permittee shall immediately give notice to the Port Authority (to be followed by written notice and reports) of any and all impending or existing labor complaints, troubles, disputes or controversies and the progress thereof. The Permittee shall use its best efforts to resolve any such complaints, troubles, disputes or controversies.

(iii) The Permittee acknowledges that it is familiar with the general and local conditions prevailing at the Airport and with the all pertinent matters and circumstances which may in any way affect performance of the privileges granted under this Permit.

(e) The Permittee shall not solicit business on the public areas of the Airport and the use, at any time, of hand or standard megaphones, loudspeakers or any electric, electronic or other amplifying device is hereby expressly prohibited.

(f) The Permittee shall not install any fixtures or make any alterations, additions, improvements or repairs to any property of the Port Authority except with the prior written approval of the Port Authority.

(g) No signs, posters or similar devices shall be erected, displayed or maintained at the Airport without the written approval of the General Manager of the Airport; and any not approved by such General Manager or not removed by the Permittee upon the termination, revocation, expiration or cancellation of this Permit may be removed by the Port Authority at the expense of the Permittee.

(h) The Permittee shall not operate any engine or any item of automotive equipment in any enclosed space at the Airport unless such space is adequately ventilated.

(i) The Permittee shall not use any cleaning materials having a harmful or corrosive effect on any part of the Airport.

(j) The Permittee shall not fuel or defuel any equipment in any enclosed space at the Airport without the prior approval of the General Manager of the Airport except in accordance with Port Authority rules and regulations.

(k) The Permittee shall not start or operate any engine or any item of automotive equipment in any enclosed space at the Airport unless such space is adequately ventilated and unless such engine is equipped with a proper spark-arresting device.

19. Law Compliance:

(a) The Permittee shall procure all licenses, certificates, permits or other authorization from all governmental authorities, if any, having jurisdiction over the Permittee's operations at the Airport which may be necessary for the Permittee's operations thereat.

(b) The Permittee shall pay all taxes, license, certification, permit and examination fees and excises which may be assessed, levied, exacted or imposed on its property or operations at the Airport or on the Gross Receipts or income therefrom, and shall make all applications, reports and returns required in connection therewith.

(c) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions which may pertain or apply to the Permittee's operations at the Airport.

(d) The Permittee's obligations to comply with governmental requirements are provided herein for the purpose of assuring proper safeguards for the protection of Persons and property at the Airport and are not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

(e) The Port Authority has agreed by a provision in the City Lease with the City covering the Airport to conform to the enactments, ordinances, resolutions and regulations of the City and of its various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable so to do. The Permittee shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

20. Trademarks and Patent Infringement:

The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit.

21. Inspection:

The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or

demonstrate any machines or equipment owned by or in the possession of the Permittee on the Airport or to be placed or brought on the Airport, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

22. Federal Aid:

(a) The Permittee shall

(i) furnish good, prompt and efficient service hereunder, adequate to meet all demands therefor at the Airport;

(ii) furnish said service on a fair, equal and non-discriminatory basis to all users thereof; and

(iii) charge fair, reasonable and non-discriminatory prices for each unit of sale or service, provided that the Permittee may make reasonable and non-discriminatory discounts, rebates or other similar types of price reductions to volume purchasers.

As used in the above subsections "service" shall include furnishing of parts, materials and supplies (including sale thereof).

(b) The Port Authority has applied for and received a grant or grants of money from the Administrator of the Federal Aviation Administration pursuant to the Airport and Airways Development Act of 1970, as the same has been amended and supplemented, and under prior federal statutes which said Act superseded and the Port Authority may in the future apply for and receive further such grants. In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. The performance by the Permittee of the promises and obligations contained in this Permit is therefore a special consideration and inducement to the issuance of this Permit by the Port Authority, and the Permittee further agrees that if the Administrator of the Federal Aviation Administration or any other governmental officer or body having jurisdiction over the enforcement of the obligations of the Port Authority in connection with Federal Airport Aid, shall make any orders, recommendations or suggestions respecting the performance by the Permittee of its obligations under this Permit, the Permittee will promptly comply therewith at the time or times, when and to the extent that the Port Authority may direct.

23. Capacity and Competition:

(a) The Permittee shall refrain from entering into continuing contracts or arrangements with any third Person for furnishing services covered hereunder when such contracts or arrangements will have the effect of utilizing to an unreasonable extent the Permittee's capacity for rendering such services. A reasonable amount of capacity shall be reserved by the Permittee for the purpose of rendering services hereunder to those who are not parties to continuing contracts with the Permittee.

(b) The Permittee shall not enter into any agreement or understanding, express or implied, binding or non-binding, with any other Person who may furnish services at the Airport similar to those furnished hereunder which will have the effect of (i) fixing rates and charges to be paid by users of the services; (ii) lessening or preventing competition between the Permittee

and such other furnishers of services; or (iii) tending to create a monopoly on the Airport in connection with the furnishing of such services.

24. Business Development and Records:

(a) In connection with the exercise of the privileges granted hereunder, the Permittee shall:

(i) use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(ii) not divert or cause or allow to be diverted, any business from the Airport:

(iii) maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of the Permittee at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify the Authorized Service and all other services performed at the Airport, and;

(iv) cause any company which is owned or controlled by the Permittee, or any company which owns or controls the Permittee, if any such company performs services similar to those performed by the Permittee (any such company being hereinafter called an "Affiliate" and all such companies being hereinafter called the "Affiliates") to maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of each Affiliate at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify each activity (including without limitation the Authorized Service) performed at the Airport;

(v) permit and/or cause to be permitted in ordinary business hours during the effective period of this Permit, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Port Authority of all the records and books of account of the Permittee (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts all agreements, and all source documents) and all the records and books of account of all Affiliates (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts, all agreements, and all source documents) (all of the foregoing records and books described in this paragraph (a)(v) being hereinafter collectively referred to as the "Books and Records") within ten (10) days following any request by the Port Authority from time to time and at any time to examine and audit any Books and Records;

(vi) permit the inspection by the officers, employees and representatives of the Port Authority of any equipment used by the Permittee, including but not limited to the equipment described in paragraph (a)(vii) below; and

(vii) install and use such cash registers, sales slips, invoicing machines and any other equipment or devices, including without limitation computerized record keeping systems, for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of Gross Receipts, and without limiting the generality of the foregoing, for any privilege involving cash sales, install and use cash registers or other electronic cash control equipment that provides for non-resettable totals.

(b) Without implying any limitation on the right of the Port Authority to revoke this Permit for cause for breach of any term, condition or provision thereof, including but not limited to, breach of any term, condition or provision of paragraph (a) above, the Permittee understands that the full reporting and disclosure to the Port Authority of all Gross Receipts and the Permittee's compliance with all the provisions of paragraph (a) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under this Permit. In the event any Books and Records are maintained outside the Port of New York District or in the event of the failure of the Permittee to comply with all the provisions of paragraphs (a)(ii) through (a)(vii) above then, in addition to all, and without limiting any other, rights and remedies of the Port Authority under this Permit or otherwise and in addition to all of the Permittee's other obligations under this Permit:

(i) the Port Authority may estimate the Gross Receipts on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the fees based thereon shall be payable to the Port Authority when billed; and/or

(ii) if any Books and Records are maintained outside of the Port of New York District, then the Port Authority in its sole discretion may (x) require on ten (10) days' notice to the Permittee that any such Books and Records be made available to the Port Authority within the Port of New York District for examination and audit pursuant to paragraph (a)(v) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(v) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority, for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Permittee shall pay to the Port Authority when billed all costs and expenses of the Port Authority, as determined by the Port Authority, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

(c) In the event that upon conducting an examination and audit as described in this Section the Port Authority determines that unpaid amounts are due to the Port Authority by the Permittee (the "*Audit Findings*"), the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount equal to five percent (5%) of the Audit Findings. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Permittee under this Permit or otherwise. Such service charge shall not be payable if the Port Authority has received, for each month covered by the examination and audit period, the Monthly Sworn Statement of Gross Receipts, as provided in Section 4(a)(ii). No acceptance by

the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Section with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

(d) Without implying any limitation on the rights or remedies of the Port Authority under this Permit or otherwise including without limitation the right of the Port Authority to revoke this Permit for cause for breach of any term or provision of paragraphs (a)(iii) or (a)(iv) above and in addition thereto, in the event any of the Books and Records are not maintained in English, then this Permittee shall pay to the Port Authority when billed, all costs and expenses of the Port Authority, as determined by the Port Authority, to translate such Books and Records into English.

(e) The foregoing auditing costs, expenses and amounts of the Port Authority set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Permit payable to the Port Authority with the same force and effect as the Basic Percentage Fee and all other fees payable to the Port Authority thereunder.

25. Rates and Charges:

The Permittee shall establish rates and discounts therefrom which are in compliance with Section 22 hereof (each such rate and discount is hereinafter called an "Established Rate"). Upon request by the Port Authority, the Permittee shall provide the Port Authority its rates and discounts therefrom for goods and services furnished hereunder. If the Permittee applies any rate in excess of the Established Rate therefor or extends a discount less than the Established Discount therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the Established Rate therefor or extends a discount which is in excess of the Established Rate therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an undercharge and an amount equivalent thereto shall be included in Gross Receipts hereunder and the Basic Percentage Fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in Gross Receipts any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon such breach which would otherwise be available to it at law, in equity or by reason of this Permit.

26. Other Agreements:

In the event the terms and provisions of any agreement entered into by the Permittee with any third Person in connection with the privileges granted hereunder are contrary to or conflict or are inconsistent with the terms and provisions of this Permit, the terms and provisions of this Permit shall be controlling, effective and determinative.

27. City Lease Provisions:

(a) The Permittee acknowledges that it has received a copy of, and is familiar with the contents of, the City Lease. The Permittee acknowledges that no greater rights or privileges are hereby granted to the Permittee than the Port Authority has the power to grant under the City Lease.

(b) In accordance with the provisions of the City Lease, the Port Authority and the Permittee hereby agree as follows:

(i) This Permit is subject and subordinate to the City Lease and to any interest superior to that of the Port Authority;

(ii) The Permittee shall not pay the fees or other sums under this Permit for more than one (1) month in advance (excluding security or other deposits required under this Permit);

(iii) With respect to this Permit, the Permittee on the termination of the City Lease will, at the option of the City, enter into a direct permit on identical terms with the City;

(iv) The Permittee shall indemnify the City, as third party beneficiary hereunder, with respect to all matters described in Section 31 of the City Lease that arise out of the Permittee's operations at the Airport, or arise out of the acts or omissions of the Permittee's officers, employees, agents, representatives, contractors, customers, business visitors and guests at the Airport with the Permittee's consent;

(v) The Permittee shall not use any portion of the Airport for any use other than as permitted under the City Lease;

(vi) The Permittee shall use the Airport in a manner consistent with the Port Authority's obligations under Section 28 of the City Lease;

(vii) The failure of the Permittee to comply with the foregoing provisions shall be an event of default under this Permit, which shall provide the Port Authority with the right to revoke this Permit and exercise any other rights that the Port Authority may have as the grantor of the permission hereunder; and

(viii) The City shall be named as an additional insured or loss payee, as applicable, under each policy of insurance procured by the Permittee pursuant to this Permit.

28. Counterclaims:

The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts, which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

29. Continued Exercise of Privilege After Expiration, Revocation or Termination:

(a) The Permittee acknowledges that the failure of the Permittee to cease to perform the Authorized Service at the Airport from the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss, and the Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss. The Permittee acknowledges that the Port Authority reserves all its legal and

equitable rights and remedies in the event of such failure by the Permittee to cease performance of the Authorized Service.

(b) The Permittee hereby acknowledges and agrees that, subject to the foregoing, all terms and provisions of this Permit shall be and continue in full force and effect during any period following such expiration, revocation or termination.

30. Governing Law:

This permit and any claim, dispute or controversy arising out of, under or related to this permit shall be governed by, interpreted and construed in accordance with the laws of the State of New York, without regard to choice of law principles.

31. Miscellaneous:

(a) It is understood and agreed that the Port Authority shall not furnish, sell or supply to the Permittee any services or utilities in connection with this Permit.

(b) No Commissioner, Director, officer, agent or employee of either party shall be charged personally by the other party with any liability, or held liable to the other party, under any term or provision of this Permit, or because of the party's execution or attempted execution, or because of any breach thereof.

(c) The Section and paragraph headings, if any, in this Permit are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope or intent of any provision hereof.

(d) This Permit, including the attached Special Endorsements, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof. This Permit may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee or except by notice as specifically set forth in Sections 4 and 13 hereof. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

The Permittee shall sell only such items of merchandise and/or render only such services as may be approved in writing from time to time by the Port Authority. The Port Authority may at any time and from time to time withdraw its approval as to any items or services without affecting the continuance of this Permit.

The Permittee shall furnish all merchandise and/or all services, at reasonable prices and at the times and in a manner which will be fully satisfactory to the public and to the Port Authority. All prices charged by the Permittee shall be subject to the prior written approval of the Port Authority, provided, however, that such approval will not be withheld if the proposed prices do not exceed reasonable prices for similar merchandise and/or services in the municipality in which the Airport is located. The Permittee shall remain open for and conduct business during such hours of the day and on such days of the week as may properly serve the needs of the public. The Port Authority's determination of reasonable prices and proper business hours and days shall control.

The Permittee shall, prior to furnishing any services hereunder, prepare schedules of rates for said services and discounts therefrom. Such schedules shall be submitted to the Port Authority for its prior written approval as to compliance by the Permittee with its obligations under this Permit. The Port Authority shall examine such schedules and make such modifications therein as may be necessary. Any changes thereafter in the schedules shall be similarly submitted to the Port Authority for its prior written approval, and, if necessary, modification. All such schedules shall be made available to the public by the Permittee at locations designated from time to time by the Port Authority. The Permittee agrees to adhere to the rates and discounts stated in the approved schedules. If the Permittee applies any rate in excess of the approved rates or extends a discount less than the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the approved rates or extends a discount which is in excess of the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an undercharge and an amount equivalent thereto shall be included in gross receipts hereunder and the percentage fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Permit.

SPECIAL ENDORSEMENTS

1. Subject to all of the terms, covenants and provisions of this Permit, the Port Authority hereby grants to the Permittee the privilege of operating a first class newsstand concession for the sale at retail of magazines, periodicals, newspapers, paperback books, gum, candies and packaged snacks, cough drops, digestive aids, cigarettes, cigars, tobacco products, and accessories, postal cards, stationery supplies, health and beauty aids, photographic film, batteries, sundries, souvenirs, T-shirts, gifts and any other items as may be consented to in advance in writing by the Port Authority, and for no other purpose or purposes whatsoever. The Permittee shall exercise the privilege granted by this Permit only in the space in the Rotunda area of Marine Air Terminal (the "Terminal") to be specifically designated by the Port Authority (such space being referred to as the "Concession Area").

2. As used herein:

(a) "Annual Period" shall mean the period commencing on the Fee Commencement Date and ending on the three hundred and sixty-fifth (365th) day following the Fee Commencement Date, and each three hundred and sixty-five (365) day period occurring thereafter during the period of permission granted herein.

(b) "Fee Commencement Date" shall mean September 1, 2009, the date upon which the Permittee's obligation to pay fees hereunder commences.

(c) "Minimum Annual Guarantee" or "MAG" shall have the meaning ascribed to it in Special Endorsement No. 3 to this Permit.

(d) "Monthly period" shall mean, as the context requires, the period commencing on the Fee Commencement Date and continuing through the balance of the month in which the Fee Commencement Date occurs and each calendar month thereafter occurring during the period of permission granted hereunder; provided, however, that if the period of permission commences on other than the first day of a month, the first monthly period hereunder shall expire or is terminated or revoked on other than the last day of a calendar month, then the monthly period for the calendar month in which the effective date of expiration, termination or revocation occurs shall expire on such date.

(e) "Percentage fee" shall mean for and during the period commencing on the Effective Date and continuing through the period of permission granted hereunder, with respect to each annual period, the following:

(i) seven percent (7%) of the Permittee's Gross Receipts up to and including Three Hundred Thousand Dollars and No Cents (\$300,000.00); and

(ii) eleven percent (11%) of the Permittee's Gross Receipts in excess of Three Hundred Thousand Dollars and No Cents (\$300,000).

(f) "Port Authority Reserved Uses" shall mean the following uses, operations or installations which the Port Authority reserves to itself and its designees exclusively in the Terminal: VIP lounges; airline clubs; airtrain/monorail facilities; advertising (including, without limitation, static display, broadcast and other); pay telephones, pre-paid phone cards, facsimile transmission machines and other public communications services, including without limitation, all Port Authority-owned or operated information and communications technology infrastructure for common Airport use; rental of cellular phones; concierge services (*i.e.*, a center or location which offers a variety of services for passengers (including, but not limited to, hotel reservations, *sale of entertainment events tickets and lottery tickets, luggage storage and delivery, sightseeing tours, business services and provision of touring information*)); ground transportation (including vehicle rentals); hotel and other lodging reservations; vending machines dispensing anything (including, but not limited to, catalog and electronic sales) other than products specifically permitted to be sold on the premises occupied under this Permit and if approved in advance by the Port Authority; on-airport baggage carts (other than shopping carts made available free of charge to shoppers within the Concession Area) or other on-airport baggage-moving devices; and electronic amusements. The Port Authority shall have the right to all revenues derived for or from the above-stated reserved uses.

3. (a) The Minimum Annual Guarantee or MAG shall mean, during each Annual Period occurring from the Fee Commencement Date through the effective period of the permission granted hereunder, applicable to the entire Concession Area, the amount of Ten Thousand Dollars and No Cents (\$10,000.00) per annum which amount shall be payable in advance in equal, consecutive monthly installments equal to Eight Hundred Thirty-three Dollars and Thirty-three Cents (\$833.33). The MAG installment payments shall be due and payable on the Fee Commencement Date and on the first day of each and every calendar month thereafter occurring during the period of permission under this Permit. The MAG is subject to annual adjustments as set forth in subparagraph (b) of this Special Endorsement.

(b) If annual enplanements in the Terminal for the Annual Period which precedes the anniversary of the Fee Commencement Date ("Annual Enplanement Number") are less than 450,000, then the MAG will be waived for the Annual Period commencing on the anniversary of the Fee Commencement Date following the close of such Annual Period, and only the percentage fee will be payable during this Annual Period. The Annual Enplanement Number for each Annual Period shall be provided by the Port Authority to the Permittee in writing as soon as practicably possible after the close of an Annual Period, it being understood that such Annual Enplanement Number is derived from information provided to the Port Authority by airlines that operate at the Terminal and, accordingly, the Port Authority makes no representation to the Permittee as to the accuracy of the Annual Enplanement Number. Once waived, the MAG shall continue to be waived with respect to a succeeding Annual Period until such time as the Annual Enplanement Number for an Annual Period exceeds 450,000 and, in such case, the obligation to pay the MAG shall be applicable and reinstated effective as of the

anniversary of the Fee Commencement Date which follows the specific Annual Period during which the 450,000 Annual Enplanement Number was exceeded.

4. (a) In addition to the payment of the MAG, subject to Special Endorsement 3(b) herein, commencing as of the Fee Commencement Date, and continuing throughout the period of the permission under this Permit, the Permittee shall pay directly to the Port Authority a percentage fee amount equal to the excess over the MAG after applying the appropriate percentages set forth in subparagraph (e) of Special Endorsement No. 2 of this Permit. The computation of percentage fees for each Annual Period, or a portion of an Annual Period, shall be individual to such Annual Period, or such portion of an Annual Period, and without relation to any other Annual Period, or any other portion of any Annual Period.

(b) The Permittee shall pay percentage fees as follows: on the 20th day of the first month following the month during which the Fee Commencement Date occurs and on the 20th day of each and every month thereafter including the month following the end of each Annual Period, the Permittee shall render to the Port Authority a sworn statement showing its Gross Receipts for the preceding month and showing its cumulative Gross Receipts from the date of the commencement of the Annual Period for which the report is made through the last day of the preceding month; whenever such statement shall show that the percentages stated above in subparagraph (e) of Special Endorsement No. 2 applied to the Gross Receipts of the Permittee from the preceding month is in excess of the MAG, the Permittee shall pay at the time of rendering the statement an amount equal to such excess and the Permittee shall pay thereafter on the 20th day of each month during that Annual Period and on the 20th day of the month following the end during such Annual Period pay an amount equal to the said percentages applied to the Gross Receipts during each subsequent month of that Annual Period. In the monthly statement for the last month of each Annual Period, in addition to all the information required by this paragraph (b), the Permittee shall set forth the MAG applicable to the Annual Period just ended.

(c) Upon any termination or revocation of the period of the permission granted hereunder (even if stated to have the same effect as expiration), the Permittee shall within twenty (20) days after the effective date of such termination, make a payment of fees computed as follows: first, if the period of permission hereunder is terminated or revoked effective on a date other than the last day of a month, the MAG for the portion of the month in which the period of the permission remains effective shall be the amount of the applicable monthly installment of the MAG prorated on a daily basis; second, the Permittee shall within twenty (20) days after the effective date of termination or revocation, render to the Port Authority a sworn statement of all its Gross Receipts for the monthly period in which the effective date of termination or revocation happens to fall and the cumulative Gross Receipts for such Annual Period; third, the payment then due on account of the percentage fee for the monthly period in which the effective date of termination or revocation happens to fall shall be the excess over MAG of the percentages stated hereinabove applied to all the Gross Receipts of the Permittee arising during such Annual Period; the portion of the MAG being prorated by multiplying the same by a fraction, the numerator of which shall be the number of days from the commencement of the Annual Period through the effective date of termination or revocation and the denominator of which shall be 365, less any percentage fee payments previously made for such Annual Period.

5. The Permittee shall have the right and option to extend the period of

permission granted under this Permit for two additional one (1) year terms upon the same terms as are in effect immediately preceding the period for which such option is exercised; provided, however, the Permittee may only exercise the option to extend described in this paragraph, and such extension shall only be effective, if both at the time of the giving of the notice of exercise of the option and on the intended effective extension date the Permittee is not in default under any term or provision of this Permit or under notice of revocation or termination from the Port Authority.

There shall be no right and option to extend the period of permission granted under this Permit beyond the expiration of the last of the said periods for which such option is exercisable. Upon the exercise of any such option, which exercise shall be by notice in writing to the Port Authority from the Permittee at least ninety (90) days prior to the period for which the option is exercised, the period of permission granted under this Permit shall be deemed extended without the further execution of any further agreement or other instrument.

6. This Permit is subject to the requirements of the United States Department of Transportation's regulations, 49 CFR Part 23. The Permittee agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement or any management contract, or subcontract, purchase or lease agreement or other agreement covered by 49 CFR Part 23. The Permittee agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR Part 23 that it enters and cause those businesses to similarly include the statements in further agreement. Further, the Permittee agrees to comply with the terms and provisions of Schedule G, attached hereto and hereto made a part hereof.

7. Labor Harmony at the Airport

(a) General. In connection with its operations at the Airport under this Permit, the Permittee shall serve the public interest by promoting labor harmony, it being acknowledged that strikes, picketing, or boycotts may disrupt the efficient operation of the Terminal. The Permittee recognizes the essential benefit to have continued and full operation of the Airport as a whole and the Terminal as a transportation center. The Permittee shall immediately give oral notice to the Port Authority (to be followed reasonably promptly by written notices and reports) of any and all impending or existing labor-related disruptions and the progress thereof.

If any type of strike, picketing, boycott or other labor-related disruption is directed against the Permittee at the Terminal, or against its operations thereat pursuant to this Permit, which in the opinion of the Port Authority (i) physically interferes with the operation of the Airport, the Terminal or the Concession Area, or (ii) physically interferes with public access between the Concession Area and any portion of the Terminal or the Airport, or (iii) physically interferes with the operations of other operators at the Airport or the Terminal, or (iv) presents a danger to the health and safety of users of the Airport or the Terminal, including persons employed thereat or members of the public, the Port Authority shall have the right at any time

during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(b) Labor peace agreement. The Permittee represents that, prior to or upon entering into this Permit, it has delivered to the Port Authority evidence of a signed labor peace agreement, in the form attached hereto as Exhibit X or, if Exhibit X is inapplicable, a written notification from an officer of the Permittee on the Permittee's letterhead that no labor organization (as defined by 29 U.S.C. Section 152 (3)) has sought to represent the employees of the Permittee at the Airport or of the date of such notification.

(c) Employee Retention. If the Permittee's concession at the Concession Area is of the same type (*i.e.*, food, retail, news/gifts or duty-free concession) as that of the immediately preceding concession operator at the Concession Area (the "Predecessor Concession"), the Permittee agrees to offer continued employment for a minimum period of ninety (90) days, unless there is just cause to terminate employment sooner, to employees of the Predecessor Concession who have been or will be displaced by cessation of the operations of the Predecessor Concession and who wish to work for the Permittee at the Concession Area. The foregoing requirement shall be subject to the Permittee's commercially reasonable determination that fewer employees are required at the Premises than were required by the Predecessor Concession; except, however, that the Permittee shall retain such staff as is deemed commercially reasonable on the basis of seniority with the Predecessor Concession at the premises. The Port Authority shall have the right to demand from the Permittee documentation of the name, date of hire, and employment occupation classification of all employees covered by this provision. In the event the Permittee fails to comply with this provision, the Port Authority have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(d) Applicability of Provision. The provisions of this section shall apply to concession operators which employ ten (10) or more persons at the Concession Area.

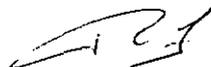

8. Even if this Permit does not set forth a stated amount of security deposit that must be provided by the Permittee prior to or upon the effective date of this Permit in connection with the Permittee's operations hereunder, nothing in this Permit shall prevent or preclude, or shall be construed as preventing or precluding, the Port Authority from requiring a security deposit at any time during the period of permission of this Permit, or as a condition of entering into any agreement (including without limitation extensions, amendments or supplements to this Permit or existing agreements) which may be entered into between the Port Authority and the Permittee subsequent to the execution of this Permit. Accordingly, the Port Authority reserves the right, in its sole discretion, upon fifteen (15) days written notice, to require that a security deposit be delivered to it by the Permittee hereunder and, in such event, the amount and type of security deposit set forth in said notice shall be deposited with the Port Authority forthwith in strict accordance with the Port Authority's notice. Similarly, the Port Authority reserves the right, in its sole discretion, to further adjust such amount, at any time and from time to time, upon fifteen (15) days written notice to the Permittee, thereby increasing or decreasing the security amount,

based upon changes in the Permittee's activity at any Port Authority Facility. From and after the effective date set forth in said notice the Permittee shall deposit with the Port Authority the new security amount as set forth in said notice.

SCHEDULE G

AIRPORT CONCESSION DISADVANTAGED BUSINESS ENTERPRISE (ACDBE) PARTICIPATION

In accordance with regulations of the US Department of Transportation 49 CFR Part 23, the Port Authority has implemented an Airport Concession Disadvantaged Business Enterprise (ACDBE) program under which qualified firms may have the opportunity to operate an airport business. The Port Authority has established an ACDBE participation goal, as measured by the total estimated annual gross receipts for the overall concession program. The goal is modified from time to time and posted on the Port Authority's website: www.panynj.gov.

The overall ACDBE goal is a key element of the Port Authority's concession program and Concessionaire shall take all necessary and reasonable steps to comply with the requirements of the Port Authority's ACDBE program. The Concessionaire commits to making good faith efforts to achieve the ACDBE goal. Pursuant to 49 CFR 23.25 (f), ACDBE participation must be, to the greatest extent practicable, in the form of direct ownership, management and operation of the concession or the ownership, management and operation of specific concession locations through subleases. The Port Authority will also consider participation through joint ventures in which ACDBEs control a distinct portion of the joint venture business and/or purchase of goods and services from ACDBEs. In connection with the aforesaid good faith efforts, as to those matters contracted out by the Concessionaire in its performance of this agreement, the Concessionaire shall use, to the maximum extent feasible and consistent with the Concessionaire's exercise of good business judgment including without limit the consideration of cost competitiveness, a good faith effort to meet the Port Authority's goals. Information regarding specific good faith steps can be found in the Port Authority's ACDBE Program located on its above-referenced website. In addition, the Concessionaire shall keep such records as shall enable the Port Authority to comply with its obligations under 49 CFR Part 23 regarding efforts to offer opportunities to ACDBEs.

Qualification as an ACDBE

To qualify as an ACDBE, the firm must meet the definition set forth below and be certified by the New York State or New Jersey Uniform Certification Program (UCP). The New York State UCP directory is available on-line at www.nysucp.net and the New Jersey UCP at www.njucp.net.

An ACDBE must be a small business concern whose average annual receipts for the preceding three (3) fiscal years does not exceed \$47.78 million and it must be (a) at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operations are controlled by one or more of the socially or economically disadvantaged individuals who own it. The personal net worth standard used in determining eligibility for purposes of

part 23 is \$750,000.

The ACDBE may, if other qualifications are met, be a franchisee of a franchisor. An airport concession is a for-profit business enterprise, located on an airport, which is subject to the Code of Federal Regulations 49 Part 23, subpart F, that is engaged in the sale of consumer goods or services to the public under an agreement with the sponsor, another concessionaire, or the owner or operator of a terminal, if other than the sponsor. The Port Authority makes a rebuttable presumption that individuals in the following groups who are citizens of the United States or lawful permanent residents are "socially and economically disadvantaged":

- a. Women;
- b. Black Americans which includes persons having origins in any of the Black racial groups of Africa;
- c. Hispanic Americans which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;
- d. Native Americans which includes persons who are American Indians, Eskimos, Aleuts or Native Hawaiians;
- e. Asian-Pacific Americans which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific Islands (Republic of Palau), the Commonwealth Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Juvalu, Nauru, Federated States of Micronesia or Hong Kong;
- f. Asian-Indian Americans which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, Maldives Islands, Nepal and Sri Lanka; and
- g. Members of other groups, or other individuals, found to be economically and socially disadvantaged by the Small Business Administration under Section 8(a) of the Small Business Act, as amended (15 U.S.C. Section 637(a)).

Other individuals may be found to be socially and economically disadvantaged on a case-by-case basis. For example, a disabled Vietnam veteran, an Appalachian white male, or another person may claim to be disadvantaged. If such individual requests that his or her firm be certified as ACDBE, the Port Authority, as a certifying partner in the New York State and New Jersey UCPs will determine whether the individual is socially or economically disadvantaged under the criteria established by the Federal Government. These owners must demonstrate that their disadvantaged status arose from individual circumstances, rather than by virtue of membership in a group.

Certification of ACDBEs hereunder shall be made by the New York State or New Jersey UCP. If Concessionaire wishes to utilize a firm not listed in the UCP directories but

which the Concessionaire believes should be certified as an ACDBE, that firm shall submit to the Port Authority a written request for a determination that the firm is eligible for certification. This shall be done by completing and forwarding such forms as may be required under 49 CFR Part 23. All such requests shall be in writing, addressed to Lash Green, Director, Office of Business and Job Opportunity, The Port Authority of New York and New Jersey, 233 Park Avenue South, 4th Floor, New York, New York 10003 or such other address as the Port Authority may designate from time to time. Contact OBJOcert@panynj.gov for inquiries or assistance.

In the event the signatory to this agreement is a Port Authority permittee, the term Concessionaire shall mean the Permittee herein. In the event the signatory to this agreement is a Port Authority lessee, the term Concessionaire shall mean the Lessee herein.

Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

2. (a) Notwithstanding any other provisions of this Permit, the permission hereby granted shall in any event terminate with the expiration or termination of the lease of Newark International Airport from The City of Newark (hereinafter called "the City") to the Port Authority under the agreement between the City and the Port Authority dated October 22, 1947, as the same from time to time may have been or may be supplemented or amended (hereinafter referred to as "the Basic Lease"). Said agreement dated October 22, 1947 has been recorded in the Office of the Register of Deeds for the County of Essex on October 30, 1947, in Book E-110 of Deeds, at pages 242 et seq. No greater rights or privileges are hereby granted to the Permittee than the Port Authority has power to grant under the Basic Lease.

(b) "Newark International Airport" or "Airport" shall mean the land and premises in the County of Essex and State of New Jersey, which are westerly of the right of way of the Central Railroad of New Jersey and are shown upon the exhibit attached to the Basic Lease and marked "Exhibit A", as contained within the limits of a line of crosses appearing on said Exhibit and designated "Boundary of terminal area in City of Newark", and lands contiguous thereto which may have been heretofore or may hereafter be acquired by the Port Authority to use for air terminal purposes.

(c) The Port Authority has agreed by a provision in the Basic Lease with the City covering the Airport to conform to the enactments, ordinances, resolutions and regulations of the City and of its various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable so to do. The Permittee

shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

3. The rights granted hereby shall be exercised

(a) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(b) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(c) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees, or

(d) if the Permittee is an individual, by the Permittee acting only personally or through the medium of his employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other person, corporation or legal entity. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

4. This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

5. The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Airport. The Port Authority shall have the right to object to the Permittee as to the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

6. The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from all claims and demands of third persons, including but not limited to, claims and demands for death or personal injuries, or for property damages, arising out of the use or occupancy of the Space or the means of ingress thereto and egress therefrom by the Permittee, or out of any of the operations, acts or omissions of the Permittee hereunder, or out of any of the acts or omissions of others on the Space or the means of ingress thereto and egress therefrom with the Permittee's consent, including claims and demands of the City against the Port Authority pursuant to the provisions of the Basic Lease, whereby the Port Authority has agreed to indemnify the City against claims.

7. The Permittee shall accept the Space in its present condition and shall repair any damage thereto caused by its operations. The Permittee shall not install any fixtures or make any alterations, additions, improvements or repairs in the Space except with the written approval of the Port Authority.

8. (a) The personal property placed or installed by the Permittee in the Space shall remain the property of the Permittee and must be removed on or before the expiration, revocation, cancellation or termination of the permission hereby granted, whichever shall be earlier.

(b) If the Permittee shall fail to remove its property upon the expiration, termination, cancellation or revocation hereof, the Port Authority may, at its option, as agent for the Permittee and at the Permittee's risk and expense, remove such property to a public warehouse for deposit or retain the same in its own possession and after the expiration of thirty days sell the same at public auction, the proceeds of which shall be applied first to the expenses of sale, second to any sums owed by the Permittee to the Port Authority, and any balance remaining shall be paid to the Permittee, or may take such other action as may be necessary or desirable.

9. No signs, posters or similar devices shall be erected, displayed or maintained in view of the general public in or about the Space without the written approval of the General Manager of the Airport; and any not approved by him may be removed by the Port Authority at the expense of the Permittee.

10. (a) The Port Authority, by its officers, employees, agents, representatives and contractors shall have the right at any time and as often as it considers necessary, to enter upon the Space to inspect the same, to make repairs (without any obligation so to do), and, in the event of emergency, to take such action therein as may be required for the protection of persons or property.

(b) Without limiting the generality of the foregoing, the Port Authority, by its officers, employees, representatives, contractors, licensees, and their employees, shall have the right for the benefit of the Port Authority, or the Permittee and/or for the benefit of others than the Permittee, to maintain existing and future heating, water, gas, electricity, sewerage, drainage, fire protection, sprinkler, ventilating, refrigerating, fuel and communication systems and other such service systems including all tubes, pipes, lines, mains, wires, conduits and equipment on or about the Space and to enter upon the Space at all reasonable times and to make such repairs, replacements and alterations as may, in the opinion of the Port Authority, be deemed necessary or advisable, and, from time to time, to construct or install over, on, in or under the Space new tubes, pipes, lines, mains, wires, conduits and equipment, provided, however, that the same shall be done so as to interfere as little as reasonably possible with the Permittee's operations.

(c) Nothing contained in this Section 10 shall or shall be construed to impose upon the Port Authority any obligations so to maintain, or to make repairs, replacements, alterations or additions, or any liability for failure so to do.

11. The Permittee's representative, hereinbefore specified, (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and any things done or to be done hereunder, and to execute on the Permittee's behalf any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

12. As used herein:

(a) The term "Executive Director" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Executive Director

of the Port Authority for the time being or his duly designated representative or representatives.

(b) The term "General Manager of the Airport" or "Manager of the Airport" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in said General Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean said General Manager (or Acting General Manager) of New Jersey Airports for the time being or his duly designated representative or representatives.

(c) The term "Manager of the Business Administration Division of the Airport" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in said Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Manager of Business Administration of Newark International Airport for the time being or his duly designated representative or representatives.

13. A bill or statement may be rendered or any notice or communication which the Port Authority may desire to give the Permittee shall be deemed sufficiently rendered or given if the same be in writing and sent by registered or certified mail addressed to the Permittee at the address specified on the first page hereof or at the latest address that the Permittee may substitute therefor by notice to the Port Authority, or left at such address, or delivered to the Permittee's Representative, and the time of rendition of such bill or statement and of the giving of such notice or communication shall be deemed to be the time when the same is mailed, left or delivered as herein provided. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered or certified mail addressed to the Executive Director of the Port Authority at One World Trade Center, New York, N.Y. 10048 or at such other address as the Port Authority shall hereafter designate by notice to the Permittee.

14. The Permittee agrees to be bound by and comply with the provisions of all endorsements, if any, annexed to the Permit at the time of issuance.

15. If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority, including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to

exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (but not less than thirteen) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Section with respect to such unpaid amount. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including without limitation the Port Authority's rights set forth in Section 1 of these Terms and Conditions, or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Section shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

16. (a) Without limiting the generality of any of the provisions of this Permit, the Permittee, for itself, its successors in interest and assigns, as a part of the consideration hereof, does hereby agree that (1) no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or be otherwise subject to discrimination in the use of any Space and the exercise of any privileges under this Permit, (2) that in the construction of any improvements on, over, or under any Space under this Permit and the furnishing of services thereon by it, no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination, (3) that the Permittee shall use any Space and exercise any privileges under this Permit in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended, and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which from time to time may be applicable to the Permittee's operations thereat, whether by reason of agreement between the Port Authority and the United States Government or otherwise.

(b) The Permittee shall include the provisions of paragraph (a) of this Section in every agreement or concession it may make pursuant to which any person or persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Section shall constitute a material breach of this Permit. In the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) The Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third persons, including the United States of America, resulting from the Permittee's noncompliance with any of the provisions of this Section and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Section shall grant or shall be deemed to grant to the Permittee the right to transfer or assign this Permit, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on any Space under the Permit.

17. The Permittee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Permittee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Permittee assures that it will require that its covered suborganizations provide assurances to the Permittee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

18. (a) The Permittee shall observe and obey (and compel its officers, employees, guests, invitees, and those doing business with it, to observe and obey) the Rules and Regulations and procedures of the Port Authority now in effect, and such further reasonable Rules and Regulations and procedures which may from time to time during the effective period of this Permit, be

promulgated by the Port Authority for reasons of safety, health, preservation of property or maintenance of a good and orderly appearance of the Airport including any Space covered by this Permit and the means of ingress to and egress from the Space, or for the safe and efficient operation of the Airport including any Space covered by this Permit and the means of ingress thereto and egress therefrom, or for the safety and convenience of persons who park automobiles in the Parking Area, or for the safety or proper identification of such automobiles, or in connection with the operation of the Parking Area. The Rules and Regulations and procedures of the Port Authority relating to safe and orderly operations and conduct on the public vehicular parking area shall apply to the Permittee's operations on the Space and the means of ingress thereto and egress therefrom as if the Space were a public vehicular parking area, and the Permittee's obligations in connection therewith shall be as stated in said Rules and Regulations and procedures. The Port Authority agrees that, except in cases of emergency, it shall give notice to the Permittee of every Rule and Regulation hereafter adopted by it at least five days before the Permittee shall be required to comply therewith.

(b) In the use of the means of ingress to and egress from the Space, the Permittee shall exercise a high degree of care to avoid injuries to persons and damage to property. The indemnity provided in Section 6 of the Terms and Conditions of this Permit shall cover all claims of third persons including without limitation thereto claims for death, personal injuries or property damages, arising out of such use, regardless of the degree of care exercised, regardless of whether such use was by the Permittee or by others with the consent of the Permittee, and regardless of whether such use was in accordance with the rules and regulations of the Port Authority.

19. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification. The badges or means of identification shall be subject to the written approval of the General Manager of the Airport.

20. (a) The Permittee shall procure all licenses, certificates, permits or other authorization from all governmental authorities, if any, having jurisdiction over the Permittee's operations at the Airport which may be necessary for the Permittee's operations thereat.

(b) The Permittee shall pay all taxes, license, certification, permit and examination fees and excises which may be assessed, levied, exacted or imposed on its property or operations at the Airport or on the gross receipts or income therefrom, and shall make all applications, reports and returns required in connection therewith.

Form EWR-1 - PARKING PERMIT DATED 1/1/89

(c) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions which may pertain or apply to the Permittee's operations at the Airport.

(d) The Permittee's obligations to comply with governmental requirements are provided herein for the purpose of assuring proper safeguards for the protection of persons and property at the Airport and are not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

21. (a) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the Insurance Services Office of New Jersey and the National Fire Protection Institute, and any other body or organization exercising similar functions which may pertain or apply to the Permittee's operations hereunder. If by reason of the Permittee's failure to comply with the provisions of this Section, any fire insurance, extended coverage or rental insurance rate on the Airport or any part thereof, or upon the contents of any building thereon, shall at any time be higher than it otherwise would be, then the Permittee shall on demand pay the Port Authority that part of all fire insurance premiums paid or payable by the Port Authority which shall have been charged because of such violation by the Permittee.

(b) The Permittee shall not do or permit to be done any act which

- (i) will invalidate or be in conflict with any fire insurance policies covering the Airport or any part thereof or upon the contents of any building thereon, or
- (ii) will increase the rate of any fire insurance, extended coverage or rental insurance on the Airport or any part thereof or upon the contents of any building thereon, or
- (iii) in the opinion of the Port Authority will constitute a hazardous condition, so as to increase the risks normally attendant upon the operations contemplated by this Permit, or
- (iv) may cause or produce upon the Airport any unusual noxious or objectionable smokes, gases, vapors or odors, or

- (v) may interfere with the effectiveness or accessibility of the drainage and sewerage system, fire protection system, sprinkler system, alarm system, fire hydrants and hoses, if any, installed or located or to be installed or located in or on the Airport, or
- (vi) shall constitute a nuisance in or on the Airport or which may result in the creation, commission or maintenance of a nuisance in or on the Airport.

(c) For the purpose of this Section 21, "Airport" includes all structures located thereon.

22. If any type of strike or other labor activity is directed against the Permittee at the Airport or against any operations pursuant to this Permit resulting in picketing or boycott for a period of at least forty-eight (48) hours which, in the opinion of the Port Authority, adversely affects or is likely to adversely affect the operation of the Airport or the operations of other permittees, lessees or licensees thereat, whether or not the same is due to the fault of the Permittee, and whether caused by the employees of the Permittee or by others, the Port Authority may at any time during the continuance thereof, by twenty-four (24) hours' notice, revoke this Permit effective at the time specified in the notice. Revocation shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation.

23. (a) The Port Authority shall have the right to change any or all of the Permittee's Parking Unit(s) from time to time and at any time to any other Parking Unit(s) within the Parking Area by five (5) days' written notice to the Permittee, given by the Manager of the Business Administration Division of the Airport or such other representative as the Port Authority may substitute from time to time by notice to the Permittee. The Port Authority shall also have the right to change the location of any or all of the Parking Area(s) hereunder from time to time and at any time to any other Parking Area(s) within the Airport by five (5) days' written notice to the Permittee, given by the Manager of the Business Administration Division of the Airport or such other representative as the Port Authority may substitute from time to time by notice to the Permittee. Upon the effective date stated in the notice replacing Parking Area(s), the new Parking Area(s) shall become, as the case shall be, all or one of the Parking Area(s) under the Permit and the former Parking Area(s) shall no longer be the Parking Area(s) under the Permit; and upon the effective date stated in the notice replacing the Parking Unit(s), the new Parking Unit(s) shall become, as the case shall be, all or a part of the Space under the Permit and

the Space under the Permit shall no longer include the former Parking Unit(s).

(b) Neither the substitution nor replacement of any Parking Area(s) or Parking Unit(s) pursuant to paragraph (a) above shall relieve the Permittee of any liabilities or obligations under the Permit which shall accrue on or prior to the effective date thereof; the Permittee's duty of restoration, if any, with respect to the replaced area which would have matured on or before the date of expiration, termination, cancellation or revocation of the Permit, shall mature on or before the day preceding the effective date thereof. The Permittee agrees that as of the day preceding the effective date thereof it will quit and leave the replaced area in a clean and orderly condition and appearance.

24. The Port Authority shall have the right to change the means of ingress to and egress from the Parking Area and further shall not be obligated to keep the Space or the means of ingress thereto and egress therefrom or the Parking Area free from snow or ice or otherwise unobstructed for use by the Permittee, or to police the use of the Space or to provide any other service whatsoever in connection therewith.

25. (a) The Permittee shall maintain the Space in a clean and orderly condition and appearance and shall daily wipe up all oil, gasoline, grease, lubricants and other inflammable liquids and substances and all liquids and substances having a corrosive or detrimental effect on the paving or other surface of the Space or of the means of ingress to and egress from the Space, which may leak or be spilled or placed thereon by reason of the operations of the Permittee hereunder.

(b) The Permittee shall promptly repair any damage to the Space, including but not limited to any damage to the paving or other surface of the Space caused by any oil, gasoline, grease, lubricants or other liquids and substances, or to any other Port Authority property caused by the Permittee's operations. In the event the Permittee fails to commence to repair within a period of ten (10) days after notice from the Port Authority so to do, or fails diligently to continue to completion such repair, the Port Authority, in addition to other remedies it may have, may at its option repair all or any part of the paving or other surface of the Space or other property of the Port Authority and charge the cost thereof to the Permittee, which cost the Permittee hereby agrees to pay on demand.

(c) The Permittee shall daily remove from the Airport by means to be provided by the Permittee all garbage, debris and other waste material arising out of the use or occupancy of the Space by the Permittee.

(d) The Permittee shall not perform mechanical, electrical or structural repairs of vehicles on the Space, and shall not thereon clean, wash, fuel, lubricate or paint any vehicle or vehicles, and shall not store on the Space any automotive fuel or lubricants, oil, grease or other chemicals or supplies, except automotive fuel, oil and other liquids contained in the functional reservoirs of the vehicles parked on the Space.

26. (a) The Permittee shall promptly surrender any tickets, cards or other devices or means of identification in its possession, issued by the Port Authority in connection with the permission granted hereunder, upon the termination, cancellation, revocation or expiration of the Permit.

(b) In the event any ticket, card or other device or means of identification referred to in paragraph (a) hereof is lost at any time, a replacement charge of Fifty Dollars and No Cents (\$50.00) for each lost ticket, card or other device will be imposed on the Permittee (which charge is hereinafter called the "lost ticket charge"), provided, however, that the Port Authority may from time to time upon thirty (30) days' notice to the Permittee, given by the Manager of the Business Administration Division of the Airport or such other representative as the Port Authority may substitute from time to time by notice to the Permittee, increase the lost ticket charge whenever it deems an increase advisable. The lost ticket charge will be payable by the Permittee on demand from the Port Authority to The Port Authority of New York and New Jersey, P.O. Box 17309, Newark, New Jersey 07194, or at such other address as the Port Authority may designate by notice to the Permittee.

27. (a) Neither the execution and delivery of this Permit nor any act done pursuant thereto shall create between the Permittee and the Port Authority the relationship of bailor and bailee, the relationship of storer and garage-keeper, or any other relationship except that of licensee of space and licensor; nor shall there be created thereby any legal status which would impose upon the Port Authority with respect to any property in the Space any duty or obligation whatsoever. The Permittee shall park only in those Parking Unit(s) within the Parking Area(s) designated for its use on the first page of this Permit. The Permittee shall assume all risks of using the Parking Area(s) including without limitation all risks arising out of the acts or omissions of other users of the Parking Area(s) or of any other persons in or on the Parking Area(s) and the Port Authority shall not be responsible or liable for any of the acts or omissions of any of the foregoing. The Permittee expressly agrees that unless otherwise agreed in writing, the Port Authority shall have no liability with respect to any vehicle parked in the Space, or with respect to property of the Permittee or of any other person whatsoever left in or on any vehicle parked in the Space, except for damage resulting from affirmative willful acts of the Port Authority.

(b) The Permittee has examined the Space and the various means of ingress thereto and egress therefrom and acknowledges that it has been advised that such means of ingress and egress may be regularly used by other permittees, licensees and lessees of the Port Authority and others whose vehicles and employees may be admitted to the Airport under various arrangements with the Port Authority but for whose acts the Port Authority is not responsible. The Permittee acknowledges that it has also been advised that the Port Authority shall have no responsibility to keep the Space or the Parking Area guarded, patrolled or attended at any time, nor shall the Port Authority have any responsibility to ensure that others do not use or occupy the Space.

28. (a) The fee specified is a monthly fee, payable in full in advance to The Port Authority of New York and New Jersey, P.O. Box 17309, Newark, New Jersey 07194, or at such other address as the Port Authority may designate by notice to the Permittee, on the effective date hereof and on the first day of each and every calendar month thereafter.

(b) If the permission granted hereunder becomes effective on a date other than the first day of a calendar month or expires or is revoked or terminated on a date other than the last day of a calendar month, the fee payable for the part of the month during which the permission is in effect shall be computed by prorating the monthly fee on a daily basis, using the exact number of days in the month involved.

(c) The fees payable under the Permit shall be subject to increase from time to time upon thirty (30) days' notice from the Port Authority to the Permittee, given by the General Manager of New Jersey Airports or such other representative as the Port Authority may substitute from time to time by notice to the Permittee, and upon the effective date of the increase set forth in such notice the fees payable by the Permittee under this Permit shall be as set forth in said notice. In the event within ten (10) days after the Permittee receives such notice from the Port Authority, the Permittee notifies the Port Authority that the Permittee does not wish to pay the increased fees, this Permit and the permission granted hereunder shall be, and shall be deemed to be, cancelled effective at the close of business on the day preceding the effective date of the increase, as set forth in the Port Authority's notice to the Permittee. If the Permittee does not so notify the Port Authority, the increased fees will become effective on the date set forth in the Port Authority's notice as aforesaid. No cancellation of the Permit and the permission granted thereunder pursuant to this paragraph (c) shall, or shall be construed to, relieve the Permittee of any obligations or liabilities hereunder which shall have accrued on or before the effective date of such cancellation.

29. In the event that any or all of the Space under this Permit was occupied by the Permittee under a prior permit issued by the Port Authority to the Permittee, neither this Permit nor the execution thereof by the Port Authority shall be or shall be construed to be a waiver by the Port Authority of, or a release or discharge of the Permittee from, any liabilities or obligations of the Permittee under any said prior permit, or under any alteration permits issued pursuant thereto, with respect to the restoration of any Space hereunder which was occupied by the Permittee under any such prior permit, which shall have accrued on or before the effective date as set forth in Item 8 on page 1 hereof. Any of said liabilities or obligations which would have matured on or before the date of expiration, termination, cancellation or revocation of any said prior permit, shall mature on said effective date hereof.

30. Neither the Commissioners of the Port Authority nor any of them, nor any officer, agent or employee thereof shall be charged personally by the Permittee with any liability, or held liable to it, under any term or provision of this Permit, or because of its execution or attempted execution, or because of any breach thereof.

31. The Space under the Permit shall consist of Parking Unit No. 25A as shown in stipple on the sketch attached hereto, hereby made a part hereof and marked "Exhibit A-1-A", Parking Units Nos. 24, 26 and 27 as shown in stipple on the sketch attached hereto, hereby made a part hereof and marked "Exhibit B-2B" and Parking Units Nos. 8 and 13, as shown on the sketch attached hereto, hereby made a part hereof and marked "Exhibit B-3", all within the areas on the plot plans drawn on the Exhibits hereto, each said area on the plot plans comprising all of the numbered parking units shown thereon and the means of ingress thereto and egress therefrom as each such area may be changed from time to time in accordance with the terms and provisions hereof or by supplement hereto being hereinafter referred to as a "Parking Area". The parties acknowledge that the Space under the Permit constitutes non-residential real property.

32. This Permit, including the attached Exhibit(s) and endorsement(s), if any, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof. The Permit may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee or except by notice as specifically set forth in Sections 23, 26 and 28 hereof. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

TERMS AND CONDITIONS

1. The permission granted by this Permit shall take effect upon the effective date hereinbefore set forth. Notwithstanding any other term or condition hereof, it may be revoked at any time by the Port Authority, with or without cause, and with or without prior notice. Unless sooner revoked, such permission shall expire in any event upon the expiration date hereinbefore set forth. Revocation shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation.

2. The rights granted hereby shall be exercised

(a) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(b) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(c) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees, or

(d) if the Permittee is an individual, by the Permittee acting only personally or through the medium of his employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other person, corporation or legal entity. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

3. This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

4. The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Facility. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate

uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the Manager of the Facility. The Port Authority shall have the right to object to the Permittee regarding the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

5. In the use of the parkways, roads, streets, bridges, corridors, hallways, stairs and other common areas of the Facility as a means of ingress and egress to, from and about the Facility, and also in the use of portions of the Facility to which the general public is admitted, the Permittee shall conform (and shall require its employees, invitees and others doing business with it to conform) to the Rules and Regulations of the Port Authority which are now in effect or which may hereafter be adopted for the safe and efficient operation of the Facility.

The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Facility beyond a reasonable loading or discharging time, except in regular parking areas and upon payment of the regular charges therefor.

6. The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from all claims and demands of third persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any of the operations, acts or omissions of the Permittee hereunder; this indemnity shall extend to and include the contractual obligation of indemnity, if any, undertaken by the Port Authority in favor of the lessor, if any, of the Facility.

7. The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations hereunder. The Permittee shall not install any fixtures or make any alterations or improvements in or additions or repairs to any property of the Port Authority except with its prior written approval.

8. Any property of the Permittee placed on or kept at the Facility by virtue of this Permit shall be removed on or before the expiration of the permission hereby granted. In the event of revocation, the Permittee shall have two days, exclusive of Saturdays, Sundays and legal holidays (as determined by the laws of the State of New Jersey or of the State of New York, as the case may require), after the effective date of revocation, in which to remove such property.

If the Permittee shall so fail to remove such property upon the expiration or revocation hereof, the Port Authority may at its option, as agent for the Permittee and at the risk and expense of the Permittee, remove such property to a public warehouse, or may retain the same in its own possession, and in either event after the expiration of thirty days may sell the same at public auction; the proceeds of any such sale shall be applied first to the expenses of removal, sale and

FORM F - Privilege, All Facilities 12/04/73

storage, second to any sums owed by the Permittee to the Port Authority; any balance remaining shall be paid to the Permittee. Any excess of the total cost of removal, storage and sale over the proceeds of sale shall be paid by the Permittee to the Port Authority upon demand.

9. The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit. Without in any wise limiting its obligations under Section 6 hereof the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

10. The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Facility or to be placed or brought on the Facility, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

11. No signs, posters or similar devices shall be erected, displayed or maintained by the Permittee in view of the general public without the written approval of the Manager of the Facility; and any not approved by him may be removed by the Port Authority at the expense of the Permittee.

12. The Permittee's representative hereinbefore specified (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and to do any act or thing to be done hereunder, and to execute on behalf of the Permittee any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. As used herein:

(a) The term "Executive Director" shall mean the person or persons from time to-time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the

(b) The terms "Manager of the Facility" or "General Manager of the Facility" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Manager or General Manager (or temporary or Acting Manager or Acting General Manager) of the Facility for the time being, or his duly designated representative or representatives.

14. A bill or statement may be rendered and any notice or communication which the Port Authority may desire to give the Permittee shall be deemed sufficiently rendered or given, if the same is in writing and sent by registered mail-addressed to the Permittee at the address specified on the first page hereof or at the address that the Permittee may have most recently substituted therefor by notice to the Port Authority, or left at such address, or delivered to the representative of the Permittee, and the time of rendition of such bill or statement and of the giving of such notice or communication shall be deemed to be the time when the same is mailed, left or delivered as herein provided. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered mail addressed to the Executive Director of the Port Authority at One World Trade Center, New York, New York 10048, or at such other address as the Port Authority shall hereafter designate by notice to the Permittee.

15. The Permittee agrees to be bound by and comply with the provisions of all endorsements annexed to the Permit at the time of issuance.

16. Neither the Commissioners of the Port Authority nor any officer, agent or employee thereof, shall be charged personally by the Permittee with any liability, or held liable to it, under any term or provision of this Permit, or because of its execution or attempted execution, or because of any breach thereof.

17. This Permit, including the attached endorsements and exhibits, if any, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof and may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

(a) Use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(b) Not divert or cause or allow to be diverted, any business from the Airport;

(c) Maintain, in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation or termination thereof, and for a further period extending until the Permittee shall receive written permission from the Port Authority to do otherwise, records and books of account recording all transactions of the Permittee at, through, or in anywise connected with the Airport (which records and books of account are hereinafter be called the "Permittee's Records"). The Permittee's Records shall be kept at all times within the Port of New York District.

(d) Permit in ordinary business hours during the effective period of the Permit, for one year thereafter, and during such further period as is mentioned in the preceding subdivision (c), the examination and audit by the officers, employees and representatives of the Port Authority of (i) the records and books of account of the Permittee and (ii) also any records and books of account of any company which is owned or controlled by the Permittee, or which owns or controls the Permittee, if said company performs services, similar to those performed by the Permittee, anywhere in the Port of New York District. The Permittee shall make available to the Port Authority within the Port of New York District for examination and audit by the Port Authority pursuant to this paragraph (d) those records and books of account described in (i) which are not required by paragraph (c) above to be kept at all times in the Port of New York District and those records and books of account described in (ii) above (all of the foregoing being hereinafter called the "Other Relevant Records" and the Permittee's Records and the Other Relevant Records being hereinafter collectively referred to as the "Records").

2. Without implying any limitation on the right of the Port Authority to revoke the Permit for cause for the breach of any term or condition thereof, including but not limited to paragraph 1 above, the Permittee understands that compliance by the Permittee with the provisions of paragraphs (c) and (d) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under the Permit and in the event of the failure of the Permittee to maintain, keep within the Port District or make available for examination and audit the Permittee's Records in the manner and at the times or location as provided in this Standard Endorsement then, in addition to all and without limiting any other rights and remedies of the Port Authority, the Port Authority may:

(1) Estimate the gross receipts of the Permittee on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the Permittee's fees based thereon to be payable to the Port Authority when billed; or

(2) If any such Records have been maintained outside of the Port District, but within the Continental United States then the Port Authority in its sole discretion may (i) require such Records to be produced within the Port District or (ii) examine such Records at the location at which they have been maintained and in such event the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit, or

The Permittee agrees that it will conduct a first class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor. The Permittee shall sell only such items of merchandise and/or render only such services as may be approved in writing from time to time by the Port Authority. The Port Authority may at any time and from time to time withdraw its approval as to any items or services without affecting the continuance of this Permit.

The Permittee shall furnish all merchandise and/or all services, at reasonable prices and at the times and in a manner which will be fully satisfactory to the public and to the Port Authority. All prices charged by the Permittee shall be subject to the prior written approval of the Port Authority, provided, however, that such approval will not be withheld if the proposed prices do not exceed reasonable prices for similar merchandise and/or services in the municipality in which the Airport is located. The Permittee shall remain open for and conduct business during such hours of the day and on such days of the week as may properly serve the needs of the public. The Permittee shall, prior to furnishing any services hereunder, prepare schedules of rates for said services and discounts therefrom. Such schedules shall be submitted to the Port Authority for its prior written approval as to compliance by the Permittee with its obligations under this Permit. The Port Authority shall examine such schedules and make such modifications therein as may be necessary. Any changes thereafter in the schedules shall be similarly submitted to the Port Authority for its prior written approval, and, if necessary, modification. All such schedules shall be made available to the public by the Permittee at locations designated from time to time by the Port Authority. The Permittee agrees to adhere to the rates and discounts stated in the approved schedules. If the Permittee applies any rate in excess of the approved rates or extends a discount less than the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the approved rates or extends a discount which is in excess of the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an undercharge and an amount equivalent thereto shall be included in gross receipts hereunder and the percentage fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Permit.

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority, including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (but not less than thirteen) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Endorsement with respect to such unpaid amount. Nothing in this Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including without limitation the Port Authority/s rights set forth in Section 1 of the Terms and Conditions of this Permit or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Endorsement shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

Said agreement dated October 22, 1947 has been recorded in the Office of the Register of Deeds for the County of Essex on October 30, 1947 in Book E-110 of Deeds at pages 242, et seq. No greater rights and privileges are hereby granted to Permittee than the Port Authority has power to grant under said agreement as supplemented or amended as aforesaid.

"Newark International Airport" or "Airport" shall mean the land and premises in the County of Essex and State of New Jersey, which are westerly of the right of way of the Central Railroad of New Jersey and are shown upon the exhibit attached to the said agreement between the City and the Port Authority and marked "Exhibit A", as contained within the limits of a line of crosses appearing on said exhibit and designated "Boundary of terminal area in City of Newark", and lands contiguous thereto which may have been heretofore or may hereafter be acquired by the Port Authority to use for air terminal purposes.

The Port Authority has agreed by a provision in its agreement of lease with the City covering the Airport to conform to the enactments, ordinances, resolutions and regulations of the City and of its various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable so to do. The Permittee shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

(b) The Port Authority shall be named as an additional insured in any policy of liability insurance required by this Endorsement, unless the Port Authority shall, at any time during the term of the letting under this Permit, direct otherwise in writing, in which case the Permittee shall cause the Port Authority not to be so named.

(c) In any policy of insurance on property other than that of the Permittee required by this Endorsement, the Port Authority shall be named as the owner except that as to property as to which the Port Authority is itself a lessee, the Port Authority shall be named as the lessee and the owner shall be named as the owner. Each shall be endorsed substantially as follows:

“Loss, if any, under this policy, as to the interest of the owner and as to the interest of the Port Authority of New York and New Jersey, shall be adjusted solely with the Port Authority and all proceeds under this policy shall be paid solely to the Port Authority.”

(d) Any “Additional Interest” policy of boiler and machinery insurance required by this Endorsement shall provide protection under Sections 1 and 2 only of the Insuring Agreements of the form of policy approved for use as of the date hereof by the Insurance Rating Board, New York, New York.

(e) As to any insurance required by this Endorsement, a certified copy of each of the policies or a certificate or certificates evidencing the existence thereof, or binders, shall be delivered to the Port Authority within ten (10) days after the execution of this Permit. In the event any binder is delivered, it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate. Each such copy or certificate shall contain a valid provision or endorsement that the policy may not be cancelled, terminated, changed or modified, without giving ten (10) days’ written advance notice thereof to the Port Authority. A renewal policy shall be delivered to the Port Authority at least fifteen (15) days prior to the expiration date of each expiring policy, except for any policy expiring after the date of expiration of the term of the letting under this Permit, as the same may be from time to time extended. If at any time any of the policies shall be or become unsatisfactory to the Port Authority as to form or substance, or if any of the carriers issuing such policies shall be or become unsatisfactory to the Port Authority, the Permittee shall promptly obtain a new and satisfactory policy in replacement.

(f) Each policy of insurance required by this Endorsement shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

(a) Upon the execution of this Agreement by the Lessee and delivery thereof to the Port Authority, the Lessee shall deposit with the Port Authority (and shall keep deposited throughout the letting under this Agreement) either the sum of **FIFTY THOUSAND DOLLARS AND NO CENTS (\$50,000.00)** in cash, or bonds of the United States of America, or of the State of New Jersey, or of the State of New York, or of The Port Authority of New York and New Jersey, having a market value of that amount, as security for the full, faithful and prompt performance of and compliance with, on the part of the Lessee, all of the terms, provisions, covenants and conditions of this Agreement on its part to be fulfilled, kept, performed or observed. Bonds qualifying for deposit hereunder shall be in bearer form but if bonds of that issue were offered only in registered form, then the Lessee may deposit such bond or bonds in registered form, provided, however, that the Port Authority shall be under no obligation to accept such deposit of a bond in registered form unless such bond has been re-registered in the name of the Port Authority (the expense of such re-registration to be borne by the Lessee) in a manner satisfactory to the Port Authority. The Lessee may request the Port Authority to accept a registered bond in the Lessee's name and if acceptable to the Port Authority the Lessee shall deposit such bond together with a bond power (and such other instruments or other documents as the Port Authority may require) in form and substance satisfactory to the Port Authority. In the event the deposit is returned to the Lessee any expenses incurred by the Port Authority in re-registering a bond to the name of the Lessee shall be borne by the Lessee. In addition to any and all other remedies available to it, the Port Authority shall have the right, at its option, at any time and from time to time, with or without notice, to use the deposit or any part thereof in whole or partial satisfaction of any of its claims or demands against the Lessee. There shall be no obligation on the Port Authority to exercise such right and neither the existence of such right nor the holding of the deposit itself shall cure any default or breach of this Agreement on the part of the Lessee. With respect to any bonds deposited by the Lessee, the Port Authority shall have the right, in order to satisfy any of its claims or demands against the Lessee, to sell the same in whole or in part, at any time and from time to time, with or without prior notice at public or private sale, all as determined by the Port Authority, together with the right to purchase the same at such sale free of all claims, equities or rights or redemption of the Lessee. The Lessee hereby waives all right to participate therein and all right to prior notice or demand of the amount or amounts of the claims or demands of the Port Authority against the Lessee. The proceeds of every such sale shall be applied by the Port Authority first to the costs and expenses of the sale (including but not limited to advertising or commission expenses) and then to the amounts due the Port Authority from the Lessee. Any balance remaining shall be retained in cash toward bringing the deposit to the sum specified above. In the event that the Port Authority shall at any time or times so use the deposit, or any part thereof, or if bonds shall have been deposited and the market value thereof shall have declined below the above-mentioned amount, the Lessee shall, on demand of the Port Authority and within two (2) days thereafter, deposit with the Port Authority additional cash or bonds so as to maintain the deposit at all times to the full amount above stated, and such additional deposits shall be subject to all the conditions of this Section. After the expiration or earlier termination of the letting under this Agreement as the said letting may have been extended, and upon condition that the Lessee shall then be in no wise in default under any part of this Agreement, as this Agreement may have been amended or extended (or both), and upon written request therefor by the Lessee, the Port Authority will return the deposit

to the Lessee less the amount of any and all unpaid claims and demands (including estimated damages) of the Port Authority by reason of any default or breach by the Lessee of this Agreement or any part thereof. The Lessee agrees that it will not assign or encumber the deposit. The Lessee may collect or receive any interest or income earned on bonds and interest paid on cash deposited in interest-bearing bank accounts, less any part thereof or amount which the Port Authority is or may hereafter be entitled or authorized by law to retain or to charge in connection therewith, whether as or in lieu of an administrative expense, or custodial charge, or otherwise; provided however, that the Port Authority shall not be obligated by this provision to place or to keep cash deposited hereunder in interest-bearing bank accounts.

(b) The Lessee may at any time during the term of the letting under this Agreement offer to deliver to the Port Authority, as security for all obligations of the Lessee under this Agreement, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District, in favor of the Port Authority in the amount of **FIFTY THOUSAND DOLLARS AND NO CENTS (\$50,000.00)**. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the term of the letting under this Agreement and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent satisfactory letter. Upon notice of cancellation of a letter of credit the Lessee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by security in accordance with paragraph (a) of this Standard Endorsement or another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security under paragraph (a) of this Standard Endorsement. Failure to provide such a letter of credit at any time during the term of the letting, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit shall be deemed to be a breach of this Agreement on the part of the Lessee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Lessee made thereafter, the Port Authority will return the security deposit, if any, theretofore made under and in accordance with the provisions of paragraph (a) of this Standard Endorsement. The Lessee shall have the same rights to receive such deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the letting and fulfillment of the obligations of the Lessee under this Agreement. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Lessee, on demand of the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount.

If any type of strike or other labor activity is directed against the Permittee at the Facility or against any operations pursuant to this Permit resulting in picketing or boycott for a period of at least forty-eight (48) hours which, in the opinion of the Port Authority, adversely affects or is likely adversely to affect the operation of the Facility or the operations of other permittees, lessees or licensees thereat, whether or not the same is due to the fault of the Permittee, and whether caused by the employees of the Permittee or by others, the Port Authority may at any time during the continuance thereof, by twenty-four (24) hours' notice, revoke this Permit effective at the time specified in the notice. Revocation shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation.

SPECIAL ENDORSEMENTS

1. (a) By agreement of lease, dated as of January 11, 1985 bearing Port Authority file No. ANA-170 (said agreement of lease as the same may have been supplemented and amended being hereinafter called the "Airline Lease") the Port Authority leased to People Express Airlines, Inc. certain premises in the passenger terminal building designated "Passenger Terminal Building C" at Newark International Airport for the construction therein by the airline of passenger terminal facilities (which facilities are hereinafter referred to as the "Terminal"), as set forth in Section 5 of the Airline Lease. The Airline Lease was assigned by People Express Airlines, Inc. to Continental Airlines, Inc. (hereinafter called the "Airline") pursuant to an Assignment of Lease with Assumption and Consent Agreement entered into among the Port Authority, the Airline and People Express Airlines, Inc., dated August 15, 1987. It was contemplated under the Airline Lease that certain food and beverage, newsstand, gift shop and other consumer service facilities would be operated in certain portions of the Terminal pursuant to agreements covering the operation of such consumer service facilities and it was stipulated in the Airline Lease that Port Authority consent to the arrangements covering the operation of such consumer service facilities would be required. The Airline and Westfield Concession Management, Inc. ("Manager") have entered into an agreement, made as of November 1, 1997 (which agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Management Agreement"), pursuant to which the Manager agreed to develop, sublease on behalf of and in the name of the Airline, manage and market certain concession facilities in the Terminal. The Manager and the Port Authority have entered into a permit agreement, consented and agreed to by the Airline and dated as of October 1, 1998 (which permit agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Manager Permit") pursuant to which, among other things, the Port Authority consented to the Management Agreement subject to the provisions of the Manager Permit.

(b) The Airline and the Permittee have entered into a sublease agreement, dated as of February 15, 2000, as amended by the First Amendment to Amended and Restated Sublease dated as of May 15, 2000 (said sublease agreement as the same has been and may hereafter be amended or supplemented being called the "Sublease"), under which the Permittee has agreed to operate certain consumer services in locations the Airline shall designate, and the Port Authority hereby consents to such subletting. By its terms the Sublease is subject and subordinate to the Airline Lease and the Permittee is obligated under the Sublease to comply with all applicable terms of the Airline Lease. The Permittee hereby agrees for the benefit of the Port Authority to comply with all applicable provisions of the Airline Lease. Further, it was stipulated in the Management Agreement and in the Manager Permit that any retail operating agreement entered into between the Airline and a third party retail operator shall be void *ab initio* and of no force of effect unless and until the proposed retail operator and the Port Authority shall have executed a written agreement covering such operations. The Port Authority hereby grants to the Permittee the privilege to operate one (1) concession at the Terminal for the sale at retail of hard cover

books, paperback books, audio cassette books, book related accessories, and the incidental sale at retail of magazines (limited to top thirty titles only), calendars, organizers and posters, provided, however, that the display and sale of such incidental items shall not exceed more than 15% of the sales display area of the floor area of the subleased premises, and for no other purpose or purposes whatsoever.

The Permittee shall exercise the privilege granted by this Permit only in such areas as the Airline shall designate from time to time. All of the areas designated for operations hereunder are herein referred to collectively as the "Space". The Permittee understands that as the Terminal is leased to the Airline, all arrangements as to the Space and facilities in which the privilege described in this paragraph will be conducted, including utilities and services therefor, shall be made with the Airline and the Permittee acknowledges that it has made such arrangements. The Port Authority makes no representations or warranties as to the location, size, adequacy or suitability of the Space and the facilities therein.

The Permittee may not receive any revenues or profits with respect to any of the following uses, operations or installations which the Port Authority reserves to itself and its designees exclusively in the Terminal: VIP lounges, airline clubs, monorail facilities, advertising (including, without limitation, static display, broadcast and other), pay telephones, rental of cellular phones, facsimile transmission machines and other public communication services, concierge services (i.e., a center or location which offers a variety of services for passengers (including, but not limited to, hotel reservations, sale of entertainment events tickets and lottery tickets, luggage storage and delivery, sightseeing tours, business services and provision of touring information)), ground transportation (including vehicle rentals), hotel and other lodging reservations, vending machines dispensing anything (including, but not limited to, catalog and electronic sales) other than products specifically permitted to be sold on the Space pursuant to the Sublease and if approved by the Port Authority, on-airport baggage carts or other on-airport baggage-moving devices, electronic amusements, and public service or airport operation information, messages and announcements. The Port Authority shall have the right to all revenues derived for the above-stated reserved uses.

2. (a) As used herein:

(i) "Affiliate" shall mean a person that directly, or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, the Permittee. The term control (including the terms controlling, controlled by and under common control with) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise.

(ii) "Minimum annual rent amount" (sometimes referred to herein as "Guaranteed Rent") shall mean the sum set forth in paragraph (b) of this Special Endorsement, as the same may adjusted and/or prorated by operation of the provisions hereof.

(iii) "Annual Period" shall mean, as the context requires, the period commencing with the effective date of the permission granted under this Permit and expiring December 31 of the same calendar year, both dates inclusive, and each of the twelve month periods thereafter occurring during the effective period of the permission granted hereunder commencing with the immediately succeeding January 1 and on each anniversary of that date, provided, however, that if the effective period of the permission granted under this Permit shall expire or shall terminate or be revoked effective on other than the last day of a calendar year then the annual period in which the date of expiration or earlier termination or revocation shall fall shall expire on the date of expiration or earlier termination or revocation of the effective period of the permission granted hereunder.

(iv) "Gross receipts" shall mean and include all monies paid or payable to the Permittee for sales made and services rendered at or from the Terminal or the Airport regardless of when or where the order therefor is received and outside the Terminal or Airport if the order is received at the Terminal or the Airport and any other revenues of any type arising out of or in connection with the Permittee's operations at the Terminal or the Airport, provided, however, that there shall be excluded from such gross receipts the following: (a) any taxes imposed by law which are separately stated to and paid by a customer and directly payable to the taxing authority by the Permittee; (b) receipts in the form of refunds from or the value of merchandise, services, supplies or equipment returned to vendors, shippers, suppliers or manufacturers including discounts received from Permittee's vendors, suppliers, or manufacturers (but specifically excluding retail display allowances or other promotional incentives received from vendors, suppliers and the like, all of which must be included in gross receipts); (c) shipping, delivery, alteration workroom and gift wrapping charges if there is no profit to Permittee and such charges are merely an accommodation to customers; (d) except with respect to proceeds paid on a gross earnings business interruption insurance policy, all other receipts from insurance proceeds received by Permittee as a result of a loss or casualty; (e) sale of trade fixtures, equipment or property which are not stock in trade and not in the ordinary course of business; (f) customary discounts, if separately stated, which must be given by Permittee on sales of merchandise and services to the Airline's employees (evidenced by a valid Continental Airlines ID Badge), Port Authority's employees (evidenced by a valid Port Authority ID Card) and other individuals employed at the Airport (who can demonstrate to the reasonable satisfaction of Permittee that such individuals are employed at the Airport), and the Permittee's employees, and limited in amount to not more than one percent (1%) of Permittee's gross receipts per lease month for discounts given to the Permittee's employees and not more than ten percent (10%) of the Permittee's gross receipts per lease month for discounts given to the Airline's employees, Port Authority's

employees and other individuals employed at the Airport as aforesaid. The "customary discounts" required in the foregoing sentence to other than the Permittee's employees shall be in the minimum amount of ten percent (10%) as compared to Permittee's normal, non-sale prices for the same products, merchandise and/or services to the general public; (g) any gratuities paid or given by patrons or customers to employees of the Permittee or others employed, or serving, at any of the facilities being operated on the Space; (h) exchange of merchandise between stores or warehouses owned by or affiliated with Permittee (where such exchange is made solely for the convenient operation of the business of Permittee and not for purposes of consummating a sale which has theretofore been made in or from the Space and/or for the purpose of depriving the Airline of the benefit of a sale which otherwise would be made in or from the Space); (i) proceeds from the sale of gift certificates or like vouchers until such time as the gift certificates or like vouchers have been treated as a sale in or from the Space pursuant to Permittee's record-keeping system; and (j) the sale or transfer in bulk of the inventory of Permittee to a purchaser of all or substantially all of the assets of Permittee in a transaction not in the ordinary course of Permittee's business.

For the purpose of determining the percentage rent payable by Permittee to the Airline and the Port Authority, respectively, all monies, payments, or fees paid or payable to the Permittee by any of its subtenants, franchisees or licensees in connection with their operations (including all monies, payments, or fees described in the applicable franchise or license agreement between the Permittee and a sub-retail operator, franchisee or licensee) and all receipts arising out of the permitted operations of the sub-retail operator, franchisee or licensee shall be deemed to be the gross receipts of the Permittee, shall be included in the gross receipts of the Permittee and shall be subject to the percentage rent set forth in the Sublease. In the event of any difference between the definition of gross receipts (or gross revenues) in the Sublease and the definition of gross receipts in this Permit, the definition of gross receipts set forth in this Permit shall control.

(v) "Annual Exemption Amount" shall mean the sum of One Million Six Hundred Sixty-six Thousand Six Hundred Sixty-six Dollars and Ninety Cents (\$1,666,666.90) as the same may be reduced by the operation of the proration provisions hereof and as the same may be adjusted pursuant to the Sublease. The Monthly Exemption Amount shall equal one-twelfth of the Annual Exemption Amount.

(b) (i) The Permittee shall pay to the Port Authority the PA Share, as defined in paragraph (f) of this Special Endorsement, of a Guaranteed Rent as follows:

(1) for the period from May 5, 2000 to and including May 14, 2004, at the rate of One Hundred Eighty-Four Thousand Eight Hundred Seventy-Five Dollars and No Cents (\$184,875.00) per annum, payable in advance in equal, consecutive monthly installments equal to the PA Share of Fifteen

Thousand Four Hundred Six Dollars and Twenty-Five Cents (\$15,406.25), on the Rent Commencement Date and on the first day of each calendar month thereafter occurring during said period. If the Rent Commencement Date shall occur on a day other than the first day of a calendar month, the installment of the Guaranteed Rent payable on the Rent Commencement Date shall be the amount of the installment described in this paragraph prorated on a daily basis, using the actual number of days in the subject calendar month. Further, the installment of the Guaranteed Rent payable on May 1, 2004 shall be the sum of (x) the amount of the installment described in this paragraph prorated on a daily basis for the period May 1, 2004 through May 14, 2004 and (y) the amount of the installment described in the succeeding subparagraph (2) prorated on a daily basis for the period May 15, 2004 through May 31, 2004;

(2) for the period from May 15, 2004 to and including May 14, 2005, at the rate of One Hundred Ninety-Seven Thousand Four Hundred Seventy-Nine Dollars and Twenty Cents (\$197,479.20) per annum, payable in advance in equal, consecutive monthly installments equal to the PA Share of Sixteen Thousand Four Hundred Fifty-Six Dollars and Sixty Cents (\$16,456.60), on May 1, 2004 (pro-rated as hereinabove described) and on the first day of each calendar month thereafter occurring during said period. The installment of the Guaranteed Rent payable on May 1, 2005 shall be the sum of (x) the amount of the installment described in this paragraph prorated on a daily basis for the period May 1, 2005 through May 14, 2005 and (y) the amount of the installment described in the succeeding subparagraph (3) prorated on a daily basis for the period May 15, 2005 through May 31, 2005; and

(3) for the period from May 15, 2000 to and including September 14, 2008, at the rate of Two Hundred Thousand Dollars and No Cents (\$200,000.00) per annum, payable in advance in equal, consecutive monthly installments equal to the PA Share of Sixteen Thousand Six Hundred Sixty-Six Dollars and Sixty-Seven Cents (\$16,666.67), on May 1, 2005 (pro-rated as hereinabove described) and on the first day of each calendar month thereafter occurring during the said period.

The Guaranteed Rent is subject to annual adjustments (but in no event shall Guaranteed Rent decrease below the amount of the Guaranteed Rent in effect on the Rent Commencement Date) based upon the Guaranteed Rent in effect during the previous annual period multiplied by the Percentage Change In Enplanements, pursuant to the terms of the Sublease.

(ii) If the effective period of the permission granted hereunder is terminated, revoked or expires effective on other than the last day of a month, the applicable Guaranteed Rent payable for the portion of the month in which the effective date of termination, revocation or expiration shall occur during which the permission granted hereunder remains effective, shall be the amount of the monthly installment of Guaranteed Rent set forth in subparagraph (b)(i) of this Special Endorsement, prorated on a daily basis, using the actual number of days in the subject calendar month.

(iii) For purposes of this Permit, and unless and until notified in writing otherwise by the Port Authority, the Port Authority hereby directs such payments of the PA Share (whether of Guaranteed Rent, percentage rent, or other concession operator payments (to the extent the same do not constitute actual pass-through charges for expenses actually incurred by the Airline and the Manager, as applicable)) be remitted on its behalf directly, and payable to, to Westfield Concession Management, Inc., which shall serve as the Port Authority's agent for this purpose.

(c) In addition to the Guaranteed Rent hereunder, the Permittee shall pay to the Port Authority an annual percentage rent equivalent to the PA Share of the following percentage of the Permittee's gross receipts arising during the effective period of permission hereunder: twelve percent (12%) of all gross receipts of the Permittee in excess of the Annual Exemption Amount. The computation of percentage rent for each annual period, or a portion of an annual period as herein provided, shall be individual to such annual period, or such portion of an annual period, and without relation to any other annual period, or any other portion of any annual period. The time for making payment and the method of calculation of the percentage rent shall be as set forth in paragraph (e) of this Special Endorsement.

(d) For the purpose of calculating the Guaranteed Rent and percentage rent due for any annual period which contains more or less than 365 days, the applicable annual Guaranteed Rent amount shall be prorated on a daily basis, using a 365-day year.

(e) (i) Gross receipts shall be reported and the percentage rent thereon shall be paid as follows: on the 15th day of the first month following the Rent Commencement Date and on the 15th day of each and every month thereafter, including the month following the end of each annual period and the month following the expiration of the permission granted hereunder, the Permittee shall render to the Port Authority a statement, certified by a responsible officer of the Permittee, showing all gross receipts arising from the Permittee's operations hereunder in the preceding month, and specifying the percentage(s) stated in paragraph (c) of this Special Endorsement of gross receipts, and also showing its cumulative gross receipts from the date of the commencement of the annual period for which the report is made through the last day of the preceding month and the percentages applicable thereto. Whenever any monthly statement shall show that (A) the applicable percentage set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the monthly period for which the report is made is in excess of the applicable Monthly Exemption Amount, established for the monthly period, or

(B) the applicable percentage set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the annual period for which the report is made is in excess of the applicable Annual Exemption Amount, established for such annual period, the Permittee shall pay to the Port Authority at the time of rendering the statement an amount equal to the following: with respect to statements for monthly periods and not annual periods, an amount equal to the PA Share of the excess over the applicable Monthly Exemption Amount, and with respect to statements for annual periods, an amount equal to the PA Share of the excess, over the applicable Annual Exemption Amount, less the total of all percentage rent payments previously made for such annual period. At any time that a Monthly Exemption Amount is decreased by proration hereunder so that there is an excess of gross receipts as to which the percentage rent has not been paid, the same shall be payable to the Port Authority on demand. In the event that, with respect to an annual period, the Permittee has previously made a total of percentage rent payments which is greater than the amount actually due hereunder in percentage rent for such annual period, then such overpayment shall be credited to accrued obligations of the Permittee or, if there be none, then to the next accruing obligations of the Permittee hereunder.

(ii) Upon any termination or revocation of the permission granted hereunder (even if stated to have the same effect as expiration), gross receipts shall be reported and rent shall be paid on the 15th day of the first month following the month in which the effective date of such termination or revocation occurs, as follows: first, if the monthly installment of Guaranteed Rent due on the first day of month in which the termination or revocation occurs has not been paid, the Permittee shall pay the prorated part of the amount of that installment; if the monthly installment has been paid, then the excess thereof shall be credited to the Permittee's other obligations; second, the Permittee shall within fifteen (15) days after the effective date of termination or revocation render to the Port Authority a statement, certified by a responsible officer of the Permittee, of all gross receipts for the monthly period and annual period in which the effective date of termination or revocation falls showing the monthly, and the cumulative for the annual period, amount of gross receipts and the percentages applicable thereto; and third, the payment then due on account of all percentage rent for the annual period in which the effective date of termination or revocation falls shall be the PA Share of the excess of the percentage rent computed as set forth in the following sentence, over the total of all percentage rent payments previously made for such annual period. The percentage rent due for any such annual period in which the effective date of termination or revocation falls shall be equal to the PA Share of the excess, over the prorated Annual Exemption Amount established for such annual period pursuant to the proration provisions set forth in paragraph (d) of this Special Endorsement, of the percentages stated in paragraph (c) of this Special Endorsement, each such percentage being applied to the cumulative amount of gross receipts arising during such annual period in accordance with the terms of paragraph (c) of this Special Endorsement.

(f) The Permittee shall pay to the Port Authority fifty percent (50%) of all rent payable under this Permit (such share being herein called the "PA Share") and the remainder shall be paid by the Permittee to the Airline, as directed by the Airline in accordance with the Sublease.

(g) Notwithstanding that the percentage rent hereunder are measured by a percentage of gross receipts, no partnership relationship or joint venture between the Port Authority and the Permittee or the Airline is created or intended to be created by this Permit.

3. The Permittee's obligation to pay rent under this Permit (herein called the "Rent Commencement Date") shall commence as of the earliest to occur of:

- (a) the date on which Permittee commences operations in the Space, or
- (b) sixty (60) days after the date of delivery of the Space to the Permittee, or
- (c) May 15, 2000,

subject to the Permittee's limited right to delay such Rent Commencement Date pursuant to Section 1.02 of the Sublease as modified by the Addenda thereto. The Airline shall promptly confirm to the Port Authority and the Permittee in writing the Rent Commencement Date hereunder.

4. The Permittee shall be required to make a minimum initial capital investment (excluding furniture, fixtures and equipment) to ready the Space for initial occupancy and operations in an amount equal to Two Hundred Dollars (\$200) per square foot. Nothing herein shall reduce the Permittee's obligations to comply with the Port Authority's Tenant Alteration and Application process and the Airline's design specifications and standards, nor reduce any obligation of the Permittee under the Sublease to maintain, improve or refurbish the Space during the term of the subletting.

5. Prior to the execution of this Permit by either party hereto the following deletions, additions and substitutions were made in the foregoing Terms and Conditions and Standard Endorsements:

(a) The last three sentences of Section I of the foregoing Terms and Conditions were deleted and the following shall be deemed to have been inserted in lieu thereof:

"Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty (30) days' written notice to the Permittee which notice must be jointly subscribed by the Port Authority and the Airline; provided, however, that it may be revoked on twenty-four (24) hours' notice by the written notice by the Port Authority without consultation with or concurrence by the Airline if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination."

(b) The words "without the prior written consent of the Port Authority" shall be deemed inserted after the word "contractor" at the end of the first full sentence following paragraph (d) of Section 2 of the foregoing Terms and Conditions.

(c) The word "written" in the fifth line of Section 4 of the foregoing Terms and Conditions was deleted and the following sentence was added to such Section:

"If the Manager of the Facility notifies the Permittee that any badge, identification or uniform is unacceptable in the sole judgment of the Manager of the Facility, then the Permittee shall upon receipt of such notice cease use of such objectionable badge, identification or uniform, as the case may be, and shall provide acceptable replacement(s) therefor within 30 days thereafter."

(d) That portion of the second paragraph of Section 5 of the foregoing Terms and Conditions following the word "Facility" was deleted.

(e) Wherever the term "expiration" is used in the Permit, it shall be deemed to mean, unless otherwise provided, the effective date of expiration, revocation or termination.

(f) The words "and the Airline and its directors, officers, employees, agents and representatives" shall be deemed inserted following the word "representatives" in the second line of the first sentence of Section 6 of the foregoing Terms and Conditions.

(g) Wherever in this Permit the word "Facility" is used it shall be deemed to mean, as the context requires, Newark International Airport and/or the Terminal.

(h) The last sentence of the first paragraph of Section 8 was deleted and the following clause shall be deemed to have been added to the first sentence of the said first paragraph: "or on or before the revocation or termination of the permission hereby granted, whichever shall be earlier." In addition, the word ", termination" shall be deemed to have been inserted after the word "expiration" in the first line of the last paragraph of Section 8.

(i) Section 11 of the foregoing Terms and Conditions was deleted in its entirety and the following shall be deemed to have been inserted in lieu thereof:

"In the event that any sign, poster or similar device erected, displayed or maintained by the Permittee in view of the general public, is unacceptable to the Manager of the Facility, in the sole judgment of the Manager of the Facility, then the same shall be removed by the Permittee upon receipt of notice to do so by the Manager of the Facility and any not so removed by the Permittee may be removed by the Port Authority at the expense of the Permittee."

(j) It is hereby acknowledged that there may be differences between (i) the pricing requirements set forth in Standard Endorsements 4.1 and 4.5 of this Permit and the pricing requirements set forth in Section 7.02 of the Sublease and (ii) the operating hours requirements of Standard Endorsement 4.1 of this Permit and the operating hours requirements set forth in Section 7.02 of the Sublease. The parties hereto agree that notwithstanding the provisions of paragraph (d) of Special Endorsement No. 7 of this Permit, the provisions of Section 7.02 of the Sublease shall not be deemed to be superseded or affected in any way by the provisions of Standard Endorsements 4.1 and/or 4.5 of this Permit and, as between the Permittee and the Airline, the provisions of Section 7.02 of the Sublease shall be and continue in full force and effect.

(k) (i) Paragraphs 1(f) and 1(g) of Standard Endorsement 2.8 were deleted in their entirety.

(ii) The reference in the introductory paragraph of paragraph 2 of Standard Endorsement 2.8 to "percentage fee" shall be deemed to mean "percentage rent" and the reference in subparagraph (1) of such paragraph 2 to "fees" shall be deemed to mean "percentage rent".

(iii) References in paragraph 3 of Standard Endorsement 2.8 to "fees" shall be deemed to mean "rent". In addition, any rent or charges to be paid pursuant to this Standard Endorsement 2.8 shall be paid directly to the Port Authority and not to the Manager on behalf of the Port Authority.

(l) All references in Standard Endorsement 8.0 to "fee" shall be deemed to mean "rent".

(m) Notwithstanding the provisions of Standard Endorsement 21.1 annexed to this Permit, the Port Authority (as well as the Airline and the Manager) shall be named as an additional insured in any policy of liability insurance required by the provisions of this Permit and each such policy of insurance so required shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

(n) The policies referred to in Standard Endorsement 21.1 shall provide or contain an endorsement providing that:

(i) the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and

apply with like effect with respect to any claim or action against the Permittee by the Port Authority, and

(ii) the protections afforded the Port Authority thereunder with respect to any claim or action against the Port Authority by the Permittee shall be the same as the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person as if the Port Authority were the named insured thereunder,

but such endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured.

(o) Without limiting the generality of the provisions of Standard Endorsement 23.1, the Permittee agrees that notwithstanding the sum stated to be the security deposit to be delivered to the Port Authority upon execution of this Permit, the security amount required hereunder shall at all times during the period of permission be an amount equal to at least three (3) months' Guaranteed Rent and, accordingly, such amount may change from time to time by notice to the Permittee during such period.

It shall be unnecessary to physically indicate the foregoing additions, deletions and substitutions on the foregoing Terms and Conditions and Standard Endorsements.

6. Without limiting the Permittee's indemnity obligations under this Permit, the Permittee's indemnity obligations hereunder shall extend to and include any claims and demands made by the Port Authority against the Airline pursuant to the provisions of the Airline Lease and any claims and demands made by the City of Newark against the Port Authority pursuant to or under the provisions of the agreement of lease between the City of Newark and the Port Authority covering the leasing of the Airport by the City to the Port Authority, as the same from time to time may have been or may be supplemented or amended.

7. (a) No greater rights are granted or intended to be granted to the Permittee hereunder than the Airline has the power to grant under the Airline Lease. Nothing herein contained shall be deemed to enlarge or otherwise change the rights granted to the Airline by the Airline Lease and all of the terms, provisions and conditions of the Airline Lease shall be and remain in full force and effect throughout the term of the Sublease and the effective period of the permission granted hereunder.

(b) Neither this Permit nor anything contained herein shall constitute or be deemed to constitute a consent to nor shall there be created an implication that there has been consent to any enlargement or change in the rights, powers and privileges granted to the Airline under the Airline Lease, nor consent to the granting or conferring of any rights, powers or privileges to the Permittee as may be provided under the Sublease if not granted to the Airline

under the Airline Lease, unless specifically set forth in this Permit. The Sublease is an agreement between the Airline and the Permittee with respect to the various matters set forth therein. Neither this Permit nor anything contained herein shall constitute an agreement between the Port Authority and the Airline that the provisions of the Sublease shall apply and pertain as between the Airline and the Port Authority, it being understood that the terms, provisions, covenants, conditions and agreements of the Airline Lease shall, in all respects, be controlling, effective and determinative. The specific mention of or reference to the Port Authority in any part of the Sublease including, without limitation thereto, any mention of any consent or approval of the Port Authority now or hereafter to be obtained, shall not be or be deemed to create an inference that the Port Authority has granted its consent or approval thereto under this Permit or shall thereafter grant its consent or approval thereto, or that the Port Authority's discretion as to any such consents or approval shall in any way be affected or impaired. The lack of any specific reference in any provisions of the Sublease to Port Authority approval or consent shall not be deemed to imply that no such approval or consent is required and the Airline Lease and this Permit shall, in all respects, be controlling, effective and determinative.

(c) No provision of the Sublease including, but not limited to, those imposing obligations on the Permittee with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Sublease covering actions which shall or may be undertaken by the Permittee or the Airline including, but not limited to, construction of the Space, title to property and the right to perform services, be deemed to imply or infer that Port Authority consent or approval thereto will be given or that Port Authority discretion with respect thereto will in any way be affected or impaired. References in this paragraph to specific matters and provisions shall not be construed as indicating any limitation upon the rights of the Port Authority with respect to its discretion as to the granting or withholding of approvals or consents as to other matters and provisions in the Sublease which are not specifically referred to herein.

(d) It is hereby expressly understood that there are differences and inconsistencies between the Sublease, the Airline Lease and this Permit and that as to any such inconsistency or difference the terms of this Permit shall control. No changes or amendments to the Sublease nor any renewals or extensions thereof shall be binding or effective upon the Port Authority unless the same have been approved in advance by the Port Authority in writing. The Port Authority may at any time and from time to time by notice to the Permittee modify, withdraw or amend any approval, direction, or designation given hereunder or pursuant hereto to the Permittee.

(e) Notwithstanding any other provision of this Permit, this Permit and the privileges granted hereunder shall in any event expire, without notice to the Permittee, on the date of expiration or earlier termination of the Airline Lease or the Sublease, provided, however, that this shall not affect or impair the Port Authority's rights of revocation or termination as contained elsewhere in this Permit.

8. The Airline and the Port Authority shall both have the right by their officers, employees, agents, representatives and contractors at all reasonable times to enter upon the Space for the purpose of inspecting the same, for observing the performance by the Permittee of its obligations under this Permit and for the doing of any act or thing which the Airline or the Port Authority may be obligated or have the right to do under this Permit, the Airline Lease, the Sublease, or otherwise. Further the Airline shall have the right to enter upon the Space for the purpose of making repairs, alterations or replacements in or to any portion of the Terminal in accordance with the provisions of the Airline Lease.

9. The privilege granted hereunder is non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Terminal and/or Airport to another or others, whether by use of this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute or be construed to constitute a violation or breach of the permission herein granted.

10. No acceptance by the Port Authority of fees or other moneys for any period or periods after default by the Permittee under any of the terms or provisions of this Permit shall be deemed a waiver of any right on the part of the Port Authority to terminate or revoke this Permit nor shall any acceptance of an payment of fees, rents or other moneys in less than the required amount thereof be such a waiver. No waiver by the Port Authority of any default on the part of the Permittee in performing any of the terms or provisions of this Permit nor failure to take steps to rectify the same or terminate this Permit shall be or be construed a waiver by the Port Authority of any such or subsequent defaults in performance of any of the said terms or provisions of this Permit by the Permittee.

11. The effective date of this Permit is that date the Permittee commenced the activities permitted by this Permit. The Permittee in executing this Permit represents that the date stated as the "Effective Date" in Item 7 appearing on page 1 of this Permit is the date the Permittee commenced the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced such activities prior to said Effective Date, the effective date of this Permit shall be the date the Permittee commenced the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence on such date including, but not limited to, the Permittee's indemnity obligations and obligations to pay fees.

THIS AGREEMENT, made as of the 1st day of November, 2000 (hereinafter called the "Effective Date"), by and among THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY (hereinafter called the "Port Authority"), NEWS EMPORIUM, INC., a New Jersey corporation (hereinafter called the "Assignor") and WORLD CONCOURSE VENTURES, LLC, a Delaware limited liability company (hereinafter called the "Assignee"), having an office and place of business at 4929 Wilshire Boulevard, #1010, Los Angeles, CA 90010, whose representative is Dale Mason Cochran,

WHEREAS, the Port Authority and the Assignor have heretofore entered into a permit made as of February 15, 2000 and bearing Port Authority Permit No. ANB-173 (as the same has been and may hereafter be amended or supplemented being called the "Permit"), pursuant to which the Port Authority granted the Assignor the privilege to operate a concession at Terminal C at the Airport, all as more particularly described in the Permit; and

WHEREAS, the Assignor desires to assign the Sublease to the Assignee and the Assignee desires to assume said Sublease subject to the consent of the Airline which consent has been provided and, in addition, the Assignor desires to assign the Permit to the Assignee and the Assignee desires to assume the Permit and become the permittee of the Port Authority thereunder; and

WHEREAS, the Port Authority is willing to consent to such assignment of the

Permit from the Assignor to the Assignee on certain terms, provisions, covenants and conditions, to be effective on the Effective Date, unless otherwise stated, as hereinafter set forth;

WHEREAS, the parties desire to amend certain terms and provisions of the Permit effective as of the Effective Date;

NOW, THEREFORE, for and in consideration of the foregoing, and of the covenants and agreements herein contained, the Port Authority, the Assignor and the Assignee hereby agree as follows:

1. The Assignor does hereby assign, transfer and set over to the Assignee and its successors to its and their own proper use, benefit and behoof forever, the Permit, to have and to hold the same unto the Assignee and its successors from the Effective Date, for and during all of the rest, residue, and remainder of the balance of the period of permission under the Permit, as herein amended, supplemented and extended, subject nevertheless to all the terms, provisions and conditions therein contained.
2. The Port Authority hereby consents to the foregoing assignment. Notwithstanding anything herein to the contrary, the granting of such consent by the Port Authority shall not be, or be deemed to operate as, a waiver of the requirements for consent (or consents) to each and every subsequent assignment by the Assignee or by any subsequent assignee, nor shall the Assignor be relieved of liability under the terms, provisions, covenants and conditions of the Permit by reason of this consent of the Port Authority or of one or more other consents to one or more other assignments thereof.
3. The Assignor agrees that this assignment of the Permit and this consent of the Port Authority thereto shall not in any way whatsoever affect or impair the liability of the Assignor to perform all the terms, provisions, covenants and conditions, including without limitation thereto the obligation to pay fees, of the Permit on the part of the permittee thereunder to be performed, and that the Assignor shall continue fully liable for the performance of all the terms, provisions, covenants and conditions, including without limitation thereto the obligation to pay fees, on the part of the permittee thereunder to be performed. The liability of the Assignor as set forth in this paragraph shall remain and continue in full force and effect as to any and every modification of the Permit whether in accordance with the terms of the Permit or by a separate or additional document, and notwithstanding any such modification whether or not the Assignor has specifically consented to such modification. The liability of the Assignor hereunder shall in no way be affected by the failure of the Port Authority to obtain the Assignor's consent to any such modification notwithstanding that the Port Authority has previously obtained such consent with respect to a prior modification.
4. The Assignee does hereby assume the performance of and does hereby agree to perform all the terms, provisions, covenants and conditions, including without limitation thereto the obligation to pay fees, contained in the Permit, to be performed on the part of the permittee thereunder, as though the Assignee were the original signatory to the Permit. The execution of

this instrument by the Port Authority does not constitute a representation by it that the Assignor has performed or fulfilled every obligation required by the Permit, as to such matters the Assignee agrees to rely solely upon the representation of the Assignor.

5. (a) The Assignee shall provide and cause to be maintained in full force and effect, throughout the effective period of permission of the Permit, contracts of absolute and unconditional guaranty of the due and punctual payment of the fees and other monetary obligations under the Permit to be paid by the Assignee hereunder and of the full, faithful and prompt performance, observance and fulfillment on the part of the Assignee of all the terms, covenants and conditions of the Permit to be kept, observed, performed and fulfilled. Such contracts of guaranty, in the forms annexed hereto and made a part hereof, shall be executed by W.H. Smith Hotel Services, Inc., a Georgia corporation, and Concourse Ventures, Inc., a Louisiana corporation, both of which corporations constitute the members of the Assignee, simultaneously with the execution of this Agreement by the Assignee and the delivery thereof to the Port Authority; provided, however, that the liability of W.H. Smith Hotel Services, Inc. for rental payment obligations only shall be limited to forty percent (40%) of any and all liabilities of the Assignee under the Permit (including attorneys' fees and any and all expenses incurred by the Airline or the Port Authority or caused by any default and/or by the enforcement of its guaranty and provided, further, that the liability of Concourse Ventures, Inc. for rental payment obligations only shall be limited to sixty percent (60%) of any and all liabilities of the Assignee under the Permit (including the aforesaid fees and expenses).

(b) Standard Endorsement No. L23.2 of the Permit shall apply directly and fully to the Assignee except that the security to be deposited with the Port Authority thereunder shall be deposited upon the execution of this Supplemental Agreement by the Assignee and delivery thereof to the Port Authority, but in all events such security shall be deposited with the Port Authority on or before November 1, 2000. For purposes of the provisions of Standard Endorsement No. L23.2, the Assignee hereby certifies that its I.R.S. Employee Identification No. is (Ex. 1)

6. The liability of the Assignor hereunder shall in no way be affected by:

(a) The release or discharge of the Assignee in any creditors', receivership, bankruptcy or other similar proceeding; or

(b) The impairment, limitation or modification of the liability of the Assignee or its estate in bankruptcy, or of any remedy for the enforcement of the Assignee's said liability under the Permit resulting from the operation of any present or future provision of the Bankruptcy Code or any other statute or from the decision of any court having jurisdiction over the Assignee or its estate; or

(c) The rejection or disaffirmance of the Permit in any creditors', receivership, bankruptcy, or other similar proceeding; or

(d) During the Bookstore Construction Period, Assignee shall not be obligated to pay the monthly installments of the Guaranteed Rent for the months of November, 2000 and December, 2000. Upon the date that Assignee is required to cease such operations, Assignee shall immediately remove the temporary kiosk unit from Space No. AC06, at Assignee's sole cost and expense.

(f) In the event that Assignee is permitted to continue to operate the temporary kiosk unit in Space No. AC06 from and after January 1, 2001 and the reopening of the permanent book store concession facility within the Space, all Gross Receipts derived from the temporary kiosk unit in Space No. AC06 shall be combined with the Gross Receipts derived from the Space for the purpose of calculating the payment of Percentage Rent under the Sublease and the Permit.

9. Except as hereby amended, all of the terms, covenants, provisions, conditions and agreements of the Permit shall be and remain in full force and effect.

10. Neither the Commissioners of the Port Authority nor any of them, nor any officers, agent or employee thereof, shall be charged personally by the Assignor or by the Assignee with any liability or held liable to either of them under any term or provision of this Agreement, or because of its execution, or because of any breach or attempted or alleged breach thereof.

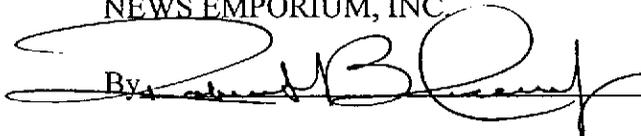

11. The Assignor and Assignee represent and warrant that no broker has been concerned in the negotiation of this Agreement and that there is no broker who is or may be entitled to be paid a commission in connection therewith. The Assignor and Assignee each shall indemnify and save harmless the Port Authority of and from all claims for commission or brokerage made by any and all persons, firms or corporations whatsoever for services in connection with the negotiation and execution of this Agreement.

12. This Agreement and the Permit to which it refers constitutes the entire agreement between the Port Authority and the Assignor and the Assignee on the subject matter, and may not be changed, modified, discharged or extended except by an instrument in writing duly executed on behalf of both the Port Authority and said parties. The Assignor and the Assignee agree that no representations or warranties shall be binding upon the Port Authority unless expressed in writing in the Permit or this Agreement.

IN WITNESS WHEREOF, the Port Authority, the Assignor and the Assignee have executed these presents as of the date first hereinabove set forth.

WHEREAS, the Assignee and the Airline have entered into a Second Amendment and Extension Agreement, made and entered into as of April 17, 2008, extending and amending the Sublease; and

WHEREAS, the parties desire to amend the Permit in certain respects as hereinafter provided;

NOW, THEREFORE, for and in consideration of the foregoing, and of the covenants and agreements herein contained, the Port Authority, the Assignor and the Assignee hereby agree as follows:

1. (a) The Assignor does hereby assign, transfer and set over to the Assignee and its successors to its and their own proper use, benefit and behoof forever, its interests under the Permit, to have and to hold the same unto the Assignee and its successors from August 30, 2007, for and during all of the rest, residue, and remainder of the balance of the period of permission under the Permit, subject nevertheless to all the terms, provisions and conditions therein contained.

(b) The Assignee hereby certifies that its Federal Tax Identification Number is
(Ex. 2)

2. The Port Authority hereby consents to the foregoing assignment. Notwithstanding anything herein to the contrary, the granting of such consent by the Port Authority shall not be, or be deemed to operate as, a waiver of the requirements for consent (or consents) to each and every subsequent assignment by the Assignee or by any subsequent assignee, nor shall the Assignor be relieved of liability under the terms, provisions and conditions of the Permit, by reason of this consent of the Port Authority or of one or more other consents to one or more other assignments thereof.

3. The Assignor agrees that this assignment of its interests in the Permit, and this consent of the Port Authority thereto shall not in any way whatsoever affect or impair the liability of the Assignor to perform all the terms, provisions and conditions including, without limitation thereto, the obligation to pay fees, of the Permit, on the part of the Permittee thereunder to be performed, and that the Assignor shall continue fully liable for the performance of all the terms, provisions and conditions including, without limitation thereto, the obligation to pay fees, on the part of the Permittee thereunder to be performed. The liability of the Assignor as set forth in this paragraph shall remain and continue in full force and effect as to any and every renewal, modification or extension of the Permit, whether in accordance with the terms of the Permit, or by a separate or additional document, and notwithstanding any such renewal, modification or extension whether or not the Assignor has specifically consented to such renewal, modification or extension. The liability of the Assignor hereunder shall in no way be affected by the failure of the Port Authority to obtain the Assignor's consent to any such renewal, modification or extension notwithstanding that the Port Authority has previously obtained such consent with respect to a prior renewal, modification or extension.

4. The Assignee does hereby assume the performance of and does hereby agree to perform all the terms, provisions and conditions, including without limitation thereto the obligation to pay fees, contained in the Permit, to be performed on the part of the Permittee thereunder, as though the Assignee were an original signatory to the Permit. The execution of this instrument by the Port Authority does not constitute a representation by it that the Assignor has performed or fulfilled every obligation required by the Permit, as to such matters the Assignee agrees to rely solely upon the representation of the Assignor.

5. The liability of the Assignor hereunder shall in no way be affected by:

(a) The release or discharge of the Assignee in any creditors', receivership, bankruptcy or other similar proceeding; or

(b) The impairment, limitation or modification of the liability of the Assignee or its estate in bankruptcy, or of any remedy for the enforcement of the Assignee's said liability under the Permit, as herein extended, resulting from the operation of any present or future provision of the Bankruptcy Code or any other statute or from the decision of any court having jurisdiction over the Assignee or its estate; or

(c) The rejection or disaffirmance of the Permit in any creditors', receivership, bankruptcy, or other similar proceeding; or

(d) Any disability or any defense of the Assignee.

6. Effective as of August 30, 2007, the Cover Page of the Permit shall be and be deemed revised as follows:

(a) Item 3 shall provide as follows: "One Meadowlands Plaza, 9th Floor, East Rutherford, New Jersey 07114"; and

(b) Item 4 shall provide as follows: "~~Phil Capozzi~~" *Joseph Didimuzio* *MD* *TE* *OTC*

7. Effective as of September 14, 2008, the period of permission granted under the Permit is hereby extended to November 30, 2013, unless sooner terminated or revoked as provided in the Permit, as herein amended.

8. Effective as of September 15, 2008 the following amendments shall be deemed made to the Permit:

(a) The last sentence of the first subparagraph of paragraph (b) of Special Endorsement No. 1 shall be deleted in its entirety and the following sentence shall be substituted in lieu thereof:

"The Port Authority hereby grants to the Permittee the privilege to operate one (1) concession at the Terminal for the sale at retail of a full service bookstore selling (i) 8,000 to 10,000 separate book titles in both hardcover and paperback books along with book accessories such as book marks, book covers, book bags, and book lights; (ii) papyrus branded stationery, gift wrap, greeting cards, paper and writing instruments; and (iii) the incidental sale of magazines, journals, non-prescription reading glasses, travel guides and maps, calendars, downloadable media and audio books on tape or CD; provided, however, that the display and sale of such incidental items shall not exceed more than 15% of the sales display area of the floor area of the Space; and for no other purpose whatsoever."

(b) Subparagraph (v) of paragraph (a) of Special Endorsement No. 2 shall be deemed deleted and the following new subparagraph (v) shall be substituted in lieu thereof:

"(v) "Annual Exemption Amount" shall mean the sum of Four Hundred Thousand Dollars and No Cents (\$400,000.00) as the same may be reduced by the operation of the proration provisions hereof and as the same may be adjusted pursuant to the Sublease. The Monthly Exemption Amount shall equal one-twelfth of the Annual Exemption Amount".

(c) The following new subparagraph (iv) shall be deemed added to paragraph (b) of Special Endorsement No. 2:

"(iv) for the period from and after September 15, 2008, at the rate of Four Hundred Thousand Dollars and No Cents (\$400,000.00) per annum, payable in

advance in equal, consecutive monthly installments equal to the PA Share of Thirty-three Thousand Three Hundred Thirty-three Dollars and Thirty-three Cents (\$33,333.33), on September 15, 2008 and on the first day of each calendar month thereafter occurring during the extended period of permission under this Permit. Effective as of January 1, 2010, the Guaranteed Rent is subject to annual adjustments (but in no event shall Guaranteed Rent decrease below the amount of the Guaranteed Rent in effect on the Extension Rent Commencement Date) based upon the Guaranteed Rent in effect during the previous annual period multiplied by the Percentage Change In Enplanements, pursuant to the terms of the Sublease.”

(d) Paragraph (c) of Special Endorsement No. 2 shall be deemed deleted and the following new paragraph (c) shall be substituted in lieu thereof:

“(c) In addition to the Guaranteed Rent hereunder, the Permittee shall pay to the Port Authority an annual percentage rent equivalent to the PA Share of the sum of

- (i) fourteen percent (14%) of all gross receipts up to and including Four Million Dollars and No Cents (\$4,000,000.00); plus
- (ii) sixteen percent (16%) of all gross receipts in excess of Four Million Dollars and One Cent (\$4,000,000.01),

of the Permittee in excess of the Monthly Exemption Amount arising during the effective period of permission hereunder.

The computation of percentage rent for each annual period, or a portion of an annual period as herein provided, shall be individual to such annual period, or such portion of an annual period, and without relation to any other annual period, or any other portion of any annual period. The time for making payment and the method of calculation of the percentage rent shall be as set forth in paragraph (e) of this Special Endorsement.”

9. The following amendments shall be deemed made to the Permit:

(a) Effective as of August 30, 2007, the following new sentence shall be deemed inserted after the second sentence in Section 1 of the Terms and Conditions, as amended by paragraph (a) of Special Endorsement No. 5 of the Permit:

“Further, in the event the Port Authority exercises its right to revoke or terminate this Permit for any reason other than “without cause”, the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation or termination, including without limitation any re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any space which may be used and occupied under this Permit (on failure of the

Permittee to have it restored), preparing such space for use by a succeeding permittee, the care and maintenance of such space during any period of non-use of the space, the foregoing to include, without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the space and putting the space in order (such as but not limited to cleaning and decorating the same)."

(b) Effective as of August 30, 2007, the following new paragraph 4 shall be deemed added to Standard Endorsement No. 2.8:

"4. Effective from and after August 30, 2007, and continuing during the effective period of permission granted under this Permit, in the event that upon conducting an examination and audit as described in this Standard Endorsement the Port Authority determines that unpaid amounts are due to the Port Authority by the Permittee, the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount of five percent (5%) of each amount determined by the Port Authority audit findings to be unpaid. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Permittee under this Permit or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Standard Endorsement with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Standard Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit."

10. Effective as of April 17, 2008, the following amendments shall be deemed made to the Permit:

(a) Standard Endorsement No. 23.2 shall be deleted from the Permit and Standard Endorsement No. 23.1, which is attached hereto and hereby made a part hereof, shall be deemed substituted in lieu thereof. The Assignee acknowledges and agrees that security deposit shall be in the form of a letter of credit as set forth in paragraph (b) of Standard Endorsement No. 23.1.

(b) Special Endorsement No. 12 shall be deemed deleted in its entirety without

substitution.

11. Without in any way limiting the provisions hereof, unless otherwise notified by the Port Authority in writing, in the event the Permittee shall continue to perform the privilege granted under the Permit, after the expiration, revocation or termination of the effective period of the permission granted under the Permit, as such effective period of permission may be extended from time to time, in addition to any damages to which the Port Authority may be entitled under the Permit or other remedies the Port Authority may have by law or otherwise, the Permittee shall pay to the Port Authority a fee for the period commencing on the day immediately following the date of such expiration or the effective date of such revocation or termination, and ending on the date that the Permittee shall cease to perform the privilege at the Airport under the Permit, equal to twice the sum of the monthly fee under the Permit. Nothing herein contained shall give, or be deemed to give, the Permittee any right to continue to perform the privilege granted under the Permit at the Airport after the expiration, revocation or termination of the effective period of the permission granted under the Permit. The Permittee acknowledges that the failure of the Permittee to cease to perform the privilege at the Airport from and after the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss. The Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss.

12. The Permittee hereby waives its right to trial by jury in any action that may hereafter be instituted by the Port Authority against the Permittee in respect of the permission granted hereunder and/or in any action that may be brought by the Port Authority to recover fees, damages, or other sums due and owing under the Permit. The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

13. This Permit is subject to the requirements of the United States Department of Transportation's regulations, 49 CFR Part 23. The Permittee agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement or any management contract, or subcontract, purchase or lease agreement or other agreement covered by 49 CFR Part 23. The Permittee agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR Part 23 that it enters and cause those businesses to similarly include the statements in further agreement. Further, the Permittee agrees to comply with the terms and provisions of Schedule G, attached hereto and hereto made a part hereof.

14. Labor Harmony at the Airport

(a) General. In connection with its operations at the Airport under this Permit, the

Permittee shall serve the public interest by promoting labor harmony, it being acknowledged that strikes, picketing, or boycotts may disrupt the efficient operation of the Terminal. The Permittee recognizes the essential benefit to have continued and full operation of the Airport as a whole and the Terminal as a transportation center. The Permittee shall immediately give oral notice to the Port Authority (to be followed reasonably promptly by written notices and reports) of any and all impending or existing labor-related disruptions and the progress thereof.

If any type of strike, picketing, boycott or other labor-related disruption is directed against the Permittee at the Terminal, or against its operations thereat pursuant to this Permit, which in the opinion of the Port Authority (i) physically interferes with the operation of the Airport, the Terminal or the Space, or (ii) physically interferes with public access between the Space and any portion of the Terminal or the Airport, or (iii) physically interferes with the operations of other operators at the Airport or the Terminal, or (iv) presents a danger to the health and safety of users of the Airport or the Terminal, including persons employed thereat or members of the public, the Port Authority shall have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(b) Labor peace agreement. The Permittee represents that, prior to or upon entering into this Supplemental Agreement, it has delivered to the Port Authority evidence of a signed labor peace agreement, in the form attached hereto as Exhibit X.

(c) Employee Retention. If the Permittee's concession at the Space is of the same type (i.e., food, retail, news/gifts or duty-free concession) as that of the immediately preceding concession operator at the Space (the "Predecessor Concession"), the Permittee agrees to offer continued employment for a minimum period of ninety (90) days, unless there is just cause to terminate employment sooner, to employees of the Predecessor Concession who have been or will be displaced by cessation of the operations of the Predecessor Concession and who wish to work for the Permittee at the Space. The foregoing requirement shall be subject to the Permittee's commercially reasonable determination that fewer employees are required at the Premises than were required by the Predecessor Concession; except, however, that the Permittee shall retain such staff as is deemed commercially reasonable on the basis of seniority with the Predecessor Concession at the premises. The Port Authority shall have the right to demand from the Permittee documentation of the name, date of hire, and employment occupation classification of all employees covered by this provision. In the event the Permittee fails to comply with this provision, the Port Authority have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(d) Applicability of Provision. The provisions of this section shall apply to concession operators which employ ten (10) or more persons at the Space.

15. Except as hereby amended, all of the terms, covenants, provisions, conditions and agreements of the Permit shall be and remain in full force and effect.

16. No Commissioner, officer, agent or employee of the Port Authority shall be charged personally by the Assignor or by the Assignee with any liability, or held liable to either of them under any term or provision of this Supplemental Agreement, or because of its execution or attempted execution, or because of any breach thereof.

17. The Assignor and Assignee represent and warrant that no broker has been concerned in the negotiation of this Supplemental Agreement and that there is no broker who is or may be entitled to be paid a commission in connection therewith. The Assignor and Assignee, each shall indemnify and save harmless the Port Authority of and from all claims for commission or brokerage made by any and all persons, firms or corporations whatsoever for services in connection with the negotiation and execution of this Supplemental Agreement.

18. This Supplemental Agreement, together with the Permit constitutes the entire agreement between the Port Authority and the Assignor and the Assignee on the subject matter, and may not be changed, modified, discharged or extended except by instrument in writing duly executed on behalf of both the Port Authority and said parties. The Assignor and the Assignee agree that no representations or warranties shall be binding upon the Port Authority unless expressed in writing in the Permit or in this Supplemental Agreement.

IN WITNESS WHEREOF, the Port Authority, the Assignor and the Assignee have caused this Agreement to be executed as of the date first set forth above.

(a) Upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deposit with the Port Authority (and shall keep deposited throughout the effective period of the permission under this Permit) the sum of One Hundred Thousand Dollars and No Cents (\$100,000.00) either in cash, or bonds of the United States of America, or of the State of New Jersey, or of the State of New York, or of the Port Authority of New York and New Jersey, having a market value of that amount, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed. Bonds qualifying for deposit hereunder shall be in bearer form but if bonds of that issue were offered only in registered form, then the Permittee may deposit such bonds or bonds in registered form, provided, however, that the Port Authority shall be under no obligation to accept such deposit of a bond in registered form unless such bond has been re-registered in the name of the Port Authority (the expense of such re-registration to be borne by the Permittee) in a manner satisfactory to the Port Authority. The Permittee may request the Port Authority to accept a registered bond in the Permittee's name and if acceptable to the Port Authority the Permittee shall deposit such bond together with an irrevocable bond power (and such other instruments or other documents as the Port Authority may require) in form and substance satisfactory to the Port Authority. In the event the deposit is returned to the Permittee any expenses incurred by the Port Authority in re-registering a bond to the name of the Permittee shall be borne by the Permittee. In addition to any and all other remedies available to it, the Port Authority shall have the right, at its option, at any time and from time to time, with or without notice, to use the deposit or any part thereof in whole or partial satisfaction of any of its claims or demands against the Permittee. There shall be no obligation on the Port Authority to exercise such right and neither the existence of such right nor the holding of the deposit itself shall cure any default or breach of this Agreement on the part of the Permittee. With respect to any bonds deposited by the Permittee, the Port Authority shall have the right, in order to satisfy any of its claims or demands against the Permittee, to sell the same in whole or in part, at any time, and from time to time, with or without prior notice at public or private sale, all as determined by the Port Authority, together with the right to purchase the same at such sale free of all claims, equities or rights of redemption of the Permittee. The Permittee hereby waives all right to participate therein and all right to prior notice or demand of the amount or amounts of the claims or demands of the Port Authority against the Permittee. The proceeds of every such sale shall be applied by the Port Authority first to the costs and expenses of the sale (including but not limited to advertising or commission expenses) and then to the amounts due the Port Authority from the Permittee. Any balance remaining shall be retained in cash toward bringing the deposit to the sum specified above. In the event that the Port Authority shall at any time or times so use the deposit, or any part thereof, or if bonds shall have been deposited and the market value thereof shall have declined below the above-mentioned amount, the Permittee shall,

on demand of the Port Authority and within two (2) days thereafter, deposit with the Port Authority additional cash or bonds so as to maintain the deposit at all times to the full amount above stated, and such additional deposits shall be subject to all the conditions of this Standard Endorsement. After the expiration or earlier revocation or termination of the effective period of the permission under this Permit, and upon condition that the Permittee shall then be in no wise in default under any part of this Permit, and upon written request therefor by the Permittee, the Port Authority will return the deposit to the Permittee less the amount of any and all unpaid claims and demands (including estimated damages) of the Port Authority by reason of any default or breach by the Permittee of this Permit or any part thereof. The Permittee agrees that it will not assign or encumber the deposit. The Permittee may collect or receive any interest or income earned on bonds and interest paid on cash deposited in interest-bearing bank accounts, less any part thereof or amount which the Port Authority is or may hereafter be entitled or authorized by law to retain or to charge in connection therewith, whether as or in lieu of an administrative expense, or custodial charge, or otherwise; provided, however, that the Port Authority shall not be obligated by this provision to place or to keep cash deposited hereunder in interest-bearing bank accounts.

(b) The Permittee may at any time during the effective period of the permission under this Permit offer to deliver to the Port Authority, as security for all obligations of the Permittee under this Permit, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District, in favor of the Port Authority in the amount of One Hundred Thousand Dollars and No Cents (\$ 100,000.00).

The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent satisfactory letter. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by security in accordance with paragraph (a) of this Standard Endorsement or another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security under paragraph (a) of this Standard Endorsement. Failure to provide such a letter of credit at any time during the effective period of the permission, under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the security deposit, if any, theretofore made under and in accordance with the provisions of paragraph (a) of this Standard Endorsement. The Permittee shall have the same rights to receive such deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the permission under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount.

SCHEDULE G

AIRPORT CONCESSION DISADVANTAGED BUSINESS ENTERPRISE (ACDBE) PARTICIPATION

In accordance with regulations of the US Department of Transportation 49 CFR Part 23, the Port Authority has implemented an Airport Concession Disadvantaged Business Enterprise (ACDBE) program under which qualified firms may have the opportunity to operate an airport business. The Port Authority has established an ACDBE participation goal, as measured by the total estimated annual gross receipts for the overall concession program. The goal is modified from time to time and posted on the Port Authority's website: www.panynj.gov.

The overall ACDBE goal is a key element of the Port Authority's concession program and Concessionaire shall take all necessary and reasonable steps to comply with the requirements of the Port Authority's ACDBE program. The Concessionaire commits to making good faith efforts to achieve the ACDBE goal. Pursuant to 49 CFR 23.25 (f), ACDBE participation must be, to the greatest extent practicable, in the form of direct ownership, management and operation of the concession or the ownership, management and operation of specific concession locations through subleases. The Port Authority will also consider participation through joint ventures in which ACDBEs control a distinct portion of the joint venture business and/or purchase of goods and services from ACDBEs. In connection with the aforesaid good faith efforts, as to those matters contracted out by the Concessionaire in its performance of this agreement, the Concessionaire shall use, to the maximum extent feasible and consistent with the Concessionaire's exercise of good business judgment including without limit the consideration of cost competitiveness, a good faith effort to meet the Port Authority's goals. Information regarding specific good faith steps can be found in the Port Authority's ACDBE Program located on its above-referenced website. In addition, the Concessionaire shall keep such records as shall enable the Port Authority to comply with its obligations under 49 CFR Part 23 regarding efforts to offer opportunities to ACDBEs.

Qualification as an ACDBE

To qualify as an ACDBE, the firm must meet the definition set forth below and be certified by the New York State or New Jersey Uniform Certification Program (UCP). The New York State UCP directory is available on-line at www.nysucp.net and the New Jersey UCP at www.njucp.net.

An ACDBE must be a small business concern whose average annual receipts for the preceding three (3) fiscal years does not exceed \$47.78 million and it must be (a) at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operations are controlled by one or more of the socially or economically disadvantaged individuals who own it. The personal net worth standard used in determining eligibility for purposes of part 23 is \$750,000.

The ACDBE may, if other qualifications are met, be a franchisee of a franchisor. An airport concession is a for-profit business enterprise, located on an airport, which is subject to the Code of Federal Regulations 49 Part 23, subpart F, that is engaged in the sale of consumer goods or services to the public under an agreement with the sponsor, another concessionaire, or the owner or operator of a terminal, if other than the sponsor. The Port Authority makes a rebuttable presumption that individuals in the following groups who are citizens of the United States or lawful permanent residents are "socially and economically disadvantaged":

- a. Women;
- b. Black Americans which includes persons having origins in any of the Black racial groups of Africa;
- c. Hispanic Americans which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;
- d. Native Americans which includes persons who are American Indians, Eskimos, Aleuts or Native Hawaiians;
- e. Asian-Pacific Americans which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific Islands (Republic of Palau), the Commonwealth Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Juvalu, Nauru, Federated States of Micronesia or Hong Kong;
- f. Asian-Indian Americans which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, Maldives Islands, Nepal and Sri Lanka; and
- g. Members of other groups, or other individuals, found to be economically and socially disadvantaged by the Small Business Administration under Section 8(a) of the Small Business Act, as amended (15 U.S.C. Section 637(a)).

Other individuals may be found to be socially and economically disadvantaged on a case-by-case basis. For example, a disabled Vietnam veteran, an Appalachian white male, or another person may claim to be disadvantaged. If such individual requests that his or her firm be certified as ACDBE, the Port Authority, as a certifying partner in the New York State and New Jersey UCPs will determine whether the individual is socially or economically disadvantaged under the criteria established by the Federal Government. These owners must demonstrate that their disadvantaged status arose from individual circumstances, rather than by virtue of membership in a group.

Certification of ACDBEs hereunder shall be made by the New York State or New Jersey UCP. If Concessionaire wishes to utilize a firm not listed in the UCP directories but which the Concessionaire believes should be certified as an ACDBE, that firm shall submit to the Port Authority a written request for a determination that the firm is eligible for certification. This shall be done by completing and forwarding such forms as may be required under 49 CFR Part 23. All such requests shall be in writing, addressed to Lash Green, Director, Office of Business and Job Opportunity, The Port Authority of New York and New Jersey, 233 Park Avenue South, 4th Floor, New York, New York 10003 or such other address as the Port Authority may designate from time to time. Contact OBJOcert@panynj.gov for inquiries or assistance.

(2) If any such Records have been maintained outside of the Port District, but within the Continental United States then the Port Authority in its sole discretion may (i) require such Records to be produced within the Port District or (ii) examine such Records at the location at which they have been maintained and in such event the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit, or

The Permittee agrees that it will conduct a first class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor. The Permittee shall sell only such items of merchandise and/or render only such services as may be approved in writing from time to time by the Port Authority. All prices charged by the Permittee shall be subject to the prior written approval of the Port Authority, provided, however, that such approval will not be withheld if the proposed prices do not exceed reasonable prices for similar merchandise and/or services in the municipality in which the Airport is located. The Permittee shall, prior to furnishing any services hereunder, prepare schedules of rates for said services and discounts therefrom. The Port Authority shall examine such schedules and make such modifications therein as may be necessary. Any changes thereafter in the schedules shall be similarly submitted to the Port Authority for its prior written approval, and, if necessary, modification. All such schedules shall be made available to the public by the Permittee at locations designated from time to time by the Port Authority. The Permittee agrees to adhere to the rates and discounts stated in the approved schedules. If the Permittee applies any rate in excess of the approved rates or extends a discount less than the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the approved rates or extends a discount which is in excess of the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an undercharge and an amount equivalent thereto shall be included in gross receipts hereunder and the percentage fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Permit.

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority, including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (but not less than thirteen) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Endorsement with respect to such unpaid amount. Nothing in this Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including without limitation the Port Authority/s rights set forth in Section 1 of the Terms and Conditions of this Permit or (ii) any obligations of the Permittee under this Permit. Notwithstanding any other provision of this Permit, the permission hereby granted shall in any event terminate with the expiration or termination of the lease of Newark International Airport from the City of Newark to the Port Authority under the agreement between the City and the Port Authority dated October 22, 1947, as the same from time to time may have been or may be supplemented or amended. Said agreement dated October 22, 1947 has been recorded in the Office of the Register of Deeds for the County of Essex on October 30, 1947 in Book E-110 of Deeds at pages 242, et seq. (5) As to any insurance required by this Endorsement, a certified copy of each of the policies or a certificate or certificates evidencing the existence thereof, or binders, shall be delivered to the Port Authority within ten (10) days after the execution of this Permit. In the event any binder is delivered, it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate. Each such copy or certificate shall contain a valid provision or endorsement that the policy may not be cancelled, terminated, changed or modified, without giving ten (10) days’ written notice thereof to the Port Authority. A renewal policy shall be delivered to the Port Authority at least fifteen (15) days prior to the expiration date of each expiring policy. If at any time any of the policies shall be or become unsatisfactory to the Port Authority as to form or substance, or if any of the carriers issuing such policies shall be or become unsatisfactory to the Port Authority as to form or substance, or if any of the carriers issuing such policies shall be or become unsatisfactory to the Port Authority, the Permittee shall promptly obtain a new and satisfactory policy in replacement.

(6) Each policy of insurance required by this Endorsement shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

SPECIAL ENDORSEMENTS

1. (a) By agreement of lease, dated as of January 11, 1985 bearing Port Authority file No. ANA-170 (said agreement of lease as the same may have been supplemented and amended being hereinafter called the "Airline Lease") the Port Authority leased to People Express Airlines, Inc. certain premises in the passenger terminal building designated "Passenger Terminal Building C" at Newark Liberty International Airport for the construction therein by the airline of passenger terminal facilities (which facilities are hereinafter referred to as the "Terminal"), as set forth in Section 5 of the Airline Lease. The Airline Lease was assigned by People Express Airlines, Inc. to Continental Airlines, Inc. (hereinafter called the "Airline") pursuant to an Assignment of Lease with Assumption and Consent Agreement entered into among the Port Authority, the Airline and People Express Airlines, Inc., dated August 15, 1987. It was contemplated under the Airline Lease that certain food and beverage, newsstand, gift shop and other consumer service facilities would be operated in certain portions of the Terminal pursuant to agreements covering the operation of such consumer service facilities and it was stipulated in the Airline Lease that Port Authority consent to the arrangements covering the operation of such consumer service facilities would be required. The Airline and Westfield Concession Management, Inc. ("Manager") have entered into an agreement, made as of November 1, 1997 (which agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Management Agreement"), pursuant to which the Manager agreed to develop, sublease on behalf of and in the name of the Airline, manage and market certain concession facilities in the Terminal. The Manager and the Port Authority have entered into a permit agreement, consented and agreed to by the Airline and dated as of October 1, 1998 (which permit agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Manager Permit") pursuant to which, among other things, the Port Authority consented to the Management Agreement subject to the provisions of the Manager Permit.

(b) (i) The Airline and the Permittee have entered into a sublease agreement, dated March 14, 2005 (hereinafter called the "Sublease"), under which the Permittee has agreed to operate certain consumer services in locations the Airline shall designate, and the Port Authority hereby consents to such subletting. By its terms the Sublease is subject and subordinate to the Airline Lease and the Permittee is obligated under the Sublease to comply with all applicable terms of the Airline Lease. The Permittee hereby agrees for the benefit of the Port Authority to comply with all applicable provisions of the Airline Lease. Further, it was stipulated in the Management Agreement and in the Manager Permit that any retail operating agreement entered into between the Airline and a third party retail operator shall be void *ab initio* and of no force of effect unless and until the proposed retail operator and the Port Authority shall have executed a written agreement covering such operations. The Port Authority hereby grants to the Permittee the privilege to operate five (5) concessions at the Terminal, at both in-line and kiosk locations designated in the Sublease as Space Nos. 52, 65, 90, 100 and B65, for the following purpose and for no other purpose or purposes whatsoever:

SPECIAL ENDORSEMENTS

(x) for locations designated in the Sublease as Space Nos. 52, 65, 90 and 100: operation of newsstand-gift shop facilities under the trade name "Hudson News" for the sale at retail of newspapers, magazines, and such sundry and newsstand items as are designated "Category A Products" on the schedule attached hereto, hereby made a part hereof, and marked "Schedule A" and for the sale of such gifts and items of general merchandise as are designated "Category B Products" on Schedule A; and

(y) for the location designated in the Sublease as Space No. B65: operation of a facility under the trade name "Hudson News-Euro Café" for the sale at retail of newspapers, magazines, and such sundry and newsstand items as are designated "Category A Products" on the schedule attached hereto, hereby made a part hereof, and marked "Schedule A" and for the sale of such gifts and items of general merchandise as are designated "Category B Products" on Schedule A; and the sale of food and non-alcoholic beverage items as are designated "Category C Products" on Schedule A,

all as may be more particularly described in the Sublease.

(ii) The parties acknowledge that while "prepaid telephone calling cards" are specifically identified as a permitted item on Schedule A, the Permittee may sell same only (x) if such sale is consented to in advance by both the Airline and the Port Authority and (y) if the specific prepaid telephone calling cards to be sold are ones which are provided by an approved Port Authority vendor which is a party to a written agreement with the Port Authority permitting such vendor to market and sell such cards at the Airline Terminal. It is further agreed that unless advised in writing to the contrary by the Port Authority, while the Permittee would be obligated to provide details in its monthly and annual reports as to the number of prepaid telephone cards sold, and the amount of proceeds generated therefrom, proceeds from the sale of such prepaid telephone cards would be excluded from gross receipts (as defined in the Permit) for purposes of calculating the basic and percentage fees due under the Permit and for purposes of calculating the basic and percentage rent due under the Sublease.

(c) The Permittee shall exercise the privilege granted by this Permit only in such areas as the Airline shall designate from time to time. All of the areas designated for operations hereunder are herein referred to collectively as the "Space". The Permittee understands that as the Terminal is leased to the Airline, all arrangements as to the Space and facilities in which the privilege described in this paragraph will be conducted, including utilities and services therefor, shall be made with the Airline and the Permittee acknowledges that it has made such arrangements. The Port Authority makes no representations or warranties as to the location, size, adequacy or suitability of the Space and the facilities therein.

SPECIAL ENDORSEMENTS

(d) The Permittee may not receive any revenues or profits with respect to any of the following uses, operations or installations which the Port Authority reserves to itself and its designees exclusively in the Terminal: VIP lounges; airline clubs; monorail facilities; advertising (including, without limitation, static display, broadcast and other); pay telephones, facsimile transmission machines and other public communications services, including without limitation, all Port Authority-owned or operated information and communications technology infrastructure for common Airport use; rental of cellular phones; concierge services (*i.e.*, a center or location which offers a variety of services for passengers (including, but not limited to, hotel reservations, sale of entertainment events tickets and lottery tickets, luggage storage and delivery, sightseeing tours, business services and provision of touring information)); ground transportation (including vehicle rentals); hotel and other lodging reservations; vending machines dispensing anything (including, but not limited to, catalog and electronic sales) other than products specifically permitted to be sold on the Space pursuant to the Sublease and if approved by the Port Authority; on-airport baggage carts (other than shopping carts made available free of charge to shoppers within the Space) or other on-airport baggage-moving devices; and electronic amusements. The Port Authority shall have the right to all revenues derived for the above-stated reserved uses.

2. (a) As used herein:

(i) "Affiliate" shall mean a person that directly, or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, the Permittee. The term control (including the terms controlling, controlled by and under common control with) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise.

(ii) "Minimum annual rent amount" (sometimes referred to herein as "Guaranteed Rent") shall mean the sum set forth in paragraph (b) of this Special Endorsement, as the same may adjusted and/or prorated by operation of the provisions hereof.

(iii) "Annual Period" shall mean, as the context requires, the period commencing with the effective date of the permission granted under this Permit and expiring December 31 of the same calendar year, both dates inclusive, and each of the twelve month periods thereafter occurring during the effective period of the permission granted hereunder commencing with the immediately succeeding January 1 and on each anniversary of that date, provided, however, that if the effective period of the permission granted under this Permit shall expire or shall terminate or be revoked effective on other than the last day of a calendar year then the annual period in which the date of expiration or earlier termination or revocation shall fall shall expire on the date of expiration or

SPECIAL ENDORSEMENTS

earlier termination or revocation of the effective period of the permission granted hereunder.

(iv) "Gross receipts" shall mean and include all monies paid or payable to the Permittee for sales made and services rendered at or from the Terminal or the Airport regardless of when or where the order therefor is received and outside the Terminal or Airport if the order is received at the Terminal or the Airport and any other revenues of any type arising out of or in connection with the Permittee's operations at the Terminal or the Airport, provided, however, that there shall be excluded from such gross receipts the following: (a) any taxes imposed by law which are separately stated to and paid by a customer and directly payable to the taxing authority by the Permittee; (b) receipts in the form of refunds from or the value of merchandise, services, supplies or equipment returned to vendors, shippers, suppliers or manufacturers including discounts received from Permittee's vendors, suppliers, or manufacturers (but specifically excluding retail display allowances or other promotional incentives received from vendors, suppliers and the like, all of which must be included in gross receipts); (c) shipping, delivery, alteration workroom and gift wrapping charges if there is no profit to Permittee and such charges are merely an accommodation to customers; (d) except with respect to proceeds paid on a gross earnings business interruption insurance policy, all other receipts from insurance proceeds received by Permittee as a result of a loss or casualty; (e) sale of trade fixtures, equipment or property which are not stock in trade and not in the ordinary course of business; (f) customary discounts, not to exceed ten percent (10%), which must be given by Permittee on sales of merchandise or services to employees of Airport airline lessees, other individuals employed at the Airport, and including Permittee's employees, if separately stated, and limited in amount to not more than one percent (1%) of Permittee's gross receipts per lease month for discounts given to Permittees' employees; (g) any gratuities paid or given by patrons or customers to employees of the Permittee or others employed, or serving, at any of the facilities being operated on the Space; (h) exchange of merchandise between stores or warehouses owned by or affiliated with Permittee (where such exchange is made solely for the convenient operation of the business of Permittee and not for purposes of consummating a sale which has theretofore been made in or from the Space and/or for the purpose of depriving the Airline of the benefit of a sale which otherwise would be made in or from the Space); (i) proceeds from the sale of gift certificates or like vouchers until such time as the gift certificates or like vouchers have been treated as a sale in or from the Space pursuant to Permittee's record-keeping system; and (j) the sale or transfer in bulk of the inventory of Permittee to a purchaser of all or substantially all of the assets of Permittee in a transaction not in the ordinary course of Permittee's business.

For the purpose of determining the percentage rent payable by Permittee to the Airline and the Port Authority, respectively, all monies, payments, or fees paid or payable to the Permittee by any of its subtenants, franchisees or licensees in connection with their

SPECIAL ENDORSEMENTS

In the event of any difference between the definition of gross receipts (or gross revenues) in the Sublease and the definition of gross receipts in this Permit, the definition of gross receipts set forth in this Permit shall control.

(v) "PA Share" shall mean Fifty percent (50%) with respect to all Space except Twenty percent (20%) with respect to only in connection with food and beverage items from operations at Space No. B65.

(vi) "Annual Exemption Amount" shall mean the sum set forth as the Guaranteed Rent under this Permit, as the same may be reduced by the operation of the pro-ration provisions hereof and as the same may be adjusted pursuant to the Sublease. (b) (i) Prior to March 15, 2005, effective as of the Effective Date for each respective Storage Space or other Space, on a per annum basis but payable in advance in equal, consecutive monthly installments (i.e., "equal" with respect to the non-percentage portion of any annual rental obligation), commencing on the Effective Date for each respective Storage Space or other Space, the Permittee shall pay to the Port Authority the PA Share, as defined in paragraph (f) of this Special Endorsement, of the following:

(aa) For Storage Space X, at the rate of \$5,200.00 per annum;

(bb) For Storage Spaces SO4, Dry-1 and B-68, at the rate of \$7,865.00, \$6,985.00 and \$18,700.00, respectively, per annum;

(cc) For Space No. 90, at the rate which is the greater of (1) \$500,000.00 per annum (\$41,666 per monthly period) and (2) the sum of the following percentage rents:

(x) Fourteen percent (14%) of all gross receipts of the Permittee from Category A Products, including but not limited to gross receipts arising out of retail display allowances and other promotional incentives; and

(y) Twenty-eight percent (28%) of all gross receipts of the Permittee from Category B Products percentages.

SPECIAL ENDORSEMENTS

(dd) For Space No. 100, at the rate which is the greater of (1) \$350,000.00 per annum (\$29,166.67 per monthly period) and (2) the sum of the following annual percentage rents:

(1) Fourteen percent (14%) of all gross receipts of the Permittee from Category A Products, including but not limited to gross receipts arising out of retail display allowances and other promotional incentives; and

(2) Twenty-eight percent (28%) of all gross receipts of the Permittee from Category B Products percentages.

For purposes of subparagraphs (b)(iii) and (b)(iv), references to Guaranteed Rent shall also be deemed to include the fixed annual rent (i.e., non-percentage rents) for Space Nos. 90 and 100 which are set forth in subparagraphs (b)(i) and (b)(ii) of this Special Endorsement.

(ii) As of March 15, 2005, the Permittee shall pay to the Port Authority the PA Share, as defined in paragraph (f) of this Special Endorsement, of the following:

(aa) For Storage Space X, at the rate of \$5,200.00 per annum;

(cc) Guaranteed Rent at the rate of One Million Three Hundred Eighty-Five Thousand Five Hundred Dollars (\$1,385,500.00) per annum, payable in advance in equal, consecutive monthly installments equal to the PA Share of One Hundred Fifteen Thousand Four Hundred Fifty-Eight Dollars and Thirty-three Cents (\$115,458.33), on the Rent Commencement Date and on the first day of each calendar month thereafter occurring during the period of permission under this Permit. If the Rent Commencement Date shall occur on a day other than the first day of a calendar month, the installment of the Guaranteed Rent payable on the Rent Commencement Date shall be the amount of the installment described in this paragraph prorated on a daily basis, using the actual number of days in the subject calendar month. The Guaranteed Rent is subject to annual adjustments (but in no event shall Guaranteed Rent decrease below the amount of the Guaranteed Rent in effect on the Rent Commencement Date) based upon the Guaranteed Rent in effect during the previous annual period multiplied by the Percentage Change In Enplanements, pursuant to the terms of the Sublease.

(iii) If the effective period of the permission granted hereunder is terminated, revoked or expires effective on other than the last day of a month, the applicable Guaranteed Rent payable for the portion of the month in which the effective date of termination, revocation or expiration shall occur during which the permission granted hereunder remains

SPECIAL ENDORSEMENTS

effective, shall be the amount of the monthly installment of Guaranteed Rent set forth in subparagraphs (b)(i) and (b)(ii) of this Special Endorsement, prorated on a daily basis, using the actual number of days in the subject calendar month.

(iv) For purposes of this Permit, and unless and until notified in writing otherwise by the Port Authority, the Port Authority hereby directs such payments of the PA Share (whether of Guaranteed Rent, percentage rent, storage premises rent, or other concession operator payments (to the extent the same do not constitute actual pass-through charges for expenses actually incurred by the Airline and the Manager, as applicable)) be remitted on its behalf directly, and payable, to Westfield Concession Management, Inc., which shall serve as the Port Authority's agent for this purpose.

(c) In addition to the Guaranteed Rent hereunder, effective as of March 15, 2005, the Permittee shall pay to the Port Authority an annual percentage rent equivalent to the PA Share of the sum of the following percentages of all gross receipts of the Permittee in excess of the Monthly Exemption Amount arising during the effective period of permission hereunder:

(i) Fourteen percent (14%) of all gross receipts of the Permittee from Category A Products, including but not limited to gross receipts arising out of retail display allowances and other promotional incentives; and

(ii) Twenty-eight percent (28%) of all gross receipts of the Permittee from Category B Products; and

(iii) Fifteen percent (15%) of all gross receipts of the Permittee from Category C Products.

The computation of percentage rent for each annual period, or a portion of an annual period as herein provided, shall be individual to such annual period, or such portion of an annual period, and without relation to any other annual period, or any other portion of any annual period. The time for making payment and the method of calculation of the percentage rent shall be as set forth in paragraph (e) of this Special Endorsement.

(d) For the purpose of calculating the Guaranteed Rent and percentage rent due for any annual period which contains more or less than 365 days, the applicable annual Guaranteed Rent amount shall be prorated on a daily basis, using a 365-day year.

(e) (i) Gross receipts shall be reported and the percentage rent thereon shall be paid as follows: on the 15th day of the first month following the Rent Commencement Date and on the 15th day of each and every month thereafter, including the month following the end of each annual period and the month following the expiration of the permission granted hereunder, the Permittee shall render to the Port Authority a statement, certified by a responsible

SPECIAL ENDORSEMENTS

officer of the Permittee, showing all gross receipts arising from the Permittee's operations hereunder in the preceding month, and specifying the percentage(s) stated in paragraph (c) of this Special Endorsement of gross receipts, and also showing its cumulative gross receipts from the date of the commencement of the annual period for which the report is made through the last day of the preceding month and the percentage applicable thereto. Whenever any monthly statement shall show that (A) the applicable percentage set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the monthly period for which the report is made is in excess of the applicable Monthly Exemption Amount, established for the monthly period, or (B) the applicable percentage set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the annual period for which the report is made is in excess of the applicable Annual Exemption Amount, established for such annual period, the Permittee shall pay to the Port Authority at the time of rendering the statement an amount equal to the following: with respect to statements for monthly periods and not annual periods, an amount equal to the PA Share of the excess over the applicable Monthly Exemption Amounts, and with respect to statements for annual periods, an amount equal to the PA Share of the excess, over the applicable Annual Exemption Amount, less the total of all percentage rent payments previously made for such annual period. At any time that the Monthly Exemption Amount is decreased by pro-ration hereunder so that there is an excess of gross receipts as to which the percentage rent has not been paid, the same shall be payable to the Port Authority on demand. In the event that, with respect to an annual period, the Permittee has previously made a total of percentage rent payments which is greater than the amount actually due hereunder in percentage rent for such annual period, then such overpayment shall be credited to accrued obligations of the Permittee or, if there be none, then to the next accruing obligations of the Permittee hereunder.

(ii) Upon any termination or revocation of the permission granted hereunder (even if stated to have the same effect as expiration), gross receipts shall be reported and rent shall be paid on the 15th day of the first month following the month in which the effective date of such termination or revocation occurs, as follows: first, if the monthly installment of Guaranteed Rent due on the first day of month in which the termination or revocation occurs has not been paid, the Permittee shall pay the prorated part of the amount of that installment; if the monthly installment has been paid, then the excess thereof shall be credited to the Permittee's other obligations; second, the Permittee shall within fifteen (15) days after the effective date of termination or revocation render to the Port Authority a statement, certified by a responsible officer of the Permittee, of all gross receipts for the monthly period and annual period in which the effective date of termination or revocation falls showing the monthly, and the cumulative for the annual period, amount of gross receipts and the percentages applicable thereto; and third, the payment then due on account of all percentage rent for the annual period in which the effective date of termination or revocation falls shall be the PA Share of the excess of the percentage rent computed as set forth in the following sentence, over the total of all percentage rent payments previously made for such annual period. The percentage rent due for any such annual period in which the effective date of termination or revocation falls shall be

SPECIAL ENDORSEMENTS

equal to the PA Share of the excess, over the prorated Annual Exemption Amount(s) established for such annual period pursuant to the proration provisions set forth in paragraph (d) of this Special Endorsement, of the percentages stated in paragraph (c) of this Special Endorsement, each such percentage being applied to the cumulative amount of gross receipts arising during such annual period in accordance with the terms of paragraph (c) of this Special Endorsement.

(f) The Permittee shall pay to the Port Authority the PA Share of all rent payable under this Permit and the remainder shall be paid by the Permittee to the Airline, as directed by the Airline in accordance with the Sublease.

(g) Notwithstanding that the percentage rent hereunder are measured by a percentage of gross receipts, no partnership relationship or joint venture between the Port Authority and the Permittee or the Airline is created or intended to be created by this Permit.

(h) Consistent with the provisions of Section 27.33 of the Sublease, entitled "**DELIVERY OF AND ADDITIONAL TENANT'S WORK FOR SPACE NO. B65**", any amount of credit granted by the Airline to the Permittee with respect to approved "Tenant's Additional Costs" (as such term is defined in such Section of the Sublease) shall be strictly a credit against Guaranteed Rent due only as to the Airline share of the Guaranteed Rent and no such credit shall reduce, to any extent, the PA Share of such Guaranteed Rent.

3. The Permittee's obligation to pay rent under this Permit (herein called the "Rent Commencement Date") shall commence as of the earliest to occur of:

- (a) the date on which Permittee commences operations in the Space, or
- (b)
 - (i) April 17, 2001 with respect to Space Nos. 90 and 100; and
 - (ii) March 15, 2005 with respect to Space Nos. 52, 65 and B-65,

subject to the Permittee's limited right to delay such Rent Commencement Date pursuant to Section 1.02 of the Lease. The Airline shall promptly confirm to the Port Authority and the Permittee in writing the date of delivery of the Space, date of commencement of operations and Rent Commencement Date hereunder.

4. The Permittee shall be required to make a minimum initial capital investment (excluding furniture, fixtures and equipment) to ready the Space for initial occupancy and operations in an amount equal to Two Hundred Dollars (\$200) per square foot. Nothing herein shall reduce the Permittee's obligations to comply with the Port Authority's Tenant Alteration and Application process and the Airline's design specifications and standards, nor reduce any obligation of the Permittee under the Sublease to maintain, improve or refurbish the Space during the term of the subletting.

SPECIAL ENDORSEMENTS

5. Prior to the execution of this Permit by either party hereto the following deletions, additions and substitutions were made in the foregoing Terms and Conditions and Standard Endorsements:

(a) The last three sentences of Section 1 of the foregoing Terms and Conditions were deleted and the following shall be deemed to have been inserted in lieu thereof:

"Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty (30) days' written notice to the Permittee which notice must be jointly subscribed by the Port Authority and the Airline; provided, however, that it may be revoked on twenty-four (24) hours' notice by the written notice by the Port Authority without consultation with or concurrence by the Airline if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination. Further, in the event the Port Authority exercises its right to revoke or terminate this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation or termination, including without limitation any re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any space which may be used and occupied under this Permit (on failure of the Permittee to have it restored), preparing such space for use by a succeeding permittee, the care and maintenance of such space during any period of non-use of the space, the foregoing to include, without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the space and putting the space in order (such as but not limited to cleaning and decorating the same.)"

It is acknowledged and agreed that, in the event the Permittee operates hereunder at more than one concession facility area in the Space, the Port Authority's right to revoke this Permit pursuant to the foregoing proviso may be exercised with respect to the entire Space or any portion thereof. Accordingly, any such revocation by the Port Authority may revoke the permission hereunder with regard to all concession facility areas, or only one or more of such areas, in which latter case the Permittee shall not be relieved of any liabilities or obligations hereunder which relate to the area(s) as to which the permission remains in effect.

(b) The words "without the prior written consent of the Port Authority" shall be deemed inserted after the word "contractor" at the end of the first full sentence following paragraph (d) of Section 2 of the foregoing Terms and Conditions.

SPECIAL ENDORSEMENTS

(c) The word "written" in the fifth line of Section 4 of the foregoing Terms and Conditions was deleted and the following sentence was added to such Section:

"If the Manager of the Facility notifies the Permittee that any badge, identification or uniform is unacceptable in the sole judgment of the Manager of the Facility, then the Permittee shall upon receipt of such notice cease use of such objectionable badge, identification or uniform, as the case may be, and shall provide acceptable replacement(s) therefor within 30 days thereafter."

(d) Wherever the term "expiration" is used in the Permit, it shall be deemed to mean, unless otherwise provided, the effective date of expiration, revocation or termination.

(e) The words "and the Airline and its directors, officers, employees, agents and representatives" shall be deemed inserted following the word "representatives" in the second line of the first sentence of Section 6 of the foregoing Terms and Conditions.

(f) Wherever in this Permit the word "Facility" is used it shall be deemed to mean, as the context requires, Newark Liberty International Airport and/or the Terminal.

(g) Section 11 of the foregoing Terms and Conditions was deleted in its entirety and the following shall be deemed to have been inserted in lieu thereof:

"In the event that any sign, poster or similar device erected, displayed or maintained by the Permittee in view of the general public, is unacceptable to the Manager of the Facility, in the sole judgment of the Manager of the Facility, then the same shall be removed by the Permittee upon receipt of notice to do so by the Manager of the Facility and any not so removed by the Permittee may be removed by the Port Authority at the expense of the Permittee."

(h) It is hereby acknowledged that there may be differences between (i) the pricing requirements set forth in Standard Endorsements 4.1 and 4.5 of this Permit and the pricing requirements set forth in Section 7.02 of the Sublease and (ii) the operating hours requirements of Standard Endorsement 4.1 of this Permit and the operating hours requirements set forth in Section 7.02 of the Sublease. The parties hereto agree that notwithstanding the provisions of paragraph (d) of Special Endorsement No. 7 of this Permit, the provisions of Section 7.02 of the Sublease shall not be deemed to be superseded or affected in any way by the provisions of Standard Endorsements 4.1 and/or 4.5 of this Permit and, as between the Permittee and the Airline, the provisions of Section 7.02 of the Sublease shall be and continue in full force and effect.

(i) Special Endorsement No. 2.8 is hereby amended as follows:

SPECIAL ENDORSEMENTS

(i) Paragraphs 1(f) and 1(g) of Standard Endorsement 2.8 were deleted in their entirety.

(ii) The reference in the introductory paragraph of paragraph 2 of Standard Endorsement 2.8 to "percentage fee" shall be deemed to mean "percentage rent" and the reference in subparagraph (1) of such paragraph 2 to "fees" shall be deemed to mean "percentage rent".

(iii) References in paragraph 3 of Standard Endorsement 2.8 to "fees" shall be deemed to mean "rent". In addition, any rent or charges to be paid pursuant to this Standard Endorsement 2.8 shall be paid directly to the Port Authority and not to the Manager on behalf of the Port Authority.

(iv) A new paragraph (4) shall be added at the end thereof which shall read as follows:

"(4) In the event that upon conducting an examination and audit as described in this Special Endorsement the Port Authority determines that unpaid amounts are due to the Port Authority by the Permittee, the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount of five percent (5%) of each amount determined by the Port Authority audit findings to be unpaid. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Permittee under this Permit or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Special Endorsement with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Special Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit."

(j) All references in Standard Endorsement 8.0 to "fee" shall be deemed to mean "rent".

SPECIAL ENDORSEMENTS

(k) Notwithstanding the provisions of Standard Endorsement 21.1 annexed to this Permit, the Port Authority (as well as the Airline and the Manager) shall be named as an additional insured in any policy of liability insurance required by the provisions of this Permit and each such policy of insurance so required shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

(l) The policies referred to in Standard Endorsement 21.1 shall provide or contain an endorsement providing that:

(i) the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority, and

(ii) the protections afforded the Port Authority thereunder with respect to any claim or action against the Port Authority by the Permittee shall be the same as the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person as if the Port Authority were the named insured thereunder,

but such endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured.

(m) Without limiting the generality of the provisions of Standard Endorsement 23.1, the Permittee agrees that notwithstanding the sum stated to be the security deposit to be delivered to the Port Authority upon execution of this Permit, the security amount required hereunder shall at all times during the period of permission be an amount equal to at least three (3) months' Guaranteed Rent in cash or bonds (as described in said Standard Endorsement) or at least twelve (12) months' Guaranteed Rent in the form of a clean irrevocable letter of credit satisfactory to the Port Authority and, accordingly, such amount may change from time to time by notice to the Permittee during such period.

It shall be unnecessary to physically indicate the foregoing additions, deletions and substitutions on the foregoing Terms and Conditions and Standard Endorsements.

6. Without limiting the Permittee's indemnity obligations under this Permit, the Permittee's indemnity obligations hereunder shall extend to and include any claims and demands made by the Port Authority against the Airline pursuant to the provisions of the Airline Lease and

SPECIAL ENDORSEMENTS

any claims and demands made by the City of Newark against the Port Authority pursuant to or under the provisions of the agreement of lease between the City of Newark and the Port Authority covering the leasing of the Airport by the City to the Port Authority, as the same from time to time may have been or may be supplemented or amended.

7. (a) No greater rights are granted or intended to be granted to the Permittee hereunder than the Airline has the power to grant under the Airline Lease. Nothing herein contained shall be deemed to enlarge or otherwise change the rights granted to the Airline by the Airline Lease and all of the terms, provisions and conditions of the Airline Lease shall be and remain in full force and effect throughout the term of the Sublease and the effective period of the permission granted hereunder.

(b) Neither this Permit nor anything contained herein shall constitute or be deemed to constitute a consent to nor shall there be created an implication that there has been consent to any enlargement or change in the rights, powers and privileges granted to the Airline under the Airline Lease, nor consent to the granting or conferring of any rights, powers or privileges to the Permittee as may be provided under the Sublease if not granted to the Airline under the Airline Lease, unless specifically set forth in this Permit. The Sublease is an agreement between the Airline and the Permittee with respect to the various matters set forth therein. Neither this Permit nor anything contained herein shall constitute an agreement between the Port Authority and the Airline that the provisions of the Sublease shall apply and pertain as between the Airline and the Port Authority, it being understood that the terms, provisions, covenants, conditions and agreements of the Airline Lease shall, in all respects, be controlling, effective and determinative. The specific mention of or reference to the Port Authority in any part of the Sublease including, without limitation thereto, any mention of any consent or approval of the Port Authority now or hereafter to be obtained, shall not be or be deemed to create an inference that the Port Authority has granted its consent or approval thereto under this Permit or shall thereafter grant its consent or approval thereto, or that the Port Authority's discretion as to any such consents or approval shall in any way be affected or impaired. The lack of any specific reference in any provisions of the Sublease to Port Authority approval or consent shall not be deemed to imply that no such approval or consent is required and the Airline Lease and this Permit shall, in all respects, be controlling, effective and determinative.

(c) No provision of the Sublease including, but not limited to, those imposing obligations on the Permittee with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Sublease covering actions which shall or may be undertaken by the Permittee or the Airline including, but not limited to, construction of the Space, title to property and the right to perform services, be deemed to imply or infer that Port Authority consent or approval thereto will be given or that Port Authority discretion with respect thereto will in any way be affected or impaired. References in this paragraph to specific matters and provisions shall not be construed as

SPECIAL ENDORSEMENTS

indicating any limitation upon the rights of the Port Authority with respect to its discretion as to the granting or withholding of approvals or consents as to other matters and provisions in the Sublease which are not specifically referred to herein.

(d) It is hereby expressly understood that there are differences and inconsistencies between the Sublease, the Airline Lease and this Permit and that as to any such inconsistency or difference the terms of this Permit shall control. No changes or amendments to the Sublease nor any renewals or extensions thereof shall be binding or effective upon the Port Authority unless the same have been approved in advance by the Port Authority in writing. The Port Authority may at any time and from time to time by notice to the Permittee modify, withdraw or amend any approval, direction, or designation given hereunder or pursuant hereto to the Permittee.

(e) Notwithstanding any other provision of this Permit, this Permit and the privileges granted hereunder shall in any event expire, without notice to the Permittee, on the date of expiration or earlier termination of the Airline Lease or the Sublease, provided, however, that this shall not affect or impair the Port Authority's rights of revocation or termination as contained elsewhere in this Permit.

(f) Notwithstanding anything to the contrary stated in paragraph (f) of Special Endorsement No. 2 to this Permit or anything to the contrary stated in the Sublease, it is understood and agreed that with respect to any storage premises used, occupied or subleased by the Permittee arising out of, relating to, or in connection with the operations permitted hereunder (whether such storage premises use is described, referenced or acknowledged in the Sublease or in a separate written agreement), the Permittee shall pay to the Port Authority fifty percent (50%) of all rent payable under such storage arrangement and the remainder shall be paid by the Permittee to the Airline and, further, in accordance with Special Endorsement No. 2 (b) (iii).

(g) Notwithstanding anything to the contrary stated in the Sublease, the following shall apply and, as applicable, supercede the provisions of the Sublease:

(1) In the event the Sublease is assigned to and assumed by the Port Authority, references in the Sublease to the landlord being reasonable, not unreasonably withholding, delaying or conditioning its consent, and phrases or language of similar import shall not apply to the Port Authority which instead shall be held to the standard that the Port Authority shall not be arbitrary or capricious.

(2) In paragraph 27.29 of the Sublease, entitled "Airport Security", the words "elected officials" in the last sentence of the paragraph shall be deleted.

(3) The following shall not apply to or be of any force or effect as against the Port Authority in the event the Sublease is assigned to and assumed by the Port

SPECIAL ENDORSEMENTS

Authority: (i) the last sentence of Section 19.01(a) of the Sublease inasmuch as the Port Authority shall have no obligation to mitigate damages in the event of a default by the Permittee and (ii) in Section 19.01 (a)(i), the obligation to provide any written notice of a monetary default inasmuch as the Port Authority shall not be obligated to provide written notice of a monetary default under the Sublease or this Permit.

8. The Airline and the Port Authority shall both have the right by their officers, employees, agents, representatives and contractors at all reasonable times to enter upon the Space for the purpose of inspecting the same, for observing the performance by the Permittee of its obligations under this Permit and for the doing of any act or thing which the Airline or the Port Authority may be obligated or have the right to do under this Permit, the Airline Lease, the Sublease, or otherwise. Further the Airline shall have the right to enter upon the Space for the purpose of making repairs, alterations or replacements in or to any portion of the Terminal in accordance with the provisions of the Airline Lease.

9. The privilege granted hereunder is non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Terminal and/or Airport to another or others, whether by use of this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute or be construed to constitute a violation or breach of the permission herein granted.

10. No acceptance by the Port Authority of fees or other moneys for any period or periods after default by the Permittee under any of the terms or provisions of this Permit shall be deemed a waiver of any right on the part of the Port Authority to terminate or revoke this Permit nor shall any acceptance of an payment of fees, rents or other moneys in less than the required amount thereof be such a waiver. No waiver by the Port Authority of any default on the part of the Permittee in performing any of the terms or provisions of this Permit nor failure to take steps to rectify the same or terminate this Permit shall be or be construed a waiver by the Port Authority of any such or subsequent defaults in performance of any of the said terms or provisions of this Permit by the Permittee.

11. The effective date of this Permit is that date the Permittee commenced the activities permitted by this Permit. The Permittee in executing this Permit represents that the date stated as the "Effective Date" in Item 7 appearing on page 1 of this Permit is the date the Permittee commenced the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced such activities prior to said Effective Date, the effective date of this Permit shall be the date the Permittee commenced the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence on such date including, but not limited to, the Permittee's indemnity obligations and obligations to pay fees.

12. (a) Upon the execution of this Permit by the Permittee and delivery thereof to

SPECIAL ENDORSEMENTS

the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority, and payable in the Port of New York District in the amount of THREE HUNDRED FORTY SIX THOUSAND THREE HUNDRED SEVENTY FIVE DOLLARS AND NO CENTS (\$346,375.00). The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of permission under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent satisfactory letter of credit. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security hereunder. Failure to provide such a letter of credit at any time during the effective period of permission under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the security deposit, if any, theretofore made in accordance with the provisions of this Permit. The Permittee shall have the same rights to receive such deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter shall bring the letter of credit back up to its full amount. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed a waiver of any default by the Permittee under the terms of this Permit and all remedies of the Port Authority consequent upon such default shall not be affected by the existence of any recourse to any such letter of credit.

(b) The Permittee hereby certifies that its Federal Tax Identification Number for the purposes of this Special Endorsement is as follows:

Hudson-NEU-Newark C J.V.:
Hudson News Company : (Ex. 1)
Branded Works, Inc. :

SPECIAL ENDORSEMENTS

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, at its sole discretion, to adjust at any time and from time to time upon fifteen (15) days notice to the Permittee, the security deposit amount as set forth in paragraph (a) of this Special Endorsement. Not later than the effective date set forth in said notice the Permittee shall deposit with the Port Authority the new security deposit amount as set forth in and in such form as requested by said notice which new amount (including without limitation an amendment to or a replacement of the letter of credit) shall thereafter constitute the security deposit subject to said Special Endorsement.

13. Notwithstanding any provision to the contrary in this Permit, the two corporations comprising the joint venture known as Hudson-NEU-Newark C J.V., and said joint venture, shall be and be deemed to be jointly and severally liable for each and every obligation under this Permit.

14. The Port Authority shall have the right to separately revoke the permission granted hereunder without cause, on thirty (30) days' notice, as to any one or more of the concession Spaces and storage Spaces at the Terminal at which it has permission to operate, in which event the Permittee's obligations with respect to the remaining concession and storage Space shall remain in effect.

Section 3. Term

The term of the letting under this Agreement shall commence as of Date of Beneficial Occupancy and shall continue to and include eighty-four (84) months after the Rental Payment Start Date unless sooner terminated as provided herein. In the event that the Premises constitute more than one space to be operated under this Agreement, the term of this Agreement shall be determined based on eighty-four (84) months from the Rental Payment Start Date for the last of the spaces to be delivered, unless sooner terminated as provided herein (but in no event shall the term begin later than 90 days from the date the last space is delivered to Lessee for a retail concession space). Section 6. Obligations in Connection with any Percentage Rental

(a) If any rental hereunder is measured by a percentage of the Lessee's Gross Receipts, the Lessee shall:

(1) Take all reasonable measures in every proper manner to maintain, develop and increase the business conducted by it hereunder;

(2) Not divert or cause or allow to be diverted any business from the Terminal;

The Lessee's Records shall be kept at all times within the Port of New York District;

(4) Allow in ordinary business hours during the term of this Agreement, for one (1) year thereafter, and during such further period as is mentioned in the preceding subparagraph (3), above, the examination and audit by the officers, employees and representatives of the Port Authority of (i) the Lessee's Records and (ii) also any records and books of account of any Affiliate of the Lessee if said entity performs services, similar to those performed by the Lessee, anywhere in the Port of New York District. The Lessee shall make available to the Port Authority within the Port of New York District for examination and audit by the Port Authority pursuant to this paragraph those records and books of account described in (i) which are not required by subparagraph (3) above to be kept at all times in the Port of New York District and those records and books of account described in (ii) above (all of the foregoing being hereinafter called the "**Other Relevant Records**" and the Lessee's Records and the Other Relevant Records being hereinafter collectively referred to as the "**Records**");

(b) Without implying any limitation on the right of the Port Authority to terminate this Agreement for the breach of any term or condition thereof, the Lessee understands that compliance by the Lessee with the provisions of subparagraphs (3) and (4) of paragraph (a) above are of the utmost importance to the Port Authority in having entered into the Percentage Rental arrangement under this Agreement and in the event of the failure of the Lessee to maintain, keep within the Port of New York District or make available for examination and audit the Lessee's Records in the manner and at the times or location as provided in this Section then, in addition to all and without limiting any other rights and remedies of the Port Authority, the Port Authority may:

(1) Estimate the Gross Receipts of the Lessee on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Lessee and the Lessee's Percentage Rental based thereon to be payable to the Port Authority when billed; or

(2) If any such Records have been maintained outside of the Port of New York District, but within the Continental United States then the Port Authority in its sole discretion may (i) require such Records to be produced within the Port of New York District or (ii) examine such Records at the location at which they have been maintained and in such event the Lessee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit, or

(3) If any such Records have been maintained outside the continental United States then, in addition to the costs specified in subdivision (2)(ii) above, the Lessee shall pay to the Port Authority when billed all other costs of the examination and audit of such Records including without limitation salaries, benefits, travel costs and related expenses, overhead costs and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

(c) The foregoing auditing costs, expenses and amounts set forth in subparagraphs (2) and (3) of paragraph (b) above shall be deemed fees and charges under this Agreement payable to the Port Authority with the same force and effect as all other fees and charges thereunder.

(d) In the event that upon conducting an examination and audit as described in this Section the Port Authority determines that unpaid amounts are due to the Port Authority by the Lessee, the Lessee, shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount of five percent (5%) of each amount determined by the Port Authority audit findings to be unpaid. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefore by the Port Authority. Such service charge(s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Lessee under this Agreement or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge or late charges or other service charges payable under the provisions of this Section with respect to such unpaid amount. Each such service charge shall be and become additional rent, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the rental. Nothing in this paragraph is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Agreement, including, without limitation, the Port Authority's rights to terminate set forth in the Section of this Agreement entitled "Termination" or (ii) any obligations of the Lessee under this Agreement.

(a) The Lessee shall procure at its own cost and expense from all governmental authorities having jurisdiction over the operations of the Lessee at the Premises all licenses, certificates, permits or other authorization which may be necessary for the conduct of its operations, and shall maintain in full force and effect throughout the term hereof all the foregoing licenses, certificates, permits and authorizations.

(b) The Lessee shall pay all taxes, license, certification, permit and examination fees and excises which may be assessed, levied, exacted or imposed on its property or operation hereunder or on the Gross Receipts or income therefrom, and shall make all applications, reports and returns required in connection therewith.

(c) The Lessee shall promptly observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions, including without limitation all Environmental Requirements, which now or at any time during the term hereof may pertain or apply to the operations of the Lessee or the Premises or its occupancy thereof, and the Lessee shall, in accordance with and subject to the provisions of the Section of this Agreement entitled "*Construction by the Lessee*", make any and all structural and nonstructural improvements, alterations or repairs of the Premises that may be required at any time hereafter by any such present or future law, rule, regulation, requirement, order or direction. This paragraph (c) shall not require Lessee to make structural improvements, alterations, or repairs to the Premises which are also required to be made generally throughout the Terminal, unless the requirement to make such structural improvements, alterations, and repairs generally throughout the Terminal results from the particular operations of the Lessee in the Premises which are not common to other tenants at the Terminal.

(d) The obligation of the Lessee to comply with governmental requirements is provided herein for the purpose of assuring proper safeguards for the protection of persons and property on the Premises. Such provision is not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

Section 8. Rules and Regulations

The Lessee covenants and agrees to observe and obey (and to compel its officers, members, employees, agents, representatives, contractors, customers, guests, invitees and those doing business with it to observe and obey) the existing rules and regulations of the Port Authority for the government of the conduct and operations of the Lessee and others on the Premises (see **Exhibit R**), and such further reasonable rules and regulations as may from time to time during the letting be promulgated by the Port Authority for reasons of safety, health, preservation of property, noise, sanitation, good order, and the economic and efficient operation of the Airport. If a copy of **Exhibit R** is not attached, then the Port Authority will either deliver a copy thereof to Lessee upon receipt of its request therefor or will make a copy available at the office of the Secretary of the Port Authority. The obligation of the Lessee to require such observance and obedience on the part of its guests, invitees and business visitors shall obtain only while such persons are on the Premises.

The Port Authority agrees that, except in cases of emergency, it will give notice to the Lessee of every such further rule or regulation adopted by it at least ten (10) days before the Lessee shall be required to comply herewith.

Section 9. Various Obligations of the Lessee

(a) **Conduct of Operations.** The Lessee shall conduct its operations in an orderly and proper manner so as not to unreasonably annoy, disturb or be offensive to others at the Terminal. The Lessee shall take all reasonable measures to eliminate vibrations originating on the Premises tending to damage the Premises, or any equipment or structure or portion of the Terminal of which the Premises is a part, and to keep the sound level of its operations as low as possible. The Lessee shall use its best efforts to conduct all its operations at the Premises in a safe and careful manner, following in all respects the best practices of the Lessee's industry in the United States.

From time to time and as often as reasonably required by the Port Authority, the Lessee shall conduct pressure, water-flow, and other appropriate tests of the fire extinguishing system and apparatus, fire-alarm and smoke detection systems and any other fire protection systems which constitute a part of the Premises. The Lessee shall keep in proper functioning order all fire-fighting equipment, fire-alarm and smoke detection equipment on the Premises and the Lessee shall at all times maintain on the Premises adequate stocks of fresh, usable chemicals for use in such systems, equipment and apparatus. The Lessee shall notify the Port

(g) **Minimization of Pollution.** In addition to compliance by the Lessee with all laws, ordinances, governmental rules, regulations and orders now or at any time in effect during the term which as a matter of law are applicable to the operation, use or maintenance by the Lessee of the Premises or the operations of the Lessee under this Agreement (the foregoing not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them), the Lessee agrees that it shall exercise the highest degree of safety and care and shall conduct all its operations under this Agreement and shall operate and maintain the Premises and shall use the Premises in accordance with the highest standards and in such manner that there will be at all times a minimum of air pollution, water pollution or any other type of pollution and a minimum of noise emanating from, arising out of or resulting from the operation, use or maintenance of the Premises by the Lessee and from the operations of the Lessee under this Agreement. The Port Authority hereby reserves the right from time to time and at any time during the term of this Agreement to require the Lessee, and the Lessee agrees, to design and construct at its sole cost and expense such reasonable equipment, devices and other facilities as may be necessary or appropriate to accomplish the objectives as set forth in the first sentence of this paragraph. The manner, type and method of construction and the size and location of any of the foregoing shall be determined by the Port Authority. The Lessee shall submit for Port Authority approval its plans and specifications covering the required work and upon receiving such approval shall proceed diligently to construct the same. The obligations assumed by the Lessee under this paragraph shall not be relieved or diminished by the fact that the Port Authority shall have approved any construction application and supporting plans, specifications and contracts covering construction work, or that the Port Authority's recommendations or requirements have been incorporated therein. The Lessee's agreement to assume the obligations under this paragraph is a special inducement and consideration to the Port Authority in entering into this Agreement with the Lessee.

(h) Without limiting any other of the Lessee's obligations under this Agreement, the Lessee shall provide the General Manager of the Airport at the cost and expense of the Lessee with such information, documentation, records, correspondence, notices, reports, tests, results, and certifications and any other information as the Port Authority shall request in connection with any Environmental Requirements or Environmental Damages, and the Lessee shall promptly acknowledge, swear to, sign or otherwise fully execute the same. The Lessee agrees that any of the foregoing may be filed by the Port Authority with the appropriate governmental authority on behalf of the Lessee at the Lessee's cost and expense. Further, the Lessee agrees unless directed otherwise by the Port Authority, to provide the General Manager of the Airport with copies of all information, documentation, records, correspondence, notices, certifications, reports, test results and all other submissions provided by the Lessee to a governmental authority and by a governmental authority to the Lessee within two (2) business days that the same are made available to or received by the Lessee with respect to any Environmental Requirements.

(i) In addition to and without limiting the generality of the obligations of the Lessee set forth above and elsewhere in the Agreement, the Lessee shall at its sole cost and expense, upon notice from the Port Authority, promptly take all actions to completely remove and remediate all Hazardous Substances on the Premises or the Airport which result from the Lessee's use and occupancy of the Premises, or which have been disposed of, released, discharged or otherwise placed on, under or about the Premises by or on behalf of the Lessee or as a result of its acts or omissions, during the term of the letting hereunder, and to cleanup and remediate all other Hazardous Substances on, about or under the Premises or which have migrated from the Premises to any adjoining property, which any federal, state or local governmental agency or political subdivision or any Environmental Requirement or any violation thereof require to be remediated, and to cleanup and remediate all Hazardous Substances necessary to mitigate Environmental Damages.

If the ACDBE participant is an individual or the individual is the sole owner of Lessee, the participating ACDBE percentage, as so certified, shall not be less than one hundred percent (100%) at all times during the Term hereof. If the ACDBE participant is a member/partner of a partnership with Lessee or joint venturer of a joint venture with Lessee, the participating ACDBE percentage, as so certified, shall not be less than thirty percent (30%) at all times during the Term hereof. Any change in the ownership structure involving the certified ACDBE participant must be reported in writing to the Port Authority immediately and in no event later than 30 days following any such change in ACDBE ownership status.

The Lessee shall not (a) commit any nuisance on the Premises, or do or permit to be done anything which may result in the creation or commission of a nuisance on the Premises; (b) cause or produce or allow to be caused or produced upon the Premises, or to emanate therefrom, any obnoxious odors or smokes, or noxious gases or vapors; (c) use the Premises for lodgings or sleeping purposes or for any immoral purposes; (d) install window shades or venetian blinds on the windows of the Premises unless and until the type, size and color of same shall have been previously approved in writing by the Port Authority; (e) do or allow to be done anything which may interfere with the effectiveness or accessibility of existing and future utilities systems or portions thereof on the Premises or elsewhere at the Terminal, including therein without limitation thereto systems for the supply of heat, water hot and cold, gas, electricity and fuel and for the furnishing of fire-alarm, fire-protection, sprinkler, sewage, drainage, air-conditioning, telephone, telegraph, tele-register, pneumatic-tube dispatch and inter-communications services, including lines, pipes, mains, wires, conduits and equipment connected with or appurtenant to all such systems, nor do or permit to be done anything which may interfere with free access and passage in the Premises, elsewhere in the Terminal or in the streets and sidewalk adjacent to the Terminal; (f) do or allow to be done anything which may interfere with the effectiveness or accessibility of elevators at the Terminal, including lines, pipes, wires, conduits and equipment connected with or appurtenant thereto; (g) overload any floor in the Premises; (h) place any furniture, machine or equipment over any expansion or contraction joint unless one end of such furniture, machine or equipment is free to allow expansion or contraction; (i) place any additional lock of any kind upon any window or interior or exterior door in the Premises unless a key therefor is delivered to the Port Authority, nor make any change in any existing door or window lock or the mechanism thereof, except with the prior written approval of the Port Authority, and upon the expiration or sooner termination of the letting hereof, the Lessee shall surrender to the Port Authority any and all keys to interior and exterior doors on the Premises, whether said keys were furnished to or were otherwise procured by the Lessee, and in the event of the loss of any keys furnished by the Port Authority to the Lessee, the Lessee shall pay to the Port Authority on demand the cost of replacement thereof; (j) do or allow to be done any act or thing upon the Premises which (i) will invalidate or conflict with any fire insurance, extended coverage or rental insurance policies covering the Premises or any part thereof, or the Terminal, or any part thereof, or (ii) in the opinion of the Port Authority, may constitute an extra-hazardous condition, so as to increase the risks normally attendant upon the operations contemplated by the Section of this Agreement entitled "*Rights of Use by the Lessee*". The Lessee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the National Board of Fire Underwriters, the Fire Insurance Rating Organization of New Jersey, or of any other board or organization exercising or which may exercise similar functions, which may pertain or apply to the operations of the Lessee on the Premises, and the Lessee shall, subject to and in accordance with the provisions of the Section of this Agreement entitled "*Construction by the Lessee*", make any and all non-structural improvements, alterations or repairs of the Premises that may be required at any time hereafter by any such present or future rule, regulation, requirement, order or direction. If, by reason of any failure on the part of the Lessee to comply with the provisions of this subdivision, any fire insurance rate, extended coverage or rental insurance rate on the Premises or any part thereof, or on the Terminal or any part thereof, shall at any time be higher

than it otherwise would be, then the Lessee shall pay to the Port Authority as an item of additional rental, on demand, that part of all insurance premiums paid by the Port Authority which shall have been charged because of such violation or failure by the Lessee; (k) unless the Port Authority provides its prior written consent, install, maintain or operate, or permit the installation, maintenance or operation on the Premises of any vending machine or device designed to dispense or sell food, beverages, tobacco products or merchandise of any kind, whether or not included in the above categories, or of any restaurant, cafeteria, kitchen, stand or other establishment of any type for the preparation, dispensing or sale of food, beverage, tobacco or tobacco products, or of any telephone pay-stations.

Section 11. Care, Maintenance, Rebuilding and Repair by the Lessee

(a) **Damage or Destruction of Premises by Lessee.** The Lessee shall repair, replace, rebuild and paint all or any part of the Terminal and the Premises, including therein, without limitation thereto, walls, partitions, floors, ceilings, columns, windows, doors, glass of every kind, fixtures, systems for the supply of heat, water hot and cold, gas, electricity and fuel and for the furnishing of fire-alarm fire-protection, sprinkler, sewerage, drainage, air-conditioning, telephone, tele-register, pneumatic-tube dispatch and intercommunication services, including lines, pipes, mains, wires, conduits and equipment connected with or appurtenant to all such systems, which may be damaged or destroyed by the acts or omissions of the Lessee, its officers or employees or of other persons on or at the Premises with the Lessee's consent, and shall pay to the Port Authority on demand the costs and expenses of the Port Authority to repair, replace, rebuild and paint all or any part of the Terminal and the Premises which may be damaged or destroyed by the acts or omissions of the Lessee or of its officers or employees or of other persons on or at the Premises with the Lessee's consent. All non-structural repair, replacement, rebuilding and painting shall be made or done by the Lessee and structural repair, replacement and rebuilding may be made or done by the Port Authority.

(b) **Lessee's Other Repair and Maintenance Obligations.** Except as expressly provided to the contrary herein with respect to structural repairs, the Lessee shall, throughout the term of this Agreement, assume the entire responsibility and shall relieve the Port Authority from all responsibility for repair, rebuilding and maintenance whatsoever in the Premises, whether such repair, rebuilding or maintenance be ordinary or extraordinary, partial or entire, inside or outside, foreseen or unforeseen, and without limiting the generality of the foregoing, the Lessee shall:

(2) Take good care of the Premises, including therein, without limitation thereto, walls, partitions, floors, ceilings, columns, windows, doors, glass of every kind, fixtures and shall make or do all non-structural repairs, replacements, rebuilding and painting (the exterior of the Premises, if applicable, and areas visible to the general public to be painted only in colors which have been approved by the Port Authority) necessary to keep the Premises in the condition existing as of the commencement date of the letting and to keep all improvements and fixtures made or installed subsequent to the commencement date of the letting in the condition existing as of the date such improvements are made and such fixtures installed. All such repairs and replacements and other work to be done by the Lessee shall be done in quality and class not inferior to the original in materials and workmanship.

(3) Not lay any linoleum, asphalt tile or other such affixed floor covering in direct contact with the floor of the Premises. If the Lessee lays any linoleum, asphalt tile or other such affixed covering on the floor of the Premises, an interlining of builder's deadening felt shall first be affixed to the floor with water-soluble paste or other water-soluble material, the use of

cement or other adhesive non-soluble paste or other water-soluble material, the use of cement or other adhesive non-soluble in water being expressly prohibited.

(4) Maintain and pay the premiums on a policy of plate and mirror glass insurance covering all plate and mirror glass which is a part of or located on or in the Premises.

The provisions of this paragraph (b) shall not be deemed to require the Lessee to make or do any repairs, replacements, rebuilding or painting to any portion of the Terminal other than the Premises where such portion of the Terminal is damaged or destroyed by the acts or omissions of persons other than the Lessee, its officers, directors, members (in their capacity of the limited liability entity), managers (in their capacity as managers of, and if, Lessee is a limited liability entity), partners (if Lessee is a partnership), employees, agents, representatives or contractors.

(c) Port Authority Right to Perform at Lessee's Cost. In the event the Lessee fails to commence so to make or do non-structural repair, replacements, rebuilding or painting within a period of ten (10) days after notice from the Port Authority so to do or fails diligently to continue to completion the repair, replacement, rebuilding or painting of all the Premises required to be repaired, replaced, rebuilt or painted by the Lessee under the terms of this Agreement, the Port Authority may, at its option, and in addition to any other remedies which may be available to it, repair, replace, rebuild or paint all or any part of the Premises included in the said notice, the cost thereof to be paid by the Lessee on demand.

(d) Damage to or Destruction of the Premises. If the Premises or any part thereof shall be destroyed or damaged as a result of any casualty, without the fault of the Lessee, its officers, members, employees, agents, representatives, contractors, or other persons at the Premises with the consent of the Lessee, so as to render it untenable in whole or part, then:

(1) If in the opinion of the Port Authority the necessary repairs or rebuilding can be completed within ninety (90) days after the occurrence of the damage, the Port Authority shall repair or rebuild with due diligence, and the rental hereunder shall, if so provided in Item 1 of **Exhibit B**, be abated only for the period from the occurrence of the damage to the completion of the repairs or rebuilding, whether or not the work or repair or rebuilding is actually completed within the said ninety (90) days; or

(2) If in the opinion of the Port Authority such repairs or rebuilding cannot be completed within ninety (90) days after the occurrence of the damage or if the entire Premises require rebuilding, then the Port Authority shall have options:

(i) to proceed with due diligence to repair or to rebuild as necessary; or

(ii) to terminate the letting as to the damaged portion of the Premises only, or

(iii) to cancel this Agreement and terminate the letting as to the entire Premises; and the rental hereunder shall, if so provided in Item 1 of **Exhibit B**, be abated, either, as the case may require, for the period from the occurrence of the damage to the completion of repairs and rebuilding or for the period from the occurrence of the damage to the effective date of termination.

(e) Removal of Property and/or Debris. In the event of a partial or total destruction of the Premises, the Lessee shall immediately remove any and all of its property and/or debris from the Premises or the portion thereof destroyed and if the Lessee does not promptly so remove, the Port Authority may remove such property to a public warehouse for deposit or retain the same in its own possession and sell the same at public auction, the proceeds of which shall be applied

first to the expenses of removal, storage and sale, second to any sums owed by the Lessee to the Port Authority, with any balance remaining to be paid to the Lessee; if the expenses of such removal, storage and sale shall exceed the proceeds of sale, the Lessee shall pay such excess to the Port Authority upon demand.

(f) The parties hereby stipulate that if the Premises are in the State of New Jersey neither the provisions of Titles 46:8-6 and 46:8-7 of the Revised Statutes of New Jersey nor those of any other similar statute shall extend or apply to this Agreement.

Section 12. Indemnity; Liability Insurance

(a) (1) The Lessee shall indemnify and hold harmless the (i) Port Authority and its Commissioners, officers, agents and employees (individually and collectively, "**PA Indemnitees**") and (ii) Westfield Concession Management, LLC (or any concession manager at the Terminal as designated by the Port Authority, if any) and its officers, directors, agents, affiliates, parent corporations, employees, members (in their capacity of the limited liability entity) (individually and collectively, "**Concession Manager Indemnitees**") (PA Indemnitees and Concession Manager Indemnitees being collectively referred to as "**Protected Indemnitees**") from and against (and shall reimburse the Protected Indemnitees for the Protected Indemnitees' costs and expenses including, without limitation, legal expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death, for personal injuries, or for property damages, arising out of any default of the Lessee in performance or observance of any term or provision of this Agreement, or out of the use or occupancy of the Premises by the Lessee or by others with its consent, or out of any of the acts or omissions of the Lessee, its officers, directors, members (in their capacity of the limited liability entity), managers (in their capacity as managers of, and if, Lessee is a limited liability entity), partners (if Lessee is a partnership), employees, agents, representatives, contractors, subcontractors, customers, guests, invitees and other persons doing business with it where such acts or omissions are on the Premises or arising out of any acts or omissions of the Lessee, its officers, directors, members (in their capacity of the limited liability entity), managers (in their capacity as managers of, and if, Lessee is a limited liability entity), partners (if Lessee is a partnership), employees, agents, contractors, subcontractors and representatives where such acts or omissions are elsewhere at the Airport, including claims and demands of the City of Newark from which the Port Authority derives its rights in the Airport for indemnification arising by operation of law or through agreement of the Port Authority with said City.

(2) If so directed, the Lessee shall at its own expense defend any suit based upon any such claim or demand (even if such claim or demand is groundless, false or fraudulent), and in handling the same it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

(b) (1) In addition to the obligations set forth in paragraph (a) of this Section and all other insurance required under this Agreement, during the term of this Agreement, the Lessee, in its own name as insured and including the Protected Indemnitees as additional insureds, shall maintain a policy or policies of Commercial General Liability Insurance, including premises-operations and products-completed operations and covering bodily-injury liability, including death, and property damage liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage not less than the limits set forth in Item 2 of **Exhibit B** hereof. Further, the Lessee shall maintain Workers' Compensation and Employers Liability Insurance in accordance with applicable State law for those employees of the Lessee employed in operations conducted pursuant to this Agreement at or from the Airport.

(2) In the event the Lessee maintains the foregoing insurance in limits greater than set forth in Item 2 of Exhibit B hereof, the Protected Indemnitees shall be included therein as an additional insured to the full extent of all such insurance in accordance with all terms and provisions of this Agreement.

(3) Each policy of insurance, except for the Workers' Compensation and Employers Liability Insurance policies, shall also contain an ISO standard "separation of insureds" clause or a cross liability endorsement providing that the protections afforded the Lessee thereunder with respect to any claim or action against the Lessee by a third person shall pertain and apply with like effect with respect to any claim or action against the Lessee by the Port Authority Indemnitees or the Concession Manager Indemnitees and any claim or action against the Port Authority Indemnitees or Concession Manager Indemnitees, by the Lessee, as if the Port Authority Indemnitees or Concession Manager Indemnitees, as applicable, were the named insured thereunder, but such clause or endorsement shall not limit, vary, change or affect the protections afforded the Protected Indemnitees thereunder as additional insureds. Each policy of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Lessee under the provisions of this Agreement, including without limitation this Section.

(4) All insurance coverages and policies required under this paragraph (b) may be reviewed by the Port Authority for adequacy of terms, conditions and limits of coverage at any time and from time to time during the term of the letting under this Agreement. The Port Authority may, at any such time, require additions, deletions, amendments or modifications to the said insurance requirements, or may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem required and the Lessee shall promptly comply therewith.

(5) Each policy shall contain a provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' written advance notice thereof to the Port Authority. Each policy shall contain a provision or endorsement that the insurer "shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority." The foregoing provisions or endorsements shall be recited in each policy or certificate to be delivered pursuant to the following subparagraph (6).

(6) A certified copy of each policy or a certificate or certificates of insurance evidencing the existence thereof, or binders, shall be delivered to the Port Authority upon execution and delivery of this Agreement by the Lessee to the Port Authority, with a photocopy to be delivered to Westfield Concession Management, LLC (or any concession manager at the Terminal as designated by the Port Authority, if any). In the event any binder is delivered it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate of insurance. Any renewal policy shall be evidenced by a renewal certificate of insurance delivered to the Port Authority at least seven (7) days prior to the expiration of each expiring policy, except for any policy expiring after the date of expiration of this Agreement, with a photocopy to be delivered to Westfield Concession Management, LLC (or any concession manager at the Terminal as designated by the Port Authority, if any). The aforesaid insurance shall be written by a company or companies approved by the Port Authority. If at any time any insurance policy shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policy shall be or become unsatisfactory to the Port Authority, the Lessee shall promptly obtain a new and satisfactory policy in replacement. If the Port Authority at any time so requests, a certified copy of each policy shall be delivered to or made available for inspection by the Port Authority.

(7) The foregoing insurance requirements shall not in any way be construed as a limitation on the nature or extent of the contractual obligations assumed by the Lessee

under this Agreement. The foregoing insurance requirements shall not constitute a representation or warranty as to the adequacy of the required coverage to protect the Lessee with respect to the obligations imposed on the Lessee by this Agreement or any other agreement or by law.

(8) The Lessee shall include in each of its insurance policies covering loss, damage or destruction by fire or other casualty a waiver of the insurer's right of subrogation against the Port Authority or, if such waiver should be obtainable or unenforceable, (i) an express agreement that such policy shall not be invalidated if the insured waives before the casualty right of recovery against any party responsible for a casualty covered by such policies, or (ii) any other form of permission for the release of the Port Authority.

(9) The Lessee hereby releases the Protected Indemnitees with respect to any claim which it might otherwise have against any of them for loss, damage or destruction with respect to its property (including business interruption) occurring during the term of the letting under this Agreement and with respect and to the extent to which it is insured under a policy or policies containing a waiver of subrogation or permission to release liability as provided in subparagraph (8), above.

Section 13. Sales and Services by the Lessee

(a) A principal purpose of the Port Authority in entering into this Agreement is to have available for travelers and other users of the Terminal, all other members of the public, and persons employed at the Terminal, the merchandise and/or services which the Lessee is permitted to sell and/or render hereunder, all for the better accommodation, convenience and welfare of such individuals and in fulfillment of the Port Authority's obligations to operate facilities for the use and benefit of the public, and the Lessee agrees that it will conduct a first class operation and will furnish and install all necessary or proper equipment, fixtures, improvements (subject to the provisions of the Section of this Agreement entitled "*Construction by the Lessee*"), personnel, supplies, materials and other facilities and replacements therefor and all such fixtures and improvements (except trade fixtures removable without injury to the Premises) shall on installation become the property of the Port Authority and a part of the Premises, provided, however, that the Port Authority shall have the option, exercisable by notice delivered to the Lessee on or before a date sixty (60) days after expiration or termination hereof, to require the Lessee to remove any or all such fixtures, equipment and improvements and to restore the Premises to the condition thereof prior to any installation and in the event of a failure on the part of the Lessee so to remove and restore, the Port Authority may do so, and the Lessee shall pay the cost thereof to the Port Authority on demand. All equipment, fixtures and improvements to be used in the Premises and the installation thereof shall be subject to the prior written approval of the Port Authority as to type and quality. The Port Authority may by written authorization allow the Lessee to enter and occupy the Premises, prior to the commencement date of the letting stated or referred to in the Sections of this Agreement entitled "*Term*" and "*Letting Postponed*", respectively, solely for the purpose of installing fixtures and making improvements. In the event that the Lessee receives such written authorization the Lessee shall use and occupy the Premises in accordance with and shall be subject to all the provisions of this Agreement other than those relating to the conducting of a business and the payment of rental.

(b) The Lessee shall furnish good, prompt and efficient service hereunder, adequate to meet all demands therefor at the terminal; shall furnish said service on a fair, equal and non-discriminatory basis to all users thereof; and shall charge fair, reasonable and non-discriminatory prices for all items and/or services which it is permitted to sell and/or render hereunder.

(c) The Lessee shall comply with the Port Authority Aviation Department Street Pricing Policy. In connection therewith, the Lessee shall not charge prices to its customers in excess of "**Street Prices**", which for purposes of this Agreement is defined as follows:

(1) If the Lessee conducts a similar business to the business operation

permitted under this Agreement in off-Airport location(s) in the Greater New York City – Northern New Jersey Metropolitan Area (herein referred to as the “Metro Area”), “Street Prices” shall mean the average price regularly charged by the Lessee for the same or similar item in such Metro Area location;

(2) If the Lessee does not conduct a similar business to the business operation permitted under this Agreement in off-Airport location(s) in the Metro Area, “Street Prices” shall mean the average price regularly charged in the Metro Area by similar retailers for the same or similar item; and

(3) If neither the Lessee nor other similar retailers sell a particular item in the Metro Area, “Street Prices” shall mean the average price regularly charged by the Lessee or similar retailers for the same or similar item in any other geographic area, with a reasonable adjustment for any cost of living variance between such area and the Metro Area.

(4) If the Lessee is engaged in the business of selling duty-free goods, “Street Prices” shall mean the price regularly charged by the Lessee or similar retailer for the same or similar duty-free item at other urban airports in the Northeast region of the United States, including but not limited to John F. Kennedy International Airport, New York, New York.

For purposes of clarification, for purposes of this *Section 13(c)*, Metro Area shall have the same meaning as “Port of New York District”.

The Lessee’s breach of the aforesaid Street Pricing policy shall be deemed a material breach of the Lessee’s obligations under this Agreement.

(d) The Lessee shall post in each sales area (including any temporary sales space) a notice in form and substance satisfactory to the Port Authority notifying the public that the Lessee subscribes to a “Street Pricing Policy”, such notice to be clearly visible and unobstructed. If the Lessee charges any price to a customer in excess of the price which would satisfy the “Street Pricing Policy” in violation of its obligations under this Agreement, the amount of such excess shall constitute an overcharge which shall, upon demand by the Port Authority or the Lessee’s customer, be promptly refunded to the customer.

(e) The Lessee shall submit to the Port Authority from time to time (and not less than annually), a current pricing survey and report demonstrating compliance by the Lessee with the aforementioned pricing requirements. For purposes of establishing the Street Price of an item, any difference in the size or quality of a product or service shall constitute a price differential.

(f) The Lessee shall be open for and shall conduct business and furnish services seven (7) days a week, or for such other hours and days as the General Manager of the Airport, from time to time by notice to the Lessee, may determine in his/her sole and absolute discretion shall properly serve the needs of the public. Section 14. Signs

(a) Except with the prior written consent of the Port Authority, the Lessee shall not erect, maintain or display any signs or any advertising at or on the exterior parts of the Premises or in the Premises so as to be visible through the windows or exterior doors thereof. Interior and exterior signs affecting public safety and security shall be in accordance with established Port Authority standards.

(b) Upon the expiration or termination of the letting, the Lessee shall remove, obliterate or paint out, as the Port Authority may direct, any and all signs and advertising on the Premises or elsewhere at the Terminal if pertaining to the Lessee, and in connection therewith shall restore the Premises and the Terminal to the same condition as existing prior to the installation of any such signs or advertising. In the event that there is a failure by the Lessee so to remove, obliterate or paint out each and every sign or advertising and so to restore the Premises and the Terminal, the Port Authority may, at its option, perform the necessary work at the expense of the Lessee, and the charge therefor shall be paid by the Lessee to the Port Authority on demand.

Section 15. Services and Utilities

(a) General

(1) Except as provided in this Section, the Port Authority shall not be obligated to perform or furnish any services or utilities whatsoever in connection with this Agreement or the use and occupancy of the Premises. Further, the Lessee acknowledges and agrees that reference in this Section to services and utilities shall not include telephone or any form of data or information transmission service, which shall be the responsibility of Lessee to obtain at its sole cost and expense.

(2) The Port Authority's obligation to provide or continue any service or utility hereunder shall be limited by the safe and efficient operating capacity of the existing equipment, systems, piping systems, tie-ins, wires and conduits serving the Terminal and no approval given by the Port Authority to the erection by the Lessee of any improvement or to the installation of any fixtures or equipment shall be deemed to impose upon the Port Authority any obligation to increase the said operating capacity of any existing or presently contemplated equipment, systems, piping systems, tie-ins, wires or conduits.

(3) The Lessee understands that the Port Authority and the airline lessees (as defined in the Section of this Agreement entitled "*Definitions*") by its and their respective officers, employees, agents, representatives or contractors or by the furnishers of utilities or other services to the Premises or to others at the Airport shall have the right to temporarily discontinue the supply of any of the services described herein in order to allow repair, alterations, changes or improvements in the Premises or elsewhere at the Airport including all systems for the supply of services for the benefit of the Lessee or for the benefit of others than the Lessee at the Airport.

(4) The Port Authority shall be under no obligation to supply services if and to the extent and during any period that the supplying of any such service or the use of any component necessary therefor shall be prohibited or rationed by any federal, state or municipal law, rule, regulation, requirement, order or direction and if the Port Authority deems it in the public interest to comply therewith even though such law, rule, regulation, requirement, order or direction may not be mandatory on the Port Authority as a public agency. The Port Authority shall not be obligated to perform or furnish any service whatsoever in connection with the Premises at any time while the Lessee wastes any of the said services or shall be in default under this Agreement after the period, if any, herein granted to cure such default shall have expired, or has breached any of the provisions of this Agreement after the period, if any, herein granted to cure such default shall have

expired and the Port Authority may cease performance. If by operation of this Section any service for which the Lessee has agreed to pay a flat sum is discontinued for any period of the letting, the Lessee shall be relieved of its obligation to pay for such service for any such period or if any such service is supplied during fewer hours or in lesser amounts than agreed during any period of the letting, the Lessee shall be relieved proportionately of its obligation to pay for any such service for any such period.

(5) No failure, delay, interruption or curtailment in supplying agreed services (whether or not a separate charge is made therefor) shall be or be construed to be an eviction (actual or constructive) of the Lessee or grounds for any diminution or abatement of rental, or shall be grounds for any claims by the Lessee for damages, consequential or otherwise, against the Port Authority, or its officers, employees or agents. The Lessee shall not be entitled to receive any of the above services during any period during which the Lessee wastes any of the said services or is in default under any of the provisions of this Agreement.

(b) Electricity and Gas. The Lessee shall receive electricity and gas to the extent of the capability of existing or upgraded facilities, and the Lessee agrees to take electricity and gas, as follows.

(1) For use on and in the Premises, electricity and gas shall be provided to the Lessee either from the Port Authority, or the relevant airline lessee pursuant to the relevant Airline Leases, as the case may be. However, the Port Authority anticipates a modernization program to the facilities for electricity and gas. In connection with the modernization of the facilities, the Port Authority reserves the right to either check meter such utilities or arrange for the appropriate utility company to directly invoice the Lessee for such electricity and gas consumed by Lessee in the Premises, if that option becomes available with such modernization.

(2) The Lessee shall take electricity of the same voltage, phase and cycle as supplied by the public utility through existing wires, conduits and outlets at the Premises. The Lessee shall be solely responsible for transforming the electricity supplied to such voltage, phase and frequency as it desires, for the distribution and handling of such electricity within its Premises and for making all connections and tie-ins to the point or points in the Premises designated by the Port Authority or relevant airline lessee.

(c) Extermination Service. In the event the Port Authority shall provide extermination service for the enclosed areas of the Premises, the Lessee agrees to utilize the same and to pay its pro rata share of the cost thereof upon demand. This paragraph does not impose any obligation on the Port Authority to furnish such service. If the Port Authority does not provide such service, Lessee, at its sole cost and expense, shall, at such intervals as the Port Authority may require, contract directly with such service designated by the Port Authority that performs the service for the Port Authority in the Terminal in order to provide continuity and consistency in such service.

(d) High Temperature Water.

(1) For use on and in the Premises (as applicable), the Lessee shall be provided high temperature water at no additional charge from either the Port Authority, or the relevant airline lessee pursuant to the relevant Airlines Leases, as the case may be, and the Lessee shall take, as needed for Lessee's operations, the following: (i) high temperature water for heating purposes in reasonable quantities at a temperature of approximately 130 degrees F.; and (ii) high temperature water for domestic hot water purposes.

(2) The Lessee's obligation to distribute and handle the high temperature water provided hereunder within its Premises, and for making all connections and tie-ins to the point or points in the Premises designated by the Port Authority or the relevant airline lessee shall fully apply in the same way as it applies for electricity and gas, as hereinabove described.

(e) Chilled Water.

(1) For use on and in the Premises (as applicable), the Lessee shall be provided chilled water at no additional charge from either the Port Authority, or the relevant airline lessee pursuant to the relevant Airlines Leases, as the case may be, and the Lessee shall take, as needed for Lessee's operations, through existing pipes, mains and fittings, for the following purposes: (i) for air cooling purposes, at a temperature and with other characteristics as determined by the Port Authority; and (ii) for domestic cold water purposes only.

(2) The Lessee's obligation to distribute and handle the chilled water provided hereunder within its Premises, and for making a connections and tie-ins to the point or points in the Premises designated by the Port Authority or the relevant airline lessee shall fully apply in the same way as it applies for electricity and gas, as hereinabove described.

(3) Without limiting the generality of rights of entry upon the Premises elsewhere in this Agreement reserved to the Port Authority (or the relevant airline lessee, as the case may be, in accordance with the relevant Airline Lease), the Port Authority (and the relevant airline lessee, as the case may be, in accordance with the relevant Airline Lease) shall have, for itself, its officers, employees, agents, representatives, contractors and subcontractors, the right to enter upon the Premises at all times to construct, install, maintain, replace, repair or improve the air-cooling system or any part thereof. Such air-cooling shall be furnished subject to all the provisions of this Agreement (including the remaining provisions of this Section) and in accordance with the following:

(4) If the air-cooling on the Premises can be controlled by mechanisms within the Premises or portions thereof, the Lessee shall shut off the air-cooling before closing and leaving any particular portion of the Premises at any time for any period. The Port Authority shall have the right to enter the Premises for the purpose of observing the Lessee's compliance with the provisions hereof and the Port Authority may lock, seal or install any timing device on or in connection with any air-cooling control mechanism so as to provide that each portion of the Premises shall only be air-cooled during the hours and days stipulated hereunder.

(5) If the Lessee in accordance with this Agreement erects any partitions or makes any improvements, which partitions or improvements stop, hinder, obstruct or interfere with the cooling of the air or the heating of the Premises, then no such action by the Lessee shall impose any obligation on the Port Authority to install facilities, fixtures or equipment for air-cooling or for heating additional to those presently existing or presently contemplated or to increase the capacity or output of existing or presently contemplated facilities, equipment or fixtures and the Lessee shall not in any such event be relieved of any of its obligations hereunder because a comfortable temperature is not maintained. No approval given by the Port Authority to the erection of partitions or the making of any improvements shall be or be deemed to be a representation that the work approved of will not stop, hinder, obstruct or interfere with either the cooling of the air or the heating of the Premises or any portion thereof.

(6) The Lessee shall not waste or dissipate the air-cooling or heating service by any act or omission including but not limited to the permitting of outside doors or windows to remain open. Without otherwise affecting the Port Authority's rights or remedies in the event of any breach by the Lessee of its obligations under this subdivision, the Port Authority shall have the right to discontinue the said heating or air-cooling service during any period of such waste or dissipation and any failure of the Port Authority to supply any such service under such conditions shall not affect any of the Lessee's obligations under this Agreement. It is hereby understood further that the installation by the Lessee of any equipment which itself requires air-cooling or which requires additional quantities of air-cooling at the portion of the Premises where such equipment is installed, or the concentration in any portion of the Premises of such a number of people so as to require additional quantities of air-cooling, shall not impose any obligation on the Port Authority to increase the capacity or output of initially existing facilities, equipment or fixtures for the supply of chilled water and the Lessee shall not in any such event be relieved of any of its obligations hereunder.

(f) **Obligation to Maintain Systems.** Without limiting or affecting any other term or provision of this Agreement, the Lessee shall be solely responsible for the operation of all equipment, systems, piping systems, tie-ins, utilities, lines and connections, mechanical, electrical, communications and other systems operating or located in the Premises and shall do all preventative maintenance and make all repairs, replacements, rebuilding and painting necessary to keep such systems (whether same involves structural or non-structural work) in the condition they were in when made or installed except for reasonable wear which does not adversely affect the watertight condition or structural integrity of the Terminals or adversely affect the efficient or proper utilization or appearance of any part of the Premises. In the event the Lessee retains a maintenance contractor for such work it shall secure the Port Authority's prior approval for said proposed contractor. Notwithstanding the foregoing and without otherwise limiting the generality thereof, the Lessee's obligations hereunder shall extend to and include cleaning of the supply and exhaust louvers on the Premises. To the extent necessary for the Lessee to have the benefit of any warranties and guarantees under existing contracts covering items and systems identified in this paragraph in fulfilling its obligations hereunder and on condition that such contracts permit it and the Port Authority's interests are not adversely affected in any way and to any extent, the Port Authority shall enable the Lessee to have recourse to such warranties and guarantees.

(g) **Drainage and Exhaust.** Without in any way limiting the Lessee's other obligations under this Agreement, the Lessee shall supply, replace, install, repair, maintain and keep clean all grease traps in all drainage pipes exclusively used in operations at the Premises whether such pipes are located on the Premises or elsewhere at the Terminal. The Lessee shall also keep clean, repair and maintain (other than structurally) all kitchen exhaust ducts including the replacement of all filters where such ducts are exclusively used by it in such operations and whether such ducts are located on the Premises or elsewhere at the Terminal. As part of the Lessee's maintenance responsibilities, the hood and ventilation system servicing the Premises shall be cleaned and maintained, from inside the unit through the ductwork to the roof top fan, on a monthly basis and at the Lessee's sole cost and expense. Written documentation of this work shall be supplied to the Port Authority on or before the seventh (7th) day of each calendar month, relating to servicing during the preceding calendar month. In addition, should any corrective work be necessary for any portion of the hood and ventilation system, the Lessee shall be responsible for the immediate repair and costs therefor, whether such repair is required inside the unit or outside the unit.

(h) **Other Governmental Actions.** If any federal, state, municipal or other governmental body, authority or agency or any public utility assesses, levies, imposes, makes or increases any charge, fee or rent on the Port Authority for any service, system or utility now or in the future supplied to or available to the Premises or to any occupants or users thereof or to the structure or building of which the Premises form a part (including but not limited to any rent or charge for the use of the sewer systems), the Lessee shall, at the option of the Port Authority exercised at any time and from time to time by notice to the Lessee, pay in accordance with the said notice, such charge, fee or rent or increase thereof (or the portion thereof allocated by the Port Authority to the Premises or the operations therein) either directly to the governmental body, authority or agency or to the public utility or directly to the Port Authority or the airline lessee, as required.

(i) **Washrooms.** The Lessee shall be furnished, without additional charge, non-exclusive toilet and washroom facilities for the employees of the Lessee if toilet and washroom facilities are not a part of the Premises.

Section 16. Construction by the Lessee

(a) Except as hereinafter expressly provided, the Lessee shall not erect any structures, make any improvements or do any other construction work on the Premises or elsewhere at the Terminal, or alter, modify or make additions, improvements or repairs to or replacements of any structure now existing or built at any time during the letting, or install any fixtures (other than trade fixtures, removable without material injury to the freehold, any such damage to be immediately

repaired by the Lessee) without the prior written consent of the Port Authority. In the event any construction, improvement, alteration, modification, addition, repair or replacement is made without such written approval of the Port Authority, then, upon notice given at any time during the letting or within sixty (60) days after expiration or termination of the term of the letting, the Lessee will remove the same, or, at the option of the Port Authority, cause the same to be changed to the satisfaction of the Port Authority. In case of any failure on the part of the Lessee to comply with such notice, the Port Authority may effect the removal or change, and the Lessee shall pay the cost thereof to the Port Authority on demand.

(b) In the event that Item 4 of **Exhibit B** provides that the Lessee is required (or is permitted to) build a structure or make repairs, alterations, improvements or additions to the Premises, the structure, repairs, alterations improvements or additions described in the said Item 4 shall be built or made strictly in accordance with the following terms and conditions:

(1) The Lessee shall, to the extent allowed under the law, be the insurer of the Port Authority, its Commissioners, officers, agents and employees, against the following distinct and several risks, whether they arise from the acts or omissions of the Lessee, of the Port Authority, its Commissioners, officers, agents and employees or of third persons, or from acts of God or of the public enemy, or otherwise, excepting only risks which result solely from affirmative, willful acts done by the Port Authority subsequent to the commencement of the work of construction, repair, alteration, improvement or addition.

(i) The risk or loss or damage to all such required repairs, alterations, additions, improvements, or structures prior to the completion thereof. In the event of such loss or damage, the Lessee shall forthwith repair, replace and make good the work without cost to the Port Authority.

(ii) The risk of death, injury or damage, direct or consequential, to the Port Authority, its Commissioners, officers, agents and employees, and to its or their property, arising out of or in connection with the performance of the work. The Lessee shall indemnify the Port Authority, its Commissioners, officers, agents and employees, for all such deaths, injuries and damages, and for all loss suffered by reason thereof.

(iii) The risk of claims and demands, just or unjust, by third persons against the Port Authority, its Commissioners, officers, agents and employees, arising or alleged to arise out of the performance of the work. The Lessee shall indemnify the Port Authority, its Commissioners, officers, agents and employees against and from, and shall reimburse the Port Authority for, costs or expenses incurred by it in connection with the defense, settlement or satisfaction of all such claims and demands.

(2) All work done pursuant to this Section shall be done in accordance with drawings and specifications to be submitted to and approved by the Chief Engineer of the Port Authority prior to the commencement of the work, shall be done to his satisfaction and shall be subject to his inspection during the progress of such work and after completion thereof; and the Lessee shall re-do or replace at its own expense any work not approved by the said Chief Engineer. Unless otherwise expressly provided herein, all workmanship and materials are required to be first class.

(3) The Lessee shall pay all claims lawfully made against it by its contractors, subcontractors, materialmen and workmen and all claims lawfully made against it by other third persons arising out of or in connection with or because of the performance of the work and shall cause its contractors and subcontractors to pay all such claims lawfully made against them.

(4) The Lessee shall procure and maintain comprehensive public liability insurance, or, if the work is to be done by an independent contractor, the Lessee shall require

such contractor to procure and maintain such insurance in the name of the contractor, in either case, in limits not lower than those set forth for such categories of insurance in Item 5 of **Exhibit B**.

(5) As soon as such structure, repair, alteration, improvement or addition shall have been completed to the satisfaction of the Chief Engineer of Port Authority, then (subject to the provisions of the following subdivision (c)) title thereto shall immediately and without execution of any further instrument vest in the Port Authority, and every said structure and all such repairs, alterations, improvements or additions, shall thereupon become and thereafter be part of the Premises (said vesting of title does not apply to Lessee's movable trade fixtures and other items of Lessee's personal property).

(c) The Port Authority shall have the option, exercisable by notice delivered on or before a date sixty (60) days after expiration, cancellation or termination hereof, to require the Lessee to remove any or all such structures, alterations, improvements or additions, and to restore the Premises to the condition thereof prior to the construction or installation thereof. In the event of a failure on the part of the Lessee so to remove and restore, the Port Authority may do so, and the Lessee shall pay the cost thereof to the Port Authority on demand.

Section 17. Injury and Damage to Person or Property

The Port Authority shall not be liable to the Lessee, or to any person, for injury or death to any person or persons whomsoever, or damage to any property whatsoever at any time in the Premises or elsewhere in the Terminal, including but not limited to any such injury, death or damage from falling material, water, rain, hail, snow, gas, steam, and/or electricity, whether the same may leak into, or fall, issue, or flow from any part of the Terminal, or from any other place or quarter.

Section 18. Additional Rent and Charges

(a) If the Port Authority has paid any sum or sums or has incurred any obligation or expense (including, without limitation, payments to third persons and internal Port Authority costs and expenses) which the Lessee has agreed to pay or reimburse the Port Authority for, or if the Port Authority is required or elects to pay any sum or sums or incurs any obligation or expense (including, without limitation, payments to third persons and internal Port Authority costs and expenses) by reason of the failure, neglect or refusal of the Lessee to perform or fulfill any one or more of the conditions, covenants or agreements contained in this Agreement or as a result of an act or omission of the Lessee contrary to the said conditions, covenants and agreements, the Lessee agrees to pay the sum or sums so paid or the expense so incurred, including all interest, costs, damages and penalties, and the same may be added to any installment of rent thereafter due hereunder, and each and every part of the same shall and become additional rent, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the Basic Rental, or if there is no Basic Rental as a part of the Percentage Rental, all as set forth in the Section of this Agreement entitled "*Rental*".

(b) For all purposes under this Section and in any suit, action or proceeding of any kind between the parties hereto, any receipt showing any payment of sum or sums by the Port Authority for any work done or material furnished shall be prima facie evidence against the Lessee that the amount of such payment was necessary and reasonable. Should the Port Authority elect to use its own operating and maintenance staff in making any repairs, replacements and/or alterations and to charge the Lessee with the cost of same, any time report of any employee of the Port Authority showing hours of labor or work allocated to any such repair, replacement and/or alteration, or any stock requisition of the Port Authority showing the issuance of materials for use in the performance thereof, shall likewise be prima facie evidence against the Lessee that the amount of such charge was necessary and reasonable.

Section 19. Application of Payments; Accord and Satisfaction

All payments received by the Port Authority shall be credited and be deemed to be on account of the rentals and other charges then first due. No statements or endorsements on any check or any letter accompanying any check or payment of rentals or other charges shall be deemed an accord and satisfaction of any debt or obligation of the Lessee hereunder. The Port Authority reserves the right to accept any check or payment without prejudicing in any way the Port Authority's right to recover the balance of any and all rentals and other charges due from the Lessee after receipt of any such check or payment or to pursue any other remedy provided herein or by law.

Section 20. Rights of Entry Reserved

(a) The Port Authority by its officers, employees, agents, representatives and contractors shall have the right at all reasonable times to enter upon the Premises for the purpose of inspecting the same for observing the performance by the Lessee of its obligations under this Agreement, and for the doing of any act or thing which the Port Authority may be obligated or have the right to do under this Agreement or otherwise.

(b) Without limiting the generality of the foregoing, the Port Authority, by its officers, employees, representatives, and contractors, shall have the right, for the benefit of the Lessee or for the benefit of others at the Terminal, to maintain existing and future utilities systems or portions thereof on the Premises, including therein without limitation thereto systems for the supply of heat, water hot and cold, gas, electricity and fuel and for the furnishing of fire-protection, sprinkler, sewerage, drainage, air-conditioning, telephone, telegraph, tele-register, pneumatic-tube dispatch and intercommunication services, and to maintain elevator and escalator systems, including lines, pipes, mains, wires, conduits and equipment connected with or appurtenant to all such systems, and to enter upon the Premises at all reasonable times to make such repairs, alterations and replacements as may, in the opinion of the Port Authority, be deemed necessary or advisable and, from time to time, to construct or install over, in, under or through the Premises new lines, pipes, mains, wires, conduits and equipment; provided, however, that such repair, alteration, replacement or construction shall not unreasonably interfere with the use of the Premises by the Lessee.

(c) Nothing in this Section shall be or be deemed construed to impose upon the Port Authority any obligation to construct or maintain or to make repairs, replacements, alterations or additions, or shall create any liability for any failure so to do.

(d) At any time and from time to time during ordinary business hours within the six (6) months next preceding the expiration of the letting, the Port Authority, by its agents and employees, whether or not accompanied by prospective lessees, occupiers or users of the Premises, shall have the right to enter thereon for the purpose of exhibiting and viewing all parts of the same and during such six-month period for Port Authority may place and maintain on the Premises, the usual "To Let" signs, which signs the Lessee shall permit to remain without molestation.

(e) If, during the last month of the letting, the Lessee shall have removed all or substantially all the Lessee's property from the Premises, the Port Authority may immediately enter and alter, renovate and redecorate the Premises.

(f) The exercise of any or all of the foregoing rights by the Port Authority or others shall not be or be construed to be an eviction of the Lessee nor be made the grounds for any abatement of rental or any claim or demand for damages, consequential or otherwise.

Section 21. Condemnation

(a) In any action or proceeding instituted by any governmental agency or

agencies for the taking for a public use of any interest in all or any part of the Premises, the Lessee shall not be entitled to assert any claim to any award or part thereof made or to be made therein, or to institute any action or proceeding or to assert any claim against such agency or agencies or against the Port Authority, for or on account of any such taking, except the possible claim to an award for loss of fixtures furnished and installed by the Lessee (and for the purpose of such possible claim alone, title to such fixtures shall revert to the Lessee), it being understood and agreed between the Port Authority and the Lessee that, except for the possible claim to an award for loss of fixtures, the Port Authority shall be entitled to all the compensation or awards made or to be made or paid for any such taking, free of any claim or right of the Lessee.

(b) In the event of a taking of the entire Premises by any governmental agency or agencies, then this Agreement shall be cancelled and the letting shall, as of the date possession is taken from the Port Authority by such agency or agencies, cease and determine in the same manner and with the same effect as if the term of the letting had on that date expired.

(c) In the event of a taking by any governmental agency or agencies of a part of the Premises, then the letting as to such part only shall, as of the date possession thereof is taken from the Port Authority by such agency or agencies, cease and determine, and the rentals thereafter to be paid by the Lessee to the Port Authority shall, if so provided in Item 1 of **Exhibit B**, be abated from and after the date of such taking.

(d) Notwithstanding the provisions of this Section 21, the Lessee shall not be prevented thereby from making a possible claim against the condemning party for an award for moving expenses or for trade fixtures owned or installed by Lessee, if (i) such claim is then allowed by law, (ii) such claim is then allowed by the Port Authority's lease with the City of Newark, described in the Section of this Agreement entitled "*Basic Lease*", if applicable, and (iii) such award is made separately from the award to the Port Authority and will not reduce the amount thereof; this provision shall not be deemed a representation by the Port Authority of the validity or legality of any such claim.

Section 22. Assignment and Subleasing

(a) Definitions. The following terms shall have the respective meanings set forth below.

(1) "**Assignment**" shall mean any sale, conveyance, transfer, exchange, mortgage, assignment or other disposition of all or any portion of the Lessee's interest in this Agreement or the leasehold estate created hereby, whether directly or indirectly or by operation of law or otherwise.

(2) "**Sublease**" shall mean any sublease (including a sub-sublease or any further level of subletting) and any occupancy, license, franchise or concession agreement applicable to the Premises or any portion thereof.

(3) "**Transfer**" shall mean the transfer, sale, assignment, pledge, hypothecation or other disposition of any interest in the Lessee or in any direct or indirect constituent entity of the Lessee, where such disposition (whether by itself or cumulatively with other transactions) directly or indirectly produces any change in the direct or indirect Control (as defined in the definition of Affiliate) of the Lessee, and shall include but not be limited to (1) the sale, assignment, redemption or transfer of outstanding stock of or membership interest in, respectively, any corporation or any limited liability company that is the Lessee or that is the general partner of any partnership that is the Lessee, (2) the issuance of additional stock or membership interest in, respectively, any corporation or limited liability company that is the Lessee or that is the general partner of any partnership that is the Lessee, and (3) the sale;

assignment, redemption or transfer of any general or limited partner's interest in, or the admission of a new partner to, a partnership that is the Lessee or that is a general or limited partner of any partnership that is the Lessee.

(b) No Assignment, Transfer or Sublease without Consent. The Lessee shall not effect or permit any Assignment, Transfer or Sublease without the prior written consent of the Port Authority.

(c) Unauthorized Transactions Null and Void. Any Sublease, Assignment or Transfer, including without limitation any sale, assignment, transfer, mortgage, pledge, hypothecation, encumbrance or disposition of the Premises or of the rents, revenues or any other income from the Premises, or this Agreement or any part hereof, or any license or other interest of the Lessee herein not made in accordance with the provisions of this Agreement shall be null and void *ab initio* and of no force or effect.

(d) Port Authority's Right to Collect Rent. If without the prior written consent of the Port Authority, the Lessee effects any Assignment, Transfer or Sublease, or if the Premises are occupied by anybody other than the Lessee, the Port Authority may collect rent from any assignee, sublessee or anyone who claims a right under this Agreement or letting or who occupies the Premises, and the Port Authority shall apply the net amount collected to the rental herein reserved; but no such collection shall be deemed a waiver by the Port Authority of the covenants contained in paragraphs (a) and (b) of this Section or an acceptance by the Port Authority of any such assignee, sublessee, claimant or occupant as Lessee, nor a release of the Lessee by the Port Authority from the further performance by the Lessee of the covenants contained herein.

(e) Continuing Application of Consent Requirement. Any consent granted by the Port Authority to any Assignment, Transfer or Sublease pursuant to the provisions hereof shall not be construed or deemed to release, relieve or discharge the Lessee or any other person claiming any right, title or interest in this Agreement from the requirement of obtaining the prior written consent of the Port Authority with respect to any other Assignment, Transfer or Sublease.

(f) Use of Premises. The Lessee shall not use or permit any person to use the Premises or any portion thereof for any purpose other than the purposes stated in the Section hereof entitled "*Rights of Use by the Lessee*". Except as provided in this Agreement or otherwise permitted in writing by the Port Authority, the Lessee shall not permit the Premises to be used or occupied by any person other than its own officers, employees, contractors and representatives.

Section 23. Termination

(a) If any one or more of the following events of default shall occur, that is to say:

(1) The Lessee shall fail duly and punctually to pay the rentals or to make any other payment required hereunder when due to the Port Authority.

(2) The Lessee shall become insolvent, or shall take the benefit of any present or future insolvency statute, or shall make a general assignment for the benefit of creditors, or file a voluntary petition in bankruptcy or a petition or answer seeking an arrangement or its reorganization or the readjustment of its indebtedness under the federal bankruptcy laws or under any other law or statute of the United States or of any State thereof, or consent to the appointment of a receiver, trustee, or liquidator of all or substantially all its property; or

(3) By order or decree of a court the Lessee shall be adjudged bankrupt or an order shall be made approving a petition filed by any of the creditors or, if the Lessee is a

corporation, by any of the stockholders of the Lessee, seeking its reorganization or the readjustment of its indebtedness under the federal bankruptcy laws or under any law or statute of the United States or of any State thereof; or

(4) A petition under any part of the federal bankruptcy laws or an action under any present or future insolvency law or statute shall be filed against the Lessee and shall not be dismissed within thirty (30) days after the filing thereof; or

(5) The letting hereunder or the interest or estate of the Lessee under this Agreement shall be transferred to, pass to or devolve upon, by operation of law or otherwise, any other person, firm or corporation; or

(6) The Lessee, if a corporation, shall, without the prior written approval of the Port Authority, become a possessor or merged corporation in a merger, a constituent corporation in a consolidation, or a corporation in dissolution; or

(7) The Lessee is, or the Lessees collectively are doing business as, or constitute a co-partnership, and the said co-partnership shall be dissolved as the result of any act or omission of its co-partners or any of them, or by operation of law or the order or decree of any court having jurisdiction, or for any other reason whatsoever; or

(8) By or pursuant to, or under authority of any legislative act, resolution or rule, or any order or decree of any court or governmental board, agency or officer having jurisdiction, a receiver, trustee, or liquidator shall take possession or control of all or substantially all of the property of the Lessee, and such possession or control shall continue in effect for a period of fifteen (15) days; or

(9) Any type of strike or other labor activity is directed against the Lessee at the Terminal resulting in picketing or boycott for a period of at least forty-eight (48) hours which, in the opinion of the Port Authority, adversely affects or is likely adversely to affect the operation of the Terminal or the operations of other Lessees or licensees thereat, whether or not the same is due to the fault of the Lessee, and whether caused by the employees of the Lessee or by others; or

(10) Any lien is filed against the Premises because of any act or omission of the Lessee and is not removed within ten (10) days; or

(11) The Lessee shall voluntarily abandon, desert, vacate or discontinue its operations in the Premises; or

(12) The Lessee shall fail to keep, perform and observe each and every other promise, covenant and agreement set forth in this Agreement on its part to be kept, performed or observed, within ten (10) days after receipt of notice of default thereunder from the Port Authority (except where fulfillment of its obligation requires activity over a period of time, and the Lessee shall have commenced to perform whatever may be required for fulfillment within ten (10) days after receipt of notice and continues such performance without interruption except for causes beyond its control);

then upon the occurrence of any such event or at any time thereafter the continuance thereof, the Port Authority may by five (5) days' notice terminate the letting and the rights of the Lessee hereunder, such termination to be effective upon the date specified in such notice. Such right of termination and the exercise thereof may be and operate as a conditional limitation.

(b) If any of the events enumerated in subdivision (a) of this Section shall occur prior to the letting, the Lessee shall not be entitled to enter into possession of the Premises and the

Port Authority upon the occurrence of any such event or at any time thereafter during the continuance thereof by twenty-four hours' notice may cancel the interest of the Lessee under this Agreement, such cancellation to be effective upon the date specified in such notice.

(c) No acceptance by the Port Authority of rentals, fees, charges or other payments in whole or in part for any period or periods after or during the continuance of a breach or default of any of the terms, covenants and conditions to be performed, kept or observed by the Lessee shall be deemed a waiver of any right on the part of the Port Authority to terminate the letting, nor shall the same constitute a waiver of any such breach or default.

(d) No waiver by the Port Authority of any breach or default on the part of the Lessee in performance of any of the terms, covenants or conditions hereof to be performed, kept or observed by the Lessee shall be or be construed to be a waiver by the Port Authority of any other or subsequent default in performance of any of the said terms, covenants and conditions. No failure by the Port Authority to insist upon the strict performance of terms, covenants or conditions of this Agreement or to exercise any right or remedy consequent upon a breach or default thereof, and no extension, supplement or amendment of this Agreement during or after a breach thereof, unless expressly stated to be a waiver, shall constitute a waiver of any such breach or default of the said terms, covenants or conditions. No terms, covenant or condition of this Agreement to be performed or complied with by the Lessee, and no breach or default thereof, shall be waived, altered or modified except by a written instrument executed by the Port Authority.

(e) The rights of termination described above shall be in addition to any other rights of termination provided in this Agreement and in addition to any rights and remedies that the Port Authority would have at law or in equity consequent upon any breach of this Agreement by the Lessee, and the exercise by the Port Authority of any right of termination shall be without prejudice to any other such rights and remedies. The Lessee particularly acknowledges that as part of said equitable rights and remedies the Port Authority shall be entitled to restrain by injunction any violation or attempted or threatened violation of any covenants, conditions or other provisions of this Agreement.

Section 24. Right of Re-entry

The Port Authority shall, as an additional remedy upon the giving of a notice of termination as provided in the Section of this Agreement entitled "*Termination*", have the right to re-enter the Premises and every part thereof upon the effective date of termination without further notice of any kind, and may regain and resume possession either with or without the institution of summary or any other legal proceedings or otherwise. Such re-entry, or regaining or resumption of possession, however, shall not in any manner affect, alter or diminish any of the obligations of the Lessee under this Agreement, and shall in no event constitute an acceptance of surrender.

Section 25. Waiver of Redemption

The Lessee hereby waives any and all rights to recover or regain possession of the Premises and all rights of redemption, granted by or under any present or future law in the event it is evicted or dispossessed for any cause, or in the event the Port Authority obtains possession of the Premises in any lawful manner.

Section 26. Survival of the Obligations of the Lessee

(a) In the event that the letting shall have been terminated in accordance with a notice of termination as provided in the Section of this Agreement entitled "*Termination*", or the interest of the Lessee cancelled pursuant thereto, or in the event that the Port Authority has re-entered, regained or resumed possession of the Premises in accordance with the provisions of the Section of

this Agreement entitled "*Right of Re-entry*", all the obligations of the Lessee under this Agreement shall survive such termination or cancellation, re-entry, regaining or resumption of possession and shall remain in full force and effect for the full term of this Agreement, and the amount or amounts of damages or deficiency shall become due and payable to the Port Authority to the same extent, at the same time or times and in the same manner as if no termination, cancellation, re-entry, regaining or resumption of possession had taken place. The Port Authority may maintain separate actions each month to recover the damage or deficiency then due or at its option and at any time may sue to recover the full deficiency less the proper discount, for the entire unexpired term.

(b) The amount of damages for the period of time subsequent to termination or cancellation (or re-entry, regaining or resumption of possession) shall be the sum of the following:

(1) on account of the Lessee's basic rental obligation, the amount of the total of all annual basic rentals, less the installments thereof payable prior to the effective date of termination except that the credit to be allowed for the installment payable on the first day of the month in which the termination is effective shall be prorated for the part of the month the letting remains in effect, on the basis of a 30-day month;

(2) on account of the Lessee's percentage rental obligation in the event that a basic rental is also reserved under this Agreement, an amount equal to the percentage stated in Item 1 of **Exhibit B** applied to the amount of Gross Receipts in excess of the annual exemption amount or amounts, which Gross Receipts would have been received by the Lessee during the balance of the term if there had been no termination or cancellation (or re-entry, regaining or resumption of possession), and for the purpose of calculation hereunder (i) the said amount of Gross Receipts shall be derived by multiplying the number of days in the balance of the term originally fixed, by the Lessee's average daily Gross Receipts; (ii) the average daily Gross Receipts shall be the total actual Gross Receipts of the Lessee during that part of the effective period of the letting (including all annual periods falling within the effective period) in which the abatement was in effect, divided by the number of days included in such part of the effective period; (iii) the annual exemption amount for any period of less than a year shall be the product of the original annual exemption amount multiplied by a fraction, the numerator of which shall be the number of days from the effective date of termination to the end of the annual period and the denominator shall be 365;

(3) on account of the Lessee's percentage rental obligation in the event that no basic rental is reserved under this Agreement, an amount equal to the percentage stated in Item 1 of **Exhibit B** applied to the amount of Gross Receipts which would have been received by the Lessee during the balance of the term if there had been no termination or cancellation (or re-entry, regaining or resumption of possession), and for the purpose of calculation hereunder (i) the said amount of Gross Receipts shall be derived by multiplying the number of days in the balance of the term originally fixed, by the Lessee's average daily Gross Receipts; and (ii) the average daily Gross Receipts shall be the total actual Gross Receipts of the Lessee during that part of the effective period of the letting (including all annual periods falling within the effective period) divided by the number of days included in such part of the effective period;

(4) the amount of all other unfulfilled monetary obligations of the Lessee under this Agreement, including without limitation thereto, all sums constituting additional rental hereunder and the cost to and expenses of the Port Authority for fulfilling all other obligations of the Lessee which would have accrued or matured during the balance of the term on the expiration date originally fixed or within a stated time after expiration or termination; and

(5) an amount equal to the cost to and the expenses of the Port Authority in connection with the termination, cancellation, regaining possession and restoring (on failure of the Lessee to restore) and reletting the Premises, the Port Authority's legal expenses (including but not limited to the cost to the Port Authority of in-house legal services) and costs, and the Port Authority's

costs and expenses for the care and maintenance of the Premises during any period of vacancy, and any brokerage fees and commissions in connection with any reletting.

(c) It is understood and agreed that the statement of damages under the preceding subdivision (b) shall not affect or be construed to affect the Port Authority's right to damages in the event of termination or cancellation (or re-entry, regaining or resumption of possession) where the Lessee has not received any actual Gross Receipts under this Agreement.

Section 27. Reletting by the Port Authority

The Port Authority, upon termination or cancellation pursuant to the provisions of the Section of this Agreement entitled "*Termination*", or upon any re-entry, regaining, or resumption of possession pursuant to the provisions of the Section of this Agreement entitled "*Right of Re-entry*", may occupy the Premises or may relet the Premises, and shall have the right to permit any person, firm or corporation to enter upon the Premises and use the same. Such reletting may be of part only of the Premises, or of the Premises, or a part thereof together with other space, and for a period of time the same as or different from the balance of the term hereunder remaining, and on terms and conditions the same as or different from those set forth in this Agreement. The Port Authority shall also, upon termination or cancellation pursuant to the provisions of the Section of this Agreement entitled "*Termination*", or upon its re-entry, regaining or resumption of possession pursuant to the provisions of the Section of this Agreement entitled "*Right of Re-entry*", have the right to repair or to make structural or other changes in the Premises, including changes which alter the character of the Premises and the suitability thereof for the purposes of the Lessee under this Agreement, without affecting, altering or diminishing the obligations of the Lessee hereunder. In the event either of any reletting or of any actual use and occupancy by the Port Authority (the mere right to use and occupy not being sufficient however) there shall be credited to the account of the Lessee against its survived obligations hereunder any net amount remaining after deducting from the amount actually received from any lessee, licensee, permittee or other occupier in connection with the use of the said Premises or portion thereof during the balance of the letting as the same is originally stated in this Agreement, or from the market value of the occupancy of such portion of the Premises as the Port Authority may during such period actually use and occupy, all expenses, costs, and disbursements incurred or paid by the Port Authority in connection therewith. No such reletting shall be or be construed to be an acceptance of surrender.

Section 28. Thirty Day Termination

(a) The Port Authority shall have the right to terminate this Agreement and the letting hereunder, without cause, at any time, on thirty (30) days' notice to the Lessee. In the event of termination pursuant to this Section, this Agreement and the letting hereunder shall cease and expire as if the effective date of termination stated in the notice were the date originally stated herein for the expiration of this Agreement.

(b) The Lessee is obligated by this Agreement to furnish and install all fixtures and equipment and make all improvements in the Premises, necessary or proper for its operations hereunder. In the event of termination by the Port Authority under this Section, the Port Authority shall pay the Lessee a pro rata share of the Lessee's cost in supplying and installing such fixtures and equipment and making all such improvements excluding any replacements thereof. The cost and the pro rata share thereof shall be ascertained as stated in Item 6 of **Exhibit B**; provided, however, that tender of payment of said prorated cost by the Port Authority to the Lessee shall not be prerequisite to the exercise of the right of termination under this Section. On the payment by the Port Authority of said prorated cost and any interest due thereon, all fixtures, equipment and improvements including replacements furnished by the Lessee in the Premises and all interest of the Lessee therein which have not already become the property of the Port Authority shall be and become the property of the Port Authority and the Lessee shall execute any and all instruments necessary to transfer title to any such

interest; provided, however, that the Port Authority may by notice relinquish its right to any such fixtures, equipment or improvements and the provisions of the Sections of this Agreement "*Sales and Services by the Lessee*" and "*Surrender*", respectively.

Section 29. Remedies to Be Non-exclusive

All remedies provided in this Agreement shall be deemed cumulative and additional and not in lieu of or exclusive of each other or of any other remedy available to the Port Authority at law or in equity, and the exercise of any remedy, or the existence herein of other remedies or indemnities shall not prevent the exercise of any other remedy.

Section 30. Surrender

(a) The Lessee covenants and agrees to yield and deliver peaceably to the Port Authority possession of the Premises on the date of the cessation of the letting, whether such cessation be by termination, expiration or otherwise, promptly and in good condition, and all of the Premises shall be free and clear of all liens, encumbrances, and security interests and of any rights of any sublessees or other occupants of the Premises.

(b) Subject to the provisions of the Sections of this Agreement entitled "*Sales and Services by the Lessee*" and "*Thirty Day Termination*", respectively, the Lessee shall have the right at any time during the letting to remove its equipment, inventories, removable fixtures and other personal property from the Premises. If the Lessee shall fail to remove its property on or before the termination or expiration of the letting, the Port Authority may remove such property to a public warehouse for deposit or retain the same in its own possession, and sell the same at public auction, the proceeds of which shall be applied first to the expenses of removal, storage and sale, second to any sums owed by the Lessee to the Port Authority, with any balance remaining to be paid to the Lessee; if the expenses of such removal, storage and sale shall exceed the proceeds of sale, the Lessee shall pay such excess to the Port Authority upon demand.

Section 31. Acceptance of Surrender of Lease

No agreement of surrender or to accept a surrender shall be valid unless and until the same shall have been reduced to writing and signed by the duly authorized representatives of the Port Authority and of the Lessee. Except as expressly provided in this Section, neither the doing of, nor any omission to do, any act or thing, by any of the officers, agents or employees of the Port Authority, shall be deemed an acceptance of a surrender of the letting or of this Agreement.

Section 32. Requirement of Security Deposit

(a) Upon the execution of this Agreement by the Lessee and delivery thereof to the Port Authority, the Lessee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Lessee, all of the terms, provisions, covenants and conditions of this Agreement on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority, and payable in the Port of New York District in the amount of Five Hundred Fifty Thousand Dollars and No Cents (\$550,000.00). The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission under this Agreement and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking

institution that the issuance of said clean, irrevocable letter of credit is an appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Lessee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security. Failure to provide such a letter of credit at any time during the effective period of the permission, under this Agreement, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit shall be deemed to be a breach of this Agreement on the part of the Lessee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Lessee made thereafter, the Port Authority will return the security deposit, if any, theretofore made. The Lessee shall have the same rights to receive such deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the permission under this Agreement and fulfillment of the obligations of the Lessee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Lessee on demand of the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to be a waiver of any default by the Lessee under the terms of this Agreement and all remedies of the Lessee and of the Port Authority consequent upon such default shall not be affected by the existence of a recourse to any such letter of credit.

(b) For purposes of the provisions set forth in this Section, the Lessee hereby certifies that the I.R.S. Employer Identification No. for: (i) AMS-BW Newark JV is (Ex. 1) (ii) Airport Management Services, LLC is (Ex. 1) , and (iii) Branded Works, Inc is (Ex. 1)

(c) Unless Item 7 of **Exhibit B** indicates that no performance bond is required, the Lessee shall furnish and pay the premium for a bond in the sum stated in the said Item 7, conditioned upon the full, faithful and prompt performance of and compliance with, on the part of the Lessee, all the covenants, terms and conditions of this Agreement on its part to be fulfilled, kept, performed and observed. The bond so furnished shall be in the form attached hereto, hereby made a part hereof and marked **Exhibit U**, and shall be effective throughout the performance of Lessee's Work for the Premises and through the later of either (i) a period of six (6) months following the completion of all punch list items issued by the Port Authority or (ii) the opening of the Premises for business to the public. Further, such bond shall be made either by a surety company or companies qualified to carry on a surety business in the State of New Jersey if the Premises are in New Jersey or in the State of New York if the Premises are in New York, and satisfactory to the Port Authority or by an individual or individuals satisfactory to the Port Authority.

Section 33. Brokerage

The Lessee represents and warrants that no broker has been concerned in the negotiation of this Agreement and that there is no broker who is or may be entitled to be paid a commission in connection therewith. The Lessee shall indemnify and save harmless the Port Authority of and from any claim for commission or brokerage made by any and all persons, firms or corporations whatsoever for services in connection with the negotiation and execution of this Agreement.

Section 34. Limitation of Rights and Privileges Granted

No greater rights or privileges with respect to the use of the Premises or any part thereof or with respect to the Terminal are granted or intended to be granted to the Lessee by this Agreement, or by any provision thereof, than the rights and privileges expressly granted hereby.

Section 35. Letting Postponed

The Lessee recognizes that, at the time of execution of this Agreement, the Premises may be occupied by another or may be under construction, alteration or improvement by the Port Authority or that the Port Authority may intend to do or make such construction, alteration or improvement and that as a result the Premises may not be ready for occupancy on the commencement date stated in the Section of this Agreement entitled "Term". In the event that the Premises are not ready for occupancy on said commencement date, the term of the letting under this Agreement shall commence on a date designated by the Port Authority on ten (10) days' notice to the Lessee, but not later than the date stated in Item 8 of **Exhibit B**; and, in the event that the commencement date shall be postponed hereunder, then the expiration date as stated in said Section shall also be postponed by a period of time equivalent to the period intervening between the commencement date stated in said Section and the actual commencement date as designated pursuant to this Section. In the event that the Premises are not ready for occupancy on or before the date stated in Item 8 of **Exhibit B**, then this Agreement shall be cancelled and each party shall release and does hereby release the other party of and from any and all claims or demands based on this Agreement or any breach or alleged breach thereof. Nothing contained in this Section shall impose or shall be construed to impose on the Port Authority any obligation to perform construction or make alterations or improvements.

Section 36. Changes in the Terminal

The Port Authority shall have the right at any time and from time to time prior to and during the letting, in the interest of the efficient operation of the Terminal, to close, move or alter any common way in the Terminal, including but not limited to entrances, exits, passages, halls, corridors, aisles, stairways, elevators or escalators, or to restrict or change the traffic on or through any such common way; and no such action by the Port Authority shall release the Lessee from any of its obligations under this Agreement.

Section 37. Notices

(a) Except where expressly required or permitted herein to be oral, all notices, directions, requests, consents and approvals required to be given to or by either party shall be in writing, and all such notices and requests shall be (i) personally delivered to the duly designated officer or representative of such party or delivered to the office of such officer or representative during regular business hours, or (ii) forwarded to him or to the party at such address by certified or registered United States mail, postage prepaid, return receipt requested, or (iii) forwarded to him or to the party at such address by expedited prepaid delivery service, either commercial or United States Postal Service, with proof of delivery or attempted delivery required in the case of (i), (ii) or (iii) above. Said designated officer or representative of the Port Authority and the Lessee and their respective officers shall be as set forth in this Agreement.

(b) The Lessee shall from time to time designate in writing an office within the Port of New York District and an officer or representative whose regular place of business is at such office upon whom notices and requests may be served. Until further notice, the Lessee designates its representative named on the first page of this Agreement as its representative upon whom notices and requests may be served and its address given on the first page of this Agreement as its office where notices and request may be served. The Port Authority hereby designates its Executive Director, as its representative upon whom notices and requests may be served, and its office at 225 Park Avenue South, New York, New York 10003.

(c) A notice shall be deemed to have been given: in the case of hand delivery, at the time of delivery or refusal to accept delivery; in the case of registered or certified mail or expedited prepaid delivery, upon delivery or refusal to accept delivery; or in the event of failure to

delivery by reason of changed address of which no notice was given or refusal to accept delivery, as of the date of such failure or refusal. A party receiving a notice which does not comply with the technical requirements for notice under this Section may elect to waive any deficiencies and treat the notice as having been properly given.

(d) Wherever a notice or request is required to be given by the Lessee to the Port Authority pursuant to this Agreement, a copy of such notice or request shall also be given simultaneously by the Lessee to Westfield Concession Management, LLC (or any successor concession manager thereto designated by the Port Authority, if any), in accordance with the requirements of this Section, to the following address:

Section 39. Quiet Enjoyment

The Port Authority covenants and agrees that as long as the Port Authority remains the lessee (if the Premises are located in the City of Newark) or the owner (if the Premises are located in the City of Elizabeth) of the Terminal, the Lessee, upon paying all rentals hereunder and performing all the covenants, conditions and provisions of this Agreement on its part to be performed, shall and may peaceably and quietly have, hold and enjoy the Premises free of any act or acts of the Port Authority except as expressly permitted in this Agreement.

Section 40. Headings

The section headings and the paragraph headings, if any, are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope or intent of any provision hereof.

Section 41. Construction and Application of Terms

(a) Wherever in this Agreement a third person singular neuter pronoun or adjective is used, referring to the Lessee, the same shall be taken and understood to refer to the Lessee, regardless of the actual gender or number thereof.

(b) Whenever in this Agreement the Lessee is placed under an obligation or covenants to do or to refrain from or is prohibited from doing, or is entitled or privileged to do, any act or thing, the following shall apply:

(1) If the Lessee is a corporation, its obligations shall be performed or its rights or privileges shall be exercised only by its officers and employees; or

(2) If the Lessee is an unincorporated association or a business or "Massachusetts" trust, the obligation shall be that of its members or trustees, as well as of itself, and shall be performed only by its members or trustees, and officers and employees, and the rights or privileges shall be exercised only by its members or trustees, and its officers and employees; or

(3) If the Lessee is a co-partnership, the obligation shall be that of its partners and shall be performed only by its partners and employees and the rights or privileges shall be exercised only by its partners and employees; or

(4) If the Lessee is an individual, the obligations shall be that of himself (or herself) and shall be performed only by himself (or herself) and his (or her) employees and the rights or privileges shall be exercised only by himself (or herself) and his (or her) employees; or

(5) if the Lessee is a limited liability company, by the Lessee acting only through the medium of its members, managers, and employees.

(c) None of the privileges of paragraph (b) above shall be taken to alter, amend or diminish any obligation of the Lessee assumed in relation to its invitees, customers, agents, representatives, contractors or other persons, firms or corporations doing business with it.

(d) In the event that more than one individual or other legal entity are the Lessee under this Agreement, then and in that event each and every obligation under this Agreement shall be the joint and several obligation of each such individual or other legal entity.

(e) The Lessee's representative, hereinbefore specified (or such substitute as the Lessee may hereafter designate in writing) shall have full authority to act for the Lessee in connection with this Agreement and any things done or to be done hereunder, and to execute on the Lessee's behalf any amendments or supplements to this Agreement or any extension thereof.

(f) The Lessee agrees that any rule of construction to the effect that any ambiguities in this Agreement are to be resolved against the drafting party shall not be applicable to the interpretation or construction of this Agreement or any amendments, addendums, supplements, Exhibits or Schedules hereto.

(g) The Section and paragraph headings, if any, in this Agreement are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope or intent of any provision hereof.

(h) Unless otherwise expressly specified, the terms, provisions and obligations contained in the Exhibits and Schedules attached hereto, whether there set out in full or as amendments of, or supplements to provisions elsewhere in the Agreement stated, shall have the same force and effect as if herein set forth in full.

(i) If any clause, provision or section of this Agreement shall be ruled invalid by any court of competent jurisdiction, the invalidity of such clause, provision or section shall not affect any of the remaining provisions hereof.

(j) The fact that certain of the terms and provisions hereunder are expressly stated to survive the expiration or termination of the letting hereunder shall not mean that those provisions hereunder which are not expressly stated to survive shall terminate or expire on the expiration or termination of the letting hereunder and do not survive such termination or expiration.

(k) Time is of the essence in the Lessee's performance of this Agreement. Notwithstanding the fact that certain references elsewhere in this Agreement to acts required to be performed by the Lessee hereunder, or to breaches or defaults of this Agreement by the Lessee, omit to state that such acts shall be performed at the Lessee's sole cost and expense, or omit to state that such breaches or defaults by the Lessee are material, unless the context clearly implies to the contrary, each and every act to be performed or obligation to be fulfilled by the Lessee pursuant hereto shall be performed or fulfilled at the Lessee's sole cost and expense, and all breaches or defaults by the Lessee hereunder shall be deemed material. The Lessee shall be fully responsible and liable for the observance and compliance by concessionaires, franchisees and licensees of the Lessee and with all the terms and conditions of this Agreement, which terms and conditions shall be applicable to concessionaires, franchisees and licensees as fully as if they were the Lessee hereunder; and failure by a concessionaire, franchisee or licensee fully to observe and comply with the terms and conditions of this Agreement shall constitute a default by the Lessee. Nothing contained in the preceding sentence shall constitute consent by the Port Authority to any concession, subletting or other arrangement.

Section 42. Non-Discrimination

(a) Without limiting the generality of any of the provisions of this Agreement, the Lessee in its operations at the Airport, the use of any space or Premises and the exercise of any privileges under this Agreement, shall not on the grounds of race, creed, color or national origin discriminate or permit discrimination against any person or group of persons in any manner whatsoever and shall comply with Part 21 to the Regulations of the Office of the Secretary of Transportation, as it may be amended and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which from time to time may be applicable to the Lessee's operations at the Airport, whether by reason of agreement between the Port Authority and the United States Government or otherwise.

(b) The Lessee shall include the provisions of paragraph (1) of this Section in every agreement or concession pursuant to which any person or persons, other than the Lessee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce any such covenant. Nothing herein shall be or be deemed to grant to the Lessee the right to make any such agreement or concession.

(c) The Lessee's noncompliance with the provisions of this Section shall constitute a material breach of this Agreement. In the event of such noncompliance, the Port Authority may take any appropriate action to enforce compliance; or by giving twenty-four (24) hours' notice, may terminate this Agreement and the letting hereunder with the same force and effect as a termination under the Section of this Agreement providing for termination for default by the Lessee in the performance or observance of any other term or provision of this Agreement; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) This Agreement is subject to the requirements of the United States Department of Transportation's regulations, 49 CFR Part 23. The Lessee agrees that it will not

discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement or any management contract, or subcontract, purchase or lease agreement or other agreement covered by 49 CFR Part 23. The Lessee agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR Part 23 that it enters and cause those businesses to similarly include the statements in further agreement.

(e) The Lessee shall indemnify and hold harmless the Port Authority from any claims and demands of third persons including the United States of America resulting from the Lessee's noncompliance with any of the provisions of this Section and the Lessee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

Section 43. Basic Lease

If the Premises are located in the City of Newark, the following shall apply:

(a) Notwithstanding any other provision of this Agreement, this Agreement shall in any event expire with the expiration or termination of the lease of the Facility from the City of Newark to the Port Authority under the agreement of lease between the City and the Port Authority dated October 22, 1947, as the same from time to time may have been or may be supplemented or amended. Said agreement dated October 22, 1947, has been recorded in the Office of the Register of Deeds for the County of Essex on October 30, 1947 in the Book E-110 of Deeds at pages 242, et seq, no greater rights or privileges are hereby granted to the Lessee than the Port Authority has the power to grant under said agreement as supplemented or amended as aforesaid.

(b) The Port Authority has agreed by a provision in its said agreement with the City covering the Facility to conform to the enactments, ordinances, resolutions and regulations of the City and of its various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable to do so. The Lessee shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the said agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Lessee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Lessee at the Facility. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Lessee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Lessee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Agreement, although the Port Authority thereafter notifies the Lessee to refrain from such compliance. Nothing herein contained shall release or discharge the Lessee from compliance with any other provision hereof respecting governmental requirements.

Section 44. Governmental Compliance

In the event that all or any portion of the Premises is required by the Port Authority to comply with any present or future governmental law, rule, regulation, requirement, order or direction, the Port Authority shall give the Lessee notice that all or any such portion of the Premises is so required and the Lessee shall deliver all or any such portion of the Premises so required on the date specified in such notice, and if the Lessee does not so deliver, the Port Authority may take the same. No such taking or delivery shall be or be construed to be an eviction of the Lessee or a breach of this Agreement. In the event that the Lessee has received a notice hereunder it shall deliver all or any such portion of the Premises so required in the same condition as that required hereunder for the delivery of the Premises on the cessation of the letting. In the event of the taking or delivery of all the

Premises, this Agreement and the letting hereunder shall on the day of such taking or delivery cease and expire as if that day were the date originally stated herein for the expiration of this Agreement; and, in the event of the taking or delivery of any portion of the Premises, then, from and after such taking or delivery, such portion of the Premises shall cease to be a part of the Premises hereunder. There shall be an abatement of the rental in the event of any such taking or delivery of a portion of the Premises if so provided in Item 1 of **Exhibit B**.

The Lessee understands the Port Authority by its officers, employees, agents, representatives or contractors or by the Airlines or their contractors or by the furnishers of utilities or other services to the Premises or to others at the Facility shall have the right to temporarily discontinue the supply of any of the above services in order to allow repairs, alterations, changes or improvements in the Premises or elsewhere at the Facility including all systems for the supply of services for the benefit of the Lessee or for the benefit of others than the Lessee at the Facility. Nothing contained herein shall be or be deemed construed to impose upon the Port Authority any obligations to supply any utility or service or to repair, alter or make changes or improvements or shall create any liability upon the Port Authority for any failure to do so.

Section 45. Force Majeure

(a) Neither the Port Authority nor the Lessee shall be deemed to be in violation of this Agreement if it is prevented from performing any of its obligations hereunder by reason of strikes, boycotts, labor disputes, embargoes, shortages of material, acts of God, acts of the public enemy, acts of superior governmental authority, acts of terrorism, weather conditions, tides, riots, rebellion, sabotage or any other circumstances for which it is not responsible and which are not within its control; provided, however, that this provision shall not apply to failures by the Lessee to pay the rentals specified in the Section of this Agreement entitled "*Rental*" and Item 1 of **Exhibit B** annexed to this Agreement and shall not apply to any other charges or money payments specified in this Agreement; and provided further, that except by virtue of the circumstances specifically set forth hereinabove in this Section, this provision shall not prevent either party from exercising any of its rights to terminate this Agreement.

(b) No abatement, diminution or reduction of the rental or other charges payable by the Lessee, shall be claimed by or allowed to the Lessee for any inconvenience, interruption, cessation or loss of business or other loss caused, directly or indirectly, by any present or future law, rule, requirement, order, direction, ordinance or regulation of the United States of America, or of the state, county or city government, or of any other municipal, governmental or lawful authority whatsoever, or by priorities, rationing or curtailment of labor or materials, or by war or any matter or thing resulting therefrom, or by any other cause or causes beyond the control of the Port Authority, nor shall this Agreement be affected by any such causes or conditions.

Section 46. Rules and Regulations Amendment

If a copy of the Rule and Regulations referred to in the Section of this Agreement entitled "*Rules and Regulations*" is not attached to this Agreement, then the Port Authority will notify the Lessee thereof either by delivery of a copy, or by publication in a newspaper published in the Port of New York District or by making a copy available at the office of the Secretary of the Port Authority. No statement or provision in the said Rules and Regulations shall be deemed a representation or promise by the Port Authority that the services or privileges described shall be or remain available, or that the charges, prices, rates or fees stated therein shall be or remain in effect throughout the letting, all of the same being subject to change by the Port Authority from time to time whenever it deems a change advisable.

Section 47. Non-Liability of Individuals

No Commissioner, director, officer, agent or employee of either party shall be charged personally or held contractually liable by or to the other party under any term or provision of this Agreement or of any supplement, modification or amendment to this Agreement or because of any breach thereof, or because of its or their execution or attempted execution.

Section 48. Other Agreements

The Lessee shall not, by virtue of the execution of this Agreement, be released or discharged from any obligations or liabilities whatsoever under any other agreement it has with the Port Authority.

Section 49. Operating Names

(a) Any name, designation or any service mark proposed to be used or displayed at the Premises or at the Terminal or for the Lessee's operations therein shall be approved in advance in writing by the Port Authority and the Lessee shall have the right to use and display the name, designation or mark only so long as this Agreement is in force and effect. If for any reason the Lessee ceases its operations in the Premises, the Lessee's right to use such name, designation or service mark shall immediately cease and come to an end and the Port Authority or its designee shall have the sole right to use such name, designation or service mark and the Lessee hereby consents to such use thereof. Any registration or filing by the Lessee with respect to such name, designation or service mark shall indicate the Port Authority's interest therein and the form thereof shall be approved in advance by the Port Authority in writing. The Lessee agrees to assign and transfer to the Port Authority any such registration or filing and any other rights in or to the use of such name, designation or service mark promptly upon written request therefor from the Port Authority. Nothing herein contained is intended to apply to the continuing use by the Lessee of its customary name, designation or service mark, if any, used elsewhere in its operations prior to the making of this Agreement.

(b) The Lessee shall not use or make any reference, by advertising or otherwise, to the names "The Port Authority of New York and New Jersey", "Port Authority" or any simulation or abbreviation of any such names, or any emblem, picture or reproduction of the Facility, for any purpose whatsoever. Furthermore, the Lessee shall not make use of or originate any material intended for publication or visual or oral presentation which uses the name "Newark Liberty International Airport" without the consent of the Port Authority.

Section 50. Labor Disturbances and Labor Harmony

(a) General. In connection with its operations at the Airport under this Agreement, the Lessee shall serve the public interest by promoting labor harmony, it being acknowledged that strikes, picketing, or boycotts may disrupt the efficient operation of the Terminal. The Lessee recognizes the essential benefit to have continued and full operation of the Airport as a whole and the Terminal as a transportation center. The Lessee shall immediately give oral notice to the Port Authority (to be followed reasonably promptly by written notices and reports) of any and all impending or existing labor-related disruptions and the progress thereof.

If any type of strike, picketing, boycott or other labor-related disruption is directed against the Lessee at the Terminal, or against its operations thereat pursuant to this Agreement, which in the opinion of the Port Authority (i) physically interferes with the operation of the Airport, the Terminal or the Premises, or (ii) physically interferes with public access between the Premises and any portion of the Terminal or the Airport, or (iii) physically interferes with the operations of other

operators at the Airport or the Terminal, or (iv) presents a danger to the health and safety of users of the Airport or the Terminal, including persons employed thereat or members of the public, the Port Authority shall have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, terminating this Agreement and the letting on five (5) days' written notice to the Lessee. In the event of termination by the Port Authority hereunder this Agreement and the letting hereunder shall cease and expire on the effective date of termination stated in the notice with the same force and effect as if such date were the original expiration date of the letting hereunder.

(b) Labor Peace Agreement. The Lessee represents that, prior to or upon entering into this Agreement, it has delivered to the Port Authority evidence of a signed labor peace agreement, in the form attached hereto as **Exhibit X**, or in the event **Exhibit X** is inapplicable, then a signed officer's certification to such effect in the form required by the Port Authority.

(c) Employee Retention. If the Lessee's concession at the Premises is of the same type (i.e., food, retail, news/gifts or duty-free concession) as that of the immediately preceding concession operator at the Premises (the "**Predecessor Concession**"), the Lessee agrees to offer continued employment for a minimum period of ninety (90) days, unless there is just cause to terminate employment sooner, to employees of the Predecessor Concession who have been or will be displaced by cessation of the operations of the Predecessor Concession and who wish to work for the Lessee at the Premises. The foregoing requirement shall be subject to the Lessee's commercially reasonable determination that fewer employees are required at the Premises than were required by the Predecessor Concession; provided, however, that the Lessee shall retain such staff is deemed commercially reasonable on the basis of seniority with the Predecessor Concession at the Premises. The Port Authority shall have the right to demand from the Lessee documentation of the name, date of hire, and employment occupation classification of all employees covered by this provision. In the event the Lessee fails to comply with this provision, the Port Authority have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, termination of this Agreement.

(d) Applicability of Provision. The provisions of this section shall apply to concession operators which employ ten (10) or more persons at the Premises.

(e) Suspension of Lessee Operations. In the event of suspension of Lessee's operations pursuant to paragraph (a), above, the Lessee shall cease its activities and operations in the Premises and shall take such steps to secure and protect the Premises as shall be necessary or desirable. The exercise by the Port Authority of the right of suspension hereunder shall not affect or in any way limit the Port Authority's rights of termination as set forth elsewhere in this Agreement.

Section 51. Finishes and Decorating by the Lessee

(a) The Port Authority shall deliver each area of the Premises to the Lessee in their presently existing "**AS IS**" condition. The Lessee acknowledges that prior to the execution of this Agreement, it has thoroughly examined and inspected the existing Premises and has found the same to be in good order and repair and has determined the Premises to be suitable for the Lessee's operations hereunder. The Lessee agrees to and shall take the Premises in their "**AS IS**" condition and the Port Authority shall have no obligation hereunder for finishing work or preparation of any portion of the Premises for the Lessee's use. Nothing contained herein shall be construed to relieve the Lessee of its obligations under the provisions of the Section of this Agreement entitled "*Sales and Services by the Lessee*" to install in the Premises all necessary or proper equipment or fixtures required for its operations in the Premises. Subject to the provisions of this Section and those of the Section of this Agreement entitled "*Construction by the Lessee*", the Lessee agrees to and shall perform at its sole cost and expense all construction and installation work necessary or proper for its initial occupancy in, and operations at, the Premises, which work is hereinafter sometimes called the "**Lessee's Work**".

(b) The Lessee agrees that in performing the Lessee's Work it will incur costs subject to the limitations and restrictions contained in Item 6 of **Exhibit B**. Lessee shall submit on a timely basis to the Port Authority for its approval an Alteration Application in the form supplied by the Port Authority, and containing such terms and conditions as the Port Authority may include, setting forth in detail and by appropriate plans and specifications the construction and installation work proposed by the Lessee to modernize, refurbish and prepare the Premises for operations hereunder and the manner of and time periods for performing the same. The data to be supplied by the Lessee shall describe in detail the fixtures and equipment to be installed by the Lessee. The Lessee shall be responsible at its sole expense for retaining all architectural, engineering and other technical consultants and services as may be directed by the Port Authority and for developing, completing and submitting detailed plans and specifications for the Lessee's Work. The plans and specifications to be submitted by the Lessee to the Port Authority shall bear the seal of a qualified architect or professional engineer and shall be in sufficient detail for a contractor to perform the Lessee's Work. The Lessee shall not engage in any such contractor or permit the use of any subcontractor unless and until each such contractor or subcontractor has been approved by the Port Authority. The Lessee shall include in any such contract or subcontract such provisions as the Port Authority may approve or require, including, without limitation thereto, provisions regarding labor harmony. The Lessee shall cause each such contractor and subcontractor to obtain and maintain in force such insurance coverage and performance bonds as the Port Authority shall specify. All the Lessee's Work shall be done in accordance with the said Alteration Application and final plans and specifications approved by the Port Authority shall be subject to inspection by the Port Authority during the progress of the Lessee's Work and after the completion thereof and the Lessee shall redo or replace at its own expense any of the Lessee's Work not done in accordance therewith. Upon completion of the Lessee's Work, the Lessee shall supply the Port Authority with a certificate signed by the architect or engineer who sealed the Lessee's plans and specifications pursuant to the provisions of this paragraph certifying that all of the Lessee's Work has been performed in accordance with the approved plans and specifications covering such work and in accordance with the provisions of this Agreement, and the Lessee shall supply the Port Authority with as-built drawings in form and number requested by the Port Authority.

(c) The Lessee shall not commence any portion of the Lessee's Work until the Alteration Application and plans and specifications covering such work have been finally approved by the Port Authority. In the event of any inconsistency between the provisions of this Agreement and those of the Alteration Application, the provisions of this Agreement shall control. The Lessee recognizes that its obligation to pay the rentals for the Premises stated in Item 1 of **Exhibit B** shall commence as established pursuant to Item 1 of **Exhibit B** whether or not the Lessee's Work is then completed or whether the Lessee is then conducting public operations in the Premises. The Lessee shall conduct no public operations in the Premises until the Port Authority shall have notified the Lessee in writing that the Lessee's Work has been completed to its satisfaction.

(d) The Lessee shall be solely responsible for the plans and specifications used by it, and for the adequacy or sufficiency of such plans, specifications and all the improvements depicted thereon or covered thereby, regardless of the consent thereto or approval thereof by the Port Authority or the incorporation therein of any Port Authority requirements or recommendations. The Port Authority shall have no obligations or liabilities in connection with the performance of the Lessee's Work or the contracts for the performance thereof entered into by the Lessee. Any warranties extended or available to the Lessee in connection with the Lessee's Work shall be for the benefit of the Port Authority as well as the Lessee.

(e) Without limiting or affecting any other term or provision of this Agreement, the Lessee shall be solely responsible for the design, adequacy and operation of all utility, mechanical, electrical, communications and other systems installed in the Premises either by the Port Authority or by the Lessee and shall do all preventive maintenance and make all repairs, replacements, rebuilding (ordinary or extraordinary, structural or non-structural) and painting necessary to keep such systems and all other improvements, additions and fixtures, finishes and

decorations made or installed by the Lessee (whether the same involves structural or non-structural work) in the condition they were in when made or installed except for reasonable wear which does not adversely affect the watertight condition or structural integrity of the building or adversely affect the efficient or proper utilization or appearance of any part of the Premises.

(f) Intentionally omitted.

(g) (1) Without limiting any of the terms and conditions of this Agreement, the Lessee understands and agrees that it shall put into effect prior to the commencement of any of the Lessee's Work an affirmative action program and minority business enterprise ("MBE") program and Women-owned Business enterprises ("WBE") program in accordance with the provisions of the schedule annexed hereto, hereby made a part hereof and marked **Schedule E**. The provisions of **Schedule E** of this Agreement shall be applicable to the Lessee's contractor or contractors and subcontractors at any tier of construction as well as to the Lessee and the Lessee agrees to include the provisions of **Schedule E** within all of its construction contracts so as to make such provisions and undertakings the direct obligation of the construction contractor or contractors and subcontractors at any tier of construction. The Lessee agrees to furnish and agrees to require its contractor, contractors and subcontractors to furnish the Port Authority such data, including but not limited to compliance reports relating to the operation and implementation of the affirmative action, MBE and WBE programs called for hereunder as the Port Authority may request at any time and from time to time regarding the affirmative action, minority business enterprises, and women-owned business enterprises programs of the Lessee and its contractor, contractors and subcontractors at any tier of construction, and the Lessee agrees to make and put in effect and agrees to require that its contractor, contractors and subcontractors at any tier of construction make and put into effect such modifications and additions thereto as may be agreed to by and between the Port Authority and the Lessee pursuant to the provisions hereof and those of **Schedule E** to effectuate the goals of affirmative action and minority business enterprise and women-owned business enterprise programs. The obligations imposed on the Lessee under this paragraph and **Schedule E** shall not be construed to impose any greater requirements on the Lessee than those which may be imposed on the Lessee under applicable law.

(2) In addition to and without limiting any of the terms and conditions of this Agreement, the Lessee agrees to provide in its contracts and all subcontracts covering the Lessee's Work, or any portion thereof, that:

(i) The contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, and shall undertake or continue existing programs of affirmative action to ensure that minority group persons are afforded equal employment opportunity without discrimination. Such programs shall include, but not be limited to, recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, rates of pay or other forms of compensation, and selections for training or retraining, including apprenticeships and on-the-job training;

(ii) At the request of either the Port Authority or the Lessee, the contractor shall request such employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding and which is involved in the performance of the contract with the Lessee to furnish a written statement that such employment agency, labor union or representative shall not discriminate because of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will cooperate in the implementation of the contractor's obligations hereunder;

(iii) The contractor will state, in all solicitations or advertisement for employees placed by or on behalf of the contractor in the performance of the contract, that all qualified applicants will be afforded equal employment opportunity without discrimination because of race, creed, color, national origin, sex, age, disability or marital status; and

(iv) The contractor will include the provisions of (f)(2)(i) through (f)(2)(iii) of this Section in every subcontract or purchase order in such a manner that such provisions will be binding upon each subcontractor or vendor as to its work in connection with the contract.

(3) The term "contractor", as used herein, shall include each contractor and subcontractor at any tier of construction.

(h) The Lessee shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, and agrees to undertake or continue existing programs of affirmative action to ensure that minority group persons and women are afforded equal employment opportunity without discrimination. Such programs shall include, but not be limited to, recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, rates of pay or other forms of compensation, and selections for training or retraining, including apprenticeship and on-the-job training.

(i) (1) In addition to and without limiting any of the foregoing provisions of this Section, and without limiting any other provision of this Agreement, or the provisions of **Schedule E** hereof, the Lessee agrees, in connection with its continuing operation, maintenance and repair of the Premises, or any portion thereof, and in connection with every award or agreement for concessions or consumer services at the Facility to commit itself to and use good faith efforts throughout the term of the letting hereunder to implement an extensive program of Affirmative Action, including specific affirmative action steps to be taken by the Lessee, to ensure maximum opportunities for employment and contracting by minorities and women. In meeting such commitment the Lessee agrees to submit its said extensive Affirmative Action program, including the specific affirmative action steps to be taken by the Lessee to meet its aforesaid commitment, within sixty (60) days after the commencement of the term of the letting hereof to the Port Authority for its review and approval. The Lessee shall incorporate in such program such revisions and changes as the Port Authority and the Lessee may agree upon from time to time. The Lessee agrees throughout the term of the letting hereunder to document its efforts in implementing such program, and agrees to keep the Port Authority fully advised of the Lessee's progress in implementing the program and to supply to the Port Authority such information, data and documentation with respect thereto as the Port Authority may from time to time and at any time request, including but not limited to annual reports.

(2) "Minority" as used herein shall mean those persons described in paragraph I (c) of Part 1 of **Schedule E**.

(3) In the implementation of the provisions of this Section, the Port Authority may consider compliance by the Lessee with the provisions of any federal, state or local law concerning affirmative action, and equal employment opportunity, which are at least equal to the requirements of this Section, as effectuating the provisions of this Section. If the Port Authority determines that by virtue of such compliance with the provisions of any such federal, state or local law that the provisions hereof duplicate or conflict with such law the Port Authority may waive the applicability of the provisions of this Section to the extent that such duplication or conflict exists.

(j) Nothing herein provided shall be construed as a limitation upon the application of any laws which establish different standards of compliance or upon the application of requirements for the hiring of local or other area residents.

(k) Nothing in this Section shall grant or be deemed to grant to the Lessee the right to make any agreement or award for concessions or consumer services at the Facility.

Section 52. Affirmative Action

The Lessee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Lessee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Lessee assures that it will require that its covered suborganizations provide assurances to the Lessee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

Section 53. Late Charges

If the Lessee should fail to pay any amount required under this Agreement when due to the Port Authority, including payment of rental, utility fees or charges, or other charges or fees then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period herein below described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent (.8%) of such unpaid amount for each late charge period. There shall be twenty-four (24) late charge periods during each calendar year; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (15) (but not less than thirteen (13)) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Agreement. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Section, with respect to such unpaid amount. Each late charge shall be and become additional rent, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the rentals as set forth in Item 1 of Exhibit B hereof. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Agreement, including without limitation the Port Authority's rights set forth in the Section of this Agreement entitled "*Thirty Day Termination*", or (ii) any obligations of the Lessee under this Agreement. In the event that any late charge imposed pursuant to this Section shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Agreement shall be payable instead at such legal maximum.

Section 54. Ethical Standards

The Lessee for itself and on behalf of any Affiliate of the Lessee and as to each member of the Board of Directors and each officer of the Lessee and/or of such Affiliate hereby certifies under the penalties applicable to perjury, represents warrants and covenants with full knowledge that the Port Authority will rely hereon in entering into this Agreement that at no time hereafter including the term of this Agreement shall the Lessee or any Affiliate thereof (a) take any action with respect to any employee or former employee of the Port Authority or immediate family member of either (i.e., spouse, child, parent or brother or sister) which would constitute a breach of ethical standards under the Code of Ethics and Financial Disclosure dated as of July 18, 1994 promulgated by the Port Authority, a copy of which is available upon request to the Secretary of the Port Authority, (b) offer, give or agree to give anything of value either to a Port Authority employee, agent, job shopper, consultant, construction manager or other person or firm representing the Port

Authority, or to a member of the immediate family (i.e., a spouse, child, parent, brother or sister) of any of the foregoing, in connection with the performance by such employee, agent, job shopper, consultant, construction manager or other person or firm representing the Port Authority of duties involving transactions with the Lessee on behalf of the Port Authority, whether or not such duties are related to this Agreement or any other Port Authority contract or matter, or (c) make an offer of employment or use confidential information in a manner prescribed by the said Code of Ethics and Financial Disclosure. Any such conduct shall be deemed a material breach of this Agreement. As used herein "anything of value" shall include but not be limited to any (1) favors, such as meals, entertainment, transportation (other than that contemplated by this Agreement or any other Port Authority contract), etc., which might tend to obligate the Port Authority employee to the Lessee or any parent or Affiliate thereof and (2) gift, gratuity, money, goods, equipment, services, lodging, discounts not available to the general public, offers or promises of employment, loans or the cancellation thereof, preferential treatment or business opportunity. Such term shall not include compensation contemplated by this Agreement or any other Port Authority contract; and (iv) that neither the Lessee nor any Affiliate thereof knows of any action the part of any employee or former employee of the Port Authority which constitutes a breach of said Code of Ethics and Financial Disclosure and that if it or any parent or other Affiliate of the Lessee comes into such knowledge at any time hereafter, including during the term of this Agreement, it shall immediately report the same to the Port Authority in writing, any failure to do so being deemed a material breach of this Agreement.

Section 55. Additional Rent Items and Lessee Obligations

(a) Promotion Fee. The Lessee agrees to participate fully with the marketing and promotional programs for the concession (retail and food and beverage included) area sponsored by the Port Authority in the Terminal. Commencing as of the second full calendar month in which the Lessee conducts its operations hereunder, the Lessee shall pay, as additional rental, a "Promotion Fee" as the Lessee's contribution for marketing, advertising and promotion programs conducted by or on behalf of the Port Authority relating to the retail program in the Terminal. The Promotion Fee shall be an amount (i) during the first year of the term which equals one-half of one percent (.5%) of the Lessee's Gross Receipts during the preceding calendar month and (ii) during each subsequent year of the term which equals one-half of one percent (.5%) of the Lessee's annual Gross Receipts for the annual period in which such promotion fee relates. Such amount shall be payable no later than the 15th day following the end of each month. The Promotion Fee shall be prorated, if necessary, in the same manner as Basic Rental is prorated under this Agreement.

The failure of any other lessee or occupant of space within the concession area to participate in advertising for such concession area or make promotional contributions to the Port Authority shall not relieve the Lessee of any of its obligations under this Section. The Port Authority shall not be obligated to expend more for marketing and promotional programs than is actually collected from the Lessee and other concession facility operators in the Terminal. The Port Authority shall have the sole authority to employ and discharge personnel, retain third party independent contractors and to establish all budgets with respect to such marketing and promotional programs. The Port Authority reserves the right at any time to terminate its activities in this regard and cease collecting Promotion Fee contributions from the Lessee and other concession operators for these activities. In such event the Port Authority shall so notify the Lessee in writing and, thereafter, the Lessee shall no longer be obligated to make any further Promotion Fee contributions, and any remaining funds previously contributed as Promotion Fees may be used by the Port Authority to promote the overall concession program and facilities.

(b) Distribution Services and Fee.

(1) The Lessee shall, at the Lessee's sole cost and expense, make deliveries in a timely manner to a designated area, controlled by the Port Authority or its designee, in accordance with the Port Authority's rules and regulations. The Port Authority may, at its option,

provide receiving and delivery services to operators in the concession area. In such event, the Lessee shall use such service for all of its deliveries to the Terminal and the Premises (including, but not limited to, delivery of goods from the Lessee's off-Airport suppliers to the on-Airport warehouse of the contractor selected by the Port Authority to provide delivery services) and no deliveries of any items shall be made by any persons or entities directly to the Premises without the prior written authorization of the Port Authority and, if so given, the Port Authority shall have the right to revoke any such authorization at any time in its sole discretion.

(2) The Lessee, in transferring any merchandise, equipment, stock or consumable items within or about the Terminals, shall only do so in full compliance with Port Authority rules, regulations and guidelines. The same may restrict the time and day of delivery or the manner of delivery, method of delivery, areas of delivery or the person or persons by whom delivery may be effected. The Port Authority may deny access or require any vehicle to be removed for failure to follow applicable rules, regulations and guidelines that may be established by the Port Authority from time to time.

(3) The Lessee shall pay as an annual "**Distribution Fee**" the sum of Thirteen Dollars and No Cents (\$13.00), per square foot of the Premises, to the Port Authority for the cost of distribution services, payable in advance as additional rent hereunder in equal, monthly installments commencing as of the Rental Payment Start Date and continuing during the balance of the term of the letting hereunder. Effective each January 1 this amount shall be adjusted to reflect the annual adjustment by the Index as described in *subsection (h)* of this *Section 55*.

(c) **Trash Removal.** The Lessee shall be solely responsible, at the Lessee's expense, for removal of trash, garbage, debris and other waste material from the Premises, on a daily basis, in a manner approved by the Port Authority, unless the Port Authority elects to provide such services. The Lessee shall contract with the Port Authority's disposal contractor at the Terminal for the disposal of its trash, garbage, debris and other waste material. In the event the Port Authority elects to provide such services, the Port Authority's costs of providing such services shall be chargeable to, and payable by, the Lessee as additional rent hereunder, on a per square foot basis represented by the square footage of the Premises and such additional rent would be due in equal, monthly installments payable together with the Basic Rental payments to be made hereunder upon prior written notice from the Port Authority.

(d) **Food Court Maintenance Fee.** Not applicable.

(e) **No Inspection or Audit Rights.** The Lessee shall not have any inspection or audit rights of any of the Port Authority's books and records pertaining to the costs and expenses which support the fees which may be charged pursuant to this Section and the Lessee hereby expressly waives any rights, whether by statute or otherwise, to conduct any such inspection or audit.

(f) **Concession Meetings.** The Lessee acknowledges the benefit of regular meetings with the Port Authority or its designee to discuss matters relating to the retail plan at the Terminal, including, but not limited to, the business of the Lessee, marketing plans for the Terminals and the Lessee, traffic projections, customer service techniques and other concession-related matters. The Lessee agrees that it shall attend any meetings convened by the Port Authority or its designee to discuss such matters, whether the same be between the Lessee and the Port Authority or among multiple concessionaires and the Port Authority, and that it shall cause a member of its senior management staff to attend any and all such meetings. Similarly, the Lessee agrees to fully participate in and cooperate with the Port Authority or its designee in connection with any customer service surveys which are conducted on-site at the Terminal and not interfere with, obstruct, delay or otherwise hinder the process of taking such surveys, and further, fully participate in and cooperate in connection with training in customer service techniques and other concession-related matters that may be scheduled or arranged by the Port Authority or its designee from time to time. No

compensation shall be due or paid to the Lessee for its participation or cooperation in connection with the matters described in this paragraph.

(g) **Training.** The Lessee covenants that it shall conduct and complete, at least on an annual basis, for itself and its employees, training with respect to customer service techniques and other concession related matters. Similarly, the Lessee agrees that its frontline sales and transaction staff shall be required to attend customer service training at least once annually if such training is offered by the Port Authority or its designee; such training to be in addition to, and not in lieu of, the Lessee's own training programs, requirements and obligations.

(h) In the event escalations are needed to items of Additional Rental during the term of the letting, the following will be the methodology used for such escalation:

(i) (1) **"Index"** shall mean the Consumer Price Index for All Urban Consumers - New York-Northern New Jersey-Long Island, NY-NJ-CT (All Items, unadjusted 1982-84=100) published by the Bureau of Labor Statistics of the United States Department of Labor.

(2) **"Base Period"** shall mean the calendar month of November 2008.

(3) **"Adjustment Period"** shall mean, as the context requires, the calendar month of November 2009 and the calendar month of November in each calendar year which thereafter occurs during the term of this Agreement.

(4) **"Anniversary Date"** shall mean, as the context requires, each January 1 following the Rental Payment Start Date (the "First Anniversary Date") and each anniversary of such date which thereafter occurs during the term of this Agreement.

(5) **"Annual Index Increase"** shall mean the percentage of increase in the Index on each Anniversary Date, equal to: (x) with respect to the First Anniversary Date, a fraction of which the numerator shall be the Index for the Adjustment Period immediately preceding such Anniversary Date less the Index for the Base Period, and the denominator shall be the Index for the Base Period, and (y) with respect to each Anniversary Date thereafter, a fraction of which the numerator shall be the Index for the Adjustment Period immediately preceding such Anniversary Date less the Index for the next preceding Adjustment Period, and the denominator shall be the Index for such next preceding Adjustment Period (for example, the Annual Index Increase for the Anniversary Date that is January 1, 2011 would be fraction of which the numerator is the Index for November, 2010 less the Index for November, 2009 and the denominator is the Index for November, 2009).

(6) **"Percentage Increase"** shall mean, with respect to each Anniversary Date, a percentage equal to the Annual Index Increase for that Anniversary Date.

(ii) Commencing on each Anniversary Date and for the period commencing with such Anniversary Date and continuing through to the day preceding the next Anniversary Date, or the expiration date of the term of the letting under this Agreement as herein amended, as the case may be, both dates inclusive, in lieu of the Additional Rental set forth herein, the Lessee shall pay escalated Additional Rental as follows:

(x) the sum obtained by adding to the item of Additional Rental set forth herein the product obtained by multiplying such Additional Rental by the Percentage Increase for such Anniversary Date, or

(y) the item of Additional Rental payable immediately

prior to such Anniversary Date including all amounts included therein as a result of prior adjustments thereof pursuant to the provisions of this paragraph.

(iii) In the event the Index to be used in computing any adjustment referred to in this paragraph is not available on the effective date of such adjustment, the Lessee shall continue to pay the Additional Rental at the amount then in effect subject to retroactive adjustment at such time as the specified Index becomes available, provided, however, that the Port Authority may at its option substitute for such Index the Index for the latest preceding month then published to constitute the specified Index. In the event the United States Consumer Price Index for All Urban Consumers - New York-Northern New Jersey-Long Island, NY-NJ-CT (All Items, unadjusted 1982-84=100) shall hereafter be converted to a different standard reference base or otherwise revised or the United States Department of Labor shall cease to publish the United States Consumer Price Index for All Urban Consumers - New York-Northern New Jersey-Long Island, NY-NJ-CT (All Items, unadjusted 1982-84=100), then for the purposes hereof there shall be substituted for the Index such other appropriate index or indices properly reflecting changes in the value of current United States money in a manner similar to that established in the Index used in the latest adjustment as the Port Authority in its discretion determine.

If after an adjustment in Additional Rental shall have been fixed for any period, the Index used for computing such adjustment shall be changed or adjusted, then the rental adjustment for that period shall be recomputed and from and after notification of the change or adjustment, the Lessee shall make payments based upon the recomputed rental and upon demand shall pay any excess in the basic rental due for such period as recomputed over amounts theretofore actually paid on account of the Additional Rental for such period. If such change or adjustment results in a reduction in the Additional Rental due for any period prior to notification, the Port Authority will credit the Lessee with the difference between the Additional Rental as recomputed for that period and amounts of Additional Rental actually paid.

If any adjustment of Additional Rental referred to in this paragraph is effective on a day other than the first day of a calendar month, there shall be payable in advance on the effective date of rental adjustment an installment of Additional Rental equal to one-twelfth (1/12th) of the increment of annual Additional Rental as adjusted multiplied by a fraction, the numerator of which shall be the number of days from the effective date of the rental adjustment to the end of the calendar month in which the rental adjustment was effective and the denominator of which shall be the number of days in that calendar month.

Section 56. Lessee's OFAC Certification

(a) The Lessee hereby represents and warrants to the Port Authority (which representations and warranties shall be deemed to be continuing and re-made at all times during the Term) that Lessee is not, and shall not become, a person or entity with whom the Port Authority is restricted from doing business under the regulations of the Office of Foreign Asset Control ("OFAC") of the United States Department of the Treasury (including, but not limited to, those named on OFAC's Specially Designated and Blocked Persons list) or under any statute, executive order (including, but not limited to, the September 24, 2001 Executive Order on Terrorist Financing Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten To Commit or Support Terrorism), or other governmental action and is not engaging, and shall not engage, in any dealings or transactions or be otherwise associated with such persons or entities. The Lessee acknowledges that the Port Authority is entering into this Agreement in reliance on the foregoing representations and warranties and that such representations and warranties are a material element of the consideration inducing the Port Authority to enter into and execute this Agreement. In the event of any breach of any of the foregoing representations and warranties by the Lessee, the Port Authority shall have the right, in addition to any and all other remedies provided under this Agreement or at law or in equity, to immediately terminate this Agreement upon written notice to the Lessee. The Lessee further acknowledges that there shall be no cure for such a breach. In the event of any such

termination by the Port Authority, the Lessee shall, immediately on receipt of the Port Authority's termination notice, cease all use of and operations permitted under this Agreement and surrender possession of the Premises to the Port Authority without the Port Authority being required to resort to any other legal process. Termination on the aforescribed basis shall be deemed a termination for cause.

(b) The Lessee shall indemnify and hold harmless the Port Authority and its Commissioners, officers, employees, agents and representatives from and against any and all claims, damages, losses, risks, liabilities and expenses (including, without limitation, attorney's fees and disbursements) arising out of, relating to, or in connection with the Lessee's breach of any of its representations and warranties made under this Section. Upon the request of the Port Authority, the Lessee shall at its own expense defend any suit based upon any such claim or demand (even if such suit, claim or demand is groundless, false or fraudulent) and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provision of any statutes respecting suits against the Port Authority.

(c) The provisions of this Section shall survive the expiration or earlier termination of this Agreement.

Section 57. Holdover

Without in any way limiting the provisions set forth in the Sections of this Agreement entitled "*Termination*", "*Right of Re-entry*" and "*Survival of the Obligations of the Lessee*", respectively, in the event the Lessee remains in possession of the Premises (without the written consent of the Port Authority through either a written notice from the Port Authority or a written agreement between the parties) after the expiration or termination of the term of the letting under this Agreement, as it may be extended from time to time, in addition to any damages to which the Port Authority may be entitled under this Agreement or other remedies the Port Authority may have by law or otherwise, the Lessee shall pay to the Port Authority a rental for the period commencing on the day immediately following the date of such expiration or the effective date of such termination and ending on the date that the Lessee shall surrender and completely vacate the Premises at an annual rate equal to twice the sum of (i) the annual rate of the basic rental in effect on the date of such expiration or termination, plus (ii) all items of additional rent and other periodic charges, including without limitation the percentage rental, payable with respect to the Premises by the Lessee at the annual rate in effect during the 365 day period immediately preceding such date. Nothing herein contained shall give, or be deemed to give, the Lessee any right to remain in possession of the Premises after the expiration or termination of the letting under this Agreement. The Lessee acknowledges that the failure of the Lessee to surrender, vacate and yield up the Premises to the Port Authority on the effective date of such expiration or termination will or may cause the Port Authority injury, damage or loss. The Lessee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Lessee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss.

Section 58. Waiver of Trial by Jury

The Lessee waives its right to trial by jury in any summary proceeding or action that may hereafter be instituted by the Port Authority against the Lessee in respect of the Premises and/or in any action that may be brought by the Port Authority to recover rentals, fees, damages, or other sums due and owing under this Agreement. The Lessee specifically agrees that it shall not interpose

any claims as counterclaims in any summary proceeding or in any action for non-payment of rents, fees or other amounts which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

Section 59. Liquidated Damages

The Port Authority may assess, in its sole discretion, and Lessee shall pay within ten (10) days of written demand therefor as liquidated damages, and not as a penalty, the amounts described below for each of the events described below:

(a) If Lessee shall fail to open the Premises for business after and including the Rental Payment Start Date, then Lessee shall pay the amount of Two Hundred Fifty Dollars (\$250.00) per day for each day Lessee is not open for business. If such failure shall continue for in excess of sixty (60) days, the amount of such liquidated damages may be increased up to a maximum of Five Hundred Dollars (\$500.00) per day.

(b) If Lessee shall fail to furnish to the Port Authority any Monthly Statement or Annual Statement within the time required by this Lease, then Lessee shall pay the amount of One Hundred Dollars (\$100.00) per statement per day until such statement is properly delivered to the Port Authority for the first (1st) such failure to furnish a statement in any rolling twelve (12) month period, Two Hundred Fifty Dollars (\$250.00) per statement per day until such statement is delivered to the Port Authority for the second (2nd) such failure to furnish a statement in any rolling twelve (12) month period, and Five Hundred Dollars (\$500.00) per statement per day until such statement is delivered to the Port Authority for the third (3rd) and all subsequent failures to furnish any such statement in any rolling twelve (12) month period.

(c) If Lessee shall fail to provide the required certificate signed by the architect or engineer who sealed the Lessee's plans certifying that all of Lessee's Work, if any, has been performed in accordance with the approved plans and specifications and/or if Lessee shall fail to provide the as-built drawings in form and number requested by the Port Authority, as required by *Section 51(b)*, within ninety (90) days of the completion of Lessee's Work, then Lessee shall pay the amount of Three Hundred Dollars (\$300.00) per day for each day that it is not delivered to the Port Authority. If such failure shall continue for a period exceeding one hundred eighty (180) days after the completion of Lessee's Work, such shall be a material default by Lessee hereunder entitling the Port Authority to all remedies available to it hereunder or at law.

(d) If Lessee shall fail to operate its business as provided in the Section of this Agreement entitled "*Various Obligations of the Lessee*", and in accordance with any other operating standards implemented by the Port Authority, then Lessee shall pay the amount of One Hundred Dollars (\$100.00) per instance per day that Lessee fails to operate its business in accordance with the terms hereof for the first (1st) violation in any rolling twelve (12) month period, and the amount of Two Hundred Dollars (\$200.00) per instance that Lessee fails to operate its business in accordance with the terms hereof for the second (2nd) and any subsequent violations in any rolling twelve (12) month period.

(e) If Lessee shall fail to adjust its prices to comply with any criteria or policies for "Street Prices" in accordance with *Sections 13(c), (d) and (e)* of the Section of this Agreement entitled "*Sales and Services by the Lessee*", then Lessee shall pay the amount of One Hundred Dollars (\$100.00) per day for each day that Lessee is not in compliance with such criteria and policies for the first (1st) violation in any rolling twelve (12) month period, and the amount of Two Hundred Dollars (\$200.00) per day for each day that Lessee is not in compliance with such criteria and policies for the second (2nd) and any subsequent violations in any rolling twelve (12) month period.

(f) If Lessee shall fail to operate its business as provided in *Section 13(f)*

of the Section of this Agreement entitled "*Sales and Services by the Lessee*", then Lessee shall pay the amount of One Hundred Dollars (\$100.00) per hour for each hour Lessee fails to operate its business during any required operating hours for the first (1st) violation in any rolling twelve (12) month period, and the amount of Two Hundred Dollars (\$200.00) per hour for each hour Lessee fails to operate its business during any required operating hours for the second (2nd) and any subsequent violations in any rolling twelve (12) month period.

(g) If Lessee shall be in default of the Section of this Agreement entitled "*Signs*" relating to Lessee's use and placement of signs, then Lessee shall pay the amount of One Hundred Fifty Dollars (\$150.00) for each day of default in order to reimburse the Port Authority for the additional administrative expenses resulting therefrom.

Section 60. Amendments/Modifications

(a) Notwithstanding the provisions of paragraph (a) of the Section of this Agreement entitled "*Prohibited Acts*", paragraph (c) of the Section of this Agreement entitled "*Construction by the Lessee*" or the Section of this Agreement entitled "*Surrender*", and without limiting the generality thereof, the Lessee on the expiration or earlier termination of this Agreement shall not be required (nor permitted to remove the walls, floors or ceilings (including any heating, ventilating, air conditioning, electrical, plumbing or sprinkling equipment or systems, or kitchen exhaust flue, if any) in the Premises constructed or installed prior to the commencement of the letting, or as part of any finishing work in the Premises performed by the Lessee pursuant to the provisions of the Sections of this Agreement entitled "*Construction by the Lessee*" and "*Finishes and Decorating by the Lessee*", respectively, but the Lessee shall be required to cap all electrical and plumbing lines flush with the walls, floors and ceilings. Nothing herein shall be deemed to affect or impair the Lessee's maintenance and repair obligations during the term of the letting with respect to any of the foregoing. The Lessee on the expiration or earlier termination of the letting, including a termination pursuant to the Section of this Agreement entitled "*Thirty Day Termination*", shall be required to remove from the Premises leasehold trade fixtures and leasehold equipment, including without limitation, shelving, display cases, floor counters, items displaying the Lessee's trademark, trade name, trademark, trade dress, copyright or service mark, and similar installations installed by the Lessee in the Premises and to restore the Premises to the condition thereof prior to the construction or installation of such leasehold trade fixtures and equipment. In the event of a failure on the part of the Lessee to so remove and restore all or a portion of such leasehold trade fixtures and leasehold equipment, the Port Authority may do so, and the Lessee shall pay the cost thereof to the Port Authority on demand.

(b) Notwithstanding the provisions of paragraph (t)(3) of the Section of this Agreement entitled "*Definitions*" with respect to the definition of "*Gross Receipts*", the exclusions from Gross Receipts shall not only include volume discounts received from Lessee's vendors, suppliers and manufacturers but shall also include rebates that reduce Lessee's cost of goods; provided, however, all RDAs shall be included in Lessee's Gross Receipts.

(c) Notwithstanding the provisions of paragraph (oo) of the Section of this Agreement entitled "*Definitions*" with respect to the definition of "*Rental Payment Start Date*", the Rental Payment Start Date shall mean the earliest to occur of the following: (a) the date Gross Receipts are first generated in or from all of the spaces comprising the Premises by the Lessee; or (b) ninety (90) days from the date the Port Authority makes available the last of the spaces comprising the Premises identified on Exhibit A-2 to the Lessee for its occupancy, such date being referred to herein as the "*Date of Beneficial Occupancy*"; provided, that the Rental Payment Start Date may be extended on a day for day basis equal to the actual number of days that Lessee is delayed in the performance of Lessee's Work as specified in Item 8 of Exhibit B.

(d) Notwithstanding the definition of "*Rental Payment Start Date*" and notwithstanding the provisions of paragraphs (a) and (b)(3) of the Section of this Agreement entitled

"Additional Rent Items and Lessee Obligations", paragraphs Item 1(a)(1) and (b) of "Exhibit B", from the date when Gross Receipts are first generated from the spaces comprising the Premises identified on Exhibit A-2 until the date when Gross Receipts are first generated from the last of the spaces comprising the Premises identified on Exhibit A-2, Lessee shall not be obligated to remit any installments of the MAG during such period (but in no event shall the payment of MAG begin later than 90 days from the date the last space for the Premises identified in Exhibit A-2 to this Lease is delivered to Lessee) and in lieu thereof, Lessee shall pay to the Port Authority an interim Percentage Rental equal to twenty-three percent (23%) of all Gross Receipts during each month, inclusive of amounts payable, if any, with respect to RDAs arising during each month, together with monthly installments of the Promotion Fee and Distribution Fee. The Distribution Fee shall be adjusted on the opening of each of the spaces comprising the Premises as identified on Exhibit A-2 for the generation of Gross Receipts during this Period. On the Rental Payment Start Date, Lessee shall pay to the Port Authority the MAG and Percentage Rental as set forth in Exhibit B together with monthly installments of all Additional Rent Items, including, but not limited to, the Promotion Fee and the Distribution Fee.

(e) Notwithstanding the provisions of paragraph (j) of the Section of this Agreement entitled "*Various Obligations of the Lessee*", the first three sentences of such paragraph (j) deleted and are replaced with the following: "Airport Concession Disadvantaged Business Enterprises ("ACDBE"). If any member of AMS-BW Newark is required to apply as an ACDBE with the Port Authority, please check here (X). Such member shall immediately take all steps necessary to obtain such certification from the Port Authority on or before the Rental Payment Start Date."

(f) Notwithstanding the provisions of paragraph (i) of the Section of this Agreement entitled "*Various Obligations of the Lessee*" and further notwithstanding the provisions of paragraph (a) of the Section of this Agreement entitled "*Finishes and Decorations by the Lessee*", Lessee shall not be required to remediate any Hazardous Substances that were present in or adjacent to any portion of the Premises on or before the date such portion of the Premises was initially delivered by the Authority to Lessee.

Section 61. Miscellaneous

(a) Relationship of the Parties. Notwithstanding any other term or provision hereof, this Agreement does not constitute the Lessee as the agent or representative of the Port Authority for any purpose whatsoever. Neither a partnership nor any joint venture is hereby created.

(b) Lessee's Rights Non-Exclusive. Except as expressly provided herein with respect to the Premises, neither the execution of this Agreement by the Port Authority nor anything contained herein shall grant or be deemed to grant to the Lessee any exclusive rights or privileges.

(c) Updating of Federal Requirements. The Lessee specifically acknowledges and agrees that the Federal requirements set forth in **Schedule E** may be revised or updated from time to time and that, accordingly, the Port Authority may from time to time, by notice to the Lessee, provide to the Lessee revised or updated forms of **Schedule E** to replace the **Schedule E** currently attached to and forming a part of this Agreement. Such replacement **Schedule E** shall, from the effective date of such notice, be deemed to constitute an integral part of this Agreement. The Lessee further specifically acknowledges that the same revision or updating of Federal requirements may occur from time to time with respect to the regulations set forth in 49 CFR Part 23 of the Department of Transportation Office of the Secretary and that the provisions of this paragraph relating to **Schedule E** shall apply equally to those set forth in **Schedule G**.

It constitutes the entire agreement of the parties on the subject matter hereof and may not be changed, modified, discharged or extended except by written instrument duly executed by the Port Authority and the Lessee. EXHIBIT B

Rental, Abatement, Insurance Limits and Other Terms

Item 1: Rental Provisions:

(a) Basic Rental and Additional Rental:

(1) The Lessee shall pay to the Port Authority a basic rental (sometimes referred to herein as "**Basic Rental**" or "**MAG**") at the annual rate of Three Million Three Hundred Thirty-Eight Thousand Five Hundred Four Dollars and No Cents (\$3,338,504.00), payable in equal monthly installments in advance on the Rental Payment Start Date and on the first day of each and every calendar month thereafter occurring during the first Annual Period of the term of the letting hereunder, provided, however, that if the Rental Payment Start Date shall occur on a day other than the first day of a calendar month, the monthly installment of the applicable Basic Rental, i.e., MAG, payable for the portion of the calendar month in which such respective event occurs following such date shall be an amount equal to the monthly installment set forth in this subparagraph multiplied by a fraction, the numerator of which shall be the number of days from such respective event to the end of the calendar month in which such respective event occurs, and the denominator of which shall be the full number of days in that calendar month. If the date of expiration or termination of the letting hereunder occurs on other than the last day of the month, the applicable Basic Rental payable for the portion of the month in which the date of such expiration or termination shall occur during which the letting thereof remains effective shall be the amount of the monthly installment of such applicable Basic Rental set forth in this subparagraph prorated on a daily basis.

(2) The Basic Rental shall be adjusted for each subsequent Annual Period as follows: Eighty-five percent (85%) of the prior Annual Period's total Effective Rental, but in no event less than Three Million Three Hundred Thirty-Eight Thousand Five Hundred Four Dollars and No Cents (\$3,338,504.00). "**Effective Rental**" means the annual aggregate of Basic Rental plus Percentage Rental (based on actual Gross Receipts for the prior Annual Period) required to be paid hereunder.

(b) Percentage Rental

In addition to the Basic Rental payable under paragraph (a) above, the Lessee shall pay to the Port Authority an annual "**Percentage Rental**" equivalent to the excess, over the applicable annual Basic Rental established for such Annual Period under paragraph (a) above, of the sum of the following for the same Annual Period.

Twenty-Three percent (23%) on all Gross Receipts during each Annual Period, inclusive of amounts payable, if any, with respect to RDAs arising during each Annual Period.

The computation of Percentage Rental for each Annual Period, or a portion of an Annual Period as hereinafter provided, shall be individual to such Annual Period or such portion of an Annual Period and without relation to any other Annual Period or any other portion of any Annual Period. The time for making payment and the method of calculation of Percentage Rental shall be as set forth in paragraph (d) of this Item 1.

(c) For any Annual Period which contains more or less than 365 days, the Basic Rental shall be the amount obtained by multiplying the item by a fraction, the numerator of which shall be the number of days from the commencement of such Annual Period through the last day thereof, both dates inclusive, and the denominator of which shall be 365.

(d) Time of Payment of Percentage Rental Computations of Amounts and Accounting

(1) The Gross Receipts shall be reported and the Percentage Rental shall be paid as follows: on the 15th day of the first calendar month following the commencement of each Annual Period and on the 15th day of each and every calendar month thereafter without notice or demand, including the month following the end of each Annual Period and the calendar month following the expiration of the letting hereunder, the Lessee shall render to the Port Authority a sworn statement showing separately (by type of Gross Receipts and by sales location, if there be more than one sales location, or, if applicable, the amounts of the Percentage Rental rates applicable to the categories stated above of Gross Receipts referred to paragraph (b) of this Item 1 arising from its operations at the sales area(s) (including any interim space) of the Premises in the preceding month, or, if applicable, the Lessee shall specify separately the percentages and the results of applying each of the percentages, as provided in said provisions) and also showing such information on a cumulative basis from the date of the commencement of the same Annual Period as that for the month for which the report is made through the last day of the preceding month. Whenever any monthly statement shall show that the results of applying the provisions of paragraph (b) of this Item 1 indicate Percentage Rental on such cumulative basis to be in excess of the Basic Rental for the Annual Period for which the report is made, the Lessee shall pay to the Port Authority at the time of rendering the statement an amount equal to such excess. Further, the Lessee shall thereafter on the 15th day of each subsequent month during that Annual Period, and the month following the end of that Annual Period, including the month following the expiration of the letting hereunder, pay to the Port Authority for each such month during that Annual Period a sum equal to the amounts yielded by applying the percentages set forth in paragraph (b) of Item 1 of Exhibit B and without reference to the monthly installment of the Basic Rental.

(2) Upon any termination of the letting hereunder (even if stated to have the same effect as expiration), Gross Receipts shall be reported and Percentage Rental shall be paid on the 15th day of the first month following the month in which the effective date of such termination occurs, as follows. The Lessee shall render to the Port Authority a sworn statement of all Gross Receipts for the Annual Period in which the effective date of termination falls showing separately (by type of Gross Receipts and by sales location, if there be more than one sales location) the cumulative amount of the different types of Gross Receipts set forth in paragraph (b) of this Item 1 and separately showing the percentages and the results of applying the percentages as stated in said provisions applicable to each of such different types and amounts of Gross Receipts. The payment then due on account of Percentage Rental for the Annual Period in which the effective date of termination falls shall be the excess of the Percentage Rental computed as set forth in the following sentence, over the total of all Percentage Rental payments previously made for such Annual Period. The Percentage Rental due for any such Annual Period in which the effective date of termination falls shall be equal to the excess, over the prorated Basic Rental established for such Annual Period pursuant to the proration provisions set forth in paragraph (c) of this Item 1, of the amount resulting from applying the provisions of paragraph (b) of this Item 1 to the cumulative amount of the different types of Gross Receipts arising during such Annual Period in accordance with the formula set forth in paragraph (b) of this Item 1, adjusted pursuant to the proration provisions set forth in paragraph (c) of this Item 1.

(e) Abatement

(1) For every calendar day or major fraction thereof that the Lessee shall be entitled to abatement during the period commencing on the commencement date of the term of the letting hereunder and continuing through the expiration of said term of the letting hereunder, the Basic Rental established for such period shall be reduced (abated) by the product of the MAG multiplied by a fraction the numerator of which shall be the number of square feet of floor space as to

which the abatement applies and the denominator of which shall be the total number of square feet in the Premises.

(2) For the purpose of abatement, the ascertainment of the number of square feet contained in the Premises to be measured shall be in accordance with the following: Areas of the Premises and parts thereof will be computed by measuring from the inside plaster surface of outer building walls to the plaster surface of the corridor side of corridor partitions and to the center of partitions that separate the Premises from adjoining rentable area: no deduction will be made for columns, pilasters, or projections necessary to the building or for toilets, porter's closets, and slop sinks used exclusively by the Lessee and contained within the Premises. Permanent partitions enclosing elevator shafts, stairs, fire towers, vents, pipe shafts, meter closets, flues, stacks, and any vertical shafts have the same relation to rentable area, as do outer building walls.

(3) Nothing contained in this Item 1 shall affect the survival of the obligations of the Lessee as set forth in the Section of this Agreement entitled "*Survival of the Obligations of the Lessee*".

Item 2: Liability Insurance Limits:

The Lessee in its own name as insured with the Protected Indemnitees as additional insureds shall maintain liability insurance coverage referred to in paragraph (b) of the Section of this Agreement entitled "*Indemnity; Liability Insurance*" in not less than the following minimum limits:

| | <u>Minimum Limits</u> |
|--|-----------------------|
| Commercial General Liability: Combined single limit per occurrence for death, bodily injury and property damage liability (including premises operations, completed operations, and products liability) | \$2,000,000 |
| Commercial Automobile Liability: Combined single limit per occurrence for death, bodily injury and property damage liability | Not Applicable |
| Liquor Liability | Not Applicable |

Item 3: Not Applicable

Item 4: Construction:

Per Section of this Agreement entitled "*Finishing and Decorating by the Lessee*"

Item 5: Construction Liability Limits:

The limits of liability insurance shall not be lower than those set forth in the Alteration Application referred to in the Section of this Agreement entitled "*Finishing and Decorating by the Lessee*".

Item 6: Cost and Proration Thereof:

(a) The sum of the following items of cost incurred by the Lessee in connection with the performance of the Lessee's Work shall constitute the "cost" under the Section of this Agreement entitled "*Finishes and Decorating by the Lessee*" and under subdivisions (b), (c), (d), (e),

(f), and (g) hereof, to the extent that such characterization is consistent with sound accounting practice and to the extent that such sum does not exceed Two Million Two Hundred Twenty-Three Thousand Dollars Five Hundred Sixty-Two and No Cents (\$2,223,562.00) for the initial capital investment.

(1) Direct labor and material costs;

(2) Contract costs for purchase and installation of improvements, fixtures and equipment, excluding those of the types mentioned in the following subdivision (3);

(3) Engineering, architectural, planning, designing, financing, interest, insurance, and other overhead or carrying charges which are due for a period ending not later than the date of completion of installation of any such initial equipment, fixtures, or improvements for which they are incurred, and not to exceed twenty percent (20%) of the total of the amounts covered by subdivisions (1) and (2) above.

(b) A statement of the cost detailing all of the foregoing, including copies of invoices and contracts and certified by a responsible officer of the Lessee shall be delivered by the Lessee to the Port Authority not later than ninety (90) days after the complete supplying and installing of all such initial fixtures or equipment and the making of all such initial improvements, and the Lessee shall permit the Port Authority, by its agents, employees, and representatives, at all reasonable times prior to a final settlement or determination of cost, to examine and audit the records and books of the Lessee and any Affiliate thereof which pertain to the cost; the Lessee agrees to keep and to cause its Affiliates to keep such records and books of account within the Port of New York District during such time.

(c) If the Lessee includes in cost any item as having been incurred, but which, in the opinion of the Port Authority, was not so incurred or which, in the opinion of the Port Authority, if so incurred is not an item properly chargeable to cost under sound accounting practice, then the Port Authority, within ninety (90) days after receipt of the said statement of cost as mentioned in subdivision (b) above, shall give written notice to the Lessee stating its objection to any such item and the grounds therefor. If such notice is given and if the dispute is not settled within thirty (30) days by agreement between the parties, then such dispute shall be disposed of by arbitration in accordance with the then existing rules of the American Arbitration Association or any successor organization. Costs of said arbitration shall be borne equally by the Port Authority and the Lessee.

(d) In any such arbitration as to whether any item included by the Lessee in its computation of cost has been incurred, the question to be submitted to the arbitrators for decision shall be as follows:

“Was all or any part of such cost incurred by the Lessee; and if part, but not all of such cost was incurred, what was the amount which was so incurred?”

(e) Any such arbitration as to whether any item included by the Lessee in its computation of cost is properly chargeable thereunder under sound accounting practice, the question to be submitted to the arbitrators for decision shall be as follows:

“Can it reasonably be held that all or any part of such cost is properly chargeable under sound accounting practice; and if part, but not all of such cost can be reasonably held to be so chargeable, then what amount can reasonably be held to be so chargeable?”

The arbitrators to whom such question(s) shall be submitted (under the preceding paragraphs (d) and

(e)) shall be accountants or auditors.

(f) The proration of cost as referred to in the Section entitled "*Finishes and Decorating by the Lessee*" shall be ascertained by multiplying the cost by a fraction, the numerator of which shall be the number of whole calendar months (in the term of the letting as originally set forth) subsequent to the effective date of termination, and the denominator of which shall be the total number of months in the term of the letting as originally set forth.

(g) Notwithstanding any other provision of the Section of this Agreement entitled "*Finishes and Decorating by the Lessee*", in ascertaining the amount that the Port Authority shall be obligated to pay to the Lessee under said Section, the cost computed as heretofore stated in this Item shall be diminished by the amount that any part of the components of cost as stated in subdivisions (1), (2), and (3) of paragraph (a) above are secured by liens, mortgages, other encumbrances, or conditional bills of sale on such equipment, fixtures, and improvements and less any other amounts whatsoever due under this Agreement from the Lessee to the Port Authority. In no event whatsoever shall cost, as defined and computed in accordance with this Item and as used in the above-cited Section and in this Item, include any expenses, outlays, or charges whatsoever by or for the account of the Lessee for or in connection with any equipment or fixtures or the making of any improvements mentioned in said Section or in this Item unless said equipment, fixtures, and/or improvements are actually and completely installed in and/or made to the Premises and, in accordance with law unaffected by any act or statement of the Lessee, are considered part of the Premises.

Item 7: Performance Bond: Not applicable.

Item 8: Letting Postponed: Notwithstanding anything to the contrary set forth in this Agreement, in the event the Lessee is delayed in the performance of Lessee's Work following the initial delivery of any portion of the Premises due to: (a) the remediation by the Port Authority of any pre-existing Hazardous Substances which were present in or about the Premises, then Lessee shall have a day for day extension to complete Lessee's Work equal to the number of days that Lessee was so delayed; or (b) the failure of the Port Authority to timely issue all permits for the performance of Lessee's Work in accordance with the TAA process or the failure of the Port Authority to timely inspect the Premises following the completion of Lessee's Work in accordance with the TAA process and neither of which was due to any fault on the part of Lessee, then Lessee shall have a day for day extension to complete Lessee's Work equal to the number of days that Lessee was so delayed. The period of delay with respect to Item 8(a) shall be calculated from the day in which Lessee is instructed to cease Lessee's Work by the Port Authority to the day in which Lessee is given the clearance to resume Lessee's Work by the Port Authority following the Port Authority's receipt of the proper certification from the certified abatement contractor in accordance with standard policies and procedures in effect for the Terminal. The period of delay with respect to Item 8(b) shall be calculated to include any days which Lessee is prevented from starting Lessee's Work due to delays by the Port Authority in timely issuing permits in accordance with the TAA process as well as any days in which Lessee is prevented from opening any portion of the Premises for business to the public due to delays by the Port Authority in completing any inspections of the Premises in accordance with the TAA process. In the event of any such delays, the Port Authority shall send Tenant a confirmation letter setting the actual Rental Payment Start Date making due allowance for such delays and expiration of the Term of this Agreement.

SCHEDULE E

AFFIRMATIVE ACTION – EQUAL OPPORTUNITY – MINORITY BUSINESS ENTERPRISES – WOMEN-OWNED BUSINESS ENTERPRISES REQUIREMENTS

Part I. Affirmative Action Guidelines – Equal Employment Opportunity

I. As a matter of policy, the Port Authority hereby requires the Lessee and the Lessee shall require the Contractor, as hereinafter defined, to comply with the provisions set forth hereinafter in this Schedule E with the Lessee (as defined in the Agreement to which this Schedule E is attached). The provisions set forth in this Part I are similar to the conditions for bidding on federal government contract adopted by the Office of Federal Contract Compliance and effective May 8, 1978.

The Lessee, as well as each bidder, contractor, and subcontractor of the Lessee and each subcontractor of a contractor at any tier of construction (herein collectively referred to as the "Contractor") must fully comply with the following conditions set forth herein as to each construction trade to be used on the construction work or any portion thereof (said conditions being herein called "Bid Conditions"). The Lessee hereby commits itself to the goals for minority and female utilization set forth below and all other requirements, terms, and conditions of the Bid Conditions. The Lessee shall likewise require the Contractor to commit itself to the said goals for minority and female utilization set forth below and all other requirements, terms, and conditions of the Bid Conditions by submitting a properly signed bid.

II. The Lessee and the Contractor shall each appoint an executive of its company to assume the responsibility for the implementation of the requirements, terms, and conditions of the following Bid Conditions:

(a) The goals for minority and female participation expressed in percentage terms for the Contractor's aggregate workforce in each trade on all construction work are as follows:

(1) Minority participation

| | |
|---------------------------|-----|
| Minority, except laborers | 30% |
| Minority, laborers | 40% |

(2) Female participation

| | |
|-------------------------|------|
| Female, except laborers | 6.9% |
| Female, laborers | 6.9% |

These goals are applicable to all the Contractor's construction work performed in and for the Premises.

The Contractor's specific affirmative action obligations required herein of minority and female employment and training must be substantially uniform throughout the length of the contract, and in each trade, and the Contractor shall make good faith efforts to employ minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the Contractor's goals shall be a violation of the contract. Compliance with the goals will be measured against the total work hours performed.

(b) The Contractor shall provide written notification to the Lessee and the Lessee shall provide written notification to the Manager of the Office of Business and Job Opportunity of the Port Authority within ten (10) working days of award of any construction subcontract in excess of \$10,000 at any tier for construction work. The notification shall list the name, address, and telephone number of the subcontractor; employer identification number; estimated starting and completion dates of the subcontract; and the geographical area in which the subcontract is to be performed.

(c) As used in these specifications:

(1) "Employer identification number" means the Federal Social Security number used on the Employer's Quarterly Federal Tax Return, U.S. Treasury Department Form 941;

(2) "Minority" includes:

(i) Black (all persons having origins in any of the Black African racial groups, not of Hispanic origin);

(ii) Hispanic (all persons of Mexican, Puerto Rican, Dominican, Cuban, Central or South American culture or origin, regardless of race);

(iii) Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands); and

(iv) American Indian or Alaskan Native (all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification).

(d) Whenever the Contractor, or any subcontractor at any tier, subcontracts a portion of the construction work involving any construction trade, it shall physically include in each subcontract in excess of \$10,000 those provisions which include the applicable goals for minority and female participation.

(e) The Contractor shall implement the specific affirmative action standards provided in subparagraphs (1) through (16) of Paragraph (h) hereof. The goals set forth above are expressed as percentages of the total hours of employment and training of minority and female utilization the Contractor should reasonably be able to achieve in each construction trade in which it has employees in the Premises. The Contractor is expected to make substantially uniform progress toward its goals in each craft during the period specified.

(f) Neither the provisions of any collective bargaining agreement, nor the failure by a union with whom the Contractor has a collective bargaining agreement, to refer either minorities or women shall excuse the Contractor's obligations hereunder.

(g) In order for the non-working training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees must be employed by the Contractor during the training period, and the Contractor must have made a commitment to employ the apprentices and trainees at the completion of their training subject to the availability of employment opportunities. Trainees must be trained pursuant to training programs approved by the U.S. Department of Labor.

(h) The Contractor shall take specific affirmative actions to ensure equal employment opportunity ("EEO").

The evaluation of the Contractor's compliance with these provisions shall be based upon its good faith efforts to achieve maximum results from its actions. The Contractor shall document these efforts fully, and shall implement affirmative action steps at least as extensive as the following:

(1) Ensure and maintain a working environment free of harassment, intimidation, and coercion at all sites, and in all facilities at which the Contractor's employees are assigned to work. The Contractor, where possible, will assign two or more women to each Phase of the construction project. The Contractor shall specifically ensure that all foremen, superintendents,

and other supervisory personnel at the Premises are aware of and carry out the Contractor's obligation to maintain such a working environment, with specific attention to minority or female individuals working at the Premises.

(2) Establish and maintain a current list of minority and female recruitment sources, provide written notification to minority and female recruitment sources and to community organizations when the Contractor or its unions have employment opportunities available, and maintain a record of the organizations' responses.

(3) Maintain a current file of the names, addresses, and telephone numbers of each minority and female off-the-street applicant and minority or female referral from a union, a recruitment source, or community organization and of what action was taken with respect to each such individual. If such individual was sent to the union hiring hall for referral and was not referred back to the Contractor by union or, if referred, not employed by the Contractor, this shall be documented in the file with the reason therefor, along with whatever additional actions the Contractor may have taken.

(4) Provide immediate written notification to the Lessee when the union or unions with which the Contractor has a collective bargaining agreement has not referred to the Contractor a minority person or woman sent by the Contractor, or when the Contractor has other information that the union referral process has impeded the Contractor's efforts to meet its obligations.

(5) Develop on-the-job training opportunities and/or participate in training programs for the area which expressly include minorities and women, including upgrading programs and apprenticeship and training programs relevant to the Contractor's employment needs, especially those programs funded or approved by the Department of Labor. The Contractor shall provide notice of these programs to the sources compiled under subparagraph (2) above.

(6) Disseminate the Contractor's EEO policy by providing notice of the policy to unions and training programs and requesting their cooperation in assisting the Contractor in meeting its EEO obligations; by including it in any policy manual and collective bargaining agreement; by publicizing it in the Contractor's newspaper, annual report, etc.; by specific review of the policy with all management personnel and with all minority and female employees at least once a year; and by posting the Contractor's EEO policy on bulletin boards accessible to all employees at each location where construction work is performed.

(7) Review, at least every six months, the Contractor's EEO policy and affirmative action obligations hereunder with all employees having any responsibility for hiring, assignment, layoff, termination, or other employment decision, including specific review of these items with on-Premises supervisory personnel such as Superintendents, General Foremen, etc., prior to the initiation of construction work at the Premises. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed, and disposition of the subject matter.

(8) Disseminate the Contractor's EEO policy externally by including it in any advertising in the news media, specifically including minority and female news media, and providing written notification to and discussing the Contractor's EEO policy with other Contractors and Subcontractors with whom the Contractor does or anticipates doing business.

(9) Direct its recruitment efforts, both oral and written, to minority, female, and community organizations, to schools with minority and female students and to minority and female recruitment and training organizations and to State-certified minority referral agencies serving the Contractor's recruitment area and employment needs. Not later than one month prior to the date for the acceptance of applications for apprenticeship or other training by any recruitment source, the Contractor shall send written notification to organizations such as the above, describing the openings, screening procedures, and tests to be used in the selection process.

(10) Encourage present minority and female employees to recruit other minority persons and women and, where reasonable, provide after school, summer, and vacation employment to minority and female youth both on the Premises and in areas of a Contractor's workforce.

(11) Tests and other selecting requirements shall comply with 41 CFR Part 60-3.

(12) Conduct, at least every six months, an inventory and evaluation at least of all minority and female personnel for promotional opportunities and encourage these employees to seek or to prepare for, through appropriate training, etc., such opportunities.

(13) Ensure that seniority practices, job classifications, work assignments, and other personnel practices do not have a discriminatory effect by continually monitoring all personnel and employment related activities to ensure that the EEO policy and the Contractor's obligations hereunder are being carried out.

(14) Ensure that all facilities and company activities are non-segregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure privacy between the sexes.

(15) Document and maintain a record of all solicitations of offers for subcontracts from minority and female construction contractors and suppliers, including circulation of solicitations to minority and female contractor associations and other business associations.

(16) Conduct a review, at least every six months, of all supervisors' adherence to and performance under the Contractors' EEO policies and affirmative action obligations.

(i) Contractors are encouraged to participate in voluntary associations which assist in fulfilling one or more of their affirmative action obligations (subparagraphs (1)-(16) of Paragraph (h) above). The efforts of a contractor association, joint contractor-union, contractor-community, or other similar group of which the Contractor is a member and participant, may be asserted as fulfilling any one or more of its obligations under Paragraph (h) hereof provided that: the Contractor actively participates in the group, makes good faith efforts to assure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the program are reflected in the Contractor's minority and female workforce participation, makes good faith efforts to meet its individual goals and timetables, and can provide access to documentation which demonstrates the effectiveness of actions taken on behalf of the Contractor. The obligation to comply, however, is the Contractor's and failure of such a group to fulfill an obligation shall not be a defense for the Contractor's non-compliance.

(j) A single goal for minorities and a separate single goal for women have been established. The Contractor, however, is required to provide equal opportunity and to take affirmative action for all minority groups, both male and female, and all women, both minority and non-minority. Consequently, the Contractor may be in violation hereof if a particular group is employed in a substantially disparate manner (for example, even though the Contractor has achieved its goals for women generally, the Contractor may be in violation hereof if a specific minority group of women is underutilized).

(k) The Contractor shall not use the goals and timetables or affirmative action standards to discriminate against any person because of race, color, religion, sex or national origin.

(l) The Contractor shall not enter into any subcontract with any person or firm debarred from Government contracts pursuant to Executive Order 11246.

(m) The Contractor shall carry out such sanctions and penalties for violation of this clause including suspension, termination and cancellation of existing subcontracts as

may be imposed or ordered by the Lessee. Any Contractor who fails to carry out such sanctions and penalties shall be in violation hereof.

(n) The Contractor, in fulfilling its obligations hereunder shall implement specific affirmative actions steps, at least as extensive as those standards prescribed in paragraph (h) hereof so as to achieve maximum results from its efforts to ensure equal employment opportunity. If the Contractor fails to comply with the requirements of these provisions, the Lessee shall proceed accordingly.

(o) The Contractor shall designate a responsible official to monitor all employment related activity to ensure that the company EEO policy is being carried out, to submit reports relating to the provisions hereof as may be required and to keep records. Records shall at least include for each employee the name, address, telephone numbers, construction trade, union affiliation if any, employee identification number when assigned, social security number, race, sex, status (e.g., mechanical apprentice, trainee, helper, or laborer), dates of changes in status, hours worked per week in the indicated trade, rate of pay, and location at which the work is performed. Records shall be maintained in an easily understandable and retrievable form; however, to the degree that existing records satisfy this requirement, contractors shall not be required to maintain separate records.

(p) Nothing herein provided shall be construed as a limitation upon the application of any laws which establish different standards of compliance or upon the application of requirements for the hiring of local or other area residents (e.g., those under the Public Works Employment Act of 1977 and the Community Development Block Grant Program).

(q) Without limiting any other obligation, term or provision under the Agreement, the Contractor shall cooperate with all federal, state or local agencies established for the purpose of implementing affirmative action compliance programs and shall comply with all procedures and guidelines established or which may be established by the Port Authority.

PART II.

MINORITY BUSINESS ENTERPRISES/WOMEN-OWNED BUSINESS ENTERPRISES

As a matter of policy the Port Authority requires that Lessee and the Lessee shall itself and shall require the general contractor or other construction supervisor and each of the Lessee's contractors to use every good faith effort to provide for meaningful participation by Minority Business Enterprises (MBEs) and Women-owned Business Enterprises (WBEs) in the construction work pursuant to the provisions of this Schedule E. For purposes hereof, "Minority Business Enterprise" "(MBE)" shall mean any business enterprise which is at least fifty-one percentum owned by, or in the case of a publicly owned business, at least fifty-one percentum of the stock of which is owned by citizens or permanent resident aliens who are minorities and such ownership is real, substantial and continuing. For the purpose hereof, "Women-owned Business Enterprise" "(WBE)" shall mean any business enterprise which is at least fifty-one percentum owned by, or in the case of a publicly owned business, at least fifty-one percentum of the stock of which is owned by women and such ownership is real, substantial and continuing. A minority shall be as defined in paragraph II(c) of Part I of this Schedule E. "Meaningful participation" shall mean that at least seventeen percent (17%) of the total dollar value of the construction contracts (including subcontracts) covering the construction work are for the participation of Minority Business Enterprises and Women-owned Business Enterprises, of which at least twelve percent (12%) are for the participation of Minority Business Enterprises. Good faith efforts to include meaningful participation by MBEs and WBEs shall include at least the following:

- (a) Dividing the work to be subcontracted into smaller portions where feasible.

(b) Actively and affirmatively soliciting bids for subcontracts from MBEs and WBEs, including circulation of solicitations to minority and female contractor associations. The Contractor shall maintain records detailing the efforts made to provide for meaningful MBE and WBE participation in the work, including the names and addresses of all MBEs and WBEs contacted and, if any such MBE or WBE is not selected as a joint venturer or subcontractor, the reason for such decision.

(c) Making plans and specifications for prospective construction work available to MBEs and WBEs in sufficient time for review.

(d) Utilizing the list of eligible MBEs and WBEs maintained by the Port Authority or seeking minorities and women from other sources for the purpose of soliciting bids for subcontractors.

(e) Encouraging the formation of joint ventures, partnerships or other similar arrangements among subcontractors, where appropriate, to insure that the Lessee and Contractor will meet their obligations hereunder.

(f) Insuring that provision is made to provide progress payments to MBEs and WBEs on a timely basis.

(g) Not requiring bonds from and/or providing bonds and insurance for MBEs and WBEs, where appropriate.

Certification of MBEs and WBEs hereunder shall be made by the Office of Business and Job Opportunity of the Port Authority. If the Contractor wishes to utilize a firm not already certified by the Port Authority, it shall submit to the Port Authority a written request for a determination that the proposed firm is eligible for certification. This shall be done by completing and forwarding such form as may be then required by the Port Authority. All such requests shall be in writing addressed to the Office of Business and Job Opportunity, the Port Authority of New York and New Jersey, One World Trade Center, 63 East, New York, New York 10048 or such other address as the Port Authority may specify by notice to the Lessee. Certification shall be effective only if made in writing the Director in charge of the Office of Business and Job Opportunity of the Port Authority. The determination of the Port Authority shall be final and binding.

The Port Authority has compiled a list of the firms that the Port Authority has determined satisfy the criteria for MBE and WBE certification. This list may be supplemented and revised from time to time by the Port Authority. Such list shall be made available to the Contractor upon request. The Port Authority makes no representation as the financial responsibility or such, firms, their technical competence to perform, or any other performance-related qualifications.

Only MBE's and WBE's certified by the Port Authority will count toward the MBE and WBE goals.

Please note that only sixty percent (60%) of expenditures to MBE or WBE suppliers will count towards meeting the MBE and WBE goals. However, expenditures to MBE or WBE manufacturer's (i.e., suppliers that produce goods from raw materials or substantially alter them before resale) are counted dollar for dollar.

SCHEDULE G

Airport Concession Disadvantaged Business Enterprise ("ACDBE") Participation

In accordance with regulations of the US Department of Transportation 49 CFR Part 23 the Port Authority has implemented an Airport Concession Disadvantaged Business Enterprise ("ACDBE") program under which qualified firms may have the opportunity to operate an airport business. The Port Authority has established an ACDBE participation goal, as measured by the total estimated annual gross receipts for the overall concession program. The goal is modified from time to time and posted on the Port Authority's website: www.panynj.gov.

The overall ACDBE goal is a key element of the Port Authority's concession program and Lessee shall take all necessary and reasonable steps to comply with the requirements of the Port Authority's ACDBE program. The Concessionaire commits to making good faith efforts to achieve the ACDBE goal. Pursuant to 49 CFR 23.25(f), ACDBE participation must be, to the greatest extent practicable, in the form of direct ownership, management and operation of the concession or the ownership, management and operation of specific concession locations through subleases. The Port Authority will also consider participation through (1) joint venture in which ACDBEs control a distinct portion of the joint venture business and/or purchase of goods and services from ACDBEs. In connection with the aforesaid good faith efforts, as to those matters contracted out by the Concessionaire in its performance of this agreement, the Concessionaire shall use, to the maximum extent feasible and consistent with the Concessionaire's exercise of good business judgment including without limit the consideration of cost competitiveness, a good faith effort to meet the Port Authority's goals. Information regarding specific good faith steps can be found in the Port Authority's ACDBE Program located on its above-referenced website. In addition, the Concessionaire shall keep such records as shall enable the Port Authority to comply with its obligations under 49 CFR Part 23 regarding efforts to offer opportunities to ACDBEs.

Qualification as an ACDBE

To qualify as an ACDBE, the firm must meet the definition set forth below and be certified by the New York State or New Jersey Uniform Certification Program (UCP). The New York State UCP directory is available on-line at www.nysucp.net and the New Jersey UCP at www.njucp.net.

An ACDBE must be a small business concern whose average annual receipts for the preceding three (3) fiscal years does not exceed \$47.78 million and it must be (a) at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operations are controlled by one or more of the socially or economically disadvantaged individuals who own it. The personal net worth standard used in determining eligibility for purposes of Part 23 is \$750,000.

The ACDBE may, if other qualifications are met, be a franchisee of a franchisor. An airport concession is a for-profit business enterprise, located on an airport, which is subject to the Code of Federal Regulations 49 Part 23 that is engaged in the sale of consumer goods or services to the public under an agreement with the sponsor, another concessionaire, or the owner or operator of a terminal, if other than the sponsor. The Port Authority makes a rebuttable presumption that individuals in the following groups who are citizens of the United States or lawful permanent residents are "socially and economically disadvantaged":

- a. Women;
- b. Black Americans which includes persons having origins in any of the Black racial groups of Africa;

c. Hispanic Americans which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;

d. Native Americans which includes persons who are American Indians, Eskimos, Aleuts or Native Hawaiians;

e. Asian-Pacific Americans which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific Islands (Republic of Palau), the Commonwealth Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Juvalu, Nauru, Federated States of Micronesia or Hong Kong;

f. Asian-Indian Americans which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, Maldives Islands, Nepal and Sri Lanka; and

g. Members of other groups, or other individuals, found to be economically and socially disadvantaged by the Small Business Administration under Section 8(a) of the Small Business Act, as amended (15 U.S.C. Section 637(a)).

“Other individuals may be found to be socially and economically disadvantaged on a case-by-case basis. For example, a disabled Vietnam veteran, an Appalachian white male, or another person may claim to be disadvantaged. If such individual requests that his or her firm be certified as ACDBE, the Port Authority, as a certifying partner in the New York State and New Jersey UCPs will determine whether the individual is socially or economically disadvantaged under the criteria established by the Federal Government. These owners must demonstrate that their disadvantaged status arose from individual circumstances, rather than by virtue of membership in a group.

Certification of ACDBEs hereunder shall be made by the New York State or New Jersey UCP. If Concessionaire wishes to utilize a firm not listed in the UCP directories but which the Concessionaire believes should be certified as an ACDBE, that firm shall submit to the Port Authority a written request for a determination that the firm is eligible for certification. This shall be done by completing and forwarding such forms as may be required under 49 CFR Part 23. All such requests shall be in writing, addressed to Lash Green, Director, Office of Business and Job Opportunity, The Port Authority of New York and New Jersey, 233 Park Avenue South, 4th Floor, New York, New York 10003 or such other address as the Port Authority may designate from time to time. Contact OBJOcort@panynj.gov for inquiries or assistance.

General

In the event the signatory to this agreement is a Port Authority permittee, the term Concessionaire shall mean the Permittee herein. In the event the signatory to this agreement is a Port Authority lessee, the term Concessionaire shall mean the Lessee herein.

(d) The Port Authority shall have the right to all revenues derived for or from all Reserved Uses.

Section 6. Obligations in Connection with any Percentage Rental

(a) If any rental hereunder is measured by a percentage of the Lessee's Gross Receipts, the Lessee shall:

(1) Take all reasonable measures in every proper manner to maintain, develop and increase the business conducted by it hereunder;

(2) Not divert or cause or allow to be diverted any business from the Terminal;

(3) Maintain, in accordance with accepted accounting practice, during the term of this Agreement, for one (1) year after the expiration or earlier termination thereof, and for a further period extending until the Lessee shall receive written permission from the Port Authority to do otherwise, records and books of account recording all transactions of the Lessee, at, through, or in any way connected with the Airport (which records and books of account are hereinafter to be called the "Lessee's Records"). The Lessee's Records shall be kept at all times within the Port of New York District;

(4) Allow in ordinary business hours during the term of this Agreement, for one (1) year thereafter, and during such further period as is mentioned in the preceding subparagraph (3), above, the examination and audit by the officers, employees and representatives of the Port Authority of (i) the Lessee's Records and (ii) also any records and books of account of any Affiliate of the Lessee if said entity performs services, similar to those performed by the Lessee, anywhere in the Port of New York District. The Lessee shall make available to the Port Authority within the Port of New York District for examination and audit by the Port Authority pursuant to this paragraph those records and books of account described in (i) which are not required by subparagraph (3) above to be kept at all times in the Port of New York District and those records and books of account described in (ii) above (all of the foregoing being hereinafter called the "Other Relevant Records" and the Lessee's Records and the Other Relevant Records being hereinafter collectively referred to as the "Records");

(5) Allow the inspection by the officers, employees and representatives of the Port Authority of any equipment used by the Lessee, including but not limited to cash registers and other point of sale systems;

(6) Furnish on or before the fifteenth (15th) day of each month following the commencement date of the letting, and on or before the fifteenth (15th) day of April of each calendar year, the statements described in Item 1 of **Exhibit B** hereto;

(7) Install and use such cash registers and other point of sale systems, sales slips, invoicing machines and any other equipment or devices for recording orders taken, or services rendered, as may be appropriate to the Lessee's business and necessary or desirable to keep accurate records of Gross Receipts;

(b) Without implying any limitation on the right of the Port Authority to terminate this Agreement for the breach of any term or condition thereof, the Lessee understands that compliance by the Lessee with the provisions of subparagraphs (3) and (4) of paragraph (a) above are of the utmost importance to the Port Authority in having entered into the Percentage Rental arrangement under this Agreement and in the event of the failure of the Lessee to maintain, keep within the Port of New York District or make available for examination and audit the Lessee's Records in the manner and at the times or location as provided in this Section then, in addition to all and without limiting any other rights and remedies of the Port Authority, the Port Authority may:

(1) Estimate the Gross Receipts of the Lessee on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Lessee and the Lessee's Percentage Rental based thereon to be payable to the Port Authority when billed; or

(2) If any such Records have been maintained outside of the Port of New York District, but within the Continental United States then the Port Authority in its sole discretion may (i) require such Records to be produced within the Port of New York District or (ii) examine such Records at the location at which they have been maintained and in such event the Lessee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit, or

(3) If any such Records have been maintained outside the continental United States then, in addition to the costs specified in subdivision (2)(ii) above, the Lessee shall pay to the Port Authority when billed all other costs of the examination and audit of such Records including without limitation salaries, benefits, travel costs and related expenses, overhead costs and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

(c) The foregoing auditing costs, expenses and amounts set forth in subparagraphs (2) and (3) of paragraph (b) above shall be deemed fees and charges under this Agreement payable to the Port Authority with the same force and effect as all other fees and charges thereunder.

(d) In the event that upon conducting an examination and audit as described in this Section the Port Authority determines that unpaid amounts are due to the Port Authority by the Lessee, the Lessee, shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount of five percent (5%) of each amount determined by the Port Authority audit findings to be unpaid. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefore by the Port Authority. Such service charge(s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Lessee under this Agreement or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge or late charges or other service charges payable under the provisions of this Section with respect to such unpaid amount. Each such service charge shall be and become additional rent, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the rental. Nothing in this paragraph is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Agreement, including, without limitation, the Port Authority's rights to terminate set forth in the Section of this Agreement entitled "*Termination*" or (ii) any obligations of the Lessee under this Agreement.

Section 7. Government Requirements

(a) The Lessee shall procure at its own cost and expense from all governmental authorities having jurisdiction over the operations of the Lessee at the Premises all licenses, certificates, permits or other authorization which may be necessary for the conduct of its operations, and shall maintain in full force and effect throughout the term hereof all the foregoing licenses, certificates, permits and authorizations.

(b) The Lessee shall pay all taxes, license, certification, permit and examination fees and excises which may be assessed, levied, exacted or imposed on its property or operation hereunder or on the Gross Receipts or income therefrom, and shall make all applications, reports and returns required in connection therewith.

(c) The Lessee shall promptly observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions, including without limitation all Environmental Requirements, which now or at any time during the term hereof may pertain or apply to the operations of the Lessee or the Premises or its occupancy thereof, and the Lessee shall, in accordance with and subject to the provisions of the Section of this Agreement entitled "*Construction by the Lessee*", make any and all structural and nonstructural improvements, alterations or repairs of the Premises that may be required at any time hereafter by any such present or future law, rule, regulation, requirement, order or direction. This paragraph (c) shall not require Lessee to make structural improvements, alterations, or repairs to the Premises which are also required to be made generally throughout the Terminal, unless the requirement to make such structural improvements, alterations, and repairs generally throughout the Terminal results from the particular operations of the Lessee in the Premises which are not common to other tenants at the Terminal.

(d) The obligation of the Lessee to comply with governmental requirements is provided herein for the purpose of assuring proper safeguards for the protection of persons and property on the Premises. Such provision is not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

Section 8. Rules and Regulations

The Lessee covenants and agrees to observe and obey (and to compel its officers, members, employees, agents, representatives, contractors, customers, guests, invitees and those doing business with it to observe and obey) the existing rules and regulations of the Port Authority for the government of the conduct and operations of the Lessee and others on the Premises (see **Exhibit R**), and such further reasonable rules and regulations as may from time to time during the letting be promulgated by the Port Authority for reasons of safety, health, preservation of property, noise, sanitation, good order, and the economic and efficient operation of the Airport. If a copy of **Exhibit R** is not attached, then the Port Authority will either deliver a copy thereof to Lessee upon receipt of its request therefor or will make a copy available at the office of the Secretary of the Port Authority. The obligation of the Lessee to require such observance and obedience on the part of its guests, invitees and business visitors shall obtain only while such persons are on the Premises.

The Port Authority agrees that, except in cases of emergency, it will give notice to the Lessee of every such further rule or regulation adopted by it at least ten (10) days before the Lessee shall be required to comply herewith.

Section 9. Various Obligations of the Lessee

(a) **Conduct of Operations.** The Lessee shall conduct its operations in an orderly and proper manner so as not to unreasonably annoy, disturb or be offensive to others at the Terminal. The Lessee shall take all reasonable measures to eliminate vibrations originating on the Premises tending to damage the Premises, or any equipment or structure or portion of the Terminal of which the Premises is a part, and to keep the sound level of its operations as low as possible. The Lessee shall use its best efforts to conduct all its operations at the Premises in a safe and careful manner, following in all respects the best practices of the Lessee's industry in the United States.

(b) **Lessee's Employees.** The Port Authority shall have the right to object to the Lessee regarding the conduct and demeanor of the employees of the Lessee whereupon the Lessee will immediately take all steps reasonably necessary to remove the cause of the objection.

(c) **Waste Disposal.** The Lessee shall remove from the Premises or otherwise dispose of in a manner approved by the General Manager of the Airport all garbage, debris or other waste materials (whether solid or liquid) arising out of its occupancy of the Premises or its operations

thereat. Any such which may be temporarily stored in the open shall be kept in suitable garbage and waste receptacles, the same to be made of metal or other suitable material, and equipped with tight-fitting covers, and to be of a design safely and properly to contain whatever material may be placed therein. The Lessee shall use extreme care when effecting removal of all such waste materials, shall effect such removal at such times and by such means as first approved by the Port Authority. No such garbage, debris or other waste materials shall be thrown, discharged or deposited into or upon the waters at or bounding the Airport.

(d) Employee Identification. If requested by the Port Authority, the Lessee shall supply and shall require its employees to wear or carry badges or other suitable means of identification, which shall be subject to the prior and continuing approval of the General Manager of the Airport.

(e) Food and Beverage Operations. If the Lessee is permitted under this Agreement to sell food and/or beverages, it shall, in connection with any preparation, packaging, handling, storage, delivery and dispensing of such food and/or beverages, comply with the following:

(1) Its employees shall wear clean, washable uniforms and long-haired employees shall wear caps or nets. The employees shall be clean in their habits and shall thoroughly wash their hands before beginning work and immediately after each visit to the toilet and shall keep them clean during the entire work period. No person affected with any disease in a communicable form or who is a carrier of such disease shall work or be permitted to work for the Lessee.

(2) All food and beverages shall be clean, fresh, pure, of first-class quality and safe for human consumption.

(3) The Premises and all equipment and materials used by the Lessee shall at all times be clean, sanitary, and free from rubbish, refuse, dust, dirt, offensive or unclean materials, flies and other insects, rodents and vermin. All apparatus, utensils, devices, machines and piping used by the Lessee shall be constructed so as to facilitate the cleaning and inspection thereof and shall be properly cleaned after each period of use (which shall at no time exceed eight hours) with hot water and a suitable soap or detergent and shall be rinsed by flushing with hot water. Where deemed necessary by the Port Authority, final treatment by live steam under pressure or other sterilizing procedure shall be used. All trays, dishes, crockery, glassware, cutlery, and other equipments of such type shall be cleaned and sterilized immediately before using same.

(4) All packing materials, including but not limited to wrappers, stoppers, caps, enclosures and containers, shall be clean and sterile and shall be so stored as to be protected at all times from dust, dirt, flies and other insects, rodents, vermin, unsanitary handling and unclean materials.

It is intended that the standards and obligations imposed by this paragraph (e) shall be maintained or complied with by the Lessee in addition to its compliance with all applicable governmental laws, ordinances and regulations, and in the event that any of said laws, ordinances and regulations shall be more stringent than such standards and obligations, the Lessee agrees that it will comply with such laws, ordinances and regulations in its operations hereunder.

(f) Fire Extinguishing Equipment. From time to time and as often as reasonably required by the Port Authority, the Lessee shall conduct pressure, water-flow, and other appropriate tests of the fire extinguishing system and apparatus, fire-alarm and smoke detection systems and any other fire protection systems which constitute a part of the Premises. The Lessee shall keep in proper functioning order all fire-fighting equipment, fire-alarm and smoke detection equipment on the Premises and the Lessee shall at all times maintain on the Premises adequate stocks of fresh, usable chemicals for use in such systems, equipment and apparatus. The Lessee shall notify the Port

Authority prior to conducting such tests. If requested by the Port Authority, the Lessee shall furnish the Port Authority with a copy of written reports of such tests.

(g) **Minimization of Pollution.** In addition to compliance by the Lessee with all laws, ordinances, governmental rules, regulations and orders now or at any time in effect during the term which as a matter of law are applicable to the operation, use or maintenance by the Lessee of the Premises or the operations of the Lessee under this Agreement (the foregoing not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them), the Lessee agrees that it shall exercise the highest degree of safety and care and shall conduct all its operations under this Agreement and shall operate and maintain the Premises and shall use the Premises in accordance with the highest standards and in such manner that there will be at all times a minimum of air pollution, water pollution or any other type of pollution and a minimum of noise emanating from, arising out of or resulting from the operation, use or maintenance of the Premises by the Lessee and from the operations of the Lessee under this Agreement. The Port Authority hereby reserves the right from time to time and at any time during the term of this Agreement to require the Lessee, and the Lessee agrees, to design and construct at its sole cost and expense such reasonable equipment, devices and other facilities as may be necessary or appropriate to accomplish the objectives as set forth in the first sentence of this paragraph. The manner, type and method of construction and the size and location of any of the foregoing shall be determined by the Port Authority. The Lessee shall submit for Port Authority approval its plans and specifications covering the required work and upon receiving such approval shall proceed diligently to construct the same. The obligations assumed by the Lessee under this paragraph shall not be relieved or diminished by the fact that the Port Authority shall have approved any construction application and supporting plans, specifications and contracts covering construction work, or that the Port Authority's recommendations or requirements have been incorporated therein. The Lessee's agreement to assume the obligations under this paragraph is a special inducement and consideration to the Port Authority in entering into this Agreement with the Lessee.

(h) Without limiting any other of the Lessee's obligations under this Agreement, the Lessee shall provide the General Manager of the Airport at the cost and expense of the Lessee with such information, documentation, records, correspondence, notices, reports, tests, results, and certifications and any other information as the Port Authority shall request in connection with any Environmental Requirements or Environmental Damages, and the Lessee shall promptly acknowledge, swear to, sign or otherwise fully execute the same. The Lessee agrees that any of the foregoing may be filed by the Port Authority with the appropriate governmental authority on behalf of the Lessee at the Lessee's cost and expense. Further, the Lessee agrees unless directed otherwise by the Port Authority, to provide the General Manager of the Airport with copies of all information, documentation, records, correspondence, notices, certifications, reports, test results and all other submissions provided by the Lessee to a governmental authority and by a governmental authority to the Lessee within two (2) business days that the same are made available to or received by the Lessee with respect to any Environmental Requirements.

(i) In addition to and without limiting the generality of the obligations of the Lessee set forth above and elsewhere in the Agreement, the Lessee shall at its sole cost and expense, upon notice from the Port Authority, promptly take all actions to completely remove and remediate all Hazardous Substances on the Premises or the Airport which result from the Lessee's use and occupancy of the Premises, or which have been disposed of, released, discharged or otherwise placed on, under or about the Premises by or on behalf of the Lessee or as a result of its acts or omissions, during the term of the letting hereunder, and to cleanup and remediate all other Hazardous Substances on, about or under the Premises or which have migrated from the Premises to any adjoining property, which any federal, state or local governmental agency or political subdivision or any Environmental Requirement or any violation thereof require to be remediated, and to cleanup and remediate all Hazardous Substances necessary to mitigate Environmental Damages.

(j) **Airport Concession Disadvantaged Business Enterprises ("ACDBE").** If

Lessee is required to apply as an ACDBE with the Port Authority, please check here (X). Lessee shall immediately take all steps necessary to obtain such certification from the Port Authority on or before the Rental Payment Start Date. If the ACDBE participant is an individual or the individual is the sole owner of Lessee, the participating ACDBE percentage, as so certified, shall not be less than one hundred percent (100%) at all times during the Term hereof. If the ACDBE participant is a member/partner of a partnership with Lessee or joint venturer of a joint venture with Lessee, the participating ACDBE percentage, as so certified, shall not be less than thirty percent (30%) at all times during the Term hereof. Any change in the ownership structure involving the certified ACDBE participant must be reported in writing to the Port Authority immediately and in no event later than 30 days following any such change in ACDBE ownership status.

Section 10. Prohibited Acts

The Lessee shall not (a) commit any nuisance on the Premises, or do or permit to be done anything which may result in the creation or commission of a nuisance on the Premises; (b) cause or produce or allow to be caused or produced upon the Premises, or to emanate therefrom, any obnoxious odors or smokes, or noxious gases or vapors; (c) use the Premises for lodgings or sleeping purposes or for any immoral purposes; (d) install window shades or venetian blinds on the windows of the Premises unless and until the type, size and color of same shall have been previously approved in writing by the Port Authority; (e) do or allow to be done anything which may interfere with the effectiveness or accessibility of existing and future utilities systems or portions thereof on the Premises or elsewhere at the Terminal, including therein without limitation thereto systems for the supply of heat, water hot and cold, gas, electricity and fuel and for the furnishing of fire-alarm, fire-protection, sprinkler, sewage, drainage, air-conditioning, telephone, telegraph, tele-register, pneumatic-tube dispatch and inter-communications services, including lines, pipes, mains, wires, conduits and equipment connected with or appurtenant to all such systems, nor do or permit to be done anything which may interfere with free access and passage in the Premises, elsewhere in the Terminal or in the streets and sidewalk adjacent to the Terminal; (f) do or allow to be done anything which may interfere with the effectiveness or accessibility of elevators at the Terminal, including lines, pipes, wires, conduits and equipment connected with or appurtenant thereto; (g) overload any floor in the Premises; (h) place any furniture, machine or equipment over any expansion or contraction joint unless one end of such furniture, machine or equipment is free to allow expansion or contraction; (i) place any additional lock of any kind upon any window or interior or exterior door in the Premises unless a key therefor is delivered to the Port Authority, nor make any change in any existing door or window lock or the mechanism thereof, except with the prior written approval of the Port Authority, and upon the expiration or sooner termination of the letting hereof, the Lessee shall surrender to the Port Authority any and all keys to interior and exterior doors on the Premises, whether said keys were furnished to or were otherwise procured by the Lessee, and in the event of the loss of any keys furnished by the Port Authority to the Lessee, the Lessee shall pay to the Port Authority on demand the cost of replacement thereof; (j) do or allow to be done any act or thing upon the Premises which (i) will invalidate or conflict with any fire insurance, extended coverage or rental insurance policies covering the Premises or any part thereof, or the Terminal, or any part thereof, or (ii) in the opinion of the Port Authority, may constitute an extra-hazardous condition, so as to increase the risks normally attendant upon the operations contemplated by the Section of this Agreement entitled "*Rights of Use by the Lessee*". The Lessee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the National Board of Fire Underwriters, the Fire Insurance Rating Organization of New Jersey, or of any other board or organization exercising or which may exercise similar functions, which may pertain or apply to the operations of the Lessee on the Premises, and the Lessee shall, subject to and in accordance with the provisions of the Section of this Agreement entitled "*Construction by the Lessee*", make any and all non-structural improvements, alterations or repairs of the Premises that may be required at any time hereafter by any such present or future rule, regulation, requirement, order or direction. If, by reason of any failure on the part of the Lessee to comply with the provisions of this subdivision, any fire insurance rate, extended coverage or rental insurance rate on the Premises or any part thereof, or on the Terminal or any part thereof, shall at any time be higher

than it otherwise would be, then the Lessee shall pay to the Port Authority as an item of additional rental, on demand, that part of all insurance premiums paid by the Port Authority which shall have been charged because of such violation or failure by the Lessee; (k) unless the Port Authority provides its prior written consent, install, maintain or operate, or permit the installation, maintenance or operation on the Premises of any vending machine or device designed to dispense or sell food, beverages, tobacco products or merchandise of any kind, whether or not included in the above categories, or of any restaurant, cafeteria, kitchen, stand or other establishment of any type for the preparation, dispensing or sale of food, beverage, tobacco or tobacco products, or of any telephone pay-stations.

Section 11. Care, Maintenance, Rebuilding and Repair by the Lessee

(a) **Damage or Destruction of Premises by Lessee.** The Lessee shall repair, replace, rebuild and paint all or any part of the Terminal and the Premises, including therein, without limitation thereto, walls, partitions, floors, ceilings, columns, windows, doors, glass of every kind, fixtures, systems for the supply of heat, water hot and cold, gas, electricity and fuel and for the furnishing of fire-alarm fire-protection, sprinkler, sewerage, drainage, air-conditioning, telephone, tele-register, pneumatic-tube dispatch and intercommunication services, including lines, pipes, mains, wires, conduits and equipment connected with or appurtenant to all such systems, which may be damaged or destroyed by the acts or omissions of the Lessee, its officers or employees or of other persons on or at the Premises with the Lessee's consent, and shall pay to the Port Authority on demand the costs and expenses of the Port Authority to repair, replace, rebuild and paint all or any part of the Terminal and the Premises which may be damaged or destroyed by the acts or omissions of the Lessee or of its officers or employees or of other persons on or at the Premises with the Lessee's consent. All non-structural repair, replacement, rebuilding and painting shall be made or done by the Lessee and structural repair, replacement and rebuilding may be made or done by the Port Authority.

(b) **Lessee's Other Repair and Maintenance Obligations.** Except as expressly provided to the contrary herein with respect to structural repairs, the Lessee shall, throughout the term of this Agreement, assume the entire responsibility and shall relieve the Port Authority from all responsibility for repair, rebuilding and maintenance whatsoever in the Premises, whether such repair, rebuilding or maintenance be ordinary or extraordinary, partial or entire, inside or outside, foreseen or unforeseen, and without limiting the generality of the foregoing, the Lessee shall:

(1) Keep at all times in a clean and orderly condition and appearance the Premises and all the Lessee's fixtures, equipment and personal property which are located in any part of the Premises which is open to or visible by the general public.

(2) Take good care of the Premises, including therein, without limitation thereto, walls, partitions, floors, ceilings, columns, windows, doors, glass of every kind, fixtures and shall make or do all non-structural repairs, replacements, rebuilding and painting (the exterior of the Premises, if applicable, and areas visible to the general public to be painted only in colors which have been approved by the Port Authority) necessary to keep the Premises in the condition existing as of the commencement date of the letting and to keep all improvements and fixtures made or installed subsequent to the commencement date of the letting in the condition existing as of the date such improvements are made and such fixtures installed. All such repairs and replacements and other work to be done by the Lessee shall be done in quality and class not inferior to the original in materials and workmanship.

(3) Not lay any linoleum, asphalt tile or other such affixed floor covering in direct contact with the floor of the Premises. If the Lessee lays any linoleum, asphalt tile or other such affixed covering on the floor of the Premises, an interlining of builder's deadening felt shall first be affixed to the floor with water-soluble paste or other water-soluble material, the use of

cement or other adhesive non-soluble paste or other water-soluble material, the use of cement or other adhesive non-soluble in water being expressly prohibited.

(4) Maintain and pay the premiums on a policy of plate and mirror glass insurance covering all plate and mirror glass which is a part of or located on or in the Premises.

The provisions of this paragraph (b) shall not be deemed to require the Lessee to make or do any repairs, replacements, rebuilding or painting to any portion of the Terminal other than the Premises where such portion of the Terminal is damaged or destroyed by the acts or omissions of persons other than the Lessee, its officers, directors, members (in their capacity of the limited liability entity), managers (in their capacity as managers of, and if, Lessee is a limited liability entity), partners (if Lessee is a partnership), employees, agents, representatives or contractors.

(c) Port Authority Right to Perform at Lessee's Cost. In the event the Lessee fails to commence so to make or do non-structural repair, replacements, rebuilding or painting within a period of ten (10) days after notice from the Port Authority so to do or fails diligently to continue to completion the repair, replacement, rebuilding or painting of all the Premises required to be repaired, replaced, rebuilt or painted by the Lessee under the terms of this Agreement, the Port Authority may, at its option, and in addition to any other remedies which may be available to it, repair, replace, rebuild or paint all or any part of the Premises included in the said notice, the cost thereof to be paid by the Lessee on demand.

(d) Damage to or Destruction of the Premises. If the Premises or any part thereof shall be destroyed or damaged as a result of any casualty, without the fault of the Lessee, its officers, members, employees, agents, representatives, contractors, or other persons at the Premises with the consent of the Lessee, so as to render it untenable in whole or part, then:

(1) If in the opinion of the Port Authority the necessary repairs or rebuilding can be completed within ninety (90) days after the occurrence of the damage, the Port Authority shall repair or rebuild with due diligence, and the rental hereunder shall, if so provided in Item 1 of **Exhibit B**, be abated only for the period from the occurrence of the damage to the completion of the repairs or rebuilding, whether or not the work or repair or rebuilding is actually completed within the said ninety (90) days; or

(2) If in the opinion of the Port Authority such repairs or rebuilding cannot be completed within ninety (90) days after the occurrence of the damage or if the entire Premises require rebuilding, then the Port Authority shall have options:

(i) to proceed with due diligence to repair or to rebuild as necessary; or

(ii) to terminate the letting as to the damaged portion of the Premises only, or

(iii) to cancel this Agreement and terminate the letting as to the entire Premises; and the rental hereunder shall, if so provided in Item 1 of **Exhibit B**, be abated, either, as the case may require, for the period from the occurrence of the damage to the completion of repairs and rebuilding or for the period from the occurrence of the damage to the effective date of termination.

(e) Removal of Property and/or Debris. In the event of a partial or total destruction of the Premises, the Lessee shall immediately remove any and all of its property and/or debris from the Premises or the portion thereof destroyed and if the Lessee does not promptly so remove, the Port Authority may remove such property to a public warehouse for deposit or retain the same in its own possession and sell the same at public auction, the proceeds of which shall be applied

first to the expenses of removal, storage and sale, second to any sums owed by the Lessee to the Port Authority, with any balance remaining to be paid to the Lessee; if the expenses of such removal, storage and sale shall exceed the proceeds of sale, the Lessee shall pay such excess to the Port Authority upon demand.

(f) The parties hereby stipulate that if the Premises are in the State of New Jersey neither the provisions of Titles 46:8-6 and 46:8-7 of the Revised Statutes of New Jersey nor those of any other similar statute shall extend or apply to this Agreement.

Section 12. Indemnity; Liability Insurance

(a) (1) The Lessee shall indemnify and hold harmless the (i) Port Authority and its Commissioners, officers, agents and employees (individually and collectively, "PA Indemnitees") and (ii) Westfield Concession Management, LLC (or any concession manager at the Terminal as designated by the Port Authority, if any) and its officers, directors, agents, affiliates, parent corporations, employees, members (in their capacity of the limited liability entity) (individually and collectively, "Concession Manager Indemnitees") (PA Indemnitees and Concession Manager Indemnitees being collectively referred to as "Protected Indemnitees") from and against (and shall reimburse the Protected Indemnitees for the Protected Indemnitees' costs and expenses including, without limitation, legal expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death, for personal injuries, or for property damages, arising out of any default of the Lessee in performance or observance of any term or provision of this Agreement, or out of the use or occupancy of the Premises by the Lessee or by others with its consent, or out of any of the acts or omissions of the Lessee, its officers, directors, members (in their capacity of the limited liability entity), managers (in their capacity as managers of, and if, Lessee is a limited liability entity), partners (if Lessee is a partnership), employees, agents, representatives, contractors, subcontractors, customers, guests, invitees and other persons doing business with it where such acts or omissions are on the Premises or arising out of any acts or omissions of the Lessee, its officers, directors, members (in their capacity of the limited liability entity), managers (in their capacity as managers of, and if, Lessee is a limited liability entity), partners (if Lessee is a partnership), employees, agents, contractors, subcontractors and representatives where such acts or omissions are elsewhere at the Airport, including claims and demands of the City of Newark from which the Port Authority derives its rights in the Airport for indemnification arising by operation of law or through agreement of the Port Authority with said City.

(2) If so directed, the Lessee shall at its own expense defend any suit based upon any such claim or demand (even if such claim or demand is groundless, false or fraudulent), and in handling the same it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

(b) (1) In addition to the obligations set forth in paragraph (a) of this Section and all other insurance required under this Agreement, during the term of this Agreement, the Lessee, in its own name as insured and including the Protected Indemnitees as additional insureds, shall maintain a policy or policies of Commercial General Liability Insurance, including premises-operations and products-completed operations and covering bodily-injury liability, including death, and property damage liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage not less than the limits set forth in Item 2 of Exhibit B hereof. Further, the Lessee shall maintain Workers' Compensation and Employers Liability Insurance in accordance with applicable State law for those employees of the Lessee employed in operations conducted pursuant to this Agreement at or from the Airport.

(2) In the event the Lessee maintains the foregoing insurance in limits greater than set forth in Item 2 of **Exhibit B** hereof, the Protected Indemnitees shall be included therein as an additional insured to the full extent of all such insurance in accordance with all terms and provisions of this Agreement.

(3) Each policy of insurance, except for the Workers' Compensation and Employers Liability Insurance policies, shall also contain an ISO standard "separation of insureds" clause or a cross liability endorsement providing that the protections afforded the Lessee thereunder with respect to any claim or action against the Lessee by a third person shall pertain and apply with like effect with respect to any claim or action against the Lessee by the Port Authority Indemnitees or the Concession Manager Indemnitees and any claim or action against the Port Authority Indemnitees or Concession Manager Indemnitees, by the Lessee, as if the Port Authority Indemnitees or Concession Manager Indemnitees, as applicable, were the named insured thereunder, but such clause or endorsement shall not limit, vary, change or affect the protections afforded the Protected Indemnitees thereunder as additional insureds. Each policy of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Lessee under the provisions of this Agreement, including without limitation this Section.

(4) All insurance coverages and policies required under this paragraph (b) may be reviewed by the Port Authority for adequacy of terms, conditions and limits of coverage at any time and from time to time during the term of the letting under this Agreement. The Port Authority may, at any such time, require additions, deletions, amendments or modifications to the said insurance requirements, or may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem required and the Lessee shall promptly comply therewith.

(5) Each policy shall contain a provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' written advance notice thereof to the Port Authority. Each policy shall contain a provision or endorsement that the insurer "shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority." The foregoing provisions or endorsements shall be recited in each policy or certificate to be delivered pursuant to the following subparagraph (6).

(6) A certified copy of each policy or a certificate or certificates of insurance evidencing the existence thereof, or binders, shall be delivered to the Port Authority upon execution and delivery of this Agreement by the Lessee to the Port Authority, with a photocopy to be delivered to Westfield Concession Management, LLC (or any concession manager at the Terminal as designated by the Port Authority, if any). In the event any binder is delivered it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate of insurance. Any renewal policy shall be evidenced by a renewal certificate of insurance delivered to the Port Authority at least seven (7) days prior to the expiration of each expiring policy, except for any policy expiring after the date of expiration of this Agreement, with a photocopy to be delivered to Westfield Concession Management, LLC (or any concession manager at the Terminal as designated by the Port Authority, if any). The aforesaid insurance shall be written by a company or companies approved by the Port Authority. If at any time any insurance policy shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policy shall be or become unsatisfactory to the Port Authority, the Lessee shall promptly obtain a new and satisfactory policy in replacement. If the Port Authority at any time so requests, a certified copy of each policy shall be delivered to or made available for inspection by the Port Authority.

(7) The foregoing insurance requirements shall not in any way be construed as a limitation on the nature or extent of the contractual obligations assumed by the Lessee

under this Agreement. The foregoing insurance requirements shall not constitute a representation or warranty as to the adequacy of the required coverage to protect the Lessee with respect to the obligations imposed on the Lessee by this Agreement or any other agreement or by law.

(8) The Lessee shall include in each of its insurance policies covering loss, damage or destruction by fire or other casualty a waiver of the insurer's right of subrogation against the Port Authority or, if such waiver should be obtainable or unenforceable, (i) an express agreement that such policy shall not be invalidated if the insured waives before the casualty right of recovery against any party responsible for a casualty covered by such policies, or (ii) any other form of permission for the release of the Port Authority.

(9) The Lessee hereby releases the Protected Indemnitees with respect to any claim which it might otherwise have against any of them for loss, damage or destruction with respect to its property (including business interruption) occurring during the term of the letting under this Agreement and with respect and to the extent to which it is insured under a policy or policies containing a waiver of subrogation or permission to release liability as provided in subparagraph (8), above.

Section 13. Sales and Services by the Lessee

(a) A principal purpose of the Port Authority in entering into this Agreement is to have available for travelers and other users of the Terminal, all other members of the public, and persons employed at the Terminal, the merchandise and/or services which the Lessee is permitted to sell and/or render hereunder, all for the better accommodation, convenience and welfare of such individuals and in fulfillment of the Port Authority's obligations to operate facilities for the use and benefit of the public, and the Lessee agrees that it will conduct a first class operation and will furnish and install all necessary or proper equipment, fixtures, improvements (subject to the provisions of the Section of this Agreement entitled "*Construction by the Lessee*"), personnel, supplies, materials and other facilities and replacements therefor and all such fixtures and improvements (except trade fixtures removable without injury to the Premises) shall on installation become the property of the Port Authority and a part of the Premises, provided, however, that the Port Authority shall have the option, exercisable by notice delivered to the Lessee on or before a date sixty (60) days after expiration or termination hereof, to require the Lessee to remove any or all such fixtures, equipment and improvements and to restore the Premises to the condition thereof prior to any installation and in the event of a failure on the part of the Lessee so to remove and restore, the Port Authority may do so, and the Lessee shall pay the cost thereof to the Port Authority on demand. All equipment, fixtures and improvements to be used in the Premises and the installation thereof shall be subject to the prior written approval of the Port Authority as to type and quality. The Port Authority may by written authorization allow the Lessee to enter and occupy the Premises, prior to the commencement date of the letting stated or referred to in the Sections of this Agreement entitled "*Term*" and "*Letting Postponed*", respectively, solely for the purpose of installing fixtures and making improvements. In the event that the Lessee receives such written authorization the Lessee shall use and occupy the Premises in accordance with and shall be subject to all the provisions of this Agreement other than those relating to the conducting of a business and the payment of rental.

(b) The Lessee shall furnish good, prompt and efficient service hereunder, adequate to meet all demands therefor at the terminal; shall furnish said service on a fair, equal and non-discriminatory basis to all users thereof; and shall charge fair, reasonable and non-discriminatory prices for all items and/or services which it is permitted to sell and/or render hereunder.

(c) The Lessee shall comply with the Port Authority Aviation Department Street Pricing Policy. In connection therewith, the Lessee shall not charge prices to its customers in excess of "**Street Prices**", which for purposes of this Agreement is defined as follows:

(1) If the Lessee conducts a similar business to the business operation

permitted under this Agreement in off-Airport location(s) in the Greater New York City – Northern New Jersey Metropolitan Area (herein referred to as the “Metro Area”), “Street Prices” shall mean the average price regularly charged by the Lessee for the same or similar item in such Metro Area location;

(2) If the Lessee does not conduct a similar business to the business operation permitted under this Agreement in off-Airport location(s) in the Metro Area, “Street Prices” shall mean the average price regularly charged in the Metro Area by similar retailers for the same or similar item; and

(3) If neither the Lessee nor other similar retailers sell a particular item in the Metro Area, “Street Prices” shall mean the average price regularly charged by the Lessee or similar retailers for the same or similar item in any other geographic area, with a reasonable adjustment for any cost of living variance between such area and the Metro Area.

(4) If the Lessee is engaged in the business of selling duty-free goods, “Street Prices” shall mean the price regularly charged by the Lessee or similar retailer for the same or similar duty-free item at other urban airports in the Northeast region of the United States, including but not limited to John F. Kennedy International Airport, New York, New York.

For purposes of clarification, for purposes of this *Section 13(c)*, Metro Area shall have the same meaning as “Port of New York District”.

The Lessee’s breach of the aforesaid Street Pricing policy shall be deemed a material breach of the Lessee’s obligations under this Agreement.

(d) The Lessee shall post in each sales area (including any temporary sales space) a notice in form and substance satisfactory to the Port Authority notifying the public that the Lessee subscribes to a “Street Pricing Policy”, such notice to be clearly visible and unobstructed. If the Lessee charges any price to a customer in excess of the price which would satisfy the “Street Pricing Policy” in violation of its obligations under this Agreement, the amount of such excess shall constitute an overcharge which shall, upon demand by the Port Authority or the Lessee’s customer, be promptly refunded to the customer.

(e) The Lessee shall submit to the Port Authority from time to time (and not less than annually), a current pricing survey and report demonstrating compliance by the Lessee with the aforementioned pricing requirements. For purposes of establishing the Street Price of an item, any difference in the size or quality of a product or service shall constitute a price differential.

(f) The Lessee shall be open for and shall conduct business and furnish services seven (7) days a week, or for such other hours and days as the General Manager of the Airport, from time to time by notice to the Lessee, may determine in his/her sole and absolute discretion shall properly serve the needs of the public. Interior and exterior signs affecting public safety and security shall be in accordance with established Port Authority standards.

(b) Upon the expiration or termination of the letting, the Lessee shall remove, obliterate or paint out, as the Port Authority may direct, any and all signs and advertising on the Premises or elsewhere at the Terminal if pertaining to the Lessee, and in connection therewith shall restore the Premises and the Terminal to the same condition as existing prior to the installation of any such signs or advertising. In the event that there is a failure by the Lessee so to remove, obliterate or paint out each and every sign or advertising and so to restore the Premises and the Terminal, the Port Authority may, at its option, perform the necessary work at the expense of the Lessee, and the charge therefor shall be paid by the Lessee to the Port Authority on demand.

Section 15. Services and Utilities

(a) General

(1) Except as provided in this Section, the Port Authority shall not be obligated to perform or furnish any services or utilities whatsoever in connection with this Agreement or the use and occupancy of the Premises. Further, the Lessee acknowledges and agrees that reference in this Section to services and utilities shall not include telephone or any form of data or information transmission service, which shall be the responsibility of Lessee to obtain at its sole cost and expense.

(2) The Port Authority's obligation to provide or continue any service or utility hereunder shall be limited by the safe and efficient operating capacity of the existing equipment, systems, piping systems, tie-ins, wires and conduits serving the Terminal and no approval given by the Port Authority to the erection by the Lessee of any improvement or to the installation of any fixtures or equipment shall be deemed to impose upon the Port Authority any obligation to increase the said operating capacity of any existing or presently contemplated equipment, systems, piping systems, tie-ins, wires or conduits.

(3) The Lessee understands that the Port Authority and the airline lessees (as defined in the Section of this Agreement entitled "*Definitions*") by its and their respective officers, employees, agents, representatives or contractors or by the furnishers of utilities or other services to the Premises or to others at the Airport shall have the right to temporarily discontinue the supply of any of the services described herein in order to allow repair, alterations, changes or improvements in the Premises or elsewhere at the Airport including all systems for the supply of services for the benefit of the Lessee or for the benefit of others than the Lessee at the Airport.

(4) The Port Authority shall be under no obligation to supply services if and to the extent and during any period that the supplying of any such service or the use of any component necessary therefor shall be prohibited or rationed by any federal, state or municipal law, rule, regulation, requirement, order or direction and if the Port Authority deems it in the public interest to comply therewith even though such law, rule, regulation, requirement, order or direction may not be mandatory on the Port Authority as a public agency. The Port Authority shall not be obligated to perform or furnish any service whatsoever in connection with the Premises at any time while the Lessee wastes any of the said services or shall be in default under this Agreement after the period, if any, herein granted to cure such default shall have expired, or has breached any of the provisions of this Agreement after the period, if any, herein granted to cure such default shall have

expired and the Port Authority may cease performance. If by operation of this Section any service for which the Lessee has agreed to pay a flat sum is discontinued for any period of the letting, the Lessee shall be relieved of its obligation to pay for such service for any such period or if any such service is supplied during fewer hours or in lesser amounts than agreed during any period of the letting, the Lessee shall be relieved proportionately of its obligation to pay for any such service for any such period.

(5) No failure, delay, interruption or curtailment in supplying agreed services (whether or not a separate charge is made therefor) shall be or be construed to be an eviction (actual or constructive) of the Lessee or grounds for any diminution or abatement of rental, or shall be grounds for any claims by the Lessee for damages, consequential or otherwise, against the Port Authority, or its officers, employees or agents. The Lessee shall not be entitled to receive any of the above services during any period during which the Lessee wastes any of the said services or is in default under any of the provisions of this Agreement.

(b) Electricity and Gas. The Lessee shall receive electricity and gas to the extent of the capability of existing or upgraded facilities, and the Lessee agrees to take electricity and gas, as follows.

(1) For use on and in the Premises, electricity and gas shall be provided to the Lessee either from the Port Authority, or the relevant airline lessee pursuant to the relevant Airline Leases, as the case may be. However, the Port Authority anticipates a modernization program to the facilities for electricity and gas. In connection with the modernization of the facilities, the Port Authority reserves the right to either check meter such utilities or arrange for the appropriate utility company to directly invoice the Lessee for such electricity and gas consumed by Lessee in the Premises, if that option becomes available with such modernization.

(2) The Lessee shall take electricity of the same voltage, phase and cycle as supplied by the public utility through existing wires, conduits and outlets at the Premises. The Lessee shall be solely responsible for transforming the electricity supplied to such voltage, phase and frequency as it desires, for the distribution and handling of such electricity within its Premises and for making all connections and tie-ins to the point or points in the Premises designated by the Port Authority or relevant airline lessee.

(c) Extermination Service. In the event the Port Authority shall provide extermination service for the enclosed areas of the Premises, the Lessee agrees to utilize the same and to pay its pro rata share of the cost thereof upon demand. This paragraph does not impose any obligation on the Port Authority to furnish such service. If the Port Authority does not provide such service, Lessee, at its sole cost and expense, shall, at such intervals as the Port Authority may require, contract directly with such service designated by the Port Authority that performs the service for the Port Authority in the Terminal in order to provide continuity and consistency in such service.

(d) High Temperature Water.

(1) For use on and in the Premises (as applicable), the Lessee shall be provided high temperature water at no additional charge from either the Port Authority, or the relevant airline lessee pursuant to the relevant Airlines Leases, as the case may be, and the Lessee shall take, as needed for Lessee's operations, the following: (i) high temperature water for heating purposes in reasonable quantities at a temperature of approximately 130 degrees F.; and (ii) high temperature water for domestic hot water purposes.

(2) The Lessee's obligation to distribute and handle the high temperature water provided hereunder within its Premises, and for making all connections and tie-ins to the point or points in the Premises designated by the Port Authority or the relevant airline lessee shall fully apply in the same way as it applies for electricity and gas, as hereinabove described.

(e) Chilled Water.

(1) For use on and in the Premises (as applicable), the Lessee shall be provided chilled water at no additional charge from either the Port Authority, or the relevant airline lessee pursuant to the relevant Airlines Leases, as the case may be, and the Lessee shall take, as needed for Lessee's operations, through existing pipes, mains and fittings, for the following purposes: (i) for air cooling purposes, at a temperature and with other characteristics as determined by the Port Authority; and (ii) for domestic cold water purposes only.

(2) The Lessee's obligation to distribute and handle the chilled water provided hereunder within its Premises, and for making a connections and tie-ins to the point or points in the Premises designated by the Port Authority or the relevant airline lessee shall fully apply in the same way as it applies for electricity and gas, as hereinabove described.

(3) Without limiting the generality of rights of entry upon the Premises elsewhere in this Agreement reserved to the Port Authority (or the relevant airline lessee, as the case may be, in accordance with the relevant Airline Lease), the Port Authority (and the relevant airline lessee, as the case may be, in accordance with the relevant Airline Lease) shall have, for itself, its officers, employees, agents, representatives, contractors and subcontractors, the right to enter upon the Premises at all times to construct, install, maintain, replace, repair or improve the air-cooling system or any part thereof. Such air-cooling shall be furnished subject to all the provisions of this Agreement (including the remaining provisions of this Section) and in accordance with the following:

(4) If the air-cooling on the Premises can be controlled by mechanisms within the Premises or portions thereof, the Lessee shall shut off the air-cooling before closing and leaving any particular portion of the Premises at any time for any period. The Port Authority shall have the right to enter the Premises for the purpose of observing the Lessee's compliance with the provisions hereof and the Port Authority may lock, seal or install any timing device on or in connection with any air-cooling control mechanism so as to provide that each portion of the Premises shall only be air-cooled during the hours and days stipulated hereunder.

(5) If the Lessee in accordance with this Agreement erects any partitions or makes any improvements, which partitions or improvements stop, hinder, obstruct or interfere with the cooling of the air or the heating of the Premises, then no such action by the Lessee shall impose any obligation on the Port Authority to install facilities, fixtures or equipment for air-cooling or for heating additional to those presently existing or presently contemplated or to increase the capacity or output of existing or presently contemplated facilities, equipment or fixtures and the Lessee shall not in any such event be relieved of any of its obligations hereunder because a comfortable temperature is not maintained. No approval given by the Port Authority to the erection of partitions or the making of any improvements shall be or be deemed to be a representation that the work approved of will not stop, hinder, obstruct or interfere with either the cooling of the air or the heating of the Premises or any portion thereof.

(6) The Lessee shall not waste or dissipate the air-cooling or heating service by any act or omission including but not limited to the permitting of outside doors or windows to remain open. Without otherwise affecting the Port Authority's rights or remedies in the event of any breach by the Lessee of its obligations under this subdivision, the Port Authority shall have the right to discontinue the said heating or air-cooling service during any period of such waste or dissipation and any failure of the Port Authority to supply any such service under such conditions shall not affect any of the Lessee's obligations under this Agreement. It is hereby understood further that the installation by the Lessee of any equipment which itself requires air-cooling or which requires additional quantities of air-cooling at the portion of the Premises where such equipment is installed, or the concentration in any portion of the Premises of such a number of people so as to require additional quantities of air-cooling, shall not impose any obligation on the Port Authority to increase

the capacity or output of initially existing facilities, equipment or fixtures for the supply of chilled water and the Lessee shall not in any such event be relieved of any of its obligations hereunder.

(f) **Obligation to Maintain Systems.** Without limiting or affecting any other term or provision of this Agreement, the Lessee shall be solely responsible for the operation of all equipment, systems, piping systems, tie-ins, utilities, lines and connections, mechanical, electrical, communications and other systems operating or located in the Premises and shall do all preventative maintenance and make all repairs, replacements, rebuilding and painting necessary to keep such systems (whether same involves structural or non-structural work) in the condition they were in when made or installed except for reasonable wear which does not adversely affect the watertight condition or structural integrity of the Terminals or adversely affect the efficient or proper utilization or appearance of any part of the Premises. In the event the Lessee retains a maintenance contractor for such work it shall secure the Port Authority's prior approval for said proposed contractor. Notwithstanding the foregoing and without otherwise limiting the generality thereof, the Lessee's obligations hereunder shall extend to and include cleaning of the supply and exhaust louvers on the Premises. To the extent necessary for the Lessee to have the benefit of any warranties and guarantees under existing contracts covering items and systems identified in this paragraph in fulfilling its obligations hereunder and on condition that such contracts permit it and the Port Authority's interests are not adversely affected in any way and to any extent, the Port Authority shall enable the Lessee to have recourse to such warranties and guarantees.

(g) **Drainage and Exhaust.** Without in any way limiting the Lessee's other obligations under this Agreement, the Lessee shall supply, replace, install, repair, maintain and keep clean all grease traps in all drainage pipes exclusively used in operations at the Premises whether such pipes are located on the Premises or elsewhere at the Terminal. The Lessee shall also keep clean, repair and maintain (other than structurally) all kitchen exhaust ducts including the replacement of all filters where such ducts are exclusively used by it in such operations and whether such ducts are located on the Premises or elsewhere at the Terminal. As part of the Lessee's maintenance responsibilities, the hood and ventilation system servicing the Premises shall be cleaned and maintained, from inside the unit through the ductwork to the roof top fan, on a monthly basis and at the Lessee's sole cost and expense. Written documentation of this work shall be supplied to the Port Authority on or before the seventh (7th) day of each calendar month, relating to servicing during the preceding calendar month. In addition, should any corrective work be necessary for any portion of the hood and ventilation system, the Lessee shall be responsible for the immediate repair and costs therefor, whether such repair is required inside the unit or outside the unit.

(h) **Other Governmental Actions.** If any federal, state, municipal or other governmental body, authority or agency or any public utility assesses, levies, imposes, makes or increases any charge, fee or rent on the Port Authority for any service, system or utility now or in the future supplied to or available to the Premises or to any occupants or users thereof or to the structure or building of which the Premises form a part (including but not limited to any rent or charge for the use of the sewer systems), the Lessee shall, at the option of the Port Authority exercised at any time and from time to time by notice to the Lessee, pay in accordance with the said notice, such charge, fee or rent or increase thereof (or the portion thereof allocated by the Port Authority to the Premises or the operations therein) either directly to the governmental body, authority or agency or to the public utility or directly to the Port Authority or the airline lessee, as required.

(i) **Washrooms.** The Lessee shall be furnished, without additional charge, non-exclusive toilet and washroom facilities for the employees of the Lessee if toilet and washroom facilities are not a part of the Premises.

Section 16. Construction by the Lessee

(a) Except as hereinafter expressly provided, the Lessee shall not erect any structures, make any improvements or do any other construction work on the Premises or elsewhere

at the Terminal, or alter, modify or make additions, improvements or repairs to or replacements of any structure now existing or built at any time during the letting, or install any fixtures (other than trade fixtures, removable without material injury to the freehold, any such damage to be immediately repaired by the Lessee) without the prior written consent of the Port Authority. In the event any construction, improvement, alteration, modification, addition, repair or replacement is made without such written approval of the Port Authority, then, upon notice given at any time during the letting or within sixty (60) days after expiration or termination of the term of the letting, the Lessee will remove the same, or, at the option of the Port Authority, cause the same to be changed to the satisfaction of the Port Authority. In case of any failure on the part of the Lessee to comply with such notice, the Port Authority may effect the removal or change, and the Lessee shall pay the cost thereof to the Port Authority on demand.

(b) In the event that Item 4 of **Exhibit B** provides that the Lessee is required (or is permitted to) build a structure or make repairs, alterations, improvements or additions to the Premises, the structure, repairs, alterations improvements or additions described in the said Item 4 shall be built or made strictly in accordance with the following terms and conditions:

(1) The Lessee shall, to the extent allowed under the law, be the insurer of the Port Authority, its Commissioners, officers, agents and employees, against the following distinct and several risks, whether they arise from the acts or omissions of the Lessee, of the Port Authority, its Commissioners, officers, agents and employees or of third persons, or from acts of God or of the public enemy, or otherwise, excepting only risks which result solely from affirmative, willful acts done by the Port Authority subsequent to the commencement of the work of construction, repair, alteration, improvement or addition.

(i) The risk or loss or damage to all such required repairs, alterations, additions, improvements, or structures prior to the completion thereof. In the event of such loss or damage, the Lessee shall forthwith repair, replace and make good the work without cost to the Port Authority.

(ii) The risk of death, injury or damage, direct or consequential, to the Port Authority, its Commissioners, officers, agents and employees, and to its or their property, arising out of or in connection with the performance of the work. The Lessee shall indemnify the Port Authority, its Commissioners, officers, agents and employees, for all such deaths, injuries and damages, and for all loss suffered by reason thereof.

(iii) The risk of claims and demands, just or unjust, by third persons against the Port Authority, its Commissioners, officers, agents and employees, arising or alleged to arise out of the performance of the work. The Lessee shall indemnify the Port Authority, its Commissioners, officers, agents and employees against and from, and shall reimburse the Port Authority for, costs or expenses incurred by it in connection with the defense, settlement or satisfaction of all such claims and demands.

(2) All work done pursuant to this Section shall be done in accordance with drawings and specifications to be submitted to and approved by the Chief Engineer of the Port Authority prior to the commencement of the work, shall be done to his satisfaction and shall be subject to his inspection during the progress of such work and after completion thereof; and the Lessee shall re-do or replace at its own expense any work not approved by the said Chief Engineer. Unless otherwise expressly provided herein, all workmanship and materials are required to be first class.

(3) The Lessee shall pay all claims lawfully made against it by its contractors, subcontractors, materialmen and workmen and all claims lawfully made against it by other third persons arising out of or in connection with or because of the performance of the work and shall cause its contractors and subcontractors to pay all such claims lawfully made against them.

(4) The Lessee shall procure and maintain comprehensive public liability insurance, or, if the work is to be done by an independent contractor, the Lessee shall require such contractor to procure and maintain such insurance in the name of the contractor, in either case, in limits not lower than those set forth for such categories of insurance in Item 5 of **Exhibit B**.

(5) As soon as such structure, repair, alteration, improvement or addition shall have been completed to the satisfaction of the Chief Engineer of Port Authority, then (subject to the provisions of the following subdivision (c)) title thereto shall immediately and without execution of any further instrument vest in the Port Authority, and every said structure and all such repairs, alterations, improvements or additions, shall thereupon become and thereafter be part of the Premises (said vesting of title does not apply to Lessee's movable trade fixtures and other items of Lessee's personal property).

(c) The Port Authority shall have the option, exercisable by notice delivered on or before a date sixty (60) days after expiration, cancellation or termination hereof, to require the Lessee to remove any or all such structures, alterations, improvements or additions, and to restore the Premises to the condition thereof prior to the construction or installation thereof. In the event of a failure on the part of the Lessee so to remove and restore, the Port Authority may do so, and the Lessee shall pay the cost thereof to the Port Authority on demand.

Section 17. Injury and Damage to Person or Property

The Port Authority shall not be liable to the Lessee, or to any person, for injury or death to any person or persons whomsoever, or damage to any property whatsoever at any time in the Premises or elsewhere in the Terminal, including but not limited to any such injury, death or damage from falling material, water, rain, hail, snow, gas, steam, and/or electricity, whether the same may leak into, or fall, issue, or flow from any part of the Terminal, or from any other place or quarter.

Section 18. Additional Rent and Charges

(a) If the Port Authority has paid any sum or sums or has incurred any obligation or expense (including, without limitation, payments to third persons and internal Port Authority costs and expenses) which the Lessee has agreed to pay or reimburse the Port Authority for, or if the Port Authority is required or elects to pay any sum or sums or incurs any obligation or expense (including, without limitation, payments to third persons and internal Port Authority costs and expenses) by reason of the failure, neglect or refusal of the Lessee to perform or fulfill any one or more of the conditions, covenants or agreements contained in this Agreement or as a result of an act or omission of the Lessee contrary to the said conditions, covenants and agreements, the Lessee agrees to pay the sum or sums so paid or the expense so incurred, including all interest, costs, damages and penalties, and the same may be added to any installment of rent thereafter due hereunder, and each and every part of the same shall and become additional rent, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the Basic Rental, or if there is no Basic Rental as a part of the Percentage Rental, all as set forth in the Section of this Agreement entitled "*Rental*".

(b) For all purposes under this Section and in any suit, action or proceeding of any kind between the parties hereto, any receipt showing any payment of sum or sums by the Port Authority for any work done or material furnished shall be prima facie evidence against the Lessee that the amount of such payment was necessary and reasonable. Should the Port Authority elect to use its own operating and maintenance staff in making any repairs, replacements and/or alterations and to charge the Lessee with the cost of same, any time report of any employee of the Port Authority showing hours of labor or work allocated to any such repair, replacement and/or alteration, or any stock requisition of the Port Authority showing the issuance of materials for use in the performance

thereof, shall likewise be prima facie evidence against the Lessee that the amount of such charge was necessary and reasonable.

Section 19. Application of Payments; Accord and Satisfaction

All payments received by the Port Authority shall be credited and be deemed to be on account of the rentals and other charges then first due. No statements or endorsements on any check or any letter accompanying any check or payment of rentals or other charges shall be deemed an accord and satisfaction of any debt or obligation of the Lessee hereunder. The Port Authority reserves the right to accept any check or payment without prejudicing in any way the Port Authority's right to recover the balance of any and all rentals and other charges due from the Lessee after receipt of any such check or payment or to pursue any other remedy provided herein or by law.

Section 20. Rights of Entry Reserved

(a) The Port Authority by its officers, employees, agents, representatives and contractors shall have the right at all reasonable times to enter upon the Premises for the purpose of inspecting the same for observing the performance by the Lessee of its obligations under this Agreement, and for the doing of any act or thing which the Port Authority may be obligated or have the right to do under this Agreement or otherwise.

(b) Without limiting the generality of the foregoing, the Port Authority, by its officers, employees, representatives, and contractors, shall have the right, for the benefit of the Lessee or for the benefit of others at the Terminal, to maintain existing and future utilities systems or portions thereof on the Premises, including therein without limitation thereto systems for the supply of heat, water hot and cold, gas, electricity and fuel and for the furnishing of fire-protection, sprinkler, sewerage, drainage, air-conditioning, telephone, telegraph, tele-register, pneumatic-tube dispatch and intercommunication services, and to maintain elevator and escalator systems, including lines, pipes, mains, wires, conduits and equipment connected with or appurtenant to all such systems, and to enter upon the Premises at all reasonable times to make such repairs, alterations and replacements as may, in the opinion of the Port Authority, be deemed necessary or advisable and, from time to time, to construct or install over, in, under or through the Premises new lines, pipes, mains, wires, conduits and equipment; provided, however, that such repair, alteration, replacement or construction shall not unreasonably interfere with the use of the Premises by the Lessee.

(c) Nothing in this Section shall be or be deemed construed to impose upon the Port Authority any obligation to construct or maintain or to make repairs, replacements, alterations or additions, or shall create any liability for any failure so to do.

(d) At any time and from time to time during ordinary business hours within the six (6) months next preceding the expiration of the letting, the Port Authority, by its agents and employees, whether or not accompanied by prospective lessees, occupiers or users of the Premises, shall have the right to enter thereon for the purpose of exhibiting and viewing all parts of the same and during such six-month period for Port Authority may place and maintain on the Premises, the usual "To Let" signs, which signs the Lessee shall permit to remain without molestation.

(e) If, during the last month of the letting, the Lessee shall have removed all or substantially all the Lessee's property from the Premises, the Port Authority may immediately enter and alter, renovate and redecorate the Premises.

(f) The exercise of any or all of the foregoing rights by the Port Authority or others shall not be or be construed to be an eviction of the Lessee nor be made the grounds for any abatement of rental or any claim or demand for damages, consequential or otherwise.

Section 21. Condemnation

(a) In any action or proceeding instituted by any governmental agency or agencies for the taking for a public use of any interest in all or any part of the Premises, the Lessee shall not be entitled to assert any claim to any award or part thereof made or to be made therein, or to institute any action or proceeding or to assert any claim against such agency or agencies or against the Port Authority, for or on account of any such taking, except the possible claim to an award for loss of fixtures furnished and installed by the Lessee (and for the purpose of such possible claim alone, title to such fixtures shall revert to the Lessee), it being understood and agreed between the Port Authority and the Lessee that, except for the possible claim to an award for loss of fixtures, the Port Authority shall be entitled to all the compensation or awards made or to be made or paid for any such taking, free of any claim or right of the Lessee.

(b) In the event of a taking of the entire Premises by any governmental agency or agencies, then this Agreement shall be cancelled and the letting shall, as of the date possession is taken from the Port Authority by such agency or agencies, cease and determine in the same manner and with the same effect as if the term of the letting had on that date expired.

(c) In the event of a taking by any governmental agency or agencies of a part of the Premises, then the letting as to such part only shall, as of the date possession thereof is taken from the Port Authority by such agency or agencies, cease and determine, and the rentals thereafter to be paid by the Lessee to the Port Authority shall, if so provided in Item 1 of **Exhibit B**, be abated from and after the date of such taking.

(d) Notwithstanding the provisions of this Section 21, the Lessee shall not be prevented thereby from making a possible claim against the condemning party for an award for moving expenses or for trade fixtures owned or installed by Lessee, if (i) such claim is then allowed by law, (ii) such claim is then allowed by the Port Authority's lease with the City of Newark, described in the Section of this Agreement entitled "*Basic Lease*", if applicable, and (iii) such award is made separately from the award to the Port Authority and will not reduce the amount thereof; this provision shall not be deemed a representation by the Port Authority of the validity or legality of any such claim.

Section 22. Assignment and Subleasing

(a) Definitions. The following terms shall have the respective meanings set forth below.

(1) "**Assignment**" shall mean any sale, conveyance, transfer, exchange, mortgage, assignment or other disposition of all or any portion of the Lessee's interest in this Agreement or the leasehold estate created hereby, whether directly or indirectly or by operation of law or otherwise.

(2) "**Sublease**" shall mean any sublease (including a sub-sublease or any further level of subletting) and any occupancy, license, franchise or concession agreement applicable to the Premises or any portion thereof.

(3) "**Transfer**" shall mean the transfer, sale, assignment, pledge, hypothecation or other disposition of any interest in the Lessee or in any direct or indirect constituent entity of the Lessee, where such disposition (whether by itself or cumulatively with other transactions) directly or indirectly produces any change in the direct or indirect Control (as defined in the definition of Affiliate) of the Lessee, and shall include but not be limited to (1) the sale, assignment, redemption or transfer of outstanding stock of or membership interest in, respectively, any corporation or any limited liability company that is the Lessee or that is the general partner of any partnership that is the Lessee, (2) the issuance of additional stock

or membership interest in, respectively, any corporation or limited liability company that is the Lessee or that is the general partner of any partnership that is the Lessee, and (3) the sale, assignment, redemption or transfer of any general or limited partner's interest in, or the admission of a new partner to, a partnership that is the Lessee or that is a general or limited partner of any partnership that is the Lessee.

(b) No Assignment, Transfer or Sublease without Consent. The Lessee shall not effect or permit any Assignment, Transfer or Sublease without the prior written consent of the Port Authority.

(c) Unauthorized Transactions Null and Void. Any Sublease, Assignment or Transfer, including without limitation any sale, assignment, transfer, mortgage, pledge, hypothecation, encumbrance or disposition of the Premises or of the rents, revenues or any other income from the Premises, or this Agreement or any part hereof, or any license or other interest of the Lessee herein not made in accordance with the provisions of this Agreement shall be null and void *ab initio* and of no force or effect.

(d) Port Authority's Right to Collect Rent. If without the prior written consent of the Port Authority, the Lessee effects any Assignment, Transfer or Sublease, or if the Premises are occupied by anybody other than the Lessee, the Port Authority may collect rent from any assignee, sublessee or anyone who claims a right under this Agreement or letting or who occupies the Premises, and the Port Authority shall apply the net amount collected to the rental herein reserved; but no such collection shall be deemed a waiver by the Port Authority of the covenants contained in paragraphs (a) and (b) of this Section or an acceptance by the Port Authority of any such assignee, sublessee, claimant or occupant as Lessee, nor a release of the Lessee by the Port Authority from the further performance by the Lessee of the covenants contained herein.

(e) Continuing Application of Consent Requirement. Any consent granted by the Port Authority to any Assignment, Transfer or Sublease pursuant to the provisions hereof shall not be construed or deemed to release, relieve or discharge the Lessee or any other person claiming any right, title or interest in this Agreement from the requirement of obtaining the prior written consent of the Port Authority with respect to any other Assignment, Transfer or Sublease.

(f) Use of Premises. The Lessee shall not use or permit any person to use the Premises or any portion thereof for any purpose other than the purposes stated in the Section hereof entitled "*Rights of Use by the Lessee*". Except as provided in this Agreement or otherwise permitted in writing by the Port Authority, the Lessee shall not permit the Premises to be used or occupied by any person other than its own officers, employees, contractors and representatives.

Section 23. Termination

(a) If any one or more of the following events of default shall occur, that is to say:

(1) The Lessee shall fail duly and punctually to pay the rentals or to make any other payment required hereunder when due to the Port Authority.

(2) The Lessee shall become insolvent, or shall take the benefit of any present or future insolvency statute, or shall make a general assignment for the benefit of creditors, or file a voluntary petition in bankruptcy or a petition or answer seeking an arrangement or its reorganization or the readjustment of its indebtedness under the federal bankruptcy laws or under any other law or statute of the United States or of any State thereof, or consent to the appointment of a receiver, trustee, or liquidator of all or substantially all its property; or

(3) By order or decree of a court the Lessee shall be adjudged bankrupt or an order shall be made approving a petition filed by any of the creditors or, if the Lessee is a corporation, by any of the stockholders of the Lessee, seeking its reorganization or the readjustment of its indebtedness under the federal bankruptcy laws or under any law or statute of the United States or of any State thereof; or

(4) A petition under any part of the federal bankruptcy laws or an action under any present or future insolvency law or statute shall be filed against the Lessee and shall not be dismissed within thirty (30) days after the filing thereof; or

(5) The letting hereunder or the interest or estate of the Lessee under this Agreement shall be transferred to, pass to or devolve upon, by operation of law or otherwise, any other person, firm or corporation; or

(6) The Lessee, if a corporation, shall, without the prior written approval of the Port Authority, become a possessor or merged corporation in a merger, a constituent corporation in a consolidation, or a corporation in dissolution; or

(7) The Lessee is, or the Lessees collectively are doing business as, or constitute a co-partnership, and the said co-partnership shall be dissolved as the result of any act or omission of its co-partners or any of them, or by operation of law or the order or decree of any court having jurisdiction, or for any other reason whatsoever; or

(8) By or pursuant to, or under authority of any legislative act, resolution or rule, or any order or decree of any court or governmental board, agency or officer having jurisdiction, a receiver, trustee, or liquidator shall take possession or control of all or substantially all of the property of the Lessee, and such possession or control shall continue in effect for a period of fifteen (15) days; or

(9) Any type of strike or other labor activity is directed against the Lessee at the Terminal resulting in picketing or boycott for a period of at least forty-eight (48) hours which, in the opinion of the Port Authority, adversely affects or is likely adversely to affect the operation of the Terminal or the operations of other Lessees or licensees thereat, whether or not the same is due to the fault of the Lessee, and whether caused by the employees of the Lessee or by others; or

(10) Any lien is filed against the Premises because of any act or omission of the Lessee and is not removed within ten (10) days; or

(11) The Lessee shall voluntarily abandon, desert, vacate or discontinue its operations in the Premises; or

(12) The Lessee shall fail to keep, perform and observe each and every other promise, covenant and agreement set forth in this Agreement on its part to be kept, performed or observed, within ten (10) days after receipt of notice of default thereunder from the Port Authority (except where fulfillment of its obligation requires activity over a period of time, and the Lessee shall have commenced to perform whatever may be required for fulfillment within ten (10) days after receipt of notice and continues such performance without interruption except for causes beyond its control);

then upon the occurrence of any such event or at any time thereafter the continuance thereof, the Port Authority may by five (5) days' notice terminate the letting and the rights of the Lessee hereunder, such termination to be effective upon the date specified in such notice. Such right of termination and the exercise thereof may be and operate as a conditional limitation.

(b) If any of the events enumerated in subdivision (a) of this Section shall occur prior to the letting, the Lessee shall not be entitled to enter into possession of the Premises and the Port Authority upon the occurrence of any such event or at any time thereafter during the continuance thereof by twenty-four hours' notice may cancel the interest of the Lessee under this Agreement, such cancellation to be effective upon the date specified in such notice.

(c) No acceptance by the Port Authority of rentals, fees, charges or other payments in whole or in part for any period or periods after or during the continuance of a breach or default of any of the terms, covenants and conditions to be performed, kept or observed by the Lessee shall be deemed a waiver of any right on the part of the Port Authority to terminate the letting, nor shall the same constitute a waiver of any such breach or default.

(d) No waiver by the Port Authority of any breach or default on the part of the Lessee in performance of any of the terms, covenants or conditions hereof to be performed, kept or observed by the Lessee shall be or be construed to be a waiver by the Port Authority of any other or subsequent default in performance of any of the said terms, covenants and conditions. No failure by the Port Authority to insist upon the strict performance of terms, covenants or conditions of this Agreement or to exercise any right or remedy consequent upon a breach or default thereof, and no extension, supplement or amendment of this Agreement during or after a breach thereof, unless expressly stated to be a waiver, shall constitute a waiver of any such breach or default of the said terms, covenants or conditions. No terms, covenant or condition of this Agreement to be performed or complied with by the Lessee, and no breach or default thereof, shall be waived, altered or modified except by a written instrument executed by the Port Authority.

(e) The rights of termination described above shall be in addition to any other rights of termination provided in this Agreement and in addition to any rights and remedies that the Port Authority would have at law or in equity consequent upon any breach of this Agreement by the Lessee, and the exercise by the Port Authority of any right of termination shall be without prejudice to any other such rights and remedies. The Lessee particularly acknowledges that as part of said equitable rights and remedies the Port Authority shall be entitled to restrain by injunction any violation or attempted or threatened violation of any covenants, conditions or other provisions of this Agreement.

Section 24. Right of Re-entry

The Port Authority shall, as an additional remedy upon the giving of a notice of termination as provided in the Section of this Agreement entitled "*Termination*", have the right to re-enter the Premises and every part thereof upon the effective date of termination without further notice of any kind, and may regain and resume possession either with or without the institution of summary or any other legal proceedings or otherwise. Such re-entry, or regaining or resumption of possession, however, shall not in any manner affect, alter or diminish any of the obligations of the Lessee under this Agreement, and shall in no event constitute an acceptance of surrender.

Section 25. Waiver of Redemption

The Lessee hereby waives any and all rights to recover or regain possession of the Premises and all rights of redemption, granted by or under any present or future law in the event it is evicted or dispossessed for any cause, or in the event the Port Authority obtains possession of the Premises in any lawful manner.

Section 26. Survival of the Obligations of the Lessee

(a) In the event that the letting shall have been terminated in accordance with a notice of termination as provided in the Section of this Agreement entitled "*Termination*", or the

interest of the Lessee cancelled pursuant thereto, or in the event that the Port Authority has re-entered, regained or resumed possession of the Premises in accordance with the provisions of the Section of this Agreement entitled "*Right of Re-entry*", all the obligations of the Lessee under this Agreement shall survive such termination or cancellation, re-entry, regaining or resumption of possession and shall remain in full force and effect for the full term of this Agreement, and the amount or amounts of damages or deficiency shall become due and payable to the Port Authority to the same extent, at the same time or times and in the same manner as if no termination, cancellation, re-entry, regaining or resumption of possession had taken place. The Port Authority may maintain separate actions each month to recover the damage or deficiency then due or at its option and at any time may sue to recover the full deficiency less the proper discount, for the entire unexpired term.

(b) The amount of damages for the period of time subsequent to termination or cancellation (or re-entry, regaining or resumption of possession) shall be the sum of the following:

(1) on account of the Lessee's basic rental obligation, the amount of the total of all annual basic rentals, less the installments thereof payable prior to the effective date of termination except that the credit to be allowed for the installment payable on the first day of the month in which the termination is effective shall be prorated for the part of the month the letting remains in effect, on the basis of a 30-day month;

(2) on account of the Lessee's percentage rental obligation in the event that a basic rental is also reserved under this Agreement, an amount equal to the percentage stated in Item 1 of **Exhibit B** applied to the amount of Gross Receipts in excess of the annual exemption amount or amounts, which Gross Receipts would have been received by the Lessee during the balance of the term if there had been no termination or cancellation (or re-entry, regaining or resumption of possession), and for the purpose of calculation hereunder (i) the said amount of Gross Receipts shall be derived by multiplying the number of days in the balance of the term originally fixed, by the Lessee's average daily Gross Receipts; (ii) the average daily Gross Receipts shall be the total actual Gross Receipts of the Lessee during that part of the effective period of the letting (including all annual periods falling within the effective period) in which the abatement was in effect, divided by the number of days included in such part of the effective period; (iii) the annual exemption amount for any period of less than a year shall be the product of the original annual exemption amount multiplied by a fraction, the numerator of which shall be the number of days from the effective date of termination to the end of the annual period and the denominator shall be 365;

(3) on account of the Lessee's percentage rental obligation in the event that no basic rental is reserved under this Agreement, an amount equal to the percentage stated in Item 1 of **Exhibit B** applied to the amount of Gross Receipts which would have been received by the Lessee during the balance of the term if there had been no termination or cancellation (or re-entry, regaining or resumption of possession), and for the purpose of calculation hereunder (i) the said amount of Gross Receipts shall be derived by multiplying the number of days in the balance of the term originally fixed, by the Lessee's average daily Gross Receipts; and (ii) the average daily Gross Receipts shall be the total actual Gross Receipts of the Lessee during that part of the effective period of the letting (including all annual periods falling within the effective period) divided by the number of days included in such part of the effective period;

(4) the amount of all other unfulfilled monetary obligations of the Lessee under this Agreement, including without limitation thereto, all sums constituting additional rental hereunder and the cost to and expenses of the Port Authority for fulfilling all other obligations of the Lessee which would have accrued or matured during the balance of the term on the expiration date originally fixed or within a stated time after expiration or termination; and

(5) an amount equal to the cost to and the expenses of the Port Authority in connection with the termination, cancellation, regaining possession and restoring (on failure of the Lessee to restore) and reletting the Premises, the Port Authority's legal expenses (including but not

limited to the cost to the Port Authority of in-house legal services) and costs, and the Port Authority's costs and expenses for the care and maintenance of the Premises during any period of vacancy, and any brokerage fees and commissions in connection with any reletting.

(c) It is understood and agreed that the statement of damages under the preceding subdivision (b) shall not affect or be construed to affect the Port Authority's right to damages in the event of termination or cancellation (or re-entry, regaining or resumption of possession) where the Lessee has not received any actual Gross Receipts under this Agreement.

Section 27. Reletting by the Port Authority

The Port Authority, upon termination or cancellation pursuant to the provisions of the Section of this Agreement entitled "*Termination*", or upon any re-entry, regaining, or resumption of possession pursuant to the provisions of the Section of this Agreement entitled "*Right of Re-entry*", may occupy the Premises or may relet the Premises, and shall have the right to permit any person, firm or corporation to enter upon the Premises and use the same. Such reletting may be of part only of the Premises, or of the Premises, or a part thereof together with other space, and for a period of time the same as or different from the balance of the term hereunder remaining, and on terms and conditions the same as or different from those set forth in this Agreement. The Port Authority shall also, upon termination or cancellation pursuant to the provisions of the Section of this Agreement entitled "*Termination*", or upon its re-entry, regaining or resumption of possession pursuant to the provisions of the Section of this Agreement entitled "*Right of Re-entry*", have the right to repair or to make structural or other changes in the Premises, including changes which alter the character of the Premises and the suitability thereof for the purposes of the Lessee under this Agreement, without affecting, altering or diminishing the obligations of the Lessee hereunder. In the event either of any reletting or of any actual use and occupancy by the Port Authority (the mere right to use and occupy not being sufficient however) there shall be credited to the account of the Lessee against its survived obligations hereunder any net amount remaining after deducting from the amount actually received from any lessee, licensee, permittee or other occupier in connection with the use of the said Premises or portion thereof during the balance of the letting as the same is originally stated in this Agreement, or from the market value of the occupancy of such portion of the Premises as the Port Authority may during such period actually use and occupy, all expenses, costs, and disbursements incurred or paid by the Port Authority in connection therewith. No such reletting shall be or be construed to be an acceptance of surrender.

Section 28. Thirty Day Termination

(a) The Port Authority shall have the right to terminate this Agreement and the letting hereunder, without cause, at any time, on thirty (30) days' notice to the Lessee. In the event of termination pursuant to this Section, this Agreement and the letting hereunder shall cease and expire as if the effective date of termination stated in the notice were the date originally stated herein for the expiration of this Agreement.

(b) The Lessee is obligated by this Agreement to furnish and install all fixtures and equipment and make all improvements in the Premises, necessary or proper for its operations hereunder. In the event of termination by the Port Authority under this Section, the Port Authority shall pay the Lessee a pro rata share of the Lessee's cost in supplying and installing such fixtures and equipment and making all such improvements excluding any replacements thereof. The cost and the pro rata share thereof shall be ascertained as stated in Item 6 of **Exhibit B**; provided, however, that tender of payment of said prorated cost by the Port Authority to the Lessee shall not be prerequisite to the exercise of the right of termination under this Section. On the payment by the Port Authority of said prorated cost and any interest due thereon, all fixtures, equipment and improvements including replacements furnished by the Lessee in the Premises and all interest of the Lessee therein which have not already become the property of the Port Authority shall be and become the property of the Port

Authority and the Lessee shall execute any and all instruments necessary to transfer title to any such interest; provided, however, that the Port Authority may by notice relinquish its right to any such fixtures, equipment or improvements and the provisions of the Sections of this Agreement "*Sales and Services by the Lessee*" and "*Surrender*", respectively.

Section 29. Remedies to Be Non-exclusive

All remedies provided in this Agreement shall be deemed cumulative and additional and not in lieu of or exclusive of each other or of any other remedy available to the Port Authority at law or in equity, and the exercise of any remedy, or the existence herein of other remedies or indemnities shall not prevent the exercise of any other remedy.

Section 30. Surrender

(a) The Lessee covenants and agrees to yield and deliver peaceably to the Port Authority possession of the Premises on the date of the cessation of the letting, whether such cessation be by termination, expiration or otherwise, promptly and in good condition, and all of the Premises shall be free and clear of all liens, encumbrances, and security interests and of any rights of any sublessees or other occupants of the Premises.

(b) Subject to the provisions of the Sections of this Agreement entitled "*Sales and Services by the Lessee*" and "*Thirty Day Termination*", respectively, the Lessee shall have the right at any time during the letting to remove its equipment, inventories, removable fixtures and other personal property from the Premises. If the Lessee shall fail to remove its property on or before the termination or expiration of the letting, the Port Authority may remove such property to a public warehouse for deposit or retain the same in its own possession, and sell the same at public auction, the proceeds of which shall be applied first to the expenses of removal, storage and sale, second to any sums owed by the Lessee to the Port Authority, with any balance remaining to be paid to the Lessee; if the expenses of such removal, storage and sale shall exceed the proceeds of sale, the Lessee shall pay such excess to the Port Authority upon demand.

Section 31. Acceptance of Surrender of Lease

No agreement of surrender or to accept a surrender shall be valid unless and until the same shall have been reduced to writing and signed by the duly authorized representatives of the Port Authority and of the Lessee. Except as expressly provided in this Section, neither the doing of, nor any omission to do, any act or thing, by any of the officers, agents or employees of the Port Authority, shall be deemed an acceptance of a surrender of the letting or of this Agreement.

Section 32. Requirement of Security Deposit

(a) Upon the execution of this Agreement by the Lessee and delivery thereof to the Port Authority, the Lessee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Lessee, all of the terms, provisions, covenants and conditions of this Agreement on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority, and payable in the Port of New York District in the amount of Fourteen Thousand Dollars and No Cents (\$14,000.00). The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission under this Agreement and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be

accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is an appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Lessee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security. Failure to provide such a letter of credit at any time during the effective period of the permission, under this Agreement, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit shall be deemed to be a breach of this Agreement on the part of the Lessee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Lessee made thereafter, the Port Authority will return the security deposit, if any, theretofore made. The Lessee shall have the same rights to receive such deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the permission under this Agreement and fulfillment of the obligations of the Lessee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Lessee on demand of the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to be a waiver of any default by the Lessee under the terms of this Agreement and all remedies of the Lessee and of the Port Authority consequent upon such default shall not be affected by the existence of a recourse to any such letter of credit.

(b) For purposes of the provisions set forth in this Section, the Lessee hereby certifies that the I.R.S. Employer Identification No. for: (i) AMS-BW Newark JV is (Ex. 1) (ii) Airport Management Services, LLC is (Ex. 1) , and (iii) Branded Works, Inc is (Ex. 1)

(c) Unless Item 7 of Exhibit B indicates that no performance bond is required, the Lessee shall furnish and pay the premium for a bond in the sum stated in the said Item 7, conditioned upon the full, faithful and prompt performance of and compliance with, on the part of the Lessee, all the covenants, terms and conditions of this Agreement on its part to be fulfilled, kept, performed and observed. The bond so furnished shall be in the form attached hereto, hereby made a part hereof and marked Exhibit U, and shall be effective throughout the performance of Lessee's Work for the Premises and through the later of either (i) a period of six (6) months following the completion of all punch list items issued by the Port Authority or (ii) the opening of the Premises for business to the public. Further, such bond shall be made either by a surety company or companies qualified to carry on a surety business in the State of New Jersey if the Premises are in New Jersey or in the State of New York if the Premises are in New York, and satisfactory to the Port Authority or by an individual or individuals satisfactory to the Port Authority.

Section 33. Brokerage

The Lessee represents and warrants that no broker has been concerned in the negotiation of this Agreement and that there is no broker who is or may be entitled to be paid a commission in connection therewith. The Lessee shall indemnify and save harmless the Port Authority of and from any claim for commission or brokerage made by any and all persons, firms or corporations whatsoever for services in connection with the negotiation and execution of this Agreement.

Section 34. Limitation of Rights and Privileges Granted

No greater rights or privileges with respect to the use of the Premises or any part thereof or with respect to the Terminal are granted or intended to be granted to the Lessee by this Agreement, or by any provision thereof, than the rights and privileges expressly granted hereby.

Section 35. Letting Postponed

The Lessee recognizes that, at the time of execution of this Agreement, the Premises may be occupied by another or may be under construction, alteration or improvement by the Port Authority or that the Port Authority may intend to do or make such construction, alteration or improvement and that as a result the Premises may not be ready for occupancy on the commencement date stated in the Section of this Agreement entitled "Term". In the event that the Premises are not ready for occupancy on said commencement date, the term of the letting under this Agreement shall commence on a date designated by the Port Authority on ten (10) days' notice to the Lessee, but not later than the date stated in Item 8 of **Exhibit B**; and, in the event that the commencement date shall be postponed hereunder, then the expiration date as stated in said Section shall also be postponed by a period of time equivalent to the period intervening between the commencement date stated in said Section and the actual commencement date as designated pursuant to this Section. In the event that the Premises are not ready for occupancy on or before the date stated in Item 8 of **Exhibit B**, then this Agreement shall be cancelled and each party shall release and does hereby release the other party of and from any and all claims or demands based on this Agreement or any breach or alleged breach thereof. Nothing contained in this Section shall impose or shall be construed to impose on the Port Authority any obligation to perform construction or make alterations or improvements.

Section 36. Changes in the Terminal

The Port Authority shall have the right at any time and from time to time prior to and during the letting, in the interest of the efficient operation of the Terminal, to close, move or alter any common way in the Terminal, including but not limited to entrances, exits, passages, halls, corridors, aisles, stairways, elevators or escalators, or to restrict or change the traffic on or through any such common way; and no such action by the Port Authority shall release the Lessee from any of its obligations under this Agreement.

Section 37. Notices

(a) Except where expressly required or permitted herein to be oral, all notices, directions, requests, consents and approvals required to be given to or by either party shall be in writing, and all such notices and requests shall be (i) personally delivered to the duly designated officer or representative of such party or delivered to the office of such officer or representative during regular business hours, or (ii) forwarded to him or to the party at such address by certified or registered United States mail, postage prepaid, return receipt requested, or (iii) forwarded to him or to the party at such address by expedited prepaid delivery service, either commercial or United States Postal Service, with proof of delivery or attempted delivery required in the case of (i), (ii) or (iii) above. Said designated officer or representative of the Port Authority and the Lessee and their respective officers shall be as set forth in this Agreement.

(b) The Lessee shall from time to time designate in writing an office within the Port of New York District and an officer or representative whose regular place of business is at such office upon whom notices and requests may be served. Until further notice, the Lessee designates its representative named on the first page of this Agreement as its representative upon whom notices and requests may be served and its address given on the first page of this Agreement as its office where notices and request may be served. The Port Authority hereby designates its Executive Director, as its representative upon whom notices and requests may be served, and its office at 225 Park Avenue South, New York, New York 10003.

(c) A notice shall be deemed to have been given: in the case of hand delivery, at the time of delivery or refusal to accept delivery; in the case of registered or certified mail or expedited prepaid delivery, upon delivery or refusal to accept delivery; or in the event of failure to delivery by reason of changed address of which no notice was given or refusal to accept delivery, as

of the date of such failure or refusal. A party receiving a notice which does not comply with the technical requirements for notice under this Section may elect to waive any deficiencies and treat the notice as having been properly given.

(d) Wherever a notice or request is required to be given by the Lessee to the Port Authority pursuant to this Agreement, a copy of such notice or request shall also be given simultaneously by the Lessee to Westfield Concession Management, LLC (or any successor concession manager thereto designated by the Port Authority, if any), in accordance with the requirements of this Section, to the following address:

Section 39. Quiet Enjoyment

The Port Authority covenants and agrees that as long as the Port Authority remains the lessee (if the Premises are located in the City of Newark) or the owner (if the Premises are located in the City of Elizabeth) of the Terminal, the Lessee, upon paying all rentals hereunder and performing all the covenants, conditions and provisions of this Agreement on its part to be performed, shall and may peaceably and quietly have, hold and enjoy the Premises free of any act or acts of the Port Authority except as expressly permitted in this Agreement.

Section 40. Headings

The section headings and the paragraph headings, if any, are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope or intent of any provision hereof.

Section 41. Construction and Application of Terms

(a) Wherever in this Agreement a third person singular neuter pronoun or adjective is used, referring to the Lessee, the same shall be taken and understood to refer to the Lessee, regardless of the actual gender or number thereof.

(b) Whenever in this Agreement the Lessee is placed under an obligation or covenants to do or to refrain from or is prohibited from doing, or is entitled or privileged to do, any act or thing, the following shall apply:

(1) If the Lessee is a corporation, its obligations shall be performed or its rights or privileges shall be exercised only by its officers and employees; or

(2) If the Lessee is an unincorporated association or a business or "Massachusetts" trust, the obligation shall be that of its members or trustees, as well as of itself, and shall be performed only by its members or trustees, and officers and employees, and the rights or privileges shall be exercised only by its members or trustees, and its officers and employees; or

(3) If the Lessee is a co-partnership, the obligation shall be that of its partners and shall be performed only by its partners and employees and the rights or privileges shall be exercised only by its partners and employees; or

(4) If the Lessee is an individual, the obligations shall be that of himself (or herself) and shall be performed only by himself (or herself) and his (or her) employees and the rights or privileges shall be exercised only by himself (or herself) and his (or her) employees; or

(5) if the Lessee is a limited liability company, by the Lessee acting only through the medium of its members, managers, and employees.

(c) None of the privileges of paragraph (b) above shall be taken to alter, amend or diminish any obligation of the Lessee assumed in relation to its invitees, customers, agents, representatives, contractors or other persons, firms or corporations doing business with it.

(d) In the event that more than one individual or other legal entity are the Lessee under this Agreement, then and in that event each and every obligation under this Agreement shall be the joint and several obligation of each such individual or other legal entity.

(e) The Lessee's representative, hereinbefore specified (or such substitute as the Lessee may hereafter designate in writing) shall have full authority to act for the Lessee in connection with this Agreement and any things done or to be done hereunder, and to execute on the Lessee's behalf any amendments or supplements to this Agreement or any extension thereof.

(f) The Lessee agrees that any rule of construction to the effect that any ambiguities in this Agreement are to be resolved against the drafting party shall not be applicable to the interpretation or construction of this Agreement or any amendments, addendums, supplements, Exhibits or Schedules hereto.

(g) The Section and paragraph headings, if any, in this Agreement are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope or intent of any provision hereof.

(h) Unless otherwise expressly specified, the terms, provisions and obligations contained in the Exhibits and Schedules attached hereto, whether there set out in full or as

amendments of, or supplements to provisions elsewhere in the Agreement stated, shall have the same force and effect as if herein set forth in full.

(i) If any clause, provision or section of this Agreement shall be ruled invalid by any court of competent jurisdiction, the invalidity of such clause, provision or section shall not affect any of the remaining provisions hereof.

(j) The fact that certain of the terms and provisions hereunder are expressly stated to survive the expiration or termination of the letting hereunder shall not mean that those provisions hereunder which are not expressly stated to survive shall terminate or expire on the expiration or termination of the letting hereunder and do not survive such termination or expiration.

(k) Time is of the essence in the Lessee's performance of this Agreement. Notwithstanding the fact that certain references elsewhere in this Agreement to acts required to be performed by the Lessee hereunder, or to breaches or defaults of this Agreement by the Lessee, omit to state that such acts shall be performed at the Lessee's sole cost and expense, or omit to state that such breaches or defaults by the Lessee are material, unless the context clearly implies to the contrary, each and every act to be performed or obligation to be fulfilled by the Lessee pursuant hereto shall be performed or fulfilled at the Lessee's sole cost and expense, and all breaches or defaults by the Lessee hereunder shall be deemed material. The Lessee shall be fully responsible and liable for the observance and compliance by concessionaires, franchisees and licensees of the Lessee and with all the terms and conditions of this Agreement, which terms and conditions shall be applicable to concessionaires, franchisees and licensees as fully as if they were the Lessee hereunder; and failure by a concessionaire, franchisee or licensee fully to observe and comply with the terms and conditions of this Agreement shall constitute a default by the Lessee. Nothing contained in the preceding sentence shall constitute consent by the Port Authority to any concession, subletting or other arrangement.

Section 42. Non-Discrimination

(a) Without limiting the generality of any of the provisions of this Agreement, the Lessee in its operations at the Airport, the use of any space or Premises and the exercise of any privileges under this Agreement, shall not on the grounds of race, creed, color or national origin discriminate or permit discrimination against any person or group of persons in any manner whatsoever and shall comply with Part 21 to the Regulations of the Office of the Secretary of Transportation, as it may be amended and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which from time to time may be applicable to the Lessee's operations at the Airport, whether by reason of agreement between the Port Authority and the United States Government or otherwise.

(b) The Lessee shall include the provisions of paragraph (1) of this Section in every agreement or concession pursuant to which any person or persons, other than the Lessee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce any such covenant. Nothing herein shall be or be deemed to grant to the Lessee the right to make any such agreement or concession.

(c) The Lessee's noncompliance with the provisions of this Section shall constitute a material breach of this Agreement. In the event of such noncompliance, the Port Authority may take any appropriate action to enforce compliance; or by giving twenty-four (24) hours' notice, may terminate this Agreement and the letting hereunder with the same force and effect as a termination under the Section of this Agreement providing for termination for default by the Lessee in the performance or observance of any other term or provision of this Agreement; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) This Agreement is subject to the requirements of the United States Department of Transportation's regulations, 49 CFR Part 23. The Lessee agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement or any management contract, or subcontract, purchase or lease agreement or other agreement covered by 49 CFR Part 23. The Lessee agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR Part 23 that it enters and cause those businesses to similarly include the statements in further agreement.

(e) The Lessee shall indemnify and hold harmless the Port Authority from any claims and demands of third persons including the United States of America resulting from the Lessee's noncompliance with any of the provisions of this Section and the Lessee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

Section 43. Basic Lease

If the Premises are located in the City of Newark, the following shall apply:

(a) Notwithstanding any other provision of this Agreement, this Agreement shall in any event expire with the expiration or termination of the lease of the Facility from the City of Newark to the Port Authority under the agreement of lease between the City and the Port Authority dated October 22, 1947, as the same from time to time may have been or may be supplemented or amended. Said agreement dated October 22, 1947, has been recorded in the Office of the Register of Deeds for the County of Essex on October 30, 1947 in the Book E-110 of Deeds at pages 242, et seq, no greater rights or privileges are hereby granted to the Lessee than the Port Authority has the power to grant under said agreement as supplemented or amended as aforesaid.

(b) The Port Authority has agreed by a provision in its said agreement with the City covering the Facility to conform to the enactments, ordinances, resolutions and regulations of the City and of its various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable to do so. The Lessee shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the said agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Lessee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Lessee at the Facility. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Lessee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Lessee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Agreement, although the Port Authority thereafter notifies the Lessee to refrain from such compliance. Nothing herein contained shall release or discharge the Lessee from compliance with any other provision hereof respecting governmental requirements.

Section 44. Governmental Compliance

In the event that all or any portion of the Premises is required by the Port Authority to comply with any present or future governmental law, rule, regulation, requirement, order or direction, the Port Authority shall give the Lessee notice that all or any such portion of the Premises is so required and the Lessee shall deliver all or any such portion of the Premises so required on the date specified in such notice, and if the Lessee does not so deliver, the Port Authority may take the same. No such taking or delivery shall be or be construed to be an eviction of the Lessee or a breach of this Agreement. In the event that the Lessee has received a notice hereunder it shall deliver all or any

such portion of the Premises so required in the same condition as that required hereunder for the delivery of the Premises on the cessation of the letting. In the event of the taking or delivery of all the Premises, this Agreement and the letting hereunder shall on the day of such taking or delivery cease and expire as if that day were the date originally stated herein for the expiration of this Agreement; and, in the event of the taking or delivery of any portion of the Premises, then, from and after such taking or delivery, such portion of the Premises shall cease to be a part of the Premises hereunder. There shall be an abatement of the rental in the event of any such taking or delivery of a portion of the Premises if so provided in Item 1 of **Exhibit B**.

The Lessee understands the Port Authority by its officers, employees, agents, representatives or contractors or by the Airlines or their contractors or by the furnishers of utilities or other services to the Premises or to others at the Facility shall have the right to temporarily discontinue the supply of any of the above services in order to allow repairs, alterations, changes or improvements in the Premises or elsewhere at the Facility including all systems for the supply of services for the benefit of the Lessee or for the benefit of others than the Lessee at the Facility. Nothing contained herein shall be or be deemed construed to impose upon the Port Authority any obligations to supply any utility or service or to repair, alter or make changes or improvements or shall create any liability upon the Port Authority for any failure to do so.

Section 45. Force Majeure

(a) Neither the Port Authority nor the Lessee shall be deemed to be in violation of this Agreement if it is prevented from performing any of its obligations hereunder by reason of strikes, boycotts, labor disputes, embargoes, shortages of material, acts of God, acts of the public enemy, acts of superior governmental authority, acts of terrorism, weather conditions, tides, riots, rebellion, sabotage or any other circumstances for which it is not responsible and which are not within its control; provided, however, that this provision shall not apply to failures by the Lessee to pay the rentals specified in the Section of this Agreement entitled "*Rental*" and Item 1 of **Exhibit B** annexed to this Agreement and shall not apply to any other charges or money payments specified in this Agreement; and provided further, that except by virtue of the circumstances specifically set forth hereinabove in this Section, this provision shall not prevent either party from exercising any of its rights to terminate this Agreement.

(b) No abatement, diminution or reduction of the rental or other charges payable by the Lessee, shall be claimed by or allowed to the Lessee for any inconvenience, interruption, cessation or loss of business or other loss caused, directly or indirectly, by any present or future law, rule, requirement, order, direction, ordinance or regulation of the United States of America, or of the state, county or city government, or of any other municipal, governmental or lawful authority whatsoever, or by priorities, rationing or curtailment of labor or materials, or by war or any matter or thing resulting therefrom, or by any other cause or causes beyond the control of the Port Authority, nor shall this Agreement be affected by any such causes or conditions.

Section 46. Rules and Regulations Amendment

If a copy of the Rule and Regulations referred to in the Section of this Agreement entitled "*Rules and Regulations*" is not attached to this Agreement, then the Port Authority will notify the Lessee thereof either by delivery of a copy, or by publication in a newspaper published in the Port of New York District or by making a copy available at the office of the Secretary of the Port Authority. No statement or provision in the said Rules and Regulations shall be deemed a representation or promise by the Port Authority that the services or privileges described shall be or remain available, or that the charges, prices, rates or fees stated therein shall be or remain in effect throughout the letting, all of the same being subject to change by the Port Authority from time to time whenever it deems a change advisable.

Section 47. Non-Liability of Individuals

No Commissioner, director, officer, agent or employee of either party shall be charged personally or held contractually liable by or to the other party under any term or provision of this Agreement or of any supplement, modification or amendment to this Agreement or because of any breach thereof, or because of its or their execution or attempted execution.

Section 48. Other Agreements

The Lessee shall not, by virtue of the execution of this Agreement, be released or discharged from any obligations or liabilities whatsoever under any other agreement it has with the Port Authority.

Section 49. Operating Names

(a) Any name, designation or any service mark proposed to be used or displayed at the Premises or at the Terminal or for the Lessee's operations therein shall be approved in advance in writing by the Port Authority and the Lessee shall have the right to use and display the name, designation or mark only so long as this Agreement is in force and effect. If for any reason the Lessee ceases its operations in the Premises, the Lessee's right to use such name, designation or service mark shall immediately cease and come to an end and the Port Authority or its designee shall have the sole right to use such name, designation or service mark and the Lessee hereby consents to such use thereof. Any registration or filing by the Lessee with respect to such name, designation or service mark shall indicate the Port Authority's interest therein and the form thereof shall be approved in advance by the Port Authority in writing. The Lessee agrees to assign and transfer to the Port Authority any such registration or filing and any other rights in or to the use of such name, designation or service mark promptly upon written request therefor from the Port Authority. Nothing herein contained is intended to apply to the continuing use by the Lessee of its customary name, designation or service mark, if any, used elsewhere in its operations prior to the making of this Agreement.

(b) The Lessee shall not use or make any reference, by advertising or otherwise, to the names "The Port Authority of New York and New Jersey", "Port Authority" or any simulation or abbreviation of any such names, or any emblem, picture or reproduction of the Facility, for any purpose whatsoever. Furthermore, the Lessee shall not make use of or originate any material intended for publication or visual or oral presentation which uses the name "Newark Liberty International Airport" without the consent of the Port Authority.

Section 50. Labor Disturbances and Labor Harmony

(a) General. In connection with its operations at the Airport under this Agreement, the Lessee shall serve the public interest by promoting labor harmony, it being acknowledged that strikes, picketing, or boycotts may disrupt the efficient operation of the Terminal. The Lessee recognizes the essential benefit to have continued and full operation of the Airport as a whole and the Terminal as a transportation center. The Lessee shall immediately give oral notice to the Port Authority (to be followed reasonably promptly by written notices and reports) of any and all impending or existing labor-related disruptions and the progress thereof.

If any type of strike, picketing, boycott or other labor-related disruption is directed against the Lessee at the Terminal, or against its operations thereat pursuant to this Agreement, which in the opinion of the Port Authority (i) physically interferes with the operation of the Airport, the Terminal or the Premises, or (ii) physically interferes with public access between the Premises and any portion of the Terminal or the Airport, or (iii) physically interferes with the operations of other operators at the Airport or the Terminal, or (iv) presents a danger to the health and safety of users of

the Airport or the Terminal, including persons employed thereat or members of the public, the Port Authority shall have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, terminating this Agreement and the letting on five (5) days' written notice to the Lessee. In the event of termination by the Port Authority hereunder this Agreement and the letting hereunder shall cease and expire on the effective date of termination stated in the notice with the same force and effect as if such date were the original expiration date of the letting hereunder.

(b) Labor Peace Agreement. The Lessee represents that, prior to or upon entering into this Agreement, it has delivered to the Port Authority evidence of a signed labor peace agreement, in the form attached hereto as **Exhibit X**, or in the event **Exhibit X** is inapplicable, then a signed officer's certification to such effect in the form required by the Port Authority.

(c) Employee Retention. If the Lessee's concession at the Premises is of the same type (i.e., food, retail, news/gifts or duty-free concession) as that of the immediately preceding concession operator at the Premises (the "**Predecessor Concession**"), the Lessee agrees to offer continued employment for a minimum period of ninety (90) days, unless there is just cause to terminate employment sooner, to employees of the Predecessor Concession who have been or will be displaced by cessation of the operations of the Predecessor Concession and who wish to work for the Lessee at the Premises. The foregoing requirement shall be subject to the Lessee's commercially reasonable determination that fewer employees are required at the Premises than were required by the Predecessor Concession; provided, however, that the Lessee shall retain such staff is deemed commercially reasonable on the basis of seniority with the Predecessor Concession at the Premises. The Port Authority shall have the right to demand from the Lessee documentation of the name, date of hire, and employment occupation classification of all employees covered by this provision. In the event the Lessee fails to comply with this provision, the Port Authority have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, termination of this Agreement.

(d) Applicability of Provision. The provisions of this section shall apply to concession operators which employ ten (10) or more persons at the Premises.

(e) Suspension of Lessee Operations. In the event of suspension of Lessee's operations pursuant to paragraph (a), above, the Lessee shall cease its activities and operations in the Premises and shall take such steps to secure and protect the Premises as shall be necessary or desirable. The exercise by the Port Authority of the right of suspension hereunder shall not affect or in any way limit the Port Authority's rights of termination as set forth elsewhere in this Agreement.

Section 51. Finishes and Decorating by the Lessee

(a) The Port Authority shall deliver each area of the Premises to the Lessee in their presently existing "AS IS" condition. The Lessee acknowledges that prior to the execution of this Agreement, it has thoroughly examined and inspected the existing Premises and has found the same to be in good order and repair and has determined the Premises to be suitable for the Lessee's operations hereunder. The Lessee agrees to and shall take the Premises in their "AS IS" condition and the Port Authority shall have no obligation hereunder for finishing work or preparation of any portion of the Premises for the Lessee's use. Nothing contained herein shall be construed to relieve the Lessee of its obligations under the provisions of the Section of this Agreement entitled "*Sales and Services by the Lessee*" to install in the Premises all necessary or proper equipment or fixtures required for its operations in the Premises. Subject to the provisions of this Section and those of the Section of this Agreement entitled "*Construction by the Lessee*", the Lessee agrees to and shall perform at its sole cost and expense all construction and installation work necessary or proper for its initial occupancy in, and operations at, the Premises, which work is hereinafter sometimes called the "**Lessee's Work**".

(b) The Lessee agrees that in performing the Lessee's Work it will incur costs subject to the limitations and restrictions contained in Item 6 of **Exhibit B**. Lessee shall submit on a timely basis to the Port Authority for its approval an Alteration Application in the form supplied by the Port Authority, and containing such terms and conditions as the Port Authority may include, setting forth in detail and by appropriate plans and specifications the construction and installation work proposed by the Lessee to modernize, refurbish and prepare the Premises for operations hereunder and the manner of and time periods for performing the same. The data to be supplied by the Lessee shall describe in detail the fixtures and equipment to be installed by the Lessee. The Lessee shall be responsible at its sole expense for retaining all architectural, engineering and other technical consultants and services as may be directed by the Port Authority and for developing, completing and submitting detailed plans and specifications for the Lessee's Work. The plans and specifications to be submitted by the Lessee to the Port Authority shall bear the seal of a qualified architect or professional engineer and shall be in sufficient detail for a contractor to perform the Lessee's Work. The Lessee shall not engage in any such contractor or permit the use of any subcontractor unless and until each such contractor or subcontractor has been approved by the Port Authority. The Lessee shall include in any such contract or subcontract such provisions as the Port Authority may approve or require, including, without limitation thereto, provisions regarding labor harmony. The Lessee shall cause each such contractor and subcontractor to obtain and maintain in force such insurance coverage and performance bonds as the Port Authority shall specify. All the Lessee's Work shall be done in accordance with the said Alteration Application and final plans and specifications approved by the Port Authority shall be subject to inspection by the Port Authority during the progress of the Lessee's Work and after the completion thereof and the Lessee shall redo or replace at its own expense any of the Lessee's Work not done in accordance therewith. Upon completion of the Lessee's Work, the Lessee shall supply the Port Authority with a certificate signed by the architect or engineer who sealed the Lessee's plans and specifications pursuant to the provisions of this paragraph certifying that all of the Lessee's Work has been performed in accordance with the approved plans and specifications covering such work and in accordance with the provisions of this Agreement, and the Lessee shall supply the Port Authority with as-built drawings in form and number requested by the Port Authority.

(c) The Lessee shall not commence any portion of the Lessee's Work until the Alteration Application and plans and specifications covering such work have been finally approved by the Port Authority. In the event of any inconsistency between the provisions of this Agreement and those of the Alteration Application, the provisions of this Agreement shall control. The Lessee recognizes that its obligation to pay the rentals for the Premises stated in Item 1 of **Exhibit B** shall commence as established pursuant to Item 1 of **Exhibit B** whether or not the Lessee's Work is then completed or whether the Lessee is then conducting public operations in the Premises. The Lessee shall conduct no public operations in the Premises until the Port Authority shall have notified the Lessee in writing that the Lessee's Work has been completed to its satisfaction.

(d) The Lessee shall be solely responsible for the plans and specifications used by it, and for the adequacy or sufficiency of such plans, specifications and all the improvements depicted thereon or covered thereby, regardless of the consent thereto or approval thereof by the Port Authority or the incorporation therein of any Port Authority requirements or recommendations. The Port Authority shall have no obligations or liabilities in connection with the performance of the Lessee's Work or the contracts for the performance thereof entered into by the Lessee. Any warranties extended or available to the Lessee in connection with the Lessee's Work shall be for the benefit of the Port Authority as well as the Lessee.

(e) Without limiting or affecting any other term or provision of this Agreement, the Lessee shall be solely responsible for the design, adequacy and operation of all utility, mechanical, electrical, communications and other systems installed in the Premises either by the Port Authority or by the Lessee and shall do all preventive maintenance and make all repairs, replacements, rebuilding (ordinary or extraordinary, structural or non-structural) and painting necessary to keep such systems and all other improvements, additions and fixtures, finishes and

decorations made or installed by the Lessee (whether the same involves structural or non-structural work) in the condition they were in when made or installed except for reasonable wear which does not adversely affect the watertight condition or structural integrity of the building or adversely affect the efficient or proper utilization or appearance of any part of the Premises.

(f) Intentionally omitted.

(g) (1) Without limiting any of the terms and conditions of this Agreement, the Lessee understands and agrees that it shall put into effect prior to the commencement of any of the Lessee's Work an affirmative action program and minority business enterprise ("MBE") program and Women-owned Business enterprises ("WBE") program in accordance with the provisions of the schedule annexed hereto, hereby made a part hereof and marked **Schedule E**. The provisions of **Schedule E** of this Agreement shall be applicable to the Lessee's contractor or contractors and subcontractors at any tier of construction as well as to the Lessee and the Lessee agrees to include the provisions of **Schedule E** within all of its construction contracts so as to make such provisions and undertakings the direct obligation of the construction contractor or contractors and subcontractors at any tier of construction. The Lessee agrees to furnish and agrees to require its contractor, contractors and subcontractors to furnish the Port Authority such data, including but not limited to compliance reports relating to the operation and implementation of the affirmative action, MBE and WBE programs called for hereunder as the Port Authority may request at any time and from time to time regarding the affirmative action, minority business enterprises, and women-owned business enterprises programs of the Lessee and its contractor, contractors and subcontractors at any tier of construction, and the Lessee agrees to make and put in effect and agrees to require that its contractor, contractors and subcontractors at any tier of construction make and put into effect such modifications and additions thereto as may be agreed to by and between the Port Authority and the Lessee pursuant to the provisions hereof and those of **Schedule E** to effectuate the goals of affirmative action and minority business enterprise and women-owned business enterprise programs. The obligations imposed on the Lessee under this paragraph and **Schedule E** shall not be construed to impose any greater requirements on the Lessee than those which may be imposed on the Lessee under applicable law.

(2) In addition to and without limiting any of the terms and conditions of this Agreement, the Lessee agrees to provide in its contracts and all subcontracts covering the Lessee's Work, or any portion thereof, that:

(i) The contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, and shall undertake or continue existing programs of affirmative action to ensure that minority group persons are afforded equal employment opportunity without discrimination. Such programs shall include, but not be limited to, recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, rates of pay or other forms of compensation, and selections for training or retraining, including apprenticeships and on-the-job training;

(ii) At the request of either the Port Authority or the Lessee, the contractor shall request such employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding and which is involved in the performance of the contract with the Lessee to furnish a written statement that such employment agency, labor union or representative shall not discriminate because of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will cooperate in the implementation of the contractor's obligations hereunder;

(iii) The contractor will state, in all solicitations or advertisement for employees placed by or on behalf of the contractor in the performance of the contract, that all qualified applicants will be afforded equal employment opportunity without discrimination because of race, creed, color, national origin, sex, age, disability or marital status; and

(iv) The contractor will include the provisions of (f)(2)(i) through (f)(2)(iii) of this Section in every subcontract or purchase order in such a manner that such provisions will be binding upon each subcontractor or vendor as to its work in connection with the contract.

(3) The term "contractor", as used herein, shall include each contractor and subcontractor at any tier of construction.

(h) The Lessee shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, and agrees to undertake or continue existing programs of affirmative action to ensure that minority group persons and women are afforded equal employment opportunity without discrimination. Such programs shall include, but not be limited to, recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, rates of pay or other forms of compensation, and selections for training or retraining, including apprenticeship and on-the-job training.

(i) (1) In addition to and without limiting any of the foregoing provisions of this Section, and without limiting any other provision of this Agreement, or the provisions of **Schedule E** hereof, the Lessee agrees, in connection with its continuing operation, maintenance and repair of the Premises, or any portion thereof, and in connection with every award or agreement for concessions or consumer services at the Facility to commit itself to and use good faith efforts throughout the term of the letting hereunder to implement an extensive program of Affirmative Action, including specific affirmative action steps to be taken by the Lessee, to ensure maximum opportunities for employment and contracting by minorities and women. In meeting such commitment the Lessee agrees to submit its said extensive Affirmative Action program, including the specific affirmative action steps to be taken by the Lessee to meet its aforesaid commitment, within sixty (60) days after the commencement of the term of the letting hereof to the Port Authority for its review and approval. The Lessee shall incorporate in such program such revisions and changes as the Port Authority and the Lessee may agree upon from time to time. The Lessee agrees throughout the term of the letting hereunder to document its efforts in implementing such program, and agrees to keep the Port Authority fully advised of the Lessee's progress in implementing the program and to supply to the Port Authority such information, data and documentation with respect thereto as the Port Authority may from time to time and at any time request, including but not limited to annual reports.

(2) "Minority" as used herein shall mean those persons described in paragraph I (c) of Part 1 of **Schedule E**.

(3) In the implementation of the provisions of this Section, the Port Authority may consider compliance by the Lessee with the provisions of any federal, state or local law concerning affirmative action, and equal employment opportunity, which are at least equal to the requirements of this Section, as effectuating the provisions of this Section. If the Port Authority determines that by virtue of such compliance with the provisions of any such federal, state or local law that the provisions hereof duplicate or conflict with such law the Port Authority may waive the applicability of the provisions of this Section to the extent that such duplication or conflict exists.

(j) Nothing herein provided shall be construed as a limitation upon the application of any laws which establish different standards of compliance or upon the application of requirements for the hiring of local or other area residents.

(k) Nothing in this Section shall grant or be deemed to grant to the Lessee the right to make any agreement or award for concessions or consumer services at the Facility.

Section 52. Affirmative Action

The Lessee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Lessee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Lessee assures that it will require that its covered suborganizations provide assurances to the Lessee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

Section 53. Late Charges

If the Lessee should fail to pay any amount required under this Agreement when due to the Port Authority, including payment of rental, utility fees or charges, or other charges or fees then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period herein below described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent (.8%) of such unpaid amount for each late charge period. There shall be twenty-four (24) late charge periods during each calendar year; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (15) (but not less than thirteen (13)) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Agreement. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Section, with respect to such unpaid amount. Each late charge shall be and become additional rent, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the rentals as set forth in Item 1 of Exhibit B hereof. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Agreement, including without limitation the Port Authority's rights set forth in the Section of this Agreement entitled "*Thirty Day Termination*", or (ii) any obligations of the Lessee under this Agreement. In the event that any late charge imposed pursuant to this Section shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Agreement shall be payable instead at such legal maximum.

Section 54. Ethical Standards

The Lessee for itself and on behalf of any Affiliate of the Lessee and as to each member of the Board of Directors and each officer of the Lessee and/or of such Affiliate hereby certifies under the penalties applicable to perjury, represents warrants and covenants with full knowledge that the Port Authority will rely hereon in entering into this Agreement that at no time hereafter including the term of this Agreement shall the Lessee or any Affiliate thereof (a) take any action with respect to any employee or former employee of the Port Authority or immediate family member of either (i.e., spouse, child, parent or brother or sister) which would constitute a breach of ethical standards under the Code of Ethics and Financial Disclosure dated as of July 18, 1994 promulgated by the Port Authority, a copy of which is available upon request to the Secretary of the Port Authority, (b) offer, give or agree to give anything of value either to a Port Authority employee, agent, job shopper, consultant, construction manager or other person or firm representing the Port

Authority, or to a member of the immediate family (i.e., a spouse, child, parent, brother or sister) of any of the foregoing, in connection with the performance by such employee, agent, job shopper, consultant, construction manager or other person or firm representing the Port Authority of duties involving transactions with the Lessee on behalf of the Port Authority, whether or not such duties are related to this Agreement or any other Port Authority contract or matter, or (c) make an offer of employment or use confidential information in a manner prescribed by the said Code of Ethics and Financial Disclosure. Any such conduct shall be deemed a material breach of this Agreement. As used herein "anything of value" shall include but not be limited to any (1) favors, such as meals, entertainment, transportation (other than that contemplated by this Agreement or any other Port Authority contract), etc., which might tend to obligate the Port Authority employee to the Lessee or any parent or Affiliate thereof and (2) gift, gratuity, money, goods, equipment, services, lodging, discounts not available to the general public, offers or promises of employment, loans or the cancellation thereof, preferential treatment or business opportunity. Such term shall not include compensation contemplated by this Agreement or any other Port Authority contract; and (iv) that neither the Lessee nor any Affiliate thereof knows of any action the part of any employee or former employee of the Port Authority which constitutes a breach of said Code of Ethics and Financial Disclosure and that if it or any parent or other Affiliate of the Lessee comes into such knowledge at any time hereafter, including during the term of this Agreement, it shall immediately report the same to the Port Authority in writing, any failure to do so being deemed a material breach of this Agreement.

Section 55. Additional Rent Items and Lessee Obligations

(a) **Promotion Fee.** The Lessee agrees to participate fully with the marketing and promotional programs for the concession (retail and food and beverage included) area sponsored by the Port Authority in the Terminal. Commencing as of the second full calendar month in which the Lessee conducts its operations hereunder, the Lessee shall pay, as additional rental, a "Promotion Fee" as the Lessee's contribution for marketing, advertising and promotion programs conducted by or on behalf of the Port Authority relating to the retail program in the Terminal. The Promotion Fee shall be an amount (i) during the first year of the term which equals one-half of one percent (.5%) of the Lessee's Gross Receipts during the preceding calendar month and (ii) during each subsequent year of the term which equals one-half of one percent (.5%) of the Lessee's annual Gross Receipts for the annual period in which such promotion fee relates. Such amount shall be payable no later than the 15th day following the end of each month. The Promotion Fee shall be prorated, if necessary, in the same manner as Basic Rental is prorated under this Agreement.

The failure of any other lessee or occupant of space within the concession area to participate in advertising for such concession area or make promotional contributions to the Port Authority shall not relieve the Lessee of any of its obligations under this Section. The Port Authority shall not be obligated to expend more for marketing and promotional programs than is actually collected from the Lessee and other concession facility operators in the Terminal. The Port Authority shall have the sole authority to employ and discharge personnel, retain third party independent contractors and to establish all budgets with respect to such marketing and promotional programs. The Port Authority reserves the right at any time to terminate its activities in this regard and cease collecting Promotion Fee contributions from the Lessee and other concession operators for these activities. In such event the Port Authority shall so notify the Lessee in writing and, thereafter, the Lessee shall no longer be obligated to make any further Promotion Fee contributions, and any remaining funds previously contributed as Promotion Fees may be used by the Port Authority to promote the overall concession program and facilities.

(b) **Distribution Services and Fee.**

(1) The Lessee shall, at the Lessee's sole cost and expense, make deliveries in a timely manner to a designated area, controlled by the Port Authority or its designee, in accordance with the Port Authority's rules and regulations. The Port Authority may, at its option,

provide receiving and delivery services to operators in the concession area. In such event, the Lessee shall use such service for all of its deliveries to the Terminal and the Premises (including, but not limited to, delivery of goods from the Lessee's off-Airport suppliers to the on-Airport warehouse of the contractor selected by the Port Authority to provide delivery services) and no deliveries of any items shall be made by any persons or entities directly to the Premises without the prior written authorization of the Port Authority and, if so given, the Port Authority shall have the right to revoke any such authorization at any time in its sole discretion.

(2) The Lessee, in transferring any merchandise, equipment, stock or consumable items within or about the Terminals, shall only do so in full compliance with Port Authority rules, regulations and guidelines. The same may restrict the time and day of delivery or the manner of delivery, method of delivery, areas of delivery or the person or persons by whom delivery may be effected. The Port Authority may deny access or require any vehicle to be removed for failure to follow applicable rules, regulations and guidelines that may be established by the Port Authority from time to time.

(3) The Lessee shall pay as an annual "**Distribution Fee**" the sum of Thirteen Dollars and No Cents (\$13.00), per square foot of the Premises, to the Port Authority for the cost of distribution services, payable in advance as additional rent hereunder in equal, monthly installments commencing as of the Rental Payment Start Date and continuing during the balance of the term of the letting hereunder. Effective each January 1 this amount shall be adjusted to reflect the annual adjustment by the Index as described in *subsection (h)* of this *Section 55*.

(c) **Trash Removal.** The Lessee shall be solely responsible, at the Lessee's expense, for removal of trash, garbage, debris and other waste material from the Premises, on a daily basis, in a manner approved by the Port Authority, unless the Port Authority elects to provide such services. The Lessee shall contract with the Port Authority's disposal contractor at the Terminal for the disposal of its trash, garbage, debris and other waste material. In the event the Port Authority elects to provide such services, the Port Authority's costs of providing such services shall be chargeable to, and payable by, the Lessee as additional rent hereunder, on a per square foot basis represented by the square footage of the Premises and such additional rent would be due in equal, monthly installments payable together with the Basic Rental payments to be made hereunder upon prior written notice from the Port Authority.

(d) **Food Court Maintenance Fee.** Not applicable.

(e) **No Inspection or Audit Rights.** The Lessee shall not have any inspection or audit rights of any of the Port Authority's books and records pertaining to the costs and expenses which support the fees which may be charged pursuant to this Section and the Lessee hereby expressly waives any rights, whether by statute or otherwise, to conduct any such inspection or audit.

(f) **Concession Meetings.** The Lessee acknowledges the benefit of regular meetings with the Port Authority or its designee to discuss matters relating to the retail plan at the Terminal, including, but not limited to, the business of the Lessee, marketing plans for the Terminals and the Lessee, traffic projections, customer service techniques and other concession-related matters. The Lessee agrees that it shall attend any meetings convened by the Port Authority or its designee to discuss such matters, whether the same be between the Lessee and the Port Authority or among multiple concessionaires and the Port Authority, and that it shall cause a member of its senior management staff to attend any and all such meetings. Similarly, the Lessee agrees to fully participate in and cooperate with the Port Authority or its designee in connection with any customer service surveys which are conducted on-site at the Terminal and not interfere with, obstruct, delay or otherwise hinder the process of taking such surveys, and further, fully participate in and cooperate in connection with training in customer service techniques and other concession-related matters that may be scheduled or arranged by the Port Authority or its designee from time to time. No

compensation shall be due or paid to the Lessee for its participation or cooperation in connection with the matters described in this paragraph.

(g) **Training.** The Lessee covenants that it shall conduct and complete, at least on an annual basis, for itself and its employees, training with respect to customer service techniques and other concession related matters. Similarly, the Lessee agrees that its frontline sales and transaction staff shall be required to attend customer service training at least once annually if such training is offered by the Port Authority or its designee; such training to be in addition to, and not in lieu of, the Lessee's own training programs, requirements and obligations.

(h) In the event escalations are needed to items of Additional Rental during the term of the letting, the following will be the methodology used for such escalation:

(i) (1) **"Index"** shall mean the Consumer Price Index for All Urban Consumers - New York-Northern New Jersey-Long Island, NY-NJ-CT (All Items, unadjusted 1982-84=100) published by the Bureau of Labor Statistics of the United States Department of Labor.

(2) **"Base Period"** shall mean the calendar month of November 2008.

(3) **"Adjustment Period"** shall mean, as the context requires, the calendar month of November 2009 and the calendar month of November in each calendar year which thereafter occurs during the term of this Agreement.

(4) **"Anniversary Date"** shall mean, as the context requires, each January 1 following the Rental Payment Start Date (the "First Anniversary Date") and each anniversary of such date which thereafter occurs during the term of this Agreement.

(5) **"Annual Index Increase"** shall mean the percentage of increase in the Index on each Anniversary Date, equal to: (x) with respect to the First Anniversary Date, a fraction of which the numerator shall be the Index for the Adjustment Period immediately preceding such Anniversary Date less the Index for the Base Period, and the denominator shall be the Index for the Base Period, and (y) with respect to each Anniversary Date thereafter, a fraction of which the numerator shall be the Index for the Adjustment Period immediately preceding such Anniversary Date less the Index for the next preceding Adjustment Period, and the denominator shall be the Index for such next preceding Adjustment Period (for example, the Annual Index Increase for the Anniversary Date that is January 1, 2011 would be fraction of which the numerator is the Index for November, 2010 less the Index for November, 2009 and the denominator is the Index for November, 2009).

(6) **"Percentage Increase"** shall mean, with respect to each Anniversary Date, a percentage equal to the Annual Index Increase for that Anniversary Date.

(ii) Commencing on each Anniversary Date and for the period commencing with such Anniversary Date and continuing through to the day preceding the next Anniversary Date, or the expiration date of the term of the letting under this Agreement as herein amended, as the case may be, both dates inclusive, in lieu of the Additional Rental set forth herein, the Lessee shall pay escalated Additional Rental as follows:

(x) the sum obtained by adding to the item of Additional Rental set forth herein the product obtained by multiplying such Additional Rental by the Percentage Increase for such Anniversary Date, or

(y) the item of Additional Rental payable immediately

prior to such Anniversary Date including all amounts included therein as a result of prior adjustments thereof pursuant to the provisions of this paragraph.

(iii) In the event the Index to be used in computing any adjustment referred to in this paragraph is not available on the effective date of such adjustment, the Lessee shall continue to pay the Additional Rental at the amount then in effect subject to retroactive adjustment at such time as the specified Index becomes available, provided, however, that the Port Authority may at its option substitute for such Index the Index for the latest preceding month then published to constitute the specified Index. In the event the United States Consumer Price Index for All Urban Consumers - New York-Northern New Jersey-Long Island, NY-NJ-CT (All Items, unadjusted 1982-84=100) shall hereafter be converted to a different standard reference base or otherwise revised or the United States Department of Labor shall cease to publish the United States Consumer Price Index for All Urban Consumers - New York-Northern New Jersey-Long Island, NY-NJ-CT (All Items, unadjusted 1982-84=100), then for the purposes hereof there shall be substituted for the Index such other appropriate index or indices properly reflecting changes in the value of current United States money in a manner similar to that established in the Index used in the latest adjustment as the Port Authority in its discretion determine.

If after an adjustment in Additional Rental shall have been fixed for any period, the Index used for computing such adjustment shall be changed or adjusted, then the rental adjustment for that period shall be recomputed and from and after notification of the change or adjustment, the Lessee shall make payments based upon the recomputed rental and upon demand shall pay any excess in the basic rental due for such period as recomputed over amounts theretofore actually paid on account of the Additional Rental for such period. If such change or adjustment results in a reduction in the Additional Rental due for any period prior to notification, the Port Authority will credit the Lessee with the difference between the Additional Rental as recomputed for that period and amounts of Additional Rental actually paid.

If any adjustment of Additional Rental referred to in this paragraph is effective on a day other than the first day of a calendar month, there shall be payable in advance on the effective date of rental adjustment an installment of Additional Rental equal to one-twelfth (1/12th) of the increment of annual Additional Rental as adjusted multiplied by a fraction, the numerator of which shall be the number of days from the effective date of the rental adjustment to the end of the calendar month in which the rental adjustment was effective and the denominator of which shall be the number of days in that calendar month.

Section 56. Lessee's OFAC Certification

(a) The Lessee hereby represents and warrants to the Port Authority (which representations and warranties shall be deemed to be continuing and re-made at all times during the Term) that Lessee is not, and shall not become, a person or entity with whom the Port Authority is restricted from doing business under the regulations of the Office of Foreign Asset Control ("OFAC") of the United States Department of the Treasury (including, but not limited to, those named on OFAC's Specially Designated and Blocked Persons list) or under any statute, executive order (including, but not limited to, the September 24, 2001 Executive Order on Terrorist Financing Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten To Commit or Support Terrorism), or other governmental action and is not engaging, and shall not engage, in any dealings or transactions or be otherwise associated with such persons or entities. The Lessee acknowledges that the Port Authority is entering into this Agreement in reliance on the foregoing representations and warranties and that such representations and warranties are a material element of the consideration inducing the Port Authority to enter into and execute this Agreement. In the event of any breach of any of the foregoing representations and warranties by the Lessee, the Port Authority shall have the right, in addition to any and all other remedies provided under this Agreement or at law or in equity, to immediately terminate this Agreement upon written notice to the Lessee. The Lessee further acknowledges that there shall be no cure for such a breach. In the event of any such

termination by the Port Authority, the Lessee shall, immediately on receipt of the Port Authority's termination notice, cease all use of and operations permitted under this Agreement and surrender possession of the Premises to the Port Authority without the Port Authority being required to resort to any other legal process. Termination on the aforescribed basis shall be deemed a termination for cause.

(b) The Lessee shall indemnify and hold harmless the Port Authority and its Commissioners, officers, employees, agents and representatives from and against any and all claims, damages, losses, risks, liabilities and expenses (including, without limitation, attorney's fees and disbursements) arising out of, relating to, or in connection with the Lessee's breach of any of its representations and warranties made under this Section. Upon the request of the Port Authority, the Lessee shall at its own expense defend any suit based upon any such claim or demand (even if such suit, claim or demand is groundless, false or fraudulent) and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provision of any statutes respecting suits against the Port Authority.

(c) The provisions of this Section shall survive the expiration or earlier termination of this Agreement.

Section 57. Holdover

Without in any way limiting the provisions set forth in the Sections of this Agreement entitled "*Termination*", "*Right of Re-entry*" and "*Survival of the Obligations of the Lessee*", respectively, in the event the Lessee remains in possession of the Premises (without the written consent of the Port Authority through either a written notice from the Port Authority or a written agreement between the parties) after the expiration or termination of the term of the letting under this Agreement, as it may be extended from time to time, in addition to any damages to which the Port Authority may be entitled under this Agreement or other remedies the Port Authority may have by law or otherwise, the Lessee shall pay to the Port Authority a rental for the period commencing on the day immediately following the date of such expiration or the effective date of such termination and ending on the date that the Lessee shall surrender and completely vacate the Premises at an annual rate equal to twice the sum of (i) the annual rate of the basic rental in effect on the date of such expiration or termination, plus (ii) all items of additional rent and other periodic charges, including without limitation the percentage rental, payable with respect to the Premises by the Lessee at the annual rate in effect during the 365 day period immediately preceding such date. Nothing herein contained shall give, or be deemed to give, the Lessee any right to remain in possession of the Premises after the expiration or termination of the letting under this Agreement. The Lessee acknowledges that the failure of the Lessee to surrender, vacate and yield up the Premises to the Port Authority on the effective date of such expiration or termination will or may cause the Port Authority injury, damage or loss. The Lessee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Lessee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss.

Section 58. Waiver of Trial by Jury

The Lessee waives its right to trial by jury in any summary proceeding or action that may hereafter be instituted by the Port Authority against the Lessee in respect of the Premises and/or in any action that may be brought by the Port Authority to recover rentals, fees, damages, or other sums due and owing under this Agreement. The Lessee specifically agrees that it shall not interpose

any claims as counterclaims in any summary proceeding or in any action for non-payment of rents, fees or other amounts which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

Section 59. Liquidated Damages

The Port Authority may assess, in its sole discretion, and Lessee shall pay within ten (10) days of written demand therefor as liquidated damages, and not as a penalty, the amounts described below for each of the events described below:

(a) If Lessee shall fail to open the Premises for business after and including the Rental Payment Start Date, then Lessee shall pay the amount of Two Hundred Fifty Dollars (\$250.00) per day for each day Lessee is not open for business. If such failure shall continue for in excess of sixty (60) days, the amount of such liquidated damages may be increased up to a maximum of Five Hundred Dollars (\$500.00) per day.

(b) If Lessee shall fail to furnish to the Port Authority any Monthly Statement or Annual Statement within the time required by this Lease, then Lessee shall pay the amount of One Hundred Dollars (\$100.00) per statement per day until such statement is properly delivered to the Port Authority for the first (1st) such failure to furnish a statement in any rolling twelve (12) month period, Two Hundred Fifty Dollars (\$250.00) per statement per day until such statement is delivered to the Port Authority for the second (2nd) such failure to furnish a statement in any rolling twelve (12) month period, and Five Hundred Dollars (\$500.00) per statement per day until such statement is delivered to the Port Authority for the third (3rd) and all subsequent failures to furnish any such statement in any rolling twelve (12) month period.

(c) If Lessee shall fail to provide the required certificate signed by the architect or engineer who sealed the Lessee's plans certifying that all of Lessee's Work, if any, has been performed in accordance with the approved plans and specifications and/or if Lessee shall fail to provide the as-built drawings in form and number requested by the Port Authority, as required by *Section 51(b)*, within ninety (90) days of the completion of Lessee's Work, then Lessee shall pay the amount of Three Hundred Dollars (\$300.00) per day for each day that it is not delivered to the Port Authority. If such failure shall continue for a period exceeding one hundred eighty (180) days after the completion of Lessee's Work, such shall be a material default by Lessee hereunder entitling the Port Authority to all remedies available to it hereunder or at law.

(d) If Lessee shall fail to operate its business as provided in the Section of this Agreement entitled "*Various Obligations of the Lessee*", and in accordance with any other operating standards implemented by the Port Authority, then Lessee shall pay the amount of One Hundred Dollars (\$100.00) per instance per day that Lessee fails to operate its business in accordance with the terms hereof for the first (1st) violation in any rolling twelve (12) month period, and the amount of Two Hundred Dollars (\$200.00) per instance that Lessee fails to operate its business in accordance with the terms hereof for the second (2nd) and any subsequent violations in any rolling twelve (12) month period.

(e) If Lessee shall fail to adjust its prices to comply with any criteria or policies for "Street Prices" in accordance with *Sections 13(c), (d) and (e)* of the Section of this Agreement entitled "*Sales and Services by the Lessee*", then Lessee shall pay the amount of One Hundred Dollars (\$100.00) per day for each day that Lessee is not in compliance with such criteria and policies for the first (1st) violation in any rolling twelve (12) month period, and the amount of Two Hundred Dollars (\$200.00) per day for each day that Lessee is not in compliance with such criteria and policies for the second (2nd) and any subsequent violations in any rolling twelve (12) month period.

(f) If Lessee shall fail to operate its business as provided in *Section 13(f)*

of the Section of this Agreement entitled "*Sales and Services by the Lessee*", then Lessee shall pay the amount of One Hundred Dollars (\$100.00) per hour for each hour Lessee fails to operate its business during any required operating hours for the first (1st) violation in any rolling twelve (12) month period, and the amount of Two Hundred Dollars (\$200.00) per hour for each hour Lessee fails to operate its business during any required operating hours for the second (2nd) and any subsequent violations in any rolling twelve (12) month period.

(g) If Lessee shall be in default of the Section of this Agreement entitled "*Signs*" relating to Lessee's use and placement of signs, then Lessee shall pay the amount of One Hundred Fifty Dollars (\$150.00) for each day of default in order to reimburse the Port Authority for the additional administrative expenses resulting therefrom.

Section 60. Amendments/Modifications

(a) Notwithstanding the provisions of paragraph (a) of the Section of this Agreement entitled "*Prohibited Acts*", paragraph (c) of the Section of this Agreement entitled "*Construction by the Lessee*" or the Section of this Agreement entitled "*Surrender*", and without limiting the generality thereof, the Lessee on the expiration or earlier termination of this Agreement shall not be required (nor permitted to remove the walls, floors or ceilings (including any heating, ventilating, air conditioning, electrical, plumbing or sprinkling equipment or systems, or kitchen exhaust flue, if any) in the Premises constructed or installed prior to the commencement of the letting, or as part of any finishing work in the Premises performed by the Lessee pursuant to the provisions of the Sections of this Agreement entitled "*Construction by the Lessee*" and "*Finishes and Decorating by the Lessee*", respectively, but the Lessee shall be required to cap all electrical and plumbing lines flush with the walls, floors and ceilings. Nothing herein shall be deemed to affect or impair the Lessee's maintenance and repair obligations during the term of the letting with respect to any of the foregoing. The Lessee on the expiration or earlier termination of the letting, including a termination pursuant to the Section of this Agreement entitled "*Thirty Day Termination*", shall be required to remove from the Premises leasehold trade fixtures and leasehold equipment, including without limitation, shelving, display cases, floor counters, items displaying the Lessee's trademark, trade name, trademark, trade dress, copyright or service mark, and similar installations installed by the Lessee in the Premises and to restore the Premises to the condition thereof prior to the construction or installation of such leasehold trade fixtures and equipment. In the event of a failure on the part of the Lessee to so remove and restore all or a portion of such leasehold trade fixtures and leasehold equipment, the Port Authority may do so, and the Lessee shall pay the cost thereof to the Port Authority on demand.

(b) Notwithstanding the provisions of paragraph (t)(3) of the Section of this Agreement entitled "*Definitions*" with respect to the definition of "*Gross Receipts*", the exclusions from Gross Receipts shall not only include volume discounts received from Lessee's vendors, suppliers and manufacturers but shall also include rebates that reduce Lessee's cost of goods; provided, however, all RDAs shall be included in Lessee's Gross Receipts.

(c) Notwithstanding the provisions of paragraph (j) of the Section of this Agreement entitled "*Various Obligations of the Lessee*", the first three sentences of such paragraph (j) deleted and are replaced with the following: "Airport Concession Disadvantaged Business Enterprises ("**ACDBE**"). If any member of AMS-BW Newark is required to apply as an ACDBE with the Port Authority, please check here (X). Such member shall immediately take all steps necessary to obtain such certification from the Port Authority on or before the Rental Payment Start Date."

(d) Notwithstanding the provisions of paragraph (i) of the Section of this Agreement entitled "*Various Obligations of the Lessee*" and further notwithstanding the provisions of paragraph (a) of the Section of this Agreement entitled "*Finishes and Decorations by the Lessee*", Lessee shall not be required to remediate any Hazardous Substances that were present in or adjacent to any portion

of the Premises on or before the date such portion of the Premises was initially delivered by the Authority to Lessee.

(e) Notwithstanding the provisions of the Section of this Agreement entitled "Requirement of Security Deposit", since the amount of the required deposit is less than Twenty Thousand Dollars (\$20,000.00), Lessee shall have the option to provide such Security Deposit in the form of immediately available funds in lieu of a letter of credit.

Section 61. Miscellaneous

(a) Relationship of the Parties. Notwithstanding any other term or provision hereof, this Agreement does not constitute the Lessee as the agent or representative of the Port Authority for any purpose whatsoever. Neither a partnership nor any joint venture is hereby created.

(b) Lessee's Rights Non-Exclusive. Except as expressly provided herein with respect to the Premises, neither the execution of this Agreement by the Port Authority nor anything contained herein shall grant or be deemed to grant to the Lessee any exclusive rights or privileges.

(c) Updating of Federal Requirements. The Lessee specifically acknowledges and agrees that the Federal requirements set forth in **Schedule E** may be revised or updated from time to time and that, accordingly, the Port Authority may from time to time, by notice to the Lessee, provide to the Lessee revised or updated forms of **Schedule E** to replace the **Schedule E** currently attached to and forming a part of this Agreement. Such replacement **Schedule E** shall, from the effective date of such notice, be deemed to constitute an integral part of this Agreement. The Lessee further specifically acknowledges that the same revision or updating of Federal requirements may occur from time to time with respect to the regulations set forth in 49 CFR Part 23 of the Department of Transportation Office of the Secretary and that the provisions of this paragraph relating to **Schedule E** shall apply equally to those set forth in **Schedule G**.

Section 62. Entire Agreement

This Agreement consists of the following: Sections 1 through 62 inclusive, plus Exhibits A-1, A-2, B, C, R, U, X, Schedule A, Schedule E and Schedule G.

It constitutes the entire agreement of the parties on the subject matter hereof and may not be changed, modified, discharged or extended except by written instrument duly executed by the Port Authority and the Lessee. The Lessee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing in this Agreement.

EXHIBIT B

Rental, Abatement, Insurance Limits and Other Terms

Item 1: Rental Provisions:

(a) Basic Rental and Additional Rental:

(1) The Lessee shall pay to the Port Authority a basic rental (sometimes referred to herein as "**Basic Rental**" or "**MAG**") at the annual rate of Eighty-Two Thousand Eight Hundred Seventy-Five Dollars and No Cents (\$82,875.00), payable in equal monthly installments in advance on the Rental Payment Start Date and on the first day of each and every calendar month thereafter occurring during the first Annual Period of the term of the letting hereunder, provided, however, that if the Rental Payment Start Date shall occur on a day other than the first day of a calendar month, the monthly installment of the applicable Basic Rental, *i.e.*, MAG, payable for the portion of the calendar month in which such respective event occurs following such date shall be an amount equal to the monthly installment set forth in this subparagraph multiplied by a fraction, the numerator of which shall be the number of days from such respective event to the end of the calendar month in which such respective event occurs, and the denominator of which shall be the full number of days in that calendar month. If the date of expiration or termination of the letting hereunder occurs on other than the last day of the month, the applicable Basic Rental payable for the portion of the month in which the date of such expiration or termination shall occur during which the letting thereof remains effective shall be the amount of the monthly installment of such applicable Basic Rental set forth in this subparagraph prorated on a daily basis.

(2) The Basic Rental shall be adjusted for each subsequent Annual Period as follows: Eighty-five percent (85%) of the prior Annual Period's total Effective Rental, but in no event less than Eighty-Two Thousand Eight Hundred Seventy-Five Dollars and No Cents (\$82,875.00). "**Effective Rental**" means the annual aggregate of Basic Rental plus Percentage Rental (based on actual Gross Receipts for the prior Annual Period) required to be paid hereunder.

(b) Percentage Rental

In addition to the Basic Rental payable under paragraph (a) above, the Lessee shall pay to the Port Authority an annual "**Percentage Rental**" equivalent to the excess, over the applicable annual Basic Rental established for such Annual Period under paragraph (a) above, of the sum of the following for the same Annual Period.

Fifteen percent (15%) on all Gross Receipts during each Annual Period, inclusive of amounts payable, if any, with respect to RDAs arising during each Annual Period.

The computation of Percentage Rental for each Annual Period, or a portion of an Annual Period as hereinafter provided, shall be individual to such Annual Period or such portion of an Annual Period and without relation to any other Annual Period or any other portion of any Annual Period. The time for making payment and the method of calculation of Percentage Rental shall be as set forth in paragraph (d) of this Item 1.

(c) For any Annual Period which contains more or less than 365 days, the Basic Rental shall be the amount obtained by multiplying the item by a fraction, the numerator of which shall be the number of days from the commencement of such Annual Period through the last day thereof, both dates inclusive, and the denominator of which shall be 365.

(d) Time of Payment of Percentage Rental Computations of Amounts and Accounting

(1) The Gross Receipts shall be reported and the Percentage Rental shall be paid as follows: on the 15th day of the first calendar month following the commencement of each Annual Period and on the 15th day of each and every calendar month thereafter without notice or demand, including the month following the end of each Annual Period and the calendar month following the expiration of the letting hereunder, the Lessee shall render to the Port Authority a sworn statement showing separately (by type of Gross Receipts and by sales location, if there be more than one sales location, or, if applicable, the amounts of the Percentage Rental rates applicable to the categories stated above of Gross Receipts referred to paragraph (b) of this Item 1 arising from its operations at the sales area(s) (including any interim space) of the Premises in the preceding month, or, if applicable, the Lessee shall specify separately the percentages and the results of applying each of the percentages, as provided in said provisions) and also showing such information on a cumulative basis from the date of the commencement of the same Annual Period as that for the month for which the report is made through the last day of the preceding month. Whenever any monthly statement shall show that the results of applying the provisions of paragraph (b) of this Item 1 indicate Percentage Rental on such cumulative basis to be in excess of the Basic Rental for the Annual Period for which the report is made, the Lessee shall pay to the Port Authority at the time of rendering the statement an amount equal to such excess. Further, the Lessee shall thereafter on the 15th day of each subsequent month during that Annual Period, and the month following the end of that Annual Period, including the month following the expiration of the letting hereunder, pay to the Port Authority for each such month during that Annual Period a sum equal to the amounts yielded by applying the percentages set forth in paragraph (b) of Item 1 of Exhibit B and without reference to the monthly installment of the Basic Rental.

(2) Upon any termination of the letting hereunder (even if stated to have the same effect as expiration), Gross Receipts shall be reported and Percentage Rental shall be paid on the 15th day of the first month following the month in which the effective date of such termination occurs, as follows. The Lessee shall render to the Port Authority a sworn statement of all Gross Receipts for the Annual Period in which the effective date of termination falls showing separately (by type of Gross Receipts and by sales location, if there be more than one sales location) the cumulative amount of the different types of Gross Receipts set forth in paragraph (b) of this Item 1 and separately showing the percentages and the results of applying the percentages as stated in said provisions applicable to each of such different types and amounts of Gross Receipts. The payment then due on account of Percentage Rental for the Annual Period in which the effective date of termination falls shall be the excess of the Percentage Rental computed as set forth in the following sentence, over the total of all Percentage Rental payments previously made for such Annual Period. The Percentage Rental due for any such Annual Period in which the effective date of termination falls shall be equal to the excess, over the prorated Basic Rental established for such Annual Period pursuant to the proration provisions set forth in paragraph (c) of this Item 1, of the amount resulting from applying the provisions of paragraph (b) of this Item 1 to the cumulative amount of the different types of Gross Receipts arising during such Annual Period in accordance with the formula set forth in paragraph (b) of this Item 1, adjusted pursuant to the proration provisions set forth in paragraph (c) of this Item 1.

(e) Abatement

(1) For every calendar day or major fraction thereof that the Lessee shall be entitled to abatement during the period commencing on the commencement date of the term of the letting hereunder and continuing through the expiration of said term of the letting hereunder, the Basic Rental established for such period shall be reduced (abated) by the product of the MAG multiplied by a fraction the numerator of which shall be the number of square feet of floor space as to which the abatement applies and the denominator of which shall be the total number of square feet in the Premises.

(2) For the purpose of abatement, the ascertainment of the number of square feet contained in the Premises to be measured shall be in accordance with the following: Areas of the Premises and parts thereof will be computed by measuring from the inside plaster surface of outer building walls to the plaster surface of the corridor side of corridor partitions and to the center of partitions that separate the Premises from adjoining rentable area: no deduction will be made for columns, pilasters, or projections necessary to the building or for toilets, porter's closets, and slop sinks used exclusively by the Lessee and contained within the Premises. Permanent partitions enclosing elevator shafts, stairs, fire towers, vents, pipe shafts, meter closets, flues, stacks, and any vertical shafts have the same relation to rentable area, as do outer building walls.

(3) Nothing contained in this Item 1 shall affect the survival of the obligations of the Lessee as set forth in the Section of this Agreement entitled "*Survival of the Obligations of the Lessee*".

Item 2: Liability Insurance Limits:

The Lessee in its own name as insured with the Protected Indemnitees as additional insureds shall maintain liability insurance coverage referred to in paragraph (b) of the Section of this Agreement entitled "*Indemnity; Liability Insurance*" in not less than the following minimum limits:

| | <u>Minimum Limits</u> |
|--|-----------------------|
| Commercial General Liability: Combined single limit per occurrence for death, bodily injury and property damage liability (including premises operations, completed operations, and products liability) | \$2,000,000 |
| Commercial Automobile Liability: Combined single limit per occurrence for death, bodily injury and property damage liability | Not Applicable |
| Liquor Liability | Not Applicable |

Item 3: Not Applicable

Item 4: Construction:

Per Section of this Agreement entitled "*Finishing and Decorating by the Lessee*"

Item 5: Construction Liability Limits:

The limits of liability insurance shall not be lower than those set forth in the Alteration Application referred to in the Section of this Agreement entitled "*Finishing and Decorating by the Lessee*".

Item 6: Cost and Proration Thereof:

(a) The sum of the following items of cost incurred by the Lessee in connection with the performance of the Lessee's Work shall constitute the "cost" under the Section of this Agreement entitled "*Finishes and Decorating by the Lessee*" and under subdivisions (b), (c), (d), (e), (f), and (g) hereof, to the extent that such characterization is consistent with sound accounting

practice and to the extent that such sum does not exceed One Hundred Forty-One Thousand Nine Hundred Dollars and No Cents (\$141,900.00) for the initial capital investment.

- (1) Direct labor and material costs;
- (2) Contract costs for purchase and installation of improvements, fixtures and equipment, excluding those of the types mentioned in the following subdivision (3);
- (3) Engineering, architectural, planning, designing, financing, interest, insurance, and other overhead or carrying charges which are due for a period ending not later than the date of completion of installation of any such initial equipment, fixtures, or improvements for which they are incurred, and not to exceed twenty percent (20%) of the total of the amounts covered by subdivisions (1) and (2) above.

(b) A statement of the cost detailing all of the foregoing, including copies of invoices and contracts and certified by a responsible officer of the Lessee shall be delivered by the Lessee to the Port Authority not later than ninety (90) days after the complete supplying and installing of all such initial fixtures or equipment and the making of all such initial improvements, and the Lessee shall permit the Port Authority, by its agents, employees, and representatives, at all reasonable times prior to a final settlement or determination of cost, to examine and audit the records and books of the Lessee and any Affiliate thereof which pertain to the cost; the Lessee agrees to keep and to cause its Affiliates to keep such records and books of account within the Port of New York District during such time.

(c) If the Lessee includes in cost any item as having been incurred, but which, in the opinion of the Port Authority, was not so incurred or which, in the opinion of the Port Authority, if so incurred is not an item properly chargeable to cost under sound accounting practice, then the Port Authority, within ninety (90) days after receipt of the said statement of cost as mentioned in subdivision (b) above, shall give written notice to the Lessee stating its objection to any such item and the grounds therefor. If such notice is given and if the dispute is not settled within thirty (30) days by agreement between the parties, then such dispute shall be disposed of by arbitration in accordance with the then existing rules of the American Arbitration Association or any successor organization. Costs of said arbitration shall be borne equally by the Port Authority and the Lessee.

(d) In any such arbitration as to whether any item included by the Lessee in its computation of cost has been incurred, the question to be submitted to the arbitrators for decision shall be as follows:

“Was all or any part of such cost incurred by the Lessee; and if part, but not all of such cost was incurred, what was the amount which was so incurred?”

(e) Any such arbitration as to whether any item included by the Lessee in its computation of cost is properly chargeable thereunder under sound accounting practice, the question to be submitted to the arbitrators for decision shall be as follows:

“Can it reasonably be held that all or any part of such cost is properly chargeable under sound accounting practice; and if part, but not all of such cost can be reasonably held to be so chargeable, then what amount can reasonably be held to be so chargeable?”

The arbitrators to whom such question(s) shall be submitted (under the preceding paragraphs (d) and

(e) shall be accountants or auditors.

(f) The proration of cost as referred to in the Section entitled "*Finishes and Decorating by the Lessee*" shall be ascertained by multiplying the cost by a fraction, the numerator of which shall be the number of whole calendar months (in the term of the letting as originally set forth) subsequent to the effective date of termination, and the denominator of which shall be the total number of months in the term of the letting as originally set forth.

(g) Notwithstanding any other provision of the Section of this Agreement entitled "*Finishes and Decorating by the Lessee*", in ascertaining the amount that the Port Authority shall be obligated to pay to the Lessee under said Section, the cost computed as heretofore stated in this Item shall be diminished by the amount that any part of the components of cost as stated in subdivisions (1), (2), and (3) of paragraph (a) above are secured by liens, mortgages, other encumbrances, or conditional bills of sale on such equipment, fixtures, and improvements and less any other amounts whatsoever due under this Agreement from the Lessee to the Port Authority. In no event whatsoever shall cost, as defined and computed in accordance with this Item and as used in the above-cited Section and in this Item, include any expenses, outlays, or charges whatsoever by or for the account of the Lessee for or in connection with any equipment or fixtures or the making of any improvements mentioned in said Section or in this Item unless said equipment, fixtures, and/or improvements are actually and completely installed in and/or made to the Premises and, in accordance with law unaffected by any act or statement of the Lessee, are considered part of the Premises.

Item 7: Performance Bond: Not applicable.

Item 8: Letting Postponed: Notwithstanding anything to the contrary set forth in this Agreement, in the event the Lessee is delayed in the performance of Lessee's Work following the initial delivery of any portion of the Premises due to: (a) the remediation by the Port Authority of any pre-existing Hazardous Substances which were present in or about the Premises, then Lessee shall have a day for day extension to complete Lessee's Work equal to the number of days that Lessee was so delayed; or (b) the failure of the Port Authority to timely issue all permits for the performance of Lessee's Work in accordance with the TAA process or the failure of the Port Authority to timely inspect the Premises following the completion of Lessee's Work in accordance with the TAA process and neither of which was due to any fault on the part of Lessee, then Lessee shall have a day for day extension to complete Lessee's Work equal to the number of days that Lessee was so delayed. The period of delay with respect to Item 8(a) shall be calculated from the day in which Lessee is instructed to cease Lessee's Work by the Port Authority to the day in which Lessee is given the clearance to resume Lessee's Work by the Port Authority following the Port Authority's receipt of the proper certification from the certified abatement contractor in accordance with standard policies and procedures in effect for the Terminal. The period of delay with respect to Item 8(b) shall be calculated to include any days which Lessee is prevented from starting Lessee's Work due to delays by the Port Authority in timely issuing permits in accordance with the TAA process as well as any days in which Lessee is prevented from opening any portion of the Premises for business to the public due to delays by the Port Authority in completing any inspections of the Premises in accordance with the TAA process. In the event of any such delays, the Port Authority shall send Tenant a confirmation letter setting the actual Rental Payment Start Date making due allowance for such delays and expiration of the Term of this Agreement.

SCHEDULE E

AFFIRMATIVE ACTION – EQUAL OPPORTUNITY – MINORITY BUSINESS ENTERPRISES – WOMEN-OWNED BUSINESS ENTERPRISES REQUIREMENTS

Part I. Affirmative Action Guidelines – Equal Employment Opportunity

I. As a matter of policy, the Port Authority hereby requires the Lessee and the Lessee shall require the Contractor, as hereinafter defined, to comply with the provisions set forth hereinafter in this Schedule E with the Lessee (as defined in the Agreement to which this Schedule E is attached). The provisions set forth in this Part I are similar to the conditions for bidding on federal government contract adopted by the Office of Federal Contract Compliance and effective May 8, 1978.

The Lessee, as well as each bidder, contractor, and subcontractor of the Lessee and each subcontractor of a contractor at any tier of construction (herein collectively referred to as the "Contractor") must fully comply with the following conditions set forth herein as to each construction trade to be used on the construction work or any portion thereof (said conditions being herein called "Bid Conditions"). The Lessee hereby commits itself to the goals for minority and female utilization set forth below and all other requirements, terms, and conditions of the Bid Conditions. The Lessee shall likewise require the Contractor to commit itself to the said goals for minority and female utilization set forth below and all other requirements, terms, and conditions of the Bid Conditions by submitting a properly signed bid.

II. The Lessee and the Contractor shall each appoint an executive of its company to assume the responsibility for the implementation of the requirements, terms, and conditions of the following Bid Conditions:

(a) The goals for minority and female participation expressed in percentage terms for the Contractor's aggregate workforce in each trade on all construction work are as follows:

(1) Minority participation

| | |
|---------------------------|-----|
| Minority, except laborers | 30% |
| Minority, laborers | 40% |

(2) Female participation

| | |
|-------------------------|------|
| Female, except laborers | 6.9% |
| Female, laborers | 6.9% |

These goals are applicable to all the Contractor's construction work performed in and for the Premises.

The Contractor's specific affirmative action obligations required herein of minority and female employment and training must be substantially uniform throughout the length of the contract, and in each trade, and the Contractor shall make good faith efforts to employ minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the Contractor's goals shall be a violation of the contract. Compliance with the goals will be measured against the total work hours performed.

(b) The Contractor shall provide written notification to the Lessee and the Lessee shall provide written notification to the Manager of the Office of Business and Job Opportunity of the Port Authority within ten (10) working days of award of any construction subcontract in excess of \$10,000 at any tier for construction work. The notification shall list the name, address, and telephone number of the subcontractor; employer identification number; estimated starting and completion dates of the subcontract; and the geographical area in which the subcontract is to be performed.

(c) As used in these specifications:

(1) "Employer identification number" means the Federal Social Security number used on the Employer's Quarterly Federal Tax Return, U.S. Treasury Department Form 941;

(2) "Minority" includes:

(i) Black (all persons having origins in any of the Black African racial groups, not of Hispanic origin);

(ii) Hispanic (all persons of Mexican, Puerto Rican, Dominican, Cuban, Central or South American culture or origin, regardless of race);

(iii) Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands); and

(iv) American Indian or Alaskan Native (all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification).

(d) Whenever the Contractor, or any subcontractor at any tier, subcontracts a portion of the construction work involving any construction trade, it shall physically include in each subcontract in excess of \$10,000 those provisions which include the applicable goals for minority and female participation.

(e) The Contractor shall implement the specific affirmative action standards provided in subparagraphs (1) through (16) of Paragraph (h) hereof. The goals set forth above are expressed as percentages of the total hours of employment and training of minority and female utilization the Contractor should reasonably be able to achieve in each construction trade in which it has employees in the Premises. The Contractor is expected to make substantially uniform progress toward its goals in each craft during the period specified.

(f) Neither the provisions of any collective bargaining agreement, nor the failure by a union with whom the Contractor has a collective bargaining agreement, to refer either minorities or women shall excuse the Contractor's obligations hereunder.

(g) In order for the non-working training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees must be employed by the Contractor during the training period, and the Contractor must have made a commitment to employ the apprentices and trainees at the completion of their training subject to the availability of employment opportunities. Trainees must be trained pursuant to training programs approved by the U.S. Department of Labor.

(h) The Contractor shall take specific affirmative actions to ensure equal employment opportunity ("EEO").

The evaluation of the Contractor's compliance with these provisions shall be based upon its good faith efforts to achieve maximum results from its actions. The Contractor shall document these efforts fully, and shall implement affirmative action steps at least as extensive as the following:

(1) Ensure and maintain a working environment free of harassment, intimidation, and coercion at all sites, and in all facilities at which the Contractor's employees are assigned to work. The Contractor, where possible, will assign two or more women to each Phase of the construction project. The Contractor shall specifically ensure that all foremen, superintendents,

and other supervisory personnel at the Premises are aware of and carry out the Contractor's obligation to maintain such a working environment, with specific attention to minority or female individuals working at the Premises.

(2) Establish and maintain a current list of minority and female recruitment sources, provide written notification to minority and female recruitment sources and to community organizations when the Contractor or its unions have employment opportunities available, and maintain a record of the organizations' responses.

(3) Maintain a current file of the names, addresses, and telephone numbers of each minority and female off-the-street applicant and minority or female referral from a union, a recruitment source, or community organization and of what action was taken with respect to each such individual. If such individual was sent to the union hiring hall for referral and was not referred back to the Contractor by union or, if referred, not employed by the Contractor, this shall be documented in the file with the reason therefor, along with whatever additional actions the Contractor may have taken.

(4) Provide immediate written notification to the Lessee when the union or unions with which the Contractor has a collective bargaining agreement has not referred to the Contractor a minority person or woman sent by the Contractor, or when the Contractor has other information that the union referral process has impeded the Contractor's efforts to meet its obligations.

(5) Develop on-the-job training opportunities and/or participate in training programs for the area which expressly include minorities and women, including upgrading programs and apprenticeship and training programs relevant to the Contractor's employment needs, especially those programs funded or approved by the Department of Labor. The Contractor shall provide notice of these programs to the sources compiled under subparagraph (2) above.

(6) Disseminate the Contractor's EEO policy by providing notice of the policy to unions and training programs and requesting their cooperation in assisting the Contractor in meeting its EEO obligations; by including it in any policy manual and collective bargaining agreement; by publicizing it in the Contractor's newspaper, annual report, etc.; by specific review of the policy with all management personnel and with all minority and female employees at least once a year; and by posting the Contractor's EEO policy on bulletin boards accessible to all employees at each location where construction work is performed.

(7) Review, at least every six months, the Contractor's EEO policy and affirmative action obligations hereunder with all employees having any responsibility for hiring, assignment, layoff, termination, or other employment decision, including specific review of these items with on-Premises supervisory personnel such as Superintendents, General Foremen, etc., prior to the initiation of construction work at the Premises. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed, and disposition of the subject matter.

(8) Disseminate the Contractor's EEO policy externally by including it in any advertising in the news media, specifically including minority and female news media, and providing written notification to and discussing the Contractor's EEO policy with other Contractors and Subcontractors with whom the Contractor does or anticipates doing business.

(9) Direct its recruitment efforts, both oral and written, to minority, female, and community organizations, to schools with minority and female students and to minority and female recruitment and training organizations and to State-certified minority referral agencies serving the Contractor's recruitment area and employment needs. Not later than one month prior to the date for the acceptance of applications for apprenticeship or other training by any recruitment source, the Contractor shall send written notification to organizations such as the above, describing the openings, screening procedures, and tests to be used in the selection process.

(10) Encourage present minority and female employees to recruit other minority persons and women and, where reasonable, provide after school, summer, and vacation employment to minority and female youth both on the Premises and in areas of a Contractor's workforce.

(11) Tests and other selecting requirements shall comply with 41 CFR Part 60-3.

(12) Conduct, at least every six months, an inventory and evaluation at least of all minority and female personnel for promotional opportunities and encourage these employees to seek or to prepare for, through appropriate training, etc., such opportunities.

(13) Ensure that seniority practices, job classifications, work assignments, and other personnel practices do not have a discriminatory effect by continually monitoring all personnel and employment related activities to ensure that the EEO policy and the Contractor's obligations hereunder are being carried out.

(14) Ensure that all facilities and company activities are non-segregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure privacy between the sexes.

(15) Document and maintain a record of all solicitations of offers for subcontracts from minority and female construction contractors and suppliers, including circulation of solicitations to minority and female contractor associations and other business associations.

(16) Conduct a review, at least every six months, of all supervisors' adherence to and performance under the Contractors' EEO policies and affirmative action obligations.

(i) Contractors are encouraged to participate in voluntary associations which assist in fulfilling one or more of their affirmative action obligations (subparagraphs (1)-(16) of Paragraph (h) above). The efforts of a contractor association, joint contractor-union, contractor-community, or other similar group of which the Contractor is a member and participant, may be asserted as fulfilling any one or more of its obligations under Paragraph (h) hereof provided that: the Contractor actively participates in the group, makes good faith efforts to assure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the program are reflected in the Contractor's minority and female workforce participation, makes good faith efforts to meet its individual goals and timetables, and can provide access to documentation which demonstrates the effectiveness of actions taken on behalf of the Contractor. The obligation to comply, however, is the Contractor's and failure of such a group to fulfill an obligation shall not be a defense for the Contractor's non-compliance.

(j) A single goal for minorities and a separate single goal for women have been established. The Contractor, however, is required to provide equal opportunity and to take affirmative action for all minority groups, both male and female, and all women, both minority and non-minority. Consequently, the Contractor may be in violation hereof if a particular group is employed in a substantially disparate manner (for example, even though the Contractor has achieved its goals for women generally, the Contractor may be in violation hereof if a specific minority group of women is underutilized).

(k) The Contractor shall not use the goals and timetables or affirmative action standards to discriminate against any person because of race, color, religion, sex or national origin.

(l) The Contractor shall not enter into any subcontract with any person or firm debarred from Government contracts pursuant to Executive Order 11246.

(m) The Contractor shall carry out such sanctions and penalties for violation of this clause including suspension, termination and cancellation of existing subcontracts as

may be imposed or ordered by the Lessee. Any Contractor who fails to carry out such sanctions and penalties shall be in violation hereof.

(n) The Contractor, in fulfilling its obligations hereunder shall implement specific affirmative actions steps, at least as extensive as those standards prescribed in paragraph (h) hereof so as to achieve maximum results from its efforts to ensure equal employment opportunity. If the Contractor fails to comply with the requirements of these provisions, the Lessee shall proceed accordingly.

(o) The Contractor shall designate a responsible official to monitor all employment related activity to ensure that the company EEO policy is being carried out, to submit reports relating to the provisions hereof as may be required and to keep records. Records shall at least include for each employee the name, address, telephone numbers, construction trade, union affiliation if any, employee identification number when assigned, social security number, race, sex, status (e.g., mechanical apprentice, trainee, helper, or laborer), dates of changes in status, hours worked per week in the indicated trade, rate of pay, and location at which the work is performed. Records shall be maintained in an easily understandable and retrievable form; however, to the degree that existing records satisfy this requirement, contractors shall not be required to maintain separate records.

(p) Nothing herein provided shall be construed as a limitation upon the application of any laws which establish different standards of compliance or upon the application of requirements for the hiring of local or other area residents (e.g., those under the Public Works Employment Act of 1977 and the Community Development Block Grant Program).

(q). Without limiting any other obligation, term or provision under the Agreement, the Contractor shall cooperate with all federal, state or local agencies established for the purpose of implementing affirmative action compliance programs and shall comply with all procedures and guidelines established or which may be established by the Port Authority.

PART II.

MINORITY BUSINESS ENTERPRISES/WOMEN-OWNED BUSINESS ENTERPRISES

As a matter of policy the Port Authority requires that Lessee and the Lessee shall itself and shall require the general contractor or other construction supervisor and each of the Lessee's contractors to use every good faith effort to provide for meaningful participation by Minority Business Enterprises (MBEs) and Women-owned Business Enterprises (WBEs) in the construction work pursuant to the provisions of this Schedule E. For purposes hereof, "Minority Business Enterprise" "(MBE)" shall mean any business enterprise which is at least fifty-one percentum owned by, or in the case of a publicly owned business, at least fifty-one percentum of the stock of which is owned by citizens or permanent resident aliens who are minorities and such ownership is real, substantial and continuing. For the purpose hereof, "Women-owned Business Enterprise" "(WBE)" shall mean any business enterprise which is at least fifty-one percentum owned by, or in the case of a publicly owned business, at least fifty-one percentum of the stock of which is owned by women and such ownership is real, substantial and continuing. A minority shall be as defined in paragraph II(c) of Part I of this Schedule E. "Meaningful participation" shall mean that at least seventeen percent (17%) of the total dollar value of the construction contracts (including subcontracts) covering the construction work are for the participation of Minority Business Enterprises and Women-owned Business Enterprises, of which at least twelve percent (12%) are for the participation of Minority Business Enterprises. Good faith efforts to include meaningful participation by MBEs and WBEs shall include at least the following:

(a) Dividing the work to be subcontracted into smaller portions where feasible.

(b) Actively and affirmatively soliciting bids for subcontracts from MBEs and WBEs, including circulation of solicitations to minority and female contractor associations. The Contractor shall maintain records detailing the efforts made to provide for meaningful MBE and WBE participation in the work, including the names and addresses of all MBEs and WBEs contacted and, if any such MBE or WBE is not selected as a joint venturer or subcontractor, the reason for such decision.

(c) Making plans and specifications for prospective construction work available to MBEs and WBEs in sufficient time for review.

(d) Utilizing the list of eligible MBEs and WBEs maintained by the Port Authority or seeking minorities and women from other sources for the purpose of soliciting bids for subcontractors.

(e) Encouraging the formation of joint ventures, partnerships or other similar arrangements among subcontractors, where appropriate, to insure that the Lessee and Contractor will meet their obligations hereunder.

(f) Insuring that provision is made to provide progress payments to MBEs and WBEs on a timely basis.

(g) Not requiring bonds from and/or providing bonds and insurance for MBEs and WBEs, where appropriate.

Certification of MBEs and WBEs hereunder shall be made by the Office of Business and Job Opportunity of the Port Authority. If the Contractor wishes to utilize a firm not already certified by the Port Authority, it shall submit to the Port Authority a written request for a determination that the proposed firm is eligible for certification. This shall be done by completing and forwarding such form as may be then required by the Port Authority. All such requests shall be in writing addressed to the Office of Business and Job Opportunity, the Port Authority of New York and New Jersey, One World Trade Center, 63 East, New York, New York 10048 or such other address as the Port Authority may specify by notice to the Lessee. Certification shall be effective only if made in writing the Director in charge of the Office of Business and Job Opportunity of the Port Authority. The determination of the Port Authority shall be final and binding.

The Port Authority has compiled a list of the firms that the Port Authority has determined satisfy the criteria for MBE and WBE certification. This list may be supplemented and revised from time to time by the Port Authority. Such list shall be made available to the Contractor upon request. The Port Authority makes no representation as the financial responsibility or such, firms, their technical competence to perform, or any other performance-related qualifications.

Only MBE's and WBE's certified by the Port Authority will count toward the MBE and WBE goals.

Please note that only sixty percent (60%) of expenditures to MBE or WBE suppliers will count towards meeting the MBE and WBE goals. However, expenditures to MBE or WBE manufacturer's (i.e., suppliers that produce goods from raw materials or substantially alter them before resale) are counted dollar for dollar.

SCHEDULE G

Airport Concession Disadvantaged Business Enterprise ("ACDBE") Participation

In accordance with regulations of the US Department of Transportation 49 CFR Part 23 the Port Authority has implemented an Airport Concession Disadvantaged Business Enterprise ("ACDBE") program under which qualified firms may have the opportunity to operate an airport business. The Port Authority has established an ACDBE participation goal, as measured by the total estimated annual gross receipts for the overall concession program. The goal is modified from time to time and posted on the Port Authority's website: www.panynj.gov.

The overall ACDBE goal is a key element of the Port Authority's concession program and Lessee shall take all necessary and reasonable steps to comply with the requirements of the Port Authority's ACDBE program. The Concessionaire commits to making good faith efforts to achieve the ACDBE goal. Pursuant to 49 CFR 23.25(f), ACDBE participation must be, to the greatest extent practicable, in the form of direct ownership, management and operation of the concession or the ownership, management and operation of specific concession locations through subleases. The Port Authority will also consider participation through (1) joint venture in which ACDBEs control a distinct portion of the joint venture business and/or purchase of goods and services from ACDBEs. In connection with the aforesaid good faith efforts, as to those matters contracted out by the Concessionaire in its performance of this agreement, the Concessionaire shall use, to the maximum extent feasible and consistent with the Concessionaire's exercise of good business judgment including without limit the consideration of cost competitiveness, a good faith effort to meet the Port Authority's goals. Information regarding specific good faith steps can be found in the Port Authority's ACDBE Program located on its above-referenced website. In addition, the Concessionaire shall keep such records as shall enable the Port Authority to comply with its obligations under 49 CFR Part 23 regarding efforts to offer opportunities to ACDBEs.

Qualification as an ACDBE

To qualify as an ACDBE, the firm must meet the definition set forth below and be certified by the New York State or New Jersey Uniform Certification Program (UCP). The New York State UCP directory is available on-line at www.nysucp.net and the New Jersey UCP at www.njucp.net.

An ACDBE must be a small business concern whose average annual receipts for the preceding three (3) fiscal years does not exceed \$47.78 million and it must be (a) at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operations are controlled by one or more of the socially or economically disadvantaged individuals who own it. The personal net worth standard used in determining eligibility for purposes of Part 23 is \$750,000.

The ACDBE may, if other qualifications are met, be a franchisee of a franchisor. An airport concession is a for-profit business enterprise, located on an airport, which is subject to the Code of Federal Regulations 49 Part 23 that is engaged in the sale of consumer goods or services to the public under an agreement with the sponsor, another concessionaire, or the owner or operator of a terminal, if other than the sponsor. The Port Authority makes a rebuttable presumption that individuals in the following groups who are citizens of the United States or lawful permanent residents are "socially and economically disadvantaged":

- a. Women;
- b. Black Americans which includes persons having origins in any of the Black racial groups of Africa;

c. Hispanic Americans which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;

d. Native Americans which includes persons who are American Indians, Eskimos, Aleuts or Native Hawaiians;

e. Asian-Pacific Americans which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific Islands (Republic of Palau), the Commonwealth Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Juvalu, Nauru, Federated States of Micronesia or Hong Kong;

f. Asian-Indian Americans which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, Maldives Islands, Nepal and Sri Lanka; and

g. Members of other groups, or other individuals, found to be economically and socially disadvantaged by the Small Business Administration under Section 8(a) of the Small Business Act, as amended (15 U.S.C. Section 637(a)).

“Other individuals may be found to be socially and economically disadvantaged on a case-by-case basis. For example, a disabled Vietnam veteran, an Appalachian white male, or another person may claim to be disadvantaged. If such individual requests that his or her firm be certified as ACDBE, the Port Authority, as a certifying partner in the New York State and New Jersey UCPs will determine whether the individual is socially or economically disadvantaged under the criteria established by the Federal Government. These owners must demonstrate that their disadvantaged status arose from individual circumstances, rather than by virtue of membership in a group.

Certification of ACDBEs hereunder shall be made by the New York State or New Jersey UCP. If Concessionaire wishes to utilize a firm not listed in the UCP directories but which the Concessionaire believes should be certified as an ACDBE, that firm shall submit to the Port Authority a written request for a determination that the firm is eligible for certification. This shall be done by completing and forwarding such forms as may be required under 49 CFR Part 23. All such requests shall be in writing, addressed to Lash Green, Director, Office of Business and Job Opportunity, The Port Authority of New York and New Jersey, 233 Park Avenue South, 4th Floor, New York, New York 10003 or such other address as the Port Authority may designate from time to time. Contact OBJOcert@panynj.gov for inquiries or assistance.

1. The permission granted by this Permit shall take effect upon the effective date hereinbefore set forth. Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty days' written notice, by the Port Authority or terminated without cause, upon thirty days' written notice by the Permittee, provided, however, that it may be revoked on twenty-four hours' notice if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Further, in the event the Port Authority exercises its right to revoke or terminate this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation or termination, including without limitation any re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any space which may be used and occupied under this Permit (on failure of the Permittee to have it restored), preparing such space for use by a succeeding permittee, the care and maintenance of such space during any period of non-use of the space, the foregoing to include, without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the space and putting the space in order (such as but not limited to cleaning and decorating the same). Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

2. The rights granted hereby shall be exercised

(a) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(b) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(c) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees,

(d) if the Permittee is an individual, by the Permittee acting only personally or through the medium of his employees; or

(e) if the Permittee is a limited liability company, by the Permittee acting only through the medium of its members, managers and employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other person, corporation or legal entity. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

3. This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

4. The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Facility. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the Manager of the Facility. The Port Authority shall have the right to object to the Permittee regarding the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

5. In the use of the parkways, roads, streets, bridges, corridors, hallways, stairs and other common areas of the Facility as a means of ingress and egress to, from and about the Facility, and also in the use of portions of the Facility to which the general public is admitted, the Permittee shall conform (and shall require its employees, invitees and others doing business with it to conform) to the Rules and Regulations of the Port Authority which are now in effect or which may hereafter be adopted for the safe and efficient operation of the Facility.

The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Facility.

6. (a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third persons, including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any of the operations, acts or omissions of the Permittee hereunder.

(b) The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any way connected with this Permit. Without in any way limiting its obligations under the preceding paragraph (a) hereof, the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any way connected with this Permit.

(c) If so directed, the Permittee shall at its own expense defend any suit based on any claim or demand referred to in the foregoing paragraphs (a) or (b) (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining the prior written consent of the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal, the immunity of the Port Authority, its governmental nature or the provisions of any statutes respecting the Port Authority.

(d) In the event of any injury or death to any person (other than employees of the Permittee) at the Facility when caused by the Permittee's operations, acts or omissions of the Permittee hereunder, or damage to any property (other than the Permittee's property) at the Facility when caused by the Permittee's operations, acts or omissions of the Permittee hereunder, the Permittee shall immediately notify the Port Authority and promptly thereafter furnish to the Port Authority copies of all reports given to the Permittee's insurance carrier.

7. The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations hereunder. The Permittee shall not install any fixtures or make any alterations or improvements in or additions or repairs to any property of the Port Authority except with its prior written approval.

8. Any property of the Permittee placed on or kept at the Facility by virtue of this Permit shall be removed on or before the expiration or termination of the permission hereby granted or on or before the revocation or termination of the permission hereby granted, whichever shall be earlier.

If the Permittee shall so fail to remove such property upon the expiration, termination or revocation hereof, the Port Authority may at its option, as agent for the Permittee and at the risk and expense of the Permittee, remove such property to a public warehouse, or may retain the same in its own possession, and in either event after the expiration of thirty days may sell the same at public auction; the proceeds of any such sale shall be applied first to the expenses of removal, sale and storage, second to any sums owed by the Permittee to the Port Authority; any balance remaining shall be paid to the Permittee. Any excess of the total cost of removal, storage and sale over the proceeds of sale shall be paid by the Permittee to the Port Authority upon demand.

9. The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Facility or to be placed or brought on the Facility, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

10. No signs, posters or similar devices shall be erected, displayed or maintained by the Permittee in view of the general public without the written approval of the Manager of the Facility; and any not approved by him may be removed by the Port Authority at the expense of the Permittee.

11. The Permittee's representative hereinbefore specified (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and to do any act or thing to be done hereunder, and to execute on behalf of the Permittee any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

12. As used herein:

(a) The term "Executive Director" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee, it shall mean the Executive Director of the Port Authority for the time being, or his duly designated representative or representatives.

(b) The terms "Manager of the Facility" or "General Manager of the Facility" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Manager or General Manager (or temporary or Acting Manager or General Manager) of the Facility for the time being, or his duly designated representative or representatives.

13. A bill or statement may be rendered and any notice or communication which the Port Authority may desire to give the Permittee shall be deemed sufficiently rendered or given, if the same is in writing and sent by registered mail or certified mail addressed to the Permittee at the address specified on the first page hereof or at the address that the Permittee may have most recently substituted therefor by notice to the Port Authority, or left at such address, or delivered to the representative of the Permittee, and the time of rendition of such bill or statement and of the giving of such notice or communication shall be deemed to be the time when the same is mailed, left or delivered as herein provided. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered mail or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003, or at such other address as the Port Authority shall hereafter designate by notice to the Permittee.

14. The Permittee agrees to be bound by and comply with the provisions of all endorsements annexed to this Permit at the time of issuance.

15. No Commissioner, officer, agent or employee of the Port Authority shall be charged personally by the Permittee with any liability, or held liable to it, under any term or provision of this Permit, or because of its execution or attempted execution, or because of any breach thereof.

16. This Permit, including the attached endorsements and exhibits, if any, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof and may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

17. The Permittee hereby waives its right to trial by jury in any action that may hereafter be instituted by the Port Authority against the Permittee in respect of the permission granted hereunder and/or in any action that may be brought by the Port Authority to recover fees, damages, or other sums due and owing under this Permit. The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

18. Without in any way limiting the provisions hereof, unless otherwise notified by the Port Authority in writing, in the event the Permittee shall continue to perform the privilege permitted hereunder, after the expiration, revocation or termination of the effective period of the permission granted under this Permit, as such effective period of permission may be extended from time to time, in addition to any damages to which the Port Authority may be entitled under this Permit or other remedies the Port Authority may have by law or otherwise, the Permittee shall pay to the Port Authority a fee for the period commencing on the day immediately following the date of such expiration or the effective date of such revocation or termination and ending on the date that the Permittee shall cease to perform the privilege at the Facility equal to twice the rate payable to the Port Authority by the Permittee under this Permit. Nothing herein contained shall give, or be deemed to give, the Permittee any right to continue to perform the privilege at the Facility after the expiration, revocation or termination of the effective period of the permission granted under this Permit. The Permittee acknowledges that the failure of the Permittee to cease to perform the privilege at the Facility from and after the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss. The Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss.

1. In connection with the exercise of the privilege granted hereunder, the Permittee shall:

(a) Use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(b) Not divert or cause or allow to be diverted, any business from the Airport;

The Permittee's Records shall be kept at all times within the Port of New York District.

(d) Permit in ordinary business hours during the effective period of the Permit, for one year thereafter, and during such further period as is mentioned in the preceding subdivision (c), the examination and audit by the officers, employees and representatives of the Port Authority of (i) the records and books of account of the Permittee and (ii) also any records and books of account of any company which is owned or controlled by the Permittee, or which owns or controls the Permittee, if said company performs services, similar to those performed by the Permittee, anywhere in the Port of New York District. The Permittee shall make available to the Port Authority within the Port of New York District for examination and audit by the Port Authority pursuant to this paragraph (d) those records and books of account described in (i) which are not required by paragraph (c) above to be kept at all times in the Port of New York District and those records and books of account described in (ii) above (all of the foregoing being hereinafter called the "Other Relevant Records" and the Permittee's Records and the Other Relevant Records being hereinafter collectively referred to as the "Records").

(h) Install and use such cash registers, sales slips, invoicing machines and any other equipment or devices for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of gross receipts.

2. Without implying any limitation on the right of the Port Authority to revoke the Permit for cause for the breach of any term or condition thereof, including but not limited to paragraph 1 above, the Permittee understands that compliance by the Permittee with the provisions of paragraphs (c) and (d) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under the Permit and in the event of the failure of the Permittee to maintain, keep within the Port District or make available for examination and audit the Permittee's Records in the manner and at the times or location as provided in this Standard Endorsement then, in addition to all and without limiting any other rights and remedies of the Port Authority, the Port Authority may:

(3) If any such Records have been maintained outside the continental United States then, in addition to the costs specified in paragraph (2)(ii) above, the Permittee shall pay to the Port Authority when billed all other costs of the examination and audit of such Records including without limitation salaries, benefits, travel costs and related expenses, overhead costs and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

3. The foregoing auditing costs, expenses and amounts set forth in subparagraphs (2) and (3) of paragraph 2 above shall be deemed fees and charges under the Permit payable to the Port Authority with the same force and effect as all other fees and charges thereunder.

4. Effective from and after October 13, 2005, and continuing during the effective period of permission granted under this Permit, in the event that upon conducting an examination

and audit as described in this Standard Endorsement the Port Authority determines that unpaid amounts are due to the Port Authority by the Permittee, the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount of five percent (5%) of each amount determined by the Port Authority audit findings to be unpaid. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Permittee under this Permit or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Standard Endorsement with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Standard Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

A principal purpose of the Port Authority in granting the permission under this Permit is to have available for passengers, travelers and other users of the Port Authority Facility, all other members of the public, and persons employed at the Facility, the merchandise and/or services which the Permittee is permitted to sell and/or render hereunder, all for the better accommodation, convenience and welfare of such individuals and in fulfillment of the Port Authority's obligation to operate facilities for the use and benefit of the public.

The Permittee agrees that it will conduct a first class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor. The Permittee shall furnish all services hereunder on a fair, equal and non-discriminatory basis to all users thereof.

The Permittee shall sell only such items of merchandise and/or render only such services as may be approved in writing from time to time by the Port Authority. The Permittee shall furnish all merchandise and/or all services, at reasonable prices and at the times and in a manner which will be fully satisfactory to the public and to the Port Authority. All prices charged by the Permittee shall be subject to the prior written approval of the Port Authority, provided, however, that such approval will not be withheld if the proposed prices do not exceed reasonable prices for similar merchandise and/or services in the municipality in which the Airport is located. The Permittee shall remain open for and conduct business during such hours of the day and on such days of the week as may properly serve the needs of the public. The Permittee shall, prior to furnishing any services hereunder, prepare schedules of rates for said services and discounts therefrom. Such schedules shall be submitted to the Port Authority for its prior written approval as to compliance by the Permittee with its obligations under this Permit. The Port Authority shall examine such schedules and make such modifications therein as may be necessary. Any changes thereafter in the schedules shall be similarly submitted to the Port Authority for its prior written approval, and, if necessary, modification. All such schedules shall be made available to the public by the Permittee at locations designated from time to time by the Port Authority. The Permittee agrees to adhere to the rates and discounts stated in the approved schedules. If the Permittee applies any rate in excess of the approved rates or extends a discount less than the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the approved rates or extends a discount which is in excess of the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an undercharge and an amount equivalent thereto shall be included in gross receipts hereunder and the percentage fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Permit.

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority, including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (but not less than thirteen) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Endorsement with respect to such unpaid amount. Nothing in this Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including without limitation the Port Authority's rights set forth in Section 1 of the Terms and Conditions of this Permit or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Endorsement shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

Said agreement dated October 22, 1947 has been recorded in the Office of the Register of Deeds for the County of Essex on October 30, 1947 in Book E-110 of Deeds at pages 242, et seq. SPECIAL ENDORSEMENTS

I. (a) By agreement of lease, dated as of January 11, 1985 bearing Port Authority file No. ANA-170 (said agreement of lease as the same may have been supplemented and amended being hereinafter called the "Airline Lease") the Port Authority leased to People Express Airlines, Inc. certain premises in the passenger terminal building designated "Passenger Terminal Building C" at Newark Liberty International Airport for the construction therein by the airline of passenger terminal facilities (which facilities are hereinafter referred to as the "Terminal"), as set forth in Section 5 of the Airline Lease. The Airline Lease was assigned by People Express Airlines, Inc. to Continental Airlines, Inc. (hereinafter called the "Airline") pursuant to an Assignment of Lease with Assumption and Consent Agreement entered into among the Port Authority, the Airline and People Express Airlines, Inc., dated August 15, 1987. It was contemplated under the Airline Lease that certain food and beverage, newsstand, gift shop and other consumer service facilities would be operated in certain portions of the Terminal pursuant to agreements covering the operation of such consumer service facilities and it was stipulated in the Airline Lease that Port Authority consent to the arrangements covering the operation of such consumer service facilities would be required. The Airline and Westfield Concession Management, Inc. ("Manager") have entered into an agreement, made as of November 1, 1997 (which agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Management Agreement"), pursuant to which the Manager agreed to develop, sublease on behalf of and in the name of the Airline, manage and market certain concession facilities in the Terminal. The Manager and the Port Authority have entered into a permit agreement, consented and agreed to by the Airline and dated as of October 1, 1998 (which permit agreement, as the same may have been or may hereafter be supplemented, amended or extended is hereinafter called the "Manager Permit") pursuant to which, among other things, the Port Authority consented to the Management Agreement subject to the provisions of the Manager Permit.

(b) The Airline and the Permittee are parties to a sublease agreement, dated as of February 23, 2001, as extended by Extension Agreement, dated as of November 30, 2006, and as further amended and extended by Second Amendment and Extension Agreement, dated as of August 31, 2007 (pursuant to which Second Amendment and Extension Agreement the sublease was also assigned to the Permittee by World Concourse Ventures, LLC, a Delaware limited liability company) (the sublease, as extended, amended and assigned hereinafter called the "Sublease"). Pursuant to the Sublease, the Permittee has agreed to operate certain consumer services in locations the Airline shall designate, and the Port Authority hereby consents to such subletting. By its terms the Sublease is subject and subordinate to the Airline Lease and the Permittee is obligated under the Sublease to comply with all applicable terms of the Airline Lease. The Permittee hereby agrees for the benefit of the Port Authority to comply with all applicable provisions of the Airline Lease. Further, it was stipulated in the Management Agreement and in the Manager Permit that any retail operating agreement entered into between the Airline and a third party retail operator shall be void *ab initio* and of no force of effect unless and until the proposed retail operator and the Port Authority shall have executed a written agreement covering such operations. The Port Authority hereby grants to the Permittee the privilege to operate one first-class concession at the Terminal for the purpose of the sale at retail

of newspapers, magazines and periodicals and certain other items expressly identified for sale in the Sublease, as well as the incidental sale at retail of gifts, souvenir apparel, souvenirs, novelties and traveler-related gifts, and for no other purpose whatsoever.

(c) The Permittee shall exercise the privilege granted by this Permit only in such areas as the Airline shall designate from time to time. All of the areas designated for operations hereunder are herein referred to collectively as the "Space". The Permittee understands that as the Terminal is leased to the Airline, all arrangements as to the Space and facilities in which the privilege described in this paragraph will be conducted, including utilities and services therefor, shall be made with the Airline and the Permittee acknowledges that it has made such arrangements. The Port Authority makes no representations or warranties as to the location, size, adequacy or suitability of the Space and the facilities therein.

(d) The Permittee may not receive any revenues or profits with respect to any of the following uses, operations or installations which the Port Authority reserves to itself and its designees exclusively in the Terminal: VIP lounges, airline clubs, monorail facilities, advertising (including, without limitation, static display, broadcast and other), pay telephones, rental of cellular phones, facsimile transmission machines and other public communication services, concierge services (i.e., a center or location which offers a variety of services for passengers (including, but not limited to, hotel reservations, sale of entertainment events tickets and lottery tickets, luggage storage and delivery, sightseeing tours, business services and provision of touring information)), ground transportation (including vehicle rentals), hotel and other lodging reservations, vending machines dispensing anything (including, but not limited to, catalog and electronic sales) other than products specifically permitted to be sold on the Space pursuant to the Sublease and if approved by the Port Authority, on-airport baggage carts or other on-airport baggage-moving devices, electronic amusements, and public service or airport operation information, messages and announcements. The Port Authority shall have the right to all revenues derived for the above-stated reserved uses.

2. (a) As used herein:

(i) "Affiliate" shall mean a person that directly, or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, the Permittee. The term control (including the terms controlling, controlled by and under common control with) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise.

(ii) "Minimum annual rent amount" (sometimes referred to herein as "Guaranteed Rent") shall mean the sum set forth in paragraph (b) of this Special Endorsement, as the same may adjusted and/or prorated by operation of the provisions hereof.

(iii) "Annual Period" shall mean, as the context requires, the period commencing with the effective date of the permission granted under this Permit and expiring December 31 of the same calendar year, both dates inclusive, and each of the twelve month periods

thereafter occurring during the effective period of the permission granted hereunder commencing with the immediately succeeding January 1 and on each anniversary of that date. provided, however, that if the effective period of the permission granted under this Permit shall expire or shall terminate or be revoked effective on other than the last day of a calendar year then the annual period in which the date of expiration or earlier termination or revocation shall fall shall expire on the date of expiration or earlier termination or revocation of the effective period of the permission granted hereunder.

(iv) "Gross receipts" shall mean and include all monies paid or payable to the Permittee for sales made and services rendered at or from the Terminal or the Airport regardless of when or where the order therefor is received and outside the Terminal or Airport if the order is received at the Terminal or the Airport and any other revenues of any type arising out of or in connection with the Permittee's operations at the Terminal or the Airport, provided, however, that there shall be excluded from such gross receipts the following: (a) any taxes imposed by law which are separately stated to and paid by a customer and directly payable to the taxing authority by the Permittee; (b) receipts in the form of refunds from or the value of merchandise, services, supplies or equipment returned to vendors, shippers, suppliers or manufacturers including discounts received from Permittee's vendors, suppliers, or manufacturers (but specifically excluding retail display allowances or other promotional incentives received from vendors, suppliers and the like, all of which must be included in gross receipts); (c) shipping, delivery, alteration workroom and gift wrapping charges if there is no profit to Permittee and such charges are merely an accommodation to customers; (d) except with respect to proceeds paid on a gross earnings business interruption insurance policy, all other receipts from insurance proceeds received by Permittee as a result of a loss or casualty; (e) sale of trade fixtures, equipment or property which are not stock in trade and not in the ordinary course of business; (f) customary discounts, not to exceed ten percent (10%), which must be given by Permittee on sales of merchandise or services to employees of Airport airline lessees, other individuals employed at the Airport, and including Permittee's employees, if separately stated, and limited in amount to not more than one percent (1%) of Permittee's gross receipts per lease month for discounts given to Permittees' employees; provided, however, that effective as of August 31, 2007 it is understood and agreed that no discount shall be required or shall be given with respect to the sale of any newspapers, magazines and tobacco; (g) any gratuities paid or given by patrons or customers to employees of the Permittee or others employed, or serving, at any of the facilities being operated on the Space; (h) exchange of merchandise between stores or warehouses owned by or affiliated with Permittee (where such exchange is made solely for the convenient operation of the business of Permittee and not for purposes of consummating a sale which has theretofore been made in or from the Space and/or for the purpose of depriving the Airline of the benefit of a sale which otherwise would be made in or from the Space); (i) proceeds from the sale of gift certificates or like vouchers until such time as the gift certificates or like vouchers have been treated as a sale in or from the Space pursuant to Permittee's record-keeping system; and (j) the sale or transfer in bulk of the inventory of Permittee to a purchaser of all or substantially all of the assets of Permittee in a transaction not in the ordinary course of Permittee's business.

For the purpose of determining the percentage rent payable by Permittee to the Airline and the Port Authority, respectively, all monies, payments, or fees paid or payable to the Permittee by any of its subtenants, franchisees or licensees in connection with their operations (including all monies, payments, or fees described in the applicable franchise or license agreement between the Permittee and a sub-retail operator, franchisee or licensee) and all receipts arising out of the permitted operations of the sub-retail operator, franchisee or licensee shall be deemed to be the gross receipts of the Permittee, shall be included in the gross receipts of the Permittee and shall be subject to the percentage rent set forth in the Sublease. In the event of any difference between the definition of gross receipts (or gross revenues) in the Sublease and the definition of gross receipts in this Permit, the definition of gross receipts set forth in this Permit shall control.

(b) (i) The Permittee shall pay to the Port Authority the PA Share, as defined in paragraph (f) of this Special Endorsement, of a Guaranteed Rent at the following rate:

(1) for the period from the Rent Commencement Date to and including November 30, 2006, Two Hundred Thirty Thousand Dollars and No Cents (\$230,000.00) per annum, payable in advance in equal, consecutive monthly installments equal to the PA Share of Nineteen Thousand One Hundred Sixty-six Dollars and Sixty-seven Cents (\$19,166.67);

(2) for the period from December 1, 2006 to and including August 31, 2007, One Hundred Twelve Thousand Five Hundred Dollars for such nine-month period, payable in advance in equal, consecutive monthly installments equal to the PA Share of Twelve Thousand Five Hundred Dollars and No Cents (\$12,500.00); and

(3) for the period from September 1, 2007 to and including March 31, 2012, One Hundred Fifty Thousand Dollars and No Cents (\$150,000.00) per annum, payable in advance in equal, consecutive monthly installments equal to the PA Share of Twelve Thousand Five Hundred Dollars and No Cents (\$12,500.00),

on the Rent Commencement Date and on the first day of each calendar month thereafter occurring during the relevant period of permission under this Permit. If the Rent Commencement Date shall occur on a day other than the first day of a calendar month, the installment of the Guaranteed Rent payable on the Rent Commencement Date shall be the amount of the installment described in this paragraph prorated on a daily basis, using the actual number of days in the subject calendar month. The Guaranteed Rent is subject to annual adjustments (but in no event shall Guaranteed Rent decrease below the amount of the Guaranteed Rent in effect on the Rent Commencement Date) based upon the Guaranteed Rent in effect during the previous annual period multiplied by the Percentage Change In Enplanements, pursuant to the terms of the Sublease.

(ii) If the effective period of the permission granted hereunder is terminated, revoked or expires effective on other than the last day of a month, the applicable Guaranteed Rent payable for the portion of the month in which the effective date of termination, revocation or expiration shall occur during which the permission granted hereunder remains effective, shall

be the amount of the monthly installment of Guaranteed Rent set forth in subparagraph (b)(i) of this Special Endorsement, prorated on a daily basis, using the actual number of days in the subject calendar month.

(iii) For purposes of this Permit, and unless and until notified in writing otherwise by the Port Authority, the Port Authority hereby directs such payments of the PA Share (whether of Guaranteed Rent, percentage rent, or other concession operator payments (to the extent the same do not constitute actual pass-through charges for expenses actually incurred by the Airline and the Manager, as applicable)) be remitted on its behalf directly, and payable, to *Westfield Concession Management, Inc.*, which shall serve as the Port Authority's agent for this purpose.

(c) In addition to the Guaranteed Rent hereunder, the Permittee shall pay to the Port Authority an annual percentage rent equivalent to the PA Share of the following percentage of the Permittee's gross receipts arising during the effective period of permission hereunder:

- (i) fourteen percent (14%) of all gross receipts of the Permittee on Category A Products, retail display allowances and other promotional incentives; and
- (ii) twenty-eight percent (28%) of all gross receipts of the Permittee on Category B Products.

The terms Category A Products and Category B Products shall have the meanings ascribed to them in the Sublease.

The computation of percentage rent for each annual period, or a portion of an annual period as herein provided, shall be individual to such annual period, or such portion of an annual period, and without relation to any other annual period, or any other portion of any annual period. The time for making payment and the method of calculation of the percentage rent shall be as set forth in paragraph (e) of this Special Endorsement.

(d) For the purpose of calculating the Guaranteed Rent and percentage rent due for any annual period which contains more or less than 365 days, the applicable annual Guaranteed Rent amount shall be prorated on a daily basis, using a 365-day year.

(e) (i) Gross receipts shall be reported and the percentage rent thereon shall be paid as follows: on the 15th day of the first month following the Rent Commencement Date and on the 15th day of each and every month thereafter, including the month following the end of each annual period and the month following the expiration of the permission granted hereunder, the Permittee shall render to the Port Authority a statement, certified by a responsible officer of the Permittee, showing all gross receipts arising from the Permittee's operations hereunder in the preceding month, and specifying the percentage(s) stated in paragraph (c) of this Special Endorsement of gross receipts, and also showing its cumulative gross receipts from the date of the commencement of the annual period for which the report is made through the last day of the preceding month and the percentages applicable thereto. Whenever any monthly statement

shall show that (A) the applicable percentages set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the monthly period for which the report is made are in excess of the applicable Monthly Exemption Amount, established for the monthly period, or (B) the applicable percentages set forth in paragraph (c) of this Special Endorsement applied to the gross receipts of the Permittee for the annual period for which the report is made are in excess of the applicable Annual Exemption Amount, established for such annual period, the Permittee shall pay to the Port Authority at the time of rendering the statement an amount equal to the following: with respect to statements for monthly periods and not annual periods, an amount equal to the PA Share of the excess over the applicable Monthly Exemption Amounts, and with respect to statements for annual periods, an amount equal to the PA Share of the excess, over the applicable Annual Exemption Amount, less the total of all percentage rent payments previously made for such annual period. At any time that the Monthly Exemption Amount is decreased by proration hereunder so that there is an excess of gross receipts as to which the percentage rent has not been paid, the same shall be payable to the Port Authority on demand. In the event that, with respect to an annual period, the Permittee has previously made a total of percentage rent payments which is greater than the amount actually due hereunder in percentage rent for such annual period, then such overpayment shall be credited to accrued obligations of the Permittee or, if there be none, then to the next accruing obligations of the Permittee hereunder.

(ii) Upon any termination or revocation of the permission granted hereunder (even if stated to have the same effect as expiration), gross receipts shall be reported and rent shall be paid on the 15th day of the first month following the month in which the effective date of such termination or revocation occurs, as follows: first, if the monthly installment of Guaranteed Rent due on the first day of month in which the termination or revocation occurs has not been paid, the Permittee shall pay the prorated part of the amount of that installment; if the monthly installment has been paid, then the excess thereof shall be credited to the Permittee's other obligations; second, the Permittee shall within fifteen (15) days after the effective date of termination or revocation render to the Port Authority a statement, certified by a responsible officer of the Permittee, of all gross receipts for the monthly period and annual period in which the effective date of termination or revocation falls showing the monthly, and the cumulative for the annual period, amount of gross receipts and the percentages applicable thereto; and third, the payment then due on account of all percentage rent for the annual period in which the effective date of termination or revocation falls shall be the PA Share of the excess of the percentage rent computed as set forth in the following sentence, over the total of all percentage rent payments previously made for such annual period. The percentage rent due for any such annual period in which the effective date of termination or revocation falls shall be equal to the PA Share of the excess, over the prorated Annual Exemption Amount(s) established for such annual period pursuant to the proration provisions set forth in paragraph (d) of this Special Endorsement, of the percentages stated in paragraph (c) of this Special Endorsement, each such percentage being applied to the cumulative amount of gross receipts arising during such annual period in accordance with the terms of paragraph (c) of this Special Endorsement.

(f) The Permittee shall pay to the Port Authority fifty percent (50%) of all rent payable under this Permit (such share being herein called the "PA Share") and the remainder

shall be paid by the Permittee to the Airline, as directed by the Airline in accordance with the Sublease.

(g) Notwithstanding that the percentage rent hereunder are measured by a percentage of gross receipts, no partnership relationship or joint venture between the Port Authority and the Permittee or the Airline is created or intended to be created by this Permit.

3. The Permittee's obligation to pay rent under this Permit (herein called the "Rent Commencement Date") shall commence as of the earliest to occur of:

(a) the date on which Permittee commences operations in the Space, or

(b) December 1, 2001

subject to the Permittee's limited right to delay such Rent Commencement Date pursuant to Section 1.02 of the Lease. The Airline shall promptly confirm to the Port Authority and the Permittee in writing the date of delivery of the Space, date of commencement of operations and Rent Commencement Date hereunder.

4. The Permittee shall be required to make a minimum initial capital investment (excluding furniture, fixtures and equipment) to ready the Space for initial occupancy and operations in an amount equal to Two Hundred Dollars (\$200) per square foot. Nothing herein shall reduce the Permittee's obligations to comply with the Port Authority's Tenant Alteration and Application process and the Airline's design specifications and standards, nor reduce any obligation of the Permittee under the Sublease to maintain, improve or refurbish the Space during the term of the subletting.

5. Prior to the execution of this Permit by either party hereto the following deletions, additions and substitutions were made in the foregoing Terms and Conditions and Standard Endorsements:

(a) The last three sentences of Section I of the foregoing Terms and Conditions were deleted and the following shall be deemed to have been inserted in lieu thereof:

"Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty (30) days' written notice to the Permittee which notice must be jointly subscribed by the Port Authority and the Airline; provided, however, that it may be revoked on twenty-four (24) hours' notice by the written notice by the Port Authority without consultation with or concurrence by the Airline if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination."

It is acknowledged and agreed that, in the event the Permittee operates hereunder at more than one concession facility area in the Space, the Port Authority's right to revoke this Permit pursuant to the foregoing proviso may be exercised with respect to the entire Space or any portion thereof. Accordingly, any such revocation by the Port Authority may revoke the permission hereunder with regard to all concession facility areas, or only one or more of such areas, in which latter case the Permittee shall not be relieved of any liabilities or obligations hereunder which relate to the area(s) as to which the permission remains in effect.

(b) The words "without the prior written consent of the Port Authority" shall be deemed inserted after the word "contractor" at the end of the first full sentence following paragraph (d) of Section 2 of the foregoing Terms and Conditions.

(c) The word "written" in the fifth line of Section 4 of the foregoing Terms and Conditions was deleted and the following sentence was added to such Section:

"If the Manager of the Facility notifies the Permittee that any badge, identification or uniform is unacceptable in the sole judgment of the Manager of the Facility, then the Permittee shall upon receipt of such notice cease use of such objectionable badge, identification or uniform, as the case may be, and shall provide acceptable replacement(s) therefor within 30 days thereafter."

(d) Wherever the term "expiration" is used in the Permit, it shall be deemed to mean, unless otherwise provided, the effective date of expiration, revocation or termination.

(e) The words "and the Airline and its directors, officers, employees, agents and representatives" shall be deemed inserted following the word "representatives" in the second line of the first sentence of Section 6 of the foregoing Terms and Conditions.

(f) Wherever in this Permit the word "Facility" is used it shall be deemed to mean, as the context requires, Newark Liberty International Airport and/or the Terminal.

(g) Section 11 of the foregoing Terms and Conditions was deleted in its entirety and the following shall be deemed to have been inserted in lieu thereof:

"In the event that any sign, poster or similar device erected, displayed or maintained by the Permittee in view of the general public, is unacceptable to the Manager of the Facility, in the sole judgment of the Manager of the Facility, then the same shall be removed by the Permittee upon receipt of notice to do so by the Manager of the Facility and any not so removed by the Permittee may be removed by the Port Authority at the expense of the Permittee."

(h) It is hereby acknowledged that there may be differences between (i) the pricing requirements set forth in Standard Endorsements 4.1 and 4.5 of this Permit and the pricing requirements set forth in Section 7.02 of the Sublease and (ii) the operating hours requirements of Standard Endorsement 4.1 of this Permit and the operating hours requirements

set forth in Section 7.02 of the Sublease. The parties hereto agree that notwithstanding the provisions of paragraph (d) of Special Endorsement No. 7 of this Permit, the provisions of Section 7.02 of the Sublease shall not be deemed to be superseded or affected in any way by the provisions of Standard Endorsements 4.1 and/or 4.5 of this Permit and, as between the Permittee and the Airline, the provisions of Section 7.02 of the Sublease shall be and continue in full force and effect.

(i) Paragraphs 1(f) and 1(g) of Standard Endorsement 2.8 were deleted in their entirety.

(ii) The reference in the introductory paragraph of paragraph 2 of Standard Endorsement 2.8 to "percentage fee" shall be deemed to mean "percentage rent" and the reference in subparagraph (1) of such paragraph 2 to "fees" shall be deemed to mean "percentage rent".

(iii) References in paragraph 3 of Standard Endorsement 2.8 to "fees" shall be deemed to mean "rent". In addition, any rent or charges to be paid pursuant to this Standard Endorsement 2.8 shall be paid directly to the Port Authority and not to the Manager on behalf of the Port Authority.

(j) All references in Standard Endorsement 8.0 to "fee" shall be deemed to mean "rent".

(k) Notwithstanding the provisions of Standard Endorsement 21.1 annexed to this Permit, the Port Authority (as well as the Airline and the Manager) shall be named as an additional insured in any policy of liability insurance required by the provisions of this Permit and each such policy of insurance so required shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

(l) The policies referred to in Standard Endorsement 21.1 shall provide or contain an endorsement providing that:

(i) the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority, and

(ii) the protections afforded the Port Authority thereunder with respect to any claim or action against the Port Authority by the Permittee shall be the same as the protections afforded the Permittee thereunder with respect to

any claim or action against the Permittee by a third person as if the Port Authority were the named insured thereunder,

but such endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured.

(m) Without limiting the generality of the provisions of Standard Endorsement 23.1, the Permittee agrees that notwithstanding the sum stated to be the security deposit to be delivered to the Port Authority upon execution of this Permit, the security amount required hereunder shall at all times during the period of permission be an amount equal to at least three (3) months' Guaranteed Rent in cash or bonds (as described in said Standard Endorsement) or at least twelve (12) months' Guaranteed Rent in the form of a clean irrevocable letter of credit satisfactory to the Port Authority and, accordingly, such amount may change from time to time by notice to the Permittee during such period.

It shall be unnecessary to physically indicate the foregoing additions, deletions and substitutions on the foregoing Terms and Conditions and Standard Endorsements.

6. Without limiting the Permittee's indemnity obligations under this Permit, the Permittee's indemnity obligations hereunder shall extend to and include any claims and demands made by the Port Authority against the Airline pursuant to the provisions of the Airline Lease and any claims and demands made by the City of Newark against the Port Authority pursuant to or under the provisions of the agreement of lease between the City of Newark and the Port Authority covering the leasing of the Airport by the City to the Port Authority, as the same from time to time may have been or may be supplemented or amended.

7. (a) No greater rights are granted or intended to be granted to the Permittee hereunder than the Airline has the power to grant under the Airline Lease. Nothing herein contained shall be deemed to enlarge or otherwise change the rights granted to the Airline by the Airline Lease and all of the terms, provisions and conditions of the Airline Lease shall be and remain in full force and effect throughout the term of the Sublease and the effective period of the permission granted hereunder.

(b) Neither this Permit nor anything contained herein shall constitute or be deemed to constitute a consent to nor shall there be created an implication that there has been consent to any enlargement or change in the rights, powers and privileges granted to the Airline under the Airline Lease, nor consent to the granting or conferring of any rights, powers or privileges to the Permittee as may be provided under the Sublease if not granted to the Airline under the Airline Lease, unless specifically set forth in this Permit. The Sublease is an agreement between the Airline and the Permittee with respect to the various matters set forth therein. Neither this Permit nor anything contained herein shall constitute an agreement between the Port Authority and the Airline that the provisions of the Sublease shall apply and pertain as between the Airline and the Port Authority, it being understood that the terms, provisions, covenants, conditions and agreements of the Airline Lease shall, in all respects, be controlling, effective and determinative. The specific mention of or reference to the Port Authority in any part of the

Sublease including, without limitation thereto, any mention of any consent or approval of the Port Authority now or hereafter to be obtained, shall not be or be deemed to create an inference that the Port Authority has granted its consent or approval thereto under this Permit or shall thereafter grant its consent or approval thereto, or that the Port Authority's discretion as to any such consents or approval shall in any way be affected or impaired. The lack of any specific reference in any provisions of the Sublease to Port Authority approval or consent shall not be deemed to imply that no such approval or consent is required and the Airline Lease and this Permit shall, in all respects, be controlling, effective and determinative.

(c) No provision of the Sublease including, but not limited to, those imposing obligations on the Permittee with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Sublease covering actions which shall or may be undertaken by the Permittee or the Airline including, but not limited to, construction of the Space, title to property and the right to perform services, be deemed to imply or infer that Port Authority consent or approval thereto will be given or that Port Authority discretion with respect thereto will in any way be affected or impaired. References in this paragraph to specific matters and provisions shall not be construed as indicating any limitation upon the rights of the Port Authority with respect to its discretion as to the granting or withholding of approvals or consents as to other matters and provisions in the Sublease which are not specifically referred to herein.

(d) It is hereby expressly understood that there are differences and inconsistencies between the Sublease, the Airline Lease and this Permit and that as to any such inconsistency or difference the terms of this Permit shall control. No changes or amendments to the Sublease nor any renewals or extensions thereof shall be binding or effective upon the Port Authority unless the same have been approved in advance by the Port Authority in writing. The Port Authority may at any time and from time to time by notice to the Permittee modify, withdraw or amend any approval, direction, or designation given hereunder or pursuant hereto to the Permittee.

(e) Notwithstanding any other provision of this Permit, this Permit and the privileges granted hereunder shall in any event expire, without notice to the Permittee, on the date of expiration or earlier termination of the Airline Lease or the Sublease, provided, however, that this shall not affect or impair the Port Authority's rights of revocation or termination as contained elsewhere in this Permit.

(f) Notwithstanding anything to the contrary stated in paragraph (f) of Special Endorsement No. 2 to this Permit or anything to the contrary stated in the Sublease, it is understood and agreed that with respect to any storage premises used, occupied or subleased by the Permittee arising out of, relating to, or in connection with the operations permitted hereunder (whether such storage premises use is described, referenced or acknowledged in the Sublease or in a separate written agreement), the Permittee shall pay to the Port Authority fifty percent (50%) of all rent payable under such storage arrangement and the remainder shall be paid by the Permittee to the Airline and, further, in accordance with Special Endorsement No. 2 (b) (iii).

(g) Notwithstanding anything to the contrary stated in the Sublease, the following shall apply and, as applicable, supercede the provisions of the Sublease:

(1) In the event the Sublease is assigned to and assumed by the Port Authority, references in the Sublease to the landlord being reasonable, not unreasonably withholding, delaying or conditioning its consent, and phrases or language of similar import shall not apply to the Port Authority which instead shall be held to the standard that the Port Authority shall not be arbitrary or capricious.

(2) In paragraph 27.29 of the Sublease, entitled "Airport Security", the words "elected officials" in the last sentence of the paragraph shall be deleted.

(3) The following shall not apply to or be of any force or effect as against the Port Authority in the event the Sublease is assigned to and assumed by the Port Authority: (i) the last sentence of Section 19.01(a) of the Sublease inasmuch as the Port Authority shall have no obligation to mitigate damages in the event of a default by the Permittee and (ii) in Section 19.01 (a)(i), the obligation to provide any written notice of a monetary default inasmuch as the Port Authority shall not be obligated to provide written notice of a monetary default under the Sublease or this Permit.

8. The Airline and the Port Authority shall both have the right by their officers, employees, agents, representatives and contractors at all reasonable times to enter upon the Space for the purpose of inspecting the same, for observing the performance by the Permittee of its obligations under this Permit and for the doing of any act or thing which the Airline or the Port Authority may be obligated or have the right to do under this Permit, the Airline Lease, the Sublease, or otherwise. Further the Airline shall have the right to enter upon the Space for the purpose of making repairs, alterations or replacements in or to any portion of the Terminal in accordance with the provisions of the Airline Lease.

9. The privilege granted hereunder is non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Terminal and/or Airport to another or others, whether by use of this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute or be construed to constitute a violation or breach of the permission herein granted.

10. No acceptance by the Port Authority of fees or other moneys for any period or periods after default by the Permittee under any of the terms or provisions of this Permit shall be deemed a waiver of any right on the part of the Port Authority to terminate or revoke this Permit nor shall any acceptance of an payment of fees, rents or other moneys in less than the required amount thereof be such a waiver. No waiver by the Port Authority of any default on the part of the Permittee in performing any of the terms or provisions of this Permit nor failure to take steps to rectify the same or terminate this Permit shall be or be construed a waiver by the Port

Authority of any such or subsequent defaults in performance of any of the said terms or provisions of this Permit by the Permittee.

11. The effective date of this Permit is that date the Permittee commenced the activities permitted by this Permit. The Permittee in executing this Permit represents that the date stated as the "Effective Date" in Item 7 appearing on page 1 of this Permit is the date the Permittee commenced the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced such activities prior to said Effective Date, the effective date of this Permit shall be the date the Permittee commenced the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence on such date including, but not limited to, the Permittee's indemnity obligations and obligations to pay fees.

12. (a) Upon the execution of this Agreement by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of the Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority, and payable in the Port of New York District in the amount of Thirty Seven Thousand Five Dollars and No Cents (\$37,500.00). The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under the Permit, as extended hereby, and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is an appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless the letter of credit is replaced by another letter of credit satisfactory to the Port Authority by a date not later than twenty (20) days prior to the effective date of cancellation, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security. Failure to provide such a letter of credit at any time during the effective period of the permission granted under the Permit, as extended hereby, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of the Permit on the part of the Permittee. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee, upon demand by the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to be a waiver of any default by the Permittee under the terms of the Permit, and all remedies under the Permit and of the Port Authority consequent upon such default shall not be affected by the existence of a recourse to any such letter of credit.

(b) For the purposes of this paragraph, the Permittee hereby certifies that its federal tax identification number is (Ex. 1)

(b) The Permittee acknowledges and agrees that the Port Authority reserves the right, in its sole discretion at any time and from time to time upon fifteen (15) days' notice to the Permittee, to adjust the amount of the letter of credit as set forth above in subparagraph (a). Not later than the effective date set forth in said notice by the Port Authority the Permittee shall furnish an amendment to, or a replacement of, the letter of credit providing for such adjusted amount of the letter of credit, and such adjusted (or replaced) letter of credit shall thereafter constitute the letter of credit required under this paragraph.

13. This Permit is subject to the requirements of the United States Department of Transportation's regulations 49 CFR Part 23. The Permittee agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement or any management contract, or subcontract, purchase or lease agreement or other agreement covered by 49 CFR Part 23. The Permittee agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR Part 23 that it enters and cause those businesses to similarly include the statements in further agreement. Further, the Permittee agrees to comply with the terms and provisions of Schedule G, attached hereto and hereto made a part hereof.

SCHEDULE G

AIRPORT CONCESSION DISADVANTAGED BUSINESS ENTERPRISE (ACDBE) PARTICIPATION

In accordance with regulations of the US Department of Transportation 49 CFR Part 23, the Port Authority has implemented an Airport Concession Disadvantaged Business Enterprise (ACDBE) program under which qualified firms may have the opportunity to operate an airport business. The Port Authority has established an ACDBE participation goal, as measured by the total estimated annual gross receipts for the overall concession program. The goal is modified from time to time and posted on the Port Authority's website: www.panynj.gov.

The overall ACDBE goal is a key element of the Port Authority's concession program and Concessionaire shall take all necessary and reasonable steps to comply with the requirements of the Port Authority's ACDBE program. The Concessionaire commits to making good faith efforts to achieve the ACDBE goal. Pursuant to 49 CFR 23.25 (f), ACDBE participation must be, to the greatest extent practicable, in the form of direct ownership, management and operation of the concession or the ownership, management and operation of specific concession locations through subcases. The Port Authority will also consider participation through joint ventures in which ACDBEs control a distinct portion of the joint venture business and/or purchase of goods and services from ACDBEs. In connection with the aforesaid good faith efforts, as to those matters contracted out by the Concessionaire in its performance of this agreement, the Concessionaire shall use, to the maximum extent feasible and consistent with the Concessionaire's exercise of good business judgment including without limit the consideration of cost competitiveness, a good faith effort to meet the Port Authority's goals. Information regarding specific good faith steps can be found in the Port Authority's ACDBE Program located on its above-referenced website. In addition, the Concessionaire shall keep such records as shall enable the Port Authority to comply with its obligations under 49 CFR Part 23 regarding efforts to offer opportunities to ACDBEs.

Qualification as an ACDBE

To qualify as an ACDBE, the firm must meet the definition set forth below and be certified by the New York State or New Jersey Uniform Certification Program (UCP). The New York State UCP directory is available on-line at www.nysucp.net and the New Jersey UCP at www.njucp.net.

An ACDBE must be a small business concern whose average annual receipts for the preceding three (3) fiscal years does not exceed \$47.78 million and it must be (a) at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock is owned by one or more socially and economically disadvantaged individuals; and (b)

whose management and daily business operations are controlled by one or more of the socially or economically disadvantaged individuals who own it. The personal net worth standard used in determining eligibility for purposes of part 23 is \$750,000.

The ACDBE may, if other qualifications are met, be a franchisee of a franchisor. An airport concession is a for-profit business enterprise, located on an airport, which is subject to the Code of Federal Regulations 49 Part 23, subpart F, that is engaged in the sale of consumer goods or services to the public under an agreement with the sponsor, another concessionaire, or the owner or operator of a terminal, if other than the sponsor. The Port Authority makes a rebuttable presumption that individuals in the following groups who are citizens of the United States or lawful permanent residents are "socially and economically disadvantaged":

- a. Women;
- b. Black Americans which includes persons having origins in any of the Black racial groups of Africa;
- c. Hispanic Americans which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;
- d. Native Americans which includes persons who are American Indians, Eskimos, Aleuts or Native Hawaiians;
- e. Asian-Pacific Americans which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific Islands (Republic of Palau), the Commonwealth Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Juvalu, Nauru, Federated States of Micronesia or Hong Kong;
- f. Asian-Indian Americans which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, Maldives Islands, Nepal and Sri Lanka; and
- g. Members of other groups, or other individuals, found to be economically and socially disadvantaged by the Small Business Administration under Section 8(a) of the Small Business Act, as amended (15 U.S.C. Section 637(a)).

Other individuals may be found to be socially and economically disadvantaged on a case-by-case basis. For example, a disabled Vietnam veteran, an Appalachian white male, or another person may claim to be disadvantaged. If such individual requests that his or her firm be certified as ACDBE, the Port Authority, as a certifying partner in the New York State and New Jersey UCPs will determine whether the individual is socially or economically disadvantaged under the criteria Schedule G

established by the Federal Government. These owners must demonstrate that their disadvantaged status arose from individual circumstances, rather than by virtue of membership in a group.

Certification of ACDBEs hereunder shall be made by the New York State or New Jersey UCP. If Concessionaire wishes to utilize a firm not listed in the UCP directories but which the Concessionaire believes should be certified as an ACDBE, that firm shall submit to the Port Authority a written request for a determination that the firm is eligible for certification. This shall be done by completing and forwarding such forms as may be required under 49 CFR Part 23. All such requests shall be in writing, addressed to Lash Green, Director, Office of Business and Job Opportunity, The Port Authority of New York and New Jersey, 233 Park Avenue South, 4th Floor, New York, New York 10003 or such other address as the Port Authority may designate from time to time. Contact OBJOcert@panynj.gov for inquiries or assistance.

**ARTICLE I
GRANT AND TERM**

5 **Section 1.01 CONDITIONS OF GRANT.** Landlord, as the Terminal's operator, and the
6 Authority, as the Airport's operator, each have the right to make any replacements or modifications to the
7 Terminal and/or Airport, as the case may be. Landlord and/or the Authority may change the shape, size,
8 location, number and extent of the improvements generally shown on Exhibits A-1 and A-2 and eliminate or
9 add any improvements to any portion of the Terminal and the Airport at any time without Tenant's consent.
10 The sublease of the Premises is not of the exterior walls, the floor above or below, the roof area above, the
11 land under or adjacent, nor any adjacent space to the Premises. Landlord shall have the right to locate in any
12 manner, install, maintain, use, repair and replace pipes, utility lines, conduits, ducts, flues, refrigerant lines,
13 drains, sprinkler mains and valves, wires and wiring and structural elements leading through the Premises
14 serving the Premises or any other parts of the Terminal. Landlord, to the extent possible, shall use
15 reasonable efforts to locate any such items (other than existing items and/or necessary or desirable structural
16 elements) in locations that do not materially interfere with Tenant's use of the Premises. Tenant may, upon
17 approval by Landlord and subject to the Authority's Tenant's Construction or Alteration Application
18 ("TAA") process, have the right to install those utilities lines and facilities which exclusively serve the
19 Premises in the area between Tenant's finished ceiling and the floor above, such installation to be at Tenant's
20 sole cost and expense. Wherever the term Airport or Terminal are used, they shall be deemed to include the
21 areas shown as such on Exhibit A-1. If Landlord or the Authority, as the case may be, elect to enlarge or
22 alter either the Airport or the Terminal, Landlord may include any additional area in the definition of either
23 Airport or Terminal for purposes of this Sublease.

25 **Section 1.02 COMMENCEMENT AND ENDING DATE OF TERM.** The Term shall
26 commence on the date ("Commencement Date") of execution hereof by the parties. Tenant's obligation to
27 pay Guaranteed Rent, Percentage Rent, Taxes and Additional Rent shall commence upon the date ("Rental
28 Commencement Date") which is the earliest to occur of (a) the date on which Tenant opens in the Premises
29 for business to the public, or (b) the Latest Rental Commencement Date specified in the Data Sheet. Any
30 occupancy of the Premises by Tenant following the Commencement Date and prior to the Rental
31 Commencement Date shall be subject to all terms and conditions hereof other than payment of Rental. The
32 Term hereof shall end on the expiration date set forth in the Data Sheet, unless sooner terminated in
33 accordance with this Sublease or if the Agreement with the Authority is terminated or otherwise revoked as
34 provided therein. Unless otherwise approved in writing by Landlord, Tenant shall open its concession for
35 business to the public (with all required improvements completed and the Premises fully fixtured, stocked
36 with high quality merchandise and staffed, with Tenant prepared to engage in selling high quality
37 merchandise and/or services as provided pursuant to Article VII) by the Rental Commencement Date. The
38 first "Lease Year" shall be the period commencing on the Rental Commencement Date and ending on
39 December 31 next following and thereafter, "Lease Year" shall mean a fiscal year of twelve (12)
40 consecutive calendar months ending on December 31 of each calendar year.

41
42 **Section 1.03 LATE OPENING.** Except as otherwise provided in Section 27.04, if Tenant fails
43 to open for business in the Premises by the Latest Rental Commencement Date and such failure shall be due
44 to the fault of Tenant (including, but not limited to, obtaining approval from the Authority of Tenant's plans
45 to construct the Premises and obtaining the Agreement and Permits from the Authority) and not due to
46 delays caused directly by Landlord for failure to timely deliver the Premises, the parties agree that it is and
47 will be impracticable and extremely difficult to determine the actual damages suffered by Landlord. The
48 parties have agreed that in order to compensate Landlord for its loss, Tenant shall pay as Additional Rent,
49 upon demand, the sum of \$200.00 per day for each day Tenant delays its initial opening in accordance with
50 Section 1.02 above, after and including the Latest Rental Commencement Date. This remedy shall be in
51 addition to any and all other remedies available to Landlord in the event of such failure to open by Tenant.

1 Such Additional Rent shall be deemed to be in lieu of Percentage Rent only (as defined in Section 2.02) that
2 might have been earned during the period of Tenant's failure to open. The amount has been determined
3 based on numerous considerations including the fact that Landlord may have expended considerable sums
4 of money and time and effort in reliance upon and based upon Tenant opening for business as required
5 herein.
6

7 **Section 1.04 LANDLORD'S AND AUTHORITY'S CONSENT.** Tenant acknowledges that
8 under the Terminal C Lease and the Agreement, the Authority may have the right to consent to or approve
9 matters which are described as being subject to the consent or approval of Landlord. Tenant agrees that
10 Landlord, its agents and employees, shall be deemed to have acted reasonably if they act, fail to act,
11 withhold or delay any consent or approval hereunder and such consent or approval is being withheld or
12 delayed by or at the direction of the Authority, whether or not the Authority is acting reasonably in making
13 or refusing to make such determination. Although Landlord shall use reasonable efforts to obtain the
14 Authority's consent or approval, Landlord, its agents and employees, shall not have any liability to Tenant
15 for any reason whatsoever in failing to obtain any such consent or approval.
16

17
18 **ARTICLE II**
19 **RENTAL**
20

21
22 **Section 2.01 MINIMUM ANNUAL GUARANTEED RENT.** (a) From and after the Rental
23 Commencement Date, Tenant shall pay to Landlord as the Guaranteed Rent the sum set forth in the Data
24 Sheet for each Lease Year during the Term in equal consecutive monthly installments in advance on or
25 before the 1st day of each month, without prior demand or notice. Guaranteed Rent, Percentage Rent,
26 Additional Rent and all other sums payable hereunder shall be paid to Landlord in U.S. currency or other
27 customary commercial manner at the address set forth in the Data Sheet, or such other place as Landlord
28 may designate in writing, without any deductions or offsets whatsoever. Should the Rental Commencement
29 Date occur on a day other than the 1st day of a calendar month, then the Guaranteed Rent for such fractional
30 month shall be 1/365th of the Guaranteed Rent multiplied by the number of days remaining in the month.
31 Should any Lease Year contain less than 12 calendar months, said Guaranteed Rent shall be prorated.
32

33 (b) Effective each January 1 following the 1st anniversary of the Rental Commencement Date,
34 Guaranteed Rent shall adjust (but in no event shall Guaranteed Rent decrease below the amount of the initial
35 Guaranteed Rent as set forth in the Data Sheet) by an amount equal to the then current Lease Year's
36 Guaranteed Rent times the "Percentage Change In Enplanements". Landlord, in its sole and reasonable
37 discretion, shall calculate and determine the "Percentage Change In Enplanements" annually on a calendar
38 year basis in accordance with customary practices generally applicable in the U. S. airline industry.
39 Landlord shall be entitled to rely on its own information and, if applicable, information obtained from the
40 Authority and other airline carriers, if any, which operate commercial flight activity in the Terminal. For
41 purposes hereof, the Percentage Change In Enplanements shall generally mean an amount equal to the
42 percentage change, whether an increase or a decrease, between the Terminal's enplaned passenger volume
43 for 2 consecutive calendar year periods. For example, the initial calendar year period which shall be utilized
44 by Landlord shall be the Lease Year in which the Rental Commencement Date occurs and this shall be
45 compared to the calendar year period in which the 1st anniversary of the Rental Commencement Date
46 occurs. Thereafter, calendar year measuring periods utilized by Landlord shall both "roll forward" to the
47 next succeeding calendar year. Landlord, upon Tenant's written request but not more often than 1 time per
48 Lease Year, shall provide Tenant with Landlord's published data with respect to the Terminal's enplaned
49 passenger volume for the previous Lease Year.
50

1 **Section 2.02 PERCENTAGE RENT.** (a) In addition to Guaranteed Rent, Additional Rent and
2 other charges set forth herein, from and after the Rental Commencement Date, Tenant shall pay to Landlord,
3 for each month of the Term, Percentage Rent equal to the product of the Percentage Rent Rate times the
4 amount by which Tenant's Gross Receipts (as defined below) during such month exceeds the Monthly
5 Breakpoint as set forth in the Data Sheet. Each such monthly period may be referred to as a Lease Month.
6 Tenant shall pay Percentage Rent to Landlord monthly without prior notice or demand within 15 days after
7 the expiration of each Lease Month. All Percentage Rent payments shall be computed based on all Gross
8 Receipts made during the previous Lease Month which exceed the Monthly Breakpoint for such previous
9 Lease Month as all of such Gross Receipts are indicated on "Tenant's Monthly Statement" (as defined in
10 Section 3.02). Should the Rental Commencement Date occur on a day other than the 1st day of a Lease
11 Month or should the Term expire or this Sublease be otherwise terminated on a day other than the last day
12 of a full Lease Month, then Percentage Rent due for such partial Lease Month shall equal the product of the
13 Percentage Rent Rate times the amount by which Tenant's Gross Receipts exceed the product obtained by
14 multiplying the Monthly Breakpoint by a fraction, the numerator of which is the number of days in any
15 partial Lease Month and the denominator of which is 30. Further, the Monthly Breakpoint and Annual
16 Breakpoint shall be adjusted accordingly effective each January 1 following the 1st anniversary of the
17 Rental Commencement Date by an appropriate amount to maintain the "natural" Monthly Breakpoint and
18 "natural" Annual Breakpoint in comparison with the Guaranteed Rent, such adjustment to be made in
19 connection with the annual adjustments to Guaranteed Rent pursuant to Section 2.01 (b).
20

21 (b) If, at the end of any Lease Year, the total amount of monthly installments of Percentage Rent
22 paid for such Lease Year is less than the total amount of annual Percentage Rent required to be paid for such
23 Lease Year (e.g., the product of the Percentage Rent rate times the amount by which Tenant's total annual
24 Gross Receipts (as defined below) for such Lease Year exceeds the then current Annual Breakpoint), Tenant
25 shall pay the amount of such deficiency on or before the time Tenant provides its Annual Statement (as
26 defined in Section 3.02). If, at the end of any Lease Year, the total amount of monthly installments of
27 Percentage Rent paid based on Gross Receipts for such Lease Year exceeds the total amount of annual
28 Percentage Rent required to be paid for such Lease Year (e.g., the product of the Percentage Rent rate times
29 the amount by which Tenant's total annual Gross Receipts (as defined below) for such Lease Year exceeds
30 the then current Annual Breakpoint), as indicated in Tenant's Annual Statement, Tenant shall receive a
31 credit equivalent to such excess, which shall be credited by Landlord to the next monthly payment(s) of
32 Percentage Rent due from Tenant to Landlord hereunder. If at the end of the final Lease Year the total
33 amount of Percentage Rent paid by Tenant exceeds the total amount of "annualized" Percentage Rent
34 required to be paid by Tenant for such final Lease Year (calculated in the same manner provided
35 hereinabove for non-final Lease Years), such excess shall be refunded to Tenant within 60 days after Tenant
36 has vacated the Premises at the conclusion of this Sublease and the Premises are in the condition required by
37 this Sublease, and any other sums due Landlord from Tenant under this Sublease have been paid in full or
38 Landlord shall be entitled to deduct such remaining sums due from any such excess.
39

40 (c) Percentage Rent is agreed to be a portion of the consideration for Landlord to enter into this
41 Sublease and Landlord expects to supplement Guaranteed Rent and Additional Rent to provide a fair rental
42 return. If Tenant fails to continuously operate its business or keep the required store hours or vacates the
43 Premises prior to the expiration of the Term hereof, Landlord will suffer damages not readily ascertainable.
44 Landlord shall have the right to treat any of such events as a material default and breach by Tenant
45 hereunder and Landlord shall be entitled to all remedies provided hereunder or at law.
46

47 (d) The term "Gross Receipts" as used herein shall mean and include all monies paid or payable to
48 Tenant, whether for cash, credit or otherwise, for sales made and services rendered at or from the Terminal
49 or Airport regardless of when or where the order therefor is received and outside the Terminal or Airport if
50 the order is received at the Terminal or Airport and other revenues of any type arising out of or in
51 connection with Tenant's operations at the Terminal or Airport, including, without limitation: mail,

1 catalogue, closed circuit television, computer, other electronic or telephone orders; all deposits not refunded
2 to or otherwise forfeited by customers; orders taken, although said orders may be filled elsewhere; the entire
3 amount of the actual sales price and all other receipts for sales and services rendered; all insurance proceeds
4 received due to loss of gross earnings paid under Tenant's business interruption insurance policy because of
5 business interruptions; and the spread earned on any exchange or foreign currency transaction whether for
6 an exchange service or for merchandise, products and/or services. A "sale" shall be deemed to have been
7 consummated for purposes hereof, and the entire amount of the sales price shall be included in Gross
8 Receipts and deemed received at the time of determination of the amount due for each transaction, whether
9 for cash, credit or otherwise, and not at the time of billing or payment. Losses from "bad" checks or credit
10 card transactions are the responsibility of Tenant and shall not be excluded from Gross Receipts. Gross
11 Receipts shall include all such sales, revenues or receipts generated by Tenant's concessionaires, if any, or
12 anyone else conducting business pursuant to an arrangement with Tenant and shall also include the full
13 amount of all insurance proceeds paid on a gross earnings business interruption insurance policy to Tenant.
14

15 (e) Notwithstanding Section 2.02(d) above, Gross Receipts shall not include: (i) any sums collected
16 for any federal, state, county and municipal sales taxes, so-called luxury taxes, use taxes, consumer excise
17 taxes, gross receipts taxes and other similar taxes now or hereafter imposed by law upon the sale of
18 merchandise or services but only if separately stated from the sales price and only to the extent paid by
19 Tenant to any duly constituted governmental/taxing authority; (ii) the portion of the sales price for all
20 merchandise returned by customers and accepted for credit to the extent of the credit actually given to the
21 customer as well as rebates, exchanges or allowances made to customers; (iii) shipping, delivery, alteration
22 workroom and gift wrapping charges if there is no profit to Tenant and such charges are merely an
23 accommodation to customers; (iv) sale of trade fixtures, equipment or property which are not stock in trade
24 and not in the ordinary course of business; (v) receipts in the form of refunds from or the value of
25 merchandise; services, supplies or equipment returned to vendors, shippers, suppliers or manufacturers
26 including volume discounts received from Tenant's vendors, suppliers or manufacturers (but specifically
27 excluding retail display allowances or other promotional incentives received from vendors and suppliers,
28 etc. all of which must be included within Gross Receipts); (vi) customary discounts given by Tenant on
29 sales of merchandise or services to Tenant's employees, if separately stated, and limited in amount to not
30 more than one percent (1%) of Tenant's Gross Receipts per Lease Month; (vii) customary discounts of 10%
31 which must be given by Tenant on sales of merchandise or services to Landlord's employees, other Airport
32 airline lessees' employees and other individuals employed at the Airport, if separately stated; (viii) gratuities
33 for services performed by employees of Tenant which are paid by Tenant or its customers to such
34 employees; (ix) exchange of merchandise between stores or warehouses owned by or affiliated with Tenant
35 (where such exchange is made solely for the convenient operation of the business of Tenant and not for
36 purposes of consummating a sale which has theretofore been made in or from the Premises and/or for the
37 purpose of depriving Landlord of the benefit of a sale which otherwise would be made in or from the
38 Premises); (x) proceeds from the sale of gift certificates or like vouchers until such time as the gift
39 certificates or like vouchers have been treated as a sale in or from the Premises pursuant to Tenant's record
40 keeping system; (xi) the sale or transfer in bulk of the inventory of Tenant to a purchaser of all or
41 substantially all of the assets of Tenant in a transaction not in the ordinary course of Tenant's business; and
42 (xii) except with respect to proceeds received for business interruptions paid on a gross earnings business
43 interruption insurance policy as provided in Section 2.02(d) above, receipts from all other insurance
44 proceeds received by Tenant as a result of a loss or casualty.
45

46 **Section 2.03 STORAGE PREMISES AND RENT.** If applicable, commencing on the date of
47 actual delivery of the Storage Premises, Tenant shall pay as Additional Rent, the amount set forth in the
48 related Storage Premises Sublease and thereafter all of the terms, provisions and conditions of Tenant's use
49 and occupancy of the Premises set forth herein shall apply fully to Tenant's use and occupancy of the
50 Storage Premises and for all purposes of this Sublease, the Premises shall be deemed to include the Storage
51 Premises. Landlord has the right at any time, in its reasonable discretion, to designate alternative Storage

1 Premises. In the event of the relocation of the Storage Premises, Tenant shall be solely responsible for all
2 moving and other related costs thereto. Additional Rent for the Storage Premises shall be payable in equal
3 consecutive monthly installments in advance on or before the 1st day each month, without prior demand or
4 notice. If delivery occurs on a date other than the 1st day of a month, the Additional Rent for the Storage
5 Premises shall be prorated on a daily basis for any such partial month.
6

7 **Section 2.04 TENANT'S TAXES.** (a) From and after the Rental Commencement Date, Tenant
8 shall be solely responsible for the payment of that portion of Taxes levied or assessed during or with respect
9 to each fiscal tax year falling in whole or in part following the Rental Commencement Date, which the
10 number of square feet of Floor Area in the Premises bears to the total number of square feet of constructed
11 Floor Area in the Terminal. "Taxes" shall mean any and all taxes, surcharges, assessments, levies, fees and
12 other governmental charges and impositions of every kind or nature, regular or special, direct or indirect,
13 levied or assessed by municipal, county, state, federal or other governmental taxing or assessing authority (i)
14 upon, against or with respect to the real estate upon which the Terminal is located and to any improvements
15 located in the Terminal, and (ii) any other taxes which Landlord becomes obligated to pay with respect to
16 the Terminal, irrespective of whether the same are assessed as real or personal property. Tenant, in addition
17 to the foregoing, shall be solely responsible for the payment of any sales, income, excise and use, and gross
18 receipts taxes, levies, betterments or assessments, fees or charges (collectively, "Additional Taxes") whether
19 in existence on the date hereof or becoming applicable during the Term, which may be assessed against
20 Landlord or Tenant in relation to the Premises, the use, occupancy or operation of Tenant's business in the
21 Premises, the revenue generated therefrom, or any personal property, trade fixtures, furniture, Fixed
22 Improvements and Operating Equipment located thereon and Tenant shall pay all of such Additional Taxes
23 directly to the taxing authority before delinquency and before any fine, interest or penalty shall become due
24 or otherwise imposed by law for their nonpayment. Tenant shall not be responsible for paying any
25 inheritance, estate, succession, transfer, gift, franchise, corporation, income or net profit tax that is or may be
26 imposed upon Landlord. To the extent that any such Taxes or Additional Taxes are the obligation of Tenant
27 pursuant to Section 22.01, the same shall not be included in Tenant's proportionate share of Taxes pursuant
28 to this Section 2.04. Such payments of Taxes shall constitute Additional Rent hereunder. The Taxes
29 payable by Tenant pursuant to this Section 2.04(a), other than the Additional Taxes, which are levied or
30 assessed for the fiscal tax year in which the Rental Commencement Date occurs and for the fiscal tax year in
31 which the Term hereof ends shall be prorated on a daily basis. Should the State of New Jersey, County of
32 Essex or City of Newark or any political subdivision thereof or any governmental, taxing or assessing
33 authority, either impose a tax of any kind or nature, regular or special, direct or indirect, upon, against or
34 with respect to the Rental or other charges payable to Landlord by Tenant or other subtenants in the
35 Terminal, such tax shall be deemed to constitute a part of Taxes payable by Tenant hereunder and Tenant
36 shall pay to Landlord its proportionate share thereof as reasonably determined and billed by Landlord.
37

38 (b) If any Taxes are not separately assessed against Tenant or the Premises and are assessed against
39 Landlord, the amount of Tenant's proportionate share thereof shall be reasonably calculated by Landlord
40 based upon the type of Tax charged and how it is allocated to all or a portion of the Terminal and in
41 determining Tenant's proportionate share thereof the Floor Area of the Premises as compared to the total
42 Floor Area constructed in the Terminal shall be utilized. Tenant's proportionate share of Taxes, as
43 reasonably determined by Landlord, shall be paid to Landlord as Additional Rent, in monthly installments
44 on or before the 1st day of each month (or such longer period as Landlord may determine), in advance,
45 either (i) in an amount estimated by Landlord and billed to Tenant, but Landlord shall have the right to
46 initially determine monthly estimates and to revise estimates from time to time, or (ii) within 30 days of
47 Tenant's receipt of a bill from Landlord for the payment of such Taxes, if any of such Taxes are not so
48 estimated in advance. Tenant agrees to make payment within 30 days after receipt of a bill from Landlord
49 without deduction or set-off even if a tax bill is not provided by Landlord at the time of billing (Landlord
50 agrees to provide a copy thereof to Tenant within a reasonable time after it becomes available to Landlord).
51 Upon receipt of all tax bills pertaining to Taxes payable by Tenant, Landlord shall furnish Tenant with a

1 written statement of the actual amount of Tenant's proportionate share of Taxes for such tax fiscal year
2 together with a copy of such tax bills or assessments. If the total amount paid by Tenant for any such period
3 following the Rental Commencement Date shall be less than the actual amount due from Tenant for such
4 period, as shown on the statement, Tenant shall pay to Landlord the difference between the amount
5 previously paid by Tenant and the actual amount due within 30 days after receipt of an invoice from
6 Landlord. If the total amount paid by Tenant hereunder for any such period shall exceed the actual amount
7 due from Tenant for such period, such excess shall be credited against the next payment for Taxes due from
8 Tenant to Landlord hereunder. If at the end of the final Lease Year the total amount paid by Tenant for such
9 final Lease Year shall exceed the actual amount due from Tenant for such period, such excess shall be
10 refunded to Tenant within 45 days after Tenant has vacated the Premises in good condition at the conclusion
11 of this Sublease and all Rental and other sums due Landlord from Tenant under this Sublease have been
12 paid in full or Landlord may deduct such excess, if any, from any outstanding and unpaid Rental and other
13 sums remaining to be paid by Tenant to Landlord hereunder.

14
15 (c) Landlord reserves the right to contest any such Taxes and Tenant shall pay to Landlord that
16 portion of all reasonable external costs and expenses incurred by Landlord based on a formula, the
17 numerator of which is the square footage of Floor Area in the Premises, and the denominator of which is the
18 total square footage of Floor Area constructed in the Terminal. Notwithstanding any such contest, related
19 negotiation or appeal, Tenant shall timely pay its proportionate share of Taxes. If Taxes shall be increased,
20 Tenant's proportionate share of Taxes shall be computed on the amount of Taxes finally determined to be
21 payable by Landlord including any of the reasonable external costs incurred therein. If Taxes shall be
22 decreased, Landlord's statement following such decrease shall include an appropriate adjustment for any
23 prior fiscal tax years affected by such decrease reflecting the amount of such decrease and Tenant's
24 proportionate share of any such adjustment, less the reasonable external costs incurred (including attorneys'
25 fees, accountants, consultants and appraiser expenses, and reasonable administrative expenses), which
26 adjustment shall be treated as a credit against future Taxes payable by Tenant following the decrease or,
27 during the final Lease Year of the Term, refunded to Tenant as provided in Section 2.04 (b) above. If Taxes
28 are separately assessed against Tenant, Tenant may contest, in good faith for its own account and at
29 Tenant's sole cost and expense, the validity or amount of any such separately assessed Tax, provided Tenant
30 shall indemnify Landlord against any resulting loss, cost or expense, and shall provide security reasonably
31 satisfactory to Landlord with respect to Tenant's performance of such indemnification. Under no
32 circumstances shall Tenant permit any type of lien or encumbrance on the Premises or on the Terminal by
33 reason of the failure to pay any Taxes or Additional Taxes.

34
35 **Section 2.05 TRASH REMOVAL.** Tenant, at its sole expense, shall at all times keep the
36 Premises (including, without limitation, display windows and signs) orderly, neat, safe, clean and free from
37 rubbish and dirt, and shall store all trash, garbage and other waste within the Premises or in such areas as
38 may be designated by Landlord for such storage and shall properly dispose of the same in accordance with
39 Landlord's and the Authority's requirements for the Terminal. Tenant shall not burn any trash or garbage at
40 any time in or about the Terminal or the Airport.

41
42 **Section 2.06 ADDITIONAL RENT.** In addition to Guaranteed Rent and Percentage Rent
43 hereunder, Tenant shall pay, as Additional Rent (whether or not so designated herein), in a manner and at
44 the place provided herein, all sums of money required to be paid by Tenant hereunder, including but not
45 limited to: rent for the Storage Premises, if any (Section 2.03), Taxes (Section 2.04), Maintenance Support
46 Reimbursement Charge (Section 8.03), Utility charges (Section 12.01), if any, and contributions to the Joint
47 Marketing Fund (Section 16.03). If such amounts or charges are not paid at the time and in the manner as
48 provided herein, they shall nevertheless be collectible as Additional Rent with the next installment of
49 Guaranteed Rent thereafter falling due, but nothing herein shall be deemed to suspend or delay the payment
50 of any amount of money or charge at the time the same becomes due and payable hereunder or to limit any
51 other remedy of Landlord. All amounts of Guaranteed Rent, Percentage Rent and Additional Rent

1 (collectively "Rental") payable in a given month shall be deemed to comprise a single rental obligation of
2 Tenant to Landlord.

3
4 **Section 2.07 LATE PAYMENT CHARGE.** If any Rentals required to be paid to Landlord
5 hereunder is not made when such Rentals are due including as a result of any audit findings, Tenant shall
6 pay interest on any such overdue amounts at the prime rate of interest as published in the Wall Street Journal
7 or successor publication or the highest rate permitted by the laws of the State of New Jersey, whichever is
8 less, commencing on the date that is 10 days following the due date; provided, however, any such late
9 charges shall be waived in the event any such late payments are in fact received by Landlord within 5 days
10 following the due date. The parties hereto agree that such late payment charge represents a fair and
11 reasonable estimate of costs and expenses Landlord will incur by reason of any such late payment. Either (i)
12 the acceptance of such late payment charge by Landlord, or (ii) if Tenant pays the late payment charge but
13 fails to pay contemporaneously therewith all unpaid amounts of Rentals due hereunder; Landlord's
14 acceptance of this late payment charge shall not constitute a waiver of Tenant's default with respect to
15 Tenant's nonpayment nor prevent Landlord from exercising all other rights and remedies available to
16 Landlord under this Sublease, or at law. Tenant acknowledges that a portion of the Rental paid to Landlord
17 hereunder is for the benefit of the Authority and therefore if Tenant fails to timely make any payments to
18 Landlord, any late charges due and payable to the Authority shall be as set forth in the Agreement.

19
20 **Section 2.08 TENANT'S PAYMENT OBLIGATIONS.** Landlord may, at its sole discretion,
21 apply any payments received from Tenant to any Rental which are then due and payable. If Landlord shall
22 not make any specific application of a payment received from Tenant, then any such payment received shall
23 be applied first to the Rental which has been overdue for the longest period of time. No designation of any
24 payment by Tenant for application to a specific portion of Tenant's financial obligations hereunder shall be
25 binding unless otherwise required under the laws of the State of New Jersey. Tenant covenants to pay all
26 Rentals hereunder independent of any obligation of Landlord. No breach of this Sublease by Landlord shall
27 relieve Tenant of its obligation and duty to pay all such Rentals when due under the terms hereof. Except as
28 otherwise specifically set forth herein, all Rentals shall be paid by Tenant to Landlord without set-off,
29 deduction, demand or abatement.

30
31
32 **ARTICLE III**
33 **RECORDS AND BOOKS OF ACCOUNT**

34
35
36 **Section 3.01 TENANT'S RECORDS.** Tenant shall prepare and keep full, complete and
37 accurate books and source documents, in accordance with generally accepted accounting principles
38 consistently applied ("GAAP"), of the Gross Receipts, whether for cash, credit or otherwise, of Tenant's
39 business at any time operated within the Premises and of the operations of each subtenant, concessionaire,
40 licensee and/or assignee, if any, and shall require and cause all such parties (including Tenant's affiliates
41 performing similar services within the Port of New York District) to prepare and keep books, source
42 documents, records and accounts sufficient to substantiate those kept by Tenant ("Records"). The Records
43 to be kept by Tenant within the Port of New York District shall include, without limitation, true copies of all
44 federal, state and local sales and use tax returns and reports, daily bank deposits and daily receipts from all
45 sales (including those from mail or telephone orders), duplicate bank deposit slips, invoices, journals,
46 ledgers and other pertinent original sales records and records of any other transactions conducted in or from
47 the Premises by Tenant and any other persons conducting business from the Premises. Pertinent original
48 sales records shall include, without limitation, a point of sale system of record keeping and such other
49 reasonable documentation which would normally be examined by an independent accountant pursuant to
50 GAAP in performing an audit of Tenant's sales sufficient to provide determination and verification of Gross
51 Receipts and the exclusions and deductions therefrom. Tenant must also provide an electronic cash control

1 system which will provide all significant point-of-sale information reasonably satisfactory to Landlord
2 which must include: (i) sales by general product category, if applicable; (2) sales transactions by time of
3 day and day of week, if requested by Landlord; and (3) average sales transactions. Tenant's electronic cash
4 control system must ensure tight cash control, have complete audit capability and include: (1) the ability to
5 record transactions by sequential control number which can be printed on audit tape(s); (2) be capable of
6 printing transactions on tape or receipt for customers showing time of day and day, month and year; (3) print
7 out customer receipts showing the amount of the transaction, the amount of cash, check or credit tendered
8 and the amount of cash or credit returned to the customer; (4) the point-of-sale device shall have a provision
9 for non-resettable totals and access for resetting the control totals shall be reserved solely to the point-of-sale
10 device supplier; and (5) Tenant shall be required to use point-of-sale devices and/or cash registers that are
11 approved by Landlord, such approval not to be unreasonably withheld if they meet the foregoing
12 requirements. Tenant's Records shall be preserved by Tenant within the Port of New York District for the
13 period required under Tenant's Agreement with the Authority. All Records maintained pursuant hereto
14 shall at all reasonable times, during Tenant's normal business hours after 20 days prior written notice, be
15 open to the inspection of, and may be copied or extracted from, in whole or in part, by, Landlord, the
16 Authority or Landlord's or the Authority's authorized representative or agent for the period required under
17 Tenant's Agreement with the Authority. If Landlord or the Authority does not audit such Records within
18 such retention period as required in the Agreement, those Records shall be deemed adequate and closed;
19 provided, however, in the case of fraud and/or willful errors, such retention period limitation shall not apply;
20 and, provided, further, records relating to any litigation or settlement of claims arising under or relating to
21 this Sublease shall be made available for a period required in the Agreement after such litigation or claims
22 have been completed and all time limits for appeals have expired.

23
24 **Section 3.02 REPORTS BY TENANT.** Tenant shall furnish to Landlord, within 15 days after
25 the expiration of each Lease Month, a complete statement (substantially in the form of Exhibit E attached
26 hereto), certified by a responsible officer of Tenant, of the amount of Gross Receipts made from the
27 Premises during such period and the amount of Percentage Rent paid ("Monthly Statement"). Tenant shall
28 furnish to Landlord, within 60 days after the expiration of each Lease Year, a complete statement
29 (substantially in the form of Exhibit E attached hereto), prepared and certified by a responsible officer of
30 Tenant and certified by an independent certified public accountant ("Annual Statement") showing in
31 reasonable detail the amount of Gross Receipts made by Tenant from the Premises during the preceding
32 Lease Year, the payments of Guaranteed Rent, Percentage Rent and Additional Rent. Tenant shall certify in
33 its Annual Statement that (i) such statements have been prepared in accordance with the terms of this
34 Sublease, (ii) that all revenues derived from Tenant's activities hereunder which are required to be included
35 in Gross Receipts under the terms of this Sublease and in accordance with GAAP have been so included,
36 (iii) that all payments of Guaranteed Rent, Percentage Rent and Additional Rent have been made in
37 accordance with the terms of this Sublease, and (iv) all of the foregoing statements are true, accurate and
38 complete in all material aspects. The certification and opinion of the independent certified public accountant
39 (who shall be subject to Landlord's reasonable approval) shall state that total Gross Receipts, Guaranteed
40 Rent, Percentage Rent and Additional Rent were calculated and reflected by Tenant in its Annual Statement
41 in accordance with the terms of this Sublease and that the Annual Statement was prepared in accordance
42 with GAAP. Notwithstanding the foregoing requirement of the certification and opinion of Tenant's
43 independent certified public accountant ("CPA Requirement"), the CPA Requirement may be waived by
44 Landlord, as determined in Landlord's sole discretion, if Tenant is properly certified as a DBE and
45 continuously maintains such DBE certification or if Tenant is a public company (including subsidiaries and
46 affiliates thereof) whose stock is traded on a nationally recognized stock exchange (including NASDAQ)
47 and is an entity whose financial statements on a consolidated basis are audited at least annually by a
48 nationally recognized firm of certified public accountants. Any such waiver by Landlord of the CPA
49 requirement must be in writing and then the Annual Statement will be acceptable to Landlord, absent
50 manifest error, if the Annual Statement is certified by the chief executive officer, chief financial officer or
51 the principal accounting officer of the Tenant. Tenant shall require all subtenants, concessionaires, licensees

1 and/or assignees, if any, to furnish a similar statement. Landlord may make reasonable changes to the form
2 of the Monthly Statement or Annual Statement from time to time upon 30 days prior notice to Tenant. If
3 Tenant or any subtenant, concessionaire, licensee and/or assignee fails to furnish to Landlord any Monthly
4 or Annual Statement within the time required by this Section 3.02, then Tenant shall pay within 10 days of
5 written demand therefor by Landlord as Additional Rent, a special handling fee of \$50.00 per statement per
6 day until such statement is delivered to Landlord. This remedy shall be in addition to other remedies
7 provided herein or by law to Landlord. To the extent permitted by law, if the Monthly Statement and
8 Annual Statement and summaries thereof received by Landlord from Tenant, which Landlord shall submit
9 to the Authority, requires or may contain any trade secrets, commercial or financial information that Tenant
10 requests in writing to be kept confidential, such information shall be kept confidential by Landlord but may
11 be nevertheless subject to disclosure by the Authority in accordance with the Authority's application of its
12 freedom of information policies. Monthly Statements and Annual Statements prepared by Tenant pursuant
13 to this Article III shall contain separate sections called "Analysis of Retail Operation" and shall include the
14 following data: (1) total Gross Receipts and, if requested, Tenant shall calculate such Gross Receipts per
15 square foot of Floor Area in the Premises and per enplaned passenger in the Terminal; (2) sales by general
16 product category; (3) total number of transactions; (4) average dollar amount per transaction; and (5) sales
17 time distribution (e.g. morning, afternoon, evening) if requested by Landlord.
18
19

20 **ARTICLE IV** 21 **AUDIT** 22

23
24 **Section 4.01 RIGHT TO EXAMINE BOOKS.** Notwithstanding the acceptance by Landlord
25 of payments of Rentals or installments thereof, Landlord shall have the right to audit all Rentals and other
26 charges actually due hereunder. Tenant shall make available to Landlord within 20 days following
27 Landlord's written request for the same at a location within the Port of New York District for the purpose of
28 examination, extracting and/or copying all books, source documents, accounts, records and sales tax reports
29 filed with applicable government agencies of Tenant and any affiliates, subtenants, concessionaires,
30 licensees and/or assignees, if any, in order to verify the amount of Gross Receipts in and from the Premises
31 and the amount of all Rentals. Notwithstanding the foregoing, the Authority's inspection, examination
32 and/or audit rights shall be as set forth in Tenant's Agreement with the Authority.
33

34 **Section 4.02 AUDIT.** Landlord may at any time upon 20 days prior written notice to Tenant,
35 cause a complete audit to be made by an auditor or accountant (who may be a certified public accountant
36 "CPA") selected by Landlord of the entire records and operations of Tenant and/or any affiliates, subtenants,
37 concessionaires, licensees and/or assignees, if any, relating to the Premises for the period covered by any
38 statement issued or required to be issued by Tenant, its affiliates or a concessionaire as above set forth in
39 Article III. Tenant shall make available to Landlord's auditor at a location within the Port of New York
40 District within 20 days following Landlord's written notice requiring such audit, all of the books, source
41 documents, accounts, records and sales tax reports of Tenant and any of its affiliates and concessionaires
42 which such auditor deems necessary or desirable for the purpose of making such audit. Notwithstanding the
43 foregoing, the Authority's audit rights shall be as set forth in Tenant's Agreement with the Authority. If
44 such audit discloses that Tenant's Gross Receipts as previously reported for the period audited were
45 understated, Tenant shall immediately pay to Landlord the additional Percentage Rent due for the period
46 audited together with interest at the Interest Rate from the date(s) such amount was originally due. Further,
47 if such understatement was in excess of three percent (3%) of Tenant's actual Gross Receipts as disclosed by
48 such audit, Tenant shall immediately pay to Landlord the reasonable and actual cost of such audit, within 30
49 days of an invoice therefor, and if such understatement was in excess of ten percent (10%) of Tenant's Gross
50 Receipts as disclosed by such audit due to Tenant's intentional, willful or fraudulent act or omission,
51 Landlord may declare this Sublease terminated and the Term ended, in which event this Sublease shall cease

1 and terminate on the date specified in such notice with the same force and effect as though the date set forth
2 in such notice were the date set forth in this Sublease for expiration of the Term, and Tenant shall vacate and
3 surrender the Premises on or before such date in the condition required by this Sublease for surrender upon
4 the expiration of the Term. If upon examination or audit Landlord's CPA or representative reasonably
5 determines that sufficient documentation is not maintained, retained, recorded, or available in accordance
6 with GAAP to verify Tenant's actual Gross Receipts, Tenant shall pay for the reasonable and actual cost of
7 such audit and, in addition, should Landlord deem it necessary, Tenant shall reconstruct, at its sole cost and
8 expense, all records for the determination of Gross Receipts for any period being audited. If such audit shall
9 disclose that the Records, in Landlord's reasonable determination, are inadequate to disclose such Gross
10 Receipts in accordance with GAAP, Landlord shall be entitled to collect as Additional Rent an amount
11 equal to five percent (5%) of the Guaranteed Rent payable by Tenant during the period in question.
12 Notwithstanding the foregoing, the Authority's rights, remedies and penalties relating in any way to the
13 Authority's inspection, examination and/or audit rights shall be as set forth in Tenant's Agreement with the
14 Authority.
15
16

17 **ARTICLE V**
18 **CONSTRUCTION OF PREMISES**
19
20

21 **Section 5.01 CONSTRUCTION OF PREMISES.** (a) Landlord shall deliver and Tenant will
22 take possession of the Premises in an "AS IS", "WHERE LOCATED" condition in existence as of the
23 Commencement Date. All improvements to be made to the Premises shall be substantially as set forth in
24 Exhibit B, the Tenant Design Criteria and Handbook and pursuant to the Authority's Tenant's Design
25 Guidelines and TAA process and any other requirements required by Landlord and the Authority. Tenant
26 shall construct and install all of its improvements (including both Fixed Improvements and Operating
27 Equipment) to the Premises so that the Premises will provide attractive, well-designed concession facilities
28 that promote the marketing of merchandise, products and/or services and present a positive image to the
29 Terminal's users. Each of the parties hereto shall perform the obligations imposed upon such party in
30 Exhibit B, the Tenant Design Criteria and Handbook and the TAA process at the times and in the manner
31 therein provided. It is understood and agreed by Tenant that any non-material changes from any plans and
32 specifications covering Landlord's Work (if any), as described in Exhibit B, shall not affect, change or
33 invalidate this Sublease. In the event of an ambiguity or conflict between the construction-related
34 provisions contained in this Article V, Exhibit B, the Tenant Design Criteria and Handbook and the
35 Authority's TAA process, the Authority's TAA process shall control over any such construction-related
36 provisions.
37

38 (b) Within 20 days of the Commencement Date, Tenant, at its expense, shall submit its conceptual
39 drawings and plans ("Conceptual Plans") for approval by Landlord and the Authority, such approval to be
40 determined in their respective discretion. Once the Conceptual Plans are so approved, Tenant shall, at its
41 expense, prepare final drawings and specifications ("Final Drawings") no later than 30 days or such shorter
42 period of time in order for Tenant to complete Tenant's Work and open the Premises for business to the
43 public no later than the Rental Commencement Date. The Final Drawings shall be based upon the approved
44 Conceptual Plans meeting the requirements set forth in this Sublease and the documents referenced herein
45 and shall be submitted for the approval of Landlord and the Authority pursuant to the TAA process.
46 Landlord and the Authority shall have the right to approve or disapprove the Final Drawings as determined
47 in their absolute discretion. In the event of disapproval, Tenant shall immediately revise the Final Drawings
48 and shall promptly and continually re-submit them for approval of Landlord and the Authority until such
49 approval is obtained. Tenant's failure to furnish the Conceptual Plans and Final Drawings within the time
50 frames set forth herein and in the form required by this Sublease, Exhibit B and the documents referenced
51 therein, or failure to perform any other obligation under this Section, Exhibit B and the TAA process, shall

1 constitute a default by Tenant hereunder, which shall entitle Landlord to all remedies set forth in Article
2 XIX. If Landlord reasonably determines that the parties are unable to agree upon the Conceptual Plans
3 and/or the Final Drawings or if Tenant fails to timely provide the Conceptual Plans and Final Drawings,
4 including any revisions required thereto within 30 days from the dates required, Landlord may at its option,
5 terminate this Sublease upon 24 hours notice to Tenant, in which event this Sublease shall terminate on the
6 date specified in such notice and thereafter neither party shall have any further obligations to the other party
7 except for payment of any of Tenant's Rental obligations to Landlord accrued prior to the effective date of
8 any such termination. No deviation from the Final Drawings, once approved by Landlord and the Authority
9 (and once so approved they are incorporated into this Sublease by reference herein), except minor deviations
10 required due to existing field conditions, shall be made by Tenant without Landlord's and the Authority's
11 prior written consent. Approval of the Conceptual Plans and Final Drawings by Landlord or the Authority
12 shall not constitute any representation or warranty or the assumption of any responsibility or any liability by
13 Landlord or the Authority for their accuracy, efficacy or sufficiency and Tenant shall be solely responsible
14 for such items. Any occupancy of the Premises by Tenant prior to the Rental Commencement Date shall be
15 solely for the purpose of inspection, measurement and obtaining information necessary to prepare
16 Conceptual Plans and Final Drawings and to construct its leasehold and Fixed Improvements and install its
17 Operating Equipment, and shall be subject to all terms and conditions applicable to such entry prior to the
18 Rental Commencement Date pursuant to Section 1.02. Storefront barricades, reasonably acceptable to
19 Landlord, attractively screening the Premises from view during construction shall be erected and maintained
20 by Tenant in accordance with the Authority's TAA process at all times prior to Tenant's opening for
21 business and shall be removed and properly disposed of by Tenant prior to such opening, all at Tenant's sole
22 cost and expense. If Tenant fails to construct, erect, maintain, remove and dispose any such storefront
23 barricades, Tenant shall reimburse Landlord for all reasonable and actual costs incurred by Landlord in
24 performing any of the same.

25
26 (c) After receipt of all approvals of the Final Drawings, Tenant shall immediately apply for and
27 diligently pursue, at Tenant's expense, any and all Permits required under the TAA process necessary to
28 perform Tenant's Work. If Tenant has proceeded with due diligence and used its best efforts to obtain all
29 necessary Permits but has failed to obtain the same (and such failure cannot be cured by the making of any
30 reasonable changes to the Final Drawings which would permit Tenant to proceed with Tenant's Work,
31 Tenant shall notify Landlord and Landlord shall have the right, but not the obligation, and at Tenant's sole
32 cost and expense, to attempt to obtain any such permits for the benefit of Tenant. If Landlord has not
33 succeeded in obtaining such Permits within 90 days (or such shorter period for Tenant to open by the Rental
34 Commencement Date) or if Landlord elects not to pursue obtaining the Permits for the benefit of Tenant,
35 Landlord may, at its option, terminate this Sublease upon 24 hours notice to Tenant and this Sublease shall
36 terminate on the date specified in such notice and thereafter neither party shall have any further obligations
37 to the other party except for the payment of any of Tenant's Rental obligations to Landlord accrued prior to
38 the effective date of any such termination. Tenant, at its expense, shall construct, equip and complete the
39 Fixed Improvements and install its Operating Equipment proceeding at all times with due diligence and in a
40 good and workmanlike manner under the supervision of a New Jersey licensed architect or engineer in
41 accordance with all applicable legal and code requirements, Tenant's Agreement with the Authority, the
42 TAA process and the Permits in order to complete the same and open the Premises for business to the public
43 no later than the Rental Commencement Date. All such construction shall be completed free and clear of all
44 liens, encumbrances and security instruments. If any mechanics', materialmens' or other lien is filed against
45 the Premises, the Terminal, the Airport or any interest in this Sublease or the Terminal C Lease as a result of
46 any work or act of Tenant, Tenant shall fully and completely discharge the lien and have it released from
47 record by payment or posting a bond within 20 days after the filing thereof. If Tenant fails to discharge and
48 have the lien released from record as provided above, Landlord or the Authority may, at their respective
49 options, bond or pay the lien or claim for the account of Tenant without inquiring into the validity thereof
50 and Tenant shall, within 30 days after notice, completely reimburse Landlord or the Authority for any funds
51 so spent to bond or pay the lien or claim. The term "Fixed Improvements" shall mean any addition,

1 alteration, annexation or improvement which shall become affixed to the Premises which cannot be
2 removed, modified or changed without damage to, or destruction of, either itself or any portion of the
3 Premises. "Operating Equipment" shall mean any removable trade furniture, furnishings, equipment and
4 fixtures that are fabricated, furnished and installed by Tenant and used in its operations in the Premises, but
5 does not include Fixed Improvements nor any displays or decorations that are of a seasonal or temporary
6 promotional nature.
7

8 (d) All contracts and subcontracts for the performance of Tenant's Work shall require (1) that all
9 contractors and subcontractors provide labor that can work in harmony with other labor employed or to be
10 employed at the Airport in accordance with this Sublease and Tenant's Agreement with the Authority,
11 properly bonded and badged for Airport security purposes; (2) insurance coverage and suretyship
12 reasonably satisfactory to Landlord; (3) that all contractors and subcontractors comply with all of the
13 requirements of this Sublease, the TAA process, all applicable Permits, Tenant's Agreement with the
14 Authority and/or as otherwise required by code or the Authority; (4) in the case of Fixed Improvements,
15 performance and payment bonds from Tenant or its contractor, in form and substance reasonably
16 satisfactory to Landlord, each of which shall name Landlord and the Authority as an additional obligee and
17 aggregating in the penal sum equal to all of Tenant's construction contracts.
18

19 **Section 5.02 OCCUPANCY PERMITS AND OTHER DOCUMENTS.** Within 20 days after
20 Tenant's opening for business in the Premises, Tenant shall deliver to Landlord executed copies of all
21 mechanics' lien waivers and/or releases or other lien waivers and/or releases on account of Tenant's Work,
22 notarized and unconditional, in such form as Landlord shall have reasonably approved and an architect's
23 certification that the Premises have been constructed in accordance with the approved Final Drawings and
24 are fully complete in accordance with all of such requirements specified or referenced herein. Further,
25 Tenant shall also deliver to Landlord a copy of the Authority's Permit to Occupy and Use with respect to the
26 Premises within 20 days after issuance thereof by the Authority. Within 90 days after Tenant's opening for
27 business in the Premises, Tenant shall deliver to Landlord (i) final and complete sets of "as-built" Final
28 Drawings and Computer Aided Drafting and Design ("CADD") drawings, duly certified by a registered
29 architect or registered engineer licensed in the State of New Jersey; and (ii) statements of the total
30 construction costs incurred by Tenant which is certified by a responsible officer of Tenant as correct
31 together with copies of all supporting documentation required by Landlord or the Authority under Tenant's
32 Agreement with the Authority. If Tenant shall fail to provide any of the same within such 90 day period,
33 Tenant shall pay to Landlord as Additional Rent, within 10 days after demand, the sum of \$50.00 per day
34 for each day that such certified drawings, construction costs and required documents have not been
35 delivered to Landlord within such period of time. If such failure shall continue for a period exceeding 6
36 months after Tenant's opening for business in the Premises, such shall be a material default by Tenant
37 hereunder entitling Landlord to all remedies available to it hereunder or at law.
38

39 **Section 5.03 CONDITION OF PREMISES.** Except as otherwise specifically provided herein
40 (including, without limitation, in Exhibit B), Tenant hereby agrees that upon delivery of possession of the
41 Premises to Tenant, Tenant shall accept such delivery of possession of the Premises in its then existing "AS
42 IS" condition, and Tenant acknowledges (i) that Tenant shall have inspected the Premises and shall be fully
43 aware of the condition of the Premises as of delivery of possession; (ii) that Landlord shall have no
44 obligation to improve or alter the Premises for the benefit of Tenant other than to complete any remaining
45 portion of Landlord's Work, if any, under Exhibit B; (iii) that, except as may be expressly provided herein,
46 neither Landlord nor any of Landlord's employees, agents, representatives, contractors nor brokers has made
47 any representation or warranty of any kind respecting (a) the condition of the Premises, and/or the Terminal,
48 (b) the suitability thereof for Tenant's permitted use or the conduct of Tenant's business, or (c) occupancy or
49 operation within the Terminal by any other airline, person or entity including forecasted or estimated
50 enplaned passenger volume in the Terminal. Tenant irrevocably waives any claim based upon or related to
51 any such claimed representation by Landlord or any claimed representation by Landlord as to public traffic

1 to be expected at the Premises or sales to be expected at the Premises. Tenant's taking possession of the
2 Premises shall constitute Tenant's formal acceptance of the same and acknowledgment that the Premises are
3 in the condition called for hereunder, subject to all field conditions existing at the time of delivery of
4 possession. In no event shall Landlord or the Authority be liable for damages or otherwise as a result of any
5 failure to make the Premises available within the time and/or in the condition provided herein and no such
6 failure shall permit Tenant to rescind or terminate this Sublease or Tenant's Agreement with the Authority.
7

8 **Section 5.04 ULTIMATE RENTAL COMMENCEMENT DATE.** Notwithstanding anything
9 to the contrary contained herein, if for any reason whatsoever (excluding, without limitation, force majeure),
10 the Rental Commencement Date shall not have commenced prior to such date as shall be one (1) year from
11 the Commencement Date or such longer period of time as Landlord may approve in writing to Tenant, then,
12 at Landlord's option, this Sublease shall be automatically terminated without further act of either party
13 hereto and each of the parties hereto shall be released from any further obligation hereunder.
14

15
16 **ARTICLE VI**
17 **ALTERATIONS, CHANGES AND ADDITIONS**
18

19
20 **Section 6.01 ALTERATIONS BY TENANT.** Tenant shall not make or cause to be made any
21 alterations, additions or improvements to the Premises (for example, but without limiting the generality of
22 the foregoing, Tenant shall not install or cause to be installed any signs, floor covering, interior or exterior
23 lighting, plumbing fixtures, shades, canopies, awnings, electronic detection devices, antennas, mechanical,
24 electrical or sprinkler systems, or make any changes to the storefront or the general appearance of the
25 Premises), without the prior written approval of Landlord and the Authority pursuant to the TAA process.
26 Tenant, with the prior written approval of Landlord, may make such voluntary alterations, additions and
27 improvements to the interior of the Premises provided: (a) the same are cosmetic and not structural in
28 nature, do not affect a utility system, the storefront or storefront sign and are not inconsistent with the Final
29 Drawings approved by Landlord and the Authority; (b) that Tenant complies with the provisions concerning
30 contractors, labor relations, reporting of costs and insurance and bonds, the provisions of Exhibit B and the
31 Tenant Design Criteria and Handbook; (c) that after Tenant has obtained Landlord's approval, Tenant shall
32 submit to Landlord 15 days written notice prior to undertaking any of the foregoing together with a schedule
33 of the commencement and completion dates of the work; and (d) Tenant shall comply with the TAA
34 process. Tenant shall present to Landlord, Final Drawings for all alterations, additions or improvements,
35 voluntary or otherwise, at the time approval is sought, in accordance with criteria and procedures as
36 provided in Exhibit B, the Tenant Design Criteria and Handbook and the TAA process. Notwithstanding
37 anything to the contrary contained herein, no such alterations, additions or improvements by Tenant
38 hereunder shall be included in "Cost of Fixed Improvements", it being expressly understood that any of the
39 foregoing shall be at Tenant's sole cost and expense and not subject to any reimbursement or buy-out
40 provisions in favor of Tenant hereunder.
41

42 **Section 6.02 REMOVAL BY TENANT.** All Fixed Improvements and any alterations thereto
43 made by Tenant shall be deemed to have attached to the Premises and title shall immediately be deemed
44 vested in the Authority or the City of Newark in accordance with the Terminal C Lease and the Authority's
45 lease with the City of Newark. Upon the expiration or earlier termination of this Sublease, Tenant shall not
46 remove any of such Fixed Improvements; provided, however, that Operating Equipment installed by Tenant
47 and not permanently affixed to the Premises shall remain the property of Tenant and may be removed
48 throughout the Term hereof or upon expiration or earlier termination of the Term hereof if all Rental and
49 other charges due hereunder are paid in full and Tenant is not otherwise then in default of any of the
50 covenants, terms or provisions of this Sublease; provided that Tenant immediately repairs any damage
51 caused by such removal. Under no circumstances shall Fixed Improvements be demolished or removed

1 except with the prior written consent of Landlord and the Authority. If Tenant shall fail to remove any of its
2 personal property and Operating Equipment, Landlord, the Authority or any designee may, at their option,
3 retain either any or all of such property, and title thereto shall thereupon vest in Landlord, the Authority or
4 any designee without compensation to Tenant; or any of such entities may remove all or any portion of the
5 property from the Premises and dispose of the property in any manner, without compensation to Tenant. In
6 the latter event, Tenant shall, upon demand, pay to Landlord for itself or for the benefit of the Authority, the
7 reasonable and actual expense of such removal and disposition and the repair of any damage to the Premises
8 resulting from or caused by such removal. Tenant shall, at its expense, execute all documents requested and
9 deemed necessary by the Authority to evidence the title to any Fixed Improvements. The obligations
10 contained in this Section 6.02 shall survive the expiration or earlier termination of this Sublease.

11
12 **Section 6.03 CHANGES AND ADDITIONS.** Landlord (consistent with the Terminal C Lease)
13 and the Authority reserve the right at any time, and from time to time, to make extensive alterations to, and
14 to build additional stories on, the Terminal and to construct other buildings and improvements in the
15 Airport, including any extensive modifications of the public areas in connection therewith, to enlarge or
16 reduce the Terminal, to add decks or elevated parking facilities, and to sell or lease any part of the land
17 comprising the Airport, for the extensive construction thereon of a building or buildings which may or may
18 not be part of the Airport. Landlord (consistent with the Terminal C Lease) and the Authority reserve the
19 right at any time to relocate, reduce, enlarge, or reconfigure the Terminal, the Airport, parking areas and
20 other public areas shown on Exhibits A-1 and A-2. Tenant agrees to accommodate and cooperate with
21 Landlord and the Authority in such matters, even though Tenant's own operations may be inconvenienced
22 or impaired thereby and Tenant agrees that no liability shall attach to either Landlord or the Authority
23 (including their respective agents, commissioners, contractors, directors, employees, officers and
24 subcontractors) by reason of such inconvenience or impairment and Tenant hereby waives any and all
25 claims for damages and other consideration by reason of such inconvenience or impairment. Landlord and
26 the Authority shall use reasonable efforts not to materially inconvenience Tenant or materially impair
27 Tenant's operations and Landlord shall give reasonable notice to Tenant of any such construction, repair or
28 related activity. Consistent with the Terminal C Lease, Landlord shall have the exclusive right to use all or
29 any part of the roof of the Terminal for any purpose; to erect additional stories or other structures over all or
30 any part of the Premises; to erect in connection with the construction thereof temporary scaffolds and other
31 aids to construction on the exterior of the Premises, provided that access to the Premises shall not be
32 materially impaired; and to install, maintain, use, repair and replace within the Premises pipes, ducts,
33 conduits, wires and all other mechanical equipment serving other parts of the Terminal, the same to be in
34 locations as will not unreasonably deny Tenant's use thereof. Landlord may make any use it desires of the
35 side or rear walls of the Premises (including, without limitation, freestanding columns and footings for all
36 columns) and Landlord, at its expense, shall repair all damage to the Premises resulting from any work
37 related to such use.

38
39 **Section 6.04 RELOCATION, EXPANSION, CONTRACTION OR TERMINATION.** (a)
40 At any time during the Term hereof, due to the nature of the Airport and airline industries in general, it may
41 be necessary to relocate the Premises, expand or reduce all or any part of the Premises or obtain possession
42 of the Premises if Landlord determines such action to be necessary for airline operational and/or airport
43 operational considerations (e.g. the operation of non-concession services in the Terminal, the operation of
44 non-concession services for any airline or Airport operations in the Terminal or due to public health or
45 safety issues relating to the operation of the Terminal). For purposes hereof, relocation is defined as
46 Landlord's decision to terminate possession of an existing Premises and, to the extent reasonably possible,
47 provide a reasonably comparable space for the substitute Premises in terms of size, location, relation to
48 airline gates and exposure to the Terminal's users' pedestrian traffic flow patterns (particularly enplaned
49 passengers) within the Terminal. Reduction of the Premises includes, but is not limited to, the movement of
50 walls of the Premises or any other action which reduces the retail sales Floor Area of the Premises and
51 expansion of the Premises includes, but is not limited to, the movement of walls of the Premises or any other

1 action which increases the retail sales Floor Area of the Premises. Landlord hereby reserves the right at any
2 time following the Commencement Date to take such action in the Terminal as described above as the
3 Terminal may be altered from time to time. In the event Landlord elects to exercise any such rights as
4 Landlord deems necessary or desirable, it shall use diligent efforts to advise Tenant by 60 days prior written
5 notice and Tenant hereby agrees to be bound by such election and to execute; upon receipt from Landlord,
6 whatever amendments or other instruments as may be necessary to correctly reflect the foregoing. If the
7 Premises are relocated, reduced to a size reflecting a 20% or greater decrease in the retail sales Floor Area or
8 expanded to a size reflecting a 20% or greater increase in the retail sales Floor Area, the parties agree to
9 negotiate in good faith on a commercially reasonable basis with respect to an equitable adjustment to
10 Guaranteed Rent and corresponding adjustment to the Monthly Breakpoint for Percentage Rent, if
11 applicable under the circumstances. Any such relocation, reduction or expansion of the Premises shall be
12 accomplished, with Tenant's complete cooperation, as expeditiously as is reasonable under the
13 circumstances but in no event later than the date specified by Landlord to ensure the proper and efficient
14 operation of the Terminal. From and after the Commencement Date, in the event any such relocation or
15 reduction occurs after the Premises have been constructed and opened for business to the public, Landlord
16 agrees to reimburse Tenant for the reasonable and proper costs of renovating the relocated and/or reduced
17 Premises (in accordance with Final Drawings and total renovation costs approved by Landlord and the
18 Authority) so that the same are reasonably comparable to the original Premises. Landlord also agrees to
19 reimburse Tenant for the reasonable and proper costs of moving Tenant's Operating Equipment and exterior
20 storefront signage. Tenant shall be responsible for any and all other costs involved. Neither Landlord nor
21 the Authority shall have any liability for such relocation, change in size or the closing of the Premises other
22 than as specifically set forth in this Section 6.04(a) and Tenant hereby waives any such claims, including,
23 without limitation, claims for lost business opportunity, claims for lost profits and claims for relocation
24 benefits under Federal and any state law. If Tenant is unable to operate its business in the Premises or any
25 portion thereof as a result of the exercise of any of Landlord's rights, Tenant's payment of Guaranteed Rent
26 shall be abated during the period which Tenant is unable to operate. If Tenant, during any relocation, wants
27 to operate from temporary mobile carts, if available, Landlord and the Authority must approve in advance
28 and in writing all aspects (including size, location, design, duration of occupancy and merchandise displayed
29 for sale) of any temporary mobile carts desired to be operated by Tenant. Notwithstanding the foregoing, if
30 Landlord desires to relocate Tenant to a substitute Premises as provided in this Section 6.04(a) above,
31 Tenant shall have the right, in its sole discretion, to terminate this Sublease within 30 days after receipt of
32 Landlord's relocation notice, and such termination shall be effective at the expiration of the 60 day period
33 referenced above or such later date as may be reasonably determined by Landlord.

34
35 (b) In the event Landlord in its sole judgment believes it desirable for Landlord to obtain possession
36 of the Premises, Landlord, upon 90 days prior notice in writing to Tenant, may terminate this Sublease. In
37 the event of such termination, within 30 days following the date that Tenant shall have vacated the Premises,
38 paid all Rentals and performed all other accrued obligations hereunder through to the effective date of such
39 termination, Landlord shall pay to Tenant a sum equal to net book value of "Cost of Fixed Improvements".
40 In addition to Landlord's termination rights set forth in the immediately preceding sentence, if Landlord
41 exercises its rights under the applicable provisions of the Terminal C Lease to terminate the Terminal C
42 Lease (or to terminate the month-to-month tenancy if previously converted pursuant to Section 88 of the
43 Terminal C Lease) or if Landlord's leasehold interest is terminated by the Authority in accordance with the
44 Authority's rights under the Terminal C Lease, then, in either such event, at the option of the Authority and
45 Landlord: (1) this Sublease shall be assigned by Landlord to the Authority or its designee and this Sublease
46 shall remain in full force and effect in accordance with the terms contained herein and Tenant shall not have
47 any approval or rejection rights with respect to any such assignment; or (2) this Sublease shall be
48 terminated, with the effective date of such termination as reasonably determined by Landlord and thereafter
49 neither party shall have any further obligations or liabilities to the other party except for: (1) any accrued
50 obligations or liabilities of Tenant, whether monetary or non-monetary, which have arisen prior to the
51 effective date of such termination and have not yet been fully performed and/or paid by Tenant; and (2)

1 Landlord shall pay to Tenant, within 30 days following the date that Tenant shall have vacated the Premises,
2 paid all Rentals and performed all other accrued obligations under this Sublease through the effective date of
3 such termination, a sum equal to the net book value of "Cost of Fixed Improvements". Within 90 days after
4 Tenant's completion of construction of the Premises, Tenant shall furnish to Landlord such information as
5 Landlord may reasonably require in connection with the determination of such costs. At a minimum, such
6 cost information shall include copies of all contracts, copies of all invoices for the work which clearly
7 identified the work completed and copies of all canceled checks for payment, all of which shall be
8 evidenced by a certificate from Tenant. In order to obtain any funds from Landlord, at a minimum, Tenant
9 must furnish to Landlord on a timely basis, and provide copies to the Authority, all such relevant
10 information concerning the net book value of the "Cost of Fixed Improvements". The following will be
11 considered the net book value of the "Cost of Fixed Improvements":
12

- 13 (1) The unamortized balance of reasonable amounts paid by the Tenant for the construction
14 and installation of Fixed Improvements upon the Premises.
- 15
- 16 (2) The unamortized balance of reasonable amounts paid by the Tenant to extend utility lines
17 into the Premises.
- 18
- 19 (3) The unamortized balance of reasonable sums paid to external architects, engineers,
20 surveyors, and construction managers in connection with the design, development and
21 construction of Fixed Improvements upon the Premises.
22

23 Such payment shall be in lieu of any claims, causes of actions, suits, or damages that Tenant may have as a
24 result of its use and occupancy of the Premises, including, without limitation, any and all rights and/or
25 awards under any applicable Federal or state law. Landlord reserves the right to audit documentation of all
26 Cost of Fixed Improvements for the same period that the Authority is permitted to audit such documentation
27 as specified in Tenant's Agreement with the Authority. Tenant must cooperate in such an audit and provide
28 other supporting cost documentation (including books, records, documents and other evidence and
29 accounting procedures and practices sufficient to reflect properly all construction costs claimed to have been
30 incurred in performing Tenant's Work) upon request within 15 days after notice from Landlord. If Landlord
31 disagrees with the Tenant's determination of: (i) Cost of Fixed Improvements, or (ii) the reasonableness of
32 the cost of the item, or (iii) if supporting cost documentation is not sufficient, Landlord shall notify the
33 Tenant in writing. Tenant shall have 15 days following receipt of Landlord's notice in which to respond or
34 provide any additional information. After consideration of any response or additional information provided,
35 Landlord will make a reasonable final determination as to whether or not the construction costs will qualify
36 as Cost of Fixed Improvements and will be paid. For purposes of this Sublease, the Tenant's Cost of Fixed
37 Improvements shall be amortized by Tenant, depreciated monthly, using the straight-line method, over a
38 period not to exceed the balance of the Term of this Sublease or the useful life of each Fixed Improvement,
39 whichever period is shorter and the foregoing shall take into consideration the effect of accelerated
40 amortization, if any, granted to or taken by Tenant on its books or otherwise under the provisions of Section
41 168(a) of Title 26 USCA or similar legislation hereafter enacted. In addition to the foregoing, Tenant
42 understands and agrees that the Authority shall have the right to revoke Tenant's Agreement with the
43 Authority, without cause, at any time on 30 days written notice, which notice must be concurred in and
44 jointly subscribed by the Authority and Landlord and upon any such revocation, this Sublease shall be
45 automatically terminated. Upon the early termination of this Sublease by Landlord (or revocation of the
46 Agreement) as provided in this Section 6.04(b), other than by reason of Tenant's default, Tenant shall be
47 entitled to be reimbursed by Landlord for any unamortized investment in Fixed Improvements to the nearest
48 full month as established by its amortization period for Cost of Fixed Improvements. Tenant acknowledges
49 the right of the Authority to the same examination, audit and reproduction rights granted to Landlord in this
50 Section 6.04 or confirmed elsewhere herein.
51

1 (c) If Tenant elects to terminate this Sublease as provided in Section 6.04(a) due to the proposed
2 relocation of the Premises, this Sublease shall terminate on the effective date thereof as reasonably specified
3 by Landlord and Tenant shall remain liable for the payment of all Rentals and the performance of all other
4 accrued obligations of Tenant under this Sublease up to and including the effective date of such termination.
5 Under no circumstances shall Landlord or any other third party including the Authority have any obligation
6 to Tenant, nor shall Tenant be entitled to any payment from either Landlord or any other third party
7 including the Authority for the net book value of the Cost of Fixed Improvements or any other sums if
8 Tenant so elects to terminate this Sublease.
9

10
11 **ARTICLE VII**
12 **CONDUCT OF BUSINESS BY TENANT**
13
14

15 **Section 7.01 PERMITTED USE.** Tenant shall use the Premises only for the purpose of
16 conducting the business of selling only those items of merchandise and/or providing services specifically set
17 forth in the Data Sheet ("Permitted Use") and for no other use or purpose. Notwithstanding anything to the
18 contrary contained herein, including Tenant's Permitted Use, if Landlord reasonably determines that any
19 item displayed, offered for sale or sold by Tenant is objectionable or inappropriate for display or sale at the
20 Terminal and/or Airport, Tenant shall, within 2 days after delivery of Landlord's written notice to the
21 Premises, immediately remove such item from display and its inventory and Tenant shall not thereafter
22 display, offer for sale or sell any such objectionable or inappropriate item. If any governmental license or
23 permit shall be required for the proper and lawful conduct of Tenant's business or other activity conducted in
24 the Premises, or if a failure to procure such a license or permit might or would in any way adversely affect
25 Landlord, the Authority, the Terminal and/or Airport, then Tenant, at Tenant's expense, shall duly procure
26 and thereafter maintain such license or permit and submit the same for inspection by Landlord. Tenant, at
27 its expense, shall at all times comply with the requirements of each such license or permit.
28

29 **Section 7.02 OPERATION OF BUSINESS.** (a) Tenant agrees to be open for business and to
30 continuously and uninterruptedly operate in all of the Premises during the entire Term following the Rental
31 Commencement Date, to actively and diligently conduct its business at all times in a first class and reputable
32 manner, making every reasonable and lawful effort to develop, maintain and increase Tenant's business,
33 using best efforts to achieve maximum sales volumes, customer satisfaction and maintaining at all times a
34 complete stock of high quality merchandise. Tenant shall maintain a sufficient number of personnel to
35 service customers. All such personnel shall be knowledgeable, helpful to Terminal users, courteous,
36 efficient, neat in appearance and appropriately attired and shall not act in a loud, offensive or otherwise
37 objectionable manner. Tenant's employees shall wear name tags (or security badges, if required) at all
38 times. Tenant shall not employ at or about the Premises any person who shall use offensive language,
39 makes persistent announcements of its merchandise and/or services over loud speakers or whose conduct is
40 loud or offensive or otherwise detrimental to the best interests of the Terminal and/or Airport. Tenant also
41 agrees not to divert or allow or cause to be diverted any business from the Terminal and/or Airport. Tenant
42 agrees to accept at least 2 nationally recognized credit cards for payment of purchases made at the Premises
43 and Tenant shall offer all of its customers shipping of purchased products and gift wrap services (if
44 appropriate for the type and size of merchandise being requested to be gift wrapped) at cost. Tenant shall
45 not abandon or permanently vacate the Premises without the prior, advance written approval of Landlord.
46 For purposes hereof, "abandonment" shall mean closing the Premises to retail trade for 5 or more
47 consecutive days, unless other provisions hereof permit such closing. Tenant shall install and maintain at all
48 times a display of merchandise in the display windows, if any, as required herein and shall keep the display
49 windows well lighted. Tenant shall be obligated to be open for business and to operate continuously during
50 all hours established as Terminal retail concession business hours. Tenant understands and agrees that its
51 operation hereunder is a service to airline customers and the users of the Terminal and the Airport.

1 Notwithstanding the requirements set forth herein, Landlord shall have the right to make reasonable
2 objections to the number or quality of sales staff used by Tenant, the prices for merchandise sold or services
3 rendered, the number or quality of articles sold, the character of the service offered to the public, responses
4 to customer complaints and the appearance and condition of the Premises. Tenant agrees to take reasonable
5 steps to promptly comply with Landlord's reasonable objections. If Tenant fails to comply with any of the
6 provisions of this Section 7.02(a), then Tenant shall pay, within 5 days after notice thereof and failure to
7 cure the same, Additional Rent in the amount of \$100.00 per day until such time as Tenant is in compliance
8 with this Section 7.02(a). This remedy shall be in addition to any and all other remedies provided herein or
9 by law to Landlord. Failure by Tenant to be open for business and to operate shall entitle Landlord, in
10 addition to other remedies provided in this Section 7.02, this Sublease or by law, to mandatory injunctive
11 relief if awarded by a court of competent jurisdiction. Without limiting the generality of the foregoing,
12 Landlord shall be the sole judge of which hours and days shall be Terminal retail concession business hours
13 and days.
14

15 (b) Tenant, at its expense, shall promptly comply with all present and future laws, ordinances,
16 orders, rules, regulations, applicable business licenses and requirements of Landlord and the Authority and
17 all governmental authorities having jurisdiction affecting or applicable to the Premises or the cleanliness,
18 safety, occupancy and use of the same, whether or not any such law, ordinance, order, rule, regulation or
19 requirement is foreseen or unforeseen, ordinary or extraordinary, shall necessitate changes or improvements
20 (other than structural changes or structural improvements) and/or interfere with the use and enjoyment of the
21 Premises. Tenant shall promptly correct any deficiencies reported by Landlord, the Authority and all other
22 governmental authorities having jurisdiction. Tenant shall not do or permit anything to be done in or about
23 the Premises, nor bring anything therein, which will in any way conflict with any such law, ordinance,
24 order, rule, regulation or requirement affecting the occupancy or use of the Premises or the Terminal which
25 has been or may hereafter be enacted or promulgated by Landlord and the Authority and all governmental
26 authorities, or in any way obstruct or interfere with the rights of others, nor shall Tenant use or allow the
27 Premises to be used for any improper, immoral or objectionable purposes or do any act tending to injure the
28 reputation of the Terminal and/or Airport. No auction, liquidation, going out of business, fire or bankruptcy
29 sale may be conducted or advertised by sign or otherwise in the Premises. Tenant shall not permit the
30 installation or operation of any coin operated or vending machines or pay telephones in the Premises,
31 including, but not limited to, rental of cellular phones, facsimile machines and other public communication
32 devices, sales of entertainment event tickets and lottery tickets and reservations for ground transportation,
33 hotels or other lodging. Tenant shall not sell or display any merchandise except within the areas outlined in
34 the Tenant Design Criteria and Handbook unless such sale or display shall be expressly approved on the
35 Final Drawings or otherwise approved by Landlord, in writing, except that Tenant shall be permitted to
36 display merchandise in the display windows, if any. Tenant shall not use the areas adjacent to or outside the
37 Premises for business purposes or any other purposes, including the display and sale of merchandise,
38 products or services in any areas outside of the Premises without Landlord's advance written approval,
39 which approval may be withheld in Landlord's sole discretion. Tenant shall not store anything in service or
40 exit corridors. All receiving and delivery of goods and merchandise for the Premises, and all removal of
41 merchandise, supplies, equipment, trash and debris and all storage of trash and debris from the Premises
42 shall be made only by way of or in the areas provided therefor. No trash, trash containers, hand trucks,
43 carts, racks or movable fixtures designed for the movement of merchandise and/or trash within the Premises
44 or to or from the Premises may be left unattended in the storefront, corridors or other public areas, nor may
45 such items or devices in non-public areas be visible from public areas of either the Premises or the Terminal.
46 Tenant shall be solely responsible for prompt disposal within the Premises or in such areas as may be
47 provided for such disposal of all trash and debris from the Premises. Tenant shall not use or permit the use
48 of any portion of the Premises for any unlawful purposes or, except as specifically permitted in Section 7.01.
49 Tenant shall not install any radio, television, communication dish or other similar device or related
50 equipment exterior to the Premises, shall not cause or make any penetration of the roof of the Premises or
51 the building in which the Premises is located and shall not erect any aerial or antenna on the roof or exterior

1 walls of any building within the Terminal. Tenant, at its sole cost and expense, shall contract directly with a
2 pest control service reasonably acceptable to Landlord at such intervals as Landlord may require. If Tenant
3 shall fail to comply with any of the provisions of this Section 7.02(b), then Tenant shall pay, within 10 days
4 of demand therefor by Landlord, Additional Rent in the amount of \$100.00 per day until such time as
5 Tenant is in compliance. This remedy shall be in addition to any and all other remedies provided in this
6 Sublease or by law to Landlord.
7

8 (c) Tenant acknowledges that although it is subleasing the Premises directly from Landlord, the
9 Authority controls the overall operations at the Airport and has the right, pursuant to the Terminal C Lease,
10 the Agreement and state and Federal laws and regulations, including the Authority's rules and regulations,
11 to regulate and control certain aspects of Tenant's operations at the Premises including but not limited to the
12 matters listed below in this Section 7.02(c):
13

14 (i) The Authority has the right to control the hours of operation of all retail concessions at the
15 Terminal including the hours of operation of Tenant. The hours of operation of retail concessions such as
16 Tenant's operation are at a minimum from 7:00 AM to 10:00 PM, local time, 7 days a week, 365 days a year
17 or other hours necessary to service the earliest daily incoming and outgoing flights and the latest daily
18 incoming and outgoing flights except as may otherwise be approved in writing by Landlord. These hours of
19 operation are subject to permanent modification at the sole discretion of Landlord upon 15 days advance
20 notice to Tenant (if Landlord determines that passenger traffic conditions, flight scheduling, flight delays or
21 other considerations make it necessary, in the reasonable opinion of Landlord, services shall be available at
22 times not then scheduled). For tenants whose Permitted Use authorizes the primary sale of news and
23 sundries items, the hours of operation for news and/or news and sundries concessions shall be a minimum of
24 16 hours each day, 7 days a week, 365 days a year with the opening for business each day at least 30
25 minutes before the departure time of the earliest scheduled commercial flight and with the closing for
26 business each day not less than 30 minutes after the departure time of the latest scheduled commercial flight.
27 Any modifications to the required operating hours that may be requested from time to time by Tenant shall
28 be subject to Landlord's prior written approval determined in its discretion. Tenant agrees to otherwise
29 abide by all hours of operation as set by Landlord. Tenant shall assure that a local representative of Tenant
30 is available, by telephone, on a 24 hour per day, 7 day per week, basis in case of emergencies and Tenant
31 shall notify Landlord of the name and telephone number of such representative and shall update such
32 information promptly as necessary.
33

34 (ii) The Authority and Landlord require (and Tenant acknowledges that the Authority has the legal
35 right to so require) that Tenant provide to customers high quality products and competitively price all
36 products sold from the Premises such that the retail prices are the same as or are comparable to average
37 "street" prices for comparable brands sold by retailers in the Port of New York District so that customers do
38 not expect to pay more for products and services in the Terminal than they would for average prices in
39 locations outside the Terminal. Tenant agrees to adjust its prices to ensure that they meet the "street"
40 pricing criteria in accordance with the Authority's pricing policy and enforcement guidelines without any
41 further notice or immediately upon written notice from Landlord if Tenant is not in compliance therewith.
42 Prior to opening for business, Tenant agrees to supply to Landlord a detailed list of all products and services
43 to be offered at the Premises and the prices to be charged therefor. Tenant agrees to continue to provide this
44 data on a quarterly basis throughout the Term hereof. Tenant shall, at all times, observe and comply with
45 the pricing policy as set forth in Exhibit H. Further, for the benefit of the users of the Terminal, Landlord
46 has the right to promote a "free market" competitive environment within the Terminal and, to the extent
47 possible, Landlord may cluster concession operators with similar products and services in groups to help
48 stimulate competition, provide superior service and competitive pricing, and under no circumstances shall
49 Tenant or any other subtenants of Landlord within the Terminal receive any type of "exclusives" or
50 protection related thereto.
51

1 (iii) Tenant agrees that after it has taken delivery of the Premises, it will contact Landlord on all
2 operational matters pertaining to its occupancy including but not limited to the following areas: (a) hours of
3 operation, (b) employee parking and security requirements, (c) customer inquiries and complaints, (d)
4 facility maintenance issues, (e) utility services, and (f) staffing issues.
5

6 (iv) To ensure that Tenant is in compliance with the quality of products, pricing and service
7 standards set forth in this Section 7.02(c), and the Authority's objectives are met, Landlord, the Authority or
8 an agent of either thereof may perform service audits, such as "surprise shopper programs," of the conduct
9 of Tenant's operation in the Premises at any time. The results of such service audits performed on behalf of
10 either Landlord or the Authority may be employed by Landlord to enforce Tenant's obligations hereunder.
11

12 **Section 7.03 HAZARDOUS MATERIALS.** (a) Tenant shall not generate, store, handle or
13 dispose of any oil or any hazardous waste or hazardous substances, and shall not permit the generation,
14 storage, handling or disposition of any oil, hazardous waste or hazardous substances, in, on, about or from
15 the Premises by Tenant in any manner contrary to Federal, state, or local environmental laws and
16 regulations (collectively, "Environmental Laws"), including, without limitation, 42 U.S.C. § 9601 *et. seq.*,
17 49 U.S.C. § 1801 *et. seq.*, 42 U.S.C. § 6901 *et. seq.*, 15 U.S.C. § 2601 *et. seq.*, 42 U.S.C. § 7401 *et. seq.* and
18 33 U.S.C. § 1251 *et. seq.* all of which are Federal Environmental Laws as well as state Environmental Laws,
19 all as presently in effect and as the same may be hereafter amended, any regulation pursuant thereto, or any
20 other present or future Environmental Laws or laws, rules, ordinances, regulations, orders or directives
21 addressing environmental, safety or health issues of or by any governmental authority, including the
22 Authority, having proper jurisdiction. Tenant agrees to immediately notify Landlord, the Authority and the
23 Airport Fire Department in the event Tenant becomes aware of any such generation, release, threatened
24 release, storage, handling or disposal of oil, hazardous waste or hazardous substances. Tenant shall
25 promptly respond to and clean up any release or threatened release of oil, hazardous waste or hazardous
26 substances which are the result of Tenant's actions into the drainage systems, soils, groundwater, water,
27 atmosphere or any other part of the Airport in a safe manner in accordance with applicable Environmental
28 Laws and disposed of properly in compliance with applicable Environmental Laws at Tenant's sole cost and
29 expense. For purposes of this Section 7.03, the terms oil, hazardous waste and hazardous substances shall
30 have the meanings subscribed to them in any such Federal or state Environmental Laws and the term Tenant
31 shall include, without limitation, Tenant and its employees, contractors, subcontractors, licensees,
32 concessionaires, subtenants, assigns or agents. Notwithstanding the foregoing, Tenant shall be permitted to
33 use minimum and safe amounts of cleaning fluids in the ordinary course of its business and to sell products
34 that may contain minimum and safe amounts of hazardous materials in the ordinary course of its business
35 provided Tenant complies in all respect with all Environmental Laws governing the use or sale thereof.
36

37 (b) If a lien is filed against Tenant's leasehold interest, the Premises, the Terminal or the Airport
38 relating to Tenant's violation of any Environmental Laws, then Tenant shall, within 10 days or such shorter
39 period as may be required under any Environmental Laws, or if a governmental authority has commenced
40 steps to cause any of the foregoing to be sold pursuant to such lien, either: (i) immediately pay the claim and
41 remove the lien; or (ii) immediately furnish a cash deposit, bond or such other security as is satisfactory in
42 all respects to Landlord and the Authority and legally sufficient to effect a complete discharge of such lien.
43

44 (c) Landlord, at its cost, reserves the right to conduct annually an environmental audit of the
45 Premises and Tenant's operations, equipment, facilities and fixtures thereon. It shall be a default hereunder
46 if the resulting audit report reveals non-compliance or violations by Tenant of any Environmental Laws.
47

48 (d) Except with respect to Landlord's or the Authority's direct violation of Environmental Laws,
49 Tenant (as a corporate, partnership or joint venture entity and not personal to Tenant's employees unless
50 Tenant is an individual or operating the business in the Premises as a sole proprietorship) hereby agrees to
51 indemnify, defend and hold harmless Landlord, the Authority, their respective affiliates, parent corporations,

1 subsidiaries, partners, management companies, and the agents, employees, officers, commissioners,
2 directors and contractors of any of them from and against any and all loss, claims, demands, penalties,
3 causes of action, fines, settlements, damages, costs and expenses of whatever kind or nature (including
4 reasonable attorneys' and consultants' fees and expenses, investigation and laboratory fees and expenses,
5 court costs and litigation expenses) arising directly or indirectly out of or in any way related to (i) any
6 default by Tenant of this Section 7.03, (ii) any violation or failure to comply by Tenant with any of the
7 Environmental Laws, (iii) any personal injury (including death) or property damage as a result of Tenant's
8 willful misconduct, negligence, or other actions or omissions including, but not limited to, Tenant's use and
9 occupancy of the Premises, and (iv) any litigation brought or threatened by any governmental authority as a
10 result of Tenant's willful misconduct, negligence, or other actions or omissions including, but not limited to,
11 Tenant's use, occupancy and the conduct of its business in the Premises. As used herein "costs and
12 expenses" shall also include, in addition to those set forth above, costs associated with administrative and
13 judicial proceedings, costs arising from any lien, costs of any remedial actions and business interruption
14 resulting from any remediation, or any executive, administrative or judicial order. This indemnification
15 shall constitute the personal recourse undertaking, obligation and liability of Tenant (as a corporate,
16 partnership or joint venture entity and not personal to Tenant's employees unless Tenant is an individual or
17 operating the business in the Premises as a sole proprietorship). The obligations set forth in this Section
18 7.03 shall survive the expiration or earlier termination of this Sublease.

19
20
21 **ARTICLE VIII**
22 **PUBLIC AREAS**
23

24
25 **Section 8.01 OPERATION AND MAINTENANCE OF PUBLIC AREAS.** Landlord shall
26 cause to be operated and maintained during the Term all public areas to the extent required in the Terminal
27 C Lease. The manner in which such public areas and facilities are operated and maintained, and the
28 expenditures therefor, shall be at Landlord's sole discretion. The use of such public areas and facilities shall
29 be subject to reasonable rules and regulations as the Authority or Landlord may make from time to time.
30

31 **Section 8.02 USE OF PUBLIC AREAS.** The term "public areas" as used herein shall mean, to
32 the extent provided by Landlord, all improved areas within the Terminal which are not devoted to the
33 exclusive use by any airline, tenant or other occupant occupying space in the Terminal including, without
34 limitation, public transportation loading and unloading facilities, pedestrian walkways and horizontal
35 pedestrian movers, delivery areas, landscaped areas, community rooms, elevators, escalators, stairs and
36 ramps, public restrooms and comfort stations, service areas, service and fire exit corridors, passageways and
37 those areas adjacent to the Terminal containing parking facilities. Tenant shall have as appurtenant to the
38 Premises the right to the non-exclusive use in common with others all public areas and facilities in the
39 Terminal as designated as such by Landlord from time to time, and such reasonable access, during Tenant's
40 normal operating hours, to the Premises. Such appurtenant rights shall be subject to such reasonable rules,
41 regulations, fees and security directives from time to time established by the Authority or Landlord by
42 suitable notice. Landlord shall have the right, but not the obligation, from time to time, to modify the public
43 areas, remove portions of the public areas from common use, to permit entertainment events, advertising
44 displays, educational displays and other displays in the public areas that in Landlord's judgment tend to
45 attract the public, and to allow Landlord to lease retail merchandising units or temporary pushcarts or carts
46 ("RMUs"). If Landlord determines in its discretion to place RMUs in the public areas near the Premises,
47 such placement shall not be within 10 feet of Tenant's storefront entrance and shall not materially interfere
48 with ingress or egress to the Premises by the public. Tenant shall not be entitled to any credit for income
49 earned by Landlord with respect to the public areas. Tenant and its employees shall not park their cars or
50 any other vehicles in the parking facilities except in the areas specifically designated by Landlord for
51 employee parking. There is no free parking at the Airport for Tenant or any of Tenant's employees,

1 contractors or customers. Tenant and its agents, employees, contractors or subcontractors shall comply with
2 the Authority's rules and regulations with respect to parking as the same may be amended or modified from
3 time to time and will be subject to any enforcement action (including towing) pursued by the Authority's
4 airport police without any notice thereof. Tenant shall indemnify, defend and hold harmless Landlord and
5 the Authority and their employees, agents, and representatives from and against any and all claims of the
6 employee and/or owner of any vehicle so towed. Landlord or the Authority may at any time close any
7 public areas to make repairs or changes, to prevent the acquisition of public rights in such area, to use areas
8 for attendant or valet parking, and may do such other acts in and to the public areas as in its judgment may
9 be desirable.

10
11 **Section 8.03 LOADING DOCK, DELIVERIES AND TENANT'S SHARE OF THE**
12 **MAINTENANCE SUPPORT REIMBURSEMENT CHARGE.**

13 Tenant agrees to pay directly to
14 Landlord, as Additional Rent for the benefit of Landlord or its designees, a "Maintenance Support
15 Reimbursement Charge" as further described in this Section 8.03.

16 (a) All outside deliveries of supplies, materials, inventory or merchandise required to support the
17 operations of Tenant under this Sublease shall be made to the loading dock area controlled by Landlord or
18 its designee. No deliveries of any items shall be made by any persons or entities directly to the Premises
19 without the prior written authorization of Landlord and if given by Landlord, Landlord shall have the right
20 to revoke any such authorization at any time and for any reason. Tenant shall be advised by Landlord or its
21 designee of all shipments for all items received at the loading dock area and Tenant shall be responsible, at
22 its sole cost and expense, for promptly transporting all of such items from the loading dock area to the
23 Premises. All equipment to be utilized, methods of operation and employment of personnel shall be at the
24 sole determination of Landlord as they relate to the transporting of supplies, materials, inventory or
25 merchandise in the Terminal and at the Airport and shall be in compliance with all applicable federal, state
26 and local laws, regulations and ordinances as well as all Airport rules and regulations promulgated from
27 time to time by Landlord or the Authority.

28
29 (b) The loading dock area controlled by Landlord is located within the airfield of the Airport and is
30 subject to all post-security regulations with respect to access to secured areas in airports in the United States.
31 Therefore, all outside delivery vehicles will have to be escorted to the loading dock by the badged escort
32 delivery service personnel and vehicles. Landlord, in its discretion, shall have the right to establish rules
33 and regulations with respect to such outside deliveries including, but not limited to: (i) restrictions on
34 delivery times (days and hours) and the time in which any vehicle may remain in the loading dock area; (ii)
35 methods of delivering supplies, materials, inventory or merchandise from the loading dock to the Premises
36 such as pallet or plastic wrap requirements; and (iii) delivery escort guidelines, rules, instructions and
37 training if so required which must be complied with by Tenant and all transportation companies and vendors
38 delivering any such items to the loading dock area. Landlord may deny access or require any vehicle to be
39 removed for failure to follow any such rules, regulations and guidelines that may be established by Landlord
40 from time to time.

41
42 (c) Tenant shall pay to Landlord, as Additional Rent in the manner and at the place hereinafter
43 provided, Tenant's proportionate share of the Maintenance Support Reimbursement Charge as follows:
44 (collectively, "Operating Costs and Expenses"): all costs and expenses of every kind or nature paid or
45 incurred by Landlord with respect to the loading dock area which services all of the concession facilities,
46 including the Premises, within the Terminal. By way of example, Operating Costs and Expenses shall
47 include, but not be limited to, the full cost and expense of: (1) all trash removal services in the loading dock
48 area; (2) all labor costs, both supervisors (including both on-site and independent third party off-site
49 supervisory personnel, if any) and personnel, for persons employed to clean the loading dock area and the
50 area surrounding the trash dumpsters as well as the cost of uniforms and identification badges for all of such
51 personnel; (3) all labor costs, both supervisors (including both on-site and independent third-party off-site

1 supervisory personnel, if any) and personnel, for persons employed to operate the loading dock area and to
2 maintain, repair and/or replace loading dock area equipment as well as the cost of uniforms and
3 identification badges for all such personnel; (4) all labor costs, both supervisors (including both on-site and
4 independent third party off-site supervisory personnel, if any) and personnel, for persons employed to
5 operate the vehicle escort delivery service across the airfield and to maintain, repair and/or replace the escort
6 delivery service equipment as well as the cost of uniforms and identification badges for all such personnel;
7 (5) the cost to purchase, operate, maintain, repair and/or replace all equipment and other items necessary for
8 the operation of the loading dock area and escort delivery service to include, but, not be limited to, all trash
9 dumpsters and other trash removal equipment and supplies, all loading dock area equipment such as lifts,
10 doors, dollies, etc., common use doors, loading dock area office equipment, escort delivery service
11 equipment and vehicles; and (6) any and all other direct costs and expenses which Landlord deems
12 reasonably necessary or desirable in order to properly operate and maintain the loading dock area and escort
13 delivery service in an efficient and acceptable manner. With respect to the cost of any procurement of
14 equipment and other items necessary for the operation of the loading dock area and escort delivery service,
15 Landlord shall use commercially reasonable efforts to control such costs. Except as specifically set forth in
16 this Section 8.03(c), Landlord understands and agrees with Tenant that the Maintenance Support
17 Reimbursement Charge shall not include a fee for Landlord's internal administrative expenses.
18

19 (d) The proportionate share so to be paid by Tenant shall be that portion of Operating Costs and
20 Expenses which the number of square feet of Floor Area in the Premises bears to the total number of square
21 feet of Floor Area of gross leased and occupied Floor Area of all concession facilities in the Terminal
22 subleased by Landlord; provided, however, any vacant Floor Area excluded shall not exceed twenty percent
23 (20%) of the gross leaseable Floor Area of all such concession facilities in the Terminal subleased by
24 Landlord but such restriction on the exclusion of vacant space, if any, shall not be applicable until Landlord
25 has completed the approximate 2 year phase-in schedule with respect to the implementation of the new retail
26 concession program in the Terminal. The gross leased and occupied Floor Area in effect for the whole of
27 any Lease Year shall be the average of the gross leased and occupied Floor Area on the 1st day of each
28 calendar month in such Lease Year.
29

30 (e) Tenant's proportionate share of Operating Costs and Expenses for the Maintenance Support
31 Reimbursement Charge following the Rental Commencement Date shall be paid to Landlord as Additional
32 Rent in equal, consecutive monthly installments on or before the 1st day of each calendar month, in
33 advance, in an amount estimated by Landlord from time to time. Subsequent to the end of each Lease Year,
34 Landlord shall furnish Tenant with a detailed statement of Tenant's proportionate share of such Operating
35 Costs and Expenses for such period showing general method of computing such proportionate share. Tenant
36 shall not have any inspection or audit rights of any of Landlord's books and records pertaining to Operating
37 Costs and Expenses and the Maintenance Support Reimbursement Charge and Tenant hereby expressly
38 waives any rights, whether by statute or otherwise, to conduct any such inspection or audit. If the total
39 amount paid by Tenant under this Section 8.03 for any such Lease Year shall be less than the actual amount
40 due for any such Lease Year as shown on Landlord's statement, Tenant shall pay the difference between the
41 amount paid and the actual amount due, within 30 days after the furnishing of each such statement. If the
42 total amount paid by Tenant under this Section 8.03 for any such Lease Year shall exceed the actual amount
43 due for such Lease Year, such excess shall be credited against the next payment(s) due from Tenant to
44 Landlord for Operating Costs and Expenses under this Sublease. If at the end of the Term of this Sublease,
45 the total amount paid by Tenant under this Section 8.03 for such final Lease Year shall exceed the actual
46 amount due for such final Lease Year, such excess shall be refunded to Tenant within 60 days after Tenant
47 has vacated the Premises in the condition required at the conclusion of this Sublease and all Rentals and
48 other sums due Landlord from Tenant under this Sublease have been paid in full or Landlord shall be
49 entitled to deduct any such remaining sums due from any such excess. Landlord may estimate the annual
50 budget and charge the same to Tenant on a monthly basis, subject to revision of the budget from time to
51 time and final annual adjustment based upon actual Operating Costs and Expenses for the Maintenance

1 Support Reimbursement Charge. Notwithstanding anything herein to the contrary, there will be no
2 duplication in charges to Tenant in this Section 8.03 under any other provisions of this Sublease; and,
3 provided, further, although the Operating Costs and Expenses shall be adjusted each Lease Year as
4 determined in Landlord's reasonable discretion, Tenant's proportionate share thereof shall not exceed 115%
5 of the Operating Costs and Expenses for the immediately preceding Lease Year then ended following
6 completion of the approximate 2 year phase-in schedule with respect to the implementation of the new retail
7 concession program in the Terminal.

10 **ARTICLE IX**
11 **SIGNS**
12
13

14 **Section 9.01 TENANT'S SIGNS.** The design, construction, location, use and maintenance of
15 Tenant's signs (whether blade or band signs) are subject to the provisions of the Tenant Design Criteria and
16 Handbook and the approved Final Drawings. Tenant shall affix a sign to the exterior surface of the
17 storefront of the Premises located inside the Terminal, subject to the advance approval of Landlord and the
18 Authority. Tenant shall pay all costs of fabricating, constructing, operating and maintaining such sign.
19 Tenant shall keep said sign well lighted during such hours as Landlord shall designate and shall maintain
20 said sign in good condition and repair during the entire Term hereof. Said sign shall conform to the criteria
21 for signs contained in the approved Final Drawings and the Tenant Design Criteria and Handbook, and the
22 size, content, design and location thereof shall be subject to the prior written approval of Landlord and the
23 Authority. Except as hereinabove mentioned, Tenant shall not place or cause to be placed, erected or
24 maintained on any exterior door, wall, window or the roof of the Premises, or on the interior or exterior
25 surface of the glass of any window or door of the Premises, or on any sidewalk or other location outside the
26 Premises, or within any display window space in the Premises, or within one foot of the front of the
27 storefront leaseline, whether or not there is display window space in the Premises, or within any entrance to
28 the Premises, any sign (flashing, moving, hanging, handwritten, or otherwise), decal, placard, decoration,
29 flashing, moving or hanging lights, lettering, or any other advertising matter of any kind or description;
30 provided, that subject to the prior written approval of Landlord with respect to design and placement, Tenant
31 may place decals relating to charge cards accepted and alarm system used for safety purposes on glass
32 storefronts where warranted. No symbol, design, name, mark or insignia adopted by either Landlord or the
33 Authority for the Terminal or the Airport shall be used without the prior written consent of Landlord and/or
34 the Authority. All signs located in the interior of the Premises shall be in good taste so as not to detract from
35 the general appearance of the Premises and Terminal. If Tenant shall be in default of this Section 9.01
36 which is not cured within 48 hours after notice, Tenant shall pay as Additional Rent the sum of \$100.00 for
37 each day of default in order to reimburse Landlord for the additional administrative expenses resulting
38 therefrom.
39

40 **Section 9.02 TENANT'S DISPLAY WINDOWS.** Tenant acknowledges and agrees that the
41 condition and appearance of its interior advertising stanchions and display windows facing into or in any
42 manner visible from the Terminal property including exterior glass windows (if any) is important and
43 significant to both Landlord and the Authority. If Tenant installs such interior advertising display
44 stanchions or window display or any signs in the window display facing into or in any manner visible from
45 the public areas of the Terminal which either Landlord or the Authority reasonably determines to be
46 objectionable to the general character and appearance of the Terminal, Tenant agrees to remove the
47 stanchions, window display and/or signs within 2 days after notice. If Tenant fails or refuses to remove such
48 stanchion, window display or sign, Tenant hereby grants Landlord the right to remove the stanchion, display
49 or sign at the Tenant's expense. Tenant agrees that its interior advertising display stanchions and display
50 windows will be designed and printed in a professional manner and will contain only first class
51 merchandise. Under no circumstances shall any temporary signs or displays be used by Tenant including

1 any employment opportunity signs. Temporary holiday decorations shall also be designed and printed in a
2 professional manner.

6 **MAINTENANCE AND REPAIRS**
7

8
9 **Section 10.01 LANDLORD'S OBLIGATIONS FOR MAINTENANCE.** Landlord shall keep
10 and maintain the Terminal property, which is not part of the Premises, and the roof (excluding any skylights,
11 Tenant installed rooftop HVAC units and/or roof penetrations made by Tenant, any of which shall only be
12 permitted with Landlord's prior written consent and subject to the TAA process), structural elements and
13 structural foundation and the exterior surface of the exterior walls of the building in which the Premises is
14 located (exclusive of storefronts, doors, door frames, door checks, other entrances, windows or window
15 frames which are part of the Premises or which are not part of the public areas of Terminal), the public areas
16 of the Terminal adjacent to the Premises in good repair, except that Landlord shall not be required to
17 undertake any maintenance or repair required or occasioned by any act, negligent act or omission to act of
18 Tenant, its agent, employees, licensees, contractors or subcontractors or caused by any alteration, addition,
19 construction or improvement by Tenant, its agents, employees, licensees, contractors or subcontractors.
20 Such maintenance of the Terminal required by Landlord herein shall be maintained in a condition which
21 Landlord determines for the proper operation thereof, determined in Landlord's sole discretion, but only to
22 the extent required of Landlord under the Terminal C Lease. Landlord shall not be called upon or required to
23 make any other improvements or repairs of any kind upon the Premises and appurtenances, except as
24 specifically required under this Sublease. In no event shall Landlord be liable for any damages, whether
25 consequential damages or otherwise or lost profits claimed to be caused by any failure of maintenance or
26 repair by Landlord and nothing contained in this Section 10.01 shall limit Landlord's right to reimbursement
27 from Tenant for maintenance costs, repair costs and replacement costs confirmed elsewhere in this Sublease.
28

29 **Section 10.02 TENANT'S OBLIGATIONS FOR MAINTENANCE.** (a) Except as provided in
30 Section 10.01, Tenant, at Tenant's sole cost and expense, shall keep and maintain in a first-class appearance,
31 in a "like new" condition equal to or better than that which existed when Tenant initially opened the
32 Premises for business, reasonable wear and tear and damage by fire and other casualty excepted, and in a
33 safe, clean, neat, sanitary and lawful order, good condition and repair (including replacement of parts and
34 equipment, if necessary), the Premises and every part thereof and any and all appurtenances thereto
35 wherever located, including, without limitation, surfaces of all walls, windows and window casings and sills
36 (both interior and exterior), the interior and exterior portion of all doors, door frames and door checks, other
37 entrances, plate glass (except outside surfaces of windows, window casings and sills located on the exterior
38 of the Terminal building, if any), storefronts, wall coverings, floor coverings, ceilings, relamping and/or
39 replacement of light fixtures, trade fixtures, Fixed Improvements, Operating Equipment, HVAC and
40 electrical and other utility systems and utility branch lines exclusively serving the Premises (whether or not
41 located within the Premises), sprinkler systems and sprinkler heads exclusively serving the Premises
42 (whether or not located within the Premises), and all other repairs, replacements, renewals, restorations,
43 interior and exterior, ordinary and extraordinary, foreseen and unforeseen that relate to all work by or on
44 behalf of Tenant pursuant to Article V, Article VI, Exhibit B and the Tenant Design Criteria and Handbook.
45

46 (b) Tenant shall keep and maintain the Premises in a first-class, like-new, clean, neat, safe and
47 sanitary condition in accordance with applicable Landlord and/or Authority regulations and all directions,
48 rules and regulations of the applicable health, fire and building inspector officials or other proper officials of
49 governmental agencies having jurisdiction. Tenant shall comply with all requirements of laws, ordinances
50 and otherwise affecting the Premises at Tenant's sole cost and expense, including complying with the
51 requirements of any insurance underwriters, inspection bureaus or similar agencies designated in writing by

1 either Landlord or the Authority upon suitable notice. Tenant shall promptly undertake and complete
2 diligently any repair, replacement or maintenance to any of the foregoing as may be considered reasonably
3 necessary by Landlord or the Authority with materials and labor reasonably approved by Landlord. At the
4 end of the Term or upon the earlier termination of this Sublease, Tenant shall surrender the Premises broom-
5 clean and in good order, condition and repair, reasonable wear and tear and damage by fire, loss or other
6 casualty not covered or required to be covered by Tenant's insurance or not otherwise attributable to
7 Tenant's fault or negligence excepted.
8

9 (c) Tenant's maintenance and repair of the Premises is an obligation which runs directly to Landlord
10 and the Authority (per Tenant's Agreement with the Authority) and includes all of the following duties:
11

12 (i) Tenant, at its own expense, shall install and maintain fire extinguishers, fire hoses and other fire
13 protection devices as may be required by Landlord, the Authority, the applicable fire marshal official and
14 any agency having jurisdiction thereof or by the insurance underwriter insuring the Terminal.
15

16 (ii) Tenant shall obtain Landlord's prior written approval of the materials used in any plate glass or
17 window glass installation, repair or replacement and Contractor performing any such repair and replacement
18 (the foregoing is subject to Landlord's sole discretion).
19

20 (iii) Tenant, at all times and at its sole cost and expense, shall use the Premises with care.
21 Maintenance, repairs and replacements shall be accomplished as necessary to maintain the Fixed
22 Improvements and Operating Equipment and trade fixtures in good condition. Tenant shall repaint, retile,
23 recarpet or replace wall coverings, floor coverings and ceiling coverings as reasonably necessary, and high
24 traffic areas shall be repainted, retiled, recarpeted on a regular basis or as otherwise reasonably directed by
25 Landlord to maintain a high quality, first-class appearance; and all furniture and furnishings that become
26 worn or torn shall be promptly replaced as necessary.
27

28 (iv) Tenant, at its own expense, shall provide complete and adequate arrangements for the sanitary
29 handling and disposal of all trash, garbage, recycling materials and other refuse generated in the Premises,
30 including suitable receptacles situated in locations determined by Landlord. Such shall be removed at times
31 and in a manner which will cause minimum interference with the use of the Terminal by the public and
32 other authorized persons. Tenant shall be required to participate in Landlord's recycling program, if any, as
33 appropriate. Tenant shall also furnish, at its own expense, custodial services for the Premises. Piling of
34 boxes, cartons, containers or other similar items in the public areas or in the Premises is not permitted.
35

36 (v) With respect to utility systems and lines servicing the Premises, (a) in areas where such utility
37 systems and lines serve other areas in the Terminal in addition to the Premises, Tenant shall only be
38 responsible for the maintenance of the utility branch systems and utility branch lines located within or
39 exclusively serving the Premises, (b) where utility systems and lines are installed by Tenant and solely for
40 its use, Tenant shall solely be responsible for the maintenance, repair and replacement thereof from the
41 Premises up to the Landlord - maintained main utility systems or lines or to the shut-off valves located in the
42 Terminal, as appropriate, (c) Tenant shall have sole responsibility for the maintenance, repair and
43 replacement, as necessary, of all electrical, telephone, data transmission and other communication cables,
44 conduits, wiring, fire alarm systems and protection devices, wiring panels and associated equipment located
45 within or exclusively serving the Premises. The Authority reserves the right to maintain, repair or replace
46 any such utility systems and lines to the extent of its rights under the Terminal C Lease.
47

48 (vi) Tenant shall prepare a comprehensive preventive maintenance program for all equipment and
49 lines that it is responsible for maintaining and submit the same to Landlord and shall maintain such program
50 on a current basis. Tenant shall report all malfunctions to all systems, lines, devices and equipment installed
51 or located within the Premises to Landlord in accordance with the Authority's regulations and as promptly

1 as possible after discovery and provide timely notice to Landlord as required by this Sublease with respect
2 to maintenance issues.

3
4 (vii) All repairs, replacements and maintenance by Tenant hereunder shall comply with all of the
5 applicable provisions of the Authority's TAA process, as the same may be amended from time to time by
6 the Authority in its sole discretion, shall be performed in accordance therewith and with the applicable
7 provisions of the Tenant Design Criteria and Handbook and shall be subject to the Landlord's prior written
8 approval (except in the case of emergencies when only prior notice to Landlord shall be required), such
9 approval to be determined in Landlord's sole discretion. All such maintenance, repairs and replacements
10 shall be of a quality equal to the original in materials and workmanship, Landlord shall have the right to
11 disapprove any improvements, replacements or alterations which, in its judgment, are of a design, quality,
12 condition or in any color or in any other way deemed to be inconsistent with the Tenant Design Criteria and
13 Handbook, the Authority's TAA process or the general character and design of the Terminal.

14
15 (viii) Landlord, the Authority, or both, reserve the right to interrupt temporarily, the heating, air
16 conditioning, plumbing, fire sprinkler and electrical services when necessary to make repairs, alterations,
17 replacements or improvements thereto. Neither the Authority nor Landlord shall have any responsibility or
18 liability to Tenant (including consequential damages and lost profits) for failure to supply heat, air
19 conditioning, all other utilities or plumbing or, when prevented from doing so by laws, orders or regulations
20 of any federal, state or local agency as a result of strikes, accidents, force majeure or by any other cause
21 whatsoever beyond Landlord's or the Authority's control. Landlord shall provide Tenant with as much
22 advance notice as reasonably possible and under the circumstances shall use reasonable efforts to avoid
23 interrupting Tenant's business operations except as deemed necessary by Landlord or the Authority.

24
25 **Section 10.03 RIGHTS OF THE AUTHORITY AND LANDLORD.** If at any time Tenant
26 shall fail to comply with any of its obligations under Section 10.02 hereof, Landlord reserves the right to
27 perform and complete such maintenance, repairs, replacements or alterations after notice to Tenant of its
28 default thereunder and Tenant's failure to timely cure the same, and charge back to Tenant the full cost
29 thereof, plus appropriate administrative fees, for such work performed on behalf of Tenant. Landlord or the
30 Authority, without prior notice to Tenant, may enter the Premises and make inspections as often as it
31 considers necessary, to determine the proper maintenance of the Premises by Tenant. Further, Landlord
32 reserves the right to interrupt, temporarily, all utility services provided by Landlord when necessary to make
33 repairs, alterations, replacements or improvements in such systems.

34
35
36 **ARTICLE XI**
37 **INSURANCE AND INDEMNITY**
38

39
40 **Section 11.01 TENANT'S INSURANCE.** (a) Tenant, at its sole cost and expense, shall, during
41 the entire Term hereof, procure and keep in force: (i) Commercial General Liability Insurance with respect
42 to the Premises and the operations of Tenant in, on or about the Premises, in which the combined limits shall
43 be not less than \$5,000,000.00 per occurrence, broad form/extended coverage, insuring for bodily injury,
44 death and property damage, and business automobile liability insurance covering all owned, non-owned and
45 hired or borrowed vehicles of Tenant used in connection with the operation of its business from the
46 Premises, in which the limits for landside vehicle/mobile equipment operation shall be not less than
47 \$2,000,000.00 per occurrence combined single limit, insuring for bodily injury, death and property damage,
48 and in which the limits for airside vehicle/mobile equipment operation shall be not less than \$25,000,000.00
49 per occurrence combined single limit, insuring for bodily injury, death and property damage; (ii) plate glass
50 insurance (Tenant may self-insure), at full replacement value; (iii) insurance against fire, extended coverage,
51 vandalism, malicious mischief, water damage which does not exclude backup from sewers or drains and/or

1 sprinkler leakage, and such other additional perils including flood as now are or hereafter may be included
2 in a standard extended coverage endorsement from time to time in general use in the county in which the
3 Terminal is located, insuring Tenant's merchandise, Fixed Improvements, trade fixtures, furnishings,
4 Operating Equipment and all other items of personal property of Tenant located on or in the Premises, in an
5 amount equal to the full replacement cost thereof; (iv) workers' compensation coverage as required by the
6 State of New Jersey and including Employer's Liability Insurance in the amount of \$1,000,000.00 each
7 accident, \$1,000,000.00 each employee, by disease, \$1,000,000.00 policy aggregate by disease; (v) with
8 respect to alterations, improvements and the like required or permitted to be made by Tenant hereunder,
9 builders' risk insurance in an amount reasonably satisfactory to Landlord, which coverage may be provided
10 and accepted from Tenant's contractors rather than Tenant; (vi) the insurance required under Exhibit B or
11 the TAA process; and (vii) such other insurance as may be reasonably required by Landlord or the Authority
12 from time to time after suitable notice thereof based upon circumstances in the Terminal and imposed upon
13 other retail concession operators in the Terminal. In addition, if Landlord in its reasonable, non-
14 discriminatory opinion deems it necessary to increase the amounts or limits of insurance required to be
15 carried by Tenant hereunder, Landlord may reasonably increase said amounts or limits (limited to a five
16 percent increase in amounts or limits in any Lease Year), and Tenant shall so increase the amounts or limits
17 of the insurance required to be carried by Tenant hereunder and shall provide Landlord with certificates
18 indicating the increased amounts or limits as provided in this Section 11.01. All policies of insurance
19 required to be carried by Tenant pursuant to this Section 11.01 shall be written by insurance companies of
20 adequate financial capacity (having a Best's rating and Financial Size Category of not less than A-/VII) and
21 qualified to do business in the State of New Jersey. Any such insurance required of Tenant hereunder may
22 be furnished by Tenant under any blanket policy carried by it or under a separate policy therefor. An
23 insurance certificate (and endorsements where same become necessary) Tenant's insurer, certifying that
24 such policy has been issued, provides the coverage required by this Section 11.01 and contains all of the
25 provisions specified in this Section 11.01 (including, without limitation, naming of additional insured
26 entities as required by Section 11.01(b) below) shall be delivered to Landlord's General Manager, at the
27 address set forth on the Data Sheet prior to the commencement of the Term hereof, and certificates in
28 connection with all renewals (if any), not less than 30 days prior to the expiration of the term of each such
29 policy. As often as any such policy shall expire or terminate, renewal or additional policies shall be
30 procured and maintained by Tenant.

31
32 (b) Each policy evidencing insurance required to be carried by Tenant pursuant to this Section 11.01
33 shall contain the following clauses and provisions: (i) a provision that such policy and the coverage
34 evidenced thereby shall be primary and noncontributing with respect to any policies carried by Landlord or
35 the Authority and that any coverage carried by Landlord or the Authority be excess insurance; (ii) a
36 provision including Landlord, the Authority and the parties set forth on Exhibit F and any other parties
37 designated in writing by Landlord from time to time as additional insured entities; (iii) with respect to the
38 insurance carried by Tenant under Section 11.01(a) (iii) and (iv) above, a waiver by the insurer of any right
39 to subrogation against Landlord and the Authority and other additional insured entities, their respective
40 agents, commissioners, directors, employees, officers and representatives which arises or might arise by
41 reason of any payment under such policy or by reason of any act or omission of Landlord, the Authority,
42 their respective agents, commissioners, directors, employees, officers or representatives; (iv) a severability
43 of interest clause or endorsement; (v) a provision that the insurer will not cancel or change the coverage
44 provided by such policy without giving Landlord and the Authority 30 days' prior written notice; (vi) such
45 policy shall be an occurrence form policy; and (vii) a provision that the insurer shall not, without obtaining
46 the express advance permission from the Authority's General Counsel, raise any defense involving in any
47 way the jurisdiction of the tribunal over the person of the Authority, the immunity of the Authority, its
48 commissioners, officers, agents or employees, the governmental nature of the Authority or the provisions of
49 any statutes respecting suits against the Authority.

50
51 (c) In the event that Tenant fails to procure or to maintain, at the times and for the duration specified

1 in this Section 11.01, any insurance required by this Section 11.01, or fails to carry insurance required by
2 law or governmental regulation, Landlord may (but shall not be required to) at any time or from time to
3 time, and upon 5 days notice to Tenant, procure such insurance and pay the premiums therefor, and the cost
4 of same, shall be deemed Additional Rent and shall be payable within 10 days after receipt of Landlord's
5 written demand. Tenant will not do or suffer to be done, or keep or suffer to be kept, anything in, upon or
6 about the Premises which will violate Landlord's, the Authority's or the Airport's policies of hazard or
7 liability insurance or which will prevent Landlord or the Authority from procuring such policies in
8 companies acceptable to Landlord or the Authority.
9

10 **Section 11.02 LANDLORD'S INSURANCE.** Landlord has the obligation to carry the insurance
11 set forth in the Terminal C Lease, but only to protect the interests of Landlord and the Authority. Landlord,
12 by virtue of this Sublease or otherwise, has no obligation to protect the interests of Tenant nor name Tenant
13 as an additional insured under any of its insurance covering the Terminal. The Authority shall, at its sole
14 option, carry insurance on the Terminal and the Airport as it sees fit or operate under a self-insurance
15 program. Tenant shall inform Landlord, the Authority and the Airport police, in writing, within 24 hours
16 after Tenant becomes aware of any damage or alleged theft of the property of Landlord or the Authority.
17

18 **Section 11.03 COVENANT TO HOLD HARMLESS.** Tenant at its sole cost and expense shall
19 defend and indemnify Landlord, the Authority, their respective affiliates, parent corporations, subsidiaries,
20 commissioners, directors, officers, partners, shareholders, representatives, management companies, agents
21 and employees, and save them harmless (except to the extent of loss or damage resulting from the
22 intentional or willful acts or omissions or the negligence of Landlord not required to be insured against by
23 Tenant pursuant to this Article XI) from and against any and all claims, actions, demands, judgments,
24 awards, fines, mechanics' liens or other liens, losses, damages, liability and expense, including reasonable
25 attorneys' fees and court costs, in connection with all losses, including loss of life, personal injury and/or
26 damage to property, arising from or out of any occurrence, upon or at the Premises, Tenant's conduct of its
27 business in the Terminal or the occupancy or use by Tenant of the Premises; or arising from or out of
28 Tenant's failure to comply with any provision hereof or occasioned wholly or in part by any act or omission
29 of Tenant, its concessionaires, agents, contractors, subcontractors, suppliers, employees, servants, or
30 licensees and including any product liability claim or any labor dispute involving Tenant or its contractors,
31 subcontractors and agents, all for which is regardless of where the injury, death or damage may occur. In
32 case Landlord, the Authority or any other party so indemnified shall be made a party to any litigation
33 commenced by or against Tenant, then Tenant shall defend, indemnify, protect and save them harmless with
34 counsel reasonably acceptable to Landlord and the Authority and shall pay, as the same becomes due and
35 payable, all costs, expenses and reasonable attorneys' fees and court costs incurred or paid by them in
36 connection with such litigation, or, at Landlord's or the Authority's discretion or request, such parties may
37 conduct the defense thereof on their own behalf and in such event, Tenant shall immediately reimburse
38 either Landlord and/or the Authority, as the case may be, for all such costs and expenses incurred or paid by
39 them as provided above in this Section. Landlord or the Authority shall give Tenant reasonable notice of
40 and the opportunity to defend against any such claims or actions. The foregoing express obligation of
41 indemnification shall not be construed to negate or abridge any other indemnity running in favor of
42 Landlord or the Authority which would exist at common law or under other provisions hereof and/or the
43 Terminal C Lease. In addition, if Landlord or the Authority is deemed to be in noncompliance with laws or
44 regulations governing access to secured areas of the Terminal or to the areas of any airfield which is a part
45 of the Airport and said noncompliance is a result of or due to the negligence or act or omission of Tenant, its
46 agents, concessionaires, contractors, subcontractors, vendors, suppliers, employees, servants or licensees
47 and such noncompliance results in a civil penalty action against Landlord or the Authority, Tenant agrees to
48 reimburse Landlord or the Authority for all expenses, including reasonable attorneys' fees incurred by
49 Landlord or the Authority in defending against the civil penalty action and for any civil penalty or
50 settlement amount paid by Landlord or the Authority. Landlord shall give Tenant reasonable notice of any
51 allegation, investigation or proposed or actual civil penalty action which relates to noncompliance by, the

1 negligence, act or omission of Tenant, its agents, concessionaires, contractors, subcontractors, vendors,
2 suppliers, employees, servants or licensees. The provisions of this Section 11.03 shall survive the expiration,
3 termination or earlier cancellation of this Sublease for any claims, suits, demands, actions, liabilities, loss or
4 damage which occur prior to the expiration, termination or earlier cancellation of this Sublease.
5

6 **Section 11.04 INJURY CAUSED BY THIRD PARTIES.** Tenant covenants and agrees that
7 Landlord and the Authority (including their respective agents, employees, officers, directors,
8 commissioners, members and shareholders) shall not be responsible or liable to Tenant, or any entity or
9 person claiming by, through or under Tenant, for any injury, death or damage to persons or property
10 resulting from any latent defect in the Premises, the Terminal, the Airport and appurtenant areas; or from
11 any acts or omissions of entities, persons, subtenants or other occupants occupying adjoining premises in the
12 Terminal or any other part of the Airport or the agents, servants, employees, contractors or invitees of such
13 entities, persons, subtenants or occupants; or from fire, electricity, water, snow or leaks from any part of the
14 Terminal or Terminal systems, including sprinkler systems; or from any other cause of whatever nature,
15 unless caused by or due to the direct negligence or direct misconduct of Landlord, its agents and employees.
16

17
18 **ARTICLE XII**
19 **UTILITIES**
20

21
22 **Section 12.01 UTILITY CHARGES.** (a) Landlord shall provide reasonable and normal amounts
23 (as determined by Landlord) of electric, heat, air conditioning, domestic cold water (if applicable), high
24 temperature hot water (if applicable), gas (if applicable) and sewage (if applicable) services to the Premises
25 for use by Tenant provided by utility systems, connections and related equipment existing as of the
26 Commencement Date but shall have no obligation to provide telephone or data communication services to
27 the Premises. Should Tenant require utility services over and above those provided by Landlord, Tenant
28 shall pay directly for the costs of extending those additional utilities to the Premises. Tenant shall pay for all
29 such additional utilities consumed within the Premises within 10 days following receipt of an invoice from
30 Landlord or directly to the appropriate public utility company if Tenant is billed directly by such public
31 utility company. Where possible, in those cases where the Tenant is paying for additional utilities, utility
32 consumption shall be determined by separate metering. If separate metering is not possible, Landlord shall
33 make a reasonable determination to calculate the amount owed by Tenant.
34

35 (b) Tenant shall be solely responsible for and shall promptly pay for all fees, deposits and charges,
36 including use and/or connection fees, hook-up fees, standby fees, and/or penalties for discontinued or
37 interrupted service, and the like, for water (domestic cold and high temperature hot, if applicable), gas,
38 electricity, heat, air conditioning, fire alarm, burglar alarm, telephone, cable television, sewer and sanitation,
39 solid waste disposal and any other service or utility used in or upon or furnished to the Premises, including,
40 without limitation, any services to be supplied by Landlord, irrespective of whether any of the foregoing are
41 initially paid in advance by Landlord, or otherwise.
42

43 (c) In no event shall Landlord or the Authority be liable for damages, loss of business, loss of profits
44 or otherwise for any interruption, reduction, disruption, curtailment or failure in the supply, quality or
45 character of electricity, services from a central utility plant or any other utility or other service, or if either
46 the quantity, quality or character thereof supplied to or by Landlord is changed or is no longer available for
47 Tenant's requirements, nor shall any such interruption, reduction, disruption, curtailment, failure or change
48 in quantity, quality or character constitute or be deemed to constitute actual or constructive eviction of
49 Tenant, or excuse or relieve Tenant from its obligations hereunder, including but not limited to the payment
50 of Rental or all other sums, damages, fees, costs and expenses payable under this Sublease. Any obligation
51 of Landlord to furnish light, power and services from a central utility plant shall be conditioned upon the

1 availability of adequate energy sources. Landlord shall have the right to reduce heating, cooling and lighting
2 within the Premises and the public areas as required by any mandatory or voluntary fuel or energy saving
3 allocation, or similar statute, regulation, order or program. Notwithstanding anything to the contrary
4 contained in this Section 12.01(c), if any utility to the Premises is supplied by or through either Landlord or
5 the Authority and, due to the sole negligence of either Landlord or the Authority, such utility to the Premises
6 is interrupted which forces Tenant to close its business within the Premises for more than 2 complete and
7 consecutive days, then Guaranteed Rent shall abate for the period commencing on the 3rd day after Tenant
8 is forced to close its business within the Premises and shall continue until the earlier of: (i) the date such
9 utility is restored to the Premises, or (ii) the date Tenant reopens its business in the Premises.

10
11 (d) Tenant shall operate its heating, ventilating and air conditioning ("HVAC") system(s) serving
12 the Premises so as to maintain comfortable conditions during regular Terminal retail concession business
13 hours. Temperatures in the Premises shall be compatible with temperatures in the Terminal. Tenant's
14 obligation to connect to the services supplied by Landlord, as set forth in this Section 12.01 and Exhibit B,
15 as well as Tenant's operation and maintenance of its HVAC system(s) within the Premises, shall be as set
16 forth herein, in Exhibit B and in any related exhibit(s), such as the Tenant Design Criteria and Handbook or
17 approved Final Drawings. If Tenant desires to install any equipment which shall exceed the capacity of any
18 utility facilities or which shall require additional utility facilities, Tenant shall not have the right to do so
19 without Landlord's prior written approval of Tenant's plans and specifications therefor. If such installation is
20 approved by Landlord, and if such additional facilities are provided to accommodate Tenant's installation,
21 Tenant agrees to pay Landlord, on demand, the cost of providing such additional utility facilities or utility
22 facilities of greater capacity. Tenant shall in no event use any of the utility facilities in any way which shall
23 overload or overburden the utility systems at the Terminal and the Airport. Landlord shall have the right to
24 impose reasonable restrictions and require Tenant to comply with any state or local regulations or measure
25 adopted from time to time with respect to conservation of any utilities including water usage.

26
27
28 **ARTICLE XIII**
29 **ESTOPPEL STATEMENT, ATTORNMENT AND SUBORDINATION**
30

31
32 **Section 13.01 ESTOPPEL STATEMENT.** Within 20 days after request therefor by Landlord,
33 Tenant shall execute, in recordable form, and deliver to Landlord a statement, in writing, certifying (a) that
34 this Sublease is in full force and effect, (b) the Rental Commencement Date and the expiration date hereof,
35 (c) that Rental and all other charges hereunder are paid currently without any offset or defense thereto, (d)
36 the amount of Rental and all other charges hereunder, if any, paid in advance, (e) whether this Sublease has
37 been modified and, if so, identifying the modifications, (f) that, to the best of its knowledge, there are no
38 uncured defaults by Landlord or stating in reasonable detail those claimed by Tenant, and (g) such other
39 matters as may be reasonably requested by Landlord.
40

41 **Section 13.02 ATTORNMENT.** If the Authority terminates the Terminal C Lease, the Terminal
42 C Lease expires, or in the event Landlord assigns, sells, or otherwise transfers its interest in the Terminal C
43 Lease, this Sublease either (i) shall terminate in accordance with the provisions hereof, or (ii) at the
44 Authority's discretion, shall remain in full force and effect and shall be assigned to the Authority or its
45 designee. If and when this Sublease is assigned to the Authority or its designee and the Authority or its
46 designee, as the case may be, agrees to assume the same, then on request of the Authority, Tenant hereby
47 attorns to and covenants and agrees to execute an instrument in writing satisfactory to the Authority
48 whereby Tenant attorns to the Authority or its designee and recognizes the Authority or its designee as the
49 landlord hereunder.
50

51 **Section 13.03 SUBORDINATION.** Tenant further agrees this Sublease shall be subordinate to

1 the Terminal C Lease and to any mortgages, deeds of trust or any ground leases that may now exist or be
2 placed upon the Premises, the Terminal or the Airport and to any and all advances to be made thereunder,
3 and to the interest thereon, and all renewals, modifications, replacement and extensions thereof. Tenant
4 agrees that upon the demand of Landlord, the Authority or any mortgagee, beneficiary or ground lessor,
5 Tenant shall, within 20 days of the receipt of said demand, execute whatever reasonable instruments as may
6 be required to carry out the intent of this Section 13.03 in the form requested by Landlord, the Authority or
7 such mortgagee, beneficiary or ground lessor, including, without limitation, appropriate subordination
8 agreements upon the condition that Tenant shall have the right to remain in possession of the Premises under
9 the terms hereof, notwithstanding any default in any such mortgage, deeds of trust or ground lease, or after
10 foreclosure thereof, so long as Tenant is not in default beyond the applicable notice and cure periods under
11 any of the covenants, conditions and agreements contained herein.
12
13

14 **ARTICLE XIV**
15 **ASSIGNMENT AND SUBLETTING**
16

17
18 **Section 14.01 RESTRICTIONS.** Notwithstanding anything to the contrary contained herein
19 except as otherwise set forth in this Article XIV, Tenant shall not mortgage, pledge or encumber all or any
20 part of this Sublease, nor Tenant's interest in the Premises and Tenant shall not assign this Sublease, sublet
21 the Premises or any part thereof, or any right or privilege appurtenant thereto, nor enter into franchise,
22 license or concession agreements allowing any other entity or person to occupy or use the Premises or any
23 part thereof (collectively, "Transfer") without first procuring the written consent of Landlord. Tenant agrees
24 that Landlord may withhold its consent as determined in Landlord's sole discretion and without the need to
25 provide any reason for withholding consent. Any dissolution, sale or other transfer of all or substantially all
26 of the assets of Tenant shall be deemed a Transfer of this Sublease. Any attempted or purported Transfer
27 without Landlord's prior written consent shall be void and of no force or effect and shall not confer any
28 estate or benefit on anyone. Consent to a Transfer by Landlord shall not be deemed to be consent to any
29 subsequent Transfer to any other party. No Transfer of this Sublease or agreement entered into with respect
30 thereto, whether with or without Landlord's consent, shall relieve Tenant or any guarantor from liability
31 hereunder. Landlord has been induced to enter into this Sublease with Tenant in order to obtain, for the
32 benefit of the Terminal retail concession program, Tenant's experience and business reputation. The
33 restrictions against Transfers contained herein are consistent therewith and expressly agreed to by Tenant.
34

35 **Section 14.02 PROCEDURE FOR TRANSFER AND RENTAL ADJUSTMENT.** (a) Should
36 Tenant desire to make a Transfer hereunder, Tenant shall, in each instance, give written notice of its
37 intention to do so to Landlord at least 75 days before the intended effective date of any such proposed
38 Transfer, specifying in such notice whether Tenant proposes to assign or sublet, or enter into license,
39 franchise or concession agreements, the proposed date thereof, and specifically identifying the proposed
40 Transferee and the net worth (certified as accurate by the proposed Transferee) and previous business
41 experience of the proposed Transferee. Landlord shall, within 45 days after its receipt of such notice of a
42 proposed Transfer, by giving written notice to Tenant of its intention to do so: (a) withhold consent to the
43 Transfer; or (b) consent to the Transfer. Failure of Landlord to give Tenant written notice of Landlord's
44 action with respect to any request for Landlord's consent to a proposed Transfer shall not constitute or be
45 deemed Landlord's consent to such Transfer. Landlord's consent to a proposed Transfer shall only be given
46 if and when Landlord has notified Tenant in writing that Landlord consents to such proposed Transfer.
47

48 (b) If Tenant shall make a permitted Transfer hereunder to a non-affiliated third party, then the
49 Guaranteed Rent then currently paid by Tenant to Landlord shall be increased, effective as of the date of
50 such Transfer, to an amount equal to the greater of: (i) one hundred percent (100%) of the then current
51 Guaranteed Rent payable hereunder immediately prior to such effective date; or (ii) the Guaranteed Rent

1 and Percentage Rent paid hereunder for the immediately preceding Lease Year prior to such effective date.
2 If the Guaranteed Rent is increased under sub-clause (ii) above, the Monthly Breakpoint for Percentage Rent
3 shall be adjusted accordingly. In no event shall the Guaranteed Rent, after a permitted Transfer, be less than
4 the then current Guaranteed Rent payable hereunder immediately before a permitted Transfer.
5

6 **Section 14.03 REQUIRED DOCUMENTS AND FEES.** Each Transfer to which Landlord has
7 consented shall be evidenced by a written instrument in form reasonably satisfactory to Landlord, executed
8 by Tenant and the Transferee, under which the Transferee shall agree in writing for the benefit of Landlord
9 and the Authority to assume, perform and abide by all of the terms, covenants and conditions of this
10 Sublease and Tenant's Agreement with the Authority to be done, kept and performed by Tenant, including
11 the payment of all amounts due or to become due hereunder directly to Landlord and the obligation to use
12 the Premises only for the purpose specified herein. In addition, the Transfer shall not become effective until
13 the Transferee has entered into an Agreement or similar document with the Authority as required by the
14 Authority including the form and content thereof. Tenant shall reimburse Landlord for Landlord's
15 reasonable attorneys' and administrative fees incurred in the processing of, and documentation for, each
16 such requested Transfer, whether or not the Transfer is consummated with any such reasonable attorneys'
17 and administrative fees not to exceed \$500.00.
18

19 **Section 14.04 TRANSFER OF STOCK OR PARTNERSHIP INTEREST.** If Tenant is a
20 corporation, association or partnership which, under the current laws, rules or guidelines promulgated by the
21 governmental body or agency having jurisdiction and authority to promulgate the same, is not deemed a
22 public corporation, or is an unincorporated association or partnership, the transfer, assignment or
23 hypothecation, in the aggregate of more than a twenty-five percent (25%) interest of the total outstanding
24 voting stock or voting interest in such corporation, association or partnership shall be deemed a Transfer
25 within the meaning and provisions hereof.
26

27 **Section 14.05 ASSIGNMENT AND SUBLEASE RENTALS.** The following conditions shall
28 apply to any subletting by Tenant of all or any part of the Premises (if and when approved by Landlord) and
29 shall be deemed included in all further subleases hereunder whether or not expressly incorporated therein.
30 Tenant hereby assigns and transfers to Landlord all of Tenant's interest in all rentals and income arising
31 from any such further sublease heretofore or hereafter made by Tenant, and Landlord may collect such rent
32 and income and apply same toward Tenant's obligations hereunder; provided, however, that until a breach
33 shall occur in the performance of Tenant's obligations hereunder, Tenant may, except as otherwise provided
34 herein, receive, collect and enjoy the rents accruing under such further sublease. Landlord shall not, by
35 reason of this or any other assignment of such further sublease to Landlord, nor by reason of the collection
36 of the rents from a subtenant, be deemed liable to the subtenant for any failure of Tenant to perform and
37 comply with any of Tenant's obligations to such subtenant under such further sublease. Tenant hereby
38 irrevocably authorizes and directs any such subtenant, upon receipt of a written notice from Landlord stating
39 that a breach exists in the performance of Tenant's obligations hereunder, to pay to Landlord the rents and
40 other charges due and to become due under such further sublease. The subtenant shall rely upon any such
41 statement and request from Landlord and shall pay such rents and other charges to Landlord without any
42 obligation or right to inquire as to whether such breach exists and notwithstanding any notice from or claim
43 from Tenant to the contrary. Tenant shall have no right or claim against said subtenant, or, until the breach
44 has been cured, against Landlord, for any such rents and other charges so paid by said subtenant to
45 Landlord. In the event of a breach by Tenant in the performance of its obligations hereunder, Landlord, at
46 its option and without any obligation to do so, may require any subtenant to attorn to Landlord, in which
47 event Landlord shall undertake the obligations of the sublandlord under such sublease from the time of the
48 exercise of said option to the expiration of such further sublease; provided, however, Landlord shall not be
49 liable for any prepaid rents or security deposit paid by such subtenant to Tenant or for any other prior
50 defaults or breaches of Tenant as sublandlord under such further sublease.
51

1
2 **Section 14.06 PERMITTED TRANSFER SUBJECT TO CONSENT.** (a) Notwithstanding
3 anything to the contrary contained in this Article XIV, the transfer of Tenant's securities in connection with
4 Tenant becoming a publicly held company or issuing securities in connection with an additional public
5 offering of securities shall not constitute a Transfer. Further, the public trading of Tenant's securities on a
6 nationally recognized exchange or on the NASDAQ market shall not constitute or be considered to result in
7 any such Transfer.
8

9 (b) Notwithstanding the foregoing provisions of this Article XIV, Tenant shall have the right to
10 Transfer this Sublease, with Landlord's consent, such consent not to be unreasonably withheld, to: (i) a
11 subsidiary of Tenant or its parent corporation or to an entity that is an affiliate of Tenant or its parent
12 corporation; (ii) any corporation with which Tenant shall merge, reorganize or consolidate; or (iii) any
13 corporation acquiring all or substantially all of the assets of Tenant; provided that in the case of any and
14 each such Transfer under clauses (ii) and (iii) above which is permitted in this Section 14.06, Landlord shall
15 have the discretionary right to withhold its consent unless; (1) such Transferee shall have a net worth equal
16 to or greater than Tenant (or its guarantor, if any) as of the effective date of any proposed Transfer; (2) such
17 Transferee shall have proven retailing experience and the ability to efficiently and effectively operate the
18 business in the Premises consistent with at least as high a standard as then exists in the Premises; (3) the
19 business conducted in the Premises by such Transferee shall be conducted under the same use and under a
20 trade name permitted to be used by Tenant hereunder; (4) Tenant shall not be in default after the applicable
21 notice and cure periods under any of the terms and provisions hereof; (5) the use of the Premises by such
22 Transferee shall not violate any agreements affecting the Premises, Landlord, the Authority or other tenants
23 or occupants in the Airport; (6) except as may otherwise be prohibited under federal securities laws, notice
24 of any proposed Transfer shall be given to Landlord at least 30 days prior to its proposed effective date, and
25 there shall be delivered to Landlord instruments evidencing such proposed Transfer and the agreement of
26 such Transferee to assume and be bound by all of the terms, conditions and covenants hereof and Tenant's
27 Agreement with the Authority to be performed by Tenant, all in form reasonably acceptable to Landlord and
28 acceptable to the Authority; and (7) Tenant and its guarantor, if any, shall continue to remain fully liable for
29 the payment of all sums due and the performance of all the terms and conditions hereof.
30

31 (c) Notwithstanding the foregoing provisions of this Article XIV which shall not be binding upon or
32 enforceable against the Authority and regardless of whether Landlord has in fact consented to any further
33 subletting of the Premises or a proposed Transfer, Landlord's consent will be of no force and effect and
34 shall not be binding upon the Authority in any manner whatsoever. No such further subletting or a proposed
35 Transfer shall be effective and no estate or benefit shall be conferred on anyone until such time as the
36 Authority has consented in writing, as determined in the Authority's sole and absolute discretion, to any
37 such further subletting or a proposed Transfer including, without limitation, nothing otherwise permitted in
38 this Article XIV shall become effective until such time as the Transferee, any other applicable parties and
39 the Authority have entered into an Agreement or a similar document as required by the Authority. In
40 addition, the terms and provisions of Tenant's Agreement with the Authority which in any way discusses
41 and/or addresses the subject matter covered in this Article XIV shall be controlling and shall govern.
42 Further, if this Sublease is assigned by Landlord and assumed by the Authority for any reason whatsoever,
43 the Authority shall have the right to determine, in its sole and absolute discretion, whether any of the
44 provisions of this Article XIV shall be binding upon and enforceable against the Authority and thereafter be
45 considered to be a part hereof.

WASTE OR NUISANCE**

33
34

Section 15.01 WASTE OR NUISANCE. Tenant shall not commit nor permit any of its employees, contractors, subcontractors, licensees, subtenants or agents to injure, deface or otherwise harm the Premises, the Terminal or the Airport, nor commit any waste upon the Premises, the Terminal or the Airport, and shall not place a load upon the floor of the Premises which exceeds the floor load per square foot which such floor was designed to carry. Tenant shall not commit nor permit any of its employees, contractors, subcontractors, licensees, subtenants or agents to commit any nuisance or other act or thing which may constitute a menace or which may impact either Landlord's operation of the Terminal or the Authority's operation of the Airport or disturb the quiet enjoyment of any other occupant or tenant of the Airport. Tenant shall not use or permit to be used any medium that might constitute a nuisance, such as loudspeakers, sound amplifiers, tape decks, compact disc players, radios, televisions, or any other sound producing or other device which will carry sound or odors outside the Premises except as may otherwise be approved in advance in writing by Landlord and, upon notice from Landlord to Tenant's business representative at the Premises, Tenant shall cause any such noise or odors to cease immediately. Tenant shall not allow any use of the Premises or any other portion of the Terminal and/or Airport in a manner which is a source of annoyance, disturbance or embarrassment to Landlord and/or the Authority, or to the other tenants and occupants of the Terminal and/or Airport or which is deemed by Landlord, in its sole discretion, as not in keeping with the character of the Terminal and/or Airport. The Premises shall not be used for any unlawful or immoral purpose or which will invalidate or increase the premiums on any of the Landlord's or the Authority's insurance.

**ARTICLE XVI
TRADE NAME; JOINT MARKETING FUND**

Section 16.01 TRADE NAME. Tenant shall operate its business in the Premises under the name specifically set forth in the Data Sheet ("Trade Name") and shall not change the advertised name or character of the business operated in the Premises without the prior written approval of Landlord, which may be withheld in Landlord's absolute discretion.

Section 16.02 SOLICITATION OF BUSINESS. Tenant shall not give samples, approach customers, distribute handbills or other advertising matter or otherwise solicit business in the parking or other public areas or any part of the Terminal or the Airport other than in the Premises. In the event Tenant violates the foregoing, Tenant shall, at Tenant's sole cost and expense, be responsible to clean the area of any such materials so distributed by Tenant, its agents or employees.

Section 16.03 JOINT MARKETING FUND. Landlord shall cause to be provided a central marketing and promotional program which, in Landlord's sole judgment, will serve to promote the overall concession program and facilities in the Terminal. Tenant, along with other concession facility operators will contribute to the fund for this program which shall be known as the Joint Marketing Fund. Tenant, from and after the Rental Commencement Date, shall contribute during each month, as Tenant's share to the Joint Marketing Fund, and pay to Landlord as Additional Rent, an amount equal to one-half percent (1/2%) of Tenant's monthly Gross Receipts. This amount is payable to Landlord and must be paid no later than the 15th day following the end of each Lease Month. If Tenant is unable to calculate actual Gross Receipts in time to make the required monthly payment to the Joint Marketing Fund, the payment may be based on an estimate of monthly Gross Receipts. Any and all such estimated payments must be adjusted at the end of each 6 month period of each Lease Year. Within 30 days after the end of each such 6 month period, Tenant

1 must submit a report to Landlord reconciling estimated and actual Gross Receipts and showing any under or
2 overpayments to the Joint Marketing Fund. A check for any underpayments must accompany the
3 reconciliation. All overpayments will be credited to the next payment(s) due from Tenant or if the Sublease
4 has expired or has been terminated, overpayments will be utilized by Landlord for future Joint Marketing
5 Fund purposes. Landlord shall not be obligated to expend more for marketing and promotional programs
6 than is actually collected from Tenant and other concession facility operators in the Terminal. Any services
7 and personnel so provided shall be under the exclusive control and supervision of Landlord, who shall have
8 the sole authority to employ and discharge personnel, retain third party independent contractors and to
9 establish all budgets with respect to the Joint Marketing Fund. The primary purpose, but in no way a
10 limitation, of the Joint Marketing Fund, will be used to fund intra-Terminal promotional and advertising
11 programs such as permanent directories, graphics, take-one directory pamphlets and establishing customer
12 service and training programs with respect to the operations of the concession facilities in the Terminal,
13 such as customer surveys, "secret shopper" programs and sales technique seminars or on any other items
14 that may enhance the user's overall experience in the Terminal. Landlord shall conduct quarterly meetings
15 to discuss the promotional and advertising programs and customer service and training programs. Landlord
16 reserves the right at any time to terminate the Joint Marketing Fund and, in such event, shall notify Tenant
17 in writing. Thereafter, in the event of such termination, Tenant shall no longer be obligated to make any
18 further contributions to the Joint Marketing Fund and any remaining funds previously contributed to the
19 Joint Marketing Fund shall be used by Landlord to promote the overall concession program and facilities
20 within the Terminal.

21
22
23 **ARTICLE XVII**
24 **DAMAGE AND DESTRUCTION**
25

26
27 **Section 17.01 DAMAGE OR DESTRUCTION OF THE TERMINAL.** If the whole or any
28 part of the Terminal is partially damaged by fire, explosion, the elements, terrorist action or other casualty,
29 Landlord shall repair and restore the affected portions of the Terminal, at its cost and expense, to the extent
30 required of Landlord in the Terminal C Lease, with reasonable diligence, subject to force majeure and
31 delays beyond Landlord's control; provided, however, that if the damage is caused by the negligence, act or
32 omission to act of Tenant, its agents, employees, contractors, subcontractors, licensees or representatives, to
33 the extent that such damage is not covered by Landlord's insurance, Tenant shall be responsible for
34 reimbursing Landlord for the cost and expense incurred in such repair and restoration, including any
35 deductibles or self-insured retentions with respect to Landlord's insurance. Unless such partial damage
36 materially adversely affects Tenant's use and occupancy of the Premises, Tenant shall be required to
37 continue the conduct of business in the Premises without abatement of any Rentals hereunder.
38

39 If fifty percent (50%) or more of the Terminal shall be damaged or destroyed by an insured
40 casualty, or if twenty-five percent (25%) or more of the Terminal shall be damaged or destroyed by an
41 uninsured casualty, notwithstanding that the use and occupancy of the Premises is not materially affected
42 thereby, and if as a result of any such damage or destruction Landlord's flight operations are terminated or
43 more than fifty percent (50%) curtailed for a period of 30 days or more, Landlord shall have the right to
44 terminate this Sublease within 90 days from the date of such damage or destruction. In such event, this
45 Sublease shall terminate upon a mutually agreeable date based upon good faith negotiations and reasonable
46 circumstances and Tenant shall surrender the Premises to Landlord. Thereafter, neither party shall have any
47 further obligations to the other except for any of Tenant's obligations accrued prior to the effective date of
48 the termination of this Sublease.
49

50 **Section 17.02 DAMAGE OR DESTRUCTION OF THE PREMISES.** (a) If all or a portion of
51 the Premises shall be partially damaged (as distinguished from extensively damaged or destroyed as

1 described below) by fire, explosion, the elements, terrorist action or other casualty required to be insured
2 against by Landlord under the Terminal C Lease, but the Premises are not rendered untenable, Landlord
3 shall proceed with reasonable dispatch to repair such damage and restore the Premises, at its own cost, to the
4 extent required under the Terminal C Lease. Landlord shall repair and restore the Premises to substantially
5 the same condition as existed immediately prior to the commencement of Tenant's Work hereunder.
6 However, if the damage is caused by the negligence, act or omission to act of Tenant, its agents, employees,
7 contractors, subcontractors, licensees or representatives, Tenant, if Landlord is required and elects to repair
8 and restore as provided above, shall be responsible for reimbursing Landlord for the cost and expense
9 incurred thereby, including any deductibles or self-insured retentions with respect to Landlord's insurance.
10 In the event of any such partial damage, Tenant's obligations to Landlord hereunder, including all Rentals,
11 shall not be abated. In no event shall Landlord or the Authority be responsible in any way for any damage
12 or destruction of Tenant's Fixed Improvements, Operating Equipment, personal property or inventory even
13 if due to the negligence, act or omission to act of any such party nor shall Landlord or the Authority be
14 responsible to repair or restore any portion of the Premises relating to Tenant's Work and/or installed by
15 Tenant in the Premises including, but not limited to, Tenant's Fixed Improvements, Operating Equipment,
16 personal property, merchandise and inventory. If the Premises are so repaired and restored by Landlord,
17 Tenant shall repair and restore all damage as expeditiously as possible, to the Premises and to any and all
18 Fixed Improvements, Operating Equipment and Tenant's other property to the condition existing
19 immediately prior to such damage. All repairs and restoration by Tenant must comply with the
20 requirements herein relating to Tenant's initial construction of the Premises, including the Tenant Design
21 Criteria and Handbook and the Authority's TAA process.
22

23 (b) If the Premises are extensively damaged so as to render the Premises untenable, but capable
24 of being repaired and restored within 30 days, both Landlord and Tenant shall perform its repair and
25 restoration obligations in an identical manner as provided in Section 17.02(a) above. During the period of
26 any such repair and restoration, an equitable portion of Tenant's Rentals shall be abated if there is a material
27 adverse effect to Tenant's use and occupancy of the Premises to the extent of such material adverse effect
28 thereon, unless the damage is caused by the negligence, act or omission to act of Tenant, its agents,
29 employees, contractors, subcontractors; licensees or representatives. In no event shall Landlord or the
30 Authority be responsible in any way for any damage or destruction of Tenant's Fixed Improvements,
31 Operating Equipment, personal property or inventory even if due to the negligence, act or omission to act of
32 any such party nor shall Landlord or the Authority be responsible to repair or restore any portion of the
33 Premises relating to Tenant's Work and/or installed by Tenant in the Premises including, but not limited to,
34 Tenant's Fixed Improvements, Operating Equipment, personal property, merchandise and inventory.
35

36 (c) If the Premises are completely destroyed by fire, explosion, the elements, terrorist action or other
37 casualty and cannot be repaired or replaced except after more than 30 days after the occurrence, Landlord
38 shall not be required to (but may elect to) undertake the repair, replacement and reconstruction of the
39 Premises. All of Tenant's Rentals shall be completely abated, such abatement shall extend from the date of
40 the occurrence until a period not to exceed 60 days after the base building restoration has been made by
41 Landlord and Landlord has notified Tenant to commence Tenant's repair and restoration work to the
42 Premises. In no event shall Landlord or the Authority be responsible in any way for any damage or
43 destruction of Tenant's Fixed Improvements, Operating Equipment, personal property or inventory even if
44 due to the negligence, act or omission to act of any such party nor shall Landlord or the Authority be
45 responsible to repair or restore any portion of the Premises relating to Tenant's Work and/or installed by
46 Tenant in the Premises including, but not limited to, Tenant's Fixed Improvements, Operating Equipment,
47 personal property, merchandise and inventory. If within 6 months after the date of such occurrence the
48 Premises shall not have been repaired or reconstructed by Landlord as provided above, Tenant may give
49 written notice to Landlord terminating this Sublease, such termination to be retroactive back to the date of
50 the complete destruction. Notwithstanding the foregoing, if the Premises are completely destroyed as a
51 result of the negligence, act or omission to act of Tenant, its agents, employees, contractors, subcontractors,

1 licensees or representatives, Tenant's Rentals shall not abate and Landlord may, in its discretion: (1) require
2 Tenant to repair, restore and reconstruct the Premises, Tenant's Fixed Improvements, Operating Equipment
3 and all other damaged property, whether owned by Tenant, Landlord or the Authority, within 4 months of
4 such destruction, at Tenant's sole cost and expense; or (2) Landlord may repair, restore and reconstruct the
5 Premises within 6 months of such destruction and Tenant shall reimburse Landlord for the cost and expense
6 incurred thereby to the extent of Tenant's insurance proceeds and to the extent such costs and expenses
7 exceed Tenant's insurance proceeds.
8

9 **Section 17.03 DAMAGE OR DESTRUCTION NEAR END OF TERM.** If, during the final
10 Lease Year, more than twenty-five percent (25%) of the Premises are damaged or destroyed, either party at
11 its option may terminate this Sublease within 30 days after the date of such damage or destruction. The
12 termination shall be effective as of the date of such damage or destruction and thereafter neither party shall
13 have any further obligations to the other party except for Tenant's accrued obligations occurring prior to the
14 date of such damage or destruction.
15

16 **Section 17.04 LIMITS OF LANDLORD'S OBLIGATIONS.** It is understood that, in the
17 application of the foregoing Sections in this Article XVII, Landlord's obligations shall be limited to repair
18 and restoration of the Premises to, as nearly as possible, a condition and quality as existed at the
19 commencement of Tenant's Work hereunder. In no event shall Landlord or the Authority be responsible in
20 any way for any damage or destruction of Tenant's Fixed Improvements, Operating Equipment, personal
21 property or inventory even if due to the negligence, act or omission to act of any such party nor shall
22 Landlord or the Authority be responsible to repair or restore any portion of the Premises relating to Tenant's
23 Work and/or installed by Tenant in the Premises including, but not limited to, Tenant's Fixed
24 Improvements, Operating Equipment, personal property, merchandise and inventory.
25

26
27 **ARTICLE XVIII**
28 **EMINENT DOMAIN**
29

30
31 **Section 18.01 COMPLETE TAKING OF THE PREMISES.** If the whole of the Premises shall
32 be taken by any public or quasi-public authority under the power of eminent domain or destroyed by the
33 action of any public or quasi-public authority, or in the event of a conveyance, by sale or otherwise, in lieu
34 thereof ("Taking"), this Sublease shall terminate and the Term hereof shall cease as of the date upon which
35 possession is taken by such Taking authority, and all Rental and other charges shall be paid up to that date
36 and thereafter adjusted as of that date. All sums received or recovered from the Taking shall be paid to
37 either Landlord or the Authority as set forth in the Terminal C Lease. Nothing contained herein shall be
38 construed to prevent Tenant from prosecuting in any condemnation proceeding a claim for the value of any
39 of Tenant's Operating Equipment, trade fixtures and/or other removable items of Tenant's personal property
40 located within the Premises at the time of such Taking. Further, nothing herein shall limit the eminent
41 domain power of the Authority.
42

43 **Section 18.02 PARTIAL TAKING OF THE PREMISES.** (a) If less than the whole but a
44 substantial portion (more than fifty percent (50%) of the Floor Area) of the Premises shall be subject to a
45 Taking, then either party shall have the right to terminate this Sublease, by giving notice thereof to the other
46 not later than 30 days after such Taking. If this Sublease is so terminated, the provisions relating to the net
47 proceeds of the damages awarded from the Taking as provided in the Terminal C Lease shall apply.
48

49 (b) Subject to the Authority's right of termination pursuant to the Terminal C Lease, if this Sublease
50 is not terminated by either party under Section 18.02 (a), this Sublease shall remain in full force and effect
51 as to the portion of the Premises remaining after the Taking, except that Guaranteed Rent and Additional

1 Rent shall be reduced in the proportion that the Floor Area of the Premises so taken bears to the total Floor
2 Area of the Premises prior to the Taking and the Monthly Breakpoint for Percentage Rent shall be adjusted
3 accordingly. No reduction of Rental shall occur if other premises within the Terminal, equivalent in
4 function to the portion of the Premises taken, are made available to Tenant for the operation of its business.
5 Any award for such partial Taking shall be the sole property of Landlord or the Authority as set forth in the
6 Terminal C Lease; provided that Tenant shall be entitled to any portion of such award awarded to Tenant for
7 relocation of, loss or damage to Tenant's Operating Equipment, trade fixtures and other removable personal
8 property of Tenant's located within the Premises prior to such partial Taking.
9

10 (c) A voluntary sale or transfer of interest of all or any part of the Premises or the public areas in the
11 Terminal by Landlord to any public or quasi-public body, agency, person or other entity having the power of
12 eminent domain, either under threat of condemnation or while condemnation proceedings are pending, shall
13 be deemed to be a Taking under the power of eminent domain for the purposes of Article XVIII. Tenant
14 hereby waives the provisions of any statute or other law that may be in effect at the time of the occurrence
15 of any such Taking under which a lease/sublease is automatically terminated or pursuant to which a tenant is
16 given the right to terminate a lease/sublease by reason of such a Taking.
17

18
19 **ARTICLE XIX**
20 **DEFAULT**
21

22
23 **Section 19.01 RIGHTS UPON DEFAULT.** (a) Notwithstanding any provision herein to the
24 contrary and irrespective of whether all or any rights conferred upon Landlord by this Article XIX are
25 expressly or by implication conferred upon Landlord elsewhere herein, in the event of: (i) any failure of
26 Tenant to pay any Guaranteed Rent, Percentage Rent or Additional Rent or any other charges or sums
27 whatsoever due hereunder (including without limitation, amounts due as reimbursement to Landlord for
28 costs incurred by Landlord in performing obligations of Tenant hereunder upon Tenant's failure so to
29 perform) for more than 5 days after written notice from Landlord to Tenant that such Rental or any other
30 charges or sums whatsoever due hereunder were not received on the date required for payment pursuant to
31 this Sublease, provided that such notice from Landlord shall be in lieu of, and not in addition to, any notice
32 of default required by applicable laws; or (ii) any default or failure by Tenant to perform any other of the
33 terms, conditions, or covenants of this Sublease to be observed or performed by Tenant for more than 20
34 days after written notice from Landlord to Tenant of such default (unless such default cannot be cured
35 within said 20 days in which event Tenant shall not be deemed to be in default hereunder if Tenant shall
36 have commenced to cure said default promptly within said 20 days and shall thereafter proceed to prosecute
37 such cure to completion with all reasonable dispatch and diligence, provided that in no event shall such cure
38 period extend beyond 75 days or such longer period of time as is approved by Landlord in writing and if
39 Tenant's cure period is so extended, Tenant must, within 5 days after the written extension notice provide a
40 written plan to Landlord outlining all steps Tenant is taking to cure the default and when the cure shall be
41 completed), provided that such notice from Landlord shall be in lieu of, and not in addition to, any notice of
42 default required by applicable laws; or (iii) any failure by Tenant to commence construction of Tenant's
43 Work within 30 days of the Authority's approval of the TAA for such Tenant's Work and such failure is not
44 occasioned by reason of force majeure; or (iv) any failure by Tenant to move into the Premises and to
45 initially open for business on or before the Rental Commencement Date; or (v) any failure by Tenant to
46 operate continuously in the manner and during the hours established by Landlord pursuant to Section 7.02
47 hereof or for the purpose specified in the Data Sheet (the Permitted Use); or (vi) Tenant's abandonment of
48 the Premises, or permitting this Sublease to be taken under any writ of execution or similar writ or order; or
49 (vii) any default beyond the applicable notice and cure periods under Tenant's Agreement and/or Permits
50 with the Authority; or (viii) if applicable, the failure of Tenant to obtain and maintain continuously
51 throughout the Term, its eligibility and certification from the Authority of its DBE status and/or to renew

1 such eligibility and certification as may be required by the Authority from time to time and such failure shall
2 continue for a period of 20 days, then Landlord, in addition to or in lieu of other rights or remedies it may
3 have hereunder or by law, shall have the following rights: Landlord may at its sole discretion: (A)
4 immediately terminate this Sublease and Tenant's right to possession of the Premises by giving Tenant
5 written notice that this Sublease is terminated, in which event, upon such termination, Landlord shall have
6 the right to recover from Tenant the sum of (1) the worth at the time of award of the unpaid Rental which
7 had been earned at the time of termination; (2) the worth at the time of award of the amount by which the
8 unpaid Rental which would have been earned after termination until the time of award exceeds the amount
9 of such Rental loss that Tenant affirmatively proves could have been reasonably avoided; (3) the worth at
10 the time of award of the amount by which the unpaid Rental for the balance of the Term after the time of
11 award exceeds the amount of such Rental loss that Tenant affirmatively proves could be reasonably
12 avoided; (4) any other amount necessary to compensate Landlord for all the actual damages proximately
13 caused by Tenant's failure to perform its obligations hereunder or which in the ordinary course would be
14 likely to result therefrom; and (5) all such other amounts in addition to or in lieu of the foregoing as may be
15 permitted from time to time under applicable law; or (B) have this Sublease continue in effect for so long as
16 Landlord does not terminate this Sublease and Tenant's right to possession of the Premises, in which event
17 Landlord shall have the right to enforce all of Landlord's rights and remedies hereunder including the right
18 to recover the Guaranteed Rent, Percentage Rent, Additional Rent and other charges payable by Tenant
19 hereunder as they become due hereunder; or (C) without terminating this Sublease, Landlord may pay or
20 discharge any breach or violation hereof which amount so expended shall be added to the next monthly
21 payment of Guaranteed Rent, Percentage Rent and Additional Rent due and treated in the same manner as
22 Rental hereunder and Landlord shall automatically and without further action have a lien upon all of
23 Tenant's Operating Equipment, merchandise, inventory and other personal property within the Premises to
24 secure the payment thereof; or (D) without terminating this Sublease, make such alterations and repairs as
25 may be necessary in order to relet the Premises, and relet the Premises or any part thereof for such term or
26 terms (which may be for a term extending beyond the Term) at such rental or rentals and upon such other
27 terms and conditions as Landlord in its sole discretion may deem advisable. Landlord shall use reasonable
28 efforts to relet the Premises in order to mitigate its damage in respect of the remedies set forth in sub-clauses
29 (A) and (D) of this Section 19.01(a).

30
31 (b) If Landlord proceeds under Section 19.01(a)(A) or (D) above, upon such reletting all Rental and
32 other sums received by Landlord from such reletting shall be applied, first, to the payment of any
33 indebtedness other than Rental due hereunder from Tenant to Landlord or the Authority; second, to the
34 payment of any costs and expenses of such reletting, including reasonable brokerage fees and attorney fees
35 and Landlord's fees and of costs of such alterations and repairs; third, to the payment of Rental due and
36 unpaid hereunder; and the residue, if any, shall be held by Landlord and applied in payment of future
37 Guaranteed Rent and Additional Rent payable by Tenant hereunder, as the same may become due and
38 payable hereunder. If such Guaranteed Rent, Additional Rent and other sums received from such reletting
39 during any month are less than that to be paid during that month by Tenant hereunder, Tenant shall pay such
40 deficiency to Landlord; if such rentals and sums shall be more, Tenant shall have no right to the excess.
41 Such deficiency shall be calculated and paid monthly. No re-entry or taking possession of the Premises by
42 Landlord shall be construed as an election on its part to terminate this Sublease unless a written notice of
43 such intention is given to Tenant or unless the termination thereof is decreed by a court of competent
44 jurisdiction. Notwithstanding any such reletting without termination, Landlord may at any time thereafter
45 elect to terminate this Sublease for such previous breach and shall have the remedies provided herein.
46 Should Landlord at any time terminate this Sublease for any breach, in addition to any other remedies it may
47 have, it may recover from Tenant all damages it may incur by reason of such breach, including the cost of
48 recovering the Premises, all of which amount shall be immediately due and payable from Tenant to
49 Landlord. Landlord shall use its reasonable efforts to mitigate its damages hereunder; however, the failure
50 or refusal of Landlord to relet the Premises shall not affect Tenant's liability. The terms entry and re-entry
51 are not limited to their technical meanings. In the event of re-entry by Landlord, Landlord may remove all

1 persons and property from the Premises and such property may be stored in a public warehouse or
2 elsewhere at the cost of, and for the account of Tenant, with notice but without resort to legal process and
3 without Landlord being deemed guilty of trespass, conversion or becoming liable for any loss or damage
4 which may be occasioned thereby. In the event Tenant shall not remove its property from the Premises
5 within 15 days after Tenant has vacated the Premises, then such property shall be deemed abandoned by
6 Tenant and Landlord may dispose of the same without liability to Tenant subject to the rights of the City of
7 Newark, the Authority or their designee to such improvements. If Landlord removes such property from the
8 Premises and stores it at Tenant's risk and expense, and if Tenant fails to pay the cost of such removal and
9 storage after written demand therefor and/or to pay any Rental then due, then after the property has been
10 stored for a period of 30 days or more Landlord may sell such property at public or private sale, in the
11 manner and at such times and places as Landlord deems commercially reasonable following reasonable
12 notice to Tenant of the time and place of such sale. The proceeds of any such sale shall be applied first to
13 the payment of the expenses for removal and storage of the property, the preparation for the conducting of
14 such sale, and for attorneys' fees and other legal expenses incurred by Landlord in connection therewith,
15 and the balance shall be applied as provided in this subsection 19.01(b).

16
17 (c) At any time that Tenant shall have delivered checks to Landlord for payments pursuant hereto
18 which shall have on at least three (3) occasions during any Lease Year (whether consecutive or not or
19 whether involving the same check or different checks) been returned by Landlord's bank for any reason,
20 Landlord shall not be obligated to accept any payment from Tenant unless such payment is made by
21 cashier's check or in bank certified funds.

22
23 (d) For purposes of subclauses (1) and (2) of subsection 19.01(a), "worth at the time of award" shall
24 be computed by allowing interest at the maximum rate permitted by law (see Section 27.13) and for
25 purposes of subclause (3) of subsection 19.01(a), "worth at the time of award" shall be computed by
26 discounting such amount at the discount rate of the Federal Reserve Bank whose jurisdiction includes the
27 Airport at the time of award, plus one percent (1%); the Rental reserved in this Sublease shall be deemed to
28 be a monthly rental arrived at (i) by adding to the monthly installment of Guaranteed Rent payable under
29 this Sublease an amount equal to the monthly average of all the Percentage Rent based on Gross Receipts
30 received by or payable to Landlord hereunder during the period that Tenant was conducting Tenant's
31 business in the Premises in the manner and to the extent required pursuant to this Sublease, plus (ii) one
32 twelfth (1/12th) of the annual average of all Additional Rent payable by Tenant hereunder.

33
34 (e) Anything to the contrary notwithstanding, Landlord shall not be required to give notice under
35 this Article XIX more than three (3) times for the same type of default in any consecutive (12) twelve month
36 period. Further, a default of Tenant's obligations under the provisions of any other sublease with Landlord
37 covering any other retail concession facility within the Terminal or within the Airport shall constitute a
38 default by Tenant hereunder, entitling Landlord to the rights and remedies hereunder and at law.

39
40
41 **ARTICLE XX**
42 **BANKRUPTCY OR INSOLVENCY**

43
44
45 **Section 20.01 TENANT'S INTEREST NOT TRANSFERABLE.** Neither Tenant's interest in
46 this Sublease, nor any estate hereby created in Tenant nor any interest herein or therein, shall pass to any
47 trustee or receiver or assignee for the benefit of creditors or otherwise by operation of law except as may
48 specifically be provided pursuant to the United States Bankruptcy Code, as amended ("Code").

49
50 **Section 20.02 TERMINATION.** If the interest or estate created in Tenant hereby shall be taken
51 in execution or by other process of law, or if Tenant's guarantor, if any, or its executors, administrators, or

1 assigns, if any, shall be adjudicated insolvent or bankrupt pursuant to the provisions of any state act or the
2 Code or if Tenant is adjudicated insolvent by a court of competent jurisdiction other than the United States
3 Bankruptcy Court, or if a receiver or trustee of the property of Tenant or Tenant's guarantor, if any, shall be
4 appointed by reason of the insolvency or inability of Tenant or Tenant's guarantor, if any, to pay its debts as
5 the same become due or if any assignment shall be made of the property of Tenant or Tenant's guarantor, if
6 any, for the benefit of creditors, then Landlord shall have the right to elect by written notice to Tenant to
7 terminate this Sublease and all rights of Tenant hereunder at any time thereafter, and Tenant shall vacate and
8 surrender the Premises but shall remain liable as herein provided. However, if Tenant continues to pay all
9 Rental and perform all other obligations hereunder in a timely manner and shall cause such event to be
10 discharged within 60 days after its occurrence, Landlord shall not terminate this Sublease.

11
12 **Section 20.03 TENANT'S OBLIGATION TO AVOID CREDITORS' PROCEEDINGS.**

13 Tenant or Tenant's guarantor, if any, shall not cause or give cause for the appointment of a trustee or
14 receiver of the assets of Tenant or Tenant's guarantor, if any, and shall not make any assignment for the
15 benefit of creditors, or become or be adjudicated insolvent. The allowance of any petition under insolvency
16 law except under the Code or the appointment of a trustee or receiver of Tenant or Tenant's guarantor, if
17 any, or of the assets of either of them, shall be conclusive evidence that Tenant caused, or gave cause
18 therefor, unless such allowance of the petition, or the appointment of a trustee or receiver, is vacated within
19 90 days after such allowance or appointment. Any act or occurrence described in this Section 20.03 shall be
20 deemed a material breach of Tenant's obligations hereunder, and shall provide Landlord with the right to
21 elect by written notice to Tenant to terminate this Sublease and all rights of Tenant hereunder at any time
22 thereafter, and Tenant shall vacate and surrender the Premises but shall remain liable as herein provided.
23 Landlord does, in addition, reserve any and all other remedies provided in this Sublease or by law.

24
25 **Section 20.04 ELECTION TO ASSUME SUBLEASE.** Even though this is a sublease of real
26 property in an airport, the parties contractually agree that this Sublease shall be construed to be a lease of
27 real property in a shopping center within the meaning of Section 365(b)(3) of the Code. If Tenant becomes
28 a Debtor under Chapter 7, 11 or 13 of the Code, and the Trustee or Tenant, as Debtor-In-Possession, elects
29 to assume this Sublease for the purpose of assignment to a third party or otherwise, such election and
30 assignment, if any, may only be made if all the terms and conditions of Sections 20.05 and 20.07 are
31 satisfied. If the Trustee or Tenant, as Debtor-In-Possession, fails to elect to assume or reject this Sublease
32 by the 60th day after the entry of the Order for Relief in a case under Chapter 7, 11 and 13 of the Code, this
33 Sublease shall thereafter be deemed rejected and terminated in accordance with Section 365(d)(4) of the
34 Code. The Trustee or Tenant, as Debtor-In-Possession, shall thereupon immediately surrender possession of
35 the Premises to Landlord and Landlord shall have no further obligation to Tenant or Trustee hereunder. The
36 acceptance of Rental by Landlord after the 60th day shall not be deemed a waiver of Landlord's rights
37 herein and under Section 365(d)(4) of the Code, and Landlord's right to be compensated for damages in
38 such bankruptcy case shall survive.

39
40 **Section 20.05 CONDITIONS OF ASSUMPTIONS.** No election by the Trustee or Tenant, as
41 Debtor-In-Possession, to assume this Sublease, whether under Chapter 7, 11 and 13 of the Code shall be
42 effective unless each of the following conditions, which Landlord and Tenant acknowledge are
43 commercially reasonable in the context of a bankruptcy proceeding of Tenant, has been satisfied, and
44 Landlord has so acknowledged in writing: (a) Landlord has not terminated this Sublease pursuant to the
45 provisions established herein or under applicable state law, prior to the filing of a case under the Code; (b)
46 the Trustee or Tenant, as Debtor-In-Possession, has cured, or has provided Landlord adequate assurance that
47 within 20 days from the entry of an order granting the Trustee or Tenant, as Debtor-In-Possession, authority
48 to assume, the Trustee or Tenant will cure all defaults hereunder; (c) the Trustee or Tenant, as Debtor-In-
49 Possession, has compensated, or has provided to Landlord adequate assurance that within 20 days from the
50 date of the entry of an order granting authority to assume, Landlord will be compensated for any monetary
51 loss incurred by Landlord arising from the default of the Trustee or Tenant, as Debtor-In-Possession, as

1 recited in Landlord's written statement of monetary loss sent to the Trustee or Tenant; (d) the Trustee or
2 Tenant, as Debtor-In-Possession, has provided Landlord with adequate assurance of future performance of
3 each of the Tenant's obligations hereunder; (e) no fire, bankruptcy or going-out-of-business sale shall be
4 conducted at any time; (f) the assumption of the Sublease will not: (i) breach any provision in any other
5 lease, mortgage, financing agreement or other agreement by which Landlord or the Authority is bound
6 relating to the Airport, (ii) disrupt, in Landlord's judgment, the tenant mix of the Terminal or any other
7 attempt by Landlord to provide a specific variety of concessions in the Terminal which, in Landlord's
8 judgment, would be most beneficial to all of the subtenants in the Terminal and would enhance the image,
9 reputation, and profitability of the Terminal; and (g) for purposes of this Section, Landlord and Tenant
10 acknowledge that, in the context of a bankruptcy proceeding of Tenant, at a minimum "adequate assurance"
11 shall mean that the Bankruptcy Court shall have entered an Order segregating sufficient cash payable to
12 Landlord or the Trustee or Tenant, as Debtor-In-Possession, and shall have granted a valid perfected first
13 lien and security interest or mortgage in property of Tenant, Trustee or Debtor-In-Possession, acceptable as
14 to value and kind to Landlord to secure Landlord the obligation of the Trustee or Tenant, as Debtor-In-
15 Possession, to cure the monetary or non-monetary defaults under this Sublease within the time periods set
16 forth above.

17
18 **Section 20.06 SUBSEQUENT BANKRUPTCY.** In the event that this Sublease is assumed by a
19 Trustee appointed for Tenant or by Tenant as Debtor-In-Possession under the provisions of Section 20.05
20 hereof and thereafter Tenant is liquidated or files a subsequent Petition for reorganization or adjustment of
21 debts under Chapter 11 or 13 of the Bankruptcy Code, then, and in either of such events, Landlord may, at
22 its option, terminate this Sublease and all rights of Tenant hereunder, by giving Tenant written notice of its
23 election to so terminate, by no later than 30 days after the occurrence of either of such events.

24
25 **Section 20.07 ASSIGNMENT.** If the Trustee or Debtor-In-Possession has assumed this Sublease
26 pursuant to the terms and conditions of Sections 20.02 or 20.03, for the purpose of transferring Tenant's
27 interest under this Sublease or the estate created thereby, to any other person, such interest or estate may be
28 so transferred only if Landlord shall acknowledge in writing that the intended transferee has provided
29 adequate assurance of future performance as defined in this Section of all of the terms, covenants and
30 conditions of this Sublease to be performed by Tenant. For purposes of this Section, Landlord and Tenant
31 acknowledge that, in the context of a bankruptcy proceeding of Tenant, at a minimum "adequate assurance
32 of future performance" shall mean that each of the following conditions have been satisfied, and Landlord
33 has so acknowledged in writing: (a) such transferee shall have a net worth equal to or greater than the
34 highest of (i) the net worth of Tenant (and any guarantor) immediately prior to such transfer; (ii) the net
35 worth of Tenant (and any guarantor) on the date of this Sublease, or (iii) such net worth as Landlord
36 determines to be reasonably sufficient to assure the future performance of all obligations under this
37 Sublease; and in each case such net worth shall be evidenced by financial statements prepared by a reputable
38 certified public accountant and otherwise in such form and with such additional information as Landlord
39 may require; (b) the transferee, if requested, shall have obtained guarantees in form and substance
40 satisfactory to Landlord from one or more persons who satisfy Landlord's standards of creditworthiness; (c)
41 the transferee has submitted in writing evidence satisfactory to Landlord of substantial retailing experience
42 in airports comparable to the retail area in the Terminal and in the sale of merchandise and services
43 permitted under this Sublease; (d) Landlord has obtained all consents or waivers from any third party
44 required under the Terminal C Lease, any lease, mortgage, financing arrangement or other agreement by
45 which Landlord is bound to permit Landlord to consent to such transfer; (e) such transferee shall have
46 proven retailing experience and the ability to efficiently and effectively operate the Premises for the same
47 uses and in a manner consistent with at least as high a standard of operation as then exists in the Premises;
48 (f) the business conducted in the Premises by such transferee shall be conducted for the same Permitted Use
49 and under the same trade name required to be used by Tenant pursuant to the terms of this Sublease; (g) the
50 use of the Premises by such transferee shall not violate or create any violation or potential violation of
51 applicable codes, laws or ordinances nor violate any other agreement affecting the Premises, Landlord, the

1 Authority or other occupants in the Terminal; and (h) the assumption of this Sublease will not (i) breach any
2 provision in any other lease, mortgage, financing agreement or other agreement by which Landlord or the
3 Authority is bound relating to the Terminal, or (ii) disrupt, in Landlord's judgment, the tenant mix of the
4 Terminal or any other attempt by Landlord to provide a specific variety of concessions in the Terminal
5 which, in Landlord's judgment, would be most beneficial to all of the occupants in the Terminal and would
6 enhance the image, reputation, and profitability of the Terminal. Any person or entity to which this
7 Sublease is assigned pursuant to the provisions of the Code shall be deemed without further act or deed to
8 have assumed all of the obligations arising under this Sublease on and after the date of such assignment.
9 Any such assignee shall upon demand execute and deliver to Landlord an instrument confirming such
10 assumption.

11
12 **Section 20.08 OCCUPANCY CHARGES.** When, pursuant to the Code, the Trustee or Tenant,
13 as Debtor-In-Possession shall be obligated to pay reasonable use and occupancy charges for the use of the
14 Premises or any portion thereof, such charge shall not be less than the Guaranteed Rent and Percentage Rent
15 and all other monetary obligations of Tenant for the payment of Additional Rent.

16
17 **Section 20.09 CONSENT.** Neither Tenant's interest in this Sublease, nor any lesser interest of
18 Tenant herein, nor any estate of Tenant hereby created, shall pass to any trustee, receiver, transferee for the
19 benefit of creditors, or any other person or entity, or otherwise by operation of law under the laws of any
20 state having jurisdiction of the person or property of Tenant unless Landlord and the Authority shall consent
21 to such transfer in writing. No acceptance by Landlord of Rental or any other payments from any such
22 trustee, receiver, transferee, person or other entity shall be deemed to have waived the need to obtain such
23 consent for any transfer of Tenant's interest hereunder.

24
25 **Section 20.10 OTHER LAWS.** The provisions of this Article XX concerning the rights of
26 Landlord and the obligations of Trustee, Tenant, Debtor, Receiver, Debtor-In-Possession and assignee are in
27 addition to such rights and obligations provided by law, including those applicable provisions of the Code.
28 Nothing contained in this Article XX shall limit or reduce in any manner whatsoever such rights and
29 obligations which are otherwise provided by law.

Tenant and its employees shall faithfully observe and comply with any other rules which the Authority or Landlord may from time to time make after notice to Tenant, provided such rules apply to all similarly situated subtenants in the Terminal and are reasonably related to the safety, care, appearance, reputation, operation or maintenance of the Terminal or the Airport or the comfort of subtenants and others using the Airport. Neither the Authority nor Landlord shall have any duty or obligation to enforce such rules or the terms and conditions in any other lease or sublease as against any other tenant and neither the Authority nor Landlord shall be liable to Subtenant for violations of the same by other subtenants, invitees, their servants, employees, contractors, subcontractors and agents. Tenant's failure to keep and observe said rules and regulations shall constitute a breach of the terms hereof in the same manner as if the rules and regulations were contained herein as covenants.

**ARTICLE XXVII
MISCELLANEOUS**

Section 27.01 WAIVER; ELECTION OF REMEDIES. One or more waivers of any covenant or condition by Landlord shall not be construed as a waiver of a subsequent breach of the same covenant or condition, and the consent or approval by Landlord to or of any act by Tenant requiring Landlord's consent

1 or approval shall not be deemed to render unnecessary Landlord's consent or approval to or of any
2 subsequent similar act by Tenant. No breach by Tenant of a covenant or condition hereof shall be deemed
3 to have been waived by Landlord unless such waiver is in writing signed by Landlord. The rights and
4 remedies of Landlord hereunder or in any specific Section, subsection or clause hereof shall be cumulative
5 and in addition to any and all other rights and remedies which Landlord has or may have elsewhere
6 hereunder or at law or equity, whether or not such Section, subsection or clause expressly so states.
7

8 **Section 27.02 ENTIRE AGREEMENT.** The Data Sheet, and all exhibits and/or addendum(s), if
9 any, attached hereto are hereby made a part hereof, with full force and effect as if set forth herein. This
10 Sublease supersedes all prior agreements between the parties (other than the Terminal C Lease, applicable
11 Permits and Tenant's Agreement with the Authority) and sets forth all the covenants, promises, agreements
12 and conditions, and understandings between Landlord and Tenant concerning the Premises and there are no
13 actual or implied covenants, promises, agreements, conditions or understandings, either oral or written,
14 between them other than as are set forth herein and none thereof shall be used to interpret, construe,
15 supplement or contradict this Sublease. Neither Landlord nor its agents have made any representation or
16 warranty regarding the profitability of the Premises, the enplaned passenger and/or airline volume in the
17 Terminal or operating airlines in the Terminal, and Tenant has not entered into this Sublease in reliance on
18 any such representations, warranties or financial projections prepared or furnished to Tenant by Landlord or
19 its agents. No alteration, amendment, change or addition to this Sublease shall be binding upon Landlord or
20 Tenant unless reduced to writing and signed by each party and consented to in writing by the Authority.
21 Tenant shall pay all of Landlord's costs, expenses and reasonable fees of its attorney(s) in connection with
22 any amendment, change or addition to this Sublease made at the request of or to accommodate Tenant with
23 any such costs, expenses and fees not to exceed \$500.00.
24

25 **Section 27.03 INTERPRETATION; USE OF PRONOUNS; AUTHORIZATION.** Nothing
26 contained herein shall be deemed or construed by the parties hereto, nor by any third party, as creating the
27 relationship of principal and agent or of partnership or of joint ventures between the parties hereto, it being
28 understood and agreed that neither the method of computation of Rental, nor any other provision contained
29 herein, nor any acts of the parties herein, shall be deemed to create any relationship between the parties
30 hereto other than the relationship of landlord and tenant. Whenever herein the singular number is used the
31 same shall include the plural, and the masculine gender shall include the feminine and neuter genders. If
32 this Sublease is signed on behalf of a corporation, partnership or other entity, the signer is duly authorized to
33 execute this Sublease on behalf of such corporation, partnership or entity.
34

35 **Section 27.04 DELAYS; FORCE MAJEURE.** In the event either party is delayed in the
36 performance of any obligation required by this Sublease, such performance shall be excused (unless the
37 specific provision otherwise provides) for the period of the delay and performance of any such obligation
38 shall be extended for a period equal to the delay, if and only if the delay is by reason of "force majeure",
39 which as used herein shall mean fire, earthquake, hurricane, flood and a similar act of God constituting a
40 natural disaster, explosion, terrorist action, war, executive order of government or similar causes not within
41 the control of the entity being delayed. However, the time for Tenant's performance of any obligation shall
42 not be extended due to any lack of funds, financial or economic problems of either Tenant or Tenant's
43 architects, contractors, suppliers, agents, consultants and/or employees. If Tenant shall claim a delay due to
44 force majeure, Tenant must notify Landlord in writing for receipt by Landlord within 15 days of the first
45 occurrence of an event of force majeure. Such notice must specify in reasonable detail the cause or basis for
46 claiming force majeure and the anticipated delay in Tenant's performance. In no event shall any delay
47 extend Tenant's performance beyond a 75 day period without the specific written approval of Landlord.
48 Under no circumstances shall any such condition or delay (unless the specific provision provides for
49 abatement of Rental), whether such condition or delay is claimed by Landlord, the Authority or Tenant,
50 excuse or delay Tenant's payment of any Rental and other charges due hereunder. Further, Landlord's or
51 the Authority's reduction of heat, light, air conditioning or any other services whatsoever to the Terminal or

1 the Premises shall not relieve or excuse Tenant from any of its obligations hereunder.

2
3 **Section 27.05 NOTICES.** Notwithstanding the fact that certain descriptions elsewhere in this
4 Sublease of notices required to be given by one party to the other may omit to state that such notices shall be
5 in writing, any notice, demand, request or other instrument which may be or is required to be given
6 hereunder shall be in writing and sent by (i) United States certified mail, return receipt requested, postage
7 prepaid, (ii) United States express mail, (iii) air courier (such as Federal Express), (iv) personal delivery or
8 (v) any other method creating a receipt, waybill or other indication of delivery, and shall be addressed (a) if
9 to the Landlord, at the address as set forth on the Data Sheet, or such other address or addresses as Landlord
10 may designate by written notice, together with copies thereof to such other parties designated by Landlord
11 and, (b) if to Tenant, the address set forth on the Data Sheet, or such other address or addresses as Tenant
12 shall designate by written notice, together with copies thereof to such other parties designated by Tenant.

13
14 **Section 27.06 CAPTIONS AND SECTION NUMBERS.** The captions, section numbers, article
15 numbers and index appearing herein are inserted only as a matter of convenience and in no way define,
16 limit, construe or describe the scope or intent of such sections or articles hereof nor in any way affect this
17 Sublease.

18
19 **Section 27.07 BROKER'S COMMISSION.** Each party represents and warrants to the other
20 party that there are and shall be no claims for brokerage commissions or finder's fees in connection with this
21 Sublease, and each party agrees to indemnify the other and hold it harmless from all liabilities arising from
22 any claim for brokerage commissions and finder's fees in connection with this Sublease. Such agreement
23 shall survive the termination hereof.

24
25 **Section 27.08 RECORDING.** Tenant shall not record this Sublease or any short form or
26 memorandum hereof. Tenant, upon the request of Landlord, shall execute and acknowledge a short form or
27 memorandum of this Sublease for recording purposes, with the recording costs to be borne by Landlord.

28
29 **Section 27.09 FURNISHING OF FINANCIAL STATEMENTS.** Tenant has provided
30 Landlord at or prior to the date of this Sublease with statements reflecting its financial condition and a credit
31 report as of a date within the last 12 months as an inducement to Landlord to enter into this Sublease, and
32 Tenant hereby represents and warrants that its financial condition and credit rating have not materially
33 changed since the date of those statements and reports. Upon Landlord's written request, Tenant shall
34 promptly furnish Landlord, from time to time, but not more frequently than once in any Lease Year, with
35 financial statements reflecting Tenant's then current financial condition. Landlord shall treat such financial
36 statements and information provided to it pursuant to Articles III and IV hereof confidentially, and shall not
37 disclose them except to the Authority, Landlord's lenders or otherwise as reasonably necessary for the
38 operation of the Terminal or administration of Landlord's or the Authority's business or unless disclosure is
39 required by any judicial or administrative order or ruling.

40
41 **Section 27.10 TENANT'S WAIVERS IN ACTION FOR POSSESSION.** Landlord and
42 Tenant agree that in any action brought by Landlord to obtain possession of the Premises, the parties desire
43 an expeditious resolution of such litigation. Accordingly, Tenant shall not file and hereby waives the right
44 to file any non-compulsory counterclaim in such action. Tenant also shall not file and hereby waives the
45 right to file any defense to such action for possession other than the defense that the default alleged by
46 Landlord did not occur unless Tenant would otherwise be precluded from the filing of any such other
47 defense in a separate action.

48
49 **Section 27.11 TRANSFER OF LANDLORD'S INTEREST.** In the event of any transfer or
50 transfers of Landlord's interest in the Premises, the transferor shall be automatically relieved of any and all
51 obligations on the part of Landlord accruing from and after the date of such transfer, provided that (a) the

1 interest of the transferor, as Landlord, in any funds in the hands of Landlord in which Tenant has an interest
2 shall be turned over, subject to such obligations, to the then transferee; and (b) notice of such sale, transfer
3 or lease shall be given to Tenant as required by law. Landlord also has the right at any time to assign this
4 Sublease to the Authority or to any successor operator to Landlord in the Terminal in the event of the
5 expiration, termination or assignment of the Terminal C Lease without notice to Tenant.
6

7 **Section 27.12 FLOOR AREA.** Floor Area as used in this Sublease means with respect to any
8 leasable area of the Premises the aggregate number of square feet of interior floor space of all floor levels
9 therein, including any mezzanine space which shall be measured: (i) with respect to the front and rear width
10 thereof, from the exterior face of the adjacent exterior or corridor wall, or if none, to the center of the
11 demising partition, and (ii) with respect to the depth thereof, from the front of the lease line as shown on
12 Exhibit A-2 to the exterior face of the exterior wall, or corridor wall, or if none, to the center of the demising
13 partition. No deduction or exclusion from Floor Area shall be made by reason of columns, ducts, stairs,
14 elevators, escalators, shafts or other interior construction or equipment.
15

16 **Section 27.13 INTEREST ON PAST DUE OBLIGATIONS.** Any amount due from Tenant to
17 Landlord hereunder which is not paid when due (including, without limitation, amounts due as
18 reimbursement to Landlord for costs incurred by Landlord in performing obligations of Tenant hereunder
19 upon Tenant's failure to so perform) shall bear interest at the lesser of (a) the "Prime Rate" as published in
20 the Wall Street Journal or successor publication; or (b) the maximum rate then allowed under the laws of the
21 State of New Jersey from the date due until paid, unless otherwise specifically provided herein, but the
22 payment of such interest shall not excuse or cure any default by Tenant hereunder. Interest on any amounts
23 due from Tenant to the Authority shall be calculated and paid in accordance with Tenant's Agreement with
24 the Authority.
25

26 **Section 27.14 LIABILITY OF LANDLORD AND LIMITATION OF DAMAGES.** If
27 Landlord shall fail to perform any covenant, term or condition hereof upon Landlord's part to be performed,
28 and if as a consequence of such default Tenant shall recover a money judgment against Landlord, such
29 judgment shall be satisfied only out of the rents or other income from the concession program in the
30 Terminal received by Landlord and neither Landlord nor any of the officers, directors, employees, agents,
31 partners or affiliates of Landlord shall be liable for any deficiency. No member, shareholder, commissioner,
32 director, officer, agent or employee of the Authority or Landlord shall be charged personally or held
33 contractually liable under any term or provision of this Sublease and/or Tenant's Agreement with the
34 Authority or because of any breach thereof or because of the execution or attempted execution of this
35 Sublease or Tenant's Agreement with the Authority. Landlord and the Authority (including the members,
36 shareholders, commissioners, directors, officers, agents or employees of either of them) shall not be liable to
37 Tenant for any loss of business or any indirect, special, consequential or exemplary damages or lost profits.
38

39 **Section 27.15 APPLICATION OF PAYMENTS; ACCORD AND SATISFACTION.** All
40 payments received by Landlord shall be credited and be deemed to be on account of the Rental and other
41 charges first then due. No statements or endorsements on any check or any letter accompanying any check
42 or payment of Rental or other charges shall be deemed an accord and satisfaction of any debt or obligation
43 of Tenant hereunder. Landlord reserves the right to accept any check or payment without prejudicing in any
44 way Landlord's right to recover the balance of any and all Rental and other charges due from Tenant after
45 receipt of any such check or payment or to pursue any other remedy provided herein or by law.
46

47 **Section 27.16 EXECUTION OF SUBLEASE; NO OPTION.** The submission of this Sublease
48 to Tenant shall be for examination purposes only, and does not and shall not constitute a reservation of an
49 option for Tenant to lease, or otherwise create any interest by Tenant in the Premises or any other premises
50 in the Terminal. Execution of this Sublease by Tenant and the return of same to Landlord shall not be
51 binding upon Landlord, notwithstanding any time interval, until Landlord has executed and delivered this

1 Sublease to Tenant and the parties have obtained the required Agreement executed by the Authority.
2

3 **Section 27.17 GOVERNING LAW.** This Sublease shall be governed by and construed in
4 accordance with laws of the State of New Jersey. If any provision of this Sublease or the application thereof
5 to any person or circumstances shall, to any extent, be invalid or unenforceable, such provision shall be
6 adjusted rather than voided, if possible, in order to achieve the intent of the parties, to the extent possible; in
7 any event, all other provisions hereof shall be deemed valid and enforceable to the full extent.
8

9 **Section 27.18 SPECIFIC PERFORMANCE OF RIGHTS.** Each party shall have the right to
10 obtain specific performance of any and all covenants or obligations of the other party hereunder except to
11 the extent otherwise provided herein for the benefit of Landlord excusing any such performance by
12 Landlord, and nothing contained herein shall be construed as or shall have the effect of abridging such right.
13

14 **Section 27.19 SURVIVAL OF TENANT'S OBLIGATIONS.** All obligations of Tenant
15 hereunder which cannot be ascertained to have been fully performed prior to the end of the Term or any
16 earlier termination hereof shall survive any such expiration or termination. Further, all of the terms,
17 conditions, covenants, provisions, restrictions or requirements imposed upon Tenant hereunder shall be
18 deemed to extend to Tenant's agents, employees, officers, directors, partners, guarantors, contractors,
19 concessionaires, licensees and subcontractors and Tenant shall cause any such persons or entities to comply
20 therewith and include any applicable provisions in any agreements, contracts, subcontracts or the like
21 entered into by Tenant with respect to its activities and operations in the Premises, the Terminal and the
22 Airport.
23

24 **Section 27.20 CERTAIN RULES OF CONSTRUCTION.** Time is of the essence in Tenant's
25 performance of this Sublease. Notwithstanding the fact that certain references elsewhere in this Sublease to
26 acts required to be performed by Tenant hereunder, or to breaches or defaults of this Sublease by Tenant,
27 omit to state that such acts shall be performed at Tenant's sole cost and expense, or omit to state that such
28 breaches or defaults by Tenant are material, unless the context clearly implies to the contrary, each and
29 every act to be performed or obligation to be fulfilled by Tenant pursuant hereto shall be performed or
30 fulfilled at Tenant's sole cost and expense, and all breaches or defaults by Tenant hereunder shall be deemed
31 material. Tenant shall be fully responsible and liable for the observance and compliance by concessionaires,
32 franchisees and licensees of Tenant and with all the terms and conditions of this Sublease, which terms and
33 conditions shall be applicable to concessionaires, franchisees and licensees as fully as if they were the
34 Tenant hereunder; and failure by a concessionaire, franchisee or licensee fully to observe and comply with
35 the terms and conditions of this Sublease shall constitute a default by Tenant. Nothing contained in the
36 preceding sentence shall constitute consent by Landlord or the Authority to any concession, subletting or
37 other arrangement. Further, although the printed provisions of this Sublease were drawn by Landlord, the
38 parties agree that this circumstance alone shall not create any presumption, canon of construction or
39 implication favoring the position of either Landlord or Tenant and the deletion of language from this
40 Sublease prior to its mutual execution shall not be construed to have any particular meaning or to raise any
41 presumption, canon of construction or implication, including, without limitation, any implication that the
42 parties intended thereby to state the converse, adverse or opposite of the deleted language.
43

44 **Section 27.21 CONFIDENTIALITY.** Any and all information contained in this Sublease or
45 provided to or by Tenant and/or Landlord by reason of the covenants and conditions hereof, economic or
46 otherwise, shall remain confidential between Landlord and Tenant and shall not be divulged to third parties
47 except as required to be disclosed by law. The Authority shall be permitted to disclose any and all such
48 information consistent with its policies and procedures as such determination is made by the Authority in its
49 sole and absolute discretion; and, in addition, Landlord or the Authority shall be permitted to divulge the
50 contents of statements and reports derived and received in connection with the provisions of Article III and
51 Article IV in connection with any contemplated sales, transfers, assignments, encumbrances or financing

1 arrangements of Landlord's or the Authority's interest in the Terminal C Lease, the Airport or the Terminal
2 or in connection with any administrative or judicial proceedings in which Landlord or the Authority is
3 involved where Landlord or the Authority may be required to divulge such information.
4

5 **Section 27.22 ATTORNEY FEES.** If at any time after the date that this Sublease has been
6 executed by Landlord and Tenant, either Landlord or Tenant institutes any action or proceeding against the
7 other relating to the provisions hereof or any default hereunder, the non-prevailing party in such action or
8 proceeding shall reimburse the prevailing party for the reasonable expenses of attorneys' fees and all costs
9 and disbursements incurred therein by the prevailing party, including, without limitation, any such fees,
10 costs or disbursements incurred on any appeal from such action or proceeding. Subject to the provisions of
11 local law, the prevailing party shall recover all such fees, costs or disbursements as costs taxable by the
12 court or arbiter in the action or proceeding itself without the necessity for a cross-action by the prevailing
13 party. Any such amounts due from Tenant to Landlord under this provision shall be considered as
14 Additional Rent hereunder and shall be paid by Tenant to Landlord within 20 days after written demand.
15

16 **Section 27.23 WAIVER OF TRIAL BY JURY.** Landlord and Tenant desire and intend that any
17 disputes arising between them with respect to or in connection with this Sublease be subject to expeditious
18 resolution in a court trial without a jury. Therefore, Landlord and Tenant each hereby waive the right to trial
19 by jury of any cause of action, claim, counterclaim or cross-complaint in any action, proceeding or other
20 hearing brought by either Landlord against Tenant or Tenant against Landlord or any matter whatsoever
21 arising out of, or in any way connected with, this Sublease, the relationship of Landlord and Tenant,
22 Tenant's use or occupancy of the Premises or any claim of injury or damage, or the enforcement of any
23 remedy under any law, statute, or regulation, emergency or otherwise, now or hereafter in effect.
24

25 **Section 27.24 A.D.A. COMPLIANCE.** Tenant agrees that within the Premises Tenant shall be
26 fully and solely responsible for compliance with the Americans with Disabilities Act (42 U.S.C. Sec. 12101
27 *et. seq.*), and the regulations and Accessibility Guidelines for Buildings and Facilities issued pursuant
28 thereto. Further, Tenant agrees to construct its Fixed Improvements and install its Operating Equipment and
29 operate the Premises so that the Premises shall at all times accommodate customers with luggage.
30

31 **Section 27.25 SECURITY.** Tenant shall be fully responsible, at its sole cost, for providing security
32 for the Premises with no right of reimbursement from either Landlord or the Authority. Notwithstanding the
33 foregoing, Tenant shall take such reasonable security precautions with respect to the Premises and its
34 operations and personnel as Landlord or the Authority, in their discretion may require from time to time.
35

36 **Section 27.26 NON-DISCRIMINATION AND AFFIRMATIVE ACTION.** With respect to
37 non-discrimination and affirmative action, Tenant, its agents, employees, licensees, contractors and
38 subcontractors shall comply at all times with all of the terms and conditions set forth in Exhibit G and as set
39 forth in Tenant's Agreement with the Authority.
40

41 **Section 27.27 LABOR HARMONY.** Tenant agrees that in the use of the Premises or any work
42 performed in or about the Premises that Tenant will employ only labor which can work in harmony with all
43 elements of labor being employed at the Airport. Tenant shall use its best efforts, taking all measures and
44 means, to insure labor harmony in its activities at the Terminal and the Airport, all to the end of avoiding
45 and preventing strikes, walkouts, work stoppages, slowdowns, boycotts and other labor trouble and discord.
46 Tenant particularly recognizes the essential necessity of the continued and full operation of the whole
47 Airport as a transportation center. Tenant shall immediately give oral notice to Landlord and the Authority
48 (to be followed by written notice and reports) of any and all impending or existing labor complaints,
49 troubles, disputes or controversies and the progress thereof. If any type of strike, boycott, picketing, work
50 stoppage, slowdown or other labor activity is directed against Tenant or against any of Tenant's operations
51 pursuant to this Sublease which in the opinion of Landlord and/or the Authority (i) physically interferes with
52 the operation of the Terminal or the Airport, or (ii) physically interferes with access between the Premises

1 and any portion of the Terminal or the Airport, by the public, or (iii) physically interferes with access to
2 other areas of the Terminal or the Airport, by the public, or (iv) physically interferes with the operations of
3 other subtenants, concessionaires, lessees or licensees at the Terminal or the Airport, or (v) presents a
4 danger to the health or safety of users of the Terminal or the Airport, persons employed thereat, or to
5 members of the public, whether or not the same is due to the fault of Tenant or is caused by employees of
6 Tenant or of others, Landlord and/or the Authority shall have the right at any time during the continuance
7 thereof, by 24 hours oral notice to suspend Tenant's operations hereunder effective at the time specified in
8 such oral notice. During any suspension, Tenant shall cease all its activities and operations hereunder and
9 take such steps to secure and protect the Premises as shall be necessary or desirable. The period of
10 suspension shall end automatically no later than 24 hours after the cause thereof has ceased or been cured.
11 While Tenant shall be relieved of its obligation to continually conduct its business in the Premises during a
12 suspension period, suspension shall not relieve Tenant of its payment or reporting obligations hereunder and
13 there shall be no abatement of Rental under any circumstances whatsoever unless otherwise approved in
14 writing by Landlord determined in its sole and absolute discretion.

15
16 **Section 27.28 CROSS DEFAULT.** Notwithstanding anything to the contrary contained in this
17 Sublease, a default of Tenant's obligations under the provisions of any other sublease with Landlord
18 covering any other concession facilities within the Terminal shall constitute a default by Tenant under this
19 Sublease, entitling Landlord to the rights and remedies provided to it under this Sublease and at law.

20
21 **Section 27.29 AIRPORT SECURITY.** Tenant, its agents, employees, contractors and
22 subcontractors shall be familiar with, comply with and conduct all their activities and operations hereunder
23 in accordance with all regulations and directives of Landlord, the Authority and the Federal Aviation
24 Administration ("FAA") with respect to maintaining Airport security. Tenant agrees with Landlord and the
25 Authority to require each of its employees to attend an appropriate training seminar that may be required as
26 a condition of employment. Each of Tenant's employees shall be eligible to apply for the appropriate
27 identification badge for the Terminal C Concession Program ("TCCP Badge"). Tenant agrees that at all
28 times Tenant shall have a sufficient number of its employees that have obtained and are holding currently
29 issued TCCP Badges in order to efficiently conduct its business in the Terminal. Landlord assumes no
30 responsibility for providing escorts within the Terminal for Tenant's benefit if Tenant fails to have a
31 sufficient number of employees so badged nor does the Authority assume any such responsibility for
32 providing escorts. The TCCP Badge will contain the employee's ID number, photograph, name and social
33 security number, store name and expiration date (issued for maximum of 1 year). Tenant hereby agrees to
34 require all employees to wear and properly display the TCCP Badge at all times while in the Airport. The
35 TCCP Badge shall be obtained from Landlord or its designated security agent by Tenant for each of its
36 employees, at Tenant's sole cost and expense, and all fees for background checks, fingerprinting (if
37 necessary), application processing and production of the TCCP Badge shall be as set from time to time by
38 Landlord and shall be paid in advance by Tenant. The TCCP Badge shall allow access to certain secured
39 areas in the operations level of the Terminal which includes employee locker areas, offices, storage rooms,

A construction deposit of a minimum of \$5,000.00 will be required from Tenant's general contractor and shall not be released by Landlord until after satisfactory completion of all requirements of this Exhibit B and the documents referenced herein and approval by both Landlord's and the Authority's on-site construction supervision personnel specifying that all of Tenant's Work has been completed and accepted by Landlord and the Authority.

M. During the construction periods at the Terminal, the Landlord, Tenant and their agents, servants, employees and contractors shall be permitted entry and access to the Terminal and to the Premises for the purpose of performing and completing all work necessary to make the Premises and other improvements ready for use, occupancy and rental. During the construction periods, Landlord, Tenant and their respective agents, consultants and employees, contractors and subcontractors shall observe all applicable rules and regulations and applicable directives imposed by the Authority at the Airport as to the conduct of their work. Tenant and its agents shall be responsible for securing, keeping and maintaining all of their equipment, materials, supplies, tools, work trailers and the like within the Tenant's Premises, or within a defined staging area for the exclusive purpose of supporting the Tenant's Premises construction, subject to Landlord approval. Tenant shall also be responsible for insuring that all construction debris is removed from the construction site daily, and that the site is neat and clean at all times. Tenant shall comply in all respects with procedures for project close-out and acceptance of the space as detailed in the Tenant Design Criteria and Handbook and the TAA.

N. All policies of insurance and bonds addressed in this Sublease shall be issued for the protection of the Landlord, Tenant and the Authority, in accordance with their respective insurable interest. The terms of the policies and bonds and the insurer or surety shall be subject to the reasonable approval of Landlord and the Authority.

O. Tenant shall provide, maintain and identify the Authority and the Landlord as an additional insured, with respect to the insurance protection required under the provisions outlined in the Sublease.

P. Construction Costs:

(ii) The Authority, Landlord, or an independent professional firm retained by the Authority or Landlord, may audit costs associated with the construction, modification or renovation of the Premises. In this regard, the Authority, Landlord and/or their auditing firm shall have the right upon 7 days advance request by the Authority or Landlord during the Term hereof and for such longer period as required in Tenant's Agreement with the Authority, to examine and audit books, records, documents and other evidence and accounting procedures and practices, sufficient to reflect properly all construction costs claimed to have been incurred or anticipated to be incurred, in performing this Sublease. The right of examination shall extend to all documents necessary to allow evaluation of

both the validity and reasonableness of said construction costs, including all documents of the Tenant who shall make all construction records available to the Authority or Landlord within the Port of New York District for examination, audit, or reproduction, upon 7 days advance request by the Authority or Landlord.

Q. In its construction plans Tenant must insure that the Premises has strong visual appeal and is inviting to the customers; and that the Premises accommodates customers with luggage and meets all Americans With Disabilities Act (ADA) requirements relating to ingress, egress, access and other architectural matters, such as for example, large print price signs for the visually impaired and the ability to communicate with hearing impaired.

V. CONSTRUCTION CHARGEBACKS PAYABLE TO LANDLORD.

A. Landlord may provide items of construction, work or services for the Premises as a part of Landlord's Work at Tenant's sole cost and expense, including, but not limited to the following:

1. Landlord, at Tenant's expense, may install a temporary construction barricade along the storefront area leaseline in a design, material and location approved by Landlord if Tenant fails to install such temporary construction barricade prior to the commencement of any of Tenant's Work in the Premises. If Landlord installs such a barricade, Tenant shall reimburse Landlord therefor as Additional Rent an amount which will be computed at the rate of \$75.00 per lineal foot of the barricade. Upon completion of Tenant's Work, Tenant shall be responsible, at Tenant's sole cost, to remove such barricade to an appropriate disposal site outside of the Airport.

VI. PROGRESS MEETINGS; MISCELLANEOUS.

A. Representatives of Landlord (or its agent) and Tenant, as designated in writing to each other, shall establish and attend on-site progress meetings with such periods of frequency during the performance of Tenant's Work as may be mutually agreed upon but no less frequently than monthly.

B. Tenant shall perform Tenant's Work so as not to: (i) unreasonably interfere with any other construction being performed at the Terminal or the Airport; or (ii) unreasonably impair the use, occupancy or enjoyment at the Terminal and/or the Airport by Landlord, the Authority, other airlines, other subtenants operating concession facilities or customers of any of them.

C. Tenant shall (i) take all safety measures required to protect the Terminal and/or the Airport from injury or damage caused by or resulting from the performance of Tenant's Work and defend, protect and indemnify Landlord and the Authority (including their respective agents, commissioners, officers, directors and employees), other airlines, other subtenants operating concession facilities or customers of any of them from any and all claims arising from or in connection with the death of or accident, injury, loss or damage whatsoever caused to any natural person or to the property of any person or entity arising out of, in connection with, or as a result of Tenant's Work; (ii) repair any and all damage to the Terminal and/or the Airport as a result of Tenant's Work; and (iii) require all contractors and subcontractors to comply with all of the requirements and Permits for the performance of Tenant's Work.

DISADVANTAGED BUSINESS ENTERPRISES

To qualify as a Disadvantaged Business Enterprise ("DBE"), the firm must meet the criteria established by the U.S. Department of Transportation in 49 CFR Part 23 and be certified by the Authority. Currently, to qualify as a DBE, the firm must be a small business concern whose average annual receipts for the preceding 3 fiscal years does not exceed \$30,000,000.00 and it must be (a) at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operations are controlled by one or more of the socially or economically disadvantaged individuals who own it. For other types of business operations, the U.S. Small Business Administration size standards are used to determine eligibility for certification. The DBE may, if other qualifications are met, be a franchisee of a franchisor. An airport concession is a for-profit business enterprise, located on an airport, which is subject to the Code of Federal Regulations 49 Part 23, subpart F, that is engaged in the sale of consumer goods or services to the public under an agreement with the sponsor, another concessionaire, or the owner or operator of a terminal, if other than the sponsor. The Authority makes a "rebuttable presumption that individuals in the following groups who are citizens of the United States or lawful permanent residents are "socially and economically disadvantaged:

- a. Women;
- b. Black Americans which includes persons having origins in any of the Black racial groups of Africa;
- c. Hispanic Americans which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;
- d. Native Americans which includes persons who are American Indians, Eskimos, Aleuts or Native Hawaiians;
- e. Asian-Pacific Americans which includes persons whose origins are from Japan, China, Taiwan, Korea, Vietnam, Laos, Cambodia, the Philippines, Samoa, Guam, the U.S. Trust Territories of the Pacific, and the Northern Marianas;
- f. Asian-Indian Americans which includes persons whose origins are from India, Pakistan and Bangladesh; and
- g. Members of other groups, or other individuals, found to be economically and socially disadvantaged by the Small Business Administration under Section 8(a) of the Small Business Act, as amended (15 U.S.C. Section 637(a)).

Other individuals may be found to be socially and economically disadvantaged on a case-by-case basis. For example, a disabled Vietnam veteran, an Appalachian white male, or another person may claim to be disadvantaged. If such individual requests that his or her firm be certified as DBE, the Authority, as part of the certification process, will determine whether the individual is socially or economically disadvantaged under the criteria established by the Federal Government. These owners must demonstrate that their disadvantaged status arose from individual circumstances, rather than by virtue of membership in a group.

The Authority has compiled a list, which may be supplemented and revised from time to time by the Authority, to indicate the firms the Authority determined satisfy the criteria for DBE certification. Such list shall be made available to the proposers upon request. The Authority makes no representations as to the financial responsibility of such firms, their technical competence to perform, nor any other performance-related qualifications. Only listed DBEs and such firms not so listed, but certified by the Authority as DBEs hereunder, will count towards DBE requirements.

Certification of DBEs hereunder shall be made by the Office of Business and Job Opportunity of the Authority. If a proposer wishes to utilize a firm not so listed but which the proposer believes should be certified as a DBE, that firm shall submit to the Authority a written request for a determination that the firm is eligible for certification. This shall be done by completing and forwarding such forms as may be required by the Authority from time to time. All such requests shall be in writing, addressed to Mr. John Alexander, Supervisor, Certification Programs or other designee of the Office of Business and Job Opportunity, The Port Authority of New York and New Jersey, One World Trade Center, Room 63 East, New York, NY 10048. Eligibility for certification shall only be made in writing over the name of the Director in charge of the Office of Business and Job Opportunity. The determination of the Authority shall be final and binding on the applicant. For inquiries or assistance, please contact John Alexander at (212) 435-6513.

1. Tenant shall not exclude any person from participation in, nor deny any person the benefits of, nor otherwise subject any person to discrimination in, the use by Tenant of the Premises or in the construction of any Fixed Improvements or the furnishing of any services at the Premises on the grounds of race, creed, color, national origin, sex, age, disability or marital status and Tenant shall use the Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Non-discrimination in Federally-assisted programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, as said regulations may be amended, and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which from time to time may be applicable to Tenant's operations at the Premises, whether by reason of agreement between the Authority and the United States Government or otherwise. Tenant's non-compliance with the provisions of this Exhibit G, Part I shall constitute a material breach of this Sublease. In the event of any such breach of any of the above non-discrimination provisions, the Authority may take appropriate action to enforce compliance; or in the event such noncompliance shall continue for a period of 7 days after receipt of written notice from the Authority, Landlord shall have the right to terminate this Sublease and the letting thereunder with the same force and effect as a termination under Article XIX of this Sublease, or may pursue such other remedies as be provided by law; and as to any or all the foregoing, each of Landlord and the Authority may take such action as the United States may direct. Tenant shall indemnify and hold harmless Landlord and the Authority from any claims and demands of third persons, including the United States of America, resulting from Tenant's noncompliance with any of the provisions of this Exhibit G, Part I and Tenant shall reimburse Landlord and the Authority for any loss or expense incurred by reason of such noncompliance. Nothing contained in this Exhibit G, Part I shall grant or shall be deemed to grant to Tenant the right to perform any construction at the Premises.

2. In addition to and without limiting any other term or provision of this Sublease, Tenant shall undertake an affirmative action program as required by 14 CFR part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, sex, age, disability or marital status be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. Tenant shall assure that no person is excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this paragraph. Tenant also shall require that its covered suborganizations provide written assurances to Tenant and the Authority that they similarly will undertake affirmative action programs and that they will require written assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

3. In addition to and without limiting any other term or provision of the Sublease:

(a) Tenant shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, and shall undertake or continue existing programs of affirmative action to ensure that minority group persons and women are afforded equal employment opportunity without discrimination. Such programs shall include, but not be limited to, recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, rates of pay or other forms of compensation, and selections for training or retraining, including apprenticeship and on-the-job training;

(b) In addition to and without limiting the foregoing or Exhibit G, Part II or Section 2 of this Exhibit G, Part I, Tenant shall, in connection with (i) its continuing operation, maintenance and repair of the Premises, or any portion thereof, including all purchasing procurement and subcontractors opportunities associated with the operations under this Sublease, including without limitation, the purchase of supplies, equipment, labor and other services, and (ii) every agreement for concession or consumer services in the Premises throughout the Term, commit itself to and use good faith efforts to implement an extensive program of affirmative action, including specific affirmative action steps to be taken by Tenant, to ensure, to the maximum extent feasible and consistent

1 with cost competitiveness and other considerations properly present in the exercise of good business judgement (A)
2 maximum opportunities for employment and contracting by minorities and women, (B) meaningful participation and
3 (C) meaningful interest (in the business to be operated in any portion of the Premises) by Minority Business
4 Enterprises ("MBEs") and Women-owned Business Enterprises ("WBEs") (such program is referred to herein as the
5 "Tenant's Affirmative Action Program"). In meeting the said commitment Tenant shall submit to the Authority for
6 its review and approval Tenant's Affirmative Action Program, within 6 months after the execution of this Sublease.
7 Tenant shall incorporate in Tenant's Affirmative Action Program such revisions and changes which the Authority
8 initially or from time to time may reasonably require. Tenant throughout the Term of this Sublease shall document
9 its efforts in implementing Tenant's Affirmative Action Program, shall keep the Authority fully advised of Tenant's
10 progress in implementing Tenant's Affirmative Action Program and shall supply to the Authority such information,
11 data and documentation with respect thereto as the Authority may from time to time and at any time request,
12 including but not limited to annual reports.
13

14 4. In the implementation of Paragraph 3, the Authority may consider compliance by Tenant with the
15 provisions of any federal, state or local law concerning affirmative action-equal employment opportunity which are
16 at least equal to the requirements of Paragraph 3 as effectuating the provisions of Paragraph 3. If the Authority
17 determines that by virtue of such compliance with the provisions of any such federal, state or local law that the
18 provisions hereof duplicate or conflict with such law, the Authority may waive the applicability of the provisions of
19 Paragraph 3 to the extent that such duplication or conflict exists. Nothing herein provided shall be construed as a
20 limitation upon the application of any laws which establish different standards of compliance or upon the application
21 of requirements for the hiring of local or other area residents.
22

23 5. Tenant shall furnish good, prompt and efficient service hereunder, adequate to meet all demands
24 therefor at the Terminal; furnish said service on a fair, equal and non-discriminatory basis to all users thereof; and,
25 without being construed in derogation of Article VII of this Sublease, charge fair, reasonable and non-discriminatory
26 prices for each unit of sale or service, provided that Tenant may make reasonable and non-discriminatory discounts,
27 rebates or other similar types of price reductions to volume purchasers.
28

29 6. Tenant acknowledges that: (a) the Authority has applied for and received a grant or grants of money
30 from the Administrator of the Federal Aviation Administration pursuant to the Airport and Airways Development
31 Act of 1970, as the same has been amended and supplemented or superseded by similar federal legislation, and
32 under prior federal statutes which said Act superseded and the Authority may in the future apply for and receive
33 further such grants. In connection therewith, the Authority has undertaken and may in the future undertake certain
34 obligations respecting its operation of the Airport and the activities of its contractors, lessees, and permittees
35 thereon. The performance by Tenant of the covenants, promises and obligations contained in this Exhibit is
36 therefore a special consideration and inducement for the Authority to enter into the Agreement between Tenant and
37 the Authority, and if the Administrator of the Federal Aviation Administration or any other governmental officer or
38 body having jurisdiction over the enforcement of the obligations of the Authority in connection with the Federal
39 Airport Aid, shall make any orders, recommendations or suggestions respecting the performance by Tenant of such
40 covenants, promises and obligations, Tenant will promptly comply therewith, at the time or times when and to the
41 extent that the Authority may direct. (b) Without limiting the generality of Exhibit G, Part I, this Sublease is subject
42 to the requirements of the U.S. Department of Transportation's regulations, 49 CFR part 23, subpart F. Tenant
43 agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or
44 sex in connection with the award or performance of any concession agreement covered by 49 CFR part 23, subpart
45 F. (c) Tenant agrees to include the above statements in any subsequent sublease, license or franchise agreement that
46 it enters and cause those businesses to similarly include the statements in such further agreements, the foregoing not
47 to be construed as approval by Landlord or the Authority of any such subsequent sublease, license or franchise
48 agreements as required. Exhibit D to this Sublease is hereby incorporated by reference into this Exhibit G.

PART II

CONTRACTOR BID CONDITIONS

A. AFFIRMATIVE ACTION GUIDELINES – EQUAL EMPLOYMENT OPPORTUNITY

I. As a matter of policy the Authority hereby requires Tenant and Tenant shall require Contractor, as hereinafter defined, to comply with the provisions set forth hereinafter in this Exhibit G. The provisions set forth in this Part II.A. are similar to the conditions for bidding on federal government contracts adopted by the Office of Federal Contract Compliance and effective May 8, 1978. Tenant as well as each bidder, contractor and subcontractor of Tenant and each subcontractor of a contractor at any tier of construction (herein collectively referred to as "Contractor") must fully comply with the clause entitled "Equal Employment Opportunity" and conditions set forth herein (said conditions being herein called "Bid Conditions"). Tenant hereby commits itself to the goals for minority and female utilization set forth below and all other requirements, terms and conditions of the Bid Conditions. Tenant shall likewise require Contractor to commit itself to the said goals for minority and female utilization set forth below and all other requirements, terms and conditions of the Bid Conditions by submitting a properly signed bid.

II. Tenant and Contractor shall each appoint an executive of its company to assume the responsibility for the implementation of the requirements, terms and conditions of the following Bid Conditions:

(a) The goals for minority and female participation, expressed in percentage terms, for Contractors' workforce at the construction site are as follows: 30% Minority, All Skilled Trades; 40% Minority, Laborers; 6.9% Female, All Skilled Trades; 6.9% Female Laborers. In the event that during the performance of such contract the Office of Federal Contract Compliance establishes different goals for the Port of New York District, Tenant/Contractor shall be deemed bound to such different goals and this Exhibit G, Part II shall be deemed amended to substitute such goals for the goals set forth above. These goals are applicable to all Tenant's/Contractor's construction work performed in and for the Premises. The term "Contractor" hereinafter shall include Tenant should Tenant or an affiliate thereof be the contractor. The specific affirmative action obligations required herein of minority and female employment and training must be substantially uniform throughout the length of the contract, and in each trade, and Contractor shall make good faith efforts to employ minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the goals shall be a violation of the contract and, where the contractor is the Tenant, the Sublease. Compliance with the goals will be measured against the total work hours performed.

(b) Contractor shall provide written notification to Tenant and Tenant shall provide written notification to the Manager of the Office of Business and Job Opportunity of the Authority within 10 working days of award of any construction subcontract in excess of \$10,000 at any tier for construction work. The notification shall list the name, address and telephone number of the subcontractor; employer identification number; estimated starting and completion dates of the subcontract; and the geographical area in which the subcontract is to be performed.

(c) As used in these specifications: (1) "Employer identification number" means the Federal Social Security Number used on the Employer's Quarterly Federal Tax Return, U.S. Treasury Department Form 941. (2) "Minority" includes: (i) Black (all persons having origins in any of the Black African racial groups not of Hispanic origin); (ii) Hispanic (all persons of Mexican, Puerto Rican, Dominican, Cuban, Central or South American culture or origin, regardless of race); (iii) Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands); and (iv) American Indian or Alaskan Native (all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification).

(d) Whenever Contractor, or any subcontractor at any tier, subcontracts a portion of the construction work involving any construction trade, it shall physically include in each subcontract in excess of \$10,000 those provisions which include the applicable goals for minority and female participation.

1 (e) Contractor shall implement the specific affirmative action standards provided in subparagraphs (1)
2 through (16) of Paragraph (h) hereof. The goals set forth above are expressed as percentages of the total hours of
3 employment and training of minority and female utilization Contractor should reasonably be able to achieve in each
4 construction trade in which it has employees in the Premises. Contractor is expected to make substantially uniform
5 progress toward its goals in each craft during the period specified.
6

7 (f) Neither the provisions of any collective bargaining agreement, nor the failure by a union with whom
8 Contractor has a collective bargaining agreement, to refer either minorities or women shall excuse Contractor's
9 obligations hereunder.
10

11 (g) In order for the nonworking training hours of apprentices and trainees to be counted in meeting the
12 goals, such apprentices and trainees must be employed by Contractor during the training period, and Contractor
13 must have made a commitment to employ the apprentices and trainees at the completion of their training subject to
14 the availability of employment opportunities. Trainees must be trained pursuant to training programs approved by
15 the U.S. Department of Labor.
16

17 (h) Contractor shall take specific affirmative actions to ensure equal employment opportunity ("EEO").
18 The evaluation of Contractor's compliance with these provisions shall be based upon its good faith efforts to achieve
19 maximum results from its actions. Contractor shall document these efforts fully, and shall implement affirmative
20 action steps at least as extensive as the following: (1) Ensure and maintain a working environment free of
21 harassment, intimidation, and coercion at all sites, and in all facilities at which Contractor's employees are assigned
22 to work. Contractor, where possible, will assign two or more women to each Phase of the construction project.
23 Contractor, shall specifically ensure that all foremen, superintendents, and other supervisory personnel at the
24 Premises are aware of and carry out Contractor's obligation to maintain such a working environment, with specific
25 attention to minority or female individuals working at the Premises. (2) Establish and maintain a current list of
26 minority and female recruitment sources, provide written notification to minority and female recruitment sources
27 and to community organizations when Contractor or its unions have employment opportunities available, and
28 maintain a record of the organizations' responses. (3) Maintain a current file of the names, addresses and telephone
29 numbers of each minority and female off-the-street application and minority or female referral from a union, a
30 recruitment source or community organization and of what action was taken with respect to each such individual. If
31 such individual was sent to the union hiring hall for referral and was not referred back to Contractor by the union or,
32 if referred, not employed by Contractor, this shall be documented in the file with the reason therefor, along with
33 whatever additional actions Contractor may have taken. (4) Provide immediate written notification to Tenant when
34 the union or unions with which Contractor has a collective bargaining agreement has not referred to Contractor a
35 minority person or woman sent by Contractor, or when Contractor has other information that the union referral
36 process has impeded Contractor's efforts to meet its obligations. (5) Develop on-the-job training opportunities
37 and/or participate in training programs for the area which expressly include minorities and women, including
38 upgrading programs and apprenticeship and training programs relevant to Contractor's employment needs,
39 especially those programs funded or approved by the Department of Labor. Contractor shall provide notice of these
40 programs to the sources compiled under subparagraph (2) above. (6) Disseminate Contractor's EEO Policy by
41 providing notice of the policy to unions and training programs and requesting their cooperations in assisting
42 Contractor in meeting its EEO obligations; by including it in any policy manual and collective bargaining
43 agreement; by publicizing it in Contractor's newspaper, annual report, etc.; by specific review of the policy with all
44 management personnel and with all minority and female EEO employees at least once a year; and by posting
45 Contractor's EEO policy on bulletin boards accessible to all employees at each location where construction work is
46 performed. (7) Review, at least every six months, Contractor's EEO policy and affirmative action obligations
47 hereunder with all employees having any responsibility for hiring, assignment, layoff, termination or other
48 employment decisions including specific review of these items with on-Premises supervisory personnel such as
49 Superintendents, General Foremen, etc., prior to the initiation of construction work at the Premises. A written
50 record shall be made and maintained identifying the time and place of these meetings, persons attending, subject
51 matter discussed, and disposition of the subject matter. (8) Disseminate Contractor's EEO policy externally by
52 including it in any advertising in the news media, specifically including minority and female news media, and
53 providing written notification to and discussing Contractor's EEO policy with other Contractors and Subcontractors
54 with whom Contractor does or anticipates doing business. (9) Direct its recruitment efforts, both oral and written, to
55 minority, female and community organizations, to schools with minority and female students and to minority and

1 female recruitment and training organizations and to State-certified minority referral agencies serving Contractor's
2 recruitment area and employment needs. Not later than one month prior to the date for the acceptance of
3 applications for apprenticeship or other training by any recruitment source, Contractor shall send written notification
4 to organizations such as the above, describing the openings, screening procedures, and tests to be used in the
5 selection process. (10) Encourage present minority and female employees to recruit other minority persons and
6 women and, where reasonable, provide after school, summer and vacation employment to minority and female
7 youth both on the Premises and in other areas of a Contractor's workforce. (11) Tests and other selecting
8 requirements shall comply with 41 CFR Part 60-3. (12) Conduct, at least every six months, an inventory and
9 evaluation at least of all minority and female personnel for promotional opportunities and encourage these
10 employees to seek or to prepare for, through appropriate training, etc., such opportunities. (13) Ensure that seniority
11 practices, job classifications, work assignments and other personnel practices, do not have a discriminatory effect by
12 continually monitoring all personnel and employment related activities to ensure that the EEO policy and
13 Contractor's obligations hereunder are being carried out. (14) Ensure that all facilities and company activities are
14 nonsegregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure
15 privacy between the sexes. (15) Document and maintain a record of all solicitations of offers for subcontracts from
16 minority and female construction contractors and suppliers, including circulation of solicitations to minority and
17 female contractor associations and other business associations. (16) Conduct a review, at least every six months, of
18 all supervisors' adherence to and performance under Contractor's EEO policies and affirmative action obligations.

19
20 (i) Contractors are encouraged to participate in voluntary associations which assist in fulfilling one or
21 more of their affirmative action obligations (subparagraphs (1)-(16) of Paragraph (h) above). The efforts of a
22 contractor association, joint contractor-union, contractor-community, or other similar group of which Contractor is a
23 member and participant, may be asserted as fulfilling any one or more of its obligations under Paragraph (h) hereof
24 provided that; Contractor actively participates in the group, makes good faith efforts to assure that the group has a
25 positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the
26 program are reflected in Contractor's minority and female workforce participation, makes good faith efforts to meet
27 its individual goals and timetables, and can provide access to documentation which demonstrates the effectiveness
28 of actions taken on behalf of Contractor. The obligation to comply, however, is Contractor's and failure of such a
29 group to fulfill an obligation shall not be a defense for Contractor's non-compliance.

30
31 (j) A single goal for minorities and a separate single goal for women have been established. Contractor,
32 however, is required to provide equal employment opportunity and to take affirmative action for all minority groups,
33 both male and female, and all women, both minority and non-minority. Consequently, Contractor may be in
34 violation hereof if a particular group is employed in a substantially disparate manner (for example, even though
35 Contractor has achieved its goals for women generally, Contractor may be in violation hereof if a specific minority
36 group of women is underutilized).

37
38 (k) Contractor shall not use the goals and timetables or affirmative action standards to discriminate
39 against any person because of race, color, religion, sex and national origin.

40
41 (l) Contractor shall not enter into any subcontract with any person or firm debarred from Government
42 contracts pursuant to Executive Order 11246.

43
44 (m) Contractor shall carry out such sanctions and penalties for violation of this clause including
45 suspension, termination and cancellation of existing subcontracts as may be imposed or ordered by Tenant. Any
46 Contractor who fails to carry out such sanctions and penalties shall be in violation hereof.

47
48 (n) Contractor, in fulfilling its obligations hereunder shall implement specific affirmative action steps, at
49 least as extensive as those standards prescribed in Paragraph (h) hereof so as to achieve maximum results from its
50 efforts to ensure equal employment opportunity. If Contractor fails to comply with the requirements of these
51 provisions, Tenant shall proceed accordingly.

52
53 (o) Contractor shall designate a responsible official to monitor all employment related activity to ensure
54 that the Company EEO policy is being carried out, to submit reports relating to the provisions hereof as may be
55 required and to keep records. Records shall at least include for each employee the name, address, telephone

1 numbers, construction trade, union affiliation, if any, employee identification number when assigned, social security
2 number, race, sex, status (e.g. mechanical apprentice, trainee, helper, or laborer), dates of changes in status, hours
3 worked per week in the indicated trade, rate of pay, and location at which the work was performed. Records shall be
4 maintained in an easily understandable retrievable form; however, to the degree that existing records satisfy this
5 requirement, contractors shall not be required to maintain separate records.
6

7 (p). Nothing herein provided shall be construed as a limitation upon the application of any laws which
8 establish different standards of compliance or upon the application of requirements for the hiring of local or other
9 area residents (e.g., those under the Public Works Employment Act of 1977 and the Community Development Block
10 Grant Program).
11

12 (q) Without limiting any other obligation, term or provision under the Lease, Contractor shall cooperate
13 with all federal, state or local agencies established for the purpose of implementing affirmative action compliance
14 programs and shall comply with all procedures and guidelines established or which may be established by the
15 Authority.
16

17 III. Tenant shall require all contractors (and subcontractors thereof, at any tier of construction) to include in all
18 contracts for construction relating to the Premises the following statements: (a) The Contractor shall not discriminate
19 against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or
20 marital status, and shall undertake or continue existing programs of affirmative action to ensure that minority group
21 persons are afforded equal employment opportunity without discrimination. Such programs shall include, but not be
22 limited to, recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination,
23 rates of pay or other forms of compensation, and selections for training or retraining, including apprenticeships and
24 on-the-job training; (b) At the request of the Authority, the Contractor shall request such employment agency, labor
25 union, or authorized representative of workers with which it has a collective bargaining or other agreement or
26 understanding and which is involved in the performance of the contract with Tenant to furnish a written statement
27 that such employment agency, labor union or representative shall not discriminate because of race, creed, color,
28 national origin, sex, age, disability or marital status and that such union or representative will cooperate in the
29 implementation of the Contractor's obligations hereunder; (c) The Contractor will state, in all solicitations or
30 advertisements for employees placed by or on behalf of the Contractor in the performance of the contract, that all
31 qualified applicants will be afforded equal employment opportunity without discrimination because of race, creed,
32 color, national origin, sex, age, disability or marital status; (d) The Contractor will include the provisions of
33 subparagraphs (a) through (c) of this paragraph in every subcontract or purchase order in such a manner that such
34 provisions will be binding upon each subcontractor or vendor as to its work in connection with the contract; and (e)
35 "Contractor" as used herein shall include each contractor and subcontractor at any tier of construction.
36
37

38 **B. MINORITY BUSINESS ENTERPRISES/WOMEN-OWNED BUSINESS ENTERPRISES**

39

40 As a matter of policy the Authority requires Tenant and Tenant shall itself and shall require the general
41 contractor or other construction supervisor and each of Tenant's contractors to use every good faith effort to provide
42 for meaningful participation by Minority Business Enterprises (MBEs) and Women-owned Business Enterprises
43 (WBE's) in the construction work, pursuant to the provisions of this Exhibit G. For purposes hereof, Minority
44 Business Enterprise (MBE) shall mean any business enterprise which is at least fifty-one percent owned by, or in the
45 case of a publicly owned business, at least fifty-one percent of the stock of which is owned by citizens or permanent
46 resident aliens who are minorities and such ownership is real, substantial and continuing. For the purposes hereof,
47 Women-owned Business Enterprise (WBE) shall mean any business enterprise which is at least fifty-one percent
48 owned by, or in the case of a publicly owned business, at least fifty-one percent of the stock of which is owned by
49 women and such ownership is real, substantial and continuing. A minority shall be as defined in paragraph II(c) of
50 Part II.A. of this Exhibit G. "Meaningful participation" shall mean that at least twelve percent (12%) of the total
51 dollar value of the construction contracts (including subcontracts) covering the construction work are for the
52 participation of Minority Business Enterprises and that at least five percent (5%) of the total dollar value of the
53 construction contracts (including subcontracts) are for the participation of Women-owned Business Enterprises.
54 Good faith efforts to include meaningful participation by MBEs and WBEs shall include at least the following: (a)
55 Dividing the Work to be subcontracted into smaller portions where feasible. (b) Actively and affirmatively soliciting

1 bids for subcontracts from MBEs and WBEs, including circulation of solicitations to minority and female contractor
2 associations. Contractor shall maintain records detailing the efforts made to provide the meaningful MBE and WBE
3 participation in the Work, including the names and addresses of all MBEs and WBEs contacted and, if any such

8 partnerships or other similar arrangements among subcontractors, where appropriate, to insure that Tenant and
9 Contractor will meet their obligations hereunder. (f) Insuring that provision is made to provide progress payments to
10 MBEs and WBEs on a timely basis. (g) Not requiring bonds from and/or providing bonds and insurance for MBEs
11 and WBEs, where appropriate.

12
13 Certification of MBEs and WBEs hereunder shall be made by the Office of Business and Job Opportunity of the
14 Authority. If Contractor wishes to utilize a firm not already certified by the Authority, it shall submit to the
15 Authority a written request for a determination that the proposed firm is eligible for certification. This shall be done
16 by completing and forwarding such form as may be required by the Authority from time to time. All such requests
17 shall be in writing addressed to the Office of Business and Job Opportunity, The Port Authority of New York and
18 New Jersey, One World Trade Center, 63 East, New York, New York 10048. Eligibility for certification shall be
19 made in writing over the name of the Director in charge of the Office of Business and Job Opportunity. The
20 determination of the Authority shall be final and binding. For inquiries or assistance, please contact the Office of
21 Business and Job Opportunity at 212-435-6509.

22
23 The Authority has compiled a list of the firms that the Authority has determined satisfy the criteria for MBE and
24 WBE certification. This list may be supplemented and revised from time to time by the Authority. Such list shall be
25 made available to Contractor upon request. The Authority makes no representation as to the financial responsibility
26 of such firms, their technical competence to perform, or any other performance-related qualifications. Only MBEs
27 and WBEs certified by the Authority will count toward the MBE and WBE goals. Please note that only 60 percent
28 of expenditures to MBE/WBE suppliers will count towards meeting MBE and WBE goals. However, expenditures
29 to MBE or WBE manufacturers (i.e., suppliers that produce goods from raw materials or substantially alter them
30 before resale) are counted dollar for dollar.

MERCHANDISE STREET PRICING REQUIREMENTS -TERMINAL C

A. General Authority Street Pricing Policy.

The Aviation Department of the Authority requires specific pricing criteria in all concessions agreements at the Airport. In general, the Authority and Landlord seek to promote fair and reasonable prices in airport concession programs. The street pricing policy is also designed to produce a greater volume of sales, thereby reflecting the Authority's and Landlord's objective to provide high customer service and optimization of financial return. For vendors without off-airport operations in the area, comparable stores in the region are identified to establish the basis for street prices (the specific methodology for this comparison is established based upon the specific type of store and merchandise sold). For duty free concession vendors, where there are no comparable off-airport operations, the pricing policy requires that the prices of duty free merchandise be substantially comparable to the prices charged in duty free goods at the region's airports be comparable to the prices charged in duty free stores other airports in the Northeastern U.S. Further, vendors must submit price lists for all goods and services in advance for approval. The street pricing policy also requires vendors to post signs in clearly visible locations notifying customers that the store charges fair and reasonable prices that are comparable to other stores in the region. Landlord requires strict adherence to the Authority's street pricing policy.

GUARANTY

THIS GUARANTY ("Guaranty") is made as of this ____ day of _____, 200_, by, _____ ("Guarantor"), to and for the benefit of CONTINENTAL AIRLINES, INC., ("Landlord") and THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY ("Authority").

WITNESSETH:

WHEREAS, Landlord and _____ ("Tenant") have entered into that certain sublease dated _____, 200_, (the "Sublease"), for the Premises located in Terminal C of Newark International Airport, as more fully described in the Sublease;

WHEREAS, Guarantor will derive financial benefits from Tenant's use and occupancy of the Premises;

WHEREAS, it is a condition precedent to all of the obligations of Landlord pursuant to the Sublease, that Guarantor shall have executed and delivered this Guaranty.

NOW, THEREFORE, in consideration of and as an inducement to the execution of the Sublease by Landlord, and in consideration of the above recitals and other good and valuable consideration paid by Landlord to Guarantor and intending to be legally bound hereby, Guarantor does hereby covenant and agree as follows:

1. Guarantor hereby absolutely, unconditionally and irrevocably guarantees to Landlord and the Authority that Guarantor is and shall be directly and jointly and severally liable to Landlord and the Authority, for the full and prompt payment of all rents, additional rents and any and all other charges payable by Tenant under the Sublease, when due, whether by acceleration or otherwise, and the full, faithful and prompt performance and observance of all the covenants, terms, conditions and agreements of the Sublease to be performed and observed by Tenant, and Guarantor does hereby become surety to Landlord and the Authority, and their respective successors and assigns, for and with respect to all of Tenant's obligations under this Sublease.

2. Guarantor does hereby covenant and agree to and with Landlord and the Authority, that if default shall at any time be made by Tenant, in the payment of any such rents or other sums or charges payable by Tenant under the Sublease or in the performance of any of the covenants, terms, conditions or agreements contained in the Sublease, Guarantor will forthwith pay such rent or other sums or charges to Landlord, and any arrears thereof (including, without limitation, any and all interest or additional charges as provided in the Sublease), and will forthwith faithfully perform and fulfill all of such covenants, terms, conditions and agreements, and will forthwith pay to Landlord and the Authority all damages and all costs and expenses that may arise in consequence of any default by Tenant, under the Sublease (including, without limitation, all attorneys' fees and any and all expenses incurred by Landlord or the Authority or caused by any such default and/or by the enforcement of this Guaranty).

3. This Guaranty is an absolute and unconditional guaranty of payment and of performance and is a surety agreement. Guarantor's liability hereunder is direct and may be enforced immediately without Landlord or the Authority being required to resort to any other right, remedy or security and this Guaranty shall be enforceable immediately against Guarantor, without the necessity for any suit or proceedings on

Landlord's part of any kind or nature whatsoever against Tenant, and without the necessity of any notice of non-payment, non-performance or non-observance or the continuance of any such default or of any notice of acceptance of this Guaranty or of Landlord's or the Authority's intention to act in reliance herein or of any other notice or demand to which Guarantor might otherwise be entitled, all of which Guarantor hereby expressly waives; and Guarantor hereby expressly agrees that the validity of this Guaranty and the obligations of Guarantor hereunder shall in no manner be terminated, affected, or impaired by reason of the assertion or the failure to assert by Landlord or the Authority against Tenant, or of any of the rights or remedies reserved to Landlord or the Authority pursuant to the provisions of the Sublease.

4. This Guaranty shall be a continuing Guaranty, and (whether or not Guarantor shall have notice or knowledge of any of the following) the liability and obligation of Guarantor hereunder shall be absolute and unconditional irrespective of: (i) any amendment or modification of, or supplement to, or extension or renewal of the Sublease or any assignment or transfer thereof or sublease of the Premises; (ii) any exercise or non-exercise of any right, power, remedy or privilege under or in respect of the Sublease or this Guaranty or any waiver, consent or approval by Landlord or the Authority with respect to any of the covenants, terms, conditions or agreements contained in the Sublease or any indulgences, forbearances or extensions of time for performance or observance allowed to Tenant from time to time, at any time and for any length of time; (iii) any lack of validity or enforceability of the Sublease or any other agreement or instrument relating thereto; (iv) any bankruptcy, insolvency, reorganization, arrangement, readjustment, composition or liquidation or similar proceedings relating to Tenant, or its properties or creditors; (v) any impairment, modification, change, release or limitation of liability or obligation of Tenant under the Sublease (including, but not limited to, any disaffirmance or abandonment by a trustee of Tenant), resulting from the operation of any present or future provision of the United States Bankruptcy Code, as amended, or any other similar federal or state statute, or from the decisions of any court; (vi) any other circumstances which might otherwise constitute a defense available to, or a discharge of, the Tenant in respect of the Sublease or the Guarantor in respect of this Guaranty. This Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any rents, additional rents and any and all other charges by Tenant, under the Sublease, or performance and observance of any and all of the covenants, terms, conditions and agreements of the Sublease to be performed and observed by Tenant, under the Sublease are rescinded, cancelled or otherwise must be returned by Landlord upon the insolvency, bankruptcy or reorganization of the Tenant, all as though such payment had not been made and/or performance and observance had not occurred.

5. All of Landlord's and the Authority's rights and remedies under the Sublease and under this Guaranty are intended to be distinct, separate and cumulative and no such right and remedy therein or herein mentioned is intended to be in exclusion of or a waiver of any of the others. No termination of the Sublease or taking or recovering of the premises demised thereby shall deprive Landlord or the Authority of any of its rights and remedies against Guarantor under this Guaranty.
