2. Guarantor does hereby covenant and agree to and with Landlord and the Authority, that if default shall at any time be made by Tenant, in the payment of any such rents or other sums or charges payable by Tenant under the Sublease or in the performance of any of the covenants, terms conditions or agreements contained in the Sublease, Guarantor will forthwith pay such rent or other sums or charges to Landlord, any arrears thereof (including, without limitation, any and all interest or additional charges as provided in the Sublease), and will forthwith faithfully perform and fulfill all of such covenants, terms, conditions and agreements, and will forthwith pay to Landlord and the Authority all damages and all costs and expenses that may arise in consequence of any default by Tenant, under the Sublease (including, without limitation, all attorneys' fees and any and all expenses incurred by Landlord or the Authority or caused by any such default and/or by the enforcement of this Guaranty).

3. This Guaranty is an absolute and unconditional guaranty of payment and of performance and is a surety agreement. Guarantor's liability hereunder is direct and may be enforced immediately without Landlord or the Authority being required to resort to any other right, remedy or security and this Guaranty shall be enforceable immediately against Guarantor, without the necessity for any suit or proceedings on Landlord's or the Authority's part of any kind or nature whatsoever against Tenant, and without the

necessity of any notice of non-payment, non-performance or non-observance or the continuance of any such default or of any notice of acceptance of this Guaranty or of Landlord's and the Authority's intention to act in reliance herein or of any other notice or demand to which Guarantor might otherwise be entitled, all of which Guarantor hereby expressly waives; and Guarantor hereby expressly agrees that the validity of this Guaranty and the obligations of Guarantor hereunder shall in no manner be terminated, affected, or impaired by reason of the assertion or the failure to assert by Landlord or the Authority against Tenant, or of any of the rights or remedies reserved to Landlord or the Authority pursuant to the provisions of the Sublease.

4. This Guaranty shall be a continuing Guaranty, and (whether or not Guarantor shall have notice or knowledge of any of the following) the liability and obligation of Guarantor hereunder shall be absolute and unconditional irrespective of: (i) any amendment or modification of, or supplement to, or extension or renewal of the Sublease or any assignment or transfer thereof or sublease of the Premises; (ii) any exercise or non-exercise of any right, power, remedy or privilege under or in respect of the Sublease or this Guaranty or any waiver, consent or approval by Landlord or the Authority with respect to any of the covenants, terms, conditions or agreements contained in the Sublease or any indulgences, forbearances or extensions of time for performance or observance allowed to Tenant from time to time, at any time and for any length of time; (iii) any lack of validity or enforceability of the Sublease or any other agreement or instrument relating thereto; (iv) any bankruptcy, insolvency, reorganization, arrangement, readjustment, composition or liquidation or similar proceedings relating to Tenant, or its properties or creditors; (v) any impairment, modification, change, release or limitation of liability or obligation of Tenant under the Sublease (including, but not limited to, any disaffirmance or abandonment by a trustee of Tenant), resulting from the operation of any present or future provision of the United States Bankruptcy Code, as amended, or any other similar federal or state statute, or from the decisions of any court; (vi) any other circumstances which might otherwise constitute a defense available to, or a discharge of, the Tenant in respect of the Sublease or the Guarantor in respect of this Guaranty. This Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any rents, additional rents and any and all other charges by Tenant, under the Sublease, or performance and observance of any and all of the covenants, terms, conditions and agreements of the Sublease to be performed and observed by Tenant, under the Sublease are rescinded, cancelled or otherwise must be returned by Landlord upon the insolvency, bankruptcy or reorganization of the Tenant, all as though such payment had not been made and/or such performance and observance had not occurred.

5. All of Landlord's and the Authority's rights and remedies under the Sublease and under this Guaranty are intended to be distinct, separate and cumulative and no such right and remedy therein or herein mentioned is intended to be in exclusion of or a waiver of any of the others. No termination of the Sublease or taking or recovering of the premises demised thereby shall deprive Landlord or the Authority of any of their rights and remedies against Guarantor under this Guaranty. This Guaranty shall apply to Tenant's obligations pursuant to any extension, renewal, amendment, modification and supplement of or to the Sublease as well as to Tenant's obligations thereunder during the original term thereof in accordance with the original provisions thereof.

6. As a further inducement to Landlord to make and enter into the Sublease and perform its obligations thereunder, and in consideration thereof, Guarantor covenants and agrees that in any action or proceeding brought on, under or by virtue of this Guaranty, Guarantor shall and does hereby waive trial by jury. Guarantor agrees to pay Landlord's and the Authority's reasonable attorneys' fees and all costs and other expenses incurred in any collection or attempted collection or in any negotiations relative to the obligations hereby guaranteed or in enforcing this Guaranty against the undersigned, individually, jointly and severally.

EXHIBIT K
PERMITTED USE MERCHANDISE CATEGORIES
CATEGORY "A"

- 1
2
3 • Newspapers: A complete supply of all local daily newspapers of general circulation including but not
4 limited to the New York Times, New York Daily News, New York Post, Wall Street Journal,
5 Newark's Star-Ledger, USA Today, Washington Post, Philadelphia Inquirer, etc.

33 women's utility hosiery (non-designer), sewing kits, razor blades, and shaver refills, disposable
34 razors, and disposable diapers.

- 1 • Cosmetics, perfumes, and men's toiletries: A full range and supply of deluxe (high-fashion) and
2 standard (mid-priced) items including, but not limited to, nationally and internationally known
3 brands, as determined by Landlord.
- 4 • Greeting cards: A full range and supply to include a full assortment of individual occasion and all-
5 occasion greeting cards, current holiday greeting cards, cards celebrating major ethnic, religious and
6 seasonal holidays, and an assortment of contemporary humor cards.
- 7 • Gift wrapping, bow, ribbons, etc.
- 8 • Travel guides, maps, tour books, etc.

9

10 **CATEGORY "B"**

11 Along with the permitted use merchandise categories outlined under Category "A", Tenant will also be
12 permitted to sell the following:

- 13 • Gifts: Diverse, high quality gift items representative of the New Jersey/New York metropolitan area.
14 Such items shall also be representative of the various historical, geographical, and cultural
15 perspectives of said area (such as colonial America, Native America items, pre-packaged food items,
16 Pennsylvania Dutch, Amish, New Jersey Shore, etc.).
- 17 • Souvenir apparel: Popular souvenir, sports, and novelty apparel, such as T-shirts, sweatshirts, knit
18 shirts, professional and college jerseys and apparel, etc. All apparel must be related to the New
19 York/New Jersey area.
- 20 • Souvenirs, novelties, and traveler-related gifts: Diverse, high quality souvenir items representative of
21 the New York/New Jersey metropolitan area.
- 22 • Children's gifts: A full range and supply of children's gifts (such as dolls, toys, board games, stuffed
23 animals, and other "plush," etc).
- 24 • Hosiery: A full range and supply of men's and women's hosiery (such as socks, stockings, nylons,
25 etc.) in popular sizes, styles, and brands.
- 26 • Hats, clothing, and other general apparel.
- 27 • Luggage, carrying cases, deluxe bags and containers, and other luggage related accessories.
- 28 • Posters, pictures, prints, paintings, art objects, pottery, and other "collectibles": To include figurines,
29 medals, stamps, commemorative plates, etc.
- 30 • Prepared gift food and drink items: Such as wines, cheeses, jams, breads, meats, pasta, etc. Each such
31 item shall be pre-packaged and sold for off-Airport consumption by the customer.
- 32 • Electronic items and accessories: Such as calculators, watches, radios, audio cassette tape players and
33 recorders, etc.

- 1 • Premium candy and nuts: Premium boxed chocolates, bulk chocolates, boxed and bulk nuts, and other
- 2 premium "sweets" items as customarily carried by first-class northern New Jersey candy and
- 3 confectionery stores.

Any additional items not included above which Tenant feels are desirable to properly service the passengers in the Terminal may be submitted to Landlord or its designated agent for prior written approval. Landlord, at its sole discretion, shall have the right to disapprove any such request if in Landlord's judgement, such items are deemed objectionable and not appropriate to be displayed and offered for sale in either the Terminal or the Airport, are being offered for sale by other concessions located within the Terminal or would otherwise disrupt the tenant merchandise mix within the Terminal.

TERMS AND CONDITIONS

1. Definitions:

The following terms, when and if used in this Permit, shall have the respective meanings given below:

(a) "*Airport*" or "*Facility*" shall mean Newark Liberty International Airport, Newark, New Jersey, shall mean the land and premises in the County of Essex and State of New Jersey, which are westerly of the right of way of the Central Railroad of New Jersey and are shown upon the exhibit attached to the said agreement between the City and the Port Authority and marked "Exhibit A", as contained within the limits of a line of crosses appearing on said exhibit and designated "Boundary of terminal area in City of Newark", and lands contiguous thereto which may have been heretofore or may hereafter be acquired by the Port Authority to use for air terminal purposes.

(b) "*City*" shall mean the City of Newark.

(c) "*City Lease*" shall mean the lease of the air terminal from the City of Newark to the Port Authority under the agreement between the City and the Port Authority dated October 22, 1947, as the same from time to time may have been or may be supplemented or amended. Said agreement dated October 22, 1947 has been recorded in the Office of the Register of Deeds for the County of Essex on October 30, 1947 in Book E-110 of Deeds at pages 242, et seq. No greater rights or privileges are hereby granted to the Permittee than the Port Authority has power to grant under said agreement as supplemented or amended as aforesaid.

(d) "*Effective Date*" shall mean that date appearing in Item 6 on the first page of this Permit as the same may be modified pursuant to the provisions of Section 2(a) hereof.

(e) "*Environmental Requirement*" shall mean all common law and all past, present and future laws, statutes, enactments, resolutions, regulations, rules, directives, ordinances, codes, licenses, permits, orders, memoranda of understanding and memoranda of agreement, guidances, approvals, plans, authorizations, concessions, franchises, requirements and similar items of all governmental agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof, all pollution prevention programs, "best management practices plans", and other programs adopted and agreements made by the Port Authority (whether adopted or made with or without consideration or with or without compulsion), with any government agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof, and all judicial, administrative, voluntary and regulatory decrees, judgments, orders and agreements relating to the protection of human health or the environment, and in the event that there shall be more than one compliance standard, the standard for any of the foregoing to be that which requires the lowest level of a Hazardous Substance, the foregoing to include without limitation:

(i) All requirements pertaining to reporting, licensing, permitting, investigation and remediation of emissions, discharges, releases or threatened releases of Hazardous Substances into the air, surface water, groundwater or land, or relating to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of Hazardous Substances, or the transfer of property on which Hazardous Substances exist; and

(ii) All requirements pertaining to the protection from Hazardous Substances of the health and safety of employees or the public.

(f) "*Executive Director*" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit;

but until further notice from the Port Authority to the Permittee it shall mean the Executive Director of the Port Authority for the time being or his duly designated representative or representatives.

(g) "*General Manager of the Airport*" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in said General Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean said General Manager (or Acting General Manager) of the Airport for the time being or his duly designated representative or representatives.

(h) "*Gross Receipts*" shall include all monies paid or payable to the Permittee for sales made and for services rendered at or from the Airport, regardless of when or where the order therefor is received, and outside the Airport, if the order therefor is received at the Airport, and any other revenues of any type arising out of or in connection with the Permittee's operations at the Airport, provided, however, that any taxes imposed by law which are separately stated to and paid by the customer and directly payable to the taxing authority by the Permittee, shall be excluded therefrom.

(i) "*Hazardous Substance*" shall mean any pollutant, contaminant, toxic or hazardous waste, dangerous substance, potentially dangerous substance, noxious substance, toxic substance, flammable, explosive or radioactive material, urea formaldehyde foam insulation, asbestos, polychlorinated biphenyls (PCBs), chemicals known to cause cancer, endocrine disruption or reproductive toxicity, petroleum and petroleum products and substances declared to be hazardous or toxic or the removal, containment or restriction of which is required, or the manufacture, preparation, production, generation, use, maintenance, treatment, storage, transfer, handling or ownership of which is restricted, prohibited, regulated or penalized by any federal, state, county, or municipal or other local statute or law now or at any time hereafter in effect as amended or supplemented and by the regulations adopted and publications promulgated pursuant thereto.

(j) "*Person*" shall mean not only a natural person, corporation or other legal entity, but also two or more natural persons, corporations or other legal entities acting jointly as a firm, partnership, unincorporated association, consortium, joint adventurers or otherwise.

(k) "*Post-Termination Period*" shall have the meaning ascribed to it in paragraph (a) of Section 29 hereof.

2. Effective Date, Termination and Revocation:

(a) The permission hereby granted shall take effect upon the Effective Date. Notwithstanding Item 6 appearing on the first page of this Permit, the Effective Date of this Permit shall be that date the Permittee commenced any of the activities permitted by this Permit. The Permittee in executing this Permit represents that the Effective Date appearing in Item 6 on the first page of this Permit is the date the Permittee commenced any of the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced any of the activities permitted by this Permit prior to said effective date, the Effective Date of this Permit shall be the date the Permittee commenced any of the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence on such date including without limitation the Permittee's indemnity obligations and obligations to pay fees.

(b) Notwithstanding any other term or condition hereof, the permission hereby granted may be revoked without cause upon thirty (30) days' written notice by the Port Authority, or terminated without cause upon thirty (30) days' written notice by the Permittee, provided, however, that it may be revoked on twenty-four (24) hours' notice by the Port Authority if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this

Permit, including but not limited to the obligation to pay fees. Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth.

(c) In the event the Port Authority exercises its right to revoke this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation, including without limitation any and all personnel and legal costs (including but not limited to the cost to the Port Authority of in-house legal services) and disbursements incurred by it arising out of, relating to, or in connection with the enforcement or revocation of this Permit including, without limitation, legal proceedings initiated by the Port Authority to exercise its revocation rights and to collect all amounts due and owing to the Port Authority under this Permit.

(d) For the purposes of this Permit, a default by the Permittee in keeping, performing or observing any promise, obligation, term or agreement set forth herein on the part of the Permittee to be kept, performed or observed shall include the following whether or not the time has yet arrived for the keeping, performance or observance of any such promise, obligation, term or agreement:

(i) a statement by the Permittee to any representative of the Port Authority indicating that it cannot or will not keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit;

(ii) any act or omission of the Permittee or any other occurrence which makes it improbable at the time that it will be able to keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit; or

(iii) any suspension of or failure to proceed with any part of the privileges to be performed by the Permittee which makes it improbable at the time that it will be able to keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit.

(e) (i) If any type of strike, boycott, picketing, work stoppage, slowdown or other labor activity is directed against the Permittee at the Airport or against any operations of the Permittee under this Permit, whether or not the same is due to the fault of the Permittee and whether or not caused by the employees of the Permittee, and if any of the foregoing, in the opinion of the Port Authority, results or is likely to result in curtailment or diminution of the privileges to be performed hereunder by the Permittee or to interfere with or affect the operation of the Airport by the Port Authority or to interfere with or affect the operations of lessees, licensees, permittees or other users of the Airport, the Port Authority shall have the right at any time during the continuance thereof to suspend the operations of the Permittee under this Permit and/or to revoke this Permit.

(ii) In the event the Port Authority exercises its right to revoke this Permit, as aforesaid, it shall do so by twenty-four (24) hours' written notice to the Permittee, effective as of the time specified in the notice. The exercise by the Port Authority of its right of suspension shall not waive or affect or be deemed to waive or affect the right of revocation.

(iii) Prior to the exercise of the right of suspension by the Port Authority, it shall give the Permittee notice thereof, which notice may be oral. The Permittee shall not perform its operations authorized by this Permit during the period of the suspension. The period of suspension shall end not more than twenty-four (24) hours after the cause thereof has ceased or been cured and the Permittee shall notify the Port Authority of such cessation or cure.

(iv) The rights of suspension and revocation as hereinbefore set forth may be exercised by the Port Authority prior to the Effective Date set forth in Item 6 on the first page of this Permit. No exercise by the Port Authority of its rights granted to it in paragraph (e) of this Section shall

be deemed to be a waiver of any other rights of revocation contained in this Permit or a waiver of any other rights or remedies which may be available to the Port Authority under this Permit or otherwise.

(f) No revocation or termination of the permission hereunder shall relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

(g) No exercise by the Port Authority of any right of revocation granted to it in this Section shall be deemed to be a waiver of any other rights of revocation contained in this Section or elsewhere in this Permit or a waiver of any other rights or remedies which may be available to the Port Authority under this Permit or otherwise.

3. Exercise of Rights:

(a) The rights granted hereby shall be exercised

(i) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(ii) if the Permittee is an unincorporated association, or a "Massachusetts" business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(iii) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees,

(iv) if the Permittee is an individual, by the Permittee acting only personally or through the medium of its employees, and

(v) if the Permittee is a limited liability company, by the Permittee acting only through the medium of its members, managers, and employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other Person. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

(b) No greater rights or privileges are hereby granted to the Permittee than the Port Authority has the power to grant under the City Lease.

(c) Neither this Permit nor anything contained herein, shall be deemed to grant any rights in the Permittee to use and occupy any land, building space or other area at the Airport or shall be deemed to have created any obligation on the part of the Port Authority to provide any such land, space or area to the Permittee.

(d) Neither the execution and delivery of this Permit nor any act done pursuant thereto shall create between any terminal operator, lessee or other occupant of land at the Airport including but not limited to the Permittee, on one hand, and the Port Authority on the other hand the relationship of bailor and bailee, or any other relationship or any legal status which would impose upon the Port Authority with respect to any personal property, such as but not limited to, aircraft cargo or baggage, owned and/or handled by the Permittee any duty or obligation whatsoever. The Permittee expressly agrees that the Port Authority shall have no liability with respect to any aircraft cargo or baggage or any other property of the Permittee or of any other Person left anywhere on the Airport.

(e) This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

(f) Nothing contained in this Permit shall constitute permission to the Permittee to park or store equipment or personal property at any location or area at the Airport.

(g) The Permittee shall have no right hereunder to carry on any business or operation at the Airport other than that specifically provided herein.

(h) It is understood that any and all privileges granted hereunder to the Permittee are non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Airport to another or others, whether by this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute a violation or breach of the permission herein granted.

(i) The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Airport.

(j) The words "permission" and "privilege" are used interchangeably in this Permit, and except where expressly provided to the contrary, shall mean the privileges granted by this Permit.

4. Fees:

(a) The Permittee agrees to pay to the Port Authority, in accordance with Item 5 appearing on the first page of this Permit, a percentage fee.

(b) All statements to be submitted to the Port Authority pursuant to this Section and all payments made under this Permit, shall be sent to the following address:

THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY
P.O. BOX 95000-1517
PHILADELPHIA, PENNSYLVANIA 19195-1517

or made via the following wire transfer instructions:

Bank: TD Bank
Bank ABA number: 031201360
Account number: (Ex. 1)

or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

(c) If and to the extent the full fair market value of any sale, service or other item provided by the Permittee is not charged to or payable by the customer, then the fair market value thereof as determined by the Port Authority shall be included in Gross Receipts.

(d) Without limiting any other provisions of this Permit regarding Gross Receipts, in those instances where the Permittee provides any services or goods along with other services and goods to the same Person (including without limitation those instances where a service is part of or is included within a group of other services and rendered for a single price, and where a service is performed by the Permittee pursuant to agreement for the exchange of services or goods) the Permittee agrees that the value ascribed to the performance of such service by the Permittee shall be the fair and reasonable value thereof as determined by the Port Authority.

(e) Without limiting the requirement for Port Authority approval, if the Permittee conducts any privilege or any portion thereof through the use of a contractor or other third party which is not a Port Authority permittee and where the payments for any of the foregoing are made to such contractor rather than to the Permittee, said payments shall be deemed amounts, monies, revenues, receipts and income paid or payable to the Permittee for purposes of determining the Permittee's Gross Receipts, provided, however, that the foregoing shall not grant or be deemed to grant any right or permission to the Permittee to use an independent contractor or other third party to perform any privilege or portion thereof or the doing of anything hereunder by an independent contractor or other third party.

(f) Notwithstanding that the fee hereunder is measured by a percentage of Gross Receipts, no joint venture or partnership relationship between the parties hereto is created by this Permit.

(g) To the extent that the Permittee has not already done so at the time of execution of this Permit and without limiting the generality of any other term or provision hereof, the Permittee agrees to submit monthly statements of Gross Receipts as provided in the Special Endorsements and to pay, at the time of execution and delivery of this Permit to the Port Authority, all fees and other amounts due under this Permit for the period from the Effective Date to the time of execution and delivery of this Permit by the Permittee.

(h) Without limiting any other provision of this Permit, it is hereby specifically understood that the failure to set forth all the classes of Persons, all of the locations served or all of the types of services or activities performed by the Permittee in its exercise of the privileges granted hereunder as of the Effective Date, or the failure to, by appropriate supplement, revise this Permit to reflect any additional classes of Persons, locations served, or services or activities performed by the Permittee subsequent to said Effective Date, shall not affect the inclusion in Gross Receipts hereunder of the amounts, monies, revenues, receipts and income received or receivable by the Permittee in its operations, and the same shall be so included. The foregoing shall not constitute Port Authority consent or be deemed to imply that the necessary Port Authority consent (to be reflected in a supplement to the Permit) with respect to such additional classes of Persons, locations, services or activities will be given.

(i) Without limiting any term or provision of this Permit, in the event the Permittee performs (x) any service, other than the Authorized Service at the Airport, or (y) any service (including the Authorized Service) at any other Port Authority facility, whether such performance is the subject of a written agreement by and between the Port Authority and the Permittee, the Permittee hereby agrees that it will pay to the Port Authority any and all fees and/or charges applicable to such service. The Permittee also agrees that, at the request of the Port Authority, it will enter into the appropriate agreement with the Port Authority providing permission for the Permittee to perform such service.

5. Security Deposit:

(a) (i) Provided that an amount is set forth in Item 8 on the first page of this Permit (the "*Required Security Deposit*"), and, provided, further, the amount of said Required Security Deposit is less than \$20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deposit with the Port Authority (and shall keep deposited throughout the effective period of the permission under this Permit) the Required Security Deposit, either in cash, or bonds of the United States of America, or of the State of New Jersey, or of the State of New York, or of the Port Authority of New York and New Jersey, having a market value of that amount, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed. Bonds qualifying for deposit hereunder shall be in bearer form but if bonds of that issue were offered only in registered form, then the Permittee may deposit such bonds or bonds in registered form, provided, however, that the Port Authority shall be under no obligation to accept such deposit of a bond in registered form unless such bond has been re-registered in the name of the Port Authority (the expense of such re-registration to be borne by the Permittee) in a manner satisfactory to the Port Authority. The

Permittee may request the Port Authority to accept a registered bond in the Permittee's name and if acceptable to the Port Authority the Permittee shall deposit such bond together with an irrevocable bond power (and such other instruments or other documents as the Port Authority may require) in form and substance satisfactory to the Port Authority. In the event the Required Security Deposit is returned to the Permittee, any expenses incurred by the Port Authority in re-registering a bond to the name of the Permittee shall be borne by the Permittee. In addition to any and all other remedies available to it, the Port Authority shall have the right, at its option, at any time and from time to time, with or without notice, to use the Required Security Deposit, or any part thereof, in whole or partial satisfaction of any of its claims or demands against the Permittee. There shall be no obligation on the Port Authority to exercise such right and neither the existence of such right nor the holding of the Required Security Deposit itself shall cure any default or breach of this Permit on the part of the Permittee. With respect to any bonds deposited by the Permittee, the Port Authority shall have the right, in order to satisfy any of its claims or demands against the Permittee, to sell the same in whole or in part, at any time, and from time to time, with or without prior notice at public or private sale, all as determined by the Port Authority, together with the right to purchase the same at such sale free of all claims, equities or rights of redemption of the Permittee. The Permittee hereby waives all right to participate therein and all right to prior notice or demand of the amount or amounts of the claims or demands of the Port Authority against the Permittee. The proceeds of every such sale shall be applied by the Port Authority first to the costs and expenses of the sale (including but not limited to advertising or commission expenses) and then to the amounts due the Port Authority from the Permittee. Any balance remaining shall be retained in cash toward bringing the Required Security Deposit to the sum specified in Item 8 on the first page of this Permit. In the event that the Port Authority shall at any time or times so use the Required Security Deposit, or any part thereof, or if bonds shall have been deposited and the market value thereof shall have declined below the amount set forth in Item 8 on the first page of this Permit, the Permittee shall, on demand of the Port Authority and within two (2) days thereafter, deposit with the Port Authority additional cash or bonds so as to maintain the Required Security Deposit at all times to the full amount above stated in Item 8 on the first page of this Permit, and such additional deposits shall be subject to all the conditions of this Section. After the expiration or earlier revocation or termination of the effective period of the permission under this Permit, and upon condition that the Permittee shall then be in no wise in default under any part of this Permit, and upon written request therefor by the Permittee, the Port Authority will return the Required Security Deposit to the Permittee less the amount of any and all unpaid claims and demands (including estimated damages) of the Port Authority by reason of any default or breach by the Permittee of this Permit or any part thereof. The Permittee agrees that it will not assign or encumber the Required Security Deposit. The Permittee may collect or receive any interest or income earned on bonds and interest paid on cash deposited in interest-bearing bank accounts, less any part thereof or amount which the Port Authority is or may hereafter be entitled or authorized by law to retain or to charge in connection therewith, whether as or in lieu of an administrative expense, or custodial charge, or otherwise; provided, however, that the Port Authority shall not be obligated by this provision to place or to keep cash deposited hereunder in interest-bearing bank accounts.

(ii) In lieu of the Required Security Deposit made in the form described above in paragraph (a)(i), the Permittee may at any time during the effective period of the permission granted under this Permit offer to deliver to the Port Authority, as security for all obligations of the Permittee under this Permit, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District, in favor of the Port Authority in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent satisfactory letter. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by security in accordance with paragraph (a)(i) of this Section or another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as

security under paragraph (a)(i) of this Section. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the Required Security Deposit, if any, theretofore made under and in accordance with the provisions of paragraph (a)(i) of this Section. The Permittee shall have the same rights to receive such Required Security Deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the effective period of the permission granted under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount.

(b) Provided that a Required Security Deposit amount is set forth in Item 8 on the first page of this Permit, and, provided, further, the amount of said Required Security Deposit is equal to or greater than \$20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of the Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority, and payable in the Port of New York District in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is an appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless the letter of credit is replaced by another letter of credit satisfactory to the Port Authority by a date not later than twenty (20) days prior to the effective date of cancellation, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee, upon demand by the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to the amount of the Required Security Deposit. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to be a waiver of any default by the Permittee under the terms of this Permit, and all remedies under this Permit and of the Port Authority consequent upon such default shall not be affected by the existence of a recourse to any such letter of credit.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, in its sole discretion at any time and from time to time upon fifteen (15) days' notice to the Permittee, to adjust the amount of the Required Security Deposit. Not later than the effective date set forth in said notice by the Port Authority, the Permittee shall furnish additional cash or bonds, as provided for in paragraph (a) above, or an amendment to, or a replacement of, the letter of credit providing for such adjusted amount of

the Required Security Deposit, as the case may be, and such additional cash and/or bonds or adjusted (or replaced) letter of credit shall thereafter constitute the Required Security Deposit required under this Section.

(d) If the Permittee is obligated by any other agreement to maintain a security deposit with the Port Authority to insure payment and performance by the Permittee of all fees, rentals, charges and obligations which may become due and owing to the Port Authority arising from the Permittee's operations at the Airport pursuant to any such other agreement or otherwise, then all such obligations under such other agreement and any deposit pursuant thereto also shall be deemed obligations of the Permittee under this Permit and as security hereunder as well as under any such other agreement and all provisions of such other agreement with respect to such obligations and any obligations thereunder of the Port Authority as to the security deposit are hereby incorporated herein by this reference as though fully set forth herein and hereby made a part hereof. The termination, revocation, cancellation or expiration of any other agreement to which such security shall apply or any permitted assignment of such other agreement shall not affect such obligations as to such security which shall continue in full force and effect hereunder.

6. Permittee's Operations:

(a) The Permittee shall provide to the Port Authority, upon request of the Port Authority from time to time, such information and data in connection with the permission granted hereunder as the Port Authority may request and shall, if so requested by the Port Authority, make periodic reports thereof to the Port Authority utilizing such forms as may be adopted by the Port Authority for such purpose.

(b) The Permittee shall daily remove from the Airport by means of facilities provided by it all garbage, debris and other waste material (whether solid or liquid) arising out of or in connection with the permission granted hereunder, and any such not immediately removed shall be temporarily stored in a clean and sanitary condition, in suitable garbage and waste receptacles, the same to be made of metal and equipped with tight-fitting covers, and to be of a design safely and properly to contain whatever material may be placed therein; said receptacles being provided and maintained by the Permittee. The receptacles shall be kept covered except when filling or emptying the same. The Permittee shall exercise extreme care in removing such garbage, debris and other waste materials from the Airport. The manner of such storage and removal shall be subject in all respects to the continual approval of the Port Authority. No facilities of the Port Authority shall be used for such removal unless with its prior consent in writing. No such garbage, debris or other waste materials shall be or be permitted to be thrown, discharged or disposed into or upon the waters at or bounding the Airport.

(c) A principal purpose of the Port Authority in granting the permission under this Permit is to have available at the Airport, the privileges which the Permittee is permitted to render hereunder. The Permittee agrees that it will conduct a first-class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor, and keep the same in a first-class operating condition at all times.

(d) The Permittee shall immediately comply with all orders, directives and procedures as may be issued by the General Manager of the Airport covering the operations of the Permittee under this Permit at any time and from time to time. The Port Authority may, at any time and from time to time, without prior notice or cause, withdraw or modify any designation, approval, substitution or redesignation given by it hereunder.

(e) In the event of any injury or death to any person (other than employees of the Permittee) at the Airport when caused by the Permittee's operations, or damage to any property (other than the Permittee's property) at the Airport when caused by the Permittee's operations, the Permittee shall

immediately notify the Port Authority and promptly thereafter furnish to the Port Authority copies of all reports given to the Permittee's insurance carrier.

(f) The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Airport. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the General Manager of the Airport. The Port Authority shall have the right to object to the Permittee as to the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

(g) The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations at the Airport.

(h) (i) The Permittee shall sell only such items of merchandise and/or render only such services as may be approved in writing from time to time by the Port Authority. The Port Authority may at any time and from time to time withdraw its approval as to any items or services without affecting the continuance of this Permit.

(ii) The Permittee shall furnish all merchandise and/or all services, at reasonable prices and at the times and in a manner which will be fully satisfactory to the public and to the Port Authority. All prices charged by the Permittee shall be subject to the prior written approval of the Port Authority, provided, however, that such approval will not be withheld if the proposed prices do not exceed reasonable prices for similar merchandise and/or services in the municipality in which the Airport is located. The Permittee shall remain open for and conduct business during such hours of the day and on such days of the week as may properly serve the needs of the public. The Port Authority's determination of reasonable prices and proper business hours and days shall control.

(iii) Notwithstanding the provisions of subparagraph (ii) above, the Permittee shall comply with the Port Authority Aviation Department's Street Pricing Policy. In connection therewith, the Permittee shall not charge prices to its customers in excess of "Street Prices," which for purposes of this Permit, is defined as follows:

1. If the Permittee conducts a similar business to the business operation permitted under this Permit in an off-airport location(s) in the Greater New York City- Northern New Jersey Metropolitan Area (the "Metro Area"), "Street Prices" shall mean the average price regularly charged by the Permittee for the same or similar item in such Metro Area location; or

2. If the Permittee does not conduct a similar business to the business operation permitted under this Permit in the Metro Area, "Street Prices" shall mean the average price regularly charged in the Metro Area by similar retailers for the same or similar item; or

3. If neither the Permittee nor other similar retailers sell a particular item in the Metro Area, "Street Prices" shall mean the average price regularly charged by the Permittee or other similar retailers for the same or similar item in any other geographic area, with a reasonable adjustment for any cost of living variance between such area and the Metro Area; or

4. If a Permittee is engaged in the business of selling duty-free goods, "Street Prices" shall mean the price regularly charged by the Permittee or similar retailer for the same or similar retailer for the same or similar duty-free item at other urban airports in the Northeast region of the United States, including but not limited to Newark Liberty International Airport, Newark, New Jersey.

The Permittee's breach of the aforesaid Street Pricing Policy shall be deemed a material breach of the Permittee's obligations under this Permit. The Permittee shall post in each sales area (including any temporary sales space) a notice in form and substance satisfactory to the Port Authority notifying the public that the Permittee subscribes to a "Street Pricing Policy," such policy to be clearly visible and unobstructed. If the Permittee charges any price to a customer in excess of the price which would satisfy the "Street Pricing Policy" in violation of its obligations under this Permit, the amount of such excess shall constitute an overcharge which shall, upon demand, by the Port Authority or the Permittee's customer, be promptly refunded to the customer.

(i) (i) The Permittee shall maintain all its own fixtures, equipment and personal property in the Space in first-class operating order, condition and appearance at all times, making all repairs and replacements necessary therefor, regardless of the cause of the condition necessitating any such repair or replacement.

(ii) Nothing herein contained shall relieve the Permittee of its obligations to secure the Port Authority's written approval before installing any fixtures in or upon or making any alterations, decorations, additions or improvements in the Space.

7. Indemnity:

(a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third Persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee hereunder, or out of any of the acts or omissions of the Permittee, its officers, employees or Persons who are doing business with the Permittee arising out of or in connection with the activities permitted hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the Airport, including claims and demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) Without limiting any other term or provision hereof, the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

(c) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand set forth in paragraphs (a), (b) and (c) above (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

8. Liability Insurance:

(a) The Permittee, in its own name as insured and including the Port Authority as an additional insured, shall maintain and pay the premiums during the effective period of the Permit on a policy or policies of Commercial General Liability Insurance, including premises-operations and products-completed operations and covering bodily-injury liability, including death, and property damage

liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage in the minimum limit set forth in Item 9 on the first page of this Permit. Without limiting the foregoing, the Permittee shall maintain Workers' Compensation and Employers Liability Insurance in accordance with the Permittee's statutory obligations under the applicable State Workers' Compensation Law for those employees of the Permittee employed in operations conducted pursuant to this Permit at or from the Airport. In the event the Permittee maintains the foregoing insurance in limits greater than aforesaid, the Port Authority shall be included therein as an additional insured, except for the Workers' Compensation and Employers Liability Insurance policies, to the full extent of all such insurance in accordance with all terms and provisions of this Permit.

(b) Each policy of insurance, except for the Workers' Compensation and Employers Liability Insurance policies, shall also contain an ISO standard "separation of insureds" clause or a cross liability endorsement providing that the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority and any claim or action against the Port Authority by the Permittee, as if the Port Authority were the named insured thereunder, but such clause or endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured. Each policy of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Permittee under Section 7 of the Terms and Conditions of this Permit.

(c) All insurance coverages and policies required under this Section may be reviewed by the Port Authority for adequacy of terms, conditions and limits of coverage at any time and from time to time during the effective period of permission granted under this Permit. The Port Authority may, at any such time, require additions, deletions, amendments or modifications to the aforementioned insurance requirements, or may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem required and the Permittee shall promptly comply therewith.

(d) Each policy shall contain a provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' written advance notice thereof to the Port Authority. Each policy shall contain a provision or endorsement that the insurer "shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority." The foregoing provisions or endorsements shall be recited in each policy or certificate to be delivered pursuant to the following paragraph (e).

(e) A certified copy of each policy or a certificate or certificates of insurance evidencing the existence thereof, or binders, shall be delivered to the Port Authority upon execution and delivery of this Permit by the Permittee to the Port Authority. In the event any binder is delivered it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate of insurance. Any renewal policy shall be evidenced by a renewal certificate of insurance delivered to the Port Authority at least seven (7) days prior to the expiration of each expiring policy, except for any policy expiring after the date of expiration of this Permit. The aforesaid insurance shall be written by a company or companies approved by the Port Authority. If at any time any insurance policy shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policy shall be or become unsatisfactory to the Port Authority, the Permittee shall promptly obtain a new and satisfactory policy in replacement. If the Port Authority at any time so requests, a certified copy of each policy shall be delivered to or made available for inspection by the Port Authority.

(f) The foregoing insurance requirements shall not in any way be construed as a limitation on the nature or extent of the contractual obligations assumed by the Permittee under this Permit. The foregoing insurance requirements shall not constitute a representation or warranty as to the adequacy of the required coverage to protect the Permittee with respect to the obligations imposed on the Permittee by this Permit or any other agreement or by law.

9. Special Endorsements:

The Permittee hereby agrees to the terms and conditions of the endorsements attached hereto, hereby made a part hereof and marked "*Special Endorsements*". The terms and provisions of the Special Endorsements shall have the same force and effect and as if herein set forth in full.

10. No Waiver:

No failure by the Port Authority to insist upon the strict performance of any agreement, term or condition of this Permit or to exercise any right or remedy consequent upon a breach or default thereof, and no extension, supplement or amendment of this Permit during or after a breach thereof, unless expressly stated to be a waiver, and no acceptance by the Port Authority of fees, charges or other payments in whole or in part after or during the continuance of any such breach or default, shall constitute a waiver of any such breach or default of such agreement, term or condition. No agreement, term or condition of this Permit to be performed or complied with by the Permittee, and no breach or default thereof, shall be waived, altered or modified except by a written instrument executed by the Port Authority. No waiver by the Port Authority of any default or breach on the part of the Permittee in performance of any agreement, term or condition of this Permit shall affect or alter this Permit but each and every agreement, term and condition thereof shall continue in full force and effect with respect to any other then existing or subsequent breach or default thereof.

11. Removal of Property:

The personal property placed or installed by the Permittee at the Airport shall remain the property of the Permittee and must be removed on or before the expiration, revocation, cancellation or termination of the permission hereby granted, whichever shall be earlier. Without limiting the terms and provisions of paragraph (g) of Section 18 hereof, any such property remaining at the Airport after the effective date of such expiration, revocation, cancellation or termination shall be deemed abandoned by the Permittee and may be removed and disposed of by the Port Authority in any manner it so determines in its sole discretion and all the proceeds of any removal or disposition shall be retained by the Port Authority for its account and all costs and expenses of such removal and disposition shall be paid to the Port Authority by the Permittee when billed.

12. Permittee's Representative:

The Permittee's representative specified in Item 3 on the first page of this Permit (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and any act or thing done or to be done hereunder, and to execute on the Permittee's behalf any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. Notices:

Except where expressly required or permitted herein to be oral, all notices, directions, requests, consents and approvals required to be given to or by either party shall be in writing, and all such notices given by the Port Authority to the Permittee shall be validly given if sent by registered or certified mail addressed to the Permittee at the address specified on the first page hereof or at the latest address that the

Permittee may substitute therefor by notice to the Port Authority, or left at such address, or delivered to the Permittee's representative. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003 or at such other address as the Port Authority shall hereafter designate by notice to the Permittee. If mailed, the notices herein required to be given shall be deemed effective and given as of the date of the certified or registered mailing thereof.

14. Late Charges:

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four (24) late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (15) (but not less than thirteen (13)) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Section with respect to such unpaid amount. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including without limitation the Port Authority's rights set forth in Section 2 of these Terms and Conditions, or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Section shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

15. Non-discrimination:

(a) This Permit is subject to the requirements of the U.S. Department of Transportation's regulations, Title 49, Code of Federal Regulations, Part 23. The Permittee agrees that it shall not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase or lease agreement or other agreement covered by Title 49, Code of Federal Regulations, Part 23. Without limiting the generality of any of the provisions of this Permit, the Permittee, for itself, its successors in interest and assigns, as a part of the consideration hereof, does hereby agree that (1) no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or be otherwise subject to discrimination in the use of any space at the Airport and the exercise of any privileges under this Permit, (2) that in the construction of any improvements on, over, or under any space at the Airport and the furnishing of any service thereon by the Permittee, no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination, (3) that the Permittee shall use any space at the Airport and exercise any privileges under this Permit in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended, and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which from time to time may be applicable to the Permittee's operations thereat, whether by reason of agreement between the Port Authority and the United States Government or otherwise.

(b) The Permittee shall include the provisions of paragraph (a) of this Section in every agreement or concession covered by Title 49, Code of Federal Regulations, Part 23 that it enters into and cause those Person or Persons to similarly include the provisions in further agreements and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Section shall constitute a material breach of this Permit. Without limiting any other term or provision hereof or any other rights or remedies of the Port Authority hereunder or at law or equity, in the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) Without limiting any other term or provision hereof, the Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third Persons, including the United States of America, resulting from the Permittee's noncompliance with any of the provisions of this Section and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Section shall grant or shall be deemed to grant to the Permittee the right to transfer or assign this Permit, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on any space at the Airport, or any right to use or occupy any space at the Airport.

16. Affirmative Action:

The Permittee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Permittee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Permittee assures that it will require that its covered suborganizations provide assurances to the Permittee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

The Permittee acknowledges that Federal rules and regulations in connection with the subject matter of this Section may be amended from time to time and, in connection therewith, the Port Authority may modify the terms and provisions of this Section so as to assure compliance with such Federal rules and regulations. The Permittee hereby acknowledges and agrees that it shall be bound by all modifications made by the Port Authority to the terms and provisions of this Section, as described in the preceding sentence, upon written notice from the Port Authority containing such modifications.

17. Rules and Regulations:

(a) The Permittee shall observe and obey (and compel its officers, employees, guests, invitees, and those doing business with it, to observe and obey) the rules and regulations and procedures of the Port Authority now in effect, and such further reasonable rules and regulations and procedures which may from time to time during the effective period of this Permit, be promulgated by the Port Authority for reasons of safety, health, preservation of property or maintenance of a good and orderly appearance of the Airport or for the safe and efficient operation of the Airport. The Port Authority agrees that, except in cases of emergency, it shall give notice to the Permittee of every rule and regulation hereafter adopted by it at least five (5) days before the Permittee shall be required to comply therewith.

(b) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the New York Board of Fire Underwriters and the New York Fire Insurance Exchange, and any other body or organization exercising similar functions which may pertain or apply to the Permittee's operations hereunder. If by reason of the Permittee's failure to comply with the provisions of this Section, any fire insurance, extended coverage or rental insurance rate on the Airport or any part thereof, or upon the contents of any building thereon, shall at any time be higher than it otherwise would be, then the Permittee shall on demand pay the Port Authority that part of all fire insurance premiums paid or payable by the Port Authority which shall have been charged because of such violation by the Permittee.

18. Prohibited Acts

- (a) The Permittee shall not do or permit to be done any act which
- (i) will invalidate or be in conflict with any fire insurance policies covering the Airport or any part thereof or upon the contents of any building thereon, or
 - (ii) will increase the rate of any fire insurance, extended coverage or rental insurance on the Airport or any part thereof or upon the contents of any building thereon, or
 - (iii) in the opinion of the Port Authority will constitute a hazardous condition, so as to increase the risks normally attendant upon the operations contemplated by this Permit, or
 - (iv) may cause or produce upon the Airport any unusual noxious or objectionable smokes, gases, vapors or odors, or
 - (v) may interfere with the effectiveness or accessibility of any drainage and sewerage system, water system, communications system, fire protection system, sprinkler system, alarm system, fire hydrant and hose, if any, installed or located or to be installed or located in or on the Airport, or
 - (vi) shall constitute a nuisance or injury in or on the Airport or which may result in the creation, commission or maintenance of a nuisance or injury in or on the Airport.

For the purpose of this paragraph (a), "Airport" includes all structures located thereon.

(b) The Permittee shall not dispose of, release or discharge nor permit anyone to dispose of, release or discharge any Hazardous Substance on the Airport except that the Permittee may release or discharge de-icing fluids utilized in the Permittee's ordinary course of business in the performance of any of the privileges granted hereunder so long as such release or discharge is not a violation of the terms and conditions of Sections 17 or 19 hereof. In addition to and without limiting Section 19 hereof, any Hazardous Substance disposed of, released or discharged by the Permittee (or permitted by the Permittee to be disposed of, released or discharged) on the Airport shall upon notice by the Port Authority to the Permittee and subject to the provisions of paragraph (f) of Section 17 hereof and to all Environmental Requirements, be completely removed and/or remediated by the Permittee at its sole cost and expense, provided, however, the forgoing shall not apply to releases and discharges which are in compliance with the terms and conditions of Sections 17 and 19 hereof of de-icing fluids utilized in the Permittee's ordinary course of business in the performance of any of the privileges granted hereunder and the obligation of the Permittee to remove and remediate such de-icing fluids shall be as required by the terms and conditions of Sections 17 and 19 hereof. The obligations of the Permittee pursuant to this paragraph shall survive the expiration, revocation, cancellation or termination of this Permit.

(c) The Permittee shall not dispose of nor permit anyone to dispose of any waste materials (whether liquid or solid) by means of any toilets, sanitary sewers or storm sewers.

(d) (i) The Permittee shall not employ any persons or use any labor, or use or have any equipment, or permit any condition to exist, which shall or may cause or be conducive to any labor complaints, troubles, disputes or controversies at the Airport which interfere or are likely to interfere with the operation of the Airport or any part thereof by the Port Authority or with the operations of the lessees, licensees, permittees or other users of the Airport or with the operations of the Permittee under this Permit.

(ii) The Permittee shall use its best efforts to resolve any such complaints, troubles, disputes or controversies.

(iii) The Permittee acknowledges that it is familiar with the general and local conditions prevailing at the Airport and with the all pertinent matters and circumstances which may in any way affect performance of the privileges granted under this Permit.

(e) The Permittee shall not solicit business on the public areas of the Airport and the use, at any time, of hand or standard megaphones, loudspeakers or any electric, electronic or other amplifying device is hereby expressly prohibited.

(f) The Permittee shall not install any fixtures or make any alterations, additions, improvements or repairs to any property of the Port Authority except with the prior written approval of the Port Authority.

(g) No signs, posters or similar devices shall be erected, displayed or maintained at the Airport without the written approval of the General Manager of the Airport; and any not approved by such General Manager or not removed by the Permittee upon the termination, revocation, expiration or cancellation of this Permit may be removed by the Port Authority at the expense of the Permittee.

(h) The Permittee shall not operate any engine or any item of automotive equipment in any enclosed space at the Airport unless such space is adequately ventilated.

(i) The Permittee shall not use any cleaning materials having a harmful or corrosive effect on any part of the Airport.

(j) The Permittee shall not fuel or defuel any equipment in any enclosed space at the Airport without the prior approval of the General Manager of the Airport except in accordance with Port Authority rules and regulations.

(k) The Permittee shall not start or operate any engine or any item of automotive equipment in any enclosed space at the Airport unless such space is adequately ventilated and unless such engine is equipped with a proper spark-arresting device.

19. Law Compliance:

(a) The Permittee shall procure all licenses, certificates, permits or other authorization from all governmental authorities, if any, having jurisdiction over the Permittee's operations at the Airport which may be necessary for the Permittee's operations thereat.

(b) The Permittee shall pay all taxes, license, certification, permit and examination fees and excises which may be assessed, levied, exacted or imposed on its property or operations at the Airport or on the Gross Receipts, or income therefrom, and shall make all applications, reports and returns required in connection therewith.

(c) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions which

may pertain or apply to the Permittee's operations at the Airport.

(d) The Permittee's obligations to comply with governmental requirements are provided herein for the purpose of assuring proper safeguards for the protection of Persons and property at the Airport and are not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

(e) The Port Authority has agreed by a provision in the City Lease with the City covering the Airport to conform to the enactments, ordinances, resolutions and regulations of the City and of its various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable so to do. The Permittee shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

20. Trademarks and Patent Infringement:

The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit.

21. Inspection:

The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Airport or to be placed or brought on the Airport, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

22. Federal Aid:

(a) The Permittee shall

(i) furnish good, prompt and efficient service hereunder, adequate to meet all demands therefor at the Airport;

(ii) furnish said service on a fair, equal and non-discriminatory basis to all users thereof; and

(iii) charge fair, reasonable and non-discriminatory prices for each unit of sale or service, provided that the Permittee may make reasonable and non-discriminatory discounts, rebates or

other similar types of price reductions to volume purchasers.

As used in the above subsections "service" shall include furnishing of parts, materials and supplies (including sale thereof).

(b) The Port Authority has applied for and received a grant or grants of money from the Administrator of the Federal Aviation Administration pursuant to the Airport and Airways Development Act of 1970, as the same has been amended and supplemented, and under prior federal statutes which said Act superseded and the Port Authority may in the future apply for and receive further such grants. In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. The performance by the Permittee of the promises and obligations contained in this Permit is therefore a special consideration and inducement to the issuance of this Permit by the Port Authority, and the Permittee further agrees that if the Administrator of the Federal Aviation Administration or any other governmental officer or body having jurisdiction over the enforcement of the obligations of the Port Authority in connection with Federal Airport Aid, shall make any orders, recommendations or suggestions respecting the performance by the Permittee of its obligations under this Permit, the Permittee will promptly comply therewith at the time or times, when and to the extent that the Port Authority may direct.

23. Capacity and Competition:

(a) The Permittee shall refrain from entering into continuing contracts or arrangements with any third Person for furnishing services covered hereunder when such contracts or arrangements will have the effect of utilizing to an unreasonable extent the Permittee's capacity for rendering such services. A reasonable amount of capacity shall be reserved by the Permittee for the purpose of rendering services hereunder to those who are not parties to continuing contracts with the Permittee.

(b) The Permittee shall not enter into any agreement or understanding, express or implied, binding or non-binding, with any other Person who may furnish services at the Airport similar to those furnished hereunder which will have the effect of (i) fixing rates and charges to be paid by users of the services; (ii) lessening or preventing competition between the Permittee and such other furnishers of services; or (iii) tending to create a monopoly on the Airport in connection with the furnishing of such services.

24. Business Development and Records:

(a) In connection with the exercise of the privileges granted hereunder, the Permittee shall:

(i) use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(ii) not divert or cause or allow to be diverted, any business from the Airport;

(iii) maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of the Permittee at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District, and shall separately state and identify the Authorized Service and all other services performed at the Airport, and;

(iv) cause any company which is owned or controlled by the Permittee, or any company which owns or controls the Permittee, if any such company performs services similar to those performed by the Permittee (any such company being hereinafter called an "Affiliate" and all such companies being hereinafter called the "Affiliates") to maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of each Affiliate at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify each activity (including without limitation the Authorized Service) performed at the Airport;

(v) permit and/or cause to be permitted in ordinary business hours during the effective period of this Permit, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Port Authority of all the records and books of account of the Permittee (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts all agreements, and all source documents) and all the records and books of account of all Affiliates (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts, all agreements, and all source documents) (all of the foregoing records and books described in this paragraph (a)(v) being hereinafter collectively referred to as the "Books and Records") within ten (10) days following any request by the Port Authority from time to time and at any time to examine and audit any Books and Records;

(vi) permit the inspection by the officers, employees and representatives of the Port Authority of any equipment used by the Permittee, including but not limited to the equipment described in paragraph (a)(vii) below; and

(vii) install and use such cash registers, sales slips, invoicing machines and any other equipment or devices, including without limitation computerized record keeping systems, for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of Gross Receipts, and without limiting the generality of the foregoing, for any privilege involving cash sales, install and use cash registers or other electronic cash control equipment that provides for non-resettable totals.

(b) Without implying any limitation on the right of the Port Authority to revoke this Permit for cause for breach of any term, condition or provision thereof, including but not limited to, breach of any term, condition or provision of paragraph (a) above, the Permittee understands that the full reporting and disclosure to the Port Authority of all Gross Receipts and the Permittee's compliance with all the provisions of paragraph (a) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under this Permit. In the event any Books and Records are maintained outside the Port of New York District or in the event of the failure of the Permittee to comply with all the provisions of paragraphs (a)(ii) through (a)(vii) above then, in addition to all, and without limiting any other, rights and remedies of the Port Authority under this Permit or otherwise and in addition to all of the Permittee's other obligations under this Permit:

(i) the Port Authority may estimate the Gross Receipts on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the fees based thereon shall be payable to the Port Authority when billed; and/or

(ii) if any Books and Records are maintained outside of the Port of New York District, then the Port Authority in its sole discretion may (x) require on ten (10) days' notice to the Permittee that any such Books and Records be made available to the Port Authority within the Port of New York District for examination and audit pursuant to paragraph (a)(v) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(v) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority, for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Permittee shall pay to the Port Authority when billed all costs and expenses of the Port Authority, as determined by the Port Authority, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

(c) In the event that upon conducting an examination and audit as described in this Section the Port Authority determines that unpaid amounts are due to the Port Authority by the Permittee (the "Audit Findings"), the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount equal to five percent (5%) of the Audit Findings. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge(s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Permittee under this Permit or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Section with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

(d) Without implying any limitation on the rights or remedies of the Port Authority under this Permit or otherwise including without limitation the right of the Port Authority to revoke this Permit for cause for breach of any term or provision of paragraphs (a)(iii) or (a)(iv) above and in addition thereto, in the event any of the Books and Records are not maintained in English, then this Permittee shall pay to the Port Authority when billed, all costs and expenses of the Port Authority, as determined by the Port Authority, to translate such Books and Records into English.

(e) The foregoing auditing costs, expenses and amounts of the Port Authority set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Permit payable to the Port Authority with the same force and effect as the Percentage Fee and all other fees payable to the Port Authority hereunder.

25. Rates and Charges:

The Permittee shall establish rates and discounts therefrom which are in compliance with Section 22 hereof (each such rate and discount is hereinafter called an "Established Rate"). Upon request by the Port Authority, the Permittee shall provide the Port Authority its rates and discounts therefrom for goods and services furnished hereunder. If the Permittee applies any rate in excess of the Established Rate therefor or extends a discount less than the Established Discount therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the Established Rate therefor or extends a discount which is in excess of the Established Rate therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the

Established Rate shall constitute an undercharge and an amount equivalent thereto shall be included in Gross Receipts hereunder and the Percentage Fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in Gross Receipts any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon such breach which would otherwise be available to it at law, in equity or by reason of this Permit.

26. Other Agreements:

(a) In the event the terms and provisions of any agreement entered into by the Permittee with any third Person in connection with the privileges granted hereunder are contrary to or conflict or are inconsistent with the terms and provisions of this Permit, the terms and provisions of this Permit shall be controlling, effective and determinative.

(b) Except as specifically provided herein to the contrary, the Permittee shall not, by virtue of the issue and acceptance of this Permit, be released or discharged from any liabilities or obligations whatsoever under any other Port Authority permits or agreements including but not limited to any permits to make alterations.

(c) In the event that any space or location covered by this Permit is the same as is or has been covered by another Port Authority permit or other agreement with the Permittee, then any liabilities or obligations which by the terms of such permit or agreement, or permits thereunder to make alterations, mature at the expiration or revocation or termination of said permit or agreement, shall be deemed to survive and to mature at the expiration or sooner termination or revocation of this Permit, insofar as such liabilities or obligations require the removal of property from and/or the restoration of the space or location.

27. Waiver of Trial by Jury:

The Permittee hereby waives its right to trial by jury in any action that may hereafter be instituted by the Port Authority against the Permittee in respect of the permission granted under this Permit and/or in any action that may be brought by the Port Authority to recover fees, damages, or other sums due and owing under this Permit. The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

28. Continued Exercise of Privilege After Expiration, Revocation or Termination:

(a) Without in any way limiting the provisions hereof, unless otherwise notified by the Port Authority in writing, in the event the Permittee shall continue to perform the Authorized Service for any period (a "Post-Termination Period") following the expiration, revocation or termination of the effective period of the permission granted under this Permit, as such effective period of permission may be extended from time to time, the Permittee shall pay to the Port Authority, for any Post-Termination Period, a fee equal to twice the percentage fee otherwise stated to be payable hereunder.

(b) The foregoing shall not be deemed to give the Permittee any right to continue to perform the Authorized Service at the Airport after the expiration, revocation or termination of the effective period of the permission granted under this Permit. In addition, the Permittee acknowledges that the failure of the Permittee to cease to perform the Authorized Service at the Airport from the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss, and the Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss. The Permittee

acknowledges that the Port Authority reserves all its legal and equitable rights and remedies in the event of such failure by the Permittee to cease performance of the Authorized Service.

(c) The Permittee hereby acknowledges and agrees that, subject to the foregoing, all terms and provisions of this Permit shall be and continue in full force and effect during any Post-Termination Period.

29. Miscellaneous:

(a) It is understood and agreed that the Port Authority shall not furnish, sell or supply to the Permittee any services or utilities in connection with this Permit.

(b) No Commissioner, officer, agent or employee of the Port Authority shall be charged personally by the Permittee with any liability, or held liable to it, under any term or provision of this Permit, or because of its execution or attempted execution, or because of any breach thereof.

(c) The Section and paragraph headings, if any, in this Permit are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope or intent of any provision hereof.

(d) This Permit, including the attached Special Endorsements, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof. This Permit may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee or except by notice as specifically set forth in Sections 4 and 13 hereof. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

SPECIAL ENDORSEMENTS

1. (a) (i) The Port Authority and the Permittee have entered into a concession lease agreement ("Concession Lease") pursuant to which the Port Authority has granted to the Permittee the right to operate a certain consumer service facility(ies) in designated space at Passenger Building A or B ("Terminal") at Newark Liberty International Airport, such operation to consist of either the provision of food and beverage, newsstand, gift shop or other consumer service facilities, as more specifically stated in paragraph (b) of this Special Endorsement. The Permittee is obligated under the Concession Lease to undertake certain construction at the leased premises prior to commencing operations thereat. In anticipation of, and prior to, commencing said operations the parties have agreed to enter into this Permit, pursuant to which the Permittee is granted the privilege to provide the same consumer service operation as is contemplated by the Concession Lease, for the stated, interim period of time set forth on the first page of this Permit and at the space designated on Exhibit A-2, attached hereto and hereby made a part hereof ("Concession Area"). This Permit shall be deemed to be terminated effective as of the Rental Payment Start Date of the Concession Lease, and the terms and provisions of such Concession Lease shall supercede and control in the event of any ambiguity or inconsistency between the terms and provisions of this Permit and the terms and provisions of the executed Concession Lease; provided, however, that all terms and conditions of this Permit which are stated to or impliedly survive the revocation, expiration or termination of this Permit shall so survive including, without limitation, any liability accrued by the Permittee under this Permit prior to the effective date of such revocation, expiration, or termination, as the case may be.

(ii) Nothing contained in this Permit shall grant or be deemed to grant to any contractor, architect, supplier, subcontractor or any other person engaged by the Permittee or any of its contractors in the performance of any part of the proposed construction work to be undertaken in connection with the Concession Lease ("Proposed Work") any right of action or claim against the Port Authority, its Commissioners, officers, agents and employees with respect to any work any of them may do in connection with the Proposed Work. Nothing contained herein shall create or be deemed to create any relationship between the Port Authority and any such contractor, architect, supplier, subcontractor or any other person engaged by the Permittee or any of its contractors in the performance of any part of the Proposed Work and the Port Authority shall not be responsible to any of the foregoing for any payments due or alleged to be due thereto for any work performed or materials purchased in connection with the Proposed Work.

(b) Notwithstanding Paragraph 4(i) of the Terms and Conditions above and in connection with Paragraph 6 of the Terms and Conditions above, the Permittee may use the Concession Area for the following purpose: for the operation of news & gift concessions limited to the sale at retail of newspapers, books, magazines, sundries, souvenirs, gifts, pre-packaged foods and non-alcoholic beverages, and for no other use or purpose. The Permittee's initial list of products, as approved by the Port Authority, is set forth in **Schedule A** attached to the Concession Lease, and such **Schedule A** may be amended from time to time with the written consent of the Port Authority, determined in its sole and absolute discretion.

(c) The Port Authority makes no representations or warranties as to the location, size, adequacy or suitability of the Concession Area and the facilities therein.

2. (a) As used herein:

(i) "Affiliate" shall mean a person that directly, or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, the Permittee. The term control (including the terms controlling, controlled by and under common control with) means the

possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise.

(ii) "Fee Commencement Date" shall mean the date the Permittee commences operations at any portion of the Concession Area.

(iii) "Monthly period" shall mean, as the context requires, the period commencing on the Fee Commencement Date and continuing through the balance of the month in which the Fee Commencement Date occurs and each calendar month thereafter occurring during the period of permission granted hereunder; provided, however, that if the period of permission commences on other than the first day of a month, the first monthly period hereunder shall expire or is terminated or revoked on other than the last day of a calendar month, then the monthly period for the calendar month in which the effective date of expiration, termination or revocation occurs shall expire on such date.

(iv) "Port Authority Reserved Uses" shall mean the following uses, operations or installations which the Port Authority reserves to itself and its designees exclusively in the Terminal: VIP lounges; airline clubs; airtrain/monorail facilities; advertising (including, without limitation, static display, broadcast and other); pay telephones, pre-paid phone cards, facsimile transmission machines and other public communications services, including without limitation, all Port Authority-owned or operated information and communications technology infrastructure for common Airport use, provided that the Airline shall retain the right to control the location of the placement within the Terminal of telephones, phone banks, phone kiosks, facsimile transmission machines and Internet kiosks, only, and the right to deny, upon reasonable grounds, the placement of a particular pay phone facility, facsimile transmission machine or Internet kiosk; rental of cellular phones; concierge services (i.e., a center or location which offers a variety of services for passengers (including, but not limited to, hotel reservations, sale of entertainment events tickets and lottery tickets, luggage storage and delivery, sightseeing tours, business services and provision of touring information)); ground transportation (including vehicle rentals); hotel and other lodging reservations; vending machines dispensing anything (including, but not limited to, catalog and electronic sales) other than products specifically permitted to be sold on the subleased premises pursuant to a sublease with a specific concessionaire and if approved in advance by the Port Authority; on-airport baggage carts (other than shopping carts made available free of charge to shoppers within the Concession Area) or other on-airport baggage-moving devices; and electronic amusements. The Port Authority shall have the right to all revenues derived for or from the above-stated reserved uses.

(v) Notwithstanding the definition of Gross Receipts set forth in Section 1(h) of the Terms and Conditions, the term "Gross Receipts" shall mean and include all monies paid or payable to the Permittee for sales made or services rendered at or from the Airport, regardless of when or where the order therefor is received, and outside the Airport, if the order therefor is received at the Airport, and any other revenues of any type arising out of or in connection with the Permittee's operations at the Airport; provided, however, there shall be excluded from Gross Receipts the following: (1) any sums collected for any federal, state, county and municipal sales taxes, so-called luxury taxes, use taxes, consumer excise taxes, gross receipts taxes and other similar taxes now or hereafter imposed by law upon the sale of merchandise, food & beverage products or services which are separately stated to and paid by a customer and directly payable to the taxing authority by the Permittee, (2) any receipts of the Permittee which arise from its operations under any other agreement with the Port Authority at the Airport and which are subject to a percentage fee or percentage rental under that agreement, (3) receipts in the form of refunds from, or the value of merchandise (including food & beverage products), services, supplies or equipment returned to, vendors, shippers, suppliers or manufacturers, including volume discounts received from Permittee's vendors, suppliers or manufacturers, (4) gratuities for services performed by employees of Permittee which are paid or given by Permittee's customers to such employees at or serving at the Airport, (5) the sale or transfer in bulk of the inventory of the Permittee to a purchaser of all or

substantially all of the assets of the Permittee in a transaction not in the ordinary course of Permittee's business, (6) except with respect to proceeds received for business interruptions paid on a gross earnings business interruption insurance policy, proceeds from all other insurance received by Permittee as a result of a loss or casualty, (7) rebates, exchanges or allowance made to customers of the Permittee at the Airport, (8) the exchange of merchandise between the stores or warehouses owned by or affiliated with Permittee, if any, where such exchanges of goods or merchandise are made solely for the convenient operation of the business of Permittee and not for the purpose of consummating a sale which has theretofore been made at, in, from or upon the Airport or for the purpose of depriving the Port Authority of the benefit of the sale which otherwise would be made at, in, from or upon the Airport, (9) income actually received by Permittee from manufacturers of goods (e.g., cosmetics, perfume) displayed for sale at the Airport if the conditions set forth in the succeeding sentence are fully and strictly satisfied with respect to such income; the conditions with respect to this clause (9) are as follows: (i) the manufacturer specifically identifies the time period to which the income relates, (ii) reimbursement from the manufacturer to Permittee occurs in connection with employees (1) who are on Permittee's payroll for the operations permitted under this Permit and (2) who are on such payroll during the time period to which the reimbursement relates, (iii) the manufacturer and Permittee have previously entered into a written agreement that sets forth the material terms of their arrangement with regard to the reimbursement that is the subject of this clause (9), and (iv) Permittee provides to the Port Authority written documents and records substantiating the matters listed in sub-clauses (i) through (iii), (10) proceeds from the sale of gift certificates or like vouchers until such time as the gift certificates or like vouchers have been treated as a sale in or from the Airport pursuant to Permittee's record keeping system and (11) sale of trade fixtures, equipment or property which are not stock in trade and not in the ordinary course of business.

For the purpose of determining the Percentage Fee payable by the Permittee hereunder, Gross Receipts shall include all orders including, but not limited to, all orders by means of mail, catalogue, closed circuit television, electronic, telephonic, video, computer or other technology-based system, whether now existing or developed in the future, all deposits not refunded to or otherwise forfeited by customers, all orders taken in and from the Airport, whether or not such orders are filled elsewhere, the entire amount of the actual sales price and all other receipts for sales and services rendered, all insurance proceeds received due to loss of gross earnings paid under Permittee's business interruption insurance policy because of business interruptions, and the spread earned on any exchange or foreign currency transaction whether for an exchange service or for merchandise, products and/or services. A "sale" shall be deemed to have been consummated for purposes hereof, and the entire amount of the sales price shall be included in Gross Receipts and deemed received at the time of determination of the amount due for each transaction, whether for cash, credit or otherwise, and not at the time of billing or payment. Each sale made upon installment or credit shall be treated as a sale for the full price in the month during which such sale shall be made, irrespective of the time when any payment is received. No deduction from Gross Receipts shall be allowed for uncollected or uncollectible credit amounts or "bad" checks. Gross Receipts shall include retail display allowances, slotting fees, on-premises advertising and other promotional incentives (collectively referred to as "RDAs"). Gross Receipts shall include all such sales, revenues or receipts generated by Permittee's concessionaires, if any, or anyone else conducting business pursuant to an arrangement with Permittee and shall also include the full amount of all insurance proceeds paid on a gross earnings business interruption insurance policy to Permittee.

(vi) "Percentage Fee" shall mean for and during the period commencing on the Fee Commencement Date and continuing throughout the period of permission granted hereunder, both dates inclusive, a monthly percentage fee equivalent to twenty-three percent (23%) of all of the Permittee's Gross Receipts arising hereunder during each monthly period and payable by Permittee to the Port Authority as provided in Paragraph 4(a) of the Terms and Conditions.

(vii) "Distribution Fee" shall have the same meaning as set forth in the Concession Lease and the Permittee shall pay such monthly charges for its Distribution Fee as set forth in the Concession Lease.

(viii) "Promotion Fee" shall have the same meaning as set forth in the Concession Lease and the Permittee shall pay such monthly charges for its Promotion Fee as set forth in the Concession Lease.

(b) Notwithstanding Paragraph 4(b) of the Terms and Conditions, for purposes of this Permit, and unless and until notified in writing otherwise by the Port Authority, the Port Authority hereby directs that any payments to be made to the Port Authority under this Permit (whether of percentage fees, fines, or other concession operator payments) be remitted on its behalf directly, and payable, to Westfield Concession Management, LLC, which shall serve as the Port Authority's agent for this purpose, and such payments shall be made in accordance with Section 38 of the Concession Lease.

(c) Gross receipts shall be reported and the Percentage Fee thereon shall be paid as follows: on the 15th day of the first month following the Effective Date and on the 15th day of each and every month thereafter, and the month following the expiration of the permission granted hereunder, the Permittee shall render to the Port Authority a statement, certified by a responsible officer of the Permittee, showing all Gross Receipts arising from the Permittee's operations hereunder in the preceding month, and specifying the percentage(s) stated in Special Endorsement Paragraph 2(vi), and also showing its cumulative Gross Receipts from the date of the Effective Date for which the report is made through the last day of the preceding month and the percentages applicable thereto.

3. The Permittee shall be required to make a minimum initial capital investment (excluding furniture, fixtures and equipment) to ready the Concession Area for initial occupancy and operations in an amount equal to - Not applicable - . Nothing herein shall reduce the Permittee's obligations to comply with the Port Authority's Tenant Alteration and Application process.

4. The Port Authority shall have the right by its officers, employees, agents, representatives and contractors at all reasonable times to enter upon the Concession Area for the purpose of inspecting the same, for observing the performance by the Permittee of its obligations under this Permit and for the doing of any act or thing which the Port Authority may be obligated or have the right to do under this Permit or otherwise. Westfield Concession Management, LLC, as the Port Authority's representative, shall also have the right to access the Concession Area to inspect the same and observe performance by the Permittee of its obligations under this Permit. Further, the Port Authority shall have the right to enter upon the Concession Area for the purpose of making repairs, alterations or replacements in or to any portion of the Terminal.

5. (a) The Permittee hereby certifies that the Federal Tax Identification Numbers for AMS-BW Newark JV is (EX. 1) for Airport Management Services, LLC is (EX. 1) , and for Branded Works, Inc is (EX. 1)

(b) Notwithstanding Paragraph 5 of the Terms and Conditions, pursuant to the terms of the Concession Lease (defined in Special Endorsement 1(a)), the security deposited with the Port Authority upon signing the Concession Lease shall serve as security under this Permit as well. The provisions of this section shall survive the expiration or termination of the Concession Lease and/or this Permit, as the case may be, and upon such event, without the necessity for executing any further instrument, the provisions of this section shall continue in full force and effect and no part of such security shall then or thereafter be returned to the Permittee until the later to occur of the termination of this Permit or the cessation of the Concession Lease, at which ultimate time, upon condition that the Permittee shall then be in no way in default or breach, including anticipatory breach, under any obligation to the Port Authority and upon written request of the Permittee, the Port Authority will return the said security, as and in such an amount as then appropriate hereunder, less the sum of any and all unpaid claims and demands (including estimated damages) of the Port Authority by reason of any such defaults or breach.

6. (a) The Permittee shall be responsible for the repair, replacement and rebuilding of any and all parts of the Concession Area and any other parts of the Terminal or the Facility which may be damaged or destroyed by the acts or omissions of the Permittee, its officers, employees, agents, representatives, contractors, or other persons doing business with it as set forth in the Terms and Conditions, as modified, if at all, by the terms of the Concession Lease.

(b) The Permittee shall promptly notify the Port Authority if any portion or all of the Concession Area or any of the Permittee's fixtures, equipment, or personal property is destroyed, damaged, or in need of repair regardless of the Permittee's responsibility therefor.

7. A copy of any notice from the Permittee to the Port Authority shall also be sent to Westfield Concession Management, LLC at the following addresses (in connection with Paragraph 13 of the Standard Terms and Conditions):

Westfield Concession Management, LLC
11601 Wilshire Blvd., 11th Floor
Los Angeles, California 90025
Attention: Office of Legal Counsel

Westfield Concession Management, LLC
Newark Liberty International Airport
35 Terminal B, Bldg. #74
Newark, New Jersey 07114
Attention: General Manager

8. Such provisions of this Permit as apply to the rights and obligations of the parties hereto upon the expiration of the permission granted by this Permit shall apply to the rights and obligations of the parties hereto upon the revocation or termination of the permission granted by this Permit.

9. Although the printed provisions of this Permit were drawn by the Port Authority, the parties agree that this circumstance alone shall not create any presumption, canon of construction or implication favoring the position of the Port Authority or the Permittee and the deletion of language from this Permit prior to its execution shall not be construed to have any particular meaning or to raise any presumption, canon of construction or implication, including, without limitation, any implication that the parties intended thereby to state the converse, adverse or opposite of the deleted language.

10. This Permit is subject to the requirements of the United States Department of Transportation's regulations, 49 CFR Part 23. The Permittee agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement or any management contract, or subcontract, purchase or lease agreement or other agreement covered by 49 CFR Part 23. The Permittee agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR Part 23 that it enters and cause those businesses to similarly include the statements in further agreement. Further, the Permittee agrees to comply with the terms and provisions of Schedule G, attached hereto and hereto made a part hereof.

11. Labor Harmony at the Airport

(a) General. In connection with its operations at the Airport under this Permit, the Permittee shall serve the public interest by promoting labor harmony, it being acknowledged that strikes, picketing, or boycotts may disrupt the efficient operation of the Terminal. The Permittee recognizes the essential benefit to have continued and full operation of the Airport as a whole and the Terminal as a

transportation center. The Permittee shall immediately give oral notice to the Port Authority (to be followed reasonably promptly by written notices and reports) of any and all impending or existing labor-related disruptions and the progress thereof.

If any type of strike, picketing, boycott or other labor-related disruption is directed against the Permittee at the Terminal, or against its operations thereat pursuant to this Permit, which in the opinion of the Port Authority (i) physically interferes with the operation of the Airport, the Terminal or the Concession Area, or (ii) physically interferes with public access between the Concession Area and any portion of the Terminal or the Airport, or (iii) physically interferes with the operations of other operators at the Airport or the Terminal, or (iv) presents a danger to the health and safety of users of the Airport or the Terminal, including persons employed thereat or members of the public, the Port Authority shall have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(b) Labor Peace Agreement. The Permittee represents that, prior to or upon entering into this Permit, it has delivered to the Port Authority evidence of a signed labor peace agreement, in the form attached hereto as Exhibit X or, in the event Exhibit X is inapplicable, then a signed officer's certification to such effect in the required form provided by the Port Authority.

(c) Employee Retention. If the Permittee's concession at the Concession Area is of the same type (i.e., food, retail, news/gifts or duty-free concession) as that of the immediately preceding concession operator at the Concession Area (the "**Predecessor Concession**"), the Permittee agrees to offer continued employment for a minimum period of ninety (90) days, unless there is just cause to terminate employment sooner, to employees of the Predecessor Concession who have been or will be displaced by cessation of the operations of the Predecessor Concession and who wish to work for the Permittee at the Concession Area. The foregoing requirement shall be subject to the Permittee's commercially reasonable determination that fewer employees are required at the Concession Area than were required by the Predecessor Concession; except, however, that the Permittee shall retain such staff as is deemed commercially reasonable on the basis of seniority with the Predecessor Concession at the premises. The Port Authority shall have the right to demand from the Permittee documentation of the name, date of hire, and employment occupation classification of all employees covered by this provision. In the event the Permittee fails to comply with this provision, the Port Authority have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(d) Applicability of Provision. The provisions of this section shall apply to concession operators which employ ten (10) or more persons at the Concession Area.

12. The liability insurance required by the terms of the Concession Lease and the Certificate of Insurance provided to the Port Authority upon signing the Concession Lease shall satisfy the Permittee's liability insurance obligations under this Permit as required by Paragraph 8 of the Standard Terms and Conditions.

13. Notwithstanding Paragraph 24 of the Standard Terms and Conditions, the Permittee may maintain records as provided for in the Concession Lease.

14. Notwithstanding Paragraph 29(a) of the Standard Terms and Conditions, utilities shall be provided as described in the Concession Lease.

SCHEDULE G

Airport Concession Disadvantaged Business Enterprise ("ACDBE") Participation

In accordance with regulations of the US Department of Transportation 49 CFR Part 23 the Port Authority has implemented an Airport Concession Disadvantaged Business Enterprise ("ACDBE") program under which qualified firms may have the opportunity to operate an airport business. The Port Authority has established an ACDBE participation goal, as measured by the total estimated annual gross receipts for the overall concession program. The goal is modified from time to time and posted on the Port Authority's website: www.panynj.gov.

The overall ACDBE goal is a key element of the Port Authority's concession program and Concessionaire shall take all necessary and reasonable steps to comply with the requirements of the Port Authority's ACDBE program. The Concessionaire commits to making good faith efforts to achieve the ACDBE goal. Pursuant to 49 CFR 23.25(f), ACDBE participation must be, to the greatest extent practicable, in the form of direct ownership, management and operation of the concession or the ownership, management and operation of specific concession locations through subleases. The Port Authority will also consider participation through (1) joint venture in which ACDBEs control a distinct portion of the joint venture business and/or purchase of goods and services from ACDBEs. In connection with the aforesaid good faith efforts, as to those matters contracted out by the Concessionaire in its performance of this agreement, the Concessionaire shall use, to the maximum extent feasible and consistent with the Concessionaire's exercise of good business judgment including without limit the consideration of cost competitiveness, a good faith effort to meet the Port Authority's goals. Information regarding specific good faith steps can be found in the Port Authority's ACDBE Program located on its above-referenced website. In addition, the Concessionaire shall keep such records as shall enable the Port Authority to comply with its obligations under 49 CFR Part 23 regarding efforts to offer opportunities to ACDBEs.

Qualification as an ACDBE

To qualify as an ACDBE, the firm must meet the definition set forth below and be certified by the New York State or New Jersey Uniform Certification Program (UCP). The New York State UCP directory is available on-line at www.nysucp.net and the New Jersey UCP at www.njucp.net.

An ACDBE must be a small business concern whose average annual receipts for the preceding three (3) fiscal years does not exceed \$47.78 million and it must be (a) at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operations are controlled by one or more of the socially or economically disadvantaged individuals who own it. The personal net worth standard used in determining eligibility for purposes of Part 23 is \$750,000.

The ACDBE may, if other qualifications are met, be a franchisee of a franchisor. An airport concession is a for-profit business enterprise, located on an airport, which is subject to the Code of Federal Regulations 49 Part 23 that is engaged in the sale of consumer goods or services to the public under an agreement with the sponsor, another concessionaire, or the owner or operator of a terminal, if other than the sponsor. The Port Authority makes a rebuttable presumption that individuals in the following groups who are citizens of the United States or lawful permanent residents are "socially and economically disadvantaged":

- a. Women;

- b. Black Americans which includes persons having origins in any of the Black racial groups of Africa;
- c. Hispanic Americans which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;
- d. Native Americans which includes persons who are American Indians, Eskimos, Aleuts or Native Hawaiians;
- e. Asian-Pacific Americans which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific Islands (Republic of Palau), the Commonwealth Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Juvalu, Nauru, Federated States of Micronesia or Hong Kong;
- f. Asian-Indian Americans which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, Maldives Islands, Nepal and Sri Lanka; and
- g. Members of other groups, or other individuals, found to be economically and socially disadvantaged by the Small Business Administration under Section 8(a) of the Small Business Act, as amended (15 U.S.C. Section 637(a)).

“Other individuals may be found to be socially and economically disadvantaged on a case-by-case basis. For example, a disabled Vietnam veteran, an Appalachian white male, or another person may claim to be disadvantaged. If such individual requests that his or her firm be certified as ACDBE, the Port Authority, as a certifying partner in the New York State and New Jersey UCPs will determine whether the individual is socially or economically disadvantaged under the criteria established by the Federal Government. These owners must demonstrate that their disadvantaged status arose from individual circumstances, rather than by virtue of membership in a group.

Certification of ACDBEs hereunder shall be made by the New York State or New Jersey UCP. If Concessionaire wishes to utilize a firm not listed in the UCP directories but which the Concessionaire believes should be certified as an ACDBE, that firm shall submit to the Port Authority a written request for a determination that the firm is eligible for certification. This shall be done by completing and forwarding such forms as may be required under 49 CFR Part 23. All such requests shall be in writing, addressed to Lash Green, Director, Office of Business and Job Opportunity, The Port Authority of New York and New Jersey, 233 Park Avenue South, 4th Floor, New York, New York 10003 or such other address as the Port Authority may designate from time to time. Contact OBJOcert@panynj.gov for inquiries or assistance.

General

In the event the signatory to this agreement is a Port Authority permittee, the term Concessionaire shall mean the Permittee herein. In the event the signatory to this agreement is a Port Authority lessee, the term Concessionaire shall mean the Lessee herein.

EXHIBIT X

EVIDENCE OF SIGNED LABOR PEACE AGREEMENT

[Insert Name of Company] (the "Company") has complied with board Resolution "All airports – Labor Harmony Policy" passed October 18, 2007, which stipulates that the Company must sign a Labor Peace Agreement with a labor organization that seeks to represent the Company's employees and that contains provisions under which the labor organization and its members agree to refrain from engaging in any picketing, work stoppages, boycotts or any other economic interference with the Company's operations.

AGREEMENT OF LEASE

THIS AGREEMENT OF LEASE ("**Agreement**"), dated as of November 11, 2009, by and between the PORT AUTHORITY OF NEW YORK AND NEW JERSEY (hereinafter called the "**Port Authority**") a body corporate and politic, created by Compact between the States of New York and New Jersey with the consent of the Congress of the United States of America, and having an office at 225 Park Avenue South, in the Borough of Manhattan, City, County and State of New York, and **AMS-BW NEWARK JV**, a joint venture between Airport Management Services, LLC, a limited liability company organized and existing under and by virtue of the laws of the State of Delaware and Branded Works, Inc., a corporation organized and existing under and by virtue of the laws of the State of Louisiana and having an office for the transaction of business at c/o The Hudson Group, One Meadowlands Plaza, Suite 902, East Rutherford, New Jersey 07073 whose representative is Michael R. Mullaney; **AIRPORT MANAGEMENT SERVICES, LLC**, a limited liability company organized and existing under and by virtue of the laws of the State of Delaware and having an office for the transaction of business at c/o The Hudson Group, One Meadowlands Plaza, Suite 902, East Rutherford, New Jersey 07073 whose representative is Michael R. Mullaney; and **BRANDED WORKS, INC.**, a corporation organized and existing under and by virtue of the laws of the State of Louisiana and having an office for the transaction of business at 110 Travis Street, Lafayette, Louisiana 70503 whose representative is Ruth Ann Menutis (AMS-BW Newark JV, Airport Management Services, LLC and Branded Works, Inc. being jointly and severally liable hereunder and such joint venture, limited liability company and corporation being hereinafter collectively called the "**Lessee**").

WITNESSETH, THAT, the Port Authority and the Lessee, for and in consideration of the rents, covenants and agreements hereinafter contained, mutually covenant and agree as follows:

Section 1. Definitions

The following terms, when used in this Agreement, shall have the respective meanings given below:

(a) "**Adjustment Period**" shall have the meaning set forth in the Section of this Agreement entitled "*Additional Rent Items and Lessee Obligations*".

(b) "**Affiliate**" shall mean any person that directly or indirectly through one or more intermediaries, controls or is controlled by or is under common control with the Lessee and any entity in which the Lessee or a shareholder of the Lessee has an ownership, licensor/licensee or franchiser/franchisee interest or relationship, but if the Lessee shall be a corporation whose voting securities shall be registered with the Securities and Exchange Commission and publicly traded on a regular basis then only such shareholder of the Lessee having an ownership interest greater than five percent (5%). The term "**control**" (including the terms controlling, controlled by and under common control with) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract or otherwise.

(c) "**Airline Leases**" shall mean those leases in effect at the Terminal(s) between the Port Authority, as lessor, and various airlines, as lessees, from time to time during the term of this Agreement, as the same have been or shall be supplemented or amended including, without limitation, all letter agreements entered into between the Port Authority and the relevant airline lessee(s). For purposes of this Agreement, the aforementioned airlines shall be referred to as "airline lessees".

(d) "**Airport**" shall mean Newark Liberty International Airport.

(e) "**Airport Concession Disadvantaged Business Enterprise ("ACDBE")**"

[AMS BW Newark JV/Hudson Booksellers/Lease No ANC-011]

shall have the meaning set forth in Schedule G.

(f) “**Anniversary Date**” shall have the meaning set forth in the Section of this Agreement entitled “*Additional Rent Items and Lessee Obligations*”.

(g) “**Annual Index Increase**” shall have the meaning set forth in the Section of this Agreement entitled “*Additional Rent Items and Lessee Obligations*”.

(h) “**Annual Period**” shall mean the following: The first annual period shall be the period commencing with the Rental Payment Start Date and ending on December 31 next following, and thereafter Annual Period shall mean each twelve (12) month consecutive, calendar month period thereafter occurring during the term of the letting under this Agreement commencing on each anniversary of January 1, provided, however, that the last Annual Period shall expire in any event on the expiration date of the term of the letting under this Agreement.

(i) “**Anything of value**” shall have the meaning set forth in the Section of this Agreement entitled “*Ethical Standards*”.

(j) “**Assignment**” shall have the meaning set forth in the Section of this Agreement entitled “*Assignment and Subletting*”.

(k) “**Base Period**” shall have the meaning set forth in the Section of this Agreement entitled “*Additional Rent Items and Lessee Obligations*”.

(l) The terms “**Basic Rental**” and “**MAG**” shall have the meaning set forth in Item 1 of Exhibit B hereof.

(m) “**Bid conditions**” shall have the meaning set forth in Part I of Schedule E hereof.

(n) “**Causes or conditions beyond the control of the Port Authority**” shall mean and include acts of God, the elements, weather conditions, tides, earthquakes, settlements, fire, acts of any governmental authority, war, terrorism, shortage of labor or materials, acts of third parties for which the Port Authority is not responsible, injunctions, labor troubles or disputes of every kind (including all those affecting the Port Authority, its contractors, suppliers or subcontractors) or any other conditions or circumstances, whether similar to or different from the foregoing (it being agreed that the foregoing enumeration shall not limit or be characteristic of such condition or circumstance which is beyond the control of the Port Authority) or which could not be prevented or remedied by reasonable effort and at reasonable expense.

(o) “**Cost**” shall have the meaning set forth in Item 6 of Exhibit B hereof.

(p) “**Date of Beneficial Occupancy**” shall have the meaning set forth in this Section under the definition of “**Rental Payment Start Date**”.

(q) “**Distribution Fee**” shall have the meaning set forth in the Section of this Agreement entitled “*Additional Rent Items and Lessee Obligations*”.

(r) “**Employer identification number**” shall have the meaning set forth in Part I of Schedule E hereof.

(s) “**Environmental Damages**” shall mean any one or more of the following: (i) the presence in, on, or under the Premises of any Hazardous Substance whether such presence occurred prior to or during the term of the letting under this Agreement or resulted from any act or

omission of the Lessee or others, and/or (ii) the disposal, discharge, release or threatened release of any Hazardous Substance from the Premises or of any Hazardous Substance from under the Premises and/or (iii) the presence of any Hazardous Substance in, on or under other property at the Airport as a result of (x) the Lessee's use and occupancy of the Premises or the performance of the construction work or any other work or activities at the Premises or (y) a migration of a Hazardous Substance from the Premises or from under the Premises or (z) the Lessee's operations at the Airport, and/or (iv) any personal injury, including wrongful death, or property damage, arising out of or related to any Hazardous Substance described in (i), (ii) or (iii) above, and/or (v) the violation of any Environmental Requirement pertaining to any Hazardous Substance described in (i), (ii) or (iii) above, the Premises and/or the activities thereon.

(t) **"Environmental Requirements"** shall mean all common law and all past, present and future laws, statutes, enactments, resolutions, regulations, rules, directives, ordinances, codes, licenses, permits, orders, memoranda of understanding and memoranda of agreement, guidances, approvals, plans, authorizations, concessions, franchises, requirements and similar items of all governmental agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof, all pollution prevention programs, **"best management practices plans"**, and other programs adopted and agreements made by the Port Authority with any governmental agencies (whether adopted or made with or without consideration or with or without compulsion), with any government agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof, and all judicial, administrative, voluntary and regulatory decrees, judgments, orders and agreements relating to the protection of human health or the environment, and in the event that there shall be more than one compliance standard, the standard for any of the foregoing to be that which requires the lowest level of a Hazardous Substance, the foregoing to include without limitation:

(1) All requirements pertaining to reporting, licensing, permitting, investigation and remediation of emissions, discharges, releases or threatened releases of Hazardous Substances into the air, surface water, groundwater or land, or relating to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of Hazardous Substances, or the transfer of property on which Hazardous Substances exist;

(2) All requirements pertaining to the protection from Hazardous Substances of the health and safety of employees or the public; and

(3) The Atomic Energy Act of 1954, 42 U.S.C. Section 2011 *et seq.*; the Clean Water Act also known as the Federal Water Pollution Control Act, 33 U.S.C. Section 1251 *et seq.*; the Clean Air Act, 42 U.S.C. Section 7401 *et seq.*; the Federal Insecticide, Fungicide, and Rodenticide Act, 7 U.S.C. Section 136 *et seq.*; the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. Section 9601 *et seq.*; the Superfund Amendments and Reauthorization Act of 1986 ("SARA"), Section 2701 *et seq.*; the Emergency Planning and Community Right to Know Act, 42 U.S.C. Section 11001 *et seq.*; the Occupational Safety and Health Act, 29 U.S.C. Section 651 *et seq.*; the Hazardous Materials Transportation Act, 49 U.S.C. Section 5101 *et seq.*; the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act, 42 U.S.C. Section 6901 *et seq.*; the Toxic Substances Control Act, 15 U.S.C. Section 2601 *et seq.*; the Safe Drinking Water Act of 1974, 42 U.S.C. Sections 300f-300h-11 *et seq.*; the New Jersey Spill Compensation and Control Act (N.J.S.A. 58:10-23.11 *et seq.*) ("Spill Act"); the Industrial Site Recovery Act ("ISRA")(N.J.S.A. 13:1K and N.J.A.C. 7:26B); Solid Waste Management Act (N.J.S.A. 13:1E-1 to 48); and Water Pollution Control Act (N.J.S.A. 58:10A-1 to 60); together, in each case, with any amendment thereto, and

the regulations adopted, guidances, memoranda and publications promulgated thereunder and all substitutions thereof.

(ii) "Food Court Maintenance Fee" shall have the meaning set forth in the Section of this Agreement entitled "*Additional Rent Items and Lessee Obligations*".

(v) "Gross Receipts" shall include all monies paid or payable to the Lessee for sales made or services rendered at or from the Premises, regardless of when or where the order therefor is received, and outside the Premises, if the order therefor is received at the Premises, and any other revenues of any type arising out of or in connection with the Lessee's operations at the Premises; provided, however, there shall be excluded from Gross Receipts the following: (1) any sums collected for any federal, state, county and municipal sales taxes, so-called luxury taxes, use taxes, consumer excise taxes, gross receipts taxes and other similar taxes now or hereafter imposed by law upon the sale of merchandise, food & beverage products or services which are separately stated to and paid by a customer and directly payable to the taxing authority by the Lessee, (2) any receipts of the Lessee which arise from its operations under any other agreement with the Port Authority at the Premises and which are subject to a percentage fee or percentage rental under that agreement, (3) receipts in the form of refunds from, or the value of merchandise (including food & beverage products), services, supplies or equipment returned to, vendors, shippers, suppliers or manufacturers, including volume discounts received from Lessee's vendors, suppliers or manufacturers, (4) gratuities for services performed by employees of Lessee which are paid or given by Lessee's customers to such employees at or serving at the Premises, (5) the sale or transfer in bulk of the inventory of the Lessee to a purchaser of all or substantially all of the assets of the Lessee in a transaction not in the ordinary course of Lessee's business, (6) except with respect to proceeds received for business interruptions paid on a gross earnings business interruption insurance policy, proceeds from all other insurance received by Lessee as a result of a loss or casualty, (7) rebates, exchanges or allowance made to customers of the Lessee at the Premises, (8) the exchange of merchandise between the stores or warehouses owned by or affiliated with Lessee, if any, where such exchanges of goods or merchandise are made solely for the convenient operation of the business of Lessee and not for the purpose of consummating a sale which has theretofore been made at, in, from or upon the Premises or for the purpose of depriving the Port Authority of the benefit of the sale which otherwise would be made at, in, from or upon the Premises, (9) income actually received by Lessee from manufacturers of goods (e.g., cosmetics, perfume) displayed for sale at the Premises if the conditions set forth in the succeeding sentence are fully and strictly satisfied with respect to such income; the conditions with respect to this clause (9) are as follows: (i) the manufacturer specifically identifies the time period to which the income relates, (ii) reimbursement from the manufacturer to Lessee occurs in connection with employees (1) who are on Lessee's payroll for the operations permitted under this Agreement and (2) who are on such payroll during the time period to which the reimbursement relates, (iii) the manufacturer and Lessee have previously entered into a written agreement that sets forth the material terms of their arrangement with regard to the reimbursement that is the subject of this clause (9), and (iv) Lessee provides to the Port Authority written documents and records substantiating the matters listed in sub-clauses (i) through (iii), (10) proceeds from the sale of gift certificates or like vouchers until such time as the gift certificates or like vouchers have been treated as a sale in or from the Premises pursuant to Lessee's record keeping system and (11) sale of trade fixtures, equipment or property which are not stock in trade and not in the ordinary course of business.

For the purpose of determining the Percentage Rental payable by the Lessee hereunder, Gross Receipts shall include all orders including, but not limited to, all orders by means of mail, catalogue, closed circuit television, electronic, telephonic, video, computer or other technology-based system, whether now existing or developed in the future, all deposits not refunded to or otherwise forfeited by customers, all orders taken in and from the Premises, whether or not such orders are filled elsewhere, the entire amount of the actual sales price and all other receipts for sales and services rendered, all insurance proceeds received due to loss of gross earnings paid under

Lessee's business interruption insurance policy because of business interruptions, and the spread earned on any exchange or foreign currency transaction whether for an exchange service or for merchandise, products and/or services. A "sale" shall be deemed to have been consummated for purposes hereof, and the entire amount of the sales price shall be included in Gross Receipts and deemed received at the time of determination of the amount due for each transaction, whether for cash, credit or otherwise, and not at the time of billing or payment. Each sale made upon installment or credit shall be treated as a sale for the full price in the month during which such sale shall be made, irrespective of the time when any payment is received. No deduction from Gross Receipts shall be allowed for uncollected or uncollectible credit amounts or "bad" checks. Gross Receipts shall include retail display allowances, slotting fees, on-Premises advertising and other promotional incentives (collectively referred to as "RDAs"). Gross Receipts shall include all such sales, revenues or receipts generated by Lessee's concessionaires, if any, or anyone else conducting business pursuant to an arrangement with Lessee and shall also include the full amount of all insurance proceeds paid on a gross earnings business interruption insurance policy to Lessee.

(w) "**Hazardous Substances**" shall mean any pollutant, contaminant, toxic or hazardous waste, dangerous substance, noxious substance, toxic substance, flammable, explosive or radioactive material, urea formaldehyde foam insulation, asbestos, polychlorinated biphenyls ("PCBs"), chemicals known to cause cancer, endocrine disruption or reproductive toxicity, petroleum and petroleum products and other substances which have been or in the future shall be declared to be hazardous or toxic, or the removal, containment or restriction of which have been or in the future shall be required, or the manufacture, preparation, production, generation, use, maintenance, treatment, storage, transfer, handling or ownership of which have or in the future shall be restricted, prohibited, regulated or penalized by any federal, state, county, or municipal or other local statute or law now or at any time hereafter in effect as amended or supplemented and by the regulations adopted and publications promulgated pursuant thereto.

(x) "**Index**" shall have the meaning set forth in the Section of this Agreement entitled "*Additional Rent Items and Lessee Obligations*".

(y) "**Lessee**" shall have the meaning set forth in the first paragraph on the first page of this Agreement.

(z) "**Lessee's Work**" shall have the meaning set forth in the Section of this Agreement entitled "*Finishes and Decorating by the Lessee*".

(aa) "**Letting**" shall mean the letting under this Agreement for the original term stated herein, and shall include any extensions thereof which may be made pursuant to the provisions of this Agreement or otherwise.

(bb) "**Meaningful participation**" shall have the meaning set forth in Part II of **Schedule E** hereof.

(cc) "**Metro Area**" shall have the meaning set forth in the Section of this Agreement entitled "*Sales and Services by the Lessee*".

(dd) "**Minority**" shall mean those persons described in paragraph II (c) of Part I of **Schedule E** annexed hereto.

(ee) The terms "**Minority Business Enterprise**" and "**MBE**" shall have the meaning set forth in Part II of **Schedule E** hereof.

(ff) The terms "**Office of Foreign Asset Control**" and "**OFAC**" shall have the meaning set forth in the Section of this Agreement entitled "*Lessee's OFAC Certification*".

(gg) **"Percentage Increase"** shall have the meaning set forth in the Section of this Agreement entitled *"Additional Rent Items and Lessee Obligations"*.

(hh) **"Port Authority"** shall have the meaning set forth in the first paragraph on the first page of this Agreement.

(ii) **"Port of New York District"** shall have the meaning set forth in the Port Compact of 1921 authorized by C. 154 Laws of N.Y. 1921 and C. 151 Laws of N.J. 1921, approved by Public Resolution No. 17 of the 67th Congress, First Session.

(jj) **"Predecessor Concession"** shall have the meaning set forth in the Section of this Agreement entitled *"Labor Disturbances and Labor Harmony"*.

(kk) **"Premises"** shall have the meaning set forth in the Section of this Agreement entitled *"Letting"*.

(ll) **"Promotion Fee"** shall have the meaning set forth in the Section of this Agreement entitled *"Additional Rent Items and Lessee Obligations"*.

(mm) The terms **"Records"**, **"Lessee's Records"** and **"Other Relevant Records"** shall have the meanings set forth in the Section of this Agreement entitled *"Obligations in Connection with any Percentage Rental"*.

(nn) The term **"Reserved Uses"** shall mean the following uses, operations or installations which the Port Authority reserves to itself and its designees exclusively in the Terminal: VIP lounges; airline clubs; airtrain/monorail facilities; advertising (including, without limitation, static display, broadcast and other); pay telephones, pre-paid phone cards, facsimile transmission machines and other public communications services including, without limitation, all Port Authority-owned or operated information and communications technology infrastructure for common Airport use; rental of cellular phones; concierge services (i.e., a center or location which offers a variety of services for passengers (including, but not limited to, hotel reservations, sale of entertainment events tickets and lottery tickets, luggage storage and delivery, sightseeing tours, business services and provision of touring information)); ground transportation (including vehicle rentals); hotel and other lodging reservations; vending machines dispensing anything (including, but not limited to, catalog and electronic sales) other than products specifically permitted to be sold on the Premises pursuant to a sublease with a specific concessionaire and if approved in advance by the Port Authority; on-airport baggage carts (other than shopping carts made available free of charge to shoppers within the concession areas of the Terminal) or other on-airport baggage-moving devices; and electronic amusements.

(oo) **"Rental Payment Start Date"** shall mean the earliest to occur of the following: (a) the date Gross Receipts are first generated in or from the Premises by the Lessee; or (b) ninety (90) days from the date the Port Authority makes available the Premises to the Lessee for its occupancy, such date being referred to herein as the "Date of Beneficial Occupancy".

(pp) The terms **"Terminal Building"** and **"Terminal"** shall have the meaning set forth in the Section of this Agreement entitled *"Letting"*.

(qq) The term **"Transfer"** shall have the meaning set forth in the Section of this Agreement entitled *"Assignment and Subletting"*.

(rr) The terms **"Street Prices"** and **"Street Pricing Policy"** shall have the meanings set forth in the Section of this Agreement entitled *"Sales and Services by the Lessee"*.

(ss) The terms "Women-owned Business Enterprise" and "WBE" shall have the meanings set forth in Part II of Schedule E hereof.

Section 2. Letting

The Port Authority hereby lets to the Lessee and the Lessee hereby hires and takes from the Port Authority, at Newark Liberty International Airport in Passenger Terminal Building A (hereinafter sometimes called the "Terminal Building" or "Terminal") the area(s) as shown on the sketch annexed hereto, hereby made a part hereof, and marked **Exhibit A-2** containing approximately 1,713 square feet, together with the fixtures, improvements and other property of the Port Authority located or to be located therein or thereon, all said space(s), fixtures, improvements and other property of the Port Authority hereinafter collectively referred to as the "Premises". **Exhibit A-1** is a general site plan of the Airport including the location of the Terminal. The Premises may include storage space on the operations level of the Terminal, if available, to be designated from time to time by the Port Authority in its sole discretion, which storage space may be shared with other tenants of the Port Authority and with respect to which there shall be no separate rental or fee imposed, nor shall any abatement to which the Lessee may be entitled under this Agreement apply to such storage space.

Section 3. Term

The term of the letting under this Agreement shall commence as of Date of Beneficial Occupancy and shall continue to and include eighty-four (84) months after the Rental Payment Start Date unless sooner terminated as provided herein. In the event that the Premises constitute more than one space to be operated under this Agreement, the term of this Agreement shall be determined based on eighty-four (84) months from the Rental Payment Start Date for the last of the spaces to be delivered, unless sooner terminated as provided herein (but in no event shall the term begin later than 90 days from the date the last space is delivered to Lessee for a retail concession space). The Term of this Lease will not extend beyond eighty-four (84) months from the Rental Payment Start Date for the Premises identified in Exhibit A-2 to this Lease, and the Term shall be unaffected by any other, additional or substituted space which may be described in an amendment to or modification of this Lease (unless such amendment or modification agreement expressly provides otherwise) or described in any other written communication which does not meet the requirements set forth in the first sentence of the second paragraph of the Section of this Agreement entitled "Entire Agreement".

Section 4. Rights of Use by the Lessee

The Lessee shall use the Premises for the following purpose only and for no other purpose whatsoever: for the operation of a full service bookstore displaying 8,000 to 10,000 titles in both hard cover and paperback along with book accessories such as book marks, book covers, book bags, book lights, magazines, journals, non-prescription reading glasses, travel guides and maps, calendars, downloadable book media and other electronic book media and greeting cards, and for no other use or purpose. The Lessee's initial list of products, as approved by the Port Authority, is set forth in **Schedule A** attached hereto and hereby made a part hereof, and such **Schedule A** may be amended from time to time with the written consent of the Port Authority, determined in its sole and absolute discretion.

The rights of the Lessee under this Section shall not be exclusive.

Section 5. Rental

(a) The Lessee agrees to pay the Port Authority a Basic Rental for the Premises at the rates and otherwise as provided in Item 1 of **Exhibit B** to this Agreement.

(b) The Lessee agrees to pay the Port Authority the Percentage Rental, if any, stated in Item 1 of **Exhibit B** to this Agreement.

(c) The time for making payments of rental and the method of computation and abatement thereof are set forth in Item 1 of **Exhibit B** to this Agreement.

(d) The Port Authority shall have the right to all revenues derived for or from all *Reserved Uses*.

Section 6. Obligations in Connection with any Percentage Rental

(a) If any rental hereunder is measured by a percentage of the Lessee's Gross Receipts, the Lessee shall:

(1) Take all reasonable measures in every proper manner to maintain, develop and increase the business conducted by it hereunder;

(2) Not divert or cause or allow to be diverted any business from the Terminal;

(3) Maintain, in accordance with accepted accounting practice, during the term of this Agreement, for one (1) year after the expiration or earlier termination thereof, and for a further period extending until the Lessee shall receive written permission from the Port Authority to do otherwise, records and books of account recording all transactions of the Lessee, at, through, or in any way connected with the Airport (which records and books of account are hereinafter to be called the "**Lessee's Records**"). The Lessee's Records shall be kept at all times within the Port of New York District;

(4) Allow in ordinary business hours during the term of this Agreement, for one (1) year thereafter, and during such further period as is mentioned in the preceding subparagraph (3), above, the examination and audit by the officers, employees and representatives of the Port Authority of (i) the Lessee's Records and (ii) also any records and books of account of any Affiliate of the Lessee if said entity performs services, similar to those performed by the Lessee, anywhere in the Port of New York District. The Lessee shall make available to the Port Authority within the Port of New York District for examination and audit by the Port Authority pursuant to this paragraph those records and books of account described in (i) which are not required by subparagraph (3) above to be kept at all times in the Port of New York District and those records and books of account described in (ii) above (all of the foregoing being hereinafter called the "**Other Relevant Records**" and the Lessee's Records and the Other Relevant Records being hereinafter collectively referred to as the "**Records**");

(5) Allow the inspection by the officers, employees and representatives of the Port Authority of any equipment used by the Lessee, including but not limited to cash registers and other point of sale systems;

(6) Furnish on or before the fifteenth (15th) day of each month following the commencement date of the letting, and on or before the fifteenth (15th) day of April of each calendar year, the statements described in Item 1 of **Exhibit B** hereto;

(7) Install and use such cash registers and other point of sale systems, sales slips, invoicing machines and any other equipment or devices for recording orders taken, or services rendered, as may be appropriate to the Lessee's business and necessary or desirable to keep accurate records of Gross Receipts;

(b) Without implying any limitation on the right of the Port Authority to terminate this Agreement for the breach of any term or condition thereof, the Lessee understands that compliance by the Lessee with the provisions of subparagraphs (3) and (4) of paragraph (a) above are of the utmost importance to the Port Authority in having entered into the Percentage Rental arrangement under this Agreement and in the event of the failure of the Lessee to maintain, keep within the Port of New York District or make available for examination and audit the Lessee's Records in the manner and at the times or location as provided in this Section then, in addition to all and without limiting any other rights and remedies of the Port Authority, the Port Authority may:

(1) Estimate the Gross Receipts of the Lessee on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Lessee and the Lessee's Percentage Rental based thereon to be payable to the Port Authority when billed; or

(2) If any such Records have been maintained outside of the Port of New York District, but within the Continental United States then the Port Authority in its sole discretion may (i) require such Records to be produced within the Port of New York District or (ii) examine such Records at the location at which they have been maintained and in such event the Lessee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit, or

(3) If any such Records have been maintained outside the continental United States then, in addition to the costs specified in subdivision (2)(ii) above, the Lessee shall pay to the Port Authority when billed all other costs of the examination and audit of such Records including without limitation salaries, benefits, travel costs and related expenses, overhead costs and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

(c) The foregoing auditing costs, expenses and amounts set forth in subparagraphs (2) and (3) of paragraph (b) above shall be deemed fees and charges under this Agreement payable to the Port Authority with the same force and effect as all other fees and charges thereunder.

(d) In the event that upon conducting an examination and audit as described in this Section the Port Authority determines that unpaid amounts are due to the Port Authority by the Lessee, the Lessee, shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount of five percent (5%) of each amount determined by the Port Authority audit findings to be unpaid. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefore by the Port Authority. Such service charge(s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Lessee under this Agreement or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge or late charges or other service charges payable under the provisions of this Section with respect to such unpaid amount. Each such service charge shall be and become additional rent, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the rental. Nothing in this paragraph is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Agreement, including, without limitation, the Port Authority's rights to terminate set forth in the Section of this Agreement entitled "Termination" or (ii) any obligations of the Lessee under this Agreement.

Section 7. Government Requirements

(a) The Lessee shall procure at its own cost and expense from all governmental authorities having jurisdiction over the operations of the Lessee at the Premises all licenses, certificates, permits or other authorization which may be necessary for the conduct of its operations, and shall maintain in full force and effect throughout the term hereof all the foregoing licenses, certificates, permits and authorizations.

(b) The Lessee shall pay all taxes, license, certification, permit and examination fees and excises which may be assessed, levied, exacted or imposed on its property or operation hereunder or on the Gross Receipts or income therefrom, and shall make all applications, reports and returns required in connection therewith.

(c) The Lessee shall promptly observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions, including without limitation all Environmental Requirements, which now or at any time during the term hereof may pertain or apply to the operations of the Lessee or the Premises or its occupancy thereof, and the Lessee shall, in accordance with and subject to the provisions of the Section of this Agreement entitled "*Construction by the Lessee*", make any and all structural and nonstructural improvements, alterations or repairs of the Premises that may be required at any time hereafter by any such present or future law, rule, regulation, requirement, order or direction. This paragraph (c) shall not require Lessee to make structural improvements, alterations, or repairs to the Premises which are also required to be made generally throughout the Terminal, unless the requirement to make such structural improvements, alterations, and repairs generally throughout the Terminal results from the particular operations of the Lessee in the Premises which are not common to other tenants at the Terminal.

(d) The obligation of the Lessee to comply with governmental requirements is provided herein for the purpose of assuring proper safeguards for the protection of persons and property on the Premises. Such provision is not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

Section 8. Rules and Regulations

The Lessee covenants and agrees to observe and obey (and to compel its officers, members, employees, agents, representatives, contractors, customers, guests, invitees and those doing business with it to observe and obey) the existing rules and regulations of the Port Authority for the government of the conduct and operations of the Lessee and others on the Premises (see **Exhibit R**), and such further reasonable rules and regulations as may from time to time during the letting be promulgated by the Port Authority for reasons of safety, health, preservation of property, noise, sanitation, good order, and the economic and efficient operation of the Airport. If a copy of **Exhibit R** is not attached, then the Port Authority will either deliver a copy thereof to Lessee upon receipt of its request therefor or will make a copy available at the office of the Secretary of the Port Authority. The obligation of the Lessee to require such observance and obedience on the part of its guests, invitees and business visitors shall obtain only while such persons are on the Premises.

The Port Authority agrees that, except in cases of emergency, it will give notice to the Lessee of every such further rule or regulation adopted by it at least ten (10) days before the Lessee shall be required to comply herewith.

Section 9. Various Obligations of the Lessee

(a) **Conduct of Operations.** The Lessee shall conduct its operations in an orderly and proper manner so as not to unreasonably annoy, disturb or be offensive to others at the Terminal. The Lessee shall take all reasonable measures to eliminate vibrations originating on the Premises tending to damage the Premises, or any equipment or structure or portion of the Terminal of which the Premises is a part, and to keep the sound level of its operations as low as possible. The Lessee shall use its best efforts to conduct all its operations at the Premises in a safe and careful manner, following in all respects the best practices of the Lessee's industry in the United States.

(b) **Lessee's Employees.** The Port Authority shall have the right to object to the Lessee regarding the conduct and demeanor of the employees of the Lessee whereupon the Lessee will immediately take all steps reasonably necessary to remove the cause of the objection.

(c) **Waste Disposal.** The Lessee shall remove from the Premises or otherwise dispose of in a manner approved by the General Manager of the Airport all garbage, debris or other waste materials (whether solid or liquid) arising out of its occupancy of the Premises or its operations thereat. Any such which may be temporarily stored in the open shall be kept in suitable garbage and waste receptacles, the same to be made of metal or other suitable material, and equipped with tight-fitting covers, and to be of a design safely and properly to contain whatever material may be placed therein. The Lessee shall use extreme care when effecting removal of all such waste materials, shall effect such removal at such times and by such means as first approved by the Port Authority. No such garbage, debris or other waste materials shall be thrown, discharged or deposited into or upon the waters at or bounding the Airport.

(d) **Employee Identification.** If requested by the Port Authority, the Lessee shall supply and shall require its employees to wear or carry badges or other suitable means of identification, which shall be subject to the prior and continuing approval of the General Manager of the Airport.

(e) **Food and Beverage Operations.** If the Lessee is permitted under this Agreement to sell food and/or beverages, it shall, in connection with any preparation, packaging, handling, storage, delivery and dispensing of such food and/or beverages, comply with the following:

(1) Its employees shall wear clean, washable uniforms and long-haired employees shall wear caps or nets. The employees shall be clean in their habits and shall thoroughly wash their hands before beginning work and immediately after each visit to the toilet and shall keep them clean during the entire work period. No person affected with any disease in a communicable form or who is a carrier of such disease shall work or be permitted to work for the Lessee.

(2) All food and beverages shall be clean, fresh, pure, of first-class quality and safe for human consumption.

(3) The Premises and all equipment and materials used by the Lessee shall at all times be clean, sanitary, and free from rubbish, refuse, dust, dirt, offensive or unclean materials, flies and other insects, rodents and vermin. All apparatus, utensils, devices, machines and piping used by the Lessee shall be constructed so as to facilitate the cleaning and inspection thereof and shall be properly cleaned after each period of use (which shall at no time exceed eight hours) with hot water and a suitable soap or detergent and shall be rinsed by flushing with hot water. Where deemed necessary by the Port Authority, final treatment by live steam under pressure or other sterilizing procedure shall be used. All trays, dishes, crockery, glassware, cutlery, and other equipments of such type shall be cleaned and sterilized immediately before using same.

(4) All packing materials, including but not limited to wrappers, stoppers, caps, enclosures and containers, shall be clean and sterile and shall be so stored as to be protected at all times from dust, dirt, flies and other insects, rodents, vermin, unsanitary handling and unclean materials.

It is intended that the standards and obligations imposed by this paragraph (e) shall be maintained or complied with by the Lessee in addition to its compliance with all applicable governmental laws, ordinances and regulations, and in the event that any of said laws, ordinances and regulations shall be more stringent than such standards and obligations, the Lessee agrees that it will comply with such laws, ordinances and regulations in its operations hereunder.

(f) Fire Extinguishing Equipment. From time to time and as often as reasonably required by the Port Authority, the Lessee shall conduct pressure, water-flow, and other appropriate tests of the fire extinguishing system and apparatus, fire-alarm and smoke detection systems and any other fire protection systems which constitute a part of the Premises. The Lessee shall keep in proper functioning order all fire-fighting equipment, fire-alarm and smoke detection equipment on the Premises and the Lessee shall at all times maintain on the Premises adequate stocks of fresh, usable chemicals for use in such systems, equipment and apparatus. The Lessee shall notify the Port Authority prior to conducting such tests. *If requested by the Port Authority, the Lessee shall furnish the Port Authority with a copy of written reports of such tests.*

(g) Minimization of Pollution. In addition to compliance by the Lessee with all laws, ordinances, governmental rules, regulations and orders now or at any time in effect during the term which as a matter of law are applicable to the operation, use or maintenance by the Lessee of the Premises or the operations of the Lessee under this Agreement (the foregoing not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them), the Lessee agrees that it shall exercise the highest degree of safety and care and shall conduct all its operations under this Agreement and shall operate and maintain the Premises and shall use the Premises in accordance with the highest standards and in such manner that there will be at all times a minimum of air pollution, water pollution or any other type of pollution and a minimum of noise emanating from, arising out of or resulting from the operation, use or maintenance of the Premises by the Lessee and from the operations of the Lessee under this Agreement. The Port Authority hereby reserves the right from time to time and at any time during the term of this Agreement to require the Lessee, and the Lessee agrees, to design and construct at its sole cost and expense such reasonable *equipment, devices and other facilities as may be necessary or appropriate to accomplish the objectives as set forth in the first sentence of this paragraph.* The manner, type and method of construction and the size and location of any of the foregoing shall be determined by the Port Authority. The Lessee shall submit for Port Authority approval its plans and specifications covering the required work and upon receiving such approval shall proceed diligently to construct the same. The obligations assumed by the Lessee under this paragraph shall not be relieved or diminished by the fact that the Port Authority shall have approved any construction application and supporting plans, specifications and contracts covering construction work, or that the Port Authority's recommendations or requirements have been incorporated therein. The Lessee's agreement to assume the obligations under this paragraph is a special inducement and consideration to the Port Authority in entering into this Agreement with the Lessee.

(h) Without limiting any other of the Lessee's obligations under this Agreement, the Lessee shall provide the General Manager of the Airport at the cost and expense of the Lessee with such information, documentation, records, correspondence, notices, reports, tests, results, and *certifications and any other information as the Port Authority shall request in connection with any Environmental Requirements or Environmental Damages, and the Lessee shall promptly acknowledge, swear to, sign or otherwise fully execute the same.* The Lessee agrees that any of the foregoing may be filed by the Port Authority with the appropriate governmental authority on behalf of the Lessee at the Lessee's cost and expense. Further, the Lessee agrees unless directed otherwise by

the Port Authority, to provide the General Manager of the Airport with copies of all information, documentation, records, correspondence, notices, certifications, reports, test results and all other submissions provided by the Lessee to a governmental authority and by a governmental authority to the Lessee within two (2) business days that the same are made available to or received by the Lessee with respect to any Environmental Requirements.

(i) In addition to and without limiting the generality of the obligations of the Lessee set forth above and elsewhere in the Agreement, the Lessee shall at its sole cost and expense, upon notice from the Port Authority, promptly take all actions to completely remove and remediate all Hazardous Substances on the Premises or the Airport which result from the Lessee's use and occupancy of the Premises, or which have been disposed of, released, discharged or otherwise placed on, under or about the Premises by or on behalf of the Lessee or as a result of its acts or omissions, during the term of the letting hereunder, and to cleanup and remediate all other Hazardous Substances on, about or under the Premises or which have migrated from the Premises to any adjoining property, which any federal, state or local governmental agency or political subdivision or any Environmental Requirement or any violation thereof require to be remediated, and to cleanup and remediate all Hazardous Substances necessary to mitigate Environmental Damages.

(j) Airport Concession Disadvantaged Business Enterprises ("ACDBE"). If Lessee is required to apply as an ACDBE with the Port Authority, please check here (X). Lessee shall immediately take all steps necessary to obtain such certification from the Port Authority on or before the Rental Payment Start Date. If the ACDBE participant is an individual or the individual is the sole owner of Lessee, the participating ACDBE percentage, as so certified, shall not be less than one hundred percent (100%) at all times during the Term hereof. If the ACDBE participant is a member/partner of a partnership with Lessee or joint venturer of a joint venture with Lessee, the participating ACDBE percentage, as so certified, shall not be less than thirty percent (30%) at all times during the Term hereof. Any change in the ownership structure involving the certified ACDBE participant must be reported in writing to the Port Authority immediately and in no event later than 30 days following any such change in ACDBE ownership status.

Section 10. Prohibited Acts

The Lessee shall not (a) commit any nuisance on the Premises, or do or permit to be done anything which may result in the creation or commission of a nuisance on the Premises; (b) cause or produce or allow to be caused or produced upon the Premises, or to emanate therefrom, any obnoxious odors or smokes, or noxious gases or vapors; (c) use the Premises for lodgings or sleeping purposes or for any immoral purposes; (d) install window shades or venetian blinds on the windows of the Premises unless and until the type, size and color of same shall have been previously approved in writing by the Port Authority; (e) do or allow to be done anything which may interfere with the effectiveness or accessibility of existing and future utilities systems or portions thereof on the Premises or elsewhere at the Terminal, including therein without limitation thereto systems for the supply of heat, water hot and cold, gas, electricity and fuel and for the furnishing of fire-alarm, fire-protection, sprinkler, sewage, drainage, air-conditioning, telephone, telegraph, tele-register, pneumatic-tube dispatch and inter-communications services, including lines, pipes, mains, wires, conduits and equipment connected with or appurtenant to all such systems, nor do or permit to be done anything which may interfere with free access and passage in the Premises, elsewhere in the Terminal or in the streets and sidewalk adjacent to the Terminal; (f) do or allow to be done anything which may interfere with the effectiveness or accessibility of elevators at the Terminal, including lines, pipes, wires, conduits and equipment connected with or appurtenant thereto; (g) overload any floor in the Premises; (h) place any furniture, machine or equipment over any expansion or contraction joint unless one end of such furniture, machine or equipment is free to allow expansion or contraction; (i) place any additional lock of any kind upon any window or interior or exterior door in the Premises unless a key therefor is delivered to the Port Authority, nor make any change in any existing door or window lock or the mechanism thereof, except with the prior written approval of the

[AMS BW Newark JV/Hudson Booksellers/Lease No. ANC-011]

Port Authority, and upon the expiration or sooner termination of the letting hereof, the Lessee shall surrender to the Port Authority any and all keys to interior and exterior doors on the Premises, whether said keys were furnished to or were otherwise procured by the Lessee, and in the event of the loss of any keys furnished by the Port Authority to the Lessee, the Lessee shall pay to the Port Authority on demand the cost of replacement thereof; (j) do or allow to be done any act or thing upon the Premises which (i) will invalidate or conflict with any fire insurance, extended coverage or rental insurance policies covering the Premises or any part thereof, or the Terminal, or any part thereof, or (ii) in the opinion of the Port Authority, may constitute an extra-hazardous condition, so as to increase the risks normally attendant upon the operations contemplated by the Section of this Agreement entitled "*Rights of Use by the Lessee*". The Lessee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the National Board of Fire Underwriters, the Fire Insurance Rating Organization of New Jersey, or of any other board or organization exercising or which may exercise similar functions, which may pertain or apply to the operations of the Lessee on the Premises, and the Lessee shall, subject to and in accordance with the provisions of the Section of this Agreement entitled "*Construction by the Lessee*", make any and all non-structural improvements, alterations or repairs of the Premises that may be required at any time hereafter by any such present or future rule, regulation, requirement, order or direction. If, by reason of any failure on the part of the Lessee to comply with the provisions of this subdivision, any fire insurance rate, extended coverage or rental insurance rate on the Premises or any part thereof, or on the Terminal or any part thereof, shall at any time be higher than it otherwise would be, then the Lessee shall pay to the Port Authority as an item of additional rental, on demand, that part of all insurance premiums paid by the Port Authority which shall have been charged because of such violation or failure by the Lessee; (k) unless the Port Authority provides its prior written consent, install, maintain or operate, or permit the installation, maintenance or operation on the Premises of any vending machine or device designed to dispense or sell food, beverages, tobacco products or merchandise of any kind, whether or not included in the above categories, or of any restaurant, cafeteria, kitchen, stand or other establishment of any type for the preparation, dispensing or sale of food, beverage, tobacco or tobacco products, or of any telephone pay-stations.

Section 11. Care, Maintenance, Rebuilding and Repair by the Lessee

(a) **Damage or Destruction of Premises by Lessee.** The Lessee shall repair, replace, rebuild and paint all or any part of the Terminal and the Premises, including therein, without limitation thereto, walls, partitions, floors, ceilings, columns, windows, doors, glass of every kind, fixtures, systems for the supply of heat, water hot and cold, gas, electricity and fuel and for the furnishing of fire-alarm fire-protection, sprinkler, sewerage, drainage, air-conditioning, telephone, tele-register, pneumatic-tube dispatch and intercommunication services, including lines, pipes, mains, wires, conduits and equipment connected with or appurtenant to all such systems, which may be damaged or destroyed by the acts or omissions of the Lessee, its officers or employees or of other persons on or at the Premises with the Lessee's consent, and shall pay to the Port Authority on demand the costs and expenses of the Port Authority to repair, replace, rebuild and paint all or any part of the Terminal and the Premises which may be damaged or destroyed by the acts or omissions of the Lessee or of its officers or employees or of other persons on or at the Premises with the Lessee's consent. All non-structural repair, replacement, rebuilding and painting shall be made or done by the Lessee and structural repair, replacement and rebuilding may be made or done by the Port Authority.

(b) **Lessee's Other Repair and Maintenance Obligations.** Except as expressly provided to the contrary herein with respect to structural repairs, the Lessee shall, throughout the term of this Agreement, assume the entire responsibility and shall relieve the Port Authority from all responsibility for repair, rebuilding and maintenance whatsoever in the Premises, whether such repair, rebuilding or maintenance be ordinary or extraordinary, partial or entire, inside or outside, foreseen or unforeseen, and without limiting the generality of the foregoing, the Lessee shall:

[AMS BW Newark JV/Hudson Booksellers/Lease No. ANC-011]

(1) Keep at all times in a clean and orderly condition and appearance the Premises and all the Lessee's fixtures, equipment and personal property which are located in any part of the Premises which is open to or visible by the general public.

(2) Take good care of the Premises, including therein, without limitation thereto, walls, partitions, floors, ceilings, columns, windows, doors, glass of every kind, fixtures and shall make or do all non-structural repairs, replacements, rebuilding and painting (the exterior of the Premises, if applicable, and areas visible to the general public to be painted only in colors which have been approved by the Port Authority) necessary to keep the Premises in the condition existing as of the commencement date of the letting and to keep all improvements and fixtures made or installed subsequent to the commencement date of the letting in the condition existing as of the date such improvements are made and such fixtures installed. All such repairs and replacements and other work to be done by the Lessee shall be done in quality and class not inferior to the original in materials and workmanship.

(3) Not lay any linoleum, asphalt tile or other such affixed floor covering in direct contact with the floor of the Premises. If the Lessee lays any linoleum, asphalt tile or other such affixed covering on the floor of the Premises, an interlining of builder's deadening felt shall first be affixed to the floor with water-soluble paste or other water-soluble material, the use of cement or other adhesive non-soluble paste or other water-soluble material, the use of cement or other adhesive non-soluble in water being expressly prohibited.

(4) Maintain and pay the premiums on a policy of plate and mirror glass insurance covering all plate and mirror glass which is a part of or located on or in the Premises.

The provisions of this paragraph (b) shall not be deemed to require the Lessee to make or do any repairs, replacements, rebuilding or painting to any portion of the Terminal other than the Premises where such portion of the Terminal is damaged or destroyed by the acts or omissions of persons other than the Lessee, its officers, directors, members (in their capacity of the limited liability entity), managers (in their capacity as managers of, and if, Lessee is a limited liability entity), partners (if Lessee is a partnership), employees, agents, representatives or contractors.

(c) Port Authority Right to Perform at Lessee's Cost. In the event the Lessee fails to commence so to make or do non-structural repair, replacements, rebuilding or painting within a period of ten (10) days after notice from the Port Authority so to do or fails diligently to continue to completion the repair, replacement, rebuilding or painting of all the Premises required to be repaired, replaced, rebuilt or painted by the Lessee under the terms of this Agreement, the Port Authority may, at its option, and in addition to any other remedies which may be available to it, repair, replace, rebuild or paint all or any part of the Premises included in the said notice, the cost thereof to be paid by the Lessee on demand.

(d) Damage to or Destruction of the Premises. If the Premises or any part thereof shall be destroyed or damaged as a result of any casualty, without the fault of the Lessee, its officers, members, employees, agents, representatives, contractors, or other persons at the Premises with the consent of the Lessee, so as to render it untenable in whole or part, then:

(1) If in the opinion of the Port Authority the necessary repairs or rebuilding can be completed within ninety (90) days after the occurrence of the damage, the Port Authority shall repair or rebuild with due diligence, and the rental hereunder shall, if so provided in Item 1 of Exhibit B, be abated only for the period from the occurrence of the damage to the completion of the repairs or rebuilding, whether or not the work or repair or rebuilding is actually completed within the said ninety (90) days; or

(2) If in the opinion of the Port Authority such repairs or rebuilding cannot be completed within ninety (90) days after the occurrence of the damage or if the entire Premises require rebuilding, then the Port Authority shall have options:

(i) to proceed with due diligence to repair or to rebuild as necessary; or

(ii) to terminate the letting as to the damaged portion of the Premises only, or

(iii) to cancel this Agreement and terminate the letting as to the entire Premises; and the rental hereunder shall, if so provided in Item 1 of Exhibit B, be abated, either, as the case may require, for the period from the occurrence of the damage to the completion of repairs and rebuilding or for the period from the occurrence of the damage to the effective date of termination.

(e) **Removal of Property and/or Debris.** In the event of a partial or total destruction of the Premises, the Lessee shall immediately remove any and all of its property and/or debris from the Premises or the portion thereof destroyed and if the Lessee does not promptly so remove, the Port Authority may remove such property to a public warehouse for deposit or retain the same in its own possession and sell the same at public auction, the proceeds of which shall be applied first to the expenses of removal, storage and sale, second to any sums owed by the Lessee to the Port Authority, with any balance remaining to be paid to the Lessee; if the expenses of such removal, storage and sale shall exceed the proceeds of sale, the Lessee shall pay such excess to the Port Authority upon demand.

(f) The parties hereby stipulate that if the Premises are in the State of New Jersey neither the provisions of Titles 46:8-6 and 46:8-7 of the Revised Statutes of New Jersey nor those of any other similar statute shall extend or apply to this Agreement.

Section 12. Indemnity; Liability Insurance

(a) (1) The Lessee shall indemnify and hold harmless the (i) Port Authority and its Commissioners, officers, agents and employees (individually and collectively, "**PA Indemnitees**") and (ii) Westfield Concession Management, LLC (or any concession manager at the Terminal as designated by the Port Authority, if any) and its officers, directors, agents, affiliates, parent corporations, employees, members (in their capacity of the limited liability entity) (individually and collectively, "**Concession Manager Indemnitees**") (PA Indemnitees and Concession Manager Indemnitees being collectively referred to as "**Protected Indemnitees**") from and against (and shall reimburse the Protected Indemnitees for the Protected Indemnitees' costs and expenses including, without limitation, legal expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death, for personal injuries, or for property damages, arising out of any default of the Lessee in performance or observance of any term or provision of this Agreement, or out of the use or occupancy of the Premises by the Lessee or by others with its consent, or out of any of the acts or omissions of the Lessee, its officers, directors, members (in their capacity of the limited liability entity), managers (in their capacity as managers of, and if, Lessee is a limited liability entity), partners (if Lessee is a partnership), employees, agents, representatives, contractors, subcontractors, customers, guests, invitees and other persons doing business with it where such acts or omissions are on the Premises or arising out of any acts or omissions of the Lessee, its officers, directors, members (in their capacity of the limited liability entity), managers (in their capacity as managers of, and if, Lessee is a limited liability entity), partners (if Lessee is a partnership), employees, agents, contractors, subcontractors and representatives where such acts or omissions are elsewhere at the Airport, including claims and demands of the City of Newark from which the Port Authority derives its rights in the Airport for

indemnification arising by operation of law or through agreement of the Port Authority with said City.

(2) If so directed, the Lessee shall at its own expense defend any suit based upon any such claim or demand (even if such claim or demand is groundless, false or fraudulent), and in handling the same it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

(b) (1) In addition to the obligations set forth in paragraph (a) of this Section and all other insurance required under this Agreement, during the term of this Agreement, the Lessee, in its own name as insured and including the Protected Indemnitees as additional insureds, shall maintain a policy or policies of Commercial General Liability Insurance, including premises-operations and products-completed operations and covering bodily-injury liability, including death, and property damage liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage not less than the limits set forth in Item 2 of **Exhibit B** hereof. Further, the Lessee shall maintain Workers' Compensation and Employers Liability Insurance in accordance with applicable State law for those employees of the Lessee employed in operations conducted pursuant to this Agreement at or from the Airport.

(2) In the event the Lessee maintains the foregoing insurance in limits greater than set forth in Item 2 of **Exhibit B** hereof, the Protected Indemnitees shall be included therein as an additional insured to the full extent of all such insurance in accordance with all terms and provisions of this Agreement.

(3) Each policy of insurance, except for the Workers' Compensation and Employers Liability Insurance policies, shall also contain an ISO standard "separation of insureds" clause or a cross liability endorsement providing that the protections afforded the Lessee thereunder with respect to any claim or action against the Lessee by a third person shall pertain and apply with like effect with respect to any claim or action against the Lessee by the Port Authority Indemnitees or the Concession Manager Indemnitees and any claim or action against the Port Authority Indemnitees or Concession Manager Indemnitees, by the Lessee, as if the Port Authority Indemnitees or Concession Manager Indemnitees, as applicable, were the named insured thereunder, but such clause or endorsement shall not limit, vary, change or affect the protections afforded the Protected Indemnitees thereunder as additional insureds. Each policy of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Lessee under the provisions of this Agreement, including without limitation this Section.

(4) All insurance coverages and policies required under this paragraph (b) may be reviewed by the Port Authority for adequacy of terms, conditions and limits of coverage at any time and from time to time during the term of the letting under this Agreement. The Port Authority may, at any such time, require additions, deletions, amendments or modifications to the said insurance requirements, or may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem required and the Lessee shall promptly comply therewith.

(5) Each policy shall contain a provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' written advance notice thereof to the Port Authority. Each policy shall contain a provision or endorsement that the insurer "shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents

or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority." The foregoing provisions or endorsements shall be recited in each policy or certificate to be delivered pursuant to the following subparagraph (6).

(6) A certified copy of each policy or a certificate or certificates of insurance evidencing the existence thereof, or binders, shall be delivered to the Port Authority upon execution and delivery of this Agreement by the Lessee to the Port Authority, with a photocopy to be delivered to Westfield Concession Management, LLC (or any concession manager at the Terminal as designated by the Port Authority, if any). In the event any binder is delivered it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate of insurance. Any renewal policy shall be evidenced by a renewal certificate of insurance delivered to the Port Authority at least seven (7) days prior to the expiration of each expiring policy, except for any policy expiring after the date of expiration of this Agreement, with a photocopy to be delivered to Westfield Concession Management, LLC (or any concession manager at the Terminal as designated by the Port Authority, if any). The aforesaid insurance shall be written by a company or companies approved by the Port Authority. If at any time any insurance policy shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policy shall be or become unsatisfactory to the Port Authority, the Lessee shall promptly obtain a new and satisfactory policy in replacement. *If the Port Authority at any time so requests, a certified copy of each policy shall be delivered to or made available for inspection by the Port Authority.*

(7) The foregoing insurance requirements shall not in any way be construed as a limitation on the nature or extent of the contractual obligations assumed by the Lessee under this Agreement. The foregoing insurance requirements shall not constitute a representation or warranty as to the adequacy of the required coverage to protect the Lessee with respect to the obligations imposed on the Lessee by this Agreement or any other agreement or by law.

(8) The Lessee shall include in each of its insurance policies covering loss, damage or destruction by fire or other casualty a waiver of the insurer's right of subrogation against the Port Authority or, if such waiver should be obtainable or unenforceable, (i) an express agreement that such policy shall not be invalidated if the insured waives before the casualty right of recovery against any party responsible for a casualty covered by such policies, or (ii) any other form of permission for the release of the Port Authority.

(9) *The Lessee hereby releases the Protected Indemnitees with respect to any claim which it might otherwise have against any of them for loss, damage or destruction with respect to its property (including business interruption) occurring during the term of the letting under this Agreement and with respect and to the extent to which it is insured under a policy or policies containing a waiver of subrogation or permission to release liability as provided in subparagraph (8), above.*

Section 13. Sales and Services by the Lessee

(a) A principal purpose of the Port Authority in entering into this Agreement is to have available for travelers and other users of the Terminal, all other members of the public, and persons employed at the Terminal, the merchandise and/or services which the Lessee is permitted to sell and/or render hereunder, all for the better accommodation, convenience and welfare of such individuals and in fulfillment of the Port Authority's obligations to operate facilities for the use and benefit of the public, and the Lessee agrees that it will conduct a first class operation and will furnish and install all necessary or proper equipment, fixtures, improvements (subject to the provisions of the Section of this Agreement entitled "*Construction by the Lessee*"), personnel, supplies, materials and other facilities and replacements therefor and all such fixtures and improvements (except trade fixtures removable without injury to the Premises) shall on installation become the property of the Port Authority and a part of the Premises, provided, however, that the Port Authority shall have the

[AMS BW Newark JV/Hudson Booksellers/Lease No. ANC-011]

option, exercisable by notice delivered to the Lessee on or before a date sixty (60) days after expiration or termination hereof, to require the Lessee to remove any or all such fixtures, equipment and improvements and to restore the Premises to the condition thereof prior to any installation and in the event of a failure on the part of the Lessee so to remove and restore, the Port Authority may do so, and the Lessee shall pay the cost thereof to the Port Authority on demand. All equipment, fixtures and improvements to be used in the Premises and the installation thereof shall be subject to the prior written approval of the Port Authority as to type and quality. The Port Authority may by written authorization allow the Lessee to enter and occupy the Premises, prior to the commencement date of the letting stated or referred to in the Sections of this Agreement entitled "*Term*" and "*Letting Postponed*", respectively, solely for the purpose of installing fixtures and making improvements. In the event that the Lessee receives such written authorization the Lessee shall use and occupy the Premises in accordance with and shall be subject to all the provisions of this Agreement other than those relating to the conducting of a business and the payment of rental.

(b) The Lessee shall furnish good, prompt and efficient service hereunder, adequate to meet all demands therefor at the terminal; shall furnish said service on a fair, equal and non-discriminatory basis to all users thereof; and shall charge fair, reasonable and non-discriminatory prices for all items and/or services which it is permitted to sell and/or render hereunder.

(c) The Lessee shall comply with the Port Authority Aviation Department Street Pricing Policy. In connection therewith, the Lessee shall not charge prices to its customers in excess of "**Street Prices**", which for purposes of this Agreement is defined as follows:

(1) If the Lessee conducts a similar business to the business operation permitted under this Agreement in off-Airport location(s) in the Greater New York City – Northern New Jersey Metropolitan Area (herein referred to as the "**Metro Area**"), "**Street Prices**" shall mean the average price regularly charged by the Lessee for the same or similar item in such Metro Area location;

(2) If the Lessee does not conduct a similar business to the business operation permitted under this Agreement in off-Airport location(s) in the Metro Area, "**Street Prices**" shall mean the average price regularly charged in the Metro Area by similar retailers for the same or similar item; and

(3) If neither the Lessee nor other similar retailers sell a particular item in the Metro Area, "**Street Prices**" shall mean the average price regularly charged by the Lessee or similar retailers for the same or similar item in any other geographic area, with a reasonable adjustment for any cost of living variance between such area and the Metro Area.

(4) If the Lessee is engaged in the business of selling duty-free goods, "**Street Prices**" shall mean the price regularly charged by the Lessee or similar retailer for the same or similar duty-free item at other urban airports in the Northeast region of the United States, including but not limited to John F. Kennedy International Airport, New York, New York.

For purposes of clarification, for purposes of this *Section 13(c)*, Metro Area shall have the same meaning as "**Port of New York District**".

The Lessee's breach of the aforesaid Street Pricing policy shall be deemed a material breach of the Lessee's obligations under this Agreement.

(d) The Lessee shall post in each sales area (including any temporary sales space) a notice in form and substance satisfactory to the Port Authority notifying the public that the Lessee subscribes to a "**Street Pricing Policy**", such notice to be clearly visible and unobstructed. If the Lessee charges any price to a customer in excess of the price which would satisfy the "**Street**

Pricing Policy” in violation of its obligations under this Agreement, the amount of such excess shall constitute an overcharge which shall, upon demand by the Port Authority or the Lessee’s customer, be promptly refunded to the customer.

(e) The Lessee shall submit to the Port Authority from time to time (and not less than annually), a current pricing survey and report demonstrating compliance by the Lessee with the aforementioned pricing requirements. For purposes of establishing the Street Price of an item, any difference in the size or quality of a product or service shall constitute a price differential.

(f) The Lessee shall be open for and shall conduct business and furnish services seven (7) days a week, or for such other hours and days as the General Manager of the Airport, from time to time by notice to the Lessee, may determine in his/her sole and absolute discretion shall properly serve the needs of the public. The determination of proper business hours and days made by the Port Authority shall be controlling. At the time of execution of this Agreement, required operating hours at the Terminal shall be as follows:

- (1) Food and beverage – 6:30 a.m. to thirty (30) minutes after the last flight departs from the Terminal; all coffee operations to be open 5:30 a.m. to 10:00 p.m.;
- (2) News – 6:00 a.m. to 10:00 p.m.;
- (3) Retail – 6:30 a.m. to 10:00 p.m.;
- (4) Duty free – 6:00 a.m. to thirty (30) minutes after the last international flight departs from the Terminal; and
- (5) Services – 6:30 a.m. to 10:00 p.m.

Section 14. Signs

(a) Except with the prior written consent of the Port Authority, the Lessee shall not erect, maintain or display any signs or any advertising at or on the exterior parts of the Premises or in the Premises so as to be visible through the windows or exterior doors thereof. Interior and exterior signs affecting public safety and security shall be in accordance with established Port Authority standards.

(b) Upon the expiration or termination of the letting, the Lessee shall remove, obliterate or paint out, as the Port Authority may direct, any and all signs and advertising on the Premises or elsewhere at the Terminal if pertaining to the Lessee, and in connection therewith shall restore the Premises and the Terminal to the same condition as existing prior to the installation of any such signs or advertising. In the event that there is a failure by the Lessee so to remove, obliterate or paint out each and every sign or advertising and so to restore the Premises and the Terminal, the Port Authority may, at its option, perform the necessary work at the expense of the Lessee, and the charge therefor shall be paid by the Lessee to the Port Authority on demand.

Section 15. Services and Utilities

(a) General

(1) Except as provided in this Section, the Port Authority shall not be obligated to perform or furnish any services or utilities whatsoever in connection with this Agreement or the use and occupancy of the Premises. Further, the Lessee acknowledges and agrees that reference in this Section to services and utilities shall not include telephone or any form of data or information transmission service, which shall be the responsibility of Lessee to obtain at its sole cost and expense.

(2) The Port Authority's obligation to provide or continue any service or utility hereunder shall be limited by the safe and efficient operating capacity of the existing equipment, systems, piping systems, tie-ins, wires and conduits serving the Terminal and no approval given by the Port Authority to the erection by the Lessee of any improvement or to the installation of any fixtures or equipment shall be deemed to impose upon the Port Authority any obligation to increase the said operating capacity of any existing or presently contemplated equipment, systems, piping systems, tie-ins, wires or conduits.

(3) The Lessee understands that the Port Authority and the airline lessees (as defined in the Section of this Agreement entitled "Definitions") by its and their respective officers, employees, agents, representatives or contractors or by the furnishers of utilities or other services to the Premises or to others at the Airport shall have the right to temporarily discontinue the supply of any of the services described herein in order to allow repair, alterations, changes or improvements in the Premises or elsewhere at the Airport including all systems for the supply of services for the benefit of the Lessee or for the benefit of others than the Lessee at the Airport.

(4) The Port Authority shall be under no obligation to supply services if and to the extent and during any period that the supplying of any such service or the use of any component necessary therefor shall be prohibited or rationed by any federal, state or municipal law, rule, regulation, requirement, order or direction and if the Port Authority deems it in the public interest to comply therewith even though such law, rule, regulation, requirement, order or direction may not be mandatory on the Port Authority as a public agency. The Port Authority shall not be obligated to perform or furnish any service whatsoever in connection with the Premises at any time while the Lessee wastes any of the said services or shall be in default under this Agreement after the period, if any, herein granted to cure such default shall have expired, or has breached any of the provisions of this Agreement after the period, if any, herein granted to cure such default shall have expired and the Port Authority may cease performance. If by operation of this Section any service for which the Lessee has agreed to pay a flat sum is discontinued for any period of the letting, the Lessee shall be relieved of its obligation to pay for such service for any such period or if any such service is supplied during fewer hours or in lesser amounts than agreed during any period of the letting, the Lessee shall be relieved proportionately of its obligation to pay for any such service for any such period.

(5) No failure, delay, interruption or curtailment in supplying agreed services (whether or not a separate charge is made therefor) shall be or be construed to be an eviction (actual or constructive) of the Lessee or grounds for any diminution or abatement of rental, or shall be grounds for any claims by the Lessee for damages, consequential or otherwise, against the Port Authority, or its officers, employees or agents. The Lessee shall not be entitled to receive any of the above services during any period during which the Lessee wastes any of the said services or is in default under any of the provisions of this Agreement.

(b) Electricity and Gas. The Lessee shall receive electricity and gas to the extent of the capability of existing or upgraded facilities, and the Lessee agrees to take electricity and gas, as follows.

(1) For use on and in the Premises, electricity and gas shall be provided to the Lessee either from the Port Authority, or the relevant airline lessee pursuant to the relevant Airline Leases, as the case may be. However, the Port Authority anticipates a modernization program to the facilities for electricity and gas. In connection with the modernization of the facilities, the Port Authority reserves the right to either check meter such utilities or arrange for the appropriate utility company to directly invoice the Lessee for such electricity and gas consumed by Lessee in the Premises, if that option becomes available with such modernization.

(2) The Lessee shall take electricity of the same voltage, phase and cycle as supplied by the public utility through existing wires, conduits and outlets at the Premises. The Lessee shall be solely responsible for transforming the electricity supplied to such voltage, phase and frequency as it desires, for the distribution and handling of such electricity within its Premises and for making all connections and tie-ins to the point or points in the Premises designated by the Port Authority or relevant airline lessee.

(c) **Extermination Service.** In the event the Port Authority shall provide extermination service for the enclosed areas of the Premises, the Lessee agrees to utilize the same and to pay its pro rata share of the cost thereof upon demand. This paragraph does not impose any obligation on the Port Authority to furnish such service. If the Port Authority does not provide such service, Lessee, at its sole cost and expense, shall, at such intervals as the Port Authority may require, contract directly with such service designated by the Port Authority that performs the service for the Port Authority in the Terminal in order to provide continuity and consistency in such service.

(d) **High Temperature Water.**

(1) For use on and in the Premises (as applicable), the Lessee shall be provided high temperature water at no additional charge from either the Port Authority, or the relevant airline lessee pursuant to the relevant Airlines Leases, as the case may be, and the Lessee shall take, as needed for Lessee's operations, the following: (i) high temperature water for heating purposes in reasonable quantities at a temperature of approximately 130 degrees F.; and (ii) high temperature water for domestic hot water purposes.

(2) The Lessee's obligation to distribute and handle the high temperature water provided hereunder within its Premises, and for making all connections and tie-ins to the point or points in the Premises designated by the Port Authority or the relevant airline lessee shall fully apply in the same way as it applies for electricity and gas, as hereinabove described.

(e) **Chilled Water.**

(1) For use on and in the Premises (as applicable), the Lessee shall be provided chilled water at no additional charge from either the Port Authority, or the relevant airline lessee pursuant to the relevant Airlines Leases, as the case may be, and the Lessee shall take, as needed for Lessee's operations, through existing pipes, mains and fittings, for the following purposes: (i) for air cooling purposes, at a temperature and with other characteristics as determined by the Port Authority; and (ii) for domestic cold water purposes only.

(2) The Lessee's obligation to distribute and handle the chilled water provided hereunder within its Premises, and for making a connections and tie-ins to the point or points in the Premises designated by the Port Authority or the relevant airline lessee shall fully apply in the same way as it applies for electricity and gas, as hereinabove described.

(3) Without limiting the generality of rights of entry upon the Premises elsewhere in this Agreement reserved to the Port Authority (or the relevant airline lessee, as the case may be, in accordance with the relevant Airline Lease), the Port Authority (and the relevant airline lessee, as the case may be, in accordance with the relevant Airline Lease) shall have, for itself, its officers, employees, agents, representatives, contractors and subcontractors, the right to enter upon the Premises at all times to construct, install, maintain, replace, repair or improve the air-cooling system or any part thereof. Such air-cooling shall be furnished subject to all the provisions of this Agreement (including the remaining provisions of this Section) and in accordance with the following:

(4) If the air-cooling on the Premises can be controlled by mechanisms within the Premises or portions thereof, the Lessee shall shut off the air-cooling before closing and

leaving any particular portion of the Premises at any time for any period. The Port Authority shall have the right to enter the Premises for the purpose of observing the Lessee's compliance with the provisions hereof and the Port Authority may lock, seal or install any timing device on or in connection with any air-cooling control mechanism so as to provide that each portion of the Premises shall only be air-cooled during the hours and days stipulated hereunder.

(5) If the Lessee in accordance with this Agreement erects any partitions or makes any improvements, which partitions or improvements stop, hinder, obstruct or interfere with the cooling of the air or the heating of the Premises, then no such action by the Lessee shall impose any obligation on the Port Authority to install facilities, fixtures or equipment for air-cooling or for heating additional to those presently existing or presently contemplated or to increase the capacity or output of existing or presently contemplated facilities, equipment or fixtures and the Lessee shall not in any such event be relieved of any of its obligations hereunder because a comfortable temperature is not maintained. No approval given by the Port Authority to the erection of partitions or the making of any improvements shall be or be deemed to be a representation that the work approved of will not stop, hinder, obstruct or interfere with either the cooling of the air or the heating of the Premises or any portion thereof.

(6) *The Lessee shall not waste or dissipate the air-cooling or heating service by any act or omission including but not limited to the permitting of outside doors or windows to remain open. Without otherwise affecting the Port Authority's rights or remedies in the event of any breach by the Lessee of its obligations under this subdivision, the Port Authority shall have the right to discontinue the said heating or air-cooling service during any period of such waste or dissipation and any failure of the Port Authority to supply any such service under such conditions shall not affect any of the Lessee's obligations under this Agreement. It is hereby understood further that the installation by the Lessee of any equipment which itself requires air-cooling or which requires additional quantities of air-cooling at the portion of the Premises where such equipment is installed, or the concentration in any portion of the Premises of such a number of people so as to require additional quantities of air-cooling, shall not impose any obligation on the Port Authority to increase the capacity or output of initially existing facilities, equipment or fixtures for the supply of chilled water and the Lessee shall not in any such event be relieved of any of its obligations hereunder.*

(f) **Obligation to Maintain Systems.** Without limiting or affecting any other term or provision of this Agreement, the Lessee shall be solely responsible for the operation of all equipment, systems, piping systems, tie-ins, utilities, lines and connections, mechanical, electrical, communications and other systems operating or located in the Premises and shall do all preventative maintenance and make all repairs, replacements, rebuilding and painting necessary to keep such systems (whether same involves structural or non-structural work) in the condition they were in when made or installed except for reasonable wear which does not adversely affect the watertight condition or structural integrity of the Terminals or adversely affect the efficient or proper utilization or appearance of any part of the Premises. In the event the Lessee retains a maintenance contractor for such work it shall secure the Port Authority's prior approval for said proposed contractor. Notwithstanding the foregoing and without otherwise limiting the generality thereof, the Lessee's obligations hereunder shall extend to and include cleaning of the supply and exhaust louvers on the Premises. To the extent necessary for the Lessee to have the benefit of any warranties and guarantees under existing contracts covering items and systems identified in this paragraph in fulfilling its obligations hereunder and on condition that such contracts permit it and the Port Authority's interests are not adversely affected in any way and to any extent, the Port Authority shall enable the Lessee to have recourse to such warranties and guarantees.

(g) **Drainage and Exhaust.** Without in any way limiting the Lessee's other obligations under this Agreement, the Lessee shall supply, replace, install, repair, maintain and keep clean all grease traps in all drainage pipes exclusively used in operations at the Premises whether such pipes are located on the Premises or elsewhere at the Terminal. The Lessee shall also keep clean,

repair and maintain (other than structurally) all kitchen exhaust ducts including the replacement of all filters where such ducts are exclusively used by it in such operations and whether such ducts are located on the Premises or elsewhere at the Terminal. As part of the Lessee's maintenance responsibilities, the hood and ventilation system servicing the Premises shall be cleaned and maintained, from inside the unit through the ductwork to the roof top fan, on a monthly basis and at the Lessee's sole cost and expense. Written documentation of this work shall be supplied to the Port Authority on or before the seventh (7th) day of each calendar month, relating to servicing during the preceding calendar month. In addition, should any corrective work be necessary for any portion of the hood and ventilation system, the Lessee shall be responsible for the immediate repair and costs therefor, whether such repair is required inside the unit or outside the unit.

(h) Other Governmental Actions. If any federal, state, municipal or other governmental body, authority or agency or any public utility assesses, levies, imposes, makes or increases any charge, fee or rent on the Port Authority for any service, system or utility now or in the future supplied to or available to the Premises or to any occupants or users thereof or to the structure or building of which the Premises form a part (including but not limited to any rent or charge for the use of the sewer systems), the Lessee shall, at the option of the Port Authority exercised at any time and from time to time by notice to the Lessee, pay in accordance with the said notice, such charge, fee or rent or increase thereof (or the portion thereof allocated by the Port Authority to the Premises or the operations therein) either directly to the governmental body, authority or agency or to the public utility or directly to the Port Authority or the airline lessee, as required.

(i) Washrooms. The Lessee shall be furnished, without additional charge, non-exclusive toilet and washroom facilities for the employees of the Lessee if toilet and washroom facilities are not a part of the Premises.

Section 16. Construction by the Lessee

(a) Except as hereinafter expressly provided, the Lessee shall not erect any structures, make any improvements or do any other construction work on the Premises or elsewhere at the Terminal, or alter, modify or make additions, improvements or repairs to or replacements of any structure now existing or built at any time during the letting, or install any fixtures (other than trade fixtures, removable without material injury to the freehold, any such damage to be immediately repaired by the Lessee) without the prior written consent of the Port Authority. In the event any construction, improvement, alteration, modification, addition, repair or replacement is made without such written approval of the Port Authority, then, upon notice given at any time during the letting or within sixty (60) days after expiration or termination of the term of the letting, the Lessee will remove the same, or, at the option of the Port Authority, cause the same to be changed to the satisfaction of the Port Authority. In case of any failure on the part of the Lessee to comply with such notice, the Port Authority may effect the removal or change, and the Lessee shall pay the cost thereof to the Port Authority on demand.

(b) In the event that Item 4 of **Exhibit B** provides that the Lessee is required (or is permitted to) build a structure or make repairs, alterations, improvements or additions to the Premises, the structure, repairs, alterations improvements or additions described in the said Item 4 shall be built or made strictly in accordance with the following terms and conditions:

(1) The Lessee shall, to the extent allowed under the law, be the insurer of the Port Authority, its Commissioners, officers, agents and employees, against the following distinct and several risks, whether they arise from the acts or omissions of the Lessee, of the Port Authority, its Commissioners, officers, agents and employees or of third persons, or from acts of God or of the public enemy, or otherwise, excepting only risks which result solely from affirmative, willful acts done by the Port Authority subsequent to the commencement of the work of construction, repair, alteration, improvement or addition.

[AMS BW Newark JV/Hudson Booksellers/Lease No. ANC-011]

(i) The risk or loss or damage to all such required repairs, alterations, additions, improvements, or structures prior to the completion thereof. In the event of such loss or damage, the Lessee shall forthwith repair, replace and make good the work without cost to the Port Authority.

(ii) The risk of death, injury or damage, direct or consequential, to the Port Authority, its Commissioners, officers, agents and employees, and to its or their property, arising out of or in connection with the performance of the work. The Lessee shall indemnify the Port Authority, its Commissioners, officers, agents and employees, for all such deaths, injuries and damages, and for all loss suffered by reason thereof.

(iii) The risk of claims and demands, just or unjust, by third persons against the Port Authority, its Commissioners, officers, agents and employees, arising or alleged to arise out of the performance of the work. The Lessee shall indemnify the Port Authority, its Commissioners, officers, agents and employees against and from, and shall reimburse the Port Authority for, costs or expenses incurred by it in connection with the defense, settlement or satisfaction of all such claims and demands.

(2) All work done pursuant to this Section shall be done in accordance with drawings and specifications to be submitted to and approved by the Chief Engineer of the Port Authority prior to the commencement of the work, shall be done to his satisfaction and shall be subject to his inspection during the progress of such work and after completion thereof; and the Lessee shall re-do or replace at its own expense any work not approved by the said Chief Engineer. Unless otherwise expressly provided herein, all workmanship and materials are required to be first class.

(3) The Lessee shall pay all claims lawfully made against it by its contractors, subcontractors, materialmen and workmen and all claims lawfully made against it by other third persons arising out of or in connection with or because of the performance of the work and shall cause its contractors and subcontractors to pay all such claims lawfully made against them.

(4) The Lessee shall procure and maintain comprehensive public liability insurance, or, if the work is to be done by an independent contractor, the Lessee shall require such contractor to procure and maintain such insurance in the name of the contractor, in either case, in limits not lower than those set forth for such categories of insurance in Item 5 of **Exhibit B**.

(5) As soon as such structure, repair, alteration, improvement or addition shall have been completed to the satisfaction of the Chief Engineer of Port Authority, then (subject to the provisions of the following subdivision (c)) title thereto shall immediately and without execution of any further instrument vest in the Port Authority, and every said structure and all such repairs, alterations, improvements or additions, shall thereupon become and thereafter be part of the Premises (said vesting of title does not apply to Lessee's movable trade fixtures and other items of Lessee's personal property).

(c) The Port Authority shall have the option, exercisable by notice delivered on or before a date sixty (60) days after expiration, cancellation or termination hereof, to require the Lessee to remove any or all such structures, alterations, improvements or additions, and to restore the Premises to the condition thereof prior to the construction or installation thereof. In the event of a failure on the part of the Lessee so to remove and restore, the Port Authority may do so, and the Lessee shall pay the cost thereof to the Port Authority on demand.

Section 17. Injury and Damage to Person or Property

The Port Authority shall not be liable to the Lessee, or to any person, for injury or death to any person or persons whomsoever, or damage to any property whatsoever at any time in the Premises or elsewhere in the Terminal, including but not limited to any such injury, death or damage from falling material, water, rain, hail, snow, gas, steam, and/or electricity, whether the same may leak into, or fall, issue, or flow from any part of the Terminal, or from any other place or quarter.

Section 18. Additional Rent and Charges

(a) If the Port Authority has paid any sum or sums or has incurred any obligation or expense (including, without limitation, payments to third persons and internal Port Authority costs and expenses) which the Lessee has agreed to pay or reimburse the Port Authority for, or if the Port Authority is required or elects to pay any sum or sums or incurs any obligation or expense (including, without limitation, payments to third persons and internal Port Authority costs and expenses) by reason of the failure, neglect or refusal of the Lessee to perform or fulfill any one or more of the conditions, covenants or agreements contained in this Agreement or as a result of an act or omission of the Lessee contrary to the said conditions, covenants and agreements, the Lessee agrees to pay the sum or sums so paid or the expense so incurred, including all interest, costs, damages and penalties, and the same may be added to any installment of rent thereafter due hereunder, and each and every part of the same shall and become additional rent, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the Basic Rental, or if there is no Basic Rental as a part of the Percentage Rental, all as set forth in the Section of this Agreement entitled "*Rental*".

(b) For all purposes under this Section and in any suit, action or proceeding of any kind between the parties hereto, any receipt showing any payment of sum or sums by the Port Authority for any work done or material furnished shall be prima facie evidence against the Lessee that the amount of such payment was necessary and reasonable. Should the Port Authority elect to use its own operating and maintenance staff in making any repairs, replacements and/or alterations and to charge the Lessee with the cost of same, any time report of any employee of the Port Authority showing hours of labor or work allocated to any such repair, replacement and/or alteration, or any stock requisition of the Port Authority showing the issuance of materials for use in the performance thereof, shall likewise be prima facie evidence against the Lessee that the amount of such charge was necessary and reasonable.

Section 19. Application of Payments; Accord and Satisfaction

All payments received by the Port Authority shall be credited and be deemed to be on account of the rentals and other charges then first due. No statements or endorsements on any check or any letter accompanying any check or payment of rentals or other charges shall be deemed an accord and satisfaction of any debt or obligation of the Lessee hereunder. The Port Authority reserves the right to accept any check or payment without prejudicing in any way the Port Authority's right to recover the balance of any and all rentals and other charges due from the Lessee after receipt of any such check or payment or to pursue any other remedy provided herein or by law.

Section 20. Rights of Entry Reserved

(a) The Port Authority by its officers, employees, agents, representatives and contractors shall have the right at all reasonable times to enter upon the Premises for the purpose of inspecting the same for observing the performance by the Lessee of its obligations under this

Agreement, and for the doing of any act or thing which the Port Authority may be obligated or have the right to do under this Agreement or otherwise.

(b) Without limiting the generality of the foregoing, the Port Authority, by its officers, employees, representatives, and contractors, shall have the right, for the benefit of the Lessee or for the benefit of others at the Terminal, to maintain existing and future utilities systems or portions thereof on the Premises, including therein without limitation thereto systems for the supply of heat, water hot and cold, gas, electricity and fuel and for the furnishing of fire-protection, sprinkler, sewerage, drainage, air-conditioning, telephone, telegraph, tele-register, pneumatic-tube dispatch and intercommunication services, and to maintain elevator and escalator systems, including lines, pipes, mains, wires, conduits and equipment connected with or appurtenant to all such systems, and to enter upon the Premises at all reasonable times to make such repairs, alterations and replacements as may, in the opinion of the Port Authority, be deemed necessary or advisable and, from time to time, to construct or install over, in, under or through the Premises new lines, pipes, mains, wires, conduits and equipment; provided, however, that such repair, alteration, replacement or construction shall not unreasonably interfere with the use of the Premises by the Lessee.

(c) Nothing in this Section shall be or be deemed construed to impose upon the Port Authority any obligation to construct or maintain or to make repairs, replacements, alterations or additions, or shall create any liability for any failure so to do.

(d) At any time and from time to time during ordinary business hours within the six (6) months next preceding the expiration of the letting, the Port Authority, by its agents and employees, whether or not accompanied by prospective lessees, occupiers or users of the Premises, shall have the right to enter thereon for the purpose of exhibiting and viewing all parts of the same and during such six-month period for Port Authority may place and maintain on the Premises, the usual "To Let" signs, which signs the Lessee shall permit to remain without molestation.

(e) If, during the last month of the letting, the Lessee shall have removed all or substantially all the Lessee's property from the Premises, the Port Authority may immediately enter and alter, renovate and redecorate the Premises.

(f) The exercise of any or all of the foregoing rights by the Port Authority or others shall not be or be construed to be an eviction of the Lessee nor be made the grounds for any abatement of rental or any claim or demand for damages, consequential or otherwise.

Section 21. Condemnation

(a) In any action or proceeding instituted by any governmental agency or agencies for the taking for a public use of any interest in all or any part of the Premises, the Lessee shall not be entitled to assert any claim to any award or part thereof made or to be made therein, or to institute any action or proceeding or to assert any claim against such agency or agencies or against the Port Authority, for or on account of any such taking, except the possible claim to an award for loss of fixtures furnished and installed by the Lessee (and for the purpose of such possible claim alone, title to such fixtures shall revert to the Lessee), it being understood and agreed between the Port Authority and the Lessee that, except for the possible claim to an award for loss of fixtures, the Port Authority shall be entitled to all the compensation or awards made or to be made or paid for any such taking, free of any claim or right of the Lessee.

(b) In the event of a taking of the entire Premises by any governmental agency or agencies, then this Agreement shall be cancelled and the letting shall, as of the date possession is taken from the Port Authority by such agency or agencies, cease and determine in the same manner and with the same effect as if the term of the letting had on that date expired.

(c) In the event of a taking by any governmental agency or agencies of a part of the Premises, then the letting as to such part only shall, as of the date possession thereof is taken from the Port Authority by such agency or agencies, cease and determine, and the rentals thereafter to be paid by the Lessee to the Port Authority shall, if so provided in Item 1 of **Exhibit B**, be abated from and after the date of such taking.

(d) Notwithstanding the provisions of this Section 21, the Lessee shall not be prevented thereby from making a possible claim against the condemning party for an award for moving expenses or for trade fixtures owned or installed by Lessee, if (i) such claim is then allowed by law, (ii) such claim is then allowed by the Port Authority's lease with the City of Newark, described in the Section of this Agreement entitled "*Basic Lease*", if applicable, and (iii) such award is made separately from the award to the Port Authority and will not reduce the amount thereof; this provision shall not be deemed a representation by the Port Authority of the validity or legality of any such claim.

Section 22. Assignment and Subleasing

(a) Definitions. The following terms shall have the respective meanings set forth below.

(1) "**Assignment**" shall mean any sale, conveyance, transfer, exchange, mortgage, assignment or other disposition of all or any portion of the Lessee's interest in this Agreement or the leasehold estate created hereby, whether directly or indirectly or by operation of law or otherwise.

(2) "**Sublease**" shall mean any sublease (including a sub-sublease or any further level of subletting) and any occupancy, license, franchise or concession agreement applicable to the Premises or any portion thereof.

(3) "**Transfer**" shall mean the transfer, sale, assignment, pledge, hypothecation or other disposition of any interest in the Lessee or in any direct or indirect constituent entity of the Lessee, where such disposition (whether by itself or cumulatively with other transactions) directly or indirectly produces any change in the direct or indirect Control (as defined in the definition of Affiliate) of the Lessee, and shall include but not be limited to (1) the sale, assignment, redemption or transfer of outstanding stock of or membership interest in, respectively, any corporation or any limited liability company that is the Lessee or that is the general partner of any partnership that is the Lessee, (2) the issuance of additional stock or membership interest in, respectively, any corporation or limited liability company that is the Lessee or that is the general partner of any partnership that is the Lessee, and (3) the sale, assignment, redemption or transfer of any general or limited partner's interest in, or the admission of a new partner to, a partnership that is the Lessee or that is a general or limited partner of any partnership that is the Lessee.

(b) No Assignment, Transfer or Sublease without Consent. The Lessee shall not effect or permit any Assignment, Transfer or Sublease without the prior written consent of the Port Authority.

(c) Unauthorized Transactions Null and Void. Any Sublease, Assignment or Transfer, including without limitation any sale, assignment, transfer, mortgage, pledge, hypothecation, encumbrance or disposition of the Premises or of the rents, revenues or any other income from the Premises, or this Agreement or any part hereof, or any license or other interest of the Lessee herein not made in accordance with the provisions of this Agreement shall be null and void *ab initio* and of no force or effect.

(d) Port Authority's Right to Collect Rent. If without the prior written consent of the Port Authority, the Lessee effects any Assignment, Transfer or Sublease, or if the Premises are occupied by anybody other than the Lessee, the Port Authority may collect rent from any assignee, sublessee or anyone who claims a right under this Agreement or letting or who occupies the Premises, and the Port Authority shall apply the net amount collected to the rental herein reserved; but no such collection shall be deemed a waiver by the Port Authority of the covenants contained in paragraphs (a) and (b) of this Section or an acceptance by the Port Authority of any such assignee, sublessee, claimant or occupant as Lessee, nor a release of the Lessee by the Port Authority from the further performance by the Lessee of the covenants contained herein.

(e) Continuing Application of Consent Requirement. Any consent granted by the Port Authority to any Assignment, Transfer or Sublease pursuant to the provisions hereof shall not be construed or deemed to release, relieve or discharge the Lessee or any other person claiming any right, title or interest in this Agreement from the requirement of obtaining the prior written consent of the Port Authority with respect to any other Assignment, Transfer or Sublease.

(f) Use of Premises. The Lessee shall not use or permit any person to use the Premises or any portion thereof for any purpose other than the purposes stated in the Section hereof entitled "Rights of Use by the Lessee". Except as provided in this Agreement or otherwise permitted in writing by the Port Authority, the Lessee shall not permit the Premises to be used or occupied by any person other than its own officers, employees, contractors and representatives.

Section 23. Termination

(a) If any one or more of the following events of default shall occur, that is to say:

(1) The Lessee shall fail duly and punctually to pay the rentals or to *make any other payment required hereunder when due to the Port Authority.*

(2) The Lessee shall become insolvent, or shall take the benefit of any present or future insolvency statute, or shall make a general assignment for the benefit of creditors, or file a voluntary petition in bankruptcy or a petition or answer seeking an arrangement or its reorganization or the readjustment of its indebtedness under the federal bankruptcy laws or under any other law or statute of the United States or of any State thereof, or consent to the appointment of a receiver, trustee, or liquidator of all or substantially all its property; or

(3) By order or decree of a court the Lessee shall be adjudged bankrupt or an order shall be made approving a petition filed by any of the creditors or, if the Lessee is a corporation, by any of the stockholders of the Lessee, seeking its reorganization or the readjustment of its indebtedness under the federal bankruptcy laws or under any law or statute of the United States or of any State thereof; or

(4) A petition under any part of the federal bankruptcy laws or an action under any present or future insolvency law or statute shall be filed against the Lessee and shall not be *dismissed within thirty (30) days after the filing thereof; or*

(5) The letting hereunder or the interest or estate of the Lessee under this Agreement shall be transferred to, pass to or devolve upon, by operation of law or otherwise, any other person, firm or corporation; or

(6) The Lessee, if a corporation, shall, without the prior written approval of the Port Authority, become a possessor or merged corporation in a merger, a constituent corporation in a consolidation, or a corporation in dissolution; or

(7) The Lessee is, or the Lessees collectively are doing business as, or constitute a co-partnership, and the said co-partnership shall be dissolved as the result of any act or omission of its co-partners or any of them, or by operation of law or the order or decree of any court having jurisdiction, or for any other reason whatsoever; or

(8) By or pursuant to, or under authority of any legislative act, resolution or rule, or any order or decree of any court or governmental board, agency or officer having jurisdiction, a receiver, trustee, or liquidator shall take possession or control of all or substantially all of the property of the Lessee, and such possession or control shall continue in effect for a period of fifteen (15) days; or

(9) Any type of strike or other labor activity is directed against the Lessee at the Terminal resulting in picketing or boycott for a period of at least forty-eight (48) hours which, in the opinion of the Port Authority, adversely affects or is likely adversely to affect the operation of the Terminal or the operations of other Lessees or licensees thereat, whether or not the same is due to the fault of the Lessee, and whether caused by the employees of the Lessee or by others; or

(10) Any lien is filed against the Premises because of any act or omission of the Lessee and is not removed within ten (10) days; or

(11) The Lessee shall voluntarily abandon, desert, vacate or discontinue its operations in the Premises; or

(12) The Lessee shall fail to keep, perform and observe each and every other promise, covenant and agreement set forth in this Agreement on its part to be kept, performed or observed, within ten (10) days after receipt of notice of default thereunder from the Port Authority (except where fulfillment of its obligation requires activity over a period of time, and the Lessee shall have commenced to perform whatever may be required for fulfillment within ten (10) days after receipt of notice and continues such performance without interruption except for causes beyond its control);

then upon the occurrence of any such event or at any time thereafter the continuance thereof, the Port Authority may by five (5) days' notice terminate the letting and the rights of the Lessee hereunder, such termination to be effective upon the date specified in such notice. Such right of termination and the exercise thereof may be and operate as a conditional limitation.

(b) If any of the events enumerated in subdivision (a) of this Section shall occur prior to the letting, the Lessee shall not be entitled to enter into possession of the Premises and the Port Authority upon the occurrence of any such event or at any time thereafter during the continuance thereof by twenty-four hours' notice may cancel the interest of the Lessee under this Agreement, such cancellation to be effective upon the date specified in such notice.

(c) No acceptance by the Port Authority of rentals, fees, charges or other payments in whole or in part for any period or periods after or during the continuance of a breach or default of any of the terms, covenants and conditions to be performed, kept or observed by the Lessee shall be deemed a waiver of any right on the part of the Port Authority to terminate the letting, nor shall the same constitute a waiver of any such breach or default.

(d) No waiver by the Port Authority of any breach or default on the part of the Lessee in performance of any of the terms, covenants or conditions hereof to be performed, kept or observed by the Lessee shall be or be construed to be a waiver by the Port Authority of any other or subsequent default in performance of any of the said terms, covenants and conditions. No failure by the Port Authority to insist upon the strict performance of terms, covenants or conditions of this

Agreement or to exercise any right or remedy consequent upon a breach or default thereof, and no extension, supplement or amendment of this Agreement during or after a breach thereof, unless expressly stated to be a waiver, shall constitute a waiver of any such breach or default of the said terms, covenants or conditions. No terms, covenant or condition of this Agreement to be performed or complied with by the Lessee, and no breach or default thereof, shall be waived, altered or modified except by a written instrument executed by the Port Authority.

(e) The rights of termination described above shall be in addition to any other rights of termination provided in this Agreement and in addition to any rights and remedies that the Port Authority would have at law or in equity consequent upon any breach of this Agreement by the Lessee, and the exercise by the Port Authority of any right of termination shall be without prejudice to any other such rights and remedies. The Lessee particularly acknowledges that as part of said equitable rights and remedies the Port Authority shall be entitled to restrain by injunction any violation or attempted or threatened violation of any covenants, conditions or other provisions of this Agreement.

Section 24. Right of Re-entry

The Port Authority shall, as an additional remedy upon the giving of a notice of termination as provided in the Section of this Agreement entitled "*Termination*", have the right to re-enter the Premises and every part thereof upon the effective date of termination without further notice of any kind, and may regain and resume possession either with or without the institution of summary or any other legal proceedings or otherwise. Such re-entry, or regaining or resumption of possession, however, shall not in any manner affect, alter or diminish any of the obligations of the Lessee under this Agreement, and shall in no event constitute an acceptance of surrender.

Section 25. Waiver of Redemption

The Lessee hereby waives any and all rights to recover or regain possession of the Premises and all rights of redemption, granted by or under any present or future law in the event it is evicted or dispossessed for any cause, or in the event the Port Authority obtains possession of the Premises in any lawful manner.

Section 26. Survival of the Obligations of the Lessee

(a) In the event that the letting shall have been terminated in accordance with a notice of termination as provided in the Section of this Agreement entitled "*Termination*", or the interest of the Lessee cancelled pursuant thereto, or in the event that the Port Authority has re-entered, regained or resumed possession of the Premises in accordance with the provisions of the Section of this Agreement entitled "*Right of Re-entry*", all the obligations of the Lessee under this Agreement shall survive such termination or cancellation, re-entry, regaining or resumption of possession and shall remain in full force and effect for the full term of this Agreement, and the amount or amounts of damages or deficiency shall become due and payable to the Port Authority to the same extent, at the same time or times and in the same manner as if no termination, cancellation, re-entry, regaining or resumption of possession had taken place. The Port Authority may maintain separate actions each month to recover the damage or deficiency then due or at its option and at any time may sue to recover the full deficiency less the proper discount, for the entire unexpired term.

(b) The amount of damages for the period of time subsequent to termination or cancellation (or re-entry, regaining or resumption of possession) shall be the sum of the following:

(1) on account of the Lessee's basic rental obligation, the amount of the total of all annual basic rentals, less the installments thereof payable prior to the effective date of

termination except that the credit to be allowed for the installment payable on the first day of the month in which the termination is effective shall be prorated for the part of the month the letting remains in effect, on the basis of a 30-day month;

(2) on account of the Lessee's percentage rental obligation in the event that a basic rental is also reserved under this Agreement, an amount equal to the percentage stated in Item 1 of **Exhibit B** applied to the amount of Gross Receipts in excess of the annual exemption amount or amounts, which Gross Receipts would have been received by the Lessee during the balance of the term if there had been no termination or cancellation (or re-entry, regaining or resumption of possession), and for the purpose of calculation hereunder (i) the said amount of Gross Receipts shall be derived by multiplying the number of days in the balance of the term originally fixed, by the Lessee's average daily Gross Receipts; (ii) the average daily Gross Receipts shall be the total actual Gross Receipts of the Lessee during that part of the effective period of the letting (including all annual periods falling within the effective period) in which the abatement was in effect, divided by the number of days included in such part of the effective period; (iii) the annual exemption amount for any period of less than a year shall be the product of the original annual exemption amount multiplied by a fraction, the numerator of which shall be the number of days from the effective date of termination to the end of the annual period and the denominator shall be 365;

(3) on account of the Lessee's percentage rental obligation in the event that no basic rental is reserved under this Agreement, an amount equal to the percentage stated in Item 1 of **Exhibit B** applied to the amount of Gross Receipts which would have been received by the Lessee during the balance of the term if there had been no termination or cancellation (or re-entry, regaining or resumption of possession), and for the purpose of calculation hereunder (i) the said amount of Gross Receipts shall be derived by multiplying the number of days in the balance of the term originally fixed, by the Lessee's average daily Gross Receipts; and (ii) the average daily Gross Receipts shall be the total actual Gross Receipts of the Lessee during that part of the effective period of the letting (including all annual periods falling within the effective period) divided by the number of days included in such part of the effective period;

(4) the amount of all other unfulfilled monetary obligations of the Lessee under this Agreement, including without limitation thereto, all sums constituting additional rental hereunder and the cost to and expenses of the Port Authority for fulfilling all other obligations of the Lessee which would have accrued or matured during the balance of the term on the expiration date originally fixed or within a stated time after expiration or termination; and

(5) an amount equal to the cost to and the expenses of the Port Authority in connection with the termination, cancellation, regaining possession and restoring (on failure of the Lessee to restore) and reletting the Premises, the Port Authority's legal expenses (including but not limited to the cost to the Port Authority of in-house legal services) and costs, and the Port Authority's costs and expenses for the care and maintenance of the Premises during any period of vacancy, and any brokerage fees and commissions in connection with any reletting.

(c) It is understood and agreed that the statement of damages under the preceding subdivision (b) shall not affect or be construed to affect the Port Authority's right to damages in the event of termination or cancellation (or re-entry, regaining or resumption of possession) where the Lessee has not received any actual Gross Receipts under this Agreement.

Section 27. Reletting by the Port Authority

The Port Authority, upon termination or cancellation pursuant to the provisions of the Section of this Agreement entitled "*Termination*", or upon any re-entry, regaining, or resumption of possession pursuant to the provisions of the Section of this Agreement entitled "*Right of Re-entry*", may occupy the Premises or may relet the Premises, and shall have the right to permit any person,

firm or corporation to enter upon the Premises and use the same. Such reletting may be of part only of the Premises, or of the Premises, or a part thereof together with other space, and for a period of time the same as or different from the balance of the term hereunder remaining, and on terms and conditions the same as or different from those set forth in this Agreement. The Port Authority shall also, upon termination or cancellation pursuant to the provisions of the Section of this Agreement entitled "*Termination*", or upon its re-entry, regaining or resumption of possession pursuant to the provisions of the Section of this Agreement entitled "*Right of Re-entry*", have the right to repair or to *make structural or other changes in the Premises, including changes which alter the character of the Premises and the suitability thereof for the purposes of the Lessee under this Agreement, without affecting, altering or diminishing the obligations of the Lessee hereunder.* In the event either of any reletting or of any actual use and occupancy by the Port Authority (the mere right to use and occupy not being sufficient however) there shall be credited to the account of the Lessee against its survived obligations hereunder any net amount remaining after deducting from the amount actually received from any lessee, licensee, permittee or other occupier in connection with the use of the said Premises or portion thereof during the balance of the letting as the same is originally stated in this Agreement, or from the market value of the occupancy of such portion of the Premises as the Port Authority may during such period actually use and occupy, all expenses, costs, and disbursements incurred or paid by the Port Authority in connection therewith. No such reletting shall be or be construed to be an acceptance of surrender.

Section 28. Thirty Day Termination

(a) The Port Authority shall have the right to terminate this Agreement and the letting hereunder, without cause, at any time, on thirty (30) days' notice to the Lessee. In the event of termination pursuant to this Section, this Agreement and the letting hereunder shall cease and expire as if the effective date of termination stated in the notice were the date originally stated herein for the expiration of this Agreement.

(b) The Lessee is obligated by this Agreement to furnish and install all fixtures and equipment and make all improvements in the Premises, necessary or proper for its operations hereunder. In the event of termination by the Port Authority under this Section, the Port Authority shall pay the Lessee a pro rata share of the Lessee's cost in supplying and installing such fixtures and equipment *and making all such improvements excluding any replacements thereof.* The cost and the pro rata share thereof shall be ascertained as stated in Item 6 of **Exhibit B**; provided, however, that tender of payment of said prorated cost by the Port Authority to the Lessee shall not be prerequisite to the exercise of the right of termination under this Section. On the payment by the Port Authority of said prorated cost and any interest due thereon, all fixtures, equipment and improvements including replacements furnished by the Lessee in the Premises and all interest of the Lessee therein which have not already become the property of the Port Authority shall be and become the property of the Port Authority and the Lessee shall execute any and all instruments necessary to transfer title to any such interest; provided, however, that the Port Authority may by notice relinquish its right to any such fixtures, equipment or improvements and the provisions of the Sections of this Agreement "*Sales and Services by the Lessee*" and "*Surrender*", respectively.

Section 29. Remedies to Be Non-exclusive

All remedies provided in this Agreement shall be deemed cumulative and additional and not in lieu of or exclusive of each other or of any other remedy available to the Port Authority at law or in equity, and the exercise of any remedy, or the existence herein of other remedies or indemnities shall not prevent the exercise of any other remedy.

Section 30. Surrender

(a) The Lessee covenants and agrees to yield and deliver peaceably to the Port Authority possession of the Premises on the date of the cessation of the letting, whether such cessation be by termination, expiration or otherwise, promptly and in good condition, and all of the Premises shall be free and clear of all liens, encumbrances, and security interests and of any rights of any sublessees or other occupants of the Premises.

(b) Subject to the provisions of the Sections of this Agreement entitled "*Sales and Services by the Lessee*" and "*Thirty Day Termination*", respectively, the Lessee shall have the right at any time during the letting to remove its equipment, inventories, removable fixtures and other personal property from the Premises. If the Lessee shall fail to remove its property on or before the termination or expiration of the letting, the Port Authority may remove such property to a public warehouse for deposit or retain the same in its own possession, and sell the same at public auction, the proceeds of which shall be applied first to the expenses of removal, storage and sale, second to any sums owed by the Lessee to the Port Authority, with any balance remaining to be paid to the Lessee; if the expenses of such removal, storage and sale shall exceed the proceeds of sale, the Lessee shall pay such excess to the Port Authority upon demand.

Section 31. Acceptance of Surrender of Lease

No agreement of surrender or to accept a surrender shall be valid unless and until the same shall have been reduced to writing and signed by the duly authorized representatives of the Port Authority and of the Lessee. Except as expressly provided in this Section, neither the doing of, nor any omission to do, any act or thing, by any of the officers, agents or employees of the Port Authority, shall be deemed an acceptance of a surrender of the letting or of this Agreement.

Section 32. Requirement of Security Deposit

(a) Upon the execution of this Agreement by the Lessee and delivery thereof to the Port Authority, the Lessee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Lessee, all of the terms, provisions, covenants and conditions of this Agreement on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority, and payable in the Port of New York District in the amount of Thirty Thousand Dollars and No Cents (\$30,000.00). The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission under this Agreement and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is an appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Lessee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security. Failure to provide such a letter of credit at any time during the effective period of the permission, under this Agreement, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit shall be deemed to be a

breach of this Agreement on the part of the Lessee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Lessee made thereafter, the Port Authority will return the security deposit, if any, theretofore made. The Lessee shall have the same rights to receive such deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the permission under this Agreement and fulfillment of the obligations of the Lessee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Lessee on demand of the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to be a waiver of any default by the Lessee under the terms of this Agreement and all remedies of the Lessee and of the Port Authority consequent upon such default shall not be affected by the existence of a recourse to any such letter of credit.

(b) For purposes of the provisions set forth in this Section, the Lessee hereby certifies that the I.R.S. Employer Identification No. for: (i) AMS-BW Newark JV is (EX. 1) (ii) Airport Management Services, LLC is (EX. 1) and (iii) Branded Works, Inc is (EX. 1)

(c) Unless Item 7 of Exhibit B indicates that no performance bond is required, the Lessee shall furnish and pay the premium for a bond in the sum stated in the said Item 7, conditioned upon the full, faithful and prompt performance of and compliance with, on the part of the Lessee, all the covenants, terms and conditions of this Agreement on its part to be fulfilled, kept, performed and observed. The bond so furnished shall be in the form attached hereto, hereby made a part hereof and marked Exhibit U, and shall be effective throughout the performance of Lessee's Work for the Premises and through the later of either (i) a period of six (6) months following the completion of all punch list items issued by the Port Authority or (ii) the opening of the Premises for business to the public. Further, such bond shall be made either by a surety company or companies qualified to carry on a surety business in the State of New Jersey if the Premises are in New Jersey or in the State of New York if the Premises are in New York, and satisfactory to the Port Authority or by an individual or individuals satisfactory to the Port Authority.

Section 33. Brokerage

The Lessee represents and warrants that no broker has been concerned in the negotiation of this Agreement and that there is no broker who is or may be entitled to be paid a commission in connection therewith. The Lessee shall indemnify and save harmless the Port Authority of and from any claim for commission or brokerage made by any and all persons, firms or corporations whatsoever for services in connection with the negotiation and execution of this Agreement.

Section 34. Limitation of Rights and Privileges Granted

No greater rights or privileges with respect to the use of the Premises or any part thereof or with respect to the Terminal are granted or intended to be granted to the Lessee by this Agreement, or by any provision thereof, than the rights and privileges expressly granted hereby.

Section 35. Letting Postponed

The Lessee recognizes that, at the time of execution of this Agreement, the Premises may be occupied by another or may be under construction, alteration or improvement by the Port Authority or that the Port Authority may intend to do or make such construction, alteration or improvement and that as a result the Premises may not be ready for occupancy on the commencement date stated in the Section of this Agreement entitled "Term". In the event that the Premises are not ready for occupancy on said commencement date, the term of the letting under this Agreement shall

commence on a date designated by the Port Authority on ten (10) days' notice to the Lessee, but not later than the date stated in Item 8 of **Exhibit B**; and, in the event that the commencement date shall be postponed hereunder, then the expiration date as stated in said Section shall also be postponed by a period of time equivalent to the period intervening between the commencement date stated in said Section and the actual commencement date as designated pursuant to this Section. In the event that *the Premises are not ready for occupancy on or before the date stated in Item 8 of Exhibit B*, then this Agreement shall be cancelled and each party shall release and does hereby release the other party of and from any and all claims or demands based on this Agreement or any breach or alleged breach thereof. Nothing contained in this Section shall impose or shall be construed to impose on the Port Authority any obligation to perform construction or make alterations or improvements.

Section 36. Changes in the Terminal

The Port Authority shall have the right at any time and from time to time prior to and during the letting, in the interest of the efficient operation of the Terminal, to close, move or alter any common way in the Terminal, including but not limited to entrances, exits, passages, halls, corridors, aisles, stairways, elevators or escalators, or to restrict or change the traffic on or through any such common way; and no such action by the Port Authority shall release the Lessee from any of its obligations under this Agreement.

Section 37. Notices

(a) Except where expressly required or permitted herein to be oral, all notices, directions, requests, consents and approvals required to be given to or by either party shall be in writing, and all such notices and requests shall be (i) personally delivered to the duly designated officer or representative of such party or delivered to the office of such officer or representative during regular business hours, or (ii) forwarded to him or to the party at such address by certified or registered United States mail, postage prepaid, return receipt requested, or (iii) forwarded to him or to the party at such address by expedited prepaid delivery service, either commercial or United States Postal Service, with proof of delivery or attempted delivery required in the case of (i), (ii) or (iii) above. Said designated officer or representative of the Port Authority and the Lessee and their respective officers shall be as set forth in this Agreement.

(b) The Lessee shall from time to time designate in writing an office within the Port of New York District and an officer or representative whose regular place of business is at such office upon whom notices and requests may be served. Until further notice, the Lessee designates its representative named on the first page of this Agreement as its representative upon whom notices and requests may be served and its address given on the first page of this Agreement as its office where notices and request may be served. The Port Authority hereby designates its Executive Director, as its representative upon whom notices and requests may be served, and its office at 225 Park Avenue South, New York, New York 10003.

(c) A notice shall be deemed to have been given: in the case of hand delivery, at the time of delivery or refusal to accept delivery; in the case of registered or certified mail or expedited prepaid delivery, upon delivery or refusal to accept delivery; or in the event of failure to delivery by reason of changed address of which no notice was given or refusal to accept delivery, as of the date of such failure or refusal. A party receiving a notice which does not comply with the *technical requirements for notice under this Section may elect to waive any deficiencies and treat the notice as having been properly given.*

(d) Wherever a notice or request is required to be given by the Lessee to the Port Authority pursuant to this Agreement, a copy of such notice or request shall also be given simultaneously by the Lessee to Westfield Concession Management, LLC (or any successor

concession manager thereto designated by the Port Authority, if any), in accordance with the requirements of this Section, to the following address:

Westfield Concession Management, LLC
11601 Wilshire Blvd., 11th Floor
Los Angeles, California 90025
Attention: Office of Legal Counsel

Westfield Concession Management, LLC
Newark Liberty International Airport
35 Terminal B, Bldg. #74
Newark, New Jersey 07114
Attention: General Manager

Section 38. Place of Payments

All payments required of the Lessee by this Agreement shall be made by mail to the Port Authority of New York and New Jersey, c/o P.O. Box 51065, Los Angeles, CA 90074-1065 or via the following wire transfer instructions:

| | |
|------------------|---|
| Bank: | Bank of America, 555 S. Flower Street, 6 th Floor, Los Angeles, CA 90071 |
| Bank ABA Number: | 122 000 661 |
| Account Name: | Westfield Concession Mgmt., LLC As Agent for Newark Airport Terminal A&B/Blocked Acct. |
| Account Number: | (Ex. 1) |
| Instructions: | Lessee is required to send an email with EFT confirmation to the following individuals when payments are made: jgarraway@us.westfield.com (Airport Accountant) and nholder@us.westfield.com (Senior Accountant) |

or to such other officer or address as may be substituted therefor by the Port Authority, from time to time, by notice to the Lessee.

Section 39. Quiet Enjoyment

The Port Authority covenants and agrees that as long as the Port Authority remains the lessee (if the Premises are located in the City of Newark) or the owner (if the Premises are located in the City of Elizabeth) of the Terminal, the Lessee, upon paying all rentals hereunder and performing all the covenants, conditions and provisions of this Agreement on its part to be performed, shall and may peaceably and quietly have, hold and enjoy the Premises free of any act or acts of the Port Authority except as expressly permitted in this Agreement.

Section 40. Headings

The section headings and the paragraph headings, if any, are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope or intent of any provision hereof.

Section 41. Construction and Application of Terms

(a) Wherever in this Agreement a third person singular neuter pronoun or adjective is used, referring to the Lessee, the same shall be taken and understood to refer to the Lessee, regardless of the actual gender or number thereof.

(b) Whenever in this Agreement the Lessee is placed under an obligation or covenants to do or to refrain from or is prohibited from doing, or is entitled or privileged to do, any act or thing, the following shall apply:

(1) *If the Lessee is a corporation, its obligations shall be performed or its rights or privileges shall be exercised only by its officers and employees; or*

(2) *If the Lessee is an unincorporated association or a business or "Massachusetts" trust, the obligation shall be that of its members or trustees, as well as of itself, and shall be performed only by its members or trustees, and officers and employees, and the rights or privileges shall be exercised only by its members or trustees, and its officers and employees; or*

(3) *If the Lessee is a co-partnership, the obligation shall be that of its partners and shall be performed only by its partners and employees and the rights or privileges shall be exercised only by its partners and employees; or*

(4) *If the Lessee is an individual, the obligations shall be that of himself (or herself) and shall be performed only by himself (or herself) and his (or her) employees and the rights or privileges shall be exercised only by himself (or herself) and his (or her) employees; or*

(5) *if the Lessee is a limited liability company, by the Lessee acting only through the medium of its members, managers, and employees.*

(c) None of the privileges of paragraph (b) above shall be taken to alter, amend or diminish any obligation of the Lessee assumed in relation to its invitees, customers, agents, representatives, contractors or other persons, firms or corporations doing business with it.

(d) In the event that more than one individual or other legal entity are the Lessee under this Agreement, then and in that event each and every obligation under this Agreement shall be the joint and several obligation of each such individual or other legal entity.

(e) The Lessee's representative, hereinbefore specified (or such substitute as the Lessee may hereafter designate in writing) shall have full authority to act for the Lessee in connection with this Agreement and any things done or to be done hereunder, and to execute on the Lessee's behalf any amendments or supplements to this Agreement or any extension thereof.

(f) The Lessee agrees that any rule of construction to the effect that any ambiguities in this Agreement are to be resolved against the drafting party shall not be applicable to the interpretation or construction of this Agreement or any amendments, addendums, supplements, Exhibits or Schedules hereto.

(g) The Section and paragraph headings, if any, in this Agreement are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope or intent of any provision hereof.

(h) Unless otherwise expressly specified, the terms, provisions and obligations contained in the Exhibits and Schedules attached hereto, whether there set out in full or as

[AMS BW Newark JV/Hudson Booksellers/Lease No ANC-011]

amendments of, or supplements to provisions elsewhere in the Agreement stated, shall have the same force and effect as if herein set forth in full.

(i) If any clause, provision or section of this Agreement shall be ruled invalid by any court of competent jurisdiction, the invalidity of such clause, provision or section shall not affect any of the remaining provisions hereof.

(j) The fact that certain of the terms and provisions hereunder are expressly stated to survive the expiration or termination of the letting hereunder shall not mean that those provisions hereunder which are not expressly stated to survive shall terminate or expire on the expiration or termination of the letting hereunder and do not survive such termination or expiration.

(k) Time is of the essence in the Lessee's performance of this Agreement. Notwithstanding the fact that certain references elsewhere in this Agreement to acts required to be performed by the Lessee hereunder, or to breaches or defaults of this Agreement by the Lessee, omit to state that such acts shall be performed at the Lessee's sole cost and expense, or omit to state that such breaches or defaults by the Lessee are material, unless the context clearly implies to the contrary, each and every act to be performed or obligation to be fulfilled by the Lessee pursuant hereto shall be performed or fulfilled at the Lessee's sole cost and expense, and all breaches or defaults by the Lessee hereunder shall be deemed material. The Lessee shall be fully responsible and liable for the observance and compliance by concessionaires, franchisees and licensees of the Lessee and with all the terms and conditions of this Agreement, which terms and conditions shall be applicable to concessionaires, franchisees and licensees as fully as if they were the Lessee hereunder; and failure by a concessionaire, franchisee or licensee fully to observe and comply with the terms and conditions of this Agreement shall constitute a default by the Lessee. Nothing contained in the preceding sentence shall constitute consent by the Port Authority to any concession, subletting or other arrangement.

Section 42. Non-Discrimination

(a) Without limiting the generality of any of the provisions of this Agreement, the Lessee in its operations at the Airport, the use of any space or Premises and the exercise of any privileges under this Agreement, shall not on the grounds of race, creed, color or national origin discriminate or permit discrimination against any person or group of persons in any manner whatsoever and shall comply with Part 21 to the Regulations of the Office of the Secretary of Transportation, as it may be amended and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which from time to time may be applicable to the Lessee's operations at the Airport, whether by reason of agreement between the Port Authority and the United States Government or otherwise.

(b) The Lessee shall include the provisions of paragraph (1) of this Section in every agreement or concession pursuant to which any person or persons, other than the Lessee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce any such covenant. Nothing herein shall be or be deemed to grant to the Lessee the right to make any such agreement or concession.

(c) The Lessee's noncompliance with the provisions of this Section shall constitute a material breach of this Agreement. In the event of such noncompliance, the Port Authority may take any appropriate action to enforce compliance; or by giving twenty-four (24) hours' notice, may terminate this Agreement and the letting hereunder with the same force and effect as a termination under the Section of this Agreement providing for termination for default by the Lessee in the performance or observance of any other term or provision of this Agreement; or may

pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) This Agreement is subject to the requirements of the United States Department of Transportation's regulations, 49 CFR Part 23. The Lessee agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement or any management contract, or subcontract, purchase or lease agreement or other agreement covered by 49 CFR Part 23. The Lessee agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR Part 23 that it enters and cause those businesses to similarly include the statements in further agreement.

(e) The Lessee shall indemnify and hold harmless the Port Authority from any claims and demands of third persons including the United States of America resulting from the Lessee's noncompliance with any of the provisions of this Section and the Lessee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

Section 43. Basic Lease

If the Premises are located in the City of Newark, the following shall apply:

(a) Notwithstanding any other provision of this Agreement, this Agreement shall in any event expire with the expiration or termination of the lease of the Facility from the City of Newark to the Port Authority under the agreement of lease between the City and the Port Authority dated October 22, 1947, as the same from time to time may have been or may be supplemented or amended. Said agreement dated October 22, 1947, has been recorded in the Office of the Register of Deeds for the County of Essex on October 30, 1947 in the Book E-110 of Deeds at pages 242, et seq, no greater rights or privileges are hereby granted to the Lessee than the Port Authority has the power to grant under said agreement as supplemented or amended as aforesaid.

(b) The Port Authority has agreed by a provision in its said agreement with the City covering the Facility to conform to the enactments, ordinances, resolutions and regulations of the City and of its various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable to do so. The Lessee shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the said agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Lessee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Lessee at the Facility. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Lessee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Lessee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Agreement, although the Port Authority thereafter notifies the Lessee to refrain from such compliance. Nothing herein contained shall release or discharge the Lessee from compliance with any other provision hereof respecting governmental requirements.

Section 44. Governmental Compliance

In the event that all or any portion of the Premises is required by the Port Authority to comply with any present or future governmental law, rule, regulation, requirement, order or direction, the Port Authority shall give the Lessee notice that all or any such portion of the Premises is so required and the Lessee shall deliver all or any such portion of the Premises so required on the date [AMS BW Newark JV/Hudson Booksellers/Lease No. ANC-011]

specified in such notice, and if the Lessee does not so deliver, the Port Authority may take the same. No such taking or delivery shall be or be construed to be an eviction of the Lessee or a breach of this Agreement. In the event that the Lessee has received a notice hereunder it shall deliver all or any such portion of the Premises so required in the same condition as that required hereunder for the delivery of the Premises on the cessation of the letting. In the event of the taking or delivery of all the Premises, this Agreement and the letting hereunder shall on the day of such taking or delivery cease and expire as if that day were the date originally stated herein for the expiration of this Agreement; and, in the event of the taking or delivery of any portion of the Premises, then, from and after such taking or delivery, such portion of the Premises shall cease to be a part of the Premises hereunder. There shall be an abatement of the rental in the event of any such taking or delivery of a portion of the Premises if so provided in Item 1 of **Exhibit B**.

The Lessee understands the Port Authority by its officers, employees, agents, representatives or contractors or by the Airlines or their contractors or by the furnishers of utilities or other services to the Premises or to others at the Facility shall have the right to temporarily discontinue the supply of any of the above services in order to allow repairs, alterations, changes or improvements in the Premises or elsewhere at the Facility including all systems for the supply of services for the benefit of the Lessee or for the benefit of others than the Lessee at the Facility. Nothing contained herein shall be or be deemed construed to impose upon the Port Authority any obligations to supply any utility or service or to repair, alter or make changes or improvements or shall create any liability upon the Port Authority for any failure to do so.

Section 45. Force Majeure

(a) Neither the Port Authority nor the Lessee shall be deemed to be in violation of this Agreement if it is prevented from performing any of its obligations hereunder by reason of strikes, boycotts, labor disputes, embargoes, shortages of material, acts of God, acts of the public enemy, acts of superior governmental authority, acts of terrorism, weather conditions, tides, riots, rebellion, sabotage or any other circumstances for which it is not responsible and which are not within its control; provided, however, that this provision shall not apply to failures by the Lessee to pay the rentals specified in the Section of this Agreement entitled "*Rental*" and Item 1 of **Exhibit B** annexed to this Agreement and shall not apply to any other charges or money payments specified in this Agreement; and provided further, that except by virtue of the circumstances specifically set forth hereinabove in this Section, this provision shall not prevent either party from exercising any of its rights to terminate this Agreement.

(b) No abatement, diminution or reduction of the rental or other charges payable by the Lessee, shall be claimed by or allowed to the Lessee for any inconvenience, interruption, cessation or loss of business or other loss caused, directly or indirectly, by any present or future law, rule, requirement, order, direction, ordinance or regulation of the United States of America, or of the state, county or city government, or of any other municipal, governmental or lawful authority whatsoever, or by priorities, rationing or curtailment of labor or materials, or by war or any matter or thing resulting therefrom, or by any other cause or causes beyond the control of the Port Authority, nor shall this Agreement be affected by any such causes or conditions.

Section 46. Rules and Regulations Amendment

If a copy of the Rule and Regulations referred to in the Section of this Agreement entitled "*Rules and Regulations*" is not attached to this Agreement, then the Port Authority will notify the Lessee thereof either by delivery of a copy, or by publication in a newspaper published in the Port of New York District or by making a copy available at the office of the Secretary of the Port Authority. *No statement or provision in the said Rules and Regulations shall be deemed a representation or promise by the Port Authority that the services or privileges described shall be or remain available, or that the charges, prices, rates or fees stated therein shall be or remain in effect*

[AMS BW Newark JV/Hudson Booksellers/Lease No. ANC-011]

throughout the letting, all of the same being subject to change by the Port Authority from time to time whenever it deems a change advisable.

Section 47. Non-Liability of Individuals

No Commissioner, director, officer, agent or employee of either party shall be charged personally or held contractually liable by or to the other party under any term or provision of this Agreement or of any supplement, modification or amendment to this Agreement or because of any breach thereof, or because of its or their execution or attempted execution.

Section 48. Other Agreements

The Lessee shall not, by virtue of the execution of this Agreement, be released or discharged from any obligations or liabilities whatsoever under any other agreement it has with the Port Authority.

Section 49. Operating Names

(a) Any name, designation or any service mark proposed to be used or displayed at the Premises or at the Terminal or for the Lessee's operations therein shall be approved in advance in writing by the Port Authority and the Lessee shall have the right to use and display the name, designation or mark only so long as this Agreement is in force and effect. If for any reason the Lessee ceases its operations in the Premises, the Lessee's right to use such name, designation or service mark shall immediately cease and come to an end and the Port Authority or its designee shall have the sole right to use such name, designation or service mark and the Lessee hereby consents to such use thereof. Any registration or filing by the Lessee with respect to such name, designation or service mark shall indicate the Port Authority's interest therein and the form thereof shall be approved in advance by the Port Authority in writing. The Lessee agrees to assign and transfer to the Port Authority any such registration or filing and any other rights in or to the use of such name, designation or service mark promptly upon written request therefor from the Port Authority. Nothing herein contained is intended to apply to the continuing use by the Lessee of its customary name, designation or service mark, if any, used elsewhere in its operations prior to the making of this Agreement.

(b) The Lessee shall not use or make any reference, by advertising or otherwise, to the names "The Port Authority of New York and New Jersey", "Port Authority" or any simulation or abbreviation of any such names, or any emblem, picture or reproduction of the Facility, for any purpose whatsoever. Furthermore, the Lessee shall not make use of or originate any material intended for publication or visual or oral presentation which uses the name "Newark Liberty International Airport" without the consent of the Port Authority.

Section 50. Labor Disturbances and Labor Harmony

(a) General. In connection with its operations at the Airport under this Agreement, the Lessee shall serve the public interest by promoting labor harmony, it being acknowledged that strikes, picketing, or boycotts may disrupt the efficient operation of the Terminal. The Lessee recognizes the essential benefit to have continued and full operation of the Airport as a whole and the Terminal as a transportation center. The Lessee shall immediately give oral notice to the Port Authority (to be followed reasonably promptly by written notices and reports) of any and all impending or existing labor-related disruptions and the progress thereof.

If any type of strike, picketing, boycott or other labor-related disruption is directed against the Lessee at the Terminal, or against its operations thereat pursuant to this Agreement, which

in the opinion of the Port Authority (i) physically interferes with the operation of the Airport, the Terminal or the Premises, or (ii) physically interferes with public access between the Premises and any portion of the Terminal or the Airport, or (iii) physically interferes with the operations of other operators at the Airport or the Terminal, or (iv) presents a danger to the health and safety of users of the Airport or the Terminal, including persons employed thereat or members of the public, the Port Authority shall have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, terminating this Agreement and the letting on five (5) days' written notice to the Lessee. In the event of termination by the Port Authority hereunder this Agreement and the letting hereunder shall cease and expire on the effective date of termination stated in the notice with the same force and effect as if such date were the original expiration date of the letting hereunder.

(b) Labor Peace Agreement. The Lessee represents that, prior to or upon entering into this Agreement, it has delivered to the Port Authority evidence of a signed labor peace agreement, in the form attached hereto as **Exhibit X**, or in the event **Exhibit X** is inapplicable, then a signed officer's certification to such effect in the form required by the Port Authority.

(c) Employee Retention. If the Lessee's concession at the Premises is of the same type (i.e., food, retail, news/gifts or duty-free concession) as that of the immediately preceding concession operator at the Premises (the "**Predecessor Concession**"), the Lessee agrees to offer continued employment for a minimum period of ninety (90) days, unless there is just cause to terminate employment sooner, to employees of the Predecessor Concession who have been or will be displaced by cessation of the operations of the Predecessor Concession and who wish to work for the Lessee at the Premises. The foregoing requirement shall be subject to the Lessee's commercially reasonable determination that fewer employees are required at the Premises than were required by the Predecessor Concession; provided, however, that the Lessee shall retain such staff is deemed commercially reasonable on the basis of seniority with the Predecessor Concession at the Premises. The Port Authority shall have the right to demand from the Lessee documentation of the name, date of hire, and employment occupation classification of all employees covered by this provision. In the event the Lessee fails to comply with this provision, the Port Authority have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, termination of this Agreement.

(d) Applicability of Provision. The provisions of this section shall apply to concession operators which employ ten (10) or more persons at the Premises.

(e) Suspension of Lessee Operations. In the event of suspension of Lessee's operations pursuant to paragraph (a), above, the Lessee shall cease its activities and operations in the Premises and shall take such steps to secure and protect the Premises as shall be necessary or desirable. The exercise by the Port Authority of the right of suspension hereunder shall not affect or in any way limit the Port Authority's rights of termination as set forth elsewhere in this Agreement.

Section 51. Finishes and Decorating by the Lessee

(a) The Port Authority shall deliver each area of the Premises to the Lessee in their presently existing "**AS IS**" condition. The Lessee acknowledges that prior to the execution of this Agreement, it has thoroughly examined and inspected the existing Premises and has found the same to be in good order and repair and has determined the Premises to be suitable for the Lessee's operations hereunder. The Lessee agrees to and shall take the Premises in their "**AS IS**" condition and the Port Authority shall have no obligation hereunder for finishing work or preparation of any portion of the Premises for the Lessee's use. Nothing contained herein shall be construed to relieve the Lessee of its obligations under the provisions of the Section of this Agreement entitled "*Sales and Services by the Lessee*" to install in the Premises all necessary or proper equipment or fixtures required for its operations in the Premises. Subject to the provisions of this Section and those of the

Section of this Agreement entitled "*Construction by the Lessee*", the Lessee agrees to and shall perform at its sole cost and expense all construction and installation work necessary or proper for its initial occupancy in, and operations at, the Premises, which work is hereinafter sometimes called the "**Lessee's Work**".

(b) The Lessee agrees that in performing the Lessee's Work it will incur costs subject to the limitations and restrictions contained in Item 6 of **Exhibit B**. Lessee shall submit on a timely basis to the Port Authority for its approval an Alteration Application in the form supplied by the Port Authority, and containing such terms and conditions as the Port Authority may include, setting forth in detail and by appropriate plans and specifications the construction and installation work proposed by the Lessee to modernize, refurbish and prepare the Premises for operations hereunder and the manner of and time periods for performing the same. The data to be supplied by the Lessee shall describe in detail the fixtures and equipment to be installed by the Lessee. The Lessee shall be responsible at its sole expense for retaining all architectural, engineering and other technical consultants and services as may be directed by the Port Authority and for developing, completing and submitting detailed plans and specifications for the Lessee's Work. The plans and specifications to be submitted by the Lessee to the Port Authority shall bear the seal of a qualified architect or professional engineer and shall be in sufficient detail for a contractor to perform the Lessee's Work. The Lessee shall not engage in any such contractor or permit the use of any subcontractor unless and until each such contractor or subcontractor has been approved by the Port Authority. The Lessee shall include in any such contract or subcontract such provisions as the Port Authority may approve or require, including, without limitation thereto, provisions regarding labor harmony. The Lessee shall cause each such contractor and subcontractor to obtain and maintain in force such insurance coverage and performance bonds as the Port Authority shall specify. All the Lessee's Work shall be done in accordance with the said Alteration Application and final plans and specifications approved by the Port Authority shall be subject to inspection by the Port Authority during the progress of the Lessee's Work and after the completion thereof and the Lessee shall redo or replace at its own expense any of the Lessee's Work not done in accordance therewith. Upon completion of the Lessee's Work, the Lessee shall supply the Port Authority with a certificate signed by the architect or engineer who sealed the Lessee's plans and specifications pursuant to the provisions of this paragraph certifying that all of the Lessee's Work has been performed in accordance with the approved plans and specifications covering such work and in accordance with the provisions of this Agreement, and the Lessee shall supply the Port Authority with as-built drawings in form and number requested by the Port Authority.

(c) The Lessee shall not commence any portion of the Lessee's Work until the Alteration Application and plans and specifications covering such work have been finally approved by the Port Authority. In the event of any inconsistency between the provisions of this Agreement and those of the Alteration Application, the provisions of this Agreement shall control. The Lessee recognizes that its obligation to pay the rentals for the Premises stated in Item 1 of **Exhibit B** shall commence as established pursuant to Item 1 of **Exhibit B** whether or not the Lessee's Work is then completed or whether the Lessee is then conducting public operations in the Premises. The Lessee shall conduct no public operations in the Premises until the Port Authority shall have notified the Lessee in writing that the Lessee's Work has been completed to its satisfaction.

(d) The Lessee shall be solely responsible for the plans and specifications used by it, and for the adequacy or sufficiency of such plans, specifications and all the improvements depicted thereon or covered thereby, regardless of the consent thereto or approval thereof by the Port Authority or the incorporation therein of any Port Authority requirements or recommendations. The Port Authority shall have no obligations or liabilities in connection with the performance of the Lessee's Work or the contracts for the performance thereof entered into by the Lessee. Any warranties extended or available to the Lessee in connection with the Lessee's Work shall be for the benefit of the Port Authority as well as the Lessee.

(e) Without limiting or affecting any other term or provision of this Agreement, the Lessee shall be solely responsible for the design, adequacy and operation of all utility, mechanical, electrical, communications and other systems installed in the Premises either by the Port Authority or by the Lessee and shall do all preventive maintenance and make all repairs, replacements, rebuilding (ordinary or extraordinary, structural or non-structural) and painting necessary to keep such systems and all other improvements, additions and fixtures, finishes and decorations made or installed by the Lessee (whether the same involves structural or non-structural work) in the condition they were in when made or installed except for reasonable wear which does not adversely affect the watertight condition or structural integrity of the building or adversely affect the efficient or proper utilization or appearance of any part of the Premises.

(f) The Lessee's refurbishment investment obligation, which shall be performed in accordance with this Section in the same manner as applies to the Lessee's Work, shall be in the amount of Twenty-Thousand Dollars and No Cents (\$20,000.00), subject to the limitations and restrictions contained in Item 6 of **Exhibit B**.

The Lessee shall be obligated to complete its refurbishment by the fifth (5th) anniversary date of this Agreement, which date shall refer to the anniversary of the date on which the subject space is operated for any permitted use under this Agreement. No later than 270 days prior to the end of the fifth (5th) anniversary, Lessee shall propose to the Port Authority the proposed refurbishment of the fixed improvements in Lessee's Premises. Following the Port Authority's approval (and in accordance with the Port Authority's TAA process), Lessee shall make any such required refurbishment to the fixed improvement in the Premises pursuant to the specific scope of work required by the Port Authority and provided by the Port Authority to Lessee.

The capital investment in the subject space shall be undertaken in such amounts and at such times, in addition to the minimum amounts and on earlier dates than the deadline dates listed above, if necessary, in order to prevent the Premises from appearing worn or shabby to its patrons. The determination as to whether the Premises appear worn and shabby shall be made by the Port Authority in its sole and absolute discretion and such determination shall be final and binding upon the Lessee.

(g) (1) Without limiting any of the terms and conditions of this Agreement, the Lessee understands and agrees that it shall put into effect prior to the commencement of any of the Lessee's Work an affirmative action program and minority business enterprise ("MBE") program and Women-owned Business enterprises ("WBE") program in accordance with the provisions of the schedule annexed hereto, hereby made a part hereof and marked **Schedule E**. The provisions of **Schedule E** of this Agreement shall be applicable to the Lessee's contractor or contractors and subcontractors at any tier of construction as well as to the Lessee and the Lessee agrees to include the provisions of **Schedule E** within all of its construction contracts so as to make such provisions and undertakings the direct obligation of the construction contractor or contractors and subcontractors at any tier of construction. The Lessee agrees to furnish and agrees to require its contractor, contractors and subcontractors to furnish the Port Authority such data, including but not limited to compliance reports relating to the operation and implementation of the affirmative action, MBE and WBE programs called for hereunder as the Port Authority may request at any time and from time to time regarding the affirmative action, minority business enterprises, and women-owned business enterprises programs of the Lessee and its contractor, contractors and subcontractors at any tier of construction, and the Lessee agrees to make and put in effect and agrees to require that its contractor, contractors and subcontractors at any tier of construction make and put into effect such modifications and additions thereto as may be agreed to by and between the Port Authority and the Lessee pursuant to the provisions hereof and those of **Schedule E** to effectuate the goals of affirmative action and minority business enterprise and women-owned business enterprise programs. The obligations imposed on the Lessee under this paragraph and **Schedule E** shall not be construed to impose any

greater requirements on the Lessee than those which may be imposed on the Lessee under applicable law.

(2) In addition to and without limiting any of the terms and conditions of this Agreement, the Lessee agrees to provide in its contracts and all subcontracts covering the Lessee's Work, or any portion thereof, that:

(i) The contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, and shall undertake or continue existing programs of affirmative action to ensure that minority group persons are afforded equal employment opportunity without discrimination. Such programs shall include, but not be limited to, recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, rates of pay or other forms of compensation, and selections for training or retraining, including apprenticeships and on-the-job training;

(ii) At the request of either the Port Authority or the Lessee, the contractor shall request such employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding and which is involved in the performance of the contract with the Lessee to furnish a written statement that such employment agency, labor union or representative shall not discriminate because of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will cooperate in the implementation of the contractor's obligations hereunder;

(iii) The contractor will state, in all solicitations or advertisement for employees placed by or on behalf of the contractor in the performance of the contract, that all qualified applicants will be afforded equal employment opportunity without discrimination because of race, creed, color, national origin, sex, age, disability or marital status; and

(iv) The contractor will include the provisions of (f)(2)(i) through (f)(2)(iii) of this Section in every subcontract or purchase order in such a manner that such provisions will be binding upon each subcontractor or vendor as to its work in connection with the contract.

(3) The term "contractor", as used herein, shall include each contractor and subcontractor at any tier of construction.

(h) The Lessee shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, and agrees to undertake or continue existing programs of affirmative action to ensure that minority group persons and women are afforded equal employment opportunity without discrimination. Such programs shall include, but not be limited to, recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, rates of pay or other forms of compensation, and selections for training or retraining, including apprenticeship and on-the-job training.

(i) (1) In addition to and without limiting any of the foregoing provisions of this Section, and without limiting any other provision of this Agreement, or the provisions of **Schedule E** hereof, the Lessee agrees, in connection with its continuing operation, maintenance and repair of the Premises, or any portion thereof, and in connection with every award or agreement for concessions or consumer services at the Facility to commit itself to and use good faith efforts throughout the term of the letting hereunder to implement an extensive program of Affirmative Action, including specific affirmative action steps to be taken by the Lessee, to ensure maximum opportunities for employment and contracting by minorities and women. In meeting such commitment the Lessee agrees to submit its said extensive Affirmative Action program, including the specific affirmative action steps to be taken by the Lessee to meet its aforesaid commitment, within

sixty (60) days after the commencement of the term of the letting hereof to the Port Authority for its review and approval. The Lessee shall incorporate in such program such revisions and changes as the Port Authority and the Lessee may agree upon from time to time. The Lessee agrees throughout the term of the letting hereunder to document its efforts in implementing such program, and agrees to keep the Port Authority fully advised of the Lessee's progress in implementing the program and to supply to the Port Authority such information, data and documentation with respect thereto as the Port Authority may from time to time and at any time request, including but not limited to annual reports.

(2) "Minority" as used herein shall mean those persons described in paragraph 1 (c) of Part 1 of Schedule E.

(3) In the implementation of the provisions of this Section, the Port Authority may consider compliance by the Lessee with the provisions of any federal, state or local law concerning affirmative action, and equal employment opportunity, which are at least equal to the requirements of this Section, as effectuating the provisions of this Section. If the Port Authority determines that by virtue of such compliance with the provisions of any such federal, state or local law that the provisions hereof duplicate or conflict with such law the Port Authority may waive the applicability of the provisions of this Section to the extent that such duplication or conflict exists.

(j) Nothing herein provided shall be construed as a limitation upon the application of any laws which establish different standards of compliance or upon the application of requirements for the hiring of local or other area residents.

(k) Nothing in this Section shall grant or be deemed to grant to the Lessee the right to make any agreement or award for concessions or consumer services at the Facility.

Section 52. Affirmative Action

The Lessee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Lessee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Lessee assures that it will require that its covered suborganizations provide assurances to the Lessee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

Section 53. Late Charges

If the Lessee should fail to pay any amount required under this Agreement when due to the Port Authority, including payment of rental, utility fees or charges, or other charges or fees then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period herein below described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent (.8%) of such unpaid amount for each late charge period. There shall be twenty-four (24) late charge periods during each calendar year; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (15) (but not less than thirteen (13)) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Agreement. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority.

[AMS BW Newark JV/Hudson Booksellers/Lease No. ANC-011]

No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Section, with respect to such unpaid amount. Each late charge shall be and become additional rent, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the rentals as set forth in Item 1 of Exhibit B hereof. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Agreement, including without limitation the Port Authority's rights set forth in the Section of this Agreement entitled "*Thirty Day Termination*", or (ii) any obligations of the Lessee under this Agreement. In the event that any late charge imposed pursuant to this Section shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Agreement shall be payable instead at such legal maximum.

Section 54. Ethical Standards

The Lessee for itself and on behalf of any Affiliate of the Lessee and as to each member of the Board of Directors and each officer of the Lessee and/or of such Affiliate hereby certifies under the penalties applicable to perjury, represents warrants and covenants with full knowledge that the Port Authority will rely hereon in entering into this Agreement that at no time hereafter including the term of this Agreement shall the Lessee or any Affiliate thereof (a) take any action with respect to any employee or former employee of the Port Authority or immediate family member of either (i.e., spouse, child, parent or brother or sister) which would constitute a breach of ethical standards under the Code of Ethics and Financial Disclosure dated as of July 18, 1994 promulgated by the Port Authority, a copy of which is available upon request to the Secretary of the Port Authority, (b) offer, give or agree to give anything of value either to a Port Authority employee, agent, job shopper, consultant, construction manager or other person or firm representing the Port Authority, or to a member of the immediate family (i.e., a spouse, child, parent, brother or sister) of any of the foregoing, in connection with the performance by such employee, agent, job shopper, consultant, construction manager or other person or firm representing the Port Authority of duties involving transactions with the Lessee on behalf of the Port Authority, whether or not such duties are related to this Agreement or any other Port Authority contract or matter, or (c) make an offer of employment or use confidential information in a manner prescribed by the said Code of Ethics and Financial Disclosure. Any such conduct shall be deemed a material breach of this Agreement. As used herein "anything of value" shall include but not be limited to any (1) favors, such as meals, entertainment, transportation (other than that contemplated by this Agreement or any other Port Authority contract), etc., which might tend to obligate the Port Authority employee to the Lessee or any parent or Affiliate thereof and (2) gift, gratuity, money, goods, equipment, services, lodging, discounts not available to the general public, offers or promises of employment, loans or the cancellation thereof, preferential treatment or business opportunity. Such term shall not include compensation contemplated by this Agreement or any other Port Authority contract; and (iv) that neither the Lessee nor any Affiliate thereof knows of any action the part of any employee or former employee of the Port Authority which constitutes a breach of said Code of Ethics and Financial Disclosure and that if it or any parent or other Affiliate of the Lessee comes into such knowledge at any time hereafter, including during the term of this Agreement, it shall immediately report the same to the Port Authority in writing, any failure to do so being deemed a material breach of this Agreement.

Section 55. Additional Rent Items and Lessee Obligations

(a) Promotion Fee. The Lessee agrees to participate fully with the marketing and promotional programs for the concession (retail and food and beverage included) area sponsored by the Port Authority in the Terminal. Commencing as of the second full calendar month in which the Lessee conducts its operations hereunder, the Lessee shall pay, as additional rental, a "Promotion Fee" as the Lessee's contribution for marketing, advertising and promotion programs conducted by or

[AMS BW Newark JV/Hudson Booksellers/Lease No. ANC-011]

on behalf of the Port Authority relating to the retail program in the Terminal. The Promotion Fee shall be an amount (i) during the first year of the term which equals one-half of one percent (.5%) of the Lessee's Gross Receipts during the preceding calendar month and (ii) during each subsequent year of the term which equals one-half of one percent (.5%) of the Lessee's annual Gross Receipts for the annual period in which such promotion fee relates. Such amount shall be payable no later than the 15th day following the end of each month. The Promotion Fee shall be prorated, if necessary, in the same manner as Basic Rental is prorated under this Agreement.

The failure of any other lessee or occupant of space within the concession area to participate in advertising for such concession area or make promotional contributions to the Port Authority shall not relieve the Lessee of any of its obligations under this Section. The Port Authority shall not be obligated to expend more for marketing and promotional programs than is actually collected from the Lessee and other concession facility operators in the Terminal. The Port Authority shall have the sole authority to employ and discharge personnel, retain third party independent contractors and to establish all budgets with respect to such marketing and promotional programs. *The Port Authority reserves the right at any time to terminate its activities in this regard and cease collecting Promotion Fee contributions from the Lessee and other concession operators for these activities.* In such event the Port Authority shall so notify the Lessee in writing and, thereafter, the Lessee shall no longer be obligated to make any further Promotion Fee contributions, and any remaining funds previously contributed as Promotion Fees may be used by the Port Authority to promote the overall concession program and facilities.

(b) *Distribution Services and Fee.*

(1) The Lessee shall, at the Lessee's sole cost and expense, make deliveries in a timely manner to a designated area, controlled by the Port Authority or its designee, in accordance with the Port Authority's rules and regulations. The Port Authority may, at its option, provide receiving and delivery services to operators in the concession area. In such event, the Lessee shall use such service for all of its deliveries to the Terminal and the Premises (including, but not limited to, *delivery of goods from the Lessee's off-Airport suppliers to the on-Airport warehouse of the contractor selected by the Port Authority to provide delivery services*) and no deliveries of any items shall be made by any persons or entities directly to the Premises without the prior written authorization of the Port Authority and, if so given, the Port Authority shall have the right to revoke any such authorization at any time in its sole discretion.

(2) The Lessee, in transferring any merchandise, equipment, stock or consumable items within or about the Terminals, shall only do so in full compliance with Port Authority rules, regulations and guidelines. The same may restrict the time and day of delivery or the manner of delivery, method of delivery, areas of delivery or the person or persons by whom delivery may be effected. The Port Authority may deny access or require any vehicle to be removed for failure to follow applicable rules, regulations and guidelines that may be established by the Port Authority from time to time.

(3) If the Port Authority provides such services, the Lessee shall pay as an annual "**Distribution Fee**" the sum of Thirteen Dollars and No Cents (\$13.00) per square foot of the Premises, to the Port Authority for the cost of distribution services, payable in advance as additional rent hereunder in equal, monthly installments commencing as of the Rental Payment Start Date and continuing during the balance of the term of the letting hereunder. Effective each January 1 this amount shall be adjusted to reflect the annual adjustment by the Index as described in *subsection (h) of this Section 55.*

(c) **Trash Removal.** The Lessee shall be solely responsible, at the Lessee's expense, for removal of trash, garbage, debris and other waste material from the Premises, on a daily basis, in a manner approved by the Port Authority, unless the Port Authority elects to provide such

services. The Lessee shall contract with the Port Authority's disposal contractor at the Terminal for the disposal of its trash, garbage, debris and other waste material. In the event the Port Authority elects to provide such services, the Port Authority's costs of providing such services shall be chargeable to, and payable by, the Lessee as additional rent hereunder, on a per square foot basis represented by the square footage of the Premises and such additional rent would be due in equal, monthly installments payable together with the Basic Rental payments to be made hereunder upon prior written notice from the Port Authority.

(d) Intentionally omitted.

(e) No Inspection or Audit Rights. The Lessee shall not have any inspection or audit rights of any of the Port Authority's books and records pertaining to the costs and expenses which support the fees which may be charged pursuant to this Section and the Lessee hereby expressly waives any rights, whether by statute or otherwise, to conduct any such inspection or audit.

(f) Concession Meetings. The Lessee acknowledges the benefit of regular meetings with the Port Authority or its designee to discuss matters relating to the retail plan at the Terminal, including, but not limited to, the business of the Lessee, marketing plans for the Terminals and the Lessee, traffic projections, customer service techniques and other concession-related matters. The Lessee agrees that it shall attend any meetings convened by the Port Authority or its designee to discuss such matters, whether the same be between the Lessee and the Port Authority or among multiple concessionaires and the Port Authority, and that it shall cause a member of its senior management staff to attend any and all such meetings. Similarly, the Lessee agrees to fully participate in and cooperate with the Port Authority or its designee in connection with any customer service surveys which are conducted on-site at the Terminal and not interfere with, obstruct, delay or otherwise hinder the process of taking such surveys, and further, fully participate in and cooperate in connection with training in customer service techniques and other concession-related matters that may be scheduled or arranged by the Port Authority or its designee from time to time. No compensation shall be due or paid to the Lessee for its participation or cooperation in connection with the matters described in this paragraph.

(g) Training. The Lessee covenants that it shall conduct and complete, at least on an annual basis, for itself and its employees, training with respect to customer service techniques and other concession related matters. Similarly, the Lessee agrees that its frontline sales and transaction staff shall be required to attend customer service training at least once annually if such training is offered by the Port Authority or its designee; such training to be in addition to, and not in lieu of, the Lessee's own training programs, requirements and obligations.

(h) In the event escalations are needed to items of Additional Rental during the term of the letting, the following will be the methodology used for such escalation:

(1) (i) "Index" shall mean the Consumer Price Index for All Urban Consumers - New York-Northern New Jersey-Long Island, NY-NJ-CT (All Items, unadjusted 1982-84=100) published by the Bureau of Labor Statistics of the United States Department of Labor.

(ii) "Base Period" shall mean the calendar month of January, 2010.

(iii) "Adjustment Period" shall mean, as the context requires, the calendar month of January, 2011 and the calendar month of January in each calendar year which thereafter occurs during the term of this Agreement.

(iv) **“Anniversary Date”** shall mean, as the context requires, each January 1 following the Rental Payment Start Date (the “First Anniversary Date”) and each anniversary of such date which thereafter occurs during the term of this Agreement.

(v) **“Annual Index Increase”** shall mean the percentage of increase in the Index on each Anniversary Date, equal to: (x) with respect to the First Anniversary Date, a fraction of which the numerator shall be the Index for the Adjustment Period immediately preceding such Anniversary Date less the Index for the Base Period, and the denominator shall be the Index for the Base Period, and (y) with respect to each Anniversary Date thereafter, a fraction of which the numerator shall be the Index for the Adjustment Period immediately preceding such Anniversary Date less the Index for the next preceding Adjustment Period, and the denominator shall be the Index for such next preceding Adjustment Period (for example, the Annual Index Increase for the Anniversary Date that is January 1, 2011 would be a fraction of which the numerator is the Index for November, 2010 less the Index for November, 2009 and the denominator is the Index for November, 2009).

(vi) **“Percentage Increase”** shall mean, with respect to each Anniversary Date, a percentage equal to the Annual Index Increase for that Anniversary Date.

(2) Commencing on each Anniversary Date and for the period commencing with such Anniversary Date and continuing through to the day preceding the next Anniversary Date, or the expiration date of the term of the letting under this Agreement as herein amended, as the case may be, both dates inclusive, in lieu of the Additional Rental set forth herein, the Lessee shall pay escalated Additional Rental as follows:

(i) the sum obtained by adding to the item of Additional Rental set forth herein the product obtained by multiplying such Additional Rental by the Percentage Increase for such Anniversary Date, or

(ii) the item of Additional Rental payable immediately prior to such Anniversary Date including all amounts included therein as a result of prior adjustments thereof pursuant to the provisions of this paragraph.

(3) In the event the Index to be used in computing any adjustment referred to in this paragraph is not available on the effective date of such adjustment, the Lessee shall continue to pay the Additional Rental at the amount then in effect subject to retroactive adjustment at such time as the specified Index becomes available, provided, however, that the Port Authority may at its option substitute for such Index the Index for the latest preceding month then published to constitute the specified Index. In the event the United States Consumer Price Index for All Urban Consumers - New York-Northern New Jersey-Long Island, NY-NJ-CT (All Items, unadjusted 1982-84=100) shall hereafter be converted to a different standard reference base or otherwise revised or the United States Department of Labor shall cease to publish the United States Consumer Price Index for All Urban Consumers - New York-Northern New Jersey-Long Island, NY-NJ-CT (All Items, unadjusted 1982-84=100), then for the purposes hereof there shall be substituted for the Index such other appropriate index or indices properly reflecting changes in the value of current United States money in a manner similar to that established in the Index used in the latest adjustment as the Port Authority in its discretion determine.

If after an adjustment in Additional Rental shall have been fixed for any period, the Index used for computing such adjustment shall be changed or adjusted, then the rental adjustment for that period shall be recomputed and from and after notification of the change or adjustment, the Lessee shall make payments based upon the recomputed rental and upon demand shall pay any excess in the basic rental due for such period as recomputed over amounts theretofore actually paid on account of the Additional Rental for such period. If such change or adjustment

results in a reduction in the Additional Rental due for any period prior to notification, the Port Authority will credit the Lessee with the difference between the Additional Rental as recomputed for that period and amounts of Additional Rental actually paid.

If any adjustment of Additional Rental referred to in this paragraph is effective on a day other than the first day of a calendar month, there shall be payable in advance on the effective date of rental adjustment an installment of Additional Rental equal to one-twelfth (1/12th) of the increment of annual Additional Rental as adjusted multiplied by a fraction, the numerator of which shall be the number of days from the effective date of the rental adjustment to the end of the calendar month in which the rental adjustment was effective and the denominator of which shall be the number of days in that calendar month.

Section 56. Lessee's OFAC Certification

(a) The Lessee hereby represents and warrants to the Port Authority (which representations and warranties shall be deemed to be continuing and re-made at all times during the Term) that Lessee is not, and shall not become, a person or entity with whom the Port Authority is restricted from doing business under the regulations of the Office of Foreign Asset Control ("OFAC") of the United States Department of the Treasury (including, but not limited to, those named on OFAC's Specially Designated and Blocked Persons list) or under any statute, executive order (including, but not limited to, the September 24, 2001 Executive Order on Terrorist Financing Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten To Commit or Support Terrorism), or other governmental action and is not engaging, and shall not engage, in any dealings or transactions or be otherwise associated with such persons or entities. The Lessee acknowledges that the Port Authority is entering into this Agreement in reliance on the foregoing representations and warranties and that such representations and warranties are a material element of the consideration inducing the Port Authority to enter into and execute this Agreement. In the event of any breach of any of the foregoing representations and warranties by the Lessee, the Port Authority shall have the right, in addition to any and all other remedies provided under this Agreement or at law or in equity, to immediately terminate this Agreement upon written notice to the Lessee. The Lessee further acknowledges that there shall be no cure for such a breach. In the event of any such termination by the Port Authority, the Lessee shall, immediately on receipt of the Port Authority's termination notice, cease all use of and operations permitted under this Agreement and surrender possession of the Premises to the Port Authority without the Port Authority being required to resort to any other legal process. Termination on the *aforedescribed* basis shall be deemed a termination for cause.

(b) The Lessee shall indemnify and hold harmless the Port Authority and its Commissioners, officers, employees, agents and representatives from and against any and all claims, damages, losses, risks, liabilities and expenses (including, without limitation, attorney's fees and disbursements) *arising out of, relating to, or in connection with the Lessee's breach of any of its representations and warranties made under this Section.* Upon the request of the Port Authority, the Lessee shall at its own expense defend any suit based upon any such claim or demand (even if such suit, claim or demand is groundless, false or fraudulent) and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provision of any statutes respecting suits against the Port Authority.

(c) The provisions of this Section shall survive the expiration or earlier termination of this Agreement.

Section 57. Holdover

Without in any way limiting the provisions set forth in the Sections of this Agreement entitled "*Termination*", "*Right of Re-entry*" and "*Survival of the Obligations of the Lessee*", respectively, in the event the Lessee remains in possession of the Premises (without the written consent of the Port Authority through either a written notice from the Port Authority or a written agreement between the parties) after the expiration or termination of the term of the letting under this Agreement, as it may be extended from time to time, in addition to any damages to which the Port Authority may be entitled under this Agreement or other remedies the Port Authority may have by law or otherwise, the Lessee shall pay to the Port Authority a rental for the period commencing on the day immediately following the date of such expiration or the effective date of such termination and ending on the date that the Lessee shall surrender and completely vacate the Premises at an annual rate equal to twice the sum of (i) the annual rate of the basic rental in effect on the date of such expiration or termination, plus (ii) all items of additional rent and other periodic charges, including without limitation the percentage rental, payable with respect to the Premises by the Lessee at the annual rate in effect during the 365 day period immediately preceding such date. Nothing herein contained shall give, or be deemed to give, the Lessee any right to remain in possession of the Premises after the expiration or termination of the letting under this Agreement. The Lessee acknowledges that the failure of the Lessee to surrender, vacate and yield up the Premises to the Port Authority on the effective date of such expiration or termination will or may cause the Port Authority injury, damage or loss. The Lessee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Lessee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss.

Section 58. Waiver of Trial by Jury

The Lessee waives its right to trial by jury in any summary proceeding or action that may hereafter be instituted by the Port Authority against the Lessee in respect of the Premises and/or in any action that may be brought by the Port Authority to recover rentals, fees, damages, or other sums due and owing under this Agreement. The Lessee specifically agrees that it shall not interpose any claims as counterclaims in any summary proceeding or in any action for non-payment of rents, fees or other amounts which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

Section 59. Liquidated Damages

The Port Authority may assess, in its sole discretion, and Lessee shall pay within ten (10) days of written demand therefor as liquidated damages, and not as a penalty, the amounts described below for each of the events described below:

(a) If Lessee shall fail to open the Premises for business after and including the Rental Payment Start Date, then Lessee shall pay the amount of Two Hundred Fifty Dollars (\$250.00) per day for each day Lessee is not open for business. If such failure shall continue for in excess of sixty (60) days, the amount of such liquidated damages may be increased up to a maximum of Five Hundred Dollars (\$500.00) per day.

(b) If Lessee shall fail to furnish to the Port Authority any Monthly Statement or Annual Statement within the time required by this Lease, then Lessee shall pay the amount of One Hundred Dollars (\$100.00) per statement per day until such statement is properly delivered to the Port Authority for the first (1st) such failure to furnish a statement in any rolling

twelve (12) month period, Two Hundred Fifty Dollars (\$250.00) per statement per day until such statement is delivered to the Port Authority for the second (2nd) such failure to furnish a statement in any rolling twelve (12) month period, and Five Hundred Dollars (\$500.00) per statement per day until such statement is delivered to the Port Authority for the third (3rd) and all subsequent failures to furnish any such statement in any rolling twelve (12) month period.

(c) If Lessee shall fail to provide the required certificate signed by the architect or engineer who sealed the Lessee's plans certifying that all of Lessee's Work, if any, has been performed in accordance with the approved plans and specifications and/or if Lessee shall fail to provide the as-built drawings in form and number requested by the Port Authority, as required by *Section 51(b)*, within ninety (90) days of the completion of Lessee's Work, then Lessee shall pay the amount of Three Hundred Dollars (\$300.00) per day for each day that it is not delivered to the Port Authority. If such failure shall continue for a period exceeding one hundred eighty (180) days after the completion of Lessee's Work, such shall be a material default by Lessee hereunder entitling the Port Authority to all remedies available to it hereunder or at law.

(d) If Lessee shall fail to operate its business as provided in the Section of this Agreement entitled "*Various Obligations of the Lessee*", and in accordance with any other operating standards implemented by the Port Authority, then Lessee shall pay the amount of One Hundred Dollars (\$100.00) per instance per day that Lessee fails to operate its business in accordance with the terms hereof for the first (1st) violation in any rolling twelve (12) month period, and the amount of Two Hundred Dollars (\$200.00) per instance that Lessee fails to operate its business in accordance with the terms hereof for the second (2nd) and any subsequent violations in any rolling twelve (12) month period.

(e) If Lessee shall fail to adjust its prices to comply with any criteria or policies for "Street Prices" in accordance with *Sections 13(c), (d) and (e)* of the Section of this Agreement entitled "*Sales and Services by the Lessee*", then Lessee shall pay the amount of One Hundred Dollars (\$100.00) per day for each day that Lessee is not in compliance with such criteria and policies for the first (1st) violation in any rolling twelve (12) month period, and the amount of Two Hundred Dollars (\$200.00) per day for each day that Lessee is not in compliance with such criteria and policies for the second (2nd) and any subsequent violations in any rolling twelve (12) month period.

(f) If Lessee shall fail to operate its business as provided in *Section 13(f)* of the Section of this Agreement entitled "*Sales and Services by the Lessee*", then Lessee shall pay the amount of One Hundred Dollars (\$100.00) per hour for each hour Lessee fails to operate its business during any required operating hours for the first (1st) violation in any rolling twelve (12) month period, and the amount of Two Hundred Dollars (\$200.00) per hour for each hour Lessee fails to operate its business during any required operating hours for the second (2nd) and any subsequent violations in any rolling twelve (12) month period.

(g) If Lessee shall be in default of the Section of this Agreement entitled "*Signs*" relating to Lessee's use and placement of signs, then Lessee shall pay the amount of One Hundred Fifty Dollars (\$150.00) for each day of default in order to reimburse the Port Authority for the additional administrative expenses resulting therefrom.

Section 60. Amendments/Modifications

(a) Notwithstanding the provisions of paragraph (a) of the Section of this Agreement entitled "*Prohibited Acts*", paragraph (c) of the Section of this Agreement entitled "*Construction by the Lessee*" or the Section of this Agreement entitled "*Surrender*", and without limiting the generality thereof, the Lessee on the expiration or earlier termination of this Agreement shall not be required (nor permitted to remove the walls, floors or ceilings (including any heating, [AMS BW Newark JV/Hudson Booksellers/Lease No ANC-011])

ventilating, air conditioning, electrical, plumbing or sprinkling equipment or systems, or kitchen exhaust flue, if any) in the Premises constructed or installed prior to the commencement of the letting, or as part of any finishing work in the Premises performed by the Lessee pursuant to the provisions of the Sections of this Agreement entitled "*Construction by the Lessee*" and "*Finishes and Decorating by the Lessee*", respectively, but the Lessee shall be required to cap all electrical and plumbing lines flush with the walls, floors and ceilings. Nothing herein shall be deemed to affect or impair the Lessee's maintenance and repair obligations during the term of the letting with respect to any of the foregoing. The Lessee on the expiration or earlier termination of the letting, including a termination pursuant to the Section of this Agreement entitled "*Thirty Day Termination*", shall be required to remove from the Premises leasehold trade fixtures and leasehold equipment, including without limitation, shelving, display cases, floor counters, items displaying the Lessee's trademark, trade name, trademark, trade dress, copyright or service mark, and similar installations installed by the Lessee in the Premises and to restore the Premises to the condition thereof prior to the construction or installation of such leasehold trade fixtures and equipment. In the event of a failure on the part of the Lessee to so remove and restore all or a portion of such leasehold trade fixtures and leasehold equipment, the Port Authority may do so, and the Lessee shall pay the cost thereof to the Port Authority on demand.

(b) Notwithstanding the provisions of paragraph (1)(3) of the Section of this Agreement entitled "*Definitions*" with respect to the definition of "*Gross Receipts*", the exclusions from Gross Receipts shall not only include volume discounts received from Lessee's vendors, suppliers and manufacturers but shall also include rebates that reduce Lessee's cost of goods; provided, however, all RDAs shall be included in Lessee's Gross Receipts.

(c) Notwithstanding the provisions of paragraph (j) of the Section of this Agreement entitled "*Various Obligations of the Lessee*", the first three sentences of such paragraph (j) deleted and are replaced with the following: "Airport Concession. Disadvantaged Business Enterprises ("**ACDBE**"). If any member of AMS-BW Newark is required to apply as an ACDBE with the Port Authority, please check here (X). Such member shall immediately take all steps necessary to obtain such certification from the Port Authority on or before the Rental Payment Start Date."

(d) Notwithstanding the provisions of paragraph (i) of the Section of this Agreement entitled "*Various Obligations of the Lessee*" and further notwithstanding the provisions of paragraph (a) of the Section of this Agreement entitled "*Finishes and Decorations by the Lessee*", Lessee shall not be required to remediate any Hazardous Substances that were present in or adjacent to any portion of the Premises on or before the date such portion of the Premises was initially delivered by the Authority to Lessee.

Section 61. Miscellaneous

(a) **Relationship of the Parties.** Notwithstanding any other term or provision hereof, this Agreement does not constitute the Lessee as the agent or representative of the Port Authority for any purpose whatsoever. Neither a partnership nor any joint venture is hereby created.

(b) **Lessee's Rights Non-Exclusive.** Except as expressly provided herein with respect to the Premises, neither the execution of this Agreement by the Port Authority nor anything contained herein shall grant or be deemed to grant to the Lessee any exclusive rights or privileges.

(c) **Updating of Federal Requirements.** The Lessee specifically acknowledges and agrees that the Federal requirements set forth in **Schedule E** may be revised or updated from time to time and that, accordingly, the Port Authority may from time to time, by notice to the Lessee, provide to the Lessee revised or updated forms of **Schedule E** to replace the **Schedule E** currently attached to and forming a part of this Agreement. Such replacement **Schedule E** shall, from the

[AMS BW Newark JV/Hudson Booksellers/Lease No. ANC-011]

effective date of such notice, be deemed to constitute an integral part of this Agreement. The Lessee further specifically acknowledges that the same revision or updating of Federal requirements may occur from time to time with respect to the regulations set forth in 49 CFR Part 23 of the Department of Transportation Office of the Secretary and that the provisions of this paragraph relating to **Schedule E** shall apply equally to those set forth in **Schedule G**.

Section 62. Entire Agreement

This Agreement consists of the following: Sections 1 through 62 inclusive, plus Exhibits A-1, A-2, B, C, R, U, X, Schedule A, Schedule E and Schedule G.

It constitutes the entire agreement of the parties on the subject matter hereof and may not be changed, modified, discharged or extended except by written instrument duly executed by the Port Authority and the Lessee. The Lessee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing in this Agreement.

IN WITNESS WHEREOF, the parties hereto have executed these presents as of the day and year first above written.

EXHIBIT B

Rental, Abatement, Insurance Limits and Other Terms

Item I: Rental Provisions:

(a) Basic Rental and Additional Rental:

(1) The Lessee shall pay to the Port Authority a basic rental (sometimes referred to herein as "**Basic Rental**" or "**MAG**") at the annual rate of Eighty-Eight Thousand Four Hundred Dollars and No Cents (\$88,400.00), payable in equal monthly installments in advance on the Rental Payment Start Date and on the first day of each and every calendar month thereafter occurring during the **first Annual Period of the term** of the letting hereunder, provided, however, that if the Rental Payment Start Date shall occur on a day other than the first day of a calendar month, the monthly installment of the applicable Basic Rental, i.e., MAG, payable for the portion of the calendar month in which such respective event occurs following such date shall be an amount equal to the monthly installment set forth in this subparagraph multiplied by a fraction, the numerator of which shall be the number of days from such respective event to the end of the calendar month in which such respective event occurs, and the denominator of which shall be the full number of days in that calendar month. If the date of expiration or termination of the letting hereunder occurs on other than the last day of the month, the applicable Basic Rental payable for the portion of the month in which the date of such expiration or termination shall occur during which the letting thereof remains effective shall be the amount of the monthly installment of such applicable Basic Rental set forth in this subparagraph prorated on a daily basis.

(2) The Basic Rental shall be adjusted for each subsequent Annual Period as follows: Eighty-five percent (85%) of the prior Annual Period's total Effective Rental, but in no event less than Eighty-Eight Thousand Four Hundred Dollars and No Cents (\$88,400.00). "**Effective Rental**" means the annual aggregate of Basic Rental plus Percentage Rental (based on actual Gross Receipts for the prior Annual Period) required to be paid hereunder.

(b) Percentage Rental

In addition to the Basic Rental payable under paragraph (a) above, the Lessee shall pay to the Port Authority an annual "**Percentage Rental**" equivalent to the excess, over the applicable annual Basic Rental established for such Annual Period under paragraph (a) above, of the sum of the following for the same Annual Period.

(1) Eight percent (8%) of all Gross Receipts up to Eight Hundred Thousand Dollars (\$800,000.00) per Annual Period, payable monthly, inclusive of amounts payable, if any, with respect to RDAs arising during each Annual Period; plus

(2) Ten percent (10%) of all Gross Receipts between Eight Hundred Thousand Dollars and 01/100 (\$800,000.01) up to One Million Two Hundred Thousand Dollars (\$1,200,000.00) per Annual Period, payable monthly; inclusive of amounts payable, if any, with respect to RDAs arising during each Annual Period; plus

(3) Fourteen percent (14%) of Gross Receipts in excess of One Million Two Hundred Thousand Dollars (\$1,200,000.00) per Annual Period, payable monthly; inclusive of amounts payable, if any, with respect to RDAs arising during each Annual Period.

The computation of Percentage Rental for each Annual Period, or a portion of an Annual Period as hereinafter provided, shall be individual to such Annual Period or such portion of an Annual Period and without relation to any other Annual Period or any other portion of any Annual Period. The time for making payment and the method of calculation of Percentage Rental shall be as set forth in paragraph (d) of this Item 1.

(c) For any Annual Period which contains more or less than 365 days, the Basic Rental shall be the amount obtained by multiplying the item by a fraction, the numerator of which shall be the number of days from the commencement of such Annual Period through the last day thereof, both dates inclusive, and the denominator of which shall be 365.

(d) Time of Payment of Percentage Rental Computations of Amounts and Accounting

(1) The Gross Receipts shall be reported and the Percentage Rental shall be paid as follows: on the 15th day of the first calendar month following the commencement of each Annual Period and on the 15th day of each and every calendar month thereafter without notice or demand, including the month following the end of each Annual Period and the calendar month following the expiration of the letting hereunder, the Lessee shall render to the Port Authority a sworn statement showing separately (by type of Gross Receipts and by sales location, if there be more than one sales location, or, if applicable, the amounts of the Percentage Rental rates applicable to the categories stated above of Gross Receipts referred to paragraph (b) of this Item 1 arising from its operations at the sales area(s) (including any interim space) of the Premises in the preceding month, or, if applicable, the Lessee shall specify separately the percentages and the results of applying each of the percentages, as provided in said provisions) and also showing such information on a cumulative basis from the date of the commencement of the same Annual Period as that for the month for which the report is made through the last day of the preceding month. Whenever any monthly statement shall show that the results of applying the provisions of paragraph (b) of this Item 1 indicate Percentage Rental on such cumulative basis to be in excess of the Basic Rental for the Annual Period for which the report is made, the Lessee shall pay to the Port Authority at the time of rendering the statement an amount equal to such excess. Further, the Lessee shall thereafter on the 15th day of each subsequent month during that Annual Period, and the month following the end of that Annual Period, including the month following the expiration of the letting hereunder, pay to the Port Authority for each such month during that Annual Period a sum equal to the amounts yielded by applying the percentages set forth in paragraph (b) of Item 1 of Exhibit B and without reference to the monthly installment of the Basic Rental.

(2) Upon any termination of the letting hereunder (even if stated to have the same effect as expiration), Gross Receipts shall be reported and Percentage Rental shall be paid on the 15th day of the first month following the month in which the effective date of such termination occurs, as follows. The Lessee shall render to the Port Authority a sworn statement of all Gross Receipts for the Annual Period in which the effective date of termination falls showing separately (by type of Gross Receipts and by sales location, if there be more than one sales location) the cumulative amount of the different types of Gross Receipts set forth in paragraph (b) of this Item 1 and separately showing the percentages and the results of applying the percentages as stated in said provisions applicable to each of such different types and amounts of Gross Receipts. The payment then due on account of Percentage Rental for the Annual Period in which the effective date of termination falls shall be the excess of the Percentage Rental computed as set forth in the following sentence, over the total of all Percentage Rental payments previously made for such Annual Period. The Percentage Rental due for any such Annual Period in which the effective date of termination falls shall be equal to the excess, over the prorated Basic Rental established for such Annual Period pursuant to the proration provisions set forth in paragraph (c) of this Item 1, of the amount resulting from applying the provisions of paragraph (b) of this Item 1 to the cumulative amount of the different types of Gross

Receipts arising during such Annual Period in accordance with the formula set forth in paragraph (b) of this Item 1, adjusted pursuant to the proration provisions set forth in paragraph (c) of this Item 1.

(c) Abatement

(1) For every calendar day or major fraction thereof that the Lessee shall be entitled to abatement during the period commencing on the commencement date of the term of the letting hereunder and continuing through the expiration of said term of the letting hereunder, the Basic Rental established for such period shall be reduced (abated) by the product of the MAG multiplied by a fraction the numerator of which shall be the number of square feet of floor space as to which the abatement applies and the denominator of which shall be the total number of square feet in the Premises.

(2) For the purpose of abatement, the ascertainment of the number of square feet contained in the Premises to be measured shall be in accordance with the following: Areas of the Premises and parts thereof will be computed by measuring from the inside plaster surface of outer building walls to the plaster surface of the corridor side of corridor partitions and to the center of partitions that separate the Premises from adjoining rentable area: no deduction will be made for columns, pilasters, or projections necessary to the building or for toilets, porter's closets, and slop sinks used exclusively by the Lessee and contained within the Premises. Permanent partitions enclosing elevator shafts, stairs, fire towers, vents, pipe shafts, meter closets, flues, stacks, and any vertical shafts have the same relation to rentable area, as do outer building walls.

(3) Nothing contained in this Item 1 shall affect the survival of the obligations of the Lessee as set forth in the Section of this Agreement entitled "*Survival of the Obligations of the Lessee*".

Item 2: Liability Insurance Limits:

The Lessee in its own name as insured with the Protected Indemnities as additional insureds shall maintain liability insurance coverage referred to in paragraph (b) of the Section of this Agreement entitled "*Indemnity; Liability Insurance*" in not less than the following minimum limits:

| | <u>Minimum Limits</u> |
|--|-----------------------|
| Commercial General Liability: Combined single limit per occurrence for death, bodily injury and property damage liability (including premises operations, completed operations, and products liability) | \$2,000,000 |
| Commercial Automobile Liability: Combined single limit per occurrence for death, bodily injury and property damage liability | Not Applicable |
| Liquor Liability | \$2,000,000 |

Item 3: Not Applicable

Item 4: Construction:

Per Section of this Agreement entitled "*Finishing and Decorating by the Lessee*"

Item 5: Construction Liability Limits:

The limits of liability insurance shall not be lower than those set forth in the Alteration Application referred to in the Section of this Agreement entitled "*Finishing and Decorating by the Lessee*".

Item 6: Cost and Proration Thereof:

(a) The sum of the following items of cost incurred by the Lessee in connection with the performance of the Lessee's Work shall constitute the "cost" under the Section of this Agreement entitled "*Finishes and Decorating by the Lessee*" and under subdivisions (b), (c), (d), (e), (f), and (g) hereof, to the extent that such characterization is consistent with sound accounting practice and to the extent that such sum does not exceed the amount of Five Hundred Fifteen Thousand Seven Hundred Dollars and No Cents (\$515,700.00) in the aggregate with respect to both the initial and refurbishment capital investments.

(1) Direct labor and material costs;

(2) Contract costs for purchase and installation of improvements, fixtures and equipment, excluding those of the types mentioned in the following subdivision (3);

(3) Engineering, architectural, planning, designing, financing, interest, insurance, and other overhead or carrying charges which are due for a period ending not later than the date of completion of installation of any such initial equipment, fixtures, or improvements for which they are incurred, and not to exceed twenty percent (20%) of the total of the amounts covered by subdivisions (1) and (2) above.

(b) A statement of the cost detailing all of the foregoing, including copies of invoices and contracts and certified by a responsible officer of the Lessee shall be delivered by the Lessee to the Port Authority not later than ninety (90) days after the complete supplying and installing of all such initial fixtures or equipment and the making of all such initial improvements, and the Lessee shall permit the Port Authority, by its agents, employees, and representatives, at all reasonable times prior to a final settlement or determination of cost, to examine and audit the records and books of the Lessee and any Affiliate thereof which pertain to the cost; the Lessee agrees to keep and to cause its Affiliates to keep such records and books of account within the Port of New York District during such time.

(c) If the Lessee includes in cost any item as having been incurred, but which, in the opinion of the Port Authority, was not so incurred or which, in the opinion of the Port Authority, if so incurred is not an item properly chargeable to cost under sound accounting practice, then the Port Authority, within ninety (90) days after receipt of the said statement of cost as mentioned in subdivision (b) above, shall give written notice to the Lessee stating its objection to any such item and the grounds therefor. If such notice is given and if the dispute is not settled within thirty (30) days by agreement between the parties, then such dispute shall be disposed of by arbitration in accordance with the then existing rules of the American Arbitration Association or any successor organization. Costs of said arbitration shall be borne equally by the Port Authority and the Lessee.

(d) In any such arbitration as to whether any item included by the Lessee in its computation of cost has been incurred, the question to be submitted to the arbitrators for decision shall be as follows:

"Was all or any part of such cost incurred by the Lessee; and if part, but not all of such cost was incurred, what was the amount which was so incurred?"

(e) Any such arbitration as to whether any item included by the Lessee in its computation of cost is properly chargeable thereunder under sound accounting practice, the question to be submitted to the arbitrators for decision shall be as follows:

"Can it reasonably be held that all or any part of such cost is properly chargeable under sound accounting practice; and if part, but not all of such cost can be reasonably held to be so chargeable, then what amount can reasonably be held to be so chargeable?"

The arbitrators to whom such question(s) shall be submitted (under the preceding paragraphs (d) and (e)) shall be accountants or auditors.

(f) The proration of cost as referred to in the Section entitled "*Finishes and Decorating by the Lessee*" shall be ascertained by multiplying the cost by a fraction, the numerator of which shall be the number of whole calendar months (in the term of the letting as originally set forth) subsequent to the effective date of termination, and the denominator of which shall be the total number of months in the term of the letting as originally set forth.

(g) Notwithstanding any other provision of the Section of this Agreement entitled "*Finishes and Decorating by the Lessee*", in ascertaining the amount that the Port Authority shall be obligated to pay to the Lessee under said Section, the cost computed as heretofore stated in this Item shall be diminished by the amount that any part of the components of cost as stated in subdivisions (1), (2), and (3) of paragraph (a) above are secured by liens, mortgages, other encumbrances, or conditional bills of sale on such equipment, fixtures, and improvements and less any other amounts whatsoever due under this Agreement from the Lessee to the Port Authority. In no event whatsoever shall cost, as defined and computed in accordance with this Item and as used in the above-cited Section and in this Item, include any expenses, outlays, or charges whatsoever by or for the account of the Lessee for or in connection with any equipment or fixtures or the making of any improvements mentioned in said Section or in this Item unless said equipment, fixtures, and/or improvements are actually and completely installed in and/or made to the Premises and, in accordance with law unaffected by any act or statement of the Lessee, are considered part of the Premises.

Item 7: Performance Bond: Not applicable.

Item 8: Letting Postponed: Notwithstanding anything to the contrary set forth in this Agreement, in the event the Lessee is delayed in the performance of Lessee's Work following the initial delivery of any portion of the Premises due to: (a) the remediation by the Port Authority of any pre-existing Hazardous Substances which were present in or about the Premises, then Lessee shall have a day for day extension to complete Lessee's Work equal to the number of days that Lessee was so delayed; or (b) the failure of the Port Authority to issue all permits for the performance of Lessee's Work in accordance with the TAA process within a reasonable period of time following submission of fully satisfactory and complete Tenant Alteration Application(s) (inclusive, by way of example, of drawings and specifications and any and all revisions of same required by the Port Authority) by Lessee or the failure of the Port Authority to inspect within a reasonable period of time the Premises following receipt by the Port Authority of notice of the completion of Lessee's Work, and such actual completion, in accordance with the TAA process and neither of which was due to any fault on the part of Lessee, then Lessee shall have a day for day extension to complete Lessee's Work equal to the number of days that Lessee was so delayed. The period of delay with respect to Item 8(a) shall be

calculated from the day in which Lessee is instructed to cease Lessee's Work by the Port Authority to the day in which Lessee is given the clearance to resume Lessee's Work by the Port Authority following the Port Authority's receipt of the proper certification from the certified abatement contractor in accordance with standard policies and procedures in effect for the Terminal. The period of delay with respect to Item 8(b) shall be calculated to include any days which Lessee is prevented from starting Lessee's Work due to delays by the Port Authority in issuing permits in accordance with the TAA process as well as any days in which Lessee is prevented from opening any portion of the Premises for business to the public due to delays by the Port Authority in completing any inspections of the Premises in accordance with the TAA process. In the event of any such delays, the Port Authority shall send Lessee a confirmation letter setting the actual Rental Payment Start Date making due allowance for such delays and expiration of the Term of this Agreement.

Hudson Booksellers

Book/Product List

Hudson Group is proposing upwards of 6,000 to 8,000 of paperback and hardback books in all categories. Our book selection places great emphasis on regional authors and titles. Unlike most bookstores that tend to use their own "in house" bestseller list, Hudson Booksellers uses the New York Times Best Seller and New Release list, as we believe it produces maximum sales. Categories include:

| | | |
|-------------|----------------|-----------|
| Biography | Home | Reference |
| Business | Health | Travel |
| Child Care | History | Religion |
| Children's | Hobby | Romance |
| Classics | Language | Nature |
| Computer | Maps | Sci-Fi |
| Cooking | Music | Sports |
| Fiction | Mystery/Horror | Regional |
| Games | Psychology | Humor |
| Young Adult | Crafts | Science |

A large selection of hardcover and paperback books, children's books, book on tape, downloadable books, digital books, games, book accessories.

Other reading materials include: maps, travel books, bargain books, children's books, baseball cards, cook books, calendars, software and audio books, DVDs, CDs, music.

Please note that all reading materials are sold at the manufacturer's pre-printed prices.

SCHEDULE E

AFFIRMATIVE ACTION – EQUAL OPPORTUNITY – MINORITY BUSINESS ENTERPRISES – WOMEN-OWNED BUSINESS ENTERPRISES REQUIREMENTS

Part I. Affirmative Action Guidelines – Equal Employment Opportunity

I. As a matter of policy, the Port Authority hereby requires the Lessee and the Contractor shall require the Contractor, as hereinafter defined, to comply with the provisions set forth hereinafter in this Schedule E with the Lessee (as defined in the Agreement to which this Schedule E is attached). The provisions set forth in this Part I are similar to the conditions for bidding on federal government contract adopted by the Office of Federal Contract Compliance and effective May 8, 1978.

The Lessee, as well as each bidder, contractor, and subcontractor of the Lessee and each subcontractor of a contractor at any tier of construction (herein collectively referred to as the "Contractor") must fully comply with the following conditions set forth herein as to each construction trade to be used on the construction work or any portion thereof (said conditions being herein called "Bid Conditions"). The Lessee hereby commits itself to the goals for minority and female utilization set forth below and all other requirements, terms, and conditions of the Bid Conditions. The Lessee shall likewise require the Contractor to commit itself to the said goals for minority and female utilization set forth below and all other requirements, terms, and conditions of the Bid Conditions by submitting a properly signed bid.

II. The Lessee and the Contractor shall each appoint an executive of its company to assume the responsibility for the implementation of the requirements, terms, and conditions of the following Bid Conditions:

(a) The goals for minority and female participation expressed in percentage terms for the Contractor's aggregate workforce in each trade on all construction work are as follows:

(1) Minority participation

| | |
|---------------------------|-----|
| Minority, except laborers | 30% |
| Minority, laborers | 40% |

(2) Female participation

| | |
|-------------------------|------|
| Female, except laborers | 6.9% |
| Female, laborers | 6.9% |

These goals are applicable to all the Contractor's construction work performed in and for the Premises.

The Contractor's specific affirmative action obligations required herein of minority and female employment and training must be substantially uniform throughout the length of the contract, and in each trade, and the Contractor shall make good faith efforts to employ minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the Contractor's goals shall be a violation of the contract. Compliance with the goals will be measured against the total work hours performed.

(b) The Contractor shall provide written notification to the Lessee and the Lessee shall provide written notification to the Manager of the Office of Business and Job Opportunity of the Port Authority within ten (10) working days of award of any construction subcontract in excess of \$10,000 at any tier for construction work. The notification shall list the name, address, and telephone number of the subcontractor; employer identification number; estimated starting and completion dates of the subcontract; and the geographical area in which the subcontract is to be performed.

(c) As used in these specifications:

(1) "Employer identification number" means the Federal Social Security number used on the Employer's Quarterly Federal Tax Return, U.S. Treasury Department Form 941;

(2) "Minority" includes:

(i) Black (all persons having origins in any of the Black African racial groups, not of Hispanic origin);

(ii) Hispanic (all persons of Mexican, Puerto Rican, Dominican, Cuban, Central or South American culture or origin, regardless of race);

(iii) Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands); and

(iv) American Indian or Alaskan Native (all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification).

(d) Whenever the Contractor, or any subcontractor at any tier, subcontracts a portion of the construction work involving any construction trade, it shall physically include in each subcontract in excess of \$10,000 those provisions which include the applicable goals for minority and *female participation*.

(e) The Contractor shall implement the specific affirmative action standards provided in subparagraphs (1) through (16) of Paragraph (h) hereof. The goals set forth above are expressed as percentages of the total hours of employment and training of minority and female utilization the Contractor should reasonably be able to achieve in each construction trade in which it has employees in the Premises. The Contractor is expected to make substantially uniform progress toward its goals in each craft during the period specified.

(f) Neither the provisions of any collective bargaining agreement, nor the failure by a union with whom the Contractor has a collective bargaining agreement, to refer either minorities or women shall excuse the Contractor's obligations hereunder.

(g) In order for the non-working training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees must be employed by the Contractor during the training period, and the Contractor must have made a commitment to employ the apprentices and trainees at the completion of their training subject to the availability of employment opportunities. Trainees must be trained pursuant to training programs approved by the U.S. Department of Labor.

(h) The Contractor shall take specific affirmative actions to ensure equal employment opportunity ("EEO").

The evaluation of the Contractor's compliance with these provisions shall be based upon its good faith efforts to achieve maximum results from its actions. The Contractor shall document these efforts fully, and shall implement affirmative action steps at least as extensive as the following:

(1) Ensure and maintain a working environment free of harassment, intimidation, and coercion at all sites, and in all facilities at which the Contractor's employees are assigned to work. The Contractor, where possible, will assign two or more women to each Phase of the construction project. The Contractor shall specifically ensure that all foremen, superintendents,

and other supervisory personnel at the Premises are aware of and carry out the Contractor's obligation to maintain such a working environment, with specific attention to minority or female individuals working at the Premises.

(2) Establish and maintain a current list of minority and female recruitment sources, provide written notification to minority and female recruitment sources and to community organizations when the Contractor or its unions have employment opportunities available, and maintain a record of the organizations' responses.

(3) Maintain a current file of the names, addresses, and telephone numbers of each minority and female off-the-street applicant and minority or female referral from a union, a recruitment source, or community organization and of what action was taken with respect to each such individual. If such individual was sent to the union hiring hall for referral and was not referred back to the Contractor by union or, if referred, not employed by the Contractor, this shall be documented in the file with the reason therefor, along with whatever additional actions the Contractor may have taken.

(4) Provide immediate written notification to the Lessee when the union or unions with which the Contractor has a collective bargaining agreement has not referred to the Contractor a minority person or woman sent by the Contractor, or when the Contractor has other information that the union referral process has impeded the Contractor's efforts to meet its obligations.

(5) Develop on-the-job training opportunities and/or participate in training programs for the area which expressly include minorities and women, including upgrading programs and apprenticeship and training programs relevant to the Contractor's employment needs, especially those programs funded or approved by the Department of Labor. The Contractor shall provide notice of these programs to the sources compiled under subparagraph (2) above.

(6) Disseminate the Contractor's EEO policy by providing notice of the policy to unions and training programs and requesting their cooperation in assisting the Contractor in meeting its EEO obligations; by including it in any policy manual and collective bargaining agreement; by publicizing it in the Contractor's newspaper, annual report, etc.; by specific review of the policy with all management personnel and with all minority and female employees at least once a year; and by posting the Contractor's EEO policy on bulletin boards accessible to all employees at each location where construction work is performed.

(7) Review, at least every six months, the Contractor's EEO policy and affirmative action obligations hereunder with all employees having any responsibility for hiring, assignment, layoff, termination, or other employment decision, including specific review of these items with on-Premises supervisory personnel such as Superintendents, General Foremen, etc., prior to the initiation of construction work at the Premises. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed, and disposition of the subject matter.

(8) Disseminate the Contractor's EEO policy externally by including it in any advertising in the news media, specifically including minority and female news media, and providing written notification to and discussing the Contractor's EEO policy with other Contractors and Subcontractors with whom the Contractor does or anticipates doing business.

(9) Direct its recruitment efforts, both oral and written, to minority, female, and community organizations, to schools with minority and female students and to minority and female recruitment and training organizations and to State-certified minority referral agencies serving the Contractor's recruitment area and employment needs. Not later than one month prior to the date for the acceptance of applications for apprenticeship or other training by any recruitment source, the Contractor shall send written notification to organizations such as the above, describing the openings, screening procedures, and tests to be used in the selection process.

(10) Encourage present minority and female employees to recruit other minority persons and women and, where reasonable, provide after school, summer, and vacation employment to minority and female youth both on the Premises and in areas of a Contractor's workforce.

(11) Tests and other selecting requirements shall comply with 41 CFR Part 60-3.

(12) Conduct, at least every six months, an inventory and evaluation at least of all minority and female personnel for promotional opportunities and encourage these employees to seek or to prepare for, through appropriate training, etc., such opportunities.

(13) Ensure that seniority practices, job classifications, work assignments, and other personnel practices do not have a discriminatory effect by continually monitoring all personnel and employment related activities to ensure that the EEO policy and the Contractor's obligations hereunder are being carried out.

(14) Ensure that all facilities and company activities are non-segregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure privacy between the sexes.

(15) Document and maintain a record of all solicitations of offers for subcontracts from minority and female construction contractors and suppliers, including circulation of solicitations to minority and female contractor associations and other business associations.

(16) Conduct a review, at least every six months, of all supervisors' adherence to and performance under the Contractors' EEO policies and affirmative action obligations.

(i) Contractors are encouraged to participate in voluntary associations which assist in fulfilling one or more of their affirmative action obligations (subparagraphs (1)-(16) of Paragraph (h) above). The efforts of a contractor association, joint contractor-union, contractor-community, or other similar group of which the Contractor is a member and participant, may be asserted as fulfilling any one or more of its obligations under Paragraph (h) hereof provided that: the Contractor actively participates in the group, makes good faith efforts to assure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the program are reflected in the Contractor's minority and female workforce participation, makes good faith efforts to meet its individual goals and timetables, and can provide access to documentation which demonstrates the effectiveness of actions taken on behalf of the Contractor. The obligation to comply, however, is the Contractor's and failure of such a group to fulfill an obligation shall not be a defense for the Contractor's non-compliance.

(j) A single goal for minorities and a separate single goal for women have been established. The Contractor, however, is required to provide equal opportunity and to take affirmative action for all minority groups, both male and female, and all women, both minority and non-minority. Consequently, the Contractor may be in violation hereof if a particular group is employed in a substantially disparate manner (for example, even though the Contractor has achieved its goals for women generally, the Contractor may be in violation hereof if a specific minority group of women is underutilized).

(k) The Contractor shall not use the goals and timetables or affirmative action standards to discriminate against any person because of race, color, religion, sex or national origin.

(l) The Contractor shall not enter into any subcontract with any person or firm debarred from Government contracts pursuant to Executive Order 11246.

(m) The Contractor shall carry out such sanctions and penalties for violation of this clause including suspension, termination and cancellation of existing subcontracts as

may be imposed or ordered by the Lessee. Any Contractor who fails to carry out such sanctions and penalties shall be in violation hereof.

(n) The Contractor, in fulfilling its obligations hereunder shall implement specific affirmative actions steps, at least as extensive as those standards prescribed in paragraph (h) hereof so as to achieve maximum results from its efforts to ensure equal employment opportunity. If the Contractor fails to comply with the requirements of these provisions, the Lessee shall proceed accordingly.

(o) The Contractor shall designate a responsible official to monitor all employment related activity to ensure that the company EEO policy is being carried out, to submit reports relating to the provisions hereof as may be required and to keep records. Records shall at least include for each employee the name, address, telephone numbers, construction trade, union affiliation if any, employee identification number when assigned, social security number, race, sex, status (e.g., mechanical apprentice, trainee, helper, or laborer), dates of changes in status, hours worked per week in the indicated trade, rate of pay, and location at which the work is performed. Records shall be maintained in an easily understandable and retrievable form; however, to the degree that existing records satisfy this requirement, contractors shall not be required to maintain separate records.

(p) Nothing herein provided shall be construed as a limitation upon the application of any laws which establish different standards of compliance or upon the application of requirements for the hiring of local or other area residents (e.g., those under the Public Works Employment Act of 1977 and the Community Development Block Grant Program).

(q) Without limiting any other obligation, term or provision under the Agreement, the Contractor shall cooperate with all federal, state or local agencies established for the purpose of implementing affirmative action compliance programs and shall comply with all procedures and guidelines established or which may be established by the Port Authority.

PART II.

MINORITY BUSINESS ENTERPRISES/WOMEN-OWNED BUSINESS ENTERPRISES

As a matter of policy the Port Authority requires that Lessee and the Lessee shall itself and shall require the general contractor or other construction supervisor and each of the Lessee's contractors to use every good faith effort to provide for meaningful participation by Minority Business Enterprises (MBEs) and Women-owned Business Enterprises (WBEs) in the construction work pursuant to the provisions of this Schedule E. For purposes hereof, "Minority Business Enterprise" "(MBE)" shall mean any business enterprise which is at least fifty-one percentum owned by, or in the case of a publicly owned business, at least fifty-one percentum of the stock of which is owned by citizens or permanent resident aliens who are minorities and such ownership is real, substantial and continuing. For the purpose hereof, "Women-owned Business Enterprise" "(WBE)" shall mean any business enterprise which is at least fifty-one percentum owned by, or in the case of a publicly owned business, at least fifty-one percentum of the stock of which is owned by women and such ownership is real, substantial and continuing. A minority shall be as defined in paragraph II(c) of Part I of this Schedule E. "Meaningful participation" shall mean that at least seventeen percent (17%) of the total dollar value of the construction contracts (including subcontracts) covering the construction work are for the participation of Minority Business Enterprises and Women-owned Business Enterprises, of which at least twelve percent (12%) are for the participation of Minority Business Enterprises. Good faith efforts to include meaningful participation by MBEs and WBEs shall include at least the following:

(a) Dividing the work to be subcontracted into smaller portions where feasible.

(b) Actively and affirmatively soliciting bids for subcontracts from MBEs and WBEs, including circulation of solicitations to minority and female contractor associations. The Contractor shall maintain records detailing the efforts made to provide for meaningful MBE and WBE participation in the work, including the names and addresses of all MBEs and WBEs contacted and, if any such MBE or WBE is not selected as a joint venturer or subcontractor, the reason for such decision.

(c) Making plans and specifications for prospective construction work available to MBEs and WBEs in sufficient time for review.

(d) Utilizing the list of eligible MBEs and WBEs maintained by the Port Authority or seeking minorities and women from other sources for the purpose of soliciting bids for subcontractors.

(e) Encouraging the formation of joint ventures, partnerships or other similar arrangements among subcontractors, where appropriate, to insure that the Lessee and Contractor will meet their obligations hereunder.

(f) Insuring that provision is made to provide progress payments to MBEs and WBEs on a timely basis.

(g) Not requiring bonds from and/or providing bonds and insurance for MBEs and WBEs, where appropriate.

Certification of MBEs and WBEs hereunder shall be made by the Office of Business and Job Opportunity of the Port Authority. If the Contractor wishes to utilize a firm not already certified by the Port Authority, it shall submit to the Port Authority a written request for a determination that the proposed firm is eligible for certification. This shall be done by completing and forwarding such form as may be then required by the Port Authority. All such requests shall be in writing addressed to the Office of Business and Job Opportunity, the Port Authority of New York and New Jersey, One World Trade Center, 63 East, New York, New York 10048 or such other address as the Port Authority may specify by notice to the Lessee. Certification shall be effective only if made in writing the Director in charge of the Office of Business and Job Opportunity of the Port Authority. The determination of the Port Authority shall be final and binding.

The Port Authority has compiled a list of the firms that the Port Authority has determined satisfy the criteria for MBE and WBE certification. This list may be supplemented and revised from time to time by the Port Authority. Such list shall be made available to the Contractor upon request. The Port Authority makes no representation as the financial responsibility or such, firms, their technical competence to perform, or any other performance-related qualifications.

Only MBE's and WBE's certified by the Port Authority will count toward the MBE and WBE goals.

Please note that only sixty percent (60%) of expenditures to MBE or WBE suppliers will count towards meeting the MBE and WBE goals. However, expenditures to MBE or WBE manufacturer's (i.e., suppliers that produce goods from raw materials or substantially alter them before resale) are counted dollar for dollar.

For AMS-BW Newark JV: *[Signature]*

For Branded Works, Inc.: *[Signature]*

SCHEDULE G

Airport Concession Disadvantaged Business Enterprise ("ACDBE") Participation

In accordance with regulations of the US Department of Transportation 49 CFR Part 23 the Port Authority has implemented an Airport Concession Disadvantaged Business Enterprise ("ACDBE") program under which qualified firms may have the opportunity to operate an airport business. The Port Authority has established an ACDBE participation goal, as measured by the total estimated annual gross receipts for the overall concession program. The goal is modified from time to time and posted on the Port Authority's website: www.panynj.gov.

The overall ACDBE goal is a key element of the Port Authority's concession program and Lessee shall take all necessary and reasonable steps to comply with the requirements of the Port Authority's ACDBE program. The Concessionaire commits to making good faith efforts to achieve the ACDBE goal. Pursuant to 49 CFR 23.25(f), ACDBE participation must be, to the greatest extent practicable, in the form of direct ownership, management and operation of the concession or the ownership, management and operation of specific concession locations through subleases. The Port Authority will also consider participation through (1) joint venture in which ACDBEs control a distinct portion of the joint venture business and/or purchase of goods and services from ACDBEs. In connection with the aforesaid good faith efforts, as to those matters contracted out by the Concessionaire in its performance of this agreement, the Concessionaire shall use, to the maximum extent feasible and consistent with the Concessionaire's exercise of good business judgment including without limit the consideration of cost competitiveness, a good faith effort to meet the Port Authority's goals. Information regarding specific good faith steps can be found in the Port Authority's ACDBE Program located on its above-referenced website. In addition, the Concessionaire shall keep such records as shall enable the Port Authority to comply with its obligations under 49 CFR Part 23 regarding efforts to offer opportunities to ACDBEs.

Qualification as an ACDBE

To qualify as an ACDBE, the firm must meet the definition set forth below and be certified by the New York State or New Jersey Uniform Certification Program (UCP). The New York State UCP directory is available on-line at www.nysucp.net and the New Jersey UCP at www.njucp.net.

An ACDBE must be a small business concern whose average annual receipts for the preceding three (3) fiscal years does not exceed \$47.78 million and it must be (a) at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operations are controlled by one or more of the socially or economically disadvantaged individuals who own it. The personal net worth standard used in determining eligibility for purposes of Part 23 is \$750,000.

The ACDBE may, if other qualifications are met, be a franchisee of a franchisor. An airport concession is a for-profit business enterprise, located on an airport, which is subject to the Code of Federal Regulations 49 Part 23 that is engaged in the sale of consumer goods or services to the public under an agreement with the sponsor, another concessionaire, or the owner or operator of a terminal, if other than the sponsor. The Port Authority makes a rebuttable presumption that individuals in the following groups who are citizens of the United States or lawful permanent residents are "socially and economically disadvantaged":

- a. Women;
- b. Black Americans which includes persons having origins in any of the Black racial groups of Africa;

c. Hispanic Americans which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;

d. Native Americans which includes persons who are American Indians, Eskimos, Aleuts or Native Hawaiians;

e. Asian-Pacific Americans which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific Islands (Republic of Palau), the Commonwealth Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Juvalu, Nauru, Federated States of Micronesia or Hong Kong;

f. Asian-Indian Americans which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, Maldives Islands, Nepal and Sri Lanka; and

g. Members of other groups, or other individuals, found to be economically and socially disadvantaged by the Small Business Administration under Section 8(a) of the Small Business Act, as amended (15 U.S.C. Section 637(a)).

Other individuals may be found to be socially and economically disadvantaged on a case-by-case basis. For example, a disabled Vietnam veteran, an Appalachian white male, or another person may claim to be disadvantaged. If such individual requests that his or her firm be certified as ACDBE, the Port Authority, as a certifying partner in the New York State and New Jersey UCPs will determine whether the individual is socially or economically disadvantaged under the criteria established by the Federal Government. These owners must demonstrate that their disadvantaged status arose from individual circumstances, rather than by virtue of membership in a group.

Certification of ACDBEs hereunder shall be made by the New York State or New Jersey UCP. If Concessionaire wishes to utilize a firm not listed in the UCP directories but which the Concessionaire believes should be certified as an ACDBE, that firm shall submit to the Port Authority a written request for a determination that the firm is eligible for certification. This shall be done by completing and forwarding such forms as may be required under 49 CFR Part 23. All such requests shall be in writing, addressed to Lash Green, Director, Office of Business and Job Opportunity, The Port Authority of New York and New Jersey, 233 Park Avenue South, 4th Floor, New York, New York 10003 or such other address as the Port Authority may designate from time to time. Contact OBJOCert@panynj.gov for inquiries or assistance.

General

In the event the signatory to this agreement is a Port Authority permittee, the term Concessionaire shall mean the Permittee herein. In the event the signatory to this agreement is a Port Authority lessee, the term Concessionaire shall mean the Lessee herein.

AGREEMENT OF LEASE

THIS AGREEMENT OF LEASE ("**Agreement**"), dated as of November 11, 2009, by and between the PORT AUTHORITY OF NEW YORK AND NEW JERSEY (hereinafter called the "**Port Authority**") a body corporate and politic, created by Compact between the States of New York and New Jersey with the consent of the Congress of the United States of America, and having an office at 225 Park Avenue South, in the Borough of Manhattan, City, County and State of New York, and **AMS-BW NEWARK JV**, a joint venture between Airport Management Services, LLC, a limited liability company organized and existing under and by virtue of the laws of the State of Delaware and Branded Works, Inc., a corporation organized and existing under and by virtue of the laws of the State of Louisiana and having an office for the transaction of business at c/o The Hudson Group, One Meadowlands Plaza, Suite 902, East Rutherford, New Jersey 07073 whose representative is Michael R. Mullaney; **AIRPORT MANAGEMENT SERVICES, LLC**, a limited liability company organized and existing under and by virtue of the laws of the State of Delaware and having an office for the transaction of business at c/o The Hudson Group, One Meadowlands Plaza, Suite 902, East Rutherford, New Jersey 07073 whose representative is Michael R. Mullaney; and **BRANDED WORKS, INC.**, a corporation organized and existing under and by virtue of the laws of the State of Louisiana and having an office for the transaction of business at 110 Travis Street, Lafayette, Louisiana 70503 whose representative is Ruth Ann Menutis (AMS-BW Newark JV, Airport Management Services, LLC and Branded Works, Inc. being jointly and severally liable hereunder and such joint venture, limited liability company and corporation being hereinafter collectively called the "**Lessee**").

WITNESSETH, THAT, the Port Authority and the Lessee, for and in consideration of the rents, covenants and agreements hereinafter contained, mutually covenant and agree as follows:

Section 1. Definitions

The following terms, when used in this Agreement, shall have the respective meanings given below:

(a) "**Adjustment Period**" shall have the meaning set forth in the Section of this Agreement entitled "*Additional Rent Items and Lessee Obligations*".

(b) "**Affiliate**" shall mean any person that directly or indirectly through one or more intermediaries, controls or is controlled by or is under common control with the Lessee and any entity in which the Lessee or a shareholder of the Lessee has an ownership, licensor/licensee or franchiser/franchisee interest or relationship, but if the Lessee shall be a corporation whose voting securities shall be registered with the Securities and Exchange Commission and publicly traded on a regular basis then only such shareholder of the Lessee having an ownership interest greater than five percent (5%). The term "**control**" (including the terms controlling, controlled by and under common control with) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract or otherwise.

(c) "**Airline Leases**" shall mean those leases in effect at the Terminal(s) between the Port Authority, as lessor, and various airlines, as lessees, from time to time during the term of this Agreement, as the same have been or shall be supplemented or amended including, without limitation, all letter agreements entered into between the Port Authority and the relevant airline lessee(s). For purposes of this Agreement, the aforementioned airlines shall be referred to as "airline lessees".

(d) "**Airport**" shall mean Newark Liberty International Airport.

(e) **“Airport Concession Disadvantaged Business Enterprise (“ACDBE)”** shall have the meaning set forth in Schedule G.

(f) **“Anniversary Date”** shall have the meaning set forth in the Section of this Agreement entitled *“Additional Rent Items and Lessee Obligations”*.

(g) **“Annual Index Increase”** shall have the meaning set forth in the Section of this Agreement entitled *“Additional Rent Items and Lessee Obligations”*.

(h) **“Annual Period”** shall mean the following: The first annual period shall be the period commencing with the Rental Payment Start Date and ending on December 31 next following, and thereafter Annual Period shall mean each twelve (12) month consecutive, calendar month period thereafter occurring during the term of the letting under this Agreement commencing on each anniversary of January 1, provided, however, that the last Annual Period shall expire in any event on the expiration date of the term of the letting under this Agreement.

(i) **“Anything of value”** shall have the meaning set forth in the Section of this Agreement entitled *“Ethical Standards”*.

(j) **“Assignment”** shall have the meaning set forth in the Section of this Agreement entitled *“Assignment and Subletting”*.

(k) **“Base Period”** shall have the meaning set forth in the Section of this Agreement entitled *“Additional Rent Items and Lessee Obligations”*.

(l) The terms **“Basic Rental”** and **“MAG”** shall have the meaning set forth in Item 1 of **Exhibit B** hereof.

(m) **“Bid conditions”** shall have the meaning set forth in Part I of **Schedule E** hereof.

(n) **“Causes or conditions beyond the control of the Port Authority”** shall mean and include acts of God, the elements, weather conditions, tides, earthquakes, settlements, fire, acts of any governmental authority, war, terrorism, shortage of labor or materials, acts of third parties for which the Port Authority is not responsible, injunctions, labor troubles or disputes of every kind (including all those affecting the Port Authority, its contractors, suppliers or subcontractors) or any other conditions or circumstances, whether similar to or different from the foregoing (it being agreed that the foregoing enumeration shall not limit or be characteristic of such condition or circumstance which is beyond the control of the Port Authority) or which could not be prevented or remedied by reasonable effort and at reasonable expense.

(o) **“Cost”** shall have the meaning set forth in Item 6 of **Exhibit B** hereof.

(p) **“Date of Beneficial Occupancy”** shall have the meaning set forth in this Section under the definition of **“Rental Payment Start Date”**.

(q) **“Distribution Fee”** shall have the meaning set forth in the Section of this Agreement entitled *“Additional Rent Items and Lessee Obligations”*.

(r) **“Employer identification number”** shall have the meaning set forth in Part I of **Schedule E** hereof.

(s) **“Environmental Damages”** shall mean any one or more of the following: (i) the presence in, on, or under the Premises of any Hazardous Substance whether such presence

[AMS BW Newark JV/Hudson News/Lease No. ANC-047]

occurred prior to or during the term of the letting under this Agreement or resulted from any act or omission of the Lessee or others, and/or (ii) the disposal, discharge, release or threatened release of any Hazardous Substance from the Premises or of any Hazardous Substance from under the Premises and/or (iii) the presence of any Hazardous Substance in, on or under other property at the Airport as a result of (x) the Lessee's use and occupancy of the Premises or the performance of the construction work or any other work or activities at the Premises or (y) a migration of a Hazardous Substance from the Premises or from under the Premises or (z) the Lessee's operations at the Airport, and/or (iv) any personal injury, including wrongful death, or property damage, arising out of or related to any Hazardous Substance described in (i), (ii) or (iii) above, and/or (v) the violation of any Environmental Requirement pertaining to any Hazardous Substance described in (i), (ii) or (iii) above, the Premises and/or the activities thereon.

(t) **"Environmental Requirements"** shall mean all common law and all past, present and future laws, statutes, enactments, resolutions, regulations, rules, directives, ordinances, codes, licenses, permits, orders, memoranda of understanding and memoranda of agreement, guidances, approvals, plans, authorizations, concessions, franchises, requirements and similar items of all governmental agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof, all pollution prevention programs, **"best management practices plans"**, and other programs adopted and agreements made by the Port Authority with any governmental agencies (whether adopted or made with or without consideration or with or without compulsion), with any government agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof, and all judicial, administrative, voluntary and regulatory decrees, judgments, orders and agreements relating to the protection of human health or the environment, and in the event that there shall be more than one compliance standard, the standard for any of the foregoing to be that which requires the lowest level of a Hazardous Substance, the foregoing to include without limitation:

(1) All requirements pertaining to reporting, licensing, permitting, investigation and remediation of emissions, discharges, releases or threatened releases of Hazardous Substances into the air, surface water, groundwater or land, or relating to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of Hazardous Substances, or the transfer of property on which Hazardous Substances exist;

(2) All requirements pertaining to the protection from Hazardous Substances of the health and safety of employees or the public; and

(3) The Atomic Energy Act of 1954, 42 U.S.C. Section 2011 *et seq.*; the Clean Water Act also known as the Federal Water Pollution Control Act, 33 U.S.C. Section 1251 *et seq.*; the Clean Air Act, 42 U.S.C. Section 7401 *et seq.*; the Federal Insecticide, Fungicide, and Rodenticide Act, 7 U.S.C. Section 136 *et seq.*; the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. Section 9601 *et seq.*; the Superfund Amendments and Reauthorization Act of 1986 ("SARA"), Section 2701 *et seq.*; the Emergency Planning and Community Right to Know Act, 42 U.S.C. Section 11001 *et seq.*; the Occupational Safety and Health Act, 29 U.S.C. Section 651 *et seq.*; the Hazardous Materials Transportation Act, 49 U.S.C. Section 5101 *et seq.*; the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act, 42 U.S.C. Section 6901 *et seq.*; the Toxic Substances Control Act, 15 U.S.C. Section 2601 *et seq.*; the Safe Drinking Water Act of 1974, 42 U.S.C. Sections 300f-300h-11 *et seq.*; the New Jersey Spill Compensation and Control Act (N.J.S.A. 58:10-23.11 *et seq.*) ("Spill Act"); the Industrial Site Recovery Act ("ISRA")(N.J.S.A. 13:1K and N.J.A.C. 7:26B); Solid Waste Management Act (N.J.S.A. 13:1E-1 to 48); and Water Pollution Control Act (N.J.S.A. 58:10A-1 to 60); together, in each case, with any amendment thereto, and

the regulations adopted, guidances, memoranda and publications promulgated thereunder and all substitutions thereof.

(u) "Food Court Maintenance Fee" shall have the meaning set forth in the Section of this Agreement entitled "*Additional Rent Items and Lessee Obligations*".

(v) "Gross Receipts" shall include all monies paid or payable to the Lessee for sales made or services rendered at or from the Premises, regardless of when or where the order therefor is received, and outside the Premises, if the order therefor is received at the Premises, and any other revenues of any type arising out of or in connection with the Lessee's operations at the Premises; provided, however, there shall be excluded from Gross Receipts the following: (1) any sums collected for any federal, state, county and municipal sales taxes, so-called luxury taxes, use taxes, consumer excise taxes, gross receipts taxes and other similar taxes now or hereafter imposed by law upon the sale of merchandise, food & beverage products or services which are separately stated to and paid by a customer and directly payable to the taxing authority by the Lessee, (2) any receipts of the Lessee which arise from its operations under any other agreement with the Port Authority at the Premises and which are subject to a percentage fee or percentage rental under that agreement, (3) receipts in the form of refunds from, or the value of merchandise (including food & beverage products), services, supplies or equipment returned to, vendors, shippers, suppliers or manufacturers, including volume discounts received from Lessee's vendors, suppliers or manufacturers, (4) gratuities for services performed by employees of Lessee which are paid or given by Lessee's customers to such employees at or serving at the Premises, (5) the sale or transfer in bulk of the inventory of the Lessee to a purchaser of all or substantially all of the assets of the Lessee in a transaction not in the ordinary course of Lessee's business, (6) except with respect to proceeds received for business interruptions paid on a gross earnings business interruption insurance policy, proceeds from all other insurance received by Lessee as a result of a loss or casualty, (7) rebates, exchanges or allowance made to customers of the Lessee at the Premises, (8) the exchange of merchandise between the stores or warehouses owned by or affiliated with Lessee, if any, where such exchanges of goods or merchandise are made solely for the convenient operation of the business of Lessee and not for the purpose of consummating a sale which has theretofore been made at, in, from or upon the Premises or for the purpose of depriving the Port Authority of the benefit of the sale which otherwise would be made at, in, from or upon the Premises, (9) income actually received by Lessee from manufacturers of goods (e.g., cosmetics, perfume) displayed for sale at the Premises if the conditions set forth in the succeeding sentence are fully and strictly satisfied with respect to such income; the conditions with respect to this clause (9) are as follows: (i) the manufacturer specifically identifies the time period to which the income relates, (ii) reimbursement from the manufacturer to Lessee occurs in connection with employees (1) who are on Lessee's payroll for the operations permitted under this Agreement and (2) who are on such payroll during the time period to which the reimbursement relates, (iii) the manufacturer and Lessee have previously entered into a written agreement that sets forth the material terms of their arrangement with regard to the reimbursement that is the subject of this clause (9), and (iv) Lessee provides to the Port Authority written documents and records substantiating the matters listed in sub-clauses (i) through (iii), (10) proceeds from the sale of gift certificates or like vouchers until such time as the gift certificates or like vouchers have been treated as a sale in or from the Premises pursuant to Lessee's record keeping system and (11) sale of trade fixtures, equipment or property which are not stock in trade and not in the ordinary course of business.

For the purpose of determining the Percentage Rental payable by the Lessee hereunder, Gross Receipts shall include all orders including, but not limited to, all orders by means of mail, catalogue, closed circuit television, electronic, telephonic, video, computer or other technology-based system, whether now existing or developed in the future, all deposits not refunded to or otherwise forfeited by customers, all orders taken in and from the Premises, whether or not such orders are filled elsewhere, the entire amount of the actual sales price and all other receipts for sales and services rendered, all insurance proceeds received due to loss of gross earnings paid under

Lessee's business interruption insurance policy because of business interruptions, and the spread earned on any exchange or foreign currency transaction whether for an exchange service or for merchandise, products and/or services. A "sale" shall be deemed to have been consummated for purposes hereof, and the entire amount of the sales price shall be included in Gross Receipts and deemed received at the time of determination of the amount due for each transaction, whether for cash, credit or otherwise, and not at the time of billing or payment. Each sale made upon installment or credit shall be treated as a sale for the full price in the month during which such sale shall be made, irrespective of the time when any payment is received. No deduction from Gross Receipts shall be allowed for uncollected or uncollectible credit amounts or "bad" checks. Gross Receipts shall include retail display allowances, slotting fees, on-Premises advertising and other promotional incentives (collectively referred to as "RDAs"). Gross Receipts shall include all such sales, revenues or receipts generated by Lessee's concessionaires, if any, or anyone else conducting business pursuant to an arrangement with Lessee and shall also include the full amount of all insurance proceeds paid on a gross earnings business interruption insurance policy to Lessee.

(w) "**Hazardous Substances**" shall mean any pollutant, contaminant, toxic or hazardous waste, dangerous substance, noxious substance, toxic substance, flammable, explosive or radioactive material, urea formaldehyde foam insulation, asbestos, polychlorinated biphenyls ("PCBs"), chemicals known to cause cancer, endocrine disruption or reproductive toxicity, petroleum and petroleum products and other substances which have been or in the future shall be declared to be hazardous or toxic, or the removal, containment or restriction of which have been or in the future shall be required, or the manufacture, preparation, production, generation, use, maintenance, treatment, storage, transfer, handling or ownership of which have or in the future shall be restricted, prohibited, regulated or penalized by any federal, state, county, or municipal or other local statute or law now or at any time hereafter in effect as amended or supplemented and by the regulations adopted and publications promulgated pursuant thereto.

(x) "**Index**" shall have the meaning set forth in the Section of this Agreement entitled "*Additional Rent Items and Lessee Obligations*".

(y) "**Lessee**" shall have the meaning set forth in the first paragraph on the first page of this Agreement.

(z) "**Lessee's Work**" shall have the meaning set forth in the Section of this Agreement entitled "*Finishes and Decorating by the Lessee*".

(aa) "**Letting**" shall mean the letting under this Agreement for the original term stated herein, and shall include any extensions thereof which may be made pursuant to the provisions of this Agreement or otherwise.

(bb) "**Meaningful participation**" shall have the meaning set forth in Part II of **Schedule E** hereof.

(cc) "**Metro Area**" shall have the meaning set forth in the Section of this Agreement entitled "*Sales and Services by the Lessee*".

(dd) "**Minority**" shall mean those persons described in paragraph II (c) of Part I of **Schedule E** annexed hereto.

(ee) The terms "**Minority Business Enterprise**" and "**MBE**" shall have the meaning set forth in Part II of **Schedule E** hereof.

(ff) The terms "**Office of Foreign Asset Control**" and "**OFAC**" shall have the meaning set forth in the Section of this Agreement entitled "*Lessee's OFAC Certification*".

[AMS BW Newark JV/Hudson News/Lease No. ANC-047]

(gg) **"Percentage Increase"** shall have the meaning set forth in the Section of this Agreement entitled *"Additional Rent Items and Lessee Obligations"*.

(hh) **"Port Authority"** shall have the meaning set forth in the first paragraph on the first page of this Agreement.

(ii) **"Port of New York District"** shall have the meaning set forth in the Port Compact of 1921 authorized by C. 154 Laws of N.Y. 1921 and C. 151 Laws of N.J. 1921, approved by Public Resolution No. 17 of the 67th Congress, First Session.

(jj) **"Predecessor Concession"** shall have the meaning set forth in the Section of this Agreement entitled *"Labor Disturbances and Labor Harmony"*.

(kk) **"Premises"** shall have the meaning set forth in the Section of this Agreement entitled *"Letting"*.

(ll) **"Promotion Fee"** shall have the meaning set forth in the Section of this Agreement entitled *"Additional Rent Items and Lessee Obligations"*.

(mm) The terms **"Records"**, **"Lessee's Records"** and **"Other Relevant Records"** shall have the meanings set forth in the Section of this Agreement entitled *"Obligations in Connection with any Percentage Rental"*.

(nn) The term **"Reserved Uses"** shall mean the following uses, operations or installations which the Port Authority reserves to itself and its designees exclusively in the Terminal: VIP lounges; airline clubs; airtrain/monorail facilities; advertising (including, without limitation, static display, broadcast and other); pay telephones, pre-paid phone cards, facsimile transmission machines and other public communications services including, without limitation, all Port Authority-owned or operated information and communications technology infrastructure for common Airport use; rental of cellular phones; concierge services (i.e., a center or location which offers a variety of services for passengers (including, but not limited to, hotel reservations, sale of entertainment events tickets and lottery tickets, luggage storage and delivery, sightseeing tours, business services and provision of touring information)); ground transportation (including vehicle rentals); hotel and other lodging reservations; vending machines dispensing anything (including, but not limited to, catalog and electronic sales) other than products specifically permitted to be sold on the Premises pursuant to a sublease with a specific concessionaire and if approved in advance by the Port Authority; on-airport baggage carts (other than shopping carts made available free of charge to shoppers within the concession areas of the Terminal) or other on-airport baggage-moving devices; and electronic amusements.

(oo) **"Rental Payment Start Date"** shall mean the earliest to occur of the following: (a) the date Gross Receipts are first generated in or from the Premises by the Lessee; or (b) ninety (90) days from the date the Port Authority makes available the Premises to the Lessee for its occupancy, such date being referred to herein as the **"Date of Beneficial Occupancy"**.

(pp) The terms **"Terminal Building"** and **"Terminal"** shall have the meaning set forth in the Section of this Agreement entitled *"Letting"*.

(qq) The term **"Transfer"** shall have the meaning set forth in the Section of this Agreement entitled *"Assignment and Subletting"*.

(rr) The terms **"Street Prices"** and **"Street Pricing Policy"** shall have the meanings set forth in the Section of this Agreement entitled *"Sales and Services by the Lessee"*.

(ss) The terms "**Women-owned Business Enterprise**" and "**WBE**" shall have the meanings set forth in Part II of Schedule E hereof.

Section 2. Letting

The Port Authority hereby lets to the Lessee and the Lessee hereby hires and takes from the Port Authority, at Newark Liberty International Airport in Passenger Terminal Building B (hereinafter sometimes called the "**Terminal Building**" or "**Terminal**") the area(s) as shown on the sketch annexed hereto, hereby made a part hereof, and marked **Exhibit A-2** containing approximately 5,751 square feet, together with the fixtures, improvements and other property of the Port Authority located or to be located therein or thereon, all said space(s), fixtures, improvements and other property of the Port Authority hereinafter collectively referred to as the "**Premises**". **Exhibit A-1** is a general site plan of the Airport including the location of the Terminal. The Premises may include storage space on the operations level of the Terminal, if available, to be designated from time to time by the Port Authority in its sole discretion, which storage space may be shared with other tenants of the Port Authority and with respect to which there shall be no separate rental or fee imposed, nor shall any abatement to which the Lessee may be entitled under this Agreement apply to such storage space.

Section 3. Term

The term of the letting under this Agreement shall commence as of Date of Beneficial Occupancy and shall continue to and include eighty-four (84) months after the Rental Payment Start Date unless sooner terminated as provided herein. In the event that the Premises constitute more than one space to be operated under this Agreement, the term of this Agreement shall be determined based on eighty-four (84) months from the Rental Payment Start Date for the last of the spaces to be delivered, unless sooner terminated as provided herein (but in no event shall the term begin later than 90 days from the date the last space is delivered to Lessee for a retail concession space). The Term of this Lease will not extend beyond eighty-four (84) months from the Rental Payment Start Date for the Premises identified in Exhibit A-2 to this Lease, and the Term shall be unaffected by any other, additional or substituted space which may be described in an amendment to or modification of this Lease (unless such amendment or modification agreement expressly provides otherwise) or described in any other written communication which does not meet the requirements set forth in the first sentence of the second paragraph of the Section of this Agreement entitled "*Entire Agreement*".

Section 4. Rights of Use by the Lessee

The Lessee shall use the Premises for the following purpose only and for no other purpose whatsoever: for the operation of news & gift concessions limited to the sale at retail of newspapers, books, magazines, sundries, souvenirs, gifts, pre-packaged foods and non-alcoholic beverages, and for no other use or purpose. The Lessee's initial list of products, as approved by the Port Authority, is set forth in **Schedule A** attached hereto and hereby made a part hereof, and such **Schedule A** may be amended from time to time with the written consent of the Port Authority, determined in its sole and absolute discretion.

The rights of the Lessee under this Section shall not be exclusive.

Section 5. Rental

(a) The Lessee agrees to pay the Port Authority a Basic Rental for the Premises at the rates and otherwise as provided in Item 1 of **Exhibit B** to this Agreement.

(b) The Lessee agrees to pay the Port Authority the Percentage Rental, if any, stated in Item 1 of **Exhibit B** to this Agreement.

(c) The time for making payments of rental and the method of computation and abatement thereof are set forth in Item 1 of **Exhibit B** to this Agreement.

(d) The Port Authority shall have the right to all revenues derived for or from all Reserved Uses.

Section 6. Obligations in Connection with any Percentage Rental

(a) If any rental hereunder is measured by a percentage of the Lessee's Gross Receipts, the Lessee shall:

(1) Take all reasonable measures in every proper manner to maintain, develop and increase the business conducted by it hereunder;

(2) Not divert or cause or allow to be diverted any business from the Terminal;

(3) Maintain, in accordance with accepted accounting practice, during the term of this Agreement, for one (1) year after the expiration or earlier termination thereof, and for a further period extending until the Lessee shall receive written permission from the Port Authority to do otherwise, records and books of account recording all transactions of the Lessee, at, through, or in any way connected with the Airport (which records and books of account are hereinafter to be called the "**Lessee's Records**"). The Lessee's Records shall be kept at all times within the Port of New York District;

(4) Allow in ordinary business hours during the term of this Agreement, for one (1) year thereafter, and during such further period as is mentioned in the preceding subparagraph (3), above, the examination and audit by the officers, employees and representatives of the Port Authority of (i) the Lessee's Records and (ii) also any records and books of account of any Affiliate of the Lessee if said entity performs services, similar to those performed by the Lessee, anywhere in the Port of New York District. The Lessee shall make available to the Port Authority within the Port of New York District for examination and audit by the Port Authority pursuant to this paragraph those records and books of account described in (i) which are not required by subparagraph (3) above to be kept at all times in the Port of New York District and those records and books of account described in (ii) above (all of the foregoing being hereinafter called the "**Other Relevant Records**" and the Lessee's Records and the Other Relevant Records being hereinafter collectively referred to as the "**Records**");

(5) Allow the inspection by the officers, employees and representatives of the Port Authority of any equipment used by the Lessee, including but not limited to cash registers and other point of sale systems;

(6) Furnish on or before the fifteenth (15th) day of each month following the commencement date of the letting, and on or before the fifteenth (15th) day of April of each calendar year, the statements described in Item 1 of **Exhibit B** hereto;

(7) Install and use such cash registers and other point of sale systems, sales slips, invoicing machines and any other equipment or devices for recording orders taken, or services rendered, as may be appropriate to the Lessee's business and necessary or desirable to keep accurate records of Gross Receipts;

(b) Without implying any limitation on the right of the Port Authority to terminate this Agreement for the breach of any term or condition thereof, the Lessee understands that compliance by the Lessee with the provisions of subparagraphs (3) and (4) of paragraph (a) above are of the utmost importance to the Port Authority in having entered into the Percentage Rental arrangement under this Agreement and in the event of the failure of the Lessee to maintain, keep within the Port of New York District or make available for examination and audit the Lessee's Records in the manner and at the times or location as provided in this Section then, in addition to all and without limiting any other rights and remedies of the Port Authority, the Port Authority may:

(1) Estimate the Gross Receipts of the Lessee on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Lessee and the Lessee's Percentage Rental based thereon to be payable to the Port Authority when billed; or

(2) If any such Records have been maintained outside of the Port of New York District, but within the Continental United States then the Port Authority in its sole discretion may (i) require such Records to be produced within the Port of New York District or (ii) examine such Records at the location at which they have been maintained and in such event the Lessee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit, or

(3) If any such Records have been maintained outside the continental United States then, in addition to the costs specified in subdivision (2)(ii) above, the Lessee shall pay to the Port Authority when billed all other costs of the examination and audit of such Records including without limitation salaries, benefits, travel costs and related expenses, overhead costs and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

(c) The foregoing auditing costs, expenses and amounts set forth in subparagraphs (2) and (3) of paragraph (b) above shall be deemed fees and charges under this Agreement payable to the Port Authority with the same force and effect as all other fees and charges thereunder.

(d) In the event that upon conducting an examination and audit as described in this Section the Port Authority determines that unpaid amounts are due to the Port Authority by the Lessee, the Lessee, shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount of five percent (5%) of each amount determined by the Port Authority audit findings to be unpaid. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefore by the Port Authority. Such service charge(s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Lessee under this Agreement or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge or late charges or other service charges payable under the provisions of this Section with respect to such unpaid amount. Each such service charge shall be and become additional rent, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the rental. Nothing in this paragraph is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Agreement, including, without limitation, the Port Authority's rights to terminate set forth in the Section of this Agreement entitled "Termination" or (ii) any obligations of the Lessee under this Agreement.

Section 7. Government Requirements

(a) The Lessee shall procure at its own cost and expense from all governmental authorities having jurisdiction over the operations of the Lessee at the Premises all licenses, certificates, permits or other authorization which may be necessary for the conduct of its operations, and shall maintain in full force and effect throughout the term hereof all the foregoing licenses, certificates, permits and authorizations.

(b) The Lessee shall pay all taxes, license, certification, permit and examination fees and excises which may be assessed, levied, exacted or imposed on its property or operation hereunder or on the Gross Receipts or income therefrom, and shall make all applications, reports and returns required in connection therewith.

(c) The Lessee shall promptly observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions, including without limitation all Environmental Requirements, which now or at any time during the term hereof may pertain or apply to the operations of the Lessee or the Premises or its occupancy thereof, and the Lessee shall, in accordance with and subject to the provisions of the Section of this Agreement entitled "*Construction by the Lessee*", make any and all structural and nonstructural improvements, alterations or repairs of the Premises that may be required at any time hereafter by any such present or future law, rule, regulation, requirement, order or direction. This paragraph (c) shall not require Lessee to make structural improvements, alterations, or repairs to the Premises which are also required to be made generally throughout the Terminal, unless the requirement to make such structural improvements, alterations, and repairs generally throughout the Terminal results from the particular operations of the Lessee in the Premises which are not common to other tenants at the Terminal.

(d) The obligation of the Lessee to comply with governmental requirements is provided herein for the purpose of assuring proper safeguards for the protection of persons and property on the Premises. Such provision is not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

Section 8. Rules and Regulations

The Lessee covenants and agrees to observe and obey (and to compel its officers, members, employees, agents, representatives, contractors, customers, guests, invitees and those doing business with it to observe and obey) the existing rules and regulations of the Port Authority for the government of the conduct and operations of the Lessee and others on the Premises (see **Exhibit R**), and such further reasonable rules and regulations as may from time to time during the letting be promulgated by the Port Authority for reasons of safety, health, preservation of property, noise, sanitation, good order, and the economic and efficient operation of the Airport. If a copy of **Exhibit R** is not attached, then the Port Authority will either deliver a copy thereof to Lessee upon receipt of its request therefor or will make a copy available at the office of the Secretary of the Port Authority. The obligation of the Lessee to require such observance and obedience on the part of its guests, invitees and business visitors shall obtain only while such persons are on the Premises.

The Port Authority agrees that, except in cases of emergency, it will give notice to the Lessee of every such further rule or regulation adopted by it at least ten (10) days before the Lessee shall be required to comply herewith.

Section 9. Various Obligations of the Lessee

(a) **Conduct of Operations.** The Lessee shall conduct its operations in an orderly and proper manner so as not to unreasonably annoy, disturb or be offensive to others at the Terminal. The Lessee shall take all reasonable measures to eliminate vibrations originating on the Premises tending to damage the Premises, or any equipment or structure or portion of the Terminal of which the Premises is a part, and to keep the sound level of its operations as low as possible. The Lessee shall use its best efforts to conduct all its operations at the Premises in a safe and careful manner, following in all respects the best practices of the Lessee's industry in the United States.

(b) **Lessee's Employees.** The Port Authority shall have the right to object to the Lessee regarding the conduct and demeanor of the employees of the Lessee whereupon the Lessee will immediately take all steps reasonably necessary to remove the cause of the objection.

(c) **Waste Disposal.** The Lessee shall remove from the Premises or otherwise dispose of in a manner approved by the General Manager of the Airport all garbage, debris or other waste materials (whether solid or liquid) arising out of its occupancy of the Premises or its operations thereat. Any such which may be temporarily stored in the open shall be kept in suitable garbage and waste receptacles, the same to be made of metal or other suitable material, and equipped with tight-fitting covers, and to be of a design safely and properly to contain whatever material may be placed therein. The Lessee shall use extreme care when effecting removal of all such waste materials, shall effect such removal at such times and by such means as first approved by the Port Authority. No such garbage, debris or other waste materials shall be thrown, discharged or deposited into or upon the waters at or bounding the Airport.

(d) **Employee Identification.** If requested by the Port Authority, the Lessee shall supply and shall require its employees to wear or carry badges or other suitable means of identification, which shall be subject to the prior and continuing approval of the General Manager of the Airport.

(e) **Food and Beverage Operations.** If the Lessee is permitted under this Agreement to sell food and/or beverages, it shall, in connection with any preparation, packaging, handling, storage, delivery and dispensing of such food and/or beverages, comply with the following:

(1) Its employees shall wear clean, washable uniforms and long-haired employees shall wear caps or nets. The employees shall be clean in their habits and shall thoroughly wash their hands before beginning work and immediately after each visit to the toilet and shall keep them clean during the entire work period. No person affected with any disease in a communicable form or who is a carrier of such disease shall work or be permitted to work for the Lessee.

(2) All food and beverages shall be clean, fresh, pure, of first-class quality and safe for human consumption.

(3) The Premises and all equipment and materials used by the Lessee shall at all times be clean, sanitary, and free from rubbish, refuse, dust, dirt, offensive or unclean materials, flies and other insects, rodents and vermin. All apparatus, utensils, devices, machines and piping used by the Lessee shall be constructed so as to facilitate the cleaning and inspection thereof and shall be properly cleaned after each period of use (which shall at no time exceed eight hours) with hot water and a suitable soap or detergent and shall be rinsed by flushing with hot water. Where deemed necessary by the Port Authority, final treatment by live steam under pressure or other sterilizing procedure shall be used. All trays, dishes, crockery, glassware, cutlery, and other equipments of such type shall be cleaned and sterilized immediately before using same.

(4) All packing materials, including but not limited to wrappers, stoppers, caps, enclosures and containers, shall be clean and sterile and shall be so stored as to be protected at all times from dust, dirt, flies and other insects, rodents, vermin, unsanitary handling and unclear materials.

It is intended that the standards and obligations imposed by this paragraph (e) shall be maintained or complied with by the Lessee in addition to its compliance with all applicable governmental laws, ordinances and regulations, and in the event that any of said laws, ordinances and regulations shall be more stringent than such standards and obligations, the Lessee agrees that it will comply with such laws, ordinances and regulations in its operations hereunder.

(f) Fire Extinguishing Equipment. From time to time and as often as reasonably required by the Port Authority, the Lessee shall conduct pressure, water-flow, and other appropriate tests of the fire extinguishing system and apparatus, fire-alarm and smoke detection systems and any other fire protection systems which constitute a part of the Premises. The Lessee shall keep in proper functioning order all fire-fighting equipment, fire-alarm and smoke detection equipment on the Premises and the Lessee shall at all times maintain on the Premises adequate stocks of fresh, usable chemicals for use in such systems, equipment and apparatus. The Lessee shall notify the Port Authority prior to conducting such tests. If requested by the Port Authority, the Lessee shall furnish the Port Authority with a copy of written reports of such tests.

(g) Minimization of Pollution. In addition to compliance by the Lessee with all laws, ordinances, governmental rules, regulations and orders now or at any time in effect during the term which as a matter of law are applicable to the operation, use or maintenance by the Lessee of the Premises or the operations of the Lessee under this Agreement (the foregoing not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them), the Lessee agrees that it shall exercise the highest degree of safety and care and shall conduct all its operations under this Agreement and shall operate and maintain the Premises and shall use the Premises in accordance with the highest standards and in such manner that there will be at all times a minimum of air pollution, water pollution or any other type of pollution and a minimum of noise emanating from, arising out of or resulting from the operation, use or maintenance of the Premises by the Lessee and from the operations of the Lessee under this Agreement. The Port Authority hereby reserves the right from time to time and at any time during the term of this Agreement to require the Lessee, and the Lessee agrees, to design and construct at its sole cost and expense such reasonable equipment, devices and other facilities as may be necessary or appropriate to accomplish the objectives as set forth in the first sentence of this paragraph. The manner, type and method of construction and the size and location of any of the foregoing shall be determined by the Port Authority. The Lessee shall submit for Port Authority approval its plans and specifications covering the required work and upon receiving such approval shall proceed diligently to construct the same. The obligations assumed by the Lessee under this paragraph shall not be relieved or diminished by the fact that the Port Authority shall have approved any construction application and supporting plans, specifications and contracts covering construction work, or that the Port Authority's recommendations or requirements have been incorporated therein. The Lessee's agreement to assume the obligations under this paragraph is a special inducement and consideration to the Port Authority in entering into this Agreement with the Lessee.

(h) Without limiting any other of the Lessee's obligations under this Agreement, the Lessee shall provide the General Manager of the Airport at the cost and expense of the Lessee with such information, documentation, records, correspondence, notices, reports, tests, results, and certifications and any other information as the Port Authority shall request in connection with any Environmental Requirements or Environmental Damages, and the Lessee shall promptly acknowledge, swear to, sign or otherwise fully execute the same. The Lessee agrees that any of the foregoing may be filed by the Port Authority with the appropriate governmental authority on behalf of the Lessee at the Lessee's cost and expense. Further, the Lessee agrees unless directed otherwise by

[AMS BW Newark JV/Hudson News/Lease No. ANC-047]

the Port Authority, to provide the General Manager of the Airport with copies of all information, documentation, records, correspondence, notices, certifications, reports, test results and all other submissions provided by the Lessee to a governmental authority and by a governmental authority to the Lessee within two (2) business days that the same are made available to or received by the Lessee with respect to any Environmental Requirements.

(i) In addition to and without limiting the generality of the obligations of the Lessee set forth above and elsewhere in the Agreement, the Lessee shall at its sole cost and expense, upon notice from the Port Authority, promptly take all actions to completely remove and remediate all Hazardous Substances on the Premises or the Airport which result from the Lessee's use and occupancy of the Premises, or which have been disposed of, released, discharged or otherwise placed on, under or about the Premises by or on behalf of the Lessee or as a result of its acts or omissions, during the term of the letting hereunder, and to cleanup and remediate all other Hazardous Substances on, about or under the Premises or which have migrated from the Premises to any adjoining property, which any federal, state or local governmental agency or political subdivision or any Environmental Requirement or any violation thereof require to be remediated, and to cleanup and remediate all Hazardous Substances necessary to mitigate Environmental Damages.

Lessee is required to apply as an ACDBE with the Port Authority, please check here (X). Lessee shall immediately take all steps necessary to obtain such certification from the Port Authority on or before the Rental Payment Start Date. If the ACDBE participant is an individual or the individual is the sole owner of Lessee, the participating ACDBE percentage, as so certified, shall not be less than one hundred percent (100%) at all times during the Term hereof. If the ACDBE participant is a member/partner of a partnership with Lessee or joint venturer of a joint venture with Lessee, the participating ACDBE percentage, as so certified, shall not be less than thirty percent (30%) at all times during the Term hereof. Any change in the ownership structure involving the certified ACDBE participant must be reported in writing to the Port Authority immediately and in no event later than 30 days following any such change in ACDBE ownership status.

Section 10. Prohibited Acts

The Lessee shall not (a) commit any nuisance on the Premises, or do or permit to be done anything which may result in the creation or commission of a nuisance on the Premises; (b) cause or produce or allow to be caused or produced upon the Premises, or to emanate therefrom, any obnoxious odors or smokes, or noxious gases or vapors; (c) use the Premises for lodgings or sleeping purposes or for any immoral purposes; (d) install window shades or venetian blinds on the windows of the Premises unless and until the type, size and color of same shall have been previously approved in writing by the Port Authority; (e) do or allow to be done anything which may interfere with the effectiveness or accessibility of existing and future utilities systems or portions thereof on the Premises or elsewhere at the Terminal, including therein without limitation thereto systems for the supply of heat, water hot and cold, gas, electricity and fuel and for the furnishing of fire-alarm, fire-protection, sprinkler, sewage, drainage, air-conditioning, telephone, telegraph, tele-register, pneumatic-tube dispatch and inter-communications services, including lines, pipes, mains, wires, conduits and equipment connected with or appurtenant to all such systems, nor do or permit to be done anything which may interfere with free access and passage in the Premises, elsewhere in the Terminal or in the streets and sidewalk adjacent to the Terminal; (f) do or allow to be done anything which may interfere with the effectiveness or accessibility of elevators at the Terminal, including lines, pipes, wires, conduits and equipment connected with or appurtenant thereto; (g) overload any floor in the Premises; (h) place any furniture, machine or equipment over any expansion or contraction joint unless one end of such furniture, machine or equipment is free to allow expansion or contraction; (i) place any additional lock of any kind upon any window or interior or exterior door in the Premises unless a key therefor is delivered to the Port Authority, nor make any change in any existing door or window lock or the mechanism thereof, except with the prior written approval of the Port Authority, and upon the expiration or sooner termination of the letting hereof, the Lessee shall

[AMS BW Newark JV/Hudson News/Lease No. ANC-047]

surrender to the Port Authority any and all keys to interior and exterior doors on the Premises, whether said keys were furnished to or were otherwise procured by the Lessee, and in the event of the loss of any keys furnished by the Port Authority to the Lessee, the Lessee shall pay to the Port Authority on demand the cost of replacement thereof; (j) do or allow to be done any act or thing upon the Premises which (i) will invalidate or conflict with any fire insurance, extended coverage or rental insurance policies covering the Premises or any part thereof, or the Terminal, or any part thereof, or (ii) in the opinion of the Port Authority, may constitute an extra-hazardous condition, so as to increase the risks normally attendant upon the operations contemplated by the Section of this Agreement entitled "*Rights of Use by the Lessee*". The Lessee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the National Board of Fire Underwriters, the Fire Insurance Rating Organization of New Jersey, or of any other board or organization exercising or which may exercise similar functions, which may pertain or apply to the operations of the Lessee on the Premises, and the Lessee shall, subject to and in accordance with the provisions of the Section of this Agreement entitled "*Construction by the Lessee*", make any and all non-structural improvements, alterations or repairs of the Premises that may be required at any time hereafter by any such present or future rule, regulation, requirement, order or direction. If, by reason of any failure on the part of the Lessee to comply with the provisions of this subdivision, any fire insurance rate, extended coverage or rental insurance rate on the Premises or any part thereof, or on the Terminal or any part thereof, shall at any time be higher than it otherwise would be, then the Lessee shall pay to the Port Authority as an item of additional rental, on demand, that part of all insurance premiums paid by the Port Authority which shall have been charged because of such violation or failure by the Lessee; (k) unless the Port Authority provides its prior written consent, install, maintain or operate, or permit the installation, maintenance or operation on the Premises of any vending machine or device designed to dispense or sell food, beverages, tobacco products or merchandise of any kind, whether or not included in the above categories, or of any restaurant, cafeteria, kitchen, stand or other establishment of any type for the preparation, dispensing or sale of food, beverage, tobacco or tobacco products, or of any telephone pay-stations.

Section 11. Care, Maintenance, Rebuilding and Repair by the Lessee

(a) **Damage or Destruction of Premises by Lessee.** The Lessee shall repair, replace, rebuild and paint all or any part of the Terminal and the Premises, including therein, without limitation thereto, walls, partitions, floors, ceilings, columns, windows, doors, glass of every kind, fixtures, systems for the supply of heat, water hot and cold, gas, electricity and fuel and for the furnishing of fire-alarm fire-protection, sprinkler, sewerage, drainage, air-conditioning, telephone, tele-register, pneumatic-tube dispatch and intercommunication services, including lines, pipes, mains, wires, conduits and equipment connected with or appurtenant to all such systems, which may be damaged or destroyed by the acts or omissions of the Lessee, its officers or employees or of other persons on or at the Premises with the Lessee's consent, and shall pay to the Port Authority on demand the costs and expenses of the Port Authority to repair, replace, rebuild and paint all or any part of the Terminal and the Premises which may be damaged or destroyed by the acts or omissions of the Lessee or of its officers or employees or of other persons on or at the Premises with the Lessee's consent. All non-structural repair, replacement, rebuilding and painting shall be made or done by the Lessee and structural repair, replacement and rebuilding may be made or done by the Port Authority.

(b) **Lessee's Other Repair and Maintenance Obligations.** Except as expressly provided to the contrary herein with respect to structural repairs, the Lessee shall, throughout the term of this Agreement, assume the entire responsibility and shall relieve the Port Authority from all responsibility for repair, rebuilding and maintenance whatsoever in the Premises, whether such repair, rebuilding or maintenance be ordinary or extraordinary, partial or entire, inside or outside, foreseen or unforeseen, and without limiting the generality of the foregoing, the Lessee shall:

(1) Keep at all times in a clean and orderly condition and appearance the Premises and all the Lessee's fixtures, equipment and personal property which are located in any part of the Premises which is open to or visible by the general public.

(2) Take good care of the Premises, including therein, without limitation thereto, walls, partitions, floors, ceilings, columns, windows, doors, glass of every kind, fixtures and shall make or do all non-structural repairs, replacements, rebuilding and painting (the exterior of the Premises, if applicable, and areas visible to the general public to be painted only in colors which have been approved by the Port Authority) necessary to keep the Premises in the condition existing as of the commencement date of the letting and to keep all improvements and fixtures made or installed subsequent to the commencement date of the letting in the condition existing as of the date such improvements are made and such fixtures installed. All such repairs and replacements and other work to be done by the Lessee shall be done in quality and class not inferior to the original in materials and workmanship.

(3) Not lay any linoleum, asphalt tile or other such affixed floor covering in direct contact with the floor of the Premises. If the Lessee lays any linoleum, asphalt tile or other such affixed covering on the floor of the Premises, an interlining of builder's deadening felt shall first be affixed to the floor with water-soluble paste or other water-soluble material, the use of cement or other adhesive non-soluble paste or other water-soluble material, the use of cement or other adhesive non-soluble in water being expressly prohibited.

(4) Maintain and pay the premiums on a policy of plate and mirror glass insurance covering all plate and mirror glass which is a part of or located on or in the Premises.

The provisions of this paragraph (b) shall not be deemed to require the Lessee to make or do any repairs, replacements, rebuilding or painting to any portion of the Terminal other than the Premises where such portion of the Terminal is damaged or destroyed by the acts or omissions of persons other than the Lessee, its officers, directors, members (in their capacity of the limited liability entity), managers (in their capacity as managers of, and if, Lessee is a limited liability entity), partners (if Lessee is a partnership), employees, agents, representatives or contractors.

(c) Port Authority Right to Perform at Lessee's Cost. In the event the Lessee fails to commence so to make or do non-structural repair, replacements, rebuilding or painting within a period of ten (10) days after notice from the Port Authority so to do or fails diligently to continue to completion the repair, replacement, rebuilding or painting of all the Premises required to be repaired, replaced, rebuilt or painted by the Lessee under the terms of this Agreement, the Port Authority may, at its option, and in addition to any other remedies which may be available to it, repair, replace, rebuild or paint all or any part of the Premises included in the said notice, the cost thereof to be paid by the Lessee on demand.

(d) Damage to or Destruction of the Premises. If the Premises or any part thereof shall be destroyed or damaged as a result of any casualty, without the fault of the Lessee, its officers, members, employees, agents, representatives, contractors, or other persons at the Premises with the consent of the Lessee, so as to render it untenable in whole or part, then:

(1) If in the opinion of the Port Authority the necessary repairs or rebuilding can be completed within ninety (90) days after the occurrence of the damage, the Port Authority shall repair or rebuild with due diligence, and the rental hereunder shall, if so provided in Item 1 of **Exhibit B**, be abated only for the period from the occurrence of the damage to the completion of the repairs or rebuilding, whether or not the work or repair or rebuilding is actually completed within the said ninety (90) days; or

(2) If in the opinion of the Port Authority such repairs or rebuilding cannot be completed within ninety (90) days after the occurrence of the damage or if the entire Premises require rebuilding, then the Port Authority shall have options:

(i) to proceed with due diligence to repair or to rebuild as necessary; or

(ii) to terminate the letting as to the damaged portion of the Premises only, or

(iii) to cancel this Agreement and terminate the letting as to the entire Premises; and the rental hereunder shall, if so provided in Item 1 of **Exhibit B**, be abated, either, as the case may require, for the period from the occurrence of the damage to the completion of repairs and rebuilding or for the period from the occurrence of the damage to the effective date of termination.

(e) **Removal of Property and/or Debris.** In the event of a partial or total destruction of the Premises, the Lessee shall immediately remove any and all of its property and/or debris from the Premises or the portion thereof destroyed and if the Lessee does not promptly so remove, the Port Authority may remove such property to a public warehouse for deposit or retain the same in its own possession and sell the same at public auction, the proceeds of which shall be applied first to the expenses of removal, storage and sale, second to any sums owed by the Lessee to the Port Authority, with any balance remaining to be paid to the Lessee; if the expenses of such removal, storage and sale shall exceed the proceeds of sale, the Lessee shall pay such excess to the Port Authority upon demand.

(f) The parties hereby stipulate that if the Premises are in the State of New Jersey neither the provisions of Titles 46:8-6 and 46:8-7 of the Revised Statutes of New Jersey nor those of any other similar statute shall extend or apply to this Agreement.

Section 12. Indemnity; Liability Insurance

(a) (1) The Lessee shall indemnify and hold harmless the (i) Port Authority and its Commissioners, officers, agents and employees (individually and collectively, "**PA Indemnitees**") and (ii) Westfield Concession Management, LLC (or any concession manager at the Terminal as designated by the Port Authority, if any) and its officers, directors, agents, affiliates, parent corporations, employees, members (in their capacity of the limited liability entity) (individually and collectively, "**Concession Manager Indemnitees**") (PA Indemnitees and Concession Manager Indemnitees being collectively referred to as "**Protected Indemnitees**") from and against (and shall reimburse the Protected Indemnitees for the Protected Indemnitees' costs and expenses including, without limitation, legal expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death, for personal injuries, or for property damages, arising out of any default of the Lessee in performance or observance of any term or provision of this Agreement, or out of the use or occupancy of the Premises by the Lessee or by others with its consent, or out of any of the acts or omissions of the Lessee, its officers, directors, members (in their capacity of the limited liability entity), managers (in their capacity as managers of, and if, Lessee is a limited liability entity), partners (if Lessee is a partnership), employees, agents, representatives, contractors, subcontractors, customers, guests, invitees and other persons doing business with it where such acts or omissions are on the Premises or arising out of any acts or omissions of the Lessee, its officers, directors, members (in their capacity of the limited liability entity), managers (in their capacity as managers of, and if, Lessee is a limited liability entity), partners (if Lessee is a partnership), employees, agents, contractors, subcontractors and representatives where such acts or omissions are elsewhere at the Airport, including claims and demands of the City of Newark from which the Port Authority derives its rights in the Airport for

[AMS BW Newark JV/Hudson News/Lease No. ANC-047]

indemnification arising by operation of law or through agreement of the Port Authority with said City.

(2) If so directed, the Lessee shall at its own expense defend any suit based upon any such claim or demand (even if such claim or demand is groundless, false or fraudulent), and in handling the same it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

(b) (1) In addition to the obligations set forth in paragraph (a) of this Section and all other insurance required under this Agreement, during the term of this Agreement, the Lessee, in its own name as insured and including the Protected Indemnitees as additional insureds, shall maintain a policy or policies of Commercial General Liability Insurance, including premises-operations and products-completed operations and covering bodily-injury liability, including death, and property damage liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage not less than the limits set forth in Item 2 of **Exhibit B** hereof. Further, the Lessee shall maintain Workers' Compensation and Employers Liability Insurance in accordance with applicable State law for those employees of the Lessee employed in operations conducted pursuant to this Agreement at or from the Airport.

(2) In the event the Lessee maintains the foregoing insurance in limits greater than set forth in Item 2 of **Exhibit B** hereof, the Protected Indemnitees shall be included therein as an additional insured to the full extent of all such insurance in accordance with all terms and provisions of this Agreement.

(3) Each policy of insurance, except for the Workers' Compensation and Employers Liability Insurance policies, shall also contain an ISO standard "separation of insureds" clause or a cross liability endorsement providing that the protections afforded the Lessee thereunder with respect to any claim or action against the Lessee by a third person shall pertain and apply with like effect with respect to any claim or action against the Lessee by the Port Authority Indemnitees or the Concession Manager Indemnitees and any claim or action against the Port Authority Indemnitees or Concession Manager Indemnitees, by the Lessee, as if the Port Authority Indemnitees or Concession Manager Indemnitees, as applicable, were the named insured thereunder, but such clause or endorsement shall not limit, vary, change or affect the protections afforded the Protected Indemnitees thereunder as additional insureds. Each policy of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Lessee under the provisions of this Agreement, including without limitation this Section.

(4) All insurance coverages and policies required under this paragraph (b) may be reviewed by the Port Authority for adequacy of terms, conditions and limits of coverage at any time and from time to time during the term of the letting under this Agreement. The Port Authority may, at any such time, require additions, deletions, amendments or modifications to the said insurance requirements, or may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem required and the Lessee shall promptly comply therewith.

(5) Each policy shall contain a provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' written advance notice thereof to the Port Authority. Each policy shall contain a provision or endorsement that the insurer "shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents

[AMS BW Newark JV/Hudson News/Lease No. ANC-047]

or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.” The foregoing provisions or endorsements shall be recited in each policy or certificate to be delivered pursuant to the following subparagraph (6).

(6) A certified copy of each policy or a certificate or certificates of insurance evidencing the existence thereof, or binders, shall be delivered to the Port Authority upon execution and delivery of this Agreement by the Lessee to the Port Authority, with a photocopy to be delivered to Westfield Concession Management, LLC (or any concession manager at the Terminal as designated by the Port Authority, if any). In the event any binder is delivered it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate of insurance. Any renewal policy shall be evidenced by a renewal certificate of insurance delivered to the Port Authority at least seven (7) days prior to the expiration of each expiring policy, except for any policy expiring after the date of expiration of this Agreement, with a photocopy to be delivered to Westfield Concession Management, LLC (or any concession manager at the Terminal as designated by the Port Authority, if any). The aforesaid insurance shall be written by a company or companies approved by the Port Authority. If at any time any insurance policy shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policy shall be or become unsatisfactory to the Port Authority, the Lessee shall promptly obtain a new and satisfactory policy in replacement. If the Port Authority at any time so requests, a certified copy of each policy shall be delivered to or made available for inspection by the Port Authority.

(7) The foregoing insurance requirements shall not in any way be construed as a limitation on the nature or extent of the contractual obligations assumed by the Lessee under this Agreement. The foregoing insurance requirements shall not constitute a representation or warranty as to the adequacy of the required coverage to protect the Lessee with respect to the obligations imposed on the Lessee by this Agreement or any other agreement or by law.

(8) The Lessee shall include in each of its insurance policies covering loss, damage or destruction by fire or other casualty a waiver of the insurer's right of subrogation against the Port Authority or, if such waiver should be obtainable or unenforceable, (i) an express agreement that such policy shall not be invalidated if the insured waives before the casualty right of recovery against any party responsible for a casualty covered by such policies, or (ii) any other form of permission for the release of the Port Authority.

(9) The Lessee hereby releases the Protected Indemnitees with respect to any claim which it might otherwise have against any of them for loss, damage or destruction with respect to its property (including business interruption) occurring during the term of the letting under this Agreement and with respect and to the extent to which it is insured under a policy or policies containing a waiver of subrogation or permission to release liability as provided in subparagraph (8), above.

Section 13. Sales and Services by the Lessee

(a) A principal purpose of the Port Authority in entering into this Agreement is to have available for travelers and other users of the Terminal, all other members of the public, and persons employed at the Terminal, the merchandise and/or services which the Lessee is permitted to sell and/or render hereunder, all for the better accommodation, convenience and welfare of such individuals and in fulfillment of the Port Authority's obligations to operate facilities for the use and benefit of the public, and the Lessee agrees that it will conduct a first class operation and will furnish and install all necessary or proper equipment, fixtures, improvements (subject to the provisions of the Section of this Agreement entitled "*Construction by the Lessee*"), personnel, supplies, materials and other facilities and replacements therefor and all such fixtures and improvements (except trade fixtures removable without injury to the Premises) shall on installation become the property of the Port Authority and a part of the Premises, provided, however, that the Port Authority shall have the

[AMS BW Newark JV/Hudson News/Lease No. ANC-047]

option, exercisable by notice delivered to the Lessee on or before a date sixty (60) days after expiration or termination hereof, to require the Lessee to remove any or all such fixtures, equipment and improvements and to restore the Premises to the condition thereof prior to any installation and in the event of a failure on the part of the Lessee so to remove and restore, the Port Authority may do so, and the Lessee shall pay the cost thereof to the Port Authority on demand. All equipment, fixtures and improvements to be used in the Premises and the installation thereof shall be subject to the prior written approval of the Port Authority as to type and quality. The Port Authority may by written authorization allow the Lessee to enter and occupy the Premises, prior to the commencement date of the letting stated or referred to in the Sections of this Agreement entitled "*Term*" and "*Letting Postponed*", respectively, solely for the purpose of installing fixtures and making improvements. In the event that the Lessee receives such written authorization the Lessee shall use and occupy the Premises in accordance with and shall be subject to all the provisions of this Agreement other than those relating to the conducting of a business and the payment of rental.

(b) The Lessee shall furnish good, prompt and efficient service hereunder, adequate to meet all demands therefor at the terminal; shall furnish said service on a fair, equal and non-discriminatory basis to all users thereof; and shall charge fair, reasonable and non-discriminatory prices for all items and/or services which it is permitted to sell and/or render hereunder.

(c) The Lessee shall comply with the Port Authority Aviation Department Street Pricing Policy. In connection therewith, the Lessee shall not charge prices to its customers in excess of "**Street Prices**", which for purposes of this Agreement is defined as follows:

(1) If the Lessee conducts a similar business to the business operation permitted under this Agreement in off-Airport location(s) in the Greater New York City – Northern New Jersey Metropolitan Area (herein referred to as the "**Metro Area**"), "**Street Prices**" shall mean the average price regularly charged by the Lessee for the same or similar item in such Metro Area location;

(2) If the Lessee does not conduct a similar business to the business operation permitted under this Agreement in off-Airport location(s) in the Metro Area, "**Street Prices**" shall mean the average price regularly charged in the Metro Area by similar retailers for the same or similar item; and

(3) If neither the Lessee nor other similar retailers sell a particular item in the Metro Area, "**Street Prices**" shall mean the average price regularly charged by the Lessee or similar retailers for the same or similar item in any other geographic area, with a reasonable adjustment for any cost of living variance between such area and the Metro Area.

(4) If the Lessee is engaged in the business of selling duty-free goods, "**Street Prices**" shall mean the price regularly charged by the Lessee or similar retailer for the same or similar duty-free item at other urban airports in the Northeast region of the United States, including but not limited to John F. Kennedy International Airport, New York, New York.

For purposes of clarification, for purposes of this *Section 13(c)*, Metro Area shall have the same meaning as "**Port of New York District**".

The Lessee's breach of the aforesaid Street Pricing policy shall be deemed a material breach of the Lessee's obligations under this Agreement.

(d) The Lessee shall post in each sales area (including any temporary sales space) a notice in form and substance satisfactory to the Port Authority notifying the public that the Lessee subscribes to a "**Street Pricing Policy**", such notice to be clearly visible and unobstructed. If the Lessee charges any price to a customer in excess of the price which would satisfy the "**Street**

Pricing Policy” in violation of its obligations under this Agreement, the amount of such excess shall constitute an overcharge which shall, upon demand by the Port Authority or the Lessee’s customer, be promptly refunded to the customer.

(e) The Lessee shall submit to the Port Authority from time to time (and not less than annually), a current pricing survey and report demonstrating compliance by the Lessee with the aforementioned pricing requirements. For purposes of establishing the Street Price of an item, any difference in the size or quality of a product or service shall constitute a price differential.

(f) The Lessee shall be open for and shall conduct business and furnish services seven (7) days a week, or for such other hours and days as the General Manager of the Airport, from time to time by notice to the Lessee, may determine in his/her sole and absolute discretion shall properly serve the needs of the public. The determination of proper business hours and days made by the Port Authority shall be controlling. At the time of execution of this Agreement, required operating hours at the Terminal shall be as follows:

- (1) Food and beverage – 6:30 a.m. to thirty (30) minutes after the last flight departs from the Terminal; all coffee operations to be open 5:30 a.m. to 10:00 p.m.;
- (2) News – 6:00 a.m. to 10:00 p.m.;
- (3) Retail – 6:30 a.m. to 10:00 p.m.;
- (4) Duty free – 6:00 a.m. to thirty (30) minutes after the last international flight departs from the Terminal; and
- (5) Services – 6:30 a.m. to 10:00 p.m.

Section 14. Signs

(a) Except with the prior written consent of the Port Authority, the Lessee shall not erect, maintain or display any signs or any advertising at or on the exterior parts of the Premises or in the Premises so as to be visible through the windows or exterior doors thereof. Interior and exterior signs affecting public safety and security shall be in accordance with established Port Authority standards.

(b) Upon the expiration or termination of the letting, the Lessee shall remove, obliterate or paint out, as the Port Authority may direct, any and all signs and advertising on the Premises or elsewhere at the Terminal if pertaining to the Lessee, and in connection therewith shall restore the Premises and the Terminal to the same condition as existing prior to the installation of any such signs or advertising. In the event that there is a failure by the Lessee so to remove, obliterate or paint out each and every sign or advertising and so to restore the Premises and the Terminal, the Port Authority may, at its option, perform the necessary work at the expense of the Lessee, and the charge therefor shall be paid by the Lessee to the Port Authority on demand.

Section 15. Services and Utilities

(a) General

(1) Except as provided in this Section, the Port Authority shall not be obligated to perform or furnish any services or utilities whatsoever in connection with this Agreement or the use and occupancy of the Premises. Further, the Lessee acknowledges and agrees that reference in this Section to services and utilities shall not include telephone or any form of data or information transmission service, which shall be the responsibility of Lessee to obtain at its sole cost and expense.

(2) The Port Authority's obligation to provide or continue any service or utility hereunder shall be limited by the safe and efficient operating capacity of the existing equipment, systems, piping systems, tie-ins, wires and conduits serving the Terminal and no approval given by the Port Authority to the erection by the Lessee of any improvement or to the installation of any fixtures or equipment shall be deemed to impose upon the Port Authority any obligation to increase the said operating capacity of any existing or presently contemplated equipment, systems, piping systems, tie-ins, wires or conduits.

(3) The Lessee understands that the Port Authority and the airline lessees (as defined in the Section of this Agreement entitled "*Definitions*") by its and their respective officers, employees, agents, representatives or contractors or by the furnishers of utilities or other services to the Premises or to others at the Airport shall have the right to temporarily discontinue the supply of any of the services described herein in order to allow repair, alterations, changes or improvements in the Premises or elsewhere at the Airport including all systems for the supply of services for the benefit of the Lessee or for the benefit of others than the Lessee at the Airport.

(4) The Port Authority shall be under no obligation to supply services if and to the extent and during any period that the supplying of any such service or the use of any component necessary therefor shall be prohibited or rationed by any federal, state or municipal law, rule, regulation, requirement, order or direction and if the Port Authority deems it in the public interest to comply therewith even though such law, rule, regulation, requirement, order or direction may not be mandatory on the Port Authority as a public agency. The Port Authority shall not be obligated to perform or furnish any service whatsoever in connection with the Premises at any time while the Lessee wastes any of the said services or shall be in default under this Agreement after the period, if any, herein granted to cure such default shall have expired, or has breached any of the provisions of this Agreement after the period, if any, herein granted to cure such default shall have expired and the Port Authority may cease performance. If by operation of this Section any service for which the Lessee has agreed to pay a flat sum is discontinued for any period of the letting, the Lessee shall be relieved of its obligation to pay for such service for any such period or if any such service is supplied during fewer hours or in lesser amounts than agreed during any period of the letting, the Lessee shall be relieved proportionately of its obligation to pay for any such service for any such period.

(5) No failure, delay, interruption or curtailment in supplying agreed services (whether or not a separate charge is made therefor) shall be or be construed to be an eviction (actual or constructive) of the Lessee or grounds for any diminution or abatement of rental, or shall be grounds for any claims by the Lessee for damages, consequential or otherwise, against the Port Authority, or its officers, employees or agents. The Lessee shall not be entitled to receive any of the above services during any period during which the Lessee wastes any of the said services or is in default under any of the provisions of this Agreement.

(b) Electricity and Gas. The Lessee shall receive electricity and gas to the extent of the capability of existing or upgraded facilities, and the Lessee agrees to take electricity and gas, as follows.

(1) For use on and in the Premises, electricity and gas shall be provided to the Lessee either from the Port Authority, or the relevant airline lessee pursuant to the relevant Airline Leases, as the case may be. However, the Port Authority anticipates a modernization program to the facilities for electricity and gas. In connection with the modernization of the facilities, the Port Authority reserves the right to either check meter such utilities or arrange for the appropriate utility company to directly invoice the Lessee for such electricity and gas consumed by Lessee in the Premises, if that option becomes available with such modernization.

(2) The Lessee shall take electricity of the same voltage, phase and cycle as supplied by the public utility through existing wires, conduits and outlets at the Premises. The Lessee shall be solely responsible for transforming the electricity supplied to such voltage, phase and frequency as it desires, for the distribution and handling of such electricity within its Premises and for making all connections and tie-ins to the point or points in the Premises designated by the Port Authority or relevant airline lessee.

(c) **Extermination Service.** In the event the Port Authority shall provide extermination service for the enclosed areas of the Premises, the Lessee agrees to utilize the same and to pay its pro rata share of the cost thereof upon demand. This paragraph does not impose any obligation on the Port Authority to furnish such service. If the Port Authority does not provide such service, Lessee, at its sole cost and expense, shall, at such intervals as the Port Authority may require, contract directly with such service designated by the Port Authority that performs the service for the Port Authority in the Terminal in order to provide continuity and consistency in such service.

(d) **High Temperature Water.**

(1) For use on and in the Premises (as applicable), the Lessee shall be provided high temperature water at no additional charge from either the Port Authority, or the relevant airline lessee pursuant to the relevant Airlines Leases, as the case may be, and the Lessee shall take, as needed for Lessee's operations, the following: (i) high temperature water for heating purposes in reasonable quantities at a temperature of approximately 130 degrees F.; and (ii) high temperature water for domestic hot water purposes.

(2) The Lessee's obligation to distribute and handle the high temperature water provided hereunder within its Premises, and for making all connections and tie-ins to the point or points in the Premises designated by the Port Authority or the relevant airline lessee shall fully apply in the same way as it applies for electricity and gas, as hereinabove described.

(e) **Chilled Water.**

(1) For use on and in the Premises (as applicable), the Lessee shall be provided chilled water at no additional charge from either the Port Authority, or the relevant airline lessee pursuant to the relevant Airlines Leases, as the case may be, and the Lessee shall take, as needed for Lessee's operations, through existing pipes, mains and fittings, for the following purposes: (i) for air cooling purposes, at a temperature and with other characteristics as determined by the Port Authority; and (ii) for domestic cold water purposes only.

(2) The Lessee's obligation to distribute and handle the chilled water provided hereunder within its Premises, and for making a connections and tie-ins to the point or points in the Premises designated by the Port Authority or the relevant airline lessee shall fully apply in the same way as it applies for electricity and gas, as hereinabove described.

(3) Without limiting the generality of rights of entry upon the Premises elsewhere in this Agreement reserved to the Port Authority (or the relevant airline lessee, as the case may be, in accordance with the relevant Airline Lease), the Port Authority (and the relevant airline lessee, as the case may be, in accordance with the relevant Airline Lease) shall have, for itself, its officers, employees, agents, representatives, contractors and subcontractors, the right to enter upon the Premises at all times to construct, install, maintain, replace, repair or improve the air-cooling system or any part thereof. Such air-cooling shall be furnished subject to all the provisions of this Agreement (including the remaining provisions of this Section) and in accordance with the following:

(4) If the air-cooling on the Premises can be controlled by mechanisms within the Premises or portions thereof, the Lessee shall shut off the air-cooling before closing and

leaving any particular portion of the Premises at any time for any period. The Port Authority shall have the right to enter the Premises for the purpose of observing the Lessee's compliance with the provisions hereof and the Port Authority may lock, seal or install any timing device on or in connection with any air-cooling control mechanism so as to provide that each portion of the Premises shall only be air-cooled during the hours and days stipulated hereunder.

(5) If the Lessee in accordance with this Agreement erects any partitions or makes any improvements, which partitions or improvements stop, hinder, obstruct or interfere with the cooling of the air or the heating of the Premises, then no such action by the Lessee shall impose any obligation on the Port Authority to install facilities, fixtures or equipment for air-cooling or for heating additional to those presently existing or presently contemplated or to increase the capacity or output of existing or presently contemplated facilities, equipment or fixtures and the Lessee shall not in any such event be relieved of any of its obligations hereunder because a comfortable temperature is not maintained. No approval given by the Port Authority to the erection of partitions or the making of any improvements shall be or be deemed to be a representation that the work approved of will not stop, hinder, obstruct or interfere with either the cooling of the air or the heating of the Premises or any portion thereof.

(6) The Lessee shall not waste or dissipate the air-cooling or heating service by any act or omission including but not limited to the permitting of outside doors or windows to remain open. Without otherwise affecting the Port Authority's rights or remedies in the event of any breach by the Lessee of its obligations under this subdivision, the Port Authority shall have the right to discontinue the said heating or air-cooling service during any period of such waste or dissipation and any failure of the Port Authority to supply any such service under such conditions shall not affect any of the Lessee's obligations under this Agreement. It is hereby understood further that the installation by the Lessee of any equipment which itself requires air-cooling or which requires additional quantities of air-cooling at the portion of the Premises where such equipment is installed, or the concentration in any portion of the Premises of such a number of people so as to require additional quantities of air-cooling, shall not impose any obligation on the Port Authority to increase the capacity or output of initially existing facilities, equipment or fixtures for the supply of chilled water and the Lessee shall not in any such event be relieved of any of its obligations hereunder.

(f) **Obligation to Maintain Systems.** Without limiting or affecting any other term or provision of this Agreement, the Lessee shall be solely responsible for the operation of all equipment, systems, piping systems, tie-ins, utilities, lines and connections, mechanical, electrical, communications and other systems operating or located in the Premises and shall do all preventative maintenance and make all repairs, replacements, rebuilding and painting necessary to keep such systems (whether same involves structural or non-structural work) in the condition they were in when made or installed except for reasonable wear which does not adversely affect the watertight condition or structural integrity of the Terminals or adversely affect the efficient or proper utilization or appearance of any part of the Premises. In the event the Lessee retains a maintenance contractor for such work it shall secure the Port Authority's prior approval for said proposed contractor. Notwithstanding the foregoing and without otherwise limiting the generality thereof, the Lessee's obligations hereunder shall extend to and include cleaning of the supply and exhaust louvers on the Premises. To the extent necessary for the Lessee to have the benefit of any warranties and guarantees under existing contracts covering items and systems identified in this paragraph in fulfilling its obligations hereunder and on condition that such contracts permit it and the Port Authority's interests are not adversely affected in any way and to any extent, the Port Authority shall enable the Lessee to have recourse to such warranties and guarantees.

(g) **Drainage and Exhaust.** Without in any way limiting the Lessee's other obligations under this Agreement, the Lessee shall supply, replace, install, repair, maintain and keep clean all grease traps in all drainage pipes exclusively used in operations at the Premises whether such pipes are located on the Premises or elsewhere at the Terminal. The Lessee shall also keep clean,

repair and maintain (other than structurally) all kitchen exhaust ducts including the replacement of all filters where such ducts are exclusively used by it in such operations and whether such ducts are located on the Premises or elsewhere at the Terminal. As part of the Lessee's maintenance responsibilities, the hood and ventilation system servicing the Premises shall be cleaned and maintained, from inside the unit through the ductwork to the roof top fan, on a monthly basis and at the Lessee's sole cost and expense. Written documentation of this work shall be supplied to the Port Authority on or before the seventh (7th) day of each calendar month, relating to servicing during the preceding calendar month. In addition, should any corrective work be necessary for any portion of the hood and ventilation system, the Lessee shall be responsible for the immediate repair and costs therefor, whether such repair is required inside the unit or outside the unit.

(h) Other Governmental Actions. If any federal, state, municipal or other governmental body, authority or agency or any public utility assesses, levies, imposes, makes or increases any charge, fee or rent on the Port Authority for any service, system or utility now or in the future supplied to or available to the Premises or to any occupants or users thereof or to the structure or building of which the Premises form a part (including but not limited to any rent or charge for the use of the sewer systems), the Lessee shall, at the option of the Port Authority exercised at any time and from time to time by notice to the Lessee, pay in accordance with the said notice, such charge, fee or rent or increase thereof (or the portion thereof allocated by the Port Authority to the Premises or the operations therein) either directly to the governmental body, authority or agency or to the public utility or directly to the Port Authority or the airline lessee, as required.

(i) Washrooms. The Lessee shall be furnished, without additional charge, non-exclusive toilet and washroom facilities for the employees of the Lessee if toilet and washroom facilities are not a part of the Premises.

Section 16. Construction by the Lessee

(a) Except as hereinafter expressly provided, the Lessee shall not erect any structures, make any improvements or do any other construction work on the Premises or elsewhere at the Terminal, or alter, modify or make additions, improvements or repairs to or replacements of any structure now existing or built at any time during the letting, or install any fixtures (other than trade fixtures, removable without material injury to the freehold, any such damage to be immediately repaired by the Lessee) without the prior written consent of the Port Authority. In the event any construction, improvement, alteration, modification, addition, repair or replacement is made without such written approval of the Port Authority, then, upon notice given at any time during the letting or within sixty (60) days after expiration or termination of the term of the letting, the Lessee will remove the same, or, at the option of the Port Authority, cause the same to be changed to the satisfaction of the Port Authority. In case of any failure on the part of the Lessee to comply with such notice, the Port Authority may effect the removal or change, and the Lessee shall pay the cost thereof to the Port Authority on demand.

(b) In the event that Item 4 of **Exhibit B** provides that the Lessee is required (or is permitted to) build a structure or make repairs, alterations, improvements or additions to the Premises, the structure, repairs, alterations improvements or additions described in the said Item 4 shall be built or made strictly in accordance with the following terms and conditions:

(1) The Lessee shall, to the extent allowed under the law, be the insurer of the Port Authority, its Commissioners, officers, agents and employees, against the following distinct and several risks, whether they arise from the acts or omissions of the Lessee, of the Port Authority, its Commissioners, officers, agents and employees or of third persons, or from acts of God or of the public enemy, or otherwise, excepting only risks which result solely from affirmative, willful acts done by the Port Authority subsequent to the commencement of the work of construction, repair, alteration, improvement or addition.

[AMS BW Newark JV/Hudson News/Lease No. ANC-047]

(i) The risk or loss or damage to all such required repairs, alterations, additions, improvements, or structures prior to the completion thereof. In the event of such loss or damage, the Lessee shall forthwith repair, replace and make good the work without cost to the Port Authority.

(ii) The risk of death, injury or damage, direct or consequential, to the Port Authority, its Commissioners, officers, agents and employees, and to its or their property, arising out of or in connection with the performance of the work. The Lessee shall indemnify the Port Authority, its Commissioners, officers, agents and employees, for all such deaths, injuries and damages, and for all loss suffered by reason thereof.

(iii) The risk of claims and demands, just or unjust, by third persons against the Port Authority, its Commissioners, officers, agents and employees, arising or alleged to arise out of the performance of the work. The Lessee shall indemnify the Port Authority, its Commissioners, officers, agents and employees against and from, and shall reimburse the Port Authority for, costs or expenses incurred by it in connection with the defense, settlement or satisfaction of all such claims and demands.

(2) All work done pursuant to this Section shall be done in accordance with drawings and specifications to be submitted to and approved by the Chief Engineer of the Port Authority prior to the commencement of the work, shall be done to his satisfaction and shall be subject to his inspection during the progress of such work and after completion thereof; and the Lessee shall re-do or replace at its own expense any work not approved by the said Chief Engineer. Unless otherwise expressly provided herein, all workmanship and materials are required to be first class.

(3) The Lessee shall pay all claims lawfully made against it by its contractors, subcontractors, materialmen and workmen and all claims lawfully made against it by other third persons arising out of or in connection with or because of the performance of the work and shall cause its contractors and subcontractors to pay all such claims lawfully made against them.

(4) The Lessee shall procure and maintain comprehensive public liability insurance, or, if the work is to be done by an independent contractor, the Lessee shall require such contractor to procure and maintain such insurance in the name of the contractor, in either case, in limits not lower than those set forth for such categories of insurance in Item 5 of **Exhibit B**.

(5) As soon as such structure, repair, alteration, improvement or addition shall have been completed to the satisfaction of the Chief Engineer of Port Authority, then (subject to the provisions of the following subdivision (c)) title thereto shall immediately and without execution of any further instrument vest in the Port Authority, and every said structure and all such repairs, alterations, improvements or additions, shall thereupon become and thereafter be part of the Premises (said vesting of title does not apply to Lessee's movable trade fixtures and other items of Lessee's personal property).

(c) The Port Authority shall have the option, exercisable by notice delivered on or before a date sixty (60) days after expiration, cancellation or termination hereof, to require the Lessee to remove any or all such structures, alterations, improvements or additions, and to restore the Premises to the condition thereof prior to the construction or installation thereof. In the event of a failure on the part of the Lessee so to remove and restore, the Port Authority may do so, and the Lessee shall pay the cost thereof to the Port Authority on demand.

Section 17. Injury and Damage to Person or Property

The Port Authority shall not be liable to the Lessee, or to any person, for injury or death to any person or persons whomsoever, or damage to any property whatsoever at any time in the Premises or elsewhere in the Terminal, including but not limited to any such injury, death or damage from falling material, water, rain, hail, snow, gas, steam, and/or electricity, whether the same may leak into, or fall, issue, or flow from any part of the Terminal, or from any other place or quarter.

Section 18. Additional Rent and Charges

(a) If the Port Authority has paid any sum or sums or has incurred any obligation or expense (including, without limitation, payments to third persons and internal Port Authority costs and expenses) which the Lessee has agreed to pay or reimburse the Port Authority for, or if the Port Authority is required or elects to pay any sum or sums or incurs any obligation or expense (including, without limitation, payments to third persons and internal Port Authority costs and expenses) by reason of the failure, neglect or refusal of the Lessee to perform or fulfill any one or more of the conditions, covenants or agreements contained in this Agreement or as a result of an act or omission of the Lessee contrary to the said conditions, covenants and agreements, the Lessee agrees to pay the sum or sums so paid or the expense so incurred, including all interest, costs, damages and penalties, and the same may be added to any installment of rent thereafter due hereunder, and each and every part of the same shall and become additional rent, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the Basic Rental, or if there is no Basic Rental as a part of the Percentage Rental, all as set forth in the Section of this Agreement entitled "*Rental*".

(b) For all purposes under this Section and in any suit, action or proceeding of any kind between the parties hereto, any receipt showing any payment of sum or sums by the Port Authority for any work done or material furnished shall be prima facie evidence against the Lessee that the amount of such payment was necessary and reasonable. Should the Port Authority elect to use its own operating and maintenance staff in making any repairs, replacements and/or alterations and to charge the Lessee with the cost of same, any time report of any employee of the Port Authority showing hours of labor or work allocated to any such repair, replacement and/or alteration, or any stock requisition of the Port Authority showing the issuance of materials for use in the performance thereof, shall likewise be prima facie evidence against the Lessee that the amount of such charge was necessary and reasonable.

Section 19. Application of Payments; Accord and Satisfaction

All payments received by the Port Authority shall be credited and be deemed to be on account of the rentals and other charges then first due. No statements or endorsements on any check or any letter accompanying any check or payment of rentals or other charges shall be deemed an accord and satisfaction of any debt or obligation of the Lessee hereunder. The Port Authority reserves the right to accept any check or payment without prejudicing in any way the Port Authority's right to recover the balance of any and all rentals and other charges due from the Lessee after receipt of any such check or payment or to pursue any other remedy provided herein or by law.

Section 20. Rights of Entry Reserved

(a) The Port Authority by its officers, employees, agents, representatives and contractors shall have the right at all reasonable times to enter upon the Premises for the purpose of inspecting the same for observing the performance by the Lessee of its obligations under this

Agreement, and for the doing of any act or thing which the Port Authority may be obligated or have the right to do under this Agreement or otherwise.

(b) Without limiting the generality of the foregoing, the Port Authority, by its officers, employees, representatives, and contractors, shall have the right, for the benefit of the Lessee or for the benefit of others at the Terminal, to maintain existing and future utilities systems or portions thereof on the Premises, including therein without limitation thereto systems for the supply of heat, water hot and cold, gas, electricity and fuel and for the furnishing of fire-protection, sprinkler, sewerage, drainage, air-conditioning, telephone, telegraph, tele-register, pneumatic-tube dispatch and intercommunication services, and to maintain elevator and escalator systems, including lines, pipes, mains, wires, conduits and equipment connected with or appurtenant to all such systems, and to enter upon the Premises at all reasonable times to make such repairs, alterations and replacements as may, in the opinion of the Port Authority, be deemed necessary or advisable and, from time to time, to construct or install over, in, under or through the Premises new lines, pipes, mains, wires, conduits and equipment; provided, however, that such repair, alteration, replacement or construction shall not unreasonably interfere with the use of the Premises by the Lessee.

(c) Nothing in this Section shall be or be deemed construed to impose upon the Port Authority any obligation to construct or maintain or to make repairs, replacements, alterations or additions, or shall create any liability for any failure so to do.

(d) At any time and from time to time during ordinary business hours within the six (6) months next preceding the expiration of the letting, the Port Authority, by its agents and employees, whether or not accompanied by prospective lessees, occupiers or users of the Premises, shall have the right to enter thereon for the purpose of exhibiting and viewing all parts of the same and during such six-month period for Port Authority may place and maintain on the Premises, the usual "To Let" signs, which signs the Lessee shall permit to remain without molestation.

(e) If, during the last month of the letting, the Lessee shall have removed all or substantially all the Lessee's property from the Premises, the Port Authority may immediately enter and alter, renovate and redecorate the Premises.

(f) The exercise of any or all of the foregoing rights by the Port Authority or others shall not be or be construed to be an eviction of the Lessee nor be made the grounds for any abatement of rental or any claim or demand for damages, consequential or otherwise.

Section 21. Condemnation

(a) In any action or proceeding instituted by any governmental agency or agencies for the taking for a public use of any interest in all or any part of the Premises, the Lessee shall not be entitled to assert any claim to any award or part thereof made or to be made therein, or to institute any action or proceeding or to assert any claim against such agency or agencies or against the Port Authority, for or on account of any such taking, except the possible claim to an award for loss of fixtures furnished and installed by the Lessee (and for the purpose of such possible claim alone, title to such fixtures shall revert to the Lessee), it being understood and agreed between the Port Authority and the Lessee that, except for the possible claim to an award for loss of fixtures, the Port Authority shall be entitled to all the compensation or awards made or to be made or paid for any such taking, free of any claim or right of the Lessee.

(b) In the event of a taking of the entire Premises by any governmental agency or agencies, then this Agreement shall be cancelled and the letting shall, as of the date possession is taken from the Port Authority by such agency or agencies, cease and determine in the same manner and with the same effect as if the term of the letting had on that date expired.

(c) In the event of a taking by any governmental agency or agencies of a part of the Premises, then the letting as to such part only shall, as of the date possession thereof is taken from the Port Authority by such agency or agencies, cease and determine, and the rentals thereafter to be paid by the Lessee to the Port Authority shall, if so provided in Item 1 of **Exhibit B**, be abated from and after the date of such taking.

(d) Notwithstanding the provisions of this Section 21, the Lessee shall not be prevented thereby from making a possible claim against the condemning party for an award for moving expenses or for trade fixtures owned or installed by Lessee, if (i) such claim is then allowed by law, (ii) such claim is then allowed by the Port Authority's lease with the City of Newark, described in the Section of this Agreement entitled "*Basic Lease*", if applicable, and (iii) such award is made separately from the award to the Port Authority and will not reduce the amount thereof; this provision shall not be deemed a representation by the Port Authority of the validity or legality of any such claim.

Section 22. Assignment and Subleasing

(a) Definitions. The following terms shall have the respective meanings set forth below.

(1) "**Assignment**" shall mean any sale, conveyance, transfer, exchange, mortgage, assignment or other disposition of all or any portion of the Lessee's interest in this Agreement or the leasehold estate created hereby, whether directly or indirectly or by operation of law or otherwise.

(2) "**Sublease**" shall mean any sublease (including a sub-sublease or any further level of subletting) and any occupancy, license, franchise or concession agreement applicable to the Premises or any portion thereof.

(3) "**Transfer**" shall mean the transfer, sale, assignment, pledge, hypothecation or other disposition of any interest in the Lessee or in any direct or indirect constituent entity of the Lessee, where such disposition (whether by itself or cumulatively with other transactions) directly or indirectly produces any change in the direct or indirect Control (as defined in the definition of Affiliate) of the Lessee, and shall include but not be limited to (1) the sale, assignment, redemption or transfer of outstanding stock of or membership interest in, respectively, any corporation or any limited liability company that is the Lessee or that is the general partner of any partnership that is the Lessee, (2) the issuance of additional stock or membership interest in, respectively, any corporation or limited liability company that is the Lessee or that is the general partner of any partnership that is the Lessee, and (3) the sale, assignment, redemption or transfer of any general or limited partner's interest in, or the admission of a new partner to, a partnership that is the Lessee or that is a general or limited partner of any partnership that is the Lessee.

(b) No Assignment, Transfer or Sublease without Consent. The Lessee shall not effect or permit any Assignment, Transfer or Sublease without the prior written consent of the Port Authority.

(c) Unauthorized Transactions Null and Void. Any Sublease, Assignment or Transfer, including without limitation any sale, assignment, transfer, mortgage, pledge, hypothecation, encumbrance or disposition of the Premises or of the rents, revenues or any other income from the Premises, or this Agreement or any part hereof, or any license or other interest of the Lessee herein not made in accordance with the provisions of this Agreement shall be null and void *ab initio* and of no force or effect.

[AMS BW Newark JV/Hudson News/Lease No. ANC-047]

(d) **Port Authority's Right to Collect Rent.** If without the prior written consent of the Port Authority, the Lessee effects any Assignment, Transfer or Sublease, or if the Premises are occupied by anybody other than the Lessee, the Port Authority may collect rent from any assignee, sublessee or anyone who claims a right under this Agreement or letting or who occupies the Premises, and the Port Authority shall apply the net amount collected to the rental herein reserved; but no such collection shall be deemed a waiver by the Port Authority of the covenants contained in paragraphs (a) and (b) of this Section or an acceptance by the Port Authority of any such assignee, sublessee, claimant or occupant as Lessee, nor a release of the Lessee by the Port Authority from the further performance by the Lessee of the covenants contained herein.

(e) **Continuing Application of Consent Requirement.** Any consent granted by the Port Authority to any Assignment, Transfer or Sublease pursuant to the provisions hereof shall not be construed or deemed to release, relieve or discharge the Lessee or any other person claiming any right, title or interest in this Agreement from the requirement of obtaining the prior written consent of the Port Authority with respect to any other Assignment, Transfer or Sublease.

(f) **Use of Premises.** The Lessee shall not use or permit any person to use the Premises or any portion thereof for any purpose other than the purposes stated in the Section hereof entitled "*Rights of Use by the Lessee*". Except as provided in this Agreement or otherwise permitted in writing by the Port Authority, the Lessee shall not permit the Premises to be used or occupied by any person other than its own officers, employees, contractors and representatives.

Section 23. Termination

(a) If any one or more of the following events of default shall occur, that is to say:

(1) The Lessee shall fail duly and punctually to pay the rentals or to make any other payment required hereunder when due to the Port Authority.

(2) The Lessee shall become insolvent, or shall take the benefit of any present or future insolvency statute, or shall make a general assignment for the benefit of creditors, or file a voluntary petition in bankruptcy or a petition or answer seeking an arrangement or its reorganization or the readjustment of its indebtedness under the federal bankruptcy laws or under any other law or statute of the United States or of any State thereof, or consent to the appointment of a receiver, trustee, or liquidator of all or substantially all its property; or

(3) By order or decree of a court the Lessee shall be adjudged bankrupt or an order shall be made approving a petition filed by any of the creditors or, if the Lessee is a corporation, by any of the stockholders of the Lessee, seeking its reorganization or the readjustment of its indebtedness under the federal bankruptcy laws or under any law or statute of the United States or of any State thereof; or

(4) A petition under any part of the federal bankruptcy laws or an action under any present or future insolvency law or statute shall be filed against the Lessee and shall not be dismissed within thirty (30) days after the filing thereof; or

(5) The letting hereunder or the interest or estate of the Lessee under this Agreement shall be transferred to, pass to or devolve upon, by operation of law or otherwise, any other person, firm or corporation; or

(6) The Lessee, if a corporation, shall, without the prior written approval of the Port Authority, become a possessor or merged corporation in a merger, a constituent corporation in a consolidation, or a corporation in dissolution; or

[AMS BW Newark JV/Hudson News/Lease No ANC-047]

(7) The Lessee is, or the Lessees collectively are doing business as, or constitute a co-partnership, and the said co-partnership shall be dissolved as the result of any act or omission of its co-partners or any of them, or by operation of law or the order or decree of any court having jurisdiction, or for any other reason whatsoever; or

(8) By or pursuant to, or under authority of any legislative act, resolution or rule, or any order or decree of any court or governmental board, agency or officer having jurisdiction, a receiver, trustee, or liquidator shall take possession or control of all or substantially all of the property of the Lessee, and such possession or control shall continue in effect for a period of fifteen (15) days; or

(9) Any type of strike or other labor activity is directed against the Lessee at the Terminal resulting in picketing or boycott for a period of at least forty-eight (48) hours which, in the opinion of the Port Authority, adversely affects or is likely adversely to affect the operation of the Terminal or the operations of other Lessees or licensees thereat, whether or not the same is due to the fault of the Lessee, and whether caused by the employees of the Lessee or by others; or

(10) Any lien is filed against the Premises because of any act or omission of the Lessee and is not removed within ten (10) days; or

(11) The Lessee shall voluntarily abandon, desert, vacate or discontinue its operations in the Premises; or

(12) The Lessee shall fail to keep, perform and observe each and every other promise, covenant and agreement set forth in this Agreement on its part to be kept, performed or observed, within ten (10) days after receipt of notice of default thereunder from the Port Authority (except where fulfillment of its obligation requires activity over a period of time, and the Lessee shall have commenced to perform whatever may be required for fulfillment within ten (10) days after receipt of notice and continues such performance without interruption except for causes beyond its control);

then upon the occurrence of any such event or at any time thereafter the continuance thereof, the Port Authority may by five (5) days' notice terminate the letting and the rights of the Lessee hereunder, such termination to be effective upon the date specified in such notice. Such right of termination and the exercise thereof may be and operate as a conditional limitation.

(b) If any of the events enumerated in subdivision (a) of this Section shall occur prior to the letting, the Lessee shall not be entitled to enter into possession of the Premises and the Port Authority upon the occurrence of any such event or at any time thereafter during the continuance thereof by twenty-four hours' notice may cancel the interest of the Lessee under this Agreement, such cancellation to be effective upon the date specified in such notice.

(c) No acceptance by the Port Authority of rentals, fees, charges or other payments in whole or in part for any period or periods after or during the continuance of a breach or default of any of the terms, covenants and conditions to be performed, kept or observed by the Lessee shall be deemed a waiver of any right on the part of the Port Authority to terminate the letting, nor shall the same constitute a waiver of any such breach or default.

(d) No waiver by the Port Authority of any breach or default on the part of the Lessee in performance of any of the terms, covenants or conditions hereof to be performed, kept or observed by the Lessee shall be or be construed to be a waiver by the Port Authority of any other or subsequent default in performance of any of the said terms, covenants and conditions. No failure by

[AMS BW Newark JV/Hudson News/Lease No. ANC-047]

the Port Authority to insist upon the strict performance of terms, covenants or conditions of this Agreement or to exercise any right or remedy consequent upon a breach or default thereof, and no extension, supplement or amendment of this Agreement during or after a breach thereof, unless expressly stated to be a waiver, shall constitute a waiver of any such breach or default of the said terms, covenants or conditions. No terms, covenant or condition of this Agreement to be performed or complied with by the Lessee, and no breach or default thereof, shall be waived, altered or modified except by a written instrument executed by the Port Authority.

(e) The rights of termination described above shall be in addition to any other rights of termination provided in this Agreement and in addition to any rights and remedies that the Port Authority would have at law or in equity consequent upon any breach of this Agreement by the Lessee, and the exercise by the Port Authority of any right of termination shall be without prejudice to any other such rights and remedies. The Lessee particularly acknowledges that as part of said equitable rights and remedies the Port Authority shall be entitled to restrain by injunction any violation or attempted or threatened violation of any covenants, conditions or other provisions of this Agreement.

Section 24. Right of Re-entry

The Port Authority shall, as an additional remedy upon the giving of a notice of termination as provided in the Section of this Agreement entitled "*Termination*", have the right to re-enter the Premises and every part thereof upon the effective date of termination without further notice of any kind, and may regain and resume possession either with or without the institution of summary or any other legal proceedings or otherwise. Such re-entry, or regaining or resumption of possession, however, shall not in any manner affect, alter or diminish any of the obligations of the Lessee under this Agreement, and shall in no event constitute an acceptance of surrender.

Section 25. Waiver of Redemption

The Lessee hereby waives any and all rights to recover or regain possession of the Premises and all rights of redemption, granted by or under any present or future law in the event it is evicted or dispossessed for any cause, or in the event the Port Authority obtains possession of the Premises in any lawful manner.

Section 26. Survival of the Obligations of the Lessee

(a) In the event that the letting shall have been terminated in accordance with a notice of termination as provided in the Section of this Agreement entitled "*Termination*", or the interest of the Lessee cancelled pursuant thereto, or in the event that the Port Authority has re-entered, regained or resumed possession of the Premises in accordance with the provisions of the Section of this Agreement entitled "*Right of Re-entry*", all the obligations of the Lessee under this Agreement shall survive such termination or cancellation, re-entry, regaining or resumption of possession and shall remain in full force and effect for the full term of this Agreement, and the amount or amounts of damages or deficiency shall become due and payable to the Port Authority to the same extent, at the same time or times and in the same manner as if no termination, cancellation, re-entry, regaining or resumption of possession had taken place. The Port Authority may maintain separate actions each month to recover the damage or deficiency then due or at its option and at any time may sue to recover the full deficiency less the proper discount, for the entire unexpired term.

(b) The amount of damages for the period of time subsequent to termination or cancellation (or re-entry, regaining or resumption of possession) shall be the sum of the following:

(1) on account of the Lessee's basic rental obligation, the amount of the total of all annual basic rentals, less the installments thereof payable prior to the effective date of termination except that the credit to be allowed for the installment payable on the first day of the month in which the termination is effective shall be prorated for the part of the month the letting remains in effect, on the basis of a 30-day month;

(2) on account of the Lessee's percentage rental obligation in the event that a basic rental is also reserved under this Agreement, an amount equal to the percentage stated in Item 1 of **Exhibit B** applied to the amount of Gross Receipts in excess of the annual exemption amount or amounts, which Gross Receipts would have been received by the Lessee during the balance of the term if there had been no termination or cancellation (or re-entry, regaining or resumption of possession), and for the purpose of calculation hereunder (i) the said amount of Gross Receipts shall be derived by multiplying the number of days in the balance of the term originally fixed, by the Lessee's average daily Gross Receipts; (ii) the average daily Gross Receipts shall be the total actual Gross Receipts of the Lessee during that part of the effective period of the letting (including all annual periods falling within the effective period) in which the abatement was in effect, divided by the number of days included in such part of the effective period; (iii) the annual exemption amount for any period of less than a year shall be the product of the original annual exemption amount multiplied by a fraction, the numerator of which shall be the number of days from the effective date of termination to the end of the annual period and the denominator shall be 365;

(3) on account of the Lessee's percentage rental obligation in the event that no basic rental is reserved under this Agreement, an amount equal to the percentage stated in Item 1 of **Exhibit B** applied to the amount of Gross Receipts which would have been received by the Lessee during the balance of the term if there had been no termination or cancellation (or re-entry, regaining or resumption of possession), and for the purpose of calculation hereunder (i) the said amount of Gross Receipts shall be derived by multiplying the number of days in the balance of the term originally fixed, by the Lessee's average daily Gross Receipts; and (ii) the average daily Gross Receipts shall be the total actual Gross Receipts of the Lessee during that part of the effective period of the letting (including all annual periods falling within the effective period) divided by the number of days included in such part of the effective period;

(4) the amount of all other unfulfilled monetary obligations of the Lessee under this Agreement, including without limitation thereto, all sums constituting additional rental hereunder and the cost to and expenses of the Port Authority for fulfilling all other obligations of the Lessee which would have accrued or matured during the balance of the term on the expiration date originally fixed or within a stated time after expiration or termination; and

(5) an amount equal to the cost to and the expenses of the Port Authority in connection with the termination, cancellation, regaining possession and restoring (on failure of the Lessee to restore) and reletting the Premises, the Port Authority's legal expenses (including but not limited to the cost to the Port Authority of in-house legal services) and costs, and the Port Authority's costs and expenses for the care and maintenance of the Premises during any period of vacancy, and any brokerage fees and commissions in connection with any reletting.

(c) It is understood and agreed that the statement of damages under the preceding subdivision (b) shall not affect or be construed to affect the Port Authority's right to damages in the event of termination or cancellation (or re-entry, regaining or resumption of possession) where the Lessee has not received any actual Gross Receipts under this Agreement.

Section 27. Reletting by the Port Authority

The Port Authority, upon termination or cancellation pursuant to the provisions of the Section of this Agreement entitled "*Termination*", or upon any re-entry, regaining, or resumption of
[AMS BW Newark JV/Hudson News/Lease No. ANC-047]

possession pursuant to the provisions of the Section of this Agreement entitled "*Right of Re-entry*", may occupy the Premises or may relet the Premises, and shall have the right to permit any person, firm or corporation to enter upon the Premises and use the same. Such reletting may be of part only of the Premises, or of the Premises, or a part thereof together with other space, and for a period of time the same as or different from the balance of the term hereunder remaining, and on terms and conditions the same as or different from those set forth in this Agreement. The Port Authority shall also, upon termination or cancellation pursuant to the provisions of the Section of this Agreement entitled "*Termination*", or upon its re-entry, regaining or resumption of possession pursuant to the provisions of the Section of this Agreement entitled "*Right of Re-entry*", have the right to repair or to make structural or other changes in the Premises, including changes which alter the character of the Premises and the suitability thereof for the purposes of the Lessee under this Agreement, without affecting, altering or diminishing the obligations of the Lessee hereunder. In the event either of any reletting or of any actual use and occupancy by the Port Authority (the mere right to use and occupy not being sufficient however) there shall be credited to the account of the Lessee against its survived obligations hereunder any net amount remaining after deducting from the amount actually received from any lessee, licensee, permittee or other occupier in connection with the use of the said Premises or portion thereof during the balance of the letting as the same is originally stated in this Agreement, or from the market value of the occupancy of such portion of the Premises as the Port Authority may during such period actually use and occupy, all expenses, costs, and disbursements incurred or paid by the Port Authority in connection therewith. No such reletting shall be or be construed to be an acceptance of surrender.

Section 28. Thirty Day Termination

(a) The Port Authority shall have the right to terminate this Agreement and the letting hereunder, without cause, at any time, on thirty (30) days' notice to the Lessee. In the event of termination pursuant to this Section, this Agreement and the letting hereunder shall cease and expire as if the effective date of termination stated in the notice were the date originally stated herein for the expiration of this Agreement.

(b) The Lessee is obligated by this Agreement to furnish and install all fixtures and equipment and make all improvements in the Premises, necessary or proper for its operations hereunder. In the event of termination by the Port Authority under this Section, the Port Authority shall pay the Lessee a pro rata share of the Lessee's cost in supplying and installing such fixtures and equipment and making all such improvements excluding any replacements thereof. The cost and the pro rata share thereof shall be ascertained as stated in Item 6 of **Exhibit B**; provided, however, that tender of payment of said prorated cost by the Port Authority to the Lessee shall not be prerequisite to the exercise of the right of termination under this Section. On the payment by the Port Authority of said prorated cost and any interest due thereon, all fixtures, equipment and improvements including replacements furnished by the Lessee in the Premises and all interest of the Lessee therein which have not already become the property of the Port Authority shall be and become the property of the Port Authority and the Lessee shall execute any and all instruments necessary to transfer title to any such interest; provided, however, that the Port Authority may by notice relinquish its right to any such fixtures, equipment or improvements and the provisions of the Sections of this Agreement "*Sales and Services by the Lessee*" and "*Surrender*", respectively.

Section 29. Remedies to Be Non-exclusive

All remedies provided in this Agreement shall be deemed cumulative and additional and not in lieu of or exclusive of each other or of any other remedy available to the Port Authority at law or in equity, and the exercise of any remedy, or the existence herein of other remedies or indemnities shall not prevent the exercise of any other remedy.

Section 30. Surrender

(a) The Lessee covenants and agrees to yield and deliver peaceably to the Port Authority possession of the Premises on the date of the cessation of the letting, whether such cessation be by termination, expiration or otherwise, promptly and in good condition, and all of the Premises shall be free and clear of all liens, encumbrances, and security interests and of any rights of any sublessees or other occupants of the Premises.

(b) Subject to the provisions of the Sections of this Agreement entitled "*Sales and Services by the Lessee*" and "*Thirty Day Termination*", respectively, the Lessee shall have the right at any time during the letting to remove its equipment, inventories, removable fixtures and other personal property from the Premises. If the Lessee shall fail to remove its property on or before the termination or expiration of the letting, the Port Authority may remove such property to a public warehouse for deposit or retain the same in its own possession, and sell the same at public auction, the proceeds of which shall be applied first to the expenses of removal, storage and sale, second to any sums owed by the Lessee to the Port Authority, with any balance remaining to be paid to the Lessee; if the expenses of such removal, storage and sale shall exceed the proceeds of sale, the Lessee shall pay such excess to the Port Authority upon demand.

Section 31. Acceptance of Surrender of Lease

No agreement of surrender or to accept a surrender shall be valid unless and until the same shall have been reduced to writing and signed by the duly authorized representatives of the Port Authority and of the Lessee. Except as expressly provided in this Section, neither the doing of, nor any omission to do, any act or thing, by any of the officers, agents or employees of the Port Authority, shall be deemed an acceptance of a surrender of the letting or of this Agreement.

Section 32. Requirement of Security Deposit

(a) Upon the execution of this Agreement by the Lessee and delivery thereof to the Port Authority, the Lessee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Lessee, all of the terms, provisions, covenants and conditions of this Agreement on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority ; and payable in the Port of New York District in the amount of Six Hundred Seventy-Five Thousand Dollars and No Cents (\$675,000.00). The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission under this Agreement and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is an appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Lessee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security. Failure to provide such a letter of credit at any time during the effective period of the permission, under this Agreement, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of

credit shall be deemed to be a breach of this Agreement on the part of the Lessee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Lessee made thereafter, the Port Authority will return the security deposit, if any, theretofore made. The Lessee shall have the same rights to receive such deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the permission under this Agreement and fulfillment of the obligations of the Lessee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Lessee on demand of the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to be a waiver of any default by the Lessee under the terms of this Agreement and all remedies of the Lessee and of the Port Authority consequent upon such default shall not be affected by the existence of a recourse to any such letter of credit.

(b) For purposes of the provisions set forth in this Section, the Lessee hereby certifies that the I.R.S. Employer Identification No. for: (i) AMS-BW Newark JV is (EX. 1) (ii) Airport Management Services, LLC is (EX. 1) . . . and (iii) Branded Works, Inc is . . .

(c) Unless Item 7 of Exhibit B indicates that no performance bond is required, the Lessee shall furnish and pay the premium for a bond in the sum stated in the said Item 7, conditioned upon the full, faithful and prompt performance of and compliance with, on the part of the Lessee, all the covenants, terms and conditions of this Agreement on its part to be fulfilled, kept, performed and observed. The bond so furnished shall be in the form attached hereto, hereby made a part hereof and marked Exhibit U, and shall be effective throughout the performance of Lessee's Work for the Premises and through the later of either (i) a period of six (6) months following the completion of all punch list items issued by the Port Authority or (ii) the opening of the Premises for business to the public. Further, such bond shall be made either by a surety company or companies qualified to carry on a surety business in the State of New Jersey if the Premises are in New Jersey or in the State of New York if the Premises are in New York, and satisfactory to the Port Authority or by an individual or individuals satisfactory to the Port Authority.

Section 33. Brokerage

The Lessee represents and warrants that no broker has been concerned in the negotiation of this Agreement and that there is no broker who is or may be entitled to be paid a commission in connection therewith. The Lessee shall indemnify and save harmless the Port Authority of and from any claim for commission or brokerage made by any and all persons, firms or corporations whatsoever for services in connection with the negotiation and execution of this Agreement.

Section 34. Limitation of Rights and Privileges Granted

No greater rights or privileges with respect to the use of the Premises or any part thereof or with respect to the Terminal are granted or intended to be granted to the Lessee by this Agreement, or by any provision thereof, than the rights and privileges expressly granted hereby.

Section 35. Letting Postponed

The Lessee recognizes that, at the time of execution of this Agreement, the Premises may be occupied by another or may be under construction, alteration or improvement by the Port Authority or that the Port Authority may intend to do or make such construction, alteration or improvement and that as a result the Premises may not be ready for occupancy on the commencement date stated in the Section of this Agreement entitled "Term". In the event that the Premises are not

[AMS BW Newark JV/Hudson News/Lease No. ANC-047]

ready for occupancy on said commencement date, the term of the letting under this Agreement shall commence on a date designated by the Port Authority on ten (10) days' notice to the Lessee, but not later than the date stated in Item 8 of **Exhibit B**; and, in the event that the commencement date shall be postponed hereunder, then the expiration date as stated in said Section shall also be postponed by a period of time equivalent to the period intervening between the commencement date stated in said Section and the actual commencement date as designated pursuant to this Section. In the event that the Premises are not ready for occupancy on or before the date stated in Item 8 of **Exhibit B**, then this Agreement shall be cancelled and each party shall release and does hereby release the other party of and from any and all claims or demands based on this Agreement or any breach or alleged breach thereof. Nothing contained in this Section shall impose or shall be construed to impose on the Port Authority any obligation to perform construction or make alterations or improvements.

Section 36. Changes in the Terminal

The Port Authority shall have the right at any time and from time to time prior to and during the letting, in the interest of the efficient operation of the Terminal, to close, move or alter any common way in the Terminal, including but not limited to entrances, exits, passages, halls, corridors, aisles, stairways, elevators or escalators, or to restrict or change the traffic on or through any such common way; and no such action by the Port Authority shall release the Lessee from any of its obligations under this Agreement.

Section 37. Notices

(a) Except where expressly required or permitted herein to be oral, all notices, directions, requests, consents and approvals required to be given to or by either party shall be in writing, and all such notices and requests shall be (i) personally delivered to the duly designated officer or representative of such party or delivered to the office of such officer or representative during regular business hours, or (ii) forwarded to him or to the party at such address by certified or registered United States mail, postage prepaid, return receipt requested, or (iii) forwarded to him or to the party at such address by expedited prepaid delivery service, either commercial or United States Postal Service, with proof of delivery or attempted delivery required in the case of (i), (ii) or (iii) above. Said designated officer or representative of the Port Authority and the Lessee and their respective officers shall be as set forth in this Agreement.

(b) The Lessee shall from time to time designate in writing an office within the Port of New York District and an officer or representative whose regular place of business is at such office upon whom notices and requests may be served. Until further notice, the Lessee designates its representative named on the first page of this Agreement as its representative upon whom notices and requests may be served and its address given on the first page of this Agreement as its office where notices and request may be served. The Port Authority hereby designates its Executive Director, as its representative upon whom notices and requests may be served, and its office at 225 Park Avenue South, New York, New York 10003.

(c) A notice shall be deemed to have been given: in the case of hand delivery, at the time of delivery or refusal to accept delivery; in the case of registered or certified mail or expedited prepaid delivery, upon delivery or refusal to accept delivery; or in the event of failure to delivery by reason of changed address of which no notice was given or refusal to accept delivery, as of the date of such failure or refusal. A party receiving a notice which does not comply with the technical requirements for notice under this Section may elect to waive any deficiencies and treat the notice as having been properly given.

(d) Wherever a notice or request is required to be given by the Lessee to the Port Authority pursuant to this Agreement, a copy of such notice or request shall also be given simultaneously by the Lessee to Westfield Concession Management, LLC (or any successor

[AMS BW Newark JV/Hudson News/Lease No ANC-047]

concession manager thereto designated by the Port Authority, if any), in accordance with the requirements of this Section, to the following address:

Westfield Concession Management, LLC
11601 Wilshire Blvd., 11th Floor
Los Angeles, California 90025
Attention: Office of Legal Counsel

Westfield Concession Management, LLC
Newark Liberty International Airport
35 Terminal B, Bldg. #74
Newark, New Jersey 07114
Attention: General Manager

Section 38. Place of Payments

All payments required of the Lessee by this Agreement shall be made by mail to the Port Authority of New York and New Jersey, c/o P.O. Box 51065, Los Angeles, CA 90074-1065 or via the following wire transfer instructions:

| | |
|------------------|--|
| Bank: | Bank of America, 555 S. Flower Street, 6 th Floor, Los Angeles, CA 90071 |
| Bank ABA Number: | 122 000 661 |
| Account Name: | Westfield Concession Mgmt., LLC As Agent for Newark Airport Terminal A&B/Blocked Acct. |
| Account Number: | (Ex. 1) |
| Instructions: | Lessee is required to send an email with EFT confirmation to the following individuals when payments are made: jgarraway@us.westfield.com (Airport Accountant) and nholder@us.westfield.com (Senior Accountant) |

or to such other officer or address as may be substituted therefor by the Port Authority, from time to time, by notice to the Lessee.

Section 39. Quiet Enjoyment

The Port Authority covenants and agrees that as long as the Port Authority remains the lessee (if the Premises are located in the City of Newark) or the owner (if the Premises are located in the City of Elizabeth) of the Terminal, the Lessee, upon paying all rentals hereunder and performing all the covenants, conditions and provisions of this Agreement on its part to be performed, shall and may peaceably and quietly have, hold and enjoy the Premises free of any act or acts of the Port Authority except as expressly permitted in this Agreement.

Section 40. Headings

The section headings and the paragraph headings, if any, are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope or intent of any provision hereof.

Section 41. Construction and Application of Terms

(a) Wherever in this Agreement a third person singular neuter pronoun or adjective is used, referring to the Lessee, the same shall be taken and understood to refer to the Lessee, regardless of the actual gender or number thereof.

(b) Whenever in this Agreement the Lessee is placed under an obligation or covenants to do or to refrain from or is prohibited from doing, or is entitled or privileged to do, any act or thing, the following shall apply:

(1) If the Lessee is a corporation, its obligations shall be performed or its rights or privileges shall be exercised only by its officers and employees; or

(2) If the Lessee is an unincorporated association or a business or "Massachusetts" trust, the obligation shall be that of its members or trustees, as well as of itself, and shall be performed only by its members or trustees, and officers and employees, and the rights or privileges shall be exercised only by its members or trustees, and its officers and employees; or

(3) If the Lessee is a co-partnership, the obligation shall be that of its partners and shall be performed only by its partners and employees and the rights or privileges shall be exercised only by its partners and employees; or

(4) If the Lessee is an individual, the obligations shall be that of himself (or herself) and shall be performed only by himself (or herself) and his (or her) employees and the rights or privileges shall be exercised only by himself (or herself) and his (or her) employees; or

(5) if the Lessee is a limited liability company, by the Lessee acting only through the medium of its members, managers, and employees.

(c) None of the privileges of paragraph (b) above shall be taken to alter, amend or diminish any obligation of the Lessee assumed in relation to its invitees, customers, agents, representatives, contractors or other persons, firms or corporations doing business with it.

(d) In the event that more than one individual or other legal entity are the Lessee under this Agreement, then and in that event each and every obligation under this Agreement shall be the joint and several obligation of each such individual or other legal entity.

(e) The Lessee's representative, hereinbefore specified (or such substitute as the Lessee may hereafter designate in writing) shall have full authority to act for the Lessee in connection with this Agreement and any things done or to be done hereunder, and to execute on the Lessee's behalf any amendments or supplements to this Agreement or any extension thereof.

(f) The Lessee agrees that any rule of construction to the effect that any ambiguities in this Agreement are to be resolved against the drafting party shall not be applicable to the interpretation or construction of this Agreement or any amendments, addendums, supplements, Exhibits or Schedules hereto.

(g) The Section and paragraph headings, if any, in this Agreement are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope or intent of any provision hereof.

(h) Unless otherwise expressly specified, the terms, provisions and obligations contained in the Exhibits and Schedules attached hereto, whether there set out in full or as

[AMS BW Newark JV/Hudson News/Lease No. ANC-047]

amendments of, or supplements to provisions elsewhere in the Agreement stated, shall have the same force and effect as if herein set forth in full.

(i) If any clause, provision or section of this Agreement shall be ruled invalid by any court of competent jurisdiction, the invalidity of such clause, provision or section shall not affect any of the remaining provisions hereof.

(j) The fact that certain of the terms and provisions hereunder are expressly stated to survive the expiration or termination of the letting hereunder shall not mean that those provisions hereunder which are not expressly stated to survive shall terminate or expire on the expiration or termination of the letting hereunder and do not survive such termination or expiration.

(k) Time is of the essence in the Lessee's performance of this Agreement. Notwithstanding the fact that certain references elsewhere in this Agreement to acts required to be performed by the Lessee hereunder, or to breaches or defaults of this Agreement by the Lessee, omit to state that such acts shall be performed at the Lessee's sole cost and expense, or omit to state that such breaches or defaults by the Lessee are material, unless the context clearly implies to the contrary, each and every act to be performed or obligation to be fulfilled by the Lessee pursuant hereto shall be performed or fulfilled at the Lessee's sole cost and expense, and all breaches or defaults by the Lessee hereunder shall be deemed material. The Lessee shall be fully responsible and liable for the observance and compliance by concessionaires, franchisees and licensees of the Lessee and with all the terms and conditions of this Agreement, which terms and conditions shall be applicable to concessionaires, franchisees and licensees as fully as if they were the Lessee hereunder; and failure by a concessionaire, franchisee or licensee fully to observe and comply with the terms and conditions of this Agreement shall constitute a default by the Lessee. Nothing contained in the preceding sentence shall constitute consent by the Port Authority to any concession, subletting or other arrangement.

Section 42. Non-Discrimination

(a) Without limiting the generality of any of the provisions of this Agreement, the Lessee in its operations at the Airport, the use of any space or Premises and the exercise of any privileges under this Agreement, shall not on the grounds of race, creed, color or national origin discriminate or permit discrimination against any person or group of persons in any manner whatsoever and shall comply with Part 21 to the Regulations of the Office of the Secretary of Transportation, as it may be amended and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which from time to time may be applicable to the Lessee's operations at the Airport, whether by reason of agreement between the Port Authority and the United States Government or otherwise.

(b) The Lessee shall include the provisions of paragraph (1) of this Section in every agreement or concession pursuant to which any person or persons, other than the Lessee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce any such covenant. Nothing herein shall be or be deemed to grant to the Lessee the right to make any such agreement or concession.

(c) The Lessee's noncompliance with the provisions of this Section shall constitute a material breach of this Agreement. In the event of such noncompliance, the Port Authority may take any appropriate action to enforce compliance; or by giving twenty-four (24) hours' notice, may terminate this Agreement and the letting hereunder with the same force and effect as a termination under the Section of this Agreement providing for termination for default by the Lessee in the performance or observance of any other term or provision of this Agreement; or may

pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) This Agreement is subject to the requirements of the United States Department of Transportation's regulations, 49 CFR Part 23. The Lessee agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement or any management contract, or subcontract, purchase or lease agreement or other agreement covered by 49 CFR Part 23. The Lessee agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR Part 23 that it enters and cause those businesses to similarly include the statements in further agreement.

(e) The Lessee shall indemnify and hold harmless the Port Authority from any claims and demands of third persons including the United States of America resulting from the Lessee's noncompliance with any of the provisions of this Section and the Lessee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

Section 43. Basic Lease

If the Premises are located in the City of Newark, the following shall apply:

(a) Notwithstanding any other provision of this Agreement, this Agreement shall in any event expire with the expiration or termination of the lease of the Facility from the City of Newark to the Port Authority under the agreement of lease between the City and the Port Authority dated October 22, 1947, as the same from time to time may have been or may be supplemented or amended. Said agreement dated October 22, 1947, has been recorded in the Office of the Register of Deeds for the County of Essex on October 30, 1947 in the Book E-110 of Deeds at pages 242, et seq, no greater rights or privileges are hereby granted to the Lessee than the Port Authority has the power to grant under said agreement as supplemented or amended as aforesaid.

(b) The Port Authority has agreed by a provision in its said agreement with the City covering the Facility to conform to the enactments, ordinances, resolutions and regulations of the City and of its various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable to do so. The Lessee shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the said agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Lessee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Lessee at the Facility. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Lessee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Lessee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Agreement, although the Port Authority thereafter notifies the Lessee to refrain from such compliance. Nothing herein contained shall release or discharge the Lessee from compliance with any other provision hereof respecting governmental requirements.

Section 44. Governmental Compliance

In the event that all or any portion of the Premises is required by the Port Authority to comply with any present or future governmental law, rule, regulation, requirement, order or direction, the Port Authority shall give the Lessee notice that all or any such portion of the Premises is so required and the Lessee shall deliver all or any such portion of the Premises so required on the date [AMS BW Newark JV/Hudson News/Lease No. ANC-047]

specified in such notice, and if the Lessee does not so deliver, the Port Authority may take the same. No such taking or delivery shall be or be construed to be an eviction of the Lessee or a breach of this Agreement. In the event that the Lessee has received a notice hereunder it shall deliver all or any such portion of the Premises so required in the same condition as that required hereunder for the delivery of the Premises on the cessation of the letting. In the event of the taking or delivery of all the Premises, this Agreement and the letting hereunder shall on the day of such taking or delivery cease and expire as if that day were the date originally stated herein for the expiration of this Agreement; and, in the event of the taking or delivery of any portion of the Premises, then, from and after such taking or delivery, such portion of the Premises shall cease to be a part of the Premises hereunder. There shall be an abatement of the rental in the event of any such taking or delivery of a portion of the Premises if so provided in Item 1 of **Exhibit B**.

The Lessee understands the Port Authority by its officers, employees, agents, representatives or contractors or by the Airlines or their contractors or by the furnishers of utilities or other services to the Premises or to others at the Facility shall have the right to temporarily discontinue the supply of any of the above services in order to allow repairs, alterations, changes or improvements in the Premises or elsewhere at the Facility including all systems for the supply of services for the benefit of the Lessee or for the benefit of others than the Lessee at the Facility. Nothing contained herein shall be or be deemed construed to impose upon the Port Authority any obligations to supply any utility or service or to repair, alter or make changes or improvements or shall create any liability upon the Port Authority for any failure to do so.

Section 45. Force Majeure

(a) Neither the Port Authority nor the Lessee shall be deemed to be in violation of this Agreement if it is prevented from performing any of its obligations hereunder by reason of strikes, boycotts, labor disputes, embargoes, shortages of material, acts of God, acts of the public enemy, acts of superior governmental authority, acts of terrorism, weather conditions, tides, riots, rebellion, sabotage or any other circumstances for which it is not responsible and which are not within its control; provided, however, that this provision shall not apply to failures by the Lessee to pay the rentals specified in the Section of this Agreement entitled "*Rental*" and Item 1 of **Exhibit B** annexed to this Agreement and shall not apply to any other charges or money payments specified in this Agreement; and provided further, that except by virtue of the circumstances specifically set forth hereinabove in this Section, this provision shall not prevent either party from exercising any of its rights to terminate this Agreement.

(b) No abatement, diminution or reduction of the rental or other charges payable by the Lessee, shall be claimed by or allowed to the Lessee for any inconvenience, interruption, cessation or loss of business or other loss caused, directly or indirectly, by any present or future law, rule, requirement, order, direction, ordinance or regulation of the United States of America, or of the state, county or city government, or of any other municipal, governmental or lawful authority whatsoever, or by priorities, rationing or curtailment of labor or materials, or by war or any matter or thing resulting therefrom, or by any other cause or causes beyond the control of the Port Authority, nor shall this Agreement be affected by any such causes or conditions.

Section 46. Rules and Regulations Amendment

If a copy of the Rule and Regulations referred to in the Section of this Agreement entitled "*Rules and Regulations*" is not attached to this Agreement, then the Port Authority will notify the Lessee thereof either by delivery of a copy, or by publication in a newspaper published in the Port of New York District or by making a copy available at the office of the Secretary of the Port Authority. No statement or provision in the said Rules and Regulations shall be deemed a representation or promise by the Port Authority that the services or privileges described shall be or remain available, or that the charges, prices, rates or fees stated therein shall be or remain in effect

[AMS BW Newark JV/Hudson News/Lease No ANC-047]

throughout the letting, all of the same being subject to change by the Port Authority from time to time whenever it deems a change advisable.

Section 47. Non-Liability of Individuals

No Commissioner, director, officer, agent or employee of either party shall be charged personally or held contractually liable by or to the other party under any term or provision of this Agreement or of any supplement, modification or amendment to this Agreement or because of any breach thereof, or because of its or their execution or attempted execution.

Section 48. Other Agreements

The Lessee shall not, by virtue of the execution of this Agreement, be released or discharged from any obligations or liabilities whatsoever under any other agreement it has with the Port Authority.

Section 49. Operating Names

(a) Any name, designation or any service mark proposed to be used or displayed at the Premises or at the Terminal or for the Lessee's operations therein shall be approved in advance in writing by the Port Authority and the Lessee shall have the right to use and display the name, designation or mark only so long as this Agreement is in force and effect. If for any reason the Lessee ceases its operations in the Premises, the Lessee's right to use such name, designation or service mark shall immediately cease and come to an end and the Port Authority or its designee shall have the sole right to use such name, designation or service mark and the Lessee hereby consents to such use thereof. Any registration or filing by the Lessee with respect to such name, designation or service mark shall indicate the Port Authority's interest therein and the form thereof shall be approved in advance by the Port Authority in writing. The Lessee agrees to assign and transfer to the Port Authority any such registration or filing and any other rights in or to the use of such name, designation or service mark promptly upon written request therefor from the Port Authority. Nothing herein contained is intended to apply to the continuing use by the Lessee of its customary name, designation or service mark, if any, used elsewhere in its operations prior to the making of this Agreement.

(b) The Lessee shall not use or make any reference, by advertising or otherwise, to the names "The Port Authority of New York and New Jersey", "Port Authority" or any simulation or abbreviation of any such names, or any emblem, picture or reproduction of the Facility, for any purpose whatsoever. Furthermore, the Lessee shall not make use of or originate any material intended for publication or visual or oral presentation which uses the name "Newark Liberty International Airport" without the consent of the Port Authority.

Section 50. Labor Disturbances and Labor Harmony

(a) General. In connection with its operations at the Airport under this Agreement, the Lessee shall serve the public interest by promoting labor harmony, it being acknowledged that strikes, picketing, or boycotts may disrupt the efficient operation of the Terminal. The Lessee recognizes the essential benefit to have continued and full operation of the Airport as a whole and the Terminal as a transportation center. The Lessee shall immediately give oral notice to the Port Authority (to be followed reasonably promptly by written notices and reports) of any and all impending or existing labor-related disruptions and the progress thereof.

If any type of strike, picketing, boycott or other labor-related disruption is directed against the Lessee at the Terminal, or against its operations thereat pursuant to this Agreement, which

[AMS BW Newark JV/Hudson News/Lease No. ANC-047]

in the opinion of the Port Authority (i) physically interferes with the operation of the Airport, the Terminal or the Premises, or (ii) physically interferes with public access between the Premises and any portion of the Terminal or the Airport, or (iii) physically interferes with the operations of other operators at the Airport or the Terminal, or (iv) presents a danger to the health and safety of users of the Airport or the Terminal, including persons employed thereat or members of the public, the Port Authority shall have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, terminating this Agreement and the letting on five (5) days' written notice to the Lessee. In the event of termination by the Port Authority hereunder this Agreement and the letting hereunder shall cease and expire on the effective date of termination stated in the notice with the same force and effect as if such date were the original expiration date of the letting hereunder.

(b) Labor Peace Agreement. The Lessee represents that, prior to or upon entering into this Agreement, it has delivered to the Port Authority evidence of a signed labor peace agreement, in the form attached hereto as **Exhibit X**, or in the event **Exhibit X** is inapplicable, then a signed officer's certification to such effect in the form required by the Port Authority.

(c) Employee Retention. If the Lessee's concession at the Premises is of the same type (i.e., food, retail, news/gifts or duty-free concession) as that of the immediately preceding concession operator at the Premises (the "**Predecessor Concession**"), the Lessee agrees to offer continued employment for a minimum period of ninety (90) days, unless there is just cause to terminate employment sooner, to employees of the Predecessor Concession who have been or will be displaced by cessation of the operations of the Predecessor Concession and who wish to work for the Lessee at the Premises. The foregoing requirement shall be subject to the Lessee's commercially reasonable determination that fewer employees are required at the Premises than were required by the Predecessor Concession; provided, however, that the Lessee shall retain such staff is deemed commercially reasonable on the basis of seniority with the Predecessor Concession at the Premises. The Port Authority shall have the right to demand from the Lessee documentation of the name, date of hire, and employment occupation classification of all employees covered by this provision. In the event the Lessee fails to comply with this provision, the Port Authority have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, termination of this Agreement.

(d) Applicability of Provision. The provisions of this section shall apply to concession operators which employ ten (10) or more persons at the Premises.

(e) Suspension of Lessee Operations. In the event of suspension of Lessee's operations pursuant to paragraph (a), above, the Lessee shall cease its activities and operations in the Premises and shall take such steps to secure and protect the Premises as shall be necessary or desirable. The exercise by the Port Authority of the right of suspension hereunder shall not affect or in any way limit the Port Authority's rights of termination as set forth elsewhere in this Agreement.

Section 51. Finishes and Decorating by the Lessee

(a) The Port Authority shall deliver each area of the Premises to the Lessee in their presently existing "**AS IS**" condition. The Lessee acknowledges that prior to the execution of this Agreement, it has thoroughly examined and inspected the existing Premises and has found the same to be in good order and repair and has determined the Premises to be suitable for the Lessee's operations hereunder. The Lessee agrees to and shall take the Premises in their "**AS IS**" condition and the Port Authority shall have no obligation hereunder for finishing work or preparation of any portion of the Premises for the Lessee's use. Nothing contained herein shall be construed to relieve the Lessee of its obligations under the provisions of the Section of this Agreement entitled "*Sales and Services by the Lessee*" to install in the Premises all necessary or proper equipment or fixtures required for its operations in the Premises. Subject to the provisions of this Section and those of the

[AMS BW Newark JV/Hudson News/Lease No. ANC-047]

Section of this Agreement entitled "*Construction by the Lessee*", the Lessee agrees to and shall perform at its sole cost and expense all construction and installation work necessary or proper for its initial occupancy in, and operations at, the Premises, which work is hereinafter sometimes called the "**Lessee's Work**".

(b) The Lessee agrees that in performing the Lessee's Work it will incur costs subject to the limitations and restrictions contained in Item 6 of **Exhibit B**. Lessee shall submit on a timely basis to the Port Authority for its approval an Alteration Application in the form supplied by the Port Authority, and containing such terms and conditions as the Port Authority may include, setting forth in detail and by appropriate plans and specifications the construction and installation work proposed by the Lessee to modernize, refurbish and prepare the Premises for operations hereunder and the manner of and time periods for performing the same. The data to be supplied by the Lessee shall describe in detail the fixtures and equipment to be installed by the Lessee. The Lessee shall be responsible at its sole expense for retaining all architectural, engineering and other technical consultants and services as may be directed by the Port Authority and for developing, completing and submitting detailed plans and specifications for the Lessee's Work. The plans and specifications to be submitted by the Lessee to the Port Authority shall bear the seal of a qualified architect or professional engineer and shall be in sufficient detail for a contractor to perform the Lessee's Work. The Lessee shall not engage in any such contractor or permit the use of any subcontractor unless and until each such contractor or subcontractor has been approved by the Port Authority. The Lessee shall include in any such contract or subcontract such provisions as the Port Authority may approve or require, including, without limitation thereto, provisions regarding labor harmony. The Lessee shall cause each such contractor and subcontractor to obtain and maintain in force such insurance coverage and performance bonds as the Port Authority shall specify. All the Lessee's Work shall be done in accordance with the said Alteration Application and final plans and specifications approved by the Port Authority shall be subject to inspection by the Port Authority during the progress of the Lessee's Work and after the completion thereof and the Lessee shall redo or replace at its own expense any of the Lessee's Work not done in accordance therewith. Upon completion of the Lessee's Work, the Lessee shall supply the Port Authority with a certificate signed by the architect or engineer who sealed the Lessee's plans and specifications pursuant to the provisions of this paragraph certifying that all of the Lessee's Work has been performed in accordance with the approved plans and specifications covering such work and in accordance with the provisions of this Agreement, and the Lessee shall supply the Port Authority with as-built drawings in form and number requested by the Port Authority.

(c) The Lessee shall not commence any portion of the Lessee's Work until the Alteration Application and plans and specifications covering such work have been finally approved by the Port Authority. In the event of any inconsistency between the provisions of this Agreement and those of the Alteration Application, the provisions of this Agreement shall control. The Lessee recognizes that its obligation to pay the rentals for the Premises stated in Item 1 of **Exhibit B** shall commence as established pursuant to Item 1 of **Exhibit B** whether or not the Lessee's Work is then completed or whether the Lessee is then conducting public operations in the Premises. The Lessee shall conduct no public operations in the Premises until the Port Authority shall have notified the Lessee in writing that the Lessee's Work has been completed to its satisfaction.

(d) The Lessee shall be solely responsible for the plans and specifications used by it, and for the adequacy or sufficiency of such plans, specifications and all the improvements depicted thereon or covered thereby, regardless of the consent thereto or approval thereof by the Port Authority or the incorporation therein of any Port Authority requirements or recommendations. The Port Authority shall have no obligations or liabilities in connection with the performance of the Lessee's Work or the contracts for the performance thereof entered into by the Lessee. Any warranties extended or available to the Lessee in connection with the Lessee's Work shall be for the benefit of the Port Authority as well as the Lessee.

(e) Without limiting or affecting any other term or provision of this Agreement, the Lessee shall be solely responsible for the design, adequacy and operation of all utility, mechanical, electrical, communications and other systems installed in the Premises either by the Port Authority or by the Lessee and shall do all preventive maintenance and make all repairs, replacements, rebuilding (ordinary or extraordinary, structural or non-structural) and painting necessary to keep such systems and all other improvements, additions and fixtures, finishes and decorations made or installed by the Lessee (whether the same involves structural or non-structural work) in the condition they were in when made or installed except for reasonable wear which does not adversely affect the watertight condition or structural integrity of the building or adversely affect the efficient or proper utilization or appearance of any part of the Premises.

(f) The Lessee's refurbishment investment obligation, which shall be performed in accordance with this Section in the same manner as applies to the Lessee's Work, shall be in the minimum amount of Twenty-Thousand Dollars and No Cents (\$20,000.00) per location for each of the locations comprising part of the Premises, subject to the limitations and restrictions contained in Item 6 of **Exhibit B**.

The Lessee shall be obligated to complete its refurbishment by the fifth (5th) anniversary date of this Agreement, which date shall refer to the anniversary of the date on which the subject space is operated for any permitted use under this Agreement. No later than 270 days prior to the end of the fifth (5th) anniversary, Lessee shall propose to the Port Authority the proposed refurbishment of the fixed improvements in Lessee's Premises. Following the Port Authority's approval (and in accordance with the Port Authority's TAA process), Lessee shall make any such required refurbishment to the fixed improvement in the Premises pursuant to the specific scope of work required by the Port Authority and provided by the Port Authority to Lessee.

The capital investment in the subject space shall be undertaken in such amounts and at such times, in addition to the minimum amounts and on earlier dates than the deadline dates listed above, if necessary, in order to prevent the Premises from appearing worn or shabby to its patrons. The determination as to whether the Premises appear worn and shabby shall be made by the Port Authority in its sole and absolute discretion and such determination shall be final and binding upon the Lessee.

(g) (1) Without limiting any of the terms and conditions of this Agreement, the Lessee understands and agrees that it shall put into effect prior to the commencement of any of the Lessee's Work an affirmative action program and minority business enterprise ("MBE") program and Women-owned Business enterprises ("WBE") program in accordance with the provisions of the schedule annexed hereto, hereby made a part hereof and marked **Schedule E**. The provisions of **Schedule E** of this Agreement shall be applicable to the Lessee's contractor or contractors and subcontractors at any tier of construction as well as to the Lessee and the Lessee agrees to include the provisions of **Schedule E** within all of its construction contracts so as to make such provisions and undertakings the direct obligation of the construction contractor or contractors and subcontractors at any tier of construction. The Lessee agrees to furnish and agrees to require its contractor, contractors and subcontractors to furnish the Port Authority such data, including but not limited to compliance reports relating to the operation and implementation of the affirmative action, MBE and WBE programs called for hereunder as the Port Authority may request at any time and from time to time regarding the affirmative action, minority business enterprises, and women-owned business enterprises programs of the Lessee and its contractor, contractors and subcontractors at any tier of construction, and the Lessee agrees to make and put in effect and agrees to require that its contractor, contractors and subcontractors at any tier of construction make and put into effect such modifications and additions thereto as may be agreed to by and between the Port Authority and the Lessee pursuant to the provisions hereof and those of **Schedule E** to effectuate the goals of affirmative action and minority business enterprise and women-owned business enterprise programs. The obligations imposed on the Lessee under this paragraph and **Schedule E** shall not be construed to impose any

greater requirements on the Lessee than those which may be imposed on the Lessee under applicable law.

(2) In addition to and without limiting any of the terms and conditions of this Agreement, the Lessee agrees to provide in its contracts and all subcontracts covering the Lessee's Work, or any portion thereof, that:

(i) The contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, and shall undertake or continue existing programs of affirmative action to ensure that minority group persons are afforded equal employment opportunity without discrimination. Such programs shall include, but not be limited to, recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, rates of pay or other forms of compensation, and selections for training or retraining, including apprenticeships and on-the-job training;

(ii) At the request of either the Port Authority or the Lessee, the contractor shall request such employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding and which is involved in the performance of the contract with the Lessee to furnish a written statement that such employment agency, labor union or representative shall not discriminate because of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will cooperate in the implementation of the contractor's obligations hereunder;

(iii) The contractor will state, in all solicitations or advertisement for employees placed by or on behalf of the contractor in the performance of the contract, that all qualified applicants will be afforded equal employment opportunity without discrimination because of race, creed, color, national origin, sex, age, disability or marital status; and

(iv) The contractor will include the provisions of (f)(2)(i) through (f)(2)(iii) of this Section in every subcontract or purchase order in such a manner that such provisions will be binding upon each subcontractor or vendor as to its work in connection with the contract.

(3) The term "contractor", as used herein, shall include each contractor and subcontractor at any tier of construction.

(h) The Lessee shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, and agrees to undertake or continue existing programs of affirmative action to ensure that minority group persons and women are afforded equal employment opportunity without discrimination. Such programs shall include, but not be limited to, recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, rates of pay or other forms of compensation, and selections for training or retraining, including apprenticeship and on-the-job training.

(i) (1) In addition to and without limiting any of the foregoing provisions of this Section, and without limiting any other provision of this Agreement, or the provisions of **Schedule E** hereof, the Lessee agrees, in connection with its continuing operation, maintenance and repair of the Premises, or any portion thereof, and in connection with every award or agreement for concessions or consumer services at the Facility to commit itself to and use good faith efforts throughout the term of the letting hereunder to implement an extensive program of Affirmative Action, including specific affirmative action steps to be taken by the Lessee, to ensure maximum opportunities for employment and contracting by minorities and women. In meeting such commitment the Lessee agrees to submit its said extensive Affirmative Action program, including the specific affirmative action steps to be taken by the Lessee to meet its aforesaid commitment, within

[AMS BW Newark JV/Hudson News/Lease No. ANC-047]

sixty (60) days after the commencement of the term of the letting hereof to the Port Authority for its review and approval. The Lessee shall incorporate in such program such revisions and changes as the Port Authority and the Lessee may agree upon from time to time. The Lessee agrees throughout the term of the letting hereunder to document its efforts in implementing such program, and agrees to keep the Port Authority fully advised of the Lessee's progress in implementing the program and to supply to the Port Authority such information, data and documentation with respect thereto as the Port Authority may from time to time and at any time request, including but not limited to annual reports.

(2) "Minority" as used herein shall mean those persons described in paragraph 1 (c) of Part 1 of **Schedule E**.

(3) In the implementation of the provisions of this Section, the Port Authority may consider compliance by the Lessee with the provisions of any federal, state or local law concerning affirmative action, and equal employment opportunity, which are at least equal to the requirements of this Section, as effectuating the provisions of this Section. If the Port Authority determines that by virtue of such compliance with the provisions of any such federal, state or local law that the provisions hereof duplicate or conflict with such law the Port Authority may waive the applicability of the provisions of this Section to the extent that such duplication or conflict exists.

(j) Nothing herein provided shall be construed as a limitation upon the application of any laws which establish different standards of compliance or upon the application of requirements for the hiring of local or other area residents.

(k) Nothing in this Section shall grant or be deemed to grant to the Lessee the right to make any agreement or award for concessions or consumer services at the Facility.

Section 52. Affirmative Action

The Lessee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Lessee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Lessee assures that it will require that its covered suborganizations provide assurances to the Lessee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

Section 53. Late Charges

If the Lessee should fail to pay any amount required under this Agreement when due to the Port Authority, including payment of rental, utility fees or charges, or other charges or fees then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period herein below described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent (.8%) of such unpaid amount for each late charge period. There shall be twenty-four (24) late charge periods during each calendar year; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (15) (but not less than thirteen (13)) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Agreement. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority.

[AMS BW Newark JV/Hudson News/Lease No. ANC-047]

No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Section, with respect to such unpaid amount. Each late charge shall be and become additional rent, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the rentals as set forth in Item 1 of Exhibit B hereof. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Agreement, including without limitation the Port Authority's rights set forth in the Section of this Agreement entitled "*Thirty Day Termination*", or (ii) any obligations of the Lessee under this Agreement. In the event that any late charge imposed pursuant to this Section shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Agreement shall be payable instead at such legal maximum.

Section 54. Ethical Standards

The Lessee for itself and on behalf of any Affiliate of the Lessee and as to each member of the Board of Directors and each officer of the Lessee and/or of such Affiliate hereby certifies under the penalties applicable to perjury, represents warrants and covenants with full knowledge that the Port Authority will rely hereon in entering into this Agreement that at no time hereafter including the term of this Agreement shall the Lessee or any Affiliate thereof (a) take any action with respect to any employee or former employee of the Port Authority or immediate family member of either (i.e., spouse, child, parent or brother or sister) which would constitute a breach of ethical standards under the Code of Ethics and Financial Disclosure dated as of July 18, 1994 promulgated by the Port Authority, a copy of which is available upon request to the Secretary of the Port Authority, (b) offer, give or agree to give anything of value either to a Port Authority employee, agent, job shopper, consultant, construction manager or other person or firm representing the Port Authority, or to a member of the immediate family (i.e., a spouse, child, parent, brother or sister) of any of the foregoing, in connection with the performance by such employee, agent, job shopper, consultant, construction manager or other person or firm representing the Port Authority of duties involving transactions with the Lessee on behalf of the Port Authority, whether or not such duties are related to this Agreement or any other Port Authority contract or matter, or (c) make an offer of employment or use confidential information in a manner prescribed by the said Code of Ethics and Financial Disclosure. Any such conduct shall be deemed a material breach of this Agreement. As used herein "anything of value" shall include but not be limited to any (1) favors, such as meals, entertainment, transportation (other than that contemplated by this Agreement or any other Port Authority contract), etc., which might tend to obligate the Port Authority employee to the Lessee or any parent or Affiliate thereof and (2) gift, gratuity, money, goods, equipment, services, lodging, discounts not available to the general public, offers or promises of employment, loans or the cancellation thereof, preferential treatment or business opportunity. Such term shall not include compensation contemplated by this Agreement or any other Port Authority contract; and (iv) that neither the Lessee nor any Affiliate thereof knows of any action the part of any employee or former employee of the Port Authority which constitutes a breach of said Code of Ethics and Financial Disclosure and that if it or any parent or other Affiliate of the Lessee comes into such knowledge at any time hereafter, including during the term of this Agreement, it shall immediately report the same to the Port Authority in writing, any failure to do so being deemed a material breach of this Agreement.

Section 55. Additional Rent Items and Lessee Obligations

(a) **Promotion Fee.** The Lessee agrees to participate fully with the marketing and promotional programs for the concession (retail and food and beverage included) area sponsored by the Port Authority in the Terminal. Commencing as of the second full calendar month in which the Lessee conducts its operations hereunder, the Lessee shall pay, as additional rental, a "Promotion Fee" as the Lessee's contribution for marketing, advertising and promotion programs conducted by or [AMS BW Newark JV/Hudson News/Lease No. ANC-047]

on behalf of the Port Authority relating to the retail program in the Terminal. The Promotion Fee shall be an amount (i) during the first year of the term which equals one-half of one percent (.5%) of the Lessee's Gross Receipts during the preceding calendar month and (ii) during each subsequent year of the term which equals one-half of one percent (.5%) of the Lessee's annual Gross Receipts for the annual period in which such promotion fee relates. Such amount shall be payable no later than the 15th day following the end of each month. The Promotion Fee shall be prorated, if necessary, in the same manner as Basic Rental is prorated under this Agreement.

The failure of any other lessee or occupant of space within the concession area to participate in advertising for such concession area or make promotional contributions to the Port Authority shall not relieve the Lessee of any of its obligations under this Section. The Port Authority shall not be obligated to expend more for marketing and promotional programs than is actually collected from the Lessee and other concession facility operators in the Terminal. The Port Authority shall have the sole authority to employ and discharge personnel, retain third party independent contractors and to establish all budgets with respect to such marketing and promotional programs. The Port Authority reserves the right at any time to terminate its activities in this regard and cease collecting Promotion Fee contributions from the Lessee and other concession operators for these activities. In such event the Port Authority shall so notify the Lessee in writing and, thereafter, the Lessee shall no longer be obligated to make any further Promotion Fee contributions, and any remaining funds previously contributed as Promotion Fees may be used by the Port Authority to promote the overall concession program and facilities.

(b) Distribution Services and Fee.

(1) The Lessee shall, at the Lessee's sole cost and expense, make deliveries in a timely manner to a designated area, controlled by the Port Authority or its designee, in accordance with the Port Authority's rules and regulations. The Port Authority may, at its option, provide receiving and delivery services to operators in the concession area. In such event, the Lessee shall use such service for all of its deliveries to the Terminal and the Premises (including, but not limited to, delivery of goods from the Lessee's off-Airport suppliers to the on-Airport warehouse of the contractor selected by the Port Authority to provide delivery services) and no deliveries of any items shall be made by any persons or entities directly to the Premises without the prior written authorization of the Port Authority and, if so given, the Port Authority shall have the right to revoke any such authorization at any time in its sole discretion.

(2) The Lessee, in transferring any merchandise, equipment, stock or consumable items within or about the Terminals, shall only do so in full compliance with Port Authority rules, regulations and guidelines. The same may restrict the time and day of delivery or the manner of delivery, method of delivery, areas of delivery or the person or persons by whom delivery may be effected. The Port Authority may deny access or require any vehicle to be removed for failure to follow applicable rules, regulations and guidelines that may be established by the Port Authority from time to time.

(3) If the Port Authority provides such services, the Lessee shall pay as an annual "**Distribution Fee**" the sum of Thirteen Dollars and No Cents (\$13.00) per square foot of the Premises, to the Port Authority for the cost of distribution services, payable in advance as additional rent hereunder in equal, monthly installments commencing as of the Rental Payment Start Date and continuing during the balance of the term of the letting hereunder. Effective each January 1 this amount shall be adjusted to reflect the annual adjustment by the Index as described in *subsection (h)* of this *Section 55*.

(c) Trash Removal. The Lessee shall be solely responsible, at the Lessee's expense, for removal of trash, garbage, debris and other waste material from the Premises, on a daily basis, in a manner approved by the Port Authority, unless the Port Authority elects to provide such

services. The Lessee shall contract with the Port Authority's disposal contractor at the Terminal for the disposal of its trash, garbage, debris and other waste material. In the event the Port Authority elects to provide such services, the Port Authority's costs of providing such services shall be chargeable to, and payable by, the Lessee as additional rent hereunder, on a per square foot basis represented by the square footage of the Premises and such additional rent would be due in equal, monthly installments payable together with the Basic Rental payments to be made hereunder upon prior written notice from the Port Authority.

(d) Food Court Maintenance Fee. Not applicable.

(e) No Inspection or Audit Rights. The Lessee shall not have any inspection or audit rights of any of the Port Authority's books and records pertaining to the costs and expenses which support the fees which may be charged pursuant to this Section and the Lessee hereby expressly waives any rights, whether by statute or otherwise, to conduct any such inspection or audit.

(f) Concession Meetings. The Lessee acknowledges the benefit of regular meetings with the Port Authority or its designee to discuss matters relating to the retail plan at the Terminal, including, but not limited to, the business of the Lessee, marketing plans for the Terminals and the Lessee, traffic projections, customer service techniques and other concession-related matters. The Lessee agrees that it shall attend any meetings convened by the Port Authority or its designee to discuss such matters, whether the same be between the Lessee and the Port Authority or among multiple concessionaires and the Port Authority, and that it shall cause a member of its senior management staff to attend any and all such meetings. Similarly, the Lessee agrees to fully participate in and cooperate with the Port Authority or its designee in connection with any customer service surveys which are conducted on-site at the Terminal and not interfere with, obstruct, delay or otherwise hinder the process of taking such surveys, and further, fully participate in and cooperate in connection with training in customer service techniques and other concession-related matters that may be scheduled or arranged by the Port Authority or its designee from time to time. No compensation shall be due or paid to the Lessee for its participation or cooperation in connection with the matters described in this paragraph.

(g) Training. The Lessee covenants that it shall conduct and complete, at least on an annual basis, for itself and its employees, training with respect to customer service techniques and other concession related matters. Similarly, the Lessee agrees that its frontline sales and transaction staff shall be required to attend customer service training at least once annually if such training is offered by the Port Authority or its designee; such training to be in addition to, and not in lieu of, the Lessee's own training programs, requirements and obligations.

(h) In the event escalations are needed to items of Additional Rental during the term of the letting, the following will be the methodology used for such escalation:

(i) "Index" shall mean the Consumer Price Index for All Urban Consumers - New York-Northern New Jersey-Long Island, NY-NJ-CT (All Items, unadjusted 1982-84=100) published by the Bureau of Labor Statistics of the United States Department of Labor.

(ii) "Base Period" shall mean the calendar month of January, 2010.

(iii) "Adjustment Period" shall mean, as the context requires, the calendar month of January, 2011 and the calendar month of January in each calendar year which thereafter occurs during the term of this Agreement.

(iv) "Anniversary Date" shall mean, as the context requires, each January 1 following the Rental Payment Start Date (the "First Anniversary Date") and each anniversary of such date which thereafter occurs during the term of this Agreement.

(v) "Annual Index Increase" shall mean the percentage of increase in the Index on each Anniversary Date, equal to: (x) with respect to the First Anniversary Date, a fraction of which the numerator shall be the Index for the Adjustment Period immediately preceding such Anniversary Date less the Index for the Base Period, and the denominator shall be the Index for the Base Period, and (y) with respect to each Anniversary Date thereafter, a fraction of which the numerator shall be the Index for the Adjustment Period immediately preceding such Anniversary Date less the Index for the next preceding Adjustment Period, and the denominator shall be the Index for such next preceding Adjustment Period (for example, the Annual Index Increase for the Anniversary Date that is January 1, 2011 would be a fraction of which the numerator is the Index for November, 2010 less the Index for November, 2009 and the denominator is the Index for November, 2009).

(vi) "Percentage Increase" shall mean, with respect to each Anniversary Date, a percentage equal to the Annual Index Increase for that Anniversary Date.

(2) Commencing on each Anniversary Date and for the period commencing with such Anniversary Date and continuing through to the day preceding the next Anniversary Date, or the expiration date of the term of the letting under this Agreement as herein amended, as the case may be, both dates inclusive, in lieu of the Additional Rental set forth herein, the Lessee shall pay escalated Additional Rental as follows:

(i) the sum obtained by adding to the item of Additional Rental set forth herein the product obtained by multiplying such Additional Rental by the Percentage Increase for such Anniversary Date, or

(ii) the item of Additional Rental payable immediately prior to such Anniversary Date including all amounts included therein as a result of prior adjustments thereof pursuant to the provisions of this paragraph.

(3) In the event the Index to be used in computing any adjustment referred to in this paragraph is not available on the effective date of such adjustment, the Lessee shall continue to pay the Additional Rental at the amount then in effect subject to retroactive adjustment at such time as the specified Index becomes available, provided, however, that the Port Authority may at its option substitute for such Index the Index for the latest preceding month then published to constitute the specified Index. In the event the United States Consumer Price Index for All Urban Consumers - New York-Northern New Jersey-Long Island, NY-NJ-CT (All Items, unadjusted 1982-84=100) shall hereafter be converted to a different standard reference base or otherwise revised or the United States Department of Labor shall cease to publish the United States Consumer Price Index for All Urban Consumers - New York-Northern New Jersey-Long Island, NY-NJ-CT (All Items, unadjusted 1982-84=100), then for the purposes hereof there shall be substituted for the Index such other appropriate index or indices properly reflecting changes in the value of current United States money in a manner similar to that established in the Index used in the latest adjustment as the Port Authority in its discretion determine.

If after an adjustment in Additional Rental shall have been fixed for any period, the Index used for computing such adjustment shall be changed or adjusted, then the rental adjustment for that period shall be recomputed and from and after notification of the change or adjustment, the Lessee shall make payments based upon the recomputed rental and upon demand shall pay any excess in the basic rental due for such period as recomputed over amounts theretofore actually paid on account of the Additional Rental for such period. If such change or adjustment

[AMS BW Newark JV/Hudson News/Lease No. ANC-047]

results in a reduction in the Additional Rental due for any period prior to notification, the Port Authority will credit the Lessee with the difference between the Additional Rental as recomputed for that period and amounts of Additional Rental actually paid.

If any adjustment of Additional Rental referred to in this paragraph is effective on a day other than the first day of a calendar month, there shall be payable in advance on the effective date of rental adjustment an installment of Additional Rental equal to one-twelfth (1/12th) of the increment of annual Additional Rental as adjusted multiplied by a fraction, the numerator of which shall be the number of days from the effective date of the rental adjustment to the end of the calendar month in which the rental adjustment was effective and the denominator of which shall be the number of days in that calendar month.

Section 56. Lessee's OFAC Certification

(a) The Lessee hereby represents and warrants to the Port Authority (which representations and warranties shall be deemed to be continuing and re-made at all times during the Term) that Lessee is not, and shall not become, a person or entity with whom the Port Authority is restricted from doing business under the regulations of the Office of Foreign Asset Control ("OFAC") of the United States Department of the Treasury (including, but not limited to, those named on OFAC's Specially Designated and Blocked Persons list) or under any statute, executive order (including, but not limited to, the September 24, 2001 Executive Order on Terrorist Financing Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten To Commit or Support Terrorism), or other governmental action and is not engaging, and shall not engage, in any dealings or transactions or be otherwise associated with such persons or entities. The Lessee acknowledges that the Port Authority is entering into this Agreement in reliance on the foregoing representations and warranties and that such representations and warranties are a material element of the consideration inducing the Port Authority to enter into and execute this Agreement. In the event of any breach of any of the foregoing representations and warranties by the Lessee, the Port Authority shall have the right, in addition to any and all other remedies provided under this Agreement or at law or in equity, to immediately terminate this Agreement upon written notice to the Lessee. The Lessee further acknowledges that there shall be no cure for such a breach. In the event of any such termination by the Port Authority, the Lessee shall, immediately on receipt of the Port Authority's termination notice, cease all use of and operations permitted under this Agreement and surrender possession of the Premises to the Port Authority without the Port Authority being required to resort to any other legal process. Termination on the aforescribed basis shall be deemed a termination for cause.

(b) The Lessee shall indemnify and hold harmless the Port Authority and its Commissioners, officers, employees, agents and representatives from and against any and all claims, damages, losses, risks, liabilities and expenses (including, without limitation, attorney's fees and disbursements) arising out of, relating to, or in connection with the Lessee's breach of any of its representations and warranties made under this Section. Upon the request of the Port Authority, the Lessee shall at its own expense defend any suit based upon any such claim or demand (even if such suit, claim or demand is groundless, false or fraudulent) and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provision of any statutes respecting suits against the Port Authority.

(c) The provisions of this Section shall survive the expiration or earlier termination of this Agreement.

Section 57. Holdover

Without in any way limiting the provisions set forth in the Sections of this Agreement entitled "*Termination*", "*Right of Re-entry*" and "*Survival of the Obligations of the Lessee*", respectively, in the event the Lessee remains in possession of the Premises (without the written consent of the Port Authority through either a written notice from the Port Authority or a written agreement between the parties) after the expiration or termination of the term of the letting under this Agreement, as it may be extended from time to time, in addition to any damages to which the Port Authority may be entitled under this Agreement or other remedies the Port Authority may have by law or otherwise, the Lessee shall pay to the Port Authority a rental for the period commencing on the day immediately following the date of such expiration or the effective date of such termination and ending on the date that the Lessee shall surrender and completely vacate the Premises at an annual rate equal to twice the sum of (i) the annual rate of the basic rental in effect on the date of such expiration or termination, plus (ii) all items of additional rent and other periodic charges, including without limitation the percentage rental, payable with respect to the Premises by the Lessee at the annual rate in effect during the 365 day period immediately preceding such date. Nothing herein contained shall give, or be deemed to give, the Lessee any right to remain in possession of the Premises after the expiration or termination of the letting under this Agreement. The Lessee acknowledges that the failure of the Lessee to surrender, vacate and yield up the Premises to the Port Authority on the effective date of such expiration or termination will or may cause the Port Authority injury, damage or loss. The Lessee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Lessee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss.

Section 58. Waiver of Trial by Jury

The Lessee waives its right to trial by jury in any summary proceeding or action that may hereafter be instituted by the Port Authority against the Lessee in respect of the Premises and/or in any action that may be brought by the Port Authority to recover rentals, fees, damages, or other sums due and owing under this Agreement. The Lessee specifically agrees that it shall not interpose any claims as counterclaims in any summary proceeding or in any action for non-payment of rents, fees or other amounts which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

Section 59. Liquidated Damages

The Port Authority may assess, in its sole discretion, and Lessee shall pay within ten (10) days of written demand therefor as liquidated damages, and not as a penalty, the amounts described below for each of the events described below:

(a) If Lessee shall fail to open the Premises for business after and including the Rental Payment Start Date, then Lessee shall pay the amount of Two Hundred Fifty Dollars (\$250.00) per day for each day Lessee is not open for business. If such failure shall continue for in excess of sixty (60) days, the amount of such liquidated damages may be increased up to a maximum of Five Hundred Dollars (\$500.00) per day.

(b) If Lessee shall fail to furnish to the Port Authority any Monthly Statement or Annual Statement within the time required by this Lease, then Lessee shall pay the amount of One Hundred Dollars (\$100.00) per statement per day until such statement is properly delivered to the Port Authority for the first (1st) such failure to furnish a statement in any rolling

twelve (12) month period, Two Hundred Fifty Dollars (\$250.00) per statement per day until such statement is delivered to the Port Authority for the second (2nd) such failure to furnish a statement in any rolling twelve (12) month period, and Five Hundred Dollars (\$500.00) per statement per day until such statement is delivered to the Port Authority for the third (3rd) and all subsequent failures to furnish any such statement in any rolling twelve (12) month period.

(c) If Lessee shall fail to provide the required certificate signed by the architect or engineer who sealed the Lessee's plans certifying that all of Lessee's Work, if any, has been performed in accordance with the approved plans and specifications and/or if Lessee shall fail to provide the as-built drawings in form and number requested by the Port Authority, as required by *Section 51(b)*, within ninety (90) days of the completion of Lessee's Work, then Lessee shall pay the amount of Three Hundred Dollars (\$300.00) per day for each day that it is not delivered to the Port Authority. If such failure shall continue for a period exceeding one hundred eighty (180) days after the completion of Lessee's Work, such shall be a material default by Lessee hereunder entitling the Port Authority to all remedies available to it hereunder or at law.

(d) If Lessee shall fail to operate its business as provided in the Section of this Agreement entitled "*Various Obligations of the Lessee*", and in accordance with any other operating standards implemented by the Port Authority, then Lessee shall pay the amount of One Hundred Dollars (\$100.00) per instance per day that Lessee fails to operate its business in accordance with the terms hereof for the first (1st) violation in any rolling twelve (12) month period, and the amount of Two Hundred Dollars (\$200.00) per instance that Lessee fails to operate its business in accordance with the terms hereof for the second (2nd) and any subsequent violations in any rolling twelve (12) month period.

(e) If Lessee shall fail to adjust its prices to comply with any criteria or policies for "Street Prices" in accordance with *Sections 13(c), (d) and (e)* of the Section of this Agreement entitled "*Sales and Services by the Lessee*", then Lessee shall pay the amount of One Hundred Dollars (\$100.00) per day for each day that Lessee is not in compliance with such criteria and policies for the first (1st) violation in any rolling twelve (12) month period, and the amount of Two Hundred Dollars (\$200.00) per day for each day that Lessee is not in compliance with such criteria and policies for the second (2nd) and any subsequent violations in any rolling twelve (12) month period.

(f) If Lessee shall fail to operate its business as provided in *Section 13(f)* of the Section of this Agreement entitled "*Sales and Services by the Lessee*", then Lessee shall pay the amount of One Hundred Dollars (\$100.00) per hour for each hour Lessee fails to operate its business during any required operating hours for the first (1st) violation in any rolling twelve (12) month period, and the amount of Two Hundred Dollars (\$200.00) per hour for each hour Lessee fails to operate its business during any required operating hours for the second (2nd) and any subsequent violations in any rolling twelve (12) month period.

(g) If Lessee shall be in default of the Section of this Agreement entitled "*Signs*" relating to Lessee's use and placement of signs, then Lessee shall pay the amount of One Hundred Fifty Dollars (\$150.00) for each day of default in order to reimburse the Port Authority for the additional administrative expenses resulting therefrom.

Section 60. Amendments/Modifications

(a) Notwithstanding the provisions of paragraph (a) of the Section of this Agreement entitled "*Prohibited Acts*", paragraph (c) of the Section of this Agreement entitled "*Construction by the Lessee*" or the Section of this Agreement entitled "*Surrender*", and without limiting the generality thereof, the Lessee on the expiration or earlier termination of this Agreement shall not be required (nor permitted to remove the walls, floors or ceilings (including any heating, [AMS BW Newark JV/Hudson News/Lease No. ANC-047]

ventilating, air conditioning, electrical, plumbing or sprinkling equipment or systems, or kitchen exhaust flue, if any) in the Premises constructed or installed prior to the commencement of the letting, or as part of any finishing work in the Premises performed by the Lessee pursuant to the provisions of the Sections of this Agreement entitled "*Construction by the Lessee*" and "*Finishes and Decorating by the Lessee*", respectively, but the Lessee shall be required to cap all electrical and plumbing lines flush with the walls, floors and ceilings. Nothing herein shall be deemed to affect or impair the Lessee's maintenance and repair obligations during the term of the letting with respect to any of the foregoing. The Lessee on the expiration or earlier termination of the letting, including a termination pursuant to the Section of this Agreement entitled "*Thirty Day Termination*", shall be required to remove from the Premises leasehold trade fixtures and leasehold equipment, including without limitation, shelving, display cases, floor counters, items displaying the Lessee's trademark, trade name, trademark, trade dress, copyright or service mark, and similar installations installed by the Lessee in the Premises and to restore the Premises to the condition thereof prior to the construction or installation of such leasehold trade fixtures and equipment. In the event of a failure on the part of the Lessee to so remove and restore all or a portion of such leasehold trade fixtures and leasehold equipment, the Port Authority may do so, and the Lessee shall pay the cost thereof to the Port Authority on demand.

(b) Notwithstanding the provisions of paragraph (t)(3) of the Section of this Agreement entitled "*Definitions*" with respect to the definition of "*Gross Receipts*", the exclusions from Gross Receipts shall not only include volume discounts received from Lessee's vendors, suppliers and manufacturers but shall also include rebates that reduce Lessee's cost of goods; provided, however, all RDAs shall be included in Lessee's Gross Receipts.

(c) Notwithstanding the provisions of paragraph (oo) of the Section of this Agreement entitled "*Definitions*" with respect to the definition of "*Rental Payment Start Date*", the Rental Payment Start Date shall mean the earliest to occur of the following: (a) the date Gross Receipts are first generated in or from all of the spaces comprising the Premises by the Lessee; or (b) ninety (90) days from the date the Port Authority makes available the last of the spaces comprising the Premises identified on Exhibit A-2 to the Lessee for its occupancy, such date being referred to herein as the "*Date of Beneficial Occupancy*"; provided, that the Rental Payment Start Date may be extended on a day for day basis equal to the actual number of days that Lessee is delayed in the performance of Lessee's Work as specified in Item 8 of Exhibit B.

(d) Notwithstanding the definition of "*Rental Payment Start Date*" and notwithstanding the provisions of paragraphs (a) and (b)(3) of the Section of this Agreement entitled "*Additional Rent Items and Lessee Obligations*", paragraphs Item 1(a)(1) and (b) of "*Exhibit B*", from the date when Gross Receipts are first generated from the spaces comprising the Premises identified on Exhibit A-2 until the date when Gross Receipts are first generated from the last of the spaces comprising the Premises identified on Exhibit A-2, Lessee shall not be obligated to remit any installments of the MAG during such period (but in no event shall the payment of MAG begin later than 90 days from the date the last space for the Premises identified in Exhibit A-2 to this Lease is delivered to Lessee) and in lieu thereof, Lessee shall pay to the Port Authority an interim Percentage Rental equal to twenty-four percent (24%) of all Gross Receipts during each month, inclusive of amounts payable, if any, with respect to RDAs arising during each month, together with monthly installments of the Promotion Fee and Distribution Fee. The Distribution Fee shall be adjusted on the opening of each of the spaces comprising the Premises as identified on Exhibit A-2 for the generation of Gross Receipts during this Period. On the Rental Payment Start Date, Lessee shall pay to the Port Authority the MAG and Percentage Rental as set forth in Exhibit B together with monthly installments of all Additional Rent Items, including, but not limited to, the Promotion Fee and the Distribution Fee.

(e) Notwithstanding the provisions of paragraph (j) of the Section of this Agreement entitled "*Various Obligations of the Lessee*", the first three sentences of such paragraph (j) deleted

[AMS BW Newark JV/Hudson News/Lease No. ANC-047]

and are replaced with the following: "Airport Concession Disadvantaged Business Enterprises ("ACDBE"). If any member of AMS-BW Newark is required to apply as an ACDBE with the Port Authority, please check here (X). Such member shall immediately take all steps necessary to obtain such certification from the Port Authority on or before the Rental Payment Start Date."

(f) Notwithstanding the provisions of paragraph (i) of the Section of this Agreement entitled "*Various Obligations of the Lessee*" and further notwithstanding the provisions of paragraph (a) of the Section of this Agreement entitled "*Finishes and Decorations by the Lessee*", Lessee shall not be required to remediate any Hazardous Substances that were present in or adjacent to any portion of the Premises on or before the date such portion of the Premises was initially delivered by the Authority to Lessee.

(g) The provisions of the Section of this Agreement entitled "*Thirty Day Termination*" are hereby deleted in their entirety and the following is substituted therefore:

"Section 28. Thirty Day Termination

(a) The Port Authority shall have the right to terminate this Agreement, and the letting hereunder, as to all or a portion of the Premises, without cause, at any time, on thirty (30) days' notice to the Lessee. In the event of termination pursuant to this Section, this Agreement and the letting hereunder shall, as to all or as to such portion of the Premises that are identified in such notice, cease and expire as if the effective date of termination stated in the notice were the date originally stated herein for the expiration of this Agreement.

(b) The Lessee is obligated by this Agreement to furnish and install all fixtures and equipment and make all improvements in the Premises, necessary or proper for its operations hereunder. In the event of termination by the Port Authority under this Section, the Port Authority shall pay the Lessee a pro rata share of the Lessee's cost in supplying and installing such fixtures and equipment and making all such improvements, excluding any replacements thereof, to the portion of the Premises that are identified in such thirty (30) day notice. The cost and the pro rata share thereof shall be ascertained as stated in Item 6 of **Exhibit B**; provided, however, that tender of payment of said prorated cost by the Port Authority to the Lessee shall not be prerequisite to the exercise of the right of termination under this Section. On the payment by the Port Authority of said prorated cost and any interest due thereon, all fixtures, equipment and improvements including replacements furnished by the Lessee in the Premises and all interest of the Lessee therein which have not already become the property of the Port Authority shall be and become the property of the Port Authority and the Lessee shall execute any and all instruments necessary to transfer title to any such interest; provided, however, that the Port Authority may by notice relinquish its right to any such fixtures, equipment or improvements and the provisions of the Sections of this Agreement "*Sales and Services by the Lessee*" and "*Surrender*", respectively."

(h) Notwithstanding the provisions of the Section of this Agreement entitled "*Governmental Compliance*", the following shall be added to the end of such Section, "If a portion of the Premises is so taken by the Port Authority, the Port Authority shall take such into consideration to determine whether Tenant shall be granted an equitable adjustment to the Basic Rental otherwise due hereunder. The Port Authority shall consider the size and location of the portion of the Premises so taken and the historical sales generated therefrom in proportion to the remaining portion of the Premises which Lessee continues to operate among other matters. The Port Authority shall notify Lessee of its determination on the amount of the equitable adjustment, if any, which shall be final and binding on Lessee."

Section 61. Miscellaneous

(a) Relationship of the Parties. Notwithstanding any other term or provision hereof, this Agreement does not constitute the Lessee as the agent or representative of the Port Authority for any purpose whatsoever. Neither a partnership nor any joint venture is hereby created.

(b) Lessee's Rights Non-Exclusive. Except as expressly provided herein with respect to the Premises, neither the execution of this Agreement by the Port Authority nor anything contained herein shall grant or be deemed to grant to the Lessee any exclusive rights or privileges.

(c) Updating of Federal Requirements. The Lessee specifically acknowledges and agrees that the Federal requirements set forth in **Schedule E** may be revised or updated from time to time and that, accordingly, the Port Authority may from time to time, by notice to the Lessee, provide to the Lessee revised or updated forms of **Schedule E** to replace the **Schedule E** currently attached to and forming a part of this Agreement. Such replacement **Schedule E** shall, from the effective date of such notice, be deemed to constitute an integral part of this Agreement. The Lessee further specifically acknowledges that the same revision or updating of Federal requirements may occur from time to time with respect to the regulations set forth in 49 CFR Part 23 of the Department of Transportation Office of the Secretary and that the provisions of this paragraph relating to **Schedule E** shall apply equally to those set forth in **Schedule G**.

Section 62. Entire Agreement

This Agreement consists of the following: Sections 1 through 62 inclusive, plus Exhibits A-1, A-2, B, C, R, U, X, Schedule A, Schedule E and Schedule G.

It constitutes the entire agreement of the parties on the subject matter hereof and may not be changed, modified, discharged or extended except by written instrument duly executed by the Port Authority and the Lessee. The Lessee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing in this Agreement.

EXHIBIT B

Rental, Abatement, Insurance Limits and Other Terms

Item 1: Rental Provisions:

(a) Basic Rental and Additional Rental:

(1) The Lessee shall pay to the Port Authority a basic rental (sometimes referred to herein as "**Basic Rental**" or "**MAG**") at the annual rate of Two Million Seven Hundred Thousand Dollars and No Cents (\$2,700,000.00), payable in equal monthly installments in advance on the Rental Payment Start Date and on the first day of each and every calendar month thereafter occurring during the **first Annual Period** of the term of the letting hereunder, provided, however, that if the Rental Payment Start Date shall occur on a day other than the first day of a calendar month, the monthly installment of the applicable Basic Rental, i.e., MAG, payable for the portion of the calendar month in which such respective event occurs following such date shall be an amount equal to the monthly installment set forth in this subparagraph multiplied by a fraction, the numerator of which shall be the number of days from such respective event to the end of the calendar month in which such respective event occurs, and the denominator of which shall be the full number of days in that calendar month. If the date of expiration or termination of the letting hereunder occurs on other than the last day of the month, the applicable Basic Rental payable for the portion of the month in which the date of such expiration or termination shall occur during which the letting thereof remains effective shall be the amount of the monthly installment of such applicable Basic Rental set forth in this subparagraph prorated on a daily basis.

(2) The Basic Rental shall be adjusted for each subsequent Annual Period as follows: Eighty-five percent (85%) of the prior Annual Period's total Effective Rental, but in no event less than Two Million Seven Hundred Thousand Dollars and No Cents (\$2,700,000.00). "**Effective Rental**" means the annual aggregate of Basic Rental plus Percentage Rental (based on actual Gross Receipts for the prior Annual Period) required to be paid hereunder.

(b) Percentage Rental

In addition to the Basic Rental payable under paragraph (a) above, the Lessee shall pay to the Port Authority an annual "**Percentage Rental**" equivalent to the excess, over the applicable annual Basic Rental established for such Annual Period under paragraph (a) above, of the sum of the following for the same Annual Period.

Twenty-Four percent (24%) on all Gross Receipts during each Annual Period, inclusive of amounts payable, if any, with respect to RDAs arising during each Annual Period.

The computation of Percentage Rental for each Annual Period, or a portion of an Annual Period as hereinafter provided, shall be individual to such Annual Period or such portion of an Annual Period and without relation to any other Annual Period or any other portion of any Annual Period. The time for making payment and the method of calculation of Percentage Rental shall be as set forth in paragraph (d) of this Item 1.

(c) For any Annual Period which contains more or less than 365 days, the Basic Rental shall be the amount obtained by multiplying the item by a fraction, the numerator of which shall be the number of days from the commencement of such Annual Period through the last day thereof, both dates inclusive, and the denominator of which shall be 365.

(d) Time of Payment of Percentage Rental Computations of Amounts and Accounting

(1) The Gross Receipts shall be reported and the Percentage Rental shall be paid as follows: on the 15th day of the first calendar month following the commencement of each Annual Period and on the 15th day of each and every calendar month thereafter without notice or demand, including the month following the end of each Annual Period and the calendar month following the expiration of the letting hereunder, the Lessee shall render to the Port Authority a sworn statement showing separately (by type of Gross Receipts and by sales location, if there be more than one sales location, or, if applicable, the amounts of the Percentage Rental rates applicable to the categories stated above of Gross Receipts referred to paragraph (b) of this Item 1 arising from its operations at the sales area(s) (including any interim space) of the Premises in the preceding month, or, if applicable, the Lessee shall specify separately the percentages and the results of applying each of the percentages, as provided in said provisions) and also showing such information on a cumulative basis from the date of the commencement of the same Annual Period as that for the month for which the report is made through the last day of the preceding month. Whenever any monthly statement shall show that the results of applying the provisions of paragraph (b) of this Item 1 indicate Percentage Rental on such cumulative basis to be in excess of the Basic Rental for the Annual Period for which the report is made, the Lessee shall pay to the Port Authority at the time of rendering the statement an amount equal to such excess. Further, the Lessee shall thereafter on the 15th day of each subsequent month during that Annual Period, and the month following the end of that Annual Period, including the month following the expiration of the letting hereunder, pay to the Port Authority for each such month during that Annual Period a sum equal to the amounts yielded by applying the percentages set forth in paragraph (b) of Item 1 of Exhibit B and without reference to the monthly installment of the Basic Rental.

(2) Upon any termination of the letting hereunder (even if stated to have the same effect as expiration), Gross Receipts shall be reported and Percentage Rental shall be paid on the 15th day of the first month following the month in which the effective date of such termination occurs, as follows. The Lessee shall render to the Port Authority a sworn statement of all Gross Receipts for the Annual Period in which the effective date of termination falls showing separately (by type of Gross Receipts and by sales location, if there be more than one sales location) the cumulative amount of the different types of Gross Receipts set forth in paragraph (b) of this Item 1 and separately showing the percentages and the results of applying the percentages as stated in said provisions applicable to each of such different types and amounts of Gross Receipts. The payment then due on account of Percentage Rental for the Annual Period in which the effective date of termination falls shall be the excess of the Percentage Rental computed as set forth in the following sentence, over the total of all Percentage Rental payments previously made for such Annual Period. The Percentage Rental due for any such Annual Period in which the effective date of termination falls shall be equal to the excess, over the prorated Basic Rental established for such Annual Period pursuant to the proration provisions set forth in paragraph (c) of this Item 1, of the amount resulting from applying the provisions of paragraph (b) of this Item 1 to the cumulative amount of the different types of Gross Receipts arising during such Annual Period in accordance with the formula set forth in paragraph (b) of this Item 1, adjusted pursuant to the proration provisions set forth in paragraph (c) of this Item 1.

(e) Abatement

(1) For every calendar day or major fraction thereof that the Lessee shall be entitled to abatement during the period commencing on the commencement date of the term of the letting hereunder and continuing through the expiration of said term of the letting hereunder, the Basic Rental established for such period shall be reduced (abated) by the product of the MAG multiplied by a fraction the numerator of which shall be the number of square feet of floor space as to

which the abatement applies and the denominator of which shall be the total number of square feet in the Premises.

(2) For the purpose of abatement, the ascertainment of the number of square feet contained in the Premises to be measured shall be in accordance with the following: Areas of the Premises and parts thereof will be computed by measuring from the inside plaster surface of outer building walls to the plaster surface of the corridor side of corridor partitions and to the center of partitions that separate the Premises from adjoining rentable area: no deduction will be made for columns, pilasters, or projections necessary to the building or for toilets, porter's closets, and slop sinks used exclusively by the Lessee and contained within the Premises. Permanent partitions enclosing elevator shafts, stairs, fire towers, vents, pipe shafts, meter closets, flues, stacks, and any vertical shafts have the same relation to rentable area, as do outer building walls.

(3) Nothing contained in this Item 1 shall affect the survival of the obligations of the Lessee as set forth in the Section of this Agreement entitled "*Survival of the Obligations of the Lessee*".

Item 2: Liability Insurance Limits:

The Lessee in its own name as insured with the Protected Indemnitees as additional insureds shall maintain liability insurance coverage referred to in paragraph (b) of the Section of this Agreement entitled "*Indemnity; Liability Insurance*" in not less than the following minimum limits:

| | <u>Minimum Limits</u> |
|--|-----------------------|
| Commercial General Liability: Combined single limit per occurrence for death, bodily injury and property damage liability (including premises operations, completed operations, and products liability) | \$2,000,000 |
| Commercial Automobile Liability: Combined single limit per occurrence for death, bodily injury and property damage liability | Not Applicable |
| Liquor Liability | Not Applicable |

Item 3: Not Applicable

Item 4: Construction:

Per Section of this Agreement entitled "*Finishing and Decorating by the Lessee*"

Item 5: Construction Liability Limits:

The limits of liability insurance shall not be lower than those set forth in the Alteration Application referred to in the Section of this Agreement entitled "*Finishing and Decorating by the Lessee*".

Item 6: Cost and Proration Thereof:

(a) The sum of the following items of cost incurred by the Lessee in connection with the performance of the Lessee's Work shall constitute the "cost" under the Section of this Agreement entitled "*Finishes and Decorating by the Lessee*" and under subdivisions (b), (c), (d), (e), (f), and (g) hereof, to the extent that such characterization is consistent with sound accounting practice and to the extent that such sum does not exceed the amount of Two Million Eight Hundred Seventy-Nine Thousand Five Hundred Dollars and No Cents (\$2,879,500.00) in the aggregate with respect to both the initial and refurbishment capital investments.

(1) Direct labor and material costs;

(2) Contract costs for purchase and installation of improvements, fixtures and equipment, excluding those of the types mentioned in the following subdivision (3);

(3) Engineering, architectural, planning, designing, financing, interest, insurance, and other overhead or carrying charges which are due for a period ending not later than the date of completion of installation of any such initial equipment, fixtures, or improvements for which they are incurred, and not to exceed twenty percent (20%) of the total of the amounts covered by subdivisions (1) and (2) above.

(b) A separate statement of the cost detailing all of the foregoing for each portion of the Premises, including copies of invoices and contracts and certified by a responsible officer of the Lessee shall be delivered by the Lessee to the Port Authority not later than ninety (90) days after the complete supplying and installing of all such initial fixtures or equipment and the making of all such initial improvements, and the Lessee shall permit the Port Authority, by its agents, employees, and representatives, at all reasonable times prior to a final settlement or determination of cost, to examine and audit the records and books of the Lessee and any Affiliate thereof which pertain to the cost; the Lessee agrees to keep and to cause its Affiliates to keep such records and books of account within the Port of New York District during such time.

(c) If the Lessee includes in cost any item as having been incurred, but which, in the opinion of the Port Authority, was not so incurred or which, in the opinion of the Port Authority, if so incurred is not an item properly chargeable to cost under sound accounting practice, then the Port Authority, within ninety (90) days after receipt of the said statement of cost as mentioned in subdivision (b) above, shall give written notice to the Lessee stating its objection to any such item and the grounds therefor. If such notice is given and if the dispute is not settled within thirty (30) days by agreement between the parties, then such dispute shall be disposed of by arbitration in accordance with the then existing rules of the American Arbitration Association or any successor organization. Costs of said arbitration shall be borne equally by the Port Authority and the Lessee.

(d) In any such arbitration as to whether any item included by the Lessee in its computation of cost has been incurred, the question to be submitted to the arbitrators for decision shall be as follows:

"Was all or any part of such cost incurred by the Lessee; and if part, but not all of such cost was incurred, what was the amount which was so incurred?"

(e) Any such arbitration as to whether any item included by the Lessee in its computation of cost is properly chargeable thereunder under sound accounting practice, the question to be submitted to the arbitrators for decision shall be as follows:

"Can it reasonably be held that all or any part of such cost is properly chargeable under sound accounting practice; and if part, but not all of such cost can be reasonably held to be so chargeable, then what amount can reasonably be held to be so chargeable?"

The arbitrators to whom such question(s) shall be submitted (under the preceding paragraphs (d) and (e)) shall be accountants or auditors.

(f) The proration of cost as referred to in the Section entitled "*Finishes and Decorating by the Lessee*" shall be ascertained by multiplying the cost by a fraction, the numerator of which shall be the number of whole calendar-months (in the term of the letting as originally set forth) subsequent to the effective date of termination, and the denominator of which shall be the total number of months in the term of the letting as originally set forth.

(g) Notwithstanding any other provision of the Section of this Agreement entitled "*Finishes and Decorating by the Lessee*", in ascertaining the amount that the Port Authority shall be obligated to pay to the Lessee under said Section, the cost computed as heretofore stated in this Item shall be diminished by the amount that any part of the components of cost as stated in subdivisions (1), (2), and (3) of paragraph (a) above are secured by liens, mortgages, other encumbrances, or conditional bills of sale on such equipment, fixtures, and improvements and less any other amounts whatsoever due under this Agreement from the Lessee to the Port Authority. In no event whatsoever shall cost, as defined and computed in accordance with this Item and as used in the above-cited Section and in this Item, include any expenses, outlays, or charges whatsoever by or for the account of the Lessee for or in connection with any equipment or fixtures or the making of any improvements mentioned in said Section or in this Item unless said equipment, fixtures, and/or improvements are actually and completely installed in and/or made to the Premises and, in accordance with law unaffected by any act or statement of the Lessee, are considered part of the Premises.

Item 7: Performance Bond: Not applicable.

Item 8: Letting Postponed: Notwithstanding anything to the contrary set forth in this Agreement, in the event the Lessee is delayed in the performance of Lessee's Work following the initial delivery of any portion of the Premises due to: (a) the remediation by the Port Authority of any pre-existing Hazardous Substances which were present in or about the Premises, then Lessee shall have a day for day extension to complete Lessee's Work equal to the number of days that Lessee was so delayed; or (b) the failure of the Port Authority to issue all permits for the performance of Lessee's Work in accordance with the TAA process within a reasonable period of time following submission of fully satisfactory and complete Tenant Alteration Application(s) (inclusive, by way of example, of drawings and specifications and any and all revisions of same required by the Port Authority) by Lessee or the failure of the Port Authority to inspect within a reasonable period of time the Premises following receipt by the Port Authority of notice of the completion of Lessee's Work, and such actual completion, in accordance with the TAA process and neither of which was due to any fault on the part of Lessee, then Lessee shall have a day for day extension to complete Lessee's Work equal to the number of days that Lessee was so delayed. The period of delay with respect to Item 8(a) shall be calculated from the day in which Lessee is instructed to cease Lessee's Work by the Port Authority to the day in which Lessee is given the clearance to resume Lessee's Work by the Port Authority following the Port Authority's receipt of the proper certification from the certified abatement contractor in accordance with standard policies and procedures in effect for the Terminal. The period of delay with respect to Item 8(b) shall be calculated to include any days which Lessee is prevented from starting Lessee's Work due to delays by the Port Authority in issuing permits in accordance with

the TAA process as well as any days in which Lessee is prevented from opening any portion of the Premises for business to the public due to delays by the Port Authority in completing any inspections of the Premises in accordance with the TAA process. In the event of any such delays, the Port Authority shall send Lessee a confirmation letter setting the actual Rental Payment Start Date making due allowance for such delays and expiration of the Term of this Agreement.

SCHEDULE E

AFFIRMATIVE ACTION – EQUAL OPPORTUNITY – MINORITY BUSINESS ENTERPRISES – WOMEN-OWNED BUSINESS ENTERPRISES REQUIREMENTS

Part I. Affirmative Action Guidelines – Equal Employment Opportunity

I. As a matter of policy, the Port Authority hereby requires the Lessee and the Contractor shall require the Contractor, as hereinafter defined, to comply with the provisions set forth hereinafter in this Schedule E with the Lessee (as defined in the Agreement to which this Schedule E is attached). The provisions set forth in this Part I are similar to the conditions for bidding on federal government contract adopted by the Office of Federal Contract Compliance and effective May 8, 1978.

The Lessee, as well as each bidder, contractor, and subcontractor of the Lessee and each subcontractor of a contractor at any tier of construction (herein collectively referred to as the "Contractor") must fully comply with the following conditions set forth herein as to each construction trade to be used on the construction work or any portion thereof (said conditions being herein called "Bid Conditions"). The Lessee hereby commits itself to the goals for minority and female utilization set forth below and all other requirements, terms, and conditions of the Bid Conditions. The Lessee shall likewise require the Contractor to commit itself to the said goals for minority and female utilization set forth below and all other requirements, terms, and conditions of the Bid Conditions by submitting a properly signed bid.

II. The Lessee and the Contractor shall each appoint an executive of its company to assume the responsibility for the implementation of the requirements, terms, and conditions of the following Bid Conditions:

(a) The goals for minority and female participation expressed in percentage terms for the Contractor's aggregate workforce in each trade on all construction work are as follows:

(1) Minority participation

| | |
|---------------------------|-----|
| Minority, except laborers | 30% |
| Minority, laborers | 40% |

(2) Female participation

| | |
|-------------------------|------|
| Female, except laborers | 6.9% |
| Female, laborers | 6.9% |

These goals are applicable to all the Contractor's construction work performed in and for the Premises.

The Contractor's specific affirmative action obligations required herein of minority and female employment and training must be substantially uniform throughout the length of the contract, and in each trade, and the Contractor shall make good faith efforts to employ minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the Contractor's goals shall be a violation of the contract. Compliance with the goals will be measured against the total work hours performed.

(b) The Contractor shall provide written notification to the Lessee and the Lessee shall provide written notification to the Manager of the Office of Business and Job Opportunity of the Port Authority within ten (10) working days of award of any construction subcontract in excess of \$10,000 at any tier for construction work. The notification shall list the name, address, and telephone number of the subcontractor; employer identification number; estimated starting and completion dates of the subcontract; and the geographical area in which the subcontract is to be performed.

(c) As used in these specifications:

(1) "Employer identification number" means the Federal Social Security number used on the Employer's Quarterly Federal Tax Return, U.S. Treasury Department Form 941;

(2) "Minority" includes:

(i) Black (all persons having origins in any of the Black African racial groups, not of Hispanic origin);

(ii) Hispanic (all persons of Mexican, Puerto Rican, Dominican, Cuban, Central or South American culture or origin, regardless of race);

(iii) Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands); and

(iv) American Indian or Alaskan Native (all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification).

(d) Whenever the Contractor, or any subcontractor at any tier, subcontracts a portion of the construction work involving any construction trade, it shall physically include in each subcontract in excess of \$10,000 those provisions which include the applicable goals for minority and female participation.

(e) The Contractor shall implement the specific affirmative action standards provided in subparagraphs (1) through (16) of Paragraph (h) hereof. The goals set forth above are expressed as percentages of the total hours of employment and training of minority and female utilization the Contractor should reasonably be able to achieve in each construction trade in which it has employees in the Premises. The Contractor is expected to make substantially uniform progress toward its goals in each craft during the period specified.

(f) Neither the provisions of any collective bargaining agreement, nor the failure by a union with whom the Contractor has a collective bargaining agreement, to refer either minorities or women shall excuse the Contractor's obligations hereunder.

(g) In order for the non-working training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees must be employed by the Contractor during the training period, and the Contractor must have made a commitment to employ the apprentices and trainees at the completion of their training subject to the availability of employment opportunities. Trainees must be trained pursuant to training programs approved by the U.S. Department of Labor.

(h) The Contractor shall take specific affirmative actions to ensure equal employment opportunity ("EEO").

The evaluation of the Contractor's compliance with these provisions shall be based upon its good faith efforts to achieve maximum results from its actions. The Contractor shall document these efforts fully, and shall implement affirmative action steps at least as extensive as the following:

(1) Ensure and maintain a working environment free of harassment, intimidation, and coercion at all sites, and in all facilities at which the Contractor's employees are assigned to work. The Contractor, where possible, will assign two or more women to each Phase of the construction project. The Contractor shall specifically ensure that all foremen, superintendents,

and other supervisory personnel at the Premises are aware of and carry out the Contractor's obligation to maintain such a working environment, with specific attention to minority or female individuals working at the Premises.

(2) Establish and maintain a current list of minority and female recruitment sources, provide written notification to minority and female recruitment sources and to community organizations when the Contractor or its unions have employment opportunities available, and maintain a record of the organizations' responses.

(3) Maintain a current file of the names, addresses, and telephone numbers of each minority and female off-the-street applicant and minority or female referral from a union, a recruitment source, or community organization and of what action was taken with respect to each such individual. If such individual was sent to the union hiring hall for referral and was not referred back to the Contractor by union or, if referred, not employed by the Contractor, this shall be documented in the file with the reason therefor, along with whatever additional actions the Contractor may have taken.

(4) Provide immediate written notification to the Lessee when the union or unions with which the Contractor has a collective bargaining agreement has not referred to the Contractor a minority person or woman sent by the Contractor, or when the Contractor has other information that the union referral process has impeded the Contractor's efforts to meet its obligations.

(5) Develop on-the-job training opportunities and/or participate in training programs for the area which expressly include minorities and women, including upgrading programs and apprenticeship and training programs relevant to the Contractor's employment needs, especially those programs funded or approved by the Department of Labor. The Contractor shall provide notice of these programs to the sources compiled under subparagraph (2) above.

(6) Disseminate the Contractor's EEO policy by providing notice of the policy to unions and training programs and requesting their cooperation in assisting the Contractor in meeting its EEO obligations; by including it in any policy manual and collective bargaining agreement; by publicizing it in the Contractor's newspaper, annual report, etc.; by specific review of the policy with all management personnel and with all minority and female employees at least once a year; and by posting the Contractor's EEO policy on bulletin boards accessible to all employees at each location where construction work is performed.

(7) Review, at least every six months, the Contractor's EEO policy and affirmative action obligations hereunder with all employees having any responsibility for hiring, assignment, layoff, termination, or other employment decision, including specific review of these items with on-Premises supervisory personnel such as Superintendents, General Foremen, etc., prior to the initiation of construction work at the Premises. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed, and disposition of the subject matter.

(8) Disseminate the Contractor's EEO policy externally by including it in any advertising in the news media, specifically including minority and female news media, and providing written notification to and discussing the Contractor's EEO policy with other Contractors and Subcontractors with whom the Contractor does or anticipates doing business.

(9) Direct its recruitment efforts, both oral and written, to minority, female, and community organizations, to schools with minority and female students and to minority and female recruitment and training organizations and to State-certified minority referral agencies serving the Contractor's recruitment area and employment needs. Not later than one month prior to the date for the acceptance of applications for apprenticeship or other training by any recruitment source, the Contractor shall send written notification to organizations such as the above, describing the openings, screening procedures, and tests to be used in the selection process.

(10) Encourage present minority and female employees to recruit other minority persons and women and, where reasonable, provide after school, summer, and vacation employment to minority and female youth both on the Premises and in areas of a Contractor's workforce.

(11) Tests and other selecting requirements shall comply with 41 CFR Part 60-3.

(12) Conduct, at least every six months, an inventory and evaluation at least of all minority and female personnel for promotional opportunities and encourage these employees to seek or to prepare for, through appropriate training, etc., such opportunities.

(13) Ensure that seniority practices, job classifications, work assignments, and other personnel practices do not have a discriminatory effect by continually monitoring all personnel and employment related activities to ensure that the EEO policy and the Contractor's obligations hereunder are being carried out.

(14) Ensure that all facilities and company activities are non-segregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure privacy between the sexes.

(15) Document and maintain a record of all solicitations of offers for subcontracts from minority and female construction contractors and suppliers, including circulation of solicitations to minority and female contractor associations and other business associations.

(16) Conduct a review, at least every six months, of all supervisors' adherence to and performance under the Contractors' EEO policies and affirmative action obligations.

(i) Contractors are encouraged to participate in voluntary associations which assist in fulfilling one or more of their affirmative action obligations (subparagraphs (1)-(16) of Paragraph (h) above). The efforts of a contractor association, joint contractor-union, contractor-community, or other similar group of which the Contractor is a member and participant, may be asserted as fulfilling any one or more of its obligations under Paragraph (h) hereof provided that: the Contractor actively participates in the group, makes good faith efforts to assure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the program are reflected in the Contractor's minority and female workforce participation, makes good faith efforts to meet its individual goals and timetables, and can provide access to documentation which demonstrates the effectiveness of actions taken on behalf of the Contractor. The obligation to comply, however, is the Contractor's and failure of such a group to fulfill an obligation shall not be a defense for the Contractor's non-compliance.

(j) A single goal for minorities and a separate single goal for women have been established. The Contractor, however, is required to provide equal opportunity and to take affirmative action for all minority groups, both male and female, and all women, both minority and non-minority. Consequently, the Contractor may be in violation hereof if a particular group is employed in a substantially disparate manner (for example, even though the Contractor has achieved its goals for women generally, the Contractor may be in violation hereof if a specific minority group of women is underutilized).

(k) The Contractor shall not use the goals and timetables or affirmative action standards to discriminate against any person because of race, color, religion, sex or national origin.

(l) The Contractor shall not enter into any subcontract with any person or firm debarred from Government contracts pursuant to Executive Order 11246.

(m) The Contractor shall carry out such sanctions and penalties for violation of this clause including suspension, termination and cancellation of existing subcontracts as

may be imposed or ordered by the Lessee. Any Contractor who fails to carry out such sanctions and penalties shall be in violation hereof.

(n) The Contractor, in fulfilling its obligations hereunder shall implement specific affirmative actions steps, at least as extensive as those standards prescribed in paragraph (h) hereof so as to achieve maximum results from its efforts to ensure equal employment opportunity. If the Contractor fails to comply with the requirements of these provisions, the Lessee shall proceed accordingly.

(o) The Contractor shall designate a responsible official to monitor all employment related activity to ensure that the company EEO policy is being carried out, to submit reports relating to the provisions hereof as may be required and to keep records. Records shall at least include for each employee the name, address, telephone numbers, construction trade, union affiliation if any, employee identification number when assigned, social security number, race, sex, status (e.g., mechanical apprentice, trainee, helper, or laborer), dates of changes in status, hours worked per week in the indicated trade, rate of pay, and location at which the work is performed. Records shall be maintained in an easily understandable and retrievable form; however, to the degree that existing records satisfy this requirement, contractors shall not be required to maintain separate records.

(p) Nothing herein provided shall be construed as a limitation upon the application of any laws which establish different standards of compliance or upon the application of requirements for the hiring of local or other area residents (e.g., those under the Public Works Employment Act of 1977 and the Community Development Block Grant Program).

(q) Without limiting any other obligation, term or provision under the Agreement, the Contractor shall cooperate with all federal, state or local agencies established for the purpose of implementing affirmative action compliance programs and shall comply with all procedures and guidelines established or which may be established by the Port Authority.

PART II.

MINORITY BUSINESS ENTERPRISES/WOMEN-OWNED BUSINESS ENTERPRISES

As a matter of policy the Port Authority requires that Lessee and the Lessee shall itself and shall require the general contractor or other construction supervisor and each of the Lessee's contractors to use every good faith effort to provide for meaningful participation by Minority Business Enterprises (MBEs) and Women-owned Business Enterprises (WBEs) in the construction work pursuant to the provisions of this Schedule E. For purposes hereof, "Minority Business Enterprise" "(MBE)" shall mean any business enterprise which is at least fifty-one percentum owned by, or in the case of a publicly owned business, at least fifty-one percentum of the stock of which is owned by citizens or permanent resident aliens who are minorities and such ownership is real, substantial and continuing. For the purpose hereof, "Women-owned Business Enterprise" "(WBE)" shall mean any business enterprise which is at least fifty-one percentum owned by, or in the case of a publicly owned business, at least fifty-one percentum of the stock of which is owned by women and such ownership is real, substantial and continuing. A minority shall be as defined in paragraph II(c) of Part I of this Schedule E. "Meaningful participation" shall mean that at least seventeen percent (17%) of the total dollar value of the construction contracts (including subcontracts) covering the construction work are for the participation of Minority Business Enterprises and Women-owned Business Enterprises, of which at least twelve percent (12%) are for the participation of Minority Business Enterprises. Good faith efforts to include meaningful participation by MBEs and WBEs shall include at least the following:

- (a) Dividing the work to be subcontracted into smaller portions where feasible.

(b) Actively and affirmatively soliciting bids for subcontracts from MBEs and WBEs, including circulation of solicitations to minority and female contractor associations. The Contractor shall maintain records detailing the efforts made to provide for meaningful MBE and WBE participation in the work, including the names and addresses of all MBEs and WBEs contacted and, if any such MBE or WBE is not selected as a joint venturer or subcontractor, the reason for such decision.

(c) Making plans and specifications for prospective construction work available to MBEs and WBEs in sufficient time for review.

(d) Utilizing the list of eligible MBEs and WBEs maintained by the Port Authority or seeking minorities and women from other sources for the purpose of soliciting bids for subcontractors.

(e) Encouraging the formation of joint ventures, partnerships or other similar arrangements among subcontractors, where appropriate, to insure that the Lessee and Contractor will meet their obligations hereunder.

(f) Insuring that provision is made to provide progress payments to MBEs and WBEs on a timely basis.

(g) Not requiring bonds from and/or providing bonds and insurance for MBEs and WBEs, where appropriate.

Certification of MBEs and WBEs hereunder shall be made by the Office of Business and Job Opportunity of the Port Authority. If the Contractor wishes to utilize a firm not already certified by the Port Authority, it shall submit to the Port Authority a written request for a determination that the proposed firm is eligible for certification. This shall be done by completing and forwarding such form as may be then required by the Port Authority. All such requests shall be in writing addressed to the Office of Business and Job Opportunity, the Port Authority of New York and New Jersey, One World Trade Center, 63 East, New York, New York 10048 or such other address as the Port Authority may specify by notice to the Lessee. Certification shall be effective only if made in writing the Director in charge of the Office of Business and Job Opportunity of the Port Authority. The determination of the Port Authority shall be final and binding.

The Port Authority has compiled a list of the firms that the Port Authority has determined satisfy the criteria for MBE and WBE certification. This list may be supplemented and revised from time to time by the Port Authority. Such list shall be made available to the Contractor upon request. The Port Authority makes no representation as the financial responsibility or such, firms, their technical competence to perform, or any other performance-related qualifications.

Only MBE's and WBE's certified by the Port Authority will count toward the MBE and WBE goals.

Please note that only sixty percent (60%) of expenditures to MBE or WBE suppliers will count towards meeting the MBE and WBE goals. However, expenditures to MBE or WBE manufacturer's (i.e., suppliers that produce goods from raw materials or substantially alter them before resale) are counted dollar for dollar.

SCHEDULE G

Airport Concession Disadvantaged Business Enterprise ("ACDBE") Participation

In accordance with regulations of the US Department of Transportation 49 CFR Part 23 the Port Authority has implemented an Airport Concession Disadvantaged Business Enterprise ("ACDBE") program under which qualified firms may have the opportunity to operate an airport business. The Port Authority has established an ACDBE participation goal, as measured by the total estimated annual gross receipts for the overall concession program. The goal is modified from time to time and posted on the Port Authority's website: www.panynj.gov.

The overall ACDBE goal is a key element of the Port Authority's concession program and Lessee shall take all necessary and reasonable steps to comply with the requirements of the Port Authority's ACDBE program. The Concessionaire commits to making good faith efforts to achieve the ACDBE goal. Pursuant to 49 CFR 23.25(f), ACDBE participation must be, to the greatest extent practicable, in the form of direct ownership, management and operation of the concession or the ownership, management and operation of specific concession locations through subleases. The Port Authority will also consider participation through (1) joint venture in which ACDBEs control a distinct portion of the joint venture business and/or purchase of goods and services from ACDBEs. In connection with the aforesaid good faith efforts, as to those matters contracted out by the Concessionaire in its performance of this agreement, the Concessionaire shall use, to the maximum extent feasible and consistent with the Concessionaire's exercise of good business judgment including without limit the consideration of cost competitiveness, a good faith effort to meet the Port Authority's goals. Information regarding specific good faith steps can be found in the Port Authority's ACDBE Program located on its above-referenced website. In addition, the Concessionaire shall keep such records as shall enable the Port Authority to comply with its obligations under 49 CFR Part 23 regarding efforts to offer opportunities to ACDBEs.

Qualification as an ACDBE

To qualify as an ACDBE, the firm must meet the definition set forth below and be certified by the New York State or New Jersey Uniform Certification Program (UCP). The New York State UCP directory is available on-line at www.nysucp.net and the New Jersey UCP at www.njucp.net.

An ACDBE must be a small business concern whose average annual receipts for the preceding three (3) fiscal years does not exceed \$47.78 million and it must be (a) at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operations are controlled by one or more of the socially or economically disadvantaged individuals who own it. The personal net worth standard used in determining eligibility for purposes of Part 23 is \$750,000.

The ACDBE may, if other qualifications are met, be a franchisee of a franchisor. An airport concession is a for-profit business enterprise, located on an airport, which is subject to the Code of Federal Regulations 49 Part 23 that is engaged in the sale of consumer goods or services to the public under an agreement with the sponsor, another concessionaire, or the owner or operator of a terminal, if other than the sponsor. The Port Authority makes a rebuttable presumption that individuals in the following groups who are citizens of the United States or lawful permanent residents are "socially and economically disadvantaged":

- a. Women;
- b. Black Americans which includes persons having origins in any of the Black racial groups of Africa;

c. Hispanic Americans which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;

d. Native Americans which includes persons who are American Indians, Eskimos, Aleuts or Native Hawaiians;

e. Asian-Pacific Americans which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific Islands (Republic of Palau), the Commonwealth Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Juvalu, Nauru, Federated States of Micronesia or Hong Kong;

f. Asian-Indian Americans which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, Maldives Islands, Nepal and Sri Lanka; and

g. Members of other groups, or other individuals, found to be economically and socially disadvantaged by the Small Business Administration under Section 8(a) of the Small Business Act, as amended (15 U.S.C. Section 637(a)).

Other individuals may be found to be socially and economically disadvantaged on a case-by-case basis. For example, a disabled Vietnam veteran, an Appalachian white male, or another person may claim to be disadvantaged. If such individual requests that his or her firm be certified as ACDBE, the Port Authority, as a certifying partner in the New York State and New Jersey UCPs will determine whether the individual is socially or economically disadvantaged under the criteria established by the Federal Government. These owners must demonstrate that their disadvantaged status arose from individual circumstances, rather than by virtue of membership in a group.

Certification of ACDBEs hereunder shall be made by the New York State or New Jersey UCP. If Concessionaire wishes to utilize a firm not listed in the UCP directories but which the Concessionaire believes should be certified as an ACDBE, that firm shall submit to the Port Authority a written request for a determination that the firm is eligible for certification. This shall be done by completing and forwarding such forms as may be required under 49 CFR Part 23. All such requests shall be in writing, addressed to Lash Green, Director, Office of Business and Job Opportunity, The Port Authority of New York and New Jersey, 233 Park Avenue South, 4th Floor, New York, New York 10003 or such other address as the Port Authority may designate from time to time. Contact OBJOcert@panynj.gov for inquiries or assistance.

General

In the event the signatory to this agreement is a Port Authority permittee, the term Concessionaire shall mean the Permittee herein. In the event the signatory to this agreement is a Port Authority lessee, the term Concessionaire shall mean the Lessee herein.

: For Port Authority Use Only :

: ANC-080 :

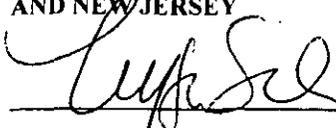

THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY
225 Park Avenue South
New York, New York 10003

NEWARK LIBERTY INTERNATIONAL AIRPORT
PRIVILEGE PERMIT

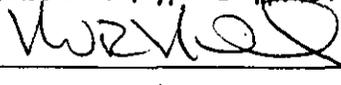

The Port Authority of New York and New Jersey (herein called the "Port Authority") hereby grants to the Permittee hereinafter named the hereinafter described non-exclusive privilege at Newark Liberty International Airport, County of Essex, City of Newark, State of New Jersey, in accordance with the Terms and Conditions hereof; and the Permittee agrees to pay the fee or fees hereinafter specified and to perform all other obligations imposed upon it in the said Terms and Conditions:

1. **PERMITTEE:** AMS-BW Newark, JV, Airport Management Services, LLC and Branded Works, Inc., each such entity being jointly and severally liable under this Permit.
2. **PERMITTEE'S ADDRESS:** c/o The Hudson Group, One Meadowlands Plaza, Suite 902, East Rutherford, New Jersey 07073
3. **PERMITTEE'S REPRESENTATIVES:** Michael R. Mullaney for AMS-BW Newark, JV and Airport Management Services, LLC and Ruth Ann Menutis for Branded Works, Inc.
4. **PRIVILEGE:** To provide such Permitted Use described in Special Endorsement No. 1(b) hereof (the "Authorized Service"), and for no other purpose or purposes whatsoever.
5. **FEES:** As set forth in Special Endorsement 2 hereof.
6. **EFFECTIVE DATE:** August 30, 2009.
7. **EXPIRATION DATE:** The earlier of February 28, 2010 (such date not to be later than six (6) months from the Effective Date) or on date of the execution of a proposed new lease (Lease No. ANC-047) between the Port Authority and the Permittee for the Premises set forth in Lease No. ANC-047, unless sooner revoked or terminated as provided herein.
8. **REQUIRED SECURITY DEPOSIT:** \$675,000.00 as described in Paragraph 5 of Terms and Conditions.
9. **INSURANCE REQUIREMENTS:** \$2,000,000.00 minimum limit per occurrence Commercial General Liability.
10. **ENDORSEMENTS:** Specials, Schedule G and Exhibit X.
11. **LEASE NO. ANC-047:** The parties intend to enter into new proposed Lease No. ANC-047 on the rental and other business terms as to be set forth therein for a term to expire eighty-four (84) months from the Date of Beneficial Occupancy (as such term is to be defined in Lease No. ANC-047). Upon the full execution of Lease No. ANC-047, said Lease shall supersede this Permit.

TERMS AND CONDITIONS

1. Definitions:

The following terms, when and if used in this Permit, shall have the respective meanings given below:

(a) "**Airport**" or "**Facility**" shall mean Newark Liberty International Airport, Newark, New Jersey, shall mean the land and premises in the County of Essex and State of New Jersey, which are westerly of the right of way of the Central Railroad of New Jersey and are shown upon the exhibit attached to the said agreement between the City and the Port Authority and marked "**Exhibit A**", as contained within the limits of a line of crosses appearing on said exhibit and designated "Boundary of terminal area in City of Newark", and lands contiguous thereto which may have been heretofore or may hereafter be acquired by the Port Authority to use for air terminal purposes.

(b) "**City**" shall mean the City of Newark.

(c) "**City Lease**" shall mean the lease of the air terminal from the City of Newark to the Port Authority under the agreement between the City and the Port Authority dated October 22, 1947, as the same from time to time may have been or may be supplemented or amended. Said agreement dated October 22, 1947 has been recorded in the Office of the Register of Deeds for the County of Essex on October 30, 1947 in Book E-110 of Deeds at pages 242, et seq. No greater rights or privileges are hereby granted to the Permittee than the Port Authority has power to grant under said agreement as supplemented or amended as aforesaid.

(d) "**Effective Date**" shall mean that date appearing in Item 6 on the first page of this Permit as the same may be modified pursuant to the provisions of Section 2(a) hereof.

(e) "**Environmental Requirement**" shall mean all common law and all past, present and future laws, statutes, enactments, resolutions, regulations, rules, directives, ordinances, codes, licenses, permits, orders, memoranda of understanding and memoranda of agreement, guidances, approvals, plans, authorizations, concessions, franchises, requirements and similar items of all governmental agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof, all pollution prevention programs, "best management practices plans", and other programs adopted and agreements made by the Port Authority (whether adopted or made with or without consideration or with or without compulsion), with any government agencies, departments, commissions, boards, bureaus or instrumentalities of the United States, states and political subdivisions thereof, and all judicial, administrative, voluntary and regulatory decrees, judgments, orders and agreements relating to the protection of human health or the environment, and in the event that there shall be more than one compliance standard, the standard for any of the foregoing to be that which requires the lowest level of a Hazardous Substance, the foregoing to include without limitation:

(i) All requirements pertaining to reporting, licensing, permitting, investigation and remediation of emissions, discharges, releases or threatened releases of Hazardous Substances into the air, surface water, groundwater or land, or relating to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of Hazardous Substances, or the transfer of property on which Hazardous Substances exist; and

(ii) All requirements pertaining to the protection from Hazardous Substances of the health and safety of employees or the public.

(f) "**Executive Director**" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Executive Director of the

Port Authority for the time being or his duly designated representative or representatives.

(g) “*General Manager of the Airport*” shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in said General Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean said General Manager (or Acting General Manager) of the Airport for the time being or his duly designated representative or representatives.

(h) “*Gross Receipts*” shall include all monies paid or payable to the Permittee for sales made and for services rendered at or from the Airport, regardless of when or where the order therefor is received, and outside the Airport, if the order therefor is received at the Airport, and any other revenues of any type arising out of or in connection with the Permittee’s operations at the Airport, provided, however, that any taxes imposed by law which are separately stated to and paid by the customer and directly payable to the taxing authority by the Permittee, shall be excluded therefrom.

(i) “*Hazardous Substance*” shall mean any pollutant, contaminant, toxic or hazardous waste, dangerous substance, potentially dangerous substance, noxious substance, toxic substance, flammable, explosive or radioactive material, urea formaldehyde foam insulation, asbestos, polychlorinated biphenyls (PCBs), chemicals known to cause cancer, endocrine disruption or reproductive toxicity, petroleum and petroleum products and substances declared to be hazardous or toxic or the removal, containment or restriction of which is required, or the manufacture, preparation, production, generation, use, maintenance, treatment, storage, transfer, handling or ownership of which is restricted, prohibited, regulated or penalized by any federal, state, county, or municipal or other local statute or law now or at any time hereafter in effect as amended or supplemented and by the regulations adopted and publications promulgated pursuant thereto.

(j) “*Person*” shall mean not only a natural person, corporation or other legal entity, but also two or more natural persons, corporations or other legal entities acting jointly as a firm, partnership, unincorporated association, consortium, joint adventurers or otherwise.

(k) “*Post-Termination Period*” shall have the meaning ascribed to it in paragraph (a) of Section 28 hereof.

2. **Effective Date, Termination and Revocation:**

(a) The permission hereby granted shall take effect upon the Effective Date. Notwithstanding Item 6 appearing on the first page of this Permit, the Effective Date of this Permit shall be that date the Permittee commenced any of the activities permitted by this Permit. The Permittee in executing this Permit represents that the Effective Date appearing in Item 6 on the first page of this Permit is the date the Permittee commenced any of the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced any of the activities permitted by this Permit prior to said effective date, the Effective Date of this Permit shall be the date the Permittee commenced any of the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence on such date including without limitation the Permittee’s indemnity obligations and obligations to pay fees.

(b) Notwithstanding any other term or condition hereof, the permission hereby granted may be revoked without cause upon thirty (30) days’ written notice by the Port Authority, or terminated without cause upon thirty (30) days’ written notice by the Permittee, provided, however, that it may be revoked on twenty-four (24) hours’ notice by the Port Authority if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth.

(c) In the event the Port Authority exercises its right to revoke this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation, including without limitation any and all personnel and legal costs (including but not limited to the cost to the Port Authority of in-house legal services) and disbursements incurred by it arising out of, relating to, or in connection with the enforcement or revocation of this Permit including, without limitation, legal proceedings initiated by the Port Authority to exercise its revocation rights and to collect all amounts due and owing to the Port Authority under this Permit.

(d) For the purposes of this Permit, a default by the Permittee in keeping, performing or observing any promise, obligation, term or agreement set forth herein on the part of the Permittee to be kept, performed or observed shall include the following whether or not the time has yet arrived for the keeping, performance or observance of any such promise, obligation, term or agreement:

(i) a statement by the Permittee to any representative of the Port Authority indicating that it cannot or will not keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit;

(ii) any act or omission of the Permittee or any other occurrence which makes it improbable at the time that it will be able to keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit; or

(iii) any suspension of or failure to proceed with any part of the privileges to be performed by the Permittee which makes it improbable at the time that it will be able to keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit.

(e) (i) If any type of strike, boycott, picketing, work stoppage, slowdown or other labor activity is directed against the Permittee at the Airport or against any operations of the Permittee under this Permit, whether or not the same is due to the fault of the Permittee and whether or not caused by the employees of the Permittee, and if any of the foregoing, in the opinion of the Port Authority, results or is likely to result in curtailment or diminution of the privileges to be performed hereunder by the Permittee or to interfere with or affect the operation of the Airport by the Port Authority or to interfere with or affect the operations of lessees, licensees, permittees or other users of the Airport, the Port Authority shall have the right at any time during the continuance thereof to suspend the operations of the Permittee under this Permit and/or to revoke this Permit.

(ii) In the event the Port Authority exercises its right to revoke this Permit, as aforesaid, it shall do so by twenty-four (24) hours' written notice to the Permittee, effective as of the time specified in the notice. The exercise by the Port Authority of its right of suspension shall not waive or affect or be deemed to waive or affect the right of revocation.

(iii) Prior to the exercise of the right of suspension by the Port Authority, it shall give the Permittee notice thereof, which notice may be oral. The Permittee shall not perform its operations authorized by this Permit during the period of the suspension. The period of suspension shall end not more than twenty-four (24) hours after the cause thereof has ceased or been cured and the Permittee shall notify the Port Authority of such cessation or cure.

(iv) The rights of suspension and revocation as hereinbefore set forth may be exercised by the Port Authority prior to the Effective Date set forth in Item 6 on the first page of this Permit. No exercise by the Port Authority of its rights granted to it in paragraph (e) of this Section shall be deemed to be a waiver of any other rights of revocation contained in this Permit or a waiver of any other rights or remedies which may be available to the Port Authority under this Permit or otherwise.

(f) No revocation or termination of the permission hereunder shall relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

(g) No exercise by the Port Authority of any right of revocation granted to it in this Section shall be deemed to be a waiver of any other rights of revocation contained in this Section or elsewhere in this Permit or a waiver of any other rights or remedies which may be available to the Port Authority under this Permit or otherwise.

3. **Exercise of Rights:**

(a) The rights granted hereby shall be exercised

(i) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(ii) if the Permittee is an unincorporated association, or a "Massachusetts" business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(iii) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees,

(iv) if the Permittee is an individual, by the Permittee acting only personally or through the medium of its employees, and

(v) if the Permittee is a limited liability company, by the Permittee acting only through the medium of its members, managers, and employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other Person. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

(b) No greater rights or privileges are hereby granted to the Permittee than the Port Authority has the power to grant under the City Lease.

(c) Neither this Permit nor anything contained herein, shall be deemed to grant any rights in the Permittee to use and occupy any land, building space or other area at the Airport or shall be deemed to have created any obligation on the part of the Port Authority to provide any such land, space or area to the Permittee.

(d) Neither the execution and delivery of this Permit nor any act done pursuant thereto shall create between any terminal operator, lessee or other occupant of land at the Airport including but not limited to the Permittee, on one hand, and the Port Authority on the other hand the relationship of bailor and bailee, or any other relationship or any legal status which would impose upon the Port Authority with respect to any personal property, such as but not limited to, aircraft cargo or baggage, owned and/or handled by the Permittee any duty or obligation whatsoever. The Permittee expressly agrees that the Port Authority shall have no liability with respect to any aircraft cargo or baggage or any other property of the Permittee or of any other Person left anywhere on the Airport.

(e) This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

(f) Nothing contained in this Permit shall constitute permission to the Permittee to park or store equipment or personal property at any location or area at the Airport.

(g) The Permittee shall have no right hereunder to carry on any business or operation at the Airport other than that specifically provided herein.

(h) It is understood that any and all privileges granted hereunder to the Permittee are non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Airport to another or others, whether by this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute a violation or breach of the permission herein granted.

(i) The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Airport.

(j) The words "permission" and "privilege" are used interchangeably in this Permit, and except where expressly provided to the contrary, shall mean the privileges granted by this Permit.

4. **Fees:**

(a) The Permittee agrees to pay to the Port Authority, in accordance with Item 5 appearing on the first page of this Permit, Basic Fee or MAG and a Percentage Fee.

(b) Unless and until notified in writing otherwise by the Port Authority, the Port Authority hereby directs that all statements to be submitted to the Port Authority pursuant to this Section and any payments to be made to the Port Authority under this Permit (whether of basic fee, percentage fees, fines, or other concession operator payments) be remitted on its behalf directly, and payable, to "Westfield Concession Management, LLC", which shall serve as the Port Authority's agent for this purpose, and such payments shall be made by mail as follows:

**THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY
C/O BANK OF AMERICA
P.O. BOX 51065
LOS ANGELES, CA 90074-1065**

or via the following wire transfer instructions:

Bank: Bank of America, 555 S. Flower Street, 6th Floor, Los Angeles, CA 90071
Bank ABA Number: 122 000 661
Account Name: Westfield Concession Mgmt., LLC, As Agent for Newark Airport Terminal A&B/Blocked Acct.
Account Number: (Ex. 1)
Instructions: Notify via e-mail: jgarraway@us.westfield.com (Airport Accountant) and nholder@us.westfield.com (Senior Accountant)

or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

(c) If and to the extent the full fair market value of any sale, service or other item provided by the Permittee is not charged to or payable by the customer, then the fair market value thereof as determined by the Port Authority shall be included in Gross Receipts.

(d) Without limiting any other provisions of this Permit regarding Gross Receipts, in those instances where the Permittee provides any services or goods along with other services and goods to the same Person (including without limitation those instances where a service is part of or is included within a group of other services and rendered for a single price, and where a service is performed by the Permittee pursuant to agreement for the exchange of services or goods) the Permittee agrees that the value

ascribed to the performance of such service by the Permittee shall be the fair and reasonable value thereof as determined by the Port Authority.

(e) Without limiting the requirement for Port Authority approval, if the Permittee conducts any privilege or any portion thereof through the use of a contractor or other third party which is not a Port Authority permittee and where the payments for any of the foregoing are made to such contractor rather than to the Permittee, said payments shall be deemed amounts, monies, revenues, receipts and income paid or payable to the Permittee for purposes of determining the Permittee's Gross Receipts, provided, however, that the foregoing shall not grant or be deemed to grant any right or permission to the Permittee to use an independent contractor or other third party to perform any privilege or portion thereof or the doing of anything hereunder by an independent contractor or other third party.

(f) Notwithstanding that the fee hereunder is measured by a percentage of Gross Receipts, no joint venture or partnership relationship between the parties hereto is created by this Permit.

(g) To the extent that the Permittee has not already done so at the time of execution of this Permit and without limiting the generality of any other term or provision hereof, the Permittee agrees to submit monthly statements of Gross Receipts as provided in the Special Endorsements and to pay, at the time of execution and delivery of this Permit to the Port Authority, all fees and other amounts due under this Permit for the period from the Effective Date to the time of execution and delivery of this Permit by the Permittee.

(h) Without limiting any other provision of this Permit, it is hereby specifically understood that the failure to set forth all the classes of Persons, all of the locations served or all of the types of services or activities performed by the Permittee in its exercise of the privileges granted hereunder as of the Effective Date, or the failure to, by appropriate supplement, revise this Permit to reflect any additional classes of Persons, locations served, or services or activities performed by the Permittee subsequent to said Effective Date, shall not affect the inclusion in Gross Receipts hereunder of the amounts, monies, revenues, receipts and income received or receivable by the Permittee in its operations, and the same shall be so included. The foregoing shall not constitute Port Authority consent or be deemed to imply that the necessary Port Authority consent (to be reflected in a supplement to the Permit) with respect to such additional classes of Persons, locations, services or activities will be given.

(i) Without limiting any term or provision of this Permit, in the event the Permittee performs (x) any service, other than the Authorized Service at the Airport, or (y) any service (including the Authorized Service) at any other Port Authority facility, whether such performance is the subject of a written agreement by and between the Port Authority and the Permittee, the Permittee hereby agrees that it will pay to the Port Authority any and all fees and/or charges applicable to such service. The Permittee also agrees that, at the request of the Port Authority, it will enter into the appropriate agreement with the Port Authority providing permission for the Permittee to perform such service.

5. Security Deposit:

(a) (i) Provided that an amount is set forth in Item 8 on the first page of this Permit (the "*Required Security Deposit*"), and, provided, further, the amount of said Required Security Deposit is less than \$20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deposit with the Port Authority (and shall keep deposited throughout the effective period of the permission under this Permit) the Required Security Deposit, either in cash, or bonds of the United States of America, or of the State of New Jersey, or of the State of New York, or of the Port Authority of New York and New Jersey, having a market value of that amount, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed. Bonds qualifying for deposit hereunder shall be in bearer form but if bonds of that issue were offered only in registered form, then the Permittee may deposit such bonds or bonds in registered form, provided, however, that the Port Authority shall be under no obligation to accept such deposit of a bond

Hudson News Temp Permit Terminal B

in registered form unless such bond has been re-registered in the name of the Port Authority (the expense of such re-registration to be borne by the Permittee) in a manner satisfactory to the Port Authority. The Permittee may request the Port Authority to accept a registered bond in the Permittee's name and if acceptable to the Port Authority the Permittee shall deposit such bond together with an irrevocable bond power (and such other instruments or other documents as the Port Authority may require) in form and substance satisfactory to the Port Authority. In the event the Required Security Deposit is returned to the Permittee, any expenses incurred by the Port Authority in re-registering a bond to the name of the Permittee shall be borne by the Permittee. In addition to any and all other remedies available to it, the Port Authority shall have the right, at its option, at any time and from time to time, with or without notice, to use the Required Security Deposit, or any part thereof, in whole or partial satisfaction of any of its claims or demands against the Permittee. There shall be no obligation on the Port Authority to exercise such right and neither the existence of such right nor the holding of the Required Security Deposit itself shall cure any default or breach of this Permit on the part of the Permittee. With respect to any bonds deposited by the Permittee, the Port Authority shall have the right, in order to satisfy any of its claims or demands against the Permittee, to sell the same in whole or in part, at any time, and from time to time, with or without prior notice at public or private sale, all as determined by the Port Authority, together with the right to purchase the same at such sale free of all claims, equities or rights of redemption of the Permittee. The Permittee hereby waives all right to participate therein and all right to prior notice or demand of the amount or amounts of the claims or demands of the Port Authority against the Permittee. The proceeds of every such sale shall be applied by the Port Authority first to the costs and expenses of the sale (including but not limited to advertising or commission expenses) and then to the amounts due the Port Authority from the Permittee. Any balance remaining shall be retained in cash toward bringing the Required Security Deposit to the sum specified in Item 8 on the first page of this Permit. In the event that the Port Authority shall at any time or times so use the Required Security Deposit, or any part thereof, or if bonds shall have been deposited and the market value thereof shall have declined below the amount set forth in Item 8 on the first page of this Permit, the Permittee shall, on demand of the Port Authority and within two (2) days thereafter, deposit with the Port Authority additional cash or bonds so as to maintain the Required Security Deposit at all times to the full amount above stated in Item 8 on the first page of this Permit, and such additional deposits shall be subject to all the conditions of this Section. After the expiration or earlier revocation or termination of the effective period of the permission under this Permit, and upon condition that the Permittee shall then be in no wise in default under any part of this Permit, and upon written request therefor by the Permittee, the Port Authority will return the Required Security Deposit to the Permittee less the amount of any and all unpaid claims and demands (including estimated damages) of the Port Authority by reason of any default or breach by the Permittee of this Permit or any part thereof. The Permittee agrees that it will not assign or encumber the Required Security Deposit. The Permittee may collect or receive any interest or income earned on bonds and interest paid on cash deposited in interest-bearing bank accounts, less any part thereof or amount which the Port Authority is or may hereafter be entitled or authorized by law to retain or to charge in connection therewith, whether as or in lieu of an administrative expense, or custodial charge, or otherwise; provided, however, that the Port Authority shall not be obligated by this provision to place or to keep cash deposited hereunder in interest-bearing bank accounts.

(ii) In lieu of the Required Security Deposit made in the form described above in paragraph (a)(i), the Permittee may at any time during the effective period of the permission granted under this Permit offer to deliver to the Port Authority, as security for all obligations of the Permittee under this Permit, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District, in favor of the Port Authority in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent satisfactory letter. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by security in accordance with paragraph (a)(i) of this Section or another letter of credit satisfactory to the Port Authority, the Port

Hudson News Temp Permit Terminal B

Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security under paragraph (a)(i) of this Section. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the Required Security Deposit, if any, theretofore made under and in accordance with the provisions of paragraph (a)(i) of this Section. The Permittee shall have the same rights to receive such Required Security Deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the effective period of the permission granted under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount.

(b) Provided that a Required Security Deposit amount is set forth in Item 8 on the first page of this Permit, and, provided, further, the amount of said Required Security Deposit is equal to or greater than \$20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of the Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority, and payable in the Port of New York District in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is an appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless the letter of credit is replaced by another letter of credit satisfactory to the Port Authority by a date not later than twenty (20) days prior to the effective date of cancellation, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee, upon demand by the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to the amount of the Required Security Deposit. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to be a waiver of any default by the Permittee under the terms of this Permit, and all remedies under this Permit and of the Port Authority consequent upon such default shall not be affected by the existence of a recourse to any such letter of credit.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, in its sole discretion at any time and from time to time upon fifteen (15) days' notice to the Permittee, to adjust the amount of the Required Security Deposit. Not later than the effective date set forth in said notice by the Port Authority, the Permittee shall furnish additional cash or bonds, as provided for in paragraph (a)

above, or an amendment to, or a replacement of, the letter of credit providing for such adjusted amount of the Required Security Deposit, as the case may be, and such additional cash and/or bonds or adjusted (or replaced) letter of credit shall thereafter constitute the Required Security Deposit required under this Section.

(d) If the Permittee is obligated by any other agreement to maintain a security deposit with the Port Authority to insure payment and performance by the Permittee of all fees, charges and obligations which may become due and owing to the Port Authority arising from the Permittee's operations at the Airport pursuant to any such other agreement or otherwise, then all such obligations under such other agreement and any deposit pursuant thereto also shall be deemed obligations of the Permittee under this Permit and as security hereunder as well as under any such other agreement and all provisions of such other agreement with respect to such obligations and any obligations thereunder of the Port Authority as to the security deposit are hereby incorporated herein by this reference as though fully set forth herein and hereby made a part hereof. The termination, revocation, cancellation or expiration of any other agreement to which such security shall apply or any permitted assignment of such other agreement shall not affect such obligations as to such security which shall continue in full force and effect hereunder.

6. **Permittee's Operations:**

(a) The Permittee shall provide to the Port Authority, upon request of the Port Authority from time to time, such information and data in connection with the permission granted hereunder as the Port Authority may request and shall, if so requested by the Port Authority, make periodic reports thereof to the Port Authority utilizing such forms as may be adopted by the Port Authority for such purpose.

(b) The Permittee shall daily remove from the Airport by means of facilities provided by it all garbage, debris and other waste material (whether solid or liquid) arising out of or in connection with the permission granted hereunder, and any such not immediately removed shall be temporarily stored in a clean and sanitary condition, in suitable garbage and waste receptacles, the same to be made of metal and equipped with tight-fitting covers, and to be of a design safely and properly to contain whatever material may be placed therein; said receptacles being provided and maintained by the Permittee. The receptacles shall be kept covered except when filling or emptying the same. The Permittee shall exercise extreme care in removing such garbage, debris and other waste materials from the Airport. The manner of such storage and removal shall be subject in all respects to the continual approval of the Port Authority. No facilities of the Port Authority shall be used for such removal unless with its prior consent in writing. No such garbage, debris or other waste materials shall be or be permitted to be thrown, discharged or disposed into or upon the waters at or bounding the Airport.

(c) A principal purpose of the Port Authority in granting the permission under this Permit is to have available at the Airport, the privileges which the Permittee is permitted to render hereunder. The Permittee agrees that it will conduct a first-class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor, and keep the same in a first-class operating condition at all times.

(d) The Permittee shall immediately comply with all orders, directives and procedures as may be issued by the General Manager of the Airport covering the operations of the Permittee under this Permit at any time and from time to time. The Port Authority may, at any time and from time to time, without prior notice or cause, withdraw or modify any designation, approval, substitution or redesignation given by it hereunder.

(e) In the event of any injury or death to any person (other than employees of the Permittee) at the Airport when caused by the Permittee's operations, or damage to any property (other than the Permittee's property) at the Airport when caused by the Permittee's operations, the Permittee shall

immediately notify the Port Authority and promptly thereafter furnish to the Port Authority copies of all reports given to the Permittee's insurance carrier.

(f) The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Airport. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the General Manager of the Airport. The Port Authority shall have the right to object to the Permittee as to the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

(g) The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations at the Airport.

(h) (i) The Permittee shall sell only such items of merchandise and/or render only such services as may be approved in writing from time to time by the Port Authority. The Port Authority may at any time and from time to time withdraw its approval as to any items or services without affecting the continuance of this Permit.

(ii) The Permittee shall furnish all merchandise and/or all services, at reasonable prices and at the times and in a manner which will be fully satisfactory to the public and to the Port Authority. All prices charged by the Permittee shall be subject to the prior written approval of the Port Authority, provided, however, that such approval will not be withheld if the proposed prices do not exceed reasonable prices for similar merchandise and/or services in the municipality in which the Airport is located. The Permittee shall remain open for and conduct business during such hours of the day and on such days of the week as may properly serve the needs of the public. The Port Authority's determination of reasonable prices and proper business hours and days shall control.

(iii) Notwithstanding the provisions of subparagraph (ii) above, the Permittee shall comply with the Port Authority Aviation Department's Street Pricing Policy. In connection therewith, the Permittee shall not charge prices to its customers in excess of "**Street Prices**," which for purposes of this Permit, is defined as follows:

1. If the Permittee conducts a similar business to the business operation permitted under this Permit in an off-airport location(s) in the Greater New York City- Northern New Jersey Metropolitan Area (the "**Metro Area**"), "**Street Prices**" shall mean the average price regularly charged by the Permittee for the same or similar item in such Metro Area location; or

2. If the Permittee does not conduct a similar business to the business operation permitted under this Permit in the Metro Area, "**Street Prices**" shall mean the average price regularly charged in the Metro Area by similar retailers for the same or similar item; or

3. If neither the Permittee nor other similar retailers sell a particular item in the Metro Area, "**Street Prices**" shall mean the average price regularly charged by the Permittee or other similar retailers for the same or similar item in any other geographic area, with a reasonable adjustment for any cost of living variance between such area and the Metro Area; or

4. If a Permittee is engaged in the business of selling duty-free goods, "**Street Prices**" shall mean the price regularly charged by the Permittee or similar retailer for the same or similar retailer for the same or similar duty-free item at other urban airports in the Northeast region of the United States, including but not limited to Newark Liberty International Airport, Newark, New Jersey.

The Permittee's breach of the aforesaid Street Pricing Policy shall be deemed a material breach of the Permittee's obligations under this Permit. The Permittee shall post in each sales area (including any temporary sales space) a notice in form and substance satisfactory to the Port Authority notifying the public that the Permittee subscribes to a "Street Pricing Policy," such policy to be clearly visible and unobstructed. If the Permittee charges any price to a customer in excess of the price which would satisfy the "Street Pricing Policy" in violation of its obligations under this Permit, the amount of such excess shall constitute an overcharge which shall, upon demand, by the Port Authority or the Permittee's customer, be promptly refunded to the customer.

(i) (i) The Permittee shall maintain all its own fixtures, equipment and personal property in the Space in first-class operating order, condition and appearance at all times, making all repairs and replacements necessary therefor, regardless of the cause of the condition necessitating any such repair or replacement.

(ii) Nothing herein contained shall relieve the Permittee of its obligations to secure the Port Authority's written approval before installing any fixtures in or upon or making any alterations, decorations, additions or improvements in the Space.

7. **Indemnity:**

(a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, agents, employees and representatives from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third Persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee hereunder, or out of any of the acts or omissions of the Permittee, its officers, employees or Persons who are doing business with the Permittee arising out of or in connection with the activities permitted hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the Airport, including claims and demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) Without limiting any other term or provision hereof, the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

(c) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand set forth in paragraphs (a), (b) and (c) above (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

8. **Liability Insurance:**

(a) The Permittee, in its own name as insured and including the Port Authority as an additional insured, shall maintain and pay the premiums during the effective period of the Permit on a policy or policies of Commercial General Liability Insurance, including premises-operations and

products-completed operations and covering bodily-injury liability, including death, and property damage liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage in the minimum limit set forth in Item 9 on the first page of this Permit. Without limiting the foregoing, the Permittee shall maintain Workers' Compensation and Employers Liability Insurance in accordance with the Permittee's statutory obligations under the applicable State Workers' Compensation Law for those employees of the Permittee employed in operations conducted pursuant to this Permit at or from the Airport. In the event the Permittee maintains the foregoing insurance in limits greater than aforesaid, the Port Authority shall be included therein as an additional insured, except for the Workers' Compensation and Employers Liability Insurance policies, to the full extent of all such insurance in accordance with all terms and provisions of this Permit.

(b) Each policy of insurance, except for the Workers' Compensation and Employers Liability Insurance policies, shall also contain an ISO standard "separation of insureds" clause or a cross liability endorsement providing that the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority and any claim or action against the Port Authority by the Permittee, as if the Port Authority were the named insured thereunder, but such clause or endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured. Each policy of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Permittee under Section 7 of the Terms and Conditions of this Permit.

(c) All insurance coverages and policies required under this Section may be reviewed by the Port Authority for adequacy of terms, conditions and limits of coverage at any time and from time to time during the effective period of permission granted under this Permit. The Port Authority may, at any such time, require additions, deletions, amendments or modifications to the aforementioned insurance requirements, or may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem required and the Permittee shall promptly comply therewith.

(d) Each policy shall contain a provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' written advance notice thereof to the Port Authority. Each policy shall contain a provision or endorsement that the insurer "shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority." The foregoing provisions or endorsements shall be recited in each policy or certificate to be delivered pursuant to the following paragraph (e).

(e) A certified copy of each policy or a certificate or certificates of insurance evidencing the existence thereof, or binders, shall be delivered to the Port Authority upon execution and delivery of this Permit by the Permittee to the Port Authority. In the event any binder is delivered it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate of insurance. Any renewal policy shall be evidenced by a renewal certificate of insurance delivered to the Port Authority at least seven (7) days prior to the expiration of each expiring policy, except for any policy expiring after the date of expiration of this Permit. The aforesaid insurance shall be written by a company or companies approved by the Port Authority. If at any time any insurance policy shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policy shall be or become unsatisfactory to the Port Authority, the Permittee shall promptly obtain a new and satisfactory policy in replacement. If the Port Authority at any time so requests, a certified copy of each policy shall be delivered to or made available for inspection by the Port Authority.

(f) The foregoing insurance requirements shall not in any way be construed as a limitation on the nature or extent of the contractual obligations assumed by the Permittee under this Permit. The foregoing insurance requirements shall not constitute a representation or warranty as to the adequacy of the required coverage to protect the Permittee with respect to the obligations imposed on the Permittee by this Permit or any other agreement or by law.

9. **Special Endorsements:**

The Permittee hereby agrees to the terms and conditions of the endorsements attached hereto, hereby made a part hereof and marked "*Special Endorsements*". The terms and provisions of the Special Endorsements shall have the same force and effect and as if herein set forth in full.

10. **No Waiver:**

No failure by the Port Authority to insist upon the strict performance of any agreement, term or condition of this Permit or to exercise any right or remedy consequent upon a breach or default thereof, and no extension, supplement or amendment of this Permit during or after a breach thereof, unless expressly stated to be a waiver, and no acceptance by the Port Authority of fees, charges or other payments in whole or in part after or during the continuance of any such breach or default, shall constitute a waiver of any such breach or default of such agreement, term or condition. No agreement, term or condition of this Permit to be performed or complied with by the Permittee, and no breach or default thereof, shall be waived, altered or modified except by a written instrument executed by the Port Authority. No waiver by the Port Authority of any default or breach on the part of the Permittee in performance of any agreement, term or condition of this Permit shall affect or alter this Permit but each and every agreement, term and condition thereof shall continue in full force and effect with respect to any other then existing or subsequent breach or default thereof.

11. **Removal of Property:**

The personal property placed or installed by the Permittee at the Airport shall remain the property of the Permittee and must be removed on or before the expiration, revocation, cancellation or termination of the permission hereby granted, whichever shall be earlier. Without limiting the terms and provisions of paragraph (g) of Section 18 hereof, any such property remaining at the Airport after the effective date of such expiration, revocation, cancellation or termination shall be deemed abandoned by the Permittee and may be removed and disposed of by the Port Authority in any manner it so determines in its sole discretion and all the proceeds of any removal or disposition shall be retained by the Port Authority for its account and all costs and expenses of such removal and disposition shall be paid to the Port Authority by the Permittee when billed.

12. **Permittee's Representative:**

The Permittee's representative specified in Item 3 on the first page of this Permit (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and any act or thing done or to be done hereunder, and to execute on the Permittee's behalf any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. **Notices:**

Except where expressly required or permitted herein to be oral, all notices, directions, requests, consents and approvals required to be given to or by either party shall be in writing, and all such notices given by the Port Authority to the Permittee shall be validly given if sent by registered or certified mail addressed to the Permittee at the address specified on the first page hereof or at the latest address that the Hudson News Temp Permit Terminal B

Permittee may substitute therefor by notice to the Port Authority, or left at such address, or delivered to the Permittee's representative. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003 or at such other address as the Port Authority shall hereafter designate by notice to the Permittee. If mailed, the notices herein required to be given shall be deemed effective and given as of the date of the certified or registered mailing thereof.

14. **Late Charges:**

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four (24) late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (15) (but not less than thirteen (13)) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Section with respect to such unpaid amount. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including without limitation the Port Authority's rights set forth in Section 2 of these Terms and Conditions, or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Section shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

15. **Non-discrimination:**

(a) This Permit is subject to the requirements of the U.S. Department of Transportation's regulations, Title 49, Code of Federal Regulations, Part 23. The Permittee agrees that it shall not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase or lease agreement or other agreement covered by Title 49, Code of Federal Regulations, Part 23. Without limiting the generality of any of the provisions of this Permit, the Permittee, for itself, its successors in interest and assigns, as a part of the consideration hereof, does hereby agree that (1) no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or be otherwise subject to discrimination in the use of any space at the Airport and the exercise of any privileges under this Permit, (2) that in the construction of any improvements on, over, or under any space at the Airport and the furnishing of any service thereon by the Permittee, no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination, (3) that the Permittee shall use any space at the Airport and exercise any privileges under this Permit in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended, and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which from time to time may be applicable to the Permittee's operations thereat, whether by reason of agreement between the Port Authority and the United States Government or otherwise.

(b) The Permittee shall include the provisions of paragraph (a) of this Section in every agreement or concession covered by Title 49, Code of Federal Regulations, Part 23 that it enters into and cause those Person or Persons to similarly include the provisions in further agreements and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Section shall constitute a material breach of this Permit. Without limiting any other term or provision hereof or any other rights or remedies of the Port Authority hereunder or at law or equity, in the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) Without limiting any other term or provision hereof, the Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third Persons, including the United States of America, resulting from the Permittee's noncompliance with any of the provisions of this Section and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Section shall grant or shall be deemed to grant to the Permittee the right to transfer or assign this Permit, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on any space at the Airport, or any right to use or occupy any space at the Airport.

16. **Affirmative Action:**

The Permittee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Permittee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Permittee assures that it will require that its covered suborganizations provide assurances to the Permittee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

The Permittee acknowledges that Federal rules and regulations in connection with the subject matter of this Section may be amended from time to time and, in connection therewith, the Port Authority may modify the terms and provisions of this Section so as to assure compliance with such Federal rules and regulations. The Permittee hereby acknowledges and agrees that it shall be bound by all modifications made by the Port Authority to the terms and provisions of this Section, as described in the preceding sentence, upon written notice from the Port Authority containing such modifications.

17. **Rules and Regulations:**

(a) The Permittee shall observe and obey (and compel its officers, employees, guests, invitees, and those doing business with it, to observe and obey) the rules and regulations and procedures of the Port Authority now in effect, and such further reasonable rules and regulations and procedures which may from time to time during the effective period of this Permit, be promulgated by the Port Authority for reasons of safety, health, preservation of property or maintenance of a good and orderly appearance of the Airport or for the safe and efficient operation of the Airport. The Port Authority agrees that, except in cases of emergency, it shall give notice to the Permittee of every rule and regulation hereafter adopted by it at least five (5) days before the Permittee shall be required to comply therewith.

(b) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the New York Board of Fire Underwriters and the New York Fire Insurance Exchange, and any other body or organization exercising similar functions which may pertain or apply to the Permittee's operations hereunder. If by reason of the Permittee's failure to comply with the provisions of this Section, any fire insurance, extended coverage or rental insurance rate on the Airport or any part thereof, or upon the contents of any building thereon, shall at any time be higher than it otherwise would be, then the Permittee shall on demand pay the Port Authority that part of all fire insurance premiums paid or payable by the Port Authority which shall have been charged because of such violation by the Permittee.

18. **Prohibited Acts:**

- (a) The Permittee shall not do or permit to be done any act which
- (i) will invalidate or be in conflict with any fire insurance policies covering the Airport or any part thereof or upon the contents of any building thereon, or
 - (ii) will increase the rate of any fire insurance, extended coverage or rental insurance on the Airport or any part thereof or upon the contents of any building thereon, or
 - (iii) in the opinion of the Port Authority will constitute a hazardous condition, so as to increase the risks normally attendant upon the operations contemplated by this Permit, or
 - (iv) may cause or produce upon the Airport any unusual noxious or objectionable smokes, gases, vapors or odors, or
 - (v) may interfere with the effectiveness or accessibility of any drainage and sewerage system, water system, communications system, fire protection system, sprinkler system, alarm system, fire hydrant and hose, if any, installed or located or to be installed or located in or on the Airport, or
 - (vi) shall constitute a nuisance or injury in or on the Airport or which may result in the creation, commission or maintenance of a nuisance or injury in or on the Airport.

For the purpose of this paragraph (a), "**Airport**" includes all structures located thereon.

(b) The Permittee shall not dispose of, release or discharge nor permit anyone to dispose of, release or discharge any Hazardous Substance on the Airport except that the Permittee may release or discharge de-icing fluids utilized in the Permittee's ordinary course of business in the performance of any of the privileges granted hereunder so long as such release or discharge is not a violation of the terms and conditions of Sections 17 or 19 hereof. In addition to and without limiting Section 19 hereof, any Hazardous Substance disposed of, released or discharged by the Permittee (or permitted by the Permittee to be disposed of, released or discharged) on the Airport shall upon notice by the Port Authority to the Permittee and subject to the provisions of paragraph (f) of Section 17 hereof and to all Environmental Requirements, be completely removed and/or remediated by the Permittee at its sole cost and expense, provided, however, the forgoing shall not apply to releases and discharges which are in compliance with the terms and conditions of Sections 17 and 19 hereof of de-icing fluids utilized in the Permittee's ordinary course of business in the performance of any of the privileges granted hereunder and the obligation of the Permittee to remove and remediate such de-icing fluids shall be as required by the terms and conditions of Sections 17 and 19 hereof. The obligations of the Permittee pursuant to this paragraph shall survive the expiration, revocation, cancellation or termination of this Permit.

(c) The Permittee shall not dispose of nor permit anyone to dispose of any waste materials (whether liquid or solid) by means of any toilets, sanitary sewers or storm sewers.

(d) (i) The Permittee shall not employ any persons or use any labor, or use or have any equipment, or permit any condition to exist, which shall or may cause or be conducive to any labor complaints, troubles, disputes or controversies at the Airport which interfere or are likely to interfere with the operation of the Airport or any part thereof by the Port Authority or with the operations of the lessees, licensees, permittees or other users of the Airport or with the operations of the Permittee under this Permit.

(ii) The Permittee shall use its best efforts to resolve any such complaints, troubles, disputes or controversies.

(iii) The Permittee acknowledges that it is familiar with the general and local conditions prevailing at the Airport and with the all pertinent matters and circumstances which may in any way affect performance of the privileges granted under this Permit.

(e) The Permittee shall not solicit business on the public areas of the Airport and the use, at any time, of hand or standard megaphones, loudspeakers or any electric, electronic or other amplifying device is hereby expressly prohibited.

(f) The Permittee shall not install any fixtures or make any alterations, additions, improvements or repairs to any property of the Port Authority except with the prior written approval of the Port Authority.

(g) No signs, posters or similar devices shall be erected, displayed or maintained at the Airport without the written approval of the General Manager of the Airport; and any not approved by such General Manager or not removed by the Permittee upon the termination, revocation, expiration or cancellation of this Permit may be removed by the Port Authority at the expense of the Permittee.

(h) The Permittee shall not operate any engine or any item of automotive equipment in any enclosed space at the Airport unless such space is adequately ventilated.

(i) The Permittee shall not use any cleaning materials having a harmful or corrosive effect on any part of the Airport.

(j) The Permittee shall not fuel or defuel any equipment in any enclosed space at the Airport without the prior approval of the General Manager of the Airport except in accordance with Port Authority rules and regulations.

(k) The Permittee shall not start or operate any engine or any item of automotive equipment in any enclosed space at the Airport unless such space is adequately ventilated and unless such engine is equipped with a proper spark-arresting device.

19. **Law Compliance:**

(a) The Permittee shall procure all licenses, certificates, permits or other authorization from all governmental authorities, if any, having jurisdiction over the Permittee's operations at the Airport which may be necessary for the Permittee's operations thereat.

(b) The Permittee shall pay all taxes, license, certification, permit and examination fees and excises which may be assessed, levied, exacted or imposed on its property or operations at the Airport or on the Gross Receipts, or income therefrom, and shall make all applications, reports and returns required in connection therewith.

(c) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions which may pertain or apply to the Permittee's operations at the Airport.

(d) The Permittee's obligations to comply with governmental requirements are provided herein for the purpose of assuring proper safeguards for the protection of Persons and property at the Airport and are not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

(e) The Port Authority has agreed by a provision in the City Lease with the City covering the Airport to conform to the enactments, ordinances, resolutions and regulations of the City and of its various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable so to do. The Permittee shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

20. **Trademarks and Patent Infringement:**

The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit.

21. **Inspection:**

The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Airport or to be placed or brought on the Airport, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

22. **Federal Aid:**

- (a) The Permittee shall
- (i) furnish good, prompt and efficient service hereunder, adequate to meet all demands therefor at the Airport;
 - (ii) furnish said service on a fair, equal and non-discriminatory basis to all users thereof; and
 - (iii) charge fair, reasonable and non-discriminatory prices for each unit of sale or service, provided that the Permittee may make reasonable and non-discriminatory discounts, rebates or other similar types of price reductions to volume purchasers.

As used in the above subsections "*service*" shall include furnishing of parts, materials and supplies (including sale thereof).

(b) The Port Authority has applied for and received a grant or grants of money from the Administrator of the Federal Aviation Administration pursuant to the Airport and Airways Development Act of 1970, as the same has been amended and supplemented, and under prior federal statutes which said Act superseded and the Port Authority may in the future apply for and receive further such grants. In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. The performance by the Permittee of the promises and obligations contained in this Permit is therefore a special consideration and inducement to the issuance of this Permit by the Port Authority, and the Permittee further agrees that if the Administrator of the Federal Aviation Administration or any other governmental officer or body having jurisdiction over the enforcement of the obligations of the Port Authority in connection with Federal Airport Aid, shall make any orders, recommendations or suggestions respecting the performance by the Permittee of its obligations under this Permit, the Permittee will promptly comply therewith at the time or times, when and to the extent that the Port Authority may direct.

23. **Capacity and Competition:**

(a) The Permittee shall refrain from entering into continuing contracts or arrangements with any third Person for furnishing services covered hereunder when such contracts or arrangements will have the effect of utilizing to an unreasonable extent the Permittee's capacity for rendering such services. A reasonable amount of capacity shall be reserved by the Permittee for the purpose of rendering services hereunder to those who are not parties to continuing contracts with the Permittee.

(b) The Permittee shall not enter into any agreement or understanding, express or implied, binding or non-binding, with any other Person who may furnish services at the Airport similar to those furnished hereunder which will have the effect of (i) fixing rates and charges to be paid by users of the services; (ii) lessening or preventing competition between the Permittee and such other furnishers of services; or (iii) tending to create a monopoly on the Airport in connection with the furnishing of such services.

24. **Business Development and Records:**

(a) In connection with the exercise of the privileges granted hereunder, the Permittee shall:

(i) use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(ii) not divert or cause or allow to be diverted, any business from the Airport;

(iii) maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of the Permittee at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District, and shall separately state and identify the Authorized Service and all other services performed at the Airport, and;

(iv) cause any company which is owned or controlled by the Permittee, or any company which owns or controls the Permittee, if any such company performs services similar to those performed by the Permittee (any such company being hereinafter called an "*Affiliate*") and all such

companies being hereinafter called the "*Affiliates*") to maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of each Affiliate at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify each activity (including without limitation the Authorized Service) performed at the Airport;

(v) permit and/or cause to be permitted in ordinary business hours during the effective period of this Permit, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Port Authority of all the records and books of account of the Permittee (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts all agreements, and all source documents) and all the records and books of account of all Affiliates (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts, all agreements, and all source documents) (all of the foregoing records and books described in this paragraph (a)(v) being hereinafter collectively referred to as the "*Books and Records*") within ten (10) days following any request by the Port Authority from time to time and at any time to examine and audit any Books and Records;

(vi) permit the inspection by the officers, employees and representatives of the Port Authority of any equipment used by the Permittee, including but not limited to the equipment described in paragraph (a)(vii) below; and

(vii) install and use such cash registers, sales slips, invoicing machines and any other equipment or devices, including without limitation computerized record keeping systems, for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of Gross Receipts, and without limiting the generality of the foregoing, for any privilege involving cash sales, install and use cash registers or other electronic cash control equipment that provides for non-resettable totals.

(b) Without implying any limitation on the right of the Port Authority to revoke this Permit for cause for breach of any term, condition or provision thereof, including but not limited to, breach of any term, condition or provision of paragraph (a) above, the Permittee understands that the full reporting and disclosure to the Port Authority of all Gross Receipts and the Permittee's compliance with all the provisions of paragraph (a) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under this Permit. In the event any Books and Records are maintained outside the Port of New York District or in the event of the failure of the Permittee to comply with all the provisions of paragraphs (a)(ii) through (a)(vii) above then, in addition to all, and without limiting any other, rights and remedies of the Port Authority under this Permit or otherwise and in addition to all of the Permittee's other obligations under this Permit:

(i) the Port Authority may estimate the Gross Receipts on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the fees based thereon shall be payable to the Port Authority when billed; and/or

(ii) if any Books and Records are maintained outside of the Port of New York District, then the Port Authority in its sole discretion may (x) require on ten (10) days' notice to the Permittee that any such Books and Records be made available to the Port Authority within the Port of New York District for examination and audit pursuant to paragraph (a)(v) hereof and/or (y) examine and

audit any such Books and Records pursuant to paragraph (a)(v) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority, for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Permittee shall pay to the Port Authority when billed all costs and expenses of the Port Authority, as determined by the Port Authority, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

(c) In the event that upon conducting an examination and audit as described in this Section the Port Authority determines that unpaid amounts are due to the Port Authority by the Permittee (the "*Audit Findings*"), the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount equal to five percent (5%) of the Audit Findings. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge(s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Permittee under this Permit or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Section with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

(d) Without implying any limitation on the rights or remedies of the Port Authority under this Permit or otherwise including without limitation the right of the Port Authority to revoke this Permit for cause for breach of any term or provision of paragraphs (a)(iii) or (a)(iv) above and in addition thereto, in the event any of the Books and Records are not maintained in English, then this Permittee shall pay to the Port Authority when billed, all costs and expenses of the Port Authority, as determined by the Port Authority, to translate such Books and Records into English.

(e) The foregoing auditing costs, expenses and amounts of the Port Authority set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Permit payable to the Port Authority with the same force and effect as the Percentage Fee and all other fees payable to the Port Authority hereunder.

25. **Rates and Charges:**

The Permittee shall establish rates and discounts therefrom which are in compliance with Section 22 hereof (each such rate and discount is hereinafter called an "*Established Rate*"). Upon request by the Port Authority, the Permittee shall provide the Port Authority its rates and discounts therefrom for goods and services furnished hereunder. If the Permittee applies any rate in excess of the Established Rate therefor or extends a discount less than the Established Discount therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the Established Rate therefor or extends a discount which is in excess of the Established Rate therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an undercharge and an amount equivalent thereto shall be included in Gross Receipts hereunder and the Percentage Fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in Gross Receipts any such overcharge or undercharge shall constitute a breach of the Permittee's obligations

hereunder and the Port Authority shall have all remedies consequent upon such breach which would otherwise be available to it at law, in equity or by reason of this Permit.

26. **Other Agreements:**

(a) In the event the terms and provisions of any agreement entered into by the Permittee with any third Person in connection with the privileges granted hereunder are contrary to or conflict or are inconsistent with the terms and provisions of this Permit, the terms and provisions of this Permit shall be controlling, effective and determinative.

(b) Except as specifically provided herein to the contrary, the Permittee shall not, by virtue of the issue and acceptance of this Permit, be released or discharged from any liabilities or obligations whatsoever under any other Port Authority permits or agreements including but not limited to any permits to make alterations.

(c) In the event that any space or location covered by this Permit is the same as is or has been covered by another Port Authority permit or other agreement with the Permittee, then any liabilities or obligations which by the terms of such permit or agreement, or permits thereunder to make alterations, mature at the expiration or revocation or termination of said permit or agreement, shall be deemed to survive and to mature at the expiration or sooner termination or revocation of this Permit, insofar as such liabilities or obligations require the removal of property from and/or the restoration of the space or location.

27. **Waiver of Trial by Jury:**

The Permittee hereby waives its right to trial by jury in any action that may hereafter be instituted by the Port Authority against the Permittee in respect of the permission granted under this Permit and/or in any action that may be brought by the Port Authority to recover fees, damages, or other sums due and owing under this Permit. The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

28. **Continued Exercise of Privilege After Expiration, Revocation or Termination:**

(a) Without in any way limiting the provisions hereof, unless otherwise notified by the Port Authority in writing, in the event the Permittee shall continue to perform the Authorized Service for any period (a "***Post-Termination Period***") following the expiration, revocation or termination of the effective period of the permission granted under this Permit, as such effective period of permission may be extended from time to time, the Permittee shall pay to the Port Authority, for any Post-Termination Period, a fee equal to twice the percentage fee otherwise stated to be payable hereunder.

(b) The foregoing shall not be deemed to give the Permittee any right to continue to perform the Authorized Service at the Airport after the expiration, revocation or termination of the effective period of the permission granted under this Permit. In addition, the Permittee acknowledges that the failure of the Permittee to cease to perform the Authorized Service at the Airport from the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss, and the Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss. The Permittee acknowledges that the Port Authority reserves all its legal and equitable rights and remedies in the event of such failure by the Permittee to cease performance of the Authorized Service.

SPECIAL ENDORSEMENTS

1. (a) (i) The Port Authority has granted to the Permittee the right to operate a certain consumer service facility(ies) in designated space at Passenger Building B ("*Terminal*") at Newark Liberty International Airport, such operation to consist of either the provision of food and beverage, newsstand, gift shop or other consumer service facilities, as more specifically stated in paragraph (b) of this Special Endorsement for the time period set forth in Items 6 and 7 on the first page of this Permit and at the spaces designated on "**Exhibit A-2**", attached hereto and hereby made a part hereof (collectively, the "*Space*"). The Port Authority and the Permittee agree that this Permit only relates to the temporary units which will be placed in front of the construction barricades for the spaces designated on such "**Exhibit A-2**", and the term "*Space*" as used in this Permit shall be deemed to mean only such temporary units in front of the construction barricades and not the interior of the spaces shown on "**Exhibit A-2**" (such spaces designated on "**Exhibit A-2**" being the proposed spaces for the proposed new lease – Lease No. ANC-047).

(ii) The Permittee may be obligated under this Permit to undertake certain construction. Nothing contained in this Permit shall grant or be deemed to grant to any contractor, architect, supplier, subcontractor or any other person engaged by the Permittee or any of its contractors in the performance of any part of the proposed construction work to be undertaken in connection with this Permit ("*Proposed Work*") any right of action or claim against the Port Authority, its Commissioners, officers, agents and employees with respect to any work any of them may do in connection with the Proposed Work. Nothing contained herein shall create or be deemed to create any relationship between the Port Authority and any such contractor, architect, supplier, subcontractor or any other person engaged by the Permittee or any of its contractors in the performance of any part of the Proposed Work and the Port Authority shall not be responsible to any of the foregoing for any payments due or alleged to be due thereto for any work performed or materials purchased in connection with the Proposed Work.

(iii) The Port Authority shall deliver the Space to the Permittee in their presently existing "**AS IS**" condition. The Permittee acknowledges that prior to the execution of this Permit, it has thoroughly examined and inspected the existing Space and has found the same to be in good order and repair and has determined the Space to be suitable for the Permittee's operations hereunder. The Permittee agrees to and shall take the Space in its "**AS IS**" condition and the Port Authority shall have no obligation hereunder for finishing work or preparation of any portion of the Space for the Permittee's use. Should the Permittee be required to perform any Proposed Work in order to obtain the right to use and occupy the Space for the privilege permitted hereunder, all of such Proposed Work shall be subject to and in accordance with the Port Authority's "*Tenant Alteration Application*" process as required by the Port Authority from time to time. All work done pursuant to this Special Endorsement shall be done in accordance with drawings and specifications to be submitted to and approved by the Chief Engineer of the Port Authority prior to the commencement of the work, shall be done to his satisfaction and shall be subject to his inspection during the progress of such work and after completion thereof; and the Permittee shall re-do or replace at its own expense any work not approved by the said Chief Engineer. Unless otherwise expressly provided herein, all workmanship and materials are required to be first class. The Permittee shall not commence any portion of the Proposed Work until the Tenant Alteration Application and plans and specifications covering such work have been finally approved by the Port Authority.

(b) Notwithstanding Paragraph 4(i) of the Terms and Conditions above and in connection with Paragraph 6 of the Terms and Conditions above, the Permittee may use the Space for the following purpose: for the operation of news & gift concessions limited to the sale at retail of newspapers, books, magazines, sundries, souvenirs, gifts, electronics, pre-packaged foods and non-alcoholic beverages, and for no other use or purpose. The Permittee's initial list of products, as approved by the Port Authority, is

set forth in **Schedule A** attached hereto, and such **Schedule A** may be amended from time to time with the written consent of the Port Authority, determined in its sole and absolute discretion.

(c) The Port Authority makes no representations or warranties as to the location, size, adequacy or suitability of the Space and the facilities therein.

2. (a) As used herein:

(i) "*Affiliate*" shall mean a person that directly, or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, the Permittee. The term control (including the terms controlling, controlled by and under common control with) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise.

(ii) "*Fee Commencement Date*" shall mean the date the Permittee commences operations at any portion of the Space.

(iii) "*Monthly Period*" shall mean, as the context requires, the period commencing on the Fee Commencement Date and continuing through the balance of the month in which the Fee Commencement Date occurs and each calendar month thereafter occurring during the period of permission granted hereunder; provided, however, that if the period of permission commences on other than the first day of a month, the first Monthly Period hereunder shall expire or is terminated or revoked on other than the last day of a calendar month, then the Monthly Period for the calendar month in which the effective date of expiration, termination or revocation occurs shall expire on such date.

(iv) "*Port Authority Reserved Uses*" shall mean the following uses, operations or installations which the Port Authority reserves to itself and its designees exclusively in the Terminal: VIP lounges; airline clubs; airtrain/monorail facilities; advertising (including, without limitation, static display, broadcast and other); pay telephones, pre-paid phone cards, facsimile transmission machines and other public communications services, including without limitation, all Port Authority-owned or operated information and communications technology infrastructure for common Airport use, provided that the Airline shall retain the right to control the location of the placement within the Terminal of telephones, phone banks, phone kiosks, facsimile transmission machines and Internet kiosks, only, and the right to deny, upon reasonable grounds, the placement of a particular pay phone facility, facsimile transmission machine or Internet kiosk; rental of cellular phones; concierge services (i.e., a center or location which offers a variety of services for passengers (including, but not limited to, hotel reservations, sale of entertainment events tickets and lottery tickets, luggage storage and delivery, sightseeing tours, business services and provision of touring information)); ground transportation (including vehicle rentals); hotel and other lodging reservations; vending machines dispensing anything (including, but not limited to, catalog and electronic sales) other than products specifically permitted to be sold on the subleased premises pursuant to a sublease with a specific concessionaire and if approved in advance by the Port Authority; on-airport baggage carts (other than shopping carts made available free of charge to shoppers within the Terminal) or other on-airport baggage-moving devices; and electronic amusements. The Port Authority shall have the right to all revenues derived for or from the above-stated reserved uses.

(v) Notwithstanding the definition of Gross Receipts set forth in Section 1(h) of the Terms and Conditions, the term "*Gross Receipts*" shall mean and include all monies paid or payable to the Permittee for sales made or services rendered at or from the Airport, regardless of when or where the order therefor is received, and outside the Airport, if the order therefor is received at the Airport, and any other revenues of any type arising out of or in connection with the Permittee's operations at the Airport; provided, however, there shall be excluded from Gross Receipts the following: (1) any sums collected for any federal, state, county and municipal sales taxes, so-called luxury taxes, use taxes,

consumer excise taxes, gross receipts taxes and other similar taxes now or hereafter imposed by law upon the sale of merchandise, food & beverage products or services which are separately stated to and paid by a customer and directly payable to the taxing authority by the Permittee, (2) any receipts of the Permittee which arise from its operations under any other agreement with the Port Authority at the Airport and which are subject to a percentage fee or percentage rental under that agreement, (3) receipts in the form of refunds from, or the value of merchandise (including food & beverage products), services, supplies or equipment returned to, vendors, shippers, suppliers or manufacturers, including volume discounts received from Permittee's vendors, suppliers or manufacturers, (4) gratuities for services performed by employees of Permittee which are paid or given by Permittee's customers to such employees at or serving at the Airport, (5) the sale or transfer in bulk of the inventory of the Permittee to a purchaser of all or substantially all of the assets of the Permittee in a transaction not in the ordinary course of Permittee's business, (6) except with respect to proceeds received for business interruptions paid on a gross earnings business interruption insurance policy, proceeds from all other insurance received by Permittee as a result of a loss or casualty, (7) rebates, exchanges or allowance made to customers of the Permittee at the Airport, (8) the exchange of merchandise between the stores or warehouses owned by or affiliated with Permittee, if any, where such exchanges of goods or merchandise are made solely for the convenient operation of the business of Permittee and not for the purpose of consummating a sale which has theretofore been made at, in, from or upon the Airport or for the purpose of depriving the Port Authority of the benefit of the sale which otherwise would be made at, in, from or upon the Airport, (9) income actually received by Permittee from manufacturers of goods (e.g., cosmetics, perfume) displayed for sale at the Airport if the conditions set forth in the succeeding sentence are fully and strictly satisfied with respect to such income; the conditions with respect to this clause (9) are as follows: (i) the manufacturer specifically identifies the time period to which the income relates, (ii) reimbursement from the manufacturer to Permittee occurs in connection with employees (1) who are on Permittee's payroll for the operations permitted under this Permit and (2) who are on such payroll during the time period to which the reimbursement relates, (iii) the manufacturer and Permittee have previously entered into a written agreement that sets forth the material terms of their arrangement with regard to the reimbursement that is the subject of this clause (9), and (iv) Permittee provides to the Port Authority written documents and records substantiating the matters listed in sub-clauses (i) through (iii), (10) proceeds from the sale of gift certificates or like vouchers until such time as the gift certificates or like vouchers have been treated as a sale in or from the Airport pursuant to Permittee's record keeping system and (11) sale of trade fixtures, equipment or property which are not stock in trade and not in the ordinary course of business.

For the purpose of determining the Percentage Fee payable by the Permittee hereunder, Gross Receipts shall include all orders including, but not limited to, all orders by means of mail, catalogue, closed circuit television, electronic, telephonic, video, computer or other technology-based system, whether now existing or developed in the future, all deposits not refunded to or otherwise forfeited by customers, all orders taken in and from the Airport, whether or not such orders are filled elsewhere, the entire amount of the actual sales price and all other receipts for sales and services rendered, all insurance proceeds received due to loss of gross earnings paid under Permittee's business interruption insurance policy because of business interruptions, and the spread earned on any exchange or foreign currency transaction whether for an exchange service or for merchandise, products and/or services. A "sale" shall be deemed to have been consummated for purposes hereof, and the entire amount of the sales price shall be included in Gross Receipts and deemed received at the time of determination of the amount due for each transaction, whether for cash, credit or otherwise, and not at the time of billing or payment. Each sale made upon installment or credit shall be treated as a sale for the full price in the month during which such sale shall be made, irrespective of the time when any payment is received. No deduction from Gross Receipts shall be allowed for uncollected or uncollectible credit amounts or "bad" checks. Gross Receipts shall include retail display allowances, slotting fees, on-premises advertising and other promotional incentives (collectively referred to as "RDAs"). Gross Receipts shall include all such sales, revenues or receipts generated by Permittee's concessionaires, if any, or anyone else conducting business pursuant to an arrangement with Permittee and shall also include the full amount of all insurance proceeds paid on a gross earnings business interruption insurance policy to Permittee.

(vi) "**Percentage Fee**" shall mean for and during the period commencing on the Fee Commencement Date and continuing throughout the period of permission granted hereunder, both dates inclusive, a monthly percentage fee equivalent to twenty-four percent (24%) of all of the Permittee's Gross Receipts arising hereunder during each Monthly Period and payable by Permittee to the Port Authority as provided in Paragraph 4(b) of the Terms and Conditions.

(b) The Permittee shall pay to the Port Authority a basic fee (sometimes referred to herein as "**Basic Fee**" or "**MAG**" in the amount of No Dollars and No Cents (\$0.00) during each Monthly Period, payable monthly, as of the Effective Date of the Permit and on the first day of each and every Monthly Period thereafter occurring during the term of the permission granted herein, provided, however, that if the Effective Date shall occur on a day other than the first day of a Monthly Period, the monthly installment of the applicable Basic Fee, i.e., MAG, payable for the portion of the Monthly Period in which such respective event occurs following such date shall be an amount equal to the monthly installment set forth in this subparagraph multiplied by a fraction, the numerator of which shall be the number of days from such respective event to the end of the Monthly Period in which such respective event occurs, and the denominator of which shall be the full number of days in that Monthly Period. If the date of expiration or termination of the letting hereunder occurs on other than the last day of the Monthly Period, the applicable Basic Fee payable for the portion of the Monthly Period in which the date of such expiration or termination shall occur during which the letting thereof remains effective shall be the amount of the monthly installment of such applicable Basic Fee set forth in this subparagraph prorated on a daily basis.

(c) The Permittee shall pay to the Port Authority a "**Distribution Fee**" for the cost of distribution services in the sum of Thirteen Dollars and No Cents (\$13.00) per square foot per annum, during each Monthly Period, payable monthly in advance as additional fee hereunder commencing as of the Fee Commencement Date and continuing during the balance of the term of the permission hereunder. The Distribution Fee shall be prorated for any Monthly Period, if necessary, in the same manner as Basic Fee is prorated under this Permit. The cost of trash removal is included in the Distribution Fee.

(d) If the Permittee's Space are part of or adjacent to any food (or other) court area in the Terminal which provides, among other amenities, common seating, then the Permittee shall pay to the Port Authority a monthly "**Food Court Maintenance Fee**" in the sum of No Dollars and No Cents (\$0.00) during each Monthly Period, payable monthly in advance as additional fee hereunder commencing as of the Fee Commencement Date and continuing during the balance of the term of the permission hereunder. The Food Court Maintenance Fee shall be prorated for any Monthly Period, if necessary, in the same manner as Basic Fee is prorated under this Permit.

(e) The Permittee agrees to participate fully with the marketing and promotional programs for the concession (retail, service, news and gifts and food and beverage included) program sponsored by the Port Authority in the Terminal. Commencing as of the second Monthly Period in which the Permittee conducts its operations hereunder, the Permittee shall pay monthly, as additional fee, a "**Promotion Fee**" as the Permittee's contribution for marketing, advertising and promotion programs conducted by or on behalf of the Port Authority relating to the concession program in the Terminal. The Promotion Fee shall be an amount which equals one-half of one percent (.5%) of the Permittee's Gross Receipts during the preceding Monthly Period. Such amount shall be payable no later than the 15th day following the end of each month.

The failure of any lessee or other occupant of space within the Terminal concession area to participate in advertising for such concession area or make promotional contributions to the Port Authority shall not relieve the Permittee of any of its obligations under this Permit. The Port Authority shall not be obligated to expend more for marketing and promotional programs than is actually collected from the Permittee and other concession facility operators in the Terminal. The Port Authority shall have the sole authority to employ and discharge personnel, retain third party independent contractors and to

establish all budgets with respect to such marketing and promotional programs. The Port Authority reserves the right at any time to terminate its activities in this regard and cease collecting Promotion Fee contributions from the Permittee and other concession operators for these activities. In such event the Port Authority shall so notify the Permittee in writing and, thereafter, the Permittee shall no longer be obligated to make any further Promotion Fee contributions, and any remaining funds previously contributed as Promotion Fees may be used by the Port Authority to promote the overall concession program and facilities.

(f) Gross Receipts shall be reported and the Percentage Fee thereon shall be paid as follows: On or before the 15th day of the first month following the Fee Commencement Date and on the 15th day of each and every Monthly Period thereafter, and the Monthly Period following the expiration of the permission granted hereunder, the Permittee shall render to the Port Authority a statement, certified by a responsible officer of the Permittee, showing all Gross Receipts arising from the Permittee's operations hereunder in the preceding Monthly Period, and specifying the percentage fee(s) stated in Special Endorsement Paragraph 2(a)(vi), and also showing its cumulative Gross Receipts from the date of the effective date for which the report is made through the last day of the preceding Monthly Period and the percentages applicable thereto.

3. The Permittee shall be required to make a minimum initial capital investment (excluding furniture, fixtures and equipment) to ready the Space for initial occupancy and operations in an amount equal to - Not applicable -. Nothing herein shall reduce the Permittee's obligations to comply with the Port Authority's Tenant Alteration Application process.

4. The Port Authority shall have the right by its officers, employees, agents, representatives and contractors at all reasonable times to enter upon the Space for the purpose of inspecting the same, for observing the performance by the Permittee of its obligations under this Permit and for the doing of any act or thing which the Port Authority may be obligated or have the right to do under this Permit or otherwise. Westfield Concession Management, LLC, as the Port Authority's representative, shall also have the right to access the Space to inspect the same and observe performance by the Permittee of its obligations under this Permit. Further, the Port Authority shall have the right to enter upon the Space for the purpose of making repairs, alterations or replacements in or to any portion of the Terminal.

5. The Permittee hereby certifies that the Federal Tax Identification Numbers for AMS-BW Newark JV is (Ex. 1) for Airport Management Services, LLC is (Ex. 1) and for Branded Works, Inc is (Ex. 1).

6. (a) The Permittee shall be responsible for the repair, replacement and rebuilding of any and all parts of the Space and any other parts of the Terminal or the Facility which may be damaged or destroyed by the acts or omissions of the Permittee, its officers, employees, agents, representatives, contractors, or other persons doing business with it as set forth in the Terms and Conditions.

(b) The Permittee shall promptly notify the Port Authority if any portion or all of the Space or any of the Permittee's fixtures, equipment, or personal property is destroyed, damaged, or in need of repair regardless of the Permittee's responsibility therefor.

7. A copy of any notice from the Permittee to the Port Authority shall also be sent to Westfield Concession Management, LLC at the following addresses (in the manner provided in Paragraph 13 of the Standard Terms and Conditions):

Westfield Concession Management, LLC
11601 Wilshire Blvd., 11th Floor
Los Angeles, California 90025

Westfield Concession Management, LLC
Newark Liberty International Airport
35 Terminal B, Bldg. #74

8. Such provisions of this Permit as apply to the rights and obligations of the parties hereto upon the expiration of the permission granted by this Permit shall apply to the rights and obligations of the parties hereto upon the revocation or termination of the permission granted by this Permit.

9. Although the printed provisions of this Permit were drawn by the Port Authority, the parties agree that this circumstance alone shall not create any presumption, canon of construction or implication favoring the position of the Port Authority or the Permittee and the deletion of language from this Permit prior to its execution shall not be construed to have any particular meaning or to raise any presumption, canon of construction or implication, including, without limitation, any implication that the parties intended thereby to state the converse, adverse or opposite of the deleted language.

10. This Permit is subject to the requirements of the United States Department of Transportation's regulations, 49 CFR Part 23. The Permittee agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement or any management contract, or subcontract, purchase or lease agreement or other agreement covered by 49 CFR Part 23. The Permittee agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR Part 23 that it enters and cause those businesses to similarly include the statements in further agreement. Further, the Permittee agrees to comply with the terms and provisions of Schedule G, attached hereto and hereto made a part hereof.

11. Labor Harmony At The Airport:

(a) General. In connection with its operations at the Airport under this Permit, the Permittee shall serve the public interest by promoting labor harmony, it being acknowledged that strikes, picketing, or boycotts may disrupt the efficient operation of the Terminal. The Permittee recognizes the essential benefit to have continued and full operation of the Airport as a whole and the Terminal as a transportation center. The Permittee shall immediately give oral notice to the Port Authority (to be followed reasonably promptly by written notices and reports) of any and all impending or existing labor-related disruptions and the progress thereof.

If any type of strike, picketing, boycott or other labor-related disruption is directed against the Permittee at the Terminal, or against its operations thereat pursuant to this Permit, which in the opinion of the Port Authority (i) physically interferes with the operation of the Airport, the Terminal or the Space, or (ii) physically interferes with public access between the Space and any portion of the Terminal or the Airport, or (iii) physically interferes with the operations of other operators at the Airport or the Terminal, or (iv) presents a danger to the health and safety of users of the Airport or the Terminal, including persons employed thereat or members of the public, the Port Authority shall have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(b) Labor Peace Agreement. The Permittee represents that, prior to or upon entering into this Permit, it has delivered to the Port Authority evidence of a signed labor peace agreement, in the form attached hereto as "Exhibit X" or, in the event "Exhibit X" is inapplicable, then a signed officer's certification to such effect in the required form provided by the Port Authority.

(c) Employee Retention. If the Permittee's concession at the Space is of the same type (i.e., food, retail, news/gifts or duty-free concession) as that of the immediately preceding concession operator at the Space (the "Predecessor Concession"), the Permittee agrees to offer continued employment for a minimum period of ninety (90) days, unless there is just cause to terminate employment

sooner, to employees of the Predecessor Concession who have been or will be displaced by cessation of the operations of the Predecessor Concession and who wish to work for the Permittee at the Space. The foregoing requirement shall be subject to the Permittee's commercially reasonable determination that fewer employees are required at the Space than were required by the Predecessor Concession; except, however, that the Permittee shall retain such staff as is deemed commercially reasonable on the basis of seniority with the Predecessor Concession at the Space. The Port Authority shall have the right to demand from the Permittee documentation of the name, date of hire, and employment occupation classification of all employees covered by this provision. In the event the Permittee fails to comply with this provision, the Port Authority have the right at any time during the continuance thereof to take such actions as the Port Authority may deem appropriate including, without limitation, revocation of this Permit.

(d) Applicability of Provision. The provisions of this section shall apply to concession operators which employ ten (10) or more persons at the Space.

12. Services and Utilities:

Notwithstanding Paragraph 29(a) of the Standard Terms and Conditions, services and utilities shall be provided as follows:

(a) General

(1) Except as provided in this section, the Port Authority shall not be obligated to perform or furnish any services or utilities whatsoever in connection with this Permit or the use and occupancy of the Space. Further, the Permittee acknowledges and agrees that reference in this section to services and utilities shall not include telephone or any form of data or information transmission service, which shall be the responsibility of Permittee to obtain at its sole cost and expense.

(2) The Port Authority's obligation to provide or continue any service or utility hereunder shall be limited by the safe and efficient operating capacity of the existing equipment, systems, piping systems, tie-ins, wires and conduits serving the Terminal and no approval given by the Port Authority to the erection by the Permittee of any improvement or to the installation of any fixtures or equipment shall be deemed to impose upon the Port Authority any obligation to increase the said operating capacity of any existing or presently contemplated equipment, systems, piping systems, tie-ins, wires or conduits.

(3) The Permittee understands that the Port Authority and the airline lessees, by its and their respective officers, employees, agents, representatives or contractors or by the furnishers of utilities or other services to the Space or to others at the Airport shall have the right to temporarily discontinue the supply of any of the services described herein in order to allow repair, alterations, changes or improvements in the Space or elsewhere at the Airport including all systems for the supply of services for the benefit of the Permittee or for the benefit of others than the Permittee at the Airport.

(4) The Port Authority shall be under no obligation to supply services if and to the extent and during any period that the supplying of any such service or the use of any component necessary therefor shall be prohibited or rationed by any federal, state or municipal law, rule, regulation, requirement, order or direction and if the Port Authority deems it in the public interest to comply therewith even though such law, rule, regulation, requirement, order or direction may not be mandatory on the Port Authority as a public agency. The Port Authority shall not be obligated to perform or furnish any service whatsoever in connection with the Space at any time while the Permittee wastes any of the said services or shall be in default under this Permit after the period, if any, herein granted to cure such default shall have expired, or has breached any of the provisions of this Permit after the period, if any, herein granted to cure such default shall have expired and the Port Authority may cease performance. If by operation of this section any service for which the Permittee has agreed to pay a flat sum is

discontinued for any period of the letting, the Permittee shall be relieved of its obligation to pay for such service for any such period or if any such service is supplied during fewer hours or in lesser amounts than agreed during any period of the letting, the Permittee shall be relieved proportionately of its obligation to pay for any such service for any such period.

(5) No failure, delay, interruption or curtailment in supplying agreed services (whether or not a separate charge is made therefor) shall be or be construed to be an eviction (actual or constructive) of the Permittee or grounds for any diminution or abatement of fee, or shall be grounds for any claims by the Permittee for damages, consequential or otherwise, against the Port Authority, or its officers, employees or agents. The Permittee shall not be entitled to receive any of the above services during any period during which the Permittee wastes any of the said services or is in default under any of the provisions of this Permit.

(b) Electricity and Gas. The Permittee shall receive electricity and gas to the extent of the capability of existing or upgraded facilities, and the Permittee agrees to take electricity and gas, as follows.

(1) For use on and in the Space, electricity and gas shall be provided to the Permittee either from the Port Authority, or the relevant airline lessee pursuant to the relevant airline lease, as the case may be. However, the Port Authority anticipates a modernization program to the facilities for electricity and gas. In connection with the modernization of the facilities, the Port Authority reserves the right to either check meter such utilities or arrange for the appropriate utility company to directly invoice the Permittee for such electricity and gas consumed by Permittee in the Space, if that option becomes available with such modernization.

(2) The Permittee shall take electricity of the same voltage, phase and cycle as supplied by the public utility through existing wires, conduits and outlets at the Space. The Permittee shall be solely responsible for transforming the electricity supplied to such voltage, phase and frequency as it desires, for the distribution and handling of such electricity within its Space and for making all connections and tie-ins to the point or points in the Space designated by the Port Authority or relevant airline lessee.

(c) Extermination Service. In the event the Port Authority shall provide extermination service for the enclosed areas of the Space, the Permittee agrees to utilize the same and to pay its pro rata share of the cost thereof upon demand. This section does not impose any obligation on the Port Authority to furnish such service. If the Port Authority does not provide such service, Permittee, at its sole cost and expense, shall, at such intervals as the Port Authority may require, contract directly with such service designated by the Port Authority that performs the service for the Port Authority in the Terminal in order to provide continuity and consistency in such service.

(d) High Temperature Water.

(1) For use on and in the Space (as applicable), the Permittee shall be provided high temperature water at no additional charge from either the Port Authority, or the relevant airline lessee pursuant to the relevant airline lease, as the case may be, and the Permittee shall take, as needed for Permittee's operations, the following: (i) high temperature water for heating purposes in reasonable quantities at a temperature of approximately 130 degrees F.; and (ii) high temperature water for domestic hot water purposes.

(2) The Permittee's obligation to distribute and handle the high temperature water provided hereunder within its Space, and for making all connections and tie-ins to the point or points in the Space designated by the Port Authority or the relevant airline Permittee shall fully apply in the same way as it applies for electricity and gas, as hereinabove described.

(e) Chilled Water.

(1) For use on and in the Space (as applicable), the Permittee shall be provided chilled water at no additional charge from either the Port Authority, or the relevant airline lessee pursuant to the relevant airline lease, as the case may be, and the Permittee shall take, as needed for Permittee's operations, through existing pipes, mains and fittings, for the following purposes: (i) for air cooling purposes, at a temperature and with other characteristics as determined by the Port Authority; and (ii) for domestic cold water purposes only.

(2) The Permittee's obligation to distribute and handle the chilled water provided hereunder within its Space, and for making a connections and tie-ins to the point or points in the Space designated by the Port Authority or the relevant airline lessee shall fully apply in the same way as it applies for electricity and gas, as hereinabove described.

(3) Without limiting the generality of rights of entry upon the Space elsewhere in this Permit reserved to the Port Authority (or the relevant airline lessee, as the case may be, in accordance with the relevant airline lease), the Port Authority (and the relevant airline lessee, as the case may be, in accordance with the relevant airline lease) shall have, for itself, its officers, employees, agents, representatives, contractors and subcontractors, the right to enter upon the Space at all times to construct, install, maintain, replace, repair or improve the air-cooling system or any part thereof. Such air-cooling shall be furnished subject to all the provisions of this Permit (including the remaining provisions of this section) and in accordance with the following:

(4) If the air-cooling on the Space can be controlled by mechanisms within the Space or portions thereof, the Permittee shall shut off the air-cooling before closing and leaving any particular portion of the Space at any time for any period. The Port Authority shall have the right to enter the Space for the purpose of observing the Permittee's compliance with the provisions hereof and the Port Authority may lock, seal or install any timing device on or in connection with any air-cooling control mechanism so as to provide that each portion of the Space shall only be air-cooled during the hours and days stipulated hereunder.

(5) If the Permittee in accordance with this Permit erects any partitions or makes any improvements, which partitions or improvements stop, hinder, obstruct or interfere with the cooling of the air or the heating of the Space, then no such action by the Permittee shall impose any obligation on the Port Authority to install facilities, fixtures or equipment for air-cooling or for heating additional to those presently existing or presently contemplated or to increase the capacity or output of existing or presently contemplated facilities, equipment or fixtures and the Permittee shall not in any such event be relieved of any of its obligations hereunder because a comfortable temperature is not maintained. No approval given by the Port Authority to the erection of partitions or the making of any improvements shall be or be deemed to be a representation that the work approved of will not stop, hinder, obstruct or interfere with either the cooling of the air or the heating of the Space or any portion thereof.

(6) The Permittee shall not waste or dissipate the air-cooling or heating service by any act or omission including but not limited to the permitting of outside doors or windows to remain open. Without otherwise affecting the Port Authority's rights or remedies in the event of any breach by the Permittee of its obligations under this subdivision, the Port Authority shall have the right to discontinue the said heating or air-cooling service during any period of such waste or dissipation and any failure of the Port Authority to supply any such service under such conditions shall not affect any of the Permittee's obligations under this Permit. It is hereby understood further that the installation by the Permittee of any equipment which itself requires air-cooling or which requires additional quantities of air-cooling at the portion of the Space where such equipment is installed, or the concentration in any portion of the Space of such a number of people so as to require additional quantities of air-cooling, shall not impose any obligation on the Port Authority to increase the capacity or output of initially existing facilities, equipment or fixtures for the supply of chilled water and the Permittee shall not in any such event be relieved of any of its obligations hereunder.

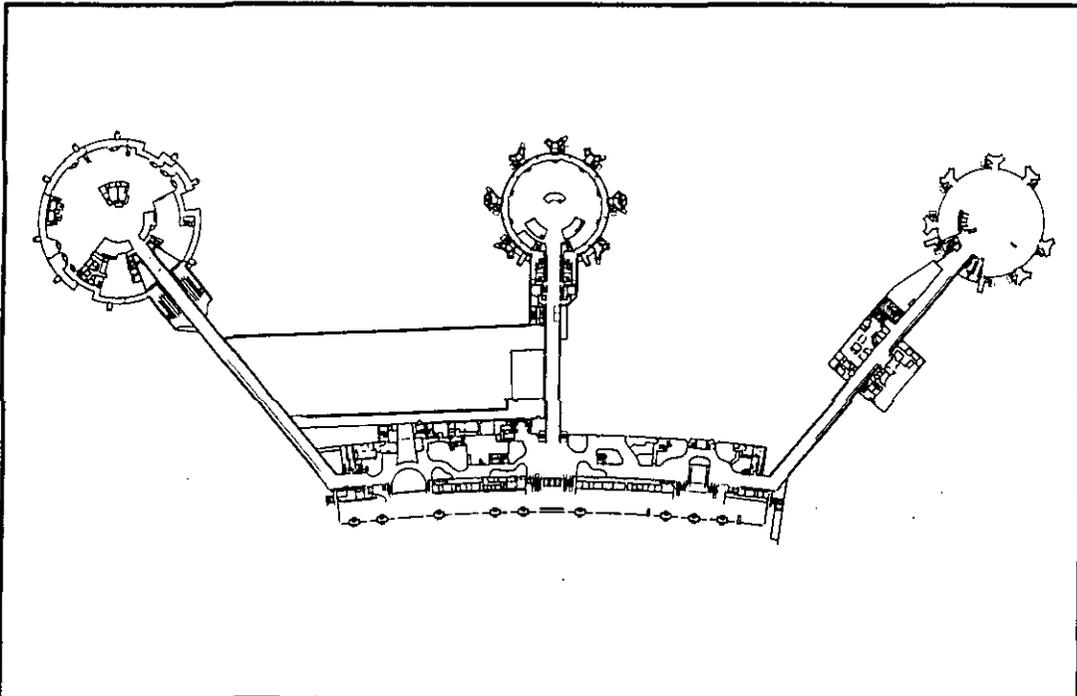

(f) **Obligation to Maintain Systems.** Without limiting or affecting any other term or provision of this Permit, the Permittee shall be solely responsible for the operation of all equipment, systems, piping systems, tie-ins, utilities, lines and connections, mechanical, electrical, communications and other systems operating or located in the Space and shall do all preventative maintenance and make all repairs, replacements, rebuilding and painting necessary to keep such systems (whether same involves structural or non-structural work) in the condition they were in when made or installed except for reasonable wear which does not adversely affect the watertight condition or structural integrity of the Terminals or adversely affect the efficient or proper utilization or appearance of any part of the Space. In the event the Permittee retains a maintenance contractor for such work it shall secure the Port Authority's prior approval for said proposed contractor. Notwithstanding the foregoing and without otherwise limiting the generality thereof, the Permittee's obligations hereunder shall extend to and include cleaning of the supply and exhaust louvers on the Space. To the extent necessary for the Permittee to have the benefit of any warranties and guarantees under existing contracts covering items and systems identified in this section in fulfilling its obligations hereunder and on condition that such contracts permit it and the Port Authority's interests are not adversely affected in any way and to any extent, the Port Authority shall enable the Permittee to have recourse to such warranties and guarantees.

(g) **Drainage and Exhaust.** Without in any way limiting the Permittee's other obligations under this Permit, the Permittee shall supply, replace, install, repair, maintain and keep clean all grease traps in all drainage pipes exclusively used in operations at the Space whether such pipes are located on the Space or elsewhere at the Terminal. The Permittee shall also keep clean, repair and maintain (other than structurally) all kitchen exhaust ducts including the replacement of all filters where such ducts are exclusively used by it in such operations and whether such ducts are located on the Space or elsewhere at the Terminal. As part of the Permittee's maintenance responsibilities, the hood and ventilation system servicing the Space shall be cleaned and maintained, from inside the unit through the ductwork to the roof top fan, on a monthly basis and at the Permittee's sole cost and expense. Written documentation of this work shall be supplied to the Port Authority on or before the seventh (7th) day of each Monthly Period, relating to servicing during the preceding Monthly Period. In addition, should any corrective work be necessary for any portion of the hood and ventilation system, the Permittee shall be responsible for the immediate repair and costs therefor, whether such repair is required inside the unit or outside the unit.

(h) **Other Governmental Actions.** If any federal, state, municipal, or other governmental body, authority or agency or any public utility assesses, levies, imposes, makes or increases any charge, fee or rent on the Port Authority for any service, system or utility now or in the future supplied to or available to the Space or to any occupants or users thereof or to the structure or building of which the Space form a part (including but not limited to any rent or charge for the use of the sewer systems), the Permittee shall, at the option of the Port Authority exercised at any time and from time to time by notice to the Permittee, pay in accordance with the said notice, such charge, fee or increase thereof (or the portion thereof allocated by the Port Authority to the Space or the operations therein) either directly to the governmental body, authority or agency or to the public utility or directly to the Port Authority or the airline Permittee, as required.

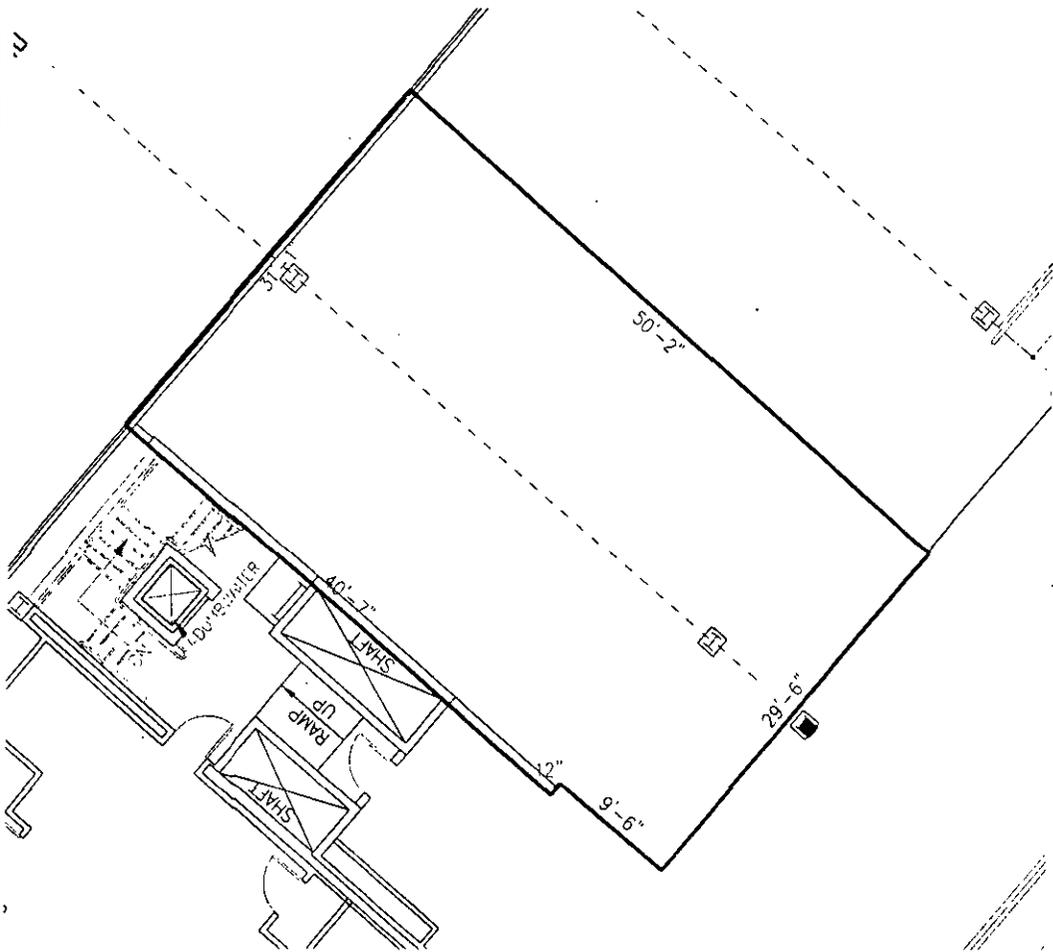

(i) **Washrooms.** The Permittee shall be furnished, without additional charge, non-exclusive toilet and washroom facilities for the employees of the Permittee if toilet and washroom facilities are not a part of the Space.

13. **Trash Removal.** In connection with Paragraph 6(b) of the Standard Terms and Conditions, Permittee shall be solely responsible, at the Permittee's expense, for removal of trash, garbage, debris and other waste material from the Space, on a daily basis, in a manner approved by the Port Authority, unless the Port Authority elects to provide such services. The Permittee shall contract with the Port Authority's disposal contractor at the Terminal for the disposal of its trash, garbage, debris and other waste material. In the event the Port Authority elects to provide such services, the Port Authority's costs of providing such services shall be chargeable to, and payable by, the Permittee as

SCHEDULE G

Airport Concession Disadvantaged Business Enterprise ("ACDBE") Participation

In accordance with regulations of the US Department of Transportation 49 CFR Part 23 the Port Authority has implemented an Airport Concession Disadvantaged Business Enterprise ("ACDBE") program under which qualified firms may have the opportunity to operate an airport business. The Port Authority has established an ACDBE participation goal, as measured by the total estimated annual gross receipts for the overall concession program. The goal is modified from time to time and posted on the Port Authority's website: www.panynj.gov.

The overall ACDBE goal is a key element of the Port Authority's concession program and Concessionaire shall take all necessary and reasonable steps to comply with the requirements of the Port Authority's ACDBE program. The Concessionaire commits to making good faith efforts to achieve the ACDBE goal. Pursuant to 49 CFR 23.25(f), ACDBE participation must be, to the greatest extent practicable, in the form of direct ownership, management and operation of the concession or the ownership, management and operation of specific concession locations through subleases. The Port Authority will also consider participation through (1) joint venture in which ACDBEs control a distinct portion of the joint venture business and/or purchase of goods and services from ACDBEs. In connection with the aforesaid good faith efforts, as to those matters contracted out by the Concessionaire in its performance of this agreement, the Concessionaire shall use, to the maximum extent feasible and consistent with the Concessionaire's exercise of good business judgment including without limit the consideration of cost competitiveness, a good faith effort to meet the Port Authority's goals. Information regarding specific good faith steps can be found in the Port Authority's ACDBE Program located on its above-referenced website. In addition, the Concessionaire shall keep such records as shall enable the Port Authority to comply with its obligations under 49 CFR Part 23 regarding efforts to offer opportunities to ACDBEs.

Qualification as an ACDBE

To qualify as an ACDBE, the firm must meet the definition set forth below and be certified by the New York State or New Jersey Uniform Certification Program (UCP). The New York State UCP directory is available on-line at www.nysucp.net and the New Jersey UCP at www.njucep.net.

An ACDBE must be a small business concern whose average annual receipts for the preceding three (3) fiscal years does not exceed \$47.78 million and it must be (a) at least fifty-one percent (51%) owned and controlled by one or more socially and economically disadvantaged individuals, or in the case of any publicly owned business, at least fifty-one percent (51%) of the stock is owned by one or more socially and economically disadvantaged individuals; and (b) whose management and daily business operations are controlled by one or more of the socially or economically disadvantaged individuals who own it. The personal net worth standard used in determining eligibility for purposes of Part 23 is \$750,000.

The ACDBE may, if other qualifications are met, be a franchisee of a franchisor. An airport concession is a for-profit business enterprise, located on an airport, which is subject to the Code of Federal Regulations 49 Part 23 that is engaged in the sale of consumer goods or services to the public under an agreement with the sponsor, another concessionaire, or the owner or operator of a terminal, if other than the sponsor. The Port Authority makes a rebuttable presumption that individuals in the following groups who are citizens of the United States or lawful permanent residents are "socially and economically disadvantaged":

- a. Women;

- b. Black Americans which includes persons having origins in any of the Black racial groups of Africa;
- c. Hispanic Americans which includes persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish or Portuguese culture or origin, regardless of race;
- d. Native Americans which includes persons who are American Indians, Eskimos, Aleuts or Native Hawaiians;
- e. Asian-Pacific Americans which includes persons whose origins are from Japan, China, Taiwan, Korea, Burma (Myanmar), Vietnam, Laos, Cambodia (Kampuchea), Thailand, Malaysia, Indonesia, the Philippines, Brunei, Samoa, Guam, the U.S. Trust Territories of the Pacific Islands (Republic of Palau), the Commonwealth Northern Marianas Islands, Macao, Fiji, Tonga, Kiribati, Juvalu, Nauru, Federated States of Micronesia or Hong Kong;
- f. Asian-Indian Americans which includes persons whose origins are from India, Pakistan, Bangladesh, Bhutan, Maldives Islands, Nepal and Sri Lanka; and
- g. Members of other groups, or other individuals, found to be economically and socially disadvantaged by the Small Business Administration under Section 8(a) of the Small Business Act, as amended (15 U.S.C. Section 637(a)).

“Other individuals may be found to be socially and economically disadvantaged on a case-by-case basis. For example, a disabled Vietnam veteran, an Appalachian white male, or another person may claim to be disadvantaged. If such individual requests that his or her firm be certified as ACDBE, the Port Authority, as a certifying partner in the New York State and New Jersey UCPs will determine whether the individual is socially or economically disadvantaged under the criteria established by the Federal Government. These owners must demonstrate that their disadvantaged status arose from individual circumstances, rather than by virtue of membership in a group.

Certification of ACDBEs hereunder shall be made by the New York State or New Jersey UCP. If Concessionaire wishes to utilize a firm not listed in the UCP directories but which the Concessionaire believes should be certified as an ACDBE, that firm shall submit to the Port Authority a written request for a determination that the firm is eligible for certification. This shall be done by completing and forwarding such forms as may be required under 49 CFR Part 23. All such requests shall be in writing, addressed to Lash Green, Director, Office of Business and Job Opportunity, The Port Authority of New York and New Jersey, 233 Park Avenue South, 4th Floor, New York, New York 10003 or such other address as the Port Authority may designate from time to time. Contact OBJOcert@panynj.gov for inquiries or assistance.

General

In the event the signatory to this agreement is a Port Authority permittee, the term Concessionaire shall mean the Permittee herein. In the event the signatory to this agreement is a Port Authority lessee, the term Concessionaire shall mean the Lessee herein.

PORT AUTHORITY OF NEW YORK AND NEW JERSEY
One World Trade Center
New York, New York 10048

PRIVILEGE PERMIT

The Port Authority of New York and New Jersey (herein called "the Port Authority") hereby grants to the Permittee hereinafter named the hereinafter described privilege at the Port Authority Facility hereinafter named, in accordance with the Terms and Conditions hereof; and the Permittee agrees to pay the fee or fees hereinafter specified and to perform all other obligations imposed upon it in the said Terms and Conditions:

1. **FACILITY:** John F. Kennedy International Airport
2. **PERMITTEE:** Hudson-Kennedy, LLC, a limited liability company organized under the laws of the State of Delaware.
3. **PERMITTEE'S ADDRESS:** Hudson News Company
One Meadowlands Plaza, Suite 902
East Rutherford, New Jersey 07073
4. **PERMITTEE'S REPRESENTATIVE:** Mario DiDomizio
5. **PRIVILEGE:** As set forth in Special Endorsement No. 1.
6. **FEES:** As set forth in Special Endorsement Nos. 3 and 4
7. **EFFECTIVE DATE:** May 28, 1999
8. **COMMENCEMENT DATE:** February 15, 2000
9. **EXPIRATION DATE:** The day preceding the seventh anniversary of the Commencement Date, unless sooner revoked or terminated pursuant to the terms of the Permit.
10. **ENDORSEMENTS:** 2.4.1, 2.6, 3.1, 4.1, 4.5, 8.0, 9.1, 9.5, 9.6, 10.3, 13.1, 14.1, 16.1, 17.3, 18.2, 19.2, 22, 23.1, 28 and Special Endorsements

Dated: As of May 28, 1999

(Title) CHIEF EXECUTIVE OFFICER

APPROVED:
FORM | TERMS

TERMS AND CONDITIONS

1. The permission granted by this Permit shall take effect upon the effective date hereinbefore set forth. Notwithstanding any other term or condition hereof, it may be revoked at any time by the Port Authority, with or without cause, and with or without prior notice. Unless sooner revoked, such permission shall expire in any event upon the expiration date hereinbefore set forth. Revocation shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation.

2. The rights granted hereby shall be exercised

(a) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(b) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(c) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees, or

(d) if the Permittee is an individual, by the Permittee acting only personally or through the medium of his employees;

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other person, corporation or legal entity. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

3. This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

FORM F - Privilege, All Facilities 12/04/73

4. The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Facility. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the Manager of the Facility. The Port Authority shall have the right to object to the Permittee regarding the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

5. In the use of the parkways, roads, streets, bridges, corridors, hallways, stairs and other common areas of the Facility as a means of ingress and egress to, from and about the Facility, and also in the use of portions of the Facility to which the general public is admitted, the Permittee shall conform (and shall require its employees, invitees and others doing business with it to conform) to the Rules and Regulations of the Port Authority which are now in effect or which may hereafter be adopted for the safe and efficient operation of the Facility.

The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Facility beyond a reasonable loading or discharging time, except in regular parking areas and upon payment of the regular charges therefor.

6. The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from all claims and demands of third persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any of the operations, acts or omissions of the Permittee hereunder; this indemnity shall extend to and include the contractual obligation of indemnity, if any, undertaken by the Port Authority in favor of the lessor, if any, of the Facility.

7. The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations hereunder. The Permittee shall not install any fixtures or make any alterations or improvements in or additions or repairs to any property of the Port Authority except with its prior written approval.

8. Any property of the Permittee placed on or kept at the Facility by virtue of this Permit shall be removed on or before the expiration of the permission hereby granted. In the event of revocation, the Permittee shall have two days, exclusive of Saturdays, Sundays and legal holidays (as determined by the laws of the State of New Jersey or of the State of New York, as the case may require), after the effective date of revocation, in which to remove such property.

FORM F - Privilege, All Facilities 12/04/73

If the Permittee shall so fail to remove such property upon the expiration or revocation hereof, the Port Authority may at its option, as agent for the Permittee and at the risk and expense of the Permittee, remove such property to a public warehouse, or may retain the same in its own possession, and in either event after the expiration of thirty days may sell the same at public auction; the proceeds of any such sale shall be applied first to the expenses of removal, sale and storage, second to any sums owed by the Permittee to the Port Authority; any balance remaining shall be paid to the Permittee. Any excess of the total cost of removal, storage and sale over the proceeds of sale shall be paid by the Permittee to the Port Authority upon demand.

9. The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit. Without in any wise limiting its obligations under Section 6 hereof the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

10. The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Facility or to be placed or brought on the Facility, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

11. No signs, posters or similar devices shall be erected, displayed or maintained by the Permittee in view of the general public without the written approval of the Manager of the Facility; and any not approved by him may be removed by the Port Authority at the expense of the Permittee.

12. The Permittee's representative hereinbefore specified (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and to do any act or thing to be done hereunder, and to execute on behalf of the Permittee any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. As used herein:

(a) The term "Executive Director" shall mean the person or persons from time to-time designated by the Port Authority to exercise the powers and functions vested in the Executive Director by this Permit; but until further notice from the Port Authority to the Permittee, it shall mean the Executive Director of the Port Authority for the time being, or his duly designated representative or representatives.

(b) The terms "Manager of the Facility" or "General Manager of the Facility" shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the Manager by this Permit; but until further notice from the Port Authority to the Permittee it shall mean the Manager or General Manager (or temporary or Acting Manager or General Manager) of the Facility for the time being, or his duly designated representative or representatives.

14. A bill or statement may be rendered and any notice or communication which the Port Authority may desire to give the Permittee shall be deemed sufficiently rendered or given, if the same is in writing and sent by registered mail-addressed to the Permittee at the address specified on the first page hereof or at the address that the Permittee may have most recently substituted therefor by notice to the Port Authority, or left at such address, or delivered to the representative of the Permittee, and the time of rendition of such bill or statement and of the giving of such notice or communication shall be deemed to be the time when the same is mailed, left or delivered as herein provided. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered mail addressed to the Executive Director of the Port Authority at One World Trade Center, New York, New York 10048, or at such other address as the Port Authority shall hereafter designate by notice to the Permittee.

15. The Permittee agrees to be bound by and comply with the provisions of all endorsements annexed to the Permit at the time of issuance.

16. Neither the Commissioners of the Port Authority nor any officer, agent or employee thereof, shall be charged personally by the Permittee with any liability, or held liable to it, under any term or provision of this Permit, or because of its execution or attempted execution, or because of any breach thereof.

17. This Permit, including the attached endorsements and exhibits, if any, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof and may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

The term "gross receipts" shall include all monies paid or payable to the Permittee for sales made and for services rendered at or from the Airport, regardless of when or where the order therefor is received, and outside the Airport, if the order therefor is received at the Airport, and any other revenues of any type arising out of or in connection with the Permittee's operations at the Airport, provided, however, that any taxes imposed by law which are separately stated to and paid by the customer and directly payable to the taxing authority by the Permittee, shall be excluded therefrom.

Notwithstanding that the percentage fee hereunder is measured by a percentage of gross receipts, no partnership relationship between the parties hereto or joint adventure is created by this Permit.

STANDARD ENDORSEMENT NO. 2.4.1

GROSS RECEIPTS

Airports

7/21/49

In connection with the exercise of the privilege granted hereunder, the Permittee shall:

- (a) Use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;
- (b) Not divert or cause or allow to be diverted, any business from the Airport;
- (c) Maintain, in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation or termination thereof, and for a further period extending until the Permittee shall receive written permission from the Port Authority to do otherwise, records and books of account recording all transactions of the Permittee at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District;
- (d) Permit in ordinary business hours during the effective period of the Permit, for one year thereafter, and during such further period as is mentioned in the preceding subdivision (c), the examination and audit by the officers, employees and representatives of the Port Authority of such records and books of account and also any records and books of account of any company which is owned or controlled by the Permittee, or which owns or controls the Permittee, if said company performs services, similar to those performed by the Permittee, anywhere in the Port of New York District;
- (e) Permit the inspection by the officers, employees and representatives of the Port Authority of any equipment used by the Permittee, including but not limited to cash registers;
- (f) Furnish on or before the tenth day of each month following the effective date of this Permit a sworn statement of gross receipts arising out of operations of the Permittee hereunder for the preceding month, and furnish within ten days after the expiration or sooner revocation or termination of this Permit a statement of all the gross receipts arising out of operations of the Permittee hereunder during the effective period of this Permit, said statement being certified, at the Permittee's expense, by a certified public accountant;
- (g) Install and use such cash registers, sales slips, invoicing machines and any other equipment or devices for recording orders taken, or services rendered as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of gross receipts.

STANDARD ENDORSEMENT NO. 2.6
BUSINESS DEVELOPMENT AND RECORDS
Airports
4/20/49; rev. 11/16/49; rev. 12/12/49; rev. 10/2/90

A principal purpose of the Port Authority in granting the permission under this Permit is to have available for passengers, travelers and other users of the Port Authority Facility, all other members of the public, and persons employed at the Facility, the merchandise and/or services which the Permittee is permitted to sell and/or render hereunder, all for the better accommodation, convenience and welfare of such individuals and in fulfillment of the Port Authority's obligation to operate facilities for the use and benefit of the public.

The Permittee agrees that it will conduct a first class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor. The Permittee shall furnish all services hereunder on a fair, equal and non-discriminatory basis to all users thereof.

STANDARD ENDORSEMENT NO. 3.1
ACCOMMODATION OF THE PUBLIC
All Facilities
8/21/49

The Permittee shall sell only such items of merchandise and/or render only such services as may be approved in writing from time to time by the Port Authority. The Port Authority may at any time and from time to time withdraw its approval as to any items or services without affecting the continuance of this Permit.

The Permittee shall furnish all merchandise and/or all services, at reasonable prices and at the times and in a manner which will be fully satisfactory to the public and to the Port Authority. All prices charged by the Permittee shall be subject to the prior written approval of the Port Authority, provided, however, that such approval will not be withheld if the proposed prices do not exceed reasonable prices for similar merchandise and/or services in the municipality in which the Airport is located. The Permittee shall remain open for and conduct business during such hours of the day and on such days of the week as may properly serve the needs of the public. The Port Authority's determination of reasonable prices and proper business hours and days shall control.

STANDARD ENDORSEMENT NO. 4.1
MERCHANDISE AND/OR SERVICES
All Airports
7/21/49

The Permittee shall, prior to furnishing any services hereunder, prepare schedules of rates for said services and discounts therefrom. Such schedules shall be submitted to the Port Authority for its prior written approval as to compliance by the Permittee with its obligations under this Permit. The Port Authority shall examine such schedules and make such modifications therein as may be necessary. Any changes thereafter in the schedules shall be similarly submitted to the Port Authority for its prior written approval, and, if necessary, modification. All such schedules shall be made available to the public by the Permittee at locations designated from time to time by the Port Authority. The Permittee agrees to adhere to the rates and discounts stated in the approved schedules. If the Permittee applies any rate in excess of the approved rates or extends a discount less than the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the approved rates or extends a discount which is in excess of the approved discount, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the approved rates and/or discounts shall constitute an undercharge and an amount equivalent thereto shall be included in gross receipts hereunder and the percentage fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Permit.

STANDARD ENDORSEMENT NO. 4.5

PRICES AND/OR CHARGES

All Installations

5/16/49

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority, including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (but not less than thirteen) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Endorsement with respect to such unpaid amount. Nothing in this Endorsement is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including without limitation the Port Authority/s rights set forth in Section 1 of the Terms and Conditions of this Permit or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Endorsement shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

STANDARD ENDORSEMENT NO. 8.0

LATE CHARGES

All Facilities

7/30/82

The Permittee shall

(a) Furnish good, prompt and efficient service hereunder, adequate to meet all demands therefore at the Airport;

(b) Furnish said service on a fair, equal and non-discriminatory basis to all users thereof; and

(c) Charge fair, reasonable and non-discriminatory prices for each unit of sale or service, provided that the Permittee may make reasonable and non-discriminatory discounts, rebates or other similar types of price reductions to volume purchasers.

As used in the above subsections "service" shall include furnishing of parts, materials and supplies (including sale thereof).

The Port Authority has applied for and received a grant or grants of money from the Administrator of the Federal Aviation Administration pursuant to the Airport and Airways Development Act of 1970, as the same has been amended and supplemented, and under prior federal statutes which said Act superseded and the Port Authority may in the future apply for and receive further such grants. In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. The performance by the Permittee of the promises and obligations contained in this Permit is therefore a special consideration and inducement to the issuance of this Permit by the Port Authority, and the Permittee further agrees that if the Administrator of the Federal Aviation Administration or any other governmental officer or body having jurisdiction over the enforcement of the obligations of the Port Authority in connection with Federal Airport Aid, shall make any orders, recommendations or suggestions respecting the performance by the Permittee of its obligations under this Permit, the Permittee will promptly comply therewith at the time or times, when and to the extent that the Port Authority may direct.

STANDARD ENDORSEMENT NO. 9.1

FEDERAL AIRPORT AID

Airports

1/19/81

(a) Without limiting the generality of any of the provisions of this Permit, the Permittee, for itself, its successors in interest and assigns, as a part of the consideration hereof, does hereby agree that (1) no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or be otherwise subject to discrimination in the use of any Space and the exercise of any privileges under this Permit, (2) that in the construction of any improvements on, over, or under any Space under this Permit and the furnishing of services thereon by it, no person on the grounds of race, creed, color national origin or sex shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination, (3) that the Permittee shall use any Space and exercise any privileges under this Permit in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended, and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which from time to time may be applicable to the Permittee's operations thereat, whether by reason of agreement between the Port Authority and the United States Government or otherwise.

(b) The Permittee shall include the provisions of paragraph (a) of this Endorsement in every agreement or concession it may make pursuant to which any person or persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Endorsement shall constitute a material breach of this Permit. In the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) The Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third persons including the United States of America resulting from the Permittee's noncompliance with any of the provisions of this Endorsement and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Endorsement shall grant or shall be deemed to grant to the Permittee the right to transfer or assign this Permit, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on any Space under the Permit.

STANDARD ENDORSEMENT NO. 9.5
NON-DISCRIMINATION
AIRPORTS
5/19/80

The Permittee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Permittee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Permittee assures that it will require that its covered suborganizations provide assurances to the Permittee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

STANDARD ENDORSEMENT NO. 9.6
AFFIRMATIVE ACTION
Airports

The Permittee shall daily remove from the Airport by means of facilities provided by it all garbage, debris and other waste material (whether solid or liquid) arising out of or in connection with its operations hereunder, and any such not immediately removed shall be temporarily stored in a clean and sanitary condition, in suitable garbage and waste receptacles, the same to be made of metal and equipped with tight-fitting covers, and to be of a design safely and properly to contain whatever material may be placed therein; said receptacles being provided and maintained by the Permittee. The receptacles shall be kept covered except when filling or emptying the same. The Permittee shall exercise extreme care in removing such garbage, debris and other waste materials from the Airport. The manner of such storage and removal shall be subject in all respects to the continual approval of the Port Authority. No facilities of the Port Authority shall be used for such removal unless with its prior consent in writing. No such garbage, debris or other waste materials shall be or be permitted to be thrown, discharged or disposed into or upon the waters at or bounding the Airport.

STANDARD ENDORSEMENT NO. 10.3
GARBAGE REMOVAL

Airports
7/21/49

The Permittee represents that it is the owner of or fully authorized to use any and all services, processes, machines, articles, marks, names or slogans used by it in its operations under or in any wise connected with this Permit. The Permittee agrees to save and hold the Port Authority, its Commissioners, officers, employees, agents and representatives free and harmless of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

STANDARD ENDORSEMENT NO. 13.1
PATENTS, TRADEMARKS, ETC.
All Facilities
7/21/49

Except as specifically provided herein to the contrary, the Permittee shall not, by virtue of the issue and acceptance of this Permit, be released or discharged from any liabilities or obligations whatsoever under any other Port Authority permits or agreements including but not limited to any permits to make alterations.

In the event that any space or location covered by this Permit is the same as is or has been covered by another Port Authority permit or other agreement with the Permittee, then any liabilities or obligations which by the terms of such permit or agreement, or permits thereunder to make alterations, mature at the expiration or revocation or termination of said permit or agreement, shall be deemed to survive and to mature at the expiration or sooner termination or revocation of this Permit, insofar as such liabilities or obligations require the removal of property from and/or the restoration of the space or location.

STANDARD ENDORSEMENT NO. 14.1
DUTIES UNDER OTHER AGREEMENTS
All Facilities
7/21/49

The Permittee shall observe and obey (and compel its officers, employees, guests, invitees, and those doing business with it, to observe and obey) the rules and regulations of the Port Authority now in effect, and such further reasonable rules and regulations which may from time to time during the effective period of this Permit, be promulgated by the Port Authority for reasons of safety, health, preservation of property or maintenance of a good and orderly appearance of the Airport including any Space covered by this Permit, or for the safe and efficient operation of the Airport including any Space covered by this Permit. The Port Authority agrees that, except in cases of emergency, it shall give notice to the Permittee of every rule and regulation hereafter adopted by it at least five days before the Permittee shall be required to comply therewith.

The Permittee shall provide and its employees shall wear carry badges or other suitable means of identification. The badges or means of identification shall be subject to the written approval of the Airport Manager.

STANDARD ENDORSEMENT NO. 16.1
RULES & REGULATIONS COMPLIANCE
Airports
06/29/62

1. The Permittee shall procure all licenses, certificates, permits or other authorization from all governmental authorities, if any, having jurisdiction over the Permittee's operations at the Airport which may be necessary for the Permittee's operations thereat.

2. The Permittee shall pay all taxes, license, certification, permit and examination fees and excises which may be assessed, levied, exacted or imposed on its property or operation hereunder or on the gross receipts or income therefrom, and shall make all applications, reports and returns required in connection therewith.

3. (a) The Port Authority has agreed by a provision in its agreement of lease with the City covering the Airport to conform to the enactments, ordinances, resolutions and regulations of the City and of its various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable so to do. The Permittee shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the Agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance.

(b) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions which may pertain or apply to the Permittee's operations at the Airport.

(c) The Permittee's obligations to comply with governmental requirements are provided herein for the purpose of assuring proper safeguards for the protection of persons and property at the Airport and are not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

STANDARD ENDORSEMENT NO. 17.3
LAW COMPLIANCE

Airports
04/17/50

No commissioner, director, officer agent or employee of either party shall be charged personally or held contractually liable by or to the other party under any term or provision of this Permit or of any supplement, modification or amendment to this Permit or because of any breach thereof, or because of its execution or attempted execution.

STANDARD ENDORSEMENT NO. 18.2

NO PERSONAL LIABILITY

Airports

8/21/49

Notwithstanding any other provisions of this Permit, the permission hereby granted shall in any event terminate with the expiration or termination of the lease of John F. Kennedy International Airport from The City of New York to the Port Authority under the agreement between the City and the Port Authority dated April 17, 1947, as the same from time to time may have been or may be supplemented or amended. Said agreement dated April 17, 1947 has been recorded in the Office of the Register of The City of New York, County of Queens, on May 22, 1947, in Liber 5402 of Conveyances, at pages 319 et seq. No greater rights or privileges are hereby granted to the Permittee than the Port Authority has power to grant under said agreement as supplemented or amended as aforesaid.

"John F. Kennedy International Airport" or "Airport" shall mean the land and premises in The City of New York, in the County of Queens and State of New York, which are shown in green upon the exhibit attached to said agreement between the City and the Port Authority and marked "Map II", and lands contiguous thereto which may have been heretofore or may hereafter be acquired by the Port Authority to use for air terminal purposes.

The Port Authority has agreed by a provision in its agreement of lease with the City covering the Airport to conform to the enactments, ordinances, resolutions and regulations of the City and of its various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable so to do. The Permittee shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments; ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

ENDORSEMENT NO. 19.2

John F. Kennedy International Airport

01/16/64

The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the New York Board of Fire Underwriters and the New York Fire Insurance Exchange, or if the Permittee's operations hereunder are in New Jersey, the National Board of Fire Underwriters and The Fire Insurance Rating Organization of N.J., and any other body or organization exercising similar functions which may pertain or apply to the Permittee's operations hereunder. If by reason of the Permittee's failure to comply with the provisions of this Endorsement, any fire insurance, extended coverage or rental insurance rate on the Airport or any part thereof or upon the contents of any building thereon shall at any time be higher than it otherwise would be, then the Permittee shall on demand pay the Port Authority that part of all fire insurance premiums paid or payable by the Port Authority which shall have been charged because of such violation by the Permittee.

The Permittee shall not do or permit to be done any act which

- (a) will invalidate or be in conflict with any fire insurance policies covering the Airport or any part thereof or upon the contents of any building thereon, or
- (b) will increase the rate of any fire insurance, extended coverage or rental insurance on the Airport or any part thereof or upon the contents of any building thereon, or
- (c) in the opinion of the Port Authority will constitute a hazardous condition, so as to increase the risks normally attendant upon the operations contemplated by this Permit, or
- (d) may cause or produce upon the Airport any unusual, noxious or objectionable smokes, gases, vapors or odors, or
- (e) may interfere with the effectiveness or accessibility of the drainage and sewerage system, fire-protection system, sprinkler system, alarm system, fire hydrants and hoses, if any, installed or located or to be installed or located in or on the Airport, or
- (f) shall constitute a nuisance in or on the Airport or which may result in the creation, commission or maintenance of a nuisance in or on the Airport.

For the purpose of this Endorsement, "Airport" includes all structures located thereon.

STANDARD ENDORSEMENT NO. 22

PROHIBITED ACTS

Airports

07/13/49

(a) The Permittee may at any time during the effective period of the permission under this Permit offer to deliver to the Port Authority, as security for all obligations of the Permittee under this Permit, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main officer within the Port of New York District, in favor of the Port Authority in the amount of Five Hundred Thousand Dollars and No Cents (\$500,000.00). The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent satisfactory letter. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by security in accordance with paragraph (a) of this Standard Endorsement or another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security under paragraph (a) of this Standard Endorsement. Failure to provide such a letter of credit at any time during the effective period of the permission, under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the security deposit, if any, thereafter, the Port Authority will return the security deposit, if any, theretofore made under and in accordance with the provisions of paragraph (a) of this Standard Endorsement. The Permittee shall have the same rights to receive such deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the permission under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount.

The Permittee certifies that its Federal Taxpayer Identification Number is (Ex. 1) with respect to the subject matter of this Standard Endorsement No. 23.1.

Standard Endorsement No. 23.1 (Page 1)

All Facilities

8/25/99

If any type of strike or other labor activity is directed against the Permittee at the Facility or against any operations pursuant to this Permit resulting in picketing or boycott for a period of at least forty-eight (48) hours which, in the opinion of the Port Authority, adversely affects or is likely adversely to affect the operation of the Facility or the operations of other permittees, lessees or licensees thereat, whether or not the same is due to the fault of the Permittee, and whether caused by the employees of the Permittee or by others, the Port Authority may at any time during the continuance thereof, by twenty-four (24) hours' notice, revoke this Permit effective at the time specified in the notice. Revocation shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation.

STANDARD ENDORSEMENT NO. 28
DISTURBANCES
All Facilities
6/20/51

SPECIAL ENDORSEMENTS

1. (a) Pursuant to an agreement of lease between the Port Authority and Terminal One Group Association, L.P. (herein "the Airline") bearing Port Authority Lease No. AYC-190 and dated July 13, 1994 (as the same may have been supplemented, extended and amended, and herein called "the Airline Lease") the Port Authority leased to the Airline Terminal One ("the Terminal") and certain outside areas at John F. Kennedy International Airport ("the Airport"). It was contemplated under the Airline Lease that certain consumer services would be operated in space provided by the Airline in the Terminal, and the Airline and the Permittee have accordingly entered into an agreement (herein called the "Concession Sublease Agreement") dated as of July 8, 1999 (as the same may have been supplemented, extended and amended), providing for the operation by the Permittee of a certain business in the concession area, as hereinafter defined.

(b) Subject to all of the terms, covenants and provisions of this Permit, the Port Authority and the Airline hereby grant to the Permittee in such areas of the Terminal as shall be designated by the Airline (hereinafter collectively called "the concession areas") the privilege of operating four (4) news and gift retail concessions (sometimes hereinafter separately referred to as "Unit No. 1", "Unit No. 5", "Unit No. 13", and "Unit No. 16") for the sale at retail of (i) newspapers, magazines, cigarettes, other tobacco supplies, candy, chewing gum, playing cards, paperback books, small novelty gift items (all as more fully described in Attachment B of the Concession Sublease Agreement), and (ii) lottery tickets issued by the Lottery Division of the New York State Department of Taxation and Finance, and such other items as may be consented to in advance by the Airline and the Port Authority and for no other purpose or purposes whatsoever. The Permittee understands that since the Terminal is leased to the Airline, all arrangements as to the concession areas and facilities in which the privilege will be exercised, including utilities and services, shall be made with the Airline, and the Permittee acknowledges that it has made such arrangements. The Port Authority makes no representations or warranties as to the location, size, adequacy or suitability of the concession areas and the facilities therein. Notwithstanding the foregoing, however, the Airline expressly hereby agrees that it shall not, pursuant to the Concession Lease, reassign all or any part of the concession areas without the prior written consent of the Port Authority.

2. As used herein:

(a) "Annual Period" shall mean the twelve-month period commencing on the Commencement Date and each twelve-month period occurring thereafter during the period of the permission granted hereafter, commencing with each anniversary of the Commencement Date, *provided, however*, that if the Commencement Date occurs on a day which is other than the first day of a calendar month, the first Annual Period shall consist of the portion of the calendar month in which the Commencement Date occurs, plus the succeeding twelve (12) calendar months, and each subsequent Annual Period shall commence on the anniversary of the first day

SPECIAL ENDORSEMENTS

of the first full calendar month following the month in which the Commencement Date occurs; and *provided, further*, that the last Annual Period shall expire in any event on the expiration date of the period of the permission under this Agreement.

(b) "Enplaned Passenger" shall mean any originating or connecting revenue passenger that boards a flight at the terminal excluding revenue passengers who disembark and re-board the same aircraft with the same flight number for the purpose of continuing their journey.

(c) The "Fee Payment Start Date" shall mean the earlier of (i) June 1, 2000 or (ii) such earlier date following the completion by the Permittee of the improvements, finishing and installation work described in paragraph 5 hereof as may be designated by the Port Authority to the Permittee as the date on which public operations may be commenced in the concession area.

(d) "Minimum Annual Guaranteed Amount" (hereinafter referred to as the "MAG") shall mean, for and during the period commencing on the Commencement Date and continuing through the day preceding the Fee Payment Start Date, the amount of Six Hundred Seventy-nine Thousand Nine Hundred Four Hundred Forty-four Dollars and No Cents (\$679,944.00). From and after the Fee Payment Start Date and continuing through the balance of the first annual period, the MAG shall be in the amount of Seven Hundred Eight Thousand Two Hundred Seventy-five Dollars and No Cents (\$708,275.00) per annum.

For and during each subsequent Annual Period, the MAG shall mean the greater of (y) Seven Hundred Eight Thousand Two Hundred Seventy-five Dollars and No Cents (\$708,275.00) or (z) the amount which is ninety percent (90%) of the sum of the total Percentage Fee Amount and Basic Fee paid by the Permittee for the concession area during the immediately preceding Annual Period.

(e) "Monthly period" shall mean, as the context requires, the period commencing on the Effective Date and continuing through the balance of the month in which the Effective Date occurs and each calendar month thereafter occurring during the period of the permission granted hereunder, *provided, however*, that if the period of the permission commences on other than the first day of a month, the first monthly period hereunder shall expire or is terminated or revoked on other than the last day of a calendar month, then the monthly period for the calendar month in which the effective date of expiration, termination or revocation occurs shall expire on such date.

(f) "Port Authority Share" shall mean fifty percent (50%) of the basic and percentage fees payable by the Permittee hereunder.

SPECIAL ENDORSEMENTS

(g) "Percentage Fee Amount" shall mean the excess over the Minimum Annual Guarantee, as hereinabove defined, of the sum of the following percentages of all the gross receipts of the Permittee arising from its operations described in Special Endorsement No. 1(b) during each Annual Period:

(i) fourteen percent (14%) of all of the gross receipts of the Permittee arising from the sale of camera film and camera accessories, cosmetics, greeting cards, postage stamps, maps, commissions on lottery tickets, non-prescription drugs, postcards, pre-packaged snacks, reading material, tobacco and tobacco accessories, health and beauty aids, clothing, luggage and luggage accessories, pre-packaged gourmet foods, business accessories, travel accessories and promotional income (hereinafter called "Category A items"), plus

(ii) twenty-eight percent (28%) of the gross receipts of the Permittee arising from the sale of souvenirs, gifts and novelty items (hereinafter called "Category B items"), plus

(iii) twenty percent (20%) of the gross receipts of the Permittee arising from retail display allowances, provided, however, if during any annual period the total number of enplaned passengers exceeds One Million Two Hundred and Fifty Thousand (1,250,000), then the percentage fee amount payable on such gross receipts shall be equivalent to the excess over the Minimum Annual Guarantee of the sum of the following percentages of all the gross receipts arising from its operations:

(i) fourteen percent (14%) of the gross receipts of the Permittee arising from the sale of Category A items not in excess of Four Million Three Hundred Seventy Five Thousand Dollars and No Cents (\$4,375,000.00), plus

(ii) twenty-eight percent (28%) of the gross receipts of the Permittee arising from the sale of Category B items not in excess of Four Million Three Hundred Seventy Five Thousand Dollars and No Cents (\$4,375,000.00), plus

(iii) fifteen percent (15%) of the gross receipts of the Permittee arising from the sale of Category A items in excess of Four Million Three Hundred Seventy Five Thousand Dollars and No Cents (\$4,375,000.00) but not in excess of Five Million Dollars and No Cents (\$5,000,000.00), plus

(iv) twenty nine percent (29%) of the gross receipts of the Permittee arising from the sale of Category B items in excess of Four Million Three Hundred Seventy Five Thousand Dollars and No Cents (\$4,375,000.00) but not in excess of Five Million Dollars and No Cents (\$5,000,000.00), plus

SPECIAL ENDORSEMENTS

(v) sixteen percent (16%) of the gross receipts of the of the Permittee arising from the sale of Category A items in excess of Five Million Dollars and No Cents (\$5,000,000.00), plus

(vi) thirty percent (30%) of the gross receipts of the of the Permittee arising from the sale of Category B items in excess of Five Million Dollars and No Cents (\$5,000,000.00), plus

(vii) twenty percent (20%) of the gross receipts of the of the Permittee arising from retail display allowances.

(h) "Period of the Permission" shall mean the effective period from the Effective Date and continuing through the Expiration Date, both dates inclusive, subject to earlier revocation or termination.

(i) "Promotional Income" shall mean payments made by magazine publishers and suppliers of other products for special display within the store. These special displays are contracted for a specific period of time for special positions within the stores and the payments are not predicated on actual sales.

(j) "Commencement Date" shall Commence as of February 15, 2000. During the period between the Effective date and the day proceeding the commencement date, both dates inclusive, permittee shall pay applicable percentage fees which will not include the MAG. Commencing on the Commencement day and continuing through the balance of the period of the permission granted under this agreement, both dates inclusive, the Permittee shall pay the MAG as herein above defined.

Notwithstanding that the basic and percentage fees as well as the Minimum Annual Guarantee amounts have been defined on an annual basis, such description shall not in any way restrict or impair the Port Authority's right to revoke the Permit upon thirty (30) days' written notice to the Permittee.

3. Basic Fee

(a) During the period commencing on the Effective Date and continuing through the day preceding the Fee Payment Start Date, both dates inclusive, the Permittee shall pay directly to the Port Authority the Port Authority share of a basic fee for the concession areas at a rate of Six Hundred Seventy-nine Thousand Nine Hundred Four Hundred Forty-four Dollars and No Cents (\$679,944.00) per annum. From and after the Fee Payment Start Date and continuing through the balance of the first annual period, both dates inclusive, the Permittee shall

SPECIAL ENDORSEMENTS

pay to the Port Authority the Port Authority Share of Seven Hundred Eight Thousand Two Hundred Seventy-five Dollars and No Cents (\$708,275.00) per annum. The basic fee shall be payable in advance in equal monthly installments on the Effective Date and on the first day of each and every month thereafter occurring through the balance of the period of the permission granted under this Permit, *provided, however*, that, if the Effective Date be other than the first day of the month, the basic fee for the portion of the month during which the period of the permission is effective shall be the amount of the monthly installment prorated on a daily basis.

(b) During the period commencing on the first anniversary of the Effective Date and during each Annual Period thereafter occurring throughout the balance of the period of the permission granted under this Agreement, both dates inclusive, the Permittee shall pay to the Port Authority the Port Authority Share of an amount equivalent to the greater of (y) Seven Hundred Eight Thousand Two Hundred Seventy-five Dollars and No Cents (\$708,275.00) per annum or (z) the amount which is ninety percent (90%) of the sum of the total Percentage Fee Amount and Basic Fee paid by the Permittee for the concession areas during the immediately preceding Annual Period.

SPECIAL ENDORSEMENTS

4. Percentage Fee

(a) During the period commencing on the Effective Date and continuing throughout the balance of the period of the permission granted under the Permit, the Permittee shall pay directly to the Port Authority the Port Authority Share of an amount equal to the excess over the Minimum Annual Guarantee Amount, as herein above defined, of the applicable percentages set forth in subparagraph (g) and in accordance with such subparagraph (g) of Special Endorsement No. 2 of the Permit of all the gross receipts arising from the operations described in Special Endorsement No. 1(b) during each annual period. The computation of percentage fees for each annual period, or a portion of an annual period, as herein above defined, shall be individual to such annual period, or such portion of an annual period, and without relation to any other annual period, or any other portion of any annual period.

(b) The Permittee shall pay percentage fee as follows: on the 20th day of the first month following the commencement of each annual period and on the 20th day of each and every month thereafter including the month following the end of each annual period, the Permittee shall render to the Port Authority a sworn statement showing its gross receipts for the preceding month and showing its cumulative gross receipts from the date of the commencement of the annual period for which the report is made through the last day of the preceding month; whenever such statement shall show that the percentages stated above in subparagraph (g) of Special Endorsement No. 2 applied to the gross receipts of the Permittee from the preceding month is in excess of the Minimum Annual Guarantee Amount, the Permittee shall pay at the time of rendering the statement an amount equal to the Port Authority Share of such excess and the Permittee shall thereafter on the 20th day of each month during that annual period and on the 20th day of the month following the end of that annual period pay an amount equal to the said percentages applied to the gross receipts during each subsequent month of that annual period. In the monthly statement for the last month of each Annual Period, in addition to all the information required by this paragraph (b), the Permittee shall set forth the Minimum Annual Guarantee applicable to the Annual Period just completed.

(c) Upon any termination or revocation of the period of the permission granted hereunder (even if stated to have the same effect as expiration), the Permittee shall within twenty (20) days after the effective date of such termination, make a payment of fees computed as follows: first, if the period of the permission hereunder is terminated or revoked effective on a date other than the last day of a month the basic fee for the portion of the month in which the period of the permission remains effective shall be the amount of the applicable monthly installment of basic fee prorated on a daily basis, and if the monthly installment due on the first day of that month has not been paid the Permittee shall pay the prorated part of the amount of that installment; if the monthly installment has been paid, then the excess shall be credited to the Permittee's obligations; second, the Permittee shall within twenty (20) days after

SPECIAL ENDORSEMENTS

the effective date of termination or revocation, render to the Port Authority a sworn statement separately showing all its gross receipts for the monthly period in which the effective date of termination or revocation happens to fall and the cumulative gross receipts for such annual period, third, the payment then due on account of the percentage fee for the annual period in which the effective date of termination or revocation happens to fall shall be the excess over the prorated Minimum Annual Guarantee Amount of the percentages stated in subparagraph (a) above applied to all the gross receipts arising during such annual period; said Minimum Annual Guarantee Amount being prorated by multiplying the same by a fraction, the numerator of which shall be the number of days from the commencement of the monthly period through the effective date of termination or revocation and the denominator of which shall be 365, less any Percentage Fee payments previously made for such annual period.

5. (a) The Permittee hereby agrees that it shall invest no less than Six Hundred Seventeen Thousand Dollars and No Cents (\$617,000.00) (hereinafter sometimes referred to as "the Minimum Capital Investment") in the construction of the concession area to be occupied by the Permittee during the Period of the Permission granted hereunder, as such concession area is shown on Exhibit A of the Concession Sublease. The Permittee shall complete the construction of the concession area no later than April 30, 2000. The Minimum Capital Investment shall be exclusive of and in addition to any of the following amounts: (1) the cost of items with a useful life of less than three years; (2) the cost of architectural, engineering, professional and consulting services, to the extent such costs exceed fifteen percent (15%) of the total amount of capital investment; (3) interest and financing charges; and (4) the Permittee's investments in interim locations.

(b) If the Permittee has not made the Minimum Capital Investment, the Permittee shall pay to each of the Airline and the Port Authority, within thirty (30) days of such determination by the Airline, an amount equal to one-half of the difference between the Minimum Capital Investment and the amount actually invested.

6. All payments due the Port Authority hereunder shall be sent to the following address:

The Port Authority of New York and New Jersey
P. O. Box 17309
Newark, New Jersey 07194

or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

7. Prior to the execution of this Permit by either party hereto, the following deletions, additions and substitutions were made in the foregoing Terms and Conditions:

SPECIAL ENDORSEMENTS

(a) The last three sentences of Section 1 of the foregoing Terms and Conditions were deleted and the following shall be deemed to have been inserted in lieu thereof:

"Notwithstanding any other term or condition hereof, it may be revoked without cause, upon thirty (30) days' written notice to the Permittee which notice shall be jointly subscribed by the Port Authority and the Airline, *provided, however*, that it may be revoked on twenty-four (24) hours' notice by the Port Authority without consultation with or concurrence by the Airline if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit. Revocation or termination shall not relieve the Permittee of any liabilities or obligations hereunder which have accrued on or prior to the effective date of revocation or termination."

(b) That portion of the second paragraph of Section 5 of the Terms and Conditions following the word "Facility" was deleted.

(c) The second sentence of the first paragraph of Section 8 of the foregoing Terms and Conditions was deleted.

(d) Whenever the term "expiration" is used in the Permit, it shall be deemed to mean the effective date of revocation or termination.

(e) The words "and the Airline and its Directors, officers, employees, agents and representatives" shall be deemed inserted following the word "representatives" in the second line of the first sentence of Section 6 of the foregoing Terms and Conditions.

(f) Whenever in this Permit the word "Facility" is used it shall be deemed to mean, as the context refers, John F. Kennedy International Airport and /or the Unit Terminal Building in which the Permittee exercises its privileges hereunder.

(g) Wherever the phrases "Port Authority or the Airline" and "Airline or the Port Authority" are used in this Permit they shall be deemed to mean either the Port Authority or the Airline or both.

(h) Notwithstanding the provisions of paragraph (d) of Standard Endorsement No. 2.6, the Permittee shall not be required to keep such records and books of account within the Port of New York District, except that if the Permittee elects to keep such records and books of account at a location which is not within the Port of New York District, the Permittee shall pay, within thirty (30) days of the date of the Port Authority's invoice therefor, for the costs incurred by the Port Authority if it is required to send its employees or representatives to a location

SPECIAL ENDORSEMENTS

outside of the Port of New York District to examine and audit such records and books of account.

(i) The following shall be inserted following the second paragraph of Standard Endorsement No. 4.1:

"The Permittee shall comply with the Port Authority Aviation Department's Street Pricing Policy. In connection therewith, the Permittee shall not charge prices to its customers in excess of "Street Prices", which for purposes of this Agreement, is defined as follows:

1. If the Permittee conducts a similar business to the business operation permitted under this Agreement in an off-airport location(s) in the Greater New York City - Northern New Jersey Metropolitan Area (hereinafter referred to as "the Metro Area"), "Street Prices" shall mean the average price regularly charged by the Permittee for the same or similar item in such Metro Area location;
2. If the Permittee does not conduct a similar business to the business operation permitted under this Agreement in off-airport location(s) in the Metro Area, "Street Prices" shall mean the average price regularly charged in the Metro Area by similar retailers for the same or similar item; and
3. If neither the Permittee nor other similar retailers sell a particular item in the Metro area, "Street Prices" shall mean the average price regularly charged by the Permittee or other similar retailers for the same or similar item in any other geographic area, with a reasonable adjustment for any cost of living variance between such area and the Metro Area.

The Permittee's breach of the aforesaid Street Pricing Policy shall be deemed a material breach of the Permittee's obligations under this Agreement.

The Permittee shall post in each sales area (including any temporary sales space) a notice in form and substance satisfactory to the Port Authority notifying the public that the Permittee subscribes to a "Street Pricing Policy", such notice to be clearly visible and unobstructed. If the Permittee charges any price to a customer in excess of the price which would satisfy the "Street Pricing Policy" in violation of its obligations under this Agreement, the amount of such excess shall constitute an overcharge which shall, upon demand by the Port Authority or the Permittee's customer, be promptly refunded to the customer. "

SPECIAL ENDORSEMENTS

It shall be unnecessary to physically indicate the foregoing additions, deletions and substitutions of the foregoing Terms and Conditions and Standard Endorsements.

8. (a) The Permittee shall secure and maintain in effect throughout the effective period of permission hereunder and pay the premium or premiums on a policy or policies of comprehensive general liability insurance, in its own name as the insured and with the Port Authority named as an additional insured with an endorsement for products liability, covering bodily injury liability (including death) and property damage liability, and providing for coverage in the minimum limits of coverage set forth below:

| | <u>Minimum Policy Coverage</u> |
|--|------------------------------------|
| Comprehensive General Liability: Combined single limit per occurrence for death, bodily injury and property damage liability: | \$2,000,000 |
| Products Liability: | \$2,000,000 |

(b) In addition to the foregoing, during the period of construction of any portion of the concession area, the Permittee in its own name as insured, with the Port Authority named as an additional insured, shall also maintain and pay for a broad form property damage endorsement and additional coverages for premises/operations, products/completed operations and independent contractors liability coverage, and coverage for collapse, explosion and underground property damage; and providing for coverage in the minimum amount set forth below:

| <u>Construction Insurance:</u> | <u>Minimum coverage:</u> |
|--|--------------------------|
| Combined single limit per occurrence for death, bodily injury and property damage liability: | \$500,000 |

(c) The insurance required hereunder shall also provide that the protections afforded the Permittee thereunder with respect to any claim or action by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority but such endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured. In addition, the insurance

SPECIAL ENDORSEMENTS

required hereunder shall provide that the protection afforded the Permittee thereunder with respect to any claim or action against the Port Authority by the Permittee shall be the same as the protection afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person, as if the Port Authority were the named insured thereunder. The Permittee shall procure and maintain with respect to the said comprehensive general liability insurance a contractual liability endorsement covering the obligations assumed by the Permittee pursuant to Sections 6 and 9 of the Terms and Conditions of this Permit.

(d) As to any insurance required by this Special Endorsement, a certified copy of each of the policies or a certificate or certificates from the insurance carrier satisfactory to the Port Authority evidencing the existence thereof, or binders, shall be delivered to the Port Authority upon the execution and delivery of this Permit. In the event any binder is delivered, it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate as aforesaid. The Port Authority shall have the right at any time to require the delivery to it of a copy of each policy certified to the satisfaction of the Port Authority rather than a certificate as aforesaid. Each such copy or certificate shall contain a valid unqualified provision or endorsement that the policy may not be canceled, terminated, changed or modified, without giving thirty (30) days' advance written notice thereof to the Port Authority. A renewal policy shall be delivered to the Port Authority at least fifteen (15) days prior to the expiration date of each expiring policy. Each certified copy of the foregoing required policies of insurance or each certificate thereof shall contain an additional endorsement providing that the insurance carrier shall not, without obtaining express advance written permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority. Notwithstanding the above minimum limits and coverages, if at any time any of the policies shall be or become unsatisfactory to the Port Authority as to form or substance, or if any of the carriers issuing such policies are or become unsatisfactory to the Port Authority, the Permittee shall promptly obtain a new and satisfactory policy in replacement and provide evidence thereof satisfactory to the Port Authority. All insurance provided for in this Agreement shall be written by companies authorized to do business in the State of New York and approved in advance by the Port Authority.

9. It is understood that any and all privileges granted hereunder to the Permittee are non-exclusive and shall not be construed to prevent or limit the granting of similar or greater privileges at the Airport to another or to others; and neither the granting to others of rights and privileges similar to or greater than the rights and privileges granted hereunder or the existence of agreements by which similar rights and privileges had been previously granted to others shall constitute nor be construed as a violation or breach by the Port Authority of the permission herein granted or relieve the Permittee of any of its obligations hereunder.

SPECIAL ENDORSEMENTS

10. (a) The Permittee shall not employ any persons or use any labor, or use or have any equipment, or permit any condition to exist which shall or may cause or be conducive to any labor or environmental complaints, troubles, disputes or controversies at the Airport which interfere or are likely to interfere with the operation of the Airport or any part thereof by the Port Authority or with the operations of the lessees, licensees, permittees or other users of the Airport or with the services of the Permittee under this Permit.

(b) The Permittee shall immediately give notice to the Port Authority (to be followed by written notices and reports) of any and all impending or existing labor or environmental troubles, disputes or controversies and the progress thereof. The Permittee shall use its best efforts to resolve any such complaints, troubles, disputes or controversies.

(c) The Permittee acknowledges that it is familiar with the general and local conditions prevailing at the Airport and at the Terminal thereof and with all pertinent matters and circumstances which may in any way affect performance of its services under this Permit.

11. The Permittee shall have no right hereunder to carry on any business or operation at the Airport other than as specifically provided herein.

12. Notwithstanding that the fees hereunder are measured by a percentage of the Permittee's gross receipts and notwithstanding the preceding sentence, no partnership relationship or joint venture between the Port Authority and the Permittee or the Airline is created or intended to be created by this Permit.

13. This Permit and the privileges granted hereunder shall in any event expire on the date of expiration or earlier termination of the Airline Lease *provided, however*, that this shall not affect or impair the Port Authority's rights of revocation or termination as contained elsewhere in this Permit. In the event of any inconsistencies between the terms of this Permit and the terms of the Airline Lease, the terms of the Airline Sublease, the terms of this Permit shall control. The privileges granted to the Permittee hereunder are non-exclusive.

14. Without limiting the Permittee's indemnity obligations under this Agreement, the Permittee's indemnity obligations hereunder shall extend to and include any claims and demands made by the Port Authority against the Airline pursuant to the provisions of the Airline Lease and any claims and demands made by the City of New York against the Port Authority pursuant to or under the provisions of the agreement of lease between the City of New York and the Port Authority covering the leasing of the Airport by the City to the Port Authority, as the same from time to time may have been or may be supplemented or amended. Said agreement (hereinafter sometimes called "the Basic Lease") dated April 17, 1947 has been recorded in the Office of the Register of Deeds for the City of New York, County of Queens, on May 22, 1947 in Liber 5402

SPECIAL ENDORSEMENTS

of Conveyances, at page 319, et seq.

15. It is understood and agreed that the Port Authority shall not sell, supply or furnish any utilities or services to the Permittee, including but not limited to electricity, and the Permittee shall make its own arrangements with the Airline for the supply of such utilities, services, and facilities as it may require. Notwithstanding the foregoing, the Airline may, subject to the Port Authority's prior written approval, charge the Permittee for extraordinary utility consumption in accordance with the terms of the Concession Sublease Agreement.

16. The Airline and the Port Authority shall both have the right by their officers, employees, agents, representatives and contractors at all reasonable times to enter upon the concession area for the purpose of inspecting the same, for observing the performance by the Permittee of its obligations under this Permit and for the doing of any act or thing which the Airline or the Port Authority may be obligated or have the right to do under this Permit, the Airline Lease, or otherwise. Further the Airline shall have the right to enter upon the concession area for the purpose of making repairs, alterations or replacements in or to any portion of the Terminal in accordance with the provisions of the Airline Lease.

17. (a) Without limiting the generality of any term or provision of this Permit or the Standard Endorsements annexed thereto, the Permittee shall at all times keep the concession area and its fixtures, equipment and personal property in a clean and orderly condition and appearance. The Permittee shall be responsible for the repair, replacement and rebuilding of any and all parts of the concession area and any other parts of the Terminal or the Facility which may be damaged or destroyed by the acts or omissions of the Permittee, its officers, employees, agents, representatives, contractors or other persons doing business with it. All non-structural repair, replacement and rebuilding shall be done by the Permittee (unless otherwise directed by the Airline) and structural repair, replacement and rebuilding may be done by the Airline, the cost of any such repair performed by the Airline for the Permittee to be repaid by the Permittee on demand.

(b) The Permittee shall not install any equipment, improvements or fixtures in the concession area or elsewhere in the Terminal or perform any alteration or construction work therein without the prior written approval of the Airline (including but not limited to the time for the performance of any such installation or work) and in the event of any such without the approval of the Airline then upon such notice from the Airline or the Port Authority the Permittee shall remove the same or cause the same to be changed to the satisfaction of the Airline and the Port Authority. In case of any failure on the part of the Permittee to comply with such notice, the Airline may effect the removal or change and the Permittee shall pay the cost thereof to the Airline on demand. All of the Permittee's equipment, fixtures or improvements shall be promptly removed from the concession area and the Terminal on or before the

SPECIAL ENDORSEMENTS

expiration, revocation or termination of this Permit and concession area or other area affected by such removal shall be restored by the Permittee to the condition existing prior to any installation or replacement. If the Permittee shall fail so to remove from the concession area or the Terminal any property or thing which it is required to remove under this Permit, the Airline may remove such property and the Permittee shall pay to the Airline the cost thereof on demand. The Airline may store such property or thing in a public warehouse, but shall not be obligated to, or may retain the same in its own possession and in either event may sell the same at public auction, the proceeds thereof to be applied first to the expense of removal, restoration, retention, storage and sale, and second to any sums owed by the Permittee to the Airline or the Port Authority, with any balance remaining to be paid over to the Permittee. If the expense of such removal, restoration, storage and sale shall exceed the proceeds of sale, the Permittee shall pay such excess to the Airline on demand. The Permittee agrees not to perform any servicing or maintenance to its equipment, fixtures or property or to remove any such unless the Airline has approved the time and manner of the performance thereof. The Permittee shall have no right to install any property or perform any work outside the Terminal nor shall the Permittee leave or store any property on the Facility.

(c) The Permittee shall promptly notify the Airline if any portion or all of the concession area or any of the Permittee's fixtures, equipment, or personal property is destroyed, damaged, or in need of repair regardless of the Permittee's responsibility therefor.

18. Such provisions of this Permit as apply to the rights and obligations of the parties hereto upon the expiration of the permission granted by this Permit shall apply to the rights and obligations of the parties hereto upon the revocation or termination of the permission granted by this Permit.

19. No greater rights are granted or intended to be granted to the Permittee hereunder than the Airline has the power to grant under the Airline Lease. Nothing herein contained shall be deemed to enlarge or to otherwise change the rights granted to the Airline by the Airline Lease, and all of the terms, provisions and conditions of the Airline Lease shall be and remain in full force and effect throughout the effective period of the permission granted hereunder.

20. (a) The Permittee shall use its best efforts, taking all measures and means, to insure labor harmony in its operations at the Terminal all to the end of avoiding and preventing strikes, walkouts, work stoppages, slowdowns, boycotts and other labor trouble and discord. The Permittee particularly recognizes the essential necessity of the continued and full operation of the whole Airport as a transportation center.

(b) The Permittee shall immediately give oral notice to the Port Authority (to be followed by written notices and reports) of any and all impending or existing labor

SPECIAL ENDORSEMENTS

complaints, troubles, disputes or controversies and the progress thereof.

(c) If any type of strike, boycott, picketing, work stoppage, slowdown or other labor activity is directed against the Permittee at the Airport or against any of the Permittee's operations pursuant to this Agreement which in the opinion of the Port Authority adversely affects or is likely adversely to affect the operation of the Airport or the operations of other lessees or licensees thereat, whether or not the same is due to the fault of the Permittee or is caused by the employees of the Permittee or of others, the Port Authority shall have the right at any time during the continuance thereof, by twenty-four (24) hours' notice to suspend the Permittee's operations hereunder effective at the time specified in the notice. During any suspension, the Permittee shall cease its activities and operations hereunder and take such steps to secure and protect the concession area as shall be necessary or desirable. The period of suspension shall end automatically no later than twenty-four (24) hours after the cause thereof has ceased or been cured. Suspension shall not relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of suspension.

21. No acceptance by the Port Authority of fees for any period or period after default by the Permittee under any of the terms or provisions of this Permit shall be deemed a waiver of any right on the part of the Port Authority to terminate this Permit nor shall any acceptance of a payment of fees in less than the required amount thereof be such a waiver. No waiver by the Port Authority of any default on the part of the Permittee in performing any of the terms or provisions of this Permit nor failure to take steps to rectify the same or terminate this Permit shall be or be construed a waiver by the Port Authority or any such or subsequent defaults in performance of any of the said terms or provisions of this Permit by the Permittee.

22. In the event of any breach or default by the Permittee in paying the fees due under this Permit, the Airline shall have the right and obligation to enforce payment thereof and to exercise all necessary remedies in connection therewith. The Port Authority shall not be required to incur any expenses or to commence any legal motion or proceeding to collect unpaid fees from the Permittee, and the Port Authority shall and hereby does assign to the Airline any and all rights and remedies of the Port Authority under this Permit, or otherwise, against the Permittee for or in connection with the collection of said unpaid fees, provided, however, that nothing herein shall be deemed a waiver by the Port Authority of any rights or remedies under this Permit which it may wish in its discretion to enforce by legal action or otherwise, and *provided, further, however*, that all monies due the Port Authority and collected by the Airline hereunder shall be remitted by the Airline to the Port Authority as and when collected.

23. The Port Authority may at any time and from time to time by notice to the Permittee modify, withdraw or amend any approval, direction or designation given hereunder or pursuant hereto by the Port Authority.

SPECIAL ENDORSEMENTS

24. The Port Authority shall be under no obligation to furnish any services or utilities whatsoever at or on the Space.

25. The Permittee shall maintain all its own fixtures, equipment and personal property in the Space in first-class operating order, condition and appearance at all times, making all repairs and replacements necessary therefor, regardless of the cause of the condition necessitating any such repair or replacement.

Nothing herein contained shall relieve the Permittee of its obligations to secure the Port Authority's written approval before installing any fixtures in or upon or making any alterations, decorations, additions or improvements in the Space.

TERMINAL ONE LICENSE AGREEMENT
NEWS & GIFT RETAIL CONCESSIONS

This License Agreement, made and entered into this eighth day of July 1999, by and between Terminal One Group Association L.P. ("TOGA") a New York Limited Partnership, and Hudson-Kennedy, LLC., a Delaware Limited Liability Corporation (the "Licensee").

WITNESSETH, That:

WHEREAS, TOGA has entered into a certain Site Lease AYC-190 (the "Site Lease") with the Port Authority of New York & New Jersey (PANY&NJ) for the Terminal One site and all facilities therein (the "Terminal"), at John F. Kennedy International Airport, (the "Airport"), Jamaica, New York; and

WHEREAS, the Licensee desires to design, construct and operate News & Gift retail concessions in Terminal One in accordance with the terms and conditions hereinafter set forth; and,

WHEREAS, the Licensee will obtain a fully executed permit (the "Permit") from the Port Authority of New York & New Jersey (PANY&NJ), consented to by TOGA, authorizing said Licensee to operate News & Gift retail concessions in Terminal One as described hereunder; and

NOW, THEREFORE, in consideration of the mutual undertakings of the parties hereto, it is agreed as follows:

1. TERM

This License Agreement shall be effective as of May 28, 1999 (the "Effective Date") and shall extend for a term of seven (7) years, plus one three-year option at TOGA's sole discretion, from the Commencement Date as defined herein. The commencement date shall be defined as the date of occupancy of all three redeveloped news and gift concession units on the departure level of Terminal One or a period of 140 days after the date of the Memorandum of Understanding dated May 27, 1999, among TOGA, Licensee and NationsCredit Commercial Funding which ever occurs first (the "Commencement Date"). The 140-day period shall exclude the period of time between, and including the date that the Licensee submits, via TOGA, a completed Tenant Alteration Application (TAA) for the Terminal One news and gift concession units to the PANY&NJ for review and approval and until, and including, the date on which the PANY&NJ returns the TAA, regardless of whether the TAA is approved, approved with comments, or disapproved. TOGA will consider a second three-year option at its sole discretion. This License Agreement shall end on the day immediately preceding the date of the seventh anniversary date of the Commencement Date. This License Agreement, or any extension thereof, is conditioned upon prior execution of a Permit, or extension of an existing Permit, from the PANY&NJ authorizing the Licensee to operate its news and gift retail concession as aforesaid. This License Agreement shall terminate effective with the revocation of the PANY&NJ's Permit described in this paragraph, provided that the Permit will not be revoked without cause by the PANY&NJ without the prior consent of TOGA.

2. CONCESSION UNITS

The areas to be made available in Terminal One to license for the operation of the news and gift retail concessions consist of four (4) units as depicted on Attachment A - Concession Units. Licensee may also contract for additional storage in the Terminal, which will be covered under separate agreement with TOGA. TOGA will use its best efforts to provide storage in the Terminal to accommodate the needs of the Licensee. Pursuant to Section 38. herein, TOGA and Licensee may agree to a substitute location on the Arrival Level of the Terminal for the operation of a news café. In such case this License Agreement may be amended to incorporate the substitute concession location on the Arrival Level.

3. PERMITTED USES

The areas made available by TOGA to Licensee shall be used by Licensee only for the purpose of operating News & Gift retail concessions as approved by TOGA. Licensee is permitted to sell newspapers, magazines, cigarettes, other tobacco supplies, candy, chewing gum, playing cards, paperbound books, small novelty gift items, and certain other retail items normally sold at newsstands in operation at other PANY&NJ Airports together with other merchandise as may be requested by TOGA, if authorized by the PANY&NJ, all as further described on Attachment B - Concession Merchandise Listing. TOGA reserves the right to reasonably modify the Concession Merchandise Listing from time to time to include new products and concepts and to delete certain products and concepts from the Concession Merchandise Listing. No merchandise reasonably objectionable to TOGA or the PANY&NJ shall be sold in the Terminal. The Licensee shall be assessed damages of \$100 per occurrence per day for displaying or selling retail merchandise not included on the Concession Merchandise Listing or for displaying or selling retail merchandise which has not been approved in advance by TOGA in writing. The Licensee will be notified in writing by TOGA of any violation for which damages have been assessed. Licensee will be in default of this License Agreement if payment is not remitted for damages assessed by TOGA or for repeated violations of TOGA approved merchandise or the Concession Merchandise Listing. In the event that TOGA and the Licensee agree to develop a news café on the Arrival Level of the Terminal pursuant to Section 38 herein, then the Merchandise Listing shall be amended to include those products and concepts approved by TOGA to be sold in any such news café.

4. SUB-LICENSEES

The Licensee shall not "sub-license" all or any portion of the news and gift retail concessions or the space provided by TOGA without the specific written agreement and consent of TOGA and an appropriate executed permit from the PANY&NJ. The Licensee shall ensure that any sub-Licensees who are permitted shall be bound by the same terms and conditions as the Licensee in this License Agreement. All sub-Licensees, if any, shall be listed in Attachment C - Sub-Licensees. Attachment C shall include, but shall not necessarily be limited to a description of the business relationships between the parties. Attachment C may be amended by mutual written agreement of TOGA and the Licensee.

5. LICENSE FEES

On the first day of each month, or on the Commencement Date if not the first day of the month, the Licensee shall pay a Basic Fee which shall equal one-twelfth of the minimum annual guarantee (MAG). The Basic Fee shall be prorated for partial months on a daily basis. Notwithstanding any adjustments or changes to the MAG as discussed below, the MAG for year one is \$708,275, increasing annually to ninety percent (90.0%) of the previous year's MAG plus percentage fees paid. In no case shall the MAG be lower than \$708,275.

Licensee and TOGA acknowledge that TOGA, at its sole discretion, will decide within ninety (90) days from the execution of this License Agreement whether to redevelop the Unit 16 in its existing location on the Arrival Level of the Terminal or redevelop Unit 16 in another location on the Arrival Level, as further discussed in Section 38. herein. Therefore, between the Commencement Date and the date the Licensee begins operating in the redeveloped Unit 16 on the Arrival Level, the Licensee shall pay an interim MAG of \$679,944, which shall be payable on the first day of the month, prorated for partial months on a daily basis. In the event that TOGA approves the development of a news café on the Arrival Level of the Terminal, the MAG for year one will be amended based on mutual agreement between Licensee and TOGA and will payable in accordance with the above terms.

On or before the tenth day of the month the Licensee shall pay percentage fees based on gross receipts, as defined herein, in the previous month, less the Basic Fee paid in the previous month but in no case shall the percentage fee paid be less than zero. Licensee shall pay 14.0 percent for Category A merchandise (i.e., newspapers, magazines, books, candy, gum, snacks, tobacco, commissions on State Lottery tickets, etc.) and 28.0 percent for Category B merchandise (i.e., gifts, souvenirs and apparel). If total enplaned passengers during the calendar year exceed 1,250,000, then the percentage fees shall be 15.0 percent and 29.0 percent for unit sales, excluding RDA and promotional income, in excess of \$3.50 per enplanement

and 16.0 percent and 30.0 percent for unit sales, excluding RDA and promotional income, in excess of \$4.00 per enplanement. Licensee shall pay 20.0 percent on RDA. Promotional income shall be included in Category A. Additional products sold in the concession units pursuant to Section 38 herein shall be at the rate prescribed therein.

Licensee shall pay percentage fees in accordance with Section 5 of this License Agreement on all sales in Terminal One beginning with the Effective Date of this License Agreement regardless of the status of the Permit issued by the PANY&NJ or requirement for MAG or interim MAG payments, including during the period when the Licensee operates in the existing news and gift concession facilities or in temporary facilities prior to the Commencement Date of this License Agreement.

Fifty-percent of the MAG, or interim MAG, and percentage fees for retail sales shall be paid to TOGA and fifty-percent of the MAG, or interim MAG, and percentage fees for retail sales shall be paid to the PANY&NJ. Licensee shall provide to TOGA and the PANY&NJ by the tenth day of each month, a true and accurate statement of Licensee's Gross Receipts by Category by concession unit in the preceding month, which shall be signed by an authorized representative of the Licensee, regardless of any net percentage fee amount due.

Gross Receipts shall mean the actual sales or rental price of all goods, wares, and merchandise sold, leased, licensed, or delivered (except for lottery tickets which shall be limited to fees earned by Licensee, currently six percent of lottery sales) and the actual charges for services performed by the Licensee or by any licensee, or sub-Licensee in, at, or from, Licensee's news and gift concessions in Terminal, whether for cash, credit, exchange, or otherwise, without reserve or deduction for inability or failure to collect. Gross Receipts will include, without limitation, sales, rentals, services, promotional payments, retail display allowances, and delivery charges. In the determination of Gross Receipts, all taxes, including sales taxes, occupational taxes and similar taxes, or impositions imposed on or by reason of such charges or sales, where billed by Licensee to the customer as a separate item, shall not be construed to be a part of Gross Receipts for percentage fee payment computation purposes.

If the Licensee is delinquent in paying TOGA any amounts calculated pursuant to this License Agreement, the Licensee shall pay a delinquency charge assessed on the delinquent amount at the rate of eighteen percent (18%) per year, or the maximum allowed by law, if less. The delinquency charge shall accrue from the date of the delinquency, after taking into account any applicable grace period, until paid. In addition, if the Licensee is delinquent for ten (10) days or more in furnishing to TOGA monthly statements required under this License Agreement, the Licensee shall pay \$100.00 as liquidated damages for the additional administrative costs incurred by TOGA in processing and reviewing the delinquent statement. Each occurrence of a delinquent payment or statement is deemed to be separate from any other delinquent payment or statement and each occurrence shall generate a separate payment. Delinquency payments to TOGA do not include any amounts which may be assessed by the PANY&NJ for delinquent payments. The remedies provided by this section are in addition to all other remedies TOGA and the PANY&NJ may have for a breach of this License Agreement or breach under the Permit to be entered into with the PANY&NJ, and nothing in this section shall be deemed to be a waiver by TOGA and the PANY&NJ or to estop TOGA and the PANY&NJ from asserting any of those other remedies.

Upon execution of this License Agreement, Licensee will provide a Bank Letter of Credit (LOC), acceptable to TOGA in an amount no less than one million dollars (\$1,000,000.00) which may be drawn upon by TOGA in immediate available funds without prior notice due to the Licensee's failure to make any payments due under the License Agreement after the expiration of appropriate notice and cure periods as provided under the License Agreement. TOGA may draw on the LOC until such time as the occupant of the units under the License Agreement vacates the news and gift units and a replacement operator of the units is secured by TOGA and assumes the operation of the units. The remainder of the LOC will serve to indemnify TOGA against loss resulting from Licensee's breach under the License Agreement and TOGA will endeavor to mitigate such losses. Any such indemnity shall expire seven years from the Commencement date of this License Agreement. Any draws against the LOC shall not constitute a cure of any breach of the License Agreement by the Licensee.

6. BOOKS AND RECORDS

Licensee shall maintain books and records in accordance with generally accepted accounting principles. Records and books of account recording all transactions at, through or in anyway connected with the Licensee's concessions in Terminal One shall be kept at all times within the Port of New York District (as such term is defined in the Site Lease) and Licensee shall permit, during ordinary business hours and upon reasonable notice, the examination and audit by the officers, employees and representatives of TOGA and the PANY&NJ of such records and books of account. Further, Licensee will give considerations to any recommendations or request for changes in such practices which are made by TOGA or the PANY&NJ and which arise from an audit or otherwise of Licensee's books and records by TOGA or PANY&NJ representatives. Licensee shall permit the inspection of cash registers, recording tapes, and electronic or other means of keeping records and receipts of the business during ordinary business hours. The Licensee shall ensure that electronic records are saved and secured in the event of power outages.

TOGA shall have the right to approve the Point of Sales System ("POS") which the Licensee will install in the concession units. The Licensee's POS shall be able to electronically download data in a format acceptable to TOGA in order to be compatible with a future POS which may be installed in the Terminal. TOGA reserves the right to change the POS requirements and the Licensee shall make all necessary changes in a reasonable period of time.

TOGA, or TOGA's designee, and the PANY&NJ, or the PANY&NJ's designee, shall have the right at any reasonable time, upon reasonable notice, to conduct an audit of the Licensee's business relating to Terminal One, including, but not necessarily limited to, all factors of the business such as net revenue, gross and net revenue per passenger sale, revenue by product category, revenue by location, transactions by location, revenue per transaction, revenue per square foot, etc. If at any time that the PANY&NJ or TOGA conducts an audit of the Licensee's books and records, and audited gross receipts of all units operated by Licensee under this License Agreement in the aggregate are found to be more than three percent (3.0%) greater than the aggregate gross receipts reported by Licensee for any given period, the Licensee agrees to pay for the cost of said audit and any subsequent audits related to the specific discrepancy. Further, any audit conducted where the books and records are not kept within the Port of New York District will be at the cost of the Licensee.

7. OPERATIONAL LICENSE

Licensee is hereby granted, for and during the term of this License Agreement, the license to operate News & Gift retail concessions for the sale of approved retail merchandise as provided for in Paragraph 3, Permitted Uses, and as further described on Attachment B – Concession Merchandise Listing as may be amended or modified.

8. NON-EXCLUSIVE RIGHT

Licensee shall have the right and concession, but not an exclusive right and concession, except as otherwise provided in this License Agreement, to sell News & Gift retail items, as specified in Appendix B, in the Terminal. Nothing herein contained shall prevent TOGA from allowing other tenants of the Terminal from establishing other retail concessions for the exclusive use of their own employees, authorized guests, or invitees. TOGA reserves to itself the right to allow commercial airlines to purchase products from parties other than Licensee to be served and delivered to the aircraft or passenger lounges of said airlines, for service to airline passengers. The Licensee shall not operate vending machines or mobile food, beverage or retail vending carts in the Units or Terminal One unless specifically provided for in an agreement as specified in the Site Lease and by a permit issued by the PANY&NJ.

Licensee understands and agrees that TOGA shall have the right to enter into agreements with certain suppliers for the exclusive supply of certain merchandise and products to the Terminal. Upon thirty (30) days written notice from TOGA, the Licensee agrees to sell at retail to the public such exclusive merchandise and products, to the extent not otherwise inconsistent with the terms of this License Agreement. The Licensee further agrees to display said merchandise and products for retail sale to the public in a manner no less

favorable than similar merchandise and products currently being offered for retail sale to the public, to the extent not otherwise inconsistent with the terms of this License Agreement.

9. USE OF TERMINAL BUILDING AND AIRPORT

TOGA hereby grants to Licensee to use, in common with others having such right, the waiting rooms, halls, rest rooms and other passenger conveniences in the Terminal for Licensee's employees, patrons, guests and invitees. Licensee, in common with others having such rights, shall have the full and unrestricted normal right of access and ingress to and egress from the Terminal and Licensee's concession units for Licensee's employees, patrons, guests, invitees, suppliers of materials and furnishers of services both for themselves and for their equipment, vehicles and other property, so long as Licensee is not in default of this License Agreement, and further subject to the Permit issued by the PANY&NJ, and other governmental authorities having jurisdiction.

10. CARE OF PREMISES

Licensee shall take good care of the news and gift concession units and the equipment and installations therein and at the termination of this License Agreement by expiration or otherwise shall yield and deliver the concession units in good condition as reasonable use will permit. Permanent machinery, equipment, fixtures and improvements in the said units, installed by the Licensee, shall become the property of TOGA at the expiration of this License Agreement. Permanent machinery, equipment, fixtures and improvements include anything that is affixed in any manner to the walls, ceilings, or floor; if when moved causes damage to the units; or if when moved causes the units or any part of the units to be unusable. Equipment remaining without TOGA's consent after expiration or termination of the License Agreement shall be considered by TOGA to be abandoned and may be moved by TOGA without consequence.

11. OPERATING STANDARDS

11.1 Inspections and Repair - The Licensee shall permit, during ordinary business hours, the inspection by the officers, employees and representatives of TOGA, or the PANY&NJ, or any agency having legal jurisdiction over the concession units, of the concession units and the equipment and installation therein. TOGA may at any time advise the Licensee by written notice of the requirement to repair or replace deficiencies. If the deficiency is not properly remedied within thirty (30) days of such notice, TOGA may enter the concession units and repair or replace such deficiency, however, TOGA shall not be obligated to the Licensee to cure the deficiency. The Licensee shall pay the cost of curing such deficiency within twenty (20) days of the date of an invoice from TOGA. TOGA may include in the cost of curing the deficiency any and all reasonable costs, including interest on outstanding amount from the date of invoice and attorney fees, if any, incurring during the collection process.

11.2 Retail Concessions Services - Licensee shall not in any way subordinate its functions of serving patrons in the concession units to any other functions set forth in this License Agreement. Licensee shall serve, in an expeditious manner, retail customers in the Terminal. Licensee shall provide adequate personnel and the training of the personnel to supervise and furnish the above mentioned services, including peak service demand periods. Services and training shall include, but not necessarily be limited to, proper greetings, merchandise availability, clean, neat appearances, a professional, courteous, and friendly manner to the public, and no excessive jewelry, perfume or cologne. The Licensee shall furnish good, prompt and efficient service, adequate to meet all demands therefor at the concession units; furnish said service on a fair, equal and nondiscriminatory basis to all users thereof; and charge fair, reasonable and nondiscriminatory prices for all items and/or services which it is permitted to sell and/or render; and shall promptly observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions which may pertain and apply to its operations or the use and occupancy of the concession units. Failure of Licensee to follow-up on complaints or to address and correct problems resulting from rude and inattentive behavior will be considered a breach of this License Agreement.

The Licensee shall maintain and keep records and reports of complaints and surveys of service levels to confirm that an appropriate level of service is being provided. Copies of all written complaints and Licensee's responses shall be provided to TOGA.

- 11.3 **Hours of Operation** - Licensee shall provide retail concessions service to the general public daily during hours to ensure that reasonable demands of the traveling public are satisfied. Concession units located on the departure level of the Terminal shall be open daily from two hours before the first aircraft departure until the last aircraft departure or as specified by TOGA. Concession units located on the arrival level of the Terminal shall be open from the first scheduled arrival until two hours after the last aircraft arrival. Licensee's retail concession units shall also be open at such other times as determined by TOGA as necessary to accommodate canceled or delayed flights, changes to airline schedules, or special events in the Terminal. The retail concessions shall be open and operational every day of the year.
- 11.4 **Pricing Policy** - The Licensee shall comply with a Street Pricing Policy at Terminal One. This policy shall ensure that Terminal One prices are the same as other similar or comparable retail concession outlets, in New York City or other locations as designated and determined by solely TOGA. Other airport locations are not necessarily considered comparable locations. This policy shall reinforce the TOGA objective of making Terminal One "passenger friendly".
- 11.5 **Janitorial** - Licensee shall keep, or provide for keeping, the concession units clean at all times, including necessary mopping, vacuuming, floor washing, wall cleaning, ceiling cleaning, cleaning of its fixtures and furniture, and windows. Licensee shall comply with all environmental health standards as required by the State of New York, the PANY&NJ, and other applicable law.
- 11.6 **Rules and Regulations** - The Concessionaire Rules & Regulations document details the operating standards contained herein in addition to other requirements, procedures, and policies for the Licensees in the Terminal. The Licensee shall observe, obey, and comply with all Rules and Regulations for the Terminal, as included in Attachment D - Concessionaire Rules and Regulations. The attachment shall be part of this License Agreement and may be amended from time to time by TOGA. Such amendments shall become part of Attachment D and this License Agreement.
- 11.7 **Failure to Comply With Operating Standards or Rules & Regulations** - Failure of the Licensee to adhere to the Operating Standards in this License Agreement or the Concessionaire Rules and Regulations will result in inconvenience to the public and will adversely affect the operation of the Terminal. Quantification of the resulting damages is difficult, so the parties agree that the liquidated damages set forth below are reasonable estimates of the actual damages that would be incurred by the public and TOGA for the specified breaches of the Operating Standards or Concessionaire Rules and Regulations. The Licensee agrees to pay liquidated damages at these rates upon each occurrence of the specified breach and without separate demand by TOGA in accordance with the terms of this License Agreement.

Failure to comply with the Operating Standards or the Concessionaire Rules & Regulations shall be deemed to occur when documented in any written report or notice based on reasonable evidence whether prepared by; (1) the Licensee in the normal course of business; (2) health, safety or health inspectors with jurisdiction at Terminal One; (3) an independent shopping service hired by the Licensee, TOGA or the PANY&NJ; or (4) TOGA or the PANY&NJ in the ongoing oversight of the Licensee under this License Agreement and the Licensee's Permit respectively.

Unless otherwise specified, each failure of each Operating standard or Rules and Regulation requirement for one day (or on one day) is considered a single occurrence. Occurrence of the same failure for two or more consecutive days shall be considered multiple occurrences, with the number of failures equal to the number of days during which the failure occurred.

The damages are \$100 per occurrence for violations of the Street Pricing Policy, selling unapproved merchandise, failure to maintain merchandise requirements, and failure to comply with TOGA established requirements and standards for sanitation, hygiene, cleanliness, deliveries, utility interference, employee conduct, waste reduction, recycling and reuse, and signage. TOGA shall notify the Licensee's designated on-site manager in writing, delivered by hand, facsimile, or mail, of any violation for which damages have been assessed. Such notice shall identify the specific violation and the liquidated damages due TOGA. Licensee will be in default of this License Agreement if payment is not remitted within thirty (30) days for damages assessed by TOGA or for repeated violations of the Operating Standards or Concessionaire Rules and Regulations. There is no cure period for violations of the Operating Standards or Concessionaire Rules and Regulations and damages shall be due upon receipt by Licensee of any notice specifying such damages.

12. AIRPORT SECURITY REQUIREMENTS

Licensee's employees will be required to obtain identification badges from TOGA and/or the PANY&NJ as required to perform their duties on the Airport in full compliance with applicable rules. Licensee and its employees must at all times adhere to Airport Security rules prescribed by the Federal Aviation Administration or its successors, other law enforcement agencies with jurisdiction, the PANY&NJ or TOGA. FAA rules require that any employees who need to gain access to aircraft ramps and other secured areas supply information for background checks and may require fingerprint checks and/or drug testing as approved by the FBI or other law enforcement agencies. Personnel convicted of certain felonies are prohibited from working in secure airport areas. Licensee employees will be prohibited from working in secure areas until the background checks have been completed and the employee receives required training from The PANY&NJ and/or TOGA on security rules. The costs of identification badges or security background checks shall be the responsibility of the Licensee.

13. COST ITEMS TO BE COMPLETED BY LICENSEE

Licensee and its designated agents may not commence any construction or operations in Terminal One until all parties have the required insurances and indemnities holding TOGA, Airport & Aviation Professionals, Inc., and the PANY&NJ harmless as noted in Section 20 herein.

Licensee is granted access to the concession units as is and shall, at its own cost and expense, furnish and install all necessary trade fixtures, stands, counters, mechanical systems, ventilation systems, electrical systems, plumbing systems, utility meters, life safety systems, and other equipment and finishes as required to redevelop/buildout the concession units. The Licensee shall, at a minimum, spend ~~\$617,000.00~~ for capital improvements of the concession units including all fixtures, furniture, and equipment. The amount may include direct expenses, excluding Licensee's allocated administration or overhead, incurred for planning, design, engineering, construction, furniture, fixtures, and equipment for the concession units in Terminal One. Construction related soft costs shall not exceed fifteen percent (15.0%) of hard construction costs. Receipts or paid invoices, or other documentation supporting such expended amounts shall be submitted to TOGA for verification within forty-five (45) days of Licensee's completion of redevelopment/buildout of the concession units and commencement of retail operations in each redeveloped/builtout unit. If the expended amounts by Licensee for capital improvements are less than the minimum amounts listed above, the Licensee shall remit the difference to TOGA upon demand. Any such remittance will not be counted against the Licensee's percentage fee payments or MAGs.

It is the Licensee's intent to redevelop/buildout the concession units sequentially so that services will be provided to the passengers at all times. Terminal One is an operating facility and construction in the Terminal is disruptive to the passengers and the operation. Therefore, the Licensee covenants and agrees that redevelopment/buildout of each concession unit will be completed within forty (40) days from the date all necessary construction approvals have been provided by the PANY&NJ and TOGA approves Licensee to commence construction of each concession unit, respectively, until the date TOGA provides written

acceptance of the redevelopment/buildout and the PANY&NJ provides a Certificate of Occupancy (CO) for the respective concession unit. Regardless of the construction status of the concession units, Licensee shall pay License Fees in accordance with Sections 1 and 5 and all other amounts in accordance with this License Agreement.

Licensee shall submit to TOGA a set of construction documents and material boards for TOGA review and approval prior to submission of a TAA to the PANY&NJ. TOGA will use its best efforts to provide comments within ten (10) days. Approval will be provided by TOGA after all comments have been addressed to TOGA's satisfaction. Failure to complete the concession units in accordance with TOGA approved plans, specifications, and materials or the TAA submittal to the PANY&NJ, shall constitute a default. In such event TOGA may terminate this License Agreement for cause upon thirty (30) days notice for failure to complete the concession units and TOGA shall not be responsible for reimbursement to Licensee for any development, design, engineering, construction, or other costs incurred or lost revenues suffered by Licensee either prior to or after the termination of this License Agreement.

The Licensee shall install and use such cash registers, sales slips, invoicing machines and any other equipment or devices for recording orders taken or services rendered as determined by and agreed to with TOGA, or TOGA's designee, as required to confirm completeness of transactions, verification of records and accurate reporting.

If TOGA desires to install Flight Information Display (FID) monitors in the concession units, the Licensee shall allow such FIDs and speakers, supplied and installed by TOGA at TOGA's expense, at locations within the concession units. Licensee may request installation of FID monitors in the concession units at Licensee's expense if approved by TOGA. All items to be completed by the Licensee shall comply with Attachment E - Design Standards, and shall be subject to review and approval by TOGA. In the event of inconsistencies between the Design Standards and this License Agreement, this License Agreement shall control and be prevailing. TOGA shall make all final determinations or interpretations respecting the Design Standards. Licensee must also comply with the PANY&NJ's TAA guidelines for all construction in the concession units and the Terminal One Construction Requirements annex to this License Agreement as Attachment F. Licensee shall be responsible for all costs necessary to bring the concession units into compliance with any codes or regulations established by authorities with jurisdiction over Terminal One.

The Licensee shall provide to TOGA, no later than thirty (30) days after completion of the concession units, as-built drawings of the installations by the Licensee. Any modification to any installation shall also require an update by the Licensee of the as-built drawings.

14. EQUIPMENT AND INSTALLATIONS RENEWALS

The Licensee shall provide adequate reserves for the renewal and replacement of equipment and installations in the concession units. The Licensee shall promptly replace any equipment and installations that are non-repairable, non-functional, or non-operational, or have exceeded their useful life, or no longer fit the decor of the concession units or Terminal One.

It is expected that (1) furniture, fixtures and other improvements will need replacement due to wear and tear and (2) consumer tastes and expectations will change during the term of this License Agreement. Therefore, the Licensee agrees to maintain the concession units in a clean, safe, and like new condition. At each annual anniversary date of the Commencement Date of this License Agreement, Licensee and TOGA shall conduct a walk through of all units occupied by Licensee to review the condition of all fixtures, furniture and equipment. TOGA may request the Licensee to make reasonable capital expenditures to refurbish and maintain the units in clean, safe and like new condition. Refurbishment may include (1) replacement or refurbishment of furniture, fixtures, wall treatments, service stations and other areas visible to the public, (2) modification of merchandise, service or aesthetic concepts as needed to maintain consumer acceptance and revenue generation, and (3) replacement or major repair of any storage areas, as needed to maintain the operating standards through the period. Failure to refurbish the units as requested by TOGA or failure to maintain the

units in clean, safe and like new condition shall constitute a default of this License Agreement. Expenditures for refurbishment will not be counted against the Licensee's percentage fee payments or MAGs.

The Licensee will make every effort to minimize the inconvenience to the public and the loss of revenue during refurbishment and will provide temporary substitute facilities, in a location designated by TOGA and approved by the PANY&NJ, if TOGA believes they are necessary to maintain the appropriate level of customer service.

Investment in improvements and concepts shall be subject to the same provisions for review and approval by TOGA and the PANY&NJ as the initial investment.

15. COST ITEMS TO BE COMPLETED BY TOGA

TOGA, at its own cost and expense, will bring to the current concession units pipes, ducts, wires, and conduits for the supply of electricity, HVAC, and fire protection systems for use in connection with the News & Gift retail concession. Licensee shall install at its own expense any additional capacity required to operate the News & Gift retail concession beyond what is provided by TOGA. If Licensee desires to develop a news café on the Arrival Level of the Terminal, as discussed in Section 38 herein, all costs of supplying electricity, HVAC, and fire protection systems shall be at the expense of the Licensee.

16. CARE OF THE TERMINAL

TOGA shall use its best efforts to keep the terminal building in good and substantial repair and in clean and orderly condition. Licensee will be charged a monthly assessment for operation and maintenance (O&M) costs associated with public areas of the terminal building plus certain cost associated with the terminal concessions. The O&M fees shall be equal to the Terminal One operation and maintenance costs, excluding airline equipment costs, divided by the square footage of the Terminal, times the square footage of the Licensee's concession units, exclusive of additional storage area. O&M fees will be covered under separate agreement between TOGA and the Licensee and shall be payable upon invoice by TOGA. Failure to pay O&M fees invoiced by TOGA shall be a default of this License Agreement.

17. UTILITIES

Utility costs shall be paid by Licensee directly to utility provider if metered separately. Licensee shall reimburse TOGA for their allocated utility costs if such costs are not separately metered nor charged directly to Licensee by a utility. Licensee may, upon request to TOGA, review TOGA's calculation of non-metered utility costs allocated to Licensee. Licensee may request the installation and supply of supplementary utilities to operate the News & Gift retail concessions. Any supplemental utility requirements of the Licensee shall be installed, maintained, and metered by the Licensee. The costs of supplemental utilities shall be at the direct expense of the Licensee. Licensee shall use TOGA's terminal wide telephone system and will reimburse TOGA for the cost of the system installed in the concession units as well as all allocated user charges.

18. LICENSEE'S MAINTENANCE OBLIGATIONS

Licensee will maintain equipment, installations, and electrical service lines within the concession units. Telephone lines between switching rooms and the concession units and within the concession units are the responsibility of the Licensee. Licensee will deposit its garbage and waste in dumpsters provided by TOGA in the designated areas of the Terminal.

Damage outside of the concession units caused by the acts of the Licensee shall also be the responsibility of the Licensee to repair.

19. ASSIGNMENT AND SUBLICENSE

Licensee shall not at any time assign, sell, transfer, sublicense, mortgage, pledge, hypothecate, encumber, or dispossess this License Agreement or fees, revenues, or any other income from said concession units, or any

part thereof, without the consent in writing of TOGA and the PANY&NJ pursuant to a form of agreement in form and substance provided by and acceptable to TOGA and the PANY&NJ.

20. LIABILITY OF LICENSEE

Licensee assumes all risks incident to or in connection with its business to be conducted hereunder, and shall indemnify, defend and save TOGA harmless from damages or injuries of whatever nature or kind to persons or property, arising directly or indirectly out of the design, construction, or operation of its business, and shall indemnify, defend and save harmless TOGA from any penalties for violation of any law, ordinance or regulation affecting or having application to the operation of such business and from any and all claims, suits, losses, damages or injuries to any persons or property of whatsoever kind or nature arising directly or indirectly out of the operation of its business or resulting from the carelessness, negligence or improper conduct of Licensee or any of its agents or employees. Notwithstanding any provision contained herein to the contrary or by law, Licensee shall not be liable to TOGA for any physical damages sustained to the Terminal or TOGA's property as a result of fire, or any other casualty, except to the extent of the following insurance coverage, regardless of the fault of Licensee.

Licensee shall, at its own expense, keep in force insurance as follows:

- Workers' Compensation: Statutory Coverage A and B limits of \$500,000.
- Comprehensive General Liability: \$1,000,000 Combined single limit for bodily injury and property damage.
- Comprehensive Automobile: \$1,000,000 combined single limit for bodily injury and property damage.
- Umbrella Excess Coverage: \$5,000,000 combined single limit over the primary coverage.

NOTE:

- 1) Licensee will assume all liability for independent sub Agreements.
- 2) Coverage must include the PANY&NJ as an additional insured.
- 3) Automobile Coverage must include all owned, hired, and non-owned vehicles.

Licensee shall supply to TOGA and the PANY&NJ initial insurance certificates and all renewal insurance certificates evidencing such insurance. If insurance shall be canceled, not renewed, or materially changed, TOGA and the PANY&NJ shall be supplied with a written notice no less than thirty (30) days prior to said action.

21. PURCHASE OF EQUIPMENT BY TOGA

If this License Agreement shall be terminated by TOGA or the Permit revoked by the PANY&NJ without cause, TOGA agrees to purchase from the Licensee all of the improvements, furniture, furnishings, fixtures and equipment as of the date of termination, at a price which shall be determined as follows. On all improvements, furniture, furnishings, fixtures, and equipment installed by Licensee the price shall be the original cost price thereof (plus installation costs) less depreciation calculated on the basis of a seven (7) year depreciation period, or in other words, at a rate of 1/84ths of the cost price thereof per month, calculated from the date said improvements were installed in the concession units. TOGA shall not be obligated to reimburse Licensee for any improvements, fixtures, furnishings, equipment, or other buildout or refurbishment costs in the event this License Agreement is terminated or the Permit revoked due to Licensee's default of either.

Licensee shall provide to TOGA annually, on the anniversary date of this License Agreement, a statement listing all improvements on a depreciation schedule, showing original cost (including installation costs), date of purchase, date installed in the concession units, and current depreciated value. Licensee shall be obligated to fully substantiate all expenditures to TOGA's satisfaction by providing all documentation including but not limited to original contracts, contract amendments, change orders, invoices, requisitions, cancelled checks, bid

documents, etc. If the original cost price and documentation acceptable to TOGA is not provided by the Licensee for any particular piece of equipment, TOGA shall determine the purchase price.

22. LICENSES, FEES, AND TAXES

Licensee agrees to collect as appropriate, and pay any and all taxes or special assessments which may be levied or assessed upon the concession units and its business therein, and to save TOGA and said concession units harmless from any claim or liens in connection with such taxes and assessments.

23. AIRPORT RULES AND REGULATIONS

Licensee shall observe and obey all rules and regulations governing the conduct and operation of Terminal One and the Airport promulgated from time to time by TOGA or the PANY&NJ.

The Licensee shall not use or permit the use of the Terminal or other Airport facilities or any part thereof or do or permit its officers or employees or any other persons over whom it has control to do any act or thing either in the concession units or elsewhere in the Terminal or on the Airport in violation of any present or future laws, ordinances, rules or regulations of the PANY&NJ or TOGA or any other public or governmental authority with jurisdiction at the Airport.

The Licensee shall at all times maintain the concession units in compliance with any and all present and future laws, ordinances and general rules or regulations, including Attachment D - Concessionaire Rules and Regulations, of TOGA and any public or governmental authority now or at any time during the term of this License Agreement relating to sanitation or public health, safety or welfare.

24. TERMINATION BY TOGA

This License Agreement is made upon the condition that if the fees, charges or other sums which Licensee herein agrees to pay, or any part thereof, shall be unpaid on the date provided for, and shall continue unpaid for the period hereinafter mentioned, or if a default is made in any of the terms, agreements, conditions or covenants herein contained on the part of Licensee to be performed, and such default shall continue for the period hereinafter mentioned, or should Licensee abandon and cease to use the concession units for a period of seven (7) days at any one time, except when prevented by fire, earthquake, war, strikes, labor difficulties, or other force majeure event beyond its control, then, and in such event, at the option of TOGA this License Agreement shall become forfeited, and TOGA may exercise all rights of entry and re-entry upon the concession units and any and all other rights and privileges granted Licensee hereunder shall terminate. TOGA shall not be obligated to reimburse Licensee for any improvements, fixtures, furnishings, equipment, or other buildout or mid-term refurbishment costs in the event this License Agreement is terminated due to Licensee's default. Nothing herein shall limit TOGA's from recovering from Licensee unpaid future rental revenues in the event that this License Agreement is terminated due to Licensee's default.

No default shall be declared by TOGA as to any breach which may be cured or obviated by Licensee until the expiration of thirty (30) days after written notice by TOGA to Licensee of such default; and if during such thirty (30) day period such default shall have been cured or obviated, unless such breach be of such nature as to be impracticable of remedy within such period, in which event no default shall be declared if Licensee within a reasonable period of time after receipt of notice shall have commenced the curing of such breach and shall diligently prosecute the same to completion, provided, that only ten (10) days grace after notice shall be required in the case of default in the payment of fees or other charges herein provided.

TOGA may terminate this License Agreement upon thirty (30) days written notice without cause.

This License Agreement shall also be terminated effective upon the termination of the Site Lease (AYC-190), or upon revocation of the Licensee's Permit from PANY&NJ's to operate retail concessions in Terminal One.

25. TERMINATION BY LICENSEE

Licensee may terminate this License Agreement at any time upon giving TOGA sixty (60) days prior written notice of such cancellation upon or after the happening of one of the following events.

- i) The breach by TOGA of any of the covenants or agreements herein contained to be performed by TOGA and the failure by TOGA for a period of thirty (30) days, to remedy said breach, after receipt of written notice of the existence of such breach, unless such breach be of such nature as to be impracticable of remedy within such period, in which event no termination shall be declared if TOGA within a reasonable period of time after receipt of such notice shall have commenced the remedy of such breach and shall diligently prosecute the same to completion.
- ii) The assumption by the United States Government or any authorized agency thereof for the use or operation of the Terminal or any substantial part or parts thereof in such a manner as to substantially restrict Licensee from its operations thereon, if such shall continue for a period of three (3) months; provided, however, that the Licensee may give TOGA its sixty (60) day prior written notice of cancellation at any time after the end of the first thirty (30) days of the three (3) month period.

Licensee's termination of this License Agreement, pursuant to the above terms, does not terminate the Licensee's Permit from the PANY&NJ as aforesaid. The Licensee shall remain obligated to the terms and conditions set forth in the Permit unless the Permit expires by its own terms or is terminated by the PANY&NJ, in which case this License Agreement will terminate. The Permit shall control and be prevailing in the event of any inconsistencies between the terms of the Permit and the terms of this License Agreement

26. FAILURE TO PROVIDE BASIC SERVICES IN CONCESSION UNITS

Licensee agrees to provide the News & Gift retail concession services for the benefit of the public and employees at Terminal One, JFK International Airport in the concession units. Licensee's failure to provide these services for a period of seven (7) days or more will constitute a breach of this License Agreement. In any such event, TOGA reserves the right to immediately assume, without notice to Licensee, the concession units that Licensee has failed to provide service in and, at TOGA's option, may operate concession units without legal recourse to Licensee.

In the event that TOGA assumes any portion of the concession units under the terms of this section, Licensee will reimburse TOGA for TOGA's start-up costs to operate and provide the service that Licensee has failed to provide. Licensee will also leave all furnishings, equipment, furniture, and improvements in the assumed concession units, and TOGA will retain all revenues generated from sales in the assumed concession units, subject to any rental revenue sharing formula with the PANY&NJ.

27. SURRENDER OF LICENSE TO USE CONCESSION UNITS

Upon the expiration or termination of this License Agreement, Licensee's license to use the concession units, facilities, rights, services and privileges shall cease and Licensee shall forthwith, upon such expiration or termination, surrender said concession units to TOGA. Upon expiration or termination of this License Agreement, except as otherwise stipulated under Paragraph 21 of this License Agreement, all fixtures, improvements, equipment and other property brought, installed, erected, or placed by Licensee in, on or about the Terminal and the concession units under this License Agreement (such fixtures, improvements, equipment and other property to include, without limitation, pipes, pumps, wires, machinery and air-conditioning equipment) shall be deemed to be personal property and title thereto shall vest in TOGA.

28. NON-DISCRIMINATION AND AFFIRMATIVE ACTION REQUIREMENTS

The Licensee, for itself, its successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree that (1) no person on the grounds of race, creed, color, sex or national origin, shall

be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of the concession units by it, (2) that in the construction of any improvements on, over or under the concession units and furnishing of services thereon by it, no person on the grounds of race, creed, color, sex or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination, (3) that the Licensee shall use the concession units in compliance with all other requirements imposed by or pursuant to Title 49, code of Federal Regulations, and as said Regulations may be amended, and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which may from time to time be applicable to the Licensee's operations in the concession units.

Licensee assures that it will undertake an affirmative action program as required by the PANY&NJ and 14 CFR Part 152 Subpart E, to insure that no person on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities. Licensee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by Subpart E. Licensee assures that it will require that its covered sub organizations provide assurances to Licensee that they similarly will undertake affirmative action programs and that they will require assurances from the sub organization, as required by 14 CFR Part 152, Subpart E, to the same effect.

29. GENERAL PROVISIONS

- 29.1** Insofar as this License Agreement grants, permits or contemplates the use of space or facilities or the doing of any other act or thing at Terminal One by the Licensee, such use or the doing of such act or thing is to be in connection with the operation of Licensee's business as herein described. Each of the parties, however, has entered into this License Agreement solely for its own benefit and this License Agreement does not grant to any third person, except the PANY&NJ with respect to their rights set forth under the Permit and the Site Lease, a right to claim damages or to bring any suit, action or other proceeding against either TOGA or the Licensee because of any breach hereof.
- 29.2** The headings of the various titles and sections of this License Agreement are merely for the convenience of reference.
- 29.3** This License Agreement is to be read and construed in accordance with the laws of the State of New York.
- 29.4** In the event any covenant, condition or provision herein contained is held to be invalid by any court of competent jurisdiction, the invalidity of any such covenant, condition or provision shall in no way affect any other covenant, condition or provision herein contained, provided, however, that the invalidity of any such covenant, condition or provision does not materially prejudice either party hereto in its respective rights and obligations contained in the valid covenants, conditions or provisions in this License Agreement.
- 29.5** This License Agreement is entered into subject and subordinate to the terms and provisions of that certain Site Lease (AYC-190) dated as of July 13, 1994, whereby certain Airport property was leased by the PANY&NJ to TOGA, such Site Lease being of record in the offices of the PANY&NJ. Further, this License Agreement is subject to the fully executed Permit issued by the PANY&NJ for the Licensee to operate New & Gift retail concessions in Terminal One. In accordance with the terms of the Site Lease, the Permit will not be revoked by the PANY&NJ without prior written consent of TOGA. In the event of any inconsistencies between the terms of the Permit issued by the PANY&NJ to the Licensee and the terms of this License Agreement, the Permit shall control and be prevailing.
- 29.6** TOGA reserves the right to further develop the Terminal. In the event that such development directly and indirectly affects the concession units, TOGA and the Licensee shall use their best

efforts to minimize any negative effects on the other party during the development. In no event shall a reduction in the payment of fees due herein be granted.

- 29.7 The Licensee shall take all reasonable measures in every proper manner to maintain, develop and increase the business conducted by it in the concession units.
- 29.8 The Licensee shall not divert or cause or allow to be diverted any business from the concession units.

30. CONSTRUCTION REQUIREMENTS

The Licensee shall observe, obey, and comply with the Terminal One Construction Requirements, attached hereto as Attachment F, and all other rules and regulations promulgated from time to time by TOGA and the PANY&NJ respecting construction at Terminal One or the Airport. If the event of any inconsistencies between Attachment F and this License Agreement, this License Agreement shall control and be prevailing. Licensee shall be responsible for costs incurred by TOGA for the buildout of the concession units (e.g., security guards, security escorts, construction debris clean up, etc.). Licensee shall indemnify, defend, and hold TOGA harmless from any construction liens resulting from the design or construction of the concession units by the Licensee or any of the Licensee's contractors. Licensee shall immediately remedy or bond any and all liens related to the Licensee's buildout of the concession units upon notification by TOGA. Failure to remedy or bond any such liens within thirty (30) days notice by TOGA shall be a default and cause for termination upon expiration of such notice period.

31. RELOCATION

TOGA may, at its option, after the Commencement Date, elect upon at least ninety (90) days prior written notice to Licensee to substitute for the concession units other areas in Terminal One (herein called the "Substitute Concession Units") designated by TOGA. TOGA's notice shall be accompanied by a plan of the Substitute Concession Units, and such notice or the plan shall set forth the usable square foot area of the Substitute Concession Units. Licensee shall vacate and surrender the concession units and shall occupy the Substitute Concession Units promptly (and, in any event, not later than fifteen (15) business days) after TOGA has substantially completed the work to be performed by TOGA in the Substitute Concession Units as described below. Licensee shall pay the same fees and charges under Section 5, taking into account any change to the usable square foot area, plus any applicable taxes, fees, and charges required in Section 22 of this License Agreement. TOGA shall not be obligated but will use its best efforts to provide Substitute Concession Units that provide reasonably similar revenue generating opportunities as the existing concession units.

Licensee shall not be entitled to any compensation for any inconvenience or interference with Licensee's business, nor to any abatement or reduction of fees or charges excepting for any period of time during which Licensee is not permitted to operate. TOGA shall, at TOGA's expense, do the following: (i) furnish and install in the Substitute Concession Units fixtures, equipment, improvements and appurtenances comparable in kind and quality to those contained in the concession units at the time such notice of substitution is given by TOGA, (ii) and promptly reimburse Licensee for any actual and reasonable out of pocket cost incurred by Licensee in connection with Licensee's move from the concession units to the Substitute Concession Units provided such costs are approved by TOGA in advance. Licensee agrees to cooperate with TOGA so as to facilitate the prompt completion by TOGA of its obligations under this Section and the prompt surrender by Licensee of the concession units. Without limiting the generality of the preceding sentence, Licensee agrees (i) to provide to TOGA promptly any approvals or instructions, and any plans and specifications or any other information reasonably requested by TOGA, and (ii) to promptly perform in the Substitute Concession Units any work to be performed therein by Licensee to prepare the same for Licensee's occupancy.

From and after the date that Licensee shall actually vacate and surrender the concession units to TOGA, this License Agreement (i) shall no longer apply to the concession units, except with respect to obligations which accrued on or prior to such surrender date, and (ii) shall apply to the Substitute Concession Units as if the Substitute Concession Units had been the space originally provided under this License Agreement.

32. DESIGN STANDARDS

The Licensee shall observe, obey, and comply with all Design Standards as outlined in the Attachment E - Design Standards. The attachment shall be part of this License Agreement. In the event of any inconsistencies between the Design Standards and this License Agreement, this License Agreement shall control and be prevailing. TOGA shall make all final interpretations regarding requirements in the Design Standards.

33. DISCLOSURE OF CONFLICTS

TOGA requires that, prior to the award of any concession or the execution of any license or concession agreement, any conflict of interest between the TOGA Partners, their respective officers, directors, agents, or employees, or Terminal One Management, Inc. (TOMI), the General Partner of TOGA, its officers, directors, shareholder representatives, agents or employees, and any officer, director, agent or employee of Terminal One be made known.

The Licensee must disclose whether it, any of its officers, directors, agents, employees, or principals, or any of its affiliates, subsidiaries, suppliers, sub-Licensees or family members of the aforementioned individuals, has or has had within the past five (5) years, a direct or indirect business relationship with TOGA or TOMI or their respective partners, shareholders, officers, directors, shareholder representatives, agents or employees. If such a direct or indirect business relationship exists or has existed within the past five (5) years, the Licensee must fully disclose and describe the nature of the business relationship, including but not limited to the types and amounts of any payments and/or gratuities exchanged.

Failure of the Licensee to fully disclose and describe the nature of any direct or indirect business relationship in accordance with the terms of this provision shall be considered a breach of this License Agreement and may result in immediate termination and forfeiture of this License Agreement. In such event, TOGA may exercise all rights of entry and re-entry upon the concession units and any and all other rights and privileges granted Licensee herein shall terminate and Licensee shall be liable for any and all damages resulting therefrom.

34. SIGNAGE

Licensee shall be permitted to participate in a concession signage program implemented by TOGA to the extent that other Licensees are permitted to participate in the program. Signage shall be at the sole cost of the Licensee and shall be subject to the Design Standards and TOGA review and approval.

35. AMENDMENTS AND MODIFICATIONS

This License Agreement may not be changed, modified, or amended unless such change, modification, or amendment is in writing signed by TOGA and the Licensee.

36. LITIGATION

In the event that TOGA commences any action or any proceeding to enforce TOGA's rights arising under this License Agreement, the Licensee shall pay all of the attorneys' fees, costs, and disbursements incurred by TOGA in connection with any such action or any such proceeding, including, but not limited to, a summary proceeding to evict the Licensee from the concession units. The Licensee hereby waives its right to a jury trial in connection with any action or any proceeding arising from this License Agreement. The

Licensee hereby waives its right to assert any and all counterclaims against TOGA in connection with any action or any proceeding commenced by TOGA to enforce TOGA's rights under this License Agreement.

37. NON-WAIVER

After the Licensee has defaulted in fulfilling any of its obligations under this License Agreement, TOGA's acceptance of any fees paid by the Licensee to TOGA shall not constitute a waiver of any such default and shall not prevent TOGA from seeking to enforce its rights under this License Agreement, including, but not limited to, termination under Section 24 of this License Agreement.

38. ARRIVAL LEVEL CONCESSION UNIT

TOGA will consider a centrally located news café on the Arrival Level to be operated by the Licensee. Any such agreement may adjust the MAG in Section 5 of this License Agreement. The percentage fee on food and beverage sales shall be 19.0 percent. Eighty-percent of the MAG and percentage fees on food and beverage sales shall be paid to TOGA and twenty-percent shall be paid to the PANY&NJ. Resolution of the news café issue shall not delay the Commencement Date or the payment of the MAG or interim MAG. If TOGA chooses not to approve a centrally located facility on the Arrival Level, then the Concessionaire will redevelop the existing news and gift concession unit on the Arrival Level of the Terminal consistent with the redevelopment of the news and gift facilities on the Departure Level of the Terminal. The Concessionaire will complete redevelopment of either alternative on the Arrival Level within one hundred and twenty (120) days of written notification by TOGA to Licensee, stating that the Licensee shall proceed with such redevelopment. The Licensee shall begin paying the MAG upon expiration of such one-hundred and twenty (120) day period.

GUARANTEE OF FINANCIAL PERFORMANCE

TOGA and the Licensee have entered into this License Agreement under the condition that NationsCredit Commercial Funding will provide a financial guarantee of the License Agreement. Throughout the term of this License Agreement NationsCredit Commercial Funding (Nations) will issue, or cause the issuance of, a Bank Letter of Credit (LOC), acceptable to TOGA in an amount no less than one million dollars (\$1,000,000.00) which may be drawn upon by TOGA in immediate available funds without prior notice to Nations due to the Licensee's failure to make any payments due under the License Agreement after the expiration of appropriate notice and cure periods as provided under the License Agreement. TOGA may draw on the LOC until such time as the Licensee vacates all the news and gift concession units and a replacement operator of the concession units is secured by TOGA and assumes the operation of the concession units. The remainder of the LOC will serve to indemnify TOGA against any loss resulting from Licensee's breach under this License Agreement and TOGA will endeavor to mitigate such losses. Any such indemnity shall expire seven years from the Commencement date of the License Agreement. Any draws against the LOC shall not constitute a cure of any breach of the License Agreement by the Licensee.

For NationsCredit Commercial Funding

Managing Director & Chief Operating Officer

GUARANTEE OF OPERATIONAL PERFORMANCE

TOGA and the Licensee have entered into this License Agreement under the condition that Hudson News Company will provide an operational guarantee of the License Agreement. Throughout the term of this License Agreement Hudson News Company guarantees that in the event that the Licensee fails to perform any of the services required under this License Agreement, excepting financial obligations, Hudson News Company will provide any and all staffing, management, retail expertise, inventory, etc, necessary to perform the services required under this License Agreement. In the event that Hudson News Company fails to provide services in fulfillment of this Guarantee of Operational Performance, then TOGA may provide the necessary services, or secure a qualified and experienced airport retail news and gift operator to provide such services, and Hudson News Company shall reimburse TOGA for any expenses incurred in providing such services or securing an operator to provide such services.

THIS AGREEMENT SHALL NOT BE BINDING UPON THE
PORT AUTHORITY UNTIL DULY EXECUTED BY AN
EXECUTIVE OFFICER THEREOF AND DELIVERED TO THE PERMITTEE AND THE
SUBLESSEE BY AN AUTHORIZED REPRESENTATIVE OF THE PORT AUTHORITY

Port Authority Permit No. AYD-476
Consent to Sublease No. AYD-540
John F. Kennedy International Airport

CONSENT AGREEMENT

THIS AGREEMENT, effective as of July 29, 2005 ("Effective Date"), by and among **THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY** ("Port Authority"), **WESTFIELD CONCESSION MANAGEMENT, INC.** ("Permittee"), **AIRPORT MANAGEMENT SERVICES, LLC**, dba The Hudson Group, a limited liability company organized and existing under the laws of the State of Delaware with an office and place of business at One Meadowlands Plaza, 9th Floor, East Rutherford, New Jersey 07073, whose representative is Jay G. Marshall, and consented to by **AMERICAN AIRLINES, INC.** ("Airline").

WITNESSETH, That:

WHEREAS, by a certain agreement of lease dated as of December 22, 2000 bearing Port Authority Lease No. AYB-085R (as may have been heretofore and may be hereafter amended, supplemented or extended, the "Airline Lease") the Port Authority leased to the Airline certain premises at John F. Kennedy International Airport ("Airport") for certain passenger terminal facilities ("Terminal"), as set forth in Section 5 of the Airline Lease; and

WHEREAS, it was contemplated under the Airline Lease that certain food and beverage, newsstand, specialty retail and other consumer service facilities would be operated in certain portions of the Terminal pursuant to agreements covering the operation of such consumer service facilities and it was stipulated in the Airline Lease that Port Authority consent to the arrangements covering the operation of such consumer service facilities would be required; and

WHEREAS, the Airline and the Permittee have entered into an agreement made as of September 2, 2004 (as may have been heretofore and may be hereafter amended, supplemented or extended, the "Concession Lease") under which the Permittee agreed to provide certain development, leasing, and management services with respect to consumer service operations at the Terminal; and

WHEREAS, the Port Authority and the Permittee have entered into a certain permit agreement identified above by Port Authority Permit Number AYD-476 (as may have been heretofore and may be hereafter supplemented, amended and extended, the "Permit") and covering the services and facilities which the Permittee agreed to provide pursuant to the terms of the Concession Lease; and

WHEREAS, the applicable provisions of the Concession Lease and the Permit require the Permittee to enter into an agreement with a third party unrelated to the Permittee in any manner to operate each consumer service facilities required to be provided pursuant to the terms of the Airline Lease, the Concession Lease and the Permit, provided that the proposed Sublessee and all the terms of its sublease agreement with the Permittee are consented to in writing in advance by the Port Authority and the Airline; and

WHEREAS, the Permittee and the Sublessee have entered into a sublease agreement, consented to by the Airline, a copy of which is attached hereto and made a part hereof ("Sublease"), covering portions of the premises under the Concession Lease (such portions, being hereinafter collectively called the "Space" or the "Spaces"); and

WHEREAS, the Permittee and the Airline have requested the consent of the Port Authority to the proposed Sublease;

NOW, THEREFORE, for and in consideration of the covenants and mutual agreements herein contained, the Port Authority, the Permittee and the Sublessee hereby agree effective as of the Effective Date, as follows:

1. On the terms and conditions hereinafter set forth, the Port Authority consents to the Sublease.
2. Notwithstanding anything in the Sublease to the contrary, both this Consent Agreement and the Sublease shall terminate, without notice to the Permittee or the Sublessee, on the earliest to occur of: (a) the day preceding the date of expiration or earlier termination of the Airline Lease; (b) the effective date of any revocation of this Consent pursuant to Paragraph 7 hereof; (c) if applicable, the day preceding the date of expiration or earlier termination of the Concession Lease in accordance with its terms; (d) the date of expiration or earlier termination of the Sublease; (e) or such earlier date as the Permittee and the Sublessee may agree upon subject to the terms and provisions hereof. The Sublessee shall cease its activities and operations at the Space and shall quit the Space covered by the Sublease and remove its property and property for which it is responsible therefrom on or before the termination of the Sublease. Further, effective from and after October 13, 2005, and continuing during the term granted under this Consent and the Sublease, in the event the Port Authority exercises its right to revoke or terminate this Consent for any reason other than "without cause", the Lessee and the Sublessee shall be obligated to pay to the Port Authority an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such

termination, cancellation, re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of any premises which may be used and occupied under this Consent (on failure of the Lessee and the Sublessee to have restored), preparing such premises for use by a succeeding permittee or lessee, the care and maintenance of such premises during any period of non-use of the premises, the foregoing to include without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), repairing and altering the premises and putting the premises in order (such as but not limited to cleaning and decorating the same).

3. If the Permittee shall at any time be in default of its obligations under the Permit, the Sublessee shall on demand of the Port Authority pay directly to the Port Authority any rental, fee or other amount due to the Permittee from the Sublessee (including, but not limited to, late charges, liquidated damages, fines and the like). No such payment shall relieve the Permittee from any obligation under the Permit or under this Consent but all such payments shall be credited against the obligations of the Permittee or of the Sublessee, as the Port Authority may determine for each payment or part thereof, in accordance with the provisions of the Permit, Concession Lease and the Airline Lease and consistent with paragraph 4(a) hereof.

4. (a) Neither this Consent, nor anything contained herein, shall constitute or be deemed to constitute a consent to nor shall they create an inference or implication that there has been consent to any enlargement, diminishment, impairment, variation or change in the rights, powers and privileges granted to the Airline under the Airline Lease or to the Permittee under the Permit, nor any limitation, diminishment, modification, change or impairment of any of the rights, powers, privileges or remedies of the Port Authority under the Airline Lease or Permit, nor consent to the granting or conferring of any rights, powers, or privileges to the Sublessee as may be provided by the Sublease if not granted to the Airline under the Airline Lease and to the Permittee under the Permit. Neither this Consent nor anything contained herein, nor any termination of the Sublease, shall affect, impair, diminish, or change any of the duties, responsibilities, liabilities and obligations imposed on the Airline under the Airline Lease and on the Permittee under the Permit nor constitute or be deemed to constitute a release of the Airline or the Permittee, respectively, from any such duties, responsibilities, liabilities and obligations. The Sublease is an agreement between the Permittee and the Sublessee with respect to the various matters set forth therein. Neither this Consent nor anything contained herein shall constitute an agreement between the Port Authority, the Airline or the Permittee that the provisions of the Sublease shall apply and pertain as between them, it being understood that the terms, provisions, covenants, conditions and agreements of the Airline Lease and the Permit shall, in all respects, be controlling, effective and determinative. In addition, in any case of difference or inconsistency between the provisions of this Consent and those of the Sublease, this Consent shall be controlling and, in any case of difference or inconsistency between the terms of the Sublease and those of the Airline Lease or between the terms of the Sublease and those of the Permit, the terms of the Airline Lease, or of the Permit, as the case may be, shall control. The specific mention of or reference to the Port Authority in any part of the Sublease, including, without limitation thereto, any mention of any consent or approval of the

Port Authority now or hereafter to be obtained, shall not be or be deemed to create an inference that the Port Authority has granted its consent or approval thereto under this Consent or shall thereafter grant its consent or approval thereto or that the subject matter as to which the consent or approval applies has been or shall be approved or consented to in principle or in fact or that the Port Authority's discretion pursuant to the Airline Lease and Permit as to any such consents or approvals shall in any way be affected or impaired. The lack of any specific reference in any provisions of the Sublease to Port Authority approval or consent shall not be deemed to imply that no such approval or consent is required and the Airline Lease and Permit shall, in all respects, be controlling, effective and determinative.

(b) No provisions of the Sublease including, but not limited to, those imposing obligations on the Sublessee with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Sublease covering actions which shall or may be undertaken by the Sublessee or the Permittee including, but not limited to, construction on the Space covered by the Sublease, title to property, the right to assign (by operation of law or otherwise) the Sublessee's interest in the Sublease, or to further sublease the Space or any part thereof, and the right to perform services, be deemed to imply or infer that either the Port Authority consent or approval thereto will be given or that either Port Authority discretion with respect thereto will in any way be affected or impaired. References in this paragraph to specific matters and provisions shall not be construed as indicating any limitation upon the rights of the Port Authority with respect to its discretion as to the granting or withholding of approvals or consents as to other matters and provisions in the Sublease which are not specifically referred to herein.

(c) Notwithstanding anything to the contrary stated in the Sublease, the Port Authority does not and shall not grant or permit a cure or grace period to the Sublessee with respect to the Sublessee's monetary payment defaults to the Port Authority.

(d) No changes, amendments, renewals or extensions to the Sublease shall be binding or effective upon the Port Authority unless the same have been approved in advance by the Port Authority in writing. The Port Authority may at any time and from time to time by notice to the Permittee and the Sublessee modify, withdraw or amend any approval, direction, or designation given hereunder or pursuant hereto to the Permittee or the Sublessee. The Sublease shall not be changed, modified, discharged, renewed or extended except by written instrument duly executed by the parties thereto and only with the express prior written consent of the Port Authority.

5. The Sublessee, in its operations under and in connection with the Sublease and in its use and/or occupancy of the Space, agrees to assume, observe, be bound by and comply with all the terms, provisions and conditions of the Airline Lease and the Permit.

6. The granting of this Consent by the Port Authority shall not be, and shall

not be deemed to operate as, a waiver of the rights of the Port Authority or of its required consent to any subsequent sublease, sublicensing, or other agreement with respect to the use or occupancy of the Space or any other portion of the Terminal, or to any assignment of the Permit or the Sublease or of any rights under any of the foregoing, whether in whole or in part.

7. The Port Authority shall have the right to revoke this Consent at any time without cause, on thirty (30) days' notice to the Sublessee, as to any one or more of the Spaces at which the Sublessee has permission to operate, and no such revocation shall be deemed to affect the Permit or the continuance thereof, but the Sublease as it applies to the Space which is subject to revocation shall be terminated thereby. For informational purposes, the Port Authority will send a copy by regular first class mail of such notice to the Permittee, but failure on the part of the Port Authority to send the informational copy shall not however be or be deemed to be a breach of this Consent, or impair or affect the validity of the notice or request actually given.

8. The Port Authority shall not be obligated to perform or furnish any services or utilities whatsoever in connection with this Consent and the Sublease or the use and occupancy of the Space thereunder.

9. The Sublessee hereby represents and covenants to the Port Authority that it has complied with and will comply with all laws, governmental rules, regulations and orders now or at any time during the term of the Sublease which as a matter of law are applicable to or which affect the operations of the Sublessee under the Sublease or its use and/or occupancy of the Space. The obligation of the Sublessee hereunder to comply with governmental requirements is provided herein for the purpose of assuring proper safeguards for the protection of persons and property. Such provision is not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

10. (a) If the Sublessee shall fail to pay any amount required under this Consent when due to the Port Authority, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four (24) late charge periods during each calendar year; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (15) (but not less than thirteen (13)) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Consent. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the

provisions of this paragraph, with respect to such unpaid amount. Nothing in this paragraph is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Consent, including without limitation under Paragraph 7 hereof or (ii) any obligations of the Sublessee under this Consent. In the event that any late charge imposed pursuant to this Paragraph shall exceed a legal maximum applicable to such late charges, then, in such event, each such late charge payable under this Consent shall be payable instead at such legal maximum.

(b) Effective from and after October 13, 2005, and continuing during the effective term under this Consent and the Sublease, in the event that upon conducting an examination and audit as described in this above the Port Authority determines that unpaid amounts are due to the Port Authority by the Lessee and Sublessee, the Lessee and the Sublessee shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount of five percent (5%) of each amount determined by the Port Authority audit findings to be unpaid. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Lessee and the Sublessee under this Consent or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Consent with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Consent is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Consent or the Lease, including, without limitation, the Port Authority's rights to terminate this Consent or (ii) any obligations of the Lessee and the Sublessee under this Consent.

11. Reference herein to the Sublessee shall mean and include the Sublessee, its directors, officers, agents, employees, contractors, subcontractors and others on the Space or on the Airport with the consent of the Sublessee.

12. It is hereby acknowledged and agreed by the Permittee and the Sublessee that the Port Authority has no obligation under the Airline Lease, the Sublease, this Consent or otherwise to pay, subsidize or in any manner whatsoever finance, directly or indirectly, all or any portion of any amount of the Sublessee's capital investment in the Space or at the Terminal, whether amortized or unamortized. Any specific mention of or reference in the Sublease to the Port Authority in connection with any payment or other compensation to the Sublessee, upon termination of the Sublease or the Concession Lease or upon revocation of this Consent with or without cause (in accordance with the terms of Paragraph 7 hereof), of any amount of the Sublessee's capital investment in the Space or at the Premises shall not be or be deemed to create an obligation or inference of an obligation on the part of the Port Authority to either the Sublessee or the Permittee to pay, subsidize or finance said unamortized capital investment.

13. (a) Without in any manner affecting the obligations of the Airline under the Airline Lease or of the Permittee under the Permit and under this Consent, and notwithstanding the terms and conditions of the Sublease, the Sublessee shall make repairs and replacements in, at or about the Space as if it were the Permittee under the Permit. In addition, the Sublessee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, and the City of New York, from and against (and shall reimburse the Port Authority for its costs and expenses including attorneys' fees and other legal expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death, for personal injuries and for property damages, arising out of a breach or default of any term or provision of this Consent by the Sublessee or out of its operations under the Sublease or at the Space or out of the use or occupancy of the Space by the Sublessee or others with its consent, or out of any other acts or omissions of the Sublessee, its officers, employees, agents, representatives, contractors, customers, guests, invitees and other persons who are doing business with the Sublessee or who are at the Space or the Premises with the consent of the Sublessee, or out of any other acts or omissions of the Sublessee, its officers and employees at the Airport including claims and demands of the City of New York, from which the Port Authority derives its rights in the Airport, for indemnification, arising by operation of law or pursuant to the Basic Lease (as defined in the Lease) whereby the Port Authority has agreed to indemnify the City of New York against claims. However, all acts and omissions of the Sublessee shall be deemed to be acts and omissions of the Permittee under the Permit and the Lessee shall also be severally responsible therefor, including but not limited to the obligations of indemnification, repair and replacement.

(b) If so directed, the Sublessee shall at its own expense defend any suit based upon any such claim or demand (even if such claim or demand is groundless, false or fraudulent), and in handling the same it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

14. (a) In addition to the insurance required to be maintained by the Sublessee under the Sublease, the Sublessee in its own name as insured and including the Port Authority as additional insured shall maintain and pay the premiums during the term of the Sublease on a policy or policies of Commercial General Liability insurance, including premises operations, products liability, liquor liability, and completed operations and covering bodily injury, including death, and property damage liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage in the limits set forth below. Each of the aforesaid policy or policies of insurance shall also provide or contain an endorsement providing that the protections afforded the Sublessee thereunder with respect to any claim or action against the Sublessee by a third person shall pertain and apply with like effect with respect to any claim or action against the Sublessee by the Port Authority, and with respect to any claim

or action against the Port Authority by the Sublessee as though the Port Authority was the named insured thereunder, but such endorsement shall not limit, vary, change, or affect the protections afforded the Port Authority thereunder as additional insured. The said policy or policies of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Sublessee under this subparagraph (a).

Minimum Limits

Commercial General Liability

| | |
|--|-------------|
| Combined single limit per occurrence for bodily injury and property damage liability: | \$2,000,000 |
|--|-------------|

Without limiting the provisions hereof, in the event the Sublessee maintains any of the foregoing insurance in limits greater than aforesaid, the Port Authority shall be included therein as an additional insured to the full extent of all such insurance in accordance with all terms and provisions hereof.

(b) All insurance coverages and policies required under this paragraph may be reviewed by the Port Authority for adequacy of terms, conditions and limits of coverage at any time and from time to time during the term of the consent hereunder. The Port Authority may, at any such time, require commercially reasonable additions, deletions, amendments or modifications to the above-scheduled insurance requirements, or may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem required.

(c) As to the insurance required by the provisions of subparagraph (a) of this Paragraph, a certified copy of each of the policies or a certificate or certificates evidencing the existence thereof, or binders, shall be delivered to the Port Authority prior to the use of any portion of the Space by the Sublessee. Each policy, certificate or binder delivered as aforesaid shall bear the endorsement of or be accompanied by evidence of payment of the premium thereon. In the event any binder is delivered it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate. Each such copy or certificate shall contain a valid provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' written advance notice thereof to the Port Authority. Each such copy or certificate shall contain an additional endorsement that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, its Commissioners, officers, agents or employees, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority. A certificate or other evidence of any renewal policy shall be delivered to the Port Authority prior to the expiration of each expiring policy, except for any policy expiring after the date of expiration of the term of the

Sublease. The aforesaid insurance shall be written by a company or companies approved by the Port Authority the Port Authority agreeing not to withhold its approval unreasonably. If at any time any of the insurance policies shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policies shall become unsatisfactory to the Port Authority, the Sublessee shall promptly obtain a new and satisfactory policy in replacement the Port Authority covenanting and agreeing not to act unreasonably hereunder. If the Port Authority at any time so requests, a certified copy of each of the policies shall be delivered to the Port Authority.

15. Without limiting the generality of the provisions of this Consent, the terms, provisions, conditions and agreements of the Airline Lease shall, in all respects, be controlling, effective and determinative and to the extent that any provisions of the Sublease are contrary to, conflict with or are inconsistent with the Airline Lease or this Consent then such provisions of the Sublease shall be deemed null and void and of no force or effect as to the Port Authority, and of no force or effect on the Airline Lease.

16. The Sublessee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Sublessee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Sublessee assures that it will require that its covered suborganizations provide assurances to the Sublessee that they similarly will undertake affirmative programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

17. Nothing contained in this Consent nor in the Sublease, including without limitation the payment obligation of the Sublessee under Article II of the Sublease, nor the acceptance of any such payment thereunder by the Port Authority from the Sublessee shall create or be deemed to have created a landlord-tenant relationship or privity of estate between the Port Authority and the Sublessee nor shall it be or be deemed to be an attornment by the Sublessee to the Port Authority nor acceptance thereof by the Port Authority and the Sublease and the occupancy by the Sublessee of the Space shall in all events be and remain subject and subordinate to the Airline Lease, Concession Lease and the Permit, consistent with paragraph 4(a) hereof. Neither a partnership nor any joint venture is hereby or by the Sublease created or implied notwithstanding the provisions of the Sublease.

18. Nothing contained in this Consent or the Sublease shall be or deemed to be consent to, or approval of, the erection of any structures, or the making of any improvements, alterations, modifications, additions, repairs or replacements to the Space or the Premises including without limitation the installation of any signs at the Airport. The Permittee and Sublessee agree that no construction, installation or the like, as aforesaid, shall be performed without the prior written approval of the Port Authority and subject to the terms and conditions

of the Airline Lease and an approved Tenant Alteration Application which the Sublessee shall prepare and the Permittee and/or the Airline shall submit to the Port Authority.

19. Notwithstanding anything to the contrary stated in the Concession Lease, the Permit or the Sublease, the cost of utilities shall not be charged to the Sublessee unless the Sublessee is a food/beverage vendor, all in accordance with the Airline Lease. By signing below, the Airline expressly agrees to the foregoing, and agrees that the Airline shall not charge to the Permittee the cost of any utilities other than as aforesaid in this Paragraph.

20. Except where expressly required or permitted herein to be oral, all notices, directions, requests, consents and approvals required to be given to or by either party shall be in writing, and all such notices and requests shall be personally delivered to the duly designated officer or representative of such party or delivered to the office of such officer or representative during regular business hours, or forwarded to him or to the party at such address by registered or certified mail. Such designated officer or representative of the Port Authority and the Permittee and their respective offices shall be as set forth in the Permit. The Sublessee shall from time to time designate in writing an office within the Port of New York District and an officer or representative whose regular place of business is at such office upon whom notices and requests may be served. Until further notice, the Sublessee designates the representative named on the first page of this Consent as its representative upon whom notices and requests may be served and its address stated on the first page of this Consent as its office where notices and requests may be served. If mailed, the notices herein required to be served shall be deemed effective and served as of the date of the registered or certified mailing thereof.

21. This Consent and the interpretation, validity and enforceability thereof shall be governed by the laws of the State of New York.

22. Neither the Commissioners of the Port Authority nor any of them, nor any director, officer, agent or employee of the Port Authority, the Airline or the Permittee shall be held personally liable to any party under any term or provision of this Consent or because of its execution or attempted execution or because of any breach or alleged breach thereof.

23. (a) "Airport" shall mean the land and premises in the City of New York, in the County of Queens and State of New York, which are shown in green upon the Exhibit attached to the Basic Lease between The City of New York and the Port Authority referred to in subdivision (b) below, said Exhibit being marked "Map II", and lands contiguous thereto which may have been heretofore or may hereafter be acquired by the Port Authority to use for air terminal purposes.

(b) "Basic Lease" shall mean the Amended and Restated Agreement of Lease of the Municipal Air Terminals between The City of New York, as Landlord, and The Port Authority of New York and New Jersey, as Tenant, dated as of November 24, 2004 and recorded in the office of the city Register of the city on December 3, 2004 under City Register File No.

subtenants, concessionaires and others performing work and/or who are conducting operations in the Premises. Any capitalized terms not otherwise defined herein shall have the same meanings as set forth in the Concession Area Lease. American and the Authority are express and intended third party beneficiaries of this Sublease.

DATA SHEET

The following references furnish data which is hereby incorporated into the specified sections hereof:

(1) **Section 1.02: Term:** (a) **Latest Rental Commencement Date:** August 1, 2005. If Concourse C has not opened to the public for "Enplaned Passengers" (as defined below) operations by August 1, 2005, then the Latest Rental Commencement Date shall be extended until the date in which Concourse C is opened for such "Enplaned Passengers" operations; (b) **Expiration Date:** The seventh (7th) anniversary of the "Concourse B Opening Date" (as defined below) for Enplaned Passengers operations, as confirmed in a letter from Landlord to Tenant.

(2) **Section 2.01: Minimum Annual Guaranteed Rent ("Guaranteed Rent") and Section 2.02: Percentage Rent ("Percentage Rent"):**

Rental Commencement Date to Expiration Date: Tenant shall pay to Landlord, the greater of Guaranteed Rent or Percentage Rent as follows:

(i) **Guaranteed Rent:** Five Hundred Five Thousand and No/100 Dollars (\$505,000.00) per Lease Year payable in equal consecutive monthly installments of Forty Two Thousand Eighty Three and No/100 Dollars (\$42,083.00), subject to annual adjustments based upon the "Percentage Change in Enplaned Passengers"; and/or

(ii) **Percentage Rent:** Percentage Rent rates as follows ten percent (10%), twelve percent (12%); fourteen percent (14%); or twenty-four percent (24%) (collectively, the "Applicable Percentage Rent Rates") as follows: (a) ten percent (10%) of all Gross Receipts on the sale of Books; plus (b) twelve percent (12%) of all Gross Receipts on the sale of Coffee/Café Items; plus (c) fourteen percent (14%) on the sale of all items listed as Category "A" Products; plus (d) twenty-four percent (24%) of all Gross Receipts on the sale of items listed as Category "B" Products. Books, Coffee/Café Items, Category "A" Products and Category "B" Products are set forth on Exhibit L attached hereto and made a part hereof.

(3) **Section 2.06: Additional Rent:** Additional Rent shall include but not be limited to the following items: (a) **Section 2.03: Storage Premises Rent:** If, applicable, Tenant shall pay Storage Premises Rent as referenced in Section 2.03; (b) **Section 2.04: Taxes:** Tenant shall pay its proportionate share of Taxes as provided in Section 2.04; (c) **Section 2.05: Miscellaneous Charges:** Tenant shall pay miscellaneous charges for employee parking, security checks and identification badges and screening of goods, products, equipment and supplies as charged by Landlord, American, the Authority or applicable regulatory agencies from time to time, subject to adjustment; (d) **Section 8.04: Logistical Support and Public Area Maintenance Fee:** Tenant shall pay its proportionate share of the Logistical Support and Public Area Maintenance Fee; (e) **Section 12.01: Utilities:** For the portion of the Premises in which Tenant offers and sells the Coffee/Café Items, Tenant shall pay electricity consumed in such portion of the Premises; and (f) **Section 16.03: Joint Marketing Fund:** Tenant shall contribute to the Joint Marketing Fund, calculated on the basis of one-half percent (.50%) of Gross Receipts per month, payable monthly, subject to adjustment as provided in Section 16.03.

XXVI of this Sublease. No surety bonds shall be permitted.

Kennedy International Airport, Bank of America, File #50429, Remittance Banking, Unit 5195, 1000 West Temple Street, Ground Floor, Los Angeles, CA 90012 (Via Overnight Delivery Service).

(9) **Section 14.01(b): Minority-Owned Business Enterprises, Women-Owned Business Enterprises and/or Disadvantaged Business Enterprises (“M/W/DBE”) Requirements:** Not applicable.

liquidated damages and not as a penalty, \$500.00 per day for each day Tenant is not open for business after and including the Latest Rental Commencement Date. If such failure shall continue for in excess of 60 days, the amount of such liquidated damages may be increased up to a maximum of \$1,000.00 per day. This remedy shall be in addition to any and all other remedies provided in this Sublease or by law to Landlord in the event of default by Tenant. Such liquidated damages shall be deemed to be in lieu of Percentage Rent only that might have been earned during the period of Tenant's failure to open.

Section 1.04 CONSENT. Tenant acknowledges that under the Concession Area Lease and the Authority Lease, American and the Authority may have the right to consent to or approve matters which are described herein as being subject to the consent or approval of Landlord. Tenant agrees that Landlord, its agents and employees, shall be deemed to have acted reasonably if they act, fail to act, withhold or delay any consent or approval hereunder and such consent or approval is being withheld or delayed by or at the direction of either American or the Authority, whether or not American or the Authority is acting reasonably in making or refusing to make such determination. Landlord, its agents and employees, shall not have any liability to Tenant for any reason whatsoever in failing to obtain any such consent or approval.

Section 1.05 DISCLAIMER. TENANT ACKNOWLEDGES THAT NEITHER LANDLORD, AMERICAN, THE AUTHORITY NOR ANY OF THEIR RESPECTIVE EMPLOYEES, AGENTS, REPRESENTATIVES OR BROKERS HAVE MADE ANY REPRESENTATION OR WARRANTY OF SUITABILITY, FITNESS FOR A PARTICULAR PURPOSE OR ANY REPRESENTATION OR WARRANTY OF ANY KIND RESPECTING USE, OCCUPANCY OR OPERATION WITHIN THE TERMINAL AND/OR THE AIRPORT BY ANY AIRLINES, PERSONS OR ENTITIES INCLUDING, WITHOUT LIMITATION, ANY FORECASTED, ANTICIPATED OR ESTIMATED PASSENGER VOLUME (WHETHER ENPLANEMENTS OR DEPLANEMENTS) IN THE TERMINAL AND/OR THE AIRPORT OR SALES EXPECTED TO BE GENERATED AT OR FROM THE PREMISES. TENANT IRREVOCABLY WAIVES ANY CLAIM BASED UPON OR RELATED TO ANY SUCH CLAIMED REPRESENTATION BY LANDLORD, AMERICAN OR THE AUTHORITY. NO REPRESENTATIONS OR WARRANTIES AS TO THE ECONOMIC VIABILITY OF THE PREMISES OR THE AMOUNT OF PASSENGERS TO BE ENPLANED IN THE TERMINAL HAVE BEEN MADE. NO PROMISES TO ALTER, REMODEL OR IMPROVE, THE PREMISES, CONCESSION AREA OR THE TERMINAL HAVE BEEN MADE BY LANDLORD OR AMERICAN EXCEPT AS EXPRESSLY SET FORTH HEREIN OR IN THE CONCESSION AREA LEASE. PASSENGER COUNTS, PASSENGER FLOWS AND OTHER CUSTOMER TRAFFIC ARE IN THE MOST PART PRODUCTS OF AIRLINE SCHEDULES AND GATE UTILIZATION AND GOVERNMENTAL RULES AND REGULATIONS GOVERNING SECURITY AND EMERGENCY SITUATIONS AND MAY RESTRICT ACCESS TO THE TERMINAL. TENANT MAY NOT RELY ON ANY IMPLIED REPRESENTATIONS OR WARRANTIES (THE EXISTENCE OF WHICH ARE HEREBY DISCLAIMED), OR THE ACCURACY OF PROJECTIONS OR PROSPECTIVE INFORMATION PROVIDED IN CONNECTION WITH THE EXECUTION OF THIS SUBLEASE. TENANT REPRESENTS THAT TENANT HAS CONDUCTED AN INDEPENDENT AND EXPERT INVESTIGATION AND EVALUATION OF THE TERMINAL, THE PREMISES AND ALL INFORMATION PROVIDED IN CONNECTION WITH THE EXECUTION OF THIS SUBLEASE.

ARTICLE II. RENTALS

Section 2.01 MINIMUM ANNUAL GUARANTEED RENT. Tenant shall pay to Landlord

2004000748687, as the same may have been or may be amended or supplemented.

(c) The Sublessee acknowledges that it has received and is familiar with, or has had an opportunity to receive and become familiar with, the contents of a copy of the Basic Lease. The rights of the Port Authority in the Space are those granted to it by the Basic Lease, and no greater rights are granted or intended to be granted to the Sublessee than the Port Authority has power thereunder to grant.

(d) In accordance with the provisions of the Basic Lease, the Port Authority and the Sublessee hereby agree as follows:

(1) This Consent is subject and subordinate to the Basic Lease and to any interest superior to that of the Port Authority;

(2) The Sublessee shall not pay rent or other sums under this Consent for more than one (1) month in advance (excluding security and other deposits required under this Consent);

(3) With respect to this Consent, the Sublessee on the termination of the Basic Lease will, at the option of The City of New York, attorn to, or enter into a direct lease on identical terms with, the City;

(4) The Sublessee shall indemnify the City with respect to all matters described in Section 31 of the Basic Lease;

(5) The Sublessee shall not use the Space hereunder for any use other than as permitted under the Basic Lease;

(6) The Sublessee shall use, operate and maintain the Space hereunder in a manner consistent with the Port Authority's obligations under Section 28 of the Basic Lease;

(7) The failure of the Sublessee to comply with the foregoing provisions shall be an event of default under this Consent, which, after the giving of reasonable notice, shall provide the Port Authority with the right to terminate this Consent and exercise any other rights that the Port Authority may have hereunder; and

(8) The City shall be named as an additional insured or loss payee, as applicable, under each policy of insurance procured by the Sublessee pursuant to this Consent.

(e) The rights and obligations of the Sublessee with respect to continuance of this Consent upon the expiration or termination of the Basic Lease shall be as set forth in paragraph (d)(3) of this Paragraph and the Sublessee shall not enter into any recognition or non-disturbance agreement with the City with respect to the continuance of this Consent after the termination or

expiration thereof or into any other agreement covering the Sublessee's use and occupancy of the Space hereunder.

IN WITNESS WHEREOF, the Port Authority, the Permittee and the Sublessee have executed these presents.

**FIRST SUPPLEMENTAL AGREEMENT TO
CONSENT AGREEMENT**

THIS AGREEMENT, effective as of November 30, 2006 (the "Effective Date"), by and among **THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY** (hereinafter called the "Port Authority"), **WESTFIELD CONCESSION MANAGEMENT,LLC.**, a Delaware limited liability company (hereinafter called the "Permittee") and **AIRPORT MANAGEMENT SERVICES, LLC**, dba The Hudson Group, a Delaware limited liability company (hereinafter called the "Sublessee") and consented to by **AMERICAN AIRLINES, INC.** (herinafter called "Airline").

WITNESSETH, That:

WHEREAS, heretofore and as of July 29, 2005 the Port Authority, the Permittee and the Sublessee entered into a consent agreement (the "Consent Agreement") pursuant to which the Port Authority granted its consent to the Sublease (as such term is defined in the Consent); and

WHEREAS, the Permittee and the Sublessee have requested the consent of the Port Authority to a proposed First Amendment to Sublease, made as of November 30, 2006, providing, among other things, for the addition of certain space to the Space (as such term is defined in the Consent), a copy of which is attached hereto and made a part hereof (the "First Sublease Amendment");

NOW, THEREFORE, for and in consideration of the covenants and mutual agreements herein contained, the Port Authority, the Permittee and the Sublessee hereby agree as of the Effective Date as follows:

1. The Port Authority hereby consents to the First Sublease Amendment.

2. Except as hereby amended, all of the terms, covenants, provisions, conditions and agreements of the Consent Agreement shall be and remain in full force and effect.

3. The Permittee and the Sublessee represent and warrant that no broker has been concerned in the negotiation of this Agreement and that there is no broker who is or may be entitled to be paid a commission in connection therewith. The Permittee and the Sublessee shall indemnify and save harmless the Port Authority of and from all claims for commission or brokerage made by any and all persons, firms or corporations whatsoever for services in connection with the negotiation and execution of this Agreement.

4. Neither the Commissioners of the Port Authority nor any of them, nor any officer, agent or employee thereof, shall be charged personally by the Permittee and the Sublessee with any liability or held liable to either of them under any term or condition of this Agreement, or because of its execution or attempted execution or because of any breach or attempted or alleged breach thereof. The Permittee and the Sublessee agree that no representations or warranties with respect to this Agreement shall be binding upon the Port Authority unless expressed in writing herein.

5. This Agreement, together with the Consent Agreement (to which it is supplementary) constitutes the entire agreement between the Port Authority, the Permittee and the Sublessee on the subject matter, and may not be changed, modified, discharged or extended except by instrument in writing duly executed on behalf of both the Port Authority, the Permittee and the Sublessee. The Permittee and the Sublessee agree that no representations or warranties shall be binding upon the Port Authority unless expressed in writing in the Consent Agreement or this Agreement.

IN WITNESS WHEREOF, the Port Authority, the Permittee and the Sublessee have executed these presents.

ACCEPTED AND CONSENTED TO AS OF THE EFFECTIVE DATE OF THIS CONSENT AGREEMENT

AMERICAN AIRLINES, INC.

By: [Signature]

(Name):

Title: _____ President _____

LAURA A. EINSPANIER
Vice President
Corporate Real Estate

FIRST AMENDMENT TO SUBLEASE

THIS FIRST AMENDMENT ("Amendment") is made and entered into effective as of the 30th day of November, 2006, by and between **WESTFIELD CONCESSION MANAGEMENT, LLC.**, a Delaware limited liability company formerly known as Westfield Concession Management, Inc. ("Landlord") and **AIRPORT MANAGEMENT SERVICES, LLC**, a Delaware limited liability company ("Tenant").

RECITALS

WHEREAS, by written sublease dated July 29, 2005 ("Sublease"), Landlord did lease unto Tenant approximately 4,332 square feet of space known as Space No. A1 containing approximately 609 square feet, Space No. C7 containing approximately 3,226 square feet and Space No. C13 containing approximately 497 square feet (individually and collectively, the "Premises"), all of which are located in Concourse C of Terminal 8 ("Terminal") at John F. Kennedy International Airport, Jamaica, New York; and

WHEREAS, it was contemplated by Landlord and Tenant that Landlord would lease unto Tenant additional concession locations for the operation of newsstands and a combination bookstore/newsstand within the new Concourse B of the Terminal; and

WHEREAS, Landlord and Tenant have reached an agreement for three (3) additional locations in the Terminal, which are to be located in such new Concourse B and desire to enter into this Amendment;

NOW, THEREFORE, in consideration of the premises and other good and valuable consideration, the receipt and sufficiency of which are hereby mutually acknowledged, the parties do hereby agree as follows:

1. The second paragraph on page 1 of the Sublease is hereby deleted in its entirety and is hereby amended to read as follows:

"Subject to the terms and conditions contained herein, Landlord hereby leases to Tenant, and Tenant hereby accepts from Landlord, the premises identified on **Exhibit A-2** (individually and collectively, the "**Premises**"), which is in and part of Terminal 8 ("**Terminal**") at John F. Kennedy International Airport, Jamaica, New York ("**Airport**"). **Exhibit A-1** is a general site plan of the Airport including the location of the Terminal. **Exhibit A-3** is a site plan of the portion of the Terminal leased to Landlord as shown hatched on such **Exhibit A-3** ("**Concession Area**"). The Terminal consists of approximately 1,414,500 square feet leased by The Port Authority of New York and New Jersey ("**Authority**") to American Air Lines, Inc. ("**American**") and is anticipated to contain approximately 36 gates. The Premises are known as Space No. A1 containing approximately 609 square feet of Floor Area, Space No. C7 containing approximately 3,226 square feet of Floor Area, Space No. C13 containing approximately 497 square feet of Floor Area, Space No. B1 containing approximately 2,069 square feet of Floor Area, Space No. B11 containing approximately 1,990 square feet of Floor Area and Space No.

Eighty-Three Dollars (\$42,083.00), subject to annual adjustments based upon the "Percentage Change in Enplaned Passengers"; and/or

(ii) Percentage Rent: Percentage Rent rates as follows: ten percent (10%), twelve percent (12%); fourteen percent (14%), or twenty-four percent (24%) (collectively, the "Applicable Percentage Rent Rates") as follows: (a) ten percent (10%) of all Gross Receipts generated from the sale of Books; plus (b) twelve percent (12%) of all Gross Receipts generated from the sale of Coffee/Café Items; plus (c) fourteen percent (14%) of all Gross Receipts generated from the sale of all items listed as Category "A" Products and fourteen percent (14%) of any retail display allowances and other promotions incentives; plus (d) twenty-four percent (24%) of all Gross Receipts generated from the sale of all items listed as Category "B" Products. Books, Coffee/Café Items, Category "A" Products and Category "B" Products are set forth on Exhibit L attached hereto and made a part hereof.

(b) Concourse B/Main Terminal Building Opening Date (as defined below) through Expiration Date: During the period from the Concourse B/Main Terminal Building Opening Date (as defined below) through the Expiration Date of the Term, Tenant shall pay to Landlord, the greater of either the Guaranteed Rent or Percentage Rent as follows with respect to the entire Premises which includes existing Space Nos. A1, C7 and C13 and also includes new Space Nos. B1, B11 and B14:

(i) Guaranteed Rent: One Million Two Hundred Five Thousand Dollars (\$1,205,000.00) per Lease Year; payable in equal consecutive monthly installments of One Hundred Thousand Four Hundred Sixteen and 67/100 Dollars (\$100,416.67), subject to annual adjustments based upon the "Percentage Change in Enplaned Passengers"; and/or

(ii) Percentage Rent: Percentage Rent rates as follows: ten percent (10%), twelve percent (12%); fourteen percent (14%); or twenty-four percent (24%) (collectively, the "Applicable Percentage Rent Rates") as follows: (a) ten percent (10%) of all Gross Receipts generated from the sale of Books; plus (b) twelve percent (12%) of all Gross Receipts generated from the sale of Coffee/Café Items; plus (c) fourteen percent (14%) of all Gross Receipts generated from the sale of all items listed as Category "A" Products and fourteen percent (14%) of any retail display allowances and other promotions incentives; plus (d) twenty-four percent (24%) of all Gross Receipts generated from the sale of all items listed as Category "B" Products. Books, Coffee/Café Items, Category "A" Products and Category "B" Products are set forth on Exhibit L attached hereto and made a part hereof.

The "Concourse B/Main Terminal Building Opening Date" shall mean the date in which American has closed all gates in old Terminal 8 and transferred all its commercial flights to the new Terminal 8, as confirmed in a letter from Landlord to Tenant."

4. The following is added to the end of Item (3), subpart (f) in the Data Sheet of the Sublease:

"The initial joint marketing fund assessment of Two Thousand Dollars (\$2,000.00) shall be

paid by Tenant to Landlord in one lump sum within sixty (60) days prior to the Rental Commencement Date for Space Nos. B1, B11 and B14.”

5. Item (4) in the Data Sheet of the Sublease is hereby deleted in its entirety and is hereby amended to read as follows:

“Section 7.01: Permitted Use: For the operation of retail concessions providing for the sale at retail of: (a) Category “A” Products - a wide assortment of local, regional, national and international newspapers, a wide assortment of domestic and international magazines and periodicals; a variety of snacks (such as candy, candy bars, mints, gums, chips, cookies, crackers, peanuts, health food snacks and ice cream) all of which shall be pre-packaged; refrigerated bottled water, bottled soda, bottled energy drinks and bottled juices; sundries including health and beauty aids, minor non-prescription drugs, cosmetics, perfumes, sunburn/suntan lotions and men’s toiletries; nutritional supplements; batteries; camera film, disposable one-time use cameras and basic camera accessories; watches; reading glasses and sunglasses; ties; socks; hosiery; dress shirts; greeting cards; pens/pencils; stationery; cellular phone/computer supplies and accessories; lottery tickets (factored on commissions only); travel accessories including bags; luggage, maps, tour books and travel guides, luggage tags, locks, luggage carts, neck braces, money holders, portable clocks, carrying cases, deluxe bags and containers; small electronic items such as portable radio and CD players, converters and other small, portable electronic traveler convenience items; gift wrap, bows and ribbons; pre-paid telephone calling cards; and tobacco products including an assortment of domestic and international cigarettes, cigars and pipe tobacco, chewing tobacco, pipes and tobacco related products (collectively, the **“Category “A” Products”**); (b) Category “B” Products - souvenirs (regionally and locally indigenous souvenirs such as key chains, magnets, water globes, mugs, glasses, shot glasses, plates, bells, spoons, pins, ash trays, stickers, pens, pencils, pewter, cosmetic jewelry, candles and post cards); regionally and locally indigenous gifts; souvenir apparel such as t-shirts, hats, polo shirts, sweatshirts and fleece products; children’s gifts; collectibles; posters, prints, pictures, art objects and pottery; pre-packaged gourmet food and beverage items; and premium candy and nuts (collectively, the **“Category “B” Products”**); provided, however, the display and sale of such Category “B” Products shall not exceed twenty-five percent of the sales display portion of the Floor Area in each portion of the Premises; (c) Books - an assortment of paperback and hard cover books including current New York Times best seller list and popular author list, new book releases, children coloring and reading books (collectively, **“Books”**). The assortment of Books shall be greatly expanded in the portion of the Premises known as Space No. B11 since that concession location is to be operated as a combination newsstand and bookstore with an emphasis on the bookstore; and (d) Coffee/Café Items - a wide assortment of gourmet coffee, latte, cappuccino, espresso, roasted coffee, iced coffee based and blended cool beverages in various sizes, refrigerated bottled waters, bottled sodas, bottled energy drinks and bottled juices, a variety of smoothies, pastries, sandwiches, salads, soups, bakery items, doughnuts, danish, cakes, cereals, fresh fruit, yogurt, ice cream novelties, gelato and refrigerated bottled waters, sodas and juices (collectively, **“Coffee/Café Items”**), and for no other use or purpose. All of the forgoing items must be in accordance with and as more particularly described for such Category “A” Products, Category “B” Products, Books and Coffee/Café Items as set forth on **Exhibit L.**”

6. Item (5) in the Data Sheet of the Sublease is hereby deleted in its entirety and is hereby amended to read as follows:

“(5) **Section 7.02: Hours of Operation:** Tenant shall be open for business seven (7) days a week, three hundred sixty-five (365) days a year, including all holidays. Tenant’s minimum daily hours of operation shall be as follows: 5:30 A.M. to 10:00 P.M. local time, until the Concourse B/Main Terminal Opening Date and thereafter, 5:00 A.M. to 10:00 P.M., local time, subject to other hours and adjustments as provided in Section 7.02.”

7. Item (6) in the Data Sheet of the Sublease is hereby deleted in its entirety and is hereby amended to read as follows:

“(6) **Section 16.01: Trade Names:** “Hudson News-Euro Cafe” for Space Nos. A1 and C7, “Hudson News” for Space Nos. B1, B14 and C13, and “Hudson Booksellers” for Space No. B11. If approved on Tenant’s Final Plans, the name trade name “Hudson News” may be included and displayed on the interior of Space No. B11.”

8. Item (7) in the Data Sheet of the Sublease is hereby deleted in its entirety and is hereby amended to read as follows:

“(7) **Section 26.01: Performance Guaranty-Letter of Credit:** At Tenant’s option: (i) an amount equal to Three Hundred One Thousand Two Hundred Fifty Dollars (\$301,250.00) in immediately available funds, payable to Landlord upon execution of this Sublease and in no event later than delivery of the Premises to Tenant; or (ii) an unconditional, irrevocable standby letter of credit in an amount not less than Three Hundred One Thousand Two Hundred Fifty Dollars (\$301,250.00) in funds available immediately or same day funds in the City of New York, as security for the faithful observance, payment and performance by Tenant of the terms, covenants and conditions of this Sublease on Tenant’s part to be observed, paid and performed (“**Performance Guaranty**”). Such letter of credit must be in form and content as set forth in **Exhibit H** for a term of not less than one (1) year with automatic extensions and issued by a commercial banking institution reasonably acceptable to Landlord and authorized to conduct business in the State of New York (“**Bank**”). The Performance Guaranty shall be delivered by Tenant and held by Landlord in accordance with the provisions of Article XXVI of this Sublease. No surety bonds shall be permitted.”

9. Section 2.01 of the Sublease is hereby deleted in its entirety and is hereby amended to read as follows:

“**Section 2.01, MINIMUM ANNUAL GUARANTEED RENT.** Tenant shall pay to Landlord the Minimum Annual Guaranteed Rent (“**Guaranteed Rent**”) set forth in the Data Sheet in equal consecutive monthly installments in advance on or before the first day of each month, without prior demand or notice. Guaranteed Rent, Percentage Rent and Additional Rent shall be paid to Landlord in U.S. currency at the address set forth in the Data Sheet, or such other place as Landlord may designate in writing, without any deductions or offsets whatsoever. Should the Rental Commencement Date occur on a day

other than the first day of a calendar month or this Sublease expire or terminate on a day other than the last day of a calendar month, then Guaranteed Rent shall be prorated on the basis of a 30 day month. Should any Lease Year contain less than 12 calendar months, said Guaranteed Rent shall be prorated on the basis of a 365 day year. Effective each January 1 (commencing January 1, 2008) following the Rental Commencement Date, Guaranteed Rent shall adjust (but in no event shall the Guaranteed Rent decrease below the amount set forth in the Data Sheet except as expressly set forth in this Section 2.01) by an amount equal to the then current Lease Year's Guaranteed Rent times the "**Percentage Change in Enplaned Passengers**". The "**Percentage Change in Enplaned Passengers**" shall mean an amount equal to the percentage change, whether an increase or a decrease, between the Terminal's reported "**Enplaned Passengers**" between 2 consecutive calendar years for each Lease Year of the Term. For example, on January 1, 2008, the initial calendar year for such measurement shall be the "**Enplaned Passengers**" in the Terminal during the 2006 calendar year and shall be compared to the "**Enplaned Passengers**" in the Terminal during the 2007 calendar year. Thereafter, calendar year periods used for the measurement comparison shall each roll forward by 1 calendar year for subsequent determinations of the Percentage Change in Enplaned Passengers (e.g., the second comparison on January 1, 2009 shall be the 2007 calendar year compared to the 2008 calendar year), the earlier calendar year measured shall be called the "**Base Year**" and the later calendar year measured shall be called the "**Measured Year**". For all purposes of this Sublease, the term "**Enplaned Passengers**" means any passenger determined by American to have boarded an aircraft in the Terminal, including passengers who may disembark and re-board the same aircraft as part of the same flight itinerary, but excluding passengers, such as international in-transit passengers; from international flights who are restricted from access to the Concession Area. Notwithstanding the foregoing, Landlord and Tenant hereby agree that for purposes of measuring the Percentage Change in Enplaned Passengers throughout the Term, the number of Enplaned Passengers for each Base Year shall be the greater of: (i) 4,400,000; or (ii) the number of actual Enplaned Passengers in the Terminal for the applicable calendar year. In the event during any Measured Year there is less than 4,000,000 Enplaned Passengers in the Terminal, the Tenant's Guaranteed Rent shall be proportionately and equitably adjusted by multiplying the then current Lease Year's Guaranteed Rent by the percentage decrease in the Percentage Change in Enplaned Passengers to determine the new amount of Guaranteed Rent, which amount may be less than the Guaranteed Rent set forth in the Data Sheet."

10. A new Section 27.31 is added to the Sublease as follows:

"Section 27.31 **TENANT'S CERTIFICATION**. Tenant hereby represents and warrants to Landlord that Tenant is not, and shall not become, a person or entity with whom Landlord is restricted from doing business under the regulations of the Office of Foreign Asset Control ("OFAC") of the United States Department of the Treasury (including, but not limited to, those named on OFAC's Specially Designated and Blocked Persons list) or under any statute, executive order (including, but not limited to, the September 24, 2001 Executive Order Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten To Commit or Support Terrorism), or other governmental action and is not and shall not engage in any dealings or transactions or be

otherwise associated with such persons or entities. Tenant acknowledges that Landlord is executing this Sublease in reliance on the foregoing representations and warranties and that such representations and warranties are a material element of the consideration inducing Landlord to enter into and execute this Sublease. In the event of any breach of the foregoing representations and warranties by Tenant, Landlord shall have the right, in addition to any other remedies provided under this Sublease or at law, to immediately terminate this Sublease upon written notice to Tenant. In the event of any such termination by Landlord, Tenant shall, immediately on receipt of Landlord's termination notice, close the Premises for business and surrender possession of the Premises to Landlord without Landlord resorting to any other legal process."

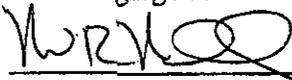

11. Attached hereto and made a part hereof are **Exhibit A-2** for the portion of the Premises more commonly known as Space No. B1, Space No. B11 and Space No. B14. This new part of **Exhibit A-2** is in addition to **Exhibit A-2** attached to the Sublease for the existing portion of the Premises more commonly known as Space Nos. A1, C7 and C13 (and which are also attached hereto for the convenience of the parties).

12. Exhibit A-3 attached to the Sublease is hereby deleted in its entirety and the new **Exhibit A-3** is attached hereto and made a part hereof.

13 All capitalized terms not otherwise expressly defined in this Amendment shall have the same meanings ascribed to them in the Sublease. This Amendment shall become binding upon the parties when executed and delivered by both parties. This Amendment sets forth the entire agreement between the parties with respect to the matters set forth herein. There have been no additional oral or written representations or agreements. Except as amended herein, all of the terms and provisions of the Sublease between the parties shall remain in full force and effect. In case of any inconsistency between the provisions of the Sublease and this Amendment, the later provision shall govern and control.

IN WITNESS WHEREOF, Landlord and Tenant have duly executed this Amendment as of the day and year first above written.

THIS AGREEMENT SHALL NOT BE BINDING UPON THE
PORT AUTHORITY UNTIL DULY EXECUTED BY AN
EXECUTIVE OFFICER THEREOF AND DELIVERED TO THE LESSEE AND THE
SUBLESSEE BY AN AUTHORIZED REPRESENTATIVE OF THE PORT AUTHORITY

Agreement No. AYB-876.1
Lease No. AYB-876
John F. Kennedy International Airport

CONSENT AGREEMENT

THIS AGREEMENT, effective as of January 1, 2001 (the "Effective Date"), by and among THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY (hereinafter called the "Port Authority"), BRITISH AIRWAYS PLC (hereinafter called the "Lessee") and THE HUDSON GROUP (hereinafter called the "Sublessee"), a corporation organized and existing under the laws of the State of New Jersey with an office and place of business at 1 Meadowlands Plaza, Suite 902, East Rutherford, New Jersey 07073, whose representative is Mr. Joseph D. Domizio.

WITNESSETH, That:

WHEREAS, the Port Authority and the Lessee have heretofore entered into an agreement of lease dated as of January 4, 1988 and identified by Port Authority Agreement No. AYB-876 (which agreement, as the same has been or may hereafter be supplemented and amended, is hereinafter called the "Lease") pursuant to which the Lessee hired and took from the Port Authority certain premises at John F. Kennedy International Airport (herein called the "Airport") all as more particularly described in the Lease (said premises being hereinafter referred to as the "Premises");

WHEREAS, the applicable provisions of the Lease require, and the Sublease Agreement provides, that the Sublease shall be subject and subordinate to the Lease as the same may be amended, supplemented or extended and, further, that it shall not take effect without the prior written consent of the Port Authority thereto embodied in an instrument signed by the Port Authority;

WHEREAS, the Lessee has requested the consent of the Port Authority to the attached proposed concessionaire sublease agreement made as of January 1, 2001 between the Lessee and the Sublessee (hereinafter called the "Sublease") covering portions of the premises under the Lease (such portions, being hereinafter collectively sometimes called the "Space");

NOW, THEREFORE, for and in consideration of the covenants and mutual agreements herein contained, the Port Authority, the Lessee and the Sublessee hereby agree

BA/AYB-876/Hudson Group

effective as of the Effective Date, as follows:

1. On the terms and conditions hereinafter set forth, the Port Authority consents to the Sublease.

2. Notwithstanding anything in the Sublease to the contrary, both this Consent Agreement and the Sublease shall terminate, without notice to the Lessee or the Sublessee, on the earliest to occur of the day preceding the date of expiration or earlier termination of the Lease, the effective date of any revocation of this Consent Agreement pursuant to Paragraph 8 hereof, or such earlier date as the Lessee and the Sublessee may agree upon subject to the terms and provisions hereof. Notwithstanding the foregoing, however, no termination of the Sublease shall diminish, limit, alter, affect, modify or impair the obligations, liabilities, or responsibilities of the Lessee under the Lease or release or relieve the Lessee from the same or from any of the terms, provisions, covenants and conditions of the Lease on its part to be kept, performed or observed. The Sublessee shall quit the Space covered by the Sublease and remove its property and property for which it is responsible therefrom on or before the termination of the Sublease.

3. If the Lessee shall at any time be in default of its obligations under the Lease, the Sublessee shall on demand of the Port Authority pay directly to the Port Authority any rental, fee or other amount due to the Lessee. No such payment shall relieve the Lessee from any obligation under the Lease or under this Consent Agreement but all such payments shall be credited against the obligations of the Lessee or of the Sublessee, as the Port Authority may determine for each payment or part thereof.

4. (a) Neither this Consent, nor anything contained herein nor the consent granted hereunder shall constitute or be deemed to constitute a consent to nor shall they create an inference or implication that there has been consent to any enlargement, diminishment, impairment, variation or change in the rights, powers and privileges granted to the Lessee under the Lease, nor any limitation, diminishment, modification, change or impairment of any of the rights, powers, privileges or remedies of the Port Authority under the Lease nor consent to the granting or conferring of any rights, powers, or privileges to the Sublessee as may be provided by the Sublease if not granted to the Lessee under the Lease, nor shall the same affect, impair, diminish, or change any of the duties, responsibilities, liabilities and obligations imposed on the Lessee under the Lease nor constitute or be deemed to constitute a release of the Lessee from any such duties, responsibilities, liabilities and obligations. The Sublease is an agreement between the Lessee and the Sublessee with respect to the various matters set forth therein. Neither this Consent Agreement nor anything contained herein nor the consent granted hereunder shall constitute an agreement between the Port Authority and the Lessee that the provisions of the Sublease shall apply and pertain as between the Lessee and the Port Authority, it being understood that the terms, provisions, covenants, conditions and agreements of the Lease shall, in all respects, be controlling, effective and determinative. In addition, in any case of difference or inconsistency between the provisions of this Consent Agreement and those of the Sublease, this Consent Agreement shall be controlling. The specific mention of or reference to the Port

Authority in any part of the Sublease, including, without limitation thereto, any mention of any consent or approval of the Port Authority now or hereafter to be obtained, shall not be or be deemed to create an inference that the Port Authority has granted its consent or approval thereto under this Consent Agreement or shall thereafter grant its consent or approval thereto or that the subject matter as to which the consent or approval applies has been or shall be approved or consented to in principle or in fact or that the Port Authority's discretion pursuant to the Lease as to any such consents or approvals shall in any way be affected or impaired. The lack of any specific reference in any provisions of the Sublease to Port Authority approval or consent shall not be deemed to imply that no such approval or consent is required and the Lease shall, in all respects, be controlling, effective and determinative.

(b) No provisions of the Sublease including, but not limited to, those imposing obligations on the Sublessee with respect to laws, rules, regulations, taxes, assessments and liens, shall be construed as a submission or admission by the Port Authority that the same could or does lawfully apply to the Port Authority, nor shall the existence of any provision of the Sublease covering actions which shall or may be undertaken by the Sublessee or the Lessee including, but not limited to, construction on the Space covered by the Sublease, title to property, the right to assign (by operation of law or otherwise) the Sublessee's interest in the Sublease, or to further sublease (in whole or in part) the Space or any part thereof, be deemed to imply or infer that Port Authority consent or approval thereto pursuant to the Lease will be given or that Port Authority discretion with respect thereto will in any way be affected or impaired. References in this paragraph to specific matters and provisions shall not be construed as indicating any limitation upon the rights of the Port Authority with respect to its discretion as to the granting or withholding approvals or consents as to other matters and provisions in the Sublease which are not specifically referred to herein.

(c) Notwithstanding anything to the contrary stated in Section 13.01 (a) of the Sublease, the Port Authority does not and shall not grant or permit a cure or grace period to the Sublessee with respect to the Sublessee's monetary payment defaults to the Port Authority.

5. The Sublessee, in its operations under and in connection with the Sublease and in its use and/or occupancy of the Space, agrees to assume, observe, be bound by and comply with all the terms, provisions and conditions of the Lease.

6. The Sublease shall not be changed, modified, discharged, renewed or extended except by written instrument duly executed by the parties thereto and only with the express prior written consent of the Port Authority.

7. The granting of the consent hereunder by the Port Authority shall not be or be deemed to operate as a waiver of the rights of the Port Authority or of its required consent to any subsequent sublease or other agreement (by the Lessee or by the Sublessee) with respect to the use or occupancy of the Space or any other portion or area of the Premises under the Lease, or to any assignment of the Lease or the Sublease or of any rights under any of the foregoing,

whether in whole or in part.

8. The Port Authority shall have the right to revoke this Consent Agreement at any time without cause, on thirty (30) days' notice to the Sublessee, which notice shall be jointly subscribed by the Port Authority and the Lessee, as to any one or more of the Spaces at the Premises at which the Sublessee has permission to operate, and no such revocation shall be deemed to affect the Lease or the continuance thereof, but the Sublease as it applies to the Space which is subject to revocation shall be terminated thereby.

9. The Port Authority shall not be obligated to perform or furnish any services or utilities whatsoever in connection with this Consent Agreement and the Sublease or the use and occupancy of the Space thereunder.

10. The Lessee and the Sublessee hereby represent and covenant to the Port Authority that they have complied with and will comply with all laws, governmental rules, regulations and orders now or at any time during the term of the Sublease which as a matter of law are applicable to or which affect the operations of the Lessee and the Sublessee under the Sublease or its or their use and/or occupancy of the Space or the Premises. The obligation of the Lessee and the Sublessee hereunder to comply with governmental requirements is provided herein for the purpose of assuring proper safeguards for the protection of persons and property. Such provision is not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

11. If the Sublessee shall fail to pay any amount required under this Consent Agreement when due to the Port Authority, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four late charge periods during each calendar year; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (15) (but not less than thirteen (13)) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Consent Agreement. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this paragraph, with respect to such unpaid amount. Nothing in this paragraph is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Consent Agreement, including without limitation under Paragraph 8 hereof or (ii) any obligations of the Sublessee under this Consent Agreement. In the event that any late charge imposed pursuant to this Paragraph shall exceed a

legal maximum applicable to such late charges, then, in such event, each such late charge payable under this Consent Agreement shall be payable instead at such legal maximum.

12. Reference herein to the Sublessee shall mean and include the Sublessee, its directors, officers, agents, employees and also others on the Space covered by the Sublease or at the Premises or on the Airport with the consent of the Sublessee.

13. It is hereby acknowledged and agreed by the Lessee and the Sublessee that the Port Authority has no obligation under the Lease, this Consent Agreement or otherwise to pay, subsidize or in any manner whatsoever finance, directly or indirectly, all or any portion of any amount of the Sublessee's unamortized capital investment in the Space or at the Premises. Any specific mention of or reference in the Sublease to the Port Authority in connection with any payment or other compensation to the Sublessee, upon termination of the Sublease or the Lease or upon revocation of this Consent Agreement with or without cause (in accordance with the terms of Paragraph 8 hereof), of any amount of the Sublessee's unamortized capital investment in the Space or at the Premises shall not be or be deemed to create an obligation or inference of an obligation on the part of the Port Authority to either the Sublessee or the Lessee to pay, subsidize or finance said unamortized capital investment.

14. (a) Without in any way affecting the obligations of the Lessee under the Lease and under this Consent Agreement and notwithstanding the terms and conditions of the Sublease, the Sublessee shall make repairs and replacements as if it were the Lessee under the Lease. In addition, the Sublessee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for its costs and expenses including attorneys' fees and other legal expenses incurred in connection with the defense of) all claims and demands of third persons including but not limited to claims and demands for death, for personal injuries and for property damages, arising out of a breach or default of any term or provision of this Agreement by the Sublessee or out of its operations under the Sublease or at the Space or out of the use or occupancy of the Space by the Sublessee or others with its consent, or out of any other acts or omissions of the Sublessee, its officers, employees, agents, representatives, contractors, customers, guests, invitees and other persons who are doing business with the Sublessee or who are at the Space or the Premises with the consent of the Sublessee, or out of any other acts or omissions of the Sublessee, its officers and employees at the Airport including claims and demands of the City of New York, from which the Port Authority derives its rights in the Airport, for indemnification, arising by operation of law or pursuant to the Basic Lease (as defined in the Lease) whereby the Port Authority has agreed to indemnify the City of New York against claims. However, all acts and omissions of the Sublessee shall be deemed to be acts and omissions of the Lessee under the Lease and the Lessee shall also be severally responsible therefor including but not limited to the obligations of indemnification, repair and replacement.

(b) If so directed, the Sublessee shall at its own expense defend any suit based upon any such claim or demand (even if such claim or demand is groundless, false or fraudulent), and in handling the same it shall not, without obtaining express advance permission

from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

15. (a) In addition to the insurance required to be maintained by the Lessee under the Lease, the Sublessee in its own name as insured and including the Port Authority and the Lessee as additional insureds shall maintain and pay the premiums during the term of the Sublease on a policy or policies of Commercial General Liability insurance, including premises operations, products liability and completed operations and covering bodily injury, including death, and property damage liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage in the limits set forth below. Each of the aforesaid policy or policies of insurance shall also provide or contain an endorsement providing that the protections afforded the Sublessee thereunder with respect to any claim or action against the Sublessee by a third person shall pertain and apply with like effect with respect to any claim or action against the Sublessee by the Port Authority or the Lessee, or both, and with respect to any claim or action against the Port Authority or the Lessee, or both, by the Sublessee as though the Port Authority and the Lessee were the named insureds thereunder, but such endorsement shall not limit, vary, change, or affect the protections afforded the Port Authority and the Lessee thereunder as additional insureds. The said policy or policies of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Sublessee under subparagraph (a) above.

Minimum Limits

| | |
|--|-------------|
| Commercial General Liability | |
| Combined single limit per occurrence for | |
| bodily injury and property damage liability: | \$2,000,000 |

Without limiting the provisions hereof, in the event the Sublessee maintains any of the foregoing insurance in limits greater than aforesaid, the Port Authority shall be included therein as an additional insured to the full extent of all such insurance in accordance with all terms and provisions hereof.

(b) All insurance coverages and policies required under this paragraph may be reviewed by the Port Authority for adequacy of terms, conditions and limits of coverage at any time and from time to time during the term of the consent hereunder. The Port Authority may, at any such time, require commercially reasonable additions, deletions, amendments or modifications to the above-scheduled insurance requirements, or may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem required.

(c) As to the insurance required by the provisions of subparagraph (a)

of this Paragraph, a certified copy of each of the policies or a certificate or certificates evidencing the existence thereof, or binders, shall be delivered to the Port Authority prior to the use of any portion of the Space by the Sublessee. Each policy, certificate or binder delivered as aforesaid shall bear the endorsement of or be accompanied by evidence of payment of the premium thereon. In the event any binder is delivered it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate. Each such copy or certificate shall contain a valid provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' written advance notice thereof to the Port Authority. Each such copy or certificate shall contain an additional endorsement that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, its Commissioners, officers, agents or employees, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority. A certificate or other evidence of any renewal policy shall be delivered to the Port Authority prior to the expiration of each expiring policy, except for any policy expiring after the date of expiration of the term of the Sublease. The aforesaid insurance shall be written by a company or companies approved by the Port Authority the Port Authority agreeing not to withhold its approval unreasonably. If at any time any of the insurance policies shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policies shall become unsatisfactory to the Port Authority, the Sublessee shall promptly obtain a new and satisfactory policy in replacement the Port Authority covenanting and agreeing not to act unreasonably hereunder. If the Port Authority at any time so requests, a certified copy of each of the policies shall be delivered to the Port Authority.

16. Without limiting the generality of the provisions of this Consent Agreement, the terms, provisions, conditions and agreements of the Lease shall, in all respects, be controlling, effective and determinative and to the extent that any provisions of the Sublease are contrary to, conflict with or are inconsistent with the Lease or this Consent Agreement then such provisions of the Sublease shall be deemed null and void and of no force or effect as to the Port Authority, and of no force or effect on the Lease.

17. The Sublessee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Sublessee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Sublessee assures that it will require that its covered suborganizations provide assurances to the Sublessee that they similarly will undertake affirmative programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

18. Nothing contained in this Consent Agreement nor in the Sublease, including without limitation the payment obligation of the Sublessee under Article II of the

Sublease, nor the acceptance of any such payment thereunder by the Port Authority from the Sublessee shall create or be deemed to have created a landlord-tenant relationship or privity of estate between the Port Authority and the Sublessee nor shall it be or be deemed to be an attornment by the Sublessee to the Port Authority nor acceptance thereof by the Port Authority and the Sublease and the occupancy by the Sublessee of the Space shall in all events be and remain subject and subordinate to the Lease. Neither a partnership nor any joint venture is hereby or by the Sublease created or implied notwithstanding the provisions of Article II of the Sublease.

19. Nothing contained in this Consent Agreement or the Sublease shall be or deemed to be consent to, or approval of, the erection of any structures, or the making of any improvements, alterations, modifications, additions, repairs or replacements to the Space or the Premises including without limitation the installation of any signs at the Airport. The Lessee and Sublessee agree that no construction, installation or the like, as aforesaid, shall be performed without the prior written approval of the Port Authority and subject to the terms and conditions of the Lease and an approved Alteration Application which the Lessee shall prepare and submit to the Port Authority.

20. (a) The Sublessee shall deliver to the Port Authority, as initial security for all obligations under this Consent Agreement, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District, in favor of the Port Authority in the amount of Six Hundred Twenty-eight Thousand Five Hundred Dollars and No Cents (\$628,500.00). The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective letting under this Consent Agreement and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent satisfactory letter. Upon notice of cancellation of a letter of credit, the Sublessee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by security in cash or bonds or another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security. Failure to provide such a letter of credit at any time during the effective letting, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Consent Agreement on the part of the Sublessee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Sublessee made thereafter, the Port Authority will return the security deposit, if any, thereafter, the Port Authority will return the security deposit, if any, theretofore made under and in accordance with the provisions of this paragraph. The Sublessee shall have the same rights to receive such deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the permission under this Consent Agreement and fulfillment of the obligations of the Sublessee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Sublessee on demand of the Port Authority and within two (2) days thereafter,

shall bring the letter of credit back up to its full amount.

(b) The Sublessee hereby certifies that its Federal Tax Identification Number is 22-1002650 for the purposes of subparagraph (a) above.

21. Except where expressly required or permitted herein to be oral, all notices, directions, requests, consents and approvals required to be given to or by either party shall be in writing, and all such notices and requests shall be personally delivered to the duly designated officer or representative of such party or delivered to the office of such officer or representative during regular business hours, or forwarded to him or to the party at such address by registered or certified mail. Such designated officer or representative of the Port Authority and the Lessee and their respective offices shall be as set forth in the Lease. The Sublessee shall from time to time designate in writing an office within the Port of New York District and an officer or representative whose regular place of business is at such office upon whom notices and requests may be served. Until further notice, the Sublessee designates the representative named on the first page of this Consent Agreement as its representative upon whom notices and requests may be served and its address stated on the first page of this Consent Agreement as its office where notices and requests may be served. If mailed, the notices herein required to be served shall be deemed effective and served as of the date of the registered or certified mailing thereof.

22. This Consent Agreement and the interpretation, validity and enforceability thereof shall be governed by the laws of the State of New York.

23. Neither the Commissioners of the Port Authority nor any of them, nor any officer, agent or employee thereof shall be held personally liable to the Lessee or to the Sublessee under any term or provision of this Consent Agreement or because of its execution or attempted execution or because of any breach or alleged breach thereof.

IN WITNESS WHEREOF, the Port Authority, the Lessee and the Sublessee have executed these presents.

CONCESSIONAIRE SUBLEASE

BETWEEN

BRITISH AIRWAYS PLC

AS

SUBLANDLORD

AND

THE HUDSON GROUP

AS

CONCESSIONAIRE

FOR

**A PORTION OF TERMINAL 7 IN
JOHN F. KENNEDY INTERNATIONAL AIRPORT**

JOHN F. KENNEDY INTERNATIONAL AIRPORT - TERMINAL 7

CONCESSIONAIRE SUBLEASE AGREEMENT

This Concessionaire Sublease Agreement ("Sublease") is made as of this 1st day of January, 2001, by and between British Airways Plc, a corporation of England and Wales having offices at 75-20 Astoria Street, Jackson Heights, New York 11370 ("Sublandlord"), and The Hudson Group, having offices at 1 Meadowlands Plaza, Suite 902, East Rutherford, NJ 07073 ("Concessionaire").

GLOSSARY AND BASIC SUBLEASE PROVISIONS

The following information and terms are deemed to be incorporated in and part of the Sublease.

Additional Rent: The collective term for all sums of money required to be paid by Concessionaire to Sublandlord or the Port Authority, other than Base Rent, as that term is defined in Section 2.01, below, and including, without limitation, the Facilities Development Amount, as that term is hereinafter defined.

Address for payments to Port Authority: P.O. Box 17309, Newark, New Jersey 07194.

Address for payments to Sublandlord: British Airways, Building 59, JFK International Airport, Jamaica, New York 11430 Attention: British Airways Administration Department

Airport: John F. Kennedy International Airport.

Annual Statement: A statement from, and certified as being true, accurate and complete by, Concessionaire and delivered to the Sublandlord and the Port Authority, stating the amount of Gross Receipts from the Concessionaire for the previous calendar year or partial calendar year.

Audit: A complete audit to be made, by an independent certified public accountant selected by Sublandlord or the Port Authority, as the case may be, of the Records of the Concessionaire for the period covered by any Monthly Statement or Annual Statement.

Bond: Letter(s) of credit for the benefit of the Sublandlord and the Port Authority, respectively, issued by a party or parties approved by the Sublandlord and the Port Authority, as the case may be, as to the surety or letter of credit in its respective favor, which provides Sublandlord or the Port Authority, as the case may be, the right to make an immediate demand upon the issuer thereof for any Rent that may be owned to Sublandlord, or the Port Authority, as the case may be, by the Concessionaire.

Commencement Date: January 1, 2001.

Common Areas: All portions of the Terminal, except for those portions (1) included within the Concessionaire Premises; and (2) not open or available for use by the general public.

Concessionaire Premises: That portion of the Premises subleased to the Concessionaire and depicted on Exhibit A, being Spaces R2, R3, R4, R5, R6, and R10. Concessionaire acknowledges that delivery by Sublandlord of Space R2 will be delayed but that such delay does not effect Concessionaire's obligations herein.

Concessionaire Sublease: This Sublease, which shall be void *ab initio* and of no force and effect unless and until such time as the Concessionaire, Sublandlord, and the Port Authority have executed a consent agreement in the form of a so-called "Privilege Permit", or other form of consent agreement provided by

the Port Authority, evidencing the consent of the Port Authority to this Sublease, which issuance is within the sole and absolute discretion of the Port Authority.

Concessionaires: All third-parties to whom the Sublandlord subleases or licenses portions of the Premises.

CPI: The twelve (12) month average of the Consumer Price Index [U.S.-All Items in Commodity Groups-New York Area Only, Urban Wage Earners and Clerical Workers of the U.S. Department of Labor 1967=100].

Default Rate: A rate of interest being the lesser of (a) the Prime Rate, plus four percent (4%); and (b) the highest rate then allowed under the usury laws of the State of New York.

Delivery Service: Federal Express or similar nationally recognized overnight courier service.

Disadvantaged Business Enterprise or DBE means an entity meeting the requirements of a disadvantaged business enterprise as defined in US Department of Transportation Regulations Title 49, Code of Federal Regulations, Part 23, and certified as a DBE by the Port Authority.

Enplanement or Enplaned Passenger: Any local originating, connecting or through passenger that boards a flight from the Terminal, excluding passengers who have disembarked and reboarded for the purpose of continuing their journey on the same aircraft with the same flight number.

Event of Default: Certain failures by the Concessionaire, as more fully set forth in Section 13.01.

Expiration Date: December 31, 2008 if R2 is delivered on or before January 1, 2001 or December 31, 2009 if R2 is delivered after January 1, 2001.

Floor Area of Concessionaire Premises: R2 – 1,487 square feet. R3 and R4 – 1,954 square feet; R5 – 534 square feet; R6 – 711 square feet; and R10 – 230 square feet. Total square feet – 4,916.

Food Court Common Areas: Those portions of the common areas shown on Exhibit A of the Lease as A-1, A-2, A-4, A-5 and C-1 and C-2.

GAAP: Generally Accepted Accounting Principles

Governmental Authority or Governmental Authorities: The United States of America, the States of New York and New Jersey, any political subdivision of either and any agency, department, commission, board, bureau or instrumentality of any of the foregoing, or any quasi-governmental authority (to the extent the rulings of such quasi-governmental authority have the force of law), including the Port Authority, now existing or hereafter created, having jurisdiction over the Airport or any portion thereof.

Gross Receipts: As that term is defined in Section 2.01(b)(iv), below.

Initial Build Out Costs: The aggregate of the so-called hard and soft costs incurred by the Concessionaire in connection with the development, design, construction, furnishing, fixturing and equipping of the Concessionaire Premises.

Laws: All present and future laws, rules, orders, ordinances, regulations, statutes, requirements, codes and executive orders, extraordinary as well as ordinary, of all Governmental Authorities now existing or hereafter created, and of any applicable fire rating bureau or other body exercising similar functions, affecting the Airport or any portion thereof.

Master Lease: That certain Agreement of Lease dated as of January 4, 1988 between the Sublandlord as the Lessee therein and The Port Authority of New York and New Jersey, and all amendments, supplements and revisions thereof, whether heretofore or hereafter made (collectively "Supplements") and known as Lease No. AYB-876.

Minimum Annual Guaranteed Rent: \$1,205,000.00, as adjusted in accordance with the terms of Section 2.01 (a), below, of which \$361,500.00 is applicable to R2.

Minimum Annual Guaranteed Rent Commencement Date: The first to occur of the (i) date upon which the Concessionaire Premises are initially opened for business to the public; or (ii) 122nd day following Substantial Completion, as that term is hereinafter defined, but in no case later than 90 days after the date of the Port Authority's preconstruction meeting, except for R2, which is the earlier of (I) 90

days after the date of the Port Authority's preconstruction meeting, or (II) the date upon which the Concessionaire Premises are initially opened for business to the public.

Monthly Statement: A statement from and certified, as being true, accurate and complete by the Concessionaire to the Sublandlord and the Port Authority stating the amount of Gross Receipts from Concessionaire for the previous calendar month, each such statement to identify each location operated by Concessionaire within the Premises, irrespective of whether or not all such locations (if more than one) are operated under one or more Concessionaire Subleases.

Percentage Rent: That portion of the Gross Receipts of the Concessionaire to be paid as a component of Rent by the Concessionaire to the Sublandlord or Port Authority, as the case may be.

Percentage Rent Rates: Those rates identified as such in Exhibit D.

Permitted Operations: Operation of news stands, gift and specialty shops, with permitted sales of sundry items normally offered for sale at such shops as follows:

R-2, R-5, R-6 Hudson News

Merchandise will include newspapers, magazines, books, candy, gum, mints, prepackaged snacks, refrigerated bottled beverages, film, batteries, cameras, electronics, tobacco products, health & beauty aids, cosmetics, sundries, greeting/post cards, phone debit cards, regionally themed gifts, souvenirs and apparel, maps, stationery, travel related items, and other traveler's convenience products.

R-3 The Travel Store – Book Corner

Merchandise will include luggage, luggage accessories, luggage carts, children's luggage, carry-on bags, duffels, backpacks, small leather items, handbags, briefcases, computer cases/travel bags, travel apparel, travel size appliances (hair dryers, travel irons, shavers, etc.), manicure kits, umbrellas, clocks, headphones, electronic travel items, writing instruments, greeting cards, books, maps, stationery, audio books, and book accessories.

R-4 Hudson Book Corner

Merchandise will include newspapers, magazines, candy, gum, mints, prepackaged snacks, refrigerated bottled beverages, film, batteries, cameras, electronics, tobacco products, health & beauty aids, cosmetics, sundries, greeting/post cards, phone debit cards, regionally themed gifts, souvenirs and apparel, maps, stationery, travel related items, other traveler's convenience products, books, audio books, writing instruments and book accessories.

R-10 Discover New York

Discover New York will feature a full-line of regionally themed gifts, apparel, prepackaged gourmet food products, designer costume jewelry and local artisan costume jewelry and crafts, jewelry boxes, gift books, gift music, artworks, crystal, small leather goods, and memorabilia. The themes will focus on a variety of facets of New York culture and attractions including museums, historic landmarks, Broadway, regional foods, local restaurants, local crafts, local sports, local universities, famous New Yorkers and major local tourist attractions, events and cultural icons.

It is further provided that the foregoing are subject, in all events, to the limitations set forth in Section 5.01, below.

Plans and Specifications: The plans and specifications approved by Sublandlord and the Port Authority, by which the Concessionaire will (a) design; (b) furnish; (c) fixture; and (d) equip the Concessionaire

Premises. All plans and specifications must comply with the Port Authority's Tenant Alteration Application process, a copy of said form of said Application is attached hereto as Exhibit E.

Port Authority: The Port Authority of New York and New Jersey, a body corporate and politic as established by compact between the States of New Jersey and New York with the consent of the Congress of the United States of America.

Port Authority Consent: A written consent agreement in the form of a so-called "Privilege Permit", or other form of consent agreement provided by the Port Authority, evidencing the consent of the Port Authority to this Sublease, which issuance is within the sole and absolute discretion of the Port Authority.

Port Authority Percentage Rent: An amount equal to fifty percent (50%) of the Percentage Rent.

Premises: Those portions of the Terminal which are, from time-to-time, designated as such by the Sublandlord, but in no event shall it consist of less than the aggregate of all Concessionaires' Premises and the Food Court Common Areas.

Prime Rate: That which is published, from time to time, in the Wall Street Journal as being the prime rate.

Protected Parties: All officers, directors, employees, agents and shareholders of the Sublandlord and its successors and assigns.

Records: Those records and books or account recording all transactions of the Concessionaire at, through, or in anyway connected with the Concessionaire Premises.

Rent: The collective term for Minimum Annual Guaranteed Rent, Percentage Rent and Additional Rent.

Sublandlord Percentage Rent: An amount equal to fifty percent (50%) of the Percentage Rent.

Sublandlord's Work: That work to be done by or on behalf of the Sublandlord as more fully set forth in Exhibit B.

Substantial Completion: That stage in the process of the Sublandlord's Work when such is sufficiently complete, as reasonably determined by Sublandlord, so that the Concessionaire may beneficially occupy the Concessionaire Premises for its intended use.

Term: The period beginning on the Commencement Date and ending on the Expiration Date, unless sooner terminated pursuant to the terms of this Sublease, including the right of Sublandlord to terminate this Sublease and all rights of the Concessionaire in accordance with the provisions of Section 17.17, below.

Terminal: That portion of the Airport currently and commonly known as Terminal 7 or the British Airways Terminal.

ARTICLE I

GRANT AND TERM

Section 1.01 GRANT AND PREMISES.

(a) Sublandlord, in consideration of the Rent to be paid and the covenants to be performed by Concessionaire, does hereby, demise and lease unto Concessionaire, and Concessionaire hereby rents and hires from Sublandlord, the Concessionaire Premises for the uses and purposes hereinafter set forth, subject, at all times, to the terms and conditions of the Master Lease and the Port Authority Consent, provided however, this Sublease shall be void *ab initio* until receipt of the executed Port Authority Consent.

(b) The foregoing grant and demise to Concessionaire includes the non-exclusive right of the Concessionaire and its officers, shareholders, partners, members, contractors, agents, employees and invitees and others acting by, through or under the Concessionaire to use the Airport, pursuant to the terms of the Master Lease, including, but not limited to, Section 6, thereof, in common with all others permitted to use the Airport by the Port Authority.

Section 1.02 DELIVERY OF PREMISES; WORK OF SUBLANDLORD AND CONCESSIONAIRE.

(a) Sublandlord will perform or cause to be performed, the Sublandlord's Work, as more fully set forth in Exhibit B. Concessionaire, by its execution of this Sublease, represents, warrants and agrees that Sublandlord has no obligation, duty and has made no agreement with Concessionaire to do or cause to be done any other work in or to the Concessionaire Premises except as expressly set forth herein.

(b) Concessionaire covenants and agrees that, to the extent not required to be completed by the Sublandlord, it shall cause to be done, at no cost to the Sublandlord or Port Authority, the (1) design; (2) furnishings and fixtures; (3) leasehold improvements and; (4) equipping of the Concessionaire Premises, and that the actual out-of-pocket expenses actually paid by the Concessionaire in connection with the foregoing items (2) - (4) shall equal or exceed \$1,005,400.00, and Concessionaire will provide to Sublandlord such documentation as is reasonably required to evidence and support such projects. Concessionaire covenants that it will, at all times, conform with all Laws, the Master Lease and the Tenant Alteration Application process of the Port Authority.

ARTICLE II

RENTAL

Section 2.01 BASE RENT

For each calendar year, Concessionaire shall pay to Sublandlord and Port Authority, or such other party or parties as the Concessionaire is from time-to-time notified in writing, as Base Rent, an amount equal to the greater of the (1) Minimum Annual Guaranteed Rent, prior to and without regard to any waiver or abatement as set forth in (a)(A)(I); and (2) Percentage Rent. All payments of Base Rent shall be due and payable without prior demand or notice.

(a) MINIMUM ANNUAL GUARANTEED RENT.

A. (I) Minimum Annual Guaranteed Rent shall be due and be paid in twelve (12) equal monthly installments, in advance, on the first day of the first month following the Minimum Annual Guaranteed Rent Commencement Date. Subject to 2.01 (a) (C), below, until such time as the number of Enplanements equal or exceed 1,800,000 for the current twelve (12) month period ("Threshold"), that portion of the Minimum Annual Guaranteed Rent to be paid to the Sublandlord shall be abated and waived, but such abatement and waiver shall not be deemed an Event of Default, provided however that no such abatement shall diminish the obligation on the part of the Concessionaire to pay Percentage Rent, and Port Authority Minimum Annual Guaranteed Rent, as that term is hereinafter defined, to the extent required under the terms of this Sublease. The number of Enplanements will be based upon the Monthly Report; said Monthly Report is a report, by Sublandlord, certifying the number of Enplaned Passengers for the previous calendar month or partial calendar month, as the case may be.

(II) At such time as the number of Enplanements equal or exceed the Threshold, that portion of the Minimum Annual Guaranteed Rent to be paid to the Sublandlord shall be so paid in equal monthly installments, on the first day of the month following the date upon which the Sublandlord has delivered to Concessionaire the last of the twelve (12) consecutive Monthly Reports evidencing that the Threshold has been met. For purposes of illustration, and not limitation, if the Threshold is met as of July 31 of a calendar year, and evidence thereof is supplied to Concessionaire prior to August 1, then the payments to be made in accordance with this (II) shall commence on September 1 of said calendar year.

(III) Notwithstanding anything herein contained to the contrary, in the event the Concessionaire does not initially open for business on or before the Minimum Annual Guaranteed Rent Commencement Date, then, for the period commencing on the Minimum Annual Guaranteed Rent Commencement Date, until the date such Concessionaire initially opens for business ("Stub Period"), Concessionaire shall pay to Sublandlord, as liquidated damages, and not as a penalty, an amount equal to the Minimum Annual Guaranteed Rent for such Concessionaire Premises ("Stub Rent") prorated, on a daily basis, and paid, in advance, on the first day of the first calendar month following the Stub Period. Upon the initial opening for business by such Concessionaire, the Minimum Annual Guaranteed Rent shall thereafter begin to accrue in accordance with the terms of this Sublease and be paid in accordance with I., above.

B. Concessionaire acknowledges and agrees that, of the Minimum Annual Guaranteed Rent, fifty percent (50%) thereof is due and payable by Concessionaire to the Port Authority, on a monthly basis, notwithstanding and irrespective of the number of Enplanements ("Port Authority Minimum Annual Guaranteed Rent"). Therefore, Port Authority Minimum Annual Guaranteed Rent shall be paid, directly to the Port Authority, in equal monthly installments, on the first day of the month following the Minimum Annual Guaranteed Rent Commencement Date, and the Minimum Annual Guaranteed Rent for the first calendar year shall be prorated on a per diem basis. Subsequent to the Minimum Annual Guaranteed Rent Commencement Date, the Concessionaire shall deliver to the Sublandlord a statement confirming the Minimum Annual Guaranteed Rent Commencement Date.

C. During each calendar year that an amount equal to eighty-five percent (85%) of the Percentage Rent therefor shall exceed the Minimum Annual Guaranteed Rent for the same calendar year, then the Minimum Annual Guaranteed Rent for the next succeeding calendar year shall be an amount equal to said eighty-five percent (85%) of the Percentage Rent.

(b) **PERCENTAGE RENT.**

(i) Percentage Rent from Concessionaire shall be equal to the product of the Percentage Rent Rates applicable to the merchandise sold or services offered by the Concessionaire within the Concessionaire Premises, multiplied by the Gross Receipts.

(ii) Commencing with the second (2nd) month of the Term, Percentage Rent shall be paid by Concessionaire to Sublandlord, as to the Sublandlord Percentage Rent, and the Port Authority, as to the Port Authority Percentage Rent, without prior notice or demand, within fifteen (15) days after the end of each month of the Term ("Percentage Rent Payment Date"); provided however, in no event shall either the Sublandlord Percentage Rent or Port Authority Percentage Rent be less than the amount due to the Sublandlord or Port Authority, as the case may be, as Minimum Annual Guaranteed Rent.

(iii) If, for any calendar year or partial calendar year, as the case may be, the total amount of monthly installments of Percentage Rent for such period is less than the total amount of Percentage Rent required to be paid for said period, Concessionaire shall pay to the Sublandlord or the Port Authority, or both, as the case may be, the amount of such deficiency together with the delivery of the Annual Statement. If, at the end of any calendar year or partial calendar year, as the case may be, the total amount of Percentage Rent paid by Concessionaire for such period was in excess of amount of Percentage Rent required to be paid hereunder for said period, then such excess shall be deemed to be prepaid Percentage Rent and shall be applied as a credit against Percentage Rent thereafter becoming due and payable by Concessionaire to Sublandlord or Port Authority, or both, as the case may be, until such credit is exhausted. This obligation shall survive the expiration or sooner termination of this Sublease.

(iv) The term Gross Receipts, for each calendar year or partial calendar year, shall mean and include all monies paid or payable to Concessionaire for sales made and, services rendered at or from the Concessionaire Premises, regardless of (A) when during a calendar year sales are made and (B) where the order is filled or from where it is shipped, if the order was taken at the Concessionaire Premises, provided however the following shall be excluded, or, if included, may be deducted therefrom: (1) taxes imposed by law which are separately stated to and paid by a customer and directly payable to the taxing authority by the Concessionaire; (2) receipts of Concessionaire which arise from its operations, if any, under any other agreement with the Port Authority and which are subject to a percentage rental or fee under that agreement; (3) refunds for merchandise returned by customers; (4) the amount of gratuities paid or given by patrons or customers to employees of Concessionaire or others employed at or serving at any of the facilities being operated by Concessionaire; (5) bona fide transfers of merchandise to or from the Concessionaire Premises to any other stores or warehouses of Concessionaire; (6) sales of Concessionaire's fixtures and store equipment not in the ordinary course of such Concessionaire's business; (7) returns to shippers, suppliers or manufacturers; and (8) insurance proceeds received from the settlement of claims for loss of or damages to merchandise, fixtures and other personal property of the Concessionaire other than the proceeds of business interruption insurance. During all time periods for which Gross Receipts are computed, in the event the foregoing definition produces a negative number, Gross Receipts shall be deemed to equal zero. With respect to retail operations, any payments received by Concessionaire as consideration for the prominent display of merchandise and/or the placement of promotional material in the Concessionaire Premises, from a supplier of goods ("Retail Display Allowance"), the full amount of each such Retail Display Allowance or any other promotional incentive shall be included in the Gross Receipts for the year within which such was earned, irrespective of when received. The amount of Gross Receipts shall be determined and based upon the amount that Concessionaire reports to Sublandlord and the Port Authority as the Gross Receipts for each such reporting period, as adjusted, thereafter after examination of Concessionaire's books and record and/or Audit by either or both of the Sublandlord and the Port Authority.

Section 2.02 ADDITIONAL RENT.

Additional Rent, if any, shall be paid within ten (10) days after receipt of a bill therefor.

Section 2.03 LATE CHARGE, DEFAULT RATE, LOCATION FOR PAYMENTS,

(a) Unless specifically stated otherwise in this Sublease, Rent shall be due and payable as indicated herein. The parties hereby agree that late payment by Concessionaire of any Rent may cause Sublandlord to incur certain costs and expenses not contemplated under this Sublease; the exact amount of which costs are extremely difficult to determine. In the event Concessionaire fails to pay any Rent to Sublandlord on or before the 5th day after same is due to Sublandlord, then Concessionaire shall pay to Sublandlord a late charge of five percent (5%) of the amount not so paid as damages for the failure to make prompt payment. In the event Concessionaire pays said late charge, but fails to pay contemporaneously therewith all unpaid amounts of Rent then due to Sublandlord and payable, Sublandlord's acceptance of this late charge shall not constitute a waiver of Concessionaire's failure with respect to Concessionaire's nonpayment or prevent Sublandlord from exercising all other rights and remedies available to Sublandlord.

(b) (i) Any amount due from Concessionaire to Sublandlord which is not paid when due (including, without limitation, amounts due as reimbursement to Sublandlord for costs incurred in performing obligations of the Concessionaire) shall bear interest at the Default Rate from the date due until paid, unless otherwise specifically provided herein, but the payment of such interest shall not excuse or cure any failure or default under this Sublease.

(ii) If Concessionaire should fail to pay any amount required under this Sublease or the Port Authority Consent to the Port Authority, including without limitation any payment of any Rent, or if any such amount is found to be due as the result of an Audit, then, in such event, the Port Authority may impose (by statement bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (but not less than thirteen) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority Audit findings shall consist of each late charge period following the date the unpaid amount should have been paid. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under this subsection with respect to such unpaid amount. Nothing herein is intended to, or shall be deemed to affect, alter, modify or diminish in any way any rights of the Port Authority under this Sublease or the Port Authority Consent, as the case may be. In the event that any late charge imposed pursuant to this subsection shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable hereunder shall be payable instead at such legal maximum.

(c) Rent and all other sums payable by Concessionaire shall be paid in currency of the United States or other customary commercial manner at the Address for Payments to Sublandlord or Port

Authority, as the case may be, or such other place as either or all may designate, from time to time, without any deductions or offsets, except as otherwise specifically permitted in this Sublease.

ARTICLE III

RECORDS AND BOOKS OF ACCOUNT, AUDIT

Section 3.01 RECORDS.

(a) Concessionaire covenants and agrees to maintain all Records in accordance with GAAP during the Term, and for two full calendar years after the expiration or earlier termination of the Term or the Port Authority Consent ("Records Term"). The Records shall be kept at all times within the Port of New York District. Without implying any limitations on the rights of the Port Authority, but in addition thereto, if any Records are maintained outside of the Port of New York District, but within the continental United States, the Port Authority or the Sublandlord, in their respective discretion, both, may (i) require that such Records be produced within the Port of New York District; or (ii) examine such Records at the location at which they have been maintained and in such event, Concessionaire shall be required to pay to the Port Authority or the Sublandlord, or both, as the case may be, when billed, all travel and related expenses, as determined by the Port Authority and the Sublandlord, for the Port Authority's and Sublandlord's auditors and other representatives, employees and officers in connection with such examination and audit, or, if any such Records have been maintained outside the continental United States, then, in addition to the costs set forth in (ii), above, Concessionaire shall be required to pay to the Port Authority or the Sublandlord, or all, as the case may be, when billed, all other costs of the examinations and audits of such Records, including, without limitation, salaries, benefits, travel costs and related expenses, overhead costs and fees and charges of third-party auditors retained by the Port Authority or the Sublandlord, or both, as the case may be, for the purpose of conducting such examinations and audits. The foregoing auditing costs, expenses and amounts due to the (i) Port Authority shall be deemed fees and charges under the Port Authority Consent, payable to the Port Authority with the same force and effect as all other fees and charges payable thereunder; or (ii) or Sublandlord, as Additional Rent, and be payable upon demand therefor.

(b) Notwithstanding anything contained in this Sublease to the contrary, for purposes of this Sublease, Records shall exclude any books and records relating to any other locations owned or occupied by Concessionaire located off the Airport or any other business operations of Concessionaire, provided however, that this exclusion shall neither bind nor apply to the Port Authority and its right to inspect and Audit as herein provided. The Port Authority shall also be entitled to examine and audit the books and records of account of any company or entity which is owned or controlled by the Permittee, or which owns or controls the Permittee, or which is under common control with the Permittee, if said company performs services similar to those performed by the Permittee, and the Permittee shall make available such books and records to the Port Authority for such purposes to the same extent as would be required pursuant to paragraph (c) of this section.

(c) Concessionaire shall permit during the Records Term, (i) the examination and audit of the Records by the officers, employees and representatives of either or both of the Sublandlord and Port Authority ("Audit"). Concessionaire shall make available to the Port Authority within the Port of New York District for examination and Audit pursuant hereto all of the Records; (ii) the inspection by the officers, employees and representatives of either or both of the Port Authority and Sublandlord of any equipment used by Concessionaire including, but not limited to sales registration and tracking devices such as cash registers, sales slips, invoicing machines and any other equipment or devices for recording

orders taken, or services rendered, as may be appropriate to Concessionaire's business and necessary or desirable to keep accurate records of Gross Receipts.

(d) In the event Concessionaire shall fail to maintain, keep or make available for examination and Audit the Records in the manner and at the times or location as provided herein then, in addition to all and without limiting any other rights and remedies of the Sublandlord or the Port Authority, either or both may:

(i) Estimate the Gross Receipts of the Concessionaire on any basis that the Port Authority or the Sublandlord, in their respective sole discretion, shall deem appropriate, such estimation to be final and binding on the Concessionaire (but not on the remaining party having the benefit of this provision) and Concessionaire's Percentage Rent based thereon to be payable to the party conducting the Audit; or

(ii) If any such Records have been maintained outside of the Port of New York District, then the Port Authority or the Sublandlord, or all, may, in the exercise of the sole discretion of either, may require, on ten (10) days notice to Concessionaire, that such Records to be produced and made available within the Port of New York District for the Port Authority's or Sublandlord's, or both, auditors and other representatives, employees and officers in connection with such examination and Audit.

Section 3.02 REPORTS BY CONCESSIONAIRES.

(a) Concessionaire shall furnish to Sublandlord and the Port Authority (i) the Monthly Statement by the Percentage Rent Payment Date, for the preceding month; and (ii) the Annual Statement on or before April 1st of each calendar year, for the preceding calendar year.

(b) Concessionaire shall timely provide to the Sublandlord and the Port Authority a Monthly Statement and Annual Statement together with all other documents, Records and materials requested or required to be delivered by Concessionaire to the Port Authority or Sublandlord.

Section 3.03 SUBLANDLORD AUDIT ADJUSTMENTS; COSTS.

If any Audit conducted by the Sublandlord of the Concessionaire discloses that the Gross Receipts as previously reported for the period audited were understated and additional Percentage Rent is due, then the Concessionaire shall be required to pay to (i) Sublandlord the additional Percentage Rent due thereto for the period audited within five (5) days after receipt of a statement therefor (together with a copy of the results of the Audit indicating the understatement); and (ii) within five (5) days of an invoice therefor, all costs of each such Audit.

ARTICLE IV

INITIAL CONDITION OF CONCESSIONAIRE PREMISES

Section 4.01 ACCEPTANCE.

(a) (i) Upon Substantial Completion, Concessionaire shall accept the Concessionaire Premises in their then-current condition, subject to such work as may be necessary to complete the work,

if any, to be done by the Sublandlord, which work shall be completed by Sublandlord as soon as is reasonably possible.

(ii) Concessionaire, by the acceptance of the tender of delivery by Sublandlord of the Concessionaire Premises, shall be deemed the unequivocal representation, warranty and agreement by the Concessionaire that (a) Substantial Completion of the Sublandlord's Work has occurred; (b) Concessionaire has, subject to full completion of Sublandlord's Work, accepted the Concessionaire Premises in all respects; and (c) Sublandlord has no obligation, duty or has made any agreement to do or cause to be done any other work in or to the Concessionaire Premises except to the extent otherwise set forth in this Sublease.

(b) Concessionaire covenants and agrees to spend an amount not less than the total number of square feet within the Concessionaire Premises multiplied by \$200.00 ("Initial Build Out Costs"). Concessionaire agrees that it shall, upon written request from Sublandlord, provide to Sublandlord reasonably detailed documentation evidencing compliance with the foregoing.

Section 4.02 CHANGES TO PREMISES.

(a) Initial design and construction of each of the Concessionaire Premises shall be made only in accordance with the provisions of Exhibits B and E.

(b) Changes, if any, made to the Concessionaire Premises from and after the date such Concessionaire Premises initially opens for business shall be made only in accordance with the Plans and Specifications and, in all events, in compliance with the Port Authority's Tenant Alteration Application process, which process must be complied with, in addition to, and not in lieu of, the provisions of this Section 4.02.

Section 4.03 CHANGES TO THE TERMINAL.

Concessionaire acknowledges that it is aware that Sublandlord and the Port Authority each have the right, without compensation, or reimbursement to Concessionaire, or abatement of Rent, to make alterations to the Terminal, including any modifications of the Common Areas and, in connection with such alterations, may erect temporary scaffolds and other temporary aids to construction on the exterior of the Concessionaire Premises, and to install, maintain, use, repair and replace within the Concessionaire Premises pipes, ducts, conduits, wires and all other mechanical equipment serving other parts of the Terminal or Airport.

ARTICLE V

CONDUCT OF BUSINESS BY CONCESSIONAIRE

Section 5.01 PERMITTED OPERATIONS.

(a) Concessionaire shall use the Concessionaire Premises only for the purpose of conducting the Permitted Operations and for no other use or purpose, without first obtaining the prior written consent of the Sublandlord and the Port Authority, as set forth in the Port Authority Consent. If any governmental license or permit shall be required for the proper and lawful conduct of any business or other activity conducted in the Concessionaire Premises, then Concessionaire shall duly procure and

thereafter maintain each such license or permit and submit the same for inspection by Sublandlord or the Port Authority upon request therefor by Sublandlord and Port Authority, as the case may be.

(b) Notwithstanding the foregoing, the Permitted Operations shall exclude any operation that:

- (i) Materially interferes with the reasonable use, by third-parties, of the Common Areas;
- (ii) Hinders emergency personnel (including, but not limited to police, fire and rescue personnel);
- (iii) Constitutes a condition hazardous to the safety or health of the general public; or
- (iv) Is contrary to rules, regulations, policies or directives of the Port Authority.

(c) In addition to the uses excluded by (b), above, Concessionaire agrees that it may not receive any revenues or profits with respect to any of the following uses, operations or installations which the Port Authority has reserved to itself and its designees exclusively in the Terminal: VIP lounges, airline clubs, monorail facilities, if any, advertising (including, without limitation, static display, broadcast and other), pay telephones, rental of cellular phones intended for use solely within the Airport, facsimile transmission machines and other public communication services, concierge services (i.e., a center or location which offers a variety of services for passengers, including, but not limited to hotel reservations, sale of entertainment events tickets and lottery tickets, luggage storage and delivery, sightseeing tours, business services and provision of touring information), ground transportation, including vehicle rentals, hotel and other lodging reservations, vending machines dispensing anything, including but not limited to, catalog and electronic sales, (save and except for those owned and operated by Concessionaire within the Concessionaire Premises selling goods and services by Concessionaire from the Concessionaire Premises), other than products specifically permitted to be sold in the Concessionaire Premises pursuant to this Sublease and, if approved by the Port Authority, on-airport baggage carts or other on-airport baggage-moving devices, electronic amusements, and public service airport operation information, messages and announcements..

Section 5.02 OPERATION OF BUSINESS.

(a) Concessionaire agrees and covenants to be open for business and diligently conduct its business (1) in a commercially reasonable manner, fully staffed with personnel that have been trained and are qualified for the positions held and duties to be discharged; (2) on such days and during such hours as determined from time to time by the Sublandlord; and (3) in accordance with the rules and regulations promulgated from time to time by the Sublandlord to regulate the use, occupancy and operation of the Concessionaires in the Premises, all of the foregoing being the "Terminal Rules" as more fully set forth in Exhibit H.

(b) Concessionaire shall promptly comply with all present and future Laws of all Governmental Authorities and shall neither (i) do or permit anything to be done in or about the Concessionaire Premises which will violate any Laws; nor (ii) cause or knowingly permit anything to occur in the Concessionaire Premises which constitutes a violation or breach of the Master Lease or cause Sublandlord to be in breach or violation of said Master Lease.

(c) Concessionaire shall maintain a street pricing policy whereby certain goods, services, food or beverages, shall be subject to the restrictions and policies of the Port Authority.

(d) Concessionaire covenants and agrees to (1) assist and support all efforts of the Sublandlord and others to provide deliveries from the public access areas of the Terminal to and from the Premises and the Concessionaire Premises to and from the secure areas of the Terminal; and (2) coordinate with Sublandlord and others in matters essential to the efficient operation of the Premises and the Terminal.

(e) As an inducement to Sublandlord by Concessionaire for Sublandlord to enter into this Sublease with Concessionaire, Concessionaire has heretofore represented and warranted to Sublandlord and does hereby covenant that the Concessionaire Premises will be operated by a joint venture with a DBE, whose holdings will be at least 17% in such joint venture, and that the DBE has been and will remain at all times during the Term, certified by the Port Authority as a so-called "DBE". Concessionaire agrees that Sublandlord may, at any time and from time-to-time, require, within ten (10) days after demand therefor, that evidence reasonably satisfactory to Sublandlord, of current certification as aforesaid be provided to the Sublandlord. Concessionaire understands and acknowledges that a violation of the warranties, representations and covenants contained in this Section may subject Sublandlord to default under the Lease and Concessionaire agrees that any such violation shall be an Event of Default under this Sublease giving Sublandlord the right to terminate this Sublease immediately (notwithstanding anything to the contrary in Section 13.02), the foregoing being in addition to any other remedy which Sublandlord may have under this Sublease, at law or in equity.

(f) If Concessionaire is a DBE, Concessionaire shall timely provide each Change Notice, as that term is defined in Section 10.02, below.

Section 5.03 HAZARDOUS MATERIALS.

(a) For the purposes of this Sublease, the following terms shall have the following meanings: (i) the term "Hazardous Materials" shall mean: (A) any materials or substances that, whether by its nature or use, are subject to regulation under any Environmental Requirement, or (B) any materials, substances or wastes which are toxic, ignitable, explosive, corrosive or reactive, or (C) asbestos, or (D) petroleum and petroleum-based products, or (E) formaldehyde, or (F) polychlorinated biphenyls (PCB's), or (G) freon and other chlorofluorocarbons or (H) such other materials as are designated in a notice from Sublandlord to Concessionaire (whether such notice is provided before or after Concessionaire first commences to use any such materials and; (ii) the term "Environmental Requirement" shall include the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (42 U.S.C. §9601 et seq.), the Hazardous Materials Transportation Act (49 U.S.C. §1801 et seq.), the Resource Conservation and Recovery Act (42 U.S.C. §6901 et seq.), the Toxic Substances Control Act (15 U.S.C. §2601 et seq.), the Clean Air Act (42 U.S.C. §7401 et seq.), the Federal Water Pollution Control Act (33 U.S.C. §1251 et seq.), all as presently in effect and as the same may hereafter be amended, any regulation pursuant thereto, or any other present or future law, ordinance, rule, regulation, order or directive addressing environmental, health or safety issues of or by any Governmental Authority.

(b) Both Concessionaire and Sublandlord acknowledge that one or more Governmental Authorities may require that employees of each and others be made aware of the conditions within which they are being asked to work and, in an effort to disclose such conditions to said employees, Sublandlord hereby (i) represents to Concessionaire that, other than those Hazardous Materials to which Sublandlord has notified Concessionaire in writing, there are no Hazardous Materials in the Terminal; and (ii) agrees

that, if any Hazardous Materials are generated, manufactured, sold, transported or located at, on, in, under or about the Terminal, other than as a result of an act or omission of the Concessionaire, then Sublandlord shall at no cost, expense or liability to Concessionaire, to (1) cleanup and take whatever corrective action of any kind required under any Environmental Requirement; and (2) indemnify and hold harmless the Concessionaire from all losses, costs, expenses and liabilities therefrom, provided however the foregoing prohibition concerning Hazardous Materials shall not prevent the use of regular consumer products which contain amounts of such Hazardous Materials that are not prohibited by any law applicable thereto.

(c) Concessionaire covenants and agrees that by, through or under it (i) no Hazardous Materials will be generated, manufactured, sold, transported or located at, on, in, under or about the Concessionaire Premises; (ii) no Hazardous Material will be generated, manufactured, sold, transported or located at, in, on, under or about the Concessionaire Premises in a manner which violates any Environmental Requirement, or which requires cleanup or corrective action of any kind under any Environmental Requirement and (iii) no Hazardous Materials will be transported, released, emitted, sold, discharged, leached, dumped or disposed of from the Concessionaire Premises onto or into the Common Areas.

(d) Concessionaire covenants and agrees that it shall (i) notify the Port Authority and Sublandlord promptly in the event of any spill or other release of any Hazardous Materials at, in, on, under or about the Concessionaire Premises which spill or release is required to be reported to a Governmental Authority under any Environmental Requirement; (ii) promptly forward to the Port Authority and Sublandlord copies of any notices it receives relating to the alleged violations of any Environmental Requirement; (iii) promptly pay when due any fine or assessment as a result of its acts or omissions or those of any party acting under its control or direction; and (iv) defend, indemnify, and hold harmless the Sublandlord and the Port Authority and their respective affiliates, subsidiaries, partners, members, management company, successors and assigns, and the employees, agents, officers, directors and Commissioners of any of them from and against any and all loss, claims, demands, penalties, causes of action, fines, liabilities, settlements, damages, costs or expenses of whatever kind or nature, known or unknown, foreseen or unforeseen, contingent or otherwise (including, without limitation, counsel and consultant fees and expenses, investigation and laboratory fees and expenses, court costs, and litigation expenses) directly or indirectly arising out of, or in any way related to (1) any breach by it or any party acting under its control or direction of any of the provisions of this Section 5.03; (2) the presence, use, generation, transportation, disposal, spillage, discharge, emission, leakage, release, or threatened release of any Hazardous Materials which are at, in, on, under, about, from or affecting the Concessionaire Premises, including, but without limitation any damage or injury resulting from any such Hazardous Materials to or affecting the Concessionaire Premises or any soil, water, air, vegetation, buildings, personal property, persons or animals; (3) any personal injury (including wrongful death) or property damage (real or personal) arising out of or related to any such Hazardous Materials; or (4) any lawsuit brought or threatened, settlement reached, or order or directive of or by any Governmental Authority relating to such Hazardous Materials. The obligations set forth in this Section 5.03 shall survive the expiration or sooner termination of the Sublease.

ARTICLE VI

COMMON AREAS

Section 6.01 DEFINITION OF COMMON AREAS.

For the purpose of this Sublease, the term "Common Areas" shall mean, all portions of the interior of the Terminal, save and except for those portions included within each of the Concessionaire Premises, intended to be used and used by either (a) the public or (b) the Sublandlord or Concessionaires in the course of receiving and making deliveries to the Premises. The Common Areas shall include but are not limited to: (i) ticketing areas and facilities, gate seating areas, hallways, elevators, escalators, stairs, restrooms and comfort stations, service areas, passageways and other public areas, amenities, facilities and improvements in the Terminal; and (ii) those areas within the Terminal as may be provided by either the Sublandlord or the Port Authority, from time to time for the convenience and use by the public or the Sublandlord or Concessionaires.

Section 6.02 USE OF COMMON AREAS.

Upon payment of the Rent and the performance and observance of all terms and conditions in this Sublease to be performed and observed by the Concessionaire, the right to possession of the Concessionaire Premises shall also include the non-exclusive right to the use of the Common Areas with all others for whose convenience and use both the Common Areas have been or may hereafter be provided by the Port Authority or the Sublandlord, or both, subject however, to such rules and regulations for the use thereof as may be prescribed from time to time by either or both of the Sublandlord and the Port Authority.

Section 6.03 OPERATION AND MAINTENANCE; TERMINAL AND COMMON AREAS.

Sublandlord agrees, at no cost to Concessionaire, to keep the all portions of the Terminal in good order and repair, and in full compliance with all Laws, including but not limited to all HVAC equipment, plumbing (including sewage systems), electrical, fire protection (including any sprinkler systems in the Terminal) and other systems and facilities servicing the Terminal, foundations, and the structural soundness of the floors and exterior walls in good order, repair and condition provided however the provisions of this section shall not apply in the case of damage or destruction by fire or other casualty or a taking under the power of eminent domain, in which events the obligations of the Sublandlord shall be controlled by either Article XI or XII, respectively, of the Master Lease and further provided that Sublandlord shall have the obligation to maintain or cause to be maintained the cleanliness and orderliness of the Food Court Common Areas, but such limited obligations shall not impose any obligation on the part of the Concessionaire to repair, restore, refurbish, correct, install, or in any other manner make any changes, alterations, improvements or the like to any portion of said Food Court Common Areas. The foregoing obligations of the Sublandlord shall include, but are not limited to, the responsibility and liability for the repair, maintenance, replacement and restoration of all systems servicing the Premises or all portions thereof, save and except for, and to the extent of, those systems installed within any of the Concessionaire Premises, by the Concessionaire to the extent that such system services only the Concessionaire Premises.

Section 6.04 FOOD COURT COMMON AREA CHARGES.

Concessionaire shall pay to Sublandlord, as Additional Rent, Concessionaire's Proportionate Share of the Food Court Common Area Charges, being all costs and expenses of every kind and nature paid or incurred by Sublandlord, in the exercise of its business judgment, to maintain the cleanliness and orderliness of the Food Court Common Areas. Concessionaire's Proportionate Share of the Food Court Common Area Charges shall be a fraction, the numerator of which shall be the Weighted Floor Area of the Concessionaire Premises, as that term is hereinafter defined, and the denominator shall be the weighted square footage of the total leased and open Concessionaire Premises to which the Food Court

Common Area Charges are allocated by the Sublandlord in the exercise of its business judgment. The annual charges for Food Court Common Area Charges shall be paid in monthly installments on the first day of each calendar month, commencing on the Minimum Annual Guaranteed Rent Commencement Date, in advance in an amount estimated by Sublandlord as and for Additional Rent. After the end of each calendar year, Sublandlord shall furnish Concessionaire with a statement, of the actual Food Court Common Area Charges paid or incurred by Sublandlord during such period, prepared in accordance with sound accounting practices. If the total amount Concessionaire has paid on account of Food Court Common Area Charges for any calendar year (or partial calendar year, as the case may be) is less than the amount due from Concessionaire for such calendar year or partial calendar year as shown on such statement, Concessionaire shall pay to Sublandlord the difference between the amount due and the amount Concessionaire has paid within five (5) days after Sublandlord delivers such statement to Concessionaire. If the total amount Concessionaire has paid exceeds the amount due from Concessionaire, such excess shall be credited solely against payments for Food Court Common Area Charges next coming due, and if no payments are next coming due, then against that portion of the Minimum Annual Guaranteed Rent not to be paid to the Port Authority due subsequently until such credit is exhausted. If that portion of the Minimum Annual Guaranteed Rent not to be paid to the Port Authority due subsequently pursuant to this Sublease is insufficient to fully absorb such excess, Sublandlord shall refund to Concessionaire the part of such excess which cannot be used as a credit as aforesaid. For purposes of this Sublease, the Weighted Floor Area of the Concessionaire Premises is 100% of the Floor Area of Concessionaire Premises. Concessionaire acknowledges that Concessionaire's Proportionate Share of the Food Court Common Areas Charges, for the first full calendar year has been estimated at \$8.27 per square foot of Floor Area of Concessionaire Premises and will not be more than \$9.10 per square foot of Floor Area of Concessionaire Premises and will not increase more than 10% in each subsequent year.

ARTICLE VII

MAINTENANCE OF PREMISES

(a) Concessionaire shall keep the Concessionaire Premises free from any and all liens arising out of any work performed, materials furnished or obligations incurred by or on behalf of Concessionaire. Any liens will be treated in the same manner as liens pursuant to the Master Lease.

(b) Concessionaire shall cause the Concessionaire Premises to be, at all times, in a first-class condition, relative to the appearance thereof as of the date the Concessionaire initially opened for business in the Concessionaire Premises. Concessionaire covenants and agrees that it shall refurbish and renovate the Concessionaire Premises (in accordance with the terms of this Sublease and the Tenant Alteration Application) during the first five (5) years of the Term so as to incur cumulative out-of-pocket costs and expenses related thereto in an amount not less than \$25.00 per square foot of Floor Area of the Concessionaire Premises, exclusive, however, of both (i) all costs and expenses related to the initial development of the Concessionaire Premises; and (ii) architecture, design and consulting costs and expenses. Concessionaire covenants and agrees to provide evidence, reasonably satisfactory to Sublandlord, that the amount paid by the Concessionaire for the maintenance of said first-class condition shall have equaled or exceeded the foregoing per square foot amount.

ARTICLE VIII

INSURANCE AND INDEMNITY

Section 8.01 CONCESSIONAIRE'S INSURANCE.

Concessionaire shall obtain and keep in full force and effect (i) an "all risk" insurance policy for its property at the Concessionaire Premises in an amount equal to one hundred percent (100%) of the replacement value thereof, and (ii) a policy of commercial general liability (including premises, operations, product liability, liquor liability and automobile liability, if vehicles will be used on the airside portions of the Airport) on an occurrence basis, (with a broad form contractual liability endorsement under the general liability policy). Such policies shall provide that Concessionaire is named as the insured and Sublandlord and the Port Authority shall be added as additional insureds, as their respective interests may appear with respect to the insurance required to be carried pursuant to (i) above. Such policy described in (ii) above shall include a provision under which the insurer agrees to insure Concessionaire with respect to any cost, expense and liability arising out of, or based upon, any and all claims, accidents, injuries and damages for which Concessionaire is required to indemnify Sublandlord or the Port Authority under the provisions of this Sublease. In addition, such policy shall contain a provision that (a) no act or omission of the Port Authority, Sublandlord or Concessionaire shall affect or limit the obligation of the insurer to pay the amount of any loss sustained and (b) the policy shall be non-cancelable with respect to either Sublandlord or the Port Authority unless thirty (30) days' prior written notice shall have been given to all of the Sublandlord and the Port Authority in the manner set forth in this Sublease for notices, which notice shall contain the policy number and the names of the insured and additional insureds. In addition, upon receipt by Concessionaire of any notice of cancellation or any other notice from the insurance carrier which may materially adversely affect the terms and substance (but not the amounts) of the coverage of the insureds under such policy of insurance, Concessionaire shall promptly deliver to Sublandlord and the Port Authority a copy of such notice. The minimum amounts of liability under the policy of insurance required to be carried pursuant to (ii) above shall be a combined single limit with respect to each occurrence in an amount of \$2,000,000 for injury (or death) to persons and damage to property, which amount shall be increased from time to time after the second (2nd) calendar year (but not more frequently than once per year) to that amount of insurance which is then being customarily carried by tenants of first-class retail developments in the New York/New Jersey metropolitan area. All insurance required to be carried by Concessionaire pursuant to the terms of this Sublease shall be effected under valid and enforceable policies issued by reputable and independent insurers permitted to do business in the State of New Jersey and New York and rated in Best's Insurance Guide, or any successor thereto (or if there be none, an organization having a national reputation) as having a general policyholder rating of having a general policyholder rating of "A" and a financial rating of at least "XI". In the event of vehicles being used under this Sublease, above-referenced auto liability insurance shall be in limits of no less than \$5,000,000 combined single limit per accident for bodily injury and property damage. The policy(ies) of insurance required to be carried pursuant to (ii) above will include the following statement:

"Further, unless otherwise agreed by the Port Authority, the liability policy shall be specifically endorsed, to prohibit the insurance carrier from raising any defenses involving in any way the jurisdiction of the tribunal, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority without obtaining express advance written permission from the General Counsel of the Port Authority."

Concessionaire and all officers and employees of Concessionaire who may handle or are responsible for the handling of receipts and disbursements shall be covered by insurance in an amount not less than Five Hundred Thousand Dollars (\$500,000) for employee dishonesty coverage against any and all loss, theft,

embezzlement or other fraudulent acts on the part of Concessionaire or Concessionaire's employees, and not less than One Hundred Thousand Dollars (\$100,000) for money and securities on or off premises, transit and depositors forgery coverage, indemnifying the Sublandlord and Port Authority, as co-obligees, against any and all loss, theft, embezzlement or other fraudulent acts of the part of Concessionaire or Concessionaire's employees.

Section 8.02 CERTIFICATES.

On or prior to the date hereof, Concessionaire shall deliver to the Sublandlord and the Port Authority certificates of insurance, including evidence of waivers of subrogation required pursuant to this Sublease, required to be carried by the Concessionaire. Evidence of each renewal or replacement of a policy shall be similarly delivered not less than ten (10) days prior to the expiration of each such policy.

Section 8.03 COVENANT TO HOLD HARMLESS.

Concessionaire and Sublandlord covenant, each to the other, to defend and indemnify the other and their respective directors, officers, partners, shareholders, representatives, management company, agents and employees, and save them harmless (except to the extent of loss or damage resulting from the negligence of party that would otherwise be so indemnified) from and against any and all claims, actions, demands, judgments, awards, fines, mechanics' liens or other liens, losses, damages, liability and expense, including attorneys' fees and court costs, in connection with all losses, including loss of life, personal injury and/or damage to property, arising from or out of any occurrence, upon or at the Premises, as to the Sublandlord, or the Concessionaire Premises as to the Concessionaire, or arising from or out of Concessionaire or Sublandlord's, as the case may be, failure to comply with any provision of this Sublease. In case either Sublandlord or Concessionaire or any other party so indemnified hereunder shall be made a party to any litigation commenced by or against either the Sublandlord or the Concessionaire (and not litigation commenced by or against one against the other), then the Concessionaire or Sublandlord, as the case may be, shall defend, indemnify, protect and save the other harmless and shall pay, as the same becomes due and payable, all costs, expenses and reasonable attorneys' fees and court costs incurred or paid by them in connection with such litigation. The provisions of this section shall survive the expiration, termination or earlier cancellation of this Sublease for any claims, suits, demands, actions, liabilities, loss or damage which occur prior to the expiration, termination or earlier cancellation of this Sublease.

Section 8.04 WAIVER OF RIGHT OF RECOVERY - INDEMNIFICATION.

(a) Except as otherwise provided in this Sublease, neither Sublandlord nor Concessionaire shall be liable to the other or the other's insurance company (by way of subrogation or otherwise) for any loss or damage to any building, structure or other tangible property, or any resulting loss of income, or losses under workers' compensation laws and benefits, even though such loss or damage might have been occasioned by the non-gross negligence of Sublandlord or the Concessionaire or their respective agents or employees.

(b) Concessionaire covenants and agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives (collectively the "Port Indemnites") from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal expenses incurred in connection with the defense of) all claims and demands of third-persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Concessionaire in performing or observing any term or provision in this Sublease, or out of the use and occupancy of the Concessionaire Premises, and its officers, employees

and persons who are doing business with Concessionaire, or out of any of the operations, acts or omissions of the Concessionaire, or out of the acts or omissions of others in the Concessionaire Premises with the Concessionaire consent. The foregoing indemnity shall also include claims and demands of the City of New York from which the Port Authority derives its rights in the Airport for indemnification arising by operation of law or through agreement of the Port Authority with the City of New York. If so directed by the Sublandlord or the Port Authority, the Concessionaire shall, at its own expense, defend any suit based upon any such claim or demand (even if such claim or demand is groundless, false or fraudulent), and in such handling such party shall not, without obtaining the express written permission from the General Counsel of the Port Authority, raise any defense involving in any way the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statute respecting suits against the Port Authority.

ARTICLE IX

UTILITIES

Sublandlord agrees to initially provide gas, electrical, water, sewer and such other services as Sublandlord shall, in the exercise of its reasonable discretion, determine each of the Concessionaire Premises. With the exception of gas and electricity, as to each of which Sublandlord shall pay all costs for the consumption thereof in all of the Concessionaire Premises, the Sublandlord shall have no obligation for the payment of any other utilities used in the Concessionaire Premises; provided, however, if the Concessionaire Premises is operated for food service or has additional power requirements, Concessionaire shall pay to Sublandlord certain sums, on a monthly basis, in advance, as determined by Sublandlord. If the Concessionaire Premises shall have installed therein meters for any of the utilities consumed by Concessionaire, the maintenance thereof shall be at the sole cost and expense of the Concessionaire.

ARTICLE X

ASSIGNMENT AND SUBLETTING

Section 10.01 LIMITATIONS; PROHIBITIONS.

Concessionaire covenants and agrees that it shall not transfer or assign this Sublease or its interest herein or all or any part of the letting hereunder, or all or any part of the Concessionaire Premises, without obtaining the prior written consent of Sublandlord, which shall not be unreasonably withheld, and the Port Authority. Any attempted transfer, assumption, assignment or sublease shall be void, *ab initio*, and infer no rights upon any third-parties. No amendment, transfer, assumption or contract shall relieve the Concessionaire of any of its obligations under this Sublease. Consent to the foregoing by any one or more of the Port Authority and Sublandlord shall not be deemed a waiver on the part of either or both of the Port Authority or Sublandlord to any prohibition against any future transfer, assignment, assumption or sublease. The term "transfer" includes, but is not limited to transactions in which any interest of the Concessionaire in this Sublease or the Concessionaire Premises are mortgaged or otherwise encumbered or in which the Concessionaire sublets, rents or otherwise permits occupancy or use of the Concessionaire Premises or any part thereof. If Concessionaire is a corporation, any sale, assignment or transfer, by operation of law or otherwise, by which control of the majority of the issued or outstanding stock of said corporation shall change, shall be deemed to be a transfer, provided, however if such corporation is a corporation whose stock is publicly traded on a national securities

exchange or on the "over-the-counter" market, then such sale, assignment or transfer of stock shall not be deemed a transfer. If Concessionaire is a corporation, or if Concessionaire is a corporation whose stock is owned by a corporation ("Parent"), any transfer of any issued or outstanding stock of the Concessionaire or Parent which is a transfer shall require the prior consent or approval of the Sublandlord and the Port Authority. From and after the date upon which a transfer occurs, and irrespective of whether or not either or both of the Sublandlord and the Port Authority shall issue their respective consent and approval, the abatement and waiver, as set forth in Section 2.01 (a)(A)(I), if then in effect, shall thereafter cease and seventy-five percent (75%) of the Minimum Annual Guaranteed Rent shall, thereafter be due and payable as if the Threshold had been satisfied if current senior management is not in control of the operations. Notwithstanding the foregoing exclusion, a sale of only those of the assets of any such corporation which are limited to less than all of the assets of the corporation, e.g., the Concessionaire Premises, shall be a "transfer" within the scope of this provision and require the prior written consent of the Port Authority and the Sublandlord. If Concessionaire is a partnership or joint venture, any sale, assignment or transfer, by operation of law or otherwise, of any interest in such partnership or joint venture shall be deemed to be a transfer. If Concessionaire is a limited liability company, any sale, assignment or transfer, by operation of law or otherwise, by which control of the majority of the membership interests in such limited liability company shall change, shall be deemed to be a transfer, provided, however, if the membership interests of such limited liability company are publicly traded on a national securities exchange or on the "over-the-counter" market, then this restriction on sale, assignment or transfer of membership interests shall be inapplicable.

Notwithstanding the foregoing provisions of this Article X containing a definition of the term "transfer" and exclusions or exceptions thereto, which shall not be binding upon or enforceable against the Port Authority, and regardless of whether the Sublandlord has in fact consented to any further subletting of the Concessionaire Premises or a proposed transfer, Sublandlord's consent will be of no force and effect and shall not be binding upon the Port Authority in any manner whatsoever. No such further subletting or a proposed transfer shall be effective and no estate or benefit shall be conferred on anyone until such time as the Port Authority has consented in writing, as determined in the Port Authority's sole and absolute discretion, to any such further subletting or a proposed transfer (including, without limitation, nothing otherwise permitted in this Article X shall become effective until such time as the transferee, any other applicable parties and the Port Authority have entered into an agreement in form and substance required by the Port Authority). In addition, the terms and provisions of the Port Authority Consent which in any way discusses and/or addresses the subject matter covered in this Article X shall be controlling and shall govern. Further, if this Sublease is assigned by Sublandlord and assumed by the Port Authority for any reason whatsoever, the Port Authority shall have the right to determine, in its sole and absolute discretion, whether any of the provisions of this Article X (which are stated to be between the Concessionaire and the Sublandlord) shall be binding upon and enforceable against the Port Authority and thereafter be considered to be a part thereof.

Section 10.02 DBE CHANGE NOTICE

If Concessionaire is a DBE, Concessionaire shall notify the Sublandlord and the Port Authority, in the manner as set forth in Section 17.06, below, of each and every change in the ownership or ownership structure of Concessionaire ("Change Notice") within thirty (30) days after each such change.

ARTICLE XI

DAMAGE AND DESTRUCTION

Section 11.01 DAMAGE TO THE CONCESSIONAIRE PREMISES.

In the event of damage to, or destruction of, any portion of the Premises or Concessionaire Premises, or the fixtures and equipment therein and said portion, fixtures or equipment was originally within the Sublandlord's Work, or any system within the Concessionaire Premises being the obligation of the Sublandlord to maintain, replace, or restore, the Sublandlord shall promptly, at its sole cost and expense, repair, restore or rebuild the same to substantially the same condition existing immediately prior to the happening of such fire or other casualty. Notwithstanding any damage to the Concessionaire Premises, to the extent that the Concessionaire Premises can be reasonably operated without risk of injury or damage to person or property, Concessionaire agrees to open, or reopen, as the case may be, and, in all events, to reopen for business immediately upon the completion of the foregoing repairs, restoration and rebuilding. In the event the work to be done by Sublandlord is not completed within three hundred sixty-five (365) days following the date of said damage, then Sublandlord has the right to terminate the Concessionaire Sublease, as to that portion, or those portions of the Concessionaire Premises, so damaged. Upon such termination, the Minimum Annual Guaranteed Rent shall be adjusted in proportion to the floor area of the Concessionaire Premises terminated to the floor area of the Concessionaire Premises as of the day of said damage.

Section 11.02 DAMAGE TO TERMINAL

In the event of damage to, or destruction of, any portion of the Terminal, other than as set forth in Section 11.01, above, Sublandlord shall promptly, at its sole cost and expense, repair, restore or rebuild the same to substantially the same condition existing immediately prior to the happening of such fire or other casualty. In the event the work to be done by Sublandlord is not completed within three hundred sixty-five (365) days following the date of said damage, then Sublandlord has the right to terminate the Master Lease, as to that portion, or those portions of the Concessionaire Premises so damaged. If Sublandlord exercises such right, and the portion of the Concessionaire Premises affected thereby includes the Concessionaire Premises, then this Sublease shall end, as of the date of said termination. Upon such termination, the Minimum Annual Guaranteed Rent shall be adjusted in proportion to the floor area of the Concessionaire Premises as to which this Sublease was terminated to the floor area of the Premises as of the day of said damage.

ARTICLE XII

EMINENT DOMAIN

Section 12.01 CONDEMNATION

(a) If the whole of the Premises or any portion of the Concessionaire Premises shall be taken by any public authority under the power of eminent domain or sold to a public authority under threat or in lieu of such taking, then the Term shall cease as of the day upon which possession is taken by such public authority, and the Rent shall be paid up to that day.

(b) A voluntary sale or transfer of interest of all or any part of the Premises or of the Terminal to any public or quasi-public body, agency, person or other entity, corporate or otherwise, having the power of eminent domain, either under threat of condemnation or while condemnation proceedings are pending, shall be deemed to be a taking under the power of eminent domain for the purposes of this Article 12.

Section 12.02 DAMAGES AND AWARDS.

All awards and damages for such taking under the power of eminent domain or proceeds from any sale under threat or in lieu of such a taking, shall belong to and be the property of the Sublandlord or the Port Authority, irrespective of whether such damages shall be awarded or proceeds obtained as compensation for diminution in value to the leasehold improvements thereto, and Concessionaire shall have no claim against Sublandlord or the condemning authority with respect thereto; provided, however, neither the Sublandlord nor the Port Authority shall be entitled to any award specifically designated as compensation for, depreciation to, or cost of removal of, the stock and trade fixtures of the Concessionaire.

ARTICLE XIII

DEFAULT

Section 13.01 EVENTS OF DEFAULTS BY CONCESSIONAIRE

Events of Default. It shall be an "Event of Default" hereunder if any of the following shall occur:

- (a) (i) Concessionaire fails to make any payment of Rent to the Sublandlord, and such failure continues for a period of five (5) days after written notice thereof to Concessionaire.
- (ii) Concessionaire fails to make any payment of Rent to the Port Authority within the cure period permitted by the Port Authority.
- (b) Concessionaire defaults or otherwise fails to perform or observe any of the covenants, terms or conditions contained in this Sublease to be performed or otherwise observed by Concessionaire (except for the payment of Rent, as set forth in (a), above) and such default or failure is not cured or performed within fifteen (15) days after written notice to Concessionaire.
- (c) Pursuant to an order, judgment or decree entered by any court of competent jurisdiction (i) a receiver, trustee or liquidator of Concessionaire or of all or substantially all of the assets of Concessionaire shall be appointed or (ii) Concessionaire shall be adjudicated a bankrupt or insolvent, or (iii) a petition seeking reorganization of Concessionaire or an arrangement with creditors or a petition to take advantage of any insolvency law shall be approved, and Rent shall not thereafter be paid in accordance with the terms hereof.
- (d) If Concessionaire is a DBE, a failure to provide the Change Notice as required pursuant to Section 10.02, hereof.
- (e) An Event of Default occurring under any other Concessionaire Sublease with Sublandlord entered into, on or after the date hereof, for one or more portions of the Terminal.
- (f) Failure to timely deliver the Bond, and each replacement thereof.

(g) The act or omission of the Concessionaire which, under the terms of this Sublease or the Master Lease is prohibited and which, if not timely corrected, would result in the Port Authority having the right to terminate either or both of the Master Lease or this Sublease.

Section 13.02 RIGHTS AND REMEDIES; SUBLANDLORD.

(a) If there exists an Event of Default by Concessionaire, Sublandlord, after fifteen (15) days notice from Sublandlord that Sublandlord intends to cure such Event of Default, shall have the right, but not the obligation, to cure same and Concessionaire shall pay to Sublandlord, upon demand, as Additional Rent the reasonable cost thereof plus interest at the Default Rate until such Additional Rent has been paid in full.

(b) If there exists an Event of Default, Sublandlord shall have the right, in addition to the rights set forth in Section 13.02 (a) above, to seek all remedies as are available at law or in equity.

(c) After a dispossession or removal in accordance with Law, Sublandlord may re-sublet the Concessionaire Premises or any part or parts thereof either in the name of Sublandlord or otherwise, for a term or terms which may, at the option of Sublandlord, be greater or less than the period which would otherwise have constituted the balance of the Term, and Concessionaire shall be obligated to pay Sublandlord any deficiency between the Rent due hereunder and the amount, if any, of the Rent collected on account of the new sublease or subleases of the Concessionaire Premises for each calendar year, or portion thereof, which would otherwise have constituted the balance of the Term. In computing such damages there shall be added to said deficiency the costs for reasonable attorneys' and brokerage fees which Sublandlord actually expends in connection with re-subletting the Concessionaire Premises. Such damages shall be paid by Concessionaire in installments on the dates specified in this Sublease for payment of Minimum Annual Guaranteed Rent and any suit brought to collect the amount of the deficiency for any period shall not prejudice in any way the rights of Sublandlord to collect the deficiency for any subsequent period by a similar proceeding. Sublandlord shall not be liable for failure to re-sublet the Concessionaire Premises or, in the event that the Concessionaire Premises are re-sublet, for failure to collect the Rent under such re-subletting.

ARTICLE XIV

TAXES ON PROPERTY OF CONCESSIONAIRE

Concessionaire, solely, and neither the Sublandlord nor the Port Authority are or shall be responsible or liable for any taxes, assessments, levies, fees and other governmental charges and impositions of any and every kind or nature, regular or special, direct or indirect, foreseen or unforeseen or known or unknown, levied or assessed by municipal, county, state, federal or other governmental taxing or assessing authority, upon, against or with respect to (i) Concessionaire's leasehold interest in the Concessionaire Premises, or (ii) furniture, fixtures, equipment, inventory and any other personal property of any kind owned by, or placed, installed or located in, within, upon or about the Concessionaire Premises by Concessionaire.

ARTICLE XV

HOLDING OVER

Any holding over after the expiration of the Term shall be construed to be a tenancy from month-to-month and the Minimum Annual Guaranteed Rent payable, on a monthly basis, shall be at an amount equal to one-twelfth (1/12th) of 200% of the Minimum Annual Guaranteed Rent required to be paid by Concessionaire for the last full year of the Term.

ARTICLE XVI

QUIET ENJOYMENT

Upon payment by Concessionaire of Rent and upon the timely observance and full performance of all the covenants, terms and conditions on Concessionaire's part to be observed and performed under this Sublease and the Port Authority Consent, Concessionaire shall peaceably and quietly hold and enjoy the Concessionaire Premises for the Term, free from and without hindrance or interruption by Sublandlord or any other person or persons claiming by, through or under Sublandlord, subject however, to the Master Lease and the Port Authority Consent.

ARTICLE XVII

MISCELLANEOUS

Section 17.01 ESTOPPEL STATEMENT.

At any time and from time to time, both parties agree that, upon request in writing from the Sublandlord or the Port Authority, or their respective designee, to execute, acknowledge and deliver, within ten (10) days after request therefor, to the requesting party or its designee, a written statement certifying that this Sublease is unmodified and in full force and effect (or if there have been modifications that the same is in full force and effect as modified and stating the modifications) and the dates to which the Rent has been paid, the Minimum Annual Guaranteed Rent Commencement Date, the Expiration Date, and such other pertinent and reasonable information regarding this Sublease and Concessionaire's occupancy of the Concessionaire Premises as may be requested.

Section 17.02 WAIVER; ELECTION OF REMEDIES.

One or more waivers of any covenant or condition by Sublandlord or the Port Authority shall not be construed as a waiver of a subsequent breach of the same covenant or condition, and the consent or approval by Sublandlord or the Port Authority to or of any act of Concessionaire requiring consent or approval of either, any or both of the Sublandlord, and the Port Authority shall not be deemed to render unnecessary such consent or approval to or of any subsequent similar act. No breach by Concessionaire of a covenant or condition of this Sublease shall be deemed to have been waived by either, any or both of the Sublandlord or the Port Authority unless such waiver is in writing signed by each non-breaching party. Rights and remedies under this Sublease or under any specific section, subsection or clause hereof shall be cumulative and in addition to any and all other rights and remedies which each party has or may have elsewhere under this Sublease or at law or in equity, whether or not such section, subsection or clause expressly so states.

Section 17.03 ENTIRE AGREEMENT.

The Glossary and Basic Sublease Provisions, this Sublease and all exhibits and/or addendum(s), and/or rider(s), if any, attached to this Sublease are hereby made a part of this Sublease, with full force and effect as if set forth herein. This Sublease supersedes all prior agreements between the parties hereto and sets forth all the covenants, promises, agreements and conditions, and understandings between Sublandlord and Concessionaire concerning the Concessionaire Premises, and there are no actual or implied covenants, promises, agreements, conditions or understandings, either oral or written, between them other than as are set forth herein and none thereof shall be used to interpret, construe, supplement or contradict this Sublease. The parties agree that any deletion of language from this Sublease prior to its mutual execution by Sublandlord and Concessionaire shall not be construed to have any particular meaning or to raise any presumption, canon of construction or implication, including, without limitation, any implication that the parties intended thereby to state the converse, obverse or opposite of the deleted language. No alteration, amendment, change or addition to this Sublease shall be binding upon Sublandlord or Concessionaire unless reduced to writing and signed by each party.

Section 17.04 INTERPRETATION; USE OF PRONOUNS; AUTHORIZATION.

Nothing contained herein shall be deemed or construed by the parties hereto, nor by any third party, as creating the relationship of principal and agent or of partnership or of a joint venture between the parties hereto, it being understood and agreed that neither the method of computation of Rent, any other provision contained herein, nor any acts of the parties herein, shall be deemed to create any relationship between the parties hereto other than the relationship of landlord and tenant. Whenever herein the singular number is used the same shall include the plural, and the masculine gender shall include the feminine and neuter genders.

Section 17.05 DELAYS; FORCE MAJEURE.

Time is of the essence in the performance under this Sublease. In the event Sublandlord or Concessionaire shall be delayed in the performance of any obligation, covenant, agreement or other undertaking required of it under this Sublease, by reasons of strikes; lockouts; labor disputes; Acts of God; inability to procure labor, materials, or reasonable substitutes therefor; or shall at any time be so delayed by reason of the diminution of power or power failure(s); restrictive governmental laws or controls; judicial orders; enemy or hostile governmental action; civil commotion; fire or other casualty, or reasons of a similar nature not the fault of the party delayed in performing work or doing acts required under the terms of this Sublease, then performance of such act shall be excused for the period of the delay and the period for the performance of any such act shall be extended for a period equivalent to the period of such delay; provided, however, that the time for performance shall in no event be extended due to financial or economic problems of any party. Notwithstanding anything to the contrary, the occurrence of any of the events of force majeure herein described shall not excuse Concessionaire's obligations to pay Rent on a timely basis.

Section 17.06 NOTICES.

Any notice or demand to Concessionaire or from Concessionaire to Sublandlord or the Port Authority shall be in writing and shall be mailed by either (a) certified mail addressed, return receipt requested with proper postage affixed thereto or (b) a Delivery Service, prepaid, if to Concessionaire, at the address of Concessionaire as set forth in the Glossary and Basic Sublease Provisions, or such other address as Concessionaire shall have last designated by notice in writing to Sublandlord and the Port Authority, and, if to Sublandlord or the Port Authority, to the address set forth in the Glossary and Basic Sublease Provisions, or such other address as Sublandlord shall have last designated by notice in writing to Concessionaire. Any notice sent or otherwise delivered in accordance with the foregoing shall be

deemed served and effective upon the earlier of (i) the date of receipt or refusal to accept delivery, (ii) the second business day following the date upon which the notice has been delivered to the Delivery Service; or (iii) the third business day following the date upon which the notice has been deposited with the U.S. Postal Service with proper postage thereon.

Section 17.07 CAPTIONS AND SECTION NUMBERS.

The captions, section numbers and article numbers and index appearing in this Sublease are inserted only as a matter of convenience and in no way define, limit, construe or describe the scope or intent of such sections or articles of this Sublease or in any way affect this Sublease.

Section 17.08 BROKERS' COMMISSIONS.

Concessionaire and Sublandlord represent and warrant each to the other and the Port Authority that there are and shall be no claims for brokerage commissions or finder's fees in connection with this Sublease, and each party agrees to indemnify the other, the Sublandlord and the Port Authority and hold each and all of them harmless from all liabilities arising from any claim for brokerage commissions and finder's fees in connection with this Sublease. Such agreement shall survive the expiration or sooner termination of this Sublease.

Section 17.09 SUCCESSORS.

All rights and liabilities herein given to, or imposed upon, the parties to this Sublease shall inure to and be imposed upon the respective heirs, executors, administrators, permitted successors and assigns of the said parties; and if there shall be more than one Concessionaire, they shall all be bound jointly and severally by the terms, covenants and agreements herein.

Section 17.10 GOVERNING LAW.

This Sublease shall be governed by and construed in accordance with laws of the State of New York. If any provision of this Sublease or the application thereof to any person or circumstances shall, to any extent be invalid or unenforceable, such provision shall be adjusted rather than voided, if possible, in order to achieve the intent of the parties, to the extent possible; in any event, all other provisions of this Sublease shall be deemed valid and enforceable to the full extent.

Section 17.11 SURVIVAL OF OBLIGATIONS.

All obligations of both the Concessionaire and Sublandlord which cannot be ascertained to have been fully performed prior to the end of the Term, or any earlier termination hereof shall survive the expiration or termination of this Sublease, whichever occurs earlier.

Section 17.12 ATTORNEYS' FEES.

If at any time after the date that this Sublease has been executed by Sublandlord and Concessionaire, either Sublandlord or Concessionaire institutes any action or proceeding against the other relating to the provisions of this Sublease or any default hereunder, the non-prevailing party in such action or proceeding shall reimburse the prevailing party for the reasonable expenses of attorneys' fees and all costs and disbursements incurred therein by the prevailing party, including, without limitation, any such fees, costs or disbursements incurred on any appeal from such action or proceeding. Subject to the provisions of the Law, the prevailing party shall recover all such fees, costs or disbursements as costs

taxable by the court or arbiter in the action or proceeding itself without the necessity for a cross-action by the prevailing party. Notwithstanding anything to the contrary contained herein, if either Sublandlord or Concessionaire engages the services of attorneys (either outside counsel or in-house counsel) to enforce the provisions of this Sublease, to the extent that either incurs any cost or expense (including such reasonable attorneys' fees for outside counsel or payroll and overhead expenses for in-house counsel, as the case may be) in connection with such enforcement, including instituting, prosecuting or defending its rights in any action, proceeding or dispute by reason of any default by Concessionaire or Sublandlord, as the case may be, sums so paid or billed to Sublandlord or Concessionaire, as the case may be, together with all costs and disbursements, shall be paid by the Concessionaire to the Sublandlord, or Sublandlord to Concessionaire, as the case may be, within ten (10) days after demand therefor. If Concessionaire fails to timely pay same, such will be deemed Rent and thereafter be due together with interest at the Default Rate. If Sublandlord fails to timely pay, such amount may be offset from the Minimum Annual Guaranteed Rent thereafter becoming due and payable to Sublandlord, but may not be offset against any rent thereafter becoming due and payable to the Port Authority, together with interest at the Default Rate, until the full amount has been so offset.

Section 17.13 FACILITIES DEVELOPMENT AMOUNT.

Concessionaire acknowledges that all or a portion of the Sublandlord's Work will be completed during the overall course of the work being done by or for Sublandlord in the redevelopment of the Terminal and, to effect such Sublandlord's Work, the Sublandlord will incur certain fees, costs and expenses (collectively "Facilities Development Amount"). Therefore, both Sublandlord and Concessionaire, being cognizant that such fees, costs and expenses are not capable of specific allocation and segregation, have agreed that the liquidated amount of Facilities Development Amount to be paid by Concessionaire to Sublandlord is \$27.46 per square foot of Floor Area of Concessionaire Premises, on an annual basis for each calendar year of the Term, prorated on a daily basis for any partial calendar year ("Development Assessment"), to be paid in equal monthly installments, in advance, as Additional Rent, commencing on the Minimum Annual Guaranteed Rent Commencement Date.

Section 17.14 EXCULPATION.

Concessionaire, for itself and its successors and assigns covenants and agrees that it or they shall enforce any obligation of the Concessionaire contained in this Sublease solely against Sublandlord and not against any of the Protected Parties or in any manner realized upon the personal liability or assets of any of the Protected Parties. This is intended and shall be construed and interpreted as a covenant on behalf of each the Concessionaire and its successors and assigns not to sue or seek enforcement of any judgment against any of the Protected Parties. In the event that suit is brought to enforce any obligation of the Sublandlord, Concessionaire for itself and its successors and assigns, covenant and agree that judgment proceedings shall be enforced only against the interest of the Sublandlord in the Premises and in no event against any other assets of Sublandlord, and that, after application of the proceeds of any seizure and sale of said assets, the obligation of Sublandlord hereunder shall be then and thereafter deemed fully discharged.

Section 17.15 TERMINATION BY PORT AUTHORITY WITHOUT CAUSE; WAIVER AND RELEASE.

(a) Concessionaire acknowledges that the Port Authority has reserved and has the right with Sublandlord's concurrence to terminate any of the Concessionaire Subleases and the Term upon thirty (30) days prior written notice to Sublandlord and each of the affected Concessionaire(s) whether or not

there then exists an Event of Default, such termination hereinafter referred to as "Discretionary Termination."

(b) Sublandlord covenants and agrees that, if the Port Authority shall exercise its right to terminate this Sublease by a Discretionary Termination, then the Sublandlord shall pay to the Concessionaire an amount equal to the Unamortized Capital Investment, as defined in (c), below, as of the effective date of the Discretionary Termination.

(c) For purposes of subsection (b) above, "Capital Investment" shall be Concessionaire's actual aggregate expenditures for initially constructing and equipping the Concessionaire Premises; and the term "Unamortized Capital Investment" shall mean the amount of the Capital Investment that, but for the Discretionary Termination, would have been amortized for the period from the effective date of such termination to the Expiration Date.

Section 17.16 LETTERS OF CREDIT. Concessionaire covenants and agrees that it shall deliver, or cause to be delivered to each of the Sublandlord and the Port Authority, prior to the date upon which the Concessionaire initially opens for business to the public in the Concessionaire Premises, an unconditional, irrevocable so-called "evergreen" letter of credit, being in an amount of 50% to the Port Authority and 50% to the Sublandlord of the Minimum Annual Guaranteed Rent to be paid for the then-current calendar year, but in no event less than \$628,500.00 for the Port Authority and \$628,500.00 for the Sublandlord. The issuer of each said letter of credit is to be approved by (i) as to the Letter of Credit for the Sublandlord, the Sublandlord; and (ii) as to the letter of credit for the Port Authority, by the Port Authority, and each of the two letters of credit are to provide for partial draws upon demand therefor by the respective beneficiary of each such letter credit.

Section 17.17 UNILATERAL RIGHTS TO TERMINATE.

As a further inducement for Sublandlord to enter into this Sublease, Concessionaire has represented to Sublandlord that:

A. If during the calendar year 2003, the Gross Receipts from the Concessionaire Premises do not exceed \$3.00 per International Enplaned Passenger and \$1.50 per Domestic Enplaned Passenger (or reduced as set forth in the last sentence of this subsection), then such failure shall not be an Event of Default, but shall permit the either party to terminate this Sublease at any time after said calendar year 2003 upon not less than thirty (30) days notice. Upon such termination, the Concessionaire shall vacate the Concessionaire Premises, as if this Sublease had expired, and Concessionaire shall cause the Concessionaire Premises to be in the condition as required by the terms of this Sublease. Sublandlord and Concessionaire acknowledge and agree that the amount of \$3.00 is based on (i) a calendar year of operations in the Concessionaire Premises, without delays caused by an event set forth in Section 17.05, and, in the event the operations of the Concessionaire are adversely affected by an event set forth in Section 17.05, then the \$3.00 shall be adjusted on a per diem basis; i.e., if, as a result of a force majeure, the Concessionaire Premises were unable to be open for business to the public for a period of 10 days in any calendar year, then the \$3.00 shall be reduced by 2.7% to \$2.92; and (ii) no further expansion of the number of Concessionaire open for business on the "airside" of the Terminal, from the number depicted on Exhibit A. If such increase does occur, then the foregoing right to terminate shall cease.

B. In no event shall such termination pursuant to the terms of this Section 17.17 reduce, eliminate, vitiate or in any way affect the obligations of the Concessionaire to be performed and observed prior to the date of termination or the obligations, covenants and conditions (including, but not

limited to all obligations to indemnify and hold harmless) that survive the expiration or sooner termination of this Sublease.

Section 17.18 AUTHORITY OF EXECUTION. If Concessionaire is a corporation, limited liability company or limited partnership, Concessionaire shall furnish to Sublandlord at the time of execution of this Sublease (a) a certificate issued by the state of its formation that the Concessionaire is in good standing in said state, (b) a certified copy of its Certificate of Incorporation, Articles of Organization, Certificate of Formation, or such other documentation as used in the state of its formation whereby the Concessionaire was originally formed in said state, and (c) a certified copy of the resolution of the Board of Directors, General Partners, Managers or Managing Members of other party(ies) having the power of control of the Concessionaire approving this Sublease and authorizing its execution by the persons who have signed or will sign this Sublease.

IN WITNESS WHEREOF, Sublandlord and Concessionaire have caused this Sublease Agreement to be duly executed as of the year and day first above written.

TABLE OF CONTENTS

- 1.0 GENERAL INFORMATION
 - 1.1 INTRODUCTION
 - 1.2 ORGANIZATION OF THE MANUAL
- 2.0 GENERAL DESIGN CRITERIA
 - 2.1 IMAGE AND CHARACTER
 - 2.2 DESIGN CONDITIONS
 - 2.2.1 DESIGN CONDITION A (F3, F4, F5)
 - 2.2.2 DESIGN CONDITION B (R1, R2)
 - 2.2.3 DESIGN CONDITION C (R7, R8, R9)
 - 2.2.4 DESIGN CONDITION D (R3, R4, R5, R6)
 - 2.2.5 DESIGN CONDITION E (F1, F2)
 - 2.2.6 DESIGN CONDITION F (F6, R10)
 - 2.3 GENERAL REQUIREMENTS
 - 2.3.1 FLOORS
 - 2.3.2 CEILINGS
 - 2.3.3 ROOFS
 - 2.3.4 WALLS
 - 2.3.5 SECURITY

2.0 GENERAL DESIGN CRITERIA

The following information is intended to assist the Concessionaire in developing design documents for review and approval. The outlined criteria identify specific requirements and physical limitations that influence the design, but still encourage individuality to achieve an interesting, exciting and unique shopping and dining environment.

2.1 IMAGE AND CHARACTER

A successful design solution will have a consistent theme in which all the parts fit together and enhance one another. It is important to consider the following components when developing a design:

1. storefront
2. materials and finishes
3. color, texture and durability
4. lighting
5. graphics
6. accessibility to airline passengers
7. scale relationships
8. accessibility for maintenance

2.2 DESIGN CONDITIONS

The overall floor plan, Figure A-0, illustrates the locations of the various food and retail concession leaseholds. Concession leaseholds assigned to food Concessionaires are designated with the letter "F" and leaseholds for retail Concessionaires are labeled with the letter "R." The leaseholds are grouped according to Design Conditions which are defined and detailed within this Manual.

2.2.1 Design Condition A

Design Condition A applies to food Concessionaires occupying leaseholds F3, F4 and F5 as indicated on the enlarged floor plans. See Figures P-1, P-2 and P-3.

In Design Condition A, the storefront/counter assembly will be installed by the Owner, at the Concessionaire's expense. The major components of the assembly will be an electrically-operated roll-down security grille, and stainless steel millwork counter. See elevation (Figure E-4) and section (Figure S-5) for details.

2.2.2 Design Condition B

Design Condition B applies to retail Concessionaires occupying leaseholds R1 and R2 as indicated on the enlarged floor plans. See Figures P4 and P5.

In Design Condition B, the Concessionaire is provided with three storefront options:

1. mobile glazing system (see Figure W-1)
2. fixed glazing (see Figure W-2)
3. solid wall (see Figure W-3)

The Concessionaire may select which type(s) of storefront is most appropriate for the design of the leasehold.

At leasehold R-1, the circular columns, located outside of the leasehold, may be a signage opportunity for the Concessionaire, though not guaranteed. The Concessionaire is encouraged to propose signage at these columns for consideration.

See elevations (Figures E-1, E-2 and E-3) and sections (Figures S-1, S-2 and S-3) for details.

2.2.3 Design Condition C

Design Condition C applies to retail Concessionaires occupying leaseholds R7, R8 and R9 as indicated on the enlarged floor plans. See Figures P-6 and P-7.

In Design Condition C, the Concessionaire is provided with three storefront options:

1. mobile glazing system (see Figure W-1)
2. fixed glazing (see Figure W-2)
3. solid wall (see Figure W-3)

The Concessionaire may select which type(s) of storefront is most appropriate for the design of the leasehold.

See elevation (Figure E-2) and section (Figure S-2) for details.

2.2.4 Design Condition D

Design Condition D applies to retail Concessionaires occupying leaseholds R3, R4, R5 and R6 as indicated on the enlarged floor plans. See Figures P-8, P-9 and P-10.

In Design Condition D, the Concessionaire is provided with three storefront options:

1. mobile glazing system (see Figure W-1)
2. fixed glazing (see Figure W-2)
3. solid wall (see Figure W-3)

The Concessionaire may select which type(s) of storefront is most appropriate for the design of the leasehold.

At leaseholds R-3 and R-6, the circular columns, located outside of the leaseholds, may be a signage opportunity for the Concessionaire, though not guaranteed. The Concessionaire is encouraged to propose signage at these columns for consideration.

See elevations (Figures E-1, E-2 and E-3) and sections (Figures 1-1 and 3-3) for details.

2.2.5 Design Condition E

Design Condition E applies to food Concessionaires occupying leaseholds F1 and F2 as indicated on the enlarged floor plans. See Figures P-11 and P-12.

In Design Condition E, the Concessionaire is provided with three storefront options:

1. mobile glazing system (see Figure W-1)
2. fixed glazing (see Figure W-2)
3. solid wall (see Figure W-3)

The Concessionaire may select which type(s) of storefront is most appropriate for the design of the leasehold.

See elevations (Figures E-1 and E-5) and sections (Figures S-1 and S-4) for details.

2.2.6 Design Condition F

Design Condition F applies to Concessionaires occupying leaseholds F6 and R10 as indicated on the enlarged floor plans. See Figures P-13 and P-14.

The leasehold in Design Condition F is to be a self-enclosed kiosk/millwork element. The floor finish of the Terminal will continue into the area of the leasehold. A steel canopy suspended above the leasehold may be a signage/lighting opportunity for the Concessionaire, though not guaranteed. The Concessionaire is encouraged to propose signage/lighting at the canopy for consideration.

2.3 GENERAL REQUIREMENTS

The following requirements apply to the basic components of the Concessionaire's leasehold.

2.3.1 Floors

The level of the finished floor within the shell space is to correspond exactly to that of the adjacent finished floor. No structural modifications will be permitted unless compelling design or operational needs require them. The cost of design and construction of any resulting structural modifications will be at the Concessionaire's sole expense.

The Concessionaire is required to patch adjacent concourse terrazzo or carpet if it is damaged during construction. Floors in kitchen, food preparation and storage, counter and beverage service areas must have a fully waterproofed surface and a 6-inch high cove base. The Concessionaire is to install floor drains in all such areas.

If the Concessionaire's space requires floor penetrations, the Concessionaire's contractor is required to x-ray the floor before cutting, drilling or otherwise penetrating the existing slab. The D&C Coordinator is to be notified in writing prior to any penetration.

The Concessionaire is to control water from drilling or cutting operations. Surfaces below such operations must be protected. Such operations must not be conducted without the written approval of the D&C Coordinator. The Concessionaire is responsible for the costs of any damages sustained in such procedures.

The Concessionaire is not permitted to construct mezzanines or raised platforms in the leased premises without the written approval of the D&C Coordinator.

2.3.2 Ceilings

The overall ceiling height within the lease space is to be a minimum of 8 feet. Open ceilings or exposed structure treatments are not encouraged. Ceilings are required to be installed in all areas to maintain return-air plenums. All ceiling materials must be noncombustible, equal to Class A installation. Ceiling finishes shall have a flame spread rating not exceeding 200. The plenum must be accessible when base building or Concessionaire piping and/or equipment are located above.

Ceiling furrdowns or bulkheads are permitted. However, furrdowns or soffits must not restrict access to plumbing or HVAC equipment. Access doors are not permitted in gypsum board furrdowns or soffits.

All damage to existing ceilings will be repaired at the Concessionaire's expense. Ceilings in food and beverage spaces are to comply with all City of New York Health Department requirements.

2.3.3 Roofs

All required penetrations of the existing terminal roof for exhaust hoods, vent stacks, supplemental HVAC equipment or any other equipment are to be performed by the Concessionaire, at the Concessionaire's expense. The Concessionaire must consider the following in dealing with roof-top equipment:

1. roof access
2. equipment shut-offs
3. walkway access
4. concealed piping
5. existing equipment and penthouse clearances
6. roof protection during construction
7. temporary weatherproof protection of openings during construction
8. lifting and hoisting of equipment
9. structural calculations of penetrations and reinforcing of openings if required
10. effects on roof drainage
11. storage of equipment and materials on the roof during construction
12. protection of roofing material from oil and grease emitted by kitchen exhaust equipment

All modifications or installations of additional equipment require consultation with the Owner's consultant team, including D&C Coordinator, structural engineer and MEP/FP engineer. The installation of such equipment will be at the Concessionaire's expense.

2.3.4 Walls

All interior demising walls between Concessionaires are gypsum board on metal stud framing. Partitions between multiple Concessionaires and any common, public or service corridor will extend to the structure above. The partitions between multiple Concessionaires must have a rating of 2 hours. All demising partitions will be provided by the Owner, except for retail storefronts at design conditions B - F. See Section 2.2 for specific design conditions. The Concessionaire's walls are to be finished. All interior partitions are to extend 8 inches above the finished ceiling. All interior walls are to be constructed by the Concessionaire, at the Concessionaire's expense. Permanent attachment to concrete columns with mechanical fasteners or adhesives is not permitted. The Concessionaire is permitted to furr columns with systems that are self-supporting or free standing within the leasehold.

If heavy shelving or attachments are to be installed, the demising or Concessionaire's wall must be reinforced.

If fire-rated walls or other existing construction must be opened or cut through to extend services to a leasehold, the Concessionaire must preserve the original rating and construction.

2.3.5 Security

The Concessionaire is required to provide a means of securing the leasehold during non-operational hours. See Section 2.2 for specific requirements.

2.4 IMAGERY - FOOD/RETAIL CONCESSIONAIRE

It is especially important in an airport that the options available to the traveler are seen clearly and quickly. These options should be perceived as attractive and inviting.

2.4.1 Food Concessionaire - Display

Creative display of food and beverages is required. The presentation must be clean, well-organized and devoid of clutter.

Sneeze guards must be set back a minimum of 6 inches from the edge of counter and be a maximum height of 4 feet - 6 inches above the finished floor. All horizontal joints are to be butt-glazed for maximum visibility. Glazing must be either tempered or safety glass. No acrylic glazing is permitted.

2.4.2 Food Concessionaire - Equipment

Concessionaire equipment on counters is to be set back a minimum of 6 inches from the front counter edge and recessed into the counter top so that no portion exceeds 42 inches in height. Beverage machines and other miscellaneous equipment on the counter are subject to design review. No simulated wood finishes will be permitted on equipment within public view.

Napkins, condiments, utensils, straws and trays must be set back from the front of the counter and must be dispensed from permanent holders recessed into the front counter top.

All paper goods and supplies are to be stored in areas not visible to the public. All equipment is to be furnished, installed and maintained by the Concessionaire at the Concessionaire's expense.

2.4.3 Food Concessionaire - Lighting

Lighting within the Concessionaire's leasehold is to be provided by the Concessionaire, except where provided in Design Condition A.

2.4.4 Food Concessionaire - General Signage

In addition to the basic signage, additional signage is normally required of the food Concessionaire. Menu boards and other signs must convey information in an organized, simple, straightforward manner so the traveler can absorb the information quickly and make choices with dispatch. This is to the advantage of both the customer and the Concessionaire. The design and graphics of the signage are an integral part of the store concept. All supplemental menu graphics must be professionally produced and attractively displayed. Temporary displays are not allowed. See Section 2.5 for additional signage information.

2.4.5 Food Concessionaire - Menu Boards

The Concessionaire is to provide one or more menu boards designed as an integral part of the design concept. Menu boards must have changeable price and menu graphics. Graphics depicting food items or a supporting overall image is encouraged.

Internally illuminated menu boards are acceptable. Also acceptable are illuminated menu boards using a supplemental light source. The use of photographs for food displays is encouraged. Photographs must be produced by a professional.

"Daily Special" signs or signs for seasonal or temporary promotions must be integrated into the overall design of the menu board and of the back wall.

2.4.6 Food Concessionaire - Pick Up/Order Signage

The food Concessionaire has the option to have "Order Here" and "Pick Up Here" signs. The design and materials must be consistent with the overall design and colors used in the space. All "Order Here" signs must be supported from the counter top and may not be suspended from the ceiling.

2.4.7 Food Concessionaire - Storage

The Concessionaire's supplies must be stored on appropriate racks or in cabinets within the Concessionaire's leasehold. Such storage must be concealed from public view with doors or sliding panels.

2.4.8 Retail Concessionaire - General

Retail storefronts along the concourses are intended to feature merchandise and invite the customer to shop. Each retail Concessionaire has the opportunity to develop a store design that creatively displays the unique character of the store and the products being offered.

The aim of the design criteria is to support the store concept and to aid national, regional and local Concessionaires in producing a high quality, distinctive look for their space. The retail Concessionaire is to have a storefront designed according to the storefront criteria.

2.4.9 Retail Concessionaire - Display

The zone behind the storefront where merchandise is displayed is where the customer receives his first full impression of the store. It is critical that special attention be paid to the area through the use of fixturing, raised platforms, props, furniture, and/or mannequins. These elements are to be consistent with the space in both design and materials.

2.4.10 Retail Concessionaire - Signage

All signage on and within the Concessionaire's space is subject to design review and approval, including all signs for sale promotions, seasonal promotions, product displays and brand displays. See Section 2.5 for additional signage information.

Signage must be professionally designed, attractively displayed and produced in colors and materials consistent with the overall store image.

See Section 2.2 for specific requirements in each Design Condition.

2.4.11 Retail Concessionaire - FF&E

All fixtures, furnishings and equipment shall be provided by the Concessionaire, at the Concessionaire's expense. Fixtures and furnishings play an important role in establishing the character of the store. They should be made of high quality, durable materials similar or complementary to those in the space. Simulated wood grain or other simulated materials on fixture or furniture is discouraged.

The fixture layout should accommodate passengers with hand-held luggage, bag carts and baby strollers, as well as persons in wheelchairs who require maneuvering clearances.

Any equipment used in the store that is visible to the public is to be compatible with the store design.

All interior finishes are required to meet ASTM E-84, Type 1, Class A fire retardant requirements. All floor finishes shall also meet DOC FFI (methanine pill test) and ASTM E648 (critical radiant flux test) with a minimum critical radiant flux of 0.5 watts per square centimeter.

2.5 SIGNAGE

Signage is an integral part of the overall design of the Terminal experience. Accordingly, the signage of the Concessionaire's space must be designed to maintain that consistency. The Concessionaire is permitted to use the corporate logo, sign type and lettering styles, when compatible with design criteria. The Concessionaire is required to coordinate primary and secondary signage into a complementary design. The Concessionaire must avoid obstructing Terminal way-finding and information signage. See Section 2.4 for specific signage guidelines for food and retail concession leaseholds.

2.5.1 General Signage Standards

The Concessionaire is fully responsible for the workmanship, installation and grammatical correctness of the signs, and for coordinating efforts with the sign contractor.

The Owner reserves the right to reject any signage that it deems inappropriate for the Terminal.

No exterior signage will be permitted on any part of the Terminal or positioned to be visible from outside any window.

2.5.2 Primary Sign Element

Each Concessionaire is required to design, fabricate, install and maintain one primary sign above the entrance to the space (if a soffit condition exists) or incorporated into the storefront (if a soffit condition does not exist). The sign shall be limited to the Concessionaire's trading name only.

Any Concessionaire having storefronts on more than one side may use one sign on each storefront. The Concessionaire must comply with the following criteria:

1. Etched, beveled, or sandblasted glass; dimensional metal; and other materials with permanent appearance are encouraged. Three-dimensional illuminated halo or back-lit individually mounted letters are not acceptable.

2. For signs occurring on soffits, the maximum field height for signage (i.e. individual letters, double line of letters and/or sign backgrounds) is 18" overall. The field may extend below the bottom of the soffit line 6" (max) and may extend above the bottom of the soffit line 12" (max). See Figure S-7.

2.5.3 Supplemental Signage

The Concessionaire is encouraged to integrate supplemental signage into the storefront design to support the overall store image and to provide greater visibility. End walls and columns may be used for secondary signage. Size and content are subject to Owner review.

No displays or signs are permitted outside the lease line, except where indicated in Section 2.2.

Storefront signs are not restricted to a specific size. Their use is viewed as decorative as well as informative and is subject to the Owner's approval. Note the following:

1. Letters or logos applied or painted directly on the inside face of glass storefronts are not permitted.
2. Supergraphic treatment of large amounts storefronts is not permitted.
3. Hand-lettered non-professional signs and newspaper advertisements are not permitted.
4. Advertising for brand names (soft drinks, for example) is not permitted.
5. Animated, flashing or sound-producing elements are not permitted.

All graphics must have a non-glare, matte finish. The type must be large enough and its style simple enough to make the text clearly legible.

2.6 INTERIOR FINISHES

The selection and application of finishes will define the Concessionaire's image. Establishing a standard for quality, durability and aesthetic value will be evaluated and considered. The Concessionaire's image does not end at the storefront or at the front of counter, but continues to all areas exposed to the public. It is important to develop a color and finish palette that is both inviting and complementary to the overall image. Good craftsmanship is a critical component in a successful product. The Concessionaire is responsible for the selection and application of all interior finishes.

2.6.1 Flooring

High quality, durable materials must be selected to withstand heavy traffic. Stone, ceramic tile, marble, wood or durable carpet are acceptable options.

The Concessionaire must provide a continuous base around the perimeter of the lease space with material that is similar to the flooring as well as compatible with the storefront. Rubber or vinyl base is discouraged.

2.6.2 Ceilings / Walls / Doors

The Concessionaire is to use high quality, durable products for ceiling, walls and doors. Specific requirements include the following:

1. Ceilings must be accessible for maintenance whenever piping or equipment (by base building or Concessionaire) occur.

**CONCESSION DESIGN &
CONSTRUCTION MANUAL**

BRITISH AIRWAYS

JFK Terminal Renovations 03 . 08 . 99

2. The following materials are not permitted:
 - a. rough-sawn cedar or other unfinished woods
 - b. imitation of natural materials, such a simulated wood, brick or laminates
 - c. pegboard walls or fixturing systems
 - d. painted drywall surfaces below 9 feet
 - e. window coverings
 - f. slat wall material

3. Concessionaire's interior doors must be solid core or hollow metal with a finish quality similar to the quality of the walls.

2.7 LIGHTING

The Concessionaire is encouraged to be creative in lighting design to maximize the quality and uniqueness of the environment. Energy efficient lighting is required. All lighting locations, specifications and product data sheets (including light source) must be submitted for review.

2.8 ACOUSTICS

The Concessionaire is encouraged to use materials and designs that minimize the transmission of sound to the concourse and adjacent spaces.

Food and beverage Concessionaires must isolate noises from food preparation, dishwashing and cleaning areas, using demising walls if necessary.

Music systems are permitted within leaseholds, but volumes must be controlled to limit the sound to the leasehold boundaries.

3.0 CONSTRUCTION

3.1 PROCEDURES

These construction procedures are intended to allow flexibility and accessibility to the Concessionaire's contractor for the timely execution of his work without obstructing airline operations, passenger flow or airport security. Airport and airline operations and security must not be affected during any sequence of Concessionaire's construction. Therefore, some construction may be required during restricted working hours and during evening hours.

3.1.1 Concessionaire Examination of Site

By executing lease documents, Concessionaires represent that they have:

1. visited the site.
2. made due allowances for difficulties and contingencies to be encountered.
3. compared contract documents with work in place.
4. informed themselves of existing conditions and work being performed by others.
5. notified the D&C Coordinator of any inconsistency or error they discovered within the lease or between Lease Exhibit and existing conditions.
6. agreed to inspection terms during construction and will provide verified as-built drawings to the D&C Coordinator.

3.1.2 Temporary Partitions

In most cases, construction by Concessionaire will occur behind temporary partitions constructed by the base building construction manager. In cases where this does not occur, the Concessionaire is to provide and maintain temporary dust partitions to seal openings to all adjacent areas, provide temporary security and provide protection to the public during construction. The following points also apply:

1. Temporary construction partitions must be located a maximum of 2 feet beyond the lease line.

2. Partitions must extend full height to the existing structure or ceiling to positively seal off the construction area. Partitions in view of the public are to be vinyl-covered gypsum board on metal studs.
3. All finishes are to be returned to their original condition when temporary partitions are removed.
4. Owner-approved construction signage is required on temporary partitions.
5. Access doors into construction areas must be solid core or hollow metal doors with commercial grade hardware and must be mounted in hollow metal frames.

3.1.3 Security

The Concessionaire is entirely responsible for the security of the leased premises during construction, and must take all necessary steps to maintain airport security. The Owner shall have no liability for loss or theft of any property.

The Concessionaire's contractor shall enter the building at landside entrances approved by the Owner and the Owner's contractor.

Access by air-side or AOA ramp is strictly prohibited. Access to construction areas within the building must be through passageways and corridors as approved by the Owner and the Owner's contractor. The access route must be shown on construction documents.

3.1.4 Construction Coordination

The following rules and regulations apply to the Concessionaire's contractors performing work at the Terminal.

In general, the Concessionaire's contractor is to confine his operations to the construction area defined by his Contract Limit Lines (CLL). Where operations require work or staging beyond those limits, such work is to be coordinated with the Owner and the Owner's contractor by using the following guidelines:

1. All work to be installed beyond the CLL (such as bracing or support steel or installation of conduits or lines), is to be coordinated with the Owner, the Owner's contractor, or other contractors of the Concessionaire where applicable.

The Concessionaire's contractor will provide a representative who will be available to attend the Terminal's mechanical coordination meetings, and who will sign off the coordination with other mechanical trades, if work is occurring beyond the CLL's.

2. Where the Concessionaire's contractor's work precedes the Terminal's mechanical work, the Concessionaire's contractor will furnish accurate as-builts, tying back dimensionally to building steel to locate their work. As-built reproducibles of this work will be forwarded to the Owner's contractor within five (5) working days of work being performed in the field for use by others in coordination of subsequent work.
3. Where the Concessionaire's contractor's work occurs after the Terminal's Mechanical Coordination of the adjacent spaces, the Concessionaire's contractor will obtain copies of the "Coordination Drawing(s)" for the area, and indicate his work on the plan. This drawing will be forwarded ten (10) working days prior to any work proceeding in the field outside their CLL and will be submitted to the Owner's contractor for review by their subcontractor.

No core drilling will occur in the Terminal outside the CLL. Any resultant damages, which occur due to such activity, will be the responsibility of the Concessionaire's contractor. Any necessary repairs will be arranged by the Owner's contractor and costs back-charged to the Concessionaire's contractor.

All shutdowns or tie-ins to existing services are to be made with a minimum of 48 hours written notice to the Owner and the Owner's contractor. The Concessionaire's contractor is responsible to drain down and refill any systems affected, and furnish valves and dampers, to isolate their work from the Terminal's systems, whether or not indicated.

The Concessionaire's contractor will coordinate all deliveries with the field superintendent of the Owner's contractor. The Owner's contractor will be provided with date, time and duration of deliveries, and the Concessionaire's contractor will coordinate with the Owner's contractor regarding location of all drop-offs. Minimum 48 hour notice will be given for all standard deliveries, and five (5) days written notice for all deliveries requiring cranes, boom equipment, or requiring coordination to or blocking roadway access.

The Concessionaire's contractor is required to provide competent job site supervision capable and authorized to make binding decisions on behalf of the Concessionaire's contractor, who will be present full time while any of their work force is present at the job.

**CONCESSION DESIGN &
CONSTRUCTION MANUAL**

BRITISH AIRWAYS

JFK Terminal Renovations

03 . 08 . 99

The Concessionaire's contractor will provide the Owner and the Owner's contractor with emergency contact numbers for this individual, and also for all major mechanical subcontractors working for them at the site.

The Concessionaire's contractor is required to make available a competent representative of his firm to attend a weekly coordination meeting with the Owner's contractor to coordinate all operations and notify the Owner and the Owner's contractor of upcoming work or deliveries.

All builders materials, gang boxes, rubbish containers are to be kept within the confines of the CLL or at pre-approved locations outside the CLL.

The Concessionaire's contractor will coordinate all rubbish removal, storage of mini containers, placement of roll-off pickups and drop-off times with the Owner's contractor.

The Concessionaire's contractor is responsible for lockup and protection of all his builders' materials, tools and equipment during the course of construction, and will cooperate with the loss prevention efforts and program of the Owner's contractor.

The Concessionaire's contractor is responsible for procurement of their own security badges (through coordination with the Owner) or other accesses to the building, INS, Customs, or FAA controlled spaces.

The Concessionaire's contractor is aware that all work being completed under the contract of the Owner's contractor for the Terminal will be performed by union personnel of trades claiming jurisdiction. The Concessionaire's contractor is advised that all additional labor, which results from their construction activities (such as costs for stand-by trades, master machinists, laborers, teamsters), either for work completed during or beyond normal working hours, will be their responsibility and should be arranged for and paid directly by the Concessionaire's contractor.

The Concessionaire's contractor is aware that the Owner's contractor is providing their subcontractors with axis lines and benchmarks for performance of their work, and will coordinate back to these benchmarks, axis lines and starting points developed by the D&C Coordinator, where applicable.

The Concessionaire's contractor is to make all efforts to coordinate his work with the Owner's contractor at CLL interface.

The Concessionaire's contractor will be responsible for the damage caused by its own personnel (or any of the subcontractors, including suppliers and vendors, of the Concessionaire's contractor) to existing construction equipment, fixtures, finished surfaces, adjacent area of construction, existing buildings, properties or utilities. The Concessionaire's contractor is responsible for protection of the preceding work in the vicinity of its work. Any disturbance or impairment resulting directly or indirectly from the work of the Concessionaire's contractor will be immediately restored, repaired, or replaced to the satisfaction of the Owner's contractor and without additional cost to the Owner or to the Owner's contractor. Refusal by the Concessionaire's contractor to correct the damaged work after notice from the Owner's contractor will necessitate correction by others with all related costs charged to the Concessionaire's contractor.

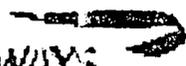

The Concessionaire's contractor must be aware of the structural capacities of areas to be used for the Concessionaire's contractor's equipment and material storage and will not exceed rated capacities without taking appropriate steps to compensate for the imposing of the loads which may exceed the design criteria details of loading. All storage of materials outside the CLL must be coordinated with the Owner's contractor. Any modifications to the structure must be analyzed and detailed by the Concessionaire's contractor's engineer, a professional engineer licensed in New York State, and must be submitted for review by the structural engineer. All costs are included in the Concessionaire's contract price for such work.

The Concessionaire's contractor includes all costs for temporary utilities required for the performance of its work, including but not limited to water and electrical. The Concessionaire's contractor will also provide such utilities as required by the Owner's consultant and testing laboratory to perform their work.

The Concessionaire's contractor is aware that no elevators or personnel/material hoists are available for their use on the Terminal jobsite.

The Concessionaire's contractor will provide any signs, warning devices, barricades, fences and guardrails which are required for the safe performance of its work, and to control vehicular and pedestrian traffic required by its operation and in accordance with applicable codes. Any fines levied against the Owner's contractor by OSHA due to failure of the Concessionaire's contractor to comply with OSHA requirements will be paid by the Concessionaire's contractor.

**CONCESSION DESIGN &
CONSTRUCTION MANUAL**

BRITISH AIRWAYS 

JFK Terminal Renovations

03 . 08 . 99

The Concessionaire's contractor will be responsible for immediately replacing and repairing all safety protection removed or damaged by its field work force. Failure to do so will result in replacement or repair by others with the cost being charged to the Concessionaire's contractor. The Concessionaire's contractor will remove and turn over to the Owner's contractor any safety protection which is to be removed by the Concessionaire's contractor to facilitate the installation of its work; it being expressly understood that removal of said protection and the final condition following the Concessionaire's contractor's work will not violate any OSHA regulations.. Replacement of removed safety protection, if required, as a result of the work of the Concessionaire's contractor will be the responsibility of the Concessionaire's contractor.

3.2 MECHANICAL, ELECTRICAL, PLUMBING, STRUCTURAL REQUIREMENTS

The Terminal has in place an MEP infrastructure adequate to accommodate the needs of the concession program. Supplemental requirements or unusual circumstances caused by the Concessionaire's development may require that supplemental equipment be installed by an Owner-approved contractor at the Concessionaire's expense. Modifications, tie-ins to existing services and supplemental equipment construction must be engineered by a professional engineer registered in New York State. See Appendix 1 - Design Condition Drawings, for graphic layout of services available to the leaseholds.

Plans must show all routings and connections of new services to existing lines, ductwork, piping, telephones, switchboards or motor control centers. The Concessionaire must provide completed heat loss/gain and electrical power calculation forms. See Appendix 2 - Schedules, for calculation forms.

3.2.1 HVAC

The Terminal is served with chilled and heated water from a central utility plant. Air handling units are currently in place to provide a standard design capacity. The base building supply air provided by the Owner at the Owner's expense is 1.0 cfm/ft² at 57°F. The Concessionaire must verify the existing air supply to the leasehold and determine how much more, if any, is needed.

The existing primary air ductwork may be used to cool the leasehold, provided engineering calculations show that it is adequate to meet new leasehold design loads.

The Concessionaire's HVAC design of each leasehold must meet the following criteria:

1. Heating - Winter inside comfort design temperature: 75°F db
2. Cooling - Summer inside comfort design temperature: 78°F db
3. Outside design temperatures - as indicated in the current edition of the ASHRAE Handbook of Fundamentals, 2½ percent conditions
4. The existing maximum supply air to conditioned building areas is calculated at 1.0 cfm/ft². The Concessionaire is responsible for supplying supplemental HVAC if additional air-conditioned air or make-up air is required because of increased loads in the leasehold.

The Concessionaire must provide the engineering design and installation of the HVAC system including the following:

1. all medium pressure ductwork from the main trunk ducts to the VAV boxes including duct taps and control dampers
2. all low-pressure ductwork, including that necessary for supply, return air, exhaust, and make-up air
3. all grilles and diffusers for supply, return air, exhaust and make-up air
4. all required controls - all Concessionaire's equipment must have direct digital controls (DDC); the Concessionaire's control equipment must be compatible with those installed in the Terminal (manufactured by Trend). The Concessionaire is responsible for providing all DDC control panels required for their installation and for connecting to the existing Terminal BMS system and should contact:
Trend Controls Group
200-214 West 4th Street
Plainfield, NJ 07061
(908.755.9500)
5. a heating system using fan powered VAV boxes or induction boxes with hot-water coils and the required hot-water piping
6. a kitchen hood exhaust and tempered make-up air systems package that includes both exhaust fans and make-up air fans - it must be installed by an approved contractor and the submitted design must include sizing and roof penetrations
 - a. Roof exhaust fans must be of the belt drive, up-blade, vertical discharge type and must bear the AMCA certified ratings seals for air and sound performance. There must be a built-in grease drain.
 - b. The filtered make-up air unit should have belt-driven double width/double inlet, forward curved centrifugal supply fans.
 - c. The pre-wired control center must include, but not be limited to, an integral master disconnect switch with fuse blocks for main power connection, magnetic motor starters with thermal overloads and manual reset, a fused 115 volt control transformer and a distribution terminal control strip for connecting the control wiring. Wiring must be complete, requiring only one-point field connection for power service and one-point field connection for low voltage.

7. All supplemental cooling and heating service must be designed by the Concessionaire's engineer and installed by an Owner approved contractor. Supplemental chilled and heating water air-handling units may be installed within the Concessionaire's lease space or, with special Owner approval, may be installed on the roof.
8. Food Concessionaire in leasehold F-1 is required to provide an exhaust system at a rate of 20 air changes per hour to vent the smoking room.

Supplemental DX units are not desirable and will be subject to Owner approval. All other resources must be considered first and approval will be granted only if documented evidence shows that the units are necessary and unavoidable. Location and size of rooftop equipment penetrations will be subject to Owner review and approval.

3.2.2 Electrical

Base building power provided by the Owner, at the Owner's expense, includes one separate disconnect switch per leasehold. The feeder (all 3ph, 4 wire, 60Hz) and switch are sized at 10 VA/per ft² for retail Concessionaire leaseholds and 24 VA/per ft² for food Concessionaire leaseholds. Food Concessionaires will be required to reimburse the Owner for electrical service based on a flat rate fee per square foot, as determined by the Owner.

The Concessionaire is responsible for the engineering design and installation of electrical service within the lease space. This includes panels, transformers, wire and conduit, light fixtures, switches, outlets and any other items required to complete a functional system.

3.2.3 Plumbing

Base building plumbing provided by the Owner, at the Owner's expense, includes the following:

1. one 2" valved and capped cold water connection for each food Concessionaire leasehold
2. a 5" waste connection capped in the ceiling void of the floor below for each food Concessionaire's leasehold
3. provision for one 3" vent through the roof for each food Concessionaire's leasehold

The Concessionaire is responsible for the engineering design and installation of the plumbing system for the lease space, at the Concessionaire's expense, including:

1. all domestic cold water piping
2. all domestic hot water piping including hot water heaters
3. all sanitary sewer (waste) piping, including floor drains and grease interceptors to be connected to the base building waste connection; the nearest 5" capped waste connection outlets available to leaseholds F-1, F-2, F-3, F-4, and F-5 are at elevation 35'-0" near columns 12.9E and 12.9G; an additional 4" waste connection outlet is available to leasehold F-6 directly below at elevation 35'-0"
4. all sanitary sewer vent piping
5. water heaters when required - they must be accessible and include T&P relief-valve piping to the nearest floor or hub drain in the lease space; all water heaters shall be gas-fired
6. domestic hot water heaters for hand sinks, if required, can be electric or gas, fully insulated and designed for a service water temperature not to exceed 140°F

All sanitary, vent and cold-water piping must connect to existing lines in the immediate Concessionaire area and be furnished and installed by the Concessionaire.

For food service areas, all Concessionaire drainage piping must be connected to a grease waste line extending to a grease interceptor. Locations should be coordinated with existing conditions, as described above, and with Concessionaire operations.

The Concessionaire must test all existing waste lines for capacity and is responsible for any necessary cleaning or repairs to existing plumbing before connections are made.

3.2.4 Lighting

Base building lighting provided by the Owner, at the Owner's expense, includes temporary lighting at 10 foot candles. Additional lighting shall be provided by the Concessionaire at the Concessionaire's expense in accordance with the Manual. Reference Section 2.0 - General Design Criteria.

3.2.5 Fire Protection

Base building fire protection provided by the Owner, at the Owner's expense, includes one 4" control valve with tamper switch. All Concessionaire's leaseholds must be sprinklered. The Concessionaire must provide the engineering design modification and installation of the fire sprinkler system for the leasehold, which includes:

1. the design, modification and installation of wet-pipe fire sprinkler systems
2. the design, modification and installation of new and/or existing fire sprinkler heads for lease space layout
3. the design and installation of adequate fire protection systems for such equipment as kitchen grease hoods, as required

The Concessionaire is responsible for connecting the sprinkler system to the existing Terminal fire protection system and should contact:

Sirina Fire Protection Corporation
151 Herrick Road
Garden City Park, NY 11040
(516.942.0400)

The kitchen hood fire protection system should be connected, by the Concessionaire, at the Concessionaire's expense, to the base building fire alarm system.

If the Concessionaire adds supplemental air handling units to the lease space, the Concessionaire's contractor must install duct-mounted smoke detectors that are connected to the base building's fire alarm system. The Concessionaire's contractor installs new devices, wiring, etc., and the final connections to the base building's fire alarm system are made by the Owner's fire alarm vendor, at the Concessionaire's expense.

Base building fire alarm system, provided by the Owner, at the Owner's expense, includes one fire alarm horn/strobe per open space (minimum) plus one additional horn/strobe per 400 square feet in accordance with NFPA 72. Fire alarm devices are not generally required in leaseholds, except for in large leases where audio-visual devices must be installed. The designation of the fire alarm devices will be handled on a case-by-case basis in coordination with the Concessionaire's leasehold. The Owner will provide the minimum and/or required devices to cover 400 square foot areas. It will be the responsibility of the Concessionaire, at the Concessionaire's expense, to provide any additional fire alarm devices required for adequate visibility based on the design of the leasehold.

Lease spaces are not independent fire protection zones. Fire protection zones are based on column locations, and several leaseholds may be in the same fire protection zone.

3.2.6 Telephone

The Concessionaire will be responsible for ordering voice and data circuits from the various Telecommunications Service Providers (e.g. Bell Atlantic, AT&T, Sprint). For routing the Telecommunications circuits to the leasehold, the Concessionaire must use the building cable plant, provided by the Owner, at the Owner's expense. Originating from the nearest Communications Support Room (SCR), a fifty pair category five cable, terminated at each leasehold, will be provided by the Owner, at the Owner's expense. Additional cabling can be provided by the Owner, at the Concessionaire's expense in accordance with the Manual.

The Owner may supply voice circuits as needed by the Concessionaire, who will be required to reimburse the Owner for service based on an at-cost rate plus an additional fee, as determined by the Owner.

3.2.7 Natural Gas

Natural gas, provided by the Owner, at the Owner's expense, includes one 1½" valved and capped connection for cooking and hot water heating. All food Concessionaires: leaseholds F-1, F-2, F-3, F-4 and F-5 will be provided with a 1½" valved and capped natural gas point for their connection as indicated on the enlarged plans. See Figures P-11, P-12, P-1, P-2 and P-3, respectively.

3.2.8 Structural

Base building structure, provided by the Owner, at the Owner's expense, will accommodate floor loading of 100 psf live load, which cannot be exceeded by the Concessionaire.

4.0 RESPONSIBILITIES AND PROCEDURES

The Concessionaire is required to review and be familiar with the procedures described in the Manual. The intent is to expedite the design submittal and approval process.

4.1 ORGANIZATION

The Terminal Concession project is coordinated by the D&C Coordinator, who serves as the liaison between the Concessionaire, the Concessionaire's design and construction personnel and the Port Authority. The Port Authority is the governing agency, not unlike a traditional Building Department, which enforces compliance with code requirements in the design and construction of all facilities at the Terminal. The D&C Coordinator, as the agent for the Owner, also is the coordinator for base building design and construction at the Terminal. The Concessionaire is responsible for his own design and construction personnel and must ensure that all work is in compliance with the Manual, all code requirements and the submittal process.

4.1.1 Statement of Professional Responsibility

All Concessionaire facilities must be designed by a practicing professional architect and/or engineer licensed in the State of New York. The professional must sign and seal the work, which must be confined to the profession in which he/she is licensed.

4.1.2 Information Releases

Through press releases and the release of information in general, the Owner and developer keep the public informed and maintain public interest and support for activities in the Terminal. News releases should reflect the overall activities, goals and objectives of the airport, rather than emphasize an isolated event. Thus, all communications to the public media must first be submitted to the Owner's representative for approval and coordination with other releases.

4.1.3 Accessibility Standards

All facilities shall be designed and constructed in compliance with current *Americans with Disabilities Act Accessibility Guidelines* (ADAAG), the New York Department of Building requirements and the Port Authority requirements.

4.1.4 Design Criteria Manual

All Concessionaires, architects, engineers and contractors must be familiar with the *Tenant Design Manual* as well as with the Port Authority's *Tenant Alteration Application Procedure & Standards Guide*.

The Manual is published by the Owner. The purpose is to inform architects and engineers of acceptable design parameters for the design of construction improvements within the Terminal. This Manual is also part of the Concessionaire's sublease and is hereby incorporated therein in its entirety.

While the Manual refers to legally binding codes and standards, it is not in itself a code, standard or specification, but rather a guide for the Concessionaire's design consultants. The Manual must NOT be referred to in construction documents. For example, such notations as "Construct in accordance with *Concession Design & Construction Manual*" are not permitted.

4.2 CODES

Concessionaire design and construction must comply with applicable federal, state and local laws, statutes, orders, codes, ordinances and regulations that are legally applicable to the work to be performed. For all construction at the Terminal, the Port Authority enforces Federal and State laws and regulations, New York City Building Codes and the Port Authority and JFK Design and Policy Standards. The latest editions of the following New York City codes and regulations should be utilized:

1. New York City Building Code and its Reference Standards
2. New York City Fire Prevention Code and Directives
3. New York City Local Laws
4. Rules of the Board of Standards & Appeals (BS&A)
5. New York State Labor Laws
6. New York State Energy Conservation Construction Code

4.3 SUBMITTAL PROCESS

The following narrative describes the system by which the Concessionaire's design and construction personnel must prepare and submit plans for review and approval to the D&C Coordinator for subsequent review and approval by the Owner and/or the Port Authority.

Upon execution of the lease between Developer and the Concessionaire, the *Design Review* phase can commence. Within 10 working days, the Concessionaire's architect will submit design proposals to the D&C Coordinator, who will review the design proposals with Developer and the Owner. Within 20 working days after the submission from the Concessionaire's architect, the D&C Coordinator will review the design and provide comments for the Concessionaire's architect to begin the *Construction Documents*.

Within 10 working days of receipt of the comments from the D&C Coordinator, the Concessionaire's architect will prepare and submit preliminary construction documents of the final design to the D&C Coordinator. Within 5 working days after the submission from the Concessionaire's architect, the D&C Coordinator will review the preliminary construction documents and provide comments to the Concessionaire's architect. Within 10 working days after receipt of the comments, the Concessionaire's architect will revise the construction documents as required and will submit the final, sealed construction documents in conjunction with completed Tenant Alteration Application (TAA) forms to the D&C Coordinator. At this point, the *Port Authority Approval Process* phase begins.

The D&C Coordinator will review and submit the construction documents and TAA forms for approval by the Port Authority on behalf of the Concessionaire and the Concessionaire's architect. The D&C Coordinator will obtain rider comments from the Port Authority. ¹ Within 2 working days of receipt of rider comments from the Port Authority, the D&C Coordinator will submit the Port Authority rider comments to the Concessionaire's architect for response. Within 5 working days after receipt of the rider comments, the Concessionaire's architect will provide sealed responses to the rider comments to the D&C Coordinator. Within 2 working days after receipt of the responses from the Concessionaire's architect, the D&C Coordinator will submit the responses to the Port Authority on behalf of the Concessionaire. The D&C Coordinator will obtain rider comments from the Port Authority. ² If the rider comments contain asterisked items, the review cycle will be repeated until Port Authority approval is given in order to progress into the *Preconstruction* phase.

**CONCESSION DESIGN &
CONSTRUCTION MANUAL**

BRITISH AIRWAYS 

JFK Terminal Renovations

03 . 08 . 99

Within 5 working days after receiving approval from the Port Authority, the D&C Coordinator will notify the Concessionaire's architect of Port Authority approval and will schedule the Port Authority preconstruction meeting. The meeting will be scheduled by the D&C Coordinator at its sole and absolute discretion. The Concessionaire and the Concessionaire's architect will attend the Port Authority preconstruction meeting in order to obtain the alteration permit. At this point, the *Construction* phase will begin.

The Concessionaire's architect will provide construction administration services in conformance with the agreed standards. At least 10 working days prior to substantial completion the *Project Close-Out* phase can begin, the Concessionaire's architect will submit controlled inspection and close-out documents to the D&C Coordinator for submittal to, and approval by the Port Authority.

Within 5 working days after approval from the Port Authority, the D&C Coordinator will endeavor to schedule the date for final inspection by the Port Authority. The Concessionaire's architect will attend the final inspection to obtain the Final Permit to Occupy (FPO) from the Port Authority. Fixturing and merchandising may occur at any time. However, the store may not open until Port Authority approval is secured.

1. Typical, though not guaranteed turnaround for the Port Authority to review and submit rider comments is 20 days.

Rider comments are of 2 types. Comments which are marked with an asterisk prevent the start of construction until they have been answered and accepted by the Port Authority. Comments without an asterisk must be answered and accepted prior to project close-out. Should the Port Authority rider comments contain no asterisks pertaining to scheduling, then the project will advance to the Preconstruction phase.

The D&C Coordinator will provide its best efforts to inform the Concessionaire's architects of the type of information and responses which, based on their past experience, will likely result in acceptance by the Port Authority. However, as Architect-of-Record, the Concessionaire's architect is solely responsible for securing acceptance of all rider comment responses prior to project close-out.

2. Typical, though not guaranteed, turnaround for the Port Authority to review rider comment responses and to submit additional rider comments is 10 days. If additional rider comments are submitted and do not contain asterisks, then the project will proceed to the Preconstruction phase.

A.1 APPENDIX 1 - DESIGN CONDITION DRAWINGS

This section includes floor plans, elevations, sections and wall details to be used in conjunction with Section 2.2 Design Conditions.

Lease No. L-BT-527

THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY
BUS AND TRUCK TERMINAL
STORE AND CONCESSION LEASE

AGREEMENT OF LEASE

between

THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY

and

HUDSON COUNTY NEWS COMPANY T/A HUDSON NEWS

Dated as of: July 11, 1991

- 10/14/95

THIS AGREEMENT made as of the 11th day of July, 1991 by and between THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY (hereinafter called the "Port Authority") a body corporate and politic, created by Compact between the States of New York and New Jersey, with the consent of the Congress of the United States of America, and having an office at One World Trade Center, in the Borough of Manhattan, City, County and State of New York, and

HUDSON COUNTY NEWS COMPANY T/A HUDSON NEWS

(hereinafter called the "Lessee"), a corporation organized and existing under and by virtue of the laws of the State of New Jersey, having an office and place of business at 1305 Paterson Plank Road North Bergen, New Jersey, 07047

whose representative is Mario DiDomizio

WITNESSETH THAT

The Port Authority and the Lessee, for and in consideration of the rents, covenants and agreements hereinafter contained, mutually covenant and agree as follows:

Section 1. Letting

The Port Authority hereby lets to the Lessee and the Lessee hereby hires and takes from the Port Authority, at the Port Authority Bus Terminal in the Borough of Manhattan, City, County and State of New York, the space on the Subway Level in the North Wing as shown in diagonal hatching on the sketch annexed hereto, made a part hereof and marked "Exhibit A-1", the space on the Main Floor of the North Wing as shown in diagonal hatching on the sketch annexed hereto, made a part hereof and marked "Exhibit A-2", the space on the Main Floor of the South Wing as shown in diagonal hatching on the sketch annexed hereto, made a part hereof and marked "Exhibit A-3", the spaces on the Second Floor of the South Wing as shown in diagonal hatching on the sketches annexed hereto, made a part hereof and marked "Exhibit A-4" and "Exhibit A-6", the space on the Second Floor of the North Wing as shown in diagonal hatching on the sketch annexed hereto, made a part hereof and marked "Exhibit A-5", and the space on the Fourth Floor of the South Wing as shown in diagonal hatching on the sketch annexed hereto, made a part hereof and marked "Exhibit A-7" together with the fixtures, improvements and other property of the Port Authority located or to be located therein or thereon, the space, fixtures improvements and other property of the Port Authority shown on

Exhibit A-1 being hereinafter sometimes called "Area A-1", the space, fixtures improvements and other property of the Port Authority shown on Exhibit A-2 being hereinafter sometimes called "Area A-2", the space, fixtures improvements and other property of the Port Authority shown on Exhibit A-3 being hereinafter sometimes called "Area A-3", the space, fixtures improvements and other property of the Port Authority shown on Exhibit A-4 being hereinafter sometimes called "Area A-4", the space, fixtures improvements and other property of the Port Authority shown on Exhibit A-5 being hereinafter sometimes called "Area A-5", the space, fixtures improvements and other property of the Port Authority shown on Exhibit A-6 being hereinafter sometimes called "Area A-6", and the space, fixtures improvements and other property of the Port Authority shown on Exhibit A-7 being hereinafter sometimes called "Area A-7, and Area A-1, Area A-2, Area A-3, Area A-4, Area A-5, Area A-6, and Area A-7 being hereinafter collectively referred as the "premises". The Port Authority and the Lessee hereby acknowledge that the premises shall constitute non-residential real property.

Section 2. Term

The term of the letting under this Agreement shall commence at 12:01 o'clock A.M. on October 15, 1991 and shall expire, unless sooner terminated, or unless extended, on October 14, 1998.

Section 3. Rights of User by the Lessee

The Lessee shall use the premises for the following purposes only and for no other purpose whatsoever: for the construction and operation of newsstands for the sale, at retail, of such newspapers, magazines, and periodicals as are listed on the schedule annexed hereto, hereby made a part hereof and marked "Schedule A", candies, paperback books, gum, confections, cigarettes, cigars, tobacco and tobacco products, smoking accessories, postal cards, soft drinks, ice cream bars, ice-cream cups, lottery tickets issued by the Lottery Division of the New York State Department of Taxation and Finance, and such other items as may from time to time be consented to in advance in writing by the Port Authority.

Section 4. Rental

(a) The Lessee agrees to pay to the Port Authority a basic rental for the premises at the rate as set forth in Item I of Exhibit B attached hereto and hereby made a part hereof.

(b) The Lessee agrees to pay to the Port Authority the percentage rental, if any, stated in Item 1 of Exhibit B, attached hereto and made a part hereof.

(c) The time for making payments of rental and the method of computation and abatement thereof are set forth in Item 1 of Exhibit B.

SECTION 5. *Obligations in Connection with Any Percentage Rental*

If any rental hereunder is measured by a percentage of the Lessee's gross receipts, the Lessee shall:

(a) Take all reasonable measures in every proper manner to maintain, develop and increase the business conducted by it hereunder;

(b) Not divert or cause or allow to be diverted any business from the Terminal;

(c) Maintain in accordance with accepted accounting practice during the letting and for one year thereafter and for such further period until the Lessee shall receive written permission from the Port Authority to do otherwise, records and books of account recording all transactions at, through or in anywise connected with the Terminal, which records and books of account shall be kept at all times within the Port of New York District and permit, in ordinary business hours during such time, the examination and audit by the officers, employees and representatives of the Port Authority of such records and books of account and also any records and books of account of any company which is owned or controlled by the Lessee, if said company performs services, similar to those performed hereunder by the Lessee, anywhere in the Port of New York District;

(d) Permit in ordinary business hours the inspection by the officers, employees and representatives of the Port Authority of any equipment used by the Lessee, including but not limited to cash registers and recording tapes;

(e) Furnish on or before the twentieth day of each month following the commencement date of the letting a sworn statement of gross receipts arising out of the operations of the Lessee hereunder for the preceding month;

(f) Install and use such cash registers, sales slips, invoicing machines and any other equipment or devices for recording orders taken or services rendered as may be appropriate to the Lessee's business and necessary or desirable to keep accurate records of gross receipts.

SECTION 6. *Governmental Requirements*

(a) The Lessee shall procure from all governmental authorities having jurisdiction over the operations of the Lessee at the premises all licences, certificates, permits or other authorization which may be necessary for the conduct of its operations.

(b) The Lessee shall pay all taxes, license, certification, permit and examination fees and excises which may be assessed, levied, exacted or imposed on its property or operation hereunder or on the gross receipts or income therefrom, and shall make all applications, reports and returns required in connection therewith.

(c) The Lessee shall promptly observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions which may pertain or apply to the operations of the Lessee on the premises or its occupancy thereof, and the Lessee shall, in accordance with and subject to the provisions of Section 15 hereof, make any and all structural and nonstructural improvements, alterations or repairs of the premises that may be required at any time hereafter by any such present or future law, rule, regulation, requirement, order or direction.

(d) The obligation of the Lessee to comply with governmental requirements is provided herein for the purpose of assuring proper safeguards for the protection of persons and property on the premises and a proper operation by the Lessee. Such provision is not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

SECTION 7. *Rules and Regulations*

The Lessee covenants and agrees to observe and obey (and to compel its officers, members, employees, agents, representatives, contractors, customers, guests, invitees and those doing business with it to observe and obey) the special rules and regulations of the Port Authority for the government of the conduct and operations of the Lessee, a copy of which is attached hereto, made a part hereof and marked "Exhibit R", and such further reasonable rules and regulations as may from time to time during the letting be promulgated by the Port Authority for reasons of safety, health, or preservation of property, or for the maintenance of the good and orderly appearance of the premises and the Terminal.

The Port Authority agrees that, except in cases of emergency, it will give notice to the Lessee of every such further rule or regulation adopted by it at least five (5) days before the Lessee shall be required to comply therewith.

SECTION 8. *Various Obligations of the Lessee*

(a) The Lessee shall conduct its operations in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Terminal. The Lessee shall take all reasonable measures to eliminate vibrations tending to damage the premises and to keep the sound level of its operations as low as possible.

(b) The Lessee shall control the conduct, demeanor and appearance of its officers, members, employees, agents, representatives, contractors, customers, guests, invitees and those doing business with it, and upon objection from the Port Authority concerning the conduct, demeanor or appearance of any such shall immediately take all steps necessary to remove the cause of the objection.

(c) No garbage, debris or other waste materials (whether solid or liquid) shall be allowed to collect or accumulate in the premises and the Lessee shall remove from the premises and the Terminal all garbage, debris and other waste materials (whether solid or liquid) arising out of its occupancy or use of the premises. The Lessee shall use extreme care when effecting removal of all such waste and in no event shall use any facilities of the Port Authority without its prior consent in writing and shall effect such removal only during such hours as are prescribed by the Superintendent of the Terminal.

(d) If the premises have an entrance or exit opening out on a sidewalk the Lessee shall keep all sidewalks and curbs adjacent to the premises and all exclusive lobbies, vestibules and steps free from snow, ice, dirt and rubbish.

(e) The Lessee shall provide and its employees shall wear or carry badges or other suitable means of identification which shall be subject to the prior written approval of the Superintendent of the Terminal.

(f) If the Lessee is permitted under this Agreement to sell food and/or beverages, it shall, in connection with any preparation, packaging, handling, storage, delivery and dispensing of such food and/or beverages, comply with the following:

(1) Its employees shall wear clean, washable uniforms and female employees shall wear caps or nets. The employees shall be clean in their habits and shall thoroughly wash their hands before beginning work and immediately after each visit to the toilet and shall keep them clean during the entire work period. No person affected with any disease in a communicable form or who is a carrier of such disease shall work or be permitted to work for the Lessee.

(2) All food and beverages shall be clean, fresh, pure, of first-class quality and safe for human consumption.

(3) The premises and all equipment and materials used by the Lessee shall at all times be clean, sanitary, and free from rubbish, refuse, dust, dirt, offensive or unclean material, flies and other insects, rodents and vermin. All apparatus, utensils, devices, machines and piping used by the Lessee shall be constructed so as to facilitate the cleaning and inspection thereof and shall be properly cleaned after each period of use (which shall at no time exceed eight hours) with hot water and a suitable soap or detergent and shall be rinsed by flushing with hot water. Where deemed necessary by the Port Authority, final treatment by live steam under pressure or other sterilizing procedure shall be used. All trays, dishes, crockery, glassware, cutlery, and other equipment of such type shall be cleaned and sterilized immediately before using same.

(4) All packing materials, including but not limited to wrappers, stoppers, caps, enclosures and containers, shall be clean and sterile and shall be so stored as to be protected from dust, dirt, flies and other insects, rodents, vermin, unsanitary handling and unclean materials.

(5) It is intended that the standards and obligations imposed by this subdivision (f) shall be maintained or complied with by the Lessee in addition to its compliance with all applicable governmental laws, ordinances and regulations, and in the event that any of said laws, ordinances and regulations shall be more stringent than such standards and obligations, the Lessee agrees that it will comply with such laws, ordinances and regulations in its operations hereunder.

SECTION 9. *Prohibited Acts*

The Lessee shall not: (a) commit any nuisance on the premises, or do or permit to be done anything which may result in the creation or commission of a nuisance on the premises; (b) cause or produce or permit to be caused or produced upon the premises, or to emanate therefrom, any unusual,

noxious or objectionable smokes, gases, vapors, or odors; (c) use the premises for lodgings or sleeping purposes or for any immoral purposes; (d) install window shades or venetian blinds on the windows of the premises unless and until the type, size and color of same shall have been previously approved in writing by the Port Authority; (e) do or permit to be done anything which may interfere with the effectiveness or accessibility of existing and future utilities systems or portions thereof on the premises or elsewhere at the Terminal, including therein without limitation thereto systems for the supply of heat, water hot and cold, gas, electricity and fuel and for the furnishing of fire-alarm, fire-protection, sprinkler, sewerage, drainage, air-conditioning, telephone, telegraph, tele-register, pneumatic-tube dispatch and inter-communications services, including lines, pipes, mains, wires, conduits and equipment connected with or appurtenant to all such systems, nor do or permit to be done anything which may interfere with free access and passage in the premises, elsewhere in the Terminal or in the streets and sidewalks adjacent to the Terminal; (f) do or permit to be done anything which may interfere with the effectiveness or accessibility of elevators or escalators at the Terminal, including lines, pipes, wires, conduits and equipment connected with or appurtenant thereto; (g) overload any floor in the premises; (h) place any furniture, machine or equipment over any expansion or contraction joint unless one end of such furniture, machine or equipment is free to permit expansion or contraction; (i) place any additional lock of any kind upon any window or interior or exterior door in the premises unless a key therefor is delivered to the Port Authority, nor make any change in any existing door or window lock or the mechanism thereof, except with the prior written approval of the Port Authority, and upon the expiration or sooner termination of the letting hereof, the Lessee shall surrender to the Port Authority any and all keys to interior and exterior doors on the premises, whether said keys were furnished to or were otherwise procured by the Lessee, and in the event of the loss of any keys furnished by the Port Authority to the Lessee, the Lessee shall pay to the Port Authority on demand the cost of replacement thereof; (j) do or permit to be done any act or thing upon the premises which will invalidate or conflict with any fire insurance policies covering the premises or any part thereof, or the Terminal, or any part thereof, or which, in the opinion of the Port Authority, may constitute an extra-hazardous condition, so as to increase the risks normally attendant upon the operations contemplated by Section 3 hereof, and the Lessee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the New York Board of Fire Underwriters, the New York Fire Insurance Exchange, or if the premises are located in New Jersey of the National Board of Fire Underwriters, the Fire Insurance Rating Organization of N. J., or of any other board or organization exercising or which may exercise similar functions, which may pertain or apply to the operations of the Lessee on the premises, and the Lessee shall, subject to and in accordance with the provisions of Section 15 hereof, make any and all non-structural improvements, alterations or repairs of the premises that may be required at any time hereafter by any such present or future rule, regulation, requirement, order or direction, and if by reason of any failure on the part of the Lessee to comply with the provisions of this subdivision, any fire insurance rate on the premises or any part thereof, or on the Terminal or any part thereof shall at any time be higher than it otherwise would be, then the Lessee shall pay to the Port Authority on demand that part of all fire insurance premiums paid by the Port Authority which shall have been charged because of such violation or failure by the Lessee; (k) unless otherwise expressly permitted so to do, install, maintain or operate, or permit the installation, maintenance or operation on the premises of any vending machine or device designed to dispense or sell food, beverages, tobacco products or merchandise of any kind, whether or not included in the above categories, or of any restaurant, cafeteria, kitchen, stand or other establishment of any type for the preparation, dispensing or sale of food, beverages, tobacco or tobacco products, or of any telephone pay-stations.

SECTION 10. *Maintenance and Repair*

(a) The Lessee shall at all times keep in a clean and orderly condition and appearance the premises and all the Lessee's fixtures, equipment and personal property.

(b) The Lessee shall repair, replace, rebuild and paint all or any part of the Terminal and the premises, including therein, without limitation thereto, walls, partitions, floors, ceilings, columns, windows, doors, glass of every kind, fixtures, systems for the supply of heat, water hot and cold, gas, electricity and fuel and for the furnishing of fire-alarm, fire-protection, sprinkler, sewerage, drainage, air-conditioning, telephone, tele-register, pneumatic-tube dispatch and intercommunication services, including lines, pipes, mains, wires, conduits and equipment connected with or appurtenant to all such systems, which may be damaged or destroyed by the acts or omissions of the Lessee, its officers, members, employees, agents, representatives, contractors, customers, guests, invitees or other persons doing business with it. All non-structural repair, replacement, rebuilding and painting shall be made or done by the Lessee and structural repair, replacement and rebuilding may be made or done by the Port Authority, the cost thereof to be paid by the Lessee on demand.

(c) The Lessee shall take good care of the premises, including therein, without limitation thereto, walls, partitions, floors, ceilings, columns, windows, doors, glass of every kind, fixtures and shall make or do all non-structural repairs, replacements, rebuilding and painting necessary to keep the premises

in the condition existing as of the commencement date of the letting and to keep all improvements and fixtures made or installed subsequent to the commencement date of the letting in the condition existing as of the date such improvements are made and such fixtures installed.

(d) In the event the Lessee fails to commence so to make or do non-structural repairs, replacements, rebuilding or painting within a period of ten (10) days after notice from the Port Authority so to do or fails diligently to continue to completion the repair, replacement, rebuilding or painting of all the premises required to be repaired, replaced, rebuilt or painted by the Lessee under the terms of this Agreement, the Port Authority may, at its option, and in addition to any other remedies which may be available to it, repair, replace, rebuild or paint all or any part of the premises included in the said notice, the cost thereof to be paid by the Lessee on demand.

(e) The Lessee shall not lay any linoleum, asphalt tile or other such affixed floor covering in direct contact with the floor of the premises. If the Lessee lays any linoleum, asphalt tile or other such affixed covering on the floor of the premises, an interlining of builder's deadening felt shall first be affixed to the floor with water-soluble paste or other water-soluble material, the use of cement or other adhesive non-soluble in water being expressly prohibited.

(f) The Lessee shall maintain and pay the premiums on a policy of plate and mirror glass insurance covering all plate and mirror glass which is a part of or is located on or in the premises.

(g) In the event that, as a result of any casualty, the premises are damaged, without the fault of the Lessee, its officers, members, employees, agents, representatives, contractors, customers, guests, invitees or other persons doing business with it, so as to render them untenable in whole or part, then

(1) if in the opinion of the Port Authority the necessary repairs or rebuilding can be completed within ninety (90) days after the occurrence of the damage, the Port Authority shall repair or rebuild with due diligence, and the rental hereunder shall, if so provided in Item 1 of Exhibit B, be abated only for the period from the occurrence of the damage to the completion of the repairs or rebuilding, whether or not the work of repair or rebuilding is actually completed within the said ninety (90) days; or

(2) if in the opinion of the Port Authority such repairs or rebuilding cannot be completed within ninety (90) days after the occurrence of the damage or if the entire premises require rebuilding, then the Port Authority shall have options: (i) to proceed with due diligence to repair or to rebuild as necessary; or (ii) to terminate the letting as to the damaged portion of the premises only, or (iii) to cancel this Agreement and terminate the letting as to the entire premises; and the rental hereunder shall, if so provided in Item 1 of Exhibit B, be abated, either, as the case may require, for the period from the occurrence of the damage to the completion of repairs and rebuilding or for the period from the occurrence of the damage to the effective date of termination.

(h) The parties hereby stipulate that if the premises are in the State of New Jersey neither the provisions of Titles 46:8-6 and 46:8-7 of the Revised Statutes of New Jersey nor those of any other similar statute shall extend or apply to this Agreement, and if the premises are in the State of New York, neither the provisions of Section 227 of the Real Property Law of New York nor those of any other similar statute shall extend or apply to this Agreement.

(i) In the event of a partial or total destruction of the premises, the Lessee shall immediately remove any and all of its property and/or debris from the premises or the portion thereof destroyed and if the Lessee does not promptly so remove, the Port Authority may remove such property to a public warehouse for deposit or retain the same in its own possession and sell the same at public auction, the proceeds of which shall be applied first to the expenses of removal, storage and sale, second to any sums owed by the Lessee to the Port Authority, with any balance remaining to be paid to the Lessee; if the expenses of such removal, storage and sale shall exceed the proceeds of sale, the Lessee shall pay such excess to the Port Authority upon demand.

SECTION 11. *Indemnity; Liability Insurance*

(a) The Lessee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, agents and employees from all claims and demands of third persons including but not limited to those for death, for personal injuries, or for property damages, arising out of the use or occupancy of the premises by the Lessee or out of any of the acts or omissions of the Lessee, its officers, members, employees, agents, representatives, contractors, customers, guests, invitees and other persons doing business with it where such acts or omissions are on the premises or arising out of any acts or omissions of the Lessee, its officers, members, employees, agents and representatives where such acts or omissions are elsewhere at the Terminal.

(b) In addition to the obligations set forth in the above subdivision, the Lessee in its own name as assured shall maintain and pay the premiums on a policy or policies of comprehensive public liability insurance, including products liability, which shall cover its operations hereunder and shall be effective throughout the letting, in limits not lower than those set out in Item 2 of Exhibit B.

(c) The Port Authority shall not be named as an insured in any policy of liability insurance required by this Section, unless the Port Authority shall, at any time during the letting, direct otherwise in writing, in which case the Lessee shall cause the Port Authority to be so named. As to any insurance required by the provisions of this or any other Section of this Agreement to be secured by or at the direction of the Lessee, a certified copy of each of the policies or a certificate or certificates evidencing the existence thereof or binders shall be delivered to the Port Authority within ten (10) days after the execution of this Agreement or, in the case of insurance required under the provisions of Section 15, prior to the commencement of the work. In the event any binder is delivered, it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate. Each such copy or certificate shall contain a valid provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving ten (10) days' written advance notice thereof to the Port Authority. A renewal policy shall be delivered to the Port Authority at least fifteen (15) days prior to the expiration date of each expiring policy, except for any policy expiring after the date of expiration of the letting. If at any time any of the policies shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policies shall be or become unsatisfactory to the Port Authority, the Lessee shall promptly obtain a new and satisfactory policy in replacement.

SECTION 12. Sales and Services by the Lessee

(a) A principal purpose of the Port Authority in entering into this Agreement is to have available for travelers and other users of the Terminal, all other members of the public, and persons employed at the Terminal, the merchandise and/or services which the Lessee is permitted to sell and/or render hereunder, all for the better accommodation, convenience and welfare of such individuals and in fulfillment of the Port Authority's obligation to operate facilities for the use and benefit of the public, and the Lessee agrees that it will conduct a first class operation and will furnish and install all necessary or proper equipment, fixtures, improvements (subject to Section 15), personnel, supplies, materials and other facilities and replacements therefor and all such fixtures and improvements (except trade fixtures removable without injury to the premises) shall on installation become the property of the Port Authority and a part of the premises, *provided, however*, that the Port Authority shall have the option, exercisable by notice delivered to the Lessee on or before a date sixty (60) days after expiration or termination hereof, to require the Lessee to remove any or all such fixtures, equipment and improvements and to restore the premises to the condition thereof prior to any installation and in the event of a failure on the part of the Lessee so to remove and restore, the Port Authority may do so, and the Lessee shall pay the cost thereof to the Port Authority on demand. All equipment, fixtures and improvements to be used in the premises and the installation thereof shall be subject to the prior written approval of the Port Authority as to type and quality. The Port Authority may by written authorization allow the Lessee to enter and occupy the premises, prior to the commencement date of the letting stated or referred to in Sections 2 or 33, solely for the purpose of installing fixtures and making improvements. In the event that the Lessee receives such written authorization the Lessee shall use and occupy the premises in accordance with and shall be subject to all the provisions of this Agreement other than those relating to the conducting of a business and the payment of rental.

(b) The Lessee shall furnish good, prompt and efficient service hereunder, adequate to meet all demands therefor at the Terminal; shall furnish said service on a fair, equal and non-discriminatory basis to all users thereof; and shall charge fair, reasonable and non-discriminatory prices for all items and/or services which it is permitted to sell and/or render hereunder.

~~(c) The Lessee shall, prior to selling any items or rendering any services hereunder, prepare schedules of prices and rates for said items and services. Such schedules shall be submitted to the Port Authority for its prior written approval as to compliance by the Lessee with its obligations under this Agreement. The Port Authority shall examine such schedules and make such modifications therein as may be necessary. Any changes thereafter in the schedules shall be similarly submitted to the Port Authority for its prior written approval, and, if necessary, modification. All such schedules shall be made available to the public by the Lessee at locations designated from time to time by the Port Authority. The Lessee agrees to adhere to the prices and rates stated in the approved schedules. If the Lessee charges any price or applies any rate in excess of the approved prices or rates, the amount by which the actual price or the charge based on such actual rate deviates from the approved price or a charge based on the approved rates shall constitute an overcharge which will, upon demand of the Port Authority or the Lessee's customer, be promptly refunded to the customer. If the Lessee charges any price or applies any rate which is less than the approved prices or rates, the amount by which the actual price or the~~

~~charge based on such actual rate deviates from the approved price or a charge based on the approved rates shall constitute an undercharge and an amount equivalent thereto shall be included in any gross receipts hereunder and the percentage rental, if any, shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Lessee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Lessee's obligations hereunder and the Port Authority shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Agreement.~~

~~(d) In the event that the Lessee in its operations hereunder offers for sale such a variety of items that the submission of schedules, under the preceding subdivision of this Section, is not feasible in the opinion of the Port Authority, then the Lessee shall be under no obligation to submit such schedules of prices but the Lessee shall not then sell any items hereunder at a price other than the manufacturer's or distributor's recommended retail price, *provided, however,* that if the price charged for the same item at any other establishment within the Port of New York District which has any ownership, financial or management connection with the Lessee or any majority stockholder thereof is lower than the manufacturer's or distributor's recommended retail price, the Lessee shall notify the Port Authority in writing of that fact and shall charge only the lower price. If the Lessee wishes to charge a price different from the manufacturer's or distributor's recommended retail price or different from the lower price at any other establishment, as the case may be, then the Lessee shall prepare and submit to the Port Authority schedules therefor in the same manner and subject to the same conditions as set forth in the preceding subdivision of this Section. Any overcharge or undercharge resulting from a breach by the Lessee of its obligations under this subdivision shall be respectively refunded to the customer or included in gross receipts, all in the same manner and subject to the conditions as set forth in the preceding subdivision of this Section for overcharges or undercharges.~~

(e) The Lessee shall be open for and shall conduct business and furnish services twenty-four hours a day, seven days a week, or for such other hours and days as the Port Authority, from time to time by notice to the Lessee, may determine to properly serve the needs of the public. The determination of proper business hours and days made by the Port Authority shall be controlling.

SECTION 13. Signs

(a) Except with the prior written consent of the Port Authority, the Lessee shall not erect, maintain or display any signs or any advertising at or on the exterior parts of the premises or in the premises so as to be visible through the windows or exterior doors thereof.

(b) Upon the expiration or termination of the letting, the Lessee shall remove, obliterate or paint out, as the Port Authority may direct, any and all signs and advertising on the premises or elsewhere at the Terminal if pertaining to the Lessee, and in connection therewith shall restore the premises and the Terminal to the same condition as prior to the placement of any such signs or advertising. In the event that there is a failure by the Lessee so to remove, obliterate or paint out each and every sign or advertising and so to restore the premises and the Terminal, the Port Authority may, at its option, perform the necessary work at the expense of the Lessee, and the charge therefore shall be paid by the Lessee to the Port Authority on demand.

SECTION 14. Services

(a) Unless otherwise stated in Item 3 of Exhibit B, the Port Authority, shall, without additional charge, heat the premises to an even and comfortable working temperature during the hours and days stated in said Item 3.

(b) The Port Authority shall also, without additional charge, furnish non-exclusive toilet and washroom facilities for the employees of the Lessee if toilet and washroom facilities are not a part of the premises.

(c) The Port Authority agrees to sell, furnish and supply to the Lessee in the premises and the Lessee agrees to take and pay the Port Authority for the following:

(1) Unless otherwise stated in Item 3 of Exhibit B, electricity, in reasonable quantities, for illumination (all bulbs to be supplied and installed by the Lessee) and power; said electricity unless otherwise specified in said Item 3 to be 60 cycle, alternating current, single phase, at 110 volts, and to be paid for by the Lessee at the rates specified in said Item 3.

(2) Unless otherwise stated in Item 3 of Exhibit B, cold water, in reasonable quantities, of the character furnished by the municipality or utility company supplying in the vicinity and to be paid for by the Lessee at the rates specified in said Item 3.

(3) Unless otherwise stated in Item 3 of Exhibit B, hot water, in reasonable quantities, at the temperature stated in said Item 3 and to be paid for by the Lessee at the rates specified in said Item 3.

(4) Unless otherwise stated in Item 3 of Exhibit B, steam, in reasonable quantities, of the character specified in said Item 3 and to be paid for by the Lessee at the rates specified in said Item 3.

(5) Unless otherwise stated in said Item 3 of Exhibit B, air conditioning sufficient to maintain the premises to the temperature stated in said Item 3 during the hours and days stated in said Item 3 and to be paid for by the Lessee at the rates specified in said Item 3.

(d) The above utilities may be charged for at a flat rate as provided in Item 3 of Exhibit B or at a metered rate as provided in Item 3 of Exhibit B. In the latter event, the quantity thereof shall be measured by a meter or meters installed in the Terminal for that purpose; *provided, however* that, if for any reason any meter fails to record the consumption thereof, the consumption during any such period that the meter is out of service will be considered to be the same as the consumption for a like period immediately before or immediately after the interruption, as selected by the Port Authority.

(e) Charges by the Port Authority for the above services shall be paid for by the Lessee on demand; and, unless otherwise specified in Item 3 of Exhibit B the services shall be supplied through existing wires, fixtures, conduits, outlets, pipes or vents if any.

(f) If any federal, state, municipal or other governmental body, authority or agency or any public utility assesses, levies, imposes, makes or increases any charge, fee or rent on the Port Authority for any service, system or utility now or in the future supplied to or available to the premises or to any occupants or users thereof or to the structure or building of which the premises form a part (including but not limited to any sewer rent or charge for the use of sewer systems), the Lessee shall, at the option of the Port Authority exercised at any time and from time to time by notice to the Lessee, pay, in accordance with said notice, such charge, fee or rent or increase thereof (or the portion thereof allocated by the Port Authority to the premises or the Lessee's operations hereunder) either directly to the governmental body, authority or agency or to the public utility or directly to the Port Authority.

(g) Notwithstanding that the Port Authority may have agreed to supply a service hereunder to the Lessee where such service is to be metered, the Port Authority shall be under no obligation to provide or continue any such service if the Port Authority is prevented by law from submetering such service or has agreed with the supplier of such service not to submeter such service.

(h) The Port Authority shall have the right to temporarily discontinue the supply of any of the above services when necessary or desirable in the opinion of the Port Authority in order to make any repairs, alterations, changes or improvements in the premises or elsewhere in the Terminal including all systems for the supply of services.

(i) No failure, delay or interruption in any of the above services shall be or shall be construed to be an eviction of the Lessee, shall be grounds for any diminution or abatement of the rentals payable hereunder, or shall constitute grounds for any claim by the Lessee for damages, consequential or otherwise, unless due to the negligence of the Port Authority, its employees or agents. The Lessee shall not be entitled to receive any of the above services during any period during which the Lessee wastes any of the said services or is in default under any of the provisions of this Agreement.

SECTION 15. Construction by the Lessee

(a) Except as hereinafter expressly provided, the Lessee shall not erect any structures, make any improvements or do any other construction work on the premises or elsewhere at the Terminal, or alter, modify or make additions, improvements or repairs to or replacements of any structure now existing or built at any time during the letting, or install any fixtures (other than trade fixtures, removable without injury to the premises) without the prior written consent of the Port Authority, and in the event any construction, improvement, alteration, modification, addition, repair or replacement is made without such approval, then, upon notice given at any time during the letting or within sixty (60) days after expiration or termination of the term of the letting, the Lessee will remove the same, or, at the option of the Port Authority, cause the same to be changed to the satisfaction of the Port Authority. In case of any failure on the part of the Lessee to comply with such notice, the Port Authority may effect the removal or change, and the Lessee shall pay the cost thereof to the Port Authority on demand.

(b) In the event that Item 4 of Exhibit B provides that the Lessee is required (or is permitted to) build a structure or make repairs, alterations, improvements or additions to the premises, the structure, repairs, alterations, improvements or additions described in the said Item 4 shall be built or made strictly in accordance with the following terms and conditions:

(1) The Lessee shall, to the extent allowed under the law, be the insurer of the Port Authority, its Commissioners, officers, agents and employees, against the following distinct and several risks, whether they arise from acts or omissions of the Lessee, of the Port Authority, its Commissioners, officers, agents and employees or of third persons, or from acts of God or of the public enemy, or otherwise, excepting only risks which result solely from affirmative, wilful acts done by the Port Authority subsequent to the commencement of the work of construction, repair, alteration, improvement or addition:

(i) The risk of loss or damage to all such required repairs, alterations, additions, improvements, or structures prior to the completion thereof. In the event of such loss or damage, the Lessee shall forthwith repair, replace and make good the work without cost to the Port Authority.

(ii) The risk of death, injury or damage, direct or consequential, to the Port Authority, its Commissioners, officers, agents and employees, and to its or their property, arising out of or in connection with the performance of the work. The Lessee shall indemnify the Port Authority, its Commissioners, officers, agents and employees, for all such deaths, injuries and damages, and for all loss suffered by reason thereof.

(iii) The risk of claims and demands, just or unjust, by third persons against the Port Authority, its Commissioners, officers, agents and employees arising or alleged to arise out of the performance of the work. The Lessee shall indemnify the Port Authority, its Commissioners, officers, agents and employees, against and from all such claims and demands, and for all loss and expense incurred by it and by them in the defense, settlement or satisfaction thereof.

(2) All construction work done pursuant to this Section shall be done in accordance with drawings and specifications to be submitted to and approved by the Chief Engineer of the Port Authority prior to the commencement of the work, shall be done to his satisfaction and shall be subject to his inspection during the progress of such work and after completion thereof; and the Lessee shall re-do or replace at its own expense any work not approved by the said Chief Engineer. Unless otherwise expressly provided herein, all workmanship and materials are required to be first class.

(3) The Lessee shall pay all claims lawfully made against it by its contractors, subcontractors, materialmen and workmen and all claims lawfully made against it by other third persons arising out of or in connection with or because of the performance of the work and shall cause its contractors and subcontractors to pay all such claims lawfully made against them.

(4) The Lessee shall procure and maintain comprehensive public liability insurance, or, if the work is to be done by an independent contractor, the Lessee shall require such contractor to procure and maintain such insurance in the name of the contractor, in either case, in limits not lower than those set forth for such categories of insurance in Item 5 of Exhibit B.

(5) As soon as such structure, repair, alteration, improvement or addition shall have been completed to the satisfaction of the Chief Engineer of the Port Authority, then (subject to the provisions of the following subdivision (c)) title thereto shall immediately and without execution of any further instrument vest in the Port Authority, and every said structure and all such repairs, alterations, improvements or additions, shall thereupon become and thereafter be part of the premises.

(c) The Port Authority shall have the option, exercisable by notice delivered on or before a date sixty (60) days after expiration, cancellation or termination hereof, to require the Lessee to remove any or all such structures, alterations, improvements or additions, and to restore the premises to the condition thereof prior to the construction or installation thereof. In the event of a failure on the part of the Lessee so to remove and restore, the Port Authority may do so, and the Lessee shall pay the cost thereof to the Port Authority on demand.

SECTION 16. *Injury and Damage to Person or Property*

The Port Authority shall not be liable to the Lessee, or to any person, for injury or death to any person or persons whomsoever, or damage to any property whatsoever at any time in the premises or elsewhere in the Terminal, including but not limited to any such injury, death or damage from falling material, water, rain, hail, snow, gas, steam, and/or electricity, whether the same may leak into, or fall, issue, or flow from any part of the Terminal, or from any other place or quarter, unless said damage, injury or death shall be due to the negligence of the Port Authority, its employees or agents.

SECTION 17. *Additional Rent and Charges*

(a) If the Port Authority has paid any sum or sums or has incurred any obligations or expense which the Lessee has agreed to pay or reimburse the Port Authority for, or if the Port Authority is required or elects to pay any sum or sums or incurs any obligations or expense by reason of the failure, neglect or refusal of the Lessee to perform or fulfill any one or more of the conditions, covenants or agreements contained in this Agreement or as a result of an act or omission of the Lessee contrary to the said conditions, covenants and agreements, the Lessee agrees to pay the sum or sums so paid or the expense so incurred, including all interest, costs, damages and penalties, and the same may be added to any installment of rent thereafter due hereunder, and each and every part of the same shall be and become additional rent, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the basic rental, or if there is no basic rental as a part of the percentage rental, all as set forth in Section 4 hereof.

(b) For all purposes under this Section and in any suit, action or proceeding of any kind between the parties hereto, any receipt showing any payment of sum or sums by the Port Authority for any work done or material furnished shall be *prima facie* evidence against the Lessee that the amount of such payment was necessary and reasonable. Should the Port Authority elect to use its own operating and maintenance staff in making any repairs, replacements, and/or alterations and to charge the Lessee with the cost of same, any time sheet of any employee of the Port Authority showing hours of labor or work allocated to any such repair, replacement and/or alteration, or any stock requisition of the Port Authority showing the issuance of materials for use in the performance thereof, shall likewise be *prima facie* evidence against the Lessee that the amount of such charge was necessary and reasonable.

SECTION 18. *Rights of Entry Reserved*

(a) The Port Authority, by its officers, employees, agents, representatives and contractors shall have the right at all reasonable times to enter upon the premises for the purpose of inspecting the same, for observing the performance by the Lessee of its obligations under this Agreement, and for the doing of any act or thing which the Port Authority may be obligated or have the right to do under this Agreement or otherwise.

(b) Without limiting the generality of the foregoing, the Port Authority, by its officers, employees, representatives, and contractors, shall have the right, for the benefit of the Lessee or for the benefit of others at the Terminal, to maintain existing and future utilities systems or portions thereof on the premises, including therein without limitation thereto systems for the supply of heat, water hot and cold, gas, electricity and fuel and for the furnishing of fire-alarm, fire-protection, sprinkler, sewerage, drainage, air-conditioning, telephone, telegraph, tele-register, pneumatic-tube dispatch and intercommunication services, and to maintain elevator and escalator systems, including lines, pipes, mains, wires, conduits and equipment connected with or appurtenant to all such systems, and to enter upon the premises at all reasonable times to make such repairs, alterations and replacements as may, in the opinion of the Port Authority, be deemed necessary or advisable and, from time to time, to construct or install over, in, under or through the premises new lines, pipes, mains, wires, conduits and equipment; *provided, however*, that such repair, alteration, replacement or construction shall not unreasonably interfere with the use of the premises by the Lessee.

(c) Nothing in this Section shall or shall be construed to impose upon the Port Authority any obligations so to construct or maintain or to make repairs, replacements, alterations or additions, or shall create any liability for any failure so to do.

(d) At any time and from time to time during ordinary business hours within the six (6) months next preceding the expiration of the letting, the Port Authority, by its agents and employees, whether or not accompanied by prospective lessees, occupiers or users of the premises, shall have the right to enter thereon for the purpose of exhibiting and viewing all parts of the same and during such six-month period the Port Authority may place and maintain on the premises, the usual "To Let" signs, which signs the Lessee shall permit to remain without molestation.

(e) If, during the last month of the letting, the Lessee shall have removed all or substantially all the Lessee's property from the premises, the Port Authority may immediately enter and alter, renovate and redecorate the premises.

(f) No abatement of rental shall be claimed by or allowed to the Lessee by reason of the exercise of any or all of the foregoing rights by the Port Authority or others.

SECTION 19. *Condemnation*

(a) In any action or proceeding instituted by any governmental agency or agencies for the taking for a public use of any interest in all or any part of the premises, the Lessee shall not be entitled to assert any claim to any award or part thereof made or to be made therein, or to institute any action or proceeding or to assert any claim against such agency or agencies or against the Port Authority, for or on account of any such taking, except the possible claim to an award for loss of fixtures furnished and installed by the Lessee (and for the purpose of such possible claim alone, title to such fixtures shall revert to the Lessee), it being understood and agreed between the Port Authority and the Lessee that, except for the possible claim to an award for loss of fixtures, the Port Authority shall be entitled to all the compensation or awards made or to be made or paid for any such taking, free of any claim or right of the Lessee.

(b) In the event of a taking of the entire premises by any governmental agency or agencies, then this Agreement shall be cancelled and the letting shall, as of the date possession is taken from the Port Authority by such agency or agencies, cease and determine in the same manner and with the same effect as if the term of the letting had on that date expired.

(c) In the event of a taking by any governmental agency or agencies of a part of the premises, then the letting as to such part only shall, as of the date possession thereof is taken from the Port Authority by such agency or agencies, cease and determine, and the rentals thereafter to be paid by the Lessee to the Port Authority shall, if so provided in Item 1 of Exhibit B, be abated from and after the date of such taking.

SECTION 20. *Assignment and Sublease*

(a) The Lessee shall not assign, sell, convey, transfer, mortgage, or pledge this Agreement, or the letting, or any part thereof.

(b) The Lessee shall not sublet the premises or any part thereof.

(c) If the Lessee assigns, sells, conveys, transfers, mortgages, pledges or sublets in violation of subdivisions (a) or (b) of this Section or if the premises are occupied by anybody other than the Lessee, the Port Authority may collect rent from any assignee, sublessee or anyone who claims a right to this Agreement or letting or who occupies the premises, and shall apply the net amount collected to the rental herein reserved; and no such collection shall be deemed a waiver by the Port Authority of the covenants contained in subdivisions (a) and (b) of this Section nor an acceptance by the Port Authority of any such assignee, sublessee, claimant or occupant as Lessee, nor a release of the Lessee by the Port Authority from the further performance by the Lessee of the covenants contained herein.

(d) The Lessee shall not use, or permit any person to use, the premises or any portion thereof, except for the purposes set forth in Section 3 hereof.

SECTION 21. *Termination*

(a) If any one or more of the following events shall occur, that is to say:

(1) The Lessee shall become insolvent, or shall take the benefit of any present or future insolvency statute, or shall make a general assignment for the benefit of creditors, or file a voluntary petition in bankruptcy or a petition or answer seeking an arrangement or its reorganization or the readjustment of its indebtedness under the federal bankruptcy laws or under any other law or statute of the United States or of any State thereof, or consent to the appointment of a receiver, trustee, or liquidator of all or substantially all its property; or

(2) By order or decree of a court the Lessee shall be adjudged bankrupt or an order shall be made approving a petition filed by any of the creditors or, if the Lessee is a corporation, by any of the stockholders of the Lessee, seeking its reorganization or the readjustment of its indebtedness under the federal bankruptcy laws or under any law or statute of the United States or of any State thereof; or

(3) A petition under any part of the federal bankruptcy laws or an action under any present or future insolvency law or statute shall be filed against the Lessee and shall not be dismissed within thirty (30) days after the filing thereof; or

(4) The letting hereunder or the interest or estate of the Lessee under this Agreement shall be transferred to, pass to or devolve upon, by operation of law or otherwise, any other person, firm or corporation; or

(5) The Lessee, if a corporation, shall, without the prior written approval of the Port Authority, become a possessor or merged corporation in a merger, a constituent corporation in a consolidation, or a corporation in dissolution; or

(6) The Lessee is, or the Lessees collectively are doing business as, or constitute a copartnership, and the said copartnership shall be dissolved as the result of any act or omission of its copartners or any of them, or by operation of law or the order or decree of any court having jurisdiction, or for any other reason whatsoever; or

(7) By or pursuant to, or under authority of any legislative act, resolution or rule, or any order or decree of any court or governmental board, agency or officer having jurisdiction, a receiver, trustee, or liquidator shall take possession or control of all or substantially all of the property of the Lessee, and such possession or control shall continue in effect for a period of fifteen (15) days; or

(8) Any type of strike or other labor activity is directed against the Lessee at the Terminal resulting in picketing or boycott for a period of at least forty-eight (48) hours which, in the opinion of the Port Authority, adversely affects or is likely adversely to affect the operation of the Terminal or the operations of other lessees or licensees thereat, whether or not the same is due to the fault of the Lessee, and whether caused by the employees of the Lessee or by others; or

(9) Any lien is filed against the premises because of any act or omission of the Lessee and is not removed within ten (10) days; or

(10) The Lessee shall voluntarily abandon, desert, vacate or discontinue its operations in the premises; or

(11) The Lessee shall fail duly and punctually to pay the rentals or to make any other payment required hereunder when due to the Port Authority; or

(12) The Lessee shall fail to keep, perform and observe each and every other promise, covenant and agreement set forth in this Agreement on its part to be kept, performed or observed, within ten (10) days after receipt of notice of default thereunder from the Port Authority (except where fulfillment of its obligation requires activity over a period of time, and the Lessee shall have commenced to perform whatever may be required for fulfillment within ten (10) days after receipt of notice and continues such performance without interruption except for causes beyond its control);

then upon the occurrence of any such event or at any time thereafter during the continuance thereof, the Port Authority may by five (5) days' notice terminate the letting and the rights of the Lessee hereunder, such termination to be effective upon the date specified in such notice. Such right of termination and the exercise thereof shall be and operate as a conditional limitation.

(b) If any of the events enumerated in subdivision (a) of this Section shall occur prior to the letting, the Lessee shall not be entitled to enter into possession of the premises and the Port Authority upon the occurrence of any such event or at any time thereafter during the continuance thereof by twenty-four hours' notice may cancel the interest of the Lessee under this Agreement, such cancellation to be effective upon the date specified in such notice.

(c) No acceptance by the Port Authority of rentals, fees, charges or other payments in whole or in part for any period or periods after a default of any of the terms, covenants and conditions to be performed, kept or observed by the Lessee shall be deemed a waiver of any right on the part of the Port Authority to terminate the letting.

(d) No waiver by the Port Authority of any default on the part of the Lessee in performance of any of the terms, covenants or conditions hereof to be performed, kept or observed by the Lessee shall be or be construed to be a waiver by the Port Authority of any other or subsequent default in performance of any of the said terms, covenants and conditions.

SECTION 22. *Right of Re-entry*

The Port Authority shall, as an additional remedy upon the giving of a notice of termination as provided in Section 21 hereof, have the right to re-enter the premises and every part thereof upon the effective date of termination without further notice of any kind, and may regain and resume possession either with or without the institution of summary or any other legal proceedings or otherwise. Such re-entry, or regaining or resumption of possession, however, shall not in any manner affect, alter or diminish any of the obligations of the Lessee under this Agreement, and shall in no event constitute an acceptance of surrender.

SECTION 23. *Waiver of Redemption*

The Lessee hereby waives any and all rights of redemption, granted by or under any present or future law, arising in the event it is evicted or dispossessed for any cause, or in the event the Port Authority obtains or retains possession of the premises in any lawful manner.

SECTION 24. *Survival of the Obligation of the Lessee*

(a) In the event that the letting shall have been terminated in accordance with a notice of termination as provided in Section 21 hereof, or the interest of the Lessee cancelled pursuant thereto, or in the event that the Port Authority has re-entered, regained or resumed possession of the premises in accordance with the provisions of Section 22 hereof, all the obligations of the Lessee under this Agreement shall survive such termination or cancellation, re-entry, regaining or resumption of possession and shall remain in full force and effect for the full term of this Agreement, and the amount or amounts of damages or deficiency shall become due and payable to the Port Authority to the same extent, at the same time or times and in the same manner as if no termination, cancellation, re-entry, regaining or resumption of possession had taken place. The Port Authority may maintain separate actions each month to recover the damage or deficiency then due or at its option and at any time may sue to recover the full deficiency less the proper discount, for the entire unexpired term.

(b) The amount of damages for the period of time subsequent to termination or cancellation (or re-entry, regaining or resumption of possession) shall be:

(1) On account of the Lessee's basic rental obligation, the amount of the total of all annual basic rentals, less the installments thereof payable prior to the effective date of termination except that the credit to be allowed for the installment payable on the first day of the month in which the termination is effective shall be prorated for the part of the month the letting remains in effect, on the basis of a 30-day month;

~~(2) On account of the Lessee's percentage rental obligation in the event that a basic rental is also reserved under this Agreement, an amount equal to the percentage stated in Item 1 of Exhibit B applied to the amount of gross receipts in excess of the annual exemption amount or amounts, which gross receipts would have been received by the Lessee during the balance of the term if there had been no termination or cancellation (or re-entry, regaining or resumption of possession), and for the purpose of calculation hereunder (i) the said amount of gross receipts shall be derived by multiplying the number of days in the balance of the term originally fixed, by the Lessee's average daily gross receipts; (ii) the average daily gross receipts shall be the total actual gross receipts of the Lessee during that part of the effective period of the letting (including all annual periods falling within the effective period) in which no abatement was in effect, divided by the number of days included in such part of the effective period; (iii) the annual exemption amount for any period of less than a year shall be the product of the original annual exemption amount multiplied by a fraction, the numerator of which shall be the number of days from the effective date of termination to the end of the annual period and the denominator shall be 365;~~

(3) On account of the Lessee's percentage rental obligation in the event that no basic rental is reserved under this Agreement, an amount equal to the percentage stated in Item 1 of Exhibit B applied to the amount of gross receipts which would have been received by the Lessee during the balance of the term if there had been no termination or cancellation (or re-entry, regaining or resumption of possession), and for the purpose of calculation hereunder (i) the said amount of gross receipts shall be derived by multiplying the number of days in the balance of the term originally fixed, by the Lessee's average daily gross receipts; (ii) the average daily gross receipts shall be the total actual gross receipts of the Lessee during that part of the effective period of the letting (including all annual periods falling within the effective period) divided by the number of days included in such part of the effective period.

(c) It is understood and agreed that the statement of damages under the preceding subdivision (b) shall not affect or be construed to affect the Port Authority's right to damages in the event of termination or cancellation (or re-entry, regaining or resumption of possession) where the Lessee has not received any actual gross receipts under this Agreement.

SECTION 25. *Reletting by the Port Authority*

The Port Authority, upon termination or cancellation pursuant to Section 21 hereof, or upon any re-entry, regaining or resumption of possession pursuant to Section 22 hereof, may occupy the premises or may relet the premises, and shall have the right to permit any person, firm or corporation to enter upon the premises and use the same. Such reletting may be of part only of the premises or of the premises or a part thereof together with other space, and for a period of time the same as or different from the balance of the term hereunder remaining, and on terms and conditions the same as or different from those set forth in this Agreement. The Port Authority shall also, upon termination or cancellation pursuant to the said Section 21, or upon its re-entry, regaining or resumption of possession pursuant to the said Section 22, have the right to repair or to make structural or other changes in the premises, including changes which alter the character of the premises and the suitability thereof for the purposes of the Lessee under this Agreement, without affecting, altering or diminishing the obligations of the Lessee hereunder. In the event either of any reletting or of any actual use and occupancy by the Port Authority (the mere right to use and occupy not being sufficient however) there shall be credited to the account of the Lessee against its survived obligations hereunder any net amount remaining after deducting from the amount actually received from any lessee, licensee, permittee or other occupier in connection with the use of the said premises or portion thereof during the balance of the letting as the same is originally stated in this Agreement, or from the market value of the occupancy of such portion of the premises as the Port Authority may during such period actually use and occupy, all expenses, costs and disbursements incurred or paid by the Port Authority in connection therewith. No such reletting shall be or be construed to be an acceptance of surrender.

SECTION 26. *Thirty Day Termination*

(a) The Port Authority shall have the right to terminate this Agreement and the letting hereunder, without cause, at any time, on thirty (30) days' notice to the Lessee. In the event of termination pursuant to this Section, this Agreement and the letting hereunder shall cease and expire as if the effective date of termination stated in the notice were the date originally stated herein for the expiration of this Agreement.

(b) The Lessee is obligated by this Agreement to furnish and install all fixtures and equipment and make all improvements in the premises, necessary or proper for its operations hereunder. In the event of termination by the Port Authority under this Section, the Port Authority shall pay the Lessee a *pro rata* share of the Lessee's cost in supplying and installing all such fixtures and equipment and making all such improvements excluding any replacements thereof. The cost and the *pro rata* share thereof shall be ascertained as stated in Item 6 of Exhibit B, *provided, however*, that tender of payment of said prorated cost by the Port Authority to the Lessee shall not be prerequisite to the exercise of the right of termination under this Section, but the Lessee shall be entitled to 4% interest per annum on said prorated cost for the period between the effective date of termination and the date of tender of payment (excluding any portion of the period prior to the rendering by the Lessee to the Port Authority of a statement and other documents of cost). On the payment by the Port Authority of said prorated cost and any interest due thereon, all fixtures, equipment and improvements including replacements furnished by the Lessee in the premises and all interest of the Lessee therein which have not already become the property of the Port Authority shall be and become the property of the Port Authority and the Lessee shall execute any and all instruments necessary to transfer title to any such interest, *provided, however*, that the Port Authority may by notice relinquish its right to any such fixtures, equipment or improvements and the provisions of Sections 12, 15 and 28 shall apply thereto.

SECTION 27. *Remedies to Be Non-exclusive*

All remedies provided in this Agreement shall be deemed cumulative and additional and not in lieu of or exclusive of each other or of any other remedy available to the Port Authority at law or in equity.

SECTION 28. *Surrender*

(a) The Lessee covenants and agrees to yield and deliver peaceably to the Port Authority possession of the premises on the date of the cessation of the letting, whether such cessation be by termination, expiration or otherwise, promptly and in good condition such reasonable wear excepted as would not adversely affect or interfere with a first-class, efficient and proper operation such as is required under this Agreement.

(b) Subject to the provision of Sections 12 and 26 the Lessee shall have the right at any time during the letting to remove its equipment, inventories, removable fixtures and other personal property from the premises. If the Lessee shall fail to remove its property on or before the termination or expiration of the letting, the Port Authority may remove such property to a public warehouse for deposit or retain the same in its own possession, and sell the same at public auction, the proceeds of which shall be applied first to the expenses of removal, storage and sale, second to any sums owed by the Lessee to the Port Authority, with any balance remaining to be paid to the Lessee; if the expenses of such removal, storage and sale shall exceed the proceeds of sale, the Lessee shall pay such excess to the Port Authority upon demand.

SECTION 29. *Acceptance of Surrender of Lease*

No agreement of surrender or to accept a surrender shall be valid unless and until the same shall have been reduced to writing and signed by the duly authorized representatives of the Port Authority and of the Lessee. Except as expressly provided in this Section, neither the doing of, nor any omission to do, any act or thing, by any of the officers, agents or employees of the Port Authority, shall be deemed an acceptance of a surrender of the letting or of this Agreement.

TCL - 1/24/70

SECTION 30. Requirement of Deposit or Bond

(a) Unless Item 7 of Exhibit B indicates that no deposit is required, then, prior to the commencement of the letting, the Lessee shall deposit with the Port Authority the sum stated in the said Item 7, in negotiable bonds of the United States of America, or of The Port of New York Authority or in cash, as security for the full, faithful and prompt performance of and compliance with, on the part of the Lessee, all the covenants, terms and conditions of this Agreement on its part to be fulfilled, kept, performed and observed. The said cash or bonds shall remain on deposit with the Port Authority throughout the letting. If bonds are deposited, the fair market value thereof shall be equivalent at the time of the deposit to the sum stated in the said Item 7; and, if at any time throughout the letting the fair market value thereof declines, the Lessee shall, upon ten (10) days' notice from the Port Authority, deposit additional bonds to the extent necessary to maintain the sum stated in the said Item 7. In addition to any and all other remedies available to it under this Agreement or otherwise, the Port Authority shall have the right, at its option at any time and from time to time, to use the deposit or any part thereof in whole or partial satisfaction of any of its claims or demands against the Lessee. There shall be no obligation on the Port Authority to exercise such right, and neither the existence of such right nor the holding of the deposit itself shall cure any default or breach on the part of the Lessee. In the event that the Port Authority shall at any time or times so use the deposit or a part thereof, the Lessee shall, on demand of the Port Authority and within two (2) days thereafter, deposit with the Port Authority additional bonds satisfactory to the Port Authority or additional cash so as to maintain the deposit at all times to the full amount stated in the said Item 7; all such additional deposits shall be subject to all the conditions of this Section. After the expiration of the letting and upon written request therefor by the Lessee, the Port Authority will return the deposit to the Lessee, less the amount of any and all unpaid claims and damages of the Port Authority under this Agreement. Upon a termination of the letting, the Port Authority may, at its option, retain the deposit until the date fixed in Section 2 hereof for the expiration of the letting (or until the final date of any extended term, as the case may be) and shall thereafter upon demand of the Lessee return the same to the Lessee less the amount of any and all unpaid claims and damages, including but not limited to estimated damages of the Port Authority under this Agreement. The Lessee agrees that it will not assign, mortgage or encumber the deposit. The Lessee may collect or receive annually any interest or income earned on bonds and interest paid on cash deposited in interest-bearing bank accounts less any part thereof or amount which the Port Authority is or may hereafter be entitled or authorized by law to retain or to charge in connection therewith, whether as or in lieu of administrative expense or custodial charge, or otherwise, provided, however, that the Port Authority shall not be obligated by this provision to place or to keep cash deposited hereunder in interest-bearing bank accounts. Without limiting the foregoing provisions of this Section, with respect to any bonds deposited by the Lessee, the Port Authority shall have the right, in order to satisfy any of its claims or demands against the Lessee, to sell the same in whole or in part, at any time and from time to time, with or without prior notice, at public or private sale, all as determined by the Port Authority together with the right to purchase the same at such sale free of any claims, equities or rights of redemption of the Lessee. The Lessee hereby waives any right to participate therein or any right to prior notice or demand of the amount or amounts of the Port Authority's claims or demands against the Lessee. The proceeds of any such sale shall be applied by the Port Authority first to the costs and expenses of the sale (including but not limited to any advertising or commission expenses) and then to the amounts due the Port Authority from the Lessee. Any balance remaining shall be retained in cash toward bringing the security deposit to the sum specified in said Item 7 provided that this shall not relieve the Lessee from maintaining the deposit in the full amount stated in said Item 7.

(b) Unless Item 8 of Exhibit B indicates that no performance bond is required, the Lessee shall furnish and pay the premium for a bond in the sum stated in the said Item 8, conditioned upon the full, faithful and prompt performance of and compliance with, on the part of the Lessee, all the covenants, terms and conditions of this Agreement on its part to be fulfilled, kept, performed and observed. The bond so furnished shall be in the form attached hereto, hereby made a part hereof and marked "Exhibit U", shall be effective throughout the letting and shall be made either by a surety company or companies qualified to carry on a surety business in the State of New Jersey if the premises are in New Jersey or in the State of New York if the premises are in New York, and satisfactory to the Port Authority or by an individual or individuals satisfactory to the Port Authority.

(c) In the event Items 7 and 8 of Exhibit B indicate that both a deposit and a performance bond are required, the Lessee shall, unless said Items 7 and 8 state otherwise, have the option of fulfilling either the provisions of subdivision (a) or those of subdivision (b) of this Section.

Section 31. Brokerage

The Lessee represents and warrants that no broker has been concerned in the negotiation of this Agreement and that there is no broker who is or may be entitled to be paid a commission in connection therewith. The Lessee shall indemnify and save harmless the Port Authority of and from any claim for commission or brokerage made by any and all persons, firms or corporations whatsoever for services in connection with the negotiation and execution of this Agreement.

TCL 5/4/81

SECTION 32. *Limitation of Rights and Privileges Granted*

No greater rights or privileges with respect to the use of the premises or any part thereof or with respect to the Terminal are granted or intended to be granted to the Lessee by this Agreement, or by any provision thereof, than the rights and privileges expressly granted hereby.

~~SECTION 33. *Letting Postponed*~~

~~The Lessee recognizes that, at the time of execution of this Agreement, the premises may be occupied by another or may be under construction, alteration or improvement by the Port Authority or that the Port Authority may intend to do or make such construction, alteration or improvement and that as a result the premises may not be ready for occupancy on the commencement date stated in Section 2 hereof. In the event that the premises are not ready for occupancy on said commencement date, the term of the letting under this Agreement shall commence on a date designated by the Port Authority on ten (10) days' notice to the Lessee, but not later than the date stated in Item 9 of Exhibit B; and, in the event that the commencement date shall be postponed hereunder, then the expiration date as stated in Section 2 shall also be postponed by a period of time equivalent to the period intervening between the commencement date stated in Section 2 and the actual commencement date as designated pursuant to this Section. In the event that the premises are not ready for occupancy on or before the date stated in Item 9 of Exhibit B, then this Agreement shall be cancelled and each party shall release and does hereby release the other party of and from any and all claims or demands based on this Agreement or any breach or alleged breach thereof. Nothing contained in this Section shall impose or shall be construed to impose on the Port Authority any obligation to perform construction or make alterations or improvements.~~

SECTION 34. *Changes in the Terminal*

The Port Authority shall have the right at any time and from time to time prior to and during the letting, in the interest of the efficient operation of the Terminal, to close, move or alter any common way in the Terminal, including but not limited to entrances, exits, passages, halls, corridors, aisles, stairways, elevators or escalators, or to restrict or change the traffic on or through any such common way; and no such action by the Port Authority shall release the Lessee from any of its obligations under this Agreement.

SECTION 35. *Relationship of the Parties*

This Agreement does not constitute the Lessee the agent or representative of the Port Authority for any purpose whatsoever. Neither a partnership nor any joint adventure is hereby created, notwithstanding the fact that all or a portion of the rental to be paid hereunder may be determined by gross receipts from the operations of the Lessee hereunder.

SECTION 36. *Notices*

All notices (including but not limited to permissions, requests, consents, designations, notifications, reports and approvals) given or required to be given to or by either party shall be in writing and all such notices shall be telegraphed or personally delivered to the party or to the duly designated officer or representative of such party or shall be delivered to an office of such party, officer or representative during regular business hours, or delivered to the residence of such party, officer or representative or delivered to the premises, or forwarded to him or to the party at the office or residence address by registered mail. The Lessee shall designate an office within the Port of New York District and an officer or representative whose regular place of business is at such office. Until further notice, the Port Authority hereby designates its Executive Director and the Lessee hereby designates the person whose name appears on the first page of this Agreement as their respective officers or representatives upon whom such notices may be served, and the Port Authority designates its office at One World Trade Center, New York, New York 10048, and the Lessee designates its office, the address of which is set forth on the first page of this Agreement, as their respective offices where such notices may be served.

TCL 5/4/81

SECTION 37. *Place of Payments*

All payments required of the Lessee by this Agreement shall be made ~~at the office of the Treasurer of the Port Authority, One World Trade Center, New York, New York 10048~~ or to such other officer or address as may be substituted therefor.

SECTION 38. *Quiet Enjoyment*

The Port Authority covenants and agrees that as long as it remains the owner of the Terminal, the Lessee, upon paying all rentals hereunder and performing all the covenants, conditions and provisions of this Agreement on its part to be performed, shall and may peaceably and quietly have, hold and enjoy the premises free of any act or acts of the Port Authority except as expressly permitted in this Agreement.

SECTION 39. *Headings*

The section headings and the paragraph headings, if any, are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope or intent of any provision hereof.

SECTION 40. *Construction and Application of Terms*

(a) Wherever in this Agreement a third person singular neuter pronoun or adjective is used, referring to the Lessee, the same shall be taken and understood to refer to the Lessee, regardless of the actual gender or number thereof.

(b) Whenever in this Agreement, the Lessee is placed under an obligation or covenants to do or to refrain from or is prohibited from doing, or is entitled or privileged to do, any act or thing, the following shall apply:

(1) If the Lessee is a corporation, its obligations shall be performed or its rights or privileges shall be exercised only by its officers and employees; or

(2) If the Lessee is an unincorporated association or a business or "Massachusetts" trust, the obligation shall be that of its members or trustees, as well as of itself, and shall be performed only by its members or trustees, and officers and employees, and the rights or privileges shall be exercised only by its members or trustees, and its officers and employees; or

(3) If the Lessee is a copartnership, the obligation shall be that of its partners and shall be performed only by its partners and employees and the rights or privileges shall be exercised only by its partners and employees; or

(4) If the Lessee is an individual, the obligations shall be that of himself (or herself) and shall be performed only by himself (or herself) and his (or her) employees and the rights or privileges shall be exercised only by himself (or herself) and his (or her) employees.

(5) None of the privileges of this subdivision (b) shall be taken to alter, amend or diminish any obligation of the Lessee assumed in relation to its invitees, customers, agents, representatives, contractors or other persons, firms or corporations doing business with it.

(c) In the event that more than one individual or other legal entity are the Lessee under this Agreement, then and in that event each and every obligation under this Agreement shall be the joint and several obligation of each such individual or other legal entity.

(d) The Lessee's representative, hereinbefore specified (or such substitute as the Lessee may hereafter designate in writing) shall have full authority to act for the Lessee in connection with this Agreement and any things done or to be done hereunder, and to execute on the Lessee's behalf any amendments or supplements to this Agreement or any extension thereof.

*shall be made by mail to the Port Authority of New York and New Jersey, P.O. Box 17309, Newark, New Jersey 07194.

TCL 1/19/50

SECTION 41. Non-Liability of Individuals

Neither the Commissioners of the Port Authority nor any of them, nor any officer, agent or employe thereof, shall be charged personally by the Lessee with any liability or held liable to it under any term or provision of this Agreement, or because of its execution or attempted execution, or because of any breach or attempted or alleged breach thereof.

SECTION 42. Definitions

The following terms, when used in this Agreement, shall have the respective meanings given below:

(a) "Letting" shall mean the letting under this Agreement for the original term stated herein, and shall include any extensions thereof which may be made pursuant to the provisions of this Agreement.

(b) "Terminal" shall mean:

(1) if the premises are located in the Newark Union Motor Truck Terminal, the building known as the Union Terminal Freight Station No. 3, north of Dalancy Street, east of New Jersey State Highway Route 25, and south of Bears Stadium, in The City of Newark, County of Essex, State of New Jersey and buildings or other structures in the vicinity which may be used for motor truck terminal purposes;

(2) if the premises are located in the Port Authority Bus Terminal, the building bounded by 40th and 41st Streets, 8th and 9th Avenues, in the City, County and State of New York; and

(3) if the premises are located in the New York Union Motor Truck Terminal, the building known as Union Terminal Freight Station No. 2, bounded by Spring, Washington, West Houston and Greenwich Streets in the City, County and State of New York and buildings or other structures in the vicinity which may be used for motor truck terminal purposes.

(c) "Gross receipts" shall include all monies paid or payable to the Lessee for sales made and for services rendered at or from the Terminal, regardless of when or where the order therefor is received, and outside the Terminal, if the order therefor is received at the Terminal, and any other revenues of any type arising out of or in connection with the Lessee's operations at the Terminal, provided, however, that any taxes imposed by law which are separately stated to and paid by a customer and directly payable to the taxing authority by the Lessee, shall be excluded therefrom.

(d) "Causes or conditions beyond the control of the Port Authority shall mean and include acts of God, the elements, weather conditions, tides, earthquakes, settlements, fire, acts of Governmental authority, war, shrotage of labor or materials, acts of third parties for which the Port Authority is not responsible, injunctions, labor troubles or disputes of every kind (including all those affecting the Port Authority, its contractors, suppliers or sub-contractors) or any other conditions or circumstances whether similar to or different from the foregoing (it being agreed that the foregoing enumeration shall not limit or be characteristic of such conditions or circumstances) which is beyond the control of the Port Authority or which could not be prevented or remedied by reasonable effort and at reasonable expense.

**and the extension of the Port Authority Bus Terminal, contiguous thereto and lying to the north thereof, all of which now constitutes the Port Authority Bus Terminal; and

Section 43. Grease Traps and Ventilation Ducts

Without in anywise limiting the Lessee's other obligations under this Agreement, the Lessee shall supply, replace, install, repair, maintain and keep clean all grease traps in all drainage pipes exclusively used by it in its operations hereunder whether such pipes are located on the premises or elsewhere at the Terminal. The Lessee shall also keep clean, repair and maintain (other than structurally) all ventilation ducts including the replacement of all filters where such ducts are exclusively used by it in its operations hereunder and whether such ducts are located on the premises or elsewhere at the Terminal.

Section 44. Limitation on the Supply of Services

Notwithstanding that the Port Authority may have agreed to supply any service under Section 14 of this Agreement, the Port Authority shall be under no obligation to supply any such service if and to the extent and during any period that the supplying of any such service or the use of any component necessary therefor shall be prohibited or rationed by any federal, state or municipal law, rule, regulation, requirement, order or direction and if the Port Authority deems it in the public interest to comply therewith, even though such law, rule, regulation, requirement, order or direction may not be mandatory on the Port Authority as a public agency. If by operation of this Section any service for which the Lessee has agreed to pay a flat sum in Section 14 is discontinued for any period of the letting, the Lessee shall be relieved of its obligation to pay for such service for any such period or if any such service is supplied during fewer hours or in lesser amounts than agreed during any period of the letting, the Lessee shall be relieved proportionately of its obligation to pay for any such service for any such period.

Section 45. Governmental Compliance

In the event that all or any portion of the premises is required by the Port Authority to comply with any present or future governmental law, rule, regulation, requirement, order or direction, the Port Authority shall give the Lessee notice that all or any such portion of the premises is so required and the Lessee shall deliver all or any such portion of the premises so required on the date specified in such notice and, if the Lessee does not so deliver, the Port Authority may take the same. No such taking or delivery shall be or be construed to be an eviction of the Lessee or a breach of this Agreement. In the event that the Lessee has received a notice hereunder it shall deliver all or any such portion of the premises so required in the same condition as that required hereunder for the delivery of the premises on the cessation of the letting. In the event of the taking or delivery of all the premises, this Agreement and the letting hereunder shall on the day of such taking or delivery cease and expire as if that day were the date originally stated herein for the expiration of this Agreement; and, in the event of the taking or delivery of any portion of the premises, then, from and after such taking or delivery, such portion of the premises shall cease to be a part of the premises hereunder. There shall be an abatement of the rental in the event of any such taking or delivery of a portion of the premises if so provided in Item 1 of Exhibit B.

Section 46. Extermination Service

The Lessee shall pay the Port Authority, upon demand, the cost of extermination service, if any, actually provided by the Port Authority in the enclosed portion of the premises, provided, however, that the Port Authority shall not be required hereby to furnish such service.

Section 47. Force Majeure

The Port Authority shall not be liable for any failure, delay or interruption in performing its obligations hereunder due to causes or conditions beyond the control of the Port Authority. Further, the Port Authority shall not be liable unless the failure, delay or interruption shall result from failure on the part of the Port Authority to use reasonable care to prevent or reasonable efforts to cure such failure, delay or interruption.

Section 48. Premises

The Lessee acknowledges that it has not relied upon any representation or statement of the Port Authority or its Commissioners, officers, employees or agents as to the condition of the premises or the suitability thereof for the operations permitted on the premises by this Agreement. The Lessee agrees that no portion of the premises will be used initially or at any time during the letting which is in a condition unsafe or improper for the conduct of the Lessee's operations hereunder so that there is a possibility of injury or damage to life or property and the Lessee further agrees that before any use it will immediately correct any such unsafe or improper condition.

Section 49. Finishes and Decorating by the Lessee

(a) The Port Authority shall deliver the premises to the Lessee in its "as is" condition. The Lessee acknowledges that it has thoroughly inspected the premises and agrees to take the same in such "as is" condition. Nothing contained herein shall or shall be construed to relieve the Lessee of its obligations under Section 12 to install in the premises all necessary or proper equipment or fixtures required for its operations in the premises. Subject to the provisions of this Section and Section 15 of this Agreement the Lessee agrees to and shall perform at its sole cost and expense all construction and installation work necessary or proper for its occupancy of the premises and its operations therein including, without limitation, (i) the installation of new heating, ventilation, air cooling, and smoke purge systems, including the

installation of new hangar supports, vibration isolators, piping, and controls required to install and operate such systems, and the installation of new duct work, (ii) the refurbishment of interior and demising walls, floors, and ceilings, (iii) the installation of new lighting, and (iv) the design and construction of new storefronts (the work described in this Section being sometimes hereinafter referred to as "the Construction Work"). The Lessee hereby covenants and agrees that it shall expend a minimum of Seven Hundred Fifty Thousand Dollars and No Cents (\$750,000.00) on the performance of the Construction Work. Prior to commencing the performance of any of the Construction Work the Lessee shall submit to the Port Authority for its approval an Alteration Application, in the form supplied by the Port Authority, and containing such terms and conditions as the Port Authority may include, setting forth in detail and by appropriate plans and specifications the work the Lessee proposes to perform and the manner of and time periods for performing the same. The data to be supplied by the Lessee shall identify separately each of the items constituting the Construction Work and shall describe in detail the fixtures and equipment to be installed by the Lessee. The Lessee shall be responsible at its sole expense for retaining all architectural, engineering and other technical consultants and services as may be directed by the Port Authority and for developing, completing and submitting detailed plans and specifications for the work. The plans and specifications to be submitted by the Lessee to the Port Authority shall bear the seal of a qualified architect or professional engineer, who shall be responsible for the administration of the work in accordance with the Port Authority's requirements, and shall be in sufficient detail for a contractor to perform the work. In connection with review by the Port Authority of the Lessee's submissions under this paragraph, the Lessee shall submit to the Port Authority, at the Port Authority's request, such additional data, detail or information as the Port Authority may require for such review. The Lessee shall not engage any contractor or permit the use of any subcontractor unless and until each such contractor or subcontractor has been approved by the Port Authority. The Lessee shall include in any such contract or subcontract such provisions as the Port Authority may approve or require, including, without limitation thereto, provisions regarding labor harmony. The Lessee shall cause each such contractor and subcontractor to obtain and maintain in force such insurance coverage and performance bonds as the Port Authority shall specify. All work to be performed by the Lessee hereunder shall be done in accordance with the said Alteration Application and final plans and specifications approved by the Port Authority, shall be subject to inspection by the Port Authority during the progress of the work and after the completion thereof and the

Lessee shall redo or replace at its own expense any work not done in accordance therewith. Upon completion of the Construction Work the Lessee shall supply the Port Authority with a certificate signed by the architect or engineer who sealed the Lessee's plans pursuant to the provisions of this paragraph that all of the work performed by the Lessee has been performed in accordance with the plans and specifications approved by the Port Authority and the provisions of this Agreement and the Lessee shall supply the Port Authority with as-built drawings in form and number as requested by the Port Authority.

(b) The Lessee shall not commence any portion of the Construction Work until the Alteration Application and plans and specifications covering the work to be performed, referred to in paragraph (a) of this Section, have been finally approved by the Port Authority. In the event of any inconsistency between the provisions of this Agreement and those of the Alteration Application, the provisions of this Agreement shall control.

(c) The Lessee shall be solely responsible for the plans and specifications used by it, and for the adequacy or sufficiency of such plans, specifications and all the improvements depicted thereon or covered thereby, regardless of the consent thereto or approval thereof by the Port Authority or the incorporation therein of any Port Authority requirements or recommendations. The Port Authority shall have no obligations or liabilities in connection with the performance of finishing, decorating or installation work performed by the Lessee, or on its behalf, or the contracts for the performance thereof entered into by the Lessee. Any warranties extended or available to the Lessee in connection with finishing, decorating, or installation work performed by or on behalf of the Lessee shall be for the benefit of the Port Authority as well as the Lessee. The Lessee recognizes that its obligation to pay basic rental shall commence on the Rental Payment Start Date established pursuant to Item 1(a)(4) of Exhibit B attached to this Agreement regardless of whether or not the Construction Work is then completed or whether the Lessee is then conducting the operations set forth in Section 3 of this Agreement in the premises. The Lessee shall conduct no such operations in the premises until the Port Authority shall have notified the Lessee in writing that the work in the premises has been completed or substantially completed to its satisfaction.

(d) Without limiting or affecting any other term or provision of this Agreement, the Lessee shall be solely responsible for the design, adequacy and operation of all utility, mechanical, electrical, communications and other systems installed

in the premises by the Lessee and shall do all preventive maintenance and make all repairs, replacements, rebuilding (ordinary or extraordinary, structural or non-structural) and painting necessary to keep such systems and all other improvements, additions and fixtures, finishes and decorations made or installed by the Lessee (whether the same involves structural or non-structural work) in the condition they were in when made or installed except for reasonable wear which does not adversely affect the watertight condition or structural integrity of the building or adversely affect the efficient or proper utilization or appearance of any part of the premises.

Section 50. Operating Names

Any name, designation or any service mark proposed to be used or displayed at the premises or at the Facility or for the Lessee's operations therein shall be approved in advance in writing by the Port Authority and the Lessee shall have the right to use and display the name, designation or mark only so long as this Agreement is in force and effect. If for any reason the Lessee ceases its operations in the premises, the Lessee's right to use such name, designation or service mark shall immediately cease and come to an end and the Port Authority or its designee shall have the sole right to use such name, designation or service mark and the Lessee hereby consents to such use thereof. Any registration or filing by the Lessee with respect of such name, designation or service mark shall indicate the Port Authority's interest therein and the form thereof shall be approved in advance by the Port Authority in writing. The Lessee agrees to assign and transfer to the Port Authority any such registration or filing and any other rights in or to the use of such name, designation or service mark promptly upon written request therefor from the Port Authority.

Section 51. Late Charges

If the Lessee should fail to pay any amount required under this Agreement when due to the Port Authority, including without limitation any payment of basic, percentage or other rental or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then in such event the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four late

charge periods during each calendar year; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (but not less than thirteen) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as a result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Agreement. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Section with respect to such unpaid amount. Each late charge shall be recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the rental as set forth in Section 4 of this Agreement and Item 1 of Exhibit B annexed hereto. Nothing in this Section is intended to, or shall be deemed to affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Agreement, including without limitation the Port Authority's rights set forth in the section of this Agreement entitled "Termination" or (ii) any obligations of the Lessee under this Agreement. In the event that any late charge imposed pursuant to this Section shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Agreement shall be payable instead at such legal maximum.

Section 52. Additional Provision

Notwithstanding the provisions of paragraph (c) of Section 42 hereof, and without otherwise limiting the generality thereof, no monies, including, without limitation, fees and commissions, received or receivable by the Lessee from the sale or dispensing of Lottery Tickets issued by the Lottery Division of the New York State Department of Taxation and Finance shall be included in gross receipts under this Agreement. Without limiting the generality of the provisions of Section 14 hereof the Lessee shall display in such areas of the premises as shall be designated by the Port Authority only such signs and advertising relating to the sale of lottery tickets issued by the Lottery Division of the New York State Department of Taxation and Finance as may be supplied or approved in advance by the Port Authority. In addition to all other rights of termination contained in this Agreement, the Port Authority shall have the right at any time, on not less than thirty (30) days' written notice to the Lessee to withdraw the permission

herein granted for the sale or dispensing of lottery tickets and in such event the Lessee shall discontinue the sale or dispensing of lottery tickets on or before the effective date stated in the Port Authority's written notice to the Lessee.

Section 53. Affirmative Action

Without limiting any of the terms and conditions of this Agreement, the Lessee agrees, and agrees to require its contractors, to make every good faith effort, to the maximum extent feasible, to seek meaningful participation by minorities and women both as to Minority Business Enterprise (MBE) and Women-owned Business Enterprise (WBE) participation as contractors and subcontractors and as to the composition of the labor force on contracts and subcontracts entered into with respect to any construction work performed on the premises. The Port Authority has a long-standing practice of making its contracting opportunities available to MBEs and WBEs. The affirmative steps the Port Authority takes to maximize opportunities for MBEs and WBEs to participate in the performance of Port Authority construction contracts either directly or as subcontractors are hereby set forth for the Lessee's consideration in the schedule attached hereto, hereby made a part of this Agreement, and marked "Schedule E".

Section 54. Changes, Additions and Deletions to This Agreement

Prior to the execution of this Agreement by either of the parties hereto, the following changes, additions and deletions were made in the foregoing terms and conditions:

(a) Paragraphs (c) and (d) of Section 12 were deleted and the following paragraph (c) was inserted in lieu thereof:

"(c) The Lessee shall not sell any items hereunder at a price other than the pre-printed manufacturer's or distributor's recommended retail price, or the price stated in the schedule hereto attached, hereby made a part hereof and marked "Schedule B", provided, however, that if the price charged for the same item at any other establishment located at a transportation terminal within the Port of New York District which has any ownership, financial or management connection with the Lessee or any majority stockholder thereof is lower than the pre-printed manufacturer's or distributor's recommended retail price or the price stated in Schedule B, as the case may be, the Lessee shall notify the Port Authority in writing of that fact and shall charge only the lower price.

If the Lessee charges any price in excess of the prices described in this paragraph, the amount by which the actual price deviates from the approved price shall constitute an overcharge which will, upon demand of the Port Authority or the Lessee's customer, be promptly refunded to the customer. If the Lessee charges any price or applies any rate which is less than the prices or rates described in this paragraph the amount by which the actual price deviates from the approved price shall constitute an undercharge and an amount equivalent thereto shall be included in any gross receipts hereunder and the percentage rental, if any, shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Lessee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Lessee's obligations hereunder and the Port Authority shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Agreement. On each anniversary of the commencement date of the letting under this Agreement the Lessee may request an adjustment in the approved prices for the items described in Schedule B annexed to this Agreement for the period from such anniversary to the day preceding the following anniversary of the commencement date. The Port Authority may grant an increase in such prices if the Lessee can demonstrate to the satisfaction of the Port Authority that the requested adjustment and the amount thereof is comparable to and consistent with the prices and rates charged for such items at other transportation terminals located within the Port of New York District. At the request of the Port Authority the Lessee shall submit a representative schedule of charges and rates for such items then in effect at other transportation terminals located within the port of New York District. Notwithstanding the foregoing, and without otherwise limiting the generality thereof, the Lessee may request an adjustment in the approved prices for any of the items described in Schedule B annexed to this Agreement during the period prior to the first anniversary of the commencement date of the letting hereunder if such request is based solely on the changed wholesale cost of those items and is limited to the difference between the wholesale cost of those items on the commencement date of the letting and the actual wholesale cost of those items that will be incurred by the Lessee during such period. Any price adjustment requested by the Lessee pursuant to the provisions of this paragraph shall take effect, however, only upon the express written consent of the Port Authority. Nothing set forth in this paragraph shall be deemed to constitute an agreement on the part of the Port Authority to grant its consent or approval

to any requested price adjustment or to create an inference that the Port Authority will grant such consent or approval or that the Port Authority's discretion as to any such consents or approvals shall in any way be affected or impaired."

(b) Subparagraph (b)(2) of Section 24 hereof was deleted and the following subparagraph was inserted in lieu thereof:

"(2) On account of the Lessee's percentage rental obligation with respect to gross receipts under this Agreement, an amount equal to the excess over the Annual Fixed Rental Amount of the sum of the percentages stated in subparagraph (b) of Item 1 of Exhibit B applied respectively to the different types and amounts of gross receipts stated therein in accordance with the formula set forth in subparagraph (b) of said Item 1, which different types and amounts of gross receipts would have been received by the Lessee during the balance of the term if there had been no termination or cancellation (or re-entry, regaining, or resumption of possession); and for the purpose of calculation hereunder (i) the said different types and amounts of gross receipts shall be respectively derived by multiplying the number of days in the balance of the term originally fixed by the respective daily averages of the Lessee's said different types of gross receipts; (ii) the daily averages of the Lessee's said different types of gross receipts shall respectively be the Lessee's total actual gross receipts of each type during that part of the effective period of the letting (including all Annual Periods falling within the effective period) in which no abatement was in effect divided by the number of days included in such part of the effective period; (iii) the Annual Fixed Rental Amount for any period of less than a year shall be the product of the original Annual Fixed Rental Amount multiplied by a fraction the numerator of which shall be the number of days from the effective date of termination to the end of the Annual Period and the denominator shall be 365;"

(c) For the purposes of calculating the survival obligations of the Lessee on account of the Lessee's percentage rental obligation, the amount of fees or commissions received or receivable by the Lessee from the sale or dispensing of Lottery Tickets issued by the Lottery Division of the New York State Department of Taxation and Finance shall be projected in the same manner as the calculation of gross receipts provided for in subparagraph (b)(3) of Section 24.

(d) Section 33 was deleted in its entirety.

(e) The words "shall be made at the office of the Treasurer of the Port Authority, One World Trade Center, New York, New York 10048" appearing in the first and second lines of Section 37 shall be deemed deleted and the words "shall be mailed to the Port Authority of New York and New Jersey, P.O. Box 17309, Newark, New Jersey 07194" shall be deemed inserted in lieu thereof."

~~(f) In connection with the provisions of Section 20 hereof, the Lessee hereby certifies that its I.R.S. Taxpayer Identification Number is~~

It shall not be necessary to physically make the aforesaid changes additions and deletions in the aforesaid Sections of this Agreement.

TCL-8/8/73

SECTION 55 .Entire Agreement

This Agreement consists of the following: Pages 1 through 29 inclusive, and Exhibits A-1, A-2, A-3, A-4, A-5, A-6, and A-7, B and R, and Schedules A, B, B-1, B-2, B-3, B-4, B-5, B-6, B-7, B-8, B-9 and E
It constitutes the entire agreement of the parties on the subject matter hereof and may not be changed, modified, discharged or extended except by written instrument duly executed by the Port Authority and the Lessee. The Lessee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing in this Agreement.

~~In Witness Whereof:~~ the parties hereto have executed these presents as of the day and year first above written.

EXHIBIT B

Item 1: Rental Provisions

(a) Definitions:

(1) "Annual period" shall mean, as the context requires, the twelve-month period commencing with the Rental Payment Start Date established pursuant to the provisions of this Agreement and each of the twelve-month periods thereafter occurring during the term of the letting, provided, however, that if the Rental Payment Start Date occurs on a day which is other than the first day of a calendar month, the first annual period shall include the portion of the month in which the Rental Payment Start Date falls following such date plus the succeeding 12 calendar months and each such subsequent annual period shall commence on the anniversaries of the first day of the first full calendar month following the month in which the Rental Payment Start Date occurs.

(2) Annual Fixed Rental Amount shall mean the sum equivalent to the basic rental payable by the Lessee to the Port Authority in the first annual period pursuant to the provisions of this Agreement as such sum may be reduced by the operation of the abatement and/or proration provisions hereof.

(3) For the purposes of calculating the percentage rental due for any annual period which contains more or less than 365 days the Annual Fixed Rental Amount shall be prorated over the actual number of days contained in such annual period.

(4) "Rental Payment Start Date" shall mean the commencement date of the letting of the premises established pursuant to this Agreement.

(5) "Guaranteed minimum annual basic rental amount" shall mean for and during each annual period hereunder the greater of (i) the annual fixed rental amount established pursuant to the provisions of this Agreement, or (ii) the sum obtained by applying eighty percent (80%) to the total basic and percentage rental payable by the Lessee to the Port Authority in the immediately preceding annual period pursuant to the provisions of this Agreement, provided no abatement was in effect during the immediately preceding annual period. If an abatement was in effect during the immediately preceding annual period, then for the purpose of calculating the guaranteed minimum annual basic rental

amount the first preceding annual period in which no abatement was in effect shall be used.

Whenever reference is made to the guaranteed minimum annual basic rental amount, it shall mean the guaranteed minimum annual basic rental amount reduced by operation of the abatement and/or proration provisions hereof.

(b) Basic Rental

(i) During the first annual period the Lessee shall pay to the Port Authority a basic rental for the premises at the rate of Seven Hundred Thirty-three Thousand Eight Hundred Seventy-five Dollars and No Cents (\$733,875.00) per annum, payable in advance in monthly installments of Sixty-one Thousand One Hundred Fifty-six Dollars and Twenty-five Cents (\$61,156.25) on the Rental Payment Start Date and on the first day of each calendar month thereafter occurring during each annual period except that if the Rental Payment Start Date shall occur on a day other than the first day of a calendar month the installment of basic rental payable on the Rental Payment Start Date shall be an amount equal to the amount of the installment described in this paragraph multiplied by a fraction the numerator of which shall be the number of days from the Rental Payment Start Date to the last day of the calendar month in which the Rental Payment Start Date shall fall and the denominator of which shall be the number of days in that calendar month.

(2) Effective upon the commencement of the second annual period and during each annual period thereafter occurring during the term of the letting under this Agreement, the Lessee shall pay to the Port Authority a basic rental for the premises at a rate per annum equal to the guaranteed minimum annual basic rental amount established for each such annual period, payable in advance in monthly installments equal to 1/12th of the applicable basic rental on the first day of the second annual period and on the first day of each and every month thereafter occurring during each such annual period.

(3) If the letting hereunder is terminated effective on other than the last day of a month, the applicable basic rental payable for the premises for the portion of the month in which the effective date of termination shall occur during which the letting thereof remains effective shall be the amount of the applicable monthly installment of basic rental set forth in this paragraph prorated on a daily basis.

(4) If the expiration date of the term of the letting hereunder occurs on other than the last day of a month, the basic rental payable for the premises for the portion of the month in which the expiration date shall occur during which the letting thereof remains effective shall be the amount of the monthly installment of basic rental set forth in this paragraph prorated on a daily basis.

(c) Percentage Rental:

In addition to the basic rental payable hereunder, the Lessee shall pay to the Port Authority an annual percentage rental equivalent to the total of the following amounts:

(1) Twenty percent (20%) of all fees or commissions received or receivable by the Lessee during each annual period from the sale or dispensing of Lottery Tickets issued by the Lottery Division of the New York State Department of Taxation and Finance; and

(2) An amount equal to the excess over the Annual Fixed Rental Amount of nine and one-half (9.5%) percent of all other gross receipts of the Lessee arising from its operations in the premises during each annual period (including, without limitation, gross receipts arising from the sale of newspapers, magazines, periodicals, candies, gum, confections, cigarettes, cigars, tobacco and tobacco products, and postal cards, paperback books, soft drinks, ice-cream bars, and ice-cream cups).

The computation of percentage rental for each annual period, as hereinabove provided, or a portion of an annual period shall be individual to such annual period, or such portion of an annual period, and without relation to any other annual period, or any other portion of any annual period.

(c) Time of Payment of Percentage Rentals, Computations of Amounts and Accounting:

(1) The Lessee shall pay the percentage rental as follows: on the 20th day of the first month following the Rental Payment Start Date and on the 20th day of each and every month thereafter occurring during each annual period occurring during the term of the letting under this Agreement, including the month following the end of each annual period, the Lessee shall render to the Port Authority a sworn statement showing (i) the amount of

fees or commissions received or receivable by the Lessee during each annual period from the sale or dispensing of Lottery Tickets issued by the Lottery Division of the New York State Department of Taxation and Finance for the preceding month, and (ii) all its gross receipts for the preceding month, and also showing the cumulative amount of fees or commissions received or receivable by the Lessee during each annual period from the sale or dispensing of Lottery Tickets issued by the Lottery Division of the New York State Department of Taxation and Finance payable to the Lessee and the cumulative amount of gross receipts from the date of the commencement of the annual period for which the report is made through the last day of the preceding calendar month; the Lessee shall pay at the time of rendering the statement an amount equal to the percentage set forth in subparagraph (1) of paragraph (b) of this Item 1 applied to the amount of fees or commissions received or receivable by the Lessee from the sale or dispensing of Lottery Tickets issued by the Lottery Division of the New York State Department of Taxation and Finance for such month; in addition whenever any such statement shall show that percentage set forth in subparagraph (2) of paragraph (b) of this Item 1 applied to the cumulative amount of the Lessee's gross receipts from the date of the commencement of the annual period for which the report is made through the last day of the preceding calendar month is in excess of the Annual Fixed Rental Amount, the Lessee shall pay at the time of rendering such statement an amount equal to the excess of such sum over the Annual Fixed Rental Amount, and shall thereafter on the 20th day of each month during that annual period and the month following the end of that annual period pay an amount equal to the percentage set forth in subparagraph (2) of paragraph (b) of this Item 1 applied to the gross receipts arising during each subsequent month during that annual period in accordance with such subparagraph. At any time that the Annual Fixed Rental Amount is decreased by abatement as herein provided so that there is an excess of gross receipts as to which percentage rental has not been paid, such rental shall be payable to the Port Authority on demand.

(2) Upon any termination of the letting under this Agreement (even if stated to have the same affect as expiration), the Lessee shall, within twenty (20) days after the effective date of such termination, make a payment of rental computed as follows: first, if the term of the letting under this Agreement is terminated effective on a date other than the last day of a month, the basic rental for the portion of the month in which the effective date of termination occurs during which the letting remains effective shall be the amount of the applicable monthly installment of basic rental prorated on a daily basis, and if the

applicable monthly installment due on the first day of that month has not been paid the Lessee shall pay the prorated part of the amount of that installment; if the monthly installment has been paid, then the excess thereof shall be credited to the Lessee's other obligations; second, the Lessee shall within twenty (20) days after the effective date of termination render to the Port Authority a sworn statement of all fees or commissions received or receivable by the Lessee from the sale or dispensing of Lottery Tickets issued by the Lottery Division of the New York State Department of Taxation and Finance for the annual period in which the effective date of termination happens to fall together with a sworn statement of all its gross receipts for the annual period in which the effective date of termination happens to fall; and third, the payment then due on account of all percentage rental for the annual period in which the effective date of termination falls shall be the excess of the percentage rental, computed as follows, over the total of such percentage rental payments previously made for such annual period: an amount equal to the percentage set forth in subparagraph (1) of paragraph (b) of this Item 1 applied to the amount of fees or commissions received or receivable by the Lessee from the sale or dispensing of Lottery Tickets issued by the Lottery Division of the New York State Department of Taxation and Finance for such annual period plus an amount equal to the excess over the Annual Fixed Rental Amount of the percentage set forth in subparagraph (2) of paragraph (b) of this Item 1 applied to the gross receipts of the Lessee for such annual period in accordance with the formula set forth therein, provided, however, that the Annual Fixed Rental Amount for such annual period shall be prorated by multiplying the Annual Fixed Rental Amount set forth in this Agreement by a fraction, the numerator of which shall be the number of days from the commencement of such annual period to the effective date of termination and denominator of which shall be 365.

(d) Abatement:

(1) For every calendar day or major fraction thereof that the Lessee shall be entitled to abatement during the first annual period the basic rental shall be reduced by the product of Two Thousand Ten Dollars and Sixty-one Cents (\$2,010.61) multiplied by a fraction the numerator of which shall be the number of square feet of floor space as to which the abatement applies and the denominator of which shall be the total number of square feet in the premises.

(2) For every calendar day or major fraction thereof that the Lessee shall be entitled to abatement during the second annual period and during each annual period thereafter occurring during the term of the letting under this Agreement the basic rental established for the period the abatement is in effect shall be abated by the same percentage that the part of the premises the use of which is denied the Lessee is of the total area of the premises.

(3) During any annual period in which the Lessee shall be entitled to abatement, the Annual Fixed Rental Amount shall be reduced proportionately to the reduction of the basic rental.

(4) For the purpose of abatement, the ascertainment of the number of square feet contained in the premises to be measured shall be in accordance with the following: Areas of the premises and parts thereof will be computed by measuring from the inside plaster surface of outer building walls to the plaster surface of the corridor side of corridor partitions and to the center of partitions that separate the premises from adjoining rentable area; no deduction will be made for columns, pilaster, or projections necessary to the building or for toilets, porter's closets, and slop sinks used exclusively by the Lessee and contained within the premises. Permanent partitions enclosing elevator shafts, stairs, fire towers, vents, pipe shafts, meter closets, flues, stacks and any vertical shafts have the same relation to rentable areas as do outer building walls.

(e) Nothing contained in the foregoing shall affect the survival of the obligations of the Lessee as set forth in Section 24 of this Agreement.

Item 2: Liability Insurance Limits:

(a) The limits of liability insurance referred to in Section 11(b) shall be not less than the following and shall include full contractual liability coverage:

Comprehensive general liability insurance, covering bodily injury, including wrongful death products liability, and property-damage liability in the minimum amount of \$2,000,000 combined single limit per occurrence.

(b) Notwithstanding the provisions of Section 11(c) the Port Authority shall be included as an additional insured in any

policy of liability insurance required by the provisions of this Agreement and each such policy of insurance so required shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

(c) The policy of comprehensive general liability insurance required by the provisions of this Agreement shall provide or contain an endorsement providing that the protections afforded the Lessee thereunder with respect to any claim or action against the Lessee by a third person shall pertain and apply with like effect with respect to any claims or action against the Lessee by the Port Authority and against the Port Authority by the Lessee, but such endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured.

Item 3: (a) Heat and Air Cooling:

(1) During the period from October 1, through April 30 in each year, during such days and hours as the Lessee conducts its business, the Port Authority shall supply without additional charge, heat to the Lessee sufficient to maintain the premises to an even and comfortable temperature. During the period from May 1, through September 30, in each year, during such days and hours as the Lessee conducts its business the Port Authority shall sell, furnish and supply to the Lessee chilled water at such temperature and with such other characteristics as may be determined by the Port Authority for use by the Lessee in such air conditioning systems as are installed in the premises. The Lessee shall be solely responsible for the distributing, handling and circulating of air conditioning within the premises. The Port Authority shall have no responsibility for the air conditioning of the premises or the maintenance of any specified temperature or comfort level therein. The Lessee shall be solely responsible for maintaining and repairing the systems and equipment installed in the premises for ventilating and air cooling the premises. The chilled water referred to above shall be paid for by the Lessee at an annual rate which shall be equal to Three Dollars and Sixty-Seven Cents (\$3.67) multiplied by the number of rentable square feet in the premises and which shall be payable in advance in equal monthly installments

at the same time, in the same manner and collectible with like remedies as if such payments and the monthly installments thereof were payments of basic rental under this Agreement. The charge for chilled water shall be subject to increase as provided in paragraph (g) of this Item 3. For the purposes of this Section the number of rentable square feet in the premises is 1,043 rentable square feet.

(2) If the Lessee, in accordance with the Sections of this Agreement entitled "Construction by the Lessee" or "Finishes to be Provided by the Lessee", or otherwise, erects any partitions or makes any improvements which stop, hinder, obstruct or interfere with the heating of the premises or the cooling of the air, or if the Lessee shall fail to close and keep closed the window coverings when the sun is shining on the windows of the premises, then no such action by the Lessee shall impose any obligations on the Port Authority to increase or augment the existing or presently contemplated supply of heat or air cooling and the Lessee shall not in any such event be relieved of any of its obligations hereunder. No consent or approvals given by the Port Authority in connection with the erection of partitions, the making of any improvements or the installation of any heating or air conditioning systems shall be or be deemed to be a representation that the work consented to or approved will not stop, hinder, obstruct or interfere with either the cooling of the air or heating of the premises or any portion thereof or that any system is sufficient or adequate for heating or air cooling of the premises. It is hereby understood further that the installation by the Lessee of any equipment which itself requires air cooling or which requires additional quantities of air cooling at the portion of the premises where such equipment is installed, or the concentration in any portion of the premises of such a number of people so as to require additional quantities of air cooling, shall not impose any obligation on the Port Authority to increase the capacity or output of initially existing facilities, equipment or fixtures for the supply of air cooling and the Lessee shall not in any such event be relieved of any of its obligations hereunder.

The Lessee shall not waste or dissipate heating nor draw any of the same into the premises from public areas contiguous thereto. Without otherwise affecting the Port Authority's rights or remedies in the event of any breach by the Lessee of its obligations under this Agreement, the Port Authority shall have the right to discontinue or reduce the said supply of steam during any period of such waste, dissipation or improper drawing and any failure of the Port Authority to supply any such

service under such conditions shall not affect any of the Lessee's obligations under this Agreement.

(b) Electricity:

300 ampere, 120/208V, 3 phase, 4 wire electric service, to be metered by the Port Authority and to be paid for by the Lessee at the greater of: (1) the rates (including the fuel or other adjustment factor if any) which the Lessee at the time of such purchase and under the service classification then applicable to it would have to pay for the same quantity of electricity to be used for the same purposes under the same conditions if it received the electricity directly from the public utility supplying the same to commercial buildings in the vicinity, or (2) the Port Authority's cost of obtaining and supplying the same quantity of electricity. Notwithstanding that the Port Authority has agreed to supply electricity to the Lessee, the Port Authority shall be under no obligation to provide or continue such service if the Port Authority is prevented by law, agreement or otherwise from metering as hereinabove set forth or elects not to so meter the same, then in any such event the Lessee shall make all arrangements and conversions necessary to obtain electricity directly from the public utility. Also in such event the Lessee shall perform the construction necessary for conversion and if any lines or equipment of the Port Authority are with the consent of the Port Authority used therefor the Port Authority may make an appropriate charge therefor to the Lessee based on its costs and expenses for the said lines and equipment.

(c) Domestic Cold Water: Not to be sold, furnished, or supplied by the Port Authority.

(d) Domestic Hot Water: Not to be sold, furnished, or supplied by the Port Authority.

(e) Steam: Not to be sold, furnished, or supplied by the Port Authority.

(f) Gas: Not to be sold, furnished, or supplied by the Port Authority.

(g) As used in this subparagraph:

(i) "Index" shall mean the Revised Consumer Price Index for All Urban Consumers - New York-Northern New Jersey-Long Island, NY-NJ-CT (All Items, Unadjusted 1967=100) published

by the Bureau of Labor Statistics of the United States Department of Labor.

(ii) "Base Period" shall mean the month of January 1, 1990.

(iii) "Adjustment Period" shall mean as the context requires the month of December, in the calendar year 1990 and the month of December in each calendar year thereafter occurring during the term of the letting under this Agreement as the same may hereafter be amended or extended.

(iv) "Anniversary Date" shall mean January 1, 1991 and each anniversary of such date occurring during the term of the letting under this Agreement as the same may hereafter be amended or extended.

(v) "Percentage increase" shall mean the percentage of increase in the Index on each Anniversary Date equal to a fraction the numerator of which shall be the Index for the Adjustment Period immediately preceding such Anniversary Date less the Index for the Base Period and the denominator of which shall be the Index for the Base Period.

The charge for chilled water set forth in subparagraph (a) (1) of this Item 3, shall be increased on each Anniversary Date occurring during the term of the letting under this Agreement as the same may hereafter be amended or extended by an amount equal to the product obtained by multiplying such charge by the Percentage Increase for such Anniversary Date, and such increased charge shall be payable by the Lessee during the twelve month period commencing with such Anniversary Date and continuing through to the following Anniversary Date in lieu of the charge set forth in subparagraph (a) (1) of this Item 3. There shall be no reduction in the charge for chilled water payable for any period in the event of any reduction in the Index.

In the event any Index to be used in computing an adjustment in the charge for chilled water referred to in subparagraph (a) (1) of this Item 3 is not available on the effective date of such adjustment, the Lessee shall continue to pay such charge at the annual rate then in effect subject to retroactive adjustment at such time as the specified Index becomes available, provided, however, that the Port Authority may at its option substitute for such Index the Index for the latest available twelve-month period ending during the preceding calendar year to

constitute the specified Index. In the event the Index shall hereafter be converted to a different standard reference base or otherwise revised or the United States Department of Labor shall cease to publish the Index, then for the purposes hereof there shall be substituted for the Index such other index properly reflecting changes in the value of current United States money in a manner similar to that established in the Index used in the latest adjustment as the Port Authority may in its discretion determine.

If after a charge for chilled water shall have been fixed for any period, the Index used for computing such charge shall be changed or adjusted, then the charge for chilled water for that period shall be recomputed and from and after notification of the change or adjustment, the Lessee shall make payments based upon the recomputed charge and upon demand shall pay any excess in the charge for chilled water due for such period as recomputed over amounts theretofore actually paid on account of such charge for such period. If such change or adjustment results in a reduction in the charge due for any period prior to notification, the Port Authority will credit the Lessee with the difference between the charge as recomputed for that period and amounts actually paid on account of such charge.

Item 4: New Construction: Not Applicable.

Item 5: Construction Liability Insurance Limits: The limits of liability insurance shall be not less than the amounts specified in the Alteration Application referred to in Section 50 herein.

Item 6: Cost and Proration Thereof:

(a) To the extent permitted by sound accounting practice, the sum of the following items of cost incurred by the Lessee for such equipment and fixtures and the installation thereof and the making of such improvements as are necessary to initially equip and improve the premises for the Lessee's commencement of operations hereunder, all as mentioned in the Section of the Agreement entitled "Termination and Reimbursement," and to the extent that

such sum does not exceed One Million Three Hundred Fifty Thousand Dollars and No Cents (\$1,350,000.00) shall constitute the "cost" under the said Section and under subdivisions (b), (c), (d), (e), (f), and (g) hereof:

(1) Direct labor and material costs;

(2) Contract costs for purchases and installation excluding those of the types mentioned in the following subdivision (3);

(3) Engineering, architectural, planning, designing, financing, interest, insurance, and other overhead or carrying charges which are due for a period ending not later than the date of completion of installation of any such initial equipment, fixtures or improvements for which they are incurred, and not to exceed 20% of the total of the amounts covered by subdivisions (1) and (2) above.

(b) A statement of the cost detailing all the foregoing including copies of invoices and contracts and certified by a responsible officer of the Lessee shall be delivered by the Lessee to the Port Authority not later than ninety (90) days after the complete supplying and the making of all such initial improvements, and the Lessee shall permit the Port Authority, by its agents, employees and representatives, at all reasonable times prior to a final settlement or determination of cost, to examine and audit the records and books of account within the Port of New York District during such time.

(c) If the Lessee includes in cost any items as having been incurred but which, in the opinion of the Port Authority, if so incurred is not an item properly chargeable to cost under sound accounting practice, then the Port Authority within ninety (90) days after receipt of the said statement of cost as mentioned in subparagraph (b) above, shall give written notice to the Lessee stating its objection to any such item and the grounds therefor. If such notice is given and if the dispute is not settled within thirty (30) days by agreement between the parties, then such dispute shall be disposed of by arbitration in accordance with the then existing rules of the American Arbitration Association or any successor association. Costs of said arbitration shall be borne equally by the Port Authority and the Lessee.

(d) In any such arbitration as to whether any item included by the Lessee in its computation of cost has been incurred, the question to be submitted to the arbitrators for decision shall be as follows:

"Was all or any part of such cost incurred by the Lessee; and if part but not all of such cost was incurred, what was the amount which was so incurred?"

(e) In any such arbitration as to whether any item included by the Lessee in its computation of costs is properly chargeable thereunder under sound accounting practice, the question to be submitted to the arbitrators for decision shall be as follows:

"Can it reasonably be held that all or any part of such cost is properly chargeable under sound accounting practice; and if part but not all of such cost can reasonably be held to be chargeable, then what amount can reasonably be held to be so chargeable?"

The arbitrators to whom such questions shall be submitted shall be accountants or auditors.

(f) The proration of cost as referred to in the Section of the Agreement entitled "Thirty Day Termination" shall be ascertained by multiplying the cost by a fraction, the numerator of which shall be the number of whole calendar months (in the term of the letting as originally set forth) subsequent to the effective date of termination, and the denominator of which shall be the total number of months in the term of the letting as originally set forth.

(g) Notwithstanding any other provision of the Section of the Agreement entitled "Thirty Day Termination" in ascertaining the amount that the Port Authority shall be obligated to pay to the Lessee under said Section, the cost computed as heretofore stated in this Item shall be diminished by the amount that any part of the components of cost as stated in subdivisions (1), (2), and (3) of subparagraph (a) above are secured by liens, mortgages, other encumbrances or conditional bills of sale on such equipment, fixtures and improvements, and less any other amounts whatsoever due under this Agreement from the Lessee to the Port Authority. In no event whatsoever shall cost, as defined and computed in accordance with this Item and as used in the Section of the Agreement entitled "Termination and Reimbursement" and in this Item, include any expenses, outlays or charges whatsoever by or for the account of the Lessee for or in connection with any equipment

or fixtures or the making of any improvement mentioned in said Section or in this Item unless said equipment, fixtures and/or improvements are actually and completely installed in and/or made to the premises.

Item 7: Cash Security: Not Applicable

Item 8: Performance Bond: Not Applicable

SCHEDULE E

For purposes hereof, Minority Business Enterprise (MBE) shall mean any business enterprise which is at least fifty-one percentum owned by one or more citizens or permanent resident aliens who are minorities and such ownership is real, substantial and continuing, or in the case of a publicly owned business, at least fifty-one percentum of the stock of which is owned by citizens or permanent resident aliens who are minorities and such ownership is real, substantial and continuing. As used herein minority shall mean an individual member of any of the following racial groups

- (i) Black (all persons having origins in any of the Black African racial groups not of Hispanic origin;
- (ii) Hispanic (all persons of Mexican, Puerto Rican, Dominican, Cuban, Central or South American origin, regardless of race);
- (iii) Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asian, the Indian Subcontinent, or the Pacific Islands) which includes persons whose origins are from Japan, China, Taiwan, Korea, Vietnam, Laos, Cambodia, the Philippines, Samoa, Guam, the U.S. Trust Territories of the Pacific, the Northern Marianas, India, Pakistan, Bangladesh, and Sri Lanka; and
- (iv) American Indian or Alaskan Native (all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification) which includes persons who are American Indians, Eskimos, Aleuts, or Native Hawaiians.

For the purposes hereof, Women-owned Business Enterprise (WBE) shall mean any business enterprise which is at least fifty-one percentum owned by one or more women and such ownership is real, substantial and continuing, or in the case of a publicly owned business, at least fifty-one percentum of the stock of which is owned by one or more women and such ownership is real, substantial and continuing. "Meaningful participation" shall mean that at least twelve percent (12%) of the total dollar value of the contracts (including subcontracts) are for the participation of Minority Business Enterprises, and that at least five percent (5%) of the total dollar value of the contracts (including subcontracts) are for the participation of Women-owned Business Enterprises. Good faith efforts to include meaningful participation by MBEs and WBEs shall include at least the following:

(1) Dividing work into smaller portions where feasible.

(2) Actively and affirmatively soliciting bids and proposals for contracts or subcontracts to provide commodities and services from MBEs and WBEs including circulation of solicitations to minority and female contractor associations. The Lessee shall maintain records detailing the efforts it and its contractors have made to provide for meaningful MBE and WBE participation, including the names and addresses of all MBEs and WBEs contacted and, if any such MBE or WBE is not selected, the reason for such decision. The Lessee shall supply to the Port Authority such information, data, and documentation with respect to the efforts the Lessee has made to provide for meaningful MBE and WBE participation in contracts and subcontracts as the Port Authority may from time to time and at any time request.

(3) Providing prospective MBEs and WBEs with plans, specifications, and other necessary background materials with regard to prospective work available to MBEs and WBEs in sufficient time for review.

(4) Meeting regularly with representatives of the Port Authority to identify forthcoming business opportunities and suitable MBEs and WBEs, following up on specific recommendations made by such representatives, and utilizing the list of eligible MBEs and WBEs hereinafter described in this Schedule, maintained by the Port Authority, or seeking minorities and women from other sources for the purpose of soliciting contractors, subcontractors, and suppliers.

(5) Encouraging the formation of joint ventures, partnerships or other similar arrangements among contractors, where appropriate, to insure that the Lessee and its contractors will meet their obligations hereunder.

(6) Insuring that provision is made to provide progress payments to MBEs and WBEs on a timely basis, where appropriate.

(7) Not requiring bonds from and/or providing bonds and insurance for MBEs and WBEs, where appropriate.

The Port Authority has compiled a list, which may be supplemented and revised from time to time by the Port Authority, of the firms the Port Authority has determined satisfy the criteria for MBE and WBE certification. Such list shall be made available to the Lessee and its contractors upon request. The Port Authority makes no representation as to the financial responsibility of such firms, their technical competence to perform, or any other performance-related qualifications. Only listed MBEs and WBEs and such firms as are not so listed but as are certified by the Port Authority as MBEs and WBEs hereunder will count toward the MBE and WBE goals.

Certification of MBE's and WBEs hereunder shall be made by the Office of Business and Job Opportunity of the Port Authority. If the Contractor wishes to utilize a firm not so listed but which the Contractor believes should be certified because it is an MBE or WBE the Contractor shall submit to the Port Authority a written request for a determination that the proposed firm is eligible for certification. This shall be done by completing and forwarding such form as may be required by the Port Authority from time to time. All such requests shall be in writing addressed to Mr. John Alexander or other designee of the Office of Business and Job Opportunity, the Port Authority of New York and New Jersey, One World Trade Center, 37 South, New York, N.Y. 10048. If any such firm is determined eligible for certification it shall only be by a writing over the name of the Director in charge of such Office. The determination of the Port Authority shall be final and binding on the Contractor. For inquiries or assistance, please contact Mr. John Alexander at (212) 432-4188.

The following organizations may be able to refer the Contractor to firms which the referring organization has a reasonable basis to believe may meet the Port Authority's criteria for certification as an MBE or WBE. Any referrals which are not listed shall be submitted to the Port Authority for a determination as to eligibility as provided above.

In the event that the participation of any MBE or WBE selected by the Lessee or any of its contractors to participate in any contracts or subcontracts entered into with respect to any construction work performed on the premises, is cancelled or terminated for any reason, the Lessee agrees and agrees to require its contractors to make every good faith effort, to the

maximum extent feasible, and consistent with the Lessee's exercise of good business judgment, including, without limitation, the consideration of cost competitiveness, to utilize other MBEs and WBEs so as to maintain appropriate participation by MBEs and WBEs in such contracts.

Labor Force Utilization

Without limiting the the provisions of paragraphs (a) and (b) of this Section, and without limiting any of the other terms and conditions of this Agreement, the Lessee agrees and agrees to require its construction and maintenance contractors and subcontractors at each tier of any construction undertaken pursuant to the provisions of this Agreement to make good faith efforts to achieve a supervisory and non-supervisory work force on each contract that is representative of the local community labor force with respect to minority and female participation and will work with the Port Authority's Office of Business and Job Opportunity to identify referral sources when needed. The Lessee will cooperate with the Port Authority to develop on the job training programs and will participate in apprenticeship and other training programs that expressly include minority and female workers. The Lessee agrees to require its contractors and subcontractors to participate in such programs and to make a good faith effort to utilize apprentices or other trainees in the work as appropriate. The Lessee agrees to and shall require its contractors and subcontractors to appoint an executive of their respective companies to assume the responsibility for the implementation of the contractors' good faith efforts to achieve minority and female participation in the work force under the contract.

The goals for minority and female participation, expressed in percentage terms for the aggregate workforce in each trade on all construction work are as follows:

Journey level trade workers

Minority participation: 30%

Female participation: 6.9%

Laborers and other unskilled workers

Minority participation: 40%

Female participation: 6.9%

These goals are applicable to all construction work performed in and for the premises. Compliance with the goals will be measured against the total work hours performed.

(d) The Lessee agrees to require its contractors and subcontractors to provide written notification to the Lessee and the Lessee agrees to provide written notification to the Office of Business and Job Opportunity of the Port Authority within 10 working days of award of any construction contract or subcontract in excess of \$10,000.00 at any tier for construction work. The notification shall list the name, address, telephone number and employer identification number of the contractor or subcontractor; and the estimated starting and completion dates of the contract or subcontract. As used herein, "Employer identification number" shall mean the Federal Social Security Number used on the Employer's Quarterly Federal Tax Return, U.S. Treasury Department Form 941. The term minority shall mean an individual member of any of the racial groups described in this Schedule.

(e) The Lessee agrees to require its contractors and subcontractors, at any tier, whenever they subcontract a portion of the construction work involving any construction trade, to physically include in each subcontract in excess of \$10,000 those provisions which include the applicable goals for minority and female participation.

(f) The Lessee agrees to require its contractors and subcontractors to implement the specific affirmative action standards provided in subparagraphs (1) through (16) of paragraph (i) hereof. The goals set forth above are expressed as percentages of the total hours of employment and training of minority and female utilization the Lessee's contractors and subcontractors should reasonably be able to achieve in each construction trade in which it has employees on the premises. The Lessee agrees and agrees to require its contractors and subcontractors to use good faith efforts to make substantially uniform progress toward its goals in each craft during the period specified.

(g) The Lessee agrees to provide in its construction contracts that neither the provisions of any collective bargaining agreement, nor the failure by a union with which the contractor has a collective bargaining agreement, to refer either minorities or women shall excuse the contractor's obligations thereunder.

(h) The Lessee further agrees to provide in its agreements with its contractors that in order for the nonworking training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees shall be employed by the contractor during the training period, and the contractor shall have made a commitment to employ the apprentices and trainees at the completion of their training, subject to the availability of employment opportunities. Trainees shall be trained pursuant to training programs approved by the U. S. Department of Labor.

(i) The Lessee agrees to require its contractors and subcontractors to take specific affirmative actions to ensure equal employment opportunity ("EEO"). The Lessee's evaluation of the contractor's compliance with these provisions shall be based upon the contractor's good faith effort to achieve maximum results from its actions. The Lessee agrees to require its contractors and subcontractors to document these efforts fully, and to implement affirmative action steps at least as extensive as the following:

(1) Ensure and maintain a working environment free of harassment, intimidation, and coercion at all portions of the premises at which the contractor's employees are assigned to work. The contractor, where possible, will assign two or more women to each phase of the construction project. The contractor shall specifically ensure that all foremen, superintendents, and other supervisory personnel at the premises are aware of and carry out the contractor's obligation to maintain such a working environment, with specific attention to minority or female individuals working at the premises.

(2) Establish and maintain a current list of minority and female recruitment sources, provide written notification to minority and female recruitment sources and to community organizations when the contractor or its unions have employment opportunities available, and maintain a record of the organizations' responses.

(3) Maintain a current file of the names, addresses and telephone numbers of each minority and female off-the-street applicant and minority or female referral from a union, a recruitment source or community organization and of what action was taken with respect to each such individual. If such individual was sent to the union hiring hall for referral and was not referred back to the contractor by the union or, if referred, not employed by the contractor, this shall be documented in the file with the reason therefor, along with whatever additional action the contractor may have taken.

(4) Provide immediate written notification to the Lessee when the union or unions with which the contractor has a collective bargaining agreement has not referred to the contractor a minority person or woman sent by the contractor, or when the contractor has other information that the union referral process has impeded the contractor's efforts to meet its obligations.

(5) Develop on-the-job training opportunities and/or participate in training programs for the area which expressly include minorities and women, including upgrading programs and apprenticeship and trainee

programs relevant to the contractor's employment needs, especially those programs funded or approved by the Department of Labor. The contractor shall provide notice of these programs to the sources compiled under subparagraph (2) above.

(6) Disseminate the contractor's EEO policy by providing notice of the policy to unions and training programs and requesting their cooperation in assisting the contractor in meeting its EEO obligations; by including it in any policy manual and collective bargaining agreement; by publicizing it in the contractor's newspaper, annual report, etc.; by specific review of the policy with all management personnel and with all minority and female employees at least once a year; and by posting the contractor's EEO policy on bulletin boards accessible to all employees at each location where the construction work is performed.

(7) Review, at least every six months, the contractor's EEO policy and affirmative action obligations hereunder with all employees having any responsibility for hiring, assignment, layoff, termination or other employment decisions including specific review of these items with on-area supervisory personnel such as Superintendents, General Foremen, etc., prior to the initiation of construction work at the premises. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed, and disposition of the subject matter.

(8) Disseminate the contractor's EEO policy externally by including it in any advertising in the news media, specifically including minority and female news media, and providing written notification to and discussing the contractor's EEO policy with other contractors and Subcontractors with whom the contractor does or anticipates doing business.

(9) Direct its recruitment efforts, both oral and written, to minority, female and community organizations, to schools with minority and female students, to minority and female recruitment and training organizations and to State certified minority referral agencies serving the contractor's recruitment area and employment needs. Not later than one month prior to the date for the acceptance of applications for apprenticeship or other training by any recruitment source, the contractor shall send written notification to organizations such as the above, describing the openings, screening procedures, and tests to be used in the selection process.

(10) Encourage present minority and female employees to recruit other minority persons and women and, where reasonable, provide after school, summer and vacation employment to minority and female youth both on the premises and in other areas of a contractor's workforce.

(11) Tests and other selection requirements shall comply with 41 CFR Part 60-3.

(12) Conduct, at least every six months, an inventory and evaluation of all minority and female personnel for promotional opportunities and encourage these employees to seek or to prepare for, through appropriate training, etc., such opportunities.

(13) Ensure that seniority practices, job classifications, work assignments and other personnel practices, do not have a discriminatory effect by continually monitoring all personnel and employment related activities to ensure that the EEO policy and the contractor's obligations hereunder are being carried out.

(14) Ensure that all facilities and company activities are nonsegregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure privacy between the sexes.

(15) Document and maintain a record of all solicitations of offers for subcontracts from minority and female construction contractors and suppliers, including circulation of solicitations to minority and female contractor associations and other business associations.

(16) Conduct a review, at least every six months, of all supervisors' adherence to and performance under the contractor's EEO policies and affirmative action obligations.

(j) The Lessee shall encourage its contractors to participate in voluntary associations which assist in fulfilling one or more of the affirmative action obligations set forth in subparagraphs (1)-(16) of paragraph (i) of this Section. The efforts of a contractor association, joint contractor-union, contractor-community, or other similar group of which the contractor is a member and participant, may be asserted as fulfilling any one or more of its obligations under paragraph (i) hereof provided that the contractor actively participates in the group, makes every effort to assure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the program are reflected in the contractor's minority and female workforce participation,

makes a good faith effort to meet its individual goals and timetables, and can provide access to documentation which demonstrates the effectiveness of actions taken on behalf of the contractor. The requirement for good faith efforts to comply, however, shall remain with the contractor and the Lessee shall provide in its agreements with the contractor that failure of such a group to fulfill an obligation shall not be a defense for the contractor's non-compliance.

(k) Goals for minorities and a separate single goal for women have been established. The Lessee, however, agrees to require its contractors and subcontractors to provide equal employment opportunity and to take affirmative action for all minority groups, both male and female, and all women, both minority and non-minority, and to provide that consequently, the contractor may be in violation of its agreement with the Lessee if a particular group is employed in a substantially disparate manner (for example, even though the contractor has achieved its goals for women generally, the contractor may be in violation if a specific minority group of women is under-utilized).

(l) The Lessee agrees to provide that the contractor shall not use the goals and timetables or affirmative action standards to discriminate against any person because of race, color, religion, sex, or national origin.

(m) The Lessee agrees that it will not enter into any contract with any person or firm debarred from Government contracts pursuant to Executive Order 11246, and agrees to require that its contractors and subcontractors not enter into any subcontract with any such person or firm.

(n) The Lessee agrees to carry out such sanctions and penalties for violation of these provisions including suspension, termination and cancellation of existing contracts and subcontracts as may be required and the Lessee further agrees to require its contractors and subcontractors to agree to carry out such sanctions and penalties for violation of these provisions including suspension, termination and cancellation of existing contracts and subcontracts as may be imposed or ordered by the Lessee.

(o) The Lessee agrees to require its contractors and subcontractors, in fulfilling their obligations to the Lessee, to implement specific affirmative action steps, at least as extensive as those standards prescribed in paragraph (i) hereof so as to achieve maximum results from their efforts to ensure equal employment opportunity. If the contractor fails to comply with such requirements, the Lessee shall proceed accordingly.

(p) The Lessee agrees to require its contractors and subcontractors to designate a responsible official to monitor all employment related activity to ensure that the company EEO policy is being carried out, to submit reports relating to the

contractor's EEO obligations as may be required, and to keep records. The Lessee agrees to provide that records shall at least include for each employee the name, address, telephone numbers, construction trade, union affiliation if any, employee identification number when assigned, social security number, race, sex, status (e.g. mechanic, apprentice, trainee, helper, or laborer), date of changes in status, hours worked per week in the indicated trade, rate of pay, and location at which the work was performed. The Lessee further agrees to provide that records shall be maintained in an easily understandable and retrievable form; however, to the degree that existing records satisfy this requirement, contractors need not be required to maintain separate records.

(q) Nothing herein provided shall be construed as a limitation upon the application of any laws which establish different standards of compliance or upon the application of requirements for the hiring of local or other area residents (e.g., those under the Public Works Employment Act of 1977 and the Community Development Block Grant Program).

(r) Without limiting any other term or provision of this Agreement, the Lessee agrees and agrees to require its contractors and subcontractors to cooperate with all federal, state, or local agencies established for the purpose of implementing affirmative action compliance programs and the Lessee agrees and agrees to require its contractors and subcontractors to comply with all procedures which may be agreed to by and between the Port Authority and the Lessee.

(s) In addition to and without limiting any of the terms and provisions of this Agreement, the Lessee agrees to provide in its contracts and all subcontracts covering construction work, or any portion thereof, that:

(i) The contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, and shall undertake or continue existing programs of affirmative action to ensure that minority group persons are afforded equal employment opportunity without discrimination. Such programs shall include, but not be limited to, recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, rates of pay or other forms of compensation, and selections for training or retraining, including apprenticeships and on-the-job training;

(ii) At the request of either the Port Authority or the Lessee, the contractor shall request such employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding and which is involved in the performance of the contract with the Lessee to furnish a written statement that such employment agency, labor union or representative shall not

discriminate because of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will cooperate in the implementation of the contractor's obligations hereunder;

(iii) The contractor will state, in all solicitations or advertisements for employees placed by or on behalf of the contractor in the performance of the contract, that all qualified applicants will be afforded equal employment opportunity without discrimination because of race, creed, color, national origin, sex, age, disability or marital status;

(iv) The contractor will include the provisions of subdivisions (i) through (iii) of this paragraph in every subcontract or purchase order in such a manner that such provisions will be binding upon each subcontractor or vendor as to its work in connection with the contract;

(v) "Contractor" as used in subdivisions (i) through (iv) of this paragraph shall include each contractor and subcontractor at any tier of construction.

**RULES AND REGULATIONS FOR
THE PORT AUTHORITY BUS TERMINAL**

PURPOSE

1. Purpose. These rules are established by the Port Authority of New York and New Jersey to facilitate the proper use of the Port Authority Bus Terminal and to protect the terminal and its patrons.

DEFINITIONS

2. Definitions. As used herein:

(a) Bus shall mean a self-propelled highway vehicle designed and constructed for the carriage of passengers for hire, employing as a source of motive power (either directly or by electrical transmission) a reciprocating internal-combustion or a turbine engine (not including a jet-propulsion engine) utilizing as fuel gasoline, diesel oil, or any other substance utilized by highway vehicles for fuel and permitted both by the laws of New York and by those of New Jersey then in effect and also under the then existing rules and regulations governing the use of the Lincoln Tunnel (and then only in strict compliance with the requirements of such laws, rules and regulations), and having Overall dimensions not in excess of the following: length, 60 feet; width, 102 inches; height, 11 feet six inches and having a maximum gross loaded weight not in excess of 42,000 (unladen weight) pounds avoirdupois, distributed to provide not more than 20,000 pounds per axle. Articulated buses up to 65 feet overall length shall, for the purposes of these regulations, be included in the definition.

(b) Carrier shall mean an operator of one or more vehicles for the transportation of passengers for hire.

(c) Driver shall mean the person who is in actual physical control of a vehicle.

(d) Express shall mean and include property other than baggage, mail, manifest baggage and newspapers, transported or to be transported by a carrier in accordance with its published tariffs, and shall be defined as defined in the published tariffs of any carrier, except that it shall not include acid, animals, articles packed in wet ice or water, dangerous articles, explosives, gases, inflammable materials, intoxicating beverages, jewelry, lottery tickets, materials having or capable of producing strong, offensive odors, meat, meat products, money, securities, watches, or wet batteries; provided, however, that by notice given within 60 days after the effective date of any reissue, revision or supplement of a tariff of any carrier, the Port Authority may exclude therefrom any

article, material or thing listed therein for the first time; and provided, further, that express shall not include any parcel or piece the overall dimensions of which are greater than 24 inches by 24 inches by 45 inches.

(e) Highway vehicle shall mean and include an automobile, a bus, a truck, a tractor equipped with rubber tires, a trailer, or a semi-trailer.

(f) I.C.C. regulations shall mean regulations of the Interstate Commerce Commission in effect on the effective date hereof issued under the authority of the Interstate Commerce Commission.

(g) Manifest baggage shall mean and include property checked through on the line of any carrier (or of a carrier connecting with any carrier) on a ticket or tickets for passenger transportation, in accordance with and as defined by local and joint baggage tariff 500-G of the Interstate Commerce Commission, issued June 15, 1949 and effective July 20, 1949, as the same may be hereafter supplemented or amended; provided, however, that by notice given to the carrier within 60 days of any supplement, revision or reissue of the tariff of such carrier, the Port Authority may exclude any article, material or thing therein listed for the first time.

(h) Parking shall mean the halting of a vehicle on a roadway or other area while not actually engaged in receiving or discharging passengers, except when halted in obedience to traffic regulations, signs or signals, and without regard to the presence or absence of the driver.

(i) Permission shall mean permission granted by the manager except where otherwise specifically provided.

(j) Person shall mean any individual, firm, partnership, corporation, or incorporated or unincorporated association, and shall include any assignee, receiver, trustee, executor, administrator or similar representative appointed by a court, and shall mean the United States of America or any department of the government thereof, any state or political subdivision thereof, or any foreign government or political subdivision thereof or the United Nations.

(k) Port Authority shall mean The Port Authority of New York and New Jersey.

(l) Port Authority rules and regulations shall mean the rules and regulations set forth in this Part and all amendments and supplements thereto.

(m) Published tariff; see tariff.

(n) Stand shall mean to halt a bus for the purpose of loading or unloading or for Waiting in position for loading or unloading.

(o) Manager of the terminal or manager shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the said manager by these rules and regulations, and shall mean the manager or acting manager of the terminal for the time being or his duly designated representative or representatives.

(p) Tariff or published tariff shall mean the schedule of rates, terms and conditions of transportation under which a carrier conducts its operation and which has been approved by the Interstate Commerce Commission or by other governmental regulatory body having jurisdiction over the operations of the carrier.

(q) Terminal shall mean the two buildings that represent the North and South Wing of the bus facility which are connected above and below West 41st Street. The South Wing shall mean the building on the block bounded by West 40th Street, Ninth Avenue, West 41st Street and Eighth Avenue in the borough of Manhattan, in the City, County and State of New York. The North Wing shall mean the building on a portion of the block bounded by East 42nd Street, Eighth Avenue, West 41st Street and the east face of the building at 330 West 42nd Street in the borough of Manhattan, in the City, County and State of New York. The terminal also includes the overhead viaducts from the South Wing to the west side of 9th Avenue as well as the tunnel leading from the North Wing to Dyer Avenue.

(r) Vehicle shall mean and include automobiles, trucks, buses, tractors, trailers, semi-trailers, horse-drawn carts or wagons and any other devices in or upon or by means of which any person or property is or may be transported, carried or drawn upon land only, except railroad rolling equipment or other devices designed to operate on stationary rails or tracks.

(s) Vehicular level shall mean and include any floor or story at the terminal designed for use by highway vehicles.

GENERAL

3. Permission to use terminal conditional. Any permission granted by the Port Authority directly or indirectly, expressly or by implication, to any person or persons to enter upon or use the terminal or any part thereof, is conditioned upon acceptance of and compliance with the Port Authority rules and regulations, as from time to time may be changed, and entry upon or into the terminal by any person shall be deemed to constitute an agreement by such person to comply with the said rules and regulations; provided, however, that such rules and regulations will not apply to premises or space occupied or used under the

provisions of a written agreement made with the Port Authority unless provision is made therein for the application of the said rules and regulations.

4. Use of terminal may be denied persons violating law or rules. The Manager of the terminal shall have authority to deny the use of the terminal to any individual violating Port Authority rules and regulations or laws, ordinances or regulations of the United States government, the State of New York, or the City of New York.

5. Permission to enter certain areas of the building.

- (a) Closed Areas - No person except person assigned to duty therein shall enter without permission any area of the terminal posted as being closed to Public.
- (b) Restricted Areas - No person shall enter without authorization any area of the terminal posted as restricted unless such person complies with such restriction.
- (c) Persons entering the terminal when not fully open for business - During such days and hours as the terminal is partially closed such as late hours of the night and early hours of the morning, any person shall, when entering, remaining, or leaving the terminal, if requested by a Port Authority representative, exhibit such authorization as prescribed by the manager.

6. Abandonment of property prohibited. No person shall abandon any property at the terminal.

7. Permission required to carry on commercial activity. No person shall carry on any commercial activity at the terminal without permission.

8. Gambling prohibited. No person shall gamble or conduct or engage in any game of chance at the terminal unless such game of chance is permitted by local state and federal law and has been approved by the manager.

9. Permission required to solicit funds or contributions. No person shall solicit funds or contributions for any purpose at the terminal without permission.

10. Permission required to post or distribute commercial signs, advertisements, etc. No person shall post, distribute or display commercial signs, advertisements, circulars or printed or written material within the terminal without permission. The manager of the terminal reserves the right to set standards for the location, appearance, size and content of

all signs, posters, notices, displays and advertisements and may prohibit installation of such or subsequent removal, if necessary.

11. **Lost Articles.** All persons finding lost articles at the terminal shall deliver them to the Parcel Check Room. Articles unclaimed by the owner or owners within three months after the finding thereof will be turned over to the finders, except when found by Port Authority employees on duty.

12. **Trash, garbage, waste, etc. to be deposited in receptacles provided therefor.** No persons shall throw, discharge or deposit trash, garbage, waste, oil or other petroleum products or any other waste material into or upon any portion of the terminal except by depositing such material in receptacles provided therefor. All such receptacles shall be subject to the approval of the manager.

13. **Defacing, damaging, etc. terminal or property therein prohibited.** No person shall deface, mark, break, or otherwise damage any part of the terminal, or any property thereat.

14. **Non-commercial distribution of leaflets, carrying of placards and holding of discussions restricted.**

(a) The non-commercial distribution of leaflets, the setting up of card tables to aid in that distribution, the carrying of placards and the holding of discussions with terminal patrons shall be permitted in the following manner at the locations on the subway mezzanine passageway, main floor, second floor and fourth floor and not within 10 feet of an escalator or elevator as designated on a diagram of the terminal on display in the manager's office and on file in the secretary's office. All areas shall be unavailable during major holiday periods, i.e., the periods commencing on the day preceding major holidays (e.g. Friday before Labor Day, day before Thanksgiving, the day before three-day weekends) through and including the concluding day of the holiday period. The manager may grant exception to this rule for holidays which do not give rise to three-day weekends and for which traffic forecasts indicate that traffic in the terminal shall not substantially exceed that which occurs on a normal day.

(1) Subway mezzanine passageway between North and South Wings. Five persons shall be permitted to distribute leaflets and/or carry placards and hold discussions in this area.

EXHIBIT R

(2) Main Floor

(i) Area A. Six persons shall be permitted to distribute leaflets, carry placards and hold discussions. Additionally, these persons may set up two card tables at the location in this area designated on the diagram of the terminal on display in the manager's office and on file in the secretary's office.

(ii) Area B. This area shall be available to eight persons for the distribution of leaflets, the carrying of placards and the holding of discussions. Additionally, these persons may set up two card tables in the location in this area designated on the diagram of the terminal displayed in the manager's office and on file in the secretary's office.

(3) Second Floor

(i) Area A. This area shall be available to six persons for the distribution of leaflets, the carrying of placards and the holding of discussions with patrons of the terminal at all times when the area is open to the general public, except when this area is being used as a passenger holding area.

(ii) Area B. Two persons may distribute leaflets and set up one card table to aid in this distribution in the location designated as area B on the diagram of the terminal displayed in the manager's office and on file in the secretary's office. Because of the small size of this area and its proximity to escalators, the area shall be unavailable to these persons for discussions with terminal patrons.

(iii) Area C.

(a) This area shall be available to three persons for the distribution of leaflets, the carrying of placards and the holding of discussions with terminal patrons. Additionally, one card table may be set up for the distribution of leaflets at the specified location within area C shown on the diagram displayed in the manager's office and on file in the secretary's office.

EXHIBIT R

(b) This area will be unavailable for these activities when being used as a passenger holding area.

4. Fourth Floor

(i) Area A. This area shall be available at all times to three persons for the distribution of leaflets, carrying of placards and the holding of discussions with terminal patrons. Additionally, one card table may be set up for the distribution of leaflets by these persons in the location designated on area A of the upper bus level shown on the diagram of the terminal displayed in the manager's office and on file in the secretary's office.

(ii) Area B. This area shall be available at all times to two persons for the distribution of leaflets, the carrying of placards and the holding of discussions with terminal patrons.

(b) In addition to the above, a total of 10 persons shall be permitted to walk on the concourses and walkways within the terminal which are open to the public, for the purpose of distributing noncommercial leaflets at all times, provided that such activities shall be subject to the limitations described above.

(c) (1) Any person or group who wishes to conduct any of the above activities at the locations specified shall apply to the manager on forms provided by him for this purpose. Application shall be made not less than 36 hours nor more than one week before commencement of the activities. The application shall set forth the type of activities to be conducted, the time, location and duration of the activities, and the name, address and telephone number of the person making the application (in case of a group it shall be sufficient to supply the name, address and telephone number of one person who can be contacted if problems arise concerning the grant of the application).

(2) The manager shall grant all such applications on a first come, first served basis so long as the number of persons, the activities and the time, duration and location applied for are in compliance with the provisions set forth in subdivision (a).

(3) The grant of the application by the manager shall be in the form of a permit which shall set forth the number of persons covered by the permit, the activities which are permitted, the permitted time and duration of those activities, and the location at which the activities may be conducted.

(4) The duration of each permit issued shall not be in excess of two weeks. Any person or group may renew a permit for successive two week periods. Renewal applications shall be made on the same form as new applications and shall be processed as if they were new applications.

(d) No signs, placards or other material shall be affixed to the bus terminal. No leaflets or other material shall be distributed by leaving them unattended throughout the terminal.

(e) The manager may refuse the grant of any permit or suspend any permit already granted in the event of emergencies, such as snowstorms, traffic accidents, power failures, transportation strikes or other conditions which render the traffic flow in any of the areas covered by the permit such that conduct of the activities would create a dangerous condition or substantially interfere with traffic in the terminal.

15. Creation of obnoxious odors, noxious gases, smoke or fumes prohibited. No person shall create, or permit any vehicle or machine of which he is in charge to create, obnoxious odors, noxious gases, smoke or fumes in the terminal. The creation of internal-combustion engine exhaust-fumes by vehicles in the terminal, so long as such vehicles are maintained and are being operated in a proper manner, shall not be an infraction of this section. No person shall spit, urinate or defecate on any part of the terminal other than in a urinal or toilet intended for that purpose.

16. Vehicular use of terminal restricted. No person shall travel, or remain on, or shall permit any vehicle of which he has charge to travel, or remain on, any portion of the terminal except upon the roadways, walks or other places or areas provided for the particular class of traffic. No person shall occupy or shall permit any vehicle of which he has charge to occupy the walks, roadways, entrances, exits, waiting rooms or other areas of the terminal in such a manner as to hinder or obstruct their use by others. Only parties authorized by the manager are permitted to operate vehicles on terminal premises; unauthorized vehicular operation on terminal premises may be considered trespass.

17. Loitering in or about terminal prohibited. No person shall loiter in or about the terminal or any part thereof.

18. Authorization required for sale of merchandise, solicitation of trade, entertainment of persons or solicitation of alms. No person, unless duly authorized by the Port Authority, shall, in or upon any area, platform, stairway, station, waiting room or any other appurtenance of the terminal:

- a) sell, offer for sale any article of merchandise; or
- b) solicit any business or trade, including the carrying of baggage for hire; the shining of shoes or boot blacking; or
- c) entertain any persons by singing, dancing or playing any musical instrument; or
- d) solicit alms

19. Persons unable to give satisfactory explanation of presence prohibited from loitering in terminal. No person, who is unable to give satisfactory explanation of his presence, shall loiter in or about any toilet, area, station, station platform, waiting room or any other appurtenance of the terminal. No person shall bathe, shower, shave, launder or change clothes or remain undressed in any public restroom, sink, washroom or any other area within the terminal.

20. Animals barred from terminal. No person except a police officer or another person authorized by the manager shall enter in the terminal with any animal except a "seeing eye" dog or an animal properly confined for shipment.

21. Passage through loading gates restricted. No person shall pass through the loading gates on any vehicular level except:

- a) persons employed by or doing business with a carrier whose duties require such passage;
- b) authorized representatives of the Port Authority;
- c) persons having permission; and
- d) passengers immediately prior to boarding. buses or immediately after leaving buses

22. Photography and filming in the terminal. No person may make drawings or take still photographs or action pictures for commercial use within the terminal without permission from the manager.

23. Alcoholic beverages. No person shall drink or carry any open alcoholic beverage in any public part of the terminal.

SAFETY

24. Permission required to bring into or carry firearms or other weapons in terminal; exceptions. No persons, except authorized law-enforcement officers, post-office, customs and express employees, licensed armed guards, employees of a carrier, and members of the armed services of the United States or of any State thereof on official duty, shall bring into or carry in the terminal any firearms or other weapons, without permission.

25. Permission required to bring into or carry explosives, acids, inflammables, compressed gases, etc. in terminal; exceptions. No person shall bring into or carry in the terminal any explosives, acids, inflammables, compressed gases or articles or materials having or capable of producing strong offensive odors, or articles or materials likely to endanger persons or property, except with permission. No person shall bring or cause to be brought into or kept in the terminal any signal flare or any container filled with or which has been emptied or partially emptied of oil, gas petroleum products, paint or varnish, except with permission. When permission is given to bring into or keep at the terminal any such articles or materials it shall be conditioned upon the use of appropriate receptacles in rooms or areas approved therefor by the manager. Bringing in or keeping at the terminal without special permission gasoline or other motor fuel contained in tanks permanently attached to vehicles and not contained under pressure shall not be an infraction of this regulation. Bringing into and keeping in the terminal without special permission kerosene signal flares in good condition, of the type required or permitted by Interstate Commerce Commission regulations and properly stowed in buses, shall not be an infraction of this regulation.

26. Permission required to use inflammable liquids for cleaning at terminal. No person shall use inflammable liquids for cleaning at the terminal without permission.

27. Smoking or carrying lighted cigars, cigarettes, pipes, etc. in certain areas of terminal prohibited. No person shall smoke or carry lighted cigars, cigarettes, pipes, matches or any naked flame in areas of the terminal where smoking is prohibited by the Port Authority.

28. Unauthorized interference with or use of terminal systems or equipment prohibited. No person shall do or permit to be done anything which may interfere with the effectiveness or accessibility of the fire protection system, sprinkler system, drainage system, alarm system, telephone system, public announcement and intercommunication system, plumbing system, air-conditioning system, ventilation system, fire hydrants, hoses,

68. Causing an elevator or escalator to stop. No unauthorized person shall cause an elevator or escalator to stop by means of any emergency stopping device unless continued operation would appear to result in probable injury to a person or persons. Any such stopping should be reported immediately to a terminal representative.

69. Truck loading docks. Truck loading docks located in the terminal are designed to accomplish the immediate transfer of merchandise between the freight elevators and trucks. All person will confine their use of docks to such purpose as directed by the manager. No storage or holding of merchandise on the truck loading docks awaiting the arrival of trucks or awaiting transfer to premises or space at the terminal will be permitted.

EXHIBIT R

article, material or thing listed therein for the first time; and provided, further, that express shall not include any parcel or piece the overall dimensions of which are greater than 24 inches by 24 inches by 45 inches.

(e) Highway vehicle shall mean and include an automobile, a bus, a truck, a tractor equipped with rubber tires, a trailer, or a semi-trailer.

(f) I.C.C. regulations shall mean regulations of the Interstate Commerce Commission in effect on the effective date hereof issued under the authority of the Interstate Commerce Commission.

(g) Manifest baggage shall mean and include property checked through on the line of any carrier (or of a carrier connecting with any carrier) on a ticket or tickets for passenger transportation, in accordance with and as defined by local and joint baggage tariff 500-G of the Interstate Commerce Commission, issued June 15, 1949 and effective July 20, 1949, as the same may be hereafter supplemented or amended; provided, however, that by notice given to the carrier within 60 days of any supplement, revision or reissue of the tariff of such carrier, the Port Authority may exclude any article, material or thing therein listed for the first time.

(h) Parking shall mean the halting of a vehicle on a roadway or other area while not actually engaged in receiving or discharging passengers, except when halted in obedience to traffic regulations, signs or signals, and without regard to the presence or absence of the driver.

(i) Permission shall mean permission granted by the manager except where otherwise specifically provided.

(j) Person shall mean any individual, firm, partnership, corporation, or incorporated or unincorporated association, and shall include any assignee, receiver, trustee, executor, administrator or similar representative appointed by a court, and shall mean the United States of America or any department of the government thereof, any state or political subdivision thereof, or any foreign government or political subdivision thereof or the United Nations.

(k) Port Authority shall mean The Port Authority of New York and New Jersey.

(l) Port Authority rules and regulations shall mean the rules and regulations set forth in this Part and all amendments and supplements thereto.

(m) Published tariff; see tariff.

**RULES AND REGULATIONS FOR
THE PORT AUTHORITY BUS TERMINAL**

PURPOSE

1. Purpose. These rules are established by the Port Authority of New York and New Jersey to facilitate the proper use of the Port Authority Bus Terminal and to protect the terminal and its patrons.

DEFINITIONS

2. Definitions. As used herein:

(a) Bus shall mean a self-propelled highway vehicle designed and constructed for the carriage of passengers for hire, employing as a source of motive power (either directly or by electrical transmission) a reciprocating internal-combustion or a turbine engine (not including a jet-propulsion engine) utilizing as fuel gasoline, diesel oil, or any other substance utilized by highway vehicles for fuel and permitted both by the laws of New York and by those of New Jersey then in effect and also under the then existing rules and regulations governing the use of the Lincoln Tunnel (and then only in strict compliance with the requirements of such laws, rules and regulations), and having Overall dimensions not in excess of the following: length, 60 feet; width, 102 inches; height, 11 feet six inches and having a maximum gross loaded weight not in excess of 42,000 (unladen weight) pounds avoirdupois, distributed to provide not more than 20,000 pounds per axle. Articulated buses up to 65 feet overall length shall, for the purposes of these regulations, be included in the definition.

(b) Carrier shall mean an operator of one or more vehicles for the transportation of passengers for hire.

(c) Driver shall mean the person who is in actual physical control of a vehicle.

(d) Express shall mean and include property other than baggage, mail, manifest baggage and newspapers, transported or to be transported by a carrier in accordance with its published tariffs, and shall be defined as defined in the published tariffs of any carrier, except that it shall not include acid, animals, articles packed in wet ice or water, dangerous articles, explosives, gases, inflammable materials, intoxicating beverages, jewelry, lottery tickets, materials having or capable of producing strong, offensive odors, meat, meat products, money, securities, watches, or wet batteries; provided, however, that by notice given within 60 days after the effective date of any reissue, revision or supplement of a tariff of any carrier, the Port Authority may exclude therefrom any

article, material or thing listed therein for the first time; and provided, further, that express shall not include any parcel or piece the overall dimensions of which are greater than 24 inches by 24 inches by 45 inches.

(e) Highway vehicle shall mean and include an automobile, a bus, a truck, a tractor equipped with rubber tires, a trailer, or a semi-trailer.

(f) I.C.C. regulations shall mean regulations of the Interstate Commerce Commission in effect on the effective date hereof issued under the authority of the Interstate Commerce Commission.

(g) Manifest baggage shall mean and include property checked through on the line of any carrier (or of a carrier connecting with any carrier) on a ticket or tickets for passenger transportation, in accordance with and as defined by local and joint baggage tariff 500-G of the Interstate Commerce Commission, issued June 15, 1949 and effective July 20, 1949, as the same may be hereafter supplemented or amended; provided, however, that by notice given to the carrier within 60 days of any supplement, revision or reissue of the tariff of such carrier, the Port Authority may exclude any article, material or thing therein listed for the first time.

(h) Parking shall mean the halting of a vehicle on a roadway or other area while not actually engaged in receiving or discharging passengers, except when halted in obedience to traffic regulations, signs or signals, and without regard to the presence or absence of the driver.

(i) Permission shall mean permission granted by the manager except where otherwise specifically provided.

(j) Person shall mean any individual, firm, partnership, corporation, or incorporated or unincorporated association, and shall include any assignee, receiver, trustee, executor, administrator or similar representative appointed by a court, and shall mean the United States of America or any department of the government thereof, any state or political subdivision thereof, or any foreign government or political subdivision thereof or the United Nations.

(k) Port Authority shall mean The Port Authority of New York and New Jersey.

(l) Port Authority rules and regulations shall mean the rules and regulations set forth in this Part and all amendments and supplements thereto.

(m) Published tariff; see tariff.

(n) Stand shall mean to halt a bus for the purpose of loading or unloading or for waiting in position for loading or unloading.

(o) Manager of the terminal or manager shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the said manager by these rules and regulations, and shall mean the manager or acting manager of the terminal for the time being or his duly designated representative or representatives.

(p) Tariff or published tariff shall mean the schedule of rates, terms and conditions of transportation under which a carrier conducts its operation and which has been approved by the Interstate Commerce Commission or by other governmental regulatory body having jurisdiction over the operations of the carrier.

(q) Terminal shall mean the two buildings that represent the North and South Wing of the bus facility which are connected above and below West 41st Street. The South Wing shall mean the building on the block bounded by West 40th Street, Ninth Avenue, West 41st Street and Eighth Avenue in the borough of Manhattan, in the City, County and State of New York. The North Wing shall mean the building on a portion of the block bounded by East 42nd Street, Eighth Avenue, West 41st Street and the east face of the building at 330 West 42nd Street in the borough of Manhattan, in the City, County and State of New York. The terminal also includes the overhead viaducts from the South Wing to the west side of 9th Avenue as well as the tunnel leading from the North Wing to Dyer Avenue.

(r) Vehicle shall mean and include automobiles, trucks, buses, tractors, trailers, semi-trailers, horse-drawn carts or wagons and any other devices in or upon or by means of which any person or property is or may be transported, carried or drawn upon land only, except railroad rolling equipment or other devices designed to operate on stationary rails or tracks.

(s) Vehicular level shall mean and include any floor or story at the terminal designed for use by highway vehicles.

GENERAL

3. Permission to use terminal conditional. Any permission granted by the Port Authority directly or indirectly, expressly or by implication, to any person or persons to enter upon or use the terminal or any part thereof, is conditioned upon acceptance of and compliance with the Port Authority rules and regulations, as from time to time may be changed, and entry upon or into the terminal by any person shall be deemed to constitute an agreement by such person to comply with the said rules and regulations; provided, however, that such rules and regulations will not apply to premises or space occupied or used under the

provisions of a written agreement made with the Port Authority unless provision is made therein for the application of the said rules and regulations.

4. Use of terminal may be denied persons violating law or rules. The Manager of the terminal shall have authority to deny the use of the terminal to any individual violating Port Authority rules and regulations or laws, ordinances or regulations of the United States government, the State of New York, or the City of New York.

5. Permission to enter certain areas of the building.

- (a) Closed Areas - No person except person assigned to duty therein shall enter without permission any area of the terminal posted as being closed to Public.
- (b) Restricted Areas - No person shall enter without authorization any area of the terminal posted as restricted unless such person complies with such restriction.
- (c) Persons entering the terminal when not fully open for business - During such days and hours as the terminal is partially closed such as late hours of the night and early hours of the morning, any person shall, when entering, remaining, or leaving the terminal, if requested by a Port Authority representative, exhibit such authorization as prescribed by the manager.

6. Abandonment of property prohibited. No person shall abandon any property at the terminal.

7. Permission required to carry on commercial activity. No person shall carry on any commercial activity at the terminal without permission.

8. Gambling prohibited. No person shall gamble or conduct or engage in any game of chance at the terminal unless such game of chance is permitted by local state and federal law and has been approved by the manager.

9. Permission required to solicit funds or contributions. No person shall solicit funds or contributions for any purpose at the terminal without permission.

10. Permission required to post or distribute commercial signs, advertisements, etc. No person shall post, distribute or display commercial signs, advertisements, circulars or printed or written material within the terminal without permission. The manager of the terminal reserves the right to set standards for the location, appearance, size and content of

all signs, posters, notices, displays and advertisements and may prohibit installation of such or subsequent removal, if necessary.

11. **Lost Articles.** All persons finding lost articles at the terminal shall deliver them to the Parcel Check Room. Articles unclaimed by the owner or owners within three months after the finding thereof will be turned over to the finders, except when found by Port Authority employees on duty.

12. **Trash, garbage, waste, etc. to be deposited in receptacles provided therefor.** No persons shall throw, discharge or deposit trash, garbage, waste, oil or other petroleum products or any other waste material into or upon any portion of the terminal except by depositing such material in receptacles provided therefor. All such receptacles shall be subject to the approval of the manager.

13. **Defacing, damaging, etc. terminal or property therein prohibited.** No person shall deface, mark, break, or otherwise damage any part of the terminal, or any property thereat.

14. **Non-commercial distribution of leaflets, carrying of placards and holding of discussions restricted.**

(a) The non-commercial distribution of leaflets, the setting up of card tables to aid in that distribution, the carrying of placards and the holding of discussions with terminal patrons shall be permitted in the following manner at the locations on the subway mezzanine passageway, main floor, second floor and fourth floor and not within 10 feet of an escalator or elevator as designated on a diagram of the terminal on display in the manager's office and on file in the secretary's office. All areas shall be unavailable during major holiday periods, i.e., the periods commencing on the day preceding major holidays (e.g. Friday before Labor Day, day before Thanksgiving, the day before three-day weekends) through and including the concluding day of the holiday period. The manager may grant exception to this rule for holidays which do not give rise to three-day weekends and for which traffic forecasts indicate that traffic in the terminal shall not substantially exceed that which occurs on a normal day.

(1) Subway mezzanine passageway between North and South Wings. Five persons shall be permitted to distribute leaflets and/or carry placards and hold discussions in this area.

EXHIBIT R

(2) Main Floor

(i) Area A. Six persons shall be permitted to distribute leaflets, carry placards and hold discussions. Additionally, these persons may set up two card tables at the location in this area designated on the diagram of the terminal on display in the manager's office and on file in the secretary's office.

(ii) Area B. This area shall be available to eight persons for the distribution of leaflets, the carrying of placards and the holding of discussions. Additionally, these persons may set up two card tables in the location in this area designated on the diagram of the terminal displayed in the manager's office and on file in the secretary's office.

(3) Second Floor

(i) Area A. This area shall be available to six persons for the distribution of leaflets, the carrying of placards and the holding of discussions with patrons of the terminal at all times when the area is open to the general public, except when this area is being used as a passenger holding area.

(ii) Area B. Two persons may distribute leaflets and set up one card table to aid in this distribution in the location designated as area B on the diagram of the terminal displayed in the manager's office and on file in the secretary's office. Because of the small size of this area and its proximity to escalators, the area shall be unavailable to these persons for discussions with terminal patrons.

(iii) Area C.

(a) This area shall be available to three persons for the distribution of leaflets, the carrying of placards and the holding of discussions with terminal patrons. Additionally, one card table may be set up for the distribution of leaflets at the specified location within area C shown on the diagram displayed in the manager's office and on file in the secretary's office.

EXHIBIT R

- (b) This area will be unavailable for these activities when being used as a passenger holding area.

4. Fourth Floor

(i) Area A. This area shall be available at all times to three persons for the distribution of leaflets, carrying of placards and the holding of discussions with terminal patrons. Additionally, one card table may be set up for the distribution of leaflets by these persons in the location designated on area A of the upper bus level shown on the diagram of the terminal displayed in the manager's office and on file in the secretary's office.

(ii) Area B. This area shall be available at all times to two persons for the distribution of leaflets, the carrying of placards and the holding of discussions with terminal patrons.

- (b) In addition to the above, a total of 10 persons shall be permitted to walk on the concourses and walkways within the terminal which are open to the public, for the purpose of distributing noncommercial leaflets at all times, provided that such activities shall be subject to the limitations described above.
- (c) (1) Any person or group who wishes to conduct any of the above activities at the locations specified shall apply to the manager on forms provided by him for this purpose. Application shall be made not less than 36 hours nor more than one week before commencement of the activities. The application shall set forth the type of activities to be conducted, the time, location and duration of the activities, and the name, address and telephone number of the person making the application (in case of a group it shall be sufficient to supply the name, address and telephone number of one person who can be contacted if problems arise concerning the grant of the application).
- (2) The manager shall grant all such applications on a first come, first served basis so long as the number of persons, the activities and the time, duration and location applied for are in compliance with the provisions set forth in subdivision (a).

(3) The grant of the application by the manager shall be in the form of a permit which shall set forth the number of persons covered by the permit, the activities which are permitted, the permitted time and duration of those activities, and the location at which the activities may be conducted.

(4) The duration of each permit issued shall not be in excess of two weeks. Any person or group may renew a permit for successive two week periods. Renewal applications shall be made on the same form as new applications and shall be processed as if they were new applications.

(d) No signs, placards or other material shall be affixed to the bus terminal. No leaflets or other material shall be distributed by leaving them unattended throughout the terminal.

(e) The manager may refuse the grant of any permit or suspend any permit already granted in the event of emergencies, such as snowstorms, traffic accidents, power failures, transportation strikes or other conditions which render the traffic flow in any of the areas covered by the permit such that conduct of the activities would create a dangerous condition or substantially interfere with traffic in the terminal.

15. Creation of obnoxious odors, noxious gases, smoke or fumes prohibited. No person shall create, or permit any vehicle or machine of which he is in charge to create, obnoxious odors, noxious gases, smoke or fumes in the terminal. The creation of internal-combustion engine exhaust-fumes by vehicles in the terminal, so long as such vehicles are maintained and are being operated in a proper manner, shall not be an infraction of this section. No person shall spit, urinate or defecate on any part of the terminal other than in a urinal or toilet intended for that purpose.

16. Vehicular use of terminal restricted. No person shall travel, or remain on, or shall permit any vehicle of which he has charge to travel, or remain on, any portion of the terminal except upon the roadways, walks or other places or areas provided for the particular class of traffic. No person shall occupy or shall permit any vehicle of which he has charge to occupy the walks, roadways, entrances, exits, waiting rooms or other areas of the terminal in such a manner as to hinder or obstruct their use by others. Only parties authorized by the manager are permitted to operate vehicles on terminal premises; unauthorized vehicular operation on terminal premises may be considered trespass.

17. Loitering in or about terminal prohibited. No person shall loiter in or about the terminal or any part thereof.

18. Authorization required for sale of merchandise, solicitation of trade, entertainment of persons or solicitation of alms. No person, unless duly authorized by the Port Authority, shall, in or upon any area, platform, stairway, station, waiting room or any other appurtenance of the terminal:

- a) sell, offer for sale any article of merchandise; or
- b) solicit any business or trade, including the carrying of baggage for hire; the shining of shoes or boot blacking; or
- c) entertain any persons by singing, dancing or playing any musical instrument; or
- d) solicit alms

19. Persons unable to give satisfactory explanation of presence prohibited from loitering in terminal. No person, who is unable to give satisfactory explanation of his presence, shall loiter in or about any toilet, area, station, station platform, waiting room or any other appurtenance of the terminal. No person shall bathe, shower, shave, launder or change clothes or remain undressed in any public restroom, sink, washroom or any other area within the terminal.

20. Animals barred from terminal. No person except a police officer or another person authorized by the manager shall enter in the terminal with any animal except a "seeing eye" dog or an animal properly confined for shipment.

21. Passage through loading gates restricted. No person shall pass through the loading gates on any vehicular level except:

- a) persons employed by or doing business with a carrier whose duties require such passage;
- b) authorized representatives of the Port Authority;
- c) persons having permission; and
- d) passengers immediately prior to boarding. buses or immediately after leaving buses

22. Photography and filming in the terminal. No person may make drawings or take still photographs or action pictures for commercial use within the terminal without permission from the manager.

23. Alcoholic beverages. No person shall drink or carry any open alcoholic beverage in any public part of the terminal.

SAFETY

24. Permission required to bring into or carry firearms or other weapons in terminal; exceptions. No persons, except authorized law-enforcement officers, post-office, customs and express employees, licensed armed guards, employees of a carrier, and members of the armed services of the United States or of any State thereof on official duty, shall bring into or carry in the terminal any firearms or other weapons, without permission.

25. Permission required to bring into or carry explosives, acids, inflammables, compressed gases, etc. in terminal; exceptions. No person shall bring into or carry in the terminal any explosives, acids, inflammables, compressed gases or articles or materials having or capable of producing strong offensive odors, or articles or materials likely to endanger persons or property, except with permission. No person shall bring or cause to be brought into or kept in the terminal any signal flare or any container filled with or which has been emptied or partially emptied of oil, gas petroleum products, paint or varnish, except with permission. When permission is given to bring into or keep at the terminal any such articles or materials it shall be conditioned upon the use of appropriate receptacles in rooms or areas approved therefor by the manager. Bringing in or keeping at the terminal without special permission gasoline or other motor fuel contained in tanks permanently attached to vehicles and not contained under pressure shall not be an infraction of this regulation. Bringing into and keeping in the terminal without special permission kerosene signal flares in good condition, of the type required or permitted by Interstate Commerce Commission regulations and properly stowed in buses, shall not be an infraction of this regulation.

26. Permission required to use inflammable liquids for cleaning at terminal. No person shall use inflammable liquids for cleaning at the terminal without permission.

27. Smoking or carrying lighted cigars, cigarettes, pipes, etc. in certain areas of terminal prohibited. No person shall smoke or carry lighted cigars, cigarettes, pipes, matches or any naked flame in areas of the terminal where smoking is prohibited by the Port Authority.

28. Unauthorized interference with or use of terminal systems or equipment prohibited. No person shall do or permit to be done anything which may interfere with the effectiveness or accessibility of the fire protection system, sprinkler system, drainage system, alarm system, telephone system, public announcement and intercommunication system, plumbing system, air-conditioning system, ventilation system, fire hydrants, hoses,

fire extinguishers, Port Authority towing equipment or other mechanical system, facility or equipment installed or located at the terminal including closed circuit television cameras and monitors, signs and notices; nor shall any person operate, adjust or otherwise handle or manipulate, without permission, any of the aforesaid systems or portions thereof, or any machinery, equipment or other devices installed or located at the terminal. Tags showing date of last inspection attached to units of fire extinguishing and fire fighting equipment shall not be removed therefrom. Nor shall any person plug a TV, radio or other electrical device into any outlet or connect any device to any utility at or in the terminal.

29. All persons required to exercise care to avoid or prevent injury to persons or damage to property. All persons at the terminal shall exercise the utmost care to avoid or prevent injury to persons or damage to property. Neither any inclusion in nor any omission from these rules and regulations set forth in this Part shall be construed to relieve any person from exercising the utmost care to avoid or prevent injury to persons or damage to property.

30. Permission and accompaniment by Port Authority employee required for entry into all designated Port Authority areas. No person shall enter any Port Authority area at the terminal except with permission and then only when accompanied by an employee of the Port Authority. This includes emergency stairwells except when an emergency conditions exists.

31. No sleeping in terminal. No person on or in the facility shall sleep, doze, lie, or sit down on the floors, hallways, platforms, stairs, landings or other places where such activity may be hazardous to such person or to others, or may interfere with the operation of the terminal's transportation system, pedestrian flow or comfort of its users or tenants.

32. No skateboarding, roller skating, or bicycle riding. No person shall skateboard, roller skate or ride a bicycle, scooter or any other self-propelled vehicle or device on or through any part of the terminal.

33. Noise. No person shall make, continue, cause or permit to be made or continued any unauthorized noise in the terminal.

34. Fire. No person shall cook, light a fire or otherwise create a fire in any part of the terminal.

35. Storage. No Person shall store bundles, paper, cloth, cardboard or any other material in solid, liquid or gas form that could in any way pose a fire or life safety hazard or obstruct or hinder passage without the approval of the manager.

36. No sound reproduction devices. Except with prior permission, no person shall operate or use any personal radio, television, phonograph, tape recorder or other sound reproduction device in the terminal in such a manner that the sound emanating from such sound reproduction device is audible to another person.

37. Use of lighting or sound reproduction equipment. No person shall without specific authorization from the manager operate or use or cause to be operated or use any lighting or sound reproduction device for commercial or business advertising purposes or for the purpose of attracting attention to any performance, show, sale or display of merchandise, or any commercial or business enterprise, in front or outside of any building, place or premises in the terminal.

38. Inspection of freight, articles and packages. The manager reserves the right to inspect all freight and other articles including hand-carried packages brought into or out of the Bus Terminal and to exclude therefrom all articles which violate any of these rules and regulations, and to require the occupants of space and others regularly doing business at the terminal to issue package passes (in such form as may be approved by the manager) for packages being carried to or from, or from one location to another within the terminal.

BAGGAGE AND EXPRESS

39. Leaking, loose, improperly packaged and marked baggage or express not accepted for handling. No piece of baggage or express will be accepted for handling at the terminal, if in a leaking or loose conditions. No piece of express will be accepted for handling if it is not properly packaged and parked.

40. Express, baggage or manifest baggage producing or capable of producing offensive odor or likely to cause damage or injury to persons or property not accepted for handling and subject to removal from terminal. No piece of express, baggage or manifest baggage will be accepted for handling at the terminal if it has or is capable of producing an offensive odor or is likely to damage other express or baggage or to endanger persons or property or to take any portion of the terminal untenable; and the same shall be subject to immediate removal by the Port Authority from the terminal or to another location or locations within the terminal, such removal to be at the risk and expense of the carrier involved.

41. Express, baggage and manifest baggage subject to I.C.C. regulations not handled unless in compliance with applicable provisions of such regulations. Express, baggage, and manifest baggage, subject to I.C.C. regulations, will not be handled at the terminal, unless it complies with the said regulations in every respect including without limiting the generality of such regulations proper condition for transportation, containers of adequate strength, packing, marking, labeling, description, certification, and quantity and

loading limitations.

VEHICLES

42. Vehicles not maintained, operated and registered in accordance with Port Authority rules and applicable laws, ordinances or regulations may be denied access to or removed from terminal. The manager of the terminal shall have authority to deny access to the terminal for any bus or other vehicle not maintained, operated and registered in accordance with these regulations, or which is otherwise in violation of the Port Authority Bus Terminal rules and regulations or the laws, ordinances or regulations of the United States government, the State of New York, or City of New York; and shall have authority to require removal of any such vehicle from the terminal on five minutes notice. In the event the vehicle is not so removed, the Port Authority may remove it under the provisions of section 59 herein.

43. Vehicles so loaded, constructed, operated, equipped or maintained as to endanger persons or property or obstruct traffic barred from terminal. No vehicle which is loaded in such a manner, or with such materials, or which is so constructed, operated, equipped or maintained as to endanger or to be likely to endanger persons or property, or to obstruct traffic, shall be permitted in or upon the terminal.

44. Vehicles having weights or dimensions in excess of described maxima or using prohibited fuels barred from terminal. No vehicle will be permitted in or upon the terminal which has a weight or dimensions larger than the maxima described herein for buses or which utilizes any fuel not permitted as a source of motive power for buses under the provisions of section 2 herein.

45. Vehicles lacking valid registration plate barred; exceptions. Except for vehicles owned by the government of the United States, and horse-drawn vehicles, no highway vehicle shall be permitted in the terminal unless a currently effective registration plate duly issued by appropriate governmental authority is attached thereto.

46. Persons driving highway vehicles within terminal required to be duly licensed to operate such vehicles. No person shall drive any highway vehicle (except a horse-drawn vehicle) in the terminal without a motor vehicle operator's or chauffeur's license issued by appropriate governmental authority permitting the driving by such person of the particular type of vehicle driven and valid within the State of New York.

47. Passenger boarding and discharge areas to be used so as to avoid blocking bus traffic. Except when standing a bus in space, the use of which has been licensed specifically to the operator of such bus by written agreement with the Port

Authority, drivers shall stand vehicles in the terminal only at space designated for such vehicles by the manager or other Port Authority representative. Where space is used in common by the buses of more than one carrier, such as on the unloading platforms, the drivers will cause their buses to stand in the most forward portion of such space available upon arrival and will continually move their buses forward, toward, and to the most forward vacant portion of the space. No buses shall discharge passengers on any active roadways including the viaducts leading to and from the terminal unless specifically directed by a terminal representative.

48. Procedure to be followed by driver in event of accident involving his vehicle. The driver of any vehicle involved in an accident resulting in injury or death to any person or damage to any property shall immediately stop such vehicle at the scene of the accident, render such assistance as may be needed, and give his name, address and driver's license, and the registration number of the vehicle to the person injured or to a Port Authority officer or representative. The driver, Operator, or owner of such vehicle shall make a report of such accident in accordance with the law of the State of New York.

49. Unauthorized tampering, starting, movement or interference with vehicles prohibited. No unauthorized person shall tamper with any vehicle, start the motor thereof, move the vehicle, or otherwise interfere with the operation thereof at the terminal.

50. Permission required to fuel, defuel, lubricate, clean or repair vehicles within terminal. No person shall fuel, defuel, lubricate, clean or repair a vehicle or any part thereof, at the terminal, without permission.

51. Vehicles entering terminal required to extinguish headlights. Every driver of a vehicle entering the terminal shall extinguish the headlights thereof and shall not relight them until leaving the terminal.

52. Prolonged sounding of vehicle horns prohibited. Prolonged sounding of the horns of vehicles in the terminal is forbidden.

53. Leaving vehicles unattended without turning off motor, locking vehicle and setting brakes prohibited. No person shall leave a vehicle unattended in the terminal without having first turned off its motor, locked all doors, and set its parking brakes.

54. Vehicles prohibited from remaining in terminal for more than 15 minutes. No vehicle shall remain in the terminal for longer than the time necessary for permitted operations in connection therewith, and, unless a shorter time limitation is elsewhere imposed, no vehicle shall remain in the terminal for

longer than 15 minutes unless at a designated gate or parking space and so as not to obstruct the operation of the terminal. The manager shall have authority to require, by five minutes' notice, which may be given orally to the driver, the removal from the terminal of any vehicle which shall have been standing or parked at the terminal for so long as 15 minutes; in the event the vehicle is not so removed, the Port Authority may remove it under the provisions of section 59 herein.

55. Operation of vehicles within terminal regulated. No person shall operate a vehicle in the terminal in a careless and negligent manner or in disregard of the right or safety of others, or without due caution, or at a speed in excess of speed limits posted in the area where the vehicle is being operated, or in any event at a speed in excess of 5 miles per hour, or at any speed or in any manner which endangers or is likely to endanger persons or property, or while under the influence of intoxicating liquor or any narcotic or habit-forming drug.

56. Compliance with authorized traffic orders, signals, signs or directions required. Drivers of vehicles in the terminal must at all times comply with any traffic order, signal or direction, given by voice or by hand, of an authorized representative of the Port Authority. When traffic is controlled by traffic lights or signs or by mechanical or electrical signals, such lights, signs and signals shall be obeyed unless an authorized representative of the Port Authority directs otherwise.

57. Drivers required to report arrival and departure and pay fees. Unless other applicable provision for reports is made in an agreement with a carrier, each driver of a bus of any carrier shall report to the Port Authority representative immediately upon arrival at the terminal, shall pay all fees required shall give information of the expected time of departure, and shall, immediately before departure, check out as directed by the Port Authority representative.

58. Disabled vehicles subject to removal. Unless other provisions for the removal of disabled vehicles has been made by agreement, the Port Authority shall have the right to require, by five minutes' notice which may be given orally to the driver, the removal from the terminal (or to a different location in the terminal), of any vehicle which has become disabled in the terminal. In the event such vehicle is not so removed, the Port Authority may remove it under the provisions of section 59 herein.

59. Removal of vehicles from terminal to be at owner's or operator's risk and expense. In the event the Port Authority is empowered to remove any bus or other vehicle from the terminal by any provision of the rules and regulations set forth in this Part, such removal shall be at the risk of the owner or operator of such vehicle, and the cost thereof shall be for the account of

such owner or operator and payable to the Port Authority on demand.

60. Time limit for engine idling. Every driver who causes a vehicle to park or stand in the terminal for three (3) or more minutes shall turn off its motor.

PARCEL CHECK ROOM

61. The Port Authority parcel check room will be operated as a public check room at which services will be provided to the public subject to regulations and fees established by the Executive Director or his representative.

PORTER SERVICE

62. The Port Authority of New York and New Jersey will furnish porter service to the public free of charge at the Port Authority bus terminal.

CHARTER BUS OPERATIONS

63. Use of terminal by charter buses permitted; restrictions; fees. Operators of charter bus transportation service between the City of New York and points outside the city who have not entered into agreements for space and services at the Port Authority bus terminal will be Permitted to use the enclosed vehicular levels of the terminal, such use to be limited to one-way and through operations originating at points outside New York City, and to round-trip operations, the initial portions of which originate at points outside New York City, the charge for each bus arrival or departure with passengers to be \$12.50.

PUBLIC VEHICULAR PARKING

64. The Port Authority public vehicular parking area. The Public vehicular parking area is operated and charges fees as established by the Executive Director of the Port Authority of New York and New Jersey or his designated representative.

ELEVATORS, ESCALATORS, AND LOADING DOCKS

65. Elevator Schedule. Elevators for passengers and freight handling service will be operated in accordance with a schedule established by the manager, unless the arrangements are made with the manager for operation at other times.

66. Prohibition. Passenger elevators and escalators may not be used to carry freight.

67. Controls. The use of any escalator, elevator, private right-of-way or truck loading dock at the terminal will be subject to the direct control of the manager.

fire extinguishers, Port Authority towing equipment or other mechanical system, facility or equipment installed or located at the terminal including closed circuit television cameras and monitors, signs and notices; nor shall any person operate, adjust or otherwise handle or manipulate, without permission, any of the aforesaid systems or portions thereof, or any machinery, equipment or other devices installed or located at the terminal. Tags showing date of last inspection attached to units of fire extinguishing and fire fighting equipment shall not be removed therefrom. Nor shall any person plug a TV, radio or other electrical device into any outlet or connect any device to any utility at or in the terminal.

29. All persons required to exercise care to avoid or prevent injury to persons or damage to property. All persons at the terminal shall exercise the utmost care to avoid or prevent injury to persons or damage to property. Neither any inclusion in nor any omission from these rules and regulations set forth in this Part shall be construed to relieve any person from exercising the utmost care to avoid or prevent injury to persons or damage to property.

30. Permission and accompaniment by Port Authority employee required for entry into all designated Port Authority areas. No person shall enter any Port Authority area at the terminal except with permission and then only when accompanied by an employee of the Port Authority. This includes emergency stairwells except when an emergency conditions exists.

31. No sleeping in terminal. No person on or in the facility shall sleep, dose, lie, or sit down on the floors, hallways, platforms, stairs, landings or other places where such activity may be hazardous to such person or to others, or may interfere with the operation of the terminal's transportation system, pedestrian flow or comfort of its users or tenants.

32. No skateboarding, rollerskating, or bicycle riding. No person shall skateboard, roller skate or ride a bicycle, scooter or any other self-propelled vehicle or device on or through any part of the terminal.

33. Noise. No person shall make, continue, cause or permit to be made or continued any unauthorized noise in the terminal.

34. Fire. No person shall cook, light a fire or otherwise create a fire in any part of the terminal.

35. Storage. No Person shall store bundles, paper, cloth, cardboard or any other material in solid, liquid or gas form that could in any way pose a fire or life safety hazard or obstruct or hinder passage without the approval of the manager.

36. No sound reproduction devices. Except with prior permission, no person shall operate or use any personal radio, television, phonograph, tape recorder or other sound reproduction device in the terminal in such a manner that the sound emanating from such sound reproduction device is audible to another person.

37. Use of lighting or sound reproduction equipment. No person shall without specific authorization from the manager operate or use or cause to be operated or use any lighting or sound reproduction device for commercial or business advertising purposes or for the purpose of attracting attention to any performance, show, sale or display of merchandise, or any commercial or business enterprise, in front or outside of any building, place or premises in the terminal.

38. Inspection of freight, articles and packages. The manager reserves the right to inspect all freight and other articles including hand-carried packages brought into or out of the Bus Terminal and to exclude therefrom all articles which violate any of these rules and regulations, and to require the occupants of space and others regularly doing business at the terminal to issue package passes (in such form as may be approved by the manager) for packages being carried to or from, or from one location to another within the terminal.

BAGGAGE AND EXPRESS

39. Leaking, loose, improperly packaged and marked baggage or express not accepted for handling. No piece of baggage or express will be accepted for handling at the terminal, if in a leaking or loose conditions. No piece of express will be accepted for handling if it is not properly packaged and parked.

40. Express, baggage or manifest baggage producing or capable of producing offensive odor or likely to cause damage or injury to persons or property not accepted for handling and subject to removal from terminal. No piece of express, baggage or manifest baggage will be accepted for handling at the terminal if it has or is capable of producing an offensive odor or is likely to damage other express or baggage or to endanger persons or property or to take any portion of the terminal untenable; and the same shall be subject to immediate removal by the Port Authority from the terminal or to another location or locations within the terminal, such removal to be at the risk and expense of the carrier involved.

41. Express, baggage and manifest baggage subject to I.C.C. regulations not handled unless in compliance with applicable provisions of such regulations. Express, baggage, and manifest baggage, subject to I.C.C. regulations, will not be handled at the terminal, unless it complies with the said regulations in every respect including without limiting the generality of such regulations proper condition for transportation, containers of adequate strength, packing, marking, labeling, description, certification, and quantity and

loading limitations.

VEHICLES

42. Vehicles not maintained, operated and registered in accordance with Port Authority rules and applicable laws, ordinances or regulations may be denied access to or removed from terminal. The manager of the terminal shall have authority to deny access to the terminal for any bus or other vehicle not maintained, operated and registered in accordance with these regulations, or which is otherwise in violation of the Port Authority Bus Terminal rules and regulations or the laws, ordinances or regulations of the United States government, the State of New York, or City of New York; and shall have authority to require removal of any such vehicle from the terminal on five minutes notice. In the event the vehicle is not so removed, the Port Authority may remove it under the provisions of section 59 herein.

43. Vehicles so loaded, constructed, operated, equipped or maintained as to endanger persons or property or obstruct traffic barred from terminal. No vehicle which is loaded in such a manner, or with such materials, or which is so constructed, operated, equipped or maintained as to endanger or to be likely to endanger persons or property, or to obstruct traffic, shall be permitted in or upon the terminal.

44. Vehicles having weights or dimensions in excess of described maxima or using prohibited fuels barred from terminal. No vehicle will be permitted in or upon the terminal which has a weight or dimensions larger than the maxima described herein for buses or which utilizes any fuel not permitted as a source of motive power for buses under the provisions of section 2 herein.

45. Vehicles lacking valid registration plate barred; exceptions. Except for vehicles owned by the government of the United States, and horse-drawn vehicles, no highway vehicle shall be permitted in the terminal unless a currently effective registration plate duly issued by appropriate governmental authority is attached thereto.

46. Persons driving highway vehicles within terminal required to be duly licensed to operate such vehicles. No person shall drive any highway vehicle (except a horse-drawn vehicle) in the terminal without a motor vehicle operator's or chauffeur's license issued by appropriate governmental authority permitting the driving by such person of the particular type of vehicle driven and valid within the State of New York.

47. Passenger boarding and discharge areas to be used so as to avoid blocking bus traffic. Except when standing a bus in space, the use of which has been licensed specifically to the operator of such bus by written agreement with the Port

Authority, drivers shall stand vehicles in the terminal only at space designated for such vehicles by the manager or other Port Authority representative. Where space is used in common by the buses of more than one carrier, such as on the unloading platforms, the drivers will cause their buses to stand in the most forward portion of such space available upon arrival and will continually move their buses forward, toward, and to the most forward vacant portion of the space. No buses shall discharge passengers on any active roadways including the viaducts leading to and from the terminal unless specifically directed by a terminal representative.

48. Procedure to be followed by driver in event of accident involving his vehicle. The driver of any vehicle involved in an accident resulting in injury or death to any person or damage to any property shall immediately stop such vehicle at the scene of the accident, render such assistance as may be needed, and give his name, address and driver's license, and the registration number of the vehicle to the person injured or to a Port Authority officer or representative. The driver, Operator, or owner of such vehicle shall make a report of such accident in accordance with the law of the State of New York.

49. Unauthorized tampering, starting, movement or interference with vehicles prohibited. No unauthorized person shall tamper with any vehicle, start the motor thereof, move the vehicle, or otherwise interfere with the operation thereof at the terminal.

50. Permission required to fuel, defuel, lubricate, clean or repair vehicles within terminal. No person shall fuel, defuel, lubricate, clean or repair a vehicle or any part thereof, at the terminal, without permission.

51. Vehicles entering terminal required to extinguish headlights. Every driver of a vehicle entering the terminal shall extinguish the headlights thereof and shall not relight them until leaving the terminal.

52. Prolonged sounding of vehicle horns prohibited. Prolonged sounding of the horns of vehicles in the terminal is forbidden.

53. Leaving vehicles unattended without turning off motor, locking vehicle and setting brakes prohibited. No person shall leave a vehicle unattended in the terminal without having first turned off its motor, locked all doors, and set its parking brakes.

54. Vehicles prohibited from remaining in terminal for more than 15 minutes. No vehicle shall remain in the terminal for longer than the time necessary for permitted operations in connection therewith, and, unless a shorter time limitation is elsewhere imposed, no vehicle shall remain in the terminal for

longer than 15 minutes unless at a designated gate or parking space and so as not to obstruct the operation of the terminal. The manager shall have authority to require, by five minutes' notice, which may be given orally to the driver, the removal from the terminal of any vehicle which shall have been standing or parked at the terminal for so long as 15 minutes; in the event the vehicle is not so removed, the Port Authority may remove it under the provisions of section 59 herein.

55. Operation of vehicles within terminal regulated. No person shall operate a vehicle in the terminal in a careless and negligent manner or in disregard of the right or safety of others, or without due caution, or at a speed in excess of speed limits posted in the area where the vehicle is being operated, or in any event at a speed in excess of 5 miles per hour, or at any speed or in any manner which endangers or is likely to endanger persons or property, or while under the influence of intoxicating liquor or any narcotic or habit-forming drug.

56. Compliance with authorized traffic orders, signals, signs or directions required. Drivers of vehicles in the terminal must at all times comply with any traffic order, signal or direction, given by voice or by hand, of an authorized representative of the Port Authority. When traffic is controlled by traffic lights or signs or by mechanical or electrical signals, such lights, signs and signals shall be obeyed unless an authorized representative of the Port Authority directs otherwise.

57. Drivers required to report arrival and departure and pay fees. Unless other applicable provision for reports is made in an agreement with a carrier, each driver of a bus of any carrier shall report to the Port Authority representative immediately upon arrival at the terminal, shall pay all fees required shall give information of the expected time of departure, and shall, immediately before departure, check out as directed by the Port Authority representative.

58. Disabled vehicles subject to removal. Unless other provisions for the removal of disabled vehicles has been made by agreement, the Port Authority shall have the right to require, by five minutes' notice which may be given orally to the driver, the removal from the terminal (or to a different location in the terminal), of any vehicle which has become disabled in the terminal. In the event such vehicle is not so removed, the Port Authority may remove it under the provisions of section 59 herein.

59. Removal of vehicles from terminal to be at owner's or operator's risk and expense. In the event the Port Authority is empowered to remove any bus or other vehicle from the terminal by any provision of the rules and regulations set forth in this Part, such removal shall be at the risk of the owner or operator of such vehicle, and the cost thereof shall be for the account of

such owner or operator and payable to the Port Authority on demand.

60. Time limit for engine idling. Every driver who causes a vehicle to park or stand in the terminal for three (3) or more minutes shall turn off its motor.

PARCEL CHECK ROOM

61. The Port Authority parcel check room will be operated as a public check room at which services will be provided to the public subject to regulations and fees established by the Executive Director or his representative.

PORTER SERVICE

62. The Port Authority of New York and New Jersey will furnish porter service to the public free of charge at the Port Authority bus terminal.

CHARTER BUS OPERATIONS

63. Use of terminal by charter buses permitted; restrictions; fees. Operators of charter bus transportation service between the City of New York and points outside the city who have not entered into agreements for space and services at the Port Authority bus terminal will be permitted to use the enclosed vehicular levels of the terminal, such use to be limited to one-way and through operations originating at points outside New York City, and to round-trip operations, the initial portions of which originate at points outside New York City, the charge for each bus arrival or departure with passengers to be \$12.50.

PUBLIC VEHICULAR PARKING

64. The Port Authority public vehicular parking area. The Public vehicular parking area is operated and charges fees as established by the Executive Director of the Port Authority of New York and New Jersey or his designated representative.

ELEVATORS, ESCALATORS, AND LOADING DOCKS

65. Elevator Schedule. Elevators for passengers and freight handling service will be operated in accordance with a schedule established by the manager, unless the arrangements are made with the manager for operation at other times.

66. Prohibition. Passenger elevators and escalators may not be used to carry freight.

67. Controls. The use of any escalator, elevator, private right-of-way or truck loading dock at the terminal will be subject to the direct control of the manager.

68. Causing an elevator or escalator to stop. No unauthorized person shall cause an elevator or escalator to stop by means of any emergency stopping device unless continued operation would appear to result in probable injury to a person or persons. Any such stopping should be reported immediately to a terminal representative.

69. Truck loading docks. Truck loading docks located in the terminal are designed to accomplish the immediate transfer of merchandise between the freight elevators and trucks. All person will confine their use of docks to such purpose as directed by the manager. No storage or holding of merchandise on the truck loading docks awaiting the arrival of trucks or awaiting transfer to premises or space at the terminal will be permitted.

Lease No. BT-527
Supplement No. 1

THIS AGREEMENT, made as of the 1st day of February, 1996, by and between THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY (hereinafter called "the Port Authority"), and HUDSON NEWS COMPANY (formerly known as Hudson County News Company and hereinafter called "the Lessee")

WITNESSETH, That:

WHEREAS, the Port Authority and the Lessee heretofore entered into an agreement of lease dated July 11, 1991 and identified by the above Port Authority Lease Number (which agreement of lease, as the same has been heretofore supplemented and amended, is hereinafter called "the Lease") covering premises at the Port Authority Bus Terminal, in the Borough of Manhattan, City, County and State of New York, as more particularly described in the Lease; and

WHEREAS, the Port Authority and the Lessee desire to add to the premises under the lease and to amend the terms of the Lease in certain other respects;

NOW, THEREFORE, for and in consideration of the covenants and mutual agreements herein contained, the Port Authority and the Lessee hereby agree as follows:

1. In addition to the premises heretofore let to the Lessee under the Lease as herein amended, the letting as to which shall continue in full force and effect subject to and in accordance with all the terms, provisions, covenants and conditions of the Lease as herein amended, the Port Authority hereby lets to the Lessee and the Lessee hereby hires and takes from the Port Authority at the Port Authority Bus Terminal, in the Borough of Manhattan, City, County and State of New York, the space on the Main Floor of the South Wing thereof as shown in diagonal hatching on the sketch annexed hereto, made a part of the Lease as herein amended and marked "Exhibit A-8", the space on the Third Floor of the ^{South} Wing thereof as shown in diagonal hatching on the sketch annexed hereto, made a part hereof and marked "Exhibit A-9", and the space on the Lower Level of the South Wing thereof as shown in diagonal hatching on the sketch annexed hereto, made a part hereof and marked "Exhibit A-10" together with the fixtures, improvements and other property of the Port Authority located or to be located therein or thereon, the space, fixtures improvements and other property of the Port Authority shown on Exhibit A-8 being hereinafter sometimes called "Area A-8", the space, fixtures improvements and other property of the Port Authority shown on Exhibit A-9 being hereinafter sometimes called "Area A-9", and the space, fixtures improvements and other property of the Port Authority shown on Exhibit A-10 being hereinafter sometimes called "Area A-10, and Area A-8, Area A-9, Area A-3, and Area A-10 being hereinafter collectively referred as the "Additional Premises", to be and become a part of the premises under the Lease as herein amended from and after 12:01

o'clock A.M. on February 1, 1996 (said date being sometimes hereinafter in this Agreement called "the Additional Commencement Date") let to the Lessee, subject to and in accordance with all of the terms, provisions and covenants of the Lease as herein amended for and during the remainder of the term of the letting under the Lease as herein amended, unless sooner terminated. The parties acknowledge that the Additional Premises, as well as the premises heretofore covered by the Lease, meaning the portion of the premises shown on Exhibit A-1 annexed to the Lease constitutes non-residential real property.

2. The Lessee shall use the Additional Premises solely for the purposes set forth in Section 3 of the Lease and for no other purpose or purposes whatsoever.

3. The Port Authority shall deliver the Additional Premises to the Lessee in its presently existing "as is" condition. The Lessee acknowledges that prior to the execution of this Agreement, it has thoroughly examined and inspected the Additional Premises and has found the Additional Premises in good order and repair and has determined the Additional Premises to be suitable for the Lessee's operations under the Lease as herein amended. The Lessee agrees to and shall take the Additional Premises in its "as is" condition and the Port Authority shall have no obligation under the Lease as herein amended for finishing work or preparation of any portion of the Additional Premises for the Lessee's use.

4. The Port Authority makes no representations or warranties as to the location, size, adequacy or suitability of any portion of the Additional Premises for the purposes contemplated in this paragraph. The Lessee agrees that it has not relied on any representations or statement of the Port Authority, its Commissioners, officers, employees or agents as to the condition or the suitability of the Additional Premises for the operations permitted thereon by the Lease as herein amended. Without limiting any obligation of the Lessee under the Lease as herein amended to commence operations in the Additional Premises at the time and in the manner stated elsewhere in this Agreement, the Lessee agrees that no portion of the Additional Premises will be used initially or at any time during the term of the letting thereof which is in a condition unsafe or improper for the conduct of the Lessee's operations therein under the Lease as herein amended so that there is possibility of injury or damage to life or property and the Lessee further agrees that before any use of the premises it will immediately correct any such unsafe or improper condition.

5. All gross receipts arising from the Lessee's operations in the Additional Premises under the Lease as herein amended shall be included in the gross receipts of the Lessee under the Lease and shall be subject to the percentage rental payment therein provided. The Lessee shall maintain records, as set forth in Section 5 of the Lease and elsewhere in the Lease, of all gross receipts arising out of the Lessee's operations in the Additional Premises under the Lease as herein amended, and the same shall be submitted to the Port Authority at the times specified in the Lease as herein amended.

6. (a) Subject to all the provisions of the Lease as herein amended, including, without limitation, the provisions of Section 14 (f), (g), (h), and (i), of the Lease, the Port Authority will furnish and deliver to the Lessee in the Additional Premises to the extent that the Lessee's consumption does not exceed the capacity of feeders, risers or wiring in the Additional Premises or the Facility, (which capacity shall be the Lessee's sole responsibility in designing and constructing distribution systems for the Additional Premises) electricity for the Lessee's operations in the Additional Premises. The Lessee shall pay for the electricity supplied to the Additional Premises pursuant to the provisions of this paragraph at the rates set forth in paragraph (b) of Item 3 of Exhibit B annexed to the Lease, and the provisions of paragraph (b) of Item 3 of Exhibit B annexed to the Lease, together with the provisions of paragraphs (f), (g), (h) and (i), of Section 14 of the Lease, shall apply with respect to the supply of electricity to the Additional Premises during the term of the letting thereof under the Lease as herein amended and during the term of the letting of the Additional Premises under the Lease as herein amended all reference in paragraph (b) of Item 3 of Exhibit b annexed to the Lease, and in paragraphs (f), (g), (h) and (i), of Section 14 of the Lease, to the "premises" shall be deemed to include the Additional Premises under the Lease as herein amended.

(b) Notwithstanding that the Port Authority has agreed to supply electricity to the Lessee in the Additional Premises, the Port Authority shall be under no obligation to provide or continue such service if the Port Authority is prevented by law, agreement or otherwise from metering or measuring consumption and demand as hereinabove set forth or elects not to so meter or measure such consumption and demand and in any such event the Lessee shall make all arrangements and conversions necessary to obtain electricity directly from the public utility. Also, in such event, the Lessee shall perform the construction necessary for conversion and if any lines or equipment of the Port Authority are with the consent of the Port Authority used therefor the Port Authority may make an appropriate charge therefor to the Lessee based on its costs and expenses for such lines and equipment.

(c) The supply of electricity to the Additional Premises shall be made by the Port Authority to the Lessee at such points as the Port Authority shall designate for connection of the systems to be installed by the Lessee in the Additional Premises to the Port Authority's lines and conduits and the Port Authority shall have no responsibility for the distribution of electrical current therein. If for any reason any meter fails to record the consumption of electricity in the Additional Premises, the consumption thereof during any such period that the meter is out of service will be considered to be the same as the consumption for a like period either immediately before or immediately after the interruption as selected by the Port Authority.

(d) Except as set forth herein, the Port Authority shall not furnish, sell, or supply any services or utilities to the Lessee in the Additional Premises.

7. (a) In addition to the right of termination provided for in Section 26 (a) of the Lease, which shall be applicable to the Additional Premises as well, the Port Authority shall have the right to separately terminate the letting as to the Additional Premises at any time, without cause, on thirty days notice to the Lessee. Such termination shall not relieve the Lessee of any

liabilities or obligations which shall have accrued on or prior to the effective date of termination or which shall mature on such date. In the event the term of the letting of the entire premises under the Lease as herein amended is terminated pursuant to Section 26 (a) thereof during the term of the letting of the Additional premises under the lease as herein amended, or in the event the term of the letting of the Additional Premises under the Lease as herein amended is separately terminated pursuant to the provisions of this paragraph, the term of the letting of the Additional Premises under the Lease as herein amended shall cease and expire as if the effective date of termination stated in the notice were the date originally stated herein for the expiration of the term of the letting as to the Additional Premises under the Lease as herein amended. The separate termination of the letting as to the Additional Premises pursuant to the provisions of this paragraph shall not affect the letting as to the balance of the premises under the Lease as herein amended and the letting as to the balance of the premises shall continue in full force and effect notwithstanding such termination.

(b) The provisions of paragraph (b) of Section 26 and the provisions of Item 6 of Exhibit B annexed to the Lease shall not be applicable to any improvements, fixtures, trade fixtures, equipment, or other personal property installed or placed in the Additional Premises by the Lessee in the event the letting of the entire premises is terminated pursuant to Section 26 (a) of the Lease during the term of the letting of the Additional Premises under the Lease as herein amended, or in the event the letting as to the Additional Premises is separately terminated pursuant to the provisions of this paragraph. Nothing contained herein shall be deemed to affect the Port Authority's reimbursement obligation pursuant to the provisions of Section 26 (a) of the Lease and Item 6 of Exhibit B annexed thereto with respect to the fixtures, equipment, improvements and other property installed in Areas A-1, A-2, A-3, A-4, A-5, A-6, and A-7.

8. As hereby amended all the terms, provisions, covenants, agreements and conditions of the Lease shall be and remain in full force and effect.

9. The Lessee represents and warrants that no broker has been concerned in the negotiation of this Supplemental Agreement and that there is no broker who is or may be entitled to be paid a commission in connection therewith. The Lessee shall indemnify and save harmless the Port Authority for and from all claims for commission or brokerage made by and all persons, firms or corporations whatsoever for services in connection with the negotiation and execution of this Supplemental Agreement.

10. Neither the Commissioners of the Port Authority nor any of them, nor any officer, agent or employee thereof shall be charged personally by the Lessee with any liability, or held liable to the Lessee under any term or provision of this Supplemental Agreement, or because of its execution or attempted execution or because of any breach, or attempted or alleged breach thereof.

11. This Supplemental Agreement, together with the Lease (to which it is supplementary constitutes the entire agreement between the Port Authority and the Lessee on the subject matter, and may not be changed, modified, discharged or extended except by instrument in writing duly executed on behalf of both the Port Authority and the Lessee. The Lessee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing in the Lease or in this Supplemental Agreement.

IN WITNESS WHEREOF, the Port Authority and the Lessee have executed these presents as of the date first above written.

SUPPLEMENTAL AGREEMENT

THIS AGREEMENT, dated as of the 20th day of May, 1997, by and between **THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY** (hereinafter called the "Port Authority") and **HUDSON NEWS COMPANY** (hereinafter called the "Lessee");

WITNESSETH, That:

WHEREAS, the Port Authority and the Lessee heretofore entered into an agreement of lease dated July 11, 1991 and identified by the above Port Authority Lease Number (which agreement of lease, as the same has been heretofore supplemented and amended, is hereinafter called the "Lease") covering premises at the Port Authority Bus Terminal, in the Borough of Manhattan, City, County and State of New York, as more particularly described in the Lease; and

WHEREAS, the Port Authority and the Lessee desire to extend the term of the letting under the Lease and to amend the same in certain other respects;

NOW, THEREFORE, for and in consideration of the covenants and mutual agreements herein contained, the Port Authority and the Lessee hereby agree as follows:

1. The term of the letting under the Lease is hereby extended for the period ending on the 14th day of October, 2001, unless sooner terminated, at the basic and percentage rental heretofore set forth in the Lease as herein amended, payable at the time and in the manner set forth therein.

2. From and after ~~May~~ ^{JUNE} 1, 1997, in addition to the rights of user set forth in the Lease, the Lessee shall use the premises for the sale at retail of such souvenir items as may be approved in advance in writing from time to time by the Port Authority. The Port Authority may at any time and from time to time on ten (10) days' notice to the Lessee withdraw its approval as to any previously approved souvenir item.

3. In addition to the basic rental and percentage rental payable under the Lease as herein amended, the Lessee shall pay to the Port Authority an annual percentage rental equivalent to twenty percent (20%) of all gross receipts arising from the sale of souvenir items pursuant to the provisions of paragraph 2 hereof. The amount of gross receipts from such sale of souvenir items shall be excluded from gross receipts for the purpose of calculating the percentage rental payable in accordance with the terms of subparagraph (2) of paragraph (c) of Item 1 of Exhibit B annexed to the Lease as herein amended. The Lessee shall maintain separate and distinct records, as set forth in Section 5 of the Lease and elsewhere in the Lease, of all gross receipts arising out of the sale of souvenir items under the Lease as herein amended and the same shall be submitted to the Port Authority at the times the Lessee's statements of gross receipts are submitted in accordance with the provisions of subparagraph (2) of paragraph (c) of Item 1 of Exhibit B annexed to the Lease as herein amended. The Lessee shall pay at the time of rendering the statement an amount equal to the percentage set forth in this paragraph applied to the gross receipts arising from the sale of

souvenir items under the Lease as herein amended. Upon any termination of the letting under the Lease as herein amended (even if stated to have the same affect as expiration), the Lessee shall, within twenty (20) days after the effective date of such termination, render to the Port Authority a statement showing the amount of gross receipts arising from the sale of souvenir items during the annual period in which the effective date of termination occurs and shall pay at the time of rendering the statement an amount equal to the percentage set forth in this paragraph applied to the gross receipts of the Lessee for such annual period which arise from the sale of souvenir items, less the total of percentage rental payments previously made for such annual period on account of the sale of souvenir items.

4. The Lessee represents and warrants that no broker has been concerned in the negotiation or execution of this Agreement or the extension of the term of the letting hereunder and that there is no broker who is or may be entitled to be paid a commission in connection therewith. The Lessee shall indemnify and save harmless the Port Authority of and from any and all claims for commission or brokerage made by any and all persons, firms or corporations whatsoever for services in connection with the negotiation and execution of this Agreement.

5. Neither the Commissioners of the Port Authority, nor any of them, nor any officer, agent or employee thereof, shall be charged personally by the Lessee with any liability, or held liable to it under any term or provision of this Agreement, or because of its execution or attempted execution or because of any breach thereof.

6. As hereby amended, all the terms, covenants, provisions, conditions and agreements of the Lease shall be and remain in full force and effect.

7. This Agreement and the Lease which it amends and supplements constitute the entire agreement between the Port Authority and the Lessee on the subject matter, and may not be changed, modified, discharged or extended except by instrument in writing duly executed on behalf of both the Port Authority and the Lessee. The Lessee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing in the Lease or this Agreement.

IN WITNESS WHEREOF, the Port Authority and the Lessee have executed these presents as of the date first above written.

SUPPLEMENTAL AGREEMENT

THIS AGREEMENT, dated as of the 31st day of January, 1998, by and between **THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY** (hereinafter called the "Port Authority") and **HUDSON NEWS COMPANY** (hereinafter called the "Lessee");

WITNESSETH, That:

WHEREAS, the Port Authority and the Lessee heretofore entered into an agreement of lease dated July 11, 1991 and identified by the above Port Authority Lease Number (which agreement of lease, as the same has been heretofore supplemented and amended, is hereinafter called the "Lease") covering premises at the Port Authority Bus Terminal, in the Borough of Manhattan, City, County and State of New York, as more particularly described in the Lease; and

WHEREAS, the Port Authority and the Lessee desire to add to the premises under the Lease and to amend the same in certain other respects;

NOW, THEREFORE, for and in consideration of the covenants and mutual agreements herein contained, the Port Authority and the Lessee hereby agree as follows:

1. In addition to the premises heretofore let to the Lessee under the Lease, the letting as to which shall continue in full force and effect subject to and in accordance with all the terms, provisions, covenants and conditions of the Lease as herein amended, the Port Authority hereby lets to the Lessee and the Lessee hereby hires and takes from the Port Authority at the Port Authority Bus Terminal the space shown in diagonal hatching on the sketch annexed hereto, hereby made a part hereof and marked "Exhibit A-11" together with the fixtures, improvements and other property, if any, of the Port Authority located or to be located therein or thereon, the said space, fixtures, improvements and other property (all of which is sometimes hereinafter in this Agreement collectively called "Area A-11") to be and become a part of the premises under the Lease, as herein amended, as of 12:01 o'clock a.m. on February 1, 1998 (said time and date sometimes hereinafter in this Agreement collectively called the "Area A-11 Commencement Date"), let to the Lessee subject to and in accordance with all the terms, provisions, covenants and conditions of the Lease, as herein amended, for a term then commencing and expiring, unless sooner terminated, on December 31, 1998. The Port Authority and the Lessee hereby acknowledge that Area A-11 constitutes non-residential real property.

2. The Lessee shall use Area A-11 for storage purposes in connection with the Lessee's operations being conducted elsewhere at the Facility in accordance with Section 3 of the Lease and for no other purpose or purposes whatsoever.

3. The Port Authority shall deliver Area A-11 in its presently existing "as is" condition. The Lessee acknowledges that it has inspected Area A-11 and agrees to take the same in its "as is" condition and the Port Authority shall have no obligation under the Lease as herein amended for finishing work or for preparation of Area A-11 for the Lessee's

use. The Lessee acknowledges that it has not relied upon any representation or statement of the Port Authority or of its Commissioners, officers, agents or employees as to the suitability of Area A-11 for the operations permitted thereon by the Lease as herein amended. Without limiting any obligation of the Lessee to commence operations in Area A-11 at the time and in the manner stated elsewhere in this Agreement, the Lessee agrees that no portion of Area A-11 will be used initially or at any time during the term of the letting thereof which is in a condition unsafe or improper for the conduct of the Lessee's operations therein under the Lease as herein amended so that there is possibility of injury or damage to life or property and the Lessee further agrees that before any use of Area A-11, it will immediately correct any such unsafe or improper condition.

4. The provisions of paragraphs (a), (b), (c), (d) and (e) of Section 14 of the Lease and the provisions of Item 3 of Exhibit B annexed to the Lease shall not apply to Area A-11. Subject to the provisions of paragraphs (f), (g), (h) and (i) of Section 14 of the Lease, the Port Authority shall, without additional charge, furnish to the Lessee in Area A-11 electricity for illumination only, by which is meant the energizing of fluorescent bulbs (to be supplied and installed by the Lessee) through existing wires, conduits and outlets, if any. Except as provided herein, the Port Authority shall not supply any services or utilities to the Lessee in Area A-11.

5. (a) In addition to the rental and fees heretofore payable under the Lease as herein amended, the Lessee shall pay to the Port Authority a basic rental for Area A-11 at the annual rate of Four Thousand Five Hundred Dollars and No Cents (\$4,500.00), payable in advance in monthly installments each in the amount of Three Hundred Seventy-five Dollars and No Cents (\$375.00) on February 1, 1998 and on the first day of each and every calendar month thereafter and continuing to the expiration date of the term of the letting of Area A-11 under this Agreement.

(b) Payment of the basic rental for Area A-11 set forth in this paragraph shall not affect or diminish the Lessee's obligation to pay the basic and percentage rental for the premises heretofore let to the Lessee under the Lease as herein amended nor shall the applicable annual fixed rental amount as defined therein be changed or affected thereby.

6. (a) For every calendar day or major fraction thereof that the Lessee shall be entitled to abatement with respect to Area A-11, the basic rental for Area A-11 shall be reduced by the product of Twelve Dollars and Thirty-three Cents (\$12.33) multiplied by a fraction, the numerator of which shall be the number of square feet of floor space as to which the abatement applies and the denominator of which shall be the total number of square feet in Area A-11.

(b) For the purpose of abatement with respect to Area A-11, the ascertainment of the number of square feet contained in Area A-11 shall be measured in accordance with the provisions of subparagraph (4) of paragraph (d) of Item 1 of Exhibit B annexed to the Lease.

7. In addition to all other rights of termination contained in the Lease, as herein amended, including, without limitation, the right of termination provided for in paragraph (a) of Section 26 of the Lease as herein amended, the Port Authority and the Lessee shall each have the respective right to separately terminate the letting as to Area A-11 at any time, without cause, on thirty (30) days' notice to the other party. Such termination shall not relieve the Lessee of any liabilities or obligations which shall have accrued on or prior to the effective date of termination or which shall mature on such date. In the event the term of the letting of the entire premises under the Lease as herein amended is terminated pursuant to paragraph (a) of Section 26 of the Lease as herein amended during the term of the letting of Area A-11 under the Lease as herein amended or in the event the term of the letting of Area A-11 under the Lease as herein amended is separately terminated pursuant to the provisions of this paragraph, the term of the letting of Area A-11 under the Lease shall cease and expire as if the effective date of termination stated in the notice were the date originally stated herein for the expiration of the term of the letting as to Area A-11 under the Lease. The separate termination of the letting as to Area A-11 pursuant to the provisions of this paragraph shall not affect the letting as to the balance of the premises under the Lease as herein amended and the letting as to the balance of the premises shall continue in full force and effect notwithstanding such termination. The Port Authority shall have no reimbursement obligation with respect to Area A-11 in the event the letting of the entire premises is terminated pursuant to paragraph (a) of Section 26 of the Lease during the term of the letting of Area A-11 under the Lease as herein amended or in the event the letting as to Area A-11 is separately terminated pursuant to the provisions of this paragraph. Nothing contained herein shall be deemed to affect the Port Authority's reimbursement obligation pursuant to the provisions of Item 6 of Exhibit B annexed to the Lease with respect to fixtures, equipment, improvements and other property installed in the balance of the premises under the Lease as herein amended in accordance with the terms of that agreement.

8. The Lessee represents and warrants that no broker has been concerned in the negotiation or execution of this Agreement or the letting of Area A-11 and that there is no broker who is or may be entitled to be paid a commission in connection therewith. The Lessee shall indemnify and save harmless the Port Authority of and from any and all claims for commission or brokerage made by any and all persons, firms or corporations whatsoever for services in connection with the negotiation and execution of this Agreement or the letting of Area A-11.

9. Neither the Commissioners of the Port Authority, nor any of them, nor any officer, agent or employee thereof, shall be charged personally by the Lessee with any liability, or held liable to it under any term or provision of this Agreement, or because of its execution or attempted execution or because of any breach thereof.

10. As hereby amended, all the terms, covenants, provisions, conditions and agreements of the Lease shall be and remain in full force and effect.

11. This Agreement and the Lease which it amends and supplements constitute the entire agreement between the Port Authority and the Lessee on the subject matter and may not be changed, modified, discharged or extended except by instrument in writing duly executed on behalf of both the Port Authority and the Lessee. The Lessee agrees that no

representations or warranties shall be binding upon the Port Authority unless expressed in writing in the Lease or this Agreement.

IN WITNESS WHEREOF, the Port Authority and the Lessee have executed these presents as of the date first above written.

Lease No. L-BT-527
Supplement No. 4

THIS AGREEMENT, made as of the 14th day of June, 1998, by and between THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY (hereinafter called the "Port Authority") and HUDSON NEWS COMPANY (hereinafter called "the Lessee")

WITNESSETH, That:

WHEREAS, the Port Authority and the Lessee heretofore entered into an agreement of lease dated July 11, 1991 and identified by the above Port Authority Lease Number (which agreement of lease, as the same has been heretofore supplemented and amended, is hereinafter called "the Lease") covering premises at the Port Authority Bus Terminal in the Borough of Manhattan, City, County and State of New York, as more particularly described in the Lease; and

WHEREAS, The Port Authority and the Lessee desire to add to the premises under the Lease, and to amend the terms of the Lease in certain other respects;

NOW, THEREFORE, for and in consideration of the covenants and mutual agreements herein contained, The Port Authority and the Lessee hereby agree as follows:

1. In addition to the premises heretofore let to the Lessee under the Lease as herein amended, the letting as to which shall continue in full force and effect subject to and in accordance with all the terms, provisions, covenants and conditions of the Lease as herein amended, the Port Authority hereby lets to the Lessee and the Lessee hereby hires and takes from the Port Authority at the Port Authority Bus Terminal, in the Borough of Manhattan, City, County and State of New York, the space on the Subway Level of the South Wing thereof shown in diagonal hatching on the sketch hereto attached, hereby made a part of the Lease as herein amended and marked "Exhibit A-13, together with the fixtures, improvements and other property, if any, of the Port Authority located or to be located therein or thereon (the space, fixtures, improvements and other property of the Port Authority shown on Exhibit A-13 being hereinafter collectively called "the Third Additional Premises") to be and become a part of the premises under the Lease as herein amended from and after 12:01 o'clock A.M. on June 15, 1998 (which date is sometimes hereinafter in this Agreement called "the Third Additional Premises Commencement Date") let to the Lessee, subject to and in accordance with all of the terms, provisions and covenants of the Lease as herein amended for and during the remainder of the term of the letting under the Lease as herein amended, unless sooner terminated. The parties acknowledge that the Third Additional Premises constitutes non-residential real property.

2. The Lessee shall use the Third Additional Premises solely for the purposes set forth in Section 3 of the Lease and for no other purpose or purposes whatsoever.

3. The Port Authority shall deliver the Third Additional Premises to the Lessee in its presently existing "as is" condition. The Lessee acknowledges that prior to the execution of this Agreement, it has thoroughly examined and inspected the Third Additional Premises and has found the Second Additional Premises in good order and repair and has determined the Third Additional Premises to be suitable for the Lessee's operations under the Lease as herein amended. The Lessee agrees to and shall take the Third Additional Premises in its "as is" condition and the Port Authority shall have no obligation under the Lease as herein amended for finishing work or preparation of any portion of the Third Additional Premises for the Lessee's use.

4. The Port Authority makes no representations or warranties as to the location, size, adequacy, or suitability of any portion of the Third Additional Premises for the purposes contemplated in the Lease as herein amended. The Lessee agrees that it has not relied upon any representation or statement of the Port Authority or its Commissioners, officers, employees or agents as to the condition or suitability of the Third Additional Premises for the operations permitted thereon by the Lease as herein amended. Without limiting any obligation of the Lessee under the Lease as herein amended to commence operations in the Third Additional Premises at the time and in the manner stated elsewhere in this Agreement, the Lessee agrees that no portion of the Third Additional Premises will be used initially or at any time during the term of the letting thereof which is in a condition unsafe or improper for the conduct of the Lessee's operations therein under the Lease as herein amended so that there is possibility of injury or damage to life or property and the Lessee further agrees that before any use of the Third Additional Premises it will immediately correct any such unsafe or improper condition.

5. (a) In addition to the basic rental payable for the premises under the Lease as herein amended, the Lessee shall pay a basic rental for the Third Additional Premises under the Lease as herein amended at the annual rate of Twenty-five Thousand Twenty Dollars and No Cents (\$25,020.00) payable in advance in monthly installments each in the amount of Two Thousand Eighty-five Dollars and No Cents (\$2,085.00), each on July 1, 1998 and on the first day of each calendar month thereafter occurring during the term of the letting of the Third Additional Premises under the Lease as herein amended. The installment of basic rental payable on the Third Additional Premises Commencement Date established under the Lease as herein amended shall be an amount equal to the amount of the installment described in this subparagraph multiplied by a fraction the numerator of which shall be the number of days from the Third Additional Premises Commencement Date established under the Lease as herein amended to the last day of the calendar month in which the Third Additional Premises Commencement Date established under the Lease as herein amended shall fall and the denominator of which shall be the number of days in that calendar month.

(b) For every calendar day or major fraction thereof that the Lessee shall be entitled to abatement with respect to the Third Additional Premises, the basic rental for the Third Additional Premises shall be reduced by the product of Sixty-eight Dollars and Fifty-four Cents (\$68.54) multiplied by a fraction the numerator of which shall be the number of square feet of floor space as to which the abatement applies and the denominator of which shall be the total number of square feet in the Third Additional Premises.

(c) During any annual period in which the Lessee shall be entitled to abatement with respect to the Third Additional Premises, the Third Additional Premises annual exemption amount, as hereinafter defined, established for such annual period shall be reduced proportionately to the reduction of the basic rental.

(d) For the purpose of abatement, the ascertainment of the number of square feet contained in the Third Additional Premises shall be measured shall be in accordance with the provisions of subparagraph (4) of paragraph (d) of Item 1 of Exhibit B annexed to the Lease as herein amended.

6. (a) As used herein:

(1) "Annual Period" shall mean, with respect to the Third Additional Premises, as the context requires, the twelve-month period commencing with the Third Additional Premises Commencement Date and each of the twelve-month periods thereafter occurring during the term of the letting under this Agreement commencing on each anniversary of that date occurring during the term of the letting under this Agreement, provided, however, that the first annual period shall include the portion of the month in which the Third Additional Premises Commencement Date shall occur following such date plus the succeeding twelve calendar months and each subsequent annual period shall commence on the anniversary of the first full calendar month following the Third Additional Premises Commencement Date, provided, further, however, that the last annual period shall expire in any event on the expiration date of the term of the letting of the Third Additional Premises under the Lease as herein amended.

(3) "Third Additional Premises annual exemption amount" shall mean the sum of Two Hundred Seventy-seven Thousand Dollars and No Cents (\$277,000.00) as such sum may be reduced by operation of the abatement and/or proration provisions hereof.

(4) For the purpose of calculating the percentage rental due for the Third Additional Premises for any annual period which contains more or less than 365 days the Third Additional Premises annual exemption amount shall be prorated over the actual number of days contained in such annual period.

(b) The Lessee shall pay to the Port Authority an annual percentage rental equivalent to the sum of the following percentages of all of the gross receipts of the Lessee arising during each annual period from its operations in the Third Additional Premises:

(i) Twenty percent (20%) of all gross receipts of the Lessee arising during each annual period from the sale or dispensing at or from the Third Additional Premises of lottery tickets issued by the Lottery Division of the New York State Department of Taxation and Finance which receipts are retained or retainable, or received or receivable by the Lessee as fees, commissions or otherwise; and

(ii) Nine percent (9%) of all other gross receipts of the Lessee arising during each annual period from its operations in the Third Additional Premises which are in excess of the Third Additional Premises annual exemption amount.

The computation of percentage rental for the Third Additional Premises for each annual period, or a portion of an annual period as hereinafter provided, shall be individual to such annual period, or such portion of an annual period, and without relation to any other annual period, or any other portion of any annual period. The time for making payment of the percentage rental and the method calculation thereof shall be as set forth in subparagraph (c) of this paragraph.

(c) The Lessee shall pay the percentage rental established for the Third Additional Premises as follows: on the 20th day of the first month following the Third Additional Premises Commencement Date and on the 20th day of each and every month thereafter occurring during each annual period occurring during the term of the letting of the Third Additional Premises under the Lease as herein amended, including the month following the end of each annual period, the Lessee shall render to the Port Authority a sworn statement showing all its gross receipts for the preceding month arising from its operation in the Third Additional Premises, specifying the different types of gross receipts set forth in subdivisions (i) and (ii) of subparagraph (b) of this paragraph, and also showing the cumulative amount of the type of gross receipts set forth in subdivision (ii) of subparagraph (b) of this paragraph from the date of the commencement of the annual period for which the report is made through the last day of the preceding calendar month; the Lessee shall pay at the time of rendering such statement an amount equal to the percentage set forth in subdivision (i) of subparagraph (b) of this paragraph applied to the type of gross receipts described in subdivision (i) of subparagraph (b) of this paragraph arising during the month for which the report is made; in addition, whenever any such statement shall show that the the percentage set forth in subdivision (ii) of subparagraph (b) of this paragraph applied to the cumulative amount of the type of gross receipts set forth in subdivision (ii) of subparagraph (b) of this paragraph from the date of the commencement of the annual period for which the report is made through the last day of the preceding calendar month is in excess of the Third Additional Premises annual exemption amount the Lessee shall pay at the time of rendering such statement an amount equal to the excess of such sum over the Third Additional Premises annual exemption amount, and shall thereafter on the 20th day of each month during that annual period and the month following the end of that annual period pay an amount equal to the sum of the percentages set forth in subdivisions (i) and (ii) of subparagraph (b) of this paragraph applied to the different types of gross receipts described in subdivisions (i) and (ii) of subparagraph (b) of this paragraph arising during each subsequent month during that annual period in accordance with such subdivisions. At any time that the Third Additional Premises annual exemption amount is decreased by abatement as herein provided so that there is an excess of gross receipts as to which percentage rental has not been paid, such rental shall be payable to the Port Authority on demand.

(d) Upon any termination of the letting of the Third Additional Premises under the Lease as herein amended (even if stated to have the same affect as expiration), the Lessee shall,

within twenty (20) days after the effective date of such termination, make a payment of rental computed as follows: first, if the term of the letting of the Third Additional Premises under the Lease as herein amended is terminated effective on a date other than the last day of a month, the basic rental for the Third Additional Premises for the portion of the month in which the effective date of termination occurs during which the letting of the Third Additional Premises remains effective shall be the amount of the monthly installment of basic rental established for the Third Additional Premises prorated on a daily basis, and if the applicable monthly installment due on the first day of that month has not been paid the Lessee shall pay the prorated part of the amount of that installment; if the monthly installment has been paid, then the excess thereof shall be credited to the Lessee's other obligations; second, the Lessee shall within twenty (20) days after the effective date of termination render to the Port Authority a sworn statement of all its gross receipts arising from its operations in the Third Additional Premises for the annual period in which the effective date of termination happens to fall specifying the different types of gross receipts set forth in subdivisions (i) and (ii) of subparagraph (b) of this paragraph; and third, the payment then due on account of all percentage rental for the Third Additional Premises for the annual period in which the effective date of termination falls shall be the excess of the percentage rental established for the Third Additional Premises, computed as follows, over the total of such percentage rental payments previously made for such annual period: an amount equal to the sum of (1) the percentage set forth in subdivision (i) of subparagraph (b) of this paragraph applied to the type of gross receipts described in subdivision (i) of subparagraph (b) of this paragraph arising during such annual period and (2) the percentage set forth in subdivision (ii) of subparagraph (b) of this paragraph applied to the cumulative amount of the type of gross receipts set forth in subdivision (ii) of subparagraph (b) of this paragraph from the date of the commencement of the annual period in which the effective date of termination shall occur which are in excess of the Third Additional Premises annual exemption amount provided, however, that the Third Additional Premises annual exemption amount shall be prorated by multiplying the Third Additional Premises annual exemption amount by a fraction, the numerator of which shall be the number of days from the commencement of such annual period to the effective date of termination and denominator of which shall be 365.

(e) The computation of percentage rental for the Third Additional Premises shall be made separate and apart from the computation of percentage rental for the balance of the premises, and without relation thereto. For the purposes of computing percentage rental for the Third Additional Premises all gross receipts arising from the Lessee's operations in the balance of the premises under the Lease as herein amended shall not be included in the gross receipts of the Lessee under the Lease and shall not be subject to the percentage rental payment herein provided, and for the purposes of computing percentage rental for the balance of the premises under the Lease as herein amended gross receipts arising from the Lessee's operations in the Third Additional Premises under the Lease as herein amended shall not be included in the gross receipts of the Lessee under the Lease as herein amended and shall not be subject to the percentage rental payment therein provided. The Lessee shall maintain separate and distinct records, as set forth in Section 5 of the Lease and elsewhere in the Lease, of all gross receipts arising out of the Lessee's operations in the Third Additional Premises under the Lease as herein

amended, and the same shall be submitted to the Port Authority at the times specified in the Lease as herein amended.

7. (a) Subject to all the provisions of the Lease as herein amended, including, without limitation, the provisions of Section 14 (f), (g), (h) and (i) of the Lease, the Port Authority will furnish and deliver to the Lessee in the Third Additional Premises to the extent that the Lessee's consumption does not exceed the capacity of feeders, risers or wiring in the Third Additional Premises or the Facility, (which capacity shall be the Lessee's sole responsibility in designing and constructing distribution systems for the Third Additional Premises) electricity for the Lessee's operations in the Third Additional Premises. The Lessee shall pay for the electricity supplied to the Third Additional Premises pursuant to the provisions of this subparagraph at the rates set forth in paragraph (b) of Item 3 of Exhibit B annexed to the Lease; and the provisions of paragraph (b) of Item 3 of Exhibit B annexed to the Lease, together with the provisions of paragraphs (f), (g), (h), and (i) of Section 14 of the Lease, shall apply with respect to the supply of electricity to the Third Additional Premises during the term of the letting thereof under the Lease as herein amended, and during the term of the letting of the Third Additional Premises under the Lease as herein amended all reference in paragraph (b) of Item 3 of Exhibit b annexed to the Lease, and in paragraphs (f), (g), (h), and (i) of Section 14 of the Lease, to the "premises" shall be deemed to include the Third Additional Premises under the Lease as herein amended.

(b) Notwithstanding that the Port Authority has agreed to supply electricity to the Lessee in the Third Additional Premises, the Port Authority shall be under no obligation to provide or continue such service if the Port Authority is prevented by law, agreement or otherwise from metering or measuring consumption and demand as hereinabove set forth or elects not to so meter or measure such consumption and demand and in any such event the Lessee shall make all arrangements and conversions necessary to obtain electricity directly from the public utility. Also, in such event, the Lessee shall perform the construction necessary for conversion and if any lines or equipment of the Port Authority are with the consent of the Port Authority used therefor the Port Authority may make an appropriate charge therefor to the Lessee based on its costs and expenses for such lines and equipment.

(c) The supply of electricity to the Third Additional Premises shall be made by the Port Authority to the Lessee at such points as the Port Authority shall designate for connection of the systems to be installed by the Lessee in the Third Additional Premises to the Port Authority's lines and conduits, and the Port Authority shall have no responsibility for the distribution of electrical current in the Third Additional Premises, or for the maintenance therein of any specified electrical usage. If for any reason any meter fails to record the consumption of electricity in the Third Additional Premises, the consumption thereof during any such period that the meter is out of service will be considered to be the same as the consumption for a like period either immediately before or immediately after the interruption as selected by the Port Authority.

(d) Except as set forth herein, the Port Authority shall not furnish, sell, or supply any services or utilities to the Lessee in the Third Additional Premises.

8. (a) In addition to the right of termination provided for in Section 26 (a) of the Lease, which shall be applicable to the Third Additional Premises as well, the Port Authority shall have the right to separately terminate the letting as to the Third Additional Premises, at any time, without cause, on thirty days notice to the Lessee. Such termination shall not relieve the Lessee of any liabilities or obligations with respect to the affected area or areas which shall have accrued on or prior to the effective date of termination or which shall mature on such date. In the event the term of the letting of the entire premises under the Lease as herein amended is terminated pursuant to Section 26 (a) thereof during the term of the letting of the Third Additional Premises under the Lease as herein amended, or in the event the term of the letting of the Third Additional Premises under the Lease as herein amended is separately terminated pursuant to the provisions of this paragraph, the term of the letting of the Third Additional Premises under the Lease as herein amended shall cease and expire as if the effective date of termination stated in the notice were the date originally stated herein for the expiration of the term of the letting as to the Third Additional Premises under the Lease as herein amended. The separate termination of the letting as to the Third Additional Premises pursuant to the provisions of this paragraph shall not affect the letting as to the balance of the premises under the Lease as herein amended and the letting as to the balance of the premises shall continue in full force and effect notwithstanding such termination.

(b) The provisions of paragraph (b) of Section 26 of the Lease and the provisions of Item 6 of Exhibit B annexed to the Lease shall not be applicable to any improvements, fixtures, trade fixtures, equipment or other personal property installed or placed in the Third Additional Premises by the Lessee in the event the letting of the entire premises is terminated pursuant to Section 26 (a) of the Lease during the term of the letting of the Third Additional Premises under the Lease as herein amended, or in the event the letting as to the Third Additional Premises is separately terminated pursuant to the provisions of this paragraph. Nothing contained herein shall be deemed to affect the Port Authority's reimbursement obligation pursuant to the provisions of Section 26 (b) of the Lease and the provisions of Item 6 of Exhibit B annexed to the Lease with respect to improvements, fixtures, trade fixtures, equipment and other personal property installed or placed in Areas A-1, A-2, A-3, A-4, A-5, A-6, and A-7.

9. As hereby amended all the terms, provisions, covenants, agreements and conditions of the Lease shall be and remain in full force and effect.

10. The Lessee represents and warrants that no broker has been concerned in the negotiation of this Supplemental Agreement and that there is no broker who is or may be entitled to be paid a commission in connection therewith. The Lessee shall indemnify and save harmless the Port Authority for and from all claims for commission or brokerage made by and all persons, firms or corporations whatsoever for services in connection with the negotiation and execution of this Supplemental Agreement.

11. Neither the Commissioners of the Port Authority nor any of them, nor any officer, agent or employee thereof shall be charged personally by the Lessee with any liability, or held liable to the Lessee under any term or provision of this Supplemental Agreement, or because of its execution or attempted execution or because of any breach, or attempted or alleged breach thereof.

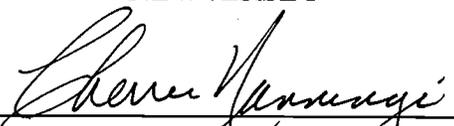

12. This Supplemental Agreement, together with the Lease (to which it is supplementary constitutes the entire agreement between the Port Authority and the Lessee on the subject matter, and may not be changed, modified, discharged or extended except by instrument in writing duly executed on behalf of both the Port Authority and the Lessee. The Lessee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing in the Lease or in this Supplemental Agreement.

IN WITNESS WHEREOF, the Port Authority and the Lessee have executed these presents as of the date first above written.

SUPPLEMENTAL AGREEMENT

THIS AGREEMENT, dated as of the 31st day of May, 1999, by and between **THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY** (hereinafter called the "Port Authority") and **HUDSON NEWS COMPANY** (hereinafter called the "Lessee"),

WITNESSETH, That:

WHEREAS, the Port Authority and the Lessee heretofore entered into an agreement of lease dated July 11, 1991 and identified by the above Port Authority Lease Number (which agreement of lease, as the same has been heretofore supplemented and amended, is hereinafter called the "Lease") covering premises at the Port Authority Bus Terminal, in the Borough of Manhattan, City, County and State of New York, as more particularly described in the Lease; and

WHEREAS, the Port Authority and the Lessee desire to add to the premises under the Lease and to amend the same in certain other respects;

NOW, THEREFORE, for and in consideration of the covenants and mutual agreements herein contained, the Port Authority and the Lessee hereby agree as follows:

1. In addition to the premises heretofore let to the Lessee under the Lease, the letting as to which shall continue in full force and effect subject to and in accordance with all the terms, provisions, covenants and conditions of the Lease as herein amended, the Port Authority hereby lets to the Lessee and the Lessee hereby hires and takes from the Port Authority at the Port Authority Bus Terminal the space shown in diagonal hatching on the sketch annexed hereto, hereby made a part hereof and marked "Exhibit A-14" together with the fixtures, improvements and other property, if any, of the Port Authority located or to be located therein or thereon, the said space, fixtures, improvements and other property (all of which is sometimes hereinafter in this Agreement collectively called "Area A-12") to be and become a part of the premises under the Lease, as herein amended, as of 12:01 o'clock a.m. on June 1, 1999 (said time and date sometimes hereinafter in this Agreement collectively called the "Area A-12 Commencement Date"), let to the Lessee subject to and in accordance with all the terms, provisions, covenants and conditions of the Lease as herein amended for and during the remainder of the term of the letting under the Lease as herein amended, unless sooner terminated. The parties hereby acknowledge that Area A-12 constitutes non-residential real property.

2. The Lessee shall use Area A-12 for storage purposes in connection with the Lessee's operations being conducted elsewhere at the Facility in accordance with Section 3 of the Lease and for no other purpose or purposes whatsoever.

3. The Port Authority shall deliver Area A-12 in its presently existing "as is" condition. The Lessee acknowledges that it has inspected Area A-12 and agrees to take the same in its "as is" condition and the Port Authority shall have no obligation under the Lease as herein amended for finishing work or for preparation of Area A-12 for the Lessee's use. The Lessee

acknowledges that it has not relied upon any representation or statement of the Port Authority or of its Commissioners, officers, agents or employees as to the suitability of Area A-12 for the operations permitted thereon by the Lease as herein amended. Without limiting any obligation of the Lessee to commence operations in Area A-12 at the time and in the manner stated elsewhere in this Agreement, the Lessee agrees that no portion of Area A-12 will be used initially or at any time during the term of the letting thereof which is in a condition unsafe or improper for the conduct of the Lessee's operations therein under the Lease as herein amended so that there is possibility of injury or damage to life or property and the Lessee further agrees that before any use of Area A-12, it will immediately correct any such unsafe or improper condition.

4. The provisions of paragraphs (a), (b), (c), (d) and (e) of Section 14 of the Lease and the provisions of Item 3 of Exhibit B annexed to the Lease shall not apply to Area A-12. Subject to the provisions of paragraphs (f), (g), (h) and (i) of Section 14 of the Lease, the Port Authority shall, without additional charge, furnish to the Lessee in Area A-12 electricity for illumination only, by which is meant the energizing of fluorescent bulbs (to be supplied and installed by the Lessee) through existing wires, conduits and outlets, if any. Except as provided herein, the Port Authority shall not supply any services or utilities to the Lessee in Area A-12.

5. (a) In addition to the rental and fees heretofore payable under the Lease as herein amended, the Lessee shall pay to the Port Authority a basic rental for Area A-12 at the annual rate of One Thousand Eight Hundred Dollars and No Cents (\$1,800.00), payable in advance in monthly installments each in the amount of One Hundred Fifty Dollars and No Cents (\$150.00) on June 1, 1999 and on the first day of each and every calendar month thereafter and continuing to the expiration date of the term of the letting of Area A-12 under this Agreement.

(b) Payment of the basic rental for Area A-12 set forth in this paragraph shall not affect or diminish the Lessee's obligation to pay the basic and percentage rental for the premises heretofore let to the Lessee under the Lease as herein amended nor shall the applicable annual fixed rental amount as defined therein be changed or affected thereby.

6. (a) For every calendar day or major fraction thereof that the Lessee shall be entitled to abatement with respect to Area A-12, the basic rental for Area A-12 shall be reduced by the product of Four Dollars and Ninety-three Cents (\$4.93) multiplied by a fraction, the numerator of which shall be the number of square feet of floor space as to which the abatement applies and the denominator of which shall be the total number of square feet in Area A-12.

(b) For the purpose of abatement with respect to Area A-12, the ascertainment of the number of square feet contained in Area A-12 shall be measured in accordance with the provisions of subparagraph (4) of paragraph (d) of Item 1 of Exhibit B annexed to the Lease.

7. In addition to all other rights of termination contained in the Lease, as herein amended, including, without limitation, the right of termination provided for in paragraph (a) of Section 26 of the Lease as herein amended, the Port Authority and the Lessee shall each have the respective right to separately terminate the letting as to Area A-12 at any time, without cause, on thirty (30) days' notice to the other party. Such termination shall not relieve the Lessee of any liabilities or obligations which shall have accrued on or prior to the effective date of termination or which shall mature on such date. In the event the term of the letting of the entire premises under the

Lease as herein amended is terminated pursuant to paragraph (a) of Section 26 of the Lease as herein amended during the term of the letting of Area A-12 under the Lease as herein amended or in the event the term of the letting of Area A-12 under the Lease as herein amended is separately terminated pursuant to the provisions of this paragraph, the term of the letting of Area A-12 under the Lease as herein amended shall cease and expire as if the effective date of termination stated in the notice were the date originally stated herein for the expiration of the term of the letting as to Area A-12 under the Lease as herein amended. The separate termination of the letting as to Area A-12 pursuant to the provisions of this paragraph shall not affect the letting as to the balance of the premises under the Lease as herein amended and the letting as to the balance of the premises shall continue in full force and effect notwithstanding such termination. The Port Authority shall have no reimbursement obligation with respect to Area A-12 in the event the letting of the entire premises is terminated pursuant to paragraph (a) of Section 26 of the Lease during the term of the letting of Area A-12 under the Lease as herein amended or in the event the letting as to Area A-12 is separately terminated pursuant to the provisions of this paragraph. Nothing contained herein shall be deemed to affect the Port Authority's reimbursement obligation pursuant to the provisions of Item 6 of Exhibit B annexed to the Lease with respect to fixtures, equipment, improvements and other property installed in the balance of the premises under the Lease as herein amended in accordance with the terms of that agreement.

8. The Lessee represents and warrants that no broker has been concerned in the negotiation or execution of this Agreement or the letting of Area A-12 and that there is no broker who is or may be entitled to be paid a commission in connection therewith. The Lessee shall indemnify and save harmless the Port Authority of and from any and all claims for commission or brokerage made by any and all persons, firms or corporations whatsoever for services in connection with the negotiation and execution of this Agreement or the letting of Area A-12.

9. Neither the Commissioners of the Port Authority, nor any of them, nor any officer, agent or employee thereof, shall be charged personally by the Lessee with any liability, or held liable to it under any term or provision of this Agreement, or because of its execution or attempted execution or because of any breach thereof.

10. As hereby amended, all the terms, covenants, provisions, conditions and agreements of the Lease shall be and remain in full force and effect.

11. This Agreement and the Lease which it amends and supplements constitute the entire agreement between the Port Authority and the Lessee on the subject matter and may not be changed, modified, discharged or extended except by instrument in writing duly executed on behalf of both the Port Authority and the Lessee. The Lessee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing in the Lease or this Agreement.

IN WITNESS WHEREOF, the Port Authority and the Lessee have executed these presents as of the date first above written.

Exhibit A

Exhibit B

Exhibit R

Schedule E

TCL 8/8/73

THIS AGREEMENT made as of the 22nd day of May 1997, by and between **THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY** (hereinafter called the "Port Authority") a body corporate and politic, created by Compact between the States of New York and New Jersey, with the consent of the Congress of the United States of America, and having an office at One World Trade Center, in the Borough of Manhattan, City, County and State of New York, and **HUDSON COUNTY NEW COMPANY T/A HUDSON NEWS** (hereinafter called the "Lessee"), a corporation organized and existing under the laws of the State of New Jersey and having an office and place of business at 1305 Paterson Plank Road, North Bergen, New Jersey 07047, whose representative is Mario DiDomizio

WITNESSETH THAT

The Port Authority and the Lessee, for and in consideration of the rents, covenants and agreements hereinafter contained, mutually covenant and agree as follows:

Section 1. Letting

The Port Authority hereby lets to the Lessee and the Lessee hereby hires and takes from the Port Authority, at the Port Authority Bus Terminal in the Borough of Manhattan, City, County and State of New York, the space shown in diagonal hatching on the sketch annexed hereto, hereby made a part hereof and marked "Exhibit A", together with the fixtures, improvements and other property of the Port Authority located or to be located therein or thereon, all said space, fixtures, improvements and other property of the Port Authority being hereinafter collectively referred to as the "premises". The Port Authority and the Lessee hereby acknowledge that the premises constitute non-residential real property.

Section 2. Term

SEE SECTION 50.

Section 3. Rights of User by the Lessee

The Lessee shall use the premises for the following purposes only and for no other purpose whatsoever: for the operation of a store for the sale at retail of hard cover and paperback books, lottery tickets issued by the Lottery Division of the New York State Department of Taxation and Finance, and such other related items as may be consented to in advance in writing by the Port Authority.

Section 4. Rental

(a) The Lessee agrees to pay to the Port Authority a basic rental for the premises at the rate set forth in Item 1 of Exhibit B attached hereto and hereby made a part hereof.

(b) The Lessee agrees to pay to the Port Authority the percentage rental, if any, stated in Item 1 of Exhibit B, attached hereto and made a part hereof.

(c) The time for making payments of rental and the method of computation and abatement thereof are set forth in Item 1 of Exhibit B.

SECTION 5. *Obligations in Connection with Any Percentage Rental*

If any rental hereunder is measured by a percentage of the Lessee's gross receipts, the Lessee shall:

(a) Take all reasonable measures in every proper manner to maintain, develop and increase the business conducted by it hereunder;

(b) Not divert or cause or allow to be diverted any business from the Terminal;

(c) Maintain in accordance with accepted accounting practice during the letting and for one year thereafter and for such further period until the Lessee shall receive written permission from the Port Authority to do otherwise, records and books of account recording all transactions at, through or in any-wise connected with the Terminal, which records and books of account shall be kept at all times within the Port of New York District and permit, in ordinary business hours during such time, the examination and audit by the officers, employees and representatives of the Port Authority of such records and books of account and also any records and books of account of any company which is owned or controlled by the Lessee, if said company performs services, similar to those performed hereunder by the Lessee, anywhere in the Port of New York District;

(d) Permit in ordinary business hours the inspection by the officers, employees and representatives of the Port Authority of any equipment used by the Lessee, including but not limited to cash registers and recording tapes;

(e) Furnish on or before the twentieth day of each month following the commencement date of the letting a sworn statement of gross receipts arising out of the operations of the Lessee hereunder for the preceding month;

(f) Install and use such cash registers, sales slips, invoicing machines and any other equipment or devices for recording orders taken or services rendered as may be appropriate to the Lessee's business and necessary or desirable to keep accurate records of gross receipts.

SECTION 6. *Governmental Requirements*

(a) The Lessee shall procure from all governmental authorities having jurisdiction over the operations of the Lessee at the premises all licences, certificates, permits or other authorization which may be necessary for the conduct of its operations.

(b) The Lessee shall pay all taxes, license, certification, permit and examination fees and excises which may be assessed, levied, exacted or imposed on its property or operation hereunder or on the gross receipts or income therefrom, and shall make all applications, reports and returns required in connection therewith.

(c) The Lessee shall promptly observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions which may pertain or apply to the operations of the Lessee on the premises or its occupancy thereof, and the Lessee shall, in accordance with and subject to the provisions of Section 15 hereof, make any and all structural and nonstructural improvements, alterations or repairs of the premises that may be required at any time hereafter by any such present or future law, rule, regulation, requirement, order or direction.

(d) The obligation of the Lessee to comply with governmental requirements is provided herein for the purpose of assuring proper safeguards for the protection of persons and property on the premises and a proper operation by the Lessee. Such provision is not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

SECTION 7. *Rules and Regulations*

The Lessee covenants and agrees to observe and obey (and to compel its officers, members, employees, agents, representatives, contractors, customers, guests, invitees and those doing business with it to observe and obey) the special rules and regulations of the Port Authority for the government of the conduct and operations of the Lessee, a copy of which is attached hereto, made a part hereof and marked "Exhibit R", and such further reasonable rules and regulations as may from time to time during the letting be promulgated by the Port Authority for reasons of safety, health, or preservation of property, or for the maintenance of the good and orderly appearance of the premises and the Terminal.

The Port Authority agrees that, except in cases of emergency, it will give notice to the Lessee of every such further rule or regulation adopted by it at least five (5) days before the Lessee shall be required to comply therewith.

SECTION 8. *Various Obligations of the Lessee*

(a) The Lessee shall conduct its operations in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Terminal. The Lessee shall take all reasonable measures to eliminate vibrations tending to damage the premises and to keep the sound level of its operations as low as possible.

(b) The Lessee shall control the conduct, demeanor and appearance of its officers, members, employees, agents, representatives, contractors, customers, guests, invitees and those doing business with it, and upon objection from the Port Authority concerning the conduct, demeanor or appearance of any such shall immediately take all steps necessary to remove the cause of the objection.

(c) No garbage, debris or other waste materials (whether solid or liquid) shall be allowed to collect or accumulate in the premises and the Lessee shall remove from the premises and the Terminal all garbage, debris and other waste materials (whether solid or liquid) arising out of its occupancy or use of the premises. The Lessee shall use extreme care when effecting removal of all such waste and in no event shall use any facilities of the Port Authority without its prior consent in writing and shall effect such removal only during such hours as are prescribed by the Superintendent of the Terminal.

(d) If the premises have an entrance or exit opening out on a sidewalk the Lessee shall keep all sidewalks and curbs adjacent to the premises and all exclusive lobbies, vestibules and steps free from snow, ice, dirt and rubbish.

(e) The Lessee shall provide and its employees shall wear or carry badges or other suitable means of identification which shall be subject to the prior written approval of the Superintendent of the Terminal.

(f) If the Lessee is permitted under this Agreement to sell food and/or beverages, it shall, in connection with any preparation, packaging, handling, storage, delivery and dispensing of such food and/or beverages, comply with the following:

(1) Its employees shall wear clean, washable uniforms and female employees shall wear caps or nets. The employees shall be clean in their habits and shall thoroughly wash their hands before beginning work and immediately after each visit to the toilet and shall keep them clean during the entire work period. No person affected with any disease in a communicable form or who is a carrier of such disease shall work or be permitted to work for the Lessee.

(2) All food and beverages shall be clean, fresh, pure, of first-class quality and safe for human consumption.

(3) The premises and all equipment and materials used by the Lessee shall at all times be clean, sanitary, and free from rubbish, refuse, dust, dirt, offensive or unclean material, flies and other insects, rodents and vermin. All apparatus, utensils, devices, machines and piping used by the Lessee shall be constructed so as to facilitate the cleaning and inspection thereof and shall be properly cleaned after each period of use (which shall at no time exceed eight hours) with hot water and a suitable soap or detergent and shall be rinsed by flushing with hot water. Where deemed necessary by the Port Authority, final treatment by live steam under pressure or other sterilizing procedure shall be used. All trays, dishes, crockery, glassware, cutlery, and other equipment of such type shall be cleaned and sterilized immediately before using same.

(4) All packing materials, including but not limited to wrappers, stoppers, caps, enclosures and containers, shall be clean and sterile and shall be so stored as to be protected from dust, dirt, flies and other insects, rodents, vermin, unsanitary handling and unclean materials.

(5) It is intended that the standards and obligations imposed by this subdivision (f) shall be maintained or complied with by the Lessee in addition to its compliance with all applicable governmental laws, ordinances and regulations, and in the event that any of said laws, ordinances and regulations shall be more stringent than such standards and obligations, the Lessee agrees that it will comply with such laws, ordinances and regulations in its operations hereunder.

SECTION 9. *Prohibited Acts*

The Lessee shall not: (a) commit any nuisance on the premises, or do or permit to be done anything which may result in the creation or commission of a nuisance on the premises; (b) cause or produce or permit to be caused or produced upon the premises, or to emanate therefrom, any unusual,

in the condition existing as of the commencement date of the letting and to keep all improvements and fixtures made or installed subsequent to the commencement date of the letting in the condition existing as of the date such improvements are made and such fixtures installed.

(d) In the event the Lessee fails to commence so to make or do non-structural repairs, replacements, rebuilding or painting within a period of ten (10) days after notice from the Port Authority so to do or fails diligently to continue to completion the repair, replacement, rebuilding or painting of all the premises required to be repaired, replaced, rebuilt or painted by the Lessee under the terms of this Agreement, the Port Authority may, at its option, and in addition to any other remedies which may be available to it, repair, replace, rebuild or paint all or any part of the premises included in the said notice, the cost thereof to be paid by the Lessee on demand.

(e) The Lessee shall not lay any linoleum, asphalt tile or other such affixed floor covering in direct contact with the floor of the premises. If the Lessee lays any linoleum, asphalt tile or other such affixed covering on the floor of the premises, an interlining of builder's deadening felt shall first be affixed to the floor with water-soluble paste or other water-soluble material, the use of cement or other adhesive non-soluble in water being expressly prohibited.

(f) The Lessee shall maintain and pay the premiums on a policy of plate and mirror glass insurance covering all plate and mirror glass which is a part of or is located on or in the premises.

(g) In the event that, as a result of any casualty, the premises are damaged, without the fault of the Lessee, its officers, members, employees, agents, representatives, contractors, customers, guests, invitees or other persons doing business with it, so as to render them untenable in whole or part, then

(1) if in the opinion of the Port Authority the necessary repairs or rebuilding can be completed within ninety (90) days after the occurrence of the damage, the Port Authority shall repair or rebuild with due diligence, and the rental hereunder shall, if so provided in Item 1 of Exhibit B, be abated only for the period from the occurrence of the damage to the completion of the repairs or rebuilding, whether or not the work of repair or rebuilding is actually completed within the said ninety (90) days; or

(2) if in the opinion of the Port Authority such repairs or rebuilding cannot be completed within ninety (90) days after the occurrence of the damage or if the entire premises require rebuilding, then the Port Authority shall have options: (i) to proceed with due diligence to repair or to rebuild as necessary; or (ii) to terminate the letting as to the damaged portion of the premises only, or (iii) to cancel this Agreement and terminate the letting as to the entire premises; and the rental hereunder shall, if so provided in Item 1 of Exhibit B, be abated, either, as the case may require, for the period from the occurrence of the damage to the completion of repairs and rebuilding or for the period from the occurrence of the damage to the effective date of termination.

(h) The parties hereby stipulate that if the premises are in the State of New Jersey neither the provisions of Titles 46:8-6 and 46:8-7 of the Revised Statutes of New Jersey nor those of any other similar statute shall extend or apply to this Agreement, and if the premises are in the State of New York, neither the provisions of Section 227 of the Real Property Law of New York nor those of any other similar statute shall extend or apply to this Agreement.

(i) In the event of a partial or total destruction of the premises, the Lessee shall immediately remove any and all of its property and/or debris from the premises or the portion thereof destroyed and if the Lessee does not promptly so remove, the Port Authority may remove such property to a public warehouse for deposit or retain the same in its own possession and sell the same at public auction, the proceeds of which shall be applied first to the expenses of removal, storage and sale, second to any sums owed by the Lessee to the Port Authority, with any balance remaining to be paid to the Lessee; if the expenses of such removal, storage and sale shall exceed the proceeds of sale, the Lessee shall pay such excess to the Port Authority upon demand.

SECTION 11. *Indemnity; Liability Insurance*

(a) The Lessee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, agents and employees from all claims and demands of third persons including but not limited to those for death, for personal injuries, or for property damages, arising out of the use or occupancy of the premises by the Lessee or out of any of the acts or omissions of the Lessee, its officers, members, employees, agents, representatives, contractors, customers, guests, invitees and other persons doing business with it where such acts or omissions are on the premises or arising out of any acts or omissions of the Lessee, its officers, members, employees, agents and representatives where such acts or omissions are elsewhere at the Terminal.

charge based on such actual rate deviates from the approved price or a charge based on the approved rates shall constitute an undercharge and an amount equivalent thereto shall be included in any gross receipts hereunder and the percentage rental, if any, shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Lessee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Lessee's obligations hereunder and the Port Authority shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Agreement.

(d) In the event that the Lessee in its operations hereunder offers for sale such a variety of items that the submission of schedules, under the preceding subdivision of this Section, is not feasible in the opinion of the Port Authority, then the Lessee shall be under no obligation to submit such schedules of prices but the Lessee shall not then sell any items hereunder at a price other than the manufacturer's or distributor's recommended retail price, *provided, however*, that if the price charged for the same item at any other establishment within the Port of New York District which has any ownership, financial or management connection with the Lessee or any majority stockholder thereof is lower than the manufacturer's or distributor's recommended retail price, the Lessee shall notify the Port Authority in writing of that fact and shall charge only the lower price. If the Lessee wishes to charge a price different from the manufacturer's or distributor's recommended retail price or different from the lower price at any other establishment, as the case may be, then the Lessee shall prepare and submit to the Port Authority schedules therefor in the same manner and subject to the same conditions as set forth in the preceding subdivision of this Section. Any overcharge or undercharge resulting from a breach by the Lessee of its obligations under this subdivision shall be respectively refunded to the customer or included in gross receipts, all in the same manner and subject to the conditions as set forth in the preceding subdivision of this Section for overcharges or undercharges.

(e) The Lessee shall be open for and shall conduct business and furnish services twenty-four hours a day, seven days a week, or for such other hours and days as the Port Authority, from time to time by notice to the Lessee, may determine to properly serve the needs of the public. The determination of proper business hours and days made by the Port Authority shall be controlling.

SECTION 13. Signs

(a) Except with the prior written consent of the Port Authority, the Lessee shall not erect, maintain or display any signs or any advertising at or on the exterior parts of the premises or in the premises so as to be visible through the windows or exterior doors thereof.

(b) Upon the expiration or termination of the letting, the Lessee shall remove, obliterate or paint out, as the Port Authority may direct, any and all signs and advertising on the premises or elsewhere at the Terminal if pertaining to the Lessee, and in connection therewith shall restore the premises and the Terminal to the same condition as prior to the placement of any such signs or advertising. In the event that there is a failure by the Lessee so to remove, obliterate or paint out each and every sign or advertising and so to restore the premises and the Terminal, the Port Authority may, at its option, perform the necessary work at the expense of the Lessee, and the charge therefore shall be paid by the Lessee to the Port Authority on demand.

SECTION 14. Services

(a) Unless otherwise stated in Item 3 of Exhibit B, the Port Authority, shall, without additional charge, heat the premises to an even and comfortable working temperature during the hours and days stated in said Item 3.

(b) The Port Authority shall also, without additional charge, furnish non-exclusive toilet and washroom facilities for the employees of the Lessee if toilet and washroom facilities are not a part of the premises.

(c) The Port Authority agrees to sell, furnish and supply to the Lessee in the premises and the Lessee agrees to take and pay the Port Authority for the following:

(1) Unless otherwise stated in Item 3 of Exhibit B, electricity, in reasonable quantities, for illumination (all bulbs to be supplied and installed by the Lessee) and power; said electricity unless otherwise specified in said Item 3 to be 60 cycle, alternating current, single phase, at 110 volts, and to be paid for by the Lessee at the rates specified in said Item 3.

(2) Unless otherwise stated in Item 3 of Exhibit B, cold water, in reasonable quantities, of the character furnished by the municipality or utility company supplying in the vicinity and to be paid for by the Lessee at the rates specified in said Item 3.

(ii) The risk of death, injury or damage, direct or consequential, to the Port Authority, its Commissioners, officers, agents and employees, and to its or their property, arising out of or in connection with the performance of the work. The Lessee shall indemnify the Port Authority, its Commissioners, officers, agents and employees, for all such deaths, injuries and damages, and for all loss suffered by reason thereof.

(iii) The risk of claims and demands, just or unjust, by third persons against the Port Authority, its Commissioners, officers, agents and employees arising or alleged to arise out of the performance of the work. The Lessee shall indemnify the Port Authority, its Commissioners, officers, agents and employees, against and from all such claims and demands, and for all loss and expense incurred by it and by them in the defense, settlement or satisfaction thereof.

(2) All construction work done pursuant to this Section shall be done in accordance with drawings and specifications to be submitted to and approved by the Chief Engineer of the Port Authority prior to the commencement of the work, shall be done to his satisfaction and shall be subject to his inspection during the progress of such work and after completion thereof; and the Lessee shall re-do or replace at its own expense any work not approved by the said Chief Engineer. Unless otherwise expressly provided herein, all workmanship and materials are required to be first class.

(3) The Lessee shall pay all claims lawfully made against it by its contractors, subcontractors, materialmen and workmen and all claims lawfully made against it by other third persons arising out of or in connection with or because of the performance of the work and shall cause its contractors and subcontractors to pay all such claims lawfully made against them.

(4) The Lessee shall procure and maintain comprehensive public liability insurance, or, if the work is to be done by an independent contractor, the Lessee shall require such contractor to procure and maintain such insurance in the name of the contractor, in either case, in limits not lower than those set forth for such categories of insurance in Item 5 of Exhibit B.

(5) As soon as such structure, repair, alteration, improvement or addition shall have been completed to the satisfaction of the Chief Engineer of the Port Authority, then (subject to the provisions of the following subdivision (c)) title thereto shall immediately and without execution of any further instrument vest in the Port Authority, and every said structure and all such repairs, alterations, improvements or additions, shall thereupon become and thereafter be part of the premises.

(c) The Port Authority shall have the option, exercisable by notice delivered on or before a date sixty (60) days after expiration, cancellation or termination hereof, to require the Lessee to remove any or all such structures, alterations, improvements or additions, and to restore the premises to the condition thereof prior to the construction or installation thereof. In the event of a failure on the part of the Lessee so to remove and restore, the Port Authority may do so, and the Lessee shall pay the cost thereof to the Port Authority on demand.

SECTION 16. *Injury and Damage to Person or Property*

The Port Authority shall not be liable to the Lessee, or to any person, for injury or death to any person or persons whomsoever, or damage to any property whatsoever at any time in the premises or elsewhere in the Terminal, including but not limited to any such injury, death or damage from falling material, water, rain, hail, snow, gas, steam, and/or electricity, whether the same may leak into, or fall, issue, or flow from any part of the Terminal, or from any other place or quarter, unless said damage, injury or death shall be due to the negligence of the Port Authority, its employees or agents.

SECTION 17. *Additional Rent and Charges*

(a) If the Port Authority has paid any sum or sums or has incurred any obligations or expense which the Lessee has agreed to pay or reimburse the Port Authority for, or if the Port Authority is required or elects to pay any sum or sums or incurs any obligations or expense by reason of the failure, neglect or refusal of the Lessee to perform or fulfill any one or more of the conditions, covenants or agreements contained in this Agreement or as a result of an act or omission of the Lessee contrary to the said conditions, covenants and agreements, the Lessee agrees to pay the sum or sums so paid or the expense so incurred, including all interest, costs, damages and penalties, and the same may be added to any installment of rent thereafter due hereunder, and each and every part of the same shall be and become additional rent, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the basic rental, or if there is no basic rental as a part of the percentage rental, all as set forth in Section 4 hereof.

(c) In the event of a taking by any governmental agency or agencies of a part of the premises, then the letting as to such part only shall, as of the date possession thereof is taken from the Port Authority by such agency or agencies, cease and determine, and the rentals thereafter to be paid by the Lessee to the Port Authority shall, if so provided in Item 1 of Exhibit B, be abated from and after the date of such taking.

SECTION 20. *Assignment and Sublease*

(a) The Lessee shall not assign, sell, convey, transfer, mortgage, or pledge this Agreement, or the letting, or any part thereof.

(b) The Lessee shall not sublet the premises or any part thereof.

(c) If the Lessee assigns, sells, conveys, transfers, mortgages, pledges or sublets in violation of subdivisions (a) or (b) of this Section or if the premises are occupied by anybody other than the Lessee, the Port Authority may collect rent from any assignee, sublessee or anyone who claims a right to this Agreement or letting or who occupies the premises, and shall apply the net amount collected to the rental herein reserved; and no such collection shall be deemed a waiver by the Port Authority of the covenants contained in subdivisions (a) and (b) of this Section nor an acceptance by the Port Authority of any such assignee, sublessee, claimant or occupant as Lessee, nor a release of the Lessee by the Port Authority from the further performance by the Lessee of the covenants contained herein.

(d) The Lessee shall not use, or permit any person to use, the premises or any portion thereof, except for the purposes set forth in Section 3 hereof.

SECTION 21. *Termination*

(a) If any one or more of the following events shall occur, that is to say:

(1) The Lessee shall become insolvent, or shall take the benefit of any present or future insolvency statute, or shall make a general assignment for the benefit of creditors, or file a voluntary petition in bankruptcy or a petition or answer seeking an arrangement or its reorganization or the readjustment of its indebtedness under the federal bankruptcy laws or under any other law or statute of the United States or of any State thereof, or consent to the appointment of a receiver, trustee, or liquidator of all or substantially all its property; or

(2) By order or decree of a court the Lessee shall be adjudged bankrupt or an order shall be made approving a petition filed by any of the creditors or, if the Lessee is a corporation, by any of the stockholders of the Lessee, seeking its reorganization or the readjustment of its indebtedness under the federal bankruptcy laws or under any law or statute of the United States or of any State thereof; or

(3) A petition under any part of the federal bankruptcy laws or an action under any present or future insolvency law or statute shall be filed against the Lessee and shall not be dismissed within thirty (30) days after the filing thereof; or

(4) The letting hereunder or the interest or estate of the Lessee under this Agreement shall be transferred to, pass to or devolve upon, by operation of law or otherwise, any other person, firm or corporation; or

(5) The Lessee, if a corporation, shall, without the prior written approval of the Port Authority, become a possessor or merged corporation in a merger, a constituent corporation in a consolidation, or a corporation in dissolution; or

(6) The Lessee is, or the Lessees collectively are doing business as, or constitute a copartnership, and the said copartnership shall be dissolved as the result of any act or omission of its copartners or any of them, or by operation of law or the order or decree of any court having jurisdiction, or for any other reason whatsoever; or

(7) By or pursuant to, or under authority of any legislative act, resolution or rule, or any order or decree of any court or governmental board, agency or officer having jurisdiction, a receiver, trustee, or liquidator shall take possession or control of all or substantially all of the property of the Lessee, and such possession or control shall continue in effect for a period of fifteen (15) days; or

(8) Any type of strike or other labor activity is directed against the Lessee at the Terminal resulting in picketing or boycott for a period of at least forty-eight (48) hours which, in the opinion of the Port Authority, adversely affects or is likely adversely to affect the operation of the Terminal or the operations of other lessees or licensees thereat, whether or not the same is due to the fault of the Lessee, and whether caused by the employees of the Lessee or by others; or

(b) The amount of damages for the period of time subsequent to termination or cancellation (or re-entry, regaining or resumption of possession) shall be:

(1) On account of the Lessee's basic rental obligation, the amount of the total of all annual basic rentals, less the installments thereof payable prior to the effective date of termination except that the credit to be allowed for the installment payable on the first day of the month in which the termination is effective shall be prorated for the part of the month the letting remains in effect, on the basis of a 30-day month;

(2) On account of the Lessee's percentage rental obligation in the event that a basic rental is also reserved under this Agreement, an amount equal to the percentage stated in Item 1 of Exhibit B applied to the amount of gross receipts in excess of the annual exemption amount or amounts, which gross receipts would have been received by the Lessee during the balance of the term if there had been no termination or cancellation (or re-entry, regaining or resumption of possession), and for the purpose of calculation hereunder (i) the said amount of gross receipts shall be derived by multiplying the number of days in the balance of the term originally fixed, by the Lessee's average daily gross receipts; (ii) the average daily gross receipts shall be the total actual gross receipts of the Lessee during that part of the effective period of the letting (including all annual periods falling within the effective period) in which no abatement was in effect, divided by the number of days included in such part of the effective period; (iii) the annual exemption amount for any period of less than a year shall be the product of the original annual exemption amount multiplied by a fraction, the numerator of which shall be the number of days from the effective date of termination to the end of the annual period and the denominator shall be 365;

(3) On account of the Lessee's percentage rental obligation in the event that no basic rental is reserved under this Agreement, an amount equal to the percentage stated in Item 1 of Exhibit B applied to the amount of gross receipts which would have been received by the Lessee during the balance of the term if there had been no termination or cancellation (or re-entry, regaining or resumption of possession), and for the purpose of calculation hereunder (i) the said amount of gross receipts shall be derived by multiplying the number of days in the balance of the term originally fixed, by the Lessee's average daily gross receipts; (ii) the average daily gross receipts shall be the total actual gross receipts of the Lessee during that part of the effective period of the letting (including all annual periods falling within the effective period) divided by the number of days included in such part of the effective period.

(c) It is understood and agreed that the statement of damages under the preceding subdivision (b) shall not affect or be construed to affect the Port Authority's right to damages in the event of termination or cancellation (or re-entry, regaining or resumption of possession) where the Lessee has not received any actual gross receipts under this Agreement.

SECTION 25. *Reletting by the Port Authority*

The Port Authority, upon termination or cancellation pursuant to Section 21 hereof, or upon any re-entry, regaining or resumption of possession pursuant to Section 22 hereof, may occupy the premises or may relet the premises, and shall have the right to permit any person, firm or corporation to enter upon the premises and use the same. Such reletting may be of part only of the premises or of the premises or a part thereof together with other space, and for a period of time the same as or different from the balance of the term hereunder remaining, and on terms and conditions the same as or different from those set forth in this Agreement. The Port Authority shall also, upon termination or cancellation pursuant to the said Section 21, or upon its re-entry, regaining or resumption of possession pursuant to the said Section 22, have the right to repair or to make structural or other changes in the premises, including changes which alter the character of the premises and the suitability thereof for the purposes of the Lessee under this Agreement, without affecting, altering or diminishing the obligations of the Lessee hereunder. In the event either of any reletting or of any actual use and occupancy by the Port Authority (the mere right to use and occupy not being sufficient however) there shall be credited to the account of the Lessee against its survived obligations hereunder any net amount remaining after deducting from the amount actually received from any lessee, licensee, permittee or other occupier in connection with the use of the said premises or portion thereof during the balance of the letting as the same is originally stated in this Agreement, or from the market value of the occupancy of such portion of the premises as the Port Authority may during such period actually use and occupy, all expenses, costs and disbursements incurred or paid by the Port Authority in connection therewith. No such reletting shall be or be construed to be an acceptance of surrender.

SECTION 30. *Requirement of Deposit or Bond*

(a) Unless Item 7 of Exhibit B indicates that no deposit is required, then, prior to the commencement of the letting, the Lessee shall deposit with the Port Authority the sum stated in the said Item 7, in negotiable bonds of the United States of America, or of The Port of New York Authority or in cash, as security for the full, faithful and prompt performance of and compliance with, on the part of the Lessee, all the covenants, terms and conditions of this Agreement on its part to be fulfilled, kept, performed and observed. The said cash or bonds shall remain on deposit with the Port Authority throughout the letting. If bonds are deposited, the fair market value thereof shall be equivalent at the time of the deposit to the sum stated in the said Item 7; and, if at any time throughout the letting the fair market value thereof declines, the Lessee shall, upon ten (10) days' notice from the Port Authority, deposit additional bonds to the extent necessary to maintain the sum stated in the said Item 7. In addition to any and all other remedies available to it under this Agreement or otherwise, the Port Authority shall have the right, at its option at any time and from time to time, to use the deposit or any part thereof in whole or partial satisfaction of any of its claims or demands against the Lessee. There shall be no obligation on the Port Authority to exercise such right, and neither the existence of such right nor the holding of the deposit itself shall cure any default or breach on the part of the Lessee. In the event that the Port Authority shall at any time or times so use the deposit or a part thereof, the Lessee shall, on demand of the Port Authority and within two (2) days thereafter, deposit with the Port Authority additional bonds satisfactory to the Port Authority or additional cash so as to maintain the deposit at all times to the full amount stated in the said Item 7; all such additional deposits shall be subject to all the conditions of this Section. After the expiration of the letting and upon written request therefor by the Lessee, the Port Authority will return the deposit to the Lessee, less the amount of any and all unpaid claims and damages of the Port Authority under this Agreement. Upon a termination of the letting, the Port Authority may, at its option, retain the deposit until the date fixed in Section 2 hereof for the expiration of the letting (or until the final date of any extended term, as the case may be) and shall thereafter upon demand of the Lessee return the same to the Lessee less the amount of any and all unpaid claims and damages, including but not limited to estimated damages of the Port Authority under this Agreement. The Lessee agrees that it will not assign, mortgage or encumber the deposit. The Lessee may collect or receive annually any interest or income earned on bonds and interest paid on cash deposited in interest-bearing bank accounts less any part thereof or amount which the Port Authority is or may hereafter be entitled or authorized by law to retain or to charge in connection therewith, whether as or in lieu of administrative expense or custodial charge, or otherwise, provided, however, that the Port Authority shall not be obligated by this provision to place or to keep cash deposited hereunder in interest-bearing bank accounts. Without limiting the foregoing provisions of this Section, with respect to any bonds deposited by the Lessee, the Port Authority shall have the right, in order to satisfy any of its claims or demands against the Lessee, to sell the same in whole or in part, at any time and from time to time, with or without prior notice, at public or private sale, all as determined by the Port Authority together with the right to purchase the same at such sale free of any claims, equities or rights of redemption of the Lessee. The Lessee hereby waives any right to participate therein or any right to prior notice or demand of the amount or amounts of the Port Authority's claims or demands against the Lessee. The proceeds of any such sale shall be applied by the Port Authority first to the costs and expenses of the sale (including but not limited to any advertising or commission expenses) and then to the amounts due the Port Authority from the Lessee. Any balance remaining shall be retained in cash toward bringing the security deposit to the sum specified in said Item 7 provided that this shall not relieve the Lessee from maintaining the deposit in the full amount stated in said Item 7.

(b) Unless Item 8 of Exhibit B indicates that no performance bond is required, the Lessee shall furnish and pay the premium for a bond in the sum stated in the said Item 8, conditioned upon the full, faithful and prompt performance of and compliance with, on the part of the Lessee, all the covenants, terms and conditions of this Agreement on its part to be fulfilled, kept, performed and observed. The bond so furnished shall be in the form attached hereto, hereby made a part hereof and marked "Exhibit U", shall be effective throughout the letting and shall be made either by a surety company or companies qualified to carry on a surety business in the State of New Jersey if the premises are in New Jersey or in the State of New York if the premises are in New York, and satisfactory to the Port Authority or by an individual or individuals satisfactory to the Port Authority.

(c) In the event Items 7 and 8 of Exhibit B indicate that both a deposit and a performance bond are required, the Lessee shall, unless said Items 7 and 8 state otherwise, have the option of fulfilling either the provisions of subdivision (a) or those of subdivision (b) of this Section.

Section 31. *Brokerage*

The Lessee represents and warrants that no broker has been concerned in the negotiation of this Agreement and that there is no broker who is or may be entitled to be paid a commission in connection therewith. The Lessee shall indemnify and save harmless the Port Authority of and from any claim for commission or brokerage made by any and all persons, firms or corporations whatsoever for services in connection with the negotiation and execution of this Agreement.

TCL 5/4/81

SECTION 37. *Place of Payments*

All payments required of the Lessee by this Agreement shall be made at the office of the Treasurer of the Port Authority, One World Trade Center, New York, New York 10048, or to such other officer or address as may be substituted therefor.

SECTION 38. *Quiet Enjoyment*

The Port Authority covenants and agrees that as long as it remains the owner of the Terminal, the Lessee, upon paying all rentals hereunder and performing all the covenants, conditions and provisions of this Agreement on its part to be performed, shall and may peaceably and quietly have, hold and enjoy the premises free of any act or acts of the Port Authority except as expressly permitted in this Agreement.

SECTION 39. *Headings*

The section headings and the paragraph headings, if any, are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope or intent of any provision hereof.

SECTION 40. *Construction and Application of Terms*

(a) Wherever in this Agreement a third person singular neuter pronoun or adjective is used, referring to the Lessee, the same shall be taken and understood to refer to the Lessee, regardless of the actual gender or number thereof.

(b) Whenever in this Agreement, the Lessee is placed under an obligation or covenants to do or to refrain from or is prohibited from doing, or is entitled or privileged to do, any act or thing, the following shall apply:

(1) If the Lessee is a corporation, its obligations shall be performed or its rights or privileges shall be exercised only by its officers and employees; or

(2) If the Lessee is an unincorporated association or a business or "Massachusetts" trust, the obligation shall be that of its members or trustees, as well as of itself, and shall be performed only by its members or trustees, and officers and employees, and the rights or privileges shall be exercised only by its members or trustees, and its officers and employees; or

(3) If the Lessee is a copartnership, the obligation shall be that of its partners and shall be performed only by its partners and employees and the rights or privileges shall be exercised only by its partners and employees; or

(4) If the Lessee is an individual, the obligations shall be that of himself (or herself) and shall be performed only by himself (or herself) and his (or her) employees and the rights or privileges shall be exercised only by himself (or herself) and his (or her) employees.

(5) None of the privileges of this subdivision (b) shall be taken to alter, amend or diminish any obligation of the Lessee assumed in relation to its invitees, customers, agents, representatives, contractors or other persons, firms or corporations doing business with it.

(c) In the event that more than one individual or other legal entity are the Lessee under this Agreement, then and in that event each and every obligation under this Agreement shall be the joint and several obligation of each such individual or other legal entity.

(d) The Lessee's representative, hereinbefore specified (or such substitute as the Lessee may hereafter designate in writing) shall have full authority to act for the Lessee in connection with this Agreement and any things done or to be done hereunder, and to execute on the Lessee's behalf any amendments or supplements to this Agreement or any extension thereof.

*shall be made by mail to the Port Authority of New York and New Jersey, P. O. Box 17309, Newark, New Jersey 07194.

Section 43. Grease Traps and Ventilation Ducts

Without in anywise limiting the Lessee's other obligations under this Agreement, the Lessee shall supply, replace, install, repair, maintain and keep clean all grease traps in all drainage pipes exclusively used by it in its operations hereunder whether such pipes are located on the premises or elsewhere at the Terminal. The Lessee shall also keep clean, repair and maintain (other than structurally) all ventilation ducts including the replacement of all filters where such ducts are exclusively used by it in its operations hereunder and whether such ducts are located on the premises or elsewhere at the Terminal.

Section 44. Limitation on the Supply of Services

Notwithstanding that the Port Authority may have agreed to supply any service under Section 14 of this Agreement, the Port Authority shall be under no obligation to supply any such service if and to the extent and during any period that the supplying of any such service or the use of any component necessary therefor shall be prohibited or rationed by any federal, state or municipal law, rule, regulation, requirement, order or direction and if the Port Authority deems it in the public interest to comply therewith, even though such law, rule, regulation, requirement, order or direction may not be mandatory on the Port Authority as a public agency. If by operation of this Section any service for which the Lessee has agreed to pay a flat sum in Section 14 is discontinued for any period of the letting, the Lessee shall be relieved of its obligation to pay for such service for any such period or if any such service is supplied during fewer hours or in lesser amounts than agreed during any period of the letting, the Lessee shall be relieved proportionately of its obligation to pay for any such service for any such period.

Section 45. Governmental Compliance

In the event that all or any portion of the premises is required by the Port Authority to comply with any present or future governmental law, rule, regulation, requirement, order or direction, the Port Authority shall give the Lessee notice that all or any such portion of the premises is so required and the Lessee shall deliver all or any such portion of the premises so required on the date specified in such notice and, if the Lessee does not so deliver, the Port Authority may take the same. No such taking or delivery shall be or be construed to be an eviction of the Lessee or a breach of this Agreement. In the event that the Lessee has received a notice hereunder it shall deliver all or any such portion of the premises so required in the same condition as that required hereunder for the delivery of the premises on the cessation of the letting. In the event of the taking or delivery of all the premises, this Agreement and the letting hereunder shall on the day of such taking or delivery cease and expire as if that day were the date originally stated herein for the expiration of this Agreement; and, in the event of the taking or delivery of any portion of the premises, then, from and after such taking or delivery, such portion of the premises shall cease to be a part of the premises hereunder. There shall be an abatement of the rental in the event of any such taking or delivery of a portion of the premises if so provided in Item 1 of Exhibit B.

Section 46. Extermination Service

The Lessee shall pay the Port Authority upon demand the cost of extermination service, if any, actually provided by the Port Authority in the enclosed portion of the premises, provided, however, that the Port Authority shall not be required hereby to furnish such service.

Section 47. Force Majeure

The Port Authority shall not be liable for any failure, delay or interruption in performing its obligations hereunder due to causes or conditions beyond its control. Further, the Port Authority shall not be liable unless the failure, delay or interruption shall result from failure on the part of the Port Authority to use reasonable care to prevent or reasonable efforts to cure such failure, delay or interruption.

Section 48. Premises

The Port Authority shall deliver the premises to the Lessee in its presently existing "as is" condition. The Lessee acknowledges that prior to the execution of this Agreement it has thoroughly examined and inspected the premises and has found the premises in good order and repair and has determined it to be suitable for the Lessee's operations hereunder. The Lessee agrees to and shall take the premises in its "as is" condition, and the Port Authority shall have no obligation to perform any finishing or decorating work in the premises. The Lessee acknowledges that it has not relied upon any representation or statement of the Port Authority or its Commissioners, officers, employees or agents as to the condition of the premises or the suitability thereof for the operations permitted on the premises by this Agreement. The Lessee agrees that no portion of the premises will be used initially or at any time during the letting which is in a condition unsafe or improper for the conduct of the Lessee's operations hereunder so that there is a possibility of injury or damage to life or property and the Lessee further agrees that before any use it will immediately correct any such unsafe or improper condition.

Section 49. Late Charges

If the Lessee should fail to pay any amount required under this Agreement when due to the Port Authority, including without limitation any payment of basic, percentage or other rental or any payment of utility or other charges or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (but not less than thirteen) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Agreement. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Section with respect to such unpaid amount. Each late charge shall be and become additional rent, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the rental as set forth in the section of this Agreement entitled "Rental". Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Agreement, including without limitation the Port Authority's rights set forth in the section of this Agreement entitled "Termination" or (ii) any obligations of the Lessee under this Agreement. In the event that any late charge imposed pursuant to this Section shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Agreement shall be payable instead at such legal maximum.

Section 50. Commencement Date and Term of the Letting

(a) The term of the letting under this Agreement shall commence on June 1, 1997 (which date is sometimes hereinafter referred to as "the Commencement Date"), subject to postponement in accordance with the provisions of paragraph (b) of this Section, and shall expire, unless sooner terminated, or unless extended, at 11:59 o'clock P.M. on May 31, 2005.

(b) If on the Commencement Date fixed in paragraph (a) of this Section the premises are not available or ready for occupancy or use by the Lessee, by reason of the fact that the premises or any part thereof, or any part of the Facility, are in the course of construction, repair, alteration or improvement or by reason of the fact that the occupant of the premises, or a part thereof, failed or refused to deliver possession, or by reason of any causes or conditions beyond the control of the Port Authority, the Port Authority may postpone the letting and the Port Authority shall not be subject to any liability for such postponement or failure to give possession on such date. No such postponement or failure to give possession on such date shall affect the validity of this Agreement or the obligations of the Lessee hereunder. In the event the Commencement Date is postponed as herein provided, then the Port Authority shall tender possession of the premises to the Lessee by notice given at least five (5) days prior to the effective date of the tender and in such event the Rental Payment Start Date established pursuant to the provisions of Item 1 of Exhibit B attached to this Agreement (unless the Rental Payment Start Date is defined herein as a stated period following the Commencement Date of the term of the letting) shall be postponed for the same number of days that the Commencement Date is postponed. Also, in such event, the expiration date of the letting (unless defined herein as a stated period following the Rental Payment Start Date) shall be postponed for a period of time equivalent to the period from the Commencement Date stated in paragraph (a) of this Section and the last day of the calendar month in which the actual Commencement Date shall fall. In the event that notice of tender of the premises is not given for possession to commence on or before three hundred sixty-five (365) days after the Commencement Date fixed in paragraph (a) of this Section, then this Agreement shall be deemed cancelled, except that each party shall and does release and discharge the other party from any and all claims or demands based on this Agreement, or a breach or alleged breach thereof.

Section 51. Operating Names

Any name, designation or any service mark proposed to be used or displayed at the premises or at the Facility or for the Lessee's operations therein shall be approved in advance in writing by the Port Authority and the Lessee shall have the right to use and display the name, designation or mark only so long as this Agreement is in force and effect. If for any reason the Lessee ceases its operations in the premises, the Lessee's right to use such name, designation or service mark shall immediately cease and come to an end and the Port Authority or its designee shall have the sole right to use such name, designation

or service mark and the Lessee hereby consents to such use thereof. Any registration or filing by the Lessee with respect to such name, designation or service mark shall be approved in advance by the Port Authority in writing. The Lessee agrees to assign and transfer to the Port Authority any such registration or filing and any other rights in or to the use of such name, designation or service mark promptly upon written request therefor from the Port Authority.

Section 52. Affirmative Action

Without limiting any of the terms and conditions of this Agreement, the Lessee agrees, and agrees to require its contractors, to make every good faith effort, to the maximum extent feasible, to seek meaningful participation by minorities and women both as to Minority Business Enterprise (MBE) and Women-owned Business Enterprise (WBE) participation as contractors and subcontractors and as to the composition of the labor force on contracts and subcontracts entered into with respect to any construction work performed on the premises. The Port Authority has a long-standing practice of making its contracting opportunities available to MBEs and WBEs. The affirmative steps the Port Authority takes to maximize opportunities for MBEs and WBEs to participate in the performance of Port Authority construction contracts either directly or as subcontractors are hereby set forth for the Lessee's consideration in the schedule attached hereto, hereby made a part of this Agreement, and marked "Schedule E".

Section 53. Trash Removal

(a) Subject to all of the terms, conditions and provisions of this Agreement and in implementation of the provisions of Section 8(c) hereof, the Lessee agrees to remove from the premises all garbage, debris and other waste materials (whether solid or liquid) arising out of its occupancy or use of the premises by delivering the same daily to the Port Authority compaction unit located at the Terminal, and the Port Authority hereby grants to the Lessee the privilege to use the Port Authority compaction unit during such hours and in such manner as may be specified by the Port Authority for the compaction of all such garbage, debris and waste materials. The Port Authority shall thereafter arrange, through its agents, employees or contractors, for the collection and removal of all such debris, garbage and waste material from the Terminal. The privilege granted hereunder to the Lessee is non-exclusive and the Port Authority and all persons, firms or corporations designated by it shall have the right to use the said compaction unit and to enter upon the space designated for the location thereof for the purposes set forth herein. Nothing contained herein shall limit or be deemed to limit any rights the Port Authority or its designees may have under this Agreement, or otherwise, to enter upon or use such space.

(b) Prior to delivery to the Port Authority compaction unit, the Lessee shall store all garbage, debris and waste materials in suitable garbage and waste receptacles, to be provided by the Lessee at its sole cost and expense. All such receptacles shall be of a design

safely and properly to contain whatever may be placed therein and shall be kept closed or covered except when being filled and maintained in a clean and sanitary condition at all times. The Lessee shall exercise extreme care in bringing all such garbage, debris and waste materials to the Port Authority compaction unit and shall pick up and clean all spillage and accumulations thereof. Without limiting the applicability thereof in any way, the Lessee's indemnity, repair and maintenance obligations under this Agreement shall extend to and include its activities under this Section.

(c) During the effective period of the permission granted pursuant to the provisions of this Section, the Lessee shall not contract for waste, rubbish or garbage removal services and shall not dispose of garbage, debris or other waste materials except in the manner specified in this Agreement. The Port Authority shall have the right to temporarily discontinue the Lessee's non-exclusive right to use the compaction unit when necessary or desirable in the opinion of the Port Authority in order to make any repairs, alterations, changes or improvements thereto. Nothing contained herein shall impose or be construed to impose on the Port Authority any obligation to make any repairs, alterations, changes or improvements or to create any liability for any failure to do so. The Port Authority shall have the right to revoke the privilege granted hereunder to use the Port Authority compaction unit on thirty (30) days' prior written notice to the Lessee, provided, however, that it may be revoked by the Port Authority upon five (5) days' notice if the Lessee shall fail to keep, perform and observe each and every condition, term and provision contained herein. Revocation shall not relieve the Lessee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation. The exercise of the foregoing rights by the Port Authority shall not release, relieve or discharge the Lessee from any of its obligations under this Agreement and upon the exercise of such rights, the Lessee shall dispose of all garbage, debris or other waste material in accordance with the provisions of Section 8(c) of this Agreement.

(d) The Lessee shall pay to the Port Authority for the right to use the Port Authority compaction unit in accordance with the provisions of paragraph (a) of this Section an annual fee (hereinafter referred to as the "Trash Removal Fee") at the rate of Two Thousand Six Hundred Fifty-two Dollars and No Cents (\$2,652.00) per annum payable in monthly installment each in the amount of Two Hundred Twenty-one Dollars and No Cents (\$221.00) on the Commencement Date, and on the first day of each and every month thereafter occurring during the effective period of the permission granted pursuant to the provisions of this Section, provided, however, that, if the Commencement Date established for the premises occurs on a day which is other than the first day of a month, the Trash Removal Fee for the portion of the month during which the Commencement Date occurs following such date shall be the amount of the monthly installment set forth in this paragraph prorated on a daily basis. The Trash Removal Fee described in this paragraph, and the monthly installments thereof shall be payable, together with all applicable New York State and New York City taxes, at the same time and collectable with like remedies as if all such payments were payments of basic rental under this Agreement. The Trash Removal Fee set forth in

this paragraph shall be adjusted during the term of the letting under this Agreement in accordance with the provisions of paragraph (g) of this Section.

(e) The Lessee understands that the Port Authority will supply trash removal services hereunder through a contractor or contractors of its choice and that the Port Authority will choose a single contractor or that combination of contractors which in the Port Authority's opinion will result in the lowest total cost for the Terminal consistent with adequate performance of the services. In the event that pursuant to such contract or contracts as the Port Authority may enter into the Port Authority's cost of supplying trash removal services to the Terminal increases, then, at the option of the Port Authority, exercised at any time and from time to time by notice to the Lessee, the amount of such increase or the portion thereof allocated by the Port Authority to the premises or the Lessee's operations therein shall be added to the monthly fee specified in paragraph (d) above.

(f) No failure, delay or interruption in the service set forth herein shall be or be construed to be an eviction of the Lessee, shall be grounds for any diminution or abatement of any rentals payable under this Agreement or shall constitute grounds for any claim by the Lessee for damages consequential, or otherwise, unless due to the negligence of the Port Authority, its employees or agents.

(g) As used in this paragraph:

(i) "Index" shall mean the Revised Consumer Price Index for All Urban Consumers - New York-Northern New Jersey-Long Island, NY-NJ-CT (All Items, Unadjusted 1982-84=100) published by the Bureau of Labor Statistics of the United States Department of Labor.

(ii) "Base Period" shall mean the calendar month in which the Commencement Date established pursuant to the provisions of Section 50 of this Agreement shall occur.

(iii) "Adjustment Period" shall mean as the context requires the calendar month immediately preceding the calendar month in which the first anniversary of the Commencement Date established pursuant to the provisions of Section 50 of this Agreement shall occur, and the calendar month immediately preceding the calendar month in which each subsequent anniversary of the Commencement Date established pursuant to the provisions of Section 50 of this Agreement shall occur in each calendar year thereafter occurring during the term of the letting hereunder.

(iv) "Anniversary Date" shall mean the first anniversary of the Commencement Date established pursuant to the provisions of Section 50 of this Agreement and each subsequent anniversary of that date thereafter occurring during the term of the letting hereunder.

(v) "Percentage Increase" shall mean the percentage of increase in the Index on each Anniversary Date equal to a

fraction the numerator of which shall be the Index for the Adjustment Period immediately preceding such Anniversary Date less the Index for the Base Period and the denominator of which shall be the Index for the Base Period.

Commencing on each Anniversary Date occurring during the term of the letting under this Agreement and for the period commencing with such Anniversary Date and continuing through the day preceding the following Anniversary Date, both dates inclusive, in lieu of the Trash Removal Fee set forth in paragraph (d) of this Section the Lessee shall pay a Trash Removal Fee equal to the sum obtained by adding the Trash Removal Fee payable immediately prior to such Anniversary Date (but excluding therefrom any amount included therein as a result of prior adjustments thereof pursuant to the provisions of this subparagraph) to the product obtained by multiplying the Trash Removal Fee payable immediately prior to such Anniversary Date (but excluding therefrom any amount included therein as a result of prior adjustments thereof pursuant to the provisions of this subparagraph) by the Percentage Increase for such Anniversary Date, and such increased Trash Removal Fee shall be payable by the Lessee during the twelve month period commencing with such Anniversary Date and continuing through to the following Anniversary Date in lieu of the Trash Removal Fee set forth in paragraph (d) of this Section. There shall be no reduction in the Trash Removal Fee payable for any period in the event of any reduction in the Index.

In the event any Index to be used in computing an adjustment in the Trash Removal Fee referred to in paragraph (d) above is not available on the effective date of such adjustment, the Lessee shall continue to pay the said Fee at the annual rate then in effect subject to retroactive adjustment at such time as the specified Index becomes available, provided, however, that the Port Authority may at its option substitute for such Index the Index for the latest available twelve-month period ending during the preceding calendar year to constitute the specified Index. In the event the Index shall hereafter be converted to a different standard reference base or otherwise revised or the United States Department of Labor shall cease to publish the said Index, then for the purposes hereof there shall be substituted for the Index such other Index properly reflecting changes in the value of current United States money in a manner similar to that established in the Index used in the latest adjustment as the Port Authority may in its discretion determine.

If after a Trash Removal Fee shall have been fixed for any period, the Index used for computing such Fee shall be changed or adjusted, then the Trash Removal Fee for that period shall be recomputed and from and after notification of the change or adjustment, the Lessee shall make payments based upon the recomputed Fee and upon demand shall pay any excess in the Trash Removal Fee due for such period as recomputed over amounts theretofore actually paid on account of the said Fee for such period. If such change or adjustment results in a reduction in the Fee due for any period prior to notification, the Port Authority will credit the Lessee with the difference between the Fee as recomputed for that period and amounts actually paid on account of said Fee.

Section 54. Amendments

Prior to the execution of this Agreement by either of the parties hereto, the following changes, additions and deletions were made:

(a) Paragraphs (b) of Section 23 was deleted in its entirety.

(b) Section 33 was deleted in its entirety.

(c) The words "shall be made at the office of the Treasurer of the Port Authority, One World Trade Center, New York, New York 10048" appearing in the first and second lines of Section 37 shall be deemed deleted and the words "mailed to the Port Authority of New York and New Jersey, P.O. Box 17309, Newark, New Jersey 07194", shall be deemed inserted in lieu thereof.

(d) Notwithstanding that the Port Authority has agreed to supply electricity to the Lessee, the Port Authority shall be under no obligation to provide or continue such service if the Port Authority is prevented by law, agreement or otherwise from metering or measuring consumption and demand as hereinabove set forth or elects not to so meter or measure the same, then in any such event the Lessee shall make all arrangements and conversions necessary to obtain electricity directly from the public utility. Also in such event the Lessee shall perform the construction necessary for conversion and if any lines or equipment of the Port Authority are with the consent of the Port Authority used therefor the Port Authority may make an appropriate charge therefor to the Lessee based on its costs and expenses for the said lines and equipment.

(e) Notwithstanding the provisions of paragraph (c) of Section 42 of this Agreement, and without otherwise limiting the generality thereof, for the purposes of calculating the percentage rental payable hereunder on account of the sale or dispensing of lottery tickets issued by the Lottery Division of the New York State Department of Taxation and Finance, there shall be included in gross receipts under this Agreement only the fees and commissions received, or receivable, by the Lessee from the sale or dispensing of such lottery tickets. Without limiting the generality of the provisions Section 14 of this Agreement the Lessee shall display in such areas of the premises as shall be designated by the Port Authority only such signs and advertising relating to the sale or dispensing of lottery tickets issued by the Lottery Division of the New York State Department of Taxation and Finance, as may be supplied or approved in advance by the Port Authority. In addition to all rights of termination contained in this Agreement, the Port Authority shall have the right to withdraw permission for the sale or dispensing of lottery tickets issued by the Lottery Division of the New York State Department of Taxation and Finance, at any time during the term of the letting under this Agreement, on thirty (30) days' notice to the Lessee and the Lessee shall discontinue and cease the sale or dispensing of lottery issued by the Lottery of the New York State

Department of Taxation and Finance on or before the effective date set forth in any such notice from the Port Authority.

It shall not be necessary to physically make the aforesaid changes in the aforesaid Sections of this Agreement.

Section 55. No Gifts, Gratuities, Offers of Employment

(a) During the term of the letting under this Agreement, the Lessee shall not offer, give or agree to give anything of value either to a Port Authority employee, agent, job shopper, consultant, construction manager or other person or firm representing the Port Authority, or to a member of the immediate family (i.e., a spouse, child, parent, brother or sister) of any of the foregoing, in connection with the performance by such employee, agent, job shopper, consultant, construction manager or other person or firm representing the Port Authority, of duties involving transactions with the Lessee on behalf of the Port Authority, whether or not such duties are related to this Agreement or any other Port Authority lease, contract or matter. Any such conduct shall be deemed a material breach of this Agreement.

(b) As used herein "anything of value" shall include but not be limited to any (1) favors, such as meals, entertainment, transportation (other than that contemplated by this Agreement or any other Port Authority lease or contract), etc. which might tend to obligate the Port Authority employee to the Lessee, and (2) gift, gratuity, money, goods, equipment, services, lodging, discounts not available to the general public, offers or promises of employment, loans or the cancellation thereof, preferential treatment or business opportunity. Such term shall not include compensation contemplated by this Agreement or any other Port Authority lease or contract.

(c) In addition, during the term of the letting under this Agreement, the Lessee shall not make an offer of employment or use confidential information in a manner proscribed by the Code of Ethics and Financial Disclosure dated as of July 18, 1994 (a copy of which is available upon request to the Office of the Secretary of the Port Authority).

(d) The Lessee shall include the provisions of this Section 55 in each sublease, contract or subcontract entered into under and pursuant to the provisions of this Agreement.

(e) The Lessee certifies that it has not made any offers or agreements, or given, or agreed to give anything of value (as defined in this Section 55) or taken any other action with respect to any Port Authority employee or former employee or immediate family members of either which would constitute a breach of ethical standards under the Code of Ethics and Financial Disclosure dated as of July 18, 1994, nor does the Lessee have any knowledge of any act on the part of a Port Authority employee or former Port Authority employee relating either directly or indirectly to the Lessee which constitutes a breach of ethical standards set forth in said Code.

Section 56. Entire Agreement

This Agreement consists of the following: Pages 1 through 29 inclusive, Exhibits A , B, and R and Schedule E.

It constitutes the entire agreement of the parties on the subject matter hereof and may not be changed, modified, discharged or extended except by written instrument duly executed by the Port Authority and the Lessee. The Lessee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing in this Agreement.

IN WITNESS WHEREOF, the parties hereto have executed these presents as of the day and year first above written.

EXHIBIT B

Item 1: Rental Provisions

(a) Definitions:

(1) "Rental Payment Start Date" shall mean the commencement date of the term of the letting of the premises established pursuant to this Agreement.

(2) "Annual period" shall mean, as the context requires, the twelve-month period commencing with the Rental Payment Start Date established pursuant to the provisions of this Agreement and each of the twelve-month periods thereafter occurring during the term of the letting under this Agreement, provided, however, that if the Rental Payment Start Date shall occur on a day other than the first day of a calendar month, the first annual period shall include the portion of the month in which the Rental Payment Start Date shall occur following such date plus the succeeding twelve calendar months and each subsequent annual period shall commence on the anniversary of the first day of the first full calendar month following the calendar month in which the Rental Payment Start Date shall occur, provided, further, however, that the last annual period shall expire in any event on the expiration date of the term of the letting under this Agreement.

(3) "Annual exemption amount" shall mean for and during each of the first three annual periods hereunder the sum of Six Hundred Four Thousand One Hundred Ninety Dollars and No Cents (\$604,190.00), as the same may be reduced by the operation of the abatement and/or proration provisions hereof. For and during each annual period occurring during the period from the commencement of the fourth annual period and continuing through the expiration of the term of the letting under this Agreement, the annual exemption amount shall mean the sum of Seven Hundred One Thousand Six Hundred Forty Dollars and No Cents (\$701,640.00) as the same may be reduced by the operation of the abatement and/or proration provisions hereof.

(4) For the purpose of calculating the percentage rental due for any annual period which contains more or less than 365 days the applicable annual exemption amount mentioned in subparagraph (3) of this paragraph shall be prorated over the actual number of days contained in such annual period.

(b) Basic Rental:

(1) The Lessee shall pay to the Port Authority a basic rental for the premises at the rate of Sixty Thousand Four Hundred Fifty Dollars and No Cents (\$60,450.00) per annum for the period from the Rental Payment Start Date and continuing to the end of the third annual period, both dates inclusive, payable in advance in monthly installments each in the amount of Five Thousand Thirty-

seven Dollars and Fifty Cents (\$5,037.50) on the Rental Payment Start Date and on the first day of each and every month thereafter occurring during such period, provided, however, that, if the Rental Payment Start Date occurs on other than the first day of a month, the installment of basic rental payable on the Rental Payment Start Date shall be the amount of the monthly installment set forth in this subparagraph prorated on a daily basis over the number of days in that month from the Rental Payment Start Date to the last day of that month, both dates inclusive.

(2) The Lessee shall pay to the Port Authority a basic rental for the premises at the rate of Seventy Thousand Two Hundred Dollars and No Cents (\$70,200.00) per annum for the period from the commencement of the fourth annual period and continuing to the expiration date of the term of the letting under this Agreement, both dates inclusive, payable in advance in monthly installments each in the amount of Five Thousand Eight Hundred Fifty Dollars and No Cents (\$5,850.00) on the first day of the fourth annual period and on the first day of each and every month thereafter occurring during such period.

(3) If the expiration date of the term of the letting shall occur on a day other than the last day of a calendar month, the installment of basic rental payable on the first day of the calendar month in which the expiration date of the term of the letting shall occur shall be an amount equal to the amount of the monthly installment described in this subparagraph multiplied by a fraction the numerator of which shall be the number of days from the first day of the calendar month in which the expiration date of the term of the letting shall occur to the expiration date of the term of the letting, both dates inclusive, and the denominator of which shall be the full number of days in that calendar month.

(4) If the letting hereunder shall terminate on a day other than the last day of a calendar month, the installment of basic rental payable on the first day of the calendar month in which the effective date of termination shall occur shall be an amount equal to the amount of the applicable installment described in this paragraph multiplied by a fraction the numerator of which shall be number of days from the first day of the calendar month in which the effective date of termination shall occur to the effective date of termination, both dates inclusive, and the denominator of which shall be the full number of days in that calendar month.

(c) Percentage Rental:

The Lessee shall pay to the Port Authority an annual percentage rental equivalent to ten percent (10%) of all gross receipts of the Lessee arising during each annual period which are in excess of the annual exemption amount established for such annual period. The computation of percentage rental for each annual period, or a portion of an annual period, as hereinabove provided, shall be individual to such annual period, or such

portion of an annual period, and without relation to any other annual period, or any other portion of any annual period.

(d) Time of Payment of Rentals, Computations of Amounts and Accounting:

(1) The Lessee shall pay the percentage rental as follows: on the 20th day of the first month following the Rental Payment Start Date and on the 20th day of each and every month thereafter occurring during each annual period occurring during the term of the letting under this Agreement, including the month following the end of each annual period, the Lessee shall render to the Port Authority a statement showing the amount of gross receipts arising from its operations in the premises during the preceding month, and the cumulative amount of such gross receipts arising from its operations in the premises from the date of the commencement of the annual period for which the report is made through the last day of the preceding calendar month; whenever any such statement shall show that the cumulative amount of gross receipts for that annual period are in excess of the annual exemption amount established for that annual period, the Lessee shall pay at the time of rendering the statement an amount equal to the percentage set forth in paragraph (c) of this Item 1 applied to such excess and shall thereafter on the 20th day of each month during that annual period and the month following the end of that annual period pay an amount equal to the percentage set forth in paragraph (c) of this Item 1 applied to the gross receipts arising during each subsequent month during that annual period. At any time that the applicable annual exemption amount is decreased by abatement as herein provided so that there is an excess of gross receipts as to which the percentage rental has not been paid, such percentage rental shall be payable to the Port Authority on demand. The Lessee's statement following the close of each annual period shall report total gross receipts for such annual period and total percentage rental due therefor and if any adjustments are required, the same shall be made at the time such report is rendered.

(2) Upon any termination of the letting under this Agreement (even if stated to have the same effect as expiration), the Lessee, shall within twenty (20) days after the effective date of such termination, make a payment of rental computed as follows: first, if the term of the letting under this Agreement is terminated effective on a date other than the last day of a month, the basic rental for the portion of that month in which the effective date of termination occurs during which the letting remains effective shall be the amount of the applicable monthly installment of basic rental prorated on a daily basis, and if the applicable monthly installment due on the first day of that month has not been paid the Lessee shall pay the prorated part of the amount of that installment; if the applicable monthly installment has been paid, then the excess thereof shall be credited to the Lessee's other obligations; second, the Lessee shall within twenty (20) days after the effective date of termination render to the Port Authority a sworn statement of all its gross receipts for the annual period in which the effective date of termination happens

to fall; and third, the payment then due on account of all percentage rental for the annual period in which the effective date of termination falls shall be the excess of the percentage rental, computed as follows, over the total of such percentage rental payments previously made for such annual period: an amount equal to the percentage set forth in paragraph (c) of this Item 1 applied to the gross receipts of the Lessee for such annual period which are in excess of the annual exemption amount established for the annual period in which the effective date of termination occurs, except that such annual exemption amount shall be multiplied by a fraction, the numerator of which shall be the number of days from the commencement of that annual period to the effective date of termination and the denominator of which shall be 365.

(e) Repayment Amount:

(i) As further consideration of the making of this Agreement by the Port Authority, and as a condition thereto, the Lessee hereby agrees to pay to the Port Authority the sum of Fifty Thousand Dollars and No Cents (\$50,000.00) (said sum being hereinafter referred to as the "Repayment Amount") in advance in monthly installments, each in the amount of Eight Hundred Thirty-three Dollars and Thirty-three Cents (\$833.33), on the Rental Payment Start Date, and on the first day of each calendar month thereafter through the end of the fifth annual period, so that the Lessee shall have paid sixty (60) consecutive monthly installments of the Repayment Amount. The Repayment Amount shall be payable in the same manner and collectible with like remedies as if the same and the monthly installments thereof were a part of the basic rental reserved hereunder, except that the Repayment Amount and the monthly installments thereof shall not be subject to abatement or suspension for any reason whatsoever either in accordance with the provisions of this Agreement or otherwise.

(ii) In the event the Lessee shall fail to pay any installment of the Repayment Amount or in the event of the cancellation or termination of the Lease for any reason whatsoever during the first five annual periods, the Lessee shall pay to the Port Authority, without demand or notice from the Port Authority, the entire unpaid balance of the Repayment Amount then remaining due. Nothing contained herein shall be deemed in any way to affect the Lessee's obligations to pay the rentals and other charges payable under this Agreement during the balance of the term of the letting hereunder. Anything contained herein to the contrary notwithstanding, any failure of the Lessee to pay any installment of the Repayment Amount when due may, at the election of the Port Authority, also be deemed an event of default under the provisions of the Section of this Agreement entitled "Termination". The Lessee may prepay in whole or in part at any time the unpaid balance of the Repayment Amount. No acceptance by the Port Authority of any payment hereunder after the occurrence of any default in the payment of any installment described in this paragraph shall be deemed a waiver on the part or the Port Authority of its right to accelerate the remaining unpaid balance of the Repayment Amount.

(iii) Notwithstanding the obligation of the Lessee to pay the Repayment Amount as part of its obligation under this Agreement, the Lessee hereby agrees, as a separate and independent covenant that it shall pay to the Port Authority the total amount of the Repayment Amount at the times and in the amounts set forth in subparagraph (i) of this paragraph (e). It is expressly understood that the Repayment Amount has not been incorporated in the provisions of Section 24 of this Agreement setting forth the damages of the Port Authority in the event of termination or cancellation of this Agreement or the re-entry, regaining or resumption of possession by the Port Authority as therein set forth. In lieu thereof it is hereby expressly understood and agreed that the provisions of subparagraph (ii) hereof including the Lessee's obligations to pay the entire unpaid balance as stated therein shall be in effect. All of the provisions of subparagraph (ii) above and of this subparagraph (iii) shall be deemed to be obligations and covenants of the Lessee separate and independent of the obligation to pay the Repayment Amount in the manner set forth under this Agreement. If, however, these provisions are not given full and complete effect by any court of competent jurisdiction, then and at the election of the Port Authority, all unpaid installments of the Repayment Amount shall be and be deemed to be a part of the damages of the Port Authority under Section 24 of this Agreement, and all of the provisions of said Section 24 shall apply and pertain thereto.

(f) Abatement:

(1) For every calendar day or major fraction thereof that the Lessee shall be entitled to abatement during the period commencing on the Rental Payment Start Date and continuing through the last day of the third annual period, both dates inclusive, the basic rental established for such period shall be reduced by the product of One Hundred Sixty-five Dollars and Sixty-two Cents (\$165.62) multiplied by a fraction the numerator of which shall be the number of square feet of floor space as to which the abatement applies and the denominator of which shall be the total number of square feet in the premises.

(2) For every calendar day or major fraction thereof that the Lessee shall be entitled to abatement during the period commencing on the first day of the fourth annual period and continuing through the expiration date of the term of the letting, both dates inclusive, the basic rental established for such period shall be reduced by the product of One Hundred Ninety-two Dollars and Thirty-three Cents (\$192.33) multiplied by a fraction the numerator of which shall be the number of square feet of floor space as to which the abatement applies and the denominator of which shall be the total number of square feet in the premises.

(3) For the purpose of abatement, the ascertainment of the number of square feet contained in the premises to be measured shall be in accordance with the following: Areas of the premises and parts thereof will be computed by measuring from the

inside plaster surface of outer building walls to the plaster surface of the corridor side of corridor partitions and to the center of partitions that separate the premises from adjoining rentable area; no deduction will be made for columns, pilasters, or projections necessary to the building or for toilets, porter's closets, and slop sinks used exclusively by the Lessee and contained within the premises. Permanent partitions enclosing elevator shafts, stairs, fire towers, vents, pipe shafts, meter closets, flues, stacks and any vertical shafts have the same relation to rentable areas as do outer building walls.

(g) Nothing contained in the foregoing provisions of this Item 1 shall affect the survival of the obligations of the Lessee as set forth in Section 24 of this Agreement.

Item 2: Liability Insurance Limits:

(a) The liability insurance referred to in Section 11(b) shall be in limits of not less than the following and shall include a full contractual liability endorsement covering the indemnity obligations assumed by the Lessee: Comprehensive general liability insurance, covering bodily injury, including wrongful death, products liability, and property-damage liability in the minimum amount of \$2,000,000 combined single limit per occurrence.

(b) Notwithstanding the provisions of Section 11(c) the Port Authority shall be included as an additional insured in any policy of liability insurance required by the provisions of this Agreement and each such policy of insurance so required shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

(c) The policy of comprehensive general liability insurance required by the provisions of this Agreement shall provide or contain an endorsement providing that the protection afforded the Lessee thereunder with respect to any claim or action against the Lessee by a third person shall pertain and apply with like effect with respect to any claims or action against the Lessee by the Port Authority and against the Port Authority by the Lessee, but such endorsement shall not limit, vary, change or affect the protection afforded the Port Authority thereunder as an additional insured.

Item 3: (a) Heat and Air Cooling:

(1) During the period from October 1, through April 30 in each year, during such days and hours as the Lessee conducts its business, the Port Authority shall supply without additional charge, heat to the Lessee sufficient to maintain the premises to an even and comfortable temperature. During the period from May 1, through September 30, in each year, during such days and hours as the Lessee conducts its business the Port Authority shall sell, furnish and supply to the Lessee chilled water at such temperature and with such other characteristics as may be determined by the Port Authority for use by the Lessee in such air conditioning systems as are installed in the premises, but only on such days as the return chilled water temperature exceeds sixty-five degrees (65°) Fahrenheit. The Lessee shall be solely responsible for the distributing, handling and circulating of air conditioning within the premises. The Port Authority shall have no responsibility for the air conditioning of the premises or the maintenance of any specified temperature or comfort level therein. The Lessee shall be solely responsible for maintaining and repairing the systems and equipment installed in the premises for ventilating and air cooling the premises. The chilled water referred to above shall be paid for by the Lessee at an annual rate which shall be equal to Four Dollars and Eighty-five Cents (\$4.85) multiplied by the number of rentable square feet in the premises and which shall be payable in advance in equal monthly installments at the same time, in the same manner and collectible with like remedies as if such payments and the monthly installments thereof were payments of basic rental under this Agreement. The charge for chilled water shall be subject to increase as provided in paragraph (g) of this Item 3. For the purposes of this Section the number of rentable square feet in the premises is 1,950 rentable square feet.

(2) If the Lessee, in accordance with the Sections of this Agreement entitled "Construction by the Lessee" or "Finishes to be Provided by the Lessee", or otherwise, erects any partitions or makes any improvements which stop, hinder, obstruct or interfere with the heating of the premises or the cooling of the air, or if the Lessee shall fail to close and keep closed the window coverings when the sun is shining on the windows of the premises, then no such action by the Lessee shall impose any obligations on the Port Authority to increase or augment the existing or presently contemplated supply of heat or air cooling and the Lessee shall not in any such event be relieved of any of its obligations hereunder. No consent or approvals given by the Port Authority in connection with the erection of partitions, the making of any improvements or the installation of any heating or air conditioning systems shall be or be deemed to be a representation that the work consented to or approved will not stop, hinder, obstruct or interfere with either the cooling of the air or heating of the premises or any portion thereof or that any system is sufficient or adequate for heating or air cooling of the premises. It is hereby understood further that the installation

by the Lessee of any equipment which itself requires air cooling or which requires additional quantities of air cooling at the portion of the premises where such equipment is installed, or the concentration in any portion of the premises of such a number of people so as to require additional quantities of air cooling, shall not impose any obligation on the Port Authority to increase the capacity or output of initially existing facilities, equipment or fixtures for the supply of air cooling and the Lessee shall not in any such event be relieved of any of its obligations hereunder.

The Lessee shall not waste or dissipate heating nor draw any of the same into the premises from public areas contiguous thereto. Without otherwise affecting the Port Authority's rights or remedies in the event of any breach by the Lessee of its obligations under this Agreement, the Port Authority shall have the right to discontinue or reduce the said supply of steam during any period of such waste, dissipation or improper drawing and any failure of the Port Authority to supply any such service under such conditions shall not affect any of the Lessee's obligations under this Agreement.

(b) Electricity:

60 ampere, 120/208V, 3 phase, 4 wire electric service, to be metered by the Port Authority and to be paid for by the Lessee at the greater of: (1) the rates (including the fuel or other adjustment factor if any) which the Lessee at the time of such purchase and under the service classification then applicable to it would have to pay for the same quantity of electricity to be used for the same purposes under the same conditions if it received the electricity directly from the public utility supplying the same to commercial buildings in the vicinity; or (2) the Port Authority's cost of obtaining and supplying the same quantity of electricity. Notwithstanding that the Port Authority has agreed to supply electricity to the Lessee, the Port Authority shall be under no obligation to provide or continue such service if the Port Authority is prevented by law, agreement or otherwise from metering as hereinabove set forth or elects not to so meter the same, then in any such event the Lessee shall make all arrangements and conversions necessary to obtain electricity directly from the public utility. Also in such event the Lessee shall perform the construction necessary for conversion and if any lines or equipment of the Port Authority are with the consent of the Port Authority used therefor the Port Authority may make an appropriate charge therefor to the Lessee based on its costs and expenses for the said lines and equipment.

(c) Domestic Cold Water: Not to be sold, furnished or supplied by the Port Authority.

(d) Domestic Hot Water: Not to be sold, furnished or supplied by the Port Authority.

(e) Steam: Not to be sold, furnished or supplied by the Port Authority.

(f) Gas: Not to be sold, furnished or supplied by the Port Authority.

(g) As used in this subparagraph:

(i) "Index" shall mean the Revised Consumer Price Index for All Urban Consumers - New York-Northern New Jersey-Long Island, NY-NJ-CT (All Items, Unadjusted 1982-84=100) published by the Bureau of Labor Statistics of the United States Department of Labor.

(ii) "Base Period" shall mean the month of January 1997.

(iii) "Adjustment Period" shall mean as the context requires the month of December, in the calendar year 1997 and the month of December in each calendar year thereafter occurring during the term of the letting under this Agreement as the same may hereafter be amended or extended.

(iv) "Anniversary Date" shall mean January 1, 1998 and each anniversary of such date occurring during the term of the letting under this Agreement as the same may hereafter be amended or extended.

(v) "Percentage increase" shall mean the percentage of increase in the Index on each Anniversary Date equal to a fraction the numerator of which shall be the Index for the Adjustment Period immediately preceding such Anniversary Date less the Index for the Base Period and the denominator of which shall be the Index for the Base Period.

The charge for chilled water set forth in subparagraph (a) (1) of this Item 3 shall be increased on each Anniversary Date occurring during the term of the letting under this Agreement as the same may hereafter be amended or extended by an amount equal to the product obtained by multiplying such charge by the Percentage Increase for such Anniversary Date, and such increased charge shall be payable by the Lessee during the twelve month period commencing with such Anniversary Date and continuing through to the following Anniversary Date in lieu of the charge set forth in subparagraph (a) (1) of this Item 3. There shall be no reduction in the charge for chilled water payable for any period in the event of any reduction in the Index.

In the event any Index to be used in computing an adjustment in the charge for chilled water referred to in subparagraph (a) (1) of this Item 3 is not available on the effective date of such adjustment, the Lessee shall continue to pay such charge at the annual rate then in effect subject to retroactive adjustment at such time as the specified Index becomes

available, provided, however, that the Port Authority may at its option substitute for such Index the Index for the latest available twelve-month period ending during the preceding calendar year to constitute the specified Index. In the event the Index shall hereafter be converted to a different standard reference base or otherwise revised or the United States Department of Labor shall cease to publish the said Index, then for the purposes hereof there shall be substituted for the Index such other Index properly reflecting changes in the value of current United States money in a manner similar to that established in the Index used in the latest adjustment as the Port Authority may in its discretion determine.

If after the charge for chilled water shall have been fixed for any period, the Index used for computing such charge shall be changed or adjusted, then the charge for chilled water for that period shall be recomputed, and from and after notification of the change or adjustment, the Lessee shall make payments based upon the recomputed charge, and upon demand shall pay any excess in the charge for chilled water due for such period as recomputed over amounts theretofore actually paid on account of such charge for such period. If such change or adjustment results in a reduction in the charge due for any period prior to notification, the Port Authority will credit the Lessee with the difference between the charge as recomputed for that period and amounts actually paid on account of such charge. In the event that there are no amounts owing to the Port Authority by the Lessee, the Port Authority shall, upon demand by the Lessee promptly refund said amount to the Lessee.

Item 4: New Construction: None

Item 5: Construction Liability Insurance Limits: Not applicable.

SCHEDULE E

For purposes hereof, Minority Business Enterprise (MBE) shall mean any business enterprise which is at least fifty-one percentum owned by one or more citizens or permanent resident aliens who are minorities and such ownership is real, substantial and continuing, or in the case of a publicly owned business, at least fifty-one percentum of the stock of which is owned by citizens or permanent resident aliens who are minorities and such ownership is real, substantial and continuing. As used herein minority shall mean an individual member of any of the following racial groups

- (i) Black (all persons having origins in any of the Black African racial groups not of Hispanic origin;
- (ii) Hispanic (all persons of Mexican, Puerto Rican, Dominican, Cuban, Central or South American origin, regardless of race);
- (iii) Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asian, the Indian Subcontinent, or the Pacific Islands) which includes persons whose origins are from Japan, China, Taiwan, Korea, Vietnam, Laos, Cambodia, the Philippines, Samoa, Guam, the U.S. Trust Territories of the Pacific, the Northern Marianas, India, Pakistan, Bangladesh, and Sri Lanka; and
- (iv) American Indian or Alaskan Native (all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification) which includes persons who are American Indians, Eskimos, Aleuts, or Native Hawaiians.

For the purposes hereof, Women-owned Business Enterprise (WBE) shall mean any business enterprise which is at least fifty-one percentum owned by one or more women and such ownership is real, substantial and continuing, or in the case of a publicly owned business, at least fifty-one percentum of the stock of which is owned by one or more women and such ownership is real, substantial and continuing. "Meaningful participation" shall mean that at least seventeen percent (17%) of the total dollar value of the contracts (including subcontracts) are for the participation of Minority Business Enterprises and Women-owned

Business Enterprises. Good faith efforts to include meaningful participation by MBEs and WBEs shall include at least the following:

- (1) Dividing work into smaller portions where feasible.
- (2) Actively and affirmatively soliciting bids and proposals for contracts or subcontracts to provide commodities and services from MBEs and WBEs including circulation of solicitations to minority and female contractor associations. The Lessee shall maintain records detailing the efforts it and its contractors have made to provide for meaningful MBE and WBE participation, including the names and addresses of all MBEs and WBEs contacted and, if any such MBE or WBE is not selected, the reason for such decision. The Lessee shall supply to the Port Authority such information, data, and documentation with respect to the efforts the Lessee has made to provide for meaningful MBE and WBE participation in contracts and subcontracts as the Port Authority may from time to time and at any time request.
- (3) Providing prospective MBEs and WBEs with plans, specifications, and other necessary background materials with regard to prospective work available to MBEs and WBEs in sufficient time for review.
- (4) Meeting regularly with representatives of the Port Authority to identify forthcoming business opportunities and suitable MBEs and WBEs, following up on specific recommendations made by such representatives, and utilizing the list of eligible MBEs and WBEs hereinafter described in this Schedule, maintained by the Port Authority, or seeking minorities and women from other sources for the purpose of soliciting contractors, subcontractors, and suppliers.
- (5) Encouraging the formation of joint ventures, partnerships or other similar arrangements among contractors, where appropriate, to insure that the Lessee and its contractors will meet their obligations hereunder.
- (6) Insuring that provision is made to provide progress payments to MBEs and WBEs on a timely basis, where appropriate.
- (7) Not requiring bonds from and/or providing bonds and insurance for MBEs and WBEs, where appropriate.

The Port Authority has compiled a list, which may be supplemented and revised from time to time by the Port Authority, of the firms the Port Authority has determined satisfy the criteria for MBE and WBE certification. Such list shall be made available to the Lessee and its contractors upon request. The Port Authority makes no representation as to the financial responsibility of such firms, their technical competence to

perform, or any other performance-related qualifications. Only listed MBEs and WBEs and such firms as are not so listed but as are certified by the Port Authority as MBEs and WBEs hereunder will count toward the MBE and WBE goals.

Certification of MBE's and WBEs hereunder shall be made by the Office of Business and Job Opportunity of the Port Authority. If the Contractor wishes to utilize a firm not so listed but which the Contractor believes should be certified because it is an MBE or WBE the Contractor shall submit to the Port Authority a written request for a determination that the proposed firm is eligible for certification. This shall be done by completing and forwarding such form as may be required by the Port Authority from time to time. All such requests shall be in writing addressed to Mr. John Alexander or other designee of the Office of Business and Job Opportunity, the Port Authority of New York and New Jersey, One World Trade Center, 37 South, New York, N.Y. 10048. If any such firm is determined eligible for certification it shall only be by a writing over the name of the Director in charge of such Office. The determination of the Port Authority shall be final and binding on the Contractor. For inquiries or assistance, please contact Mr. John Alexander at (212) 432-4188.

The following organizations may be able to refer the Contractor to firms which the referring organization has a reasonable basis to believe may meet the Port Authority's criteria for certification as an MBE or WBE. Any referrals which are not listed shall be submitted to the Port Authority for a determination as to eligibility as provided above.

In the event that the participation of any MBE or WBE selected by the Lessee or any of its contractors to participate in any contracts or subcontracts entered into with respect to any construction work performed on the premises, is cancelled or terminated for any reason, the Lessee agrees and agrees to require its contractors to make every good faith effort, to the maximum extent feasible, and consistent with the Lessee's exercise of good business judgment, including, without limitation, the consideration of cost competitiveness, to utilize other MBEs and WBEs so as to maintain appropriate participation by MBEs and WBEs in such contracts.

Labor Force Utilization

Without limiting the foregoing provisions of this Schedule, and without limiting any of the terms and conditions of the Agreement to which this Schedule is attached, the Lessee agrees and agrees to require its construction and maintenance contractors and subcontractors at each tier of any construction undertaken pursuant to the provisions of the Agreement to which this Schedule is attached to make good faith efforts to achieve a supervisory and non-supervisory work force on each contract that is representative of the local community labor force with respect to minority and female participation and will work with the Port Authority's Office of Business and Job Opportunity to identify referral sources when needed. The Lessee will cooperate with the Port Authority to develop on the job training programs and will participate in apprenticeship and other training programs that expressly include minority and female workers. The Lessee agrees to require its contractors and subcontractors to participate in such programs and to make a good faith effort to utilize apprentices or other trainees in the work as appropriate. The Lessee agrees to and shall require its contractors and subcontractors to appoint an executive of their respective companies to assume the responsibility for the implementation of the contractors' good faith efforts to achieve minority and female participation in the work force under the contract.

The goals for minority and female participation, expressed in percentage terms for the aggregate workforce in each trade on all construction work are as follows:

Journey level trade workers

Minority participation: 30%

Female participation: 6.9%

Laborers and other unskilled workers

Minority participation: 40%

Female participation: 6.9%

These goals are applicable to all construction work performed in and for the premises. Compliance with the goals will be measured against the total work hours performed.

(a) The Lessee agrees to require its contractors and subcontractors to provide written notification to the Lessee and the Lessee agrees to provide written notification to the Office of Business and Job Opportunity of the Port Authority within 10 working days of award of any construction contract or subcontract in excess of \$10,000.00 at any tier for construction work. The notification shall list the name, address, telephone number and employer identification number of the contractor or subcontractor; and the estimated starting and completion dates of the contract or subcontract. As used herein, "Employer identification number" shall mean the Federal Social Security Number used on the Employer's Quarterly Federal Tax Return, U.S. Treasury Department Form 941. The term minority shall mean an individual member of any of the racial groups described in this Schedule.

(b) The Lessee agrees to require its contractors and subcontractors, at any tier, whenever they subcontract a portion of the construction work involving any construction trade, to physically include in each subcontract in excess of \$10,000 those provisions which include the applicable goals for minority and female participation.

(c) The Lessee agrees to require its contractors and subcontractors to implement the specific affirmative action standards provided in subparagraphs (1) through (16) of paragraph (f) hereof. The goals set forth above are expressed as percentages of the total hours of employment and training of minority and female utilization the Lessee's contractors and subcontractors should reasonably be able to achieve in each construction trade in which it has employees on the premises. The Lessee agrees and agrees to require its contractors and subcontractors to use good faith efforts to make substantially uniform progress toward its goals in each craft during the period specified.

(d) The Lessee agrees to provide in its construction contracts that neither the provisions of any collective bargaining agreement, nor the failure by a union with which the contractor has a collective bargaining agreement, to refer either minorities or women shall excuse the contractor's obligations thereunder.

(e) The Lessee further agrees to provide in its agreements with its contractors that in order for the nonworking training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees shall be employed by the contractor during the training period, and the

contractor shall have made a commitment to employ the apprentices and trainees at the completion of their training, subject to the availability of employment opportunities. Trainees shall be trained pursuant to training programs approved by the U. S. Department of Labor.

(f) The Lessee agrees to require its contractors and subcontractors to take specific affirmative actions to ensure equal employment opportunity ("EEO"). The Lessee's evaluation of the contractor's compliance with these provisions shall be based upon the contractor's good faith effort to achieve maximum results from its actions. The Lessee agrees to require its contractors and subcontractors to document these efforts fully, and to implement affirmative action steps at least as extensive as the following:

(1) Ensure and maintain a working environment free of harassment, intimidation, and coercion at all portions of the premises at which the contractor's employees are assigned to work. The contractor, where possible, will assign two or more women to each phase of the construction project. The contractor shall specifically ensure that all foremen, superintendents, and other supervisory personnel at the premises are aware of and carry out the contractor's obligation to maintain such a working environment, with specific attention to minority or female individuals working at the premises.

(2) Establish and maintain a current list of minority and female recruitment sources, provide written notification to minority and female recruitment sources and to community organizations when the contractor or its unions have employment opportunities available, and maintain a record of the organizations' responses.

(3) Maintain a current file of the names, addresses and telephone numbers of each minority and female off-the-street applicant and minority or female referral from a union, a recruitment source or community organization and of what action was taken with respect to each such individual. If such individual was sent to the union hiring hall for referral and was not referred back to the contractor by the union or, if referred, not employed by the contractor, this shall be documented in the file with the reason therefor, along with whatever additional action the contractor may have taken.

- (4) Provide immediate written notification to the Lessee when the union or unions with which the contractor has a collective bargaining agreement has not referred to the contractor a minority person or woman, sent by the contractor, or when the contractor has other information that the union referral process has impeded the contractor's efforts to meet its obligations.
- (5) Develop on-the-job training opportunities and/or participate in training programs for the area which expressly include minorities and women, including upgrading programs and apprenticeship and trainee programs relevant to the contractor's employment needs, especially those programs funded or approved by the Department of Labor. The contractor shall provide notice of these programs to the sources compiled under subparagraph (2) above.
- (6) Disseminate the contractor's EEO policy by providing notice of the policy to unions and training programs and requesting their cooperation in assisting the contractor in meeting its EEO obligations; by including it in any policy manual and collective bargaining agreement; by publicizing it in the contractor's newspaper, annual report, etc.; by specific review of the policy with all management personnel and with all minority and female employees at least once a year; and by posting the contractor's EEO policy on bulletin boards accessible to all employees at each location where the construction work is performed.
- (7) Review, at least every six months, the contractor's EEO policy and affirmative action obligations hereunder with all employees having any responsibility for hiring, assignment, layoff, termination or other employment decisions including specific review of these items with on-area supervisory personnel such as Superintendents, General Foremen, etc., prior to the initiation of construction work at the premises. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed, and disposition of the subject matter.
- (8) Disseminate the contractor's EEO policy externally by including it in any advertising in the news media, specifically including minority and female news media, and providing written notification to and discussing the contractor's EEO policy with other contractors and subcontractors with whom the contractor does or anticipates doing business.

- (9) Direct its recruitment efforts, both oral and written, to minority, female and community organizations, to schools with minority and female students, to minority and female recruitment and training organizations and to State certified minority referral agencies serving the contractor's recruitment area and employment needs. Not later than one month prior to the date for the acceptance of applications for apprenticeship or other training by any recruitment source, the contractor shall send written notification to organizations such as the above, describing the openings, screening procedures, and tests to be used in the selection process.
- (10) Encourage present minority and female employees to recruit other minority persons and women and, where reasonable, provide after school, summer and vacation employment to minority and female youth both on the premises and in other areas of a contractor's workforce.
- (11) Tests and other selection requirements shall comply with 41 CFR Part 60-3.
- (12) Conduct, at least every six months, an inventory and evaluation of all minority and female personnel for promotional opportunities and encourage these employees to seek or to prepare for, through appropriate training, etc., such opportunities.
- (13) Ensure that seniority practices, job classifications, work assignments and other personnel practices, do not have a discriminatory effect by continually monitoring all personnel and employment related activities to ensure that the EEO policy and the contractor's obligations hereunder are being carried out.
- (14) Ensure that all facilities and company activities are nonsegregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure privacy between the sexes.
- (15) Document and maintain a record of all solicitations of offers for subcontracts from minority and female construction contractors and suppliers, including circulation of solicitations to minority and female contractor associations and other business associations.
- (16) Conduct a review, at least every six months, of

all supervisors' adherence to and performance under the contractor's EEO policies and affirmative action obligations.

(g) The Lessee shall encourage its contractors to participate in voluntary associations which assist in fulfilling one or more of the affirmative action obligations set forth in subparagraphs (1)-(16) of paragraph (f) of this Section. The efforts of a contractor association, joint contractor-union, contractor-community, or other similar group of which the contractor is a member and participant, may be asserted as fulfilling any one or more of its obligations under paragraph (f) hereof provided that: the contractor actively participates in the group, makes every effort to assure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the program are reflected in the contractor's minority and female workforce participation, makes a good faith effort to meet its individual goals and timetables, and can provide access to documentation which demonstrates the effectiveness of actions taken on behalf of the contractor. The requirement for good faith efforts to comply, however, shall remain with the contractor and the Lessee shall provide in its agreements with the contractor that failure of such a group to fulfill an obligation shall not be a defense for the contractor's non-compliance.

(h) Goals for minorities and a separate single goal for women have been established. The Lessee, however, agrees to require its contractors and subcontractors to provide equal employment opportunity and to take affirmative action for all minority groups, both male and female, and all women, both minority and non-minority, and to provide that consequently, the contractor may be in violation of its agreement with the Lessee if a particular group is employed in a substantially disparate manner (for example, even though the contractor has achieved its goals for women generally, the contractor may be in violation if a specific minority group of women is under-utilized).

(i) The Lessee agrees to provide that the contractor shall not use the goals and timetables or affirmative action standards to discriminate against any person because of race, color, religion, sex, or national origin.

(j) The Lessee agrees that it will not enter into any contract with any person or firm debarred from Government contracts pursuant to Executive Order 11246, and agrees to require that its contractors and subcontractors not enter into any subcontract with any such person or firm.

(k) The Lessee agrees to carry out such sanctions and penalties for violation of these provisions including suspension, termination and cancellation of existing contracts and subcontracts as may be required and the Lessee further agrees to

require its contractors and subcontractors to agree to carry out such sanctions and penalties for violation of these provisions including suspension, termination and cancellation of existing contracts and subcontracts as may be imposed or ordered by the Lessee.

(l) The Lessee agrees to require its contractors and subcontractors, in fulfilling their obligations to the Lessee, to implement specific affirmative action steps, at least as extensive as those standards prescribed in paragraph (f) hereof so as to achieve maximum results from their efforts to ensure equal employment opportunity. If the contractor fails to comply with such requirements, the Lessee shall proceed accordingly.

(m) The Lessee agrees to require its contractors and subcontractors to designate a responsible official to monitor all employment related activity to ensure that the company EEO policy is being carried out, to submit reports relating to the contractor's EEO obligations as may be required, and to keep records. Records shall at least include for each employee the name, address, telephone numbers, construction trade, union affiliation if any, employee identification number when assigned, social security number, race, sex, status (e.g. mechanic, apprentice, trainee, helper, or laborer), date of changes in status, hours worked per week in the indicated trade, rate of pay, and location at which the work was performed. Records shall be maintained in an easily understandable and retrievable form; however, to the degree that existing records satisfy this requirement, contractors need not be required to maintain separate records.

(n) Nothing herein provided shall be construed as a limitation upon the application of any laws which establish different standards of compliance or upon the application of requirements for the hiring of local or other area residents (e.g., those under the Public Works Employment Act of 1977 and the Community Development Block Grant Program).

(o) Without limiting any other term or provision of this Agreement, the Lessee agrees and agrees to require its contractors and subcontractors to cooperate with all federal, state, or local agencies established for the purpose of implementing affirmative action compliance programs and the Lessee agrees and agrees to require its contractors and subcontractors to comply with all procedures which may be agreed to by and between the Port Authority and the Lessee.

(p) In addition to and without limiting any of the terms and provisions of this Agreement, the Lessee agrees to provide in its contracts and all subcontracts covering construction work, or any portion thereof, that:

(i) The contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, and shall undertake or continue existing programs of affirmative action to ensure that minority group persons are afforded equal employment opportunity without discrimination. Such programs shall include, but not be limited to, recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, rates of pay or other forms of compensation, and selections for training or retraining, including apprenticeships and on-the-job training;

(ii) At the request of either the Port Authority or the Lessee, the contractor shall request such employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding and which is involved in the performance of the contract with the Lessee to furnish a written statement that such employment agency, labor union or representative shall not discriminate because of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will cooperate in the implementation of the contractor's obligations hereunder;

(iii) The contractor will state, in all solicitations or advertisements for employees placed by or on behalf of the contractor in the performance of the contract, that all qualified applicants will be afforded equal employment opportunity without discrimination because of race, creed, color, national origin, sex, age, disability or marital status;

(iv) The contractor will include the provisions of subdivisions (i) through (iii) of this paragraph in every subcontract or purchase order in such a manner that such provisions will be binding upon each subcontractor or vendor as to its work in connection with the contract;

(v) "Contractor" as used in subdivisions (i) through (iv) of this paragraph shall include each contractor and subcontractor at any tier of construction.

For the Port Authority

For the Lessee

**RULES AND REGULATIONS FOR
THE PORT AUTHORITY BUS TERMINAL**

PURPOSE

1. Purpose. These rules are established by the Port Authority of New York and New Jersey to facilitate the proper use of the Port Authority Bus Terminal and to protect the terminal and its patrons.

DEFINITIONS

2. Definitions. As used herein:

(a) Bus shall mean a self-propelled highway vehicle designed and constructed for the carriage of passengers for hire, employing as a source of motive power (either directly or by electrical transmission) a reciprocating internal-combustion or a turbine engine (not including a jet-propulsion engine) utilizing as fuel gasoline, diesel oil, or any other substance utilized by highway vehicles for fuel and permitted both by the laws of New York and by those of New Jersey then in effect and also under the then existing rules and regulations governing the use of the Lincoln Tunnel (and then only in strict compliance with the requirements of such laws, rules and regulations), and having Overall dimensions not in excess of the following: length, 60 feet; width, 102 inches; height, 11 feet six inches and having a maximum gross loaded weight not in excess of 42,000 (unladen weight) pounds avoirdupois, distributed to provide not more than 20,000 pounds per axle. Articulated buses up to 65 feet overall length shall, for the purposes of these regulations, be included in the definition.

(b) Carrier shall mean an operator of one or more vehicles for the transportation of passengers for hire.

(c) Driver shall mean the person who is in actual physical control of a vehicle.

(d) Express shall mean and include property other than baggage, mail, manifest baggage and newspapers, transported or to be transported by a carrier in accordance with its published tariffs, and shall be defined as defined in the published tariffs of any carrier, except that it shall not include acid, animals, articles packed in wet ice or water, dangerous articles, explosives, gases, inflammable materials, intoxicating beverages, jewelry, lottery tickets, materials having or capable of producing strong, offensive odors, meat, meat products, money, securities, watches, or wet batteries; provided, however, that by notice given within 60 days after the effective date of any reissue, revision or supplement of a tariff of any carrier, the Port Authority may exclude therefrom any article, material or thing listed therein for the first time; and provided, further, that express shall not include any parcel or piece the overall dimensions of which are greater than 24 inches by 24 inches by 45 inches.

(e) Highway vehicle shall mean and include an automobile, a bus, a truck, a tractor equipped with rubber tires, a trailer, or a semi-trailer.

(f) I.C.C. regulations shall mean regulations of the Interstate Commerce Commission in effect on the effective date hereof issued under the authority of the Interstate Commerce Commission.

(g) Manifest baggage shall mean and include property checked through on the line of any carrier (or of a carrier connecting with any carrier) on a ticket or tickets for passenger transportation, in accordance with and as defined by local and joint baggage tariff 500-G of the Interstate Commerce Commission, issued June 15, 1949 and effective July 20, 1949, as the same may be hereafter supplemented or amended; provided, however, that by notice given to the carrier within 60 days of any supplement, revision or reissue of the tariff of such carrier, the Port Authority may exclude any article, material or thing therein listed for the first time.

(h) Parking shall mean the halting of a vehicle on a roadway or other area while not actually engaged in receiving or discharging passengers, except when halted in obedience to traffic regulations, signs or signals, and without regard to the presence or absence of the driver.

(i) Permission shall mean permission granted by the manager except where otherwise specifically provided.

(j) Person shall mean any individual, firm, partnership, corporation, or incorporated or unincorporated association, and shall include any assignee, receiver, trustee, executor, administrator or similar representative appointed by a court, and shall mean the United States of America or any department of the government thereof, any state or political subdivision thereof, or any foreign government or political subdivision thereof or the United Nations.

(k) Port Authority shall mean The Port Authority of New York and New Jersey.

(l) Port Authority rules and regulations shall mean the rules and regulations set forth in this Part and all amendments and supplements thereto.

(m) Published tariff; see tariff.

(n) Stand shall mean to halt a bus for the purpose of loading or unloading or for waiting in position for loading or unloading.

(o) Manager of the terminal or manager shall mean the person or persons from time to time designated by the Port Authority to exercise the powers and functions vested in the said manager by these rules and regulations, and shall mean the manager or acting manager of the terminal for the time being or his duly designated representative or representatives.

(p) Tariff or published tariff shall mean the schedule of rates, terms and conditions of transportation under which a carrier conducts its operation and which has been approved by the Interstate Commerce Commission or by other governmental regulatory body having jurisdiction over the operations of the carrier.

(q) Terminal shall mean the two buildings that represent the North and South Wing of the bus facility which are connected above and below West 41st Street. The South Wing shall mean the building on the block bounded by West 40th Street, Ninth Avenue, West 41st Street and Eighth Avenue in the borough of Manhattan, in the City, County and State of New York. The North Wing shall mean the building on a portion of the block bounded by East 42nd Street, Eighth Avenue, West 41st Street and the east face of the building at 330 West 42nd Street in the borough of Manhattan, in the

City, County and State of New York. The terminal also includes the overhead viaducts from the South Wing to the west side of 9th Avenue as well as the tunnel leading from the North Wing to Dyer Avenue.

(r) Vehicle shall mean and include automobiles, trucks, buses, tractors, trailers, semi-trailers, horse-drawn carts or wagons and any other devices in or upon or by means of which any person or property is or may be transported, carried or drawn upon land only, except railroad rolling equipment or other devices designed to operate on stationary rails or tracks.

(s) Vehicular level shall mean and include any floor or story at the terminal designed for use by highway vehicles.

GENERAL

3. Permission to use terminal conditional. Any permission granted by the Port Authority directly or indirectly, expressly or by implication, to any person or persons to enter upon or use the terminal or any part thereof, is conditioned upon acceptance of and compliance with the Port Authority rules and regulations, as from time to time may be changed, and entry upon or into the terminal by any person shall be deemed to constitute an agreement by such person to comply with the said rules and regulations; provided, however, that such rules and regulations will not apply to premises or space occupied or used under the provisions of a written agreement made with the Port Authority unless provision is made therein for the application of the said rules and regulations.

4. Use of terminal may be denied persons violating law or rules. The Manager of the terminal shall have authority to deny the use of the terminal to any individual violating Port Authority rules and regulations or laws, ordinances or regulations of the United States government, the State of New York, or the City of New York.

5. Permission to enter certain areas of the building.

- (a) Closed Areas - No person except person assigned to duty therein shall enter without permission any area of the terminal posted as being closed to Public.
- (b) Restricted Areas - No person shall enter without authorization any area of the terminal posted as restricted unless such person complies with such restriction.
- (c) Persons entering the terminal when not fully open for business - During such days and hours as the terminal is partially closed such as late hours of the night and early hours of the morning, any person shall, when entering, remaining, or leaving the terminal, if requested by a Port Authority representative, exhibit such authorization as prescribed by the manager.

6. Abandonment of property prohibited. No person shall abandon any property at the terminal.

7. Permission required to carry on commercial activity. No person shall carry on any commercial activity at the terminal without permission.

8. Gambling prohibited. No person shall gamble or conduct or engage in any game of chance at the terminal unless such game of chance is permitted by local state and federal law and has been approved by the manager.

9. Permission required to solicit funds or contributions. No person shall solicit funds or contributions for any purpose at the terminal without permission.

10. Permission required to post or distribute commercial signs, advertisements, etc. No person shall post, distribute or display commercial signs, advertisements, circulars or printed or written material within the terminal without permission. The manager of the terminal reserves the right to set standards for the location, appearance, size and content of all signs, posters, notices, displays and advertisements and may prohibit installation of such or subsequent removal, if necessary.

11. Lost Articles. All persons finding lost articles at the terminal shall deliver them to the Parcel Check Room. Articles unclaimed by the owner or owners within three months after the finding thereof will be turned over to the finders, except when found by Port Authority employees on duty.

12. Trash, garbage, waste, etc. to be deposited in receptacles provided therefor. No persons shall throw, discharge or deposit trash, garbage, waste, oil or other petroleum products or any other waste material into or upon any portion of the terminal except by depositing such material in receptacles provided therefor. All such receptacles shall be subject to the approval of the manager.

13. Defacing, damaging, etc. terminal or property therein prohibited. No person shall deface, mark, break, or otherwise damage any part of the terminal, or any property thereat.

14. Non-commercial distribution of leaflets, carrying of placards and holding of discussions restricted.

(a) The non-commercial distribution of leaflets, the setting up of card tables to aid in that distribution, the carrying of placards and the holding of discussions with terminal patrons shall be permitted in the following manner at the locations on the subway mezzanine passageway, main floor, second floor and fourth floor and not within 10 feet of an escalator or elevator as designated on a diagram of the terminal on display in the manager's office and on file in the secretary's office. All areas shall be unavailable during major holiday periods, i.e., the periods commencing on the day preceding major holidays (e.g. Friday before Labor Day, day before Thanksgiving, the day before three-day weekends) through and including the concluding day of the holiday period. The manager may grant exception to this rule for holidays which do not give rise to three-day weekends and for which traffic forecasts indicate that traffic in the terminal shall not substantially exceed that which occurs on a normal day.

(1) Subway mezzanine passageway between North and South Wings. Five persons shall be permitted to distribute leaflets and/or carry placards and hold discussions in this area.

(2) Main Floor

(i) Area A. Six persons shall be permitted to distribute leaflets, carry placards and hold discussions. Additionally, these persons may set up two card tables at the location in this area designated on the diagram of the terminal on display in the manager's office and on file in the secretary's office.

(ii) Area B. This area shall be available to eight persons for the distribution of leaflets, the carrying of placards and the holding of discussions. Additionally, these persons may set up two card tables in the location in this area designated on the diagram of the terminal displayed in the manager's office and on file in the secretary's office.

(3) Second Floor

(i) Area A. This area shall be available to six persons for the distribution of leaflets, the carrying of placards and the holding of discussions with patrons of the terminal at all times when the area is open to the general public, except when this area is being used as a passenger holding area.

(ii) Area B. Two persons may distribute leaflets and set up one card table to aid in this distribution in the location designated as area B on the diagram of the terminal displayed in the manager's office and on file in the secretary's office. Because of the small size of this area and its proximity to escalators, the area shall be unavailable to these Persons for discussions with terminal patrons.

(iii) Area C.

(a) This area shall be available to three persons for the distribution of leaflets, the carrying of placards and the holding of discussions with terminal patrons. Additionally, one card table may be set up for the distribution of leaflets at the specified location within area C shown on the diagram displayed in the manager's office and on filed in the secretary's office.

(b) This area will be unavailable for these activities when being used as a passenger holding area.

4. Fourth Floor

(i) Area A. This area shall be available at all times to three persons for the distribution of leaflets, carrying of placards and the holding of discussions with terminal patrons. Additionally, one card table may be set up for the distribution of leaflets by these persons in the location designated on area A of the upper bus level shown on the diagram of the terminal displayed in the manager's office and on file in the secretary's office.

EXHIBIT R

- (ii) Area B. This area shall be available at all times to two persons for the distribution of leaflets, the carrying of placards and the holding of discussions with terminal patrons.
- (b) In addition to the above, a total of 10 persons shall be permitted to walk on the concourses and walkways within the terminal which are open to the public, for the purpose of distributing noncommercial leaflets at all times, provided that such activities shall be subject to the limitations described above.
- (c) (1) Any person or group who wishes to conduct any of the above activities at the locations specified shall apply to the manager on forms provided by him for this purpose. Application shall be made not less than 36 hours nor more than one week before commencement of the activities. The application shall set forth the type of activities to be conducted, the time, location and duration of the activities, and the name, address and telephone number of the person making the application (in case of a group it shall be sufficient to supply the name, address and telephone number of one person who can be contacted if problems arise concerning the grant of the application).
- (2) The manager shall grant all such applications on a first come, first served basis so long as the number of persons, the activities and the time, duration and location applied for are in compliance with the provisions set forth in subdivision (a).
- (3) The grant of the application by the manager shall be in the form of a permit which shall set forth the number of persons covered by the permit, the activities which are permitted, the permitted time and duration of those activities, and the location at which the activities may be conducted.
- (4) The duration of each permit issued shall not be in excess of two weeks. Any person or group may renew a permit for successive two week periods. Renewal applications shall be made on the same form as new applications and shall be processed as if they were new applications.
- (d) No signs, placards or other material shall be affixed to the bus terminal. No leaflets or other material shall be distributed by leaving them unattended throughout the terminal.
- (e) The manager may refuse the grant of any permit or suspend any permit already granted in the event of emergencies, such as snowstorms, traffic accidents, power failures, transportation strikes or other conditions which render the traffic flow in any of the areas covered by the permit such that conduct of the activities would create a dangerous condition or substantially interfere with traffic in the terminal.

15. Creation of obnoxious odors, noxious gases, smoke or fumes prohibited. No person shall create, or permit any vehicle or machine of which he is in charge to create, obnoxious odors, noxious gases, smoke or fumes in the terminal. The creation of internal-combustion engine exhaust-fumes by vehicles in the terminal, so long as such vehicles are maintained and are being operated in a proper manner, shall not be an infraction of this section. No person shall spit, urinate or defecate on any part of the terminal other than in a urinal or toilet intended for that purpose.

16. Vehicular use of terminal restricted. No person shall travel, or remain on, or shall permit any vehicle of which he has charge to travel, or remain on, any portion of the terminal except upon the roadways, walks or other places or areas provided for the particular class of traffic. No person shall occupy or shall permit any vehicle of which he has charge to occupy the walks, roadways, entrances, exits, waiting rooms or other areas of the terminal in such a manner as to hinder or obstruct their use by others. Only parties authorized by the manager are permitted to operate vehicles on terminal premises; unauthorized vehicular operation on terminal premises may be considered trespass.

17. Loitering in or about terminal prohibited. No person shall loiter in or about the terminal or any part thereof.

18. Authorization required for sale of merchandise, solicitation of trade, entertainment of persons or solicitation of alms. No person, unless duly authorized by the Port Authority, shall, in or upon any area, platform, stairway, station, waiting room or any other appurtenance of the terminal:

- (a) sell, offer for sale any article of merchandise; or
- (b) solicit any business or trade, including the carrying of baggage for hire; the shining of shoes or boot blacking; or
- (c) entertain any persons by singing, dancing or playing any musical instrument; or
- (d) solicit alms

19. Persons unable to give satisfactory explanation of presence prohibited from loitering in terminal. No person, who is unable to give satisfactory explanation of his presence, shall loiter in or about any toilet, area, station, station platform, waiting room or any other appurtenance of the terminal. No person shall bathe, shower, shave, launder or change clothes or remain undressed in any public restroom, sink, washroom or any other area within the terminal.

20. Animals barred from terminal. No person except a police officer or another person authorized by the manager shall enter in the terminal with any animal except a "seeing eye" dog or an animal properly confined for shipment.

21. Passage through loading gates restricted. No person shall pass through the loading gates on any vehicular level except:

- (a) persons employed by or doing business with a carrier whose duties require such passage;
- (b) authorized representatives of the Port Authority;

- (c) persons having permission; and
- (d) passengers immediately prior to boarding. buses or immediately after leaving buses

22. Photography and filming in the terminal. No person may make drawings or take still photographs or action pictures for commercial use within the terminal without permission from the manager.

23. Alcoholic beverages. No person shall drink or carry any open alcoholic beverage in any public part of the terminal.

SAFETY

24. Permission required to bring into or carry firearms or other weapons in terminal; exceptions. No persons, except authorized law-enforcement officers, post-office, customs and express employees, licensed armed guards, employees of a carrier, and members of the armed services of the United States or of any State thereof on official duty, shall bring into or carry in the terminal any firearms or other weapons, without permission.

25. Permission required to bring into or carry explosives, acids, inflammables, compressed gases, etc. in terminal; exceptions. No person shall bring into or carry in the terminal any explosives, acids, inflammables, compressed gases or articles or materials having or capable of producing strong offensive odors, or articles or materials likely to endanger persons or property, except with permission. No person shall bring or cause to be brought into or kept in the terminal any signal flare or any container filled with or which has been emptied or partially emptied of oil, gas petroleum products, paint or varnish, except with permission. When permission is given to bring into or keep at the terminal any such articles or materials it shall be conditioned upon the use of appropriate receptacles in rooms or areas approved therefor by the manager. Bringing in or keeping at the terminal without special permission gasoline or other motor fuel contained in tanks permanently attached to vehicles and not contained under pressure shall not be an infraction of this regulation. Bringing into and keeping in the terminal without special permission kerosene signal flares in good condition, of the type required or permitted by Interstate Commerce Commission regulations and properly stowed in buses, shall not be an infraction of this regulation.

26. Permission required to use inflammable liquids for cleaning at terminal. No person shall use inflammable liquids for cleaning at the terminal without permission.

27. Smoking or carrying lighted cigars, cigarettes, pipes, etc. in certain areas of terminal prohibited. No person shall smoke or carry lighted cigars, cigarettes, pipes, matches or any naked flame in areas of the terminal where smoking is prohibited by the Port Authority.

28. Unauthorized interference with or use of terminal systems or equipment prohibited. No person shall do or permit to be done anything which may interfere with the effectiveness or accessibility of the fire protection system, sprinkler system, drainage system, alarm system, telephone system, public announcement and intercommunication system, plumbing system, airconditioning system, ventilation system, fire hydrants, hoses, fire extinguishers, Port Authority towing equipment or

other mechanical system, facility or equipment installed or located at the terminal including closed circuit television cameras and monitors, signs and notices; nor shall any person operate, adjust or otherwise handle or manipulate, without permission, any of the aforesaid systems or portions thereof, or any machinery, equipment or other devices installed or located at the terminal. Tags showing date of last inspection attached to units of fire extinguishing and fire fighting equipment shall not be removed therefrom. Nor shall any person plug a TV, radio or other electrical device into any outlet or connect any device to any utility at or in the terminal.

29. All persons required to exercise care to avoid or prevent injury to persons or damage to property. All persons at the terminal shall exercise the utmost care to avoid or prevent injury to persons or damage to property. Neither any inclusion in nor any omission from these rules and regulations set forth in this Part shall be construed to relieve any person from exercising the utmost care to avoid or prevent injury to persons or damage to property.

30. Permission and accompaniment by Port Authority employee required for entry into all designated Port Authority areas. No person shall enter any Port Authority area at the terminal except with permission and then only when accompanied by an employee of the Port Authority. This includes emergency stairwells except when an emergency conditions exists.

31. No sleeping in terminal. No person on or in the facility shall sleep, doze, lie, or sit down on the floors, hallways, platforms, stairs, landings or other places where such activity may be hazardous to such person or to others, or may interfere with the operation of the terminal's transportation system, pedestrian flow or comfort of its users or tenants.

32. No skateboarding, rollerskating, or bicycle riding. No person shall skateboard, roller skate or ride a bicycle, scooter or any other self-propelled vehicle or device on or through any part of the terminal.

33. Noise. No person shall make, continue, cause or permit to be made or continued any unauthorized noise in the terminal.

34. Fire. No person shall cook, light a fire or otherwise create a fire in any part of the terminal.

35. Storage. No Person shall store bundles, paper, cloth, cardboard or any other material in solid, liquid or gas form that could in any way pose a fire or life safety hazard or obstruct or hinder passage without the approval of the manager.

36. No sound reproduction devices. Except with prior permission, no person shall operate or use any personal radio, television, phonograph, tape recorder or other sound reproduction device in the terminal in such a manner that the sound emanating from such sound reproduction device is audible to another person.

37. Use of lighting or sound reproduction equipment. No person shall without specific authorization from the manager operate or use or cause to be operated or use any lighting or sound reproduction device for commercial or business advertising purposes or for the purpose of attracting attention to any performance, show, sale or display of merchandise, or any commercial or business enterprise, in front or outside of any building, place or premises in the terminal.

38. Inspection of freight, articles and packages. The manager reserves the right to inspect all freight and other articles including hand-carried packages brought into or out of the Bus Terminal and to exclude therefrom all articles which violate any of these rules and regulations, and to require the occupants of space and others regularly doing business at the terminal to issue package passes (in such form as may be approved by the manager) for packages being carried to or from, or from one location to another within the terminal.

BAGGAGE AND EXPRESS

39. Leaking, loose, improperly packaged and marked baggage or express not accepted for handling. No piece of baggage or express will be accepted for handling at the terminal, if in a leaking or loose conditions. No piece of express will be accepted for handling if it is not properly packaged and parked.

40. Express, baggage or manifest baggage producing or capable of producing offensive odor or likely to cause damage or injury to persons or property not accepted for handling and subject to removal from terminal. No piece of express, baggage or manifest baggage will be accepted for handling at the terminal if it has or is capable of producing an offensive odor or is likely to damage other express or baggage or to endanger persons or property or to take any portion of the terminal untenable; and the same shall be subject to immediate removal by the Port Authority from the terminal or to another location or locations within the terminal, such removal to be at the risk and expense of the carrier involved.

41. Express, baggage and manifest baggage subject to I.C.C. regulations not handled unless in compliance with applicable provisions of such regulations. Express, baggage, and manifest baggage, subject to I.C.C. regulations, will not be handled at the terminal, unless it complies with the said regulations in every respect including without limiting the generality of such regulations proper condition for transportation, containers of adequate strength, packing, marking, labeling, description, certification, and quantity and loading limitations.

VEHICLES

42. Vehicles not maintained, operated and registered in accordance with Port Authority rules and applicable laws, ordinances or regulations may be denied access to or removed from terminal. The manager of the terminal shall have authority to deny access to the terminal for any bus or other vehicle not maintained, operated and registered in accordance with these regulations, or which is otherwise in violation of the Port Authority Bus Terminal rules and regulations or the laws, ordinances or regulations of the United States government, the State of New York, or City of New York; and shall have authority to require removal of any such vehicle from the terminal on five minutes notice. In the event the vehicle is not so removed, the Port Authority may remove it under the provisions of section 59 herein.

43. Vehicles so loaded, constructed, operated, equipped or maintained as to endanger persons or property or obstruct traffic barred from terminal. No vehicle which is loaded in such a manner, or with such materials, or which is so constructed, operated, equipped or maintained as to endanger or to be likely to endanger persons or property, or to obstruct traffic, shall be permitted in or upon the terminal.

44. Vehicles having weights or dimensions in excess of described maxima or using prohibited fuels barred from terminal. No vehicle will be permitted in or upon the

terminal which has a weight or dimensions larger than the maxima described herein for buses or which utilizes any fuel not permitted as a source of motive power for buses under the provisions of section 2 herein.

45. Vehicles lacking valid registration plate barred; exceptions. Except for vehicles owned by the government of the United States, and horse-drawn vehicles, no highway vehicle shall be permitted in the terminal unless a currently effective registration plate duly issued by appropriate governmental authority is attached thereto.

46. Persons driving highway vehicles within terminal required to be duly licensed to operate such vehicles. No person shall drive any highway vehicle (except a horse-drawn vehicle) in the terminal without a motor vehicle operator's or chauffeur's license issued by appropriate governmental authority permitting the driving by such person of the particular type of vehicle driven and valid within the State of New York.

47. Passenger boarding and discharge areas to be used so as to avoid blocking bus traffic. Except when standing a bus in space, the use of which has been licensed specifically to the operator of such bus by written agreement with the Port Authority, drivers shall stand vehicles in the terminal only at space designated for such vehicles by the manager or other Port Authority representative. Where space is used in common by the buses of more than one carrier, such as on the unloading platforms, the drivers will cause their buses to stand in the most forward portion of such space available upon arrival and will continually move their buses forward, toward, and to the most forward vacant portion of the space. No buses shall discharge passengers on any active roadways including the viaducts leading to and from the terminal unless specifically directed by a terminal representative.

48. Procedure to be followed by driver in event of accident involving his vehicle. The driver of any vehicle involved in an accident resulting in injury or death to any person or damage to any property shall immediately stop such vehicle at the scene of the accident, render such assistance as may be needed, and give his name, address and driver's license, and the registration number of the vehicle to the person injured or to a Port Authority officer or representative. The driver, Operator, or owner of such vehicle shall make a report of such accident in accordance with the law of the State of New York.

49. Unauthorized tampering, starting, movement or interference with vehicles prohibited. No unauthorized person shall tamper with any vehicle, start the motor thereof, move the vehicle, or otherwise interfere with the operation thereof at the terminal.

50. Permission required to fuel, defuel, lubricate, clean or repair vehicles within terminal. No person shall fuel, defuel, lubricate, clean or repair a vehicle or any part thereof, at the terminal, without permission.

51. Vehicles entering terminal required to extinguish headlights. Every driver of a vehicle entering the terminal shall extinguish the headlights thereof and shall not relight them until leaving the terminal.

52. Prolonged sounding of vehicle horns prohibited. Prolonged sounding of the horns of vehicles in the terminal is forbidden.

53. Leaving vehicles unattended without turning off motor, locking vehicle and setting brakes prohibited. No person shall leave a vehicle unattended in the terminal without having first turned off its motor, locked all doors, and set its parking brakes.

54. Vehicles prohibited from remaining in terminal for more than 15 minutes. No vehicle shall remain in the terminal for longer than the time necessary for permitted operations in connection therewith, and, unless a shorter time limitation is elsewhere imposed, no vehicle shall remain in the terminal for longer than 15 minutes unless at a designated gate or parking space and so as not to obstruct the operation of the terminal. The manager shall have authority to require, by five minutes' notice, which may be given orally to the driver, the removal from the terminal of any vehicle which shall have been standing or parked at the terminal for so long as 15 minutes; in the event the vehicle is not so removed, the Port Authority may remove it under the provisions of section 59 herein.

55. Operation of vehicles within terminal regulated. No person shall operate a vehicle in the terminal in a careless and negligent manner or in disregard of the right or safety of others, or without due caution, or at a speed in excess of speed limits posted in the area where the vehicle is being operated, or in any event at a speed in excess of 5 miles per hour, or at any speed or in any manner which endangers or is likely to endanger persons or property, or while under the influence of intoxicating liquor or any narcotic or habit-forming drug.

56. Compliance with authorized traffic orders, signals, signs or directions required. Drivers of vehicles in the terminal must at all times comply with any traffic order, signal or direction, given by voice or by hand, of an authorized representative of the Port Authority. When traffic is controlled by traffic lights or signs or by mechanical or electrical signals, such lights, signs and signals shall be obeyed unless an authorized representative of the Port Authority directs otherwise.

57. Drivers required to report arrival and departure and pay fees. Unless other applicable provision for reports is made in an agreement with a carrier, each driver of a bus of any carrier shall report to the Port Authority representative immediately upon arrival at the terminal, shall pay all fees required shall give information of the expected time of departure, and shall, immediately before departure, check out as directed by the Port Authority representative.

58. Disabled vehicles subject to removal. Unless other provisions for the removal of disabled vehicles has been made by agreement, the Port Authority shall have the right to require, by five minutes' notice which may be given orally to the driver, the removal from the terminal (or to a different location in the terminal), of any vehicle which has become disabled in the terminal. In the event such vehicle is not so removed, the Port Authority may remove it under the provisions of section 59 herein.

59. Removal of vehicles from terminal to be at owner's or operator's risk and expense. In the event the Port Authority is empowered to remove any bus or other vehicle from the terminal by any provision of the rules and regulations set forth in this Part, such removal shall be at the risk of the owner or operator of such vehicle, and the cost thereof shall be for the account of such owner or operator and payable to the Port Authority on demand.

60. Time limit for engine idling. Every driver who causes a vehicle to park or stand in the terminal for three (3) or more minutes shall turn off its motor.

PARCEL CHECK ROOM

61. The Port Authority parcel check room will be operated as a public check room at which services will be provided to the public subject to regulations and fees established by the Executive Director or his representative.

PORTER SERVICE

62. The Port Authority of New York and New Jersey will furnish porter service to the public free of charge at the Port Authority Bus Terminal.

CHARTER BUS OPERATIONS

63. Use of terminal by charter buses permitted; restrictions; fees. Operators of charter bus transportation service between the City of New York and points outside the city who have not entered into agreements for space and services at the Port Authority bus terminal will be Permitted to use the enclosed vehicular levels of the terminal, such use to be limited to one-way and through operations originating at points outside New York City, and to round-trip operations, the initial portions of which originate at points outside New York City, the charge for each bus arrival or departure with passengers to be \$12.50.

PUBLIC VEHICULAR PARKING

64. The Port Authority public vehicular parking area. The Public vehicular parking area is operated and charges fees as established by the Executive Director of the Port Authority of New York and New Jersey or his designated representative.

ELEVATORS, ESCALATORS, AND LOADING DOCKS

65. Elevator Schedule. Elevators for passengers and freight handling service will be operated in accordance with a schedule established by the manager, unless the arrangements are made with the manager for operation at other times.

66. Prohibition. Passenger elevators and escalators may not be used to carry freight.

67. Controls. The use of any escalator, elevator, private right-of-way or truck loading dock at the terminal will be subject to the direct control of the manager.

68. Causing an elevator or escalator to stop. No unauthorized person shall cause an elevator or escalator to stop by means of any emergency stopping device unless continued operation would appear to result in probable injury to a person or persons. Any such stopping should be reported immediately to a terminal representative.

69. Truck loading docks. Truck loading docks located in the terminal are designed to accomplish the immediate transfer of merchandise between the freight elevators and trucks. All person will confine their use of docks to such purpose as directed by the manager. No storage or holding of merchandise on the truck loading docks awaiting the arrival of trucks or awaiting transfer to premises or space at the terminal will be permitted.

SUPPLEMENTAL AGREEMENT

THIS AGREEMENT, made as of the 10th day of April, 2000 by and between **THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY** (hereinafter called the "Port Authority") and **HUDSON NEWS COMPANY** (formerly known as Hudson County News Company and hereinafter called the "Lessee"),

WITNESSETH, THAT:

WHEREAS, the Port Authority and the Lessee heretofore and as of the 22nd day of May, 1997 entered into an agreement of lease identified by the above Port Authority Lease Number covering premises located at the Port Authority Bus Terminal in the Borough of Manhattan, City, County and State of New York (which agreement of lease, as the same may have been heretofore supplemented and amended, is hereinafter called the "Lease"); and

WHEREAS, the Port Authority and the Lessee desire to extend the letting of the premises under the Lease and to amend the Lease in certain other respects;

NOW, THEREFORE, for and in consideration of the covenants and mutual agreements herein contained, the Port Authority and the Lessee hereby agree as follows:

1. The term of the letting of the entire premises under the Lease is hereby extended for the period ending on October 14, 2006, unless sooner terminated, at a basic rental at the annual rate of Seventy-five Thousand Dollars and No Cents (\$75,000.00), payable in advance in equal monthly installments of Six Thousand Two Hundred Fifty Dollars and No Cents (\$6,250.00) on June 1, 2005 and on the first day of each calendar month thereafter throughout the balance of the extended term of the letting under the Lease. Subject to the provisions of paragraph 2 of this Agreement, the Lessee shall continue to pay the percentage rental on account of its operations under the Lease as herein amended and extended as set forth in paragraph (c) of Item 1 of Exhibit B annexed thereto.

2. (a) As used in this Agreement, "annual fixed rental amount" shall mean the sum of Seventy Thousand One Hundred Sixty-four Dollars and No Cents (\$70,164.00) as the same may be reduced by operation of the abatement and/or proration provisions of the Lease as herein amended and extended.

(b) Notwithstanding anything to the contrary contained in the Lease as herein amended and extended, in addition to the basic rental payable under the Lease as herein amended and extended and in lieu of the percentage rental payable under the Lease as herein amended, from and after June 1, 2005, the Lessee shall pay to the Port Authority an annual percentage rental equivalent to the excess over the annual fixed rental amount set forth hereinabove of the sum of (x) twenty percent (20%) of the total amount arising from the fees and commissions received, or receivable, by the Lessee from the sale or dispensing of lottery tickets issued by the

Lottery Division of the New York State Department of Taxation and Finance and (y) ten percent (10%) of all other gross receipts arising out of or in connection with the Lessee's operations under the Lease as herein amended and extended, during each annual period occurring during the extended term of the letting under the Lease. The computation of percentage rental for each annual period or a portion of an annual period as provided under the Lease as herein amended and extended shall be individual to such annual period or such portion of an annual period and without relation to any other annual period or any other portion of any annual period.

3. The Lessee represents and warrants that no broker has been concerned in the negotiation or execution of this Agreement or the extension of the term of the letting under the Lease as herein amended and that there is no broker who is or may be entitled to be paid a commission in connection therewith. The Lessee shall indemnify and save harmless the Port Authority of and from any and all claims for commission or brokerage made by any and all persons, firms or corporations whatsoever for services in connection with the negotiation and execution of this Agreement or the extension of the term under the Lease as herein amended.

4. Neither the Commissioners of the Port Authority, nor any of them, nor any officer, agent or employee thereof, shall be charged personally by the Lessee with any liability, or held liable to it under any term or provision of this Agreement, or because of its execution or attempted execution or because of any breach thereof.

5. As hereby amended, all the terms, covenants, provisions, conditions and agreements of the Lease shall be and remain in full force and effect.

6. This Agreement and the Lease which it amends and supplements constitute the entire agreement between the Port Authority and the Lessee on the subject matter, and may not be changed, modified, discharged or extended except by instrument in writing duly executed on behalf of both the Port Authority and the Lessee. The Lessee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing in the Lease or this Agreement.

IN WITNESS WHEREOF, the Port Authority and the Lessee have executed these presents as of the date first above written.

**SUPPLEMENTAL AGREEMENT AND
ASSIGNMENT WITH ASSUMPTION AND CONSENT**

THIS AGREEMENT, made as of May 31, 2004 by and among **THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY** (hereinafter called the "Port Authority"), **HUDSON NEWS COMPANY** (hereinafter called the "Assignor"), a corporation organized and existing under the laws of the State of New Jersey, with an office for the transaction of business at One Meadowlands Plaza, Suite 902, East Rutherford, New Jersey 07063, and **AIRPORT MANAGEMENT SERVICES, LLC** (hereinafter called the "Assignee"), a limited liability company organized and existing under the laws of the State of Delaware, with an office for the transaction of business at One Meadowlands Plaza, Suite 902, East Rutherford, New Jersey 07063, the representative of which is Joseph DiDomizio, its Executive Vice President,

WITNESSETH, THAT:

WHEREAS, heretofore and as of May 22, 1997, the Port Authority and the Assignor entered into an agreement of lease (which agreement of lease, as the same has been heretofore amended, modified, supplemented and extended, is hereinafter called the "Lease") covering premises at the Port Authority Bus Terminal in the Borough of Manhattan, in the City, County and State of New York;

WHEREAS, the Port Authority and the Assignor desire to extend the letting of the premises under the Lease and to amend the Lease in certain other respects;

WHEREAS, further, the Assignor desires to assign the Lease to the Assignee and the Assignee is desirous of acquiring the Lease and becoming the Lessee thereunder;

WHEREAS, the Port Authority is willing to consent to such assignment of the Lease from the Assignor to the Assignee on certain terms, provisions, covenants and conditions as hereinafter set forth; and

NOW, THEREFORE, for and in consideration of the covenants and mutual agreements herein contained, the Port Authority, Assignor and the Assignee hereby agree as follows:

1. Effective as of June 1, 2004, payments of the rentals and fees made under the Lease, as herein amended, shall be sent to the following address: The Port Authority of New York and New Jersey, P. O. Box 95000-1517, Philadelphia, Pennsylvania 19195-1517; or made via the following wire transfer instructions: Bank: Commerce Bank; Bank ABA Number: (EX. 1) Account Number: (EX. 1) (for monthly fees) or (EX. 1) (for percentage fees); or to such other address as may hereafter be substituted therefor by the Port Authority from time to time, by notice.

2. The term of the letting of the entire premises under the Lease is hereby extended for the period ending on ~~June 30, 2008~~ **DECEMBER 31, 2008** (with initials), unless sooner terminated, at the basic rental rates as set forth in the Lease, as herein amended.

3. Effective as of October 13, 2005:

(a) The following shall be deemed added to the end of Section 5 of the Lease:

“In the event that upon conducting an examination and audit as described in this Section the Port Authority determines that unpaid amounts are due to the Port Authority by the Lessee, the Lessee shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount of five percent (5%) of each amount determined by the Port Authority audit findings to be unpaid. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge(s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Lessee under this Agreement or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority to payment of any late charge(s) or other service charge(s) payable under the provisions of this Section with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the rental to be paid hereunder. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Agreement, including, without limitation, the Port Authority’s rights to terminate this Agreement or (ii) any obligations of the Lessee under this Agreement.

(b) The following subparagraph (4) shall be deemed added to paragraph (b) of Section 24 of the Lease:

“(4) An amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such termination, cancellation, re-entry, regaining or resumption of possession, collecting all amounts due to the Port Authority, the restoration of the premises (on failure of the Lessee to have restored), the reletting of the premises, the care and maintenance of the premises during any period of vacancy of the premises, the foregoing to include without limitation, personnel costs and legal expenses (including but not limited to the cost to the Port Authority of in-house legal services), brokerage fees and commissions, repairing and altering the premises and putting the premises in order (such as but not limited to cleaning and decorating the premises).”

4. The Assignor does hereby assign, transfer and set over to the Assignee and its successors, to its and their own proper use, benefit and behoof forever, the Lease, to have and to hold the same unto the Assignee, and its successors, from October 15, 2006 (hereinafter called the “Effective Date”), for and during the balance of the term of the letting under the Lease, as herein amended and extended, subject nevertheless to all the terms, provisions and conditions therein contained.

5. Notwithstanding anything to the contrary contained in the Lease, as herein amended and extended, the Lessee hereby agrees that this Agreement, and the Lease to which it is supplementary, is one of the “Agreements”, as such term is defined in that certain security agreement entered into between the Port Authority and the Permittee, dated as of October 15, 2006, and identified by Port Authority Agreement No. LBT-715 (the “Security Agreement”), and that a breach or failure to perform or comply with any of the terms and conditions of the Security Agreement, including without limitation failure to provide a letter of credit in accordance with the terms and

provisions of the Security Agreement at any time during the term under any of the Agreements valid and available to the Port Authority or any failure of any banking institution issuing a letter of credit to make one or more payments as provided in such letter of credit, shall constitute a material breach of this Supplemental Agreement and the Security Agreement thereby entitling the Port Authority to immediately exercise any and all rights available to it, including without limitation the right to terminate the Lease for cause.

6. The Port Authority hereby consents to the foregoing assignment. Notwithstanding anything herein to the contrary, the granting of such consent by the Port Authority shall not be, or be deemed to operate as, a waiver of the requirement for consent (or consents) to each and every subsequent assignment by the Assignee or by any subsequent assignee, nor shall the Assignor be relieved of liability under the terms, provisions, covenants and conditions of the Lease, as herein amended, by reason of this consent of the Port Authority or of one (1) or more other consents to one (1) or more other assignments thereof.

7. The Assignor agrees that this assignment of the Lease and this consent of the Port Authority thereto shall not in any way whatsoever affect or impair the liability of the Assignor to perform all the terms, provisions, covenants and conditions, including without limitation thereto the obligation to pay rent, of the Lease, as herein amended, on the part of the lessee or tenant thereunder to be performed, and that the Assignor shall continue to be fully liable for the performance of all the terms, provisions, covenants and conditions including, without limitation thereto the obligation to pay rent, on the part of the lessee or tenant thereunder to be performed. The liability of the Assignor as set forth in this paragraph shall remain and continue in full force and effect as to any and every renewal, modification or extension of the Lease, whether in accordance with the terms of the Lease or by a separate or additional document, and notwithstanding any such renewal, modification or extension, whether or not the Assignor has specifically consented to such renewal, modification or extension. The liability of the Assignor hereunder shall in no way be affected by the failure of the Port Authority to obtain the Assignor's consent to any such renewal, modification or extension, notwithstanding that the Port Authority had previously obtained such consent with respect to a prior renewal, modification or extension.

8. The Assignee does hereby assume the performance of and does hereby agree to perform all the terms, provisions, covenants and conditions including, without limitation thereto, the obligation to pay rent, contained in the Lease on the part of the lessee or tenant thereunder to be performed, as though the Assignee were the original signatory to the Lease. The execution of this instrument by the Port Authority does not constitute a representation by it that the Assignor has performed or fulfilled every obligation required by the Lease; as to such matters, the Assignee agrees to rely solely upon the representation of the Assignor.

9. The liability of the Assignor hereunder shall in no way be affected by:

(a) The release or discharge of the Assignee in any creditors', receivership, bankruptcy or other similar proceeding; or

(b) The impairment, limitation or modification of the liability of the Assignee or its estate in bankruptcy, or of any remedy for the enforcement of the Assignee's said liability under the Lease, resulting from the operation of any present or future provision of the Bankruptcy Code or any other statute or from the decision of any court having jurisdiction over the Assignee or its estate; or

(c) The rejection or disaffirmance of the Lease in any creditors',

receivership, bankruptcy or other similar proceeding; or

(d) Any disability or any defense of the Assignee.

10. Without in any way limiting the provisions set forth in the Sections of the Lease, as herein amended, entitled "Termination", "Right of Re-entry" and "Survival of the Obligations of the Lessee", unless otherwise notified by the Port Authority in writing, in the event the Assignee remains in possession of the premises after the expiration or termination of the term of the letting under the Lease, as herein amended and extended, as it may be extended from time to time, in addition to any damages to which the Port Authority may be entitled under the Lease or other remedies the Port Authority may have by law or otherwise, the Assignee shall pay to the Port Authority a rental for the period commencing on the day immediately following the date of such expiration or the effective date of such termination and ending on the date that the Assignee shall surrender and completely vacate the premises at an annual rate equal to twice the sum of: (i) the basic rental as provided for under the Lease; and (ii) the percentage rental provided for under the Lease with respect to the premises by the Assignee at the annual rate in effect during the three-hundred-sixty-five (365) day period immediately preceding such date. Nothing herein contained shall give, or be deemed to give, the Assignee any right to remain in possession of the premises after the expiration or termination of the letting under the Lease, as herein amended and extended. The Assignee acknowledges that the failure of the Assignee to surrender, vacate and yield up the premises to the Port Authority on the effective date of such expiration or termination will or may cause the Port Authority injury, damage or loss. The Assignee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Assignee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss.

11. The Assignee waives its right to trial by jury in any summary proceeding or action that may hereafter be instituted by the Port Authority against the Assignee in respect of the premises and/or in any action that may be brought by the Port Authority to recover fees, damages, or other sums due and owing under this Agreement or the Lease, as herein amended. The Assignee specifically agrees that it shall not interpose any claims as counterclaims in any summary proceeding or action for non-payment of rents, fees or other amounts which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

12. The Assignor and the Assignee each represent and warrant that no broker has been concerned in the negotiation or execution of this Agreement or the extension of the term of the letting of the Lease hereunder and that there is no broker who is or may be entitled to be paid a commission in connection therewith. The Assignor and the Assignee shall each indemnify and save harmless the Port Authority of and from any and all claims for commission or brokerage made by any and all persons, firms or corporations whatsoever for services in connection with the negotiation and execution of this Agreement.

13. Neither the Commissioners of the Port Authority, nor any of them, nor any officer, agent or employee thereof, shall be charged personally by the Assignor or the Assignee with any liability, or held liable to it under any term or provision of this Agreement, or because of its execution or attempted execution or because of any breach thereof.

14. As hereby amended, all the terms, covenants, provisions, conditions and agreements of the Lease shall be and remain in full force and effect.

15. This Agreement and the Lease which it amends and supplements constitute the entire agreement between the Port Authority, the Assignor and the Assignee on the subject matter, and may not be changed, modified, discharged or extended except by instrument in writing duly executed on behalf of the Port Authority, the Assignor and the Assignee. The Assignor and the Assignee each agree that no representations or warranties shall be binding upon the Port Authority unless expressed in writing in the Lease or this Agreement.

**ASSIGNMENT OF LEASE
WITH ASSUMPTION AND CONSENT**

(Lease No. LRR-111)

THIS AGREEMENT made as of the 31st day of December, 2003 by **THE PORT AUTHORITY TRANS-HUDSON CORPORATION** (hereinafter called "PATH"), a corporation organized and existing under the laws of the States of New York and New Jersey, having an office for the transaction of business at One PATH Plaza, in the City of Jersey City, County of Hudson, State of New Jersey, and **HUDSON NEWS COMPANY** (hereinafter called the "Assignor"), a corporation organized and existing under the laws of the State of New Jersey, with an office for the transaction of business at One Meadowlands Plaza, Suite 902, East Rutherford, New Jersey 07063, and **AIRPORT MANAGEMENT SERVICES, LLC** (hereinafter called the "Assignee"), a limited liability company organized and existing under the laws of the State of Delaware, with an office for the transaction of business at One Meadowlands Plaza, Suite 902, East Rutherford, New Jersey 07063, the representative of which is Joseph DiDomizio, its Executive Vice President,

WITNESSETH, That:

WHEREAS, the Assignor desires to assign to the Assignee that certain Agreement of Lease dated as of the 2nd day of September, 1992, made by and between PATH and the Assignor, and as the same has heretofore been supplemented and amended, hereinafter called the "Lease", covering premises at the PATH Journal Square Transportation Center, in the City of Jersey City, County of Hudson, and State of New Jersey; and

WHEREAS, PATH is willing to consent to such assignment on certain terms, provisions, covenants and conditions:

NOW, THEREFORE, in consideration of the covenants and mutual agreements herein contained, PATH, the Assignor and the Assignee hereby agree as follows:

1. The Assignor does hereby assign, transfer and set over to the Assignee and its successors, to its and their own proper use, benefit and behoof forever, the Lease, to have and to hold the same unto the Assignee, and its successors, from January 1, 2004 (hereinafter called the "Effective Date"), for and during the balance of the term of the letting under the Lease, subject nevertheless to all the terms, provisions and conditions therein contained, and the Assignor does hereby assign, transfer and set over unto the Assignee, and its successors, all right, title and interest of the Assignor in and to a certain deposit (whether of cash or bonds) in the amount of Thirteen Thousand Dollars and No Cents (\$13,000.00) made by the Assignor with PATH as security for the performance of the terms, provisions, covenants and conditions of the Lease but subject to the provisions of the Lease and to any claim or right to the said deposit or any part thereof heretofore or hereafter made or to be made on the part of PATH. For purposes of this Agreement, the Assignee hereby represents that its federal taxpayer identification number is (Ex. 1)

2. PATH hereby consents to the foregoing assignment. Notwithstanding anything herein to the contrary, the granting of such consent by PATH shall not be, or be deemed to operate as, a waiver of the requirement for consent (or consents) to each and every subsequent assignment by the Assignee or by any subsequent assignee, nor shall the Assignor be relieved of liability under the terms, provisions, covenants and conditions of the Lease by reason of this consent of PATH or of one (1) or more other consents to one (1) or more other assignments thereof.

3. The Assignor agrees that this assignment of the Lease and this consent of PATH thereto shall not in any way whatsoever affect or impair the liability of the Assignor to perform all the terms, provisions, covenants and conditions, including without limitation thereto the obligation to pay rent, of the Lease on the part of the lessee or tenant thereunder to be performed, and that the Assignor shall continue to be fully liable for the performance of all the terms, provisions, covenants and conditions including, without limitation thereto the obligation to pay rent, on the part of the lessee or tenant thereunder to be performed. The liability of the Assignor as set forth in this paragraph shall remain and continue in full force and effect as to any and every renewal, modification or extension of the Lease, whether in accordance with the terms of the Lease or by a separate or additional document, and notwithstanding any such renewal, modification or extension, whether or not the Assignor has specifically consented to such renewal, modification or extension. The liability of the Assignor hereunder shall in no way be affected by the failure of PATH to obtain the Assignor's consent to any such renewal, modification or extension, notwithstanding that PATH had previously obtained such consent with respect to a prior renewal, modification or extension.

4. The Assignee does hereby assume the performance of and does hereby agree to perform all the terms, provisions, covenants and conditions including, without limitation thereto, the obligation to pay rent, contained in the Lease on the part of the lessee or tenant thereunder to be performed, as though the Assignee were the original signatory to the Lease. The execution of this instrument by PATH does not constitute a representation by it that the Assignor has performed or fulfilled every obligation required by the Lease; as to such matters, the Assignee agrees to rely solely upon the representation of the Assignor.

5. The liability of the Assignor hereunder shall in no way be affected by:

(a) The release or discharge of the Assignee in any creditors', receivership, bankruptcy or other similar proceeding; or

(b) The impairment, limitation or modification of the liability of the Assignee or its estate in bankruptcy, or of any remedy for the enforcement of the Assignee's said liability under the Lease, resulting from the operation of any present or future provision of the Bankruptcy Code or any other statute or from the decision of any court having jurisdiction over the Assignee or its estate; or

(c) The rejection or disaffirmance of the Lease in any creditors', receivership, bankruptcy or other similar proceeding; or

(d) Any disability or any defense of the Assignee.

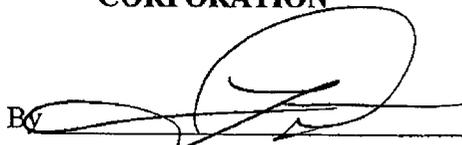

6. Neither the Directors of PATH, nor any of them, nor any officer, agent or employee thereof shall be charged personally by the Assignor or by the Assignee with any liability or be held liable to either of them under any term or provision of this Agreement, or because of its execution or attempted execution, or because of any breach or attempted or alleged breach thereof.

IN WITNESS WHEREOF, the parties hereto have executed these presents as of the day and year first above written.

JENNY BARRIOS
NOTARY PUBLIC OF NEW JERSEY
My Commission Expires July 18, 2006

THIS AGREEMENT, made as of the 2nd day of September, 1992 by and between PORT AUTHORITY TRANS-HUDSON CORPORATION (hereinafter called "PATH"), a corporation organized and existing under the laws of the States of New York and New Jersey, and having an office at One World Trade Center, in the City, County and State of New York, and HUDSON COUNTY NEWS COMPANY, (hereinafter called "the Lessee"), a corporation organized and existing under and by virtue of the laws of the State of New Jersey, having an office and place of business at 1305 Paterson Plank Road, North Bergen, New Jersey, 07047

whose representative is Robert B. Cohen

WITNESSETH That:

PATH and the Lessee, for and in consideration of the rents, covenants and agreements hereinafter contained, mutually covenant and agree as follows:

Section 1. Letting

PATH hereby lets to the Lessee and the Lessee hereby hires and takes from PATH, at the PATH, Journal Square Transportation Center in City of Jersey City, County of Hudson, and State of New Jersey the area on the Concourse Level thereof shown in diagonal hatching on the sketch annexed hereto, hereby made a part hereof and marked "Exhibit A", together with the fixtures, improvements and other property of PATH located or to be located therein or thereon, all the said space, fixtures, improvements, and other property of PATH being hereinafter collectively called "the premises". PATH and the Lessee hereby acknowledge that the aforesaid premises constitute non-residential real property.

Section 2. Term

The term of the letting under this Agreement shall commence at 12:01 o'clock A.M. on December 1, 1992 (which date is sometimes hereinafter referred to as "the Commencement Date") and shall, unless sooner terminated or unless extended, expire at 11:59 o'clock P.M. on November 30, 1999.

Section 3. Rights of User by the Lessee

The Lessee shall use the premises for the following purposes only and for no other purpose whatsoever:

construction and operation of newsstands for the sale, at retail, of newspapers, magazines, periodicals, candies, paperback books, gum, confections, cigarettes, cigars, tobacco and tobacco products, smoking accessories, postal cards, soft drinks, ice cream bars, ice-cream cups, lottery tickets issued by the Lottery Commission of the State of New Jersey, and such other items as may from time to time be consented to in advance in writing by the Port Authority.

Section 4. Rental

(a) The Lessee agrees to pay to PATH a basic rental for the premises at the rate ~~of~~ set forth in Item 1 of Exhibit B, attached hereto, and hereby made a part hereof ~~per annum~~

(b) The Lessee agrees to pay to PATH the percentage rental, ~~if any,~~ stated in Item 1 of Exhibit B, ~~attached hereto and made a part hereof.~~

(c) The time for making payments of rental and the method of computation and abatement thereof are set forth in Item 1 of Exhibit B.

Section 5. Obligations in Connection with Any Percentage Rental

If any rental hereunder is measured by a percentage of the Lessee's gross receipts, the Lessee shall:

(a) Take all reasonable measures in every proper manner to maintain, develop and increase the business conducted by it hereunder;

(b) Not divert or cause or allow to be diverted any business from the premises;

(c) Maintain in accordance with accepted accounting practice during the letting and for one year thereafter and for such further period until the Lessee shall receive written permission from PATH to do otherwise, records and books of account recording all transactions at, through or in any wise connected with the premises, which records and books of account shall be kept at all times within the Port of New York District and permit, in ordinary business hours during such time, the examination and audit

by the officers, employees and representatives of PATH of such records and books of account and also any records and books of account of any company which is owned or controlled by the Lessee, if said company performs services, similar to those performed hereunder by the Lessee, anywhere in the Port of New York District;

(d) Permit in ordinary business hours the inspection by the officers, employees and representatives of PATH of any equipment used by the Lessee, including but not limited to cash registers and recording tapes;

(e) ~~Furnish on or before the twentieth day of each month following the commencement date of the letting a sworn statement of gross receipts arising out of the operations of the Lessee hereunder for the preceding month;~~

(f) Install and use such cash registers, sales slips, invoicing machines and any other equipment or devices for recording orders taken or services rendered as may be appropriate to the Lessee's business and necessary or desirable to keep accurate records of gross receipts.

Section 6. Governmental Requirements

(a) The Lessee shall procure from all governmental authorities having jurisdiction over the operations of the Lessee at the premises all licenses, certificates, permits or other authorization which may be necessary for the conduct of its operations.

(b) The Lessee shall pay all taxes, license, certification, permit and examination fees and excises which may be assessed, levied, exacted or imposed on its property or operation hereunder or, on the gross receipts or income therefrom, and shall make all applications, reports and returns required in connection therewith.

(c) The Lessee shall promptly observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions which may pertain or apply to the operations of the Lessee on the premises or its occupancy thereof, and the Lessee shall, in accordance with and subject to the provisions of Section 15 hereof, make any and all structural and nonstructural improvements, alterations or repairs of the premises that may be required at any time hereafter by any such present or future law, rule, regulation, requirement, order or direction.

(d) The obligation of the Lessee to comply with governmental requirements is provided herein for the purpose of assuring proper safeguards for the protection of persons and property on the premises and a proper operation by the Lessee. Such provision is not to be construed as a submission by PATH to the application to itself of such requirements or any of them.

Section 7. Rules and Regulations

The Lessee covenants and agrees to observe and obey (and to compel its officers, members, employees, agents, representatives, contractors, customers, guests, invitees and those doing business with it to observe and obey) present and future rules and regulations of PATH for the Facility or building.

Section 8. Various Obligations of the Lessee

(a) The Lessee shall conduct its operations in an orderly and proper manner and so as not to annoy, disturb or be offensive to others. ~~The Lessee shall take all reasonable measures to eliminate vibrations tending to damage the premises and to keep the sound level of its operations as low as possible.~~

(b) The Lessee shall control the conduct, demeanor and appearance of its officers, members, employees, agents, representatives, contractors, customers, guests, invitees and those doing business with it, and upon objection from PATH concerning the conduct, demeanor or appearance of any such shall immediately take ~~all steps necessary to remove the cause of the objection.~~

(c) No garbage, debris or other waste materials (whether solid or liquid) shall be allowed to collect or accumulate in the premises and the Lessee shall remove from the premises and from the building and Facility, which the premises may be a part, all garbage, debris and other waste materials (whether solid or liquid) arising out of its occupancy or use of the premises. The Lessee shall use extreme care when effecting removal of all such waste and in no event shall use any facilities of PATH without its prior consent in writing and shall effect such removal only during such hours as are prescribed by PATH.

(d) If the premises have an entrance or exit opening out on a sidewalk the Lessee shall keep all sidewalks and curbs adjacent to the premises and all exclusive lobbies, vestibules and steps free from snow, ice, dirt and rubbish.

(e) If PATH deems it advisable for security reasons the Lessee shall provide and its employees shall wear or carry badges or other suitable means of identification which shall be subject to the prior written approval of PATH.

(f) If the Lessee is permitted under this Agreement to sell food and/or beverages, it shall, in connection with any preparation, packaging, handling, storage, delivery and dispensing of such food and/or beverages, comply with the following:

(1) Its employees shall wear clean, washable uniforms and female employees shall wear caps or nets. The employees shall be clean in their habits and shall thoroughly wash their hands before beginning work and immediately after

each visit to the toilet and shall keep them clean during the entire work period. No person affected with any disease in a communicable form or who is a carrier of such disease shall work or be permitted to work for the Lessee.

(2) All food and beverages shall be clean, fresh, pure, of first-class quality and safe for human consumption.

(3) The premises and all equipment and materials used by the Lessee shall at all times be clean, sanitary, and free from rubbish, refuse, dirt, offensive or unclean material, flies and other insects, rodents and vermin. All apparatus, utensils, devices, machines and piping used by the Lessee shall be constructed so as to facilitate the cleaning and inspection thereof and shall be properly cleaned after each period of use (which shall at no time exceed eight hours) with hot water and a suitable soap or detergent and shall be rinsed by flushing with hot water. Where deemed necessary by PATH, final treatment by live steam under pressure or other sterilizing procedure shall be used. All trays, dishes, crockery, glassware, cutlery, and other equipment of such type shall be cleaned and sterilized immediately before using same.

(4) All packing materials, including but not limited to wrappers, stoppers, caps, enclosures and containers, shall be clean and sterile and shall be so stored as to be protected from dust, dirt, flies and other insects, rodents, vermin, unsanitary handling and unclean materials.

(5) It is intended that the standards and obligations imposed by this subdivision (f) shall be maintained or complied with by the Lessee in addition to its compliance with all applicable governmental laws, ordinances and regulations, and in the event that any of said laws, ordinances and regulations shall be more stringent than such standards and obligations, the Lessee agrees that it will comply with such laws, ordinances and regulations in its operations hereunder.

(g) In the event that all or any portion of the premises is required by PATH to comply with any present or future governmental law, rule, regulation, requirements, order or direction, PATH shall give the Lessee notice that all or any such portion of the premises is so required and the Lessee shall deliver all or any such portion of the premises so required on the date specified in such notice and, if the Lessee does not so deliver, PATH may take the same. No such taking or delivery shall be or be construed to be an eviction of the Lessee or a breach of this Agreement. In the event that the Lessee has received a notice hereunder it shall deliver all or any such portion of the premises so required in the same condition as that required hereunder for the delivery of the premises on the cessation of the letting. In the event of the taking or delivery of all the premises, this Agreement and the letting hereunder shall on

the day of such taking or delivery cease and expire as if that day were the date originally stated herein for the expiration of this Agreement; and, in the event of the taking or delivery of any portion of the premises, then, from and after such taking or delivery, such portion of the premises shall cease to be a part of the premises hereunder. There shall be an abatement of the rental in the event of any such taking or delivery of a portion of the premises if so provided in Item 1 of Exhibit B.

Section 9. Prohibited Acts

The Lessee shall not: (a) commit any nuisance on the premises, or do or permit to be done anything which may result in the creation or commission of a nuisance on the premises; (b) cause or produce or permit to be caused or produced upon the premises, or to emanate therefrom, any unusual, noxious or objectionable smokes, gases, vapors, or odors; (c) use the premises for lodgings or sleeping purposes or for any immoral purposes; (d) install window shades or venetian blinds on the windows of the premises unless and until the type, size and color of the same shall have been previously approved in writing by PATH; (e) obstruct or permit the obstruction of light, air or passage in the building or Facility of which the premises may be a part; (f) do or permit to be done anything which may interfere with the effectiveness or accessibility of existing and future utilities systems or portions thereof on the premises, including therein without limitation thereto systems for the supply of heat, water hot and cold, gas, electricity and fuel and for the furnishing of fire-alarm, fire-protection, sprinkler, sewerage, drainage, air-conditioning, telephone, telegraph, tele-register, pneumatic-tube dispatch and inter-communications services, including lines, pipes, mains, wires, conduits and equipment connected with or appurtenant to all such systems, nor do or permit to be done anything which may interfere with free access and passage in the premises, or in the building or Facility of which the premises may be a part, or in the streets and sidewalks adjacent thereto; (g) do or permit to be done anything which may interfere with the effectiveness or accessibility of any elevators or escalators, including lines, pipes, wires, conduits and equipment connected with or appurtenant thereto; (h) overload any floor in the premises; (i) place any furniture, machine or equipment over any expansion or contraction joint unless one end of such furniture, machine or equipment is free to permit expansion or contraction; (j) place any additional lock of any kind upon any window or interior or exterior door in the premises unless a key therefor is delivered to PATH, nor make any change in any existing door or window lock or the mechanism thereof, except with the prior written approval of PATH, and upon the expiration or sooner termination of the letting hereof, the Lessee shall surrender to PATH any and all keys to interior and exterior doors on the premises, whether said keys were furnished to or were otherwise procured by the Lessee, and in the event of the loss of any keys furnished by PATH to the Lessee, the Lessee shall pay to PATH on demand the cost of replacement thereof; (k) do or permit to be done any act or thing upon

the premises which will invalidate or conflict with any insurance policies covering the premises or any part thereof, or covering the building or Facility of which the premises may be a part, or which, in the opinion of PATH, may constitute an extra-hazardous condition, so as to increase the risks normally attendant upon the operations contemplated by Section 3 hereof, and the Lessee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the New York Board of Fire Underwriters, the New York Fire Insurance Exchange, or if the premises are located in New Jersey of the National Board of Fire Underwriters, the Fire Insurance Rating Organization of N.J., or of any other board or organization exercising or which may exercise similar functions, which may pertain or apply to the operations of the Lessee on the premises, and the Lessee shall, subject to and in accordance with the provisions of Section 15 hereof, make any and all non-structural improvements, alterations or repairs of the premises that may be required at any time hereafter by any such present or future rule, regulation, requirement, order or direction, and if by reason of any failure on the part of the Lessee to comply with the provisions of this subdivision, any insurance rate on the premises or any part thereof, or on the building or Facility of which the premises may be a part, shall at any time be higher than it otherwise would be, then the Lessee shall pay to PATH on demand that part of all insurance premiums paid by PATH which shall have been charged because of such violation or failure by the Lessee; (1) unless otherwise expressly permitted so to do elsewhere in this Agreement, install, maintain or operate, or permit the installation, maintenance or operation on the premises of any vending-machine or device designed to dispense or sell food, beverages, tobacco products or merchandise of any kind, whether or not included in the above categories, or of any restaurant, cafeteria, kitchen, stand or other establishment of any type for the preparation, dispensing or sale of food, beverages, tobacco or tobacco products, or of any telephone pay-stations.

Section 10. Maintenance and Repair

(a) The Lessee shall at all times keep in a clean and orderly condition and appearance the premises and all the Lessee's fixtures, equipment and personal property.

(b) The Lessee shall repair, replace, rebuild and paint all or any part of the premises, or of the building or Facility of which the premises may be a part, including therein, without limitation thereto, walls, partitions, floors, ceilings, columns, windows, doors, glass of every kind, fixtures, systems for the supply of heat, water hot and cold, gas, electricity and fuel and for the furnishing of fire-alarm, fire-protection, sprinkler, sewerage, drainage, air-conditioning, telephone, tele-register, pneumatic-tube dispatch and inter-communication services, including lines, pipes, mains, wires, conduits and equipment connected with or appurtenant to all such systems, which may be damaged or destroyed by the acts or omissions of the Lessee, its officers, members, employees, agents, representatives, contractors, customers, guests, invitees or other persons doing business with it.

(c) The Lessee shall take good care of the premises, including therein, without limitation thereto, walls, partitions, floors, ceilings, columns, windows, doors, glass of every kind, fixtures, and shall make or do all non-structural repairs, replacements, rebuilding and painting necessary to keep the premises in the condition existing as of the commencement date of the letting and to keep all improvements and fixtures made or installed subsequent to the commencement date of the letting in the condition existing as of the date such improvements are made and such fixtures installed.

(d) The Lessee shall not lay any linoleum, asphalt tile or other such affixed floor covering in direct contact with the floor of the premises. If the Lessee lays any linoleum, asphalt tile or other such affixed covering on the floor of the premises, an interlining of builder's deadening felt shall first be affixed to the floor with water-soluble paste or other water-soluble material, the use of cement or other adhesive non-soluble in water being expressly prohibited.

(e) The Lessee shall maintain and pay the premiums on a policy of plate and mirror glass insurance covering all plate and mirror glass which is a part of or is located on or in the premises and shall replace any of such plate or mirror glass which is damaged or destroyed from any cause whatsoever.

(f) In the event that, as a result of any casualty, the premises are damaged, without the fault of the Lessee, its officers, members, employees, agents, representatives, contractors, customers, guests, invitees or other persons doing business with it, so as to render them untenable in whole or part, then

(1) if in the opinion of PATH the necessary repairs or rebuilding can be completed within ninety (90) days after the occurrence of the damage, PATH shall repair or rebuild with due diligence, and the rental hereunder shall, if so provided in Item 1 of Exhibit B, be abated only for the period from the occurrence of the damage to the completion of the repairs or rebuilding, whether or not the work of repair or rebuilding is actually completed within the said ninety (90) days; or

(2) if in the opinion of PATH such repairs or rebuilding cannot be completed within ninety (90) days after the occurrence of the damage or if the entire premises require rebuilding, then PATH shall have options: (i) to proceed with due diligence to repair or to rebuild as necessary; or (ii) to terminate the letting as to the damaged portion of the premises only, or (iii) to cancel this Agreement and terminate the letting as to the entire premises; and the rental hereunder shall, if so provided in Item 1 of Exhibit B, be abated, either, as the case may require, for the period from the occurrence of the damage to the completion of repairs and rebuilding or for the period from the occurrence of the damage to the effective date of termination.

(g) The parties hereby stipulate that if the premises are in the State of New Jersey neither the provisions of Titles 46:8-6 and 46:8-7 of the Revised Statutes of New Jersey nor those of any other similar statute shall extend or apply to this Agreement, and if the premises are in the State of New York, neither the provisions of Section 227 of the Real Property Law of New York, nor those of any other similar statute shall extend or apply to this Agreement.

(h) In the event of a partial or total destruction of the premises, the Lessee shall immediately remove any and all of its property and/or debris from the premises or the portion thereof destroyed and if the Lessee does not promptly so remove, PATH may remove such property to a public warehouse for deposit or retain the same in its own possession and sell the same at public auction, the proceeds of which shall be applied first to the expenses of removal, storage and sale, second to any sums owed by the Lessee to PATH, with any balance remaining to be paid to the Lessee; if the expenses of such removal, storage and sale shall exceed the proceeds of sale, the Lessee shall pay such excess to PATH upon demand.

Section 11. Indemnity; Liability Insurance

(a) The Lessee shall indemnify and hold harmless PATH, its Directors, officers, agents, representatives and employees from all claims and demands of third persons, including but not limited to those due to death or personal injuries or for property damage arising wholly or partially out of the use or occupancy of the premises by the Lessee or out of any of the acts or omissions of the Lessee, its officers, members, employees, agents, representatives, contractors, customers, guests, invitees, and other persons doing business with it where such acts or omissions are on the premises or, if the premises are a part of a Facility or of a building, out of any acts or omissions of the Lessee, its officers, members, employees, agents and representatives, where such acts or omissions are elsewhere in the Facility or the building. Such indemnification shall include all expenses incurred or assumed in connection with such claims and demands.

(b) In addition to the obligations set forth in the above subdivision, the Lessee in its own name as assured shall maintain and pay the premiums on a policy or policies of comprehensive public liability insurance, including products liability, which shall cover its operations hereunder and shall be effective throughout the letting, in limits not lower than those set out in Item 2 of Exhibit B.

(c) PATH shall not be named as an insured in any policy of liability insurance required by this Section, unless PATH shall, at any time during the letting, direct otherwise in writing, in which case the Lessee shall cause PATH to be so named. As to any insurance required by the provisions of this or any other Section of this Agreement to be secured by or at the direction of the Lessee, a certified copy of each of the policies or a certificate or certificates evidencing the existence thereof or binders shall be delivered to PATH within ten (10) days after the execution of this Agreement or, in the case of insurance required under the provisions of Section 15, prior to the commencement of the work. In the event any binder is delivered, it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate. Each such copy or certificate shall contain a valid provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving ten (10) days' written advance notice thereof to PATH. A renewal policy shall be delivered to PATH at least fifteen (15) days prior to the expiration date of each expiring policy, except for any policy expiring after the date of expiration of the letting. If at any time any of the policies shall be or become unsatisfactory to PATH as to form or substance or if any of the carriers issuing such policies shall be or become unsatisfactory to PATH, the Lessee shall promptly obtain a new and satisfactory policy in replacement.

Section 12. Sales and Services by the Lessee

(a) A principal purpose of PATH in entering into this Agreement is to have available for all members of the public, the merchandise and/or services which the Lessee is permitted to sell and/or render hereunder, all for the better accommodation, convenience and welfare of such individuals and in fulfillment of PATH's obligation to operate facilities for the use and benefit of the public, and the Lessee agrees that it will conduct a first class operation and will furnish and install all necessary or proper equipment, fixtures, improvements (subject to Section 15), personnel, supplies, materials and other facilities and replacements therefor and all such fixtures and improvements (except trade fixtures removable without injury to the premises) shall on installation become the property of PATH and a part of the premises, provided, however, that PATH shall have the option, exercisable by notice delivered to the Lessee on or before a date sixty (60) days after expiration or termination hereof, to require the Lessee to remove any or all such fixtures, equipment and improvements and to restore

the premises to the condition thereof prior to any installation and in the event of a failure on the part of the Lessee so to remove and restore, PATH may do so, and the Lessee shall pay the cost thereof to PATH on demand. All equipment, fixtures and improvements to be used in the premises and the installation thereof shall be subject to the prior written approval of PATH as to type and quality. PATH may by written authorization allow the Lessee to enter and occupy the premises, prior to the commencement date of the letting stated or referred to in Sections 2 or 33, solely for the purpose of installing fixtures and making improvements. In the event that the Lessee receives such written authorization the Lessee shall use and occupy the premises in accordance with and shall be subject to all the provisions of this Agreement other than those relating to the conducting of a business and the payment of rental.

(b) The Lessee shall furnish good, prompt and efficient service hereunder, adequate to meet all demands therefor; shall furnish said service on a fair, equal and non-discriminatory basis to all users thereof; and shall charge fair, reasonable and non-discriminatory prices for all items and/or services which it is permitted to sell and/or render hereunder.

(c) The Lessee shall, prior to selling any items or rendering any services hereunder, prepare schedules of prices and rates for said items and services. Such schedules shall be submitted to PATH for its prior written approval as to compliance by the Lessee with its obligations under this Agreement. PATH shall examine such schedules and make such modifications therein as may be necessary. Any changes thereafter in the schedules shall be similarly submitted to PATH for its prior written approval, and, if necessary, modification. All such schedules shall be made available to the public by the Lessee at locations designated from time to time by PATH. The Lessee agrees to adhere to the prices and rates stated in the approved schedules. If the Lessee charges any price or applies any rate in excess of the approved prices or rates, the amount by which the actual price or the charge based on such actual rate deviates from the approved price or a charge based on the approved rates shall constitute an overcharge which will, upon demand of PATH or the Lessee's customer, be promptly refunded to the customer. If the Lessee charges any price or applies any rate which is less than the approved prices or rates, the amount by which the actual price or the charge based on such actual rate deviates from the approved price or a charge based on the approved rates shall constitute an undercharge and an amount equivalent thereto shall be included in any gross receipts hereunder and the percentage rental, if any, shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Lessee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Lessee's obligations hereunder and PATH shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Agreement.

(d) In the event that the Lessee in its operations hereunder offers for sale such a variety of items that the submission of schedules, under the preceding subdivision of this Section, is not feasible in the opinion of PATH, then the Lessee shall be under no obligation to submit such schedules of prices but the Lessee shall not then sell any items hereunder at a price other than the manufacturer's or distributor's recommended retail price, provided, however, that if the price charged for the same item at any other establishment within the Port of New York District which has any ownership, financial or management connection with the Lessee or any majority stockholder thereof is lower than the manufacturer's or distributor's recommended retail price, the Lessee shall notify PATH in writing of that fact and shall charge only the lower price. If the Lessee wishes to charge a price different from the manufacturer's or distributor's recommended retail price or different from the lower price at any other establishment, as the case may be, then the Lessee shall prepare and submit to PATH schedules therefor in the same manner and subject to the same conditions as set forth in the preceding subdivision of this Section. Every overcharge or undercharge resulting from a breach by the Lessee of its obligations under this subdivision shall be respectively refunded to the customer or included in gross receipts, all in the same manner and subject to the conditions as set forth in the preceding subdivision of this Section for overcharges or undercharges.

(e) The Lessee shall be open for and conduct business and furnish services twenty-four hours a day, seven days a week, or for such other hours and days as PATH, from time to time by notice to the Lessee, may determine to properly serve the needs of the public. The determination of proper business hours and days made by PATH shall be controlling.

Section 13. Displays

(a) Except with the prior approval of PATH, the Lessee shall not erect, maintain or display any sign, lettering, or any advertising at or on the exterior part of the premises or in the premises so as to be visible through the windows or exterior doors thereof. Without limiting the effect of the above, it is agreed that all signs, lettering, advertising, decorating and displays of merchandise or services anywhere in or on the premises shall be subject to the continuing approval of PATH, and on direction of PATH at any time given the exhibition thereof shall be immediately discontinued. PATH may in its discretion in any way change the appearance, design or size of any show window, exterior door or other display area which is a part of the premises.

(b) Upon the expiration or termination of the letting, the Lessee shall remove, obliterate or paint out, as PATH may direct, any and all signs, lettering, advertising, decorating and displays on the premises, or elsewhere in the building or Facility of which the premises may be a part, and in connection therewith

shall restore the premises or building or Facility to the same condition as prior to the placement thereof. In the event that there is a failure by the Lessee so to remove, obliterate or paint out and so to restore, PATH may, at its option, perform the necessary work at the expense of the Lessee, and the charge therefor shall be paid by the Lessee to PATH on demand.

(c) The exercise of any right hereunder by PATH shall not be or be construed to be an eviction of the Lessee, nor grounds for any diminution or abatement of the rentals payable hereunder, nor constitute grounds for any claim by the Lessee for damages, consequential or otherwise, unless due to the negligence of PATH, its employees or agents.

Section 14. Services

(a) Unless otherwise stated in Item 3 of Exhibit B, PATH shall, without additional charge, heat the premises to an even and comfortable working temperature during the hours and days stated in said Item 3.

(b) PATH shall also, without additional charge, furnish non-exclusive toilet and washroom facilities for the employees of the Lessee if toilet and washroom facilities are not a part of the premises.

(c) PATH agrees to sell, furnish and supply to the Lessee in the premises and the Lessee agrees to take and pay PATH for the following:

(1) Unless otherwise stated in Item 3 of Exhibit B, electricity, in reasonable quantities, for illumination (all bulbs to be supplied and installed by the Lessee) and power; said electricity unless otherwise specified in said Item 3 to be 60 cycle, alternating current, single phase, at 110 volts, and to be paid for by the Lessee at the rates specified in said Item 3.

(2) Unless otherwise stated in Item 3 of Exhibit B, cold water, in reasonable quantities, of the character furnished by the municipality or utility company supplying in the vicinity and to be paid for by the Lessee at the rates specified in said Item 3.

(3) Unless otherwise stated in Item 3 of Exhibit B, hot water, in reasonable quantities, at the temperature stated in said Item 3 and to be paid for by the Lessee at the rates specified in said Item 3.

(4) Unless otherwise stated in Item 3 of Exhibit B, steam, in reasonable quantities, of the character specified in said Item 3 and to be paid for by the Lessee at the rates specified in said Item 3.

(5) Unless otherwise stated in Item 3 of Exhibit B, air conditioning sufficient to maintain the premises to the temperature stated in said Item 3 during the hours and days stated in said Item 3 and to be paid for by the Lessee at the rates specified in said Item 3.

(d) The above utilities may be charged for at a flat rate as provided in Item 3 of Exhibit B or at a metered rate as provided in Item 3 of Exhibit B. In the latter event, the quantity thereof shall be measured by a meter or meters installed for that purpose; provided, however, that, if for any reason any meter fails to record the consumption thereof, the consumption during any such period that the meter is out of service will be considered to be the same as the consumption for a like period immediately before or immediately after the interruption, as selected by PATH.

(e) Charges by PATH for the above services shall be paid for by the Lessee on demand; and, unless otherwise specified in Item 3 of Exhibit B, the services shall be supplied through existing wires, fixtures, conduits, outlets, pipes or vents, if any.

(f) If any federal, state, municipal or other governmental body, authority or agency or any public utility assesses, levies, imposes, makes or increases any charge, fee or rent on PATH for any service, system or utility now or in the future applied to or available to the premises or to any occupants or users thereof or to the structure or building of which the premises form a part (including but not limited to any sewer rent or charge for the use of sewer systems), the Lessee shall, at the option of PATH exercised at any time and from time to time by notice to the Lessee, pay, in accordance with said notice, such charge, fee or rent or increase thereof (or the portion thereof allocated by PATH to the premises or the Lessee's operations hereunder) either directly to the governmental body, authority or agency or to the public utility or directly to PATH.

(g) Notwithstanding that PATH may have agreed to supply a service hereunder to the Lessee where such service is to be metered, PATH shall be under no obligation to provide or continue any such service if PATH is prevented by law from submetering such service or has agreed with the supplier of such service not to submeter such service.

(h) PATH shall have the right to temporarily discontinue the supply of any of the above services when necessary or desirable in the opinion of PATH in order to make any repairs, alterations, changes or improvements in the premises or elsewhere in the building of which the premises form a part including all systems for the supply of services.

(1) Notwithstanding that PATH may have agreed to supply a service hereunder to the Lessee, PATH shall be under no obligation to supply any such service if and to the extent and during any period that the supplying of any such service or the use of any component necessary therefor shall be prohibited or rationed by any federal, state or municipal law, rule, regulation, requirement, order or direction and if PATH deems it in the public interest to comply therewith, even though such law, rule, regulation, requirement, order or direction may not be mandatory on PATH. If by operation of this subdivision or the previous subdivision any service for which the Lessee has agreed to pay a flat sum is discontinued for any period of the letting, the Lessee shall be relieved of its obligation to pay for such service for any such period or if any such service is supplied during fewer hours or in lesser amounts than agreed during any period of the letting, the Lessee shall be relieved proportionately of its obligation to pay for any such service for any such period.

(j) No failure, delay or interruption in any of the above services shall be or shall be construed to be an eviction of the Lessee, shall be grounds for any diminution or abatement of the rentals payable hereunder, or shall constitute grounds for any claim by the Lessee for damages, consequential or otherwise, unless due to the negligence of PATH, its employees or agents. The Lessee shall not be entitled to receive any of the above services during any period during which the Lessee wastes any of the services or is in default under any of the provisions of this Agreement.

Section 15. Construction by the Lessee

(a) Except with the prior approval of PATH, the Lessee shall not erect any structures, make any improvements or do any other construction work on the premises, or alter, modify, or make additions, improvements or repairs to or replacements of any structure now existing or built at any time during the letting, or install any fixtures (other than trade fixtures, removable without injury to the premises) and in the event any construction, improvement, alteration, modification, addition, repair or replacement is made with or without such approval and unless the approval of PATH shall expressly provide otherwise, the same shall immediately become the property of PATH and the Lessee shall have no right to change the same or remove the same either during the term or at the expiration or termination thereof unless PATH, at any time during the letting or within sixty (60) days' after the expiration date or effective date of termination of the letting, shall give notice to the Lessee to remove the same, or cause the same to be changed to the satisfaction of PATH, in which case the Lessee shall remove the same or change it in compliance with such notice.

(b) In the event that Item 4 of Exhibit B provides that the Lessee is required (or is permitted) to build a structure or make repairs, alterations, improvements or additions to the premises, the structure, repairs, alterations, improvements or additions described in the said Item 4 shall be built or made strictly in accordance with the following terms and conditions:

(1) The Lessee shall, to the extent allowed under the law, be the insurer of PATH, its Directors, officers, agents and employees, against the following distinct and several risks, whether they arise from acts or omissions of the Lessee, of PATH, its Directors, officers, agents, representatives and employees or of third persons, or from acts of God or of the public enemy, or otherwise, excepting only risks which result solely from affirmative, wilful acts done by PATH subsequent to the commencement of the work of construction, repair, alteration, improvement or addition:

(1) The risk of loss or damage to all such required repairs, alterations, additions, improvements, or structures prior to the completion thereof. In the event of such loss or damage, the Lessee shall forthwith repair, replace and make good the work without cost to PATH.

(ii) The risk of death, injury or damage, direct or consequential, to PATH, its Directors, officers, agents, representatives and employees, and to its or their property, arising out of or in connection with the performance of the work. The Lessee shall indemnify PATH, its Directors, officers, agents, representatives and employees, for all such deaths, injuries and damages, and for all loss suffered by reason thereof.

(iii) The risk of claims and demands, just or unjust, by third persons against PATH, its Directors, officers, agents, representatives and employees arising or alleged to arise out of the performance of the work. The Lessee shall indemnify PATH, its Directors, officers, agents, representatives and employees, against and from all such claims and demands, and for all loss and expense incurred by it and by them in the defense, settlement or satisfaction thereof.

(2) All construction work done pursuant to this Section shall be done in accordance with drawings and specifications to be submitted to and approved by the Chief Engineer of PATH prior to the commencement of the work, shall be done to his satisfaction and shall be subject to his inspection during the progress of such work and after completion thereof; and the Lessee shall re-do or replace at its own expense any work not approved by the said Chief Engineer. Unless otherwise expressly provided herein, all workmanship and materials are required to be first class.

(3) The Lessee shall pay all claims lawfully made against it by its contractors, subcontractors, materialmen and workmen and all claims lawfully made against it by other third persons arising out of or in connection with or because of the performance of the work and shall cause its contractors and subcontractors to pay all such claims lawfully made against them.

(4) The Lessee shall procure and maintain comprehensive public liability insurance, or, if the work is to be done by an independent contractor, the Lessee shall require such contractor to procure and maintain such insurance in the name of the contractor, in either case, in limits not lower than those set forth for such categories of insurance in Item 5 of Exhibit B.

(5) As soon as such structure, repair, alteration, improvement or addition shall have been completed to the satisfaction of the Chief Engineer of PATH, then (subject to the provisions of the following subdivision (c)) title thereto shall immediately and without execution of any further instrument vest in PATH, and every said structure and all such repairs, alterations, improvements or additions, shall thereupon become and thereafter be part of the premises.

(c) PATH shall have the option, exercisable by notice delivered on or before a date sixty (60) days after expiration, cancellation or termination hereof, to require the Lessee to remove any or all such structures, alterations, improvements or additions, and to restore the premises to the condition thereof prior to the construction or installation thereof. In the event of a failure on the part of the Lessee so to remove and restore, PATH may do so, and the Lessee shall pay the cost thereof to PATH on demand.

Section 16. Injury and Damage to Person or Property

PATH shall not be liable to the Lessee, or to any person, for injury or death to any person or persons whomsoever, or damage to any property whatsoever at any time in the premises or elsewhere in the building or Facility of which the premises may be a part, including but not limited to any such injury, death or damage from falling material, water, rain, hail, snow, gas, steam, and/or electricity, whether the same may leak into, or fall, issue, or flow from the premises, or from any other place or quarter, unless said damage, injury or death shall be due to the negligence of PATH, its employees or agents.

Section 17. Additional Rent and Charges

(a) If PATH has paid any sum or sums or has incurred any obligations or expense which the Lessee has agreed to pay or reimburse PATH for, or if PATH is required or elects to pay any sum or sums or incurs any obligations or expense by reason of the failure, neglect or refusal of the Lessee to perform or fulfill any one or more of the conditions, covenants or agreements contained in this Agreement or as a result of an act or omission of the Lessee contrary to the said conditions, covenants and agreements, the Lessee agrees to pay the sum or sums so paid or the expense so incurred, including all interest, costs, damages and penalties, and the same may be added to any installment of rent thereafter due hereunder, and each and every part of the same shall be and become additional rent, recoverable by PATH in the same manner and with like remedies as if it were originally a part of the basic rental, or if there is no basic rental as a part of the percentage rental, all as set forth in Section 4 hereof.

(b) For all purposes under this Section and in any suit, action or proceeding of any kind between the parties hereto, any receipt showing any payment of sum or sums by PATH for any work done or material furnished shall be prima facie evidence against the Lessee that the amount of such payment was necessary and reasonable. Should PATH elect to use its own operating and maintenance staff in making any repairs, replacements, and/or alterations and to charge the Lessee with the cost of same, any time sheet of any employee of PATH showing hours of labor or work allocated to any such repair, replacement and/or alteration, or any stock requisition of PATH showing the issuance of materials for use in the performance thereof, shall likewise be prima facie evidence against the Lessee that the amount of such charge was necessary and reasonable.

Section 18. Rights of Entry Reserved

(a) PATH, by its officers, employees, agents, representatives and contractors shall have the right at all reasonable times to enter upon the premises for the purpose of inspecting the same, for observing the performance by the Lessee of its obligations under this Agreement, and for the doing of any act or thing which PATH may be obligated or have the right to do under this Agreement or otherwise.

(b) Without limiting the generality of the foregoing, PATH, by its officers, employees, representatives, and contractors, shall have the right, for the benefit of the Lessee or for the benefit of others in or at the building or Facility of which the premises may be a part, to maintain and install existing and future utilities systems or portions thereof on the premises, including therein without limitation thereto systems for the supply of heat, water hot and cold, gas, electricity and fuel and for the furnishing

of fire-alarm, fire-protection, sprinkler, sewerage, drainage, air-conditioning, telephone, telegraph, tele-register, pneumatic-tube dispatch and intercommunication services, and to maintain and install existing and future elevator and escalator systems, including lines, pipes, mains, wires, conduits and equipment connected with or appurtenant to all such systems, and to enter upon the premises at all reasonable times to make such installations, repairs, alterations and replacements as may, in the opinion of PATH, be deemed necessary or advisable and, from time to time, to construct or install over, in, under or through the premises new lines, pipes, mains, wires, conduits and equipment; provided, however, that such repair, alteration, replacement, installation, or construction shall not unreasonably interfere with the use of the premises by the Lessee.

(c) Nothing in this Section shall or shall be construed to impose upon PATH any obligations so to construct or maintain or to make repairs, replacements, alterations or additions, or shall create any liability for any failure so to do.

(d) At any time and from time to time during ordinary business hours within the six (6) months next preceding the expiration of the letting, PATH, by its agents and employees, whether or not accompanied by prospective lessees, occupiers or users of the premises, shall have the right to enter thereon for the purpose of exhibiting and viewing all parts of the same and during such six-month period PATH may place and maintain on the premises, the usual "To-Let" signs, which signs the Lessee shall permit to remain without molestation.

(e) If, during the last month of the letting, the Lessee shall have removed all or substantially all the Lessee's property from the premises, PATH may immediately enter and alter, renovate and redecorate the premises.

(f) No abatement of rental shall be claimed by or allowed to the Lessee by reason of the exercise of any or all of the foregoing rights by PATH or others.

Section 19. Condemnation

(a) In any action or proceeding instituted by any governmental agency or agencies for the taking for a public use of any interest in all or any part of the premises, the Lessee shall not be entitled to assert any claim to any award or part thereof made or to be made therein, or to institute any action or proceeding or to assert any claim against such agency or agencies or against PATH, for or on account of any such taking, except the possible claim to an award for loss of fixtures furnished and installed by the Lessee (and for the purpose of such possible claim alone, title to such fixtures shall revert to the Lessee), it being understood and agreed between PATH and the Lessee that, except for the possible claim to an award for loss of fixtures, PATH shall be entitled to all the compensation or awards made or to be made or paid for any such taking, free of any claim or right of the Lessee.

(b) In the event of a taking of the entire premises by any governmental agency or agencies, then this Agreement shall be cancelled and the letting shall, as of the date possession is taken from PATH by such agency or agencies, cease and determine in the same manner and with the same effect as if the term of the letting had on that date expired.

(c) In the event of a taking by any governmental agency or agencies of a part of the premises, then the letting as to such part only shall, as of the date possession thereof is taken from PATH by any such agency or agencies, cease and determine, and the rentals thereafter to be paid by the Lessee to PATH shall, if so provided in Item 1 of Exhibit B, be abated from and after the date of such taking.

Section 20. Assignment and Sublease

(a) The Lessee shall not assign, sell, convey, transfer, mortgage, or pledge this Agreement, or the letting, or any part thereof.

(b) The Lessee shall not sublet the premises or any part thereof.

(c) If the Lessee assigns, sells, conveys, transfers, mortgages, pledges or sublets in violation of subdivisions (a) or (b) of this Section or if the premises are occupied by anybody other than the Lessee, PATH may collect rent from any assignee, sublessee or anyone who claims a right to this Agreement or letting or who occupies the premises, and shall apply the net amount collected to the rental herein reserved; and no such collection shall be deemed a waiver by PATH of the covenants contained in subdivisions (a) and (b) of this Section nor an acceptance by PATH of any such assignee, sublessee, claimant or occupant as Lessee, nor a release of the Lessee by PATH from the further performance by the Lessee of the covenants contained herein.

(d) The Lessee shall not use, or permit any person to use, the premises or any portion thereof, except for the purposes set forth in Section 3 hereof.

Section 21. Termination

(a) If any one or more of the following events shall occur, that is to say:

(1) The Lessee shall become insolvent, or shall take the benefit of any present or future insolvency statute, or shall make a general assignment for the benefit of creditors, or file a voluntary petition in bankruptcy or a petition or answer seeking an arrangement or its reorganization or the readjustment of its indebtedness under the federal bankruptcy

laws or under any other law or statute of the United States or of any State thereof, or consent to the appointment of a receiver, trustee, or liquidator of all or substantially all its property; or

(2) By order or decree of a court the Lessee shall be adjudged bankrupt or an order shall be made approving a petition filed by any of the creditors or, if the Lessee is a corporation, by any of the stockholders of the Lessee, seeking its reorganization or the readjustment of its indebtedness under the federal bankruptcy laws or under any law or statute of the United States or of any State thereof; or

(3) A petition under any part of the federal bankruptcy laws or an action under any present or future insolvency law or statute shall be filed against the Lessee and shall not be dismissed within thirty (30) days after the filing thereof; or

(4) The letting hereunder or the interest or estate of the Lessee under this Agreement shall be transferred to, pass or devolve upon, by operation of law or otherwise, any other person, firm or corporation; or

(5) The Lessee, if a corporation, shall, without the prior written approval of PATH, become a possessor or merged corporation in a merger, a constituent corporation in a consolidation, or a corporation in dissolution; or

(6) The Lessee is, or the Lessees collectively are doing business as, or constitute a co-partnership, and the said co-partnership shall be dissolved as the result of any act or omission of its co-partners or any of them, or by operation of law or the order or decree of any court having jurisdiction, or for any other reason whatsoever; or

(7) By or pursuant to, or under authority of any legislative act, resolution or rule, or any order or decree of any court or governmental board, agency or officer having jurisdiction, a receiver, trustee, or liquidator shall take possession or control of all or substantially all of the property of the Lessee, and such possession or control shall continue in effect for a period of fifteen (15) days; or

(8) Any type of strike or other labor activity is directed against the Lessee at the premises resulting in picketing or boycott for a period of at least forty-eight (48) hours which, in the opinion of PATH, adversely affects or is likely adversely to affect the operation of any PATH Facility or the operations of other lessees or licensees thereat, whether or not the same is due to the fault of the Lessee, and whether caused by the employees of the Lessee or by others; or

(9) Any lien is filed against the premises because of any act or omission of the Lessee and is not removed within ten (10) days; or

(10) The Lessee shall voluntarily abandon, desert, vacate or discontinue its operations in the premises; or

(11) The Lessee shall fail duly and punctually to pay the rentals or to make any other payment required hereunder when due to PATH; or

(12) The Lessee shall fail to keep, perform and observe each and every other promise, covenant and agreement set forth in this Agreement, on its part to be kept, performed or observed, within ten (10) days after receipt of notice of default thereunder from PATH (except where fulfillment of its obligation requires activity over a period of time, and the Lessee shall have commenced to perform whatever may be required for fulfillment within ten (10) days after receipt of notice and continues such performance without interruption except for causes beyond its control);

then upon the occurrence of any such event or at any time thereafter during the continuance thereof, PATH may by five (5) days' notice terminate the letting and the rights of the Lessee hereunder, such termination to be effective upon the date specified in such notice. Such right of termination and the exercise thereof shall be and operate as a conditional limitation.

(b) If any of the events enumerated in subdivision (a) of this Section shall occur prior to the letting, the Lessee shall not be entitled to enter into possession of the premises and PATH upon the occurrence of any such event or at any time thereafter during the continuance thereof by twenty-four (24) hours' notice may cancel the interest of the Lessee under this Agreement, such cancellation to be effective upon the date specified in such notice.

(c) No acceptance by PATH of rentals, fees, charges or other payments in whole or in part for any period or periods after a default of any of the terms, covenants and conditions to be performed, kept or observed by the Lessee shall be deemed a waiver of any right on the part of PATH to terminate the letting.

(d) No waiver by PATH of any default on the part of the Lessee in performance of any of the terms, covenants or conditions hereof to be performed, kept or observed by the Lessee shall be or be construed to be a waiver by PATH of any other or subsequent default in performance of any of the said terms, covenants and conditions.

Section 22. Right of Re-entry

PATH shall, as an additional remedy upon the giving of a notice of termination as provided in Section 21 hereof, have the right to re-enter the premises and every part thereof upon the effective date of termination without further notice of any kind, and may regain and resume possession either with or without the institution of summary or any other legal proceedings or otherwise. Such re-entry, or regaining or resumption of possession, however, shall not in any manner affect, alter or diminish any of the obligations of the Lessee under this Agreement, and shall in no event constitute an acceptance of surrender.

Section 23. Waiver of Redemption

The Lessee hereby waives any and all rights of redemption, granted by or under any present or future law, arising in the event it is evicted or dispossessed for any cause, or in the event PATH obtains or retains possession of the premises in any lawful manner.

Section 24. Survival of the Obligation of the Lessee

(a) In the event that the letting shall have been terminated in accordance with a notice of termination as provided in Section 21 hereof, or the interest of the Lessee cancelled pursuant thereto, or in the event that PATH has re-entered, regained or resumed possession of the premises in accordance with the provisions of Section 22 hereof, all the obligations of the Lessee under this Agreement shall survive such termination or cancellation, re-entry, regaining or resumption of possession and shall remain in full force and effect for the full term of this Agreement, and the amount or amounts of damages or deficiency shall become due and payable to PATH to the same extent, at the same time or times and in the same manner as if no termination, cancellation, re-entry, regaining or resumption of possession had taken place. PATH may maintain separate actions each month to recover the damage or deficiency then due or at its option and at any time may sue to recover the full deficiency less the proper discount, for the entire unexpired term.

(b) The amount of damages for the period of time subsequent to termination or cancellation (or re-entry, regaining or resumption of possession) shall be:

(1) On account of the Lessee's basic rental obligation, the amount of the total of all annual basic rentals, less the installments thereof payable prior to the effective date of termination except that the credit to be allowed for the installment payable on the first day of the month in which the termination is effective shall be prorated on a daily basis for the part of the month the letting remains in effect;

(2) On account of the Lessee's percentage rental obligation in the event that a basic rental is also reserved under this Agreement, an amount equal to the percentage stated in Item 1 of Exhibit B applied to the amount of gross receipts in excess of the annual exemption amount or amounts, which gross receipts would have been received by the Lessee during the balance of the term if there had been no termination or cancellation (or re-entry, regaining or resumption of possession), and for the purpose of calculation hereunder (i) the said amount of gross receipts shall be derived by multiplying the number of days in the balance of the term originally fixed, by the Lessee's average daily gross receipts; ~~(ii) the average daily gross receipts shall be the total actual gross receipts of the Lessee during that part of the effective period of the letting (including all annual periods falling within the effective period) in which no abatement was in effect, divided by the number of days included in such part of the effective period; (iii) the annual exemption amount for any period of less than a year shall be the product of the original annual exemption amount multiplied by a fraction, the numerator of which shall be the number of days from the effective date of termination to the end of the annual period and the denominator of which shall be 365;~~

(3) On account of the Lessee's percentage rental obligation in the event that no basic rental is reserved under this Agreement, an amount equal to the percentage stated in Item 1 of Exhibit B applied to the amount of gross receipts which would have been received by the Lessee during the balance of the term if there had been no termination or cancellation (or re-entry, regaining or resumption of possession), and for the purpose of calculation hereunder (i) the said amount of gross receipts shall be derived by multiplying the number of days in the balance of the term originally fixed, by the Lessee's average daily gross receipts; (ii) the average daily gross receipts shall be the total actual gross receipts of the Lessee during that part of the effective period of the letting (including all annual periods falling within the effective period) divided by the number of days included in such part of the effective period.

(c) It is understood and agreed that the statement of damages under the preceding subdivision (b) shall not affect or be construed to affect PATH's right to damages in the event of termination or cancellation (or re-entry, regaining or resumption of possession) where the Lessee has not received any actual gross receipts under this Agreement.

Section 25. Reletting by PATH

PATH, upon termination or cancellation pursuant to Section 21 hereof, or upon any re-entry, regaining or resumption of possession pursuant to Section 22 hereof, may occupy the premises or may relet the premises, and shall have the right to permit any person, firm or corporation to enter upon the premises and use the same. Such reletting may be of part only of the premises or of the premises or a part thereof together with other space, and for a period of time the same as or different from the balance of the term hereunder remaining, and on terms and conditions the same as or different from those set forth in this Agreement. ~~PATH shall also, upon termination or cancellation pursuant to the said Section 21, or upon its re-entry, regaining or resumption of possession pursuant to the said Section 22, have the right to repair or to make structural or other changes in the premises, including changes which alter the character of the premises and the suitability thereof for the purposes of the Lessee under this Agreement, without affecting, altering or diminishing the obligations of the Lessee hereunder. In the event either of any reletting or of any actual use and occupancy by PATH (the mere right to use and occupy not being sufficient however) there shall be credited to the account of the Lessee against its survived obligations hereunder any net amount remaining after deducting from the amount actually received from any lessee, licensee, permittee or other occupier in connection with the use of the said premises or portion thereof during the balance of the letting as the same is originally stated in this Agreement, or from the market value of the occupancy of such portion of the premises as PATH may during such period actually use and occupy, all expenses, costs and disbursements incurred or paid by PATH in connection therewith. No such reletting shall be or be construed to be an acceptance of surrender.~~

Section 26. Remedies to be Non-exclusive

All remedies provided in this Agreement shall be deemed cumulative and additional and not in lieu of or exclusive of each other or of any other remedy available to PATH at law or in equity.

Section 27. Surrender

(a) The Lessee covenants and agrees to yield and deliver peaceably to PATH possession of the premises on the date of the cessation of the letting, whether such cessation be by termination, expiration or otherwise, promptly and in good condition such reasonable wear excepted as would not adversely affect or interfere with a first-class, efficient and proper operation such as is required under this Agreement.

(b) Subject to the provision of Sections 12 and 26 the Lessee shall have the right at any time during the letting to remove its equipment, inventories, removable fixtures and other personal property from the premises. If the Lessee shall fail to remove its property on or before the termination or expiration of the letting, PATH may remove such property to a public warehouse for deposit or retain the same in its own possession, and sell the same at public auction, the proceeds of which shall be applied first to the expenses of removal, storage and sale, second to any sums owed by the Lessee to PATH, with any balance remaining to be paid to the Lessee; if the expenses of such removal, storage and sale shall exceed the proceeds of sale, the Lessee shall pay such excess to PATH upon demand.

Section 28. Acceptance of Surrender of Lease

No agreement of surrender or to accept a surrender shall be valid unless and until the same shall have been reduced to writing and signed by the duly authorized representatives of PATH and of the Lessee. Except as expressly provided in this Section, neither the doing of, nor any omission to do, any act or thing, by any of the officers, agents or employees of PATH, shall be deemed an acceptance of a surrender of the letting or of this Agreement.

Section 29. Requirement of Deposit or Bond

(a) Unless Item 7 of Exhibit B indicates that no deposit is required, then, prior to the commencement of the letting, the Lessee shall deposit with PATH the sum stated in the said Item 7, in securities satisfactory to PATH or in cash, as security for the full, faithful and prompt performance of and compliance with, on the part of the Lessee, all the covenants, terms and conditions of this Agreement on its part to be fulfilled, kept, performed and observed. The said cash or securities shall remain on deposit with PATH throughout the letting. If securities are deposited, the fair market value thereof shall be equivalent at the time of the deposit to the sum stated in the said Item 7; and, if at any time throughout the letting the fair market value thereof declines, the Lessee shall, upon ten (10) days' notice from PATH, deposit additional securities to the extent necessary to maintain the sum stated in the said Item 7. In addition to any and all other remedies available to it under this Agreement or otherwise, PATH shall have the right, at its option at any time and from time to time, to use the deposit or any part thereof in whole or partial satisfaction of any of its claims or demands against the Lessee. There shall be no obligation on PATH to exercise such right, and neither the existence of such right nor the holding of the deposit itself shall cure any default or breach on the part of the Lessee. In the event that PATH shall

at any time or times so use the deposit or a part thereof, the Lessee shall, on demand of PATH and within two (2) days thereafter, deposit with PATH additional securities satisfactory to PATH or additional cash so as to maintain the deposit at all times to the full amount stated in the said Item 7; all such additional deposits shall be subject to all the conditions of this Section. After the expiration of the letting and upon written request therefor by the Lessee, PATH will return the deposit to the Lessee, less the amount of any and all unpaid claims and damages of PATH under this Agreement. Upon a termination of the letting, PATH may, at its option, retain the deposit until the date fixed in Section 2 hereof for the expiration of the letting (or until the final date of any extended term, as the case may be) and shall thereafter upon demand of the Lessee return the same to the Lessee less the amount of any and all unpaid claims and damages, including but not limited to estimated damages of PATH under this Agreement. The Lessee agrees that it will not assign, mortgage or encumber the deposit. The Lessee may collect or receive annually any interest or income earned on bonds and interest paid on cash deposited in interest-bearing bank accounts less any part thereof or amount which PATH is or may hereafter be entitled or authorized by law to retain or to charge in connection therewith, whether as or in lieu of administrative expense or custodial charge, or otherwise, provided, however, that PATH shall not be obligated by this provision to place or to keep cash deposited hereunder in interest-bearing bank accounts. Without limiting the foregoing provisions of this Section, with respect to any bonds deposited by the Lessee, PATH shall have the right, in order to satisfy any of its claims or demands against the Lessee, to sell the same in whole or in part, at any time and from time to time, with or without prior notice, at public or private sale, all as determined by PATH together with the right to purchase the same at such sale free of any claims, equities or rights of redemption of the Lessee. The Lessee hereby waives any right to participate therein or any right to prior notice or demand of the amount or amounts of PATH's claims or demands against the Lessee. The proceeds of any such sale shall be applied by PATH first to the costs and expenses of the sale (including but not limited to any advertising or commission expenses) and then to the amounts due PATH from the Lessee. Any balance remaining shall be retained in cash toward bringing the security deposit to the sum specified above provided that this shall not relieve the Lessee from maintaining the deposit in the full amount stated above.

(b) Unless Item 8 of Exhibit B indicates that no performance bond is required, the Lessee shall furnish and pay the premium for a bond in the sum stated in the said Item 8, conditioned upon the full, faithful and prompt performance of and compliance with, on the part of the Lessee, all the covenants, terms and conditions of this Agreement on its part to be fulfilled, kept, performed and observed. The bond so furnished shall be in the form attached hereto, hereby made a part hereof and marked "Exhibit U", shall be effective throughout the letting and shall be made either by a surety company or companies qualified to carry on a surety business in the State of New Jersey if the premises are in New Jersey or in the State of New York if the premises are in New York, and satisfactory to PATH or by an individual or individuals satisfactory to PATH.

(c) In the event Items 7 and 8 of Exhibit B indicate that both a deposit and a bond are required, the Lessee shall, unless said items 7 and 8 state otherwise, have the option of fulfilling either the provisions of subdivision (a) or those of subdivision (b) of this Section.

Section 30. Brokerage

The Lessee represents and warrants that no broker has been concerned in the negotiation of this Agreement and that there is no broker who is or may be entitled to be paid a commission in connection therewith. The Lessee shall indemnify and save harmless PATH of and from any claim for commission or brokerage made by any and all persons, firms or corporations whatsoever for services in connection with the negotiation and execution of this Agreement.

Section 31. Limitation of Rights and Privileges Granted

(a) The premises are let to the Lessee and the Lessee takes the same subject to all the following: (i) easements, restrictions, reservations, covenants and agreements, if any, to which the premises may be subject; rights of the public in and to any public street; (ii) rights, if any, of the enterprise, public or private, which is engaged in furnishing any services including without limitation thereto heating, lighting, power, telegraph, telephone, steam, water, sewerage, or transportation services, and of the municipality and State in which the premises are located; (iii) permits, licenses, regulations and restrictions, if any, of the United States, the municipality or State in which the premises are located, or other governmental authority.

(b) No greater rights or privileges with respect to the use of the premises or any part thereof or with respect to any PATH property are granted or intended to be granted to the Lessee by this Agreement, or by any provision thereof, than the rights and privileges expressly granted hereby.

Section 32. Relationship of the Parties

This Agreement does not constitute the Lessee the agent or representative of PATH for any purpose whatsoever and neither a partnership nor any joint adventure is hereby intended nor shall it be deemed to be created by this Agreement.

Section 33. Notices

(a) All notices, permissions, requests, consents and approvals given or required to be given to or by either party shall be in writing (which shall include a telegram when delivered to the telegraph company), and all such notices and requests shall be (i) personally delivered to the party or to the duly designated officer or representative of such party; or (ii) delivered to an office of such party, officer or representative during regular business hours; or (iii) delivered to the residence of such party, officer or representative at any time; or (iv) if directed to the Lessee, delivered to the premises at any time; or (v) forwarded to such party, officer or representative, at the office or residence address by registered or certified mail. The Lessee shall designate an office within the Port of New York District and an officer or representative whose regular place of business is at such office. Until further notice, PATH hereby designates its President, and the Lessee designates the person whose name appears on the first page of this Agreement as their respective officers or representatives upon whom notices and requests may be served, and PATH designates its office at One World Trade Center, New York, New York 10048, and the Lessee designates its office, the address of which is set forth on the first page of this Agreement, as their respective offices where notices and requests may be served.

(b) If any notice is mailed or delivered, the giving of such notice shall be complete upon receipt or, in the event of a refusal by the addressee, upon the first tender of the notice to the addressee or at the permitted address. If any notice is sent by telegraph, the giving of such notice shall be complete upon receipt or, in the event of a refusal by the addressee, upon the first tender of the notice by the telegraph company to the address or at the address thereof.

Section 34. Place of Payments

All payments required of the Lessee by this Agreement shall be mailed to PATH, P.O. Box 17309, Newark, New Jersey 07194.

Section 35. Quiet Enjoyment

PATH covenants and agrees that as long as it remains the owner of the premises, the Lessee, upon paying all rentals hereunder and performing all the covenants, conditions and provisions of this Agreement on its part to be performed, shall and may peaceably and quietly have, hold and enjoy the premises free of any act or acts of PATH except as expressly permitted in this Agreement.

Section 36. Headings

The section headings and the paragraph headings, if any, are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope or intent of any provision thereof.

Section 37. Changes in the Facility

PATH shall have the right at any time and from time to time prior to and during the letting, in the interest of the efficient operation of the building or facility of which the premises may be a part, to close, move or alter any common way in the said building or Facility, including but not limited to entrances, exits, passages, halls, corridors, aisles, stairways, elevators or escalators, or to restrict or change the traffic on or through any such common way; and no such action by PATH shall release the Lessee from any of its obligations under this Agreement.

Section 38. Construction and Application of Terms

(a) Wherever in this Agreement a third person singular neuter pronoun or adjective is used, referring to the Lessee, the same shall be taken and understood to refer to the Lessee, regardless of the actual Lessee's gender or number.

(b) Whenever in this Agreement the Lessee is placed under an obligation or covenants to do or to refrain from or is prohibited from doing, or is entitled or privileged to do, any act or thing, the following shall apply:

(1) If the Lessee is a corporation, its obligations shall be performed or its rights or privileges shall be exercised only by its officers and employees; or

(2) If the Lessee is an unincorporated association or a business or "Massachusetts" trust, the obligation shall be that of its members or trustees, as well as of itself, and shall be performed only by its members or trustees, and its officers and employees, and its rights or privileges shall be exercised only by its members or trustees, and its officers and employees; or

(3) If the Lessee is a partnership, the obligation shall be that of its partners, and shall be performed only by its partners and employees, and its rights or privileges shall be exercised only by its partners and employees; or

(4) If the Lessee is an individual, the obligation shall be that of himself (or herself) and shall be performed only by himself (or herself) and his (or her) employees and the rights or privileges of the Lessee shall be exercised only by himself (or herself) and his (or her) employees.

(5) None of the provisions of this subdivision (b) shall be taken to alter, amend or diminish any obligation of the Lessee assumed in relation to its invitees, customers, agents, representatives, contractors or other persons, firms or corporations doing business with it.

(c) In the event that more than one individual or other legal entity are the Lessee under this Agreement, then and in that event each and every obligation under this Agreement shall be the joint and several obligation of each such individual or other legal entity.

(d) The Lessee's representative, hereinbefore specified (or such substitute as the Lessee may hereafter designate in writing) shall have full authority to act for the Lessee in connection with this Agreement and any things done or to be done hereunder, and to execute on the Lessee's behalf any amendments or supplements to this Agreement or any extension thereof.

Section 39. Non-Liability of Individuals

Neither the Directors of PATH nor any of them, nor any officer, agent or employee thereof, shall be charged personally by the Lessee with any liability or held liable to it under any term or provision of this Agreement, or because of its execution or attempted execution or because of any breach or attempted or alleged breach thereof.

Section 40. Grease Traps and Ventilation Ducts

Without in anywise limiting the Lessee's other obligations under this Agreement, the Lessee shall supply, replace, install, repair, maintain and keep clean all grease traps in all drainage pipes exclusively used by it in its operations hereunder whether such pipes are located on the premises or elsewhere in the building or Facility of which the premises may be a part. The Lessee shall also keep clean, repair and maintain (other than structurally) all ventilation ducts including the replacement of all filters where such ducts are exclusively used by it in its operations hereunder and whether such ducts are located on the premises or elsewhere in the said building or Facility.

Section 41. Extermination Service

The Lessee shall pay PATH upon demand the cost of extermination service, if any, actually provided by PATH in the enclosed portion of the premises provided, however, that PATH shall not be required hereby to furnish such service.

Section 42. Subordination

This Agreement and the letting hereunder are and shall be subject and subordinate to all mortgages which may now or hereafter affect the premises or the Facility and to all renewals, modifications, consolidations, replacements and extensions thereof, and although the provisions of this Section shall be deemed to be self-operating and effective for all purposes without any further instrument on the part of the Lessee, the Lessee shall execute on demand and without expense to PATH such further instruments confirmatory of the provisions of this Section as PATH may request.

Section 43. Definitions

The following terms, when used in this Agreement, shall have the respective meanings given below:

(a) "Letting" shall mean the letting under this Agreement for the original term stated herein, and shall include any extensions thereof which may be made pursuant to the provisions of this Agreement.

(b) "Causes or conditions beyond the control of PATH", shall mean and include acts of God, the elements, weather conditions, tides, earthquakes, settlements, fire, acts of Governmental authority, war, shortage of labor or materials, acts of third parties for which PATH is not responsible, injunctions, labor troubles or disputes of every kind (including all those affecting PATH, its contractors, suppliers or subcontractors) or any other condition or circumstance, whether similar to or different from the foregoing (it being agreed that the foregoing enumeration shall not limit or be characteristic of such conditions or circumstances) which is beyond the control of PATH or which could not be prevented or remedied by reasonable effort and at reasonable expense.

(c) "Facility", "Terminal" or "Transportation Center" shall mean:

(i) With respect to any portion of the premises located in the PATH Journal Square Transportation Center, the building complex constructed or to be constructed by PATH within the area in the City of Jersey City, County of Hudson and State of New Jersey, bounded generally by John F. Kennedy Boulevard on the west, Pavonia Avenue on the north, Summit Avenue on the east and Sip Avenue on the south, together with such adjoining and additional areas including yards, ramps, streets and ways as may be used from time to time for Transportation Center purposes.

(ii) With respect to any portion of the premises located in the PATH World Trade Center Station, the building complex constructed or to be constructed by the Port Authority of New York and New Jersey within the area in the Borough of Manhattan, City, County, and State of New York, bounded generally by the east side of Church Street on the east, the south side of Liberty Street extended on the South, the Hudson River on the west, and on the north by a line beginning at the point of intersection of the Hudson River and the north side of Vesey Street extended, running along the north side of Vesey Street extended and the north side of Vesey Street to the west side of Washington Street, then along the west side of Washington Street to the north side of Barcaly Street, then along the north side of Barcaly Street to the east side of West Broadway, then along the east side of West Broadway to the north side of Vesey Street, then along the north side of Vesey to the east side of Church Street, together with such additional contiguous areas as may be agreed to from time to time between the Port Authority of New York and New Jersey and the City of New York.

(iii) With respect to any portion of the premises located in the PATH 33rd Street Station, the 33rd Street Station of the PATH Interstate Railway system, in the City, County, and State of New York.

(d) "Gross receipts" shall include all monies paid or payable to the Lessee for sales made and services rendered at or from the Terminal, regardless of when or where the order therefor is received, and outside of the Terminal, if the order therefor is received at the Terminal, and any other revenues of any type arising out of or in connection with the Lessee's operations at the Terminal, provided, however, that any taxes imposed by law which are separately stated to and paid by a customer, and are directly payable to the taxing authority by the Lessee shall be excluded therefrom.

Section 44. Thirty Day Termination and Reimbursement

(a) PATH shall have the right to terminate this Agreement and the letting hereunder, without cause, at any time, on thirty (30) days' notice to the Lessee. In the event of termination pursuant to this Section, this Agreement and the letting hereunder shall cease and expire as if the effective date of termination stated in the notice were the date originally state herein for the expiration of this Agreement.

(b) The Lessee is obligated by this Agreement to furnish and install all fixtures and equipment and make all improvements in the premises, necessary or proper for its operations hereunder. In the event of termination by PATH under this Section, PATH shall pay the Lessee a pro rate share of the Lessee's cost in supplying and installing all such fixtures and equipment and making all such improvements excluding any replacements thereof. The cost and the pro rata share thereof shall be ascertained as stated in Item 6 of Exhibit B, provided, however, that tender of payment of said prorated cost by PATH to the Lessee shall not be prerequisite to the exercise of the right of termination under this Section, but the Lessee shall be entitled to 5% interest per annum on said prorated cost for the period between the effective date of termination and the date of tender of payment (excluding any portion of the period prior to the rendering by the Lessee to PATH of a statement and other documents of cost). On the payment by PATH of said prorated cost and any interest due thereon, all fixtures equipment and improvements including replacements furnished by the Lessee in the premises and all interest of the Lessee therein which have not already become the property of PATH shall be and become the property of PATH and the Lessee shall execute any and all instruments necessary to transfer title and any such interest, provided, however, that PATH may by notice relinquish its right to any such fixtures, equipment or improvements and the provisions of the Sections of this Agreement entitled respectively "Sales and Services by the Lessee" and "Surrender" shall apply thereto.

Section 45. Force Majeure

PATH shall not be liable for any failure, delay or interruption in performing its obligations hereunder due to causes or conditions beyond the control of PATH. Further, PATH shall not be liable unless the failure, delay or interruption shall result from failure on the part of PATH to use reasonable care to prevent or reasonable efforts to cure such failure, delay or interruption.

Section 46. Finishes and Decorating by the Lessee

(a) PATH shall deliver the premises to the Lessee in its "as is" condition. The Lessee acknowledges that it has thoroughly inspected the premises and agrees to take the same in such "as is" condition. Nothing contained herein shall or shall be construed to relieve the Lessee of its obligations under Section 12 to install in the premises all necessary or proper equipment or fixtures required for its operations in the premises. Subject to the provisions of this Section and Section 15 of this Agreement the Lessee agrees to and shall perform at its sole cost and expense all construction and installation work necessary or proper for its occupancy of the premises and its operations therein including, without limitation, (i) the refurbishment of interior and demising walls, floors, and ceilings, (ii) the installation of new lighting, and (iii) the design and construction of new storefronts (the work described in this Section being sometimes hereinafter referred to as "the Construction Work"). The Lessee hereby covenants and agrees that it shall expend a minimum of One Hundred Thousand Dollars and No Cents (\$100,000.00) on the performance of the Construction Work. Prior to commencing the performance of any of the Construction Work the Lessee shall submit to PATH for its approval an Alteration Application, in the form supplied by PATH, and containing such terms and conditions as PATH may include, setting forth in detail and by appropriate plans and specifications the work the Lessee proposes to perform and the manner of and time periods for performing the same. The data to be supplied by the Lessee shall identify separately each of the items constituting the Construction Work and shall describe in detail the fixtures and equipment to be installed by the Lessee. The Lessee shall be responsible at its sole expense for retaining all architectural, engineering and other technical consultants and services as may be directed by PATH and for developing, completing and submitting detailed plans and specifications for the work. The plans and specifications to be submitted by the Lessee to PATH shall bear the seal of a qualified architect or professional engineer, who shall be responsible for the administration of the work in accordance with PATH's requirements, and shall be in sufficient detail for a contractor to perform the work. In connection with review by PATH of the Lessee's submissions under this paragraph, the Lessee shall submit to PATH, at PATH's request, such additional data, detail or information as PATH may require for such review. The Lessee shall not engage any contractor or permit the use of any subcontractor unless and until each such contractor or subcontractor has been approved by PATH. The Lessee shall include in any such contract or subcontract such provisions as PATH may approve or require, including, without limitation thereto, provisions regarding labor harmony. The Lessee shall cause each such contractor and subcontractor to obtain and maintain in force such insurance coverage and

performance bonds as PATH shall specify. All work to be performed by the Lessee hereunder shall be done in accordance with the said Alteration Application and final plans and specifications approved by PATH, shall be subject to inspection by PATH during the progress of the work and after the completion thereof and the Lessee shall redo or replace at its own expense any work not done in accordance therewith. Upon completion of the Construction Work the Lessee shall supply PATH with a certificate signed by the architect or engineer who sealed the Lessee's plans pursuant to the provisions of this paragraph that all of the work performed by the Lessee has been performed in accordance with the plans and specifications approved by PATH and the provisions of this Agreement and the Lessee shall supply PATH with as-built drawings in form and number as requested by PATH.

(b) The Lessee shall not commence any portion of the Construction Work until the Alteration Application and plans and specifications covering the work to be performed, referred to in paragraph (a) of this Section, have been finally approved by PATH. The Lessee recognizes that its obligation to pay basic rental shall commence on the Rental Payment Start Date established pursuant to Item 1(a)(4) of Exhibit B attached to this Agreement regardless of whether or not the Construction Work is then completed or whether the Lessee is then conducting the operations set forth in Section 3 of this Agreement in the premises. The Lessee shall conduct no such operations in the premises until PATH shall have notified the Lessee in writing that the work in the premises has been completed or substantially completed to its satisfaction. In the event of any inconsistency between the provisions of this Agreement and those of the Alteration Application, the provisions of this Agreement shall control.

(c) The Lessee shall be solely responsible for the plans and specifications used by it, and for the adequacy or sufficiency of such plans, specifications and all the improvements depicted thereon or covered thereby, regardless of the consent thereto or approval thereof by PATH or the incorporation therein of any Port Authority requirements or recommendations. PATH shall have no obligations or liabilities in connection with the performance of finishing, decorating or installation work performed by the Lessee, or on its behalf, or the contracts for the performance thereof entered into by the Lessee. Any warranties extended or available to the Lessee in connection with finishing, decorating, or installation work performed by or on behalf of the Lessee shall be for the benefit of PATH as well as the Lessee.

(d) Without limiting or affecting any other term or provision of this Agreement, the Lessee shall be solely responsible for the design, adequacy and operation of all utility, mechanical, electrical, communications and other systems

installed in the premises by the Lessee and shall do all preventive maintenance and make all repairs, replacements, rebuilding (ordinary or extraordinary, structural or non-structural) and painting necessary to keep such systems and all other improvements, additions and fixtures, finishes and decorations made or installed by the Lessee (whether the same involves structural or non-structural work) in the condition they were in when made or installed except for reasonable wear which does not adversely affect the watertight condition or structural integrity of the building or adversely affect the efficient or proper utilization or appearance of any part of the premises.

Section 47. Operating Names

Any name, designation or any service mark proposed to be used or displayed at the premises or at the Facility or for the Lessee's operations therein shall be approved in advance in writing by PATH and the Lessee shall have the right to use and display the name, designation or mark only so long as this Agreement is in force and effect. If for any reason the Lessee ceases its operations in the premises, the Lessee's right to use such name, designation or service mark shall immediately cease and come to an end and PATH or its designee shall have the sole right to use such name, designation or service mark and the Lessee hereby consents to such use thereof. Any registration or filing by the Lessee with respect to such name, designation or service mark shall be approved in advance by PATH in writing. The Lessee agrees to assign and transfer to PATH any such registration or filing and any other rights in or to the use of such name, designation or service mark promptly upon written request therefor from PATH.

Nothing herein contained is intended to apply to the continuing use by the Lessee of its customary name, designation or service mark used elsewhere in its operations prior to the making of this Agreement.

Section 48. Late Charges

If the Lessee should fail to pay any amount required under this Agreement when due to PATH, including without limitation any payment of basic, percentage or other rental or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then in such event PATH may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four late charge periods during each calendar year; each late charge period shall be for a period of at least fifteen (15) calendar days

except one late charge period each calendar year may be for a period of less than fifteen (but not less than thirteen) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to PATH as a result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Agreement. Each late charge shall be payable immediately upon demand made at any time therefor by PATH. No acceptance by PATH of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of PATH to payment of any late charge or late charges payable under the provisions of this Section with respect to such unpaid amount. Each late charge shall be recoverable by PATH in the same manner and with like remedies as if it were originally a part of the rental as set forth in Section 4 of this Agreement and Item 1 of Exhibit B annexed hereto. Nothing in this Section is intended to, or shall be deemed to affect, alter, modify or diminish in any way (i) any rights of PATH under this Agreement, including without limitation PATH's rights set forth in the section of this Agreement entitled "Termination" or (ii) any obligations of the Lessee under this Agreement. In the event that any late charge imposed pursuant to this Section shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Agreement shall be payable instead at such legal maximum.

Section 49. Additional Provision

Notwithstanding the provisions of paragraph (d) of Section 43 hereof, and without otherwise limiting the generality thereof, no monies, including, without limitation, fees and commissions, received or receivable by the Lessee from the sale or dispensing of Lottery Tickets issued by the Lottery Commission of the State of New Jersey shall be included in gross receipts under this Agreement. Without limiting the generality of the provisions of Section 13 hereof the Lessee shall display in such areas of the premises as shall be designated by PATH only such signs and advertising relating to the sale of lottery tickets issued by the Lottery Commission of the State of New Jersey as may be supplied or approved in advance by PATH. In addition to all other rights of termination contained in this Agreement, PATH shall have the right at any time, on not less than thirty (30) days' written notice to the Lessee to withdraw the permission herein granted for the sale or dispensing of lottery tickets and in such event the Lessee shall discontinue the sale or dispensing of lottery tickets on or before the effective date stated in PATH's written notice to the Lessee.

Section 50. Affirmative Action

Without limiting any of the terms and conditions of this Agreement, the Lessee agrees, and agrees to require its contractors, to make every good faith effort, to the maximum extent feasible, to seek meaningful participation by minorities and women both as to Minority Business Enterprise (MBE) and Women-owned Business Enterprise (WBE) participation as contractors and subcontractors and as to the composition of the labor force on contracts and subcontracts entered into with respect to any construction work performed on the premises. PATH has a long-standing practice of making its contracting opportunities available to MBEs and WBEs. The affirmative steps PATH takes to maximize opportunities for MBEs and WBEs to participate in the performance of PATH construction contracts either directly or as subcontractors are hereby set forth for the Lessee's consideration in the schedule attached hereto, hereby made a part of this Agreement, and marked "Schedule E".

Section 51. Letting Postponed

If on the date fixed as the commencement of the term of the letting in the Section of this Agreement entitled "Term", the premises are not available or ready for occupancy or use by the Lessee, by reason of the fact that the premises or any part thereof, or any part of the Facility, are in the course of construction, repair, alteration or improvement or by reason of the fact that the occupant of the premises, or a part thereof, failed or refused to deliver possession, or by reason of any causes or conditions beyond the control of PATH, PATH may postpone the letting and PATH shall not be subject to any liability for such postponement or failure to give possession on such date. No such postponement or failure to give possession on such date shall affect the validity of this Agreement or the obligations of the Lessee hereunder. In the event the commencement date of the term of the letting is postponed as herein provided, then PATH shall tender possession of the premises to the Lessee by notice given at least five (5) days prior to the effective date of the tender and in such event the Rental Start Date (unless the Rental Start Date is defined herein as a stated period following the commencement date of the term of the letting) shall be postponed for the same number of days that the commencement date of the term of the letting is postponed. Also, in such event, the expiration date of the letting (unless defined herein as a stated period following the Rental Start Date) shall be postponed for a period of time equivalent to the period between the commencement date stated in the Section of this Agreement entitled "Term" and the last day of the calendar month in which the actual commencement date shall fall. In the event that notice of tender of the premises is not given for possession to commence on or before the date stated in Item 9 of

Exhibit B, then this Agreement shall be deemed cancelled, except that each party shall and does release and discharge the other party from any and all claims or demands based on this Agreement, or a breach or alleged breach thereof.

Section 52. Premises

The Lessee acknowledges that it has not relied upon any representation or statement of PATH or its Directors, officers, employees or agents as to the suitability of the premises for the operations permitted on the premises by this Agreement. Without limiting any obligation of the Lessee to commence operations hereunder at the time and in the manner stated elsewhere in this Agreement, the Lessee agrees that no portion of the premises will be used initially or at any time during the letting which is in a condition unsafe or improper for the conduct of the Lessee's operations hereunder so that there is possibility of injury or damage to life or property. Without limiting the generality of any of the provisions of this Agreement, PATH shall not be liable to the Lessee for any claims for loss, theft, or damage involving any property stored or placed on the premises. For all purposes of this Agreement the premises hereunder (notwithstanding any statement elsewhere in this Agreement of any rule for the measurement of the area thereof) shall be deemed to include all of the enclosing partitions, and the adjacent exterior building walls and glass to and including the exterior surface thereof.

Section 53. Changes, Additions and Deletions to This Agreement

Prior to the execution of this Agreement by either of the parties hereto, the following changes, additions and deletions were made in the foregoing terms and conditions:

(a) Paragraphs (c) and (d) of Section 12 were deleted and the following paragraph (c) was inserted in lieu thereof:

"(c) The Lessee shall not sell any items hereunder at a price other than the pre-printed manufacturer's or distributor's recommended retail price, or the price stated in the schedule hereto attached, hereby made a part hereof and marked "Schedule A", provided, however, that if the price charged for the same item at any other establishment located at a transportation terminal within the Port of New York District which has any ownership, financial or management connection with the Lessee or any majority stockholder thereof is lower than the pre-printed manufacturer's or distributor's recommended retail price or the price stated in Schedule A, as the case may be, the Lessee shall notify PATH in writing of that fact and shall charge only the lower price. If the Lessee charges any price

in excess of the prices described in this paragraph, the amount by which the actual price deviates from the approved price shall constitute an overcharge which will, upon demand of PATH or the Lessee's customer, be promptly refunded to the customer. If the Lessee charges any price or applies any rate which is less than the prices or rates described in this paragraph the amount by which the actual price deviates from the approved price shall constitute an undercharge and an amount equivalent thereto shall be included in any gross receipts hereunder and the percentage rental, if any, shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Lessee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Lessee's obligations hereunder and PATH shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Agreement. On each anniversary of the commencement date of the letting under this Agreement the Lessee may request an adjustment in the approved prices for the items described in Schedule B annexed to this Agreement for the period from such anniversary to the day preceding the following anniversary of the commencement date. PATH may grant an increase in such prices if the Lessee can demonstrate to the satisfaction of PATH that the requested adjustment and the amount thereof is comparable to and consistent with the prices and rates charged for such items at other transportation terminals located within the Port of New York District. At the request of PATH the Lessee shall submit a representative schedule of charges and rates for such items then in effect at other transportation terminals located within the port of New York District. Notwithstanding the foregoing, and without otherwise limiting the generality thereof, the Lessee may request an adjustment in the approved prices for any of the items described in Schedule B annexed to this Agreement during the period prior to the first anniversary of the commencement date of the letting hereunder if such request is based solely on the changed wholesale cost of those items and is limited to the difference between the wholesale cost of those items on the commencement date of the letting and the actual wholesale cost of those items that will be incurred by the Lessee during such period. Any price adjustment requested by the Lessee pursuant to the provisions of this paragraph shall take effect, however, only upon the express written consent of PATH. Nothing set forth in this paragraph shall be deemed to constitute an agreement on the part of PATH to grant its consent or approval to any requested price adjustment or to create an inference that PATH will grant such consent or approval or that PATH's discretion as to any such consents or approvals shall in any way be affected or impaired."

(b) Subparagraph (b) (2) of Section 24 hereof was deleted and the following subparagraph was inserted in lieu thereof:

"(2) On account of the Lessee's percentage rental obligation with respect to gross receipts under this Agreement, an amount equal to the excess over the Annual Fixed Rental Amount of the percentage stated in subparagraph (b) of Item 1 of Exhibit B applied to the gross receipts which would have been received by the Lessee during the balance of the term if there had been no termination or cancellation (or re-entry, regaining, or resumption of possession); and for the purpose of calculation hereunder (i) ~~the said amount of gross receipts shall be derived by~~ multiplying the number of days in the balance of the term originally fixed by the Lessee's average daily gross receipts; (ii) the average daily gross receipts shall be the Lessee's total actual gross receipts during that part of the effective period of the letting (including all Annual Periods falling within the effective period) in which no abatement was in effect divided by the number of days included in such part of the effective period; (iii) the Annual Fixed Rental Amount for any period of less than a year shall be the product of the original Annual Fixed Rental Amount multiplied by a fraction the numerator of which shall be the number of days from the effective date of termination to the end of the Annual Period and the denominator shall be 365;"

(c) In connection with the provisions of Section 30 hereof, the Lessee hereby certifies that its I.R.S. Taxpayer Identification Number is

It shall not be necessary to physically make the aforesaid changes additions and deletions in the aforesaid Sections of this Agreement.

Section 54. Entire Agreement

This Agreement consists of the following:

Pages 1 through 43, inclusive, plus Exhibits A and B, and Schedules A and E.

It constitutes the entire agreement of the parties on the subject matter hereof and may not be changed, modified, discharged or extended except by written instrument duly executed by PATH and the Lessee. The Lessee agrees that no representations or warranties shall be binding upon PATH unless expressed in writing in this Agreement.

IN WITNESS WHEREOF, the parties hereto have executed these presents as of the day and year first above written.

EXHIBIT B

Item 1: Rental Provisions

(a) Definitions

(1) "Annual period" shall mean, as the context requires, the twelve-month period commencing with the Rental Payment Start Date established pursuant to the provisions of this Agreement and each of the twelve-month periods thereafter occurring during the term of the letting, provided, however, that if the Rental Payment Start Date commences on other than the first day of a calendar month, the first annual period shall include the portion of the month in which the Rental Payment Start Date falls following such date plus the succeeding 12 calendar months and each subsequent annual period shall commence on the anniversaries of the first day of the first full calendar month following the month in which the Rental Payment Start Date occurs.

(2) "Guaranteed minimum annual basic rental amount" shall mean for and during each of the first two annual periods hereunder the sum of Seventy Thousand Six Hundred Twenty Dollars and No Cents (\$70,620.00), as the same may be reduced by the operation of the abatement and/or proration provisions hereof. For and during each annual period thereafter occurring during the term of the letting hereunder it shall mean the sum equal to the greater of (i) Seventy Thousand Six Hundred twenty Dollars and No Cents (\$70,620.00), or (ii) the product obtained by multiplying eighty one-hundredths (.80) by the average of the annual basic and percentage rental payable by the Lessee to the Port Authority pursuant to the provisions of this Agreement in the two preceding annual periods in which no abatement was in effect, as the same may be reduced by the operation of the abatement and/or proration provisions hereof. The average of the annual basic and percentage rental payable by the Lessee to the Port Authority in the two preceding annual periods shall be the total annual basic and percentage rental payable by the Lessee to the Port Authority in the two preceding annual periods in which no abatement was in effect, divided by two.

(3) "Annual exemption amount" shall mean for and during each annual period occurring under this Agreement the sum equivalent to the basic rental payable by the Lessee to PATH during such annual period pursuant to the provisions of this Agreement, as the same may be reduced by the operation of the abatement and/or proration provisions hereof.

(4) For the purpose of calculating the percentage rental due for any annual period which is other than 365 days the guaranteed minimum annual basic rental amount and the annual exemption amount established for such annual period shall each be prorated over the actual number of days contained in such annual period.

(5) "Rental Payment Start Date" shall mean the commencement date of the term of the letting of the premises established pursuant to this Agreement. The Lessee recognizes that its obligation to pay basic rental shall commence on the Rental Payment Start Date established pursuant to this subparagraph whether or not the Lessee is conducting public operations in the premises on such date.

(b) Basic Rental

During each annual period occurring during the term of the letting under this Agreement, the Lessee shall pay to PATH a basic rental for the premises at a rate per annum equal to the guaranteed minimum annual basic rental established for such annual period, payable, in advance, in equal monthly installments each equal to 1/12th of the applicable annual basic rental on the first day of each calendar month occurring during such annual period, provided, however, that if the Rental Payment Start Date commences on other than the first day of a calendar month the installment of basic rental payable on the Rental Payment Start Date shall be an amount equal to the amount of the installment described in this paragraph multiplied by a fraction the numerator of which shall be the number of days from the Rental Payment Start Date to the last day of the calendar month in which the Rental Payment Start Date shall fall and the denominator of which shall be the number of days in that calendar month.

(c) Percentage Rental:

The Lessee shall pay to PATH during each annual period an annual percentage rental equivalent to the excess over the annual exemption amount established for such annual period of ten percent (10%) of all of the gross receipts of the Lessee arising during such annual period. The computation of percentage rental for each annual period, or a portion of an annual period, as hereinafter provided, shall be individual to such annual period, or such portion of an annual period, and without relation to any other annual period, or any other portion of any annual period.

(d) Time of Payment of Percentage Rental
Computations of Amounts and Accounting:

(1) The Lessee shall pay the percentage rental as follows: on the 20th day of the first month following the commencement of each annual period and on the 20th day of each and every month thereafter including the month following the end of each annual period the Lessee shall render to the PATH a sworn statement showing the Lessee's gross receipts for the preceding month and the cumulative amount of the Lessee's gross receipts from the commencement of the annual period for which the report is made to the last day of the preceding month; whenever any such statement shall show that the percentage stated in paragraph (b) of this Item 1 applied to the Lessee's cumulative gross receipts for that annual period are in excess of the annual exemption amount established for that annual period, the Lessee shall pay at the time of rendering the statement an amount equal to such excess and the Lessee shall thereafter on the 20th day of each month during that annual period and on the 20th day of the month following the end of that annual period pay an amount equal to the percentage stated in paragraph (b) of this Item 1 applied to the gross receipts of each subsequent month during that annual period. At any time that the established annual exemption amount is decreased by abatement or proration as herein provided so that there is an excess of gross receipts as to which the percentage rental has not been paid, the same shall be payable to PATH on demand. The Lessee's statement following the close of each annual period shall report total gross receipts for such annual period and total percentage rental due therefor and if any adjustments are required the same shall be made at the time such report is rendered.

(2) Upon any termination of the letting hereunder (even if stated to have the same effect as expiration), the Lessee shall, within twenty (20) days after the effective date of such termination, make a payment of rental computed as follows: first, if the letting hereunder is terminated effective on a date other than the last day of a month the basic rental for the portion of that month in which the letting remains effective shall be the amount of the applicable monthly installment of basic rental prorated on a daily basis, and if the applicable monthly installment due on the first day of that month has not been paid the Lessee shall pay the prorated part of the amount of that installment; if the applicable monthly installment has been paid, then the excess thereof shall be credited to the Lessee's other obligations; second, the Lessee shall within

twenty (20) days after the effective date of termination render to PATH a sworn statement of all its gross receipts for the annual period in which the effective date of termination happens to fall, third, the payment then due on account of all percentage rental for the annual period in which the effective date of termination falls shall be the excess of the percentage rental, computed as follows, over the total of such percentage rental payments previously made for such annual period: an amount equal to the excess over the annual exemption amount established for such annual period of the percentage stated above in paragraph (b) of this Item 1 applied to the gross receipts of the Lessee for such annual period, provided, however, that the annual exemption amount established for such annual period shall be multiplied by a fraction, the numerator of which shall be the number of days from the commencement of such annual period to the effective date of termination and the denominator of which shall be 365. For the purpose of calculating the percentage rental due for such annual period, and to determine the applicable annual exemption amount for such annual period, the guaranteed minimum annual basic rental amount established for such annual period shall be similarly prorated.

(e) Abatement:

(1) For every calendar day or major fraction thereof that the Lessee shall be entitled to abatement during any annual period, the basic rental established for such annual period shall be reduced by an amount equivalent to the product obtained by dividing the applicable annual basic rental payable for such annual period into 365 and multiplying the quotient so obtained by a fraction the numerator of which shall be the number of square feet of floor space as to which the abatement applies and the denominator of which shall be the total number of square feet in the premises.

(2) During any annual period in which the Lessee shall be entitled to abatement, the annual exemption amount and the guaranteed minimum annual basic rental amount established for such annual period shall be reduced proportionately to the reduction of the basic rental.

(3) For the purpose of abatement, the ascertainment of the number of square feet contained in the premises to be measured shall be in accordance with the following: Areas of the premises and parts thereof will be computed by measuring from the inside plaster surface of outer building walls to the plaster surface of the corridor side of corridor partitions and to the center of partitions

that separate the premises from adjoining rentable area; no deduction will be made for columns, pilaster, or projections necessary to the building or for toilets, porter's closets, and slop sinks used exclusively by the Lessee and contained within the premises. Permanent partitions enclosing elevator shafts, stairs, fire towers, vent, pipe shafts, meter closets, flues, stacks and any vertical shafts have the same relation to rentable areas as do outer building walls.

(f) Nothing contained in the foregoing shall affect the survival of the obligations of the Lessee as set forth in Section 24 of this Agreement.

Item 2: Liability Insurance Limits:

(a) The limits of liability insurance referred to in Section 11(b) shall be not less than the following and shall include full contractual liability coverage:

comprehensive general liability insurance, covering bodily injury, including wrongful death and products liability and property-damage liability, in the minimum amount of \$2,000,000 combined single limit per occurrence.

(b) Notwithstanding the provisions of Section 11(c) PATH shall be included as an additional insured in any policy of liability insurance required by the provisions of this Agreement, and each such policy shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of PATH or PATH, raise any defense involving in any way the jurisdiction of the tribunal over the person of PATH or PATH, the immunity of PATH or PATH, its Directors, Commissioners, officers, agents or employees, the governmental nature of PATH or PATH or the provisions of any statutes respecting suits against either of them.

(c) The policy shall provide or contain an endorsement providing that the protection afforded the Lessee thereunder with respect to any claim or action against the Lessee by a third person shall pertain and apply with like effect with respect to any claims or action against the Lessee by PATH and against PATH by the Lessee, but such endorsement shall not limit, vary, change or affect the protection afforded PATH thereunder as an additional insured.

Item 3: (a) Heat and Air-Cooling:

Notwithstanding the provisions of Section 14 hereof PATH shall without additional charge and subject to all the terms and provisions of this Agreement on such days and during such hours as the Lessee conducts its business supply to the Lessee the following:

(i) Heat: Sufficient to maintain the premises to an even and comfortable working temperature from October 1st to April 30th, inclusive;

(ii) Air-Cooling: Sufficient to maintain the premises to a comfortable temperature from May 1st through September 30th, inclusive.

Without limiting the generality of rights of entry upon the premises elsewhere in this Agreement reserved to PATH, PATH shall have, for itself, its officers, employees, representatives, contractors and subcontractors the right to enter upon the premises at all times to construct, install, maintain, replace, repair or improve the air-cooling system or any part thereof providing service for the part of the Terminal in which any portion of the premises are located. Air-cooling shall be furnished subject to all the provisions of this Agreement (including but not limited to subdivisions (f), (h) and (i) of Section 14 hereof and in accordance with the following:

(1) If the air-cooling on the premises can be controlled by mechanisms within the premises, the Lessee shall shut off the air-cooling before closing and leaving the premises at any time for any period. PATH shall have the rights of entry specified in Section 18 hereof for the purpose of observing the Lessee's compliance with the provisions hereof and PATH may lock, seal or install any timing device on or in connection with any air-cooling control mechanism so as to provide that the premises shall only be air-cooled during the hours and days stipulated hereunder.

(2) If the Lessee in accordance with Section 15, Section 45 or otherwise erects any partitions or makes any improvements, which partitions or improvements stop, hinder, obstruct or interfere with the cooling of the air or the heating of the premises, then no such action by the Lessee shall impose any obligation on PATH to install facilities, fixtures or equipment for air-cooling or for heating additional to those presently existing or presently contemplated or to increase the capacity or output of existing or presently contemplated facilities, equipment or fixtures and the Lessee shall not in any such event be relieved of any of its obligations hereunder because a comfortable temperature is not maintained.

No consent or approval given by PATH in connection with the erection of partitions or the making of any improvements shall be or be deemed to be a representation that the work consented to or approved will not stop, hinder, obstruct or interfere with either the cooling of the air or heating of the premises or any portion thereof. It is hereby understood further that the installation by the Lessee of any equipment which itself requires air-cooling or which requires additional quantities of air-cooling, shall not impose any obligation on PATH to increase the capacity or output of initially existing facilities, equipment or fixtures for the cooling of the air or the heating of the premises and the Lessee shall not in any such event be relieved of any of its obligations hereunder.

(b) Electricity:

(i) PATH will supply electricity during normal business hours for illumination, by which is meant the energizing of fluorescent and incandescent bulbs (to be supplied, paid for and installed by the Lessee) and for operation of such machines and equipment as PATH may consent to in advance and from and after the commencement date of the term of the letting hereunder, the Lessee shall take and pay for such electricity as follows: PATH shall divide the total cost of electricity consumption and demand furnished to the Facility for each billing period, as billed by the public utility supplying electricity to the Facility, by the total number of kilowatt hours shown on the statement for the Facility for that billing period in order to arrive at the cost per kilowatt hour as charged by said public utility for electricity consumption and demand in the Facility. The Lessee shall pay to PATH upon demand as and for its electricity consumption an amount determined by multiplying the aforesaid cost per kilowatt hour by the number of kilowatt hours of consumption of electricity by the Lessee for that billing period as shown on the checkmeters installed by PATH and, in the event any such checkmeter is out of service or fails to record the number of kilowatt hours of consumption by the Lessee, the Lessee's consumption of electricity will be considered to be the same as its consumption for a like period as measured by such checkmeter, as selected by PATH, either immediately before or immediately after such interruption or failure of a checkmeter. The Lessee shall pay the amount as so determined for each such billing period to PATH upon demand therefor and the same shall be deemed additional rental collectible in the same manner and with like remedies as if it were a part of the basic rental reserved hereunder.

(ii) In the event the laws of the State of New Jersey hereafter provide that PATH may resell or submeter electricity to the Lessee, PATH hereby reserves the right at its option exercised at any time during the term of the letting to install, at its cost and expense, meters to measure the Lessee's consumption and demand for electricity the Lessee shall pay to PATH for each billing period the cost of such consumption and demand as measured by meter based on the greater of (a) the rates (including the fuel or other adjustment factor, if any) which the Lessee under the service classification applicable to the Lessee as of the date of each billing period would be required to pay if the Lessee had purchased such electricity directly from the public utility company supplying the same to the Facility; or (b) PATH's cost of obtaining and supplying the same quantity of electricity. The Lessee shall pay the cost of such consumption and demand for each such billing period to PATH upon demand therefor and the same shall be deemed additional rental collectible in the same manner and with like remedies as if it were a part of the basic rental reserved hereunder.

(iii) Notwithstanding that PATH has agreed to supply electricity to the Lessee, PATH shall be under no obligation to provide or continue such service if PATH is prevented by law, agreement or otherwise from metering or measuring consumption and demand as hereinabove set forth or elects not to so meter or measure the same, and in any such event the Lessee shall make all arrangements and conversions necessary to obtain electricity directly from the public utility. Also in such event the Lessee shall perform the construction necessary for conversion and if any lines or equipment of PATH are with the consent of PATH used therefor PATH may make an appropriate charge therefor to the Lessee based on its costs and expenses for the said lines and equipment.

(c) Domestic Cold Water: Not to be sold, furnished or supplied by PATH to the Lessee.

(d) Domestic Hot Water: Not to be sold, furnished or supplied by PATH to the Lessee.

(e) Steam: Not to be sold, furnished or supplied by PATH to the Lessee.

(f) Gas: Not to be sold, furnished or supplied by PATH to the Lessee.

Item 4: New Construction: Per Section 46.

Item 5: Construction Liability Insurance Limits:

The limits of liability insurance shall be as may be required by PATH in the Construction Application referred to in Section 46 or otherwise from time to time.

Item 6: Cost and Proration Thereof:

(a) To the extent permitted by sound accounting practice, the sum of the following items of cost incurred by the Lessee for such equipment and fixtures and the installation thereof and the making of such improvements as are necessary to initially equip and improve the premises for the Lessee's commencement of operations hereunder, all as mentioned in the Section of the Agreement entitled "Thirty Day Termination", and to the extent that such sum does not exceed One Hundred Fifty Thousand Dollars and No Cents (\$150,000.00) shall constitute the "cost" under the said Section and under subdivisions (b), (c), (d), (e), (f) and (g) hereof:

(1) Direct labor and material costs;

(2) Contract costs for purchase and installation excluding those of the types mentioned in the following subdivision (3);

(3) Engineering, architectural, planning, designing, financing, interest, insurance and other overhead or carrying charges which are due for a period ending not later than the date of completion of installation of any such initial equipment, fixtures or improvements for which they are incurred, and not to exceed 20% of the total of the amounts covered by subdivisions (2) and (3) above.

(b) A statement of the cost detailing all the foregoing including copies of invoices and contracts and certified by a responsible officer of the Lessee shall be delivered by the Lessee to PATH not later than ninety (90) days after the complete supplying and installing of all such initial fixtures or equipment and the making of all such initial improvements, and the Lessee shall permit PATH, by its agents, employees and representatives, at all reasonable times prior to a final settlement or determination of cost, to examine and audit the records and books of the Lessee which pertain to the cost; the Lessee agrees to keep such records and books of account within the Port of New York District during such time.

(c) If the Lessee includes in cost any item as having been incurred but which, in the opinion of PATH, was not so incurred or which, in the opinion of PATH, if so incurred is not an item properly chargeable to cost under sound accounting practice, then PATH, within ninety (90) days after receipt of the said statement of cost as mentioned in subdivision (b) above, shall give written notice to the Lessee stating its objection to any such item and the grounds therefor. If such notice is given and if the dispute is not settled within thirty (30) days by agreement between the parties, then such dispute shall be disposed of by arbitration in accordance with the then existing rules of the American Arbitration Association or any successor association. Costs of said arbitration shall be borne equally by PATH and the Lessee.

(d) In any such arbitration as to whether any item included by the Lessee in its computation of cost has been incurred, the question to be submitted to the arbitrators for decision shall be as follows:

"Was all or any part of such cost incurred by the Lessee; and if part but not all of such cost was incurred, what was the amount which was so incurred?"

(e) In any such arbitration as to whether any item included by the Lessee in its computation of cost is properly chargeable thereunder under sound accounting practice, the question to be submitted to the arbitrators for decision shall be as follows:

"Can it reasonably be held that all or any part of such cost is properly chargeable under sound accounting practice; and if part but not all of such cost can reasonably be held to be so chargeable, then what amount can reasonably be held to be so chargeable?"

The arbitrators to whom such question shall be submitted shall be accountants or auditors.

(f) The proration of cost as referred to in the section of the Agreement entitled "Thirty Day Termination" shall be ascertained by multiplying the cost by a fraction, the numerator of which shall be the number of whole calendar months (in the term of the letting as originally set forth) subsequent to the effective date of termination, and the denominator of which shall be the total number of months in the term of the letting as originally set forth.

(g) Notwithstanding any other provision of the Section of the Agreement entitled "Thirty Day Termination", in ascertaining the amount that PATH shall be obligated to pay to the Lessee under said Section, the cost computed as heretofore stated in this Item shall be diminished by the amount that any

part of the components of cost as stated in subdivisions (1), (2) and (3) of (a) above are secured by liens, mortgages, other encumbrances or conditional bills of sale on such equipment, fixtures and improvements and less any other amounts whatsoever due under this Agreement from the Lessee to PATH. In no event whatsoever shall cost, as defined and computed in accordance with this Item and as used in the Section of the Agreement entitled "Thirty Day Termination" and in this Item, include any expenses, outlays or charges whatsoever by or for the account of the Lessee for or in connection with any equipment or fixtures or the making of any improvements mentioned in said Section or in this Item unless said equipment, fixtures and/or improvements are actually and completely installed in and/or made to the premises.

Item 7: Cash Security: Not Applicable.

Item 8: Performance Bond: Not applicable.

Item 9: Letting Postponed: December 31, 1992

SCHEDULE E

For purposes hereof, Minority Business Enterprise (MBE) shall mean any business enterprise which is at least fifty-one percentum owned by one or more citizens or permanent resident aliens who are minorities and such ownership is real, substantial and continuing, or in the case of a publicly owned business, at least fifty-one percentum of the stock of which is owned by citizens or permanent resident aliens who are minorities and such ownership is real, substantial and continuing. As used herein minority shall mean an individual member of any of the following racial groups

(i) Black (all persons having origins in any of the Black African racial groups not of Hispanic origin;

(ii) Hispanic (all persons of Mexican, Puerto Rican, Dominican, Cuban, Central or South American origin, regardless of race);

(iii) Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asian, the Indian Subcontinent, or the Pacific Islands) which includes persons whose origins are from Japan, China, Taiwan, Korea, Vietnam, Laos, Cambodia, the Philippines, Samoa, Guam, the U.S. Trust Territories of the Pacific, the Northern Marianas, India, Pakistan, Bangladesh, and Sri Lanka; and

(iv) American Indian or Alaskan Native (all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification) which includes persons who are American Indians, Eskimos, Aleuts, or Native Hawaiians.

For the purposes hereof, Women-owned Business Enterprise (WBE) shall mean any business enterprise which is at least fifty-one percentum owned by one or more women and such ownership is real, substantial and continuing, or in the case of a publicly owned business, at least fifty-one percentum of the stock of which is owned by one or more women and such ownership is real, substantial and continuing. "Meaningful participation" shall mean that at least twelve percent (12%) of the total dollar value of the contracts (including subcontracts) are for the participation of Minority Business Enterprises, and that at least five percent (5%) of the total dollar value of the contracts (including subcontracts) are for the participation of Women-owned Business Enterprises. Good faith efforts to include

meaningful participation by MBEs and WBEs shall include at least the following:

- (1) Dividing work into smaller portions where feasible.
- (2) Actively and affirmatively soliciting bids and proposals for contracts or subcontracts to provide commodities and services from MBEs and WBEs including circulation of solicitations to minority and female contractor associations. The Lessee shall maintain records detailing the efforts it and its contractors have made to provide for meaningful MBE and WBE participation, including the names and addresses of all MBEs and WBEs contacted and, if any such MBE or WBE is not selected, the reason for such decision. The Lessee shall supply to PATH such information, data, and documentation with respect to the efforts the Lessee has made to provide for meaningful MBE and WBE participation in contracts and subcontracts as PATH may from time to time and at any time request.
- (3) Providing prospective MBEs and WBEs with plans, specifications, and other necessary background materials with regard to prospective work available to MBEs and WBEs in sufficient time for review.
- (4) Meeting regularly with representatives of PATH to identify forthcoming business opportunities and suitable MBEs and WBEs, following up on specific recommendations made by such representatives, and utilizing the list of eligible MBEs and WBEs hereinafter described in this Schedule, maintained by PATH, or seeking minorities and women from other sources for the purpose of soliciting contractors, subcontractors, and suppliers.
- (5) Encouraging the formation of joint ventures, partnerships or other similar arrangements among contractors, where appropriate, to insure that the Lessee and its contractors will meet their obligations hereunder.
- (6) Insuring that provision is made to provide progress payments to MBEs and WBEs on a timely basis, where appropriate.
- (7) Not requiring bonds from and/or providing bonds and insurance for MBEs and WBEs, where appropriate.

PATH has compiled a list, which may be supplemented and revised from time to time by PATH, of the firms PATH has determined satisfy the criteria for MBE and WBE certification. Such list shall be made available to the Lessee and its contractors upon request. PATH makes no representation as to the financial responsibility of such firms, their technical competence to perform, or any other performance-related qualifications. Only listed MBEs and WBEs and such firms as are not so listed but as are certified by PATH as MBEs and WBEs hereunder will count toward the MBE and WBE goals.

Certification of MBE's and WBEs hereunder shall be made by the Office of Business and Job Opportunity of PATH. If the Contractor wishes to utilize a firm not so listed but which the Contractor believes should be certified because it is an MBE or WBE the Contractor shall submit to PATH a written request for a determination that the proposed firm is eligible for certification. This shall be done by completing and forwarding such form as may be required by PATH from time to time. All such requests shall be in writing addressed to Mr. John Alexander or other designee of the Office of Business and Job Opportunity, PATH of New York and New Jersey, One World Trade Center, 37 South, New York, N.Y. 10048. If any such firm is determined eligible for certification it shall only be by a writing over the name of the Director in charge of such Office. The determination of PATH shall be final and binding on the Contractor. For inquiries or assistance, please contact Mr. John Alexander at (212) 432-4188.

The following organizations may be able to refer the Contractor to firms which the referring organization has a reasonable basis to believe may meet PATH's criteria for certification as an MBE or WBE. Any referrals which are not listed shall be submitted to PATH for a determination as to eligibility as provided above.

In the event that the participation of any MBE or WBE selected by the Lessee or any of its contractors to participate in any contracts or subcontracts entered into with respect to any construction work performed on the premises, is cancelled or terminated for any reason, the Lessee agrees and agrees to require its contractors to make every good faith effort, to the

maximum extent feasible, and consistent with the Lessee's exercise of good business judgment, including, without limitation, the consideration of cost competitiveness, to utilize other MBEs and WBEs so as to maintain appropriate participation by MBEs and WBEs in such contracts.

Labor Force Utilization

Without limiting the foregoing provisions of this Schedule, and without limiting any of the terms and conditions of the Agreement to which this Schedule is attached, the Lessee agrees and agrees to require its construction and maintenance contractors and subcontractors at each tier of any construction undertaken pursuant to the provisions of the Agreement to which this Schedule is attached to make good faith efforts to achieve a supervisory and non-supervisory work force on each contract that is representative of the local community labor force with respect to minority and female participation and will work with PATH's Office of Business and Job Opportunity to identify referral sources when needed. The Lessee will cooperate with PATH to develop on the job training programs and will participate in apprenticeship and other training programs that expressly include minority and female workers. The Lessee agrees to require its contractors and subcontractors to participate in such programs and to make a good faith effort to utilize apprentices or other trainees in the work as appropriate. The Lessee agrees to and shall require its contractors and subcontractors to appoint an executive of their respective companies to assume the responsibility for the implementation of the contractors' good faith efforts to achieve minority and female participation in the work force under the contract.

The goals for minority and female participation, expressed in percentage terms for the aggregate workforce in each trade on all construction work are as follows:

Journey level trade workers

Minority participation: 30%

Female participation: 6.9%

Laborers and other unskilled workers

Minority participation: 40%

Female participation: 6.9%

These goals are applicable to all construction work performed in and for the premises. Compliance with the goals will be measured against the total work hours performed.

(a) The Lessee agrees to require its contractors and subcontractors to provide written notification to the Lessee and the Lessee agrees to provide written notification to the Office of Business and Job Opportunity of PATH within 10 working days of award of any construction contract or subcontract in excess of \$10,000.00 at any tier for construction work. The notification shall list the name, address, telephone number and employer identification number of the contractor or subcontractor; and the estimated starting and completion dates of the contract or subcontract. As used herein, "Employer identification number" shall mean the Federal Social Security Number used on the Employer's Quarterly Federal Tax Return, U.S. Treasury Department Form 941. The term minority shall mean an individual member of any of the racial groups described in this Schedule.

(b) The Lessee agrees to require its contractors and subcontractors, at any tier, whenever they subcontract a portion of the construction work involving any construction trade, to physically include in each subcontract in excess of \$10,000 those provisions which include the applicable goals for minority and female participation.

(c) The Lessee agrees to require its contractors and subcontractors to implement the specific affirmative action standards provided in subparagraphs (1) through (16) of paragraph (f) hereof. The goals set forth above are expressed as percentages of the total hours of employment and training of minority and female utilization the Lessee's contractors and subcontractors should reasonably be able to achieve in each construction trade in which it has employees on the premises. The Lessee agrees and agrees to require its contractors and subcontractors to use good faith efforts to make substantially uniform progress toward its goals in each craft during the period specified.

(d) The Lessee agrees to provide in its construction contracts that neither the provisions of any collective bargaining agreement, nor the failure by a union with which the contractor has a collective bargaining agreement, to refer either minorities or women shall excuse the contractor's obligations thereunder.

(e) The Lessee further agrees to provide in its agreements with its contractors that in order for the nonworking training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees shall be employed by the contractor during the training period, and the contractor shall have made a commitment to employ the apprentices and trainees at the completion of their training, subject to the availability of employment opportunities. Trainees shall be trained pursuant to training programs approved by the U. S. Department of Labor.

(f) The Lessee agrees to require its contractors and subcontractors to take specific affirmative actions to ensure equal employment opportunity ("EEO"). The Lessee's evaluation of the contractor's compliance with these provisions shall be based upon the contractor's good faith effort to achieve maximum results from its actions. The Lessee agrees to require its contractors and subcontractors to document these efforts fully, and to implement affirmative action steps at least as extensive as the following:

(1) Ensure and maintain a working environment free of harassment, intimidation, and coercion at all portions of the premises at which the contractor's employees are assigned to work. ~~The contractor, where possible, will assign two or more women to each phase of the construction project.~~ The contractor shall specifically ensure that all foremen, superintendents, and other supervisory personnel at the premises are aware of and carry out the contractor's obligation to maintain such a working environment, with specific attention to minority or female individuals working at the premises.

(2) Establish and maintain a current list of minority and female recruitment sources, provide written notification to minority and female recruitment sources and to community organizations when the contractor or its unions have employment opportunities available, and maintain a record of the organizations' responses.

(3) Maintain a current file of the names, addresses and telephone numbers of each minority and female off-the-street applicant and minority or female referral from a union, a recruitment source or community organization and of what action was taken with respect to each such individual. If such individual was sent to the union hiring hall for referral and was not referred back to the contractor by the union or, if referred, not employed by the contractor, this shall be documented in the file with the reason therefor, along with whatever additional action the contractor may have taken.

(4) Provide immediate written notification to the Lessee when the union or unions with which the contractor has a collective bargaining agreement has not referred to the contractor a minority person or woman, sent by the contractor, or when the contractor has other information that the union referral process has impeded the contractor's efforts to meet its obligations.

(5) Develop on-the-job training opportunities and/or participate in training programs for the area which expressly include minorities and women, including upgrading programs and apprenticeship and trainee

programs relevant to the contractor's employment needs, especially those programs funded or approved by the Department of Labor. The contractor shall provide notice of these programs to the sources compiled under subparagraph (2) above.

(6) Disseminate the contractor's EEO policy by providing notice of the policy to unions and training programs and requesting their cooperation in assisting the contractor in meeting its EEO obligations; by including it in any policy manual and collective bargaining agreement; by publicizing it in the contractor's newspaper, annual report, etc.; by specific ~~review of the policy with all management personnel and~~ with all minority and female employees at least once a year; and by posting the contractor's EEO policy on bulletin boards accessible to all employees at each location where the construction work is performed.

(7) Review, at least every six months, the contractor's EEO policy and affirmative action obligations hereunder with all employees having any responsibility for hiring, assignment, layoff, termination or other employment decisions including specific review of these items with on-area supervisory personnel such as Superintendents, General Foremen, etc., prior to the initiation of construction work at the premises. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed, and disposition of the subject matter.

(8) Disseminate the contractor's EEO policy externally by including it in any advertising in the news media, specifically including minority and female news media, and providing written notification to and discussing the contractor's EEO policy with other contractors and subcontractors with whom the contractor does or anticipates doing business.

(9) Direct its recruitment efforts, both oral and written, to minority, female and community organizations, to schools with minority and female students, to minority and female recruitment and training organizations and to State certified minority referral agencies serving the contractor's recruitment area and employment needs. Not later than one month prior to the date for the acceptance of applications for apprenticeship or other training by any recruitment source, the contractor shall send written notification to organizations such as the above, describing the openings, screening procedures, and tests to be used in the selection process.

(10) Encourage present minority and female employees to recruit other minority persons and women and, where reasonable, provide after school, summer and vacation employment to minority and female youth both on the premises and in other areas of a contractor's workforce.

(11) Tests and other selection requirements shall comply with 41 CFR Part 60-3.

(12) Conduct, at least every six months, an inventory and evaluation of all minority and female personnel for promotional opportunities and encourage these employees to seek or to prepare for, through appropriate training, etc., such opportunities.

(13) Ensure that seniority practices, job classifications, work assignments and other personnel practices, do not have a discriminatory effect by continually monitoring all personnel and employment related activities to ensure that the EEO policy and the contractor's obligations hereunder are being carried out.

(14) Ensure that all facilities and company activities are nonsegregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure privacy between the sexes.

(15) Document and maintain a record of all solicitations of offers for subcontracts from minority and female construction contractors and suppliers, including circulation of solicitations to minority and female contractor associations and other business associations.

(16) Conduct a review, at least every six months, of all supervisors' adherence to and performance under the contractor's EEO policies and affirmative action obligations.

(g) The Lessee shall encourage its contractors to participate in voluntary associations which assist in fulfilling one or more of the affirmative action obligations set forth in subparagraphs (1)-(16) of paragraph (f) of this Section. The efforts of a contractor association, joint contractor-union, contractor-community, or other similar group of which the contractor is a member and participant, may be asserted as fulfilling any one or more of its obligations under paragraph (f) hereof provided that: the contractor actively participates in the group, makes every effort to assure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the program are reflected in the contractor's minority and female workforce participation,

makes a good faith effort to meet its individual goals and timetables, and can provide access to documentation which demonstrates the effectiveness of actions taken on behalf of the contractor. The requirement for good faith efforts to comply, however, shall remain with the contractor and the Lessee shall provide in its agreements with the contractor that failure of such a group to fulfill an obligation shall not be a defense for the contractor's non-compliance.

(h) Goals for minorities and a separate single goal for women have been established. The Lessee, however, agrees to require its contractors and subcontractors to provide equal employment opportunity and to take affirmative action for all minority groups, both male and female, and all women, both minority and non-minority, and to provide that consequently, the contractor may be in violation of its agreement with the Lessee if a particular group is employed in a substantially disparate manner (for example, even though the contractor has achieved its goals for women generally, the contractor may be in violation if a specific minority group of women is under-utilized).

(i) The Lessee agrees to provide that the contractor shall not use the goals and timetables or affirmative action standards to discriminate against any person because of race, color, religion, sex, or national origin.

(j) The Lessee agrees that it will not enter into any contract with any person or firm debarred from Government contracts pursuant to Executive Order 11246, and agrees to require that its contractors and subcontractors not enter into any subcontract with any such person or firm.

(k) The Lessee agrees to carry out such sanctions and penalties for violation of these provisions including suspension, termination and cancellation of existing contracts and subcontracts as may be required and the Lessee further agrees to require its contractors and subcontractors to agree to carry out such sanctions and penalties for violation of these provisions including suspension, termination and cancellation of existing contracts and subcontracts as may be imposed or ordered by the Lessee.

(l) The Lessee agrees to require its contractors and subcontractors, in fulfilling their obligations to the Lessee, to implement specific affirmative action steps, at least as extensive as those standards prescribed in paragraph (f) hereof so as to achieve maximum results from their efforts to ensure equal employment opportunity. If the contractor fails to comply with such requirements, the Lessee shall proceed accordingly.

(m) The Lessee agrees to require its contractors and subcontractors to designate a responsible official to monitor all employment related activity to ensure that the company EEO policy

is being carried out, to submit reports relating to the contractor's EEO obligations as may be required, and to keep records. Records shall at least include for each employee the name, address, telephone numbers, construction trade, union affiliation if any, employee identification number when assigned, social security number, race, sex, status (e.g. mechanic, apprentice, trainee, helper, or laborer), date of changes in status, hours worked per week in the indicated trade, rate of pay, and location at which the work was performed. Records shall be maintained in an easily understandable and retrievable form; however, to the degree that existing records satisfy this requirement, contractors need not be required to maintain separate records.

(n) Nothing herein provided shall be construed as a limitation upon the application of any laws which establish different standards of compliance or upon the application of requirements for the hiring of local or other area residents (e.g., those under the Public Works Employment Act of 1977 and the Community Development Block Grant Program).

(o) Without limiting any other term or provision of this Agreement, the Lessee agrees and agrees to require its contractors and subcontractors to cooperate with all federal, state, or local agencies established for the purpose of implementing affirmative action compliance programs and the Lessee agrees and agrees to require its contractors and subcontractors to comply with all procedures which may be agreed to by and between PATH and the Lessee.

(p) In addition to and without limiting any of the terms and provisions of this Agreement, the Lessee agrees to provide in its contracts and all subcontracts covering construction work, or any portion thereof, that:

(i) The contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, and shall undertake or continue existing programs of affirmative action to ensure that minority group persons are afforded equal employment opportunity without discrimination. Such programs shall include, but not be limited to, recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, rates of pay or other forms of compensation, and selections for training or retraining, including apprenticeships and on-the-job training;

(ii) At the request of either PATH or the Lessee, the contractor shall request such employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding and which is involved in the performance of the contract with the Lessee to furnish a written statement that such employment

agency, labor union or representative shall not discriminate because of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will cooperate in the implementation of the contractor's obligations hereunder;

(iii) The contractor will state, in all solicitations or advertisements for employees placed by or on behalf of the contractor in the performance of the contract, that all qualified applicants will be afforded equal employment opportunity without discrimination because of race, creed, color, national origin, sex, age, disability or marital status;

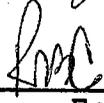

(iv) The contractor will include the provisions of subdivisions (i) through (iii) of this paragraph in every subcontract or purchase order in such a manner that such provisions will be binding upon each subcontractor or vendor as to its work in connection with the contract;

(v) "Contractor" as used in subdivisions (i) through (iv) of this paragraph shall include each contractor and subcontractor at any tier of construction.

THIS AGREEMENT, made as of the 28th day of December, 1992, by and between PORT AUTHORITY TRANS-HUDSON CORPORATION (hereinafter called "PATH"), and HUDSON COUNTY NEWS COMPANY (hereinafter called "the Lessee")

WITNESSETH, That:

WHEREAS, PATH and the Lessee heretofore and as of September 2, 1992, entered into an agreement of lease identified by the above PATH Lease Number (which agreement of lease, as the same has been heretofore supplemented and amended, is hereinafter called "the Lease") covering premises at the PATH Journal Square Transportation Center in the City of Jersey City, County of Hudson, and State of New Jersey, as more particularly described in the Lease; and

WHEREAS, PATH and the Lessee desire to amend the terms of the Lease in certain respects;

NOW, THEREFORE, for and in consideration of the covenants and mutual agreements herein contained, PATH and the Lessee hereby agree as follows:

1. In addition to the items which the Lessee may offer for sale pursuant to the provisions of Section 3 of the Lease, from and after January 10, 1992 the Lessee agrees to, and shall, act as special agent for PATH for the purpose of selling and dispensing from each newsstand located on the premises ten, twenty, and forty trip tickets for passage on the inter-urban railway operated by PATH (which tickets are hereinafter referred to as "PATH Quickcards"). The Lessee shall provide such service to PATH without cost, and, without limiting the generality of the provisions of this sentence, shall at its sole cost and expense provide all labor and clerical help necessary for the sale of PATH Quickcards in accordance with the provisions of this Agreement. Notwithstanding the provisions of paragraph (d) of Section 43 of the Lease, no receipts, or other monies paid or payable to the Lessee for the sale of PATH Quickcards shall be included in gross receipts under the Lease.

2. The Lessee shall only impose such charges for the purchase of PATH Quickcards as are established from time to time in writing by PATH, and shall make no other charges therefor

CONFORMED COPY

whatsoever. PATH shall have the sole and unrestricted right to change such charges from time to time, and as often as it considers it necessary or advisable, upon notice to the Lessee. The Lessee agrees to and shall accept TransitChek vouchers issued by PATH as payment for PATH Quickcards provided, that the amount due therefor does not exceed the face amount of the TransitChek vouchers so accepted. The Lessee shall not exchange TransitChek vouchers for cash, or accept such vouchers in payment for any other item sold by the Lessee at or from the premises or for any other service rendered by the Lessee therefrom.

3. Without limiting the Lessee's indemnity obligations as set forth in the Lease, the Lessee hereby covenants and agrees to, and shall, indemnify PATH against all loss of receipts, or other monies, arising out of or in connection with the sale of PATH Quickcards by the Lessee which PATH shall sustain through robbery, burglary, theft, larceny, embezzlement, forgery, misappropriation, wrongful abstraction, wilful misapplication, negligent loss, mysterious disappearance or destruction, or fraudulent, or otherwise dishonest, acts committed by any officer or employee of the Lessee, acting directly, or in collusion with others, provided, however, that the Lessee shall only be responsible for that portion of any such loss which exceeds Two Hundred Fifty Dollars and No Cents (\$250.00). In addition, the Lessee hereby covenants and agrees to, and shall indemnify PATH against all loss of receipts, or other monies, arising out of or in connection with the sale of PATH Quickcards by the Lessee however sustained and by whomever caused, occurring at any time until such receipts and other monies are actually deposited with PATH provided, however, that the Lessee shall only be responsible for that portion of any such loss which exceeds Two Hundred Fifty Dollars and No Cents (\$250.00). For the purposes of this paragraph, the Lessee agrees that all PATH Quickcards accepted by the Lessee from PATH for sale at or from the premises and not returned to PATH unsold and unused shall be deemed sold, and an amount equal to the established charge therefor shall be paid to PATH by the Lessee.

4. (a) Without limiting any of the Lessee's obligations to maintain records and books of account as set forth in Section 5 of the Lease and in paragraphs (c) and (d) of Item 1 of Exhibit B annexed to the Lease, the Lessee shall maintain in accordance with accepted accounting practice throughout the effective period during which it acts as special agent for PATH for the sale and dispensing of PATH Quickcards records and books of account recording all transactions in connection with the sale or dispensing of PATH Quickcards at or from the premises, including,

but not limited to, all unsold tickets and all TransitChek vouchers accepted as payment for sold tickets. The Lessee shall also maintain separate and distinct records of all cash receipts arising out of or in connection with the sale or dispensing of PATH Quickcards at or from the premises.

(b) On the commencement date of the effective period during which it acts as special agent for PATH for the sale and dispensing of PATH Quickcards, the Lessee shall advise PATH in writing of the number of PATH Quickcards the Lessee accepts for sale in the month in which the commencement date of the effective period during which it acts as special agent for PATH for the sale and dispensing of PATH Quickcards shall occur, specifying the number of each type of PATH Quickcard to be accepted. Upon receipt of such number of PATH Quickcards from PATH, the Lessee shall acknowledge the receipt thereof in writing. On the 20th day of each and every month thereafter occurring during the effective period during which it acts as special agent for PATH for the sale and dispensing of PATH Quickcards the Lessee shall similarly advise PATH in writing of the number of PATH Quickcards the Lessee accepts for sale in the following month, specifying the number of each type of PATH Quickcard to be accepted, and shall acknowledge the receipt thereof in writing. On the 20th day of the first month following the commencement of the effective period during which it acts as special agent for PATH for the sale and dispensing of PATH Quickcards and on the 20th day of each and every month thereafter including the month following the end of the effective period during which it acts as special agent for PATH for the sale and dispensing of PATH Quickcards the Lessee shall render to the PATH a statement showing (i) the number of PATH Quickcards accepted for sale in the preceding month, specifying the number of each type of PATH Quickcard so accepted, (ii) the number of PATH Quickcards sold in the preceding month, specifying the number of each type of PATH Quickcard so sold, (iii) the total amount of money payable to PATH as a result of the sale of PATH Quickcards in the preceding month, specifying the receipts due for the number of each type of PATH Quickcard sold in the preceding month, (iv) the number of unsold and unused PATH Quickcards being returned to PATH, specifying the number of each type of PATH Quickcard being returned, and (v) the cumulative value of all TransitCheks accepted by the Lessee in payment for PATH Quickcards, specifying the number of each denomination of TransitChek so accepted; the Lessee shall pay at the time of rendering the statement an amount equal to the excess of the total amount of money payable to PATH as a result of the sale of PATH Quickcards in the preceding month over the cumulative value of all TransitCheks accepted by the

Lessee in payment for PATH Quickcards in that month. The Lessee's statement following the close of each annual period established under the Lease, and the Lessee's statement following the expiration of the effective period during which it acts as special agent for PATH for the sale and dispensing of PATH Quickcards shall report the cumulative totals of the items specified in subdivisions (i) through (v) for the annual period for which the report is made and the cumulative amount of money payable to PATH as a result of the sale of PATH Quickcards in such annual period, and the cumulative amount of cash and TransitCheks paid on account thereof, and if any adjustments are required the same shall be made at the time such report is rendered.

(c) All statements required to be submitted to PATH pursuant to the provisions of subparagraph (d) of this paragraph shall be prepared in accordance with accepted accounting practice, and shall be certified to by a responsible fiscal officer of the Lessee. Without limiting or affecting PATH's audit rights as set forth in Section 5 of the Lease, each statement required to be submitted to PATH pursuant to the provisions of this Agreement shall be subject to verification and audit by PATH, and the Lessee, upon demand, shall remit to PATH any monies not previously remitted.

5. Without limiting the generality of the provisions of Section 13 of the Lease, the Lessee shall display in such areas of the premises as shall be designated by PATH such signs and advertising relating to the sale of the PATH tickets described in subparagraph (a) of this paragraph as may be supplied in advance by PATH.

6. In addition to all other rights of termination set forth in the Lease as herein amended, PATH shall have the right at any time, on not less than thirty (30) days' written notice to the Lessee to withdraw the permission herein granted for the sale or dispensing of PATH Quickcards and in such event the Lessee shall discontinue the sale or dispensing of PATH Quickcards on or before the effective date stated in PATH's written notice to the Lessee. No such termination shall affect the term of the letting under the Lease, or the rental payable by the Lessee thereunder.

7. As hereby amended all the terms, provisions, covenants, agreements and conditions of the Lease shall be and remain in full force and effect.

-4-

6(a). In addition, the Lessee shall have the right at any time, on not less than thirty (30) days' written notice to PATH, to discontinue the sale or dispensing of PATH Quickcards and all terms and conditions hereunder shall cease without, however, affecting the term of the letting under the Lease, or the rental payable by the Lessee thereunder. 

8. Neither the Directors of PATH nor any of them, nor any officer, agent or employee thereof shall be charged personally by the Lessee with any liability, or held liable to the Lessee under any term or provision of this Supplemental Agreement, or because of its execution or attempted execution or because of any breach, or attempted or alleged breach thereof.

9. This Supplemental Agreement, together with the Lease (to which it is supplementary constitutes the entire agreement between PATH and the Lessee on the subject matter, and may not be changed, modified, discharged or extended except by instrument in writing duly executed on behalf of both PATH and the Lessee. The Lessee agrees that no representations or warranties shall be binding upon PATH unless expressed in writing in the Lease or in this Supplemental Agreement.

IN WITNESS WHEREOF, PATH and the Lessee have executed these presents as of the date first above written.

SUPPLEMENTAL AGREEMENT

THIS AGREEMENT, made as of the 31st day of May, 1995 by and between **PORT AUTHORITY TRANS-HUDSON CORPORATION** (hereinafter called "PATH") and **HUDSON NEWS COMPANY** (formerly known as Hudson County News Company and hereinafter called the "Lessee"),

WITNESSETH, THAT:

WHEREAS, PATH and the Lessee heretofore and as of the 2nd day of September, 1992 entered into an agreement of lease identified above by PATH Lease Number covering premises located at the PATH Journal Square Transportation Center in the City of Jersey City, County of Hudson and State of New Jersey (which agreement of lease, as the same has been heretofore supplemented and amended, is hereinafter called the "Lease"); and

WHEREAS, PATH and the Lessee desire to add to the premises under the Lease and to amend the Lease in certain other respects;

NOW, THEREFORE, for and in consideration of the covenants and mutual agreements herein contained, PATH and the Lessee hereby agree as follows:

1. In addition to the premises heretofore let to the Lessee under the Lease as herein amended, the letting as to which shall continue in full force and effect subject to and in accordance with all the terms, provisions, covenants and conditions of the Lease as herein amended, PATH hereby lets to the Lessee and the Lessee hereby hires and takes from PATH at the PATH Journal Square Transportation Center in the City of Jersey City, County of Hudson and State of New Jersey, the space on the Plaza level thereof shown in diagonal hatching on the sketch hereto attached, hereby made a part of the Lease as herein amended and marked "Exhibit A-1" together with the fixtures, improvements and other property, if any, of PATH located or to be located therein or thereon (all of which is sometimes hereinafter in this Supplemental Agreement collectively called the "Additional Premises"), to be and become a part of the premises under the Lease as herein amended from and after 12:01 o'clock a.m. on August 14, 1995 let to the Lessee, subject to and in accordance with all of the terms, provisions and covenants of the Lease as herein amended for a term then commencing and expiring on September 30, 1995 and which shall continue from month to month thereafter as a periodical tenancy *provided, however*, that the periodical tenancy under the Lease as herein amended shall expire in any event, if not sooner terminated, at 11:59 o'clock p.m. on March 31, 1997, without other, further or separate notice from PATH. The parties acknowledge that the Additional Premises, as well as the premises heretofore covered by the Lease, meaning the portion of the premises shown on Exhibit A annexed to the Lease, constitute non-residential real property.

2. The Lessee shall use the Additional Premises solely for the purposes set forth in Section 3 of the Lease as herein amended and for no other purpose or purposes whatsoever.

CONFORMED COPY

3. PATH shall deliver the Additional Premises to the Lessee in its presently existing "as is" condition. The Lessee acknowledges that prior to the execution of this Supplemental Agreement, it has thoroughly examined and inspected the Additional Premises and has found the Additional Premises in good order and repair and has determined the Additional Premises to be suitable for the Lessee's operations under the Lease as herein amended. The Lessee agrees to and shall take the Additional Premises in its "as is" condition and PATH shall have no obligation for finishing work or for preparation of the Additional Premises, or any portion thereof, for the Lessee's use. The terms and provisions of Section 46 of the Lease as herein amended shall apply to the Additional Premises.

4. The Lessee acknowledges that it has not relied upon any representation or statement of PATH or its Directors, officers, employees or agents as to the suitability of the Additional Premises for the operations permitted thereon by the Lease as herein amended. Without limiting any obligation of the Lessee under the Lease as herein amended to commence operations in the Additional Premises at the time and in the manner stated elsewhere in this Supplemental Agreement, the Lessee agrees that no portion of the Additional Premises will be used initially or at any time during the term of the letting thereof which is in a condition unsafe or improper for the conduct of the Lessee's operations therein under the Lease as herein amended so that there is possibility of injury or damage to life or property and the Lessee further agrees that before any use of the Additional Premises it will immediately correct any such unsafe or improper condition. Without limiting the generality of any of the provisions of the Lease as herein amended or this Supplemental Agreement, PATH shall not be liable to the Lessee for any claims for loss, theft or damage involving any property stored or placed in any portion of the Additional Premises.

5. For the purpose of calculating the percentage rental payable by the Lessee under the Lease as herein amended, all monies paid or payable to the Lessee for sales made or services rendered at or from the Additional Premises shall be included as gross receipts of the Lessee as if such gross receipts had arisen from the Lessee's operations in the portion of the premises shown on Exhibit A attached to the Lease, and shall be subject to the percentage rental payable under the Lease as herein amended. The Lessee shall furnish to PATH a statement certified by a responsible officer thereof detailing the gross receipts arising from its operations in the Additional Premises and such statement shall be forwarded to PATH on September 20, 1995 and on the 20th day of each month thereafter occurring during the effective period of the letting of the Additional Premises hereunder, together with the statement showing the Lessee's gross receipts for each month during such period from its operations in the portion of the premises shown on Exhibit A attached to the Lease.

6. (a) In addition to all other rights of termination contained in the Lease as herein amended including, without limitation, the right of termination provided for in paragraph (a) of Section 44 of the Lease as herein amended, PATH shall have the right to separately terminate the letting as to the Additional Premises at any time, without cause, on thirty (30) days' notice to the Lessee. Such termination shall not relieve the Lessee of any liabilities or obligations which shall have accrued on or prior to the effective date of termination or which shall mature on such date. In the event the term of the letting of the entire premises under the Lease as herein amended is terminated pursuant to paragraph (a) of Section 44 thereof during the term of the letting of the Additional Premises under the Lease

as herein amended, or in the event the term of the letting of the Additional Premises under the Lease as herein amended is separately terminated pursuant to the provisions of this paragraph, the term of the letting of the Additional Premises under the Lease as herein amended shall cease and expire as if the effective date of termination stated in the notice were the date originally stated herein for the expiration of the term of the letting as to the Additional Premises under the Lease as herein amended. The separate termination of the letting as to the Additional Premises pursuant to the provisions of this paragraph 6 shall not affect the letting as to the balance of the premises under the Lease as herein amended and the letting as to the balance of the premises shall continue in full force and effect notwithstanding such termination.

(b) The provisions of paragraph (b) of Section 44 of the Lease as herein amended shall not apply to the fixtures, equipment and other property installed in Additional Premises and shall be of no force or effect thereto, *however*, nothing contained herein shall be deemed to affect PATH's obligation pursuant to the provisions of the said paragraph (b) of Section 44 and Item 6 of Exhibit B annexed to the Lease with respect to the reimbursement by PATH of the pro rata share of the Lessee's cost in supplying and installing the fixtures, equipment and other property installed in the portion of the premises shown on Exhibit A attached to the Lease.

7. The provisions of paragraphs (a), (b), (c), (d) and (e) of Section 14 of the Lease as herein amended and the provisions of Item 3 of Exhibit B annexed thereto shall apply to the Additional Premises. Except as provided herein, the Port Authority shall not supply any services or utilities to the Lessee in the Additional Premises.

8. The Lessee represents and warrants that no broker has been concerned in the negotiation or execution of this Supplemental Agreement or the letting of the Additional Premises hereunder and that there is no broker who is or may be entitled to be paid a commission in connection therewith. The Lessee shall indemnify and save harmless PATH of and from any and all claims for commission or brokerage made by any and all persons, firms or corporations whatsoever for services in connection with the negotiation and execution of this Supplemental Agreement.

9. Neither the Directors of PATH nor any of them, nor any officer, agent or employee thereof, shall be charged personally by the Lessee with any liability, or held liable to it under any term or provision of this Supplemental Agreement, or because of its execution or attempted execution or because of any breach thereof.

10. As hereby amended, all the terms, covenants, provisions, conditions and agreements of the Lease shall be and remain in full force and effect.

11. This Supplemental Agreement and the Lease which it amends and supplements constitute the entire agreement between PATH and the Lessee on the subject matter, and may not be changed, modified, discharged or extended except by instrument in writing duly executed on behalf of both PATH and the Lessee. The Lessee agrees that no representations or warranties shall be binding upon PATH unless expressed in writing in the Lease or this Supplemental Agreement.

IN WITNESS WHEREOF, PATH and the Lessee have executed these presents as of the date first above written.

Lease No. L-RR-111
Supplement No. 3

SUPPLEMENTAL AGREEMENT

THIS AGREEMENT, made as of the 31st day of March, 1997 by and between **PORT AUTHORITY TRANS-HUDSON CORPORATION** (hereinafter called "PATH") and **HUDSON NEWS COMPANY** (hereinafter called the "Lessee"),

WITNESSETH, THAT:

WHEREAS, PATH and the Lessee heretofore and as of the 2nd day of September, 1992 entered into an agreement of lease identified above by PATH Lease Number covering premises located at the PATH Journal Square Transportation Center in the City of Jersey City, County of Hudson and State of New Jersey (which agreement of lease, as the same has been heretofore supplemented and amended, is hereinafter called the "Lease"); and

WHEREAS, PATH and the Lessee desire to extend the letting of the premises under the Lease, to add to the premises under the Lease and to amend the Lease in certain other respects;

NOW, THEREFORE, for and in consideration of the covenants and mutual agreements herein contained, PATH and the Lessee hereby agree as follows:

1. The term of the letting of the entire premises under the Lease is hereby extended for the period ending on July 31, 2001, unless sooner terminated, at the basic rental and percentage rental set forth in the Lease as herein amended, payable at the times and in the manner set forth in the Lease.

2. Notwithstanding anything to the contrary contained in the Lease as herein amended, from and after December 1, 1999, in addition to the basic rental for the premises set forth in the Lease as herein amended and in lieu of the percentage rental set forth therein, the Lessee shall pay to PATH an annual percentage rental equivalent to the excess over the annual exemption amount established for each annual period occurring during the extended term of the letting under the Lease as herein amended of eleven percent (11%) of all of the gross receipts of the Lessee arising from the Lessee's operations under the Lease as herein amended and extended during each such annual period.

3. In addition to the premises heretofore let to the Lessee under the Lease as herein amended, the letting as to which shall continue in full force and effect subject to and in accordance with all the terms, provisions, covenants and conditions of the Lease as herein amended, PATH hereby lets to the Lessee and the Lessee hereby hires and takes from PATH at the PATH Journal Square Transportation Center in the City of Jersey City, County of Hudson and State of New Jersey, the space on the Concourse level thereof shown in diagonal hatching on the sketch hereto attached, hereby made a part of the Lease as herein amended and marked "Exhibit A-2" together with the fixtures, improvements and other property, if any, of PATH located or to be located therein or thereon (all of which is sometimes hereinafter in this Agreement collectively called the "Storage Area"), to be and become a part of the premises under the Lease as herein amended from and after

12:01 o'clock a.m. on June 1, 1999 let to the Lessee subject to and in accordance with all the terms, provisions, covenants and conditions of the Lease, as herein amended, for and during the remainder of the term of the letting under the Lease, as herein amended, unless sooner terminated. PATH and the Lessee hereby acknowledge that the Storage Area constitutes non-residential real property.

4. The Lessee shall use the Storage Area for storage purposes in connection with the Lessee's operations being conducted elsewhere at the Facility in accordance with Section 3 of the Lease and for no other purpose or purposes whatsoever.

5. (a) In addition to the basic and percentage rental heretofore payable under the Lease, as herein amended, during the term of the letting of the Storage Area as provided herein, the Lessee shall pay to PATH a basic rental for the Storage Area at the rate of Two Thousand Four Hundred Dollars and No Cents (\$2,400.00) per annum, payable in advance in monthly installments each in the amount of Two Hundred Dollars and No Cents (\$200.00) on June 1, 1999 and on the first day of each and every calendar month thereafter throughout the term of the letting of the Storage Area.

(b) If the term of the letting of the Storage Area under the Lease as herein amended shall terminate on a day other than the last day of a calendar month, the installment of basic rental for the Storage Area payable on the first day of the calendar month in which the effective date of termination shall occur shall be an amount equal to the amount of the installment described in subparagraph (a) of this paragraph multiplied by a fraction, the numerator of which shall be the number of days from the first day of the calendar month in which the effective date of termination shall occur to the effective date of termination, both dates inclusive, and the denominator of which shall be the full number of days in that calendar month.

(c) Effective from and after June 1, 1999, for every calendar day, or major fraction thereof, that the Lessee shall be entitled to abatement with respect to the Storage Area during the term of the letting thereof, the basic rental for the Storage Area established for such period shall be reduced by the product of Six Dollars and Fifty-eight Cents (\$6.58) multiplied by a fraction, the numerator of which shall be the number of square feet of floor space of the Storage Area as to which the abatement applies and the denominator of which shall be the total number of square feet in the Storage Area.

(d) For the purpose of abatement with respect to the Storage Area, the ascertainment of the number of square feet contained in the Storage Area shall be measured in accordance with the provisions of subparagraph (3) of paragraph (e) of Item 1 of Exhibit B annexed to the Lease.

(e) Payment of the basic rental for the Storage Area set forth in this paragraph shall not affect or diminish the Lessee's obligation to pay the basic and percentage rental for the premises heretofore let to the Lessee under the Lease, as herein amended, nor shall the applicable annual exemption amount as defined therein be changed or affected thereby.

6. (a) Subject to all the provisions of the Lease as herein amended including, without limitation, the provisions of paragraphs (f), (g), (h) and (i) of Section 14 of the Lease, from and after June 1, 1999, PATH will supply, without charge, to the Lessee in the Storage Area

electricity for illumination, by which is meant the energizing of fluorescent and incandescent bulbs (to be supplied, paid for and installed by the Lessee) for the Lessee's operations in the Storage Area.

(b) Except as set forth in this paragraph, PATH shall not furnish, sell or supply any services or utilities to the Lessee in the Storage Area.

7. PATH shall deliver the Storage Area in its presently existing "as is" condition. The Lessee acknowledges that it has inspected the Storage Area and agrees to take the same in its "as is" condition and PATH shall have no obligation under the Lease, as herein amended, for finishing work or for preparation of the Storage Area for the Lessee's use. The Lessee acknowledges that it has not relied upon any representation or statement of PATH or of its Directors, officers, agents or employees as to the suitability of the Storage Area for the operations permitted thereon by the Lease, as herein amended. Without limiting any obligation of the Lessee to commence operations in the Storage Area at the time and in the manner stated elsewhere in this Agreement, the Lessee agrees that no portion of the Storage Area will be used initially or at any time during the term of the letting thereof which is in a condition unsafe or improper for the conduct of the Lessee's operations therein under the Lease, as herein amended, so that there is possibility of injury or damage to life or property and the Lessee further agrees that before any use of the Storage Area, it will immediately correct any such unsafe or improper condition.

8. (a) During the extended term of the letting under the Lease as herein amended, PATH shall continue to have the right to terminate the Lease as herein amended and the extended term of the letting thereunder, without cause, at any time, on thirty (30) days' notice to the Lessee. In the event of such termination, the Lease as herein amended and the extended term of the letting thereunder shall cease and expire as if the effective date of termination stated in the notice were the date originally stated herein for the expiration of the extended term of the letting under the Lease as herein amended. Termination hereunder shall not relieve the Lessee of any liabilities or obligations under the Lease as herein amended and extended which shall have accrued on or before the effective date of termination or which shall mature on such date. The provisions of paragraph (b) of Section 44 of the Lease and the provisions of Item 6 of Exhibit B annexed thereto shall be null and void and of no further force and effect insofar as they require reimbursement by PATH in the event the letting is terminated by PATH pursuant to the provisions of paragraph (a) of Section 44, but nothing contained herein shall or shall be deemed to affect or impair PATH's ownership of or title to fixtures, equipment, improvements or other personal property as set forth in the Lease.

(b) In addition to all other rights of termination contained in the Lease, as herein amended, including, without limitation, the right of termination provided for in paragraph (a) of Section 44 of the Lease as herein amended, PATH shall have the right to separately terminate the letting as to the Storage Area at any time, without cause, on thirty (30) days' notice to the Lessee. Such termination shall not relieve the Lessee of any liabilities or obligations which shall have accrued on or prior to the effective date of termination or which shall mature on such date. In the event the term of the letting of the entire premises under the Lease as herein amended is terminated pursuant to paragraph (a) of Section 44 of the Lease as herein amended during the term of the letting of the Storage Area under the Lease as herein amended or in the event the term of the letting of the Storage Area under the Lease as herein amended is separately terminated pursuant to the provisions of this paragraph, the term of the letting of the Storage Area under the Lease shall cease and expire as if the effective date of termination stated in the notice were the date originally stated herein for

the expiration of the term of the letting as to the Storage Area under the Lease as herein amended. The separate termination of the letting as to the Storage Area pursuant to the provisions of this paragraph shall not affect the letting as to the balance of the premises under the Lease as herein amended and the letting as to the balance of the premises shall continue in full force and effect notwithstanding such termination. PATH shall have no reimbursement obligation with respect to the Storage Area in the event the letting of the entire premises is terminated pursuant to paragraph (a) of Section 44 of the Lease during the term of the letting of the Storage Area under the Lease as herein amended or in the event the letting as to the Storage Area is separately terminated pursuant to the provisions of this paragraph. Nothing contained herein shall be deemed to affect PATH's reimbursement obligation pursuant to the provisions of Item 6 of Exhibit B annexed to the Lease with respect to fixtures, equipment, improvements and other property installed in the balance of the premises under the Lease as herein amended in accordance with the terms of that agreement.

9. The Lessee represents and warrants that no broker has been concerned in the negotiation or execution of this Agreement or the letting of the Storage Area and that there is no broker who is or may be entitled to be paid a commission in connection therewith. The Lessee shall indemnify and save harmless PATH of and from any and all claims for commission or brokerage made by any and all persons, firms or corporations whatsoever for services in connection with the negotiation and execution of this Agreement or the letting of the Storage Area.

10. Neither the Directors of PATH nor any of them, nor any officer, agent or employee thereof, shall be charged personally by the Lessee with any liability, or held liable to it under any term or provision of this Agreement, or because of its execution or attempted execution or because of any breach thereof.

11. As hereby amended, all the terms, covenants, provisions, conditions and agreements of the Lease shall be and remain in full force and effect.

12. This Agreement and the Lease which it amends and supplements constitute the entire agreement between PATH and the Lessee on the subject matter, and may not be changed, modified, discharged or extended except by instrument in writing duly executed on behalf of both PATH and the Lessee. The Lessee agrees that no representations or warranties shall be binding upon PATH unless expressed in writing in the Lease or this Agreement.

IN WITNESS WHEREOF, PATH and the Lessee have executed these presents as of the date first above written.

LINDA J. MANHART
A Notary Public of New Jersey
My Commission Expires Oct. 25, 1999

THIS AGREEMENT, made as of the 2nd day of September, 1992 by and between PORT AUTHORITY TRANS-HUDSON CORPORATION (hereinafter called "PATH"), a corporation organized and existing under the laws of the States of New York and New Jersey, and having an office at One World Trade Center, in the City, County and State of New York, and HUDSON COUNTY NEWS COMPANY, (hereinafter called "the Lessee"), a corporation organized and existing under and by virtue of the laws of the State of New Jersey, having an office and place of business at 1305 Paterson Plank Road, North Bergen, New Jersey, 07047

whose representative is Robert B. Cohen

WITNESSETH That:

PATH and the Lessee, for and in consideration of the rents, covenants and agreements hereinafter contained, mutually covenant and agree as follows:

Section 1. Letting

PATH hereby lets to the Lessee and the Lessee hereby hires and takes from PATH, in the Borough of Manhattan, City, County, and State of New York at the PATH World Trade Center Station the area on the Mezzanine Level thereof shown in diagonal hatching on the sketch annexed hereto, hereby made a part hereof and marked "Exhibit A", ("Area A") and at the PATH 33rd Street Station the area on the Platform Level thereof shown in diagonal hatching on the sketch annexed hereto, hereby made a part hereof and marked "Exhibit A-1", ("Area B") together with the fixtures, improvements and other property of PATH located or to be located therein or thereon, all the said space, fixtures, improvements, and other property of PATH being hereinafter collectively called "the premises". PATH and the Lessee hereby acknowledge that the aforesaid premises constitute non-residential real property.

Section 2. Term

The term of the letting under this Agreement shall commence at 12:01 o'clock A.M. on December 1, 1992 (which date is sometimes hereinafter referred to as "the Commencement Date") and shall, unless sooner terminated or unless extended, expire at 11:59 o'clock P.M. on November 30, 1999.

CONFORMED COPY

Section 3. Rights of User by the Lessee

The Lessee shall use the premises for the following purposes only and for no other purpose whatsoever: For the construction and operation of newsstands for the sale, at retail, of newspapers, magazines, periodicals, candies, paperback books, gum, confections, cigarettes, cigars, tobacco and tobacco products, smoking accessories, postal cards, soft drinks, ice cream bars, ice-cream cups, lottery tickets issued by the Lottery Division of the New York State Department of Taxation and Finance, and such other items as may from time to time be consented to in advance in writing by the Port Authority.

Section 4. Rental

(a) The Lessee agrees to pay to PATH a basic rental for the premises at the rate ~~of~~ set forth in Item 1 of Exhibit B, attached hereto, and hereby made a part hereof. ~~per annum.~~

(b) The Lessee agrees to pay to PATH the percentage rental, if any, stated in Item 1 of Exhibit B, ~~attached hereto and made a part hereof.~~

(c) The time for making payments of rental and the method of computation and abatement thereof are set forth in Item 1 of Exhibit B.

Section 5. Obligations in Connection with Any Percentage Rental

If any rental hereunder is measured by a percentage of the Lessee's gross receipts, the Lessee shall:

(a) Take all reasonable measures in every proper manner to maintain, develop and increase the business conducted by it hereunder;

(b) Not divert or cause or allow to be diverted any business from the premises;

(c) Maintain in accordance with accepted accounting practice during the letting and for one year thereafter and for such further period until the Lessee shall receive written permission from PATH to do otherwise, records and books of account recording all transactions at, through or in any wise connected with the premises, which records and books of account shall be kept at all times within the Port of New York District and permit, in ordinary business hours during such time, the examination and audit

by the officers, employees and representatives of PATH of such records and books of account and also any records and books of account of any company which is owned or controlled by the Lessee, if said company performs services, similar to those performed hereunder by the Lessee, anywhere in the Port of New York District;

(d) Permit in ordinary business hours the inspection by the officers, employees and representatives of PATH of any equipment used by the Lessee, including but not limited to cash registers and recording tapes;

(e) Furnish on or before the twentieth day of each month following the commencement date of the letting a sworn statement of gross receipts arising out of the operations of the Lessee hereunder for the preceding month;

(f) Install and use such cash registers, sales slips, invoicing machines and any other equipment or devices for recording orders taken or services rendered as may be appropriate to the Lessee's business and necessary or desirable to keep accurate records of gross receipts.

Section 6. Governmental Requirements

(a) The Lessee shall procure from all governmental authorities having jurisdiction over the operations of the Lessee at the premises all licenses, certificates, permits or other authorization which may be necessary for the conduct of its operations.

(b) The Lessee shall pay all taxes, license, certification, permit and examination fees and excises which may be assessed, levied, exacted or imposed on its property or operation hereunder or on the gross receipts or income therefrom, and shall make all applications, reports and returns required in connection therewith.

(c) The Lessee shall promptly observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions which may pertain or apply to the operations of the Lessee on the premises or its occupancy thereof, and the Lessee shall, in accordance with and subject to the provisions of Section 15 hereof, make any and all structural and nonstructural improvements, alterations or repairs of the premises that may be required at any time hereafter by any such present or future law, rule, regulation, requirement, order or direction.

(d) The obligation of the Lessee to comply with governmental requirements is provided herein for the purpose of assuring proper safeguards for the protection of persons and property on the premises and a proper operation by the Lessee. Such provision is not to be construed as a submission by PATH to the application to itself of such requirements or any of them.

Section 7. Rules and Regulations

The Lessee covenants and agrees to observe and obey (and to compel its officers, members, employees, agents, representatives, contractors, customers, guests, invitees and those doing business with it to observe and obey) present and future rules and regulations of PATH for the Facility or building.

Section 8. Various Obligations of the Lessee

(a) The Lessee shall conduct its operations in an orderly and proper manner and so as not to annoy, disturb or be offensive to others. The Lessee shall take all reasonable measures to eliminate vibrations tending to damage the premises and to keep the sound level of its operations as low as possible.

(b) The Lessee shall control the conduct, demeanor and appearance of its officers, members, employees, agents, representatives, contractors, customers, guests, invitees and those doing business with it, and upon objection from PATH concerning the conduct, demeanor or appearance of any such shall immediately take all steps necessary to remove the cause of the objection.

(c) No garbage, debris or other waste materials (whether solid or liquid) shall be allowed to collect or accumulate in the premises and the Lessee shall remove from the premises and from the building and Facility, which the premises may be a part, all garbage, debris and other waste materials (whether solid or liquid) arising out of its occupancy or use of the premises. The Lessee shall use extreme care when effecting removal of all such waste and in no event shall use any facilities of PATH without its prior consent in writing and shall effect such removal only during such hours as are prescribed by PATH.

(d) If the premises have an entrance or exit opening out on a sidewalk the Lessee shall keep all sidewalks and curbs adjacent to the premises and all exclusive lobbies, vestibules and steps free from snow, ice, dirt and rubbish.

(e) If PATH deems it advisable for security reasons the Lessee shall provide and its employees shall wear or carry badges or other suitable means of identification which shall be subject to the prior written approval of PATH.

(f) If the Lessee is permitted under this Agreement to sell food and/or beverages, it shall, in connection with any preparation, packaging, handling, storage, delivery and dispensing of such food and/or beverages, comply with the following:

(1) Its employees shall wear clean, washable uniforms and female employees shall wear caps or nets. The employees shall be clean in their habits and shall thoroughly wash their hands before beginning work and immediately after

each visit to the toilet and shall keep them clean during the entire work period. No person affected with any disease in a communicable form or who is a carrier of such disease shall work or be permitted to work for the Lessee.

(2) All food and beverages shall be clean, fresh, pure, of first-class quality and safe for human consumption.

(3) The premises and all equipment and materials used by the Lessee shall at all times be clean, sanitary, and free from rubbish, refuse, dirt, offensive or unclean material, flies and other insects, rodents and vermin. All apparatus, utensils, devices, machines and piping used by the Lessee shall be constructed so as to facilitate the cleaning and inspection thereof and shall be properly cleaned after each period of use (which shall at no time exceed eight hours) with hot water and a suitable soap or detergent and shall be rinsed by flushing with hot water. Where deemed necessary by PATH, final treatment by live steam under pressure or other sterilizing procedure shall be used. All trays, dishes, crockery, glassware, cutlery, and other equipment of such type shall be cleaned and sterilized immediately before using same.

(4) All packing materials, including but not limited to wrappers, stoppers, caps, enclosures and containers, shall be clean and sterile and shall be so stored as to be protected from dust, dirt, flies and other insects, rodents, vermin, unsanitary handling and unclean materials.

(5) It is intended that the standards and obligations imposed by this subdivision (f) shall be maintained or complied with by the Lessee in addition to its compliance with all applicable governmental laws, ordinances and regulations, and in the event that any of said laws, ordinances and regulations shall be more stringent than such standards and obligations, the Lessee agrees that it will comply with such laws, ordinances and regulations in its operations hereunder.

(g) In the event that all or any portion of the premises is required by PATH to comply with any present or future governmental law, rule, regulation, requirements, order or direction, PATH shall give the Lessee notice that all or any such portion of the premises is so required and the Lessee shall deliver all or any such portion of the premises so required on the date specified in such notice and, if the Lessee does not so deliver, PATH may take the same. No such taking or delivery shall be or be construed to be an eviction of the Lessee or a breach of this Agreement. In the event that the Lessee has received a notice hereunder it shall deliver all or any such portion of the premises so required in the same condition as that required hereunder for the delivery of the premises on the cessation of the letting. In the event of the taking or delivery of all the premises, this Agreement and the letting hereunder shall on

the day of such taking or delivery cease and expire as if that day were the date originally stated herein for the expiration of this Agreement; and, in the event of the taking or delivery of any portion of the premises, then, from and after such taking or delivery, such portion of the premises shall cease to be a part of the premises hereunder. There shall be an abatement of the rental in the event of any such taking or delivery of a portion of the premises if so provided in Item 1 of Exhibit B.

Section 9. Prohibited Acts

The Lessee shall not: (a) commit any nuisance on the premises, or do or permit to be done anything which may result in the creation or commission of a nuisance on the premises; (b) cause or produce or permit to be caused or produced upon the premises, or to emanate therefrom, any unusual, noxious or objectionable smokes, gases, vapors, or odors; (c) use the premises for lodgings or sleeping purposes or for any immoral purposes; (d) install window shades or venetian blinds on the windows of the premises unless and until the type, size and color of the same shall have been previously approved in writing by PATH; (e) obstruct or permit the obstruction of light, air or passage in the building or Facility of which the premises may be a part; (f) do or permit to be done anything which may interfere with the effectiveness or accessibility of existing and future utilities systems or portions thereof on the premises, including therein without limitation thereto systems for the supply of heat, water hot and cold, gas, electricity and fuel and for the furnishing of fire-alarm, fire-protection, sprinkler, sewerage, drainage, air-conditioning, telephone, telegraph, tele-register, pneumatic-tube dispatch and inter-communications services, including lines, pipes, mains, wires, conduits and equipment connected with or appurtenant to all such systems, nor do or permit to be done anything which may interfere with free access and passage in the premises, or in the building or Facility of which the premises may be a part, or in the streets and sidewalks adjacent thereto; (g) do or permit to be done anything which may interfere with the effectiveness or accessibility of any elevators or escalators, including lines, pipes, wires, conduits and equipment connected with or appurtenant thereto; (h) overload any floor in the premises; (i) place any furniture, machine or equipment over any expansion or contraction joint unless one end of such furniture, machine or equipment is free to permit expansion or contraction; (j) place any additional lock of any kind upon any window or interior or exterior door in the premises unless a key therefor is delivered to PATH, nor make any change in any existing door or window lock or the mechanism thereof, except with the prior written approval of PATH, and upon the expiration or sooner termination of the letting hereof, the Lessee shall surrender to PATH any and all keys to interior and exterior doors on the premises, whether said keys were furnished to or were otherwise procured by the Lessee, and in the event of the loss of any keys furnished by PATH to the Lessee, the Lessee shall pay to PATH on demand the cost of replacement thereof; (k) do or permit to be done any act or thing upon

the premises which will invalidate or conflict with any insurance policies covering the premises or any part thereof, or covering the building or Facility of which the premises may be a part, or which, in the opinion of PATH, may constitute an extra-hazardous condition, so as to increase the risks normally attendant upon the operations contemplated by Section 3 hereof, and the Lessee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the New York Board of Fire Underwriters, the New York Fire Insurance Exchange, or if the premises are located in New Jersey of the National Board of Fire Underwriters, the Fire Insurance Rating Organization of N.J., or of any other board or organization exercising or which may exercise similar functions, which may pertain or apply to the operations of the Lessee on the premises, and the Lessee shall be subject to and in accordance with the provisions of Section 15 hereof, make any and all non-structural improvements, alterations or repairs of the premises that may be required at any time hereafter by any such present or future rule, regulation, requirement, order or direction, and if by reason of any failure on the part of the Lessee to comply with the provisions of this subdivision, any insurance rate on the premises or any part thereof, or on the building or Facility of which the premises may be a part, shall at any time be higher than it otherwise would be, then the Lessee shall pay to PATH on demand that part of all insurance premiums paid by PATH which shall have been charged because of such violation or failure by the Lessee; (1) unless otherwise expressly permitted so to do elsewhere in this Agreement, install, maintain or operate, or permit the installation, maintenance or operation on the premises of any vending-machine or device designed to dispense or sell food, beverages, tobacco products or merchandise of any kind, whether or not included in the above categories, or of any restaurant, cafeteria, kitchen, stand or other establishment of any type for the preparation, dispensing or sale of food, beverages, tobacco or tobacco products, or of any telephone pay-stations.

Section 10. Maintenance and Repair

(a) The Lessee shall at all times keep in a clean and orderly condition and appearance the premises and all the Lessee's fixtures, equipment and personal property.

(b) The Lessee shall repair, replace, rebuild and paint all or any part of the premises, or of the building or Facility of which the premises may be a part, including therein, without limitation thereto, walls, partitions, floors, ceilings, columns, windows, doors, glass of every kind, fixtures, systems for the supply of heat, water hot and cold, gas, electricity and fuel and for the furnishing of fire-alarm, fire-protection, sprinkler, sewerage, drainage, air-conditioning, telephone, tele-register, pneumatic-tube dispatch and inter-communication services, including lines, pipes, mains, wires, conduits and equipment connected with or appurtenant to all such systems, which may be damaged or destroyed by the acts or omissions of the Lessee, its officers, members, employees, agents, representatives, contractors, customers, guests, invitees or other persons doing business with it.

(c) The Lessee shall take good care of the premises, including therein, without limitation thereto, walls, partitions, floors, ceilings, columns, windows, doors, glass of every kind, fixtures, and shall make or do all non-structural repairs, replacements, rebuilding and painting necessary to keep the premises in the condition existing as of the commencement date of the letting and to keep all improvements and fixtures made or installed subsequent to the commencement date of the letting in the condition existing as of the date such improvements are made and such fixtures installed.

(d) The Lessee shall not lay any linoleum, asphalt tile or other such affixed floor covering in direct contact with the floor of the premises. If the Lessee lays any linoleum, asphalt tile or other such affixed covering on the floor of the premises, an interlining of builder's deadening felt shall first be affixed to the floor with water-soluble paste or other water-soluble material, the use of cement or other adhesive non-soluble in water being expressly prohibited.

(e) The Lessee shall maintain and pay the premiums on a policy of plate and mirror glass insurance covering all plate and mirror glass which is a part of or is located on or in the premises and shall replace any of such plate or mirror glass which is damaged or destroyed from any cause whatsoever.

(f) In the event that, as a result of any casualty, the premises are damaged, without the fault of the Lessee, its officers, members, employees, agents, representatives, contractors, customers, guests, invitees or other persons doing business with it, so as to render them untenable in whole or part, then

(1) if in the opinion of PATH the necessary repairs or rebuilding can be completed within ninety (90) days after the occurrence of the damage, PATH shall repair or rebuild with due diligence, and the rental hereunder shall, if so provided in Item 1 of Exhibit B, be abated only for the period from the occurrence of the damage to the completion of the repairs or rebuilding, whether or not the work of repair or rebuilding is actually completed within the said ninety (90) days; or

(2) if in the opinion of PATH such repairs or rebuilding cannot be completed within ninety (90) days after the occurrence of the damage or if the entire premises require rebuilding, then PATH shall have options: (i) to proceed with due diligence to repair or to rebuild as necessary; or (ii) to terminate the letting as to the damaged portion of the premises only, or (iii) to cancel this Agreement and terminate the letting as to the entire premises; and the rental hereunder shall, if so provided in Item 1 of Exhibit B, be abated, either, as the case may require, for the period from the occurrence of the damage to the completion of repairs and rebuilding or for the period from the occurrence of the damage to the effective date of termination.

(g) The parties hereby stipulate that if the premises are in the State of New Jersey neither the provisions of Titles 46:8-6 and 46:8-7 of the Revised Statutes of New Jersey nor those of any other similar statute shall extend or apply to this Agreement, and if the premises are in the State of New York, neither the provisions of Section 227 of the Real Property Law of New York, nor those of any other similar statute shall extend or apply to this Agreement.

(h) In the event of a partial or total destruction of the premises, the Lessee shall immediately remove any and all of its property and/or debris from the premises or the portion thereof destroyed and if the Lessee does not promptly so remove, PATH may remove such property to a public warehouse for deposit or retain the same in its own possession and sell the same at public auction, the proceeds of which shall be applied first to the expenses of removal, storage and sale, second to any sums owed by the Lessee to PATH, with any balance remaining to be paid to the Lessee; if the expenses of such removal, storage and sale shall exceed the proceeds of sale, the Lessee shall pay such excess to PATH upon demand.

Section 11. Indemnity; Liability Insurance

(a) The Lessee shall indemnify and hold harmless PATH, its Directors, officers, agents, representatives and employees from all claims and demands of third persons, including but not limited to those due to death or personal injuries or for property damage arising wholly or partially out of the use or occupancy of the premises by the Lessee or out of any of the acts or omissions of the Lessee, its officers, members, employees, agents, representatives, contractors, customers, guests, invitees, and other persons doing business with it where such acts or omissions are on the premises or, if the premises are a part of a Facility or of a building, out of any acts or omissions of the Lessee, its officers, members, employees, agents and representatives, where such acts or omissions are elsewhere in the Facility or the building. Such indemnification shall include all expenses incurred or assumed in connection with such claims and demands.

(b) In addition to the obligations set forth in the above subdivision, the Lessee in its own name as assured shall maintain and pay the premiums on a policy or policies of comprehensive public liability insurance, including products liability, which shall cover its operations hereunder and shall be effective throughout the letting, in limits not lower than those set out in Item 2 of Exhibit B.

(c) PATH shall not be named as an insured in any policy of liability insurance required by this Section, unless PATH shall, at any time during the letting, direct otherwise in writing, in which case the Lessee shall cause PATH to be so named. As to any insurance required by the provisions of this or any other Section of this Agreement to be secured by or at the direction of the Lessee, a certified copy of each of the policies or a certificate or certificates evidencing the existence thereof or binders shall be delivered to PATH within ten (10) days after the execution of this Agreement or, in the case of insurance required under the provisions of Section 15, prior to the commencement of the work. In the event any binder is delivered, it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate. Each such copy or certificate shall contain a valid provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving ten (10) days' written advance notice thereof to PATH. A renewal policy shall be delivered to PATH at least fifteen (15) days prior to the expiration date of each expiring policy, except for any policy expiring after the date of expiration of the letting. If at any time any of the policies shall be or become unsatisfactory to PATH as to form or substance or if any of the carriers issuing such policies shall be or become unsatisfactory to PATH, the Lessee shall promptly obtain a new and satisfactory policy in replacement.

Section 12. Sales and Services by the Lessee

(a) A principal purpose of PATH in entering into this Agreement is to have available for all members of the public, the merchandise and/or services which the Lessee is permitted to sell and/or render hereunder, all for the better accommodation, convenience and welfare of such individuals and in fulfillment of PATH's obligation to operate facilities for the use and benefit of the public, and the Lessee agrees that it will conduct a first class operation and will furnish and install all necessary or proper equipment, fixtures, improvements (subject to Section 15), personnel, supplies, materials and other facilities and replacements therefor and all such fixtures and improvements (except trade fixtures removable without injury to the premises) shall on installation become the property of PATH and a part of the premises, provided, however, that PATH shall have the option, exercisable by notice delivered to the Lessee on or before a date sixty (60) days after expiration or termination hereof, to require the Lessee to remove any or all such fixtures, equipment and improvements and to restore

the premises to the condition thereof prior to any installation and in the event of a failure on the part of the Lessee so to remove and restore, PATH may do so, and the Lessee shall pay the cost thereof to PATH on demand. All equipment, fixtures and improvements to be used in the premises and the installation thereof shall be subject to the prior written approval of PATH as to type and quality. PATH may by written authorization allow the Lessee to enter and occupy the premises, prior to the commencement date of the letting stated or referred to in Sections 2 or 33, solely for the purpose of installing fixtures and making improvements. In the event that the Lessee receives such written authorization the Lessee shall use and occupy the premises in accordance with and shall be subject to all the provisions of this Agreement other than those relating to the conducting of a business and the payment of rental.

(b) The Lessee shall furnish good, prompt and efficient service hereunder, adequate to meet all demands therefor; shall furnish said service on a fair, equal and non-discriminatory basis to all users thereof; and shall charge fair, reasonable and non-discriminatory prices for all items and/or services which it is permitted to sell and/or render hereunder.

(c) The Lessee shall, prior to selling any items or rendering any services hereunder, prepare schedules of prices and rates for said items and services. Such schedules shall be submitted to PATH for its prior written approval as to compliance by the Lessee with its obligations under this Agreement. PATH shall examine such schedules and make such modifications therein as may be necessary. Any changes thereafter in the schedules shall be similarly submitted to PATH for its prior written approval, and, if necessary, modification. All such schedules shall be made available to the public by the Lessee at locations designated from time to time by PATH. The Lessee agrees to adhere to the prices and rates stated in the approved schedules. If the Lessee charges any price or applies any rate in excess of the approved prices or rates, the amount by which the actual price or the charge based on such actual rate deviates from the approved price or a charge based on the approved rates shall constitute an overcharge which will, upon demand of PATH or the Lessee's customer, be promptly refunded to the customer. If the Lessee charges any price or applies any rate which is less than the approved prices or rates, the amount by which the actual price or the charge based on such actual rate deviates from the approved price or a charge based on the approved rates shall constitute an undercharge and an amount equivalent thereto shall be included in any gross receipts hereunder and the percentage rental, if any, shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Lessee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Lessee's obligations hereunder and PATH shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Agreement.

(d) In the event that the Lessee in its operations hereunder offers for sale such a variety of items that the submission of schedules, under the preceding subdivision of this Section, is not feasible in the opinion of PATH, then the Lessee shall be under no obligation to submit such schedules of prices but the Lessee shall not then sell any items hereunder at a price other than the manufacturer's or distributor's recommended retail price, provided, however, that if the price charged for the same item at any other establishment within the Port of New York District which has any ownership, financial or management connection with the Lessee or any majority stockholder thereof is lower than the manufacturer's or distributor's recommended retail price, the Lessee shall notify PATH in writing of that fact and shall charge only the lower price. If the Lessee wishes to charge a price different from the manufacturer's or distributor's recommended retail price or different from the lower price at any other establishment, as the case may be, then the Lessee shall prepare and submit to PATH schedules therefor in the same manner and subject to the same conditions as set forth in the preceding subdivision of this Section. Every overcharge or undercharge resulting from a breach by the Lessee of its obligations under this subdivision shall be respectively refunded to the customer or included in gross receipts, all in the same manner and subject to the conditions as set forth in the preceding subdivision of this Section for overcharges or undercharges.

(e) The Lessee shall be open for and conduct business and furnish services twenty-four hours a day, seven days a week, or for such other hours and days as PATH, from time to time by notice to the Lessee, may determine to properly serve the needs of the public. The determination of proper business hours and days made by PATH shall be controlling.

Section 13. Displays

(a) Except with the prior approval of PATH, the Lessee shall not erect, maintain or display any sign, lettering, or any advertising at or on the exterior part of the premises or in the premises so as to be visible through the windows or exterior doors thereof. Without limiting the effect of the above, it is agreed that all signs, lettering, advertising, decorating and displays of merchandise or services anywhere in or on the premises shall be subject to the continuing approval of PATH, and on direction of PATH at any time given the exhibition thereof shall be immediately discontinued. PATH may in its discretion in any way change the appearance, design or size of any show window, exterior door or other display area which is a part of the premises.

(b) Upon the expiration or termination of the letting, the Lessee shall remove, obliterate or paint out, as PATH may direct, any and all signs, lettering, advertising, decorating and displays on the premises, or elsewhere in the building or Facility of which the premises may be a part, and in connection therewith

shall restore the premises or building or Facility to the same condition as prior to the placement thereof. In the event that there is a failure by the Lessee so to remove, obliterate or paint out and so to restore, PATH may, at its option, perform the necessary work at the expense of the Lessee, and the charge therefor shall be paid by the Lessee to PATH on demand.

(c) The exercise of any right hereunder by PATH shall not be or be construed to be an eviction of the Lessee, nor grounds for any diminution or abatement of the rentals payable hereunder, nor constitute grounds for any claim by the Lessee for damages, consequential or otherwise, unless due to the negligence of PATH, its employees or agents.

Section 14. Services

(a) Unless otherwise stated in Item 3 of Exhibit B, PATH shall, without additional charge, heat the premises to an even and comfortable working temperature during the hours and days stated in said Item 3.

(b) PATH shall also, without additional charge, furnish non-exclusive toilet and washroom facilities for the employees of the Lessee if toilet and washroom facilities are not a part of the premises.

(c) PATH agrees to sell, furnish and supply to the Lessee in the premises and the Lessee agrees to take and pay PATH for the following:

(1) Unless otherwise stated in Item 3 of Exhibit B, electricity, in reasonable quantities, for illumination (all bulbs to be supplied and installed by the Lessee) and power; said electricity unless otherwise specified in said Item 3 to be 60 cycle, alternating current, single phase, at 110 volts, and to be paid for by the Lessee at the rates specified in said Item 3.

(2) Unless otherwise stated in Item 3 of Exhibit B, cold water, in reasonable quantities, of the character furnished by the municipality or utility company supplying in the vicinity and to be paid for by the Lessee at the rates specified in said Item 3.

(3) Unless otherwise stated in Item 3 of Exhibit B, hot water, in reasonable quantities, at the temperature stated in said Item 3 and to be paid for by the Lessee at the rates specified in said Item 3.

(4) Unless otherwise stated in Item 3 of Exhibit B, steam, in reasonable quantities, of the character specified in said Item 3 and to be paid for by the Lessee at the rates specified in said Item 3.

(5) Unless otherwise stated in Item 3 of Exhibit B, air conditioning sufficient to maintain the premises to the temperature stated in said Item 3 during the hours and days stated in said Item 3 and to be paid for by the Lessee at the rates specified in said Item 3.

(d) The above utilities may be charged for at a flat rate as provided in Item 3 of Exhibit B or at a metered rate as provided in Item 3 of Exhibit B. In the latter event, the quantity thereof shall be measured by a meter or meters installed for that purpose; provided, however, that, if for any reason any meter fails to record the consumption thereof, the consumption during any such period that the meter is out of service will be considered to be the same as the consumption for a like period immediately before or immediately after the interruption, as selected by PATH.

(e) Charges by PATH for the above services shall be paid for by the Lessee on demand; and, unless otherwise specified in Item 3 of Exhibit B, the services shall be supplied through existing wires, fixtures, conduits, outlets, pipes or vents, if any.

(f) If any federal, state, municipal or other governmental body, authority or agency or any public utility assesses, levies, imposes, makes or increases any charge, fee or rent on PATH for any service, system or utility now or in the future applied to or available to the premises or to any occupants or users thereof or to the structure or building of which the premises form a part (including but not limited to any sewer rent or charge for the use of sewer systems), the Lessee shall, at the option of PATH exercised at any time and from time to time by notice to the Lessee, pay, in accordance with said notice, such charge, fee or rent or increase thereof (or the portion thereof allocated by PATH to the premises or the Lessee's operations hereunder) either directly to the governmental body, authority or agency or to the public utility or directly to PATH.

(g) Notwithstanding that PATH may have agreed to supply a service hereunder to the Lessee where such service is to be metered, PATH shall be under no obligation to provide or continue any such service if PATH is prevented by law from submetering such service or has agreed with the supplier of such service not to submeter such service.

(h) PATH shall have the right to temporarily discontinue the supply of any of the above services when necessary or desirable in the opinion of PATH in order to make any repairs, alterations, changes or improvements in the premises or elsewhere in the building of which the premises form a part including all systems for the supply of services.

(i) Notwithstanding that PATH may have agreed to supply a service hereunder to the Lessee, PATH shall be under no obligation to supply any such service if and to the extent and during any period that the supplying of any such service or the use of any component necessary therefor shall be prohibited or rationed by any federal, state or municipal law, rule, regulation, requirement, order or direction and if PATH deems it in the public interest to comply therewith, even though such law, rule, regulation, requirement, order or direction may not be mandatory on PATH. If by operation of this subdivision or the previous subdivision any service for which the Lessee has agreed to pay a flat sum is discontinued for any period of the letting, the Lessee shall be relieved of its obligation to pay for such service for any such period or if any such service is supplied during fewer hours or in lesser amounts than agreed during any period of the letting, the Lessee shall be relieved proportionately of its obligation to pay for any such service for any such period.

(j) No failure, delay or interruption in any of the above services shall be or shall be construed to be an eviction of the Lessee, shall be grounds for any diminution or abatement of the rentals payable hereunder, or shall constitute grounds for any claim by the Lessee for damages, consequential or otherwise, unless due to the negligence of PATH, its employees or agents. The Lessee shall not be entitled to receive any of the above services during any period during which the Lessee wastes any of the services or is in default under any of the provisions of this Agreement.

Section 15. Construction by the Lessee

(a) Except with the prior approval of PATH, the Lessee shall not erect any structures, make any improvements or do any other construction work on the premises, or alter, modify, or make additions, improvements or repairs to or replacements of any structure now existing or built at any time during the letting, or install any fixtures (other than trade fixtures, removable without injury to the premises) and in the event any construction, improvement, alteration, modification, addition, repair or replacement is made with or without such approval and unless the approval of PATH shall expressly provide otherwise, the same shall immediately become the property of PATH and the Lessee shall have no right to change the same or remove the same either during the term or at the expiration or termination thereof unless PATH, at any time during the letting or within sixty (60) days' after the expiration date or effective date of termination of the letting, shall give notice to the Lessee to remove the same, or cause the same to be changed to the satisfaction of PATH, in which case the Lessee shall remove the same or change it in compliance with such notice.

(b) In the event that Item 4 of Exhibit B provides that the Lessee is required (or is permitted) to build a structure or make repairs, alterations, improvements or additions to the premises, the structure, repairs, alterations, improvements or additions described in the said Item 4 shall be built or made strictly in accordance with the following terms and conditions:

(1) The Lessee shall, to the extent allowed under the law, be the insurer of PATH, its Directors, officers, agents and employees, against the following distinct and several risks, whether they arise from acts or omissions of the Lessee, of PATH, its Directors, officers, agents, representatives and employees or of third persons, or from acts of God or of the public enemy, or otherwise, excepting only risks which result solely from affirmative, wilful acts done by PATH subsequent to the commencement of the work of construction, repair, alteration, improvement or addition:

(1) The risk of loss or damage to all such required repairs, alterations, additions, improvements, or structures prior to the completion thereof. In the event of such loss or damage, the Lessee shall forthwith repair, replace and make good the work without cost to PATH.

(ii) The risk of death, injury or damage, direct or consequential, to PATH, its Directors, officers, agents, representatives and employees, and to its or their property, arising out of or in connection with the performance of the work. The Lessee shall indemnify PATH, its Directors, officers, agents, representatives and employees, for all such deaths, injuries and damages, and for all loss suffered by reason thereof.

(iii) The risk of claims and demands, just or unjust, by third persons against PATH, its Directors, officers, agents, representatives and employees arising or alleged to arise out of the performance of the work. The Lessee shall indemnify PATH, its Directors, officers, agents, representatives and employees, against and from all such claims and demands, and for all loss and expense incurred by it and by them in the defense, settlement or satisfaction thereof.

(2) All construction work done pursuant to this Section shall be done in accordance with drawings and specifications to be submitted to and approved by the Chief Engineer of PATH prior to the commencement of the work, shall be done to his satisfaction and shall be subject to his inspection during the progress of such work and after completion thereof; and the Lessee shall re-do or replace at its own expense any work not approved by the said Chief Engineer. Unless otherwise expressly provided herein, all workmanship and materials are required to be first class.

(3) The Lessee shall pay all claims lawfully made against it by its contractors, subcontractors, materialmen and workmen and all claims lawfully made against it by other third persons arising out of or in connection with or because of the performance of the work and shall cause its contractors and subcontractors to pay all such claims lawfully made against them.

(4) The Lessee shall procure and maintain comprehensive public liability insurance, or, if the work is to be done by an independent contractor, the Lessee shall require such contractor to procure and maintain such insurance in the name of the contractor, in either case, in limits not lower than those set forth for such categories of insurance in Item 5 of Exhibit B.

(5) As soon as such structure, repair, alteration, improvement or addition shall have been completed to the satisfaction of the Chief Engineer of PATH, then (subject to the provisions of the following subdivision (c)) title thereto shall immediately and without execution of any further instrument vest in PATH, and every said structure and all such repairs, alterations, improvements or additions, shall thereupon become and thereafter be part of the premises.

(c) PATH shall have the option, exercisable by notice delivered on or before a date sixty (60) days after expiration, cancellation or termination hereof, to require the Lessee to remove any or all such structures, alterations, improvements or additions, and to restore the premises to the condition thereof prior to the construction or installation thereof. In the event of a failure on the part of the Lessee so to remove and restore, PATH may do so, and the Lessee shall pay the cost thereof to PATH on demand.

Section 16. Injury and Damage to Person or Property

PATH shall not be liable to the Lessee, or to any person, for injury or death to any person or persons whomsoever, or damage to any property whatsoever at any time in the premises or elsewhere in the building or Facility of which the premises may be a part, including but not limited to any such injury, death or damage from falling material, water, rain, hail, snow, gas, steam, and/or electricity, whether the same may leak into, or fall, issue, or flow from the premises, or from any other place or quarter, unless said damage, injury or death shall be due to the negligence of PATH, its employees or agents.

Section 17. Additional Rent and Charges

(a) If PATH has paid any sum or sums or has incurred any obligations or expense which the Lessee has agreed to pay or reimburse PATH for, or if PATH is required or elects to pay any sum or sums or incurs any obligations or expense by reason of the failure, neglect or refusal of the Lessee to perform or fulfill any one or more of the conditions, covenants or agreements contained in this Agreement or as a result of an act or omission of the Lessee contrary to the said conditions, covenants and agreements, the Lessee agrees to pay the sum or sums so paid or the expense so incurred, including all interest, costs, damages and penalties, and the same may be added to any installment of rent thereafter due hereunder, and each and every part of the same shall be and become additional rent, recoverable by PATH in the same manner and with like remedies as if it were originally a part of the basic rental, or if there is no basic rental as a part of the percentage rental, all as set forth in Section 4 hereof.

(b) For all purposes under this Section and in any suit, action or proceeding of any kind between the parties hereto, any receipt showing any payment of sum or sums by PATH for any work done or material furnished shall be prima facie evidence against the Lessee that the amount of such payment was necessary and reasonable. Should PATH elect to use its own operating and maintenance staff in making any repairs, replacements, and/or alterations and to charge the Lessee with the cost of same, any time sheet of any employee of PATH showing hours of labor or work allocated to any such repair, replacement and/or alteration, or any stock requisition of PATH showing the issuance of materials for use in the performance thereof, shall likewise be prima facie evidence against the Lessee that the amount of such charge was necessary and reasonable.

Section 18. Rights of Entry Reserved

(a) PATH, by its officers, employees, agents, representatives and contractors shall have the right at all reasonable times to enter upon the premises for the purpose of inspecting the same, for observing the performance by the Lessee of its obligations under this Agreement, and for the doing of any act or thing which PATH may be obligated or have the right to do under this Agreement or otherwise.

(b) Without limiting the generality of the foregoing, PATH, by its officers, employees, representatives, and contractors, shall have the right, for the benefit of the Lessee or for the benefit of others in or at the building or Facility of which the premises may be a part, to maintain and install existing and future utilities systems or portions thereof on the premises, including therein without limitation thereto systems for the supply of heat, water hot and cold, gas, electricity and fuel and for the furnishing

of fire-alarm, fire-protection, sprinkler, sewerage, drainage, air-conditioning, telephone, telegraph, tele-register, pneumatic-tube dispatch and intercommunication services, and to maintain and install existing and future elevator and escalator systems, including lines, pipes, mains, wires, conduits and equipment connected with or appurtenant to all such systems, and to enter upon the premises at all reasonable times to make such installations, repairs, alterations and replacements as may, in the opinion of PATH, be deemed necessary or advisable and, from time to time, to construct or install over, in, under or through the premises new lines, pipes, mains, wires, conduits and equipment; provided, however, that such repair, alteration, replacement, installation, or construction shall not unreasonably interfere with the use of the premises by the Lessee.

(c) Nothing in this Section shall or shall be construed to impose upon PATH any obligations so to construct or maintain or to make repairs, replacements, alterations or additions, or shall create any liability for any failure so to do.

(d) At any time and from time to time during ordinary business hours within the six (6) months next preceding the expiration of the letting, PATH, by its agents and employees, whether or not accompanied by prospective lessees, occupiers or users of the premises, shall have the right to enter thereon for the purpose of exhibiting and viewing all parts of the same and during such six-month period PATH may place and maintain on the premises, the usual "To-Let" signs, which signs the Lessee shall permit to remain without molestation.

(e) If, during the last month of the letting, the Lessee shall have removed all or substantially all the Lessee's property from the premises, PATH may immediately enter and alter, renovate and redecorate the premises.

(f) No abatement of rental shall be claimed by or allowed to the Lessee by reason of the exercise of any or all of the foregoing rights by PATH or others.

Section 19. Condemnation

(a) In any action or proceeding instituted by any governmental agency or agencies for the taking for a public use of any interest in all or any part of the premises, the Lessee shall not be entitled to assert any claim to any award or part thereof made or to be made therein, or to institute any action or proceeding or to assert any claim against such agency or agencies or against PATH, for or on account of any such taking, except the possible claim to an award for loss of fixtures furnished and installed by the Lessee (and for the purpose of such possible claim alone, title to such fixtures shall revert to the Lessee), it being understood and agreed between PATH and the Lessee that, except for the possible claim to an award for loss of fixtures, PATH shall be entitled to all the compensation or awards made or to be made or paid for any such taking, free of any claim or right of the Lessee.

(b) In the event of a taking of the entire premises by any governmental agency or agencies, then this Agreement shall be cancelled and the letting shall, as of the date possession is taken from PATH by such agency or agencies, cease and determine in the same manner and with the same effect as if the term of the letting had on that date expired.

(c) In the event of a taking by any governmental agency or agencies of a part of the premises, then the letting as to such part only shall, as of the date possession thereof is taken from PATH by any such agency or agencies, cease and determine, and the rentals thereafter to be paid by the Lessee to PATH shall, if so provided in Item 1 of Exhibit B, be abated from and after the date of such taking.

Section 20. Assignment and Sublease

(a) The Lessee shall not assign, sell, convey, transfer, mortgage, or pledge this Agreement, or the letting, or any part thereof.

(b) The Lessee shall not sublet the premises or any part thereof.

(c) If the Lessee assigns, sells, conveys, transfers, mortgages, pledges or sublets in violation of subdivisions (a) or (b) of this Section or if the premises are occupied by anybody other than the Lessee, PATH may collect rent from any assignee, sublessee or anyone who claims a right to this Agreement or letting or who occupies the premises, and shall apply the net amount collected to the rental herein reserved; and no such collection shall be deemed a waiver by PATH of the covenants contained in subdivisions (a) and (b) of this Section nor an acceptance by PATH of any such assignee, sublessee, claimant or occupant as Lessee, nor a release of the Lessee by PATH from the further performance by the Lessee of the covenants contained herein.

(d) The Lessee shall not use, or permit any person to use, the premises or any portion thereof, except for the purposes set forth in Section 3 hereof.

Section 21. Termination

(a) If any one or more of the following events shall occur, that is to say:

(1) The Lessee shall become insolvent, or shall take the benefit of any present or future insolvency statute, or shall make a general assignment for the benefit of creditors, or file a voluntary petition in bankruptcy or a petition or answer seeking an arrangement or its reorganization or the readjustment of its indebtedness under the federal bankruptcy

laws or under any other law or statute of the United States or of any State thereof, or consent to the appointment of a receiver, trustee, or liquidator of all or substantially all its property; or

(2) By order or decree of a court the Lessee shall be adjudged bankrupt or an order shall be made approving a petition filed by any of the creditors or, if the Lessee is a corporation, by any of the stockholders of the Lessee, seeking its reorganization or the readjustment of its indebtedness under the federal bankruptcy laws or under any law or statute of the United States or of any State thereof; or

(3) A petition under any part of the federal bankruptcy laws or an action under any present or future insolvency law or statute shall be filed against the Lessee and shall not be dismissed within thirty (30) days after the filing thereof; or

(4) The letting hereunder or the interest or estate of the Lessee under this Agreement shall be transferred to, pass or devolve upon, by operation of law or otherwise, any other person, firm or corporation; or

(5) The Lessee, if a corporation, shall, without the prior written approval of PATH, become a possessor or merged corporation in a merger, a constituent corporation in a consolidation, or a corporation in dissolution; or

(6) The Lessee is, or the Lessees collectively are doing business as, or constitute a co-partnership, and the said co-partnership shall be dissolved as the result of any act or omission of its co-partners or any of them, or by operation of law or the order or decree of any court having jurisdiction, or for any other reason whatsoever; or

(7) By or pursuant to, or under authority of any legislative act, resolution or rule, or any order or decree of any court or governmental board, agency or officer having jurisdiction, a receiver, trustee, or liquidator shall take possession or control of all or substantially all of the property of the Lessee, and such possession or control shall continue in effect for a period of fifteen (15) days; or

(8) Any type of strike or other labor activity is directed against the Lessee at the premises resulting in picketing or boycott for a period of at least forty-eight (48) hours which, in the opinion of PATH, adversely affects or is likely adversely to affect the operation of any PATH Facility or the operations of other lessees or licensees thereat, whether or not the same is due to the fault of the Lessee, and whether caused by the employees of the Lessee or by others; or

(9) Any lien is filed against the premises because of any act or omission of the Lessee and is not removed within ten (10) days; or

(10) The Lessee shall voluntarily abandon, desert, vacate or discontinue its operations in the premises; or

(11) The Lessee shall fail duly and punctually to pay the rentals or to make any other payment required hereunder when due to PATH; or

(12) The Lessee shall fail to keep, perform and observe each and every other promise, covenant and agreement set forth in this Agreement, on its part to be kept, performed or observed, within ten (10) days after receipt of notice of default thereunder from PATH (except where fulfillment of its obligation requires activity over a period of time, and the Lessee shall have commenced to perform whatever may be required for fulfillment within ten (10) days after receipt of notice and continues such performance without interruption except for causes beyond its control);

then upon the occurrence of any such event or at any time thereafter during the continuance thereof, PATH may by five (5) days' notice terminate the letting and the rights of the Lessee hereunder, such termination to be effective upon the date specified in such notice. Such right of termination and the exercise thereof shall be and operate as a conditional limitation.

(b) If any of the events enumerated in subdivision (a) of this Section shall occur prior to the letting, the Lessee shall not be entitled to enter into possession of the premises and PATH upon the occurrence of any such event or at any time thereafter during the continuance thereof by twenty-four (24) hours' notice may cancel the interest of the Lessee under this Agreement, such cancellation to be effective upon the date specified in such notice.

(c) No acceptance by PATH of rentals, fees, charges or other payments in whole or in part for any period or periods after a default of any of the terms, covenants and conditions to be performed, kept or observed by the Lessee shall be deemed a waiver of any right on the part of PATH to terminate the letting.

(d) No waiver by PATH of any default on the part of the Lessee in performance of any of the terms, covenants or conditions hereof to be performed, kept or observed by the Lessee shall be or be construed to be a waiver by PATH of any other or subsequent default in performance of any of the said terms, covenants and conditions.

Section 22. Right of Re-entry

PATH shall, as an additional remedy upon the giving of a notice of termination as provided in Section 21 hereof, have the right to re-enter the premises and every part thereof upon the effective date of termination without further notice of any kind, and may regain and resume possession either with or without the institution of summary or any other legal proceedings or otherwise. Such re-entry, or regaining or resumption of possession, however, shall not in any manner affect, alter or diminish any of the obligations of the Lessee under this Agreement, and shall in no event constitute an acceptance of surrender.

Section 23. Waiver of Redemption

The Lessee hereby waives any and all rights of redemption, granted by or under any present or future law, arising in the event it is evicted or dispossessed for any cause, or in the event PATH obtains or retains possession of the premises in any lawful manner.

Section 24. Survival of the Obligation of the Lessee

(a) In the event that the letting shall have been terminated in accordance with a notice of termination as provided in Section 21 hereof, or the interest of the Lessee cancelled pursuant thereto, or in the event that PATH has re-entered, regained or resumed possession of the premises in accordance with the provisions of Section 22 hereof, all the obligations of the Lessee under this Agreement shall survive such termination or cancellation, re-entry, regaining or resumption of possession and shall remain in full force and effect for the full term of this Agreement, and the amount or amounts of damages or deficiency shall become due and payable to PATH to the same extent, at the same time or times and in the same manner as if no termination, cancellation, re-entry, regaining or resumption of possession had taken place. PATH may maintain separate actions each month to recover the damage or deficiency then due or at its option and at any time may sue to recover the full deficiency less the proper discount, for the entire unexpired term.

(b) The amount of damages for the period of time subsequent to termination or cancellation (or re-entry, regaining or resumption of possession) shall be:

(1) On account of the Lessee's basic rental obligation, the amount of the total of all annual basic rentals, less the installments thereof payable prior to the effective date of termination except that the credit to be allowed for the installment payable on the first day of the month in which the termination is effective shall be prorated on a daily basis for the part of the month the letting remains in effect;

(2) On account of the Lessee's percentage rental obligation in the event that a basic rental is also reserved under this Agreement, an amount equal to the percentage stated in Item 1 of Exhibit B applied to the amount of gross receipts in excess of the annual exemption amount or amounts, which gross receipts would have been received by the Lessee during the balance of the term if there had been no termination or cancellation (or re-entry, regaining or resumption of possession), and for the purpose of calculation hereunder (i) the said amount of gross receipts shall be derived by multiplying the number of days in the balance of the term originally fixed, by the Lessee's average daily gross receipts; (ii) the average daily gross receipts shall be the total actual gross receipts of the Lessee during that part of the effective period of the letting (including all annual periods falling within the effective period) in which no abatement was in effect, divided by the number of days included in such part of the effective period; (iii) the annual exemption amount for any period of less than a year shall be the product of the original annual exemption amount multiplied by a fraction, the numerator of which shall be the number of days from the effective date of termination to the end of the annual period and the denominator of which shall be 365;

(3) On account of the Lessee's percentage rental obligation in the event that no basic rental is reserved under this Agreement, an amount equal to the percentage stated in Item 1 of Exhibit B applied to the amount of gross receipts which would have been received by the Lessee during the balance of the term if there had been no termination or cancellation (or re-entry, regaining or resumption of possession), and for the purpose of calculation hereunder (i) the said amount of gross receipts shall be derived by multiplying the number of days in the balance of the term originally fixed, by the Lessee's average daily gross receipts; (ii) the average daily gross receipts shall be the total actual gross receipts of the Lessee during that part of the effective period of the letting (including all annual periods falling within the effective period) divided by the number of days included in such part of the effective period.

(c) It is understood and agreed that the statement of damages under the preceding subdivision (b) shall not affect or be construed to affect PATH's right to damages in the event of termination or cancellation (or re-entry, regaining or resumption of possession) where the Lessee has not received any actual gross receipts under this Agreement.

Section 25. Reletting by PATH

PATH, upon termination or cancellation pursuant to Section 21 hereof, or upon any re-entry, regaining or resumption of possession pursuant to Section 22 hereof, may occupy the premises or may relet the premises, and shall have the right to permit any person, firm or corporation to enter upon the premises and use the same. Such reletting may be of part only of the premises or of the premises or a part thereof together with other space, and for a period of time the same as or different from the balance of the term hereunder remaining, and on terms and conditions the same as or different from those set forth in this Agreement. PATH shall also, upon termination or cancellation pursuant to the said Section 21, or upon its re-entry, regaining or resumption of possession pursuant to the said Section 22, have the right to repair or to make structural or other changes in the premises, including changes which alter the character of the premises and the suitability thereof for the purposes of the Lessee under this Agreement, without affecting, altering or diminishing the obligations of the Lessee hereunder. In the event either of any reletting or of any actual use and occupancy by PATH (the mere right to use and occupy not being sufficient however) there shall be credited to the account of the Lessee against its survived obligations hereunder any net amount remaining after deducting from the amount actually received from any lessee, licensee, permittee or other occupier in connection with the use of the said premises or portion thereof during the balance of the letting as the same is originally stated in this Agreement, or from the market value of the occupancy of such portion of the premises as PATH may during such period actually use and occupy, all expenses, costs and disbursements incurred or paid by PATH in connection therewith. No such reletting shall be or be construed to be an acceptance of surrender.

Section 26. Remedies to be Non-exclusive

All remedies provided in this Agreement shall be deemed cumulative and additional and not in lieu of or exclusive of each other or of any other remedy available to PATH at law or in equity.

Section 27. Surrender

(a) The Lessee covenants and agrees to yield and deliver peaceably to PATH possession of the premises on the date of the cessation of the letting, whether such cessation be by termination, expiration or otherwise, promptly and in good condition such reasonable wear excepted as would not adversely affect or interfere with a first-class, efficient and proper operation such as is required under this Agreement.

(b) Subject to the provision of Sections 12 and 26 the Lessee shall have the right at any time during the letting to remove its equipment, inventories, removable fixtures and other personal property from the premises. If the Lessee shall fail to remove its property on or before the termination or expiration of the letting, PATH may remove such property to a public warehouse for deposit or retain the same in its own possession, and sell the same at public auction, the proceeds of which shall be applied first to the expenses of removal, storage and sale, second to any sums owed by the Lessee to PATH, with any balance remaining to be paid to the Lessee; if the expenses of such removal, storage and sale shall exceed the proceeds of sale, the Lessee shall pay such excess to PATH upon demand.

Section 28. Acceptance of Surrender of Lease

No agreement of surrender or to accept a surrender shall be valid unless and until the same shall have been reduced to writing and signed by the duly authorized representatives of PATH and of the Lessee. Except as expressly provided in this Section, neither the doing of, nor any omission to do, any act or thing, by any of the officers, agents or employees of PATH, shall be deemed an acceptance of a surrender of the letting or of this Agreement.

Section 29. Requirement of Deposit or Bond

(a) Unless Item 7 of Exhibit B indicates that no deposit is required, then, prior to the commencement of the letting, the Lessee shall deposit with PATH the sum stated in the said Item 7, in securities satisfactory to PATH or in cash, as security for the full, faithful and prompt performance of and compliance with, on the part of the Lessee, all the covenants, terms and conditions of this Agreement on its part to be fulfilled, kept, performed and observed. The said cash or securities shall remain on deposit with PATH throughout the letting. If securities are deposited, the fair market value thereof shall be equivalent at the time of the deposit to the sum stated in the said Item 7; and, if at any time throughout the letting the fair market value thereof declines, the Lessee shall, upon ten (10) days' notice from PATH, deposit additional securities to the extent necessary to maintain the sum stated in the said Item 7. In addition to any and all other remedies available to it under this Agreement or otherwise, PATH shall have the right, at its option at any time and from time to time, to use the deposit or any part thereof in whole or partial satisfaction of any of its claims or demands against the Lessee. There shall be no obligation on PATH to exercise such right, and neither the existence of such right nor the holding of the deposit itself shall cure any default or breach on the part of the Lessee. In the event that PATH shall

at any time or times so use the deposit or a part thereof, the Lessee shall, on demand of PATH and within two (2) days thereafter, deposit with PATH additional securities satisfactory to PATH or additional cash so as to maintain the deposit at all times to the full amount stated in the said Item 7; all such additional deposits shall be subject to all the conditions of this Section. After the expiration of the letting and upon written request therefor by the Lessee, PATH will return the deposit to the Lessee, less the amount of any and all unpaid claims and damages of PATH under this Agreement. Upon a termination of the letting, PATH may, at its option, retain the deposit until the date fixed in Section 2 hereof for the expiration of the letting (or until the final date of any extended term, as the case may be) and shall thereafter upon demand of the Lessee return the same to the Lessee less the amount of any and all unpaid claims and damages, including but not limited to estimated damages of PATH under this Agreement. The Lessee agrees that it will not assign, mortgage or encumber the deposit. The Lessee may collect or receive annually any interest or income earned on bonds and interest paid on cash deposited in interest-bearing bank accounts less any part thereof or amount which PATH is or may hereafter be entitled or authorized by law to retain or to charge in connection therewith, whether as or in lieu of administrative expense or custodial charge, or otherwise, provided, however, that PATH shall not be obligated by this provision to place or to keep cash deposited hereunder in interest-bearing bank accounts. Without limiting the foregoing provisions of this Section, with respect to any bonds deposited by the Lessee, PATH shall have the right, in order to satisfy any of its claims or demands against the Lessee, to sell the same in whole or in part, at any time and from time to time, with or without prior notice, at public or private sale, all as determined by PATH together with the right to purchase the same at such sale free of any claims, equities or rights of redemption of the Lessee. The Lessee hereby waives any right to participate therein or any right to prior notice or demand of the amount or amounts of PATH's claims or demands against the Lessee. The proceeds of any such sale shall be applied by PATH first to the costs and expenses of the sale (including but not limited to any advertising or commission expenses) and then to the amounts due PATH from the Lessee. Any balance remaining shall be retained in cash toward bringing the security deposit to the sum specified above provided that this shall not relieve the Lessee from maintaining the deposit in the full amount stated above.

(b) Unless Item 8 of Exhibit B indicates that no performance bond is required, the Lessee shall furnish and pay the premium for a bond in the sum stated in the said Item 8, conditioned upon the full, faithful and prompt performance of and compliance with, on the part of the Lessee, all the covenants, terms and conditions of this Agreement on its part to be fulfilled, kept, performed and observed. The bond so furnished shall be in the form attached hereto, hereby made a part hereof and marked "Exhibit U", shall be effective throughout the letting and shall be made either by a surety company or companies qualified to carry on a surety business in the State of New Jersey if the premises are in New Jersey or in the State of New York if the premises are in New York, and satisfactory to PATH or by an individual or individuals satisfactory to PATH.

(c) In the event Items 7 and 8 of Exhibit B indicate that both a deposit and a bond are required, the Lessee shall, unless said items 7 and 8 state otherwise, have the option of fulfilling either the provisions of subdivision (a) or those of subdivision (b) of this Section.

Section 30. Brokerage

The Lessee represents and warrants that no broker has been concerned in the negotiation of this Agreement and that there is no broker who is or may be entitled to be paid a commission in connection therewith. The Lessee shall indemnify and save harmless PATH of and from any claim for commission or brokerage made by any and all persons, firms or corporations whatsoever for services in connection with the negotiation and execution of this Agreement.

Section 31. Limitation of Rights and Privileges Granted

(a) The premises are let to the Lessee and the Lessee takes the same subject to all the following: (i) easements, restrictions, reservations, covenants and agreements, if any, to which the premises may be subject; rights of the public in and to any public street; (ii) rights, if any, of the enterprise, public or private, which is engaged in furnishing any services including without limitation thereto heating, lighting, power, telegraph, telephone, steam, water, sewerage, or transportation services, and of the municipality and State in which the premises are located; (iii) permits, licenses, regulations and restrictions, if any, of the United States, the municipality or State in which the premises are located, or other governmental authority.

(b) No greater rights or privileges with respect to the use of the premises or any part thereof or with respect to any PATH property are granted or intended to be granted to the Lessee by this Agreement, or by any provision thereof, than the rights and privileges expressly granted hereby.

Section 32. Relationship of the Parties

This Agreement does not constitute the Lessee the agent or representative of PATH for any purpose whatsoever and neither a partnership nor any joint adventure is hereby intended nor shall it be deemed to be created by this Agreement.

Section 33. Notices

(a) All notices, permissions, requests, consents and approvals given or required to be given to or by either party shall be in writing (which shall include a telegram when delivered to the telegraph company), and all such notices and requests shall be (i) personally delivered to the party or to the duly designated officer or representative of such party; or (ii) delivered to an office of such party, officer or representative during regular business hours; or (iii) delivered to the residence of such party, officer or representative at any time; or (iv) if directed to the Lessee, delivered to the premises at any time; or (v) forwarded to such party, officer or representative, at the office or residence address by registered or certified mail. The Lessee shall designate an office within the Port of New York District and an officer or representative whose regular place of business is at such office. Until further notice, PATH hereby designates its President, and the Lessee designates the person whose name appears on the first page of this Agreement as their respective officers or representatives upon whom notices and requests may be served, and PATH designates its office at One World Trade Center, New York, New York 10048, and the Lessee designates its office, the address of which is set forth on the first page of this Agreement, as their respective offices where notices and requests may be served.

(b) If any notice is mailed or delivered, the giving of such notice shall be complete upon receipt or, in the event of a refusal by the addressee, upon the first tender of the notice to the addressee or at the permitted address. If any notice is sent by telegraph, the giving of such notice shall be complete upon receipt or, in the event of a refusal by the addressee, upon the first tender of the notice by the telegraph company to the address or at the address thereof.

Section 34. Place of Payments

All payments required of the Lessee by this Agreement shall be mailed to PATH, P.O. Box 17309, Newark, New Jersey 07194.

Section 35. Quiet Enjoyment

PATH covenants and agrees that as long as it remains the owner of the premises, the Lessee, upon paying all rentals hereunder and performing all the covenants, conditions and provisions of this Agreement on its part to be performed, shall and may peaceably and quietly have, hold and enjoy the premises free of any act or acts of PATH except as expressly permitted in this Agreement.

Section 36. Headings

The section headings and the paragraph headings, if any, are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope or intent of any provision thereof.

Section 37. Changes in the Facility

PATH shall have the right at any time and from time to time prior to and during the letting, in the interest of the efficient operation of the building or facility of which the premises may be a part, to close, move or alter any common way in the said building or Facility, including but not limited to entrances, exits, passages, halls, corridors, aisles, stairways, elevators or escalators, or to restrict or change the traffic on or through any such common way; and no such action by PATH shall release the Lessee from any of its obligations under this Agreement.

Section 38. Construction and Application of Terms

(a) Wherever in this Agreement a third person singular neuter pronoun or adjective is used, referring to the Lessee, the same shall be taken and understood to refer to the Lessee, regardless of the actual Lessee's gender or number.

(b) Whenever in this Agreement the Lessee is placed under an obligation or covenants to do or to refrain from or is prohibited from doing, or is entitled or privileged to do, any act or thing, the following shall apply:

(1) If the Lessee is a corporation, its obligations shall be performed or its rights or privileges shall be exercised only by its officers and employees; or

(2) If the Lessee is an unincorporated association or a business or "Massachusetts" trust, the obligation shall be that of its members or trustees, as well as of itself, and shall be performed only by its members or trustees, and its officers and employees, and its rights or privileges shall be exercised only by its members or trustees, and its officers and employees; or

(3) If the Lessee is a partnership, the obligation shall be that of its partners, and shall be performed only by its partners and employees, and its rights or privileges shall be exercised only by its partners and employees; or

(4) If the Lessee is an individual, the obligation shall be that of himself (or herself) and shall be performed only by himself (or herself) and his (or her) employees and the rights or privileges of the Lessee shall be exercised only by himself (or herself) and his (or her) employees.

(5) None of the provisions of this subdivision (b) shall be taken to alter, amend or diminish any obligation of the Lessee assumed in relation to its invitees, customers, agents, representatives, contractors or other persons, firms or corporations doing business with it.

(c) In the event that more than one individual or other legal entity are the Lessee under this Agreement, then and in that event each and every obligation under this Agreement shall be the joint and several obligation of each such individual or other legal entity.

(d) The Lessee's representative, hereinbefore specified (or such substitute as the Lessee may hereafter designate in writing) shall have full authority to act for the Lessee in connection with this Agreement and any things done or to be done hereunder, and to execute on the Lessee's behalf any amendments or supplements to this Agreement or any extension thereof.

Section 39. Non-Liability of Individuals

Neither the Directors of PATH nor any of them, nor any officer, agent or employee thereof, shall be charged personally by the Lessee with any liability or held liable to it under any term or provision of this Agreement, or because of its execution or attempted execution or because of any breach or attempted or alleged breach thereof.

Section 40. Grease Traps and Ventilation Ducts

Without in anywise limiting the Lessee's other obligations under this Agreement, the Lessee shall supply, replace, install, repair, maintain and keep clean all grease traps in all drainage pipes exclusively used by it in its operations hereunder whether such pipes are located on the premises or elsewhere in the building or Facility of which the premises may be a part. The Lessee shall also keep clean, repair and maintain (other than structurally) all ventilation ducts including the replacement of all filters where such ducts are exclusively used by it in its operations hereunder and whether such ducts are located on the premises or elsewhere in the said building or Facility.

Section 41. Extermination Service

The Lessee shall pay PATH upon demand the cost of extermination service, if any, actually provided by PATH in the enclosed portion of the premises provided, however, that PATH shall not be required hereby to furnish such service.

Section 42. Subordination

This Agreement and the letting hereunder are and shall be subject and subordinate to all mortgages which may now or hereafter affect the premises or the Facility and to all renewals, modifications, consolidations, replacements and extensions thereof, and although the provisions of this Section shall be deemed to be self-operating and effective for all purposes without any further instrument on the part of the Lessee, the Lessee shall execute on demand and without expense to PATH such further instruments confirmatory of the provisions of this Section as PATH may request.

Section 43. Definitions

The following terms, when used in this Agreement, shall have the respective meanings given below:

(a) "Letting" shall mean the letting under this Agreement for the original term stated herein, and shall include any extensions thereof which may be made pursuant to the provisions of this Agreement.

(b) "Causes or conditions beyond the control of PATH", shall mean and include acts of God, the elements, weather conditions, tides, earthquakes, settlements, fire, acts of Governmental authority, war, shortage of labor or materials, acts of third parties for which PATH is not responsible, injunctions, labor troubles or disputes of every kind (including all those affecting PATH, its contractors, suppliers or subcontractors) or any other condition or circumstance, whether similar to or different from the foregoing (it being agreed that the foregoing enumeration shall not limit or be characteristic of such conditions or circumstances) which is beyond the control of PATH or which could not be prevented or remedied by reasonable effort and at reasonable expense.

(c) "Facility", "Terminal" or "Transportation Center" shall mean:

(i) With respect to any portion of the premises located in the PATH Journal Square Transportation Center, the building complex constructed or to be constructed by PATH within the area in the City of Jersey City, County of Hudson and State of New Jersey, bounded generally by John F. Kennedy Boulevard on the west, Pavonia Avenue on the north, Summit Avenue on the east and Sip Avenue on the south, together with such adjoining and additional areas including yards, ramps, streets and ways as may be used from time to time for Transportation Center purposes.

(ii) With respect to any portion of the premises located in the PATH World Trade Center Station, the building complex constructed or to be constructed by the Port Authority of New York and New Jersey within the area in the Borough of Manhattan, City, County, and State of New York, bounded generally by the east side of Church Street on the east, the south side of Liberty Street extended on the South, the Hudson River on the west, and on the north by a line beginning at the point of intersection of the Hudson River and the north side of Vesey Street extended, running along the north side of Vesey Street extended and the north side of Vesey Street to the west side of Washington Street, then along the west side of Washington Street to the north side of Barcaly Street, then along the north side of Barcaly Street to the east side of West Broadway, then along the east side of West Broadway to the north side of Vesey Street, then along the north side of Vesey to the east side of Church Street, together with such additional contiguous areas as may be agreed to from time to time between the Port Authority of New York and New Jersey and the City of New York.

(iii) With respect to any portion of the premises located in the PATH 33rd Street Station, the 33rd Street Station of the PATH Interstate Railway system, in the City, County, and State of New York.

(d) "Gross receipts" shall include all monies paid or payable to the Lessee for sales made and services rendered at or from the Terminal, regardless of when or where the order therefor is received, and outside of the Terminal, if the order therefor is received at the Terminal, and any other revenues of any type arising out of or in connection with the Lessee's operations at the Terminal, provided, however, that any taxes imposed by law which are separately stated to and paid by a customer, and are directly payable to the taxing authority by the Lessee shall be excluded therefrom.

Section 44. Thirty Day Termination and Reimbursement

(a) PATH shall have the right to terminate this Agreement and the letting hereunder, without cause, at any time, on thirty (30) days' notice to the Lessee. In the event of termination pursuant to this Section, this Agreement and the letting hereunder shall cease and expire as if the effective date of termination stated in the notice were the date originally state herein for the expiration of this Agreement.

(b) The Lessee is obligated by this Agreement to furnish and install all fixtures and equipment and make all improvements in the premises, necessary or proper for its operations hereunder. In the event of termination by PATH under this Section, PATH shall pay the Lessee a pro rate share of the Lessee's cost in supplying and installing all such fixtures and equipment and making all such improvements excluding any replacements thereof. The cost and the pro rata share thereof shall be ascertained as stated in Item 6 of Exhibit B, provided, however, that tender of payment of said prorated cost by PATH to the Lessee shall not be prerequisite to the exercise of the right of termination under this Section, but the Lessee shall be entitled to 5% interest per annum on said prorated cost for the period between the effective date of termination and the date of tender of payment (excluding any portion of the period prior to the rendering by the Lessee to PATH of a statement and other documents of cost). On the payment by PATH of said prorated cost and any interest due thereon, all fixtures equipment and improvements including replacements furnished by the Lessee in the premises and all interest of the Lessee therein which have not already become the property of PATH shall be and become the property of PATH and the Lessee shall execute any and all instruments necessary to transfer title and any such interest, provided, however, that PATH may by notice relinquish its right to any such fixtures, equipment or improvements and the provisions of the Sections of this Agreement entitled respectively "Sales and Services by the Lessee" and "Surrender" shall apply thereto.

Section 45. Force Majeure

PATH shall not be liable for any failure, delay or interruption in performing its obligations hereunder due to causes or conditions beyond the control of PATH. Further, PATH shall not be liable unless the failure, delay or interruption shall result from failure on the part of PATH to use reasonable care to prevent or reasonable efforts to cure such failure, delay or interruption.

Section 46. Finishes and Decorating by the Lessee

(a) PATH shall deliver the premises to the Lessee in its "as is" condition. The Lessee acknowledges that it has thoroughly inspected the premises and agrees to take the same in such "as is" condition. Nothing contained herein shall or shall be construed to relieve the Lessee of its obligations under Section 12 to install in the premises all necessary or proper equipment or fixtures required for its operations in the premises. Subject to the provisions of this Section and Section 15 of this Agreement the Lessee agrees to and shall perform at its sole cost and expense all construction and installation work necessary or proper for its occupancy of the premises and its operations therein including, without limitation, (i) the refurbishment of interior and demising walls, floors, and ceilings, (ii) the installation of new lighting, and (iii) the design and construction of new storefronts (the work described in this Section being sometimes hereinafter referred to as "the Construction Work"). The Lessee hereby covenants and agrees that it shall expend a minimum of One Hundred Thousand Dollars and No Cents (\$100,000.00) on the performance of the Construction Work. Prior to commencing the performance of any of the Construction Work the Lessee shall submit to PATH for its approval an Alteration Application, in the form supplied by PATH, and containing such terms and conditions as PATH may include, setting forth in detail and by appropriate plans and specifications the work the Lessee proposes to perform and the manner of and time periods for performing the same. The data to be supplied by the Lessee shall identify separately each of the items constituting the Construction Work and shall describe in detail the fixtures and equipment to be installed by the Lessee. The Lessee shall be responsible at its sole expense for retaining all architectural, engineering and other technical consultants and services as may be directed by PATH and for developing, completing and submitting detailed plans and specifications for the work. The plans and specifications to be submitted by the Lessee to PATH shall bear the seal of a qualified architect or professional engineer, who shall be responsible for the administration of the work in accordance with PATH's requirements, and shall be in sufficient detail for a contractor to perform the work. In connection with review by PATH of the Lessee's submissions under this paragraph, the Lessee shall submit to PATH, at PATH's request, such additional data, detail or information as PATH may require for such review. The Lessee shall not engage any contractor or permit the use of any subcontractor unless and until each such contractor or subcontractor has been approved by PATH. The Lessee shall include in any such contract or subcontract such provisions as PATH may approve or require, including, without limitation thereto, provisions regarding labor harmony. The Lessee shall cause each such contractor and subcontractor to obtain and maintain in force such insurance coverage and

performance bonds as PATH shall specify. All work to be performed by the Lessee hereunder shall be done in accordance with the said Alteration Application and final plans and specifications approved by PATH, shall be subject to inspection by PATH during the progress of the work and after the completion thereof and the Lessee shall redo or replace at its own expense any work not done in accordance therewith. Upon completion of the Construction Work the Lessee shall supply PATH with a certificate signed by the architect or engineer who sealed the Lessee's plans pursuant to the provisions of this paragraph that all of the work performed by the Lessee has been performed in accordance with the plans and specifications approved by PATH and the provisions of this Agreement and the Lessee shall supply PATH with as-built drawings in form and number as requested by PATH.

(b) The Lessee shall not commence any portion of the Construction Work until the Alteration Application and plans and specifications covering the work to be performed, referred to in paragraph (a) of this Section, have been finally approved by PATH. The Lessee recognizes that its obligation to pay basic rental shall commence on the Rental Payment Start Date established pursuant to Item 1(a)(4) of Exhibit B attached to this Agreement regardless of whether or not the Construction Work is then completed or whether the Lessee is then conducting the operations set forth in Section 3 of this Agreement in the premises. The Lessee shall conduct no such operations in the premises until PATH shall have notified the Lessee in writing that the work in the premises has been completed or substantially completed to its satisfaction. In the event of any inconsistency between the provisions of this Agreement and those of the Alteration Application, the provisions of this Agreement shall control.

(c) The Lessee shall be solely responsible for the plans and specifications used by it, and for the adequacy or sufficiency of such plans, specifications and all the improvements depicted thereon or covered thereby, regardless of the consent thereto or approval thereof by PATH or the incorporation therein of any Port Authority requirements or recommendations. PATH shall have no obligations or liabilities in connection with the performance of finishing, decorating or installation work performed by the Lessee, or on its behalf, or the contracts for the performance thereof entered into by the Lessee. Any warranties extended or available to the Lessee in connection with finishing, decorating, or installation work performed by or on behalf of the Lessee shall be for the benefit of PATH as well as the Lessee.

(d) Without limiting or affecting any other term or provision of this Agreement, the Lessee shall be solely responsible for the design, adequacy and operation of all utility, mechanical, electrical, communications and other systems

installed in the premises by the Lessee and shall do all preventive maintenance and make all repairs, replacements, rebuilding (ordinary or extraordinary, structural or non-structural) and painting necessary to keep such systems and all other improvements, additions and fixtures, finishes and decorations made or installed by the Lessee (whether the same involves structural or non-structural work) in the condition they were in when made or installed except for reasonable wear which does not adversely affect the watertight condition or structural integrity of the building or adversely affect the efficient or proper utilization or appearance of any part of the premises.

Section 47. Operating Names

Any name, designation or any service mark proposed to be used or displayed at the premises or at the Facility or for the Lessee's operations therein shall be approved in advance in writing by PATH and the Lessee shall have the right to use and display the name, designation or mark only so long as this Agreement is in force and effect. If for any reason the Lessee ceases its operations in the premises, the Lessee's right to use such name, designation or service mark shall immediately cease and come to an end and PATH or its designee shall have the sole right to use such name, designation or service mark and the Lessee hereby consents to such use thereof. Any registration or filing by the Lessee with respect to such name, designation or service mark shall be approved in advance by PATH in writing. The Lessee agrees to assign and transfer to PATH any such registration or filing and any other rights in or to the use of such name, designation or service mark promptly upon written request therefor from PATH.

Nothing herein contained is intended to apply to the continuing use by the Lessee of its customary name, designation or service mark used elsewhere in its operations prior to the making of this Agreement.

Section 48. Late Charges

If the Lessee should fail to pay any amount required under this Agreement when due to PATH, including without limitation any payment of basic, percentage or other rental or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then in such event PATH may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four late charge periods during each calendar year; each late charge period shall be for a period of at least fifteen (15) calendar days

except one late charge period each calendar year may be for a period of less than fifteen (but not less than thirteen) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to PATH as a result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Agreement. Each late charge shall be payable immediately upon demand made at any time therefor by PATH. No acceptance by PATH of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of PATH to payment of any late charge or late charges payable under the provisions of this Section with respect to such unpaid amount. Each late charge shall be recoverable by PATH in the same manner and with like remedies as if it were originally a part of the rental as set forth in Section 4 of this Agreement and Item 1 of Exhibit B annexed hereto. Nothing in this Section is intended to, or shall be deemed to affect, alter, modify or diminish in any way (i) any rights of PATH under this Agreement, including without limitation PATH's rights set forth in the section of this Agreement entitled "Termination" or (ii) any obligations of the Lessee under this Agreement. In the event that any late charge imposed pursuant to this Section shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Agreement shall be payable instead at such legal maximum.

Section 49. Additional Provision

Notwithstanding the provisions of paragraph (d) of Section 43 hereof, and without otherwise limiting the generality thereof, no monies, including, without limitation, fees and commissions, received or receivable by the Lessee from the sale or dispensing of Lottery Tickets issued by the Lottery Division of the New York State Department of Taxation and Finance shall be included in gross receipts under this Agreement. Without limiting the generality of the provisions of Section 13 hereof the Lessee shall display in such areas of the premises as shall be designated by PATH only such signs and advertising relating to the sale of lottery tickets issued by the Lottery Division of the New York State Department of Taxation and Finance as may be supplied or approved in advance by PATH. In addition to all other rights of termination contained in this Agreement, PATH shall have the right at any time, on not less than thirty (30) days' written notice to the Lessee to withdraw the permission herein granted for the sale or dispensing of lottery tickets and in such event the Lessee shall discontinue the sale or dispensing of lottery tickets

on or before the effective date stated in PATH's written notice to the Lessee.

Section 50. Affirmative Action

Without limiting any of the terms and conditions of this Agreement, the Lessee agrees, and agrees to require its contractors, to make every good faith effort, to the maximum extent feasible, to seek meaningful participation by minorities and women both as to Minority Business Enterprise (MBE) and Women-owned Business Enterprise (WBE) participation as contractors and subcontractors and as to the composition of the labor force on contracts and subcontracts entered into with respect to any construction work performed on the premises. PATH has a long-standing practice of making its contracting opportunities available to MBEs and WBEs. The affirmative steps PATH takes to maximize opportunities for MBEs and WBEs to participate in the performance of PATH construction contracts either directly or as subcontractors are hereby set forth for the Lessee's consideration in the schedule attached hereto, hereby made a part of this Agreement, and marked "Schedule E".

Section 51. Letting Postponed

If on the date fixed as the commencement of the term of the letting in the Section of this Agreement entitled "Term", the premises are not available or ready for occupancy or use by the Lessee, by reason of the fact that the premises or any part thereof, or any part of the Facility, are in the course of construction, repair, alteration or improvement or by reason of the fact that the occupant of the premises, or a part thereof, failed or refused to deliver possession, or by reason of any causes or conditions beyond the control of PATH, PATH may postpone the letting and PATH shall not be subject to any liability for such postponement or failure to give possession on such date. No such postponement or failure to give possession on such date shall affect the validity of this Agreement or the obligations of the Lessee hereunder. In the event the commencement date of the term of the letting is postponed as herein provided, then PATH shall tender possession of the premises to the Lessee by notice given at least five (5) days prior to the effective date of the tender and in such event the Rental Start Date (unless the Rental Start Date is defined herein as a stated period following the commencement date of the term of the letting) shall be postponed for the same number of days that the commencement date of the term of the letting is postponed. Also, in such event, the expiration date of the letting (unless defined herein as a

stated period following the Rental Start Date) shall be postponed for a period of time equivalent to the period between the commencement date stated in the Section of this Agreement entitled "Term" and the last day of the calendar month in which the actual commencement date shall fall. In the event that notice of tender of the premises is not given for possession to commence on or before the date stated in Item 9 of Exhibit B, then this Agreement shall be deemed cancelled, except that each party shall and does release and discharge the other party from any and all claims or demands based on this Agreement, or a breach or alleged breach thereof.

Section 52. Premises

The Lessee acknowledges that it has not relied upon any representation or statement of PATH or its Directors, officers, employees or agents as to the suitability of the premises for the operations permitted on the premises by this Agreement. Without limiting any obligation of the Lessee to commence operations hereunder at the time and in the manner stated elsewhere in this Agreement, the Lessee agrees that no portion of the premises will be used initially or at any time during the letting which is in a condition unsafe or improper for the conduct of the Lessee's operations hereunder so that there is possibility of injury or damage to life or property. Without limiting the generality of any of the provisions of this Agreement, PATH shall not be liable to the Lessee for any claims for loss, theft, or damage involving any property stored or placed on the premises. For all purposes of this Agreement the premises hereunder (notwithstanding any statement elsewhere in this Agreement of any rule for the measurement of the area thereof) shall be deemed to include all of the enclosing partitions, and the adjacent exterior building walls and glass to and including the exterior surface thereof.

Section 53. Additional Right of Termination by PATH

(a) In addition to the right of termination reserved to PATH under Section 26 hereof, PATH shall have the right to separately terminate the letting hereunder without cause on thirty (30) days' notice as to Area A or Area B. In the event the letting of an Area is terminated pursuant to this Section the basic rental payable by the Lessee prior to the effective date of termination shall be reduced as of the day following the effective date of such termination by an amount determined by multiplying the basic rental in effect immediately prior to the effective date of termination by a fraction, the numerator of which shall be the number of square feet contained in the Area the letting of which has been terminated and the denominator of which shall be the total number of square feet contained in the entire premises immediately prior to the effective date of termination. The annual exemption amount for all annual periods following the effective date of termination shall be reduced in the same proportion as the reduction in the basic rental. The number of square feet contained in an Area shall be determined as provided in paragraph (e) (3) of Item 1 of Exhibit B annexed hereto.

(b) In the event the effective date of termination should occur on other than the last day of an annual period, the annual exemption amount for the annual period in which the effective date of termination should occur shall be equal to the sum of (i) an amount determined by multiplying the annual exemption amount in effect prior to the effective date of termination by a fraction, the numerator of which shall be the number of days in that annual period to and including the effective date of termination and the denominator of which shall be 365 and (ii) an amount determined by multiplying the annual exemption amount determined as set forth in paragraph (a) above by a fraction, the numerator of which shall be the number of days remaining in that annual period after the effective date of termination and the denominator of which shall be 365.

(c) (i) In the event the letting of Area A or Area B is terminated pursuant to paragraph (a) of this Section, the provisions of paragraph (b) of Section 26 shall be applicable thereto except that "the Lessee's cost" as referred to therein shall be applicable only to the Area, the letting of which was terminated and shall be ascertained as stated in Item 6 of Exhibit B but in any event shall not exceed the lesser of the cost applicable to such Area or the sum of One Hundred Thousand Dollars and No Cents (\$100,000.00).

Section 54. Changes, Additions and Deletions to This Agreement

Prior to the execution of this Agreement by either of the parties hereto, the following changes, additions and deletions were made in the foregoing terms and conditions:

(a) Paragraphs (c) and (d) of Section 12 were deleted and the following paragraph (c) was inserted in lieu thereof:

"(c) The Lessee shall not sell any items hereunder at a price other than the pre-printed manufacturer's or distributor's recommended retail price, or the price stated in the schedule hereto attached, hereby made a part hereof and marked "Schedule A", provided, however, that if the price charged for the same item at any other establishment located at a transportation terminal within the Port of New York District which has any ownership, financial or management connection with the Lessee or any majority stockholder thereof is lower than the pre-printed manufacturer's or distributor's recommended retail price or the price stated in Schedule A, as the case may be, the Lessee shall notify PATH in writing of that fact and shall charge only the lower price. If the Lessee charges any price in excess of the prices described in this paragraph, the amount by which the actual price deviates from the approved price shall constitute an overcharge which will, upon demand of PATH or the Lessee's customer, be promptly refunded to the customer. If the Lessee charges any price or applies any rate which is less than the prices or rates described in this paragraph the amount by which the actual price deviates from the approved price shall constitute an undercharge and an amount equivalent thereto shall be included in any gross receipts hereunder and the percentage rental, if any, shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Lessee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Lessee's obligations hereunder and PATH shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Agreement. On each anniversary of the commencement date of the letting under this Agreement the Lessee may request an adjustment in the approved prices for the items described in Schedule B annexed to this Agreement for the period from such anniversary to the day preceding the following anniversary of the commencement date. PATH may grant an increase in such prices if the Lessee can demonstrate to the satisfaction of PATH that the requested adjustment and the amount thereof is comparable to and consistent with the prices and rates charged for such items at other transportation terminals located within the

Port of New York District. At the request of PATH the Lessee shall submit a representative schedule of charges and rates for such items then in effect at other transportation terminals located within the port of New York District. Notwithstanding the foregoing, and without otherwise limiting the generality thereof, the Lessee may request an adjustment in the approved prices for any of the items described in Schedule B annexed to this Agreement during the period prior to the first anniversary of the commencement date of the letting hereunder if such request is based solely on the changed wholesale cost of those items and is limited to the difference between the wholesale cost of those items on the commencement date of the letting and the actual wholesale cost of those items that will be incurred by the Lessee during such period. Any price adjustment requested by the Lessee pursuant to the provisions of this paragraph shall take effect, however, only upon the express written consent of PATH. Nothing set forth in this paragraph shall be deemed to constitute an agreement on the part of PATH to grant its consent or approval to any requested price adjustment or to create an inference that PATH will grant such consent or approval or that PATH's discretion as to any such consents or approvals shall in any way be affected or impaired."

(b) Subparagraph (b) (2) of Section 24 hereof was deleted and the following subparagraph was inserted in lieu thereof:

"(2) On account of the Lessee's percentage rental obligation with respect to gross receipts under this Agreement, an amount equal to the excess over the Annual Fixed Rental Amount of the percentage stated in subparagraph (b) of Item 1 of Exhibit B applied to the gross receipts which would have been received by the Lessee during the balance of the term if there had been no termination or cancellation (or re-entry, regaining, or resumption of possession); and for the purpose of calculation hereunder (i) the said amount of gross receipts shall be derived by multiplying the number of days in the balance of the term originally fixed by the Lessee's average daily gross receipts; (ii) the average daily gross receipts shall be the Lessee's total actual gross receipts during that part of the effective period of the letting (including all Annual Periods falling within the effective period) in which no abatement was in effect divided by the number of days included in such part of the effective period; (iii) the Annual Fixed Rental Amount for any period of less than a year shall be the product of the original Annual Fixed Rental Amount multiplied by a fraction the numerator of which shall be the number of days from the effective date of termination to the end of the Annual Period and the denominator shall be 365;"

(c) In connection with the provisions of Section 30 hereof, the Lessee hereby certifies that its I.R.S. Taxpayer Identification Number is .

It shall not be necessary to physically make the aforesaid changes additions and deletions in the aforesaid Sections of this Agreement.

Section 55. Entire Agreement

This Agreement consists of the following:

Pages 1 through 45, inclusive, plus Exhibits A, A-1, and B and Schedules A and E.

It constitutes the entire agreement of the parties on the subject matter hereof and may not be changed, modified, discharged or extended except by written instrument duly executed by PATH and the Lessee. The Lessee agrees that no representations or warranties shall be binding upon PATH unless expressed in writing in this Agreement.

IN WITNESS WHEREOF, the parties hereto have executed these presents as of the day and year first above written.

EXHIBIT B

Item 1: Rental Provisions

(a) Definitions

(1) "Annual period" shall mean, as the context requires, the twelve-month period commencing with the Rental Payment Start Date established pursuant to the provisions of this Agreement and each of the twelve-month periods thereafter occurring during the term of the letting, provided, however, that if the Rental Payment Start Date commences on other than the first day of a calendar month, the first annual period shall include the portion of the month in which the Rental Payment Start Date falls following such date plus the succeeding 12 calendar months and each subsequent annual period shall commence on the anniversaries of the first day of the first full calendar month following the month in which the Rental Payment Start Date occurs.

(2) "Guaranteed minimum annual basic rental amount" shall mean for and during each of the first two annual periods hereunder the sum of Three Hundred Seventy-nine Thousand Three Hundred Eighty Dollars and No Cents (\$379,380.00), as the same may be reduced by the operation of the abatement and/or proration provisions hereof. For and during each annual period thereafter occurring during the term of the letting hereunder it shall mean the sum equal to the greater of (i) Three Hundred Seventy-nine Thousand Three Hundred Eighty Dollars and No Cents (\$379,380.00), or (ii) the product obtained by multiplying eighty one-hundredths (.80) by the average of the annual basic and percentage rental payable by the Lessee to the Port Authority pursuant to the provisions of this Agreement in the two preceding annual periods in which no abatement was in effect, as the same may be reduced by the operation of the abatement and/or proration provisions hereof. The average of the annual basic and percentage rental payable by the Lessee to the Port Authority in the two preceding annual periods shall be the total annual basic and percentage rental payable by the Lessee to the Port Authority in the two preceding annual periods in which no abatement was in effect, divided by two.

(3) "Annual exemption amount" shall mean the sum equivalent to the basic rental payable by the Lessee to PATH pursuant to the provisions of this Agreement as the same may be reduced by the operation of the abatement and/or proration provisions hereof.

(4) For the purpose of calculating the percentage rental due for any annual period which is other than 365 days the annual exemption amount shall be prorated over the actual number of days contained in such annual period.

(5) "Rental Payment Start Date" shall mean the commencement date of the term of the letting of the premises established pursuant to this Agreement. The Lessee recognizes that its obligation to pay basic rental shall commence on the Rental Payment Start Date established pursuant to this subparagraph whether or not the Lessee is conducting public operations in the premises on such date.

(b) Basic Rental

During each annual period occurring during the term of the letting under this Agreement, the Lessee shall pay to PATH a basic rental for the premises at a rate per annum equal to the guaranteed minimum annual basic rental established for such annual period, payable, in advance, in equal monthly installments each equal to 1/12th of the applicable annual basic rental on the first day of each calendar month occurring during such annual period, provided, however, that if the Rental Payment Start Date commences on other than the first day of a calendar month the installment of basic rental payable on the Rental Payment Start Date shall be an amount equal to the amount of the installment described in this paragraph multiplied by a fraction the numerator of which shall be the number of days from the Rental Payment Start Date to the last day of the calendar month in which the Rental Payment Start Date shall fall and the denominator of which shall be the number of days in that calendar month.

(c) Percentage Rental:

The Lessee shall pay to PATH an annual percentage rental equivalent to the excess over the annual exemption amount of ten percent (10%) of the gross receipts of the Lessee arising during each annual period. The computation of percentage rental for each annual period, or a portion of an annual period, as hereinafter provided, shall be individual to such annual period, or such portion of an annual period, and without relation to any other annual period, or any other portion of any annual period.

(d) Time of Payment of Percentage Rental,
Computations of Amounts and Accounting:

(1) The Lessee shall pay the percentage rental as follows: on the 20th day of the first month following the commencement of each annual period and on the 20th day of each and every month thereafter including the month following the end of each annual period the Lessee shall render to the PATH a sworn statement showing the Lessee's gross receipts for the preceding month and the cumulative amount of the Lessee's gross receipts from the commencement of the annual period for which the report is made to the last day of the preceding month; whenever any such statement shall show that the percentage stated in paragraph (b) of this Item 1 applied to the Lessee's cumulative gross receipts for that annual period are in excess of the annual exemption amount established for that annual period, the Lessee shall pay at the time of rendering the statement an amount equal to such excess and the Lessee shall thereafter on the 20th day of each month during that annual period and on the 20th day of the month following the end of that annual period pay an amount equal to the percentage stated in paragraph (b) of this Item 1 applied to the gross receipts of each subsequent month during that annual period. At any time that the established annual exemption amount is decreased by abatement or proration as herein provided so that there is an excess of gross receipts as to which the percentage rental has not been paid, the same shall be payable to PATH on demand. The Lessee's statement following the close of each annual period shall report total gross receipts for such annual period and total percentage rental due therefor and if any adjustments are required the same shall be made at the time such report is rendered.

(2) Upon any termination of the letting hereunder (even if stated to have the same effect as expiration), the Lessee shall, within twenty (20) days after the effective date of such termination, make a payment of rental computed as follows: first, if the letting hereunder is terminated effective on a date other than the last day of a month the basic rental for the portion of that month in which the letting remains effective shall be the amount of the monthly installment of basic rental prorated on a daily basis, and if the monthly installment due on the first day of that month has not been paid the Lessee shall pay the prorated part of the amount of that installment; if the monthly installment has been paid, then the excess thereof shall be credited to the Lessee's other obligations; second, the Lessee shall within twenty (20) days after the effective

date of termination render to PATH a sworn statement of all its gross receipts for the annual period in which the effective date of termination happens to fall, third, the payment then due on account of all percentage rental for the annual period in which the effective date of termination falls shall be the excess of the percentage rental, computed as follows, over the total of such percentage rental payments previously made for such annual period: an amount equal to the excess over the annual exemption amount established for such annual period of the percentage stated above in paragraph (b) of this Item 1 applied to the gross receipts of the Lessee for such annual period, provided, however, that the annual exemption amount established for such annual period shall be multiplied by a fraction, the numerator of which shall be the number of days from the commencement of such annual period to the effective date of termination and the denominator of which shall be 365.

(e) Abatement:

(1) For every calendar day or major fraction thereof that the Lessee shall be entitled to abatement during any annual period, the basic rental established for such annual period shall be reduced by an amount equivalent to the product obtained by dividing the applicable annual basic rental payable for such annual period into 365 and multiplying the quotient so obtained by a fraction the numerator of which shall be the number of square feet of floor space as to which the abatement applies and the denominator of which shall be the total number of square feet in the premises.

(2) During any annual period in which the Lessee shall be entitled to abatement, the annual exemption amount and the guaranteed minimum annual basic rental amount established for such annual period shall be reduced proportionately to the reduction of the basic rental.

(3) For the purpose of abatement, the ascertainment of the number of square feet contained in the premises to be measured shall be in accordance with the following: Areas of the premises and parts thereof will be computed by measuring from the inside plaster surface of outer building walls to the plaster surface of the corridor side of corridor partitions and to the center of partitions that separate the premises from adjoining rentable area; no deduction will be made for columns, pilaster, or projections necessary to the building or for toilets, porter's closets, and slop sinks used exclusively by the Lessee and contained within the premises. Permanent partitions enclosing elevator shafts, stairs, fire towers, vent, pipe shafts,

meter closets, flues, stacks and any vertical shafts have the same relation to rentable areas as do outer building walls.

(f) Nothing contained in the foregoing shall affect the survival of the obligations of the Lessee as set forth in Section 24 of this Agreement.

Item 2: Liability Insurance Limits:

(a) The limits of liability insurance referred to in Section 11(b) shall be not less than the following and shall include full contractual liability coverage:

comprehensive general liability insurance, covering bodily injury, including wrongful death and products liability and property-damage liability, in the minimum amount of \$2,000,000 combined single limit per occurrence.

(b) Notwithstanding the provisions of Section 11(c) PATH shall be included as an additional insured in any policy of liability insurance required by the provisions of this Agreement, and each such policy shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of PATH or PATH, raise any defense involving in any way the jurisdiction of the tribunal over the person of PATH or PATH, the immunity of PATH or PATH, its Directors, Commissioners, officers, agents or employees, the governmental nature of PATH or PATH or the provisions of any statutes respecting suits against either of them.

(c) The policy shall provide or contain an endorsement providing that the protection afforded the Lessee thereunder with respect to any claim or action against the Lessee by a third person shall pertain and apply with like effect with respect to any claims or action against the Lessee by PATH and against PATH by the Lessee, but such endorsement shall not limit, vary, change or affect the protection afforded PATH thereunder as an additional insured.

Item 3: (a) Heat and Air-Cooling:

Notwithstanding the provisions of Section 14 (a) hereof PATH shall not heat or air condition the premises but in that portion of the premises located in the PATH World Trade Center Station PATH shall provide processed air of such temperature and other characteristics as may be determined by PATH without additional charge and subject to all the terms and provisions of this Agreement during normal business hours solely for use by the Lessee in the heating and air conditioning systems installed in such portion of the premises. The Lessee shall be solely

responsible for the distribution, handling, and circulation of heat and air conditioning or air treatment within such portion of the premises. PATH shall have no responsibility for heating or air conditioning of any portion of the premises or for the maintenance therein of any specified temperature or comfort level. If at any time during the term of the letting the demand for processed air in the portion of the premises located in the PATH World Trade Center Station increases because the Lessee in accordance with Section 15, Section 45 or otherwise erects in such portion of the premises any partitions or makes any improvements, or because of the Lessee's failure to keep doors and openings to and from such portion of the premises closed, PATH shall not thereby be required to install lines, ducts, facilities, systems, fixtures or equipment for the supply of processed air additional to those presently existing or presently contemplated or to increase or augment the capacity or output of existing or presently contemplated lines, ducts, facilities, systems, equipment or fixtures for the supply of processed air and the Lessee shall not in any such event be relieved of any of its obligations hereunder because a comfortable temperature is not maintained. No consent or approval given by PATH in connection with the erection of partitions or the making of any improvements shall be or be deemed to be a representation that the work consented to or approved will not stop, hinder, obstruct or interfere with either the cooling of the air or heating of such portion of the premises. It is hereby understood further that the installation by the Lessee of any equipment which itself requires air-cooling or which requires additional quantities of air-cooling, shall not impose any obligation on PATH to install lines, ducts, facilities, systems, fixtures or equipment for the supply of processed air additional to those presently existing or presently contemplated or to increase or augment the capacity or output of existing or presently contemplated lines, ducts, facilities, systems, equipment or fixtures for the supply of processed air and the Lessee shall not in any such event be relieved of any of its obligations hereunder. If PATH elects to install lines, ducts, facilities, systems, fixtures or equipment for the supply of processed air additional to those presently existing or presently contemplated or to increase or augment the capacity or output of existing or presently contemplated lines, ducts, facilities, systems, equipment or fixtures on account of the increased demand caused by the Lessee, then the costs to PATH resulting therefrom shall be paid to PATH by the Lessee on demand.

(b) Electricity:

To be supplied by PATH to the extent that the Lessee's consumption thereof does not exceed the capacity of existing feeders, risers, or wiring on or off the premises and to be metered by PATH and to be paid for by the Lessee at the greater

of: (1) the rates (including the fuel or other adjustment factor if any) which the Lessee at the time of such purchase and under the service classification then applicable to it would have to pay for the same quantity of electricity to be used for the same purposes under the same conditions if it received the electricity directly from the public utility supplying the same to commercial buildings in the vicinity, or (2) PATH's cost of obtaining and supplying the same quantity of electricity. It is understood that in lieu of metering the Lessee's consumption of electricity in any portion of the premises, PATH may periodically throughout the term of the letting, at such times as it may elect, survey the premises for the purpose of establishing the Lessee's annual consumption of and demand for electricity based on the total rated wattage of all lamps and electrical equipment, appliances, machines, power units, and other devices which are located in or on such portion of the premises, and are or may be used by the Lessee therein, and the frequency and duration of the use thereof. The determination of total rated wattage and consumption and demand by PATH shall be binding and conclusive and for the purposes of payment under this Agreement shall be deemed to remain constant until changed by PATH after another survey. Notwithstanding that PATH has agreed to supply electricity to the Lessee, PATH shall be under no obligation to provide or continue such service if PATH is prevented by law, agreement or otherwise from metering or surveying the Lessee's consumption and demand for electricity as hereinabove set forth or elects not to so meter or survey the same, then in any such event the Lessee shall make all arrangements and conversions necessary to obtain electricity directly from the public utility. Also in such event the Lessee shall perform the construction necessary for conversion and if any lines or equipment of PATH are with the consent of PATH used therefor PATH may make an appropriate charge therefor to the Lessee based on its costs and expenses for the said lines and equipment.

(c) Domestic Cold Water: Not to be sold, furnished or supplied by PATH to the Lessee.

(d) Domestic Hot Water: Not to be sold, furnished or supplied by PATH to the Lessee.

(e) Steam: Not to be sold, furnished or supplied by PATH to the Lessee.

(f) Gas: Not to be sold, furnished or supplied by PATH to the Lessee.

Item 4: New Construction: Per Section 46.

Item 5: Construction Liability Insurance Limits:

The limits of liability insurance shall be as may be required by PATH in the Construction Application referred to in Section 46 or otherwise from time to time.

Item 6: Cost and Proration Thereof:

(a) To the extent permitted by sound accounting practice, the sum of the following items of cost incurred by the Lessee for such equipment and fixtures and the installation thereof and the making of such improvements as are necessary to initially equip and improve the premises for the Lessee's commencement of operations hereunder, all as mentioned in the Section of the Agreement entitled "Thirty Day Termination", and to the extent that such sum does not exceed Four Hundred Seventy-five Thousand Dollars and No Cents (\$475,000.00) shall constitute the "cost" under the said Section and under subdivisions (b), (c), (d), (e), (f) and (g) hereof:

(1) Direct labor and material costs;

(2) Contract costs for purchase and installation excluding those of the types mentioned in the following subdivision (3);

(3) Engineering, architectural, planning, designing, financing, interest, insurance and other overhead or carrying charges which are due for a period ending not later than the date of completion of installation of any such initial equipment, fixtures or improvements for which they are incurred, and not to exceed 20% of the total of the amounts covered by subdivisions (2) and (3) above.

(b) A statement of the cost detailing all the foregoing including copies of invoices and contracts and certified by a responsible officer of the Lessee shall be delivered by the Lessee to PATH not later than ninety (90) days after the complete supplying and installing of all such initial fixtures or equipment and the making of all such initial improvements, and the Lessee shall permit PATH, by its agents, employees and representatives, at all reasonable times prior to a final settlement or determination of cost, to examine and audit the records and books of the Lessee which pertain to the cost; the Lessee agrees to keep such records and books of account within the Port of New York District during such time.

(c) If the Lessee includes in cost any item as having been incurred but which, in the opinion of PATH, was not so incurred or which, in the opinion of PATH, if so incurred is not an item properly chargeable to cost under sound accounting practice, then PATH, within ninety (90) days after receipt of the said statement of cost as mentioned in subdivision (b) above, shall give written notice to the Lessee stating its objection to any such item and the grounds therefor. If such notice is given and if the dispute is not settled within thirty (30) days by agreement between the parties, then such dispute shall be disposed of by arbitration in accordance with the then existing rules of the American Arbitration Association or any successor association. Costs of said arbitration shall be borne equally by PATH and the Lessee.

(d) In any such arbitration as to whether any item included by the Lessee in its computation of cost has been incurred, the question to be submitted to the arbitrators for decision shall be as follows:

"Was all or any part of such cost incurred by the Lessee; and if part but not all of such cost was incurred, what was the amount which was so incurred?"

(e) In any such arbitration as to whether any item included by the Lessee in its computation of cost is properly chargeable thereunder under sound accounting practice, the question to be submitted to the arbitrators for decision shall be as follows:

"Can it reasonably be held that all or any part of such cost is properly chargeable under sound accounting practice; and if part but not all of such cost can reasonably be held to be so chargeable, then what amount can reasonably be held to be so chargeable?"

The arbitrators to whom such question shall be submitted shall be accountants or auditors.

(f) The proration of cost as referred to in the section of the Agreement entitled "Thirty Day Termination" shall be ascertained by multiplying the cost by a fraction, the numerator of which shall be the number of whole calendar months (in the term of the letting as originally set forth) subsequent to the effective date of termination, and the denominator of which shall be the total number of months in the term of the letting as originally set forth.

(g) Notwithstanding any other provision of the Section of the Agreement entitled "Thirty Day Termination", in ascertaining the amount that PATH shall be obligated to pay to

the Lessee under said Section, the cost computed as heretofore stated in this Item shall be diminished by the amount that any part of the components of cost as stated in subdivisions (1), (2) and (3) of (a) above are secured by liens, mortgages, other encumbrances or conditional bills of sale on such equipment, fixtures and improvements and less any other amounts whatsoever due under this Agreement from the Lessee to PATH. In no event whatsoever shall cost, as defined and computed in accordance with this Item and as used in the Section of the Agreement entitled "Thirty Day Termination" and in this Item, include any expenses, outlays or charges whatsoever by or for the account of the Lessee for or in connection with any equipment or fixtures or the making of any improvements mentioned in said Section or in this Item unless said equipment, fixtures and/or improvements are actually and completely installed in and/or made to the premises.

Item 7: Cash Security: Not Applicable.

Item 8: Performance Bond: Not applicable.

Item 9: Letting Postponed: December 31, 1992

SCHEDULE E

For purposes hereof, Minority Business Enterprise (MBE) shall mean any business enterprise which is at least fifty-one percentum owned by one or more citizens or permanent resident aliens who are minorities and such ownership is real, substantial and continuing, or in the case of a publicly owned business, at least fifty-one percentum of the stock of which is owned by citizens or permanent resident aliens who are minorities and such ownership is real, substantial and continuing. As used herein minority shall mean an individual member of any of the following racial groups

(i) Black (all persons having origins in any of the Black African racial groups not of Hispanic origin;

(ii) Hispanic (all persons of Mexican, Puerto Rican, Dominican, Cuban, Central or South American origin, regardless of race);

(iii) Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asian, the Indian Subcontinent, or the Pacific Islands) which includes persons whose origins are from Japan, China, Taiwan, Korea, Vietnam, Laos, Cambodia, the Philippines, Samoa, Guam, the U.S. Trust Territories of the Pacific, the Northern Marianas, India, Pakistan, Bangladesh, and Sri Lanka; and

(iv) American Indian or Alaskan Native (all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification) which includes persons who are American Indians, Eskimos, Aleuts, or Native Hawaiians.

For the purposes hereof, Women-owned Business Enterprise (WBE) shall mean any business enterprise which is at least fifty-one percentum owned by one or more women and such ownership is real, substantial and continuing, or in the case of a publicly owned business, at least fifty-one percentum of the stock of which is owned by one or more women and such ownership is real, substantial and continuing. "Meaningful participation" shall mean that at least twelve percent (12%) of the total dollar value of the contracts (including subcontracts) are for the participation of Minority Business Enterprises, and that at least five percent (5%) of the total dollar value of the contracts (including subcontracts) are for the participation of Women-owned Business Enterprises. Good faith efforts to include

meaningful participation by MBEs and WBEs shall include at least the following:

- (1) Dividing work into smaller portions where feasible.
- (2) Actively and affirmatively soliciting bids and proposals for contracts or subcontracts to provide commodities and services from MBEs and WBEs including circulation of solicitations to minority and female contractor associations. The Lessee shall maintain records detailing the efforts it and its contractors have made to provide for meaningful MBE and WBE participation, including the names and addresses of all MBEs and WBEs contacted and, if any such MBE or WBE is not selected, the reason for such decision. The Lessee shall supply to PATH such information, data, and documentation with respect to the efforts the Lessee has made to provide for meaningful MBE and WBE participation in contracts and subcontracts as PATH may from time to time and at any time request.
- (3) Providing prospective MBEs and WBEs with plans, specifications, and other necessary background materials with regard to prospective work available to MBEs and WBEs in sufficient time for review.
- (4) Meeting regularly with representatives of PATH to identify forthcoming business opportunities and suitable MBEs and WBEs, following up on specific recommendations made by such representatives, and utilizing the list of eligible MBEs and WBEs hereinafter described in this Schedule, maintained by PATH, or seeking minorities and women from other sources for the purpose of soliciting contractors, subcontractors, and suppliers.
- (5) Encouraging the formation of joint ventures, partnerships or other similar arrangements among contractors, where appropriate, to insure that the Lessee and its contractors will meet their obligations hereunder.
- (6) Insuring that provision is made to provide progress payments to MBEs and WBEs on a timely basis, where appropriate.
- (7) Not requiring bonds from and/or providing bonds and insurance for MBEs and WBEs, where appropriate.

PATH has compiled a list, which may be supplemented and revised from time to time by PATH, of the firms PATH has determined satisfy the criteria for MBE and WBE certification. Such list shall be made available to the Lessee and its contractors upon request. PATH makes no representation as to the financial responsibility of such firms, their technical competence to perform, or any other performance-related qualifications. Only listed MBEs and WBEs and such firms as are not so listed but as are certified by PATH as MBEs and WBEs hereunder will count toward the MBE and WBE goals.

Certification of MBE's and WBEs hereunder shall be made by the Office of Business and Job Opportunity of PATH. If the Contractor wishes to utilize a firm not so listed but which the Contractor believes should be certified because it is an MBE or WBE the Contractor shall submit to PATH a written request for a determination that the proposed firm is eligible for certification. This shall be done by completing and forwarding such form as may be required by PATH from time to time. All such requests shall be in writing addressed to Mr. John Alexander or other designee of the Office of Business and Job Opportunity, PATH of New York and New Jersey, One World Trade Center, 37 South, New York, N.Y. 10048. If any such firm is determined eligible for certification it shall only be by a writing over the name of the Director in charge of such Office. The determination of PATH shall be final and binding on the Contractor. For inquiries or assistance, please contact Mr. John Alexander at (212) 432-4188.

The following organizations may be able to refer the Contractor to firms which the referring organization has a reasonable basis to believe may meet PATH's criteria for certification as an MBE or WBE. Any referrals which are not listed shall be submitted to PATH for a determination as to eligibility as provided above.

In the event that the participation of any MBE or WBE selected by the Lessee or any of its contractors to participate in any contracts or subcontracts entered into with respect to any construction work performed on the premises, is cancelled or terminated for any reason, the Lessee agrees and agrees to require its contractors to make every good faith effort, to the

maximum extent feasible, and consistent with the Lessee's exercise of good business judgment, including, without limitation, the consideration of cost competitiveness, to utilize other MBEs and WBEs so as to maintain appropriate participation by MBEs and WBEs in such contracts.

Labor Force Utilization

Without limiting the foregoing provisions of this Schedule, and without limiting any of the terms and conditions of the Agreement to which this Schedule is attached, the Lessee agrees and agrees to require its construction and maintenance contractors and subcontractors at each tier of any construction undertaken pursuant to the provisions of the Agreement to which this Schedule is attached to make good faith efforts to achieve a supervisory and non-supervisory work force on each contract that is representative of the local community labor force with respect to minority and female participation and will work with PATH's Office of Business and Job Opportunity to identify referral sources when needed. The Lessee will cooperate with PATH to develop on the job training programs and will participate in apprenticeship and other training programs that expressly include minority and female workers. The Lessee agrees to require its contractors and subcontractors to participate in such programs and to make a good faith effort to utilize apprentices or other trainees in the work as appropriate. The Lessee agrees to and shall require its contractors and subcontractors to appoint an executive of their respective companies to assume the responsibility for the implementation of the contractors' good faith efforts to achieve minority and female participation in the work force under the contract.

The goals for minority and female participation, expressed in percentage terms for the aggregate workforce in each trade on all construction work are as follows:

Journey level trade workers

Minority participation: 30%

Female participation: 6.9%

Laborers and other unskilled workers

Minority participation: 40%

Female participation: 6.9%

These goals are applicable to all construction work performed in and for the premises. Compliance with the goals will be measured against the total work hours performed.

(a) The Lessee agrees to require its contractors and subcontractors to provide written notification to the Lessee and the Lessee agrees to provide written notification to the Office of Business and Job Opportunity of PATH within 10 working days of award of any construction contract or subcontract in excess of \$10,000.00 at any tier for construction work. The notification shall list the name, address, telephone number and employer identification number of the contractor or subcontractor; and the estimated starting and completion dates of the contract or subcontract. As used herein, "Employer identification number" shall mean the Federal Social Security Number used on the Employer's Quarterly Federal Tax Return, U.S. Treasury Department Form 941. The term minority shall mean an individual member of any of the racial groups described in this Schedule.

(b) The Lessee agrees to require its contractors and subcontractors, at any tier, whenever they subcontract a portion of the construction work involving any construction trade, to physically include in each subcontract in excess of \$10,000 those provisions which include the applicable goals for minority and female participation.

(c) The Lessee agrees to require its contractors and subcontractors to implement the specific affirmative action standards provided in subparagraphs (1) through (16) of paragraph (f) hereof. The goals set forth above are expressed as percentages of the total hours of employment and training of minority and female utilization the Lessee's contractors and subcontractors should reasonably be able to achieve in each construction trade in which it has employees on the premises. The Lessee agrees and agrees to require its contractors and subcontractors to use good faith efforts to make substantially uniform progress toward its goals in each craft during the period specified.

(d) The Lessee agrees to provide in its construction contracts that neither the provisions of any collective bargaining agreement, nor the failure by a union with which the contractor has a collective bargaining agreement, to refer either minorities or women shall excuse the contractor's obligations thereunder.

(e) The Lessee further agrees to provide in its agreements with its contractors that in order for the nonworking training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees shall be employed by the contractor during the training period, and the contractor shall have made a commitment to employ the apprentices and trainees at the completion of their training, subject to the availability of employment opportunities. Trainees shall be trained pursuant to training programs approved by the U. S. Department of Labor.

(f) The Lessee agrees to require its contractors and subcontractors to take specific affirmative actions to ensure equal employment opportunity ("EEO"). The Lessee's evaluation of the contractor's compliance with these provisions shall be based upon the contractor's good faith effort to achieve maximum results from its actions. The Lessee agrees to require its contractors and subcontractors to document these efforts fully, and to implement affirmative action steps at least as extensive as the following:

(1) Ensure and maintain a working environment free of harassment, intimidation, and coercion at all portions of the premises at which the contractor's employees are assigned to work. The contractor, where possible, will assign two or more women to each phase of the construction project. The contractor shall specifically ensure that all foremen, superintendents, and other supervisory personnel at the premises are aware of and carry out the contractor's obligation to maintain such a working environment, with specific attention to minority or female individuals working at the premises.

(2) Establish and maintain a current list of minority and female recruitment sources, provide written notification to minority and female recruitment sources and to community organizations when the contractor or its unions have employment opportunities available, and maintain a record of the organizations' responses.

(3) Maintain a current file of the names, addresses and telephone numbers of each minority and female off-the-street applicant and minority or female referral from a union, a recruitment source or community organization and of what action was taken with respect to each such individual. If such individual was sent to the union hiring hall for referral and was not referred back to the contractor by the union or, if referred, not employed by the contractor, this shall be documented in the file with the reason therefor, along with whatever additional action the contractor may have taken.

(4) Provide immediate written notification to the Lessee when the union or unions with which the contractor has a collective bargaining agreement has not referred to the contractor a minority person or woman, sent by the contractor, or when the contractor has other information that the union referral process has impeded the contractor's efforts to meet its obligations.

(5) Develop on-the-job training opportunities and/or participate in training programs for the area which expressly include minorities and women, including upgrading programs and apprenticeship and trainee

programs relevant to the contractor's employment needs, especially those programs funded or approved by the Department of Labor. The contractor shall provide notice of these programs to the sources compiled under subparagraph (2) above.

(6) Disseminate the contractor's EEO policy by providing notice of the policy to unions and training programs and requesting their cooperation in assisting the contractor in meeting its EEO obligations; by including it in any policy manual and collective bargaining agreement; by publicizing it in the contractor's newspaper, annual report, etc.; by specific review of the policy with all management personnel and with all minority and female employees at least once a year; and by posting the contractor's EEO policy on bulletin boards accessible to all employees at each location where the construction work is performed.

(7) Review, at least every six months, the contractor's EEO policy and affirmative action obligations hereunder with all employees having any responsibility for hiring, assignment, layoff, termination or other employment decisions including specific review of these items with on-area supervisory personnel such as Superintendents, General Foremen, etc., prior to the initiation of construction work at the premises. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed, and disposition of the subject matter.

(8) Disseminate the contractor's EEO policy externally by including it in any advertising in the news media, specifically including minority and female news media, and providing written notification to and discussing the contractor's EEO policy with other contractors and subcontractors with whom the contractor does or anticipates doing business.

(9) Direct its recruitment efforts, both oral and written, to minority, female and community organizations, to schools with minority and female students, to minority and female recruitment and training organizations and to State certified minority referral agencies serving the contractor's recruitment area and employment needs. Not later than one month prior to the date for the acceptance of applications for apprenticeship or other training by any recruitment source, the contractor shall send written notification to organizations such as the above, describing the openings, screening procedures, and tests to be used in the selection process.

(10) Encourage present minority and female employees to recruit other minority persons and women and, where reasonable, provide after school, summer and vacation employment to minority and female youth both on the premises and in other areas of a contractor's workforce.

(11) Tests and other selection requirements shall comply with 41 CFR Part 60-3.

(12) Conduct, at least every six months, an inventory and evaluation of all minority and female personnel for promotional opportunities and encourage these employees to seek or to prepare for, through appropriate training, etc., such opportunities.

(13) Ensure that seniority practices, job classifications, work assignments and other personnel practices, do not have a discriminatory effect by continually monitoring all personnel and employment related activities to ensure that the EEO policy and the contractor's obligations hereunder are being carried out.

(14) Ensure that all facilities and company activities are nonsegregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure privacy between the sexes.

(15) Document and maintain a record of all solicitations of offers for subcontracts from minority and female construction contractors and suppliers, including circulation of solicitations to minority and female contractor associations and other business associations.

(16) Conduct a review, at least every six months, of all supervisors' adherence to and performance under the contractor's EEO policies and affirmative action obligations.

(g) The Lessee shall encourage its contractors to participate in voluntary associations which assist in fulfilling one or more of the affirmative action obligations set forth in subparagraphs (1)-(16) of paragraph (f) of this Section. The efforts of a contractor association, joint contractor-union, contractor-community, or other similar group of which the contractor is a member and participant, may be asserted as fulfilling any one or more of its obligations under paragraph (f) hereof provided that: the contractor actively participates in the group, makes every effort to assure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the program are reflected in the contractor's minority and female workforce participation,

7 2 8 2

makes a good faith effort to meet its individual goals and timetables, and can provide access to documentation which demonstrates the effectiveness of actions taken on behalf of the contractor. The requirement for good faith efforts to comply, however, shall remain with the contractor and the Lessee shall provide in its agreements with the contractor that failure of such a group to fulfill an obligation shall not be a defense for the contractor's non-compliance.

(h) Goals for minorities and a separate single goal for women have been established. The Lessee, however, agrees to require its contractors and subcontractors to provide equal employment opportunity and to take affirmative action for all minority groups, both male and female, and all women, both minority and non-minority, and to provide that consequently, the contractor may be in violation of its agreement with the Lessee if a particular group is employed in a substantially disparate manner (for example, even though the contractor has achieved its goals for women generally, the contractor may be in violation if a specific minority group of women is under-utilized).

(i) The Lessee agrees to provide that the contractor shall not use the goals and timetables or affirmative action standards to discriminate against any person because of race, color, religion, sex, or national origin.

(j) The Lessee agrees that it will not enter into any contract with any person or firm debarred from Government contracts pursuant to Executive Order 11246, and agrees to require that its contractors and subcontractors not enter into any subcontract with any such person or firm.

(k) The Lessee agrees to carry out such sanctions and penalties for violation of these provisions including suspension, termination and cancellation of existing contracts and subcontracts as may be required and the Lessee further agrees to require its contractors and subcontractors to agree to carry out such sanctions and penalties for violation of these provisions including suspension, termination and cancellation of existing contracts and subcontracts as may be imposed or ordered by the Lessee.

(l) The Lessee agrees to require its contractors and subcontractors, in fulfilling their obligations to the Lessee, to implement specific affirmative action steps, at least as extensive as those standards prescribed in paragraph (f) hereof so as to achieve maximum results from their efforts to ensure equal employment opportunity. If the contractor fails to comply with such requirements, the Lessee shall proceed accordingly.

(m) The Lessee agrees to require its contractors and subcontractors to designate a responsible official to monitor all employment related activity to ensure that the company EEO policy

is being carried out, to submit reports relating to the contractor's EEO obligations as may be required, and to keep records. Records shall at least include for each employee the name, address, telephone numbers, construction trade, union affiliation if any, employee identification number when assigned, social security number, race, sex, status (e.g. mechanic, apprentice, trainee, helper, or laborer), date of changes in status, hours worked per week in the indicated trade, rate of pay, and location at which the work was performed. Records shall be maintained in an easily understandable and retrievable form; however, to the degree that existing records satisfy this requirement, contractors need not be required to maintain separate records.

(n) Nothing herein provided shall be construed as a limitation upon the application of any laws which establish different standards of compliance or upon the application of requirements for the hiring of local or other area residents (e.g., those under the Public Works Employment Act of 1977 and the Community Development Block Grant Program).

(o) Without limiting any other term or provision of this Agreement, the Lessee agrees and agrees to require its contractors and subcontractors to cooperate with all federal, state, or local agencies established for the purpose of implementing affirmative action compliance programs and the Lessee agrees and agrees to require its contractors and subcontractors to comply with all procedures which may be agreed to by and between PATH and the Lessee.

(p) In addition to and without limiting any of the terms and provisions of this Agreement, the Lessee agrees to provide in its contracts and all subcontracts covering construction work, or any portion thereof, that:

(i) The contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, and shall undertake or continue existing programs of affirmative action to ensure that minority group persons are afforded equal employment opportunity without discrimination. Such programs shall include, but not be limited to, recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, rates of pay or other forms of compensation, and selections for training or retraining, including apprenticeships and on-the-job training;

(ii) At the request of either PATH or the Lessee, the contractor shall request such employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding and which is involved in the performance of the contract with the Lessee to furnish a written statement that such employment

agency, labor union or representative shall not discriminate because of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will cooperate in the implementation of the contractor's obligations hereunder;

(iii) The contractor will state, in all solicitations or advertisements for employees placed by or on behalf of the contractor in the performance of the contract, that all qualified applicants will be afforded equal employment opportunity without discrimination because of race, creed, color, national origin, sex, age, disability or marital status;

(iv) The contractor will include the provisions of subdivisions (i) through (iii) of this paragraph in every subcontract or purchase order in such a manner that such provisions will be binding upon each subcontractor or vendor as to its work in connection with the contract;

(v) "Contractor" as used in subdivisions (i) through (iv) of this paragraph shall include each contractor and subcontractor at any tier of construction.

SUPPLEMENTAL AGREEMENT

THIS AGREEMENT, dated as of the 30th day of December, 1992, by and between **PORT AUTHORITY TRANS-HUDSON CORPORATION** (hereinafter called "PATH") and **HUDSON NEWS COMPANY** (formerly known as Hudson County News Company and hereinafter called the "Lessee");

WITNESSETH, That:

WHEREAS, heretofore and as of the 2nd day of September, 1992, PATH and the Lessee entered into an agreement of lease identified by the above PATH Lease Number (which agreement of lease, as the same may have heretofore been supplemented and amended, is hereinafter called the "Lease") covering premises, in the Borough of Manhattan, City, County and State of New York, on the Mezzanine Level of the PATH World Trade Center Station and on the Platform Level of the PATH 33rd Street Station; and

WHEREAS, PATH and the Lessee desire to add to the premises under the Lease and to amend the same in certain other respects;

NOW, THEREFORE, for and in consideration of the covenants and mutual agreements herein contained, PATH and the Lessee hereby agree as follows:

1. The date "December 31, 1992" appearing in Item 9 of Exhibit B annexed to the Lease shall be deleted and replaced with the date "August 31, 1994". The date "December 1, 1992" appearing in the second line of Section 2 of the Lease shall be deleted and replaced with the date "August 1, 1994" and the date "November 30, 1999" appearing in the fifth and sixth lines of said Section 2 shall be deleted and replaced with the date "July 31, 2001". Lessee hereby acknowledges and agrees that the term of the letting under the Lease shall commence at 12:01 o'clock a.m. on August 1, 1994 and shall, unless sooner terminated or unless extended, expire at 11:59 o'clock p.m. on July 31, 2001.

2. In addition to the premises heretofore let to the Lessee under the Lease, the letting as to which shall continue in full force and effect subject to and in accordance with all the terms, provisions, covenants and conditions of the Lease, as herein amended, PATH hereby lets to the Lessee and the Lessee hereby hires and takes from PATH at the PATH 33rd Street Station the space shown in diagonal hatching on the sketch annexed hereto, hereby made a part hereof and marked "Exhibit A-2" together with the fixtures, improvements and other property, if any, of PATH located or to be located therein or thereon, the said space, fixtures, improvements and other property (all of which is sometimes hereinafter in this Agreement collectively called "Area C") to be and become a part of the premises under the Lease, as herein amended, as of 12:01 o'clock a.m. on October 1, 1997 (said time and date sometimes hereinafter in this Agreement collectively called the "Area C Commencement Date"), let to the Lessee subject to and in accordance with all the terms, provisions, covenants and conditions of the Lease, as herein amended, for and during the remainder of the term of the letting under the Lease, as herein amended, unless sooner terminated. PATH and the Lessee hereby acknowledge that Area C constitutes non-residential real property.

3. The Lessee shall use Area C for storage purposes in connection with the Lessee's operations being conducted elsewhere at the Facility in accordance with Section 3 of the Lease and for no other purpose or purposes whatsoever.

4. PATH shall deliver Area C in its presently existing "as is" condition. The Lessee acknowledges that it has inspected Area C and agrees to take the same in its "as is" condition and PATH shall have no obligation under the Lease, as herein amended, for finishing work or for preparation of Area C for the Lessee's use. The Lessee acknowledges that it has not relied upon any representation or statement of PATH or of its Directors, officers, agents or employees as to the suitability of Area C for the operations permitted thereon by the Lease, as herein amended. Without limiting any obligation of the Lessee to commence operations in Area C at the time and in the manner stated elsewhere in this Agreement, the Lessee agrees that no portion of Area C will be used initially or at any time during the term of the letting thereof which is in a condition unsafe or improper for the conduct of the Lessee's operations therein under the Lease, as herein amended, so that there is possibility of injury or damage to life or property and the Lessee further agrees that before any use of Area C, it will immediately correct any such unsafe or improper condition.

5. The provisions of paragraphs (a), (b), (c), (d) and (e) of Section 14 of the Lease and the provisions of Item 3 of Exhibit B annexed to the Lease shall not apply to Area C. Subject to the provisions of paragraphs (f), (g), (h), (i) and (j) of Section 14 of the Lease, PATH shall, without additional charge, furnish to the Lessee in Area C electricity for illumination only, by which is meant the energizing of fluorescent bulbs (to be supplied and installed by the Lessee) through existing wires, conduits and outlets, if any. Except as provided herein, PATH shall not supply any services or utilities to the Lessee in Area C.

6. (a) In addition to the rental heretofore payable under the Lease, as herein amended, the Lessee shall pay to PATH a basic rental for Area C at the rate of One Thousand Forty-four Dollars and No Cents (\$1,044.00) per annum during the period from October 1, 1997 through September 30, 1999, both dates inclusive, payable in advance in monthly installments each in the amount of Eighty-seven Dollars and No Cents (\$87.00) on October 1, 1997 and on the first day of each and every calendar month thereafter occurring during such period and at the rate of One Thousand One Hundred Thirty-one Dollars and No Cents (\$1,131.00) per annum during the period from October 1, 1999 and continuing to the expiration date of the term of the letting of Area C under this Agreement, both dates inclusive, payable in advance in monthly installments each in the amount of Ninety-four Dollars and Twenty-five Cents (\$94.25) on October 1, 1999 and on the first day of each and every calendar month thereafter occurring during such period.

(b) Payment of the basic rental for Area C set forth in this paragraph shall not affect or diminish the Lessee's obligation to pay the basic and percentage rental for the premises heretofore let to the Lessee under the Lease, as herein amended, nor shall the applicable annual exemption amount as defined therein be changed or affected thereby.

7. (a) Effective from and after October 1, 1997:

(i) For every calendar day or major fraction thereof that the Lessee shall be entitled to abatement with respect to Area C during the period from October 1, 1997 through September 30, 1999, both dates inclusive, the basic rental for Area C established for such period shall be reduced by the product of Two Dollars and Eighty-six Cents (\$2.86) multiplied by a fraction, the numerator of which shall be the number of square feet of floor space as to which the abatement applies and the denominator of which shall be the total number of square feet in Area C; and

(ii) For every calendar day or major fraction thereof that the Lessee shall be entitled to abatement with respect to Area C during the period from October 1, 1999 and continuing through the expiration date of the term of the letting, both dates inclusive, the basic rental for Area C established for such period shall be reduced by the product of Three Dollars and Ten Cents (\$3.10) multiplied by a fraction, the numerator of which shall be the number of square feet of floor space as to which the abatement applies and the denominator of which shall be the total number of square feet in Area C.

(b) For the purpose of abatement with respect to Area C, the ascertainment of the number of square feet contained in Area C shall be measured in accordance with the provisions of subparagraph (3) of paragraph (e) of Item 1 of Exhibit B annexed to the Lease.

8. In addition to all other rights of termination contained in the Lease, as herein amended, including, without limitation, the right of termination provided for in paragraph (a) of Section 44 of the Lease, PATH shall have the right to separately terminate the letting as to Area C at any time, without cause, on thirty (30) days' notice to the Lessee. Such termination shall not relieve the Lessee of any liabilities or obligations which shall have accrued on or prior to the effective date of termination or which shall mature on such date. In the event the term of the letting of the entire premises under the Lease, as herein amended, is terminated pursuant to paragraph (a) of Section 44 of the Lease during the term of the letting of Area C under the Lease, as herein amended, or in the event the term of the letting of Area C under the Lease is separately terminated pursuant to the provisions of this paragraph, the term of the letting of Area C under the Lease shall cease and expire as if the effective date of termination stated in the notice were the date originally stated herein for the expiration of the term of the letting as to Area C under the Lease. The separate termination of the letting as to Area C pursuant to the provisions of this paragraph shall not affect the letting as to the balance of the premises under the Lease and the letting as to the balance of the premises shall continue in full force and effect notwithstanding such termination. PATH shall have no reimbursement obligation with respect to Area C in the event the letting of the entire premises is terminated pursuant to paragraph (a) of Section 44 of the Lease during the term of the letting of Area C under the Lease, as herein amended, or in the event the letting as to Area C is separately terminated pursuant to the provisions of this paragraph. Nothing contained herein shall be deemed to affect PATH's reimbursement obligation pursuant to the provisions of Item 6 of Exhibit B annexed to the Lease with respect to fixtures, equipment, improvements and other property installed in the balance of the premises under the Lease in accordance with the terms of that agreement.

9. The Lessee represents and warrants that no broker has been concerned in the negotiation or execution of this Agreement or the letting of Area C and that there is no broker who is or may be entitled to be paid a commission in connection therewith. The Lessee shall indemnify and save harmless PATH of and from any and all claims for commission or brokerage made by any and all persons, firms or corporations whatsoever for services in connection with the negotiation and execution of this Agreement or the letting of Area C.

10. Neither the Directors of PATH, nor any of them, nor any officer, agent or employee thereof, shall be charged personally by the Lessee with any liability, or held liable to it under any term or provision of this Agreement, or because of its execution or attempted execution or because of any breach thereof.

11. As hereby amended, all the terms, covenants, provisions, conditions and agreements of the Lease shall be and remain in full force and effect.

12. This Agreement and the Lease which it amends and supplements constitute the entire agreement between PATH and the Lessee on the subject matter and may not be changed, modified, discharged or extended except by instrument in writing duly executed on behalf of both PATH and the Lessee. The Lessee agrees that no representations or warranties shall be binding upon PATH unless expressed in writing in the Lease or this Agreement.

IN WITNESS WHEREOF, PATH and the Lessee have executed these presents as of the date first above written.

THIS AGREEMENT, made as of November 22, 2003, by and between **PORT AUTHORITY TRANS-HUDSON CORPORATION** (hereinafter called "PATH"), a corporation organized and existing under the laws of the States of New York and New Jersey, and having an office at One PATH Plaza in the City of Jersey City, County of Hudson, State of New Jersey, and **AIRPORT MANAGEMENT SERVICES, LLC, d/b/a HUDSON NEWS**, a limited liability company formed and existing under the laws of the State of New Jersey having an office and place of business at One Meadowlands Plaza, Suite 902, East Rutherford, New Jersey 07073 (hereinafter called the "Lessee") whose representative is Joseph DiDomizio,

WITNESSETH That:

PATH and the Lessee, for and in consideration of the rents, covenants and agreements hereinafter contained, mutually covenant and agree as follows:

Section 1. Letting

PATH hereby lets to the Lessee and the Lessee hereby hires and takes from PATH, in the City, County and State of New York at the temporary PATH Station constructed at the site of the World Trade Center: (a) the spaces shown in diagonal hatching, and the area enclosed on three sides within the said spaces, shown on the sketch annexed hereto, hereby made a part hereof and marked "Exhibit A," together with the fixtures, improvements and other property of PATH located or to be located therein or thereon, the said spaces and the said area enclosed within such spaces shown on Exhibit A, together with such fixtures, improvements and other property of PATH, being sometimes hereinafter referred to as the "Retail Space;" and (b) the space shown on Exhibit A-1 labeled "Hudson News Storage," together with the fixtures, improvements and other property of PATH located or to be located therein or thereon, the said space, together with such fixtures, improvements and other property of PATH being hereinafter sometimes referred to as the "Storage Space;" and the Retail Space and the Storage Space being sometimes hereinafter jointly referred to as the "premises". The Lessee hereby acknowledges with respect to the Storage Space that from time-to-time during the letting under this Agreement as PATH may determine in its sole discretion, including but not limited to the period immediately following the date defined as the "Commencement Date" in Section 2, below, in lieu of the space shown on Exhibit A-1, the Storage Space may consist of a storage container ("Conex box") of approximately the same size and capacity as the space shown on Exhibit A-1. PATH and the Lessee hereby acknowledge that the aforesaid premises constitute non-residential real property.

Section 2. Term

The term of the letting of the premises under this Agreement shall commence at 12:01 o'clock A.M. on November 23, 2003 (which date is sometimes hereinafter referred to as the "Commencement Date") and shall, unless sooner terminated or unless extended, expire at 11:59 o'clock P.M. on November 30, 2006.

Section 3. Rights of User by the Lessee

The Lessee shall use the Retail Space for the following purposes only and for no other purpose whatsoever: for the construction and operation of a newsstand for the sale, at retail, of products only in the following categories: newspapers, magazines and books, packaged food items, tobacco products, convenience items, lottery tickets issued by the Lottery Division of the New York State Department of Taxation and Finance, and mass transit travel tickets, such as PATH QuickCards. Sales inconsistent with the unique nature and significance of the World Trade Center site as the location of the events of September 11, 2001 will not be among those permitted by this Agreement, including but not limited to sales of souvenirs, toys and other materials whose sales are inconsistent with the unique nature and significance of the site. The Lessee shall use the Storage Space solely for storage purposes in connection with its permitted business activities in the Retail Space and for no other purpose or purposes whatsoever.

Section 4. Rental

(a) The Lessee agrees to pay to PATH a basic rental for the premises at the rate as set forth in Item 1 of Exhibit B attached hereto and hereby made a part hereof.

(b) The Lessee agrees to pay to PATH the percentage rental, if any, set forth in Item 1 of Exhibit B.

(c) The time for making payments of rental and the method of computation and abatement thereof are set forth in Item 1 of Exhibit B.

Section 5. Obligations in Connection with Any Percentage Rental

If any rental hereunder is measured by a percentage of the Lessee's gross receipts, the Lessee shall:

(a) Take all reasonable measures in every proper manner to maintain, develop and increase the business conducted by it hereunder;

(b) Not divert or cause or allow to be diverted any business from the premises;

(c) Maintain in accordance with accepted accounting practice during the letting and for one year thereafter and for such further period until the Lessee shall receive written permission from PATH to do otherwise, records and books of account recording all transactions at, through, or in anywise connected with the premises, which records and books of account shall be kept at all times within the Port of New York District and permit, in ordinary business hours during such time, the examination and audit by the officers, employees and representatives of PATH of such records and books of account and also any records and books of account of any company which is owned or controlled by the Lessee, if said company performs services, similar to those performed hereunder by the Lessee, anywhere in the Port of New York District;

(d) Permit in ordinary business hours the inspection by the officers, employees and representatives of PATH of any equipment used by the Lessee, including but not limited to cash registers and recording tapes;

(e) Furnish on or before the twentieth day of each month following the commencement date of the letting a sworn statement of gross receipts arising out of the operations of the Lessee hereunder for the preceding month;

(f) Install and use such cash registers, sales slips, invoicing machines and any other equipment or devices for recording orders taken or services rendered as may be appropriate to the Lessee's business and necessary or desirable to keep accurate records of gross receipts.

Section 6. Governmental Requirements

(a) The Lessee shall procure from all governmental authorities having jurisdiction over the operations of the Lessee at the premises all licenses, certificates, permits or other authorization which may be necessary for the conduct of its operations.

(b) The Lessee shall pay all taxes, license, certification, permit and examination fees and excises which may be assessed, levied, exacted or imposed on its property or operation hereunder or, on the gross receipts or income therefrom, and shall make all applications, reports and returns required in connection therewith.

(c) The Lessee shall promptly observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions which may pertain or apply to the operations of the Lessee on the premises or its occupancy thereof, and the Lessee shall, in accordance with and subject to the provisions of Section 15 hereof, make any and all structural and nonstructural improvements, alterations or repairs of the premises that may be required at any time hereafter by any such present or future law, rule, regulation, requirement, order or direction.

(d) The obligation of the Lessee to comply with governmental requirements is provided herein for the purpose of assuring proper safeguards for the protection of persons and property on the premises and a proper operation by the Lessee. Such provision is not to be construed as a submission by PATH to the application to itself of such requirements or any of them.

Section 7. Rules and Regulations

The Lessee covenants and agrees to observe and obey (and to compel its officers, members, employees, agents, representatives, contractors, customers, guests, invitees and those doing business with it to observe and obey) present and future rules and regulations of PATH for the Facility or building.

Section 8. Various Obligations of the Lessee

(a) The Lessee shall conduct its operations in an orderly and proper manner and so as not to annoy, disturb or be offensive to others. The Lessee shall take all reasonable measures to eliminate vibrations tending to damage the premises and to keep the sound level of its operations as low as possible.

(b) The Lessee shall control the conduct, demeanor and appearance of its officers, members, employees, agents, representatives, contractors, customers, guests, invitees and those doing business with it, and upon objection from PATH concerning the conduct, demeanor or appearance of any such shall immediately take all steps necessary to remove the cause of the objection.

(c) No garbage, debris or other waste materials (whether solid or liquid) shall be allowed to collect or accumulate in the premises and the Lessee shall remove from the premises and from the building and Facility, which the premises may be a part, all garbage, debris and other waste materials (whether solid or liquid) arising out of its occupancy or use of the premises. The Lessee shall use extreme care when effecting removal of all such waste and in no event shall use any facilities of PATH without its prior consent in writing and shall effect such removal only during such hours as are prescribed by PATH.

(d) If the premises have an entrance or exit opening out on a sidewalk the Lessee shall keep all sidewalks and curbs adjacent to the premises and all exclusive lobbies, vestibules and steps free from snow, ice, dirt and rubbish.

(e) If PATH deems it advisable for security reasons the Lessee shall provide and its employees shall wear or carry badges or other suitable means of identification which shall be subject to the prior written approval of PATH.

(f) If the Lessee is permitted under this Agreement to sell food and/or beverages, it shall, in connection with any preparation, packaging, handling, storage, delivery and dispensing of such food and/or beverages, comply with the following:

(1) Its employees shall wear clean, washable uniforms and female employees shall wear caps or nets. The employees shall be clean in their habits and shall thoroughly wash their hands before beginning work and immediately after each visit to the toilet and shall keep them clean during the entire work period. No person affected with any disease in a communicable form or who is a carrier of such disease shall work or be permitted to work for the Lessee.

(2) All food and beverages shall be clean, fresh, pure, of first class quality and safe for human consumption.

(3) The premises and all equipment and materials used by the Lessee shall at all times be clean, sanitary, and free from rubbish, refuse, dirt, offensive or unclean material, flies and other insects, rodents and vermin. All apparatus, utensils, devices, machines and piping used by the Lessee shall be constructed so as to facilitate the cleaning and inspection thereof and shall be properly cleaned after each period of use (which shall at no time exceed eight hours) with hot water and a suitable soap or detergent and shall be rinsed by flushing with hot water. Where deemed necessary by PATH, final treatment by live steam under pressure or other sterilizing procedure shall be used. All trays, dishes, crockery, glassware, cutlery, and other equipment of such type shall be cleaned and sterilized immediately before using same.

(4) All packing materials, including but not limited to wrappers, stoppers, caps, enclosures and containers, shall be clean and sterile and shall be so stored as to be protected from dust, dirt, flies and other insects, rodents, vermin, unsanitary handling and unclean materials.

(5) It is intended that the standards and obligations imposed by this subdivision (f) shall be maintained or complied with by the Lessee in addition to its compliance with all applicable governmental laws, ordinances and regulations, and in the event that any of said laws, ordinances and regulations shall be more stringent than such standards and obligations, the Lessee agrees that it will comply with such laws, ordinances and regulations in its operations hereunder.

(g) In the event that all or any portion of the premises is required by PATH to comply with any present or future governmental law, rule, regulation, requirements, order or direction, PATH shall give the Lessee notice that all or any such portion of the premises is so required, and the Lessee shall deliver all or any such portion of the premises so required on the date specified in such notice, and, if the Lessee does not so deliver, PATH may take the same. No such taking or delivery shall be or be construed to be an eviction of the Lessee or a breach of any present or future governmental law, rule, regulation, requirements, order or direction, PATH shall give the Lessee notice that all or

any such portion of the premises is so required and the Lessee shall deliver all or any such portion of the premises so required on the date specified in such notice and if the Lessee does not so deliver, PATH may take the same. In the event that the Lessee has received a notice hereunder it shall deliver all or any such portion of the premises so required in the same condition as that required hereunder for the delivery of the premises on the cessation of the letting. In the event of the taking or delivery of all the premises, this Agreement and the letting hereunder shall on the day of such taking or delivery cease and expire as if that day were the date originally stated herein for the expiration of this Agreement; and, in the event of the taking or delivery of any portion of the premises, then, from and after such taking or delivery, such portion of the premises shall cease to be a part of the premises hereunder. There shall be an abatement of the rental in the event of any such taking or delivery of a portion of the premises if so provided in Item 1 of Exhibit B.

Section 9. Prohibited Acts

The Lessee shall not: (a) commit any nuisance on the premises, or do or permit to be done anything which may result in the creation or commission of a nuisance on the premises; (b) cause or produce or permit to be caused or produced upon the premises, or to emanate therefrom, any unusual, noxious or objectionable smokes, gases, vapors, or odors; (c) use the premises for lodgings or sleeping purposes or for any immoral purposes; (d) install window shades or venetian blinds on the windows of the premises unless and until the type, size and color of the same shall have been previously approved in writing by PATH; (e) obstruct or permit the obstruction of light, air or passage in the building or Facility of which the premises may be a part; (f) do or permit to be done anything which may interfere with the effectiveness or accessibility of existing and future utilities systems or portions thereof on the premises, including therein, without limitation thereto, systems for the supply of heat, water hot and cold, gas, electricity and fuel and for the furnishing of fire-alarm, fire-protection, sprinkler, sewerage, drainage, air-conditioning, telephone, telegraph, tele-register, pneumatic-tube dispatch and intercommunications services, including lines, pipes, mains, wires, conduits and equipment connected with or appurtenant to all such systems, nor do or permit to be done anything which may interfere with free access and passage in the premises, or in the building or Facility of which the premises may be a part, or in the streets and sidewalks adjacent thereto; (g) do or permit to be done anything which may interfere with the effectiveness or accessibility of any elevators or escalators, including lines, pipes, wires, conduits and equipment connected with or appurtenant thereto; (h) overload any floor in the premises; (i) place any furniture, machine or equipment over any expansion or contraction joint unless one end of such furniture, machine or equipment is free to permit expansion or contraction; (j) place any additional lock of any kind upon any window or interior or exterior door in the premises unless a key therefor is delivered to PATH, nor make any change in any existing door or window lock or the mechanism thereof, except with the prior written approval of PATH, and upon the expiration or sooner termination of the letting hereof, the Lessee shall surrender to PATH any and all keys to interior and exterior doors on the premises, whether said keys were furnished to or were otherwise procured by the Lessee, and in the event of

the loss of any keys furnished by PATH to the Lessee, the Lessee shall pay to PATH on demand the cost of replacement thereof; (k) do or permit to be done any act or thing upon the premises which will invalidate or conflict with any insurance policies covering the premises or any part thereof or covering the building or Facility of which the premises may be a part, or which, in the opinion of PATH, may constitute an extra hazardous condition so as to increase the risks normally attendant upon the operations contemplated by Section 3 hereof, and the Lessee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the New York Board of Fire Underwriters, the New York Fire Insurance Exchange, or if the premises are located in New Jersey of the National Board of Fire Underwriters, the Fire Insurance Rating Organization of N.J., or of any other board or organization exercising or which may exercise similar functions that may pertain or apply to the operations of the Lessee on the premises, and the Lessee shall subject to and in accordance with the provisions of Section 15 hereof, make any and all nonstructural improvements, alterations or repairs of the premises that may be required at any time hereafter by any such present or future rule, regulation, requirement, order or direction, and if by reason of any failure on the part of the Lessee to comply with the provisions of this subdivision, any insurance rate on the premises or any part thereof, or on the building or Facility of which the premises may be a part, shall at any time be higher than it otherwise would be, then the Lessee shall pay to PATH on demand that part of all insurance premiums paid by PATH which shall have been charged because of such violation or failure by the Lessee; (l) unless otherwise expressly permitted so to do elsewhere in this Agreement, install, maintain or operate, or permit the installation, maintenance or operation on the premises of any vending machine or device designed to dispense or sell food, beverages, tobacco products or merchandise of any kind, whether or not included in the above categories, or of any restaurant, cafeteria, kitchen, stand or other establishment of any type for the preparation, dispensing or sale of food, beverages, tobacco or tobacco products, or of any telephone paystations.

Section 10. Maintenance and Repair

(a) The Lessee shall at all times keep in a clean and orderly condition and appearance the premises and all the Lessee's fixtures, equipment and personal property.

(b) The Lessee shall repair, replace, rebuild and paint all or any part of the premises, or of the building or Facility of which the premises may be a part, including therein, without limitation thereto, walls, partitions, floors, ceilings, columns, windows, doors, glass of every kind, fixtures, systems for the supply of heat, water hot and cold, gas, electricity and fuel and for the furnishing of fire-alarm, fire-protection, sprinkler, sewerage, drainage, air-conditioning, telephone, tele-register, pneumatic-tube dispatch and inter communication services, including lines, pipes, mains, wires, conduits and equipment connected with or appurtenant to all such systems that may be damaged or destroyed by the acts or omissions of the Lessee, its officers, members, employees, agents, representatives, contractors, customers, guests, Invitees or other persons doing business with it.

(c) The Lessee shall take good care of the premises, including therein, without limitation thereto, walls, partitions, floors, ceilings, columns, windows, doors, glass of every kind fixtures, and shall make or do all nonstructural repairs, replacements, rebuilding and painting necessary to keep the premises in the condition existing as of the commencement date of the letting and to keep all improvements and fixtures made or installed subsequent to the commencement date of the letting in the condition existing as of the date such improvements are made and such fixtures installed.

(d) The Lessee shall not lay any linoleum, asphalt tile or other such affixed floor covering in direct contact with the floor of the premises. If the Lessee lays any linoleum, asphalt tile or other such affixed covering on the floor of the premises, an interlining of builder's deadening felt shall first be affixed to the floor with water-soluble paste or other water-soluble material, the use of cement or other adhesive non-soluble in water being expressly prohibited.

(e) The Lessee shall maintain and pay the premiums on a policy of plate and mirror glass insurance covering all plate and mirror glass which is a part of or is located on or in the premises and shall replace any of such plate or mirror glass which in damaged or destroyed from any cause whatsoever.

(f) In the event that as a result of any casualty, the premises are damaged without the fault of the Lessee, its officers, members, employees, agents, representatives, contractors, customers, guests, invitees or other persons doing business with it, so as to render them untenable in whole or part, then

(1) If in the opinion of PATH the necessary repairs or rebuilding can be completed within ninety (90) days after the occurrence of the damage, PATH shall repair or rebuild with due diligence, and the rental hereunder shall, if so provided in item 1 of Exhibit B, be abated only for the period from the occurrence of the damage to the completion of the repairs or rebuilding, whether or not the work of repair or rebuilding is actually completed within the said ninety (90) days; or

(2) If in the opinion of PATH such repairs or rebuilding cannot be completed within ninety (90) days after the occurrence of the damage or if the entire premises require rebuilding, then PATH shall have options: (i) to proceed with due diligence to repair or to rebuild as necessary; or (ii) to terminate the letting as to the damaged portion of the premises only, or (iii) to cancel this Agreement and terminate the letting as to the entire premises; and the rental hereunder shall, if so provided in Item 1 of Exhibit B, be abated, either, as the case may require, for the period from the occurrence of the damage to the completion of repairs and rebuilding or for the period from the occurrence of the damage to the effective date of termination.

(g) The parties hereby stipulate that if the premises are in the State of New Jersey neither the provisions of Titles 46:8-6 and 46:8-7 of the Revised Statutes of New Jersey nor those of any other similar statute shall extend or apply to this Agreement, and if

the premises are in the State of New York, neither the provisions of Section 227 of the Real Property Law of New York, nor those of any other similar statute shall extend or apply to this Agreement.

(h) In the event of a partial or total destruction of the premises, the Lessee shall immediately remove any and all of its property and/or debris from the premises or the portion thereof destroyed, and if the Lessee does not promptly so remove, PATH may remove such property to a public warehouse for deposit or retain the same in its own possession and sell the same at public auction, the proceeds of which shall be applied first to the expenses of removal, storage and sale, second to any sums owed by the Lessee to PATH, with any balance remaining to be paid to the Lessee; if the expenses of such removal, storage and sale shall exceed the proceeds of sale, the Lessee shall pay such excess to PATH upon demand.

Section 11. Indemnity; Liability Insurance

(a) The Lessee shall indemnify and hold harmless PATH, its Directors, officers, agents, representatives and employees from all claims and demands of third persons, including but not limited to those due to death or personal injuries or for property damage arising wholly or partially out of the use or occupancy of the premises by the Lessee or out of any of the acts or omissions of the Lessee, its officers, members, employees, agents, representatives, contractors, customers, guests, invitees, and other persons doing business with it where such acts or omissions are on the premises or, if the premises are a part of a Facility or of a building, out of any acts or omissions of the Lessee, its officers, members, employees, agents and representatives, where such acts or omissions are elsewhere in the Facility or the building. Such indemnification shall include all expenses incurred or assumed in connection with such claims and demands.

(b) In addition to the obligations set forth in the above subdivision, the Lessee in its own name as assured shall maintain and pay the premiums on a policy or policies of comprehensive public liability insurance, including products liability, which shall cover its operations hereunder and shall be effective throughout the letting, in limits not lower than those set out in Item 2 of Exhibit B.

(c) PATH shall not be named as an insured in any policy of liability insurance required by this Section, unless PATH shall, at any time during the letting, direct otherwise in writing, in which case the Lessee shall cause PATH to be so named. As to any insurance required by the provisions of this or any other Section of this Agreement, a certified copy of each of the policies or a certificate or certificates evidencing the existence thereof or binders, shall be delivered to PATH within ten (10) days after the execution of this Agreement or, in the case of insurance required under the provisions of Section 15, prior to the commencement of the work. In the event any binder is delivered, it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate. Each such copy or certificate shall contain endorsements that the policy may not be cancelled, terminated, changed or modified without giving ten (10) days' written advance notice

thereof to PATH. A renewal policy shall be delivered to the Port Authority at least fifteen (15) days prior to the expiration date of each expiring policy, except for any policy expiring after the date of the expiration of the letting. If at any time any of the policies shall be or become unsatisfactory to PATH as to form or substance or if any of the carriers issuing such policies shall be or become unsatisfactory to PATH, the Lessee shall promptly obtain a new and satisfactory policy in replacement.

Section 12. Sales and Services by the Lessee

(a) A principal purpose of PATH in entering into this Agreement is to have available for all members of the public the merchandise and/or services which the Lessee is permitted to sell and/or render hereunder, all for the better accommodation, convenience and welfare of such individuals and in fulfillment of PATH's obligation to operate facilities for the use and benefit of the public, and the Lessee agrees that it will conduct a first class operation and will furnish and install all necessary or proper equipment, fixtures, improvements (subject to Section 15) personnel, supplies, materials and other facilities and replacements therefor and all such fixtures and improvements (except trade fixtures removable without injury to the premises) shall on installation become the property of PATH and a part of the premises, *provided, however*, that PATH shall have the option, exercisable by notice delivered to the Lessee on or before a date sixty (60) days after expiration or termination hereof, to require the Lessee to remove any or all such fixtures, equipment and improvements and to restore the premises to the condition thereof prior to any installation and in the event of a failure on the part of the Lessee so to remove and restore, PATH may do so, and the Lessee shall pay the cost thereof to PATH on demand. All equipment, fixtures and improvements to be used in the premises and the installation thereof shall be subject to the prior written approval of PATH as to type and quality. PATH may by written authorization allow the Lessee to enter and occupy the premises prior to the commencement date of the letting stated or referred to in Section 2, solely for the purpose of installing fixtures and making improvements. In the event that the Lessee receives such written authorization the Lessee shall use and occupy the premises in accordance with and subject to all the provisions of this Agreement other than those relating to the conducting of a business and the payment of rental.

(b) The Lessee shall furnish good, prompt and efficient service hereunder, adequate to meet all demands therefor; shall furnish said service on a fair, equal and non-discriminatory basis to all users thereof; and shall charge fair, reasonable and non-discriminatory prices for all items and/or services which it is permitted to sell and/or render hereunder.

(c) The Lessee shall, prior to selling any items or rendering any services hereunder, prepare schedules of prices and rates for said items and services. Such schedules shall be submitted to PATH for its prior written approval as to compliance by the Lessee with its obligations under this Agreement. PATH shall examine such schedules and make such modifications therein as may be necessary. Any changes thereafter in the

schedules shall be similarly submitted to PATH for its prior written approval and, if necessary, modification. All such schedules shall be made available to the public by the Lessee at locations designated from time to time by PATH. The Lessee agrees to adhere to the prices and rates stated in the approved schedules. If the Lessee charges any price or applies any rate in excess of the approved prices or rates, the amount by which the actual price or the charge based on such actual rate deviates from the approved price or a charge based on the approved rates shall constitute an overcharge which will, upon demand of PATH or the Lessee's customer, be promptly refunded to the customer. If the Lessee charges any price or applies any rate which is less than the approved prices or rates, the amount by which the actual price or the charge based on such actual rate deviates from the approved price or a charge based on the approved rates shall constitute an undercharge and an amount equivalent thereto shall be included in any gross receipts hereunder and the percentage rental, if any, shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Lessee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Lessee's obligations hereunder and PATH shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Agreement.

(d) In the event that the Lessee in its operations hereunder offers for sale such a variety of items that the submission of schedules, under the preceding subdivision of this Section, is not feasible in the opinion of PATH, then the Lessee shall be under no obligation to submit such schedules of prices, but the Lessee shall not then sell any items hereunder at a price other than the manufacturer's or distributor's recommended retail price, *provided, however* that if the price charged for the same item at any other establishment within the Port of New York District which has any ownership, financial or management connection with the Lessee or any majority stockholder thereof is lower than the manufacturer's or distributor's recommended retail price, the Lessee shall notify PATH in writing of that fact and shall charge only the lower price. If the Lessee wishes to charge a price different from the manufacturer's or distributor's recommended retail price or different from the lower price at any other establishment, as the case may be, then the Lessee shall prepare and submit to PATH schedules therefor in the same manner and subject to the same conditions as set forth in the preceding subdivision of this Section. Every overcharge or undercharge resulting from a breach by the Lessee of its obligation under this subdivision shall be respectively refunded to the customer or included in gross receipts, all in the same manner and subject to the conditions as set forth in the preceding subdivision of this Section for overcharges or undercharges.

(e) The Lessee shall be open for and conduct business and furnish services twenty four hours a day, seven days a week, or for such other hours and days as PATH, from time to time by notice to the Lessee, may determine to properly serve the needs of the public. The determination of proper business hours and days made by PATH shall be controlling.

Section 13. Displays

(a) Except with the prior approval of PATH, the Lessee shall not erect, maintain or display any sign, lettering or any advertising at or on the exterior part of the premises or in the premises so as to be visible through the windows or exterior doors thereof. Without limiting the effect of the above, it is agreed that all signs, lettering, advertising, decorating and displays of merchandise or services anywhere in or on the premises shall be subject to the continuing approval of PATH, and on direction of PATH at any time given, the exhibition thereof shall be immediately discontinued. PATH may in its discretion in any way change the appearance, design or size of any show window, exterior door or other display area which is a part of the premises.

(b) Upon the expiration or termination of the letting, the Lessee shall remove, obliterate or paint out, as PATH may direct, any and all signs, lettering, advertising, decorating and displays on the premises, or elsewhere in the building or Facility of which the premises may be a part, and in connection therewith shall restore the premises or building or Facility to the saw condition as prior to the placement thereof. In the event that there is a failure by the Lessee so to remove, obliterate or paint out and so to restore, PATH may, at its option, perform the necessary work at the expense of the Lessee, and the charge therefor shall be paid by the Lessee to PATH on demand.

(c) The exercise of any right hereunder by PATH shall not be or be construed to be an eviction of the Lessee, nor grounds for any diminution or abatement of the rentals payable hereunder, nor constitute grounds for any claim by the Lessee for damages, consequential or otherwise, unless due to the negligence of PATH, its employees or agents.

Section 14. Services

(a) Unless otherwise stated in Item 3 of Exhibit B, PATH shall, without additional charge, heat the premises to an even and comfortable working temperature during the hours and days stated in said Item 3.

(b) PATH shall also, without additional charge, furnish non-exclusive toilet and washroom facilities for the employees of the Lessee if toilet and washroom facilities are not a part of the premises.

(c) PATH agrees to sell, furnish and supply to the Lessee in the premises, and the Lessee agrees to take and pay PATH for the following:

(1) Unless otherwise stated in Item 3 of Exhibit B, electricity, in reasonable quantities, for illumination (all bulbs to be supplied and installed by the Lessee) and power; said electricity unless otherwise specified in said Item 3 to be 60 cycle, alternating current, single phase, at 110 volts, and to be paid for by the Lessee at the rates specified in said Item 3.

(2) Unless otherwise stated In Item 3 of Exhibit B, cold water, in reasonable quantity, of the character furnished by the municipality or utility company supplying in the vicinity and to be paid for by the Lessee at the rates specified in said Item 3.

(3) Unless otherwise stated in Item 3 of Exhibit B, hot water, in reasonable quantities, at the temperature stated in said Item 3 and to be paid for by the Lessee at the rates specified in said Item 3.

(4) Unless otherwise stated in Item 3 of Exhibit B, steam, in reasonable quantities, of the character specified in said Item 3 and to be paid for by the Lessee at the rates specified in said Item 3.

(5) Unless otherwise stated in Item 3 of Exhibit B, air-conditioning sufficient to maintain the premises to the temperature stated in said Item 3 during the hours and days stated in said Item 3 and to be paid for by the Lessee at the rates specified in said Item 3.

(d) The above utilities may be charged for at a flat rate as provided in Item 3 of Exhibit B or at a metered rate as provided in Item 3 of Exhibit B. In the latter event, the quantity thereof shall be measured by a meter or meters installed for that purpose; *provided, however,* that, if for any reason any meter fails to record the consumption thereof, the consumption during any such period that the meter is out of service will be considered to be the same as the consumption for a like period immediately before or immediately after the interruption, as selected by PATH.

(e) Charges by PATH for the above services shall be paid for by the Lessee on demand; and, unless otherwise specified in Item 3 of Exhibit B, the services shall be supplied through existing wires, fixtures, conduits, outlets, pipes or vents, if any.

(f) If any federal, state, municipal or other governmental body, authority or agency or any public utility assesses, levies, imposes, makes or increases any charge, fee or rent on PATH for any service, system or utility now or in the future applied to or available to the premises or to any occupants or users thereof or to the structure or building of which the premises form a part (including but not limited to any sewer rent or charge for the use of sewer systems), the Lessee shall, at the option of PATH exercised at any time and from time to time by notice to the Lessee, pay, in accordance with said notice, such charge, fee or rent or increase thereof (or the portion thereof allocated by PATH to the premises or the Lessee's operations hereunder) either directly to the governmental body, authority or agency or to the public utility or directly to PATH.

(g) Notwithstanding that PATH may have agreed to supply a service hereunder to the Lessee where such service is to be metered, PATH shall be under no obligation to provide or continue any such service if PATH is prevented by law from submetering such service or has agreed with the supplier of such service not to submeter such service.

(h) PATH shall have the right to temporarily discontinue the supply of any of the above services when necessary or desirable in the opinion of PATH in order to make any repairs, alterations, changes or improvements in the premises or elsewhere in the building of which the premises form a part including all systems for the supply of services.

(i) Notwithstanding that PATH may have agreed to supply a service hereunder to the Lessee, PATH shall be under no obligation to supply any such service if and to the extent that the supplying of such service, and, during any period that the supplying of any such service or the use of any component necessary therefor, shall be prohibited or rationed by any federal, state or municipal law, rule, regulation, requirement, order or direction and if PATH deems it in the public interest to comply therewith, even though such law, rule, regulation, requirement, order or direction may not be mandatory on PATH. If by operation of this subdivision or the previous subdivision any service for which the Lessee has agreed to pay a flat sum is discontinued for any period of the letting, the Lessee shall be relieved of its obligation to pay for such service for any such period or if any such service is supplied during fewer hours or in lesser amounts than agreed during any period of the letting, the Lessee shall be relieved proportionately of its obligation to pay for any such service for any such period.

(j) No failure, delay or interruption in any of the above services shall be or shall be construed to be an eviction of the Lessee, shall be grounds for any diminution or abatement of the rentals payable hereunder, or shall constitute grounds for any claim by the Lessee for damages, consequential or otherwise, unless due to the negligence of PATH, its employees or agents. The Lessee shall not be entitled to receive any of the above services during any period during which the Lessee wastes any of the services or is in default under any of the provisions of this Agreement.

Section 15. Construction by the Lessee

(a) Except with the prior approval of PATH, the Lessee shall not erect any structures, make any improvements or do any other construction work on the premises, or alter, modify, or make additions, improvements, or repairs to or replacements of any structure now existing or built at any time during the letting, or install any fixtures (other than trade fixtures, removable without injury to the premises) and in the event any construction, improvement alteration, modification, addition, repair or replacement is made with or without such approval and unless the approval of PATH shall expressly provide otherwise, the same shall immediately become the property of PATH and the Lessee shall have no right to change the same or remove the same either during the term or at the expiration or termination thereof unless PATH, at any time during the letting or within sixty (60) days' after the expiration date or effective date of termination of the letting, shall give notice to the Lessee to remove the same or cause the same be changed to the satisfaction of PATH, in which case the Lessee shall remove the same or change it in compliance with such notice.

(b) In the event that Item 4 of Exhibit B provides that the Lessee is required (or is permitted) to build a structure or make repairs, alterations, improvements or additions to the premises, the structure, repairs, alterations, improvements or additions described in the said Item 4 shall be built or made strictly in accordance with the following terms and conditions:

(1) The Lessee shall, to the extent allowed under the law, be the insurer of PATH, its Directors, officers, agents and employees, against the following distinct and several risks, whether they arise from acts or omissions of the Lessee, of PATH, its Directors, officers, agents, representatives and employees or of third persons, or from acts of God or of the public enemy, or otherwise, excepting only risks which result solely from affirmative, willful acts done by PATH subsequent to the commencement of the work of construction, repair, alteration, improvement or addition:

(i) The risk of loss or damage to all such required repairs, alterations, additions, improvements or structures prior to the completion thereof. In the event of such loss or damage, the Lessee shall forthwith repair, replace and make good the work without cost to PATH.

(ii) The risk of death, injury or damage, direct or consequential to PATH, its Directors, officers, agents, representatives and employees, and to its or their property, arising out of or in connection with the performance of the work. The Lessee shall indemnify PATH, its Directors, officers, agents, representatives and employees, for all such deaths, injuries and damages, and for all losses suffered by reason thereof.

(iii) The risk of claims and demands, just or unjust, by third persons against PATH, its Directors, officers, agents, representatives and employees arising or alleged to arise out of the performance of the work. The Lessee shall indemnify PATH, its Directors, officers, agents, representatives and employees, against and from all such claims and demands, and for all loss and expense incurred by it and by them in the defense, settlement or satisfaction thereof.

(2) All construction work done pursuant to this Section shall be done in accordance with drawings and specifications to be submitted to and approved by the Chief Engineer of PATH prior to the commencement of the work, shall be done to his satisfaction and shall be subject to his inspection during the progress of such work and after completion thereof; and the Lessee shall redo or replace at its own expense any work not approved by the said Chief Engineer. Unless otherwise expressly provided herein, all workmanship and materials are required to be first class.

(3) The Lessee shall pay all claims lawfully made against it by its contractors, subcontractors, materialmen and workmen and all claims lawfully made against it by other third persons arising out of or in connection with or because of the performance of the work and shall cause its contractors and subcontractors to pay all such claims lawfully made against them.

(4) The Lessee shall procure and maintain comprehensive public liability insurance, or, if the work is to be done by an independent contractor, the Lessee shall require such contractor to procure and maintain such insurance in the name of the contractor, in either case, in limits not lower than those set forth for such categories of insurance in Item 5 of Exhibit B.

(5) As soon as such structure, repair, alteration, improvement or addition shall have been completed to the satisfaction of the Chief Engineer of PATH, then (subject to the provisions of the following subdivision (c)) title thereto shall immediately and without execution of any further instrument vest in PATH, and every said structure and all such repairs, alterations, improvements or additions, shall thereupon become and thereafter be part of the premises.

(c) PATH shall have the option, exercisable by notice delivered on or before a date sixty (60) days after expiration, cancellation or termination hereof, to require the Lessee to remove any or all such structures, alterations, improvements or additions, and to restore the premises to the condition thereof prior to the construction or installation thereof. In the event of a failure on the part of the Lessee so to remove and restore, PATH may do so, and the Lessee shall pay the cost thereof to PATH on demand.

Section 16. Injury and Damage to Person or Property

PATH shall not be liable to the Lessee, or to any person, for injury or death to any person or persons whomsoever, or damage to any property whatsoever at any time in the premises or elsewhere in the building or Facility of which the premises may be a part, including but not limited to any such injury, death or damage from falling material, water, rain, hail, snow, gas, steam, and/or electricity, whether the same may leak into, or fall, issue, or flow from the premises, or from any other place or quarter, unless said damage, injury or death shall be due to the negligence of PATH, its employees or agents.

Section 17. Additional Rent and Charges

(a) If PATH has paid any sum or sums or has incurred any obligations or expense which the Lessee has agreed to pay or reimburse PATH for, or if PATH is required or elects to pay any sum or sums or incurs any obligations or expense by reason of the failure, neglect or refusal of the Lessee to perform or fulfill any one or more of the conditions, covenants or agreements contained in this Agreement or as a result of an act or omission of the Lessee contrary to the said conditions, covenants and agreements, the

Lessee agrees to pay the sum or sums so paid or the expense so incurred, including all interest, costs, damages and penalties, and the same may be added to any installment of rent thereafter due hereunder, and each and every part of the same shall be and become additional rent, recoverable by PATH in the same manner and with like remedies as if it were originally a part of the basic rental, or if there is no basic rental as a part of the percentage rental, all as set forth in Section 4 hereof.

(b) For all purposes under this Section and in any suit, action or proceeding of any kind between the parties hereto, any receipt showing any payment of sum or sums by PATH for any work done or material furnished shall be prima facie evidence against the Lessee that the amount of such payment was necessary and reasonable. Should PATH elect to use its own operating and maintenance staff in making any repairs, replacements, and/or alterations and to charge the Lessee with the cost of same, any time sheet of any employee of PATH showing hours of labor or work allocated to any such repair, replacement and/or alteration, or any stock requisition of PATH showing the issuance of materials for use in the performance thereof, shall likewise be prima facie evidence against the Lessee that the amount of such charge was necessary and reasonable.

Section 18. Rights of Entry Reserved

(a) PATH, by its officers, employees, agents, representatives and contractors shall have the right at all reasonable times to enter upon the premises for the purpose of inspecting the same, for observing the performance by the Lessee of its obligations under this Agreement, and for the doing of any act or thing which PATH may be obligated or have the right to do under this Agreement or otherwise.

(b) Without limiting the generality of the foregoing, PATH, by its officers, employees, representatives, and contractors shall have the right, for the benefit of the Lessee or for the benefit of others in or at the building or Facility of which the premises may be a part, to maintain and install existing and future utilities systems or portions thereof on the premises, including therein without limitation thereto systems for the supply of heat, water hot and cold, gas, electricity and fuel and for the furnishing of fire-alarm, fire-protection, sprinkler, sewerage, drainage, air-conditioning, telephone, telegraph, tele-register, pneumatic-tube dispatch and intercommunication services, and to maintain and install existing and future elevator and escalator systems, including lines, pipes, mains, wires, conduits and equipment connected with or appurtenant to all such systems, and to enter upon the premises at all reasonable times to make such installations, repairs, alterations and replacements as may, in the opinion of PATH, be deemed necessary or advisable and, from time to time, to construct or install over, in, under or through the premises new lines, pipes, mains, wires, conduits and equipment; *provided, however*, that such repair, alteration, replacement, installation, or construction shall not unreasonably interfere with the use of the premises by the Lessee.

(c) Nothing in this Section shall or shall be construed to impose upon PATH any obligations so to construct or maintain or to make repairs, replacements, alterations or additions, or shall create any liability for any failure so to do.

(d) At any time and from time to time during ordinary business hours within the six (6) months next preceding the expiration of the letting, PATH, by its agents and employees, whether or not accompanied by prospective lessees, occupiers or users of the premises, shall have the right to enter thereon for the purpose of exhibiting and viewing all parts of the same and during such six-month period PATH may place and maintain on the premises the usual "To-Let" signs, which signs the Lessee shall permit to remain without molestation.

(e) If during the last month of the letting, the Lessee shall have removed all or substantially all the Lessee's property from the premises, PATH may immediately enter and alter, renovate and redecorate the premises.

(f) No abatement of rental shall be claimed by or allowed to the Lessee by reason of the exercise of any or all of the foregoing rights by PATH or others.

Section 19. Condemnation

(a) In any action or proceeding instituted by any governmental agency or agencies for the taking for a public use of any interest in all or any part of the premises, the Lessee shall not be entitled to assert any claim to any award or part thereof made or to be made therein, or to institute any action or proceeding or to assert any claim against such agency or agencies or against PATH, for or on account of any such taking, except the possible claim to an award for loss of fixtures furnished and installed by the Lessee (and for the purpose of such possible claim alone, title to such fixtures shall revert to the Lessee), it being understood and agreed between PATH and the Lessee that, except for the possible claim to an award for loss of fixtures, PATH shall be entitled to all the compensation or awards made or to be made or paid for any such taking, free of any claim or right of the Lessee.

(b) In the event of a taking of the entire premises by any governmental agency or agencies, this Agreement shall be cancelled and the letting shall, as of the date possession is taken from PATH by such agency or agencies, cease and determine in the same manner and with the same effect as if the term of the letting had on that date expired.

(c) In the event of a taking by any governmental agency or agencies of a part of the premises, then the letting as to such part only shall, as of the date possession thereof is taken from PATH by any such agency or agencies, cease and determine, and the rentals thereafter to be paid by the Lessee to PATH shall, if so provided in Item 1 of Exhibit B, be abated from and after the date of such taking.

Section 20. Assignment and Sublease

(a) The Lessee shall not assign, sell, convey, transfer, mortgage, or pledge this Agreement, or the letting, or any part thereof.

(b) The Lessee shall not sublet the premises or any part thereof.

(c) If the Lessee assigns, sells, conveys, transfers, mortgages, pledges or sublets in violation of subdivisions (a) or (b) of this Section or if the premises are occupied by anybody other than the Lessee, PATH may collect rent from any assignee, sublessee or anyone who claims a right to this Agreement or letting or who occupies the premises and shall apply the net amount collected to the rental herein reserved; no such collection shall be deemed a waiver by PATH of the covenants contained in subdivisions (a) and (b) of this Section nor an acceptance by PATH of any such assignee, sublessee, claimant or occupant as Lessee, nor a release of the Lessee by PATH from the further performance by the Lessee of the covenants contained herein.

(d) The Lessee shall not use, or permit any person to use, the premises or any portion thereof, except for the purposes set forth in Section 3 hereof.

Section 21. Termination

(a) If any one or more of the following events shall occur, that is to say:

(1) The Lessee shall become insolvent, or shall take the benefit of any present or future insolvency statute, or shall make a general assignment for the benefit of creditors, or file a voluntary petition in bankruptcy or a petition or answer seeking an arrangement or its reorganization or the readjustment of its indebtedness under the federal bankruptcy laws or under any other law or statute of the United States or of any State thereof, or consent to the appointment of a receiver, trustee, or liquidator of all or substantially all its property; or

(2) By order or decree of a court the Lessee shall be adjudged bankrupt or an order shall be made approving a petition filed by any of the creditors or, if the Lessee is a corporation, by any of the stockholders of the Lessee, seeking its reorganization or the readjustment of its indebtedness under the federal bankruptcy laws or under any law or statute of the United States or of any State thereof; or

(3) A petition under any part of the federal bankruptcy laws or an action under any present or future insolvency law or statute shall be filed against the Lessee and shall not be dismissed within thirty (30) days after the filing thereof; or

(4) The letting hereunder or the interest or estate of the Lessee under this Agreement shall be transferred to, pass or devolve upon, by operation of law or otherwise, any other person, firm or corporation; or

(5) The Lessee, if a corporation, shall, without the prior written approval of PATH, become a possessor or merged corporation in a merger, a constituent corporation in a consolidation, or a corporation in dissolution; or

(6) The Lessee is, or the Lessees collectively are doing business as, or constitute a copartnership, and the said copartnership shall be dissolved as the result of any act or omission of its copartners or any of them, or by operation of law or the order or decree of any court having jurisdiction, or for any other reason whatsoever; or

(7) By or pursuant to, or under authority of any legislative act, resolution or rule, or any order or decree of any court or governmental board, agency or officer having jurisdiction, a receiver, trustee, or liquidator shall take possession or control of all or substantially all of the property of the Lessee, and such possession or control shall continue in effect for a period of fifteen (15) days; or

(8) Any type of strike or other labor activity is directed against the Lessee at the premises resulting in picketing or boycott for a period of at least forty-eight (48) hours which, in the opinion of PATH, adversely affects or is likely adversely to affect the operation of any PATH Facility or the operations of other lessees or licensees thereat, whether or not the same is due to the fault of the Lessee, and whether caused by the employees of the Lessee or by others; or

(9) Any lien is filed against the premises because of any act or omission of the Lessee and is not removed within ten (10) days; or

(10) The Lessee shall voluntarily abandon, desert, vacate or discontinue its operations in the premises; or

(11) The Lessee shall fail duly and punctually to pay the rentals or to make any other payment required hereunder when due to PATH; or

(12) The Lessee shall fail to keep, perform and observe each and every other promise, covenant and agreement set forth in this Agreement, on its part to be kept, performed or observed within ten (10) days after receipt of notice of default thereunder from PATH (except where fulfillment of its obligation requires activity over a period of time, and the Lessee shall have commenced to perform whatever may be required for fulfillment within ten (10) days after receipt of notice and continues such performance without interruption except for causes beyond its control);

then upon the occurrence of any such event or at any time thereafter during the continuance thereof, PATH may by five (5) days' notice terminate the letting and the rights of the Lessee hereunder, such termination to be effective upon the date specified in such notice. Such right of termination and the exercise thereof shall be and operate as a conditional limitation.

(b) If any of the events enumerated in subdivision (a) of this Section shall occur prior to the letting, the Lessee shall not be entitled to enter into possession of the premises and PATH upon the occurrence of any such event or at any time thereafter during the continuance thereof by twenty four (24) hours' notice may cancel the interest of the Lessee under this Agreement, such cancellation to be effective upon the date specified in such notice.

(c) No acceptance by PATH of rentals, fees, charges or other payments in whole or in part for any period or periods after a default of any of the terms, covenants and conditions to be performed, kept or observed by the Lessee shall be deemed a waiver of any right on the part of PATH to terminate the letting.

(d) No waiver by PATH of any default on the part of the Lessee in performance of any of the terms, covenants or conditions hereof to be performed, kept or observed by the Lessee shall be or be construed to be a waiver by PATH of any other or subsequent default in performance of any of the said terms, covenants and conditions.

Section 22. Right of Re-entry

PATH shall, as an additional remedy upon the giving of a notice of termination as provided in Section 21 hereof, have the right to re-enter the premises and every part thereof upon the effective date of termination without further notice of any kind, and may regain and resume possession either with or without the institution of summary or any other legal proceedings or otherwise. Such re-entry, or regaining or resumption of possession, however, shall not in any manner affect, alter or diminish any of the obligations of the Lessee under this Agreement, and shall in no event constitute an acceptance of surrender.

Section 23. Waiver of Redemption

The Lessee hereby waives any and all rights of redemption, granted by or under any present or future law, arising in the event it is evicted or dispossessed for any cause, or in the event PATH obtains or retains possession of the premises in any lawful manner.

Section 24. Survival of the Obligations of the Lessee

(a) In the event that the letting shall have been terminated in accordance with a notice of termination as provided in Section 21 hereof, or the interest of the Lessee cancelled pursuant thereto, or in the event that PATH has re-entered, regained or resumed possession of the premises in accordance with the provisions of Section 22 hereof, all the obligations of the Lessee under this Agreement shall survive such termination or cancellation, re-entry, regaining or resumption of possession and shall remain in full force and effect for the full term of this Agreement, and the amount or amounts of damages or deficiency shall become due and payable to PATH to the same extent, at the same time or times and in the same manner as if no termination, cancellation, re-entry, regaining or resumption of possession had taken place. PATH may maintain separate actions each month to recover the damage or deficiency then due or at its option and at any time may sue to recover the full deficiency less the proper discount, for the entire unexpired term.

(b) The amount of damages for the period of time subsequent to termination or cancellation (or re-entry regaining or resumption of possession) shall be:

(1) On account of the Lessee's basic rental obligation, the amount of the total of all annual basic rentals, less the installments thereof payable prior to the effective date of termination except that the credit to be allowed for the installment payable on the first day of the month in which the termination is effective shall be prorated on a daily basis for the part of the month the letting remains in effect;

(2) On account of the Lessee's percentage rental obligation in the event that a basic rental is also reserved under this Agreement, an amount equal to the percentage stated in Item 1 of Exhibit B applied to the amount of gross receipts in excess of the annual exemption amount or amounts, which gross receipts would have been received by the Lessee during the balance of the term if there had been no termination or cancellation (or re-entry, regaining, or resumption of possession), and for the purpose of calculation hereunder: (i) the said amount of gross receipts shall be derived by multiplying the number of days in the balance of the term originally fixed, by the Lessee's average daily gross receipts; (ii) the average daily gross receipts shall be the total actual gross receipts of the Lessee during that part of the effective period of the letting (including all annual periods falling within the effective period) in which no abatement was in effect, divided by the number of days included in such part of the effective period; and (iii) the annual exemption amount for any period of less than a year shall be the product of the original annual exemption amount multiplied by a fraction, the numerator of which shall be the number of days from the effective date of termination to the end of the annual period and the denominator of which shall be 365;

(3) On account of the Lessee's percentage rental obligation in the event that no basic rental is reserved under this Agreement, an amount equal to the percentage stated in Item 1 of Exhibit B applied to the amount of gross receipts

which would have been received by the Lessee during the balance of the term if there had been no termination or cancellation (or re-entry, regaining or resumption of possession), and for the purpose of calculation hereunder (i) the said amount of gross receipts shall be derived by multiplying the number of days in the balance of the term originally fixed, by the Lessee's average daily gross receipts; (ii) the average daily gross receipts shall be the total actual gross receipts of the Lessee during that part of the effective period of the letting (including all annual periods falling within the effective period) divided by the number of days included in such part of the effective period.

(c) It is understood and agreed that the statement of damages under the preceding subdivision (b) shall not affect or be construed to affect PATH's right to damages in the event of termination or cancellation (or re-entry, regaining or resumption of possession) where the Lessee has not received any actual gross receipts under this Agreement.

Section 25. Reletting by PATH

PATH, upon termination or cancellation pursuant to Section 21 hereof, or upon any re-entry, regaining or resumption of possession pursuant to Section 22 hereof, may occupy the premises or may relet the premises, and shall have the right to permit any person, firm or corporation to enter upon the premises and use the same. Such reletting may be of part only of the premises or of the premises or a part thereof together with other space, and for a period of time the same as or different from the balance of the term hereunder remaining, and on terms and conditions the same as or different from those set forth in this Agreement. PATH shall also, upon termination or cancellation pursuant to the said Section 21, or upon its re-entry, regaining or resumption of possession pursuant to the said Section 22, have the right to repair or to make structural or other changes in the premises, including changes which alter the character of the premises and the suitability thereof for the purposes of the Lessee under this Agreement, without affecting, altering or diminishing the obligations of the Lessee hereunder. In the event either of any reletting or of any actual use and occupancy by PATH (the mere right to use and occupy not being sufficient however) there shall be credited to the account of the Lessee against its survived obligations hereunder any net amount remaining after deducting from the amount actually received from any lessee, licensee, permittee or other occupier in connection with the use of the said premises or portion thereof during the balance of the letting as the same is originally stated in this Agreement, or from the market value of the occupancy of such portion of the premises as PATH may during such period actually use and occupy, all expenses, costs and disbursements incurred or paid by PATH in connection therewith. No such reletting shall be or be construed to be an acceptance of surrender.

Section 26. Remedies to be Non-exclusive

All remedies provided in this Agreement shall be deemed cumulative and additional and not in lieu of or exclusive of each other or of any other remedy available to PATH at law or in equity.

Section 27. Surrender

(a) The Lessee covenants and agrees to yield and deliver peaceably to PATH possession of the premises on the date of the cessation of the letting, whether such cessation be by termination, expiration or otherwise, promptly and in good condition such reasonable wear excepted as would not adversely affect or interfere with a first class, efficient and proper operation such as is required under this Agreement.

(b) Subject to the provision of Sections 12 and 26 the Lessee shall have the right at any time during the letting to remove its equipment, inventories, removable fixtures and other personal property from the premises. If the Lessee shall fail to remove its property on or before the termination or expiration of the letting, PATH may remove such property to a public warehouse for deposit or retain the same in its own possession, and sell the same at public auction, the proceeds of which shall be applied first to the expenses of removal, storage and sale, second to any sums owed by the Lessee to PATH's with any balance remaining to be paid to the Lessee; if the expenses of such removal, storage and sale shall exceed the proceeds of sale, the Lessee shall pay such excess to PATH upon demand.

Section 28. Acceptance of Surrender of Lease

No agreement of surrender or to accept a surrender shall be valid unless and until the same shall have been reduced to writing and signed by the duly authorized representatives of PATH and of the Lessee. Except as expressly provided in this Section, neither the doing of, nor any omission to do, any act or thing, by any of the officers, agents or employees of PATH shall be deemed an acceptance of a surrender of the letting or of this Agreement.

Section 29. Security Deposit or Letter of Credit

(a) Upon the execution of this Agreement by the Lessee and delivery thereof to the Port Authority, the Lessee shall deposit with PATH (and shall keep deposited throughout the letting under this Agreement) either the sum of Twenty-five Thousand Dollars and No Cents (\$25,000.00) in cash, or bonds of the United States of America, or of the State of New Jersey, or of the State of New York, or of The Port Authority of New York and New Jersey, having a market value of that amount, as security for the full, faithful and prompt performance of and compliance with, on the part of the Lessee, all of the terms, provisions, covenants and conditions of this Agreement on its part

to be fulfilled, kept, performed or observed. Bonds qualifying for deposit hereunder shall be in bearer form but if bonds of that issue were offered only in registered form, then the Lessee may deposit such bond or bonds in registered form, *provided however* that PATH shall be under no obligation to accept such deposit of a bond in registered form unless such bond has been re-registered in the name of the Port Authority (the expense of such re-registration to be borne by the Lessee) in a manner satisfactory to PATH. The Lessee may request PATH to accept a registered bond in the Lessee's name and if acceptable to PATH the Lessee shall deposit such bond together with a bond power (and such other instruments or other documents as PATH may require) in form and substance satisfactory to PATH. In the event the deposit is returned to the Lessee any expenses incurred by PATH in re-registering a bond to the name of the Lessee shall be borne by the Lessee. In addition to any and all other remedies available to it, PATH shall have the right, at its option, at any time and from time to time, with or without notice, to use the deposit or any part thereof in whole or partial satisfaction of any of its claims or demands against the Lessee. There shall be no obligation on PATH to exercise such right and neither the existence of such right nor the holding of the deposit itself shall cure any default or breach of this Agreement on the part of the Lessee. With respect to any bonds deposited by the Lessee, PATH shall have the right, in order to satisfy any of its claims or demands against the Lessee, to sell the same in whole or in part, at any time and from time to time, with or without prior notice at public or private sale, all as determined by PATH, together with the right to purchase the same at such sale free of all claims, equities or rights of redemption of the Lessee. The Lessee hereby waives all right to participate therein and all right to prior notice or demand of the amount or amounts of the claims or demands of PATH against the Lessee. The proceeds of every such sale shall be applied by PATH first to the costs and expenses of the sale (including but not limited to advertising or commission expenses) and then to the amounts due PATH from the Lessee. Any balance remaining shall be retained in cash toward bringing the deposit to the sum specified above. In the event that PATH shall at any time or times so use the deposit, or any part thereof, or if bonds shall have been deposited and the market value thereof shall have declined below the above-mentioned amount, the Lessee shall, on demand of PATH and within two (2) days thereafter, deposit with PATH additional cash or bonds so as to maintain the deposit at all times to the full amount above stated, and such additional deposits shall be subject to all the conditions of this Section. After the expiration or earlier termination of the letting under this Agreement as the said letting may have been extended, and upon condition that the Lessee shall then be in no wise in default under any part of this Agreement, as this Agreement may have been amended or extended (or both), and upon written request therefor by the Lessee, PATH will return the deposit to the Lessee less the amount of any and all unpaid claims and demands (including estimated damages) of PATH by reason of any default or breach by the Lessee of this Agreement or any part thereof. The Lessee agrees that it will not assign or encumber the deposit. The Lessee may collect or receive any interest or income earned on bonds and interest paid on cash deposited in interest-bearing bank accounts, less any part thereof or amount which PATH is or may hereafter be entitled or authorized by law to retain or to charge in connection therewith, whether as or in lieu of an administrative expense, or custodial charge, or otherwise; *provided however* that PATH shall

not be obligated by this provision to place or to keep cash deposited hereunder in interest-bearing bank accounts.

(b) In lieu of the security deposit required pursuant to paragraph (a) of this Section the Lessee may deliver to PATH, as security for all obligations of the Lessee under this Agreement, a clean irrevocable letter of credit issued by a banking institution satisfactory to PATH and having its main office within the Port of New York District, in favor of PATH in the amount of Twenty-five Thousand Dollars and No Cents (\$25,000.00). The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of PATH. Such letter of credit shall provide that it shall continue throughout the term of the letting under this Agreement and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent satisfactory letter. Upon notice of cancellation of a letter of credit the Lessee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by security in the amount required in accordance with paragraph (a) of this Section or another letter of credit satisfactory to PATH, PATH may draw down the full amount thereof and thereafter PATH will hold the same as security under paragraph (a) of this Section. Failure to provide such letter of credit at any time during the term of the letting which is valid and available to PATH, including any failure of any banking institution issuing any such letter of credit previously accepted by PATH to make one or more payments as may be provided in such letter of credit shall be deemed to be a breach of this Agreement on the part of the Lessee. Upon acceptance of such letter of credit by PATH, and upon request by the Lessee made thereafter, PATH will return any security deposit theretofore made under and in accordance with the provisions of paragraph (a) of this Section. The Lessee shall have the same rights to receive such deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the letting and fulfillment of the obligations of the Lessee under this Agreement. If PATH shall make any drawing under a letter of credit held by PATH hereunder, the Lessee on demand of PATH and within two (2) days thereafter, shall bring the letter of credit back up to its full amount.

(c) No action by PATH pursuant to the terms of any letter of credit, or receipt by PATH of funds from any bank issuing any such letter of credit, shall be or be deemed to be a waiver of any default by the Lessee under the terms of this Agreement and all remedies under this Agreement of PATH consequent upon such default shall not be affected by the existence of or a recourse to any such letter of credit.

(d) For the purposes of the provisions set forth in paragraph (a) above, the Lessee hereby certifies that its I.R.S. Employer Identification Number is ..

Section 30. Brokerage

The Lessee represents and warrants that no broker has been concerned in the negotiation of this Agreement and that there is no broker who is or may be entitled to be paid a commission in connection therewith. The Lessee shall indemnify and save harmless PATH of and from any claim for commission or brokerage made by any and all persons, firms or corporations whatsoever for services in connection with the negotiation and execution of this Agreement. The Lessee's indemnification obligations hereunder shall extend only to claims and demands based upon the acts or omissions of the Lessee.

Section 31. Limitation of Rights and Privileges Granted

(a) The premises are let to the Lessee and the Lessee takes the same subject to all the following: (i) easements, restrictions, reservations, covenants and agreements, if any, to which the premises may be subject; rights of the public in and to any public street; (ii) rights, if any, of the enterprise, public or private, which is engaged in furnishing any services including without limitation thereto heating, lighting, power, telegraph, telephone, steam, water, sewerage, or transportation services, and of the municipality and State in which the premises are located; and (iii) permits, licenses, regulations and restrictions, if any, of the United States, the municipality or State in which the premises are located, or other governmental authority.

(b) No greater rights or privileges with respect to the use of the premises or any part thereof or with respect to any PATH property are granted or intended to be granted to the Lessee by this Agreement, or by any provision thereof, than the rights and privileges expressly granted hereby.

Section 32. Relationship of the Parties

This Agreement does not constitute the Lessee the agent or representative of PATH for any purpose whatsoever and neither a partnership nor any joint adventure is hereby intended nor shall it be deemed to be created by this Agreement.

Section 33. Notices

(a) All notices, permissions, requests, consents and approvals given or required to be given to or by either party shall be in writing (which shall include a telegram when delivered to the telegraph company), and all such notices and requests shall be (i) personally delivered to the party or to the duly designated officer or representative of such party; or (ii) delivered to an office of such party, officer or representative during regular business hours; or (iii) delivered to the residence of such party, officer or representative at any time; or (iv) if directed to the Lessee, delivered to the premises at any time; or (v) forwarded to such party, officer or representative, at the office or residence address by

registered or certified mail, *provided* that notices of default or termination served by PATH on the Lessee must be delivered or forwarded by the methods listed in clause (i) or (v) of this sentence. The Lessee shall designate an office within the Port of New York District and an officer or representative whose regular place of business is at such office. Until further notice, PATH hereby designates its President, and the Lessee designates the person whose name appears on the first page of this Agreement as their respective officers or representatives upon whom notices and requests may be served, and PATH designates its office at One PATH Plaza, Jersey City, New Jersey 07306, and the Lessee designates its office, the address of which is set forth on the first page of this Agreement, as their respective offices where notices and requests may be served.

(b) If any notice is mailed or delivered, the giving of such notice shall be complete upon receipt or, in the event of a refusal by the addressee, upon the first tender of the notice to the addressee or at the permitted address. If any notice is sent by telegraph, the giving of such notice shall be complete upon receipt or, in the event of a refusal by the addressee, upon the first tender of the notice by the telegraph company to the address or at the address thereof.

Section 34. Place of Payments

All payments required of the Lessee by this Agreement shall be mailed to PATH, P.O. Box 17309, Newark, New Jersey 07194.

Section 35. Quiet Enjoyment

PATH covenants and agrees that as long as it remains the owner of the premises, the Lessee, upon paying all rentals hereunder and performing all the covenants, conditions and provisions of this Agreement on its part to be performed, shall and may peaceably and quietly have, hold and enjoy the premises free of any act or acts of PATH except as expressly permitted in this Agreement.

Section 36. Headings

The section headings and the paragraph headings, if any, are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope or intent of any provision thereof.

Section 37. Changes in the Facility

PATH shall have the right at any time and from time to time prior to and during the letting, in the interest of the efficient operation of the building or Facility of which the premises may be a part, to close, move or alter any common way in the said

building or Facility, including but not limited to entrances, exits, passages, halls, corridors, aisles, stairways, elevators or escalators, or to restrict or change the traffic on or through any such common way; and no such action by PATH shall release the Lessee from any of its obligations under this Agreement. In the event PATH exercises its right provided in this Section to close, move or alter the common way immediately contiguous to an entrance to the premises and such exercise results in the Lessee being deprived of access to its premises through such entrance, then PATH shall provide the Lessee with reasonably equivalent alternate means of access to its premises.

Section 38. Construction and Application of Terms

(a) Wherever in this Agreement a third person singular neuter pronoun or adjective is used, referring to the Lessee, the same shall be taken and understood to refer to the Lessee, regardless of the actual Lessee's gender or number.

(b) Whenever in this Agreement the Lessee is placed under an obligation or covenants to do or to refrain from or is prohibited from doing, or is entitled or privileged to do, any act or thing, the following shall apply:

(1) If the Lessee is a corporation, its obligations shall be performed or its rights or privileges shall be exercised only by its officers and employees; or

(2) If the Lessee is an unincorporated association or a business or "Massachusetts" trust, the obligation shall be that of its members or trustees, as well as of itself, and shall be performed only by its members or trustees, and its officers and employees, and its rights or privileges shall be exercised only by its members or trustees, and its officers and employees; or

(3) If the Lessee is a partnership, the obligation shall be that of its partners, and shall be performed only by its partners and employees, and its rights or privileges shall be exercised only by its partners and employees; or

(4) If the Lessee is an individual, the obligation shall be that of himself (or herself) and shall be performed only by himself (or herself) and his (or her) employees and the rights or privileges of the Lessee shall be exercised only by himself (or herself) and his (or her) employees.

(5) None of the provisions of this subdivision (b) shall be taken to alter, amend or diminish any obligation of the Lessee assumed in relation to its invitees, customers, agents, representatives, contractors or other persons, firms or corporations doing business with it.

(c) In the event that more than one individual or other legal entity are the Lessee under this Agreement, then and in that event each and every obligation under this

Agreement shall be the joint and several obligation of each such individual or other legal entity.

(d) The Lessee's representative hereinbefore specified (or such substitute as the Lessee may hereafter designate in writing) shall have full authority to act for the Lessee in connection with this Agreement and any things done or to be done hereunder and to execute on the Lessee's behalf any amendments or supplements to this Agreement or any extension thereof.

Section 39. Non-Liability of Individuals

Neither the Directors of PATH nor any of them, nor any officer, agent or employee thereof, shall be charged personally by the Lessee with any liability or held liable to it under any term or provision of this Agreement, or because of its execution or attempted execution or because of any breach or attempted or alleged breach thereof.

Section 40. Grease Traps and Ventilation Ducts

Without in anywise limiting the Lessee's other obligations under this Agreement, the Lessee shall supply, replace, install, repair, maintain and keep clean all grease traps in all drainage pipes exclusively used by it in its operations hereunder whether such pipes are located on the premises or elsewhere in the building or Facility of which the premises may be a part. The Lessee shall also keep clean, repair and maintain (other than structurally) all ventilation ducts including the replacement of all filters where such ducts are exclusively used by it in its operations hereunder and whether such ducts are located on the premises or elsewhere in the said building or Facility.

Section 41. Extermination Service

If PATH is required or requested to provide extermination services to the premises, the Lessee shall pay PATH upon demand the cost of such extermination service actually provided by PATH in the enclosed portion of the premises, *provided, however*, that PATH shall not be required by this Agreement to furnish such service.

Section 42. Intentionally Omitted

Section 43. Definitions

The following terms, when used in this Agreement, shall have the respective meanings given below:

(a) "Letting" shall mean the letting under this Agreement for the original term stated herein, and shall include any extensions thereof which may be made pursuant to the provisions of this Agreement.

(b) "Causes or conditions beyond the control of PATH", shall mean and include acts of God, the elements, weather conditions, tides, earthquakes, settlements, fire, acts of Governmental authority, war, shortage of labor or materials, acts of third parties for which PATH is not responsible, injunctions, labor troubles or disputes of every kind (including all those affecting PATH, its contractors, suppliers or subcontractors) or any other condition or circumstance, whether similar to or different from the foregoing (it being agreed that the foregoing enumeration shall not limit or be characteristic of such conditions or circumstances) which is beyond the control of PATH or which could not be prevented or remedied by reasonable effort and at reasonable expense.

(c) "Facility", "Terminal" or "Transportation Center" shall mean:

With respect to any portion of the premises located in the PATH World Trade Center Temporary Station, the temporary transportation facility of the PATH Interstate Railway System located within the City, County and State of New York, bounded generally by the east side of Church Street on the east, the south side of Liberty Street extended on the South, the Hudson River on the west, and on the north by a line beginning at the point of intersection of the Hudson River and the north side of Vesey Street extended, running along the north side of Vesey Street extended and the north side of Vesey Street to the west side of Washington Street, then along the west side of Washington Street to the north side of Barclay Street, then along the north side of Barclay Street to the east side of West Broadway, then along the east side of West Broadway to the north side of Vesey Street, then along the north side of Vesey to the east side of Church Street, together with such additional contiguous areas as may be agreed to from time to time between the Port Authority of New York and New Jersey and the City of New York.

(d) "Gross receipts" shall include all monies paid or payable to the Lessee for sales made and services rendered at or from the Terminal, regardless of when or where the order therefor is received, and outside of the Terminal, if the order therefor is received at the Terminal, and any other revenues of any type arising out of or in connection with the Lessee's operations at the Terminal, *provided, however*, that any taxes imposed by law which are separately stated to and paid by a customer, and are directly payable to the taxing authority by the Lessee shall be excluded therefrom.

Section 44. Thirty Day Termination and Reimbursement

(a) PATH shall have the right to terminate this Agreement and the letting hereunder, without cause, on thirty (30) days' notice to the Lessee. In the event of termination pursuant to this Section, this Agreement and the letting hereunder shall cease

and expire as if the effective date of termination stated in the notice were the date originally stated herein for the expiration of this Agreement.

(b) The Lessee is obligated by this Agreement to furnish and install all fixtures and equipment and make all improvements in the premises necessary or proper for its operations hereunder. In the event of termination by PATH under this Section, PATH shall pay the Lessee a pro rata share of the Lessee's cost in supplying and installing all such fixtures and equipment and making all such improvements excluding any replacements thereof. The cost and the pro rata share thereof shall be ascertained as stated in Item 6 of Exhibit B, *provided, however*, that tender of payment of said prorated cost by PATH to the Lessee shall not be prerequisite to the exercise of the right of termination under this Section, but the Lessee shall be entitled to 5% interest per annum on said prorated cost for the period between the effective date of termination and the date of tender of payment (excluding any portion of the period prior to the rendering by the Lessee to PATH of a statement and other documents of cost). On the payment by PATH of said prorated cost and any interest due thereon, all fixtures equipment and improvements including replacements furnished by the Lessee in the premises and all interest of the Lessee therein which have not already become the property of PATH shall be and become the property of PATH and the Lessee shall execute any and all instruments necessary to transfer title and any such interest, *provided, however*, that PATH may by notice relinquish its right to any such fixtures, equipment or improvements and the provisions of the Sections of this Agreement entitled "*Sales and Services by the Lessee*" and "*Surrender*" shall apply thereto.

Section 45. Force Majeure

PATH shall not be liable for any failure, delay or interruption in performing its obligations hereunder due to causes or conditions beyond the control of PATH. Further, PATH shall not be liable unless the failure, delay or interruption shall result from failure on the part of PATH to use reasonable care to prevent or reasonable efforts to cure such failure, delay or interruption.

Section 46. Finishes and Decorating by the Lessee

(a) PATH shall deliver the premises to the Lessee in its "as is" condition. The Lessee acknowledges that it has thoroughly inspected the premises and agrees to take the same in such "as is" condition. Nothing contained herein shall or shall be construed to relieve the Lessee of its obligations under Section 12 to install in the premises all necessary or proper equipment or fixtures required for its operations in the premises. Subject to the provisions of this Section and Section 15 of this Agreement the Lessee agrees to and shall perform at its sole cost and expense all construction and installation work necessary or proper for its occupancy of the premises and its operations therein including, without limitation, the design and creation of a new retail store, including but not limited to the installation of interior and demising walls, floors, ceilings, lighting, display cabinets, other

appropriate equipment and sprinkler and electrical systems and storefronts (the work described in this Section being sometimes hereinafter referred to as the "Construction Work"). The Lessee hereby covenants and agrees that it shall expend a minimum of Two Hundred Fifty Thousand Dollars and No Cents (\$250,000.00) on the performance of the Construction Work. Prior to commencing the performance of any of the Construction Work the Lessee shall submit to PATH for its approval an Alteration Application, in the form supplied by PATH, setting forth in detail and by appropriate plans and specifications the work the Lessee proposes to perform and the manner of and time periods for performing the same. The data to be supplied by the Lessee shall identify separately each of the items constituting the Construction Work and shall describe in detail the fixtures and equipment to be installed by the Lessee. The Lessee shall be responsible at its sole expense for retaining all architectural, engineering and other technical consultants and services as PATH shall deem necessary, and for developing, completing and submitting detailed plans and specifications for the work. The plans and specifications to be submitted by the Lessee to PATH shall bear the seal of a qualified architect or professional engineer, who shall be responsible for the administration of the work in accordance with PATH's requirements, and shall be in sufficient detail for a contractor to perform the work. In connection with review by PATH of the Lessee's submissions under this paragraph, the Lessee shall submit to PATH, at PATH's request, such additional data, detail or information as PATH may require for such review. The Lessee shall not engage any contractor or permit the use of any subcontractor unless and until each such contractor or subcontractor has been approved by PATH. The Lessee shall include in any such contract or subcontract such provisions as PATH may approve or require, including, without limitation thereto, provisions regarding labor harmony. The Lessee hereby assumes the risk of loss or damage to all the Construction Work prior to the completion thereof and the risk of loss or damage to all property of PATH arising out of or in connection with the performance of the Construction Work. In the event of such loss or damage, the Lessee shall forthwith repair, replace and make good the Construction Work and the property of PATH without cost or expense to PATH. The Lessee shall itself and shall also require its contractors to indemnify and hold harmless PATH, its Directors, officers, agents and employees from and against all claims and demands, just or unjust, of third persons (including employees, officers and agents of PATH) arising or alleged to arise out of the performance by the Lessee's Construction Work and for all expenses, including, without limitation thereto, legal expenses incurred by it and by them in the defense, settlement or satisfaction thereof, including, without limitation thereto, claims and demands for death, for personal injury or for property damage, direct or consequential, whether they arise from the acts or omissions of the Lessee, of any contractors of the Lessee, of PATH, or of third persons, or from acts of God or of the public enemy, or otherwise, excepting only claims and demands which result solely from affirmative willful acts done by PATH, its Directors, officers, agents and employees with respect to the Construction Work, *provided, however*, that the Lessee shall not be required to indemnify PATH where such indemnity shall be precluded pursuant to the provisions of Section 5-322.1 of the General Obligations Law of the State of New York. The Lessee shall, and shall cause each of its contractors and subcontractors, to obtain and maintain in force such insurance coverage, including, without limitation, a contractual

liability endorsement covering the obligations assumed by the Lessee in the three preceding sentences, and performance bonds as PATH shall specify. All work to be performed by the Lessee hereunder shall be done in accordance with the Alteration Application and final plans and specifications approved by PATH, shall be subject to inspection by PATH during the progress of the work and after the completion thereof and the Lessee shall redo or replace at its own expense any work not done in accordance therewith. Upon completion of the Construction Work the Lessee shall supply PATH with a certificate signed by the architect or engineer who sealed the Lessee's plans pursuant to the provisions of this paragraph certifying that all of the work performed by the Lessee has been performed in accordance with the plans and specifications approved by PATH and the provisions of this Agreement and in compliance with all applicable governmental laws, ordinances, enactments, resolutions, rules, regulations and orders. PATH shall inspect the Construction Work and if the same has been completed as certified by the Lessee and such architect or engineer, PATH shall so certify to the Lessee, subject to the condition that all risks thereafter with respect to the Construction Work and any liability therefor for negligence or other reason shall be borne by the Lessee. Upon completion of the Construction Work, the Lessee shall supply PATH with "as-built" drawings in form and number as requested by PATH.

(b) The Lessee shall not commence any portion of the Construction Work until the Alteration Application and plans and specifications covering the work to be performed, referred to in paragraph (a) of this Section, have been finally approved by PATH. The Lessee recognizes that its obligation to pay basic rental shall commence on the Commencement Date established pursuant to Section 2 this Agreement regardless of whether or not the Construction Work is then completed and whether or not the Lessee is then conducting any public operations in the premises on such date. The Lessee shall conduct no public operations in the premises until PATH shall have notified the Lessee in writing that the Construction Work has been completed or substantially completed to its satisfaction. In the event of any inconsistency between the provisions of this Agreement and those of the Alteration Application, the provisions of this Agreement shall control.

(c) The Lessee shall be solely responsible for the plans and specifications used by it, and for the adequacy or sufficiency of such plans, specifications and all the improvements depicted thereon or covered thereby, regardless of the consent thereto or approval thereof by PATH or the incorporation therein of any Port Authority requirements or recommendations. PATH shall have no obligations or liabilities in connection with the performance of finishing, decorating or installation work performed by the Lessee, or on its behalf, or the contracts for the performance thereof entered into by the Lessee. Any warranties extended or available to the Lessee in connection with finishing, decorating, or installation work performed by or on behalf of the Lessee shall be for the benefit of PATH as well as the Lessee.

(d) Without limiting or affecting any other term or provision of this Agreement, the Lessee shall be solely responsible for the design, adequacy and operation of

all utility, mechanical, electrical, communications and other systems installed in the premises by the Lessee and shall do all preventive maintenance and make all repairs, replacements, rebuilding (ordinary or extraordinary, structural or non-structural) and painting necessary to keep such systems and all other improvements, additions and fixtures, finishes and decorations made or installed by the Lessee (whether the same involves structural or non-structural work) in the condition they were in when made or installed except for reasonable wear which does not adversely affect the watertight condition or structural integrity of the building or adversely affect the efficient or proper utilization or appearance of any part of the premises.

(e) As part of the Lessee's Construction Work in the premises, the Lessee will perform in accordance with all applicable legal requirements and construction standards and in accordance with the Alteration Application the Construction Work necessary to install all conduits, wiring and cabling from electrical and communications closets within the Facility to the perimeter of the premises to provide electric, telecommunications and data lines necessary for the conduct of the Lessee's permitted operations in the premises (hereinafter, the "Base Building Work"). All of the provisions of paragraph (a) of this Section shall be applicable to the Lessee's performance of the Base Building Work, and for purposes of this Section, the Base Building Work shall be deemed part of the Construction Work. Upon completion of all of the Base Building Work, and the receipt by PATH of the certificates of the Lessee and the Lessee's licensed architect or professional engineer certifying that the Base Building Work has been performed in accordance with all applicable legal requirements and construction standards and in accordance with the Alteration Application, as well as the receipt by PATH from the Lessee of a full statement of the total cost of the Base Building Work, PATH shall inspect the Base Building Work. After examination and approval of such statement of cost and after such further examination of the books and records of the Lessee as may be reasonable, and if the Base Building Work has been completed as certified by the Lessee and its licensed architect or professional engineer, PATH shall finally determine the Lessee's cost of performing the Base Building Work and shall grant the Lessee a rental credit in an amount equal to the lesser of: (i) the cost, as hereinafter defined, of the Base Building Work, or (ii) the sum of Thirty Thousand Dollars and No Cents (\$30,000.00), such lesser amount to be applied by PATH solely against the Lessee's rental obligations next becoming due under this Agreement. "Cost," as used herein, shall mean the sum of direct labor and material costs and contract costs for the purchase and installation of fixtures, equipment and other finishing work. In no event whatsoever shall "cost", as defined and computed in this paragraph, include any expenses, outlays or charges whatsoever by or for the account of the Lessee for or in connection with any equipment or fixtures or the making of any finishing work unless such are actually and completely installed in and or made to the premises as part of the Base Building Work, nor shall "cost" include the cost of any equipment, fixtures or improvement which is secured by liens, mortgages, other encumbrances or conditional bills of sale, nor shall "cost" include any payment made to organizations which are owned by or in common ownership with the Lessee.

(f) Title to and property in the Base Building Work and to all fixtures, equipment and systems and any replacement or replacements thereof installed as part of the Base Building Work shall vest in PATH upon the construction, installation or replacement thereof and the Lessee shall execute such necessary documents confirming the same as PATH may require.

Section 47. Operating Names

Any name, designation or any service mark proposed to be used or displayed at the premises or at the Facility or for the Lessee's operations therein shall be approved in advance in writing by PATH, and the Lessee shall have the right to use and display the name, designation or mark only so long as this Agreement is in full force and effect. If for any reason the Lessee ceases its operations in the premises, the Lessee's right to use such name, designation or service mark shall immediately cease and come to an end, and PATH or its designee shall have the sole right to use such name, designation or service mark and the Lessee hereby consents to such use thereof. Any registration or filing by the Lessee with respect to such name, designation or service mark shall be approved in advance by PATH in writing. The Lessee agrees to assign and transfer to PATH any such registration or filing and any other rights in or to the use of such name, designation or service mark promptly upon written request therefor by PATH.

Section 48. Late Charges

If the Lessee should fail to pay any amount required under this Agreement when due to PATH, including without limitation any payment of basic, percentage or other rental or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then in such event PATH may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four late charge periods during each calendar year; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (but not less than thirteen) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to PATH as a result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Agreement. Each late charge shall be payable immediately upon demand made at any time therefor by PATH. No acceptance by PATH of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of PATH to payment of any late charge or late charges payable under the provisions of this Section with respect to such unpaid amount. Each late charge shall be recoverable by PATH in the same manner and with like remedies as if it were originally a part of the rental as set forth in Section 4 of this

Agreement and Item 1 of Exhibit B annexed hereto. Nothing in this Section is intended to, or shall be deemed to affect, alter, modify or diminish in any way (1) any rights of PATH under this Agreement, including without limitation PATH's rights set forth in the section of this Agreement entitled "*Termination*" or (2) any obligations of the Lessee under this Agreement. In the event that any late charge imposed pursuant to this Section shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Agreement shall be payable instead at such legal maximum.

Section 49. Additional Provision Relating to Relocation

(a) Without limiting any other right of termination under this Agreement, PATH shall have the right to terminate this Agreement and the letting of the entire premises (i.e., both the Retail Space and the Storage Space) hereunder without cause at any time on one hundred eighty (180) days' prior notice to the Lessee. In the event of termination pursuant to this Section, this Agreement and the letting hereunder shall cease and expire on the effective date of termination stated in the notice as if such date were the date originally fixed in Section 2 of this Agreement for the expiration of this Agreement and the term of the letting hereunder.

(b) Notwithstanding the foregoing provision, PATH shall, within thirty (30) days after giving the notice referred to in paragraph (a), tender to the Lessee an agreement, which tender shall constitute an offer to amend this Agreement providing for the letting to the Lessee of other space at the Facility, consisting of a single block of space, substantially similar in size to the Retail Space but the configuration of such and its location within the Facility shall be solely within the discretion of PATH. Such agreement shall contain an exhibit depicting such other space, the effective date upon which the letting of such other space shall commence, a statement of the number of rentable square feet comprising such other space and the annual basic rental payable for such other space which shall be computed at the same annual per rentable square foot rates as the basic rental set forth in this Agreement applicable to the Retail Space and which shall commence on the same date as the letting of such other space. In addition to the annual basic rental payable for such other space the agreement will provide that the Lessee will continue to pay basic rental for the Storage Space as provided in Exhibit B attached to this Agreement. The agreement will also provide that the Lessee will surrender, vacate and yield up to PATH the Retail Space on the day preceding the effective date upon which the letting of such other space shall commence and that PATH shall not be required to reimburse the Lessee for its cost of purchasing installing any trade fixtures or equipment in such other space as part of such finishing work, (2) arrange for or, reimburse the Lessee for its expenditures for moving the Lessee's property from the premises to such other space, or (3) reimburse the Lessee for its expenditures for installing telephone equipment in such other space substantially equivalent to the Lessee's then present installation in the premises. All terms, conditions and provisions of this Agreement, as so amended, will remain in force and effect as to such other space which shall be and become the Retail Space from the effective date of the letting of such other space through the balance of the

term of the letting under this Agreement. The Lessee shall within twenty (20) days after delivery to it of such agreement by PATH, execute, acknowledge and deliver the same to PATH. Upon the delivery of a fully executed and acknowledged copy of the agreement by the PATH to the Lessee, the notice theretofore served pursuant to paragraph (a) hereof shall be deemed null and void and of no further force or effect. In the event the Lessee does not accept PATH's offer by delivering the agreement executed and acknowledged by it to PATH within the time specified herein, then the offer contained therein shall be deemed withdrawn and the notice terminating the letting of the entire premises, including both the Retail Space and the Storage Space, served in accordance with the provisions of paragraph (a) hereof shall be and remain fully effective and PATH shall have no further obligation to offer other space to the Lessee either at the temporary PATH Station located at the World Trade Center site or elsewhere.

(c) The Lessee acknowledges that it has been advised by PATH that any failure of the Lessee to surrender, vacate and yield up to the PATH the premises on the effective date of termination set forth in paragraph (a) hereof or on the day preceding the effective date of the letting of the space to which the Lessee is moved as referred to in paragraph (b) hereof, will or may cause PATH injury, damage or loss. The Lessee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay PATH for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Lessee hereby expressly agrees to indemnify and hold the PATH harmless against any such injury, damage or loss. The foregoing shall not constitute or be deemed to constitute the sole and exclusive remedy of PATH for such failure of the Lessee.

(d) Notwithstanding anything hereinabove set forth in this Section, PATH shall not require the Lessee to relocate the Retail Space more than two times during the term of the letting under this Agreement. In the event PATH shall require the Lessee to so relocate the Retail Space in accordance with the provisions hereof, and each such time PATH shall require such relocation under this Agreement, PATH will grant the Lessee a rental credit in an amount equal to the lesser of: (i) the Lessee's cost of relocating all utility lines and sprinkler systems required for the operation of the Retail Space under this Agreement from the existing Retail Space to the relocated Retail Space, or (ii) the sum of Twenty-five Thousand Dollars and No Cents (\$25,000.00), such lesser amount to be applied by PATH solely against the Lessee's rental obligations next becoming due under this Agreement, *provided* that in the event that such determination shall occur after the expiration or termination of the term of the letting under this Agreement, or at the time of such expiration or termination, then PATH shall pay any amount of such credit that shall not have been so applied against the Lessee's rental obligations under this Agreement, less the amount of the Lessee's other obligations under this Agreement, if any, to the Lessee within thirty (30) days after demand therefor. "Cost," as used herein, shall have the meaning set forth in paragraph (e) of Section 46 of this Agreement, and the Lessee shall be required to substantiate its cost of the aforesaid relocation work to the same extent and in the same manner as provided in Section 46.

(e) PATH shall have the right, in its sole discretion, to require the Lessee to relocate the Storage Space from time-to-time and without limitation on the number of times during the term of the letting under this Agreement. The location of the relocated Storage Space shall be in the sole discretion of the PATH in each instance in which such relocation is required

Section 50. Affirmative Action

Without limiting any of the terms and conditions of this Agreement, the Lessee agrees, and agrees to require its contractors, to make every good faith effort, to the maximum extent feasible, to seek meaningful participation by minorities and women both as to Minority Business Enterprise (MBE) and Women-owned Business Enterprise (WBE) participation as contractors and subcontractors and as to the composition of the labor force on contracts and subcontracts entered into with respect to any construction work performed on the premises. PATH has a long-standing practice of making its contracting opportunities available to MBEs and WBEs. The affirmative steps PATH takes to maximize opportunities for MBEs and WBEs to participate in the performance of PATH construction contracts either directly or as subcontractors are hereby set forth for the Lessee's consideration in the schedule attached hereto, hereby made a part of this Agreement, and marked "Schedule E".

Section 51. Additional Provision

Notwithstanding the provisions of paragraph (d) of the Section of this Agreement entitled "Definitions," and without otherwise limiting the generality thereof, no monies, including, without limitation, fees and commissions received or receivable by the Lessee from the sale or dispensing of lottery tickets issued by the Lottery Division of the New York State Department of Taxation and Finance shall be included in gross receipts under this Agreement. Without limiting the generality of the provisions of the Section of this Agreement entitled "Displays," the Lessee shall display in such areas of the premises as shall be designated by PATH only such signs and advertising relating to the sale of lottery tickets issued by the Lottery Division of the New York State Division of Taxation and Finance as may be supplied or approved in advance by PATH. In addition to all other rights of termination contained in this Agreement, PATH shall have the right at any time, on not less than thirty (30) days' written notice to the Lessee to withdraw the permission herein granted for the sale or dispensing of lottery tickets, and in such event the Lessee shall discontinue the sale or dispensing of lottery tickets on or before the effective date stated in PATH's written notice to the Lessee.

Section 52. Premises

The Lessee acknowledges that it has not relied upon any representation or statement of PATH or its Directors, officers, employees or agents as to the suitability of the

premises for the operations permitted on the premises by this Agreement. Without limiting any obligation of the Lessee to commence operations hereunder at the time and in the manner stated elsewhere in this Agreement, the Lessee agrees that no portion of the premises will be used initially or at any time during the letting which is in a condition unsafe or improper for the conduct of the Lessee's operations hereunder so that there is possibility of injury or damage to life or property. Without limiting the generality the generality of any of the provisions of this Agreement, PATH shall not be liable to the Lessee for any claims for loss, theft, or damage involving any property stored or placed in the premises. For all purposes of this Agreement the premises hereunder (notwithstanding any statement elsewhere in this Agreement of any rule for the measurement of the area thereof) shall be deemed to include all of the enclosing partitions, and the adjacent exterior building walls and glass to and including the exterior surface thereof.

Section 53. Changes, Additions and Deletions to this Agreement

Prior to the execution of this Agreement by either of the parties hereto, the following changes, additions and deletions were made in the foregoing terms and conditions:

Paragraph (c) and (d) of Section 12 were deleted and the following paragraph (c) was inserted in lieu thereof:

“(c) The Lessee shall not sell any items hereunder at a price other than the pre-printed manufacturer's or distributor's recommended retail price, provided however that if the price charged for the same item at any other establishment located at a transportation terminal within the Port of New York District which has any ownership, financial or management connection with the Lessee or any majority stockholder thereof is lower than the pre-printed manufacturer's or distributor's recommended retail price, the Lessee shall notify PATH in writing of that fact and shall charge only the lower price. If the Lessee charges any price in excess of the prices described in this paragraph, the amount by which the actual price deviates from the approved price shall constitute an overcharge which will, upon demand of PATH or of the Lessee's customer, be promptly refunded to the customer. Notwithstanding any repayment of overcharges to a customer by the Lessee, any such overcharge shall constitute a breach of the Lessee's obligations hereunder and PATH shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Agreement.”

It shall not be necessary to physically make the aforesaid changes additions and deletions in the aforesaid Sections of this Agreement.

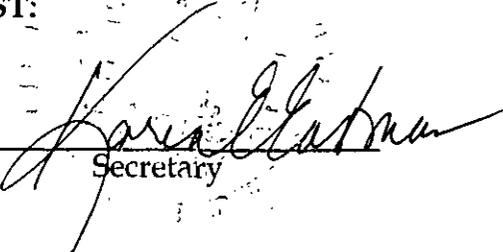

Section 54. Entire Agreement

This Agreement consists of the following: pages 1 through 41 inclusive, plus Exhibits A, A-1 and B and Schedule E.

It constitutes the entire agreement of the parties on the subject matter hereof and may not be changed, modified, discharged or extended except by written instrument duly executed by PATH and the Lessee. The Lessee agrees that no representations or warranties shall be binding upon PATH unless expressed in writing in this Agreement.

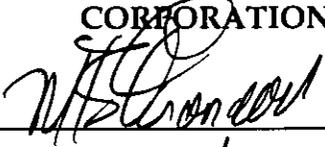

IN WITNESS WHEREOF, the parties hereto have executed these presents as of the day and year first above written.

EXHIBIT B

Item 1: Rental Provisions

(1) Effective upon the Commencement Date and continuing throughout the balance of the term of the letting under the Lease, the Lessee shall pay PATH a basic rental for the Retail Space at the rate of Sixty-two Thousand Four Dollars and No Cents (\$62,004.00) per annum, in the sum of One Thousand Three Hundred Seventy-seven Dollars and Sixty Cents (\$1,377.60) on November 23, 2003 and in advance in equal monthly installments in the amount of Five Thousand One Hundred Sixty-seven Dollars and No Cents (\$5,166.00) on December 1, 2003 and on the first day of each calendar month thereafter throughout the balance of the term of the letting.

(2) Effective upon the Commencement Date and continuing throughout the balance of the term of the letting under the Lease, the Lessee shall pay PATH a basic rental for the Storage Space at the rate of Eight Thousand Four Dollars and No Cents (\$8,004.00) per annum, in the sum of One Hundred Seventy-seven Dollars and Eighty-seven Cents (\$177.87) on November 23, 2003 and in advance in equal monthly installments in the amount of Six Hundred Sixty-six Dollars and No Cents (\$667.00) on December 1, 2003 and on the first day of each calendar month thereafter throughout the balance of the term of the letting.

(b) Time of Payment upon Termination:

Upon any termination of the letting hereunder (even if stated to have the same effect as expiration), the Lessee shall, within twenty (20) days after the effective date of such termination, make a payment of rental computed as follows: first, if the letting hereunder is terminated effective on a date other than the last day of a month, the basic rental for the portion of that month in which the letting remains effective shall be the amount of the monthly installment of basic rental prorated on a daily basis, and if the monthly installment due on the first day of that month has not been paid, the Lessee shall pay the prorated part of the amount of that installment; if the monthly installment has been paid, then the excess thereof shall be credited to the Lessee's other obligations.

(c) Abatement:

(1) For every calendar day or major fraction thereof that the Lessee shall be entitled to abatement with respect to the Retail Space during the entire term of the letting commencing on the Commencement Date and continuing through the balance of the term of the letting under the Lease, the annual basic rental for the Retail Space shall be reduced by the product of One Hundred Sixty-nine Dollars and Eighty-six Cents (\$169.86) multiplied by a fraction the numerator of which shall be the number of square feet of floor space as to which the abatement applies and the denominator of which shall be the total number of square feet in the Retail Space.

(2) For every calendar day or major fraction thereof that the Lessee shall be entitled to abatement with respect to the Storage Space during the entire term of the letting commencing on the Commencement Date and

continuing through the balance of the term of the letting under the Lease, the basic rental for the Storage Space shall be reduced by the product of Twenty-one Dollars and Ninety-three Cents (\$21.93) multiplied by a fraction the numerator of which shall be the number of square feet of floor space as to which the abatement applies and the denominator of which shall be the total number of square feet in the Storage Space.

(3) For the purpose of abatement, the ascertainment of the number of square feet contained in the premises to be measured shall be in accordance with the following: Areas of the premises and parts thereof will be computed by measuring from the inside plaster surface of outer building walls to the plaster surface of the corridor side of corridor partitions and to the center of partitions that separate the premises from adjoining rentable area; no deduction will be made for columns, pilasters, or projections necessary to the building or for toilets, porter's closets, and slop sinks used exclusively by the Lessee and contained within the premises. Permanent partitions enclosing elevator shafts, stairs, fire towers, vents, pipe shafts, meter closets, flues, stacks and any vertical shafts have the same relation to rentable areas as do outer building walls.

(d) Nothing contained in the foregoing shall affect the survival of the obligations of the Lessee as set forth in Section 24 of this Agreement.

Item 2: Insurance Limits:

(a) The limits of liability insurance referred to in Section 11(b) shall be not less than the following and shall include full contractual liability coverage:

commercial general liability insurance in a combined single limit of not less than \$2,000,000 for liability for bodily injury, for wrongful death and for property damage arising from any one occurrence.

All such coverage shall be effective throughout the term of the letting under this Agreement.

(b) Notwithstanding the provisions of Section 11(c) of this Agreement, PATH shall be included as an additional insured in any policy of liability insurance required by the provisions of this Agreement, and each such policy shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of PATH or PATH, raise any defense involving in any way the jurisdiction of the tribunal over the person of PATH or the Port Authority, the immunity of PATH or the Port Authority, their Directors, Commissioners, officers, agents or employees, the governmental nature of PATH or the Port Authority or the provisions of any statutes respecting suits against either of them. Such policies shall not exclude or except from their coverage damages arising out of injury to or destruction of property occupied or used by or rented to the Lessee, and shall include products liability and premises operations coverage and a contractual liability endorsement covering the obligations assumed by the Lessee under the Section of this Agreement entitled "*Indemnity; Liability Insurance.*"

(c) Such policies shall not contain any care, custody or control exclusions, or any exclusion for bodily injury to or sickness, disease or death of any employee of the Lessee or of any of its contractors which would conflict with or in any

way impair the coverages resulting from PATH's status as additional insured or the coverage under the contractual liability endorsement described in this subparagraph. Such insurance shall also contain an endorsement providing that the protection afforded the Lessee thereunder with respect to any claim or action against the Lessee by a third party shall pertain and apply with like effect with respect to any claim or action against the Lessee by PATH and against PATH by the Lessee, but such endorsement shall not limit, vary, change or affect the protections afforded PATH as an additional insured.

(d) In addition to the coverage referred to in paragraph (b) of Section 11 of the Lease and paragraph (a) of this Item 2, the Lessee in its own name as assured shall secure and keep in full force and effect throughout the term of the letting under this Agreement, at Lessee's sole cost and expense, a fire or other casualty policy insuring the full replacement value of all construction, installation and finishing work performed by the Lessee in the premises and the Lessee's furniture, trade fixtures, equipment and other personal property, such insurance to include a replacement cost endorsement, with a deductible of no more than \$1,000 against loss or damage by fire and theft and such other risks or hazards as are insurable under present or future forms of "All Risk" insurance policies.

(e) As to insurance of any type whatsoever required or permitted by any provision of this Agreement, a certified copy of each of the policies or a certificate or certificates evidencing the existence thereof, or binders, shall be delivered to PATH within twenty (20) days after the commencement date of the letting hereunder. In the event any binder is delivered, it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate including said endorsements and such waiver of subrogation. Within thirty (30) days after request of PATH made at any time during the term of the letting under this Agreement the Lessee shall deliver a certified copy of the policy to PATH. Each such copy or certificate shall contain a valid provision or endorsement that: (1) the policy may not be canceled, terminated, changed or modified, without giving ten (10) days written advance notice thereof to PATH, and (2) the Lessee shall be solely responsible for the payment of premiums therefor notwithstanding that PATH is named as an additional insured. A renewal policy shall be delivered to PATH at least fifteen (15) days prior to the expiration date of each expiring policy, except for any policy expiring after the date of expiration of the letting. If at any time any of the policies shall be or become unsatisfactory to PATH as to form or substance, or if any of the carriers issuing such policies shall be or become unsatisfactory to PATH the Lessee shall promptly obtain a new and satisfactory policy in replacement. Notwithstanding anything contained in this Section, it is specifically understood and agreed that PATH shall have the right upon notice to the Lessee given from time to time and at any time to require the Lessee to increase any or all of the limits set forth in this Section and the Lessee shall promptly comply therewith and shall promptly submit a certificate or certificates evidencing the same to PATH.

Item 3: (a) Heat and Air-Cooling:

Not to be sold, furnished or supplied by the Lessee.

(b) Electricity:

PATH will supply electricity only to the Retail Space on such days and during such hours as the Lessee conducts its business, solely for illumination, by which is meant the energizing of fluorescent and incandescent

bulbs (to be supplied, paid for and installed by the Lessee) and for operation of such machines and equipment as PATH may consent to in advance; however, the electricity supplied to the Retail Space shall not necessarily comply with the specifications nor have the characteristics set forth in Section 14 (a)(1) of the Lease. The charges for such electricity are included in the basic rental for the Retail Space, and the Lessee shall not be required to pay PATH separately for such electricity. PATH will not supply any electricity to the Storage Space at any time during the letting under the Lease.

(c) Domestic Hot and Cold Water:

Not to be sold, furnished or supplied by PATH to the Lessee.

THERE IS NO SUBPARAGRAPH (d)

(e) Steam:

Not to be sold, furnished or supplied by PATH to the Lessee.

(f) Gas:

Not to be sold, furnished or supplied by PATH to the Lessee.

Item 4: New Construction: As set forth in Section 46.

Item 5: Construction Liability Insurance Limits:

The limits of liability insurance shall be not less than the amounts specified in the Alteration Application referred to in Section 46 hereof.

Item 6: Cost and Proration Thereof:

(a) To the extent permitted by sound accounting practice, the sum of the following items of cost incurred by the Lessee for such equipment and fixtures and the installation thereof and the making of such improvements as are necessary to initially equip and improve the premises for the Lessee's commencement of operations hereunder, all as mentioned in the Section of the Agreement entitled "*Thirty Day Termination*", and to the extent that such sum does not exceed Two Hundred Fifty Thousand Dollars and No Cents (\$250,000.00) shall constitute items of "cost" under the said Section and under subdivisions (b), (c), (d), (e), (f) and (g) hereof:

(1) Direct labor and material costs;

(2) Contract costs for purchases and installations excluding those of the types mentioned in the following subdivision (3);

(3) Engineering, architectural, planning, designing, financing, interest, insurance and other overhead or carrying charges which are due for a period ending not later than the date of completion of installation of any such initial equipment, fixtures or improvements for which they are incurred, and not

to exceed 20% of the total of the amounts covered by subdivisions (1) and (2) above.

(b) A statement of the cost detailing all the foregoing including copies of invoices and contracts and certified by a responsible officer of the Lessee shall be delivered by the Lessee to PATH not later than ninety (90) days after the complete supplying and installing of all such initial fixtures or equipment and the making of all such initial improvements, and the Lessee shall permit PATH, by its agents, employees and representatives, at all reasonable times prior to a final settlement or determination of cost, to examine and audit the records and books of the Lessee which pertain to the cost; the Lessee agrees to keep such records and books of account within the Port of New York District during such time.

(c) If the Lessee includes in cost any item as having been incurred but which, in the opinion of PATH, was not so incurred or which, in the opinion of PATH, if so incurred is not an item properly chargeable to cost under sound accounting practice, then PATH, within ninety (90) days after receipt of the said statement of cost as mentioned in paragraph (b) above, shall give written notice to the Lessee stating its objection to any such item and the grounds therefor. If such notice is given and if the dispute is not settled within thirty (30) days by agreement between the parties, then such dispute shall be disposed of by arbitration in accordance with the then existing rules of the American Arbitration Association or any successor association. Costs of said arbitration shall be borne equally by PATH and the Lessee.

(d) In any such arbitration as to whether any item included by the Lessee in its computation of cost has been incurred, the question to be submitted to the arbitrators for decision shall be as follows:

“Was all or any part of such cost incurred by the Lessee; and if part but not all of such cost was incurred, what was the amount which was so incurred?”

(e) In any such arbitration as to whether any item included by the Lessee in its computation of cost is properly chargeable thereunder under sound accounting practice, the question to be submitted to the arbitrators for decision shall be as follows:

“Can it reasonably be held that all or any part of such cost is properly chargeable under sound accounting practice; and if part but not all of such cost can reasonably be held to be so chargeable, then what amount can reasonably be held to be so chargeable?”

The arbitrators to whom such question shall be submitted shall be accountants or auditors.

(f) The proration of cost as referred to in the section of the Agreement entitled “*Thirty Day Termination*” shall be ascertained by multiplying the cost by a fraction, the numerator of which shall be the number of whole calendar months (in the term of the letting as originally set forth) subsequent to the effective date of termination, and the denominator of which shall be the total number of months in the term of the letting as originally set forth.

(g) Notwithstanding any other provision of the Section of the Agreement entitled “*Thirty Day Termination*”, in ascertaining the amount that PATH

shall be obligated to pay to the Lessee under said Section, the cost computed as heretofore stated in this Item shall be diminished by the amount that any part of the components of cost as stated in subparagraphs (1), (2) and (3) of paragraph (a) above are secured by liens, mortgages, other encumbrances or conditional bills of sale on such equipment, fixtures and improvements and less any other amounts whatsoever due under this Agreement from the Lessee to PATH. In no event whatsoever shall cost, as defined and computed in accordance with this Item and as used in the Section of the Agreement entitled "Thirty Day Termination" and in this Item, include any expenses, outlays or charges whatsoever by or for the account of the Lessee for or in connection with any equipment or fixtures or the making of any improvements mentioned in said Section or in this Item unless said equipment, fixtures and/or improvements are actually and completely installed in and/or made to the premises.

Item 7: Cash Security: See Section 29

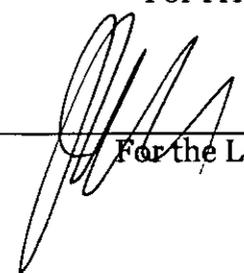

Item 8: Performance Bond: Not applicable.

For the Lessee

SCHEDULE E

For purposes hereof, Minority Business Enterprise (MBE) shall mean any business enterprise which is at least fifty-one percentum owned by one or more citizens or permanent resident aliens who are minorities and such ownership is real, substantial and continuing, or in the case of a publicly owned business, at least fifty-one percentum of the stock of which is owned by citizens or permanent resident aliens who are minorities and such ownership is real, substantial and continuing. As used herein minority shall mean an individual member of any of the following racial groups

(i) Black (all persons having origins in any of the Black African racial groups not of Hispanic origin;

(ii) Hispanic (all persons of Mexican, Puerto Rican, Dominican, Cuban, Central or South American origin, regardless of race);

(iii) Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asian, the Indian Subcontinent, or the Pacific Islands) which includes persons whose origins are from Japan, China, Taiwan, Korea, Vietnam, Laos, Cambodia, the Philippines, Samoa, Guam, the U.S. Trust Territories of the Pacific, the Northern Marianas, India, Pakistan, Bangladesh, and Sri Lanka; and

(iv) American Indian or Alaskan Native (all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification) which includes persons who are American Indians, Eskimos, Aleuts, or Native Hawaiians.

For the purposes hereof, Women-owned Business Enterprise (WBE) shall mean any business enterprise which is at least fifty-one percentum owned by one or more women and such ownership is real, substantial and continuing, or in the case of a publicly owned business, at least fifty-one percentum of the stock of which is owned by one or more women and such ownership is real, substantial and continuing. "Meaningful participation" shall mean that at least twelve percent (12%) of the total dollar value of the contracts (including subcontracts) are for the participation of Minority Business Enterprises, and that at least five percent (5%) of the total dollar value of the contracts (including subcontracts) are for the participation of Women-owned Business Enterprises. Good faith efforts to include

meaningful participation by MBEs and WBEs shall include at least the following:

(1) Dividing work into smaller portions where feasible.

(2) Actively and affirmatively soliciting bids and proposals for contracts or subcontracts to provide commodities and services from MBEs and WBEs including circulation of solicitations to minority and female contractor associations. The Lessee shall maintain records detailing the efforts it and its contractors have made to provide for meaningful MBE and WBE participation, including the names and addresses of all MBEs and WBEs contacted and, if any such MBE or WBE is not selected, the reason for such decision. The Lessee shall supply to PATH such information, data, and documentation with respect to the efforts the Lessee has made to provide for meaningful MBE and WBE participation in contracts and subcontracts as PATH may from time to time and at any time request.

(3) Providing prospective MBEs and WBEs with plans, specifications, and other necessary background materials with regard to prospective work available to MBEs and WBEs in sufficient time for review.

(4) Meeting regularly with representatives of PATH to identify forthcoming business opportunities and suitable MBEs and WBEs, following up on specific recommendations made by such representatives, and utilizing the list of eligible MBEs and WBEs hereinafter described in this Schedule, maintained by PATH, or seeking minorities and women from other sources for the purpose of soliciting contractors, subcontractors, and suppliers.

(5) Encouraging the formation of joint ventures, partnerships or other similar arrangements among contractors, where appropriate, to insure that the Lessee and its contractors will meet their obligations hereunder.

(6) Insuring that provision is made to provide progress payments to MBEs and WBEs on a timely basis, where appropriate.

(7) Not requiring bonds from and/or providing bonds and insurance for MBEs and WBEs, where appropriate.

PATH has compiled a list, which may be supplemented and revised from time to time by PATH, of the firms PATH has determined satisfy the criteria for MBE and WBE certification. Such list shall be made available to the Lessee and its contractors upon request. PATH makes no representation as to the financial responsibility of such firms, their technical competence to perform, or any other performance-related qualifications. Only listed MBEs and WBEs and such firms as are not so listed but as are certified by PATH as MBEs and WBEs hereunder will count toward the MBE and WBE goals.

Certification of MBE's and WBEs hereunder shall be made by the Office of Business and Job Opportunity of PATH. If the Contractor wishes to utilize a firm not so listed but which the Contractor believes should be certified because it is an MBE or WBE the Contractor shall submit to PATH a written request for a determination that the proposed firm is eligible for certification. This shall be done by completing and forwarding such form as may be required by PATH from time to time. All such requests shall be in writing addressed to Mr. John Alexander or other designee of the Office of Business and Job Opportunity, PATH of New York and New Jersey, One World Trade Center, 37 South, New York, N.Y. 10048. If any such firm is determined eligible for certification it shall only be by a writing over the name of the Director in charge of such Office. The determination of PATH shall be final and binding on the Contractor. For inquiries or assistance, please contact Mr. John Alexander at (212) 432-4188.

The following organizations may be able to refer the Contractor to firms which the referring organization has a reasonable basis to believe may meet PATH's criteria for certification as an MBE or WBE. Any referrals which are not listed shall be submitted to PATH for a determination as to eligibility as provided above.

1. National Minority Bus.

In the event that the participation of any MBE or WBE selected by the Lessee or any of its contractors to participate in any contracts or subcontracts entered into with respect to any construction work performed on the premises, is cancelled or terminated for any reason, the Lessee agrees and agrees to require its contractors to make every good faith effort, to the

maximum extent feasible, and consistent with the Lessee's exercise of good business judgment, including, without limitation, the consideration of cost competitiveness, to utilize other MBEs and WBEs so as to maintain appropriate participation by MBEs and WBEs in such contracts.

Labor Force Utilization

Without limiting the foregoing provisions of this Schedule, and without limiting any of the terms and conditions of the Agreement to which this Schedule is attached, the Lessee agrees and agrees to require its construction and maintenance contractors and subcontractors at each tier of any construction undertaken pursuant to the provisions of the Agreement to which this Schedule is attached to make good faith efforts to achieve a supervisory and non-supervisory work force on each contract that is representative of the local community labor force with respect to minority and female participation and will work with PATH's Office of Business and Job Opportunity to identify referral sources when needed. The Lessee will cooperate with PATH to develop on the job training programs and will participate in apprenticeship and other training programs that expressly include minority and female workers. The Lessee agrees to require its contractors and subcontractors to participate in such programs and to make a good faith effort to utilize apprentices or other trainees in the work as appropriate. The Lessee agrees to and shall require its contractors and subcontractors to appoint an executive of their respective companies to assume the responsibility for the implementation of the contractors' good faith efforts to achieve minority and female participation in the work force under the contract.

The goals for minority and female participation, expressed in percentage terms for the aggregate workforce in each trade on all construction work are as follows:

Journey level trade workers

Minority participation: 30%

Female participation: 6.9%

Laborers and other unskilled workers

Minority participation: 40%

Female participation: 6.9%

These goals are applicable to all construction work performed in and for the premises. Compliance with the goals will be measured against the total work hours performed.

(a) The Lessee agrees to require its contractors and subcontractors to provide written notification to the Lessee and the Lessee agrees to provide written notification to the Office of Business and Job Opportunity of PATH within 10 working days of award of any construction contract or subcontract in excess of \$10,000.00 at any tier for construction work. The notification shall list the name, address, telephone number and employer identification number of the contractor or subcontractor; and the estimated starting and completion dates of the contract or subcontract. As used herein, "Employer identification number" shall mean the Federal Social Security Number used on the Employer's Quarterly Federal Tax Return, U.S. Treasury Department Form 941. The term minority shall mean an individual member of any of the racial groups described in this Schedule.

(b) The Lessee agrees to require its contractors and subcontractors, at any tier, whenever they subcontract a portion of the construction work involving any construction trade, to physically include in each subcontract in excess of \$10,000 those provisions which include the applicable goals for minority and female participation.

(c) The Lessee agrees to require its contractors and subcontractors to implement the specific affirmative action standards provided in subparagraphs (1) through (16) of paragraph (f) hereof. The goals set forth above are expressed as percentages of the total hours of employment and training of minority and female utilization the Lessee's contractors and subcontractors should reasonably be able to achieve in each construction trade in which it has employees on the premises. The Lessee agrees and agrees to require its contractors and subcontractors to use good faith efforts to make substantially uniform progress toward its goals in each craft during the period specified.

(d) The Lessee agrees to provide in its construction contracts that neither the provisions of any collective bargaining agreement, nor the failure by a union with which the contractor has a collective bargaining agreement, to refer either minorities or women shall excuse the contractor's obligations thereunder.

(e) The Lessee further agrees to provide in its agreements with its contractors that in order for the nonworking training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees shall be employed by the contractor during the training period, and the contractor shall have made a commitment to employ the apprentices and trainees at the completion of their training, subject to the availability of employment opportunities. Trainees shall be trained pursuant to training programs approved by the U. S. Department of Labor.

(f) The Lessee agrees to require its contractors and subcontractors to take specific affirmative actions to ensure equal employment opportunity ("EEO"). The Lessee's evaluation of the contractor's compliance with these provisions shall be based upon the contractor's good faith effort to achieve maximum results from its actions. The Lessee agrees to require its contractors and subcontractors to document these efforts fully, and to implement affirmative action steps at least as extensive as the following:

(1) Ensure and maintain a working environment free of harassment, intimidation, and coercion at all portions of the premises at which the contractor's employees are assigned to work. The contractor, where possible, will assign two or more women to each phase of the construction project. The contractor shall specifically ensure that all foremen, superintendents, and other supervisory personnel at the premises are aware of and carry out the contractor's obligation to maintain such a working environment, with specific attention to minority or female individuals working at the premises.

(2) Establish and maintain a current list of minority and female recruitment sources, provide written notification to minority and female recruitment sources and to community organizations when the contractor or its unions have employment opportunities available, and maintain a record of the organizations' responses.

(3) Maintain a current file of the names, addresses and telephone numbers of each minority and female off-the-street applicant and minority or female referral from a union, a recruitment source or community organization and of what action was taken with respect to each such individual. If such individual was sent to the union hiring hall for referral and was not referred back to the contractor by the union or, if referred, not employed by the contractor, this shall be documented in the file with the reason therefor, along with whatever additional action the contractor may have taken.

(4) Provide immediate written notification to the Lessee when the union or unions with which the contractor has a collective bargaining agreement has not referred to the contractor a minority person or woman, sent by the contractor, or when the contractor has other information that the union referral process has impeded the contractor's efforts to meet its obligations.

(5) Develop on-the-job training opportunities and/or participate in training programs for the area which expressly include minorities and women, including upgrading programs and apprenticeship and trainee

programs relevant to the contractor's employment needs, especially those programs funded or approved by the Department of Labor. The contractor shall provide notice of these programs to the sources compiled under subparagraph (2) above.

(6) Disseminate the contractor's EEO policy by providing notice of the policy to unions and training programs and requesting their cooperation in assisting the contractor in meeting its EEO obligations; by including it in any policy manual and collective bargaining agreement; by publicizing it in the contractor's newspaper, annual report, etc.; by specific review of the policy with all management personnel and with all minority and female employees at least once a year; and by posting the contractor's EEO policy on bulletin boards accessible to all employees at each location where the construction work is performed.

(7) Review, at least every six months, the contractor's EEO policy and affirmative action obligations hereunder with all employees having any responsibility for hiring, assignment, layoff, termination or other employment decisions including specific review of these items with on-area supervisory personnel such as Superintendents, General Foremen, etc., prior to the initiation of construction work at the premises. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed, and disposition of the subject matter.

(8) Disseminate the contractor's EEO policy externally by including it in any advertising in the news media, specifically including minority and female news media, and providing written notification to and discussing the contractor's EEO policy with other contractors and subcontractors with whom the contractor does or anticipates doing business.

(9) Direct its recruitment efforts, both oral and written, to minority, female and community organizations, to schools with minority and female students, to minority and female recruitment and training organizations and to State certified minority referral agencies serving the contractor's recruitment area and employment needs. Not later than one month prior to the date for the acceptance of applications for apprenticeship or other training by any recruitment source, the contractor shall send written notification to organizations such as the above, describing the openings, screening procedures, and tests to be used in the selection process.

(10) Encourage present minority and female employees to recruit other minority persons and women and, where reasonable, provide after school, summer and vacation employment to minority and female youth both on the premises and in other areas of a contractor's workforce.

(11) Tests and other selection requirements shall comply with 41 CFR Part 60-3.

(12) Conduct, at least every six months, an inventory and evaluation of all minority and female personnel for promotional opportunities and encourage these employees to seek or to prepare for, through appropriate training, etc., such opportunities.

(13) Ensure that seniority practices, job classifications, work assignments and other personnel practices, do not have a discriminatory effect by continually monitoring all personnel and employment related activities to ensure that the EEO policy and the contractor's obligations hereunder are being carried out.

(14) Ensure that all facilities and company activities are nonsegregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure privacy between the sexes.

(15) Document and maintain a record of all solicitations of offers for subcontracts from minority and female construction contractors and suppliers, including circulation of solicitations to minority and female contractor associations and other business associations.

(16) Conduct a review, at least every six months, of all supervisors' adherence to and performance under the contractor's EEO policies and affirmative action obligations.

(g) The Lessee shall encourage its contractors to participate in voluntary associations which assist in fulfilling one or more of the affirmative action obligations set forth in subparagraphs (1)-(16) of paragraph (f) of this Section. The efforts of a contractor association, joint contractor-union, contractor-community, or other similar group of which the contractor is a member and participant, may be asserted as fulfilling any one or more of its obligations under paragraph (f) hereof provided that: the contractor actively participates in the group, makes every effort to assure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the program are reflected in the contractor's minority and female workforce participation,

makes a good faith effort to meet its individual goals and timetables, and can provide access to documentation which demonstrates the effectiveness of actions taken on behalf of the contractor. The requirement for good faith efforts to comply, however, shall remain with the contractor and the Lessee shall provide in its agreements with the contractor that failure of such a group to fulfill an obligation shall not be a defense for the contractor's non-compliance.

(h) Goals for minorities and a separate single goal for women have been established. The Lessee, however, agrees to require its contractors and subcontractors to provide equal employment opportunity and to take affirmative action for all minority groups, both male and female, and all women, both minority and non-minority, and to provide that consequently, the contractor may be in violation of its agreement with the Lessee if a particular group is employed in a substantially disparate manner (for example, even though the contractor has achieved its goals for women generally, the contractor may be in violation if a specific minority group of women is under-utilized).

(i) The Lessee agrees to provide that the contractor shall not use the goals and timetables or affirmative action standards to discriminate against any person because of race, color, religion, sex, or national origin.

(j) The Lessee agrees that it will not enter into any contract with any person or firm debarred from Government contracts pursuant to Executive Order 11246, and agrees to require that its contractors and subcontractors not enter into any subcontract with any such person or firm.

(k) The Lessee agrees to carry out such sanctions and penalties for violation of these provisions including suspension, termination and cancellation of existing contracts and subcontracts as may be required and the Lessee further agrees to require its contractors and subcontractors to agree to carry out such sanctions and penalties for violation of these provisions including suspension, termination and cancellation of existing contracts and subcontracts as may be imposed or ordered by the Lessee.

(l) The Lessee agrees to require its contractors and subcontractors, in fulfilling their obligations to the Lessee, to implement specific affirmative action steps, at least as extensive as those standards prescribed in paragraph (f) hereof so as to achieve maximum results from their efforts to ensure equal employment opportunity. If the contractor fails to comply with such requirements, the Lessee shall proceed accordingly.

(m) The Lessee agrees to require its contractors and subcontractors to designate a responsible official to monitor all employment related activity to ensure that the company EEO policy

is being carried out, to submit reports relating to the contractor's EEO obligations as may be required, and to keep records. Records shall at least include for each employee the name, address, telephone numbers, construction trade, union affiliation if any, employee identification number when assigned, social security number, race, sex, status (e.g. mechanic, apprentice, trainee, helper, or laborer), date of changes in status, hours worked per week in the indicated trade, rate of pay, and location at which the work was performed. Records shall be maintained in an easily understandable and retrievable form; however, to the degree that existing records satisfy this requirement, contractors need not be required to maintain separate records.

(n) Nothing herein provided shall be construed as a limitation upon the application of any laws which establish different standards of compliance or upon the application of requirements for the hiring of local or other area residents (e.g., those under the Public Works Employment Act of 1977 and the Community Development Block Grant Program).

(o) Without limiting any other term or provision of this Agreement, the Lessee agrees and agrees to require its contractors and subcontractors to cooperate with all federal, state, or local agencies established for the purpose of implementing affirmative action compliance programs and the Lessee agrees and agrees to require its contractors and subcontractors to comply with all procedures which may be agreed to by and between PATH and the Lessee.

(p) In addition to and without limiting any of the terms and provisions of this Agreement, the Lessee agrees to provide in its contracts and all subcontracts covering construction work, or any portion thereof, that:

(i) The contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, and shall undertake or continue existing programs of affirmative action to ensure that minority group persons are afforded equal employment opportunity without discrimination. Such programs shall include, but not be limited to, recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, rates of pay or other forms of compensation, and selections for training or retraining, including apprenticeships and on-the-job training;

(ii) At the request of either PATH or the Lessee, the contractor shall request such employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding and which is involved in the performance of the contract with the Lessee to furnish a written statement that such employment

agency, labor union or representative shall not discriminate because of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will cooperate in the implementation of the contractor's obligations hereunder;

(iii) The contractor will state, in all solicitations or advertisements for employees placed by or on behalf of the contractor in the performance of the contract, that all qualified applicants will be afforded equal employment opportunity without discrimination because of race, creed, color, national origin, sex, age, disability or marital status;

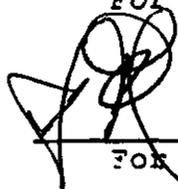

(iv) The contractor will include the provisions of subdivisions (i) through (iii) of this paragraph in every subcontract or purchase order in such a manner that such provisions will be binding upon each subcontractor or vendor as to its work in connection with the contract;

(v) "Contractor" as used in subdivisions (i) through (iv) of this paragraph shall include each contractor and subcontractor at any tier of construction.

SUPPLEMENTAL AGREEMENT

THIS AGREEMENT, dated as of the 30th day of November, 2006, by and between **PORT AUTHORITY TRANS-HUDSON CORPORATION** (hereinafter called "PATH") and **AIRPORT MANAGEMENT SERVICES, LLC, d/b/a HUDSON NEWS**, a limited liability company organized and existing under and by virtue of the laws of the State of New Jersey, having an office and place of business at One Meadowlands Plaza, Suite 902, East Rutherford, New Jersey 07073, whose representative is Joseph DiDomizio (hereinafter called the "Lessee"),

WITNESSETH, That:

WHEREAS, PATH and the Lessee heretofore and as of November 22, 2003, entered into a lease agreement identified above by PATH Lease Number covering premises located at the temporary PATH Station constructed at the site of the World Trade Center in the City, County and State of New York (hereinafter called the "Lease"); and

WHEREAS, PATH and the Lessee desire to extend the term of the letting under the Lease for an additional period hereinafter described and to amend the Lease in certain other respects;

NOW, THEREFORE, for and in consideration of the covenants and mutual agreements herein contained, PATH and the Lessee hereby agree as follows:

1. The term of the letting under the Lease is hereby extended for the period from and after December 1, 2006 through and including October 31, 2007, unless sooner terminated, at the basic rental set forth in the Lease, payable at the times and in the manner set forth therein. In addition to the foregoing annual basic rental, the Lessee shall continue to pay the additional basic rental set forth the Lease determined in accordance with the provisions of the Schedule A attached to said Supplement.

2. Effective as of the date of this Agreement, the provisions of Section 34 of the Lease shall be deemed deleted in their entirety, and the following shall be deemed inserted in lieu thereof:

"All payments required of the Lessee by this Agreement shall be made to:

Port Authority Trans-Hudson Corporation
P.O. Box 95000-1538
Philadelphia, Pennsylvania 19195-1538

or sent by wire transfer as follows:

Bank: Commerce Bank
Bank ABA Number: 026013673
Account No. (Ex. 1)

3. The Lessee represents and warrants that no broker has been concerned in the negotiation or execution of this Agreement or the extension of the term of the letting hereunder and that there is no broker who is or maybe entitled to be paid a commission in connection therewith. The Lessee shall indemnify and save harmless PATH of and from any and all claims for commission or brokerage made by any and all persons, firms or corporations whatsoever for services in connection with the negotiation and execution of this Agreement or the extension of the term of the letting hereunder.

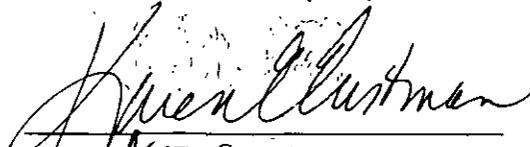

4. Neither the Directors of PATH, nor any of them, nor any officer, agent or employee thereof, shall be charged personally by the Lessee with any liability, or be held liable to it under any term or provision of this Agreement, or because of its execution or attempted execution or because of any breach thereof.

5. As hereby amended, all the terms, covenants, provisions, conditions and agreements of the Lease shall be and remain in full force and effect.

6. This Agreement and the Lease which it amends and supplements constitute the entire agreement between PATH and the Lessee on the subject matter and may not be changed, modified, discharged or extended except by instrument in writing duly executed on behalf of both PATH and the Lessee. The Lessee agrees that no representations or warranties shall be binding upon PATH unless expressed in writing in the Lease or this Agreement.

IN WITNESS WHEREOF, PATH and the Lessee have executed these presents as of the date first above written.

THIS AGREEMENT, made as of November 29, 2005, by and between PORT AUTHORITY TRANS-HUDSON CORPORATION (hereinafter called "PATH"), a corporation organized and existing under the laws of the States of New York and New Jersey, and having an office at One PATH Plaza in the City of Jersey City, County of Hudson, State of New Jersey, and HUDSON NEWS COMPANY, a corporation organized and existing under the laws of the State of New Jersey having an office and place of business at One Meadowlands Plaza, Suite 902, East Rutherford, New Jersey 07063 (hereinafter called the "Lessee") whose representative is Joseph DiDomizio,

WITNESSETH That:

PATH and the Lessee, for and in consideration of the rents, covenants and agreements hereinafter contained, mutually covenant and agree as follows:

Section 1. Letting

PATH hereby lets to the Lessee and the Lessee hereby hires and takes from PATH, in the City, County and State of New York at the PATH 33rd Street Station, Platform Level: (a) the two spaces shown in diagonal hatching on the sketch annexed hereto, hereby made a part hereof and marked "Exhibit A," together with the fixtures, improvements and other property of PATH located or to be located therein or thereon, the said spaces, consisting of approximately 555 square feet of space and approximately 451 square feet of space, together with such fixtures, improvements and other property of PATH, being sometimes hereinafter referred to as the "Retail Space;" and (b) the two spaces shown in crosshatching on Exhibit A, together with the fixtures, improvements and other property of PATH located or to be located therein or thereon, the said spaces, consisting of approximately 447 square feet of space and approximately 271 square feet of space, together with such fixtures, improvements and other property of PATH, being sometimes hereinafter referred to as the "Storage Space;" the Retail Space and the Storage Space being sometimes hereinafter jointly referred to as the "premises." PATH and the Lessee hereby acknowledge that the aforesaid premises constitutes non-residential real property.

Section 2. Term

The term of the letting of the premises under this Agreement shall commence at 12:01 o'clock A.M. on December 1, 2001 (which date is sometimes hereinafter referred to as the "Effective Date") and shall, unless sooner terminated or unless extended, expire at 11:59 o'clock P.M. on November 30, 2011.

Section 3. Rights of User by the Lessee

The Lessee shall use the Retail Space for the following purposes only and for no other purpose whatsoever: for the construction and operation of a newsstand for the sale, at retail, of products only in the following categories: newspapers, magazines and books, packaged food items, tobacco products, convenience items, lottery tickets issued by the Lottery Division of the New York State Department of Taxation and Finance, and mass transit travel tickets, such as PATH QuickCards. Sales inconsistent with the unique nature and significance of the events of September 11, 2001 will not be among those permitted by this Agreement, including but not limited to sales of souvenirs, toys and other materials whose sales are inconsistent with the unique nature and significance of the events of that date. The Lessee shall use the Storage Space solely for storage purposes in connection with its permitted business activities in the Retail Space and for no other purpose or purposes whatsoever.

Section 4. Rental

(a) The Lessee agrees to pay to PATH a basic rental for the Retail Space and for the Storage Space at the rates as set forth in Item 1 of Exhibit B attached hereto and hereby made a part hereof.

(b) The Lessee agrees to pay to PATH the percentage rental, if any, set forth in Item 1 of Exhibit B.

(c) The time for making payments of rental and the method of computation and abatement thereof are set forth in Item 1 of Exhibit B.

Section 5. Obligations in Connection with Any Percentage Rental

If any rental hereunder is measured by a percentage of the Lessee's gross receipts, the Lessee shall:

(a) Take all reasonable measures in every proper manner to maintain, develop and increase the business conducted by it hereunder;

(b) Not divert or cause or allow to be diverted any business from the premises;

(c) Maintain in accordance with accepted accounting practice during the letting and for one year thereafter and for such further period until the Lessee shall receive written permission from PATH to do otherwise, records and books of account recording all transactions at, through, or in anywise connected with the premises, which records and books of account shall be kept at all times within the Port of New York District and permit, in ordinary business hours during

such time, the examination and audit by the officers, employees and representatives of PATH of such records and books of account and also any records and books of account of any company which is owned or controlled by the Lessee, if said company performs services, similar to those performed hereunder by the Lessee, anywhere in the Port of New York District;

(d) Permit in ordinary business hours the inspection by the officers, employees and representatives of PATH of any equipment used by the Lessee, including but not limited to cash registers and recording tapes;

(e) Furnish on or before the twentieth day of each month following the commencement date of the letting a sworn statement of gross receipts arising out of the operations of the Lessee hereunder for the preceding month;

(f) Install and use such cash registers, sales slips, invoicing machines and any other equipment or devices for recording orders taken or services rendered as may be appropriate to the Lessee's business and necessary or desirable to keep accurate records of gross receipts.

Section 6. Governmental Requirements

(a) The Lessee shall procure from all governmental authorities having jurisdiction over the operations of the Lessee at the premises all licenses, certificates, permits or other authorization which may be necessary for the conduct of its operations.

(b) The Lessee shall pay all taxes, license, certification, permit and examination fees and excises which may be assessed, levied, exacted or imposed on its property or operation hereunder or, on the gross receipts or income therefrom, and shall make all applications, reports and returns required in connection therewith.

(c) The Lessee shall promptly observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions which may pertain or apply to the operations of the Lessee on the premises or its occupancy thereof, and the Lessee shall, in accordance with and subject to the provisions of Section 15 hereof, make any and all structural and nonstructural improvements, alterations or repairs of the premises that may be required at any time hereafter by any such present or future law, rule, regulation, requirement, order or direction.

(d) The obligation of the Lessee to comply with governmental requirements is provided herein for the purpose of assuring proper safeguards for the protection of persons and property on the premises and a proper operation by the Lessee. Such provision is not to be construed as a submission by PATH to the application to itself of such requirements or any of them.

Section 7. Rules and Regulations

The Lessee covenants and agrees to observe and obey (and to compel its officers, members, employees, agents, representatives, contractors, customers, guests, invitees and those doing business with it to observe and obey) present and future rules and regulations of PATH for the Facility or building.

Section 8. Various Obligations of the Lessee

(a) The Lessee shall conduct its operations in an orderly and proper manner and so as not to annoy, disturb or be offensive to others. The Lessee shall take all reasonable measures to eliminate vibrations tending to damage the premises and to keep the sound level of its operations as low as possible.

(b) The Lessee shall control the conduct, demeanor and appearance of its officers, members, employees, agents, representatives, contractors, customers, guests, invitees and those doing business with it, and upon objection from PATH concerning the conduct, demeanor or appearance of any such shall immediately take all steps necessary to remove the cause of the objection.

(c) No garbage, debris or other waste materials (whether solid or liquid) shall be allowed to collect or accumulate in the premises and the Lessee shall remove from the premises and from the building and Facility, which the premises may be a part, all garbage, debris and other waste materials (whether solid or liquid) arising out of its occupancy or use of the premises. The Lessee shall use extreme care when effecting removal of all such waste and in no event shall use any facilities of PATH without its prior consent in writing and shall effect such removal only during such hours as are prescribed by PATH.

(d) If the premises have an entrance or exit opening out on a sidewalk the Lessee shall keep all sidewalks and curbs adjacent to the premises and all exclusive lobbies, vestibules and steps free from snow, ice, dirt and rubbish.

(e) If PATH deems it advisable for security reasons the Lessee shall provide and its employees shall wear or carry badges or other suitable means of identification which shall be subject to the prior written approval of PATH.

(f) If the Lessee is permitted under this Agreement to sell food and/or beverages, it shall, in connection with any preparation, packaging, handling, storage, delivery and dispensing of such food and/or beverages, comply with the following:

(1) Its employees shall wear clean, washable uniforms and female employees shall wear caps or nets. The employees shall be clean in their habits and shall thoroughly wash their hands before beginning work and immediately after each visit to the toilet and shall keep

them clean during the entire work period. No person affected with any disease in a communicable form or who is a carrier of such disease shall work or be permitted to work for the Lessee.

(2) All food and beverages shall be clean, fresh, pure, of first class quality and safe for human consumption.

(3) The premises and all equipment and materials used by the Lessee shall at all times be clean, sanitary, and free from rubbish, refuse, dirt, offensive or unclean material, flies and other insects, rodents and vermin. All apparatus, utensils, devices, machines and piping used by the Lessee shall be constructed so as to facilitate the cleaning and inspection thereof and shall be properly cleaned after each period of use (which shall at no time exceed eight hours) with hot water and a suitable soap or detergent and shall be rinsed by flushing with hot water. Where deemed necessary by PATH, final treatment by live steam under pressure or other sterilizing procedure shall be used. All trays, dishes, crockery, glassware, cutlery, and other equipment of such type shall be cleaned and sterilized immediately before using same.

(4) All packing materials, including but not limited to wrappers, stoppers, caps, enclosures and containers, shall be clean and sterile and shall be so stored as to be protected from dust, dirt, flies and other insects, rodents, vermin, unsanitary handling and unclean materials.

(5) It is intended that the standards and obligations imposed by this subdivision (f) shall be maintained or complied with by the Lessee in addition to its compliance with all applicable governmental laws, ordinances and regulations, and in the event that any of said laws, ordinances and regulations shall be more stringent than such standards and obligations, the Lessee agrees that it will comply with such laws, ordinances and regulations in its operations hereunder.

(g) In the event that all or any portion of the premises is required by PATH to comply with any present or future governmental law, rule, regulation, requirements, order or direction, PATH shall give the Lessee notice that all or any such portion of the premises is so required, and the Lessee shall deliver all or any such portion of the premises so required on the date specified in such notice, and, if the Lessee does not so deliver, PATH may take the same. No such taking or delivery shall be or be construed to be an eviction of the Lessee or a breach of any present or future governmental law, rule, regulation, requirements, order or direction, PATH shall give the Lessee notice that all or any such portion of the premises is so required and the Lessee shall deliver all or any such portion of the premises so required on the date specified in such notice and if the Lessee does not so deliver, PATH may take the same. In the event that the Lessee has received a notice hereunder it shall deliver all or any such portion of the premises so required in the same condition as that required hereunder for the delivery of the premises on the cessation of the letting. In the event of the taking or delivery of all the premises, this Agreement and the letting hereunder shall on the day of such taking or delivery cease and expire as if that day were the date originally stated herein for the expiration of this Agreement; and, in the event of the taking or delivery of any portion of the premises, then, from and after such taking or delivery, such portion of the premises shall cease to be a part of the premises hereunder. There shall be an abatement of the rental in the event of any such taking or delivery of a portion of the premises if so provided in Item 1 of Exhibit B.

Section 9. Prohibited Acts

The Lessee shall not: (a) commit any nuisance on the premises, or do or permit to be done anything which may result in the creation or commission of a nuisance on the premises; (b) cause or produce or permit to be caused or produced upon the premises, or to emanate therefrom, any unusual, noxious or objectionable smokes, gases, vapors, or odors; (c) use the premises for lodgings or sleeping purposes or for any immoral purposes; (d) install window shades or venetian blinds on the windows of the premises unless and until the type, size and color of the same shall have been previously approved in writing by PATH; (e) obstruct or permit the obstruction of light, air or passage in the building or Facility of which the premises may be a part; (f) do or permit to be done anything which may interfere with the effectiveness or accessibility of existing and future utilities systems or portions thereof on the premises, including therein, without limitation thereto, systems for the supply of heat, water hot and cold, gas, electricity and fuel and for the furnishing of fire-alarm, fire-protection, sprinkler, sewerage, drainage, air-conditioning, telephone, telegraph, tele-register, pneumatic-tube dispatch and intercommunications services, including lines, pipes, mains, wires, conduits and equipment connected with or appurtenant to all such systems, nor do or permit to be done anything which may interfere with free access and passage in the premises, or in the building or Facility of which the premises may be a part, or in the streets and sidewalks adjacent thereto; (g) do or permit to be done anything which may interfere with the effectiveness or accessibility of any elevators or escalators, including lines, pipes, wires, conduits and equipment connected with or appurtenant thereto; (h) overload any floor in the premises; (i) place any furniture, machine or equipment over any expansion or contraction joint unless one end of such furniture, machine or equipment is free to permit expansion or contraction; (j) place any additional lock of any kind upon any window or interior or exterior door in the premises unless a key therefor is delivered to PATH, nor make any change in any existing door or window lock or the mechanism thereof, except with the prior written approval of PATH, and upon the expiration or sooner termination of the letting hereof, the Lessee shall surrender to PATH any and all keys to interior and exterior doors on the premises, whether said keys were furnished to or were otherwise procured by the Lessee, and in the event of the loss of any keys furnished by PATH to the Lessee, the Lessee shall pay to PATH on demand the cost of replacement thereof; (k) do or permit to be done any act or thing upon the premises which will invalidate or conflict with any insurance policies covering the premises or any part thereof or covering the building or Facility of which the premises may be a part, or which, in the opinion of PATH, may constitute an extra hazardous condition so as to increase the risks normally attendant upon the operations contemplated by Section 3 hereof, and the Lessee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the New York Board of Fire Underwriters, the New York Fire Insurance Exchange, or if the premises are located in New Jersey of the National Board of Fire Underwriters, the Fire Insurance Rating Organization of N.J., or of any other board or organization exercising or which may exercise similar functions that may pertain or apply to the operations of the Lessee on the premises, and the Lessee shall subject to and in accordance with the provisions of Section 15 hereof, make any and all nonstructural improvements, alterations or repairs of the premises that may be required at any time hereafter by any such present or future rule, regulation, requirement, order or direction, and if by reason of any failure on the part of the Lessee to comply with the provisions of this subdivision, any insurance rate on the premises or any part

thereof, or on the building or Facility of which the premises may be a part, shall at any time be higher than It otherwise would be, then the Lessee shall pay to PATH on demand that part of all insurance premiums paid by PATH which shall have been charged because of such violation or failure by the Lessee; (l) unless otherwise expressly permitted so to do elsewhere in this Agreement, install, maintain or operate, or permit the installation, maintenance or operation on the premises of any vending machine or device designed to dispense or sell food, beverages, tobacco products or merchandise of any kind, whether or not included in the above categories, or of any restaurant, cafeteria, kitchen, stand or other establishment of any type for the preparation, dispensing or sale of food, beverages, tobacco or tobacco products, or of any telephone paystations.

Section 10. Maintenance and Repair

(a) The Lessee shall at all times keep in a clean and orderly condition and appearance the premises and all the Lessee's fixtures, equipment and personal property.

(b) The Lessee shall repair, replace, rebuild and paint all or any part of the premises, or of the building or Facility of which the premises may be a part, including therein, without limitation thereto, walls, partitions, floors, ceilings, columns, windows, doors, glass of every kind, fixtures, systems for the supply of heat, water hot and cold, gas, electricity and fuel and for the furnishing of fire-alarm, fire-protection, sprinkler, sewerage, drainage, air-conditioning, telephone, tele-register, pneumatic-tube dispatch and inter communication services, including lines, pipes, mains, wires, conduits and equipment connected with or appurtenant to all such systems that may be damaged or destroyed by the acts or omissions of the Lessee, its officers, members, employees, agents, representatives, contractors, customers, guests, Invitees or other persons doing business with it.

(c) The Lessee shall take good care of the premises, including therein, without limitation thereto, walls, partitions, floors, ceilings, columns, windows, doors, glass of every kind fixtures, and shall make or do all nonstructural repairs, replacements, rebuilding and painting necessary to keep the premises in the condition existing as of the commencement date of the letting and to keep all improvements and fixtures made or installed subsequent to the commencement date of the letting in the condition existing as of the date such improvements are made and such fixtures installed.

(d) The Lessee shall not lay any linoleum, asphalt tile or other such affixed floor covering in direct contact with the floor of the premises. If the Lessee lays any linoleum, asphalt tile or other such affixed covering on the floor of the premises, an interlining of builder's deadening felt shall first be affixed to the floor with water-soluble paste or other water-soluble material, the use of cement or other adhesive non-soluble in water being expressly prohibited.

(e) The Lessee shall maintain and pay the premiums on a policy of plate and mirror glass insurance covering all plate and mirror glass which is a part of or is located on or in the premises and shall replace any of such plate or mirror glass which is damaged or destroyed from any cause whatsoever.

(f) In the event that as a result of any casualty, the premises are damaged without the fault of the Lessee, its officers, members, employees, agents, representatives, contractors, customers, guests, invitees or other persons doing business with it, so as to render them untenable in whole or part, then

(1) If in the opinion of PATH the necessary repairs or rebuilding can be completed within ninety (90) days after the occurrence of the damage, PATH shall repair or rebuild with due diligence, and the rental hereunder shall, if so provided in item 1 of Exhibit B, be abated only for the period from the occurrence of the damage to the completion of the repairs or rebuilding, whether or not the work of repair or rebuilding is actually completed within the said ninety (90) days; or

(2) If in the opinion of PATH such repairs or rebuilding cannot be completed within ninety (90) days after the occurrence of the damage or if the entire premises require rebuilding, then PATH shall have options: (i) to proceed with due diligence to repair or to rebuild as necessary; or (ii) to terminate the letting as to the damaged portion of the premises only, or (iii) to cancel this Agreement and terminate the letting as to the entire premises; and the rental hereunder shall, if so provided in Item 1 of Exhibit B, be abated, either, as the case may require, for the period from the occurrence of the damage to the completion of repairs and rebuilding or for the period from the occurrence of the damage to the effective date of termination.

(g) The parties hereby stipulate that if the premises are in the State of New Jersey neither the provisions of Titles 46:8-6 and 46:8-7 of the Revised Statutes of New Jersey nor those of any other similar statute shall extend or apply to this Agreement, and if the premises are in the State of New York, neither the provisions of Section 227 of the Real Property Law of New York, nor those of any other similar statute shall extend or apply to this Agreement.

(h) In the event of a partial or total destruction of the premises, the Lessee shall immediately remove any and all of its property and/or debris from the premises or the portion thereof destroyed, and if the Lessee does not promptly so remove, PATH may remove such property to a public warehouse for deposit or retain the same in its own possession and sell the same at public auction, the proceeds of which shall be applied first to the expenses of removal, storage and sale, second to any sums owed by the Lessee to PATH, with any balance remaining to be paid to the Lessee; if the expenses of such removal, storage and sale shall exceed the proceeds of sale, the Lessee shall pay such excess to PATH upon demand.

Section 11. Indemnity; Liability Insurance

(a) The Lessee shall indemnify and hold harmless PATH, its Directors, officers, agents, representatives and employees from all claims and demands of third persons, including but not limited to those due to death or personal injuries or for property damage arising wholly or partially out of the use or occupancy of the premises by the Lessee or out of any of the acts or omissions of the Lessee, its officers, members, employees, agents, representatives, contractors, customers, guests, invitees, and other persons doing business with it where such acts or omissions

are on the premises or, if the premises are a part of a Facility or of a building, out of any acts or omissions of the Lessee, its officers, members, employees, agents and representatives, where such acts or omissions are elsewhere in the Facility or the building. Such indemnification shall include all expenses incurred or assumed in connection with such claims and demands.

(b) In addition to the obligations set forth in the above subdivision, the Lessee in its own name as assured shall maintain and pay the premiums on a policy or policies of comprehensive public liability insurance, including products liability, which shall cover its operations hereunder and shall be effective throughout the letting, in limits not lower than those set out in Item 2 of Exhibit B.

(c) PATH shall not be named as an insured in any policy of liability insurance required by this Section, unless PATH shall, at any time during the letting, direct otherwise in writing, in which case the Lessee shall cause PATH to be so named. As to any insurance required by the provisions of this or any other Section of this Agreement, a certified copy of each of the policies or a certificate or certificates evidencing the existence thereof or binders, shall be delivered to PATH within ten (10) days after the execution of this Agreement or, in the case of insurance required under the provisions of Section 15, prior to the commencement of the work. In the event any binder is delivered, it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate. Each such copy or certificate shall contain endorsements that the policy may not be cancelled, terminated, changed or modified without giving ten (10) days' written advance notice thereof to PATH. A renewal policy shall be delivered to the Port Authority at least fifteen (15) days prior to the expiration date of each expiring policy, except for any policy expiring after the date of the expiration of the letting. If at any time any of the policies shall be or become unsatisfactory to PATH as to form or substance or if any of the carriers issuing such policies shall be or become unsatisfactory to PATH, the Lessee shall promptly obtain a new and satisfactory policy in replacement.

Section 12. Sales and Services by the Lessee

(a) A principal purpose of PATH in entering into this Agreement is to have available for all members of the public the merchandise and/or services which the Lessee is permitted to sell and/or render hereunder, all for the better accommodation, convenience and welfare of such individuals and in fulfillment of PATH's obligation to operate facilities for the use and benefit of the public, and the Lessee agrees that it will conduct a first class operation and will furnish and install all necessary or proper equipment, fixtures, improvements (subject to Section 15) personnel, supplies, materials and other facilities and replacements therefor and all such fixtures and improvements (except trade fixtures removable without injury to the premises) shall on installation become the property of PATH and a part of the premises, provided, however, that PATH shall have the option, exercisable by notice delivered to the Lessee on or before a date sixty (60) days after expiration or termination hereof, to require the Lessee to remove any or all such fixtures, equipment and improvements and to restore the premises to the condition thereof prior to any installation and in the event of a failure on the part of the Lessee so to remove and restore, PATH may do so, and the Lessee shall pay the cost thereof to PATH on demand. All equipment, fixtures and improvements to

be used in the premises and the installation thereof shall be subject to the prior written approval of PATH as to type and quality. PATH may by written authorization allow the Lessee to enter and occupy the premises prior to the commencement date of the letting stated or referred to in Section 2, solely for the purpose of installing fixtures and making improvements. In the event that the Lessee receives such written authorization the Lessee shall use and occupy the premises in accordance with and subject to all the provisions of this Agreement other than those relating to the conducting of a business and the payment of rental.

(b) The Lessee shall furnish good, prompt and efficient service hereunder, adequate to meet all demands therefor; shall furnish said service on a fair, equal and non-discriminatory basis to all users thereof; and shall charge fair, reasonable and nondiscriminatory prices for all items and/or services which it is permitted to sell and/or render hereunder.

(c) The Lessee shall, prior to selling any items or rendering any services hereunder, prepare schedules of prices and rates for said items and services. Such schedules shall be submitted to PATH for its prior written approval as to compliance by the Lessee with its obligations under this Agreement. PATH shall examine such schedules and make such modifications therein as may be necessary. Any changes thereafter in the schedules shall be similarly submitted to PATH for its prior written approval and, if necessary, modification. All such schedules shall be made available to the public by the Lessee at locations designated from time to time by PATH. The Lessee agrees to adhere to the prices and rates stated in the approved schedules. If the Lessee charges any price or applies any rate in excess of the approved prices or rates, the amount by which the actual price or the charge based on such actual rate deviates from the approved price or a charge based on the approved rates shall constitute an overcharge which will, upon demand of PATH or the Lessee's customer, be promptly refunded to the customer. If the Lessee charges any price or applies any rate which is less than the approved prices or rates, the amount by which the actual price or the charge based on such actual rate deviates from the approved price or a charge based on the approved rates shall constitute an undercharge and an amount equivalent thereto shall be included in any gross receipts hereunder and the percentage rental, if any, shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Lessee or any inclusion of undercharges in gross receipts, any such overcharge or undercharge shall constitute a breach of the Lessee's obligations hereunder and PATH shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Agreement.

(d) In the event that the Lessee in its operations hereunder offers for sale such a variety of items that the submission of schedules, under the preceding subdivision of this Section, is not feasible in the opinion of PATH, then the Lessee shall be under no obligation to submit such schedules of prices, but the Lessee shall not then sell any items hereunder at a price other than the manufacturer's or distributor's recommended retail price, provided, however that if the price charged for the same item at any other establishment within the Port of New York District which has any ownership, financial or management connection with the Lessee or any majority stockholder thereof is lower than the manufacturer's or distributor's recommended retail price, the Lessee shall notify PATH in writing of that fact and shall charge only the lower price. If the Lessee wishes to charge a price different from the manufacturer's or distributor's recommended retail price or different from the

lower price at any other establishment, as the case may be, then the Lessee shall prepare and submit to PATH schedules therefor in the same manner and subject to the same conditions as set forth in the preceding subdivision of this Section. Every overcharge or undercharge resulting from a breach by the Lessee of its obligation under this subdivision shall be respectively refunded to the customer or included in gross receipts, all in the same manner and subject to the conditions as set forth in the preceding subdivision of this Section for overcharges or undercharges.

(e) The Lessee shall be open for and conduct business and furnish services twenty four hours a day, seven days a week, or for such other hours and days as PATH, from time to time by notice to the Lessee, may determine to properly serve the needs of the public. The determination of proper business hours and days made by PATH shall be controlling.

Section 13. Displays

(a) Except with the prior approval of PATH, the Lessee shall not erect, maintain or display any sign, lettering or any advertising at or on the exterior part of the premises or in the premises so as to be visible through the windows or exterior doors thereof. Without limiting the effect of the above, it is agreed that all signs, lettering, advertising, decorating and displays of merchandise or services anywhere in or on the premises shall be subject to the continuing approval of PATH, and on direction of PATH at any time given, the exhibition thereof shall be immediately discontinued. PATH may in its discretion in any way change the appearance, design or size of any show window, exterior door or other display area which is a part of the premises.

(b) Upon the expiration or termination of the letting, the Lessee shall remove, obliterate or paint out, as PATH may direct, any and all signs, lettering, advertising, decorating and displays on the premises, or elsewhere in the building or Facility of which the premises may be a part, and in connection therewith shall restore the premises or building or Facility to the saw condition as prior to the placement thereof. In the event that there is a failure by the Lessee so to remove, obliterate or paint out and so to restore, PATH may, at its option, perform the necessary work at the expense of the Lessee, and the charge therefor shall be paid by the Lessee to PATH on demand.

(c) The exercise of any right hereunder by PATH shall not be or be construed to be an eviction of the Lessee, nor grounds for any diminution or abatement of the rentals payable hereunder, nor constitute grounds for any claim by the Lessee for damages, consequential or otherwise, unless due to the negligence of PATH, its employees or agents.

Section 14. Services

(a) Unless otherwise stated in Item 3 of Exhibit B, PATH shall, without additional charge, heat the premises to an even and comfortable working temperature during the hours and days stated in said Item 3.

(b) PATH shall also, without additional charge, furnish non-exclusive toilet and washroom facilities for the employees of the Lessee if toilet and washroom facilities are not a part of the premises.

(c) PATH agrees to sell, furnish and supply to the Lessee in the premises, and the Lessee agrees to take and pay PATH for the following:

(1) Unless otherwise stated in Item 3 of Exhibit B, electricity, in reasonable quantities, for illumination (all bulbs to be supplied and installed by the Lessee) and power; said electricity unless otherwise specified in said Item 3 to be 60 cycle, alternating current, single phase, at 110 volts, and to be paid for by the Lessee at the rates specified in said Item 3.

(2) Unless otherwise stated In Item 3 of Exhibit B, cold water, in reasonable quantity, of the character furnished by the municipality or utility company supplying in the vicinity and to be paid for by the Lessee at the rates specified in said Item 3.

(3) Unless otherwise stated in Item 3 of Exhibit B, hot water, in reasonable quantities, at the temperature stated in said Item 3 and to be paid for by the Lessee at the rates specified in said Item 3.

(4) Unless otherwise stated in Item 3 of Exhibit B, steam, in reasonable quantities, of the character specified in said Item 3 and to be paid for by the Lessee at the rates specified in said Item 3.

(5) Unless otherwise stated in Item 3 of Exhibit B, air-conditioning sufficient to maintain the premises to the temperature stated in said Item 3 during the hours and days stated in said Item 3 and to be paid for by the Lessee at the rates specified in said Item 3.

(d) The above utilities may be charged for at a flat rate as provided in Item 3 of Exhibit B or at a metered rate as provided in Item 3 of Exhibit B. In the latter event, the quantity thereof shall be measured by a meter or meters installed for that purpose; provided, however, that, if for any reason any meter fails to record the consumption thereof, the consumption during any such period that the meter is out of service will be considered to be the same as the consumption for a like period immediately before or immediately after the interruption, as selected by PATH.

(e) Charges by PATH for the above services shall be paid for by the Lessee on demand; and, unless otherwise specified in Item 3 of Exhibit B, the services shall be supplied through existing wires, fixtures, conduits, outlets, pipes or vents, if any.

(f) If any federal, state, municipal or other governmental body, authority or agency or any public utility assesses, levies, imposes, makes or increases any charge, fee or rent on PATH for any service, system or utility now or in the future applied to or available to the premises or to any occupants or users thereof or to the structure or building of which the premises form a part (including but not limited to any sewer rent or charge for the use of sewer systems), the Lessee shall, at the option of PATH exercised at any time and from time to time by notice to the Lessee, pay, in

accordance with said notice, such charge, fee or rent or increase thereof (or the portion thereof allocated by PATH to the premises or the Lessee's operations hereunder) either directly to the governmental body, authority or agency or to the public utility or directly to PATH.

(g) Notwithstanding that PATH may have agreed to supply a service hereunder to the Lessee where such service is to be metered, PATH shall be under no obligation to provide or continue any such service if PATH is prevented by law from submetering such service or has agreed with the supplier of such service not to submeter such service.

(h) PATH shall have the right to temporarily discontinue the supply of any of the above services when necessary or desirable in the opinion of PATH in order to make any repairs, alterations, changes or improvements in the premises or elsewhere in the building of which the premises form a part including all systems for the supply of services.

(i) Notwithstanding that PATH may have agreed to supply a service hereunder to the Lessee, PATH shall be under no obligation to supply any such service if and to the extent that the supplying of such service, and, during any period that the supplying of any such service or the use of any component necessary therefor, shall be prohibited or rationed by any federal, state or municipal law, rule, regulation, requirement, order or direction and if PATH deems it in the public interest to comply therewith, even though such law, rule, regulation, requirement, order or direction may not be mandatory on PATH. If by operation of this subdivision or the previous subdivision any service for which the Lessee has agreed to pay a flat sum is discontinued for any period of the letting, the Lessee shall be relieved of its obligation to pay for such service for any such period or if any such service is supplied during fewer hours or in lesser amounts than agreed during any period of the letting, the Lessee shall be relieved proportionately of its obligation to pay for any such service for any such period.

(j) No failure, delay or interruption in any of the above services shall be or shall be construed to be an eviction of the Lessee, shall be grounds for any diminution or abatement of the rentals payable hereunder, or shall constitute grounds for any claim by the Lessee for damages, consequential or otherwise, unless due to the negligence of PATH, its employees or agents. The Lessee shall not be entitled to receive any of the above services during any period during which the Lessee wastes any of the services or is in default under any of the provisions of this Agreement.

Section 15. Construction by the Lessee

(a) Except with the prior approval of PATH, the Lessee shall not erect any structures, make any improvements or do any other construction work on the premises, or alter, modify, or make additions, improvements, or repairs to or replacements of any structure now existing or built at any time during the letting, or install any fixtures (other than trade fixtures, removable without injury to the premises) and in the event any construction, improvement alteration, modification, addition, repair or replacement is made with or without such approval and unless the approval of PATH shall expressly provide otherwise, the same shall immediately become the property of PATH and the Lessee shall have no right to change the same or remove the same either

during the term or at the expiration or termination thereof unless PATH, at any time during the letting or within sixty (60) days' after the expiration date or effective date of termination of the letting, shall give notice to the Lessee to remove the same or cause the same be changed to the satisfaction of PATH, in which case the Lessee shall remove the same or change it in compliance with such notice.

(b) In the event that Item 4 of Exhibit B provides that the Lessee is required (or is permitted) to build a structure or make repairs, alterations, improvements or additions to the premises, the structure, repairs, alterations, improvements or additions described in the said Item 4 shall be built or made strictly in accordance with the following terms and conditions:

(1) The Lessee shall, to the extent allowed under the law, be the insurer of PATH, its Directors, officers, agents and employees, against the following distinct and several risks, whether they arise from acts or omissions of the Lessee, of PATH, its Directors, officers, agents, representatives and employees or of third persons, or from acts of God or of the public enemy, or otherwise, excepting only risks which result solely from affirmative, willful acts done by PATH subsequent to the commencement of the work of construction, repair, alteration, improvement or addition:

(i) The risk of loss or damage to all such required repairs, alterations, additions, improvements or structures prior to the completion thereof. In the event of such loss or damage, the Lessee shall forthwith repair, replace and make good the work without cost to PATH.

(ii) The risk of death, injury or damage, direct or consequential to PATH, its Directors, officers, agents, representatives and employees, and to its or their property, arising out of or in connection with the performance of the work. The Lessee shall indemnify PATH, its Directors, officers, agents, representatives and employees, for all such deaths, injuries and damages, and for all losses suffered by reason thereof.

(iii) The risk of claims and demands, just or unjust, by third persons against PATH, its Directors, officers, agents, representatives and employees arising or alleged to arise out of the performance of the work. The Lessee shall indemnify PATH, its Directors, officers, agents, representatives and employees, against and from all such claims and demands, and for all loss and expense incurred by it and by them in the defense, settlement or satisfaction thereof.

(2) All construction work done pursuant to this Section shall be done in accordance with drawings and specifications to be submitted to and approved by the Chief Engineer of PATH prior to the commencement of the work, shall be done to his satisfaction and shall be subject to his inspection during the progress of such work and after completion thereof; and the Lessee shall redo or replace at its own expense any work not approved by the said Chief Engineer. Unless otherwise expressly provided herein, all workmanship and materials are required to be first class.

(3) The Lessee shall pay all claims lawfully made against it by its contractors, subcontractors, materialmen and workmen and all claims lawfully made against it by other third persons arising out of or in connection with or because of the performance of the work and shall cause its contractors and subcontractors to pay all such claims lawfully made against them.

(4) The Lessee shall procure and maintain comprehensive public liability insurance, or, if the work is to be done by an independent contractor, the Lessee shall require such contractor to procure and maintain such insurance in the name of the contractor, in either case, in limits not lower than those set forth for such categories of insurance in Item 5 of Exhibit B.

(5) As soon as such structure, repair, alteration, improvement or addition shall have been completed to the satisfaction of the Chief Engineer of PATH, then (subject to the provisions of the following subdivision (c)) title thereto shall immediately and without execution of any further instrument vest in PATH, and every said structure and all such repairs, alterations, improvements or additions, shall thereupon become and thereafter be part of the premises.

(c) PATH shall have the option, exercisable by notice delivered on or before a date sixty (60) days after expiration, cancellation or termination hereof, to require the Lessee to remove any or all such structures, alterations, improvements or additions, and to restore the premises to the condition thereof prior to the construction or installation thereof. In the event of a failure on the part of the Lessee so to remove and restore, PATH may do so, and the Lessee shall pay the cost thereof to PATH on demand.

Section 16. Injury and Damage to Person or Property

PATH shall not be liable to the Lessee, or to any person, for injury or death to any person or persons whomsoever, or damage to any property whatsoever at any time in the premises or elsewhere in the building or Facility of which the premises may be a part, including but not limited to any such injury, death or damage from falling material, water, rain, hail, snow, gas, steam, and/or electricity, whether the same may leak into, or fall, issue, or flow from the premises, or from any other place or quarter, unless said damage, injury or death shall be due to the negligence of PATH, its employees or agents.

Section 17. Additional Rent and Charges

(a) If PATH has paid any sum or sums or has incurred any obligations or expense which the Lessee has agreed to pay or reimburse PATH for, or if PATH is required or elects to pay any sum or sums or incurs any obligations or expense by reason of the failure, neglect or refusal of the Lessee to perform or fulfill any one or more of the conditions, covenants or agreements contained in this Agreement or as a result of an act or omission of the Lessee contrary to the said conditions, covenants and agreements, the Lessee agrees to pay the sum or sums so paid or the

expense so incurred, including all interest, costs, damages and penalties, and the same may be added to any installment of rent thereafter due hereunder, and each and every part of the same shall be and become additional rent, recoverable by PATH in the same manner and with like remedies as if it were originally a part of the basic rental, or if there is no basic rental as a part of the percentage rental, all as set forth in Section 4 hereof.

(b) For all purposes under this Section and in any suit, action or proceeding of any kind between the parties hereto, any receipt showing any payment of sum or sums by PATH for any work done or material furnished shall be prima facie evidence against the Lessee that the amount of such payment was necessary and reasonable. Should PATH elect to use its own operating and maintenance staff in making any repairs, replacements, and/or alterations and to charge the Lessee with the cost of same, any time sheet of any employee of PATH showing hours of labor or work allocated to any such repair, replacement and/or alteration, or any stock requisition of PATH showing the issuance of materials for use in the performance thereof, shall likewise be prima facie evidence against the Lessee that the amount of such charge was necessary and reasonable.

Section 18. Rights of Entry Reserved

(a) PATH, by its officers, employees, agents, representatives and contractors shall have the right at all reasonable times to enter upon the premises for the purpose of inspecting the same, for observing the performance by the Lessee of its obligations under this Agreement, and for the doing of any act or thing which PATH may be obligated or have the right to do under this Agreement or otherwise.

(b) Without limiting the generality of the foregoing, PATH, by its officers, employees, representatives, and contractors shall have the right, for the benefit of the Lessee or for the benefit of others in or at the building or Facility of which the premises may be a part, to maintain and install existing and future utilities systems or portions thereof on the premises, including therein without limitation thereto systems for the supply of heat, water hot and cold, gas, electricity and fuel and for the furnishing of fire-alarm, fire-protection, sprinkler, sewerage, drainage, air-conditioning, telephone, telegraph, tele-register, pneumatic-tube dispatch and intercommunication services, and to maintain and install existing and future elevator and escalator systems, including lines, pipes, mains, wires, conduits and equipment connected with or appurtenant to all such systems, and to enter upon the premises at all reasonable times to make such installations, repairs, alterations and replacements as may, in the opinion of PATH, be deemed necessary or advisable and, from time to time, to construct or install over, in, under or through the premises new lines, pipes, mains, wires, conduits and equipment; provided, however, that such repair, alteration, replacement, installation, or construction shall not unreasonably interfere with the use of the premises by the Lessee.

(c) Nothing in this Section shall or shall be construed to impose upon PATH any obligations so to construct or maintain or to make repairs, replacements, alterations or additions, or shall create any liability for any failure so to do.

(d) At any time and from time to time during ordinary business hours within the six (6) months next preceding the expiration of the letting, PATH, by its agents and employees, whether or not accompanied by prospective lessees, occupiers or users of the premises, shall have the right to enter thereon for the purpose of exhibiting and viewing all parts of the same and during such six-month period PATH may place and maintain on the premises the usual "To-Let" signs, which signs the Lessee shall permit to remain without molestation.

(e) If during the last month of the letting, the Lessee shall have removed all or substantially all the Lessee's property from the premises, PATH may immediately enter and alter, renovate and redecorate the premises.

(f) No abatement of rental shall be claimed by or allowed to the Lessee by reason of the exercise of any or all of the foregoing rights by PATH or others.

Section 19. Condemnation

(a) In any action or proceeding instituted by any governmental agency or agencies for the taking for a public use of any interest in all or any part of the premises, the Lessee shall not be entitled to assert any claim to any award or part thereof made or to be made therein, or to institute any action or proceeding or to assert any claim against such agency or agencies or against PATH, for or on account of any such taking, except the possible claim to an award for loss of fixtures furnished and installed by the Lessee (and for the purpose of such possible claim alone, title to such fixtures shall revert to the Lessee), it being understood and agreed between PATH and the Lessee that, except for the possible claim to an award for loss of fixtures, PATH shall be entitled to all the compensation or awards made or to be made or paid for any such taking, free of any claim or right of the Lessee.

(b) In the event of a taking of the entire premises by any governmental agency or agencies, this Agreement shall be cancelled and the letting shall, as of the date possession is taken from PATH by such agency or agencies, cease and determine in the same manner and with the same effect as if the term of the letting had on that date expired.

(c) In the event of a taking by any governmental agency or agencies of a part of the premises, then the letting as to such part only shall, as of the date possession thereof is taken from PATH by any such agency or agencies, cease and determine, and the rentals thereafter to be paid by the Lessee to PATH shall, if so provided in Item 1 of Exhibit B, be abated from and after the date of such taking.

Section 20. Assignment and Sublease

(a) The Lessee shall not assign, sell, convey, transfer, mortgage, or pledge this Agreement, or the letting, or any part thereof.

(b) The Lessee shall not sublet the premises or any part thereof.

(c) If the Lessee assigns, sells, conveys, transfers, mortgages, pledges or sublets in violation of subdivisions (a) or (b) of this Section or if the premises are occupied by anybody other than the Lessee, PATH may collect rent from any assignee, sublessee or anyone who claims a right to this Agreement or letting or who occupies the premises and shall apply the net amount collected to the rental herein reserved; no such collection shall be deemed a waiver by PATH of the covenants contained in subdivisions (a) and (b) of this Section nor an acceptance by PATH of any such assignee, sublessee, claimant or occupant as Lessee, nor a release of the Lessee by PATH from the further performance by the Lessee of the covenants contained herein.

(d) The Lessee shall not use, or permit any person to use, the premises or any portion thereof, except for the purposes set forth in Section 3 hereof.

Section 21. Termination

(a) If any one or more of the following events shall occur, that is to say:

(1) The Lessee shall become insolvent, or shall take the benefit of any present or future insolvency statute, or shall make a general assignment for the benefit of creditors, or file a voluntary petition in bankruptcy or a petition or answer seeking an arrangement or its reorganization or the readjustment of its indebtedness under the federal bankruptcy laws or under any other law or statute of the United States or of any State thereof, or consent to the appointment of a receiver, trustee, or liquidator of all or substantially all its property; or

(2) By order or decree of a court the Lessee shall be adjudged bankrupt or an order shall be made approving a petition filed by any of the creditors or, if the Lessee is a corporation, by any of the stockholders of the Lessee, seeking its reorganization or the readjustment of its indebtedness under the federal bankruptcy laws or under any law or statute of the United States or of any State thereof; or

(3) A petition under any part of the federal bankruptcy laws or an action under any present or future insolvency law or statute shall be filed against the Lessee and shall not be dismissed within thirty (30) days after the filing thereof; or

(4) The letting hereunder or the interest or estate of the Lessee under this Agreement shall be transferred to, pass or devolve upon, by operation of law or otherwise, any other person, firm or corporation; or

(5) The Lessee, if a corporation, shall, without the prior written approval of PATH, become a possessor or merged corporation in a merger, a constituent corporation in a consolidation, or a corporation in dissolution; or

(6) The Lessee is, or the Lessees collectively are doing business as, or constitute a copartnership, and the said copartnership shall be dissolved as the result of any act or omission of its copartners or any of them, or by operation of law or the order or decree of any court having jurisdiction, or for any other reason whatsoever; or

(7) By or pursuant to, or under authority of any legislative act, resolution or rule, or any order or decree of any court or governmental board, agency or officer having jurisdiction, a receiver, trustee, or liquidator shall take possession or control of all or substantially all of the property of the Lessee, and such possession or control shall continue in effect for a period of fifteen (15) days; or

(8) Any type of strike or other labor activity is directed against the Lessee at the premises resulting in picketing or boycott for a period of at least forty-eight (48) hours which, in the opinion of PATH, adversely affects or is likely adversely to affect the operation of any PATH Facility or the operations of other lessees or licensees thereat, whether or not the same is due to the fault of the Lessee, and whether caused by the employees of the Lessee or by others; or

(9) Any lien is filed against the premises because of any act or omission of the Lessee and is not removed within ten (10) days; or

(10) The Lessee shall voluntarily abandon, desert, vacate or discontinue its operations in the premises; or

(11) The Lessee shall fail duly and punctually to pay the rentals or to make any other payment required hereunder when due to PATH; or

(12) The Lessee shall fail to keep, perform and observe each and every other promise, covenant and agreement set forth in this Agreement, on its part to be kept, performed or observed within ten (10) days after receipt of notice of default thereunder from PATH (except where fulfillment of its obligation requires activity over a period of time, and the Lessee shall have commenced to perform whatever may be required for fulfillment within ten (10) days after receipt of notice and continues such performance without interruption except for causes beyond its control);

then upon the occurrence of any such event or at any time thereafter during the continuance thereof, PATH may by five (5) days' notice terminate the letting and the rights of the Lessee hereunder, such termination to be effective upon the date specified in such notice. Such right of termination and the exercise thereof shall be and operate as a conditional limitation.

(b) If any of the events enumerated in subdivision (a) of this Section shall occur prior to the letting, the Lessee shall not be entitled to enter into possession of the premises and PATH upon the occurrence of any such event or at any time thereafter during the continuance thereof by twenty four (24) hours' notice may cancel the interest of the Lessee under this Agreement, such cancellation to be effective upon the date specified in such notice.

(c) No acceptance by PATH of rentals, fees, charges or other payments in whole or in part for any period or periods after a default of any of the terms, covenants and conditions to be performed, kept or observed by the Lessee shall be deemed a waiver of any right on the part of PATH to terminate the letting.

(d) No waiver by PATH of any default on the part of the Lessee in performance of any of the terms, covenants or conditions hereof to be performed, kept or observed by the Lessee shall be or be construed to be a waiver by PATH of any other or subsequent default in performance of any of the said terms, covenants and conditions.

Section 22. Right of Re-entry

PATH shall, as an additional remedy upon the giving of a notice of termination as provided in Section 21 hereof, have the right to re-enter the premises and every part thereof upon the effective date of termination without further notice of any kind, and may regain and resume possession either with or without the institution of summary or any other legal proceedings or otherwise. Such re-entry, or regaining or resumption of possession, however, shall not in any manner affect, alter or diminish any of the obligations of the Lessee under this Agreement, and shall in no event constitute an acceptance of surrender.

Section 23. Waiver of Redemption

The Lessee hereby waives any and all rights of redemption, granted by or under any present or future law, arising in the event it is evicted or dispossessed for any cause, or in the event PATH obtains or retains possession of the premises in any lawful manner.

Section 24. Survival of the Obligations of the Lessee

(a) In the event that the letting shall have been terminated in accordance with a notice of termination as provided in Section 21 hereof, or the interest of the Lessee cancelled pursuant thereto, or in the event that PATH has re-entered, regained or resumed possession of the premises in accordance with the provisions of Section 22 hereof, all the obligations of the Lessee under this Agreement shall survive such termination or cancellation, re-entry, regaining or resumption of possession and shall remain in full force and effect for the full term of this Agreement, and the amount or amounts of damages or deficiency shall become due and payable to PATH to the same extent, at the same time or times and in the same manner as if no termination, cancellation, re-entry, regaining or resumption of possession had taken place. PATH may maintain separate actions each month to recover the damage or deficiency then due or at its option and at any time may sue to recover the full deficiency less the proper discount, for the entire unexpired term.

(b) The amount of damages for the period of time subsequent to termination or cancellation (or re-entry regaining or resumption of possession) shall be:

(1) On account of the Lessee's basic rental obligation, the amount of the total of all annual basic rentals, less the installments thereof payable prior to the effective date of termination except that the credit to be allowed for the installment payable on the first day of the month in which the termination is effective shall be prorated on a daily basis for the part of the month the letting remains in effect;

(2) On account of the Lessee's percentage rental obligation in the event that a basic rental is also reserved under this Agreement, an amount equal to the percentage stated in Item 1 of Exhibit B applied to the amount of gross receipts in excess of the annual exemption amount or amounts, which gross receipts would have been received by the Lessee during the balance of the term if there had been no termination or cancellation (or re-entry, regaining, or resumption of possession), and for the purpose of calculation hereunder: (i) the said amount of gross receipts shall be derived by multiplying the number of days in the balance of the term originally fixed, by the Lessee's average daily gross receipts; (ii) the average daily gross receipts shall be the total actual gross receipts of the Lessee during that part of the effective period of the letting (including all annual periods falling within the effective period) in which no abatement was in effect, divided by the number of days included in such part of the effective period; and (iii) the annual exemption amount for any period of less than a year shall be the product of the original annual exemption amount multiplied by a fraction, the numerator of which shall be the number of days from the effective date of termination to the end of the annual period and the denominator of which shall be 365;

(3) On account of the Lessee's percentage rental obligation in the event that no basic rental is reserved under this Agreement, an amount equal to the percentage stated in Item 1 of Exhibit B applied to the amount of gross receipts which would have been received by the Lessee during the balance of the term if there had been no termination or cancellation (or re-entry, regaining or resumption of possession), and for the purpose of calculation hereunder (i) the said amount of gross receipts shall be derived by multiplying the number of days in the balance of the term originally fixed, by the Lessee's average daily gross receipts; (ii) the average daily gross receipts shall be the total actual gross receipts of the Lessee during that part of the effective period of the letting (including all annual periods falling within the effective period) divided by the number of days included in such part of the effective period.

(c) It is understood and agreed that the statement of damages under the preceding subdivision (b) shall not affect or be construed to affect PATH's right to damages in the event of termination or cancellation (or re-entry, regaining or resumption of possession) where the Lessee has not received any actual gross receipts under this Agreement.

Section 25. Reletting by PATH

PATH, upon termination or cancellation pursuant to Section 21 hereof, or upon any re-entry, regaining or resumption of possession pursuant to Section 22 hereof, may occupy the premises or may relet the premises, and shall have the right to permit any person, firm or corporation to enter upon the premises and use the same. Such reletting may be of part only of the premises or of the premises or a part thereof together with other space, and for a period of time the same as or

different from the balance of the term hereunder remaining, and on terms and conditions the same as or different from those set forth in this Agreement. PATH shall also, upon termination or cancellation pursuant to the said Section 21, or upon its re-entry, regaining or resumption of possession pursuant to the said Section 22, have the right to repair or to make structural or other changes in the premises, including changes which alter the character of the premises and the suitability thereof for the purposes of the Lessee under this Agreement, without affecting, altering or diminishing the obligations of the Lessee hereunder. In the event either of any reletting or of any actual use and occupancy by PATH (the mere right to use and occupy not being sufficient however) there shall be credited to the account of the Lessee against its survived obligations hereunder any net amount remaining after deducting from the amount actually received from any lessee, licensee, permittee or other occupier in connection with the use of the said premises or portion thereof during the balance of the letting as the same is originally stated in this Agreement, or from the market value of the occupancy of such portion of the premises as PATH may during such period actually use and occupy, all expenses, costs and disbursements incurred or paid by PATH in connection therewith. No such reletting shall be or be construed to be an acceptance of surrender.

Section 26. Remedies to be Non-exclusive

All remedies provided in this Agreement shall be deemed cumulative and additional and not in lieu of or exclusive of each other or of any other remedy available to PATH at law or in equity.

Section 27. Surrender

(a) The Lessee covenants and agrees to yield and deliver peaceably to PATH possession of the premises on the date of the cessation of the letting, whether such cessation be by termination, expiration or otherwise, promptly and in good condition such reasonable wear excepted as would not adversely affect or interfere with a first class, efficient and proper operation such as is required under this Agreement.

(b) Subject to the provision of Sections 12 and 26 the Lessee shall have the right at any time during the letting to remove its equipment, inventories, removable fixtures and other personal property from the premises. If the Lessee shall fail to remove its property on or before the termination or expiration of the letting, PATH may remove such property to a public warehouse for deposit or retain the same in its own possession, and sell the same at public auction, the proceeds of which shall be applied first to the expenses of removal, storage and sale, second to any sums owed by the Lessee to PATH's with any balance remaining to be paid to the Lessee; if the expenses of such removal, storage and sale shall exceed the proceeds of sale, the Lessee shall pay such excess to PATH upon demand.

Section 28. Acceptance of Surrender of Lease

No agreement of surrender or to accept a surrender shall be valid unless and until the same shall have been reduced to writing and signed by the duly authorized representatives of PATH and of the Lessee. Except as expressly provided in this Section, neither the doing of, nor any omission to do, any act or thing, by any of the officers, agents or employees of PATH shall be deemed an acceptance of a surrender of the letting or of this Agreement.

Section 29. Security Deposit or Letter of Credit

(a) Upon the execution of this Agreement by the Lessee and delivery thereof to the Port Authority, the Lessee shall deposit with PATH (and shall keep deposited throughout the letting under this Agreement) either the sum of Fifteen Thousand Dollars and No Cents (\$15,000.00) in cash, or bonds of the United States of America, or of the State of New Jersey, or of the State of New York, or of The Port Authority of New York and New Jersey, having a market value of that amount, as security for the full, faithful and prompt performance of and compliance with, on the part of the Lessee, all of the terms, provisions, covenants and conditions of this Agreement on its part to be fulfilled, kept, performed or observed. Bonds qualifying for deposit hereunder shall be in bearer form but if bonds of that issue were offered only in registered form, then the Lessee may deposit such bond or bonds in registered form, provided however that PATH shall be under no obligation to accept such deposit of a bond in registered form unless such bond has been re-registered in the name of the Port Authority (the expense of such re-registration to be borne by the Lessee) in a manner satisfactory to PATH. The Lessee may request PATH to accept a registered bond in the Lessee's name and if acceptable to PATH the Lessee shall deposit such bond together with a bond power (and such other instruments or other documents as PATH may require) in form and substance satisfactory to PATH. In the event the deposit is returned to the Lessee any expenses incurred by PATH in re-registering a bond to the name of the Lessee shall be borne by the Lessee. In addition to any and all other remedies available to it, PATH shall have the right, at its option, at any time and from time to time, with or without notice, to use the deposit or any part thereof in whole or partial satisfaction of any of its claims or demands against the Lessee. There shall be no obligation on PATH to exercise such right and neither the existence of such right nor the holding of the deposit itself shall cure any default or breach of this Agreement on the part of the Lessee. With respect to any bonds deposited by the Lessee, PATH shall have the right, in order to satisfy any of its claims or demands against the Lessee, to sell the same in whole or in part, at any time and from time to time, with or without prior notice at public or private sale, all as determined by PATH, together with the right to purchase the same at such sale free of all claims, equities or rights of redemption of the Lessee. The Lessee hereby waives all right to participate therein and all right to prior notice or demand of the amount or amounts of the claims or demands of PATH against the Lessee. The proceeds of every such sale shall be applied by PATH first to the costs and expenses of the sale (including but not limited to advertising or commission expenses) and then to the amounts due PATH from the Lessee. Any balance remaining shall be retained in cash toward bringing the deposit to the sum specified above. In the event that PATH shall at any time or times so use the deposit, or any part thereof, or if bonds shall have been deposited and the market value thereof shall have

declined below the above-mentioned amount, the Lessee shall, on demand of PATH and within two (2) days thereafter, deposit with PATH additional cash or bonds so as to maintain the deposit at all times to the full amount above stated, and such additional deposits shall be subject to all the conditions of this Section. After the expiration or earlier termination of the letting under this Agreement as the said letting may have been extended, and upon condition that the Lessee shall then be in no wise in default under any part of this Agreement, as this Agreement may have been amended or extended (or both), and upon written request therefor by the Lessee, PATH will return the deposit to the Lessee less the amount of any and all unpaid claims and demands (including estimated damages) of PATH by reason of any default or breach by the Lessee of this Agreement or any part thereof. The Lessee agrees that it will not assign or encumber the deposit. The Lessee may collect or receive any interest or income earned on bonds and interest paid on cash deposited in interest-bearing bank accounts, less any part thereof or amount which PATH is or may hereafter be entitled or authorized by law to retain or to charge in connection therewith, whether as or in lieu of an administrative expense, or custodial charge, or otherwise; provided however that PATH shall not be obligated by this provision to place or to keep cash deposited hereunder in interest-bearing bank accounts.

(b) In lieu of the security deposit required pursuant to paragraph (a) of this Section the Lessee may deliver to PATH, as security for all obligations of the Lessee under this Agreement, a clean irrevocable letter of credit issued by a banking institution satisfactory to PATH and having its main office within the Port of New York District, in favor of PATH in the amount of Fifteen Thousand Dollars and No Cents (\$15,000.00). The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of PATH. Such letter of credit shall provide that it shall continue throughout the term of the letting under this Agreement and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent satisfactory letter. Upon notice of cancellation of a letter of credit the Lessee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by security in the amount required in accordance with paragraph (a) of this Section or another letter of credit satisfactory to PATH, PATH may draw down the full amount thereof and thereafter PATH will hold the same as security under paragraph (a) of this Section. Failure to provide such letter of credit at any time during the term of the letting which is valid and available to PATH, including any failure of any banking institution issuing any such letter of credit previously accepted by PATH to make one or more payments as may be provided in such letter of credit shall be deemed to be a breach of this Agreement on the part of the Lessee. Upon acceptance of such letter of credit by PATH, and upon request by the Lessee made thereafter, PATH will return any security deposit theretofore made under and in accordance with the provisions of paragraph (a) of this Section. The Lessee shall have the same rights to receive such deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the letting and fulfillment of the obligations of the Lessee under this Agreement. If PATH shall make any drawing under a letter of credit held by PATH hereunder, the Lessee on demand of PATH and within two (2) days thereafter, shall bring the letter of credit back up to its full amount.

(c) No action by PATH pursuant to the terms of any letter of credit, or receipt by PATH of funds from any bank issuing any such letter of credit, shall be or be deemed to be a waiver of any default by the Lessee under the terms of this Agreement and all remedies under this Agreement of PATH consequent upon such default shall not be affected by the existence of or a recourse to any such letter of credit.

(d) For the purposes of the provisions set forth in paragraph (a) above, the Lessee hereby certifies that its I.R.S. Employer Identification Number is 22-1002650.

Section 30. Brokerage

The Lessee represents and warrants that no broker has been concerned in the negotiation of this Agreement and that there is no broker who is or may be entitled to be paid a commission in connection therewith. The Lessee shall indemnify and save harmless PATH of and from any claim for commission or brokerage made by any and all persons, firms or corporations whatsoever for services in connection with the negotiation and execution of this Agreement. The Lessee's indemnification obligations hereunder shall extend only to claims and demands based upon the acts or omissions of the Lessee.

Section 31. Limitation of Rights and Privileges Granted

(a) The premises are let to the Lessee and the Lessee takes the same subject to all the following: (i) easements, restrictions, reservations, covenants and agreements, if any, to which the premises may be subject; rights of the public in and to any public street; (ii) rights, if any, of the enterprise, public or private, which is engaged in furnishing any services including without limitation thereto heating, lighting, power, telegraph, telephone, steam, water, sewerage, or transportation services, and of the municipality and State in which the premises are located; and (iii) permits, licenses, regulations and restrictions, if any, of the United States, the municipality or State in which the premises are located, or other governmental authority.

(b) No greater rights or privileges with respect to the use of the premises or any part thereof or with respect to any PATH property are granted or intended to be granted to the Lessee by this Agreement, or by any provision thereof, than the rights and privileges expressly granted hereby.

Section 32. Relationship of the Parties

This Agreement does not constitute the Lessee the agent or representative of PATH for any purpose whatsoever and neither a partnership nor any joint adventure is hereby intended nor shall it be deemed to be created by this Agreement.

Section 33. Notices

(a) All notices, permissions, requests, consents and approvals given or required to be given to or by either party shall be in writing (which shall include a telegram when delivered to the telegraph company), and all such notices and requests shall be (i) personally delivered to the party or to the duly designated officer or representative of such party; or (ii) delivered to an office of such party, officer or representative during regular business hours; or (iii) delivered to the residence of such party, officer or representative at any time; or (iv) if directed to the Lessee, delivered to the premises at any time; or (v) forwarded to such party, officer or representative, at the office or residence address by registered or certified mail, provided that notices of default or termination served by PATH on the Lessee must be delivered or forwarded by the methods listed in clause (i) or (v) of this sentence. The Lessee shall designate an office within the Port of New York District and an officer or representative whose regular place of business is at such office. Until further notice, PATH hereby designates its President, and the Lessee designates the person whose name appears on the first page of this Agreement as their respective officers or representatives upon whom notices and requests may be served, and PATH designates its office at One PATH Plaza, Jersey City, New Jersey 07306, and the Lessee designates its office, the address of which is set forth on the first page of this Agreement, as their respective offices where notices and requests may be served.

(b) If any notice is mailed or delivered, the giving of such notice shall be complete upon receipt or, in the event of a refusal by the addressee, upon the first tender of the notice to the addressee or at the permitted address. If any notice is sent by telegraph, the giving of such notice shall be complete upon receipt or, in the event of a refusal by the addressee, upon the first tender of the notice by the telegraph company to the address or at the address thereof.

Section 34. Place of Payments

All payments required of the Lessee by this Agreement shall be mailed to PATH, c/o The Port Authority of New York and New Jersey, P.O. Box 95000-1517, Philadelphia, PA 19195-1517, or made via the following wire transfer instructions:

Name of Bank: Commerce Bank
Bank ABA Number: 026013673
Account Number: (Ex. 1)

Section 35. Quiet Enjoyment

PATH covenants and agrees that as long as it remains the owner of the premises, the Lessee, upon paying all rentals hereunder and performing all the covenants, conditions and provisions of this Agreement on its part to be performed, shall and may peaceably and quietly have, hold and enjoy the premises free of any act or acts of PATH except as expressly permitted in this Agreement.

Section 36. Headings

The section headings and the paragraph headings, if any, are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope or intent of any provision thereof.

Section 37. Changes in the Facility

PATH shall have the right at any time and from time to time prior to and during the letting, in the interest of the efficient operation of the building or Facility of which the premises may be a part, to close, move or alter any common way in the said building or Facility, including but not limited to entrances, exits, passages, halls, corridors, aisles, stairways, elevators or escalators, or to restrict or change the traffic on or through any such common way; and no such action by PATH shall release the Lessee from any of its obligations under this Agreement. In the event PATH exercises its right provided in this Section to close, move or alter the common way immediately contiguous to an entrance to the premises and such exercise results in the Lessee being deprived of access to its premises through such entrance, then PATH shall provide the Lessee with reasonably equivalent alternate means of access to its premises.

Section 38. Construction and Application of Terms

(a) Wherever in this Agreement a third person singular neuter pronoun or adjective is used, referring to the Lessee, the same shall be taken and understood to refer to the Lessee, regardless of the actual Lessee's gender or number.

(b) Whenever in this Agreement the Lessee is placed under an obligation or covenants to do or to refrain from or is prohibited from doing, or is entitled or privileged to do, any act or thing, the following shall apply:

(1) If the Lessee is a corporation, its obligations shall be performed or its rights or privileges shall be exercised only by its officers and employees; or

(2) If the Lessee is an unincorporated association or a business or "Massachusetts" trust, the obligation shall be that of its members or trustees, as well as of itself, and shall be performed only by its members or trustees, and its officers and employees, and its rights or privileges shall be exercised only by its members or trustees, and its officers and employees; or

(3) If the Lessee is a partnership, the obligation shall be that of its partners, and shall be performed only by its partners and employees, and its rights or privileges shall be exercised only by its partners and employees; or

(4) If the Lessee is an individual, the obligation shall be that of himself (or herself) and shall be performed only by himself (or herself) and his (or her) employees and the rights or privileges of the Lessee shall be exercised only by himself (or herself) and his (or her) employees.

(5) None of the provisions of this subdivision (b) shall be taken to alter, amend or diminish any obligation of the Lessee assumed in relation to its invitees, customers, agents, representatives, contractors or other persons, firms or corporations doing business with it.

(c) In the event that more than one individual or other legal entity are the Lessee under this Agreement, then and in that event each and every obligation under this Agreement shall be the joint and several obligation of each such individual or other legal entity.

(d) The Lessee's representative hereinbefore specified (or such substitute as the Lessee may hereafter designate in writing) shall have full authority to act for the Lessee in connection with this Agreement and any things done or to be done hereunder and to execute on the Lessee's behalf any amendments or supplements to this Agreement or any extension thereof.

Section 39. Non-Liability of Individuals

Neither the Directors of PATH nor any of them, nor any officer, agent or employee thereof, shall be charged personally by the Lessee with any liability or held liable to it under any term or provision of this Agreement, or because of its execution or attempted execution or because of any breach or attempted or alleged breach thereof.

Section 40. Grease Traps and Ventilation Ducts

Without in anywise limiting the Lessee's other obligations under this Agreement, the Lessee shall supply, replace, install, repair, maintain and keep clean all grease traps in all drainage pipes exclusively used by it in its operations hereunder whether such pipes are located on the premises or elsewhere in the building or Facility of which the premises may be a part. The Lessee shall also keep clean, repair and maintain (other than structurally) all ventilation ducts including the replacement of all filters where such ducts are exclusively used by it in its operations hereunder and whether such ducts are located on the premises or elsewhere in the said building or Facility.

Section 41. Extermination Service

If PATH is required or requested to provide extermination services to the premises, the Lessee shall pay PATH upon demand the cost of such extermination service actually provided by PATH in the enclosed portion of the premises, provided, however, that PATH shall not be required by this Agreement to furnish such service.

Section 42. Intentionally Omitted

Section 43. Definitions

The following terms, when used in this Agreement, shall have the respective meanings given below:

(a) "Letting" shall mean the letting under this Agreement for the original term stated herein, and shall include any extensions thereof which may be made pursuant to the provisions of this Agreement.

(b) "Causes or conditions beyond the control of PATH", shall mean and include acts of God, the elements, weather conditions, tides, earthquakes, settlements, fire, acts of Governmental authority, war, shortage of labor or materials, acts of third parties for which PATH is not responsible, injunctions, labor troubles or disputes of every kind (including all those affecting PATH, its contractors, suppliers or subcontractors) or any other condition or circumstance, whether similar to or different from the foregoing (it being agreed that the foregoing enumeration shall not limit or be characteristic of such conditions or circumstances) which is beyond the control of PATH or which could not be prevented or remedied by reasonable effort and at reasonable expense.

(c) "Facility", "Terminal" or "Transportation Center" shall mean:

With respect to any portion of the premises located in the PATH 33rd Street Station, the 33rd Street Station of the PATH Interstate Railway System located within the City, County and State of New York.

(d) "Gross receipts" shall include all monies paid or payable to the Lessee for sales made and services rendered at or from the Facility, regardless of when or where the order therefor is received, and outside of the Facility, if the order therefor is received at the Facility, and any other revenues of any type arising out of or in connection with the Lessee's operations at the Facility, provided however, that any taxes imposed by law which are separately stated to and paid by a customer, and are directly payable to the taxing authority by the Lessee shall be excluded therefrom.

Section 44. Thirty Day Termination and Reimbursement

PATH shall have the right to terminate this Agreement and the letting hereunder, without cause, on thirty (30) days' notice to the Lessee. In the event of termination pursuant to this Section, this Agreement and the letting hereunder shall cease and expire as if the effective date of termination stated in the notice were the date originally stated herein for the expiration of this Agreement. In the event this Agreement and the letting of the premises hereunder is terminated by PATH at any time during the term of the letting, PATH shall not be required to compensate or

reimburse the Lessee in any manner for any portion of the Lessee's cost in supplying and installing in the premises any fixtures, equipment or improvements, including any replacements thereof.

Section 45. Force Majeure

PATH shall not be liable for any failure, delay or interruption in performing its obligations hereunder due to causes or conditions beyond the control of PATH. Further, PATH shall not be liable unless the failure, delay or interruption shall result from failure on the part of PATH to use reasonable care to prevent or reasonable efforts to cure such failure, delay or interruption.

Section 46. Finishes and Decorating by the Lessee

(a) PATH shall deliver the premises to the Lessee in its "as is" condition. The Lessee acknowledges that it has thoroughly inspected the premises and agrees to take the same in such "as is" condition. Nothing contained herein shall or shall be construed to relieve the Lessee of its obligations under Section 12 to install in the premises all necessary or proper equipment or fixtures required for its operations in the premises. Subject to the provisions of this Section and Section 15 of this Agreement the Lessee agrees to and shall perform at its sole cost and expense all construction and installation work necessary or proper for its occupancy of the premises and its operations therein including, without limitation, the design and creation of a new retail store, including but not limited to the installation of interior and demising walls, floors, ceilings, lighting, display cabinets, other appropriate equipment and sprinkler and electrical systems and storefronts (the work described in this Section being sometimes hereinafter referred to as the "Construction Work"). Prior to commencing the performance of any of the Construction Work the Lessee shall submit to PATH for its approval an Alteration Application, in the form supplied by PATH, setting forth in detail and by appropriate plans and specifications the work the Lessee proposes to perform and the manner of and time periods for performing the same. The data to be supplied by the Lessee shall identify separately each of the items constituting the Construction Work and shall describe in detail the fixtures and equipment to be installed by the Lessee. The Lessee shall be responsible at its sole expense for retaining all architectural, engineering and other technical consultants and services as PATH shall deem necessary, and for developing, completing and submitting detailed plans and specifications for the work. The plans and specifications to be submitted by the Lessee to PATH shall bear the seal of a qualified architect or professional engineer, who shall be responsible for the administration of the work in accordance with PATH's requirements, and shall be in sufficient detail for a contractor to perform the work. In connection with review by PATH of the Lessee's submissions under this paragraph, the Lessee shall submit to PATH, at PATH's request, such additional data, detail or information as PATH may require for such review. The Lessee shall not engage any contractor or permit the use of any subcontractor unless and until each such contractor or subcontractor has been approved by PATH. The Lessee shall include in any such contract or subcontract such provisions as PATH may approve or require, including, without limitation thereto, provisions regarding labor harmony. The Lessee hereby assumes the risk of loss or damage to all the Construction Work prior to the completion thereof and the risk of loss or damage to all property of

PATH arising out of or in connection with the performance of the Construction Work. In the event of such loss or damage, the Lessee shall forthwith repair, replace and make good the Construction Work and the property of PATH without cost or expense to PATH. The Lessee shall itself and shall also require its contractors to indemnify and hold harmless PATH, its Directors, officers, agents and employees from and against all claims and demands, just or unjust, of third persons (including employees, officers and agents of PATH) arising or alleged to arise out of the performance by the Lessee's Construction Work and for all expenses, including, without limitation thereto, legal expenses incurred by it and by them in the defense, settlement or satisfaction thereof, including, without limitation thereto, claims and demands for death, for personal injury or for property damage, direct or consequential, whether they arise from the acts or omissions of the Lessee, of any contractors of the Lessee, of PATH, or of third persons, or from acts of God or of the public enemy, or otherwise, excepting only claims and demands which result solely from affirmative willful acts done by PATH, its Directors, officers, agents and employees with respect to the Construction Work, provided, however, that the Lessee shall not be required to indemnify PATH where such indemnity shall be precluded pursuant to the provisions of Section 5-322.1 of the General Obligations Law of the State of New York. The Lessee shall, and shall cause each of its contractors and subcontractors, to obtain and maintain in force such insurance coverage, including, without limitation, a contractual liability endorsement covering the obligations assumed by the Lessee in the three preceding sentences, and performance bonds as PATH shall specify. All work to be performed by the Lessee hereunder shall be done in accordance with the Alteration Application and final plans and specifications approved by PATH, shall be subject to inspection by PATH during the progress of the work and after the completion thereof and the Lessee shall redo or replace at its own expense any work not done in accordance therewith. Upon completion of the Construction Work the Lessee shall supply PATH with a certificate signed by the architect or engineer who sealed the Lessee's plans pursuant to the provisions of this paragraph certifying that all of the work performed by the Lessee has been performed in accordance with the plans and specifications approved by PATH and the provisions of this Agreement and in compliance with all applicable governmental laws, ordinances, enactments, resolutions, rules, regulations and orders. PATH shall inspect the Construction Work and if the same has been completed as certified by the Lessee and such architect or engineer, PATH shall so certify to the Lessee, subject to the condition that all risks thereafter with respect to the Construction Work and any liability therefor for negligence or other reason shall be borne by the Lessee. Upon completion of the Construction Work, the Lessee shall supply PATH with "as-built" drawings in form and number as requested by PATH.

(b) The Lessee shall not commence any portion of the Construction Work until the Alteration Application and plans and specifications covering the work to be performed, referred to in paragraph (a) of this Section, have been finally approved by PATH. The Lessee recognizes that its obligation to pay basic rental shall commence on the Commencement Date established pursuant to Section 2 this Agreement regardless of whether or not the Construction Work is then completed and whether or not the Lessee is then conducting any public operations in the premises on such date. The Lessee shall conduct no public operations in the premises until PATH shall have notified the Lessee in writing that the Construction Work has been completed or substantially completed to its satisfaction. In the event of any inconsistency between the provisions of this Agreement and those of the Alteration Application, the provisions of this Agreement shall control.

(c) The Lessee shall be solely responsible for the plans and specifications used by it, and for the adequacy or sufficiency of such plans, specifications and all the improvements depicted thereon or covered thereby, regardless of the consent thereto or approval thereof by PATH or the incorporation therein of any Port Authority requirements or recommendations. PATH shall have no obligations or liabilities in connection with the performance of finishing, decorating or installation work performed by the Lessee, or on its behalf, or the contracts for the performance thereof entered into by the Lessee. Any warranties extended or available to the Lessee in connection with finishing, decorating, or installation work performed by or on behalf of the Lessee shall be for the benefit of PATH as well as the Lessee.

(d) Without limiting or affecting any other term or provision of this Agreement, the Lessee shall be solely responsible for the design, adequacy and operation of all utility, mechanical, electrical, communications and other systems installed in the premises by the Lessee and shall do all preventive maintenance and make all repairs, replacements, rebuilding (ordinary or extraordinary, structural or non-structural) and painting necessary to keep such systems and all other improvements, additions and fixtures, finishes and decorations made or installed by the Lessee (whether the same involves structural or non-structural work) in the condition they were in when made or installed except for reasonable wear which does not adversely affect the watertight condition or structural integrity of the building or adversely affect the efficient or proper utilization or appearance of any part of the premises.

(e) Title to and property in the Base Building Work and to all fixtures, equipment and systems and any replacement or replacements thereof installed as part of the Base Building Work shall vest in PATH upon the construction, installation or replacement thereof and the Lessee shall execute such necessary documents confirming the same as PATH may require.

Section 47. Operating Names

Any name, designation or any service mark proposed to be used or displayed at the premises or at the Facility or for the Lessee's operations therein shall be approved in advance in writing by PATH, and the Lessee shall have the right to use and display the name, designation or mark only so long as this Agreement is in full force and effect. If for any reason the Lessee ceases its operations in the premises, the Lessee's right to use such name, designation or service mark shall immediately cease and come to an end, and PATH or its designee shall have the sole right to use such name, designation or service mark and the Lessee hereby consents to such use thereof. Any registration or filing by the Lessee with respect to such name, designation or service mark shall be approved in advance by PATH in writing. The Lessee agrees to assign and transfer to PATH any such registration or filing and any other rights in or to the use of such name, designation or service mark promptly upon written request therefor by PATH.

Section 48. Late Charges

If the Lessee should fail to pay any amount required under this Agreement when due to PATH, including without limitation any payment of basic, percentage or other rental or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then in such event PATH may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four late charge periods during each calendar year; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (but not less than thirteen) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to PATH as a result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Agreement. Each late charge shall be payable immediately upon demand made at any time therefor by PATH. No acceptance by PATH of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of PATH to payment of any late charge or late charges payable under the provisions of this Section with respect to such unpaid amount. Each late charge shall be recoverable by PATH in the same manner and with like remedies as if it were originally a part of the rental as set forth in Section 4 of this Agreement and Item 1 of Exhibit B annexed hereto. Nothing in this Section is intended to, or shall be deemed to affect, alter, modify or diminish in any way (1) any rights of PATH under this Agreement, including without limitation PATH's rights set forth in the section of this Agreement entitled "Termination" or (2) any obligations of the Lessee under this Agreement. In the event that any late charge imposed pursuant to this Section shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Agreement shall be payable instead at such legal maximum.

Section 49. Intentionally Omitted

Section 50. Affirmative Action

Without limiting any of the terms and conditions of this Agreement, the Lessee agrees, and agrees to require its contractors, to make every good faith effort, to the maximum extent feasible, to seek meaningful participation by minorities and women both as to Minority Business Enterprise (MBE) and Women-owned Business Enterprise (WBE) participation as contractors and subcontractors and as to the composition of the labor force on contracts and subcontracts entered into with respect to any construction work performed on the premises. PATH has a long-standing practice of making its contracting opportunities available to MBEs and WBEs. The affirmative steps PATH takes to maximize opportunities for MBEs and WBEs to participate in the performance of PATH construction contracts either directly or as subcontractors are hereby set forth for the Lessee's

consideration in the schedule attached hereto, hereby made a part of this Agreement, and marked "Schedule E".

Section 51. Additional Provision

Notwithstanding the provisions of paragraph (d) of the Section of this Agreement entitled "Definitions," and without otherwise limiting the generality thereof, no monies, including, without limitation, fees and commissions received or receivable by the Lessee from the sale or dispensing of lottery tickets issued by the Lottery Division of the New York State Department of Taxation and Finance shall be included in gross receipts under this Agreement. Without limiting the generality of the provisions of the Section of this Agreement entitled "Displays," the Lessee shall display in such areas of the premises as shall be designated by PATH only such signs and advertising relating to the sale of lottery tickets issued by the Lottery Division of the New York State Division of Taxation and Finance as may be supplied or approved in advance by PATH. In addition to all other rights of termination contained in this Agreement, PATH shall have the right at any time, on not less than thirty (30) days' written notice to the Lessee to withdraw the permission herein granted for the sale or dispensing of lottery tickets, and in such event the Lessee shall discontinue the sale or dispensing of lottery tickets on or before the effective date stated in PATH's written notice to the Lessee.

Section 52. Premises

The Lessee acknowledges that it has not relied upon any representation or statement of PATH or its Directors, officers, employees or agents as to the suitability of the premises for the operations permitted on the premises by this Agreement. Without limiting any obligation of the Lessee to commence operations hereunder at the time and in the manner stated elsewhere in this Agreement, the Lessee agrees that no portion of the premises will be used initially or at any time during the letting which is in a condition unsafe or improper for the conduct of the Lessee's operations hereunder so that there is possibility of injury or damage to life or property. Without limiting the generality of any of the provisions of this Agreement, PATH shall not be liable to the Lessee for any claims for loss, theft, or damage involving any property stored or placed in the premises. For all purposes of this Agreement the premises hereunder (notwithstanding any statement elsewhere in this Agreement of any rule for the measurement of the area thereof) shall be deemed to include all of the enclosing partitions, and the adjacent exterior building walls and glass to and including the exterior surface thereof.

Section 53. Changes, Additions and Deletions to this Agreement

Prior to the execution of this Agreement by either of the parties hereto, the following changes, additions and deletions were made in the foregoing terms and conditions:

Paragraph (c) and (d) of Section 12 were deleted and the following paragraph (c) was inserted in lieu thereof:

“(c) The Lessee shall not sell any items hereunder at a price other than the pre-printed manufacturer’s or distributor’s recommended retail price, provided however that if the price charged for the same item at any other establishment located at a transportation terminal within the Port of New York District which has any ownership, financial or management connection with the Lessee or any majority stockholder thereof is lower than the pre-printed manufacturer’s or distributor’s recommended retail price, the Lessee shall notify PATH in writing of that fact and shall charge only the lower price. If the Lessee charges any price in excess of the prices described in this paragraph, the amount by which the actual price deviates from the approved price shall constitute an overcharge which will, upon demand of PATH or of the Lessee’s customer, be promptly refunded to the customer. Notwithstanding any repayment of overcharges to a customer by the Lessee, any such overcharge shall constitute a breach of the Lessee’s obligations hereunder and PATH shall have all remedies consequent upon breach which would otherwise be available to it at law, in equity or by reason of this Agreement.”

It shall not be necessary to physically make the aforesaid changes additions and deletions in the aforesaid Sections of this Agreement.

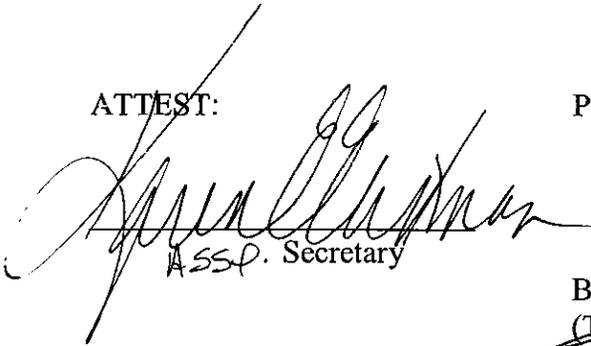

Section 54. Entire Agreement

This Agreement consists of the following: pages 1 through 36, inclusive, plus Exhibits A and B and Schedule E.

It constitutes the entire agreement of the parties on the subject matter hereof and may not be changed, modified, discharged or extended except by written instrument duly executed by PATH and the Lessee. The Lessee agrees that no representations or warranties shall be binding upon PATH unless expressed in writing in this Agreement.

IN WITNESS WHEREOF, the parties hereto have executed these presents as of the day and year first above written.

EXHIBIT B

Item 1: Rental Provisions(a) Definitions

(1) "Annual period" shall mean, as the context requires, the twelve-month period commencing with the Effective Date established pursuant to the provisions of this Agreement and each of the twelve-month periods thereafter occurring during the term of the letting.

(2) "Annual exemption amount" shall mean (i) for and during the first through the fifth annual periods, Eight Hundred Thirty-three Thousand Three Hundred Sixty Dollars and No Cents (\$833,360.00) and (ii) for and during the sixth through tenth annual periods, Nine Hundred Sixteen Thousand Six Hundred Ninety-six Dollars and No Cents (\$916,696.00) as each of the same may be reduced by the operation of the abatement and/or proration provisions hereof.

(3) For the purpose of calculating the percentage rental due for any annual period which is other than 365 days the annual exemption amount shall be prorated over the actual number of days contained in such annual period.

(b) Basic Rental

(1) The Lessee shall pay a basic rental for the Retail Space as follows:

(A) For each annual period that falls during the period from and after the Effective Date and continuing through the last day of the fifth annual period, both dates inclusive, at the rate of Eighty-three Thousand Three Hundred Thirty-five Dollars and Ninety-two Cents (\$83,335.92) per annum, in advance in monthly installments of Six Thousand Nine Hundred Forty-four Dollars and Sixty-six Cents (\$6,944.66) on the Effective Date and on the first day of each calendar month thereafter occurring during each such annual period that falls during such period.

(B) For each annual period that falls during the period from and after the first day of the sixth annual period and continuing through the balance of the term of the letting hereunder, at the rate of Ninety-one Thousand Six Hundred Sixty-nine Dollars and Fifty-six Cents (\$91,669.56) per annum, in advance in monthly installments of Seven Thousand Six Hundred Thirty-nine Dollars and Thirteen Cents (\$7,639.13) on the first day of each calendar month thereafter occurring during each such annual period that falls throughout the balance of the term of the letting.

(2) The Lessee shall pay a basic rental for the Storage Space as follows:

(A) For each annual period that falls during the period from and after the Effective Date and continuing through the last day of the fifth annual period, both dates inclusive, at the rate of Seven Thousand One Hundred Seventy-nine Dollars and Ninety-six Cents (\$7,179.96) per annum, in advance in equal monthly installments of Five Hundred Ninety-eight Dollars and Thirty-three Cents (\$598.33), each, on the Effective Date and on the first day of each calendar month thereafter occurring during each such annual period that falls during such period.

(B) For each annual period that falls during the period from and after the first day of the sixth annual period and continuing through the balance of the term of the letting hereunder, at the rate of Seven Thousand Eight Hundred Ninety-eight Dollars and Four Cents (\$7,898.04) per annum, payable in advance in monthly installments of Six Hundred Fifty-eight Dollars and Seventeen Cents (\$658.17) on the first day of each calendar month thereafter occurring during each such annual period that falls throughout the balance of the term of the letting.

(3) If the term of the letting hereunder is terminated (without default by the Lessee) on a date other than the last day of the month, the basic rental payable for the Retail Space and for the Storage Space for the portion of the month in which the termination date occurs shall be the amount of the applicable monthly installment of basic rental for each of the Retail Space and the Storage Space prorated on a daily basis.

(c) Percentage Rental

The Lessee shall pay to PATH an annual percentage rental equivalent to ten percent (10%) of the gross receipts of the Lessee arising during each annual period that are in excess of the annual exemption amount established for the Retail Space for each such annual period. The computation of percentage rental for each annual period, or a portion of an annual period, as hereinafter provided, shall be individual to such annual period, or such portion of an annual period, and without relation to any other annual period, or any other portion of any annual period.

(d) Time of Payment of Percentage Rental, Computations of Amounts and Accounting:

(1) The Lessee shall pay the percentage rental as follows: on the 20th day of the first month following the commencement of each annual period, and on the 20th day of each and every month thereafter including the month following the end of each annual period, the Lessee shall render to PATH a sworn statement showing the Lessee's gross receipts for the preceding month and the cumulative amount of the Lessee's gross receipts from the commencement of the annual period for which the report is made through the last day of the preceding month; whenever any such statement shall show that the Lessee's cumulative gross receipts for that annual period are in excess of the annual exemption amount established for that annual period, the Lessee shall pay at the time of rendering the statement an amount equal to the percentage stated in paragraph (c) of this Item 1

applied to such excess and the Lessee shall thereafter on the 20th day of each month during that annual period and on the 20th day of the month following the end of that annual period pay an amount equal to the percentage stated in paragraph (c) of this Item 1 applied to the gross receipts of each subsequent month during that annual period. At any time that the established annual exemption amount is decreased by abatement or proration as herein provided so that there is an excess of gross receipts as to which the percentage rental has not been paid, the same shall be payable to PATH on demand. The Lessee's statement following the close of each annual period be certified, at the Lessee's expense, and shall report total gross receipts for such annual period and total percentage rental due therefor and if any adjustments are required the same shall be made at the time such report is rendered.

(2) Upon any termination of the letting hereunder (even if stated to have the same effect as expiration), the Lessee shall, within twenty (20) days after the effective date of such termination, make a payment of rental computed as follows: first, if the letting hereunder is terminated effective on a date other than the last day of a month, the basic rental for the portion of that month in which the letting remains effective shall be the amount of the monthly installments of basic rental for the Retail Space and the Storage Space prorated on a daily basis, and if the said monthly installments due on the first day of that month have not been paid, the Lessee shall pay the prorated part of the amount of those installments; if the monthly installments have been paid, then the excess thereof shall be credited to the Lessee's other obligations; second, the Lessee shall within twenty (20) days after the effective date of termination render to PATH a sworn statement of all its gross receipts for the annual period in which the effective date of termination falls; third, the payment then due on account of all percentage rental for the annual period in which the effective date of termination falls shall be the excess of the percentage rental, computed as follows, over the total of such percentage rental payments previously made for such annual period: an amount equal to the percentage stated above in paragraph (c) of this Item 1 applied to the gross receipts of the Lessee for such annual period which are in excess of the annual exemption amount established for such annual period, *provided however*, that the annual exemption amount established for such annual period shall be multiplied by a fraction the numerator of which shall be the number of days from the commencement of such annual period to the effective date of termination and the denominator of which shall be 365.

(e) Abatement

(i) For the Retail Space

(1) For every calendar day or major fraction thereof that the Lessee shall be entitled to abatement during the period commencing on the Effective Date and continuing through the end of the fifth annual period, both dates inclusive, the basic rental established for each such annual period shall be reduced by the product of Two Hundred Twenty-eight Dollars and Thirty-two Cents (\$228.32) multiplied by a fraction the numerator of which shall be the number of square feet of floor space as to which the abatement applies and the denominator of which shall be the total number of square feet in the premises.

(2) For every calendar day or major fraction thereof that the Lessee shall be entitled to abatement during the period commencing on the

commencement of the sixth annual period and continuing through the balance of the term of the letting hereunder, the basic rental established for each such annual period shall be reduced by the product of Two Hundred Fifty-one Dollars and Fifteen Cents (\$251.15) multiplied by a fraction the numerator of which shall be the number of square feet of floor space as to which the abatement applies and the denominator of which shall be the total number of square feet in the premises.

(3) During any annual period in which the Lessee shall be entitled to abatement, the annual exemption amount established for such annual period shall be reduced proportionately to the reduction of the basic rental.

(4) For the purpose of abatement, the ascertainment of the number of square feet contained in the Retail Space to be measured shall be in accordance with the following: areas of the Retail Space and parts thereof will be computed by measuring from the inside plaster surface of outer building walls to the plaster surface of the corridor side of corridor partitions and to the center of partitions that separate the premises from adjoining rentable area; no deduction will be made for columns, pilasters, or projections necessary to the building or for toilets, porter's closets, and slop sinks used exclusively by the Lessee and contained within the premises. Permanent partitions enclosing elevator shafts, stairs, fire towers, vents, pipe shafts, meter closets, flues, stacks and any vertical shafts have the same relation to rentable areas as do outer building walls.

(ii) For the Storage Space

(1) For every calendar day or major fraction thereof that the Lessee shall be entitled to abatement during the period commencing on the Rent Commencement Date and continuing through the end of the third annual period, both dates inclusive, the basic rental established for each such annual period shall be reduced by the product of Nineteen Dollars and Sixty-seven Cents (\$19.67) multiplied by a fraction the numerator of which shall be the number of square feet of floor space as to which the abatement applies and the denominator of which shall be the total number of square feet in the premises.

(2) For every calendar day or major fraction thereof that the Lessee shall be entitled to abatement during the period commencing on the commencement of the fourth annual period and continuing through the end of the sixth annual period, both dates inclusive, the basic rental established for each such annual period shall be reduced by the product of Twenty-one Dollars and Sixty-four Cents (\$21.64) multiplied by a fraction the numerator of which shall be the number of square feet of floor space as to which the abatement applies and the denominator of which shall be the total number of square feet in the premises.

(3) During any annual period in which the Lessee shall be entitled to abatement, the annual exemption amount established for such annual period shall be reduced proportionately to the reduction of the basic rental.

(4) For the purpose of abatement, the ascertainment of the number of square feet contained in the Storage Space to be measured shall be in accordance with the following: areas of the Storage Space and parts thereof will be computed by measuring from the inside plaster surface of outer building walls to the

plaster surface of the corridor side of corridor partitions and to the center of partitions that separate the premises from adjoining rentable area; no deduction will be made for columns, pilasters, or projections necessary to the building or for toilets, porter's closets, and slop sinks used exclusively by the Lessee and contained within the premises. Permanent partitions enclosing elevator shafts, stairs, fire towers, vents, pipe shafts, meter closets, flues, stacks and any vertical shafts have the same relation to rentable areas as do outer building walls.

(f) Nothing contained in the foregoing shall affect the survival of the obligations of the Lessee as set forth in Section 24 of this Agreement.

Item 2: Insurance Limits:

(a) The limits of liability insurance referred to in Section 11(b) shall be not less than the following and shall include full contractual liability coverage: commercial general liability insurance for such coverage as may reasonably be stipulated from time to time by PATH covering the Lessee's operations hereunder shall initially be in a combined single limit of not less than \$2,000,000 for liability for bodily injury, for wrongful death and for property damage arising from any one occurrence.

All such coverage shall be effective throughout the term of the letting under this Agreement.

(b) Notwithstanding the provisions of Section 11(c) of this Agreement, PATH shall be included as an additional insured in any policy of liability insurance required by the provisions of this Agreement, and each such policy shall contain a provision that the insurer shall not, without obtaining express advance permission from the General Counsel of PATH or PATH, raise any defense involving in any way the jurisdiction of the tribunal over the person of PATH or the Port Authority, the immunity of PATH or the Port Authority, their Directors, Commissioners, officers, agents or employees, the governmental nature of PATH or the Port Authority or the provisions of any statutes respecting suits against either of them. Such policies shall not exclude or except from their coverage damages arising out of injury to or destruction of property occupied or used by or rented to the Lessee, and shall include products liability and premises operations coverage and a contractual liability endorsement covering the obligations assumed by the Lessee under the Section of this Agreement entitled "*Indemnity; Liability Insurance*".

(c) Such policies shall not contain any care, custody or control exclusions, or any exclusion for bodily injury to or sickness, disease or death of any employee of the Lessee or of any of its contractors which would conflict with or in any way impair the coverages resulting from PATH's status as additional insured or the coverage under the contractual liability endorsement described in this subparagraph. Such insurance shall also contain an endorsement providing that the protection afforded the Lessee thereunder with respect to any claim or action against the Lessee by a third party shall pertain and apply with like effect with respect to any claim or action against the Lessee by PATH and against PATH by the Lessee, but such endorsement shall not limit, vary, change or affect the protections afforded PATH as an additional insured.

(d) In addition to the coverage referred to in paragraph (b) of Section 11 of the Lease and paragraph (a) of this Item 2, the Lessee in its own name as assured shall secure and keep in full force and effect throughout the term of the letting under this Agreement, at Lessee's sole cost and expense, a fire or other casualty policy insuring the full replacement value of all construction, installation and finishing work performed by the Lessee in the premises and the Lessee's furniture, trade fixtures, equipment and other personal property, such insurance to include a replacement cost endorsement, with a deductible of no more than \$1,000 against loss or damage by fire and theft and such other risks or hazards as are insurable under present or future forms of "All Risk" insurance policies.

(e) As to insurance of any type whatsoever required or permitted by any provision of this Agreement, a certified copy of each of the policies or a certificate or certificates evidencing the existence thereof, (including all required endorsements and evidence of the waivers of subrogation required by paragraph (f) of this Item 2), or binders, shall be delivered to PATH within twenty (20) days after the commencement date of the letting hereunder. In the event any binder is delivered, it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate including said endorsements and such waiver of subrogation. Within thirty (30) days after request of PATH made at any time during the term of the letting under this Agreement the Lessee shall deliver a certified copy of the policy to PATH. Each such copy or certificate shall contain a valid provision or endorsement that: (1) the policy may not be canceled, terminated, changed or modified, without giving ten (10) days written advance notice thereof to PATH, and (2) the Lessee shall be solely responsible for the payment of premiums therefor notwithstanding that PATH is named as an additional insured. A renewal policy shall be delivered to PATH at least fifteen (15) days prior to the expiration date of each expiring policy, except for any policy expiring after the date of expiration of the letting. If at any time any of the policies shall be or become unsatisfactory to PATH as to form or substance, or if any of the carriers issuing such policies shall be or become unsatisfactory to PATH the Lessee shall promptly obtain a new and satisfactory policy in replacement. A carrier shall be deemed satisfactory to PATH if it has and maintains a rating by Best's Insurance Reports or any successor publication of comparable standing of "A-X" or better or the then equivalent of such rating. PATH will not find a policy issued by a satisfactory carrier to be unsatisfactory as to form or substance unless it contains provisions not generally included in Commercial General Liability policies which landlords in the City of New York owning comparable first class office buildings at the time of such determination require to be maintained by tenants conducting operations similar to those conducted by the Lessee in the premises. Notwithstanding anything contained in this Section, it is specifically understood and agreed that PATH shall have the right upon notice to the Lessee given from time to time and at any time to require the Lessee to increase any or all of the limits set forth in this Section and the Lessee shall promptly comply therewith and shall promptly submit a certificate or certificates evidencing the same to PATH.

Item 3: (a) Heat and Air-Cooling:

Notwithstanding the provisions of Section 14 hereof, PATH shall not furnish or supply heat or air-cooling to the Retail Space or the Storage Space.

(b) Electricity:

To be supplied by PATH to the Retail Space to the extent that the Lessee's consumption thereof does not exceed the capacity of exiting feeders, risers, or wiring on or off the Retail Space and to be metered by PATH and to be paid for by the Lessee at the greater of (1) the rates (including the fuel or other adjustment factor if any) which the Lessee at the time of such purchase and under the service classification then applicable to it would have to pay for the same quantity of electricity to be used for the same purposes under the same conditions if it received the electricity directly from the public utility supplying the same to commercial buildings in the vicinity, or (2) PATH's cost of obtaining and supplying the same quantity of electricity. It is understood that in lieu of metering the Lessee's consumption of electricity in any portion of the Retail Space, PATH may periodically throughout the term of the letting, at such times as it may elect, survey the Retail Space for the purpose of establishing the lessee's annual consumption and demand for the electricity based on the total rated wattage of all lamps and electrical equipment, appliances, machines, power units, and other devices which are located in or on such portion of the Retail Space, and are or may be used by the Lessee therein, and the frequency and duration of the use thereof. The determination of total rated wattage and consumption and demand by PATH shall be binding and conclusive and for the purposes of payment under this Agreement shall be deemed to remain constant until changed by PATH after another survey. Notwithstanding that PATH has agreed to supply electricity to the Lessee in the Retail Space, PATH shall be under no obligation to provide or continue such service if PATH is prevented by law, agreement or otherwise from metering or surveying the lessee's consumption and demand for electricity as hereinabove set forth or elects not to so meter or survey the same; then, in any such event the Lessee shall make all arrangements and conversions necessary to obtain electricity directly from the public utility. Also in such event the Lessee shall perform the construction necessary for conversion and if any lines or equipment of PATH are with the consent of PATH used therefor PATH may make an appropriate charge therefor to the Lessee based on its costs and expenses for the said lines and equipment.

PATH shall furnish to the Lessee in the Storage Space, without additional charge, electricity for illumination only, by which is meant the energizing of fluorescent bulbs (to be supplied and installed by the Lessee) through existing wires, conduits and outlets, if any. Except as provided herein, PATH shall not supply any services or utilities to the Storage Space.

(c) Domestic Hot and Cold Water: Not to be sold, furnished or supplied by PATH to the Lessee.

THERE IS NO SUBPARAGRAPH (d)

(e) Steam: Not to be sold, furnished or supplied by PATH to the Lessee.

(f) Gas: Not to be sold, furnished or supplied by PATH to the Lessee.

Item 4: New Construction: As set forth in Section 46.

Item 5: Construction Liability Insurance Limits: The limits of liability insurance shall be not less than the amounts specified in the Alteration Application referred to in Section 46 hereof.

Item 6: Cost and Proration Thereof: Not Applicable.

Item 7: Cash Security: See Section 29.

Item 8: Performance Bond: Not applicable.

For PATH

For the Lessee

SCHEDULE E

AFFIRMATIVE ACTION-EQUAL OPPORTUNITY---MINORITY BUSINESS ENTERPRISES ---WOMEN-OWNED BUSINESS ENTERPRISES REQUIREMENTS

Part I. Affirmative Action Guidelines - Equal Employment Opportunity

I. As a matter of policy, PATH requires the Lessee, and the Lessee shall require the Contractor, as hereinafter defined, to comply with the provisions set forth hereinafter in this Schedule E. The provisions set forth in this Part I are similar to the conditions for bidding on federal government contracts adopted by the Office of Federal Contract Compliance and effective May 8, 1978.

The Lessee, as well as each bidder, contractor and subcontractor of the Lessee and each subcontractor of a contractor at any tier of construction (herein collectively referred to as "the Contractor"), must fully comply with the following conditions set forth herein as to each construction trade to be used on the construction work or any portion thereof (said conditions being herein called "Bid Conditions"). The Lessee hereby commits itself to the goals for minority and female utilization set forth below and all other requirements, terms and conditions of the Bid Conditions. The Lessee shall likewise require the Contractor to commit itself to the said goals for minority and female utilization set forth below and all other requirements, terms and conditions of the Bid Conditions by submitting a properly signed bid.

II. The Lessee and the Contractor shall each appoint an executive of their respective companies to assume the responsibility for the implementation of the requirements, terms and conditions of the following Bid Conditions:

(a) The goals for minority and female participation, expressed in percentage terms for the Contractor's aggregate workforce in each trade on all construction work, are as follows:

- | | |
|-----------------------------|------|
| (1) Minority participation: | |
| Minority, except laborers | 30% |
| Minority, laborers | 40% |
| (2) Female participation: | |
| Female, except laborers | 6.9% |
| Female, laborers | 6.9% |

These goals are applicable to all the Contractor's construction work performed in and for the premises.

The Contractor's specific affirmative action obligations required herein of minority and female employment and training must be substantially uniform throughout the length of the contract, and in each trade, and the Contractor shall make good faith efforts to employ minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the Contractor's goals shall be a violation of the contract. Compliance with the goals will be measured against the total work hours performed.

(b) The Contractor shall provide written notification to the Lessee and the Lessee shall provide written notification to the Manager of the Office of Business and Job Opportunity of the Port Authority within ten (10) working days of awarding of any construction subcontract in excess of \$10,000 at any tier for construction work. The notification shall list the name, address and telephone number of the subcontractor; employer identification number; estimated starting and completion dates of the subcontract; and the geographical area in which the subcontract is to be performed.

(c) As used in these specifications:

(1) "Employer identification number" means the Federal Social Security number used on the Employer's Quarterly Federal Tax Return, U.S. Treasury Department Form 941:

(2) "Minority" includes:

(i) Black (all persons having origins in any of the Black African racial groups not of Hispanic origin);

(ii) Hispanic (all persons of Mexican, Puerto Rican, Dominican, Cuban, Central or South American culture or origin, regardless of race);

(iii) Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands); and

(iv) American Indian or Alaskan Native (all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification).

(d) Whenever the Contractor, or any subcontractor at any tier, subcontracts a portion of the construction work involving any construction trade, it shall physically include in each subcontract in excess of \$10,000 those provisions which include the applicable goals for minority and female participation.

(e) The Contractor shall implement the specific affirmative action standards provided in subparagraphs (1) through (16) of Paragraph (h) of Part I hereof. The goals set forth above are expressed as percentages of the total hours of employment and training of minority and female utilization the Contractor should reasonably be able to achieve in each construction trade in which it has employees in the premises. The Contractor is expected to make substantially uniform progress toward its goals in each craft during the period specified.

(f) Neither the provisions of any collective bargaining agreement, nor the failure by a union with whom the Contractor has a collective bargaining agreement to refer either minorities or women shall excuse the Contractor's obligations hereunder.

(g) In order for the nonworking training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees must be employed by the Contractor during the training period, and the Contractor must have made a commitment to employ the apprentices and trainees at the completion of their training subject to the availability of employment opportunities. Trainees must be trained pursuant to training programs approved by the U.S. Department of Labor.

(h) The Contractor shall take specific affirmative actions to ensure equal employment opportunity ("EEO").

The evaluation of the Contractor's compliance with these provisions shall be based upon its good faith efforts to achieve maximum results from its actions. The Contractor shall document these efforts fully, and shall implement affirmative action steps at least as extensive as the following:

(1) Ensure and maintain a working environment free of harassment, intimidation, and coercion at all sites, and in all facilities at which the Contractor's employees are assigned to work. The Contractor, where possible, will assign two or more women to each Phase of the construction project. The Contractor shall specifically ensure that all foremen, superintendents, and other supervisory personnel at the premises are aware of and carry out the Contractor's obligation to maintain such a working environment, with specific attention to minority or female individuals working at the premises.

(2) Establish and maintain a current list of minority and female recruitment sources, provide written notification to minority and female recruitment sources and to community organizations when the Contractor or its unions have employment opportunities available, and maintain a record of the organizations' responses.

(3) Maintain a current file of the names, addresses and telephone numbers of each minority and female off-the-street applicant and minority or female

referral from a union, a recruitment source or community organization and of what action was taken with respect to each such individual. If such individual was sent to the union hiring hall for referral and was not referred back to the Contractor by union or, if referred, was not employed by the Contractor, this shall be documented in the file with the reason therefor, along with whatever additional actions the Contractor may have taken.

(4) Provide immediate written notification to the Lessee when the union or unions with which the Contractor has a collective bargaining agreement has not referred to the Contractor a minority person or woman sent by the Contractor, or when the Contractor has other information that the union referral process has impeded the Contractor's efforts to meet its obligations.

(5) Develop on-the-job training opportunities and/or participate in training programs for the area which expressly include minorities and women, including upgrading programs and apprenticeship and training programs relevant to the Contractor's employment needs, especially those programs funded or approved by the Department of Labor. The Contractor shall provide notice of these programs to the sources compiled pursuant to subparagraph (2) of paragraph II (h) of Part I hereof.

(6) Disseminate the Contractor's EEO policy by providing notice of the policy to unions and training programs and requesting their cooperation in assisting the Contractor in meeting its EEO obligations; by including said policy in any policy manual and collective bargaining agreement; by publicizing said policy in the Contractor's newspaper, annual report, etc.; by specific review of the policy with all management personnel and with all minority and female employees at least once a year; and by posting the Contractor's EEO policy on bulletin boards accessible to all employees at each location where construction work is performed.

(7) Review, at least every six (6) months the Contractor's EEO policy and affirmative action obligations hereunder with all employees having any responsibility for hiring, assignment, layoff, termination or other employment decisions including specific review of these items with on-premises supervisory personnel such as Superintendents, General Foremen, etc., prior to the initiation of construction work at the premises. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed, and disposition of the subject matter.

(8) Disseminate the Contractor's EEO policy externally by including it in any advertising in the news media, specifically including minority and female news media, and providing written notification to and discussing the Contractor's EEO policy with other Contractors and Subcontractors with whom the Contractor does or anticipates doing business.

(9) Direct its recruitment efforts, both oral and written, to minority, female and community organizations, to schools with minority and female students and to minority and female recruitment and training organizations and to State-certified minority referral agencies serving the Contractor's recruitment area and employment needs. Not later than one month prior to the date for the acceptance of applications for apprenticeship or other training by any recruitment source, the Contractor shall send written notification to organizations such as the above, describing the openings, screening procedures, and tests to be used in the selection process.

(10) Encourage present minority and female employees to recruit other minority persons and women and, where reasonable, provide after school, summer and vacation employment to minority and female youth both on the premises and in other areas of a Contractor's work force.

(11) Tests and other selection requirements shall comply with 41 CFR Part 60-3.

(12) Conduct, at least every six (6) months, an inventory and evaluation at least of all minority and female personnel for promotional opportunities and encourage these employees to seek or to prepare for, such opportunities through appropriate training, etc.

(13) Ensure that seniority practices, job classifications, work assignments and other personnel practices, do not have a discriminatory effect by continually monitoring all personnel and employment related activities to ensure that the EEO policy and the Contractor's obligations hereunder are being carried out.

(14) Ensure that all facilities and company activities are nonsegregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure privacy between the sexes.

(15) Document and maintain a record of all solicitations of offers for subcontracts from minority and female construction contractors and suppliers, including circulation of solicitations to minority and female contractor associations and other business associations.

(16) Conduct a review, at least every six (6) months, of all supervisors' adherence to and performance under the Contractors' EEO policies and affirmative action obligations.

(i) Contractors are encouraged to participate in voluntary associations which assist in fulfilling one or more of their affirmative action obligations (subparagraphs (1)-(16) of

paragraph (II)(h) of Part I, above). The efforts of a contractor association, joint contractor-union, contractor-community, or other similar group of which the Contractor is a member and participant, may be asserted as fulfilling any one or more of its obligations under paragraph (II)(h) of Part I, above, provided that the Contractor: actively participates in the group, makes good faith efforts to assure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the program are reflected in the Contractor's minority and female work force participation, makes good faith efforts to meet its individual goals and timetables, and can provide access to documentation which demonstrates the effectiveness of actions taken on behalf of the Contractor. The obligation to comply, however, is the Contractor's and failure of such a group to fulfill an obligation shall not be a defense for the Contractor's non-compliance.

(j) A single goal for minorities and a separate single goal for women have been established. The Contractor, however, is required to provide equal employment opportunity and to take affirmative action for all minority groups, both male and female, and all women, both minority and non-minority. Consequently, the Contractor may be in violation hereof if a particular group is employed in a substantially disparate manner (for example, even though the Contractor has achieved its goals for women generally, the Contractor may be in violation hereof if a specific minority group of women is underutilized).

(k) The Contractor shall not use the goals and timetables or affirmative action standards to discriminate against any person because of race, color, religion, sex or national origin.

(l) The Contractor shall not enter into any subcontract with any person or firm debarred from Government contracts pursuant to Executive Order 11246.

(m) The Contractor shall carry out such sanctions and penalties for violation of this clause including suspension, termination and cancellation of existing subcontracts as may be imposed or ordered by the Lessee. Any Contractor who fails to carry out such sanctions and penalties shall be in violation hereof.

(n) The Contractor, in fulfilling its obligations hereunder, shall implement specific affirmative actions steps, at least as extensive as those standards prescribed in paragraph (II)(h) of Part I, above, so as to achieve maximum results from its efforts to ensure equal employment opportunity. If the Contractor fails to comply with the requirements of these provisions, the Lessee shall proceed accordingly.

(o) The Contractor shall designate a responsible official to monitor all employment related activity to ensure that the company EEO policy is being carried out, to submit reports relating to the provisions hereof as may be required and to keep records. Records shall at least include for each employee, the name, address, telephone numbers, construction trade, union affiliation if any, employee identification number when assigned, social security

number, race, sex, status (e.g. mechanical apprentice, trainee, helper, or laborer), dates of changes in status, hours worked per week in the indicated trade, rate of pay, and location at which the work is performed. Records shall be maintained in an easily understandable and retrievable form; however, to the degree that existing records satisfy this requirement, contractors shall not be required to maintain separate records.

(p) Nothing herein provided shall be construed as a limitation upon the application of any laws which establish different standards of compliance or upon the application of requirements for the hiring of local or other area residents (e.g., those under the Public Works Employment Act of 1977 and the Community Development Block Grant Program).

(q) Without limiting any other obligation, term or provision under the Lease, the Contractor shall cooperate with all federal, state or local agencies established for the purpose of implementing affirmative action compliance programs and shall comply with all procedures and guidelines established or which may be established by the Port Authority on behalf of PATH.

PART II. MINORITY BUSINESS ENTERPRISES/WOMEN-OWNED BUSINESS ENTERPRISES

As a matter of policy, PATH requires the Lessee and the Lessee shall itself and shall require the general contractor or other construction supervisor and each of the Lessee's contractors to use every good faith effort to provide for meaningful participation by Minority Business Enterprises (MBEs) and Women-owned Business Enterprises (WBEs) in the construction work pursuant to the provisions of this Schedule E. For purposes hereof, "Minority Business Enterprise" ("MBE") shall mean any business enterprise which is at least fifty-one percent of which is owned by, or in the case of a publicly owned business, at least fifty-one percent of the stock of which is owned by citizens or permanent resident aliens who are minorities and such ownership is real, substantial and continuing. For the purposes hereof, Women-owned Business Enterprise ("WBE") shall mean any business enterprise which is at least fifty-one percentum owned by, or in the case of a publicly owned business, at least fifty-one percentum of the stock of which is owned by women and such ownership is real, substantial and continuing. A minority shall be as defined in paragraph II(c) of Part I of this Schedule E. "Meaningful participation" shall mean that at least seventeen percent (17%) of the total dollar value of the construction contracts (including subcontracts) covering the construction work are for the participation of MBEs and WBEs, of which at least twelve percent (12%) are for the participation of MBEs. Good faith efforts to include meaningful participation by MBEs and WBEs shall include at least the following:

(a) Dividing the work to be subcontracted into smaller portions where feasible.

(b) Actively and affirmatively soliciting bids for subcontracts from MBEs and WBEs, including circulation of solicitations to minority and female contractor

associations. The Contractor shall maintain records detailing the efforts made to provide for meaningful MBE and WBE participation in the work, including the names and addresses of all MBEs and WBEs contacted and, if any such MBE or WBE is not selected as a joint venturer or subcontractor, the reason for such decision.

(c) Making plans and specifications for prospective construction work available to MBEs and WBEs in sufficient time for review.

(d) Utilizing the list of eligible MBEs and WBEs maintained by the PATH (or the Port Authority on its behalf) or seeking minorities and women from other sources for the purpose of soliciting bids for subcontractors.

(e) Encouraging the formation of joint ventures, partnerships or other similar arrangements among subcontractors, where appropriate, to insure that the Lessee and Contractor will meet their obligations hereunder.

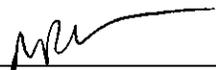

(f) Insuring that provision is made to provide progress payments to MBEs and WBEs on a timely basis.

(g) Not requiring bonds from and/or providing bonds and insurance for MBEs and WBEs, where appropriate.
