CONTRACT OF PURCHASE AND SALE

THIS CONTRACT OF PURCHASE AND SALE (this "*Agreement*"), made pursuant to the provisions of *N.J.S.A. 32:1-35.28 et seq.* as of the 30th day of July, 2010 (the "*Agreement Date*") by and between the **BAYONNE LOCAL REDEVELOPMENT AUTHORITY**, an instrumentality and agency of the City of Bayonne, in the County of Hudson, New Jersey and organized under, and existing by virtue of, the laws of the State of New Jersey, having its principal office located at 51 Port Terminal Boulevard, Bayonne, New Jersey 07002 (hereinafter referred to as the "*Seller*" or the "*BLRA*"), and **THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY**, a body corporate and politic created by Compact between the States of New York and New Jersey with the consent of the Congress of the United States of America and having its principal executive office at 225 Park Avenue South, in the City, County and State of New York (hereinafter referred to as the "*Purchaser*" or the "*Port Authority*").

WITNESSETH:

WHEREAS, pursuant to a decision by the United States of America to decommission the Bayonne Military Ocean Terminal at Bayonne (the "*Peninsula*" or "*MOTBY*"), the Peninsula (formerly known as Block 404, Lot 1 on the tax maps of the City of Bayonne) was transferred to the BLRA pursuant to Quitclaim Deeds dated September 28, 2001 and December 11, 2002 and recorded on October 3, 2001 and January 24, 2003, respectively (the "*Transfer Documents*"); and

WHEREAS, the Port Authority is a body corporate and politic created by Compact between the State of New Jersey and the State of New York, with the consent of the Congress of the United States of America; and

WHEREAS, the BLRA was established by Ordinance Number 0-98-26, adopted on June 10, 1998, by the City Council of the City of Bayonne, in the County of Hudson, New Jersey, as an instrumentality and agency of the City of Bayonne (the "*City*") pursuant to the provisions of the Local Redevelopment and Housing Law, N.J.S.A. 40A:12A-1, et seq.; and

WHEREAS, by entering into the Compact, the State of New Jersey, among other things, determined that the Port of New York District had become one commercial center which if properly and efficiently developed would result in great economies and benefit to the nation as well as the States of New Jersey and New York, and determined that such large scale development required the expenditure of large sums of money and cooperation between both States which was best accomplished by the creation of the Port Authority; and

WHEREAS, the Compact, among other things, authorized and directed the Port Authority to proceed with the development of the Port of New York District in accord with a comprehensive plan created by the States of New York and New Jersey (the "*Comprehensive Plan*"); and

WHEREAS, *N.J.S.A. 32:1-35.28 et seq.* provides that the Port Authority may acquire property from municipalities for "Marine terminal purposes" as defined in *N.J.S.A. 32:1-35.30* ("*Marine Terminal Purposes*"); and

WHEREAS, as a public agency, the Port Authority is required to perform functions and activities related to port development and expansion, including the acquisition of property from municipalities, public agencies and public authorities for Marine Terminal Purposes, in furtherance of its public purpose to benefit of the regional economy and to carry out the Comprehensive Plan; and

WHEREAS, the Peninsula is located in a strategic location in the heart of the Port of New York District, which in the opinion of the Port Authority, if used for Marine Terminal Purposes would have a tremendously positive impact in furtherance of the Comprehensive Plan and which would maintain the Port of New York District the number one maritime port on the Atlantic Coast; and

WHEREAS, the Port Authority has offered to acquire the Landing, Loft and Bayonne Point Districts of the Peninsula in order to develop same for Marine Terminal Purposes; and

WHEREAS, the BLRA has determined it to be in the best interest of the public to accept the Port Authority's offer upon the terms and conditions set forth herein.

(c) Purchaser warrants the payment of the remaining portions of the Purchase Price, subject to Section 4.3 hereof, which shall be a general obligation of the Port Authority. Payments shall be payable on June 1 of each year with a 15-day grace period, thereafter interest, at the revenue bond index plus 300 basis points, shall accrue on the payment due until such payment is paid by Purchaser to Seller, together with the accrued interest through the day payment of the payment due is paid to Seller. If payment of any amount due hereunder is not paid by the Port Authority to the Seller within thirty (30) days of the date such payment is due,

then the Port Authority shall be in default. If after the Closing, notwithstanding the Port Authority transferring title to any portion or all of the Real Estate and/or Property to any other party, at the Port Authority's sole option, the Port Authority shall (i) remain obligated for all payments remaining due under this Agreement, which shall continue to be general obligations of the Port Authority or (ii) pay the entire remaining amounts due, discounted using the Port Authority's capital cost interest rate as the discount factor.

(d) Purchaser covenants and agrees that Seller, at its sole discretion, shall have the right to assign all or any portion of the payments due under this Agreement to any third party and Purchaser shall cooperate with Seller in connection with any such assignment, including but not limited to executing all documents reasonably required to effectuate such assignment and agreeing to make the assigned payments to such third party in accordance with the terms and conditions of this Agreement.

(e) The provisions of this Article II shall survive Closing and the delivery of the Deed hereunder.

ARTICLE III – COOPERATION AND DUE DILIGENCE

3.1 Cooperation:

(a) Seller has and shall continue to give, or cause to be given, to the Purchaser and its representatives such access, during normal business hours, to the books, plans, data, documentation, permits, test results, studies, maps, reports, correspondence, records, applications, approvals and other similar items of Seller, relating to the Property, as Purchaser may from time to time reasonably request with respect to the Property and to make copies thereof at Purchaser's sole cost and expense.

(b) Seller and Purchaser shall cooperate with each other in obtaining all necessary approvals and permits required or necessary for the development and use of the Property to the extent that Purchaser deems any permit or approval necessary, including, by way of example, and not by way of limitation, any highway access permit necessary to use Route 440, or the removal of Title Objections. However, except as related to removal of Title Objections, Seller shall not be obligated to pay any costs associated with such permits and/or approvals. The provisions of this Section 3.1(b) shall survive Closing and the delivery of the Deed hereunder.

3.2 Due Diligence Review:

(a) During the period commencing on the Agreement Date and terminating on July 30, 2010 (the "*Due Diligence Period*"), Purchaser shall have the right, at its sole cost and expense, to conduct or cause to be conducted any and all tests, inspections, reviews, assessments or evaluations of the Property (collectively, the "*Inspections*") as Purchaser deems necessary, desirable or appropriate in order to determine whether the Property is suitable for purchase by Purchaser. The Inspections may include engineering, structural and environmental inspections and title reviews. Seller shall cooperate with the Purchaser and its designees in the investigation of the Peninsula and in performing any Inspections in connection with the Property.

(b) (i) On or before the end of the Due Diligence Period, in the event that the Inspections reveal any Defect (as hereinafter defined), Purchaser shall promptly notify Seller of such Defect in a written notice delivered to Seller. In the event Purchaser does not provide a written notice of any Defect to Seller by the end of the Due Diligence Period, then it shall be deemed that Purchaser shall have waived any Defect.

(ii) Within three (3) days after Seller receives the notice described in clause (i) above, Seller shall notify Purchaser in writing whether or not Seller will remedy, cure or repair the Defect at Seller's cost prior to the Closing. In the event that Seller shall fail to provide such notice within such 3-day period, Seller shall be deemed to have elected not to undertake such remedy, cure or repair. Notwithstanding anything to the contrary contained herein, it is specifically understood and agreed by Purchaser that Seller shall have absolutely no obligation to remedy, cure or repair any Defect unless, and then only to the extent that, Seller agrees to do so in a written notice to Purchaser pursuant to this clause (ii).

(iii) In the event that Seller shall agree, in its sole discretion, in writing to remedy, cure or repair any Defect, Seller shall do so, at Seller's cost, as set forth in Seller's written notice agreeing to remedy, cure, or repair said Defect, but Seller's performance shall not delay the Closing; provided, however, in the event Seller fails to complete the performance of any said remedy, cure, or repair, by the date the next payment of the Purchase Price is payable, said payment shall be reduced by the cost incurred by Purchaser to complete the same. In the event that Seller shall notify Purchaser in writing that it does not elect to remedy, cure or repair the Defect (or in the event that Seller shall not have responded to Purchaser in writing within the 3-day period referred to in clause (ii) above), Purchaser may, in its sole and absolute discretion, terminate this Agreement upon written notice to Seller delivered within five (5) days after receipt of such notice from Seller (or, in the absence of such notice from Seller, within five (5) days after the expiration of the 3-day period referred to in clause (ii) above). In the event Purchaser terminates this Agreement pursuant to this Section neither party shall have any further rights or obligations hereunder except as otherwise expressly provided herein.

(iv) As used herein, the term "*Defect*" shall mean a single physical abnormality or environmental condition on the Land, which if not remedied, cured or repaired would so impair the Land so as to prevent the Land to be used and developed for Marine Terminal Purposes and the hard cost required to remedy, cure or repair said physical abnormality or environmental condition in order to permit the Land to be used for Marine Terminal Purposes would exceed One Million Dollars (\$1,000,000) for each acre or part thereof affected by said physical abnormality or environmental condition.

(c) Purchaser and its authorized agents, representatives, consultants and engineers shall have the continuing right of reasonable access to the Property until the Closing, including the Due Diligence Period.

ARTICLE IV - TITLE MATTERS

4.1 Title to the Property. Fee simple title to the Real Estate shall be conveyed to Purchaser in accordance with all of the provisions of this Agreement, and such title shall be (i) good and marketable and free and clear of all liens, assessments, restrictions, encumbrances, mortgages, easements, leases, tenancies, claims or rights of use or possession and other title objections, except for the permitted encumbrances ("*Permitted Encumbrances*") as set forth on "*Exhibit D*" attached hereto and hereby made a part hereof and (ii) insurable by Commonwealth Land Title Insurance Company (the "*Purchaser's Title Company*") with such endorsements and affirmative coverages as Purchaser may reasonably require. In addition, except as modified by this Agreement, Purchaser's right to use all easements, rights-of-way and other agreements of record benefiting the Real Estate and the contiguity of all pieces or parcels comprising the Real Estate and easements or rights-of-way, if applicable, shall be so insurable without additional premium or if insurable by endorsement without additional premium required beyond the customary cost of such endorsement.

4.2 Title Objections. Purchaser has obtained Commitment No. 10-000206 for the Bayonne Point Parcel, the Loft Parcel, and the Landing Parcel, attached hereto as "*Exhibit E*" and hereby made a part hereof, for the issuance of an American Land Title Association ("ALTA") owner's title insurance policy covering the Real Estate (the "*Commitment*") from the Purchaser's Title Company. Purchaser has reviewed and approved the Commitment. Purchaser has provided written notice to Seller of its objections to title which are unacceptable to Purchaser (each a "*Title Objection*"). A complete list of Title Objections are set forth on "*Exhibit F*," attached hereto and hereby made a part hereof. Purchaser shall accept title from Seller in the condition disclosed in the Commitment subject to the Permitted Encumbrances and curing of the Title Objections.

4.3 Curing Title Objections. Seller has elected to cure the Title Objections. Seller shall use reasonable commercial efforts to cure the Title Objections, which shall not delay the Closing.

(a) The Title Objections not cured before Closing, shall be cured by BLRA as provided in this Section 4.3(a).

(i) BLRA covenants and agrees, and shall cause the City, at their cost and expense, to take all reasonable actions necessary to have NJDEP release, terminate or otherwise extinguish the recorded conservation easement granted to the NJDEP in Section "a. Public Access to the Waterfront" in the Grant of Conservation Restriction/Easement, dated August 30, 2006 and recorded in Deed Book 7986, Page 235 for the Hudson River Walkway ("*HRWW Easement*") on the Peninsula, including the Real Estate. Port Authority covenants and agrees that it shall take all reasonable actions to assist BLRA and the City in accomplishing same.

(ii) BLRA covenants and agrees, and shall cause the City, at their cost and expense, to take all reasonable actions necessary to have the State of New Jersey remove all Green Acres deed restrictions prohibiting disposal of the property or diversion to a use other than recreation and conservation ("*Green Acres Restriction*") affecting Block 1161/Lot 2 (known as

"*Harbor View Park*") on the Bayonne Point Parcel currently owned in fee by the City, and thereafter, BLRA shall cause said parcel to be conveyed whether directly or indirectly, to the Port Authority, except for Permitted Encumbrances, free and clear of all exceptions not acceptable to the Port Authority. The Port Authority covenants and agrees that it shall take all reasonable actions to assist BLRA and the City in accomplishing same.

(iii) BLRA covenants and agrees, and shall cause the City, at their cost and expense, to take all reasonable actions necessary to have the State of New Jersey permanently release and remove of record the reservation granted in Section 1.C(i) and (ii) in the two vesting deeds from the United States of America to Seller, dated September 28, 2001, recorded in Deed Book 5897, Page 1 and dated December 11, 2002, recorded in Deed Book 7012, Page 211, providing the State of New Jersey with the right to construct and maintain a navigation channel and construct the Hudson River Walkway on the Peninsula. The Port Authority covenants and agrees that it shall take all reasonable actions to assist BLRA and the City in accomplishing same.

(iv) BLRA covenants and agrees to cooperate with the Port Authority in connection with its request of the State of New Jersey to release the easement granted in Section "h" of the "Deed of Dedication and Shore Protection Easement", dated June 12, 2009 and recorded in Deed Book 8670, Page 539.

(b) Failure of Removal. If BLRA has not or has not caused to be removed, released, terminated, or otherwise extinguished the HRWW Easement or Green Acres Restriction on Harbor View Park, as described in Section 4.3(a)(i) and (ii), by June 1, 2023, and the existence of both of the HRWW Easement and the Green Acres Restriction on Harbor View Park materially impairs the use of the Real Estate as a marine cargo container facility, then the Purchase Price shall be deemed paid in full after payment of the June 1, 2023 payment and the Port Authority shall not be obligated to make any further payments. In the event that (x) only the HRWW Easement or only the Green Acres Restriction on Harbor View Park is removed and the remaining encumbrance materially impairs the use of the Real Estate as a marine cargo container facility, or (y) if neither the HRWW Easement nor the Green Acres Restriction on Harbor View Park is removed, but only one of those encumbrances materially impairs the use of the Real Estate as a marine cargo container facility, then the Port Authority's payment obligations shall extend to June 1, 2028, otherwise the Port Authority's payment obligations shall remain until June 1, 2033. Notwithstanding this Section 4.3(b), BLRA agrees to cooperate with the Port Authority in accordance with Section 4.3(c) below.

(c) Milestones. Notwithstanding Section 4.3(b) above, the parties shall work together to remove, release, terminate, or otherwise extinguish the Title Objections. Seller, by no later than October 1, 2010, shall request a pre-application conference with NJDEP in order to discuss the disposal and diversion of the Green Acres restriction on the Harbor View Park. Following the pre-application conference, BLRA shall diligently pursue and follow the requirements of N.J.A.C. 7:36-26 *et seq.*, so as to obtain a decision regarding the removal or diversion of the Green Acres restriction by March 31, 2012; provided, however, so long as Seller has diligently pursued the removal or diversion of the Green Acres restriction, Seller shall be in compliance with its obligation. Concurrent with the request for the pre-application conference, BLRA shall request NJDEP and/or the State of New Jersey (for itself, or through NJDEP or such other appropriate agency) to release the State of New Jersey's

easements and restrictions relating to the HRWW Easement and navigational channel and recommend to NJDEP and the State of New Jersey, as appropriate, that NJDEP and the State of New Jersey, as appropriate, and BLRA hold a joint public hearing for the release of the Hudson River Waterfront Walkway, the navigational channel, and the disposal of the Harbor View Park. Following the request for the release of the State of New Jersey's easements and restrictions relating to the HRWW Easement and navigational channel, BLRA shall diligently pursue a decision regarding the release or termination of such easements and restrictions by March 31, 2012; provided, however, so long as Seller has diligently pursued the release of the State of New Jersey's easements and restrictions relating to the HRWW Easement and navigational channel, Seller shall be in compliance with its obligation. Upon obtaining the removal of each of the Title Objections, BLRA or such other party authorized to dispose of the applicable property interest, shall deliver an instrument, executed by BLRA, or such other party authorized to dispose of the applicable property interest, in recordable form for recording to the Hudson County Register to memorialize the removal, release, termination, or otherwise extinguishment of the Title Objection.

(d) Survival of Section 4.3 The provisions of this Section 4.3 shall survive the Closing and delivery of the Deed.

4.4 Liens: Except for Permitted Encumbrances, if, at or before Closing, the Real Estate is subject to mechanics', materialmen's or construction liens, or the lien of decedent's debts, Seller shall, at Seller's cost and expense, have such liens satisfied, or released so as to have such liens removed as a lien on the Real Estate and from the Commitment and upon so doing the same shall be considered good delivery of title with respect thereto under this Agreement. Except for Permitted Encumbrances, Seller shall discharge all monetary liens at or before Closing.

4.5 Survey:

(a) Purchaser, has obtained a survey prepared by LGA Engineering Inc., (a business unit of Birdsall Services Group), dated July 15, 2010, file numbers 5-04334-0002-00 (Bayonne Point Parcel), 5-04334-0002-00 (the Loft Parcel) and 5-04334-0002-00 (the Landing Parcel), each of which consists of two (2) sheets (collectively, the "Survey") which Survey shall (i) provide legal descriptions and the acreage of the Real Estate and all plottable recorded easements (both burdening and benefiting the land), (ii) show that the Real Estate is not encumbered by any easements or encroachments other than the Permitted Encumbrances (subject to Section 4.3 above), which would interfere with Purchaser's use of the Real Estate as a maritime terminal, and (iii) show no other matter which would interfere with Purchaser's use of the Real Estate as a maritime terminal. Seller acknowledges and agrees that subsequent to execution of this Agreement but prior to Closing, Purchaser may make technical edits and/or modifications to the notes reflected on the first sheet one (1) of the Survey to reflect title exceptions and notes as of the date of Closing. The Deed shall describe the Real Estate in accordance with the Survey.

ARTICLE V – APPORTIONMENTS AND COSTS
