List of specific record(s):

On June 26th 2013 my minor daughter was a passenger on Delta Flight 73 from IST to JFK. At approximately 1630 the plane arrived with numerous cases of illness reported and medical staff and Port officers assisted with the passengers who were transported to Jamaica Medical Center. I need a full incident report. Her name is Lara L. Gecewicz D.O.B. Please include all passenger statements, aircrew statements, EMT and medical staff statements as well as all related information including reports to the CDC.

Re: Freedom of Information Reference No. 14446

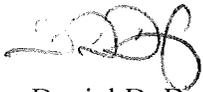

Dear Mr. Gecewicz:

This is in response to your December 4, 2013 request, which has been processed under the Port Authority's Freedom of Information Code (the "Code") for a copy of the incident report including all passenger statements, aircrew statements, EMT and medical staff statements as well as all related information including reports to the CDC related to Lara L. Gecewicz incident on 6/26/13 on Delta Flight 73 from IST to JFK.

Material responsive to your request and available under the Code can be found on the Port Authority's website at <http://www.panynj.gov/corporate-information/foi/14446-O.pdf>. Paper copies of the available records are available upon request.

Please refer to the above FOI reference number in any future correspondence relating to your request.

Very truly yours,

Daniel D. Duffy

Airline Requests/Situations

Overheard on PAPD frequency of a Delta flight with 5 ill pax. Contacted Delta, spoke to Kristi, Delta flight no. 73 originated in Istanbul and is at T-4 G B33. Flight landed and parked at 1557. Per Kristi CDC has been notified.

Email sent to mgmt.

1620 - Per PAPD Public Health is on scene interviewing pax and reports it is food poisoning.

1659 - Steve Coleman of Media Relations called asking about above flight. Gave him info.
