List of specific record(s):

I am trying to obtain the video footage from the camera located outside of the Grove Street Path Station on Marin and Columbus from Friday, Jan 10th between 4:30 and 5:30 PM. At that time, we believe a white man who is 68 was coming out of the train and slipped and fell on the steps. He eventually was taken to the ICU, but he doesn't remember what happened. According to EMS reports, there was no call that happened around that stop, so we believe he may have kept walking somewhere before being taken in. Any help would be great
