Dear Mr. Duffy:

I am in receipt of your March 25, 2014 letter referencing Freedom of Information Reference 14771 in which you stated that my previous request for information was overly broad and could not be processed under the Code. Thank you for your response to my initial request.

Please provide names and contact information of parties responsible for constructing the area around the base of the elevator in the United Airlines flight control tower, including the stairs providing access to the elevator. Please also provide contracts generated for the construction of said area.

Thank you for your attention to this matter.

Re: Freedom of Information Reference No. 14771

Dear Mr. Cook:

This is a response to your March 31, 2014 request, which has been processed under the Port Authority's Freedom of Information Code, (the "Code"), for "the name and contact information of parties responsible for constructing the area around the base of the elevator in the United Airlines flight control tower located at Newark Liberty International Airport, Terminal C during the years 2004 through 2006, including the stairs providing access to the elevator. A copy of the contracts generated for the construction of the aforementioned location."

Please be advised that we have searched our files and found no records responsive to the request.

Please refer to the above FOI reference number in any future correspondence relating to your request.

Sincerely,

Daniel D. Duffy
FOI Administrator
