Re: Freedom of Information Reference No. 14798

Dear Mr. Jordan:

This is a response to your March 27, 2014 request, which has been filed under the Port Authority's Freedom of Information Code (the "Code," copy attachment) for "inspection of all reports, studies, directives since 112010 from the Office of Inspector General."

The Code provides for the copying or inspection of Port Authority records when such request contains sufficient information to identify the particular record(s) sought. As presently written, your request is overly broad and cannot be processed under the Code. You may wish to resubmit your request with more specificity as to the subject matter of the records being requested and a more targeted timeframe.

Please refer to the above FOI reference number in any future correspondence relating to your request.

Very truly yours,

Heavyn-Leigh American
FOI Officer
