Re: Public Records Request

To whom it may concern:

Please provide me with the names and addresses of any individuals or companies who 1) were denied DBE or ACDBE certification or 2) were informed that they were being decertified from the DBE or ACDBE programs in March of 2014.

Be advised that the above request is made pursuant to the New York Freedom of Information Law and the rules governing the Disadvantaged Business Enterprise Program, specifically, 49 CFR § 26.89 (f).

If you decide to decline to provide us with copies of any or all of these records, we request that you advise us in writing as to the basis for your contention that the record or part of it is exempt from public inspection. In addition, we request that your written statement explain, with particularity, the reasons for your conclusion that the record is exempt. If the exemption you assert applies to only a portion of the records, we request that you delete the portion you claim is exempt and provide us with the remainder of the documents. Of course, you will be reimbursed for any fees for duplication which you are authorized.

Very truly yours,

Jeff P. H. Cazeau
