Re: Holland Tunnel Photographs and Video from May 30, 2014 between 5:30 and 6:15 P.M. Dear Sir or Madam: I write to request copies of any photographs and/or video showing a black Audi S4 bearing PA license plate JMG9441 as it travelled through the toll plaza and then the Holland Tunnel on Friday, May 30, 2014 at some point between 5:30 p.m. and 6:15 p.m. on that date. The vehicle was travelling from New Jersey into Manhattan and entered the tunnel from a central dedicated EZ-Pass lane. The vehicle is equipped with an EZ-Pass transponder if that would assist you in locating these records. To the extent it is in issue, the vehicle in question is registered to myself. Thank you for your assistance
