Required copies of the records: Yes

List of specific record(s):

I am requesting in electronic format all contracts with vendors at JFK Airport that provide software to block websites on WiFi or wired Internet networks at the airport or in airport lounges. I am also requesting documents that list the software in the contract. As a member of the media whose role is primarily in the dissemination of information I am requesting a fee waiver. I am also requesting expedited processing because I am reporting on a story this week related to potential changes in the policy of website blocking at JFK Airport and knowing the vendor would greatly serve the public interest. I do not require hard copies of the records sought. Electronic copies will suffice.
