- (i) maintain the original copy of the certificate or certificates of occupancy issued by State of New York, and/or authorized under license or site plan issued by, or filed with, the relevant New Jersey municipality setting forth the number of parking spaces for which a parking fee to a patron will be charged in all of the Permittee's facilities serving Port Authority airports during the term of the Permit (hereinafter referred to as "the Documents") and after the expiration or earlier revocation, cancellation or termination of the Permit, until the Permittee

shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise;

- (ii) cause any company which is owned or controlled by the Permittee, or any company which owns or controls the Permittee, if any such company performs services similar to those performed by the Permittee, to maintain the Documents during the term of the Permit and after the expiration or earlier revocation, cancellation or termination of the Permit until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise.

- (d) If the Permittee shall fail to comply with paragraph (c), the Port Authority may estimate the number of parking spaces for which a parking fee will be charged in all of the Permittee's facilities serving Port Authority airports, on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the fees based thereon shall be payable to the Port Authority when billed

Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Permittee under this Permit or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Section with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be
