Re: Freedom of Information Reference No. 15360

Dear Ms. Clark:

This is in response to your September 28, 2014 request, which has been processed under the Port Authority's Freedom of Information Code (the "Code", copy attached) for a copy of FOI Request No. 10066 and the responsive material.

Material responsive to your request and available under the Code can be found on the Port Authority's website at http://www.panynj.gov/corporate-information/foi/15360-WTC.pdf. Paper copies of the available records are available upon request.

Certain portions of the material responsive to your request are exempt from disclosure pursuant to exemption (1) of the Code.

Please refer to the above FOI reference number in any future correspondence relating to your request.

Very truly yours,

Daniel D. Duffy
FOI Administrator

To whom it may concern,

Please send me an itemized estimate of the number of copies of documents for the following records:

- The name of contractors hired to upgrade the fireproofing materials at the World Trade Center complex after the 1993 bombing.
- The schedule of removal and replacement of fireproofing.
- The results of the tests for asbestos at the World Trade center complex.
- The name of the contractors hired to upgrade the communications system after the 1993 bombing, as stated in the report titled:

The World Trade Center Bombing: Report and Analysis
United States Fire Administration Technical Report Series

This letter is in accordance with the Freedom of Information Law, Section 89(3) which states in part:

"Each entity subject to the provisions of this article, within five business days of the receipt of a written request for a record reasonably described, shall make such record available to the person requesting it, deny such request in writing or furnish a written acknowledgement of the receipt of such request and a statement of the approximate date when such a request will be granted or denied..."

Thank you very much,

Sincerely,

David Cole
