In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

(b) No greater rights or privileges are hereby granted to the Permittee than the Port Authority has power to grant under the City Lease.

(c) Neither this Permit nor anything contained herein, shall be deemed to grant any rights in the Permittee to use and occupy any land, building space or other area at the Airport or shall be deemed to have created any obligation on the part of the Port Authority to provide any such land, space or area to the Permittee.

(d) Neither the execution and delivery of this Permit nor any act done pursuant thereto shall create between any terminal operator, lessee or other occupant of land at the Airport including but not limited to the Terminal Four Lessee and the Permittee, on one hand, and the Port Authority on the other hand the relationship of bailor and bailee, or any other relationship or any legal status which would impose upon the Port Authority with respect to any personal property, such as but not limited to, aircraft cargo or baggage, owned and/or handled by the Permittee any duty or obligation whatsoever. The Permittee expressly agrees that the Port Authority shall have no liability with respect to any aircraft cargo or baggage or any other property of the Permittee or of any other Person left anywhere on the Airport.

(f) Nothing contained in this Permit shall constitute permission to the Permittee to park or store equipment or personal property at any location or area at the Airport.

(g) The Permittee shall have no right hereunder to carry on any business or operation at the Airport other than that specifically provided herein. Without limiting the generality of the foregoing and notwithstanding anything else in this Permit to the contrary, the Permittee is expressly prohibited hereunder from performing ground transportation, fueling of aircraft and the selling and delivery of in-flight meals.

(h) It is understood that any and all privileges granted hereunder to the Permittee are non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Airport to another or others, whether by this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute a violation or breach of the permission herein granted.

(i) The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Airport.

(j) The words "permission" and "privilege" are used interchangeably in this Permit, and except where expressly provided to the contrary, shall mean the privileges granted by this Permit.

Each of the said statements shall also show the cumulative Gross Receipts from the Effective Date (or the most recent anniversary thereof) through the last day of the preceding month. At the same time each of the said statements is rendered to the Port Authority, the Permittee shall pay to the Port Authority an amount equal to five percent (5%) applied to the Gross Receipts for the preceding calendar month. In addition to the foregoing, on the twentieth (20th) day of the first month following each anniversary of the Effective Date the Permittee shall submit to the Port Authority a statement setting forth the cumulative totals of the Gross Receipts for the entire preceding twelve (12) month period certified, at the Permittee's expense, by a certified public accountant or a responsible executive or fiscal officer of the Permittee ("Annual Statement of Gross Receipts"). In addition to the foregoing, within twenty (20) days after the expiration, termination, revocation or cancellation of this Permit, the Permittee shall render to the Port Authority a sworn statement certified, at the Permittee's expense, by a certified public accountant of all Gross Receipts during the period from the last preceding anniversary of the Effective Date up to and including the last day this Permit shall be in effect and the Permittee shall, at the time of rendering such statement to the Port Authority, pay the Basic Percentage Fee due and unpaid as of the last day this Permit shall be in effect. The Permittee shall give the name and position of the responsible executive or fiscal officer designated under this paragraph to submit Monthly Sworn Statement and Annual Statement of Gross Receipts, ten (10) business days prior to the submission of the first such statement by the designee of the Permittee, so that the Port Authority may determine whether it will accept such designation. The designation shall be submitted to the Manager of Properties for the Airport. If such timely notice is not given to the Port Authority, the Permittee shall submit such statement to the Port Authority in a form executed by a certified public accountant.

(iii) Terminal Four Gross Receipts shall be reported and the Terminal Four Percentage Fee shall be paid to the Terminal Four Lessee by the Permittee as follows: On or before the twentieth (20th) day of the first month following the month in which the Effective Date falls and on the twentieth (20th) day of each and every calendar month thereafter during the period that the Permit is in effect and including the calendar month in which the Permit ceases to be in effect, the Permittee shall render to the Port Authority and the Terminal Four Lessee a monthly statement sworn to by a responsible executive or fiscal officer of the Permittee showing all of the Terminal Four Gross Receipts for the preceding month (the "Monthly Sworn Statement of Gross Receipts"). Each of the said statements shall also show the cumulative Terminal Four Gross Receipts from the Effective Date (or the most recent anniversary thereof) through the last day of the preceding month. At the same time each of the said statements is rendered to the Port Authority and the Terminal Four Lessee, the Permittee shall pay to the Terminal Four Lessee an amount equal to five percent (5%) applied to the Terminal Four Gross Receipts for the preceding calendar month. In addition to the foregoing, on the twentieth (20th) day of the first month following each anniversary of the Effective Date the Permittee shall submit to the Port Authority and the Terminal Four Lessee a statement setting forth the cumulative totals of the Terminal Four Gross Receipts for the entire preceding twelve (12) month period certified, at the Permittee's expense, by a certified public accountant or a responsible executive or fiscal officer of the Permittee ("Annual Statement of Gross Receipts"). In addition to the foregoing, within twenty (20) days after the expiration, termination, revocation or cancellation of the Permit, the Permittee shall render to the Port Authority and the Terminal Four Lessee a sworn statement certified, at the Permittee's expense, by a certified public accountant of the Permittee of all

Terminal Four Gross Receipts during the period from the last preceding anniversary of the Effective Date up to and including the last day the Permit shall be in effect and the Permittee shall, at the time of rendering such statement to the Terminal Four Lessee pay to the Terminal Four Lessee the Terminal Four Percentage Fee due and unpaid as of the last day the Permit shall be in effect. Each of the statements called for hereunder shall separately list and state the Terminal Four Gross Receipts and the applicable Terminal Four Percentage Fee payable thereon for each privilege (including without limitation each Authorized Service) provided by the Permittee hereunder at Terminal Four.

(b) (i) All statements to be submitted to the Port Authority pursuant to this Section and all payments made under this Permit, except for the Terminal Four Percentage Fee, shall be sent to the following address:

THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY
P.O. BOX 95000-1556
PHILADELPHIA, PENNSYLVANIA 19195-0001

or made via the following wire transfer instructions:

Bank: TD Bank
Bank ABA number: 031201360
Account number:

or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

(ii) All statements to be submitted to the Terminal Four Lessee hereunder and the Terminal Four Percentage Fee shall be made to the Terminal Four Lessee at Terminal Four, John F. Kennedy International Airport, Room 2300, Jamaica, New York 11430 or to such other address as may hereafter be substituted therefor by the Port Authority, from time to time, by notice to the Permittee.

(c) There shall be excluded from Gross Receipts and Terminal Four Gross Receipts any sum paid or payable to the Permittee for the following, provided said sum is separately stated to and paid by the customer:

- (i) handicapped services;
- (ii) security services;
- (iii) lost and found baggage services;
- (iv) snow removal services;
- (v) ground transportation of employees; and
- (vi) building janitorial and maintenance services,

provided further, however, the Permittee acknowledges and agrees that the Port Authority does and shall continue to have the right at any time and from time to time to withdraw the foregoing exclusions from Gross Receipts (and Terminal Four Gross Receipts), in whole or in part, or to establish a separate fee for each such service, which may be a percentage fee other than five percent (5%), upon sixty (60) days' prior written notice to the Permittee. Notwithstanding the

foregoing, any fee established must be agreed to by the Permittee and the Port Authority and must be reflected in a supplement to this Permit to be prepared by the Port Authority and executed by the parties hereto.

(d) In the event the Permittee shall be permitted hereunder to provide Gateside Aircraft Maintenance services or Routine and Non-routine Aircraft Maintenance services, there shall be excluded from Gross Receipts and Terminal Four Gross Receipts any sum paid or payable to the Permittee:

(i) which arise solely from the resale to a customer of aircraft parts and supplies purchased by the Permittee from a third party, provided, however, that there shall be included in Gross Receipts and Terminal Four Gross Receipts monies paid or payable to the Permittee which arise from the sale of such aircraft parts and supplies to which the Permittee has provided labor for fabrication, refinishing or assembly to the extent of the reasonable value of the labor provided by the Permittee;

(ii) which arise solely from the use of equipment rented by the Permittee from a third party which monies are separately stated to and paid by the customer, limited, however, to the amounts actually paid by the Permittee to the third party for such rental of equipment; and

(iii) which arise solely from the loan or rental by the Permittee of aircraft parts, whether or not owned by the Permittee, which monies are separately stated to and paid by a customer and where said loan or rental of any such aircraft part is for a period of less than twelve (12) consecutive calendar days, it being understood that such monies paid or payable to the Permittee for the loan or rental may include monies for labor provided by the Permittee for installation, refurbishment of returned parts or administrative handling which is directly related to said loan or rental provided, however, all monies paid or payable to the Permittee which arise solely from the loan or rental by the Permittee of aircraft parts, whether or not owned by the Permittee, for twelve (12) or more consecutive calendar days (including but not limited to monies for labor provided by the Permittee for installation, refurbishment of returned parts or administrative handling which is directly related to said lease or rental) shall be included in Gross Receipts from the first day of the loan or rental period, as the case may be.

(e) If and to the extent the full fair market value of any sale, service or other item provided by the Permittee is not charged to or payable by the customer, then the fair market value thereof as determined by the Port Authority shall be included in Gross Receipts and Terminal Four Gross Receipts.

(f) Without limiting any other provisions of this Permit regarding Gross Receipts and Terminal Four Gross Receipts, in those instances where the Permittee provides any services or goods along with other services and goods to the same Person (including without limitation those instances where a service is part of or is included within a group of other services and rendered for a single price, and where a service is performed by the Permittee pursuant to agreement for the exchange of services or goods) the Permittee agrees that the value ascribed to the performance of such service by the Permittee shall be the fair and reasonable value thereof as determined by the Port Authority.

(g) Without limiting the requirement for Port Authority approval, if the Permittee conducts any privilege or any portion thereof through the use of a contractor or other third party which is not a Port Authority permittee and where the payments for any of the foregoing are made to such contractor rather than to the Permittee, said payments shall be deemed amounts, monies, revenues, receipts and income paid or payable to the Permittee for purposes of determining the Permittee's Gross Receipts and Terminal Four Gross Receipts, provided,

however, that the foregoing shall not grant or be deemed to grant any right or permission to the Permittee to use an independent contractor or other third party to perform any privilege or portion thereof or the doing of anything hereunder by an independent contractor or other third party.

(h) Notwithstanding that the fee hereunder is measured by a percentage of Gross Receipts and Terminal Four Gross Receipts, no joint venture or partnership relationship between the parties hereto is created by this Permit.

(i) To the extent that the Permittee has not already done so at the time of execution of this Permit and without limiting the generality of any other term or provision hereof, the Permittee agrees to submit monthly statements of Gross Receipts and Terminal Four Gross Receipts as provided in this Section and to pay, at the time of execution and delivery of this Permit to the Port Authority, all fees and other amounts due under this Permit for the period from the Effective Date to the time of execution and delivery of this Permit by the Permittee.

(j) Without limiting any other provision of this Permit, it is hereby specifically understood that the failure to set forth all the classes of Persons, all of the locations served or all of the types of services or activities performed by the Permittee in its exercise of the privileges granted hereunder as of the Effective Date, or the failure to, by appropriate supplement, revise this Permit to reflect any additional classes of Persons, locations served, or services or activities performed by the Permittee subsequent to said Effective Date, shall not affect the inclusion in Gross Receipts or Terminal Four Gross Receipts hereunder of the amounts, monies, revenues, receipts and income received or receivable by the Permittee in its operations, and the same shall be so included. The foregoing shall not constitute Port Authority consent or be deemed to imply that the necessary Port Authority consent (to be reflected in a supplement to the Permit) with respect to such additional classes of Persons, locations, services or activities will be given.

(k) The Basic Percentage Fee, the Terminal Four Percentage Fee and any other fees payable under this Permit shall be subject to increase from time to time upon thirty (30) days' notice from the Port Authority to the Permittee, given by the General Manager of the Airport or such other representative as the Port Authority may substitute from time to time by notice to the Permittee, and upon the effective date of the increase set forth in such notice the fees payable by the Permittee under this Permit shall be as set forth in said notice. In the event within ten (10) days after the Permittee receives such notice from the Port Authority, the Permittee notifies the Port Authority that the Permittee does not wish to pay the increased fees, this Permit and the permission granted hereunder shall be, and shall be deemed to be, cancelled effective at the close of business on the day preceding the effective date of the increase, as set forth in the Port Authority's notice to the Permittee. If the Permittee does not so notify the Port Authority, the increased fees shall become effective on the date set forth in the Port Authority's notice as aforesaid. No cancellation of this Permit and the permission granted thereunder pursuant to this paragraph (k) shall be construed to relieve the Permittee of any obligations or liabilities hereunder which shall have accrued on or before the effective date of such cancellation.

(l) Without limiting any term or provision of this Permit, in the event the Permittee performs (x) any service, other than the Authorized Service at the Airport, or (y) any service (including the Authorized Service) at any other Port Authority facility, whether such performance is the subject of a written agreement by and between the Port Authority and the Permittee, the Permittee hereby agrees that it will pay to the Port Authority any and all fees and/or charges applicable to such service. The Permittee also agrees that, at the request of the Port Authority, it will enter into the appropriate agreement with the Port Authority providing permission for the Permittee to perform such service.

5. Security Deposit:

(a) (i) Provided that an amount is set forth in Item 8 on the first page of this Permit (the "*Required Security Deposit*"), and, provided, further, the amount of said Required Security Deposit is less than \$20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deposit with the Port Authority (and shall keep deposited throughout the effective period of the permission under this Permit) the Required Security Deposit, either in cash, or bonds of the United States of America, or of the State of New Jersey, or of the State of New York, or of the Port Authority of New York and New Jersey, having a market value of that amount, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed. Bonds qualifying for deposit hereunder shall be in bearer form but if bonds of that issue were offered only in registered form, then the Permittee may deposit such bonds or bonds in registered form, provided, however, that the Port Authority shall be under no obligation to accept such deposit of a bond in registered form unless such bond has been re-registered in the name of the Port Authority (the expense of such re-registration to be borne by the Permittee) in a manner satisfactory to the Port Authority. The Permittee may request the Port Authority to accept a registered bond in the Permittee's name and if acceptable to the Port Authority the Permittee shall deposit such bond together with an irrevocable bond power (and such other instruments or other documents as the Port Authority may require) in form and substance satisfactory to the Port Authority. In the event the Required Security Deposit is returned to the Permittee, any expenses incurred by the Port Authority in re-registering a bond to the name of the Permittee shall be borne by the Permittee. In addition to any and all other remedies available to it, the Port Authority shall have the right, at its option, at any time and from time to time, with or without notice, to use the Required Security Deposit, or any part thereof, in whole or partial satisfaction of any of its claims or demands against the Permittee. There shall be no obligation on the Port Authority to exercise such right and neither the existence of such right nor the holding of the Required Security Deposit itself shall cure any default or breach of this Permit on the part of the Permittee. With respect to any bonds deposited by the Permittee, the Port Authority shall have the right, in order to satisfy any of its claims or demands against the Permittee, to sell the same in whole or in part, at any time, and from time to time, with or without prior notice at public or private sale, all as determined by the Port Authority, together with the right to purchase the same at such sale free of all claims, equities or rights of redemption of the Permittee. The Permittee hereby waives all right to participate therein and all right to prior notice or demand of the amount or amounts of the claims or demands of the Port Authority against the Permittee. The proceeds of every such sale shall be applied by the Port Authority first to the costs and expenses of the sale (including but not limited to advertising or commission expenses) and then to the amounts due the Port Authority from the Permittee. Any balance remaining shall be retained in cash toward bringing the Required Security Deposit to the sum specified in Item 8 on the first page of this Permit. In the event that the Port Authority shall at any time or times so use the Required Security Deposit, or any part thereof, or if bonds shall have been deposited and the market value thereof shall have declined below the amount set forth in Item 8 on the first page of this Permit, the Permittee shall, on demand of the Port Authority and within two (2) days thereafter, deposit with the Port Authority additional cash or bonds so as to maintain the Required Security Deposit at all times to the full amount above stated in Item 8 on the first page of this Permit, and such additional deposits shall be subject to all the conditions of this Section. After the expiration or earlier revocation or termination of the effective period of the permission under this Permit, and upon condition that the Permittee shall then be in no wise in default under any part of this Permit, and upon written request therefor by the Permittee, the Port Authority will return the Required Security Deposit to the Permittee less the amount of any and all unpaid claims and demands (including estimated damages) of the Port Authority by reason of any default or breach by the Permittee of this Permit or any part thereof. The Permittee agrees that it will not assign or

encumber the Required Security Deposit. The Permittee may collect or receive any interest or income earned on bonds and interest paid on cash deposited in interest-bearing bank accounts, less any part thereof or amount which the Port Authority is or may hereafter be entitled or authorized by law to retain or to charge in connection therewith, whether as or in lieu of an administrative expense, or custodial charge, or otherwise; provided, however, that the Port Authority shall not be obligated by this provision to place or to keep cash deposited hereunder in interest-bearing bank accounts.

(ii) In lieu of the Required Security Deposit made in the form described above in paragraph (a)(i), the Permittee may at any time during the effective period of the permission granted under this Permit offer to deliver to the Port Authority, as security for all obligations of the Permittee under this Permit, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District, in favor of the Port Authority in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent satisfactory letter. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by security in accordance with paragraph (a)(i) of this Section or another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security under paragraph (a)(i) of this Section. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the Required Security Deposit, if any, theretofore made under and in accordance with the provisions of paragraph (a)(i) of this Section. The Permittee shall have the same rights to receive such Required Security Deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the effective period of the permission granted under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount.

(b) Provided that a Required Security Deposit amount is set forth in Item 8 on the first page of this Permit, and, provided, further, the amount of said Required Security Deposit is equal to or greater than \$20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of the Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority, and payable in the Port of New York District in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for

automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is an appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless the letter of credit is replaced by another letter of credit satisfactory to the Port Authority by a date not later than twenty (20) days prior to the effective date of cancellation, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee, upon demand by the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to the amount of the Required Security Deposit. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to be a waiver of any default by the Permittee under the terms of this Permit, and all remedies under this Permit and of the Port Authority consequent upon such default shall not be affected by the existence of a recourse to any such letter of credit.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, in its sole discretion at any time and from time to time upon sixty (60) days' notice to the Permittee, to adjust the amount of the Required Security Deposit. Not later than the effective date set forth in said notice by the Port Authority, the Permittee shall furnish additional cash or bonds, as provided for in paragraph (a) above, or an amendment to, or a replacement of, the letter of credit providing for such adjusted amount of the Required Security Deposit, as the case may be, and such additional cash and/or bonds or adjusted (or replaced) letter of credit shall thereafter constitute the Required Security Deposit required under this Section.

(d) If the Permittee is obligated by any other agreement to maintain a security deposit with the Port Authority to insure payment and performance by the Permittee of all fees, rentals, charges and obligations which may become due and owing to the Port Authority arising from the Permittee's operations at the Airport pursuant to any such other agreement or otherwise, then all such obligations under such other agreement and any deposit pursuant thereto also shall be deemed obligations of the Permittee under this Permit and as security hereunder as well as under any such other agreement and all provisions of such other agreement with respect to such obligations and any obligations thereunder of the Port Authority as to the security deposit are hereby incorporated herein by this reference as though fully set forth herein and hereby made a part hereof. The termination, revocation, cancellation or expiration of any other agreement to which such security shall apply or any permitted assignment of such other agreement shall not affect such obligations as to such security which shall continue in full force and effect hereunder.

6. Permittee's Operations:

(a) The Permittee shall provide to the Port Authority, upon request of the Port Authority from time to time, such information and data in connection with the permission granted hereunder as the Port Authority may request and shall, if so requested by the Port Authority, make periodic reports thereof to the Port Authority utilizing such forms as may be adopted by the Port Authority for such purpose.

(b) The Permittee shall daily remove from the Airport by means of facilities provided by it all garbage, debris and other waste material (whether solid or liquid) arising out of or in connection with the permission granted hereunder, and any such not immediately removed shall be temporarily stored in a clean and sanitary condition, in suitable garbage and waste receptacles, the same to be made of metal and equipped with tight-fitting covers, and to be of a design safely and properly to contain whatever material may be placed therein; said receptacles being provided and maintained by the Permittee. The receptacles shall be kept covered except when filling or emptying the same. The Permittee shall exercise extreme care in removing such garbage, debris and other waste materials from the Airport. The manner of such storage and removal shall be subject in all respects to the continual approval of the Port Authority. No facilities of the Port Authority shall be used for such removal unless with its prior consent in writing. No such garbage, debris or other waste materials shall be or be permitted to be thrown, discharged or disposed into or upon the waters at or bounding the Airport.

(c) The Permittee shall at all times that areas of the Airport are being used for the privileges permitted hereunder, maintain said areas in a clean and orderly condition and appearance. The Permittee shall promptly wipe up any oil, gasoline, grease, lubricants and other inflammable liquids and substances and any liquids and substances having a corrosive or detrimental effect on the paving or other surface of the ramps or other areas upon which it performs the privileges authorized by this Permit resulting from its operations hereunder. The Permittee shall repair, replace, repave or rebuild, or at the Port Authority's election, the Permittee shall pay to the Port Authority the cost to the Port Authority of repairing, replacing, repaving or rebuilding, all or any part of the ramps or other areas upon which it performs the privileges authorized by this Permit which may be damaged or destroyed by such oil, gasoline, grease, lubricants or other liquids or substances or by any other act or omission of the Permittee or its employees, agents or contractors except for reasonable wear and tear arising out of its operations thereon.

(d) A principal purpose of the Port Authority in granting the permission under this Permit is to have available at the Airport, the privileges which the Permittee is permitted to render hereunder. The Permittee agrees that it will conduct a first-class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor, and keep the same in a first-class operating condition at all times.

(e) The Permittee shall immediately comply with all orders, directives and procedures as may be issued by the General Manager of the Airport covering the operations of the Permittee under this Permit at any time and from time to time. The Port Authority may, at any time and from time to time, without prior notice or cause, withdraw or modify any designation, approval, substitution or redesignation given by it hereunder.

(f) In the event of any injury or death to any person (other than employees of the Permittee) at the Airport when caused by the Permittee's operations, or damage to any property (other than the Permittee's property) at the Airport when caused by the Permittee's operations, the Permittee shall immediately notify the Port Authority and promptly thereafter furnish to the Port Authority copies of all reports given to the Permittee's insurance carrier.

(g) The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Airport. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the General Manager of the Airport. The Port Authority shall have the right to object

to the Permittee as to the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

(h) The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations at the Airport.

7. Indemnity:

(a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third Persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee hereunder, or out of any of the acts or omissions of the Permittee, its officers, employees or Persons who are doing business with the Permittee arising out of or in connection with the activities permitted hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the Airport, including claims and demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) Without limiting any other term or provision hereof, the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

(c) Without limiting any other term or provision hereof, the Permittee shall indemnify the Port Authority and hold it harmless against all claims and demands of third Persons for damage to any aircraft cargo or baggage or any other property handled or delivered pursuant to the permission granted by this Permit.

(d) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand set forth in paragraphs (a), (b) and (c) above (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

8. Liability Insurance:

(a) The Permittee, in its own name as insured and including the Port Authority as an additional insured, shall maintain and pay the premiums during the effective period of the Permit on a policy or policies of Commercial General Liability Insurance, including premises-operations and products-completed operations and covering bodily-injury liability, including death, and property damage liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage in the minimum limit set forth in Item 9 on the first page of this Permit, and Commercial Automobile Liability Insurance covering owned, non-owned and hired vehicles and including automatic coverage for newly acquired vehicles and providing for

coverage in the minimum limit set forth in Item 9 on the first page of this Permit. Without limiting the foregoing, the Permittee shall maintain Workers' Compensation and Employers Liability Insurance in accordance with the Permittee's statutory obligations under the applicable State Workers' Compensation Law for those employees of the Permittee employed in operations conducted pursuant to this Permit at or from the Airport. In the event the Permittee maintains the foregoing insurance in limits greater than aforesaid, the Port Authority shall be included therein as an additional insured, except for the Workers' Compensation and Employers Liability Insurance policies, to the full extent of all such insurance in accordance with all terms and provisions of this Permit.

(b) Each policy of insurance, except for the Workers' Compensation and Employers Liability Insurance policies, shall also contain an ISO standard "separation of insureds" clause or a cross liability endorsement providing that the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority and any claim or action against the Port Authority by the Permittee, as if the Port Authority were the named insured thereunder, but such clause or endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured. Each policy of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Permittee under Section 7 of the Terms and Conditions of this Permit.

(c) All insurance coverages and policies required under this Section may be reviewed by the Port Authority for adequacy of terms, conditions and limits of coverage at any time and from time to time during the effective period of permission granted under this Permit. The Port Authority may, at any such time, require additions, deletions, amendments or modifications to the aforementioned insurance requirements, or may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem required and the Permittee shall promptly comply therewith.

(d) Each policy shall contain a provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' written advance notice thereof to the Port Authority. Each policy shall contain a provision or endorsement that the insurer "shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority." The foregoing provisions or endorsements shall be recited in each policy or certificate to be delivered pursuant to the following paragraph (e).

(e) A certified copy of each policy or a certificate or certificates of insurance evidencing the existence thereof, or binders, shall be delivered to the Port Authority upon execution and delivery of this Permit by the Permittee to the Port Authority. In the event any binder is delivered it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate of insurance. Any renewal policy shall be evidenced by a renewal certificate of insurance delivered to the Port Authority at least seven (7) days prior to the expiration of each expiring policy, except for any policy expiring after the date of expiration of this Permit. The aforesaid insurance shall be written by a company or companies approved by the Port Authority. If at any time any insurance policy shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policy shall be or become unsatisfactory to the Port Authority, the Permittee shall promptly obtain a new and satisfactory policy in

replacement. If the Port Authority at any time so requests, a certified copy of each policy shall be delivered to or made available for inspection by the Port Authority.

(f) The foregoing insurance requirements shall not in any way be construed as a limitation on the nature or extent of the contractual obligations assumed by the Permittee under this Permit. The foregoing insurance requirements shall not constitute a representation or warranty as to the adequacy of the required coverage to protect the Permittee with respect to the obligations imposed on the Permittee by this Permit or any other agreement or by law.

9. Special Endorsements:

The Permittee hereby agrees to the terms and conditions of the endorsements attached hereto, hereby made a part hereof and marked "*Special Endorsements*". The terms and provisions of the Special Endorsements shall have the same force and effect and as if herein set forth in full.

10. No Waiver:

No failure by the Port Authority or the Terminal Four Lessee to insist upon the strict performance of any agreement, term or condition of this Permit or to exercise any right or remedy consequent upon a breach or default thereof, and no extension, supplement or amendment of this Permit during or after a breach thereof, unless expressly stated to be a waiver, and no acceptance by the Port Authority or the Terminal Four Lessee of fees, charges or other payments in whole or in part after or during the continuance of any such breach or default, shall constitute a waiver of any such breach or default of such agreement, term or condition. No agreement, term or condition of this Permit to be performed or complied with by the Permittee, and no breach or default thereof, shall be waived, altered or modified except by a written instrument executed by the Port Authority. No waiver by the Port Authority of any default or breach on the part of the Permittee in performance of any agreement, term or condition of this Permit shall affect or alter this Permit but each and every agreement, term and condition thereof shall continue in full force and effect with respect to any other then existing or subsequent breach or default thereof.

11. Removal of Property:

The personal property placed or installed by the Permittee at the Airport shall remain the property of the Permittee and must be removed on or before the expiration, revocation, cancellation or termination of the permission hereby granted, whichever shall be earlier. Without limiting the terms and provisions of paragraph (g) of Section 18 hereof, any such property remaining at the Airport after the effective date of such expiration, revocation, cancellation or termination shall be deemed abandoned by the Permittee and may be removed and disposed of by the Port Authority in any manner it so determines in its sole discretion and all the proceeds of any removal or disposition shall be retained by the Port Authority for its account and all costs and expenses of such removal and disposition shall be paid to the Port Authority by the Permittee when billed.

12. Permittee's Representative:

The Permittee's representative specified in Item 3 on the first page of this Permit (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for the Permittee in connection with this Permit, and any act or thing done or to be done hereunder, and to execute on the Permittee's behalf any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder.

13. Notices:

Except where expressly required or permitted herein to be oral, all notices, directions, requests, consents and approvals required to be given to or by either party or the Terminal Four Lessee shall be in writing, and all such notices given by the Port Authority or the Terminal Four Lessee to the Permittee shall be validly given if sent by registered or certified mail addressed to the Permittee at the address specified on the first page hereof or at the latest address that the Permittee may substitute therefor by notice to the Port Authority, or left at such address, or delivered to the Permittee's representative. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003 or at such other address as the Port Authority shall hereafter designate by notice to the Permittee. If mailed, the notices herein required to be given shall be deemed effective and given as of the date of the certified or registered mailing thereof.

14. Late Charges:

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority or the Terminal Four Lessee including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four (24) late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (15) (but not less than thirteen (13)) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority or the Terminal Four Lessee of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority or the Terminal Four Lessee to payment of any late charge or late charges payable under the provisions of this Section with respect to such unpaid amount. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority or the Terminal Four Lessee under this Permit, including without limitation the Port Authority's rights set forth in Section 2 of these Terms and Conditions, or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Section shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

15. Non-discrimination:

(a) Without limiting the generality of any of the provisions of this Permit, the Permittee, for itself, its successors in interest and assigns, as a part of the consideration hereof, does hereby agree that (1) no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or be otherwise subject to discrimination in the use of any space at the Airport and the exercise of any privileges under this Permit, (2) that in the construction of any improvements on, over, or under any space at the

Airport and the furnishing of any service thereon by the Permittee, no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination, (3) that the Permittee shall use any space at the Airport and exercise any privileges under this Permit in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended, and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which from time to time may be applicable to the Permittee's operations thereat, whether by reason of agreement between the Port Authority and the United States Government or otherwise.

(b) The Permittee shall include the provisions of paragraph (a) of this Section in every agreement or concession it may make pursuant to which any Person or Persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Section shall constitute a material breach of this Permit. Without limiting any other term or provision hereof or any other rights or remedies of the Port Authority hereunder or at law or equity, in the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) Without limiting any other term or provision hereof, the Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third Persons, including the United States of America, resulting from the Permittee's noncompliance with any of the provisions of this Section and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Section shall grant or shall be deemed to grant to the Permittee the right to transfer or assign this Permit, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on any space at the Airport, or any right to use or occupy any space at the Airport.

16. Affirmative Action:

The Permittee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Permittee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Permittee assures that it will require that its covered suborganizations provide assurances to the Permittee that they similarly will undertake affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

17. Rules and Regulations:

(a) The Permittee shall observe and obey (and compel its officers, employees, guests, invitees, and those doing business with it, to observe and obey) the rules and regulations and procedures of the Port Authority now in effect, and such further reasonable rules and regulations and procedures which may from time to time during the effective period of this Permit, be promulgated by the Port Authority for reasons of safety, health, preservation of property or maintenance of a good and orderly appearance of the Airport or for the safe and efficient operation of the Airport. The Port Authority agrees that, except in cases of emergency, it shall give notice to the Permittee of every rule and regulation hereafter adopted by it at least five (5) days before the Permittee shall be required to comply therewith.

(b) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the New York Board of Fire Underwriters and the New York Fire Insurance Exchange, and any other body or organization exercising similar functions which may pertain or apply to the Permittee's operations hereunder. If by reason of the Permittee's failure to comply with the provisions of this Section, any fire insurance, extended coverage or rental insurance rate on the Airport or any part thereof, or upon the contents of any building thereon, shall at any time be higher than it otherwise would be, then the Permittee shall on demand pay the Port Authority that part of all fire insurance premiums paid or payable by the Port Authority which shall have been charged because of such violation by the Permittee.

18. Prohibited Acts

(a) The Permittee shall not do or permit to be done any act which

(i) will invalidate or be in conflict with any fire insurance policies covering the Airport or any part thereof or upon the contents of any building thereon, or

(ii) will increase the rate of any fire insurance, extended coverage or rental insurance on the Airport or any part thereof or upon the contents of any building thereon, or

(iii) in the opinion of the Port Authority will constitute a hazardous condition, so as to increase the risks normally attendant upon the operations contemplated by this Permit, or

(iv) may cause or produce upon the Airport any unusual noxious or objectionable smokes, gases, vapors or odors, or

(v) may interfere with the effectiveness or accessibility of any drainage and sewerage system, water system, communications system, fire protection system, sprinkler system, alarm system, fire hydrant and hose, if any, installed or located or to be installed or located in or on the Airport, or

(vi) shall constitute a nuisance or injury in or on the Airport or which may result in the creation, commission or maintenance of a nuisance or injury in or on the Airport.

For the purpose of this paragraph (a), "Airport" includes all structures located thereon.

(b) The Permittee shall not dispose of, release or discharge nor permit anyone to dispose of, release or discharge any Hazardous Substance on the Airport except that the Permittee may release or discharge de-icing fluids utilized in the Permittee's ordinary course of business in the performance of any of the privileges granted hereunder so long as such release or discharge is not a violation of the terms and conditions of Sections 17 or 19 hereof. In addition to and without limiting Section 19 hereof, any Hazardous Substance disposed of, released or

discharged by the Permittee (or permitted by the Permittee to be disposed of, released or discharged) on the Airport shall upon notice by the Port Authority to the Permittee and subject to the provisions of Sections 17 and 19 hereof and to all Environmental Requirements, be completely removed and/or remediated by the Permittee at its sole cost and expense, provided, however, the forgoing shall not apply to releases and discharges which are in compliance with the terms and conditions of Sections 17 and 19 hereof of de-icing fluids utilized in the Permittee's ordinary course of business in the performance of any of the privileges granted hereunder and the obligation of the Permittee to remove and remediate such de-icing fluids shall be as required by the terms and conditions of Sections 17 and 19 hereof. The obligations of the Permittee pursuant to this paragraph shall survive the expiration, revocation, cancellation or termination of this Permit.

(c) The Permittee shall not dispose of nor permit anyone to dispose of any waste materials (whether liquid or solid) by means of any toilets, sanitary sewers or storm sewers.

(d) (i) The Permittee shall not employ any persons or use any labor, or use or have any equipment, or permit any condition to exist, which shall or may cause or be conducive to any labor complaints, troubles, disputes or controversies at the Airport which interfere or are likely to interfere with the operation of the Airport or any part thereof by the Port Authority or with the operations of the lessees, licensees, permittees or other users of the Airport or with the operations of the Permittee under this Permit.

(ii) The Permittee shall immediately give notice to the Port Authority (to be followed by written notice and reports) of any and all impending or existing labor complaints, troubles, disputes or controversies and the progress thereof. The Permittee shall use its best efforts to resolve any such complaints, troubles, disputes or controversies.

(iii) The Permittee acknowledges that it is familiar with the general and local conditions prevailing at the Airport and with the all pertinent matters and circumstances which may in any way affect performance of the privileges granted under this Permit.

(e) The Permittee shall not solicit business on the public areas of the Airport and the use, at any time, of hand or standard megaphones, loudspeakers or any electric, electronic or other amplifying device is hereby expressly prohibited.

(f) The Permittee shall not install any fixtures or make any alterations, additions, improvements or repairs to any property of the Port Authority except with the prior written approval of the Port Authority.

(g) No signs, posters or similar devices shall be erected, displayed or maintained at the Airport without the written approval of the General Manager of the Airport; and any not approved by such General Manager or not removed by the Permittee upon the termination, revocation, expiration or cancellation of this Permit may be removed by the Port Authority at the expense of the Permittee.

(h) The Permittee shall not operate any engine or any item of automotive equipment in any enclosed space at the Airport unless such space is adequately ventilated.

(i) The Permittee shall not use any cleaning materials having a harmful or corrosive effect on any part of the Airport.

(j) The Permittee shall not fuel or defuel any equipment in any enclosed space at the Airport without the prior approval of the General Manager of the Airport except in accordance with Port Authority rules and regulations.

(k) The Permittee shall not start or operate any engine or any item of automotive equipment in any enclosed space at the Airport unless such space is adequately ventilated and unless such engine is equipped with a proper spark-arresting device.

19. Law Compliance:

(a) The Permittee shall procure all licenses, certificates, permits or other authorization from all governmental authorities, if any, having jurisdiction over the Permittee's operations at the Airport which may be necessary for the Permittee's operations thereat.

(b) The Permittee shall pay all taxes, license, certification, permit and examination fees and excises which may be assessed, levied, exacted or imposed on its property or operations at the Airport or on the Gross Receipts, Terminal Four Gross Receipts or income therefrom, and shall make all applications, reports and returns required in connection therewith.

(c) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions which may pertain or apply to the Permittee's operations at the Airport.

(d) The Permittee's obligations to comply with governmental requirements are provided herein for the purpose of assuring proper safeguards for the protection of Persons and property at the Airport and are not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

(e) The Port Authority has agreed by a provision in the City Lease with the City covering the Airport to conform to the enactments, ordinances, resolutions and regulations of the City and of its various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable so to do. The Permittee shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

20. Trademarks and Patent Infringement:

The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit.

21. Inspection:

The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Airport or to be placed or brought on the Airport, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

22. Federal Aid:

(a) The Permittee shall

(i) furnish good, prompt and efficient service hereunder, adequate to meet all demands therefor at the Airport;

(ii) furnish said service on a fair, equal and non-discriminatory basis to all users thereof; and

(iii) charge fair, reasonable and non-discriminatory prices for each unit of sale or service, provided that the Permittee may make reasonable and non-discriminatory discounts, rebates or other similar types of price reductions to volume purchasers.

As used in the above subsections "service" shall include furnishing of parts, materials and supplies (including sale thereof).

(b) The Port Authority has applied for and received a grant or grants of money from the Administrator of the Federal Aviation Administration pursuant to the Airport and Airways Development Act of 1970, as the same has been amended and supplemented, and under prior federal statutes which said Act superseded and the Port Authority may in the future apply for and receive further such grants. In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. The performance by the Permittee of the promises and obligations contained in this Permit is therefore a special consideration and inducement to the issuance of this Permit by the Port Authority, and the Permittee further agrees that if the Administrator of the Federal Aviation Administration or any other governmental officer or body having jurisdiction over the enforcement of the obligations of the Port Authority in connection with Federal Airport Aid, shall make any orders, recommendations or suggestions respecting the performance by the Permittee of its obligations under this Permit, the Permittee will promptly comply therewith at the time or times, when and to the extent that the Port Authority may direct.

23. Capacity and Competition:

(a) The Permittee shall refrain from entering into continuing contracts or arrangements with any third Person for furnishing services covered hereunder when such contracts or arrangements will have the effect of utilizing to an unreasonable extent the Permittee's capacity for rendering such services. A reasonable amount of capacity shall be

reserved by the Permittee for the purpose of rendering services hereunder to those who are not parties to continuing contracts with the Permittee.

(b) The Permittee shall not enter into any agreement or understanding, express or implied, binding or non-binding, with any other Person who may furnish services at the Airport similar to those furnished hereunder which will have the effect of (i) fixing rates and charges to be paid by users of the services; (ii) lessening or preventing competition between the Permittee and such other furnishers of services; or (iii) tending to create a monopoly on the Airport in connection with the furnishing of such services.

24. Business Development and Records:

(a) In connection with the exercise of the privileges granted hereunder, the Permittee shall:

(i) use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(ii) not divert or cause or allow to be diverted, any business from the Airport;

(iii) maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of the Permittee at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify the Authorized Service performed at Terminal Four, the Authorized Service performed at the Airport at any location other than Terminal Four and all other services performed at the Airport at any location other than Terminal Four, and;

(iv) cause any company which is owned or controlled by the Permittee, or any company which owns or controls the Permittee, if any such company performs services similar to those performed by the Permittee (any such company being hereinafter called an "Affiliate" and all such companies being hereinafter called the "Affiliates") to maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of each Affiliate at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify each activity (including without limitation the Authorized Service) performed at the Airport, the Authorized Service performed at Terminal Four and all other services performed at the airport at any location other than Terminal Four;

(v) permit and/or cause to be permitted in ordinary business hours during the effective period of this Permit, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Port Authority of all the records and books of

account of the Permittee (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts and/or Terminal Four Gross Receipts and which the Terminal Four Lessee, in its sole discretion, believes may be relevant for identification, determination or calculation of Terminal Four Receipts, all agreements, and all source documents) and all the records and books of account of all Affiliates (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts and/or Terminal Four Gross Receipts and which the Terminal Four Lessee, in its sole discretion, believes may be relevant for identification, determination or calculation of Terminal Four Receipts, all agreements, and all source documents) (all of the foregoing records and books described in this paragraph (a)(v) being hereinafter collectively referred to as the "Books and Records") within ten (10) days following any request by the Port Authority from time to time and at any time to examine and audit any Books and Records;

(vi) if the Permittee has performed any privilege or portion thereof at Terminal Four, then permit and/or cause to be permitted in ordinary business hours during the effective period of the Permit, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Terminal Four Lessee of all Books and Records within ten (10) days following any request by the Terminal Four Lessee from time to time and at any time to examine and audit any Books and Records;

(vii) permit the inspection by the officers, employees and representatives of the Port Authority and the Terminal Four Lessee of any equipment used by the Permittee, including but not limited to the equipment described in paragraph (a)(viii) below; and

(viii) install and use such cash registers, sales slips, invoicing machines and any other equipment or devices, including without limitation computerized record keeping systems, for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of Gross Receipts and Terminal Four Gross Receipts, and without limiting the generality of the foregoing, for any privilege involving cash sales, install and use cash registers or other electronic cash control equipment that provides for non-resettable totals.

(b) Without implying any limitation on the right of the Port Authority to revoke this Permit for cause for breach of any term, condition or provision thereof, including but not limited to, breach of any term, condition or provision of paragraph (a) above, the Permittee understands that the full reporting and disclosure to the Port Authority of all Gross Receipts and Terminal Four Gross Receipts and to the Terminal Four Lessee of all Terminal Four Gross Receipts and the Permittee's compliance with all the provisions of paragraph (a) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under this Permit. In the event any Books and Records are maintained outside the Port of New York District or in the event of the failure of the Permittee to comply with all the provisions of paragraphs (a)(ii) through (a)(viii) above then, in addition to all, and without limiting any other, rights and remedies of the Port Authority and the Terminal Four Lessee under this Permit or otherwise and in addition to all of the Permittee's other obligations under this Permit:

(i) the Port Authority may estimate the Gross Receipts on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the fees based thereon shall be payable to the Port Authority when billed; and/or

(ii) the Port Authority or the Terminal Four Lessee may estimate the Terminal Four Gross Receipts on any basis that the Port Authority or the Terminal Four Lessee, in its sole discretion, shall deem appropriate, such estimation to be final and binding on the Permittee and the fees based thereon shall be payable to the Terminal Four Lessee when billed; and/or

(iii) if any Books and Records are maintained outside of the Port of New York District, then the Port Authority in its sole discretion may (x) require on ten (10) days' notice to the Permittee that any such Books and Records be made available to the Port Authority within the Port of New York District for examination and audit pursuant to paragraph (a)(v) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(v) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority, for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Permittee shall pay to the Port Authority when billed all costs and expenses of the Port Authority, as determined by the Port Authority, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

(iv) if any Books and Records are maintained outside of the Port of New York District, then the Terminal Four Lessee in its sole discretion may (x) require on ten (10) days' notice to the Permittee that any such Books and Records be made available to the Terminal Four Lessee within the Port of New York District for examination and audit pursuant to paragraph (a)(vi) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(vi) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Permittee shall pay to the Terminal Four Lessee when billed all travel costs and related expenses, as determined by the Terminal Four Lessee, for Terminal Four Lessee auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Permittee shall pay to the Terminal Four Lessee when billed all costs and expenses of the Terminal Four Lessee, as determined by the Terminal Four Lessee, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Terminal Four Lessee for the purpose of conducting such audit and examination.

(c) In the event that upon conducting an examination and audit as described in this Section the Port Authority or the Terminal Four Lessee determines that unpaid amounts are due to the Port Authority or to the Terminal Four Lessee by the Permittee (the "Audit Findings"), the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority and/or the Terminal Four Lessee a service charge in the amount equal to five percent (5%) of the Audit Findings. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority or by the Terminal Four Lessee. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority or the Terminal Four Lessee by the Permittee under this Permit or otherwise. Such service charge shall not be payable if the Port Authority has received, for each month covered by the examination and audit period, the Monthly Sworn Statement of Gross Receipts, as provided in Section 4(a)(ii) and 4(a)(iii). No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Section with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with

like remedies as if it were originally a part of the fees to be paid. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

(d) Without implying any limitation on the rights or remedies of the Port Authority under this Permit or otherwise including without limitation the right of the Port Authority to revoke this Permit for cause for breach of any term or provision of paragraphs (a)(iii) or (a)(iv) above and in addition thereto, in the event any of the Books and Records are not maintained in English, then this Permittee shall pay to the Port Authority when billed, all costs and expenses of the Port Authority, as determined by the Port Authority, to translate such Books and Records into English.

(e) The foregoing auditing costs, expenses and amounts of the Port Authority set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Permit payable to the Port Authority with the same force and effect as the Basic Percentage Fee and all other fees payable to the Port Authority hereunder and the foregoing auditing costs, expenses and amounts of the Terminal Four Lessee set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Permit payable to the Terminal Four Lessee with the same force and effect as the Terminal Four Percentage Fee and all other fees payable to the Terminal Four Lessee hereunder.

25. Rates and Charges:

The Permittee shall establish rates and discounts therefrom which are in compliance with Section 22 hereof (each such rate and discount is hereinafter called an "Established Rate"). Upon request by the Port Authority, the Permittee shall provide the Port Authority its rates and discounts therefrom for goods and services furnished hereunder. If the Permittee applies any rate in excess of the Established Rate therefor or extends a discount less than the Established Discount therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the Established Rate therefor or extends a discount which is in excess of the Established Rate therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an undercharge and an amount equivalent thereto shall be included in Gross Receipts and Terminal Four Gross Receipts hereunder and the Basic Percentage Fee and the Terminal Four Percentage Fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in Gross Receipts or Terminal Four Gross Receipts any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon such breach which would otherwise be available to it at law, in equity or by reason of this Permit.

26. Other Agreements:

In the event the terms and provisions of any agreement entered into by the Permittee with any third Person in connection with the privileges granted hereunder are contrary to or conflict or are inconsistent with the terms and provisions of this Permit, the terms and provisions of this Permit shall be controlling, effective and determinative.

27. City Lease Provisions:

(a) The Permittee acknowledges that it has received a copy of, and is familiar with the contents of, the City Lease. The Permittee acknowledges that no greater rights or privileges are hereby granted to the Permittee than the Port Authority has the power to grant under the City Lease.

(b) In accordance with the provisions of the City Lease, the Port Authority and the Permittee hereby agree as follows:

(i) This Permit is subject and subordinate to the City Lease and to any interest superior to that of the Port Authority;

(ii) The Permittee shall not pay the fees or other sums under this Permit for more than one (1) month in advance (excluding security or other deposits required under this Permit);

(iii) With respect to this Permit, the Permittee on the termination of the City Lease will, at the option of the City, enter into a direct permit on identical terms with the City;

(iv) The Permittee shall indemnify the City, as third party beneficiary hereunder, with respect to all matters described in Section 31 of the City Lease that arise out of the Permittee's operations at the Airport, or arise out of the acts or omissions of the Permittee's officers, employees, agents, representatives, contractors, customers, business visitors and guests at the Airport with the Permittee's consent;

(v) The Permittee shall not use any portion of the Airport for any use other than as permitted under the City Lease;

(vi) The Permittee shall use the Airport in a manner consistent with the Port Authority's obligations under Section 28 of the City Lease;

(vii) The failure of the Permittee to comply with the foregoing provisions shall be an event of default under this Permit, which shall provide the Port Authority with the right to revoke this Permit and exercise any other rights that the Port Authority may have as the grantor of the permission hereunder; and

(viii) The City shall be named as an additional insured or loss payee, as applicable, under each policy of insurance procured by the Permittee pursuant to this Permit.

28. Counterclaims:

The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts, which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

29. Continued Exercise of Privilege After Expiration, Revocation or Termination:

(a) The Permittee acknowledges that the failure of the Permittee to cease to perform the Authorized Service at the Airport from the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss, and the Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby

expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss. The Permittee acknowledges that the Port Authority reserves all its legal and equitable rights and remedies in the event of such failure by the Permittee to cease performance of the Authorized Service.

(b) The Permittee hereby acknowledges and agrees that, subject to the foregoing, all terms and provisions of this Permit shall be and continue in full force and effect during any period following such expiration, revocation or termination.

30. Governing Law:

This permit and any claim, dispute or controversy arising out of, under or related to this permit shall be governed by, interpreted and construed in accordance with the laws of the State of New York, without regard to choice of law principles.

31. Miscellaneous:

(a) It is understood and agreed that the Port Authority shall not furnish, sell or supply to the Permittee any services or utilities in connection with this Permit.

(b) No Commissioner, Director, officer, agent or employee of either party shall be charged personally by the other party with any liability, or held liable to the other party, under any term or provision of this Permit, or because of the party's execution or attempted execution, or because of any breach thereof.

(c) The Section and paragraph headings, if any, in this Permit are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope or intent of any provision hereof.

(d) This Permit, including the attached Special Endorsements, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof. This Permit may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee or except by notice as specifically set forth in Sections 4 and 13 hereof. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

THE PORT AUTHORITY UNTIL DULY EXECUTED BY
AN EXECUTIVE OFFICER THEREOF AND DELIVERED
TO THE LESSEE BY AN AUTHORIZED
REPRESENTATIVE OF THE PORT AUTHORITY

Lease No. AGA-475

AGREEMENT OF LEASE

THIS AGREEMENT OF LEASE, made as of August 1, 1998, by and between THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY (hereinafter called "the Port Authority"), a body corporate and politic, established by Compact between the States of New Jersey and New York with the consent of the Congress of the United States of America, and having an office at One World Trade Center, in the Borough of Manhattan, City, County and State of New York, and DOBBS INTERNATIONAL SERVICES, INC. (hereinafter called "the Lessee"), a corporation organized and existing under the laws of the State of Delaware and having an office and place of business at 5100 Poplar Avenue, Memphis, Tennessee 38137 whose representative is Mr. Robert E. Teutsch, its Vice-President.

WITNESSETH, That:

The Port Authority and the Lessee, for and in consideration of the rents, covenants and mutual agreements hereinafter contained, hereby covenant and agree as follows:

Section 1. Letting

(a) The Port Authority hereby lets to the Lessee and the Lessee hereby hires and takes from the Port Authority at LaGuardia Airport (sometimes hereinafter referred to as "the Airport") in the County of Queens, City and State of New York the land shown in stipple on the drawing attached hereto, hereby made a part hereof and marked "Exhibit A", together with such structures, buildings, fixtures, improvements and other property of the Port Authority, if any, located or to be located therein, thereon or thereunder, all of the foregoing being hereinafter

collectively referred to as "the premises".

(b) Except to the extent required for the performance of any of the obligations of the Lessee hereunder, nothing contained in this Agreement shall grant to the Lessee any rights whatsoever in the air space above the heights of the structures thereon as of the commencement of the term of the letting hereunder.

(c) The parties acknowledge that the premises constitute non-residential real property.

Section 2. The Lessee Renovation Work

(a) The Lessee, at its election, may perform certain renovations of and to the premises; provided that any and all such renovations (including all necessary or required asbestos removal) shall be performed by the Lessee in accordance with this Lease and the Alteration Applications which the Lessee shall submit to the Port Authority in accordance herewith. The Lessee shall perform at its sole cost and expense the said renovations and asbestos removal in accordance with this Lease and said Alteration Applications if, as and when the same are approved by the Port Authority. The term the "Lessee Renovation Work" shall consist of the work set forth in said Alteration Applications if, as and when the same are approved by the Port Authority.

(b) (1) All of the Lessee Renovation Work shall be constructed by the Lessee in the premises and outside of the premises where required, and where constructed in the premises shall be and become a part of the premises under the Lease.

(2) Prior to the commencement of the Lessee Renovation Work, the Lessee shall submit to the Port Authority for the Port Authority's approval complete plans and specifications therefor. The Port Authority may refuse to grant approval with respect to the Lessee Renovation Work if, in its opinion, any of the proposed Lessee Renovation Work as set forth in said plans and specifications (all of which shall be in such detail as may reasonably permit the Port Authority to make a determination as to whether the requirements hereinafter referred to are met) shall:

(i) Be unsafe, unsound, hazardous or improper for the use and occupancy for which it is designed, or

(ii) Not comply with the Port Authority's requirements for harmony of external architecture of similar existing or future improvements at the Airport, or

(iii) Not comply with the Port Authority's requirements with respect to external and interior building materials and finishes of similar existing or future

improvements at the Airport, or

(iv) Not provide for sufficient clearances for taxiways, runways and apron areas, or

(v) Be designed for use for purposes other than those authorized under the Agreement, or

(vi) Set forth ground elevations or heights other than those prescribed by the Port Authority, or

(vii) Not provide adequate and proper roadways and pedestrian circulation areas, or

(viii) Not be at locations or not be oriented in accordance with the Lessee's approved plans and specifications, or

(ix) Not comply with the provisions of the Basic Lease, including without limiting the generality thereof, those provisions of the Basic Lease providing the Port Authority will conform to the enactments, ordinances, resolutions and regulations of the City of New York and its various departments, boards and business in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection which would be applicable if the Port Authority were a private corporation to the extent that the Port Authority finds it practicable so to do, or

(x) Be in violation or contravention of any other provisions and terms of this Agreement, or

(xi) Not comply with all applicable governmental laws, ordinances, enactments, resolutions, rules and orders, or

(xii) Not comply with all applicable requirements of the National Board of Fire Underwriters and the Fire Insurance Rating Organization of New York, or

(xiii) Not comply with the Port Authority's requirements with respect to landscaping, or

(xiv) Not comply with Port Authority's requirements and standards with respect to noise, air pollution, water pollution or other types of pollution, or

(xvi) Not comply with the construction limitations set forth in Exhibits

A, if any.

(c) All Lessee Renovation Work shall be done in accordance with the following further terms and conditions:

(1) The Lessee hereby assumes the risk of loss or damage to all of the Lessee Renovation Work prior to the completion thereof and the risk of loss or damage to all property of the Port Authority arising out of or in connection with the performance of the Lessee Renovation Work including without limitation any and all Environmental Requirements and Environmental Damages. In the event of such loss or damage, the Lessee shall forthwith repair, replace and make good the Lessee Renovation Work and the property of the Port Authority without cost or expense to the Port Authority. The Lessee shall itself and shall also require its contractors to indemnify and hold harmless the Port Authority, its Commissioners, officers, agents and employees from and against all claims and demands, just or unjust, of third persons (including employees, officers, and agents of the Port Authority) arising or alleged to arise out of the performance of the Lessee Renovation Work and for all expenses incurred by it and by them in the defense, settlement or satisfaction thereof, including without limitation thereto, claims and demands for death, for personal injury or for property damage, direct or consequential, whether they arise from the acts or omissions of the Lessee, of any contractors of the Lessee, of the Port Authority, or of third persons, or from acts of God or of the public enemy, or otherwise, (including claims of the City of New York against the Port Authority pursuant to the provisions of the Basic Lease whereby the Port Authority has agreed to indemnify the City against claims), excepting only claims and demands which result solely from affirmative wilful acts done by the Port Authority, its Commissioners, officers, agents and employees with respect to the Lessee Renovation Work, provided, however, that the Lessee shall not be required to indemnify the Port Authority where indemnity would be precluded pursuant to the provisions of Section 5-322.1 of the General Obligations Law of the State of New York.

If so directed, the Lessee shall at its own expense defend any suit based upon any such claim or demand (even if such suit, claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance written permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

(2) Prior to engaging or retaining an architect or architects for the Lessee Renovation Work, the name or names of said architect or architects shall be submitted to the Port Authority for its approval. The Port Authority shall have the right to disapprove any architect who may be unacceptable to it. All Lessee Renovation Work shall be done in accordance with plans and specifications to be submitted to and approved by the Port Authority prior to the commencement of the Lessee Renovation Work, and until such approval has been obtained the Lessee shall continue to resubmit plans and specifications as required. Upon

approval of such plans and specifications by the Port Authority, the Lessee shall proceed diligently at its sole cost and expense to perform the Lessee Renovation Work. All Lessee Renovation Work, including workmanship and materials, shall be of first class quality. The Lessee shall re-do, replace or construct at its own cost and expense, any Lessee Renovation Work not done in accordance with the approved plans and specifications, the provisions of this Section 2 or any further requirements of the Port Authority.

(3) Prior to entering into a contract for any part of the Lessee Renovation Work, the Lessee shall submit to the Port Authority for its approval the names of the contractors to whom the Lessee proposes to award said contracts. The Port Authority shall have the right to disapprove any contractor who may be unacceptable to it. The Lessee shall include in all such contracts such provisions and conditions as may be reasonably required by the Port Authority. Without limiting the generality of the foregoing all of the Lessee's construction contracts shall provide as follows: "If (i) the Contractor fails to perform any of his obligations under the Contract, including his obligation to the Lessee to pay any claims lawfully made against him by any materialman, subcontractor or workman or other third person which arises out of or in connection with the performance of the Contract or (ii) any claim (just or unjust) which arises out of or in connection with the Contract is made against the Lessee or (iii) any subcontractor under the Contract fails to pay any claims, lawfully made against him by any materialman, subcontractor, workman or other third persons which arises out of in connection with the Contract or of in the Lessee's opinion any of the aforesaid contingencies is likely to arise, then the Lessee shall have the right, in its discretion, to withhold out of any payment (final or otherwise and even though such payments have already been certified as due) such sums as the Lessee may deem ample to protect it against delay or loss or to assume the payment of just claims of third persons, and to apply such sums in such manner as the Lessee may deem proper to secure such protection or satisfy such claims. All sums so applied shall be deducted from the Contractor's compensation. Omission by the Lessee to withhold out of any payment, final or otherwise, a sum for any of the above contingencies, even though such contingency has occurred at the time of such payment, shall not be deemed to indicate that the Lessee does not intend to exercise its right with respect to such contingency. Neither the above provisions for rights of the Lessee to withhold and apply monies nor any exercise, or attempted exercise of, or omission to exercise such rights by the Lessee shall create any obligation to any kind to such materialmen, subcontractors, workmen or other third persons. Until actual payment is made to the Contractor, his right to any amount to be paid under the Contract (even though such amount has already been certified as due) shall be subordinate to the rights of the Lessee under this provision."

The Lessee shall file with the Port Authority a copy of its contracts with its contractors prior to start of the Lessee Renovation Work.

(4) The Lessee shall furnish or require its architect to furnish a full time resident engineer during the construction period. The Lessee shall require certification by a

licensed engineer of all pile driving data and of all controlled concrete work and such other certifications as may be requested by the Port Authority from time to time.

(5) The Lessee agrees to be solely responsible for any plans and specifications used by it and for any loss or damages resulting from the use thereof, notwithstanding that the same have been approved by the Port Authority and notwithstanding the incorporation therein of Port Authority recommendations or requirements. Notwithstanding the requirement for approval by the Port Authority of the contracts to be entered into by the Lessee or the incorporation therein of Port Authority requirements or recommendations, and notwithstanding any rights the Port Authority may have reserved to itself hereunder, the Port Authority shall have no liabilities or obligations of any kind to any contractors engaged by the Lessee or for any other matter in connection therewith and the Lessee hereby releases and discharges the Port Authority, its Commissioners, officers, representatives and employees of and from any and all liability, claims for damages or losses of any kind whether legal or equitable, or from any action or cause of action arising or alleged to arise out of the performance of any Lessee Renovation Work pursuant to the contracts between the Lessee and its contractors. Any warranties contained in any construction contract entered into by the Lessee for the performance of the Lessee Renovation Work hereunder shall be for the benefit of the Port Authority as well as the Lessee, and the contract shall so provide.

(6) The Port Authority shall have the right, through its duly designated representatives, to inspect the Lessee Renovation Work and the plans and specifications thereof, at any and all reasonable times during the progress thereof and from time to time, in its discretion, to take samples and perform testing on any part of the Lessee Renovation Work.

(7) The Lessee agrees that it shall deliver to the Port Authority two (2) sets of "as built" microfilm drawings of the Lessee Renovation Work mounted on aperture cards, all of which shall conform to the specifications of the Port Authority (the receipt of a copy of said specifications prior to the execution of this Lease being hereby acknowledged by the Lessee), and the Lessee shall during the term of this Lease keep said drawings current showing thereon any changes or modifications which may be made. (No changes or modifications shall be made without prior Port Authority consent).

(8) The Lessee shall, if requested by the Port Authority, take all reasonable measures to prevent erosion of the soil and the blowing of sand during the performance of the Lessee Renovation Work, including but not limited to the fencing of the premises or portions thereof or other areas and the covering of open areas with asphaltic emulsion or similar materials as the Port Authority may direct.

(9) Any soil, dirt, sand or other matter (hereinafter to this item (9) collectively called "the matter") excavated by the Lessee during the course of the Lessee Renovation Work and not used by the Lessee at the premises in the Lessee Renovation Work

shall be delivered and deposited by the Lessee at its expense to any location on the Airport as may be designated by the Port Authority or to any location off the Airport within the Port of New York District as may be designated by the Port Authority. The entire proceeds, if any, of the sale or other disposition of the matter shall belong to the Port Authority. Notwithstanding the foregoing the Port Authority may elect by prior written notice to the Lessee to waive any rights it may have hereunder as to all or portions of the matter in which event the Lessee at its expense shall dispose of the same without further instruction from the Port Authority.

(10) The Lessee shall pay or cause to be paid all claims lawfully made against it by its contractors, subcontractors, materialmen and workmen, and all claims lawfully made against it by other third persons arising out of or in connection with or because of the performance of the Lessee Renovation Work, and shall cause its contractors and subcontractors to pay all such claims lawfully made against them provided, however, that nothing herein contained shall be construed to limit the right of the Lessee to contest any claim of a contractor, subcontractor, materialman, workman and/or other person and no such claim shall be considered to be an obligation of the Lessee within the meaning of this Section unless and until the same shall have been finally adjudicated. The Lessee shall use its best efforts to resolve any such claims and shall keep the Port Authority fully informed of its actions with respect thereto. Nothing herein contained shall be deemed to constitute consent to the creation of any liens or claims against the premises nor to create any rights in said third persons against the Port Authority or the Lessee.

(11) (i) The Lessee in its own name as insured and including the Port Authority as an additional insured shall procure and maintain Comprehensive General Liability insurance, including but not limited to premises-operations, products liability-completed operations, explosion, collapse and underground property damages, personal injury and independent contractors coverage, and covering bodily injury including death, and with a contractual liability endorsement covering the obligations assumed by the Lessee pursuant to subparagraphs (1) and (5) of this paragraph (c), and Comprehensive Automobile Liability insurance covering owned, non-owned and hired vehicles. The said Comprehensive General Liability insurance policy shall have a limit of not less than \$10,000,000.00 combined single limit per occurrence for bodily injury and property damage liability, and said Comprehensive Automobile Liability policy shall have a limit of not less than \$10,000,000.00 combined single limit per accident for bodily injury and property damage liability.

Without limiting the provisions hereof, in the event the Lessee maintains the foregoing insurance in limits greater than aforesaid, the Port Authority shall be included therein as an additional insured to the full extent of all such insurance in accordance with all the terms and provisions hereof.

The foregoing shall be in addition to all policies of insurance otherwise required by this Agreement, or the Lessee may provide such insurance by requiring each contractor

engaged by it for the Lessee Renovation Work to procure and maintain such insurance including such contractual liability endorsement, said insurance, whether procured by the Lessee or by a contractor engaged by it as aforesaid, not to contain any exclusion for bodily injury to or sickness, disease or death of any employee of the Lessee or of any of its contractors which would conflict with in or in any way impair coverage under the contractual liability endorsement. All of the aforesaid policy or policies of insurance shall also provide or contain an endorsement providing that the protections afforded the Lessee thereunder with respect to any claim or action against the Lessee by a third person shall pertain and apply with like effect with respect to any claim or action against the Lessee by the Port Authority, and shall also provide or contain an endorsement providing that the protections afforded the Port Authority thereunder with respect to any claim or action against the Port Authority by the Lessee or its contractor(s) shall be the same as the protections afforded the Lessee thereunder with respect to any claim or action against the Lessee by a third person as if the Port Authority were the named insured thereunder; but such provision or endorsement shall not limit, vary or affect the protections afforded the Port Authority thereunder as an additional insured.

(ii) The Lessee shall also procure and maintain in effect, or cause to be procured and maintained in effect Workers' Compensation Insurance and Employer's Liability Insurance in accordance with and as required by law.

(iii) The insurance required hereunder in this subparagraph (11) shall be maintained in effect during the performance of the Lessee Renovation Work and shall be in compliance with and subject to the provisions of paragraph (c) of Section 16 hereof.

(12) The Lessee shall be under no obligation to reimburse the Port Authority for expenses incurred by the Port Authority in connection with its normal review and approval of the original plans and specifications submitted by the Lessee pursuant to this Section. The Lessee however agrees to pay to the Port Authority upon its demand the expenses incurred by the Port Authority in connection with any additional review for approval of any changes, modifications or revisions of the original plans and specifications which may be proposed by the Lessee for the Port Authority's approval. The expenses of the Port Authority for any such additional review and approval shall be computed on the basis of direct payroll time expended in connection therewith plus 100%. Wherever in this Lease reference is made to "direct payroll time", costs computed thereunder shall include a prorata share of the cost to the Port Authority of providing employee benefits, including, but not limited to, pensions, hospitalization, medical and life insurance, vacations and holidays. Such computations shall be in accordance with the Port Authority's accounting principles as consistently applied prior to the execution of this Lease.

(13) The Lessee shall prior to the commencement of construction and at all times during construction submit to the Port Authority all engineering studies with respect to construction and samples of construction materials as may be required at any time and from time to time by the Port Authority.

(14) The Lessee shall procure and maintain Builder's Risk (All Risk) Completed Value Insurance covering the Lessee Renovation Work during the performance thereof including material delivered to the site but not attached to the realty. Such insurance shall name the Port Authority, the City of New York, the Lessee and its contractors and subcontractors as additional assureds and such policy shall provide that the loss shall be adjusted with and payable to the Lessee. Such proceeds shall be used by the Lessee for the repair, replacement or rebuilding of the Lessee Renovation Work and any excess shall be paid over to the Port Authority. The policies or certificates representing insurance covered by this paragraph (14) shall be delivered by the Lessee to the Port Authority at least thirty (30) days prior to the commencement of construction of the Lessee Renovation Work, and each policy or certificate delivered shall bear the endorsement of or be accompanied by evidence of payment of the premium thereof and, also, a valid provision obligating the insurance company to furnish the Port Authority and the City of New York thirty (30) days' advance notice of the cancellation, termination, change or modification of the insurance evidenced by said policy or certificate. Renewal policies or certificates shall be delivered to the Port Authority at least thirty (30) days before the expiration of the insurance which such policies are to renew.

The insurance covered by this paragraph (14) shall be written by companies approved by the Port Authority, the Port Authority covenanting and agreeing not to withhold its approval unreasonably. If at any time any of the insurance policies shall be or become unsatisfactory to the Port Authority as to the form or substance or if any of the carriers issuing such policies shall be or become unsatisfactory to the Port Authority, the Lessee shall promptly obtain a new and satisfactory policy in replacement, the Port Authority covenanting and agreeing not to act unreasonably hereunder. If at any time the Port Authority so requests, a certified copy of each of the said policies shall be delivered to the Port Authority.

(15) The Lessee shall at the time of submitting the comprehensive plan to the Port Authority as provided in paragraph (a) hereof submit to the Port Authority its forecasts of the number of people who will be working at various times during the term of the Lease at the premises, the expected utility demands of the premises, noise profiles and such other information as the Port Authority may require. The Lessee shall continue to submit its latest forecasts and such other information as may be required as aforesaid as the Port Authority shall from time to time and at any time request.

(16) The Lessee shall execute and submit for the Port Authority's approval a Construction Application or Applications in the form prescribed by the Port Authority covering the Lessee Renovation Work or portions thereof. The Lessee shall comply with all the terms and provisions of the approved Construction Applications. In the event of any inconsistency between the terms of any Construction Application and the terms of the Lease, the terms of this Lease shall prevail and control.

(17) Nothing contained in this Lease shall grant or be deemed to grant to

any contractor, architect, supplier, subcontractor or any other person engaged by the Lessee or any of its contractors in the performance of any part of the Lessee Renovation Work any right or action or claim against the Port Authority, its Commissioners, officers, agents and employees with respect to any work any of them may do in connection with the Lessee Renovation Work. Nothing contained herein shall create or be deemed to create any relationship between the Port Authority and any such contractor, architect, supplier, subcontractor or any other person engaged by the Lessee or any of its contractors in the performance of any part of the construction and the Port Authority shall not be responsible to any of the foregoing for any payments due or alleged to be due thereto for any work performed or materials purchased in connection with the Lessee Renovation Work.

(18) (i) Without limiting any of the terms and conditions of this Lease, the Lessee understands and agrees that it shall put into effect prior to the commencement of any Lessee Renovation Work an affirmative action program and Minority Business Enterprise (MBE) program and Women-owned Business Enterprise (WBE) program in accordance with the provisions of Schedule E, attached hereto and hereby made a part hereof. The provisions of said Schedule E of this Lease shall be applicable to the Lessee's contractor or contractors and subcontractors at any tier of construction as well as to the Lessee itself and the Lessee shall include the provisions of said Schedule E within all of its construction contracts so as to make said provisions and undertakings the direct obligation of the construction contractor or contractors and subcontractors at any tier of construction. As used in Schedule E the term "construction work" shall include the Lessee Renovation Work. The Lessee shall and shall require its said contractor, contractors and subcontractors to furnish to the Port Authority such data, including but not limited to compliance reports relating to the operation and implementation of the affirmative action, MBE and WBE programs called for hereunder as the Port Authority may request at any time and from time to time regarding the affirmative action, Minority Business Enterprises and Women-owned Business Enterprises programs of the Lessee and its contractor, contractors, and subcontractors at any tier of construction, and the Lessee shall and shall also require that its contractor, contractors and subcontractors at any tier of construction make and put into effect such modifications and additions thereto as may be directed by the Port Authority pursuant to the provisions hereof and said Schedule E to effectuate the goals of affirmative action and Minority Business Enterprise and Women-owned Business Enterprise programs.

(ii) In addition to and without limiting any terms and conditions of this Lease, the Lessee shall provide in its contracts and all subcontracts covering the Lessee Renovation Work or any portion thereof, that:

(aa) The contractor shall not discriminate against employees and applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, and shall undertake or continue existing programs of affirmative action to ensure that minority group persons are afforded equal

employment opportunity without discrimination. Such programs shall include, but not be limited to, recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, rates of pay or other forms of compensation, and selections for training or retraining, including apprenticeships and on-the-job training;

(bb) At the request of either the Port Authority or the Lessee, the contractor shall request such employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding and which is involved in the performance of the contract with the Lessee to furnish a written statement that such employment agency, labor union or representative shall not discriminate because of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will cooperate in the implementation of the contractor's obligations hereunder;

(cc) The contractor will state, in all solicitations or advertisements for employees placed by or on behalf of the contractor in the performance of the contract, that all qualified applicants will be afforded equal employment opportunity without discrimination because of race, creed, color, national origin, sex, age, disability or marital status;

(dd) The contractor will include the provisions of subparagraphs (aa) through (cc) of this paragraph in every subcontract or purchase order in such a manner that such provisions will be binding upon each subcontractor or vendor as to its work in connection with the contract;

(ee) "Contractor" as used herein shall include each contractor and subcontractor at any tier of construction.

(d) The Lessee may wish to commence construction of portions of the Lessee Renovation Work prior to the approval by the Port Authority of its plans and specifications pursuant to paragraph (b) hereof, and if it does it shall submit a written request to the Port Authority setting forth the work it proposes then to do. The Port Authority shall have full and complete discretion as to whether or not to permit the Lessee to proceed with any portion of the Lessee Renovation Work. If the Port Authority has no objection to the Lessee's proceeding with any of the aforementioned work, it shall do so by writing a letter to the Lessee to such effect. If the Lessee performs the work covered by said letter it agrees all such work shall be performed subject to and in accordance with all of the provisions of the approval letter and subject to and in accordance with the following terms and conditions:

(1) The performance by the Lessee of the work covered by any request as aforesaid will be at its sole risk and if for any reason the plans and specifications for the Lessee Renovation Work are not approved by the Port Authority or if the approval thereof calls for modifications or changes in the work undertaken by the Lessee under any approval granted by the Port Authority pursuant to this paragraph (d), the Lessee will, as directed by the Port Authority, at its sole cost and expense, either restore the area affected to the condition existing prior to the commencement of any such work or make such modifications and changes in any such work as may be required by the Port Authority.

(2) Nothing contained in any approval hereunder shall constitute a determination or indication by the Port Authority that the Lessee has complied with the applicable governmental laws, ordinances, enactments, resolutions, rules and orders, including but not limited to those of the City of New York, which may pertain to the work to be performed.

(3) The approved work will be performed in accordance with and subject to the terms, indemnities and provisions of the Lease covering the Lessee Renovation Work and with the terms and conditions of any Construction Application which the Port Authority may request the Lessee to submit even though such Construction Application may not have, at the time of the approval under this paragraph (d), been approved by the Port Authority.

(4) No work under any such approval shall affect or limit the obligations of the Lessee under all prior approvals with respect to its construction of the Lessee Renovation Work.

(5) The Lessee shall comply with all requirements, stipulations and provisions as may be set forth in the letters of approval.

(6) In the event that the Lessee shall at any time during the construction of any portion of the Lessee Renovation Work under the approval granted by the Port Authority pursuant to this paragraph (d) fail, in the opinion of the General Manager of the Airport, to comply with all of the provisions of this Lease with respect to the Lessee Renovation Work, the Construction Application or the approval letter covering the same or be, in the opinion of the General Manager, in breach of any of the provisions of this Lease, the Construction Application or the approval letter covering the same, the Port Authority shall have the right, acting through said General Manager to cause the Lessee to cease all or such part of the Lessee Renovation Work as is being performed in violation of this Lease, the Construction Application or the approval letter. Upon such written direction from the General Manager the Lessee shall promptly cease construction of the portion of the Lessee Renovation Work specified. The Lessee shall thereupon submit to the Port Authority for its written approval the Lessee's proposal for making modifications, corrections or changes in or to the Lessee Renovation Work that has been or is to be performed so that the same will comply with the provisions of this Lease, the Construction Application and the approval letter covering the Lessee Renovation Work. The

Lessee shall not commence construction of the portion of the Lessee Renovation Work that has been halted until such written approval has been received.

(7) It is hereby expressly understood and agreed that neither any field engineer nor the Resident Engineer of the Port Authority at the Airport has any authority to approve any plans and specifications of the Lessee with respect to the Lessee Renovation Work, to approve the construction by the Lessee of any portion of the Lessee Renovation Work or to agree to any variation by the Lessee from compliance with the terms of this Lease, or the Construction Application or the approval letter with respect to the Lessee Renovation Work. Notwithstanding the foregoing, should any field engineer or the Resident Engineer give any directions or approvals with respect to the Lessee's performance of any portion of the Lessee Renovation Work which are contrary to the provisions of this Lease, the Construction Application or the approval letter, said directions or approvals shall not affect the obligations of the Lessee as set forth herein nor release or relieve the Lessee from the strict compliance therewith. It is hereby further understood and agreed that the Port Authority has no duty or obligation of any kind whatsoever to inspect or police the performance of the Lessee Renovation Work by the Lessee and the rights granted to the Port Authority hereunder shall not create or be deemed to create such a duty or obligation. Accordingly, the fact that the General Manager has not exercised the Port Authority's right to require the Lessee to cease its construction of all or any part of the Lessee Renovation Work shall not be or be deemed to be an agreement or acknowledgment on the part of the Port Authority that the Lessee has in fact performed such portion of the Lessee Renovation Work in accordance with the terms of the Lease, the Construction Application or the approval letter nor shall such fact be or be deemed to be a waiver by the Port Authority from the requirement of strict compliance by the Lessee with the provisions of the Lease, the Construction Application and the approval letter with respect to the Lessee Renovation Work.

(8) Without limiting the discretion of the Port Authority hereunder, the Port Authority hereby specifically advises the Lessee that even if the Port Authority hereafter in the exercise of its discretion wishes to grant approvals under this paragraph (d), it may be unable to do so, so as to permit the Lessee to continue work without interruption following its completion of the work covered by any prior approval hereunder. The Lessee hereby acknowledges that if it commences work pursuant to this paragraph (d), it shall do so with full knowledge that there may not be continuity by it in the performance of its Lessee Renovation Work under the procedures of this paragraph (d).

(9) No prior approval of any work in connection with the Lessee Renovation Work shall create or be deemed to create any obligation on the part of the Port Authority to permit subsequent work to be performed in connection with such Lessee Renovation Work prior to the approval by the Port Authority of the Lessee's complete plans and specifications thereof. It is understood that no such prior approval shall release or relieve the Lessee from its obligation to submit complete plans and specifications for the Lessee Renovation

Work and to obtain the Port Authority's approval of the same as set forth in paragraph (b) hereof. It is further understood that in the event the Lessee elects not to continue to seek further approval letter(s) pursuant to this paragraph (d), the obligations of the Lessee to restore the area and to make modifications and changes as set forth in subparagraph (1) above shall be suspended until the Lessee's submission of its complete plans and specifications in accordance with paragraph (b) hereof.

(e) (1) The Lessee Renovation Work shall be constructed in such a manner that there will be at all times a minimum of air pollution, water pollution or any other type of pollution and a minimum of noise emanating from, arising out of or resulting from the operation, use or maintenance thereof by the Lessee and from the operations of the Lessee under this Agreement. Accordingly, and in addition to all other obligations imposed on the Lessee under this Agreement and without diminishing, limiting, modifying or affecting any of the same, the Lessee shall be obligated to construct as part of the Lessee Renovation Work hereunder such structures, fences, equipment, devices and other facilities as may be necessary or appropriate to accomplish the foregoing and each of the foregoing shall be and become a part of Lessee Renovation Work it affects and all of the foregoing shall be covered under the comprehensive plan of the Lessee submitted under paragraph (a) hereof and shall be part of the Lessee Renovation Work hereunder.

(2) Notwithstanding the provisions of subparagraph (1) above and in addition thereto, the Port Authority hereby reserves the right from time to time and at any time during the term of the Lease to require the Lessee, subsequent to the completion of the Lessee Renovation Work to design and construct at its sole cost and expense such further reasonable structures, fences, equipment, devices and other facilities as may be necessary or appropriate to accomplish the objectives as set forth in the first sentence of said subparagraph (1). All locations, the manner, type and method of construction and the size of any of the foregoing shall be determined by the Port Authority. The Lessee shall submit for Port Authority approval its plans and specifications covering the required work and upon receiving such approval shall proceed diligently to construct the same. All other provisions of this Section 2 with respect to the Lessee Renovation Work shall apply and pertain with like effect to any work which the Lessee is obligated to perform pursuant to this paragraph (e) and upon completion of each portion of such work it shall be and become a part of the Lessee Renovation Work. The obligations assumed by the Lessee under this paragraph (e) are a special inducement and consideration to the Port Authority in granting this Lease to the Lessee.

(f) Title to all the Lessee Renovation Work shall pass to the City of New York as the same or any part thereof is erected, constructed or installed, and shall be and become part of the premises if located within the premises.

(g) (1) When the Lessee Renovation Work is substantially completed and ready for use the Lessee shall advise the Port Authority to such effect and shall deliver to the Port

Authority a certificate signed by an authorized officer of the Lessee and also signed by the Lessee's licensed architect or engineer certifying that the Lessee Renovation Work has been constructed in accordance with the approved plans and specifications and the provisions of this Lease and in compliance with all applicable laws, ordinances and governmental rules, regulations and orders. Thereafter, the Lessee Renovation Work will be inspected by the Port Authority and if the same has been completed as certified by the Lessee and the Lessee's licensed architect or engineer, as aforesaid, a certificate to such effect shall be delivered to the Lessee, subject to the condition that all risks thereafter with respect to the construction and installation of the same and any liability therefor for negligence or other reason shall be borne by the Lessee. The Lessee shall not use or permit the use of the Lessee Renovation Work or any portion thereof for the purposes set forth in the Lease until such certificate is received from the Port Authority and the Lessee shall not use or permit the use of the Lessee Renovation Work or any portion thereof even if such certificate is received if the Port Authority states in any such certificate that the same cannot be used until other specified portions are completed.

(2) The term "Lessee Renovation Work Completion Date" for the purposes of this Lease shall mean the date appearing on the certificate issued by the Port Authority pursuant to subparagraph (1) of this paragraph.

(3) In addition to and without affecting the obligations of the Lessee under the preceding subparagraphs (1) and (2), when an integral and material portion of the Lessee Renovation Work is substantially completed or is properly usable the Lessee may advise the Port Authority to such effect and may deliver to the Port Authority a certificate signed by an authorized officer of the Lessee and also signed by the Lessee's licensed architect or engineer certifying that such portion of the Lessee Renovation Work has been constructed in accordance with the approved plans and specifications and the provisions of this Lease and in compliance with all applicable laws, ordinances and governmental rules, regulations and orders, and specifying that such portion of the Lessee Renovation Work can be properly used even though the Lessee Renovation Work has not been completed and that the Lessee desires such use. The Port Authority may in its sole discretion deliver a certificate to the Lessee with respect to each such portion of the Lessee Renovation Work permitting the Lessee to use such portion thereof for the purposes set forth in the Lease. In such event the Lessee may use such portion subject to the condition that all risks thereafter with respect to the construction and installation of the same and any liability therefor for negligence or other reason shall be borne by the Lessee, and subject to the risks as set forth in paragraph (d) hereof in the event that the Port Authority shall not have then approved the complete plans and specifications for the Lessee Renovation Work. Moreover, at any time prior to the issuance of the certificate required in subparagraph (1) above for the Lessee Renovation Work, the Lessee shall promptly upon receipt of a written notice from the Port Authority cease its use of such portion of the Lessee Renovation Work which it had been using pursuant to permission granted in this subparagraph (3).

Section 3. Term

(a) The term of the letting under this Agreement shall commence on August 1, 1998 (which date is herein called "the Commencement Date") and, unless sooner terminated, shall expire on July 31, 2008.

(b) If the Port Authority shall not give possession of the premises on the Commencement Date set forth in paragraph (a) hereof by reason of the failure or refusal of any occupant thereof to deliver possession thereof to the Port Authority or by reason of any other cause or condition, or any cause or condition beyond the control of the Port Authority, the Port Authority shall not be subject to any liability for the failure to give possession on said Date. No such failure to give possession on the Commencement Date hereinabove specified shall in any wise affect the validity of this Agreement or the obligations of the Lessee hereunder, nor shall the same be construed in any wise to extend the term beyond the expiration date stated in paragraph (a) hereof. Tender shall be made by notice given at least five (5) days prior to the effective date of the tender.

(c) The Lessee shall have one (1) option to extend the term of the letting hereunder for one (1) additional period commencing on August 1, 2008 and expiring on December 30, 2015; at the rentals pursuant to and as provided for in Section 4 hereof, except that the provisions of this Lease covering Basic Rental Credits shall not obtain or apply during the extended term of the letting; and provided that the Lessee shall have no further option to extend the term of the letting hereunder; and provided, further, that said single option shall be further subject to and conditioned upon the following:

(1) With respect to exercise of the said option the Lessee shall give the Port Authority written notice of the Lessee's intention to extend the term of this Lease; such notice to be given by the Lessee to the Port Authority not later than December 31, 2007;

(2) At both the date of the receipt of the Lessee's notice to the Port Authority and the commencement date of the extension period:

(i) The Lessee shall be in possession of the premises under this Agreement;

(ii) The Lessee shall not be under notice of termination from the Port Authority;

(iii) The Lessee shall not be in default in the performance of any of the terms, covenants, conditions and agreements contained herein to be observed, performed or fulfilled by the Lessee.

Section 4. Rentals

I. Basic Rentals

(a) The Lessee agrees to pay to the Port Authority an annual Basic Rental for the premises in the amount of Three Hundred Sixty Thousand Dollars and No Cents (\$360,000.00) per annum, subject to the Basic Rental Credits as provided in paragraph (c) below, and also subject to the annual CPI escalations as provided in paragraph (d) below. Said annual Basic Rental shall be payable by the Lessee in advance in equal monthly installments commencing on the Commencement Date and on the first day of each and every calendar month thereafter until the expiration of the term of the letting, and including each and every year during the extended term of the letting in the event of the exercise by the Lessee of its option to extend the term of the letting under Section 3 (c) hereof; provided, however, that the payment of the monthly installments of the Basic Rental for the seven (7) months occurring during the portion of the term from the Commencement Date to and including the month of February, 1999 shall be deferred and shall be paid by the Lessee on the first day of March 1999, together with the regular monthly installment payable for the said month of March.

(b) If any installment of Basic Rental payable hereunder shall be for less than a full calendar month, then the rental payment for the portion of the month for which said payment is due shall be the monthly installment prorated on a daily basis using the actual number of days in the said month.

(c) Basic Rental Credits

(1) For purposes of this Subdivision I of this Section 4 the following terms shall have the following meanings:

(i) "Lessee's Cost of the Lessee Renovation Work" shall mean the sum of the following actually paid or incurred by the Lessee to the extent that the inclusion of the same is permitted by generally accepted accounting principles consistently applied:

(aa) amounts actually paid and costs actually incurred by the Lessee to independent contractors for work actually performed and labor and materials actually furnished in connection with the Lessee Renovation Work during the portion of the term of the letting hereunder from the Commencement Date to and including July 31, 2000;

(bb) amounts actually paid and costs actually incurred by the Lessee during the portion of the term of the letting hereunder from the Commencement Date to and including

July 31, 2000 in connection with the Lessee Renovation Work for engineering, architectural, professional and consulting services and supervision of construction provided, however, that payments under this item (bb) shall not exceed ten percent (10%) of the amounts paid under item (aa) above.

Additionally, the Lessee's Cost of the Lessee Renovation Work shall include only that work performed by the Lessee in accordance with all the terms and provisions of this Lease and the Alteration Application(s) (including the final plans and specifications forming a part thereof) as approved by the Port Authority; and the Lessee's Cost of the Lessee Renovation Work shall in no event include any amounts paid or incurred for or in connection with any trade fixtures or other personal property of the Lessee.

The sum of the costs approved under item (bb) of this subparagraph shall not exceed ten percent (10%) of the sum of the costs under item (aa) if in fact there is any such excess, such excess shall not be a part of the cost incurred by the Lessee in the performance of the Lessee's Lessee Renovation Work for the purposes of this Section. No payment or payments on account of administrative or other overhead costs shall be included in the Lessee's Cost of the Lessee Renovation Work in excess of the amount set forth in item (bb) above whether or not allocated to the Lessee's Cost of the Lessee Renovation Work by the Lessee's own accounting practices.

(iii) "Basic Rental Credit Total Maximum Amount" shall mean the amount of the Lessee's Cost of the Lessee Renovation Work provided, however, that the said amount shall be limited to, and shall not exceed a maximum amount of One Million Dollars and No Cents (\$1,000,000.00); and in the event of an occurrence of a Basic Rental Credit Recalculation Event, said amount shall not exceed the lesser of (A) \$1,000,000.00 or (B) a maximum amount equal to the product resulting from multiplying (x) \$100,000.00 times (y) the number of "Lease Years" (not to exceed ten (10)) during the period from the Commencement Date to the date of the occurrence of the Basic Rental Credit Recalculation Event; and for purposes of the foregoing calculation a "Lease Year" shall mean each period of twelve consecutive months beginning on the first day of August of each calendar year during the term of this Lease, provided that the number to be used for the Lease Year in which the Basic Rental Credit Recalculation Event occurs shall be pro rated by dividing the actual number of months between the date of the occurrence of the Basic Rental Credit Recalculation Event and the immediately preceding August 1 by twelve (12). The foregoing, however, is expressly subject to the condition that said Lessee's Cost of the Lessee Renovation Work has been evidenced by one or more Lessee's Cost Certifications (as defined below) delivered to the Port Authority on or before August 15, 2000 in accordance with and pursuant to paragraph 2 of this Subdivision I.

(iv) "Basic Rental Credit Annual Maximum Amount" shall mean

(aa) with respect to the twelve-month period commencing on the Commencement Date and expiring on July 31, 1999 shall mean the amount of the Lessee's Cost of the Lessee Renovation Work provided, however, that the said annual amount shall be limited to, and shall not exceed, (A) a maximum amount of Three Hundred Sixty Thousand Dollars and No Cents (\$360,000.00) or (B) upon the occurrence of a Basic Rental Credit Recalculation Event, a maximum amount of One Hundred Thousand Dollars and No Cents (\$100,000.00); and provided, further, however, that said Lessee's Cost of the Lessee Renovation Work has been evidenced by one or more Lessee's Cost Certifications (as defined below) delivered to the Port Authority on or before August 15, 1999 in accordance with and pursuant to paragraph 2 of this Subdivision I.

(bb) with respect to each of the following four (4) twelve-month periods occurring during the term of the letting hereunder: the period commencing on August 1, 1999 and expiring on July 31, 2000, the period commencing on August 1, 2000 and expiring on July 31, 2001, the period commencing on August 1, 2001 and expiring on July 31, 2002, and the period commencing on August 1, 2002 and expiring on July 31, 2003, the amount resulting from (A) subtracting from the Basic Rental Credit Total Maximum Amount the sum of all Basic Rental Credits allowed by the Port Authority for the twelve month period from the Commencement Date to July 31, 1999, and (B) dividing said difference by four (4). It is understood, however, that upon the occurrence of a Basic Rental Credit Recalculation Event, the Basic Rental Annual Credit Maximum Amount for each of the aforesaid annual period shall be determined using the maximum amounts set forth in the foregoing clauses (iii) (B) and (iv) (aa) (B).

(cc) It is further understood, however, that in no event shall any Basic Rental Credit Annual Maximum Amount exceed the annual rate of the Basic Rental or result in the obligation or liability of the Port Authority to pay to the Lessee any portion of the Lessee's Cost of the Lessee Renovation Work or any other amount.

(v) "Basic Rental Credit Recalculation Event" shall mean any of the events of default listed in the Section 26 of this Lease entitled "Termination by the Port Authority" and also including any other event under this Lease the occurrence of which gives the Port Authority the right to terminate this Lease and the letting hereunder, where such event remains uncured after the expiration of the applicable cure period called for in this Lease; provided, however that no there shall be no Basic Rental Credit Recalculation Event, for purposes of Basic Rental Credit Recalculation, subsequent to July 31, 2008 (the expiration date of the initial term of the letting hereunder).

(2) During the portion of the term hereunder commencing on the Commencement Date and ending on July 31, 2003, the Port Authority agrees that it will allow credits against the annual Basic Rental payable by the Lessee during said portion of the term subject to the Basic Rental Credit Total Maximum Amount, the Basic Rental Credit Annual Maximum Amounts, and the Basic Rental Credit Recalculation, and in accordance with and subject to the following:

(i) The Lessee shall at the times specified herein during the performance of the Lessee Renovation Work deliver to the Port Authority certificates wherein the Lessee certifies to the Port Authority the Lessee's Cost of the Lessee Renovation Work and which shall be signed by a responsible fiscal officer of the Lessee, sworn to before a notary public and shall contain and have attached thereto all of the certifications and other documentation and items required to be attached thereto as described in this Section (each such certificate being hereinafter referred to as a "Cost Certification"). The Lessee shall deliver a Cost Certification at each of the following dates and covering the specified periods: (1) On January 15, 1999: covering the period from the Commencement Date through December 31, 1998; (2) On April 15, 1999: covering the period from January 1, 1999 through March 31, 1999; (3) On August 15, 1999: covering the period from April 1, 1999 through July 31, 1999; (4) On January 15, 2000: covering the period from August 1, 1999 through December 31, 1999; (5) On April 15, 2000: covering the period from January 1, 2000 through March 31, 2000; and (6) On August 15, 2000: covering the period from April 1, 1999 through July 31, 2000; provided, however, that after the Lessee's Cost of the Lessee Renovation Work equals One Million Dollars and No Cents as evidenced by one or more of the foregoing Cost Certifications, the Lessee shall not be obligated to deliver any further Cost Certifications for purposes of the Basic Rental Credits provisions of this Section 4.

(ii) Each such Cost Certification shall contain the Lessee's certification as to each of the amounts, payments and expenses and costs contained therein and that the same constitute portions of the Lessee's Cost of the Lessee Renovation Work in accordance with and as described and defined in paragraph (1) (i) above. Each such Cost Certification shall also have attached thereto reproduction copies or duplicate originals of the invoices of the independent contractors of the Lessee and for such invoices an acknowledgment by the said independent contractors of the receipt by them of such amounts and payments; contain the Lessee's certification that the work has been accomplished and that the amounts have been paid by the Lessee; set forth the total cumulative payments made by the Lessee as aforesaid from the commencement of the Lessee Renovation Work to the date of the Cost Certification; contain a certification by the Lessee that each portion of the Lessee Renovation Work covered by said Cost Certification has been performed strictly in accordance with the terms of this Agreement and the Alteration Application(s); have attached thereto accurate, readable and complete copies of all change estimates, change orders, extra work authorizations, design change authorizations, purchase orders in connection with the Lessee Renovation Work; have attached thereto true copies of any and all reports and schedules of any type submitted or kept, or required to be submitted or kept, by the Lessee or any contractor, architect, engineer or other consultant of the

Lessee.

(iii) Each Cost Certification shall also contain such further information and documentation with respect to the Cost of the Lessee Renovation Work as the Port Authority from time to time may require.

(iv) Within thirty (30) days after the delivery to the Port Authority of a Cost Certification duly submitted by the Lessee in accordance with the foregoing, the Port Authority, during the portion of the term of the letting hereunder from the Commencement Date to July 31, 2003, agrees to credit against the annual Basic Rental during said portion of the term the actual amounts paid by the Lessee for the Cost of the Lessee Renovation Work during the period covered by such Cost Certification, as certified in such Cost Certification (but only to the extent that such amounts or any portion thereof have not theretofore been included in a prior Cost Certification) subject to the Basic Rental Credit Total Maximum Amount and the Basic Rental Credit Annual Maximum Amounts ("Basic Rental Credit"), and subject, further, however, to the Basic Rental Credit Recalculation.

It is understood that at the election of the Port Authority no Basic Rental Credit will be made if the Port Authority's inspection or audit does not substantiate the contents of any of said Cost Certifications and until such matters have been resolved to the satisfaction of the Port Authority, but the Port Authority shall have no obligation to conduct any such inspection or audit at such time.

(v) The Lessee shall set forth in its final Cost Certification its final statement of the Lessee's Cost of the Lessee Renovation Work and shall mark such final Cost Certification as "Final". After submitting said final Cost Certification, the Lessee shall submit no further Cost Certification hereunder with respect to the Lessee's Cost of the Lessee's Renovation Work.

(vi) Notwithstanding anything to the contrary above, no Basic Rental Credit by the Port Authority shall constitute any waiver of claims or release by the Port Authority against the Lessee or any of its contractors, subcontractors, architects or others, nor any waiver of the Port Authority's rights of audit and inspection, nor any waiver of any other rights or remedies, legal or equitable, of the Port Authority.

(vii) The entire obligation of the Port Authority under this Agreement to allow Basic Rental Credits to the Lessee for the Lessee's Cost of the Lessee Renovation Work shall be limited in amount to the Basic Rental Credit Total Maximum Amount, provided, however, that such obligation shall be further limited in time to Lessee Renovation Work performed during the portion of the term hereunder from the Commencement Date to July 31, 2000 covered by Cost Certifications of the Lessee in accordance with paragraph (2) above properly submitted by the Lessee in accordance with and under said paragraph (2) on or prior to August 15, 2000.

(viii) The Port Authority shall have the right by its agents, employees and representatives to audit and inspect during regular business hours after the submission of the final Cost Certification called for in subparagraph (v) hereof, the books and records and other data of the Lessee relating to the Lessee's Cost of the Lessee Renovation Work, as aforesaid; it being specifically understood that the Port Authority shall not be bound by any prior audit or inspection conducted by it. The Lessee agrees to keep such books, records and other data within the Port of New York District, but the Lessee shall not be required to maintain any such books, records and other data for more than eight (8) years after it has delivered the final Cost Certification called for under paragraph (e) above.

(3) Basic Rental Credit Recalculation :

Upon the occurrence of any Basic Rental Credit Recalculation Event, the Basic Rental Credits allowed by the Port Authority under subparagraphs (1) and (2) of this paragraph (c) shall be deemed decreased and recalculated in accordance with the following: the total amount of the Basic Rental Credits previously allowed in each twelve month period occurring during the portion of the term of the letting hereunder from the Commencement Date to July 31, 2003 shall be divided by ten (10), and the resulting quotient shall be the "Basic Rental Credit Recalculated Annual Amount". The Basic Rental Credit Recalculated Annual Amount shall be subtracted from the amount of Basic Rental Credits previously allowed by the Port Authority during each such twelve-month period occurring during the aforesaid portion of the term of the letting hereunder and the cumulative amounts of the resulting difference in each case shall be deemed payable by the Lessee as part of the annual Basic Rental for the applicable twelve-month period. The amounts of the payment resulting from the foregoing shall be deemed payable by the Lessee as Basic Rental for said portions of the term of the letting and shall be paid by the Lessee to the Port Authority upon demand. In the event the Basic Rental Credit Recalculation Event occurs between August 1, 2003 and July 31, 2008, the Basic Rental Credit Recalculated Annual Amount attributable to each twelve month period during the portion of the term beginning with the twelve month period which commences on August 1, 2003 through the date of the occurrence of the Basic Rental Credit Recalculation Event shall be deducted from the foregoing amounts; provided, however, that with respect to the period in which the date of the Basic Rental Credit Recalculation Event occurs, the amount so to be deducted shall be pro rated by dividing the actual number of months occurring between the date of the occurrence of the Basic Rental Credit Recalculation Event and the immediately preceding August 1 by twelve (12).

It is understood and agreed that the foregoing shall not, and shall not be deemed to, limit, alter, impair, waive or diminish any right, remedy or claim of the Port Authority with respect to the termination of the Lease and the letting hereunder in the event of any default or breach by the Lessee or with respect to the damages or other relief available to the Port Authority under Section 30 hereof or any other section of the Lease, or pursuant to law, equity or otherwise.

(4) There shall not be any credits applied to the Basic Rental other than in accordance with the foregoing and said credits shall not be applied to the Basic Rental for any portion of the term occurring after the portion of the term which ends on July 31, 2003, and said credits shall not in any event apply during the option term referred to in Section 3 (c) hereof. No Basic Rental Credit shall be allowed for any period occurring after the effective date of the termination or ending of this Lease. There shall not be any Basic Rental Credits applied to the Percentage Rental.

(5) In no event shall any Basic Rental Credit Annual Maximum Amount exceed the annual rate of the Basic Rental. Further, in no event shall the application of any of the foregoing provisions or of any Basic Rental Credit Annual Amount or the Basic Rental Credit Recalculated Annual Amount result in the obligation or liability of the Port Authority to pay to the Lessee any portion of the Lessee's Cost of the Lessee Renovation Work or any other amounts, and the Port Authority shall have no such obligation or liability whatsoever.

(d) Annual CPI Escalations of the annual Basic Rental:

The following terms as used in this Section 3 shall have the respective meanings given below:

(i) "CPI" or "Consumer Price Index" shall mean the Consumer Price Index for all Urban Consumers, New York-Northern New Jersey, Long Island, NY- NJ-CT, (All Items unadjusted 1982-84=100) published by the Bureau of Labor Statistics of the United States Department of Labor.

(ii) The Port Authority shall ascertain the CPI for the month of May, 1998 and the CPI for the same calendar month (May) in each year thereafter during the term of this Agreement, in each case after the said CPI has been published, and the Port Authority shall also determine the annual percentage increase, if any, for each such twelve month period (from May to May) after the same has been published; provided, however, that for purposes determining each of the annual escalations hereunder of the Basic Rental each such annual percentage increase shall not exceed Three Per Cent (3%) ("the annual CPI percentage increase").

(iii) Effective on August 1, 1999 the annual Basic Rental set forth in paragraph (a) above shall be increased as follows: the annual Basic Rental rate as set forth in said paragraph (a) shall be multiplied by a percentage composed of the annual CPI percentage increase, if any, for the twelve month period from May 1998 to May 1999 plus 100%; and the product so obtained shall be and become the annual Basic Rental in effect for the annual (twelve month) period ending on the last day of the next following month of July.

(iv) Effective on August 1, 2000 and thereafter on the first day of the month of August in each succeeding year of the term of the letting the Basic Rental set forth in paragraph

(a) above shall be increased as follows: the annual Basic Rental rate as set forth in said paragraph (a) as the same may have been last increased hereunder, shall be multiplied by a percentage composed of the annual CPI percentage increase, if any, for the latest twelve month period from May to May plus 100%; and the product so obtained shall be and become the annual Basic Rental in effect for the annual (twelve month) period ending on the last day of the next following month of August.

(v) In the event the Consumer Price Index for the calendar month to be used in determining such increase of the Basic Rental is not available as of the effective date of the said increase, the Lessee shall continue to pay the Basic Rental at the rate then in effect subject to retroactive adjustment and a lump sum payment of any deficiency so determined at such time as the Index for said calendar month becomes available. In the event that the Consumer Price Index is not available for any specified month as hereinabove set forth within the time set forth for payment such index for the latest month then published shall be used to constitute the Consumer Price Index. In the event of the change of basis or the discontinuance of the publication by the United States Department of Labor of the Consumer Price Index such other appropriate index or indexes shall be substituted as may be agreed by the parties hereto as properly reflecting changes in the value of the current United States money in a manner similar to that established in the said indexes used in the latest adjustment. In the event of the failure of the parties to so agree, the Port Authority may select and use such index or indexes which have reasonably mirrored the Consumer Price Index for the preceding five years as it deems appropriate, provided, however, that the foregoing shall not preclude the Lessee from contesting the Port Authority's selection.

(vi) In no event shall any annual rate of any Basic Rental established under this paragraph (c) be less than the annual rate of the Basic Rental it supersedes.

II. Percentage Rental

(a) The Lessee shall and hereby agrees to also pay to the Port Authority a further rental ("Percentage Rental") equal to Eight Per Cent (8%) of Gross Receipts of the Lessee arising during each calendar month of the term of the letting hereunder, the computation for each such month or portion thereof not to have any relation to any other month or portion thereof and without any exemption amount being taken into account.

(b) The term "Gross Receipts" as used in this Agreement shall include all monies, revenues, receipts and income of every kind paid or payable to the Lessee for, and if and to the extent full fair market value is not charged or payable, then to the extent of the fair market value of, sales made and for services rendered at or from the premises, regardless of when or where the order therefor is received or wherever at the Airport the sales are made or the services are rendered, and outside the Airport, if the order therefor is received at the Airport, and shall also include any other revenues of any type arising out of or in connection with the Lessee's operations and activities at the Airport; provided, however, that there shall be excluded from

Gross Receipts of the Lessee the following: (x) any sales taxes imposed by law on such transactions which are separately stated to and paid by the customer of the Lessee and directly remitted by the Lessee to the taxing authority, and (y) monies paid or payable to the Lessee for Non-Airport Meals as defined in Section 5 (a) (3) hereof.

Without limiting in any way the generality of the provisions of this Section 4 or any other provision of this Lease, it is hereby understood and agreed that there shall be deemed included in Gross Receipts any and all amounts paid or payable to the Lessee by any aircraft operator or other party for In-Flight Meals or portions thereof sold or delivered to an aircraft operator at the Airport notwithstanding that such amounts are paid or payable by the Lessee to another party or parties who are not permittees or lessees of the Port Authority on behalf of said aircraft operator or other party, whether in the form of a "pass-through arrangement" or any other arrangement. It is further expressly understood and agreed that neither the foregoing nor anything contained in this Lease shall or shall be deemed to constitute any concession or agreement by the Port Authority that any arrangement between the Lessee and any party involving a "pass-through arrangement" or any other arrangement has been consented to or agreed to by the Port Authority.

Notwithstanding that the Percentage Rental hereunder is measured by a percentage of the Lessee's Gross Receipts, no partnership relationship between the parties hereto or joint adventure is created hereby.

(c) Without limiting the requirement for Port Authority approval, if the Lessee conducts any service, operation or any other permitted use under this Agreement through the use of a contractor which is not a Port Authority permittee and where payments for any of the foregoing are made to such contractor rather than to the Lessee, said payments shall be deemed monies, revenues, receipts and income paid or payable to the Lessee for purposes of determining the Lessee's Gross Receipts; provided, however, that the foregoing shall not grant or be deemed to grant any right or permission to the Lessee to use an independent contractor to perform any such service, operation or any other permitted use under this Agreement or the doing of anything hereunder by an independent contractor.

(d) The Lessee shall pay the Percentage Rental as follows:

On the 20th day of the first month following the Commencement Date and on the 20th day of each and every month thereafter during the term of the letting hereunder and within twenty (20) days after the expiration or sooner termination of the term of the letting hereunder, the Lessee shall submit to the Port Authority a statement sworn to by a responsible executive or fiscal officer of the Lessee showing all of its Gross Receipts of the preceding month. Each of such statements shall also show the Lessee's cumulative Gross Receipts from the Commencement Date (or the most recent anniversary thereof) through the last day of the preceding month. At the same time it renders each of such statements, the Lessee shall pay to the

Port Authority the Percentage Rental due with respect thereto. In addition to the foregoing, on the 20th day of the first month following each anniversary of the Commencement Date the Lessee shall submit to the Port Authority a sworn statement certified by a responsible fiscal or executive officer of the Lessee setting forth the cumulative totals of such Gross Receipts for the entire preceding twelve-month period. Upon request of the Port Authority at any time and from time to time, such statements shall be certified by an independent certified public accountant at the Lessee's expense.

(e) Upon any termination of the letting hereunder (even if stated to have the same effect as expiration), the Lessee shall, within twenty (20) days after the effective date of such termination, make a payment of the Percentage Rental as follows:

First, without limiting the above, the Lessee shall within twenty (20) days after the effective date of termination, render to the Port Authority a sworn statement of all Gross Receipts during the period from the last preceding anniversary of the Commencement Date up to the date of termination.

Second, the Lessee shall at the same time pay to the Port Authority the payment then due on account of all Percentage Rental during the period from the last preceding anniversary of the Commencement Date up to the date of termination.

(f) Nothing hereinabove provided shall affect the survival of obligations of the Lessee as set forth in Section 26 of this Agreement.

III. Abatement

In the event that the Lessee shall at any time by the provisions of this Agreement become entitled to an abatement of Basic Rental, then said abatement shall be computed at the following daily rates for each square foot of the premises the use of which is denied to the Lessee (it being understood that there shall be no abatement of Basic Rental for any portion of the premises or for any portion of the term except as specifically provided herein):

(1) for each square foot of the enclosed building space at the daily rate of \$0.01978.

(2) for each square foot of land shown in stipple on Exhibit A (including that of the footprint of any building or structure thereon) at the daily rate of \$0.0009424.

The aforesaid abatement rates shall be appropriately adjusted to reflect the annual CPI escalations pursuant to paragraph (d) of Subdivision I above.

(3) For the purposes of abatement under this Section 3, the measurement of floor space in enclosed areas of the premises shall be computed (i) from the inside plaster or other surface of the outer walls of the structure of which the premises are a part; (ii) from the outer surface of walls or partitions separating the enclosed areas from public areas; (iii) from the center of walls or partitions separating the enclosed areas and other areas exclusively occupied; no deduction will be made for columns, partitions, pilasters or projections. Permanent vents, pipe shafts, meter closets, flues, stacks and any vertical shafts have the same relation to the space measured as do outer building walls.

Section 5. Use of Premises

(a) The Lessee, in accordance with all of the terms, provisions, covenants and conditions of this Lease hereby agrees to and shall use the premises only for the following purposes and for activities reasonably required for such purposes and for no other purpose or purposes or activities whatsoever:

(1) For the preparation, sale and delivery of In-Flight Meals, as defined herein, or portions thereof, to aircraft operators operating at LaGuardia Airport for consumption or use aboard aircraft of said aircraft operators, and for the storage of food, commissary supplies and other In-Flight Meal items and accessories in connection therewith;

(2) For administrative and clerical offices of the Lessee in connection with the permitted operations of the Lessee hereunder;

(3) For the preparation by the Lessee of meals which are not In-Flight Meals and which are prepared by the Lessee for consumption by others, in ground areas outside of the Airport, who are not and shall not be (i) aircraft operators, (ii) persons or entities who conduct operations or activities at the Airport or any other airport, or (iii) persons or entities who conduct operations or activities that are related to the Airport or any other airport ("Non-Airport Meals"); on the express condition that the said use of the premises under this subparagraph (3) is and shall at all times be incidental to the purposes and activities described in the foregoing subparagraph (1) and is and shall at all times be performed only as long as the Lessee actually conducts as its primary activities on the premises the activities described in subparagraph (1) above.

(4) For any other purpose or activity, in addition to those specified in this Section for which the premises are expressly authorized to be used by any other provision of this Lease, if at all.

(b) The parties acknowledge and agree that the term "In-Flight Meals" as used in the industry and in this Lease is a word of art and includes food, beverages, snacks, non-reusable

supplies, materials and dry goods for consumption or use aboard aircraft by passengers and crew, and any services rendered in connection therewith, including without limitation, supply, preparation or assembly.

Section 6. Obligations in Connection with the Conduct of the Lessee's Business--Books and Records

The Lessee shall:

(a) Use its best efforts in every proper manner to develop and increase the business conducted by it hereunder and shall not divert or cause or allow to be diverted any business from the Airport.

(b) Maintain, in accordance with accepted accounting practice, during the term of this Lease, for one (1) year after the expiration or earlier termination thereof, and for a further period extending until the Lessee shall receive written permission from the Port Authority to do otherwise, records and books of account recording all transactions of the Lessee at, through, or in any wise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District and which records and books of account shall show: (i) the basis and all supporting documents for each and every statement required to be furnished under this Agreement by the Lessee, (ii) the revenues of whatever kind or nature from such operations, (iii) all revenues received by the Lessee, including without limitation those from its customers, sublessees, patrons, invitees and all others using the premises, whether in the form of rental payments or otherwise, and (iv) such other information as the Port Authority may request from time to time.

(c) Permit in ordinary business hours during the term of this Agreement and for one year thereafter, the examination and audit by the officers, employees and representatives of the Port Authority of such records and books of account and also any records and books of account of any company which is owned or controlled by the Lessee, or which owns or controls the Lessee, if said company performs services similar to those performed by the Lessee anywhere in the Port of New York District.

(d) Permit the inspection by the officers, employees and representatives of the Port Authority, at any time and as often as it may consider necessary, of any equipment used by the Lessee, including but not limited to cash registers, and of any services being rendered and/or merchandise being sold or held for sale by the Lessee, and upon the request of the Port Authority, the Lessee shall demonstrate any activity being carried on by the Lessee hereunder.

(e) Install and use such cash registers, sales slips, invoicing machines and any other equipment or devices for recording orders taken, or services rendered as may be

appropriate to the Lessee's business and necessary or desirable to keep accurate records of Gross Receipts .

Section 7. Relationship of the Parties

This Agreement does not constitute the Lessee as the agent or representative of the Port Authority for any purpose whatsoever. Neither a partnership nor any joint adventure is hereby created, notwithstanding the fact that certain payments to the Port Authority pursuant to Section 4 hereof may be determined on the basis of a percentage of Gross Receipts.

Section 8. Compliance with Governmental Requirements

(a) The Lessee shall promptly comply with, observe and execute all laws and ordinances and governmental rules, regulations and orders now or at any time during the term of this Lease which as a matter of law are applicable to or which affect (i) the premises, (ii) the operations of the Lessee at the premises hereunder or the Airport, (iii) the occupancy or use of the premises or (iv) with regard to Environmental Requirements only, property outside the premises as a result of the Lessee's use and occupancy of the premises or a migration of Hazardous Substances from the premises. The Lessee shall, in accordance with and subject to the provisions of Section 39 hereof, make any and all structural and non-structural improvements, alterations or repairs of the premises and perform all remediation work and clean up of Hazardous Substances required in order to fully satisfy the compliance obligations set forth herein.

(b) The Lessee shall procure from all governmental authorities having jurisdiction over the operations of the Lessee hereunder and shall maintain in full force and effect throughout the term of this Agreement all licenses, certificates, permits or other authorization which may be necessary for the conduct of such operations. "Governmental authority" shall not be construed as intending to include The Port Authority of New York and New Jersey, the lessor under this Agreement.

(c) The obligation of the Lessee to comply with governmental requirements with respect to the premises is provided herein for the purpose of assuring proper safeguards for the protection of persons and property on the premises. Such provision is not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

(d) The Lessee shall pay all license, certification, permit and examination fees, duties, excises, taxes and all other governmental charges of every character, present and future, which may be assessed, levied, exacted or imposed on the Lessee's property, operations or occupancy hereunder or on any property whatsoever which may be received at the premises or on the gross receipts, rental or income therefrom including any penalties or interest thereon and any taxes on personal property which may be assessed, levied, exacted, or imposed, and the Lessee shall make

all applications and reports required in connection therewith. If any bond or other undertaking shall be required by any governmental authority in connection with any of the operations of the Lessee or any property received or exhibited by the Lessee at the premises, the Lessee shall furnish the same and pay all expenses in connection therewith. The Lessee shall also pay any and all corporate franchise and excise and other taxes, fees and other charges assessed, levied or imposed on the Lessee in respect of its corporate existence or its right to do business. No alleged or purported immunity or exemption from any taxes or fees described in this paragraph available to the Port Authority shall be grounds for or excuse non-payment thereof by the Lessee.

(e) The Lessee shall pay any and all real estate taxes or any other tax, assessment, levy, fee or charge, general or special, ordinary or extraordinary, foreseen or unforeseen, of whatever nature or kind which during the term of the letting hereunder may be levied, assessed, imposed or charged by any taxing or other governmental authority upon the premises or upon occupancy of the premises or any structure or improvement erected or made thereon or any appurtenances or any facilities of the premises or upon the leasehold estate hereby created, or with respect to the rentals or Lessee's income therefrom in lieu of any tax, assessment, levy or charge which would otherwise be a real estate tax, assessment, levy or charge. The Lessee's obligation hereunder shall include any such as are levied, assessed, imposed or charged upon the Port Authority and any payments made by the Port Authority to the taxing authority, by agreement or otherwise, in lieu of any tax, assessment, levy or charge. If any such tax, assessment, levy or charge, or payment in lieu thereof, is paid directly by the Port Authority, the Lessee shall pay the Port Authority therefor. If the taxing or governmental body imposing the tax or charge referred to herein does not segregate the amount thereof attributable to the premises from the balance of the Airport then the Port Authority shall allocate the same equitably on the basis of a proportion between the total number of square feet in the Airport subject to such taxes and the total number of square feet in the premises. The Lessee shall pay the allocable portion thereof as directed by the Port Authority either to the Port Authority or to the taxing or governmental body. The Lessee shall file all applications and furnish all information required in connection therewith and shall pay any penalties or interest thereon other than on amounts directly payable by the Port Authority as to which the Lessee has made prompt and timely payments to the Port Authority as required hereunder. The provisions of this paragraph (e) are included herein solely to set forth certain responsibilities as between the Lessee and the Port Authority and are not to be construed as a submission by the Port Authority to the imposition of any tax, assessment, levy, fee or charge aforesaid described or otherwise.

(f) Since the Port Authority has agreed in the Basic Lease to conform to the enactments, ordinances, resolutions and regulations of the City of New York and its various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection which would be applicable if the Port Authority were a private corporation to the extent that the Port Authority finds it practicable so to do, the Lessee shall comply with all such enactments, ordinances, resolutions and regulations which would be applicable to its operations hereunder if the Port Authority were a private corporation, except in

cases where the Port Authority either notifies the Lessee that it need not comply with or directs it not to comply with any such enactments, ordinances, resolutions or regulations which are applicable only because of the Port Authority's agreement in the Basic Lease. The Lessee shall, for the Port Authority's information, deliver to the Port Authority promptly after receipt of any notice, warning, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation a true copy of the same. Any direction by the Port Authority to the Lessee not to comply with any such enactment, ordinance, resolution or regulation shall be given only pursuant to a resolution duly adopted by the Board of Commissioners of the Port Authority or by an authorized committee of its Board and if any such direction is given by the Port Authority to the Lessee, the Port Authority, to the extent that it may lawfully do so, shall indemnify and hold the Lessee harmless from and against all claims, actions, damages, liabilities, fines, penalties, costs and expenses suffered or incurred by the Lessee as a result of non-compliance with such enactment, ordinance, resolution or regulation.

(g) In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Lessee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Lessee of a written direction from the Port Authority not to comply (and thereafter discontinued), without limiting any of the foregoing provisions such compliance shall not constitute a breach of this Agreement, although the Port Authority thereafter directs the Lessee not to comply. Nothing herein contained shall release or discharge the Lessee from compliance with any other provision hereof respecting governmental requirements.

(h) The Lessee shall have such time within which to comply with the aforesaid laws, ordinances, rules and regulations as the authorities enforcing the same shall allow.

Section 9. Rules and Regulations

(a) The Lessee covenants and agrees to observe and obey (and to require its officers, employees, guests, and invitees and those doing business with it to observe and obey) the existing Rules and Regulations of the Port Authority and such reasonable future Rules and Regulations and amendments and supplements to existing Rules and Regulations for the government of the conduct and operations of the Lessee and others on the premises as may from time to time during the letting be promulgated by the Port Authority for reasons of safety, health, sanitation or good order. The obligation of the Lessee to require such observance and obedience on the part of its guests, invitees and business visitors shall obtain only while such persons are on the premises. The Port Authority agrees that except in cases of emergency, it will give notice to the Lessee of every such future rule or regulation adopted by it at least five (5) days before the Lessee shall be required to comply therewith.

(b) If a copy of the Rules and Regulations is not attached, then the Port Authority will notify the Lessee thereof either by delivery of a copy, or by making a copy available at the office

of the Secretary of the Port Authority.

Section 10. Federal Airport Aid

The Port Authority has applied for and received a grant or grants of money from the Administrator of the Federal Aviation Administration pursuant to the Airport and Airways Development Act of 1970, as the same has been amended and supplemented or superseded by similar federal legislation, and under prior federal statutes which said Act superseded and the Port Authority may in the future apply for and receive further such grants. In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. The performance by the Lessee of the covenants and obligations contained in this Lease is therefore a special consideration and inducement to the making of this Agreement by the Port Authority, and the Lessee further covenants and agrees that if the Administrator of the Federal Aviation Administration or any other governmental officer or body having jurisdiction over the enforcement of the obligations of the Port Authority in connection with Federal Airport Aid shall make any orders, recommendations or suggestions respecting the performance by the Lessee of its covenants and obligations under this Agreement, the Lessee will promptly comply therewith at the time or times, when and to the extent that the Port Authority may direct.

Section 11. Method of Operation

Without limiting any term or provision of this Agreement:

(a) The Lessee hereby agrees: (i) that it will conduct a first class operation and will furnish all necessary or proper fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and facilities, (ii) that it will furnish such services promptly, efficiently and adequately to meet all demands therefor at the Airport that are within its capacity, (iii) that it will furnish such services on a fair, equal and non-discriminatory basis to all users thereof, and at charges which are fair, reasonable and non-discriminatory. As used in the foregoing, "service" shall include the furnishing of materials and supplies (including the sales thereof).

(b) The Lessee covenants and agrees that it will not enter into any agreement or understanding, whether or not binding, with any person, firm, association, corporation or other entity, which will have the effect of fixing rates, of lessening or preventing competition, or of creating or tending to create a monopoly, at the Airport, relating to the services, products, or articles furnished or sold by the Lessee.

Section 12. Sales and Services

In connection with the operations authorized by Section 5 hereof the Lessee shall comply with the following:

- (1) Its employees shall wear clean uniforms and female employees shall wear caps or nets. The employees shall be clean in their habits and shall thoroughly wash their hands before beginning work and immediately after each visit to the toilet and shall keep them clean during the entire work period. No person known by the Lessee to be affected with any disease in a communicable form or to be a carrier of such disease shall work or be permitted to work for the Lessee.
- (2) All food and beverages shall be clean, free, pure, of first class quality and safe for human consumption.
- (3) The premises and all equipment and materials used by the Lessee shall at all times be clean, sanitary, and free from rubbish, refuse, dust, dirt, offensive or unclean material, flies and other insects, rodents and vermin. All apparatus, utensils, devices, machines and piping used by the Lessee shall be constructed so as to facilitate the cleaning and inspection thereof and shall be properly cleaned within eight (8) hours after each period of use with hot water and a suitable soap or detergent and shall be rinsed by flushing with hot water. Where deemed necessary by the Port Authority, final treatment by live steam under pressure or other sterilizing procedure shall be used. All trays, dishes, crockery, glassware, silverware, and other equipment of such types shall be cleaned and sterilized before using same. Bottles, vessels and other re-usable containers shall be cleaned and sterilized immediately before using the same.
- (4) All packing materials, including but not limited to wrappers, stoppers, caps enclosures and containers, shall be clean and sterile and shall be so stored as to be protected from dust, dirt, flies, rodents, unsanitary handling and unclean materials.
- (5) In addition to its obligations under this Section or elsewhere in this Lease pertaining to garbage removal and storage, the Lessee shall daily remove from the Airport by means of facilities provided by it and in a manner approved by the General Manager of the Airport, all garbage, debris and other waste material (whether solid or liquid) arising out of or in connection with its operations hereunder, and any such not immediately removed shall be temporarily stored in suitable garbage and waste receptacles to be provided and maintained by the Lessee, the same to be made of metal or other suitable material equipped with

tight-fitting covers or closures and to be of a design safely and properly to contain whatever material may be placed therein. The receptacles shall be kept covered except when filling or emptying the same. The Lessee shall exercise extreme care in removing such garbage, debris and other waste materials. The manner of such storage and removal shall be subject in all respects to the continuing approval of the Port Authority. No facilities of the Port Authority shall be used for such removal unless with its prior consent in writing. No such garbage, debris or other waste materials shall be or be permitted to be thrown, discharged or disposed into or upon any waters at or bounding the Airport.

Section 13. Various Obligations of the Lessee

(a) The Lessee shall conduct its operations hereunder in an orderly and proper manner, so as not to unreasonably annoy, disturb or be offensive to others at or off the Airport. The Lessee shall take all reasonable measures to eliminate vibrations originating on the premises tending to damage any equipment, structure, building or portion of a building which is on the premises, or is a part thereof, or is located elsewhere on or off the Airport; and to keep the sound level of its operations as low as possible..

(b) The Lessee shall use its best efforts to conduct all its operations at the premises in a safe and careful manner, following in all respects the best practices of the applicable industry in which it conducts its business in the United States.

(c) The Port Authority shall have the right to object to the Lessee regarding the conduct and demeanor of the employees of the Lessee whereupon the Lessee will take all steps reasonably necessary to remove the cause of the objection. If requested by the Port Authority the Lessee shall supply and shall require its employees to wear or carry badges or other suitable means of identification, which shall be subject to the prior and continuing approval of the General Manager of the Airport.

(d) The Lessee shall control all vehicular traffic on the roadways or other areas within the premises and shall take all precautions reasonably necessary to promote the safety of the persons using such roadways or other areas. The Lessee shall employ such means as may be necessary to direct the movement of vehicular traffic within the premises to prevent traffic congestion on the public roadway leading to the premises.

(e) From time to time and as often as reasonably required by the Port Authority, the Lessee shall conduct pressure, water-flow, and other appropriate tests of the fire extinguishing system and apparatus which constitute a part of the premises. The Lessee shall keep in proper functioning order all fire-fighting equipment, fire-alarm and smoke detection equipment on the premises and the Lessee shall at all times maintain on the premises adequate stocks of fresh, usable chemicals for use in such systems, equipment and apparatus. The Lessee shall notify the

Port Authority prior to conducting such tests. If requested by the Port Authority, the Lessee shall furnish the Port Authority with a copy of written reports of such tests.

(f) The Lessee agrees that it will not erect, construct or maintain or otherwise create or continue any obstacle or so park or store any object on the premises so as to create any obstacle that will hamper or interfere with the free, orderly, unobstructed and uninterrupted passage of vehicles, aircraft or of the wings or other integral parts of aircraft of any type, nature or description, while such vehicle is operating or aircraft is taxiing or being transported or towed along any runways, taxiways and roads outside of and adjacent to the premises.

(g) In addition to compliance by the Lessee with all laws, ordinances, governmental rules, regulations and orders now or at any time in effect during the term of the letting hereunder which as a matter of law are applicable to the operation, use or maintenance by the Lessee of the premises or the operations of the Lessee under this Agreement (the foregoing not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them), the Lessee agrees that it shall exercise the highest degree of safety and care and shall conduct all its operations under the Agreement and shall operate, use and maintain the premises in accordance with the highest standards and in such manner that there will be at all times a minimum of air pollution, water pollution or any other type of pollution and a minimum of noise emanating from, arising out of or resulting from the operation, use or maintenance of the premises by the Lessee and from the operations of the Lessee under this Agreement. The Port Authority hereby reserves the right from time to time and at any time during the term of the Lease to require the Lessee, and the Lessee agrees, to design and construct at its sole cost and expense such reasonable structures, fences, equipment, devices and other facilities as may be necessary or appropriate to accomplish the objectives as set forth in the first sentence of this paragraph. All locations, the manner, type and method of construction and the size of any of the foregoing shall be determined by the Port Authority. The Lessee shall submit for Port Authority approval its plans and specifications covering the required work and upon receiving such approval shall proceed diligently to construct the same.

The obligations assumed by the Lessee under this paragraph (g) shall continue throughout the term of this Lease and shall not be limited, affected, impaired or in any manner modified by the fact that the Port Authority shall have approved any Alteration/Construction Application and supporting plans, specifications and contracts covering construction work and notwithstanding the incorporation therein of the Port Authority's recommendations or requirements and notwithstanding that the Port Authority may have at any time during the term of the Lease consented to or approved any particular procedure or method of operation which the Lessee may have proposed or the Port Authority may have itself prescribed the use of any procedure or method. The agreement of the Lessee to assume the obligations under this paragraph (g) is a special inducement and consideration to the Port Authority in entering into this Lease with the Lessee.

(h) Without in any way limiting the Lessee's other obligations under this Lease. The Lessee shall supply, replace, install, repair, maintain and keep clean all grease traps in all drainage pipes exclusively used by it in its operations hereunder whether such pipes are located on the premises or elsewhere at the Airport.

Further, the Lessee agrees unless directed otherwise by the Port Authority, to provide the General Manager of the Airport with copies of all information, documentation, records, correspondence, notice, certifications, reports, test results and all other submissions provided by the Lessee to a governmental authority and by a governmental authority to the Lessee within two (2) business days that the same are made available to or received by the Lessee with respect to any Environmental Requirements.

(d) The Lessee shall not do or permit to be done any act or thing upon the premises or at the Airport (1) which will invalidate or conflict with any fire insurance, extended coverage or rental insurance policies covering the premises or any part thereof, or the Airport, or any part

thereof, or (2) which in the opinion of the Port Authority, may constitute an extra-hazardous condition, so as to increase the risks normally attendant upon the operations contemplated by or mentioned in Section 5 hereof. The Lessee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of The National Board of Fire Underwriters and the Fire Rating Organization of the State of New York, or of any other board or organization exercising or which may exercise similar functions, which may pertain or apply to the operations of the Lessee on the premises, and the Lessee shall, subject to and in accordance with the provisions of Section 39 hereof, make any and all structural and non-structural improvements, alterations or repairs of the premises required at any time hereafter by any such present or future rule, regulation, requirement, order or direction. (e) The Lessee shall not dispose of nor permit any one to dispose of any waste material (whether liquid or solid) by means of the toilets, manholes, sanitary sewers or storm sewers in the premises or on the Airport except after treatment in installations or equipment included in plans and specifications submitted to and approved by the Port Authority.

(i) The Port Authority, by itself or by contractors, lessees or permittees, shall have the exclusive right to install, maintain and receive the revenues from all coin-operated or other vending machines or devices installed by it and operated on the premises for the sale of merchandise of all types or for the rendering of services, provided, however, that no such machine or device shall be installed except upon the request of the Lessee. If the Port Authority does not install and maintain any such machine that the Lessee may reasonably request, the Lessee shall have the right to do so, provided, however, (1) that the Lessee shall pay or cause to be paid to the Port Authority each month for each machine upon the same basis for the preceding month as any concessionaire, permittee or licensee of the Port Authority then operating machines at the Airport for the sale of similar merchandise or the rendering of similar services, and (2) that in the event the Lessee exercises such right the Port Authority, at any time thereafter, may substitute for the Lessee's machines other machines selling similar merchandise or services operated by the Port Authority or by its licensee, permittee or concessionaire, and thereupon the Lessee shall remove its machines.

(j) The Lessee shall not overload any floor and shall repair any floor, including supporting members, and any paved area damaged by overloading. (k) The Lessee shall not use or permit the use of the premises for the sale of tickets for air transportation or for conducting any other sales of any type whatsoever.

(l) The Lessee shall not use or permit the use of automotive vehicles or other equipment in the enclosed portions of the premises without the prior approval of the General Manager of the Airport.

(n) The Lessee shall not use or permit the use of any truss or structural supporting member of the building or roof or any part thereof for the storage of any material or equipment, or to hoist, lift, move or support any material or equipment or other weight or load, by means of said trusses or structural supporting members.

(o) The Lessee shall not dispose of, release or discharge nor permit anyone to dispose of, release or discharge any Hazardous Substance on the premises or at the Airport. Any Hazardous Substance disposed of, released or discharged by the Lessee (or permitted by the Lessee to be disposed of, released or discharged) on the premises or at the Airport, shall upon notice by the Port Authority to the Lessee and subject to the provisions of Section 39 hereof, be completely removed and/or remediated by the Lessee. The obligations of the Lessee pursuant to

this paragraph (o) shall survive the expiration or termination of this Agreement.

Section 15. Care, Maintenance, Rebuilding and Repair by the Lessee

(a) The Lessee shall repair, replace, rebuild and paint all or any part of the Airport which may be damaged or destroyed by the acts or omissions of the Lessee or by those of its officers or employees or of other persons on or at the premises with the Lessee's consent.

The Lessee shall insure that all fire alarm signals with respect to the premises shall also be transmitted to the Airport's police emergency alarm board or to such other location on the Airport as the General Manager of the Airport may direct; The Lessee's obligations hereunder shall in no way create any obligation whatsoever on the part of the Port Authority;

Any excess of the proceeds of insurance over the costs of the restoration shall be retained by the Port Authority.

Without limiting the provisions hereof, in the event the Lessee maintains the foregoing insurance in limits greater than aforesaid, the Port Authority shall be included therein as an additional insured to the full extent of all such insurance in accordance with all the terms and provisions hereof. All the aforesaid policy or policies of insurance shall also provide or contain an endorsement providing that the protections afforded the Lessee thereunder with respect to any claim or action against the Lessee by a third person shall pertain and apply with like effect with respect to any claim or action against the Lessee by the Port Authority and shall also provide or contain an endorsement providing that the protections afforded the Port Authority thereunder and with respect to any claim or action against the Port Authority by the Lessee shall be the same as the protections afforded the Lessee thereunder with respect to any claim or action against the Lessee by a third person as if the Port Authority were the named insured thereunder, but such endorsement shall not limit, vary, change, or affect the protections afforded the Port Authority thereunder as an additional insured. The Port Authority may, at any such time, require additions, deletions, amendments or modifications to the above-scheduled insurance requirements, or may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem required and the Lessee shall promptly comply therewith.

Each policy, certificate or binder delivered as aforesaid shall bear the endorsement of or be accompanied by evidence of payment of the premium thereon. In the event a binder is delivered, it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate. Each such copy or certificate shall contain a valid provision or endorsement that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' written advance notice thereof to the Port Authority. Each such copy or certificate shall contain an additional endorsement providing that the insurance carrier shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, its Commissioners, officers, agents, or employees, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority. Any renewal policy or certificate shall be delivered to the Port Authority prior to the expiration of each expiring policy, except for any policy expiring after the date of expiration of the term of this Agreement. The aforesaid insurance shall be written by a company or companies approved by the Port Authority, the Port Authority agreeing not to withhold its approval unreasonably. If at any time any of the insurance policies shall be or become unsatisfactory to the Port Authority as to the form or substance or if any of the carriers issuing such policies shall be or become unsatisfactory to the Port Authority, the Lessee shall promptly obtain a new and satisfactory policy in replacement, the Port Authority covenanting and agreeing not to act unreasonably hereunder. If the Port Authority at any time so requests, a certified copy of each of the policies shall be delivered to the Port Authority.

Section 19. Signs

(a) Except with the prior written approval of the Port Authority, the Lessee shall not erect, maintain or display any signs or any advertising at or on the exterior parts of the premises or at or on any other portion of the Airport outside the premises. Interior signs affecting public safety and security shall be in accordance with established Port Authority standards.

(b) Upon the expiration or termination of the letting, the Lessee shall remove, obliterate

or paint out, as the Port Authority may direct, any and all signs and advertising on the premises or elsewhere on the Airport and in connection therewith shall restore the portion of the premises and the Airport affected by such signs or advertising to the same condition as existing prior to the installation of such signs and advertising. In the event of a failure on the part of the Lessee so to remove, obliterate or paint out each and every such sign or advertising and so to restore the premises and the Airport, the Port Authority may perform the necessary work and the Lessee shall pay the cost thereof to the Port Authority on demand.

Section 20. Obstruction Lights

The Lessee shall install, maintain and operate at its own expense such obstruction lights on the premises as the Federal Aviation Administration may direct or as the General Manager of the Airport may reasonably direct, and shall energize such lights daily for a period commencing thirty (30) minutes before sunset and ending thirty (30) minutes after sunrise (as sunset and sunrise may vary from day to day throughout the year) and for such other period as may be directed or requested by the Control Tower of the Airport.

Section 21. Additional Rent and Charges

(a) If the Port Authority has paid any sum or has incurred any obligation or expense which the Lessee has agreed to pay or reimburse the Port Authority for or if the Port Authority is required or elects to pay any sum or sums or incurs any obligations or expense by reason of the failure, neglect or refusal of the Lessee to perform or fulfill any one or more of the conditions, covenants or agreements contained in this Agreement or as a result of an act or omission of the Lessee contrary to the said conditions, covenants and agreements, the Lessee agrees to pay the sum or sums so paid or the expense so incurred, including all interest, costs, damages and penalties, and the same may be added to any installment of rent thereafter due hereunder, and each and every part of the same shall be and become additional rent, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the rent as set forth in Section 4 hereof.

(b) For all purposes under this Section and in any suit, action or proceeding of any kind between the parties hereto, any receipt showing any payment of a sum or sums by the Port Authority for any work done or material furnished shall be prima facie evidence against the Lessee that the amount of such payment was necessary and reasonable. Should the Port Authority elect to use its operating and maintenance staff in performing any work and to charge the Lessee with the cost of same, any time report of any employee of the Port Authority showing hours of labor or work allocated to such work, or any stock requisition of the Port Authority showing the issuance of materials actually used in the performance thereof, shall likewise be prima facie evidence against the Lessee that the amount of such charge was necessary and reasonable.

Section 22. Rights of Entry Reserved

(a) The Port Authority, by its officers, employees, agents, representatives and contractors shall have the right at all reasonable times to enter upon the premises for the purpose of inspecting the same, for observing the performance by the Lessee of its obligations under this Agreement, and for the doing of any act or thing which the Port Authority may be obligated or have the right to do under this Agreement, or otherwise.

(b) Without limiting the generality of the foregoing, the Port Authority, by its officers, employees, agents, representatives, and contractors, and furnishers of utilities and other services, shall have the right, for its own benefit, for the benefit of the Lessee, or for the benefit of others than the Lessee at the Airport, to maintain existing and future sewerage, utility, mechanical, electrical and other systems or portions thereof on the premises, including therein without limitation thereto, systems for the supply of heat, water, gas, fuel, electricity and for the furnishing of fire-alarm, fire-protection, sprinkler, sewerage, drainage, telegraph and telephone service, including all lines, pipes, mains, wires, conduits and equipment connected with or appurtenant to such systems, and to enter upon the premises at all reasonable times to make such repairs, replacements or alterations as may, in the opinion of the Port Authority, be deemed necessary or advisable and, from time to time, to construct or install over, in or under the premises new systems or parts thereof, and to use the premises for access to other parts of the Airport otherwise not conveniently accessible; provided, however, that in the exercise of such rights of access, repair, alteration or new construction the Port Authority shall not unreasonably interfere with the use and occupancy of the premises by the Lessee.

(c) In the event that any property of the Lessee shall obstruct the access of the Port Authority, its employees, agents or contractors to any of the existing or future utility, mechanical, electrical and other systems and thus shall interfere with the inspection, maintenance or repair of any such system, the Lessee shall move such property, as directed by the Port Authority, in order that access may be had to the system or part thereof for its inspection, maintenance or repair, and, if the Lessee shall fail to so move such property after direction from the Port Authority to do so, the Port Authority may move it and the Lessee hereby agrees to pay the cost of such moving upon demand.

(d) Nothing in this Section shall or shall be construed to impose upon the Port Authority any obligations so to construct or maintain or to make repairs, replacements, alterations or additions, or shall create any liability for any failure so to do. The Lessee is and shall be in exclusive control and possession of the premises and the Port Authority shall not in any event be liable for any injury or damage to any property or to any person happening on or about said premises nor for any injury or damage to said premises nor to any property of the Lessee or of any other person located therein or thereon (other than those occasioned by the affirmative acts of the Port Authority, its employees, agents and representatives).

(e) At any time and from time to time during ordinary business hours within the six (6) months next preceding the expiration of the letting, the Port Authority, for and by its agents and employees, whether or not accompanied by prospective lessees, occupiers or users of the premises, shall have the right to enter thereon for the purpose of exhibiting and viewing all parts of the same, and during such six-month period the Port Authority may place and maintain on the premises the usual "To Let" signs, which signs the Lessee shall permit to remain without molestation.

(f) If, during the last month of the letting, the Lessee shall have removed all or substantially all of its property from the premises, the Port Authority may immediately enter and alter, renovate and redecorate the premises.

(g) The exercise of any or all of the foregoing rights by the Port Authority or others shall not be or be construed to be an eviction of the Lessee nor be made the grounds for any abatement of rental nor any claim or demand for damages, consequential or otherwise.

Section 23. Condemnation

(a) Definitions

As used in this Section, the phrase "temporary interest" when used with reference to real property, shall mean an interest in such real property entitling the owner of such interest to the possession of such property (whether or not such interest includes or is co-extensive with an interest of the Lessee therein under this Agreement), for an indefinite term or for a term terminable at will or at sufferance or for a term measured by a war or an emergency or other contingency or for a fixed term expiring prior to the expiration date of this Lease; and the phrase "permanent interest", when used with reference to real property, shall mean an interest in such real property entitling the owner of such interest to possession thereof, other than a temporary interest as above defined, including among others a fee simple and an interest for a term of years expiring on or after the expiration of this Agreement.

As used in this Section with reference to any premises leased to the Lessee for its exclusive use the phrase "a material part" shall mean such a part of the said premises that the Lessee cannot continue to operate the premises for the purposes set forth or mentioned in Section 5 without using such part.

(b) Condemnation or Taking of a Permanent Interest in All or any Part of the premises.

Upon the acquisition by condemnation or the exercise of the power of eminent domain by anybody having a superior power of eminent domain of a permanent interest in all or any part of the premises (any such acquisition under this Section 23 being hereinafter referred to

as a "taking"), the Port Authority shall purchase from the Lessee, and the Lessee shall sell to the Port Authority, the Lessee's leasehold interest (excluding any personal property whatsoever) in the premises, except that in the event of a taking of less than all of the said premises, the Port Authority shall purchase and the Lessee shall sell only so much of the Lessee's leasehold interest in the premises as are taken. The sole and entire consideration to be paid by the Port Authority to the Lessee shall be an amount equal to the Unamortized Capital Investment (as defined in paragraph (d) below), if any, of the Lessee in the premises or, in the event of a permanent taking of less than all of the said premises, an amount equal to the Unamortized Capital Investment (as defined in paragraph (d) below hereof), if any, of the Lessee in so much of the premises as are taken. However, the Port Authority shall purchase and the Lessee shall sell only if the consideration paid by the Port Authority therefor will constitute "unamortized Port Authority funds other than bond proceeds or Federal or State grants expended for capital improvements at the municipal air terminals", within the meaning of said phrase as used in Section 23, I, D of the Basic Lease or if an amount not less than such consideration can otherwise be retained by the Port Authority (and not be required to be paid to The City of New York) out of the damages or award in respect to such taking without violation of any obligation of the Port Authority to The City of New York under the Basic Lease. Such purchase and sale shall take effect as of the date upon which such body having superior power of eminent domain obtains possession of any such permanent interest in the premises and in that event, the Lessee (except with respect to its personal property), shall not have any claim or right to claim or be entitled to any portion of the amount which may be awarded as damages or paid as a result of such permanent taking, and all rights to damages, if any, of the Lessee (except for damages to its personal property) by reason thereof are hereby assigned to the Port Authority.

If, however, the amount to be paid by the Port Authority (the Unamortized Capital Investment as defined in paragraph (d) below, if any, of the Lessee in the premises) for such leasehold interest will not constitute "unamortized Port Authority funds other than bond proceeds or Federal or State grants, expended for capital improvements at the municipal air terminals", within the meaning of said phrase as used in Section 23, I, D of the Basic Lease or if an amount not less than such consideration cannot otherwise be retained by the Port Authority (and not be required to be paid to the City of New York) out of the damages or award in respect to such taking without violation of any obligation of the Port Authority to The City of New York under the Basic Lease, then the aforesaid agreement to purchase and sell said leasehold interest shall be null and void; and in any such event, the Lessee shall have the right to appear and file its claim for damages in the condemnation or eminent domain proceedings, to participate in any and all hearings, trials and appeals therein, and to receive such amount as it may lawfully be entitled to receive as damages or payment as a result of such taking, because of its leasehold interest in the premises up to but not in excess of an amount equal to the Unamortized Capital Investment (as defined in paragraph (d) below), if any, of the Lessee in the premises. The Port Authority and the Lessee hereby agree that as full and final settlement of any sum that may be due as rent or otherwise for the balance of the term of this Lease, the Lessee will pay to the Port Authority the excess, if any, which the Lessee may be entitled to receive over the foregoing sum. If there be no

excess, any sum that may be due as rent or otherwise for the balance of the term of this Lease shall abate.

In the event of the taking of all of the premises and if the Lessee has no Unamortized Capital Investment (as defined in paragraph (d) below) in the premises at the time of the taking, then the aforesaid agreement to purchase and sell said leasehold interest shall be null and void; and in that event, this Lease and all rights granted by this Lease to the Lessee to use or occupy the premises for its exclusive use or for its use in common with others at the Airport and all rights, privileges, duties and obligations of the parties in connection therewith or arising thereunder shall terminate as of the date of the taking, and in that event, the Lessee (except with respect to its personal property) shall not have any claim or right to claim or be entitled to any portion of the amount which may be awarded as damages or paid as a result of such taking, and all rights to damages, if any, of the Lessee (except for damages to its personal property) by reason thereof are hereby assigned to the Port Authority).

In the event that the taking covers only a material part of the premises, then the Lessee and the Port Authority shall each have an option exercisable by notice given within ten (10) days after the effective date of such taking to terminate the letting hereunder with respect to the premises not taken, as of the date of such taking and such termination shall be effective as if the date of such taking were the original date of expiration hereof. If the Port Authority exercises this option, it shall purchase from the Lessee the Lessee's leasehold interest (excluding any personal property whatsoever) in the premises not taken for a consideration equal to the Unamortized Capital Investment (as defined in paragraph (d) below), if any, of the Lessee in the premises not taken. If the letting of the entire premises is not terminated the settlement or abatement of rentals after the date possession is taken by the body having a superior power of eminent domain shall be in accordance with Section 4 hereof.

(c) Condemnation or Taking of a Temporary Interest in All or Any Part of the Premises.

Upon acquisition by condemnation or the exercise of the power of eminent domain by a body having a superior power of eminent domain of a temporary interest in all or any part of the premises, there shall be no abatement of any rental payable by the Lessee to the Port Authority under the provisions of this Agreement but the Lessee shall have the right to claim and in the event of an award therefor shall be entitled to retain the amount which may be awarded as damages or paid as a result of the condemnation or other taking of such temporary interest, provided, that the Lessee shall be obligated to pay over to the Port Authority all such payments as may be made to the Lessee as damages or in satisfaction of such claim after deduction of (i) reasonable expenses incurred by the Lessee in the prosecution of such claim; (ii) an amount equal to the Unamortized Capital Investment (as defined in paragraph (d) below), if any, of the Lessee in the premises or in the event of a taking of less than all of the said premises, an amount equal to such Unamortized Capital Investment in the premises as are taken, to the extent in either case

that the same is to be amortized over the period of the taking; and (iii) the then present capitalized value of the Lessee's obligation for rentals thereafter payable during the period of the taking in respect to the demised premises, or, in the event of a taking of less than all of the said premises, in respect to the premises so taken.

In the event that the taking covers a material part but less than all of the demised premises, then the Lessee and the Port Authority shall each have an option, exercisable by notice given within ten (10) days after the effective date of such taking to suspend the term of the letting of such of the premises as are not so taken during the period of the taking, and, in that event, the rentals for such premises shall abate for the period of the suspension. If the Port Authority exercises this option, it shall purchase from the Lessee the Lessee's leasehold interest (excluding any personal property whatsoever) in the premises not taken for the period of suspension for a consideration equal to the Unamortized Capital Investment (as defined in paragraph (d) below), if any, of the Lessee in such premises which is to be amortized over the period of such suspension.

(d) "Unamortized Capital Investment" shall mean for purposes of this Lease, the amount of the Lessee's initial investment in the premises arising out of the performance by the Lessee of the Lessee Renovation Work pursuant to and as set forth in Section 2 of this Lease after deduction therefrom of an amount equivalent to an allowance for depreciation and amortization. Such allowance will be computed on a straight-line basis over a period commencing on the Lessee Renovation Work Completion Date, as established pursuant to Section 2 (g) (2) hereof (but not later than August 1, 2002) to the end of the average useful life thereof (as determined under generally accepted accounting principles) or July 31, 2008 (or December 30, 2015 if the Lessee exercises its option under Section 3 (c) hereof), whichever is shorter. For purposes hereof the calculation of the said Unamortized Capital Investment of the Lessee shall be based on the Lessee's initial investment in the premises arising out of its performance of the Lessee Renovation Work under Section 2 hereof and the calculation thereof shall not at any time exceed the amount of Two Million Five Hundred Thousand Dollars and No Cents (\$2,500,000.00) minus the aggregate sum of all applicable Basic Rental Credits credited against the Basic Rental by the Port Authority pursuant to paragraph (c) of Subdivision I of Section 4 hereof.

The foregoing computation to be made shall not take into consideration the effect of accelerated amortization, if any, granted to or taken by the Lessee on its books or otherwise under the provisions of Section 168(a) of Title 26 USCA or similar legislation hereafter enacted.

For purposes of this paragraph (d), the Lessee's investment in the premises arising out of the performance of the Lessee Renovation Work under Section 2 hereof as aforesaid shall be the lesser of Two Million Five Hundred Thousand Dollars and No Cents (\$2,500,000.00) or the amount equal to the sum of: (1) the amounts paid by the Lessee to independent contractors for work actually performed and labor and materials actually furnished in connection with the Lessee Renovation Work as set forth in and pursuant to Section 2 of the Lease; and (2) the payments

made and expenses incurred by the Lessee, in connection for such Lessee Renovation Work , for engineering, architectural, professional and consulting services and the supervision of construction, provided, however, that such payments and expenses pursuant to this item (2) shall not exceed ten percent (10%) of the amounts described in item (1); in each case, as the above-mentioned amounts, payments and expenses are evidenced, from time to time, by certificates of a responsible fiscal officer of the Lessee, sworn to before a Notary Public and delivered to the Port Authority, which certificates shall (i) set forth, in reasonable detail, the amounts paid to specified independent contractors, the payments made to other specified persons and the other expenses incurred by the Lessee, which have not previously been reported in certificates delivered to the Port Authority (ii) have attached thereto reproduction copies or duplicate originals of the invoices of such independent contractors and other persons acknowledging the receipt by them of such amounts and payments, and (iii) certify that the amounts, payments and expenses therein set forth constitute portions of the Lessee's investment in the premises for the purposes of this Lease; provided, however, that said investment amount in either case shall be reduced by the aggregate sum of all applicable Basic Rental Credits credited against the Basic Rental by the Port Authority pursuant to paragraph (c) of Subdivision I of Section 4 hereof.

Section 24. Late Charges

If the Lessee should fail to pay any amount required under this Agreement when due to the Port Authority, including without limitation any payment of Basic Rental, Percentage Rental, or other rental or any payment of utility fees or charges, or other charges or fees, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four late charge periods during each calendar year; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (but not less than thirteen) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of accounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Agreement. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Section, with respect to such unpaid amount. Each late charge shall be and become additional rent, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the rentals as set forth in Section 4 hereof. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Agreement, including without limitation the Port Authority's rights set forth in the section of this

Agreement entitled "Termination by the Port Authority" or (ii) any obligations of the Lessee under this Agreement. In the event that any late charge imposed pursuant to this Section shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Agreement shall be payable instead at such legal maximum.

Section 25. Assignment and Sublease

(a) The Lessee covenants and agrees that it will not sell, convey, transfer, mortgage, pledge or assign this Agreement or any part thereof, or any rights created thereby or the letting thereunder or any part thereof without the prior written consent of the Port Authority.

(b) The Lessee shall not sublet the premises or any part thereof, without the prior written consent of the Port Authority.

(c) Any sale, assignment, transfer, sublease, mortgage, pledge, hypothecation, encumbrance or disposition of the premises or of the rents, revenues or any other income from the premises, or this Agreement, or any part thereof, or any license or other interest of the Lessee therein not made in accordance with the provisions of this Agreement shall be null and void ab initio and of no force or effect.

(d) If without prior written consent of the Port Authority, the Lessee assigns, sells, conveys, transfers, mortgages, pledges or sublets in violation of the foregoing paragraphs of this Section or if the premises are occupied by anybody other than the Lessee, the Port Authority may collect rent from any assignee, sublessee or anyone who claims a right under this Agreement or letting or who occupies the premises, and the Port Authority shall apply the net amount collected to the rental herein reserved; but no such collection shall be deemed a waiver by the Port Authority of the covenants contained in the foregoing paragraphs of this Section or an acceptance by the Port Authority of any such assignee, sublessee, claimant or occupant as Lessee, nor a release of the Lessee by the Port Authority from the further performance by the Lessee of the covenants contained herein.

(e) Any consent granted by the Port Authority to any assignment or subletting or to any sublease pursuant to the provisions hereof shall not be construed or deemed to release, relieve or discharge any succeeding assignee, successor or transferee of the Lessee or any other person claiming any right, title or interest in this Agreement from the requirement of obtaining the prior written consent of the Port Authority in the event it wishes to sell, convey, transfer, mortgage, pledge, sublet or assign this Agreement or any part thereof, or any rights created thereby or the letting hereunder or any part thereof; and such assignee, successor or transferee or other person claiming any right, title or interest in this Agreement shall not sell, convey, transfer, mortgage, pledge, sublet or assign this Agreement or any part thereof, or any rights created thereby or the letting thereunder or any part thereof without such prior written consent of the Port Authority.

(f) The Port Authority shall not assign or otherwise transfer this Lease or any of its rights hereunder (1) to any private person without written consent duly executed by the Lessee; or (2) to the City of New York, unless the City of New York at the time of such assignment or transfer assumes the obligations of the Port Authority under this Lease.

(g) The Lessee shall not use or permit any person to use the premises or any portion thereof for any purpose other than the purposes stated in Section 5 hereof. Except as provided in this Agreement or otherwise permitted in writing by the Port Authority, the Lessee shall not permit the premises to be used or occupied by any person other than its own officers, employees, contractors and representatives, guests, visitors and business invitees.

Section 26. Termination by the Port Authority

(a) If any one or more of the following events shall occur, that is to say:

(1) The Lessee shall become insolvent or shall take the benefit of any present or future insolvency statute, or shall make a general assignment for the benefit of creditors or file a voluntary petition in bankruptcy or a petition or answer seeking an arrangement or its reorganization or the readjustment of its indebtedness under the federal bankruptcy laws or under any other law or statute of the United States or of any state thereof, or consent to the appointment of a receiver, trustee, or liquidator of all or substantially all of its property; or

(2) By order or decree of a court the Lessee shall be adjudged bankrupt or an order shall be made approving a petition filed by any of its creditors or by any of the stockholders of the Lessee, seeking its reorganization or the readjustment of its indebtedness under the federal bankruptcy laws or under any law or statute of the United States or of any state thereof, provided that if any such judgment or order is stayed or vacated within sixty (60) days after the entry thereof, any notice of cancellation shall be and become null, void and of no effect; or

(3) By or pursuant to, or under authority of any legislative act, resolution or rule, or any order or decree of any court or governmental board, agency or officer having jurisdiction, a receiver, trustee, or liquidator shall take possession or control of all or substantially all of the property of the Lessee, and such possession or control shall continue in effect for a period of thirty (30) days; or

(4) The Lessee shall voluntarily abandon, desert or vacate the premises or discontinue its operations at the Airport, or after exhausting or abandoning any right of further appeal, the Lessee shall be prevented for a period of thirty (30) days by action of any governmental agency other than the Port Authority having jurisdiction thereof, from conducting its operations at the Airport, regardless of the fault of the Lessee; or

(5) Any lien is filed against the premises because of any act or omission of the Lessee

and shall not be discharged or bonded within thirty (30) days after the Lessee has received notice thereof; or

(6) The letting hereunder or the interest or estate of the Lessee under this Agreement shall be transferred directly by the Lessee or shall pass to or devolve upon, by operation of law or otherwise, any other person, firm or corporation; or

(7) A petition under any part of the federal bankruptcy laws or an action under any present or future insolvency law or statute shall be filed against the Lessee and shall not be dismissed within thirty (30) days after the filing thereof; or

(8) The Lessee shall, without the prior written approval of the Port Authority, become a possessor or merged corporation in a merger, a constituent corporation in a consolidation, or a corporation in dissolution; or

(9) The Lessee shall fail duly and punctually to pay the rentals, fees or charges or to make any other payment required hereunder when due to the Port Authority and shall continue in its failure to pay said rentals, fees or charges or to make any other payments required hereunder for a period of ten (10) days after notice from the Port Authority to make said payments; or

(10) The Lessee shall fail to keep, perform and observe each and every other promise, covenant and agreement set forth in this Agreement on its part to be kept, performed, or observed, within thirty (30) days after receipt of notice of default thereunder from the Port Authority (except where fulfillment of its obligation requires activity over a period of time, and the Lessee shall have commenced to perform whatever may be required for fulfillment within thirty (30) days after receipt of notice and continues such performance without interruption except for causes beyond its control);

then upon the occurrence of any such event or at any time thereafter during the continuance thereof, the Port Authority may upon twenty (20) days' notice terminate the rights of the Lessee hereunder and the letting, such termination to be effective upon the date specified in such notice. Such right of termination and the exercise thereof shall be and operate as a conditional limitation.

(b) If any of the events enumerated in paragraph (a) of this Section shall occur prior to the letting, the Lessee shall not be entitled to enter into possession of the premises and the Port Authority upon the occurrence of any such event or at any time thereafter during the continuance thereof by twenty-four (24) hours' notice may cancel the interest of the Lessee hereunder, such cancellation to be effective upon the date specified in such notice.

(c) No failure by the Port Authority to insist upon the strict performance of any agreement, term, covenant or condition of the Lease or to exercise any right or remedy consequent upon a breach or default thereof, and no extension, supplement or amendment of the

Lease during or after a breach thereof, unless expressly stated to be a waiver, and no acceptance by the Port Authority of rentals, fees, charges or other payments in whole or in part after or during the continuance of any such breach or default, shall constitute a waiver of any such breach or default of such agreement, term, covenant or condition. No agreement, term, covenant or condition of the Lease to be performed or complied with by the Lessee, and no breach or default thereof, shall be waived, altered or modified except by a written instrument executed by the Port Authority. No waiver by the Port Authority of any default or breach on the part of the Lessee in performance of any of agreement, term, covenant or condition of this Lease shall affect or alter the Lease, but each and every agreement, term, covenant and condition thereof shall continue in full force and effect with respect to any other then existing or subsequent breach or default thereof.

(d) The rights of termination described above shall be in addition to any other rights of termination provided in this Agreement and in addition to any rights and remedies that the Port Authority would have at law or in equity consequent upon any breach of this Agreement by the Lessee, and the exercise by the Port Authority of any right of termination shall be without prejudice to any other such rights and remedies.

Section 27. Right of Re-entry

The Port Authority shall, as an additional remedy upon the giving of a notice of termination as provided in Section 26 hereof, have the right to re-enter the premises and every part thereof upon the effective date of termination without further notice of any kind, and may regain and resume possession either with or without the institution of summary or any other legal proceedings or otherwise. Such re-entry, or regaining or resumption of possession, however, shall not in any manner affect, alter or diminish any of the obligations of the Lessee under this Agreement, and shall in no event constitute an acceptance of surrender.

Section 28. Waiver of Redemption

The Lessee hereby waives any and all rights to recover or regain possession of the premises and all rights of redemption, granted by or under any present or future law in the event it is evicted or dispossessed for any cause, or in the event the Port Authority obtains possession of the premises in any lawful manner.

Section 29. Survival of the Obligations of the Lessee

(a) In the event that the letting shall have been terminated in accordance with a notice of termination as provided in Section 26 hereof, or the interest of the Lessee cancelled pursuant thereto, or in the event that the Port Authority has reentered, regained or resumed possession of the premises in accordance with the provisions of Section 27 hereof, all the obligations of the Lessee under this Agreement shall survive such termination or cancellation, or

re-entry, regaining or resumption of possession and shall remain in full force and effect for the full term of the letting under this Agreement, and the amount or amounts of damages or deficiency therefor shall become due and payable to the Port Authority to the same extent, at the same time or times and in the same manner as if no termination, cancellation, reentry, regaining or resumption of possession had taken place. The Port Authority may maintain separate actions each month to recover the damage or deficiency then due or at its option and at any time may sue to recover the full deficiency less the proper discount, for the entire unexpired term.

(b) The amount of damages for the period of time subsequent to termination or cancellation (or re-entry, regaining or resumption of possession) on account of the Lessee's rental obligations, shall be the sum of the following:

(1) The amount of the total of all Basic Rentals less the installments thereof payable prior to the effective date of termination except that the credit to be allowed for the installment payable on the first day of the month in which the termination is effective shall be prorated for the part of the month the letting remains in effect on the basis of the actual number of days in said month, and

(2) On account of the Lessee's obligation to pay the Percentage Rental, an amount equal to Eight Percent (8%) of Gross Receipts of the Lessee, which Gross Receipts would have been received by the Lessee during the balance of the term if there had been no termination or cancellation (or re-entry, regaining, or resumption or possession); and for the purpose of calculation hereunder (i) the said amount of Gross Receipts shall be derived by multiplying the number of days in the balance of the term originally fixed by the daily average of the Lessee's Gross Receipts ; (ii) the daily average of the Lessee's Gross Receipts shall be the Lessee's total actual Gross Receipts during the twelve months immediately preceding said termination or cancellation (or re-entry, regaining, or resumption of possession) during which the premises were open and in operation and in which no abatement was in effect divided by 365;

(3) It is understood and agreed that the statement of damages under the preceding subparagraph (2) shall not affect or be construed to affect the Port Authority's right to damages in the event of termination or cancellation (or reentry, regaining or resumption of possession) where the Lessee has not received any actual Gross Receipts under this Agreement.

(4) An amount equal to all expenses reasonably incurred by the Port Authority in connection with regaining possession and restoring and reletting the demised premises, for legal expenses (including but not limited to the cost to the Port Authority of in-house legal services) putting the premises in order including, without limitation, cleaning, decorating and restoring (on failure of the Lessee to restore), maintenance and brokerage fees.

(c) Notwithstanding anything to the contrary herein contained, all of the obligations of the Lessee under this Lease with respect to Environmental Damages and Environmental

Requirements shall survive the expiration or termination of this Agreement.

Section 30. Reletting by the Port Authority

The Port Authority upon termination or cancellation pursuant to Section 26 hereof, or upon any re-entry, regaining or resumption of possession pursuant to Section 27 hereof, may occupy the premises or may relet the premises, and shall have the right to permit any person, firm or corporation to enter upon the premises and use the same. Such reletting may be of part only of the premises or a part thereof together with other space, and for a period of time the same as or different from the balance of the term hereunder remaining, and on terms and conditions the same as or different from those set forth in this Agreement. The Port Authority shall also, upon termination or cancellation pursuant to the said Section 26, or upon its re-entry, regaining or resumption of possession pursuant to the said Section 27, have the right to repair or to make structural or other changes in the premises, including changes which alter the character of the premises and the suitability thereof for the purpose of the Lessee under this Agreement, without affecting, altering or diminishing the obligations of the Lessee hereunder. In the event either of any reletting or of any actual use and occupancy by the Port Authority (the mere right of the Port Authority to use and occupy not being sufficient however) there shall be credited to the account of the Lessee against its survived obligations hereunder any net amount remaining after deducting from the amount actually received from any lessee, licensee, permittee or other occupier in connection with the use of the said premises or portion thereof during the balance of the letting as the same is originally stated in this Agreement, or from the market value of the occupancy of such portion of the premises as the Port Authority may during such period actually use and occupy, all expenses, costs and disbursements incurred or paid by the Port Authority in connection therewith. No such reletting shall be or be construed to be an acceptance of surrender.

Section 31. Remedies to be Non-Exclusive

All remedies provided in this Agreement shall be deemed cumulative and additional and not in lieu of or exclusive of each other or of any other remedy available to the Port Authority or to the Lessee at law or in equity, and the exercise of any remedy, or the existence herein of other remedies or indemnities shall not prevent the exercise of any other remedy.

Section 32. Surrender

The Lessee covenants and agrees to yield and deliver peaceably to the Port Authority possession of the premises on the date of cessation of the letting, whether such cessation be by termination, expiration or otherwise, promptly and in good condition and all of the premises shall be free and clear of all liens, encumbrances, security interests of any type whatsoever and of any sublessee or any other persons occupying or having any right to occupy the premises in whole or in part.

Section 33. Acceptance of Surrender of Lease

No agreement of surrender or to accept a surrender shall be valid unless and until the same shall have been reduced to writing and signed by the duly authorized representatives of the Port Authority and of the Lessee. Except as expressly provided in this Section, neither the doing of, nor any omission to do, any act or thing, by any of the officers, agents or employees of the Port Authority, shall be deemed an acceptance of a surrender of the letting or of this Agreement.

Section 34. Effect of Basic Lease

This Agreement and the letting hereunder shall, in any event, terminate with the termination or expiration of the Basic Lease with the City of New York which covers the premises, such termination to be effective on such date and to have the same effect as if the term of the letting had on that date expired. The rights of the Port Authority in the premises are those granted to it by the Basic Lease, and no greater rights are granted or intended to be granted to the Lessee than the Port Authority has power thereunder to grant.

Section 35. Removal of Property

All personal property (including trade fixtures) removable without material damage to the premises, which are installed by the Lessee in or on the premises leased to the Lessee pursuant to this Agreement, shall be deemed to be and remain the property of the Lessee. All such property, provided the Lessee shall install suitable replacements therefor if such personal property is necessary to perform any of the Lessee's obligations hereunder, may at the Lessee's option be removed by the Lessee from the premises at any time during the term of this Lease and shall, unless otherwise agreed in writing by the parties, be removed by the Lessee at or before the expiration or other termination of the term of this Lease. If the Lessee shall fail to remove its property on or before the termination or expiration of the letting, the Port Authority may remove such property to a public warehouse for deposit or retain the same in its own possession, and sell the same at public auction, the proceeds of which shall be applied first to the expenses of removal, storage and sale, second to any sums owed by the Lessee to the Port Authority, with any balance remaining to be paid to the Lessee; if the expenses of such removal, storage and sale shall exceed the proceeds of sale, the Lessee shall pay such excess to the Port Authority upon demand.

Section 36. Brokerage

The Lessee represents and warrants that no real estate broker has been concerned on its behalf in the negotiation of this Lease and that there is no real estate broker, finder or similar person who is or may be entitled to be paid a commission, fee or other compensation in connection therewith. The Lessee hereby agrees to and shall fully indemnify and save harmless the Port Authority its Commissioners, officers, agents and employees of and from any claims and

demands for any fee, commission, brokerage or other compensation made by any and all persons, firms or corporations or other entities, whatsoever for services rendered to the Lessee in connection with the negotiation or execution of this Lease.

Section 37. Limitation of Rights and Privileges Granted

(a) No greater rights or privileges with respect to the use of the premises or any part thereof are granted or intended to be granted to the Lessee by this Agreement, or by any provision thereof, than the rights and privileges expressly and specifically granted hereby.

(b) The premises are let to the Lessee and the Lessee takes the same subject to all the following: (i) easements, restrictions, reservations, covenants and agreements, if any, to which the premises may be subject, and rights of the public in and to any public street, (ii) rights, if any, of any enterprise, public or private which is engaged in furnishing heating, light, power, telegraph, telephone, steam, or transportation services and of the City New York and State of New York; (iii) permits, licenses, regulations and restrictions, if any, of the United States, the City of New York or State of New York or other governmental authority.

Section 38. Notices

Except where expressly required or permitted herein to be oral, all notices, directions, requests, consents and approvals required to be given to or by either party shall be in writing, and all such notices shall be personally delivered to the duly designated officer or representative of such party or delivered to the office of such officer or representative during regular business hours, or forwarded to him or to the party at such address by certified or registered mail. The Lessee shall from time to time designate in writing an office within the Port of New York District and an officer or representative whose regular place of business is at such office upon whom notices may be served. Until further notice, the Port Authority hereby designates its Executive Director, and the Lessee designates its representative named on the first page hereof as their respective representatives upon whom notices may be served, and the Port Authority designates its office at One World Trade Center, New York City, New York 10048, and the Lessee designates its office at 5100 Poplar Avenue, Memphis, Tennessee 38137 as their respective offices where notices may be served. If mailed, the notices herein required to be served shall be deemed effective and served as of the date of the certified or registered mailing thereof.

Section 39. Other Construction by the Lessee

Except as expressly provided herein, the Lessee shall not erect any structures, make any improvements or do any other construction work on the premises or alter, modify, or make additions or improvements or repairs to or replacements of any structure now existing or built at any time during the letting, or install any fixture (other than trade fixtures, removable without

material damage to the freehold, any such damage to be immediately repaired by the Lessee) without the prior written approval of the Port Authority and in the event any construction, improvement, alteration, modification, repair, replacement or addition, is made without such approval, then upon reasonable notice so to do, the Lessee will remove the same, or at the option of the Port Authority cause the same to be changed to the satisfaction of the Port Authority. In case of any failure on the part of the Lessee to comply with such notice, the Port Authority may effect the removal or change and the Lessee shall pay the cost thereof to the Port Authority.

The Port Authority shall not be obligated to perform or furnish any services or utilities whatsoever in connection with this Lease or the use and occupancy of the premises hereunder nor to police the same or keep the same free from snow, ice or otherwise unobstructed and available for use by the Lessee. It is hereby understood and agreed that whenever reference is made in this Lease to the condition of the premises as of the commencement of the term thereof, the same shall be deemed to mean the condition of the premises as of the date of this Agreement, and as to the improvements made and the alteration work performed during the term of the Agreement in the condition existing after the completion of the same.

(b) All the obligations of the Lessee under this Section with respect to responsibilities, risks, costs and expenses assumed by the Lessee shall survive the expiration or termination of this Agreement.

The Lessee hereby agrees that title and ownership of the Tanks shall be and remain in the Lessee, notwithstanding anything to the contrary in any construction or alteration application. The Port Authority has made no representations or warranties with respect to the Tanks or their location and shall assume no responsibility for the Tanks. All Tanks installed subsequent to said Commencement Date shall be installed pursuant to the terms and conditions of the Lease including without limitation Section 39 thereof and nothing in this Section 50 shall or shall be deemed to be permission or authorization to install any Tanks.

(b) Without limiting the generality of any of the terms and provisions of the Lease, the Lessee agrees that it shall be solely responsible for maintaining, testing and repairing the Tanks. The Lessee shall not perform any servicing, repairs and non-routine maintenance to the Tanks without the prior written approval of the Port Authority.

(c) It is hereby agreed that title to and ownership of the Tanks shall remain in the Lessee until the earlier to occur of (1) receipt by the Lessee of notice from the Port Authority that title to the Tanks shall vest in the Port Authority or in the City of New York or (2) receipt by the Lessee of notice from the Port Authority that the Port Authority waives its right to require the Lessee to remove the Tanks from and restore the premises in accordance with paragraph (i) below.

(d) Without limiting the generality of any other term or provisions of the Lease, the Lessee shall at its cost and expense comply with all Environmental Requirements pertaining to the Tanks and any presence, pumping, pouring, venting, emitting, emptying, leakage, deposit, spill, discharge or other release of Hazardous Substances from the Tanks or in connection with their use, operation, maintenance, testing or repair (any such presence, pumping, pouring, venting, emitting, emptying, leakage, deposit, spill, discharge or other release during the period the Lessee shall use or occupy the premises or uses the Tanks being hereinafter called a "Discharge"), including without limitation registering and testing the Tanks, submitting all required clean-up plans, bonds and other financial assurances, performing all required clean-up and remediation of a Discharge and filing all reports, making all submissions to, providing all information required by, and complying with all requirements of, all governmental authorities pursuant to the Environmental Requirements.

(e) Without limiting the terms and provisions of Section 18 of the Lease, the Lessee hereby assumes all risks arising out of or in connection with the Tanks and all Discharges whether or not foreseen or unforeseen and shall indemnify and hold harmless the Port Authority, its Commissioners, officers, agents and employees from and against (and shall reimburse the Port Authority for their costs and expenses including without limitation penalties, fines, liabilities, settlements, damages, attorney and consultant fees, investigation and laboratory fees, clean-up and remediation costs, court costs and litigation expenses) all claims and demands, just or unjust, of third persons (such claims and demands being hereinafter in this Section 50 referred to as "Claims" and singularly referred to as a "Claim") including but not limited to those for personal injuries (including death), property damages, or environmental impairment, arising or alleged to arise out of or in any way related to, the failure of the Lessee to comply with each and every term and provision of the Lease, or the Tanks, or any Discharge, or any lawsuit brought or threatened, settlement reached or any governmental order relating to the Tanks or a Discharge, or any violation of any Environmental Requirements or demands of any governmental authority based upon or in any way related to the Tanks or a Discharge, and whether such arise out of the acts or omissions of the Lessee or of the contractors of the Lessee or of third persons or out of the acts of God or the public enemy or otherwise including claims by the City of New York against the Port Authority pursuant to the provisions of the Basic Lease (as defined in the Lease) whereby the Port Authority has agreed to indemnify the City against claims. It is understood the foregoing indemnity shall cover all claims, demands, penalties, settlements, damages, fines, costs and expenses of or imposed by any authority under the Environmental Requirements.

If so directed the Lessee shall at its expense defend any suit based upon any such Claim (even if such Claim is groundless, false or fraudulent) and in handling such it shall not without first having express advance permission from the General Counsel of the Port Authority raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority.

(f) The Lessee's obligations under this Section 50 shall survive the expiration or earlier termination of the Lease.

(g) In addition to the requirements of Section 9 of the Lease and paragraph (d) hereof, the Port Authority shall have the right upon notice to the Lessee to direct the Lessee, at the Lessee's sole cost and expense, (i) to perform such reasonable testing of the Tanks as the Port Authority shall direct and to perform such testing of the soil, subsoil and ground water of the premises and of such surrounding area as the Port Authority shall direct, and (ii) to clean-up and remediate any Discharge, regardless of whether any Environmental Requirement or governmental authority shall require such testing, clean-up or remediation, which testing, clean-up and remediation shall be performed pursuant to an alteration application prepared by the Lessee and submitted to the Port Authority for the Port Authority's approval.

(h) In the Lessee's use and operation of the Tank, the Lessee shall not permit any Hazardous Substance from entering the ground including without limitation (subject to Section 39 hereof) installing appropriate spill and overfill devices and placing an impervious material, such as asphalt or concrete, over the ground area above and in the vicinity of the Tanks.

(i) (1) The Lessee shall remove the Tanks from the premises on or before the expiration of the Lease and the Lessee agrees to dispose of the Tanks off the Airport in accordance with all Environmental Requirements.

(2) Any removal of the Tanks shall be performed pursuant to an alteration application prepared by the Lessee and submitted to the Port Authority for the Port Authority's approval and in connection with such removal, the Lessee shall restore the premises to the same condition existing prior to the installation of the Tanks, shall perform such testing of the Tanks and of the soil, sub-soil, and ground water in the vicinity of the Tanks as shall be required by the Port Authority and shall clean-up and remediate contamination disclosed by said testing. In the event the Lessee does not remove the Tanks as required by subparagraph (1) above, the Port Authority may enter upon the premises and effect the removal and disposal of the Tanks, restoration of the premises and such remediation and the Lessee hereby agrees to pay all costs and expenses of the Port Authority arising out of such removal, disposal, restoration and remediation.

Section 51. Force Majeure

(a) Neither the Port Authority nor the Lessee shall be deemed to be in violation of this Agreement if it is prevented from performing any of its obligations hereunder by reason of strikes, boycotts, labor disputes, embargoes, shortages of material, acts of God, acts of the public enemy, acts of superior governmental authority, weather conditions, tides, riots, rebellion, sabotage or any other circumstances for which it is not responsible and which are not within its control; provided, however, that this provision shall not apply to failures by the Lessee to pay the rentals specified in Section 4 and shall not apply to any other charges or money payments; and, provided, further, that this provision shall not prevent either party from exercising any right of termination it may have under this Agreement.

(b) No abatement, diminution or reduction of the rental or other charges payable by the Lessee shall be claimed or allowed to the Lessee for any inconvenience, interruption, cessation or loss of business or other loss caused, directly or indirectly, by any present or future laws, rules, requirements, orders, directions, ordinances or regulations of the United States of America, or of any state, county or city governments, or of any other municipal, governmental, or lawful authority whatsoever other than the Port Authority, or by priorities, rationing or curtailment of labor or materials, or by war or any matter or thing resulting therefrom or by any other cause or causes beyond the control of the Port Authority, nor shall this Agreement be affected by any such causes, except as otherwise herein specifically provided.

The provisions set forth in this Part I are similar to the conditions for bidding on federal government contract adopted by the Office of Federal Contract Compliance and effective May 8, 1978.

The Lessee as well as each bidder, contractor and subcontractor of the Lessee and each subcontractor of a contractor at any tier of construction (herein collectively referred to as "the Contractor") must fully comply with the following conditions set forth herein as to each construction trade to be used on the construction work or any portion thereof (said conditions being herein called "Bid Conditions"). The Lessee hereby commits itself to the goals for minority and female utilization set forth below and all other requirements, terms and conditions of the Bid Conditions. The Lessee shall likewise require the Contractor to commit itself to the said goals for minority and female utilization set forth below and all other requirements, terms and conditions of the Bid Conditions by submitting a properly signed bid.

II. The Lessee and the Contractor shall each appoint an executive of its company to assume the responsibility for the implementation of the requirements, terms and conditions of the following Bid Conditions:

(a) The goals for minority and female participation expressed in percentage terms for the Contractor's aggregate workforce in each trade on all construction work are as follows:

- | | |
|----------------------------|------|
| (1) Minority participation | |
| Minority, except laborers | 30% |
| Minority, laborers | 40% |
| (2) Female participation | |
| Female, except laborers | 6.9% |

Female, laborers

6.9%

These goals are applicable to all the Contractor's construction work performed in and for the premises.

The Contractor's specific affirmative action obligations required herein of minority and female employment and training must be substantially uniform throughout the length of the contract, and in each trade, and the Contractor shall make good faith efforts to employ minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the Contractor's goals shall be a violation of the contract. Compliance with the goals will be measured against the total work hours performed.

(b) The Contractor shall provide written notification to the Lessee and the Lessee shall provide written notification to the Manager of the Office of Business and Job Opportunity of the Port Authority within 10 working days of award of any construction subcontract in excess of \$10,000 at any tier for construction work. The notification shall list the name, address and telephone number of the subcontractor; employer identification number; estimated starting and completion dates of the subcontract; and the geographical area in which the subcontract is to be performed.

(c) As used in these specifications:

(1) "Employer identification number" means the Federal Social Security number used on the Employer's Quarterly Federal Tax Return, U.S. Treasury Department Form 941:

(2) "Minority" includes:

(i) Black (all persons having origins in any of the Black African racial groups not of Hispanic origin);

(ii) Hispanic (all persons of Mexican, Puerto Rican, Dominican, Cuban, Central or South American culture or origin, regardless of race);

(iii) Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands); and

(iv) American Indian or Alaskan Native (all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification).

(d) Whenever the Contractor, or any subcontractor at any tier, subcontracts a portion of the construction work involving any construction trade, it shall physically include in each subcontract in excess of \$10,000 those provisions which include the applicable goals for minority and female participation.

(e) The Contractor shall implement the specific affirmative action standards provided in subparagraphs (1) through (16) of Paragraph (h) hereof. The goals set forth above are expressed as percentages of the total hours of employment and training of minority and female utilization the Contractor should reasonably be able to achieve in each construction trade in which it has employees in the premises. The Contractor is expected to make substantially uniform progress toward its goals in each craft during the period specified.

(f) Neither the provisions of any collective bargaining agreement, nor the failure by a union with whom the Contractor has a collective bargaining agreement, to refer either minorities or women shall excuse the Contractor's obligations hereunder.

(g) In order for the nonworking training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees must be employed by the Contractor during the training period, and the Contractor must have made a commitment to employ the apprentices and trainees at the completion of their training subject to the availability of employment opportunities. Trainees must be trained pursuant to training programs approved by the U.S. Department of Labor.

(h) The Contractor shall take specific affirmative actions to ensure equal employment opportunity ("EEO").

The evaluation of the Contractor's compliance with these provisions shall be based upon its good faith efforts to achieve maximum results from its actions. The Contractor shall document these efforts fully, and shall implement affirmative action steps at least as extensive as the following:

(1) Ensure and maintain a working environment free of harassment, intimidation, and coercion at all sites, and in all facilities at which the Contractor's employees are assigned to work. The Contractor, where possible, will assign two or more women to each Phase of the construction project. The Contractor, shall specifically ensure that all foremen, superintendents, and other supervisory personnel at the premises are aware of and carry out the Contractor's obligation to maintain such a working environment, with specific attention to minority or female individuals working at the premises.

(2) Establish and maintain a current list of minority and female recruitment sources, provide written notification to minority and female recruitment sources and to community organizations when the Contractor or its unions have employment

opportunities available, and maintain a record of the organizations' responses.

(3) Maintain a current file of the names, addresses and telephone number of each minority and female off-the-street applicant and minority or female referral from a union, a recruitment source or community organization and of what action was taken with respect to each such individual. If such individual was sent to the union hiring hall for referral and was not referred back to the Contractor by union or, if referred, not employed by the Contractor, this shall be documented in the file with the reason therefor, along with whatever additional actions the Contractor may have taken.

(4) Provide immediate written notification to the Lessee when the union or unions with which the Contractor has a collective bargaining agreement has not referred to the Contractor a minority person or woman sent by the Contractor, or when the Contractor has other information that the union referral process has impeded the Contractor's efforts to meet its obligations.

(5) Develop on-the-job training opportunities and/or participate in training programs for the area which expressly include minorities and women, including upgrading programs and apprenticeship and training programs relevant to the Contractor's employment needs, especially those programs funded or approved by the Department of Labor. The Contractor shall provide notice of these programs to the sources compiled under subparagraph (2) above.

(6) Disseminate the Contractor's EEO Policy by providing notice of the policy to unions and training programs and requesting their cooperation in assisting the Contractor in meeting its EEO obligations; by including it in any policy manual and collective bargaining agreement; by publicizing it in the Contractor's newspaper, annual report, etc.; by specific review of the policy with all management personnel and with all minority and female employees at least once a year; and by posting the Contractor's EEO policy on bulletin boards accessible to all employees at each location where construction work is performed.

(7) Review, at least every six months the Contractor's EEO policy and affirmative action obligations hereunder with all employees having any responsibility for hiring, assignment, layoff, termination or other employment decision including specific review of these items with on-premises supervisory personnel such as Superintendents, General Foremen, etc., prior to the initiation of construction work at the premises. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed, and disposition of the subject matter.

(8) Disseminate the Contractor's EEO policy externally by including it in any advertising in the news media, specifically including minority and female news media,

and providing written notification to and discussing the Contractor's EEO policy with other Contractors and Subcontractors with whom the Contractor does or anticipates doing business.

(9) Direct its recruitment efforts, both oral and written, to minority, female and community organizations, to schools with minority and female students and to minority and female recruitment and training organizations and to State-certified minority referral agencies serving the Contractor's recruitment area and employment needs. Not later than one month prior to the date for the acceptance of applications for apprenticeship or other training by any recruitment source, the Contractor shall send written notification to organizations such as the above, describing the openings, screening procedures, and tests to be used in the selection process.

(10) Encourage present minority and female employees to recruit other minority persons and women and, where reasonable, provide after school, summer and vacation employment to minority and female youth both on the premises and in areas of a Contractor's workforce.

(11) Tests and other selecting requirements shall comply with 41 CFR Part 60-3.

(12) Conduct, at least every six months, an inventory and evaluation at least of all minority and female personnel for promotional opportunities and encourage these employees to seek or to prepare for, through appropriate training, etc., such opportunities.

(13) Ensure that seniority practices, job classifications, work assignments and other personnel practices, do not have a discriminatory effect by continually monitoring all personnel and employment related activities to ensure that the EEO policy and the Contractor's obligations hereunder are being carried out.

(14) Ensure that all facilities and company activities are nonsegregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure privacy between the sexes.

(15) Document and maintain a record of all solicitations of offers for subcontracts from minority and female construction contractors and suppliers, including circulation of solicitations to minority and female contractor associations and other business associations.

(16) Conduct a review, at least every six months, of all supervisors' adherence to and performance under the Contractors' EEO policies and affirmative action obligations.

(i) Contractors are encouraged to participate in voluntary associations which assist in fulfilling one or more of their affirmative action obligations (subparagraphs (1)-(16) of Paragraph (h) above). The efforts of a contractor association, joint contractor-union, contractor-community, or other similar group of which the Contractor is a member and participant, may be asserted as fulfilling any one or more of its obligations under Paragraph (h) hereof provided that: the Contractor actively participates in the group, makes good faith efforts to assure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the program are reflected in the Contractor's minority and female workforce participation, makes good faith efforts to meet its individual goals and timetables, and can provide access to documentation which demonstrates the effectiveness of actions taken on behalf of the Contractor. The obligation to comply, however, is the Contractor's and failure of such a group to fulfill an obligation shall not be a defense for the Contractor's non-compliance.

(j) A single goal for minorities and a separate single goal for women have been established. The Contractor, however, is required to provide equal opportunity and to take affirmative action for all minority groups, both male and female, and all women, both minority and non-minority. Consequently, the Contractor may be in violation hereof if a particular group is employed in a substantially disparate manner (for example, even though the Contractor has achieved its goals for women generally, the Contractor may be in violation hereof if a specific minority group of women is underutilized).

(k) The Contractor shall not use the goals and timetables or affirmative action standards to discriminate against any person because of race, color, religion, sex or national origin.

(l) The Contractor shall not enter into any subcontract with any person or firm debarred from Government contracts pursuant to Executive Order 11246.

(m) The Contractor shall carry out such sanctions and penalties for violation of this clause including suspension, termination and cancellation of existing subcontracts as may be imposed or ordered by the Lessee. Any Contractor who fails to carry out such sanctions and penalties shall be in violation hereof.

(n) The Contractor, in fulfilling its obligations hereunder shall implement specific affirmative actions steps, at least as extensive as those standards prescribed in paragraph (h) hereof so as to achieve maximum results from its efforts to ensure equal employment opportunity. If the Contractor fails to comply with the requirements of these provisions, the Lessee shall proceed accordingly.

(o) The Contractor shall designate a responsible official to monitor all employment related activity to ensure that the company EEO policy is being carried out, to submit reports relating to the provisions hereof as may be required and to keep records. Records shall at least include for each employee the name, address, telephone numbers, construction trade, union

affiliation if any, employee identification number when assigned, social security number, race, sex, status (e.g. mechanical apprentice, trainee, helper, or laborer), dates of changes in status, hours worked per week in the indicated trade, rate of pay, and location at which the work is performed. Records shall be maintained in an easily understandable and retrievable form; however, to the degree that existing records satisfy this requirement, contractors shall not be required to maintain separate records.

(p) Nothing herein provided shall be construed as a limitation upon the application of any laws which establish different standards of compliance or upon the application of requirements for the hiring of local or other area residents (e.g., those under the Public Works Employment Act of 1977 and the Community Development Block Grant Program).

(q) Without limiting any other obligation, term or provision under the Lease, the Contractor shall cooperate with all federal, state or local agencies established for the purpose of implementing affirmative action compliance programs and shall comply with all procedures and guidelines established or which may be established by the Port Authority.

PART II MINORITY BUSINESS ENTERPRISES/WOMEN-OWNED BUSINESS ENTERPRISES

As a matter of policy the Port Authority requires the Lessee and the Lessee shall itself and shall require the general contractor or other construction supervisor and each of the Lessee's contractors to use every good faith effort to provide for meaningful participation by Minority Business Enterprises (MBEs) and Women-owned Business Enterprises (WBEs) in the construction work pursuant to the provisions of this Schedule E. For purposes hereof, "Minority Business Enterprise" "(MBE)" shall mean any business enterprise which is at least fifty-one percentum owned by, or in the case of a publicly owned business, at least fifty-one percentum of the stock of which is owned by citizens or permanent resident aliens who are minorities and such ownership is real, substantial and continuing. For the purposes hereof, "Women-owned Business Enterprise" "(WBE)" shall mean any business enterprise which is at least fifty-one percentum owned by, or in the case of a publicly owned business, at least fifty-one percentum of the stock of which is owned by women and such ownership is real, substantial and continuing. A minority shall be as defined in paragraph II(c) of Part I of this Schedule E. "Meaningful participation" shall mean that at least seventeen percent (17%) of the total dollar value of the construction contracts (including subcontracts) covering the construction work are for the participation of Minority Business Enterprises and Women-owned Business Enterprises, of which at least twelve percent (12%) are for the participation of Minority Business Enterprises. Good faith efforts to include meaningful participation by MBEs and WBEs shall include at least the following:

(a) Dividing the work to be subcontracted into smaller portions where feasible.

(b) Actively and affirmatively soliciting bids for subcontracts from MBEs and WBEs, including circulation of solicitations to minority and female contractor associations. The Contractor shall maintain records detailing the efforts made to provide for meaningful MBE and WBE participation in the work, including the names and addresses of all MBEs and WBEs contacted and, if any such MBE or WBE is not selected as a joint venturer or subcontractor, the reason for such decision.

(c) Making plans and specifications for prospective construction work available to MBEs and WBEs in sufficient time for review.

(d) Utilizing the list of eligible MBEs and WBEs maintained by the Port Authority or seeking minorities and women from other sources for the purpose of soliciting bids for subcontractors.

(e) Encouraging the formation of joint ventures, partnerships or other similar arrangements among subcontractors, where appropriate, to insure that the Lessee and Contractor will meet their obligations hereunder.

(f) Insuring that provision is made to provide progress payments to MBEs and WBEs on a timely basis.

(g) Not requiring bonds from and/or providing bonds and insurance for MBEs and WBEs, where appropriate.

Certification of MBEs and WBEs hereunder shall be made by the Office of Business and Job Opportunity of the Port Authority. If the Contractor wishes to utilize a firm not already certified by the Port Authority, it shall submit to the Port Authority a written request for a determination that the proposed firm is eligible for certification. This shall be done by completing and forwarding such form as may be then required by the Port Authority. All such requests shall be in writing addressed to the Office of Business and Job Opportunity, the Port Authority of New York and New Jersey, One World Trade Center, 63 East, New York, New York 10048 or such other address as the Port Authority may specify by notice to the Lessee. Certification shall be effective only if made in writing the Director in charge of the Office of Business and Job Opportunity of the Port Authority. The determination of the Port Authority shall be final and binding.

The Port Authority has compiled a list of the firms that the Port Authority has determined satisfy the criteria for MBE and WBE certification. This list may be supplemented and revised from time to time by the Port Authority. Such list shall be made available to the Contractor upon request. The Port Authority makes no representation as the financial responsibility or such, firms, their technical competence to perform, or any other performance-related qualifications.

dobbs/g-475/698.2

Only MBE's and WBE's certified by the Port Authority will count toward the MBE and WBE goals.

Please note that only sixty percent (60%) of expenditures to MBE or WBE suppliers will count towards meeting the MBE and WBE goals. However, expenditures to MBE or WBE manufacturer's (i.e. suppliers that produce goods from raw materials or substantially alter them before resale) are counted dollar for dollar.

The Permittee in executing this Permit represents that the Effective Date appearing in Item 6 on the first page of this Permit is the date the Permittee commenced any of the activities permitted by this Permit. If the Port Authority determines by audit or otherwise that the Permittee commenced any of the activities permitted by this Permit prior to said effective date, the Effective Date of this Permit shall be the date the Permittee commenced any of the activities permitted by this Permit and all obligations of the Permittee under this Permit shall commence on such date including without limitation the Permittee's indemnity obligations and obligations to pay fees.

(b) Notwithstanding any other term or condition hereof, the permission hereby granted may be revoked without cause upon thirty (30) days' written notice by the Port Authority, or terminated without cause upon thirty (30) days' written notice by the Permittee, provided, however, that it may be revoked on twenty-four (24) hours' notice by the Port Authority if the Permittee shall fail to keep, perform and observe each and every promise, agreement, condition, term and provision contained in this Permit, including but not limited to the obligation to pay fees. Unless sooner revoked or terminated, such permission shall expire in any event upon the expiration date hereinbefore set forth.

(c) In the event the Port Authority exercises its right to revoke this Permit for any reason other than "without cause", the Permittee shall be obligated to pay to the Port Authority

an amount equal to all costs and expenses reasonably incurred by the Port Authority in connection with such revocation, including without limitation any and all personnel and legal costs (including but not limited to the cost to the Port Authority of in-house legal services) and disbursements incurred by it arising out of, relating to, or in connection with the enforcement or revocation of this Permit including, without limitation, legal proceedings initiated by the Port Authority to exercise its revocation rights and to collect all amounts due and owing to the Port Authority under this Permit.

(d) For the purposes of this Permit, a default by the Permittee in keeping, performing or observing any promise, obligation, term or agreement set forth herein on the part of the Permittee to be kept, performed or observed shall include the following whether or not the time has yet arrived for the keeping, performance or observance of any such promise, obligation, term or agreement:

(i) a statement by the Permittee to any representative of the Port Authority indicating that it cannot or will not keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit;

(ii) any act or omission of the Permittee or any other occurrence which makes it improbable at the time that it will be able to keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit; or

(iii) any suspension of or failure to proceed with any part of the privileges to be performed by the Permittee which makes it improbable at the time that it will be able to keep, perform or observe any one or more of its promises, obligations, terms or agreements under this Permit.

(e) (i) If any type of strike, boycott, picketing, work stoppage, slowdown or other labor activity is directed against the Permittee at the Airport or against any operations of the Permittee under this Permit, whether or not the same is due to the fault of the Permittee and whether or not caused by the employees of the Permittee, and if any of the foregoing, in the opinion of the Port Authority, results or is likely to result in curtailment or diminution of the privileges to be performed hereunder by the Permittee or to interfere with or affect the operation of the Airport by the Port Authority or to interfere with or affect the operations of lessees, licensees, permittees or other users of the Airport, the Port Authority shall have the right at any time during the continuance thereof to suspend the operations of the Permittee under this Permit and/or to revoke this Permit.

(ii) In the event the Port Authority exercises its right to revoke this Permit, as aforesaid, it shall do so by twenty-four (24) hours' written notice to the Permittee, effective as of the time specified in the notice. The exercise by the Port Authority of its right of suspension shall not waive or affect or be deemed to waive or affect the right of revocation.

(iii) Prior to the exercise of the right of suspension by the Port Authority, it shall give the Permittee notice thereof, which notice may be oral. The Permittee shall not perform its operations authorized by this Permit during the period of the suspension. The period of suspension shall end not more than twenty-four (24) hours after the cause thereof has ceased or been cured and the Permittee shall notify the Port Authority of such cessation or cure.

(iv) The rights of suspension and revocation as hereinbefore set forth may be exercised by the Port Authority prior to the Effective Date set forth in Item 6 on the first page of this Permit. No exercise by the Port Authority of its rights granted to it in paragraph (e) of this Section shall be deemed to be a waiver of any other rights of revocation contained in this Permit or a waiver of any other rights or remedies which may be available to the Port Authority under this Permit or otherwise.

(l) No revocation or termination of the permission hereunder shall relieve the Permittee of any liabilities or obligations hereunder which shall have accrued on or prior to the effective date of revocation or termination.

(g) No exercise by the Port Authority of any right of revocation granted to it in this Section shall be deemed to be a waiver of any other rights of revocation contained in this Section or elsewhere in this Permit or a waiver of any other rights or remedies which may be available to the Port Authority under this Permit or otherwise.

3. Exercise of Rights:

(a) The rights granted hereby shall be exercised

(i) if the Permittee is a corporation, by the Permittee acting only through the medium of its officers and employees,

(ii) if the Permittee is an unincorporated association, or a "Massachusetts" or business trust, by the Permittee acting only through the medium of its members, trustees, officers, and employees,

(iii) if the Permittee is a partnership, by the Permittee acting only through the medium of its partners and employees,

(iv) if the Permittee is an individual, by the Permittee acting only personally or through the medium of its employees, and

and the Permittee shall not, without the written approval of the Port Authority, exercise such rights through the medium of any other Person. The Permittee shall not assign or transfer this Permit or any of the rights granted hereby, or enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor. In the event of the issuance of this Permit to more than one individual or other legal entity (or to any combination thereof), then and in that event each and every obligation or undertaking herein stated to be fulfilled or performed by the Permittee shall be the joint and several obligation of each such individual or other legal entity.

(b) No greater rights or privileges are hereby granted to the Permittee than the Port Authority has power to grant under the Basic Lease.

(c) Neither this Permit nor anything contained herein, shall be deemed to grant any rights in the Permittee to use and occupy any land, building space or other area at the Airport or

shall be deemed to have created any obligation on the part of the Port Authority to provide any such land, space or area to the Permittee.

(d) Neither the execution and delivery of this Permit nor any act done pursuant thereto shall create between any terminal operator, lessee or other occupant of land at the Airport including but not limited to the Permittee, on one hand, and the Port Authority on the other hand the relationship of bailor and bailee, or any other relationship or any legal status which would impose upon the Port Authority with respect to any personal property.

(e) This Permit does not constitute the Permittee the agent or representative of the Port Authority for any purpose whatsoever.

(f) Nothing contained in this Permit shall constitute permission to the Permittee to park or store equipment or personal property at any location or area at the Airport.

(g) The Permittee shall have no right hereunder to carry on any business or operation at the Airport other than that specifically provided herein.

(h) It is understood that any and all privileges granted hereunder to the Permittee are non-exclusive and shall not be construed to prevent or limit the granting of similar privileges at the Airport to another or others, whether by this form of permit or otherwise, and neither the granting to others of rights and privileges granted hereunder nor the existence of agreements by which similar rights and privileges have been previously granted to others shall constitute a violation or breach of the permission herein granted.

(i) The Permittee, its employees, invitees and others doing business with it shall have no right hereunder to park vehicles within the Airport.

(j) The words "permission" and "privilege" are used interchangeably in this Permit, and except where expressly provided to the contrary, shall mean the privileges granted by this Permit.

4. Omitted

5. Security Deposit:

(a) (i) Provided that an amount is set forth in Item 8 on the first page of this Permit (the "*Required Security Deposit*"), and, provided, further, the amount of said Required Security Deposit is less than \$20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deposit with the Port Authority (and shall keep deposited throughout the effective period of the permission under this Permit) the Required Security Deposit, either in cash, or bonds of the United States of America, or of the State of New Jersey, or of the State of New York, or of the Port Authority of New York and New Jersey, having a market value of that amount, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of this Permit on its part to be fulfilled, kept, performed or observed. Bonds qualifying for deposit hereunder shall be in bearer form but if bonds of that issue were offered only in registered form, then the Permittee may deposit such bonds or bonds in registered form, provided, however, that the Port Authority shall be under no obligation to accept such deposit of a bond in registered form unless such bond has been re-registered in the name of the

Port Authority (the expense of such re-registration to be borne by the Permittee) in a manner satisfactory to the Port Authority. The Permittee may request the Port Authority to accept a registered bond in the Permittee's name and if acceptable to the Port Authority the Permittee shall deposit such bond together with an irrevocable bond power (and such other instruments or other documents as the Port Authority may require) in form and substance satisfactory to the Port Authority. In the event the Required Security Deposit is returned to the Permittee, any expenses incurred by the Port Authority in re-registering a bond to the name of the Permittee shall be borne by the Permittee. In addition to any and all other remedies available to it, the Port Authority shall have the right, at its option, at any time and from time to time, with or without notice, to use the Required Security Deposit, or any part thereof, in whole or partial satisfaction of any of its claims or demands against the Permittee. There shall be no obligation on the Port Authority to exercise such right and neither the existence of such right nor the holding of the Required Security Deposit itself shall cure any default or breach of this Permit on the part of the Permittee. With respect to any bonds deposited by the Permittee, the Port Authority shall have the right, in order to satisfy any of its claims or demands against the Permittee, to sell the same in whole or in part, at any time, and from time to time, with or without prior notice at public or private sale, all as determined by the Port Authority, together with the right to purchase the same at such sale free of all claims, equities or rights of redemption of the Permittee. The Permittee hereby waives all right to participate therein and all right to prior notice or demand of the amount or amounts of the claims or demands of the Port Authority against the Permittee. The proceeds of every such sale shall be applied by the Port Authority first to the costs and expenses of the sale (including but not limited to advertising or commission expenses) and then to the amounts due the Port Authority from the Permittee. Any balance remaining shall be retained in cash toward bringing the Required Security Deposit to the sum specified in Item 8 on the first page of this Permit. In the event that the Port Authority shall at any time or times so use the Required Security Deposit, or any part thereof, or if bonds shall have been deposited and the market value thereof shall have declined below the amount set forth in Item 8 on the first page of this Permit, the Permittee shall, on demand of the Port Authority and within two (2) days thereafter, deposit with the Port Authority additional cash or bonds so as to maintain the Required Security Deposit at all times to the full amount above stated in Item 8 on the first page of this Permit, and such additional deposits shall be subject to all the conditions of this Section. After the expiration or earlier revocation or termination of the effective period of the permission under this Permit, and upon condition that the Permittee shall then be in no wise in default under any part of this Permit, and upon written request therefor by the Permittee, the Port Authority will return the Required Security Deposit to the Permittee less the amount of any and all unpaid claims and demands (including estimated damages) of the Port Authority by reason of any default or breach by the Permittee of this Permit or any part thereof. The Permittee agrees that it will not assign or encumber the Required Security Deposit. The Permittee may collect or receive any interest or income earned on bonds and interest paid on cash deposited in interest-bearing bank accounts, less any part thereof or amount which the Port Authority is or may hereafter be entitled or authorized by law to retain or to charge in connection therewith, whether as or in lieu of an administrative expense, or custodial charge, or otherwise; provided, however, that the Port Authority shall not be obligated by this provision to place or to keep cash deposited hereunder in interest-bearing bank accounts.

(ii) In lieu of the Required Security Deposit made in the form described above in paragraph (a)(i), the Permittee may at any time during the effective period of the permission granted under this Permit offer to deliver to the Port Authority, as security for all obligations of the Permittee under this Permit, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York

District, in favor of the Port Authority in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent satisfactory letter. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless, by a date twenty (20) days prior to the effective date of cancellation, the letter of credit is replaced by security in accordance with paragraph (a)(i) of this Section or another letter of credit satisfactory to the Port Authority, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security under paragraph (a)(i) of this Section. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit, valid and available to the Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. Upon acceptance of such letter of credit by the Port Authority, and upon request by the Permittee made thereafter, the Port Authority will return the Required Security Deposit, if any, theretofore made under and in accordance with the provisions of paragraph (a)(i) of this Section. The Permittee shall have the same rights to receive such Required Security Deposit during the existence of a valid letter of credit as it would have to receive such sum upon expiration of the effective period of the permission granted under this Permit and fulfillment of the obligations of the Permittee hereunder. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee on demand of the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to its full amount.

(b) Provided that a Required Security Deposit amount is set forth in Item 8 on the first page of this Permit, and, provided, further, the amount of said Required Security Deposit is equal to or greater than \$20,000.00, upon the execution of this Permit by the Permittee and delivery thereof to the Port Authority, the Permittee shall deliver to the Port Authority, as security for the full, faithful and prompt performance of and compliance with, on the part of the Permittee, all of the terms, provisions, covenants and conditions of the Permit on its part to be fulfilled, kept, performed or observed, a clean irrevocable letter of credit issued by a banking institution satisfactory to the Port Authority and having its main office within the Port of New York District and acceptable to the Port Authority, in favor of the Port Authority, and payable in the Port of New York District in the amount of the Required Security Deposit. The form and terms of such letter of credit, as well as the institution issuing it, shall be subject to the prior and continuing approval of the Port Authority. Such letter of credit shall provide that it shall continue throughout the effective period of the permission granted under this Permit and for a period of not less than six (6) months thereafter; such continuance may be by provision for automatic renewal or by substitution of a subsequent clean and irrevocable satisfactory letter of credit. If requested by the Port Authority, said letter of credit shall be accompanied by a letter explaining the opinion of counsel for the banking institution that the issuance of said clean, irrevocable letter of credit is an appropriate and valid exercise by the banking institution of the corporate power conferred upon it by law. Upon notice of cancellation of a letter of credit, the Permittee agrees that unless the letter of credit is replaced by another letter of credit satisfactory to the Port Authority by a date not later than twenty (20) days prior to the effective date of cancellation, the Port Authority may draw down the full amount thereof and thereafter the Port Authority will hold the same as security. Failure to provide such a letter of credit at any time during the effective period of the permission granted under this Permit valid and available to the

Port Authority, including any failure of any banking institution issuing any such letter of credit previously accepted by the Port Authority to make one or more payments as may be provided in such letter of credit, shall be deemed to be a breach of this Permit on the part of the Permittee. If the Port Authority shall make any drawing under a letter of credit held by the Port Authority hereunder, the Permittee, upon demand by the Port Authority and within two (2) days thereafter, shall bring the letter of credit back up to the amount of the Required Security Deposit. No action by the Port Authority pursuant to the terms of any letter of credit, or any receipt by the Port Authority of funds from any bank issuing such letter of credit, shall be or be deemed to be a waiver of any default by the Permittee under the terms of this Permit, and all remedies under this Permit and of the Port Authority consequent upon such default shall not be affected by the existence of a recourse to any such letter of credit.

(c) The Permittee acknowledges and agrees that the Port Authority reserves the right, in its sole discretion at any time and from time to time upon fifteen (15) days' notice to the Permittee, to adjust the amount of the Required Security Deposit. Not later than the effective date set forth in said notice by the Port Authority, the Permittee shall furnish additional cash or bonds, as provided for in paragraph (a) above, or an amendment to, or a replacement of, the letter of credit providing for such adjusted amount of the Required Security Deposit, as the case may be, and such additional cash and/or bonds or adjusted (or replaced) letter of credit shall thereafter constitute the Required Security Deposit required under this Section.

(d) If the Permittee is obligated by any other agreement to maintain a security deposit with the Port Authority to insure payment and performance by the Permittee of all fees, rentals, charges and obligations which may become due and owing to the Port Authority arising from the Permittee's operations at the Airport pursuant to any such other agreement or otherwise, then all such obligations under such other agreement and any deposit pursuant thereto also shall be deemed obligations of the Permittee under this Permit and as security hereunder as well as under any such other agreement and all provisions of such other agreement with respect to such obligations and any obligations thereunder of the Port Authority as to the security deposit are hereby incorporated herein by this reference as though fully set forth herein and hereby made a part hereof. The termination, revocation, cancellation or expiration of any other agreement to which such security shall apply or any permitted assignment of such other agreement shall not affect such obligations as to such security which shall continue in full force and effect hereunder.

6. Permittee's Operations:

(a) The Permittee shall provide to the Port Authority, upon request of the Port Authority from time to time, such information and data in connection with the permission granted hereunder as the Port Authority may request and shall, if so requested by the Port Authority, make periodic reports thereof to the Port Authority utilizing such forms as may be adopted by the Port Authority for such purpose.

(b) The Permittee shall daily remove from the Airport by means of facilities provided by it all garbage, debris and other waste material (whether solid or liquid) arising out of or in connection with the permission granted hereunder, and any such not immediately removed shall be temporarily stored in a clean and sanitary condition, in suitable garbage and waste receptacles, the same to be made of metal and equipped with tight-fitting covers, and to be of a design safely and properly to contain whatever material may be placed therein; said receptacles being provided and maintained by the Permittee. The receptacles shall be kept covered except when filling or emptying the same. The Permittee shall exercise extreme care in removing such garbage, debris

and other waste materials from the Airport. The manner of such storage and removal shall be subject in all respects to the continual approval of the Port Authority. No facilities of the Port Authority shall be used for such removal unless with its prior consent in writing. No such garbage, debris or other waste materials shall be or be permitted to be thrown, discharged or disposed into or upon the waters at or bounding the Airport.

(c) The Permittee shall at all times that areas of the Airport are being used for the privileges permitted hereunder, maintain said areas in a clean and orderly condition and appearance. The Permittee shall promptly wipe up any oil, gasoline, grease, lubricants and other inflammable liquids and substances and any liquids and substances having a corrosive or detrimental effect on the paving or other surface of the ramps or other areas upon which it performs the privileges authorized by this Permit resulting from its operations hereunder. The Permittee shall repair, replace, repave or rebuild, or at the Port Authority's election, the Permittee shall pay to the Port Authority the cost to the Port Authority of repairing, replacing, repaving or rebuilding, all or any part of the ramps or other areas upon which it performs the privileges authorized by this Permit which may be damaged or destroyed by such oil, gasoline, grease, lubricants or other liquids or substances or by any other act or omission of the Permittee or its employees, except for reasonable wear and tear arising out of its operations thereon.

(d) A principal purpose of the Port Authority in granting the permission under this Permit is to have available at the Airport, the privileges which the Permittee is permitted to render hereunder. The Permittee agrees that it will conduct a first-class operation and will furnish all fixtures, equipment, personnel (including licensed personnel as necessary), supplies, materials and other facilities and replacements necessary or proper therefor, and keep the same in a first-class operating condition at all times.

(e) The Permittee shall immediately comply with all orders, directives and procedures as may be issued by the General Manager of the Airport covering the operations of the Permittee under this Permit at any time and from time to time. The Port Authority may, at any time and from time to time, without prior notice or cause, withdraw or modify any designation, approval, substitution or redesignation given by it hereunder.

(f) In the event of any injury or death to any person (other than employees of the Permittee) at the Airport when caused by the Permittee's operations, or damage to any property (other than the Permittee's property) at the Airport when caused by the Permittee's operations, the Permittee shall immediately notify the Port Authority and promptly thereafter furnish to the Port Authority copies of all reports given to the Permittee's insurance carrier.

(g) The operations of the Permittee, its employees, invitees and those doing business with it shall be conducted in an orderly and proper manner and so as not to annoy, disturb or be offensive to others at the Airport. The Permittee shall provide and its employees shall wear or carry badges or other suitable means of identification and the employees shall wear appropriate uniforms. The badges, means of identification and uniforms shall be subject to the written approval of the General Manager of the Airport. The Port Authority shall have the right to object to the Permittee as to the demeanor, conduct and appearance of the Permittee's employees, invitees and those doing business with it, whereupon the Permittee will take all steps necessary to remove the cause of the objection.

(h) The Permittee shall promptly repair or replace any property of the Port Authority damaged by the Permittee's operations at the Airport.

7. Indemnity:

(a) The Permittee shall indemnify and hold harmless the Port Authority, its Commissioners, officers, employees and representatives, from and against (and shall reimburse the Port Authority for the Port Authority's costs and expenses including legal costs and expenses incurred in connection with the defense of) all claims and demands of third Persons including but not limited to claims and demands for death or personal injuries, or for property damages, arising out of any default of the Permittee in performing or observing any term or provision of this Permit, or out of the operations of the Permittee hereunder, or out of any of the acts or omissions of the Permittee, its officers, employees or Persons who are doing business with the Permittee arising out of or in connection with the activities permitted hereunder, or arising out of the acts or omissions of the Permittee, its officers or employees at the Airport, including claims and demands of the City against the Port Authority for indemnification arising by operation of law or through agreement of the Port Authority with the said City.

(b) Without limiting any other term or provision hereof, the Permittee agrees to indemnify and hold harmless the Port Authority, its Commissioners, officers, employees, agents and representatives of and from any loss, liability, expense, suit or claim for damages in connection with any actual or alleged infringement of any patent, trademark or copyright, or arising from any alleged or actual unfair competition or other similar claim arising out of the operations of the Permittee under or in any wise connected with this Permit.

(c) Without limiting any other term or provision hereof, the Permittee shall indemnify the Port Authority and hold it harmless against all claims and demands of third Persons for damage to any aircraft cargo or baggage or any other property handled or delivered pursuant to the permission granted by this Permit.

(d) If so directed, the Permittee shall at its own expense defend any suit based upon any such claim or demand set forth in paragraphs (a), (b) and (c) above (even if such claim or demand is groundless, false or fraudulent), and in handling such it shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority, or the provisions of any statutes respecting suits against the Port Authority.

8. Liability Insurance:

(a) The Permittee, in its own name as insured and including the Port Authority as an additional insured, shall maintain and pay the premiums during the effective period of the Permit on a policy or policies of Commercial General Liability Insurance, including premises-operations and products-completed operations and covering bodily-injury liability, including death, and property damage liability, none of the foregoing to contain care, custody or control exclusions, and providing for coverage in the minimum limit set forth in Item 9 on the first page of this Permit, and Commercial Automobile Liability Insurance covering owned, non-owned and hired vehicles and including automatic coverage for newly acquired vehicles and providing for coverage in the minimum limit set forth in Item 9 on the first page of this Permit. Without limiting the foregoing, the Permittee shall maintain Workers' Compensation and Employers Liability Insurance in accordance with the Permittee's statutory obligations under the applicable

State Workers' Compensation Law for those employees of the Permittee employed in operations conducted pursuant to this Permit at or from the Airport. In the event the Permittee maintains the foregoing insurance in limits greater than aforesaid, the Port Authority shall be included therein as an additional insured, except for the Workers' Compensation and Employers Liability Insurance policies, to the full extent of all such insurance in accordance with all terms and provisions of this Permit.

(b) Each policy of insurance, except for the Workers' Compensation and Employers Liability Insurance policies, shall also contain an ISO standard "separation of insureds" clause or a cross liability endorsement providing that the protections afforded the Permittee thereunder with respect to any claim or action against the Permittee by a third person shall pertain and apply with like effect with respect to any claim or action against the Permittee by the Port Authority and any claim or action against the Port Authority by the Permittee, as if the Port Authority were the named insured thereunder, but such clause or endorsement shall not limit, vary, change or affect the protections afforded the Port Authority thereunder as an additional insured. Each policy of insurance shall also provide or contain a contractual liability endorsement covering the obligations assumed by the Permittee under Section 7 of the Terms and Conditions of this Permit.

(c) All insurance coverages and policies required under this Section may be reviewed by the Port Authority for adequacy of terms, conditions and limits of coverage at any time and from time to time during the effective period of permission granted under this Permit. The Port Authority may, at any such time, require additions, deletions, amendments or modifications to the aforementioned insurance requirements, or may require such other and additional insurance, in such reasonable amounts, against such other insurable hazards, as the Port Authority may deem required and the Permittee shall promptly comply therewith.

(d) Each policy must be specifically endorsed to provide that the policy may not be cancelled, terminated, changed or modified without giving thirty (30) days' written advance notice thereof to the Port Authority. Each policy shall contain a provision or endorsement that the insurer "shall not, without obtaining express advance permission from the General Counsel of the Port Authority, raise any defense involving in any way the jurisdiction of the tribunal over the person of the Port Authority, the immunity of the Port Authority, its Commissioners, officers, agents or employees, the governmental nature of the Port Authority or the provisions of any statutes respecting suits against the Port Authority." The foregoing provisions or endorsements shall be recited in each policy or certificate to be delivered pursuant to the following paragraph (e).

(e) A certified copy of each policy or a certificate or certificates of insurance evidencing the existence thereof, or binders, shall be delivered to the Port Authority upon execution and delivery of this Permit by the Permittee to the Port Authority. In the event any binder is delivered it shall be replaced within thirty (30) days by a certified copy of the policy or a certificate of insurance. Any renewal policy shall be evidenced by a renewal certificate of insurance delivered to the Port Authority at least seven (7) days prior to the expiration of each expiring policy, except for any policy expiring after the date of expiration of this Permit. The aforesaid insurance shall be written by a company or companies approved by the Port Authority. If at any time any insurance policy shall be or become unsatisfactory to the Port Authority as to form or substance or if any of the carriers issuing such policy shall be or become unsatisfactory to the Port Authority, the Permittee shall promptly obtain a new and satisfactory policy in

replacement. If the Port Authority at any time so requests, a certified copy of each policy shall be delivered to or made available for inspection by the Port Authority.

(f) The foregoing insurance requirements shall not in any way be construed as a limitation on the nature or extent of the contractual obligations assumed by the Permittee under this Permit. The foregoing insurance requirements shall not constitute a representation or warranty as to the adequacy of the required coverage to protect the Permittee with respect to the obligations imposed on the Permittee by this Permit or any other agreement or by law.

9. Special Endorsements:

The Permittee hereby agrees to the terms and conditions of the endorsements attached hereto, hereby made a part hereof and marked "*Special Endorsements*". The terms and provisions of the Special Endorsements shall have the same force and effect and as if herein set forth in full.

10. No Waiver:

No failure by the Port Authority to insist upon the strict performance of any agreement, term or condition of this Permit or to exercise any right or remedy consequent upon a breach or default thereof, and no extension, supplement or amendment of this Permit during or after a breach thereof, unless expressly stated to be a waiver, and no acceptance by the Port Authority of fees, charges or other payments in whole or in part after or during the continuance of any such breach or default, shall constitute a waiver of any such breach or default of such agreement, term or condition. No agreement, term or condition of this Permit to be performed or complied with by the Permittee, and no breach or default thereof, shall be waived, altered or modified except by a written instrument executed by the Port Authority. No waiver by the Port Authority of any default or breach on the part of the Permittee in performance of any agreement, term or condition of this Permit shall affect or alter this Permit but each and every agreement, term and condition thereof shall continue in full force and effect with respect to any other then existing or subsequent breach or default thereof.

11. Removal of Property:

The personal property placed or installed by the Permittee at the Airport shall remain the property of the Permittee and must be removed on or before the expiration, revocation, cancellation or termination of the permission hereby granted, whichever shall be earlier. Without limiting the terms and provisions of paragraph (g) of Section 18 hereof, any such property remaining at the Airport after the effective date of such expiration, revocation, cancellation or termination shall be deemed abandoned by the Permittee and may be removed and disposed of by the Port Authority in any manner it so determines in its sole discretion and all the proceeds of any removal or disposition shall be retained by the Port Authority for its account and all costs and expenses of such removal and disposition shall be paid to the Port Authority by the Permittee when billed.

12. Permittee's Representative:

The Permittee's representative specified in Item 3 on the first page of this Permit (or such substitute as the Permittee may hereafter designate in writing) shall have full authority to act for

the Permittee in connection with this Permit, and any act or thing done or to be done hereunder, and to execute on the Permittee's behalf any amendments or supplements to this Permit or any extension thereof, and to give and receive notices hereunder:

13. Notices:

Except where expressly required or permitted herein to be oral, all notices, directions, requests, consents and approvals required to be given to or by either party shall be in writing, and all such notices given by the Port Authority to the Permittee shall be validly given if sent by registered or certified mail addressed to the Permittee at the address specified on the first page hereof or at the latest address that the Permittee may substitute therefor by notice to the Port Authority, or left at such address, or delivered to the Permittee's representative. Any notice from the Permittee to the Port Authority shall be validly given if sent by registered or certified mail addressed to the Executive Director of the Port Authority at 225 Park Avenue South, New York, New York 10003 or at such other address as the Port Authority shall hereafter designate by notice to the Permittee. If mailed, the notices herein required to be given shall be deemed effective and given as of the date of the certified or registered mailing thereof.

14. Late Charges:

If the Permittee should fail to pay any amount required under this Permit when due to the Port Authority including without limitation any payment of any fixed or percentage fee or any payment of utility or other charges, or if any such amount is found to be due as the result of an audit, then, in such event, the Port Authority may impose (by statement, bill or otherwise) a late charge with respect to each such unpaid amount for each late charge period (hereinbelow described) during the entirety of which such amount remains unpaid, each such late charge not to exceed an amount equal to eight-tenths of one percent of such unpaid amount for each late charge period. There shall be twenty-four (24) late charge periods on a calendar year basis; each late charge period shall be for a period of at least fifteen (15) calendar days except one late charge period each calendar year may be for a period of less than fifteen (15) (but not less than thirteen (13)) calendar days. Without limiting the generality of the foregoing, late charge periods in the case of amounts found to have been owing to the Port Authority as the result of Port Authority audit findings shall consist of each late charge period following the date the unpaid amount should have been paid under this Permit. Each late charge shall be payable immediately upon demand made at any time therefor by the Port Authority. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid late charge amount shall be deemed a waiver of the right of the Port Authority to payment of any late charge or late charges payable under the provisions of this Section with respect to such unpaid amount. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including without limitation the Port Authority's rights set forth in Section 2 of these Terms and Conditions, or (ii) any obligations of the Permittee under this Permit. In the event that any late charge imposed pursuant to this Section shall exceed a legal maximum applicable to such late charge, then, in such event, each such late charge payable under this Permit shall be payable instead at such legal maximum.

15. Non-discrimination:

(a) Without limiting the generality of any of the provisions of this Permit, the Permittee, for itself, its successors in interest and assigns, as a part of the consideration hereof, does hereby agree that (1) no person on the grounds of race, creed, color, national origin or sex

shall be excluded from participation in, denied the benefits of, or be otherwise subject to discrimination in the use of any space at the Airport and the exercise of any privileges under this Permit, (2) that in the construction of any improvements on, over, or under any space at the Airport and the furnishing of any service thereon by the Permittee, no person on the grounds of race, creed, color, national origin or sex shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination, (3) that the Permittee shall use any space at the Airport and exercise any privileges under this Permit in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended, and any other present or future laws, rules, regulations, orders or directions of the United States of America with respect thereto which from time to time may be applicable to the Permittee's operations thereat, whether by reason of agreement between the Port Authority and the United States Government or otherwise.

(b) The Permittee shall include the provisions of paragraph (a) of this Section in every agreement or concession it may make pursuant to which any Person or Persons, other than the Permittee, operates any facility at the Airport providing services to the public and shall also include therein a provision granting the Port Authority a right to take such action as the United States may direct to enforce such provisions.

(c) The Permittee's noncompliance with the provisions of this Section shall constitute a material breach of this Permit. Without limiting any other term or provision hereof or any other rights or remedies of the Port Authority hereunder or at law or equity, in the event of the breach by the Permittee of any of the above non-discrimination provisions, the Port Authority may take any appropriate action to enforce compliance or by giving twenty-four (24) hours' notice, may revoke this Permit and the permission hereunder; or may pursue such other remedies as may be provided by law; and as to any or all of the foregoing, the Port Authority may take such action as the United States may direct.

(d) Without limiting any other term or provision hereof, the Permittee shall indemnify and hold harmless the Port Authority from any claims and demands of third Persons, including the United States of America, resulting from the Permittee's noncompliance with any of the provisions of this Section and the Permittee shall reimburse the Port Authority for any loss or expense incurred by reason of such noncompliance.

(e) Nothing contained in this Section shall grant or shall be deemed to grant to the Permittee the right to transfer or assign this Permit, to make any agreement or concession of the type mentioned in paragraph (b) hereof, or any right to perform any construction on any space at the Airport, or any right to use or occupy any space at the Airport.

16. Affirmative Action:

The Permittee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Permittee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. The Permittee assures that it will require that its covered suborganizations provide assurances to the Permittee that they similarly will undertake

affirmative action programs and that they will require assurances from their suborganizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

17. Rules and Regulations:

(a) The Permittee shall observe and obey (and compel its officers, employees, guests, invitees, and those doing business with it, to observe and obey) the rules and regulations and procedures of the Port Authority now in effect, and such further reasonable rules and regulations and procedures which may from time to time during the effective period of this Permit, be promulgated by the Port Authority for reasons of safety, health, preservation of property or maintenance of a good and orderly appearance of the Airport or for the safe and efficient operation of the Airport. The Port Authority agrees that, except in cases of emergency, it shall give notice to the Permittee of every rule and regulation hereafter adopted by it at least five (5) days before the Permittee shall be required to comply therewith.

(b) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future rules and regulations, requirements, orders and directions of the Fire Rating Organization of the State of New Jersey and the National Board of Fire Underwriters, and any other body or organization exercising similar functions which may pertain or apply to the Permittee's operations hereunder. If by reason of the Permittee's failure to comply with the provisions of this Section, any fire insurance, extended coverage or rental insurance rate on the Airport or any part thereof, or upon the contents of any building thereon, shall at any time be higher than it otherwise would be, then the Permittee shall on demand pay the Port Authority that part of all fire insurance premiums paid or payable by the Port Authority which shall have been charged because of such violation by the Permittee.

18. Prohibited Acts

(a) The Permittee shall not do or permit to be done any act which

(d) (i) The Permittee shall not employ any persons or use any labor, or use or have any equipment, or permit any condition to exist, which shall or may cause or be conducive to any labor complaints, troubles, disputes or controversies at the Airport which interfere or are likely to interfere with the operation of the Airport or any part thereof by the Port Authority or with the operations of the lessees, licensees, permittees or other users of the Airport or with the operations of the Permittee under this Permit.

(ii) The Permittee shall immediately give notice to the Port Authority (to be followed by written notice and reports) of any and all impending or existing labor complaints, troubles, disputes or controversies and the progress thereof. (b) The Permittee shall pay all taxes, license, certification, permit and examination fees and excises which may be assessed, levied, exacted or imposed on its property or operations at the Airport or on the Gross Receipts or income therefrom, and shall make all applications, reports and returns required in connection therewith.

(c) The Permittee shall promptly observe, comply with and execute the provisions of any and all present and future governmental laws, rules, regulations, requirements, orders and directions which may pertain or apply to the Permittee's operations at the Airport.

(d) The Permittee's obligations to comply with governmental requirements are provided herein for the purpose of assuring proper safeguards for the protection of Persons and property at the Airport and are not to be construed as a submission by the Port Authority to the application to itself of such requirements or any of them.

(e) The Port Authority has agreed by a provision in the Basic Lease with the City covering the Airport to conform to the enactments, ordinances, resolutions and regulations of the City and of its various departments, boards and bureaus in regard to the construction and maintenance of buildings and structures and in regard to health and fire protection, to the extent that the Port Authority finds it practicable so to do. The Permittee shall, within forty-eight (48) hours after its receipt of any notice of violation, warning notice, summons, or other legal process for the enforcement of any such enactment, ordinance, resolution or regulation, deliver the same to the Port Authority for examination and determination of the applicability of the agreement of lease provision thereto. Unless otherwise directed in writing by the Port Authority, the Permittee shall conform to such enactments, ordinances, resolutions and regulations insofar as they relate to the operations of the Permittee at the Airport. In the event of compliance with any such enactment, ordinance, resolution or regulation on the part of the Permittee, acting in good faith, commenced after such delivery to the Port Authority but prior to the receipt by the Permittee of a

written direction from the Port Authority, such compliance shall not constitute a breach of this Permit, although the Port Authority thereafter notifies the Permittee to refrain from such compliance. Nothing herein contained shall release or discharge the Permittee from compliance with any other provision hereof respecting governmental requirements.

20. Trademarks and Patent Infringement:

The Permittee represents that it is the owner of or fully authorized to use or sell any and all services, processes, machines, articles, marks, names or slogans used or sold by it in its operations under or in any wise connected with this Permit.

21. Inspection:

The Port Authority shall have the right at any time and as often as it may consider it necessary to inspect the Permittee's machines and other equipment, any services being rendered, any merchandise being sold or held for sale by the Permittee, and any activities or operations of the Permittee hereunder. Upon request of the Port Authority, the Permittee shall operate or demonstrate any machines or equipment owned by or in the possession of the Permittee on the Airport or to be placed or brought on the Airport, and shall demonstrate any process or other activity being carried on by the Permittee hereunder. Upon notification by the Port Authority of any deficiency in any machine or piece of equipment, the Permittee shall immediately make good the deficiency or withdraw the machine or piece of equipment from service, and provide a satisfactory substitute.

22. Federal Aid:

(a) The Permittee shall

(i) furnish good, prompt and efficient service hereunder, adequate to meet all demands therefor at the Airport;

(ii) furnish said service on a fair, equal and non-discriminatory basis to all users thereof; and

(iii) charge fair, reasonable and non-discriminatory prices for each unit of sale or service, provided that the Permittee may make reasonable and non-discriminatory discounts, rebates or other similar types of price reductions to volume purchasers.

As used in the above subsections "service" shall include furnishing of parts, materials and supplies (including sale thereof).

(b) The Port Authority has applied for and received a grant or grants of money from the Administrator of the Federal Aviation Administration pursuant to the Airport and Airways Development Act of 1970, as the same has been amended and supplemented, and under prior federal statutes which said Act superseded and the Port Authority may in the future apply for and receive further such grants. In connection therewith the Port Authority has undertaken and may in the future undertake certain obligations respecting its operation of the Airport and the activities of its contractors, lessees and permittees thereon. The performance by the Permittee of the promises and obligations contained in this Permit is therefore a special consideration and inducement to the issuance of this Permit by the Port Authority, and the Permittee further agrees

that if the Administrator of the Federal Aviation Administration or any other governmental officer or body having jurisdiction over the enforcement of the obligations of the Port Authority in connection with Federal Airport Aid, shall make any orders, recommendations or suggestions respecting the performance by the Permittee of its obligations under this Permit, the Permittee will promptly comply therewith at the time or times, when and to the extent that the Port Authority may direct.

23. Capacity and Competition:

(a) The Permittee shall refrain from entering into continuing contracts or arrangements with any third Person for furnishing services covered hereunder when such contracts or arrangements will have the effect of utilizing to an unreasonable extent the Permittee's capacity for rendering such services. A reasonable amount of capacity shall be reserved by the Permittee for the purpose of rendering services hereunder to those who are not parties to continuing contracts with the Permittee.

(b) The Permittee shall not enter into any agreement or understanding, express or implied, binding or non-binding, with any other Person who may furnish services at the Airport similar to those furnished hereunder which will have the effect of (i) fixing rates and charges to be paid by users of the services; (ii) lessening or preventing competition between the Permittee and such other furnishers of services; or (iii) tending to create a monopoly on the Airport in connection with the furnishing of such services.

24. Business Development and Records:

(a) In connection with the exercise of the privileges granted hereunder, the Permittee shall:

(i) use its best efforts in every proper manner to develop and increase the business conducted by it hereunder;

(ii) not divert or cause or allow to be diverted, any business from the Airport;

(iii) maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of the Permittee at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify the Authorized Service and all other services performed at the Airport, and;

(iv) cause any company which is owned or controlled by the Permittee, or any company which owns or controls the Permittee, if any such company performs services similar to those performed by the Permittee (any such company being hereinafter called an "Affiliate" and all such companies being hereinafter called the "Affiliates") to maintain, in English and in accordance with accepted accounting practice, during the effective period of this Permit, for one (1) year after the expiration or earlier revocation, cancellation or termination thereof, and for a

further period extending until the Permittee shall, upon request to the Port Authority, receive written permission from the Port Authority to do otherwise, full and complete records and books of account (including without limitation all agreements and all source documents such as but not limited to original invoices, invoice listings, timekeeping records, and work schedules) recording all transactions of each Affiliate at, through, or in anywise connected with the Airport, which records and books of account shall be kept at all times within the Port of New York District and shall separately state and identify each activity (including without limitation the Authorized Service) performed at the Airport;

(v) permit and/or cause to be permitted in ordinary business hours during the effective period of this Permit, for one (1) year thereafter, and during such further period as is mentioned in the preceding paragraphs (a)(iii) and (a)(iv), the examination and audit by the officers, employees and representatives of the Port Authority of all the records and books of account of the Permittee (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts all agreements, and all source documents) and all the records and books of account of all Affiliates (including without limitation all corporate records and books of account which the Port Authority in its sole discretion believes may be relevant for the identification, determination or calculation of Gross Receipts, all agreements, and all source documents) (all of the foregoing records and books described in this paragraph (a)(v) being hereinafter collectively referred to as the "*Books and Records*") within ten (10) days following any request by the Port Authority from time to time and at any time to examine and audit any Books and Records;

(vi) permit the inspection by the officers, employees and representatives of the Port Authority of any equipment used by the Permittee, including but not limited to the equipment described in paragraph (a)(vii) below; and

(vii) install and use such cash registers, sales slips, invoicing machines and any other equipment or devices, including without limitation computerized record keeping systems, for recording orders taken, or services rendered, as may be appropriate to the Permittee's business and necessary or desirable to keep accurate records of Gross Receipts, and without limiting the generality of the foregoing, for any privilege involving cash sales, install and use cash registers or other electronic cash control equipment that provides for non-resettable totals.

(b) Without implying any limitation on the right of the Port Authority to revoke this Permit for cause for breach of any term, condition or provision thereof, including but not limited to, breach of any term, condition or provision of paragraph (a) above, the Permittee understands that the full reporting and disclosure to the Port Authority of all Gross Receipts and the Permittee's compliance with all the provisions of paragraph (a) above are of the utmost importance to the Port Authority in having entered into the percentage fee arrangement under this Permit. In the event any Books and Records are maintained outside the Port of New York District or in the event of the failure of the Permittee to comply with all the provisions of paragraphs (a)(ii) through (a)(vii) above then, in addition to all, and without limiting any other, rights and remedies of the Port Authority under this Permit or otherwise and in addition to all of the Permittee's other obligations under this Permit:

(i) the Port Authority may estimate the Gross Receipts on any basis that the Port Authority, in its sole discretion, shall deem appropriate, such estimation to be final and

binding on the Permittee and the fees based thereon shall be payable to the Port Authority when billed; and/or

(ii) if any Books and Records are maintained outside of the Port of New York District, then the Port Authority in its sole discretion may (x) require on ten (10) days' notice to the Permittee that any such Books and Records be made available to the Port Authority within the Port of New York District for examination and audit pursuant to paragraph (a)(v) hereof and/or (y) examine and audit any such Books and Records pursuant to paragraph (a)(v) at the location(s) they are maintained and if such Books and Records are maintained within the contiguous United States the Permittee shall pay to the Port Authority when billed all travel costs and related expenses, as determined by the Port Authority, for Port Authority auditors and other representatives, employees and officers in connection with such examination and audit and if such Books and Records are maintained outside the contiguous United States the Permittee shall pay to the Port Authority when billed all costs and expenses of the Port Authority, as determined by the Port Authority, of such examination and audit, including but not limited to, salaries, benefits, travel costs and related expenses, overhead costs, and fees and charges of third party auditors retained by the Port Authority for the purpose of conducting such audit and examination.

(c) In the event that upon conducting an examination and audit as described in this Section the Port Authority determines that unpaid amounts are due to the Port Authority by the Permittee (the "*Audit Findings*"), the Permittee shall be obligated, and hereby agrees, to pay to the Port Authority a service charge in the amount equal to five percent (5%) of the Audit Findings. Each such service charge shall be payable immediately upon demand (by notice, bill or otherwise) made at any time therefor by the Port Authority. Such service charge (s) shall be exclusive of, and in addition to, any and all other moneys or amounts due to the Port Authority by the Permittee under this Permit or otherwise. No acceptance by the Port Authority of payment of any unpaid amount or of any unpaid service charge shall be deemed a waiver of the right of the Port Authority of payment of any late charge(s) or other service charge(s) payable under the provisions of this Section with respect to such unpaid amount. Each such service charge shall be and become fees, recoverable by the Port Authority in the same manner and with like remedies as if it were originally a part of the fees to be paid. Nothing in this Section is intended to, or shall be deemed to, affect, alter, modify or diminish in any way (i) any rights of the Port Authority under this Permit, including, without limitation, the Port Authority's rights to revoke this Permit or (ii) any obligations of the Permittee under this Permit.

(d) Without implying any limitation on the rights or remedies of the Port Authority under this Permit or otherwise including without limitation the right of the Port Authority to revoke this Permit for cause for breach of any term or provision of paragraphs (a)(iii) or (a)(iv) above and in addition thereto, in the event any of the Books and Records are not maintained in English, then this Permittee shall pay to the Port Authority when billed, all costs and expenses of the Port Authority, as determined by the Port Authority, to translate such Books and Records into English.

(e) The foregoing auditing costs, expenses and amounts of the Port Authority set forth in paragraphs (b), (c) and (d) above shall be deemed fees under this Permit payable to the Port Authority with the same force and effect as the Basic Percentage Fee and all other fees payable to the Port Authority thereunder.

25. Rates and Charges:

The Permittee shall establish rates and discounts therefrom which are in compliance with Section 22 hereof (each such rate and discount is hereinafter called an "Established Rate"). Upon request by the Port Authority, the Permittee shall provide the Port Authority its rates and discounts therefrom for goods and services furnished hereunder. If the Permittee applies any rate in excess of the Established Rate therefor or extends a discount less than the Established Discount therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an overcharge which will, upon demand of the Port Authority or the Permittee's customer, be promptly refunded to the customer. If the Permittee applies any rate which is less than the Established Rate therefor or extends a discount which is in excess of the Established Rate therefor, the amount by which the charge based on such actual rate or actual discount deviates from a charge based on the Established Rate shall constitute an undercharge and an amount equivalent thereto shall be included in Gross Receipts hereunder and the Basic Percentage Fee shall be payable in respect thereto. Notwithstanding any repayment of overcharges to a customer by the Permittee or any inclusion of undercharges in Gross Receipts any such overcharge or undercharge shall constitute a breach of the Permittee's obligations hereunder and the Port Authority shall have all remedies consequent upon such breach which would otherwise be available to it at law, in equity or by reason of this Permit.

26. Other Agreements:

In the event the terms and provisions of any agreement entered into by the Permittee with any third Person in connection with the privileges granted hereunder are contrary to or conflict or are inconsistent with the terms and provisions of this Permit, the terms and provisions of this Permit shall be controlling, effective and determinative.

27. Waiver of Trial by Jury:

The Permittee hereby waives its right to trial by jury in any action that may hereafter be instituted by the Port Authority against the Permittee in respect of the permission granted under this Permit and/or in any action that may be brought by the Port Authority to recover fees, damages, or other sums due and owing under this Permit. The Permittee specifically agrees that it shall not interpose any claims as counterclaims in any action for non-payment of fees or other amounts which may be brought by the Port Authority unless such claims would be deemed waived if not so interposed.

28. Continued Exercise of Privilege After Expiration, Revocation or Termination:

(a) Without in any way limiting the provisions hereof, unless otherwise notified by the Port Authority in writing, in the event the Permittee shall continue to perform the Authorized Service for any period (a "Post-Termination Period") following the expiration, revocation or termination of the effective period of the permission granted under this Permit, as such effective period of permission may be extended from time to time, the Permittee shall pay to the Port Authority, for any Post-Termination Period a fee equal to twice the Basic Percentage Fee.

(b) The foregoing shall not be deemed to give the Permittee any right to continue to perform the Authorized Service at the Airport after the expiration, revocation or termination of the effective period of the permission granted under this Permit. In addition, the Permittee

acknowledges that the failure of the Permittee to cease to perform the Authorized Service at the Airport from the effective date of such expiration, revocation or termination will or may cause the Port Authority injury, damage or loss, and the Permittee hereby assumes the risk of such injury, damage or loss and hereby agrees that it shall be responsible for the same and shall pay the Port Authority for the same whether such are foreseen or unforeseen, special, direct, consequential or otherwise and the Permittee hereby expressly agrees to indemnify and hold the Port Authority harmless against any such injury, damage or loss. The Permittee acknowledges that the Port Authority reserves all its legal and equitable rights and remedies in the event of such failure by the Permittee to cease performance of the Authorized Service.

(c) The Permittee hereby acknowledges and agrees that, subject to the foregoing, all terms and provisions of this Permit shall be and continue in full force and effect during any Post-Termination Period.

29. Miscellaneous:

(a) It is understood and agreed that the Port Authority shall not furnish, sell or supply to the Permittee any services or utilities in connection with this Permit.

(b) No Commissioner, officer, agent or employee of the Port Authority shall be charged personally by the Permittee with any liability, or held liable to it, under any term or provision of this Permit, or because of its execution or attempted execution, or because of any breach thereof.

(c) The Section and paragraph headings, if any, in this Permit are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope or intent of any provision hereof.

(d) This Permit, including the attached Special Endorsements, constitutes the entire agreement of the Port Authority and the Permittee on the subject matter hereof. This Permit may not be changed, modified, discharged or extended, except by written instrument duly executed on behalf of the Port Authority and the Permittee or except by notice as specifically set forth in Sections 4 and 13 hereof. The Permittee agrees that no representations or warranties shall be binding upon the Port Authority unless expressed in writing herein.

Without limiting the generality of the foregoing it is hereby acknowledged and agreed as follows:

(b) This Permit shall be deemed to consolidate and incorporate the terms, provisions and conditions of the Prior Permit as if set forth in full herein to prepare and deliver inflight meals at the Airport and the rights and obligations of the parties hereto prior to the Effective Date and from and after the Effective Date, the terms, provisions and conditions of this Permit shall apply to the permission granted by the Port Authority to the Permittee by this Permit to prepare and deliver inflight meals at the Airport and the rights and obligations of the parties hereto from and after the Effective Date.

(c) The Permittee shall not, by virtue of this Permit, be released or discharged from any liabilities or obligations whatsoever under the Prior Permit or any other Port Authority permits or agreements, including without limitation any permits to make alterations, all of which shall survive. Further, all the terms, provisions and conditions of the Prior Permit and such permits and agreements shall survive and continue in full force and effect, and any breach or default under the Prior Permit or under such permits and agreements, whether prior to or after the Effective Date, shall be deemed breaches and defaults under this Permit. Without limiting the generality of any of the foregoing, any obligations under the Prior Permit which were to mature upon the expiration or termination thereof, including any obligation to remove alterations and improvements, shall be deemed to have survived and shall mature upon the expiration or termination of this Permit.

2. (a) (i) The Port Authority hereby grants the Permittee the privilege to sell and deliver in-flight meals, prepared at an off-airport location (hereinafter called the "Authorized Service") to Approved Aircraft Operators at the Airport, and for no other purpose(s) whatsoever.

(ii) The Port Authority hereby consents to the Permittee providing the Authorized Service to Alaska Airlines, Inc., Air Canada, American Airlines, Inc, Delta Air Lines, Inc., Federal Express Corporation, Inc., Virgin Atlantic Airways, Ltd., American Eagle Airlines, Inc., Deutsche Lufthansa Aktiengesellschaft, United Parcel Service and US Airways, Inc. at the Airport.

(b) (i) In the event the Permittee shall desire to provide the Authorized Service to another Approved Aircraft Operator or Person at the Airport, the Permittee shall submit such request in writing to the Port Authority. The Permittee may perform the Authorized Service for other Approved Aircraft Operators at the Airport only after receiving the written consent of the Port Authority.

(ii) The Permittee hereby agrees that it will not carry on any business at the Airport other than as specifically provided herein without receiving the prior written consent of the Port Authority, which consent, if given, will be in the form of a Supplement hereto or a separate agreement with the Port Authority, and will specify whether the provisions regarding fees contained herein or any other provisions regarding fees shall apply thereto.

3. Fees:

(a) (i) The Permittee agrees to pay to the Port Authority, at the times set forth in and in accordance with paragraph (a)(ii) below, a percentage fee (the "Basic Percentage Fee") equal to eight percent (8%) (as the same may be increased pursuant to paragraph (k) below) of Gross Receipts.

(ii) Gross Receipts shall be reported and the Basic Percentage Fee shall be paid to the Port Authority by the Permittee as follows: On or before the twentieth (20th) day of the first month following the month in which the Effective Date falls and on the twentieth (20th) day of each and every calendar month thereafter during the period that this Permit is in effect and including the calendar month in which this Permit ceases to be in effect, the Permittee shall render to the Port Authority a monthly statement sworn to by a responsible executive or fiscal officer of the Permittee showing all of the Gross Receipts for the preceding month (the "Monthly Sworn Statement of Gross Receipts"). Each of the said statements shall also show the cumulative Gross Receipts from the Effective Date (or the most recent anniversary thereof) through the last day of the preceding month. At the same time each of the said statements is rendered to the Port Authority, the Permittee shall pay to the Port Authority an amount equal to eight percent (8%) applied to the Gross Receipts for the preceding calendar month. In addition to the foregoing, on the twentieth (20th) day of the first month following each anniversary of the Effective Date the Permittee shall submit to the Port Authority a statement setting forth the cumulative totals of the Gross Receipts for the entire preceding twelve (12) month period certified, at the Permittee's expense, by a certified public accountant or a responsible executive or fiscal officer of the Permittee ("Annual Statement of Gross Receipts"). The Permittee shall give the name and position of the responsible executive or fiscal officer designated under this paragraph to submit Monthly Sworn Statement and Annual Statement of Gross Receipts, ten (10) business days prior to the submission of the first such statement by the designee of the Permittee, so that the Port Authority may determine whether it will accept such designation. The designation shall be submitted to the Manager of Properties for the Airport. If such timely notice is not given to the Port Authority, the Permittee shall submit such statement to the Port Authority in a form executed by a certified public accountant.

(b) All statements to be submitted to the Port Authority pursuant to this Section and all payments made under this Permit shall be sent to the following address:

Notwithstanding the foregoing, any fee established must be agreed to by the Permittee and the Port Authority and must be reflected in a supplement to this Permit to be prepared by the Port Authority and executed by the parties hereto.

(d) In the event the Permittee shall be permitted hereunder to provide Gateside Aircraft Maintenance or Routine and Non-routine Aircraft Maintenance services, there shall be excluded from Gross Receipts any sum paid or payable to the Permittee:

(i) which arise solely from the resale to a customer of aircraft parts and supplies purchased by the Permittee from a third party, provided, however, that there shall be included in Gross Receipts monies paid or payable to the Permittee which arise from the sale of such aircraft parts and supplies to which the Permittee has provided labor for fabrication, refinishing or assembly to the extent of the reasonable value of the labor provided by the Permittee;

(ii) which arise solely from the use of equipment rented by the Permittee from a third party which monies are separately stated to and paid by the customer, limited, however, to the amounts actually paid by the Permittee to the third party for such rental of equipment; and

(e) If and to the extent the full fair market value of any sale, service or other item provided by the Permittee is not charged to or payable by the customer, then the fair market value thereof as determined by the Port Authority shall be included in Gross Receipts.

(f) Without limiting any other provisions of this Permit regarding Gross Receipts, in those instances where the Permittee provides any services or goods along with other services and goods to the same Person (including without limitation those instances where a service is part of or is included within a group of other services and rendered for a single price, and where a service is performed by the Permittee pursuant to agreement for the exchange of services or goods) the Permittee agrees that the value ascribed to the performance of such service by the Permittee shall be the fair and reasonable value thereof as determined by the Port Authority.

(g) Without limiting the requirement for Port Authority approval, if the Permittee conducts any privilege or any portion thereof through the use of a contractor or other third party which is not a Port Authority permittee and where the payments for any of the foregoing are made to such contractor rather than to the Permittee, said payments shall be deemed amounts, monies, revenues, receipts and income paid or payable to the Permittee for purposes of determining the Permittee's Gross Receipts, provided, however, that the foregoing shall not grant or be deemed to grant any right or permission to the Permittee to use an independent contractor or other third party to perform any privilege or portion thereof or the doing of anything hereunder by an independent contractor or other third party.

(h) Notwithstanding that the fee hereunder is measured by a percentage of Gross Receipts, no joint venture or partnership relationship between the parties hereto is created by this Permit.

(i) To the extent that the Permittee has not already done so at the time of execution of this Permit and without limiting the generality of any other term or provision hereof, the Permittee agrees to submit monthly statements of Gross Receipts as provided in this Section and to pay, at the time of execution and delivery of this Permit to the Port Authority, all fees and other amounts due under this Permit for the period from the Effective Date to the time of execution and delivery of this Permit by the Permittee.

(j) Without limiting any other provision of this Permit, it is hereby specifically understood that the failure to set forth all the classes of Persons, all of the locations served or all of the types of services or activities performed by the Permittee in its exercise of the

privileges granted hereunder as of the Effective Date, or the failure to, by appropriate supplement, revise this Permit to reflect any additional classes of Persons, locations served, or services or activities performed by the Permittee subsequent to said Effective Date, shall not affect the inclusion in Gross Receipts hereunder of the amounts, monies, revenues, receipts and income received or receivable by the Permittee in its operations, and the same shall be so included. The foregoing shall not constitute Port Authority consent or be deemed to imply that the necessary Port Authority consent (to be reflected in a supplement to the Permit) with respect to such additional classes of Persons, locations, services or activities will be given.

(k) The Basic Percentage Fee and any other fees payable under this Permit shall be subject to increase from time to time upon thirty (30) days' notice from the Port Authority to the Permittee, given by the General Manager of the Airport or such other representative as the Port Authority may substitute from time to time by notice to the Permittee, and upon the effective date of the increase set forth in such notice the fees payable by the Permittee under this Permit shall be as set forth in said notice. In the event within ten (10) days after the Permittee receives such notice from the Port Authority, the Permittee notifies the Port Authority that the Permittee does not wish to pay the increased fees, this Permit and the permission granted hereunder shall be, and shall be deemed to be, cancelled effective at the close of business on the day preceding the effective date of the increase, as set forth in the Port Authority's notice to the Permittee. If the Permittee does not so notify the Port Authority, the increased fees shall become effective on the date set forth in the Port Authority's notice as aforesaid. No cancellation of this Permit and the permission granted thereunder pursuant to this paragraph (k) shall be construed to relieve the Permittee of any obligations or liabilities hereunder which shall have accrued on or before the effective date of such cancellation.

(l) Without limiting any term or provision of this Permit, in the event the Permittee performs (x) any service, other than the Authorized Service at the Airport, or (y) any service (including the Authorized Service) at any other Port Authority facility, whether such performance is the subject of a written agreement by and between the Port Authority and the Permittee, the Permittee hereby agrees that it will pay to the Port Authority any and all fees and/or charges applicable to such service. The Permittee also agrees that, at the request of the Port Authority, it will enter into the appropriate agreement with the Port Authority providing permission for the Permittee to perform such service.
