Dear Mr. Ng, I am writing to you in regards to Bid 33942: Cleaning of Catch Basins, Drains and Sump Pump Pits at New York Marine Terminals: Brooklyn Piers, Brooklyn NY and Howland HookPort Ivory, Staten Island NY. The bid opening was on July 26, 2013 at 11:00 AM. It has come to my attention that our company was the lowest bidder, yet we were not awarded the contract by the Authority. Instead, the contract was awarded to the 4th or 5th lowest bidder, Recovery Environmental Services, Inc. as Contract 4600009583. Our company requests the Authoritys bid tabulations for this bid, as well as records explaining why the contract was not awarded to the lowest qualified bidder, but a company that did not submit a competitive bid.
