List of specific record(s):

This a request for access to records under the state open recordspublic information act: I am requesting records related to all explosive detection canines handled by your airport policesecurity division. This would include all canines provided to the airport through the National Canine Program NCP run by the TSA's Office of Security Operations. It would include all dogs handed by Law Enforcement Officers LEO's and Transportation Security Inspectors TSI's for screening airport buildings, cargo areas, and teams using passenger screening canines PSC's. And it would include all canines that are ownedmaintained by your airport or airport police agency for the purpose of detecting explosives – apart from the TSANCP program. For the canines described in the above paragraph, I am requesting: -Monthly and yearly reports detailing the number of proficiency training minutes for each canine from January 1, 2013 until the date upon which this request is fulfilled. -Record

THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY  
PUBLIC RECORD ACCESS FORM

PRA 16073

Action by (print / type name):

William Shalewitz

, Freedom of Information Administrator

Signature:

Date:

06/15/2016

On behalf of the Secretary of the Port Authority, as Records Access Officer and Custodian of Government Records of the Port Authority.

- The requested records are being made available.
- Any responsive records that may exist are currently in storage or archived, and a diligent search is being conducted. The Port Authority will respond by:
- A diligent search has been conducted, and no records responsive to your request have been located.
- The requested records that have been located are not being made available, as they are exempt from disclosure for the following specific reasons:

**Security.**

- Some requested records that have been located are being made available. The remainder are exempt from disclosure for the following specific reasons:

- The request does not reasonably describe or identify specific records; therefore, the Port Authority is unable to search for and locate responsive records. Please consider submitting a new request that describes or identifies the specific records requested with particularity and detail.

Other:

This form is promulgated by the Port Authority pursuant to the Port Authority Public Records Access Policy and is intended to be construed consistent with the New York Freedom of Information Law and the New Jersey Open Public Records Act. It is intended to facilitate requests for Port Authority public records and does not constitute legal advice.
