List of specific record(s):

Hello, I request that the following records be emailed to me: Passenger counts for the Port Authority Trans-Hudson PATH train. Specifically, I would like to see the Port Authority's records on the annual number of unlinked trans-Hudson passenger trips between 2000 and the most current year available. It is my hope that these records are maintained in electronic format, and I request that that electronic version be sent to me if available. If you have any questions or need more information, please let me know. My contact information is below. Thank you for your time.
