APPENDIX "B"
USE OF ACCRUED COMPENSATORY TIME

Police Sergeants will be eligible, subject to limitations contained in the Memorandum of Agreement to bank up to 450 hours of compensatory time during any calendar year. Individual compensatory time banks may be designated in the even numbered pay periods of each year. Such designations are to be processed through the Facility Commanding Officers.

Time off may be taken against the compensatory time bank as follows:

1. Ordinary Compensatory Time

When a Sergeant desires time off, he must request the time no less than two weeks nor more than four weeks in advance. His request must be submitted to his Facility Commanding Officer in writing. The Commanding Officer will verify that the Sergeant has sufficient time in his bank, determine if approval will adversely affect the tour or tours of duty involved and if not call the Central Police Pool Commanding Officer for approval. If no Central Police Pool exists the Commanding Officer shall contact the Special Operations Division (SOD) Commanding Officer for approval.

If approved by the Central Police Pool or the SOD Commanding Officer, the time off is not to be canceled without the personal approval of the Superintendent of Police.

2. Time Off Limitations

Compensatory time off will be guaranteed for up to three Sergeants per day. The Central Police Pool or SOD Commanding Officer will control the approval of all compensatory time requests so that absences for such purposes remain at or below the level of three Sergeants per day.

Where the daily quota has not been met, compensatory time will be granted up to 24 hours before the start of the tour in question provided no overtime costs are incurred as a result of the late request.

APPENDIX D

VACATIONS

I. POLICIES

- A. Vacations for Port Authority Police Employees are based on the assumption that they contribute to the good health and well being of the staff and are, therefore, mutually beneficial to the employee and the organization.
- B. Police employees receive vacations of up to 29 days yearly, depending on length of police service.
- C. Employees cited for performing services beyond normal expectations and receiving either the Medal of Honor, the Howard S. Cullman Distinguished Service Medal, the Distinguished Service Medal, the Police Commendation Medal, or the Meritorious Police Duty Medal receive extra days of vacation as specified in Attachment B to this Appendix D.
- D. The Human Resources Director may, with the approval of the Executive Director, modify vacation policies to fit the requirement of an unusual situation.

II. OPERATING RULES

- A. Attachment A, "Operating Rules - Vacations" outlines the operating rules for the administration of the vacation program.
- B. Attachment B, Vacation Allowance Table, shows the specific vacation allowances for Police Employees during their first year of employment, in subsequent years, and upon termination of employment. It also covers extra vacation days authorized for employees awarded medals.

APPENDIX D

ATTACHMENT "A"

OPERATING RULES - VACATION

I. VACATION SCHEDULING

- A. Vacation scheduling for Police will be handled in accordance with instructions issued by the Superintendent of Police.

II. VACATION ELIGIBILITY IN CONNECTION WITH LEAVE OF ABSENCE

For the year in which an ordinary, maternity, or long term military leave begins, an employee is entitled to vacation allowance equivalent to that for terminating employees shown in Part VII of Attachment A plus any vacation days carried over from previous years. After subtracting vacation already taken, the balance is taken before the leave begins. If the employee has already taken vacation days in excess of his allowance for the year, their value is subtracted from his last paycheck before the leave begins. However, if at the time the leave begins, vacation has been taken in excess of vacation due in accordance with a facility or unit vacation schedule published at the start of a calendar year, no adjustments in the final salary check will be made provided that the employee did not initiate a change in his assigned vacation via a mutual swap or special request. Employees returning from ordinary, maternity, or long term military leave of absence in a calendar year other than that in which their leave commenced will be entitled to a vacation allowance, for that year only as shown in Part III of Attachment B.

- III. Vacation days taken in any year shall be charged first, against any accrued normal vacation carried over from the prior year, and second, against the current year's normal vacation allowance.

IV. VACATION IN CONNECTION WITH SICK LEAVE

- A. If an employee falls ill after starting his scheduled vacation, the period of his illness during this vacation cannot be charged as a sick absence. However, if an employee is hospitalized for one night or more while on vacation, only the days of hospitalization should be charged as sick absence time. Should questions arise regarding application of this policy, the Human Resources Department should be consulted.
- B. If an employee's sick absence starts before a scheduled vacation, the time absent due to illness should be charged as sick absence provided the employee returns to work at the end of his illness before starting his vacation.

- C. An employee who is absent for an extended period because of illness and who received paid sick leave for a part or all of the period of absence, may be required to forfeit a portion or all of his normal vacation allowance. The Superintendent of Police will recommend to the Human Resources Director the appropriate action to be taken in such cases.

- D. Following an extended period of absence because of illness (other than the first occasion of absence due to each injury incurred in the line of duty) and injuries incurred in the line of duty after the execution of the Memorandum of Agreement (1996-2003) which are exempt from consideration for purposes of Repeated and Excessive Absence discipline under Appendix "L", annexed hereto and the days of absence of such occasions which totals a minimum of 30 cumulative work days lost within any 12 consecutive month period, one (1) day of vacation allowance may be forfeited for each 10 work days of absence.

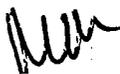

Vacation days forfeited shall be taken as follows: absences beginning and ending in a single calendar year shall only have vacation days forfeited from the calendar year in which the absence occurs; absences which begin in one calendar year and continue into a successor calendar year shall have vacation days forfeited based upon the entire period of absence, first from the calendar year in which the absence began and, if the Police Officer's remaining vacation allowance for that year is insufficient to satisfy the forfeiture, then the remainder of the forfeiture shall be taken from the calendar year in which the absence ended.

V. VACATION CARRYOVER

- A. Vacation must be taken in the year in which it is earned, unless special permission for carryover of vacation allowance from the year earned to the following year is granted by the Human Resources Director. Such permission must be obtained prior to the end of the year in which the vacation is earned. No employee may carry over to a succeeding year more than one full year's vacation allowance. The Superintendent of Police may authorize carryover of vacation of five days or less.

- B. In determining the amount of vacation which may be carried over to a succeeding year, a continuous period of vacation begun before the end of one calendar year which extends into the succeeding calendar year shall be considered to have been taken in its entirety during the calendar year in which it was begun.

- C. The provisions of Paragraphs A and B above shall apply to unused vacation days at the end of any calendar year which have accumulated as a result of illness or injury.

VI. LENGTH OF SERVICE IN CONNECTION WITH VACATION

A. Length of service is determined as follows in computing vacation allowance:

- 1. All periods of authorized absence with pay are included.**
- 2. All time on military leave and sick leave, with or without pay is included.**
- 3. Time on leave of absence without pay in excess of one month is not included.**
- 4. If an individual is separated because of reduction in force and is re-employed within one year of the date of separation his service prior to separation is included.**
- 5. If an individual is re-employed after a separation of more than one year due to reduction in force, or after dismissal or resignation, his service prior to such separation, dismissal or resignation is not included, unless specifically approved by the Human Resources Director.**
- 6. Service as a full-time temporary employee is included, provided there is no interruption in employment exceeding five calendar days at the time his status is changed to project or permanent employee.**

VII. VACATION ALLOWANCES ON SEPARATION - POLICE EMPLOYEES

- A.**
- 1. Vacation allowances on separation will be reduced by any vacation taken in the calendar year in which separation occurs, unless such days were carried over from a previous year.**
 - 2. A member of the Police Force who is separated in good standing will be entitled to full credit for any unused vacation carried forward from a previous year under the provisions of Paragraph V, above. Any vacation carried forward from a previous year and taken prior to separation will not be considered in determining vacation allowance on separation.**
- B. A member of the Police Force in good standing who has had at least nine months' service and who is separated for such reasons as reduction in force, death, or retirement will be granted his full vacation allowance for the calendar year in which his services terminate, regardless of his termination date.**

- C. A member of the Police Force in good standing who is separated for any reason before the completion of nine months' service, or who is discharged for cause, including resignation under charges, is not eligible for vacation allowance on separation.

- D. A member of the Police Force absent without pay for more than thirty consecutive days during a year, with the exception of absence while on military leave, shall have his succeeding vacation allowance reduced by 1/12 for each 30 consecutive days of such absence.

The review will include all occasions of sick absence, the number of tours and less than full tours of sick absence, medical problems related to the absences and other related data which will aid in reviewing the total record of the person.
- C. The Facility Police Commanding Officer will interview the individual to obtain additional information and to counsel him on his performance. A memorandum recording the results of the review and the interview will be

placed in the employee's facility file.

- D. When a member of the force reaches four occasions of sick absence in a 12 month period, the Facility Police Commanding Officer will again interview the individual. The individual at this time will be advised that a future sick absence within the 12 month period may result in a recommendation that he be placed on Half-Pay Doctor's Note Status. A memorandum recording the results of the review and the interview will be placed in the employee's facility file.
- E. When the sick leave performance of a member of the force goes below standard, the Facility Police Commanding Officer will conduct a review of the individual's sick record. Handwritten signatures and initials in black ink, including a large signature that appears to be 'AOR' and smaller initials 'MWH' to the right.

1. The sick leave record of an individual who is on a less-than-full-pay sick leave status will be reviewed at the end of the 6 month period, while on such status.

E. Continued Less-Than-Full-Pay Status

1. When the review of the sick record of an individual on less-than-full-pay sick leave status shows no improvement and continues Below Standard, an evaluation will be made of all relevant information and an interview will be conducted with the individual concerned.
2. If warranted, and as a result of the evaluation and interview, the Facility Police Commanding Officer may submit a recommendation to continue the individual on less-than-full-pay status for an additional 6 months.
3. The procedure as outlined in Appendix A will be used to recommend that an individual on less than-full-pay status be extended on such status for an additional 6 months.

A. Policy

Police Sergeants shall have the right to present grievances in accordance with the procedures described herein free from interference, coercion, restraint, discrimination or reprisal. The informal resolution of differences prior to the initiation of actions under this Grievance Procedure is encouraged and desired by the Port Authority and the Association.

B. Definitions

Pursuant to the Memorandum of Agreement to which this Grievance-Arbitration/Disciplinary Procedure (Grievance Procedure) is annexed as Appendix G (which Memorandum shall hereinafter be called the "Memorandum of Agreement") and for the purposes of this Appendix:

1. **Grievance.** A complaint limited to the application or interpretation by the Port Authority of any provision of the Memorandum of Agreement (other than paragraph one of Section II, paragraph fourteen of Section XVIII, Section XXI and Appendix "J" referred to therein, Section XXIX, Section XXX, paragraph one of Section XXXIII, the second sentence of paragraph seven of Section XXXIV, and Section LII) which application or interpretation is alleged to constitute a violation of the said Memorandum of Agreement or any provision thereof; provided, however, that, notwithstanding any provision or provisions of the Memorandum of Agreement, the term "grievance" shall not include any complaint or dispute whatsoever concerning unit work irrespective of its nature and source nor any complaint or dispute whatsoever concerning any transfer of a Police Sergeant or denial thereof irrespective of its nature and source if the Superintendent of Police declares in writing that such transfer or denial is deemed necessary for the good of the service and sets forth the reason or reasons therefore. No complaint or dispute whatsoever concerning any transfer of a Police Sergeant or denial thereof irrespective of its nature and source shall be subject to or processed through this Grievance procedure or submitted to arbitration if the Superintendent of Police

declares in writing that such transfer or denial thereof is deemed necessary for the good of the service and sets forth the reason or reasons therefore. No complaint or dispute concerning unit work irrespective of its nature and source shall be subject to or processed through this Grievance procedure or submitted to arbitration but shall be subject to the exclusive jurisdiction of the Port Authority Employment Relations Panel pursuant to Section XXX of the Memorandum of Agreement. The processing of a complaint by the Port Authority pursuant to this procedure shall not constitute a waiver by the Authority of any defense or claim that the conduct complained of does not involve the application or interpretation of any provision of the Memorandum of Agreement.

2. Disciplinary Charges and specifications: Disciplinary charges and specifications ("disciplinary charge" or "charge") filed pursuant to Document G, annexed to the Memorandum of Agreement, as modified by Section XXVII of the Memorandum of Agreement.

C. Procedure

Grievances and disciplinary charges as defined in Paragraphs 1 and 2, respectively, of B herein shall be processed as follows:

Step One: Initial Processing of Grievance

If the grievance is not settled in writing within ten (10) working days of receipt of the grievance, the grievance may be appealed by the grievant to the Manager of the Labor Relations Department within fifteen (15) working days of receipt of the Step One response. (a) Disciplinary charges: A disciplinary charge shall be considered automatically submitted to arbitration at the time of service of the charge. Within twenty (20) working days of the service of the Disciplinary Charge, the Port Authority shall notify the designated representative of the American Arbitration Association at their then current address, by the filing of a demand for arbitration, with a copy of the demand provided to the Association. The process for selecting the arbitrator shall begin upon the filing of the demand and shall proceed in accordance with the then effective Voluntary Labor Arbitration Rules of the American Arbitration Association.

(b) Except as otherwise provided in Appendix "K" annexed to the Memorandum of Agreement, the President of the Association or his designee shall have the exclusive right to refer to arbitration any unsettled grievance with respect to the application or interpretation by the Port Authority of any provision of the Memorandum of Agreement (other than paragraph one of Section II, paragraph fourteen of Section XVIII, Section XXI and Appendix "J" referred to therein, Section XXIX, Section XXX, Paragraph one of Section XXXIII, the second sentence of paragraph seven of section XXXIV, and Section LII) which application or interpretation is alleged to constitute a violation of the said Memorandum of Agreement or any provision thereof by serving written notice in duplicate on the Manager, Labor Relations Department or his designee, not later than twenty (20) working days following receipt of the Step Two determination; provided, however, that, notwithstanding any provision or provisions of the Memorandum of Agreement, the term "grievance" shall not include any complaint or dispute whatsoever concerning unit work irrespective of its nature and source nor any complaint or dispute whatsoever concerning any transfer of a Police Sergeant or denial thereof irrespective of its nature and source if the Superintendent of Police declares in writing that such transfer or denial is deemed necessary for the good of the service and sets forth the reason or reasons therefor. No complaint or dispute whatsoever concerning any transfer of a Police Sergeant or denial thereof irrespective of its nature and source shall be subject to or processed through this Grievance procedure or submitted to arbitration if the Superintendent of Police declares in writing that such transfer or denial thereof is deemed necessary for the good of the service and sets forth the reason or reasons therefor. No complaint or dispute concerning unit work irrespective of its nature and source shall be subject to or processed through this Grievance Procedure or submitted to arbitration but shall be subject to the exclusive jurisdiction of the Port Authority Employment Relations Panel pursuant to Section XXX of the Memorandum of Agreement.

(c) If the President of the Association demands to refer a grievance to arbitration he shall do so by filing a demand for arbitration with the Manager, Labor Relations Department and the designated representative at the American Arbitration Association at their then current address or, in the case of a grievance by the Port

Authority pursuant to Appendix "K", upon the filing of a written notice of a demand to refer the grievance to arbitration with the President of the Association, and the designated representative of the American Arbitration Association at their then current address, an arbitrator shall be selected in accordance with the then effective Voluntary Labor Arbitration Rules of the American Arbitration Association.

(d) The arbitrator shall not have the power to add to, subtract from or modify the provisions of the Memorandum of Agreement and shall confine his decision solely to the interpretation and application of the Memorandum of Agreement. He shall confine himself to the precise issue presented for arbitration and shall have no authority to determine any other issues not so presented to him nor shall he submit observations or declarations of opinion which are not essential in reaching the determination.

(e) The decision or award or relief afforded by the arbitrator shall be final and binding upon the Port Authority, the Association and the grievant(s) or charged employee(s) to the extent permitted by and in accordance with applicable law and the Memorandum of Agreement.

(f) All fees and expenses of the American Arbitration Association and the arbitrator shall be divided equally between the parties. Each party shall bear the cost of preparing and presenting its own case. However, if none of the disciplinary charges against a Police Sergeant are sustained by the Arbitrator, then the Port Authority shall pay reasonable counsel fees at the rates set forth in the Section of this Memorandum of Agreement entitled "Non-Civil Charges or Complaints" for the defense of the Police Sergeant in the arbitration.

(g) The Port Authority shall select the court reporters and arrange for their attendance. The Port Authority and Association shall divide equally the costs of the transcript for the arbitrator, court reporter fees and court reporter expenses. Each party shall be responsible for the cost of their own transcript(s).

(h) The arbitrator shall issue his decision as soon as possible after the close of the hearing. The arbitrator shall be bound by the then-effective Voluntary Labor Arbitration Rules of the American Arbitration Association. The hearing will be located alternately between Police Headquarters and the Association Office.

(i) The settlement or award or relief upon a grievance may or may not be retroactive as the equities of each case demand but in no event shall such resolution be retroactive to a date earlier than the date the grievance was first submitted or the date the grievance occurred.

(j) Grievance resolutions or decisions at Steps One and Two shall not constitute a precedent in any arbitration or other proceeding.

D. Representation

1. The grievant is entitled to Association representation at any grievance and arbitration meetings. The Association shall have the exclusive right to represent members in any grievance provided, however, that any grievant or group of grievants shall have the right to present his or their own grievance at Steps One and Two without representation of any kind, provided further that no resolution of a grievance shall be inconsistent with the provisions of the Memorandum of Agreement. The Association shall receive copies of written determinations and of appeals at all Steps and may submit written comments thereon and shall have the right to be present and to offer statements at any grievance step meeting.

2. The grievant(s) and any witness(es) shall be excused from duty with pay as required for the processing of grievances, subject to the approval of the Superintendent of Police. If possible, any such request for excusal must be presented in advance, and approval thereof shall not be unreasonably withheld. Time off for Association representation purposes shall be in accordance with Limited Distribution Directive 3-05 dated APRIL 12, 2005

3. In the event a hearing of a disciplinary charge is scheduled to occur on the charged employee's scheduled day off (RDO), excluding RDO's falling within or concurrent to the employee's scheduled vacation period, he shall be given an RDO in place of the RDO eliminated by the scheduled hearing date. In the event the hearing date is scheduled on the charged employee's vacation day or on an RDO within or concurrent to a scheduled vacation the hearing for that date will be adjourned.

E. Special Provisions

1. The term "working days" as used in this Grievance Procedure shall mean calendar days exclusive of Saturdays, Sundays and public holidays.
2. The parties may mutually agree in writing, when circumstances warrant, to by-pass Step One of this Grievance Procedure.
3. The failure by the Port Authority to meet a deadline specified herein shall permit advancing the matter to the next Step. The failure of the grievant or the Association to file a grievance or an appeal within the time limit specified shall be deemed to be a resolution of the grievance.
4. All time limits contained in this procedure may be extended by mutual agreement in writing.

APPENDIX H

EXCUSED ABSENCES AND PERSONAL LEAVE

I. Introduction

This section describes the policy regarding excused absences and personal leave for permanent and probationary police employees covered by Memorandum of Agreement.

II. Definition

A. Excused absences are any authorized absences from scheduled hours of work for which no deduction is made from the employee's compensation, and which are not attributable to vacations, holidays, sick leave, military leave, or compensatory time credited or to be earned.

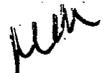

B. Personal leave is any authorized absence from scheduled hours of work for which no deduction is made from the employee's compensation, and which are not attributable to vacations, holidays, sick leave, military leave, or compensatory time credited or to be earned.

III. Policy

A. Excused Absences

Port Authority management grants time off with pay to police employees and identifies the absence as excused time under the following circumstances only:

1. Time necessary for involuntary participation in governmental proceedings such as jury duty, draft board examinations, Workmen's Compensation Board hearings, or appearing in court as a subpoenaed witness.
2. Time necessary for voting. Any eligible employee who desires to vote in a general election, primary election, special election or local election in the community where he resides, and who is required to work on the day of such election and whose hours of work are such that it will be difficult or impossible for him to vote, shall be granted two hours of excused time off to vote. Such time off shall be allowed only at the beginning or end of the employee's tour of duty as designated by his supervisor.

However, any employee who has four or more consecutive hours before or after his working hours during which polls are open will be considered to have sufficient time to vote outside of his working hours and will not, therefore, be granted excused time.

3. Time necessary because of a death in the employee's immediate family (spouse, child, parent, brother, sister, spouse's parent, other person living in the employee's home). When more than three scheduled work days are needed, the additional time must be approved by the Superintendent of Police. Absences in excess of five (5) work days for any one instance require written approval by the Personnel Director, copy to the Manager, Accounting Division.
4. Time for donating to the Port Authority Blood Bank. Any police employee who donates blood to the Port Authority Blood Bank during his normal work schedule is granted the rest of that working day off as excused time. Any police employee who donates blood outside his normal work schedule is granted three (3) hours of excused time, to be taken at a time mutually convenient to the police employee and his supervisor.
5. When overtime work in excess of five and one-half hours (5 1/2) is performed by a police employee who is called in from off-duty status, sufficient excused time is granted in order to provide a period of four (4) consecutive hours off before the police employee starts his next normal tour. For example, if the police employee works from midnight until 6 A.M. and is scheduled to work the 8 A.M. to 4 P.M. tour, he receives two hours of excused time and starts his tour at 10 A.M.
6. Excused absences granted in accordance with the provisions of L.D.D. 3-05.
7. A Police Sergeant who is scheduled to take a police promotion examination and who is also scheduled to work the tour of duty immediately preceding the scheduled commencement of that examination shall be excused from that tour of duty.
8. Special individual situations as recommended by the Superintendent of Police and approved by the Personnel Director.

216 

B. Personal Leave

1. Police employees will receive up to five days of personal leave.
2. Each Police Sergeant may, in addition to paragraph "1" herein, designate up to sixteen hours of compensatory time per annum to be converted into a maximum of two additional days of personal leave which may be taken in the year of designation. Once a Police Sergeant has taken the maximum of sixteen hours of compensatory time converted to personal leave, the Police Sergeant may, in addition, designate up to an additional sixteen hours of compensatory time per annum to be converted into a maximum of two additional days of personal leave which must be carried over into the following year unless paid in accordance with this Appendix "H".
3. Effective July 31, 1988, Sergeants shall not have any right to take personal leave on the following days: Christmas Eve, Christmas Day, New Year's Eve, New Year's Day, and Thanksgiving Day.

5. Police employees are to submit written notice in advance for personal leave to their Commanding Officer whenever possible. (Examples used for vacation, family affair, planned event, etc.)
6. Accrual of Personal Leave Days
 - a. Five personal days will be credited to each police employee who is on payroll January 1 of each Year.

217

- b. A Police employee may, at any time during the year, utilize up to sixteen hours per annum of his compensatory time as personal leave, consistent with III B.2.
- c. Before or during payroll period 23 of each year, police employees may submit a handwritten memorandum to their Commanding Officer with regard to any unused personal leave days.

APPENDIX "I"

OVERTIME ASSIGNMENT PROCEDURE FOR POLICE SERGEANTS

I. POLICY

- A. Overtime for assignments will be authorized in accordance with Section XIII of the Memorandum of Agreement.

This procedure shall be utilized to identify the appropriate Police Sergeant for an overtime work assignment.

Voluntary overtime is an overtime assignment which is not ordered or which need not be assigned to a particular Police Sergeant. Ordered overtime is any overtime ordered pursuant to Section XIII, Paragraph 13 of the Memorandum of Agreement, preparation time, or overtime required in connection with training, arrest, appearances at court, before administrative bodies.

- B. Police Sergeants must express advance interest in working Early Call In (ECI), Hold Over (HO), Regular Day Cancellation (RDO X) or Vacation Cancellation (VAC X) at their permanently assigned Facility Police Command first and then at the Central Police Desk. RDO X and VAC X have equal standing under the Procedure and Police Sergeants shall be solicited on total cumulative overtime hours. Police Sergeants requesting to work a voluntary overtime assignment must cover their Facility Police Command requirements first, and selection under this Procedure will be made from an operating equalization overtime list in accordance with this procedure.
- C. The interested Police Sergeant with the least amount of overtime shall be solicited, subject to the procedures in Section II herein, for the assignment. In the event the Police Sergeant with the lowest overtime declines, the Police Sergeant with the next lowest amount shall be solicited and so on, until all interested Police Sergeants are canvassed. A recorded up to date master list of all Police Sergeants overtime shall be maintained at the Central Police Desk and used for overtime equalization in the event a Police Sergeant is requested to fill an overtime work requirement, that cannot be filled by the facility assigned Police Sergeants in accordance with this procedure. The master overtime list shall be provided by the Port Authority and shall be no more than 14 to 28 days in arrears of the daily up to date Facility Police Command Police Sergeants overtime hours. This master list shall be in addition to the daily overtime hours maintained and used at each Police Sergeant's Facility Police Command for equalization. If two or more Police Sergeants have the same number of hours, the Police Sergeant with the greatest seniority will be called first. Refusals of overtime will not be considered, only overtime hours or parts thereof will be recorded.

D. Effective on June 30, 1998,

1. At the beginning of each calendar year, all Police Sergeants shall return to zero (0) overtime hours for the purpose of this procedure.
2. All newly promoted Sergeants overtime accrued as a Police Officer and/or a Detective will be carried over upon promotion.

II. PROCEDURE

A. Overtime assignment of four (4) hours or less

1. Whenever a voluntary overtime assignment for a Police Sergeant is four (4) hours or less, Commanding Officers may fill the vacancy by the "holding over" or "early call in" of Police Sergeants assigned to the Facility Police Command, with equalization amongst those eligible Police Sergeants working the tour adjacent to the overtime assignment.
 - a. In the event Police Sergeants are not available to work Hold Over or ECI from adjacent tours of the overtime assignment, Police Sergeants on RDOX /VAC X assigned to the Facility Police Command may be canvassed to fill the overtime assignment.
 - b. If no assigned Police Sergeant is available from the list of assigned Facility Police Command Police Sergeants, then available Police Sergeants may be canvassed to fill the overtime requirement in accordance with Paragraph C herein.

B. Overtime Assignment of More Than Four (4) Hours

1. Whenever a voluntary overtime assignment for a Police Sergeant is to be for more than four hours, it may be covered by RDO X/VACX where possible, or by HO, ECI in the sequence listed below.
 - a. All Police Sergeants assigned to the Facility Police Command in accordance with Attachment "A" annexed hereto, may be solicited to work on an RDO X/VAC X basis. In those instances where a voluntary overtime assignment of more than four hours is filled utilizing a Police Sergeant on RDO X or VAC X pursuant to this procedure the Police Sergeant shall be guaranteed a minimum of eight (8) hours work.
 - b. All Police Sergeants assigned at the Facility Police Command working the tours adjacent to the overtime assignment shall be offered the HO or ECI.

mm

AR

- C. In the event the assignment cannot be filled in accordance with the above, then the following sequence applies:
1. Police Sergeants from a Facility Police Command within a Consolidated Police Zone on RDO X/VAC X who are qualified to work at the requesting Facility Police Command shall be solicited to fill the assignment.
 2. Qualified Police Sergeants on HO or ECI from a Facility Police Command within a Consolidated Police Zone shall be solicited to work at the Facility Police Command to fill this assignment.
 3. Police Sergeants from all other Facility Police Commands on RDO X/VAC X who are qualified to work at the requesting Facility Police Command shall be solicited to fill the assignment.
 4. Qualified Police Sergeants on HO or ECI from any Facility Police Command shall be solicited to work at that Facility Police Command to fill the assignment.
- D. If all attempts to cover a Police Sergeant deficiency on a voluntary basis with a qualified Police Sergeant has failed then the most junior qualified Police Sergeant working at the Facility Police Command will be ordered to work as follows; HO or ECI from among junior qualified Police Sergeants working the adjacent tours at the Facility Police Command at which the overtime occurs. Once a Police Sergeant has been ordered to work pursuant to Section XIII, he/she shall be ineligible to be ordered to work under Section XIII for a period of six months.
- E. For the purposes of this procedure, a Police Sergeants Facility Police Command assignment shall be that which is listed in Attachment "A", annexed hereto. All Detective Sergeants shall be deemed to have the same Facility Police Command for the purpose of overtime equalization only.
- F. For the purpose of this procedure, a Sergeant completing an afternoon tour on a day prior to his RDO, or Vacation shall be considered eligible for an RDOX or VACX on the night tour following that afternoon tour. A Sergeant scheduled to work a night tour on the day following his RDO or vacation shall be considered eligible for an RDOX or VACX on the afternoon tour of the day preceding that night tour.

III. Voluntary Overtime By Pass Remedy

If a qualified Police Sergeant who has in accordance with this Procedure expressed advanced interest in working a voluntary overtime assignment is bypassed in violation of this procedure due to a misapplication of this Procedure, then the Port Authority in its sole discretion will either remunerate the Police Sergeant (make whole) or afford the Police Sergeant the opportunity to work an overtime assignment mutually acceptable to his Commanding Officer and himself, for the equivalent amount of hours at the equivalent rate of pay. The work opportunity shall not be a normal roll call position but shall be a staff

work assignment. Whenever practicable this equivalent overtime work assignment shall be completed during the pay period in which the error is confirmed by the Public Safety Department. This paragraph sets forth the only remedy(s) for an overtime by-pass violation.

- IV. This overtime procedure shall be effective on the date of the execution of this Memorandum of Agreement.

Dear Sergeant O'Neill:

In connection with the procedure for promotion of Police Sergeants to the rank of Police Lieutenant (the "promotion procedure") set forth in Appendix J of the Memorandum of Agreement between the Port Authority and the Port Authority Police Sergeants Benevolent Association (SBA), the parties agree that should it be determined by the Port Authority Employment Relations Panel or by any court of law that any provision in Appendix J violates any right of any other person or persons or any other employee organization or organizations, or causes the Port Authority to do so or to fail in performing any duty imposed upon it by or pursuant to the Port Authority Labor Relations Instruction, such determination shall not impair the validity and enforceability of the remaining provisions of Appendix J. In such event, the Port Authority and the SBA shall immediately enter into negotiations with respect to a successor provision/s for any such provisions which are determined to be so violative and constitute mandatory subjects of negotiation under the Port Authority Labor Relations Instruction.

APPENDIX "K"

VACATION GROUPS – SERGEANTS AND DETECTIVE SERGEANTS

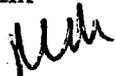

A vacation group will consist of no more than 8 individuals.

Prior to establishing Vacation grouping as provided for in this procedure, the distribution of vacation letters among Sergeants assigned to a Facility Police Command shall be adjusted in accordance with the "20% rule." This rule provides that all Sergeants are to be assigned to vacation periods using their currently assigned letter. Should conflicts occur in the schedule where more than 20% of the Facility Police Command Sergeants strength is on vacation during the same period, Sergeants so effected will be permitted to voluntarily move in the chart to provide balance. If the schedule is still unbalanced after the voluntary moves, the Junior Sergeant(s) will be moved to under utilized periods to balance the chart. The new letters assigned as a result of this procedure will be retained by the Sergeant for the duration of their assignment at the respective Facility Police Commands.

The one exception to the permanent reassignment of letters involves those Sergeants who are in a letter group which is doubled up with another group for prime time vacations. If more than 20% of the Sergeants are on vacation in a particular time period, a reassignment of letters as per above is permissible, but the reassignment is for the calendar year only. During the course of any year, newly assigned Sergeants will retain their letter in the year of assignment. However, if the assignment places more than 20% of the Facility Police Command Sergeants in one letter group, the same 20% rule should be followed in the subsequent year. Sergeants seniority as opposed to Facility Police Command seniority will count in determining who is Junior Sergeant. If an imbalance exists in the schedule with less than 20% of Sergeants on vacation in all periods, voluntary requests can be accommodated to balance the chart.

Vacation periods for individuals within a group will be determined by vacation letter in accordance with the Memorandum of Agreement, provided, however, that if more than one individual in a vacation group is scheduled to take vacation in the same time period, and this duplication cannot be eliminated by the assignment of a different Sergeant to the particular group, the Junior Sergeant(s) from among those with the conflicting periods will be required to select a different vacation period for that year. The period selected must be such so as not to conflict with any other periods in place for that group that year. The assignment of Sergeants to a vacation group shall be done by the Commanding Officer in accordance with the above.

Once vacation assignments have been established for the year, they may not be changed as a result of an individual transferring in or out of a vacation group. A newly assigned Sergeant, may keep his assigned vacation for that given year or may take the vacation slot available in the group to which he is assigned subject to the provisions of this Appendix "K."

VACATION RELIEF DETECTIVE SERGEANTS

Detective Sergeants assigned to Vacation Relief Positions as identified in Appendix "M", Attachment "B" of the Memorandum of Agreement, will be responsible for covering the vacation coverage of individuals within a vacation group. A vacation group will consist of no more than seven (7) individuals to be relieved plus the Vacation Relief Detective Sergeant.

Vacation Relief Detective Sergeant Position #1 (V.R. 1) covers the vacations of Detective Sergeants assigned to the following positions and/or assignments as identified in Appendix "M", Attachment "B" of the Memorandum of Agreement:

JFK - (3) Three Detective Sergeants positions
CCPU - (1) One Detective Sergeant position
LGA - (1) One Detective Sergeant position
11x7 - (1) One Detective Sergeant position

Vacation Relief Detective Sergeant Position #2 (V.R. 2) covers the vacations of Detective Sergeants assigned to the following positions and/or assignments as identified in Appendix "M", Attachment "B" of the Memorandum of Agreement:

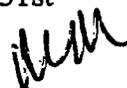

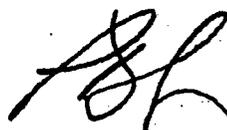

NIA - (3) Three Detective Sergeants positions
BT - (3) Three Detective Sergeants positions
HQ - (1) One Detective Sergeant position

Vacation periods for individuals within a group will be determined by vacation letter in accordance with the Memorandum of Agreement. However, if more than one individual in a vacation group is scheduled to take vacation in the same time period the Commanding Officer shall take the following steps to eliminate the duplication:

- a) By seniority, solicit volunteers to change their vacation group for the year.
- b) The junior Detective Sergeant(s) from among those with conflicting periods will be required to select a different vacation period for that year.

Once vacation assignments have been established for the year, they may not be changed as a result of an individual transferring in or out of a position and/or assignment. Any Sergeant newly assigned as a Detective Sergeant shall keep his vacation group for the balance of the year.

The work charts of Detective Sergeants assigned to Vacation Relief Detective Sergeants positions will be developed and provided to the Association for review by December 31st of the prior year.

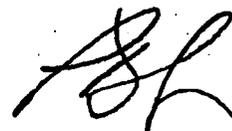

The Association President may only withhold his approval of the Detective Sergeant Vacation Relief chart(s) in the event any of the provisions of Section XII, Paragraphs 1 and 7(a), (b) or Section XV, Paragraph 1(a), (b), or Section XVII of Memorandum of Agreement are violated. Should a Detective Sergeant Vacation Relief Chart not be approved by the Association's President, he shall provide the Port Authority with the specific reasons for withholding approval. If the Port Authority believes that the work chart and/or the Detective Sergeant Vacation Relief Chart does not violate any of the provisions of the Memorandum of Agreement it shall not implement the work chart and/or the Detective Sergeant Vacation Relief Chart which is in dispute. Pending the resolution of the dispute, the Vacation Relief Detective Sergeant shall be assigned to a work chart in accordance with the Memorandum of Agreement.

The Port Authority may submit the dispute to expedited arbitration pursuant to Appendix "G" of the Memorandum of Agreement to determine if the work chart and/or Detective Sergeant Vacation Relief Chart violates the above requirements. The burden of having such work chart and/or Detective Sergeant Vacation Relief Chart approved through arbitration shall be on the Port Authority.

Once a Detective Sergeant Vacation Relief Chart is approved, it shall become the Detective Sergeant's work chart. Any and all revisions to an approved Detective Sergeant Vacation Relief work chart must be approved by the Association's President prior to its implementation. The Association's President may only withhold approval of the revised Detective Sergeant Vacation Relief Chart(s) if any of the previously mentioned Sections of the Memorandum of Agreement are violated. The Association President shall provide the Port Authority with specific reasons for withholding approval. If the Association's President does not approve of the revisions to the Detective Sergeant Vacation Relief Chart it shall not be implemented. Pending the resolution of the dispute the Vacation Relief Detective Sergeant shall remain in his current work chart.

The Port Authority may submit the dispute to expedited arbitration pursuant to Appendix "G" of the Memorandum of Agreement to determine if the revised Detective Sergeant Vacation Relief work chart violates the above requirements. The burden of having the revised Detective Sergeant Vacation Relief Chart approved through arbitration shall be on the Port Authority.

The Detective Sergeants assigned to these Vacation Relief positions may when not covering vacations within their vacation group or are excess cover any deficiencies on their scheduled tour of duty for any position and/or assignment within their vacation group.

APPENDIX L

REPEATED AND EXCESSIVE ABSENCE DISCIPLINE

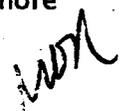

Effective with the execution of the Memorandum of Agreement the following shall be applicable to disciplining a Sergeant for Repeated and Excessive Absence:

A. This Appendix provides a progressive discipline system for Repeated and Excessive Absence. In accordance with Paragraph B. 1. below, no Sergeant shall be subject to entering the progressive disciplinary process under this Appendix until and unless he has at least two occasions of absence and at least eighteen regularly scheduled workdays absent in a consecutive period up to nine months. In addition to the automatic exemption of certain injuries incurred in the line of duty as set forth below, the Superintendent of Police can consider the totality of the circumstances involving any absence from duty and in his sole discretion may exclude such absence(s) from the disciplinary process. The Superintendent's decision as to whether an absence is or is not to be excluded shall be without precedential value. Absences on account of pregnancy or on account of maternity leave shall not constitute absences for purposes of establishing "repeated and excessive absence" for disciplinary action.

A Sergeant who enters the progressive disciplinary process is subject to successive stages of discipline which provide for successively greater maximum penalties. A Sergeant who enters the progressive disciplinary process is also able to retreat out of it. If a Sergeant is at a particular stage in this disciplinary process and the next subsequent charge in the process is either not brought against him or, if brought, is not sustained, then a Sergeant shall retreat to the immediately preceding stage in the process. In this way, a Sergeant who had entered the process may, retreat through the stages and return to the status of a Sergeant against whom no charge of Repeated and Excessive Absence has been sustained. Such a Sergeant shall be subject to reentering the progressive disciplinary process only as provided in Paragraph B.1. below.

B 1. A Sergeant who has two or more occasions of absence and a total of eighteen or more regularly scheduled workdays absent in any consecutive period up to nine months shall be subject to being charged with Repeated and Excessive- Absence Stage I.

However, if a Sergeant's absence record for the period which includes the period which would otherwise be covered by that Stage I charge and the nine month period immediately preceding the first day of absence in that period is four or more

occasions of absence and a total of twenty-five or more regularly scheduled work days absent, he shall be subject to being charged instead with Repeated and Excessive Absence - Stage II.

A Sergeant who has a Stage I charge or, as provided above, a Stage II charge against him sustained shall have thereby entered or reentered, as the case may be, the progressive disciplinary process for Repeated and Excessive Absence.

2. If a Sergeant against whom a Stage I charge has been sustained has two or more occasions of absence and a total of twelve or more regularly scheduled work days absent in the nine month period, or any part thereof, immediately following the period covered by a sustained Stage I charge, a Sergeant shall be subject to being charged with Repeated and Excessive Absence -Stage II.

If no Stage II charge is brought against a Sergeant with respect to absences within the nine month period, or any part thereof, immediately following the period covered by the sustained Stage I charge, or if no Stage II charge with respect to absences within the nine month period immediately following the period covered by a sustained Stage I charge is sustained, then a Sergeant shall retreat to the status of a Sergeant against whom no charge of Repeated and Excessive Absence has been sustained.

3. If a Sergeant against whom a Stage II charge has been sustained has two or more occasions of absence and a total of twelve or more regularly scheduled work days absent in the nine month period, or any part thereof, immediately following the period covered by a sustained Stage II charge, he shall be subject to being charged with Repeated and Excessive Absence - Stage III.

If no Stage III charge is brought against Sergeant with respect to absences which occurred within the nine month period, or any part thereof, immediately following the period covered by a sustained Stage II charge, or if no Stage III charge with respect to absences which occurred within the nine month period immediately following the period covered by a sustained Stage II charge is sustained, then for purposes of discipline for Repeated and Excessive Absence with respect to absences in the next subsequent nine month period, or any part thereof, a Sergeant shall retreat to the status of a Sergeant against whom a Stage I charge has been sustained.

4. If a Sergeant against whom a Stage III charge has been sustained has two or more occasions of absence and a total of twelve or more regularly scheduled work days absent in the nine month period, or any part thereof, immediately following the period covered by a sustained Stage III charge, he shall be subject to being charged with Repeated and Excessive Absence - Stage IV.

If no Stage IV charge is brought against a Sergeant with respect to absences within the nine month period, or any part thereof, immediately following the period covered by a sustained Stage III charge, or if no Stage IV charge with respect to

Excessive Absences with respect to absences in the next subsequent nine month period, or any part thereof, a Sergeant shall retreat to the status of a Sergeant against whom a Stage II charge has been sustained.

5. If a Sergeant against whom a Stage IV charge has been sustained is assessed a penalty from among temporary reduction in pay, compulsory leave of absence without pay, reduction in seniority or forfeiture of vacation rather than dismissal from employment, then if a Sergeant has two or more occasions of absence and a total of twelve or more regularly scheduled work days absent in the nine month period, or any part thereof, immediately following the period covered by a sustained Stage IV charge, he shall be subject to being charged with Repeated and Excessive Absence - Stage IV.

If no Stage IV charge is brought against a Sergeant with respect to absences which occurred within the nine month period, or any part thereof, immediately following the period covered by a sustained Stage IV charge, or if no Stage IV charge with respect to absences which occurred within the nine month period immediately following the period covered by a sustained Stage IV charge is sustained, then for purposes of discipline for Repeated and Excessive Absence with respect to the next subsequent nine month period, or any part thereof, a Sergeant shall retreat to the status of a Sergeant against whom a Stage III charge has been sustained.

C. APPLICABLE DISCIPLINARY HEARINGS AND PENALTIES

Hearings of a disciplinary charge of Repeated and Excessive Absence — Stage I, Stage II or Stage III shall be in accordance with Appendix "G" and Section XXVII of the Memorandum of Agreement.

The range of penalties for these Stages shall be:

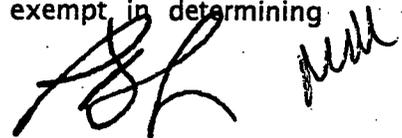

Stage I – up to a maximum penalty of one day compulsory leave without pay

Stage II – up to a maximum penalty of six days compulsory leave without pay

Stage III – up to a maximum penalty of ten days compulsory leave without pay

Hearings of and penalties for disciplinary charge of Repeated and Excessive - Absence - Stage IV shall be in accordance with Appendix "G" and Section XXVII of the Memorandum of Agreement.

In addition to the automatic exemption of certain injuries incurred in the line of duty as set forth below, the Arbitrator may consider the totality of the circumstances surrounding the absences not automatically exempt in determining

Handwritten signature and initials, possibly "AR" and "Mull", in black ink.

whether discipline is warranted and the penalty is appropriate.

D. ABSENCE

As used herein the term "absence" shall include all sick absences and absences due to injuries incurred in the line of duty, except for the following injuries incurred in the line of duty.

Those injuries incurred in the line of duty which directly result from:

- i. Actions of a Sergeant which arise out of, are directly related to and are in furtherance of the lawful exercise of police functions, or
- ii. Criminal assault on a Sergeant while on duty whether engaged in police action or not, or
- iii. Crash, fire, rescue or other similar public safety operations, and which result in serious personal injury to a Sergeant shall be automatically exempt from absences which may be considered for Repeated and Excessive Absence discipline.

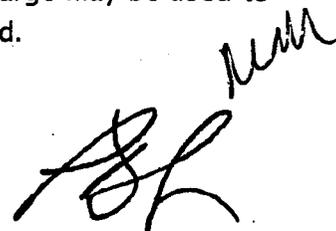

The Superintendent of Police shall make the initial determination as to whether an absence shall be classified as "exempt" in accordance with the aforesaid. The Superintendent's determination as to whether an absence shall be classified as "exempt" may be used as precedent in subsequent proceedings under this Appendix.

The term "absence" shall not include such infractions as tardiness, being off post, A.W.O.L. and the like, and such infractions must be separately charged and specified.

"OCCASION OF ABSENCE"

To be counted, as an occasion of absence in a charge of Repeated and Excessive Absence, the occasion of absence must commence in the period covered by the charge, which period, except as provided under Paragraph B.I. above, may be any consecutive period up to, but not more than, nine months in duration.

If an occasion of absence commences but does not end in the period covered by a charge of Repeated and Excessive Absence, then the regularly scheduled work days absent attributable to that occasion of absence which are in the period covered by the charge may be used to calculate the total of days absent in the period covered by the charge and those regularly scheduled work days absent during that occasion of absence which are not in the period covered by the charge may be used to calculate the total of days absent in the immediately following period.

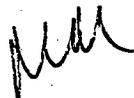

E. The provisions of this document shall be applicable only to events which occur after the date of execution of the Memorandum of Agreement, and no event or absence which occurred prior to the date of execution of the Memorandum of Agreement shall be included in any area of discipline to determine if a Sergeant is guilty of Repeated and Excessive Absence under this Appendix.

F. The Port Authority shall have the right to discipline a Sergeant for Repeated and Excessive Absence irrespective of the standards contained in Paragraph 1 of Section II of Appendix "F," annexed to the Memorandum of Agreement.

G. No Sergeant shall be charged with a violation of Rule 5, Paragraph 5 of "General Rules and Regulations for all Port Authority Employees" with respect to sick absences and absences due to injury incurred in the line of duty which occurs after the execution of this Memorandum of Agreement but any such charge for absences occurring after the execution of this Memorandum of Agreement shall be expressed as a violation of Repeated and Excessive Absence as indicated above.

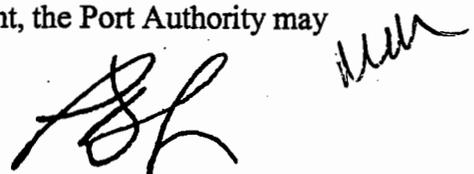

H. The right of the Association to utilize the grievance-arbitration procedure contained in this Memorandum of Agreement shall not be diminished in any way and shall be applicable to all matters included herein.

APPENDIX "M"
WORK PRESERVATION AGREEMENT

The Port Authority will make every effort as set forth herein to fill each of the positions agreed upon in Attachment "A", annexed hereto, as long as any of the work of that position continues to be performed by or on behalf of the Port Authority. Whenever a position is vacant due to retirement, resignation, promotion, permanent reassignment, and/or transfer, the procedures included in the Memorandum of Agreement relating to transfers and work chart assignments shall be followed to fill the vacancy. The definition of Police Sergeant in this agreement shall also include Detective Sergeant.

- A. Whenever a Police Sergeant position identified in Attachment "A" is vacant due to retirement, resignation, promotion, permanent reassignment, and/or transfer, the transfer and work chart assignment provisions of the Memorandum of Agreement shall be followed to fill the position, and until such position is filled in accordance with such provisions, it shall be filled in accordance with the procedure set forth in Paragraph E below.
- B. All Police Sergeants positions identified in Attachment "A" which are vacant due to time off provisions of the Memorandum of Agreement, e.g., RDO's, Vacation, C.T., Sick Leave, IOD's and Personal leave, shall be filled in accordance with the procedure set forth in Paragraph E below.
- C. All Police Sergeants positions identified in Attachment "A" which are vacant due to the assignment of the Police Sergeant to a position other than his authorized roll call position, e.g., vacant due to training, sick checks, investigations, VIP, Staff Duties, or any other assignments (including Detective Sergeant replacement and Lieutenant replacement) shall be filled in accordance with the procedure set forth in paragraph E below.
- D. The positions listed in Attachment "B", annexed hereto, shall be filled as long as any work of the position continues to be performed by or on behalf of the Port Authority. However, if the position is vacant due to e.g. RDO, Vacation, C.T., Sick Leave, IOD, Personal Leave, training, court or medical, the position need not be filled as long as persons not in the negotiating unit do not perform unit work of the Association currently and heretofore performed by that position. Whenever the position is vacant, the Port Authority may

Handwritten signatures in black ink, including a large signature that appears to be 'AS' and a smaller signature to its right.

choose not to have the work of that position performed or may choose to assign work of that position to another Police Sergeant. In such cases the Port Authority is not required to fill the vacancy.

E. The procedure to fill a vacancy on a regularly scheduled tour of duty as required under this Appendix "M" shall consist of the following steps to be taken in order:

1. Assignment thereto of an excess qualified Police Sergeant permanently assigned to a Facility Police Command within a contractually designated Consolidated Police Zone where the vacancy occurs when working on the same tour of duty as the vacancy. The Port Authority will assign the senior qualified Police Sergeant who volunteers for such assignment. If there is no such volunteer the Port Authority will assign the junior qualified Police Sergeant. Such excess Police Sergeant shall first report to his permanently assigned Facility Police Command. The excess Police Sergeant shall be provided with a Port Authority police vehicle when responding to fill the vacancy. No Police Sergeant shall be ordered and/or instructed and/or requested to use his personal vehicle for transportation from his permanently assigned Facility Police Command to another Facility Police Command. A Police Sergeant filling a vacancy pursuant to this paragraph shall return to his permanently assigned Facility Police Command at the end of his regularly scheduled tour of duty to sign off duty. For the purposes of this Paragraph E. 1. a Police Sergeant is "excess" if the Police Sergeant has not been assigned to a normal roll call position at the Police Sergeant's Facility Police Command on that tour of duty and all normal roll call positions at such Command have been filled. In implementation of this procedure the Port Authority may not create an excess Police Sergeant by failing to fill a normal roll call position in order to use the Police Sergeant who would have filled that position to cover a deficiency at another Facility Police Command.

2. Assignment thereto of a Police Sergeant pursuant to Appendix I of the Memorandum of Agreement.

F. When the procedure set forth in Paragraph E above is followed and no Police Sergeants are available to fill a vacant Police Sergeant position, the unit work performed by that position may then be performed by a higher rank only until a Police Sergeant is available to fill the vacancy by implementation of that procedure.

G. Whenever any vacancy in a Police Sergeant position occurs, which is required to be filled under this Appendix "M", and the procedure set forth in Paragraph E above is not followed, the first Police Sergeant who would have filled the vacancy pursuant to Paragraph E.2. if such procedure had been followed shall receive the payment of four (4) hours pay at his straight time rate for each such vacancy.

Such payment shall be required under this Paragraph G unless the Police Sergeant whose absence has created the vacancy has failed to give his permanently assigned Facility Police Command notice of his absence at least two (2) hours prior to the starting time of his regularly scheduled tour of duty.

DRUG TESTING
POLICY AND PROCEDURES

PREAMBLE

The mutual intention of the signatories to this policy is to insure that any individual subject to this Agreement who is engaged in the illegal or unauthorized use of drugs (as defined herein) shall be separated from employment with the Port Authority pursuant to the following:

POLICY

In order to investigate and detect the use of illegal drugs and the unauthorized use of: marijuana, opiates, amphetamines, cocaine and phencyclidine or their metabolites by member(s) of the Port Authority Public Safety Department (member(s)), the following procedures will become effective upon the execution of the 1991-2003 Memorandum of Agreement.

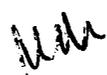

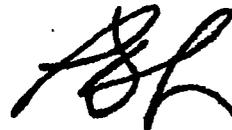

I. CONFIDENTIALITY

The results obtained from any administration of a reasonable suspicion or random drug test shall be strictly confidential. The results obtained from any such drug test shall be limited to internal administrative purposes only and shall not be divulged by the Port Authority to any person not requiring knowledge thereof, nor shall they be used by the Port Authority in connection with any criminal investigation or prosecution, nor shall the Port Authority release the results of any drug test to anyone, including another Law Enforcement Agency for use in connection with any criminal investigation or prosecution, except where such release is compelled by subpoena or court order or otherwise required by law.

II. SCREENING

The administration of screening tests to detect the presence of the following drugs: marijuana, opiates, amphetamines, cocaine and phencyclidine or their metabolites in members of the Department will be performed in the following instances:

1. Upon reasonable suspicion that a member is under the influence or is engaged in the illegal or unauthorized use of the above drugs;
2. On a random basis, without advance notice; and
3. Pursuant to the Rehabilitation Opportunity Agreement For Positive Test Results (Appendix 2) and The Rehabilitation Opportunity Agreement For Self-Identification Situations (Appendix 3).

III. TESTING BASED UPON REASONABLE SUSPICION

A. A member may be required to undergo drug testing based on "reasonable suspicion" when facts and observations are brought to the attention of a superior officer and, based upon the reliability and weight of such information, the superior officer can reasonably suspect that the member is engaged in the illegal or unauthorized use of the above drugs. Reasonable suspicion must be supported by specific, articulable facts which may include, but are not limited to: reports and observations of the member's drug related activities such as purchase, sale or possession of drugs; associations with known drug dealers or users; observations of the member at known drug or drug related locations; an otherwise unexplained change in a member's behavior or work performance; an observed impairment of the member's ability to perform his or her duties. An accident, by itself, will not automatically require a member to submit to a reasonable suspicion drug test.

B. A superior officer shall report the basis for his reasonable suspicion to the Superintendent of Police or a designee. The Superintendent or a designee shall decide whether to direct the member to drug testing. Prior to so deciding, the Superintendent or a designee may meet with the member. If such a meeting is held, a representative from among those designated by the Association shall have a right to be present, except that the meeting shall not be delayed for more than two (2) hours for the purpose of having a designated Association representative present.

C. If the member is ordered to submit to a drug test, the member shall be given a brief verbal statement of the basis for the reasonable suspicion. A verbal directive to submit to a drug test shall be confirmed in writing, as shall the facts constituting the basis for the reasonable suspicion, but the testing shall not be delayed pending issuance of such written directive and statement of facts.

IV. RANDOM DRUG TESTING

The Superintendent of Police or a designee shall be responsible for the scheduling and administration of random drug tests.

A. Selection of members to be tested on a random basis shall be made from a database consisting of all members covered by the memorandum of agreement. This procedure will be performed by the Superintendent or a designee and may be witnessed by the Association President or a designee, except that the selection shall not be delayed later than 8:00 a.m. on the day that random selection shall occur for the purpose of having the Association President or a designee present. The Association President or a designee shall be notified no later than 4:00 p.m. on the day prior to the date on which a random selection is to occur. Such notice may be by fax to the Association office.

B. On the day which members are to be randomly tested a random list of names and member numbers will be generated until a sufficient number of members are available to meet the quota established by the Superintendent of Police. Members on the generated list who are scheduled to be on vacation or a regular day off will not be included in the list. Port Authority

management and the Association's representative, if present, will sign the generated list. The random selection of a member will not result in that member's name being removed from any future selection process.

C. Member Notification Form - Members selected for random drug testing pursuant to this Procedure will receive the Member Notification Form (Appendix 1).

A member selected for testing must remain at the collection site until the test has been completed and the completion of a test will occur no later than two hours after the conclusion of the member's tour. Any member selected for testing and reporting absent due to sickness, IOD, or personal leave on the test date, must provide a urine specimen the next time specimen collection takes place at his facility while the member is on duty there. This collection will be random in that the member's name was selected at random for a previous test and the date of the next collection is also random.

For the purpose of determining who is scheduled to work on the day random testing is to be done the following tours shall be the tours to be tested: The day and afternoon tours of the date that the names are randomly selected and the night tour of the day immediately following the date that the names are randomly selected.

V. EXEMPTIONS FROM DRUG TESTING

The member must report to the scheduled submission site within the time designated by the Port Authority's management or the member's supervisor unless they are absent due to: an excused absence or personal leave as defined in Appendix H of the parties' Memorandum of Agreement, an assignment or excusal authorized by the Superintendent of Police or a designee, military leave, sickness or injury incurred in the line of duty, compensatory time, vacation, holidays, or an assignment out of the Port District which has been scheduled before the member has been notified to report for drug testing. The parties agree that members who are exempt pursuant to this Article will not be charged with a Refusal to Cooperate as defined in Article VII, Paragraph A, of this Drug Testing Policy and Procedure and not subject to the DISCIPLINARY ARBITRATION PROCEDURES FOR A VIOLATION OF THE DRUG TESTING POLICY AND PROCEDURES as set forth herein as Article XII. Any claim that a member was not properly exempt under this Article must be charged by the Port Authority pursuant to the disciplinary provisions of the Memorandum of Agreement.

VI. TESTING PROCEDURES AND RESULTS OF DRUG TESTS

A. The parties will be bound by 49 CFR Part 40, subpart A-General with respect to drugs only, and subpart B - Drug Testing, for all drug testing conducted pursuant to this 1991-2003 Memorandum of Agreement. The parties further agree to the following:

B. Testing Procedures

1. Collection Procedures

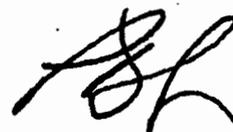

- a. The procedures for collection of urine shall be in accordance with 49CFR Part 40, Urine Specimen Collection Procedures Guidelines.
- b. Each member tested shall only be tested for the following drugs or their metabolites: marijuana, cocaine, opiates, amphetamines and phencyclidine.
- c. The following initial cutoff levels shall be used when screening specimens to determine whether they are negative for these five drugs or classes of drugs:

	Initial test cutoff levels (ng/ml)
Marijuana metabolite	50
Cocaine metabolites	300
Opiate metabolites	* 300
Phencyclidine	25
Amphetamines	1,000

* -25 ng/ml if immunoassay specific for free morphine.

- d. All specimens identified as positive on the initial test shall be confirmed using gas chromatography/mass spectrometry (GC/MS) at the cutoff levels listed below for each drug.

	Confirmatory test cutoff levels (ng/ml)
Marijuana metabolite \1\	15
Cocaine metabolite \2\	150
Opiates:	
Morphine	300
Codeine	300
Phencyclidine	25
Amphetamines:	
Amphetamine	500
Methamphetamine\3\	500

1\ Delta-9-tetrahydrocannabinol-9-carboxylic acid.

2\ Benzoylecgonine.

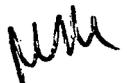

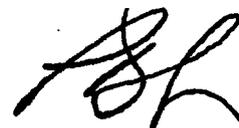

3\ Specimen must also contain amphetamine at a concentration greater than or equal to 200 ng/ml.

- e. These cutoff levels are subject to change by the Department of Health and Human Services ("DHHS") as advances in technology or other considerations warrant identification of these substances at other concentrations. The Port Authority will notify the Association by registered mail, return receipt requested or overnight delivery mail service with written proof of service of any changes in the cutoff levels made by the DHHS. The Association may also notify the Port Authority's Office of Medical Services by registered mail, return receipt requested, or overnight delivery mail service with written proof of services of any changes in the cutoff levels made by the DHHS. Any such changes will become effective upon the date prescribed by the DHHS provided the Port Authority has given the Association notice or vice versa of such changes. No change will become effective unless the Port Authority has given the Association notice of such change or vice versa.
2. Each member being tested on the basis of reasonable suspicion shall be accompanied by a representative of the Association, except that the testing process will not be delayed for more than two (2) hours for the purpose of having an Association representative present. The Association representative may confer with and advise the member before and after the testing process, but shall not participate in the process in any way. The Association will provide the Department with a list of no fewer than five (5) representatives to be available for this purpose. If on duty, said representative shall be excused from duty with full pay and benefits to accompany a member.
3. During the testing process the member shall cooperate with requests for information concerning his use of medications, and with all other requirements of the testing process such as acknowledgment of giving of a urine specimen.
4. The parties agree to the "split sample" method of collection as outlined in 40 CFR §40.25. When directed in writing by the MRO to forward the split specimen to another DHHS-certified laboratory selected by the Port Authority for analysis, the second laboratory shall analyze the split specimen by GC/MS to reconfirm the presence of the drug(s) or drug metabolite (s) found in the primary specimen. Such GC/MS confirmation shall be conducted pursuant to 49 CFR §40.29(b)(3).

5. The Port Authority shall pay all costs and fees with respect to the testing procedures set forth in Article VI.
6. All future amendments, additions, deletions and revisions concerning drug testing that are approved and issued by the Department of Transportation ("DOT") or DHHS will be adopted by the parties. The Port Authority will notify the Association by registered mail, return receipt requested, or overnight delivery mail service with written proof of service of any amendments or modifications to 49 CFR Part 40. The Association may also notify the Port Authority's Office of Medical Services by registered mail, return receipt requested, or overnight delivery mail service with written proof of service of any amendments or modifications to 49 CFR Part 40. The parties further agree that any such amendments or modifications to 49 CFR Part 40 will become effective upon the date prescribed by the DOT/DHHS provided the Port Authority has given the Association notice or vice versa of such amendments or modification. No amendment or modification will become effective unless the Port Authority has given the Association notice of such change or vice versa.

C. Results of Drug Tests

1. The MRO, as defined in 49 CFR Part 40, will receive all test results.
2. The MRO will notify each member who tests negative of such result by registered mail, return receipt requested and regular mail within five business days of the date the MRO receives the results from the laboratory, to the address indicated in Port Authority records. All test results will be retained by the MRO in a locked separate file in the Office of Medical Services.
3. Whenever a drug test is canceled for any reason pursuant to this Drug Testing Policy and Procedures or 49 CFR Part 40, any prior positive readings will be nullified and any suspension imposed will be rescinded with the tested individual receiving full pay for the period of the suspension.
4. Upon receipt of a positive test result, the MRO will notify the Superintendent or a designee who will immediately schedule the member who tested positive to report to the MRO in the Office of Medical Services, on that member's next scheduled workday that the Office of Medical Services is open for a complete review of the test results.
5. The member must meet privately with the MRO to discuss any legitimate explanation for the positive test result including the use of prescription and over-the-counter medications. The MRO will give the member a copy of the positive test result report at that time. The member must fully cooperate with the MRO during this interview. If the MRO determines that there is a

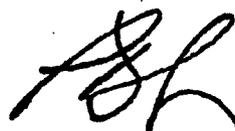

legitimate medical explanation for the confirmed positive test result, the MRO will report the test result to the Superintendent or a designee representative as verified negative. If the MRO determines that there is no legitimate explanation for the confirmed positive test result, the result will be verified positive by the MRO and communicated to the member during the meeting. If the MRO verifies the positive test result, the MRO will notify the tested member by registered mail, return receipt requested and regular mail within five business days. The MRO will notify the member at the meeting that he/she may request a test of the "split specimen" and will explain the procedures for requesting a split specimen test and how this test is conducted. The MRO also will notify the Superintendent or a designee of the result who will then notify the tested member's supervisor. Such member will be subject to the discipline in accordance with Article XII herein.

6. If a member provides a written request to the MRO within 72 hours of being notified by the MRO of a verified positive test result for an analysis of the split specimen, the MRO will request that the split specimen be analyzed pursuant to 49 CFR Part 40. If the analysis of the split specimen fails to reconfirm the presence of the drug(s) found in the primary specimen, then the MRO will report the test as verified negative to the Superintendent or a designee and the tested individual by registered mail, return receipt requested, and regular mail within five business days. If the split specimen is unavailable, inadequate for testing or untestable, the MRO shall cancel the test and report the cancellation and the reasons for it to the Superintendent or a designee and the tested individual by registered mail, return receipt requested, and regular mail within five business days. However, if the split specimen reconfirms the presence of the drug(s) or drug metabolite(s), the MRO will notify the Superintendent or a designee and the tested member of the test results by registered mail, return receipt requested, and regular mail within five business days.

VII. REFUSALS TO COOPERATE AND POSITIVE TEST RESULTS

A. Refusal To Cooperate

With the exception of members exempted from this Drug Testing Policy and Procedures as defined in Article V, Exemptions From Drug Testing, the refusal by a member to cooperate with any requirement of this procedure including, but not limited to, refusal to complete the Member Notification Form (Appendix 1) and the Drug Testing Custody and Control Form and the Split Specimen Request Form (Appendix 10), failure to provide urine or an adequate amount of urine if a licensed physician who is acceptable to the Port Authority determines in his or her reasonable medical judgment that a medical condition did not or with a high degree of probability, could not have precluded the employee from providing an adequate amount of urine, engaging in conduct that clearly obstructs the testing process, including but not limited to, the adulteration or substitution of a urine specimen or attempts to substitute or adulterate a specimen; failure to report

as directed by management or the member's supervisor directly to the collection site, or to delay the collection, testing or verification process, refusal to comply with other provisions of this procedure, refusal to accept a restricted assignment while the member is participating in a counseling, treatment or rehabilitation program, or refusal to comply with terms of the Rehabilitation Opportunity Agreement For Positive Test Results (Appendix 2), or the Rehabilitation Opportunity Agreement For Self-Identification Situations (Appendix 3), shall constitute a refusal to cooperate. If a member cannot provide urine or an adequate amount of urine, and that inability was not due to a medical condition in the opinion of the licensed physician referenced herein, the member will be granted the opportunity to sign the Failure to Cooperate: Failure to Provide Specimen Waiver Agreement (Appendix 9). If the member signs this form, he or she will not be charged with refusal to cooperate and must abide by the terms of the Waiver Agreement contained therein. The only penalty for member's refusal to cooperate is termination, if the charge is sustained in a disciplinary action set forth in Article XII herein.

B. Positive Test Results

Any member who is required to submit to a reasonable suspicion drug test pursuant to this policy, will be administratively suspended from duty until the Port Authority receives the verified test results and, if requested, the split specimen test result. If the test result or split specimen test result is negative or canceled, the member will be reinstated and will receive full pay for the period of the suspension. If the test result or split specimen result is positive, the member will be suspended without pay. Termination is the only penalty for a member who receives a verified positive drug test, if the charge is sustained in a disciplinary action as set forth in Article XII herein. If the charge against a member who was verified positive by the MRO in accordance with this Drug Testing Policy and Procedures or 49 CFR Part 40 is not sustained the member will be reinstated without back pay and must sign a Rehabilitation Opportunity Agreement For Positive Test Results (Appendix 2). Refusal to execute or fully comply with the terms of the Agreement shall constitute refusal to cooperate and subject the member to termination. No disciplinary action will be taken against a member on the basis of any positive test that does not meet the cutoff levels provided in 49 CFR Part 40, Subpart B§40.29. The confirmation test of the split specimen shall be pursuant to 49 CFR §40.29.(b)(3).

VIII. DATA RETENTION AND PRODUCTION

The documents currently comprising this litigation package are attached to correspondence dated April 4, 2005. In the event there is a change in what the laboratory makes available to the Port Authority, the document provided for in the correspondence dated April 4, 2005 shall be modified accordingly.

The parties agree that no other records shall be provided by the Port Authority. Additionally, the arbitrator has no authority to require the Port Authority to produce any other records, other than what is specifically noted in this Article, including those documents reproduced in Appendix 4.

Members subject to disciplinary action under this Agreement will have a right to seek information as permitted by 49 CFR Part 40, beyond that granted by Article VIII, Paragraph A of this Agreement. The arbitrator shall permit a reasonable adjournment pending pursuit of such information. Notwithstanding the foregoing, the failure of the Port Authority's laboratory or other Port Authority agents to provide documents beyond those documents listed in Article VIII, Paragraph A, shall not be considered by the arbitrator in rendering his or her decision on the merits of the case.

C. If requested by the member or by the Port Authority, arrangements will be made with the laboratory for a longer retention period. Negative samples will be discarded by the DHHS laboratories.

IX. OPPORTUNITY FOR REHABILITATION

If a member voluntarily has self-identified as having a drug problem to the Superintendent or a designee and requests assistance for such a problem before being selected for a drug test required by this policy, the Port Authority will refer such member to Port Authority's substance abuse professional ("SAP") who shall determine what assistance the member needs in resolving problems associated with controlled substance use. After the evaluation, the SAP will refer the member for appropriate counseling, treatment or rehabilitation.

Such member shall be referred to participate in a counseling, treatment, or rehabilitation program pursuant to the provisions of the Rehabilitation Opportunity Agreement For Self-Identification Situations (Appendix 3). The member must execute the Rehabilitation Opportunity Agreement prior to entering the program. Refusal to execute or fully comply with the terms of the Agreement shall constitute refusal to cooperate and subject the member to termination as stated in Article VII above.

The member shall use sick leave and, if such is exhausted, or if the member chooses, vacation, personal leave and banked compensatory time for the period of absence for the purpose of obtaining treatment. All treatment will be at the sole expense of the member, to the extent not covered by the member's health benefits plan.

The member will be required to satisfactorily complete any counseling, treatment or rehabilitation program before being eligible to return to duty. Upon return to duty, such member will be required to submit to a drug test and must receive a verified negative result. Such member also will be required to submit to follow-up drug tests. The number and frequency of such follow-up testing shall be directed by the SAP and will consist of no more than six tests in the 12 months following the member's return to duty. Thereafter, additional tests will be at the discretion, of the substance abuse professional for the next 48 months. Such follow-up testing will be required in addition to all other tests required by this policy. If the SAP determines that a member who is participating in a counseling, treatment or rehabilitation program is able to perform a restricted assignment while in such program, the Superintendent or a designee will, in his sole discretion, determine whether any restricted assignments are available, and, if so, will in his sole discretion assign such member to the available assignment. Further, the member must accept any restricted assignment. The failure of the member to accept such assignment will constitute a refusal to cooperate as defined herein and will result in the member's termination, if the charge is sustained in the disciplinary proceedings set forth in Article XII herein.

X. UNANNOUNCED TESTING FOR MEMBERS ASSIGNED TO CERTAIN IDENTIFIED POSITIONS

Members assigned to Narcotics Detectives, K-9, and plainclothes narcotics related assignments, will undergo unannounced drug testing at least once per year. This testing does not preclude members of the aforementioned units from being randomly tested at any time during the year. A member's name will not be removed from the random computer database after being chosen for unannounced testing. However, if an officer is selected for random testing before he/she is selected for unannounced testing, his/her name will be removed from the unannounced

list and his/her requirement for annual unannounced testing will be deemed fulfilled.

XI MISCELLANEOUS

- a. The parties agree on the modifications to the list of approved rehabilitation facilities attached as Appendix 5.
- b. Members who come into contact with suspected drugs covered by this Agreement while acting within the scope of their employment will fill out a DRUG EXPOSURE FORM annexed hereto as Appendix 7. The form shall be dated, numbered and entered into the member's facility police blotter, and must be forwarded to the Superintendent or a designee along with a handwritten report from the member detailing the events of the contact or all other appropriate police reports. The Superintendent or a designee may order the member to be tested for the presence of drugs as set forth in Article II. If in the screening of this test as set forth in Article II, there is a confirmed positive test, the MRO will request from the Superintendent or a designee a copy of the aforementioned forms and will review it in accordance with 49 CFR Part 40 and applicable DOT/DHHS guidelines prior to verification. If the MRO determines that the positive result is due to the contact described in the form, the test shall be verified as negative. (If the MRO determines that the positive result is not due to the contact described in the form, the test will be verified positive and the member will be subject to the discipline set forth in Article VII herein, unless the MRO determines that there is a legitimate medical explanation for the positive test result.)
- c. A copy of all contracts pertaining to all collection of urine specimens and laboratory services involved in this procedure shall be provided to the Association within thirty (30) days after the Port Authority's execution of any contract(s) with the collection agencies and laboratories.

XII. DISCIPLINARY ARBITRATION PROCEDURES FOR A CHARGE OF VIOLATION OF THE DRUG TESTING POLICY AND PROCEDURES

With the exception of a charge by the Port Authority that a member improperly claimed an exemption from testing pursuant to Article V, Exemptions From Drug Testing of this Drug Testing Policy and Procedures which must be brought as a disciplinary action pursuant to the disciplinary provisions of the Memorandum of Agreement, the disciplinary procedures as set forth in this Article are the only procedures for a charge of a violation of the provisions of this Drug Testing Policy and Procedures. Except as otherwise provided in Section XII (A)(1.), the parties agree that the P.A.I. 20-1.10 or the grievance/arbitration provisions contained in the parties' Memorandum of Agreement does not apply to violations of the Drug Testing Policy and Procedures. Any member who has been charged with violating this policy, shall be placed on full suspension (no pay) until a final decision has been rendered by an arbitrator pursuant to the

Handwritten signatures in black ink, including a large signature that appears to be 'AR' and another signature to its right.

procedures set forth below. The decision of the arbitrator shall be final and binding on the parties.

A. The Disciplinary Hearing

A disciplinary hearing shall commence within 30 days of the Port Authority's filing of charges of: 1) a refusal to cooperate; or 2) a verified positive drug test result.

1. The charges shall be referred to an arbitrator selected pursuant to the procedures set forth in Paragraph C of Appendix "G" - "Grievance-Arbitration/Disciplinary Procedure".
2. Notice of Charges and Specifications for Violation of the Port Authority Public Safety Department's Drug Testing Policy and Procedures as set forth in this Appendix 8 shall be required in lieu of formal Charges and Specifications as set forth in PAI 20-1.10.
3. Upon a charge that a member has violated any provision of this Drug Testing Policy and Procedures, a Notice of Charges and Specifications for Violation of the Port Authority Public Safety Department's Drug Policy and Procedures (Appendix 8) must be transmitted to the office of the Association, addressed to the president of the Association, by registered mail, return receipt requested, and the date of the registration shall constitute the date of filing.
4. In order to insure expeditious proceeding the parties agree that the arbitrator shall have both the right and obligation to schedule subsequent hearing dates in order to complete the hearing expeditiously. The arbitrator shall have the right to schedule hearings after 5:00 pm on weekdays and on weekends.
5. Nothing in this section should be construed to limit the arbitrator's right to delay a hearing pending the production of information he or she deems relevant to the proceeding.
6. All proceedings shall be transcribed by a certified court reporter.
7. The proceedings shall take place at a location designated alternatively by the Port Authority and by the Association.
8. The arbitrator shall render his report within 30 days of the closing of the record.

B. Issues To Be Decided By The Arbitrator

The following issues related to the specific member subject to discipline/discharge

pursuant to this procedure are the only issues to be decided by the arbitrator:

1. The absence of a fatal flaw in the drug testing procedures which resulted in a positive drug test result. Fatal Flaw is defined in Appendix 6.
2. The member's refusal to cooperate as defined in Article VII, Paragraph A, herein.
3. Whether the Port Authority or its agents committed any serious and material violations during the course of the drug testing process with respect to:
 - a. the requirements of this Drug Testing Policy and Procedures;
 - b. the compliance of the MRO with the requirements set forth in 49 CFR Part 40; or
 - c. the compliance of the collection service with the requirements set forth in 49 CFR Part 40, Urine Specimen Collection Guidelines.
4. Whether the Port Authority had reasonable suspicion as defined in Article III, Paragraph A, of the Drug Testing Policy and Procedures to require a member to submit to a reasonable suspicion drug test.

C. Scope Of Arbitrator's Review

1. No Mitigating Circumstances

The arbitrator may not consider any mitigating circumstances, such as but not limited to, the member's length of service, work including disciplinary record, in determining whether a member should be disciplined for violating the Drug Testing Policy and Procedures.

2. Reinstatement Without Back Pay

Except as set forth in paragraph 3 below, the arbitrator will not award full pay for the period of the member's suspension upon a finding that the Port Authority improperly charged that member in the following circumstances:

- a. If the charge against the member who was verified positive by the MRO in accordance with this Drug Testing Policy and Procedures and 49 CFR Part 40 is not sustained the member will be reinstated without back pay and must sign the Rehabilitation Opportunity Agreement For Positive Test Results (Appendix 2), prior to reinstatement. If a member receives a second positive test result during the period covered by the Rehabilitation Opportunity Agreement for any drug test, the member will be terminated, if

the charge is sustained in a disciplinary action set forth in Article XII.

- b. If the charge against the member is not sustained because that member could not provide urine or an adequate amount of urine, and that inability was not due to a medical condition in the opinion of a licensed physician referenced herein, pursuant to Appendix "O" VII, Paragraph A, and the member refused to sign the Failure to Cooperate: Failure to Provide Specimen Waiver Agreement attached hereto as Appendix 9.
- c. If the charge against the member is not sustained because there was no reasonable suspicion as defined in Article III, Paragraph A, of the Drug Testing Policy and Procedures so as to require the member to submit to a reasonable suspicion drug test.

3. Reinstatement With Back Pay

If a member is reinstated because the charges against him/her are not sustained due to:

- a. The arbitrator's finding that the Port Authority or its agents committed serious and material violations during the course of the drug testing process, as listed in Article XII Paragraph B and the member was not properly verified positive by the MRO pursuant to this Drug Testing Policy and Procedures or 49 CFR Part 40; or
- b. The arbitrator's finding that the Port Authority improperly charged a member with Refusal to Cooperate pursuant to this Drug Testing Policy and Procedures and that the member was not verified positive pursuant to this Drug Testing Policy and Procedures or 49 CFR Part 40; or
- c. The arbitrator's finding that there was a Fatal Flaw as defined in Appendix 6 herein; then the arbitrator must award full pay for the period of the member's suspension.

APPENDIX 6
FATAL FLAWS

A. Definitions

Any of the following errors or omissions are considered "fatal flaws" and should result in a specimen being rejected for testing by the laboratory:

1. Pre-printed specimen I.D. number on the chain of custody form does not match I.D. number on the bottles.
2. No specimen I.D. number on the bottles.
3. Insufficient quantity of urine for the laboratory to complete testing.
4. Specimen bottle(s) seal is broken or shows evidence of tampering.
5. Specimen is obviously adulterated (i.e. color, foreign objects, unusual odor) and the collector did not collect a second specimen under direct observation.

The following errors or omissions are also considered "fatal flaws" unless they are corrected by signed documentation:

- (a) No collector's signature on collector certification statement.
- (b) Incomplete chain of custody block (minimum of 2 signed entries by collector, both dated, and shipping/storage entry). There is no requirement to have the courier sign the chain of custody form.
- (c) Donor Social Security Number or I.D. number is omitted on the custody and control form, unless "refusal of donor to provide" is stated in the remarks section.

Additionally, specimen test results reviewed by the Medical Review Officer should be canceled (by the MRO) when the following procedural errors occur (unless corrections are made):

- (a) Donor certification statement is not signed and there is no indication in the remarks section of the donor's refusal to sign.
- (b) The certifying scientist's signature is omitted on positive results from the laboratory.

B. "Fatal Flaw" Corrective Action

All DHHS certified laboratories retained by the Port Authority will retain specimens for a minimum of five working days to allow the collector or the Port Authority to provide the laboratory with signed statements explaining or correcting procedural errors or omissions. If the employer or collector provides corrective actions (signed statements) which supply the needed information, the laboratory may proceed with the analysis of the specimen. If the corrective action is not accomplished within five days, the collection process may not be corrected and the laboratory will not test the specimen. Similarly, the MRO may elect to seek corrective actions (signed statements) to supply omitted donor or certifying scientists' signatures.

When a specimen is not tested by the laboratory for reasons outlined above, or the test result is considered invalid by the MRO for reasons outlined above, the test should be canceled and reported as such to the Port Authority and the tested individual. Return-to-duty fatally flawed collections, will be re-collected at the direction of the MRO because the donor still needs to provide a negative test result.

LEAVE OF ABSENCE

I. Introduction

This instruction describes the policies and procedures governing ordinary and compassionate leaves of absence. Not covered by this PAI are other authorized periods of time away from work such as Military Leave (PAI 20-3.10), Sick Leave (PAI 20-3.03), Maternity Leave (PAI 20-3.12) and Excused Absences (PAI 20-3.05).

II. Types of Leave of Absence

- A. Long Term Ordinary Leave: An authorized period of time away from work, without pay, for more than 14 consecutive calendar days, and for up to one year, granted only when such leave is clearly desirable in light of the employee's need and the best interests of the Port Authority. Permanent employees who have completed their probationary period and have maintained a satisfactory job performance record are eligible for long term ordinary leave. Long term ordinary leave may be granted to probationary employees only in the most exceptional circumstances. Long term leaves of absence must be recommended by the employee's Department Director and approved by the Personnel Director.

Employees returning from long term leave of absence may be reinstated to their former position classification or to another classification of similar pay and status. Such reinstatement, however, is not guaranteed and is subject to job availability. Employees who do not request reinstatement prior to the expiration date of their leave will be considered as having voluntarily resigned as of that date.

- B. Short Term Ordinary Leave: An authorized period of time away from work, without pay, up to and including 14 consecutive calendar days. Department Directors or their designees may, at their discretion, grant an unpaid leave of absence, not exceeding 14 consecutive calendar days, to permanent employees, including those serving their probationary period.
- C. Compassionate Leave: A period of time away from work, without pay, granted to employees in TWU classes only, at the discretion of Port Authority management for a total of three days (which need not be consecutive) in a calendar year, when an employee must attend the funeral of a relative or the serious

illness of a member of the employee's immediate family (spouse, child, parent, brother, sister, spouse's parent, other person living in the employee's home). When such time off is not covered by PAI 20-3.05, Excused Absence, compassionate leave will be granted by a unit head on request of the employee and is applicable to permanent employees, including those serving their probationary period.

III. Operating Rules and Procedures

Exhibit A, attached, contains the detailed operating rules and procedures relating to administration of leaves of absence.

Exhibit A

LEAVE OF ABSENCE
OPERATING RULES AND PROCEDURES

1. Initiation of Long Term Ordinary Leave

The employee submits a written request for long term ordinary leave of absence to his or her unit supervisor. The request should be addressed to the employee's Department Director and should include the estimated period of time desired, approximate starting and ending dates, and the reason(s) why the leave is necessary. If approval is recommended, the Department Director prepares the Employee Record, Form PA 87, and a memorandum addressed to the Personnel Director explaining why the leave is in the best interests of the Port Authority and describing the employee's work performance and attendance record. In cases where the Department Director recommends disapproval, the reason for disapproval should be stated along with this recommendation.

2. Initiation of Short Term Leave of Absence

The employee submits a written request for short term leave of absence to his or her unit supervisor. The request, which should be addressed to the employee's Department Director, should include a statement as to the reason for the leave, the desired number of days and the starting and ending dates. The employee's Department Director approves or disapproves the request and returns it to the employee. A copy of the approved request must also be forwarded to the Personnel Director.

3. Request for Extension of Short and Long Term Ordinary Leave of Absence

Requests for extensions of both short and long term leaves of absence, regardless of the duration of the requested extension, must be made in writing and include the reason for the request. Such requests should be sent to the Personnel Director as early as possible prior to the expiration date of the leave. The Personnel Department then consults with the employee's Department Director concerning the request and notifies the employee whether or not the extension is granted.

4. Return from Long Term Ordinary Leave of Absence

An employee on long term ordinary leave of absence must make written application for reinstatement to the Personnel Director, prior to the expiration date of the leave. Such reinstatement, however, is not guaranteed and is subject to job availability. Employees who do not request reinstatement prior to the expiration date of their leave will be considered as having voluntarily resigned as of that date. The Personnel Department will prepare the terminating Payroll Notice, form PA 87, and will notify the employee's former unit head accordingly.

- a. An employee returning from a long term ordinary leave of absence of 15 days or more does not receive P.A. service credit for the period of absence. These employees will receive a reconstructed P.A. service date, seniority in title date, seniority in grade date, and in-grade increase date.
- b. Upon reinstatement, the salary of employees returning from long term leave will be individually determined, but in no case will exceed the maximum of the position assumed.
- c. A medical examination may be required for any employee returning from a long term leave of absence.

5. Personnel Department and Payroll Section Notification

- a. An Employee Record, form PA 87, is prepared by the employee's department to initiate long term leaves of absence only. The memorandum requesting such leave is attached to the form PA 87, and forwarded to the Administrative and Employee Benefits Division of the Personnel Department.
- b. An Appointment Payroll Notice, form PA 1899, is prepared by the Personnel Department to return an employee from a long term leave.
- c. Short term and compassionate leaves of absence are shown on the bi-weekly Department Payroll Information Report, form PA 688, which is the Accounting Division's source of information for deduction purposes. (See PAI 30-5.03, Payroll Checks.)

AK *mm*

6. Sick Leave in Connection with Leave of Absence

Except in unusual cases, employees beginning an ordinary leave of absence will not be paid for sick absences occurring during the pay period in which the leave of absence is to be effective.

7. Vacation Allowances

Employees beginning or returning from long term leaves of absence receive vacation allowances in accordance with the appropriate schedules of PAI 20-3.01, Vacations.

8. Health and Life Insurance Coverage

- a. An employee granted a long term leave of absence may continue coverage under the Port Authority's Group Health and Life Insurance Programs for a period of three months beyond the effective date of the leave by paying for such coverage at the contribution rates then in effect. At the end of this three month period, Group Health and Life Insurance coverages will terminate pursuant to insurance policy provisions and employees will have the option of converting to any direct payment plans available from the insurance companies on an individual basis. Such conversion must take place during the period set by the insurance policies. Necessary conversion forms may be obtained from the Administrative and Employee Benefits Division. Questions regarding individual situations should also be directed to that division.
- b. Port Authority Group Health and Life Insurance coverage remains in effect for an employee on a short term leave of absence.

MATERNITY LEAVE

I. Introduction

This instruction outlines the policies and procedures to be followed when a maternity leave is granted to an employee.

II. Definition

Maternity leave is a requested and approved period of time away from work for the purpose of giving birth and to care for an infant in the period immediately following the birth. Maternity leave consists of two phases: the initial phase which is considered and administratively handled as sick leave, and a second phase, which is a leave without pay for the purpose of infant care.

In all cases, maternity leave begins when the employee is unable to continue working due to medical disability related to pregnancy and childbirth, and ends three months following the birth of the child. However, the duration of each phase of a maternity leave will vary based on individual circumstances.

III. Policies

- A. Permanent and probationary employees are eligible for a maternity leave of absence.
- B. Maternity leave may be granted when an employee demonstrates to the satisfaction of the Medical Director that she should discontinue working because of medical disability related to pregnancy and childbirth.
- C. During the initial (sick leave) phase of a maternity leave, for the number of days the employee is unable to work because of medical disability related to pregnancy and/or childbirth, an employee is considered to be on sick leave and her absence is treated in all respects like any other medically caused absence. For these days, she receives either sick leave allowance as specified in PAI 20-3.03, Sick Leave, or for a period not to exceed the number of compensable days remaining in her individual sick leave bank, in accordance with OPI 20-3x.03, Sick Leave Bank Plan, whichever is applicable.

- D. The second (infant care) phase of maternity leave begins when the Medical Director considers the employee capable of resuming her normal work duties, but she chooses to remain on maternity leave for infant care or other reasons. Regardless of when this second phase of maternity leave begins, the employee's maternity leave ends three months after the birth of her child.

The employee is on no-pay status during the second (infant care) phase of her leave, unless she has elected to take vacation time (see Attachment A., VII.).

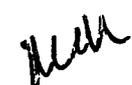

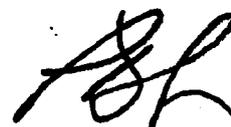

- E. When the employee returns to work after a maternity leave, she is restored to the position she held at the time her leave began, provided that she returns to duty prior to the expiration of her maternity leave. An employee who does not request reinstatement prior to the expiration date of her maternity leave and has not been granted an ordinary leave of absence beyond her maternity leave is considered to have resigned.
- F. An employee receives Port Authority service credit for the initial (sick leave) phase of her maternity leave, including any period of time during which she is sick and on no-pay status.

IV. Benefits

All group health, dental, and life insurance benefits to which the employee may be entitled under the terms of the respective policies comprising the Port Authority's group benefits programs will continue to be provided at no additional cost to the employee, for the full duration of her maternity leave. If an employee requests and is granted an ordinary leave of absence after her maternity leave expires, benefits are handled in accordance with the provisions of PAI 20-3.06, Leave of Absence.

V. Operating Rules and Procedures

Attachment A contains detailed operating rules and procedures relating to the administration of maternity leave.

Maternity Leave
Operating Rules and Procedures

I. Initiation of Maternity Leave

A. The pregnant employee prepares a memorandum (see Attachment B for example) to the Personnel Director requesting a maternity leave when her physician has stated an approximate date at which her medical condition will preclude continuation of her normal work duties. This request should be submitted to her supervisor no later than one month before the anticipated birth date and a copy should be sent to the Administrative and Employee Benefits Division. It should include the anticipated birth date and, if different, the date of the onset of medical disability, and the following signature lines:

1. A line for the signature of the employee's supervisor, by which the supervisor indicates awareness of the leave request.
2. A line for the Medical Director's signature, by which the Medical Director indicates that he/she considers the date for the onset of anticipated or actual medical disability reasonable.
3. A line for the Personnel Director's signature, by which he/she approves the leave.

The same approval process applies for any change of the anticipated date of the onset of medical disability.

- B. When the employee's supervisor has signed this memorandum, it should be returned to the employee, who attaches a note from her personal physician and forwards it to the Medical Director. The physician's note should state the anticipated birth date of the child and, if different, the date of the onset of disability and the medical reasons for it.
- C. When the Medical Director has determined that an estimated or actual date of the onset of medical disability is reasonable, he/she signs the memorandum (see A. 2., above) and forwards it to the Personnel Director, retaining the physician's note. It should be noted that, depending on the employee's particular medical circumstance, the actual onset of disability may differ from the estimated date

ASL *mm*

- D. When the Personnel Director has approved the leave, copies of the approved memorandum are sent to the employee and her supervisor.
- E. When the employee's supervisor has received the approved memorandum, he/she should prepare the Employee Record, form PA 87 which will implement the maternity leave, leaving blank the effective date, and forward it to the Administrative and Employee Benefits Division.

II. Notification Procedures

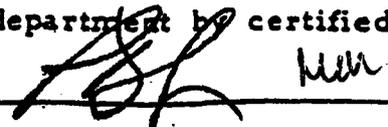

- A. The employee's department is responsible for notifying the Medical Director when the actual sick leave phase of maternity leave begins by completing form PA 3109, Extended Sick, Hospitalization and Injury on Duty Report and forwarding it to the Medical Department.
- B. The employee is responsible for notifying the Personnel Director as soon as possible but within no more than ten days, in writing, of the child's birth date or other termination of the pregnancy. The Personnel Director then notifies the Medical Director and the employee's department.
- C. The Medical Director evaluates the employee's health status and determines when she is capable of returning to work. When the Medical Director has made this determination he/she so informs the employee, the employee's department, and the Personnel Department.

III. Time Reporting

During the initial (sick leave) phase of the employee's maternity leave, the department should complete the appropriate timekeeping document for the employee, indicating that the employee is on full, half, or no-pay status, in accordance with her sick leave allowance (PAI 20-3.03 or OPI 20-3x.03). Form PA 3109, Extended Sick, Hospitalization and Injury on Duty Report must also be completed in accordance with normal procedures in order to inform the Medical Director that the sick leave phase has begun.

IV. Pay Check Distribution

Pay checks for an employee receiving sick pay during her maternity leave may be forwarded by the employee's department by certified mail. (See PAI 30-5.03, Paychecks).

V. Returning From Maternity Leave

- A. An employee on maternity leave should request reinstatement by writing to the Personnel Director as soon as possible after giving birth. An employee who does not request reinstatement prior to the expiration of the second phase of her maternity leave and has not been granted an extension as described in VI., below, is considered to have resigned.
- B. An employee who returns from a maternity leave is restored to the position she held at the time her maternity leave began. If appropriate, her position may be filled provisionally until she returns from her leave or until she has resigned.

Appointment Payroll Notice, form PA 1899, is prepared by the Personnel Department when an employee who has been on the infant care phase returns from her maternity leave.

VI. Request for Extension of Leave Beyond Three Months Following Childbirth

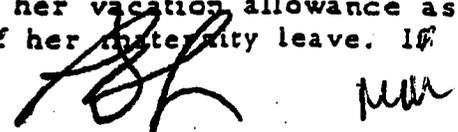

An employee who wishes to extend her leave beyond the three months following childbirth should apply in writing for an ordinary leave of absence to the Personnel Director as early as possible prior to the expiration of her maternity leave, specifying the reason for her request. The Personnel Director determines whether a request is to be granted and notifies both the employee and her unit head accordingly.

Requests by the employee to extend the leave beyond three months are considered and, if granted, administered under the terms of PAI 20-3.06, Leave of Absence.

VII. Vacation Allowance

- A. An employee may elect to take vacation in a period immediately prior to the start of her maternity leave.
- B. An employee beginning a maternity leave is entitled to payment for vacation subject to the provisions of PAI 20-3.01, Vacations, and its attached schedules, and those of any applicable Memorandum of Agreement.
- C. Vacation pay may be taken in either of two ways:
1. Lump sum advance payment

The employee may elect to receive her vacation allowance as a lump sum payment at the start of her maternity leave. If

8/06/81

ATTACHMENT A

the employee elects to receive a lump sum payment, she is paid for vacation time earned up to the time she begins her maternity leave.

If any additional vacation days are earned during the initial (sick leave) phase of the leave, an employee may subsequently receive the applicable additional vacation allowance pay, subject to review by her Department Director and the Personnel Director.

2. Regular paycheck

The employee may elect to take her vacation time at the beginning of the second (infant care) phase of her leave, in which case she will continue to receive her paychecks on a regular basis for the duration of her vacation time.

Electing this option does not extend the maternity leave beyond three months following the birth of the child.

- D. Except as discussed herein, the provisions of PAI 20-3.01, Vacations, concerning coordination of vacations with maternity leave, apply.

The employee shall be informed of the rank and name of the officer in charge of the investigation as well as the name of the interrogating officer and all persons present during the interrogation.

The employee shall be informed of the nature of the accusation at the beginning of the interrogation. The name of the complainant will be made known to the employee at the time charges are drawn against the employee.

A non-criminal disciplinary investigation of a member of the force must be placed in the charge of a person of a higher rank, who must actively participate in such investigation.

If in the course of an interview between a supervisor and a member of the force it appears that the matter under discussion may result in disciplinary action against the Police Officer, he shall have the right to have his Association representative present before the interview proceeds.

Rule 2. Promises of preference, privilege or immunity or undue suffering prohibited.

No person participating in any investigation of alleged misconduct by a Port Authority employee shall make any unauthorized promise of preference, privilege, or immunity, or employ any means whatever which inflict or tend to inflict undue suffering, mental or physical, upon any employee in order to induce, intimidate or compel him to furnish any statement admitting such misconduct or providing any information with respect thereto. Without limiting the generality of the foregoing, the following shall be deemed to be prohibited hereunder:

- Continuous examination or questioning for such length of time as to create excessive fatigue in the person being examined, or
- Unnecessarily conducting questioning of employees outside of working hours or away from their facilities, or
- Summoning or questioning employees under such circumstances or in such a manner as to occasion undue embarrassment to them or their families, or
- Deprivation of food or drink or denial or other physical necessities or comforts for excessive periods, or

Rule 3. Required cooperation by employees

Before any employee may be questioned in connection with an investigation, the employee will be apprised of Rule 3, Chapter 9 of the Rules and Regulations which states:

"All employees must cooperate in authorized investigations of any act, omission or occurrence in or upon Port Authority property, (including but not limited to misconduct, accidents, crimes and the like), provided, however that this rule shall not require any employee to give evidence against himself in connection with the investigation of an alleged act of misconduct on his part."

He shall also be cautioned that disciplinary proceedings may be commenced against him and that anything he says may be used in evidence in such proceedings.

Rule 4. Warnings required in cases of Criminal Investigation or Criminal charges against employee

"I wish to advise you that you are being questioned as part of an official investigation by the Police Division. You will be asked questions specifically directed and narrowly related to the performance of your official duties. You are entitled to all the rights and privileges guaranteed by the laws of the State of New York or New Jersey, the constitutions of these states and the Constitution of the United States, including the right not to be compelled to incriminate yourself and the right to have legal counsel present at each and every stage of this investigation.

I further wish to advise you that if you refuse to testify or to answer questions relating to the performance of your official duties, you will be subject to Port Authority charges which could result in your dismissal from the Port Authority. If you do answer, it is our understanding that neither your statements nor any information or evidence which is gained by reason of such statements can be received in evidence against you in any subsequent criminal proceeding. However, these statements may be used against you in relation to subsequent Port Authority Charges."

Rule 5. Permission to consult relatives or friends; When granted

In addition to the foregoing, if they so request and if the interests of the Port Authority shall not be jeopardized thereby, employees who are being questioned with respect to alleged misconduct by them, shall be permitted to consult relatives or friends as soon as possible and under such circumstances as will not prevent or make impractical further investigation of such alleged misconduct.

Rule 6. Promptness of investigation

Every investigation of alleged employee misconduct shall be commenced and completed as promptly as possible under all the circumstances.

Rule 7. Records of questioning

When such consent or authorization is obtained, a telephonic communication may be intercepted, overheard or recorded only in accordance with law, where the communication is received or transmitted. No other conversation or questioning of employees may be recorded by means of an instrument, unless the employees are given prior notice of such recording.

DISCIPLINARY PROCEEDINGS
PERMANENT CLASSIFIED EMPLOYEES

I. Introduction

- A. This instruction shall apply to permanent classified employees as defined in PAI 20-1.01.
- B. No disciplinary action shall be taken against any permanent classified employee except for good and sufficient cause or reason, and except in accordance with this instruction.
- C. This procedure does not apply to any disciplinary proceeding which originated prior to the effective date of this procedure.

II. Grounds for Dismissal, Transfer, Demotion of Permanent Employees

The following are examples of good and sufficient cause or reason for the dismissal, transfer or demotion of a permanent employee: Substantial or repeated neglect or failure of the employee properly to perform his duties; substantial or repeated violation of rules and regulations; conduct seriously prejudicial to the Port Authority or the public interest.

III. Types of Disciplinary Action

- A. The following measures, when taken for disciplinary purposes, constitute disciplinary action within the meaning of this procedure. No other types of disciplinary action are authorized.
 - 1. Dismissal from employment, including compulsory retirement.
 - 2. Demotion (in the case of employees other than members of the police force holding the position of Police Officer or Police Sergeant) to a grade or title having a lower rate of pay.
 - 3. Transfer to a grade or title having a different type of duties or responsibilities.
 - 4. Temporary Reduction of Pay, but only in the case of Traffic Officers and Traffic Sergeants.
 - 5. Compulsory Leave of Absence Without Pay not to exceed 60 days for any and all offenses charged in connection with any one transaction. *mm*

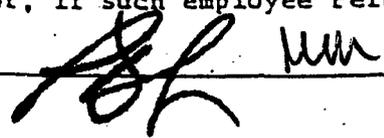

6. Reduction in Seniority in cases where seniority lists affecting rights or privileges have been or are hereafter established.
 7. Official Reprimand, officially noted upon the employee's record in the Office of the Personnel Director (or Official Demerits, if a demerit system is established).
 8. Forfeiture of Vacation Privileges.
 9. Minor Discipline, such as forfeiture of pass, holiday or days off privileges, informal reprimands* and other appropriate minor disciplinary measures which do not affect the employee's grade, title, pay or seniority.
- B. The dismissal, demotion, transfer or compulsory retirement of an employee because of mental or physical incapacity substantially impairing his ability to perform his duties, or because he has reached mandatory retirement age or because a reorganization of the Port Authority or one of its facilities, properties, departments or divisions, or any other administrative action affecting the position, status, pay or privileges of an employee, not taken for disciplinary purposes, is not considered to be disciplinary action and does not come within the scope of this procedure. Provision, however, has been made for a hearing at the request of the employee concerned, whenever the dismissal, demotion, transfer or compulsory retirement of a permanent employee is contemplated on the ground of mental or physical incapacity. (See PAI 20-1.09)

IV. Temporary Reduction in Pay

- A. As noted above an employee may be disciplined by a temporary reduction in pay, not to exceed one month's pay for any one offense. Such a temporary reduction in pay shall be deducted from each pay check until the entire amount of the temporary reduction has been deducted, but in no case shall the total amount of such deduction from any one pay check (on account of all offenses) exceed ten percent (10%) of the employee's salary or pay (before deductions) for the period covered by the pay check. These deductions will be transferred to the Employees Welfare Fund Committee for use in promoting the welfare and morale of employees.

*For Building Trades Union and Union of Automotive Technicians Covered Classes Only

If a letter of reprimand (informal reprimand) has not been used as a basis for disciplinary action within one year from the date of such letter, such letter shall be removed from the employee's personnel folder, unless during such period related reprimands have been placed in the employee's folder in which event such letter of reprimand shall remain in the employee's folder for the one year period commencing with the date of the most recent letter of reprimand. All letters of reprimand must either be initialled by the employee or, if such employee refuses to so initial, such refusal shall be duly noted.

V. Hearings and Disciplinary Procedures

A. Where Hearings in Accordance with Paragraph X are Required

The following types of disciplinary action shall not be taken with respect to any permanent employee having a classified position except pursuant to written charges, and a hearing before a Port Authority Trial Board in accordance with Par. X of this instruction (unless the employee waives the filing of such charges or the holding of such hearing):

- (1) Dismissal; (2) demotion; (3) transfer; (4) temporary reduction in pay in an amount greater (for all offenses charged in connection with any one transaction) than the equivalent of three days' pay; (five days' pay for TWU classes)

- (7) forfeiture of more than three days' vacation (five days' vacation for TWU classes) (for all offenses charged in connection with any one transaction).

B. When Hearings in Accordance with Paragraph XI are Required (Not applicable to Transport Workers Union classes.)

The following types of disciplinary action shall not be taken with respect to any permanent employee having a classified position except pursuant to written charges, and a hearing before a Departmental Trial Board in accordance with Par. XI of this instruction (unless the employee waives the filing of such charges or the holding of such hearing):

- (1) Temporary reduction in pay in amount (for all offenses charged in connection with any one transaction) equivalent to three days' pay or less; (2) compulsory leave of absence without pay for a period (for all offenses charged in connection with any one transaction) of three days or less; (3) official reprimand; (4) forfeiture of vacation (but not more than three days for all offenses charged in connection with any one transaction, and not more than six days in the aggregate during any one calendar year for all offenses); (5) official demerit.

C. Where Disciplinary Procedures in Accordance with Paragraph XII are Required

Where an employee has a position in one of the TWU classes and the penalty for all offenses charged in connection with one violation will be no greater than the equivalent of five days' pay, any authorized type of disciplinary action shall be taken in accordance with Paragraph XII hereof.

CN 99
1/9/74

D. Where Hearings Are Not Required

Any authorized type of disciplinary action may be taken against a temporary employee without the filing of charges or a hearing; and any authorized type of disciplinary action, other than those specified in sub paragraphs V, A, B, and C, above, may be taken against permanent employees without formal charges or a hearing.

(NOTE: For definitions of temporary and permanent employees, see PAI 20-1.01.)

VI. Repeated Offenses

Disciplinary action may be taken against an employee for repeated violation of rules and regulations or repeated neglect or failure to perform his duties or other repeated conduct warranting disciplinary action, even though disciplinary action has previously been taken separately with respect to some or all of the series of transactions upon which such charges are based; but only if such repeated conduct is charged as a separate offense. In any such case, the entire series of transactions upon which the charge is based shall be deemed to be one transaction within the meaning of paragraphs V, A, B, and C; but in any other case, the provisions of paragraphs V, A, B, and C relating to "any one transaction" shall be deemed to refer to each transaction separately.

VII. Waiver of Rights, Resignations Pending Disciplinary Proceedings

- A. An employee may waive his right to have charges filed and may waive his right to a hearing, and may do so either before or after the hearing has commenced. All such waivers must be in writing.

In addition, the failure to appear at a hearing after notice shall constitute a waiver of such hearing unless the Board or person before whom such hearing is held shall find such failure excusable.

Handwritten initials/signature

- B. An employee may resign at any time, and in that event any disciplinary proceedings against the employee shall terminate, but unless the charges are dropped or withdrawn, the charges shall be filed with his record and entry made in his record "Resigned under charges pending trial."

Whenever an employee resigns after a temporary reduction in pay takes effect, the aggregate deduction from his final pay check shall not exceed 10% of his salary or pay (before deduction) for the period covered by such pay check.

VIII. Temporary Suspensions Without Pay

- A. Any employee may be temporarily suspended without pay pending the preparation of charges and the completion of disciplinary proceedings (but not for more than two weeks without the approval of the Executive Director); and such temporary suspension shall not be deemed to constitute disciplinary action unless the charges are thereafter sustained.
- B. If the charges are sustained and if as a result one or another of the following types of disciplinary action is taken, such disciplinary action shall be effective as of the day upon which the employee was suspended: dismissal; demotion; transfer; temporary reduction of pay; compulsory leave of absence without pay.
- C. Except as provided above the employee shall be restored to duty upon the completion of the disciplinary proceedings, and shall then receive his full pay for the period during which he was temporarily suspended, whether or not the charges against him were sustained; provided, that the employee may be restored to duty prior to the completion of the disciplinary proceedings, in which event, he shall receive full pay for the period of his temporary suspension.
- D. Nothing contained in this instruction shall be deemed to prevent suspending employees with pay, whether pending the preparation of charges and the completion of disciplinary proceedings or for other administrative purposes.

IX. Filing and Preliminary Investigation of Charges

- A. Form of Charges

Charges shall be in writing, and each charge shall be a

brief formal statement of the alleged offense. In the event that an employee is charged with more than one offense, he shall be separately charged with each offense and each charge shall be separately numbered. Each charge of an alleged offense shall be separately supported by one or more specifications (summary statement of facts supporting the charge). Each specification standing alone should be sufficient to sustain the charge of the alleged offense if proven.

Charge 1. Repeated violation of rules and regulations of The Port of New York Authority.

Specification 1. In that said employee failed to appear at outgoing roll call on the 13th, 15th, 17th, 24th and 27th days of January, 1969, in violation of Rule 6 of "General Rules and Regulations for all Port Authority Employees," which provides that "Employees shall be punctual *** at all times."

B. Signature of Charges

Charges shall be signed by the complainant, who need not be an officer, employee or agent, or otherwise connected with The Port of New York Authority.

C. Filing Charges

Whenever a charge is made by a Port Authority employee it shall be transmitted through channels to his department head. Whenever a charge is made by a person not connected with the Port Authority, it shall be transmitted through channels to the department head of the employee sought to be disciplined.

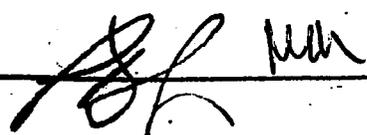

D. Time Limitation

Charges filed with a department head more than two years after the alleged commission of the offense charged, shall be void.

E. Action by Department Head

Upon receipt of charges and after such preliminary investigation as he deems necessary, the department head shall either:

1. Return the charges to the complainant for correction in the event that they do not conform to the requirements of paragraph IX, A hereof; or

Revised September 30, 1970

2. Direct that the charges be dropped; but in case the complainant is not a member of his department, only with the approval of the Executive Director; or
3. In the event that he is of the opinion that a hearing pursuant to Par. X of this instruction is desirable - forward the charges (through the Personnel Director) to the Executive Director for action; or
4. In case the charges are against a member of his department holding a classified position, refer the charges to a Departmental Trial Board for hearing in accordance with Par. X; or
5. In case the charges are against a member of his department, take any appropriate disciplinary action which is authorized by this procedure to be taken without a formal hearing; or
6. In case the employee against whom charges are made is a member of another department, refer the charges to the head of such other department, who thereupon shall take one or another of the types of action specified above.

X. Hearings Before a Port Authority Trial Board

A. Reviewing Officer

In all cases where hearings are required or authorized to be held pursuant to this paragraph, the Reviewing Officer shall be the Executive Director of the Port Authority.

B. Preliminary Action by Reviewing Officer

The Reviewing Officer shall, after such further investigation as he deems necessary either

1. Direct that the charges be dropped; or
2. Refer the charges to a Port Authority Trial Board for hearing; or
3. Return the charges to the department head either for a departmental hearing pursuant to Par. XI or for such disciplinary action as is authorized by this procedure to be taken without formal hearing.

Handwritten signature and initials, possibly "BR" and "MAM", in the bottom right corner of the page.

In any case, the Reviewing Officer will return the charges to the Personnel Director for disposition in accordance with his directions.

C. Makeup of Port Authority Trial Board

1. The Port Authority Trial Board shall be appointed by the Reviewing Officer who shall designate one of its members to act as Presiding Officer, and the Board may be appointed to hear one or more cases. The membership of the Board shall consist of not less than three members, including, if practicable, a department or division head or other supervising employee generally familiar with the functions of the employee against whom the charges have been made.
2. The Personnel Director shall notify the members of the Trial Board of their appointment.
3. In the event that a member of the Trial Board is unable to be present at all or part of the hearing or hearings of any one case (because of illness or otherwise) the remaining members of the Trial Board may continue to function without the absentee member. The absentee member shall not vote or have any voice in the proceeding. In the alternate, if a member of the Board absents himself after the hearing or hearings in any one case have commenced, the Reviewing Officer may in his discretion designate a new member to take the place of the absentee, but in that event the new Trial Board as then constituted shall hear the entire testimony from the beginning as though no testimony had already been taken.

D. Functions of Trial Board

1. It shall be the function of the Trial Board to determine the truth or falsity of the charge; and if in the opinion of a majority of the Trial Board the charge is sustained, to recommend appropriate disciplinary action. The Trial Board shall proceed promptly with a hearing, and shall receive testimony and evidence offered by the employee and the complainant, and in addition shall summon witnesses and require the production of records and other data it deems appropriate to the hearing of the charges and the determination of the discipline.
2. The Trial Board shall not make any investigations except for the purpose of determining whether there is pertinent

testimony or evidence which has not been produced, and any witnesses or evidence produced at the request of the Trial Board shall be presented at the hearing.

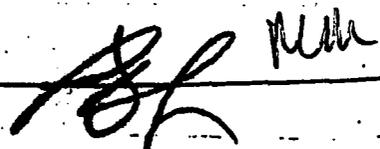

E. Docket Entries

The Personnel Director shall enter in a special docket the name of the employee against whom the action is sought, the name of the complainant, the name of the person who endorsed the charges and any other data with respect to the proceedings, as, for example, the date upon which the charges were served upon the employee, the date set for hearing and any adjournments, whether the right to file briefs was requested and the date fixed for such filing, the findings of the Trial Board, etc. Each case shall be numbered consecutively.

F. Service of Charges and Notice of Hearing

When charges are returned to the Personnel Director approved by the Reviewing Officer for a hearing, he shall have a copy of the charges and specifications served upon the employee and direct him to appear for a hearing. The charges, and/or notice of hearing may be served either personally or by registered mail at the last known address of the employee on file with the Port Authority, but shall be served by registered mail only with the approval of the Executive Director. The Personnel Director shall fix a date for the hearing which shall not be less than five days from the date of service of the charges or notice of hearing, whichever is later. In calculating the five days, the date of service of the charges or notice of hearing (whichever is later) shall be deemed to be (a) the date on which said charges or notice were personally served, if service was made, or (b) the second day following the date on which the charges or notice were mailed, if service is by registered mail. In either event the day on which service is made as so determined, and the day of the hearing and any intervening Sunday or legal holidays shall be excluded in determining whether the employee has had five days' notice of hearing. The office of Personnel Director shall also notify the Trial Board and the complainant of the date of the hearing.

In determining whether the employee has had five days' notice of hearing, the following shall be deemed to be legal

holidays: New Year's Day, Lincoln's Birthday, Washington's Birthday, Memorial Day, Independence Day, Labor Day, Columbus Day, Election Day (the first Tuesday after the first Monday of November), Veteran's Day, Thanksgiving Day and Christmas, and in the event any of these days falls upon a Sunday, the following Monday.

G. Conduct of Hearings

1. Except as otherwise provided herein, or unless otherwise modified, the procedure at and conduct of such hearings and all incidental proceedings shall be determined by the Trial Board, but in any event:
 - a. hearings shall be conducted informally;
 - b. the employee may appear in person or by an authorized representative; and the employee and his representative may produce, examine or cross-examine witnesses, submit other evidence, make oral arguments and submit memoranda or other written statements;
 - c. a stenographic record shall be kept of all hearings and it shall be available for inspection by the employee or his representative during ordinary business hours of the Port Authority for twelve (12) months after the completion of the hearing;
 - d. except as provided in paragraphs VI and X, I, no evidence of prior misdeeds or offenses other than those charged shall be received or inquired into.
2. The Trial Board may in its discretion allow the charges and specifications to be amended to conform to the proof adduced at the hearing provided it grants an adjournment of the hearing as provided in paragraph X, H hereof.
3. The Trial Board shall call and examine such witnesses as it deems necessary or appropriate.
4. In general, the order of procedure at the hearing shall be as follows, but the Trial Board may vary the order of procedure in its discretion:

First: The charges and specifications shall be read, and the employee or his representative shall be requested to state summarily his position with respect thereto.

Second: The testimony (sworn or unsworn) and other evidence in support of the charges shall be received. Each witness in support of the charges shall be subject first to direct examination by the Trial Board (and if the charges are preferred by a member of the Port Authority staff, by such member or his representative) and then to cross-examination by the employee or his representative, and thereafter to such re-direct or re-cross examination as may be necessary.

Third: The testimony (sworn or unsworn) and other evidence for the employee shall then be received. Each witness for the employee shall be subject first to direct examination by the employee or his representative, and then to a cross-examination by the Trial Board (and if the charges were preferred by a member of the Port Authority staff, by such member as his representative), and thereafter to such further re-direct or re-cross examination as may be necessary.

Fourth: The testimony and evidence in the nature of rebuttal and surrebuttal shall then be received in that order.

Fifth: In cases where charges are preferred by a member of the Port Authority staff, such member or his representative shall be permitted to make a statement summarizing the testimony and evidence and making recommendations with regard to disciplinary action.

Sixth: The employee or his representative shall be permitted to make a statement summarizing the evidence, and to present any pertinent oral arguments.

Seventh: In lieu of or in addition to oral statements and arguments, the Trial Board may receive written memoranda or briefs in support of the charges or in favor of the employee.

H. Adjournments and Postponements

The employee shall be entitled to one 10-day postponement of the hearing. He shall also be entitled to an adjournment of the hearing once, if the proof offered at the hearing is at variance, in any material respects, with the specifications as set forth in the charges and specifications. The

Presiding Officer may grant any other adjournments which he in his discretion deems desirable.

I. Findings

As promptly as practicable following the conclusion of a hearing the Trial Board shall make its findings. The findings shall be in writing and shall refer to each separate charge and shall state whether each charge is "sustained" or "not sustained." A majority of the Trial Board must concur in the findings with respect to each charge, and no member of the Trial Board shall be eligible to vote on the findings unless he has been present throughout the hearings and in the case of adjournments, at all sessions. The Trial Board, if it desires, may accompany the findings with opinions in writing explaining the reasons for its findings.

The Trial Board shall make a recommendation for disciplinary action if it finds the charges sustained, and in so doing it may receive and consider the employee's Performance Rating Reports and any records of prior disciplinary proceedings.

J. Review

At the conclusion of the hearing the findings and recommendation of the Trial Board, and opinion, if any, together with a transcript of the testimony and any briefs which have been filed, shall be promptly forwarded to the Reviewing Officer.

The Reviewing Officer shall review the findings and approve or disapprove them. If he shall disapprove them he may in his discretion return the case to the Trial Board for a new hearing.

The Reviewing Officer shall prescribe the disciplinary action and the recommendation of the Trial Board shall not be binding on the Reviewing Officer. The office of the Personnel Director shall promptly notify all concerned of the disciplinary action directed to be taken by the Reviewing Officer.

In any case where the disciplinary action requires further action by the Operations Committee of The Port of New York Authority, such as discharge or demotion, the same shall not be effective until approved by the Operations Committee.

2. The Department Director shall designate the Departmental Trial Board, which shall consist of any one or more Port Authority employees appointed from the same department in which the employee sought to be disciplined is employed.
3. The Departmental Trial Board shall have the charges, specifications and other notices served in the manner prescribed for the service of charges, notices, etc., as provided in Par. Notwithstanding that charges have been referred to a Departmental Trial Board for a hearing, the Department Head may refer such charges (and any new or additional charges arising out of the same transaction) to the Reviewing Officer specified in Par. XII. Disciplinary Procedures for TWU Classes

CN-8
6/29/73

A. Conditions

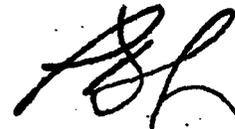

Where TWU classes are concerned, a facility or division manager may administer initial discipline for minor violations of Port Authority rules and regulations, which shall not include sick absenteeism. For all such offenses charged in connection with any one violation, the amount of penalty will be no greater than the equivalent of five days' pay.

CN-96
8/3/73

B. Procedure

1. When a supervisor deems that disciplinary action should be taken in connection with a violation by an employee, he shall notify the employee in writing of the facts upon which such action is based and shall at the same time schedule a meeting with the manager and the employee involved. The employee's representative may attend this meeting.
2. At the meeting, the manager will interview the supervisor and the employee. The purpose of these interviews will be to permit the manager, the supervisor and the employee to develop pertinent facts, and to permit the evaluation by the manager of the circumstances leading to the alleged violations, and result in the determination by the manager of appropriate action. If additional information is needed, the manager will make arrangements to elicit same, and if necessary, arrange for a subsequent meeting.
3. Within fifteen days after the interview, the manager shall inform the employee, in person, of the action to be taken and the reasons for this action. A comprehensive written report of the manager's determination and findings will be presented to the employee at this time. Copies of this determination will be transmitted to the Manager of the Operating Personnel Division and to a representative of Local 1400 of the TWU whether or not the employee being disciplined is a member of the union. If the employee accepts such determination, he will signify his concurrence in writing.
4. If the employee does not accept such determination, he may appeal the determination to the appropriate Department Director within fifteen days. Such appeal shall be in writing, setting forth the basis for appeal, and may be in the form of a letter or a memorandum addressed to the Director.

5. If an employee appeals such determination, the Director or his designee shall review all pertinent data, conducting such interview as he may elect, and render a written determination in the matter to the said employee within fifteen days.
6. If the employee disagrees with the determination of the Department Director, he may, within fifteen days, appeal to the Personnel Director for final review, said appeal to be in the form of a letter or memorandum addressed to the Personnel Director.
7. The Personnel Director, acting for the Executive Director, must reply in writing to the aggrieved employee within thirty days. His action will be final. Failure on the part of an employee to make his appeal within the prescribed time limits will result in the acceptance of the recommended discipline. Failure on the part of any management representation to inform the employee of disciplinary action within the prescribed time limits will result in the charges against the employee being waived.

Office of the Executive Director

The Port Authority
of New York and New Jersey

PAI 20-4.01

Revised January 14, 1974

UNIFORM ALLOWANCES

I. Introduction

This instruction sets forth the eligibility requirements and uniform allowances of employees.

II. Policy

It is Port Authority policy to furnish wearing apparel to its employees where the need is justified.

Certain employees are furnished an initial issue and, in addition, are granted an annual allowance for upkeep or allowed a number of cleanings or pressings at Port Authority expense. The replacement of these uniforms is provided either by annual allowance or by purchase as required, or by a combination thereof.

Generally, employees are provided uniforms by the Work Uniform Services Section, General Services Department, whose responsibility it is to maintain the uniforms and to provide clean uniforms on a predetermined basis. (See Exhibit A for specific positions and allowances.)

For certain categories of employees utilizing dress uniforms the Work Uniform Services Section furnishes an initial issue and provides for replacement as required. Except for "wash and wear" garments, maintenance of these uniforms is covered by form PA 618, Petty Cash Voucher, which is initiated by the employee and is accompanied by cleaning receipts. (See Exhibit A for specific positions and allowances.)

III. Definitions

Wearing apparel is of four categories.

- A. Dress Uniforms are worn by employees to convey unmistakably to the general public the authority and/or services associated with their positions, e. g., Police, Toll Collectors, Red Caps, Sky Caps, etc.
- B. Work Uniforms are worn for purposes of easy identification, uniformity of appearance of employees of position classifications which are engaged in maintenance, production, or operating activities requiring attire designed to withstand extensive exposure to wear and tear and heavy soiling, e. g., maintenance personnel, messengers, police emergency crews, ~~Cleaners~~. *men*

C. Foul weather gear is worn by employees in position classifications which are exposed to inclement weather.

D. Safety clothing is worn by employees of all position classifications for the purpose of preventing injuries and/or bodily harm while at work.

IV. Responsibility for Standards and Specifications

The General Services Department, in cooperation with the departments concerned, is responsible for the design and development of standards and specifications for the purchase and maintenance of all Port Authority uniforms, except Police, which are the responsibility of the ~~Police Division Uniform Committee~~ ^{SUPERINTENDENT OF POLICE}, and Toll Collectors CN 111 which are the responsibility of the Tunnels and Bridges Department.

The Inspection and Safety Division of the Comptroller's Department reviews all new uniform items considered for purchase and uniform maintenance programs for occupational safety and health considerations.

The Port Authority Design Advisory Council through the Office of the Chief Architect approves all new uniform items prior to purchase.

V. Responsibility for Proper Dress

Each employee is responsible for being dressed in a fit and presentable manner while at work. Awareness and acceptance of this responsibility is vital to good health, high morale, and favorable public reaction. The wearing apparel programs specified in this instruction are an aid in meeting these goals. Managerial and supervisory personnel are responsible for overseeing that suitable dress is worn by subordinates. Since standards are dependent upon circumstances and working conditions, conscientious judgment must be exercised daily.

VI. Work Clothes Supplied to Employees

A. Issuance by the Work Uniform Services Section

The Work Uniform Services Section furnishes

1. uniforms to employees who are required to turn in soiled uniforms and receive clean uniforms on a predetermined basis;
2. an initial issue to certain other employees who utilize dress uniforms, the maintenance of which is covered by *Miller*

form PA 618, Petty Cash Voucher, initiated by the employee and accompanied by cleaning receipts; and

3. some uniform items which are delivered in bulk to facilities for distribution to employees after appropriate records are prepared.
- B. Each employee is responsible for clothing issued to him while it is in his possession and must exercise reasonable care in the use of such clothing. Work uniforms may be worn only while on duty and must not be worn home without specific approval. When it is established by the organization unit head that clothing issued (1) has been lost by the employee to whom it was issued, through his own fault; or (2) has been damaged or destroyed due to failure of such employee to exercise reasonable care, the employee is required to pay the purchase cost of the article as shown in Exhibit B.

C. Issuance of Other Articles

1. Some articles of work clothing, such as winter parkas and overshoe boots, are purchased by the Port Authority and are issued to employees whose work requires their usage. Green parkas are requisitioned from the Work Uniform Services Section stockroom. Blue parkas are requisitioned on purchase orders as required. Overshoe boots are requisitioned from the Central Stockroom through the General Services Department. Parkas, overshoe boots, and other items purchased by the Port Authority may be worn only while on duty and must not be worn home without specific approval of the employee's supervisor.
2. When it is established by the organization unit head that an article of clothing purchased by the Port Authority and issued to an employee has been lost, damaged or destroyed under circumstances described in Par. VI, B, the employee is required to pay the purchase cost of the article as established by the General Services Department. The department to which the employee is assigned shall notify the Comptroller's Department by memorandum to make the appropriate deduction from the employee's paycheck. Such memorandum shall state the basis upon which the department has established the liability of the employee and show the accounting code to be charged. A copy of this memorandum shall be given to the employee.

D. Issuance of Work Uniform Articles to New or Transferred Employees

1. The Personnel Department, as part of processing a new employee or a military leave returnee, completes form PA 2351, Work Uniform Request/Service Change and sends it to the Work Uniform Services Section with the new employee. The Work Uniform Services Section issues uniform items appropriate to the employee's position.
2. Prior to his transfer, an employee's unit completes form PA 2351, Work Uniform Request/Service Change as soon as knowledge of the transaction is known and forwards it to the Work Uniform Administrator.
3. A transferred employee takes with him to his new unit all his clean work uniforms issued by the Work Uniform Services Section only if they are required at or in his new assignment, otherwise they are turned in immediately. Soiled uniforms will be picked up by the Work Uniform Services Section from the old locker, cleaned, relabeled, and delivered to the new location. In all cases, overshoes and parkas are returned to the local unit. Form PA 1904, Information on Transferred Employees, is completed by the transferring unit and forwarded to the receiving unit. It lists disposition of uniforms and other articles of clothing issued to the employee.

E. Surrender of Port Authority Equipment and Property on Termination

1. Any employee whose service is terminating is required to turn in his uniforms and equipment prior to or on his last day of work. Prior to an employee's termination, his unit completes form PA 2351, Work Uniform Request/Service Change, as soon as knowledge of the transaction is known, and forwards it to the Work Uniform Administrator.
2. Form PA 646, Surrender of Port Authority Equipment and Property is prepared by the unit supervisor and forwarded to the Work Uniform Services Administrator after the employee's supervisor ascertains by telephone that all Library material of record has been surrendered and that no monies are owing to the Port Authority Treasurer.
3. The Work Uniform Administrator ascertains if any uniform items are missing and shows the quantity and cost of such articles in the "Remarks" column prior to forwarding

form PA 646, Surrender of Port Authority Equipment and Property, to the Personnel Department. The field supervisor is responsible for collecting all work clothing outstanding before the final paychecks are delivered. An employee's final paycheck will be withheld until discrepancies in the uniform and equipment list for that employee are explained. The amount to be deducted from the employee's final paycheck in payment for any missing articles is inserted by the terminating unit in the "Remarks" section of form PA 1899, Appointment or Separation of Permanent Employees. Failure to recover all garments or inability to recover the uniforms or monies for missing articles will result in a direct charge being made to the organizational unit involved.

VII. Safety Eyewear Program

- A. The Port Authority Safety Eyewear Program is intended to aid in the prevention of serious eye injury to employees. Under this program, the Port Authority provides approved safety equipment including standard safety spectacles, standard cover goggles or face shields to all employees with exposure to eye injury. Cover goggles or face shields may be worn alone or over an employee's regular prescription glasses.
- B. For employees who wear prescription glasses and are subject to high-impact eye-exposure situations such as cutting, drilling, using a power saw or performing certain types of heavy labor in general maintenance categories, facility and unit supervisors recommend, for approval by the facility or unit manager, the purchase of prescription safety eyewear that meets American National Standards Institute Specification No. Z87.1-1968.
 1. A maximum of \$20.00 is allowed toward purchase of prescribed eyewear, the frequency of allowance to be determined by the facility or unit manager based on the employee's need for change in prescription or other acceptable reason.
 2. The employee selects an eye specialist of his choice who can provide both an eye examination and the desired prescription safety eyewear that meets Port Authority specifications. The eye specialist is free to obtain lenses and frames from any safety eyewear supplier, providing the completed glasses meet or exceed the American National Standards Institute Specification.

3. The employee submits to his eye specialist for completion form PA 3172, Certification of Prescription Safety Eyewear, in which the specialist describes the type of eyewear furnished and certifies that it complies with NASIS specifications.
4. The completed certification form and a sales receipt for the eyewear are attached to form PA 618, Petty Cash Voucher, and submitted to the facility or unit for reimbursement. An entry covering the eyeglasses is made on form PA 548B, Employee Equipment Record.

VIII. Safety Shoe Program

A. Eligibility

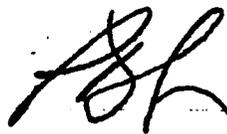

All maintenance personnel as well as employees in other groups with similar exposure to foot injuries, such as employees represented by the Building and Construction Trade Council, are eligible to participate in the Port Authority Safety Shoe Program.

B. Allowance

Employees are entitled to a \$20 allowance maximum per year for leather shoes with built-in safety caps conforming to American National Standard Z41.1-1967.

Employees receive an allowance for part or all of their actual expenditures for safety shoes up to \$20 per year on completion of form PA 618, Petty Cash Voucher (sales receipt attached) and wearing the shoes on the job. All Petty Cash Vouchers must show the date reimbursement for safety shoes was last made. Employees requesting the allowance for the first time write "First Time Allowance" on the Petty Cash Voucher form. The date of the purchase of the safety shoes is entered on form PA 548B, Clothing Equipment Record. The Inspection and Safety Division periodically audits safety shoe allowance refunds to determine compliance with the American National Standard.

TUITION ASSISTANCE PROGRAM

I. Introduction

This Policy Statement describes the Port Authority's policy regarding tuition assistance for Police Sergeants.

II. Policy

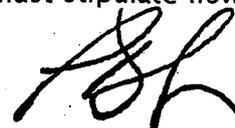

The Port Authority's Tuition Assistance Program provides an opportunity for eligible Police Sergeants to improve their skills and job performance and helps to establish a source of trained staff who can effectively contribute to carrying out the mission of the Port Authority. The program encourages Police Sergeants to obtain formal education on their own time in approved institutions of higher learning by reimbursing employees for all or part of their educational costs.

In addition to formal, degree-granting programs, the Port Authority may also provide tuition assistance to Police Sergeants who participate in non-traditional colleges or universities that are state accredited in New York and New Jersey, non-degree courses, certification or licensing programs, or review courses.

III. Eligibility Criteria

A. Undergraduate and Graduate Courses and Program

1. Police Sergeants are eligible for tuition assistance as herein provided.
2. The Director of Public Safety/Superintendent of Police (or his/her specified designee) will approve applications for tuition assistance only if, in his/her judgment, the Police Sergeant/Applicant's work and attendance have been satisfactory. In addition, the Applicant must have shown sufficient initiative and promise in his or her performance to warrant undertaking training at Port Authority expense. Records of previous training or course work will also be taken into consideration.
3. Courses pursued must not interfere with the Applicant's normal job responsibilities.
4. Tuition assistance for enrollment and continued participation in undergraduate and graduate degree programs or individual undergraduate course must relate to a logical program of individual development within the scope of the Port Authority's activities.
5. Tuition assistance for enrollment in programs that have residency requirements, involve time off from work, and/or travel in connection with studies must be recommended in writing by the Director of Public Safety and approved by the Director, Human Resources. The recommendation must stipulate how the required

time off from work will be handled (e.g. use of Vacation or Personal Leave Days). Excused time may not be granted.

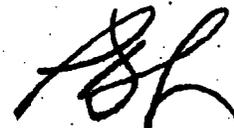

6. Tuition assistance for enrollment and continued participation in doctoral programs must be recommended by the Director of Public Safety and approved by the Director, Human Resources. Approval will be granted only if it has been determined that the Applicant's doctoral degree is a demonstrable necessity directly related to the Applicant's specific job functions and responsibilities. Continued participation in the doctoral program must be authorized each semester by the Director, Human Resources. In the absence of such authorization, tuition assistance will not be provided.
7. Tuition assistance for second degrees of the same kind (e.g. second Masters degree) must be approved by the Director, Human Resources.

B. Law School

1. Tuition assistance for law school (for the J.D., L.L.B., or L.L.M. Degree or equivalent) must be recommended in writing by the Director of Public Safety, concurred in by the Law Department, and approved by the Director, Human Resources.
2. A member of the Law Department designated by General Counsel interviews Police Sergeant applicants submitting initial applications for law school tuition assistance and makes a written recommendation to the Director, Human Resources as to whether reimbursement is warranted, based on an evaluation of the suitability of the Police Sergeant/Applicant to attend law school. The recommendation is evaluated by the Director, Human Resources and may be approved only if it has been determined that the degree is a demonstrable necessity directly related to the Police Sergeant/Applicant's specific job functions and responsibilities.
3. Law School tuition assistance is subject to the same financial assistance rates set for all other graduate students. The only exception to this is Law Interns who are required to be students in good standing at a recognized law school, and are, therefore, reimbursed 100% for their tuition expenses.

C. Authorization for Special Courses

1. Tuition assistance applications for specialized courses of study such as vocational training for secretarial or general clerical skills, and executive MBA programs require the approval of the Director, Human Resources.
2. If the Director of Public Safety determines that an Applicant should take a course that relates to the Applicant's current specific job function he/she may do so outside the purview of this Policy Statement. Costs incurred should be paid through the Voucher Check Request process.

3. Correspondence and other home study courses are not qualified for tuition assistance, nor are courses for which Port Authority "in-house" training is available within a reasonable period of time.

IV. Coordination with Other Sources of Financial Assistance

- A. Applicants must disclose all other training or educational allowances they are receiving on the Tuition Assistance Application (Form PA 1020).
- B. Applicants who are entitled to receive training or educational allowances from other sources, including fellowships, scholarships, grants-in-aid, or benefits received by veterans and active reservists from government-sponsored programs, may receive financial assistance under the Tuition Assistance Program only after funds from these other sources are fully utilized. Under no circumstances will the Port Authority duplicate any funds obtained from outside sources. If, however, the training allowances from these other sources do not fully cover tuition costs, the Port Authority will provide additional funding up to the full cost of approved courses within the limits specified herein.
- C. Failure to comply with the provisions of paragraphs A and B, above, will require the restitution by the Applicant of all funds to which he/she is not entitled, through a lump-sum payment or payroll deduction, and may also result in disciplinary action.

V. Expenses Qualified for Reimbursement

- A. The current schedule of tuition assistance allowances for undergraduate and graduate courses and the tax treatment of such allowances are outlined below:

1. Tuition Assistance Allowances

a. Undergraduate work:

2. Tax Treatment

The Applicant is personally responsible for any federal, state and local taxes which may be due under applicable tax laws as a result of having received tuition assistance. Applicants should contact the Payroll Supervisor in the General Accounting Section of the Comptroller's Department for further information.

- B. Fees qualified for reimbursement include:

- 1. Laboratory fees specifically related to course requirements.

Handwritten signatures in black ink, including a large signature that appears to be 'ASR' and another signature to its right.

2. Registration fees, when the amount of such a fee is specifically designated by the school attended.
 3. General or comprehensive fees up to a maximum of \$175 per semester, when an unspecified portion of such a mandatory fee is allocated to registration by the school attended.
- C. Parking fees, student fees, and other ancillary fees are not qualified for reimbursement under this program.

Payment will be made for "Pass" or "Complete" grades when it is the policy of the school to grade courses with "Pass" - "fail" or "Complete" - "Incomplete" designations.
- B. Requests for Payment must be made within one year from the original course completion date shown on the application.
- C. Payments for any programs which do not fall into the category of university or college course work will be made only upon receipt of evidence of payment and certification that the Applicant successfully completed the course of study.

VII. Financial Hardship

If an Applicant demonstrates financial hardship that would prevent him/her from pursuing an education within the limits of this document, the Applicant may apply for advance payment of educational expenses by the Port Authority. Advance payment must be requested by the Applicant in a memorandum to the Director of Public Safety, who may approve or disapprove the request. Approval authority for this payment may not be delegated.

In the event an Applicant granted this privilege fails to maintain his/her employment and/or minimum grade qualifications for any course(s) for which expenses were advanced, he/she must repay the Port Authority in the amount of the advance. It is the Public Safety Department's responsibility to inform the Comptroller regarding repayment of the individual advance. Repayment time should not exceed a reasonable number of pay periods.

USE OF RENTED AND EMPLOYEE-OWNED VEHICLES**I. Introduction**

This instruction describes the procedures governing the use of rented and employee-owned vehicles on Port Authority business. It supplements the instructions contained in PAI 15-3.02, The Port Authority Passenger Vehicle Use Program, and PAI 15-3.04, Use of Port Authority Passenger Vehicles.

II. Rented Automobiles and Taxis**A. Rented Automobiles**

1. If no suitable Port Authority vehicles are available, the need to rent a passenger vehicle for use in the Port District on Port Authority business will be reviewed by the Operations Standards Division, Management Services Department. If the Operations Standards Division authorizes the rental, the Special Services Division, General Services Department will be responsible for making the necessary arrangements. In cases where this is impractical (e.g., Trade Development or Port Authority employees on business outside the Port District) the arrangements are made by the department concerned, with concurrence of the General Services Department. In the case of an emergency, the General Manager or Facility or Division Manager may authorize the use of a rental passenger vehicle. A memorandum of explanation should be sent to the Operations Standards Division, Management Services Department, as soon after the authorization as possible.
2. Accidents involving a vehicle rented by the Port Authority shall be reported as provided in PAI 55-3.01, Accident Reporting.

B. Taxis

Taxis may be used by employees on Port Authority business if circumstances warrant the expense. Reimbursement is obtained by inclusion of the expense in Expense Account, form PA 15, or Petty Cash Voucher, form PA 618 (see PAI 30-3.01, Expense Accounts).

III. Rented Special Use Vehicles

The need to rent a special use vehicle other than a passenger vehicle

Handwritten signatures, likely initials, at the bottom of the page.

will be reviewed by the Operations Standards Division, Management Services Department. If the Operations Standards Division authorizes the rental, the Purchase and Supply Services Division, General Services Department, will be responsible for making the necessary arrangements. In the case of an emergency, the General Manager or Facility or Division Manager may authorize the rental of a special use vehicle. A memorandum of explanation should be sent to the Operations Standards Division, Management Services Department, as soon after the authorization as possible.

IV. Employee-Owned Vehicles

A. Authorization

1. Department Directors, deputy directors, organization unit heads, or their designees may authorize the use of employee-owned vehicles on Port Authority business when:
 - a. Public transportation is unavailable or impractical;
 - b. an employee is asked to respond from his or her home to an emergency situation and a Port Authority vehicle is not readily available; or
 - c. the use of an employee-owned vehicle would require significantly less mileage on an origin-destination basis than the use of a staff car.
2. Except in cases when an employee is asked to respond from his or her home to an emergency situation, the employee must obtain authorization on either a Daytime Vehicle Usage Authorization, form PA 2036, or Overnight, Weekend and Holiday Vehicle Usage Authorization, form PA 2927. In the space provided for vehicle number, the employee should write his or her license plate number.

B. Conditions of Use

1. Employee-owned vehicles are subject to the same regulations as prescribed for Port Authority vehicles when their use on Port Authority business is authorized (see PAI 15-3.02).
2. Except for emergency call-in, only those drivers who are authorized to drive Port Authority vehicles may be permitted to use their own vehicles on Port Authority business. Written authorization is obtained by completing a Daytime Vehicle Usage Authorization, form PA 2036, or Overnight, Weekend and Holiday Vehicle Usage Authorization, form PA 2927, using the employee's license plate number in place of the vehicle number.

C. Reimbursement

1. a. When a department director or organization unit head requests an employee to use his or her own vehicle on Port Authority business, reimbursement is made at the rate of 18.5 cents per mile.

b. Personnel assigned to overseas trade offices are reimbursed for such vehicle use as follows:

London	-	33 cents per mile
Zurich	-	43 cents per mile
Tokyo	-	44 cents per mile

2. In addition, such other expenses as parking fees, non-Port Authority tolls, etc., will also be reimbursed as may be required. Expense accounts claiming such reimbursement will show the starting and ending odometer readings, total mileage, starting point, destination and the reason why the employee's car was used. In certain cases, employees will be reimbursed on the basis of mileage traveled from their normal work place instead of mileage traveled from home. Expenses for repairs (other than for damages sustained in an accident) made to an employee-owned vehicle while in use on Port Authority business, and other vehicle maintenance costs, are not reimbursable (see Paragraph D, 4 below).

D. Accidents and Liability for Damages

1. Accidents arising out of the operation of an employee-owned vehicle on Port Authority business shall be fully reported as provided in PAI 55-3.01.
2. In the case of a claim against an employee for damages to third persons arising out of the operation of an employee-owned vehicle on Port Authority business, the employee against whom the claim is made should immediately notify his or her organization unit head, the Claims Section of the Law Department, and, if applicable, his or her insurance carrier. Such claims are deemed to be potential claims against the Port Authority and the provisions of the Board Resolution of May 12, 1955, relative to the settlement of such claims, will apply.
3. If the employee carries insurance against such claims, the Port Authority will pay only the amount by which the claim exceeds the insurance.

CN-

AS *MM*

4. In the event any employee-owned vehicle on Port Authority business is damaged through accident, the Port Authority shall recompense the owner for that portion of losses deemed unrecoverable. The latter may include such losses as the amount deductible under a collision policy or for other losses not covered by insurance. Employees seeking unrecoverable expenses should contact the Claims Section, Law Department, for instructions.

E. Settlement of Claims

1. Employees whose vehicles have been damaged while on Port Authority business and who may be eligible for repayment of unrecoverable losses in accordance with the provisions of Paragraph IV, D. 4 shall, in all cases, comply with the following. Under any circumstances the cost of repairing the vehicle is to be estimated by a reputable, established auto body firm. An itemized statement must be included together with any copies of supplementary bills or statements.
2. The employee prepares a memorandum which includes all pertinent information concerning the expected cost of repairs and any unrecoverable losses and forwards the memorandum to his or her department director. The department director indicates on the employee's memorandum whether use of the vehicle on Port Authority business had been authorized and forwards the memorandum to the Claims Section.
3. Upon review, the Claims Section forwards approved claims to the Comptroller's Department for processing. In the event the claim is not approved for payment, the Claims Section notifies the claimant of the disapproval.

ISSUANCE AND USE OF PORT AUTHORITY PASSES

I. Introduction

This instruction sets forth the policies and procedures governing the issuance and use of Port Authority passes.

II. Passes

A. Annual Passes

Annual passes are issued to present and past Commissioners, officers, other executive staff members of the Port Authority and a limited number of officials of New Jersey and New York and of municipalities in the Port District. Annual passes are for the use of a specific individual and are not transferable. Cars carrying a passholder presenting his annual pass are permitted free passage at tunnels and bridges and use of air terminal parking lots. An annual passholder who uses an air terminal parking lot will, upon presenting his pass, sign the parking lot ticket, write the pass number thereon, and give the ticket to the lot attendant. There is no time limitation on free parking privilege.

B. Employee Passes

Port Authority photographic identification must be presented when any employee pass is used.

1. Commutation Passes

Form PA 166, Commutation Passes, are issued on request to any Port Authority employee regardless of length of service for commuting only to and from work via tunnels or bridges in his own car or one owned by any of the following:

Husband	Father	Son	Brother
Wife	Mother	Daughter	Sister

This pass is not valid for use in airport parking lots.

2. Personal Passes

- a. Form PA 378, Personal Passes, are issued upon request, in accordance with the pass allowance schedule given below, to Port Authority permanent and project employees, retired employees, and employees on military leave for use at tunnels, bridges and some air terminal parking lots.

The calendar year pass allowance is:

<u>Length of P. A. Service</u>	<u>Number of Books</u>
Less than 9 months	None
9 months but less than 1 year	1
1 year but less than 7 years	4
7 years and over	5

Retired employees and employees on military leave receive the same allowance to which they would be entitled if their Port Authority service was not interrupted.

- b. Use of Personal Passes is subject to the following:

- (1) They are not transferable.
- (2) They can be used for a motorcycle or an automobile (including attached trailer) in which the employee is riding.
- (3) They are not valid in Parking Lot 6 (Pan American Roof Top) at JFKIA, and in Hourly Parking Lots A, B and C at Newark International Airport.
- (4) Use of Central Terminal Area parking lots is limited to a maximum period of four hours at no charge. Employees parking beyond the four-hour limit are required to pay the regular public parking rate from the time the vehicle was initially parked. Use of the Long Term Parking Lots is limited to a maximum period of 24 hours at no charge. Employees parking beyond the 24-hour limit are required to pay the parking charges for time in excess of 24 hours, starting with first day rates. An employee who uses an airport parking lot must, on leaving the parking lot, write the parking lot ticket serial number on the personal pass, sign it, and sign the parking lot ticket before

Revised December 20, 1973

submitting them to the parking attendant. If the parker is on official Port Authority business, he should pay the appropriate charge, ask for a receipt and submit it to the Port Authority for reimbursement.

- (5) Use of Port Authority personal passes for free parking in airport public lots is a privilege for isolated instances of parking. Personal passes are not to be used to park while Port Authority employees are at their airport job.

C. Official Business Passes

Official Business Passes, form PA 430, are issued to contractors and other selected individuals who use tunnels and bridges or air terminal parking lots while making trips on Port Authority business in other than Port Authority vehicles. A pass holder who uses an airport parking lot must, upon leaving the parking lot, sign and date both the Official Business Pass (form PA 430) and the parking lot ticket, and submit both to the lot attendant. If the parker is on official Port Authority business, he should pay any charge over 24 hours based on the rate progression set forth in the Schedule of Charges, ask for a receipt and submit it for reimbursement to the Port Authority.

III. Additional Free Use of Air Terminal Parking Lots, Tunnels and Bridges

A. Free parking at air terminal parking lots is provided for:

1. Port Authority vehicles. Except for Parking Lot 6 (Pan American Roof Top) at JFKIA and Hourly Parking Lots A, B, and C at Newark International Airport, the free use of air terminal parking lots is unlimited. When a Port Authority Vehicle Pass, form PA 684, is presented for payment, the employee must sign his name and print the P.A. vehicle number on both the vehicle pass and parking lot ticket, and submit both to the parking lot attendant. If the employee cannot present a vehicle pass he must sign his name and print the P.A. vehicle number on the parking lot ticket and submit it to the parking lot attendant.
2. Vehicles carrying newsmen and photographers with press passes. (Press vehicles which park in excess of 24 hours will be required to pay the parking charges for time in excess of 24 hours, starting with first day rate. Newsmen.

with proper press credentials can park in excess of 24 hours at no charge in certain designated "long-term" airport lots provided they turn in to the cashier at time of exit, written permission (Port Authority Press Parking Permit) from the Port Authority Public Affairs Department or Airport Manager. In exceeding the time limit specified in the special parking permit for the "long term" lots, newsmen are required to pay the parking charges for time parked in excess of the specified period, starting with the first day rates.) In JFKIA Parking Lot 6 free parking time is limited to the first six hours of parking; after the expiration of the first six-hour parking period, the lot 6 parking charges shall commence.

3. Vehicles carrying the following persons on official business at the air terminal:
 - a. employees of public utility companies in company identified vehicles;
 - b. Federal, state or municipal police officers;
 - c. health, fire, building, labor or sanitation inspectors;
 - d. Federal Aviation Administration, Civil Aeronautics Board, Federal Communications Commission, and the National Transportation Safety Board employees; see the paragraph below for restrictions on the use of this privilege.

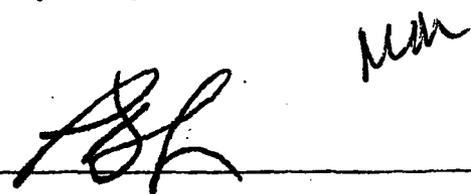

For Federal Aviation Agency employees stationed at the Federal Building, John F. Kennedy International Airport, free parking privileges are permitted in that area only, unless official duties require their presence at another air terminal or elsewhere at that Airport.

If such official business requires parking for more than 24 hours, prior permission must be obtained from the Airport Manager, otherwise the vehicle will be required to pay parking charges for the time in excess of 24 hours, starting with the first day rate.

4. Vehicles carrying employees of lessees and permittees whose leases or permits provide for free parking.
5. Vehicles carrying or waiting for any of the following and their official parties:
 - a. President and Vice President of the United States;

Revised December 20, 1973

- b. all U.S. Senators from and Governors of New York and New Jersey;
 - c. all U.S. Congressmen from the Port District;
 - d. Mayors of municipalities in which Port Authority air terminals are totally or partially located;
 - e. Chiefs of Staff of the Army and Air Force, the Chief of Naval Operations, the Commandant of the Marine Corps and Chiefs of Military Missions;
 - f. foreign Ambassadors and Consul-Generals or individuals of equivalent rank.
- B. Free use of Parking Lot 6 (Pan American Roof Top) at JFKIA is not available to vehicles enumerated in Par. III, A, 1, 3 and 4.
- C. Free use of tunnels and bridges is provided for:
- 1. Port Authority vehicles;
 - 2. public utility vehicles providing the trip is necessary for inspection and/or repair to the crossing used;
 - 3. police and fire equipment domiciled in the States of New York or New Jersey, providing such vehicles have permanent exterior identifying markings;
 - 4. vehicles used in the course of an inspection tour conducted or approved by the Port Authority;
 - 5. vehicles displaying civil defense placards and properly identified public utility equipment during official civil defense drills (provided prior notice of such tests has been received by the Port Authority) or in the event of enemy attack;
 - 6. all ambulances other than commercial;
 - 7. commercial towing vehicles returning from service calls on Port Authority property who use the facility are permitted free passage on the immediate return trip;
 - 8. off-route vehicles are permitted free passage in both directions;

9. military convoys rendering aid pursuant to the terms of the New Jersey - New York Mutual Military Assistance Pact;
10. police and fire vehicles going to and from emergency calls;
11. vehicles operated by Port Authority contractors in connection with the performance of work under their Port Authority contracts.

IV. Requisitioning Passbooks

Passbooks are requisitioned from the Treasury Department in multiples of five by the organization unit head. Ticket and/or Pass Requisition and Receipt, form PA 281, is prepared in triplicate by the custodian and approved by the department head or facility manager. (See instruction on form PA 281 for distribution.)

V. Issuance of Passes

A. Annual Passes

Annual passes are in the custody of and are distributed by the Executive Director. The Executive Director furnishes a list of pass holders to the Directors of Aviation and Tunnels and Bridges for distribution to their facilities.

B. Commutation Passes

The custodian should be certain that the employee's residence and place of work require use of these passes. Passes are issued one book at a time by the custodian who checks the date the previous book was issued to control misuse. The employee inserts his/her name and the vehicle license number on the receipt (first page of book) and the vehicle license number, in ink, on the stub of the passbook. The custodian inserts the employee's name and the date issued on the receipt which is filed.

C. Personal Passes

1. Passes are issued, one book at a time, by the custodian who checks the employee's allowance and the number of books previously issued to insure that the allowance is not exceeded. The employee signs the receipt and the custodian inserts the employee's name and the date on the receipt which is filed.
2. Passes for retired employees and employees on military leave are issued by the Personnel Benefits and Activities Division, Personnel Department upon request of individuals.

AK *man*

3. Department Directors are authorized to increase the scheduled allowance when the need is clearly demonstrated.

D. Official Business Passes

The custodian inserts the bearer's name, date and reason for issuance on the stub. The stub remains attached to the book.

VI. General

A. Employee Leaving Port Authority Service

The organization unit head is responsible for obtaining unused passes from employees leaving the Port Authority.

B. Transferred Employee

The organization unit head is responsible for informing the new unit on form PA 1904, Transmittal of Personnel Records, of the number of form PA 378 books issued during the current year and the date the last form PA 166 book was issued.

C. Unused Passes

Employees return unused passes to the custodian when no longer needed. Unused passes are then sent to the Comptroller's Department (Audit Division) with a memorandum which includes the name of the employee to whom issued and book and coupon numbers. The Comptroller's Department destroys the passes and discards the memorandum after checking book and coupon numbers.

D. Lost Passes

An employee immediately reports lost passes to the custodian who makes a notation of the loss on the receipt (see V, B or C above). Replacement of lost passes is authorized if, in the unit head's opinion, circumstances warrant.

E. Misuse of Passes

Charges are preferred, and the employee is subject to cancellation of the pass privilege for misuse of passes.

THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY
POLICE DIVISION INSTRUCTION

P.D.I. 7-1
SERVICE AND PERSONAL REVOLVERS
REVISED - NOVEMBER, 1983

I. INSTRUCTIONS

This instruction prescribes the methods for the safe handling of the issued service revolver and any personal revolver authorized for use as an off-duty weapon or as a second-gun on duty, and includes inspection schedules and related controls.

II. OFFICIAL REVOLVERS ISSUED

All members of the force will be assigned a service revolver at the time of their appointment. This revolver will be a standard Police Special model .38 caliber 4" barrel manufactured by the Colt or Smith and Wesson Firearms Company. Members of the force assigned to plainclothes duty may be issued a .38 caliber Police Special, 2" barrel, instead of the regulation 4" barrel revolver. In the event it is necessary for these officers to wear the Police Uniform, it will be permissible for them to wear the 2" barrel revolver, provided it is in a hip holster.

III. USE AND SAFEGUARDING OF SERVICE AND PERSONAL REVOLVERS

Members of the Port Authority Police Force are required to wear an assigned revolver while on duty and have the option to carry or not carry an approved revolver while off duty. In addition, while on duty a member may wear a second revolver provided the weapon is registered in accordance with Paragraph IV-A & B and meets the criteria as set forth in Paragraph IV-C. The second revolver must remain concealed at all times while on duty.

- A. Service revolvers must have a blued finish and must be equipped with standard checkered, hardwood factory stock, and may have grip adapters that are approved by the Chief Range Officer.
- B. Only .38 Caliber Special, 158 grain, +P factory manufactured semi-wadcutter lead hollow point cartridges are authorized for use in the service revolver.
- C. Each officer shall wear the service revolver while on duty. The regulation Port Authority holster or authorized replacement is required while on duty. A standard holster which insures the safe wearing of the second revolver shall be used whenever the second weapon is carried on duty.
- D. The service revolver and personal revolver authorized for use as an off-duty weapon or as a second-gun on duty shall not be stored in lockers or any motor vehicle, with the exception that they may be stored at a facility in gun lockers provided for this purpose.
- E. The service revolver and any personally owned revolvers shall be used only in the manner prescribed by law.

- F. When an officer is traveling in civilian clothes, the revolver shall be worn so that it is out of sight of the public. The carrying of revolvers in separate packages is prohibited.
- G. Officers assigned to the emergency garage shall wear their service revolver at all times while on duty.
 - 1. Airport emergency crews shall secure their revolvers and gun belts in the specially constructed strong box provided for that purpose.
- H. Gun lockers shall be installed and maintained at each Police Unit. Such lockers are to be made available to members of the command who request them.

IV.

PERSONAL REVOLVERS AND SECOND WEAPON

- A. It is the responsibility of each member of the force to register with the Office of the Superintendent of Police any personally owned pistols and revolvers of whatever type or model. This registration will be made in person with the Police Equipment Sergeant at JSTC, by filling out form 2815, Personal Gun Registration, and providing the necessary documentation. This registration must take place immediately after acquisition of personally owned pistols and revolvers.
- B. A member of the force who desires to wear his personal revolver while off duty or as a second gun shall obtain authorization to do so by registering the revolver for that purpose with the Officer of the Superintendent of Police. The revolver must then be inspected, tested and approved at the Pistol Range by the Range Officer in charge.
- C. The only revolvers approved *for use as an off-duty weapon or second weapon while on duty will be a .38 Caliber Special revolver designed to use either .38 Caliber Special 158 grain, standard velocity, round nose, factory manufactured cartridges or .38 Caliber Special, 158 grain, +P factory manufactured semi-wadcutter lead hollow point cartridge.** These weapons may have a blued, stainless steel, alloy or armoloy finish approved by the Range Officer.

*NOTE: All .38 Caliber Positive revolvers approved prior to July 1, 1964, may be utilized as an off-duty weapon.

**NOTE: Manufacturers DO NOT recommend the use of this ammunition in aluminum framed weapons.

- D. Any member of the force who sells or otherwise disposes of a revolver must do so in accordance with Paragraph X of this instruction and in addition, must immediately notify the Office of the Superintendent of Police by memorandum. A copy of this memorandum will be placed in the officer's personal file.

V.

SAFETY-SERVICE AND PERSONAL REVOLVERS

- A. Every precaution shall be taken in the handling of the revolver. (See P.D.I. 4-11, Use of Firearms and Deadly Physical Force.)
- B. A revolver shall never be removed from the holster except as prescribed by regulations. Horseplay or the brandishing of weapons is forbidden.
- C. Gun-cleaning equipment shall be kept at each facility for the use of individual police personnel. Safety regulations shall be observed at all times while guns are being cleaned.
- D. In the homes, revolvers shall be kept in a safe place out of the reach of children, who would be cautioned never to touch the revolver.
- E. Police Officers who clean their revolvers at home shall use every safety precaution and should do so in a room where no one else is present.
- F. Under no condition will the firing pin or mechanism of the revolver be tampered with, the trigger pressure reduced below three and one half pounds or the appearance of the gun altered in any way except as in "G" below.
- G. Adaption or alteration to the service revolver or to any personal revolver authorized for use as an off-duty weapon or as a second-gun on duty will not be permitted except for the addition of "grip adaptors." The cost for such addition will be borne by the individual concerned.

VI.

INSPECTIONS

In order to insure that the service revolver and any authorized personal revolver worn as a second-gun on duty are in good condition at all times, the following inspection schedule will be adhered to. It is the responsibility of the Facility Police Commanding Officer to insure that inspections "A" and "B" below are carried out.

A. At roll calls:

Spot checks will be made by the ranking superior officer at each roll call formation. At least one service revolver and second weapon if worn must be inspected at each roll call (See P.D.I. 4-12, Revolver Inspections as Roll Calls).

B. On special duty:

If the Tour Commander determines the gun defective, the gun shall be brought to the Central Police Desk, where the Equipment Sergeant or the Central Police Desk Sergeant will supply a temporary replacement. All repairs of this nature will be done at Port Authority expense.
- B. In order to prevent a member of the force from going unarmed while on duty, due to an unserviceable revolver, a spare revolver is kept at the Central Police Desk for such emergencies.

VACATIONS , ETC.

Individual gun lockers installed at each facility police command can be used to safeguard and store a revolver under situations covered by this section.

In the event a member is unable to personally surrender his weapon under situations covered by this section, the facility Commanding Officer shall arrange to retrieve the service revolver where possible and safeguard the weapon.

B. The owner of the weapon will be responsible for the proper notification to the police of the municipality where the loss or theft is believed to have occurred.

REMOVAL OF AN EMPLOYEE FOR MENTAL OR PHYSICAL DISABILITY

I. Introduction

This PAI applies only to permanent classified employees (see PAI 20-1.01, Categories of Port Authority Employment).

II. Employee's Rights

- A. No permanent classified employee shall be removed from his position because of mental or physical disability without a hearing as described below, unless such hearing is waived.
- B. In all cases where an employee is to be removed from his position for reasons of mental or physical disability, the Personnel Director notifies the employee in writing of the intention so to do and informs him of his right to a hearing. Such notice is delivered to the employee or mailed to his last known address as appearing in the Personnel Director's records.
- C. If the employee fails to request a hearing within fourteen (14) days after the delivery or mailing of such notice such hearing is considered waived.
- D. If the employee requests a hearing, the hearing shall be before a Board appointed by the Executive Director and consisting of three or more members.
- E. These provisions do not apply when the employee has reached an age fixed by the Port Authority for compulsory retirement.

III. Removal Procedure

- A. Dismissal, demotion, application for involuntary retirement and other actions which substantially change the employee's duties and responsibilities is understood to be included within the meaning of the language, "removal of an employee from his position."
- B. The initiative in each case is to be taken by the department head in the form of a memorandum addressed to the Executive Director, recommending the particular action to be taken.

Handwritten signature and initials in the bottom right corner of the page.

- C. The Executive Director notifies the initiating department head whether the recommendation is approved or disapproved.
- D. If the recommendation is approved, the Executive Director also notifies the Personnel Director who sends out the letter of notification to the employee. It is the responsibility of the Personnel Director to follow up the notification. At the end of the fourteen (14) day period provided, the Personnel Director notifies the initiating department if there is no response from the employee and therefore the right to a hearing has been waived. If there is an earlier response from the employee requesting a hearing, the Personnel Director notifies the Executive Director and the initiating department so that a Board may be established.
- E. It is the additional responsibility of the Personnel Director to provide such services to the Board as it may require.

IV. Hearing Procedure

- A. The Board investigates and determines whether the employee is mentally or physically incapable of performing his duties, and reports its findings to the Executive Director. The findings and recommendations of the Board are not, however, binding upon the Executive Director, but may be reversed or modified by him.
- B. The Board shall afford the employee an opportunity to appear before it in person, or by representative, to make a statement and to produce medical testimony, medical certificates and other pertinent data. The failure of an employee to appear in person or by representative before the Board is considered a waiver of his right so to do, and if the employee is unable to attend, due to mental or physical disability, that fact may be taken into consideration by the Board in arriving at its conclusion.
- C. The Board is not confined to evidence and testimony presented at hearings at which the employee is present, but may base its findings and recommendations upon investigations made or data received outside of such hearings.

OPERATING INSTRUCTION

PAY PLAN C INGRADE SALARY INCREASES
(Effective September 9, 1973)

I. Introduction

This instruction describes the manner in which all Pay Plan C ingrade increases are initiated and processed. It supersedes the Interim Instruction, Service C Ingrade Increase Processing Procedure, dated October 5, 1964.

II. Principles

- A. Pay Plan C Employees' ingrade salary increases, except when they are formally withheld, are granted in pre-determined dollar amounts as shown on salary tables in the Personnel Classification and Compensation Plan, and in accordance with a pre-determined time schedule.
- B.
 1. Beginning with the effective date of this Instruction, the salaries of Pay Plan C Employees will automatically be increased, in accordance with the schedules and tables cited in paragraph A, above, by computer program, except when an employee's unit notifies the Personnel Department that the scheduled increase is to be withheld.
 2. Special cases requiring retroactive ingrade increases will be handled individually by submitting an Employee Record, form PA 87 to the Administrative and Employee Benefits Division.
- C. Primary responsibility for the granting or withholding of an ingrade salary increase rests with the employee's unit which must, therefore, verify the information on the form PA 2870 to assure that the employee is entitled to the increase shown thereon. In the absence of notification to the contrary, the employee will automatically be granted all scheduled ingrade salary increases.
- D. The unit's reason for the withholding of a scheduled ingrade salary increase from an employee is reviewed in all cases by the Operating Personnel Division of the Personnel Department.

III. Procedure

Step 1

Each payroll period the computer prints two copies of the Pay Plan C Ingrade Increase Recommendation, form PA 2870, for each Pay Plan C employee whose ingrade increase review date is four pay periods hence. The Administrative and Employee Benefits Division sends both copies of the form to the employee's unit or facility. If the unit or facility does not receive the form PA 2870 by the proper date (see Attachment A), it notifies the Administrative and Employee Benefits Division.

- Step 2 The employee's unit head fills in part one of this form and sends both copies to the employee's supervisor.
- Step 3 The supervisor answers the questions in part two and returns the copies to the unit head on or before the date specified, together with any evidence of poor performance or misconduct that he may wish to include.
- Step 4 The unit head either approves or disapproves the increase and notifies the employee of the decision.

If the increase is approved, copy 2 of form PA 2870 is destroyed and copy 1 is retained by the unit until the new form PA 87 is received.

If the increase is disapproved, the unit head enters the next review date, which may not be less than three months nor more than one year from the date of the proposed increase.

He signs the form PA 2870 and, by the date specified in the lower left hand corner of the form, sends copy 1 to the Administrative and Employee Benefits Division, accompanied by a memorandum detailing the reason(s) for disapproving the increase. For this mailing, Messenger Delivery Receipt, form PA 108, is used. Copy 2 is filed with a copy of the memorandum in the employee's folder at his unit or facility.

NOTE: In cases where a department's internal procedures require review of disapproved ingrade increases by the Department Director's office, the form and memorandum are sent there first and then to the Administrative Division. Adequate time for this additional step must be allowed, however, so that the specified date for submission is met.

- Step 5 The Administrative Division sends this form and memorandum to the Operating Personnel Division for review.

- Step 6 The Operating Personnel Division reviews the reasons for disapproval and notifies the employee's unit if it differs with its recommendation. (Differences are resolved between the Personnel Department and the employee's unit at appropriate levels of management.) Otherwise, it forwards copy 1 of form PA 2870 to the Administrative Division which in turn forwards it to the Payroll Section. The memorandum is retained in the employee's folder in the Personnel Department.

Step 7

If the increase has been approved, the employee's salary is automatically increased by the computer program on the correct date.

If the increase has been disapproved, the employee's salary remains unchanged, the next review date is entered in the employee's record in the data bank and a new Ingrade Increase Recommendation, form PA 2870 will be printed out for the employee at the proper time.

Step 8

In all cases a new Employee Record, form PA 87 is printed out, and distributed to the employee's unit by the Administrative Division.

Where an ingrade increase has been approved, the form PA 87 shows the new salary and the next review date.

Where an ingrade increase has been disapproved, the form PA 87 shows the next ingrade increase review date.

In either case, the unit assures that the information recorded on the new form PA 87 is correct and brings any errors to the attention of the Administrative and Employee Benefits Division.

RE: CLARIFICATION OF APPLICATION OF PDI 2-6, RULE 3 AND GENERAL RULE AND REGULATION SECTION 9, RULE 3 TO INTERVIEWS OF WITNESSES.

Dear Sergeant O'Neill:

This letter is intended to clarify the application of Section 9, Rule 3 of the Port Authority Rules and Regulations and Rule 3 of PDI 2-6 to interviews of members of the force who have been identified as witnesses in connection with an authorized investigation involving a member of the force other than the witness.

When a Sergeant is called in for an interview based on the belief that he may have been a witness to a particular event and, at the time of the interview, it does not appear that the matter under discussion may result in disciplinary action against the Sergeant who is being called as a witness the Sergeant shall be so advised of these facts which require his cooperation in an authorized investigation.

The SBA acknowledges that all Sergeants are obligated to cooperate in this type of interview pursuant to the General Rules and Regulations and failure to do so is grounds for disciplinary action against the Sergeant

If, during the course of an interview with a Sergeant who has been called as a witness, it appears that the matter under discussion may result in disciplinary action against the Sergeant the interview shall cease and any further discussions shall be conducted subject to PDI 2-6 to include but not be limited to the reading of PDI 2-6 rule 3 and the right to have an Association representative present before proceeding any further with the interview

All provisions in the settlement of IP 91-24, dated October 5, 1993 not modified herein, shall remain in full force and effect.

**RE: INTERVIEWS OF NON-TARGET SERGANTS
DURING EXIGENT CIRCUMSTANCES**

Dear Sergeant O'Neill:

Please allow this letter to confirm our mutual understandings regarding the above captioned matter.

The Association and the Port Authority agree that exigent circumstances may arise which require Sergeants, who are not the target of an investigation, to be promptly interviewed. In recognition thereof, the parties agree as follows:

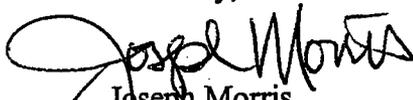

Whenever the ranking Port Authority Police supervisor on scene determines that exigent circumstances require an interview of a Police Sergeant who is not the target of the investigation, the Association will provide a representative for the Sergeant within one (1) hour after the Central Police Desk is notified of the exigent circumstances and the need to conduct an interview of a Sergeant.

The Central Police Desk Sergeant will notify the Association of the exigent circumstances and the need to interview a Sergeant. If the Association representative is on duty he will be excused to respond to the interview location.

MILITARY LEAVE

I. Introduction

This Instruction outlines the policy and procedure for granting Short-Term and Extended Military Leave to Port Authority employees.

II. Policy

- A. Only permanent employees including those in a probationary status, are granted short term and extended military leave. Project employees are granted short term military leave only.
- B. This Instruction should be interpreted in order to assure that in each case the reemployment protection provided to Port Authority employees is no less than the protection provided to private and federal employees under the Universal Military Training and Service Act. Within this general limitation, the Director, Human Resources Department, may modify applications of the provisions of this Instruction in special cases where this will serve the best interests of the employee and the Port Authority. Where an employee has been recalled to active duty as a disciplinary measure (for example, because of failure to attend drills) the Director, Human Resources Department, may reduce or eliminate benefits provided under this Instruction.
- C. Permanent employees, including those in a probationary status, on military leave are considered continuously employed and retain their original date of employment for all purposes.

III. Extended Active Duty — Salary and Benefits

- A. Permanent employees, including those in a probationary status, who are granted military leave for extended active duty receive a military leave payment as described in Attachment A to this Instruction.
- B. Permanent employees, including those in a probationary status, who have served two years or more in full-time active military service and who are recalled to extended full-time active military service without their consent, receive partial salary continuation during such additional involuntary service up to one year, as described in Attachment A to this Instruction.

IV. Short-Term Active duty -- Salary and Benefits

In general, it is the policy of the Port Authority to protect from loss of income any employee who is granted military leave for short-term

active duty. Accordingly, partial salary continuation is paid to employees on short-term active duty as described in Paragraph IV, A of Attachment A to this Instruction.

V. Procedure

Attachment A outlines the operating rules and procedures to be followed in the administration of the military leave policy.

Attachment A

A large, stylized handwritten signature, possibly reading 'AR', is located in the lower right quadrant of the page.A smaller handwritten signature or set of initials, possibly 'MUN', is located in the lower right quadrant of the page, below the larger signature.

MILITARY LEAVE OPERATING RULES AND PROCEDURES

I. Definitions

- A. "Military Leave" is any authorized absence of an employee so that he may undertake active military duty with the Armed Forces of the United States, the National Guard, or the Naval Militia.
- B. "Extended Active Duty" is any period of full-time active military service or training in excess of 30 consecutive calendar days.
- C. "Short-Term Active Duty" is any period of full-time active military service or training of 30 calendar day or less in any calendar year.
- D. An "examination" consists of a written, oral, or performance test, or of one or more such tests. "Make-up examinations" are those given to employees prevented by military leave from participating in all or part of the original test.

II. Request for Leave

Any employee who wishes to receive military leave notifies his supervisor as soon as possible of that fact and of the expected dates on which the active duty is expected to start and to end.

The employee submits a written request for military leave (see Attachment B) and a copy of his official orders to active duty to his Unit Head. The orders and the request are then forwarded to the department director for his/her approval. A copy of the request and the orders along with a completed Employee Record, form PA 87 (only in cases of extended active duty), authorizing the leave of absence are forwarded to the Supervisor, Payroll and Administrative Services, Human Resources Department. If the employee wishes to use all or part of his accrued compensatory time or vacation time for military leave, this should also be noted in "Remarks." This time may be applied in whole working days but not in hours. If the entire period is taken as compensatory time or vacation time, no Payroll Notice is needed. Specific cases requiring further interpretation or determination are considered on an individual basis by the Manager, Employment Division, Human Resources Department.

If the department director approves the request for leave, the Unit Head notifies the employee of the approval and forwards a copy (only in cases of extended active duty) of the approved request memorandum to the Supervisor, Payroll and Administrative Services, Human Resources Department.

III. Provisions for Extended Active Duty (Long-Term Military Leave)

A. Military Leave Payments

Any employee granted military leave for extended active duty of one year or more, receives a military leave payment of one day's pay for

each full month of Port Authority Service, not exceeding 20 days' pay. The employee also receives cash payment for any accumulated vacation or compensatory time credited to him at the commencement of military leave.

B. Insurance and Retirement Programs

1. Health Insurance

Any employee who is a member of the P.A. group health insurance plans upon commencement of military leave is protected against any loss of benefits under these plans on return to P.A. employment. Group health insurance is suspended for the employee while on military leave, with all previous benefits being resumed upon reinstatement.

Dependents of such employees suffer no diminution of health insurance benefits while the employee is on military leave; however, dependents are expected to make use of appropriate Federal Government health care programs. The Port Authority pays any necessary subscription charges for group health insurance while employees are on military leave.

2. Life Insurance

When an employee commences military leave his membership in the Group Life Insurance Program terminates but his policy remains in effect for 31 calendar days. Upon return to Port Authority employment, he is reinstated to full membership in the program.

3. Retirement Program

Any employee who is a member of the New York State Employees' Retirement System when he commences military leave for extended active duty will, upon reinstatement, receive the same retirement benefits he would have received had he not been on military leave.

C. Vacation Allowance

1. For the year in which a long term military leave begins, vacation allowance is as specified in PAI 20-3.01, Vacations, Attachment A, Paragraph II.
2. Upon reinstatement after military leave for extended active duty, an employee receives a vacation allowance as specified in PAI 20-3.01, Vacations, Attachment A, Paragraph II.

D. Promotion Opportunities

1. When the employee departs on Extended Military Leave, he is requested to furnish a list of all promotion eligible lists, rosters and transfer lists in which his name appears. Each of these are noted in the employee's folder by the Human Resources

Representative who indicates the length of time remaining on the ranked vertical eligible lists before the list's expiration.

2. Promotion Examinations During Military Leave

An employee on military leave may participate in any promotion test if he can be present for the test; that is, if he is on furlough or is stationed near New York.

3. Upon Return from Leave

- a. An employee on a permanent horizontal promotion roster when he left has never been deleted from the roster and therefore is still actively on the roster.
- b. An employee on a ranked vertical promotion eligible list which expires during his military leave will upon his return from military leave be placed on top of the then current promotion eligible list for the length of time he had remaining between the day he left for service and the expiration date of the original list.
- c. To the extent that it is administratively possible, he will be permitted to take make-up exams for any promotional opportunities that occurred during his absence for which he would have been qualified if he were here when the examinations were given. This is usually feasible if the examination consisted only of a written and/or individual oral examination.
- d. He is immediately eligible to participate in any promotion examination in process for which he is qualified.

E. Reinstatement After Extended Military Leave

At the time an employee returns from extended active duty he is given a medical examination by the Office of Medical Services. An employee returning from military leave is restored to his former title or to a position of like seniority, status and pay as long as all of the following circumstances exist:

1. He has satisfactorily completed his period of military active duty or has been released from such service or training for medical reasons.
2. He makes application for reinstatement as soon as is reasonably practicable after discharge, release or rejection from military active duty or training, or after termination of service-connected hospitalization of not longer than one year.
 - a. Any employee (1) who is rejected during the induction process, or (2) who performs active duty for less than three consecutive months, must report for work at the beginning of his next regularly scheduled working day following such rejection or duty plus whatever time, if

any, is reasonably necessary to return to his place of employment.

- b. Any employee who returns from active duty under any other circumstances must apply for reinstatement within 90 calendar days after being released.
3. He is qualified to perform the duties of his former Port Authority title when making application for reinstatement. If an employee is not qualified to perform the duties of his former Port Authority title by reason of disability sustained during military service or training, or if his former position has been discontinued, he is restored to another position the duties of which he is qualified to perform. The new title should provide him seniority status and pay most nearly comparable to that which he would have if he were to occupy his former title.
4. He refrains from re-enlisting or otherwise voluntarily prolonging extended active duty when he is eligible for separation.
5. Permanent Employees in a probationary status are treated as permanent employees, except that military leave time cannot be used to complete the probationary period.

IV. Provisions for Short-Term Military Leave

A. Pay

1. Rules

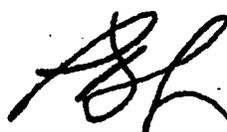

An employee ordered to short-term active duty is paid the difference between his federally taxable Port Authority pay and his federally taxable military pay, providing that the employee's military pay does not exceed his Port Authority pay. Travel allowances, uniform allotments, etc., are not normally considered military income for this purpose.

No part of short-term military leave is charged to compensatory time except after the employee's right to receive make-up pay has been exhausted. When a paid holiday occurs during an employee's military leave no additional day off is granted.

If any part of such duty is undertaken on a voluntary basis, the employee receives make-up pay for periods of absence totaling up to, but not more than 30 calendar days in any 12 consecutive months. Weekly or monthly drills are excluded in calculating the amount of short-term active duty subject to make-up pay.

2. Procedure

Any employee who is granted military leave for short-term active duty and who upon reinstatement is entitled to make-up pay must,

within 45 calendar days after returning to work, furnish the Supervisor, or Unit Head with his military pay voucher upon which CN-225 make-up pay can be calculated. If an employee has not furnished 1/22/90 the necessary voucher within 30 calendar days after returning to work, the Supervisor, or Unit Head will advise the employee by registered mail that unless he does so within the prescribed 45 calendar days, all wages paid to the employee by the Port Authority for the period of the military leave in question will be deducted. In this case, when the voucher is submitted any necessary adjustment will be made in the next pay period.

B. Insurance and Retirement Programs

All employee benefit programs, including health insurance, life insurance, and retirement plan, are continued for any employee who is granted military leave for short-term active duty. Employee contributions if any, covering the period of absence are made by regular payroll deduction.

C. Vacation Allowance

Any employee who is granted military leave for short-term active duty is not thereby deprived of any part of the vacation to which he is entitled. Any employee who wishes to use his vacation to undertake short-term active duty may request that his vacation be scheduled accordingly, and every effort is made to meet this request. However, because in such instances a full vacation salary is received, provisions in this PAI relating to make-up pay (see A, above) do not apply. If an employee chooses to receive make-up pay, he may not schedule vacation day during his military leave. He may, however, take vacation immediately before or after his military leave if his Unit Head approves.

D. Employee's Work Schedule

An employee returning from short-term military leave of two weeks or more is given Saturday and Sunday as RDO's during the period of his leave.

V. Part-Time Periodic Drills

Employees who are members of the organized reserves or the National Guard generally have an obligation to participate in weekly or monthly drills of short duration (constituting typically either 2 to 4 hours per week or one weekend per month). Whenever possible, working hours for such employees are scheduled to eliminate or minimize the occasions when it is necessary for them to be absent from work during scheduled working hours; however, the schedule of working hours should avoid giving such employees favored treatment over the other employees in the same position classification and otherwise similarly situated. Employees should, whenever possible, avoid reserve assignments which require them to be absent during scheduled working hours.

Whenever there is a conflict between periodic military drills and scheduled Port Authority working hours it is expected that the employee involved will arrange to exchange tours of Port Authority duty on a voluntary basis with another employee in the same position classification. If, however, an employee who is required to attend weekly or monthly drills on an involuntary basis as part of his military obligation is unable to make this arrangement, the manager of the organizational unit involved makes the necessary reassignments of tours of duty. An employee who has undertaken or extended his membership in the organized reserves or National Guard on a voluntary basis is expected to make his own arrangements for exchanging tours of duty where this is necessary to attend such drills.

VI. Recalled Employees

A. Partial Salary Continuation

1. Rules

Any employee who is recalled to active duty without his consent, receives partial salary continuation up to one year. At the end of one year, the employee is covered under the non-salary provisions which apply to long-term leave.

The Port Authority pays to such an employee a percentage as specified below, of the difference between his federally taxable Port Authority pay at the time he re-enters service and his federally taxable military pay for such period, as follows:

- a. Any employee who has more than one dependent receives 100% of such difference.
- b. Any employee who has one dependent receives 75% of such difference.
- c. Any employee who has no dependents receives 50% of such difference.

Partial salary continuation checks are mailed bi-weekly on regular pay days by the Comptroller's Department to the employee or to anyone he designates in writing.

2. Procedure

An employee who is granted military leave for extended active duty and who is entitled to partial salary continuation under the provisions of Par. VI, A, furnishes the Supervisor, Payroll and Administrative Services, Human Resources Department promptly with CN-225 acceptable information regarding military pay, number of dependents, and name and address of the dependent who is to receive partial salary continuation. Changes in military pay which occur while such employee is eligible to receive partial continuation must also be reported promptly to the Supervisor, Payroll and Administrative Services, Human Resources Department. The Supervisor, Payroll and Administrative Services notifies the

1/22/90

CN-225
1/22/90

Comptroller's Department of the make-up pay, military leave payment, or partial salary continuation arrangements which must be made.

B. Insurance, Retirement, Vacation and Promotion Programs

Recalled employees are treated as short-term leave employees for the first 30 days' duty, and as employees on long-term leave thereafter.

MEMORANDUM

Office of the Chief Administrative Officer

TO: Joseph J. Seymour, Executive Director
FROM: Mary Lee Hannell
DATE: April 29, 2003
SUBJECT: **MILITARY LEAVE POLICY ADDENDUM - TEMPORARY AND
EXTENDED FULL TIME ACTIVE DUTY - INVOLUNTARY
CALL UP**

COPY TO: L. LaCapra, L. Hofrichter, E. Schorno, S. Walsh, All Chiefs and Directors

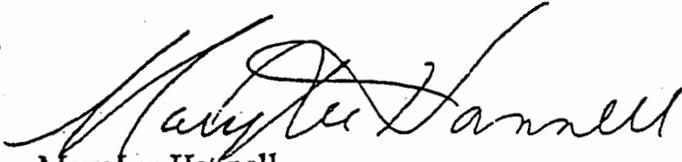

Since the beginning of the events of Operation Enduring Freedom, many employers have experienced a temporary loss of staff who have been called to active duty in the armed forces. The sudden call-up caused employers to re-evaluate their existing military leave policies with respect to compensation and benefits and many have since altered their policies to minimize the financial impact on employees and their families. As a gesture of support for employees called to active duty and to more closely align our policy with that of other metropolitan area employers, our existing policy should immediately be modified as follows.

In connection with the events of Operation Enduring Freedom:

- provide payment of salary differential for those called up, regardless of status, for the duration of the leave;
- continue health and dental benefits coverage for employees and their dependents for the duration of the leave;
- continue life insurance coverage for the employees at their current level for the duration of the leave.

Since September 2001, several employees have been called to involuntary active duty and more are anticipated. A review of our records indicates that 44 employees have regularly taken short-term military leave. Since some employees use vacation time to satisfy their annual reserve requirement, the potential number of employees who could be called to duty may be marginally higher. However, since (1) these employees are not being permanently replaced; (2) the Port Authority will be reimbursed for the employees' military pay, and (3) the employees' medical costs will be at least partially paid for by military coverage, any additional costs associated with the recommended changes would not be material.

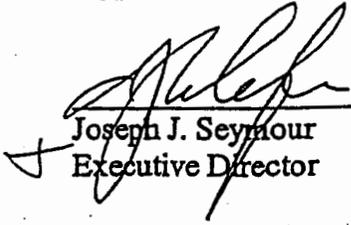

Attached is a comparison of our existing policy/proposed addendum and highlights of changes implemented by other metropolitan area employers.

EXCUSED ABSENCES

I. Introduction

This instruction describes the Port Authority's policy regarding excused absences for permanent, probationary and annual employees.

II. Definition

Excused absences are any authorized absences from scheduled hours of work for which no deduction is made from the employee's compensation, and which are not attributable to vacations, holidays, sick leave, military leave, or compensatory time credited or to be earned.

III. Policy

A. All Service C Employees

Port Authority management grants time off with pay to Service C employees and identifies the absence as excused time under the following circumstances only:

1. Time necessary for involuntary participation in governmental proceedings such as jury duty, draft board examinations, Workmen's Compensation Board hearings, or appearing in court as a subpoenaed witness.
2. Time necessary for voting. Any eligible employee who desires to vote in a general election, primary election, special election or local election in the community where he resides, and who is required to work on the day of such election and whose hours of work are such that it will be difficult or impossible for him to vote, shall be granted two hours of excused time off to vote. Such time off shall be allowed only at the beginning or end of the employee's tour of duty as designated by his supervisor. However, any employee who has four or more consecutive hours before or after his working hours during which polls are open will be considered to have sufficient time to vote outside of his working hours and will not, therefore, be granted excused time.

3. Time necessary because of a death in the employee's immediate family (spouse, child, parent, brother, sister, spouse's parent, other person living in the employee's home). When more than three scheduled work days are needed, the additional time must be approved by the employee's department director. Absences in excess of five work days for any one instance require written approval by the Personnel Director, copy to the Manager, Accounting Division.
4. Time for donating to the Port Authority Blood Bank. Any employee who donates blood to the Port Authority Blood Bank during his normal work schedule is granted the rest of that working day off as excused time. Any employee who donates blood outside his normal work schedule is granted three hours of excused time, to be taken at a time mutually convenient to the employee and his supervisor.
5. One day, in connection with wedding of the employee.
6. One day, in connection with time when employee's wife gives birth.
7. One day, when employee who is head of household moves his family from one permanent residence to another.
8. Illness of spouse when pre-school or disabled child needs care, or illness of minor (pre-high school) child when employee is the only adult in the household responsible for the minor child's care (limited to a total of two paid days off per calendar year).
9. Time necessary when extreme weather or other conditions, found to be beyond the control of the employee, affects transportation to the work location resulting in a delay or absence from work, when approved by the employee's department director or deputy director. This authority may not be delegated further.
10. When early termination of normal tour is required, in order to comply with posted snow schedule assignment or to provide eight hours between termination of work and start of new work resulting from a change in schedule, excused time up to four hours is granted when authorized by the department director.
11. When early termination of work day for non-field employees is announced by the Personnel Director.

mm
AL

12. When overtime work in excess of five and one-half hours is performed by an employee who is called in from off-duty status, sufficient excused time is granted in order to provide a period of four consecutive hours off before the employee starts his next normal tour. For example, if the employee works from midnight until 6 A. M. and is scheduled to work the 8 A. M. to 4 P. M. tour, he receives two hours of excused time and starts his tour at 10 A. M.
13. Special individual situations as recommended by the department director and approved by the Personnel Director.

CN-4
12/25**B. All Service B (including EXB) Employees**

All Service B (including EXB) employees may receive excused time off with pay at the discretion of division or facility managers, when operating conditions permit. Such absences, when granted, should be limited to the time off reasonably required by the situation giving rise to the absence. Absences in excess of five work days for any one instance require written approval by the Personnel Director, copy to the Manager, Accounting Division.

- C. All provisions of this instruction affecting police employees are administered by the Superintendent of Police through his staff or facility commanding officers (see PAI 10-11.05).
- D. Service C, Clerical and Office classifications will be granted 1/2 day excused time, to be taken in combination with either the Good Friday half-holiday or the Christmas Eve half-holiday.

LONG-TERM DISABILITY (LTD) PROGRAM
Sergeants Benevolent Association (SBA)

INTRODUCTION

Effective July 3, 1983 the LTD program was extended to employees represented for collective negotiations by the Port Authority Sergeants Benevolent Association in a Memorandum of Agreement executed on May 7, 1984.

LTD COVERAGE

Commencing July 21, 1991 if you have completed a minimum of one (1) year of continuous service with the Port Authority, you may be eligible for benefits under the LTD Program. The LTD Program is intended to partially replace the income you receive from the Port Authority during your active career should you become totally and permanently disabled due to an accident or illness. The term "totally and permanently disabled" means that you must be unable for the foreseeable future to perform the duties required of you as a Police Sergeant. If your disabling condition resulted from your job, (e.g. was deemed an injury on duty (IOD) and/or determined to be compensable under Workers' Compensation) you cannot receive benefits under the LTD program except that effective June 30th, 1998 an active Police Sergeant who has a minimum of one year of continuous service as a Port Authority employee and who the Port Authority determines is permanently disabled due to an injury incurred in the line of duty but who has been denied by the New York State and Local Police and Fire Retirement System for both accidental disability retirement and performance of duty disability retirement shall also be eligible to apply for LTD benefits.

LTD BENEFITS

If you are found to have become totally and permanently disabled, you will be eligible to receive an LTD allowance which, in combination with other relevant income, does not exceed 60% of your final base annual compensation. If you are granted an LTD allowance, in no event may the total Port Authority's portion of your LTD benefit exceed 50% of your final base annual compensation. In calculating the amount of "other relevant income" that will offset the Port Authority's portion of your LTD allowance, the "Option Zero" amount of your New York State and Local Police and Fire Retirement System benefit, any Workers' Compensation benefit, and the Primary Insurance Amount of your Social Security

ASR *mm*

Administration benefit based on a complete earnings history will be used. Any cost-of-living increases in these benefits will not further offset your LTD allowance.

Any income which you earn (i.e. through employment including self-employment) after you are granted an LTD allowance, will be considered "other relevant income" and will offset the Port Authority's portion of your LTD allowance and/or may affect your continued eligibility for LTD benefits.

The Office of Medical Services may periodically re-evaluate your medical condition to determine if you continue to be totally and permanently disabled based on the disabling condition for which you were granted LTD benefits.

The effective date for the beginning of your LTD allowance will coincide with the effective date of your ordinary disability or service retirement with the New York State and Local Police and Fire Retirement System, the Social Security Administration as applicable, or Workers' Compensation benefit. When these dates are not applicable, the effective date for beginning the LTD allowance will be the date on which the Office of Medical Services determines that a disabling condition exists. In all cases payment of the LTD allowance will not commence until the employee has been placed on an inactive payroll status.

The LTD allowance is paid for the duration of your disability subject to periodic re-evaluation by the Human Resources Department including the Office of Medical Services, or until you reach age 65. If you are granted an LTD allowance after you reach age 60, you will be entitled to a minimum of five years of LTD payments.

While you are collecting LTD benefits, your Port Authority group health and dental insurance benefits will continue to be provided to you as if you had retired. Group health benefits are provided at no cost, and you may elect group dental benefits in accordance with Section X Paragraphs (3) and (4) of the MOA. Your group term life insurance coverage will also continue, provided you elect it and either pay any required premiums or receive approval to have them waived by the insurance carrier.

APPLYING FOR AN LTD ALLOWANCE

If you are disabled and meet the conditions for LTD eligibility as outlined above, you should contact the Long-Term Disability Coordinator in the Employee Benefits Section, Human Resources Department, for assistance in applying for an LTD allowance. The application is made in the form of a letter from you addressed to the Employee Benefits Manager. The letter should state that you are unable to perform the duties of your position, state whether it is due to a non-job or a job related medical condition and should request that you be considered for benefits under the LTD Program.

Two handwritten signatures in black ink are located in the bottom right corner of the page. The first signature is a stylized 'AR' and the second is 'non'.

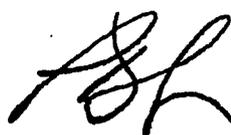

An application for LTD benefits must be filed while you are still in an active employment status. When you apply for an LTD allowance, you are also required to apply for retirement and/or disability benefits from both the New York State and Local Police and Fire Retirement System and the Social Security Administration. Evidence of having concurrently applied for these benefits (e.g. copies of applications for those benefits) must be submitted with your LTD application.

Before your application for an LTD allowance can be acted on, the Office of Medical Services will be requested to evaluate your medical condition to determine if you are totally and permanently disabled. Approval for Ordinary Disability benefits by the New York State and Local Police and Fire Retirement System or for disability benefits by the Social Security Administration is required in addition to being found disabled by the Office of Medical Services. However, if you are found to be disabled by the Office of Medical Services but are not approved by Social Security and are either not approved by the Retirement System or do not meet the Retirement System's ten year member credit requirement for applying for Ordinary Disability benefits, you will be required to undergo an additional medical evaluation. A determination based on the additional medical evaluation that you are totally and permanently disabled and unable to perform the duties required of you as a Police Sergeant will serve as a "second determination" in the absence of approval from Social Security or the Retirement System.

Based on the evaluation of the Office of Medical Services and any other medical evaluation that the Port Authority may request, as well as the results of your application for disability benefits from the New York State and Local Police and Fire Retirement System and the Social Security Administration, the Human Resources Director will consider your request and decide whether to recommend to the Executive Director that you be granted an LTD allowance.

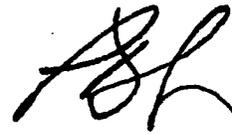

APPROVAL PROCEDURE

Should the Executive Director approve the Human Resources Director's recommendation to grant you an LTD allowance, you will be notified of the amount of the LTD benefits payable and of the conditions under which they are paid. These conditions will include your cooperation with the Human Resources Department in furnishing any financial or employment information pertinent to your LTD allowance, submitting to a medical examination, if requested, by the Office of Medical Services and/or by any other physician that the Port Authority may designate. When your signed acceptance of these conditions is received, your LTD allowance will begin.

CONFIRMATION OF CONTINUED ELIGIBILITY

Periodic reviews to confirm continued eligibility for LTD benefits will be conducted by the Human Resources Department. You will be required to answer questions regarding your sources of income and your employment status. You may be requested to report for a medical evaluation by the Office of Medical Services. Your full and timely cooperation with these reviews is necessary in order to maintain your eligibility for LTD benefits. These reviews may be conducted periodically after your LTD allowance is granted and while you continue to receive the LTD allowance.

SUBJECT: PORT AUTHORITY POLICE PROTECTIVE VEST PROGRAM

The Port Authority will be supplying every member of the Police force with a Protective Vest. Attached for your guidance is information concerning protective vests, in general, and specifically the type of vest you will receive.

The program has been instituted for your benefit and your cooperation will enable us to expedite obtaining the information required to issue the vests.

W. R. Lee
Walter R. Lee
Superintendent of Police

WHAT IS A PROTECTIVE VEST (SOFT BODY ARMOR)?

Soft Body Armor is a protective garment designed to be reasonably comfortable, lightweight, inconspicuous and flexible enough to be worn routinely while performing normal functions. It provides protection, but is not bullet proof.

A typical vest is composed of two components:

1. An outershell which simply holds the "ballistic package" in place.
2. A ballistic package is composed of layers of a nylon material such as "Kevlar" which provides the actual protection associated with the vest.

The number of layers of the ballistic material has a direct relationship to the level of protection a vest provides.

WHAT VEST WILL BE ISSUED?

You will have a choice of one vest produced by Burlington Protective Products, Point Blank Body Armor, or International Protectors, Inc. The specific model from each manufacturer is certified to meet Threat Level II protection. You are being given a choice simply because of the difference

in tailoring so you may pick the vest most comfortable for you. There is no difference in the protection any of these vests will provide.

HOW WERE THE VESTS CHOSEN?

The Equipment Technology Center of the International Association of Chiefs of Police (IACP) utilizing a grant from the Law Enforcement Assistance Administration conducted a Police Body Armor Testing Program.

The body armor testing project began in 1976 with the setting of test goals and development of performance criteria and testing methods. The National Bureau of Standards established the criteria and testing methods based on a lengthy research and development effort sponsored by the National Institute of Law Enforcement and Criminal Justice. Two independent laboratories were then selected to perform the body armor tests. Both laboratories were certified by the National Bureau of Standards to ensure that their capabilities and equipment met the stringest requirements for the body armor testing.

The weapons chosen for the test were those commonly used against police. The IACP conducted a survey which clearly indicated that handguns represented the greatest potential threat. Of the almost 23,000 weapons confiscated by police from 1971 through 1976, nearly 19,000 were handguns. Other confiscated weapons included shotguns and rifles.

The largest number of weapons that police confiscate are .38 caliber and smaller. Thus, these guns were classified as Threat Level I. Altogether, five levels of threat were delineated

llll

AK

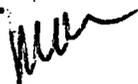

Threat Level I - .22 Caliber and .38 Caliber
Threat Level IIA - Low velocity 9mm and .357 Magnum
Threat Level II - High velocity 9mm and .357 Magnum
Threat Level III - 7.62 (.308 Winchester)
Threat Level IV - 30.06 Armor Piercing

Threat Level II was considered the highest threat level for soft body armor. The weight and design of vests or armor to protect against Threat Level III and IV would make the equipment uncomfortable.

The vests were tested for penetration and deformation. Under stringent testing procedures each vest was subjected to five shots from each of the various caliber weapons involved. Vests were eliminated if they were penetrated by a bullet or fragment, or if they caused a deformation in clay placed behind the vest, greater than 1.73 inches.

The standard for deformation was established to take into account the effect of "Blunt Trauma". Even though a bullet does not penetrate the vest, it pushes into the body with an effect called "Blunt Trauma". A severe trauma effect resulting from excessive deformation into the body could cause injuries as serious as, or more serious, than if the bullet had penetrated. The 1.73 inch deformation standard was established as an acceptable level of performance where the effect of "blunt trauma" is minimized. Any vest which, when tested, resulted in deformations in excess of 1.73 inches, were considered as unacceptable.

The three vests you will be choosing from have all passed the Threat Level II standards for penetration and deformation.

HOW DO YOU ORDER A VEST?

Your decision concerning a vest will be based solely on what is comfortable to you. Therefore, you will be given an opportunity to try each vest and be assisted in obtaining a proper fit.

A police officer will visit each facility on a schedule (to be published shortly) similar to that used for uniform inspection. He will have samples of all three vests in available sizes. A second set of vests will be available from 8 A.M. to 4 P.M., Monday thru Friday, at the Police Academy, One PATH Plaza, Jersey City, New Jersey, First Floor. There will always be an individual with the vests to assist you in selecting the proper size, but the choice of which model to select is up to you. After the facility visits have been completed, vests will continue to be available at the Police Academy, where all future orders will be placed.

HOW MUCH WILL THE VEST COST AND HOW WILL IT BE INSPECTED?

The vest will be provided at no cost to the officer. There will be no requirement that an officer wear the vest, nor will it be subjected to any form of uniform inspection. Any officer who does wear the vest will do so underneath his normal uniform. There will be a record kept after a vest is issued to insure that everyone who places an order receives a vest.

WHAT OPTIONS ARE AVAILABLE TO ME?

You will be asked to complete an order form when you select your vest. Aside from your name, employee number, and other general information, you will be asked to supply the following information:

ASL *mm*

1. **Manufacturer** - This is your selection after you have tried the three models being offered.
2. **Size** - The officer will be able to assist you in picking the correct size and you will have the opportunity to try on a vest in your size.
3. **Side Panel Protection** - This option affords additional ballistic panels on both sides of your body. These panels are not detachable from the vest. When considering this option, the individual must realize that this will further encompass his torso and may cause discomfort because it helps retain body heat.
4. **Color** - The outer shell will be available in white or blue. Again, this is a personal choice, and has nothing to do with the performance of the vest.

WARNINGS

1. The protective vest will not make you invincible. You should perform your functions in the same manner and take precautions as if you were not wearing the vest.
2. The vest may provide some protection against a slashing knife, but a sharp instrument, particularly an icepick, will penetrate the vest.

mm

AL

3. If a bullet does strike the vest and does not penetrate, you must still seek medical attention to determine if any internal injuries have been caused by the "blunt trauma" of the striking bullet.
4. Follow the laundering instructions indicated on your vest. Remove the ballistic packages and launder only the outer shell. Failure to remove the ballistic package during laundering could damage it enough to affect its performance.

GENERAL INFORMATION

The vests weigh approximately 3 lbs. or 4 lbs. with side panels.

After the field visits by the police officer, an initial order for vests will be processed. Subsequent orders will be placed as officers provide the information to Police Academy staff necessary for ordering. Recruits will be measured during their training and receive their vests as soon as possible.

AR

TO: All Unit Heads
FROM: Office of the Personnel Director
DATE: March 3, 1965
SUBJECT: STAND-BY TIME, CALL-INS, AND CARFARE ALLOWANCES

COPY TO: Personnel Division Managers; Employee Organization Presidents

INFORMATION BULLETIN NO. 11

Recently, certain questions have arisen regarding interpretations of the Port Authority policy on stand-by time, call-ins and carfare allowances in connection with snow emergency conditions and other overtime situations.

Stand-by Time

When there is a possibility of a snow emergency, facility management may request off-duty employees to inform their supervisors, or other designated officials, where they can be reached by telephone, in the event it becomes necessary to call them in to work. Other than keeping in touch by telephone, these employees have no duties and are free to go where they please. Time spent in this way does not count as working time. Management should not require employees to remain in their homes while off duty. Where Service C employees are required to stand by at or near their facilities, the time spent counts as working time.

mm

AR

Call-ins

When it is necessary to call an employee in to work, he is credited with only those hours worked from the time he arrives at the place of work to which he is assigned. The only occasion when an employee may be credited with travel time is when, in the discretion of the unit manager, an employee who is called in on an RDO and who normally takes less than one hour to get to work must travel longer than one hour to get to work because of weather conditions. In this case only, an employee may be credited with the time spent traveling to and from work which is in excess of one hour each way.

Under the overtime policy, each Service C employee is guaranteed four hours of overtime for a call-in on an RDO. Call-in guarantees also apply to situations where an employee is called in between regularly scheduled tours and released prior to the start of his regular tour. Where a call-in is such that it is contiguous to a regularly scheduled tour, no guarantee is applied and the hours worked in excess of the regularly scheduled tour are overtime hours. (e.g., if an employee is scheduled to work from 8:00 A.M. to 4:00 P.M. and he is called in at 6:00 A.M. and worked until 4:00 P.M., he is credited with two hours of overtime.) No schedule change premiums are paid where overtime is worked either before or after working a regularly scheduled tour.

Carfare Allowances

When an employee is required to work on an RDO, he is normally entitled to carfare allowance from his home to his assigned place of work. This carfare allowance is equal to the cost of public transportation. Where public transportation is unavailable or impractical, unit heads may authorize mileage allowances. (See PAI 15-3.05)

In the event an employee is called in from a location other than his home, he should receive the additional travel expenses incurred from that point to his assigned place of work. Supervisors should exercise discretion in calling in employees who may be required to travel a considerable distance. Supervisors are not required to call in an employee who is at some location other than his home for the purpose of maintaining an equal distribution of overtime.

Tour Commanders at Port Authority facilities have in the past exercised their discretion to team up police officers on patrol. It is the intention of the Port Authority Police Division to continue to allow Tour Commanders to team up police officers when, in the judgment of the Tour Commander, it is warranted by a legitimate concern for the officer's safety.

Commanding Officers should discuss this matter with their police supervisors so they understand the applicability of this practice at their respective commands.

Stan Dabrowski of the Police Division advises me that they have been following the practice of not seeking reimbursement from terminating police personnel if such personnel have already used all their personal leave allowance irrespective of when they retired. In Sergeant Casey's case he is retiring in January and he has already taken all five of the personal leave days he would be entitled to for 1985. Based on the Police Division's practice, we will not seek reimbursement for any of those personal days even though the operable provision of the SBA agreement might be interpreted to mean that terminating police personnel are only entitled to two personal days for every four months in a given year.

RE: Settlement of Holiday Pay Grievance

Gentlemen:

The following represents full settlement of Grievance Numbers 12P-86 and 16L-86 which deal with the proration of holidays and payment thereof upon death or retirement of an individual in good standing. Particular to these grievances are P.O. Malvey and Lt. R. Prior. However, this settlement will be acknowledged by all unions to provide consistency of payment and to preclude any subsequent grievances on this subject.

The parties agree that, with respect to the computation of the allowance attributable to holidays to be granted to a unionized police employee in good standing who is separated for such reasons as reduction in force, death or retirement, the proration shall be based on the number of RDO's remaining in the individual's schedule as of the date of separation with the last 12 RDO's to be attributable to holidays to be paid on separation.

AK *man*

For example, an individual with 10 RDO's remaining in his/her schedule as of the date of separation shall be credited with 10 days attributable to holidays to be paid upon separation. An individual who has received his/her entire allotment of RDO's as of the date of separation shall not be credited with any days attributable to holidays, to be paid upon separation.

This settlement is not intended to alter in any way the method of payment for vacation upon separation. Namely, individuals shall continue to receive payment for unused vacation in the year of separation in accordance with Appendix D of the respective Memoranda of Agreement.

This agreement is contingent upon acceptance by the PBA, SBA, DEA and SOA of this method of proration in light of the fact that all four organizations have the same language in their agreements with respect to this item.

STIPULATION OF SETTLEMENT

BACKGROUND

On or about February 2, 1996, the Port Authority Police Benevolent Association, Inc. ("PBA"), the Sergeants Benevolent Association ("SBA"), the Detectives Endowment Association ("DEA"), the Lieutenants Benevolent Association ("LBA"), and the Union of Automotive Technicians ("UOAT") filed charges of alleged improper practice under §XI(A)(d) of the Port Authority Labor Relations Instruction concerning the alleged unilateral elimination of an alleged past practice "... by failing to hold the annual Port Service Club Luncheon in 1995." These Charges (denoted, respectively, IP 96-3, IP 96-4, IP 96-5, IP 96-6, and IP 96-7) are identical in all material respects and were consolidated for hearing before Panel-appointed Hearing Officer Daniel Brent on September 16, and September 28, 1998.

On or about December 22, 1998, the LBA, the UOAT, the DEA, and the SBA again filed charges of alleged improper practice under §XI(A)(d) of the Port Authority Labor Relations Instruction. These new Charges (denoted, respectively, IP 98-22, IP 98-23, IP 98-24, and IP 98-25) are identical in all material respects and allege that "... the [Port Authority] violated the [Port Authority Labor Relations] Instruction, the Past Practices clause contained in the Memorandum of Agreement, and the Panel's Final Decision and Order in IP 91-28 ..." when the Port Authority failed to negotiate concerning the Port Service Club Luncheon in 1998. On February 12, 1999, the PBA filed its own Charge concerning this matter (denoted

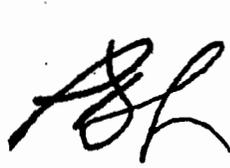

IP 99-3) and was joined to the consolidated proceeding before Panel-appointed Hearing Officer Irwin Kaplan.

NOW THEREFORE, THE PARTIES HERETO, having had the opportunity to consider the matter and desiring to resolve the dispute between them and in full satisfaction of all claims directly and/or indirectly arising out of any or all of the above-captioned Charges, AGREE AS FOLLOWS:

1. The Port Service Club Luncheon shall be, and hereby is, abolished as a benefit or term or condition of employment effective upon execution of this agreement for each and all of the members of the negotiating units represented by the Charging Parties hereto, and each and all of Charging Parties renounce any claim of right to continuation of same by the Port Authority;
2. The Service Awards Program (whereby the Port Authority gives a Service Award to employees upon the attainment of every fifth year of service - i.e., their 5th, 10th, 15th, 20th, etc. anniversaries of employment) shall be continued for those employees in the bargaining-units represented by the Charging Parties except that, commencing January 1, 2000, the Service Awards Program shall be eliminated with respect to any employee who has attained 25 years or more service. There shall be no further diminishment in the Service Awards program or in the value of the Service Awards given to employees at the attainment of the 5th, 10th, 15th, and 20th year of service;

3. In light of the elimination of benefits as described in ¶¶1 and 2, above, each employee in any of the negotiating units represented by the Charging Parties who has, on or after January 1, 2000, attained 25 years or more service with the Port Authority shall be granted one (1) additional vacation day annually, to be taken pursuant to the applicable Memorandum of Agreement;
4. The Charging Parties hereby agree to release the Port Authority, its officers, agents, and/or assigns from any and all claims arising directly or indirectly out of this matter up until the date of execution of this Stipulation of Settlement; and the Charging Parties further agree to withdraw, with prejudice, each and all of the above-captioned Charges except that the Port Authority Employment Relations Panel shall have exclusive jurisdiction to hear any further future Charge which alleges a violation of this Stipulation;
5. In consideration of the foregoing release, the Port Authority agrees to remit the total sum of \$31,000.00 as attorneys fees and expenses. This remittance shall be made to the Sergeants Benevolent Association as agent of the Charging Parties and designated by all of them jointly to receive such amounts as their escrow agent/fiduciary;
6. By execution of this agreement the Port Authority neither admits nor denies that its actions in this matter constitute a violation of the Port Authority Labor Relations Instruction or any Memorandum of

Agreement it has with any of the Charging Parties hereto; and

7. The parties further agree that they have entered this agreement for purposes of resolving the each and all of the disputes now extant between them concerning the Port Service Club and, except as provided in ¶4 above, this Stipulation shall not be cited as precedent in any future proceeding between them.

Effective with the execution of this Memorandum of Agreement, each employee in the covered membership shall have the option, upon retirement prior to age 65, to continue coverage under the Port Authority Extended Group Life Insurance Plan up to the amount of such coverage applicable to him/her at the time of retirement up to age 65. Each employee shall pay for such coverage of the life insurance premium base rate paid by the Port Authority, in effect at that time. This same premium base rate is also used to calculate the Port Authority Managerial and Professional Employee's contribution rate.

C. A copy of the Port Authority Group Life Insurance Policy and riders, if any, covering employees in the covered membership, including the number thereof, and the premium costs per month to the Port Authority for such insurance, shall be made available for review by a designated TWU representative when such policy, riders and premium costs have been finally formulated.

D. Except as provided herein, effective January 1, 2004, the Port Authority will pay the premium cost of providing \$20,000 of paid life insurance to employees who are age 65 and retired. If an employee retires before age 65, then the retired employee may elect to maintain the \$20,000 paid life insurance in force until they reach age 65, so long as the retired employee pays the premium costs of the \$20,000 paid life insurance policy and so long as they pay for and continue the Port Authority Extended Life Insurance Plan (see paragraph B, above). If the retired employee elects either: i) not to pay the premium costs of the \$20,000 paid life insurance coverage or; ii) not to pay to continue the Port Authority Extended Group Life Insurance Plan then the \$20,000 paid life insurance coverage shall lapse. If the employee is separated from employment with the Port Authority (e.g. by resignation or by discharge) without retiring the former employee may not elect to continue the \$20,000 paid life insurance coverage.

VIII. Employment Security/Transfer of Unit Work

During the term of this Memorandum of Agreement, there will be no further or additional transfer and/or reassignment of unit work currently and heretofore performed by employees in the covered membership without negotiations. Employees displaced pursuant to the permissible transfer and/or reassignment of unit work in this

Memorandum of Agreement and as previously agreed to in prior Memoranda of Agreement shall not lose employment but shall be reassigned to other Port Authority jobs without loss of pay or benefits.

IX. Seniority

Seniority rights of employees in the covered membership, and their status in such matters as selection of vacation, tour assignment, etc., shall be maintained and unless otherwise modified by this Memorandum of Agreement, shall be consistent with OPI 20-3x.14 ("Job Seniority"), effective July 15, 1970, and Information Bulletin No. 38 ("Seniority") and Information Bulletin No. 50 ("Tie Breakers"), and in the event the Port Authority acquires and absorbs the work force of additional facilities, the said seniority rights shall be protected.

X. Transfers

A. The current procedures for the submission of transfers for employees in the covered membership shall remain in effect. An employee in the covered membership may, after being assigned to and actually working at a facility, submit a transfer application after three months of service.

B. Union representatives, when auditing the proper application of transfer procedures, shall be entitled to review facility transfer lists. Copies of such lists shall be provided to such representatives upon request.

C. All transfer lists except those for Toll Collectors and Senior Toll Collectors which shall be administered by the Tunnels, Bridges and Terminals Department, shall be maintained by the Human Resources Department in accordance with OPI 20-2x.04 ("Operating Instruction Pay Plan C and D (Non-Police) Transfer Procedure"), effective August 1, 1971, and shall be applicable to all employees in the covered membership. (Exhibit "D")

XI. Promotions

A. Oral Boards will be retained by the Port Authority as a part of its selection procedure. The Human Resources Director shall establish a roster of qualified board members, including only Service "B" and "F" personnel familiar with the techniques, objectives, and procedures of Oral Boards, and the members participating in any examination shall be selected from such roster. Whenever feasible, a single board shall be used for all candidates participating in a particular evaluation.

B. All promotion eligible lists pertaining to employees in the covered membership shall be of three years duration. All promotion lists shall be maintained and approved by the Human Resources Department of the Port Authority.

XII. Provisional Assignments

A. Provisional assignments shall be offered to qualified employees in the covered membership in accordance with their rank on the appropriate eligible lists. When the number of provisionally-assigned employees in a specific classification at a facility must be reduced, the provisional employee at the facility in the effected classification with the lowest rank on the appropriate eligible list will be the first one to be returned to his/her former permanent position.

B. In the event a provisional assignment exceeds an aggregate of twelve (12) months within a three-year period, the employee in the covered membership who has held such provisional assignment will be made permanent in excess at that facility. In the event a permanent position becomes vacant at that facility, the permanently assigned excess employee will fill that vacancy provided that it does not conflict with the existing transfer list.

XIII. Substitution Rules

For employees in the covered membership, OPI 20-3x.15 (“Operating Instruction Work in Higher Classes Compensation - T.W.U. Classes Only”), (Exhibit “E”) shall be deemed modified to compensate employees working in a higher classification at the higher rate from the first day of such work and for each day thereafter. In the event a substitution is necessary, and where a promotion eligible list exists, the employee achieving the highest rank on the promotion eligible list who is working the tour that must be filled shall be selected unless it can be demonstrated by the unit supervisor that the senior eligible employee cannot carry out the responsibilities of the job.

XIV. Grievance and Arbitration Procedure

A. Policy

The parties hereby agree to encourage informal resolution of disputes and differences between them prior to the initiation of action pursuant to the within grievance procedure and further agree that all employees covered by this Memorandum of Agreement shall have the right to participate in such grievance procedure without interference, coercion, restraint, or discrimination of reprisal.

B. Definition

1. For the purposes of this Agreement, grievances are defined as any dispute concerning the application or interpretation of this Agreement or the alleged violation of any provision thereof; or any claim that the Port Authority has unilaterally limited, restricted, impaired, removed or abolished a past practice, procedure or policy governing an existing term or condition of employment which is not specifically enumerated or set forth in this Agreement.

2. Any complaint concerning the alleged violation by the Port Authority of any of its resolutions or instructions of general application relating to conditions of employment which do not involve the application, interpretation or claimed violation of this Agreement or of any past practice shall not be a grievance subject to this procedure but shall be processed through existing remedies.

C. Time Limitations

The parties recognize the importance of processing all grievances as quickly as possible. Accordingly, the number of days permitted for action or completion of procedures should be considered a maximum with the understanding that every effort should be made to expedite the resolution of all grievances.

D. Procedure

Step 1. Grievances shall be sent by the Union President or his/her designee in writing to the Facility Manager within thirty (30) calendar days of the occurrence of the event or action which gave rise to the grievance or within 30 calendar days from the date when an authorized representative of the Union became aware or should reasonably have been expected to become aware of such occurrence or action. The grievance shall set forth all the specific facts of the event or action. The Facility Manager shall respond to the grievance in writing within five (5) working days of its receipt and send it to the Union President. Saturdays and Sundays are excluded from the definition of working days.

Step 2. If the parties fail to resolve the grievance as set forth in Step 1 or the Facility Manager fails to respond in writing within five (5) working days of receipt of the grievance, the Union may resubmit the grievance in writing within fourteen (14) calendar days thereafter to the Port Authority Manager of Labor Relations. The grievance shall set forth the specific provisions of the Agreement or past practice in dispute and the remedy requested. The President of the Union or his/her designee and the Port Authority Manager of Labor Relations or his/her designee shall meet at a regularly scheduled meeting to be held monthly for the purpose of attempting to resolve grievances without the necessity of arbitration. The Union shall provide the Port Authority with a proposed agenda of cases to be discussed and all relevant material at least five (5) business days prior to the scheduled meeting. The parties must come to the meeting prepared to discuss all cases on the agenda and the Port Authority will provide all relevant material that it has on the case. Within five (5) working days following such meeting, the Manager of Labor Relations shall respond to the grievance in writing, advising the Union President that it has been settled or the specific reasons for rejection of the same.

Step 3. If the grievance is not resolved at Step 2, the President of the Union or his/her designee shall have the exclusive right to refer the grievance for determination to an Impartial Arbitrator within thirty (30) calendar days following the date of receipt of the response of the Manager of Labor Relations or the date on which such response was due, whichever occurs sooner. The hearing shall be scheduled for a date no later than sixty (60) calendar days from the date of Demand for Arbitration.

E. Panel of Impartial Arbitrators

The Union and the Port Authority hereby agree that the Panel of Impartial Arbitrators as set forth in Exhibit "W", to hear and determine grievances may be expanded if mutually agreed upon by both the Union and the Port Authority. All hearing dates and the Impartial Arbitrator assigned to those hearings shall be mutually agreed upon. In the absence of such agreement, the parties shall endeavor to allocate the hearings among the panel of Impartial Arbitrators on an equitable rotation basis. The Port Authority shall be responsible for notifying, in writing, the Impartial Arbitrator and the Union of the date, time and place of the hearing.

F. Powers of Impartial Arbitrator

The Impartial Arbitrator shall not have the power to add to, subtract from, or modify the provisions of this Agreement nor shall he/she have authority to determine any other issue not submitted in connection with the subject grievance.

G. Decision of Impartial Arbitrator

The decision and award of the Impartial Arbitrator shall be final and binding upon the Port Authority and the Union. Both parties consent to the jurisdiction of the Supreme Court of the State of New York for the purpose of seeking an order confirming or vacating the award.

H. Fees and Expenses of Impartial Arbitrator

All fees and expenses of the Impartial Arbitrator shall be divided equally between the parties. In the event the grievance as stated in the Demand for Arbitration is sustained by the Impartial Arbitrator, the Port Authority shall be responsible for payment of all fees and expenses of the Impartial Arbitrator. Each party shall bear the cost of preparing and presenting its own case.

I. Adjournments

All requests for an adjournment must be made to the Union President or the Assistant General Counsel, Employment Relations Unit of the Law Department. The party requesting the adjournment shall bear all costs of the adjournment if any.

J. A *stenographic record* shall be kept in all arbitration hearings and a copy shall be provided to the Union at no cost. All records of these hearings shall be available for inspection by the employee on his/her own time during ordinary business hours of the Port Authority for a period of twelve (12) months after the last day of the hearing.

K. All arbitration hearings shall be scheduled between the hours of 10 a.m. and 6 p.m. Employees whose tour is outside of those hours may, with ten (10) days' notice, have their tour changed without payment of schedule change premium. All necessary witnesses will be excused for the day, with overtime when appropriate, for the purpose of attending arbitration hearings.

XV. Disciplinary Procedure

A. Introduction

1. No disciplinary action shall be taken against any permanent employee, except for good and sufficient cause or reason. For the purpose of this Section the following definitions as set forth in PAI 20-1.01 ("Categories of Port Authority Employment"), dated July 10, 1970, shall apply:
 - a. An "Employee" is any person regularly employed by the Port Authority upon a salaried basis whose compensation is computed on an hourly, daily, monthly, or yearly basis and who is not an outside consultant.
 - b. A "Permanent Employee" is any employee who has been continuously employed by the Port Authority for more than twelve months, except a person who is within one of the categories provided in subdivision d. (1) and d. (2) below. "Continuous employment" or words of similar import, means uninterrupted employment by the Port Authority, in any position or positions. Time spent on authorized vacation, sick leave or other authorized or excused absence with pay, is included in computing the period of continuous employment.
 - c. A "Probationary Employee" is:
 - (1) any person hired for a permanent position, who has not completed twelve months of service with the Port Authority, which is the working test period required for qualification as a permanent employee; or
 - (2) a permanent employee who has been promoted, transferred, or reassigned to a new position, and is serving a working

test period before attaining permanent status in the new position. The probationary periods are:

- (a) six months, for employees promoted, transferred or reassigned to Pay Plan B positions or to high level supervisory Pay Plan C positions. (The Human Resources Director maintains a list of the Pay Plan C positions requiring six-month promotion probation.)
- (b) three months, for employees promoted, transferred or reassigned to all other Pay Plan C positions.

d. A "Temporary Employee" is any person:

- (1) who has been hired for a fixed period of employment, whether for more or less than twelve months; or
- (2) who has been hired to fill a position vacated either by an employee who has entered the armed forces of the United States of America, or by an employee absent on an authorized leave of absence.

- 2. No permanent employee shall be disciplined, except in accordance with the provisions of this Section and any disciplinary action taken by the Port Authority in violation of any provision of this Section shall be null and void and all records relating to such action shall be destroyed.

B. Grounds for Disciplinary Action

The following are examples of good and sufficient cause or reason for disciplinary action against a permanent classified employee:

- 1. Substantial or repeated neglect or failure of the employee properly to perform his/her duties;
- 2. Substantial or repeated violation of rules and regulations;
- 3. Conduct seriously prejudicial to the Port Authority or the public interest.

C. Types of Disciplinary Action

- 1. The following measures, when taken for disciplinary purposes, constitute disciplinary action within the meaning of this procedure. No other types of disciplinary action are authorized.
 - a. Dismissal from employment, including compulsory retirement.

- b. Demotion to a grade or title having a lower rate of pay.
 - c. Transfer to a grade or title having different types of duties or responsibilities.
 - d. Compulsory leave of absence without pay.
 - e. Reduction in seniority in cases where seniority lists affecting rights or privileges have been or are hereafter established.
 - f. Official reprimand officially noted upon the employee's record located in the Human Resources Department.
 - g. Forfeiture of vacation or holiday privileges.
 - h. Forfeiture of Port Authority passes.
2. The dismissal, demotion, transfer or compulsory retirement of an employee because of mental or physical incapacity substantially impairing the ability to perform his/her duties, or because of a reorganization of the Port Authority or one of its facilities, properties, departments or divisions, or any other administrative action affecting the position, status, pay or privileges of an employee, not taken for disciplinary purposes, is not considered to be disciplinary action and does not come within the scope of this procedure set forth in this Section. Provision, however, has been made for a hearing at the request of the employee concerned, whenever the dismissal, demotion, transfer, or compulsory retirement of a permanent employee is contemplated on the ground of mental or physical incapacity as set forth in Section XVI of this Agreement.

D. Disciplinary Procedures

1. Sick Absence related discipline will be handled pursuant to the Sick Absence Disciplinary Policy and Five Step Progressive Discipline System attached as Exhibit "U".
2. Notice of Intention to Discipline
 - a. In order to commence a disciplinary proceeding against an employee, other than as set forth in D.1. above, the Assistant General Counsel, Employment Relations Unit of the Law Department or his/her designee shall serve the employee either personally or by registered mail, return receipt, with a Notice of Intention to Discipline (the "Notice"). The Notice shall set forth the name of the employee charged, the employee's employee number, title, facility and a brief statement of

each alleged offense, the facts, circumstances and reasons upon which the intended discipline is based, including the specific rule, regulation or duty alleged to have been violated, the date, time of occurrence or occurrences, the name of the supervisor initiating the discipline, the names of any witnesses with knowledge thereof and the discipline requested by the Port Authority.

- b. The Notice must be served upon the employee no later than thirty (30) calendar days from the date of the last occurrence upon which the discipline is based or the date when the charging Department should reasonably have known of the occurrence. A copy of the Notice shall be faxed to the President of the Union within twenty-four (24) hours of service upon the employee.
- c. Where the offense alleged in the Notice consists of more than one incident of the same kind, no prior incident may be included which occurred more than two years prior to the date of the last incident where a major penalty is sought and one year from such date where a minor penalty is sought.

3. Meeting in an Attempt to Resolve Disciplinary Matters

- a. Within fourteen (14) days following the service of the Notice, the President of the Union or his/her designee and the employee shall meet with the Assistant General Counsel, Employment Relations Unit of the Law Department or his/her designee and the supervisor initiating the disciplinary proceeding, for the purpose of attempting to resolve the matter without the necessity of a formal hearing. Should the parties fail to agree upon a resolution, the Port Authority shall submit the matter for hearing before one of the Impartial Arbitrators, which hearing shall be held no later than sixty (60) days from the date of service of the Notice.
- b. Prior to the aforesaid meeting, the Port Authority will provide the Union with any and all written memos, statements and other documentation, evidence, names of witnesses to the event or events and all other material which is in possession of the Port Authority which relates to the events in question and the charges, including all exculpatory material. The Union and/or the employee shall be granted access to log books and other relevant records necessary to prepare his/her defense.
- c. Should the parties fail to agree upon a resolution of a disciplinary proceeding, the Port Authority shall submit the matter for hearing before an Impartial Arbitrator. The Impartial Arbitrator shall be selected and designated by mutual agreement of the parties with the

understanding that whenever possible such designation shall be rotated among the members of the panel.

- d. The hearing shall be held no later than sixty (60) days from the service of the Notice upon the employee, except however, that such hearing shall be held no later than thirty (30) days from the date of service of the Notice if the employee has been suspended without pay or if for any other reason his/her wages have been withheld.

E. Hearings

1. Major/Minor Hearings

Minor disciplinary hearings shall be held where the discipline requested by the Port Authority is an official reprimand, forfeiture of a holiday, forfeiture of Port Authority passes, vacation forfeiture of less than 20 days, or a compulsory leave of absence without pay of less than 30 days. Major disciplinary hearings shall be held where the discipline requested by the Port Authority is dismissal, demotion, transfer, reduction of seniority, vacation forfeiture of 20 days or more, or a compulsory leave of absence without pay of 30 days or more.

2. Impartial Hearing Officer

- a. It shall be the function of the Impartial Hearing Officer to determine the truth or falsity of the charge; and if in the opinion of the Impartial Hearing Officer the charge is sustained, to determine appropriate disciplinary action. The Impartial Hearing Officer shall proceed promptly with a hearing, and shall receive testimony and evidence offered by the employee and the complainant, and in addition, may summon witnesses and require the production of records and other data he/she deems appropriate to the hearing of the charges and the determination of the discipline.
- b. The Impartial Hearing Officer shall not make any investigation except for the purpose of determining whether there is pertinent testimony or evidence which has not been produced, and any witnesses or evidence produced at the request of the Impartial Hearing Officer shall be presented at the hearing.

3. Conduct of Hearings

- a. The Port Authority shall be responsible for notifying in writing the Impartial Arbitrator, the employee and the Union of the date, time and place of the disciplinary hearing. The notice of hearing may be served by fax to the Union and must be served either personally or by

registered mail, return receipt, upon the employee at his/her last known address on file with the Port Authority. The notice of hearing must be received by the Union and the employee no less than ten (10) business days, excluding legal holidays, prior to the date of the hearing. In determining whether the employee has had ten (10) business days' notice of the hearing, the following shall be deemed to be legal holidays: New Year's Day, Martin Luther King Day, Lincoln's Birthday, President's Day, Memorial Day, Independence Day, Labor Day, Columbus Day, Election Day, Veterans Day, Thanksgiving Day, and Christmas Day, and in the event any of these days falls upon a Sunday, the following Monday.

b. Except as otherwise provided, or unless otherwise modified, the procedure and conduct of such hearings and all incidental proceedings shall be determined by the Impartial Hearing Officer, but in any event:

(1) hearings shall be conducted informally;

(2) the employee may appear in person or by an authorized representative; and the employee and his/her representative may produce, examine or cross-examine witnesses, submit other evidence, make oral arguments and submit memoranda or other written statements;

(3) a stenographic record shall be kept in all major disciplinary proceedings and a copy shall be provided to the Union at no cost. All records of a major discipline shall be available for inspection by the employee on his/her own time during ordinary business hours of the Port Authority for twelve (12) months after the last day of the hearing;

(4) except as provided in Paragraphs B. and E. 4., no evidence of prior misdeeds or offenses other than those charged shall be received or inquired into.

c. The Impartial Hearing Officer may call and examine such witnesses as he/she deems necessary or appropriate.

d. In general, the order of procedure at the hearing shall be as follows, but the Impartial Hearing Officer may vary the order of procedure in his/her discretion:

First. The alleged offense or violation and/or an opening statement shall be presented by the Port Authority. The employee or his/her representative shall be requested to state summarily the employee's position with respect thereto.

Second: The testimony and other evidence in support of the charges shall be received. Each witness in support of the charges shall be subject first to direct examination by the Impartial Hearing Officer (and if the charges are preferred by a member of the Port Authority staff, by such member or his/her representative) and then to cross-examination by the employee or his/her representative, and thereafter to such re-direct or re-cross examination as may be necessary.

Third: The testimony and other evidence for the employee shall then be received. Each witness for the employee shall be subject first to direct examination by the employee or his/her representative, and then to a cross-examination by the Impartial Hearing Officer (and if the charges are preferred by a member of the Port Authority staff, by such member or his/her representative), and thereafter to such further re-direct or re-cross examination as may be necessary.

Fourth: The testimony and evidence in the nature of rebuttal and surrebuttal shall then be received in that order.

Fifth: In cases where charges are preferred by a member of the Port Authority staff, such member or his/her representative shall be permitted to make a statement summarizing the testimony and evidence and making recommendations with regard to disciplinary action.

Sixth: The employee or his/her representative shall be permitted to make a statement summarizing the evidence, and to present any pertinent oral arguments.

Seventh: In lieu of or in addition to oral statements and arguments, the Impartial Hearing Officer may receive written memoranda or briefs in support of the charges or in favor of the employee.

4. Findings

- a. Within thirty (30) days following the conclusion of a hearing the Impartial Hearing Officer shall make the findings. The findings shall be in writing and shall refer to each separate charge and shall state whether each charge is "sustained" or "not sustained." The Impartial Hearing Officer, if he/she desires, may accompany the findings with opinions in writing explaining the reasons for the findings.
- b. The Impartial Hearing Officer shall make a determination for disciplinary action if he/she finds the charges sustained and, in so

doing, may receive and consider the employee's Performance Rating Reports and any records of prior disciplinary proceedings.

- c. The decision and award of the Impartial Hearing Officer shall be final and binding upon the Port Authority, the Union and the employee.

5. Fees and Expenses

All fees and expenses of the Impartial Hearing Officer shall be divided equally between the parties, except that the Impartial Hearing Officer shall have the discretion, in appropriate cases, to direct that fees and expenses of the Impartial Hearing Officer, or a percentage in excess of 50%, shall be paid by the Port Authority should the Impartial Hearing Officer fail to sustain the discipline requested or imposed. Each party shall bear the cost of preparing and presenting its own case.

6. Scheduling of Hearings

All disciplinary hearings and meetings shall be scheduled between the hours of 7:00 a.m. and 7:00 p.m. Employees participating in a minor discipline hearing whose tour of duty is outside those hours may, with ten (10) days' notice to the employee, have their tour of duty changed without payment of schedule change premium. Under no circumstances will a disciplinary hearing or meeting be held on an employee's regular day off or on a vacation day. All necessary witnesses will be excused from duty, with overtime when appropriate, and with all applicable benefits for the purpose of attending disciplinary hearings. In major discipline cases only, the employee and all necessary witnesses will be excused for the tour. All participants in a major discipline case must provide their own transportation to the hearing.

7. Discovery

- a. No later than five (5) business days prior to the hearing the Port Authority will provide the Union with any and all written memos, statements and other documentation, evidence, names of witnesses to the event or events and all other material which is in the possession of the Port Authority which relates to the events in question and the charges. The current practice pursuant to which the Union and/or the employee is permitted access to log books and other records in order to prepare his/her defense shall continue.
- b. Failure to provide exculpatory material and/or failure to comply with a material provision of this negotiated agreement shall cause the charge to be dismissed with prejudice. Other failures on the part of the Port Authority to comply with this negotiated agreement shall be considered

by the Impartial Arbitrator who shall have authority to use his/her discretion to determine what remedy, if any, shall be granted to the employee.

8. Adjournments

The employee shall be entitled to one 10-day adjournment of the hearing. He/she shall also be entitled to one other adjournment of the hearing, if the proof offered at the hearing is at variance, in any material respect, with the Notice. The Impartial Hearing Officer may use his/her discretion to grant any other adjournments.

F. Temporary Suspensions Without Pay

1. Any employee may be temporarily suspended without pay pending the completion of disciplinary proceedings; and such temporary suspension shall not be deemed to constitute disciplinary action unless the charges are thereafter sustained.
2. If the charges are sustained, and if as a result one or another of the following types of disciplinary action is taken, such disciplinary action shall be effective as of the day upon which the employee was suspended: dismissal; demotion; transfer; compulsory leave of absence without pay.
3. If the charges are not sustained, the employee shall be restored to duty upon the completion of the disciplinary proceedings, and shall then receive his/her full pay for the period during which he/she was temporarily suspended.
4. No employee shall be suspended without pay unless the Port Authority meets upon request of the Union with the Union and/or the employee within three working days following service of the notice upon the employee and the Union.
5. Nothing contained in the Disciplinary Proceedings Section shall be deemed to prevent suspending employees with pay, pending the completion of disciplinary proceedings or for other administrative purposes.

G. Waiver of Rights, Resignations Pending Disciplinary Proceedings

1. An employee may waive his/her right to a hearing, and may do so either before or after the hearing has commenced. All such waivers must be in writing. No employee shall be requested to sign a waiver unless the President of the Union or his/her designee is present.

2. The failure to appear at a hearing after notice shall constitute a waiver of such hearing unless the Impartial Hearing Officer finds such failure excusable.
3. An employee may resign at any time, and in that event any disciplinary proceedings against the employee shall terminate, but unless the charges are dropped or withdrawn, the charges shall be filed with the employee's record and entry made "Resigned under charges pending disciplinary hearing."

H. Docket Entries

The Director of Human Resources shall enter in a special docket the name of the employee against whom the action is sought, the name of the complainant, the name of the person who endorsed the charges and any other data with respect to the proceedings, as, for example, the date upon which the charges were served upon the employee, the date set for hearing and adjournments, whether the right to file briefs was requested and the date fixed for such filing, the findings of the Impartial Hearing Officer, etc. Each case shall be numbered consecutively.

I. Union Time Off

The President of the Union shall have the right to designate one Union representative to have full time off with pay and benefits for the purpose of representation of members served with the Notice as set forth in § IV G.2.

XVI. Medical Hearings

A. This provision applies only to permanent classified employees (see PAI 20-1.01 "Categories of Port Authority Employment", dated July 10, 1970.)

B. No permanent classified employee shall be removed from his/her position because of mental or physical disability without a hearing as described below, unless such hearing is waived.

C. In all cases where an employee is to be removed from his/her position for reasons of mental or physical disability, the Assistant General Counsel, Employment Relations Unit of the Law Department notifies the employee in writing of the intention to do so and informs the employee of his/her right to a hearing. Such notice is delivered to the employee or mailed to his/her last known address as appearing in the Human Resources Department's records.

D. If either the employee or the Union fails to request a hearing within fourteen (14) days after the delivery of such notice, such hearing is considered waived.

E. If the employee or the Union requests a hearing, the hearing shall be before an Impartial Arbitrator selected from the panel as agreed to by both parties.

F. Removal Procedure

1. Dismissal, demotion, application for involuntary retirement and other actions which substantially change the employee's duties and responsibilities are understood to be included within the meaning of the language, "removal of an employee from his/her position."
2. The initiative in each case is to be taken by the department head in the form of a memorandum addressed to the Assistant General Counsel, Employment Relations Unit of the Law Department, recommending the particular action to be taken.
3. The Assistant General Counsel, Employment Relations Unit of the Law Department notifies the initiating department head whether the recommendation is approved or disapproved.
4. If the recommendation is approved, the Assistant General Counsel, Employment Relations Unit of the Law Department sends out the letter of notification to the employee. It is the responsibility of the Assistant General Counsel, Employment Relations Unit of the Law Department to follow up the notification. At the end of the fourteen (14) day period provided, the Assistant General Counsel, Employment Relations Unit of the Law Department notifies the initiating department if there is no response from the employee and therefore the right to a hearing has been waived. If there is an earlier response from the employee requesting a hearing, the Assistant General Counsel, Employment Relations Unit of the Law Department notifies the initiating department so that an Impartial Arbitrator may be selected and a hearing scheduled.
5. It is the additional responsibility of the Law Department to provide such services to the Impartial Arbitrator as may be required.

G. Hearing Procedure

1. The Impartial Arbitrator investigates and determines whether the employee is mentally or physically incapable of performing his/her duties. The findings and recommendations of the Impartial Arbitrator shall be final and binding upon the Union, the employee and the Port Authority.
2. The Impartial Arbitrator shall afford the employee an opportunity to appear before him/her in person, or by representative, to make a statement and to produce medical testimony, medical certificates and other pertinent data. The failure of an employee to appear in person or by representative before

the Impartial Arbitrator is considered a waiver of his/her right so to do, and if the employee is unable to attend, due to mental or physical disability, that fact may be taken into consideration by the Impartial Arbitrator in arriving at his/her conclusion.

3. The Impartial Arbitrator is not confined to evidence and testimony presented at hearings at which the employee is present, but may base his/her findings and recommendations upon investigations made or data received outside of such hearings.
4. The fee of the Impartial Arbitrator shall be paid by the Port Authority. Each party however shall bear the cost of preparing and presenting its own case.

XVII. Vacations

A. The vacation policies, procedures and allowances as set forth in PAI 20-3.01 ("Vacations"), dated October 17, 1974, incorporating Change Notice No. 119 and annexed hereto as Exhibit "F", shall apply to employees in the covered membership.

B. Facility vacation schedules shall encompass all weeks of the calendar year except that for those weeks in which peak staffing is required by the facility manager, a minimum of one employee in each classification may, in any such week, elect to take his/her vacation.

C. Vacation forfeiture shall be effected only pursuant to the Disciplinary Procedure set forth in Section XV.

D. Upon the execution of this Memorandum of Agreement employees in the covered membership may exchange vacation as set forth below. If an employee meets either of the criteria set forth in Paragraph 1. or 2., below; they may elect to receive either a bi-weekly or lump sum cash payment.

1. Employees, who have perfect attendance during the period December 1st through November 30th, may elect to exchange up to one year's allowance (beyond 10 days) of their following year's vacation allowance for a bi-weekly or lump sum cash payment.
2. Employees who have 3 or less days of sick or IOD absence during the period December 1st through November 30th may exchange up to 5 days of their following year's vacation for a bi-weekly or lump sum cash payment.

XVIII. Sick Leave Allowance Plan

A. All employees in the covered membership hired on or after the execution of the Memorandum of Agreement shall earn a maximum of ten (10) sick days per year.

Employees hired prior to execution of the Memorandum of Agreement shall continue to earn a maximum of twelve (12) sick days per year. All employees will earn one day per month during the year in accordance with the existing policy until their annual maximum allowance of sick days is reached.

B. The Director, Labor Relations may extend sick leave benefits beyond the limits stated above but only after all the employee's sick leave benefits have been exhausted. In evaluating whether to extend such benefits, the Director, Labor Relations shall consider the entire record of the employee including his/her performance and attendance.

C. An employee who fails to report to work on work days immediately adjacent to or on Port Authority holidays must provide his/her supervisor with a Doctor's note immediately upon his/her return to work in order to be compensated for such absence.

D. Representatives of the Port Authority and the Union shall cooperate to control any abuses of the foregoing plan.

E. The Sick Leave Incentive Plan set forth in Exhibit "G" annexed hereto shall apply to employees in the covered membership.

XIX. Injury on Duty - Definition and Procedure

A. To be classified as an "injury on duty" the injury must occur while the employee was:

1. on duty; or
2. on a meal or relief period during a tour of duty while on the facility premises; or
3. en route to or from his/her work station while on the facility premises, including proceeding directly to or from a designated parking area assigned to that facility, or engaged in preliminary or postliminary work activities on the facility premises normally associated with the employee's duties and responsibilities up to twenty (20) minutes before or after a tour of duty.

B. No injury shall be classified as an "injury on duty" if it resulted from:

1. conduct which the employee knew or should have known created a risk of injury including the use of prescription drugs; or
2. impairment due to the use of alcohol or an illegal drug; or

3. the employee's failure to follow safety instructions and/or failure to wear required safety equipment provided to the employee.

C. If an employee is injured under any of the circumstances set forth in Paragraph A. above, he/she must report the injury to his/her supervisor immediately. The employee must complete and submit a PA Form 360 within twenty-four (24) hours after the injury occurs. If an employee is unable to complete the PA Form 360 due to the severity of the injury, or for other good and sufficient cause the supervisor must complete the PA Form 360 within twenty-four (24) hours of the occurrence of the injury.

D. Days absent from work during the first occurrence of absence directly resulting from a classified injury on duty shall not result in a diminution of the employee's sick bank or count as a sick absence.

E. An employee who was absent due to a classified injury on duty and who is returned to full duty by management after the Office of Medical Services (OMS) has determined that the employee is medically fit to resume his/her full duties and who thereafter is absent additional time from work due to the original injury will have such additional time absent recorded as sick absence and deducted from his/her sick bank.

F. An employee who was absent due to a classified injury on duty and who is conditionally returned to full duty by management after OMS has determined that the employee is medically fit to resume his/her full duties on a conditional basis, must be re-evaluated by OMS within twelve (12) calendar days of returning to work. In the event the conditional basis is not removed by OMS at the time of the first evaluation, the employee must be re-evaluated by OMS every twelve (12) calendar days thereafter in order that a medical determination may be made whether or not the conditional basis of such return may be removed.

An employee who was absent due to a classified injury on duty and who is returned to duty with a medical restriction by management after OMS has determined that the employee is medically fit to resume his/her duties with a medical restriction, must be re-evaluated as determined by OMS in order that a medical determination may be made whether or not the medical restriction may be removed.

As long as the employee remains conditionally returned or returned to duty with a medical restriction, any time absent from work directly due to the original injury will be recorded as part of the initial absence due to the injury on duty. However, once the conditional basis of return or medical restriction has been removed, if the employee thereafter is absent additional time from work due to the original injury he/she will have such additional time absent recorded as sick absence and deducted from his/her sick bank.

The administration of conditional return and medical restriction shall be applied both reasonably and fairly. The parties recognize that the goal of all involved is to return employees to work as soon as practicable. Accordingly, a return to work on a conditional basis or medical restriction shall be utilized as needed and in an

evenhanded manner. However, those individuals who are returned to work on a conditional basis or medical restriction shall not impact upon an individual who is at a higher level and must perform the work he/she would normally perform within the job specification (and within the limitations set by OMS) while at the same time not affecting another employee in that job classification who is not on a restriction.

G. In cases of injury on duty where there is a disagreement between the Port Authority Office of Medical Services (OMS) and a Union employee's treating physician concerning whether a) the Union employee is medically fit to return to full duty, or b) is medically fit to return to duty under a medical restriction, or c) is not medically fit to return either to full duty or under a medical restriction, the OMS shall provide to the Union employee a list of at least three physicians from among whom the Union employee shall, within 48 hours of receipt of the list, notify OMS of his/her selected choice and will promptly make an appointment for the purpose of obtaining a medical opinion on this issue. If the Union employee requests an additional list of at least three physicians, then the OMS shall provide an additional list to the Union employee, provided that the Union employee makes such request in writing to the OMS within three working days of the Union employee's receipt of the first list. The opinion of that physician as to whether a) the Union employee is medically fit to return to full duty, or b) is medically fit to return to duty under a medical restriction, or c) is not medically fit to return either to full duty or under a medical restriction shall be final and binding on the Port Authority, the Union employee and the Union and not subject to the Grievance Arbitration Procedure of the Memorandum of Agreement.

XX. Long-Term Disability

Employees in the covered membership shall have the long-term disability plan in effect for managerial employees as of December 31, 1986, and as in effect for members of other bargaining units.

XXI. Indemnification

The Port Authority will defend and indemnify all employees in the covered membership against civil liability arising from activities and/or omissions within the scope of their employment. The Port Authority will not, however, defend or indemnify an employee in a criminal matter, or defend or indemnify where a judgment or award is found against the employee if it is the result of a criminal act and, in addition, will not pay any award for punitive damages found against said employee.

XXII. Step Increase

Employees in the covered membership who are on involuntary short-term military leave shall not be scheduled to work on the Saturday or Sunday immediately following their return from such duty if the duty terminates on a Friday nor shall they be scheduled to work on the Sunday immediately following their return from such duty if the duty terminates on a Saturday.

B. Military leave shall be administered subject to applicable law and, when not inconsistent with applicable law, shall be administered pursuant to PAI 20-3.10 ("Military Leave"), dated August 24, 1972 annexed as Exhibit "H", except as modified in Attachment B (Memorandum – Mary Lee Hannell to Joseph J. Seymour dated April 29, 2003).

XXIV. Excused Absence; Compassionate Leave; Personal Leave

A. Except as set forth herein, excused absences shall be governed by PAI 20-3.05 ("Excused Absences"), dated August 3, 1967, annexed hereto as Exhibit "I".

B. In addition, during the term of this Memorandum of Agreement, employees in the covered membership shall be granted up to three (3) days of compassionate leave without pay in any one calendar year to attend the funeral of a relative or for the serious illness of a member of their immediate family (spouse, child, parent, brother, sister, spouse's parent, other person living in the employee's home), when such time off is not otherwise covered by PAI 20-3.05 ("Excused Absences"), dated August 3, 1967.

C. During the term of this Memorandum of Agreement, the excused absences set forth in Section III, Paragraph A. 5, 6, 7, and 8 of PAI 20-3.05 shall be deemed stricken from the said PAI, and effective April 7, 1987, in lieu thereof, employees in the covered membership shall each receive four (4) days of paid excused absence per annum for such reasons as the employee may deem necessary. Effective June 30, 1992, employees in the covered membership will no longer receive excused time for donating blood to the Port Authority Blood Bank.

D. Employees who have perfect attendance (no sick absences, IOD, or unexcused absence) for the twelve (12) month period from December 1 to November 30 shall be eligible to convert sixteen (16) hours of compensatory time to personal leave days in the calendar year following the close of the twelve (12) month review period (December 1 – November 30). Employees who have utilized five (5) or less sick days during the review period shall be able to convert eight (8) hours of compensatory time to a personal leave day as set forth above. In the year 2004, all employees in the covered membership shall be able to convert eight (8) hours of compensatory time to a personal leave day.

E. The following pro-rata schedule of personal days shall apply during an employee's first year of employment. New employees hired after February 15 but before May 15 shall receive three personal days; those hired between May 15 and

before August 15, two personal days; and those between August 15 and before October 15, one personal day. Employees hired on or after October 15 shall not receive any personal days that year.

F. Employees requesting personal excused time should give as much notice as possible in order to avoid scheduling conflicts. Requests by employees for excused absences, as set forth in Paragraph C of this Section, shall not be unreasonably denied. Denial for such time off shall not be predicated upon the need to cover the tour on an overtime basis.

XXV. Leave of Absence

A. The leave of absence policy for employees in the covered membership shall be as set forth in PAI 20-3.06 ("Leave of Absence"), dated June 30, 1976, annexed hereto as Exhibit "J".

Work schedules for weekends immediately preceding or following jury duty shall not be adjusted.

XXVII. Compensatory Time

A. Employees in the covered membership may continue to bank up to ninety-six (96) hours of positive compensatory time. Effective September 20, 1987, overtime hours to be banked will be limited to Fair Labor Standards Act (FLSA) overtime. (FLSA overtime hours are hours actually worked in excess of 40 in a seven consecutive day period in accordance with the FLSA.)

B. During the term of this Memorandum of Agreement, each employee shall be afforded the option of designating up to 96 hours in a compensatory time bank in lieu of receiving overtime pay. Each employee exercising this option may during every other pay period, designate or redesignate a maximum number of hours (not to exceed 96 such hours) to be included in his/her compensatory time bank. Compensatory time not applied to reduce negative compensatory time balances shall accrue at the rate of one and one-half (1-1/2) hours for each one hour of overtime worked. No compensatory time shall accrue after the designated maximum hourly limitation is reached, and any subsequent overtime shall be paid in cash. If by reason of a redesignation of maximum hours to be banked, the number of hours in an employee's compensatory time bank exceeds the new hourly maximum; the employee shall receive payment in cash at

straight time rates for all hours in excess of the new maximum. Accumulated compensatory time may be taken off in accordance with established policies.

C. Employees who have perfect attendance (no sick absences, IOD, or unexcused absence) for the twelve (12) month period from December 1 to November 30 shall be able to convert sixteen (16) hours of compensatory time to personal leave days in the calendar year following the close of the twelve (12) month review period (December 1 – November 30). Employees who have utilized five (5) or less sick days during the review period shall be able to convert eight (8) hours of compensatory time to a personal leave day as set forth above. In the year 2004, all employees in the covered membership shall be able to convert eight (8) hours of compensatory time to a personal leave day.

D. If approved by facility or division management, employees in the covered membership may be granted up to sixteen (16) hours of negative compensatory time. The repayment of negative compensatory time at straight time rates may be scheduled at the discretion of facility or division management for operation and scheduling reasons, such as for granting requested time off to other employees and for schedule deficiencies. The scheduling of negative compensatory time may be accomplished without regard to the equalization of the overtime roster.

E. Compensatory Time Requests:

1. Requests for comp time will be granted subject to operational emergencies (including but not limited to snow emergencies, fires, floods, transit strikes and/or unusual circumstances), major holidays which includes any heavy travel day directly associated with that holiday, and the ability to cover the position with a qualified TWU employee.
2. Requests for comp time may not be denied if the denial is predicated upon the need to cover the tour on an overtime basis. Overtime assignments as a result of comp time requests will be covered on a voluntary basis. If there are no volunteers to work overtime, the comp time request will be denied.
3. Requests for comp time must be submitted in writing to the appropriate staff designated to handle comp time requests no earlier than thirty (30) calendar days and no later than ten (10) calendar days before the date requested.
4. Requests for comp time will be processed on a first come, first served basis.
5. If there are excess qualified members working a tour, an employee may make a request for comp time on less than ten (10) calendar days' notice. Approval of comp time requests on less than ten (10) calendar days' notice is subject to management's discretion.

6. The appropriate staff will notify the employee of the status of his/her request as soon as possible, but no later than five (5) calendar days before the date requested. If the request for comp time is made on less than ten (10) calendar days' notice, the employee will be notified of the status of the request five (5) calendar days before the date requested if possible, or as soon as practicable.

XXVIII. Schedule Change Premium

In accordance with past practice, schedule change premiums shall be paid pursuant to PAI 20-3.07 ("Work Schedules - Pay Plan C (Non-Police) Employees"), dated May 23, 1972, including Change Notice No. 93, dated June 29, 1973, (Exhibit "L"), only in the event that less than fifteen (15) days' notice is given. No regular days off shall be changed within the fifteen (15) day period, including those of employees in the covered membership assigned to relief positions.

XXIX. Regular Days Off

A. At the end of any calendar year in which an employee has received fewer than 104 regular days off, the number of regular days off received by such employees shall be subtracted from 104, and with respect to any resulting day or days he/she shall receive twelve (12) hours compensatory time or payment at overtime rates to the extent he/she has not already received compensatory time or overtime pay with respect to such day or days. At the end of any calendar year in which an employee has received more than 104 regular days off, such days off in excess of 104 shall be repaid by the deduction from the compensatory time bank of eight (8) hours of compensatory time for any such excess day or days, but to the extent accumulated time in the compensatory time bank is insufficient to provide for such repayment of a day-for-day basis, repayment shall be accomplished by:

1. Reducing the vacation allowance by one day for each excess day, or
2. Scheduling of any days in excess of 104 in the employee's work schedule.

B. An employee scheduled to work on his/her regular day off who reports for work will be guaranteed eight (8) hours of work. An employee scheduled to work on a regular day off which is canceled prior to actually reporting at the facility will have the option to report and work a minimum of four (4) hours or, if he/she elects, may voluntarily remain off duty.

C. Work schedules of employees in the covered membership will be reviewed and revised where appropriate on at least a quarterly basis to minimize year-end scheduling deficiencies. In the event such a deficiency occurs as a result of improper scheduling, an employee will not be required to work more than seven consecutive days, nor will the employee be required to pay back days which cannot be made up under normal staffing practices.

OPERATING INSTRUCTION

PAY PLAN C AND D (NON-POLICE)
TRANSFER PROCEDURE

(Effective August 1, 1971)

I. Introduction

This instruction outlines the Port Authority policy and procedure related to voluntary transfer requests originated by employees in Pay Plan C and employees in grades D 1 through D 5. It does not apply to employees in Tolls, Police or Automotive classes, whose transfer requests are handled by the Tunnels and Bridges and Operations Services Departments.

II. Definitions

A. TRANSFER - The voluntary movement of an employee from a permanent authorized position in one facility or department to a permanent authorized position in the same permanent title and salary in another facility or department from a Transfer Request List. However, entry level classes can transfer to other entry level classes, provided, there are no test requirements for the requested title.

III. Policy

- A. Permanent Pay Plan C field employees, except police, may request a transfer to a different facility if they have satisfactorily completed six months (three months for TWU classes) in their present permanent assignment. Permanent employees in a probationary status must successfully complete their twelve-month probation before they may request a transfer.
- B. Employees transferred to another organization unit serve a three-month probation period. Failure to perform satisfactorily during this probation may result in return to his former permanent assignment or to a comparable one.
- C. Temporary and project employees may not apply for transfer.
- D. Transfer requests are honored only to permanent authorized positions in a facility and not to a particular unit within a facility.

CN 92
6/29/73

- E. No more than two transfer requests can be outstanding at one time for employees in TWU classes, and three transfer requests for employees in BTU classes.
- F. Employees selected to transfer to one of the facilities requested, must complete six months (three months for TWU classes) at the new assignment before submitting another facility transfer request. CN 92
6/29/73
- G. If an employee refuses a transfer his name is removed from that list.
- H. Transfer requests expire three years from the date of receipt by the Operating Personnel Division. Employees who want to be considered for transfer for a specific facility after three years must submit a renewal transfer request 30 days prior to the expiration of the three years in order to retain the earlier rank in the transfer list for that facility.

IV. Procedure for Processing Transfer Requests

Exhibit A outlines the operating rules and procedures governing the handling of transfer requests.

EXHIBIT E

**OPERATING INSTRUCTION
WORK IN HIGHER CLASSES COMPENSATION
T.W.U. CLASSES ONLY**

I. Introduction

This instruction outlines the policy on compensation paid for work performed in a job of higher classification than the one an employee permanently holds. It applies only to Port Authority employees who are in positions in one of the classes represented by the Transport Worker's Union and substitute in a job of a higher classification also represented by the T.W.U. (see list attached). It also describes the use of the Employee Record of Days Worked Out of Class, form PA 3023, Overtime and Exception Record, form PA 616 and Special Payment Request, form PA 1992.

II. Policy

- A. Port Authority policy is to schedule work so that each employee works within his normal job specifications. Whenever possible, managers and supervisors should anticipate avoidable out-of-class assignments and take constructive steps, such as efficient rescheduling of activities, to eliminate the need for employees working out of class.
- B. When out-of-class work is essential and properly authorized, Pay Plan C employees are compensated for work performed out of their class subject to the provisions of this OPI.

III. Eligibility

- A. Permanent Pay Plan C personnel who hold positions in one of the classes represented by the T.W.U. are compensated for work performed in a job or jobs of higher classification than their permanently appointed position if they work in a higher class for 45 days or more in one calendar year (January 1 to December 31). The 45 days need not be consecutive.
- B. In the event a substitution is necessary, and unless the unit supervisor otherwise determines, the senior qualified employee will be offered the substitution. The selection will be made from those employees working at the facility on the tour that is required to be covered. In the event the senior employee is not offered the substitution, his unit supervisor will inform him of the reasons thereof.

CN 91
6/29/73

In the event a more senior person is unavailable because of vacation or regular day off, he would, subject to the above rule, be offered the assignment upon his return. In the event the wrong employee is selected, the employee who should

have been selected will be credited with up to a maximum of five (5) days if he was available and working on the days he could have substituted.

- C. Work performed in a higher class for less than a full tour is not considered a day's work in that class and does not count toward the 45 day minimum required for higher rate compensation.

IV. Required Forms

- A. Employees who hold positions in one of the classes represented by the TWU are required to keep their own accurate record of days worked in higher classes than their permanently appointed positions. An Employee Record of Days Worked Out of Class, form PA 3023, is provided for this purpose. Exhibit A is a specimen of form PA 3023.
- B. The employee's supervisor, or the designated timekeeper, using the Daily Assignment and Time Sheets, form PA 2612 or the appropriate timekeeping document as his source of information, maintains a record of all work assignments in higher classes for TWU class employees. This record is to be kept on the Overtime and Exception Time Record, form PA 616 A or F or the appropriate timekeeping document. When an employee is assigned to work in a higher class, the code 'W' is entered in the box(es) corresponding to the day(s) of such assignment. In those units where numerous entries are made on the form PA 616, an additional form PA 616 is kept to record the dates in which the employee worked out-of-class.

V. Procedure

- A. At the end of the substitution period, the supervisor signs the Employee Record of Days Worked Out of Class, form PA 3023 and returns the form to the employee.
- B. Between December 31 and January 15, an employee who worked in higher class(es) for 45 days or more during the past fiscal year submits form PA 3023, Employee Record of Days Worked Out of Class, to his immediate supervisor.
- C. The supervisor compares the employee's form PA 3023 with the form PA 616 A or F or the appropriate timekeeping document. If the two records agree, the supervisor signs the Employee Record of Days Worked Out of Class, form PA 3023, and computes the differential payment due the employee (see paragraph VI below). If the two records do not agree, the work schedule for the day(s) in question is consulted to resolve the difference.
- D. The form PA 3023 becomes part of the facility or unit records and is kept for seven years.

- E. The supervisor (or the designated timekeeper) then prepares a Special Payment Request, form PA 1992 in accordance with the instruction thereon, to notify the Payroll Section to pay the earned class differential to each employee listed. Transaction Code 001 and Special Pay Code 14, Class Differential, should be checked at the top of the form PA 1992.
- F. The Special Payment Request, form PA 1992 is approved for payment by the division or facility manager.
- G. The Special Payment Request is sent to the Payroll Section of the Accounting Division not later than the end of the month of January. Payment is included in one of the regular paychecks of eligible employees not later than the end of February.

VI. Calculation of Compensation for Work Performed at a Higher Class

- A. The pay rates used in B and C below are obtained from the Personnel Classification and Compensation Plan in effect as of December 31 of the year in which the work out of class(es) was performed.
- B. Employees who are entitled to receive additional compensation for work performed at higher class(es) are paid at the pay rate of the higher class(es) in effect at the end of the fiscal year. The employee is paid at the same in-grade step of the higher class(es) as the step the employee holds in his permanent grade at the end of the year.

Example 1: A Toll Collector (range 70) who is in Step 4, substitutes as a Supervising Toll Collector (range 71). As of December 31, the Toll Collector is still in Step 4. The Class Differential paid is the difference between range 70, step 4 and range 71, step 4.

Example 2: A Toll Collector (range 70) who is in Step 4, substitutes as a Supervising Toll Collector (range 71). As of December 31, the Toll Collector has reached Step 5. The Class Differential paid is the difference between range 70, Step 5 and range 71, step 5.

- C. When an employee's employment terminates and he has accumulated 45 days or more working in higher class(es), he is compensated for such days at the pay rate of the higher class(es) in effect when he leaves. The amount of payment is calculated as described in VI, B above except that the last day worked is used instead of December 31. The terminating employee must submit his Record of Days Worked Out of Class at least two weeks before leaving to allow enough time to process the necessary papers and include the class differential in his final paycheck.

VACATIONS

EXHIBIT F

I. Introduction

This instruction outlines the policies and operating procedures on vacations for Port Authority employees.

II. Policies

A. Vacations for Port Authority employees are based on the assumption that they contribute to the good health and well-being of the staff and are, therefore, mutually beneficial to the employee and the organization.

B. Permanent, probationary, and project employees of the Port Authority receive vacations depending on length of service, job classification, and certain other factors defined in the following attachments to this instruction:

1. Attachment 1. Operating Rules - Vacations

2. Vacation Allowance Schedule A. Managerial, Professional, and Technical Staff in Pay Plans B, E, F (non-police), D (all levels), and Pay Plan C Administrative/Office Classes not Covered by Memorandum of Agreement

3. Vacation Allowance Schedule B. Non-Police Employees Covered by Memoranda of Agreement with Employee Organizations. CN 119
6/16/75

4. Vacation Allowance Schedule C. All members of the Police Force. CN 119
6/16/75

5. Vacation Allowance Schedule D. Managerial, Professional, and Technical Staff in Pay Plan B Levels 4-7 With Less Than 5 Years Service and Levels 8 and Above With Less Than Ten Years Service.

C. Holders of the awards shown below, with the exception of the Meritorious Police Duty Medal, will receive the extra vacation allowances indicated beginning in the year in which the medal is awarded. Upon termination, medal holders will receive full value for these vacation days for the year in which the separation occurs unless they are discharged for cause or resign under charges.

All Employees Awarded:

Receive Extra Days of
Vacation as follows:

The Medal of Honor	3
The Howard S. Cullman Distinguished Service Medal	3
The Distinguished Service Medal	2
The Commendation Medal/Police Commendation Medal	1
The Meritorious Police Duty Medal	1*

*Holders of this award receive one extra day vacation during the twelve-month period following the award ceremony.

- D. The Personnel Director may, with the approval of the Executive Director, modify vacation policies to fit the requirements of unusual situations.
- E. In the event that changes are made in vacation allowances or operating rules for employees covered by memoranda of agreement with employee organizations, the provisions of the new memorandum of agreement supersede those of this instruction.

OPERATING RULES - VACATIONS

- I. Vacation Scheduling for Pay Plan C (Including Pay Plan D, Levels 1-5) Staff
 - A. Each facility will publish an annual vacation schedule, stating the periods when operating conditions will permit vacations to be taken and the number of employees in each class of each work group who will be permitted to pick vacations during those periods. Where operating conditions permit, provision should be made for scheduling vacations throughout the year. Employees picking vacations will do so in minimum periods of one week and maximum periods of two weeks in order of their Port Authority seniority.

Employees in T. W.U. classes are permitted to take vacations in all weeks of a calendar year. When peak staffing is required by the facility manager, a minimum of one employee in each classification may, in any such week, elect to take his vacation.
 - B. Employees entitled to three or four weeks vacation, wishing to take it all in a single period, will do so in Port Authority seniority order within each classification in a work group during the second series of picks. Employees with five weeks vacation, wishing to take it all in a single period, will do so in a third series of picks.
 - C. When approved by management, employees will be permitted to take single vacation days. Such days will be deducted from the least desirable pick which is understood to be the last pick made by each employee.
 - D. Vacation scheduling for Police will be handled in accordance with instructions issued by the Superintendent of Police.
- II. Rules for Charging Vacation Time
 - A. Vacation days taken in any year shall be charged first, against any accrued normal vacation carried over from the prior year, and second, against the current year's normal vacation allowance. The only exception to this sequence is for the Special Vacation days (see Paragraph V, below), which may be taken at any time, subject to the controls, if any, of the employee's department.
 - B. When a paid holiday occurs during an employee's vacation period, it will not be counted as a day of vacation (see PAI 20-3.02).

- C. When management excused time (unscheduled holidays, National days of mourning, weather, etc.) is granted during an employee's vacation period, it will be counted as vacation time.

III. Vacation in Connection with Sick Leave

- A. If an employee falls ill after starting his scheduled vacation, the period of his illness during this vacation cannot be charged as a sick absence. However, if an employee is hospitalized for one night or more while on vacation, only the days of hospitalization should be charged as sick absence time. Should questions arise regarding application of this policy, the Personnel Department should be consulted.
- B. If an employee's sick absence starts before a scheduled vacation, the time absent due to illness should be charged as sick absence provided the employee returns to work at the end of his illness before starting his vacation.
- C. An employee who is absent for an extended period because of illness or injury, whether work connected or not, and who received paid sick leave for a part or all of the period of absence, may be required to forfeit a portion or all of his normal vacation allowance. Department heads will recommend to the Personnel Director for his approval, the appropriate action to be taken in such cases.

IV. Vacation Carryover

- A. Vacation must be taken in the year in which it is earned, unless special permission for carryover of vacation allowance from the year earned to the following year is granted by the Personnel Director. Such permission must be obtained prior to the end of the year in which the vacation is earned. No employee may carry over to a succeeding year more than one full year's vacation allowance. Department heads may authorize carryover of vacations of five days or less. The only exception to this rule is for Special Vacation allowance and is described in Paragraph V, C and D, below.
- B. In determining the amount of vacation which may be carried over to a succeeding year, a continuous period of vacation begun before the end of one calendar year which extends into the succeeding calendar year shall be considered to have been taken in its entirety during the calendar year in which it was begun.

- V. Special Vacation Allowance for Certain Professional, Managerial and Executive Staff
- A. Under previously authorized compensation adjustments, Professional Managerial, and Executive staff in salary levels 6 through 13 could choose special vacation days as additional compensation.
 - B. These special vacation days, if opted for, are credited to the employee's annual vacation allowance on a calendar year basis beginning on January 1 each year. At that time, the employee will be required to reduce his or her annual allotment of special vacation days by converting a portion of them into a dollar amount necessary to cover his or her Social Security obligations for the ensuing year. If the employee leaves the Port Authority before the end of the 12-month cycle, payment for these special vacation days will be prorated based on the number of months which have elapsed since the beginning of the current year.
 - C. Special vacation allowances should be taken as time off, if possible. The maximum accumulation of special vacation days at the end of any calendar year is thirty days. In the event it is impossible to reduce an employee's special vacation days to below thirty at the end of any calendar year, a special payment will be made in December of that year for any such days in excess of thirty. Departments will prepare Special Payment Requests (form PA 1992) to pay employees for such accumulated special vacation days in excess of thirty days at the rate of pay then currently earned by the affected employee.
 - D. Those special vacation days which are not (1) taken as paid time off, (2) paid for annually, (3) converted to FICA payments, or (4) diminished by other means will be paid for only on separation from the Port Authority on the basis of the employee's salary rate in effect at that time.
 - E. These special vacation days should be recorded separately from the standard vacation day tally on the appropriate documents.
- VI. Length of Service in Connection with Vacation
- Length of service is determined as follows in computing vacation allowance:
- A. All periods of authorized absence with pay are included.
 - B. All time on military leave and sick leave, with or without pay, is included.
 - C. Time on leave of absence without pay in excess of one month is not included.

- D. If an individual is separated because of reduction in force and is re-employed within one year of the date of separation, his service prior to separation is included.
- E. If an individual is re-employed after dismissal or resignation, or after a separation of more than one year due to reduction in force, his service prior to such dismissal, resignation, or separation is not included, unless specifically approved by the Personnel Director.
- F. Service as a full-time temporary employee is included, provided there is no interruption in employment exceeding five calendar days at the time his status is changed to project or permanent employee.

VII. Vacation Allowance at Separation or Leave of Absence

- A.
 - 1. An employee who is separating from Port Authority employment in any circumstances other than those specified in Paragraphs B and C below, or beginning a Leave of Absence, is entitled to Vacation Allowance as shown on the appropriate Vacation Schedule attached, plus any unused vacation carried forward from a previous year.
 - 2. Vacation allowance at separation or Leave of Absence (Ordinary, Maternity, Long Term Military) will be reduced by any vacation days (and, for Police, days off in lieu of Holidays) already taken in the calendar year in which the separation or leave occurs.
 - 3. If the employee has already taken vacation days in excess of his allowance, their value is subtracted from his last paycheck before the separation or leave. However, for non-Police employees only, if at the time of the separation or leave, vacation has been taken in excess of vacation due in accordance with a published facility or unit vacation schedule no adjustments in the final salary check will be made, provided that the employee did not initiate a change in his assigned vacation via a mutual swap or special request.
 - 4. An employee beginning a Leave of Absence may be required to take the unused portion of his vacation before the leave begins.
 - 5. An employee returning from a Leave of Absence in a calendar year other than that in which the leave began will be entitled to a vacation allowance, for that year only, as shown on the appropriate Vacation Schedule attached.

- B. Regardless of his termination date, an employee in good standing who has at least nine month's service and who is separated for such reasons as reduction in force, death, or retirement will be granted his full vacation allowance for the calendar year in which his services terminate. Non-Police employees must have been present at work for at least one day during the calendar year for this provision to apply.
- C. An employee in good standing who is separated for any reason before the completion of nine month's service, and all employees who are discharged for cause, or resign under charges, are not eligible for vacation allowances on separation. Adjustments in the final salary check will be made in such cases for any vacation taken in the calendar year.
- D. A member of the Police Force absent without pay for more than thirty consecutive days during a year, with the exception of absence while on military leave, shall have his succeeding vacation allowance reduced by 1/12 for each 30 consecutive days of such absence.

MILITARY LEAVE

EXHIBIT H

I. Introduction

This Instruction outlines the policy and procedure for granting Short-Term and Extended Military Leave to Port Authority employees.

II. Policy

- A. Only permanent employees including those in a probationary status, are granted short term and extended military leave. Project employees are granted short term military leave only.
- B. This Instruction should be interpreted in order to assure that in each case the reemployment protection provided to Port Authority employees is no less than the protection provided to private and federal employees under the Universal Military Training and Service Act. Within this general limitation, the Director, Human Resources Department, may modify applications of the provisions of this Instruction in special cases where this will serve the best interests of the employee and the Port Authority. Where an employee has been recalled to active duty as a disciplinary measure (for example, because of failure to attend drills) the Director, Human Resources Department, may reduce or eliminate benefits provided under this Instruction.
- C. Permanent employees, including those in a probationary status, on military leave are considered continuously employed and retain their original date of employment for all purposes.

III. Extended Active Duty – Salary and Benefits

- A. Permanent employees, including those in a probationary status, who are granted military leave for extended active duty receive a military leave payment as described in Attachment A to this Instruction.
- B. Permanent employees, including those in a probationary status, who have served two years or more in full-time active military service and who are recalled to extended full-time active military service without their consent, receive partial salary continuation during such additional involuntary service up to one year, as described in Attachment A to this Instruction.

IV. Short-Term Active Duty – Salary and Benefits

In general, it is the policy of the Port Authority to protect from loss of income any employee who is granted military leave for short-term active duty. Accordingly, partial salary continuation is paid to employees on short-term active duty as described in Paragraph IV, A of Attachment A to this Instruction.

V. Procedure

Attachment A outlines the operating rules and procedures to be followed in the administration of the military leave policy.

MILITARY LEAVE OPERATING RULES AND PROCEDURES

I. Definitions

- A. "Military Leave" is any authorized absence of an employee so that he may undertake active military duty with the Armed Forces of the United States, the National Guard, or the Naval Militia.
- B. "Extended Active Duty" is any period of full-time active military service or training in excess of 30 consecutive calendar days.
- C. "Short-Term Active Duty" is any period of full-time active military service or training of 30 calendar days or less in any calendar year.
- D. An "examination" consists of a written, oral, or performance test, or of one or more such tests. "Make-up examinations" are those given to employees prevented by military leave from participating in all or part of the original test.

II. Request for Leave

Any employee who wishes to receive military leave notifies his supervisor as soon as possible of that fact and of the expected dates on which the active duty is to start and to end.

The employee sends a copy of his official orders to active duty to his unit head. The orders are then forwarded to the Personnel Department with a completed Employee Record, form PA 87, authorizing the leave of absence. If the employee wishes to use all or part of his accrued compensatory time or vacation time for military leave, this should also be noted in "Remarks." This time may be applied in whole working days but not in hours. If the entire period is taken as compensatory time or vacation time, no Payroll Notice is needed. Specific cases requiring further interpretation or determination are considered on an individual basis by the Personnel Department.

If the Personnel Department approves the request for leave, the form PA 87, Employee Record, is processed and the unit head notifies the employee of the approval.

III. Provisions for Extended Active Duty (Long-Term Military Leave)

A. Military Leave Payments

Any employee granted military leave for extended active duty of one year or more, receives a military leave payment of one day's pay for each full month of Port Authority Service, not exceeding 20 days' pay. The employee also receives cash payment for any accumulated vacation or compensatory time credited to him at the commencement of military leave.

B. Insurance and Retirement Programs

1. Health Insurance

Any employee who is a member of the P.A. group health insurance plans upon commencement of military leave is protected against any loss of benefits under these plans on return to P.A. employment. Group health insurance is suspended for the employee while on military leave, with all previous benefits being resumed upon reinstatement.

Dependents of such employees suffer no diminution of health insurance benefits while the employee is on military leave; however, dependents are expected to make use of appropriate Federal Government health care programs. The Port Authority pays any necessary subscription charges for group health insurance while employees are on military leave.

2. Life Insurance

When an employee commences military leave his membership in the Group Life Insurance Program terminates but his policy remains in effect for 31 calendar days. Upon return to Port Authority employment, he is reinstated to full membership in the Program.

3. Retirement Program

Any employee who is a member of the New York State Employees' Retirement System when he commences military leave for extended active duty will, upon reinstatement, receive the same retirement benefits he would have received had he not been on military leave.

C. Vacation Allowance

1. For the year in which a long term military leave begins, vacation allowance is as specified in PAI 20-3.01, Vacations, Attachment A, Paragraph II.
2. Upon reinstatement after military leave for extended active duty, an employee receives a vacation allowance as specified in PAI 20-3.01, Vacations, Attachment A, Paragraph II.

D. Promotion Opportunities

1. When the employee departs on Extended Military Leave, he is requested to furnish a list of all promotion eligible lists, rosters and transfer lists in which his name appears. Each of these are noted in the employee's folder by the Personnel Representative who indicates the length of time remaining on the ranked vertical eligible lists before the list's expiration.

2. Promotion Examinations During Military Leave

An employee on military leave may participate in any promotion test if he can be present for the test; that is, if he is on furlough or is stationed near New York.

3. Upon Return from Leave

- a. An employee on a permanent horizontal promotion roster when he left has never been deleted from the roster and therefore is still actively on the roster.
- b. An employee on a ranked vertical promotion eligible list which expires during his military leave will upon his return from military leave be placed on top of the then current promotion eligible list for the length of time he had remaining between the day he left for service and the expiration date of the original list.
- c. To the extent that it is administratively possible, he will be permitted to take make-up exams for any promotional opportunities that occurred during his absence for which he would have been qualified if he were here when the examinations were given. This is usually feasible if the examination consisted only of a written and/or individual oral examination.

- d. He is immediately eligible to participate in any promotion examination in process for which he is qualified.

E. Reinstatement After Extended Military Leave

At the time an employee returns from extended active duty he is given a medical examination by the Medical Department. An employee returning from military leave is restored to his former title or to a position of like seniority, status and pay as long as all of the following circumstances exist:

1. He has satisfactorily completed his period of military active duty or has been released from such service or training for medical reasons.
2. He makes application for reinstatement as soon as is reasonably practicable after discharge, release or rejection from military active duty or training, or after termination of service-connected hospitalization of not longer than one year.
 - a. Any employee (1) who is rejected during the induction process, or (2) who performs active duty for less than three consecutive months, must report for work at the beginning of his next regularly scheduled working day following such rejection or duty plus whatever time, if any, is reasonably necessary to return to his place of employment.
 - b. Any employee who returns from active duty under any other circumstances must apply for reinstatement within 90 calendar days after being released.
3. He is qualified to perform the duties of his former Port Authority title when making application for reinstatement. If an employee is not qualified to perform the duties of his former Port Authority title by reason of disability sustained during military service or training, or if his former position has been discontinued, he is restored to another position the duties of which he is qualified to perform. The new title should provide him seniority status and pay most nearly comparable to that which he would have if he were to occupy his former title.
4. He refrains from re-enlisting or otherwise voluntarily prolonging extended active duty when he is eligible for separation.
5. Permanent Employees in a probationary status are treated as permanent employees, except that military leave time cannot be used to complete the probationary period.

IV. Provisions for Short-Term Military Leave

A. Pay

1. Rules

An employee ordered to short-term active duty is paid the difference between his federally taxable Port Authority pay and his federally taxable military pay, providing that the employee's military pay does not exceed his Port Authority pay. Travel allowances, uniform allotments, etc., are not normally considered military income for this purpose.

No part of short-term military leave is charged to compensatory time except after the employee's right-to receive make-up pay has been exhausted. When a paid holiday occurs during an employee's military leave no additional day off is granted.

If any part of such duty is undertaken on a voluntary basis, the employee receives make-up pay for periods of absence totaling up to, but not more than 30 calendar days in any 12 consecutive months. Weekly or monthly drills are excluded in calculating the amount of short-term active duty subject to make-up pay.

2. Procedure

Any employee who is granted military leave for short-term active duty and who upon reinstatement is entitled to make-up pay must, within 45 calendar days after returning to work, furnish the Administrative and Employee Benefits Division with his military pay voucher upon which make-up pay can be calculated. If an employee has not furnished the necessary voucher within 30 calendar days after returning to work, the Administrative and Employee Benefits Division will advise the employee by registered mail that unless he does so within the prescribed 45 calendar days, all wages paid to the employee by the Port Authority for the period of the military leave in question will be deducted. In this case, when the voucher is submitted any necessary adjustment will be made in the next pay period.

B. Insurance and Retirement Programs

All employee benefit programs, including health insurance, life insurance, and retirement plan, are continued for any employee who is granted military leave for short-term active duty. Employee contributions if any, covering the period of absence are made by regular payroll deduction.

C. Vacation Allowance

Any employee who is granted military leave for short-term active duty is not thereby deprived of any part of the vacation to which he is entitled. Any employee who wishes to use his vacation to undertake short-term active duty may request that his vacation be scheduled accordingly, and every effort is made to meet this request. However, because in such instances a full vacation salary is received, provisions in this PAI relating to make-up pay (see A, above) do not apply. If an employee chooses to receive make-up pay, he may not schedule vacation days during his military leave. He may, however, take vacation immediately before or after his military leave if his unit head approves.

D. Employee's Work Schedule

An employee returning from short-term military leave of two weeks or more is given Saturday and Sunday as RDO's during the period of his leave.

V. Part-Time Periodic Drills

Employees who are members of the organized reserves or the National Guard generally have an obligation to participate in weekly or monthly drills of short duration (constituting typically either 2 to 4 hours per week or one weekend per month). Whenever possible, working hours for such employees are scheduled to eliminate or minimize the occasions when it is necessary for them to be absent from work during scheduled working hours; however, the schedule of working hours should avoid giving such employees favored treatment over the other employees in the same position classification and otherwise similarly situated. Employees should, whenever possible, avoid reserve assignments which require them to be absent during scheduled working hours.

Whenever there is a conflict between periodic military drills and scheduled Port Authority working hours it is expected that the employee involved will arrange to exchange tours of Port Authority duty on a voluntary basis with another employee in the same position classification. If, however, an employee who is required to attend

weekly or monthly drills on an involuntary basis as part of his military obligation is unable to make this arrangement, the manager of the organizational unit involved makes the necessary reassignments of tours of duty. An employee who has undertaken or extended his membership in the organized reserves or National Guard on a voluntary basis is expected to make his own arrangements for exchanging tours of duty where this is necessary to attend such drills.

VI. Recalled Employees

A. Partial Salary Continuation

1. Rules

Any employee who is recalled to active duty without his consent, receives partial salary continuation up to one year. At the end of one year, the employee is covered under the non-salary provisions which apply to long-term leave.

The Port Authority pays to such an employee a percentage as specified below, of the difference between his federally taxable Port Authority pay at the time he re-enters service and his federally taxable military pay for such period, as follows:

- a. Any employee who has more than one dependent receives 100% of such difference.
- b. Any employee who has one dependent receives 75% of such difference.
- c. Any employee who has no dependents receives 50% of such difference.

Partial salary continuation checks are mailed bi-weekly on regular pay days by the Comptroller's Department to the employee or to anyone he designates in writing.

2. Procedure

An employee who is granted military leave for extended active duty and who is entitled to partial salary continuation under the provisions of Par. VI, A. furnishes the Administrative and Employee Benefits Division promptly with acceptable information regarding military pay, number of dependents, and name and address of the dependent who is to receive partial salary continuation. Changes in military pay which occur while such employee is eligible to receive partial salary continuation must also be reported promptly to the Administrative and

Employee Benefits Division. The Administrative and Employee Benefits Division notifies the Comptroller's Department of the make-up pay, military leave payment, or partial salary continuation arrangements which must be made.

B. Insurance, Retirement, Vacation and Promotion Programs

Recalled employees are treated as short-term leave employees for the first 30 days' duty, and as employees on long-term leave thereafter.

THE PORT AUTHORITY OF NY & NJ
MEMORANDUM

Office of the Chief Administrative Officer

TO: Joseph J. Seymour, Executive
FROM: Director Mary Lee Hannell
DATE: April 29, 2003
SUBJECT: **MILITARY LEAVE POLICY ADDENDUM - TEMPORARY AND
EXTENDED FULL TIME ACTIVE DUTY - INVOLUNTARY CALL UP**

COPY TO: L. LaCapra, L. Hofrichter, E. Schorno, S. Walsh, All Chiefs and
Directors

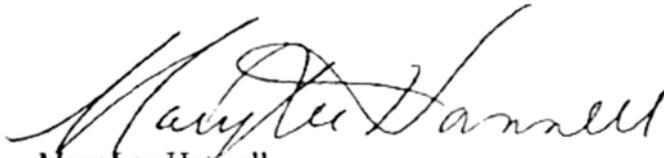

Since the beginning of the events of Operation Enduring Freedom, many employers have experienced a temporary loss of staff who have been called to active duty in the armed forces. The sudden call-up caused employers to re-evaluate their existing military leave policies with respect to compensation and benefits and many have since altered their policies to minimize the financial impact on employees and their families. As a gesture of support for employees called to active duty and to more closely align our policy with that of other metropolitan area employers, our existing policy should immediately be modified as follows.

In connection with the events of Operation Enduring Freedom:

- provide payment of salary differential for those called up, regardless of status, for the duration of the leave;
- continue health and dental benefits coverage for employees and their dependents for the duration of the leave;
- continue life insurance coverage for the employees at their current level for the duration of the leave.

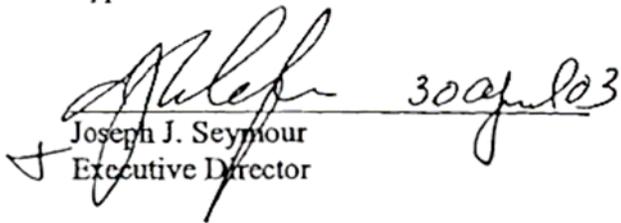

Since September 2001, several employees have been called to involuntary active duty and more are anticipated. A review of our records indicates that 44 employees have regularly taken short-term military leave. Since some employees use vacation time to satisfy their annual reserve requirement, the potential number of employees who could be called to duty may be marginally higher. However, since (1) these employees are not being permanently replaced; (2) the Port Authority will be reimbursed for the employees' military pay, and (3) the employees' medical costs will be at least partially paid for by military coverage, any additional costs associated with the recommended changes would not be material.

Attached is a comparison of our existing policy/proposed addendum and highlights of changes implemented by other metropolitan area employers.

EXCUSED ABSENCES

EXHIBIT I

I. Introduction

This instruction describes the Port Authority's policy regarding excused absences for permanent, probationary and annual employees.

II. Definition

Excused absences are any authorized absences from scheduled hours of work for which no deduction is made from the employee's compensation, and which are not attributable to vacations, holidays, sick leave, military leave, or compensatory time credited or to be earned.

III. Policy

A. All Service C Employees

Port Authority management grants time off with pay to Service C employees and identifies the absence as excused time under the following circumstances only:

1. Time necessary for involuntary participation in governmental proceedings such as jury duty, draft board examinations, Workmen's Compensation Board hearings, or appearing in court as a subpoenaed witness.
2. Time necessary for voting. Any eligible employee who desires to vote in a general election, primary election, special election or local election in the community where he resides, and who is required to work on the day of such election and whose hours of work are such that it will be difficult or impossible for him to vote, shall be granted two hours of excused time off to vote. Such time off shall be allowed only at the beginning or end of the employee's tour of duty as designated by his supervisor. However, any employee who has four or more consecutive hours before or after his working hours during which polls are open will be considered to have sufficient time to vote outside of his working hours and will not, therefore, be granted excused time.

3. Time necessary because of a death in the employee's immediate family (spouse, child, parent, brother, sister, spouse's parent, other person living in the employee's home). When more than three scheduled work days are needed, the additional time must be approved by the employee's department director. Absences in excess of five work days for any one instance require written approval by the Personnel Director, copy to the Manager, Accounting Division.
4. Time for donating to the Port Authority Blood Bank. Any employee who donates blood to the Port Authority Blood Bank during his normal work schedule is granted the rest of that working day off as excused time. Any employee who donates blood outside his normal work schedule is granted three hours of excused time, to be taken at a time mutually convenient to the employee and his supervisor.
5. One day, in connection with wedding of the employee.
6. One day, in connection with time when employee's wife gives birth.
7. One day, when employee who is head of household moves his family from one permanent residence to another.
8. Illness of spouse when pre-school or disabled child needs care, or illness of minor (pre-high school) child when employee is the only adult in the household responsible for the minor child's care (limited to a total of two paid days off per calendar year).
9. Time necessary when extreme weather or other conditions, found to be beyond the control of the employee, affects transportation to the work location resulting in a delay or absence from work, when approved by the employee's department director or deputy director. This authority may not be delegated further.
10. When early termination of normal tour is required, in order to comply with posted snow schedule assignment or to provide eight hours between termination of work and start of new work resulting from a change in schedule, excused time up to four hours is granted when authorized by the department director.
11. When early termination of work day for non-field employees is announced by the Personnel Director.

12. When overtime work in excess of five and one-half hours is performed by an employee who is called in from off-duty status, sufficient excused time is granted in order to provide a period of four consecutive hours off before the employee starts his next normal tour. For example, if the employee works from midnight until 6 A. M. and is scheduled to work the 8 A. M. to 4 P. M. tour, he receives two hours of excused time and starts his tour at 10 A. M.
13. Special individual situations as recommended by the department director and approved by the Personnel Director.

B. All Service B (including EXB) Employees

All Service B (including EXE) employees may receive excused time off with pay at the discretion of division or facility managers, when operating conditions permit. Such absences, when granted should be limited to the time off reasonably required by the situation giving rise to the absence. Absences in excess of five work days for any one instance require written approval by the Personnel Director, copy to the Manager, Accounting Division.

- C. All provisions of this instruction affecting police employees are administered by the Superintendent of Police through his staff or facility commanding officers (see PAI 10-11.05).

- D. Service C, Clerical and Office classifications will be granted 1/2 day excused time to be taken in combination with either the Good Friday half-holiday or the Christmas Eve half-holiday.

LEAVE OF ABSENCE

EXHIBIT J

I. Introduction

This instruction describes the policies and procedures governing ordinary and compassionate leaves of absence. Not covered by this PAI are other authorized periods of time away from work such as Military Leave (PAI 20-3.10), Sick Leave (PAI 20-3.03), Maternity Leave (PAI 20-3.12) and Excused Absences (PAI 20-3.05).

II. Types of Leave of Absence

A. Long Term Ordinary-Leave: An authorized period of time away from work, without pay, for more than 14 consecutive calendar days, and for up to one year, granted only when such leave is clearly desirable in light of the employee's need and the best interests of the Port Authority. Permanent employees who have completed their probationary period and have maintained a satisfactory job performance record are eligible for long term ordinary leave. Long term ordinary leave may be granted to probationary employees only in the most exceptional circumstances. Long term leaves of absence must be recommended by the employee's Department Director and approved by the Personnel Director.

Employees returning from long term leave of absence may be reinstated to their former position classification or to another classification of similar pay and status. Such reinstatement, however, is not guaranteed and is subject to job availability. Employees who do not request reinstatement prior to the expiration date of their leave will be considered as having voluntarily resigned as of that date.

B. Short Term Ordinary Leave: An authorized period of time away from work, without pay, up to and including 14 consecutive calendar days. Department Directors or their designees may, at their discretion, grant an unpaid leave of absence, not exceeding 14 consecutive calendar days, to permanent employees including those serving their probationary period.

C. Compassionate Leave: A period of time away from work, without pay, granted to employees in TWU classes only, for a total of three days (which need not be consecutive) in a calendar year, when an employee must attend the funeral of a relative or the serious illness of a member of the employee's immediate family (spouse, child, parent, brother, sister, spouse's parent, other person living in the employee's home). When such time off is not covered by PAI 20-3.05, Excused Absence, compassionate leave will be granted by a unit head on request of the

employee and is applicable to permanent employees, including those serving their probationary period.

III. Operating Rules and Procedures

Exhibit A, attached, contains the detailed operating rules and procedures relating to administration of leaves of absence.

LEAVE OF ABSENCE

OPERATING RULES AND PROCEDURES

1. Initiation of Long Term Ordinary Leave

The employee submits a written request for long term ordinary leave of absence to his or her unit supervisor. The request should be addressed to the employee's Department Director and should include the estimated period of time desired, approximate starting and ending dates, and the reason(s) why the leave is necessary. If approval is recommended, the Department Director prepares the Employee Record, Form PA 87, and a memorandum addressed to the Personnel Director explaining why the leave is in the best interests of the Port Authority and describing the employee's work performance and attendance record. In cases where the Department Director recommends disapproval, the reason for disapproval should be stated along with this recommendation.

2. Initiation of Short Term Leave of Absence

The employee submits a written request for short term leave of absence to his or her unit supervisor. The request, which should be addressed to the employee's Department Director, should include a statement as to the reason for the leave, the desired number of days and the starting and ending dates. The employee's Department Director approves or disapproves the request and returns it to the employee. A copy of the approved request must also be forwarded to the Personnel Director.

3. Request for Extension of Short and Long Term Ordinary Leave of Absence

Requests for extensions of both short and long term leaves of absence, regardless of the duration of the requested extension, must be made in writing and include the reason for the request. Such requests should be sent to the Personnel Director as early as possible prior to the expiration date of the leave. The Personnel Department then consults with the employee's Department Director concerning the request and notifies the employee whether or not the extension is granted.

4. Return from Long Term Ordinary Leave of Absence

An employee on long term ordinary leave of absence must make written application for reinstatement to the Personnel Director, prior to the expiration date of the leave. Such reinstatement, however, is not guaranteed and is subject to job availability. Employees who do not request reinstatement prior to the expiration date of their leave will be

considered as having voluntarily resigned as of that date. The Personnel Department will prepare the terminating Payroll Notice, form PA 87, and will notify the employee's former unit head accordingly.

- a. An employee returning from a long term ordinary leave of absence of 15 days or more does not receive P.A. service credit for the period of absence. These employees will receive a reconstructed P.A. service date, seniority in title date, seniority in grade date, and ingrade increase date.
- b. Upon reinstatement, the salary of employees returning from long term leave will be individually determined, but in no case will exceed the maximum of the position assumed.
- c. A medical examination may be required for any employee returning from a long term leave of absence.

5. Personnel Department and Payroll Section Notification

- a. An Employee Record, form PA 87, is prepared by the employee's department to initiate long term leaves of absence only. The memorandum requesting such leave is attached to the form PA 87, and forwarded to the Administrative and Employee Benefits Division of the Personnel Department.
- b. An Appointment Payroll Notice, form PA 1899, is prepared by the Personnel Department to return an employee from a long term leave.
- c. Short term and compassionate leaves of absence are shown on the bi-weekly Department Payroll Information Report, form PA 688, which is the Accounting Division's source of information for deduction purposes. (See PAI 30-5.03, Payroll Checks.)

6. Sick Leave in Connection with Leave of Absence

Except in unusual cases, employees beginning an ordinary leave of absence will not be paid for sick absences occurring during the pay period in which the leave of absence is to be effective.

7. Vacation Allowances

Employees beginning or returning from long term leaves of absence receive vacation allowances in accordance with the appropriate schedules of PAI 20-3.01, Vacations.

8. Health and Life Insurance Coverage

- a. An employee granted a long term leave of absence may continue coverage under the Port Authority's Group Health and Life Insurance Programs for a period of three months beyond the effective date of the leave by paying for such coverage at the contribution rates then in effect. At the end of this three month period, Group Health and Life Insurance coverage will terminate pursuant to insurance policy provisions and employees will have the option of converting to any direct payment plans available from the insurance companies on an individual basis. Such conversion must take place during the period set by the insurance policies. Necessary conversion forms may be obtained from the Administrative and Employee Benefits Division. Questions regarding individual situations should also be directed to that division.
- b. Port Authority Group Health and Life Insurance coverage remains in effect for an employee on a short term leave of absence.

MATERNITY LEAVE

EXHIBIT K

I. Introduction

This instruction outlines the policies and procedures to be followed when a maternity leave is granted to an employee.

II. Definition

Maternity leave is a requested and approved period of time away from work for the purpose of giving birth and to care for an infant in the period immediately following the birth. Maternity leave consists of two phases: the initial phase which is considered and administratively handled as sick leave, and a second phase, which is a leave without pay for the purpose of infant care.

In all cases, maternity leave begins when the employee is unable to continue working due to medical disability related to pregnancy and childbirth, and ends three months following the birth of the child. However, the duration of each phase of a maternity leave will vary based on individual circumstances.

III. Policies

- A. Permanent and probationary employees are eligible for a maternity leave of absence.
- B. Maternity leave may be granted when an employee demonstrates to the satisfaction of the Medical Director that she should discontinue working because of medical disability related to pregnancy and childbirth.
- C. During the initial (sick leave) phase of a maternity leave, for the number of days the employee is unable to work because of medical disability related to pregnancy and/or childbirth, an employee is considered to be on sick leave and her absence is treated in all respects like any other medically caused absence. For these days, she receives either sick leave allowance as specified in PAI 20-3.03, Sick Leave, or for a period not to exceed the number of compensable days remaining in her individual sick leave bank, in accordance with OPI 20-3x. 03, Sick Leave Bank Plan, whichever is applicable.
- D. The second (infant care) phase of maternity leave begins when the Medical Director considers the employee capable of resuming her normal work duties, but

she chooses to remain on maternity leave for infant care or other reasons. Regardless of when this second phase of maternity leave begins, the employee's maternity leave ends three months after the birth of her child.

The employee is on no-pay status during the second (infant care) phase of her leave, unless she has elected to take vacation time (see Attachment A., VII.).

- E. When the employee returns to work after a maternity leave, she is restored to the position she held at the time her leave began, provided that she returns to duty prior to the expiration of her maternity leave. An employee who does not request reinstatement prior to the expiration date of her maternity leave and has not been granted an ordinary leave of absence beyond her maternity leave is considered to have resigned.
- F. An employee receives Port Authority service credit for the initial (sick leave) phase of her maternity leave, including any period of time during which she is sick and on no-pay status.

IV. Benefits

All group health, dental, and life insurance benefits to which the employee may be entitled under the terms of the respective policies comprising the Port Authority's group benefits programs will continue to be provided at no additional cost to the employee, for the full duration of her maternity leave. If an employee requests and is granted an ordinary leave of absence after her maternity leave expires, benefits are handled in accordance with the provisions of PAI 20-3.06, Leave of Absence.

V. Operating Rules and Procedures

Attachment A contains detailed operating rules and procedures relating to the administration of maternity leave.

Maternity Leave
Operating Rules and Procedures

I. Initiation of Maternity Leave

- A. The pregnant employee prepares a memorandum (see Attachment B for example) to the Personnel Director requesting a maternity leave when her physician has stated an approximate date at which her medical condition will preclude continuation of her normal work duties. This request should be submitted to her supervisor no later than one month before the anticipated birth date and a copy should be sent to the Administrative and Employee Benefits Division. It should include the anticipated birth date and, if different, the date of the onset of medical disability, and the following signature lines:
1. A line for the signature of the employee's supervisor, by which the supervisor indicates awareness of the leave request.
 2. A line for the Medical Director's signature, by which the Medical Director indicates that he/she considers the date for the onset of anticipated or actual medical disability reasonable.
 3. A line for the Personnel Director's signature by which he/she approves the leave.
- The same approval process applies for any change of the anticipated date of the onset of medical disability.
- B. When the employee's supervisor has signed this memorandum, it should be returned to the employee, who attaches a note from her personal physician and forwards it to the Medical Director. The physician's note should state the anticipated birth date of the child and, if different, the date of the onset of disability and the medical reasons for it.
- C. When the Medical Director has determined that an estimated or actual date of the onset of medical disability is reasonable, he/she signs the memorandum (see A. 2., above) and forwards it to the Personnel Director, retaining the physician's note. It should be noted that, depending on the employee's particular medical circumstance, the actual onset of disability may differ from the estimated date.

- D. When the Personnel Director has approved the leave, copies of the approved memorandum are sent to the employee and her supervisor.
- E. When the employee's supervisor has received the approved memorandum, he/she should prepare the Employee Record, form PA 87 which will implement the maternity leave, leaving blank the effective date, and forward it to the Administrative and Employee Benefits Division.

II. Notification Procedures

- A. The employee's department is responsible for notifying the Medical Director when the actual sick leave phase of maternity leave begins by completing form PA 3109, Extended Sick, Hospitalization and Injury on Duty Report and forwarding it to the Medical Department.
- B. The employee is responsible for notifying the Personnel Director as soon as possible but within no more than ten days, in writing, of the child's birth date or other termination of the pregnancy. The Personnel Director then notifies the Medical Director and the employee's department.
- C. The Medical Director evaluates the employee's health status and determines when she is capable of returning to work. When the Medical Director has made this determination he/she so informs the employee, the employee's department, and the Personnel Department.

III. Time Reporting

During the initial (sick leave) phase of the employee's maternity leave, the department should complete the appropriate timekeeping document for the employee, indicating that the employee is on full, half, or no-pay status, in accordance with her sick leave allowance (PAI 20-3.03 or OPI 20-3x. 03). Form PA 3109, Extended Sick, Hospitalization and Injury on Duty Report must also be completed in accordance with normal procedures in order to inform the Medical Director that the sick leave phase has begun.

IV. Pay Check Distribution

Pay checks for an employee receiving sick pay during her maternity leave may be forwarded by the employee's department by certified mail. (See PAI 30-5.03, Paychecks).

V. Returning From Maternity Leave

- A. An employee on maternity leave should request reinstatement by writing to the Personnel Director as soon as possible after giving birth. An employee who does not request reinstatement prior to the expiration of the second phase of her maternity leave and has not been granted an extension as described in VI., below, is considered to have resigned.
- B. An employee who returns from a maternity leave is restored to the position she held at the time her maternity leave began. If appropriate, her position may be filled provisionally until she returns from her leave or until she has resigned.

Appointment Payroll Notice, form PA 1899, is prepared by the Personnel Department when an employee who has been on the infant care phase returns from her maternity leave.

VI. Request for Extension of Leave Beyond Three Months Following Childbirth

An employee who wishes to extend her leave beyond the three months following childbirth should apply in writing for an ordinary leave of absence to the Personnel Director as early as possible prior to the expiration of her maternity leave, specifying the reason for her request. The Personnel Director determines whether a request is to be granted and notifies both the employee and her unit head accordingly.

Requests by the employee to extend the leave beyond three months are considered and, if granted, administered under the terms of PAI 20-3.06 Leave of Absence.

VII. Vacation Allowance

- A. An employee may elect to take vacation in a period immediately prior to the start of her maternity leave.
- B. An employee beginning a maternity leave is entitled to payment for vacation subject to the provisions of PAI 20-3.01, Vacations, and its attached schedules, and those of any applicable Memorandum of Agreement.
- C. Vacation pay may be taken in either of two ways:

1. Lump sum advance payment

The employee may elect to receive her vacation allowance as a lump sum payment at the start of her maternity leave. If the employee elects to receive a lump sum payment, she is paid for vacation time earned up to the time she begins her maternity leave.

If any additional vacation days are earned during the initial (sick leave) phase of the leave, an employee may subsequently receive the applicable additional vacation allowance pay, subject to review by her Department Director and the Personnel Director.

2. Regular paycheck

The employee may elect to take her vacation time at the beginning of the second (infant care) phase of her leave, in which case she will continue to receive her paychecks on a regular basis for the duration of her vacation time. Electing this option does not extend the maternity leave beyond three months following the birth of the child.

- D. Except as discussed herein, the provisions of PAI 20-3.01, Vacations, concerning coordination of vacations with maternity leave, apply.

WORK SCHEDULES - PAY PLAN C (NON-POLICE) EMPLOYEES

I. Introduction

This instruction outlines Port Authority policy pertaining to working hours, scheduling work and related matters with respect to Pay Plan C (non-police) permanent, probationary and project employees.

II. Policy

A. Hours of Work

1. Non-Field Employees

The standard, scheduled work day for Pay Plan C non-field employees is 7-1/4 hours, except for certain occupations designated otherwise because of operating needs. The standard, scheduled work week is five consecutive days Monday through Friday, from 8:45 A.M. to 4:45 P.M. (exclusive of 45 minutes for lunch) totaling 36-1/4 hours. However, in certain designated occupations, office and clerical employees are required to work different schedules totaling the same number of hours, depending on their assignment. In addition, in other designated occupations, e.g., cafeteria workers, the standard hours of work per day and week may be less than the above.

2. Field Employees

The standard, scheduled work day for Pay Plan C field employees is eight hours. In special circumstances (such as in connection with snow emergencies) the standard, scheduled work day may exceed eight hours. In general, the scheduled work week covers forty hours over a period of five consecutive days; however, in multi-shift operations some schedules may require more or less than forty hours in particular weeks but they will average forty hours per week over a three month period of time. Any exception to this period of time will require the approval of the Personnel Director.

B. Meal Periods (See PAI 20-3.09)

1. Non-Field Employees

For non-field employees, unpaid lunch periods of forty five minutes each are normally provided, during which the employees are free from undertaking any Port Authority duties.

2. Field Employees

- a. For field employees, unpaid meal periods of not less than thirty minutes are provided, during which the employees are free from undertaking any Port Authority duties. Employees in field occupations who are scheduled in eight-hour rotating shifts may continue to perform duties during meal periods and such meal periods are considered as working time.
- b. In classes represented by the Building Trades Union (B.T.U.) the meal period should commence and end between the third and fifth hour of their tour.

C. Responsibility for Scheduling Work

Department directors are responsible for establishing work schedules in accordance with the provisions of this instruction. They may delegate this authority to facility managers, organization unit heads, or other appropriate supervisors within their departments.

D. Work Schedule Standards

1. Each Pay Plan C employee has a normal work schedule, establishing his regular hours of work each day and week. The normal work schedule of each employee should be established (and modified from time to time, if necessary) in a manner which assures that the objectives of the employee's unit will be achieved efficiently, economically and with proper consideration for affected staff members.
2. Whenever feasible, normal work schedules shall meet the following standards with regard to consecutive work days and days off:
 - a. No less than four nor more than seven consecutive work days.
 - b. No less than two nor more than four consecutive days off, exclusive of holidays and vacations.

3. Tours of duty are designated as "day," "afternoon," and "midnight." The day tour may start anytime between 6 A.M. and 10 A.M., the afternoon tour may start anytime between 1:30 P.M. and 5 P.M., and the midnight tour may start anytime between 10 P.M. and 1 A.M. Certain categories of employees (e.g., Sky Caps) may have schedules that start between the day and afternoon tours such as 12 Noon or 1 P.M. Those "off tour" starting times shall be indicated on the posted work schedule. No work schedule shall have a starting or ending time between 1:00 A.M. and 6:00 A.M.
4. The employee shall be scheduled to work the same tour of duty each day in a series of consecutive days of work, unless he is assigned to a relief position. An employee assigned to a relief position must have at least 8 hours off duty between tours; in order to achieve this, up to 4 hours of excused time may be granted upon approval of the department director. (Also see Attachment A.) Scheduled holiday work, weekend work and overtime work should be kept to a minimum, consistent with efficient operations.
5. Vacations and other time off should be scheduled sufficiently in advance so as to avoid changing posted normal work schedules.

E. Posted Normal Work Schedules

1. Every Pay Plan C (non-police) employee shall have a posted normal work schedule, except the following:
 - a. All field and non-field Pay Plan C employees on a steady daily tour schedule, Monday through Friday. In the case of field employees working this schedule, they shall be informed at least 30 days (15 days for TWU classes) in advance as to which days off they will be receiving as holidays or days off in lieu of holidays. CN 93
6/29/73
 - b. Employees engaged in certain occupations, the ordinary requirements of which preclude long-range scheduling (such as certain SEMAC personnel, chauffeurs, field surveyors).
2. The following procedure applies to those employees who are entitled to have posted normal work schedules:
 - a. On or before the first day of each calendar month, the work schedule for the month following shall be posted, e.g., the work schedule for November should be posted by October 1. For Toll Collector Pool employees, the work schedules shall be posted for seven days in advance.

- b. The posted monthly work schedule shall show each employee's applicable tour and starting time for each day of work and shall designate all regular days off, holidays (or days in lieu of holidays) and vacation days scheduled for the calendar month. (For tolls personnel, the starting time of the posted tour is posted weekly, at least seven days in advance.)
 - c. The effect of changes in the posted work schedule, with respect to payment or non-payment of work schedule change premium compensation, is outlined in Pars. G and H, below, and in Attachment A.
 - d. Regular days off indicated in the work schedule may not be changed with less than 30 days' notice (15 days for TWU classes). Employees required to work on such days shall be compensated on a normal overtime basis regardless of the particular tour to which they are assigned. CN 93
6/29/73
3. Each employee shall inform his supervisor as far in advance as possible of any situation which may require future absences by him.

F. Snow Emergency Work Schedules

At facilities where snow emergency work schedules are used, such schedules should be developed and posted as much in advance of the anticipated snow season as practicable.

1. The snow emergency work schedule shall include names of the employees assigned and their scheduled tours and starting times, to facilitate its implementation when the snow schedule is put into effect.
2. Snow emergency schedules normally should not require more than twelve consecutive hours of work, including meal periods and other reliefs.
3. Posted snow emergency work schedules may be substituted for posted normal work schedules whenever weather conditions are such that the facility deems it to be appropriate.
4. The starting and ending of snow emergency periods should be clearly communicated to all affected employees in order that the return to the posted normal work schedule is accomplished with a minimum of difficulty.

G. Work Schedule Changes

1. Posted Work Schedules – Non-Working Days

- a. Individual days off identified in a posted monthly work schedule may not be changed without 30 days' notice except for TWU classes. For TWU classes only, regular days off cannot be changed without 15 days' notice, including those of employees assigned to relief positions. CN 93 6/29/73
- b. When a situation arises where the employee is required to work on a day shown as a non-working day on his posted work schedule, he will normally be paid at the premium rates. CN 93 6/29/73

2. Posted Work Schedules – Working Days

These schedules may be changed under any of the following circumstances without incurring work schedule change premium compensation:

- a. When a posted snow emergency work schedule is put into effect.
- b. When an employee reverts to his normal work schedule following termination of a snow emergency assignment.
- c. When an employee voluntarily performs an act which requires a change in his schedule, e. g., accepting a promotion or transfer, or returning from a leave of absence or emergency leave.
- d. When an employee returns from sick leave or military leave.
- e. When an employee, covering the sick-absence of another employee, returns to his normal work schedule.
- f. When an employee returns from attending training or orientation programs.
- g. Where two or more employees voluntarily take each other's places on a posted work schedule.
- h. When an employee is assigned to a relief position in a rotating schedule or assigned on a pool basis, e.g., tolls collection. (Also see Attachment A.)

H. Work Schedule Change Premiums (Working Days)

In situations other than those described in Par. G, above, premiums will be paid for work schedule changes as described below:

1. Whenever a change which affects either the starting time of a tour or the tour itself is made with less than thirty days' notice (15 days for TWU classes) the employee receives the following:
 - a. One schedule change premium, equal to an extra standard half-day's pay, when the change affects only one day within the 30 day period (15 day period for TWU classes); or
 - b. Two schedule change premiums when the change affects more than one day within the 30 day period (15 day period for TWU classes).
2. Each time a schedule change is posted, it should be specific in showing the number of days affected, otherwise subsequent changes will require premium payments when made with less than thirty days' notice (15 days for TWU classes).
3. Work schedule change premiums do not apply to call-ins (see Par. I., below) where the hours of additional work are contiguous to the employee's posted tour. For example, an employee who is scheduled to work from 8 A.M. to 4 P.M. is called in to start at 6 A.M. and finish at 4 P.M. will earn two hours of overtime but will not receive a schedule change premium.
4. Pay Plan C tolls personnel will not receive a work schedule change premium unless the change of starting time of a scheduled tour varies by more than ninety minutes.
5. If a Pay Plan C employee is officially scheduled to receive credited compensatory time off at a particular time (under the Compensatory Time Option Policy) and in fact is required to work during that time, he is paid a work schedule change premium equal to one-half day's standard pay and the compensatory time off must be rescheduled for another mutually agreeable time. However, if the cancellation of credited compensatory time off coincides with a work schedule change, the employee does not receive two schedule change premiums.

6. If a change of the employee's normal work schedule is cancelled with less than forty-eight hours' notice before it would be effective, he receives one work schedule change premium regardless of whether the cancellation applies to more than one tour.
7. In classes represented by the Building Trades Union (B.T.U.) an employee assigned to a posted snow emergency work schedule receives one work schedule change premium, equal to an extra standard half-day's pay, if he is reassigned from one shift to the other and actually works on that shift.
 - a. Similarly, if a B.T.U. employee is required to phone in during snow emergency conditions on a continuing stand-by basis, and is not required to report at the facility in connection with the snow schedule, he receives one work schedule change premium covering the entire period of each separate snow emergency. However, if the employee was granted excused time in connection with a snow emergency, the total stand-by time is reduced on an hour-for-hour basis to determine whether any premium payment applies. To the extent that the stand-by hours exceed the hours of excused time, the employee receives a special payment for the difference, computed at his regular hourly pay rate. Such payments require the preparation and processing of form PA 1992, Special Payment Request.
8. Overtime rosters covering employees in classes represented by the Building Trades Union should be available for review and should be maintained as outlined in OPI 20-3x. 11. This responsibility will be charged to the unit supervisor. In the event that the proper employee is not given the opportunity to work an overtime job by management, he receives:
 - a. one work schedule change premium, equal to a standard half-day's pay, if the overtime work assignment would have involved his return from off-duty status; or
 - b. if the overtime assignment would have been contiguous to his tour, a special payment for the actual hours of the overtime work assignment, not to exceed four hours, computed at the employee's regular hourly pay rate. Such payments require the preparation and processing of form PA 1992, Special Payment Request.
9. Any payment of work schedule change premium compensation is in addition to the employee's regular salary and any overtime, shift-differentials or holiday work premiums to which he may be entitled.

I. Overtime for Call-in from Off-Duty Status

1. When an employee is called in to work outside of his normal work schedule, he receives overtime pay in accordance with the provisions of the Premium Overtime Compensation Policy. Since no work schedule change is involved in such instances, the employee does not receive a work schedule change premium. However, when overtime work in excess of five and one-half hours is performed by an employee who is called in from off-duty status, sufficient excused time is granted in order to provide a period of four consecutive hours off before the employee starts his next normal tour. For example, if the employee works from midnight until 6 A.M. and is scheduled to work the 8 A.M. to 4 P.M. tour, he receives two hours of excused time and starts his tour at 10 A.M.
2. If an employee in a class represented by the Building Trades Union (B.T.U.) is scheduled to work overtime (other than during snow emergencies) which is not contiguous to his tour, and the scheduled overtime work assignment is cancelled, postponed or rescheduled, the employee will:
 - a. be assigned to other overtime work for a minimum of 4 hours, or
 - b. have his tour changed and receive a work schedule change premium equal to a standard half-day's pay, or
 - c. voluntarily remain off duty, if he so elects and his supervisor concurs.

III. Procedure

A. Authorization of Work Schedule Change Premiums

1. Form PA 2603, Daily Overtime Authorization, is used for authorizing work schedule change premium payments to the individual employees involved. The same form is also used for authorizing and recording overtime worked by the same and/or other employees in the unit, when applicable.
2. When the employee is entitled to payment of a work schedule change premium, his name is entered on form PA 2603 for the appropriate date. In addition, the following entries are made in the indicated columns:
 - a. Employee Number
 - b. Schedule Change (hours at 1/2 pay): 8 for a field employee; 7-1/4 for a non-field employee

c. Reason (last column): reason for the schedule change.

3. When the employee is entitled to two work schedule change premiums covering a change affecting more than one day (see Par. II, H) the second premium payment is authorized via form PA 2603 on the date following authorization of the first premium payment.
4. Completion and distribution of forms PA 2603 are made in accordance with instructions contained on the form.

B. Time Report Entries

The unit time clerk records the proper entry of hours related to a work schedule change premium (8 for a field employee or 7-1/4 for a non-field employee) on the appropriate time reporting document.

C. Work Schedule Change Premium Payments

Work schedule change premiums earned during the bi-weekly pay period are included in the employee's paycheck covering the next following bi-weekly period.

IV. Use of Relief Man (B.T.U. Covered Classes Only)

Attachment A details the use of the Relief Man for classes covered by the Building Trades Union only.

In addition, these employees are entitled to paid half-holidays on Good Friday and on Christmas Eve when it falls on a Monday, Tuesday, Wednesday or Thursday (offices normally will close at Noon on any half-day holiday).

C. Holiday Substitute Days:

1. When a full-day paid holiday occurs on a Sunday, Pay Plan B, EXB and DB, and non-field Pay Plan C and DC employees are entitled to the following Monday off with pay. When a full-day paid holiday occurs on a Saturday, these employees are entitled to the preceding Friday off with pay.

2. All field employees (including Pay Plan F) are entitled to the eleven paid holidays listed in Par. A, above, but if the employee must work on the holiday or if it falls on his scheduled regular day off, a substitute paid day off in lieu of the actual holiday is arranged.

D. When a paid holiday occurs during an employee's vacation period, it is not counted as a day of vacation. When a paid holiday occurs within a period of sick leave or short term military leave, no substitute paid day off is granted.

E. Holiday Policy for Police Employees

1. In lieu of holidays on which they are required to work, members of the police force are allowed paid days off. Police Officers and Police Superior Officers are allowed 11 and 10 days respectively.

F. Holidays for Domestic and Overseas Trade Development Offices

Domestic and Overseas Trade Development Offices observe American national holidays which are traditionally observed in the community in which they are located. In addition, individual offices observe other holidays in accordance with the custom of their headquarters city, as approved by the Personnel Director.

III. Exhibit A attached contains the detailed operating rules and procedures applicable to Port Authority Holidays.

PORT AUTHORITY HOLIDAY
OPERATING RULES AND PROCEDURES

A. Compensation for Holiday Work (other than police)

1. General

The nature of Port Authority operations is such that some field employees are required to work on each holiday as part of their normal work schedules. Also, in emergencies, both field and non-field employees may be called in for holiday work outside their schedules.

- a. Every effort is made to minimize the number of employees required to work on Port Authority paid holidays.
- b. Insofar as it is practicable, holiday work is equally distributed among all employees in each organization unit who are both qualified and available to do the work required.

2. Non-field Pay Plan C employees

- a. When a non-field Pay Plan C or DC employee is required to work on a full-day holiday which is celebrated on Monday through Friday, he receives for that day:
 - (1) His regular salary; plus
 - (2) premium compensation at one-half times his regular rate of pay for all authorized holiday hours worked up through 7 ¼ hours; plus
 - (3) premium compensation at one and one-half his regular rate of pay for all authorized holiday hours worked beyond 7 ¼ hours; plus
 - (4) a full substitute day off with pay at a time mutually agreeable to the employee and his supervisor, regardless of the number of hours worked on the holiday. (The employer may elect to receive one day of additional compensation at his regular rate of pay, in lieu of receiving a substitute day off with pay.)
- b. When a non-field Pay Plan C or DC employee is required to work on a full-day holiday which falls on a Saturday or Sunday, he receives for that day:

- (1) Premium compensation at one and one-half times his regular rate of pay for all authorized holiday hours worked; and
 - (2) Monday off with pay in the case of holidays falling on Sunday and Friday off with pay in the case of holidays falling on Saturday.
- c. A few non-field Pay Plan C and DC employees have position responsibilities which require normal work schedules that include Saturday or Sunday work. When a holiday falls on such a Saturday or Sunday, the employee is compensated by holiday premium pay as described in paragraph 3a, below.
- d. In each of the above cases, if the holiday on which the employee works is a half-holiday, the same rules governing compensation and time off apply, but on a half-day basis.
3. Field Pay Plan C (non-police) employees
- a. When a field Pay Plan C (non-police) employee is required to work on a holiday as part of his normal work schedule, he receives (unless agreements with employee representatives stipulate otherwise) for that day:
 - (1) His regular salary; plus
 - (2) premium compensation at one-half times his regular rate of pay for all holiday hours worked up through 8 hours; and
 - (3) premium compensation at one and one-half times his regular rate of pay for all hours worked beyond 8 hours.
 - (4) A substitute day off with pay.
 - b. When a field Pay Plan C (non-police) employee is required (i.e. called in) to work on a holiday outside of his normal work schedule, he receives for that day:
 - (1) His regular salary; and
 - (2) premium compensation at one and one-half times his regular rate of pay for all authorized holiday hours worked.

(3) No substitute day off is granted.

4. Application of Policy, Rules and Procedures for Pay Plan C (non-police) and DC Employees

- a. Pay Plan C (non-police) and DC employees who are required to work on holidays are entitled to the full amount of holiday premium compensation due them in accordance with the preceding paragraphs. Holiday work premium payments are not reduced or offset by negative compensatory time.
- b. When an employee is required to undertake holiday work and overtime work in the same pay period, the holiday premium is not considered in calculating his overtime rate of pay. When a single interval of working time constitutes both holiday work and overtime work, only one premium is paid.
- c. If an employee's work schedule starts on one calendar day and ends on the next calendar day, and if one of these days is a holiday, all of the hours of work he undertakes during such tour of duty are deemed to have occurred on the day during which 50% or more of total hours of work occurred, for purposes of determining whether holiday premiums apply.

5. Police Employees

The 11 paid days off for Police Officers accrue at a rate of 2 $\frac{3}{4}$ days, and the 10 paid days off for Police Superior Officers at a rate of 2 $\frac{1}{2}$ days for each quarter of the calendar year (ending March 31, June 30, September 30, and December 31) during which the employee has been continuously employed. No paid days off are earned for a calendar quarter during which the employee is hired, separated, on extended military leave, or on unpaid leave of absence. However, employees on short term sick leave or short term military leave are considered continuously employed. The total year's allowance of paid days off (11 for Police Officers and 10 for Police Superior Officers) attributable to holidays, or any part of it may be given as the cash equivalent of paid days off at the sole discretion of the Superintendent of Police with the approval of the Personnel Director.

Change Notice No. 111 incorporated

Office of the Executive Director

The Port Authority
of New York and New Jersey

Revised PAI 20-4.01
January 14, 1974

UNIFORM ALLOWANCES

EXHIBIT N

I. Introduction

This instruction sets forth the eligibility requirements and uniform allowances of employees.

II. Policy

It is Port Authority policy to furnish wearing apparel to its employees where the need is justified.

Certain employees are furnished an initial issue and, in addition, are granted an annual allowance for upkeep or allowed a number of cleanings or pressings at Port Authority expense. The replacement of these uniforms is provided either by annual allowance or by purchase as required, or by a combination thereof.

Generally, employees are provided uniforms by the Work Uniform Services Section, General Services Department, whose responsibility it is to maintain the uniforms and to provide clean uniforms on a predetermined basis. (See Exhibit A for specific positions and allowances.)

For certain categories of employees utilizing dress uniforms the Work Uniform Services Section furnishes an initial issue and provides for replacement as required. Except for "wash and wear" garments, maintenance of these uniforms is covered by form PA 618, Petty Cash Voucher, which is initiated by the employee and is accompanied by cleaning receipts. (See Exhibit A for specific positions and allowances.)

III. Definitions

Wearing apparel is of four categories.

- A. Dress Uniforms are worn by employees to convey unmistakably to the general public the authority and/or services associated with their positions, e.g., Police, Toll Collectors, Red Caps, Sky Caps, etc.

- B. Work Uniforms are worn for purposes of easy identification, uniformity of appearance of employees of position classifications which are engaged in maintenance, production, or operating activities requiring attire designed to withstand extensive exposure to wear and tear and heavy soiling, e.g., maintenance personnel, messengers, police emergency crews, cleaners.
- C. Foul weather gear is worn by employees in position classifications which are exposed to inclement weather.
- D. Safety clothing is worn by employees of all position classifications for the purpose of preventing injuries and/or bodily harm while at work.

IV. Responsibility for Standards and Specifications

The General Services Department, in cooperation with the departments concerned, is responsible for the design and development of standards and specifications for the purchase and maintenance of all Port Authority uniforms, except Police, which are the responsibility of the Superintendent of Police, and Toll Collectors, which are the responsibility of the Tunnels and Bridges Department. CN 111

The Inspection and Safety Division of the Comptroller's Department reviews all new uniform items considered for purchase and uniform maintenance programs for occupational safety and health considerations.

The Port Authority Design Advisory Council through the Office of the Chief Architect approves all new uniform items prior to purchase.

V. Responsibility for Proper Dress

Each employee is responsible for being dressed in a fit and presentable manner while at work. Awareness and acceptance of this responsibility is vital to good health, high morale, and favorable public reaction. The wearing apparel programs specified in this instruction are an aid in meeting these goals. Managerial and supervisory personnel are responsible for overseeing that suitable dress is worn by subordinates. Since standards are dependent upon circumstances and working conditions, conscientious judgment must be exercised daily.

VI. Work Clothes Supplied to Employees

A. Issuance by the Work Uniform Services Section

The Work Uniform Services Section furnishes

1. uniforms to employees who are required to turn in soiled uniforms and receive clean uniforms on a predetermined basis;
 2. an initial issue to certain other employees who utilize dress uniforms, the maintenance of which is covered by form PA 618, Petty Cash Voucher, initiated by the employee and accompanied by cleaning receipts; and
 3. some uniform items which are delivered in bulk to facilities for distribution to employees after appropriate records are prepared.
- B. Each employee is responsible for clothing issued to him while it is in his possession and must exercise reasonable care in the use of such clothing. Work uniforms may be worn only while on duty and must not be worn home without specific approval. When it is established by the organization unit head that clothing issued (1) has been lost by the employee to whom it was issued, through his own fault; or (2) has been damaged or destroyed due to failure of such employee to exercise reasonable care, the employee is required to pay the purchase cost of the article as shown in Exhibit B.
- C. Issuance of Other Articles
1. Some articles of work clothing, such as winter parkas and overshoe boots, are purchased by the Port Authority and are issued to employees whose work requires their usage. Green parkas are requisitioned from the Work Uniform Services Section stockroom. Blue parkas are requisitioned on purchase orders as required. Overshoe boots are requisitioned from the Central Stockroom through the General Services Department. Parkas, overshoe boots, and other items purchased by the Port Authority may be worn only while on duty and must not be worn home without specific approval of the employee's supervisor.
 2. When it is established by the organization unit head that an article of clothing purchased by the Port Authority and issued to an employee has been lost, damaged or destroyed under circumstances described in Par. VI. B, the employee is required to pay the purchase cost of the article as established by the General Services Department. The department to which the employee is assigned shall notify the Comptroller's Department by memorandum to make the appropriate deduction from the employee's paycheck. Such memorandum shall state the basis upon which the department has established the liability of the employee and show the accounting code to be charged. A copy of this memorandum shall be given to the employee.

D. Issuance of Work Uniform Articles to New or Transferred Employees

1. The Personnel Department, as part of processing a new employee or a military leave returnee, completes form PA 2351, Work Uniform Request/Service Change and sends it to the Work Uniform Services Section with the new employee. The Work Uniform Services Section issues uniform items appropriate to the employee's position.
2. Prior to his transfer, an employee's unit completes form PA 2351, Work Uniform Request/Service Change as soon as knowledge of the transaction is known and forwards it to the Work Uniform Administrator.
3. A transferred employee takes with him to his new unit all his clean work uniforms issued by the Work Uniform Services Section only if they are required at or in his new assignment, otherwise they are turned in immediately. Soiled uniforms will be picked up by the Work Uniform Services Section from the old locker, cleaned, relabeled, and delivered to the new location. In all cases, overshoes and parkas are returned to the local unit. Form PA 1904, Information on Transferred Employees, is completed by the transferring unit and forwarded to the receiving unit. It lists disposition of uniforms and other articles of clothing issued to the employee.

E. Surrender of Port Authority Equipment and Property on Termination

1. Any employee whose service is terminating is required to turn in his uniforms and equipment prior to or on his last day of work. Prior to an employee's termination, his unit completes form PA 2351, Work Uniform Request/Service Change, as soon as knowledge of the transaction is known, and forwards it to the Work Uniform Administrator.
2. Form PA 646, Surrender of Port Authority Equipment and Property is prepared by the unit supervisor and forwarded to the Work Uniform Services Administrator after the employee's supervisor ascertains by telephone that all Library material of record has been surrendered and that no monies are owing to the Port Authority Treasurer.
3. The Work Uniform Administrator ascertains if any uniform items are missing and shows the quantity and cost of such articles in the "Remarks" column prior to forwarding form PA 646, Surrender of Port Authority Equipment and Property, to the Personnel Department. The field supervisor is responsible for collecting all work clothing outstanding before the final paychecks are delivered. An employee's final paycheck will be withheld until discrepancies in the uniform and equipment list for that employee are explained. The amount to be

deducted from the employee's final paycheck in payment for any missing articles is inserted by the terminating unit in the "Remarks" section of form PA 1899, Appointment or Separation of Permanent Employees. Failure to recover all garments or inability to recover the uniforms or monies for missing articles will result in a direct charge being made to the organizational unit involved.

VII. Safety Eyewear Program

- A. The Port Authority Safety Eyewear Program is intended to aid in the prevention of serious eye injury to employees. Under this program, the Port Authority provides approved safety equipment including standard safety spectacles, standard cover goggles or face shields to all employees with exposure to eye injury. Cover goggles or face shields may be worn alone or over an employee's regular prescription glasses.
- B. For employees who wear prescription glasses and are subject to high-impact eye-exposure situations such as cutting, drilling, using a power saw or performing certain types of heavy labor in general maintenance categories, facility and unit supervisors recommend, for approval by the facility or unit manager, the purchase of prescription safety eyewear that meets American National Standards Institute Specification No. Z87.1-1968.
 - 1. A maximum of \$20.00 is allowed toward purchase of prescribed eyewear, the frequency of allowance to be determined by the facility or unit manager based on the employee's need for change in prescription or other acceptable reason.
 - 2. The employee selects an eye specialist of his choice who can provide both an eye examination and the desired prescription safety eyewear that meets Port Authority specifications. The eye specialist is free to obtain lenses and frames from any safety eyewear supplier, providing the completed glasses meet or exceed the American National Standards Institute Specification.
 - 3. The employee submits to his eye specialist for completion form PA 3172, Certification of Prescription Safety Eyewear, in which the specialist describes the type of eyewear furnished and certifies that it complies with NASIS specifications.
 - 4. The completed certification form and a sales receipt for the eyewear are attached to form PA 618, Petty Cash Voucher, and submitted to the facility or unit for reimbursement. An entry covering the eyeglasses is made on form PA 548B, Employee Equipment Record.

VIII. Safety Shoe Program

A. Eligibility

All maintenance personnel as well as employees in other groups with similar exposure to foot injuries, such as employees represented by the Building and Construction Trade Council, are eligible to participate in the Port Authority Safety Shoe Program.

B. Allowance

Employees are entitled to a \$20 allowance maximum per year for leather shoes with built-in safety caps conforming to American National Standard Z41.1-1967.

Employees receive an allowance for part or all of their actual expenditures for safety shoes up to \$20 per year on completion of form PA 618, Petty Cash Voucher (sales receipt attached) and wearing the shoes on the job. All Petty Cash Vouchers must show the date reimbursement for safety shoes was last made. Employees requesting the allowance for the first time write "First Time Allowance" on the Petty Cash Voucher form. The date of the purchase of the safety shoes is entered on form PA 548B, Clothing Equipment Record. The Inspection and Safety Division periodically audits safety shoe allowance refunds to determine compliance with the American National Standard.

USE OF RENTED AND EMPLOYEE-OWNED VEHICLES **EXHIBIT O**

I. Introduction

This instruction describes the procedures governing the use of rented and employee-owned vehicles on Port Authority business. It supplements the instructions contained in PAI 15-3.02, the Port Authority Passenger Vehicle Program, and PAI 15-3.04, Use of Port Authority Passenger Vehicles.

II. Rented Automobiles

A. Port District

In order to meet specific transportation requirements, a department or facility may rent a passenger vehicle if no suitable Port Authority vehicles are available. Requests to rent a vehicle for use within the Port District must be submitted in writing to the Operations Standards Division, Management Services Department, which is responsible for approving all requests. If the Operations Standards Division approves the rental, the Special Services Division, General Services Department, will be responsible for making the necessary arrangements.

In an emergency, a Facility or Division Manager, or his or her superiors, may authorize the use of a rental passenger vehicle. A memorandum of explanation should be sent to the Operations Standards Division as soon after the authorization as possible.

B. Outside the Port District

Requests to rent passenger vehicles for use on official Port Authority business outside the Port District do not require the authorization of the Operations Standard Division. Such rentals are authorized by the concerned department if circumstances warrant the expense. If possible, the rental arrangements should be made through the Special Services Division, General Services Department, to take advantage of discount rates available to the Port Authority.

C. Accidents involving a vehicle rented by the Port Authority are reported as provided in PAI 55-3.01, Accident Reporting.

III. Taxis

Taxis may be used by employees on Port Authority business if circumstances warrant the expense. Reimbursement is obtained by inclusion of the expense on an Expense Account, form PA 15, Petty Cash Voucher, form PA 618, or Weekly Petty Cash Voucher, form PA 2026 (see PAI'S 30-3.01 or 30-3.51, Reimbursable Expenses).

When taxis are used by employees on Port Authority business for purposes of commutation (e.g., an employee has worked late hours and his/her normal mode of commutation of a PA vehicle is unavailable), the Port Authority will reimburse the employee for the additional transportation costs he/she incurs. PAI's 30-3.01 or 30-3.51, Reimbursable Expenses, outlines the conditions governing such reimbursement due to short term assignments, extra duty, non-scheduled workdays, attendance at Port Authority related business, civic and professional meetings, and overtime.

IV. Rented Special Use Vehicles

The need to rent a special use vehicle other than a passenger vehicle will be reviewed by the Operations Standards Division, Management Services Department. If the Operations Standards Division authorizes the rental, the Purchase and Supply Services Division, General Services Department, will be responsible for making the necessary arrangements. In an emergency, a Facility or Division Manager, or his or her superior, may authorize the rental of a special use vehicle. A memorandum of explanation should be sent to the Operations Standards Division, Management Services Department, as soon after the authorization as possible.

V. Employee-Owned Vehicles

A. Authorization

1. Department directors, deputy directors, assistant directors, division or facility managers or their designees may authorize the use of employee-owned vehicles on Port Authority business when:
 - a. Public transportation or the use of a Port Authority vehicle is unavailable or impractical;
 - b. an employee is asked to respond from his or her home to an emergency situation and a Port Authority vehicle is not readily available; or

- c. the use of an employee-owned vehicle would require significantly less mileage on an origin-destination basis than the use of a Port Authority vehicle.

B. Conditions of Use

1. Employee-owned vehicles are subject to the same regulations as prescribed for Port Authority vehicles when their use on Port Authority business is authorized (see PU 15-3.02) except that form PA 70, Vehicle Authorization and Usage Report is not required. Only those drivers who are authorized to drive Port Authority vehicles may be permitted to use their own vehicles on Port Authority business.
2. When used for Port Authority business, employees-owned vehicles should have valid auto insurance as required by the state in which the vehicle is registered.

C. Reimbursement

1. a. When a department director, deputy director, assistant director, division or facility manager or designee, authorizes an employee to use his or her owned vehicle on Port Authority business, reimbursement is made at the standard rate published annually by the Personnel Department. This rate will pertain to all employees unless otherwise provided for under a Memorandum of Agreement.
- b. Personnel assigned to overseas trade offices are reimbursed for such vehicle use at the special rate calculated for each city published annually by the Personnel Department.
2. Expenses coincident to the use of a personal vehicle which are not already reimbursed through the standard mileage rate (i.e., parking fees, tolls, etc.) will also be reimbursed as may be required. Expenses for repairs (other than for damages sustained in an accident) made to an employee-owned vehicle while in use on Port Authority business, and other vehicle maintenance costs, are not reimbursable (see paragraph D, Section 3 below).
3. Expense Accounts and Petty Cash Vouchers claiming reimbursement in connection with the business use of an employee-owned vehicle will show the starting and ending odometer readings, total mileage, starting point, destination and the reason why the employee's car was used.

When an employee-owned vehicle is used on Port Authority business for purposes of commutation, the Port Authority will reimburse the employee for the additional transportation costs he or she incurs. PAI's 30-3.01 or 30-3.51, Reimbursable Expenses, outlines the conditions governing the reimbursement of additional transportation costs incurred due to short term assignments, extra duty, non-scheduled workdays, attendance at Port Authority related business, civic and professional meetings, and overtime.

D. Accidents and Liability for Damages

1. Accidents arising out of the operation of an employee-owned vehicle on Port Authority business shall be fully reported as provided in PAI 55-3.01, Accident Reporting.
2. In the case of a claim against an employee for damages to third persons arising out of the operation of an employee-owned vehicle on Port Authority business, the employee against whom the claim is made should immediately notify, in writing, his or her insurance carrier, his or her organization unit head, and the Claims Section of the Law Department. Such claims are deemed to be potential claims against the Port Authority and the provisions of the Board Resolution of May 12, 1955, relative to the settlement of such claims, will apply.
3. It is the intent of the Port Authority to compensate equitably employees for unrecoverable damage to employee-owned vehicles sustained while using such vehicle on Port Authority business unless such damage was sustained as a result of gross or willful negligence on the part of the employee (e.g., an employee is convicted of driving while intoxicated, convicted of reckless driving, etc.).

In the event any employee-owned vehicle in use on Port Authority business is damaged through accident, the employee must first look to his or her own insurance carrier, or to the other party who caused the damage, for recovery. The Port Authority will provide reimbursement for damages to an employee's vehicle only for that portion of the loss deemed unrecoverable (e.g., the amount deductible under a collision policy). The Port Authority is not, however, responsible for personal items carried in a vehicle nor for their loss or damage as a result of an accident.

In a third party action, the Port Authority will similarly pay awards only to the extent they exceed the limits of an employee's insurance policy. Employees seeking unrecoverable expenses should contact the Claims Section, Law Department, for instructions.

E. Settlement of Claims

1. Employees whose vehicles have been damaged while in use on Port Authority business and who may be eligible for repayment of unrecoverable losses in accordance with the provisions of Paragraph V, D, 3, shall, in all cases:
 - a. Prepare a memorandum to his/her department director, including all pertinent information on the expected cost of repairs and any unrecoverable losses.
 - b. Attach to the memorandum (1) an itemized estimate by a reputable, established auto body firm of the cost of repairing the vehicle, and (2) copies of any supplementary bills or statements.
2. The department director indicates on the employee's memorandum whether use of the vehicle on Port Authority business had been authorized and forwards the memorandum to the Claims Section of the Law Department.
3. After review, the Claims Section forwards the approved claim to the Comptroller's Department for processing. In the event the claim is not approved for payment, the Claims Section notifies the claimant of the disapproval.

SUBJECT: USE OF FACILITY PERSONNEL FILES

EXHIBIT P

COPY TO: Personnel Division Managers; Employee Organization Representatives

INFORMATION BULLETIN NO. 5 (Revised)

Several questions have arisen recently regarding use of personnel files maintained at facilities. The following rules shall be observed in connection with facility personnel files:

1. Every employee should be allowed to examine his own personnel file, and copy (but not remove or borrow) material contained in the file, during reasonable hours and in the presence of a responsible management representative.
2. No unauthorized person should have access to the facility personnel file of another employee. This means that facility management is responsible for maintaining adequate security of all personnel files.

The rules enumerated above are also followed with regard to the use of personnel files which are available in the Personnel Department. These files may be examined by the employee concerned in the presence of a representative of the Personnel Director.

Certain Work Rules

I. Toll Collector Work Rules

1. Work Schedules

A. During the term of this Agreement, the facility will balance staffing and will take all steps necessary to guarantee equal rotation of lane assignments and the equitable distribution of arduous assignments at the facility.

B. The assignment of Pool Toll Collectors to facilities shall equitably distribute arduous assignments in the same manner applied to permanently assigned Facility Toll Collectors.

C. Toll Collectors and Senior Toll Collectors will have included as part of their schedule thirty-day postings for RDO's.

D. Provisional Senior Toll Collectors' vacation picks will be taken from the vacation roster of the facility to which they are assigned during normal vacation selection.

E. Toll Collectors provisionally appointed to Senior Toll Collector will receive the vacation picks made at their permanent facility, regardless of the facility they are working at when their vacation is due.

F. Prime time off (that is, Saturdays, Sundays, and holidays) for Toll Collectors and Senior Toll Collectors shall be equalized within the available scheduling.

G. During the term of this Agreement, the current practice of each Toll Collector and Senior Toll Collector with two (2) breaks, of a break of one (1) hour and another of one-half (½) hour, shall be continued.

H. During the term of this Agreement, the starting time and lane of a tour shall be posted at least seven days in advance. Whenever a change affects either the starting time, the lane assignment, or both and is made with less than seven days' notice, the Toll Collector will receive one schedule change premium for each day that is changed within the seven day period up to a maximum of three payments for such seven day period. Lane assignment changes necessitated by toll booth equipment failure or repair work shall not require a schedule change premium payment. In addition to the above provisions, a Senior Toll Collector will be eligible to receive a schedule change premium for a change in plaza assignments with less than seven days' notice.

I. Notwithstanding the provisions of Section XXVIII of the Memorandum of Agreement "Schedule Change Premium," the eligibility of Pool Toll Collectors for schedule change premiums shall be based on a seven day schedule.

J. No third shift tour for Toll Collectors and Senior Toll Collectors will start after 12:30 a.m.

K. Effective August 15, 1990, a Toll Collector or a Senior Toll Collector scheduled to work on an afternoon tour ending beyond 12:20 a.m., said employee will be paid \$7.50 in addition to the normal base wage.

L. During the term of this Agreement, whenever work is required of a Senior Toll Collector, whether on a straight-time or overtime basis, facility management will first go down the roster of employees in the same classification before utilizing employees of a lesser classification to perform the work required.

M. During the term of this Agreement, Senior Toll Collectors will continue to have scheduled steady tours. The Lincoln Tunnel will have a minimum staffing of six Senior Toll Collectors in order to provide similar steady tour scheduling.

N. During the term of this Agreement, a Senior Toll Collector will be assigned to the midnight tour at the Goethals Bridge, eliminating the current practice by which the Senior Toll Collector assigned to the Bayonne Bridge on that tour is required to provide meal relief at both locations.

O. During the term of this Agreement, Lane 26 at the George Washington Bridge will be assigned to Toll Collectors on a normal rotation basis.

P. During the term of this Agreement, the Tunnels, Bridges and Terminals Department will continue a training program for employees who are involved in scheduling Toll Collectors and Senior Toll Collectors. Where possible, a back-up scheduler will be trained at each facility.

Q. The appropriate unit heads of the Tunnels, Bridges and Terminals Department will meet with representatives of the Union to discuss the development of an agreed upon work schedule for Toll Collectors and Senior Toll Collectors.

R. The two permanently scheduled relief positions on the Palisades Interstate Parkway (PIP) 8 x 4 tour will no longer be permanently assigned. The relief positions will be rotated into the schedule.

S. Pool Toll Collectors will receive out of zone compensation in the following amounts: Outerbridge Crossing \$13.50; Goethals Bridge \$10.00; George Washington Bridge \$10.00.

T. Toll Collector overtime rosters will be updated on January 1st of each year.

2. Safety

A. During the term of this Agreement, in the event that either the heating or air-conditioning system in a toll booth fails, the Toll Collector assigned will report the matter to the Tolls Supervisor who will respond to the toll booth and verify whether the system is non-functional. The Tolls Supervisor and Toll Collector will determine whether it is appropriate to continue to man the toll booth on a full time or reduced schedule based on the existing weather conditions. If the Tolls Supervisor and the Toll Collector determine that existing conditions do not permit the staffing of a booth on a regular scheduled basis, the staffing of such booth will continue on a reduced basis pending the correction of the malfunction or a change in the working conditions. While the correction of the malfunction is underway, the Toll Collector will either go to another lane or standby at the toll House, whichever is feasible.

B. The Port Authority will arrange for the Risk Management Division to give presentations to Union representatives explaining testing procedures and the monitoring of environmental conditions associated with work in and around the tolls plaza at all Tunnels, Bridges, and Terminals facilities. The Risk Management Division will continue to test for noise levels at the Holland Tunnel during the operation of warehouse trains.

3. Uniforms

A. A committee for the selection of uniforms will consist of representatives of the Port Authority and the Union (selected by the Union). The composition of the committee will be consistent with the size of such committees in the past, which is one Toll Collector or Senior Toll Collector from each facility and the Tolls Chairperson.

B. During the term of this Agreement, Toll Collectors and Senior Toll Collectors will be required to attach a clip-on patch to their blue winter parka. This patch will serve to identify them as Toll Collector personnel, and will be worn during working hours.

C. The present reimbursement practice regarding the purchase of gloves will be continued.

4. Ratings - Discipline

A. The Port Authority will not delay in-grade increases for individuals whose 404 ratings are greater than 2.50 unless retraining has been given to the collector. The in-lane training will consist of at least two one hour in-lane sessions in a six (6) month period in addition to normally scheduled refresher training.

B. Provisional Senior Toll Collectors will not automatically be excluded from subsequent Senior Toll Collector tests because of a 404 in excess of 2.50. Said Toll

Collectors' circumstances will be reviewed on an individual basis with attention to his/her all round effectiveness in the classification.

C. In the event a shortage or overage occurs on a day not scheduled for posting, the day will be included in the computerized posting on the Toll Collector's and Senior Toll Collector's 404. The 404 will be transmitted to the facility at the same time as all other 404 ratings.

D. New Toll Collectors will not be evaluated based upon their first and second month of 404 performance ratings. New Collectors must be shown their 404 performances for the third month of employment and every month thereafter, or the 404 will not be counted as a basis for termination within the six (6) month period, nor will it be counted as a basis for termination within the probationary year.

E. Upon request, the Tunnels, Bridges and Terminals Department will arrange for Union representatives to be briefed in the complete compilation process of the 404 rating sheet.

F. During the term of this Agreement, as a final reconciliation, an overage or shortage of \$2.00 and two axles will be worked out as a motorcycle in the 404 rating.

G. A Toll Collector or a Senior Toll Collector will be charged one error for any amount between \$0.76 and \$3.00, and each additional \$3.00 or part thereof.

H. Any overage of \$20.00 or more will be counted as an incident.

I. Three incident reports involving any combination of cash shortages or overages of \$20.00 to \$59.99 in any running six (6) month period, provided that the cumulative dollar amount exceeds \$90.00, or one incident report of \$60.00 or more may result in disciplinary action. In the event a disciplinary hearing is held, the Toll Collector, Senior Toll Collector or his/her representative may request supporting documents for any cash discrepancy. Facility management will be obligated to promptly inform a Toll Collector when he/she incurs a shortage or overage of \$20.00 or more which may result in disciplinary action.

J. Facility management will make available to a Union representative all necessary data on a shortage or overage at least three (3) days prior to a disciplinary hearing. Such data will include maintenance logs and official treadle and axle counts when appropriate.

K. During the term of this Agreement, an incident report involving shortages or overages will be removed from the employee's file when six (6) months elapse without an additional report being filed. The six (6) month period shall mean six (6) months from the date of the shortage or overage.

L. In the event a Toll Collector or a Senior Toll Collector states that he/she deposited a specific amount and the bank states it was short the exact amount and the Toll Collector is being charged by the Port Authority, a disciplinary interview will not be mandatory.

M. During the term of this Agreement, no discipline will be taken for overages when the Toll Collector or Senior Toll Collector identifies the overage on his/her Exception Report, advises the Tolls Supervisor at the time the overage occurs, and the subsequent audit confirms the amount of the overage reported by the Toll Collector.

N. If a Toll Collector wishes to register a complaint against a Tolls Supervisor, the complaint must be made to the President of the Union. The President shall submit the complaint to the appropriate unit head. If the President is not satisfied with the unit head's response, the issue can be submitted to the Manager, Labor Relations Department. This process is outside of, and not subject to, the grievance arbitration procedure.

O. In the event the Supervisor fails to sign the Toll Collector's 379 on the Toll Collector's tour of duty, the Toll Collector will not be penalized for lack of such signature. Nor shall the Toll Collector be required to use his/her time after being released to seek out such signature. The above also applies to register failures.

P. The 404 ratings of Senior Toll Collectors shall not constitute the sole basis for immediate exclusion from any test or mobility program. Other relevant factors must be considered.

5. Miscellaneous

A. The Tunnels, Bridges and Terminals Department will ensure that toll booths are winterized by November 1st of each year.

B. The design of all new booths will take into account the operational needs of the Toll Collectors with regard to stools.

C. During the term of the Agreement, all Toll Collectors will be permitted to purchase a lock their lane cash drawers. Reimbursement for such purchase will be provided, up to a maximum of \$10.00.

D. If operationally possible, a toll lane will be closed when a register fails.

E. The existing contract provisions pertaining to the handling of a patron will be reaffirmed with special emphasis on recognizing the integrity of the employee. No Port Authority employee's picture will be shown to a patron for identification purposes for a patron complaint. In the event a short change inquiry is received, a copy of both the inquiry and the resulting audit will be given to the Toll Collector upon request.

F. Pool Toll Collectors may volunteer for training as transportation drivers, provided they have three years seniority in the pool.

G. Toll Collectors shall be permitted to sit down when collecting tolls, pursuant to instructions issued by the Tunnels, Bridges and Terminals Department of the Port Authority after consultation with the Union.

H. During the term of this Agreement, microwave ovens will be provided at all Tunnel and Bridge facilities. The Port Authority will periodically review the conditions of the Tolls reserve rooms and replace any kitchen appliances, furniture and televisions and will make whatever repairs or replacements that are necessary.

I. The Union will participate in the selection of a new relief kit.

J. When the outside temperature reaches 85-90 degrees F., hot weather supplies (soda, iced tea, etc.) or below 32 degrees F., cold weather supplies (hot coffee, tea, etc.) should be provided for employees working in toll booths, when they are on their breaks.

K. Management of Tunnels, Bridges and Terminals facilities will make reasonable attempts to have employees scheduled off on one of the following holidays: Thanksgiving, Christmas, and New Year's Day. The above language is not applicable to employees who have vacation scheduled during any one of these holidays.

L. All Collectors will receive a copy of late slips, if requested by them.

Building and Grounds Attendants and Senior Building and Grounds Attendants who are concerned about their physical ability to perform such work assignments should review the matter with the Office of Medical Services as provided for in Paragraph 1 of Information Bulletin No. 22.

IV. Bus Terminal Work Rules

1. Management of Tunnels, Bridges and Terminals facilities will make reasonable attempts to have employees scheduled off on one of the following holidays: Thanksgiving, Christmas and New Year's Day. V. Aviation Work Rules

1. During the term of this Agreement, with appropriate supervisory approval, the Port Authority will assume the cost of uniform alterations for employees in the covered membership assigned to the Aviation Department operations in those instances where standard issue sizes fit unsatisfactorily.

2. During the term of this Agreement, employees in the covered membership assigned to the Aviation Customer Services Division will be required to perform snow duty only if maintenance personnel are unavailable or the extent of the snowfall is such that all staff must be utilized to maintain Port Authority standards of operation and patron safety.

3. Airport Operations Agents and Senior Airport Operations Agents assigned to snow and ice removal details during snow emergency periods will receive at least three (3) reliefs during their twelve (12) hour tour. These reliefs will consist of two (2) coffee breaks of approximately fifteen (15) minutes, the first about midway between the start of the shift and its midpoint, the second approximately midway between the tour's midpoint and its completion. Additionally, Airport Operations Agents and Senior Airport Operations Agents will receive a thirty (30) minute meal period at the approximate midpoint of the tour. The actual schedule of reliefs will be correlated with the snow removal plan and the reliefs of other members of the snow removal team.

4. The distribution of overtime work assignments for Aviation Department employees will continue as per agreements reached on July 22, 1988.

5. Line picks at all facilities that employ Airport Operations Agents and Senior Airport Operations Agents must be initiated by August 15th and no later than August 31st of each year. When line picks are made in a unit, they will be initiated by the above dates to ensure that vacation picks may begin on November 1st of each year. Line picks must be made within a maximum of three (3) working days. An individual who fails to complete his/her line pick within the three (3) day limit will have his/her line assigned by management after all line picks have been completed. Vacation picks will start on November 1st. As in line picks, each employee will have three (3) working days to complete the selection. Those not completing the pick in the specified time will forfeit their picks for that specific round. Subsequent rounds of picks will be made immediately after completion of the first round and proceed following the above procedure until all vacation picks have been completed.

6. As per the present practice, the extra vacation day will continue to be accommodated and will not be unreasonably denied.

7. Employees in the covered membership assigned to Port Authority Airports will continue to receive their paychecks at the end of tours ending after 3:00 p.m. on Thursdays in accordance with the current procedure.

8. Summer Provisionals (JFK only) - Employees who are on provisional assignments must indicate when they first take the assignment if they wish to retain their original vacation bid. If the employee wishes to change his/her bid, it must be to an open slot in his/her permanent assignment. If there are no open slots or the employee does not wish to choose the remaining open slots, the employee must take his/her original vacation bid.

9. Standard Provisionals - Facilities will honor vacation picks of employees who are sent on a provisional assignment after making their pick at their permanent assignment, and employees who have made their pick at their provisional assignment but are returned to their permanent assignment. If a unit is receiving multiple provisional assignments or employees returning from provisional assignments who have picked the same week, only one employee over the normal complement will be allowed his/her original vacation pick in any week of the calendar year. The remainder will pick from the open available slots according to Port Authority seniority.

10. In the event a vehicle's heater or air conditioner becomes inoperable (during the appropriate season), priority will be given to provide the Airport Operations Agent with a substitute vehicle. Should a substitute vehicle not be available, the Airport Operations Agent may be required to operate his/her original assigned vehicle.

11. A committee will be established, consisting of both union and management representatives, to review and recommend any programs used in aircraft identification and billing system.

12. Operations units that have a primary vehicle (i.e., station wagon/van) for use by an Airport Operations Agent to perform construction assignments shall have vehicle equipped with a protective cage behind the front seat.

13. All Airport Operations Agents are responsible for disposing of debris in their assigned vehicle. Normal washing or cleaning will be done by usual facility maintenance procedures.

14. Airport Operations Agents and Senior Airport Operations Agents on an "excess" tour will be the first to have their schedule changed if a deficiency occurs.

15. In the event that a motor vehicle accident should occur involving injuries to Airport Operations Agents and Senior Airport Operations Agents while in transit between the General Aviation Terminal (GAT) and the International Arrivals Building (IAB) at Kennedy Airport, the employees will be considered injured on duty.

16. Snow removal at the West 30th Street Heliport will no longer be the responsibility of the Airport Operations Agents assigned to the Downtown Manhattan Heliport. Only as a last resort (after exhausting all other possibilities), these Airport Operations Agents may be used to provide minimum snow clearing necessary to provide a safe aeronautical environment for a Port Authority designated VIP flight.

17. All Aviation employees in the covered membership will be required to use the safety and/or operational equipment that they are supplied with or reimbursed for. (See Section XXXI, D. for Safety Shoe procedure.)

18. If a unit is required to absorb an additional person (extra), that person shall work an exclusive X-tour schedule with rotating RDO's. The actual start and end of the X-tour is to be mutually agreed to by both management and the employee. This X-tour schedule person will not be considered a schedule line that may be subject to a line pick request.

19. It is also understood that the X-tour schedule person will not be considered a schedule line that may be subject to a line pick request since it is possible for that extra person to be absorbed into an approved line in the event of an injury on duty, long-term sick or permanent vacancy. If this occurs, the X-tour line will cease to exist.

20. The X-tour schedule person's schedule can be changed:

- a. If there are two persons on X-tours on the day in question, the X-tour person in a line schedule will be changed first. The X-tour extra person's schedule will be changed to meet a schedule deficiency only if there is no X-tour person in a line.
- b. There must be twelve (12) hours off between tours or twelve (12) hours notice of change.

- c. Only three (3) single day X-tour changes will be allowed per schedule tour. There are two (2) schedule tours per pay period. The entire schedule can be changed if necessary and the three (3) single day rule does not apply.
- d. Employees in the X-tour are entitled to a Schedule Change Premium for the first two (2) days of a schedule change if fifteen (15) days' notice is not given.

21. All mutual swaps must be paid back within a maximum of twenty-eight (28) days. An entire schedule tour can be swapped. Once a tour or entire schedule has been swapped, it cannot be swapped again; no exceptions allowed. Mutual swaps must be requested no more than one (1) pay period in advance to be considered for approval.

VI. Information Services Operators Work Rules

- 1. The Port Authority will continue the practice of providing ISO's two (2) fifteen (15) minute breaks, one in the morning and one in the afternoon.
- 2. The Aviation Department supervisors, at all Port Authority facilities, shall continue to provide ISO's with timely updates on weather, and other operating conditions, which affect airline operations.
- 3. Subject to operational needs, Port Authority management will make reasonable efforts to equalize ISO overtime by calling in ISO's from Regular Days Off, then from Vacation, then Holdovers from the previous tours and, then, the Senior Operator.
- 4. When appropriate for maintaining ISO operations during a snow emergency, ISO's will be included in "snow meals" when offered to other Aviation Department operations staff.

VII. Food Services Division Work Rules

- 1. During the term of this Agreement, the Food Services Division will, so long as there is no conflict in the work schedule, offer permanent staff members the opportunity to work Special Functions when food is being served prior to utilizing "per diem/casual" employees. In the event, however, an assignment is voluntarily accepted by an employee who subsequently declines to work, that individual will be required to arrange for a qualified replacement. Failure to do so will result in either the employee being required to work the specific assignment on an involuntary basis or if that is not feasible, another employee within that same classification will be involuntarily selected for the assignment.
- 2. During the term of this Agreement, the Food Services Division will provide to Food Services staff designated by Management, an allowance for a uniform shoe allowance,

which is \$75.00. In addition, all other employees of the Food Services Division who elect to purchase safety shoes will be allowed the prescribed amount towards the purchase.

3. During the term of this Agreement, uniforms may change in color (subject to the approval of Management) as selected by the cafeteria employees. Color change will be implemented on a “phase in” basis, that is, as new uniforms are provided to the staff.

4. During the term of this Agreement, the Food Services Division will ensure that Food Services staff uniforms cleaned “in house” via the Work Uniform Services Division meet an acceptable standard of cleanliness and are delivered pressed and on hangers. If this standard cannot be met by “in house” facilities, it is agreed that substitution arrangements for cleaning Food Services staff uniforms, which may include reimbursement for off premises cleaning of Food Services staff uniforms, will be explored.

5. During the term of this Agreement, lockers large enough to accommodate the uniform storage needs of cafeteria staff will be supplied.

6. Employees who have worked twelve (12) or more months as a temporary employee will not be required to serve an additional probationary period if appointed thereafter to a permanent position.

7. Permanent qualified cafeteria employees will be used in any vacancy in a higher class title, before filling the vacancy with per-diem staff.

8. A locker room for male cafeteria employees, with shower, will be installed.

9. A shower for female cafeteria employees will be installed.

10. Cab fare, as per the current practice, will be provided to employees for overtime worked that ends after 7 p.m.

11. Employees must sign out at the end of their tour out of uniform; therefore, fifteen (15) minutes prior to the end of each employee’s tour will be a washing/dressing period.

12. The Port Authority will have the ability to temporarily reassign Food Services Staff from one zone to another for the purpose of covering staff shortages due to sick absence, vacation, excused/personal time, etc.

If he/she is temporarily reassigned to work in a higher class code, they will receive either a flat rate of \$20.00 per each day worked or the applicable substitution pay, whichever is greater. If an employee is temporarily reassigned to one of the facilities within Zone A, he/she shall receive a flat rate of \$20.00 for each day worked during the temporary reassignment starting with the eleventh (11th) day.

However, when reassigned within Zone A, management will provide appropriate transportation if requested by the employee.

13. A joint Management-TWU working committee will be established to review/revise all Dining Services job specifications.

VIII. Security Guard Work Rules

1. During the term of this agreement, up to 1/3 of the Security Guards at the Lincoln and Holland Tunnels will be assigned to steady tours pursuant to the grievance settlement 21T-03.

2. During the term of this agreement, TB&T management and the Union shall mutually agree to two (2) Security Guards, one (1) from the Lincoln Tunnel and one (1) from the Holland Tunnel, to serve on the Safety Committee at their facility of assignment.

EXHIBIT R

P. A. BUS TERMINAL

LOBBY DESK STAFFING PROCEDURE

BACKGROUND

All Lobby Information Agent I positions were abolished effective March 20, 1977. However, the incumbent Lobby Information Agent I's retain all their rights and benefits as long as they remain in their present title. When attrition occurs, Information Agent I's will fill resulting vacancies. The selection of these agents is the purpose of this procedure. Eventually, all Lobby Information Agent I's will be replaced by Information Agent I's.

AREA AND METHOD OF SELECTION

- A. Only Information Agent I's with good performance records are eligible to work at the Lobby Information Desk. Eligible agents are those who have not had disciplinary action taken against them in the past six month period and who have not received written warnings about excessive absence or lateness during the last six months.

B. Bidding and Classification Seniority

When a vacancy for a Lobby Desk position occurs (permanent or provisional), a bulletin will be distributed requesting bids for the job. Those bidding in the affirmative will be screened for satisfactory performance records, and the individual with the highest seniority in grade will be assigned to the available Lobby Desk position. Should no one bid for the job, the available Lobby Desk position will be assigned to the agent with the lowest seniority in grade, having a satisfactory performance and attendance record.

C. Job Assignments

Agents assigned to work at the Lobby Desk will not necessarily be assigned to the vacated tours, as the agents already at the desk will have priority in bidding preferred vacant tours.

REMOVAL FOR CAUSE

- A. Failure in the normally expected areas of courtesy, efficiency and performance are, of course, primary reasons for removing an agent from the desk, which is a high

visibility area and must create a favorable impression on the public. Additionally, failure to adhere to specific rules and regulations pertaining to the operation of the desk can be cause for removal.

- B. Excessive absence or lateness, including late from breaks or lunch, can be cause for removal.

RETURN TO TELEPHONE ROOM

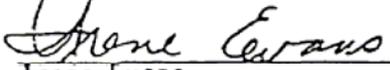

- A. An agent returning to the Information Room from a provisional Lobby Desk assignment will be reassigned to his or her previous Information Room tour.
- B. Agents returning from a permanent Lobby Desk assignment will be assigned a tour that is available.
- C. Both voluntary and involuntary returnees from permanent Lobby Desk assignments may, of course, bid for preferential tours in the Information Room as they occur, and class seniority will prevail. A preferential tour bid in the Information Room will include those agents at the desk, except for the permanent Lobby Information Agents. As stated in the preceding paragraphs, the public relations aspect of working at the desk is of great importance. Only agents who feel they can maintain a calm demeanor under pressure should volunteer to work at the Lobby Desk.

TUITION ASSISTANCE PROGRAM

I. Introduction

This Policy Statement describes the Port Authority's policy regarding tuition assistance for permanent, probationary and project employees who are not represented for the purpose of collective negotiation.

II. Policy

The Port Authority's Tuition Assistance Program provides an opportunity for eligible employees to improve their skills and job performance and helps to establish a source of trained staff who can effectively contribute to carrying out the mission of the Port Authority. The program encourages employees to obtain formal education on their own time in approved institutions of higher learning by reimbursing employees for all or part of their educational costs.

In addition to formal, degree-granting programs, the Port Authority may also provide tuition assistance to employees who participate in non-traditional colleges or universities that are state accredited in New York and New Jersey, non-degree courses, certification or licensing programs, or review courses.

III. Eligibility Criteria

A. Undergraduate and Graduate Courses and Programs

1. Permanent and probationary employees are eligible for tuition assistance. Project employees must have one year of continuous Port Authority service preceding commencement of the course.
2. Department directors (or their specified designees) will approve applications for tuition assistance only if, in their judgment, the applicant's work and attendance have been satisfactory. In addition, the applicant must have shown sufficient initiative and promise in his or her performance to warrant undertaking training at Port Authority expense. Records of previous training or course work will also be taken into consideration.
3. Courses pursued must not interfere with the applicant's normal job responsibilities.

4. Tuition assistance for enrollment and continued participation in undergraduate and graduate degree programs or individual undergraduate courses must relate to a logical program of individual development within the scope of the Port Authority's activities.
5. Tuition assistance for enrollment in programs that have residency requirements, involve time off from work, and/or travel in connection with studies must be recommended in writing by the employee's department director and approved by the Director, Human Resources. The recommendation must stipulate how the required time off from work will be handled (e.g. use of Vacation or Personal Leave Days). Excused time may not be granted.
6. Tuition assistance for enrollment and continued participation in doctoral programs must be recommended by the employee's department director and approved by the Director, Human Resources. Approval will be granted only if it has been determined that the applicant's doctoral degree is a demonstrable necessity directly related to the employee's specific job functions and responsibilities. Continued participation in the doctoral program must be authorized each semester by the Director, Human Resources. In the absence of such authorization, tuition assistance will not be provided.
7. Tuition assistance for second degrees of the same kind (e.g. second Masters degree), must be approved by the Director, Human Resources.

B. Law School

1. Tuition assistance for law school (for the J.D., L.L.B., or L.L.M. Degree or equivalent) must be recommended in writing by the employee's department director, concurred by the Law Department, and approved by the Director, Human Resources.
2. A member of the Law Department designated by General Counsel interviews employees submitting initial applications for law school tuition assistance and makes a written recommendation to the Director, Human Resources as to whether reimbursement is warranted, based on an evaluation of the suitability of the individual to attend law school. The recommendation is evaluated by the Director, Human Resources and may be approved only if it has been determined that the degree is a demonstrable necessity directly related to the employee's specific job functions and responsibilities.

3. Law school tuition assistance is subject to the same financial assistance rates set for all other graduate students. The only exception to this is Law Interns who are required to be students in good standing at a recognized law school, and are, therefore, reimbursed 100% for their tuition expenses.

C. Authorization for Special Courses

1. Tuition assistance applications for specialized courses of study such as vocational training for secretarial or general clerical skills, and executive MBA programs require the approval of the Director, Human Resources.
2. If a department director determines that an employee in his/her department should take a course that relates to the employee's current specific job function he/she may do so outside the purview of this Policy Statement. Costs incurred should be paid through the Voucher Check Request process.
3. Correspondence and other home study courses are not qualified for tuition assistance, nor are courses for which Port Authority "in-house" training is available within a reasonable period of time.

IV. Coordination with Other Sources of Financial Assistance

- A. Applicants must disclose all other training or educational allowances they are receiving on the Tuition Assistance Application, form PA 1020.
- B. Employees who are entitled to receive training or educational allowances from other sources, including fellowships, scholarships, grants-in-aid, or benefits received by veterans and active reservists from government-sponsored programs, may receive financial assistance under the Tuition Assistance Program only after funds from these other sources are fully utilized. Under no circumstances will the Port Authority duplicate any funds obtained from outside sources. If, however, the training allowances from these other sources do not fully cover tuition costs, the Port Authority will provide additional funding up to the full cost of approved courses within the limits specified in this Policy Statement.
- C. Failure to comply with the provisions of paragraphs A and B, above, will require the restitution by the employee of all funds to which he/she is not entitled, through a lump-sum payment or payroll deduction, and may also result in disciplinary action.

V. Expenses Qualified for Reimbursement

A. The current schedule of tuition assistance allowances for undergraduate and graduate courses and the tax treatment of such allowances are outlined below:

1. Tuition Assistance Allowances

a. Undergraduate work:

80% of actual tuition costs or up to \$125 per credit, whichever is greater, plus qualified fees

b. Graduate work:

80% of actual tuition costs or up to \$140 per credit, whichever is greater, plus qualified fees

2. Tax Treatment

The employee is personally responsible for any federal, state and local taxes which may be due under current tax laws as a result of having received tuition assistance. Employees should contact the Payroll Supervisor in the General Accounting Section of the Comptroller's Department for further information.

B. Fees qualified for reimbursement include:

1. Laboratory fees specifically related to course requirements.

2. Registration fees, when the amount of such a fee is specifically designated by the school attended.

3. General or comprehensive fees up to a maximum of \$175 per semester, when an unspecified portion of such a mandatory fee is allocated to registration by the school attended.

C. Parking fees, student fees, and other ancillary fees are not qualified for reimbursement under this program.

D. Expenses for books, equipment, supplies, materials, travel and room and board are not qualified for reimbursement under this program.

VI. Tuition Assistance Payments

- A. Tuition assistance payments are authorized by the employee's department director or his/her specified designee upon receipt of proof of payment and certification of having achieved a grade of "C" or better at the undergraduate level or "B" or better at the graduate level for each course taken, provided the applicant is still employed by the Port Authority on the date the course is completed. Payments will be made for "Pass" or "Complete" grades when it is the policy of the school to grade courses with "Pass"- "Fail" or "Complete"- "Incomplete" designations.
- B. Requests for payment must be made within one year from the original course completion date shown on the application.
- C. Payments for any programs which do not fall into the category of university or college course work will be made only upon receipt of evidence of payment and certification that the employee successfully completed the course of study.

VII. Financial Hardship

If an employee demonstrates financial hardship that would prevent him/her from pursuing an education within the limits of this Policy Statement, the employee may apply for advance payment of educational expenses by the Port Authority. Advance payment must be requested by the employee in a memorandum to his/her department director, who may approve or disapprove the request. Approval authority for this payment may not be delegated.

In the event an employee granted this privilege fails to maintain his/her employment and/or minimum grade qualifications for any course(s) for which expenses were advanced, he/she must repay to the Port Authority the amount of the advance. ISSUANCE AND USE OF PORT AUTHORITY PASSES

I. Introduction

This instruction sets forth the policies and procedures governing the issuance and use of Port Authority passes.

II. Passes

A. Annual Passes

Annual passes are issued to present and past Commissioners, officers, other executive staff members of the Port Authority and a limited number of officials of New Jersey and New York and of municipalities in the Port District. Annual passes are for the use of a specific individual and are not transferable. Cars carrying a passholder presenting his annual pass are permitted free passage at tunnels and bridges and use of air terminal parking lots. An annual passholder who uses an air terminal parking lot will, upon presenting his pass, sign the parking lot ticket, write the pass number thereon, and give the ticket to the lot attendant. There is no time limitation on free parking privilege.

B. Employee Passes

Port Authority photographic identification must be presented when any employee pass is used.

1. Commutation Passes

Form PA 166, Commutation Passes, are issued on request to any Port Authority employee regardless of length of service for commuting only to and from work via tunnels or bridges in his own car or one owned by any of the following:

Husband	Father	Son	Brother
Wife	Mother	Daughter	Sister

This pass is not valid for use in airport parking lots.

2. Personal Passes

- a. Form PA 378, Personal Passes, are issued upon request in accordance with the pass allowance schedule given below, to Port Authority permanent and project employees, retired employees, and employees on military leave for use at tunnels, bridges and some air terminal parking lots.

The calendar year pass allowances:

<u>Length of P.A. Service</u>	<u>Number of Books</u>
Less than 9 months	None
9 months but less than 1 year	1
1 year but less than 7 years	4
7 years and over	5

Retired employees and employees on military leave receive the same allowance to which they would be entitled if their Port Authority service was not interrupted.

- b. Use of Personal Passes is subject to the following:
 - (1) They are not transferable.
 - (2) They can be used for a motorcycle or an automobile (including attached trailer) in which the employee is riding.
 - (3) They are not valid in Parking Lot 6 (Pan American Roof Top) at JFKIA, and in Hourly Parking Lots A, B and C at Newark International Airport.
 - (4) Use of Central Terminal Area parking lots is limited to a maximum period of four hours at no charge. Employees parking beyond the four-hour limit are required to pay the regular public parking rate from the time the vehicle was initially parked. Use of the Long Term Parking Lots is limited to a maximum period of 24 hours at no charge. Employees parking beyond the 24-hour limit are required to pay the parking charges for time in excess of 24 hours, starting with first day rates. An employee who uses an airport parking lot must, on leaving the parking lot, write the parking lot ticket serial number on the personal pass, sign it, and sign the parking lot ticket before submitting them to the parking attendant.

If the parker is on official Port Authority business, he should pay the appropriate charge, ask for a receipt and submit it to the Port Authority for reimbursement.

- (5) Use of Port Authority personal passes for free parking in airport public lots is a privilege for isolated instances of parking. Personal passes are not to be used to park while Port Authority employees are at their airport job.

C. Official Business Passes

Official Business Passes, form PA 430, are issued to contractors and other selected individuals who use tunnels and bridges or air terminal parking lots while making trips on Port Authority business in other than Port Authority vehicles. A pass holder who uses an airport parking lot must, upon leaving the parking lot, sign and date both the Official Business Pass (form PA 430) and the parking lot ticket, and submit both to the lot attendant. If the parker is on official Port Authority business, he should pay any charge over 24 hours based on the rate progression set forth in the Schedule of Charges, ask for a receipt and submit it for reimbursement to the Port Authority.

III. Additional Free Use of Air Terminal Parking Lots, Tunnels and Bridges

In exceeding the time limit specified in the special parking

If such official business requires parking for more than 24 hours, prior permission must be obtained from the Airport Manager, otherwise the vehicle will be required to pay parking charges for the time in excess of 24 hours, starting with the first day rate.

IV. Requisitioning Passbooks

Passbooks are requisitioned from the Treasury Department in multiples of five by the organization unit head. Ticket and/or Pass Requisition and Receipt, form PA 281, is prepared in triplicate by the custodian and approved by the department head or facility manager. (See instruction on form PA 281 for distribution.)

V. Issuance of Passes

A. Annual Passes

Annual passes are in the custody of and are distributed by the Executive Director. The Executive Director furnishes a list of pass holders to the Directors of Aviation and Tunnels and Bridges for distribution to their facilities.

B. Commutation Passes

The custodian should be certain that the employee's residence and place of work require use of these passes. Passes are issued one book at a time by the custodian who checks the date the previous book was issued to control misuse. The employee inserts his/her name and the vehicle license number on the receipt (first page of book) and the vehicle license number, in ink, on the stub of the passbook. The custodian inserts the employee's name and the date issued on the receipt which is filed.

C. Personal Passes

1. Passes are issued, one book at a time, by the custodian, who checks the employee's allowance and the number of books previously issued to insure that the allowance is not exceeded. The employee signs the receipt and the custodian inserts the employee's name and the date on the receipt which is filed.
2. Passes for retired employees and employees on military leave are issued by the Personnel Benefits and Activities Division, Personnel Department upon request of individuals.

3. Department Directors are authorized to increase the scheduled allowance when the need is clearly demonstrated.

D. Official Business Passes

The custodian inserts the bearer's name, date and reason for issuance on the stub. The stub remains attached to the book.

VI. General

A. Employee Leaving Port Authority Service

The organization unit head is responsible for obtaining unused passes from employees leaving the Port Authority.

B. Transferred Employee

The organization unit head is responsible for informing the new unit on form PA 1904, Transmittal of Personnel Records, of the number of form PA 378 books issued during the current year and the date the last form PA 166 book was issued.

C. Unused Passes

Employees return unused passes to the custodian when no longer needed. Unused passes are then sent to the Comptroller's Department (Audit Division) with a memorandum which includes the name of the employee to whom issued and book and coupon numbers. The Comptroller's Department destroys the passes and discards the memorandum after checking book and coupon numbers.

D. Lost Passes

An employee immediately reports lost passes to the custodian who makes a notation of the loss on the receipt (see V, B or C above). Replacement of lost passes is authorized if, in the unit head's opinion, circumstances warrant.

E. Misuse of Passes

Charges are preferred, and the employee is subject to cancellations of the pass privilege, for misuse of passes.

Sick Absence Disciplinary Policy

Good attendance is essential to the efficient and smooth operation of the Port Authority. All employees are expected to work all of their scheduled tours of duty. The Port Authority recognizes that employees become ill and experience other situations that prohibit them from working. However, excessive absenteeism adversely affects the operation of Port Authority facilities and, therefore, cannot be tolerated.

The Port Authority and the Union have, therefore, mutually developed this Policy and Five Step Automatic Progressive Discipline System.

Penalty points will be assessed for sick absence occasions as defined below. The accumulation of penalty points may result in the employee being placed in the Five Step Automatic Progressive Discipline System described herein.

Absence Penalty Points

One Penalty Point will be assessed for each occasion of sick absence as follows:

1. One Point will be assessed for each occasion of sick absence. Consecutive days off in the same occasion do not count as additional points.
2. No Points will be assessed for approved absences such as vacation days, personal days, jury duty, or other excused time.
3. The first occasion of a documented and approved Injury on Duty (“IOD”) will not result in a Point. However, subsequent occasions for the same IOD are treated as sick absences and will count as additional points, unless the return to work was conditionally approved by OMS as described in §XIX - Injury on Duty Paragraph F.
4. No Points will be assessed for sick absences that result in a hospitalization or for absences due to a verifiable out-patient surgery where no hospitalization is involved. The employee must provide verification of hospitalization and/or out-patient surgery.

Five Step Automatic Progressive Discipline System

Local management must personally serve the employee with a written counseling memorandum before the employee can be placed in the Five Step System. The counseling memorandum will be issued when the employee has accumulated three (3) penalty points in a rolling 12 month period. When an employee is issued a counseling memorandum, a written warning, or a written reprimand pursuant to this Policy, the Union will be provided with a copy.

- Step 1: Upon the accumulation of four (4) penalty points in any rolling twelve (12) month period, the employee will enter into the Automatic Progressive Discipline System

and is issued a written warning.

- Step 2: Upon the accumulation of five (5) penalty points in any rolling twelve (12) month period, the employee is issued a Step 2 written reprimand with a five (5) day Compulsory Leave of Absence penalty held in abeyance.
- Step 3: Upon the accumulation of six (6) penalty points in any rolling twelve (12) month period, the employee is issued a Step 3 written reprimand with a fifteen (15) day Compulsory Leave of Absence penalty held in abeyance. Further, the five (5) day Compulsory Leave of Absence penalty held in abeyance at Step 2 is imposed.
- Step 4: Upon the accumulation of seven (7) penalty points in any rolling twelve (12) month period, the employee is issued a final written warning that the next point of absence in the 12 month rolling period will result in discharge from the Port Authority. Further, the fifteen (15) day Compulsory Leave of Absence penalty held in abeyance at Step 3 is imposed.
- Step 5: Upon the accumulation of eight (8) penalty points in any rolling twelve (12) month period, the employee is discharged from employment.

Special Provisions:

1) If an employee exhibits a continual pattern of repeated violations, this may be deemed as an intent to circumvent the purpose of this Policy and may subject the employee to discharge. One example of a pattern of repeated violations is where an employee reaches Step 4, rolls back to Step 3 and reaches Step 4 again in a rolling twelve (12) month period.

2) All sick absence occasions to which this Policy applies will be calculated on a rolling twelve (12) month basis.

3) The President of the Union or his/her designee may seek special consideration regarding a sick absence occasion by requesting a meeting with the Labor Relations Manager.

4) The President of the Union or his/her designee has the sole and exclusive right to request a hearing in connection with a discharge under this Policy. Such request must be made in writing to the Labor Relations Manager within five (5) business days of the date of transmittal of written notice to the Union of an employee's discharge. Transmittal of such notice shall be by certified mail, return receipt requested, and the date of mailing will constitute the date of transmittal. The request for a hearing must be based on the belief that bona fide extenuating circumstances exist that caused the absence that triggered the discharge. The Hearing Officer will rule only on extenuating circumstances, with discharge being the only available penalty.

5) The parties hereby agree that this Policy shall become effective on April 18, 1999.

TWU TRANSITCHEK PROGRAM

A. Policy

The Port Authority provides TransitChek Vouchers and TransitChek Cards as an incentive to use mass transit in compliance with the intent of the 1990 Clean Air Act Amendment and can be redeemed throughout the Tri-State area for commuter rail lines, subway, bus and ferries. Eligible employees who utilize transit services are provided with TransitChek Vouchers or TransitChek Cards up to sixty-five dollars (\$65) per month. The TransitChek Card is a prepaid Visa card that is accepted only on mass transit services anywhere that Visa Debit Cards are accepted, including subways, buses, trains and ferries. The form of the TransitChek Vouchers and TransitChek Cards will be at the sole discretion of the Port Authority.

Employees may not receive both TransitChek Vouchers and TransitChek Cards in a given distribution. An employee must advise his/her Department TransitChek Coordinator as to whether the employee prefers to receive a TransitChek Voucher or a TransitChek Card. 2. If an employee elects not to participate in the TransitChek Program, the employee may elect to do so at a later date. The employee must contact his/her Department TransitChek Coordinator to complete a certification form and will receive TransitChek Vouchers or TransitChek Cards at the next distribution.

8. Employees who move to a new department during the weeks between the time TransitChek Vouchers and TransitChek Cards are ordered and the date of distribution will receive their TransitChek Vouchers or TransitChek Cards for that quarter from their old department. Subsequent TransitChek Vouchers or TransitChek Cards will be handled by the new department.
9. If an employee's mode of travel changes, the employee must contact his/her Department TransitChek Coordinator to update the certification form on record. The new allotment will be given out at the next distribution.

TOLLS OVERTIME ASSIGNMENTS

When Personnel Department Information Bulletin No. 38 - Seniority - was published, it was indicated that seniority in determining overtime assignments for tolls personnel would be handled separately. Working with Local 1400 of the TWU, this Department announces the publication of the enclosed Instruction - "Tolls Overtime Assignments."

This Instruction is an elaboration of the overtime policy described by me in a Bulletin issued on April 19, 1968 to all tolls personnel on the subject of RDO's and Overtime. In essence it provides for an equitable distribution of overtime to those who desire it, and the utilization of seniority rosters, inversely, to record overtime hours worked and make compulsory assignments. This Instruction will take effect immediately.

INSTRUCTIONS - TOLLS OVERTIME ASSIGNMENT

October 13, 1968

I. INTRODUCTION

The Instruction outlines the policy and procedures for maintaining facility overtime rosters and distributing overtime assignments among toll collectors as required by Personnel Department Information Bulletin #38, subject - Seniority.

II. POLICY

In recognizing the special and unusual needs of the toll collectors at the T&B facilities and the concomitant need to meet management's commitment to serve the public, unplanned conditions sometimes will require the extension of a tour of duty or the cancellation of a day off or a holiday to meet operating contingencies this department will -

1. Initially construct all rosters for compulsory overtime in inverse order of classification seniority at each facility.
2. Offer overtime opportunities to those eligible who desire it before making compulsory assignments, and ...
3. In making compulsory assignments those eligible with negative compensatory time will be chosen before those who have worked the least amount of overtime.

III. SENIORITY

In all instances where seniority is used in determining who shall work overtime, it shall mean classification seniority and will be applied in inverse order.

IV. OVERTIME AS AN EXTENSION OF A TOUR (Short Term Overtime)

A. Voluntary Assignments

Overtime normally in the amount of four (4) hours or less, at the end of a tour, should first be covered by those qualified collectors assigned to the plaza where the need exists by those whose ending time is the same as or earlier than the starting time of the overtime assignment. (Supervisors may seek volunteers from other plazas if operating conditions so dictate.)

All those collectors meeting the above criteria will be contacted by the plaza supervisor and asked whether they care to volunteer based on the following priorities.

1. The collector actually working the assignment where overtime is expected (Incumbent).
2. The volunteering collector with the least amount of overtime hours worked as indicated on the Overtime Work Roster.

B. Compulsory Assignments

If the overtime assignment(s) cannot be filled by volunteers the supervisor will make compulsory assignments from among those toll collectors whose ending time is the same or earlier than the starting time of the overtime assignment in the following order:

1. Those with negative compensatory time starting with the one who has the greatest amount.
2. Those with the least amount of overtime hours worked as indicated on the Overtime Work Roster.

C. Substitutions

Substitutions will be permitted if they are qualified and can meet the starting time.

V. CANCELLATION OF RDO OR HOLIDAY

A. Constraints

In calling in toll collectors for overtime assignments on holidays or regular days off, care must be exercised to insure that the constraints listed below are not violated except when essential to meet operating contingencies and then only after assurance that all possibilities for voluntary assignments have been exhausted.

1. No collector shall work two full consecutive tours (16 hours).
2. At least one tour (as described in PAI 20-3.07 II D 3) shall separate the last tour wherein a collector worked and the tour she reports back to duty.

3. A collector shall have at least one regular day off of any series of days off (including holidays).
4. Regular days off contiguous to either end of a vacation period shall not be cancelled.

B. Overtime Volunteers

So that overtime opportunities can first be offered to those who desire it before compulsory assignments are made, all collectors seeking these assignments will be permitted to submit their names as overtime volunteers. This will then be indicated by an appropriate symbol next to their names on the Overtime Work Roster.

1. Overtime opportunities will first be offered to those overtime volunteer collectors who work the tour wherein the overtime assignment exists and are on RDO or holiday starting with:
 - a. Those who owe four (4) or more hours of negative compensatory time starting with the collector who owes the most time.
 - b. Those who worked the least amount of overtime.
2. If no volunteers are available from the volunteer list for the affected tour, the volunteer list for the next tour will be used in the order described in 1 above; e.g. from 8-4 tour list to 4-12 tour list, from 4-12 tour list to 12-8 tour list.
3. Overtime volunteers who refuse two (2) overtime assignments in 30 days will lose their overtime volunteer designation for a three month period.

C. Compulsory Assignments

If no volunteers are available compulsory assignments will be made.

1. Negative Compensatory Time
 - a. Collectors with negative compensatory time of four (4) or more hours, who work the tour wherein the overtime assignment exists and are on an RDO or holiday, will be assigned the overtime starting with the collector who owes the most time.

2. Least Amount of Overtime Worked

- a. Collectors who work the tour wherein the overtime assignment exists, and are on an RDO or holiday will be assigned the overtime starting with the collector who worked the least amount of overtime hours.

3. Coverage From Other Tours

If no collectors on the affected tour can be contacted the supervisor will consult the next tour's list for collectors with:

- a. Those with four (4) or more hours of negative compensatory time.
- b. Those with the least amount of overtime.

4. Substitutions

Substitutions will be permitted if they are qualified.

VI. EARLY CALL IN

Whenever operating conditions require an assignment be covered before its regular scheduled starting time, it will be covered by the qualified assigned collector in terms of scheduled reporting time and technical abilities required.

VII. OVERTIME WORK ROSTERS

The Overtime Work Roster will be used to obtain overtime coverage whenever its use is called for in this Instruction.

A. Description

- 1. The Overtime Work Roster shall consist of a listing of all toll collectors, by tour, assigned to a tolls unit in the order of classification seniority.
- 2. Columns shall be maintained alongside the list of names to record the date, the number of overtime hours worked, and refusals by collectors on volunteer list.
- 3. The last column shall show the cumulative number of hours worked by each collector.

Change Notice
8/14/84

4. In the event an employee is not given the opportunity to work an overtime assignment in accordance with this procedure the employee will receive payment equal to the time of the employee who worked.
- B. Maintenance of Roster
 1. Overtime hours worked will be maintained on the Overtime Work Roster for periods of one year beginning April 1, with each new roster starting at zero.
 2. Roster will be updated daily.
 3. A current copy of the roster shall be posted and available for review by all toll collectors.
 - C. Time Transfer
 1. Collectors transferring from one facility to another will carry their overtime record with them.
 2. Collectors reporting to a facility directly from initial training will be credited with the amount of time possessed by the facility collector with the least amount.
 3. Collectors who are sick for 30 or more consecutive days shall be credited, for each 30 day period, the monthly average possessed by them on the current list before their illness.
 - D. Implementation
 1. When overtime assignments must be made via the overtime work roster, supervisors will:
 - a. List the names of those collectors who are eligible and next to each name place the amount of cumulative overtime worked.
 - b. Assignments will be made starting with those who have the least amount of overtime hours worked.
 - e.g. On April 1, the list will show no one with overtime hours. At this time assignments will be made starting with those who have the least seniority.

VIII. NEGATIVE COMPENSATORY TIME ROSTER

A. Description

1. The Negative Compensatory Time Roster shall consist of a listing of all toll collectors within a specific tolls unit who owe time.

B. Maintenance of Roster

1. Negative Compensatory Time Roster will be maintained perpetually by toll and updated daily.
2. A collector incurring negative time will have this time posted next to her name on the Negative Compensatory Roster issued the following day.
3. Negative time worked off under conditions which would ordinarily be described as overtime will not be paid premium rates nor will these hours be placed on the Overtime Work Roster. Only that time worked after all negative time is consumed will be treated as overtime.
4. A current copy of the roster shall be available for review by all toll collectors.

C. Implementation

1. When overtime assignments must be made via this roster, supervisors will:
 - a. List the names of those collectors who are eligible for overtime assignment and next to each name place the amount of time owed.
 - b. Assignments will be made starting with those who have the greatest amount of time owed.

IX. TOLLS POOL

The Tolls Pool will be considered a Tolls Unit and will adhere to the requirements of this Instruction.

A. Short Term Overtime

Pool collectors working a facility where a short term exists will be treated the same as facility collectors. They will be permitted to volunteer and will

also be subject to compulsory assignment if their overtime or owed time records so require. These records will be obtained from the Pool Dispatcher.

B. Cancellation of Regular Days Off and Holidays

The Pool will cover its commitments by canceling RDO's or Holidays as described in this Instruction.

DISTRIBUTING OVERTIME WORK ASSIGNMENTS

SENIOR TBA AND TBA

I. POLICY

This procedure is intended to standardize the recording and distribution of all overtime, both with respect to opportunities and actual hours worked. Although overtime hours may be accumulated by different means, i.e., scheduled overtime, holdover, early-call-in, RDO cancellation, etc., true equalization requires distribution on an equal basis for all employees in the unit who are available.

II. ASSIGNMENT OF RESPONSIBILITIES

- A. The Tour Supervisor is responsible for administration of a fair and equitable system.
- B. The staff member assigned by the facility will maintain a master overtime roster.
- C. The FS-5 will utilize the copy of the overtime roster as the basis for non-scheduled overtime assignments and ensure the recording of appropriate opportunities or hours worked.

III. RECORDS

- A. The overtime roster is to be used to record all overtime work or work opportunities declined. The form provides for the listing of each employee and a box for each day of the month. The FS-5 will indicate in the top portion of the appropriate box, for the day and the individual the overtime hours either worked or declined, and add the new hours to the previous total entering the new total in the lower half of the box. (Red will be used for hours refused, Blue for hours worked and also for total hours.)

- B. TBA Cancellation Voluntary

A log book will be maintained at the FS-5 desk in which a TBA or Sr. TBA can indicate his or her availability to work his or her scheduled RDO, Holiday, or Vacation and the specific tour(s) for which he or she is available. After entering his or her name he or she should indicate the tours for which he or she is available by placing an "X" in the appropriate column. He or she must also at that time place an "O" in any tour(s) he or she is not interested in working. If any change is made subsequent to the entry of availability, the change must be initialed by both the employee involved and the FS-5. This of course is to prevent tampering. Solicitations for overtime will be made from this voluntary

list before soliciting from any other source. The results of solicitations or solicitation attempts will be recorded by the FS-5 in the appropriate column next to the "X." In this way, the FS-5 on subsequent tours will have a record of all solicitations.

IV. CHARGING OVERTIME HOURS

A. Voluntary cancellation of RDO, Holiday, or Vacation

The actual hours worked will be charged when an employee from the voluntary list works on his or her scheduled RDO, Holiday, or Vacation.

B. Eight (8) hours (red) will be charged when an employee on the voluntary list is either called for a requested tour and is unavailable or refuses the assignment.

C. No employee can accumulate more than eight (8) hours in one day.

V. OTHER OVERTIME

A. Holdovers or early-call-ins will be offered to all available employees starting with the employee with the lowest total hours. The actual total hours of all available employees will be recorded in the remarks section of the appropriate roll call by the FS-5 at the time the overtime requirement is apparent. Each employee will be contacted starting with the employee with the lowest total hours until the manpower need is satisfied. Each refusal will be documented and each individual will be charged with four (4) (red) hours.

In the case of early-call-ins each individual who refuses will be charged with four (4) red hours. No charge will be made if the supervisor is unable to establish contact with the employee.

VI. RDO, HOLIDAY OR VACATION CANCELLATION OTHER THAN BY REQUEST

A. In the event the voluntary list is exhausted and it is necessary, the FS-5 will call employees on RDO, Holiday or Vacation who are not in the log book.

B. Available employees will be contacted beginning with the employee with the lowest total hours. Hours will be charged only for hours worked.

C. No hours will be charged if contact cannot be established or work refused.

VII. LIMITATIONS ON OVERTIME WORK

A. To fill a full tour

1. First try to cover with a volunteer from the log book

2. Second try to cover with a holdover and early-call-in
3. Third try to cover with a holdover or early-call-in
4. Fourth try to cover with a RDO, Holiday, or Vacation not in the log book

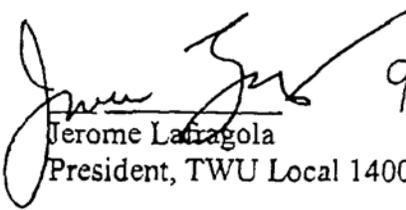

VIII. In the event an employee is not given the opportunity to work an overtime assignment the employee will receive payment equal to the time of the employee who worked.

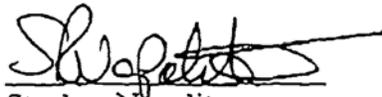

IX. COMPULSORY ASSIGNMENTS

If the overtime assignment(s) cannot be filled by volunteers, the FS-5 will make compulsory assignments from among those TBA's whose ending time is the same or earlier than the starting time of the overtime assignment in the following order:

- A. Those with negative compensatory time starting with the one who has the greatest amount.
- B. Those with the least amount of overtime hours worked as indicated on the Overtime Work Roster.

Note: If the FS-5 is unavailable, the next level or supervisor will act in his/her stead.

INFORMATION BULLETIN NO. 38

The following procedures will apply to all Service C employees in the application of seniority, with the exception of the handling of overtime assignments in the Tolls units of the Tunnels & Bridges Department. A Tunnels & Bridges Department Instruction will be issued shortly that will govern the application of seniority for Service C tolls personnel in that particular respect.

Within each classification, Port Authority seniority (length of Port Authority service) will take precedence in picking vacations. Classification seniority (length of service in your class title) will take precedence in the compilation of initial overtime rosters and work assignments (where appropriate). Questions concerning classification seniority may be referred to the Administrative Division of the Personnel Department for determination of an employees' "seniority-in-grade" date.

VACATIONS

Each facility will publish an annual vacation schedule indicating the periods when operating conditions will permit vacations to be taken and the number of employees in each class of each work group who will be permitted to pick vacations during those periods. Where operating conditions permit, provision should be made for scheduling vacations throughout the year.

Employees picking vacation periods will do so in minimum periods of one week and maximum periods of two weeks in order of their Port Authority seniority. Employees entitled to three or four weeks vacation and wishing to take all vacation at a single time will do so in seniority order during the second series of picks. Employees with five weeks vacation and wishing to take all of it at one time will do so in a third series of picks.

When approved by management, employees will be permitted to take single vacation days. Such days will be deducted from the least desirable pick, which is understood to be the last pick made by each employee. All vacation must be used by the end of the last scheduled work day in each year.

OVERTIME

For a given work unit, overtime rosters will be compiled, according to class seniority at the beginning of each year. Overtime assignments should be based on equalizing hours offered to all qualified employees on the roster, as opposed to picking the next employee on the roster for an overtime assignment. This equalization process should conclude on the last scheduled work day of the year for each work group, and a new roster should then be developed for the following year on the basis of classification seniority within each work group.

TOUR PREFERENCE

When a permanent tour assignment becomes vacant, the senior employee in the work unit in the classification to be filled should be offered the position. Unless the position requires special abilities, this procedure must be followed. No schedule change premiums will be paid for position or squad changes made under these conditions.

INFORMATION BULLETIN NO. 50

This bulletin is intended to resolve questions which have been raised regarding the determination of classification seniority for classified employees. The following sequence of criteria are used to determine the order of classification seniority:

1. Classification seniority date (seniority in title)
2. Port Authority employment date
3. Signature date on the employment application
4. Qualifying test score for the classification where applicable
5. Training program test score for the classification where applicable

In the event of a tie between employees in any of the above categories, the next criterion serves as the tie breaker.

Dear Shirley:

As a result of recent discussions regarding on-the-job-training for toll collectors, the following provisions effective March 13, 1984 were agreed upon:

- a. Every toll collector who trains will receive a flat fee of \$20.00. This special payment does not preclude the payment of overtime, if overtime is necessary and approved by the Tolls Supervisor.
- b. Facilities will compile an annual list of volunteers and choose from that list those toll collectors considered good performers. 404 ratings and patron complaints will be some of the criteria used in making the selections. At least one year's seniority will be required before a toll collector can be placed on the list.
- c. Each facility Shop Steward will review the annual list before it is made final. The list will become final when agreement is reached between the Shop Steward and facility staff.
- d. If there are no listed volunteers scheduled to work on a facility when there is a training need, the facility will ask an unlisted toll collector considered best-qualified and will pay to that toll collector the special payment of \$20.00.

DISTRIBUTION OF OVERTIME WORK ASSIGNMENTS
TWU AVIATION DIVISION EMPLOYEES

ATTACHMENT 14

I. Policy

This procedure is intended to standardize the recording and distribution of all overtime, except snow overtime for TWU employees assigned to maintenance, both with respect to opportunities and actual hours worked on an equal basis for all employees in the unit who are available and qualified.

Overtime will be voluntary in accordance with the following procedures except in emergency situations such as incidents, events or occasions of natural or other causes which threaten the life or safety of people, the operation or the physical integrity of the facility. Examples of emergencies include aircraft accidents, hijack or bomb threats, flooding, hurricane, snow and other serious weather threats.

II. Records

- A. For a given work unit, overtime rosters will be compiled, according to class seniority beginning with the first pay period of each year. Overtime assignments should be based on equalizing hours offered to all qualified employees on the roster for an overtime assignment. This equalization process should conclude on the last scheduled work day of the last pay period of the year for each work group, and a new roster should then be developed for the following year on the basis of classification seniority within each work group.
- B. A daily record of overtime hours offered, worked or refused by each employee shall be maintained in a Master Overtime Work Roster by supervisory personnel.
- C. A current copy of the Overtime Work Roster will be posted daily for review by unit personnel.
- D. All overtime will be assigned and accounted for in minimums of 15 minute intervals.

III. Procedure

- A. Except as noted below, overtime will be offered to employees in the ascending order of their total overtime (worked and refused) actually attained or scheduled to be worked at the time the overtime is offered.

B. The Overtime Work Roster will serve as the reference source for each employee's total overtime.

C. Overtime Solicitation Priorities

1. Full Tours

- a. First – employees on RDO; Employees on vacation who indicate in writing to their supervisor that they wish to be called.
- b. Second – combination of holdover and early-call-in.
- c. Third – full tour holdover or call-in.
- d. Fourth – next higher classification(s) in the bargaining unit.
- e. Fifth – Substitution of lower classification personnel. In the event a substitution is necessary, and where a promotion eligible list exists, the employee assigned to the unit achieving the highest rank on the promotion list who is working the tour that must be filled shall be selected unless it can be demonstrated by the unit supervisor that the senior eligible employee cannot carry out the responsibilities of the job. If no list exists or all those on the list refuse or are not available, the next senior person by classification who is adjudged qualified by the unit supervisor will be offered the overtime.

NOTE: If the call creating the vacancy is received after 11 p.m., a one (1) hour period after receipt of the call (not to extend past 1 a.m.) may be utilized to solicit coverage.

2. Partial Tours (i.e., lateness of incoming employee)

The partial tour will be covered by holdover or early call-in (solicited from the Overtime Work Roster) based on ending time which is closest to the commencement of the partial tour overtime.

3. Extended Tours

- a. If a tour must be extended because of workload, i.e., later arrival of aircraft at IAB or contractor working beyond expected completion time, the overtime will be offered to the person working the position directly involved.

- b. If the person already performing the work will not accept the overtime, it will be offered as a holdover to an employee of equal classification performing the same assignment or work detail.
- c. If such employees are unavailable, the overtime will then be offered in order of least total overtime worked to those of proper classification and qualification who are on duty.
- D. Telephone Notification
When overtime is offered via telephone, instances of "no answer", "not at home" or machine answered calls will be documented as overtime hours having been offered, but they will not count toward work refused or total overtime totals.
- E. Refused Overtime
Employees will be charged an amount equal to the number of hours overtime they were offered but not to exceed eight (8) hours in a calendar day. (If overtime is worked within that calendar day, only the hours worked will be posted). Four (4) hours is the maximum number of hours that can be charged for a holdover or early call-in.

IV. In the event an employee is not given the opportunity to work an overtime assignment in accordance with this procedure, the employee will receive payment equal to the time of the employee who worked.

V. Compulsory Assignments

If the overtime assignment(s) cannot be filled after all of the above by volunteers, a supervisor will make compulsory assignments from staff whose ending time is the same or earlier than the starting time of the overtime assignment in the following order:

- A. Those with negative compensatory time starting with the one who has the greatest amount.
- B. Those with the least amount of overtime hours worked as indicated on the Overtime Work Roster.

NOTE: Employees who refuse to work a compulsory assignment due to a demonstrable personal emergency, i.e. sickness or death in family, child care problem, will not be disciplined.

SUBJECT: COLD WEATHER ASSIGNMENTS OF EMPLOYEES OVER 60 YEARS OF AGE

COPIES: (PAI Distribution List)

INFORMATION BULLETIN NO. 22

A number of questions have arisen concerning cold weather and snow removal assignments of employees over 60 years of age. For your information, the following guidelines should be applied in scheduling such duty:

1. Field supervisors should be aware of, and should carefully observe medical restrictions applicable to employees who are over age 60, which limit or prohibit such employees from being utilized for outdoor work assignments in severe cold or under snow conditions.
2. Employees over age 60 and with no medical restriction may be assigned to the same work as other employees during severe cold and/or snow conditions provided the difficulty or degree of exertion required of such an employee under these conditions does not exceed that which is required during the normal course of his regular recurring assignments. Example: A Building and Grounds Attendant over 60 whose normal duties are indoors should not be assigned to work outdoors.
3. Under no circumstances should employees age 60 and over be required to work more than 12 hours on one tour of duty nor over 12 hours in any 24 hour period. They should not be required to return to duty unless they have had 12 hours off duty.

INFORMATION BULLETIN NO. 44

Supervisors should be guided by the following principles in the utilization of employees.

Field Supervisors should use discretion and good judgment in assigning work crews when weather extremes could create hazardous conditions to unprotected employees. Appropriate arrangements to minimize exposure to extreme temperatures should be made either through the use of relief crews, protective clothing or equipment, or providing adequate rest periods.

Protective equipment and clothing must be provided and worn when work crews are exposed to toxic or dangerous dusts, fumes, and gases. Supervisors can have hazardous work situations evaluated by the Inspection and Safety Division and should insure that any corrective action is taken.

PROCEDURES FOR SELECTION, TRAINING AND PLACEMENT
OF AIRPORT OPERATION AGENTS (AOA)

1. An evaluation will be held to establish a list of candidates eligible for training for the position of AOA.
2. Training will be provided to candidates in the rank order of the Eligible List.
3. A candidate may refuse the training twice. On the third refusal, the candidate's name will be removed from the list. (TWU shall have the right to review records confirming adherence to this procedure.)
4. The training will consist of approximately 120 hours of combined field/classroom instruction followed by an on-the-job training (OJT) segment of up to 9 weeks. Candidates must pass a test at the end of the classroom training and successfully complete the OJT segment to be placed on the post-training eligible list in the rank order they held on the training eligible list.
5. It is understood that a candidate, while in training, will not work overtime in the schedule that would normally have been available to a permanently or provisionally assigned AOA. If no permanent or provisional AOA or Senior AOA staff accept the overtime assignment, a trainee, who is qualified for that assignment, may work the overtime.
6. When the training period is completed, the candidate on the post-training eligible list will either be placed into a provisional or permanent position or reverted back to his/her former position. The employee with the lowest rank on the eligible list will be the first one to be returned to their former position.
7. If no permanent or provisional position is available, but one is expected within one month, the candidate will be sent to the facility where the vacancy is expected with the concurrence of the union. If the 1 month "grace period" expires and the candidate has not been placed in a permanent or provisional position, the candidate will be returned to his/her former position or extended for a limited additional period with the concurrence of the union.
8. Vacant AOA positions will be filled as follows:
 - A) Permanent or provisional openings may be filled by a permanent employee from the transfer list. (Permanent employees who are in provisional positions longer than 90 days will lose their preferred assignment. This "letter A" also applies to Sr. AOA.)

- B) Permanent openings will be filled from the post-training Eligible List by list position. (If a candidate refuses to take a permanent AOA position that candidate is removed from the list.)
- C) In the case of a provisional position, when no one is on the transfer list, the position will be filled from the post-training Eligible List by list position but the candidates will be given the opportunity to refuse a position. In the event no candidate accepts, the lowest listed person on the post-training Eligible List will be assigned the job.

DISTRIBUTION OF OVERTIME WORK ASSIGNMENTS

PABT Employee

Information Agents, Baggage Attendants

Bus Terminal Agents, Red Caps

I. Policy

This policy outlines the procedures to be followed for the recording and distribution of all overtime, for TWU employees assigned to the Port Authority Bus Terminal with respect to opportunities and actual hours worked on an equal basis for all employees in the unit who are available and qualified.

Overtime will be voluntary in accordance with the following procedures except in emergency situations such as incidents, events or occasions of natural or other causes which threaten the life or safety of people, the operation or the physical integrity of the facility. Examples of emergencies include bomb threats, flooding, hurricane, snow and other serious weather threats.

II. Records

For a given work unit, overtime rosters will be compiled, according to class seniority beginning with the first pay period of each year. Overtime assignments should be based on equalizing hours offered to all qualified employees on the roster, as opposed to picking the next employee on the roster for an overtime assignment. This equalization process should conclude on the last scheduled work day of the last pay period of the year for each work group, and a new roster should then be developed for the following year on the basis of classification seniority within each work group.

A daily record of overtime hours offered, worked or refused by each employee shall be maintained in a Master Overtime Work Roster by supervisory personnel.

A current copy of the Overtime Work Roster will be posted daily for review by unit personnel.

All overtime will be assigned and accounted for in minimums of 15 minutes.

III. Procedure

Except as noted below, overtime will be offered to employees in the ascending order of their total overtime (worked and refused) actually attained or scheduled to be worked at the time the overtime is offered.

The Overtime Work Roster will serve as the reference source for each employee's total overtime.

Overtime Solicitation Priorities

Second - combination of holdover and early-call-in.

Third - full tour holdover or call-in.

Fourth - next higher classification(s) in the bargaining unit.

Fifth - Substitution of lower classification personnel. In the event a substitution is necessary, and where a promotion eligible list exists, the employee assigned to the unit achieving the highest rank on the promotion list who is working the tour that must be filled shall be selected unless it can be demonstrated by the unit supervisor that the senior eligible employee cannot carry out the responsibilities of the job. If no list exists the next senior person by classification who is adjudged qualified by the unit supervisor will be offered the overtime.

Full tours (Bus Terminal Agents)

First an overtime volunteer list will be maintained in the operations office log book for any Bus Terminal Agent on RDO or vacation, who wants to work overtime. They will enter into the log book which days and specific tours they are available to work. If, more than one BTA volunteers for the same day and tour, overtime will be offered first to BTA with lowest number of hours worked. If the BTA on the Overtime Volunteer list is called for a requested tour and declines the overtime, he or she will be charged for the hours offered (not to exceed 8 hours in a day) on the Overtime Work Roster.

Second - Combination of holdover or early-call-in.

Third - Full tour hold over or early-call-in.

Fourth - BTA's on their RDO's who's name is not on the Overtime Volunteer list will be solicited based on the lowest number of hours on the Overtime Work Roster. Hours will only be charged to these BTA's if overtime is actually worked, not if contact is not established or the overtime is refused.

Fifth - Substitution of lower classification personnel. In the event a substitution is necessary and where a promotion eligible list exists, the employees assigned to the unit achieving the highest rank on the promotion list who is working the

tour that must be filled will be selected unless it can be demonstrated by the unit supervisor that the senior eligible employee cannot carry out the responsibilities of the job. If no list exists the next senior person by classification who is adjudged qualified by the unit supervisor will be offered the overtime.

Partial Tours (i.e., lateness of incoming employee)

The partial tour will be covered by holdover or early-call-in (solicited from the Overtime Work Roster) based on ending time which is closest to the commencement of the partial tour overtime.

Extended Tours

If a tour must be extended because of workload, the overtime will be offered to the person working the position directly with the closest ending time, involved and least amount of overtime hours.

If the person already performing the work will not accept the overtime it will be offered as a holdover to an employee of equal classification performing the same assignment or work detail.

If such employees are unavailable, the overtime will then be offered in order of least total overtime worked to those of appropriate classification and qualification who are on duty.

Telephone Notification

When overtime is offered via telephone, instances of "no answer," "not at home" or machine answered calls will be documented as overtime hours having been offered, but they will not count toward work refused or total overtime totals.

Refused Overtime

Employees will be charged an amount equal to the number of hours overtime they were offered but not to exceed eight (8) hours in a calendar day. (If overtime is worked within that calendar day, only the hours worked will be posted.) Four (4) hours is the maximum number of hours that can be charged for a holdover or early-call-in.

- IV. In the event an employee is not given the opportunity to work an overtime assignment in accordance with this procedure, the employee will receive payment equal to the time of the employee who worked.

V. Compulsory Assignments

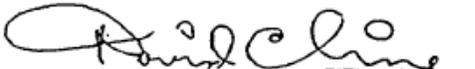

If the overtime assignment(s) cannot be filled after all of the above by volunteers, a supervisor will make compulsory assignments from staff whose ending time is the same or earlier than the starting time of the overtime assignment in the following order:

- A. Those with negative compensatory time starting with the one who has the greatest amount.
- B. Those with the least amount of overtime hours worked as indicated on the Overtime Work Roster.

Note: Employees who refuse to work a compulsory assignment due to a demonstrated personal emergency i.e., sickness or death in family, child care problem, will not be disciplined.

Employees who waive overtime by memorandum will still have overtime charged for purposes of equalization.

Snow Overtime Procedures for TWU Employees Assigned to Maintenance

I. Policy

Snow storms at airports are considered by both management and the TWU to be more critical than at other organization facilities. Staffing during such snow storms will be determined solely by JFK management based on the snow storm forecast.

II. Guidelines

1. In accordance with PAI 20-3.07, entitled “Work Schedules - Pay Plan C (Non-Police) employees,” snow emergency work schedules will be posted.

2. The posted snow emergency work schedule will consist of an “A” and a “B” shift. The “A” shift will commence 7:00 a.m. and end 7:00 p.m.. The “B” shift will begin 7:00 p.m. and conclude 7:00 a.m. “A” and “B” shifts will switch every second Friday, e.g. “A” shift will begin 7:00 p.m. and conclude 7:00 a.m. “B” shift will commence 7:00 a.m. and end 7:00 p.m. In the event of a late forecast for snow where a shift does not begin until 11:00 p.m., employees in the covered membership may be given the option to work four (4) hours overtime (from 7:00 a.m. to 11:00 a.m.) to continue to work on snow or at their regular assignments. This option will not apply to employees who have worked their RDO or holiday.

Management, in the event of an unforeseen, unforecasted snowstorm, has the right to change the starting time of any shift.

3. In accordance with PAI 20-3.07, previously referenced, a minimum of four (4) consecutive hours off between tours must be provided to the employee. However, JFK management will make all reasonable attempts to provide the employee with eight (8) consecutive hours off between tours.

4. When snow is forecasted, JFK management has the right to bring crews back one-half (1/2) hour earlier than their normal lunch or break. (Return is mandatory.) All employees not affected by snow emergency coverage will have their lunch one-half (1/2) hour earlier on such days.

If an employee does not return as mandated and therefore is unavailable for snow, that employee will be moved to the bottom of the snow emergency work roster.

20/2 - Al Gease 8/13/8
Dennis Stewart
Michael Bone

5. a) Snow emergency work assignments, on first attempt for coverage, will be voluntarily accepted by the employee. After the first attempt for coverage, mandatory snow emergency work assignments will be given to employees by JFK management due to the emergency.

b) For snow emergency work assignments from 3:30 p.m. to 7:00 p.m., if an employee is on RDO, single vacation day or personal excused day, that employee will not be moved on the snow emergency work roster. However, when an employee is RDO during the week and a twelve (12) hour, (7:00 p.m. to 7:00 a.m.), tour is required, that employee will be called when their name comes up on the snow emergency work roster.

c) If an employee is scheduled to work on a weekend (i.e., Saturday, Sunday) or a holiday and cannot be available for snow emergency call in, that employee will not be moved on the snow emergency work roster. The exception will be if the employee is held over four (4) hours to work snow.

d) The day shift, Monday through Friday, will not be required to call in employees on RDO or vacation.

GROOMING STANDARDS

FOR TBA'S AND SENIOR TBA'S

I. POLICY

As a public agency the Port Authority expects all employees to conduct, attire, and groom themselves in an acceptable manner. Personal preferences, short of exaggerated styles, are generally permitted. However, where safety conditions are paramount, concern for the safety of the employee and the public must supersede personal preferences.

II. APPEARANCE

A. Uniforms

1. Basic Uniform - The uniform will include such issued items as shirts, ties, black belt, hats, helmets, gloves, trousers, jackets, rain gear, and rain boots and all other appurtenances as selected by the ITD Department based on the season of the year.
2. Garage Uniform - The uniform will include such items as the white long-sleeve garage shirt (must be worn with sleeves extended and buttoned), and the white garage pants worn with the P.A. issued black belt. The TBA jacket, garage parka and/or other issued apparel may be worn based on the weather and working conditions.
3. Shoes - Only black leather shoes/boots (preferably a safety variety) are to be worn.
4. Changes will be authorized and posted by the Operations Services Division.
5. The total uniform of the day will be worn while on duty and no substitute articles or exception will be permitted without approval of the Supervisor on duty.
6. Jewelry of all types, or other articles which could affect the safety of the Agent under working conditions, are prohibited.
7. A uniform committee may from time to time be constituted to assist and advise management in changes to the basic uniform.

B. GROOMING

1. Hair (Head)

- a. Styling must not interfere with the use of special equipment and must permit uniform headgear to fit securely.

2. Hair (Facial)

- a. Mustaches and sideburns must not interfere with the use of special equipment.
- b. Due to safety concerns, beards of any style are not permitted for any TBA and Sr. TBA position, except for those permanently assigned to the following positions: Communication Center (Staten Island Bridges, Holland Tunnel, Lincoln Tunnel, and George Washington Bridge). However, as there always exists the possibility that unforeseen circumstances may arise where those TBA's and Sr. TBA's in the above excepted positions may be called upon to respond to situations wherein the wearing of a beard might jeopardize their safety, they are urged to be clean-shaven. Moreover, for safety reasons, those TBA's and Sr. TBA's assigned to the above excepted positions who elect to grow beards cannot be assigned to positions, including but not limited to overtime, which are subject to beard restrictions.
- c. All TBA's and Sr. TBA's must be clean-shaven when participating in required refresher training sessions where respirators and Self Contained Breathing Apparatus (S.C.B.A.) are used.
- d. The continuing decision as to which employees are subject to a beard-prohibition rests with management.

Dear Shirley,

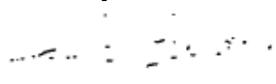

This letter is intended to confirm our telephone conversation on July 29, 1985.

As you know, there has been some confusion regarding the actual date that Senior Toll Collector's (STC) became eligible to receive preparation time. As agreed, effective March 13, 1983, STC's will receive fifteen minutes of "prep time" pay at overtime rates under the same circumstances that apply to Toll Collectors.

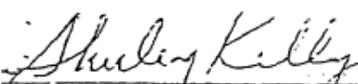

By copy of this letter, I am asking Jim Giorgi to coordinate the necessary administrative actions required to make payments to affected STC's.

Please signify your concurrence by signing in the space provided below. Thank you for bringing this matter to our attention.

Sincerely,

Hank Zulauf

Dear Shirley:

As a result of recent discussions regarding Port Authority sponsored Senior Facility Operations Agent (Senior FOA) and Facility Operations Agent (FOA) training at Morris County, New Jersey, the following provisions were agreed upon on Friday, May 27, 1988, between The Port Authority of New York and New Jersey and Local Union No. 1400, Transport Workers Union.

1. Effective April 4, 1988, every Senior FOA and FOA receiving Port Authority sponsored training at Morris County, New Jersey, will receive the following training payment for each day training is held at Morris County, New Jersey.

FOA	\$33.44
Desk Assigned FOA	\$35.27
Senior FOA	\$36.39

2. Employees are expected to report on time for training. However, due to infrequent bus or train transportation available to stations located near the Morris County, New Jersey, training site and the necessity of taking taxi and/or other transportation to the actual Morris County, New Jersey, training site, any Senior FOA or FOA taking public transportation (bus or train) to the Morris County, New Jersey training site will be given up to thirty (30) minutes after the scheduled training start time before being marked tardy for disciplinary or administrative reasons.

In order for the above to become applicable to any Senior FOA or FOA, documentation that public transportation was the means utilized to reach the Morris County, New Jersey, training site must be provided to and accepted by management.

Shirley Kelly

July 28, 1988

All other Senior FOA's and FOA's using private vehicles or Port Authority vehicles to travel to the Morris County, New Jersey, training site, must report at the scheduled training start time without exception.

This is to confirm and memorialize the agreement reached regarding the Senior FOA and FOA training payment for Morris County, New Jersey. If the foregoing is satisfactory, please signify your agreement by signing and dating the enclosed copy of this agreement in the space provided and return it to the Labor Relations Division.

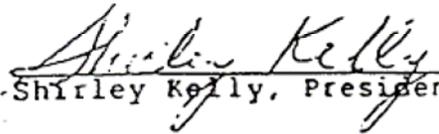

Thank you for your efforts in reaching this agreement.

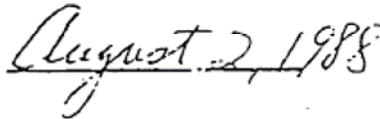

Sincerely yours,

MEMORANDUM

TO: File
FROM: John J. Ritter
DATE: December 23, 1977
SUBJECT: MEETING WITH TWU REPRESENTATIVES

REFERENCE: Ritter to O'Malley Memorandum dated 2/8/77

COPY TO: L. Caffin, V. DeSanno, L. LaCapra, T. O'Kane, E. J. O'Malley, P. Segalini,
S. Raith, S. Robinson, T. Wilson, J. Wong

On Tuesday, December 20, the following staff met with TWU representatives Mrs. Kelly and Mr. Sheridan: L. Caffin, J. Wong, S. Raith, and S. Robinson of Personnel and V. DeSanno and T. Wilson of the Comptrollers Department. This meeting was arranged as an outcome of a December 8 meeting held between officers of the TWU and myself. At that meeting, Joan Santasieri brought to light a number of payroll problems in regard to the TWU membership. The following situations were discussed and resolved as indicated.

Situation - An employee does not receive a paycheck or received one containing a major discrepancy.

Procedure - V. DeSanno indicated that upon receipt of a memorandum from the Manager or his designated representative requesting that a new paycheck be issued and accompanied with the incorrect check, if one was issued, his department will issue a new check. Moreover, if notification is made as late as 10 a.m. on payday, he will make every effort to issue a check that day.

Situation - Paychecks received at the facilities containing errors that are not identified until the check is issued to the employee. This problem is compounded at facilities operating around the clock on a seven-day a week schedule, particularly when employees have rotating days off.

Procedure - Timekeepers normally process the overtime payment request; early check list, sick absence no-pay status, etc. Moreover, they usually receive the paychecks on the Wednesday or Thursday before pay day and distribute them to the various sections on Wednesday and Thursday for those units with afternoon and midnight tours or Friday morning for those sections with day tours only.

Therefore, the key to early identification of discrepancies lies with the timekeeper who should verify correct payment. A memorandum requesting timekeepers to perform a cursory verification upon receipt of checks in an effort to identify major discrepancies and initiate corrective action, will be prepared and forwarded to field units.

Situation - Pay back schedules for employees who have been over-paid. On some occasions the entire amount has been deducted from the paycheck leaving little or no pay for that pay period.

Procedure - After a lengthy discussion it was agreed that the best method of pay back would be to withhold payment at the rate of 10% of the amount owed for ten consecutive pay periods. However, in those situations where the pay back schedule may impose a hardship upon the employee, an extended repayment schedule can be arranged with the approval of the Personnel Department.

Situation - Employee is promoted, demoted, transferred or reassigned and either does not receive his paycheck at his new assignment or the required payroll adjustment is not made resulting in an over or under payment.

Procedure - A payroll notice Form PA 87 is initially processed by the losing unit, forwarded to the receiving unit for their action, in turn it is forwarded to the Administrative Division where it is logged in and forwarded to the Operating Division for placement certification. It is returned to the Administrative Division for forwarding to the Payroll Department.

The problem identified is in two areas: (a) the losing unit sometimes delays the processing of the Form PA 87; (b) the Personnel Department processing is occasionally subject to delays.

The Administrative Division will address both problems. First, they will prepare a department memorandum to all unit heads requesting prompt handling of payroll transactions; second, they will issue an internal memorandum to Personnel Department staff requesting their cooperation in prompt review of payroll notices.

A number of specific problems in regard to individual employees were discussed and have been followed up by Operating Division staff.

Dear Shirley:

I am pleased we were able to resolve grievance 27T-90, violation of training payments to Senior AOA's at John F. Kennedy International Airport. Consistent with our mutual understanding, I am hereby authorizing the Aeronautical Services Division, John F. Kennedy International Airport, to effect training payments at a flat rate of \$30.00 per day for the specific number of days indicated to the Senior AOA's listed in your September 5, 1991 letter to me. As discussed, M. Farrell will receive payment for 3 days, E. Caulfield, 1 day, J. Licciardi, 1 day, L. Jordan, 1 day, and H. Spaeth, 1 day. It is also my understanding that the resolution of this grievance eliminates the possibility of any past or future grievance on this subject from Newark International Airport.

As I mentioned to you, we are currently in the process of finalizing a program for providing newly appointed Senior AOA's one (1) day of formal classroom or technical training so that they may appropriately assume their new responsibilities. I have attached for your information an outline of the broad topic areas which will be covered in the 1 day formalized training programs for John F. Kennedy International Airport and Newark International Airport. You may be aware that as AOA's the newly appointed Senior AOA's previously participated in the three (3) week AOA training program and were briefed on many of these topic areas. Perhaps through utilizing a customized Senior AOA formal training program, many of these same topic areas can be more easily covered.

It is envisioned that an available seasoned Sr. AOA and an appropriate Operations Services Supervisor (FS-3) will team up to conduct the one (1) day of formal classroom or technical training of newly appointed Sr. AOA's as required. This will make the designated Sr. AOA conducting this type of training eligible for a maximum flat rate of \$30 for one (1) day regardless of the training time devoted to this activity. Over the course of a year, the assignment of a seasoned Sr. AOA and an FS-3 to conduct this technical training should be

THE PORT AUTHORITY OF NY & NJ

spread to several Sr. AOA's and FS-3's depending on turnover. Wherever possible, and depending on staff availability, this formal classroom or technical training should be performed in a manner which circumvents the necessity to pay overtime. As you are aware, the formal classroom or technical training for newly appointed Sr. AOA's substantially surpasses the technical training required of other TWU classes.

Please be advised that we will review the effectiveness of this training program periodically and determine whether or not the time currently designated to perform the training is appropriate. Please feel free to contact me immediately should you have any questions concerning the mutual understanding we have reached relative to the resolution of this grievance.

Sincerely,

Robert J. Kelly

DATE: May 19, 1964
SUBJECT: YEAR END ADJUSTMENT OF WORK SCHEDULE EXCESSES AND DEFICIENCIES FOR SERVICE C FIELD STAFF OTHER THAN POLICE

COPIES: Personnel Division Managers; Employee Organization Presidents

INFORMATION BULLETIN NO. 4

For the year 1964 and thereafter, the manner in which work schedule excesses and deficiencies for field staff should be treated under the overtime policy is as follows:

1. Employees who have work schedules which in one calendar year are in excess (i.e., schedules which contain less than 115 days off attributable to regular days off and Port Authority paid holidays), will be paid at one and one-half times their hourly rate of pay for all hours worked attributable to such schedule excess.
2. Employees who have work schedules which in one calendar year are deficient (i.e., schedules which contain more than 115 days off attributable to regular days off and Port Authority paid holidays), will not have the deficient time charged as owed time to be paid back during the following year. However, management in its discretion may require employees to work on days designated as regular days off on the work schedule towards the end of each calendar year in order to overcome a work schedule deficiency for that year.

TO: SR. AOA's & AOA's
FROM: Dave Morris
DATE: November 20, 1989
SUBJECT: 1990 VACATION
COPY TO: AADM, ADM, F. Loprano, B. Schroeder, R. Williams

On November 14, 1989, Frank Loprano, Ward Hoekstra, and myself met with TWU President, Shirley Kelly and representative, Dave Cline to discuss AOA and Sr. AOA work schedules. It was decided that line picks will be made based on in-grade seniority. Line picks will be made only once a year. If a line becomes vacant during the year, the replacement will fill that line. After line picks are complete, vacation picks will begin as soon as possible under the following guidelines:

- 1) Selections will be made in order of PA Seniority.
- 2) Vacations are to be taken RDO to RDO.
- 3) Vacation picks are for two weeks at a time.
- 4) Only two AOA's and one SAOA will be granted vacation in any one week.

This memorandum will also serve to remind all that vacations are to be requested in advance. Request for single days may be denied at management's discretion. Since X-tours can no longer be changed without 15 days notice, requests for comp time will not be honored if overtime is to be incurred.

MEMORANDUM OF AGREEMENT executed as of the 8th day of May 2009 between THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY (the "Port Authority") and the UNION OF AUTOMOTIVE TECHNICANS (the "UOAT"):

PREAMBLE

WHEREAS, the UOAT is the recognized representative of all employees in the class titles listed on Exhibit "A" annexed hereto (the "covered membership"). Reference to employees in the class titles listed on Exhibit "A" shall include the plural as well as the singular. Reference to the masculine shall also include the feminine; and

WHEREAS, the Port Authority and the UOAT have negotiated with respect to wages, hours, benefits and other conditions of employment; and

WHEREAS, this Memorandum of Agreement is entered into pursuant to and subject to the provisions of the Port Authority Labor Relations Instruction effective October 15, 1976;

NOW, THEREFORE, it is agreed as follows:

I. SALARIES

Salary ranges of the covered membership will be those shown on the schedules annexed hereto as Exhibit B. All wages are to be paid retroactively, as necessary, to the effective dates set forth in this Memorandum of Agreement.

II. LONGEVITY

1. Longevity allowances for the covered membership shall be as follows:

- 2.0% after the completion of 8 years of Port Authority service;
- 2.5% after the completion of 15 years of Port Authority service;
- 3.5% after the completion of 20 years of Port Authority service;
- 5% after the completion of 22 years of Port Authority service and thereafter.

2. Longevity allowances shall be as set forth in Exhibit C, annexed hereto and shall be based upon the base salary of the employee (See, Exhibit B). Longevity allowances will be paid to the employee at one of the rates above effective in the bi-weekly pay period in which the employee completes the stipulated number of years of Port Authority service.

III. LIFE INSURANCE

1. During the term of this Memorandum of Agreement, the Port Authority will provide Group Life Insurance for active employees identical to the insurance provided by Prudential Insurance Company of America, Inc. Group Term Life Insurance Policy No. G-10493 in effect as of July 4, 1981. If the Port Authority in its sole discretion chooses to change the provider of such insurance, the coverage which is to be provided shall be no less than that described above. The Port Authority will pay the full premium costs of the Group Port Authority Life Insurance coverage for each active employee in an amount of coverage equal to three (3) times the employee's base annual salary.
2. The term "premium costs" as used in paragraph one (1) above, shall mean premium costs established by the insurer, including any increase in such costs, in effect during the term of this Memorandum of Agreement. The term "base annual salary" as used in this Section shall mean the base annual salary of an employee during the term of this Memorandum of Agreement as set forth in Exhibit "B, adjusted to the next highest multiple of one thousand (\$1,000.) With each change in base annual salary for an employee under the Group Policy, his Group Life Insurance coverage will be appropriately adjusted.
3. Each employee under the age of sixty-five (65) shall have the option upon retirement to continue coverage under the Port Authority Extended Group Life Insurance Plan up to the amount of such coverage applicable to him at the time of retirement. Any employee exercising the option to continue such coverage shall pay for such coverage at the rate or rates applicable to Port Authority managerial and professional employees retired on or after July 1996 as shall from time to time be in effect during the period of his retirement. (See Final Order of IP-03-07).
4. A copy of the Port Authority Group Life Insurance Policy and riders, if any, covering employees in the covered membership, including the number thereof, and the premium costs per month to the Port Authority of such insurance, shall be made available to the designated UOAT representative when such policy, riders, and premium costs have been finally formulated. Booklets or written detailed information describing such insurance shall be provided by the Port Authority to all employees upon request.

ACE ND

5. Insurance Continuation Plan

Retirees are responsible for making Insurance Continuation Plan premium payments from the date of their retirement until their sixty-fifth (65) birthday. Thereafter the Port Authority will assume the premium costs of, and provide fifty-thousand dollars (\$50,000) of paid life insurance at age sixty-five (65) for each covered employee who retires on or after the date of this Memorandum of Agreement.

IV. SHIFT DIFFERENTIALS

1. During the term of this Memorandum of Agreement, weekday shift differentials for the afternoon and night tours will be 8% of the hourly base pay as set forth in Exhibit "B".
2. No shift differential payments will be earned for hours worked Monday through Friday by employees commencing work between the hours of 6:00 a.m. and 10:00 a.m.
3. Employees will earn premium overtime compensation for all work performed in excess of normal work schedules as specified in PAI 20-3.08 annexed hereto as Exhibit K-4. Whenever an employee earns premium overtime compensation for hours worked, that employee will not be eligible for any shift differentials applicable to those hours, except as provided by applicable law. If the Port Authority institutes a shift which includes regularly scheduled Saturday and/or Sunday work, it will commence negotiations with the UOAT with respect to a Saturday or Sunday shift differential at least thirty (30) days prior to the institution of such shift.
4. This Paragraph (4) applies only to UOAT members who are organizationally employed within the Central Automotive Division:

The Port Authority does not intend to institute a third shift (e.g., 11 p.m. to 7 a.m.) at any of its auto shops during the term of this Memorandum of Agreement. Notwithstanding the above, however, if it is determined by the Port Authority that a third shift is necessary for operational requirements in the future, then the Port Authority agrees to continue the snow coverage as outlined in Paragraph B of Section XVII of this Memorandum of Agreement. Consequently, the UOAT recognizes and agrees that each night shift (3:30 p.m. to 11:30 p.m.) employee will therefore be assigned to work either the early shift (7 a.m. to 7 p.m.) or the later shift (7 p.m. to 7 a.m.) during a declared snow emergency.

V. LEAD DESIGNATION

A. During the term of this Memorandum of Agreement, supervisors will designate lead men who will be assigned responsibility for shop operations. Journeymen may be required to work in a lead capacity. For the purposes of this Section, "lead capacity" shall mean an assigned responsibility for shop operations when two or more Journeymen Mechanics are working at the same shop.

B. Lead designations will be rotated within each shop and such assignments will be made from rosters of volunteers at each shop, except upon a showing of demonstrable cause. In order to be considered for placement on this volunteer roster for lead assignments, an employee must have a minimum of six (6) months in title. The volunteers for lead assignments will be placed on the list in seniority order and will be provided to the Shop Supervisor by the Shop Steward and will be administered by the Shop Steward. A lead assignment should not last more than five (5) full consecutive days but under no circumstances shall such lead assignment be for more than ten (10) full consecutive days. Employees on "restricted" duty may be assigned as lead men at the sole discretion of CAD management and such assignments will take priority over the volunteer roster.

C. In cases where a volunteer roster does not exist at a particular shop and a need for a lead exists, CAD management will designate an employee at that shop as a lead man. Said lead assignment should not last more than five (5) full consecutive days, but under no circumstances shall such lead assignment be for more than ten (10) full consecutive days. Such lead man assignments shall be on a rotational basis, beginning with the most junior member at that particular shop who has a minimum of six (6) months in title, except upon a showing of demonstrable cause.

D. Each May, employees meeting the minimum of six (6) months in title criteria may elect to add or remove their name from the volunteer roster.

VI. VACATION ALLOWANCE

A. Vacation allowance for employees in the covered membership shall be in accordance with PAI 20-3.01 dated November 24, 1971 annexed hereto as Exhibit "F".

B. Notwithstanding paragraph A, of this Section, employees who have attained twenty-five (25) years or more of Port Authority service – shall be granted one (1) additional vacation day annually. Prior PATH service shall qualify as service credit in determining an employee's entitlement to the additional vacation day.

RCC *ND*

C. Employees who are entitled to twenty-one (21) vacation days annually and who use at least ten (10) days of that allotment during the calendar year shall have the following options to exchange unused days of that allotment:

(i) if such employee has perfect attendance during that calendar year, he may exchange up to ten (10) unused vacation days.

(ii) if such employee has a total of no more than three (3) days of both sick and injury on duty absence during that calendar year, he may exchange up to five (5) unused vacation days.

The employee shall receive a day's pay at the straight time rate applicable to him for each day exchanged. Such exchanges shall be made pursuant to the same unused vacation exchange procedure available to Port Authority managerial employees as set forth in Exhibit L-21 annexed hereto.

VII. SICK ABSENCE

XVII. CAD SNOW PROCEDURE AND UTILIZATION OF CENTRAL AUTOMOTIVE DIVISION PERSONNEL TO COVER OTHER FACILITIES

A. Snow Emergency Coverage

The practice of pre-scheduling Central Shop manpower for "snow emergency" coverage at SIB will continue without modification. The individuals who are assigned during snow will sign in and out at their temporary location until that shop cancels the round-the-clock A and B coverage. During snow emergencies only, replacement for sick absences and injuries on duty at New York based shops can be provided from Central Shop to work either day or night. But such replacements shall be equal in number to employees on sick absence and/or injury on duty absence. Snow emergency coverage for Port Newark automotive equipment will be provided from the EWR Auto Shop.

B. Snow Emergency Coverage

The following provisions of this Paragraph (B) shall apply only to UOAT members who are organizationally employed within the Central Automotive Division for snow emergency coverage for the scheduled winter season which normally occurs November 15th to April 15th.

- 1) Day Shift Employees: Where there is no declared snow emergency in effect, day shift employees who are not slipped but who are currently required to work from 3:30 p.m. to 7 p.m. to cover for a slipped night tour shall be provided with a paid lunch break for the first day of each separate snow coverage call-in (1 per storm). Consequently, such employees will be compensated, if they work 7 a.m. to 7 p.m., at straight time rates for 8 hours and overtime rates for 4 hours.
- 2) Night Shift Employees: Night shift employees who are currently slipped to work 7 p.m. to 7 a.m. will be required to start at 5 p.m. (14 hr. shift) on the 1st day of each storm call-in. The night shift will be called before 12 noon to slip the shift to 5 pm.
- 3) Overlap period (3:30 p.m. to 5 p.m.) Day Shift Employees: Day shift employees who are not slipped but are required to work beyond 3:30 p.m. will be allowed to work to 7 p.m. (See Section XVII B (1) above) rather

than 5 p.m. (See Section XVII B (2) above). It is agreed that a minimum of three (3) UOAT Day Shift Automotive Technicians will work the overlap period of 3:30 p.m. to 7 p.m. at each of these Auto Shops, JFK, LGA, PATC. In addition, a minimum of six (6) UOAT Day Shift Automotive Technicians will work the overlap of 3:30 pm to 7 pm at the EWR Auto Shop. This minimum staffing level will be in effect provided that at least three (3) Day Shift Automotive Technicians are working that day, on a shop by shop basis, at JFK, LGA and PATC and the minimum of six (6) Day Shift Automotive Technicians are working that day at EWR.

Notwithstanding the above, in the event Central Shop establishes a night shift subsequent to the execution of this Agreement, snow emergency coverage procedures for future snow emergency incidents will be negotiated, mutually developed, and agreed to by the President, UOAT, and the Manager, Central Automotive Division.

- 4) Additional Snow emergency coverage for the SIB Auto Shop will be provided by Central Shop personnel. Automotive Technicians from the Central Shop shall follow a roster as provided by the UOAT on or before October 13th for both the 7 am to 7 pm (A Shift) and the 7 pm to 7 am (B Shift). The roster shall be provided to the Manager, Central Automotive Division and be in effect from November 15th to April 15th of each calendar year. Personnel on this list may be prohibited from performing snow emergency coverage responsibilities by the Manager CAD, consistent with past practice. In addition, the roster will also assign, as is current practice, one Central Shop day-shift welder and one Central Shop day shift machinist to the night shift. These two individuals will remain assigned to the Central Auto Shop, unless otherwise assigned to another facility auto shop in accordance with the provisions of this paragraph XVII, and as negotiated, mutually developed and agreed to by the President, UOAT and the Manager, Central Automotive Division. This roster will also allow for Central Shop Automotive Technicians to cover SIB (both day and night shifts). In addition, the current snow emergency coverage practice of assigning Automotive Technicians from the PATC Auto Shop to the Lincoln Tunnel Auto Shop shall also continue in effect. In the event that designated staff on the roster are unable to fulfill the designated days/times shown on the roster, the UOAT Shop Stewart (at Central Shop for SIB coverage) and (at PATC for LT coverage) will provide "replacement" staffing as required consistent with current practice. There shall be no additional compensation provided to the "replacement" staffing for any related schedule change. Snow emergency coverage for the Port Newark automotive equipment will be provided by the EWR Auto Shop.

- 5) Snow Coverage – Slipping of Shifts – Consistent with provisions of the current Memorandum of Agreement and the Dwight Darcy letter dated November 27, 1996, annexed hereto as Exhibit L-17, a full shift will be slipped in a declared snow emergency, on a shop by shop basis. The letters of December 10, 1998 and February 5, 1999, annexed hereto as Exhibits L-25 and L-26, shall remain in place as supplements to this CAD snow emergency procedure.

- 6) As it regards the provisions of meals to UOAT employees during declared snow/emergency coverage, the following guidelines shall apply.
 - a. Port Authority Dining Services will be utilized at facilities, where possible.

 - b. If Port Authority Dining Services are not available as determined by the Manager, Central Automotive, either:
 - i) auto shops will institute in-house arrangements, where food and supplies can be stocked and heated where possible, pursuant to shop practice; or,
 - ii) the Manager, Central Automotive, or his designee, will authorize the payment to the affected UOAT members for meal expenses pursuant to shop practice.

 - c. It is the intent of the Port Authority, by following these guidelines, to provide meal accommodations for UOAT members who are required to work extended work hours during snow emergency coverage and such provisions are made to allow the Port Authority to effectively manage its auto shop operations and human resource needs during those emergencies. During these emergencies the UOAT recognizes that a standardized meal period (e.g. 12 noon to 12:30 p.m.) for all UOAT staff is frequently not provided nor is it usually effective in responding to the emergency conditions.

C. Snow/Emergency Coverage Procedures (SIB, LT, PATC, and Central Shop)

1. Procedures at each of the SIB and LT Auto Shops will be established during snow emergency coverage, consistent with this Agreement. As regards to coverage at SIB and LT:

- a) Three (3) Automotive Technicians, at a minimum, will work 7 a.m. to 7 p.m., and
- b) Three (3) Automotive Technicians, at a minimum, will work 7 p.m. to 7 a.m.

2. Depending upon the number of Automotive Technicians permanently assigned to the SIB and the LT Auto Shops, as well as their assignment by shift, certain Automotive Technicians at the SIB and the LT may be required to change their shift assignment to satisfy the coverage as described in Paragraph C1 above.

3. In the event that the snow emergency staffing coverages established for the SIB and LT Auto Shops cannot be satisfied with the number of permanently assigned Automotive Technicians at the SIB and LT Auto Shops, additional staff from the Central Shop and from the PATC Auto Shop will be assigned to the SIB and LT Auto Shops to satisfy the minimum snow emergency staff coverages described in Paragraph C1 above as follows:

- a) Two (2) Automotive Technicians from each of the SIB and LT Auto Shops will go on the 7 p.m. to 7 a.m. shift, and
- b) One (1) Automotive Technician from the Central Shop (by roster selection) will go to SIB to work the 7 p.m. to 7 a.m. shift (makes 3 total).
- c) One (1) Automotive Technician from the PATC Auto Shop 3:30 p.m. to 11:30 p.m. shift will go to LT to work the 7 p.m. to 7 a.m. shift (makes 3 total).
- d) One (1) Automotive Technician from the Central Shop (by roster selection) will go to SIB to work the 7 a.m. to 7 p.m. shift (makes 3 total).
- e) One (1) Automotive Technician from the PATC Auto shop 7 a.m. to 3:30 p.m. shift will go to LT to work the 7 a.m. to 7 p.m. (makes 3 total).

Finally, in the event that staffing of permanently assigned Automotive Technicians at the SIB and LT Auto Shops changes in the future, specific snow emergency coverage procedures for future winter seasons as described in Paragraph C3 above, will be negotiated, mutually developed and agreed to by the President, UOAT, and Manager, Central Automotive Division.

4. On weekdays, weekends and holidays, should any one of the two New York Airport Auto Shops and Newark International Airport Auto Shop declare a snow emergency and slip their shift, Central Shop will be slipped and the Central Shop personnel can be assigned to support all facilities or to work specifically at Central Shop.

D. In the event of an unexpected snow emergency the following procedure will be in effect on the first twenty-four (24) hour period of the snow emergency.

1. On Weekdays, when the night shift starts at 3:30 pm, the night shift will work fourteen (14) hours and the day shift will be called before 10 pm to start at 5 am and work until 7 pm. Under these circumstances both the night shift and the day shift will work fourteen (14) hours during the first twenty-four (24) hour period of the snow emergency.

2. On Weekdays, when the night shift is slipped and starts at 5:00 pm, the night shift will work fourteen (14) hours and end their shift at 7 am the following day. Prior to reporting off duty, the night shift will be notified if they're to report back at 7 pm. If the night shift is instructed to report back at 7 pm the day shift will then be slipped and work 7 am to 7 pm. If the night shift is notified to report back to work at 5 pm ending the snow emergency coverage, then the day shift will work their regular shift, with the overlap coverage being provided in accordance with Section B, Paragraph 3.

3. On Weekends and holidays, both the day shift and the night shift will work fourteen (14) hours during the first twenty-four (24) hour period of the snow emergency. The day shift will be notified before 10 pm, if possible, to report for snow duty the following day to work fourteen (14) hours.

4. The night shift may be required to work beyond fourteen (14) hours only if after proper notification is provided as required by paragraph 2, the day shift is not available to relieve the night shift.

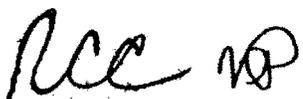

5. The day shift may be required to work beyond fourteen (14) hours only if after proper notification is provided and the night shift is not available to relieve the day shift.

E. Snow Overtime

For weekend work between the hours of 7 am to 7 pm, the day shift will be called. For weekend work between the hours 7 pm to 7 am, the night shift will be called. At the end of a snow emergency, employees may be required to continue working 7 to 7 until shop backlog has been relieved and shifts revert to normal schedules.

F. At the end of a snow emergency, those employees working on the night shift who are required to work a regular night shift, will be given sufficient excused time to provide 10 hours before reporting for their next regular night shift, provided that the employee had worked 8 or more consecutive hours.

G. Shift starting time at all Automotive Shops during snow emergencies shall be 7 am for the day shift and 7 pm for the night shift.

The final transfers shall be approved by the Manager, Central Automotive Division, or his designee, or Facility Manager, or his designee, as the case may be, and shall not be unreasonably denied.

B. Employees holding the title of Automotive Maintenance Specialist shall have transfer rights.

C. Where management identified the existence of excess manpower within a given shop or facility or shift and also identifies a shop or facility where additional manpower is required, the manpower will be redistributed through the transfer procedure.

XIX. SLEEPING ACCOMMODATIONS

On certain occasions, an employee may be directed to remain at a facility which provides sleeping quarters. Under such circumstances, the employee may elect to remain at a nearby motel at his own expense. If the employee so elects, he will receive premium pay to the same extent he would have received such premium pay had he remained at the facility.

(f) Shop Stewards will be permitted time to brief the membership on the activities of the monthly Executive Board meeting of the UOAT.

(g) Non-emergency overtime will not be scheduled during the hours of UOAT General Membership Meetings. This provision shall apply to a maximum of fourteen (14) UOAT General Membership Meetings in any calendar year.

B. In addition to the foregoing, the President of the UOAT shall have discretion to have employees in the covered membership excused for fifty (50) tours of duty annually to conduct UOAT business. Requests for utilization of such tours should be made at least twenty-four (24) hours in advance of the start of the tour to the Manager, Central Automotive Division or his designee.

C. The President of the UOAT, or his designated representative, shall have exclusive visitation rights, at Port Authority facilities for the purpose of administering this Memorandum of Agreement and for the purposes of recruiting UOAT membership and explaining UOAT services and programs. Such activities shall be limited to facility areas reasonably designated by the Manager, Central Automotive Division, or his designee, or a Facility Manager, or his designee, as the case may be and shall not interfere with facility operations.

D. Excused time with full pay and benefits will be granted to the President and Vice President of the UOAT to attend the funerals of active and retired UOAT members, their spouses, children and parents. The excused time off provisions of PAI 20-3.05 annexed hereto as Exhibit H, remain fully applicable to the President and Vice President where it is necessary for either of them to attend the funeral of their immediate family member(s) as defined in PAI 20-3.05.

E. The Port Authority will not unreasonably deny requests by the President of the UOAT or his designee for excused time for union business for the President, Vice President, Financial Secretary and Recording Secretary of the UOAT Executive Board for which excused time with full-pay and benefits is not otherwise available. The Port Authority will accept reimbursement by the UOAT for the cost of such time and shall make appropriate payments to the Pension System.

XXI. SAFETY

A. The Port Authority represents that it attempts to conform with and that it does basically conform with the Occupational Health and Safety Standards promulgated by OSHA.

B. If it is established that the Port Authority does not basically conform with OSHA standards, the Port Authority will make every good faith effort to come into conformance.

C. The UOAT may designate an employee in the covered membership at each facility to act on behalf of its members on matters of safety. When safety matters are brought to the designee's attention, he will contact a representative of the Facility Manager in order to resolve the issue. If the UOAT designee is unable to resolve a safety issue with the representative of the Facility Manager, the UOAT designee may refer the issue to the Inspection and Safety Division directly, who will investigate the matter and report his findings to the UOAT designee and the Facility Manager.

XXII. LETTERS OF REPRIMAND

If a Letter of Reprimand issued for reasons other than sick absence has not been used as a basis for disciplinary action within one (1) year from the date of such letter, such letter shall be removed from the employee's personnel folder, unless during such period related

reprimands have been placed in the employee's folder. All such Letters of Reprimand must either be initialed by the employee, or if the employee refuses to so initial, such refusal shall be duly noted. The provisions of this paragraph shall apply to Letters of Reprimand issued for sick absence except that the period within which such letters shall be removed shall be twenty-four (24) months.

XXIII. MEDICAL REPORTS

Copies of the Port Authority Multi-Phasic Health examinations report or any other specifically identified medical report of an employee, upon his written request and executed release, will be sent to his personal physician. If the personal physician wishes to review the medical record of an employee he will be allowed to do so within the confines of the Port Authority Office of Medical Services.

XXIV. LONG-TERM DISABILITY PROGRAM

Active employees in the covered membership who have a minimum of one (1) year continuous service as a Port Authority employee will be covered by the Port Authority's Long-Term Disability Program created April 24, 1974, annexed hereto as Exhibit M, for managerial and professional employees, under which a covered employee who is permanently disabled due to a non-job connected illness or injury is eligible to receive up to 60% of his annual base pay to age 65 from a combination of sources, including any New York State Employees' Retirement System Ordinary Disability and Social Security Act benefits (and any other relevant payments), with the difference up to 60% maximum (but no more than 50% of the employee's base salary) to be provided by the Port Authority. However, the amount of the Port Authority's contribution under this plan may not exceed 50% of the amount of the employee's base salary. As used in this Section, the term "permanently disabled" shall mean "physically or mentally incapacitated for the performance of his duties as set forth in that employee's job specification".

XXV. COMPENSATORY TIME

The present practice concerning compensatory time shall continue. The maximum number of overtime hours which can be banked by an employee in the covered membership shall be 240 hours.

XXVI. MILEAGE ALLOWANCE

Mileage allowances and reimbursement for parking and tolls shall continue to be paid in accordance with established settlements and the policies set forth in PAI 15-3.05, annexed hereto as Exhibit K-1, except that effective January 1, 2006, the mileage allowance shall be the maximum permissible standard mileage rate for business as provided by Internal Revenue

Service Regulations and as adjusted over time pursuant to 26 CFR/1.274-5T or successor provisions of the Internal Revenue Code or Regulations.

XXVII. GRIEVANCE ARBITRATION PROCEDURE

A. The Grievance Arbitration Procedure, annexed hereto as Exhibit "E", shall apply to the processing of complaints limited to the application or interpretation by the Port Authority of any provision of this Memorandum of Agreement which application or interpretation is alleged to constitute a violation of this Memorandum of Agreement or any provision thereof.

B. All complaints not described in paragraph A of this section and which are not covered by the Grievance Arbitration Procedure set forth in Exhibit "E" shall be processed through existing remedies.

XXVIII. EXCUSED ABSENCES

A. Except as set forth herein, excused absences shall be governed by PAI 20-3.05 (Excused Absences), dated August 3, 1967, annexed hereto as Exhibit "H".

B. Prior to October 16, 1998, the excused absences set forth in Section III, Paragraph A. 5, 6, 7 and 8 of PAI 20-3.05, were stricken from the PAI, and in lieu thereof, employees each receive three (3) days of paid excused absences per annum as personal leave which may be taken for such reasons as the employee may deem necessary.

C. Effective October 16, 1998, the excused absences set forth in Section III, Paragraph A. 5, 6, 7 and 8 of PAI 20-3.05, shall continue to be stricken from the PAI, and in lieu thereof, employees shall each receive, at their option, either:

1. Four (4) days of paid excused absences per annum as personal leave (conversion of Lincoln's Birthday Holiday to an additional personal leave day) which may be taken for such reasons as the employee may deem necessary (limited to a minimum portion of half (1/2) day increments); or,
2. Elect to take payment, at the straight time pay rate applicable to such employee, for any portion of the four (4) days of personal leave provided for under Paragraph C1 of this Section (limited to a minimum portion of half (1/2) day increments.) Any employee exercising the option to receive such payments at straight time pay rates for any portion of the four (4) days of personal leave shall receive this payment in the pay period following the pay period in which the option was exercised. Any remaining portion of personal leave days not paid in cash may be taken

off as personal leave for such reasons as the employee may deem necessary (limited to a minimum portion of half (½) day increments).

D. Effective October 16, 1998, employees may, in addition to receiving either four (4) personal leave days per annum, or pay for any portion thereof in accordance to Paragraph C, 1 and 2 of this Section, designate eight (8) hours of compensatory time per annum to be converted into one (1) additional day of personal leave which may be taken in the year of designation. Once an employee takes eight (8) hours of personal leave in a year in which he has designated eight hours of compensatory time as personal leave, the employee may designate eight (8) additional hours of compensatory time per annum to be converted into an additional day of personal leave which must be carried over into the following year.

E. Requests by employees for excused absences as set forth in Paragraphs B and C above shall not be unreasonably denied.

XXIX. TRANSFER OF UNIT WORK

A. Except as modified in the Unit Work Clarification Agreement, annexed hereto as Exhibit O, Unit Work currently and heretofore performed by employees in the covered membership will continue to be performed by such employees, so long as such work continues to be performed by or on behalf of the Port Authority. The Port Authority will not transfer and/or reassign such Unit Work to non-unit personnel, contractors or subcontractors without negotiations, except in accordance with the Unit Work Clarification Agreement.

B. Body and fender work, automatic transmission overhaul, automotive painting, front end alignment, radiator and heater core overhaul, warranty work, heavy truck leaf spring and automotive glass work, or other functions not currently and heretofore performed by employees in the covered membership, may continue to be assigned to contractors or subcontractors at the option of the Port Authority.

C. The Port Authority will have the right to transport both new vehicles and vehicles being disposed of by contractor rather than via a Port Authority transport vehicle operated by UOAT staff in the Central Shop.

D. Retrofits

The Port Authority, in its sole discretion, may outsource the retrofitting of sixty-five (65) diesel-powered vehicles/equipment and determine the scheduling, and vehicle/equipment selection for such retrofitting. Retrofitting of the selected vehicles/equipment will be accomplished in a manner to reduce vehicle emissions as current and proposed laws and legislation require reductions in vehicle emissions, notwithstanding whether the Port Authority is required to comply with these laws and legislation. Such retrofits may include the furnishing,

ND *RCC*

installation and operational adjustment, and may include but is not limited to the reprogramming of computer controlled components, if applicable, vehicle components/systems, particulate traps and NOX reducers, to ensure the proper operations of the retrofitted vehicle/equipment. The Port Authority will not have the right to outsource complete engine overhauling in this retrofit work. Following installation any repair work associated with these components or their removal will be UOAT unit work unless such repair work is warranty work which shall continue to be governed by the Warranty Work provisions of this Agreement.

At the Port Authority's sole discretion, the work may be performed on or off Port Authority property/facility. If performed on Port Authority property/facility then an equal number of UOAT employees and non-unit personnel will perform such work.

The union will be advised in writing on each occasion a vehicle/equipment is retrofitted, whether on or off Port Authority property/facility.

E. Intentionally Left Blank

F. Warranty Work

a) The Port Authority and the UOAT agree that the term "Warranty Work", as enumerated in Section XXIX (B) herein, shall be clarified to include extended maintenance service agreements. Effective October 16, 1998, the Port Authority agrees to end all new manufacturer's offered extended maintenance/warranty agreements, entered into after the effective date of this agreement at forty-eight (48) months or 60,000 miles, whichever occurs first.

b) Vehicle components/items which are repaired/serviced as a result of normal "wear and tear" (brake linings, bulbs, lamps, etc.) as well as scheduled fluid and filter changes will not be the responsibility of vendors retained under the terms of the "warranty work" as clarified in this agreement. Such work will continue to be performed by UOAT employees. However, components/items which are repaired/replaced/serviced as a result of a defect or malfunction shall be included in work permitted under the terms of "warranty work" as clarified herein.

c) Exceptions to these limitations on warranty terms (i.e., forty-eight (48) months or 60,000 miles whichever occurs first) are warranty items which are provided by vehicle manufacturers as required by federal, state, or local laws, regulations, acts, etc., or for which the Port Authority is not required to pay (e.g., seven (7) year warranty on catalytic converter, manufacturer design flaw or recall which is corrected in year seven (7)).

Handwritten signatures in black ink, including a large signature that appears to be 'RCC' and a smaller signature to its right.

d) All manufacturers' extended maintenance/warranty agreement time periods shall begin on the vehicle in-service date, not the delivery date to the Port Authority, should those dates be different. It is agreed, however, that, in no event, will the date of any warranty agreement begin beyond three (3) months after vehicle delivery for sedans, vans, (mini vans and other vans), pick-ups, and jeeps; and, beyond six (6) months after vehicle delivery for police cars and any other fleet equipment, if applicable.

G. Intentionally Left Blank

H. The Port Authority recognizes that, as identified in grievance number 18U-95, vendors undertook to perform certain work which had not been required of them by the Port Authority, and which would otherwise have been performed by UOAT employees had it not been performed by the vendors. The Port Authority agrees to actively monitor vendor contracts in the future to ensure that UOAT Unit Work is not inadvertently performed by non-unit employees in the future.

I. The Port Authority shall have the ability to automate, through electronic means, including the recording by UOAT employees of fleet maintenance information (e.g. bar-coding information, inputting of data into computer terminal/keyboard, etc.)

The Port Authority envisions that automation will streamline current paper intensive processes in the following areas:

1. Inputting or barcoding of work order information.
2. Filing and retrieval of work order information.
3. Computerization of manually kept data or the incorporation of Personal Computer (PC) databases with the new AMOS replacement system.
4. Automated collection and tracking of parts/part invoice information/and other material/service documents.

Details of the automation requirements will be provided to the UOAT during the course of system development and/or system selection.

XXX. MISCELLANEOUS

A. Existing procedures relating to eligibility for single-day and half-day vacation and meal and break wash-up times shall remain in effect during the term of this Memorandum of Agreement. Fifteen minutes of the typical 2:00 p.m. afternoon and 10:00 p.m. evening breaks will be eliminated and the remaining five (5) minutes will be added to wash-up time at the end of the tour. This paragraph does not limit the right of any covered member (permanent or probationary) to have union representation for disciplinary matters consistent with law.

E. Employees filling any provisional job created because someone in the Bargaining Unit accepted a promotion (provisional or otherwise) or lateral move (provisional or otherwise) within or outside the Bargaining Unit, will become permanent in that UOAT job unit if he works in the job for 90 cumulative calendar days. If an employee was promoted (provisional or otherwise) outside of the Bargaining Unit and returns to the Bargaining Unit after 120 cumulative calendar days, that employee shall be kept in excess but shall lose all seniority rights within the Bargaining Unit. Any person hired as a result of a promotion (provisional or otherwise) within or outside the Bargaining Unit shall be a permanent employee covered in all respects by the Memorandum of Agreement after 90 cumulative calendar days. This shall not apply in the case of medical backfills within the Bargaining Unit.

The parties agree that in the event the Port Authority modifies the policy entitled Excused Absence for management employees to include as a reason for an excused absence bereavement leave because of a death of a grandparent or domestic partner, the Exhibit "H" of this Memorandum of Agreement shall be appropriately modified to include these aforementioned classes of persons to those groups of persons for whom Excused Absence is authorized under Section III, paragraph 3 of PAI 20-3.05, annexed hereto as Exhibit H.

2. Representation Fee Amount

At least two (2) standard pay periods before any modification to the existing representation fee to be deducted, the Union shall notify the Port Authority in writing of the representation fee sum to be deducted from non-members' wages and salaries, but in no event shall such fee exceed 85% of the membership dues and assessments of the Union. Any change in the amount of the representation fee to be deducted shall be made upon written notification by the Union to the Port Authority.

Compensation at two (2) times the normal base hourly wage will be limited to no more than twenty-four (24) hours on any of the above-specified holidays.

The starting time of the tour of duty will determine if an employee is working on the holiday for the purposes of this Section, as the Port Authority's timekeeping (sign-in sheets) will designate the day for which the employee is working.

For purposes of the above two (2) times rate of pay, when the employee requests to receive overtime in hours (compensatory time) instead of pay, only the 1 ½ times rate of pay will be banked and the additional ½ time portion will be paid. XXXIX. PRIOR LETTERS OF AGREEMENT

The provisions of the prior letters of agreement, which are still valid, shall be deemed incorporated into the body of this Memorandum of Agreement and are annexed hereto as Exhibits.

XL. ROAD CALLS REQUIRING AUTOMOTIVE TECHNICIAN RESPONSIBILITIES

To ensure the continued safety of CAD trades employees assigned to Staten Island Bridges (SIB) and Lincoln Tunnel (LT) Auto Shops during snow and emergency coverage, the Port Authority will continue its current practice of not sending any Automotive Technicians alone on a repair type road call to make repairs to a disabled vehicle. Transporting vehicle keys to a driver does not constitute a repair type road call. Further, an Automotive Technician directing and instructing other employees in removing a disabled vehicle in the LT or on the SIB shall not be considered a repair type road call or require two (2) Automotive Technicians. Diagnosing and examining vehicles for problems shall be considered a repair type road call requiring two (2) Automotive Technicians.

2. Employee Non-Revenue E-ZPass Program

- A. The Program allows for free passage for Port Authority employees at facilities operated by the Port Authority. The number of free passages at Port Authority Tunnel and Bridge facilities and the free use of parking lots at Port Authority Airports for employees shall not be less than under the Personal and Commutation Pass Program. The Employee E-Z Pass tag may only be used in a vehicle occupied by the employee to whom it is issued for free commutation or personal (non-commercial) passage at Port Authority tunnels and bridges. If, inadvertently or unavoidably, use of a non-revenue tag occurs when the employee is not in the vehicle, the employee must reimburse the Port Authority for that toll incurred. The Employee E-ZPass tag may not be used in return for payment or other form of compensation such as driving a delivery vehicle, taxi or limousine.

Employees are issued a unique non-revenue Employee E-ZPass tag and an individual E-ZPass account upon application for the Port Authority Employee E-ZPass Program. Only one tag, the employee/retiree non-revenue tag, is permitted to be on the account. If the employee chooses to fund the account with a prepaid toll balance, the Employee E-Z Pass tag may also be used for the employee's personal travel at non-Port Authority toll

facilities that accept E-ZPass. If the account is funded with a prepaid toll balance, the employee is responsible for maintaining sufficient funds in the account at all times.

B. Eligibility

The Port Authority Employee E-ZPass Program is available to eligible active and retired employees. Newly hired permanent Port Authority employees will receive Employee E-Z Pass enrollment materials as part of their orientation package.

C. Employee Responsibilities

Employees must follow all E-ZPass rules and regulations, the New York E-ZPass Customer Agreement Terms and Conditions, Port Authority Addendum to the Terms & Conditions, and this Section, except as provided in paragraph J below.

D. Misuse of Employee E-ZPass Tags

The misuse of an Employee E-ZPass tag may result in formal disciplinary action, the cancellation of free passage privileges and other appropriate penalties.

E. Vehicle Class

If the employee's vehicle is not a Class 1 vehicle (which typically includes private vehicles such as automobiles, sport utility vehicles "SUVs", minivans, or personal use vans) with two axles and single rear wheels, you may not use the tag at any toll facility that is not operated by the Port Authority.

F. E-ZPass License Plate Tags

Some vehicles may require a license plate tag which is only available for funded accounts. Applicable rules and regulations applying to E-ZPass license plate tags will be communicated to affected employee/retirees.

G. Lost, Stolen or Retained Employee E-ZPass Tags

Employees must immediately report a lost, stolen or retained Employee E-ZPass tag to the New York Customer Service Center. Replacement of the lost or stolen or retained E-ZPass tag shall be on the same terms and conditions as management, as may be modified from time to time.

H. Account Suspension or Revocation

Handwritten signatures in black ink, including a large signature that appears to be 'RCC' and a smaller signature to its right.

In the event that an Employee E-ZPass account is Speed Suspended or Revoked, the employee must immediately notify the department administrator and discontinue use of the tag at all Port Authority and non-Port Authority facilities. Use of a tag associated with a suspended or revoked account will result in the issuance of Violations with related tolls and fees being due. These will be the responsibility of the employee to satisfy.

I. Non-Functioning E-ZPass Tags

In the event an E-ZPass tag stops working through no fault of the employee, the Port Authority will replace the E-ZPass tag without cost to the employee.

J. Petty Cash Reimbursement

An employee who reports his E-ZPass tag lost, stolen or retained or if the account is suspended or revoked, may submit requests for reimbursement of tolls paid through the employee's department's petty cash process. In order to be considered for the reimbursement, the vehicle must use the Cash lane and a receipt for tolls paid must be obtained. The employee will be reimbursed until his E-ZPass is replaced.

K. Identification

Employees must be prepared to show Port Authority photo identification when using the Employee E-ZPass tag at Port Authority facilities.

L. Audit

All non-revenue use at Port Authority facilities with an Employee E-ZPass account are subject to audit for compliance with the guidelines established in this Section, the New York E-ZPass Customer Service Agreement Terms and Conditions and the Port Authority Addendum to the Agreement.

M. Employee Separation

An Employee E-ZPass account is deactivated upon separation from Port Authority service, with the exception of retiring employees who retain their Employee E-ZPass account privileges. The tag must be returned to the departmental administrator upon leaving or the employee is charged the prevailing rate for the tag.

ND

Rce

N. Airport Parking

Employees may use the non-revenue E-ZPass tag at certain Port Authority parking lots (see Aviation Department's intranet website or the department administrator for a current schedule of which airport parking lots are available for employee parking). The available airport parking lots may be modified from time to time.

O. Electronic Statements

Where an active Port Authority employee has access to Port Authority "Outlook", E-Z Pass statements may be forwarded to the employee via this system. All other employees/retirees participating in the E-ZPass Program will receive their E-ZPass statements via U.S. mail, unless the employee/retiree provides the Port Authority with an e-mail address.

XLV. ROVING WELDER

There shall be two (2) home bases for Roving Welder positions, Central Shop and George Washington Bridge. The individuals assigned to these welder positions may be temporarily assigned to Auto Shops as needed to perform the duties and responsibilities of Welder/Fitter, as enumerated in Job Specification No. 2205, contained in the Memorandum of Agreement under Exhibit A. The roving coverage responsibility for the Central Shop Welding Home Base is the Auto Shops at SIB and the Lincoln Tunnel. The roving coverage responsibility for the George Washington Bridge Welding Home Base is the Auto Shop at LaGuardia Airport, including Brooklyn Piers.

A Port Authority vehicle containing the appropriate welding and burning equipment will be made available to the Roving Welders to respond to these and other locations. Such vehicles however, will not be assigned exclusively to the Roving Welders, it may be used for other Auto Shop activities.

Any overtime opportunities arising from Welder/Fitter duties and responsibilities at either the George Washington Bridge or LaGuardia Airport, including Brooklyn Piers, Auto shops shall first be offered to the Welder assigned to the GWB Roving Home Base.

Any overtime opportunities arising from Welder/Fitter duties and responsibilities at the Central Shop, SIB or the Lincoln Tunnel Auto Shop shall first be offered to the Welder assigned to the Central Shop Roving Home Base.

The Roving Welders may be utilized to respond to Port Authority Auto Shops where Welder/Fitters are permanently assigned in order to provide replacement coverage due to an authorized absence or workload of a Welder/Fitter. In such cases, the Central Shop Roving

Welders would respond to the Auto Shops at Newark Airport and PATC and the Roving Welder based at GWB would respond to JFK Airport.

Whenever the workload associated with the Welder/Fitter duties and responsibilities, other than that resulting from an authorized absence, requires manpower over and above a shop's normal compliment, an attempt will first be made to satisfy the shop's workload requirement through overtime at the shop before utilizing the Roving Welder to perform these duties and responsibilities.

If in such circumstance any overtime opportunities arising from Welder/Fitter duties and responsibilities at such an Auto Shop, it shall first be offered to the Welder/Fitter permanently assigned to that Auto Shop. The Roving Welder will be eligible for such overtime opportunities only after all permanently assigned Welder/Fitters at that Auto Shop have either elected not to accept the overtime work, or all permanently assigned Welder/Fitters at that auto shop have accepted the overtime work and still more Welder/Fitter overtime work is available at that Auto Shop.

The Roving Welders will continue to work shop overtime when slipped shifts are implemented at their Home Base Auto Shops. However, a response by a Roving Welder to a facility Auto Shop not working a slipped shift will not necessitate that this particular Auto Shop slip its shift, nor will the Home Base Auto Shop be slipped automatically if the Roving Welder is sent to a facility that is slipped. If the Roving Welder is sent to a facility that has slipped its shift, the Roving Welder will work the slipped shift hours at the facility he is assigned to.

Any past practice regarding the Roving Welder positions not specifically addressed in this Agreement shall continue to be fully applicable to the two (2) Roving Welder positions.

XLVI. TERM OF CONTRACT

A. The term of this Memorandum of Agreement shall commence at 12:00 a.m. on August 23, 2006 and shall expire at 11:59 p.m. on August 22, 2011.

SICK ABSENCE CONTROL PROGRAM

In computing sick absences, one (1) day of sick absence or any number of consecutive working days of sick absence will be considered as one (1) occasion of sick absence.

When sick absences occur immediately prior to and immediately following a holiday, the holiday shall be treated as a sick day.

During the term of this Memorandum of Agreement, employees in the covered membership will be eligible for payment under PAI 20-3.03 attached as Exhibit K-3 as revised through July 1, 1968 for occasions of sick absences as follows:

- 1st and 2nd occasion of absence in calendar year - full pay
- 3rd and 4th occasion of absence in calendar year - no pay - 1st day
- 5th occasion of absence in calendar year - no pay - 1st three days
- 6th and subsequent absences in calendar year - no pay

Only the first occasion of sick absence in a calendar year due to an injury on duty will not be counted as an occasion of sick absence. All subsequent occasions of absence in the same or any other calendar year due to such injury on duty will be counted as an occasion of sick absence. Notwithstanding the immediately preceding sentence, a recurring sick absence attributable to an Injury on Duty when the employee's return to work was "conditionally approved" by the Port Authority Office of Medical Services (OMS) will not be treated as an occasion of sick absence. Employees returned on a conditional basis must return to OMS to be re-evaluated on a bi-weekly basis, thereafter, in order that a medical determination may be made whether or not the conditional basis of such a return may be removed. Any sick absence requiring overnight hospitalization shall not be considered as an occasion of sick absence under the Sick Absence Control Program.

RCC *NSP*

In situations in which there is a disagreement between the Port Authority Office of Medical Services (OMS) and an employee's treating physician concerning whether a) the employee is medically fit to return to full duty, or b) is medically fit to return to duty under a medical restriction, or c) is not medically fit to return either to full duty or under a medical restriction, the OMS shall provide to the employee a list of at least three (3) physicians from among whom the employee shall promptly make an appointment for the purpose of obtaining a medical opinion on this issue. If the employee requests an additional list of at least three (3) physicians, then the OMS shall provide an additional list to the employee, provided that the employee makes such request in writing to the OMS within three (3) working days of the employee's receipt of the first list. The opinion of that physician as to whether a) the employee is medically fit to return to full duty, or b) is medically fit to return to duty under a medical restriction, or c) is not medically fit to return either to full duty or under a medical restriction shall be final and binding on the Port Authority, the employee, and the Union and not subject to the Grievance Arbitration Procedures of this Memorandum of Agreement.

Prior to January 1, 1999, if an employee in the covered membership loses no time during a calendar year due to illness or injury, he will receive, at his option, in the subsequent calendar year either three (3) days' pay at the straight time rate applicable to such employee, or three (3) days of excused time in addition to all other authorized excused days as provided by PAI 20-3.05 annexed hereto as Exhibit "H" revised August 3, 1967, or a combination of such pay and excused time totaling three days, and the scheduling of such excused days off are to be mutually agreeable to the employee and his supervisor. The pro rata schedule for perfect attendance days currently in effect and applicable to those members starting in the UOAT and having perfect attendance for the remainder of that year will be incorporated into the Agreement as follows:

January, February, March	3 days
April, May, June July	2 days

NSP

RCC

August, September	1 day
October, November, December	0 days

Effective January 1, 1999, if a UOAT employee who has completed his probationary year of PA service achieves perfect attendance in any calendar year during the term of this Memorandum of Agreement, then the employee will receive, in the subsequent calendar year, three (3) days pay at the straight time pay rate applicable to such employee. Employee's entitled to receive pay for perfect attendance days will receive such cash payments (limited to a minimum portion of 1/2 day increments) in the calendar year following the year in which perfect attendance days were earned.

An employee shall receive this payment in the pay period following the pay period in which the employee's request for cash payment is made. Employees requesting payment must do so in writing to the timekeeper, with the supervisor's acknowledgement. The request must include the employees name, employee number, request date, current balance, the amount requested in 1/2 day (4 hour) increments minimum and the pay period that payment is requested.

On or about December 1, any remaining perfect attendance balance due to an employee will automatically be paid by the final pay period of the year.

The Manager of the Central Automotive Division (or his designee) may discipline an employee who, in his judgment, has been excessively absent up to the equivalent of three (3) days pay, provided that such employee has been warned, in writing, of deteriorating attendance at any time during the preceding twenty-four (24) months. The Manager may discipline an employee who, in his judgment, has been excessively absent, up to the equivalent of five (5) days pay, provided that such employee has previously been disciplined pursuant to this Sick Absence Control Program within the preceding twenty-four (24) calendar months. Any employee may within twenty (20) days, appeal such discipline to his

Department Director. The Department Director's decision may be appealed within twenty (20) days to the Director of Human Resources, whose determination shall be subject to the Grievance Arbitration Procedure contained herein.

The provisions of the preceding paragraph shall not be deemed to preclude the Port Authority from instituting disciplinary action for excessive sick absences under the regulations promulgated by the Executive Director in accordance with the Tenure of Office Resolution.

The provision of PAI 20-3.03 as revised through July 1, 1968, entitled "Sick Leave" shall, except as modified by the provisions of this Exhibit "D", apply to the covered membership and shall not be further revised with respect to the covered membership during the term of this Memorandum of Agreement.

EXHIBIT E

GRIEVANCE ARBITRATION PROCEDURE

The Port Authority and the Union agree that the procedure for processing grievances with respect to the alleged violation of any provision (other than Section X. Paragraph A) of the Memorandum of Agreement shall be as follows:

A. Policy

Employees in the covered membership shall have the right to present grievances in accordance with the procedure described herein free from interference, coercion, restraint, discrimination, or reprisal. The informal resolution of differences prior to the initiation of actions under this Grievance Arbitration Procedure ("Grievance Procedure") is encouraged and desired by the Port Authority and the Union.

B. Definitions

Pursuant to the Memorandum of Agreement to which this Grievance Procedure is annexed as Exhibit "E." and for the purposes of this Exhibit:

1. A grievance is a complaint limited to any dispute concerning the application or interpretation by the Port Authority of any provision expressly set forth in this Memorandum of Agreement (other than Section X. Paragraph A) which application or interpretation is alleged to constitute a violation of the Memorandum of Agreement or any provision thereof.

The processing of a complaint by the Port Authority pursuant to this Grievance Procedure shall not constitute

a waiver by the Port Authority of any defense or claim that the conduct complained of does not involve the application or interpretation of any provision of the Memorandum of Agreement.

2. Disciplinary Charges and Specifications ("Charges") or Notice of Intention to Discipline ("NOI") shall mean Charges and NOIs filed on or after the date of execution of this Memorandum of Agreement pursuant to Disciplinary Procedures annexed as Exhibit "P".

C. Procedures

Grievances and Disciplinary Charges or NOIs as defined in Paragraph B. above shall be processed as follows:

1. Step One: Initial Processing of Grievance

A written grievance shall be submitted by the grievant in writing on Port Authority Employee Grievance forms to the Facility Manager or his designee with a copy to the Labor Relations Manager, Labor Relations Department and a copy to the Union if the President thereof or his designee is not the grievant, within thirty (30) working days of the commencement of the event which gave rise to the grievance or the date the grievant should reasonably have been expected to become aware of the event which gave rise to the grievance. In situations where the Union is not the grievant, the Port Authority must provide the Union with a copy of the written appeal. The Facility Manager or designee must respond within fifteen (15) working days of its receipt.

2. Step Two: Appeal of Grievance

If the parties fail to resolve the grievance at Step One or the Port Authority fails to respond within fifteen (15) working days of its receipt, the Union or the grievant may submit an appeal of the grievance in

MS

RCC

writing stating the grounds thereof within twenty (20) working days thereafter to the Labor Relations Manager. The Labor Relations Manager shall issue a written determination from an appeal of Step One within twenty (20) working days after the receipt of such appeal setting forth the reasons for the determination. The response from the Labor Relations Manager will be final and binding unless appealed to arbitration as provided herein. Any unsettled grievance may be appealed to arbitration as set forth in Step Three.

3. Step Three: Arbitration

- a. The President of the Union or his designee shall have the exclusive right to refer to arbitration any unsettled grievance which is alleged to constitute a violation of the Memorandum of Agreement or any provision thereof by sending a written demand for arbitration to the Labor Relations Manager, within twenty (20) working days following receipt of the Step Two determination or the date the Step Two determination was due.
- b. If the President of the Union demands arbitration, upon sending a written demand for arbitration to the Labor Relations Manager, or if, in accordance with the Disciplinary Procedure Exhibit "P", the Assistant General Counsel Employment Relations of the Law Department elects to refer Charges or a NOI to arbitration, with written notice to the President of the Union and the Attorney for the Union the matter will be referred to an arbitrator selected from the American Arbitration Association's Labor Panel.
- c. The Arbitrator shall not have the power to add to, subtract from or modify the provisions of the Memorandum of Agreement and shall confine his decision solely to the interpretation and application of the Memorandum of Agreement. The Arbitrator shall confine himself to the precise issue presented for arbitration and shall have no authority to determine any other issues not presented nor shall he submit observations or declarations of opinion which are not

ND

RCC

essential in reaching the determination. The Arbitrator shall be bound by the then-effective Voluntary Labor Arbitration Rules of the American Arbitration Association.

- d. The decision, award or relief afforded by the Arbitrator shall be in writing and shall be final and binding upon the Port Authority, the Union and the grievant(s) or the employee(s) covered by the Charges or NOI ("charged employee") or to the extent permitted by and in accordance with applicable law and the Memorandum of Agreement.
- e. All fees and expenses of the Arbitrator shall be divided equally between the parties. Each party shall bear the cost of preparing and presenting its own case.
- f. A stenographic record shall be kept in all grievance hearings. The Port Authority shall select the court reporters and arrange for their attendance. The Port Authority and the Union shall divide equally the costs of the transcript for the Arbitrator, the court reporter fees and the court reporter expenses. Each party shall be responsible for the cost of their own transcript(s).
- g. The hearing will be conducted at a Port Authority location mutually agreeable between the parties. The Port Authority shall make arrangements for use of the selected location and shall be responsible for notifying, in writing, the Arbitrator, the Union, and the Attorney for the Union of the date, time and location of the hearing.
- h. All requests for adjournments, if not mutually agreed to shall be made to the Arbitrator. If an adjournment is granted the party requesting the adjournment shall bear the full costs of the adjournment.
- i. The Arbitrator shall issue his decision in writing as soon as possible after the close of the hearing.

- j. The settlement, award or relief ("resolution") upon a grievance may or may not be retroactive as the equities of each case demand but in no event shall such resolution be retroactive to a date earlier than thirty (30) days prior to the date that the grievance was first submitted.
- k. Grievance resolutions or decisions at Steps One or Two shall not constitute a precedent in any arbitration or other proceeding.

D. Representation

1. The grievant is entitled to Union representation at each Step of this Grievance Procedure. The Union shall have the exclusive right to represent members in any grievance, provided, however, that any grievant or group of grievants shall have the right to present his or their own grievance at Steps One and Two without representation of any kind, provided further that no resolution of a grievance shall be inconsistent with the provisions of the Memorandum of Agreement. The Union will be notified by the Port Authority of all Step One and Step Two grievance meetings and shall have the right to be present and to offer statements at any grievance Step meeting.
2. The grievant(s), the Union representatives, and any witness(es) shall be excused from duty pursuant to present practice for the processing of grievances and attendance at hearings. All excusal requests must be presented to the Labor Relations Manager or designee not less than five (5) working days in advance if possible.

E. Special Provisions

1. The term "working days" as used herein shall mean calendar days exclusive of Saturdays, Sundays and public holidays.
2. The parties may mutually agree in writing, when circumstances warrant, to by-pass the submittal of the grievance to the Facility Manager in Step One and to submit the grievance directly to the Labor Relations Manager as provided for in Step Two of this Grievance Procedure.
3. The failure by the Port Authority to meet a deadline specified herein shall permit advancing the matter to the next Step. The failure of the grievant or the Union to file a grievance, an appeal or a demand for arbitration within the time limit specified shall be deemed to be a withdrawal of the grievance.
4. All time limits contained in the procedure may be extended by mutual agreement in writing.

The Port of New York Authority

Revised PAI 20-3.01

VACATIONS

I. Introduction

This instruction outlines the policy and operating procedures on vacations granted to Port Authority employees.

II. Policy

- A. The Port Authority grants vacation in the belief that it contributes to the good health and well-being of the staff and is, therefore, mutually beneficial to the employee and the organization.
- B. Permanent, probationary and project employees of the Port Authority (other than police) are granted vacations of up to five weeks yearly, depending on length of service, job classification and certain other factors defined in the attachments to this instruction. For certain categories of employees, vacation days in excess of the normal schedule may be granted as one form of compensation.
- C. Members of the Police Force receive vacations of up to 27 days yearly, depending on length of police service.
- D. Employees cited for performing services beyond normal expectations and receiving either the Medal of Honor, the Howard S. Cullman Distinguished Service Medal, the Distinguished Service Medal, or the Commendation Medal/Police Commendation Medal receive extra days of vacation as specified in Attachment B to this instruction.
- E. The Personnel Director may, with the approval of the Executive Director, modify vacation policies to fit the requirements of unusual situations.

III. Operating Rules

- A. Attachment A outlines the operating rules for the administration of the vacations policy.
- B. Attachment B, Port Authority Vacation Allowance Table, shows the specific vacation allowances for the various categories of employees during their first year of employment, in subsequent years and upon termination of employment. It also covers extra vacation days granted to employees awarded medals.

OPERATING RULES - VACATIONS

I. Vacation Scheduling for Pay Plan C Staff

- A. Each facility will publish an annual vacation schedule, stating the periods when operating conditions will permit vacations to be taken and the number of employees in each class of each work group who will be permitted to pick vacations during those periods. Where operating conditions permit, provision should be made for scheduling vacations throughout the year. Employees picking vacations will do so in minimum periods of one week and maximum periods of two weeks in order of their Port Authority seniority.
- B. Employees entitled to three or four weeks vacation, wishing to take it all in a single period will do so in seniority order during the second series of picks. Employees with five weeks vacation, wishing to take it all in a single period will do so in a third series of picks.
- C. When approved by management, employees will be permitted to take single vacation days. Such days will be deducted from the least desirable pick which is understood to be the last pick made by each employee.
- D. Vacation scheduling for Police will be handled in accordance with instructions issued by the Superintendent of Police.

II. Vacation Eligibility in Connection with Leave of Absence

For the year in which an ordinary, maternity, or long term military leave begins, an employee is entitled to vacation allowance equivalent to that for terminating employees shown in Part I, Attachment B, plus any vacation days carried over from previous years. After subtracting vacation already taken, the balance is taken before the leave begins. If the employee has already taken vacation days in excess of his allowance for the year, their value is subtracted from his last pay check before the leave begins. However, if at the time the leave begins, vacation has been taken in excess of vacation due in accordance with a facility or unit vacation schedule published at the start of a calendar year, no adjustment in the final salary check will be made provided that the employee did not initiate a change in his assigned vacation via a mutual swap or special request.

PAI 20-1.01
ATTACHMENT A
2 of 3

Employees returning from ordinary or maternity or long term military leaves of absence in a calendar year other than that in which their leave commenced will be entitled to a vacation allowance, for that year only, as shown in Part II, Attachment B, Port Authority Vacation Allowance Table.

III. When a paid holiday occurs during an employee's vacation period, it will not be counted as a day of vacation (see PAI 20-1.02).

IV. Vacation in Connection with Sick Leave

A. If an employee falls ill after starting his scheduled vacation, the period of his illness during this vacation may not be charged as a sick absence. If an employee is hospitalized for one night or more while on vacation, only the days of such hospitalization should be charged as sick absence time. Should questions arise regarding application of this policy, the Personnel Department should be consulted.

B. If an employee's sick absence starts before a scheduled vacation, the time absent due to illness should be charged as a sick absence provided the employee returns to work at the end of his illness before starting his vacation.

C. An employee who is absent for an extended period because of illness or injury, whether work connected or not, and who has received sick leave for a part or all of the period of absence, may be required to forfeit a portion or all of his normal vacation allowance. Department heads will recommend to the Personnel Director the appropriate action to be taken in such cases.

V. Vacation Carryover

A. Vacation must be taken in the year in which it is earned, unless special permission for accumulation of vacation allowance from one year to the next is granted by the Personnel Director. Such permission must be obtained prior to the end of the year in which the vacation is earned. Department heads may authorize carry-over of vacations of five days or less. An exception to this rule is specified in VI. B. below.

VI. Additional Vacation Allowance for Middle and Executive Management Staff

- A. Under the plan, authorized on May 13, 1971, for compensation adjustments for Professional, Managerial and Executive staff in salary ranges 6 through 13, employees in these categories could choose additional vacation days as one of several forms of additional compensation.
- B. These additional vacation days, if opted for, were credited to the employee's annual vacation allowance in 1971 and will be so credited on the first day of each succeeding year. They may be taken as paid time off each year or, with the approval of Department Directors, may be accumulated indefinitely.
- C. If these additional vacation days are not taken as paid time off, they will be paid for only on retirement and on the basis of the employee's salary rate in effect at that time.
- D. Because of the indefinite carryover provision of this plan, specified in B above, those responsible for maintaining timekeeping records should record these additional vacation days separately from the standard vacation day tally on the appropriate document(s).

VII. Length of Service in Connection with Vacation

- A. Length of service is determined as follows in computing vacation allowance:
 1. All periods of authorized absence with pay are included.
 2. All time on military leave and sick leave, with or without pay, is included.
 3. Time on leave of absence without pay in excess of one month is not included.
 4. If an individual is separated because of reduction in force and is re-employed within one year of the date of separation, his service prior to separation is included.
 5. If an individual is re-employed after a separation of more than one year due to reduction of force, or after dismissal or resignation, his service prior to such separation, dismissal or resignation is not included unless specifically approved by the Personnel Director.

11/24/71

PAI 20-3.01
ATTACHMENT A
4 of 5

6. Service as a full-time temporary employee is included, provided there is no interruption in employment exceeding five calendar days at the time his status is changed to project or permanent employee.

B. Prior to the issuance of this instruction, the manner of determining length of service for the purpose of computing vacation allowances was, in some cases, different from the above. As a result of the previous policy, certain employees have, in the past, received greater vacation allowances than they would be entitled to in accordance with A, J and S, above. It is not the intent of this instruction to reduce the future vacation allowance of any such employees. Any questions with respect to specific cases should be directed to the Personnel Director.

VIII. Vacation Allowance on Separation - Non-Police Employees

A. Vacation allowance on separation will be reduced by any vacation already taken in the calendar year in which separation occurs, unless such vacation was carried over from a previous year. However, if at the time of separation vacation has been taken in excess of vacation due in accordance with a facility or unit vacation schedule published at the start of a calendar year, no adjustments in the final salary check will be made, provided that the employee did not initiate a change in his assigned vacation via a mutual swap or special request.

B. Regardless of his termination date, an employee in good standing who has at least nine months' service and who is separated for such reasons as reduction in force, death or retirement will be granted his full vacation allowance for the calendar year in which his services terminate, minus any used vacation time, provided he was present at work for at least one day during the calendar year.

C. An employee in good standing who is separated for any reason before the completion of nine months' service, and employees who are discharged for cause, including resignation under charges, are not eligible for vacation allowances on separation. Adjustments in the final salary check will be made, in such cases for any vacation taken in the calendar year.

- D. Any employee who is separated in good standing will be entitled to full credit for any unused vacation carried forward from a previous year under the provisions of Par. V, above. Any vacation carried forward from a previous year and taken prior to separation will not be considered in determining vacation allowance on separation.

IX. Vacation Allowances on Separation - Police Employees

- A. Vacation allowances on separation will be reduced by any vacation or days off in lieu of holidays taken in the calendar year in which separation occurs, unless such days were carried over from a previous year (see PAI 20-3.02).
- B. A member of the Police Force absent without pay for more than thirty consecutive days during a year, with the exception of absence while on military leave, shall have his succeeding vacation allowance reduced by 1/12 for each 30 consecutive days of such absence.
- C. A member of the Police Force in good standing who has had at least nine months' service and who is separated for such reasons as reduction in force, death or retirement will be granted his full vacation allowance, regardless of his termination date, for the calendar year in which his services terminate, minus any used vacation time, provided he was present at work for at least one day during the calendar year.
- D. A member of the Police Force in good standing who is separated for any reason before the completion of nine months' service, or who is discharged for cause, including resignation under charges, is not eligible for vacation allowance on separation.
- E. A member of the Police Force who is separated in good standing will be entitled to full credit for any unused vacation carried forward from a previous year under the provisions of Par. V, above. Any vacation carried forward from a previous year and taken prior to separation will not be considered in determining vacation allowance on separation.

EXCUSED ABSENCES

I. Introduction

This instruction describes the Port Authority's policy regarding excused absence for permanent, probationary and annual employees.

II. Definition

Excused absences are any authorized absences from scheduled hours of work for which no deduction is made from the employee's compensation, and which are not attributable to vacations, holidays, sick leave, military leave, or compensatory time credited or to be earned.

III. Policy

A. All Service C Employees

Port Authority management grants time off with pay to Service C employees and identifies the absence as excused time under the following circumstances only:

1. Time necessary for involuntary participation in governmental proceedings such as jury duty, draft board examinations, Workmen's Compensation Board hearings, or appearing in court as a subpoenaed witness.
2. Time necessary for voting. Any eligible employee who desires to vote in a general election, primary election, special election or local election in the community where he resides, and who is required to work on the day of such election and whose hours of work are such that it will be difficult or impossible for him to vote, shall be granted two hours of excused time off to vote. Such time off shall be allowed only at the beginning or end of the employee's tour of duty as designated by his supervisor. However, any employee who has four or more consecutive hours before or after his working hours during which polls are open will be considered to have sufficient time to vote outside of his working hours and will not, therefore, be granted excused time.

[Handwritten signatures and initials]

3. Time necessary because of a death in the employee's immediate family (spouse, child, parent, brother, sister, spouse's parent, other person living in the employee's home). When more than three scheduled work days are needed, the additional time must be approved by the employee's department director. Absences in excess of five work days for any one instance require written approval by the Personnel Director, copy to the Manager, Accounting Division.
4. Time for donating to the Port Authority Blood Bank. Any employee who donates blood to the Port Authority Blood Bank during his normal work schedule is granted the rest of that working day off as excused time. Any employee who donates blood outside his normal work schedule is granted three hours of excused time, to be taken at a time mutually convenient to the employee and his supervisor.
5. One day, in connection with wedding of the employee.
6. One day, in connection with time when employee's wife gives birth.
7. One day, when employee who is head of household moves his family from one permanent residence to another.
8. Illness of spouse when pre-school or disabled child needs care, or illness of minor (pre-high school) child when employee is the only adult in the household responsible for the minor child's care (limited to a total of two paid days off per calendar year).
9. Time necessary when extreme weather or other conditions, found to be beyond the control of the employee, affects transportation to the work location resulting in a delay or absence from work, when approved by the employee's department director or deputy director. This authority may not be delegated farther.
10. When early termination of normal tour is required, in order to comply with posted snow schedule assignment or to provide eight hours between termination of work and start of new work resulting from a change in schedule, excused time up to four hours is granted when authorized by the department director.
11. When early termination of work day for non-field employees is announced by the Personnel Director.

12. When overtime work in excess of five and one-half hours is performed by an employee who is called in from off-duty status, sufficient excused time is granted in order to provide a period of four consecutive hours off before the employee starts his next normal tour. For example, if the employee works from midnight until 6 A. M. and is scheduled to work the 8 A. M. to 4 P. M. tour, he receives two hours of excused time and starts his tour at 10 A. M.
13. Special individual situations as recommended by the department director and approved by the Personnel Director.

B. All Service B (including EXB) Employees

All Service B (including EXB) employees may receive excused time off with pay at the discretion of division or facility managers, when operating conditions permit. Such absences, when granted, should be limited to the time off reasonably required by the situation giving rise to the absence. Absences in excess of five work days for any one instance require written approval by the Personnel Director, copy to the Manager, Accounting Division.

- C. All provisions of this instruction affecting police employees are administered by the Superintendent of Police through his staff or facility commanding officers (see PAI 10-11.05).
- D. Service C, Clerical and Office classifications will be granted 1/2 day excused time, to be taken in combination with either the Good Friday half-holiday or the Christmas Eve half-holiday.

PRE-RETIREMENT SEMINARS

GUIDELINES

Central Automotive Division staff who have established a goal to retire within the next few years are encouraged to attend the Port Authority's Pre-Retirement Planning Program. This program offers an extensive array of information and resources to help employees plan for retirement.

Background

Historically, the Port Authority's Pre-Retirement Planning Program is oversubscribed even shortly after its schedule is announced. Consequently, interested staff who have not filed their retirement papers are then selected, usually on a first-come, first-enrolled basis. Unfortunately those individuals who have made definite plans to retire within a few years are not always enrolled first. Therefore, to maximize enrollment of those individuals who are approaching retirement and have made definite plans for retirement, the following guidelines should be followed by CAD staff.

Guidelines for Enrollment

1. Everyone who has filed their retirement papers and who have not attended a pre-retirement classes within the past three years.
2. Everyone who is at least 50 years old and who plan to retire within the next five years, provided they have not attended a pre-retirement class within the past three years.
3. To prevent an individual from attending these seminars every three years after they attain the age of 50, regardless of establishing definite plans, the following guidelines will apply. After attending the seminar twice over a six year period, the individual will not be approved for their third enrollment unless he/she has filed retirement papers and provided the third enrollment occurs at least three years after their last seminar.

In the event that enrollment in the program is limited to a number of employees, the following "order of enrollment" will be followed:

- o Individuals who have filed their retirement papers with the NYS Retirement System.
- o Age of employees. The oldest individuals will be enrolled first.
- o Seniority of PA employment. If the age of individuals are the same, the individual's PA service seniority will be considered. More senior individuals will precede less senior staff.

It is important to note that these are guidelines and, therefore, there are situations which need to be evaluated on a case-by-case basis.

CONSOLIDATION OF AUTOMOTIVE MECHANICS

The following is the negotiated agreement for the consolidation of the Automotive Mechanic - Light Vehicle and Automotive Mechanic - Heavy Vehicle classes with a single salary range attached as Range 67.

NEW HIRES

In the future, all vacancies for Automotive Mechanic - Heavy Vehicle will be filled from a single consolidated class. Prior to their employment, candidates will qualify through the testing process. Individuals hired into the consolidated range will be subject to the normal probationary period after which they will automatically progress through each step of the range based on the same criteria currently applicable to in-grade salary progression for Automotive Mechanics - Heavy Vehicle.

INCUMBENT AUTOMOTIVE MECHANICS - LIGHT VEHICLE

Those individuals currently on staff in the classification of Automotive Mechanic - Light Vehicle will be required to undergo uniform training. Employees who have been at the top step of the Automotive Mechanic - Light Vehicle range for a year or more will immediately progress to Step 5 of Range 67. Training will be provided to individuals in order of their seniority as Automotive Mechanic - Light Vehicle. All employees will progress in salary Range 67 on their anniversary dates except those employees who have been redlined and have received a new anniversary date.

The training required of the Automotive Mechanics - Light Vehicle on staff will consist primarily of courses in hydraulics, diesel engines, four-wheel drive and pneumatics. It is estimated that the duration of this training will be approximately 120 hours, no less than one-half of which will be provided during the employees' normal working hours, not to exceed 60 hours. The balance of the training will be undertaken on Saturdays or after normal work hours and employees will be compensated at overtime rates. Management will make every effort to arrange the training to accommodate each employee's personal circumstance.

Employees in training will progress in the salary range, except upon a demonstrable showing by the employer that they have not acquired the knowledge and skills necessary for them to perform as Automotive Mechanic - Heavy Vehicle.

Employees currently in the classes of Welder, Machinist and Automotive Painter will remain in Range 67. The starting rate for new employees in the classes of Welder, Machinist and Automotive Painter will be Step 5 of Range 67.

USE OF RENTED AND EMPLOYEE-OWNED VEHICLES

I. Introduction

This instruction describes the procedures governing the use of rented and employee-owned vehicles on Port Authority business. It supplements the instructions contained in PAI 15-3.02, The Port Authority Passenger Vehicle Use Program, and PAI 15-3.04, Use of Port Authority Passenger Vehicles.

II. Rented Automobiles and Taxis

A. Rented Automobiles

1. If no suitable Port Authority vehicles are available, the need to rent a passenger vehicle for use in the Port District on Port Authority business will be reviewed by the Operations Standards Division, Management Services Department. If the Operations Standards Division authorizes the rental, the Special Services Division, General Services Department will be responsible for making the necessary arrangements. In cases where this is impractical (e.g., Trade Development or Port Authority employees on business outside the Port District) the arrangements are made by the department concerned, with concurrence of the General Services Department. In the case of an emergency, the General Manager or Facility or Division Manager may authorize the use of a rental passenger vehicle. A memorandum of explanation should be sent to the Operations Standards Division, Management Services Department, as soon after the authorization as possible.
2. Accidents involving a vehicle rented by the Port Authority shall be reported as provided in PAI 55-3.01, Accident Reporting.

B. Taxis

Taxis may be used by employees on Port Authority business if circumstances warrant the expense. Reimbursement is obtained by inclusion of the expense in Expense Account, form PA 15, or Petty Cash Voucher, form PA 618 (see PAI 30-3.01, Expense Accounts).

III. Rented Special Use Vehicles

The need to rent a special use vehicle other than a passenger vehicle

will be reviewed by the Operations Standards Division, Management Services Department. If the Operations Standards Division authorizes the rental, the Purchase and Supply Services Division, General Services Department, will be responsible for making the necessary arrangements. In the case of an emergency, the General Manager or Facility or Division Manager may authorize the rental of a special use vehicle. A memorandum of explanation should be sent to the Operations Standards Division, Management Services Department, as soon after the authorization as possible.

IV. Employee-Owned Vehicles

A. Authorization

1. Department Directors, deputy directors, organization unit heads, or their designees may authorize the use of employee-owned vehicles on Port Authority business when:
 - a. Public transportation is unavailable or impractical;
 - b. an employee is asked to respond from his or her home to an emergency situation and a Port Authority vehicle is not readily available; or
 - c. the use of an employee-owned vehicle would require significantly less mileage on an origin-destination basis than the use of a staff car.
2. Except in cases when an employee is asked to respond from his or her home to an emergency situation, the employee must obtain authorization on either a Daytime Vehicle Usage Authorization, form PA 2036, or Overnight, Weekend and Holiday Vehicle Usage Authorization, form PA 2927. In the space provided for vehicle number, the employee should write his or her license plate number.

B. Conditions of Use

1. Employee-owned vehicles are subject to the same regulations as prescribed for Port Authority vehicles when their use on Port Authority business is authorized (see PAI 15-3.02).
2. Except for emergency call-in, only those drivers who are authorized to drive Port Authority vehicles may be permitted to use their own vehicles on Port Authority business. Written authorization is obtained by completing a Daytime Vehicle Usage Authorization, form PA 2036, or Overnight, Weekend and Holiday Vehicle Usage Authorization, form PA 2927, using the employee's license plate number in place of the vehicle number.

C. Reimbursement

1. a. When a department director or organization unit head requests an employee to use his or her own vehicle on Port Authority business, reimbursement is made at the rate of 18.5 cents per mile.

b. Personnel assigned to overseas trade offices are reimbursed for such vehicle use as follows:

London	-	33 cents per mile
Zurich	-	43 cents per mile
Tokyo	-	44 cents per mile

2. In addition, such other expenses as parking fees, non-Port Authority tolls, etc., will also be reimbursed as may be required. Expense accounts claiming such reimbursement will show the starting and ending odometer readings, total mileage, starting point, destination and the reason why the employee's car was used. In certain cases, employees will be reimbursed on the basis of mileage traveled from their normal work place instead of mileage traveled from home. Expenses for repairs (other than for damages sustained in an accident) made to an employee-owned vehicle while in use on Port Authority business, and other vehicle maintenance costs, are not reimbursable (see Paragraph D, 4 below).

D. Accidents and Liability for Damages

1. Accidents arising out of the operation of an employee-owned vehicle on Port Authority business shall be fully reported as provided in PAI 55-3.01.

2. In the case of a claim against an employee for damages to third persons arising out of the operation of an employee-owned vehicle on Port Authority business, the employee against whom the claim is made should immediately notify his or her organization unit head, the Claims Section of the Law Department, and, if applicable, his or her insurance carrier. Such claims are deemed to be potential claims against the Port Authority and the provisions of the Board Resolution of May 12, 1955, relative to the settlement of such claims, will apply.

3. If the employee carries insurance against such claims, the Port Authority will pay only the amount by which the claim exceeds the insurance

4. In the event any employee-owned vehicle on Port Authority business is damaged through accident, the Port Authority shall recompense the owner for that portion of losses deemed unrecoverable. The latter may include such losses as the amount deductible under a collision policy or for other losses not covered by insurance. Employees seeking unrecoverable expenses should contact the Claims Section, Law Department, for instructions.

E. Settlement of Claims

1. Employees whose vehicles have been damaged while on Port Authority business and who may be eligible for repayment of unrecoverable losses in accordance with the provisions of Paragraph IV, D, 4 shall, in all cases, comply with the following. Under any circumstances the cost of repairing the vehicle is to be estimated by a reputable, established auto body firm. An itemized statement must be included together with any copies of supplementary bills or statements.
2. The employee prepares a memorandum which includes all pertinent information concerning the expected cost of repairs and any unrecoverable losses and forwards the memorandum to his or her department director. The department director indicates on the employee's memorandum whether use of the vehicle on Port Authority business had been authorized and forwards the memorandum to the Claims Section.
3. Upon review, the Claims Section forwards approved claims to the Comptroller's Department for processing. In the event the claim is not approved for payment, the Claims Section notifies the claimant of the disapproval.

Labor Day	First Monday in September
Columbus Day	Second Monday in October
Veteran's Day	Fourth Monday in October
Election Day	Tuesday after the first Monday in November

All Pay Plan B, EXB and DB, and non-field Pay Plan C and DC employees are given the Friday following Thanksgiving Day as a paid holiday in lieu of either Lincoln's Birthday or Election Day, as determined annually by the Personnel Director. In addition, these employees are entitled to paid half-holidays on Good Friday and on Christmas Eve when it falls on a Monday, Tuesday, Wednesday or Thursday (offices normally will close at Noon on any half-day holiday).

C. Holiday Substitute Days:

1. When a full-day paid holiday occurs on a Sunday, Pay Plan B, EXB and DB, and non-field Pay Plan C and DC employees are entitled to the following Monday off with pay. When a full-day paid holiday occurs on a Saturday, these employees are entitled to the preceding Friday off with pay.

ASC
NSP

2. All field employees (including Pay Plan F) are entitled to the eleven paid holidays listed in Par. A, above, but if the employee must work on the holiday or if it falls on his scheduled regular day off, a substitute paid day off in lieu of the actual holiday is arranged.

D. When a paid holiday occurs during an employee's vacation period, it is not counted as a day of vacation. When a paid holiday occurs within a period of sick leave or short term military leave, no substitute paid day off is granted.

E. **Holiday Policy for Police Employees**

1. In lieu of holidays on which they are required to work, members of the police force are allowed paid days off. Police Officers and Police Superior Officers are allowed 11 and 10 days respectively.

F. **Holidays for Domestic and Overseas Trade Development Offices**

Domestic and Overseas Trade Development Offices observe American national holidays which are traditionally observed in the community in which they are located. In addition, individual offices observe other holidays in accordance with the custom of their headquarters city, as approved by the Personnel Director.

III. Exhibit A attached contains the detailed operating rules and procedures applicable to Port Authority Holidays.

NSP

RCC

**PORT AUTHORITY HOLIDAY
OPERATING RULES AND PROCEDURES**

A. Compensation for Holiday Work (other than police)

1. General

The nature of Port Authority operations is such that some field employees are required to work on each holiday as part of their normal work schedules. Also, in emergencies, both field and non-field employees may be called in for holiday work outside their schedules.

- a. Every effort is made to minimize the number of employees required to work on Port Authority paid holidays.
- b. Insofar as it is practicable, holiday work is equally distributed among all employees in each organization unit who are both qualified and available to do the work required.

2. Non-field Pay Plan C employees

- a. When a non-field Pay Plan C or DC employee is required to work on a full-day holiday which is celebrated on Monday through Friday, he receives for that day:
 - (1) His regular salary; plus
 - (2) premium compensation at one-half times his regular rate of pay for all authorized holiday hours worked up through 7½ hours; plus
 - (3) premium compensation at one and one-half times his regular rate of pay for all authorized holiday hours worked beyond 7½ hours; plus
 - (4) a full substitute day off with pay at a time mutually agreeable to the employee and his supervisor, regardless of the number of hours worked on the holiday. (The employee may elect to receive one day of additional compensation at his regular rate of pay, in lieu of receiving a substitute day off with pay.)

NSP

ACE

b. When a non-field Pay Plan C or DC employee is required to work on a full-day holiday which falls on a Saturday or Sunday, he receives for that day:

- (1) Premium compensation at one and one-half times his regular rate of pay for all authorized holiday hours worked; and
- (2) Monday off with pay in the case of holidays falling on Sunday and Friday off with pay in the case of holidays falling on Saturday.

c. A few non-field Pay Plan C and DC employees have position responsibilities which require normal work schedules that include Saturday or Sunday work. When a holiday falls on such a Saturday or Sunday, the employee is compensated by holiday premium pay as described in paragraph 3a, below.

d. In each of the above cases, if the holiday on which the employee works is a half-holiday, the same rules governing compensation and time off apply, but on a half-day basis.

3. Field Pay Plan C (non-police) employees

a. When a field Pay Plan C (non-police) employee is required to work on a holiday as part of his normal work schedule, he receives (unless agreements with employee representatives stipulate otherwise) for that day:

- (1) His regular salary; plus
- (2) premium compensation at one-half times his regular rate of pay for all holiday hours worked up through 8 hours; and
- (3) premium compensation at one and one-half times his regular rate of pay for all hours worked beyond 8 hours.
- (4) A substitute day off with pay.

5. When a field Pay Plan C (non-police) employee is required (i. e., called in) to work on a holiday outside of his normal work schedule, he receives for that day

ND

RCC

- (1) His regular salary; and
- (2) premium compensation at one and one-half times his regular rate of pay for all authorized holiday hours worked.
- (3) No substitute day off is granted.

4. **Application of Policy, Rules and Procedures for Pay Plan C (non-police) and DC Employees**

- a. Pay Plan C (non-police) and DC employees who are required to work on holidays are entitled to the full amount of holiday premium compensation due them in accordance with the preceding paragraphs. Holiday work premium payments are not reduced or offset by negative compensatory time.
- b. When an employee is required to undertake holiday work and overtime work in the same pay period, the holiday premium is not considered in calculating his overtime rate of pay. When a single interval of working time constitutes both holiday work and overtime work, only one premium is paid.
- c. If an employee's work schedule starts on one calendar day and ends on the next calendar day, and if one of these days is a holiday, all of the hours of work he undertakes during such tour of duty are deemed to have occurred on the day during which 50% or more of total hours of work occurred, for purposes of determining whether holiday premiums apply.

5. **Police Employees**

The 11 paid days off for Police Officers accrue at a rate of 2 3/4 days, and the 10 paid days off for Police Superior Officers at a rate of 2 1/2 days for each quarter of the calendar year (ending March 31, June 30, September 30, and December 31) during which the employee has been continuously employed. No paid days off are earned for a calendar quarter during which the employee is hired, separated, on extended military leave, or on unpaid leave of absence. However, employees on short term sick leave or short term military leave are considered continuously employed. The total yearly

allowance of paid days off (11 for Police Officers and 10 for Police Superior Officers) attributable to holidays, or any part of it may be given as the cash equivalent of paid days off at the sole discretion of the Superintendent of Police with the approval of the Personnel Director.

SICK LEAVE

I. Policy

This instruction covers all Port Authority permanent, probationary and annual employees except Service C employees included in the Sick Leave Bank Plan. (NOTE: A Temporary Operating Instruction on the Sick Leave Bank Plan was issued effective July 1, 1968. The Sick Leave Bank Plan covers all Service C employees, except those employees whose positions are represented by an authorized employee organization which has, pursuant to a memorandum of understanding, elected coverage under a different available sick leave plan.)

A. General

1. Employees who have completed at least three months of service in a status other than temporary may be granted sick leave with pay, in accordance with the schedule of allowances below, because of sickness or disability incurred not in line of duty.
2. Employees injured while participating in a Port Authority sponsored activity which causes them to lose time from work are compensated for this lost time under the schedule of allowances.
3. For the purpose of administering this policy, the work week for all employees is considered to be a seven-day period beginning at 12:01 A. M. on Sunday and ending at 12:00 Midnight Saturday.

B. Schedule of Allowances

The following schedule of allowances applies to each separate period of sickness or disability:

<u>Length of Service</u>	<u>Weeks at Full Pay</u>	<u>Weeks at Half Pay</u>
Less than 3 months	None	None
3 months but less than 1 year	1 (5 days)	2 (10 days)
1 year but less than 2 years	2 (10 days)	4 (20 days)
2 years but less than 5 years	4 (20 days)	8 (40 days)
5 years but less than 10 years	8 (40 days)	18 (90 days)
10 years and over	13 (65 days)	39 (195 days)

RC
ND

Special consideration may be given by the Personnel Director to employees with fifteen years of service or more.

C. Determination of Length of Service

Length of service is determined as follows in computing sick leave allowances:

1. Periods of authorized absence with pay is included.
2. All time on military leave and sick leave is included.
3. Time on leave of absence in excess of one month is not included.
4. If an individual is separated because of reduction of force and is re-employed within one year of the date of separation, his service prior to separation is included.
5. If an individual is re-employed after separation of more than one year due to reduction of force, or after dismissal or resignation, his services prior to such separation, dismissal or resignation are not included.

6. Service as a ^{full-time} temporary employee is not included, provide no interruption in employment exceeding five calendar days at the time his status changed to annual or permanent employment.

H. Procedure

- A. Sick leave up to the full amount indicated in the schedule may be authorized by department heads.
- B. In cases where, in the judgment of the department head concerned, the sick leave allowance should be less than the full amount indicated in the schedule, appropriate recommendations are submitted by the department head to the Personnel Director for approval.
- C. In cases where the period of sickness or disability continues beyond the time covered in the schedule, and where sick leave allowance in excess of the schedule is considered appropriate by the department head, recommendation for such allowance is submitted to the Personnel Director by memorandum setting forth the pertinent facts of the case with a completed Employee Payroll Notice, form PA 87. The Personnel Director and, where appropriate, the Medical Director investigates all such cases, and if the

recommendation is approved by the Personnel Director for the Executive Director, such approval is noted on the abstract of Personnel Changes which is submitted monthly to the Committee on Operations.

At the end of the period of sick leave with full pay, or half pay, the name of the employee on sick leave is included on Departmental Payroll Payment Authority, form PA 688, submitted by the department concerned to effect the reduction in pay. Particular care is taken to see that this is done at the proper time, since failure to take this action results in over-payment.

OVERTIME COMPENSATION AND SPECIAL PAYMENTS

I. Introduction

- A. This instruction outlines Port Authority policy pertaining to compensation for overtime work and special payments for various other services performed by certain employees.
- B. This instruction contains the following sections:

- II. Policy
- III. Pay Plan C (non-police) Employees' Overtime
- IV. Other Employees' Overtime
- Exhibit A - General Rules and Procedure - Overtime and Special Payments

- C. Descriptions of the policy and procedure related to specific applications of overtime compensation and special payments are contained in a series of individual Operating Instructions. These are numbered similarly to PAI's except that Operating Instructions (OPI's) contain an "x" after the number which defines the section of the Administrative Manual to which the instruction applies (see Table of Contents in the Administrative Manual).

II. Policy

A. Overtime

- 1. Port Authority policy is to schedule work within the normal working hours whenever practicable. Managers and supervisors should anticipate avoidable overtime work on the part of their subordinates and take constructive steps to eliminate any need for overtime assignments through such means as efficient rescheduling of activities, making procedural improvements and establishing and maintaining effective performance standards.
- 2. When overtime work is essential and properly authorized, all Pay Plan C employees and those Pay Plan B employees designated as Pay Plan E (formerly EXB), all Pay Plan F and all Pay Plan D personnel are compensated for work performed in excess of their normal work schedules subject to the provisions of this PAI and its related Operating Instructions, where applicable.

WP
CC

B. Special Payments and Premium Compensation

Premiums and special payments for various types of services performed are made to certain employees in accordance with policy announcements by the Personnel Director and/or contained in related Operating Instructions. For example, these benefits presently include the following (also see Exhibit A):

1. Shift Differential Payments - all Pay Plan C (non-police) Employees (see OPI 20-3x.06).
2. Compensation for Holiday Work (see PAI 20-3.02, Section II).
3. Work Schedule Change Premiums - all Pay Plan C (non-police) Employees (see PAI 20-3.07).
4. Differential Pay - Lead Electrician (see Personnel Information Bulletin No. 28).
5. Work in Higher Classes Compensation - T.W.U. Classes Only (see OPI 20-3x.15).

III. Pay Plan C (non-police) Employees' Overtime

A. Field Employees

Permanent, probationary and project Pay Plan C field personnel (other than police) are compensated at one and one-half times their regular hourly rate of pay for all authorized work in excess of their normal bi-weekly work schedules. Normal work schedules for all Pay Plan C field employees average 80 hours of work bi-weekly. If in any payroll period the employee's work schedule calls for more or less than 80 hours of work, the employee is compensated for overtime work in excess of the work schedule only. For example, if the employee is scheduled to work 72 hours during the payroll period, he is compensated at time and one-half rates for all authorized work beyond 72 hours. Similarly, if the work schedule calls for 88 hours of work during the payroll period, premium compensation is paid for all authorized work over 88 hours.

B. Non-Field Employees

1. Permanent, probationary and project Pay Plan C non-field personnel receive one and one-half times their regular hourly rate of pay for all authorized work in excess of 40 hours in each week. However, because

NP
RCC

their standard work schedule calls for $36\frac{1}{4}$ hours per week, they are compensated at straight time rates for the first 3-3/4 hours of authorized overtime worked during a one-week period, except as provided in Par. B-2 below and in PAI 20-3.02, Par. II, B.

2. If a Pay Plan C non-field employee is called in to work on any day which is scheduled to be a regular day off, he is compensated at one and one-half times his regular hourly pay rate for all authorized hours worked on that day, provided that the employee does not owe compensatory time, in which case, the negative compensatory time balance is reduced hour for hour before any premium is applied to the remainder of the overtime hours.

CN-11
1/11/70

C. Temporary and Part-Time Employees

1. Temporary Pay Plan C field employees and part-time employees (e.g., food catering, janitorial, cleaning, etc.) are paid at straight time rates for work performed up to a total of 80 hours in a bi-weekly pay period. All authorized work in excess of 80 hours in the period is compensated at one and one-half times their hourly pay rate.
2. Temporary Pay Plan C non-field personnel receive one and one-half times their regular hourly rate of pay for all authorized work in excess of 40 hours in each week. However, because their standard work schedule calls for $36\frac{1}{4}$ hours per week, they are compensated at straight time rates for the first 3-3/4 hours of authorized overtime worked during each one-week period.

D. Calculation of Overtime Compensation

1. For purposes of calculating overtime compensation for Pay Plan C (non-police) employees, the time spent on certain activities other than normal work assignments is regarded as hours worked. In general, if an activity is undertaken voluntarily or is primarily intended for the benefit of the employee, he does not receive hours worked credit for time spent on such activities outside his normal working hours.
2. The following are situations where the employee does receive credit as hours worked, for purposes of calculating overtime compensation.

ND

RCC

- a. Authorized overtime extending at least 15 minutes beyond normal work schedules, with a minimum credit of one-half hour. Overtime beyond 30 minutes is recorded to the quarter-hour nearest the actual ending time.
- b. Excused absences, excused tardiness, vacations and Port Authority holidays.
- c. Sick leave, whether or not the employee is on a full-pay, half-pay, or no-pay status.
- d. Authorized compensatory time off.
- e. Port Authority medical examinations or treatments, including actual waiting time in the medical unit. Time spent traveling to and from the medical unit is credited as hours worked only when such time occurs within the employee's scheduled working hours.
- f. Call-ins from off duty status. The employee is credited with a minimum of four hours when the overtime work is not contiguous to his regular tour of duty, regardless of the time actually worked.
- g. Travel time under any of the following conditions:
 - (1) Where the travel is required as a principal part of the employee's position responsibilities while on or off duty.
 - (2) Where the travel required by the Port Authority occurs during the employee's normal working hours, although not a regular part of his position responsibilities.
 - (3) Where the employee is expected to undertake work on behalf of the Port Authority while traveling.
- h. Stand-by or sleep-in time at a facility or other location to perform Port Authority work, when required under unusual circumstances and authorized by the organization unit head.
- i. Coffee breaks or other rest periods when authorized by the organization unit head.

AD
RCC

Revised November 16, 1970

- j. Meal periods directed to consist of less than 30 minutes, when the employee is free of any Port Authority work responsibilities, or meal periods lasting 30 or more minutes during which the employee is required to undertake any Port Authority duties simultaneously.

E. Overtime Payments

1. Normally, payment for overtime work is included in the employee's salary check for the pay period immediately following the bi-weekly period in which the overtime occurred. Exceptions to cash payment are as follows:
 - a. An eligible employee's election to credit the overtime to his compensatory time "bank" within the provisions of OPI 20-3x.07, Compensatory Time Option Policy - Pay Plan C (non-police) Employees.
 - b. Granting a portion or all of the overtime in the form of time off duty during scheduled working hours within the same bi-weekly pay period, on an hour-for-hour basis only.
 - c. Deduction of any negative compensatory time balance outstanding, which must be repaid through non-holiday overtime work on an hour-for-hour basis before overtime compensation is earned. The granting of negative compensatory time off should be limited to amounts which the employee can be expected to repay through overtime work over a reasonable period of time. In no case may an employee be allowed to take or accumulate negative compensatory time in excess of 40 hours (field employee--except TWU classes) or $36\frac{1}{4}$ hours (non-field employee) without prior written approval by the Personnel Director. For employees in TWU classes, the maximum amount of negative compensatory time that can be accumulated is 16 hours, if approved by management.

IV. Other Employees' Overtime

A. Pay Plan E (formerly EXB) Employees

Authorized overtime performed by Pay Plan E (formerly EXB) employees is normally compensated in the form of compensatory time off, on an hour-for-hour basis. The responsible supervisor

CN-88
6/29/73

grants compensatory time off for overtime worked as soon as the workload of the unit permits and with every possible consideration for the employee's preference. In special circumstances, cash payments are made at straight time rates in lieu of time off.

1. Overtime work by a Pay Plan E (formerly EXB) employee is normally performed under direct supervision or assigned in advance. Compensatory time is earned when the overtime is approved by the organization unit head, or his designated representative, by the signing of the appropriate timekeeping documents.
2. The amount of compensatory time earned during a bi-weekly pay period is the amount by which the total hours worked and any authorized absence exceed the standard hours. Compensatory time is calculated to the nearest quarter hour, but compensatory time is not earned unless the employee works at least one-half hour before or after his normal starting or quitting time.
3. While overtime is normally repaid by compensatory time off, there are circumstances under which this is not practicable. Cash payments may be approved in place of equal time off when:
 - a. In unusual circumstances, factors beyond the control of the supervisor result in an accumulation of overtime credits which cannot be scheduled practicably as compensatory time off; or
 - b. Staffing and unit workload make it impractical to grant compensatory time for specific overtime assignments; or
 - c. An employee with an appreciable overtime credit is promoted, transferred or re-assigned from one department to another and it is not feasible to grant compensatory time before the change of assignment. In such cases, payment is made at the salary level in effect prior to the assignment change.
4. When cash payment in lieu of compensatory time is approved in accordance with Par. 3, above, the following limitations apply:

MS

Acc

Revised November 16, 1970

a. Payment is made only for those overtime credits which cannot be repaid as compensatory time. The proportion of overtime credits for which cash payment is made and the proportion which is retained for repayment as compensatory time will vary from situation to situation. Ordinarily, overtime credits equivalent to a minimum of two work days are retained for repayment as compensatory time, except in cases applicable to Par. 3, c. Payment is ordinarily not made for less than one full day except on termination of employment.

b. Payment is made at straight time rates only.

B. Pay Plan C Police Employees

Pay Plan C police employees receive overtime compensation as outlined in OPI's 20-3x.08 and 20-3x.09 and as provided in directives issued by the Superintendent of Police with the concurrence of the Personnel Director.

C. Pay Plan F and Pay Plan D Employees

Extra duty compensation is paid to Pay Plan F and Pay Plan D employees as outlined in separate Operating Instructions for each group of these employees (see Table of Contents in the Administrative Manual).

Attachments: Exhibits A and B

GENERAL RULES AND PROCEDURE
OVERTIME AND SPECIAL PAYMENTS

I. Computation of Overtime Compensation - Pay Plan C (non-police) Employees

- A. The computation of overtime compensation, whether at straight time or time and one-half rates, is based on the employee's regular hourly rate of pay only. The hourly rate of pay is calculated as follows:

Pay Plan C field employees	basic bi-weekly salary divided by 80
Pay Plan C non-field employees	basic bi-weekly salary divided by 72½
Part-time employees	basic bi-weekly salary divided by the applicable bi-weekly hours of work
Temporary employees	the hourly rate reported on form PA 1349, Temporary Employee Authorization and Payroll Notice

- B. Any Service C non-field employee who is called in to work on any day which would ordinarily be his regular day off will be compensated at time and one-half overtime rates for all hours worked on such day, provided that the employee does not owe compensatory time, in which case only the hours in excess of the negative compensatory time balance are reported on line 13, Account 192, Holiday Overtime (time and one-half pay), as shown on Exhibit B.

CN-10
1/11/

- C. Cash payments for overtime are computed and paid on the basis of the employee's regular hourly rate of pay on file in the Comptroller's Department. When the employee's regular salary is changed, all departments processing salary adjustments should do so without delay to avoid underpayment or overpayment of cash overtime.

1. In the event the employee is underpaid for overtime calculated at a lower hourly pay rate due to a delay in processing a pay raise, his organization unit head requests an adjustment by preparing form PA 1992, Special Payment Request. The difference in the hourly pay rate is entered in the "Hourly Rate" column and the applicable accounting code(s) and total amount of the adjustment are shown. This form, together with a memorandum of justification signed by the organization unit head, is sent to the Manager, Accounting Division. The memorandum should show the effective date of the change in pay rate, the old and the new hourly rates, payroll notice number and the individual dates and overtime hours worked on each date.
2. If the employee is overpaid, e.g., when his regular salary is reduced as the result of a voluntary or involuntary demotion, the adjustment is made as provided in OPI 20-3x.12, Adjusting Premium Payments to Employees.

ND

RCC

II. Special Payments Procedure

Form PA 1992, Special Payment Request, is used for authorizing cash payments to employees for various purposes as indicated on the form.

A. Compensatory Time Cash Payments - Pay Plans E (formerly EXB) and C Employees

1. When a department head considers it impractical to repay overtime credits with compensatory time, he prepares a Special Payment Request, form PA 1992, in duplicate, and a covering memorandum of justification addressed to the Comptroller. The duplicate is retained by the originating unit for record purposes.
2. Form PA 1992 which accompanies the memorandum, lists the name of each employee to whom payment is recommended, his organization unit, his employee number, number of hours for which payment is considered necessary, hourly rate, and gross payment recommended for each employee and for the department.
3. The memorandum and the original copy of form PA 1992 are sent to the Comptroller and processed as follows:
 - a. The Audit Division checks time records to determine the propriety of the payment. At the election of the Audit Division, this audit can be either before or after payment.
 - b. In those cases where the Audit Division pre-audits, form PA 1992, accompanied by the audit report, is sent to the Accounting Division for payment. This report includes a statement of the number of hours for which payment is to be made.
 - c. In those cases where the Audit Division decides to make verification after payment has been made, the Audit Division notifies the Manager, Accounting Division, of this decision. After the audit is made, the audit report is sent to the Manager, Accounting Division, with a copy to the Comptroller, advising of any errors in the payment.
 - 1) Minor errors (up to \$10) are adjusted through the compensatory time account.
 - 2) Major errors (\$10 or over) are handled on an individual basis by the Comptroller.
4. The Payroll Supervisor, Accounting Division, includes the payment in the employee's salary check which is sent to this unit. The unit then adjusts the applicable time reporting records accordingly from the retained duplicate form PA 1992.
5. The General Auditor prepares an audit report quarterly for the Personnel Director on cash payments made for the reporting period, for the year to date, and for the same quarter in the previous year. The report lists by department, the nature and purpose of the payment, the number of employees, total hours, and amounts paid.

a. Other Special Payments

Cash payments to employees for other purposes are processed as outlined in Par. II, A above, where applicable, and in accordance with departmental instructions.

WORK SCHEDULES - PAY PLAN C (NON-POLICE) EMPLOYEES

I. Introduction

This instruction outlines Port Authority policy pertaining to working hours, scheduling work and related matters with respect to Pay Plan C (non-police) permanent, probationary and project employees:

II. Policy

A. Hours of Work

1. Non-Field Employees

The standard, scheduled work day for Pay Plan C non-field employees is 7-1/4 hours, except for certain occupations designated otherwise because of operating needs. The standard, scheduled work week is five consecutive days, Monday through Friday, from 8:45 A.M. to 4:45 P.M. (exclusive of 45 minutes for lunch) totaling 36-1/4 hours. However, in certain designated occupations, office and clerical employees are required to work different schedules totaling the same number of hours, depending on their assignment. In addition, in other designated occupations, e.g., cafeteria workers, the standard hours of work per day and week may be less than the above.

2. Field Employees

The standard, scheduled work day for Pay Plan C field employees is eight hours. In special circumstances (such as in connection with snow emergencies) the standard, scheduled work day may exceed eight hours. In general, the scheduled work week covers forty hours over a period of five consecutive days; however, in multi-shift operations some schedules may require more or less than forty hours in particular weeks but they will average forty hours per week over a three month period of time. Any exception to this period of time will require the approval of the Personnel Director.

B. Meal Periods (See PAI 20-3.09)

1. Non-Field Employees

For non-field employees, unpaid lunch periods of forty-five

NP *RCC*

minutes each are normally provided, during which the employees are free from undertaking any Port Authority duties.

2. Field Employees

- a. For field employees, unpaid meal periods of not less than thirty minutes are provided, during which the employees are free from undertaking any Port Authority duties. Employees in field occupations who are scheduled in eight-hour rotating shifts may continue to perform duties during meal periods and such meal periods are considered as working time.
- b. In classes represented by the Building Trades Union (B. T. U.) the meal period should commence and end between the third and fifth hour of their tour.

C. Responsibility for Scheduling Work

Department directors are responsible for establishing work schedules in accordance with the provisions of this instruction. They may delegate this authority to facility managers, organization unit heads, or other appropriate supervisors within their departments.

D. Work Schedule Standards

1. Each Pay Plan C employee has a normal work schedule, establishing his regular hours of work each day and week. The normal work schedule of each employee should be established (and modified from time to time, if necessary) in a manner which assures that the objectives of the employee's unit will be achieved efficiently, economically and with proper consideration for affected staff members.
2. Whenever feasible, normal work schedules shall meet the following standards with regard to consecutive work days and days off:
 - a. No less than four nor more than seven consecutive work days.
 - b. No less than two nor more than four consecutive days off, exclusive of holidays and vacations.

3. Tours of duty are designated as "day," "afternoon," and "midnight." The day tour may start anytime between 6 A.M. and 10 A.M., the afternoon tour may start anytime between 1:30 P.M. and 5 P.M., and the midnight

tour may start anytime between 10 P.M. and 1 A.M. Certain categories of employees (e.g., Sky Caps) may have schedules that start between the day and afternoon tours such as 12 Noon or 1 P.M. These "off tour" starting times shall be indicated on the posted work schedule. No work schedule shall have a starting or ending time between 1:00 A.M. and 6:00 A.M.

4. The employee shall be scheduled to work the same tour of duty each day in a series of consecutive days of work, unless he is assigned to a relief position. An employee assigned to a relief position must have at least 8 hours off duty between tours; in order to achieve this, up to 4 hours of excused time may be granted upon approval of the department director. (Also see Attachment A.) Scheduled holiday work, weekend work and overtime work should be kept to a minimum, consistent with efficient operations.
5. Vacations and other time off should be scheduled sufficiently in advance so as to avoid changing posted normal work schedules.

E. Posted Normal Work Schedules

1. Every Pay Plan C (non-police) employee shall have a posted normal work schedule, except the following:
 - a. All field and non-field Pay Plan C employees on a steady daily tour schedule, Monday through Friday. In the case of field employees working this schedule, they shall be informed at least 30 days (15 days for TWU classes) in advance as to which days off they will be receiving as holidays or days off in lieu of holidays.
 - b. Employees engaged in certain occupations, the ordinary requirements of which preclude long-range scheduling (such as certain SEMAC personnel, chauffeurs, field surveyors).
2. The following procedure applies to those employees who are entitled to have posted normal work schedules:
 - a. On or before the first day of each calendar month, the work schedule for the month following shall be posted, e.g., the work schedule for November should be posted by October 1. For Toll Collector Pool employees, the work schedules shall be posted for seven days in advance.

WP

RCC

- b. The posted monthly work schedule shall show each employee's applicable tour and starting time for each day of work and shall designate all regular days off, holidays (or days in lieu of holidays) and vacation days scheduled for the calendar month. (For tolls personnel, the starting time of the posted tour is posted weekly, at least seven days in advance.)
- c. The effect of changes in the posted work schedule, with respect to payment or non-payment of work schedule change premium compensation, is outlined in Pars. G and H, below, and in Attachment A.
- d. Regular days off indicated in the work schedule may not be changed with less than 30 days' notice (15 days for TWU classes). Employees required to work on such days shall be compensated on a normal overtime basis regardless of the particular tour to which they are assigned.

CN 93
6/29/73

3. Each employee shall inform his supervisor as far in advance as possible of any situation which may require future absences by him.

F. Snow Emergency Work Schedules

At facilities where snow emergency work schedules are used, such schedules should be developed and posted as much in advance of the anticipated snow season as practicable.

1. The snow emergency work schedule shall include names of the employees assigned and their scheduled tours and starting times, to facilitate its implementation when the snow schedule is put into effect.
2. Snow emergency schedules normally should not require more than twelve consecutive hours of work, including meal periods and other reliefs.
3. Posted snow emergency work schedules may be substituted for posted normal work schedules whenever weather conditions are such that the facility deems it to be appropriate.
4. The starting and ending of snow emergency periods should be clearly communicated to all affected employees in order that the return to the posted normal work schedule is accomplished with a minimum of difficulty.

G. Work Schedule Changes

1. Posted Work Schedules - Non-Working Days

- a. Individual days off identified in a posted monthly work schedule may not be changed without 30 days' notice, except for TWU classes. For TWU classes only, regular days off cannot be changed without 15 days notice, including those of employees assigned to relief positions. CN 93 6/29/73
- b. When a situation arises where the employee is required to work on a day shown as a non-working day on his posted work schedule, he will normally be paid at the premium rates. CN 93 6/29/73

2. Posted Work Schedules - Working Days

These schedules may be changed under any of the following circumstances without incurring work schedule change premium compensation:

- a. When a posted snow emergency work schedule is put into effect.
- b. When an employee reverts to his normal work schedule following termination of a snow emergency assignment.
- c. When an employee voluntarily performs an act which requires a change in his schedule, e. g., accepting a promotion or transfer, or returning from a leave of absence or emergency leave.
- d. When an employee returns from sick leave or military leave.
- e. When an employee, covering the sick-absence of another employee, returns to his normal work schedule.
- f. When an employee returns from attending training or orientation programs.
- g. Where two or more employees voluntarily take each other's places on a posted work schedule.
- h. When an employee is assigned to a relief position in a rotating schedule or assigned on a pool basis, e. g., tolls collection. (Also see Attachment A.)

H. Work Schedule Change Premiums (Working Days)

In situations other than those described in Par. G, above, premiums will be paid for work schedule changes as described below:

1. Whenever a change which affects either the starting time of a tour or the tour itself is made with less than thirty days' notice (15 days for TWU classes) the employee receives the following:
 - a. One schedule change premium, equal to an extra standard half-day's pay, when the change affects only one day within the 30 day period (15 day period for TWU classes); or
 - b. Two schedule change premiums when the change affects more than one day within the 30 day period (15 day period for TWU classes).
2. Each time a schedule change is posted, it should be specific in showing the number of days affected, otherwise subsequent changes will require premium payments when made with less than thirty days' notice (15 days for TWU classes).
3. Work schedule change premiums do not apply to call-ins (see Par. I, below) where the hours of additional work are contiguous to the employee's posted tour. For example, an employee who is scheduled to work from 8 A.M. to 4 P.M. is called in to start at 6 A.M. and finish at 4 P.M. will earn two hours of overtime but will not receive a schedule change premium.
4. Pay Plan C tolls personnel will not receive a work schedule change premium unless the change of starting time of a scheduled tour varies by more than ninety minutes.
5. If a Pay Plan C employee is officially scheduled to receive credited compensatory time off at a particular time (under the Compensatory Time Option Policy) and in fact is required to work during that time, he is paid a work schedule change premium equal to one-half day's standard pay and the compensatory time off must be rescheduled for another mutually agreeable time. However, if the cancellation of credited compensatory time off coincides with a work schedule change, the employee does not receive two schedule change premiums.
6. If a change of the employee's normal work schedule is cancelled with less than forty-eight hours' notice before it would be effective, he receives one work schedule change premium regardless of whether the cancellation applies to more than one tour.
7. In classes represented by the Building Trades Union (B. T. U.) an employee assigned to a posted snow emergency work schedule receives one work schedule change premium, equal to an extra standard half-day's pay, if he is reassigned from one shift to the other and actually works on that shift.

- a. Similarly, if a B. T. U. employee is required to phone in during snow emergency conditions on a continuing stand-by basis, and is not required to report at the facility in connection with the snow schedule, he receives one work schedule change premium covering the entire period of each separate snow emergency. However, if the employee was granted excused time in connection with a snow emergency, the total stand-by time is reduced on an hour-for-hour basis to determine whether any premium payment applies. To the extent that the stand-by hours exceed the hours of excused time, the employee receives a special payment for the difference, computed at his regular hourly pay rate. Such payments require the preparation and processing of form PA 1992, Special Payment Request.
8. Overtime rosters covering employees in classes represented by the Building Trades Union should be available for review and should be maintained as outlined in OPI 20-3x.11. This responsibility will be charged to the unit supervisor. In the event that the proper employee is not given the opportunity to work an overtime job by management, he receives:
 - a. one work schedule change premium, equal to a standard half-day's pay, if the overtime work assignment would have involved his return from off-duty status; or
 - b. if the overtime assignment would have been contiguous to his tour, a special payment for the actual hours of the overtime work assignment, not to exceed four hours, computed at the employee's regular hourly pay rate. Such payments require the preparation and processing of form PA 1992, Special Payment Request.
 9. Any payment of work schedule change premium compensation is in addition to the employee's regular salary and any overtime, shift-differentials or holiday work premiums to which he may be entitled.
- I. Overtime for Call-in from Off-Duty Status
 1. When an employee is called in to work outside of his normal work schedule, he receives overtime pay in accordance with the provisions of the Premium Overtime Compensation Policy. Since no work schedule change is involved in such instances, the employee does not receive a work schedule change premium. However, when overtime work in excess of five and

one-half hours is performed by an employee who is called in from off-duty status, sufficient excused time is granted in order to provide a period of four consecutive hours off before the employee starts his next normal tour. For example, if the employee works from midnight until 6 A.M. and is scheduled to work the 8 A.M. to 4 P.M. tour, he receives two hours of excused time and starts his tour at 10 A.M.

2. If an employee in a class represented by the Building Trades Union (B. T. U.) is scheduled to work overtime (other than during snow emergencies) which is not contiguous to his tour, and the scheduled overtime work assignment is cancelled, postponed or rescheduled, the employee will:
 - a. be assigned to other overtime work for a minimum of 4 hours, or
 - b. have his tour changed and receive a work schedule change premium equal to a standard half-day's pay, or
 - c. voluntarily remain off duty, if he so elects and his supervisor concurs.

III. Procedure

A. Authorization of Work Schedule Change Premiums

1. Form PA 2603, Daily Overtime Authorization, is used for authorizing work schedule change premium payments to the individual employees involved. The same form is also used for authorizing and recording overtime worked by the same and/or other employees in the unit, when applicable.
2. When the employee is entitled to payment of a work schedule change premium, his name is entered on form PA 2603 for the appropriate date. In addition, the following entries are made in the indicated columns:
 - a. Employee Number
 - b. Schedule Change (hours at 1/2 pay): 8 for a field employee; 7-1/4 for a non-field employee
 - c. Reason (last column): reason for the schedule change.

ND

PCC

3. When the employee is entitled to two work schedule change premiums covering a change affecting more than one day (see Par. II, H) the second premium payment is authorized via form PA 2603 on the date following authorization of the first premium payment.

4. Completion and distribution of forms PA 2603 are made in accordance with instructions contained on the form.

B. Time Report Entries

The unit time clerk records the proper entry of hours related to a work schedule change premium (8 for a field employee or 7-1/4 for a non-field employee) on the appropriate time reporting document.

C. Work Schedule Change Premium Payments

Work schedule change premiums earned during the bi-weekly pay period are included in the employee's paycheck covering the next following bi-weekly period.

IV. Use of Relief Man (B. T. U. Covered Classes Only)

Attachment A details the use of the Relief Man for classes covered by the Building Trades Union only.

ND *RCC*

USE OF RELIEF MAN

(Employees in Classes Represented by the Building Trades Union)

In units with rotating shifts involving the use of employees in B.T.U. classes as Relief Man, the following rules apply:

1. When the employee is scheduled to work as Relief Man, his tours may be changed to cover unplanned absences of other assigned employees without incurring work schedule change compensation. However, the Relief Man must have reasonable advance notice of a tour change, e.g., at least eight hours off duty between tours; in addition, up to four hours' excused time may be granted upon approval of the department director. In order to cover for unplanned absences in situations where the above is not possible, the absence should be covered by overtime work on the part of other employees in lieu of changing the Relief Man's tour.
2. Where it become necessary to use a Relief Man other than the scheduled Relief Man, the former receives a work schedule change premium, equal to a standard half-day's pay, if his tour of duty is changed.

The Port Authority
of New York and New Jersey

Revised January 14, 197

UNIFORM ALLOWANCES

I. Introduction

This instruction sets forth the eligibility requirements and uniform allowances of employees.

II. Policy

It is Port Authority policy to furnish wearing apparel to its employees where the need is justified.

Certain employees are furnished an initial issue and, in addition, are granted an annual allowance for upkeep or allowed a number of cleanings or pressings at Port Authority expense. The replacement of these uniforms is provided either by annual allowance or by purchase as required, or by a combination thereof.

Generally, employees are provided uniforms by the Work Uniform Services Section, General Services Department, whose responsibility it is to maintain the uniforms and to provide clean uniforms on a predetermined basis. (See Exhibit A for specific positions and allowances.)

For certain categories of employees utilizing dress uniforms the Work Uniform Services Section furnishes an initial issue and provides for replacement as required. Except for "wash and wear" garments, maintenance of these uniforms is covered by form PA 618, Petty Cash Voucher, which is initiated by the employee and is accompanied by cleaning receipts. (See Exhibit A for specific positions and allowances.)

III. Definitions

Wearing apparel is of four categories.

- A. Dress Uniforms are worn by employees to convey unmistakably to the general public the authority and/or services associated with their positions, e.g., Police, Toll Collectors, Red Caps, Sky Caps, etc.
- B. Work Uniforms are worn for purposes of easy identification, uniformity of appearance of employees of position classifications which are engaged in maintenance, production, or operating activities requiring attire designed to withstand extensive exposure to wear and tear and heavy soiling, e.g., maintenance personnel, messengers, police emergency crews, cleaners.

- C. Foul weather gear is worn by employees in position classifications which are exposed to inclement weather.
- D. Safety clothing is worn by employees of all position classifications for the purpose of preventing injuries and/or bodily harm while at work.

IV. Responsibility for Standards and Specifications

The General Services Department, in cooperation with the departments concerned, is responsible for the design and development of standards and specifications for the purchase and maintenance of all Port Authority uniforms, except Police, which are the responsibility of the ~~Police Division Uniform Committee~~ ^{Supervisors of Police}, and Toll Collectors which are the responsibility of the Tunnels and Bridges Department. CN 111

The Inspection and Safety Division of the Comptroller's Department reviews all new uniform items considered for purchase and uniform maintenance programs for occupational safety and health considerations.

The Port Authority Design Advisory Council through the Office of the Chief Architect approves all new uniform items prior to purchase.

V. Responsibility for Proper Dress

Each employee is responsible for being dressed in a fit and presentable manner while at work. Awareness and acceptance of this responsibility is vital to good health, high morale, and favorable public reaction. The wearing apparel programs specified in this instruction are an aid in meeting these goals. Managerial and supervisory personnel are responsible for overseeing that suitable dress is worn by subordinates. Since standards are dependent upon circumstances and working conditions, conscientious judgment must be exercised daily.

VI. Work Clothes Supplied to Employees

A. Issuance by the Work Uniform Services Section

The Work Uniform Services Section furnishes

1. uniforms to employees who are required to turn in soiled uniforms and receive clean uniforms on a predetermined basis;
2. an initial issue to certain other employees who utilize dress uniforms, the maintenance of which is covered by

Revised January 14, 1

form PA 618, Petty Cash Voucher, initiated by the employee and accompanied by cleaning receipts; and

3. some uniform items which are delivered in bulk to facilities for distribution to employees after appropriate records are prepared.

B. Each employee is responsible for clothing issued to him while it is in his possession and must exercise reasonable care in the use of such clothing. Work uniforms may be worn only while on duty and must not be worn home without specific approval. When it is established by the organization unit head that clothing issued (1) has been lost by the employee to whom it was issued, through his own fault; or (2) has been damaged or destroyed due to failure of such employee to exercise reasonable care, the employee is required to pay the purchase cost of the article as shown in Exhibit B.

C. Issuance of Other Articles

1. Some articles of work clothing, such as winter parkas and overshoe boots, are purchased by the Port Authority and are issued to employees whose work requires their usage. Green parkas are requisitioned from the Work Uniform Services Section stockroom. Blue parkas are requisitioned on purchase orders as required. Overshoe boots are requisitioned from the Central Stockroom through the General Services Department. Parkas, overshoe boots, and other items purchased by the Port Authority may be worn only while on duty and must not be worn home without specific approval of the employee's supervisor.
2. When it is established by the organization unit head that an article of clothing purchased by the Port Authority and issued to an employee has been lost, damaged or destroyed under circumstances described in Par. VI, B, the employee is required to pay the purchase cost of the article as established by the General Services Department. The department to which the employee is assigned shall notify the Comptroller's Department by memorandum to make the appropriate deduction from the employee's paycheck. Such memorandum shall state the basis upon which the department has established the liability of the employee and show the accounting code to be charged. A copy of this memorandum shall be given to the employee.

NP RCE

D. Issuance of Work Uniform Articles to New or Transferred Employees

1. The Personnel Department, as part of processing a new employee or a military leave returnee, completes form PA 2351, Work Uniform Request/Service Change and sends it to the Work Uniform Services Section with the new employee. The Work Uniform Services Section issues uniform items appropriate to the employee's position.
2. Prior to his transfer, an employee's unit completes form PA 2351, Work Uniform Request/Service Change as soon as knowledge of the transaction is known and forwards it to the Work Uniform Administrator.
3. A transferred employee takes with him to his new unit all his clean work uniforms issued by the Work Uniform Services Section only if they are required at or in his new assignment, otherwise they are turned in immediately. Soiled uniforms will be picked up by the Work Uniform Services Section from the old locker, cleaned, relabeled, and delivered to the new location. In all cases, overshoes and parkas are returned to the local unit. Form PA 1904, Information on Transferred Employees, is completed by the transferring unit and forwarded to the receiving unit. It lists disposition of uniforms and other articles of clothing issued to the employee.

E. Surrender of Port Authority Equipment and Property on Termination

1. Any employee whose service is terminating is required to turn in his uniforms and equipment prior to or on his last day of work. Prior to an employee's termination, his unit completes form PA 2351, Work Uniform Request/Service Change, as soon as knowledge of the transaction is known, and forwards it to the Work Uniform Administrator.
2. Form PA 646, Surrender of Port Authority Equipment and Property is prepared by the unit supervisor and forwarded to the Work Uniform Services Administrator after the employee's supervisor ascertains by telephone that all Library material of record has been surrendered and that no monies are owing to the Port Authority Treasurer.
3. The Work Uniform Administrator ascertains if any uniform items are missing and shows the quantity and cost of such articles in the "Remarks" column prior to forwarding

form PA 646, Surrender of Port Authority Equipment and Property, to the Personnel Department. The field supervisor is responsible for collecting all work clothing outstanding before the final paychecks are delivered. An employee's final paycheck will be withheld until discrepancies in the uniform and equipment list for that employee are explained. The amount to be deducted from the employee's final paycheck in payment for any missing articles is inserted by the terminating unit in the "Remarks" section of form PA 1899, Appointment or Separation of Permanent Employees. Failure to recover all garments or inability to recover the uniforms or monies for missing articles will result in a direct charge being made to the organizational unit involved.

VII. Safety Eyewear Program

- A. The Port Authority Safety Eyewear Program is intended to aid in the prevention of serious eye injury to employees. Under this program, the Port Authority provides approved safety equipment including standard safety spectacles, standard cover goggles or face shields to all employees with exposure to eye injury. Cover goggles or face shields may be worn alone or over an employee's regular prescription glasses.
- B. For employees who wear prescription glasses and are subject to high-impact eye-exposure situations such as cutting, drilling, using a power saw or performing certain types of heavy labor in general maintenance categories, facility and unit supervisors recommend, for approval by the facility or unit manager, the purchase of prescription safety eyewear that meets American National Standards Institute Specification No. Z87.1-1968.
 1. A maximum of \$20.00 is allowed toward purchase of prescribed eyewear, the frequency of allowance to be determined by the facility or unit manager based on the employee's need for change in prescription or other acceptable reason.
 2. The employee selects an eye specialist of his choice who can provide both an eye examination and the desired prescription safety eyewear that meets Port Authority specifications. The eye specialist is free to obtain lenses and frames from any safety-eyewear supplier, providing the completed glasses meet or exceed the American National Standards Institute Specification.

3. The employee submits to his eye specialist for completion form PA 3172, Certification of Prescription Safety Eyewear, in which the specialist describes the type of eyewear furnished and certifies that it complies with NASIS specifications.
4. The completed certification form and a sales receipt for the eyewear are attached to form PA 618, Petty Cash Voucher, and submitted to the facility or unit for reimbursement. An entry covering the eyeglasses is made on form PA 548B, Employee Equipment Record.

VIII. Safety Shoe Program

A. Eligibility

All maintenance personnel as well as employees in other groups with similar exposure to foot injuries, [such as employees represented by the Building and Construction Trade Council,] are eligible to participate in the Port Authority Safety Shoe Program.

B. Allowance

Employees are entitled to a \$20 allowance maximum per year for leather shoes with built-in safety caps conforming to American National Standard Z41.1-1967.

Employees receive an allowance for part or all of their actual expenditures for safety shoes up to \$20 per year on completion of form PA 618, Petty Cash Voucher (sales receipt attached) and wearing the shoes on the job. All Petty Cash Vouchers must show the date reimbursement for safety shoes was last made. Employees requesting the allowance for the first time write "First Time Allowance" on the Petty Cash Voucher form. The date of the purchase of the safety shoes is entered on form PA 548B, Clothing Equipment Record. The Inspection and Safety Division periodically audits safety shoe allowance refunds to determine compliance with the American National Standard.

REDUCTION IN FORCE**I. General****A. Introduction**

1. These policies and procedures shall apply to permanent classified employees covered by Memorandum of Agreement as of the date of this Instruction as defined in the "Declaration of Policy of Tenure of Office" adopted by the Board of Commissioners on February 13, 1969.
2. This instruction describes the policies, programs and procedures for reducing the work force in the event that the Executive Director determines, in accordance with the Tenure of Office Resolution of February 13, 1969, that staffing levels are to be reduced because of reorganization or reduction in personnel (in whole or in part) in the interest of efficiency, economy, or otherwise.

B. Policies

1. To meet changing conditions or operating requirements, the Executive Director may determine that a need exists to make a staff reduction for the Port Authority as a whole or for one or more of its departments, facilities, divisions, or organization units. When the Executive Director so determines, the standard procedures contained in Parts II and III will be used to bring staffing levels into proper balance, and to advise employees affected by a staff reduction of their options.
2. In keeping with the Port Authority's long-standing practice of attempting to provide job security, every effort will be made to assure that excess permanent employees are placed in available vacancies for which they qualify before any employee either loses his employment or has his salary reduced. In this regard, temporary, project, and probationary employees in affected position classes and occupational specialties will be terminated in that order as the first step in any reduction in force. The use of outside consultants will also be eliminated or reduced where feasible.

C. Initiation of Reduction-In-Force Programs

The actions required to initiate a Reduction-in-Force program include the following:

1. The Executive Director determines that there is a need for a staff reduction. After consultation with appropriate department heads, the Executive Director identifies the affected position classes and occupational specialties and the number of positions within such classes and specialties to be abolished.
2. An occupational specialty encompasses homogeneous functions within a specific pay plan which are assigned to employees at various levels of responsibility, as identified by the Director, Human Resources Department in consultation with affected department heads. The work performed within an occupational specialty must be sufficiently similar so that employees in that specialty can assume the duties and responsibilities of another position at their present or a lower level without undue interruption to the activity.
3. Where the occupational specialty in which a particular position belongs has not been identified, as in cases where the position has been abolished since last held, the determination of occupational specialty will be made on an individual basis by the Director, Human Resources Department in consultation with the affected department heads.

D. Procedures

The detailed procedures to be followed in implementing a Reduction-In-Force Program are described below as follows:

Part II - Reduction-In-Force Procedures - General

Part III - Involuntary Removal Procedure, Classified Employees Covered by Memorandum of Agreement as of the date of this Instruction

II. Reduction-In-Force Procedures - General

After the Executive Director has determined the need for a Reduction-In-Force program, the following procedures will apply:

A. Identification of Affected Employees

1. The Human Resources Department will compile a Port Authority-wide list of all employees occupying positions within the affected position classes and occupational specialties.
2. Regardless of the number of organizational units identified by the Executive Director as areas where staff decreases should be made, all employees in the Port Authority occupying positions in affected titles and occupational specialties will be subject to the Reduction-In-Force procedures.

NSP
RCC

B. Voluntary Retirements and Resignations

1. Prior to implementing Involuntary Removal Procedures for adversely affected employees, department heads may ask employees in an affected occupational specialty if they wish to retire or resign voluntarily.
2. Any employee choosing to retire or resign voluntarily in response to such a request whose separation preserves another employee's job and who is covered by the severance allowance program is eligible to receive the appropriate severance allowance (Exhibit A) in accordance with procedures promulgated by the Executive Director. If the number of employees choosing to retire or resign in an affected occupational specialty exceeds the number of excess positions, severance allowances will be paid only to that number of employees equaling the number of excess positions in the occupational specialty. In the event the number of volunteers exceeds the number of positions abolished, employees eligible to retire will receive first preference for severance pay allowances, and will be selected in order of Port Authority seniority. In cases where the number of volunteers eligible to retire is less than the number of excess positions to be abolished, volunteers ineligible for retirement will be selected for severance pay allowances in order of Port Authority seniority.

C. Involuntary Removal Procedures

After any volunteers for separation have been identified, the Involuntary Removal Procedure Classified Employees Covered by Memorandum of Agreement as of the date of this Instruction is used to determine which individual employees are to be retained in service and which are to be separated.

D. Pay Plan Retreat Rights

The right to displace another employee for any of the reasons outlined in these procedures is known as a retreat right. Employees may exercise retreat rights to vacant authorized positions providing that the Comptroller's Department has agreed that the position may be filled.

1. Employees covered by Memorandum of Agreement are precluded from retreating to positions not covered by that Memorandum of Agreement.

E. Termination Notification

An employee selected to be separated involuntarily will be informed by the Director, Human Resources Department in writing, at least 30 calendar days in advance of the termination date.

ND
ACC

F. Severance Pay and Other Payments

1. The Executive Director may provide severance allowances, not in excess of the schedule adopted by the Board of Commissioners, to employees covered by Memorandum of Agreement, after negotiations with employee organizations.

G. Benefits

1. Group life insurance and health insurance benefits under the Port Authority Group Life Insurance and Group Health Programs (including Dental Plan coverage) will be extended for all employees enrolled in these plans who are affected by a Reduction-in-Force Program for a period of 90 days beyond the date of separation or, if it occurs earlier, until the employee secures other employment within the 90 day extension period. Those employees who are contributing toward these benefits at the time of separation will continue to do so, paying the same amount as if they were still employed, and such contributions will be deducted from their final check. Employees not contributing at the time of separation will not be required to make any payments toward these benefits during the 90 day extension period. At the end of the extension period, group health benefits and life insurance will terminate pursuant to insurance policy provisions and employees will have the option of converting to direct payment plans with the carriers, should they wish to do so, for many of these benefits. Such conversion must take place during the period set by the insurance policies. Employees who rejoin the Port Authority in an active status within nine months from the date benefits terminate, and who were covered by the Port Authority group benefits programs, will immediately be entitled to coverage applicable to the employee's job classification at the time active status resumes. An employee who is reemployed after the nine month period will be subject to the provisions of the policies governing waiting periods and/or preexisting conditions on the same basis as a new employee in that particular job classification.
2. Employees covered under an alternate plan of group health insurance, pursuant to the terms of a Memorandum of Agreement between the Port Authority and an employee organization, will be entitled to such coverage continuation, conversion, and re-instatement as may be provided under the terms of such a plan. The Port Authority shall continue payments towards the cost of such coverage continuation as may be available for a period of 90 days beyond the date of separation or, if it occurs earlier, until the employees secure other employment within the 90 day extension period, provided that the employees must contribute towards the cost of such coverage in the amount then required, and such contribution shall be deducted from their final check.

H. Outside Placement

The Human Resources Department will attempt to assist employees who are being separated as a result of a Reduction-in-Force in seeking employment outside the Port Authority. Affected employees will be assisted in preparing resumes, and the department will contact outside organizations in an attempt to seek suitable positions for such employees.

I. Reemployment

1. The Director, Human Resources Department will establish a Reemployment Priority List of employees. Generally, employees who have been separated involuntarily through a Reduction-in-Force Program and who have not applied for retirement will remain on this list for one year. When vacancies occur at a specific level in an occupational specialty from which employees have been separated through a Reduction-in-Force and when such vacancies are to be refilled but not through internal selection procedures, the Human Resources Department will utilize the Reemployment Priority List as its first recruitment source.
2. Reemployment will be offered according to the following priority:
 - a. A Classified employee will be offered reemployment in his occupational specialty at his former level based on seniority as defined in Part III.
3. A separated employee will be removed from the Reemployment Priority List if the employee refuses to accept an offer of reemployment at his former level and fails to report within two weeks, at any location at the level within the occupational specialty occupied at the time of separation.
4. Employees separated and reemployed in the same calendar year will not be entitled to vacation in the year they are reemployed.

III. Involuntary Removal Procedure, Classified Employees Covered By Memorandum of Agreement as of July 1, 1975.

- NSP*
- A. Classified employees holding positions identified in accordance with Paragraph A, Part II and who are covered by Memorandum of Agreement may be removed or separated in accordance with the following procedures based on classification seniority. The term "seniority" as used herein shall mean the length of time an employee spends in continuous service in a particular position title in the Port Authority on a permanent basis, determined as follows:

1. Time spent in a position on a provisional or acting basis is not included unless it is immediately followed, with no break in time, by a permanent assignment to that position title.
- RCC*

2. When an employee returns to his permanent title from a provisional or acting assignment, the time spent in the provisional or acting assignment is computed for seniority in the permanent title.
3. In computing classification seniority, all service performed by an employee in a position from which he is to be demoted will be added to any classification seniority he has in a position to which he is to be demoted.
4. All periods of authorized absence with pay are included.
5. All time on military leave and sick leave, with or without pay, is included.
6. Time on leave of absence without pay in excess of 14 days is not included.
7. If an individual is reemployed after dismissal or resignation, or after a separation of more than one year due to a Reduction-in-Force program, service prior to such dismissal, resignation, or separation is not included.
8. Service as a full-time temporary or project employee is included, provided there is no interruption in employment exceeding five calendar days at the time the individual's status is changed to probationary employee.
9. Where actions such as consolidation of titles, union agreements, or the creation of new titles affect classification seniority, the Human Resources Department will construct such seniority on an individual basis but within the general principles outlined above.

B. Removal and Separation

1. When a position is no longer required, the employee holding that position must either (a) be transferred or reassigned to the position held by an employee junior in seniority to him who has the least seniority in his current occupational specialty at any location where such a position exists, or (b) accept a demotion to the position held by an employee junior in seniority to him who has the least seniority at a lower level in his occupational specialty currently represented in whole or in part by the employee's union local, at any location where such a position exists, or (c) be separated.
2. A staff member adversely affected because of a transfer, reassignment, or demotion pursuant to paragraph 1 must either (a) accept a demotion to the position held by an employee junior in seniority to him who has the least seniority at a lower level in his occupational specialty currently represented in whole or in part by the employee's union local, at any location where such a position exists, or (b) be separated.

3. Transfers or demotions will be made only to positions expected to be required for at least six months.
4. In the event an employee refuses an assignment to a position at the same or lower level, he will be separated in accordance with the Reduction-in-Force procedures.
5. If an employee accepts a lower level position, he will receive a salary at the step in the new range equal to or less than his present salary. Such employees will be eligible for in-grade increases on the date specified in the applicable Memorandum of Agreement. If an employee accepts a lower level position in a salary range which does not include defined steps, he will receive a salary equivalent to the top of the new range or maintain his present salary, whichever is less.

C. Retreat Rights

1. The right to displace another employee on the basis of greater seniority is known as a retreat right.
2. When attempting to place a classified employee, the Human Resources Department will review all positions within the classifications represented in whole or in part by a particular union local which are occupied by employees with less seniority.
3. In determining whether an employee has a retreat right, the following principles will apply:
 - a. Retreat rights are limited to those levels and occupational specialties currently represented by the employee's union local and by other locals representing the same levels and occupational specialties.
 - b. To be entitled to an assignment to a position in his current occupational specialty, the employee must meet Port Authority standards and requirements, including any minimum education requirement, must be qualified mentally and physically for the position's duties and must meet any special conditions the Port Authority has established for the position. It should be noted that these employees must have the capacity, adaptability, and any special skills required for performance of the duties and responsibilities of the position without undue interruption to the activity.
 - c. Employees formerly designated as "trainees" or "apprentices" who have completed an apprenticeship program will not have retreat rights to trainee or apprentice status.

D. Appeals Panel

1. Concurrent with the implementation of a Reduction-in-Force Program affecting classified position classes, the Executive

Director will appoint panels of three members each to determine employee appeals. Each panel will consist to the extent possible of one professional or managerial employee, one supervisor in Pay Plan C, D, E, or F, and one employee in a maintenance, operations, tolls, technical or clerical status.

2. An employee adversely affected by a Reduction-in-Force program may submit an appeal to the appropriate panel no later than ten calendar days after receiving notification of termination, transfer, reassignment, or demotion.
3. Such appeals will be limited to questions relating to seniority and the employee's qualifications for a position within his current occupational specialty.
4. An employee may be represented before the Appeals Panel by a representative of his own choosing. The proceeding will be informal in nature and the rules of evidence will not apply. There will be no verbatim record prepared of information presented by either the employee or Port Authority representatives, but the Appeals Panel will prepare a written report of its findings in each case, explaining the rationale for its decision. In all cases, the decision of a majority of the panel will be final, and copies of the report will be furnished to the Director, Human Resources Department and the employee.

EMPLOYEE MEDICAL SERVICES

I. Introduction

The Medical Department provides a number of services to safeguard the health of all employees, and integrates its services with those of employees' private physicians. To facilitate the delivery of these services, the Medical Department operates a medical clinic at the World Trade Center and satellite medical clinics at various facilities (see Exhibit A).

II. Policies

- A. The Port Authority provides for physician examinations and a multiphasic health screening program to protect the health of employees by detecting signs of specific illnesses so that employees may be advised to seek proper medical treatment and, when necessary, assisted in obtaining such treatment.
- B. Permanent employees appear for medical examinations in accordance with a schedule set up by the Medical Director. The Medical Director accepts a medical examination conducted by an outside physician which he determines to be equivalent in scope to that conducted by the Port Authority Medical Department. The Medical Department provides the necessary guidelines for conducting this examination.
- C. In the interest of continuing the confidential relationship between patient and physician as set forth in this Instruction, access to specific medical information is limited to the Medical Department. It is the policy of the Port Authority to release specific medical information only when required by law or, with the prior written consent of the employee, to the employee's personal physician.
- D. The Medical Director certifies as to whether employees are medically qualified to perform the job duties of the positions which they hold, or to which they may be appointed, promoted or transferred, as described in the applicable job descriptions. To this end, the Medical Director may arrange for employees' medical examinations and reviews of employee health records.

III. Description of Services Provided

A. Preplacement Examinations

The Medical Director is authorized to conduct medical exami-

nations and/or reviews of health records of job applicants to assure that they are medically qualified to perform the duties of the jobs for which they are being considered.

B. Periodic Examinations

1. Employees participate in the multiphasic health screening program on an annual basis and undergo an examination by a physician in accordance with a schedule set up by the Medical Director. Department heads, and division and facility managers, cooperate with the Medical Department to insure that employees complete their medical examinations, as scheduled.
2. The schedule for physician examinations calls for an annual examination for employees 40 years old and older; for an examination every two years for employees between 30 and 40 years of age, and every three years for employees under 30 years of age. Employees in certain job classes or with certain medical conditions may be examined more frequently.

C. Health Certifications

Pursuant to the policy described in Paragraph II-D above, health certifications may be made at the discretion of the Medical Director, or upon written request of the Personnel Director or other department head, to determine whether employees are medically qualified to perform the duties of the positions which they hold, or to which they may be appointed, transferred, or promoted. Special health certifications are also made upon the written request of the affected department head to determine if there are medical reasons for an employee's failure to perform his/her job in a satisfactory manner.

1. Health Certifications are made on the basis of current or previous medical examinations.
2. The Medical Director certifies only as to the medical qualification of the employee to perform the job duties involved; diagnostic information is not revealed.
3. The employee shall be copied on all written requests for special medical reviews for the purpose of certification, and shall be notified in writing of the results of such health certifications.

D. Return-to-Work Examination

The Medical Department examines employees and certifies as to whether they are medically qualified to return to work.

RCC *MS*

Employees injured on duty, hospitalized or excused by Medical Department staff for any period of time, or absent due to illness for more than five consecutive working days, are examined by Port Authority medical staff before returning to work. Supervisors assure that all such employees report to their assigned medical clinic before they start to work.

The Medical Department may examine any employee, regardless of length of absence, when certain conditions or symptoms are noted.

The Medical Department may contact employees on sick leave, including those on Injury-On-Duty status, and may require outside medical documentation to assist in evaluations of the condition or symptoms causing the absence.

E. Medical Restrictions

1. Upon evaluation of their medical status, the Medical Department may restrict employees from performing any or all specified functions until it is determined that they are fit to return to full-duty status.
2. Should the employee's department head consider an employee unable to perform his or her job because of such medical restriction, or should the employee's return under such restriction unreasonably affect the distribution of tasks within the department, the department head may place the employee on sick leave or may refer the matter to the Personnel Director.

The Personnel Director reviews the medical restrictions and the job duties involved with the department head and the Medical Director to determine the appropriate course of action, which may include temporarily placing the employee in another position, either at his or her normal work location or at another work location, in which he or she can be utilized within the limits of the medical restriction.

3. If, as a result of any medical reviews or examinations, action should be taken which affects the employee's employment status, or his or her compensation and possible promotions or transfers, the provisions of PAI 20-1.09, Removal of an Employee for Mental or Physical Disability or PAI 20-1.11, Removal of Unclassified and Professional and Managerial Employees, are to be followed.

F. Counseling and Health Education

Employees may consult with the professional staff of the Medical Department regarding their own health-related problems or those of their family members. These problems may be discussed with any Port Authority physician or with any other Medical Department staff member under the direction of a physician. Employees may stop in on sick call or arrange for an appointment.

G. Sick Call and Emergency First Aid

Emergency first aid treatment is provided employees who are injured or become ill on duty. The employee, if able, informs his/her supervisor immediately and reports to the nearest Port Authority medical clinic. In case of acute medical emergency, employees should contact the Port Authority police utilizing the appropriate police emergency telephone number. Should emergency medical attention be received at other than a Port Authority medical clinic, employees should also contact their assigned medical clinic as soon as possible. If the employee is unable to contact the Medical Department because of the severity of his or her condition, the supervisor is responsible for advising the appropriate medical clinic of the situation.

H. Other Services

1. The Medical Department, on request from an employee and the written request of the employee's personal physician, will perform certain x-rays, blood tests, electrocardiograms, other laboratory services, and certain immunizations and inoculations, and furnish the results of such procedures to that physician, as appropriate.
2. The results of the multiphasic health screening examinations are sent to the employee's personal physician on written request by the employee.
3. The Medical Department administers certain immunizations and inoculations for employees traveling on Port Authority business.
4. The Medical Department on request by the employee provides premarital blood examinations, and eye examinations for automobile operators license renewals.
5. The Medical Department provides emergency first aid instruction including cardiopulmonary resuscitation training for employees.

RCC NP

6. The Medical Department acts as liaison with the Greater New York Blood Bank Program, which has access to the national Red Cross Bank System. Blood or plasma is made available to active and retired employees, their spouses, children, parents and grandparents. Requests should be made through the World Trade Center Clinic.

In its decision of October 16, 1981, in an Improper Practice Charge brought by the Union of Automotive Technicians, the Port Authority Employment Relations Panel ordered the Port Authority to "cease and desist from reassigning or transferring any welding functions on automotive equipment to employees not represented by the UOAT prior to negotiating with the UOAT with respect to such transfer or reassignment of welding functions." In addition, the current Memorandum of Agreement between the Port Authority and the UOAT also restricts the ability of the Port Authority to transfer and/or reassign UOAT unit work to non-unit personnel. Such unit work, as defined, would also include any welding on automotive equipment. In pertinent part, the Memorandum of Agreement states, "the Port Authority will not transfer and/or reassign such unit work to non-unit personnel... without negotiations, unless the Port Authority has determined, after attempting to reach agreement with the UOAT, that operational requirements do not at the time permit the work to be performed by employees in the covered membership." The Port Authority is obliged to follow the decision of the Panel and the provision of its Memorandum of Agreement with the UOAT.

If you require welding to be performed on automotive equipment and do not have UOAT staff immediately available, you may call the following numbers and arrangements will be made to quickly provide necessary welding services:

- A. Monday through Friday, 7:00 a.m. to 3:30 p.m. call (201) 965-0700 or (201) 965-0701.
- B. During the week, at times other than those in Paragraph "A" above and on weekends, first call Mr. Arthur Potterton at (201) 697-4672; if unavailable, call Mr. Robert Walsh at (201) 697-7311.

If you have questions concerning any of the foregoing, please contact the Office of Labor Relations in the Personnel Department on Ext. 8114 at the World Trade Center.

Dear John:

This is to confirm our telephone conversation concerning the project Welder position which recently became available at SEMAC. As I informed you, since a project position authorization is unusual in the UOAT ranks, the Operations Division inadvertently filled it from the outside without soliciting your input on possible transfers from your membership. Accordingly, in the future, should such a vacancy occur, we will first notify you for transfer purposes before filling the position from outside.

I trust this clarifies the matter satisfactorily.

Dear Mr. Bragas:

With reference to the above matter, which was instituted by Mr. John Lynch, your signature affixed to the concurrence line signifies that this grievance is resolved and the Union will so advise the AAA.

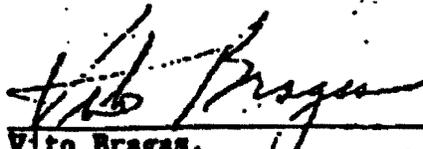

The grievance is resolved as follows:

Welders/Fitters and Machinists may be required to paint those areas that have been disturbed by their work. At times, they may also be requested to paint the area immediately adjacent to the disturbance if the additional work is minimal. Prudent judgment will be utilized in requesting Welders/Fitters and Machinists to perform any painting operation.

Very truly yours,

RE: GRIEVANCE #9-U-92

Dear John:

This is in response to your grievance regarding the transfer of unit work at JFK (9-U-92) which involved modification of a trailer.

My investigation of your grievance indicates that, as you cite, "confusion between division management" caused persons outside your bargaining unit to perform trailer modification work at JFK. The referenced arrow board trailer was purchased some eight to ten years ago. It was purchased by maintenance as category K equipment. When the arrow board became obsolete, a new, state-of-the-art arrow board was purchased. The new arrow board was not to be mounted on the old trailer. When a subsequent decision was made to use the old trailer by modifying it, some confusion occurred between maintenance supervisors at JFK and CAD supervisory staff. This should not have happened, but it did. When we became aware that additional work was necessary to make the trailer "road worthy" (wiring, lights, etc.), the JFK Auto Shop completed the job.

Because of confusion and priority and the passage of time this particular modification job slipped between the cracks. It was not intentional and corrective action by way of reinforcing to appropriate management staff the Port Authority's obligation with respect to unit work has taken place.

Your grievance is sustained.

Sincerely,

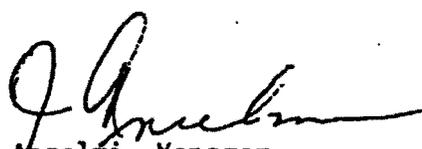

Jim Anselmi, Manager

RE: UOAT Grievance No. 4U-93

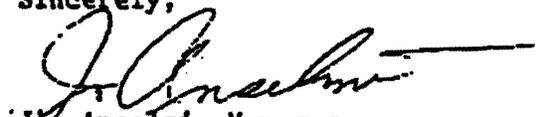

Dear John:

I am in receipt of the referenced grievance concerning the jump starting of a vehicle by a non-UOAT member and find it substantiated.

Our policy concerning the repair of Port Authority vehicles during off-hours and weekends has been reinforced with the Police Commander at the George Washington Bridge. I have been assured that if incidents of this nature occur in the future a Central Automotive Division supervisor will be contacted to determine if a mechanic is to be called in on an "off-hour" emergency response.

It is unfortunate that incidents like this happen, but they are infrequent. Facility staff will continue to be informed of CAD's procedures for "off-hour" response as part of our ongoing efforts to provide the most effective and expeditious service to our customers.

REF: CDL License

Dear John:

At this time, the Central Automotive Division does not require staff holding the title of Welder/Fitter, job specification 2205, assigned to CAD to possess a CDL license. Of course, if in the future any law or regulation were to require such license for the performance of the responsibilities of this title, then CAD staff in this title would be required to possess that license.

If a police car or PA vehicle needs to be towed a PA automotive supervisor will be contacted and their tow trucks will respond if available. Dear John,

As you know, security requirements in the World Trade Center since the bombing preclude our continuing the former practice of allowing UOAT officers to park their personal automobiles in the World Trade Center subgrade garage when necessary for attendance at meetings with management on labor relations matters. Accordingly, we have agreed that for future such meetings at the World Trade Center, you will be reimbursed via petty cash for the cost of parking in the vicinity of the World Trade Center. **RE: SNOW EMERGENCY PROCEDURE UTILIZATION OF
 PERSONNEL FROM CENTRAL SHOP**

The following procedure will be in effect to provide additional 24-hour coverage by Automotive Mechanics, Welders, Machinists, Maintenance Equipment Servicers, Parts Technicians and Trades Helpers at facilities during snow emergencies. For purposes of this Snow Emergency Procedure, a snow emergency is deemed to be in effect once a UOAT member from Central Shop is requested to respond to a facility with a permanent auto shop other than the Central Shop. Not included as part of this Snow Emergency Procedure is the separate contract language and the separate past practice that is followed for snow emergencies occurring at the SIB and PN. The intent of this procedure is to provide for a quicker return of snow equipment to service during a snow emergency. At the conclusion of the snow emergency as determined by the facility, Central Shop staff will return to the Central Shop.

Central Shop staff may be called upon to report to a facility shop as a result of a snow emergency. This will be over and above a one-for-one replacement of facility personnel who are absent due to an authorized excused absence. A one-for-one replacement of facility personnel who are absent due to such an authorized excused absence shall be made in accordance with the provisions outlined in the UOAT Memorandum of Agreement.

Before requesting staff from Central Shop to assist at a facility in a snow emergency, the entire permanent shop staff at the facility must have been requested to work 12-hour snow shifts.

The selection of Central Shop staff for assignment to snow emergency shifts shall be performed by the Shop Steward and furnished to the employer in accordance with the Memorandum of Agreement. The day shop steward will supply names for the 7 AM to 7 PM tour and the night shop steward will supply names for the 7 PM to 7 AM tour for all facilities including SIB and PN in accordance with the overtime equalization procedure and then by seniority.

Central Shop staff assigned to facilities during snow emergencies will be treated as facility shop personnel for the purpose of sleeping, meal allowance, overtime, shift differential, etc., for the duration of the assignment.

THE PORT AUTHORITY OF NY & NJ

In addition to applicable straight time and premium pay, the temporarily reassigned individual will receive mileage differential and toll reimbursement above and beyond the individual's normal commutation expenses.

Once a member of either shift at Central Shop is requested to work a 12-hour shift at a permanent facility shop during a snow emergency, all remaining Central Shop personnel will also be requested to work the 12-hour shifts for the duration of the snow emergency. The remaining Central Shop employees not requested to work at a permanent facility shop will be assigned to perform their normal work during the 12-hour shift. If additional staff is needed at a facility, they will be selected on the basis of seniority from those not yet assigned to a facility.

Sincerely,

Jim Anselmi, Manager
Central Automotive Division

Re: UOAT Grievance No. 15U-95
AAA Case No. 13 300 00928 95

Dear Mr. Anselmi:

In full resolution of the above-referenced matter, the parties agree to the following:

1. An employee who is absent for an extended period because of illness or injury, whether work connected or not, and who received paid sick leave for a part or all of the period of absence, may be required to forfeit a portion or all of his normal vacation allowance. Supervisors should consider the employee's past attendance record in determining whether vacation forfeiture should apply.

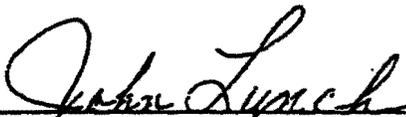

2. If vacation forfeiture is warranted, the following guidelines shall be utilized in calculating such vacation forfeiture. These guidelines shall be effective immediately upon execution of this Agreement, and shall replace all previously existing

guidelines governing procedures for vacation forfeiture for UOAT bargaining unit employees.

- A. No vacation forfeiture shall be calculated against a UOAT bargaining unit employee until such employee shall be continuously absent for a period of thirty-five (35) days, including Regular Days Off (RDO's).
 - B. Once a UOAT bargaining unit employee is absent for a period of thirty-five (35) days, including Regular Days Off (RDO's), the vacation forfeiture guidelines may be initiated (triggered) against such employee.
 - C. Once the vacation forfeiture guidelines are initiated (triggered), the UOAT bargaining unit employee's Regular Days Off (RDO's) shall no longer be considered as part of the vacation forfeiture calculation. Only the actual number of consecutive sick absences, excluding Regular Days Off (RDO's), shall be utilized in the vacation forfeiture calculation. An example of the vacation formula for UOAT bargaining unit members is attached as an amendment to this grievance settlement.

IP 97-12 (UOAT), 97-31 (LBA), 97-32 (UOAT)
and Grievance No. 1330 0341 97 (1L-97)**

Dear Lieutenant Echavarria and Mr. Lynch:

The parties agree to the following in full resolution of the above referenced Improper Practice Charges and Grievance.

IP 97-12 (UOAT) and 1L-97

The Union of Automotive Technicians ("UOAT") filed Improper Practice Charge IP 97-12 with the Port Authority Employment Relations Panel ("Panel") alleging that The Port Authority of New York and New Jersey ("Port Authority") violated the Port Authority Labor Relations Instruction ("Instruction") by failing to provide UOAT members with a Personal Information Profile for 1996. Likewise, the Port Authority Lieutenants Benevolent Association ("LBA") filed a grievance with the American Arbitration Association alleging that the Port Authority violated the Memorandum of Agreement by failing to provide LBA members with a Personal Information Profile for 1996. This grievance was withdrawn from the American Arbitration Association and consolidated with the above referenced charges.

RCC *NSP*

In resolution of IP 97-12 and LBA Grievance 1L-97 the Port Authority acknowledges: under the Memorandum of Agreement between the Port Authority and the UOAT §XI b. and under the Memorandum of Agreement between the Port Authority and the LBA Letter Addendum dated June 3, 1993, the Port Authority is obligated to issue Personal Information Profiles to members of the UOAT and LBA bargaining units on an annual basis. The Port Authority did not issue Personal Information Profiles in 1990.

IP 97-31 (LBA) and IP 97-32 (UOAT)

The LBA and UOAT filed identical Improper Practice Charges against the Port Authority alleging that it violated the Instruction and the parties' Memorandum of Agreement by implementing unilateral alterations in the June 1997 distribution of Personal Information Profiles.

In resolution of IP 97-31,32 the Port Authority agrees to include the following in the 1998 Personal Information Profile:

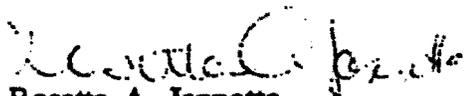

1. **Health Insurance** - The same type of information as set forth in the 1997 Personal Information Profile will be included. However, the open enrollment health insurance package describing the plans will also be attached to the end of each Personal Information Profile.
2. **Coordination of Benefits** - This topic will be included and will provide the same type of information as set forth in the 1994 Personal Information Profile.
3. **Retirement System** - The same type of information regarding the retirement system as set forth in the 1997 Personal Information Profile will be included. However, this section will also refer employees to their New York State and Local Retirement Systems Member Statement for specific information. The Port Authority agrees that if the New York State and Local Retirement Systems cease providing the information set forth in the Member Statement, the Port Authority will provide the same type of information on the retirement system that was included in the 1994 Personal Information Profile.
4. **Sick leave** - The Personal Information Profile will refer to the current Memorandum of Agreement.
5. **Vacation** - The Personal Information Profile will refer to the current Memorandum of Agreement.
6. **Personal leave days** - The Personal Information Profile will refer to the current Memorandum of Agreement.

RCC

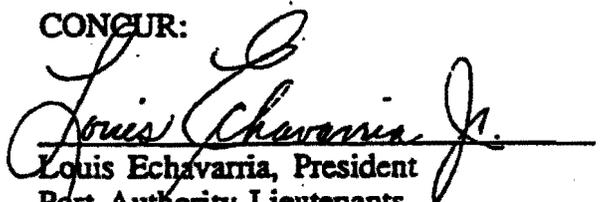

- 7. Long-Term Disability - The Personal Information Profile will refer to the current Memorandum of Agreement.
- 8. Unemployment compensation - This topic will be included and will provide the same type of information as set forth in the 1994 Personal Information Profile.
- 9. Social Security - This topic will be included and will provide the same type of information as set forth in the 1994 Personal Information Profile.
- 10. MEMORANDUM

TO: Directors and Above
 FROM: *ML* Louis J. LaCapra
 DATE: November 14, 1997
 SUBJECT: VACATION EXCHANGE PROGRAM - REPRESENTED STAFF

I am pleased to announce the implementation of this year's Vacation Exchange Program for employees represented by the Building Trades Unions (BTU), Communications Workers of America (Local 1032), International Brotherhood of Electrical Workers (IBEW) and Union of Automotive Technicians (UOAT). This memorandum will provide you with information necessary to determine eligibility and process payments.

1997 Lump Sum Vacation Exchange Program

In order to be eligible to receive a vacation exchange payment in 1997, staff in the above represented groups must:

1. Have a 1997 vacation allowance of at least 20 days (BTU), 21 days (IBEW, UOAT) or 24 days (CWA Local 1032);
2. Have had 3 or less days of sick or injury on duty absence during the period December 1, 1996 through November 30, 1997;
3. Have taken a minimum of 10 vacation days as time off during 1997.

Eligible employees may exchange up to 5 days of their 1997 vacation allowance for a lump sum cash payment; in addition, employees represented by the BTU, CWA (Local 1032) and UOAT who have had perfect attendance during the period December 1, 1996 through November 30, 1997 may exchange up to 10 days of their 1997 vacation allowance.

Processing of 1997 Lump Sum Payments

Eligible employees who wish a vacation exchange payment must submit a written request to their division or facility manager. Managers will verify that all applicable eligibility requirements have been met, and will forward approved requests to their Department or Office Director.

For 1997 lump sum payments, each Director will submit a consolidated Special Payment Request form (PA 1992) directly to Payroll, 69 West, with an information copy to the Manager, Compensation and Benefits Division, 61 West (a formatted PA 1992 is included as Attachment A). Special Payment Requests must be received by Payroll no later than noon on Wednesday, November 26.

Payment for 1997 exchanged days will be made in a lump sum at the employee's daily rate of pay in effect at the time the check is drawn, and will be distributed in a separate check on Thursday, December 11.

ACC *ML*

1998 Amended Vacation Exchange Program

Employees represented by the CVA Local 1032 and UOAT may also elect to exchange a portion of their 1998 vacation allowance for cash in the form of biweekly payments. Payments will be included in their regular paychecks at the employee's base salary rate as of December 31, 1997.

Participation criteria for the Amended Vacation Exchange Program are the same as those for the regular (lump sum) Vacation Exchange Program, except that eligibility is based upon the prior year's attendance record. Thus, if an employee's attendance in 1998 falls below the standard for eligibility, he/she will not be eligible to participate in the program for 1999:

As has been true since 1992, the Port Authority will continue to report payments under the Amended Vacation Exchange Program for retirement purposes. Although the Port Authority has received no formal notification, we understand that the New York State and Local Employees' Retirement System will consider biweekly payments under the Amended Vacation Exchange Program as salary for pension calculation purposes. However, lump sum payments will continue to be excluded from final average salary.

Eligible employees who wish to waive 1998 vacation days in exchange for biweekly payments must submit a written request to their division or facility manager. Managers will verify that all eligibility criteria have been met and will forward approved requests to their Department or Office Director. The election form for the 1998 biweekly program, which is included as Attachment B, must be submitted to Payroll, 69 West, by noon on Wednesday, November 26.

Please direct any questions concerning the contents of this memorandum and its attachments to Bernie Meyer at (212) 435-4651. Questions related to processing of payments should be directed to Eileen Meyers in Payroll at (212) 435-7996.

Re: Meeting with A. Rhone, T. Lubas and J. Lynch at the PATC on
February 2, 1999.

Dear Tom:

In accordance to our discussions at the above captioned meeting, the Union has prepared and is submitting for your review, an illustration of the understanding reached in regard to insuring that bargaining unit employees, pursuant to PAI 20-3.05, receive appropriate paid excused time and eight (8) hours of time off between the early termination of work of a normal tour and the start of new work resulting from a change in schedule.

Illustrations:

The Day Shift employees report at their normal starting time of 7AM. The employer then, for example, instructs the Day Shift employees to end their regularly scheduled shift at 12PM, receive paid excused time of three (3) hours for the remainder of that shift, and to return that evening for a 7PM to 9AM shift (14 hours). The shift starting time for these employees is 7PM, however, such employees shall be granted paid excused time from that 7PM start in a manner which guarantees eight (8) hours off between the termination of work and the start of new work. In the example above, these employees would receive one (1) hour of paid excused time at the beginning of his/her new work shift and report to work at 8PM and work to 9AM. These employees will continue to receive pay for the entire fourteen (14) hour shift.

In another illustration, day shift employees who are instructed to end their

Handwritten initials: NP and Rcc

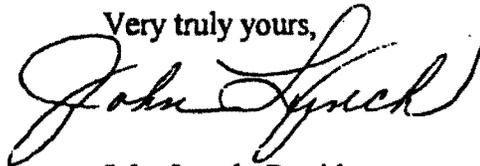

regularly scheduled shift at 11AM will receive paid excused time for four (4) hour for the remainder of their normal shift, and they will return to work that evening for a 7PM to 9AM shift (14 hours), receiving no (0) hours of paid excused time at the beginning of his/her new work shift (7PM to 9AM).

These illustrations are consistent with PAI 20-3.05 which limits such paid excused time to four (4) hours. Further, since there is no normal day shift scheduled on weekends or holidays, no paid excused time will apply at the beginning of the 7PM to 9AM shift, unless affected day shift employees have also been scheduled to work 7AM to 3:30PM on the affected weekend day or holiday.

The Union believes that the above illustrations accurately portrays the understanding agreed to. If not, please contact the Union immediately so that there can be further discussions in this regard.

Thank you for your cooperation and assistance in this matter.

Very truly yours,

John Lynch, President

1. Effective immediately, the Port Authority shall be permitted to reimburse petty cash payments to bargaining unit employees through the PeopleSoft Timekeeping System. These bargaining unit employees will be provided with the option of having petty cash reimbursements included in their regular paychecks, or being reimbursed via a separate check.
2. UOAT employees who submit complete and accurate petty cash vouchers to their designated Supervisor, or other authorized person will receive payment either in their regular paycheck, or in a separate check, depending on the option selected on the petty cash voucher; payment within thirty (30) calendar days of the submission for reimbursement via regular paycheck; payment to be made within fifteen (15) calendar days of the submission for reimbursement via a separate check.
3. Petty Cash reimbursements will be reflected as a nontaxable item on the employee's paycheck stub. Subject to applicable State and Federal law, no payroll deductions shall be made from petty cash reimbursement. Petty cash reimbursements will not be included as income on the employee's W-2 Form.
4. Direct deposit of petty cash reimbursements is available only to those employees who elect payment of petty cash by regular payroll check, and then only if the affected employee has already elected to participate in direct deposit. Petty cash reimbursements made via separate check will not be eligible for direct deposit.
5. If an employee subsequently has a question, such as which payments are included in a particular reimbursement, a designated individual at their facility will satisfactorily answer his or her inquiry within ten (10) working days.

- 6. No other modification other than as set forth herein shall be made to practices concerning the payment of petty cash.
- 7. The UOAT agrees to withdraw Improper Practice Charge 07-20, with prejudice.

The resolution set forth above is contingent upon the UOAT's notification to the Port Authority that the Tentative Agreement reached by the parties on May 28, 2008 has been ratified. THE PORT AUTHORITY OF NY & NJ

MEMORANDUM

Office of the Chief Administrative Officer

TO: Joseph J. Seymour, Executive Director
FROM: Mary Lee Hannell
DATE: April 29, 2003
SUBJECT: **MILITARY LEAVE POLICY ADDENDUM – TEMPORARY AND EXTENDED FULL TIME ACTIVE DUTY - INVOLUNTARY CALL UP**

COPY TO: L. LaCapra, L. Hofrichter, E. Schorno, S. Walsh, All Chiefs and Directors

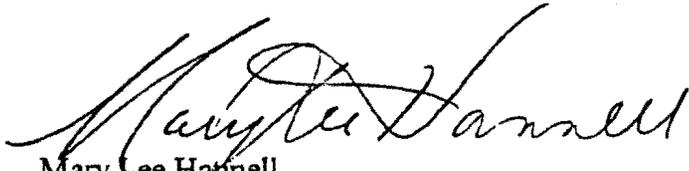

Since the beginning of the events of Operation Enduring Freedom, many employers have experienced a temporary loss of staff who have been called to active duty in the armed forces. The sudden call-up caused employers to re-evaluate their existing military leave policies with respect to compensation and benefits and many have since altered their policies to minimize the financial impact on employees and their families. As a gesture of support for employees called to active duty and to more closely align our policy with that of other metropolitan area employers, our existing policy should immediately be modified as follows.

In connection with the events of Operation Enduring Freedom:

- provide payment of salary differential for those called up, regardless of status, for the duration of the leave;
- continue health and dental benefits coverage for employees and their dependents for the duration of the leave;
- continue life insurance coverage for the employees at their current level for the duration of the leave.

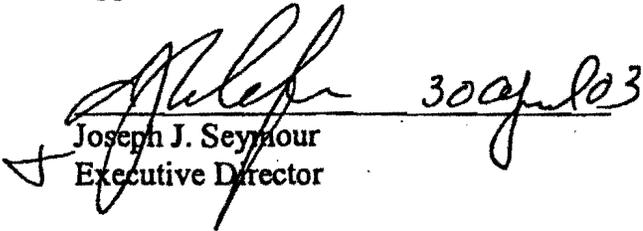

Since September 2001, several employees have been called to involuntary active duty and more are anticipated. A review of our records indicates that 44 employees have regularly taken short-term military leave. Since some employees use vacation time to satisfy their annual reserve requirement, the potential number of employees who could be called to duty may be marginally higher. However, since (1) these employees are not being permanently replaced; (2) the Port Authority will be reimbursed for the employees' military pay, and (3) the employees' medical costs will be at least partially paid for by military coverage, any additional costs associated with the recommended changes would not be material.

Attached is a comparison of our existing policy/proposed addendum and highlights of changes implemented by other metropolitan area employers.

It is recommended that the military leave policy, as well as the subsequent addendum dated April 29, 2003, be amended to include those conditions and benefits related to salary continuation, health, dental and life insurance coverage for employees called to voluntary military service in connection with the events of Operation Enduring Freedom or Enduring Iraqi Freedom which was enacted by the President following the events of 9/11/01.

MILITARY LEAVE**I. Introduction**

This Instruction outlines the policy and procedure for granting Short-Term and Extended Military Leave to Port Authority employees.

II. Policy

- A. Only permanent employees including those in a probationary status, are granted short term and extended military leave. Project employees are granted short term military leave only.
- B. This Instruction should be interpreted in order to assure that in each case the reemployment protection provided to Port Authority employees is no less than the protection provided to private and federal employees under the Universal Military Training and Service Act. Within this general limitation, the Director, Human Resources Department, may modify applications of the provisions of this Instruction in special cases where this will serve the best interests of the employee and the Port Authority. Where an employee has been recalled to active duty as a disciplinary measure (for example, because of failure to attend drills) the Director, Human Resources Department, may reduce or eliminate benefits provided under this Instruction.
- C. Permanent employees, including those in a probationary status, on military leave are considered continuously employed and retain their original date of employment for all purposes.

III. Extended Active Duty — Salary and Benefits

- A. Permanent employees, including those in a probationary status, who are granted military leave for extended active duty receive a military leave payment as described in Attachment A to this Instruction.
- B. Permanent employees, including those in a probationary status, who have served two years or more in full-time active military service and who are recalled to extended full-time active military service without their consent, receive partial salary continuation during such additional involuntary service up to one year, as described in Attachment A to this Instruction.

IV. Short-Term Active duty -- Salary and Benefits

In general, it is the policy of the Port Authority to protect from loss of income any employee who is granted military leave for short-term

RCC *ND*

active duty. Accordingly, partial salary continuation is paid to employees on short-term active duty as described in Paragraph IV, A of Attachment A to this Instruction.

V. Procedure

Attachment A outlines the operating rules and procedures to be followed in the administration of the military leave policy.

Attachment A

NP

RCC

MILITARY LEAVE OPERATING RULES AND PROCEDURES

I. Definitions

- A. "Military Leave" is any authorized absence of an employee so that he may undertake active military duty with the Armed Forces of the United States, the National Guard, or the Naval Militia.
- B. "Extended Active Duty" is any period of full-time active military service or training in excess of 30 consecutive calendar days.
- C. "Short-Term Active Duty" is any period of full-time active military service or training of 30 calendar day or less in any calendar year.
- D. An "examination" consists of a written, oral, or performance test, or of one or more such tests. "Make-up examinations" are those given to employees prevented by military leave from participating in all or part of the original test.

II. Request for Leave

Any employee who wishes to receive military leave notifies his supervisor as soon as possible of that fact and of the expected dates on which the active duty is expected to start and to end.

The employee submits a written request for military leave (see Attachment B) and a copy of his official orders to active duty to his Unit Head. The orders and the request are then forwarded to the department director for his/her approval. A copy of the request and the orders along with a completed Employee Record, form PA 87 (only in cases of extended active duty), authorizing the leave of absence are forwarded to the Supervisor, Payroll and Administrative Services, Human Resources Department. If the employee wishes to use all or part of his accrued compensatory time or vacation time for military leave, this should also be noted in "Remarks." This time may be applied in whole working days but not in hours. If the entire period is taken as compensatory time or vacation time, no Payroll Notice is needed. Specific cases requiring further interpretation or determination are considered on an individual basis by the Manager, Employment Division, Human Resources Department.

CN-225
1/22/90

If the department director approves the request for leave, the Unit Head notifies the employee of the approval and forwards a copy (only in cases of extended active duty) of the approved request memorandum to the Supervisor, Payroll and Administrative Services, Human Resources Department.

CN-225
1/22/90

III. Provisions for Extended Active Duty (Long-Term Military Leave)

A. Military Leave Payments

Any employee granted military leave for extended active duty of one year or more, receives a military leave payment of one day's pay for

RCC
MS

each full month of Port Authority Service, not exceeding 20 days' pay. The employee also receives cash payment for any accumulated vacation or compensatory time credited to him at the commencement of military leave.

B. Insurance and Retirement Programs

1. Health Insurance

Any employee who is a member of the P.A. group health insurance plans upon commencement of military leave is protected against any loss of benefits under these plans on return to P.A. employment. Group health insurance is suspended for the employee while on military leave, with all previous benefits being resumed upon reinstatement.

Dependents of such employees suffer no diminution of health insurance benefits while the employee is on military leave; however, dependents are expected to make use of appropriate Federal Government health care programs. The Port Authority pays any necessary subscription charges for group health insurance while employees are on military leave.

2. Life Insurance

When an employee commences military leave his membership in the Group Life Insurance Program terminates but his policy remains in effect for 31 calendar days. Upon return to Port Authority employment, he is reinstated to full membership in the program.

3. Retirement Program

Any employee who is a member of the New York State Employees' Retirement System when he commences military leave for extended active duty will, upon reinstatement, receive the same retirement benefits he would have received had he not been on military leave.

C. Vacation Allowance

1. For the year in which a long term military leave begins, vacation allowance is as specified in PAI 20-3.01, Vacations, Attachment A, Paragraph II.
2. Upon reinstatement after military leave for extended active duty, an employee receives a vacation allowance as specified in PAI 20-3.01, Vacations, Attachment A, Paragraph II.

D. Promotion Opportunities

1. When the employee departs on Extended Military Leave, he is requested to furnish a list of all promotion eligible lists, rosters and transfer lists in which his name appears. Each of these are noted in the employee's folder by the Human Resources

ND

RCC

Representative who indicates the length of time remaining on the ranked vertical eligible lists before the list's expiration.

2. Promotion Examinations During Military Leave

An employee on military leave may participate in any promotion test if he can be present for the test; that is, if he is on furlough or is stationed near New York.

3. Upon Return from Leave

- a. An employee on a permanent horizontal promotion roster when he left has never been deleted from the roster and therefore is still actively on the roster.
- b. An employee on a ranked vertical promotion eligible list which expires during his military leave will upon his return from military leave be placed on top of the then current promotion eligible list for the length of time he had remaining between the day he left for service and the expiration date of the original list.
- c. To the extent that it is administratively possible, he will be permitted to take make-up exams for any promotional opportunities that occurred during his absence for which he would have been qualified if he were here when the examinations were given. This is usually feasible if the examination consisted only of a written and/or individual oral examination.
- d. He is immediately eligible to participate in any promotion examination in process for which he is qualified.

E. Reinstatement After Extended Military Leave

At the time an employee returns from extended active duty he is given a medical examination by the Office of Medical Services. An employee returning from military leave is restored to his former title or to a position of like seniority, status and pay as long as all of the following circumstances exist:

1. He has satisfactorily completed his period of military active duty or has been released from such service or training for medical reasons.
2. He makes application for reinstatement as soon as is reasonably practicable after discharge, release or rejection from military active duty or training, or after termination of service-connected hospitalization of not longer than one year.
 - a. Any employee (1) who is rejected during the induction process, or (2) who performs active duty for less than three consecutive months, must report for work at the beginning of his next regularly scheduled working day following such rejection or duty plus whatever time, if

any, is reasonably necessary to return to his place of employment.

- b. Any employee who returns from active duty under any other circumstances must apply for reinstatement within 90 calendar days after being released.
3. He is qualified to perform the duties of his former Port Authority title when making application for reinstatement. If an employee is not qualified to perform the duties of his former Port Authority title by reason of disability sustained during military service or training, or if his former position has been discontinued, he is restored to another position the duties of which he is qualified to perform. The new title should provide him seniority status and pay most nearly comparable to that which he would have if he were to occupy his former title.
4. He refrains from re-enlisting or otherwise voluntarily prolonging extended active duty when he is eligible for separation.
5. Permanent Employees in a probationary status are treated as permanent employees, except that military leave time cannot be used to complete the probationary period.

IV. Provisions for Short-Term Military Leave

A. Pay

1. Rules

An employee ordered to short-term active duty is paid the difference between his federally taxable Port Authority pay and his federally taxable military pay, providing that the employee's military pay does not exceed his Port Authority pay. Travel allowances, uniform allotments, etc., are not normally considered military income for this purpose.

No part of short-term military leave is charged to compensatory time except after the employee's right to receive make-up pay has been exhausted. When a paid holiday occurs during an employee's military leave no additional day off is granted.

If any part of such duty is undertaken on a voluntary basis, the employee receives make-up pay for periods of absence totaling up to, but not more than 30 calendar days in any 12 consecutive months. Weekly or monthly drills are excluded in calculating the amount of short-term active duty subject to make-up pay.

2. Procedure

Any employee who is granted military leave for short-term active duty and who upon reinstatement is entitled to make-up pay must,

within 45 calendar days after returning to work, furnish the Supervisor, or Unit Head with his military pay voucher upon which make-up pay can be calculated. If an employee has not furnished the necessary voucher within 30 calendar days after returning to work, the Supervisor, or Unit Head will advise the employee by registered mail that unless he does so within the prescribed 45 calendar days, all wages paid to the employee by the Port Authority for the period of the military leave in question will be deducted. In this case, when the voucher is submitted any necessary adjustment will be made in the next pay period. CN-2 '72

B. Insurance and Retirement Programs

All employee benefit programs, including health insurance, life insurance, and retirement plan, are continued for any employee who is granted military leave for short-term active duty. Employee contributions if any, covering the period of absence are made by regular payroll deduction.

C. Vacation Allowance

Any employee who is granted military leave for short-term active duty is not thereby deprived of any part of the vacation to which he is entitled. Any employee who wishes to use his vacation to undertake short-term active duty may request that his vacation be scheduled accordingly, and every effort is made to meet this request. However, because in such instances a full vacation salary is received, provisions in this PAI relating to make-up pay (see A, above) do not apply. If an employee chooses to receive make-up pay, he may not schedule vacation day during his military leave. He may, however, take vacation immediately before or after his military leave if his Unit Head approves.

D. Employee's Work Schedule

An employee returning from short-term military leave of two weeks or more is given Saturday and Sunday as RDO's during the period of his leave.

V. Part-Time Periodic Drills

Employees who are members of the organized reserves or the National Guard generally have an obligation to participate in weekly or monthly drills of short duration (constituting typically either 2 to 4 hours per week or one weekend per month). Whenever possible, working hours for such employees are scheduled to eliminate or minimize the occasions when it is necessary for them to be absent from work during scheduled working hours; however, the schedule of working hours should avoid giving such employees favored treatment over the other employees in the same position classification and otherwise similarly situated. Employees should, whenever possible, avoid reserve assignments which require them to be absent during scheduled working hours.

Whenever there is a conflict between periodic military drills and scheduled Port Authority working hours it is expected that the employee involved will arrange to exchange tours of Port Authority duty on a voluntary basis with another employee in the same position classification. If, however, an employee who is required to attend weekly or monthly drills on an involuntary basis as part of his military obligation is unable to make this arrangement, the manager of the organizational unit involved makes the necessary reassignments of tours of duty. An employee who has undertaken or extended his membership in the organized reserves or National Guard on a voluntary basis is expected to make his own arrangements for exchanging tours of duty where this is necessary to attend such drills.

VI. Recalled Employees

A. Partial Salary Continuation

1. Rules

Any employee who is recalled to active duty without his consent, receives partial salary continuation up to one year. At the end of one year, the employee is covered under the non-salary provisions which apply to long-term leave.

The Port Authority pays to such an employee a percentage as specified below, of the difference between his federally taxable Port Authority pay at the time he re-enters service and his federally taxable military pay for such period, as follows:

- a. Any employee who has more than one dependent receives 100% of such difference.
- b. Any employee who has one dependent receives 75% of such difference.
- c. Any employee who has no dependents receives 50% of such difference.

Partial salary continuation checks are mailed bi-weekly on regular pay days by the Comptroller's Department to the employee or to anyone he designates in writing.

2. Procedure

An employee who is granted military leave for extended active duty and who is entitled to partial salary continuation under the provisions of Par. VI, A, furnishes the Supervisor, Payroll and Administrative Services, Human Resources Department promptly with CN-225 acceptable information regarding military pay, number of dependents, and name and address of the dependent who is to receive partial salary continuation. Changes in military pay which occur while such employee is eligible to receive partial continuation must also be reported promptly to the Supervisor, Payroll and Administrative Services, Human Resources Department. The Supervisor, Payroll and Administrative Services notifies the

CN-225
1/22/90

Comptroller's Department of the make-up pay, military leave payment, or partial salary continuation arrangements which must be made.

B. Insurance, Retirement, Vacation and Promotion Programs

Recalled employees are treated as short-term leave employees for the first 30 days' duty, and as employees on long-term leave thereafter.

DATE: May 24, 2004
SUBJECT: RENTAL & PURCHASE OF AUTOMOTIVE EQUIPMENT & SERVICES
COPY TO: E. Butcher, P. Caggiano, R. Croneberger, K. King, L. LaCapra, D. Lombardi, T. Lubas, C. Maresca, M. McDonough, S. Napolitano, C. Pace, J. Paczkowski, S. Plumeri, A. Reiss, E. Schorno, P. Segalini

It has come to our attention that some departments or units have directly purchased or rented vehicles and/or automotive type equipment for Port Authority use. Under established Port Authority policy, the Manager, Central Automotive Division, is responsible to the Director of the Operations Services Department for centrally providing vehicles and automotive type equipment used for Port Authority purposes. This includes all types of automotive and related equipment and services, including motorized vehicles, trailers, special purpose equipment, pumps, outboard motors, large gardening equipment, boats, and all other motorized equipment or wheeled vehicles, including but not limited to those qualifying for registration under the motor vehicle laws of New York and New Jersey. Furthermore, automotive services such as the purchase of extended warranty provisions and/or maintenance and service agreements must be processed through the Manager, CAD. The rental of vehicles and/or automotive type equipment for Port Authority use also falls within the responsibility of the Manager, CAD. In this regard, all Departments and Unit Heads are reminded that rental requests for vehicles and/or automotive type equipment must be processed through the Manager, CAD. If the request is authorized, the staff of the Operations Services and Procurement Departments will then be responsible for making the necessary arrangements to provide the vehicles and equipment. Any practices where an individual Department or Unit Head obtains rental vehicles, related equipment and/or related services and materials, without first processing such a request through the Manager, CAD, should, therefore, immediately cease.

All Department and Unit Heads are further reminded that authorized rental vehicles and/or automotive type equipment obtained for Port Authority use for a period of more than thirty (30) days, require that any maintenance and/or minor repairs of this equipment be performed by CAD personnel. Major repairs (i.e. engine, transmission and final drives) that are warranted by the vendor will continue to be performed by the rental equipment vendor.

In an effort to complete CAD's asset management and equipment maintenance records, any Department or Unit that has rented vehicles or related equipment, services and materials without processing such a request through the Manager, CAD, should prepare a detailed listing of all such vehicles, equipment, services and materials that have been rented or contracted for. That detailed listing must be forwarded to the Manager, CAD no later than July 1, 2004.

LTD COVERAGE

If you have completed one (1) year of continuous service with the Port Authority, you may be eligible for benefits under the LTD Program. (NOTE: Effective January 1, 1993 this requirement was reduced to one year). The LTD Program is intended to partially replace the income you receive from the Port Authority during your active career should you become totally and permanently disabled due to a non-job related accident or illness. The term "totally and permanently disabled" means that you must be unable for the foreseeable future to perform the essential duties required of your job classification. If your disabling condition resulted from your job, (e.g. was deemed an injury on duty (IOD) and/or determined to be compensable under Workers' Compensation) you cannot receive benefits under the LTD program.

LTD BENEFITS

If you are found to have become totally and permanently disabled as the result of a non-job related injury or illness, you will be eligible to receive an LTD allowance which, in combination with other relevant income, does not exceed 60% of your final base annual compensation. If you are granted an LTD allowance, in no event may the total Port Authority's portion of your LTD benefit exceed 50% of your final base annual compensation.

In calculating the amount of "other relevant income" that will offset the Port Authority's portion of your LTD allowance, the "Option Zero" amount of your New York State and Local Employees' Retirement System benefit and the Primary Insurance Amount of your Social Security Administration benefit based on a complete earnings history will be used. Any cost-of-living increases in these benefits will not further offset your LTD allowance.

RCC

Any income which you earn (i.e. through employment including self-employment) after you are granted an LTD allowance, will be considered "other relevant income" and will offset the Port Authority's portion of your LTD allowance and/or may affect your continued eligibility for LTD benefits.

The Office of Medical Services may periodically re-evaluate your medical condition to determine if you continue to be totally and permanently disabled based on the disabling condition for which you were granted LTD benefits.

The effective date for the beginning of your LTD allowance will coincide with the effective date of your ordinary disability or service retirement with the New York State and Local Employees' Retirement System or the Social Security Administration as applicable. When these dates are not applicable, the effective date for beginning the LTD allowance will be the date on which the Office of Medical Services determines that a disabling condition exists. In all cases payment of the LTD allowance will not commence until the employee has been placed on an inactive payroll status.

The LTD allowance is paid for the duration of your disability subject to periodic re-evaluation by the Human Resources Department including the Office of Medical Services, or until you reach age 65. If you are granted an LTD allowance after you reach age 60, you will be entitled to a minimum of five years of LTD payments.

While you are collecting LTD benefits, your Port Authority group health and dental insurance benefits will continue to be provided to you as if you had retired. Group health benefits are provided at no cost, and you may elect group dental benefits in accordance to Section XXII (3) (4) of the current Memorandum of Agreement. Your group term life insurance coverage will also continue, provided you elect it and either pay any required premiums or receive approval to have them waived by the insurance carrier.

APPLYING FOR AN LTD ALLOWANCE

If you are disabled and meet the conditions for LTD eligibility as outlined above, you should contact the Long-Term Disability Coordinator in the Employee Benefits Section, Human Resources Department, 61E, One World Trade Center, for assistance in applying for an LTD allowance. The application is made in the form of a letter from you addressed to the Employee Benefits Manager. The letter should state that you are unable to perform the duties of your position due to a non-job related medical condition and should request that you be considered for benefits under the LTD Program.

An application for LTD benefits must be filed while you are still in an active employment status. When you apply for an LTD allowance, you are also required to apply for retirement and/or

RCC *NP*

disability benefits from both the New York State and Local Employees' Retirement System and the Social Security Administration. Evidence of having concurrently applied for these benefits (e.g. copies of applications for those benefits) must be submitted with your LTD application.

Before your application for an LTD allowance can be acted on, the Office of Medical Services will be requested to evaluate your medical condition to determine if you are totally and permanently disabled. Approval for Ordinary Disability benefits by the New York State and Local Employees' Retirement System or for disability benefits by the Social Security Administration is required in addition to being found disabled by the Office of Medical Services. However, if you are found to be disabled by the Office of Medical Services but are not approved by Social Security and are either not approved by the Retirement System or do not meet the Retirement System's ten year member credit requirement for applying for Ordinary Disability benefits, you will be required to undergo an additional medical evaluation. A determination based on the additional medical evaluation that you are totally and permanently disabled and unable to perform the duties of your position will serve as a "second determination" in the absence of approval from Social Security or the Retirement System.

Based on the evaluation of the Office of Medical Services and any other medical evaluation that the Port Authority may request, as well as the results of your application for disability benefits from the New York State and Local Employees' Retirement System and the Social Security Administration, the Human Resources Director will consider your request and decide whether to recommend to the Executive Director that you be granted an LTD allowance.

APPROVAL PROCEDURE

Should the Executive Director approve the Human Resources Director's recommendation to grant you an LTD allowance, you will be notified of the amount of LTD benefits payable and of the conditions under which they are paid. These conditions will include your cooperation with the Human Resources Department in furnishing any financial or employment information pertinent to your LTD allowance, submitting to a medical examination, if requested, by the Office of Medical Services and/or by any other physician that the Port Authority may designate. When your signed acceptance of these conditions is received, your LTD allowance will begin.

CONFIRMATION OF CONTINUED ELIGIBILITY

Periodic reviews to confirm continued eligibility for LTD benefits will be conducted by the Human Resources Department. You will be required to answer questions regarding your sources of income and your employment status. You may be requested to

report for a medical evaluation by the Office of Medical Services. Your full and timely cooperation with these reviews is necessary in order to order to maintain your eligibility for LTD benefits. These reviews may be conducted periodically after your LTD allowance is granted and while you continue to receive the LTD allowance.

MEDICAL HEARING

Effective with the execution of this Agreement, hearings arising under PAI 20-1.09, Removal of an Employee for Mental or Physical Disability, Revised September 30, 1970 will take place pursuant to Step Three of Exhibit E in the Memorandum of Agreement, instead of a three-member Board appointed by the Executive Director. The sole issue before the Arbitrator shall be "whether the employee is mentally or physically incapable of performing his duties" and no authority is granted herein to consider any other issue arising under this Agreement or otherwise applicable state or federal law. The decision of the Arbitrator shall be final and binding upon the Association, the employee and the Port Authority.

REMOVAL OF AN EMPLOYEE FOR MENTAL OR PHYSICAL DISABILITY

I. Introduction

This PAI applies only to permanent classified employees (see PAI 20-1.01, Categories of Port Authority Employment).

II. Employee's Rights

- A. No permanent classified employee shall be removed from his position because of mental or physical disability without a hearing as described below, unless such hearing is waived.
- B. In all cases where an employee is to be removed from his position for reasons of mental or physical disability, the Personnel Director notifies the employee in writing of the intention so to do and informs him of his right to a hearing. Such notice is delivered to the employee or mailed to his last known address as appearing in the Personnel Director's records.
- C. If the employee fails to request a hearing within fourteen (14) days after the delivery or mailing of such notice such hearing is considered waived.
- D. If the employee requests a hearing, the hearing shall be before a Board appointed by the Executive Director and consisting of three or more members.
- E. These provisions do not apply when the employee has reached an age fixed by the Port Authority for compulsory retirement.

III. Removal Procedure

- A. Dismissal, demotion, application for involuntary retirement and other actions which substantially change the employee's duties and responsibilities is understood to be included within the meaning of the language, "removal of an employee from his position."
- B. The initiative in each case is to be taken by the department head in the form of a memorandum addressed to the Executive Director, recommending the particular action to be taken.

NSP

RCC

- C. The Executive Director notifies the initiating department head whether the recommendation is approved or disapproved.
- D. If the recommendation is approved, the Executive Director also notifies the Personnel Director who sends out the letter of notification to the employee. It is the responsibility of the Personnel Director to follow up the notification. At the end of the fourteen (14) day period provided, the Personnel Director notifies the initiating department if there is no response from the employee and therefore the right to a hearing has been waived. If there is an earlier response from the employee requesting a hearing, the Personnel Director notifies the Executive Director and the initiating department so that a Board may be established.
- E. It is the additional responsibility of the Personnel Director to provide such services to the Board as it may require.

IV. Hearing Procedure

- A. The Board investigates and determines whether the employee is mentally or physically incapable of performing his duties, and reports its findings to the Executive Director. The findings and recommendations of the Board are not, however, binding upon the Executive Director, but may be reversed or modified by him.
- B. The Board shall afford the employee an opportunity to appear before it in person, or by representative, to make a statement and to produce medical testimony, medical certificates and other pertinent data. The failure of an employee to appear in person or by representative before the Board is considered a waiver of his right so to do, and if the employee is unable to attend, due to mental or physical disability, that fact may be taken into consideration by the Board in arriving at its conclusion.
- C. The Board is not confined to evidence and testimony presented at hearings at which the employee is present, but may base its findings and recommendations upon investigations made or data received outside of such hearings.

EXHIBIT O

UOAT UNIT WORK CLARIFICATION

Purpose: It is the purpose of this Unit Work Clarification to clarify and further define the parties understanding regarding the term "UOAT Unit Work currently and heretofore performed by employees in the covered membership" as such term is used in Section XXIX of this Agreement.

Unit Work Clarification:

1. The Port Authority and the UOAT are desirous of minimizing future Unit Work disputes. In recognition of this mutual goal, the parties agree that vehicle modification work currently and heretofore performed by UOAT employees at the Port Authority's Central Automotive Shop may be performed by manufacturer(s) or by vendor(s) as part of the original purchase process. The Port Authority will now have the right to purchase any new or used vehicle and/or automotive equipment and have the new or used vehicle and/or automotive equipment modified by the manufacturer(s) or by the vendor(s) in any manner desired by the Port Authority prior to the new or used vehicle and/or automotive equipment being put into service. This right shall become effective July 1, 2005. The UOAT Unit Work Clarification Agreement, dated August 9, 2000 shall be the Agreement in effect until July 1, 2005. The new or used vehicle and/or automotive equipment shall be considered placed into service when the Central Automotive Division In-Service Form is provided to the client operating unit. A UOAT Shop Steward, or other designated UOAT employee shall be present when the CAD In-Service Form is provided to the client operating unit. Once signed or initialed, the UOAT will be provided with a copy of the fully executed In-Service Form. Where such modification work is performed by the manufacturer(s) or by the vendor(s) at a Port Authority Automotive Shop, an equal number of UOAT employees to non-unit personnel shall be required to perform such work. Except as provided in paragraph 3, below, once any new or used vehicle and/or automotive equipment is placed into service, any modification, maintenance, repair or installation work on those vehicles and/or automotive equipment, unless defective or malfunctioning prior to being placed into service, or covered by warranty provisions as provided under the Memorandum of Agreement, shall be the exclusive responsibility of UOAT employees irrespective of whether such work was currently and heretofore performed by UOAT employees. Upon the expiration of the

RCC *NSP*

relevant warranty period, if applicable, any modification, maintenance, repair or installation work on these vehicles and/or automotive equipment shall be the exclusive responsibility of UOAT employees irrespective of whether such work was currently and heretofore performed by UOAT employees.

2. Where non-warranty work is required on the new or used vehicle and/or automotive equipment that impairs, modifies or voids an applicable warranty, the Port Authority may require the vehicle manufacturer(s), vehicle component manufacturer(s) or vendor(s) to perform such modification, fabrication, repair or installation. In such circumstances, however, an equal number of UOAT employees and non-unit personnel will perform such work.
3. Under the following circumstances only, the Port Authority is not required to have UOAT employees perform modification and/or installation of component parts on any Port Authority vehicle and/or automotive equipment owned by the Port Authority that has been placed in service:
 - a. When a vehicle must be retrofitted with a component so that it may be operated in compliance with law or regulation promulgated after the vehicle is put into service; and, where the volume of such modification and/or installation work that is to be performed, if such work were to be done solely and exclusively by UOAT employees, would require the Port Authority to abandon a substantial amount of normal maintenance and repair routines and impair the Port Authority's ability to assure an adequate number of vehicles and/or automotive equipment remain in service; or
 - b. When a vehicle must be retrofitted with a component that must be installed only by the manufacturer, the component manufacturer or their representative in order to establish and/or maintain a warranty on the newly installed component. In these circumstances, the Port Authority will obtain written confirmation from the manufacturer, or the component manufacturer that they extend warranty coverage to the component only if they or their representative install the component and will provide a copy of such confirmation to the UOAT.

DISCIPLINARY PROCEDURE

I. Introduction

- A. This procedure shall apply to employees in the covered membership who are permanent employees. A permanent employee is any employee who has been continuously employed by the Port Authority for more than twelve (12) months. "Continuous Employment" or words of similar import, means uninterrupted employment by the Port Authority in any position or positions. Time spent on authorized vacation, sick leave or other authorized or excused absence with pay is included in the calculation.
- B. No disciplinary action shall be taken against any permanent employee except for good and sufficient cause or reason, and except in accordance with this procedure.
- C. If in the course of an interview between a supervisor and an employee it appears that the matter under discussion may result in disciplinary action against the employee, that employee has the right to have his Union representative present before the interview proceeds.

II. Grounds for Discipline

The following are examples of good and sufficient cause or reason for dismissal, transfer or demotion of a permanent employee:

- 1. Substantial or repeated neglect or failure of the employee to properly perform his/her duties;

2. Substantial or repeated violation of rules and regulations;
3. Conduct seriously prejudicial to the Port Authority or the public interest.

III. Types of Disciplinary Action

A. The following measures, when taken for disciplinary purposes, constitute disciplinary action within the meaning of this procedure. No other types of disciplinary action are authorized.

RCC [initials]

8. Other Discipline, such as forfeiture of Port Authority passes, informal reprimands and other appropriate minor disciplinary measures which do not affect the employee's grade, title, pay or seniority. If an informal reprimand has not been used as a basis for disciplinary action within one year from the date of such letter, it shall be null and void, unless during such period related reprimands have been placed in the employee's folder in which event such letter of reprimand shall remain in the employee's folder for the one year period commencing with the date of the most recent letter of reprimand. A letter of reprimand must either be initialed by the employee, or if such employee refuses to so initial, such refusal shall be duly noted.

B. The dismissal, demotion, or transfer of an employee because of mental or physical incapacity substantially impairing the ability to perform his duties, or because of a reorganization of the Port Authority or one of its facilities, properties, departments or divisions, or any other administrative action affecting the position, status, pay or privileges of an employee, not taken for disciplinary purposes, is not considered to be disciplinary action and does not come within the scope of this procedure. Provision, however, has been made for a hearing at the request of the employee concerned, whenever the dismissal, demotion, or transfer of a permanent employee is sought on the grounds of mental or physical incapacity. See Exhibit "N" annexed hereto.

IV. Hearings and Disciplinary Procedures

A. Major Discipline

Handwritten initials: RCE and WP

The following types of disciplinary action shall not be taken with respect to any permanent employee except pursuant to written Charges and Specifications ("Charges"), and a hearing in accordance with Exhibit "E." - Step Three of the Memorandum of Agreement (unless the employee waives the filing of such Charges or the holding of such hearing):

(1) Dismissal; (2) demotion; (3) transfer; (4) compulsory leave of absence without pay for a period longer than ten (10) calendar days (for all offenses charged in connection with any one transaction); (5) loss of seniority; (6) forfeiture of more than three (3) days vacation (for all offenses charged in connection with any one transaction).

B. Minor Discipline

- B. A disciplinary charge of repeated violations of Port Authority Rules and Regulations may only be based on prior discipline having been imposed.

VI. Waiver of Rights; Resignations Pending Disciplinary Proceedings

- A. An employee may waive his right to have Charges/NOI filed and may waive his/her right to a hearing and may do so either before or after the hearing has commenced. All such waivers must be in writing.

In addition, the failure to appear at a hearing after notice shall constitute a waiver of such hearing unless the person before whom such hearing is held shall find such failure excusable.

- B. An employee may resign at any time, and in that event any disciplinary proceedings against the employee shall terminate, but unless the Charges/NOI are withdrawn, the Charges/NOI shall be filed with his/her record and entry made in his/her record "Resigned under Charges pending trial."

- B. If the Charges are sustained, and if as a result one or another of the following types of disciplinary action is taken, such disciplinary action shall be effective as of the day upon which the employee was suspended: dismissal; demotion; transfer; compulsory leave of absence without pay.
- C. Except as provided above the employee shall be restored to duty upon the completion of the disciplinary proceedings, and shall then receive his base pay and longevity for the period of the temporary suspension, whether or not the Charges against him were sustained; provided; that the employee may be restored to duty prior to the completion of the disciplinary proceedings, in which event, he shall receive his base pay and longevity for the period of his temporary suspension.

E. Action by Department or Office Director

Upon receipt of Charges and after such preliminary investigation as he deems necessary, the Department or Office Director shall:

1. If the Charges are against a member of that department or office, take any appropriate disciplinary action which is authorized by this procedure to be taken without a formal hearing, or
2. If the employee against whom Charges are made is a member of another department or office, refer the Charges to the Director of such other department or office, who thereupon shall take one or another of the types of action specified above, or
3. Return the Charges to the complainant for correction in the event that they do not conform to the requirements of Paragraph VIII.A; or
4. Direct that the Charges be dropped; but in case the complainant is not a member of that department or office, only with the approval of the

IX. Filing and Preliminary Investigation of Notice of Intention to Discipline (NOI)

A. Form of NOI

ND *RCC*

A NOI shall be in writing, and each charge shall be a brief formal statement of the alleged offense. The NOI shall identify by name the supervisor initiating discipline, the name of witness(es) to the alleged violation, if any, and the recommended penalty. In the event that an employee is charged with more than one offense, he shall be separately charged with each offense and each charge shall be separately numbered. Each charge of an alleged offense shall be separately supported by one or more specifications (summary statement of facts supporting the charge). Each specification standing alone should be sufficient to sustain the charge of the alleged offense if proven.

Charge 1. Repeated violation of the General Rules and Regulations for All Port Authority Employees.

In the event such service cannot be achieved through the above methods, the Port Authority will serve the Charges/NOI by regular mail at the last known address on file with the Human Resources Department of the Port Authority and the same shall constitute personal service. The Port Authority will advise the Union President in writing that the employee was served by regular mail.

XI. Discovery

Upon written request by the charged employee or his/her representative to the Assistant General Counsel Employment Relations of the Law Department or designee the Port Authority will provide copies of the evidence it intends to present at the hearing, including statements, photographs, recordings and other writings made in the normal course of business including any exculpatory material relating to the Charges/NOI, the employee and/or the events which form the basis for the Charges/NOI but excluding attorney work product. The Port Authority shall provide such discovery no later than ten (10) work days prior to the scheduled hearing date or within fourteen (14) work days of receipt of the request, whichever is later.
