Marco Ortiz Becerra V. Port Authority of New York and New Jersey, New York City Department of Parks and Recreation, Mario Amalbert, and United Airlines An action has been commenced against the City of New York by the above-named plaintiff. It appears the plaintiff's counsel requested a plate search of a Port Authority license plate with the New York State DMV, which subsequently traced back to the New York City Parks Department. The New York City Parks Department does not operate baggage cart vehicles. It would be appreciated if you could search the Port Authority records to determine who owned and insured the baggage cart vehicle involved in this incident. The baggage cart vehicle involved had Port Authority license plate A15093. Please contact me for a copy of the Port Authority motor vehicle carsh report if necessary. Thank You-
