In regard to your monthly traffic reports for each airport, I am looking to find the amount of people who come from the Bronx specifically. For Local Passenger Origin, I see you have statistics for Manhattan, Queens, Brooklyn, NJ, LI, Westchester and Pennsylvania, but none for the Bronx. Where can I get this information? Here is the link to the pdf for the August JFK Traffic report as a reference: http://www.panynj.gov/airports/pdf-traffic/AUG2015_JFK.pdf
