## Information:

First Name: Michael  
Last Name: Frisbee  
Company: MJ Engineering and Land Surveying P.C.  
Mailing Address 1: 1533 Crescent Road  
Mailing Address 2:  
City: Clifton Park  
State: NY  
Zip Code: 12065  
Email Address: [mfrisbee@mjels.com](mailto:mfrisbee@mjels.com)  
Phone: 518371-0799  
Required copies of the records: Yes

## List of specific record(s):

Time Square Station 42nd Street Shuttle Line, New York County, Manhattan, New York NYC Transit M.J. Engineering Land Surveying MJ has been retained as subconsultants to PB Americas, Inc. who has been awarded the contract for Design for the above referenced project by the New York City Transit. The project site has numerous underground and overhead utilities. Throughout the project corridor there exist numerous private, local municipal and state owned utilities. MJ has performed a one call to identify utility owners within the project limits and you have been identified as a potential utility owner. We hereby request you, as the reported utility owner representative, to confirm the presence or lack thereof of existing or future utilities within or immediately adjacent to the project area that may be affected as a result of the reconstruction project. Please see Link below for project limits: <https://www4.ibackup.com/qmanagerservletshare?key=sqets43227>

The project site has numerous underground and overhead utilities. Throughout the project corridor there exist numerous private, local municipal and state owned utilities. We hereby request you, as the reported utility owner representative, to confirm the presence or lack thereof of existing or future utilities within or immediately adjacent to the project area that may be affected as a result of the reconstruction project. Please provide copies of new or updated plans, field cards, maps, CADD files, or any other materials that correctly depict the horizontal and vertical locations of any existing and/or utilities proposed, if applicable, so they can be accurately incorporated into the project mapping and design plans for the project, and can be used to verify potential conflicts with the design.

**THE PORT AUTHORITY OF NY & NJ**

FOI Administrator

January 29, 2016

Mr. Michael Frisbee  
MJ Engineering and Land Surveying P.C.  
1533 Crescent Road  
Clifton Park, NY 12065

Re: Freedom of Information Reference No. 16607

Dear Mr. Frisbee:

This is a response to your January 12, 2016 request, which has been processed under the Port Authority's Freedom of Information Code, copy enclosed, for copies of the following records related to underground and overhead utilities as outlined in the attached map for the Time Square Station 42nd Street Shuttle Line, New York County, Manhattan, New York NYC Transit project: new or updated plans, field cards, maps, CADD files, or any other materials that correctly depict the horizontal and vertical locations of any existing and/or utilities proposed, if applicable, so they can be accurately incorporated into the project mapping and design plans for the project, and can be used to verify potential conflicts with the design.

Please be advised that we have searched our files and found no documents responsive to the request.

Please refer to the above FOI reference number in any future correspondence relating to your request.

Sincerely,

William Shalewitz  
FOI Administrator
