List of specific record(s):

May 2004 NYC DOHMH provided RTI with a Port Authority list of 95,442 persons who had been issued a security badge to one or more of the seven WTC buildings at any time during the past five year . This Info. is from the NYC DOHMH AGENCY WTC Health Registry dated April 2006 DATA FILE USERS MANUAL. I need the one page that may have my Nephews name Anthony Varrone. He recently passed away following a 5yr battle at the age of 49 on Aug 2015 of Esophageal Cancer. After he passed away we were going through his papers and found a letter from the WTC registry date 72204. He did not register. I am trying to find out how they obtained my nephews name. And Im checking to see if he is on your list. Would you be kind enough and check. He worked down near or around the WTC after 911. I tried to find out. He was a painter. He may have Volunteered. The companies no longer exist. Or they no longer have records going back that far. I just need the one page with his name complete info. thanks
