Re: Freedom of Information Reference No. 16670

Dear Mr. Nunziato:

This is in response to your February 6, 2016 Freedom of Information Request for: 1) copies of all emails between Karen Eastman and Pat Foye from 8-1-2014 to 8-19-2014; and 2) a listing of FOI requests received by the Port Authority for the same time period.

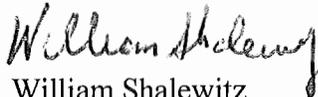

Please be advised that requests for records of the Port Authority must contain sufficient information to locate and identify the particular records sought. Such requests must not be overly broad, but must be as detailed as possible and provide, at a minimum, a clear description of the Record or type of Record being sought.

Therefore, Part 1 of your request for copies of all emails between Karen Eastman and Pat Foye from 8-1-2014 to 8-19-2014 does not provide enough detail and clarity to process as currently written. In order to process this part of your request, please provide a subject matter, in order for a search of any potentially responsive records to be conducted.

Material responsive to Part 2 of your request can be found on the Port Authority's website at <http://www.panynj.gov/corporate-information/foi/16670-O.pdf>. Paper copies are available upon request.

Please refer to the above FOI reference number in any future correspondence relating to your request.

Very truly yours,

William Shalewitz
FOI Administrator
