Re: Public Records Request

To Whom It May Concern:

Pursuant to New York and New Jersey Public Records Law, I would like to request the following records:

For June 2015 through and including December 2015, documents sufficient to show the gross advertising revenues generated (including a detailed list of advertisers), and net payments made to **Stewart International Airport, Newark-Liberty International Airport, La Guardia International Airport, & John F. Kennedy International Airport** from its current advertising concessionaire. If such monthly revenue reports are unavailable, please provide the amount of fees, net and gross amounts, paid by the current advertising concessionaire to the Airport for the above requested time period.

If such monthly revenue reports are unavailable, please provide the amount of fees, net and gross amounts, paid by the current advertising concessionaire to the Airport for the above requested time period.

If my request is too broad or does not reasonably describe the records, please contact me by email at clegal@clearchannel.com so that I may clarify my request and, when appropriate, inform me of the manner in which records are filed, retrieved, or generated. Additionally, please advise me via email of any cost associated with this request.

If for any reason any portion of my request is denied, please inform me of the reasons for the denial in writing and kindly provide the name and email address of the person or body to whom an appeal should be directed.

Sincerely,
