Personal
Information Request: NO

I am writing to you with the hope that you might be able to help us. We believe my nephew Anthony Varrone, [REDACTED] & [REDACTED] Volunteered/Worked in the area below Canal St & around the WTC site after the 9/11 attacks. We are trying to find out where his name was obtained, and who might have provided that info. to them.

Records seeking: Would you be kind enough to check your database Between Sept 11, 2001 to June 2004 to see if Anthony's name appears on your list. I am requesting a CD. I believe the CD fee is \$5.00. I requested this information before & received a letter back dated 2/4/16, but only the last 5 yrs were checked. We need " specifically " 9-11-2001 through June 2004. The ref # 16643. Please refer to May 2004 NYC DOHMH provided by RTI with a PA list of 95,442 persons who had been issued a security badge at any time. thank you

THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY
PUBLIC RECORD ACCESS FORM

PRA #16996

Action by (print / type name):

Danny Ng

, Freedom of Information Administrator

On behalf of the Secretary of the Port Authority, as Records Access Officer and Custodian of Government Records of the Port Authority.

- The requested records are being made available.
- Any responsive records that may exist are currently in storage or archived, and a diligent search is being conducted. The Port Authority will respond by:
- A diligent search has been conducted, and no records responsive to your request have been located.
- The requested records that have been located are not being made available, as they are exempt from disclosure for the following specific reasons:

- Some requested records that have been located are being made available. The remainder are exempt from disclosure for the following specific reasons:

- The request does not reasonably describe or identify specific records; therefore, the Port Authority is unable to search for and locate responsive records. Please consider submitting a new request that describes or identifies the specific records requested with particularity and detail.

- Other:

This form is promulgated by the Port Authority pursuant to the Port Authority Public Records Access Policy and is intended to be construed consistent with the New York Freedom of Information Law and the New Jersey Open Public Records Act. It is intended to facilitate requests for Port Authority public records and does not constitute legal advice.
