Subject: New FOI Request

Dear Mr. Ng,

I hereby request all Freedom of Information requests filed with the Port Authority prior to 6-26-15 and decided on or after that date, including the acknowledgment of the requests, every interim communication, every final determination regarding rights of access, and, when applicable, every appeal, and the outcome of every appeal. If this information is tracked on a spreadsheet or other document, which it presumably must be, I request that document or documents.

Thank you.

Margaret Donovan

Our lives begin to end the day we become silent about things that matter. — Dr. Martin Luther King

THE PORT AUTHORITY OF NEW YORK AND NEW JERSEY
PUBLIC RECORD ACCESS FORM

PRA #17017

Action by (print / type name):

Danny Ng

, Freedom of Information Administrator

Signature:

Date:

07/28/2016

On behalf of the Secretary of the Port Authority, as Records Access Officer and Custodian of Government Records of the Port Authority.

- The requested records are being made available.
- Any responsive records that may exist are currently in storage or archived, and a diligent search is being conducted. The Port Authority will respond by:
- A diligent search has been conducted, and no records responsive to your request have been located.
- The requested records that have been located are not being made available, as they are exempt from disclosure for the following specific reasons:

- Some requested records that have been located are being made available. The remainder are exempt from disclosure for the following specific reasons:

- The request does not reasonably describe or identify specific records; therefore, the Port Authority is unable to search for and locate responsive records. Please consider submitting a new request that describes or identifies the specific records requested with particularity and detail.

- Other:

Material responsive to your request can be found on the Port Authority's website at <http://corpinfo.panynj.gov/documents/17017-O/>. Paper copies of the available records are available upon request.

This form is promulgated by the Port Authority pursuant to the Port Authority Public Records Access Policy and is intended to be construed consistent with the New York Freedom of Information Law and the New Jersey Open Public Records Act. It is intended to facilitate requests for Port Authority public records and does not constitute legal advice.

This may include but may not be limited to records that: compile and analyze ridership data, discuss allocationfrequency of service, consider changes to now-superseded timetables, respond to customer feedback regarding allocationfrequency of service, andor are customarily generated during the timetable review and approval process." | 5/20/2015 | 7/20/2015 |
| 15813 | Andrew Tangel | The Wall Street Journal | Request for copies of "any and all Contractor Integrity Provision Certificates and Attachment A Certifications filed by any and all contestants in the airport design competition announced by Gov. Andrew Cuomo in October 2014. The Port Authority has said each contestant in the competition has to file such documents even though the contest is NOT a procurement. This request includes any and all documents originally submitted and any and all amended documents submitted to the Port Authority, as well as any attachments, cover letters or accompanying documents. This request includes any and all such certificates filed by firms, consortiums and individuals associated with the bidders, including but not limited to each parent, affiliate, director, and officer of the bidders, as well as any stockholders of the bidders. I ask that you expedite processing this request because I am a member of the media seeking to inform the public about governmental activity of high interest to the public." | 4/9/2015 | 7/2/2015 |
