16613	1/14/2016	Andrew	Tangel	Request for "A copy of the lease agreement whose final terms were approved by the Port Authority's operations committee in September 2000, concerning the Farley post office building in Manhattan. The relevant minutes concerning this final lease agreement are located at this link on the Port Authority's website: http://www.panynj.gov/corporate-information/pdf/20008-SEPTEMBER-282_pa_operations_9_28_2000.pdf This request includes any and all attachments, exhibits, riders and memos that accompany the lease. In the event you deny this request because you argue the lease agreement isn't final because the then-executive director didn't sign it, I request an automatic appeal on the basis that this agreement was the final approved policy of the Port Authority's board and is therefore a public document. This lease, even though the executive director refused to execute it, is clearly final agency policy as defined under the New York FOIL statute, which has a presumption of access."	1/22/2016	Closed	2/12/2016

The term "Traffic Summonses" is a very broad categorization and I would request a narrowing down of what summonses were issued in violation of the relevant Articles in the NY Vehicular Traffic Law. Also a breakdown of the Parking Violations summonses issued at the Newark Command for 2013 (2118 summonses) and 2014 (4517 summonses) for the same reason specified above. By breakdown I am referring to the relevant articles, sections and regulations as defined in the Vehicular Traffic Law for both NY and NJ. I would also request a breakdown of the PA Breach of Rules (BOR) for 2013 (928 BOR's) and 2014 (387 BOR's) at the JFK Command."	5/27/2016	Closed	6/8/2016
