RE: Request for Public Records

Dear Secretary Eastman:

Pursuant to the law of the States of New York and New Jersey, I request the following public records to be provided in accordance with the law:

1. Contracts or agreements between the Port Authority of New York and New Jersey (including all subsidiary corporations thereof) and the National September 11 Memorial and Museum at the World Trade Center, Inc. (including all subsidiary corporations or foundations thereof).

To the extent any material requested is alleged to be privileged or barred by provisions of applicable law, please provide the basis for any such claim.

Please be advised that effective June 26, 2015, pursuant to the Chapter 12 of the 2015 Unconsolidated Laws of the State of New York, § 6416-B and to Chapter 64 of the 2015 Laws of New Jersey supplementing chapter 1 of Title 32 of the Revised Statutes of New Jersey, the Port Authority of New York and New Jersey is now subject to the New York Freedom of Information Law (Public Officers Law, Art. 6, Section 84, et seq.) ("FOIL") and the New Jersey Open Public Records Act (C.47:1A-1, et seq.) ("OPRA").

PORT AUTHORITY POLICE BENEVOLENT ASSOCIATION, INC.

Both FOIL and OPRA set limited periods for response to requests for information and permit court enforcement of public information requests which are unreasonably delayed or denied including potential for the provision of attorney's fees and damages. The OPRA statute also provides for civil penalty to be assessed against any "public official, officer, employee or custodian who knowingly and willfully violates P.L. 1963, c. 73 (C. 47:1A-1 et seq.), as amended and supplemented, and is found to have unreasonably denied access under the totality of the circumstances." N.J. Stat. § 47:1A-11. Civil penalties range from \$1,000 to \$5,000 per violation assessed.

I agree in advance to pay reasonable copying fees as provided for by applicable law.

Very Truly Yours,

(e) This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York without regard to the choice of law rules for the State of New York. Without limiting the generality of the foregoing, with respect to any claim or notice arising hereunder, all parties hereto, to the maximum extent permitted by applicable law, irrevocably and unconditionally submit to the jurisdiction of the New York State Supreme Court, County of New York, in connection with any proceedings commenced regarding this Agreement, and all parties irrevocably submit to the jurisdiction of said court for the determination of all issues in such proceedings, without regard to choice of law principles and irrevocably waive to the maximum extent permitted by law, any objection to venue or inconvenient forum.

(j) No waiver of any of the provisions of this License shall be deemed, or shall constitute, a waiver of any other provision, whether or not similar, nor shall any waiver constitute a continuing waiver. No waiver shall be binding unless executed in writing by the Party making the waiver.

(k) The invalidity or unenforceability of any one or more provisions of this License shall not render any other provision invalid or unenforceable. In lieu of any invalid or unenforceable provision, there shall be added automatically a valid and enforceable provision as similar in terms to such invalid or unenforceable provision as may be possible.

(l) If Licensor or Licensee is in any way delayed or prevented from performing any obligation (except, with respect to Licensee, its obligations to pay the Operating Fees and Additional Charges due under this License) due to fire, act of God, natural disaster, act of terrorism or war, governmental act or failure to act, strike, labor dispute, inability to procure materials, or any cause beyond the reasonable control of Licensor or Licensee, as applicable ("Force Majeure Event"), then the time for performance of such obligation shall be excused for the period of such delay or prevention and extended for a period equal to the period of such delay or prevention. No Force Majeure Event shall excuse the timely payment of all items of payment by Licensee (or Licensor, if applicable).
