Attn: FOI Administrator

**Re: FOI Request**

Dear FOI Administrator:

In accordance with provisions of the Freedom of Information Code, this firm respectfully requests that the Port Authority of New York and New Jersey furnish all certified payroll records submitted by Stuart Berger Construction Corp. ("Stuart Berger") in connection with work performed at the John F. Kennedy International Airport, as well as all payment bonds related to the aforementioned project.

This firm represents the fringe benefit funds (the "Funds") of the New York City District Council of Carpenters ("the Union"). We submit our request in an effort to determine if the required amount of benefit contributions were made to the Funds for work performed by Stuart Berger employees within the trade and geographical jurisdiction of the Union. To effectively complete these delinquency calculations, the Funds must know which Stuart Berger employees performed work on the project. We, therefore, ask that the Port Authority of New York and New Jersey not redact the names of the employees contained in the certified payroll records.

Please feel free to contact me with any other questions you may have.

Very truly yours,

*Eva Codispoti*
