Personal  
Information NO  
Request:

I am a claims adjuster with Zurich North America Insurance Company & we insure a company called Corporate Loss Prevention. We are requesting the camera footage leading up to & recording the loss that took place 07/31/2016 involving one of our insured drivers, Rasheed Mohamed & Shaquille Brown. We are requesting this footage to assist with our investigation as we've been unable to obtain a statement from Shaquille. The accident took place at the intersection of N. Boundary Rd and Old Rockaway Blvd.

Records seeking: We have already contact the Port Authority claims dept and have spoken with Karl Lunan with regards to preserving the footage. A written request has been sent to the claims dept requesting the same.

Thank you,

Janet Reid

On behalf of the Secretary of the Port Authority, as Records Access Officer and Custodian of Government Records of the Port Authority.

- The requested records are being made available.
- Any responsive records that may exist are currently in storage or archived, and a diligent search is being conducted. The Port Authority will respond by:
- A diligent search has been conducted, and no records responsive to your request have been located.

- The requested records that have been located are not being made available, as they are exempt from disclosure for the following specific reasons:

- Some requested records that have been located are being made available. The remainder are exempt from disclosure for the following specific reasons:

- The request does not reasonably describe or identify specific records; therefore, the Port Authority is unable to search for and locate responsive records. Please consider submitting a new request that describes or identifies the specific records requested with particularity and detail.

- Other:

This form is promulgated by the Port Authority pursuant to the Port Authority Public Records Access Policy and is intended to be construed consistent with the New York Freedom of Information Law and the New Jersey Open Public Records Act. It is intended to facilitate requests for Port Authority public records and does not constitute legal advice.
