The accident occurred at the location where a vehicle which had proceeded through lane 2 of the toll booth and a vehicle which had proceeded through lane 8 of the toll both would merge into one lane –approximately 300 feet beyond the toll booth. The Police Vehicle Crash Report's detailed location is "upper crossway East."

We are requesting footage from any and all cameras which depict the area between the toll booths and the location described above between the hours of 1:00PM and 3:00PM. Thank you very much!
