

Port Authority Bus Terminal Replacement Program – Planning Authorizations– Phase I February 16, 2017

**THE PORT AUTHORITY OF NY & NJ**

## Port Authority Bus Terminal (PABT) Replacement Program – Phase I Planning

Planning Authorizations - Phase I

\$70M

- Initiate planning for PABT replacement and supporting facilities in accordance with National Environmental Policy Act (NEPA), and/or other applicable federal, state or local review processes.
- Plan for potential intermediate bus staging and storage facilities and other initiatives for the efficient operation of the interstate bus network, including existing PABT.
- Formal planning work to commence First Quarter 2017.
