

***Hudson Raritan Estuary Resources Program –
Public Access To The North Shore Marina***

Public Access Site At The North Shore Marina

Goal: To develop waterfront access in an underserved area

Project Elements (not to exceed \$3,500,000):

- Soil removal and two feet fill up to 4 acres
- Creation of a lawn and meadow
- Access to the property up to a fence line to be determined
- Development of arrival parking

North Shore Marina Site

Public Access Site At The North Shore Marina

- PA will reimburse TPL for improvements necessary to open the property to the public
- TPL will serve as project manager
- NYC Parks will operate and maintain area and will finance further park enhancements

Public Access Site At The North Shore Marina

The project is scheduled to be completed by October 2012

Benefits to the Authority:

- Demonstrates the Authority's stewardship role in the region
- Addresses community concerns over loss of public access to the waterfront and natural resource areas
- Is in keeping with the scope and intent of the Hudson-Raritan Estuary Resources Program
