SUMMARY OF 2013 OPERATING BUDGET

(In Millions)

	<u>2013</u> <u>Budget</u>	<u>2012</u> <u>Budget</u>	<u>Variance</u>	<u>%</u> <u>Change</u>
SOURCES:				
Gross Operating Revenues	\$4,225	\$4,132	\$93	2.3%
Financial Income	31	45	(14)	-31.1%
Grants and Contributions, Insurance and Miscellaneous Revenues (inc. JV contrib)	439	616	(177)	-28.7%
Passenger Facility Charges	223	215	8	3.7%
Total	<u>\$4,918</u>	<u>\$5,008</u>	<u>(\$90)</u>	

Significant Highlights/Challenges:

- ⇒ Gross operating revenues are expected to increase by \$93 million due to fixed rentals, mostly at Aviation and higher toll and fare revenue.
- ⇒ Grants and contributions, insurance and miscellaneous revenues are expected to be lower mainly resulting from a change in land purchase strategies in the Cross Harbor program and fulfillment of certain third party contributions related to the WTC.
- ⇒ Passenger Facility Charges are expected to be higher by 3.7% due to increased passenger levels.

	<u>2013</u> <u>Budget</u>	<u>2012</u> <u>Budget</u>	<u>Variance</u>	<u>%</u> <u>Change</u>
OPERATING BUDGET:				
Expenses	\$2,576	\$2,561	\$15	0.6%
Debt Service	886	832	54	6.4%
Deferred & Other Expenses	70	45	25	55.6%
Total	<u>\$3,532</u>	<u>\$3,438</u>	<u>\$94</u>	

Significant Highlights/Challenges:

- ⇒ The Operating expense budget is relatively flat, supported by a new lease agreement between the Port Authority and Covanta Essex County Resource Recovery Facility.
- ⇒ Maintains authorized permanent position levels in the 2013 Budget at 6,777
- ⇒ Includes \$2.5 million increase in Customer Service improvements at airports, including 70 new Customer Service Representatives.
- ⇒ Provides \$775 thousand for a new Transparency Office charged with overseeing and managing the unimpeded flow of Agency information to the public.
- ⇒ Continues efforts on environmental initiatives e.g., Port Clean Air Strategy, including shore power, truck replacement program, ocean-going vessels fuel switching incentive and cargo handling equipment and capitalizes on lower energy costs.
- ⇒ Committing \$549 million in security expenditures which include a new Chief Security Office and policing needs at the WTC, Airports and other facility patrols.
- ⇒ Investing in capacity planning for future air travel and bus travel demands.
- ⇒ The increase in Debt Service is due to higher scheduled interest and principal payments on outstanding debt.
- ⇒ Deferred & Other Expenses include the up front marketing and leasing costs and the purchase of systems required to operate the World Trade Center facility.

Note:

- ⇒ Pending adoption of the budgets for calendar year 2013 by the Board of Commissioners of the Port Authority, the agency will continue to make operating and capital expenditures, undertake contractual commitments, and continue planning, design and construction consistent with applicable authorizations.

Rentals - The Port Authority charges a rental fee for the use of its various facilities. There are primarily two types of rentals: Fixed Rentals, which are generated from leases; and Percentage Rentals, which are mostly generated by a percentage fee that is charged to all companies providing goods and services (mostly at our Aviation facilities).

Tolls and Fares - These revenues are a result of tolls imposed at tunnels and bridges and fares charged to passengers of the Port Authority Trans-Hudson railroad system.

Aviation Fees - These fees are based on cost recovery agreements with airlines and are calculated on the basis of direct and allocated costs of operating and maintaining public aircraft facilities and the weight of aircraft using the runways.

Parking - The Port Authority charges an hourly or daily rate for the use of parking lots located at the airports and bus terminals.

Other - This includes World Trade Center rent, gate and tipping fees at the Essex County Resource Recovery Facility and facility rentals related to Special Project Bonds.

Operations - Non-maintenance operations spending, including customer service, facility management, facility operations, leases, revenue collection costs, and utilities.

Security - Providing safe and secure transportation services to the region and nation by vigilance over potential threats, investment in infrastructure and new technology, and employment of best practices in security and emergency preparedness operations.

Maintenance - Costs incurred to keep property, facility structures and equipment operating at a high level of performance, including conforming with applicable codes and regulations, thereby preventing injury to life and damage to property. Activities include Electrical, General Maintenance (Elevators and Escalators, Tunnel Subway Pump, Automotive Maintenance and Servicing, etc.), Inspections, Mechanical, Janitorial/Grounds Keeping, Snow and Ice Removal, Structural (inspections)

Management Services - Reflects functions that support line business operations as well as agency-wide management, including costs related to agency oversight, departmental management, audit, financial services, human resources management, insurance, legal services, planning, public and government affairs, technology support, and training.

Rent - Payments made periodically to governmental agencies and other landlords in return for the use of land, buildings, offices, or other property.

Debt Expense - Includes interest on special project bonds and operating asset obligations.

(1) **Allocated & Other** is comprised of police headquarters, staff department and development expenses which are allocated to facilities.
